

**\$2,573,340 proposal outlined to city commission**

# Paint glowing picture of 'new downtown' St. Johns

A glowing picture of what downtown St. Johns could look like after an urban renewal facelifting was described to city officials and businessmen last Tuesday night.

On the basis of that picture, the com-

mission decided unanimously to apply to the federal government for \$2,335,340 to carry out the project.

This was not a commitment by the commission to carry out urban renewal.

Not until the commission votes to sign a contract with the federal Housing and Urban Development Authority is the city

committed. That decision is still five months or so away, and a lot hinges on how the federal government feels about the proposal.

Vilican-Leman and Associates, planning consultants, painted the proposal bright and dramatic last Tuesday in a summary of findings uncovered in a feasibility study.

BASED ON THE STRUCTURAL inspections of all buildings in the six-block downtown area and surveys of feasibility of rehabilitation of certain typical buildings, Vilican-Leman proposes that the two most northerly blocks be cleared completely, with all buildings presently there being torn down.

In addition, the northern half of the middle blocks would be cleared, and other structures behind the remaining commercial buildings would be moved to make way for off-street parking.

"The structural inspections indicated that a vast majority of the buildings in these areas are substandard and/or obsolete and not worth the cost of repairs that would be necessary," the planning consultants said. "Certain sound structures within these areas would also have to be acquired in order to round out desirable redevelopment sites."

Vilican-Leman proposes that Clinton Avenue be vacated from Higham to Railroad streets and that Higham be closed between Brush and Spring streets. "This will allow assemblage of a highly desirable redevelopment site for a department store or other major commercial development on the north end of the central business area with adequate off-street parking," they said.

THE MIDDLE BLOCK OF CLINTON Avenue—from Walker to Higham—would be developed into a pedestrian mall, serving to blend the existing shopping area which would remain with the new development to the north.

Clinton Avenue from State Street to Walker would remain open to vehicular traffic—possibly one-way—with angle parking in the center. This phase of the proposal would supplement a shortage of off-street parking spaces at the south (upper) end of the business district.

"In order to tie the end of the business district to the mall and new commercial development, we would propose a covered canopy over the sidewalk on both sides of Clinton from State to the new buildings on the north," Vilican-Leman said in their summary.

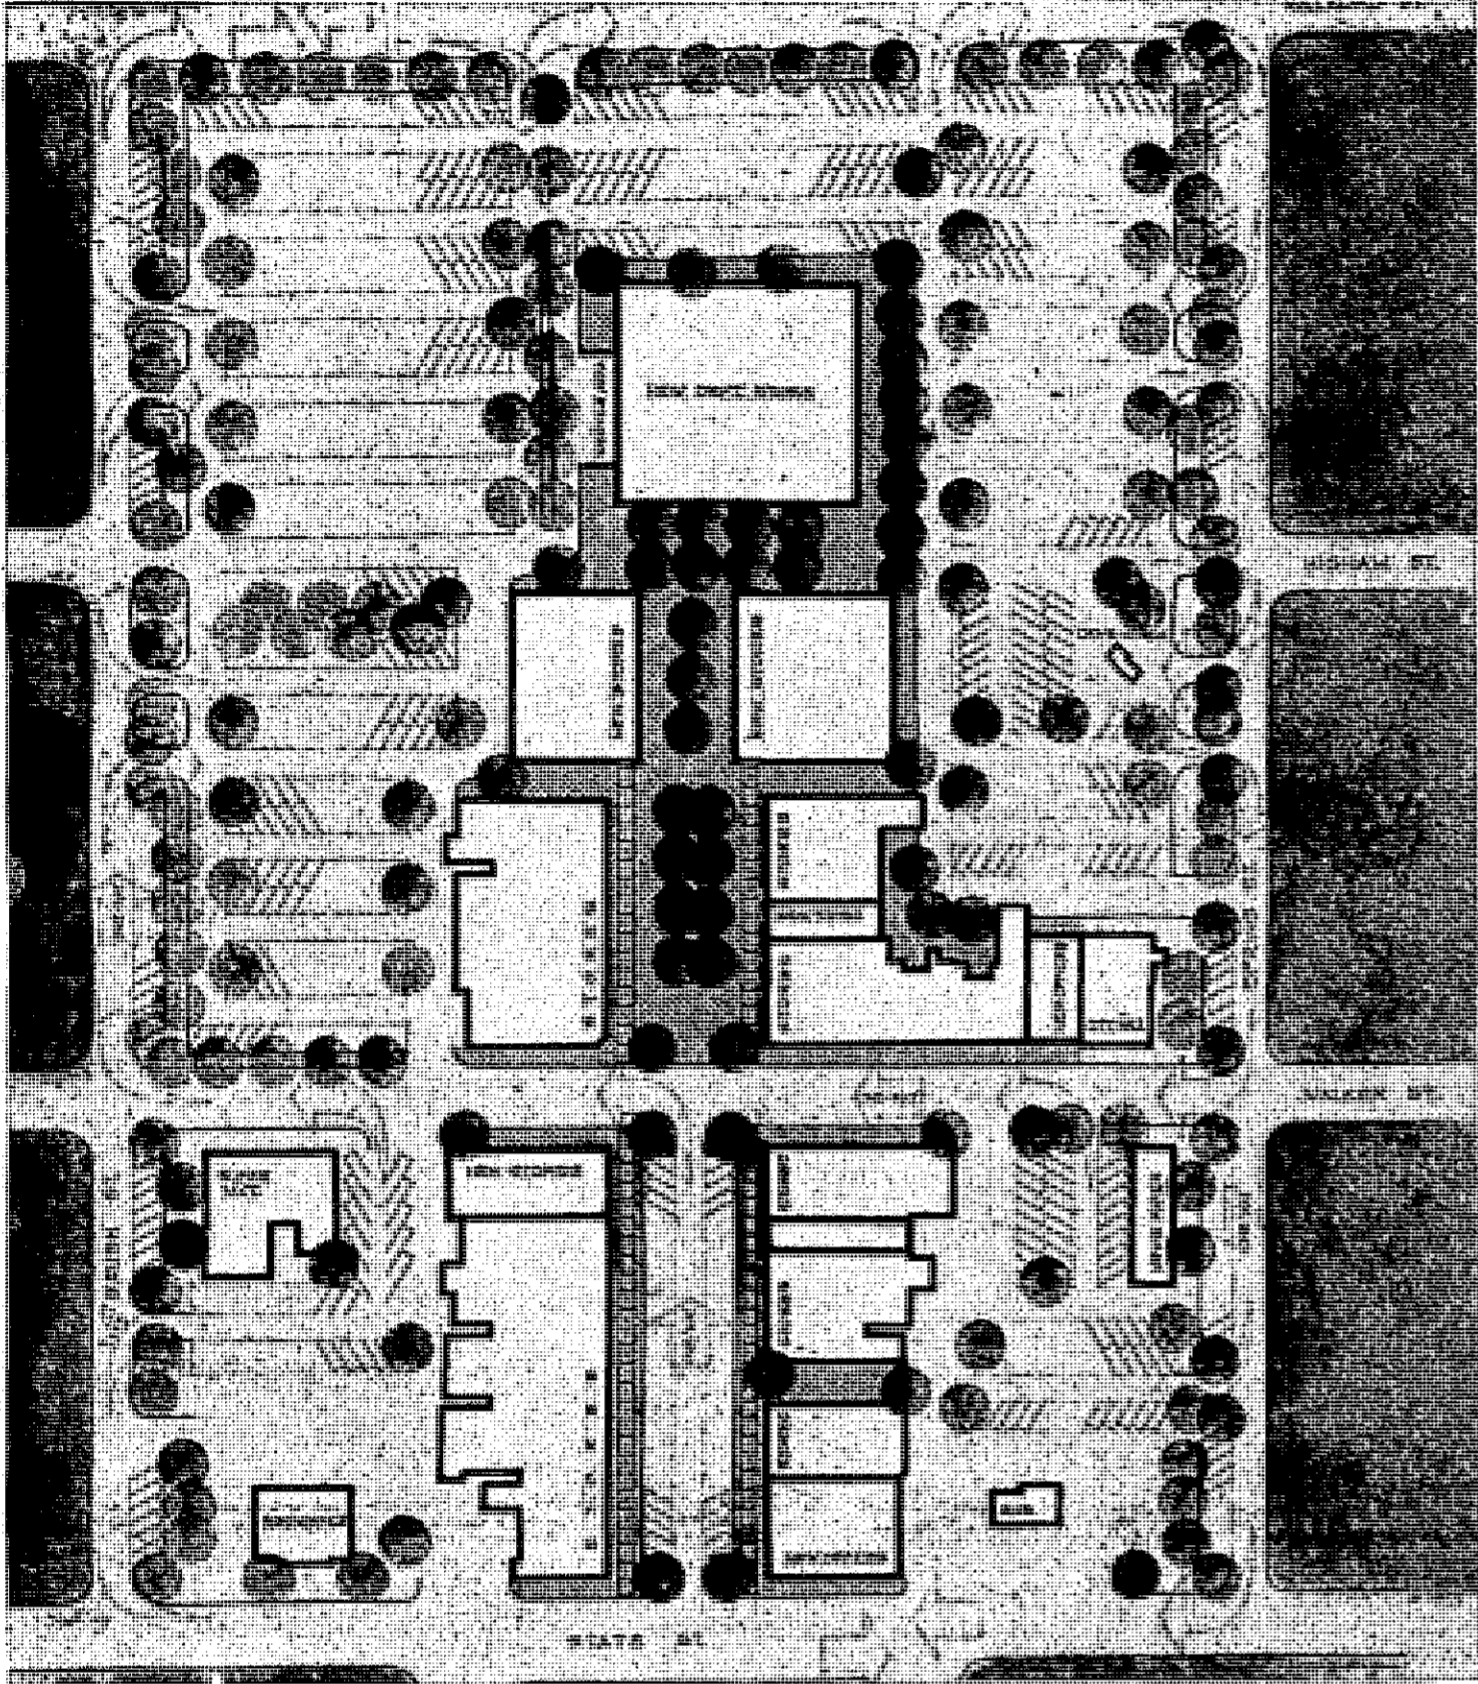

"Trees and other appropriate landscaping would also be installed to develop an attractive atmosphere for shoppers from one end of the business section to the other."

PROPERTY OWNERS AND TENANTS of those properties to remain would be encouraged and assisted in fixing up their properties and to make every effort to coordinate their improvements with their neighbors in terms of materials used, colors, signs, etc.—all aimed at providing a unified look for the downtown area.

The proposed urban renewal project would cost about \$2,573,340. The city would buy the land on which buildings to be cleared are located and later sell the cleared land for private construction. Sale of the land would bring an estimated \$238,000, Vilican-Leman figures, leaving a net cost of urban renewal of \$2,335,340.

Three quarters of this amount would be paid for by the federal government, including a grant of \$72,000 for assistance in relocation of businesses and persons displaced in the project.

The local share of the cost for urban renewal is estimated at \$664,000. Non-cash contributions by the city are estimated

PROPOSED NEW LOOK FOR DOWNTOWN ST. JOHNS UNDER URBAN RENEWAL

# Furry, Mrs Rand win city commission seats

MRS. ROBERT RAND

Mrs Robert Rand and John Furry were elected to the St. Johns City Commission by city voters Tuesday and both—highly elated after hearing the results—promised the best representation possible.

Furry drew the top number of votes, 833, while Mrs Rand came in second with 618 votes, only 17 ahead of Douglas Carpenter who had 601. Lorenz Tiedt was fourth with 497 votes, while incumbent Raymond Kentfield was fifth with 268 votes.

Mrs Rand, contacted at her home about midnight, issued this statement:

"I'M GOING TO do the very, very best I can for the people. I wanted to be elected so I could represent the people and I'll do everything I can to be a faithful and good commissioner and represent the people well."

Furry said that "Obviously I'm really elated over the support I've received from the community. As I have said in my campaign leaflets I will do my best to represent the people as they expect to be represented. I look forward to working in cooperation with the present commissioners and Mrs Rand."

The city commission race had wide interest among St. Johns voters, and it was largely responsible for a solid turnout of voters at the polls, despite a dull, overcast day with light to heavy rain during the afternoon and early evening hours.

THERE WAS A lineup of voters to the outside of the municipal court entrance on several occasions during the day, and the all-day pace was described as brisk with few lulls. Election inspectors worked until after 11 p.m. compiling the results, which included absentee ballots.

Ray Kentfield, who lost his bid for reelection, had served on the city commission 14 years, including four years as mayor during 1957, 1958, 1961 and 1962. During that time he also served the city on the planning commission, library board and Mayor's Downtown Development Committee.

The two newly elected commissioners will get into the swing of city government quickly. At 8 p.m. next Monday the city commission will meet to organize for the next two years, as stipulated by the city charter.

THE COMMISSION will elect one of its members as mayor and another as vice mayor. They'll also appoint a manager, city clerk, city treasurer, city attorney and city assessor.

One of the commission members will be appointed to the county board of supervisors; Charles Coletta is now serving in that capacity. The

JOHN FURRY

commission will also name another city resident—not necessarily a commissioner—to the county board. Lorenz Tiedt is now holding that position.

Also scheduled for appointments Monday night are members of several boards within the city framework, including the library board, board of review, and planning commission. Two members will be named to the planning commission and one member to the other two boards. Existing terms expired Monday.

## St. Johns voters nix amendment

St. Johns voters joined with others around the county in turning down the proposed statewide issue of lowering the voting age to 18.

They also turned down an issue of their own—that of amending the city charter to allow the city commission to set its own salaries. That measure lost by a 4-1 margin, but the exact figures were not available.

On the vote-at-18 constitutional amendment, St. Johns voters said no. The vote was 603 yes and 785 no, with precinct 1 voting no 422 to 306 and precinct 2, 363 to 297.

Municipal Court Judge Alba Wert was reelected to his position with no opposition.

## Lockwood, Allen, Woodman, Brown election victors

The incumbent state representatives and senator serving Clinton County were re-elected Tuesday, all by comfortable margins over their Democratic opponents. And Garry Brown upended Paul H. Todd in the Third Congressional District.

State Sen. Emil Lockwood of St. Louis was sailing along with a lead of about 21,485 to 10,226 at about 3:30 a.m. Wednesday, with all but two precincts in Clinton reported, as well as 22 of 27 in Gratiot and 17 precincts in Montcalm and several in Eaton County. Clinton's 24 of 28 precincts gave Lockwood a 6,903 to 3,988 edge.

STATE REP. Lester Allen

of Ithaca, running in the 88th District, had a lead of 2,548 to 1,185 over Democratic challenger Joe Hanus in 24 of 28 precincts in Clinton, and his margin in Gratiot with 22 of 27 precincts in was 5,096 to 2,812. All of Gratiot is in the 88th, while only 10 of Clinton's 18 townships are in the 88th.

Blair Woodman, Republican incumbent in the 87th state representative district, held a lead of 13,370 to 7,618 votes over Sanford Volker with 15 of 15 Clinton precincts reported and 30 of 37 reporting from Shjwassee County. The precincts in Bath, DeWitt, Olive, Victor, Ovid and Bingham townships gave Woodman an edge of 4,468 to 2,610.

In the U.S. representative races, Republican challenger Garry Brown appeared to have won an upset victory over incumbent Paul H. Todd Jr. in the Third District. Throughout the district, Brown had a margin of 63,000 to 59,000 with 98 per cent of the vote counted.

IN CLINTON'S 14 townships, Brown had an edge of 4,837 votes to 2,651 votes, with

LESTER ALLEN

Watertown's two precincts unreported.

In the sixth district, which included only Bath and DeWitt Townships, voters lauded incumbent Republican Charles Chamberlain with a vote of 2,082 over Lee Wenke with 1,288 votes. District-wide, Chamberlain held a 66,000 to 29,000 margin at last report.

Would you like to be our guest this Saturday at 9:15? Special VISITOR'S DAY, MISSIONARY FROM THAILAND. You are welcome. Church located on N. Lansing street in St. Johns. 29-1

## By 56-vote margin

# Nelson wins DeWitt supervisor race

DeWITT—Republican Reginald Nelson was elected supervisor of DeWitt Township Tuesday, winning a close battle with Roy (Jack) Andrews by 56 votes.

Nelson polled a total of 1,017 votes to Andrews' 961. Nelson carried precinct No. 1, No. 4 and No. 5, while Andrews had a 72-vote edge in

precinct 2.

CLERK WARDEN Kyes was reelected, although this time on the Democratic tickets. He got 1,010 votes to 891 votes for Mrs Virginia Merrill, the Republican candidate.

Republican Ronald Zeeb was elected treasurer with a

1,166 to 844 margin over Mrs Cecilia Stanaway. Republicans William Furves and Herbert Hardtke, with 1,089 and 1,066 votes respectively, were elected to two trustee seats, defeating Glenn Higbee and Glenn Cheney.

Nelson will succeed Supervisor Oliver Angell, whom Nelson defeated in the August primaries. But the new term will not start until next April 10.

IN A DeWITT Township millage issue, township voters gave their approval by a total vote of 988 to 734. The township was thus given permission to increase the millage limitation by one mill—up to 15 mills—for the years 1967, 1968, 1969 and 1970 for the purpose of repairing, maintaining and replacing fire apparatus and equipment and for the operation of a police department.

Precinct No. 1 voters OK'd it 285-218, Precinct No. 2 by 197-130, Precinct No. 4 by 135-125, and Precinct No. 5 371-261.

# County hires engineer, tables Eagle annexation

## New man to start here Dec. 1

An engineering department for Clinton County was set up Monday, by the board of supervisors, and Gerald V. Wilcox of 4529 Birchfield Drive, Lansing, was hired as county engineer.

The board's action came at the recommendation of its salary and clerk hire committee which, in conjunction with the drain committee, had interviewed several candidates for the position. The committee recommended Wilcox.

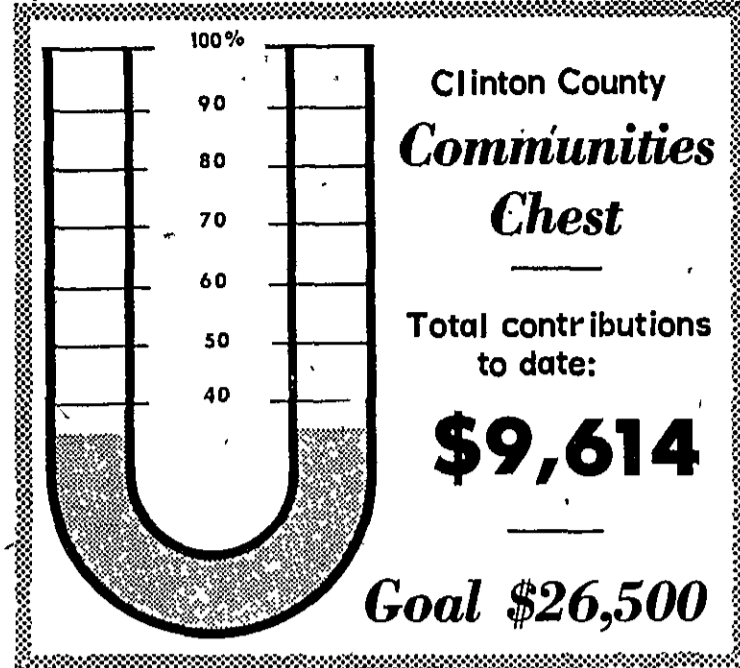

WILCOX IS NOW working with the federal Soil Conservation Service out of its Lansing office on Harrison Road. He will start here Dec. 1 at an annual salary of \$12,500.

The hiring of an engineer will eliminate the need and cost of the county hiring special engi-

neers for each job it has to do. While the supervisors set up an engineering department for financial recordkeeping purposes, Wilcox will work in conjunction with the drain commissioner and will have his office with Drain Commissioner Dale Chapman.

WILCOX WILL DO all the engineering for county drains and will be available as a consultant for engineering work for the zoning office and any other county unit which would need engineering assistance. He will also assist the plat board in its decisions.

In conjunction with the hiring of a county engineer, the board of supervisors approved the purchase of up to \$2,000 worth of equipment for the engineer to

use and officially named the department the Clinton County Engineering Department. The 1967 county budget provides for \$20,000 for an engineering department.

## OK new lighting for 3 areas

Proposals for new street lighting in three areas of the city were approved by the St. Johns City Commission last Tuesday, and another request was referred to Consumers Power Co. for recommendations.

Two new 6,500-lumen mercury vapor lights will be installed on Circle Drive, which connects Buchanan and Clark streets south of Swegles School. That street has been "dark" since it was put in. Also approved were the installation of five 6,500-lumen mercury vapor lights on Baldwin Street west of Morton and the removal of two 2,500-lumen incandescent lights. The third area was in the parking lot south of the football field where two more 20,000-lumen mercury vapor lights will be installed.

THE NEW LIGHTS will cost an additional \$493.05 per year to operate, or about \$41.09 per month. The recommendations for the placements of the new lights were those of Consumers Power Co.

Consumers was asked to conduct a study relative to street lighting on North Spring Street north of Gibbs Street.

## Superintendents of 2 counties to meet Nov. 16

Superintendents of schools in Clinton and Shiawassee County will meet at Daley's Restaurant next Wednesday noon for informal discussions on another of a series of educational topics.

This will be the second such meeting of the superintendents. They met together for the first time in October and discussed reading linguistics. Next week's topic will be special education, with Lillian Runge, supervisor of special education in the Detroit Public Schools, as speaker.

Hobart Jenkins, DeWitt superintendent, and Ray Dennis, Cornua Schools superintendent, will take turns in arranging the programs during the planned year of meetings.

Other topics scheduled during the coming months include: School business management, Dec. 14; elementary counseling, Jan. 18; inter-disciplinary approach to learning, Feb. 15; federal programs, March 15; and instructional material, May 10. The April program will be announced.

## Varsity Night set Saturday

St. Johns High School's sixth annual Varsity Night—a fun session for members of the musical organizations of the school as well as the audience—will be this Saturday at 8 p.m. at the high school.

The marching band will play at different times during the evening, and the stage band will also perform. The concert choir and men's glee club will be featured, as well as several student and teacher groups including the Fire House Five.

## P-W schools plan open house today

In observance of American Education Week, the Pewamo-Westphalia Community Schools will hold parent-teacher conferences Thursday, Nov. 10. Parents are invited to attend open house at the high school from 1-4 and 7-9 p.m. on Thursday. The Pewamo elementary school will hold its conferences on Thursday, also, from 1-4:30 p.m. Refreshments will be served.

The Carson City Civic Players will present "Blithe Spirit" Nov. 11 and 12 beginning at 8:15 p.m. in the high school cafeteria...

## Supervisors want to study it

A request for annexation of property to the north side of the Village of Eagle brought enough opposition before the Clinton County Board of Supervisors Monday that they decided to study it a month before making a decision.

The annexation request was brought before the county board by the village council of Eagle. They want to take into the village three parcels of property in an area extending 400 feet north of the northwest corner of the village limits to I-96 right-of-way; southeast along the right-of-way to the right-of-way of Grange Road; then south about 300 feet to the northeast village limits; and then west about 1,320 feet back to the northwest village limits.

JOSEPH MARCINIAK, one of the three property owners who would be taken into the village by annexation, owns the only residence on the property in question. He appeared at Monday's meeting and objected, saying he could see no benefit to being in the village.

Marciniak's driveway opens onto the street forming the northern boundary of the village. Village council members said he uses the city village blacktop, has a village street light in front of his home, uses other village streets and has a village storm sewer in front of his home.

They said they felt Marciniak should just as well be helping pay for those conveniences. Marciniak said he could see no reason the village would want the extra land except for taxes and he didn't feel that should be sufficient reason for annexation. (The village spreads 10 mills of tax for village purposes.)

THE VILLAGE'S council brought the annexation question to the board of supervisors because, according to law, that's

where the decision must be made. Two statutes govern annexation of land to villages. In villages incorporated after 1909 the annexation would be decided by an election of the people in the area affected — the three property owners.

But in villages incorporated prior to 1909—Eagle became a village in 1878—annexation is left to the board of supervisors.

AFTER HEARING the pro and con discussions for about 20

minutes, Supervisor John Setterington of Essex Township got up and said he thought that on something of this nature the board ought to have more time to study the situation before making a decision.

One after another supervisor got up and echoed Setterington's words. Then a motion was made and passed to table the original motion of Eagle Township Supervisor Russell Howe approving annexation. The question will be considered again at the Dec. 5 meeting of the board.

## The candidates' next duty

Win or lose, candidates for election in Tuesday's balloting will be looked upon favorably by Clinton County's board of supervisors if they will please take down their campaign posters from fences and poles in road right-of-ways around the county.

First in October and then at Monday's supervisors' meeting, the board discussed the eyesore problem of years-old, faded, tattered and torn campaign posters flapping along roadsides.

They don't like it, they've said, and they've had their resolutions committee working on a document that says they don't and that they'll prosecute violators.

It is a violation, too, because state law says such advertising posters—whether for a political candidate or for a circus—are illegal if even posted in rights-of-ways.

Supervisors want to regulate this in some way, so by next meeting (Dec. 5) they expect to have a formal resolution for passage. In the meantime, they're hoping the campaign posters of 1966 will be taken down without their prompting.

## Fire destroys Schultz barn

An early morning fire Saturday razed a large barn on the Clarence B. Schultz farm, 5303 W. Taft Road, about three miles southwest of St. Johns.

Schultz told firemen he was awakened by the flames about 2 a.m.

St. Johns firemen found the barn burned to the ground when they arrived minutes later. A nearby empty corn crib also burned.

Lost in the blaze was a tractor, a truck and some hay. There was no livestock in the barn, Chief Clarence Malar said.

Cause of the fire is unknown. There was no loss estimate.

Sunday evening firemen went to the Kenneth Jones home at 1448 French Road where chimney sparks had set fire to the roof of the 100-year-old home. A small hole was burned into the attic and a larger section of wood shingles were burned.

## Research center gets county OK

The Clinton County board of Supervisors Monday approved the issuance of a special permit to allow for a medical research center along Angle Road north of Sleigh Road in Bath Township.

To be known as Midwest Medical Research Animals Inc., the center would raise and prepare animals for use in medical research. Two veterinarians will operate it.

They plan to remodel an old barn and house on a 24-acre parcel of land. Bath Township reported it had no objection to the firm locating there, and the Mid-Michigan District Health Department and Tri-County Regional Planning Commission both gave their blessing.

THE CLINTON County Zoning Commission recommended the supervisors grant permission for the establishment, which the board of supervisors did.

In other business Monday:

\*The board's equalization committee received power to act in hiring an equalization director to replace Richard Kerr, who resigned some time ago. Walter Nobis, chairman of that committee, said the committee had talked with several persons but had not been able to make a recommendation by Monday. He felt a director could and should be appointed prior to the next board meeting, so he asked for, and was granted, permission for the committee to do the hiring.

\*THE BOARD accepted the resignation of Roy C. Davis from the county zoning appeal board. Davis was appointed last month to succeed George Libey on the Clinton County Road Commission starting Jan. 1.

\*Dr. Jose J. Llinas, MD, director of the Ingham County Mental Health Unit, addressed the board concerning his unit's activities.

SITTING CLINICS CONTINUE  
Free baby sitting clinics, sponsored by the St. Johns Jayceettes, will continue for four more Monday evenings at the First Methodist Church. The clinic series, which starts at 7 p.m. each Monday will run through Dec. 5.

JACK SMIT

## Mayor Smit bows out

(Related item on Page B-14)

Mayor Jack Smit bowed out of local government involvement last Tuesday night after attending his last commission meeting. He got a token check for 19 cents from the city as his "pay" for the extra day of work.

The 19 cents is 1/365th of the commissioner's yearly pay of \$72. Commissioners normally get their year's pay on the first meeting night in November for the past year's service, but Smit had already drawn his, as had some of the other commissioners. His 19-cent check was for the "extra day" beyond the meeting.

Smit thanked the commission for their assistance in the past, and other commissioners took turns in lauding the mayor for his service. Smit did not seek reelection Tuesday. The mayor indicated he would frame his 19-cent check.

## Plan class series on investing

The First of Michigan Corp. will sponsor a series of four classes on investments beginning next Tuesday evening at St. Johns Rodney B. Wilson High School in St. Johns.

The classes make use of a large overhead projector with a seven-foot screen on which are projected pages from current magazines and other pertinent information which affects investment decisions. All information is simplified and dramatized by both lecture and question and answer periods, said James K. Jessop of First of Michigan.

The extensive use of visual aids make the topics easy to comprehend, Jessop said. Topics to be discussed during the four weekly sessions include: "Inflation and Its Effect on Investments"; "Is Now a Good Time to Invest?"; "Know Your Stock Market"; and "All About Mutual Funds."

The classes will start Nov. 15 at 7:30 p.m. in Room 105 of the high school. Classes are limited to 25 members to promote free exchange of ideas in the question and answer periods.

## Water plant sputtering but working

St. Johns' new water treatment plant is now operating to the point that the hardness of water has been cut in half, but everything still isn't completed and in working order—eight months after the original established completion date.

City commissioners took note of this last Tuesday night and asked City Atty. Harold Reed to invoke a penalty clause if the plant isn't completed by Nov. 15.

Invoking that could be rather difficult, as City Manager Ken Greer pointed out Monday. Most of the work yet to be done involves putting equipment in working order, and so many different companies are involved through so many different channels it is hard to tell just which company to invoke the clause against.

GREER LISTED 14 mechanical and electrical problems—from very minor to relatively complicated—and 41 general cleanup steps that are yet to be done. Included is putting the plant's carbonator into service, and another problem is that one of three high-service pumps is not functioning properly.

Meanwhile, city residents are getting treated water—at least treated more than it used to be. The pH factor of the water (indicating the alkalinity and acidity) has been raised to between 8.3 and 8.6 through the treatment process.

The hardness of the water has been reduced from the normal (in the city's untreated water) of 384 milligrams of hardness per liter of water to 160 milligrams. When the plant is operating fully the hardness should be only about .084.

## Propose beet dump in area

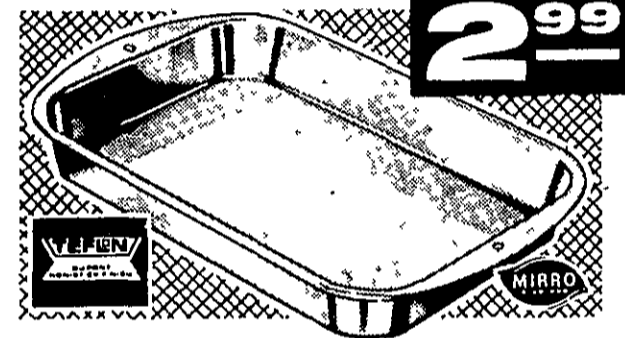

Michigan Sugar Co. has proposed expanding their sugar beet acreage in Gratiot County by putting a sugar beet dump in the Pompeii area. Sugar beets have been good to several Gratiot farmers and the proposed beet dump will provide an opportunity for many new growers in southern Gratiot.

An information meeting will be held at the Fulton High School Commons (Middleton) next Monday, Nov. 14. The evening meeting will start at 8 p.m.

# High school plans may be bid by February

## Building program on schedule

Architects expect to have plans ready for bidding by February or March for the proposed new St. Johns High School, which will be located south of the city park.

All phases of the building program are on schedule so far, and if all continues well the new high school could be under construction early next spring and ready for classes in the fall of 1968.

Meanwhile, bids were to be opened Wednesday night on the additions to East Essex and Eureka schools, and plans for the southwest and southeast elementary schools should be ready for bidding by the first of the year.

THE UNIQUE HIGH school plans, designed by Guido Binda and Associates of Battle Creek, will be built to handle 1,000 students and will be easily expandable to 1,400 students.

It will contain three circular classroom clusters in addition to the more conventional rectangular areas. The school will sit on the south side of Sickles Street, with the three circular clusters pointing toward the east.

A large parking area will be built on the west side of the school.

While the classrooms are designed to handle 1,000 students, the "core areas" such as gymnasium, swimming pool, library, cafeteria, etc., can handle 1,400. The building will have a brick exterior finish, terrazzo floors and glazed tile hallways.

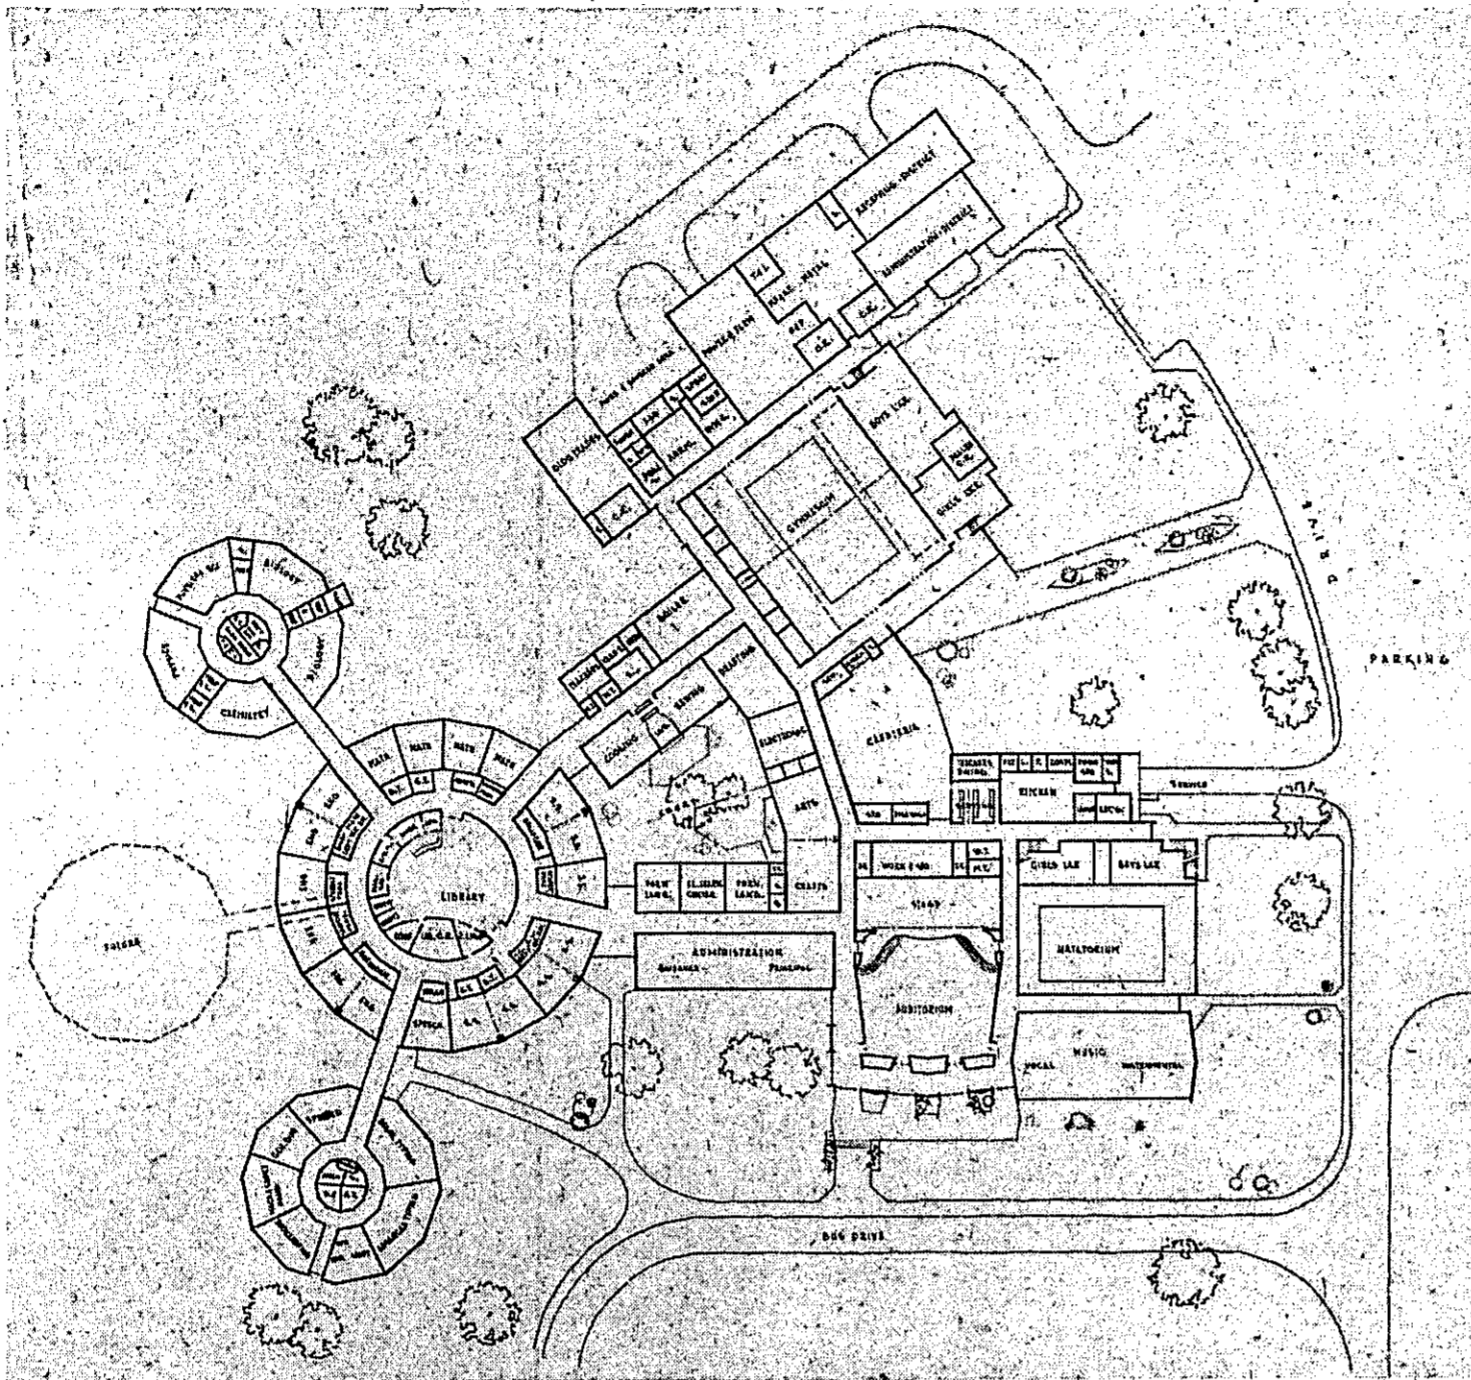

THE CIRCULAR classroom clusters have the advantage of being more functional, taking up less space and providing better traffic flow, Binda and school officials point out.

