GOAL SET FOR \$53,000

1979 Clinton United Way campaign kicks off

Quilt winner

William Keese of Glenview, Ill. was the winner of the quilt raffle sponsored by the Keepsake Quilters during the Home Tour last Saturday. About 1,500 tickets were sold, and proceeds from the hand-made quilt will go to Bement Public Library. The Keepsake Quilters who made the quilt want to thank all who participated in the raffle.

Bike-a-thon

A bike-a-thon to benefit the March of Dimes is slated for Saturday, Sept. 30, beginning at 8 a.m. at Eureka Elementary. The 50-mile course has been established and further details may be obtained by calling Tom Nemcik at Clinton National Bank and Trust's main office in St. Johns. Rain date is Oct. 1.

Varsity ticket prices go up

Last year varsity boys' football and basketball ticket prices at St. Johns High School were \$1.50 for adults and \$1 for students. This year the rest of the varsity sports except girls' volleyball and non-charging sports such as tennis and golf will be raised to the \$1.50 adult fee and \$1 student fee. Junior varsity and freshman sport ticket prices were set at \$1 for both adults and students, an increase of 50 cents for students over last year's prices. The price increase was suggested by the Citizens Advisory Committee and approved at last week's board of education meeting.

\$3,500 raised

The Clinton County Historical Society reports it realized a \$3,500 profit from the home tour. Ticket sales netted \$3,600, the rain barrel brought in \$700, there were \$200 in sales of postcards, books, etc. and \$1,000 in expenses.

Color viewing

Best color viewing in Michigan this year will be Sept. 22 to Oct. 15 in the Upper Peninsula and in the Lower Peninsula north of a line from Ludington to Standish. Advancing south to a line from Muskegon to Port Huron, fall color is at its peak in Michigan's mid-section Oct. 6-22. Extreme southern Michigan will have its best color viewing Oct. 13-22.

The fall color schedule was earlier the past couple of years because of lengthy summer dry spells, but with better rainfall last spring it is almost back on target. Rain—or the lack of it—plays a major role in fall color. Chlorophyll, one of the many kinds of coloring matter in trees, makes it possible for trees to absorb energy from sunlight and turn carbon dioxide and water into sugars and starches. It is those sugars that help create the trees' colorful pigments. Chlorophyll keeps leaves green but with less water in the soil, less of the chemical forms, allowing the other colorful pigments to take over.

Clinton County

"Every day people in the Capital Area use the United Way," and, with that slogan in mind, the Clinton County division of the Capital Area United Way 1979 campaign kicked off Tuesday night, Sept. 19, with a goal set at \$53,000.

1979 campaign chairman for the Clinton United Way, Bill Richards, and his committee of six will be organizing this fall's drive which hopes to bring in 11 percent over last year's pledges totaling \$47,510.

Chairing the commerce, education, government, industry and professional, divisions are Vincent Kuntz, Tony Kuntz, Hugh Banninga, Dave Dodd and Romaine DeCamp, respectively.

During last year's 1978 campaign drive, almost one half of the county's total contributions came from the major firms and labor (industry) sector. A total of 633 pledges were made by employee and executives in industry, with the average gift being \$26.88. Industrial firm contributions totaled \$6,583 last year.

This year Dodd who is with Sealed Power is hoping to better last year's

\$23,710 industry contribution and raise that total to \$25,000.

Banninga has set his goal for the 1979 campaign at \$3,000, which will top last year's government contributions by \$2,300. Much of the success in the industry drive has been attributed to a payroll deduction plan and this year county employees will be offered their first payroll deduction plan.

Retired encyclopedia salesman and well-known St. Johns resident, Tony Kuntz will be seeking \$5,500 from

Sun shines upon historic home tour

St. Johns

A sparkling sunny day amidst a week of clouds and rain added to the success of the Clinton County Historical Society Home Tour last Saturday which was attended by an estimated 900 persons during the day and 500 who took the candlelight tour.

Persons came from Bay City, Detroit, Ithaca, Mt. Pleasant, Ionia, Owosso, Escanaba and other communities around the state and a bus load of persons from Grosse Isle turned up Sunday after confusing their dates. The Grosse Ile residents were permitted to join the tour homeowners when they went on a special tour of each other's homes Sunday afternoon.

Nothing went wrong during the day, according to Catherine Rumbaugh who was one of the main motivating forces behind this year's tour. She and her husband, John, are co-directors of the new Clinton County Historical Society Museum located across the courthouse. Approximately \$200 were dropped in the rain barrel set outside the new museum during the tour for donations.

Besides the \$200 donated Saturday and a \$500 gift from an anonymous St. Johns woman, many persons who toured the facility expressed a desire to donate articles to the new museum.

Joe Lorio from St. Johns won the antique car exhibit with his 1928 Hupmobile; 27 booths were occupied during the street market; and William

Keese of Glenview, Ill. won the quilt made by the Keepsake Quilters for the benefits of Bement Public Library.

Ninety six quilts were entered in the quilt exhibition. A special ribbon was given to Veronica Boettger for 1st place in extra fine quilting; four other division winners were also ribbon recipients.

Laura Tohlman of Alma placed 1st in the crazy quilt division, and 2nd went to Cerelda Hicks of St. Johns who made her quilt for a great grandson. First in cross stitch went to Marie Schafer of Lansing and 2nd in cross stitch went to Lea Smith of St. Johns.

Ruby Wyman of Pompeii earned 1st place in the pieced quilt competition and Mary Phillips of St. Johns placed 2nd; Esther Jacoby of St. Johns was 1st in applique and Antoinette Hafner of St. Johns was 2nd.

First place winners received quilting books from MacKinnon and Son Department Store, and Cindy's Craft Corners donated handmade ribbons.

Highlights of the quilt exhibit included a quilt made in 1898 by a blind woman, the quilt now the property of Iva Mae Warner; and a 90-year-old quilt made by Rosa McDiarmid when she was seven years old. That quilt is now the property of Cathy McDiarmid. Present plans call for a 1979 home

DNR opposes proposed landfill

DeWitt Township

A portion of what was once DeWitt Township could go from a proposed sanitary landfill to low income housing as quickly as it was annexed by the city of Lansing.

The idea of making the site between Coleman and Wood Roads into a landfill has drawn much controversy, even to the point of pending lawsuits.

The latest opposition to the city's plans has come from the Department of Natural Resources who say they will withhold a 1979 operating license for landfill until the operator, Metropolitan Recycling and Landfill Corporation,

(MRLC), brings the proposed landfill into compliance with the new state law.

The DNR also noted they would be too close to Capitol City Airport's main east-west runway, which is being expanded 750 feet into the site.

Another problem is the birds the landfill would attract, playing havoc with the airplanes take-offs and landings.

Just what will eventually come out of the 120-acre site is yet to be seen. One thing is for sure, however. If it's a landfill, the city of Lansing is still going to have a fight on their hands with more than one person.

SJ custodial contract ratified

St. Johns

A contract between the custodial and maintenance employees and the St. Johns Board of Education was ratified at the board's meeting last Wednesday night. The next two-year contract calls for raises ranging from 30 to 40 cents per hour over the two-year period.

Also included in the contract is the group's first dental program which operates on a 50-50 basis, the same as for teachers. The school system will be paying \$15.84 monthly for each of its 356 custodians and maintenance personnel for this benefit, or an accumulative cost of \$5,500 per year.

All full-time employees have dental coverage in the St. Johns school system as of this year.

Operating tax levy for the 1978-79 school year was set at 25.75 mills. The debt levy was set at 2.75 mills, a reduction from 2.84 mills levied the previous school year. District taxpayers should realize a slight reduction in the school taxes as a result of the decrease in debt millage.

An estimated savings to the district of between \$10,000 and \$13,000 will be realized because of a switch from Blue Cross-Blue Shield health insurance to MESSA insurance for all administrators and non-certified employees. The switch was proposed by Superintendent Dr. Donald Burns.

The board approved the contracts for the following teachers newly employed in the district.

East Olive: Sally Butsch, half-time kindergarten at East Olive-Olive Center; Rita Webster (9 weeks), 3rd grade; and Jim Makarouskas, 6th grade.

High School: Jill Goode, special

education; John Koczman, social studies and girls' tennis coach; Janet Silas, English and reading; William Waldron, drafting and construction; Charles Wolf, math and wrestling coach; Barbara Markman, English; Diane Penix (60 percent) in home economics; and Diane Vaughn, English.

Central: Joyce Caulkins, 5th grade; and Darlene Jekel, special education.

Swegles: Stefani DeJong, EMI room. Rodney B. Wilson: Ellen Hadley, art and drama; Gerald Nickel, special education; and Linda Kuchar, science and home economics.

Teresa Merrill: Mary Huneke, 4th grade.

Eureka: Doreen Logan, 4th grade; and Ann Peterson, 1st grade.

Fulton board makes contract offer

Middleton

Over 20 months of bargaining and two mediation sessions have failed to provide an agreement between the Fulton Board of Education and the Fulton Michigan Education Association Organization. The 44 non-certified employees represented by Fulton-MEAO have been without a contract since the 1976-77 school year.

The entire Board of Education met on Wednesday, Sept. 13, with union representatives. The Board has offered retroactive pay increases of five percent for 1977-78, six percent for 1978-79, and seven percent for 1979-80.

In 1976-77 some non-certified employees received a pay increase of five percent while others received more. In 1977-78, although employees were without a contract, all employees except custodians and cooks gained by having their five percent retirement

contributions paid by the board. The Board has offered to buy Blue Cross-Blue Shield insurance coverage for all full-time employees at a cost of up to \$100.42 per employee per month.

The Board has also offered seven paid holidays and two personal days and has offered to increase vacation periods up to 20 days per year for senior employees. Other increases offered include additional sick leave, longevity compensation and termination pay.

The union is demanding retroactive increase of 10 percent for 1977-78, 12 percent for 1978-79, and 12 percent for 1979-80.

The wage schedule offered by the Board and rejected by the union follows:

CRW honorees

Community Radio Watch was busy during the Home Tour honoring people in Clinton County and the surrounding area who have helped the community through CRW. Those receiving awards were Bob Keer, Lansing CRW; Larry Miller, Shiawassee CRW; John Criswell, Crime Prevention Unit; E. J. Bottum; Bruce Amos; Bob Serrine; Lt. Richard Abbott, Michigan State Police; and

presenting the awards on behalf of the CRW was Jerry Reha. Serrine and Amos are only two of three people ever to receive the honorary CB award in the Tri-County area. Mayor Gerald Graves of Lansing was the first person. Sheriff Tony Hufnagel was also thrown in a makeshift jail to help raise money for the group. The only trouble was nobody would bail him out. I-Squad solves B & E's

Clinton County

The Clinton County Investigative Squad made several arrests, solving numerous breaking and entering and larcenies throughout the county during the last two weeks.

Two juveniles were petitioned into probate court and a warrant was issued for Merrill D. Edwards of Grand Ledge in connection with a breaking and entering of the Lewis Ingram residence in Wacousta.

John C. Elkins, was arrested by the I-Squad for

the breaking and entering of the Ken McCreery residence at Coleman Road in Bath. Elkins was AWOL from the Navy at the time.

Yvonne M. Kaminski, 408 S. Clemens, Lansing, was arrested on a four count warrant for possession of stolen credit cards.

Gary L. Green, 608 Euclid, St. Johns, was arrested for a larceny from an auto which occurred at Traver Auto Sales located on N. US-27.

A juvenile was petitioned for the breaking and entering of a residence at

6035 Park Lake Rd., Bath on Aug. 30.

Three juveniles were petitioned into probate court for three thefts of bicycles in Bath and St. Johns. They were charged with larceny over \$100.

Robert Dale Hartman,

15841 Florence, Lansing, was charged with an attempted entering without permission at the Laura Wilkenson residence at 5921 W. State Rd. on Sept. 12. Deputy Mike Winn of the Clinton County Sheriff's Department assisted on the complaint.

Drepps RV Center broken into

DeWitt Township

Drepps RV Center in DeWitt Township was broken into sometime between Friday, Sept. 8 and Monday, Sept. 11. Taken at the 11375 US-27 location was \$700 worth of radios, CB radios and stereo equipment. Two motor homes were broken into.

Thomas Aranow, DeWitt Township police chief, reported his department obtained a felony warrant for Evelyn J. Jones, 9320 Oakdale Rd., Laingsburg. The warrant stems from an incident in the parking lot of Mickey's Bar on Monday, Sept. 11 at 2:40 a.m. Officers discovered Jones with a loaded .22 caliber handgun after being called to the scene for a disturbance in the parking lot.

Cars driven by Elizabeth Ann Harper, 102 Castle Dr.,

Lansing, and Linda May Williams, 409 Second St., Lansing, collided near the intersection of Wood and State Roads.

Ms. Harper swerved to avoid hitting the oncoming auto driven by Ms. Williams. Harper lost control of the auto and entered the ditch on the east side of Wood Road. She was seriously injured and taken to Sparrow Hospital by ambulance. There were no tickets issued in the accident.

Vandalism reported

St. Johns

A rash of vandalism occurred at the Morton Street Trailer Park on Sept. 13 with seven CB antennas being bent or destroyed according to St. Johns police reports.

Officers also investigated two failures to pay, one shoplifting case, one larceny of a bike, one simple larceny, one driving while license suspended, one for drunk driving, and one person was arrested for shoplifting.

There were seven accidents and three fire runs.

Action Auto entered

Bath

Action Auto Dealers, 7227 E. Saginaw, Bath, was broken into on Sept. 14 and about \$60 was taken from the cash register. According to Gene Reno, Bath police chief, nothing else was taken from the building.

A money box and candy bars were taken from the pool hall on South Bridge on

Sept. 13 according to DeWitt City police reports. A juvenile was also picked up by police during the past week for drunk driving.

Two political debates slated

East Lansing

Candidates for the 6th District congressional and 24th District state senatorial seats will face off in two debates at Michigan State University to be hosted by the School of Journalism.

The state senatorial debate, which will feature Democratic hopeful Larry Owen and Republican candidate William Sederburg, will be held Oct. 4. Democratic Congressman Robert Carr will debate his Republican challenger, Michael Conlin, on Oct. 24. Bath Township is included in the 6th District.

Both debates will take place in Erickson Kiva at 7:30 p.m. and are open to the public.

The debates are being sponsored by the MSU journalism school's Public Affairs Forum which is coordinated by David Reddick, instructor in journalism.

Reddick said that the debates would closely follow the Ford-Carter debate style

with each candidate answering questions from a panel of reporters made up of journalism seniors.

The Journalism Public Affairs Forum is a school of Journalism program which brings persons prominently identified with current issues to campus for debates or town hall meetings. The possibility of other political debates this fall is being explored, Reddick noted.

Promoted

Marquette

Barry L. Knight, son of Mr. and Mrs. William S. Knight, S. Lansing St., St. Johns, has been promoted to full professorship as head of the history department at Northern Michigan University.

Knight has been a member of he NMU staff since 1967 and earned a masters and doctors degrees at Michigan State University.

Deputies handle 3 accidents

Clinton County

Clinton County Sheriff's deputies handled three serious injury accidents in addition to five other minor accidents during the past week.

Kevin L. Jackson, Sunfield, was traveling westbound on M-21 when he fell asleep causing him to lose control of the auto. His car went onto the shoulder of M-21 near the intersection of Jones Road. The car skidded 200 feet and hit a guard rail, tearing it up on Sept. 11 at 1:15 a.m.

Jackson was injured in the incident and taken home. He was cited for careless driving.

Steven A. Galbavi, 4160 S. DeWitt, St. Johns, was northbound on DeWitt Road when he entered a curve he could not negotiate near Taft Road. He ran off the road and rolled the motorcycle he was driving. The driver and motorcycle slid 200 feet down the road on Sept. 9 at 7 a.m.

Galbavi was seriously injured and taken to Clinton Memorial Hospital for treatment.

In another accident occurring Sept. 10 at 11 a.m. cars driven by Jerry L. Weller, 5861 Walker Rd., and

Matthew W. Smith, 6363 Faragher Rd., collided on Harmon Road just south of Kinley Road. The drivers' vision was obstructed according to police reports by tall weeds on the west side of Harmon Road. The cars did not have time to avoid hitting each other, according to the deputy covering the accident.

Weller, Connie Weller and two small children were seriously injured as well as the other driver, Smith. They were taken to Clinton Memorial Hospital for treatment.

DeWitt special assessment passed

DeWitt
The DeWitt City Council Monday gave final approval to special assessment districts for sewer and street improvements in the Lake Geneva area.

The vote finalized the action taken at a Sept. 7 council meeting in which the council approved the sanitary sewer and street improvement project.

According to the resolution passed Monday, the sewer assessments will be spread over a 20-year period, with the first payment due July 1, 1979, and an eight percent per year interest rate.

Street assessments will be spread over 15 years because of the shorter life of streets, and the first payment will also be due July 1 of next year.

The council also approved a resolution placing the question of a general revision of the city charter on the November ballot. If voters approved it, a nine-man charter commission would be elected within 60 days for the revision.

The council decided not to take an advisory vote asking

whether the charter should include a change in the form of city government.

Councilman Charles Bauer said that an advisory vote could cause confusion rather than help guide a charter commission, because the voters might then associate charter revision with a switch to a city manager system. If so, Bauer said, opposition to the city manager system might cause the entire revision to be voted down and prevent necessary changes from being made.

The council also voted to extend a water main along Madison Street to Jefferson and to place a fire hydrant at the end of the line.

That action came out of discussion of the council's previous action extending the line to past property of Melvin Butler near Madison and Scott. Bauer said a further extension to Jefferson would benefit the city by placing another hydrant near the downtown area.

Butler will still pay half of the cost of the extension up to his property, as agreed to in the original council action.

New grocery store

DeWitt has a new Shoprite Store and business was booming during the first two opening days. A grand opening was held Sunday at the new grocery store located just off US-27 on Herbison Road. Store hours will be from 8 a.m. to 9 p.m. Monday through Saturday and 10 a.m. to 6 p.m. on Sunday. The new store employs between 40 and 45 people and features a carry-out service and Sanders' Bakery department as well as a complete line of grocery needs. Ed McDowell, manager is shown with Diana Schmitt, cashier. (Photo by Sue Kiley)

Breathalyzer school

Sergeant Don Kennell, of the Clinton County Sheriff's department was one of eight police officers in the county to attend the Michigan State University's annual recertification as breathalyzer operators at the State Police Academy Sept. 12-14. The recertification program involved laboratory work, including collection of blood and urine samples used in alcohol and drug analysis, as well as briefing on current courtroom procedures and a review of current trends. Michigan's Implied Consent Law requires that drivers suspected of driving under the influence of alcohol submit to a breathalyzer test or lose their license. Kennell is being tested by one of the instructors. (Photo by Sue Kiley)

Doll named corporal

Bath Twp.
Bath Township officials voted to concur with the police and fire board making Joe Doll of the police department a corporal. Doll completed a one year's probation in the corporal position.

