## FACT finder

Are you concerned about getting the straight facts on a question which arises but don't know where to find the answer? We'll find the facts for questions submitted by our readers. Just drop us a line at FACT FINDER, Clinton County News St Johns 48879.

**Q.** While at a St Johns business, I witnessed a girl who missed the 10 pm bus. She didn't have enough money to secure lodging for the night. An observer called the city police department who refused to do anything. Luckily an individual agreed to help her out. What responsibility does the police department have in a case like this or is there anywhere a person could go in St Johns if placed in a similar situation? A CONCERNED CITIZEN, ST JOHNS.

**A.** The St Johns Police Department has absolutely no responsibility in instances such as this. Under similar circumstances a patrol car is usually dispatched to the area to determine the situation, says Sgt Lyle French. Why this was not done in the case you refer, Sgt French cannot answer as he was not on duty. Normally we try to make some arrangements, he reports, or refer the individual to a church or minister. Since there is no active Red Cross office in St Johns to come to the aid in a like happening, Sgt French suggests organizations might undertake a program which would aid people in an incident such as you describe.

**Q.** I lived on the corner of Walker Rd and N Lansing St. The east side of Walker belongs to the city. There is a plugged ditch on the south side. The city couldn't open it up but made arrangements with the county who came, staked it out and then did no more. I've been working on this program 6-8 months and feel I'm getting the runaround. I've got water backed up on my property and need some help. WM, ST JOHNS.

**A.** It seems like you're getting nowhere and you aren't. But it's not the fault of the Clinton County Road Commission. The area you refer to is a city street. The road commission agreed to clean out the ditch if it could be done with a grader. It can't. The problem has been referred back to the City of St Johns and it's up to them to take care of it. You've also been notified of the road commission's decision. Here's hoping it's a step in the right direction.

## Help comes for health department

LANSING - State Senator William S. Ballenger (R-Owosso) announced today that financially hard-pressed county health departments in the mid-Michigan area can look forward to a transfusion of nearly \$300,000 in new funds, due to the passage of a bill he co-sponsored which was recently signed into law.

The measure, now PA 279 of 1972, will increase per capita payments to local health departments by 75%, and also boost the minimum payment made to low-population counties from \$8,500 to \$12,500 annually, raising the state aid per resident from 20¢ to 35¢.

Below is the amount that local county health departments in Ballenger's 30th Senatorial District will be receiving:

- Barry-Eaton - \$37,470
- Clinton-Gratiot-Montcalm - \$44,589
- Ingham - \$91,364
- Shiawassee - \$22,076
- Calhoun - \$49,697
- Jackson - \$50,146

Commented Ballenger:

This increase will greatly enhance the capacity of local health departments to serve the health needs of people not only in the 30th Senatorial District, but throughout the state as well. County health officers and legislators from rural areas like mine have been working for legislation like this for years."

The bill, signed into law by Governor William G. Milliken late last month, was given immediate effect. Payments which have not already been made to counties will be disbursed shortly, Ballenger added.

## Write-in votes fail to beat Hufnagel

# Clinton follows GOP vote

CLINTON COUNTY - With 2/3 of the Clinton vote tally in at press time this morning, Clinton voters joined in the Nixon-Agnew sweep and figures indicated the probable outcome of several local elections.

Anthony Hufnagel had a comfortable

margin over write-in challenger Ray Terpening. The vote count at 4 am found Hufnagel with 9033 votes and Terpening 1501.

County register of deeds, Willard Krebel (Rep) also seemed to be defeating his challenger Stephen

Parker (Dem). Krebel was leading with 8253 votes, with 4719 going to Parker.

In a partial rundown of county commission districts, Derrill Shinaberry (Rep) was leading Helen Wiltzie (Dem) in Dist 1; William Hufnagel (Rep) was unopposed;

Harold Martin (Rep) was unopposed in Dist 3; in Dist 4 Maurice Gove (Rep) was leading Lynn Henning (Dem); Donald Gilson (Rep) was defeating Dorothy Cornwell (Dem); Duane Chamberlain (Rep) held a large margin over Ruth Pino (Dem).

In Dist 7, Robert Overway (Rep) was on his way to a probable defeat over

Richard Warren (Dem); Dyle Henning (Rep) led Greg Huhn (Dem) and Alta C. Reed (Rep) unseated incumbent Roy Andrews (Dem).

Virginia Zeeb (Rep), with all Dist 10 votes in, defeated Linda Kurncz (Dem); Gerald Shepherd (Rep) was holding a narrow margin in his bid for re-election over James Cronk (Dem).

## Inspect vandalism

Custodians Max Rivest and Roy Fizzell look over the results of Saturday's vandalism at Ovid's North Elementary School. Sheriff deputies apprehended 3 youths, all students at the school, they said were responsible for the destruction. A total of 18 windows were broken, a sky light was damaged and a vent fan in a kitchen storage room was broken. School officials stated that the youths entered the building through a library window and reported several new books were taken.

## Greek bus accident injures 3 from area

Three Clinton County persons were injured near Corinth, Greece Oct 31 when a bus skidded from a rain-slicked highway and slid down an embankment.

Five passengers were killed in the

accident on a 10-day tour of the Holy Land.

Clinton residents, Mrs Carrie Patterson of Wacousta; Mrs Faye Hansen of DeWitt and Murlj Eastman, pastor of the DeWitt Community Church

received serious injuries in the accident.

In critical condition is Eastman's brother, Rev Addison Eastman of the Cleveland, Ohio area.

An Elizabeth Lake, Mich resident, Mrs Jane Martini was fatally injured.

## Aylsworth receives award for Clinton 4-H program

EAST LANSING -- John R Aylsworth, 4-H youth agent for Gratiot, Shiawassee and Clinton counties, has received national recognition for a program he helped initiate in Clinton County.

Aylsworth was awarded first place

Monday in the regional (North Central states) competition for the 1972 Celanese Environmental Awards, sponsored by the National Association of County Agricultural Agents (NACAA). The award was presented at

a special banquet during the NACAA national convention being held at Atlanta, Ga.

The citation to Aylsworth came in recognition of the glass recycling project which is being carried out in the St Johns vicinity by the Clinton County 4-H Team Leader Club. The 4-H'ers collect, sort and crush the glass and then deliver it to Owens-Illinois Glass Company at Charlotte. In this way, more than 373,000 pounds of glass have been recycled in the past two years.

Aylsworth received his BS and MS degrees from Ohio State University in 1955 and 1966 respectively.

After serving as a county extension agent in Sandusky, Ohio for 10 years, he accepted his present position with the Michigan Cooperative Extension Service in 1966.

## He's the winner in football contest

Walter Dick's prediction of 48 total points in the Illinois Northwestern game came the closest, making him the winner of last week's football contest.

Dick only missed 1 game, putting him in a tie with 4 others: Bill Jolly, Tim Thelen, Larry Marten and Wayne Sperry.

His 48 points was closest to the 56 scored in the Illinois 43-13 victory over Northwestern.

Try your hand at gridiron prognostication - see this week's football contest in Section B of the Clinton County News.

## DeWitt voters elect mayor, new council

DeWitt voters elected a new mayor, 5 councilmen, approved liquor by the glass and approved a charter change.

Raymond DeWitt polled 388 votes to win the mayor's post, defeating Murl J. Eastman, 321 votes.

Elected to 4-year council posts were Gary Gillespie, Ron Mull and Wayne

Wilcox, while George Moody and Stanley Tenney were elected to 2-year terms.

Voters approved liquor by the glass by a 483-248 margin and approved changing the fiscal operation of the city to July-to-July, changing from the January-to-January system.

## New officials for DeWitt Township

Dale Emerson (Rep) polled 512 votes, in an unofficial count, to defeat Gary Banfield (Dem) with 287 in the race for DeWitt Township supervisor.

In the clerk's race, incumbent Donna Sverson (Rep), polled 529 votes to

defeat Shirley Merlington (Dem) with 293 votes.

Jack Kzeski and Eileen Coor (Reps) won 4-year trustee positions, outpolling Phillip Mustaine (Dem).

## Liquor passes road mills fail

Liquor by the glass proposals were passed in Eagle and Dallas Townships and the City of DeWitt Tuesday night.

At the same time, voters in Westphalia Township turned down by a 403-345 margin a proposal to assess 2 mills for road construction.

## No...5 times on proposals

Clinton's vote on proposals with 2/3 of the vote tallied

PROPOSAL A	YES	NO

## B&E nets \$2500 worth of merchandise

A breaking and entering Sunday, sometime between midnight and 3 am, netted \$2500 worth of merchandise from Gower's Hardware in Eureka.

Stolen were 17 rifles and shotguns, 2 color televisions, portable radio, cash register and hunting knives.

The cash register was found by the Clinton County Road Commission at Mead Road and US-27 north of St Johns.

Law enforcement authorities are investigating the theft.

ALSO UNDER investigation is a Sept 25' breaking and entering of Dean's Hardware in St Johns.

Taken was \$3600 worth of merchandise. St Johns police are investigating that incident.

# Hearing schedule set for House Bill 4948

Senator Gordon Rockwell, chairman of the Senate Conservation Committee announced that an additional public hearing will be conducted on House Bill 4948 in Lansing. The bill is known as the Inland Lakes and Streams Bill. The complete hearing schedule is as follows:

Grand Rapids - Nov 7, 10:30 am Holiday Inn East  
Saginaw - Nov 9, 10:30 am Holiday Inn East

Lansing - Nov 14, 10:00 am Auditorium, Seven Story Building (500 block of West Ottawa).

"This bill sets numerous restrictions on activities at

or near streams and lakes and requires the Department of Natural Resources to approve those changes made. People who own property on or near lakes and streams may be affected by this far-reaching bill. Also, agricultural drains may be affected which is of concern not only to drain commissioners, but also to farmers.

"The House has worked with this bill for nearly a year and a half and while the public interest in the bill's passage is very high, I feel that we should do a thorough job on it here in the Senate. This is why we are holding hearings on the bill to hear what the people have to say about

it," Senator Rockwell concluded.

Dwight Spuller, chairman of the Michigan Soil Conservation Districts, Incorporated, said, "As you probably know, House Bill 4948, the Inland Lakes and Streams Bill, has passed the House of Representatives and is now being considered by the Senate Committee on Conservation.

These are some aspects of the bill we do not agree with. Our major concern is with the fact that county drains are not excluded from the permit procedure. To put

county drains under the permit system means that all local control of these drains, including the purchase of rights-of-way. To say that the drains cannot be maintained or improved because they might damage the wildlife and waterfowl

habitat or might, temporarily, lower the water quality, means that the rights and privileges these people paid for will be taken from them; besides, in many instances, severely curtailing their farming operation or completely

putting them out of business.

"What we are asking the Senate Committee is that they include an amendment to the Bill that will exclude all drains constructed or maintained under the Michigan Drain Code."

# Grange elects officers at 99th annual session

At the 99th annual session of the Michigan State Grange at Midland 200 delegates spelled out a specific program. Michigan Grangers will support a

three structure tax system for general government purposes: a minimum property tax, a moderate sales tax, and a limited state income tax.

Clinton County delegates elected are Almond Cressman, Dorothy Cressman, Mr and Mrs Clarence Hill and Mr and Mrs Arthur Curtis.

Cressman was re-elected overseer and Alvin and Marie Thelen were re-elected assistant stewards. Next year's convention will be the Centennial Convention and will be held in Marshall.

Michigan State Grange delegates voted to oppose Proposal "C" on the Nov 7 election. In their statement, Michigan Grangers said they agree in principal of property tax reform but have to oppose this proposal specifically because there is no provision in it to limit increased valuation being imposed through the assessment process as it presently exists. The power of levying such assessments on local government units currently rests with the State Tax Commission.

In other action, Michigan State Grange voted to oppose Proposal "D" which includes the provision which would allow local units the option of levying a flat or graduated income tax. The Grange calls for a constitutional ceiling of not to exceed 5% on a state income tax, and would be based on the "ability to pay". The Grange would favor an increase in the income tax rate to a ceiling of 5% only if a reduction of 50% in present property tax assessments became a reality. The Grange is concerned over loss of local revenue because of reduction of property and intangible taxes, and does urge that such loss of local revenue be replaced to local government through refund of a portion of the income tax.

Delegates also re-affirmed their policy of opposing the diversion of any gasoline or diesel fuel tax for the financing of mass transit systems.

On Agriculture, the Michigan State Grange opposes any boycott of perishable agriculture products, stating that such boycotts, if successful, could spread to other agriculture products and are detrimental to the small grower who does not use hired labor, as well as to the large grower.

The Michigan Grange supports the Michigan Department of Agriculture in its attempts to enforce the Michigan Communitied Meat Act, and urges them to pursue the case if necessary to the United States Supreme Court.

The Michigan State Grange endorses Substitute House Bill 4907 on inland lakes and streams, provided legally established drainage structures and facilities are exempted from said bill. The Michigan State Grange supports legislation regulating the construction of livestock and other confined feeding facilities for environmental protection purposes but would endorse only legislation that would require authority to administer this program be vested with the Director-of the Michigan Department of Agriculture.

In discussing land use, Michigan Grangers recognized the need to develop a sensible, efficient and ecological land use plan. They voted to work toward gaining representation that is directly connected with agriculture on any State Land Use Commission, and called for opposition to any transfer of property ownership rights and privileges to such State Commission.

## Twenty mailboxes lost or gone

ST JOHNS - The mail must go through - but it isn't easy southwest of St Johns this week.

Some 20 mailboxes and daily newspaper boxes were destroyed or stolen in that area over the weekend.

MR AND MRS LEON WEBER

## Jane Fedewa now Mrs Leon Weber

WESTPHALIA -- St Mary's Church in Westphalia was the setting for the Saturday, Sept 16 wedding ceremony which united in marriage Jane Marie Fedewa and Leon A Weber. Rev Albert Schmitt officiated at the double ring 1:30 pm service.

The bride is the daughter of Mr and Mrs Roman Fedewa of Price Road, Westphalia and the groom is the son of Mr and Mrs Norman Weber of R-1, Pewamo.

The bride was given in marriage by her father and chose an empire-style gown of organza featuring Venice lace trimming on the bodice and edging the hemline. The gown was styled with a high neckline and ruffle cuffed Bishop sleeves. Flowers dotted the cathedral-length train. An organza bow trimmed with Venice lace secured her elbow-length bouffant veil and she carried a bouquet of red roses, white carnations and mums.

Marlene Fedewa, Westphalia, was maid of honor and assisting as bridesmaids were Linda Fedewa, Westphalia, Mrs Pat Vashaw, Portland and Mrs Russ Manning of Westphalia. Flower girl was Brenda Schafer of St Johns. The attendants wore lime green chiffon gowns featuring a ruffled neckline and Bishop sleeves with a ruffle cuff. An apple green yoke trimmed with lime green and apple green

braiding accented the bodice. An apple green satin bow headpiece with streamers secured their lime green veils.

Best man was Marv Weber, Portland, and assisting as groomsmen were Dan Weber, Mike Meyers and Bob Schneider, all of Portland. Ring bearer was David Goodman of Portland and seating the guests were ushers Dan Schrauben of Pewamo and Larry Pohl of Portland.

A 5:30 pm dinner and reception was held at St Mary's Hall in Westphalia. Special guests at the wedding and reception was the bride's grandmother, Mrs Dora Schafer.

The couple travel to the Western States for wedding trip following the reception.

### HOSPITAL NOTES

ST JOHNS -- The Clinton Memorial Hospital Auxiliary will have a sale of Christmas gift items Nov 15 and 16, from 12 to 8 pm in the hospital corridor.

Featured will be decorations, floral arrangements, toys and stocking stuffers.

Persons are welcome to visit the hospital display.

SHADOW OF DOUBT The further a man can see into the future, the less sure he feels that he is right.

MR AND MRS EUGENE CORNWELL

## Celebrate anniversary

ST JOHNS -- Mr and Mrs Eugene Cornwell of 302 West McConnell Street, St Johns celebrated their 25th wedding anniversary on Nov 3.

They left for a one week trip to Arizona on Nov 2.

## DAR holds meet at library

River Wabwaysin Chapter, DAR met on Tuesday evening at the Bement Public Library. The Regent Maralyse Brooks called the meeting to order.

The National Defense reading was given by Mrs Dale Calder, National Defense Chairman on "Soviet Political Agreements and Results." Shirley Pouch presented the program on "Captain Molly" Forgotten Heroine of the Revolution.

The November meeting will be with Mrs Dean Gill.

### Births

SADBERG -- A baby, Brian Dean, was born to Mr and Mrs Ronald R Sadler of 525 Sir Galahad Dr, Lansing, Nov 1 at Clinton Memorial Hospital. He weighed 7 pounds, 15 ounces. The baby has 1 brother. Grandparents are Mr and Mrs Dean Lowe of Lansing and Mr and Mrs Roy Sadler of Lansing. The mother is the former Lucinda Lowe.