The school will be wired for open and closed circuit television.

The vocational areas of the school in the southwest corner of the new building will include space for building trades, farm and power mechanics, metal shop, drafting, electronics and homemaking.

There will be an electronic learning center for use in teaching languages and for other purposes. The library will be in the center of the academic cluster.

THE CAFETERIA will be able to serve 464 students at one sitting and will also be used as a study hall during which time it

Circular classroom clusters give proposed St. Johns High School unique look

will handle about 308 students. The kitchen will be equipped to prepare 1,600 meals daily, providing hot lunches for the high school and the junior high school. District administrative offices will be located in the far southwest corner of the school building, but will be separated from the rest.

Folding partitions between some classrooms will provide flexibility for future teaching changes.

**MAN JAILED 6 MONTHS**  
Thomas J. Swindlehurst, 21, of Mt. Pleasant was sentenced Friday to six months in the Clinton County Jail for violation of probation. Circuit Judge Leo Corbin sentenced Swindlehurst.

For Classified Ads — 224-2361

## YFU plan wide in scope

St. Johns' four exchange students—Mati Schreiber of Germany, Mikael Ask of Sweden, Guillermo Lesser of Mexico City and Maria Witt of Topachula, Chiapas, Mexico—are only four of 666 young people from Europe, the Far East and South America who are spending a year in the United States on the Youth for Understanding program.

Students are in the U.S. from Finland, Sweden, Denmark, Germany, Holland, Switzerland, France, Spain, North Ireland, England, Japan, the Philippine Island, Hong Kong, Argentina, Brazil, Chile, Ecuador, Uruguay and Venezuela.

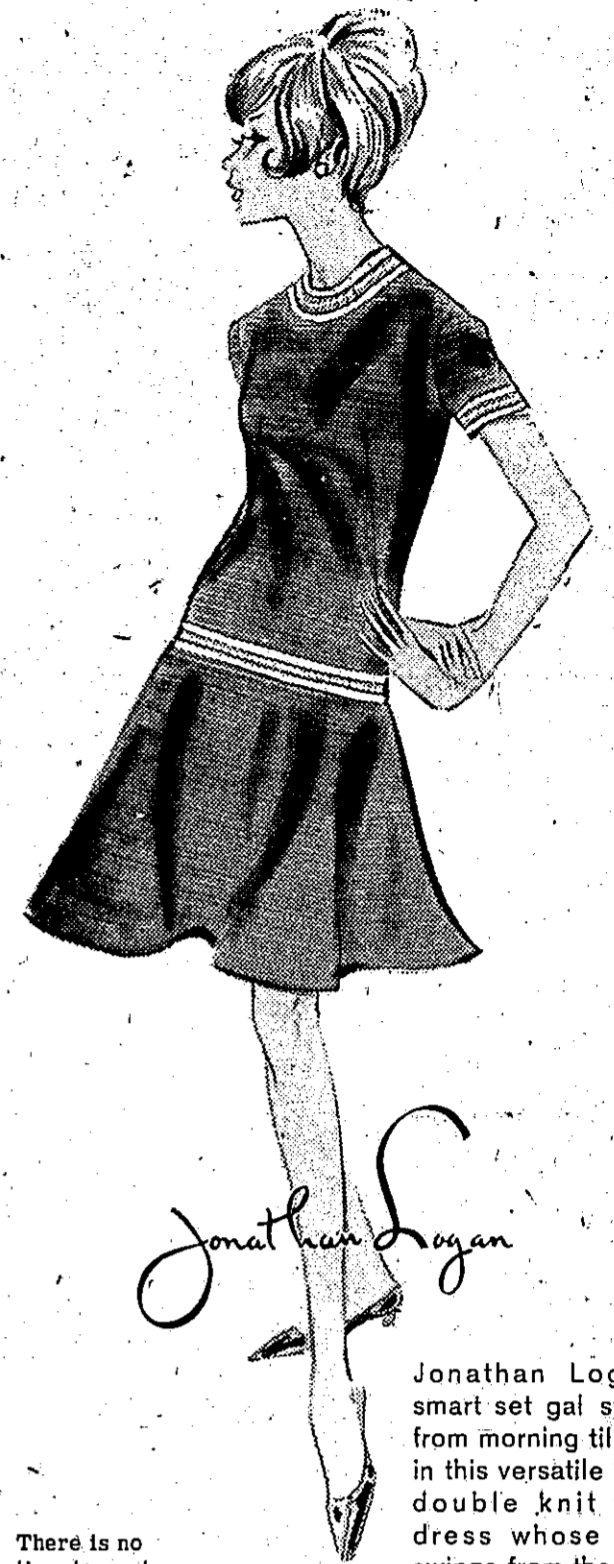

THESE 16- TO 18-year olds are being received into the families and communities and are members of the high school classes of their respective levels.

In other phases of Youth for Understanding's work, 31 Americans are spending a full year in Europe, going to school and living in a home and being a part of a community for the entire time. Eight hundred three Americans—including six from the St. Johns and Fowler area—returned home in late August after two months this summer as members of foreign families.

One hundred thirty-five teenagers returned from Mexico.

TWENTY-SIX South American students arrived about Sept. 15 for a year stay in the United States. An additional 330 will arrive in January for a six-month period; these will be junior or senior high school students. St. Johns has a request in for a South American student.

Six hundred Mexican youths are expected for the months of November and December or December and January. This is the time that coincides with their school vacation. The ages of these students are 10 to 18. St. Johns has two students arriving this week under this phase of the Youth for Understanding program.

Jonathan Logan's smart set gal swings from morning til night in this versatile 100% double knit wool dress whose skirt swings from the torso and is highlighted by tri-color trimming.

Wendell Law of St. Johns will be traveling to Mason for the next 15 Thursday evenings to instruct an adult education course in western square dancing for the Mason Public Schools...

DR HARRY DeVORE

## Fulton honor roll Commandery knights Dr DeVore

MIDDLETON — Here's Fulton High School's honor roll for the first six-week grading period:  
Eighth Grade: Alvelda Aven, high honors; Linda Eraman, Jacqueline Feighner, Joy Mahler, Cindy Helms, Linda Smalley, Melanie Smith, Carolyn Stevenson, Gail Troub, Karen Upham, Laurie VanSickle, Kim Yaughn and Susan Wood, all with honors; and Rita Halsted, Christine Sadleir, Susanna Schmidt, Russell Swanson, Linda Whitford and Beverly Zimmerman.

Freshmen: Gary Betz, Lilliana Hicks, Jane Mahler, Dawn Litwiller, Douglas Saltzbury and Alan Zamaron, all with honors; and David Boots and Scott Richards.

SOPHOMORES: Gloria Benner, Connie Cooper, Karen Logsdon, Karen Loudonbeck, Mary Pihl, Myra Pihl, Thomas Redman, Dennis Skriba, Jeffery VanSickle and Roxanne Warner, all with honors; Sidney Armstrong, Wesley Clements, Patricia Guernsey, Sue Pendell, Anita Peice, Sue Sattler, Bruce Smeltzer, Jayne Troub, Linda White and George Zamarron.

Juniors: Julie Stoneman with high honors; Diane Halsted, Thomas Paine, Kenneth Piecie and Conlie Reynolds, all with honors; and Daniel Barrett, Patricia Borie, Karen Cole, Cathy Halsted, Randy Loudonbeck, Carolyn Ramsey, Rodger Sherman, Colleen Shinabargar, Margaret Sullivan, Betty Todd and Randy VanSickle.

The Order of the Temple was conferred on Knight of Malta Dr Harry J. DeVore last Saturday evening during the annual inspection for the St. Johns Commandery No. 24, Knights Templar. Sir Knight Merlyn R. Black, eminent commander, and his staff of officers conducted the ceremony. The inspecting officer for the annual inspection was Sir Knight Carlton H. Cameron, eminent grand warden of the Grand Commandery of the State of Michigan. It was a busy afternoon and evening of activities. Events got under way at 4:30 p.m. and at 6:30 the 122 sir knights and their wives were served a chicken dinner. Introductions and remarks were made while all were at the tables. The evening's activities ended at 10 p.m. There were several members of the Grand Commandery present, and persons were there from as far away as Detroit, Pontiac, Saginaw, Battle Creek and Marshall, as well as from nearer commanderies.

## DUOFOLD UNDERWEAR

Will you be out in the cold tomorrow?

Not if you wear duofold® 2-layer underwear—it dries as it warms!

Work outdoors in the bitter cold? Enjoy winter sports? You need the protection only Duofold can give you... it's the best way to kill the chill! The skinside layer of soft cotton absorbs moisture. Thousands of tiny interlocking stitches act as moisture-wicks. They draw the moisture through the insulating air space to the outer layer of virgin wool and cotton fortified with Nylon, where it evaporates away from your skin. No chill! No-itch! Light and bulkless Duofold feels comfortable indoors, too. In Shirts, Longies, Undies... in the warmth that's right for you and your needs. \$4.98 ea.

### Still time to enter Lions essay contest

There is still plenty of time for local youth between the ages of 14 and 22 to enter the St. Johns Lions Club's peace essay contest—with a chance to win a \$25,000 educational-career assistance grant in international competition.

The St. Johns Lions are offering local awards of \$25, \$15 and \$10 for the best essays received here. Three judges will be named soon.

The local club, along with

others throughout the world, is sponsoring the essay contest on what they call the most important world subject today—peace. The contest offers \$50,000 in total awards, including the \$25,000 first prize, eight semi-final world regional awards of \$1,000 each and travel expenses for the eight winners to Chicago in July 1967. At that time, the first-prize winner will be chosen from the eight.

MORE THAN 20,000 local, dis-

trict and multiple district awards will be made.

"We are hopeful one of our young people will win this world-wide prestige award," President Dick Devereaux of the St. Johns Lions Club said in announcing the contest locally.

The contest is open to young people who will be 14 but less than 22 years of age as of January 15, 1967. "Our club's winner will advance to Lions District 11-C competition in his

or her effort to qualify for the multiple district contest," Devereaux said.

CONTESTANTS should submit their entry in essay form, not to exceed 5,000 words. Judging will fall into four categories: 75 per cent of the essay's points will be devoted to content, 10 per cent to organization, 10 per cent to style and 5 per cent to mechanics, Devereaux said. (The mechanics segment will be used to appraise the grammatical construction of the essay.)

Closing date locally is Dec. 10.

"Students wishing to enter the contest should contact Devereaux, Albert LeFevre, Robert White or Dr. Albert Nelson. They have entry blanks and full details on the contest. All youths 14 years old but less than 22 years old as of Jan. 15, 1967, are eligible.

Devereaux said each applicant would be limited to one entry, with one winner's essay eligible to compete in the Lions District 11-C contest. Winner of the district contest will be entered in state or country contest. Each country or multiple district winner will be entered in one of the eight world divisions.

### NO, THIS ISN'T A SCENE FROM LAST WINTER

Unfortunately this was not a picture resurrected from last year's files to show what winter will be like in St. Johns. It was taken last Thursday afternoon after an overnight and morning snowstorm dumped about nine inches of snow on the area. City street crews kept the downtown streets plowed and the snow in the center until it could be all hauled away Friday. A warming trend the first of this week finally took care of all the snow by Tuesday morning. It was the earliest winter storm of this intensity in a number of years in the central Michigan area.

### Smith working on Mennonite volunteer plan

George Smith Jr., son of Mr and Mrs George E. Smith, R-5, St. Johns, began a two-year term of voluntary service under the Mennonite Board of Missions, Elkhart, Ind., recently. He has been assigned to serve as a maintenance man at Maple Lawn Home, Hannibal, Mo.

Smith is a member of the Bethel Mennonite Church, Ashley. He graduated from Rodney B. Wilson High School in 1965.

Maple Lawn Home, where Smith has been assigned, is a 68-bed nursing home near Hannibal, Mo. It is a county institution, administered by a local committee under the Health and Welfare Committee of the Mennonite Board of Missions.

APPROXIMATELY 260 youth and adults are currently serving in this voluntary service program. Stationed in 46 different locations in the U.S., Canada, Puerto Rico and several countries overseas, they assist in community service projects and an equal number of other welfare institutions (such as homes for the aged, a school for retarded teen-agers, a camp for emotionally disturbed boys) and in missionary assistance overseas.

### Steven Leonard at Northwood

MIDLAND — Steven Leonard, son of Mr and Mrs Robert Leonard of St. Johns, is attending Northwood Institute in Midland. He is majoring in banking and plans to make a career in that field.

Northwood Institute is a private, coeducational college with programs in advertising, automotive marketing, banking and finance, business management, food services management, international program, journalism, liberal arts, retailing and marketing and secretarial science.

Northwood has a 200-acre campus at Cedar Hill, Texas, midway between Dallas and Fort Worth. A specialized program is offered at the extension center in Alma, Michigan. Other extensions are in Quito, Ecuador and in Lima, Peru.

### Women bowlers to hear of WIBC

Mrs Julia Guntl, field service representative for the Women's International Bowling Congress, will attend a meeting of the St. Johns Women's Bowling Assn. next Wednesday, Nov. 16.

The meeting will be at 3:30 p.m. at Red Wing Lanes.

Mrs. Guntl will discuss essential matters pertaining to the WIBC; the duties and responsibilities of league officers and association officers; the WIBC annual meeting; the senior program; and the AJBC program. A question and answer session will follow.

GEORGE SMITH JR.

Each of the two huge cable anchorage piers of the Mackinac Bridge rests on a foundation one-third as large as a football field.

### BOWLING

TEA TIME LEAGUE — League-leading Bee's Chevrolet and Olds fired the high scores of 824 game and 2321 series last Tuesday, while Kay Penix had the high individual scores of 207 game and 562 series. St. Johns Furniture is in second place two points back of the leaders. Mary Crosby picked up the 2-6-7-10 split.

NIGHT HAWK LEAGUE — Zeeb Fertilizer rolled the high game of 847 and Beck's Farm Market had a 2442 high series last Tuesday night. Jerry Geller's 220 game and Ron Motz's 541 series (that included a 217 game) were the high individual scores. Randolph's Digging Service holds a one-game lead over Beck's in the first-place race.

## Students view foreign lands

MISS MARY LeBARON

International affairs was the title for the program of the St. Johns Woman's Club meeting held at the First Methodist Church at 1:30 p.m. Wednesday, Nov. 2. The panel of Youth for Understanding consisted of St. Johns Exchange Students, Gay Bond, Marcia Parr, Karen Rumbaugh, Linda DeVore and Linda Friesen; Mrs. Alan Dean acted as moderator. A lively discourse was carried on as the girls compared homes, family life, schools, TV programs, sports and other forms of recreation in the countries they visited to those of their native area. All agreed it was with mixed emotions that they said "good-bye" to their foster families.

Lynn LeBond, Interlochen scholarship winner presented two piano solos for the group. Mothers of the girls were the guests of the club. Preceding the program Mrs. John Rumbaugh, club president, reported on the West Central District Convention held in Greenville Oct. 27 and called for reports from Mrs. John Warstler, Mrs. Harold Millman, Mrs. Roy Davis and Mrs. Kenneth Jones who had attended departmental workshops.

Miss Mary LeBaron graduated from Elkhart University of Medical and Dental Technique as a medical secretary Friday, Oct. 21. She maintained a 96.2 average and is a graduate of Rodney B. Wilson High School. Miss LeBaron is now employed by a Lansing doctor. She is the daughter of Mrs. Roberta LeBaron of 802 E. State Street, St. Johns.

## Millie Abbott hosts WRC meet Nov. 1

The WRC held their regular meeting at the home of Millie Abbott, Tuesday, Nov. 1. After the business session was concluded, cards were in play, high prize went to Anna Lake and low to Addie McHenry.

The next regular meeting and thimble party will be at the home of Anna Lake Tuesday, Nov. 15, and Addie McHenry will be the hostess.

An ounce of confidence in yourself is worth tons in others.

## Southern honeymoon for Gerald Orsborns

MRS. GERALD A. ORSBORN

WACOUSTA—Now honeymooning in Kentucky and Virginia are Mr and Mrs Gerald A. Orsborn, who were married Nov. 5 at Wacousta Community Methodist Church. Rev. Thomas Peters officiated at the double ring service.

The bride is the former Carol Ann Openlander, daughter of Mr and Mrs Herman Openlander of R-3, Grand Ledge. Her husband is the son of Mr and Mrs James Orsborn of R-2, Bell Oak Road, Webberville.

FOR THE 8 P.M. ceremony the new Mrs Orsborn selected a floor length crepe gown fashioned with a sheath skirt, chapel train and three-quarter length sleeves trimmed with French lace. She carried a presentation bouquet of long stemmed red roses and white carnations.

Mrs Donald Morrow, sister of the bride, of Lansing was the matron of honor. She wore a floor length gown styled with a vermilion and white rose brocade bodice; a custard white crepe skirt and a detachable brocade train. She carried a presentation bouquet of seven long stemmed red roses.

The bridesmaids were Mrs Karold Lake and Miss Nancy Cook of Lansing and Mrs Charles Britten, sister of the groom, of Lima, Ohio. They appeared in gowns styled like the matron of honor's with gold brocade bodices. They also carried presentation bouquets.

CHARLES BRITTEN, brother-in-law of the groom, of Lima, Ohio, served as best man. Seating his guests were Richard Dodson of Lansing, Paul Stanslaw of Williamston and Charles Openlander, brother of the bride, of Grand Ledge.

Miss Nancy Morrow, niece of the bride, was the flower girl. Special guests were Mrs Deone

## Discuss poverty at Esther Circle

The Esther Circle of the First Methodist Church met Tuesday evening, Nov. 1, at 8 p.m. at the home of Mrs Walter Cole with 18 members and two guests present.

Worship was given by Mrs Martha Foust. The evening program was presented by Mrs Gordon Vandemark on, "Conversation in Poverty." A skit of the same theme was presented by Mrs George Pierson, Mrs Walter Knaus and Mrs Jerry Pullman. Buzz groups were formed and each presented their thoughts on poverty, and discussion of how we might help as a group.

Health kits were packed for "World Community Day." Announcements were made of the workshop and ideas for the bazaar Dec. 1.

Refreshments were served by the hostess and co-hostess, Mrs Walter Cole and Mrs James Yeomans.

The December meeting will be at Mrs George Pierson's.

## Area nurses to meet Nov. 10

The Capitol Area Nurses Association will meet Thursday, Nov. 10, at 7:30 p.m. in the Stanley Wing of Ingham Medical Hospital. Following a business meeting, Dr. Martin Jones, M.D., cardiologist, will present a program on "Hemodialysis." Hostess for the evening will be the Ingham Medical Hospital Nursing Staff.

Openlander of Wacousta and Mr and Mrs Loyal McCrumb of Eagle, grandparents of the bride and Mrs Sylvia Orsborn, of Watermeet, grandmother of the groom.

A reception followed the ceremony at the church.

The new Mrs Orsborn wore a light blue and white knit suit with black accessories when they left for their southeastern honeymoon. They will make their home at 220 W. Pine Street, Webberville, when they return.

MISS DEBORAH L. MUNSON

Mr and Mrs Don Hugué of Elsie, wish to announce the engagement of their daughter, Deborah Lyn Munson, to Ronald Keith Barnhill, son of Mr and Mrs Warren Barnhill also of Elsie.

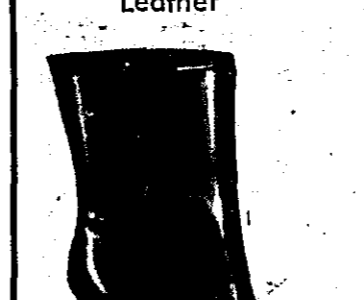

The bride-elect is a senior at the Ovid-Elsie High School. Her fiancé is a 1966 graduate, also of the Ovid-Elsie High School and is now employed at the Oldsmobile in Lansing. The couple are making plans for a summer wedding.

## New officers preside at OES meeting

Radiant Chapter No. 79, Order of the Eastern Star, met Wednesday evening and it was the first meeting with the new officers in their chairs.

We were sorry to hear of Don Henry's auto accident and his injury. He is the husband of the conductress, Elizabeth Henry. Also we were concerned about the marshal (Ella Irerer) returning to the hospital.

Ovid's Installation Nov. 5 was announced. A combined school of instruction at Ovid for Elsie, Ovid and St. Johns Chapters was set for Nov. 22.

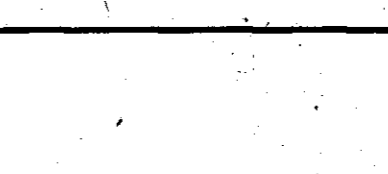

The practice for Initiation will be at 7:30 Nov. 16. Betty Burke and her committee served a lunch after the meeting.

## Mrs Elliott hosts Sarah-Louise Circle

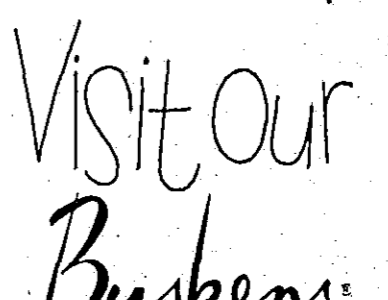

The Sarah Louise Circle of the First Methodist Church met at the home of Mrs William Elliott Nov. 1, with 12 members present.

A worship service led by Mrs Charles Wood, on "A Call to Prayer and Self Denial." A program followed by Mrs Charles Hazle, her topic being, "The Christian Case Against Poverty."

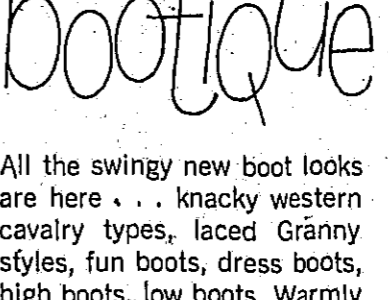

A dessert furnished by Mrs Stan Cowan and Mrs Richard Cornwell was served by the hostess assisted by Mrs Gerald Atkinson and Mrs Richard Rutter.

## Mike Luznak Sr.

ELSIÉ—Funeral services were held for Mike Luznak Sr. of Greenlund Road, Bannister, at the St. Cyril's Catholic Church last Wednesday. Rosary was said at the Carter Funeral Home in Elsie and burial was in Ford Cemetery. Mr. Luznak died of a heart attack, Friday in his home. He is survived by one son, Mike, Jr., of Bannister; eight daughters, Mrs. Stina Niko and Mrs. Helen Havelka, both of Owosso, Mrs. Stephanie Vostrizansky and Mrs. Josephine Slamka, both of Bannister, Stella Sipka of Corunna, Anna Fabus of Ashley, Rose Supp of Ionia and Genevieve Chvojka of Breckenridge; 31 grandchildren and seven great-grandchildren.

## Frank B. Maier

ST. JOHNS—Frank B. Maier, 84, of 309 S. Lansing Street, St. Johns died Nov. 1 at Clinton Memorial Hospital after a short illness. Funeral services were held at Hoag Funeral Home of St. Johns Friday, Nov. 4, at 1:30 p.m. with Rev. Gerald Churchill officiating. Burial was in Mt. Rest Cemetery.

MR. MAIER was born in Watertown township, Clinton county, Jan. 18, 1882, the son of George and Elizabeth Dolch Maier. He made his home in St. Johns since 1943.

He and the former Mabel McConnell were married Nov. 16, 1919.

Survivors include his wife, Mabel; five sons, Ralph and Keith of Lansing and Clare, Daale and Larry of St. Johns; a daughter, Mrs. Donald Frayer of Columbia Station, Ohio; a sister, Miss Martha Maier of Detroit and 20 grandchildren.

## LeRoy Fowler

ST. JOHNS—LeRoy Fowler of 111 1/2 E. Walker Street, St. Johns, died Tuesday, Nov. 1, at the Ovid Nursing Home.

Funeral services were held at Hoag Funeral Home of St. Johns Thursday, Nov. 3, at 1 p.m. with Rev. Gerald Churchill officiating. Burial was in Forest Home Cemetery of Greenville.

MR. FOWLER was born April 29, 1880, at Greenville, the son of William and Harriet R. Fowler. He made his home in St. Johns for the past 11 years.

Survivors include two sons, Charles W. of Grand Ledge and Darwin of Lansing; a daughter, Mrs. Lillian Werner of Lexington, Ky. and a brother, Arthur Fowler of Braintree, Mass.

## Gertrude Bearce

OVID—Gertrude D. Bearce, 94, of 139 E. Oak Street, Ovid, died Thursday, Nov. 3, at 9:10 a.m. at Ovid Convalescent Manor after an illness of one year.

Funeral services were held at Houghton Funeral Home of Ovid Monday, Nov. 7, at 2 p.m. with Rev. Beatrice Townsend officiating. Burial was in Middlebury Cemetery.

MRS. BEARCE was born Aug. 23, 1872, in Leesburg, Ind., the daughter of Joseph and Chloe Dawson. She graduated from Warsaw, Ind., High School.

She made her home in Ovid for the past four years and resided

in Middlebury township for 61 years.

W. IRVING BEARCE and she were married Dec. 20, 1905 at Leesburg, Ind.

Mrs. Bearce was a member of the Middlebury M.E. Church and the W.S.C. of the church. Her husband survives her.

## Isaac J. Wiggins

OVID—Isaac John Wiggins, 72, a former St. Johns resident, of 213 W. Pearl Street, Ovid, died Friday, Nov. 4, at 3:30 p.m. at Clinton Memorial Hospital after a long illness.

Funeral services were held at Coker Funeral Home of Farwell.

MR. WIGGINS, A veteran of WWI, was born June 14, 1894, in Gilmore township, Isabella county, the son of James and Fannie Wiggins.

The former Susan Winegardner and he were married Feb. 5, 1919, at Durand.

SURVIVORS include his wife, Susan; three daughters, Mrs. Levi (Tressa) Brown of Farwell, Mrs. E. O. (Mildred) Hyler of St. Johns and Mrs. Russ (Geraldine) Boles of Owosso; one son, Lyle F. of Flint; 18 grandchildren and five great-grandchildren.

A son, Glenn, preceded him in death in 1956.

## Harry Townsley

OVID—Funeral services were held at Houghton Funeral Home of Ovid Saturday, Nov. 5, at 3 p.m. for Harry N. Townsley, who died Thursday, Nov. 3, Burial was in Maple Grove Cemetery of Ovid. Rev. Gordon Spalenka officiated.

Mr. Townsley, a WWI veteran, died at Lansing General Hospital after a seven month illness. He was 78.

HE WAS BORN May 16, 1888 at Potsdam, N. Y., the son of Joseph and Annie Townsley. He resided in Chicago, Ill., from 1923 until 1961 when he moved to Ovid. Mr. Townsley and the former Laura A. Chamberlain were married in Chicago.

He was a former member of Marshall Masonic Lodge of Chicago, the American Legion and the Presbyterian Church.

Survivors include his wife, Laura; one daughter, Mrs. Gladys A. (Knecht) Dallas, Texas and a grandson, Richard L. Saunders of Dallas, Texas.

## Scott Hartwick

ELSIÉ—Funeral services for Scott Hartwick, 75, were held Thursday at the Carter Funeral Home. Rev. Gordon Overholt officiated and burial was in Ford Cemetery.

Mr. Hartwick passed away Tuesday morning at Clinton Memorial Hospital. He had been in failing health for several years.

HE WAS BORN in Chapin township Aug. 28, 1891, the son of William and Mary Hartwick. He resided all of his life in Fenmore until three years ago when he moved to Elsie. He was married to Mildred Sanford Feb. 24, 1917. He was a farmer.

Surviving are his wife, Mildred; two daughters, Mrs. Bessie Crosson of Elsie and Mrs. Nellie Stinebower of Grand Haven; two sons, Robert of Washington, D. C. and Ted of Elsie; one sister, Mrs. Grace Kirk of Ashley; 11 grandchildren and one great-grandchild.

Funeral services were held at the Osgood Funeral Home on Wednesday, Nov. 9, at 2 p.m. with Rev. Keith Bovee officiating. Burial was in the Woodlawn cemetery, Leslie, Michigan.

Mrs. Feazel was born in Michigan on October 20, 1904, the daughter of Ellis Perry and Abigail Fowler. She married Lyle Feazel and moved to St. Johns in 1945. She was associated with the Methodist Church in St. Johns.

Survivors include one son, Jack Gordon of Grand Rapids; one daughter, Jean Nellie of Sierra Vista, Arizona; and two sisters, Mrs. Nina Kimball of Lansing and Mrs. Lena Appleton of Flint.

## Maple Rapids

By Mrs. Wilbur Bancroft  
Phone 682-3553

Mr. and Mrs. Robert Upton and Mr. and Mrs. Max Loudbeck hosted Mr. and Mrs. Perce Upton at dinner in St. Johns last week Sunday. It was to honor their parents' 44th wedding anniversary. In the afternoon the Perce

Uptons visited Mr. and Mrs. Floyd Copperroni of Jackson.

Mr. and Mrs. Walter Baxter received word from their son Jimmy, that he is coming along fine and there will be no permanent damage to his eyes from the wounds he received. This is the third time he has been wounded. He is not sure whether he will be sent home or to Japan for convalescing. The Amica Club met with Mrs.

Edd Carr of Rainbow Lake Tuesday evening. Mrs. Tony Wieber acted as co-hostess. The members voted to have the Christmas party and regular December meeting combined with dinner at St. Johns, followed by the party and business meeting at Mrs. Ronald Dean's home in Maple Rapids, December 13. The club will again sponsor the Poljo Dance in late January and the president, Mrs. Dean, appointed

her committees for the dance. A committee was also appointed to investigate the possibility of helping to buy new draperies for the gym. Mrs. Marjorie Rumsey gave a Thanksgiving reading and conducted a short quiz.

About 30 friends and relatives showered Mrs. Robert Bennett, nee Linda Scott, with kitchen ware and linens Friday evening at the Methodist Church. Mrs. Richard Moore conducted sev-

eral games and contests with the prizes won being given to Linda. Mrs. Clarence Bennett and daughters, Patricia, Mary, Jean and Edith served refreshments. Mrs. George Chick turned her ankle on the slippery walks and pulled the ligaments.

COMPROMISE—Difference of opinion presents no problem to people wise enough to split the difference.

# Redwings down Bulldogs, win championship

## Boyce rushes for 204 yards as St. Johns snowballs Ionia 51-24

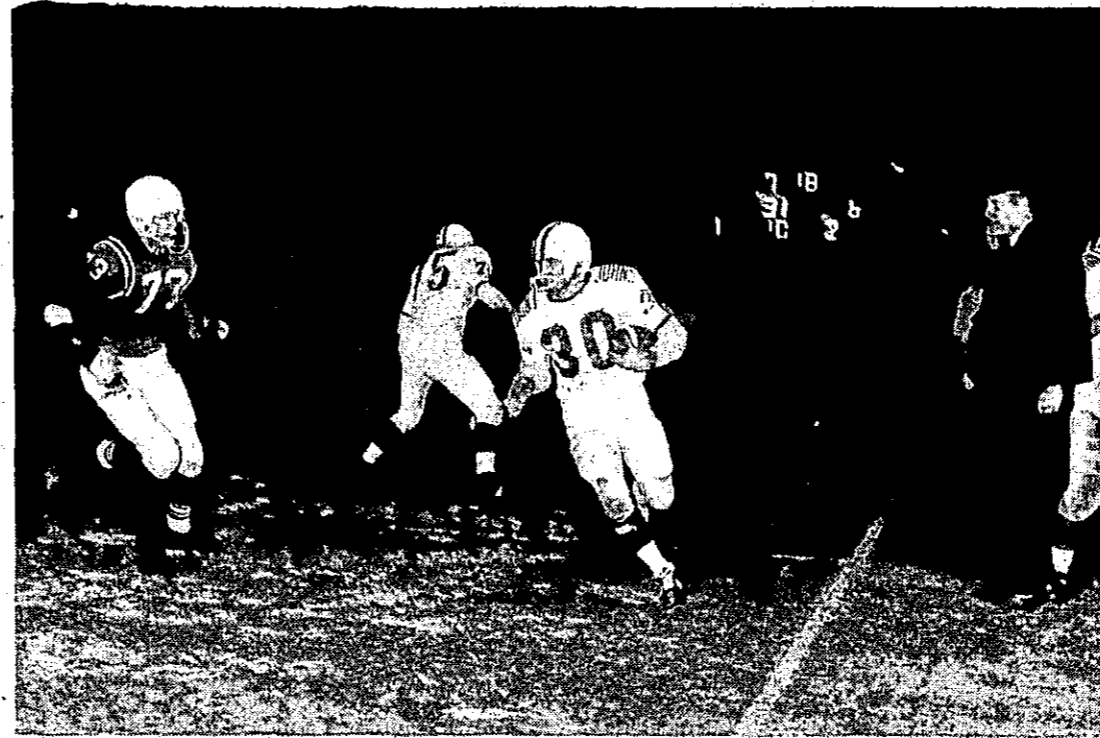

By STEVE HOPKO

The St. Johns Redwings downed Ionia 51-24 Friday in below freezing temperatures to win the West Central "B" League championship for the second time in three years.

The Redwings who won the championship in 1964, tied Grand Ledge for second last year as

Hastings took the crown, came back with 6 conference victories to wrap up the present championship.

ST. JOHNS SCORED 25 points in the first quarter as Gary Boyce, Randy Humphrey and Mike Green combined for 355 yards as eleven Redwing ball carriers totaled 407 yards. The

Randy Humphrey (30) picks up 12 yards around left end in the second quarter to start St. Johns on its sixth touchdown drive as Coach Bill Smiley looks on and Ionia tackle Fred Lange (73) moves up to make the stop. Redwing tackle Ken Jakus (75) guards the rear on the play.

THE REDWINGS 407 yards rushing could have been much higher, but for penalties. St. Johns was penalized 145 yards and had another 149 yards nullified because of penalties. Humphrey and Green took the brunt of this. Humphrey had runs of 40, 30 and 12 yards nullified, while Green had a run of five and a pass completion of 57 yards nullified.

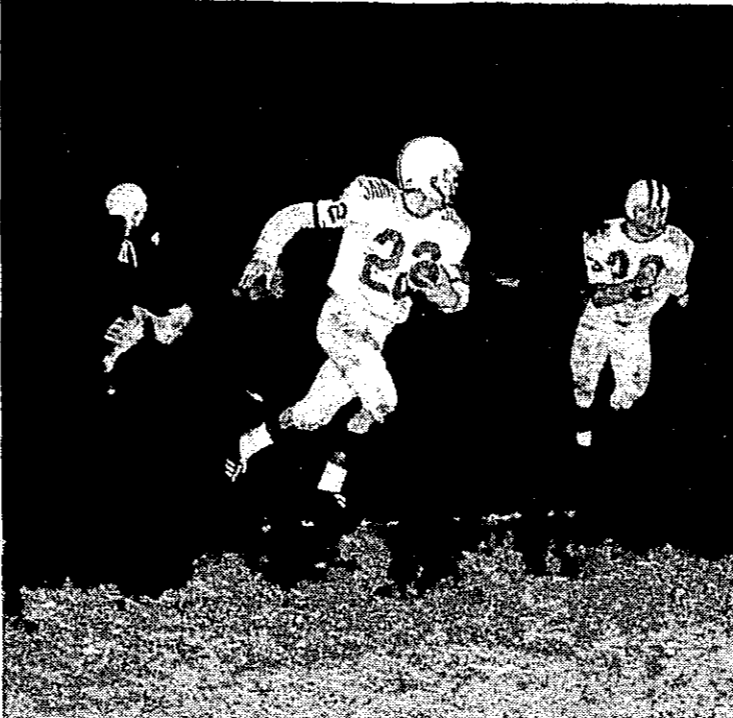

Snow removal crews had the field cleared Friday and although it was frozen and surrounded by piles of snow from four to six feet it was very playable.