New equipment is also headed for Bath Township during the next couple of months. Township Supervisor, Thomas Woodruff told the Board at its Monday night meeting the new fire truck would be delivered the following evening, Sept. 19. The Board also voted to accept the only bid for a new police car from University Olds for \$6,266.

It was noted the 1977 police vehicle has 160,000 miles and

the 1978 vehicle purchased a month ago has 32,000 miles on it. The new car is expected to be delivered within 60 days.

The Board voted to

approve a liquor license for Willow Lakes Motel, formerly the Billadon Motel on M-78. The facility will be a grocery store with beer and wine take-out available.

O-E levies full millage

Elsie
Last year Ovid-Elsie's Board of Education decided to levy only 18.75 mills, though the voters had approved a 19-mill levy. This year, however, the school board voted to levy the total millage.

Action came at the Sept. 11 board meeting, following a motion which was defeated to levy 18.75 mills.

Also at the same board meeting:

—Margaret Remenar was hired for a half-time position as a kindergarten teacher at E.E. Knight Elementary.

—a motion to change the Sept. 25 meeting to Sept. 26 was approved.

—Jan Amsterberg was hired as director of adult-community education.

Wouldn't it be wild if there was a weather machine?

Whoever invents a method to regulate the weather will surely become a millionaire.

Could you imagine a weather forecast broadcast for the entire year with 100 percent accuracy? "Monday, as always, we will have rain, to go along with the Monday blues, and then we will have continuing cloudiness throughout the week until the weekend when bright, sunny skies will prevail."

Of course, there would never be an ice storm (remember the winter of 1976?) or a hurricane or a tornado or flooding. The farmers could count on having enough rain for their crops, without an overabundance. Life would be merry.

Heaven forbid if the control of weather ever became controlled by a single interest group. For example: TV widows would make sure every baseball, golf, tennis and soccer game was rained out; children would ensure at least 30 snow days each winter; companies manufacturing the underground lawn sprinklers would enjoy a drought; and tourist traps would give us no rain at all.

If the government regulated the weather, think of how many agencies they could create with our tax dollars: Bureau of Rain, Bureau of Sleet, Bureau of Snow, Bureau of Hail, Commission on Rain in the Midwest,

Committee to Elect Bureau of Rain Officers, Rain Budget Office, Committee to Study the Effects of Snow in July and Commission to Legalize Sleet.

Better, yet, United States taxpayers may be better ahead without a government-regulated weather bureau.

Did you know that success by scientists working on weather modification has already prompted Congress to consider investing in a concerted 20-year "weather resources management" program. The plan now calls for a doubling of current weather research spending—up to \$37 million to begin with and an increase up to \$90 million in the fifth year of the program.

The National Oceanic and Atmospheric Administration is hoping to revive a project called Stormfury which was initiated in the early 1960's to quiet killer hurricanes. The project was killed seven years ago.

To lull the hurricanes, they will fly five heavily instrumented aircraft into a hurricane, head on, and seed the storm with silver iodide particles.

There is already evidence that these techniques work. In 1969 the seeding of Hurricane Debbie took place, and in one day, the winds slowed down as much as 30 percent. However, the day after the seeding, the wind velocity went up again.

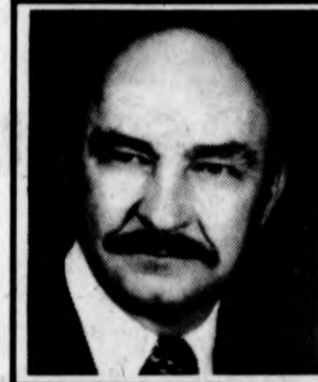

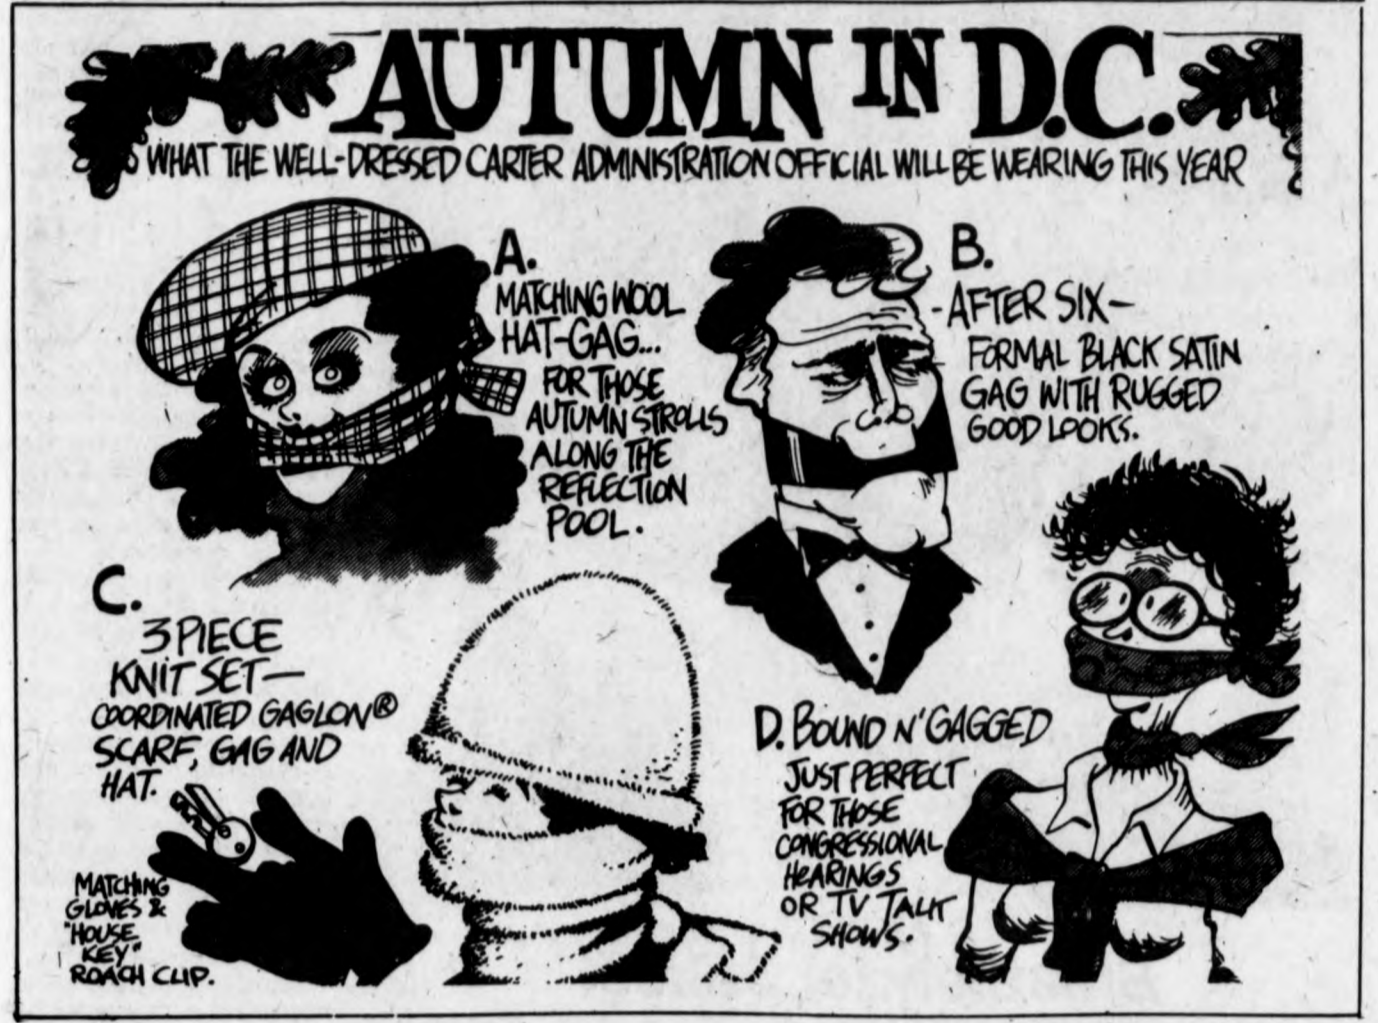

By Patrice Hornak

Florida rainmakers have been seeding cumulus clouds for six years and claim they have increased rainfall by 20 to 70 percent.

The Bureau of Reclamation (?) thinks snowfall in the Rocky Mountains could increase between 10 and 25 percent if clouds in that area were seeded. And "Hail Alley" in Colorado, Nebraska and Wyoming, could see some abatement in their annual pounding by the little white balls of ice.

Finally, someone is doing something about the weather and not just talking about it.

LETTERS TO THE EDITOR

Many deserve credit for millage success

Dear Editor,

We, the Citizens Committee for St. Johns School Kids, wish to express our sincerest thanks and appreciation for the support we received in our millage campaign from the teachers, school board members, school administrators, and above all the overwhelming support from the voters of the St. Johns School District.

First, we do appreciate the help we received from the teachers' organization. Even though they went on strike a week before the millage vote, they quickly settled their differences with the board of education and by Friday afternoon they were working 100 percent for our cause. They gave freely of their time, energy and funds in helping us convince the public that we needed the millage in order to give our children quality education.

We were also impressed by the number of teachers who were working in their classrooms on Saturday and Sunday during the heat of the day preparing for the coming of the school kids. Therefore, thanks teachers.

We also thank the school administrators and the school board members for their spirit of cooperation in settling their differences with the teaching staff. If the strike had continued beyond Monday, the day of the vote, they also were most helpful in supporting our cause. Hence, thanks Board members.

Finally, you the voters of St. Johns School System deserve the greatest "thank you" of all because you cast your vote on Monday for the kids of St. Johns Community. You did not strike back but rather voted for the kids by a tremendous majority. This proves to us

why we are living in a great community. The hard work and loss of sleep on our part is small in comparison to what you did. You told the school board, administrators and teachers to continue to work with the business of giving quality education to our children and to forget the events of a week ago.

Therefore, we now predict a great school year for our children because the school board has a definite millage for two years; the teachers have a two year contract and the community is eager to support the school program. We are certain all of us learned much from the experience of the past week. If we have learned to respect and support each other, the difficulties each of us experienced shall not be in vain.

We are indeed proud to live in St. Johns Community and it has been a real enjoyable experience working for you. May God give each one of us the wisdom and knowledge of always doing what is best for our children.

Citizen Committee for St. Johns School Kids
Bob Craig and Sharon Randall,
Co-chairpersons
Tony Kuntz, Treasurer

P.S. We also appreciate the detail news coverage by both Clinton County News and WRBJ Radio Station as well as their editorial support. It was most helpful and as a result the kids of St. Johns community benefited by it. We are grateful.

It's that time of year when the kids are going back to school, and the parents are wondering -- among other things -- what they're going to be doing for a living when they grow up.

As someone once said, kids these days have two strikes against them when they're starting school -- the bus drivers' strike and the teachers' strike.

As for vocations, maybe parents should be guiding their offspring into politics. They could do much worse.

The Michigan State Officers Compensation Commission again is looking into what Michigan's top state elected officials should be paid; that's part of the commission's constitutional duty. The results of an early survey are somewhat enlightening for the over-burdened taxpayer.

For example, Michigan pays its top elected officials more than the average for eight major northern states, plus California. These states include Ohio, Indiana, New York, Pennsylvania, Illinois, Wisconsin and Minnesota.

California is the nation's largest state, and its governor is paid \$49,100, while Michigan's is paid \$58,000. The average for the nine states is \$55,502 -- which isn't a bad average. New York's governor is paid the most -- \$85,000.

Lieutenant governor -- whose main work responsibility is to stick around in case the governor either dies, goes to prison, or is appointed to a federal job -- does all right, too. The average for the surveyed states is \$37,521; Michigan's lieutenant governor is paid \$40,000. Again, not too bad for sitting around and waiting.

Judges fare even better in the pocketbook, by and large. California pays its supreme court justices the most of the nine states, \$66,082, and Ohio pays the least, \$40,000, while Michigan justices receive \$53,000. The average is \$50,514, which is a respectable neighborhood.

Not included in the study from which these data are extracted is the experience of the former chief judge of Michigan's state court of appeals, who resigned because his pay was too niggardly at something over \$40,000. He now is offering consulting services here and there, and a present client is the State of Michigan -- his old boss --

which is paying the former judge \$100 an hour to help straighten out some Labor Department appeals processes. Nice work if you can get it.

Of course, the discerning parent might comment that the field for such jobs as governor, lieutenant governor, and supreme court justice is somewhat limited. There are only 50 governors in captivity, for example, and a like number of lieutenant governors, and only a few hundred state supreme court justices. True, the competition for such jobs is keen.

But politics still can be a good livelihood for the multitude. Consider the state legislature, where there are thousands of job-holders spread across the country. Michigan, for example, has 148 state legislators.

And the pay is not that bad, either. It's enough to keep body and soul together, usually.

The \$24,000 a year salary paid to Michigan legislators is the tops of the nine states studied, where the average was \$17,912 -- which is still higher than the average wage in the nation. Lowest pay among lawmakers in the nine states is in Indiana, where legislators are paid \$6,000.

There is no breakdown supplied by the Officers Compensation Commission on how the various salaries compare on a per-hour basis. That would make an interesting study.

Then, of course, there are fringe benefits. Noted above is the possibility of future consulting services. Governors rack up fairly lucrative expense accounts -- Michigan's is \$18,000 -- plus mansions, chauffeurs, and such. Judges have retirement systems, and job security, and reserved parking places, and such. Legislators usually are protected by lucrative retirement systems, plus enjoying expense accounts, and travel allowances, and other such fringe benefits.

All in all, the public service can be a rewarding venture, and students trudging back to school this fall -- as well as their concerned parents -- might well consider a career in politics as a goal to earn a living.

By most standards, the money paid to our lawmakers, our judges and our other elected officials is more than adequate in most cases.

Catherine Rumbaugh deserves praise

Open Letter to Catherine Rumbaugh:

Thank you, Catherine, for making happen another home tour in St. Johns.

We at the Congregational Church used this occasion to serve a luncheon that sold out everything in the kitchen but the help. We noticed the Exchange Club selling popcorn up on the new museum lawn almost as fast as they could dump the popper. We heard one flea market merchant say that she sold out half of what she brought and the dunking booth guys looked drenched most of the time. We don't know how the arts and crafts fared but people were everywhere, including the stores

on main street, and we can guess they, too, came out ahead.

Thousands of profit dollars were made, Catherine, because you had the drive and will to make the home tour happen. Let's hope that all of these organizations and merchants will see fit to drop a portion of their Sentimental Journey profit dollars into your "rain barrel" so that you and John can get on with your museum restoration project.

I can't think of a better way to say, "Thank you, Catherine, for a great job."

Sincerely,
Charlie Huntington

Heartful thanks

Between days of rain, on Sept. 16, the Home Tour Festival came to fruition.

A "shining sun", gracious home owners, dedication of chairpersons, cooperation of officials; businessmen, churches, schools, clubs, organizations and an endless list of volunteers, made a day for enjoyment and a successful

tour. In behalf of The Clinton County Historical Society, I extend a heartful thanks to one and all for YOUR participation in the event.

educators, up from \$3,530 last year; and his son, Vincent Kuntz who is with Clinton National Bank and Trust Company, will be seeking \$15,500 from commerce, up from \$14,361 last year.

Volunteer services coordinator at Clinton Memorial Hospital, Mrs. DeCamp, has set her goal at \$4,000 for professional contributions, showing an increase of \$520 over the 1978 campaign; and special gifts will be coordinated by Tony Kuntz with a target figure of \$2,000. Special gifts account for personal contacts to people who have given in the past and would not be reached by these other divisions. There will be no door-to-door campaign in Clinton County, according to Richards.

One area which the 1979 campaign drive chairman hopes to greatly improve is that in area contributions, or contributions made outside St. Johns. Last year, only \$215 was collected from persons living outside the St. Johns community, excluding the industry division. Commerce, education, government, professional and special

gifts collections were made primarily in St. Johns.

Richards is hoping to solicit \$2,000 from other communities in the county. Two years ago, \$1,186 was pledged by non-St. Johns residents.

Richards was one of three men who put together the first Clinton County Communities Chest in 1952-53 which later merged with the Capital Area United Way campaign. Also in on the initial planning were Ed Ryan and Ink White.

The Capital Area United Way 1979 campaign will kick off Oct. 3 with a record goal of \$3.6 million, a 22 percent increase over monies raised last year and one of the highest goal increases in the nation.

The 1979 campaign, so-called because of funds raised this fall will help fund 19 local and 25 state and national agencies in calendar year 1979, is the largest single fundraising effort in the Tri-County area.

According to James Sinadinos, chairperson of the Capital Area United Way 1979 campaign, this year's goal, unlike

previous years, is based on need rather than an arbitrary percentage increase.

Receiving financial support from the United Way are: Mid-Michigan Chapter of the American Red Cross, Big Brothers-Big Sisters of Clinton County and Greater Lansing, Boy Scouts, Boys' Clubs, Catholic Social Services, Community Mental Health Board of Clinton, Eaton and Ingham Counties, Community Nursery, Cristo Rey Community Center, Family & Child Services of the Capitol Area, Inc. Greater Lansing Urban League, Legal Aid of Central Michigan, Girl Scouts, Lansing Regional Area of the National Council on Alcoholism, Salvation Army, Visiting Nurse Services, Volunteers of America, YMCA and YWCA of Lansing.

Other programs receiving support on a state-wide basis are: Children's Leukemia Foundation, Arthritis Foundation, Epilepsy Center of Michigan, Hemophilia Foundation, Kidney Foundation, Leader Dogs for the Blind, Michigan Council on Crime and

Delinquency, National Council on Alcoholism and the Michigan Heart Association.

Administrative and fund-raising overhead for the Capital Area United Way Campaign will total 7.1 percent this fall.