## Music Clubs have exchange meeting

LANSING -- The annual exchange meeting between the Lansing Matinee Musicale and the St Johns Morning Musicale was held in a lecture room of Lansing State College. The Study Group of Lansing Morning Musicale was the hostess club. While St Johns Morning Musicale presented the program.

Mrs Basil Deibert of St Johns was program chairman and Mrs Miriam Oskenham of Lansing was Matinee Musicale speaker.

The program was based on the music that was sung during World Wars I and II. Songs from these eras were sung by the audience from song sheets distributed by Mrs Paul Martis Jr. Mrs Martha Lundy was the pianist and Mrs Hila Bross

led the singing. Mrs Jack Stenberg, Mrs Alice Stork, and Mrs Phyllis Rice presented vocal solos.

Mrs Clarence T Liebum, State President, Mrs Hila Bross, southwest district president, and Mrs Winchell Brown, St Johns Morning Musicale president, all gave short talks.

### Births

COX -- A girl, Debra Ann, was born to Mr and Mrs John Cox of R-4, St Johns Oct 26 at St Lawrence Hospital. She weighed 8 pounds, 7 ounces. The baby has 1 sister. Grandparents are William T Cox and Mr and Mrs Orville Jones. The mother is the former Barbara Jones.

## City Of St. Johns Notice Of Public Hearing City Commission

Notice is hereby given that a Public Hearing will be held at 8:00 p.m. Monday, November 27, 1972 in the Commission Chambers, City Hall, for the purpose of hearing all persons interested in the Proposed Amendment to the Zoning Map, which by Section 6.1.3, Article VI and Article XIV of Ordinance No. 245 of the City of St. Johns being the Zoning Ordinance, is made a part of the Zoning Ordinance. Said Amendment, if adopted by the Commission would apply the General Commercial Classification to the following described land:

Beginning at the Southwest corner of the West 20 rods of the North 40 rods of Outlot M of the Original Plat of the City of St. Johns, Clinton County, Michigan according to the recorded plat thereof; thence S. 0°-15'-45" E. 256.00 feet; thence N. 89°-20'-15" E. 490.00 feet; thence N. 42°-20'-45" E. 190.48 feet to the SW'ly corner of the Clark gas station; thence N. 46°-54'-30" W. 290.44 feet; thence S. 42°-20'-45" W. 115.00 feet; thence S. 89°-20'-15" W. 329.85 feet to the place of beginning; except beginning at the Southwest corner of the West 20 rods of the North 40 rods of Outlot M of the Original Plat of the City of St. Johns, Clinton County, Michigan, according to the recorded plat thereof; thence S. 0°-15'-45" E. 256.00 feet; thence N. 89°-20'-15" E. 250.00 feet; thence N. 0°-15'-45" E. 75.00 feet; thence S. 89°-20'-15" W. 175.00 feet; thence N. 0°-15'-45" E. 181.00 feet; thence S. 89°-20'-15" W. 75.00 feet to the place of beginning.

The said Zoning Map would be so amended as to change the Zoning Classification on the above described land.

MRS JAMES E OTIS

## McDiarmid-Otis say vows in Grand Ledge

**GRAND LEDGE** -- Following a wedding trip to Niagara Falls, the new Mr and Mrs James E Otis will be at home in St Johns. The couple exchanged wedding vows at four o'clock in the afternoon Nov 4 at the First Congregational Church in Grand Ledge. Rev William F Kinnan performed the double ring ceremony before an altar decorated with orange, yellow and white mums and asters. The bride, the former Patricia Ann McDiarmid, is the daughter of Mr and Mrs Niles M McDiarmid, Grand Ledge. The groom's parents are Mr and Mrs Roger E Otis, Lansing.

Music was played by Brian M Fowler of Lansing, friend of the groom, including the "Wedding Song", "There Is Love." The bride, given in marriage by her father, chose a floor-length white velvet gown and train adorned with white lace flowers. The sleeves were fitted to above the elbow, then blousing out and ending in an S button cuff. Her headpiece, made of the same trim as on her gown secured a chapel-length veil. She held a bouquet of white mums and

orange rosebuds. Maid of honor was Jane M Clark, with bridesmaids, Susan Clewley and Carol L Wagner, all of Grand Ledge. The maid of honor wore a knee-length dress with a green velvet top and floral skirt of orange, yellow and gold. She carried a bouquet of orange and yellow mums. The bridesmaid's dresses were fashioned after the maid of honor's only with gold velvet bodices. They carried yellow mums and also wore them in their hair. The bride made her own gown as well as those of the attendants.

Flower girls Julee and Jannett Overmyer wore dresses like the bridesmaids made by their mother, Mrs Gerry Overmyer. Each carried a circular bouquet. Best man was Dale Sadler, Lansing with groomsmen William Kinnan Sr, Lansing and LeRoy McDiarmid, Midland.

A reception for 300 guests followed at the Masonic Temple, Grand Ledge.

For travel on her wedding trip, the new Mrs Otis chose a floral dress in shades of the wedding colors.

The couple graduated from Grand Ledge High School in 1971.

## They're engaged

REVA ACKELS

**BATH** -- Mr and Mrs Sheldon W Ackels of 13779 Main Street, Bath announce the engagement of their daughter, Reva Marie to Mark Edmund Puckett. He is the son of Mr and Mrs Floyd C Puckett of 2030 East Stoll Road, Lansing.

The bride-elect is a senior at Bath High School.

The prospective groom is a graduate of Eastern High School and attended Lansing Community College for two years. He is employed at Ackels Union 76 in DeWitt.

A spring wedding is being planned by the couple.

JULIE ANN SPITZLEY

**WESTPHALIA** -- Mr and Mrs Edward F Spitzley of 6094 Heyer Street, Westphalia announce the engagement of their daughter, Julie Ann to Duane L Feldpausch. He is the son of Mr and Mrs Leon Feldpausch of 14545 Centerline Road, Pewamo.

The bride-elect is a 1971 graduate of Pewamo-Westphalia High School and is employed by the State of Michigan for the department of education.

The prospective groom is also a 1971 graduate and is employed by Larry T. Schaefer Inc in DeWitt.

An April 28 wedding is being planned by the couple.

MR AND MRS WILLIAM DUSH

## Celebrate anniversary

MR AND MRS TOM MCGRAW

## Susan Crosson now Mrs Tom McGraw

**ELSIE** -- Susan Crosson became the bride of Tom McGraw Saturday, Oct 14 in a 6:30 pm service held in Elsie United Methodist Church Pastor David Litchfield performed the double ring ceremony before an altar decorated with baskets of white carnations and mums accented with gold ribbons. Organist was Lois

Williams of Flushing who played traditional wedding music and soloist was Rose Smith who rendered "I Love You Truly" and "Scottish Wedding Prayer." She was accompanied by Hal Smith, organist.

The bride is the daughter of Mr and Mrs Reginald Crosson of 8211 Island Road, Elsie and the groom's parents are Mr and Mrs Charles McGraw of 242 West Clinton, Ovid.

The bride was given in marriage by her father and chose an empire-style gown of candlelight organza over satin fashioned with Juliette sleeves, a stand-up petal lace collar and a detachable train. Petal lace formed a ruffle around the hemline. A Camelot cap of seed pearls and Venice lace secured her shoulder-length veil and she carried a cascade bouquet of gold and yellow mums and carnations and red rosebuds.

Regina Bush, Elsie, was her sister's matron of honor while Diane Curtis, of Paris, Jesse Stinebower, Grand Haven, cousin of the bride, and Barb Ball, DeWitt, cousin of the bride, assisted as bridesmaids. The attendants wore gowns of burnt orange double knit jersey styled with ecru ruffled cuffs, an ecru lace bid on the bodice and a stand-up collar. The gowns were fashioned with empire-style waistline. They wore a headpiece of mum clusters with ecru streamers and carried brown wicker baskets of orange and yellow mums with sweetheart roses.

Best man was Chuck Perry of Owosso and assisting as groomsmen were Ron Bush, Elsie, brother-in-law of the bride, Frank Winkler of Elsie and Robbie McGraw of Owosso, cousin of the groom. Seating the guests were ushers, Randy Curtis of Ovid and Greg Mead of Elsie.

A reception was held in the Legion Hall in Elsie with 300 guests in attendance immediately following the ceremony.

Special guests at the wedding and reception were the bride's grandmother, Mrs Mildred Hartwick and the grandparents of the groom, Mrs Leone McGraw, Mr and Mrs Glenn Powell and Mr and Mrs A B Conrad.

Following a wedding trip to the Smokey Mountains, Tennessee and North Carolina, the couple will make their home at 4124 Camary Lane, Kalamazoo. The couple are both graduates of Ovid-Elsie High School.

MR AND MRS FRANK BAILEY

## Dora Smith

PEWAMO -- Mrs Dora Smith, 90, of 188 Lincoln Street, Pewamo died Thursday, Nov 2 in Portland following a short illness. Funeral services were held Saturday, Nov 5 at St Joseph's Catholic Church in Pewamo with burial in Pewamo Cemetery. Rosary was recited at the George Chapel of the Osgood Funeral Home in Fowler.

She was born in Dallas Township, Clinton County on Sept 11, 1882, the daughter of Ludwig and Catherine Fox Werner and had been a lifelong resident of the Pewamo-Fowler area, residing at her present address for the past 25 years. She married Frank Smith in Fowler on April 23, 1901. She was a member of St Joseph's

Catholic Church and its Altar Society.

Survivors include 4 sons, Raynold Smith, Albert Smith and Carl Smith, all of Pewamo and Roman Smith of Portland; 2 daughters, Mrs Florence Halfman of Westphalia and Mrs Dorothy Wieber of Fowler; a brother, Ben Werner of Portland; a sister, Mrs Ida Miller of Carson City; 52 grandchildren; 72 great-grandchildren.

## Maida K Henning

LANSING -- Mrs Maida K Henning, 29, of R-1, Laingsburg died Saturday, Nov 4 at Sparrow Hospital in Lansing following a short illness.

Funeral services were held Tuesday, Nov 7 at St Joseph's Catholic Church, St Johns with Rev William Hanker officiating. Burial was in Mt Rest Cemetery. Scripture service was held at the Osgood Funeral Home Monday evening.

She was born in Minnesota on April 11, 1943, the daughter of J Oliver and Beatrice Stilling Hall. A graduate of Rodney B Wilson High School, she was a 1972 graduate of Michigan State University and had resided most of her life in the Lansing area. She married Leo G Henning in St Johns on June 6, 1964.

Survivors include her husband; a daughter, Keri and a son, Craig, both at home; her parents, Dr and

## East Victor

Mr and Mrs Ray Ketchum were recent guests of their son Mr and Mrs Nelson Ketchum and sons of Wacousta.

Mr and Mrs Howard Dennis and Mrs Ruby Mulder of Ovid spent Sunday with Mr and Mrs John Scoby of Hastings.

Mr and Mrs Stanley Morrill and Mr and Mrs Gerald Barrett were Sunday guests of Mr and Mrs Donald Morrill and family of Caro. They saw their granddaughter and great-granddaughter Kimberly Ann for the first time.

Carolyn O'Grady spent Friday night and Saturday at Carson City with her girl friend.

Mrs James O'Connell called on Mrs Anna Williams and Mrs Iva Rogers Thursday in Hubbardston.

Robert McMillan visited his aunt, Mamie O'Connell at O'Grady's Friday.

Mrs Elizabeth Cusack passed away in the Carson City Hospital last Tuesday. Clifford Sible of Hubbardston returned home Sunday after spending a couple of weeks at the Carson City Hospital as a patient.

## Open Letter

from VAN W. HOAG

Dear Friends,  
It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family. The clergyman should be consulted in matters that concern him before any decisions are made.

Respectfully,  
Van W Hoag

**Hoag Funeral Home**  
ST. JOHNS, MICHIGAN

### NOTICE OF AMENDMENT TO ORDINANCE NO. 114

#### Village of Westphalia

Sewer use charges to each single-family residential premises served by the System shall be in the flat amount of \$7 per month. Multiple dwelling units shall pay the flat amount of \$7 per month for each unit. Each premises other than a single-family residence, or multiple dwelling, shall pay a monthly charge of \$7 multiplied by a factor representing a ratio of sewage use by such class of premises to normal single-family residential sewage use. The Village Council shall adopt and revise from time to time a schedule of such single-family residence equivalents or ratios; provided, however, that the minimum monthly charge to any premises shall be \$7.

**Signed Gene Droste**  
Village Clerk

County's lone unbeaten

# Fowler blanks Bellevue 14-0

IT'S A MUDDY TRIP TO "ASTRO-MUD" FOR FOWLER RUNNER FRIDAY NIGHT

A quarterback sneak, recovered fumble and blocked punt provided all the scoring Fowler needed Friday to down Bellevue 14-0 on a wet and muddy field.

Scott Spicer opened the scoring in the 1st quarter on a 3-yard quarterback sneak. The conversion attempt was unsuccessful and Fowler held a slim 6-0 lead.

Dave Osborn padded that lead later in the 1st quarter when he pounced on a fumble in the end zone.

With the conversion attempt unsuccessful, that ended the scoring until the final quarter.

BILL FELDPAUSCH added another 2 points for the Eagles, in the last period, blocking a Bellevue punt clear out of the end zone.

Fowler picked up 100 yards in the splash, splash contest, with 90 on the ground and 10

more in the air on a pass by Spicer who was 1-for-6 for the evening.

Meanwhile the Fowler defense stifled the Bellevue offense, holding them to 32 yards, 12 on the ground and 20 in the air.

Leading rusher was Larry Holman who ran for 55 yards in 14 carries.

Defensively Feldpausch contributed with his blocked punt, Dave Halfman blocked

another punt and Neil Simon, defensive guard, played an outstanding game.

FOWLER GOES against Springport Friday and will put their unbeaten record on the line.

The Eagles at 8-0 will capture the conference crown if they defeat Springport at 7-1. A loss would mean at least a tie for the title.

## Turnovers plague Bath

It just wasn't Bath's night in the mud and rain as they slid to a 32-0 defeat at the hands of Fowlerville.

Fowlerville took advantage of 7 Bee fumbles and 4 pass interceptions.

Fowlerville, champions of the Ingham County League, are unbeaten in conference play.

They scored 1st after recovering a fumble on the Bees' 12-yard line. Three plays later they ripped in for the score after George Smith carried for 6 yards, David Kirky took it to the 1 and Doug Bennett powered over for the TD. Bennett also kicked the extra point.

Don Call took care of the scoring for Fowlerville for the next 3 touchdowns, on runs of 1, 2 and 1 yards.

All the scoring opportunities were set up by Bath fumbles.

Fowlerville's final tally came on a 6-yard run by George Smith.

Fowlerville held Bath to 50 yards on the ground and 40 more in the air.

The visitors piled up 377 yards, with 106 on the ground and 271 in the air. The slippery rain didn't seem to bother opposing quarterback Kirky or his receivers as they confined 15 of 25 passes. Bath is now 1-6 in the conference and 2-6 overall.

## P-W pounds Webberville

Pewamo - Westphalia splashed their way to 40-0 drubbing over Webberville on rain-soaked field Friday night.

Roy Piggott led the Pirate offense with 3 touchdowns and he passed to Al Nurenberg for another TD.

The 1st score came in the opening quarter when Piggott connected on the pass to Nurenberg for a 28-yard scoring combination. Nurenberg also added 2 points, running in the conversion.

Piggott romped for 2 touchdowns in the 2nd quarter, scoring 1st on a 2-yard run and later on a 5-yard run. The conversion attempt for the 1st TD failed and Piggott ran in the 2nd conversion attempt to give Pewamo-Westphalia a 22-0 halftime lead.

IT WAS PIGGOTT again in the 3rd quarter, scoring on a 6-yard run. The conversion attempt failed and P-W held a 28-0 lead.

The scoring wasn't over for the quarter, however, and Gary Beachnu plunged over from the 2. The conversion kick was unsuccessful.

Piggott ended the scoring for the evening, charging in from the 11-yard line. Piggott picked up 110 yards in 20 carries and was 9 for 14 in the air.

Nurenberg ran for 72 yards in 13 carries. P-W had a total offensive total of 368 yards, with 253 on the ground and another 115 in the air.

A TOUGH PIRATE defense held Webberville to 33 yards and the "when in doubt, punt" theory couldn't even help the visitors, victims of 3 blocked punts by Charlie Bengel.

Bengel and Dan Theis led the team in tackles, backed up by Piggott who turned in a fine defensive game in addition to his outstanding offensive performance.

The victory evens the Pirate record at 4-4 while Webberville fell to 1-7. P-W ends the season Friday against Olivet.

## Jayvees 4-2-1

The St. Johns junior varsity Redwings dropped their final game of the season Thursday to Alma 12-0. Thursday's victory gave Alma an unbeaten 7-0 record, while the Redwings hold a respectable 4-2-1 record.

The only scoring of the contest came in the 2nd and 3rd quarters.

Alma's first touchdown came on a 24-yard run off tackle and the conversion attempt failed.