THE REDWINGS kicked off to begin the game. On the first play Ionia fumbled but recovered. On the second play Ionia fumbled again. This time Tim Spitzley recovered for St. Johns and the Redwings took over on the Ionia 40. Green made seven in two plays. Boyce hit right end for 21 more, then Humphrey hit left end for the last 12. Boyce kicked the extra point and St. Johns led 7-0 with two and a half minutes gone.

Ionia took the ensuing kickoff on their 38. Three plays gained one yard and Ionia went into punt formation. The pass from center was bad and Norm Love recovered the ball for St. Johns on the Ionia 16.

BOYCE CARRIED twice with the second one for an 8 yard and the score. His try for the extra point was wide and St. Johns had a 13 point lead with only five minutes gone in the quarter.

Ionia took the kickoff on their 21. On the first play, quarterback Chuck Stewart's deep pass was intercepted by John Salemi who returned it to the Ionia 29. Green got two before Boyce hit left on an reverse and went the final 27 yards to score. His boot for the extra point was again wide and St. Johns led 19-0 with six minutes and 3 seconds remaining in the quarter.

John Salemi (23) starts back upfield after intercepting his third pass of the evening. Randy Humphrey (30) is moving up to lead interference while Ionia's Jerry Woodbury, the intended receiver, turns to take up the pursuit. Salemi's interception set up the Redwings seventh touchdown in the third period.

THE REDWINGS scored again in the first quarter when they took over on downs on their own 30. A holding penalty set them back to their own 15. Boyce then hit the left end on a reverse and went 58 yards before being dropped on the Ionia 27. Green and Boyce alternated on carrying the ball to the two where Love scored on a quarterback sneak.

Stewart's deep pass and the Redwings took over on their own 36. The Redwings rolled up four first downs before Green went to the middle for the last 10 yards to score. Boyce's kick was good to make it 44-6.

Ionia took the kickoff and went 67 yards in 12 plays with Gary Woodbury going the last yard to score with time running out in the third quarter. The extra point try was short and the score stood 44-12.

### Statistics

	St. Johns	Ionia
First Downs	15	10
Net Yards Rushing	407	8
Net Yards Passing	11	268
Passes Attempted	7	28
Passes Completed	1	10
Passes Intercepted	1	6
Fumbles	5	3
Fumbles Lost	4	2
Penalties	15	5
Yards Penalized	145	41
Punts	0	2

Scores by Quarters:  
St. Johns 25 12 7 7 - 51  
Ionia 0 6 6 12 - 24

Boyce's kick was nullified twice by penalties and his third attempt was wide and the quarter ended with St. Johns leading 25-0.

Ionia scored six points early in the second period on a 68 yard drive that was capped by a 26 yard pass from Stewart to Bruce LaPointe for the score. Stewart's pass for the extra point was incomplete.

IONIA TRIED an onside kick, but St. Johns recovered on the 50. Green made five and a Love pass was incomplete. Humphrey then turned right end on a reverse to go the last 45 yards for the score. Boyce's kick was short and the score stood 31-6.

The Redwings last score of the half came after Green intercepted a Stewart pass on the Ionia 23. St. Johns was penalized 15 yards for holding back to the Ionia 38. On the fourth play, Boyce hit left end for the last yard and the 6 points. His pass to Green for the extra point was incomplete and the half time score stood at 37-6.

ST. JOHNS TOOK the second half kickoff on their 43, but failed to make the first down and Ionia took over on their 46. On the first play Salemi intercepted (his third of the evening)

### St. Johns grid banquet Tuesday

The annual St. Johns football banquet for players, parents and families will be held this Tuesday evening beginning at 6:30 p.m. at Smith Hall.

The program will consist of dinner, awards to the players, and the showing of films from several varsity and junior varsity games. Families attending need bring only their own table service. Ralph Lynam will be in charge of the meal. Arrangements are being made by Head Coach Bill Smiley and others, on the coaching staff.

### Bowling News from Area Bowling Leagues

WESTPHALIA WOMEN'S LEAGUE—Platte Brothers rolled the high series of 2237 last week; Simon's Flower Shop leads the league with a 32-12 record two games ahead of the Rose Johnson team. Ann Smith had the high individual scores of 204 game and 533 series.

FIRST NIGHTERS—The Happy Five, in fifth place, were in the groove Monday night and rolled the high game of 849 and high series of 2365. Sue George had a 180 high game and Viola Rossow tossed a 467 high series. Eunice Tiedt picked up the 7-9 split. Heathman's leads the league by 3 1/2 games over Quality Discount.

CAPITOL LEAGUE—Roger Heathman let fly with a 223 high game and 600 high series Monday night to take individual scoring honors. Carling's Beer had the high team game of 858, while Western Auto had the high series of 2484. Western Auto and Becker's Appliance are tied for the league lead. Terry Bacon had games of 222 and 209, while Bob Pratt rolled a 216, Heathman 207 and 223 and Jim Ernst 208.

SHIRTS AND SKIRTS—Dush Construction leads the KP's and Country 4 by one game after Friday's bowling. Richard's Dairy had the high game of 654, while the KP's rolled an 1835 high series. Stan Bunce's 216 game and 569 series were high for the women. Rosella Burnham had a 180 high game and Norrine Penix a 470 high series. Other 200 games were by John Schumaker 206 and Rolle Dunkel 209.

KINGS AND QUEENS—Thelma Miller's 192 game and 509 series, and Rudy Masarik II's 221 game and 517 series were the top scores in Sunday's bowling. The 4-M's had the high team game of 685, while the Poor Souls had a 1753 high series. The L & B's lead the league by four games.

INDUSTRIAL MIXED LEAGUE—The Cousins, 678 game and 1885 series scores were high in the league last Friday. Individually, Helen Kaminski's 174 game and Ann Wawczyk's 445 series were best for the women, and Dick Kuhns with a 234 game and Ace Linman with a 574 series took honors for the men. Other 200 games were by Ace Linman 212 and 201, Ken Rinke 211 and 201, and Ed Kaminsk 202. Ethel Kuhns had triplicate scores of 138.

B L A T Z INDUSTRIAL LEAGUE (Ovid)—Reo Pattison's league leaders emerged victorious last week, breaking their tie for first place and moving ahead with a 23-9 record. Bill Good's team dropped back into

### Ken Schueller wins grid contest

Snow canceled two games in the Clinton County News football contest last week, but it didn't bother the winner of the contest, Ken Schueller of 308 Church Street, St. Johns.

Figuring on the basis of 18 games, Ken missed only two—he picked Michigan over Illinois (Illinois won) and Grand Ledge over Hastings (that ended in a tie).

Ken won with his tie-breaker score of 39 points, only two off the 37 scored in the Bath-Fowler game. Lori Ann and Sandra Meredith, both of 240 E. Clinton Street, Ovid missed two games each but each had a tie-breaker of 27 points.

There are two football contests left this season—still plenty of time to get in on the \$20 weekly prize.

second place with a 20-12 record. Larry Bashore's, Jerry Saxton's and Don Adair's teams are locked up in a tie for third place with 17-15 records. Pattison's had the high team game and series last week with scores of 894 and 2525. Adair had the high individual score of 237, while Butler's 599 series was tops. Butler had a 224 game, while Martin rolled 211, Stambersky 202 and Pattison 202.

WESTPHALIA—Hastings 6, Grand Ledge 6

MID-MICHIGAN B—Birch Run 13, Ovid-Elsie 7 (non-league), Corunna 43, St. Louis 7, Ithaca at Perry, cancelled, snow.

Gets 1st TD with 15 seconds to spare

DeWitt scores but loses 29th

By LOWELL G. RINKER DeWITT - DeWitt's football Panthers scored their first touchdown of the year Saturday afternoon despite a field covered with mud and snow slush and for three quarters threatened to break their 28-game losing streak.

SEVERAL HUNDRED DeWitt fans huddled behind the snow banks at the field's edge erupted with cheers that didn't die out until the team left the field at halftime.

Parker's touchdown climaxed a 62-yard drive. The senior quarterback had a key 10-yard run on a fourth-and-five situation early in the drive and then passed to Mike Fuller for 17 more yards to the Webberville 32.

Fuller then caught another Parker pass, this time to the opposite side of the field and good for 11 yards. Mike Ashley carried twice for another first down, gaining first four and then six yards. Jim Richmond then swung out around left end and was skidded out of bounds on the seven.

This set the stage for Parker's touchdown.

THE PANTHERS, who have always played spirited ball for Coach Gerald Summerhays despite an extremely dismal year, threatened to score immediately after the opening kickoff. On the first play from scrimmage Parker went around left end for 13 yards to the DeWitt 40, and then Ashley went the same route for 25 yards to the Webberville 35.

But the Panther attack died at the 28, and Webberville took over. The rest of the first half—up to the time of DeWitt's touchdown drive—was played near midfield, with both squads punting to each other and DeWitt recovering two Webberville fumbles.

THAT WAS THE pattern of the third quarter, too, until DeWitt recovered a fumble on the 48 Richmond picked up 15 yards

on a run, but the Panthers then lost the ball on a fourth-down-and-a-foot situation on the Spartan 24. Webberville then began to grind out yardage that finally resulted in the tying touchdown. It took 11 plays for the Spartans to get to the DeWitt 19, and then John Swain lofted a pass to Chuck Ross all alone in the end zone.

Webberville twice ran plays that were good for the extra point, but penalties nullified both, and finally on the third play they missed completely. The score remained deadlocked at 6-6.

DeWITT THEN threatened to score its second touchdown of the year—aided by two pass interference penalties against Webberville. Mike Fuller got one first down by catching a Parker pass for 12 yards to midfield. Then two interference penalties on fourth-down plays helped move the ball to the Webberville 25.

But Webberville stiffened, and on fourth down picked off a Parker pass and lugged it back to the 37.

It didn't take long for them to score. Larry Ross carried for 10 yards to the 47 yard line, and then Swain passed to Roy MacFarland—again all alone—on the DeWitt 40, and MacFarland slogged in for the TD. A dive play accounted for the extra point.

PARKER, A SENIOR playing his last game for DeWitt, tried to bring the Panthers back with less than four minutes to play. But first DeWitt fumbled the ball to Webberville, and when they got it back, Webberville's MacFarland intercepted another of Parker's passes. That killed the clock.

Parker, however, completed 11 of 14 passes during the cold-sloppy afternoon.

DeWitt had 10 first downs to Webberville's seven.

The Panthers finished the season with a record of no wins and eight losses and were 0-7 in the Central Michigan Conference.

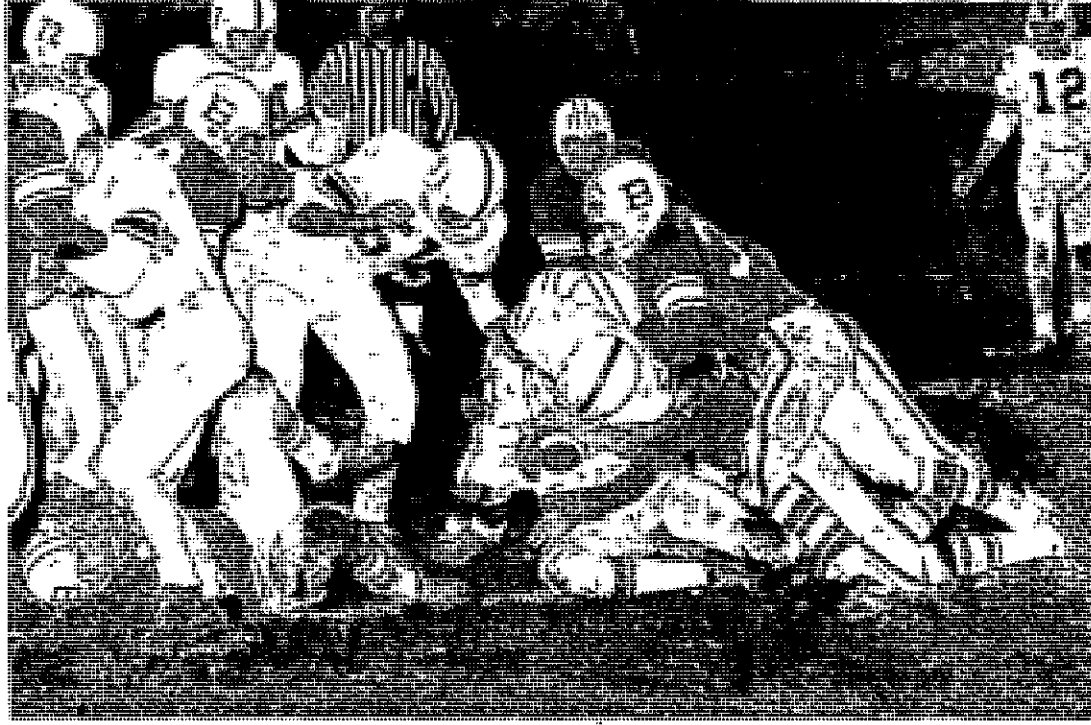

ference—all alone in the basement of the league.

The last game was played during the afternoon on Saturday—

postponed until then because of the heavy snowfall last week. The field was cleared off but was extremely muddy and slushy.

DeWitt players slish into the slush as they stop a Webberville run into the line during last Saturday afternoon's game at DeWitt. No. 84 in white is DeWitt's Paul LaMacchia; No. 63 is Roy Cole. Webberville players include Chuck Ross (81). DeWitt lost the game 13-6.

Ron Brown, Fowler's senior halfback, pores a hole in the Bath line and lunges for two yards and a touchdown in the first quarter of Saturday night's championship game. Mike Tucker (31) of Bath gets to the play just a little late. No. 12 for Fowler is quarterback George George. Fowler won 25-12.

CLINTON COUNTY NEWS SPORTS

Fowler ends year undefeated by toppling Bath

By LOWELL G. RINKER The Fowler Eagles broke open a tight football game with two fourth-quarter touchdowns Saturday night to defeat Bath 25-12 and win the Central Michigan Athletic Conference title.

The victory gave the Eagles an 8-0 record for the year—their first undefeated season since 1962. The game was played at St. Johns Saturday night because of nine inches of snow on the Fowler field.

FOWLER LED only 13-12 before quarterback George George plunged over from the one-foot line with 3:29 left in the game. Bath then lost the ball on downs, and Fowler—aided by two 15-yard penalties against Bath—scored again, this time with John Wieber going the final three yards with 39 seconds left in the game.

Playing in the style of their excellent records, both teams furnished chilled fans some exciting football, especially during the first half.

FOWLER SCORED first after only 3 minutes 20 second had elapsed. They took the opening kickoff and began producing fireworks. Quarterback George had a 13-yard run on the second play. After a 34-yard pass play to Mike Nobach was nullified by off-setting penalties, fullback Ron Brown shook off four tacklers and rambled 30 yards to the Bath 12. Two plays and a Bath penalty worked the ball to the 2, and then Brown bulled his way through a "closed hole" and scored.

The Bath Bees buzzed back. Quarterback Mike Tucker, attempting to pass from his own 38, found his receivers covered and set off on his own. He swung around right end, cut back over center and went down the left sideline 57 yards to the Fowler 5 before John Wieber caught him from behind.

Line crusher Randy Tucker, Bath's 185-pound junior fullback, rammed to the two yards line and then into the end zone to tie the score with 6:56 left in the first quarter.

THE QUARTER ended that way, but it wasn't long before Bath went into the lead. They started the touchdown drive with a defensive play—recovering a Fowler fumble on the Bath 40.

Tucker (Randy) carried for eight, seven, three and five yards as Bath worked its way to the Fowler 15. Then Mike Tucker picked up a first down to the 10, and Elias David swept left end on a reverse and scored with 10:59 left in the first half.

The extra point try failed, and Bath led 12-6. Fowler lost the ball on downs on the Bath 36 on the next series of plays, and then Bath lost it the same way at midfield.

FOWLER GOT help from a 15-yard penalty against Bath as they moved in to score their second touchdown. Brown carried two consecutive times from

Bath's rambling fullback Randy Tucker (40) makes it to the 2 yard line against Fowler Saturday night, and then he scored on the next play to tie the game up in the first quarter. Making the stop here is Brendon George (30). Fowler won the game 25-12.

the Bath 33 and then, after taking a pitchout from George, passed the ball to Nobach at the 5, and Nobach scored. It was a picture-type play, identical to one which resulted in a Fowler touchdown against St. Patrick's two weeks earlier.

Bruce Thelen kicked the extra point to give Fowler a 13-12 lead at halftime.

In the scoreless third period, Fowler lost the ball on downs once at the Bath 28, and Bath lost it on downs at the Fowler 44. Bath then intercepted a pass on their own 40, but soon had to punt the ball back to Fowler. The Eagles then drove for their third touchdown.

ALONG THE WAY, George hit Nobach with a 21-yard pass. Brown had a 10-yard run, and then shook loose for 17 yards to the Bath 3. A penalty against Bath moved the ball to the 2, Brendon George cracked to the one-foot line, and George George sneaked in. Bruce Thelen's place kick was blocked, and Fowler led 19-12.

Elias David passed 11 yards to end Bill Harris for a first down as Bath tried to make up their seven-point deficit. But Bath lost yardage on two straight plays and then two passes fell incomplete, and Fowler regained possession of the ball on the Bath 41.

BROWN CARRIED to the 35, Wieber to the 28, and then Bath was penalized to the 13. Brendon George packed the ball to the 6, and a face mask penalty against Bath gave Fowler the ball at the 3. Wieber then bounced in for the touchdown.

Bath was still alive, and they picked up 25 yards on a pass from David to Barry Waite. But time ran out.

Bath lost out in the statistics column, too. Fowler had 188 yards rushing and 85 passing, while the Bees had 97 yards rushing and 61 passing. Fowler had 15 first downs to Bath's 9.

The game was the final of the season for both teams. Both wound up the year in second place in the league with a 5-1-1 CMAC mark and 5-2-1 overall record.

Fulton, Ashley win; Ovid-Elsie, P-W lose

MIDDLETON - Fulton High School weathered the weather Friday night and posted a 33-6 victory over Lakeview to tie for the Tri-Central League championship title.

Over at Ashley, the Bears scored early and took a 7-6 decision over Michigan School for the Deaf to win the Motor Valley League title.

Randy VanSickle scored four touchdowns and kicked three extra points to pace the Fulton squad to its fifth league victory and sixth for the season.

HE OPENED the pirates' scoring with a 40-yard end sweep in the first quarter and got two more on end runs of five and seven yards in the second and third periods. He caught a 17-yard pass from Greg Daniels in the second quarter for his other touchdown. Dick Zamarron went 37 yards

off tackle for Fulton's second touchdown in the first period. VanSickle ended the season with a total of 132 points scored on 20 touchdowns and 12 extra points.

THE PIRATES ended the season with a 6-2 record and a 5-1 league mark. That tied them with Portland for the league title, and Central Montcalm may also grab a share of the crown if they can beat Lakeview next Friday.

The Ashley Bears marked 70 yards to their touchdown against MSD. Paul Polash got it on a three-yard plunge, and Dale Yelsk passed to Floyd Brown for what proved to be the game-winning extra point.

Brown ran 23 yards with an intercepted pass in the second quarter, but that touchdown was wiped out by a penalty. The Bears won the new Motor Valley League

title with a 2-0-1 league mark and ended the season with a 4-2-1 overall record.

IN OTHER WEEKEND action involving Clinton area teams, Potterville beat Pewamo-Westphalia 25-6 and Portland St. Patrick's trimmed Laingsburg 35-7 in the Central Michigan Athletic Conference, and Ovid-Elsie lost a non-league battle to undefeated Birch Run 13-7.

Ovid-Elsie outplayed their conquerors and held the edge in statistics other than points scored. The Marauders outgained Birch Run 226 to 201 on the ground, and they passed for 80 yards.

THE OVID-ELSIE touchdown came by way of passing. Quarterback Mike Seybert connected with Jerry Gazda for 10 yards and a touchdown in the third quarter. Seybert ran the extra point to tie the score at 7-7 (Birch Run had scored in the second quarter). But the winners got the clinching touchdown in the fourth quarter, aided by three 15-yard penalties against Ovid-Elsie.

The Marauders had several scoring threats squashed, Birch Run stopped them a foot short of the goal line after a 60-yard Ovid-Elsie drive in the second quarter. Two other times they got as far as the Birch Run 15 before losing the ball.

The game was played Saturday afternoon. DAVE SMITH scored three touchdowns and Bruce Murray one to pace Potterville to its 25-6 win over Pewamo-Westphalia Saturday night. Smith's scores came on passes of 15 and 19 yards from Mike Heinze and on a 50-yard run. Heinze filled the air with the football, throwing 23

All Clinton area high school athletic teams are watched weekly by the Clinton County News, and stories on their games appear in a comprehensive sports section each week.

times and completing 13 for 206 yards and three touchdowns. Jim Bengel was the scorer of P-W's only touchdown.

Stan VanVelsor scored on a two-yard plunge as Laingsburg opened with fire against Portland St. Patrick's Saturday night, but then the Shamrocks really rolled. Art Baker threw touchdown passes of 30 yards to Doug Smith,

20 yards to Larry Simon and 35 yards to Steve Wilcox, and Terry Morrison scored touchdowns on runs of 25 and 45 yards. St. Patrick's won 35-7.

'Twas a wild, wooly weekend

It was a wild and wooly football weekend in the Clinton area—for players and fans alike. The "wooly" came in handy, for the players played and the fans sat in temperatures that ranged from 9 above zero to just shy of the freezing mark. On top of it all, was nine inches of snow!

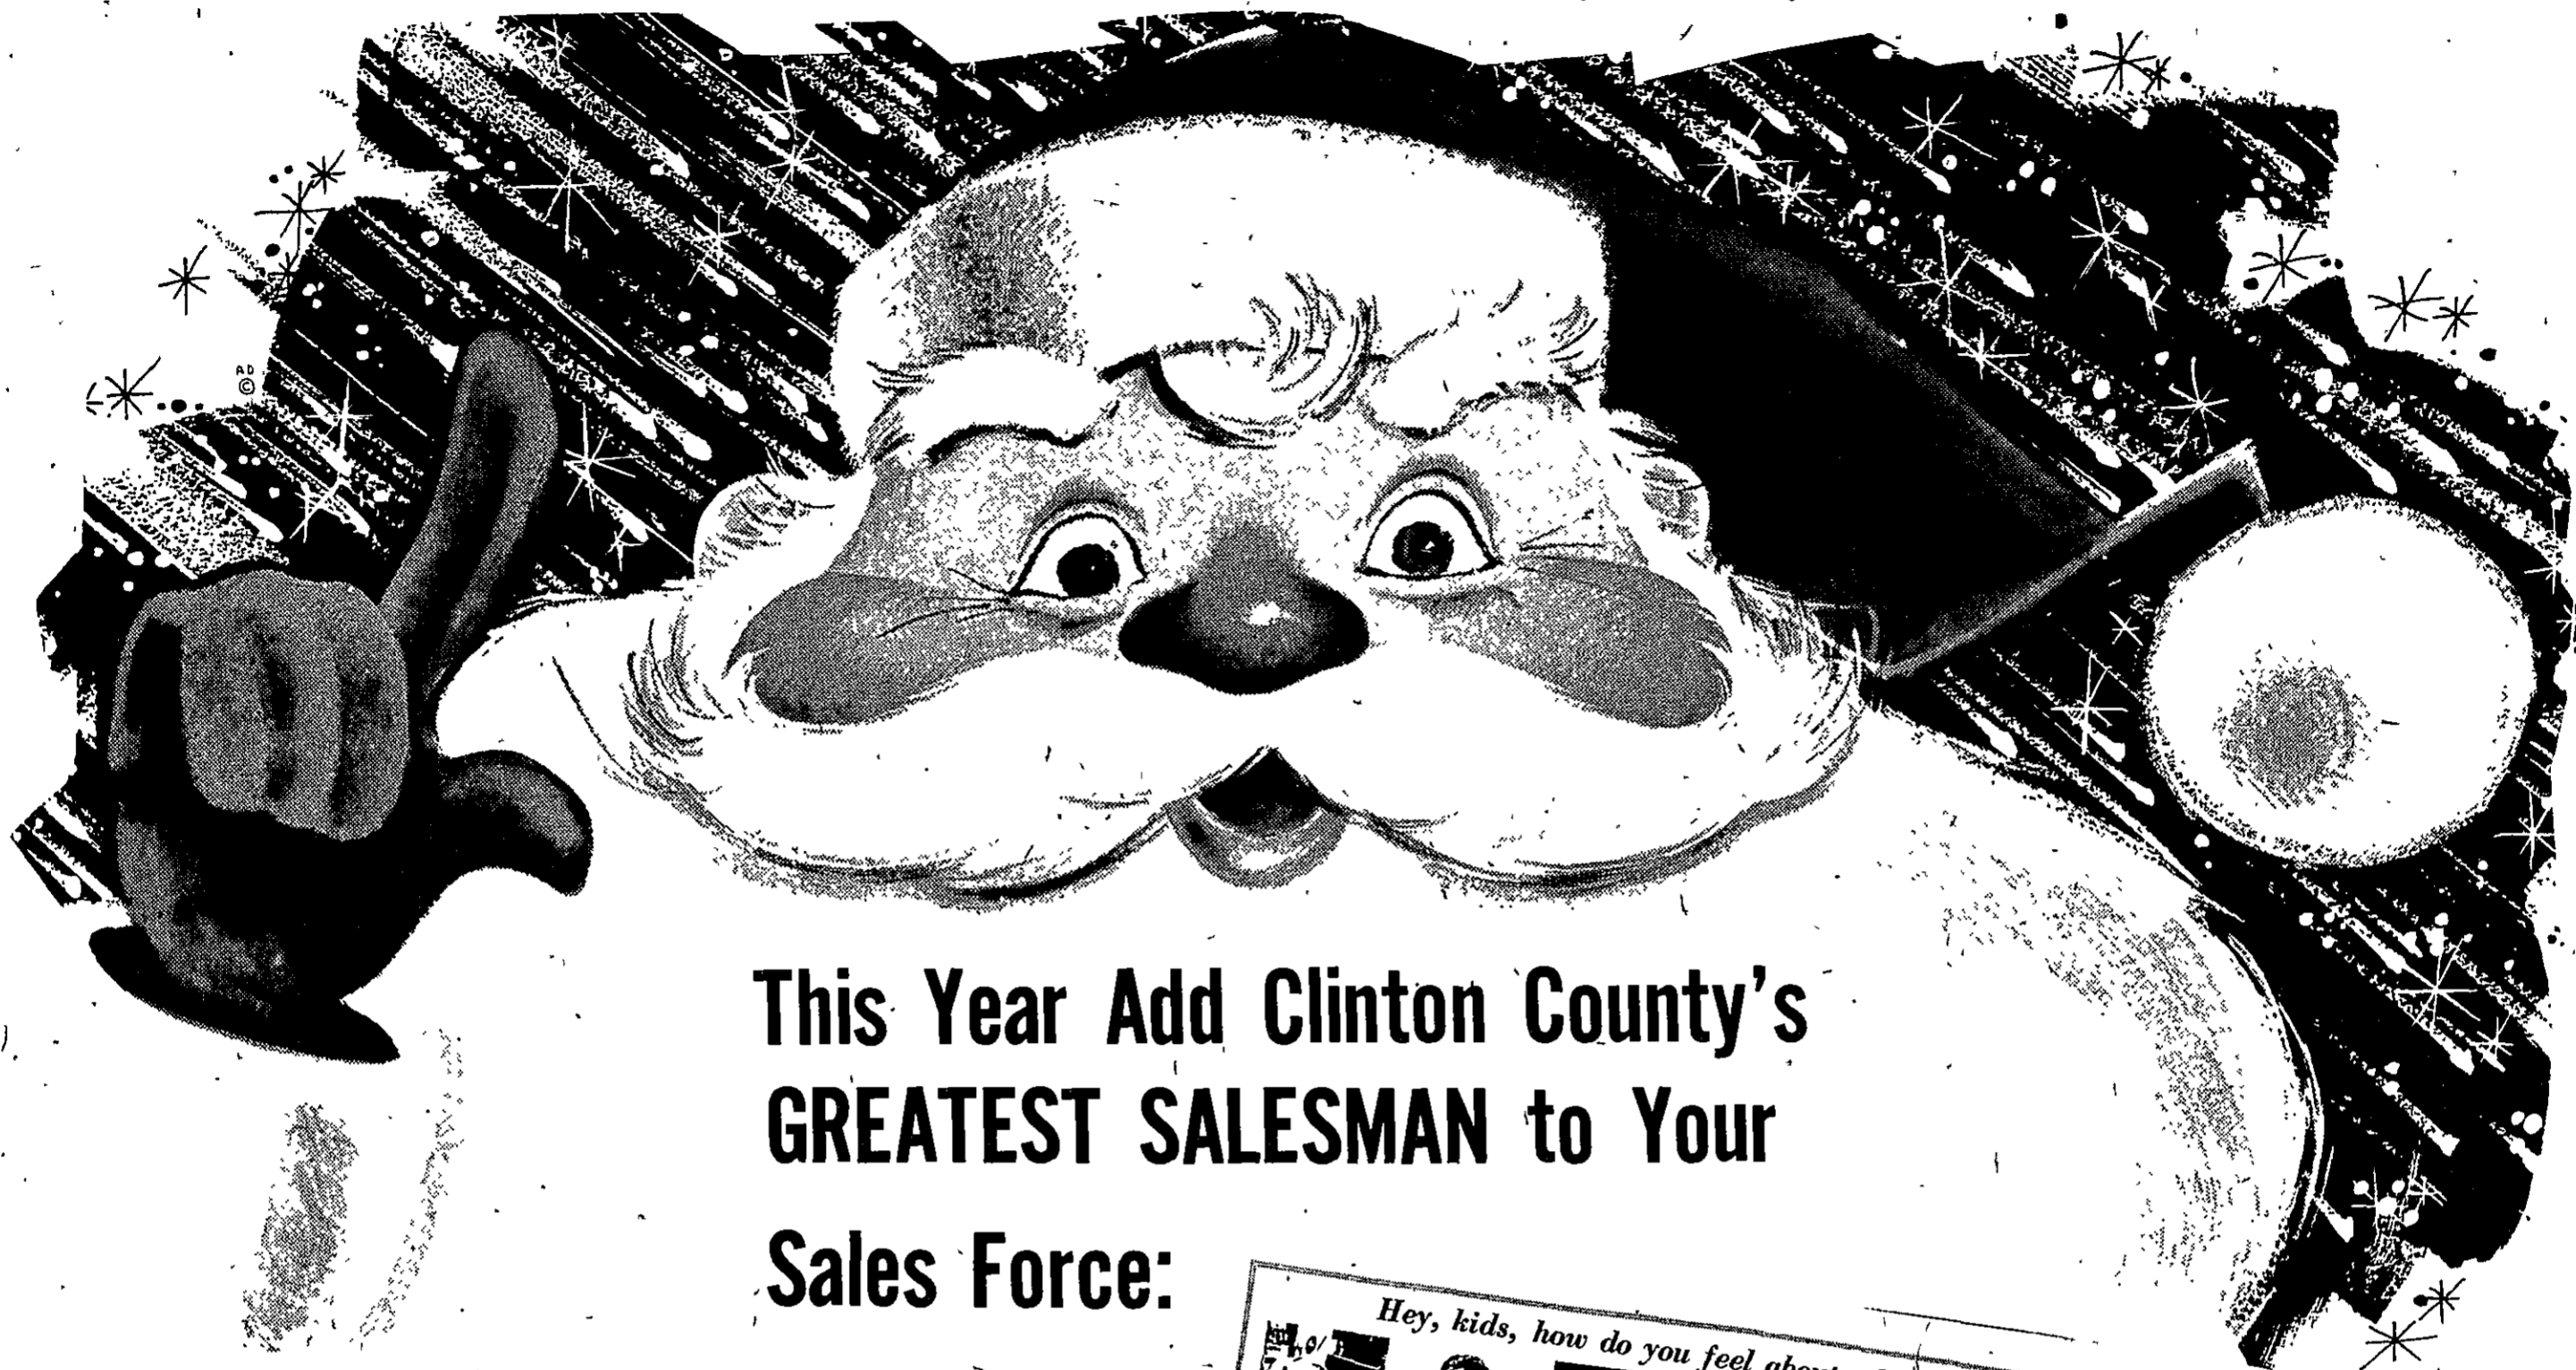

The snow came Wednesday night and Thursday and forced postponement of most area games until Saturday and the cancellation of several in the area. St. Johns, Fulton and Ashley got their fields cleared off in time for action Friday night.

FOWLER USED THE St. Johns field to play Saturday night in their championship game with Bath, while DeWitt played host to Webberville at 2 p.m. Saturday. Pewamo-Westphalia played Saturday night at Potterville and—as scheduled—Laingsburg was at Portland St. Patrick's Saturday night.

The 9-degree temperature reading was recorded at St. Johns Friday night about 9:30 when cloud cover cleared away for a brief period. When the clouds came back the temperature went back up to about 25.

The St. Johns field was slippery in spots Friday night, but comparatively dry Saturday night. DeWitt played in mud and slush.

MRS DAVID M. SCHROEDER

## Susie Fernholz weds Lansing man

FOWLER—Susie Fernholz, of Fowler became the bride of David Michael Schroeder of Lansing Saturday at Most Holy Trinity Church of Fowler. Rev Albert Schmitt officiated at the 10:30 a.m. double ring service.

The bride is the daughter of Mrs Arthur Fernholz of Fowler and the late Arthur Fernholz. The bridegroom is the son of Mr and Mrs Marvin Schroeder of Lansing.

The new Mrs Schroeder, given in marriage by her brother, Frederick A. Fernholz, approached the altar in a floor length gown of peau de sole. The sheath style gown was fashioned with a detachable over-skirt which formed a chapel train. Applied lace enhanced the bodice and hemline. Her veil was secured with a matching applied lace pillbox. She carried a cascade arrangement of red sweetheart roses and white pompon chrysanthemums.

MRS BARBARA Simon, sister of the bride, was the matron of honor. She was attired in a navy blue silk chiffon velvet sheath. Daisies accented the high waistline. Her headpiece was a matching velvet bow. She carried white daisies attached to a white lace muff.

Secondary attendants, Mrs Ka-

ren Love, Mrs Lois Hoelzel, godmother of the groom and Mrs Marie Fernholz, sister-in-law of the bride, were gowned identically to the maid of honor.

Serving as best man was Dennis Vandecar and groomsmen were Alan Smith, Dudley McKean and Anthony Scruby. Seating the guests were Lawrence Fernholz and Stanley Simon.

FOR HER DAUGHTER'S wedding, Mrs Fernholz wore a red and black knit suit with black accessories. The mother of the groom selected a light blue knit suit. They both had white orchid corsages.

A reception for 400 guests was held at the VFW hall of St. Johns. Assisting were Maureen McKean, niece of the bride, Mrs Alan Smith, Mrs Dudley McKean, Mrs Fred Fernholz, Mrs Joel Squires, Mrs Cathy Droste, Mrs Pat Schaefer, Mrs John Bradley and Miss Anne Marie Schaefer.

The newlyweds will make their home at 407 1/2 Mead Street, St. Johns.

Bessie Donpler has returned after a four-week visit in Toledo, Ohio. While there she attended the wedding of a great-nephew, James Harvey Marvin. While there she visited a brother, Claude D. Marvin; a sister, Mrs Mary Rupert and other relatives.

## To show Paul Carlson story

There will be a public showing of the Paul Carlson Story, Wednesday, Nov. 16 at 7:15 p.m. at the First Baptist Church of St. Johns.

Nov. 24, 1964, the attention of the entire world was drawn to the name of Paul Carlson, who in the last weeks of his life became a 20th century symbol of courage and dedication.

Paul Carlson spent years in becoming an outstanding surgeon. Dr. Carlson had learned, at an early age, that his life was not his own. It had been purchased by the living God who desires to exhibit His love through believers in the Lord Jesus Christ.

This story of God's love, meeting the spiritual and medical needs of the people of Congo through Dr. Carlson, has been made into a 53-minute color film which is one of the great missionary films of our times.

BEGINNING WITH a dramatic statement of the claims of the mission fields upon the Christian doctor, and concluding with a widow's prayer with her children, this film makes a stirring impact upon every viewer.