PERSONALITY PROFILE

He has a whistle, a smile

By Sue Kiley
Staff Writer

St. Johns

Patients at Clinton Memorial Hospital are awakened a little differently on Tuesday mornings. Instead of the typical hospital quietness, there comes a soft, cheerful whistling of Marvin Barclay, Red Cross volunteer.

"I was pushed into doing this," Barclay said. "Ruth Delo knew I was retired and she thought I needed something to do and would like it."

He told Mrs. Delo he would try the job for a couple of weeks, never really thinking he would stay with it. "The couple of weeks came and went and I never quit," he commented.

Barclay had the job as Red Cross volunteer for six months when he was approached to head the whole program. He said he would take the job and that afternoon he had it.

His duties on his Tuesday morning job consist of checking the rooms and making sure everyone is ready for breakfast, taking meals to the patients, helping feed the elderly, shaving the male patients and delivering the mail.

"I've learned to stay out of the rooms when the doors are shut," he commented with a grin. "I've had some embarrassing moments."

Barclay likes his job because he says it is about the closest he will ever get to being a doctor. At one time he had aspirations of getting into the medical profession. However, because of the Depression and a lack of money, he never even got close to fulfilling this dream.

Being one of the first male Red Cross volunteers at the St. Johns hospital, Barclay has discovered there is a real need for some role reversals. He feels there should be more male nurses and women doctors.

"You don't have to know a person to kid around with them and maybe cheer them up a little," he said. "I can recognize

when someone is getting better... then I usually pull a toe." According to the volunteer his whistling takes away from the normal humdrum of the hospital. He noted he finds it perks up the spirits of the patients, especially the elderly widows.

"You'd really be surprised what happens when you pay a little attention to people," he commented. "You can see it working wonders."

There are only about three males working through the Red Cross program at the present, but Barclay is working to get more people involved, especially men. He is even pulling his friends into coming to the hospital to see what it is like.

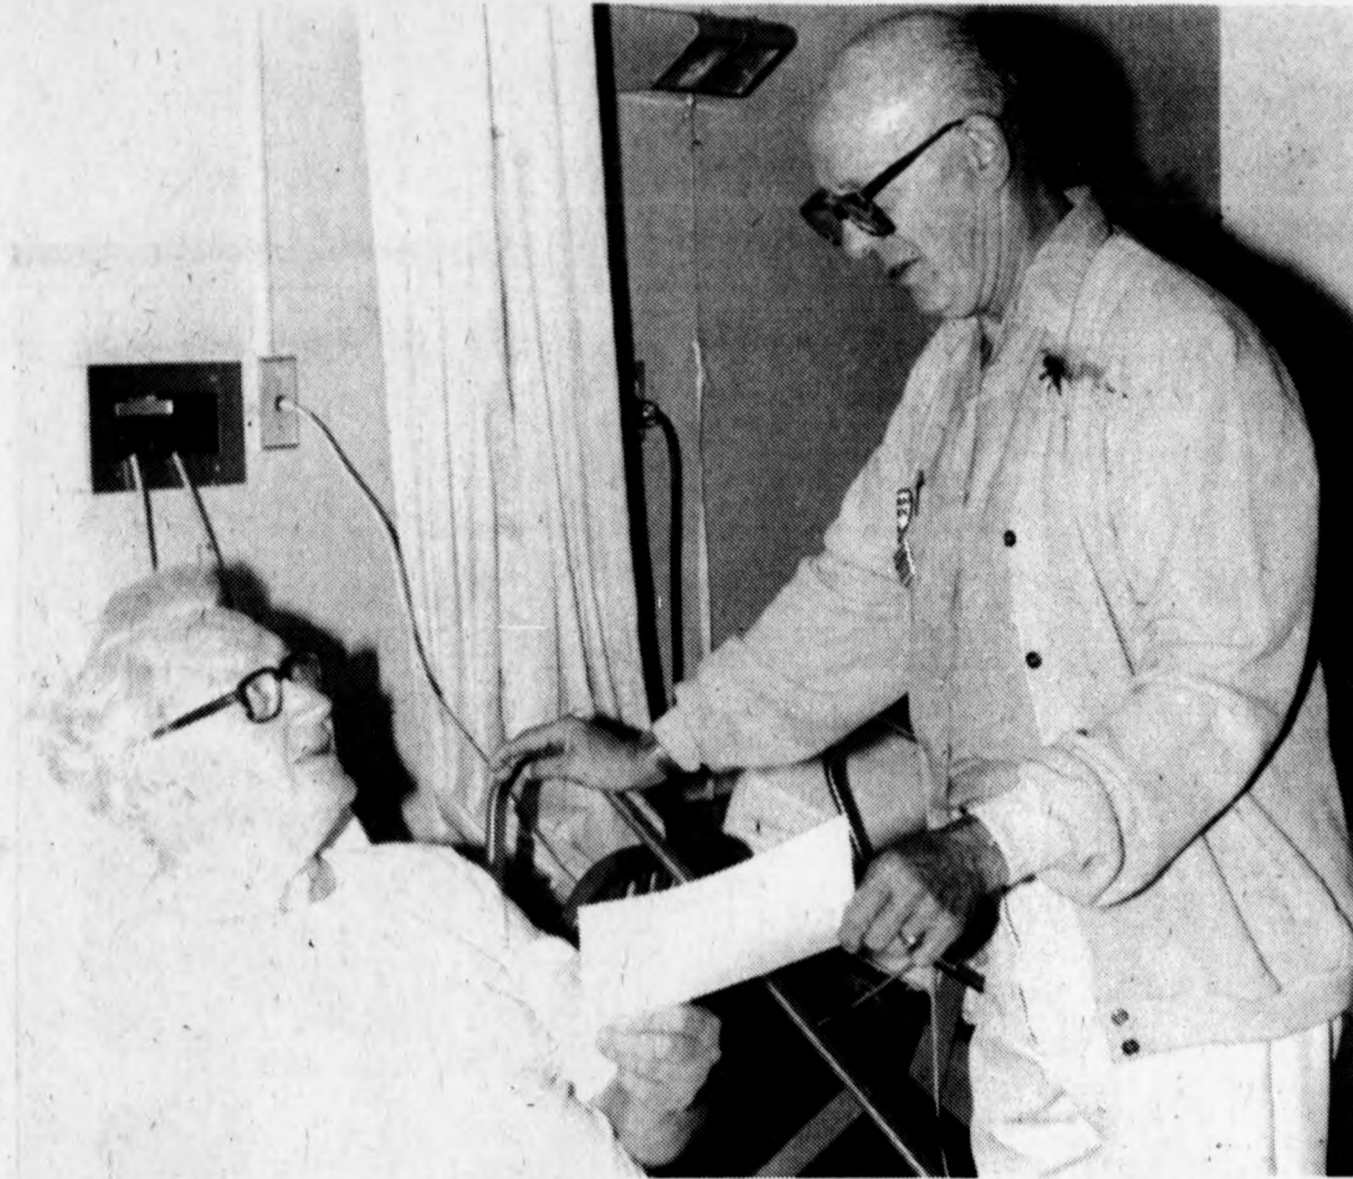

"You should like doing it, however," he said. "If it gets to be a chore or something you don't want to do, well, then you just shouldn't be there."

Marvin has had several different kinds of jobs dealing with people from working in grocery stores, to selling insurance, to working at Federal Mogul for 30 years. Although he was transferred to St. Johns from Greenville, he and his wife Ruth have come to call St. Johns home. Getting involved with the community and activities is part of living here, according to Barclay.

He belongs to the Methodist church, choir, Exchange Club; two Masonic Lodges and loves to play golf day or night. Since retiring he finds he even has less time than when he was working. "There's only been one time when I refused to do something someone asked me to do," he said. "I just couldn't be everywhere at once."

His philosophy for life is: for the first 17 years of living he played; he worked for over 30 years; so after retiring he has 17 more years of play.

"Throughout the course of my life I guess I've managed to do all the things I've wanted to do," he said. "In fact, I'm still doing them."

Steel residence built for railroad magnate

By Jean Martin
Clinton County Historical Society

St. Johns

When we remember the outstanding Italianate style homes in St. Johns, mention should be made of some that have been remodeled or removed entirely.

The old R.M. Steel residence at (1) 500 E. Walker was built before 1868. A fine example of period architecture as it stands today, it nevertheless has been altered considerably over the years.

In this home lived Steel and his wife, Carrie, together with their six children, two who died in infancy. Although Steel's railroad interests continued moving west with the advancing frontier, he maintained his home in St. Johns until his death in 1897.

At one time he owned no fewer than 50 complete city blocks and innumerable isolated lots. In short, it would be difficult to overestimate his contribution to the early development of the community.

The building across the street on the (2) northwest corner of Swegles and Walker is now barely recognizable. Only the hipped roof and boxy outline hint at its original Italianate style. The front rectangle was built on land belong to D.B. Munger. In the late 1920's the home was standing vacant when it was purchased by architect R.V. Gay. He had it completely remodeled. From then on it was known simply as the Gay Apartments.

Another fine old Italianate home, the (3) Osgood Funeral Home, has been remodeled bit by bit over the years. Not only are the brackets under the eaves

and the cupola gone, but even the Queen Anne features from a much earlier addition are barely noticeable. Built before 1874 by R. Plumstead, the house was taken over by William R. Osgood and his son, Glenn, in the late 1920's and converted into a funeral home. Today the business is still run by the same family with a fourth generation now involved.

The Arthur Wilson home stood at (4) 110 W. Cass and was razed about 1964. This lovely yellow brick home was built by Mrs. Wilson's maternal grandfather, Charles Kipp. The death of the Wilson's only son, Rodney, during the 1918 influenza epidemic was a devastating blow to the family.

In his memory, his grandmother, Mrs. Cooley Ball, donated land across the street for a new high school to be named for him. When construction of the school began in the 1920's, her Queen Anne style house was moved to 600 and 602 W. State.

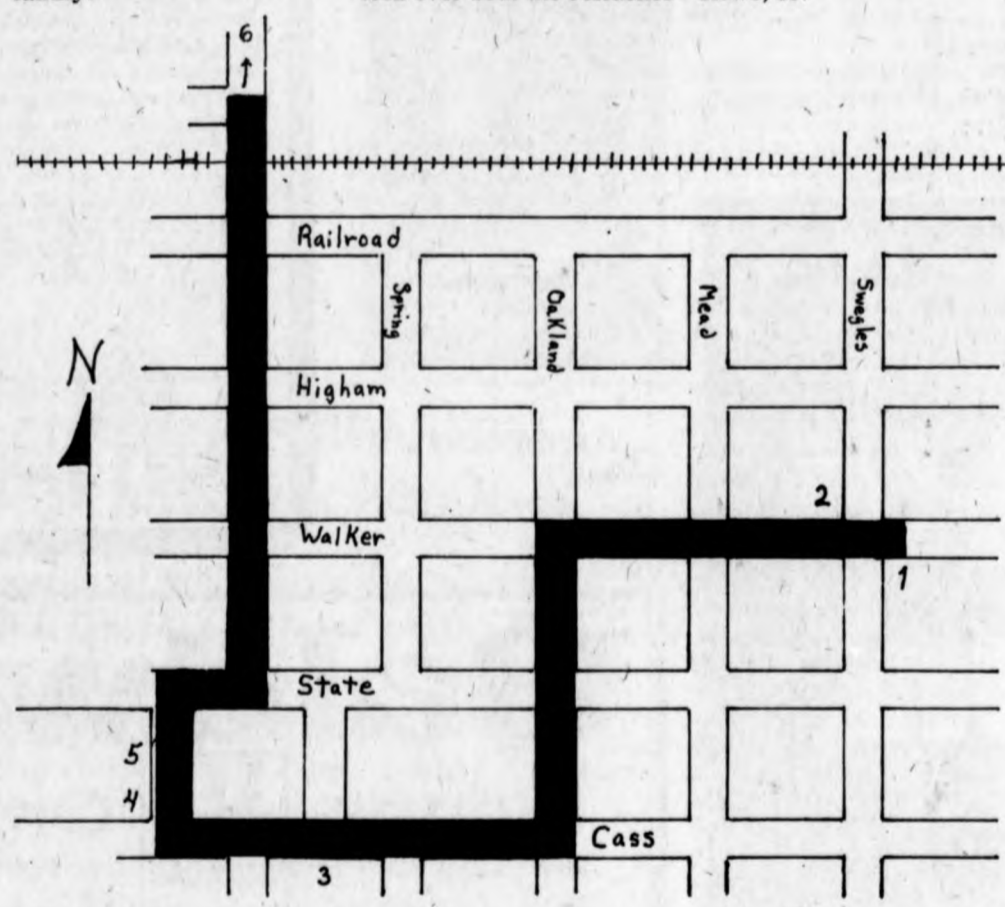

The little Italianate cottage at (5) 104 Maple was modified early. Today it remains essentially as it was at the turn of the Century when it served as an office for Dr. S.E. Gillam.

In 1879 Gillam had moved his family into the house directly to the south, now the proposed Historical Society Museum. In 1904 his practice had increased to the extent that he took on a partner, Dr. Walter Scott. Later Dr. Scott took over both the residence

and the office. More recently the building had served as an office for dentists Dr. Herb Oatley and now Dr. Nettke.

At the other end of town, beyond the contemporary city limits, Henry Perrin built his gracious red brick home at (6) 903 N. Clinton. An early resident, Mr. Perrin arrived in St. Johns in 1857. He was a lawyer, a probate judge, and at one time served in the State Senate.

Upon his death his daughter Lucy and her husband Dr. Palmer moved in with the widow. The home was enlarged at that time to accommodate the doctor's office. The house now serves as both residence and office for veterinarian, Dr. Nelson Howe, Jr.

CMH radiology department praised

St. Johns

A summary report from the American College of Radiology Associates, P.C. the practice of Ingham Radiology Associates, P.C. states of the Radiology Department at Clinton Memorial Hospital "The quality of practice at this institution appears excellent."

The survey went on to say, "The department is visited daily by your group and a radiologist is in attendance approximately four hours per day. Three radiographic technologists are in attendance. The radiographic equipment is of good design. The quality of practice appears to be similar to that at Ingham Medical Center. The accreditation survey was made at the request of

Ingham Radiology Associates. The x-ray departments at Ingham Medical Center and Clinton Memorial Hospital, as well as the radiologists' offices, were physically inspected by the Committee on Accreditation of the American College of Radiology.

The review covered the quality of work, space, equipment, techniques and procedures, radiation safety and other aspects of radiology services. Each of the three facilities surveyed has received a five-year accreditation.

Paul E. McNamara, hospital administrator, explained, "The College of Radiology established its accreditation program as a system of evaluating the

quality of radiologic services throughout the country." He said, "We were most pleased with the outcome of this

voluntary accreditation and are proud to provide this quality service to our community."

Bridge sign-up set

St. Johns

City of St. Johns Recreation Department is sponsoring the home couples bridge league again this year.

There will be nine scheduled matches to be played in the homes of the host couples. The host couple and the guest couple contact one another to arrange the date of play for their match. The schedule allows three weeks to play off each

match. Each match will consist of 20 hands. Standings will be kept on a won-lost basis, with the highest total point score deciding ties.

All interested couples should sign up by calling city offices 224-3212 or 224-4577. Deadline for registration is Sept. 30. Schedules will be mailed out the following week.

Liaison to visit

St. Johns

Congressman Elford A. Cederberg's Liaison Doratha Stolz, will be visiting Clinton County in order to offer the citizens of the Tenth District an opportunity to bring difficulties they might have with the Federal government to his attention.

Mrs. Stolz will be at the county courthouse in St.

Johns on Tuesday, Sept. 26 from 3 p.m. to 4 p.m.

Cederberg reminds those who might have a problem with a Federal agency to bring along any documents that might help to identify his case to Mrs. Stolz.

Sea-going mammals can function under water without breathing for up to 30 minutes.

Health clinic slated

Bath

The Bath area community public clinic will be held at the Lakeside Chapel, South Webster Road, Thursday, Sept. 21.

Immunizations are available from 9-10 a.m. and blood

pressure screening from 11-12 a.m.

For information about other services at the clinic, contact the Mid-Michigan District Health Department office in St. Johns at 224-7772.

Chamber unites business, candidates

Lansing

In an effort to place Michigan business people in direct contact with the candidates and the issues of the '78 campaign, the Michigan State Chamber of Commerce has announced that its second annual State-wide Legislative Conference will be held Wednesday, Sept. 27, at Lansing's Civic Center.

Based on the theme "Campaign '78: The Candidates...The Issues", the one-day conference features the appearances of candidates for Governor and the U.S. Senate:

Senator Robert Griffin and Carl Levin will pinpoint the issues dominating their race for the U.S. Senate in a

meet-the-press format to the business people and conference participants.

In the afternoon, Governor Milliken and State Senator William Fitzgerald will present their views of the gubernatorial race and detail their programs to improve Michigan's business climate, again, in a meet-the-press format.

Michigan's November ballot issues and their impact on property owners, taxpayers, education and business will be highlighted in a separate session featuring Richard Headlee, President of Taxpayers United for Tax Limitation, and Robert Queller of the Citizens Research Council of Michigan.

Participants will also have the opportunity to attend four separate sessions designed to cover issues and programs they find relevant.

A. Workers' Compensation-Premium Charges and Classifications

B. The Outlook for the '78 Elections

C. Clean Air Act Amendments 1977-State and Federal Programs

D. Tax Incentives Available to Michigan Business. The luncheon speaker will be Michael Franck, Executive Director of the State Bar of Michigan. His topic will be "S.B. 674 - Lobbying Reform or 1984?"

Another speaker, Robert Teeter, Executive Vice President of Market Opinion

Research, will give "A Pollster's Perspective of Michigan's '78 Elections."

Keith Molin, Director of the Department of Commerce, will lead the discussion on "Premium Charges and Classifications for Workers' Compensation."

The conference has a scheduled visit to the Capitol where business people will meet with their legislators and then return with them to the Civic Center for a reception.

The conference is sponsored by the Michigan State Chamber of Commerce and the Michigan Chamber of Commerce Executives.