In the 3rd quarter, a Redwing fumble deep in their own territory set up a scoring opportunity for the Panthers.

During the season, the Jayvees, downed Charlotte 22-0, Ionia 28-6, Waverly 21-14 and Hastings 28-8. They lost to Grand Ledge 21-14 and the last game to Alma 12-0. They played to a 14-14 deadlock with Holt.

complete the scoring. Coach Al Werbish said a standout on defense was Jeff Thornton, who was involved in 21 tackles. Ken Andrews also played a good defensive game for the Redwings.

For the season, Werbish said "I can't pick out anybody in particular because I think the whole team has done a fine job this year. If they stay healthy, we can expect some fine things from them in the future."

THE REDWINGS fumbled on the 20 and 8 plays later, Alma put the ball across to

deadlock with Holt.

Redwings eliminate title share

# Sorry about that Alma

St Johns played the role of the spoiler Friday night, downing Alma 15-8 and eliminating Alma's chances for a share of the league title.

The Redwings victory put Alma and St Johns in a tie for 2nd place in the West Central Conference with Grand Ledge alone on top.

Alma picked up the first score of the contest when Bruce Cameron was tackled

in the end zone by Alma's Dave Betts.

The safety, however, was, more or less, an indication of the strong defensive effort of the Redwings. They took over the ball on their own 1/2-yard line after stopping Alma from scoring.

ST JOHNS put some excitement in the damp air in the 2nd quarter when Jerry

Smith picked up a Panther fumble and raced 15 yards. He then lateraled to Mark Betz who went all the way on a 60 yard run into the end zone. Cameron kicked the extra point to give the Redwings a 7-2 halftime lead.

Gary Mankey struck at the Alma defense in the last quarter when he scored from the 14-yard line.

Quarterback Kevin Knight kept the ball and plunged in for the 2-point conversion.

Alma posted their 1st touchdown on the scoreboard with only 6 minutes left in the contest. Mike Covington tossed a 34-yard pass to Jim Myers, with the conversion attempt unsuccessful.

St Johns and Alma have identical 4-2 records in West

Central Play with Grand Ledge at 5-1.

IN A GAME hampered by drizzling rain throughout the contest, Alma led the statistic game, but St Johns' rigid defense prevented the Panthers from penetrating into the end zone more than once.

St Johns will take on Ovid-Elsie in a home contest Friday.

REDWING FELLED BY ALMA DEFENSE

For 7th victory of season

## O-E stomps Bridgeport

Ovid-Elsie picked up their 7th victory of the season with a 30-6 win over Bridgeport Friday.

Bridgeport opened the game with an on-side kick and recovered on the Marauder 30-yard line. Eight plays later they were on the scoreboard.

Defensive halfback Randy Bowles' 4th interception of the season set up O-E's 1st touchdown. He picked off a Bridgeport pass on the 50 and returned it to the 28-yard line.

Three plays later, half-

back Dale Miller went over left guard Frank Enos for 6 points. Quarterback Tom Kirinovic picked up the 2-point conversion and O-E led 8-6.

ON THE NEXT series of plays, the Bridgeport squad was forced to punt and Dale Miller fielded the ball at the 40-yard line and returned it for the touchdown, putting O-E ahead 14-6 at halftime.

Dominating play in the 2nd half, O-E got its 3rd quarter score as fullback Rick Staples capped a 60-yard

drive with 5-yard scoring jaunt. Rich McCreery picked up the 2-point conversion.

In the final quarter, McCreery on the 1-yard line of Bridgeport, but the ball rolled into the end zone and Dale Miller fell on to pick up his TD of the night.

Dan Egbert, at the quarterback spot, run in for the 2-point conversion for the final 30-6 score.

Egbert also led the defense with 15 tackles and Randy Loynes was close behind with 15.

COACH MARK O'DONNELL said, "The on-side kick threw us off-stride, but the team showed their class by coming back, big, for the win."

He added, "We should be in good shape for our final home game with St Johns. Fullback Rick Staples, sidelined in the Corunna game with a sprained ankle, picked up 75 yards rushing and made 8 tackles. Quarterback Tom Kirinovic was knocked out in the game, but

should be in good shape for Friday's game. He has thrown for 9 touchdown passes this year and also picked up 86 yards rushing in the Bridgeport game.

"I have 20 seniors on this team looking for revenge for last year's only loss of the season to St Johns. We also enjoy the rivalry between the schools St Johns fields good athletic teams and we look forward to playing them each year in any sport."

The Ovid-Elsie junior varsity finished their season on the winning note with a 16-14 victory over Bridgeport. The O-E touchdowns were picked up by Paul Case with a 44-yard run and Jack Bashore with a 49-yard TD run.

The game was not as close as the score indicates as Bridgeport scored their touchdown in the final minute after O-E was leading all during the 2nd half 16-6. Joe Thering and Tom Bartol, junior varsity coaches, used the 2nd half to get everyone into the game.

THE JUNIOR VARSITY finished the season with a record of 6-2.

The freshmen didn't fare as well, falling to Bridgeport 26-6, to finish the season with a 4-3 record. They are led by coaches Bill Furstenau and Tom Hughy.

## Olivet passes lead DeWitt to victory

Every time Olivet put the ball in the air, it seemed a cooperative DeWitt defender was there to receive it as DeWitt walked away with a 5-6 victory.

One Olivet passing game completed 12 passes - 5 to

their own receivers and 7 to DeWitt defenders.

Sophomore quarterback Bob Rice, meanwhile, led the DeWitt passing attack with scoring tosses of 23 and 55 yards to Tom Couling.

Duane Shooltz added the running punch, scoring from the 6-yard line and from the one-yard line.

DeWitt's final score when Rich Albertson charged over from the 1-yard line.

All of DeWitt's extra points came from the toe of Chris McNeilly.

McNeilly also harassed the Olivet quarterback with 2 interceptions.

Tom Ashley, Bruce Brown, Gary Bouts, Kent Wolfe and Shooltz each picked off an Olivet pass.

Couling picked up 83 yards hauling in passes, including his 2 touchdowns.

Making his 1st start at linebacker, Randy Berkimer turned in a fine performance with 15 tackles and Dave Pratt led the defensive line with 9 tackles.

Bouts upped his tackle total in 8 games to 163 with 17 tackles against Olivet.

DeWitt is now 5-3, while Olivet fell to 2-6.

DeWitt will take Laingsburg in an away game Friday.

## Three Tigers will be in St Johns

Bob's Sport Center of St Johns is sponsoring a "Night With The Tigers," Nov 9 at 7:30 pm at Rodney B Wilson Junior High School.

Appearing will be Mickey Lolich, Tiger pitching ace; Dick McAuliffe, All-Star 2nd baseman and shortstop and Gates Brown, the outstanding Tiger utility infielder and outfielder and 1 of the top pinch hitters in the

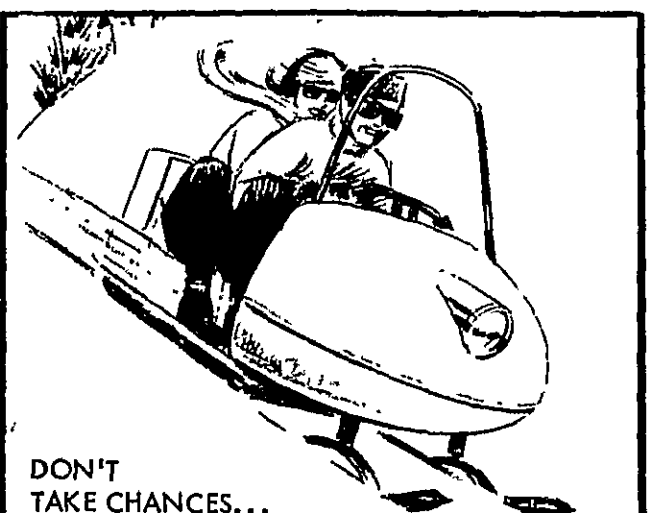

American League. Featured will be a baseball clinic and film, a free book on baseball, a question and answer session and an autograph session.

Tickets are available at Bob's Sport Center on Clinton Ave in St Johns and at the door.

PRICES ARE \$1 for students \$1.50 for adults.

The first CMAC Cross Country League meet was held at DeWitt, Tuesday, Oct 31. DeWitt Harriers placed 5 runners in the top 10, winning the meet, followed by Springport, Olivet, Laingsburg, and Pewamo-Westphalia.

Barry Elmer of Springport ran the 3-mile course first setting a new course record of 16:32. DeWitt's Doyle Folland came in second at 16:58, also setting a new school record. The runners that received medals for the

top 10 are listed in order: Barry Elmer (Springport), Doyle Folland (DeWitt), Mark Dolby (DeWitt), Mike Mandrick (DeWitt), Jeff Hydon (Olivet), Tim Prine (Springport), Bill Garland (DeWitt), Chris Skoczlas (DeWitt), Ray Sebastian (Springport), and Dale Simon (P-W).

Bad habits place a mortgage on the accomplishments of a man.

## O-E Scuttlebutt

By Sue DePond

## Fowler High School

Team work for victory

by Ann Thelen

The football season is coming to an end for the O-E Marauders. The Varsity football team now holds 8-1 record, and their third straight Mid-Michigan B Conference title, but the season is not quite over. Friday, Nov 10, the St Johns Redwings travel to Ovid-Elsie to round out the season. These two rivals will meet on the field at 8 pm so you better get there early to find a seat.

For the Mini and Little Marauders the season has already ended. The Mini Marauders under the coaching of Mr Furstenau, finished their season with a 4-3 record. They hold a 3-2 conference record and finished 3rd in their conference.

The Little Marauders under the coaching of Tom Bartol finished the season with a 7-2 record. They hold a 3-2 conference record and finished 3rd in their conference.

Both Mr Furstenau and Mr Bartol said their teams did a very good job.

Teamwork was the key word linked with Fulton's smashing victory over the Vestaburg Wolverines Friday night.

The varsity Pirates gained 623 yards in total offense making them the victors, 66-8. The sixth straight victory, against no losses, put half-back Bill Baxter ahead with 1,007 yards for the season with 98 points. Bill scored 3 touchdowns and a 2 point conversion. Tim English helped with 24 points, while Dave Croad and Mark Betz each added a touchdown. Ken Coleman swept through twice for 4 points. The defensive unit proved to be equally tough, keeping the opponents to 8 points. Next Friday will be the battle for the conference title with MSD, also unbeaten so far this season. Everyone at Fulton knows that if the

team plays like they did Friday night, we'll have a new trophy in our trophy case.

The junior varsity team beat the Beal City Aggies Thursday night 30-6. The unusual thing about it is the junior high team beat Ashley by the same score, 30-6, Wednesday night. The JV team will be playing their last game Thursday night, Nov 2 at New Lothrop.

THE CROSS-COUNTRY team attended the regional cross-country meet Saturday morning at Pleasantville. The team went into the meet with seven wins and five losses.

Individual pictures were distributed to the high school students Friday afternoon, with many mixed emotions in the eyes of the beholders. The research paper

## St Johns High School

SJH Happenings

by Theresa Huard

The Honor Roll system at St Johns High School has been changed somewhat this year. Instead of posting an Honor Roll at the end of each 6 weeks, it will now be posted at each semester.

In talking with High School Principal, Gordon Vandemark, he stated the new honor roll system will give students and teachers more time to prepare themselves in each subject. For instance if a teacher assigning students to do a term paper, this would allow more time for the students to research it more and write it better, rather than trying to fit it all into a couple of weeks.

Report cards are still being given at each six weeks period, but the honor roll will be determined at the semester time.

One hundred five St Johns High School music students journeyed to Detroit last Thursday to get their first glimpse of an opera. "Tosca", a melodramatic opera by Puccini was presented in English by the Detroit Grand Opera Association in conjunction with Oakland University Opera Department and The Overture to the Opera Committee of Detroit.

## Fowler High School

by Ann Thelen

Last Friday night, Nov 3, was Parent's Night at Fowler High. It was also the last home game of the season. Our great Eagle team did justice to the event by winning the game against Bellevue. We would like to congratulate the seniors who only have one game left in their high school football careers. They did a tremendous job!

The JV team, coached by Dennis Smith, did well this year too. With only one game left to play their record stands at 6-2.

All clubs are well underway now. The yearbook staff is collecting pictures, and the FHA (Future Homemakers of America) led by Deloras, George, president and supervised by Judy Heil, held a march for UNICEF Monday night, Oct 30. They raised about \$80 for the cause.

The Fowler High School Marching Band won a trophy from the Michigan State Fair after competing with many other larger bands.

ST JOHNS REDWING MARCHING BAND

MICHIGAN STATE MARCHING BAND

## P - W High School P - W Window

by Valerie Hill

News this past week is plentiful! The Girl's Athletic Association held a bake sale in the Westphalia and Pewamo Catholic churches, but details are not available at this time.

The GAA also play girl's basketball in the gymnasium on Wednesday nights, 6:30 to 9:00. Approximately 3 games are played, the general public is welcome.

Saturday, Oct. 28, 5 representatives of Pewamo-Westphalia's Future Homemakers of America club attended Region eighth annual Fall FHA meeting.

Attending were Kathy Savoie and Rachel Hill as voting delegates, Sheri Wood as vice-president candidate and Gayle Walter as pianist candidate, and Valerie Hill 1971-72 regional vice-president and parliamentarian.

The program began at 9:30, in the auditorium of Mason High School, with the FHA opening ceremony. The regular business meeting was held, and the officer candidates were introduced. The guest speaker, Dr. Darrell Thomas, spoke for over 30 minutes, enraptured a very attentive audience of 120 girls and their advisors,

leaving the girls wanting to hear more of his brilliant oratory.

After a fine lunch served by the Mason cooks and helpers, the girls reassembled in the auditorium for the conclusion of the meeting. The 1972-73 officers were announced, Gayle Walter of Pewamo is the new pianist. On a totally dark stage the old officers sang a farewell to the tune, A Time For Us. Patti Clery, 1971-72's Regional President, conducted the closing ceremony for the last time, and turned her gavel over to the new President.

Harry Pruski, elementary and Junior High Principal, suffered a coronary attack the first week of October. Following a few weeks stay in Ionia Memorial Hospital, Mr Pruski has been recovering at home. James Cotter, counselor at P-W High School, has been acting principal of Pewamo. We hope to see Mr Pruski back to work in the not too distant future.

Wednesday, Nov 1, the Psychology/Sociology class went on a "field trip" to Riverside Center in Ionia.

The Center is a civilian unit of the Ionia Hospital for the criminally insane. The 12 students and their instructor, Mrs Debby Rothfuss, engaged the patients in games of pool and ping-pong for the better part of an hour and a half. On a rather honky-tonk piano, Kathy Savoie played a medley of popular songs. Everyone benefited from the experience, patients included, so the class hopes to return in the near future.

The last piece of news is certainly not the least. For the last week there has been quite a few girls practicing in the gym after school for cheerleading tryouts.

The six girls who won the 7th grade tryouts are as follows: Linda Halfmann, Jane Hafner, Carol Schafer, Jeanne Spitzley, Lisa Spitzley, and Tina Thelen, captain.

The six 8th grade cheerleaders are: Terri Heiden, Theresa Bengal, Virginia Piggott, Joyce Keilen, Kim Droste, and Sue Platte. At this time this reporter does not know who the captain is.

## Busy Bees

by Patti Higbee

Mrs Joyce Hicks drama class has been working for the past nine weeks on the play, "Love Rides The Rail."

The plot concerns the exploits of two villains who try to take over the franchise of the Park Lake and Pacific Railroad. Their efforts are foiled by the hero, a lady of ill-repute, and the hero's sweetheart, who to save the railroad is willing to set her modesty aside. Other employees of the railroad, The Paradise Cafe, and a poor widow help to save villains.

The principal actors in the play are Brian Brook, Susan

Bos, Karen Munson, Bo Jones, Carol Goff, Elaine Ketchum and Don Haid. Also appearing are Ted McKenzie, LuAnn Doerner, Hally Hull, Jeff Block, Randy Sober, Kathy Brown, Connie Barnett, Jan Watson, Rickie Curtis and Jerry Hoard. Old style organ music for the performance will be presented by Tim Case.

The play will be presented 3 times. Two performances will be given during the day for students and Friday evening, Nov 10 at 8 pm in the Junior High Gym. The admission is 75¢.

## Varsity Night to be held Saturday

ST JOHNS - The music department at St Johns High School will host Varsity Night Saturday, Nov 11 at 7:30 pm in the high school gymnasium.

Highlighting the evening's entertainment will be a playing and marching ensemble from the Michigan State University Spartan Marching Band.

John Speck, band leader at the school, termed Varsity Night as "a fun evening of music and entertainment for the entire family."

The Redwing Marching Band will center its portion of the program around their favorite selections from the 1972 football season. All participants in the half-time shows will be featured in special routines. Appearing will be twirlers, pompon girls, cheerleaders, flags and soloists.