That Paul Carlson's death had a tragic dimension is an inescapable fact. Having endured many weeks of imprisonment, and having lived under the threat of death much of that time, he was only moments away from safety when a bullet ended his life on a Stanleyville street even as Belgian paratroopers, engaged in a giant rescue operation, filled the sky overhead.

4-H Sewing leaders meeting reset for Nov. 17

The clothing leaders training meeting on "Sewing Techniques For Special Fabrics" that was postponed Nov. 3 has been rescheduled for Thursday, Nov. 17, from 10 a.m. to 3 p.m. at Smith Hall in St. Johns.

All Clinton county 4-H clothing leaders and Extension home economics group members are urged to attend this meeting. This day is designed especially for women interested in home sewing and for 4-H clothing leaders, according to John Aylsworth Extension 4-H Youth Agent.

THE WOMEN will be studying fabric characteristics, considerations when buying, pattern selection, and preparation of fabric and special problems. The program will be under the leadership of Lorraine Sprague, Extension home economist.

The morning program will cover the topics of general preparation of all fabrics such as straightening the edges, preshrinking, pattern layout, testing for tension and stitches, and on laces. The afternoon program will cover the topics on stretch fabrics and bonded fabrics and laminates.

The women are invited to attend all or part of the clothing program meeting.

MISS LYNDA K. MUNGER

Mr and Mrs Keith Munger of 211 W. Buchanan, St. Johns, announce the engagement of their daughter, Lynda Kay, to Rick Knight, son of Mr and Mrs George Knight of 207 S. Swegles, St. Johns.

The bride-elect and her fiancé are both graduates of the Rodney B. Wilson High School. She is employed at MHEAA for the State of Michigan and he is employed with the Sealed Power Corp. of St. Johns.

A fall wedding is being planned.

## TOPS reschedule sale for Nov. 11

Due to the storm last week the St. Johns Tops Club did not have a meeting but all members are urged to come this week and bring their sale items.

The club will try to get everything priced and ready to start selling at 8 a.m. Friday, Nov. 11. The baked goods and candy should be brought in on Friday.

The sale will be held at the Senior Citizens Drop In Center on Railroad Street from 8 a.m. until 9 p.m. There will be some antiques, used furniture, new and used clothing, Christmas decorations and other bazaar items, baked goods and candy for sale. Here will be hot coffee and doughnuts on sale at all times.

## Congregational women plan Nov. 10 fair

The Women's Fellowship of First Congregational Church met Nov. 1, in the church narthex at 1:30 with 31 present. Mrs. Beach reported on the turkey dinner held Oct. 13. The calling and card committees continue to remember many of those who are ill or shut-in.

The Michigan Conference of Congregational Churches held their annual meeting in First Congregational Church Oct. 29. Mrs. James Spusta was in charge of the noon luncheon which was served.

Mrs Millman announced final plans for the annual church fair to be held Nov. 10. A cafeteria style luncheon will be served until 1 p.m. The doors will open at 11 a.m.

MRS R. E. Benson presented the program, "The History of the Church Bell." She included some St. Johns' church bells in her report.

Following the meeting, tea was served by the Mildred Knight Division.

## Announcements

The Edwin T. Shiles Unit 153, American Legion Auxiliary, will meet Tuesday evening, Nov. 15, at the Legion hall. Gold Star Mothers and past presidents will be guests of honor. New members will be initiated.

The Hospital Auxiliary puppet workshop will meet Tuesday, Nov. 15, at 9:30 a.m. in the hospital sewing room.

The Hospital Auxiliary Board will meet Nov. 16, at 7:30 p.m. in the hospital sewing room.

United Church Women will meet Friday, Nov. 11, at 1:30 p.m. at Bingham EUB Church. This is to be a make-up meeting for the World Community Day meeting, postponed last Thursday.

Second in a series of seven monthly public Euchre parties sponsored by DeWitt Grange will be held Friday evening, Nov. 11, at DeWitt Memorial Building. Progressive play starts at 8:30 p.m. There will be a lunch and prizes.

The Clinton County Young Republicans will meet Nov. 12 from 6:30 p.m. until midnight in the community room of the Central National Bank in St. Johns. Coffee will be furnished; those attending the meeting are asked to bring a dish to pass. There will be a discussion of programs and activities for the organization during the coming year. Bernard Cain is president of the Young Republicans.

Lebanon Grange will meet Saturday, Nov. 12, starting with a potluck supper at 7. It will be followed by a short business meeting and a Euchre party.

The Clinton County Chapter of the National Foundation of March of Dimes will hold an open meeting Tuesday, Nov. 15, at the Community Room of the Clinton National Bank.

Clinton County Pomona Grange will meet at the Senior Citizen's Drop-In Center in St. Johns Wednesday, Nov. 16. The meeting will be called to order at 11 a.m. with a business session and ritualistic opening in the 4th degree. Potluck dinner will be at noon. Coffee will be furnished by Miss Hazel Halsey of Bengal Grange. The afternoon session will begin at 1 p.m. A program of readings and music will be given. The report of Michigan State Grange held at Allegan last week will be given by Mr and Mrs Clarence Hill, delegates from the Clinton County Pomona Grange.

Wesleyan Service Guild will meet Monday evening, Nov. 14, at the home of Birdaline Smith. Mrs Fern Brandt is the co-hostess.

Jerome A. Smith of St. Johns, Nov. 2, at Clinton Memorial Hospital. He weighed 6 pounds, 15 1/2 ounces. Grandparents are Mr and Mrs Lowell Smith of Edmore and Mr and Mrs Martin E. Broan of Pompano Beach, Fla. The mother is the former Carol A. Broan.

GRETENBERGER — A girl, Sandra Kay, was born to Mr and Mrs Thomas J. Gretenberger of Laingsburg, Nov. 1 at Clinton Memorial Hospital. She weighed 7 pounds, 12 ounces. The baby has two brothers and one sister. Grandparents are Mr and Mrs Marty Gretenberger of Perry and Mr and Mrs Hubert Coleman of R-5, Owosso. The mother is the former Kathleen E. Coleman.

ARENS—A boy, Brian Joseph, was born to Mr and Mrs Dennis Arens of Westphalia, Oct. 30 at St. Lawrence Hospital. He weighed 7 pounds, 5 ounces. The mother is the former Marie Kowatch.

GILLESPIE — A boy, Rodney Lynn, was born to Mr and Mrs William E. Gillespie of R-1, Perrinton, Nov. 3 at Clinton Memorial Hospital. He weighed 7 pounds, 8 1/2 ounces. The baby has one brother and one sister. Grandparents are Mary Schlarf of St. Johns, Steve Gillespie of Bath and Bernice Sattler of Kalamazoo. The mother is the former Helen Weeks.

STODDARD—A boy was born to Mr and Mrs Allen Stoddard of 3413 Crane Avenue, Huntington, W. Va., Oct. 9. The baby has one brother.

CONKLIN—A boy, Eric Duane, was born to Mr and Mrs Duane H. Conklin of St. Johns Oct. 23 at St. Lawrence Hospital. He weighed 7 pounds, 3 ounces. The baby has one sister. Grandparents are Mr and Mrs Ralph Paska of St. Johns and Mr and Mrs Clarence Conklin of Maple Rapids. The mother is the former Phyllis Paska.

CUSKADEN—A boy, Charles Roberts, was born to Mr and Mrs Charles M. Cuskaden of 124 1/2 E. Saginaw, Lansing, Oct. 24 at Edward W. Sparrow Hospital. He weighed 8 pounds, 4 ounces. The baby has one brother. Grandparents are Mr and Mrs Joy Tait of St. Johns and Mr and Mrs Walter Cuskaden of Waldron, Ind. The mother is the former Nancy Tait.

SMITH—A girl, Jayne Marie, was born to Mr and Mrs Leon Smith of Westphalia Oct. 24 at St. Lawrence Hospital. She weighed 9 pounds, 11 ounces. The mother is the former Sandra Fritch.

BROCK—A girl, Cathy Vale, was born to Mr and Mrs Robert Brock of 702 W. Baldwin, Nov. 1. She weighed 7 pounds, 15 ounces. The baby has one brother. Grandparents are Mr Albert Brock and Mr and Mrs Olen Witt of St. Johns.

## Have You Met?

A COLUMN DEVOTED TO NEWCOMERS TO THE ST. JOHNS AREA

DAVID L. RAGLIN and his wife Lucy are new residents of 901 N. Lansing Street, Apt. 2, St. Johns. He is employed at Oldsmobile. They were married Oct. 22. Mrs Raglin was formerly a resident of Mount Pleasant and he was from Mecosta.

RONALD L. BARTON and his wife Karen were married Oct. 29 and are making their home at 207 S. Traver Street, St. Johns. He works at Oldsmobile. She is from Elsie and he lived in rural St. Johns.

DENNIS KOENIGSNECHT and his wife Pat are making their home at 812 S. Clinton Avenue, St. Johns. They were married Oct. 8 and are both from the St. Johns area. He is employed by Karber Block and Tile as an assistant production manager.

## City Brevities

Mr and Mrs James H. Whitaker Sr. of Higgins Lake were Sunday dinner guests of Mrs George H. Brooks and Miss Marjorie Brooks.

Mrs Lottie Miller of Lansing is now employed with the Secretary of State. She is in the Mutual Building and is the daughter of Mrs Cora Bowen of St. Johns.

MISS CHRISTINE J. ZEEB

Mr and Mrs Virgil C. Zeeb of 907 Dell Drive, DeWitt, announce the engagement of their daughter, Christine Julie, to Duane Wendell Huffine, son of Mr and Mrs Alfred Huffine Jr. of 420 Rockingham, Alma.

The bride-elect is a graduate of DeWitt High School and is a sophomore at Michigan State University. The future bridegroom is a graduate of Alma High School and is a senior at Michigan State University majoring in political science. He is affiliated with Delta Sigma Phi.

A June 24 wedding is being planned by the couple.

## Barbara Harte shows stockinette stitch to Jolly Knitters

The Jolly Knitters 4-H Club met at the home of Debra Jaquish Saturday, Oct. 29, with 12 members present.

The meeting was called to order by the president, Barbara Harte. Roll call was answered by stating what the member could do to make their home a happier place. Barbara Harte gave a demonstration of the stockinette stitch.

After the business meeting, Janet Davis led the group in the

playing of several games. Mrs John Jaquish and Debra served refreshments of fortune cookies, doughnuts and sweet cider.

## Bridge session held Saturday

Jaycee Duplicate Bridge was held Saturday, Nov. 5, at the Swegles gym. On the north-south team were Mr and Mrs Wayne Ward, 49 1/2; second, Mr and Mrs Jack Walker, 47; third, Mrs Ralph Lynam and Ken Penix, 45 and fourth, Mr and Mrs Howard Woodbury, 44 1/2.

East-west team winners were Mr and Mrs Jack Hart with 55 1/2; second, Mr and Mrs Earl Creece, 48; third, Mr and Mrs Win Warren and fourth, Mr and Mrs Richard Rutter, 44.

The next session is scheduled for Jan. 7, at 8 p.m. in the Swegles gym. Anyone can enter and it is not necessary to be a husband wife team. Anyone wishing to enter is asked to contact Roger Feeman a week before the session.

## Krepps District

By Mrs Lucille Heibek

Mr and Mrs Carl Thelen and Mary Jane attended a reception in honor of Mr and Mrs David Huhn at Portland Sunday afternoon.

Mr and Mrs Joseph Smith attended the 25th wedding anniversary reception in honor of Mr and Mrs Alex Vitok at their new home on Walker Road Sunday evening.

Mr and Mrs Simon Smith of Westphalia were Sunday supper guests of Mr and Mrs Joseph Smith.

Mr and Mrs Glenn Davis left for their winter home in Florida Tuesday.

What would happen if matrimonial ties were legally dissolved at the age of sixty-five?

## New downtown' proposed

Continued from Page 1

at \$207,000; these are figured as property donations to the project, such as the city parking lot at Spring and Higham, the city-owned house on Spring near State, and the fire station. The amounts are based on appraisals.

THE PARKING LOTS INCLUDE costs of acquiring the vacant land from the project and improvements to the lots by the city. All or a major portion of these costs would probably be financed through special assessments.

"It would also be possible to convert some of the other site improvements to non-cash local contributions if the city should desire to install some of these improvements with city funds," Vilican - Leman said. "These would of course reduce the cash contributions proportionately." The "cash contribution" to the project by the city would amount to an estimated \$457,000, which could be raised, in part, by special assessments against properties benefitting from the parking lots, and in part by general fund taxation. No definite method or procedure for obtaining the local share has been decided on by the commission.

IF A SPECIAL assessment district is set up—assessing for benefits received from the parking areas—the district would not necessarily be confined to the six-block urban renewal project area. The commission could figure that properties across Spring and Brush streets would benefit from the parking, and so an assessment district could include surrounding blocks as well as the central business district. Here again, city officials pointed out, nothing has been decided, and the assessment phase of the project could remain fluid for 10 years until the project is completed.

LEE JOLGREN of Vilican-Leman is the project planner on the St. Johns urban renewal plan. He presented the proposals to the commission at its meeting last Tuesday and commented that St. Johns is "lucky" to have a project area so well suited to urban renewal.

"You have six blocks here that are well contained," he said. "There is no question there is potential here for redevelopment. The Larry Smith Co., which did our marketability study, says there is good demand for a large store, smaller stores, shops and offices."

The big problem in downtown St. Johns now, he said, is lack of parking space. "You need 560 to 800 parking spaces," Jolgren said. The Vilican-Leman proposal figures on about 700 off-street spaces, predominantly in the horseshoe-shaped area around the second and third blocks of North Clinton Avenue.

THERE'S A LOT of obsolescence in the project area, Jolgren said, particularly in the north end. There are also some good sound structures there, too, he said, "but we propose we would have to take them all if we are going to benefit the whole project."

Except for the proposed large building in the 300 block, most of the two northern blocks would be taken up for parking. The area behind the stores in the 100 and 200 blocks would also be cleared to provide parking.

There are exceptions there, however. The Vilican-Leman map shows the post office, A & P Store, Clinton National Bank Auto Bank, the city building, the Clinton County News building and Peterson's Shell station remaining.

"BUT PARKING IS only incidental," Jolgren pointed out, "if you've got a good thing in the heart of the business district, you're OK."

In addition to the new buildings, the "heart" would involve the pedestrian mall and canopy-covered sidewalks.

"Your central business district lends itself to a mall," Jolgren said, "because of your wide streets, the view and the definite break in the business area. A pedestrian mall will give St. Johns a shopping center style rather than a strip shopping center style of business district."

The canopy from State to Walker Street would help tie the whole area together, Jolgren commented.

HERE'S VILICAN - Leman's breakdown of the estimated cost of the urban renewal project: Survey and planning \$80,000; project administration \$201,000; site clearance \$174,000; site improvements \$374,000; interest \$91,000; federal inspection fees \$20,000; property acquisition, \$1,613,000; contingencies \$134,000; and non-cash local contributions \$207,000 (property donations \$40,000 and parking lots \$167,000).

Costs for site clearance and site improvements were prepared by Williams and Works. Site clearance includes demolition of those structures proposed for

acquisition, pavement removal as necessary and rough grading.

SITE IMPROVEMENTS include resurfacing of all streets to remain, installation of new sidewalks on all streets, development of the pedestrian mall on Clinton from Walker to Higham, installation of a permanent sidewalk canopy and necessary adjustments to sewers, water mains, street signs and lighting.

Property acquisition costs are based on an appraisal of real estate by Fitzgerald and Fitzgerald of Trenton, Mich., and an estimate of costs for irremovable fixtures by S. M. Dix Co. of Grand Rapids. Estimates for proceeds from sale of land were prepared by Groseloclose-Williams and Associates of Washington, D. C.

## Pewamo

By Mrs Irene Fox

DATE CHANGE Blue Star Mother's Club meeting will be Nov. 21 at the Elementary school starting at 8 p.m. Mrs Clara Caston will be the hostess.

Bake sale will be held Saturday, Nov. 12 at Davarn's Equipment starting at 1 p.m. and sponsored by the Blue Star Mothers.

Mrs Mary Wahl and Mrs Mildred Fox left Saturday, Nov. 5 to attend a wedding shower for Miss Joyce Smartz of Detroit at Roma Halls. Two hundred guests attended. Joyce Smartz will become the bride of John Fox, son of Mr and Mrs Thomas Fox of Royal Oak, next February.

Mr and Mrs Paul Bissell of rural DeWitt visited their parents, Mr and Mrs Floyd Bissell Sunday.

Mrs Nellie Fox was hostess for her Pedro Club Tuesday, Nov. 1.

Hunters Ball Saturday will be Nov. 12 from 8:30 to 12 at St. Joseph's parish hall of Pewamo. Thelens Orchestra will furnish the music.

Miss Aurella Cook spent several days with her aunt, Mrs Stanley Burgess of Grand Rapids the past week.

Mr and Mrs Joseph Haskins of Ionia and Levi Haskins of Phoenix, Arizona, were visitors of Mr and Mrs Floyd Bissell Thursday.

Mr and Mrs Kenneth Corey and family of Crystal were visitors of their parents, Mr and Mrs Thomas Bushong.

Mr and Mrs Edwin Rasmussen of East Detroit spent the weekend with their father, George Sablin.

Mrs Edward Droste is still at the Ionia County Memorial Hospital as a medical patient. She was admitted Oct. 30.

Mrs Vera Cook, Mrs Joan Daniels, Mrs Hilda Schafer and Mrs Irene Fox were Sunday callers of Mr and Mrs Norbert Fox and family at Lansing.

Mrs Mary Wahl visited her sister Mrs Rose Farrenkopf at the Donahue home at Ionia Wednesday afternoon.

Hayward Smith of Kalamazoo, formerly of Colon, visited Mr and Mrs Bernard Schafer and family during the past week.

Mr and Mrs Ernest Schafer and Mrs Pauline Hauck attended the Jeffery-Balen wedding Saturday at Westphalia.

Mr and Mrs Philip Hauck left by plane at Grand Rapids to return home to Portland, Ore., after a two week visit with relatives in this area.

Sunday, Nov. 6, the children, brother and sisters of Mr and Mrs Reynold Miller surprised them at their home by serving a potluck dinner in their honor for their 25th anniversary. Their son Tom was home from St. Joseph Seminary of Grand Rapids for the occasion. They also had telephone calls from their son, Don, who is in the service at Fort Dix, N. J., and from Mr and Mrs James Hillbrandt of Tacoma, Wash.

George Libey (left) wields the shears and with help from his wife cuts the ribbon officially opening the new Maple River bridge west of Elsie named in his honor. Standing with them are the two other Clinton County road commissioners, Paul Nobis and Bernard Zeeb.

## It was Libey's Day

### New bridge dedicated in his honor

ELSIE—It was George Libey's day at Elsie last Wednesday afternoon, and 75 or so people who braved cold, wet winds were there more to pay tribute to him than to officially open the new bridge over the Maple River.

They did both, Libey, who is retiring in January after 18 years on the Clinton County Road Commission board, was honored in three ways, the most permanent of which was the naming of the bridge as the George E. Libey Bridge.

THE 189-FOOT concrete-steel span, costing \$120,000, bears a metal plaque encased in the southeast abutment with Libey's name and service record on it.

Derrill Shinabery, chairman of the board of supervisors, read a resolution praising Libey for his 18 years of service to the county, and County Clerk Paul Wakefield presented him with a certificate of merit.

Then Libey and his wife, Eva, took up four-foot scissors to cut a ribbon marking the opening of the bridge. The ribbon, which broke twice in the wind before the ceremony, wouldn't break for the scissors, and a smaller, six-inch pair had to be pressed into service.

The Old-Elsie High School band led a procession of walkers across the bridge to close out the ceremonies.

THE BAND OPENED the program at 2:30 by playing the National Anthem, and then the

County Clerk Paul Wakefield (second from left) presents a certificate of merit to Road Commissioner George Libey while Road Commissioners Paul Nobis and Bernard Zeeb look on.

Rev Gordon Showers of the Elsie and Duplain Methodist churches gave the invocation. Road Commission Chairman Paul Nobis introduced guests, who included the other Commissioners Libey and Bernard Zeeb, consulting engineer G. L. McLavay, contractor W. E. Fry and county engineer and project engineer A. L. Drago.

Nobis, in presenting the bridge to the people of the county, pointed out that it is an impor-

tant new transportation facility for the county and eliminates a dangerous curve on Island Road.

Shinabery then accepted the bridge on behalf of the people of the county. Others speaking during the program were George Moore, supervisor of Duplain Township, Durward Conklin, president of the Village of Elsie; and Libey.

THE NEW BRIDGE replaces a through-truss bridge near the dam at the west edge of Elsie. It was built in 1901. The dam impounds a reservoir that is viewed as having recreational possibilities, and the Elsie Lions Club is considering establishing a park in the vicinity of the old bridge.

The old bridge will be used in the future as a pedestrian walkway only, and the road across it will be closed off.

## Maple Rapids

## Mrs Bailey hosts Sorosis Club

The October meeting of the Maple Rapids Sorosis Club was held at the home of Mrs William Bailey. After refreshments, the meeting opened with the pledge to the flag in unison.

Several members planned to go to Greenville Thursday to attend the district convention to be held at the First Methodist Church.

After the business meeting a program was given by the committee of Mrs Harold Annis, Mrs Dee Allen and Mrs Harold Berry.

Twenty members answered to roll call. The November meeting will be held at the home of Mrs William Miller.

## Elsie

By MRS. NEVA KEYS, Correspondent

## OES installation held Friday

ELSIE—Because of the severe snow storm Thursday evening, the regular meeting of the Elsie OES No. 69 was held Friday evening and also the installation of the 1966-67 officers at a closed ceremony.

Mrs R. D. Martin and John Hall were re-installed to head the chapter activities for the ensuing year. Mr and Mrs Archie J. Moore will serve as associate patron and matron while Mrs John Hall and Mrs William Wilson will continue as secretary and treasurer, respectively.

Mrs C. H. Sills and Mrs Dale C. Levey were chosen conductress and associate conductress while Miss Erna Vincent, Robert Kridner and Mrs R. D. Praay will attend the duties of their offices as chaplain, marshal and organist.

THE STAR POINTS are: Adah, Mrs George Blayne; Ruth; Mrs Paul Platner; Esther; Mrs C. S. Goodrich; Martha; Mrs Luman Hall and Electa; Mrs Robert Kridner.

Mrs Robert Baker and Luman Hall, as warder and sentinel, completed the corps of officers installed. The color bearers will be Mrs Ray Smith, Christian flag, and Mrs Harold Smith, OES flag.

The installation ceremony was given by past matrons of the local chapter. They were: installing officer, Mrs George Blayne, who was matron 1923-25; marshal, Mrs Leroy Vincent 1949-50; chaplain, Mrs Harold Smith, 1959-60 and organists, Mrs R. D. Praay, 1947-49 and Mrs C. S. Goodrich, 1927-29.

Worthy Matron Mrs Martin thanked her officers for their cooperation in the past and asked for continued support for the good of the Order.

ON BEHALF OF the officers Mr and Mrs Luman Hall presented Mrs Martin and John Hall with gifts to show appreciation of their efforts.

Mrs Martin gave a brief resume of the recent Heritage Session of Grand Chapter in Grand Rapids in which she served as a grand guardian. Mrs Alex Dunay also represented the local chapter.

Under the direction of the worthy matron, letters were previously sent to the more than one hundred members urging them to consider the importance of assuming an office and attending regularly in order to continue the worthy projects of the Order. Failure to do these things could indicate a lack of interest, she said, and might well result in serious consequences for the future of the Chapter. Many members by their letters or presence, expressed their sentiments and offered renewed efforts toward the activities of the chapter.

The Sunshine committee reported that Mrs Lulu Rule is re-

## Keith Thornton brings home the turkey

Keith Thornton of rural Elsie was one of 400 issued permits to hunt turkey in Lake County during the week-long season.

Accompanying his brother, Marland, he left here early Saturday morning and 12 hours and 270 miles later, was back home with a 10-pound, 10 ounce turkey.

They drove to the Nirvana area and were out for only an hour and a half in the field. Keith said he used a 12 gauge shotgun with No. 2 shot and 12 gauge magnum shell to drop the turkey which was checked in as number 37 at the Conservation headquarters in Baldwin.

A Lake county game map was pin-pointed where the hunters found their turkeys to aid in determining the size and location of flocks.

THE ORIGINAL STOCK came from Pennsylvania about 12 years ago and was released in various localities, according to the hunters. This was Lake county's first season for the turkey hunt. Other Michigan areas this year were Allegan county and Beaver Island.

The turkey differs slightly from the tame variety as the tips of its tail feathers are brown instead of white and the bird is much leaner. It can fly as fast as a pheasant and run like a deer.

The birds nest in the high and dry wooded areas and feed on acorns and insects. This is the area where Thorntons go deer hunting each year.

covering from a broken hip at the Pleasant View Nursing Home and William Wilson is seriously ill at the Owosso Memorial Hospital.

Secretary Mrs John Hall read the Thanksgiving letter from WGM Bernice Hiller of St. Clair Shores and WOP Kenneth Wiseman of Trenton. Since 1966-67 is the centennial year for Michigan's Grand Chapter, the following watchwords have been chosen—patience, understanding and love. The motto will be: "Honor the Past; Serve the Present; and Plan the Future". The patriotic colors red, white and blue will be used throughout the centennial year celebrations.

Announcement was made of the joint school of instruction at the Ovid Masonic Hall with the St. Johns and Elsie chapters also participating. It will be held Tuesday, Nov. 22, at 7:30 p.m. with Grand Conductress Mrs Lucille Koken of Ann Arbor as instructor.

MRS MARTIN announced that a rummage sale will be held at the Masonic Hall Fridays and Saturdays, Nov. 11 from 9 a.m. to 9 p.m. and Nov. 12 from 9 a.m. to noon and also Nov. 18 from 9 a.m. to 9 p.m. and Nov. 19 from 9 a.m. to noon with Mrs R. D. Praay in charge. Mrs Praay has asked members to bring their articles on Thursday in order to price and display them prior to the sale.

A social hour followed in the dining rooms where Mr and Mrs Kelley Carter, Mr and Mrs Alex Dunay, Mrs Helen Carter and Mrs Majel Swanbeck were in charge.

## West Chicago poverty told

"The Affluent and the Poor—the Christian's Dilemma" was the study theme of the school of Christian Missions held at Northwestern University in Evanston, Ill., last summer. Attending the five-day conference from Elsie were the Rev and Mrs Gordon Showers of the Elsie and Duplain Methodist Churches. Mrs Showers discussed the highlights of the school before members of the Woman's Society of Christian Service in the home of Mrs C. S. Goodrich Wednesday evening.

To the question "who are the poor?" she gave examples of young girls and mothers of Brazil and Rhodesia; refugee camps of Seoul, Korea; U.S. Appalachia; and the ghettos of Westside Chicago.

MRS SHOWERS described several bus trips through the Westside area including; the Night Pastor who counsels 2,000 people; Furman House settlement, a high-rise apartment building serving 40,000 families and the old Woodlawn Presbyterian Church where earlier the Black Stone Rangers had previously met to plan picketing a housing development.

There were six buses with planned tours for those who cared to see the "Appalachia" of Chicago. These were just a few examples of the "faces of poverty" and how the "affluent" are helping. Mrs Showers closed with a plea for mission workers as "there is no way to love God without serving people".

The local WSCS has given sums of money to a Girls' Dept. Mreva in Rhodesia, Africa, and the Harriet Ballou New Hope Center in Sioux City, Iowa, as the year's "supply askings", according to president, Mrs Alpha Grubaugh.

MRS L. W. BURDICK gave the devotionals before a white satin-covered altar arranged with a white cross and light of the world over the open Bible. Mrs Ralph Stull, secretary of spiritual life, distributed names of missionaries and the countries they are now serving. She asked that each member offer prayers for their own well-being and also service to the people.

It was decided to continue giving hymns in memory of deceased members. The new Methodist hymnals will be available soon.

The report of the recent harvest supper and bazaar was given by treasurer, Mrs Howard Peltier. It was one of the most successful, financially, as well as enjoyable. Dessert and coffee were served at the social period by Mrs Philip West, Mrs Eugene Stouffer and Mrs Merle Baese.

## Benefit card party nets \$115

More than \$115 was realized from the Library Benefit card party sponsored by the Woman's Literary Club at the Knight Elementary School Tuesday evening. This was the seventh annual benefit for the Elsie Public Library sponsored by the women.

There were 13 tables of progressive cards in play with first prizes drawn by Mrs Harry Grenlund and Mrs C. S. Goodrich and consolation awards to Mrs Alton Fizzell and Edward Peltier. The traveling prize was won by Mrs Gail Bates while the door prize, a large turkey, was drawn by A. W. Cobb.

Mrs Orpha Clement served as chairman with the following committees: tickets, Mrs Harold Heldebrandt; social, Mrs Durward Conklin and Mrs Boyce Wooley; and properties, Mrs Joe Micka, Sr.

At the close of the evening, cake and coffee were served by Mrs Ouida Smith, Mrs Rose Smith, Mrs Don Richard, Mrs Ward Lewis, Mrs Lewis Carter and Mrs Donna Wooley.

Orlo Mead Sr., underwent surgery at Sparrow Hospital in Lansing Thursday.

Mrs John Glowney is under treatment at the Clinton Memorial Hospital where she was taken Tuesday.

Mrs Gladys Coslette accompanied her sister, Mrs Helen Stephens of Mt. Pleasant, to Mackinaw City where they spent last weekend with cousins, Mr and Mrs Harry Hettinger.

## Eagle

Mrs Charles Higbee

Mrs Ronald McCrumb flew to Alabama Saturday night to attend the golden wedding anniversary of her aunt and uncle. She returned Tuesday, Nov. 8.

The family of Pearl Leonard got together Sunday to help her celebrate her 86th birthday.

Rev Tripp came home from the hospital Wednesday.

Mayme Smith was an overnight guest at the home of her nephew, Art Foster of Lansing, last Friday night.

Nettie Shay of Lansing is spending this week with her sister, Mayme Smith.

The village council meeting was held Monday evening. It was held one week early this month because some of the members will be leaving for deer hunting before the regular date.

Mr and Mrs John Cooper Jr. and family of Lansing spent Sunday at the home of Mr and Mrs Carl Falor.

Mr and Mrs William Ingler attended the golden wedding anniversary of Mr and Mrs Victor Heil of near St. Johns Sunday.

Esther Preston of Arizona is visiting her mother, Mrs William Ingler, for a little while.

## Riley and Olive

By Mrs Goldie Moore

## Silver Anniversary

The children of Mr and Mrs Valentine Stoy honored them with a dinner for their 25th wedding anniversary Sunday, Nov. 6. It was held at the home of their oldest daughter and son-in-law, Mr and Mrs James Becker of W. Walker Road, St. Johns. The guests included their parents, Mr and Mrs Delmer Baker of St. Johns, Mr and Mrs Wendell Bolton and family of Ovid, Mr and Mrs Clyde Peck of St. Johns, Mr and Mrs Karl Schaeffer and family of Forest Hill, Mr and Mrs Ray Moore of DeWitt and their wedding attendants, Mr and Mrs John Schumaker Sr. of rural St. Johns.

In the afternoon many of their friends and relatives surprised them and helped them make the day a happy and memorable one. Wedding cake, ice cream, chocolate cake, punch and coffee were served in the afternoon. They received many gifts.

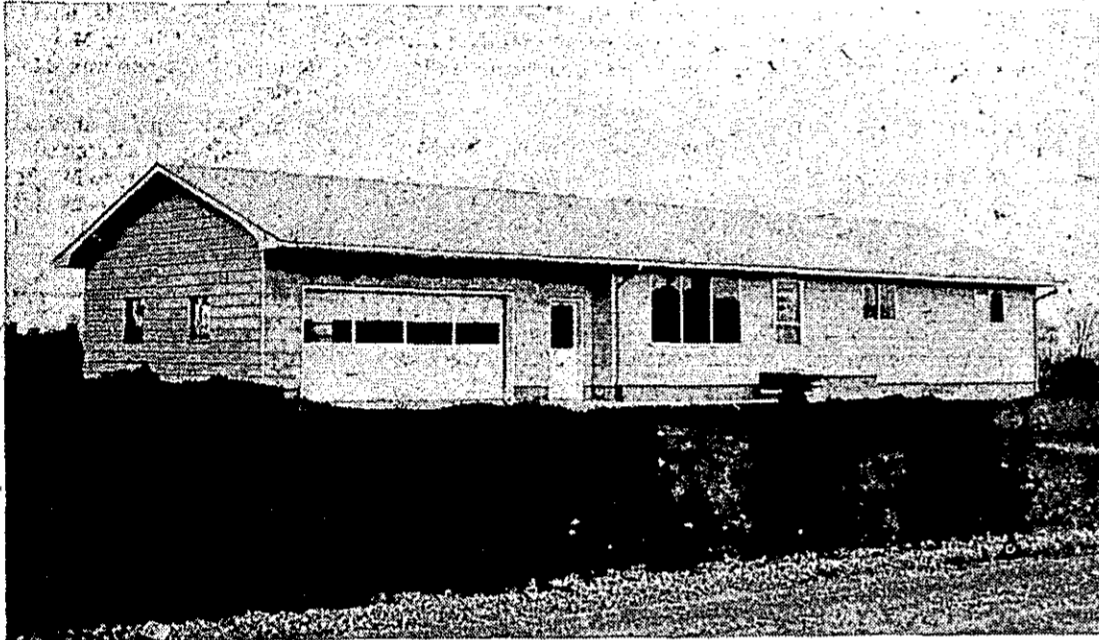

Valentine and Mildred (Baker) Stoy were married Nov. 8, 1941, at Angola, Ind. and have resided on their farm on Lowell Road these 25 years. They have four children: Mrs James (Janet) Becker, Carole, William, and Sharon and one grandchild, Jill Becker.

Mr and Mrs Lloyd Brocker, Mr and Mrs Ted Plotrowicz and family of Garden City, and Mr and Mrs Dudley Anderson and family of Lansing were Sunday dinner guests of Mr and Mrs Jerold Brocker.

Mr and Mrs Dale Blizard and Brian were Thursday supper guests of Mr and Mrs Arnold Blizard, Larry and Bruce, honoring the birthday of Mrs Kay Blizard.

Shown Sunday at the dedication of the new Salem EUB Church parsonage are members of the building committee. Left to right are, front row, Mariam Randolph, Thelma Woodbury, Gladys Hankey, Ernest Wing and Rev Ralph Conine; and back row, Elmore Randolph, Gerald Kindel, Dennis Phillips and Raymond Kindel. Absent when the picture was taken was Oliver Beck.

New parsonage for Salem EUB Church north of St. Johns

Rev. Lawrence Taylor, conference superintendent for the Michigan Conference of EUB churches (right), presents the keys to the new Salem EUB Church parsonage to pastor Rev. Ralph Conine Sunday. Looking on are Elmore Randolph (left), the contractor for the house; Gerald Kindel, chairman of the building committee; and Edwin Harger, church trustee.

### 100 attend dedication of church parsonage

Nearly 100 persons attended dedication services and open house Sunday afternoon for the new parsonage at the Salem Evangelical United Brethren Church at the corner of Gratiot County Line Road and US-27. The Rev. Lawrence Taylor, conference superintendent of the West District, spoke on "What Do You Have in Your Hands?" Church trustees Joe Purves, Glen McComber and Edwin Harger presented the keys to the parsonage to Rev. Mr. Taylor, who in turn gave them to Rev. Ralph Conine, pastor of the church. Mrs. MARY Schlarf, church organist, furnished the prelude music and accompanied Mrs. Gayla Phillips as she sang "Bless This House." The benediction was by the Rev. Lehman Longnecker of the Mennonite Church. Flowers were furnished by Mrs. Mary Phillips. Coffee, cookies and punch were served by the Women's Society of the church. The new parsonage contains three bedrooms, a full and half-bath, kitchen, living room, two-car garage and a full basement. Elmore Randolph of R-3, St. Johns, was the general contractor.

### DeWitt PTA to discuss extent of junior high renovation

DeWITT—DeWitt School District residents are invited to attend the PTA meeting next Wednesday evening where they'll have an opportunity to express their opinions regarding the extent of renovation of the junior high school. The school board has about \$400,000 from a bond issue to spend on an addition to the elementary school, renovation of the junior high and development of outdoor athletic facilities at the new high school.

ARCHITECTS FOR the junior high renovation have submitted proposals that can be adjusted to cost anywhere between \$120,000 and \$200,000. The elementary addition will cost about \$200,000. The school board is seeking an expression of the people on whether to spend the other \$200,000 on the renovation or use part of it for the athletic field as originally designed. The PTA meeting next Wednesday, Nov. 16, will begin at 8 p.m. at the senior high school.