Galbavi, VanVleet repeat vows

Pilgrim United Methodist Church was the site of the wedding of Arlene June Galbavi and Gary Stephen VanVleet on June 24 during a 6:30 p.m. ceremony. Reverend Brian K. Sheen

officiated at the double ring candlelight service. The wedding took place before an altar decorated with a pyramidal arrangement of white carnations, mixed colors of daisies with

an overlay of baby's breath. The bride was escorted down the aisle by her brother and sister-in-law Phil and Kathy Galbavi.

Parents of the couple are the late Mr. and Mrs. Frank Galbavi and Mr. and Mrs. Gary VanVleet, 1754 West Price Rd., St. Johns.

Guitarist Donelle DeWitt, friend of the bride from Knoxville, Tenn., sang and played "The Wedding Song" and "One Hand One Heart." Mrs. Wreatha Chant played, "Oh, Perfect Love" and "We've Only Just Begun."

The bride wore a gown of white crystal organza embellished with Chantilly lace. A high Victorian ruffle topped the fitted bodice with slim Organza sleeves. The full skirt and chapel length train were accented with a double border of Chantilly lace. She wore a Juliet cap embellished with pearls and Chantilly lace. The fingertip veil was also trimmed with Chantilly lace.

The bride carried a traditional cascade arrangement of yellow rosettes, white miniature carnations and yellow sprays of stephanotis and Springeri-Fern entwined with white lace and ribbon streamers.

Betsy Carl, a friend of the bride from Lansing was maid of honor. Bridesmaids were Sherri Deprez, Cheryl

Stockenauer, Peggy Schneider, and Ruth DeBoer. Flower girl was Colleen O'Brien.

The attendants wore Nile green knit gowns with a floral print. The floor length halter style gowns featured an empire silhouette with spaghetti strapped detail on the bodice. A circular cape covered the shoulders and tied in front completing the outfit. They carried Colonial bouquets of German Statice, baby's breath, white and yellow marguerite daisies with streamers to match. Each attendant wore a cluster of daisies and baby's breath with ribbon streamers in her hair.

Mrs. Galbavi wore a buttercup yellow floor length gown with a shawl collar of silk organza trimmed in pale yellow for her sister-in-law's wedding. The groom's

mother wore a floor length gown of dusty rose pink knit with a chiffon over cape trimmed in Venetian lace. Both women wore white miniature orchids with gold trim.

Best man was Robert Ruthruff, a friend of the groom from Lansing. Groomsmen were Steve Galbavi, Jeff VanVleet, Gary Taylor, and Harry Moldenhauer. Ring bearer was Kevin Galbavi. Ushers were Brian VanVleet, Dave Rappuhn, Lynn Merignac, Andy Clark, and Gary Rosekrans.

A reception for the couple was held at Smith Hall in St. Johns with 375 guests attending. Special guests were Mr. and Mrs. Robert VanVleet, Mr. and Mrs. Louis Mrozek, grandparents of the groom; Mr. and Mrs. Ron VanVleet, Jenny and Laurie, and Mrs. Ruth

Savage.

Serving at the reception was Kathy, Kelly, and Cindy Spiegel. Hosts and hostesses were Mr. and Mrs. Frank Galbavi and Mr. and Mrs. Bruce VanVleet.

A special bouquet which was taken from the church to the cemetery by the couple following the wedding ceremony was placed on the graves of the bride's parents.

The bride is a 1975 graduate of St. Johns High School, attended LCC for two years and is employed by Curtis Ford. The groom is a graduate of SJHS, attended MSU and is employed at Lansing Auto Makers Federal Credit Union.

The couple took a wedding trip to the Upper Peninsula and are making their home at 2265 W. Parks Rd.

Candlelight ceremony unites couple

Mr. and Mrs. Mark W. Rees

Wedding vows were exchanged by Cheryl Ann Stockenauer and Mark William Rees, Aug. 12 at 4 p.m. at Pilgrim United Methodist Church. Rev. Brian K. Sheen officiated at the candlelight service.

The bride was given in marriage by her father at the double ring ceremony. Parents of the couple are Mr. and Mrs. Richard L. Stockenauer, 2265 W. Parks Rd., St. Johns and Mr. and Mrs. Harrison O. Rees, Holt.

The bride approached the altar decorated with white daisies, baby's breath and yellow carnations and rosettes wearing a floor an old fashion hoop skirt. The dress was designed with a high neckline, long puffed sleeves with French cuffs of chiffon over taffeta trimmed in lace.

She wore a three-quarter length veil trimmed in lace which matched the gown. She carried a colonial bouquet of white daisies,

static, baby's breath, and yellow sweetheart roses. The bouquet was ribboned back with streamers of white, blue and yellow lace ribbons.

Organist during the ceremony was Wreatha Chant.

Maid of honor was Kathy Griffith, a friend of the bride from St. Johns. She wore a white floor length off the shoulder dress with a wide ruffle around the bottom. A yellow ribbon served as a belt and tied with a bow at the back. She wore a wide brim yellow hat.

Bridesmaids were Kay Favior and Arlene Van-Vleet, friends of the bride from St. Johns, Cindy Yaw, Lansing, and Deborah Beatty, sister of the groom. Junior bridesmaid was Missy Stockenauer, Lansing, cousin of the bride.

The attendants wore gowns similar to the maid of honor with blue ribbons and hats. They all carried a basket arrangement of yellow carnations, white

daisies and baby's breath trimmed with blue and yellow ribbons.

For her daughter's wedding, Mrs. Stockenauer chose a floor length light blue print gown with a silk Organza cape. She wore a corsage of blue silk roses, baby's breath, and for-get-me-nots trimmed in gold.

The groom's mother wore a floor length yellow sleeve-

less gown with a print bolero jacket. She wore yellow silk roses, baby's breath, and for-get-me-nots trimmed in gold for her corsage.

Best man was Chris Allarding. Groomsmen were Gregg Meredith, Scott Allarding, Rick Rees and Brad Rees. Junior groomsman was Marty Stockenauer.

A reception for the couple was held at the Ovid Veteran's Memorial Building

following the wedding with 200 guests attending. Serving at the reception was Mr. and Mrs. Richard Hites, Karen and Sherry Stockenauer, Peggy and Kathy Swinney; and Katie and Laura Rees.

Hosts and hostesses were Mr. and Mrs. Donald Stockenauer and Mr. and Mrs. Richard Rees.

Special guests were the bride's grandfather, Peter J. Stockenauer, and the

groom's grandparents, Mrs. Irene Rees, and Mr. and Mrs. Al Freeman.

The bride is a 1977 graduate of St. Johns High School. The groom is a 1974 graduate of Everett High School and a 1976 graduate of Ohio Institute of Technology.

The couple took a wedding trip to Lake Arrowhead and is making their new home in Brighton.

"I'm Proud To Have Visitors In My New Home."

"I recently moved to one of the new senior citizen centers and I'll tell you, it's real nice. I've got a feeling of security and peace of mind that just can't be explained. I know Congressman Cederberg was one man that worked extremely hard to make this happen. If you check into it, you'll find out this Congressman has not only helped provide us with decent housing but also has voted down the line in favor of issues that will help us achieve a better standard of living."

Huhn, Kramer exchange vows

Mr. and Mrs. Kenneth Kramer

The wedding vows of Alice Jane Huhn and Kenneth P. Kramer were spoken before an altar decorated with yellow and white gladiolus and mums on July 28 during a 5:30 p.m. ceremony. Father Thomas McCloskey performed the double ring ceremony at St. Joseph's Catholic Church in Pewamo. Mr. and Mrs. Raymond L. Huhn, 1740 Divine Highway, Lyons, and Mr. and Mrs. Alan Kramer, Walker Road, Fowler, walked down the aisle and met the couple near the altar.

Music was sung by Duane Feldpausch. Organist was Mrs. Kathy Simon. The song, "Everything is Beautiful," was sung by the nieces and nephews of the couple.

For her wedding the bride chose a white, floor length sleeveless gown featuring a high neckline in a princess style made of Qiana. The dress was designed with a full cathedral-length train. The bodice, gown and train were accented with flowered appliques. She wore a matching picture hat accented with flowered appliques.

She carried a cascade of orange and yellow sweet-heart roses, white fuji pom pom mums, white carnations, stephanotis, with ivy streamers.

Matron of honor for her sister was Mrs. Roark (Diane) Tess of Lansing. Bridesmaids were Connie and Mary Huhn, sisters of the bride and Mrs. Vernon (Bonnie) Thelen. Flowergirl was Lisa Gormley, niece of the groom.

The attendants wore mint green Qiana empiored gowns with A-line skirts trimmed with embroidered lace and capped V-collar accented with embroidered trim and shoulder ties. The women wore daisy pom pom mums in their hair. They carried hand bouquets of yellow and white carnations, daisy pom pom mums, and baby's breath.

The flowergirl's gown was similar to the bridesmaid's dresses featuring eyelet

lace.

For her daughter's wedding, Mrs. Huhn chose a floor length sleeveless turquoise gown with a V-shape chiffon cover-up cape. The groom's mother wore a floor length light blue gown with fluid yoked bodice and capped sleeves.

Both mothers wore corsages of white daisy pom pom mums and pink sweet-heart roses.

Best man was Vernon

Thelen. Groomsmen were Steven and James Kramer and Carl Huhn. The ring-bearer was Chad Huhn. Ushers were Roy Huhn and James Gormley.

A reception for the couple was held at the Knights of Columbus Hall in Ionia immediately following the wedding ceremony with 500 guests attending.

Those serving at the reception were Theresa Kohagen, Mary Lou Thelen, Mrs.

Brenda Berg, Norma Brya and Mrs. Janice Klein.

Special guests of honor were Mrs. John Kramer and Mr. and Mrs. Ray Feldpausch, grandparents of the groom.

The couple took a wedding trip to the western states for two weeks.

The new Mr. and Mrs. Kramer are making their home on Sorrell Street in Fowler.

Paula Beck becomes bride of Rick Atkinson during double ring rite

Paula Beck and Rick Atkinson were united in marriage during a double ring ceremony at the First United Methodist Church in St. Johns on June 10 during a 6 p.m. ceremony. Rev. Terry McArthur performed the

wedding before an altar decorated with multi-colored galdiolas.

Parents of the couple are Mr. and Mrs. Ben Beck, and Mr. and Mrs. Jerry Atkinson, all of R. 3 St. Johns.

The bride was escorted

down the aisle by her father. Jeff Massey sang "O, Perfect, Love" with Sybil Werbish as organist.

For her wedding the bride chose a Qiana knit floor length gown with a chapel length train. The gown was designed with fingertip sleeves, stand up collar, lace inset bodice with an empire waist trimmed with Venice lace and pearls.

The finger tip length veil with stand up headpiece was trimmed with lace and pearls.

She carried a bouquet of white roses, and stephanotis, trimmed with ivy and blue ribbons and lover's knots.

Maid of honor was Kim Archambault, St. Johns. Bridesmaids were Laurie Joslyn, Jill Bargar, Belding; Micki Angelo, Farmington; Jill Palamara, Wynadotte; and Velvet Atkinson, St. Johns.

The attendants wore light blue gowns styled with empire waists and bell sleeves trimmed with white lace and blue silk ribbon. They carried bouquets of multi-colored daisies and carnations with lace backing and blue silk ribbons. Their headpieces were made of multi colored daisies.

Best man was Larry Feldpausch. Groomsmen were Randy Atkinson, Bob Beck, Rod Atkinson, Mike Sanford, and Sean-Atkinson, all of St. Johns. Ushers were Mitch Sanford, and Barry and Brian Beck, of St. Johns.

A reception for the couple was held following the ceremony with 550 guests attending.

Serving at the reception was Kim Levitt; Carole Hunter; Maxine Hunter;

Jeanette and Lois Beck; Debbie, Melinda, Lisa, and Sandy Beck; and Pam, Sandy, and Kathy Howard.

Special guests present at the ceremony were: Necia Beck, the bride's grandmother; Harry Howard, the bride's grandfather; Helen Atkinson, and Mr. and Mrs.

Paul Lewis, the groom's grandparents.

Both Paula and Rick are 1976 graduates of St. Johns High School.

The couple took a wedding trip to Higgins Lake and are making their new home at 205 N. Scott Rd., St. Johns.

Mr. and Mrs. Rick Atkinson

Mr. and Mrs. Clarence Bennett

Mr. and Mrs. Clarence Bennett, Maple Rapids, will celebrate their 50th wedding anniversary, Sept. 30 with an open house, buffet luncheon and dance beginning at 4

p.m. at the VFW Hall in Perrinton. The couple married Dec. 19, 1928. They have six children, 15 grandchildren, and six great-grandchildren.

Marriage licenses

Randy Lee Faust, 20, 3520 Twilight Lane, Lansing; Robin Jean Sumner, 20, 3408 W. Stoll Rd., Lansing.

Joseph R. Marek, 22, Route 5, St. Johns; Melody A. Keener, 21, Route 4, St. Johns.

Birth

Mr. and Mrs. Dale J. Fedewa, Fowler, became the parents of a daughter, Sara Beth, on Sept. 4 at Sparrow Hospital.

St. Johns
 Zoning Board of Appeals
 October 4, 1978

To be held in the City Commission Chambers at 121 E. Walker Street at 7:30 p.m. (enter through the Police Department entrance on Spring Street).

PURPOSE: To hear a request from Alan Jackson of Design and Built Inc. and Jerome Fine of Bobenal Investment Company for a variance of the St. Johns Construction Codes. The requested variance would allow the construction of an automobile dealership building with an alternative fire suppression system than the one required by the Code. The Code requires automatic fire suppression system throughout the building. The requested variance would permit the following alternative:

- (a) A three hour fire wall separating the showroom from the parts department including three hour protection of all openings within this wall and the extension of a one hour separation of the parts wall extending above the showroom roof,
- (b) the installation of a fire sprinkler system for the tool room and storage area which are the most hazardous areas of the building,
- (c) the installation of a heat sensing system consisting of 34 heat detectors which would be located throughout the building and a five station alarm system with two interior and two exterior alarms and a battery standby unit in case of electrical power failure.

By Jean Bartholomew

It's here, September, and our beautiful state is gearing for fall. The crisp air, gorgeous colors, brilliant blue skies and young people off to school, willingly or hesitantly. No more lazy summer days with a good book, but please don't neglect your library trips. There's always time for interesting reading.

We have some new faces in the library. We welcome Marta Giesecke to the Library Board, appointed by the city commission, and Marie Foote as a library page, appointed by the library board. We hope both of them will enjoy their appointments and will be with us for a long time.

Storyhour and reading club are ended for the year. I truly enjoyed the children at storyhour. They were interested, attentive, and thoroughly delightful.

Summer reading club winners will be notified by the middle of the month. We wish there had been more participants, but those who read and turned in book reports, did an excellent job-perhaps next year we can motivate more young people, after all, fifteen books in three months aren't many.

The Keepsake Quilters are displaying a very lovely, queen-sized, quilt in Bennett's Jewelry Store window to be raffled off Sept. 16 during the Home Tour. The group has chosen to give the profits from this project to the library, so buy lots of chances, win a handsome quilt, and contribute to the book fund at the library.

Short column this time. My family has been with me for a week and Grannies don't recover as quickly as we did a few years ago.

Partial List of new books:

- Ends of Power, Haldeman
- Sweetheart, Sweetheart, Taylor
- Chesapeake, Michner
- My Enemy, the Queen, Holt
- The Star Child Trilogy, Pohl
- Scruples, Krantz
- Till Death Do Us Part, Bugliosi
- New Cake Decorating Book, Bowring
- The Mystery of Agatha Christie, Robyns

What makes one funeral directing firm different from another?

When you stop to think about it, all funeral directing firms provide the same basic services, merchandise, and equipment. And most have facilities that are well kept up and adequate for their purpose.

So what makes one funeral directing firm different from another?

We believe that *people* make the biggest difference... and we like to think that the sincerity and concern of our personnel explain why families choose our firm.

Golden Knob Holsteins classified

St. Johns Golden Knob Holsteins of St. Johns reports that their Registered Holsteins were classified for body conformation on Sept. 8. The scoring was done by an official classifier of Holstein-Friesian Association of America, Brattleboro, Vt. Dairymen enrolled in this herd improvement program receive a numerical score for each animal evaluated.

The True-Type Holstein represents theoretical perfection and has a value of 100 points on the classification score card.

Each animal is scored, receiving a rating of excellent (90 points or more), very good (85 through 89), good plus (80 through 84), good (75 through 79), fair (65 through 74) or poor (64 points or below).

Including animals

previously scored, the Golden Knob herd has two excellent, 14 very goods and 20 good pluses.

To provide a more complete image of each animal, the classifier also uses comparative terms to describe 12 major parts of the animal's physical characteristics. This "word pic-

ture" serves as a guide for planning a breeding program to improve the herd.

The information from the classification of the herd will be summarized by the Holstein Association on its high speed computer. Returned to the breeder, these reports provide useful information

for selection in the herd. The data is also published and available as reference for the herd improvement programs of Holstein dairymen everywhere.

One of the "excellent" cows is Golden Knob D.S. Ivan Happy, who was also Grand Champion Holstein at the Michigan State Fair.

Traveling boot

Presented with a traveling boot trophy for the March of Dimes Walk-a-thon held last spring which netted \$1,800 is Rodney B. Wilson Junior High Principal Sam Serrell (center back). Walkers from Rodney B. collected the most money, per capita, than any other school in the county. Pictured are (front row, from left) Joe Lorio who was the top walker with \$124 collected, Julie Maples who was 2nd with \$81.80, Annette Fero, Loretta Huhn and Sheila Sutherland, (back row, from left) Walk-a-thon chairman Tom Nemcik, Serrell, and Sharon Reha representing Community Radio Watch which monitored the streets during the walk-a-thon. Missing from the photo is Mrs. Pat Smith, the oldest walker who at 80 years walked the Golden Mile. (Photo by Patrice Hornak)

Golden-Knob Farm, Rt. 5, St. Johns, MI has entered the Central National Holstein show at the World Dairy Expo. The Expo, an international trade show for dairy farmers, will be held Oct. 4 through 8 at the Dane County Exposition Center in Madison, Wis.

The show dates are: Ayrshire, Oct. 4-5; Brown Swiss, Oct. 5-6; Guernsey, Oct. 4-5; Holstein, Oct. 6-7; Jersey, Oct. 4; and Milking Shorthorn, Oct. 7.

In addition to cattle shows, the Expo features the

National Intercollegiate and 4-H Judging Contests, the Cook 'n' Craft Show and other events of interest to dairy farm families.