Other performances will be presented from a dance band made up of students who went to Europe last summer with the Blue Lake

Fine Arts Camp and the 9th grade band. Funds received from Varsity Night will be used for additional band uniforms, band camps and to buy equipment for all school band units.

Admission is \$1 for adults and 50¢ for students.

Card of Thanks

BRACEY - I want to express my appreciation for all the cards, visits, and plants received while I was in the hospital. Especially to the people of the Grove Bible Church and all the other friends who brought in food for my family and helped in so many ways. Thank you for all your kindnesses. - Lois Bracey 28-1p-nc

LOUDENBECK - I would like to say thanks to the Carson City Hospital, also nurses and aides and a special thanks to Dr. Stelgerwald and the other doctors. Also to Reverend Myers for his comfort to our family. Thanks to everyone up there who took such good care of my husband, Arthur Loudenbeck. To the friends and neighbors for their kindness shown to us. Mrs Arthur Loudenbeck. 28-1p-nc

CORNELL - I wish to thank Drs Grosz, Russell, all the hospital staff for their fine care, relatives, friends for their many gifts, cards and flowers, Rev Brian Sheen for his many calls, during my illness in the Clinton Memorial Hospital. - Mrs Loraine Cornell 28-1p

WANLESS - We wish to thank the Osgood Funeral Home, Reverend Johannesides, friends, and neighbors for their cards and acts of kindness during the loss of our dear mother. - Family of Dulcie Wanless. 28-1p

MILLER - The family of Gerald P Miller wish to thank friends, neighbors and relatives, for masses, prayers and baby-sitting, food, cards, letters, gifts, flowers, and plants in helping us through our sorrow and grief in the loss of our dear husband and father, which still does not seem real. Thank you to Geller Funeral Home, Choir, D of I for preparing the dinner, Students of St Mary's classes "74" and "75", coaches and teachers, K of C Fourth Degree, Third and Fourth Degree teams, St Joseph Society, CCD Teachers and students, St Marys School Board, Village Council and Farm Bureau, Special thank yous to Dr Bruno Cook, Rev Frs James Schmitt (pastor), Edward Gutha, Eugene Hengesbach, for visits and comforting words, Westphalia Electric and my parents, Mr and Mrs John Theis. Your thoughtfulness will always be treasured. - Germaine, Dean, Neal Roy, Mark and Vern. 28-1p-nc

HYKE - I wish to express my sincere thanks to Dr. Stephenson, the hospital staff at Clinton Memorial and nurses and aides for the excellent care given me while I was a patient there recently. To my friends for their visits, cards and flowers and for the many acts of kindness shown me before and since my return home. I appreciated everything so very much. L. LeRoy Hyke. 28-1p-nc

BELL - I wish to thank the doctors and the nurses in the Cardiac Care Unit at Sparrow Hospital for their wonderful care while in the hospital. Also a special thanks to Rev. Brian Sheen, neighbors, friends and relatives for their cards, visits and prayers. Raymond Bell. 28-1p-nc

CAUDY - We wish to thank all the Doctors, nurses, hospital staff of Clinton Memorial, all our good friends, relatives for their cards on our 60th wedding anniversary. Also Mr and Mrs Leo Fedewa and Mrs Arthur

Henthorn for their beautiful floral arrangement. May God bless each one of you. Mr. and Mrs. Alphonse Caudy. 28-1p-nc

In Memoriam

In memory of Carrie Rayman who passed away 4 years ago November 10th. Loving and kind in all her ways, Upright and just to the end of her days, Sincere and true in her heart and mine, Beautiful memories she left behind.

Her children and grandchildren. 28-1p

In memory of Mother, Mrs. Olive Bond, who passed away 1 year ago Nov. 11th. I open my heart to receive thy blessing, Knowing that in thy presence the furrows are being smoothed from my brow, The lines from my face, The load from my heart, The doubts from my mind, The fears from my soul, And I am at peace. Sadly missed by Florine and David and grandchildren. 28-1p

Carland News

by Mrs. Pudge Deming

Mrs Erma Pingot of El Cajon, Calif has been here in Carland for the past few weeks visiting cousins, Mrs Clara Horn, Mrs Edith Simpson, and the Dennis Wortmans. Mr and Mrs Leo Deming and Mr and Mrs Richard Mead and son spent Wednesday evening with their aunt and uncle, Mr and Mrs Forrest Inks, in Alma. Mrs Edith Oberlin recently returned from a trip, visiting many points of interest and picturesque places in New York.

Eagle

Mrs Charles Higbee Phone 626-6531

Mrs Robert Smith and her daughter Marilyn and her little son, Stewart spent last Wednesday visiting relatives in Eagle. Marilyn and her husband and son are here on a vacation from their home in Maryland.

Mrs Bertha Higbee and June Higbee and John went to Arkansas to visit June's brother Lewis Sandborn and family last week.

It's moving time

Staffers at the Clinton County Intermediate School were engaged in the task of moving last week as they vacated the Greenwood School building to a new location on US-27, near Taft Road. The school was scheduled to open on Sept 18 however a delay resulted because of service connections leading into the building. Classes in 3 of the 4 classrooms began Monday. From left are Robert Woodman, adult teacher; Margie Harbut, intermediate teacher; Jane Knight, teacher aid and Bonita Matthies, primary teacher.

**Carson Hospital Board names new positions**

Lynwood St Peter, RN was named director of nursing service at the Oct 12 meeting of the Carson City Hospital Board of Directors. He has been serving as the interim director for the past 4 months. In this new responsibility St Peter is accountable to the Administrator for the entire nursing service. He and his wife, Donna, and son, Terry, live on Lansing St. in Crystal.

Mrs Jane Bagby, RN was promoted to the Director of In-Service Education at this same time. Jane has been a Staff RN since moving to Carson City from Traverse City earlier this year. She, her husband Bob, and children Carol and Scott live on Montcalm Rd in Carson City.

# Harry Bradley's 93 . . . and feeling fine

By LEE PETERS  
News Staff Writer

ST. JOHNS -- Harry J Bradley's a member of Blue Lodge 105, Chapter of Royal Arch Masons 45 and Knights Templar 24--for life.

And the way the longtime St. Johns resident feels now that could be a longtime. "I celebrated my 93rd birthday this fall," the city civic and business leader confesses, "and I'm still happy."

Bradley was recently honored for his 54 year membership with the Royal Arch Masons. He has belonged to the Blue Lodge for 57 years and the St. Johns Commandery 50 years.

"I DRILLED on many fields with the Commandery," the approaching centenarian recalls. "And I never missed an Easter Sunday with the Commandery until the last 3 years."

Although he hasn't been in the best of health since then, Bradley says he still feels good and has a memory sharp as a tack. "I moved to Clinton County in 1907 at age 28 from Au Gres in Arenac County," he remembers. "Back in Bay City I attended a Macabee measuring social and was poisoned eating a sandwich," he says. "There were 9 of us poisoned and the company sent me to Pevamo to doctors."

BRADLEY BECAME a St. Johns businessman April 1, 1907, where Paul Automotive is located. "I was on that corner about 3 years," he explains, "dealing in groceries, crockery, real estate and insurance." At that time O. P. DeWitt, wholesale grocer, bought the building and forced him out. "Those were great days," smiles Bradley. There was no manufacturing, he continues, and the biggest business was doing trade with farmers. "We arrived at the store at 6 am and didn't leave at night until 10. Saturday nights we were open to 12 midnight and sometimes until 1 am," he adds.

In 1911 Bradley sold out to Walter Britton. He opened an office where the superette store now stands. "While I was there I managed Clinton County for the Bull Moose Party," he reminisces. "Then I day D C LeBaron, who had a grocery store where Mackinnon's is, made me an offer."

Bradley recalls what he said. "I can't afford to pay you what I should but I'll build you an elevated office to do my buying and bookkeeping." He accepted and at the same time kept his insurance and real estate business.

Nobody ever got rich in the grocery business, relates Bradley. A dozen eggs were 12¢ and 21 lbs of sugar went for \$1. Pork chops and beef steaks were around 12 to 15¢. Peaches were \$1.25 a bushel with strawberries selling for 6 to 7¢ a quart. A good sack of flour cost 65-75¢ for 25-lbs. Pink salmon was 10¢, medium red 12 to 15¢ and red 18¢ with peas, corn and sauerkraut and just about everything else in a can 10¢.

AS A REALTOR, Bradley mentions, Will Richman and A T Smith used to take me to show farms. "People asked why I didn't buy a car and I said I'd buy a car after I had my home paid for," he says.

Bradley has lived at 800 N Clinton for 51 years turning it into apartments in 1945.

"The first car I owned was a Ford," Bradley tells. "I drove it on the right hand side and you had to jump out and get the curtains out whenever it rained. On a good road I'd get it up to 12 mph and my wife would say be careful dad you're going to be racing it," he smiles.

When Bradley left LeBarons he moved his offices over the Richman building. Dealing in real estate, loans and insurance, he loaned money for various people. "In those days they only wanted money for farms," he explains, "and I loaned as much as \$200,000 a year." In 1912 he had as high as 200 farms listed.

From 1913-38 Bradley operated his business over the State Bank building. Then in '38 he went out of the insurance field, continuing in real estate under the D and C store.

Bradley also remembers 1933 as a bad year. "My wife died and only days later I put on the Clinton County Free Fair," he says. I did it alone without any help for 6 days, continues Bradley, but I lost \$5500. Those were the days of the awful depression."

says, "and I have no quarrel with those who do. But that's what I attribute my health to."

THERE HAVEN'T BEEN many idle moments in my life, Bradley admits. In 1913, he began 3 years as city

treasurer. "At that same time I was half secretary and used to hand copy all electric and water bills by

the end of the month," he recalls. Bradley also served as Chamber of Commerce

secretary under Frank Diamond and Clarence D Ebert. He was also a city commissioner for 6 years

and mayor of St. Johns. All this was done while he was still in his different lines of business.

"I've given St. Johns people the best I know how," Bradley concludes.

And to that the people of St. Johns says thank you Harry J Bradley.

Harry J Bradley of St. Johns is a life member of Blue Lodge 105, Chapter of Royal Arch Masons 45 and Knights Templar 24 in St. Johns

SECTION B

November 8, 1972

## Ten family doctors, specialists needed here

EAST LANSING -- Doctors and hospital administrators in Clinton County have informed the Michigan Health Council of East Lansing their prime medical manpower need is for 3 more family doctors and 7 medical specialists.

Next to family doctors, specialists are needed most in internal medicine, pediatrics, obstetrics, ophthalmology, radiology, psychiatry and public health.

The number and type of physicians needed as reported by 14 west central counties are:

County	Family Doctors	Medical Specialists
Clinton	3	7
Gratiot	5	9
Ionia	3	4
Kent	40	20
Lake	1	0
Manistee	2	8
Mason	2	9
Mecosta	4	10
Montcalm	2	3
Muskegon	25	10
Newaygo	5	7
Oceana	2	5
Osceola	2	5
Ottawa	4	8

be developed in the teaching hospitals in west central Michigan.

Osteopathic physicians and osteopathic hospital administrators indicated that their greatest need is for all kinds of osteopathic medical specialists. Most of the 231 osteopathic physicians in west central Michigan are general practitioners.

Some medical doctors recommended the combining of the medical and osteopathic medical professions and giving the same licensing examination to all physicians.

John A. Doherty, executive vice president of the Michigan Health Council who directed the study, concluded that, "It is very evident that we could easily

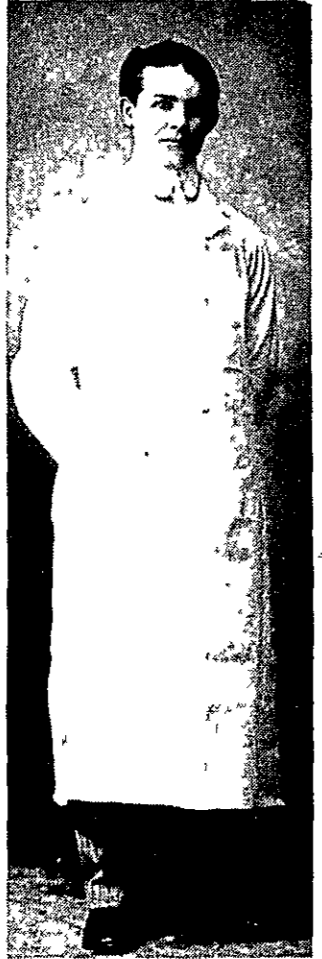

place 100 more family doctors and 100 other medical specialists in west central Michigan

"Figures received today from the statistical and research department of the American Medical Association show that Michigan gained 472 M.D.s during the past year but lost 63 general practitioners. In 1972 there were 11,454 M.D.s

compared to 10,982 in 1971. In 1972 there were 1,732 general practitioners compared to 1,705. The continued gain in the number of physicians is very encouraging; however, we must stop the annual loss of 50 to 100 general practitioners. Establishing departments of family practice and more family practice residency programs in our teaching hospitals, as

recommended by west central Michigan physicians, could be most helpful."

The MHC survey was conducted with special financial assistance from the Michigan Foundation for Medical and Health Education Inc. and the W.K. Kellogg Foundation.

In the early 1900's

CENTRAL FOOD MARKET was begun in 1943 by Bradley and his son, Lyle and wife Esther. The building, located where Rehman's is, burned out in 1949 at a \$30,000 loss. In 1949 he helped Lyle and Esther start Brad's Grill.

An operation in 1963 has slowed Bradley down. Neighbors don't see him walking downtown to the grill these days, but when he gets a ride he still likes to stop in. He has 6 children, twins Lyle and Lynn and Robert D and William T and a step-daughter, Neva.

He still does his own carpenter work, including painting and cooking. Bradley's way to keep the doctor away is a cooked potato and onion a day. "I never used tobacco in any form and haven't used alcoholic beverages," he

AN ADDITIONAL 200 physicians in west central Michigan would increase the number of registered medical doctors and osteopathic doctors to approximately 1,350 or 1 doctor for every 750 residents. Currently there are 1,137 licensed physicians caring for the 1,000,000 residents -- 906 M.D.s and 231 D.O.s -- or 1 physician for every 877 residents.

Next to family physicians, the greatest need is for internal medicine specialist with an estimated 15 to 20 more needed. The doctors and administrators estimated a need for from 10 to 15 more obstetricians and pediatricians throughout the west central counties. More than 5 counties evidenced a need for ophthalmologists, psychiatrists and urologists.

Many doctors and administrators urged the continuance and expansion of having medical students spend their summers in externships at community hospitals. They indicated the program is beneficial for the students as well as the communities and hoped that better communications could be worked out between teaching hospitals and their interns-residents and some of the smaller rural community hospitals. They also indicated a need for more physician assistants.

A Clinton County doctor registered his deep concern over the fact that they have only a few doctors under 50 years of age.

Several doctors recommended that uniform fee scales be established throughout the State, because it was felt that it would make it less disadvantageous financially to practice in outstate Michigan, especially in rural areas.

Other doctors urged that departments of family medicine be established in Michigan medical schools and that additional family practice residency programs

## Envelope Express

### a new FAST DEPOSIT service at

The wide-awake bank

Look for this "Envelope Express" depository in the lobby of our St. Johns office . . . it can speed up your routine deposits and send you on your way in seconds. Special envelopes bearing identification numbers will accept your checking and savings deposits, providing you with an on-the-spot receipt. You may also leave your savings passbook and after the deposit is recorded by a wide-awake teller it will be returned to you in the mail.

You should have no difficulties in becoming familiar with this new speedy deposit service, but if a question does arise check with Mrs. Betty Allen. . . she's our "Envelope Express" gal and has all the answers. In the event you have an answer, she'll accept that too, because we're always wide-awake to customer suggestions.

The wide-awake bank makes it all so easy.

## CLINTON NATIONAL BANK and TRUST CO.

Serving The Clinton Area From Eleven Locations

Member F.D.I.C.

This is  
Doug Brya  
Week

Doug has gained most of his local, state and even national recognition as a participant in the St. Johns Boys Club Golden Gloves program, having earned distinguished awards including a precedent setting state A.A.U. championship four consecutive years from 1968-72. But beyond these accomplishments there has been the role that few are aware of and that is his work with area youngsters. In the Boys Club, as a Jaycee member and as a private citizen Doug has assisted countless boys in ways which have insured their development as effective citizens. For his personal accomplishments and his concern for others we are proud to name Doug Brya as our citizen of the week.

### With the grant money comes . . . . .

An excerpt from the copyrighted Revenue Sharing Advisory Service, Inc. an independent consultant firm, explained to city officials in Kalamazoo last week some of the pitfalls of federal grant programs.

The explanation accompanied discussion centered on uses of the Revenue Sharing funds believed to be distributed in December.

We feel the following is a fitting commentary on the problems of unwieldy and expensive federal grant programs.

With the usual Federal grant requirement that states and localities match Federal funds, state and local budgetary priorities have become distorted in the process of "chasing Federal bucks".