### 29 take scholarship examination Nov. 5

By SUE THELEN  
Pewamo-Westphalia High  
Twenty-nine students took the Michigan Higher Education Assistant's Authority Scholarship test at Michigan State University and Carson City High School, the area testing centers, on Saturday morning, Nov. 5. On Monday, Oct. 31, 35 college-bound juniors and seniors attended College Night at St. Johns High School. Representatives from 17 state colleges and universities gave information about the various institutions.

The parent-teacher conferences will be held on Nov. 10, from 1 to 4 in the afternoon and 7 to 9 in the evening. All parents are urged to attend. The Future Teachers Club members working at the conferences will be identified by their pins. REGISTRATION is now open for juniors who wish to take the National Merit Test on Feb. 25. This is an opportunity for all juniors interested in financial help in furthering their education after high school. A candy machine was installed by the student council during the past week. The profits will go to that organization. The GAA meeting scheduled for Wednesday evening, Nov. 2, was cancelled due to the weather and the fact that the sponsor's car would not start. The Future Homemakers of America held a party at 8 p.m. Sunday, Oct. 30, for all members who trick-or-treated for UNICEF. Approximately \$77 was collected in the Pewamo-Westphalia area. THE SECOND EDITION of the school paper, "The Pirate's Log," went on sale Monday, Oct. 31. The editor, Jenny Wood, and her staff are doing their best toward making it an informative and interesting paper. Their effort is well-appreciated by the students and faculty who agree they are succeeding. The monthly class meetings were held Wednesday, Nov. 2. The seniors discussed the possibility of freshmen initiation and chose a committee to see Mr. Cassin, the principal, about it. The juniors made plans to raffie a radio and a rifle. Neither the date of the raffie or the price of the tickets have been settled yet. The sophomores are making preparations for their dance on Nov. 11. The freshmen planned a roller-skating party to be held at the Ranch Roller Rink in St. Johns.

### 9 compete at P.W. in Math

By G. SUE THELEN  
Pewamo-Westphalia High School  
Nine P-W students competed Tuesday, Oct. 25, for the Michigan Mathematics Prize Competition test. Results will be returned to the school within the next two months. An assembly was held for the juniors and seniors on Oct. 24. The boys gained information about the Army by means of a film and talk presented by two Army officers. A lady representative from the same branch of military service held an informal discussion with the girls. A bonfire and snake dance make up the well-attended pep rally held on Thursday evening, Oct. 27. CONGRATULATIONS to Joan Kramer who was elected vice-chairman of Region 8 at the regional meeting which FHA members attended at Michigan State University on Oct. 15. At the Red Cross chapter award ceremony at the convention, the P-W chapter received a citation for outstanding work. On Oct. 30, so as not to outdo the kiddies, the FHA girls went trick or treating for UNICEF. The girls reported the people of the surrounding area very generous, and about \$75 was collected. Following the collecting, the girls met at P-W High for a Halloween party.

### DeWitt superintendent signed to 3-year pact

DeWITT—The DeWitt Board of Education Tuesday night signed Supt. Hobart Jenkins to a three-year contract running until June 30, 1969. Members of the Merry Mixers square dance club celebrated the 20th wedding anniversary of Mr. and Mrs. Otis Hills at the home of Mr. and Mrs. Russell Janz Saturday night. Those attending were Mr. and Mrs. Russell Farr, Mr. and Mrs. Arnold Orday and Mr. and Mrs. Charles LaMacchia. Mrs. Michael Ridge entertained a group of friends at a stork shower for Mrs. Larry Mull last week. Mrs. Joe Wheat is convalescing at home now after her long stay in the hospital. ON THE SKIDS When a man's honesty and integrity break down he can find no place to get spare parts.

### Fowler High open house

By JOANNE THELEN  
Fowler High School  
To commemorate American Education Week open house will be held at Fowler High Nov. 9 and 10. Also parents night will be held at this time. All those interested in seeing the new addition, expanded classrooms and new equipment will have an opportunity to do so Wednesday and Thursday from 7 to 9. The choir has approximately 35 members now. It is under the direction of Mr. Nelson who is also band director. Practices are held during lunch hour on Thursday and Tuesdays. Several seniors took the State of Michigan competitive scholarship test Nov. 5. The test given at Carson City-Crystal High School in Carson City began at 8 a.m. and was completed at noon. A JUNIOR CLASS meeting was held Friday, Oct. 28, during activity period. Its purpose was to complete final plans for their bake sale held Nov. 5. Class dues were discussed and it was decided to set them at \$1.50 per person. The class treasury will be used to help finance the class trip in the spring. Suggestions were made for their prom.

### Football's over, but Fulton still busy

By JANET MANCHESTER  
Fulton High School  
Things have calmed down after a very exciting and successful football season, but there's always something happening at FHS. Students ordered their 1967 "Talespin" last Thursday and Friday. This year's editor-in-chief is Lana Aldrich. Other members of the staff are: Linda Miller, Sandi Borie, Nancy McKinney, Diane Halsted and Karen Cole. The advisor is Drew Sayers, our Journalism instructor. FHA AND FFA meetings were held on Thursday, Nov. 3. The girls' meeting was conducted by President Brenda Upton. The songleader, Betty Todd, led the group in singing. The boys' meeting was led by President Mike Wright. They are planning a hayride for later this fall. The ag classes just harvested their corn crop, which they planted last spring just south of the high school. The proceeds go to the school's activity fund. WE WERE HAPPY to have two boys place in the Regional Track Meet held in Mt. Pleasant. Duane Temple, a senior, placed first, and Jeff Dean, a junior, came in third. Tryouts for girls' basketball were held last Thursday. After much hard practice, girls were chosen for a JV and varsity team. The varsity will be wearing brand new uniforms this year. Something else new has been added. For the first time, the girls will have their very own cheerleading squad. The following girls were chosen in tryouts held last spring: Connie Reynolds, captain; Pat Holland, Sindy Powers, and Carolyn Ramsey. MIDDLETON—Fulton High won the rotating attendance plaque at the Region 11A FHA meeting by having 68 per cent of their 110 members present. The Oct. 22 meeting was held at Merrill High School, with over 500 girls attending. Speakers were Dr. Evelyn Rounner, head of the home economics department at Central Michigan University, and Darrell Thomas, family life educator of the Flint Community Schools, whose talk was entitled "What you do, Speak so loudly I can't hear what you say." Betty Todd conducted the elections and also gave a report on the National Convention at St. Louis, Mo. Helping her with this was Corinne Webster, state parliamentarian from Dansville. Newly elected regional officers from Fulton are June Wright, treasurer, and Patricia Holland, parliamentarian. Mrs. Harold Todd, Mrs. Ralph Wood, Mrs. Robert Upton, Mrs. Ivan Manchester, Mrs. Joseph Slepr and Mrs. Ray McKinney, FHA advisor, also attended the meeting. Carat for carat, a flawless emerald of good color is the most precious gem and may cost more than \$2,800 per carat.

### Rodney B. hosts moms, dads at open house

By GAY BOND  
St. Johns High School  
This week is American Education Week at Rodney B. as it is throughout the nation. To start the week off with a bang the parents of the students were invited to an open house at the high school. Parents with their last name beginning with A-L came Monday night. Those with last names beginning with M-Z attended Tuesday night. This open house was proposed to have the parents meet the teachers and talk over the progress of their child. THE HONOR ROLL statistics came out with the mighty seniors far in front of the other classes. The first marking period ended with 84 seniors on the honor roll. The freshmen were next with 75, then the sophomores with 64, and finally the juniors with 59. Congratulations are extended to 18 students who had all A's. The mighty Seniors again took the honors with 10 students registering all A's with the Juniors having six students with all A's. To coincide with election day the government classes held a mock election. Last week each student gave a nomination speech for the candidate of their choice. Last Tuesday night in an open student council meeting the prom situation was reviewed. The council distributed questionnaires to all students concerning the proms and the results were made public at the meeting. THESE FOUR proposals were listed with each student picking the one they favored: 1) The present system (which is two proms with the seniors sponsoring the winter prom and the juniors the spring prom); 2) Christmas Ball sponsored by the student council and a joint senior and junior prom; 3) Christmas Ball and just a junior prom. The results were tallied and the school generally favored the Christmas Ball with a joint senior and junior prom in the spring. The council, taking the results seriously into consideration, passed this proposal. THIS SATURDAY night, Nov. 12, will be Varsity Night and is open to the public. This event will be held in the gym. Appearing on the program will be the marching band, concert choir, two local dance bands, The Fire House Five Plus Three, and others. Proceeds will go into the music fund.

"OVER A QUARTER CENTURY OF SERVICE"

Be sure to look at the qualifications of this smart home in southeast section. It certainly has one of the handiest and fully equipped kitchens of any home no matter what the price. Built-in oven and range, vent fan, disposal and refrigerator. Walk-out doods to patio. Divided basement with extra half bath and many more "plus" features.

You can cook your Thanksgiving dinner in this lovely ranch on S. Traver. Attached garage. Direct entrance to basement, kitchen and half bath. Large living room and three good size bedrooms. Just waiting for a happy owner.

You will be surprised when you see this ideal all new gas home in St. John's finest new well planned area. Drive out through Prince Estates and see for yourself. A home here is a future investment as well as a distinctive place to live where your family will have the best.

An economical one! A neat new Cape Cod near grade school. Can be expanded to 4 bedrooms. Now 2 bedrooms down. Both carpeted. Carpeted living room. Large kitchen with extra dining area. Lot big enough to add a 2-car garage. Never again a price like this!

Just listed. 3-bedroom ranch built in 1966. Extra size kitchen with built-in Tappan range and oven. Unique divided bath, 1/2 opens to master bedroom the other into the hall. Full basement, 2-car garage. Street newly curbed and guttered. 100 x 165-foot lot. Rear all fenced in. Ideal situation for kids and pets. Priced to move.

Just listed. A modern home in the country with 2 acres. 2-car garage. Owner will consider contract. Not many of these to choose from. Hurry as listed for a short time only.

Just listed. 200 acres, mostly all wooded, would make wonderful private park. An opportunity of a lifetime.

Wanted—Three more sales have depleted our used home inventory. We need others now!

HOLD SPECIAL MASS FOR DISCUSSION CLUB

Father William Hankerd of St. Joseph Catholic Church in St. Johns discussed the items used during a special mass last Friday night for the Vatican II renewal discussion club at the Albert Hufnagel home on West Walker Road. Members of the group gather around the table. Standing next to Father Hankerd is Maria Witt, the new Mexican exchange student here for two months, and seated at the right is Mrs Hufnagel, discussion leader.

Methodists have UN night

United Nations Night was observed recently at the Bannister Methodist Church with 90 children and adults attending. Mrs. Thomas Moore was in charge of the program. Alice Ensign led the group singing to open the program. Mrs. Thomas Bradley gave a summary on the United Nations as it celebrates its 21st year of working towards peace. She told of UNICEF and the help it has given to mothers and children in Europe. She closed with a prayer for peace.

Several children dressed to represent other nations. Mrs. Moore introduced Todd Moore, representing Mexico; Cathy Ensign, Spain; Vicki Valentine, France; Elizabeth Ensign, an American Indian and Marcie Moore, an American sailor. Mrs. Bradley displayed a poncho and a skirt sent to her from Ecuador.

SPECIAL GUESTS were Chris Wallfelt, an exchange student from Sweden and his adoptive parents, Dr. and Mrs. Jackson Bates of Ovid. Chris told of his impressions of America and entertained the group by singing and playing guitar. Taru Latrisht, an exchange student from Finland, attended along with her adoptive parents, Dr. and Mrs. Earl Slagh of Elsie. Taru entertained by playing a piano solo. Other special guests were Mikael Ask, an exchange student from Sweden and his adoptive parents, Mr. and Mrs. Roy Davis of St. Johns. Mikael played the guitar and sang a Swedish folk song.

Sharon Stewart of Bannister showed slides of her European trip taken this summer. She gave an interesting travelogue that took the group through seven countries. Following the program, a variety of foreign pastries and breads were served.

One hundred and fifty-eight persons attended the quarterly hymns at the Ashley Pilgrim Holiness Church Sunday evening. Group singing was enjoyed and special numbers were given by each church represented. Eight churches from the surrounding community combined for an evening of singing.

## 40 to be drafted this month, but Clinton area men get breather in December

Clinton County's draftable young men will get a breather in December from the anxiety about watching for their "greetings."

For the first time since April, the county draft board is not being asked to supply men for the Michigan Selective Service. It's a sharp reversal from this month when 40 men are going.

Clinton County's draft quotas have been consistently high for over a year now, reflecting the Vietnam war situation. Only in January and April was there no draft call in the county.

EQUALLY HIGH in number has been the men called for pre-induction physical examinations. Thirty-one men are being called for exams this month, and in December there'll be 37.

Draftees leaving this month from Clinton County will go to Detroit next Wednesday, Nov. 16. They are:

- Morris Nisse of DeWitt
- Allen Hayes of St. Johns
- Charles Svacha of Bath
- Charles McMullen of St. Johns
- Lawrence McMullen of St. Johns
- Douglas Staines of St. Johns
- Bruce Thelen of Westphalia
- Walter Mansfield of East Lansing
- Raymond Mattoon of Lansing
- Harold Taylor of St. Johns
- Leslie Sloat of Ovid
- Leonard Cartwright of Maple Rapids
- Allen Boak of St. Johns
- James Rademacher of Fowler
- Jeffrey Wiegand of Ovid
- Roy Pline of St. Johns
- Terry Shreff of Lansing
- Ronald MacLuckie of St. Johns
- Carl Workman of St. Johns
- David Parkhouse of DeWitt
- Terry Ordway of St. Johns
- Thomas Carter of St. Johns
- Charles Smith of St. Johns
- Joseph Wohlfert of Fowler
- George Sills of St. Johns
- Billy Gardner of St. Johns
- Clayton Eby of Lansing
- Ernest Isenhower of Ovid
- Martin Kingman of St. Johns
- Dennis McCullough of DeWitt
- Larry VanWerner of Portland
- Thomas LaPratt of Bath
- Richard Peterman of DeWitt
- Thomas Vance of Pewamo
- John Teames of St. Johns
- Edward Christmas of Bath

Edward Snyder of DeWitt  
Thomas Rodriguez of Ovid  
Bruce Whittemore of DeWitt  
Michael Rademacher of St. Johns.

LEAVING NOV. 22 for pre-induction physicals in Detroit are the following men:

- David Lietzke of DeWitt, Duane Thompson of Fowler, Ronald Fox of DeWitt, Robert Rosier of Grand Ledge, Cary Reed of Elsie, Lee Churchill of Bath, Dennis Reeves of St. Johns, Michael Ricks of Bath, David Barker of St. Johns, Gordon Harris of St. Johns, Ronald Salisbury of Ovid,

Dennis Henderson of St. Johns, Fay Pierce of DeWitt, Jerry Havens of Haslett, LaVern Sutfin of St. Johns, Jerry Welsmiller of Laingsburg.

James Ryan of Lansing, John Keehn of Bath, John Wilson of DeWitt, Ernest Myers of Fowler, Lyle Leonard of St. Johns, Michael McKenna of Lansing, Harry Hurst of Laingsburg, Van Cowan of St. Johns, Michael Mygrants of St. Johns, Larry Freed of Ovid, Alan Miller of Fowler, Ron Thornton of Flint, Daniel Tubbs of Ovid, Rodney Kiger of Elsie, and Robert Jones of Grand Ledge.

## Beef feeder calf prices up 20%

Housewives had better save a little complaining about higher food prices until next year if beef cattle feeders make any money on feeder calves now going in their feedlots, Michigan State University livestock specialists believe.

Prices feeders paid for calves at eight Michigan cooperative sales in October were nearly 20 per cent higher than a year ago. That means that if cattlemen are going to make any margin on their winter and spring labor and feed in getting 500 to 600 pound gain on the calves, beef prices will be higher next year.

W. L. Finley, Michigan State University Extension livestock specialist, said average prices paid for steer and heifer calves and yearlings was \$5.14 per hundred-weight higher than a year before. The 1966 prices averaged \$29.26, compared with \$24.12 per hundredweight in 1965.

The number of calves available was less than expected by buyers, and as a result, bidding was split. Only 9,800 animals of the anticipated 14,000 were sold.

Finley said the shortage was caused by a combination of cattle raisers holding back more heifer calves for replacements to build their herds and earlier individual sales. Individual buyers combed northern Michigan and the Upper Peninsula before sales

and offered from \$1 to \$2 more than the 1965 prices. They bought many and as a result the sale numbers were down 3,250 from 1965.

MANY CHOICE TO prime steer calves, around 400 pounds in weight, sold at the sale for as high as \$37 a hundredweight.

Northern Michigan and Upper Peninsula calf raisers grossed \$1,195,049 in the sale with the Gaylord sales leading with a gross of more than a half million dollars.

## Dimes campaign workers sought

All persons interested in any type of volunteer work on the Clinton County March of Dimes drive in December and January are urged to attend a special meeting of workers Nov. 15 at 7 p.m. in the community room of the Clinton National Bank in St. Johns.

Drive Chairman Robert LaFave is seeking to line up his campaign workers early in an effort to collect more than the \$5,000 received last year for the March of Dimes.

Persons who would like to work on the Dimes drive in any capacity are welcome at the meeting, LaFave said.

## City gets audit on renewal fund

An audit of St. Johns' record keeping on its urban renewal study funds has been completed for the year August 1965-June 1966, and city officials have received word on their practices.

"The handling of cash receipts and disbursements is considered satisfactory," the audit report said, "and internal controls are in accord with generally accepted accounting principles."

Two advances of cash from the federal government have been received totaling \$43,500, bearing interest at the rate of 4 1/8 per

## Sale of CCC corn to hog producers ends

Commodity Credit Corp. has sold, through local county ASC committees, 293 bushels of government-owned corn in several counties in Michigan this year to assist hog producers who had corn which hogs would not eat.

Due to wet weather during part of the growing season in 1965, most of the corn grown in the southern part of the State developed a mold and hogs would not eat this moldy corn. Hogs on feed for pork production would not gain weight and breeding stock produced small litters of pigs or none at all.

IN ORDER TO HAVE palatable corn available to feeders, the Michigan ASC Committee authorized a sale of government-owned corn at 10 cents per bushel.

"The project costs examined during the current audit period were incurred in accordance with prescribed policies, procedures and regulations," the audit report said, except on several procedural points. Since the audit was made changes have been instituted.

Urban renewal coordinator is City Manager Ken Greer.

ized the sale of CCC bin site corn. This corn was sold to producers in limited quantities—a maximum of 400 bushels a week to each producer.

Frank Light, chairman of the Michigan ASC Committee, stated the corn was sold on a competitive bid basis and prices paid for this grain were at least equal to prices that local warehousemen were receiving for corn. Although the corn sold did not meet the total requirements of hog producers, it provided mold-free corn that could be mixed with other feeds, making a formula that hogs would eat.

With the harvest of the 1966 corn crop, which is apparently free of mold, producers are no longer in need of CCC corn. Consequently, the sale of government-owned corn has been discontinued.

WINTER DRIVING TIP  
With "closed window" driving weather approaching, the Michigan State Highway Commission advises motorists to have the exhaust system checked for possible leaks. Be a safe, alert winter driver.

MRS MAURICE DOAN

### Down the Mississippi River on a tow boat

The best way to see the Mississippi River is from the center on a tow boat, according to Mrs. Maurice Doan of rural Perrinton. She spent eight days going down the river from Hastings, 30 miles south of St. Paul, Minn., to Alton, Ill., north of St. Louis, Mo.

Mrs. Doan began her trip Sept. 23 at Lock No. 3. When the tow boat came through the lock she had to jump from the edge of the lock to the boat. Although it was a distance of only about a foot and a half, she was required to wear a life jacket.

SHE MADE THE trip down the river on the Hawkeye and was the first guest on the boat in two years. Normally guests of the Midwest Towing Company take the trip on the Badger.

Mrs. Doan had to take the river trip alone because her husband, who is the executive secretary-treasurer of the Michigan Bean Shippers Association, was on a business trip in Europe.

The tow boats travel down-river at about seven miles per hour and up-river at five miles per hour. The push from six to 18 barges and are about a quarter of a mile long.

WHEN GOING through a lock, the barges are broken in the middle with the first half roped through and the tow boat pushing the remaining barges and connecting at the other end.

They are primarily coal boats. Because there is less business after Labor Day the 15-member crew is cut to 12. As a result there was no maid service on the Hawkeye.

CREW MEMBERS WORK a month and are off a month during the shipping season on the Upper Mississippi, which extends from mid-March until mid-December. They work six hours and are off six hours. They eat on their own time so meals are scheduled around the hours shifts are changed. They eat heavily and all seem to have a tendency to be overweight.

The food is put at the table and everyone serves himself. There is no passing of dishes. One gets what he wishes and sits down. If seconds are desired, you must walk down to where the item you wish is placed on the table and reach in, between those seated at the table, for it.

THE FIRST MEAL Mrs. Doan had on the Hawkeye, she wasn't aware of the procedure but noticed that there was no passing of dishes around the table, so she ate only the things nearest to her. She even went without coffee.

Not to be caught again, she got down early enough before the next meal to watch what the others did.

AS FOR WHAT the well-dressed tow boat traveler wears, Mrs. Doan said, slacks, blouses, sweaters and bedroom slippers.

During the trip down-river, which would have under ordinary circumstances taken one day less, the tow boat was caught on a sandbar for a day.

She did most of her sight seeing from the pilot house.

ON THE MISSISSIPPI, no use can be made of an automatic pilot, the boat must be guided at all times.

Mrs. Doan was able to see only half of the shoreline because no sight seeing can be done at night. She missed very little of the day though, what with breakfast being at 6 a.m.

### Wed 50 years

Mr and Mrs Thomas E. Wheeler of rural St. Johns will celebrate their golden wedding anniversary with an open house Sunday, Nov. 13, at Municipal Building in Maple Rapids.

The 2 to 5 p.m. event will be hosted by the honoree's five daughters and sons-in-law; Mr and Mrs Ronald Koehler, Mr and Mrs James Petro and Mrs Ruth Mitchell of Alma, Mr and Mrs Lloyd Hammon of DeWitt and Mr and Mrs Valdo Ball of Lansing.

MR WHEELER and the former Miss Doris Marie Jessup were married Nov. 14, 1916, in Ithaca and made their home in Alma for many years. For the past 16 years they have resided on a farm in rural St. Johns.

Mr Wheeler is a retired auto mechanic.

The couple has 18 grandchildren and 10 great-grandchildren.

### 3 get hospital exam following 1-car crash

Donald D. Duff, 18, of 8954 Hollister Road, Laingsburg, lost control of his car on Clark Road in DeWitt Township last Wednesday afternoon, and it went into a ditch and hit a pole. He and two passengers, Sandy Duff, 17, and Marge Bandt, 16, both also of Laingsburg, complained of pains as a result of the accident and were taken to St. Lawrence Hospital for examination.

MRS DOUGLAS W. SMITH

### Douglas Smith takes Grand Ledge bride

GRAND LEDGE—Douglas William Smith of St. Johns claimed as his bride the former Miss Veronica Lynn Murphy of Grand Ledge Friday evening in a 7:30 p.m. service at St. Michael's Catholic Church of Grand Ledge.

Rev. Charles Crowley officiated at the double ring ceremony.

The bride, a graduate of Grand Ledge High School, is the daughter of Mr and Mrs James L. Murphy of 631 Church Street, Grand Ledge. Her husband, who is attending Lansing Community College, is the son of Mr and Mrs William M. Smith of McNeil Road, St. Johns.

bouquet was a semi-colonial arrangement of white daisy chrysanthemums.

The bridesmaids appeared in green velvet gowns styled identically like the maid of honor's. Carol Hamp, Charleen Chase and Linda Lipps all of Grand Ledge and Annika Nordstrom of Landskrona, Sweden, were the secondary attendants.

Donald Hungerford, cousin of the groom, of St. Johns was the best man and the ushers were Scott Munger, Dwight Kees, Doug Mohnke and Fred Stpkovsky all of St. Johns.

FOR HER DAUGHTER'S wedding, Mrs. Murphy chose an aqua and avocado brocade dress with aqua accessories. Mrs. Smith selected a two-piece fuchsia silk suit with matching accessories.

Special guests were Nellie Murphy and Mr and Mrs Lee Howe, grandparents of the bride and Margaret Smith and George A. Frey, grandparents of the groom.

A reception followed the ceremony at the home of the bride's parents. Hosting the affair were Mr and Mrs James Lee Murphy, brother and sister-in-law of the bride and Mr and Mrs Donald

### Issues warning against overnight parking on streets

With the inevitable winter snow storms that befall the City of St. Johns already starting, the city manager has issued the following warning:

The City of St. Johns has an ordinance that prohibits overnight parking upon the city streets. The police department has been instructed to watch for violations and ticket the offenders.

The ordinance was passed many years ago, and it becomes extremely important during the winter months to facilitate proper snow removal and provide for proper safety.

### SAFETY TIP

The Michigan State Highway Commission urges you to double check your tail lights and stop lights before driving on the freeway after dark. It could spare you a rear-end collision.

It's not surprising that the world is shrinking—anything in hot water will shrink.

### NEWS in Brief

Woldumar, the conservation-education area near Millett serving the school districts in Clinton, Ingham and Eaton counties, is getting several new buildings and some remodeling to make the 165-acre area suitable for winter programming...

Michigan traffic deaths in October numbered 187, which was 25, or 12 per cent, fewer than 212 in the same month a year ago, according to state police provisional figures. The toll for the first 10 months this year is 1,828, 6 per cent greater than a year ago at this time...

The week of Nov. 13-19 is National Diabetes Week...

Bruce C. Conradson of DeWitt, an engineer with the Michigan Department of State Highways, has become a registered civil engineer. The State Highway Commission made the announcement last week after results of a June 3 examination were received...

MR AND MRS WILLIAM HAWK SR.

### Golden Anniversary

Mr. and Mrs. William Hawk Sr. of DeWitt will celebrate their golden anniversary at an open house Nov. 13 at the DeWitt Memorial Building.

Hosting the event, scheduled from 2 until 6 p.m., will be children of the couple.

The newlyweds will make their home at 119 Eaton Court, Lansing.

dren and families of the honorees. Mr Hawk and the former Florence Bowers were married Nov. 11, 1916, at St. Louis where they lived until coming to DeWitt in 1930.

HE WAS EMPLOYED at Bolchot Concrete Products for 21 years and retired in 1961.

The Hawks have 15 children, 51 grandchildren and five great-grandchildren.

## CLINTON COUNTY NEWS PAGE for Women AND MEN, TOO

### 'Back seat driver' may be life-saver

BY HELEN MEACH  
Extension Home Economist

The old joke about a wife being a "back-seat-driver" may not be quite so funny after all. In fact, an accomplished "back-seat-driver" may be just what a motoring husband needs.

A nagging, complaining and criticizing wife is, of course, disturbing for the driver and is there before a "back-seat-driver" to safe driving. But a wife who is helpful in a constructive and tactful manner can be of real service to her husband.

avoiding or becoming involved in an accident. And if a woman spots a hazard seconds before her husband does... those seconds may be the ones that make the difference.

THERE ARE INNUMERABLE things a wife can do to make driving for her husband safer and more pleasant. But this assistance must be constructive and done in a tactful manner. A "back-seat-driver" who issues constant, unnecessary warnings and criticizes her husband's driving will only upset him, and interfere with the safe operation of the car.

If you're going to be your partner's "co-pilot," it's important that you are qualified in your job.

On a trip, she can take charge of the road maps. After the route for the trip has been plotted, it is then up to her to see that the driver remains on the right road. The important part of this service is to notify her husband of a turn or change of highway well ahead of time, so that he will be sure of what move to make next.

A DRIVER IS confronted by additional problems when traveling through unfamiliar areas. In cities, especially large, brightly-lit cities, it is sometimes difficult for a driver to immediately see signal lights as he approaches intersections. It is also easy for a driver to bypass stop signs at locations where he is not expecting them. As a part of her tasks, a wife may help by looking for these signals and signs. Watching for route numbers and mileage signs can also come under her jurisdiction.

Also if there are children in the car, it's up to her to see that they are disciplined and occupied so they will not upset the driver. And if her husband appears tired, she may suggest a stop for a coffee break. If he is the type who doesn't appreciate being told he looks tired, a tactful way to handle the situation is to indicate that she would enjoy a cup of coffee.

WHEN TRAFFIC is moving slowly or is congested and there are signs that the driver is becoming irritated, a wife may help again by attempting to get him in a better mood.

A wife may also assist by always being on the lookout for the unexpected actions of other motorists and pedestrians. When a situation arises, a few seconds usually means the difference in

### DeWitt

By Virginia Ackerman

### Scouts honored

DeWITT-Merit and first and second class badges and life-saving citations have been awarded by Boy Scout Troop 77.

A court of honor presented merit badges to the following: Edward and Douglas Reed, Gregg Kirchen, David Graves, Carl Ennen, Frank Tolson, Charles Berkimer, Mike Johnson and Mike Hennigan.

Gordon Gingrich and Joseph Hennigan were recipients of life-saving badges.

SECOND CLASS citations went to Mike Hall, Dale Reed and Gary Bouts.

First class rank assignment went to Louis Custard, Ed Reed and Larry Young.

The awards were made by Lloyd Berkimer, chairman of the advancement committee.

**50th ANNIVERSARY**  
Mr and Mrs William Hawk Sr. will celebrate their 50th wedding anniversary Sunday, Nov. 13, from 2 to 6 at the DeWitt Memorial Building. Mrs Hawks is the former Florence Hawks.

Jess Ackerman of Charlotte and Mrs Lou Moore of Kalamazoo called on their sister-in-law, Mrs Amanda Ackerman, last week.

Misses Elaine and Lissa Dintzler visited with their grandparents, Mr and Mrs Leslie Edmonds, in Lansing over the weekend.

Mrs William Morris is recuperating at her home on Dill Road after her stay in Ford Hospital.

Mrs Adah Harry is spending a week in Saginaw with relatives.

Mr and Mrs Michael Coco and children of Birmingham and Mr and Mrs Richard Kiebler and boys spent Saturday night and Sunday with Mr and Mrs Roy Kiebler at Houghton Lake. The Roy Kieblers are leaving for Florida Tuesday, Nov. 8, for the winter.

Miles Merrill is recuperating at home after surgery.

Mrs Carol King Mohnke and children of Dearborn spent the weekend with her mother, Mrs Olive King on Logan Street.

Dwight Devereaux, Bill Watson, Paul Dintzler and Bill White, all students at Ferris Institute, were home for the weekend.

Mr and Mrs Gary Peterson and family are moving to their new home this week.

James Schavey and Harold Delves of Central Michigan University were home for the weekend.

Mr and Mrs Lyle Barks spent Saturday evening with the L. J. Griswolds of Turner Road.

### Dedication services for Salem EUB's new parsonage

Nearly 100 attended dedication services and open house for the new parsonage at Salem EUB Church Sunday afternoon.

Rev Lawrence Taylor, conference superintendent of the West District, spoke on, "What Do You Have in Your Hands?" Church trustees Joe Purves, Glen McComber and Edwin Harger presented the keys to Rev Taylor, who presented them to Rev Ralph Conine, pastor of the church.

Mrs Mary Schlarf, church organist, furnished the prelude in music and accompanied Mrs Gayla Phillips as she sang Bless This House. The benediction was Rev Lehman Longnecker of the Mennonite Church. Flowers were furnished by Mrs Mary Phillips.

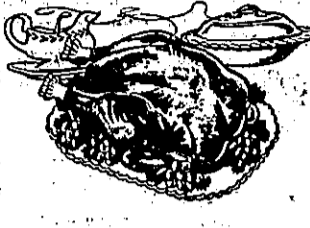

Salem EUB Church will hold their annual harvest festival Saturday evening, Nov. 12, in the church basement with a planned potluck supper at 7. Bring own table service. Mr and Mrs Kenneth Grieve will show motion pictures from their trip west this summer. Mr and Mrs Simon Avilla will be furnishing special music. An offering will be taken for the benefit of the church parsonage fund.

The County Line EUB Womens Society will meet Thursday evening, Nov. 10, at the home of Mrs Helene Hanky with Mrs Harriet Schmid as co-hostess. The program "The Christian Calling to Giving," will be presented by Mrs Theima Woodbury. There will be the annual election of officers. Thank offering boxes will be collected.

**MOTORING MANNERS**  
A little more courtesy on the highways will do more to reduce fatalities than adding to the number of traffic regulations.

**WOOD GETS GOLD BARS**  
 Marine 2nd Lt. Myron C. Wood, son of Mr and Mrs Clark Wood of 1348 Prim Rose Lane, DeWitt, has the gold bars of his present rank pinned on by his wife, Betty Lou, and Major R.J. Phillips, commander of the 5th Marine Division's 13th Marine Regiment. Lt. Wood is a member of 2nd Battalion, 13th Marines. Lt. Wood entered the service in Nov. 1953.

**DOLORES BALLARD**  
 Airman 3c DOLORES M. BALLARD, daughter of Mr and Mrs Robert E. Ballard of 409 Wilson Street, DeWitt, has been named outstanding airman at Hamilton AFB, Calif.  
 Airman Ballard, a medical specialist, was selected for her exemplary conduct and duty performance. She received a cash award of \$25 for her achievement.  
 The airman is a member of the Air Defense Command which provides aerospace defense against hostile aircraft and missiles. A graduate of DeWitt High School, she attended Michigan State University and Central Michigan University.

**Seaman Apprentice GARY L. BOWLING, USNR, son of Mrs Edith M. Bowling of 10890 US-27, DeWitt, and Seaman Apprentice RICHARD D. VARDON, USN, son of Mr and Mrs Harold S. Vardon of 400 Wight Street, St. Johns, have returned to Mayport, Fla., as crewmembers of attack aircraft carrier Saratoga, after a six-month deployment with the U.S. Sixth Fleet.**  
 The Saratoga was in the Mediterranean participating with a Task Group which was responsible for the military defense of the area and the discouragement of aggressive disorders. During this time the men and material aboard the carrier were constantly being tested. Many exercises were held with other ships of the U.S. Navy and navies of the NATO countries in the area, as a part of our commitment to our allies since the end of World War II.

Minutes of the  
**City Commission Meeting**  
 Municipal Building Commission Room  
 ST. JOHNS, MICHIGAN

**OCTOBER 18, 1966**  
 The regular meeting of the City Commission was called to order by Mayor Smit at 7:30 p.m. Members present: Smit, Sirrine, Coletta, Kentfield, Irerer. Members absent: None. Staff present: City Manager Greer, City Atty, Reed, City Clerk Clark.  
 Motion by Commissioner Kentfield, supported by Commissioner Coletta, the minutes of the regular meeting, Oct. 4, 1966, be approved as presented. Motion carried.  
 Motion by Commissioner Irerer, supported by Commissioner Kentfield, the city clerk be authorized to draw checks in payment of general fund voucher numbers 9858 through 9910 inclusive and water fund voucher numbers 933 through 946 inclusive. Motion carried.

**CITY MANAGER Greer** presented to the city commission an administrative review of the sanitary sewer study made by Williams & Works Engineering Firm.  
 City Manager Greer informed the city commission the planning commission has removed from the master plan a parcel of land now being considered for purchase by the St. Johns Public Schools which is part of the city park. The planning commission further recommended if this property is sold to the St. Johns Public Schools, the proceeds be used to purchase additional land for the park.  
 Motion by Commissioner Irerer, supported by Commissioner Coletta, the request of radio station WJUD to place their mobile unit in front of the new D & C Store on Clinton Avenue Oct. 20, 21 and 22 be approved. Motion carried.

**PRECINCT I**—Ladd Bartholomew, Clara Alberta Cornwell, Marjorie Cowan, Ellen Devereaux, Mary Meyer, Carmen Tranchell.  
**PRECINCT II**—Don Britten, Elma Parr, Helen Fitzpatrick, Agnes Baker, Doris King, Ruth B. Sirrine.  
 Motion carried.  
 Motion by Commissioner Sirrine, supported by Commissioner Kentfield, to accept the net low bid from Egan Ford Sales for a 1967 3/4-ton F-250 truck in the amount of \$1,733.96. YEA: Smit, Sirrine, Coletta, Kentfield, Irerer. NEA: None. Motion declared adopted.

**MOTION BY Commissioner Kentfield, supported by Commissioner Coletta, to accept the net low bid in the amount of \$5,440 from Hettler's Motor Sales for a 1967 Dodge dump truck model D-700. Motion carried.**  
 There being no further business to be brought before the city commission, the meeting was declared adjourned at 9 p.m.

### New way to price cows

Mrs Ernest Baker of St. Johns passed on this Associated Press news story to us the other day.

"The dairy business, which isn't booming, apparently is borrowing techniques from the auto industry, which is."

A Michigan State University Extension Service dairyman reports seeing this advertisement in the Upper Peninsula:

"For Sale: One Holstein milk cow, \$100. Accessories—udder, \$75; two-tone color, \$50; four split hooves, \$10 each; one tail, \$5 extra stomach, \$35 (cows have four stomachs); dual horns optional, \$15 each. Total price, \$335."