The annual grand door prize program this year offers a Hawaiian vacation for two from World Dairy Expo Tours, five liquid nitrogen refrigerators, five tons of 40 percent dairy supplement, five registered dairy heifers and a 1979 pick-up truck.

Exhibits are open from 8 a.m. to 5 p.m. each day of the show.

By Sue Heinen

Our Monday meeting was held at the VFW hall in St. Johns on Sept. 18.

We heard a broadcast which was made by a local farm group. There were a few things which were said in it that I would like to make a few comments on.

The other group thinks it is not possible for our groups to work together. That is too bad.

They mentioned some things which we have done that they wouldn't do, for example tying up our highways with tractorcades. For the first time in history, the farmer got his plight across to the consumers. The tractorcades received national TV coverage, and what better way for the farmer to air his problems than by using the media, which give him sight and sound coverage.

Another of their complaints was the fact that we inconvenienced some people on a holiday weekend. Why shouldn't we be where we can reach 30,000 consumers

at one time? I really don't think that the majority of the people felt they were being inconvenienced. Maybe they realized the reason they had some money left to take a vacation at that time was because the food they eat is so much cheaper here than any place else.

Another thing that they commented on was the fact that we were polluting the Great Lakes. How much worse to pollute something that is already polluted than to stand back and pollute the minds of members with the idea that their group is trying to get something for the farmer, when in reality it's the money they can get from the farmer, not what they can give to the farmer?

If farmers are wondering why they are getting less and less of their share of the agricultural dollar, or have

any doubts why taxes keep going up, they need look no further than a sprawling federal and local bureaucracy to find the answer.

Maybe someday enough farmers will tell their Congressmen that they have had enough strangulation by bureaucracy and maybe then the American economy can get back to the basics of productivity and efficiency which made this nation great.

Don't forget the Hog Roast which is coming up on Sat. Sept. 23. It will include a buffet supper, all you can eat. Come and enjoy an evening of fun. The meal is to be held at Smith Hall in the city park. Serving is from 4 until 9 p.m. tickets will be available at the door.

Next meeting will be on Mon. Oct. 2 at 8 p.m. at the VFW hall.

SOYBEAN TOUR WELL ATTENDED

About 40 to 50 participants, including agri-businessmen, farmers and their wives and children, attended the 1978 Clinton County Soybean Twilight Tour and potluck dinner this year.

The tour, sponsored by Farm Bureau and the Cooperative Extension Service of Clinton County was held on September 7th at the farms of Karl Smith and Ralph and Gerald Gove.

During the tour, farmers had the opportunity to enter a contest rating the 19

soybean varieties in order of yield. Clinton's Farm Women were also represented in the contest when Mrs. Karl Huhn of Grove Rd., DeWitt, decided to match her skills against her husband and 20 other area farmers.

Winners of the contest will be announced following the harvest of the plot. Farm Bureau will provide three bags of soybean seed for the first place winner.

Following the tour, a potluck picnic was held at Sleepy Hollow Conservation Club. All in all, the weather was beautiful, the food was delicious and the soybeans are looking good.

No place to go

Bob Sutherland of St. Johns finds himself in the same predicament as did the rest of the Redwing ball carriers against Hemlock—trapped. He had more success as a receiver,

however, catching two touchdown passes in the Redwings' 26-14 loss to the Huskies. (Photo by Tom Nowak)

SJ falls to Hemlock

By Bill Donahue
General Manager

Hemlock

If St. Johns could have only jumped on the bus with their 14-12 halftime lead over Hemlock and headed for home...

Unfortunately the second half was there to be played and Hemlock did most of the playing, taking a 26-14 victory to open Mid-Michigan B league play.

Receiving the second half kickoff, St. Johns proceeded to march down the field—backwards. The first play from scrimmage at the 35-yard line is a 5-yard delay

of game penalty. Next came an illegal motion for another 5-yard assessment. Third was a flag for clipping, putting St. Johns 15 more yards to the rear, leaving them with first down and 35 yards to go on their own 10-yard line.

To further magnify the misery, the next play was a Redwing fumble that Hemlock recovered on the 12-yard line.

Hemlock made the most of St. Johns' charity offering and rammed the ball across the goal line. Despite a stiff stand by the Redwing defense, that gave them a 20-14 advantage.

"That series took the wind out of us and really pumped them up," said Redwing Coach Joe Gonzales. Gonzales also mentioned that excepting the flurry of mistakes and fumbles, his Redwings played a very talented and experienced Hemlock unit on even terms.

Oh yes, fumbles... St. Johns' 2nd dropped ball of the 3rd quarter also ended up in Hemlock's possession at the Redwing 32-yard line.

Six plays and 32 yards later, Hemlock quarterback Bob Vukovich hit flanker Steve Baumann with a 16-yard touchdown pass. The extra point was missed, leaving the score at its final 26-14 with 4:29 left to play in the 3rd period.

Gonzales did find some bright spots, as he noted the offense found out it can pass the ball with effectiveness.

Senior quarterback Craig Goff completed eight of 17 passes (he had two intercepted) good for 165 yards and two touchdowns. Both scoring passes were snared by junior Bob Sutherland, including a 13-yarder in the 1st quarter and a 73-yard bomb in the 2nd period. Senior Rod Lounds kicked both points after touchdowns.

The bad news for the offense was a nearly nonexistent ground attack that managed only 18 yards in 29

attempts. That equated to a miniscule 0.6 yards gained per carry.

"I was really discouraged with our ground game. This has never happened before," Gonzales recalled, "and the reason was lack of good execution by both the offensive line and the backs."

Hemlock, however, executed well on the ground as they had three backs pick up 278 yards.

"They (Hemlock) did have some real good runners that also had some good blocking," Gonzales said.

Defensively, Reuben Martinez turned in another fine game, leading the team in tackles with 14. Dean Karber, Mike Stafford, Buz Zamarron and Sutherland each chipped in with eight stops.

St. Johns record is an even 1-1, 0-1 in MMB play, with another rugged matchup in store against Swan Valley as the Redwings will be playing at home Friday, Sept. 22, for the first time this young season.

Bath hands Pinckney upset

By Randy Matthews
Correspondent

Pinckney

The Bath Bees bounced back from an opening-game loss to upset the highly-ranked Pinckney Pirates 20-15.

The victory over Pinckney, the ICL favorite and the fourth-ranked team in Class B according to the Associated Press, establishes Bath as one of the teams to beat in the conference.

"The team was really ready for them," Coach Garry Grady said. "The guys wanted to beat Pinckney bad. It's their last year in the league, and some of the guys have never beaten

them. I'd say that Pinckney, along with Stockbridge, are the teams to beat."

Bath plays Stockbridge at home Friday.

Senior halfback Reggie Clark led the Bees to the upset, running for 137 yards on 34 carries, scoring two touchdowns, and running back two kickoffs for a total of 47 yards.

Mike Zeeb helped with the rushing, gaining 34 yards on eight carries. Kevin Shirey carried 10 yards for a touchdown, and Donny Cronk ran nine yards for a two-point conversion.

Chris Foote, the Bees' sophomore quarterback, completed four of nine passes for 42 yards. Shirey

caught two for 21 yards and Scott Schoonmaker had a 12-yard reception.

Bath was tough on defense, allowing Pinckney 151 yards rushing and no passing yardage. Foote led the tackling with four solos and 16 assists, followed by Joel Gutzki with one solo and nine assists. Tim Bower and Tim Kesler each had three solos and two assists.

Pinckney got on the board in the first quarter on an 11-yard run by Fred Rickelman, and they picked up the two-point conversion from 18-yards out after a penalty. Bath answered with a touchdown pass from Foote to Shirey, making the score 8-6 after one period.

In the third quarter, Bath took the lead on a three-yard run by Clark, with Cronk completing the conversion.

Pinckney scored in the fourth period on a one-yard run, and Mark Evans kicked the extra point to make the score 15-14. But Bath scored again on Clark's four-yard dash, making it 20-15.

Following the kickoff after the final Bath touchdown, Pinckney brought the ball deep into Bath territory, threatening to score but the Pirates fumbled and Kelsner recovered, giving Bath first and ten.

Three plays later Bath was forced to punt from its own 25, with three minutes left to go. Ron Easlick had a 70-yard punt, putting Pinck-

ney on its own 5 yard line and preserving the win for Bath.

Easlick punted twice for 115 yards, a 57.5 average. Cronk kicked off four times for a 44-yard average, and Frank Beachnau returned two punts, one for 32 yards.

"What hurt us a little were the four fumbles we had," Grady said, "but we recovered three of their fumbles and Tim Bower intercepted two of their passes."

Stockbridge, 2-0 overall, shut out Dansville Saturday, and the Panthers. But Grady is optimistic, realizing that after defeating Pinckney the Bees can determine their own fate.

"Our chances of winning the league are real good, excellent," he said.

Eagles dominate, win second

Fowler

The Fowler Eagles rolled to their second win of the football season Friday, defeating Saginaw St. Stephen 20-7 in a non-league game.

St. Stephen, a Class C team, had only lost to state-ranked St. Charles by one point the week before, and Coach Steve Spicer said he felt the Titans were an excellent team.

"We beat a good ball club," he said. "Except for their 81-yard pass play, we controlled the ball game."

That long pass came with 6 minutes left in the first quarter, as Jim Call took the throw from Mike Naumgarten. Scott Davis kicked the extra point.

Fowler returned on the next possession to score, with Tom Weber running the ball in from 44 yards out. The conversion failed.

In the second period,

Fowler recovered a fumble on the Saginaw 27, setting up Dan Braun's three-yard touchdown run with 10 minutes to go. A pass play for the extra points failed.

The Eagle's last score came at the end of a 55-yard drive. Again it was Braun taking it in, this time from six yards out. Braun also ran in the conversion.

As a team, Fowler ran for 201 yards in 38 carries and passed for 32 yards. St. Stephen's had 80 yards rushing and 122 passing, though 81 of those yards came on one play.

Weber, just a sophomore, was the top Eagles rusher with 100 yards in 13 carries. Braun added 73 yards in 15 carries.

The defensive standout, according to his coach, was Tim Thelen, who Spicer said "played a fantastic game." The 6-0, 200-pound senior had 10 tackles and four sacks. Several other Fowler

defenders had eight or nine tackles.

The win left Fowler 2-0 overall, and Spicer said, he was pleased with the progress his young team has made.

"The kids have been surprising," he said. "We don't have the size other clubs have, but we've got a good bench and the kids are working hard."

Friday Fowler will host Olivet in a CMAC game. Olivet lost to Fulton last weekend, but is still expected to be one of the contenders in the CMAC.

Besides the opportunity to knock off a league contender, Spicer added that Fowler has special incentive to beat Olivet.

"As JVs they beat some of the kids who are on the varsity now 62-0, and they ran up the score," he said. "The kids haven't forgotten that."

Redwing swimmers 3rd

Waverly

The St. Johns girls' swim team opened its season with a strong performance, finishing third at the Waverly Relays Saturday.

Waverly won the meet with 189 points. Grand Ledge followed with 155, and the Redwings were right behind with 151.

Coach Jim Makarauskas

said St. Johns swam well, especially considering the caliber of competition. Six Class A teams and three Class B squads swam.

St. Johns had two out-

standing performances. One came in the 200-yard breaststroke relay, in which St. Johns won its only first place. The team of Ruth Fedewa, Debbie Stratton,

Laurie Hufnagel and Shawn Meyer set a meet record in that race.

The 200-yard medley relay team finished second in 2:07.1, setting a varsity record and qualifying for the Class B state meet. Those swimmers are Sue Stratton, Ruth Fedewa, Judy Fedewa and Helene Stratton.

Also finishing second was the 400-yard individual medley relay team of Meyer, Pam VeCasey, Linda Luttig and Chris Stifler with a time of 4:59.6. The 200-yard butterfly relay team of Judy Fedewa, Ruth Fedewa, VeCasey and Sue Stratton was second at 2:07.74.

The Redwing diving team of Denise Cerny and Sharon Law also finished second with a score of 158.35 for six dives.

Winning third place was the 200-yard freestyle relay team of Judy Fedewa, Ann Huard, Linda Luttig and Helene Stratton with a time of 1:55.22.

The 500-yard crescendo relay team of Helene Stratton, Meyer, Luttig and Stifler was fifth in 5:42.46, and the 400-yard freestyle relay team of Debbie Stratton, Mandy Martindale, Sarah Haviland and Huard was seventh in 4:40.9.

The Redwings were in second place most of the meet, and they seemed to solidify that position when they finished first in the backstroke relay. But St. Johns was disqualified, and instead of finishing right behind Waverly the Redwings slipped into third place.

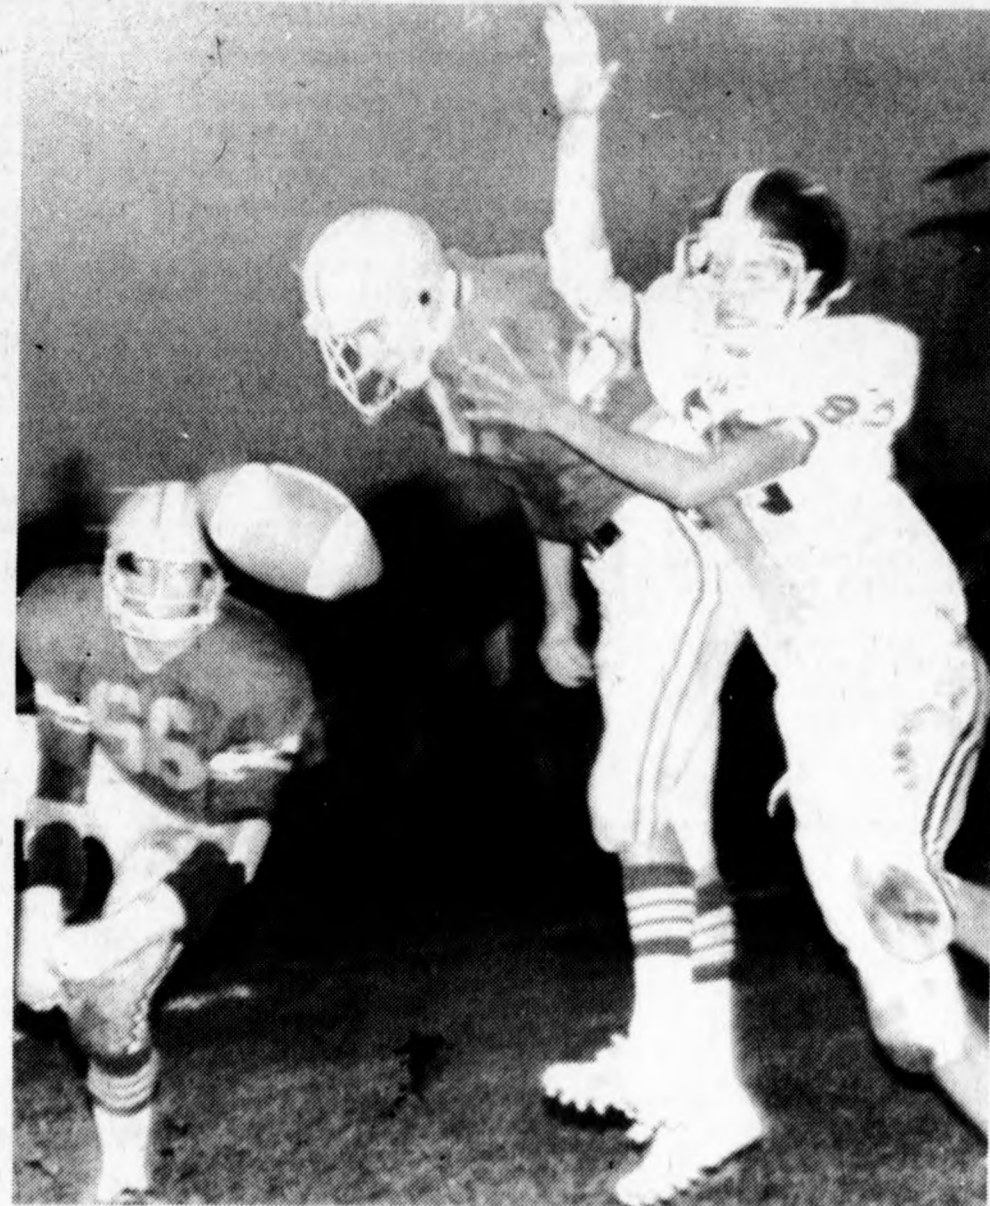

St. Johns has a tough meet for its home opener Thursday, hosting Waverly. Tuesday St. Johns is at Mason.

Lansing

The Bath Queen Bees started their season on a happy note, downing Class A Harry Hill, 50-32, last Wednesday night.

The first basket of the

game was scored by Bath's Sue Parkey with only three minutes left in the first quarter. The score was 7-7 at the end of that quarter, but Bath's Ruth Miehke broke the game wide open early in the second quarter scoring eight of her twelve points. She was also tough on the boards, with 12 of the team's

39 rebounds. The score was 24-11 Bath's favor had the half and 41-17 at the three-quarter mark.

The Panthers tried to come back in the fourth quarter, but the Bees kept rolling on, and finished with a 50-32 win. Bath's high scorer was

Amy Schailby with 15 points, followed by Ros Schneider and Ruth Miehke with 13 and 12 points respectively.

The Bath Junior Varsity won 58-27. The high scorer was Sue Bower with 14 points.

Bath is at Fowler tonight and at Stockbridge Tuesday.

Pirate golfers on track

Westphalia

The Pewamo-Westphalia's golf team's 23-match win streak was broken last week, but Coach Doug Rearick isn't worried.

P-W lost to Caledonia 153-155 at Yankee Springs Friday and beat Wayland 155-185, but Rearick said that wasn't too disturbing.

"Caledonia is a perennial power in Class B, and they've got an all-senior team and they expect to go far this year," he said. "I think we're right on schedule."

Mike Belen had a 37 that day. Jeff Bengel followed with 38, Jack Cotter 39 and Jeff Belen 41.

P-W also avenged their only dual loss of last year Thursday, beating St. Johns 158-176. Mike Belen and Cotter were tied at 38, while Bengel had 40 and Jeff Belen 42.

St. Johns was led by Paul Duguay's 42.

On Sept. 12 the Pirates finished second in the 12-team Haslett Invitational with a 327, one stroke behind Okemos.