Thus, these units find themselves spending extravagantly in some areas, while starving in others. Mayor Ullman of Seattle told the Senate Finance Committee, "Our precinct stations built in the 19th century have so deteriorated that they cannot be repaired."

On one floor of one station, 43 men must use one unsanitary toilet facility. We can get Federal money to buy these men all the newest radio equipment made, but we cannot get a cent to fix the plumbing of the police station so that our police can have a decent bathroom to use."

Grant programs are inherently inefficient. Bureaucrats at each level of government try to maximize control over their program and dictate priorities onto the next level of government, which causes the red tape to multiply geometrically.

Congressman Byrnes (D-Wis) found that while six per cent of Wisconsin's elementary education expenditures are due to Federal aid programs, over 50 per cent of the man hours consumed by the State Department of Education is spent in administering that six per cent.

A survey by the Council of State Governments disclosed that six Ohio state departments submit a total of 664 different types of reports to various Federal agencies. This effort consumes the equivalent of 259 full-time employees' time, at an annual cost of over \$2.6 million -- just to meet Federal reporting requirements in the six agencies.

Not included are the effort required, at other levels of government in Ohio to provide these six departments with the data necessary to compile the information.

JGE

### A sorry example

Players and coaches of 3 Clinton County football teams deserve a pat on the back.

The teams: DeWitt, Fowler and Pewamo-Westphalia. The reason? The tactics being used by a new team in the league in which the schools compete.

Simply stated, the team, whose most recent contests were a varsity game Friday and junior varsity game Thursday against Fowler, serves as a sorry example.

It must be tempting for coaching staffs and players to retaliate when the opponent stoops to off-color chants during the pre-game calisthenic drills.

IT MUST ALSO be tempting to retaliate on the field after being the victim of rule violations committed by a poorly disciplined team.

This, in addition to physical defacing of school property and violation of league rules by filming a game between 2 opponents of the school.

In the face of all this, our Clinton County schools have retained their dignity and have displayed the value of good sportsmanship--the visiting team has not been able to defeat either of the 3 opponents from Clinton County.

### View from the Senate

By: SEN. WILLIAM S. BALLENGER

Even though no fault insurance has passed the Legislature, it will be some time before it directly affects Michigan motorists. In fact, it does not go into effect until Oct 1, 1973.

When it does, it will mean that if you have an accident your insurance will pay your losses and the other driver's insurance will pay for his. Under present law, your insurance pays for "the other guy" if you are at fault.

Both bodily injury and property damage are covered by the new law, and every motorist must have insurance or "equivalent security". They must be covered for bodily injury, damage to property of others and for out-of-state liability.

All persons riding in the insured person's car will be repaid for death or lost wages as a result of disability up to \$1,000 a month (up to 85% of income loss) for 3 years. They also will be reimbursed for all medical expenses, after such government insurance benefits as workmen's compensation and social security payments have been deducted.

Rehabilitation expenses will be reimbursed without limitation, and medical expenses include semi-private accommodations in hospitals unless intensive care is required.

At present, there is no way of knowing how much no fault insurance premiums will cost because insurance

companies have not yet estimated how much the new system will cost them.

It is believed generally that there may be savings for persons of limited incomes or retirees who own smaller, less costlier cars. Insurance experts say it may take 2 or 3 years' "experience" before any reasonably reliable cost system may be determined.

#### ONE YEAR AGO Nov 10, 1971

There will be a hot time in the old town when the Redwing Marching Band will join forces with bagpipers, Dixieland and members of the Michigan State University Marching band for Varsity Nite.

Mrs Gail Goetze has been appointed St. Johns chairman of the 1971 March for muscular dystrophy.

St. Johns teacher and administration negotiating teams have announced a tentative agreement on their 1971-72 contract.

Eighty leaders and the Clinton County Road Commission were recognized for service to 4-G programs during the annual leaders award banquet at Smith Hall. The event was co-sponsored by the Clinton County 4-H Council and the Clinton National Bank & Trust Co.

A new fire hall or at least the addition of some extra square feet onto the present structure almost became a reality instead of just a study plan.

Improvement of the city parking lot at the corner of Higham and Spring streets and a feasibility study for the development of a new parking area at the corner of Spring and State streets were 2 of 3 recommendations advanced by the recently formed city parking commission.

An Eagle Court of Honor was held in Wilcox Hall of the First Congregational Church in St. Johns to present the highest award in Boy Scouting, the Eagle Scout to David Fitzpatrick, a member of troop 81.

#### 10 YEARS AGO Nov 8, 1962

A smoldering fire destroyed some \$30,000 worth of onion bags and machinery and did about \$6000 worth of damage to a cement block warehouse at the C W Roberts Packaged Produce Company on Chandler Road in Bath Twp.

Gerald Irner, local barber, scored the upset in the St. Johns City election. He was named to the city commission for a 6-year term unseating veteran Lorenz A. Tiedt, Rex C. Sirrine, another veteran, proved to be the top vote-getter in the 4-man commission race.

Republican candidates piled up solid majorities in Clinton County's voting Tuesday. More than 12,400 citizens went to the polls

representing about 75 per cent. of the county's electorate.

Percy O. Abrams, 60, former managing secretary of the Durand chamber of commerce has taken a similar position in the St. Johns chamber.

Sale of liquor by the glass was approved by DeWitt township voters by a plurality of 220 votes. The proposition carried 1,142 Yes to 922 no.

City Ordinance No 168 a zoning ordinance lowering the minimum floor space requirements for apartments in St. Johns, was passed by the city commission.

No final reports are available as yet on the annual Clinton County Communities Chest drive, according to Robert Sirrine, chairman. Donations are still trickling in, however, and the total is approaching \$17,000 about 57% of the county's quota of \$29,840.

#### 25 YEARS AGO Nov 6, 1947

Members and friends of the First Congregational Church in St. Johns met for a cooperative dinner and the annual business meeting. The dinner was in charge of the Elizabeth Winslow division of the women's fellowship with Mrs Will Bandt and Mrs Charlotte Matter as chairmen.

"Schools in St. Johns will observe American Education Week from Nov 9 to 15. A fitting theme for education week this year is "The Schools are Yours."

Effective this week the name of the Triangle Engineering Company in St. Johns has been changed to Saylor-Beall Manufacturing Co, according to an announcement from Ralph E. Wisner, secretary-treasurer of the concern.

"Spring Again" a recent Broadway hit, is the play "Ifat" this year's Senior Class of "Rodney B. Wilcox" High School will present. Robert Icty and Mary Lou Judd, are the stars of this production.

Costumes ranging from that of a fireman to Captain Kidd and from a hula dancer to a "little old lady," featured the annual Halloween party costume parade at St. Johns High School.

Voters in Essex Township school district will go to the polls Nov 10 to ballot again on a proposal to increase millage in the district by 20 mills for 5 years for the purpose of erecting a new school in Maple Rapids.

### Questions about Social Security

Q. Because I'm retired, my 40 year old daughter, who has been severely mentally retarded since birth, gets monthly social security checks on my record. She has just been given a job at the institution for the mentally retarded where she stays. The job pays 60 cents an hour and she only works a couple of hours each day. Do I need to notify social security about her work?

A. Yes. You should call, write, or visit your social security office immediately and notify them about your daughter's job. On the basis of the information you gave, it does not appear that your daughter's social security payments will be affected by her job, but the Social Security Administration must look into the situation carefully before a decision can be made.

Q. I am 25 years old. Because of a severe heart condition that began when I was 12, I have been getting monthly social security payments on my retired father's work record. A couple of months ago, I got married and, even though my heart condition has not changed, my monthly checks stopped. Can you tell me why my checks were stopped?

A. Your payments were stopped because of your marriage. Adults disabled in childhood can continue to get checks as long as they are dependent upon their

payments. Because you married, however, you are no longer considered dependent upon your parents, and, therefore you are not eligible to get monthly checks on your father's work record.

Q. My husband, who's 66 and enrolled in Medicare, can't get monthly social security checks because he's still working full time and earning too much. I'm 62 and not working. Can I get wife's payment on his work record even though he isn't getting payments?

A. No. Since your husband is still working and is not getting monthly checks you cannot get monthly payments as a wife. However, you may be eligible for payments on your own social security record if you have had enough work over the years in jobs covered under social security.

#### New UF director

Michigan United Fund has a new executive director, according to an announcement made by Kenneth J. Boekeloo, President of MUF.

Daniel A. Hester was appointed to fill the executive post after his selection by a Michigan United Fund Personnel Committee, chaired by Charles P. McDonald of Detroit.

A private consulting firm has recently reported what, most likely, the majority of the US citizens already realize.

That fact is the federal government is guilty of over-administrating grants, funds, programs etc.

The latest revelation came in Kalamazoo when the consulting firm was explaining Revenue Sharing procedures to city officials.

His company's studies showed the federal government, in administering grants to states or local levels, spend more money administering programs than was actually used by the program.

AGAIN, THIS is not so surprising. However, digest this: 1 program which used 6% of a total figure was administered by the federal government. It took 50% in administration to run the program.

Talk about "All chiefs and no Indians." It reminds me of those by-gone days with the US Army at Ft. Polk, La.

I had just finished a stint in Seoul, Korea with a service newspaper where a small staff put out a pretty decent paper each week, plus sending local releases to hometown newspapers.

That was accomplished with 3, or sometimes 4, enlisted men and 2 supervisors.

NOW, AT FT POLK, the same job required 6 enlisted men, an enlisted supervisor and 4 officers.

### "If It Fitz . . .

### Here come de pay raise

Editor, Lapeer County Press

By Jim Fitzgerald

A judge in my hometown is miffed because he makes less money than most of the lawyers who must stand up when he enters the courtroom.

Asking county commissioners for a raise, the judge said: "It is . . . a problem of morale when a judge constantly has before him attorneys - who may even be his juniors in age and experience - who are earning a living standard for their families which far exceeds that of the judge."

Yeah. It is easy to follow the judge's "thinking." Before you can become a judge, you must be a lawyer. Judges get to pound their desk with a hammer and tell lawyers to sit down and shut up. This particular judge has even castigated lawyers for not sitting up straight in court. Obviously, the judge is boss and the lawyers are the bossed. So it can't be right for the boss to make less money than the people he is bossing around. Can it?

Actually, this is a problem that has bugged me for some time, although in a different context. I was thinking about sports.

You know. In basketball, Wilt Chamberlain and Abdul Kareem Jabbar makes 5 times as much money as their coaches who are supposed to tell them what to do. The same thing is true in other professional sports. It wouldn't even be surprising to learn that some college football players make more than their coaches.

So how does a coach order Wilt Chamberlain to practice his free shots for 3 hours every Saturday afternoon when the coach knows Wilt can afford to buy all Saturdays

I will admit they reassigned 1 lieutenant, after they found out they had 1 more supervisor than persons to supervise.

I will also admit that federal agencies do try to cut costs.

One program to cut costs is the suggestion program. But, that too, can become almost laughable. One federal employee was awarded \$25 for his suggestion to save the government money. His suggestion? Fix the water cooler so it doesn't leak on the floor, thereby ruining the tile.

My idea of throwing a rock through a window and then suggesting it be repaired to prevent rain damage to the office was not met with enthusiasm.

ANOTHER GOVERNMENT program to save money is "Zero Defects," stolen from the space industry.

The idea of "Zero Defects" is to "do it right the first time." No figures, it seemed, were ever available, but it is believed the campaign to prevent mistakes by government employees through hordes of propaganda and publicity cost the taxpayer more than a pittance.

Of course, it will take some doing on the federal level to top the latest streamlining.

Our illustrious leaders of the Postal Service have seen fit to have our mail "Join the Postal Service and see the world." It is just a little difficult to understand why such sweeping changes in our Postal Service were needed just to make our mail arrive a day later.

The answer is obvious. Every time Wilt has a disagreement with his coach, the coach is fired. And Wilt continues to miss most of his free shots.

It is an unhealthy situation. The only answer is a universal law requiring that all coaches make \$10-per-week more than their highest-paid player.

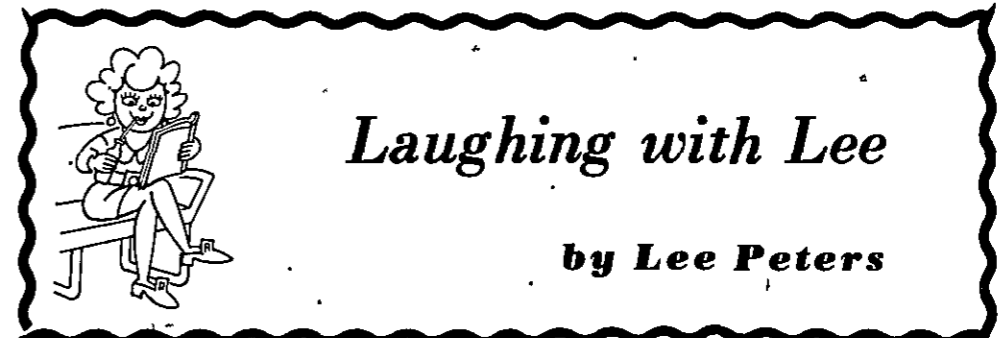

Yeah. And here come de judge. And the lawyers who must genuflect before the judge in court, but then go home to \$800,000 mansions while the judge lives in a trailer court. And the judge depends on lawyers to finance his reelection campaign by buying \$50 tickets to "I - Love - the - Judge" banquets staged spontaneously by the judge's brother-in-law who is also a bailiff.

Another unhealthy situation, obviously. The only answer is a law requiring that all judges make \$10-a-week more than F. Lee Bailey.

And let's not forget newspaper columnists. We are forever required to advise people richer than we are. Several weeks ago I suggested that Henry Ford learn another song besides "Hey-Bop-a-Re-Bop." Either that or bring back running boards. But you can bet Ford is still singing the same old tune. Why should he listen to me? He could buy me and Wilt and a judge and convert us into the Andrews Sisters singing "I'll Be With You in Apple Blossom Time."

The answer is obvious. All columnists should make \$10-per-week more than they are worth, or \$10-per-week more than J. Paul Getty, whichever is highest.

Onward and Upward.

### Laughing with Lee

by Lee Peters

What's the big beef? My butcher says the price of meat is going down!

So I treated the family to a thick, juicy T-B (one) steak. It was this week's buy at only \$1.60 a pound and since that's the minimum wage I figured, I could afford it.

When it came time to give the sacrificial offering, I decided to broil. Thus the only thing I sacrificed was my clean oven. And only 2 days after my husband said he was tired of burnt offerings night after night. Oh well, easy on-EASY OFF.

Getting back to the meaty part of the story, I was proud of myself when I laid that tender tidbit on my 75¢ steak platter garage sale special. And when my husband cut into it with a grocery give-away knife and the juice gushed out, I decided it was worth the wait in the checkout aisle. He carefully carved the calf giving me my standard 1/4 proportion.

AH, ECSTASY. As I savored the flavor, something came eye to eye with my eye tooth. And it snapped me back to my senses. It was a rubberband. Since I had my braces removed many years ago I immediately ruled that possibility out.

There was no way of getting around it. It was a rubberband. Now we may be paying less for beef these

### Service Personnel

Army Private LAWRENCE R. ZUKER, 19, son of Mr and Mrs Robert W. Zuker, 211 W. McConnell, St. Johns, recently completed eight weeks of basic training at the US Army Training Center, Armor, Ft Knox, Ky. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions. Pvt Zuker served with Company E, 17th Battalion of the 5th Basic Training Brigade. He is a 1970 graduate of St Johns High School.

More than three-fourths of the world's 1.1 billion children live in the developing nations. UNICEF aid helps protect these children from malnutrition and disease, and prepares them for future citizenship.

days but that's S-T-R-E-T-C-H-I-N-G it too far.

And what about Senator Arrowax standing up for the hot dog-that great American symbol. I'm with him. I like hot dogs, Wieners and even frankfurters, too. Why not, it's a dog-eat-dog world, anyway.

A NEW federal law sets no minimum protein standards and permits use of such animal by-products as snouts, lips, spleen, udders, salivary glands, stomachs and other organs. Now I ask you--Are those the dogs kids love to bite?

There ought to be a law! But there is. A law, the word came down saying the federal appeals court ruled that the Michigan law has been nullified by a weaker Federal statute. And just last week on the tube, the President told his fellow Americans he wanted to get the government back on the state, county and local level.

He may be speaking for the other 51 but here at home we're asking that Michigan be allowed to set their own TOUGHER MEAT standards. And I'm frankly-for-it.

## An ounce of prevention

By Jose J. Linas, MD  
Director of Community Mental Health  
Clinton, Eaton and Ingham

### The church fights drug abuse

Among the many pieces of printed material which cross my desk, there is a little, unassuming publication called "Catalyst", which I always enjoy.

"Catalyst is published by the North Conway Institute, an interfaith religious group concerned with the role of the church in education about alcohol and other drug problems.

### WILL THE CHURCHES LEAD?

Clergy and lay people from across the nation took up the very important question of the church's role in preventing alcohol abuse, and overindulgence of other drugs at the annual North Conway conference last summer.