### Snow from drift blamed for crash

A snow drift, extending onto the road was blamed for an accident last Thursday evening on Hollister Road in Duplain Township. Donald J. Price, 33, of Owosso began passing a car driven by Ronald K. Barnhill, 19, of 210 Main Street, on a clear stretch of road.

But before reaching his own lane, Price's car ran into a snow bank extending onto the road, and the impact threw snow at Barnhill's windshield. Barnhill swerved and hit the right rear of Price's car.

## South Greenbush

By MRS. HAZEL BEEBE—Phone 224-7003

Mr and Mrs George Hubbard called on Bert Hubbard Sunday at Ingham Medical Hospital.

Mrs Kathleen Benjamin and Jack Gerhold of Corunna were Sunday dinner guests at the Bert Hiller home Sunday.

Miss Linda Rice of rural St. Johns spent Sunday with her grandparents, Mr and Mrs Elmer Swagart.

Thanks to passers-by Sunday evening, a small fire was discovered in time on the roof of the Kenneth Jones' house. It is thought it came from sparks and was extinguished before the fire department arrived.

The members of the conservation club held a "bee" Saturday to work on their club house. Those present were Eugene Beagle, R. G. Hyde, Marion Walling, John Jones, Howard Woodbury, George Sater, Clyde Anderson and Cecil LaBar. The club house is located on W. Mead Road.

We welcome to this community Mr and Mrs Gary VanEffen and family of Escanaba. They occupy the house recently vacated by the Bocek family, who have moved to Owosso.

Miss Della Davis spent the weekend with her parents, Mr and Mrs Roy Davis. Della is a student at Central Michigan University at Mount Pleasant.

Mr and Mrs Bruce Welton and family of Ovid visited his parents Mr and Mrs Stanley Welton Sunday.

Mr and Mrs George Hubbard entertained the following guests Wednesday: Mr and Mrs Orrin Blank and Mr and Mrs Ronald Hubbard. It was the wedding anniversary of Mr and Mrs Ronald Hubbard.

Mrs Helen Fowler was honored Sunday at a birthday dinner at the home of Mrs Grace Stevens, her mother. Other guests were Mr and Mrs Keith Murray and four daughters of St. Johns.

Mr and Mrs Herbert Stevens, Mr and Mrs Bert Hiller, Mr and Mrs David Hiller and Roger, Mrs Velma Devereau of Lansing and Morley Schram of Jackson were guests of Mrs Hiram Stevens for a potluck supper last week Sunday evening.

Tuesday, Nov. 1, marked the birthday of Hiram Stevens. He received many cards and other remembrances of the day from friends and relatives. Hiram is a patient at Ingham Medical Hospital, Lansing.

Miss Katherine Stockwell of Akron, Ohio, visited her parents Mr and Mrs E. G. Stockwell over the weekend and attended the service honoring the Clarence and Carl Burk families Sunday. Others who came to honor the Burks were Mrs Gladys Hankey and Mrs Oliver Beck and sons of Eureka and Mr and Mrs B. K. Whitlock and Delbert of St. Johns.

Mr and Mrs Jack Kidder and Kim visited Sunday with Mr and Mrs John Jones and family. Mr and Mrs Kenneth Jones and Mr and Mrs Rollie Benson visited Mrs Jones' sister, Mrs Ella Schutt, in Jackson Sunday.

#### CHURCH NOTES:

Rev Wittenbach's sermon Sunday was "The Bible and You." He stressed that reading and study were very necessary along with everyday witnessing.

After the service a co-operative dinner was served in the church dining room honoring Mr and Mrs Clarence Burk and Mr and Mrs Carl Burk.

World Community Day was postponed from last week Friday until this week Friday, Nov. 12 at 1:30 p.m. This meeting will be held at the Bingham EUB Church.

#### North Bengal

By Mrs Wm. Ernst

Mrs Edna Watamaker returned home Tuesday after accompanying Dr Norma Elson of Maple Rapids to Newport, R. I. where they attended funeral services for Coyne Bullis, a brother of Dr Elson.

Mrs Paul Harr and baby of rural Westphalia spent Saturday with her parents, Mr and Mrs Urban Thelen and family.

Mr and Mrs William Ernst and Maxine were Sunday supper guests of Mr and Mrs Fred W. Pasch.

Mrs Maurice Tiedt and children of Tuxedo Park, N. Y. are visiting her parents-in-law, Mr and Mrs Rudolph Tiedt and Philip from Saturday evening until Tuesday when they will fly back to New York.

Leon Armbrustmacher was a patient in the Clinton Memorial Hospital for three days last week with an arm infection.

Mr and Mrs Glenn Knap and Mr and Mrs Alfred Haskill of Lansing were Sunday dinner guests of Mr and Mrs Floyd Foersch and Sandra and John Foersch.

Others get quick results with Clinton County News classified ads—you will, too!

#### Open Letter

from VAN W. HOAG

Dear friends,

Seven days a week, our clergymen inconspicuously minister to our spiritual needs.

They are always available for sick calls, weddings, personal problems and death. We seldom give enough thought to the burdens that our clergymen so cheerfully bear.

Although their work is spiritually rewarding, they both deserve and appreciate our expression of gratitude.

Respectfully,

*Van W. Hoag*

### Shepardsville

By Lucille Spencer

#### Morningstar Chapter OES installs officers

Saturday evening, Nov. 5, Mrs Ralph Teal and Arley Lott were installed as worthy matron and worthy patron of Morningstar Chapter No. 279, OES. Other officers installed along with them were Mrs Arley Lott as associate matron; Mrs Russell Gilbert as secretary; Mrs Russell Potter as treasurer; Mrs Archie Moore Sr. as associate conductress; Mrs Duane Chamberlain as chaplain; Mrs Raymond Moore as marshal; Mrs Harold Beardsville as organist; Adah, Mrs Mol-

ly Stinson; Ruth, Mrs James Bagko; Esther, Mrs Ray Miller; Martha, Mrs Kenneth Love; Electa, Mrs John Spencer; warder, Mrs Arza Parker and sentinel, Ralph Teal. Installing officers were installing matron, Lillian Kaufman, of Abigail Chapter No. 206, Owosso; installing marshal, Mrs Edna Whittemore, Morningstar Chapter 279, Ovid; installing chaplain, Gathal Martin, Elsie Chapter No. 69 and installing organist, Mrs Mae Goodrich, Elsie Chapter No. 68. The soloist for the evening was Richard Sherman of Wayne.

The songs used during the installation ceremony were September Song, after Mrs Teal had been installed, "How Great Thou Art"; after the chaplain was installed, "The Bible Tells Me So" and in closing, "The Lord's Prayer".

THE RETIRING worthy matron and the retiring worthy patron were received into the Past Matrons and Patrons Club by Mrs Molly Stinson and the other past matrons and patrons.

Mrs Molly Stinson, president of the Past Matrons Club also presented retiring matron, Lucille Spencer and retiring patron, Lt. Col. ret., Kenneth Chamberlain, with their pins, and Mrs Teal presented them with a gift from their officers.

Refreshments were served in the dining room by Mrs Irma Serviss and her committee.

#### Shepardsville

Peter Muller and son of Livonia were Sunday guests of Mr and Mrs Steve Komives.

Callers of Mrs Clara Jenks at the Elliott Nursing Home were Mrs Christine Snyder, Mrs Max Miller and her mother, Mrs Eva Pearce.

Mr and Mrs Clyde Morrill were guests of Mr and Mrs Richard Morrill, in rural East Lansing.

The occasion was Mrs Morrill's birthday, which was Tuesday, Nov. 8, Mrs Robert Baese and Linda and Marilee were also there.

Mr and Mrs Clyde Morrill attended an open house for the Gaylord Morrills' 25th wedding anniversary at the Community Hall on Park Lake Road.

Mrs Warren Gutshall returned home from the hospital Friday and says she is coming along just fine.

The new hymnals have arrived and will soon be dedicated for use in the sanctuary. They have to be checked for mistakes in printing, assembling, etc.

The Afternoon Circle of the Shepardsville WSCS will meet this Thursday with Mrs Leonore Olson instead of Mrs Lena Gutshall.

The supper the Shepardsville ladies were to serve in St. Johns has been cancelled.

Mr and Mrs Gordon Pettigrew of near Eureka were Sunday callers of Mr and Mrs Robert Hebler Sr.

Terry Hughson has a new baby cast. It was put on Saturday and he came home Sunday. A home teacher comes about three times a week. He seems to be doing quite well with his studies.

Mr and Mrs John Spencer were in Lansing Tuesday to call on Mr and Mrs Guy Cox.

### "They'd rather switch to a Gas Incinerator than fight my smoke!"

"I can't believe it's replaced by a young upstart who doesn't even smoke! This incinerator fellow must not have any pride—he even consumes gas! No self-respecting trash burner would attempt that! And who's going to keep the neighbors in their place by blowing smoke and soot in their yard? You'll see... replacing me with an automatic Gas Incinerator will make a big difference in their life!"

You, too, can end trash and garbage problems by switching to a new, smokeless, odorless Gas Incinerator

**Car skids sideways, is struck on US-27**

A car driven by Lynette B. Stewart, 19, of R-5, St. Johns, slipped off the shoulder of US-27 and skidded sideways last Wednesday night, resulting in a two-car collision. No one was hurt.

Miss Stewart was driving south on US-27 north of Taft Road. When other cars started to pass her, she moved over to the shoulder, where she lost control. A car driven by Erick L. Walker, 26, of Lansing, hit her's in the right side as she skidded sideways.

## By Les Carroll

**JUDGMENT OF FORECLOSURE**  
 STATE OF MICHIGAN—In the Circuit Court for the County of Clinton.

**DONALD H. ANDERSON and FAYE ANDERSON**, His Wife, Plaintiffs, vs. **ALBERT HOPPE and MARY HOPPE**, His Wife, Defendants.

At a session of said Court, held at the Courtroom in the City of St. Johns, Michigan, on the 10th day of October, 1966, the Honorable Leo W. Corkin, Circuit Judge, presiding, the following case having been brought on to be heard on the Complaint, filed therein, and the proofs having been taken in open Court and after hearing the proofs as aforesaid and the arguments of counsel, on motion of Wilfred A. Dupuis, Attorney for the said Plaintiff, It is Ordered and Adjudged, that there is due to the Plaintiff, the sum of Ten Thousand, Four Hundred Forty-Five and 00/100 Dollars (\$10,445.00), and that the said Defendants, Donald H. Anderson and Faye Anderson, his wife, are each personally liable for the said Plaintiff's said sum adjudged to be due to them, together with the costs of this suit paid by said Plaintiff, and an attorney's fee in the amount of Seventy-Five and 00/100 Dollars (\$75.00), on or before June 15, 1967, together with interest accruing from the date of this judgment to the date of payment, and in default thereof, that all and singular of the said premises described in the Complaint of this action, and hereinafter described, so much as may be sufficient to raise the amount as aforesaid adjudged to be due to the Plaintiff, with the interest thereon and the costs in this case, and the costs and expenses of sale, and which may be sold separately without material injury to the parties interested, be sold at public auction, and that the Sheriff for the County of Clinton, Michigan, do and cause to be done, and that the said sale be held in the City of St. Johns, Michigan, at 10:00 A.M., on December 15, 1966, that the said Sheriff give public notice of the time and place of such sale, according to the course and practice of this Court, and that the Plaintiff in this case may, hereafter, execute a deed to the date of said sale; and that the said Sheriff, out of the proceeds of said sale, pay to the Plaintiff the amount adjudged to be due as aforesaid, and the interest thereon at the rate of 6% per annum from the date of this judgment, or so much thereof as the amount realized from the sale of the premises aforesaid will pay the same; and that the said Sheriff take receipts for the amounts so paid, and file the same with a report of such sale and of his doing thereon; and that the said sum of money arising from said sale, if any there be, into this Court without delay, abide the further order of this Court.

And It is Further Ordered and Adjudged, that inasmuch as the Defendants, Albert Hoppe and Mary Hoppe, his wife, have heretofore been decreed of and from all equity of redemption, and claim of, in and to the premises so sold, and parcel thereof, which shall not, prior to that time, have been received from such sale.

And It is Further Ordered and Adjudged, that the said Sheriff, in the Register of Deeds of proof of the payment of taxes or insurance premiums, the amount of such taxes or insurance to the amount herein determined to be due, all according to the statute in this behalf provided.

And It is Further Ordered and Adjudged, that the said premises at such sale be let into possession of such Plaintiff, and that any of the parties to this action who may be in possession of such premises, or any claim thereon, and any person who, since the commencement of this action, or either of them, deliver possession of such premises, or any part thereof, to the Plaintiff, shall be deemed to have accepted the production of the deed of the said Sheriff for said premises, and a certified copy of the Order of Sale, and the report of such sale, after such deed has become operative.

And It is Further Ordered and Adjudged, that if the money arising from the sale of such premises is not sufficient to pay the amount as aforesaid adjudged to be due to the Plaintiff, with the interest thereon, and costs and expenses of the sale, as aforesaid, that the said Sheriff specify the amount of such deficiency in his report of said sale, and that on the coming in and confirmation of said report of sale the said Defendants, Albert Hoppe and Mary Hoppe, his wife, who are hereby named as being personally liable for the debt secured by the said mortgage, pay to the Plaintiff in full and satisfaction of such deficiency, with interest thereon from the date of such report.

All that part of the NE 1/4, Section 6, lying N and W of Lookingglass River, except 2 1/2 acres more or less, which may be sold separately without material injury to the parties interested, to be sold at public auction, and that the Sheriff for the County of Clinton, Michigan, do and cause to be done, and that the said sale be held in the City of St. Johns, Michigan, at 10:00 A.M., on December 15, 1966, that the said Sheriff give public notice of the time and place of such sale, according to the course and practice of this Court, and that the Plaintiff in this case may, hereafter, execute a deed to the date of said sale; and that the said Sheriff, out of the proceeds of said sale, pay to the Plaintiff the amount adjudged to be due as aforesaid, and the interest thereon at the rate of 6% per annum from the date of this judgment, or so much thereof as the amount realized from the sale of the premises aforesaid will pay the same; and that the said Sheriff take receipts for the amounts so paid, and file the same with a report of such sale and of his doing thereon; and that the said sum of money arising from said sale, if any there be, into this Court without delay, abide the further order of this Court.

And It is Further Ordered and Adjudged, that inasmuch as the Defendants, Albert Hoppe and Mary Hoppe, his wife, have heretofore been decreed of and from all equity of redemption, and claim of, in and to the premises so sold, and parcel thereof, which shall not, prior to that time, have been received from such sale.

And It is Further Ordered and Adjudged, that the said Sheriff, in the Register of Deeds of proof of the payment of taxes or insurance premiums, the amount of such taxes or insurance to the amount herein determined to be due, all according to the statute in this behalf provided.

And It is Further Ordered and Adjudged, that the said premises at such sale be let into possession of such Plaintiff, and that any of the parties to this action who may be in possession of such premises, or any claim thereon, and any person who, since the commencement of this action, or either of them, deliver possession of such premises, or any part thereof, to the Plaintiff, shall be deemed to have accepted the production of the deed of the said Sheriff for said premises, and a certified copy of the Order of Sale, and the report of such sale, after such deed has become operative.

And It is Further Ordered and Adjudged, that if the money arising from the sale of such premises is not sufficient to pay the amount as aforesaid adjudged to be due to the Plaintiff, with the interest thereon, and costs and expenses of the sale, as aforesaid, that the said Sheriff specify the amount of such deficiency in his report of said sale, and that on the coming in and confirmation of said report of sale the said Defendants, Albert Hoppe and Mary Hoppe, his wife, who are hereby named as being personally liable for the debt secured by the said mortgage, pay to the Plaintiff in full and satisfaction of such deficiency, with interest thereon from the date of such report.

All that part of the NE 1/4, Section 6, lying N and W of Lookingglass River, except 2 1/2 acres more or less, which may be sold separately without material injury to the parties interested, to be sold at public auction, and that the Sheriff for the County of Clinton, Michigan, do and cause to be done, and that the said sale be held in the City of St. Johns, Michigan, at 10:00 A.M., on December 15, 1966, that the said Sheriff give public notice of the time and place of such sale, according to the course and practice of this Court, and that the Plaintiff in this case may, hereafter, execute a deed to the date of said sale; and that the said Sheriff, out of the proceeds of said sale, pay to the Plaintiff the amount adjudged to be due as aforesaid, and the interest thereon at the rate of 6% per annum from the date of this judgment, or so much thereof as the amount realized from the sale of the premises aforesaid will pay the same; and that the said Sheriff take receipts for the amounts so paid, and file the same with a report of such sale and of his doing thereon; and that the said sum of money arising from said sale, if any there be, into this Court without delay, abide the further order of this Court.

And It is Further Ordered and Adjudged, that inasmuch as the Defendants, Albert Hoppe and Mary Hoppe, his wife, have heretofore been decreed of and from all equity of redemption, and claim of, in and to the premises so sold, and parcel thereof, which shall not, prior to that time, have been received from such sale.

And It is Further Ordered and Adjudged, that the said Sheriff, in the Register of Deeds of proof of the payment of taxes or insurance premiums, the amount of such taxes or insurance to the amount herein determined to be due, all according to the statute in this behalf provided.

And It is Further Ordered and Adjudged, that the said premises at such sale be let into possession of such Plaintiff, and that any of the parties to this action who may be in possession of such premises, or any claim thereon, and any person who, since the commencement of this action, or either of them, deliver possession of such premises, or any part thereof, to the Plaintiff, shall be deemed to have accepted the production of the deed of the said Sheriff for said premises, and a certified copy of the Order of Sale, and the report of such sale, after such deed has become operative.

And It is Further Ordered and Adjudged, that if the money arising from the sale of such premises is not sufficient to pay the amount as aforesaid adjudged to be due to the Plaintiff, with the interest thereon, and costs and expenses of the sale, as aforesaid, that the said Sheriff specify the amount of such deficiency in his report of said sale, and that on the coming in and confirmation of said report of sale the said Defendants, Albert Hoppe and Mary Hoppe, his wife, who are hereby named as being personally liable for the debt secured by the said mortgage, pay to the Plaintiff in full and satisfaction of such deficiency, with interest thereon from the date of such report.

All that part of the NE 1/4, Section 6, lying N and W of Lookingglass River, except 2 1/2 acres more or less, which may be sold separately without material injury to the parties interested, to be sold at public auction, and that the Sheriff for the County of Clinton, Michigan, do and cause to be done, and that the said sale be held in the City of St. Johns, Michigan, at 10:00 A.M., on December 15, 1966, that the said Sheriff give public notice of the time and place of such sale, according to the course and practice of this Court, and that the Plaintiff in this case may, hereafter, execute a deed to the date of said sale; and that the said Sheriff, out of the proceeds of said sale, pay to the Plaintiff the amount adjudged to be due as aforesaid, and the interest thereon at the rate of 6% per annum from the date of this judgment, or so much thereof as the amount realized from the sale of the premises aforesaid will pay the same; and that the said Sheriff take receipts for the amounts so paid, and file the same with a report of such sale and of his doing thereon; and that the said sum of money arising from said sale, if any there be, into this Court without delay, abide the further order of this Court.

And It is Further Ordered and Adjudged, that inasmuch as the Defendants, Albert Hoppe and Mary Hoppe, his wife, have heretofore been decreed of and from all equity of redemption, and claim of, in and to the premises so sold, and parcel thereof, which shall not, prior to that time, have been received from such sale.

And It is Further Ordered and Adjudged, that the said Sheriff, in the Register of Deeds of proof of the payment of taxes or insurance premiums, the amount of such taxes or insurance to the amount herein determined to be due, all according to the statute in this behalf provided.

And It is Further Ordered and Adjudged, that the said premises at such sale be let into possession of such Plaintiff, and that any of the parties to this action who may be in possession of such premises, or any claim thereon, and any person who, since the commencement of this action, or either of them, deliver possession of such premises, or any part thereof, to the Plaintiff, shall be deemed to have accepted the production of the deed of the said Sheriff for said premises, and a certified copy of the Order of Sale, and the report of such sale, after such deed has become operative.

And It is Further Ordered and Adjudged, that if the money arising from the sale of such premises is not sufficient to pay the amount as aforesaid adjudged to be due to the Plaintiff, with the interest thereon, and costs and expenses of the sale, as aforesaid, that the said Sheriff specify the amount of such deficiency in his report of said sale, and that on the coming in and confirmation of said report of sale the said Defendants, Albert Hoppe and Mary Hoppe, his wife, who are hereby named as being personally liable for the debt secured by the said mortgage, pay to the Plaintiff in full and satisfaction of such deficiency, with interest thereon from the date of such report.

**HERB'S HANGOUT**

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

An alley off Grover Street... headquarters for a "big operation." This is Herb's hangout. And Herb is "the boss!" Here the kids report for their assignments. Here the loot is divided. Here strategy is mapped out for the next foray against a rival gang.

An alley off Grover Street... and while a proud community hardly lifts an eyebrow, tomorrow's underworld is growing, flourishing.

Two blocks away is old Trinity Church with its Sunday School, its Youth Fellowship, its dedication to God. What a difference old Trinity could have made in Herb's life; what character might have been molded among the boys who are now "Herb's gang!"

But Herb's folks and the parents of the other boys are among the millions of Americans who are *unchurched.*

Young Ladies Society—3rd Sunday afternoon, every 2 months, St. Mary's parish hall

### Is your heating system ready?

Are any of the following things true about your heating system?  
1) There's a feeling of draft in one or more rooms.  
2) There are cold spots in some rooms.  
3) You have to overheat some rooms to make other reasonably comfortable.  
4) It's impossible to make some rooms warm enough regardless of what you do.  
5) You have one thermostat to regulate the temperature in the entire house.  
6) Your fuel bills have gone up in the last two years.  
IF ANY OF THESE things are true about your home, it's time for a checkup, the Plumbing-Heating-Cooling Information Bureau says. The checkup should be performed by a qualified heating contractor who will determine whether you need such new equipment as a boiler, burner, controls, heat distributors or thermostat. If you have an old-fashioned heating plant it may be worth your while to have it entirely replaced.  
It's long been known that students are more alert and factory workers more efficient when temperatures are just right. The same thing is true in your home. Your family's health, energy and sense of well-being all depend upon the evenness and quality of your home's heat.  
THERE'S ANOTHER plus factor. At least 10 per cent of your home's value is determined by its heating system—an important consideration should you ever decide to sell.  
A top-quality type of heat is hydronic or hot water. The hot water is piped from a compact boiler to modern space-saving baseboard radiators in the various rooms. Instead of just one thermostat for the entire house, the home is divided into several zones according to the way the areas are used.

# NEVER, Ever Defrost this Big Frigidaire Refrigerator

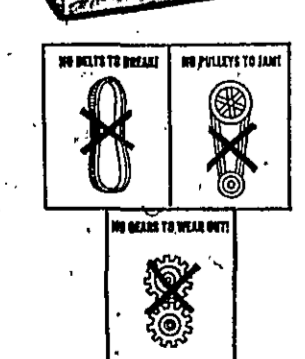

Value priced at Keck's at only **\$260**

- \*giant 127-lb. size top freezer with covered ice trays and door shelf stays zero-zone cold
- \*twin vegetable hydrators keep vegetables fresh

# Ovid

By MRS. APHRA PIXLEY, Correspondent

## Mrs Woodward hosts Ovid Extension group

Mrs Austin Woodward acted as hostess for the Ovid Town and Country Extension Club Wednesday, Oct. 26. She served a dessert at 1 p.m. and was assisted by Mrs Aphra Pixley.  
Chairman Mary Hall called the meeting to order with the pledge to the flag. Roll call was made the Ambassador to the United Nations and the Michigan Lieutenant Governor.  
The lesson was "Food in Your Home" and literature on the subject was passed out.  
The November lesson will be "Sewing—A New Perspective." The meeting is to be held at the home of Mrs Florence Phelps. Please notice date, Tuesday, Nov. 22.

At the Oct. 26 meeting of the Business Association it was announced the new Christmas decorations for Ovid's Main Street have been ordered. This is the first step in a program to have all new decorations for the village. The cost of \$1,000 being paid by the Business Association, Lions Club and Village Council. New officers were elected for the coming year: Dean Austin, president; Ray Page, vice president and Bethel Stillwell, secretary-treasurer. Mrs Dale Bancroft was appointed to represent the Association on the Community Christmas Club committee.

## Clare Crawford at French Lick meet

Clare Crawford of the Ovid Oil Company was one of a large group of Cities Service Oil Company distributors attending a three-day conference last week at the French Lick-Sheraton Hotel, French Lick, Ind. Also attending was Mrs Crawford.

While at the session Crawford heard Chgo officials discuss the company's marketing policies and programs and outline plans for the future. Among the speakers were Stanley D. Breitwieser, executive vice president; Robert G. Reed III, vice president and general manager of marketing and Raymond B. Thomas, manager of wholesale marketing.  
Mrs Crawford will have left for Zephyrhills, Fla., to spend the winter months.  
Mrs Ethel Shlnabery has returned home following treatment at Owosso Memorial Hospital.  
Miss Hazel March of Lansing spent a few days this week with her sister, Mrs Velma Wilber.  
Mr and Mrs Wilber Fritts of Flint were Saturday evening guests of Mr and Mrs Howard Wilber.  
Mrs Porter Martin, Mrs Richard DePond and Mrs Kenneth Parmenter attended the annual convention of West Central District of Michigan State Federation of Women's Clubs held in Greenville last week.  
Mrs Arthur Curtis Jr. and Mrs Aphra Pixley attended the wedding of Nancy Pixley and James Logan at the Church of the Resurrection in Lansing Saturday.  
The Ovid Blue Gill Club held their annual meeting Sunday at

## Red Cross names disaster rep. in Ovid area

Bernon Willett of 1450 S. Holister Road, Ovid, has been named Red Cross disaster representative in that area, according to an announcement by C. J. Shawnee of St. Johns, vice chairman for the county disaster committee.  
Willett will work through Robert Prowant and Willis Kettler Jr. of St. Johns in notifying the Red Cross of disasters—either man-made or natural—in the Ovid area.  
Shawnee said Clinton County has been authorized for 25 radio units, which will be assigned soon under Red Cross call letters and control code.

## NEWS in Brief

The only persons injured in that 14-car smashup on the North Larch Street viaduct in Lansing last Wednesday morning was Donald H. Henry, 20, of St. Johns. He suffered neck injuries when his car was hit from behind; he was taken to Sparrow Hospital for treatment...

Clinton area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 9 a.m. Saturday, Nov. 12, at the post office or federal building in either Flint, Grand Rapids, Saginaw or Lansing...

Michigan State Police officers made 24,202 arrests in September, 22,233 of them for traffic offenses and 1,969 on criminal complaints...

# AUCTION SALE

Having sold my home I will sell at public auction at my residence located 1 mile west of St. Johns on M-21 to DeWitt road, 1 mile north on DeWitt road, third house on west side from the railroad tracks, on

# Proceedings of the Clinton County Board of Supervisors

MONDAY, OCTOBER 17, 1966

The Clinton County Board of Supervisors met on this date at 10:00 A.M. Prayer was offered by Supervisor Gove. A pledge of Allegiance was given to the flag. Roll was called and a quorum reported. Minutes of the last session were read and approved.

A motion was made by Supervisor Carter and supported by Supervisor Krebel, that a memento or plaque in suitable form be obtained and presented to George Libby upon his retirement, in consideration of his long and faithful service on the Clinton County Road Commission. Motion carried.

A motion made by Supervisor Tiedt and supported by Supervisor Shepard, that the Equalization Report be taken from the table, was voted and carried.

A motion was made by Supervisor Tiedt and supported by Supervisor Cressman, that the following Equalization report be adopted as presented. Motion carried.

TAXING UNIT	TOTAL ASSESSED VALUATION	STATE EQUALIZED VALUATION	COUNTY TAX TO SPREAD
Bath	\$7,884,900	\$7,884,599	\$ 42,022.68

Equalization Committee: Walter Nobis, Chairman, Lorenz Tiedt, Oliver Angell, Claude Underhill, Raymond Mayers

A motion was made by Supervisor Buck and supported by Supervisor Krebel, that a Special Committee composed of Carter, Austin, Buck and Angell, heretofore named by the chairman as a committee to make inter-departmental inquiries, be approved by this Board. Motion carried.

Supervisor Nobis, as Chairman of the Equalization Committee, recommended and moved, that the Equalization Committee be given power to appoint one of its members as temporary Equalization Director until such time as a permanent Director is appointed. Motion was supported by Supervisor Hufnagel, voted and carried.

A motion made by Supervisor Angell and supported by Supervisor Nobis, that the question concerning removal of political signs along the highways be referred to the Resolution Committee for a later report, was voted and carried.

A motion was made by Supervisor Buck and supported by Supervisor Hufnagel, that reading of Supervisors expense accounts be dispensed with and they be paid as presented. Motion carried.

A motion was made by Supervisor Krebel and supported by Supervisor Carter, that the proposed Clinton County Health Department Rules and Regulations tabled during the September meeting, be taken from the table. Motion carried.

A motion was made by Supervisor Gove and supported by Supervisor Coletta, that this Board approve the Rules and Regulations to be used in Clinton County as presented by the Mid-Michigan District Health Department. After considerable discussion the question was called for by Supervisor Austin.

A motion was made by Supervisor Cressman and supported by Supervisor Settrington, that the aforementioned subject in question be tabled until 1:30 P.M. Motion carried.

A motion was made by Supervisor Carter and supported by Supervisor Buck, that this Board approve the purchase of one (1) new typewriter (manual) and the reconditioning of (2) two others for the County Treasurer's Office.

Further, that the records of the Clinton County Abstract Office be offered for sale to interested parties, on sealed bids within (60) sixty days from date of advertisement, records to be inspected at the Clinton County Court House.

Further, that this Board reserve the right to reject any and all bids and that the decision to sell or not to sell, be by a majority vote of the Board of Supervisors. Motion carried.

Following a report of Supervisor Cressman, as Chairman of the Building and Grounds Committee, the Chairman declared a recess until 1:30 P.M.

Following recess, a motion was made by Supervisor Coletta and supported by Supervisor Buck, that the motion to approve the Rules and Regulations of the Health Department, tabled before recess, be taken from the table. Motion carried.

Following discussion and citation of laws pertaining to adoption of such Rules by the Prosecuting Attorney, a vote was taken and the motion carried to adopt the following Rules and Regulations:

MID-MICHIGAN DISTRICT HEALTH DEPARTMENT  
 Regulations Governing:  
 Water Supply  
 Sewage Disposal  
 Garbage Disposal

In the Counties of Clinton, Gratiot and Montcalm

CHAPTER I  
 General Provisions

## SECTION I - AUTHORITY, JURISDICTION, AND ADMINISTRATION

**1.1 Authority**  
 By virtue of the power vested in the Board of Health of Mid-Michigan District Health Department under Act 306 of the Public Acts of 1927, as amended (M.S.A. 14.161 et seq.) there are hereby provided regulations affecting public health and safety, including the provisions for penalties for violations of said regulations.

**1.2 Jurisdiction**  
 The Health Officer shall have jurisdiction throughout the counties of Clinton, Gratiot, or Montcalm including all cities, villages, and townships, in the administration and enforcement of these regulations, and relevant State Laws including all regulations or amendments hereafter adopted unless otherwise specifically stated.

Nothing herein contained shall be construed to restrict or abrogate the authority of any municipality in the Counties of Clinton, Gratiot, or Montcalm to adopt more restrictive ordinances.

**1.3 Enforcement**  
 All premises affected by these regulations shall be subject to inspection by the Health Officer, and the Health Officer may collect such samples for Laboratory examinations as he deems necessary for the enforcement of these regulations.

**1.4 Right of Entry and Inspection**  
 No person shall refuse to permit the Health Officer, upon proper identification, to inspect any premise at reasonable times, nor shall any person molest or resist the Health Officer in the discharge of his duty.

**1.5 Penalty**  
 Any person who shall fail to comply with any provisions herein, shall be punished by a fine not exceeding the sum of one hundred dollars (\$100.00) or by imprisonment in the county jail not exceeding ninety (90) days, or both such fine and imprisonment in the discretion of the court.

**1.6 Abatement of Nuisances**  
 Nothing stated in these regulations shall be construed to limit the power of the Health Officer to order the immediate and com-

plete abatement of a public nuisance or menace to the public health or of a condition which in the opinion of the Health Officer may become a menace to the public health.

**1.7 Interference with Notices**  
 No person shall remove, mutilate or conceal any notice or placard posted by the Health Officer except by permission of the Health Officer.

**1.8 Validity**  
 If any section, subsection, clause or phrase of these regulations is for any reason adjudged unconstitutional or invalid, it is hereby provided that the remaining portions of these regulations shall not be affected thereby.

**1.9 Other Laws and Regulations**  
 These regulations are minimum standards to the rules and regulations duly enacted by the Michigan Department of Public Health and to the laws of the State of Michigan relating to public health. Where any of the provisions of these regulations and the provisions of any other local or state ordinances or regulations apply, the more restrictive of any or all ordinances or regulations shall prevail.

**1.10 Amendments**  
 The Board of Health of Mid-Michigan District Health Department may from time to time amend, supplement, or change these regulations, with the approval of the Board's of Supervisors.

## SECTION II - GENERAL DEFINITIONS

**2.1 Board of Health**  
 The term "Board of Health" shall mean the Board appointed by the Clinton, Gratiot and Montcalm County Board of Supervisors respectively.

**2.2 Health Department**  
 The term "Health Department" shall mean the Mid-Michigan District Health Department.

**2.3 Health Officer**  
 The term "Health Officer" shall mean the Director of the Mid-Michigan District Health Department and/or his authorized representatives.

**2.4 Habitable Building**  
 The term "habitable building" shall mean any structure or part thereof where persons live, or sleep, or reside, or are employed, or congregate and which is occupied in whole or in part.

**2.5 Premise**  
 The term "premise" shall mean a tract or parcel of land on which a habitable building is located and shall include the building.

**2.6 Person**  
 The term "person" shall mean any individual, firm, partnership, party, corporation, company, society, association or other legal entity.

**2.7 Owners**  
 The term "owners" and "persons owning premises" shall mean both the owner of title and record and those occupying or in possession of any property or premise.

**2.8 Interpretation**  
 When not inconsistent with the context, words used in the present tense include the future, words in singular number include the plural number and words in the plural number include the singular. The word "shall" is always mandatory and not merely directory. Words or terms not defined herein shall be interpreted in the manner of their common meaning.

## CHAPTER II

### Water Supplies

#### SECTION I SPECIFIC DEFINITIONS

**1.1 Approved Water Supply**  
 An approved water supply is one which meets the standard of these regulations and which shows no evidence of bacteriological contamination when analysed by "Standard Methods" in the Laboratory, and is within the chemical tolerances established by the United States Public Health Service.

**1.2 Auxiliary Intake**  
 An auxiliary intake is any piping connection or other device where water may be secured from a source or location other than that normally used.

**1.3 Well**  
 A well shall mean the casing, pipe or conduit installed in the ground for the purpose of providing water for drinking and domestic purposes.

**1.4 Spring**  
 A spring is any uncased flow of water discharging naturally from the ground.

**1.5 Suction Line**  
 A suction line is any closed casing, pipe or conduit carrying, or intended to carry, water to the inlet side of a pump.

**1.6 Cross-Connection**  
 A cross-connection is any physical connection or plumbing arrangement whereby an approved water system is connected with any other public, semi-public or private water supply system.

**1.7 Unapproved Connection**  
 An unapproved connection is any system of piping or other arrangement whereby a public or private water supply system is connected directly with a sewer, drain, conduit, swimming pool, well, submerged inlet, siphon, storage reservoir, or similar device which contains or may contain sewage or other wastes or liquid capable of causing contamination to an approved water supply.

**1.8 Private Water Supply**  
 A private water supply is any water supply system not defined as a "Public and Semi-Public Water Supply" in these regulations.

**1.9 Public and Semi-Public Water Supply**  
 A public and semi-public water supply is any water system intended for or used to supply water to persons other than the owner but shall not include those supplying a one (1) or two (2) family dwelling.

**1.10 Well Seal**  
 A well seal is a device or method used to protect a well casing or water supply system from the entrance of any external contaminants where electrical conduits or other pipes or possible openings enter the well casing.

**1.11 Pitless Adaptor**  
 A threaded or welded device which provides underground connection between the well casing and the buried piping, and which provides ready access to the drop pipe and any working parts within the well casing in a manner to protect the well from contamination.

**1.12 Pump Room or Well Room**  
 A pump room or well room is any enclosed structure that houses the pump, top of the well, or a part of the suction line, or any combination thereof.

**1.13 Storage Tank**  
 A storage tank is any closed water storage container constructed so as to operate under normal water system pressures.

