**Trustee Stacey moved, supported by Trustee Showers, to approve the minutes as presented. Motion carried.**

3. **Limited Public Comments:** Trust Committee Chairperson Washburn requested limited public comments. There were none.

4. **Review of Clinton County MI Deferred Compensation Plan:** Trust Committee Chairperson Washburn introduced discussion Clinton County's DC Plan.

- The members reviewed the quarterly report prepared by Plante Moran Financial Advisors:
  - Employee education sessions were completed in early October to educate participants on the upcoming changes to the Plan; overall the sessions went well and questions that did arise were primarily about the changes to the fixed account and the administration fee;
  - The Plan's core investment options were reduced from 41 to 19 (excluding target date funds);
  - There were no material changes in the Plan's allocation following the fund changes, meaning that the vast majority of participant assets were mapped according to plan and alternative elections were not made;
  - Use of the fixed account has increased slightly which may imply participants have added money prior to the decrease in the crediting rate;
- Discussion took place regarding the next meeting which will take place in January 2020:
  - Nationwide will be in attendance at this meeting to give an update on the Plan and to assist with discussing Plan Design, which includes, but is not limited to:
    - Auto features (i.e., enrollment, escalation)
    - Employer contributions
    - Participant Loans
    - Self-directed Brokerage

No action taken.