Drug and alcohol advertising; myths that give certain drugs symbolic and magic properties; complete abstinence from all medication, whether you need them or not (a clergyman described this as "pharmacological Calvinism"), were some of the areas studied and discussed at the meeting.

The Rt. Rev. Charles F. Hall, Episcopal Bishop of New Hampshire, called on the churches to meet the challenge. He emphasized, however, the need for adequate knowledge as well as love and commitment.

"The Church", he declared, "must never become professionalized in the limited sense of a problem-oriented vetry. Its God won't permit it."

### TV AND DRUGS

In his keynote address, Harvard psychiatrist, David C. Lewis, devoted considerable attention to the problem of drug over-advertising.

"Much of the television propaganda I see", he commented, "appears to be an attempt to break down natural feelings of guilt about taking a pill or drug to cope with a problem."

That is, if you can get the average person to think that he is really "sick" when he feels badly about confronting an everyday problem, you can convince him, in effect,

that he is not doing anything wrong.

### TALK TO ONE ANOTHER

Dr. Lewis, however, did not consider the issue of over-advertising a central one in drug abuse prevention.

"It is an identifiable problem, worth a little scrap", he said wryly, "then you go on to something else that's really important."

The factor he valued as most important to begin to make a dent in the incidence of drug abuse is "person to person communication".

"That's where it's at", he continued. "School programs should stress the ability to listen, a very difficult skill to develop and use, particularly when the talker is not like you".

(In our area, the educational programs that the Community Mental Health Board has run with gratifying success both in Lansing and in some of the out-county school districts, under the able leadership of Bob Townley and Bill Stevens, have emphasized, time and again, that important point.)

### ALCOHOL STILL NUMBER

## Fowler News

By Miss Cecilia Thelen

Mr and Mrs Louis Snitgen of Lansing spent Wednesday afternoon with Mr and Mrs Arnold Miller.

Mr and Mrs Martin Thelen and family spent Sunday with her mother, Mrs Bertha Rademacher of Lansing.

Friday evening Mrs Lula Boak was an honored guest for a birthday dinner. Mr and Mrs Vernon Benjamin and daughter, Lourie and Mrs Lula Boak went to Lansing for dinner. She also received 2 long distance calls from Tucson, Arizona. One from Mr and Mrs Calvin Boak and family and one from Mr and Mrs Robert Jackson wishing her a happy birthday and many more.

Mr and Mrs James Long of Jefferson, Wis are visiting her mother Mrs Emma Vance and other relatives. Mrs Opal Miller attended

the golden wedding Sunday of Mr and Mrs Preece Upton of Maple Rapids.

Sunday evening Judy and Carol Benjamin of Lansing and Carol's boyfriend Jim Meguder of Lansing were visitors of Mrs Lula Boak.

Bernard Vance and daughter, Mrs Emma Vance and Mr and Mrs James Long went to Ann Arbor Saturday to visit Kenneth Vance and they also attended the football game. Mr and Mrs James Long left for Jefferson, Wis on Sunday.

Josephine and Esther Long were Wednesday afternoon visitors of Cecilia and Amelia Thelen.

Mr and Mrs Reynold George, Cecilia and Amelia Thelen and Bernita Hufnagel and daughters were Sunday supper guests of Mr and Mrs Eugene Thelen and sons of Portland.

Sister Rita Louise of Nazareth, Mrs Dennis Guinen and Mrs L Guinen of Chilca and Mrs Robert Kielen of Flushing called on Mrs Ola Ryan Oct 25. Mrs A L Delnar and Mary L Delnar spent Saturday Oct 28 with Mrs Ola Ryan.

### North Bengal

By Mrs Wm. Ernst

Friday evening, Oct 27, Mr and Mrs J D Bancroft and children of Southwest Dallas and Maxine Ernst visited Mr and Mrs Robert Beckhorn of Ionia.

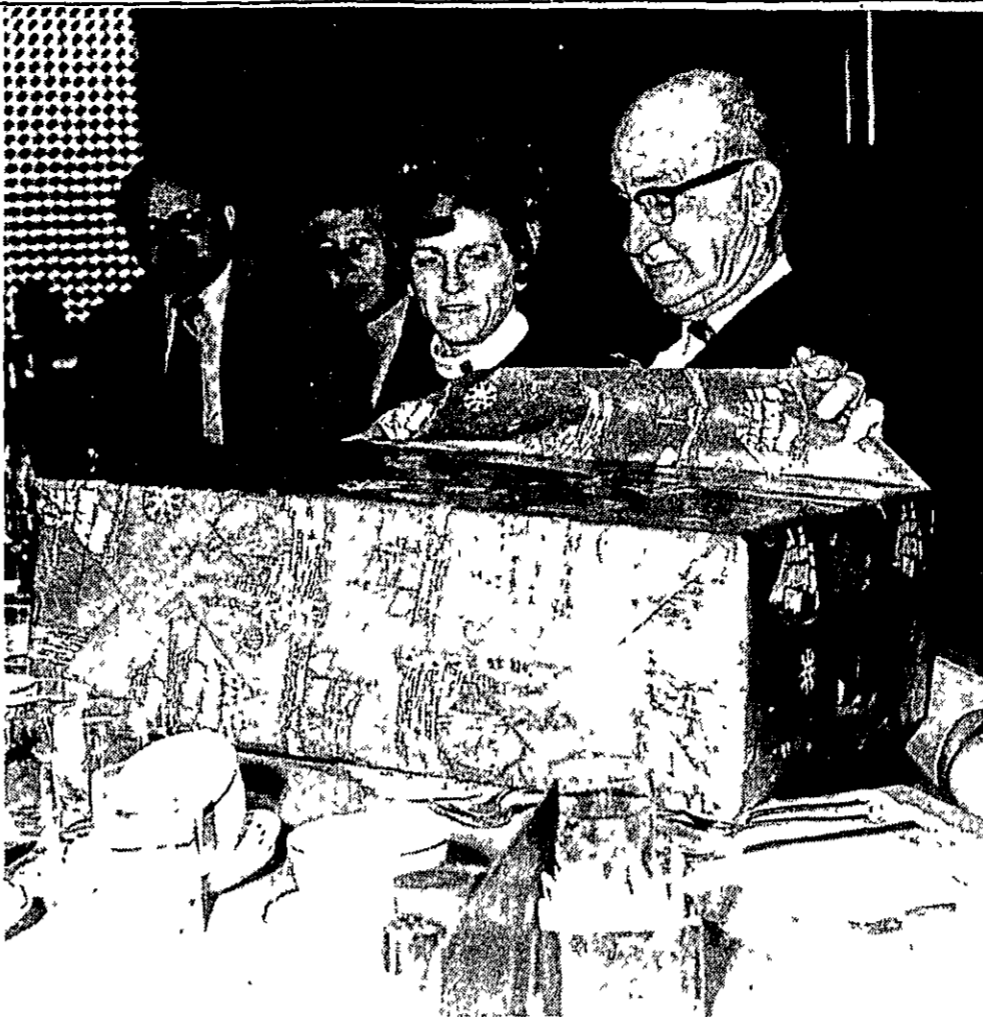

Mrs James Phinney and children of St Johns were Tuesday evening, Oct 24, supper guests of Mr and Mrs Louis Moritz and family.

Mr and Mrs Herman Noller of rural Hubbardston were Friday afternoon, Oct 27 callers of Mr and Mrs William Ernst.

Mr and Mrs Arthur Schneider of Lincoln Park spent the weekend of Oct 28 at their farm home.

Sunday afternoon, Oct 29, Mr and Mrs Edward Moritz and Mr and Mrs Louis Moritz visited Mrs Julia Walz of Lansing.

Mrs William Ernst and Maxine Ernst spent Sunday afternoon, Oct 29 with Mrs Iva Schafer of Lansing.

Ronald C Zeeb, retiring DeWitt Township treasurer, opens a gift from officials of his township during a dinner last week honoring his 40 years of service as treasurer. Among those present for the occasion were (from left) Bill Purves, trustee; Donna Syverson, clerk; and Joyce Whitlock.

Pvt Piggott received this training with Company E,

### 17th Battalion of the 5th Brigade.

He is a 1970 graduate of Fowler High School.

### FIGHT BACK

The habit of striking back when adversity hits you is sure to be a winning policy.

## Letters to the Editor

To the Editor,  
Well I've thought of "writing a letter" to whom it may concern for sometime. I realize what concerns some, does not always concern others. But this should be a concern of all true Americans. Can you imagine Lincoln too busy to work on his education? Or Douglas MacArthur being afraid to take a chance? Or, how about Nathan Hale, thinking Patriotism was old fashioned? I consider what I'm writing about, Patriotism and Americanism should be practiced as never before by all Patriotic Americans. There is great strength in the emotions that Americans feel such as, the stirring sound of our National Anthem, the flag passing by or flying from our homes and public buildings, and grateful respect to all servicemen and women, who for the cause of freedom have been wounded or died for this freedom.

This I don't feel we are doing for the ones fortunate to return to our country in this war. Our congressmen and representatives have changed the months and dates of most everything to suit them that they may have an extra day on weekends. So far they haven't "messed" around with Christmas. Now one of these dates is "Veteran's Day". This was set after World War I and was still World War II. The boys were given welcomes with parades etc and were shown it was nice to have them home. Now how are they welcomed back?

You know what I mean. No one shows them gratitude except their families.

I just returned from a National Blue Star Mothers Convention in Cincinnati and a resolution was brought on the floor and passed, "that we as Blue Star Mothers go on record as changing the "Veterans Day" back to its original date, November 11th this year 1972 is the 53rd year. And I urge all Patriotic Americans to write your congressman to work for the change of the present date Oct 23 as Veteran's Day back to the original Nov 11.

Let us all pray that a mutual peace that will endure, can soon be made.

CHLOE BARTHOLOMEW

## Elsie

ELSIE(c) --Maple River Farm Bureau met Thursday evening with Mr and Mrs Ray Peck.

Andrew Cobb performed the duties of the chairman. Mrs. Robert Moore played tapes on "Legal Documents" and Frank Rivest led the discussion that followed.

Sorrow and sympathy fills the group with the death of Mrs Ross Henry, secretary to the group, and the severe injury to Ross Henry when their house exploded. He is still confined to the hospital in a serious condition.

The group decided to attend the county annual meeting instead of an October local meeting.

Mrs Burton Tabor was elected secretary. The Nov 18 meeting will be with Mr and Mrs Edward Batora.

### The Home Economist

Chilly weather has made its way to our doorstep and is now pulling November into the scene. It's time to prepare for more snow flurries, barren trees and Thanksgiving.

November brings the largest supplies of turkeys to market. This year turkey production is at an all time high, and prices are expected to be somewhat lower than at this time last year. All grocery stores are stocking up on turkeys with frozen foods sections constantly reminding us that the holiday season is near. Traditionally, some stores will likely special turkey during the final week or so before Thanksgiving.

With turkey in the spotlight, it's typically the time of year for chicken broiler-fryers to take a back seat as demand for these birds decreases. This, however, is not the case this year. Prices have remained fairly steady, with fewer specials than usual as demand has remained at fairly high levels, due to increased prices of various cuts of meat.

Egg prices are beginning to rise again, and will likely continue to increase throughout the month. This could possibly mean an 8-10¢ rise per dozen.

Pork and beef prices are expected to remain near current levels. The overall picture in beef showed a slight decline in prices during September and October but this downward trend is not likely to continue.

Apples, citrus, and cranberries are the popular fruits for November. Picking of the bulk of the Michigan apple crop should be finished by the end of next week. Supplies of Red Delicious, McIntosh, Northern Spy, and Jonathan are among the varieties available in grocery stores and markets.

Several citrus fruits are coming to market in greater supply. Grapefruit has already picked up and continues to be marketed in increasing numbers. The supplies of oranges are just beginning to increase. Prices are generally the same as last year's prices. Tangerines can be found in some stores now as we begin the peak season for this fruit and tangelos and 22 percent of the tangerines to come to market in November; however, this year the harvest has been slowed

down to some extent. Over half the total year's supply of cranberries is expected during the month. Estimates show production supplies to be down from 1971, but there should be ample amounts to answer the demand.

November brings turkeys and cranberries to our table and also sweet potatoes. Our largest supplies for the year are beginning to come now from "warmer" areas of the United States.

Squash and pumpkin are also available to help round out the planning for those holiday meals. Other fall vegetables in good supply include turnips and rutabagas. Their peak supply comes this month, but ample supplies should be available throughout the winter months.

Artichokes are back in the stores too. This vegetable has two seasons every year, with November being the peak month of the fall season. Supplies of Brussels sprouts also peak now, with prices tending to be slightly lower than at this time last year.

Fresh mushroom supplies are increasingly available in

grocery stores, as are supplies of broccoli. Cauliflower supplies are dropping off now, and prices are increasing accordingly.

When you begin to buy dried fruit for holiday baking, you'll find prices are up for prunes and raisins. Supplies are down due to smaller crops of the plums and grapes.

This time of the year also offers some special educational benefits. The West Elsie Extension club went on a field trip last month. The tour included stops at Uncle John's Cider Mill, where they saw apple cider being made and Herbruck's Cheese Store, where they were taken on a tour of the store and the aging rooms.

For the last part of the trip the group took a drive through the Rainbow Lake, Middleton and Maple Rapids area to view the natural beauty of the countryside in its fall colors.

Take advantage of the educational opportunities in our area. You'll be surprised at what is available. Call our office for more information, 224-3288.

Co-chairmen of the annual St. Joseph's Card Party and Style Show, Mrs. Sharon Vitek, left, and Mrs. Lorraine Kudwa, right are pictured with the main prize winners at last Thursday's event. Winners were Mrs. Marian Kuracz, silverware, Mrs. Joyce Crosby, snowmobile weekend and Mrs. Beverly French, ironstone dinnerware. The event drew a large attendance.

### 2 Gen Tel employees end training

OWOSSO - Two General Telephone employees recently completed courses at Fen Tel's Plant Training School in Owosso.

Ronald D. Potts, Grand Ledge switchman, took a 2-week course designed to provide the knowledge and skill to adjust the company's "step-by-step" switching equipment. The course includes instruction in timing and pulsing, analysis of equipment failure and inspection and adjustment of rotary switches.

Employed in 1962 as a lineman, Potts has since worked as cable splicer, central office equipment installer and his present job of switchman. He and his wife Joyce with their four children live at 406 South Lansing, St. Johns.

George Rochon, St. Johns switchman, studied a 2-week course in data set fundamentals. The objective of the course is to provide an understanding of "data sets," specialized telephone instruments for transmitting information in the form of "bits" from one business machine to another. Data sets enable one machine to "talk" to another by converting signals or pulses from business machines into tones which are suitable for transmission over telephone facilities and converting them back to "machine talk" at the receiving end.

George, a Gen Tel employee since 1959, resides with his wife Sharon and their 2 children at 601 South Kibbee, St. Johns.

### Wacousta

MRS. EDWARD KRAFT  
Ph. 626-6944

Mrs. Forest Shipman received word Tuesday afternoon that her mother, Mrs. Carrie Patterson who was one of a Tour group who had been on a trip to the Holy Land, was injured in her neck and shoulder and brusies. They were on their way to the airport in Greece to board the plane for New York City, in a rainstorm and the bus went down a stone embankment, on its side. Mrs. Faye Hanson, niece of Mrs. Patterson of DeWitt who was traveling with Mrs. Patterson received a fractured wrist and a cut arm and leg, plus bruises. Another cousin from Pontiac who accompanied them was killed in the accident along with six others. There was 38 in all on the tour.

David Brown was honored Sunday afternoon at an open house. Dave left Tuesday for the Navy, he expects to be stationed in Florida.

Several OES members attended the Grand Worthy

### Lee Morriss returns from Girls Scout meet

ST. JOHNS - "You have opportunities in Girl Scouts you've never had before." That's what Lee Morriss, 17, says upon her return from the national Girl Scout convention in Dallas Oct 22 to 25. The St. Johns High

LEE MORRISS

School senior was the official Senior Scout participant from the Michigan Capitol Girl Scout Council.

Over 11,000 attended the convention which marked Girl Scouts' 60th anniversary. Conventions are held every 3 years and feature audio visual theatres, exhibits and discussion groups.

report back on them. Lee, who has been in scouting 10 years, belongs to troop 549 led by Mrs. Don Pease. She's the only scout on the board of directors of the Michigan Capitol Girl Scout Council, which takes in Ingham, Clinton and Eaton Counties. Voted to attend the convention, she flew to Dallas with 8 ladies, 2 men and another scout attending as a visitor. She was the only representative from St. Johns.

"I might try to be a leader this year," she believes, "as several groups at the convention reporting senior girl scouts doing this." They also talked about coed scouting. "There are boys my age in our Girl Scout council," she says. "Personally I don't think we should waste our time and money when the Boy Scouts already have a coed program called 'explorers'."