Mike Belen led P-W with a

75. Bengel had an 81, Jack Cotter 82 and Jeff Belen 89.

"That was a prestigious tournament," Rearick said, "and we came back with the

runner-up trophy."

P-W will get its toughest test of the season Friday when it travels to the Oscoda Invitational. The Pirates will

play in the C-D division of the tournament, which has over 80 entries in all.

Then Tuesday Laingsburg is at P-W.

Bath finishes second in Ann Arbor run

Bath

The Bath cross country team is at full strength—numerically, anyway—and the Bees showed that they are progressing by finishing second in the Ann Arbor Greenhills Invitational.

Dale Tarrant, Doug Konen and Greg McGary rejoined the Bees after sitting out the first two weeks of competition because of missed practices, and the three finished ninth, 10th and 11th in the invitational, Kyle Kelly was 14th, and Joe Kerckaert was 57th to give Bath 102 points, compared to East Jackson's 81.

On Sept. 12, Bath won two out of three Ingham County League meets. The Bees, then without the top three runners, defeated Dansville 16-43 and Fowlerville 17-45, but then lost to Williamston 17-45.

Bath finishers that day were: Kyle Kelly, fifth, 16:46; Joe Kerckaert, eighth, 17:16; Randy Wills ninth, 17:23; Ted Bullerdick, 13th, 18:02; Eric Hanson, 14th, 18:04; Flint Gryce, 15th, 18:41; and Pat Kelly, 18th, 18:53.

Coach Howard Roberson said that even with the three all-leaguers returning, the Bees have a lot of work to do.

He said that the returners weren't in such good shape as they thought they were, and that after the Ann Arbor Greenhills run they should realize that.

"We're not where we ought to be," he said, "but we're going to be improving now that the older kids realize where they're at. We'll have to work hard and pull together as a team."

Thursday Bath is at the Springport Invitational, which promises to be an interesting meet. DeWitt and Pewamo-Westphalia, along with several top teams from the Mid-Michigan area, promise to give Bath a real test.

Panthers stopped by Charlotte

DeWitt
DeWitt played one strong half of football, but Charlotte played well the whole game and came away with a 12-8 win in the Capital Circuit opener for both teams.

Panther Coach Ron Mead said the first half belonged to DeWitt, with Charlotte

picking up only four first downs and never crossing midfield.

The Panther offense didn't always take advantage of the defensive strength, however, as DeWitt missed a pair of scoring opportunities. Once the Panthers moved from

their own 47 to the Charlotte 6-yard line using a fake punt to keep alive. But a penalty stalled that drive and DeWitt turned the ball over on Charlotte's 3-yard line.

Later, DeWitt moved from its 35 to the Charlotte 18, but a fumble after a seven-yard

pass completion turned the ball over.

DeWitt did convert one Charlotte mistake into a score, however. The Panthers recovered a fumble on the Charlotte 38, and on the next play Mark Moody hit Devin Leonard with a 38-yard touchdown pass with 3:25 left in the half.

A penalty forced DeWitt to try for the extra point from the 18-yard line, but Moody hit Leonard again to give DeWitt an 8-0 lead.

The second half, however, belonged to Charlotte. The turning point was the second-half kickoff, when Steve Barnett returned the Panther kick 84 yards for a touchdown. Later that period, Barnett scored on a three-yard dive, capping a 58-yard drive in which he carried for 40 yards.

The Panthers, meanwhile, managed to hang on to the ball for several plays but never got deep into Charlotte territory. One 10-play drive got DeWitt as far as the Charlotte 42, while near the end of the game DeWitt moved from its own 13 to the Oriole 35 before the clock got to the Panthers.

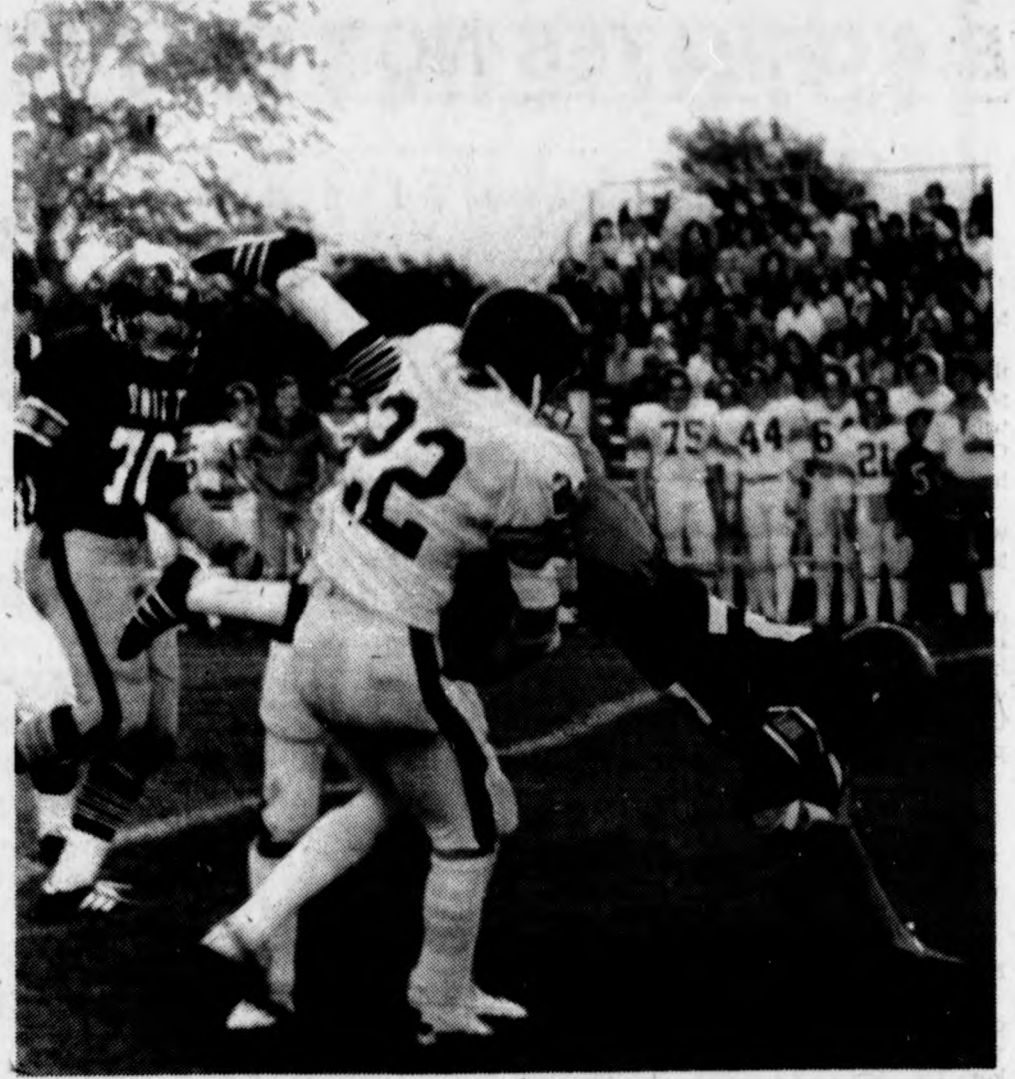

"We played one half, they played two," Mead said. "We had the better ball club, but it wasn't there Friday night."

Individually, Mark Moody was eight for 19 passing for 147 yards. Leonard had three receptions for 105 yards, while Mark Bokovoy caught four for 33 yards and Dale Challiss had one for 18 yards.

Scott Tallman led the Panther backs with 58 yards rushing, while Bokovoy had 42. DeWitt had 86 yards rushing and 147 passing, while the Orioles had 166 rushing and 16 passing.

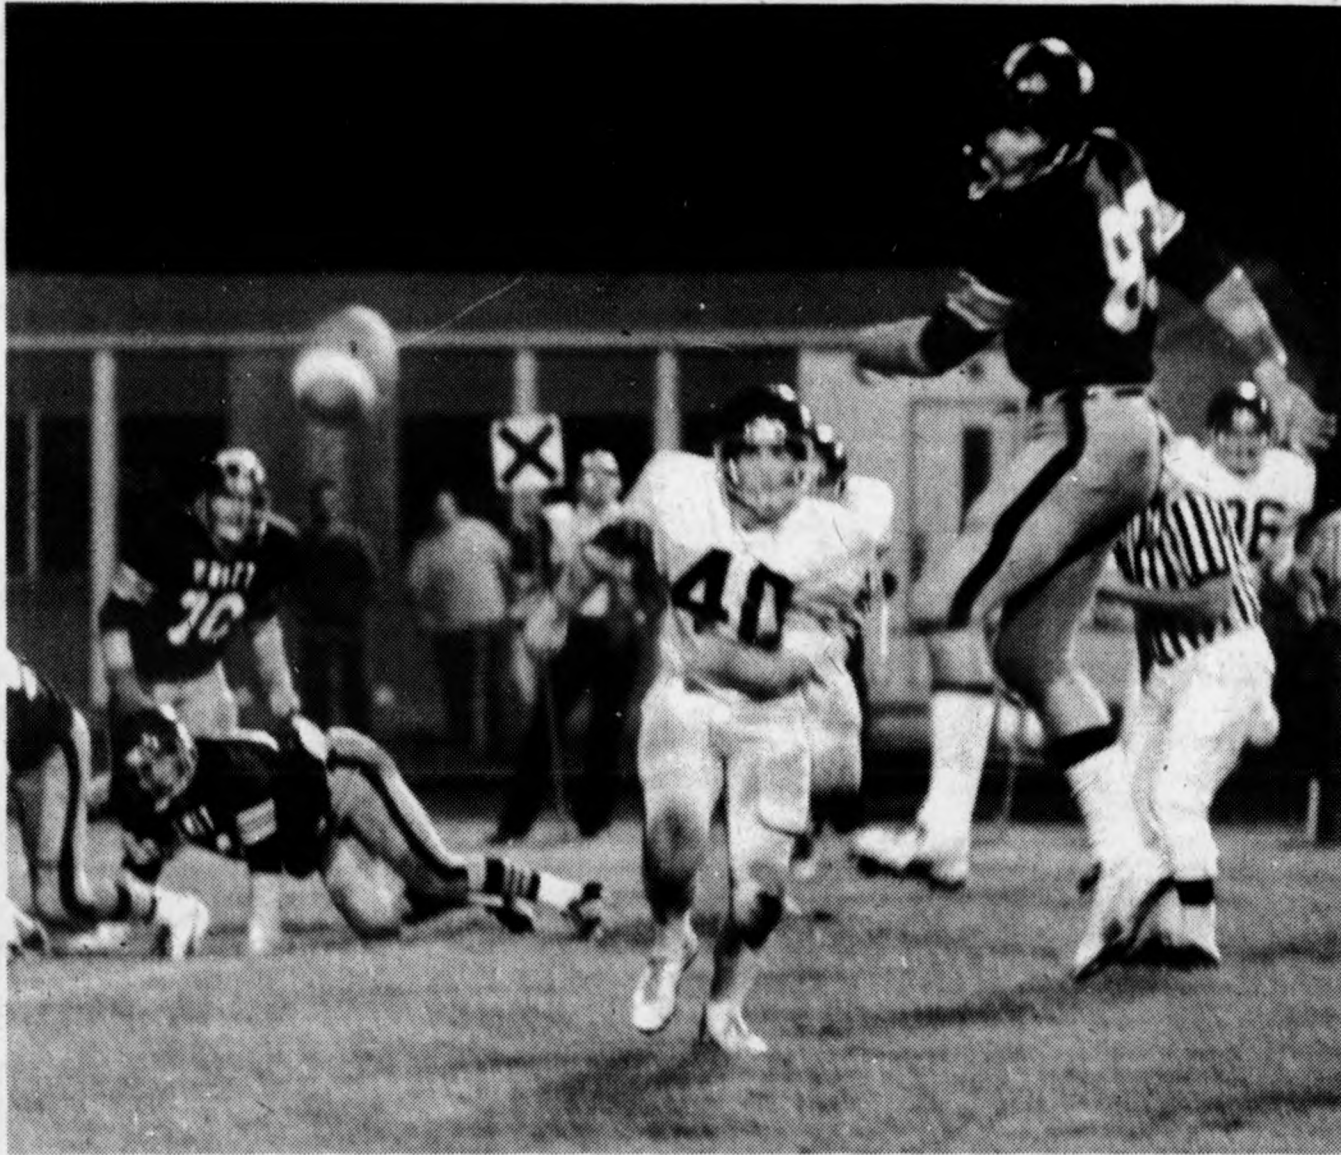

Defensively, Bokovoy led with seven solo tackles and seven assists. Challiss had two solos and six assists, while Mike Churchill had two solos and five assists.

DeWitt, now 1-1 overall and 0-1 in the Circuit, goes to Haslett Friday for another league game. Haslett is 1-1, crushing Fowlerville earlier in the season but losing to Okemos Friday on a field goal as time expired.

O-E comes up short

Corunna
Ovid-Elsie had its chances Friday night, but in the end the Marauders were on the short end of a 22-15 decision to Corunna in the MMB opener for both teams.

Coach Russ Pope said the Marauders were capable of defeating Corunna, but that the Cavaliers' ball control offense and O-E's lack of a running game made the difference.

Corunna ran 47 plays to 31

for O-E, and the Marauders had just four plays in the third quarter. Corunna had 245 yards rushing and 29 passing, while O-E rushed for just 32 yards.

O-E's passing attack was considerably stronger, with Ron Bukovic hitting four of nine for 133 yards and a touchdown. But Pope said that the O-E offense can't be effective until it establishes itself on the ground.

when the Marauder offense was effective, and one nullified a touchdown.

On defense, Larry Richards had four solos and 14 assists, while Fabus had five solos and 13 assists. George, besides his fumble recovery, had an interception and was in on 14 tackles.

O-E opens its home season against Bullock Creek in another MMB game. The Lancers are 0-2, losing to St. Louis in the opening game and falling to Chesaning 20-0 last Friday. Pope said his squad is capable of handling Bullock Creek, and that the Marauders can go on to win at least three games, a goal he set for the team in the preseason. O-E is 1-1.

"We've got to get a rushing game," he said. "You can't win with less than 100 yards."

"The defense stopped them twice within the 20-yard line, so they played well. But we weren't on the offensive that game, and you can't win when you're on the defensive."

Corunna scored first on a 29-yard pass, but O-E answered in the third quarter with a touchdown pass, a 60-yarder from Bukovic to Mike Shank with 5:17 left in the period.

Matt Fabus added a 37-yard field goal with 5:33 in the fourth period, and Jeff George scored as time ran out when he picked up a loose ball and ran 89 yards. But that wasn't enough to offset Corunna, which scored on a 50-yard punt return and a 45-yard run.

Besides the lack of a ground attack, O-E was hurt by penalties. Although the total, 60 yards, wasn't all that great, the calls too often came on those few plays

BUT PIRATES NOT SHARP

Fulton wins second, 26-6

Middleton
Fulton's football team won its second game of the season Friday night, but it wasn't the kind of victory Coach John Wachsmuth hoped for.

"I didn't think we played well," he said of the Pirates' 26-6 win over Olivet.

"We didn't take advantage of breaks, we gave up a touchdown we shouldn't have given up, we didn't play with the same intensity through the whole game. I'm pleased we won the game, of

course, but the performance was less than I expected and less than we are capable of."

Wachsmuth said the contest was like two different games. Fulton started strong, taking a 19-0 lead early in the second period. But the game was delayed for about 30 minutes when an Olivet player was injured and had to be removed from the field by ambulance. After that, he said, the Pirates were flat.

Brad Winsor led the Pirate offense by picking up 165

yards rushing. The Pirates totaled 211 yards as a team, all on the ground. Olivet had 171 yards, 107 rushing and 64 passing.

Winsor opened the Pirate scoring, reaching the end zone from two yards out with 8:12 to go in the first period. The try for a two-point conversion failed.

Jeff McVannel scored the second Pirate touchdown on a one-yard dive with 9:52 left in the first half. The try for two points came up short

again, and Fulton was up 12-0.

The Pirates quickly struck again after recovering an Olivet fumble. This time Larry Leiby scored on an 11-yard run, with Larry Fisk kicking the conversion.

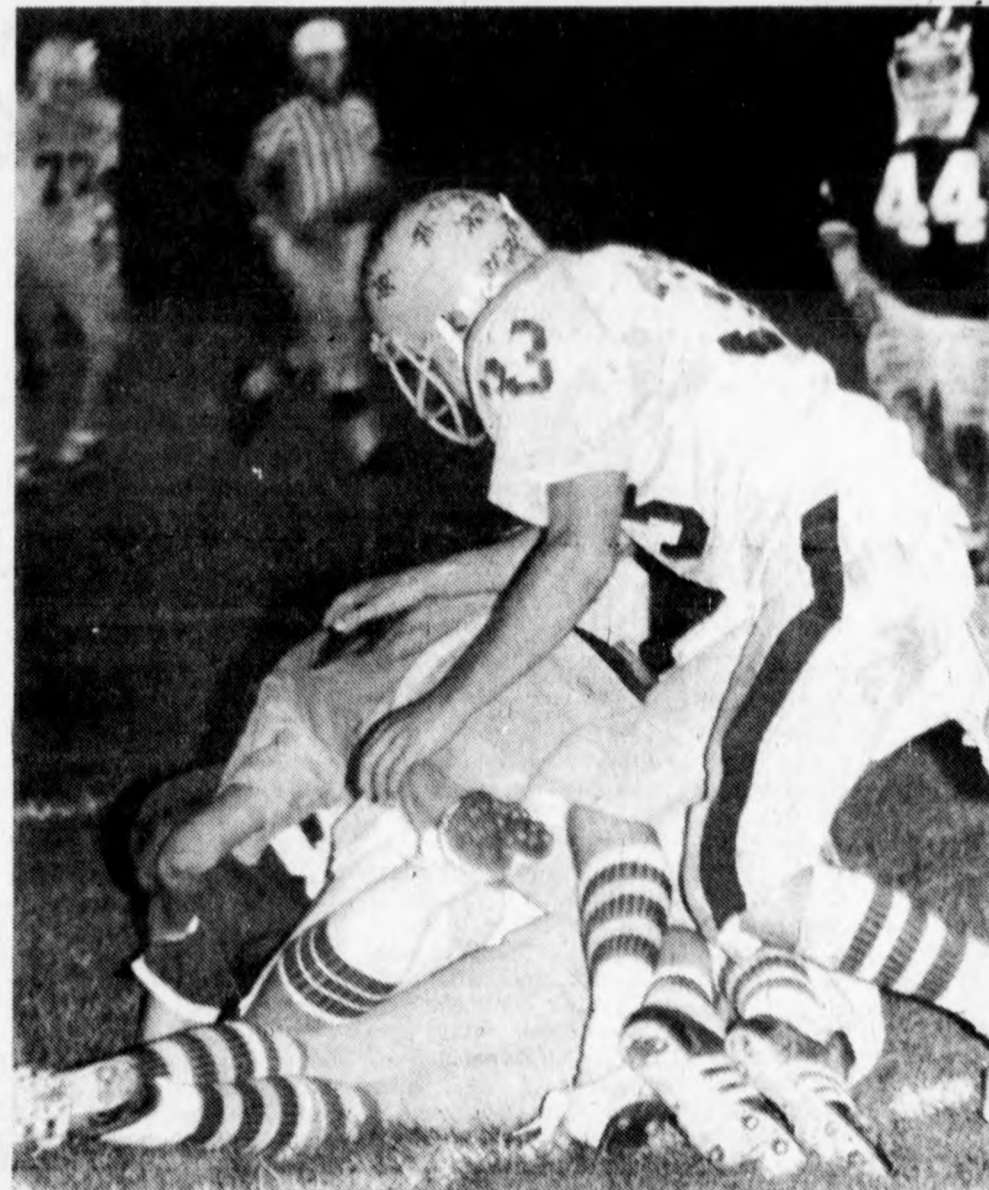

Fulton gave up its first touchdown of the season with 11:52 to go in the game, as Ken Schriener had a 15-yard touchdown run. The kick for the conversion was blocked by Al Garner.