**1.14 Pump**  
 A pump is any device designed to either raise the water from the well, or to discharge the water through a distribution system or both.

**1.15 Sewage**  
 Sewage is the combination of all the domestic and organic water-carried wastes from any premises, where persons reside, are employed or congregate. This shall include, but not be limited to, waste from flush toilets, sinks, lavatories, bathtubs, showers, laundries, basement floor drains, urinals, or any other devices.

**1.16 Sewer**  
 A sewer is a water-tight conduit for carrying sewage.

**1.17 Approved Basement**  
 An approved basement is any regularly used basement with walls and floors constructed of concrete or equivalent, reasonably water-tight and properly drained.

#### SECTION II - Public and Semi-Public water Supplies

**2.1 Minimum Standards**  
 All public and semi-public water supplies shall be located, constructed and maintained in accordance with State Regulations entitled, "Regulations Providing Minimum Standards for the Location and Construction of Certain Water Supplies in the State of Michigan" as published in Supplement Number 40 of the Michigan Administrative Code.

#### SECTION III - WATER SUPPLY FOR ANY PREMISE

**3.1 Premise Occupancy**

It shall be unlawful for any person to occupy or permit to be occupied, any premise which is not provided with an adequate water supply system under pressure at all times. Such facilities shall be constructed in accordance with the provisions of these regulations. Any premise constructed or maintained which is not in accordance with these regulations may be declared unfit for habitation and may be so posted by the Health Officer.

The Health Officer may at his discretion, approve other water supply systems when satisfactory health safeguards are met.

#### SECTION IV - REQUIREMENTS FOR THE LOCATION AND CONSTRUCTION OF ALL PRIVATE WATER SUPPLY SYSTEMS

**4.1 Location**  
 All wells including water suction lines shall be located at least ten (10) feet from property lines.

All wells including water suction lines shall be located in areas not subject to flooding.

All wells including unprotected lines shall be located at least fifty (50) feet from any source of possible contamination as well as septic tanks, privies, or laundry or sink drains.

All wells including unprotected water suction lines shall be located at least fifty (50) feet from subsurface disposal systems or any sewage or liquid waste draining into the soil which are less than five (5) feet in depth below the finish grade. All wells including unprotected water suction lines shall be located at least one hundred (100) feet from subsurface disposal systems or any sewage or liquid waste draining into the soil which exceed five (5) feet in depth below the finish grade.

All wells including unprotected water suction lines shall be located at least ten (10) feet from any sewer or sump pit carrying sewage. Such sewers within ten (10) to fifty (50) foot area of the well or unprotected water suction line shall be constructed of cast-iron soil pipe with water-tight joints, galvanized water pipe with water-tight joints, or other material and joints approved by the Health Officer. Provided that water suction lines may be used within ten (10) to fifty (50) feet area of the well if such lines are protected by one or more of the following methods:

(1) Fully exposed in an approved basement and at least twelve (12) inches above the basement floor.

(2) Surrounded by an air space in a conduit open at both ends which has positive drainage by gravity to the ground surface or to an approved basement.

(3) Where natural protection is provided and/or if the Health Officer may at his discretion approve such an installation.

In case compliance is impractical, the Health Officer may grant a special exception, provided other satisfactory health safeguards are used.

\*When a well is to serve a grade A dairy farm, the fifty (50) foot isolation distance as specified in these regulations must be increased to seventy-five (75) feet.

**4.2 Minimum Depth**  
 All well casings shall be at least twenty-five (25) feet in depth, except that the Health Officer may at his discretion approve a well of lesser depth provided that adequate protection is afforded.

**4.3 Pump or Well Rooms**  
 Rooms housing pumping equipment shall be above ground unless special permission is granted by the Health Officer for below-grade installation. Such special permission may be granted if the room is located in or attached to an approved basement, and is of water-tight construction and drained to avoid possible flooding.

**4.4 Pumps**  
 a. Pump Platform—The pump platform for a well, except where a pitless adaptor is used, shall be a water-tight reinforced concrete slab or equal with a minimum thickness of four (4) inches, extending at least two (2) feet from the well casing in all directions. The slab and immediate surrounding area shall slope away from the casing.

b. Power Pumps—Power pumps shall be constructed so that no unprotected openings into the interior of the pump or well casing exists and all connections shall be water-tight. The base of the pump shall be mounted on an approved pedestal at least twelve (12) inches above the floor of the pump room and no pump may be located directly below any sewer. Power pumps shall be installed and maintained so that priming is not required for ordinary use.

c. Hand Pumps—Hand pumps shall be designed to prevent contamination and shall have a closed pump spout directed downward. Hand pumps shall be installed and maintained so that priming is not required for ordinary use.

**4.5 Vents**  
 Where a breather is provided for a well, the breather installation shall have a water-tight connection to the well casing, and shall extend above the highest probable flood water level. The opening of the breather shall be screened and be located so that dust, insects or other objects cannot enter the well.

**4.6 General Requirements**  
 Water used for cooling parts of engines, air compressors, or other equipment or water used for air conditioning, shall not be returned to any part of the water system. Storage tanks shall not be buried in the ground unless the tank projects horizontally above the ground, or into an approved basement, or into a room or pit drained so as to avoid probable flooding.

Storage reservoirs shall be water-tight and constructed so as to prevent the entrance of dust, birds, insects, animals, or other sources of contamination. There shall be no direct connection from a storage reservoir to a sewer.

When a well is abandoned, it shall be filled in accordance with instructions from the Health Officer, in such a manner as to protect the water bearing formation against contamination.

A water supply which comes from any formation which may be polluted or contaminated is not acceptable.

#### SECTION V - CONNECTION WITH UNSAFE WATER SOURCES

**5.1 Unapproved Conditions**  
 There shall be no cross-connection, auxiliary intake, by-pass, interconnection or siphon, whereby unsafe water or water from a source that does not comply with these regulations, can be discharged or drawn into any supply for drinking or other domestic purposes.

**5.2 Contaminated Water Supplies**  
 All outlets from water sources which do not comply with these regulations and those which, in the opinion of the Health Officer represent a danger to public health, shall be sealed, or be provided with a permanent and easily readable tag or label reading "This water Unsafe for Drinking." Removal of said label or tag, except by permission of the Health Officer, shall be deemed a violation of these regulations.

**5.3 Drinking Fountains**  
 All drinking fountains hereafter installed shall be of the angle jet type and constructed of impervious material. The orifice shall be above the overflow rim of the fixture and shall be so protected as to prevent contamination by the users. There shall be free drainage way from the orifice. All fountains shall be kept clean and in good repair.

**5.4 Disinfection of Water Supplies**  
 8.1 Water Supplies Accidentally Contaminated  
 Wells which are contaminated accidentally or otherwise shall be thoroughly disinfected with a disinfecting agent approved by the Health Officer for at least eight (8) hours after which all openings are pumped to waste. The disinfecting solution shall be applied to all parts of the well, pump and fixtures. Bacteriological analysis shall show the water free from contamination before the well water can be approved for drinking or domestic use.

**8.2 New Water Supplies**  
 The Health Officer, may at his discretion, have new well water supplies thoroughly disinfected before being placed into service. The disinfecting solution shall be applied to all parts of the well, pump, and fixtures for at least eight (8) hours after which all openings are pumped to waste. Bacteriological analysis shall show the water free from contamination before the well water may be put in service for drinking and domestic purposes.

## CHAPTER III

### Sewage Disposal

#### SECTION I - SPECIFIC DEFINITIONS

**1.1 Automatic Siphon**  
 An automatic siphon is a mechanical device which will automatically cause a liquid entering a dosing chamber to be retained until a predetermined high water level has been attained after which it is automatically released from the receptacle until a second predetermined level has been reached, at which time the flow from such receptacle ceases until the high water level has again been attained.

**1.2 Dosing Chamber**  
 A dosing chamber is a water-tight tank or receptacle used for the purpose of retaining the overflow or effluent from the septic tank, pending its automatic discharge to a selected point.

**1.3 Sewage**  
 Sewage is a combination of all the domestic and organic water-carried wastes from any premise where persons reside, are employed or congregate. This shall include, but not be limited to, waste from flush toilets, sinks, lavatories, bath-tubs, showers, laundries, urinals or any other devices.

**1.4 Sewage Disposal Facilities**  
 Sewage Disposal Facilities shall mean a privy, seepage pit, dry well, block trench, sewer line, split tank, absorption field, trench or bed, filter bed, or similar device used in the disposal of sewage.

**1.5 Sewer**  
 A sewer is a water-tight conduit for carrying sewage.

**1.6 Sewage Disposal System**  
 For the purpose of this ordinance a sewage disposal system shall mean the method of disposing of sewage by means of a sewer line connected to a septic tank and one or more of the following: dry well, seepage pit, or block trench, absorption field, trench or bed, filter bed or any other similar device approved by the Health Officer.

**1.7 Septic Tank**  
 A septic tank is a water-tight receptacle used for the purpose of receiving all domestic and organic sewage and so designed to permit the separation of solids in suspension from such wastes and to permit such retained solids to undergo decomposition therein, permitting the effluent or overflow to be disposed of beneath the surface of the ground.

**1.8 Subsurface Disposal System**  
 Subsurface disposal system shall mean an arrangement for distributing septic tank effluent or overflow, below the ground surface.

**1.9 Filter Bed**  
 A filter bed shall mean a device consisting of a bed or porous media equal and comparable to a coarse sand, to which settled sewage may be applied through a system of drain tile laid on a layer of coarse gravel covering the filtering media and under-drained by a similar system of collecting tile laid in a layer of coarse gravel beneath the filter media.

**1.10 Distribution Box**  
 A distribution box is a receptacle, installed with proper footings, provided with outlets on the same horizontal plane, used for the purpose of assuring the equal distribution of the septic tank effluent when such effluent is being disposed of by means of an absorption field, trench or bed.

**1.11 Dry Well**  
 A dry well, or seepage pit, shall mean an underground receptacle made of loosely laid material, not of water-tight construction, and which receives the effluent or overflow from a septic tank to absorb directly by the surrounding soil.

**1.12 Block Trench**  
 A block trench is a shallow type of dry well constructed of concrete blocks the lower courses of which are laid on the sides to allow septic tank effluent to be absorbed directly by the surrounding soil. The entire block trench is covered with removable covers and so designed to carry the weight of the earth cover, plus that of a truck carrying a two ton load.

#### SECTION II - SEWAGE DISPOSAL FOR ANY PREMISE

**2.1 Premise Occupancy**  
 It shall be unlawful for any person to occupy, or permit to be occupied, any premise which is not equipped with an adequate sewage disposal system for the disposal in a sanitary manner of all forms of sewage. Such facilities shall be constructed in accordance with the provisions of these regulations. Under no condition may the sewage from an existing or hereafter constructed premise be discharged or deposited upon the surface of the ground. Any premise constructed or maintained which is not in accordance with these regulations may be declared unfit for habitation and may be so posted by the Health Officer.

#### SECTION III - CONSTRUCTION AND MAINTENANCE OF PRIVIES AND SIMILAR DEVICES

**3.1 Privy Act No. 273**  
 All privies and other toilet devices shall be constructed and maintained in accordance with regulations adopted by the State Council of Health, June 6, 1940, entitled: "A REGULATION PERTAINING TO THE CONSTRUCTION AND MAINTENANCE OF OUT-DOOR HOUSES AND TO SAFEGUARD THE PUBLIC HEALTH BY PREVENTING THE SPREAD OF DISEASE AND THE EXISTENCE OF SOURCES OF CONTAMINATION IN ACCORDANCE WITH ACT NO. 273, PUBLIC ACTS OF 1929."

**3.2 Prohibition of Privies**  
 No privy shall be maintained or be constructed on, or moved to any premise where the service of a sewer is available to public use.

#### SECTION IV - SOIL SUITABILITY

**4.1 Approval of Plats**  
 All proposed plats and sub-divisions shall have the approval of the Health Department prior to the acceptance of the plat or subdivision by the township, city or village when so prescribed. Such approval shall be based on percolation tests and such other tests as may be deemed necessary to determine the suitability of a proposed area for the installation and use of private water supplies and private sewage disposal systems.

**4.2 Percolation Tests**  
 Percolation tests shall be run in individual lots prior to issuance of a septic tank permit when deemed necessary by the Health Officer. Such tests shall be performed by the Health Department or such person as authorized by the Health Department. Results of the percolation test shall be used in determining the size of the subsurface disposal system.

#### SECTION V - CONSTRUCTION AND MAINTENANCE OF SEWAGE DISPOSAL FACILITIES

**5.1 Methods of Sewage Disposal**  
 When a sewer is not available for public use, all facilities hereafter installed such as flush toilets, urinals, lavatories, sinks, bathtubs, showers, basement drains, and any similar fixtures used to receive or conduct sewage shall be connected to a sewage disposal system or to some other device approved by the Health Officer and/or Michigan Department of Public Health, provided that such facilities existing at the time these regulations are adopted which may become or are at present a possible hazard to public health in the opinion of the Health Officer shall be connected to a sewage disposal system or to some other device approved by the Health Officer and/or the Michigan Department of Public Health.

No sewage may be discharged into any body of water or into the ground within twenty-five (25) feet of a body of water or into a county drain or ditch except that if any other type of disposal is impractical, the Health Officer may give special written permission. Such permission may be given if, in the opinion of the Health Officer, other satisfactory health safeguards are used.

Whenever the Health Officer shall determine that sewage is flowing from any public or private sewer or drain of unknown course and origin, he may issue public notices requiring persons owning premises from which such sewage could originate, to connect such sewage flow to a public sewage system if available, or in the absence thereof, to comply with the provisions of these regulations. Public notice shall consist of posting of at least five (5) conspicuous notices in the probable area served by said sewer or drain.

# SUPERVISORS' PROCEEDINGS

Continued from page 11

After not less than thirty (30) days following the posting of the notices, the Health Officer may plug or cause to be plugged the outlet of said sewer or drain until such time as the sources of the sewage have been located. Owners of the properties known to be discharging sewage into such sewers or drains posted by the Health Officer, shall be given written notice of corrections required within the time allowed by the posted notices. Failure to comply shall be considered a violation of these regulations.

### 5.2 Sewers

**a. Type and Location**—All sewers located within fifty (50) feet of any well or unprotected water suction lines and within five (5) feet of the outside wall of any premise shall be constructed of cast iron soil pipe approved by the Health Officer. Further, any buried sewer or pipe used to conduct sewage from a premise shall be located at least ten (10) feet from the nearest well, unprotected water suction line or spring, and no exposed sewer pipe shall be located less than five (5) feet laterally from any well, unprotected water suction line or spring.

**b. Size**—Toilet sewers beyond five (5) feet from the outside wall of any premise shall be four (4) inch sewer pipe with proper clean-outs, provided that no sewer line shall be less than two (2) inches in diameter.

**c. Grade**—Four (4) inch sewer pipe installed prior to connection to a septic tank or public sewer shall be laid at a grade of not less than 1/4 inch per foot unless otherwise approved by the Health Officer. Under no condition shall the ten (10) feet immediately preceding the septic tank be laid at a grade of more than 1/4 inch per foot. Sewers of other diameters shall be laid at such a grade so as to provide a sewage velocity of not less than two (2) feet per second.

### 5.3 Septic Tanks

**a. Location**—Septic tanks shall be located at least fifty (50) feet from any well, unprotected water suction line spring or other drinking water supplies except where all public and semi-public water supplies shall be located, constructed and maintained in accordance with State regulations entitled: "REGULATION PROVIDING MINIMUM STANDARDS FOR THE LOCATION AND CONSTRUCTION OF CERTAIN WATER SUPPLIES IN THE STATE OF MICHIGAN" as published in Supplement Number 40 of the Administrative Code, or where the Health Officer shall require a greater distance for the protection of the public health. Special written permission may be given by the Health Officer when it is impractical to meet these requirements providing other satisfactory health safeguards are used.

No septic tank shall be placed within ten (10) feet of any lot line and must be placed at least five (5) feet from any basement wall; nor shall any septic tank be located where it is inaccessible for cleaning or inspection purposes. No septic tank shall be placed within ten (10) feet of any water lines, nor within ten (10) feet of a bank or drop-off, nor within twenty-five (25) feet of a lake or stream, nor within six (6) feet of a dry well, seepage pit or block trench.

Where the top of a septic tank is located more than eighteen (18) inches below the finish grade, manholes shall be built up to at least eighteen (18) inches of the finish grade. No septic tank shall be installed at a depth of more than five (5) feet below the finish grade except by special permission of the Health Officer.

**b. Capacity, Construction and Materials**—Every septic tank shall have a capacity of at least the average volume of sewage flowing into it during the period of twenty-four (24) hours, but in no case less than seven hundred fifty (750) gallons, as measured from the water level, unless otherwise authorized by the Health Officer. If a tank consisting of more than one (1) compartment by is installed, the first compartment must have a capacity of at least 2/3 's of the total capacity or a minimum of at least five hundred (500) gallons.

Every septic tank shall be constructed in a workman like manner, of materials not subject to corrosion or decay when installed; shall be of water-tight construction; and shall be provided with one or more suitable openings with covers to permit ease of inspection and cleaning.

The bottom of the inlet line into the septic tank shall be at least two (2) inches above the operating water level of the tank. The outlet shall be constructed to permit withdrawal of liquid from the middle third of the depth of the liquid in the tank and to prevent the escape of floating or settled solids and must have a minimum scum clearance of eight (8) inches. The inlet must be so designed to permit gas above the liquid level to pass through the inlet line and out the vent pipe serving the sewer leading to the tank.

TABLE I  
Septic Tank Size

Number of Bedrooms	Minimum Tank Capacity
2 or less	750
3 to 4 **	1000

\*Tank capacity provides for the plumbing fixtures and appliances commonly used in a single family residence, including an automatic washer, mechanical garbage grinder, and dishwasher.  
\*\*For each additional bedroom add 250 gallons.

### 5.4 Dosing Chambers

Dosing Chambers equipped with automatic siphons or pumps shall be used in all installations where an absorption field, bed or trench is used.

### 5.5 Septic Tank Effluent Disposal Location

Septic Tank effluent or overflow shall be disposed of in compliance with the requirements for an absorption field, or bed, or trench, or dry well, or seepage pit or block trench and in no case shall such effluent or overflow be disposed of within twenty-five (25) feet of any lake, creek, river, pond or other body of water except by special permission of the Health Officer.

All septic tank effluent disposal systems which exceed five (5) feet in depth below finish grade shall be located at least one hundred (100) feet from any well (including unprotected suction line) or spring. Septic tank effluent disposal systems which are less than five (5) feet in depth below finish grade shall be located at least (50) feet from any well (including unprotected suction line) or spring except where all public and semi-public water supplies shall be located, constructed, and maintained in accordance with State Regulations entitled: "REGULATIONS PROVIDING MINIMUM STANDARDS FOR THE LOCATION AND CONSTRUCTION OF CERTAIN WATER SUPPLIES IN THE STATE OF MICHIGAN" as published in supplement Number 40 of the Michigan Administrative Code, or where the Health Officer shall require a greater distance for the protection of public health. Special written permission may be given by the Health Officer when it is impractical to meet these requirements providing other satisfactory health safeguards are used.

In no case shall the same be located less than twenty-five (25) feet from the basement wall of less than ten (10) feet from any lot line, or less than twenty-five (25) feet from a bank or drop-off, or less than ten (10) feet from interlines.

### 5.6 Sub-Surface Disposal System Standards

The installation of sub-surface disposal systems shall be sized in accordance with the rates listed in Table II below. The absorption area for tile absorption fields and beds shall be figures as trench bottom area. The absorption area for dry wells or block trenches shall be figured as side wall area.

TABLE II  
Rates of Sewage Application to a Sub-surface Disposal System

1 or less	5.0
2	3.5
3	2.9
4	2.5
5	2.2
10	1.6
15	1.3

Over 30	0.9
Unsuitable	

### 5.7 Absorption Tile Field or Tile Bed

When septic tank effluent is disposed of by means of an absorption tile field or tile bed, it should be disposed of beneath the ground surface in tile field trenches, or beds containing distribution tile lines. The tile field lines shall be laid on a grade of not more than four (4) inches per one hundred (100) feet and parallel lines shall be laid two (2) feet to four (4) feet apart in a single excavation. The tile lines shall be surrounded by washed stone from one-half (1/2) to one and one-half (1 1/2) inches in size, or equivalent aggregate, extending at least six (6) inches below the tile, and at least two (2) inches over the tile, and the full width of the tile field trench or tile bed, and straw or untreated building paper placed over the stone before backfill. The distribution tile shall be at least four (4) inches in diameter. Tile lines shall be laid so as to have at least twelve (12) inches of earth cover and not more than thirty-six (36) inches below the ground surface. To assure proper disbursement of all septic tank effluent throughout the absorption area, the Health Officer may require a distribution box or other similar approved device.

Absorption tile fields or tile beds should not be excavated when soil is wet or compacted easily. Open absorption tile fields or tile beds should be protected from surface run-off to prevent entrance of silt and debris. All smeared or compacted surfaces should be raked or scuffed to a depth of one (1) inch before the gravel or stone is placed in the absorption tile field trench or tile bed. The ground water level shall be at least two (2) feet below the bottom of the absorption tile field trench or tile bed.

### 5.8 Dry Well, Seepage Pit, or Block Trench

When septic tank effluent or overflow is disposed of by means of a dry well, seepage pit, or block trench, it shall be disposed of beneath the ground surface. The inlet pipe should be placed in the first course of blocks below the cover. Such installations shall have the space between the structure and the earth wall filled with coarse stone or crushed rock to a point level with the cover. All block or other material used above this inlet shall be laid with cement mortar at the end joints. Covers shall be easily removable or be provided with porches for cleaning and inspection purposes. A distribution box, or its equal shall be provided on all systems requiring three (3) or more seepage pits.

The ground water level shall be at least four (4) feet below the bottom of the dry well or seepage pit or block trench.

### SECTION VI - SUBMISSION OF PLANS, INSPECTION, AND APPROVAL

#### 6.1 Notice of Health Officer

Before construction is begun on any seepage disposal system or alteration of any existing sewage disposal system, notice of such construction shall be given to the Health Officer by the owner of the premise, his representatives, or person engaged for such construction. No construction shall start on the proposed installation or alteration until written approval for same shall have been received from the Health Officer. The provisions of this section shall not apply to municipal sewers or sewage treatment plants.

#### 6.2 Submission and Approval of Plans

Where installation, alterations and/or construction of any sewage disposal system are planned in low or swampy areas, or where the water table is high, or where tight clay conditions exist, plans for such sewage disposal systems shall be submitted to and approved by the Health Officer.

#### 6.3 Construction Approval

After construction of the sewage disposal system or alteration of an existing sewage disposal system has been completed and before the same has been covered and placed in operation, the Health Officer shall be notified by the owner of the premise, his representative or person engaged for such construction. Written approval shall be given by the Health Officer when such construction meets all the requirements of these regulations.

### SECTION VII - Public Sewer System

#### 7.1 Connection to Public Sewer

The sewer facilities hereafter installed in a premise where the service of a public sewer is available shall be connected with said public sewer.

#### 7.2 Sewer Connection

Any person, owning or occupying premises abutting or fronting any street or alley in which there is a public sewer available, and not connected therewith at the time of the passage of this ordinance, and any persons, owning or occupying premises abutting or fronting any street or alley in which a public sewer shall hereafter be built, shall connect said premise with such public sewer whenever the private sewage disposal system shall fall to function properly or shall create a public hazard, but in no case later than ten (10) years from the date of completion of said sewer.

### SECTION VIII - BUSINESS OF BUILDING SEWAGE DISPOSAL SYSTEMS

#### 8.1 Registration Required

No person shall engage in the business of installing sewage disposal systems or any parts thereof within the counties of Clinton, Gratiot or Montcalm without first registering with the Health Department. No fee shall be charged for such registration.

### CHAPTER IV Garbage Disposal

### SECTION I - SPECIFIC DEFINITIONS

#### 1.1 Garbage

Garbage is all putrescible wastes, including vegetable and animal offal, but including recognized industrial by-products, human excreta, and sewage.

#### SECTION II - ACCUMULATION OF GARBAGE

2.1 No owner of any multiple dwelling or occupant of any private dwelling in two-family dwellings shall permit to accumulate upon such premises any garbage except in a covered container of rodent-proof, fly-proof, and water-tight construction.

#### SECTION III - DISPOSAL OF GARBAGE

3.1 Garbage shall be disposed of in a manner which creates neither a nuisance nor a menace to health. The depositing of garbage on the ground surface within two hundred (200) yards of a public gathering place, or into any lake, stream, or other body of water is prohibited.

#### SECTION IV - TRANSPORTATION

4.1 Vehicles used in the transportation of garbage shall be so constructed and maintained so that no portion of the contents therefrom shall be deposited on any public highway.

### CHAPTER V Constitutionality

#### SECTION I - UNCONSTITUTIONALITY CLAUSE

1.1 Should any section, item, paragraph, sentence, clause, or phrase of these regulations be declared unconstitutional or invalid for any reason, the remainder of said regulations shall not be affected thereby.

#### SECTION II - REPEAL OF OTHER ORDINANCES AND REGULATIONS

2.1 All ordinances and/or regulations or parts thereof inconsistent herewith are hereby repealed.

#### SECTION III RETROACTIVE CLAUSE:

3.1 These regulations shall not be retroactive, except when such system become a health hazard. However, when extensive changes or repairs are made to the system workmanship and materials shall conform as near as possible with this code.

#### SECTION IV METHOD OF APPEALS:

4.1 The Mid-Michigan District Health Dept's Board of Health shall act as appeals board. Arrangements for hearing of complaints will be made within thirty (30) days after receipt of written complaint if received within (10) days from the date of recommendations by the Health Officer or his designated representative.

A motion was made by Supervisor Clark and supported by Supervisor Carter, that the Salary and Clerk Hire Committee be given power to act in the advertising for the negotiation of hiring a County Engineer. Motion carried.

A motion was made by Supervisor Gove and supported by Supervisor Carter, that this Board concur with action of the Clinton County Zoning Commission taken in regular meeting on October 13, 1966, in that the following amendments to the Zoning Ordinance be approved. Motion carried.

### ZONING AMENDMENTS

#### Section 6.2 SIZE OF DWELLING LOTS

Every lot upon which a dwelling is hereafter erected or altered shall not be less than fifteen thousand (15,000) square feet in area nor less than one hundred (100) feet in width; Provided, however, that this requirement shall not apply to a parcel of land less in size than said area and width and platted and identified as a single unit on a plat officially approved and recorded prior to the effective date of this provision.

#### Section 14.3 (d)

Nothing in this Section shall be construed as to prohibit the owner or his agent from preparing his own plans and specifications, provided the same are clear and legible.

For each such building permit issued, the following fees shall be paid to the County Treasurer who shall place the same in a separate fund to be known as the County Zoning Ordinance Fund, which fund shall be used for the administration of this Ordinance only, as directed by the Board of Supervisors. No permit shall be valid until the required fee has been paid.

For the first three thousand (\$3000.00) dollars of cost, or part thereof, \$5.00. For each additional one thousand (\$1,000.00) dollars of cost, or part thereof, \$1.00.

#### Section 15.4 (f)

Before processing an application for appeal under this section the Zoning Administrator shall be paid by the appealing party a fee of twenty-five (\$25.00) dollars.

#### Section 17. AMENDMENTS

(a) Amendments or supplements to this Ordinance may be made from time to time in the same manner provided in Act 183 of Public Acts of 1943, for the enactment of the original Ordinance.

(b) Application for re-zoning shall not be processed by the Zoning Administrator until there has been paid to him by the Applicant a fee of thirty-five (\$35.00) dollars.

A motion was made by Supervisor Shepard and supported by Supervisor Nobis, that this Board concur with action of the Clinton County Zoning Commission taken in regular session on October 13, 1966, and that the following amendments to the Clinton County Zoning Ordinance be hereby adopted. Motion carried.

THE BOARD OF SUPERVISORS OF THE COUNTY OF CLINTON ORDAINS:

Section 11.3 of the Clinton County Zoning Ordinance is hereby amended to read as follows:

#### SECTION 11.3 HEIGHT, SIDE AND REAR YARDS.

(a) HEIGHT. No building hereafter erected or structurally altered shall exceed three stories or fifty feet in height, excluding chimneys, towers, cupolas, spires and similar structures and the necessary mechanical appurtenances.

(b) SIDE YARDS. There shall be a side yard of not less than five feet for lots which are situated in subdivided plats of record.

Minimum side yards for lots which are not situated in subdivided plats of record shall be determined by the County Zoning Administrator, but in no case shall such required side yards be more than fifty feet and in no case less than ten feet.

(c) REAR YARDS. There shall be a rear yard of not less than twenty-five feet for lots which are situated in subdivided plats of record. On corner lots the rear yard shall be considered as being opposite to the street upon which the lot has its least dimension.

(d) The above provisions relative to side yards and rear yards, Section 11.3 (b) and 11.3 (c), shall not be applicable when the property line adjoins a railroad.

#### SECTION 11.4 FRONT YARD SETBACK LINES

(a) Where lots are situated in subdivided plats of record and do not front on a Michigan State or U.S. Trunkline there shall be a front yard setback as determined by the County Zoning Administrator but in no case shall such front yard setback be less than twenty-five feet. Where a lot is located at the intersection of two or more streets there shall be a front yard setback as determined by the County Zoning Administrator from each street, but in no case shall there be a front yard setback of less than twenty-five feet from each street.

(b) The minimum front yard setback for lots which are not situated in subdivided plats of record and which front on county roads shall be determined by the County Zoning Administrator, but in no case shall such required setbacks be less than forty feet. Where a lot is located at the intersection of two or more streets the minimum front yard setback from each street shall be determined by the County Zoning Administrator, but in no case shall such required set-back be less than forty feet from each street.

(c) The minimum front yard setback for any lot, whether situated in a subdivided plat of record or not, which fronts on a Michigan State or U.S. Trunkline shall be determined by the Clinton County Zoning Administrator, but in no case shall such required setback be less than seventy-five feet. Where such a lot is located at the intersection of two Michigan State and, or, U.S. Trunkline the setback from each such Trunkline shall be determined by the County Zoning Administrator, but in no case shall such required setback be less than seventy-five feet from each such trunkline.

#### SECTION 11.6

BUFFER ZONES: There shall be a buffer zone between offices and adjacent properties zoned "A" or "B" of not less than seventy-five feet.

Warehouses and manufacturing plants and adjacent properties zoned "A" or "B" of not less than one hundred and fifty feet. There shall be a buffer zone between office and adjacent

How to clean, disinfect milking equipment

One product is all it takes to kill a wide variety of harmful bacteria on milking machines, dairy utensils, and bulk milk tanks! It's called Purina iO-Dairy.

This combination detergent-cleaner-milkstone remover offers you these "built-in" advantages:

- Active in cold water
- Effective in hard water
- Very stable
- Effective in hard water

Use iO-Dairy as a flank and udder wash before you milk and as a teat cup rinse. Ask us for Purina iO-Dairy.

## County Holstein group discusses new classification

Changes in the classification of herds after Feb. 1 were discussed at the recent meeting of the Clinton County Holstein Friesian Assn. at the home of President Leon Miller.

A committee was appointed to plan a dairy tour to demonstrate the procedures involved in classifying a herd.

The annual meeting of the association will be held at Smith Hall Saturday, Jan. 14, with a potluck dinner preceding the meeting. Recognition will be given to a boy or girl who has done an outstanding job with their Holstein dairy project.

**ASC PROGRAM**

**New feed grain rules similar to '66 program**

**W. M. SMITH**  
County ASC Manager

We have received a few of the major provisions of the 1967 Feed Grain Program. It is similar to the 1966 program. The main differences are: Barley is not considered a feed grain for the 1967 program, and additional diversion payments have been discontinued for feed grain bases that exceed 25 acres and feed grains are planted for harvest. Price support loans will be available for all corn and grain sorghum produced on participating farms. The national average loan rate for corn is \$1.05 per bushel, and \$1.61 per hundred-weight for grain sorghum.

per cent of the base acreage. Price support payment rates for corn is 30 cents per bushel, and 53 cents per hundred weight for grain sorghum. Minimum diversion is 20 per cent of the total corn-grain sorghum base. A farm with 25 acres or less feed grain base is considered a small farm for the 1967 feed grain program. The diversion payment for the small farm will be computed as follows: The minimum diversion, 20 per cent of the feed grain base will earn a payment of 20 per cent of the total support payment for the farm. Any additional diversion, permitted up to total base with payment based on 50 per cent of the total support rate.

**LARGE FEED** grain farms or bases over 25 acres, the minimum diversion required is 20 per cent of base and no diversion payment. There will be no diversion payments made on large farms, except producers who divert 25 acres and plant no feed grains will be eligible for diversion payment on five acres at 20 per cent of support and 20 acres at 50 per cent of support. Soybeans may be substituted for feed grains on permitted acreage without loss of corn or sorghum price support payment. Conserving bases will be required as in 1966. These bases have been reduced by the last 15 per cent increase in wheat allotments. Producers who have had a change in their farming operations since 1959 and 1960 can ask the county ASCS committee for an adjustment. This request should be in writing and made immediately after producers receive their notice of feed grain base and conserving base. Estimate this notice will be mailed around the first of January.

**THE 1967 WHEAT** and feed grain program sign-up period will be held at the same time and will begin early in 1967. To date, we have no information regarding advance diversion payments to small farms. We will keep you informed of any program changes as we receive them. We have nine producers who are participating in the Cropland Adjustment Program who have signed up to allow public access to their farms. These producers have 491 acres diverted; however, they are going to allow hunting on 943 acres which is nearly all the acres on their farms. These participating producers have green and white signs displayed on the acreage offered for hunting. You must ask for permission to hunt.

**Potato pest search now in progress**

A tiny potato and tomato pest that has never been found in Michigan is the object of an intensive search now in progress throughout the state's potato producing areas by the Michigan Department of Agriculture and the U.S. Department of Agriculture. What they hope not to find is the golden nematode, a microscopic, eel-like organism that could cause the price of potatoes to skyrocket if it ever became established in Michigan. The golden nematode was first found in a German potato patch 70 years ago. It somehow got to potato patches on Long Island, N. Y., where it caused up to 85 per cent reduction in potato yields. Since then, agricultural officials have maintained a constant vigil to prevent its spread to other areas, according to B. Dale Ball, director of the Michigan Department of Agriculture.

**EVERY FIVE OR** six years, the Plant Industry Division of the Michigan Department of Agriculture cooperates with the Plant Pest Control Division of the USDA in a soil-sifting search for the golden nematode throughout Michigan potato areas. The pest depends upon soil movement for transportation. It multiplies slowly in the soil until it gains a huge enough population to wreak devastation. Since this buildup may take years, occasional checks like the one being present-

ly conducted are believed sufficient to protect the state. Should a golden nematode be found, eradication programs would go into high gear. While the golden nematode also preys on tomatoes, crop rotations in tomato fields generally discourage its buildup. State and federal plant pest specialists are concentrating their survey efforts this fall in the big potato producing areas of the state, where there is greatest chance of a major golden nematode buildup. They take soil screenings and make microscopic examinations. If no golden nematodes are found this fall, they will pronounce Michigan "probably safe" from an infestation for another five years.

**2 area farmers in new MSU study-program**

Two Clinton area men are among 30 young Michigan farmers named to participate in the Kellogg Farmers Study Program at Michigan State University.

Dennis Phillips of R-1 St. Johns and Richard Semans of 2305 S. Shaftsbury Road, R-1 Ovid, are in the second group of outstanding farm leaders across the state who will be enrolled in the three-year study designed to develop

promising rural leaders for Michigan. The first group, selected last November, has just completed a year of study. All participants agree to spend about 30 days a year off the farm in a wide variety of experiences.

**THE UNUSUAL PROGRAM** is financed through a \$432,226 grant of the W. K. Kellogg Foundation. Purpose of the venture, directed by MSU's Cooperative Extension Service, is to train potential leaders through seminars, conferences, independent study and travel.

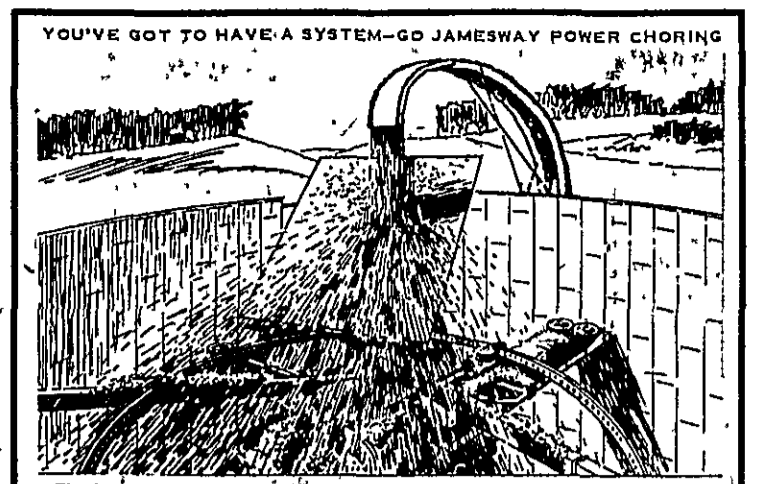

"We realize the program demands a lot from each of the group," Dr. David Boyne explains, "but we feel it is a tremendous experience in broadening horizons." Dr. Boyne, of MSU's Department of Agricultural Economics, is director of the program.