Lee, active in cheerleading and orchestra, was junior class president and belongs to the St. Johns Episcopal Church youth group. She says any girl age 7 can start in scouting and should call Mrs. Yvonne DePaape, local service unit chairman.

Mr. and Mrs. John Blauwiel and family and Mr. and Mrs. Larry Blauwiel were visitors of their parents, Mr. and Mrs. Nicholas Blauwiel of Grand Rapids during the weekend, the occasion being Mrs. Blauwiel's birthday birthday which was Monday, Oct. 30.

Mr. and Mrs. Joseph L. Fox attended the Spitzley-Wirth wedding at Westphalia.

### Career planning meeting set

EAST LANSING -- Explore '72, a unique career planning meeting for parents and youth, will be held at Michigan State University, Natural Resource Building, on Nov 9 at 7 pm.

John Aylsworth, Extension 4-H Youth Agent for Clinton County, invites parents and young people of this area to attend this informative program. A team of Michigan State University faculty members will conduct the fast-moving program to provide information on careers and educational planning.

Parents and young people can find answers to such questions as:

- What training is needed after high school?
- Can I get into a college or technical school?
- What does it cost to go to college?
- What financial aid is available?
- Should I go to a community college?
- Should I enroll in a 2-year technical program or a 4-year degree program?
- What careers are available in agriculture and natural resources?
- What high school preparation is needed?
- What kinds of jobs are available after college or technical school graduation?

Aylsworth says that parents play a very important role in career and educational choices of young people. Since careers, college or technical school admissions policies and

## Burcham Hills

RETIREMENT CENTER

now under construction at 2700 Burcham Drive, EAST LANSING

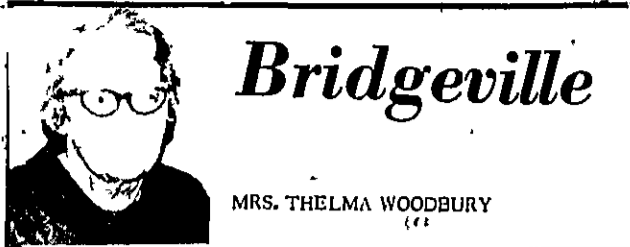

There's a new style of retirement living waiting for you when Burcham Hills opens its doors next year . . . retirement living that means freedom from the responsibilities of home maintenance, meal preparation, food shopping, and the anxiety of future care. Here, in a dignified and gracious environment, you'll meet congenial companions, enjoy the independence that you've earned and deserve, and be better prepared to pursue the interests that retirement gives you the time to follow. Burcham Hills' advantages are many, and they include private apartments each with full safety-equipped bath, individually-controlled air conditioning and heat, scheduled local transportation, planned social and educational activities, nutritious meals prepared in Burcham Hills' own kitchens, heavy cleaning and flat laundry done for you. But above all, a life-lease assures you worry-free living for life—plus the health, therapy, and convalescent services of the Center's own attached facilities. You owe it to yourself—and others—to get complete information soon.

Fill out and mail this request soon for information about Burcham Hills, or call 351-8377 (n/c 517).

## Bridgeville

MRS. THELMA WOODBURY

Salen United Methodist Family night and Fall Festival was held at the church Saturday night, Oct 21 with 38 attending the potluck supper. The tables were decorated with Halloween and Harvest motifs. Retha Hankey, granddaughter of Gladys Hankey, presented a program with pictures of her 4-H experiences in Jamaica during the past year. A native Jamaican, Edi Gidden assisted Miss Hankey in the program. The Harvest Festival offering

amounted to \$357.25.

Mrs Harriet Schmid and Mr and Mrs John Woodbury spent Wednesday and Thursday, Oct 25 and 26 at Pickford with Mr and Mrs Gary Skinner. Tina Marie Skinner returned home with her to spend 2 or 3 weeks.

Mr and Mrs John Woodbury were Saturday evening supper guests of Mr and Mrs Paul Loomis and family. They also called on Mr and Mrs Bruce Hulbert and sons, Sunday afternoon, Oct 29.

## 4-H Chatter

By JOHN AYLSWORTH

Michigan's four member 4-H team competing in the American Royal Livestock 4-H meat judging contest in Kansas City placed 4th in national competition.

The team consisted of Brian Brook and Ted Ashley of Clinton County and Mary Gerbach and Dan Baldus of Washtenaw County. Brian is a member of the Bath All Purpose 4-H Club and Ted is a member of the Kountry Kousins 4-H Klub.

The contest consisted of identification of 25 retail cuts of beef, veal, lamb and pork. Additionally, the contestants judged beef and pork carcasses and wholesale cuts of pork and beef. The judging involved an evaluation of meat characteristics which are commensurate with the evaluations used by the retailer and consumer in meat selection and establishment of value.

The Michigan 4-H team was 4th in beef judging, 3rd in pork judging, 5th in identification and placed 4th overall among the teams competing in the national contest.

Individually, Brian Brook of Clinton County was the 2nd high individual in pork judging, 8th high individual in beef judging and was the 2nd high individual in the judging portion of the contest. Brian was tied for 8th high individual in the entire contest. Ted Ashley, also of Clinton County, was the 7th high individual in pork judging, 10th high individual in the judging portion of the contest and tied with Brian Brook for 8th high individual overall in the contest. Mary Alice Girbach of Washtenaw County was the 10th high individual in beef judging. The other team member was Dan Baldus also of Washtenaw County.

The high team in the contest at Kansas City was Nebraska, followed by Oklahoma and the 3rd place team was the Kansas 4-H team.

The team was accompanied to the national contest by Doug Meiburg, a graduate assistant, Department of Animal Husbandry, Michigan State University. These four individuals were top individuals in the State 4-H meat judging contest conducted earlier this fall at Michigan State University. The trip to Kansas City was sponsored by the Michigan Livestock Exchange through cooperative efforts of the Michigan 4-H Foundation.

The following 4-H clubs have reservations for the 4-H roller skating activity on Thursday, Nov 16, 7-10 pm at the Ranch Roller Rink in St Johns. The clubs are: Kint N Stitch (10), Lucky Riders (15), Prairie (10), Willing Workers (15), Countryside (14), Ear Floppers (30), Green Acres (50), Sew & Sew

(23), We Hah Kay Asta (12), County Farm Cutups (10), and Pioneer Trail Riders (10) for a total of 199 people attending.

4-H beef club members are reminded of the beef steer sign up for the 1973 Clinton County 4-H Fair Show and Sale next August. Steers are to be registered at the Extension Office by the deadline of Jan 1 to be eligible for the show and sale. If members are interested in the Rate of Gain Contest, the steers are to be weighed by Jan 1 with the weight slips turned into the Extension Office in St Johns.

The 4-H horse club members interested in learning more about horse judging are urged to attend the practice session on Saturday, Nov 11, 10 am to 12 noon at the home of Carroll Clark located north of St Johns on Hyde Road. Judy Williamson of DeWitt will be working with the group.

The Bath Electrical Club is

the name of a new 4-H electrical club organized in the Bath area under the leadership of Jerry Reeves. The club has seven members. The members studied atoms, protons, neutrons, electrons, as well as different tools and wires used in electricity. The new officers are: Barry Brown, president; Gary Reeves, vice president; Dale Burnham, secretary - treasurer and newsreporter combination; Leslie Vitzke, recreation leader and Gary Brook, song leader.

"Sewing Basket" is the name selected by the members of a new 4-H club near Bath. The club has 10 members taking clothing projects under the leadership of Pat Shiffer and Judy Clise.

The officers elected are: Julie Cole, president; Denise Cajlar, vice president; Amy Schaibly, secretary-treasurer and Julie Lake, newsreporter.

### Ag in Action

Most Americans have the wisdom to know that you don't get something for nothing in this life. They realize that it takes money to start a business, money to run a business and a profit must be made to stay in business.

Our American agriculture is a business. Farmers must operate just as any other business does. However, they find themselves faced with a continued major problem.

Inflation has raised the high cost of farming to a record level. The index of prices paid by farmers; interest, taxes and wage rates is now 428 per cent of what it was in the base period of 1910 to 1914.

Production expenses in the first half of 1972 were estimated at an annual rate of \$46 billion, or about \$2.5 billion above last year's level. The future doesn't look much brighter, as farmers' expenses are expected to

continue to raise during the months ahead with the rate of increase being affected by what is done to control government expenditures and to slow inflation.

THE INFLATIONARY pressures which stimulated the decision to invoke price controls were primarily the result of excessive deficit spending on the part of the federal government and a related expansion of the money supply by the Federal Reserve Board. So far, price and wage controls have not been an effective means of controlling inflation.

The announcement of controls may have had a helpful psychological effect, particularly in those industries which have excessive market power. Agriculture, on the other hand, is a highly competitive, worldwide industry, relying on market values established in the marketplace and is being hurt by inflation.

## Turkey organic soils man visits Clinton

Turan Tuzon from Turkey spent the week of October 30 with the Soil Conservation Service men in Clinton County Soil Conservation District.

Tuzon in Turkey is Chief Agricultural Engineer in charge of drainage and irrigation projects of organic soils. He told Lloyd Campbell, district conservationist, soil conservation service, that in Turkey they have about 41,000 acres of organic soil in two different locations.

The average size farm is about 15 acres, and they grow sugar beets, wheat, barley, corn, vegetables (tomatoes and potatoes) and birdsfoot trefoil. The farmers live in small towns and travel out to their farms to work their land.

During the week Orville Beachler, Soil Conservation technician, and Lloyd Campbell showed him the many areas of organic soils in the Clinton County Soil Conservation District that have been tiled, and visited a few farms that have pumping systems to remove the tile water. Clinton County has 31,000 acres of organic soils.

Tuzon and Campbell

visited the Grand Ledge Clay products plant where they manufacture clay drain tile in two foot lengths for use in muck soils. A representative of the Clay products plant explained how shale is used to make clay drain tile, and how the tile are fired so that they retain their shape.

Joe Kurka arranged for the men to visit the Advanced Drainage Systems plant in Owosso where they manufacture plastic drainage tubing. This plant manufactures 25,000 feet of plastic drainage tubing a day in four inch or the five inch size that is used in organic soils.

Three days later, the northbound lanes will be opened, completing the long-awaited I-69 Freeway from Charlotte south to Interstate 94 and the Indiana border.

### Bridgeville

By Mrs Thelma Woodbury

Mrs Ethel McComber was taken by ambulance to Carson City Hospital Friday, Oct 27. Mrs May Grubaugh has been in Carson City Hospital for several weeks and suffered a stroke last week.

## Farm Tips

Silo gas can kill

By WILLIAM LASHER  
Extension Agriculture Agent

Cheek stored grain, even when dried correctly, to be certain of its quality. Here are some suggestions:

1. Open top door and smell grain.
2. Probe and check moisture.
3. Turn on aeration system, smell exhaust air and check grain temperature.
4. Check around bin walls and see if grain feels more moist than in the center of the bin.

IF THERE are indications that grain is out of condition take action immediately. Either aerate the grain, dry it more, or move it to another bin.

Use aeration systems, to chill the grain mass to near 40 degrees, you can check this with a thermometer hung in the exhaust air stream. About 100 hours of fan operation are needed to lower the grain temperature 20 degrees at an air flow rate of 1/10 cubic feet per minute per bushel.

Unsafe Mud  
Farmers are going to have to work harder at safety during corn harvest this fall if accidents are to be prevented. Wet weather has not only delayed corn harvest, but has created more lodged corn. Weeds are also a problem in some fields.

This will lead to more harvesting problems and the tendency for hurried farmers to take chances.

Shutting down the power before leaving the drivers seat is the key to accident prevention in the corn field. More farmers use this practice than ever before -

that's why we are reducing the number of accidents. But this safety reminder of shutting down the power before leaving the drivers seat is necessary in the cold mud of mid November as farmers struggle with corn that might be down, brash and weedy.

# Facts about no-fault insurance

Gov. William G. Milliken has signed into law the Michigan No-Fault Auto Insurance Act of 1972. This has been called the best no-fault law in the United States.

The following questions and answers are designed to give general information about Michigan's no-fault law which will go into effect next October 1.

**EFFECTIVE DATE**  
1. QUESTION: When does Michigan's no-fault law take effect?  
ANSWER: Oct. 1, 1973. Auto accidents before then will be handled as at present—auto accidents on or after October 1, 1973, under the new law.

2. QUESTION: Do I have to have auto insurance after Oct. 1, 1973?  
ANSWER: Yes. Everyone in Michigan who owns a car must have auto insurance after October 1, 1973.

3. QUESTION: I already have auto insurance. Is there anything more I need to do before the new law takes effect?  
ANSWER: Your insurance policy will automatically cover you for at least the required coverages beginning on Oct. 1, 1973. So there is nothing you have to do unless you want to change your optional coverages such as collision insurance, or your deductibles. Before the new program goes into effect next October 1, your insurance agent or your insurance company will contact you and will let you know what coverages are required, what deductibles and additional coverages are available and what the rates will be for the various coverages.

4. QUESTION: What are the benefits under the new law for medical expenses and rehabilitation?  
ANSWER: Medical expenses and rehabilitation as much as and as long as necessary. There are other benefits for wage loss, child care, dependents in case of death, and property damage which will be described later.

5. QUESTION: Please be more specific. Do you mean if I am in an auto accident and have Michigan no-fault auto insurance and get seriously hurt, I can have my doctor and hospital bills paid for life?  
ANSWER: Yes. This is one of the best features of Michigan law and there is only one other state that provides unlimited medical expenses.

6. QUESTION: What if the accident is my fault? What if I fall asleep, drive into a telephone pole, and am paralyzed for life?  
ANSWER: You get medical benefits for life—regardless of who or what caused the auto accident.

7. QUESTION: Are there any limitations?  
ANSWER: Hospital care is limited to a private room, unless special or intensive care is needed. You may take various kinds of optional deductibles, especially if you already have some hospital and medical insurance, in which case your policy is cheaper.

8. QUESTION: Is that the only limitation?  
ANSWER: Yes, that is the only limitation.

9. QUESTION: What if I have Workmen's Compensation of Social Security?  
ANSWER: You don't get double compensation—you don't make money on being in the hospital. Workmen's Compensation or Social Security medical benefits would be subtracted.

10. QUESTION: What about Blue Cross or my union sick and accident benefits?  
ANSWER: If you do not take an optional deductible in your auto insurance you would collect duplicate benefits for whatever your Blue Cross or union sickness and accident benefits cover. But you may take an optional deductible in your auto policy which will reduce your premium and eliminate some or all of the duplication with your other insurance and benefit programs.

11. QUESTION: What kind of benefits can I receive if I am injured?  
ANSWER: You will receive your regular earnings (minus 15% to make up for the fact that there is no income tax on insurance benefits) for a maximum of \$1,000 a month and a total of 3 years if unable to work.

For example, if you earn \$5.00 an hour for a 40-hour week—\$200.00 a week—you would receive \$170.00 a week (\$200 minus 15%). If you can prove your income tax would be less than 15 percent, then the actual amount of your tax would be deducted.

12. QUESTION: What if I am off work for a few weeks, but can't "cut the mustard" because of the injury? Can I still get benefits?  
ANSWER: Yes—if you can't continue to work because of the injury, you can get benefits any time in the 3-year period from the date of the accident.

13. QUESTION: What is the maximum earnings I will receive benefits for?  
ANSWER: \$1,176.47 a month, \$1,176.47 minus 15% equals \$1,000.00.

14. QUESTION: What if I earn more than \$1,176.47, can I receive more?  
ANSWER: Not from mandatory no-fault benefits. However, if the other person was at fault you can sue. However, no-fault benefits would be subtracted so you wouldn't collect twice. You may voluntarily buy a policy covering wage loss in excess of \$1,176.47 on either a fault or no-fault basis, then you wouldn't have to sue to collect.

15. QUESTION: I am a widow earning \$150.00 a week as a clerical worker. I take care of my three children, age 8, 10 and 12. If I am in an accident and can't care for my children, can I be paid for getting someone to care for them?  
ANSWER: Yes. You would receive \$127.50 a week in benefits (\$150.00 minus 15%). In addition, you could receive up to \$20.00 a day for the reasonable cost of child care—so long as you were unable to care for the children, to a maximum of 3 years. But the total for wage loss benefits and child care benefits is limited to \$1,000.00 per month. If the cost of child care is over \$20.00 a day and if you could prove fault of the other driver, you could sue for the amount of the cost over what you collect from your own insurance policy.

16. QUESTION: I am a housewife with small children. Believe me I work 20 hours a day, seven days a week (sometimes it seems like nine), caring for the kids, but I get no check. If I am injured can I receive any benefits similar to a wage loss?  
ANSWER: Yes—up to \$20.00 a day for 3 years for the cost of hiring someone else to perform your duties as a mother and homemaker—up to a maximum of 3 years. If the cost of replacing your services exceeds \$20.00 a day and if you can prove fault of the other driver you could sue for the amount of the cost over \$20.00 a day.