The Pirates' final touch-

down came with just 52 seconds left in the game, with Winsor carrying the ball in from two yards out. Fisk kicked the conversion.

Defensively, Tim Williams led with 13 tackles, while the balance were spread among several players. Leiby added an interception.

Fulton, 2-0 overall and 1-0 in the CMAC, travels to Laingsburg Friday night for another CMAC game. Laingsburg, 0-2, was a 7-6 loser to Bellevue Friday.

O-E golfers move to 3-2

Elsie
Ovid-Elsie dropped a pair of MMB golf matches last week, but a non-league win kept the Marauders record over .500.

Sept. 11 the Marauders defeated Ithaca 209-222 at

Twin Oaks, but they fell to Corunna Thursday 410-427 and to Bullock Creek Friday 427-490.

The score against Ithaca was a team record for the Marauders for five golfers in a nine-hole match. Mike

Ginther led with a 40, while Dan Fabus, Mark Attenberger and Tom Hatta each shot 41. Terry Howard had a 46.

The junior varsity also won, with Bill Barton leading with 43.

The match against Corunna was played in the rain, but that didn't stop Corunna from golfing well. The Marauders also did well, though, as their 427 was only one stroke off the school record for five men on a nine-hole course.

Howard had a record-setting performance, as his 78 was a school record for an 18-hole round. Hatta had an 81, Attenberger 87, Ginther

88 and Fabus 93. Al Sellers had a 75 for Corunna, and his teammate Joe Fuja shot a 79.

Friday's match against Bullock Creek at the Curry Municipal Golf Course was disastrous for O-E, which couldn't handle the strange course. Hatta was the low man for O-E with an 88.

The junior varsity lost to Bullock Creek and did not play against Corunna.

The action left O-E 3-2 for the season, and Coach Tom VanDeventer said his team still can reach its goal of a winning season. But to do that the Marauders will have to win a couple of confer-

ence matches, and he says that won't be easy.

He says he believes that O-E can improve its scores, saying that seniors Hatta and Howard are both capable of shooting below 78. But he says he is "happy so far. We've had a pretty good showing."

Thursday O-E is at Alma, and Tuesday it hosts Chesaning.

Running for CMU

Mt. Pleasant
A DeWitt sophomore is one of six returning runners Central Michigan University is counting on to bolster its women's cross country team.

Keela Yount, a DeWitt High School graduate with one year varsity experience for the Chippewas, will join five other returnees and eight first-year runners on the CMU roster.

Coach Jane White said she expects her team to perform at a higher level than last year, but that Central's competition will be better, too.

The Chippewas opened their season at home against Eastern Michigan Saturday, and they run their only other home meet of the year next Saturday against Western Michigan.

SJ golfers split in MMB play

St. Johns

The St. Johns varsity golf team won one out of three matches last week and split a pair of conference outings.

One Sept. 12 the Redwings lost to Swan Valley 437-461, then fell to Pewamo-Westphalia Thursday 158-176. Monday St. Johns squared its conference record by beating Hemlock 436-460.

Against Swan Valley Jim DeDyne led the Redwings with an 88. Tom Tiechert had an 89, Paul Duguay 92, Jeff Kemper a 95 and Kathy Tiechert 97. Mark Ray led the Vikings with an 82.

The match against Pewamo-Westphalia was played in the rain. It was originally scheduled for 18 holes, but was shortened to nine.

Duguay was low for St. Johns with 42, while Tom Tiechert and Brian Barrett had 44 each. DeDyne finished with 46. Mike Belen led P-W with a 38.

The Redwings picked up

their first win Monday against Hemlock. DeDyne led with 74, Tom Tiechert shot 87, Barrett had 90, Kemper 91 and Duguay 94. Mike Mueller and Jim Raymond led the Vikings with 85.

The Redwing junior varsity had more success last week, taking two out of three.

St. Johns dropped its opener to Swan Valley 462-479. Barrett was low with 93, while Craig Teidt followed with 95 and Kurt Conley, Rod Crowell and Jon Warren all shot 97. Mark Monahan of Swan Valley had the low round of the day, for JVs or varsity, a 77.

The Redwings beat the P-W JVs 174-197, shooting two strokes better than the varsity. Conley led with 41, Teidt had 42, Warren 43 and Kathy Tiechert 48.

Kathy Tiechert had an excellent round in leading the junior varsity to a 452-570 win over Hemlock, shooting an 80. Crowell and Warren had 90, and Teidt and Conley had 96.

Friday St. Johns hosts Ithaca and Tuesday the Redwings go to Alma.

Potterville

Pewamo - Westphalia recorded its second shutout of the football season Friday night, beating Potterville 27-0 for its second CMAC win.

Again, the Pirates defense against the run was inflexible, as the Pirates allowed only 34 yards rushing. Potterville's passing was more effective, as it completed nine of 15 for 97 yards.

P-W had no trouble gaining yards on the ground, rushing for 242 yards. Sophomore Brian Pfaff led with 104 yards in 21 carries, while Kevin Fedewa had 44 and Jerry Fedewa 36.

"We improved 100 percent over last week," Coach Bill Marks said. "The blocking was better, the backs ran hard, it was a well-played ball game for us."

P-W opened the scoring in the first period when Pfaff, who filled in at quarterback for a few plays, hit Stan Piggott for a 25-yard touchdown.

In the second period, Dan Miller scored on a two-yard run and Warren Hengesbach kicked the extra point. Later in the half, Pfaff scored on a 21-yard run and Hengesbach kicked the conversion.

P-W's final score came in

P-W rolls over Potterville

the third quarter, when Miller took it in on another two-yard run. Hengesbach added the extra point.

Defensively, Frank Heckman and Roy Miller each had eight tackles to lead P-W while Darryl Fedewa added six. Marks also credited

Brian Weber and Bob Miller with outstanding defensive play.

Marks cited the P-W sophomore running backs, Pfaff and Kevin Fedewa, for their running, but he added that they were helped by a strong game from the offen-

sive line. He also praised the kicking of Hengesbach, who is five for six this season on conversions.

The win gives P-W a 2-0 CMAC mark. Next week the Pirates entertain Hesperia, a Class C school from the Muskegon area, in their home opener.

P-W outruns St. Johns, Fulton

Clinton County
Pewamo-Westphalia won three cross country meets last week, including duals with St. Johns and Fulton.

P-W beat Fulton 19-44 on Thursday, defeated St. Johns 18-45 on Sept. 12, and beat Potterville 20-42. The Red-

wings also fell to Potterville 24-33, and Fulton beat Bellevue 29-30.
In the three-way meet between P-W, St. Johns and Potterville, P-W won seven of the top ten spots. Pirate finishers were Kurt Bengel, second; Scott Simon, third;

Joe Weber, fifth; Mike Fedewa, sixth; Tom Smith, seventh; Tim Cook, eighth; and Tom Theis, 10th.
The top four finishers for St. Johns were Ric Roof, fourth at 17:30; Brian Keil, 17th at 18:33; Dan Separic, 18th at 18:41; and Jeff Howe,

19:05.
In an unofficial girls' run against Potterville, Brenda Bennett won in 20:46. Julie Bennett was third in 18:41, and Michelle Rehmann was seventh in 26:22.
St. Johns also won a forfeit from Swan Valley.

P-W had little trouble with Fulton in their CMAC meet, winning eight of the first 10 spots. Bengel won in 16:06, with Fulton's Jim Slavik seven seconds behind. Trent Schafer was third, Simon fourth, and Jeff Raines fifth. Chris Price was the only other Fulton finisher in the top 10, finishing 10th.
Fulton took only three spots in the top 10 against

Bellevue, but they were the first three places, enough to allow the Pirates to squeak by with a win.
Slavik was the winner, finishing in 16:29. Dave Drake was second at 17:10, and Chris Price was third in 17:23. Fulton's next finisher was 11th.

Pewamo-Westphalia also competed in the Ann Arbor Greenhills Invitational, finishing third behind East Jackson and Bath. Bengel, who finished seventh, was the only P-W medal winner.
"And he was the only bright spot of the day for the varsity," Coach John Ellis said. "I was disappointed

with the way they ran."
The highlight of the day was the performance of the Pewamo - Westphalia junior varsity. The Pirates took the first five spots and six of the first seven to walk away with the JV trophy.
Mark Coble, Tom Theis and Tim Cook finished in a three-way tie for first, while Glen Schmitt and John Bauer were fourth and fifth. Mark Spitzley was seventh. The Pirates finished with just 15 team points.

Thursday P-W and Fulton are at the Springport Invitational, while St. Johns is at Ionia. Tuesday St. Johns is at Chesaning.

Fulton girls split non-league pair

Middleton
Fulton's girls' basketball team kept its record even at 2-2 by splitting a pair of non-league games.
The Pirates fell to Ionia 57-46 on Sept. 12, but came back Thursday to whip Carson City 56-37.

Fulton coach William Parker said Ionia was one of the best girls' team that he had seen—"big, fast and well-coached." But he added they might not do so well from here on, since the Bulldogs' 6-1 center broke her ankle in the fourth quarter.
Sandy Price led Fulton with 10 points and 18 rebounds, while Jill Moore

was top scorer with 14 points. Linda McVannel had 10 rebounds.
Fulton evened its record at 2-2 Thursday with a victory over Carson City. The Pirate starters played well in the first quarter, jumping to a 20-1 lead and allowing Carson City just four shots from the floor in that period.

The Eagles did not give up, however, and they came back to within eight points in the third quarter. Fulton pulled further away in the final period.
Moore again was the scoring leader, this time with 19 points. Price, who had 15, was the only other Pirate in double figures.
Georgia Sattler was the

top rebounder with 10, while Beth Batway had nine.
"One of the problems facing Fulton at the present time is a lack of depth," Parker said. "The depth I thought was there before the season started has not been evident during the first four games."

Parker said he would be taking a long look at the sixth, seventh, eighth and ninth players in last Monday's game against Breckenridge, in anticipation of the beginning of CMAC play.
Fulton opens conference action tonight with a trip to Olivet, the defending champion. Monday the Pirates host Laingsburg.

Panthers open with win

By Mark Szalajski
Correspondent

DeWitt
The DeWitt Panthers girls' basketball team began its season on a winning note last Thursday night, taking a 44-21 victory from the Sexton Big Reds.
The Panthers shut-out Sexton in the first quarter, 9-0, with a tenacious defense.

Sexton finally got some points on the board in the second quarter, but when the two teams went off the court after the first half, the Panthers held a thirteen point lead, 23-10, and had the game under control.
In the third quarter, the DeWitt girls really showed their superiority, scoring fifteen points to the Big Reds' one. Going into the fourth quarter with a 38-11 lead, the Panthers sent in their reserves and coasted home to a 44-21 victory. Kelly Robinson and Julie Wey paced the Panthers with eight points apiece, while

Kim Ferguson scored seven and Debbie Lusty, six.
First year coach, Frank Deak has only one starter returning from last year's 25-1, Class C State Championship team—5'11" junior center, Kelly Robinson. Other girls returning are Kim Ferguson, Debbie Lusty, Julie Wey, Kathy Spagnuolo and Patty Seeger.
DeWitt will find out just how good they are this week when they play Class A power, Lansing Everet, led by Earvin Johnson's sister, Evelyn Johnson, and league rival Charlotte, both at home.

P-W squeaks out 2 wins

Westphalia
Fans of the Pewamo-Westphalia girls' basketball team have a lot of thrills in store for them this fall if the Pirates' opening games are any indication.
The Pirates won their first game over Portland 43-42 on Sept. 10, then hung on to defeat Laingsburg 52-50 Sept. 13.
Against Laingsburg, the Pirates took a 15-5 first

quarter lead and held on to that lead throughout the game.
But Coach Bonnie Somero warned her team at the half that the Wolfpack would come back, and they did. Led by the scoring of Robin Sawyer and Lisa Mahoney, Laingsburg pushed P-W to the end. A pirate stall, combined with Laingsburg fouls, helped preserve the P-W win.

"Sawyer and Mahoney deserve nothing but praise," Coach Bonnie Somero said. "They're going to carry that club all year. Laingsburg never gave up and hustled all the way."
But the Pirates had some outstanding performances of their own. One was by Judy Spitzley, who had 20 points, four rebounds, three assists and four steals. Sharon Witgen had 16 points and 12

rebounds, while Maureen Cook had 11 points, four rebounds, six assists and a steal.
Theresa Simon had five rebounds, four assists, four steals and five points, and Sandy Smith had four steals and an assist.
Sawyer had 20 points for Laingsburg and Mahoney had 15.
One weak spot for P-W that night was free throw shooting, as the Pirates connected on just six of 21. They were hot from the floor, however, hitting 23 of 52 for 44 percent.

The Portland game was tight all the way, with neither team taking a big lead. A tough defense stand by P-W at the end of the game stopped the Raiders' final charge.
Witgen led P-W with 22 points and nine rebounds along with two steals and two assists. Simon had 16 points with nine steals and four assists. Spitzley had nine rebounds, three steals and a pair of assists and Smith had three steals and three assists.
The Pirates were sharp from the floor again, shooting just under 50 percent for the game and exactly 50 percent from the free throw line.
Wednesday P-W hosts Potterville in another CMAC game.

Panthers run past Charlotte

DeWitt
The DeWitt cross country team may have had a bad day, but it wasn't bad enough to lose.
The Panthers, who were running sluggishly by their own standards, still took the top three places and beat Charlotte 24-31 in a Capital Circuit meet Sept. 12.
Ron Hensley won the race in 16:00, setting a record on the new course. Roland Hensley was second and Mike Wilson was third. Tony

Faggion was eighth and Paul DeWitt was 10th. Mark Bradley was the top finisher for Charlotte.
"It was a bad day," Coach Tom Mauro said. "We weren't up for the meet, but we ran well enough to win. But you should have the bad meets early in the season so you can improve on them."
Thursday DeWitt joins county rivals Bath and Pewamo-Westphalia in the Springport Invitational.

DeWitt golfers lose

DeWitt
The DeWitt golf team dropped a pair of Capital Circuit matches last week, falling to Haslett 168-173 and to Okemos 161-167.
Against Haslett, Mike Toune, John Lass and Dennis Wisner each had 43 while Jeff Moody had 44. Mike Bowman led Haslett with 38.
Greg Overway led the Panthers against Okemos

with a 39. Moody shot a 41, Toune 43 and Wisner 44. Bob Fossum led Okemos with a 37.
DeWitt also finished fifth out of seven teams at the Haslett Invitational, shooting 347. Toune had an 81, Moody 84, Overway 88 and Dean Ward 94.
Thursday DeWitt is at LCC and Friday the Panthers are at Bath.

Eagle girls fall

Fowler
The Fowler girls' basketball team lost its opening game of the season, a 61-47 decision to Portland St. Patrick.
The Shamrocks outscored Fowler in all but the second quarter, in which the Eagles had a one-point edge. Fowler played the Shamrocks even for one half, but the Eagles switched from a man-to-man

to a zone, and that change actually helped the Portland offense.
Kat Schmitt led Fowler with 22 points and eight rebounds, while Sandy Thelen had seven points. Portland had balanced scoring, with four players in double figures.
Tonight Bath is at Fowler, and Monday the Eagles travel to Olivet.

O-E runners 6th

Shepherd
The Ovid-Elsie cross country team finished fourth in a field of six Class B teams in the Shepherd Invitational held Friday.
David Toth was the top runner for O-E, finishing eighth out of a field of 41 runners. His time of 16:55 earned him the only medal won by a Marauder runner.
Don Morgan was the top

runner in the junior varsity race, finishing 38th of 80 with 19:46. Kay Rivest ran in the girls race and finished 25th of 39 in 23:52.
O-E coach Don Barlow said the Shepherd course was hilly, and that combined with strong winds took about a minute off everybody's times.
The Marauders host Fulton Thursday, and Alma Tuesday.