In the year ahead, the 30 young farmers have scheduled three week-long seminars and next March will make a week's "travel seminar" to visit industry, government and business centers of the state. The second-year group will be visiting Washington, D. C., the west coast and agricultural and business concentrations across the country. Both groups look forward to a third-year program which includes international travel.

**OVER A FIVE-YEAR** period, some 90 young farm leaders will have been enrolled in the program. The final group will be named next fall. Studying state, national and international problems and getting the perspective of many people will help the Michigan farmers take positions of rural leadership at the county, state and national levels.

**LACKS CONFIDENCE** Many a failure can be attributed to the fact that a man keeps too big an account with worry and bad luck in his mental bookkeeping. It is the triumph of hope over experience that induces a great many people to try to beat another man at his own game.

**BIG J DISTRIBUTOR/UNLOADER**  
distributes feed uniformly—gives you 20% more capacity

Two machines in one! The Big J works in any season — as a silage distributor, as a silo unloader. At filling time, the Fill-O-Matic distributor revolves to direct feed to the wall of the silo — cob, corn, stalk, grass and leaf particles stay mixed evenly for ideal compaction, fermentation and preservation. No uneven, off-center loading which causes dangerous pressures against silo wall. Ends hand labor in the silo because the Big J is completely mechanical!

Positive delivery unloader! The Big J unloads evenly, too, with Power Circle Drive and 3-Point Suspension. You can remove fluffy, newly cut haylage immediately — no waiting for feed to settle.

Continued from page 12  
properties zoned "D" in which a residential area has in fact developed of not less than seventy-five feet.

There shall be a buffer zone between warehouses and manufacturing plants and adjacent properties zoned "D" in which a residential area has in fact developed of not less than one hundred and fifty feet.

A question concerning pictures and signs of political candidates on trees and poles along the highways was referred to the resolutions committee by the Chairman, for a report at the next meeting.

Chairman Tiedt, as Chairman of the Salary and Clerk Hire Committee, recommended and moved that the salaries of elected County Officers be set for the coming year as follows: County Clerk \$8700.00, Sheriff \$8700.00, Treasurer \$6500.00, Register of Deeds \$6000.00, Drain Commissioner \$6000.00, Prosecuting Attorney \$11,000.00. Motion was supported by Supervisor Buck. On the call for a roll call vote those voting Aye were Supervisors Mayers, Moore, Cressman, Austin, Kriebel, Underhill, Thelen, Buck and Price. Voting Nay were Supervisors Shepard, Cove, Hufnagel, Angell, Howe, Setterington, Shinabery, Nobis, Carter, Clark, Coletta and Tiedt. Supervisor Reed was absent. 9 Ayes - 12 Nays. Motion declared carried.

Supervisor Tiedt recommended and moved that salaries of the elective County Officers for the coming year be set as follows: County Clerk \$7200.00, Sheriff \$7200.00, Register of Deeds \$6500.00, Drain Commissioner \$6500.00, County Treasurer \$7000.00, Prosecuting Attorney \$11,000.00, all effective January 1, 1967. Motion was supported by Supervisor Buck. On roll call vote those voting Aye were Supervisors Shepard, Angell, Howe, Shinabery, Nobis, Kriebel, Carter, Clark, Coletta, Tiedt, Buck and Price. Voting Nay were Supervisors Mayers, Gove, Hufnagel, Moore, Setterington, Cressman, Austin, Underhill and Thelen. Supervisor Reed was absent. 12 Ayes - 9 Nays. Motion declared carried.

A motion was made by Supervisor Angell and supported by Supervisor Moore, that the Records and Equipment Committee be given the power to act in the purchase of a calculator for use of the County Treasurer's office. Motion carried.

A motion was made by Supervisor Moore and supported by Supervisor Setterington, that the Civil Defense Director be authorized to attend a Conference in Louisville, Kentucky, from October 23rd to October 28, 1966. Motion carried.

Supervisor Coletta, Chairman of the Appropriation Committees, presented the following report and moved its adoption. Motion was supported by Supervisor Shepard, voted and carried.

**YOUR COMMITTEE OF APPROPRIATIONS WISH TO REPORT AS FOLLOWS, AND RECOMMEND THAT THE FOLLOWING BE SPREAD ON THE 1967 TAX ROLLS, OF CLINTON COUNTY:**

CONTINGENT FUND	\$359,550.00
TOTAL WELFARE	\$157,170.00
COUNTY DRAIN AT LARGE	25,000.00
MISCELLANEOUS APPROPRIATIONS	\$ 22,700.00
4,7048 (Mills)	\$564,420.00
COUNTY ROAD COMMISSION	\$ 75,000.00
(To be used only for matching funds)	

.62517 (Mills)  
5.3299 (Total Mills) \$639,420.00

ALL MONIES VOTED AND ALLOCATED IN THE VARIOUS TOWNSHIPS, VILLAGES AND CITIES FOR GENERAL FUND OR DEBT SERVICE.

ALL MONIES VOTED AND ALLOCATED TO THE VARIOUS SCHOOL DISTRICTS IN THEIR RESPECTIVE TOWNSHIP OR CITY FOR OPERATION EXPENSE, DEBT SERVICE, SPECIAL EDUCATION, EXTRA VOTED OPERATING AND INTERMEDIATE SCHOOL.

ALL DRAIN TAXES WHICH WERE AUTHORIZED AND ASSESSED BY THE DRAIN COMMISSIONER ON VARIOUS DRAINS IN THE COUNTY.

ALL REJECTED TAXES, IF THERE BE ANY.

COMMITTEE ON APPROPRIATIONS & FINANCE  
Charles C. Coletta, Chairman  
Almond B. Cressman  
Donald H. Clark  
Walter G. Nobis  
William Buck

A motion was made by Supervisor Clark and supported by Supervisor Coletta, that the County Clerk and County treasurer, be authorized to pay, upon proper billing, amounts approved in the County Budget on September 6, 1966, as follows: 4-H Fair, \$3,000.00; Lansing Mental Health Clinic, \$9,000.00; Bee Extension, \$500.00; Michigan State Association of Supervisors, \$750.00; Salvation Army, \$400.00; Michigan Childrens Aid Society, \$350.00; and East Michigan Tourist Association, \$300.00. Motion was voted and carried.

On motion made and supported the Board adjourned to Monday, November 7, 1966, at 10:00 A.M.

PAUL WAKEFIELD Clerk  
DERRILL SHINABERY Chairman

'Stay in school'

"In the life of the individual," President Johnson has said, "education is always an unfinished task."

"And in the life of this nation, the advancement of education is a continuing challenge."

This challenge has never been clearer, nor more urgent, than it is right now in view of the growing body of young Americans who are dropping out of school.

In October 1965, more than 10 million 16-to-24-year-old youths were out of school and in the work force. Over 3 million of them lacked a high school diploma.

Another 900,000-plus youngsters will be added to this growing battalion of dropouts this school year unless the nation mounts its forces to prevent it from happening.

To head off this possibility and to encourage our youth to complete their education, President Johnson has launched the 1966 Youth Opportunity Stay-in-School Campaign.

Once, in America, a person could drop out of school and readily find a job. But, like it or not, that era, like the horse-and-buggy, has disappeared from our national scene.

Sure, there are jobs for dropouts in today's booming economy, but, over the long pull, they will be harder and harder to find since the fastest-growing occupations demand a higher measure of skill and education than ever.

Jack Smit's devotion deserves some thanks

We have always looked upon the elected officials of a community in awe and with great respect—not because they are so important but because they are willing to shoulder the importance of their office.

It is no easy job being an elected official. Most do a conscientious job. And if they are conscientious and do an impartial job for the good of all the community, they earn the respect of many and make enemies of a few. That's the kind of job public office is.

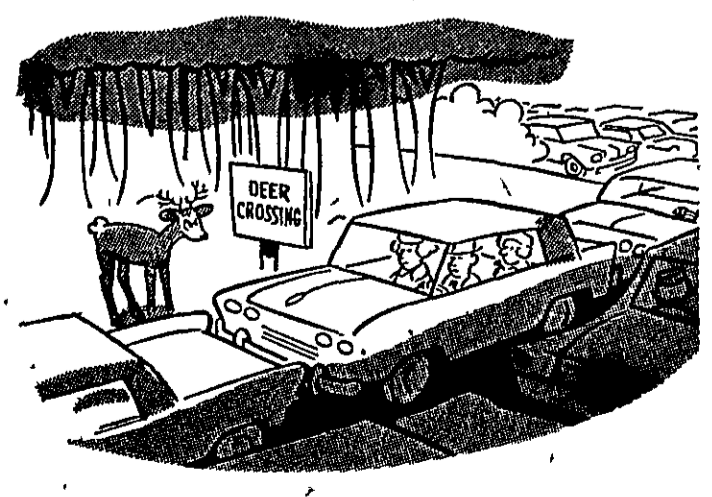

And that's the kind of city commissioner Jack Smit has been. Smit attended his last commission meet last Tuesday night. It was his last because he chose not to seek reelection. Smit has served on the commission since 1950, except for a few years when he did not run.

Six of these 16 years he has served as mayor of St. Johns, and for six years was a city representative on the county board of supervisors. Smit has been a devoted commissioner and has been steadfast in his convictions about what he feels the city government should have and should do. This has made some enemies but it has also made St. Johns a better city.

St. Johns had five such good people running for the city commission Tuesday. They, too, promised a devotion to their hoped-for job as city commissioner, and we're sure the two winners will give that devotion. In the meantime, we thank Jack Smit for his.

WITH WINTER now here—in reality if not officially—city residents are being reminded of the St. Johns ordinance prohibiting overnight parking on the streets. It is vital to safety and convenient travel that snowplows not be obstructed when plowing city streets:

This crazy world

Yet, this grim fact haunts the nation: by 1975, it is estimated there will be some 32 million adults in the labor force who didn't finish high school.

Space-age America can ill afford to allow this deplorable situation to develop and the dropouts themselves face lives of thwarted hopes, menial jobs, no jobs or underemployment.

For the youngster faced with the decision to continue his or her education, the answer can be reduced to a simple matter of dollars and cents—and perhaps, most of all, to common sense.

Over a lifetime, a high school graduate earns almost twice as much as the person who quit before finishing the eighth grade. Graduates earn almost 20 per cent more than non-graduates with but one to three years of high school.

A high school diploma is becoming a minimum requirement for jobs in our society. Our challenge—the challenge to everyone in this community—is to ensure that every single youngster gets at least a diploma.

The President's Stay-in-School Drive demands the full support and resources of our community—the schools, private businesses, civic and fraternal organizations, religious groups and local government. It's an indispensable investment in the future.

Back Thru the Years

★ Interesting Items from the Files of The Clinton County News

10 YEARS AGO From the Files of Nov. 15, 1956

Michigan's Farm Bureau Federation strengthened its stand for free enterprise in farming at its 37th annual meeting held last Thursday and Friday on the MSU campus.

The J.O.Y. Class of the First Methodist Church met Monday evening at the rural home of Mr and Mrs Robert Rice with Mr and Mrs Marvin Barclay assisting as co-hosts.

For her outstanding work in the 4-H garden project, Rosalie Simon, 18, R-4, St. Johns, has been awarded an expense-paid trip to the National 4-H Club Congress to be held in Chicago Nov. 25-28. Eight college scholarships of \$300 each will be presented to a blue award group selected from state winners.

25 YEARS AGO From the Files of Nov. 13, 1941

Sixteen members of the St. Johns high school graduating class comprise the cast for the annual senior play, "The Mad March Heirs," now in process of rehearsal. This production, a three-act comedy, will be staged Monday evening, Dec. 3, at the high school auditorium.

National Defense will be the theme of the annual School-Community Fair set for Friday and Saturday, Nov. 28-29, at the St. Johns high school building.

Special guest of the day at St. John's church Sunday was Rt. Rev. Frank W. Creighton, S.T.D., of Detroit, bishop of the Episcopal diocese of Michigan.

The Republican is hereby notifying all its subscribers that

beginning January 1, the subscription price will be \$1.50. This action is made necessary by the enormous increase in the cost of paper and everything which enters into the making of a newspaper.

The F. C. Mason factory reopened for the winter, season Monday. Ten men are now employed and a force of 25 more will be added by Nov. 20.

The Kirk Stock Company, which has been playing at the Allison theater all the week has been giving the best of satisfaction. Many pronounce the company of the best ever appearing here.

from the HOPPER

By STEVE HOPKO

The annual trek to the north woods for all venison hunters begins this week. Saturday is the beginning of the season in the UP, with opening day below the straits coming a week later.

Opening day for both sections will be on Saturday. This idea of Saturday openings was made by the Conservation Department a few years ago to enable more hunters to take advantage of the opening day of hunting.

FOR THE conservation people this was logical, because it meant that more people would buy a license and hunt. There were some people who wouldn't buy a license because they couldn't hunt on opening day.

In years past, old-timers tried to hunt on opening day. But, when opening day was switched to be on a Saturday, their desire to hunt opening day waned. This was for two reasons. One being that by opening on a Saturday, most areas of hunting were so crowded with hunters, one couldn't find a place to sit without being in someone else's way.

SECONDLY, with the opening on a Saturday, there were too many hunters who don't really know what they were out to hunt. Oh, they knew they were after venison, but too many of them don't have the slightest idea of what a buck in the woods looked like.

One could also find hunters who had heard what a great sport deer hunting was, so they rented a rifle, bought some shells and hit the woods, neither knowing quite what they were after, and worse yet, how to handle the weapon they had rented.

Of course, there is one consolation in the Conservation Department statistics that shows that the average hunter does not have to worry, too much, about the inexperienced hunter.

These statistics show that most injuries suffered in deer hunting are either self-inflicted or are from members of one's own hunting party, and happen very close to their hunting camp.

THIS MEANS, if you gamble on statistics, that the hunter who is inexperienced is more of a

LETTERS TO THE EDITOR

Letters to the editor for publication in the Clinton County News must be signed with name and address. Deadline for letters is Friday noon of the week preceding publication. The County News reserves the right to edit letters insofar as grammar, punctuation and libelous material are concerned. Letters on all subjects are welcomed.

Mrs Baker writes her thanks to friends

I am writing to notify you of a change of address. After Nov. 15 my new address is: Mrs John Baker/ 1410 W. Saginaw Street/ East Lansing, Mich. 48823.

So much of my life has been spent in St. Johns, I hope you will allow me to express my thanks and affection to everyone.

I have heard my husband say many times St. Johns and its rural area was a wonderful place to live, and work—good schools and good doctors, an unusually fine hospital for a small community, a church. All this but most of all, the people.

I don't like to hear it said that young people, today, are not as they should be. I feel this is wrong. Many of the boys John taught never knew how proud he was of them.

I appreciate especially all those who came to visit him in the trying days of his illness. The ones, also, who helped us so kindly and well. It meant so much more than they knew.

Being a teacher and concerned with learning John read the "county paper" through each week. He felt most of us take it for granted and do not realize the advantage of having a good home newspaper.

It has steadily improved over the years and I feel will be a real tie for me to take to my new home. So, thanks and good wishes to friends, a good town growing better, the wonderful new school system, and a darn good newspaper.

Yours truly, MRS JOHN (PEG) BAKER

Should cut dead films no matter what

There is a very large dead elm tree on the corner of Cass and Ottawa streets, which is dropping heavy, dead limbs at the rate of two or three a week.

Several parents of small children who play in this area have called the city offices about this tree, and they tell us that all of the allotted money for this work has been used, and no more tree cutting will be done until next year.

It seems that this tree situation is truly an emergency one all over town. The parents couldn't stand the loss of a child and the city couldn't stand a rash of large law suits due to loss of life, injury, or property damage from falling limbs.

Even if it means a special tax assessment for all of us, I feel that we must face this responsibility and proceed as quickly as possible to cut all dead trees in St. Johns.

Sincerely, (MRS) LOUISE SMITH 205 W. State Street St. Johns

notes from the bookshelf

By HILA BROSS Librarian Bement Public Library

The Book-of-the-Month Club announced the celebration of its 40th birthday in a special supplement to the New York Times of Sunday, Oct. 16.

Over the years the club has listed a total of 20,045 titles, and reading this list is a little like browsing through an old telephone book from your hometown.

One meets many old friends, such as Edna Ferber's SHOW BOAT (1928), Sinclair Lewis' ELMER GANTY (1927), Felix Salten's original version of BAMBI (1928), Sigrid Undset's KRISTIN LAVRANDATTER (1929), Remarque's ALL QUIET ON THE WESTERN FRONT (1929), Clarence Day's LIFE WITH FATHER (1935), and hundreds of others equally as well known.

SINCE ITS INCEPTION in 1926, the Book-of-the-Month Club has always had a distinguished editorial board, beginning with such literary greats as Christopher Morley, William Allen White, Heywood Brown, Dorothy Canfield Fisher, and its first board chairman, Henry Seidel Canby. Also included in the first board was the present board chairman, Harry Scherman.

One interesting bit of information is that the club has sponsored 240 "first" books by authors, most of whom are now famous and well-known.

THERE IS ANOTHER nostalgic-provoking bit of literature at Bement Public Library. It is a brand new edition of one book in the famous AMERICAN GUIDE SERIES, originally published by the Federal Writers' Project. These books were guides in depth of all the states in the union, and were prepared during the depression years of the 1930s by writers and reporters who needed the work. The project was a New Deal brain child, and the work was done under the general direction of the late Harry Hopkins.

Houghton Mifflin Co. of Boston, publisher of several books of the original series, including the one on Vermont, has chosen to revise and update the guide to the Green Mountain State as a pilot project. If this book has popular acceptance, they will bring out new editions of other state guides.

Librarians, at least, will welcome this new material because the old books are out of print and out of date, but they are still greatly used.

The new book on Vermont is larger than the old one, by 64 pages, but the old one will still be valuable for its introduction by Dorothy Canfield Fisher, entitled simply "Vermonters."

The new book is strictly a business venture, having been gotten out by the publishers with the cooperation of a number of Vermont state agencies, but with no financial assistance from them or the federal government. It is a beautiful and interesting book, full of satisfaction for the lover of Americana and practical help for the tourist.

FOR THE BENEFIT of those who read the editorial in last week's issue of the Clinton County News, let it be said that the biography of Krushchev referred to in Bement Public Library waiting to be read. It is an enlightening picture of a man who is the product of our times and the place in which he grew to manhood. Entitled simply KRUSHCHEV, the book is by Edward Crankshaw, published by Viking Press.

Bending under the weight of softly curved mounds of wet snow, a pine branch on the tree near the St. Johns Municipal Court entrance presents one of the more beautiful sides of winter's first snowfall.

RAMBLIN' with Rink

By LOWELL G. RINKER

Halloween is past, but in our exchanges with other newspapers we ran across the following column written by our friend at Ithaca, John Stafford.

It was particularly interesting because it involves St. Johns. We are not reprinting it as an expose of John, but it occurred to us that as long as he was "confessing" he ought to have some publicity on it.

Go ahead, John.

Most of our younger years were spent around home in Ferndale, or with the grandparents at their large, gray house on the main drag in St. Johns. We recorded some great successes (and a few failures) in both places. Nothing of a malicious nature, however.

"SOAPING WINDOWS never generated much enthusiasm among our gang, mostly because there wasn't much risk in doing something that didn't attract immediate attention. Ringing doorbells was much more exciting, particularly when followed by a chase.

"Another attention-getter was simple noisemaker a tin can, piece of string and chunk of resin. The string was fastened to the end of the can. When the can was placed against a window and the resin drawn

along the string, it made an interesting noise.

"Then there was the usual trick or treating, routine with one exception. One family on our block always demanded some form of entertainment. One chorus of "America" or "The Star Spangled Banner" usually sufficed. We didn't know many other songs.

"ONE TIME in St. Johns, we joined with a neighbor boy dumping a considerable quantity of garbage on the grandparents' front porch. It didn't take a detective to figure out who the culprits were, and we both ended up on the cleanup committee.

"Another time, while ringing a neighbor's doorbell, a ghost suddenly appeared in a white sheet, making all kinds of terrible noises. The evening's activities ended early that night. Then grandpa came in 'from a walk' with an amused look on his face.

"We had our share of Halloween fun. And now, removed from the 'offense,' by advancing years, we'll brush up on a little 'defense' preparing for the army of ghosts and goblins plotting mischief at 'Old Man Stafford's House.'

"And you know, defense has won more than one game!

Telephone technique

By W. E. DOBSON

I'm quite a bit old fashioned In many different ways, 'N some of modern notions. Sort of bring me up crossways; When I'm plumb wore out phone ringin' 'N settle back to be at ease, Whoever 'tis that answers Asks me "Who is calling please?"

Now when I go to all the work 'O' trainin' my bi-focals, 'N ramblin' with a party line, To get checked up by yokels; 'N put upon the witness stand, With that kind of a wheeze, I get dad-blamed impatient with "Just who is calling please?"

I know my tater diggin' time Ain't with no dollar a minute But when they start to rub it in— Quite frankly I'm agin' it; I'm most too old fer guessin' games, Er playin' birds'n' bees, I craves communication— Not—"Who is calling please?"

Some day I'll want t' plead my case Before Saint Peter's throne When all my earthly chores is done 'N I'm lookin' fer a home; I reckon should I make contact While on my bended knees, I'll hear some sweet voice whisper, "Just who is calling please?"

MICHIGAN MIRROR

Anti-poverty officials optimistic, despite slowness

Is the anti-poverty program of value? While the economy booms, it seems there are many jobs which pay well for youths with limited education, so they are not much interested in working in poverty projects at \$1.25 per hour.

A state-wide Neighborhood Youth Corps project designed to put 1,700 high school dropouts to work drew only 300 volunteers. A youth employment project in the Detroit metropolitan area got only 31 of 70 young men sought for summer work.

DESPITE THESE disappointing results, officials heading the projects remained optimistic. Those who did volunteer for the work were good workers and many could quickly be trained for placement in more permanent types of jobs at higher pay.

Some volunteers on the conservation-type Youth Corps project were willing to continue indefinitely at the \$1.25 or \$1.50 rate. This was more than their fathers ever made in their lives.

ANTI-POVERTY workers had anticipated they would encounter many youths whose dreams were

unrealistic. Other youths from underprivileged homes already had developed a cynicism and apathy which drained any desire for useful work.

While many challenged whether the vast expenditures for anti-poverty work programs were justified by the number served, officials contended that, as in many other government-sponsored projects, every little bit helps.

GOOD NEWS FOR motorists whose driving habits have given them cause to worry over insurability came Nov. 1 when a new Michigan law took effect.

Michigan became the second state to enact legislation specifying the conditions under which an insurance company can cancel auto coverage during the term of the policy.

Rep. Albert Kramer, Oak Park Democrat, emphasized the law was designed to protect both the driver and the insurance company.

HIGHER RATES on auto insurance have hit every driver in Michigan the past several years, but Kramer's law will have no effect on this trend.

BY ELMER E. WHITE Michigan Press Assn.

Instead it will require that if a company insures a driver for 55 days, it must give cause for a later decision to cancel the policy. A driver whose coverage is cancelled beyond the 55-day trial period can appeal the company's decision to the State Insurance Department and get a quick decision on whether the cancellation is justified.

INSURANCE COMPANIES are protected by the specific reasons permitting cancellation during the coverage period.

Cancellation is allowed for violation of the policy's conditions; a false or fraudulent claim; false information about traffic records or other matters used to determine the insurability of a motorist; revocation of a driver's license; use of a defective vehicle; physical disability that impairs driving; or excessive use of alcohol.

Auto insurance cancellation practices have been under study by legislative committees, for several years. Last year, the insurance department reported about 3,500 complaints were received in which the motorists claimed their policies were unjustly cancelled in mid-term.

Kramer anticipates that the law he introduced will eliminate most of this as the insurance department will get the facts from both sides and decide whether justification exists for cancellation.

WEATHER FORECASTS indicate Michigan is about due for an old-fashioned winter, and resort operators are ready for the start of the snow sport season.

Skating, tobogganing and related activities usually start about Thanksgiving Day, but resort owners have been working since the close of the last season to prepare facilities for the ever-mounting number of people expected to participate this year.

More than 250,000 skiers are expected to be using Michigan's slopes this year. Best estimates are they will spend about \$28 million in the state during the Thanksgiving through April season.

NUMBERS OF RESORTS vary slightly each year and the 83 winter sports centers listed this year will keep Michigan ranked among the nation's leading winter vacation areas.

Many resorts have expanded slopes, built lodges, added the latest maintenance equipment, installed lift and tow facilities and put in related attractions such as saunas, heated swimming pools, toboggan runs and skating rinks.

Michigan tourist surveys also show two resorts have added airplane landing strips to appeal to the growing number of "fly-in" skiers.

A downward trend in activity was experienced last year in Michigan but this was the first such drop in 10 years, so optimism abounds in the North country for the 1966-67 season.

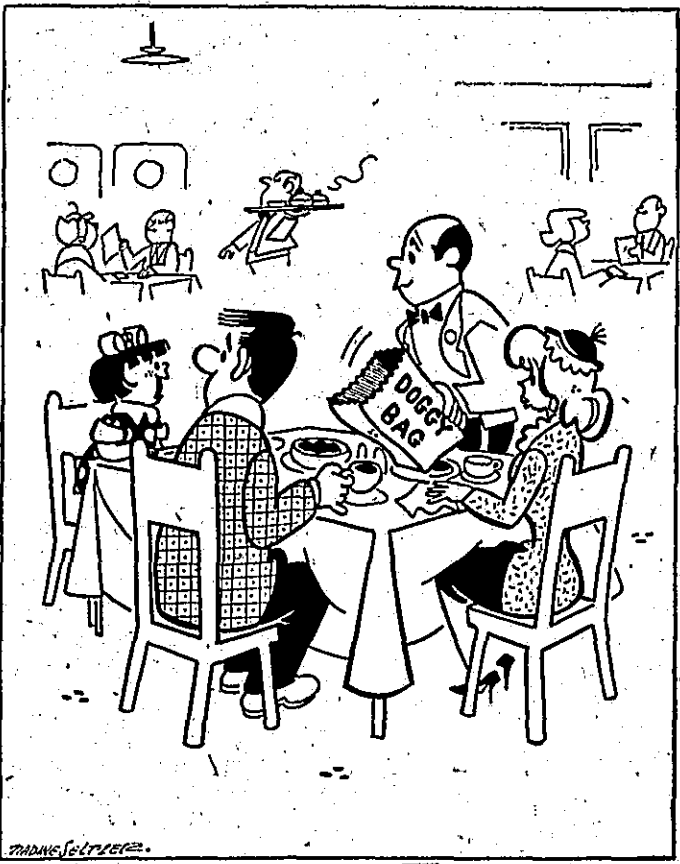

Litter pick-up costs double

The cost of litter pick-up along state highways has more than doubled during the last five years, the State Highway Commission reports.

Roadside clean-up costs rose from \$322,000 in 1961 to \$743,701 for the fiscal year that ended last June 30.

Highway Department officials said increased travel and the higher cost of litter pick-up on freeways along with normal increases in cost of labor were the major reasons for the increase in clean-up costs.

SWEETIE PIE

"You should label those bugs 'Midnight Snacks!' The dog never gets a whiff from them!"

The "Low Down"

From the Congressional Record

By Joe Crump

Communist tobacco purchases defended

Rep. J. B. Bingham (N. Y.)... "For the benefit of all readers of the Congressional Record, I include herewith the (condensed) text of this excellent State Department pamphlet."

At the direction of the President, Secretary of State Dean Rusk... sent to the Congress proposed legislation to provide the President with authority necessary to negotiate commercial agreements with the Soviet Union and other Communist nations of Eastern Europe to widen United States trade in peaceful goods, when such agreements will serve the interest of the United States.

TODAY THERE IS no longer a monolithic Soviet bloc—not is there a Sino-Soviet bloc. In this decade we have seen not only the falling out between Moscow and Peking but the assertion by the smaller countries of Eastern Europe, in varying degree, of their own policies. In this changed situation we have an opportunity for more constructive relations with Eastern Europe, including the Soviet Union. It must not be wasted.

It is against this background that United States policy on trade with Communist countries must be viewed.

Last fall, a particularly emotional campaign was undertaken by some groups against the use of a small amount of Yugoslav tobacco in American cigarettes. These groups insisted that the tobacco companies concerned use "Communist" tobacco and thereby support the evils of Communism.

TOBACCO GROWN in Yugoslavia is of the "oriental" variety not grown in the United States. It is used as a blend to improve the taste of cigarettes but is not a major component.

United States manufacturers also sell cigarettes to Yugoslavia, marketing 189 million there in 1965.

It would be self-defeating for American citizens to boycott Yugoslav goods after the United States has spent \$2.5 billion to help Yugoslavia maintain its independent stand.

Under Secretary of State George Ball (has) pointed out that the policy of the United States with regard to trade with Eastern Europe is not merely a decision by this administration but by the Eisenhower and other recent administrations, and further said: "It is absolutely unacceptable that right wing or left wing or any other kind of group should by intimidation or threat of boycott try to subvert or undermine the foreign policy of the United States."

ALL THE MAJOR cigarette manufacturers endorse Secretary Ball's statement. Yugoslav tobacco is used in varying quantities in the manufacture of cigarettes by all but one of the undersigned manufacturers. However, each of the undersigned manufacturers recognizes the right of its competitors to use such tobacco and reserves the right itself to use or not to use such tobacco in accordance with its own judgment.

The American Tobacco Co. (Lucky Strike)

Brown & Williamson Tobacco Co. (Raleigh)

COUNTRY FLAVOR

November winds are the advance scouts for winter

HAYDN PEARSON

November winds are advance scouts of tempests gathering their legions in the northland. Before winter officially arrives, pulsing winds scud across fields and meadows; they send low clouds chasing each other across the sky. They lift dark funnels of leaves and dust that whirl and twist like dancing dervishes. At gray dawn when dark smoke rises from farmhouse chimneys, the wind flattens it to a horizontal hyphen on the day's page.

Experts tell us that our winds are born in distant parts of the world. When the cold air from polar regions meets warm air, currents are set in motion that follow regular paths around the earth. In the days of sailing ships, the Northeast Trades and the Westerlies carried men and cargoes across the seas.

BUT THE COUNTRYMAN feels that November winds are in a different category. They are harbingers of the blizzards that strike when winter's cold has locked the streams and closed the eyelids of woodland ponds. Sometimes the winds spring up at dawn; sometimes a gray, quiet day broods on the land until late

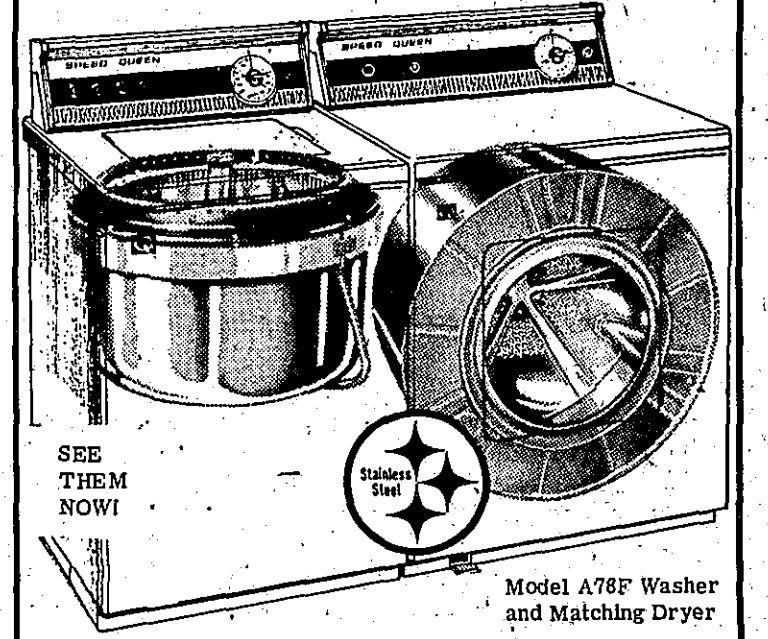

afternoon and then the winds begin.

Voices moan in the chimneys and cry around the corners of the farmhouse. The wind's force rises to crescendo and then falls suddenly to faint whimperings. Sometimes wind and rain come together and sheets of water

strike the windows like the rolling of drums.

The winds in advance of official winter may not have the powerful force of a January blizzard. But when a man comes in from evening chores and feels that cold, cutting edge, he knows that winter is on the way.

**North Victor**

By Mrs Elzie Exelby

Mr and Mrs Clarence Bauerle of DeWitt entertained at a family dinner and open house Sunday, Oct 23, honoring the birthday of their father, Otis Balcam, who celebrated his 90th birthday. Over 60 guests attended and Mr Balcam received many cards and gifts. Refreshments were served from a table covered table centered with a birthday cake. Mrs Lula Burns and Mrs Keith Bauerle of Lansing poured.

The Victor Missionary Society met at the Elmo Giffels home with a carry-in dinner Thursday. Mrs Giffel's mother, Mrs Gall Trieber was the hostess. The program topic chosen was "What is True Worship" and led by Mrs Trieber. This was followed by a general discussion. During the business meeting it was voted to remember a family at Thanksgiving time and also two people in a nursing home. Mrs Floyd Upton and Mrs Elzie Exelby are to pack and deliver the box of food.

Louis Jorae spent Saturday in Detroit where he with other members of the family were called to Ford Hospital due to the critical illness of his sister, Miss Irene Jorae.

Mrs Louis Jorae spent last week with her daughter, Mrs George Gee and husband in Lansingburg.

Word has been received from Mr and Mrs Oscar Fisher in California that they had reached home safely, after spending several days here with his brother Earl and other relatives.

Kevin Dall Van Gieson of Ovid spent Monday and Tuesday with his great-grandparents, Mr and Mrs Elzie Exelby. Mr and Mrs Robert Van Gieson and children were Wednesday evening dinner guests in the Exelby home.

Mr and Mrs Gerald Barrett, Mr and Mrs Ray Ketchum and Mr and Mrs Floyd Upton were in Lansing Monday, where they called on Herbert Stiehler who is recovering from major surgery in St. Lawrence Hospital.

Raymond Barnes of Lansing was a caller in this community Saturday.

Miss Irene Jorae underwent major surgery at Ford Hospital, Detroit, Tuesday. Her sister, Mrs Fred Herbiet, RN, remained in Detroit to assist in the care of Miss Jorae.

Mr and Mrs Elzie Exelby spent Friday in Lapeer with a sister, Mrs Edwin Berlin and family. Edward Berlin Sr. returned home Friday from Lapeer General Hospital where he had been a patient for six weeks following surgery.

Mr and Mrs Floyd Upton called on Mrs George Jones and Mrs Nancy Nielson and family on Sunday. Mrs Jones and Nancy are now living in a beautiful new home near Vernon.

Congratulations to all the young people here who were out Monday night for trick or treats. Their well behavior and courtesy is to be commended and it was a pleasure to have them call.

Horton Grange will meet at the Howard Dennis home Friday evening. During the business meeting, a State Grange report will be given by Mr and Mrs Arthur Curtis.

Mrs Louis Jorae spent Wednesday with the Theo Ashley family while Mr Jorae was in Detroit to visit his sister Irene.

Mrs Pearl Huyck is a patient in Clinton Memorial Hospital.

Mrs Arnold Post of Arizona arrived by plane Thursday evening. She was called here by the illness of her sister, Miss Irene Jorae.

**South Watertown**

By Mrs Bruce Hodges

The Starr Aid Society will meet with Mrs John Nicholson Thursday, Nov. 17, for a 12:30 p.m. dinner. Mrs Ray Stone will present the program, "Consumers View."

Miss Sharon Kline entertained 18 of her classmates at a Hal-loween costume party Monday evening. Games and dancing, was enjoyed and refreshments were served.

Mr and Mrs David McCulloch and family of Cleveland, Ohio, were weekend guests of Mr and Mrs Leon Garlock.

Mr and Mrs Burt Hodges are moving into their recently purchased home on Grove Road.

Mrs Clella Feazel, Mrs Sylvia Morris and Mrs Mary Haue-ter attended the Appleton Aid Society at the home of Mrs Richard Mullen of Lansing Wednesday.

Mrs David Hodges and Mrs Bruce Hodges attended a bridal shower Friday evening, honoring Miss Linda Wordan at the home of Mrs Bradley Bogle of Lansing.

The world is filled with people coming and going, but very few are arriving.