17. QUESTION: What are some examples?  
ANSWER: You said something about rehabilitation. What are some examples?  
(Continued on page 7B)

18. QUESTION: Does my policy cover me?  
ANSWER: No. It covers you as named insured, your spouse, and relatives living in your household. You are all entitled to the same benefits.

19. QUESTION: Can a car thief receive benefits?  
ANSWER: No.

20. QUESTION: What are the benefits of the new "no-fault" benefits?  
ANSWER: Your own. This is called "first party" benefits, instead of the present system of "third party" benefits—where you collect from the other person's insurance company, based on fault.

21. QUESTION: What if I am hurt while riding in someone else's car?  
ANSWER: You still collect from your own insurance company. But if you have no insurance of your own you would collect from the insurance company that insured the car you were riding in.

22. QUESTION: When does my insurance company pay my medical bills, wage loss, and rehabilitation?  
ANSWER: When due. Fees on anything over 30 days.

23. QUESTION: What if the insurance company stalls in paying?  
ANSWER: The insurance company must pay 12% interest and reasonable attorney's fees on any payment more than 30 days overdue.

24. QUESTION: What if I agree on most of the bill, but dispute a small part?  
ANSWER: The insurance company must pay what is reasonably proved, and when the amount in dispute is reasonably proven, must pay that within 30 days of proof, or pay 12% interest and reasonable attorney's fees on anything over 30 days.

25. QUESTION: What is reasonable proof?  
ANSWER: Copies of any bills and a claim form signed by you giving the details of the accident and the benefits you claim. Claim forms will be available from your insurance agent and your insurance company. A court

agrees on most of the bill, but disputes a small part? ANS W E R : The rehabilitation is one of the best provisions of Michigan's no-fault law. This includes all costs for medical rehabilitation. It also includes costs for all economic rehabilitation, such as learning a new skill if you can't return to your old job because of the accident.

COVERAGE  
18. QUESTION: Does my policy cover me?  
ANSWER: No. It covers you as named insured, your spouse, and relatives living in your household. You are all entitled to the same

benefits.  
19. QUESTION: Can a car thief receive benefits?  
ANSWER: No.

COLLECTING BENEFITS  
20. QUESTION: What are the benefits of the new "no-fault" benefits?  
ANSWER: Your own. This is called "first party" benefits, instead of the present system of "third party" benefits—where you collect from the other person's insurance company, based on fault.

21. QUESTION: What if I am hurt while riding in someone else's car?  
ANSWER: You still collect from your own insurance company. But if you have no insurance of your own you would collect from the insurance company that insured the car you were riding in.

22. QUESTION: When does my insurance company pay my medical bills, wage loss, and rehabilitation?  
ANSWER: When due. Fees on anything over 30 days.

23. QUESTION: What if the insurance company stalls in paying?  
ANSWER: The insurance company must pay 12% interest and reasonable attorney's fees on any payment more than 30 days overdue.

24. QUESTION: What if I agree on most of the bill, but dispute a small part?  
ANSWER: The insurance company must pay what is reasonably proved, and when the amount in dispute is reasonably proven, must pay that within 30 days of proof, or pay 12% interest and reasonable attorney's fees on anything over 30 days.

25. QUESTION: What is reasonable proof?  
ANSWER: Copies of any bills and a claim form signed by you giving the details of the accident and the benefits you claim. Claim forms will be available from your insurance agent and your insurance company. A court

**WIN \$20!**  
 IN EVENT OF TIES, PRIZE WILL BE DIVIDED EQUALLY

## "PICK-A-WINNER" CONTEST

**TIE BREAKER** — Select the team you think will win...and estimate the total points you believe will be scored by BOTH teams.

Last week's winner  
**WALTER DICK**  
 1106 Wight  
 St. Johns

- Join the fun! You can win \$20 cash, paid by The Clinton County News each week to the person who guesses the most winners of the high school and college football games listed on this page. Shop the ads and read the rules to find out how you can cash in!
1. Read every ad on this page. An important game will be listed in each ad for your selection.
  2. On a separate sheet of paper, write the name of each merchant on this page and after his name, the name of the team you select as the winner of the game listed in his ad. List in sequence 1 thru 16.
  3. Be sure and print your name and address plainly on your entry.
  4. Mail your entry to Contest Editor, The Clinton County News, St. Johns, before 6 pm Friday or deliver it personally to The Clinton County News office before 5 pm Friday. Mail must be postmarked no later than 6 pm Friday.
  5. Contest winners will be announced each week in The Clinton County News.
  6. Only one entry per person is allowed.
  7. Remember — Your guesses plus the names of the merchants, must be on a SEPARATE sheet of paper . . . not on this page.
  8. See copy at left for tie breaker.

NOTICE OF MEETING OF DRAINAGE BOARD TO WHOM IT MAY CONCERN:  
Notice is hereby given that on the 17th day of April, 1972, a Petition was filed with Dale R Chapman County Drain Commissioner of the county of Clinton asking for the construction of a relief drain, deepening and enlarging a portion and adding a branch to Branch No 2 generally over the course of the Bopps Drain between Branch No 2 and Cedar Street of the Jones Branch of the Reynolds Drain.  
And Whereas the Drainage District of the Jones Branch of the Reynolds drain includes lands within the Township of DeWitt County of Clinton Township of Lansing County of Ingham City of Lansing County of Ingham.  
And Whereas, a certified copy of said Petition was served upon Richard L Sode County Drain Commissioner, of the County of Ingham and the Director of Agriculture, by Dale R Chapman County Drain Commissioner of the County of Clinton,  
Now, Therefore, in accordance with Act No 40, P.A. 1956, as amended, a

meeting of the Drainage Board of said drain will be held at the Emiel DeSander Construction Company yard, 321 W Sheridan Road in the City of Lansing county of Ingham, on the 10th day of November, 1972, at 10:30 o'clock in the forenoon, to determine the necessity of said improvement.  
Now, Therefore, all persons owning lands liable to an assessment for benefits or whose lands will be crossed by said drain, or any municipality affected, are requested to be present at said meeting, if they so desire.  
Dated at Lansing, Michigan, this 25th day of October 1972.

# State's '72 deer harvest seen falling short by DNR

LANSING — Michigan's upcoming Nov 15-30 firearm deer season is likely to see its total harvest fall short of last year's mark of about 62,000 whitetails, reports the Department of Natural Resources.

That pre-season picture largely reflects this fall's approximately 50-percent cutback in the state's antlerless kill quota.

Compared with 1971, that reduction will drop this season's take of antlerless deer by some 4,000 animals, down to the level of 9,800 — or less.

More than that, though, the conservative antlerless quota for 1972 is expected to "depress" Michigan's buck kill which edged over 48,000 last season. As a rule of thumb, the state's harvest of bucks rises and falls with corresponding changes in antlerless kill quotas.

More than anything else, weather conditions and hunter activity during the season will tell the degree to which this trend holds true in 1972.

Looking at this season's prospects by regions; Upper Peninsula firearm hunters are seen to have their field work cut out for them. Last season, they took an estimated 11,060 bucks and 3,730 antlerless deer.

Haunting their over-all possibilities for 1972 will be 4 straight hard winters — particularly the last 2 — which have dealt death to thousands of potential

whitetailed targets. This serious turn of events has forced a virtual ban on antlerless deer hunting above the Straits, which also will put a crimp in this fall's buck take.

The southern part of Menominee County below highway US-2 is the only antlerless deer hunting area found on the Upper Peninsula's map for this season. And, even there, the antlerless quota amounts to only 640 animals under a special camp or party permit system.

Looking closer at the Upper Peninsula, hunting prospects remain particularly lean in the Lake Superior watershed where deep snows and maturing forests have undercut deer populations with starvation diets in recent winters.

In the south-central part of the UP, where such conditions have not been so severe for deer, the animals' numbers have shown up a little better in 1972. In the eastern Upper Peninsula, the downward trend for deer has reversed itself, but not to the point of making the animals "plentiful."

This fall's crop of beechnuts and other wild fruits has been left "spotty" in that part of the UP by summer frosts, which means that hunters will probably do best to seek out recently cut-over areas. Young stands of aspen, birch, and cherry may be the top places for turning up deer in the

eastern Upper Peninsula, report DNR wildlife men. They also say that deer above the Straits may be found within several miles of heavy cover, if the recent cold weather and early snow continue to shove the

animals toward their wintering areas. Dropping down to the northern Lower Peninsula, DNR wildlife men look for the total deer harvest to be down from last season, but they see a chance for the

region's buck kill to measure up well with 1971. Last Season, firearm deer hunters took nearly 27,000 bucks in that part of the state, plus about 6,200 antlerless animals.

For this season, that region's antlerless take has been set at about 5,000 animals, marking the 3rd consecutive year it has been cut in half.

As elsewhere, that reduced quota could cut into this region's buck kill. On the other hand, DNR wildlife biologists believe this season's buck harvest may hold up pretty well in the northern Lower Peninsula on the strength of accelerated deer habitat improvements, notably in the region's "mid-section" and southern tier of counties.

Those cuttings are expected to attract deer in aspen and jackpine stands where the axe and blade have been at work; again, particularly in the central belt of the northern Lower Peninsula. DNR wildlife men also point to an abundant wild apple crop in the region's southern tier of counties which, apparently,

is another big reason why deer are showing up better in that area.

In the central and southern areas of the region, deer hunters this season stand a good chance to find whitetails on oak ridges, thanks to a "fairly favorable" crop of acorns.

Farther north, in the upper part of the northern Lower Peninsula, deer numbers have been held down to some degree by the same conditions working against the animals in the Upper Peninsula. In that part of the northern Lower Peninsula, recent harsh winters have taken a relatively heavy toll of each spring's fawn crop to hurt deer-hunting prospects.

Down now to the southern Lower Peninsula: The 1972 deer-hunting outlook shapes up much as it did last fall when hunters took more than 10,000 bucks and about 3,800 antlerless animals.

Archers in that part of the state report seeing "lots of

deer" this fall and the region's antlerless quota for '72 is close to what it was a year ago.

Also on the plus side of things in southern Michigan, deer appear to be attracted to wild land areas by a bumper crop of acorns and wild apples which supplement their farm food diet.

DNR wildlife men believe the big difference in southern Michigan's deer harvest this fall hinges a good deal upon whether conditions bless — or blast — sportsmen late in the 10 day season. As the season's days dwindle down to a precious few, these southern areas are expected to draw their greatest hunting interest from downstate sportsmen.

On the other side of the season, the hunter harvest in this part of the state could be significantly affected by the mid-week opener which might bring heavy gun pressure in the southern areas.

## Clinton sportsmen reminded of daily permit system

ST JOHNS — Clinton sportsmen are reminded that the entire Nov 15-30 firearm deer season at the Gratiot-Saginaw and Shiawassee River state game areas will come under a daily permit system to promote quality hunting.

The controlled hunts, in regulating hunter numbers, are designed to give participating sportsmen more "elbow room," spread shooting success, and prevent the areas' deer herds from being chased onto neighboring private lands by excessive gun pressure.

Under this system, pre-registrations to hunt have been required at both game areas for the Nov 15-19 period and Nov 23 (Thanksgiving Day). However, only Nov 15 and 16 have been filled to the permit limit at the Shiawassee River State Game Area.

Aside from that, non-registered hunters still have a chance to get in on the action at both areas by appearing for early-morning permit drawings.

The check-in stations for those drawings are: Gratiot-Saginaw State Game Area; field office on Meridian Road, 1/2 mile north of Hayer Road; and Shiawassee River State Game Area, field office at St Charles.

At the Gratiot-Saginaw station, daily drawings for permits will be held through the Nov 15-30 season among hunters who appear there between 5 and 6 am. Only 200 sportsmen will be allowed to hunt at one time at that area.

As mentioned, pre-registrations have left no permits available at the Shiawassee River area Nov 15 and 16. However, for the balance of the season, this

area will follow the Gratiot-Saginaw system of daily drawings to determine permit holders. The permit quota at the Shiawassee River site is 70.

DNR wildlife officials assure that all previously registered hunters for the 2 areas will be guaranteed an opportunity to hunt before the drawings are held.

They also point out that antlerless deer hunting permits for these game areas will be issued daily among a drawing of sportsmen who appear and apply there each day at 6 am. Such permits will be issued until the quota of antlerless deer is reached at the Gratiot-Saginaw area (60) and at the Shiawassee River site (20).

DNR wildlife officials stress that regular antlerless deer permits for area 74, already issued by mail, are not valid for either of these state game areas.

Larry Slade of St Johns and Don Antcliff of Croton Dam proudly display their catch from a recent hunting trip to Montana. Hunting in the southern part of the state, they brought home 4 mule deer and 2 antelope.

## Tri-County mental health training sessions underway

LANSING — Volunteer training sessions of the Tri-County Community Mental Health Center, serving Clinton, Eaton and Ingham Counties have been announced by Anne DeRose, program coordinator.

Sessions are the second Monday of each month through May from 7 to 10 pm. They are being held in the auxiliary room at Mercy Hall, 1201 W. Oakland, Lansing.

The complete program is: Nov 13 — "A Case for Patient Rights - New Thinking and Direction." George Warren, Attorney-at-Law, Chairman, Citizens Advisory Council, St Lawrence Hospital CMHC. Art Wickersham, ACSW, Program Coordinator, Extended Care Services CMHC.

What are the rights of persons to request or refuse service? What if the person is suicidal, what is society's responsibility to protect

him? Can you hold someone against his will? What can families do if a person is dangerous to himself or others? What is a 48 hour and/or a five day hold? What is the difference between an admission and a commitment? What about reports for statistical purposes sent to the State Department of Mental Health; what are the issues? What concerns about confidentiality? What about the Volunteer and the things he sees and hears - what rules apply to them?

Dec 11 — "Addictions - Generation Problem? Techniques for Treatment." Randy Bushman, Director, Drug Education Center (EC). Ken Kuester, M.A., Rolene Dalsen, B.S.N. Alcoholism Therapists, Outpatient Service. Is it only the "Turned On" generation that's had to deal with addictions? How do you recognize a drug reaction? What about the person who's been drinking, are there any dangers? How do you get information from these people? How do you give information, explore alternatives and solve problems? How important are your observations? Is empathy enough? What can a volunteer do? It's a mini "Listening Skills" training session using staffs of mental health and drug centers.

Jan 8 — "My God - what do I do - he's acting Crazy." Rita Carbuhn, M.S.N. Program Coordinator, Inpatient Unit.

What do you do if ... someone cries, is confused, gets angry, is agitated, is hearing things, is glassy eyed, loses control, makes a pass, is obscene, or worse yet, doesn't talk to you?? Any of these things can happen any place or any time, but when it's a Mental Health Center, why does it seem so different? Practical ways to handle situations.

Feb 12 — "You are the Patient - how does it feel?" Rafael Frank, M.A. Program Coordinator, Outpatient Service, Lois Dean, ACSW Program Coordinator, Education Service.

Pretend for a moment, you need help - how will you get it, where will you go, who will you call? You're in group therapy - family therapy - individual therapy -

medication clinic. You need to be admitted. You have no money - what can you expect? Staff helps make it feel for real.

March 12 — "Who's Sick - the person, the family or Society, and who takes care of them?"

Byron Casey, M.D. Private Psychiatrist and Member, Citizens Advisory Council, St Lawrence CMHC. Gilbert DeRath, Ph.D. Program Coordinator, Child and Adolescent Services.

What is the interdisciplinary approach? How do you decide who does what? What's the difference between psychiatrist, psychologist, social worker, nurse, rehabilitation counselor - you call them all therapists? How does the private psychiatrist work with a public agency? How is it all coordinated so the client doesn't feel lost? What about the child? When does he carry a symptom that may reflect pain of the family? Is there a real role for the volunteer on the helping team?

April 9 — "The Eagleton Affair." Jose J. Llinas, M.D. Director, Tri-County Mental Health Board.

A look at how a Community feels and react as it looks at mental illness - its attitude and values. What about the different treatment methods - do some carry prohibitive taboos?

May 14 — "Everything you always wanted to know about Mental Illness, but were afraid to ask ... reviewed." Gustav M. Lo, M.D. Staff Psychiatrist, Anne DeRose, ACSW, Program Coordinator, Community Services.

### Annual Red Cross meeting held

LANSING — The 56th annual meeting and election of officers of the Mid-Michigan Chapter, American Red Cross is Thursday at 12 noon, Chapter Headquarters, 1800 East Grand River Avenue.

Robert E. Shackleton, chapter chairman, will preside. Highlights of the event will be the selection of officers for 1972, the election of new directors to the 36 member board.

The American Red Cross in Mid-Michigan serves the people of Ingham, Eaton

and Clinton Counties. Its activities include service to military families, disaster recovery, the collection and processing of blood, courses in first aid and water safety, and training and supervision of volunteers working in area hospitals.

Red Cross is governed by volunteers; most of its work is accomplished by volunteers and financed through the United Community Chest and the United Funds of Eaton Rapids and Charlotte.