Marauder girls lose

Haslett
The 1978 basketball season began on a sour note for Ovid-Elsie, as the Marauder girls lost a 53-31 non-league game to Haslett.
Sophomore Jennifer Litomisky had a good game for O-E, scoring 13 points and getting 18 rebounds. But that was the only bright sport for the Marauders, who

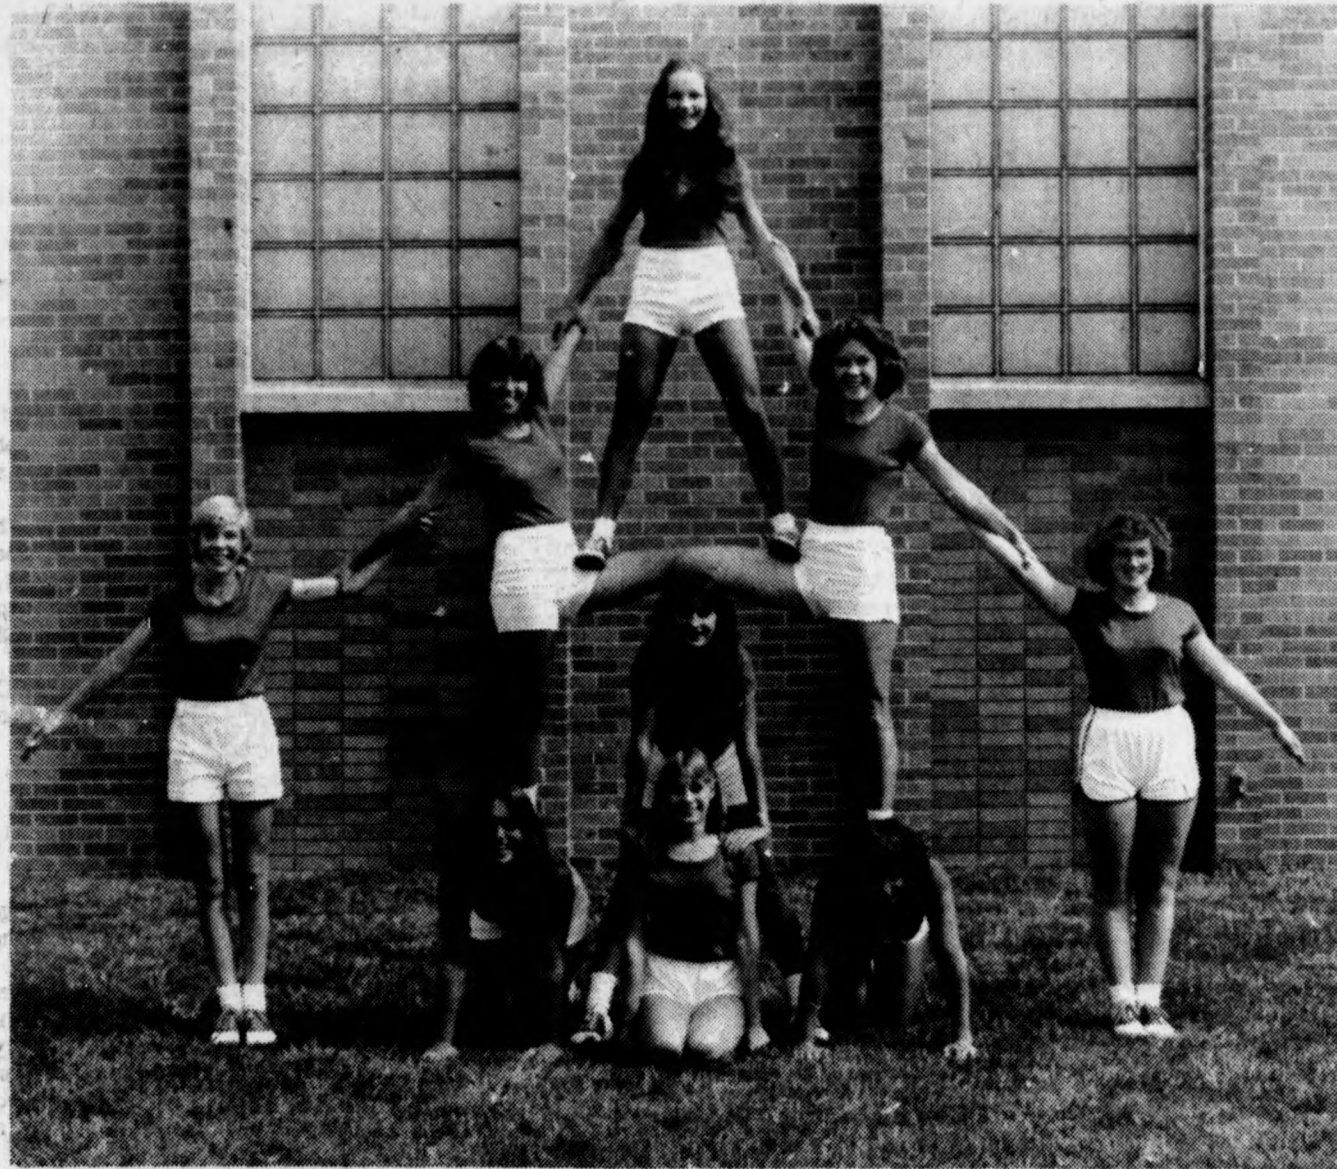

turned the ball over more times than Coach Mary Hudecek cared to remember.
"Fundamentally we were very weak," she said. "I expect to floor a much better team against Corunna (Sept. 19)."
O-E hosts Bullock Creek in the home opener Tuesday.

DeWitt Blue Star Mothers thanked by hospitals

DeWitt Blue Star Mothers Chapter 99 met for the regular meeting at the home of Mrs. Arnold Blizzard Thursday, Sept. 14.

Letters were read from Battle Creek and Ann Arbor Veterans Adm. Hospitals thanking the group for past donations and advising what the needs of these hospitals are in materials and volunteer workers.

The National Convention in Des Moines, Iowa was discussed. One member, Gren Howse, National Big Dipper President, will attend.

Seven members, Gren Howse, Louise Howse, Phyllis Mason, Elsa Hilts, Doris Greenfield, Barbara Peltier, and Lawanna Johnson, attended the school of instruction at Harrison Sept. 12. At this school they learned the proper way to conduct meetings, making out reports, and what we can and cannot do as far as volunteer work.

The next day September

13, Ms. Howse, Hilts and Peltier accompanied State President Frances Eastman to the veterans administration volunteer services meetings at Battle Creek and Ann Arbor. Four former Veterans Administration Hospitals, namely Battle Creek, Ann Arbor, Saginaw,

and Allen Park, are now to be called Veterans Administration Medical Centers.

The next meeting will be with Elsa Hilts, refreshments by Pat Parker and Jean Thayer on Thursday, Oct. 12.

The group has a new supply of Christmas cards, gadgets, jewelry, and flavorings. See Martha Blizzard, Nora Clark, Elsa Hilts, or any DeWitt Blue Star Mother about these items. They would gladly welcome any new member or volunteer workers.

Circus is SJHS Homecoming theme

The St. Johns High School student council is way ahead of schedule this year with Homecoming plans. At its August 17 meeting, the council voted to have "Circus" as the Homecoming theme.

The council, with the help of student volunteers, is planning the details of the parade, half-time show, queen election, downtown window-painting, high school door decoration, spirit week, and social hour.

The Homecoming football

game will be Oct. 13 with Alma. A social hour will follow the game. The annual

Homecoming Dance Saturday night, Oct. 14. This activity will conclude the

Retirement classes held in DeWitt

DeWitt If you're planning to retire in the near future, Lansing Community College is offering a special seminar to help make the transition from the working world to retirement.

The eight-week seminar at DeWitt High School will meet Thursday evenings from 7 p.m. to 9 p.m. starting

Sept. 21. Entitled Pre-retirement Planning, the one-credit course is for future retirees and their spouses. Fees are \$9.50 for LCC District residents and \$15.50 for non-residents.

Topics to be covered include: the Challenge of Retirement; Health and Safety; Housing and Location; Legal Affairs; Attitude and Role Adjustments; Meaningful Use of Time; Sources and Amounts of Income; and Financial Planning. Guest experts in these areas will address the weekly meetings.

Registration will be held at DeWitt High School Sept. 18, 19 and 20 from 7 p.m. to 9 p.m. and the first night of the class. On campus registration at LCC will be held Sept. 18 and 19, with late registration on Sept. 21, 25, 26 and 27.

For more information, call 669-9027 or 373-9980.

Elsie man area drive chairman

Ken Lentz has been selected as chairman of the 1978 fund drive for St. Jude Children's Research Hospital in the area of Elsie.

St. Jude Children's research hospital, founded by entertainer Danny Thomas, is non-sectarian, non-discriminatory, and provides treatment free to patients admitted after referral by a doctor. Discoveries in leukemia and solid tumors of children have already brought it interna-

tional acclaim by the medical profession.

The drive is planned for the latter part of October.

Outdoor sculpture film announced

Lansing "Outdoor Sculpture in the Greater Lansing Area," by Fay Hendry opens the fall season of programs offered free by the Historical Society of Greater Lansing, Saturday, Sept. 23 at the Wiske-mann Farm, 5580 W. State Rd., Lansing at 7 p.m.

The films results from more than three years of research by Ms. Hendry. The study began as personal interest, but is now receiving

major funding from the Michigan Council for the Arts for continuation by Michigan State University. Examinations of outdoor sculpture in Grand Rapids and Kalamazoo are now in progress.

The public is welcome to a picnic supper at 6:30 p.m. preceding the program. Service and beverages are furnished. For information call 517-321-1746.

Rivard rocks around the clock

St. Johns There was some rocking and rolling recently at Rivard Nursing Home, when a 24-hour rock-a-thon was sponsored by Muscular Dystrophy.

Residents, as well as staff members participated and

at least one wheelchair was going all the time. A total of \$300 was raised.

Participating were: Joyce Dietz, Maxine Somers, Deb Self, Irene Langham, Scott Ward, Donna Shinaberry, Tom Natho, Lucille Davis, Ione Riley, Betty Mabie, Becky, Jill and Tammy Wakefield, Beverly Thayer, Londa Ordway, Pauline Garrett, Waneta Ward, Eilleen Buggs and Patty Wisinski.

One staff member even carried her own rocker a block down the street to rock in it.

The group of rock and rollers thanks Mrs. Gladys Hetzel for the use of the day room, rockers and wheelchairs in the rock-a-thon.

With Neva Keys

The West Elsie Extension Club met at the home of Mrs. Florine Peabody, Aug. 23. They discussed places to go for their fall trip. There were several suggestions but none decided.

They worked on crafts for the fall extension workshop after which Mrs. Peabody served dessert. Their next meeting will be at the home of Mrs. Helen Peck, Sept. 27 at 1 p.m.

Mrs. Jeanne Temple and Mrs. Viva Scott were patients at the Owosso Memorial Hospital. Mrs. Temple was a medical patient and Mrs. Scott, surgical. Both were convalescing.

Mr. and Mrs. James Horak of Park Forest, Ill., are parents of a 7-pound, 4-ounce baby girl, Jeanne Marie, born Sunday, Aug. 13. Mrs. Horak is the former Marsha Smith of Elsie.

Mr. and Mrs. Walter Engenbretson of Sun City, Ariz. spent some time with Mr. and Mrs. Manley Engenbretson in Elsie.

United Methodist Church News

The Rev. David Miles family was recently assigned to the United Methodist Churches of Elsie and Duplain area.

This summer both churches held special dedication services. The Duplain Church dedicated a new Bible holder and pulpit Bible to the memory of George DeWitt given by his wife Phyllis. Special music, organ and piano duet, was provided by Mrs. Jeanne Temple and Mrs. Marilyn Miles. Also there was a vocal number sung by Nellie Washburn, Jan Hott and Mary Kiger accompanied by Cathy Schiffer.

The Elsie Church dedicated a new pulpit Bible and kneeling bench which will be especially meaningful to use during weddings. The new Bible is of the same translation as the pew Bibles now in use.

Wednesday evening, Aug. 23, "The Living Sound", an American musical team performed in concert.

Saturday evening, Aug. 27 an area-wide youth event was held at the Elsie City Park sponsored by the Area Lenten Committee. Youth were present from Shepardsville, Chapin, Laingsburg, Bannister, Carland and Elsie.
After hot dogs and other refreshments, games and a campfire closed a fun and inspiring evening.

The United Methodist Women will hold their first meeting of the fall at the home of Mrs. Charles (Liz) Holcomb on North Hollister Road on Wednesday, Sept. 6, at 6:30 p.m.

A potluck supper, with each member bringing a dish to pass and own table service will be served.

Village of Fowler

A regular meeting of the Fowler Village Council was called to order by President Carl Koenigsnecht on Monday, September 11, 1978, at 7:00 P.M. at Dallas Township Hall. Councilmen present were R. Smith, McCausey, George, Spicer, D. Smith and J. Koenigsnecht.

Minutes of the August 16th and August 28th meetings were approved. Bills totaling \$9201.75 were approved.

DPW Supervisor John Schafer reported an immediate problem with diminishing water supply from the three wells currently in operation. The Clerk was instructed to publish notices requesting citizens to be extremely conservative in their use of water.

Tom Kneuve of Fishbeck, Thompson, Carr and Huber discussed the current status of the water project. Work is expected to begin shortly.

No one appeared for the Federal Revenue Sharing proposed use hearing.

Council authorized the Village President to sign a lease agreement with Grand Trunk Western Railroad for a piece of property on West First St. which will be used as a commuter parking area.

Other items discussed included the theater building, unlicensed vehicles parked in the Village, street lighting, CETA contracts, drain repair and bridge replacement.

The Council congratulated the Snyder Oilers on their winning the State Class B Women's Fast Pitch softball championship.

Meeting adjourned 9:45 P.M.

Davises live in Swedish castle

By Sue Kiley
Staff Writer

St. Johns

Castles aren't only in fairy tales as Emily Davis of St. Johns can tell you. People really do live in them and she had the chance to be caught up in the dream world for three days.

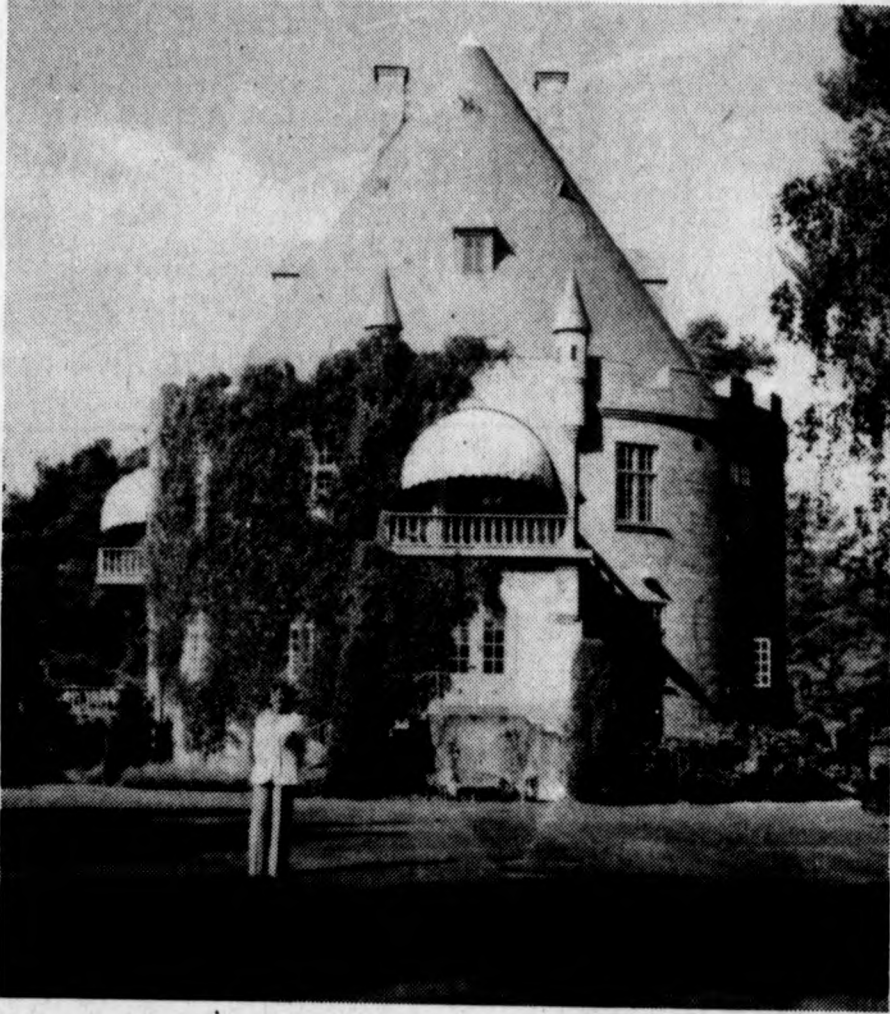

When Roy and Emily Davis decided to take a two-week trip to Scandinavia with a tour group, they never expected to find themselves in a Swedish castle complete with moat.

Several years ago the Davises had a Swedish student stay with them on the Youth For Understanding program. They had since lost touch with young Michael Ask, but Emily had done some corresponding with his mother. It seemed only natural while they were on the tour to take some time to visit the Swedish family and catch up on each others lives.

"Michael picked us up in Gothenberg and then drove us to his parents' house," Mrs. Davis explained. "He never said a thing about the castle."

Emily and Roy could not believe their eyes as they drove up to the impressive circular figure towering over the green lawns and private lake. Upon their arrival the wrought iron gates opened making the home appear even more awesome.

The castle is of Dutch design built in 1922. It is called "Holland Hus" by the

natives of the area and is even included on a special tour. The castle was built by Baron Stierngranath for his mistress adjacent to his castle on the hill called St. Jarneborg.

The Davises have furnished the castle royally with many pieces of artwork, velvet curtains, paintings, antiques, and plush carpeting. The only aspect not in keeping with the "castle way of life" is absence of a houseful of butlers, maids and cooks. For the most part the family takes care of everything from the gardening to cooking.

"It's a showplace in the area, but it is also very homey," Mrs. Davis said recalling the visit. "They made us feel like honored guests."

Roy and Emily spent a lot of time just wandering around the vast living facilities, intrigued by almost every aspect. The castle was located back in the forest and the only sounds they heard from the outside world was an occasional plane flying overhead or a train in the distance. The more familiar sounds were those of chirping birds and the water splashing against the beach.

Seeing Michael again after 11 years was not what they had prepared themselves for. In fact, it was much better than they had hoped.

"They are very warm people," Mrs. Davis said. "When Michael saw us he gave us both hugs and was genuinely happy to see us."

The Davises found Michael had married and was the father of two children. He also works for a Gothenberg newspaper as a manager.

Emily admits if they would have known they were going to stay in a castle, they probably would have never gone. Her first reaction upon seeing the castle was, "Just pinch so I'll know I'm really here."

Michael and Roy were close while the Swedish youth was living in St. Johns. It was just like life 11 years ago when the two fished and played musical instruments together again.

To most a castle is just a castle, to the Davises it was home...even if it was only for three days.

Fulton sells candles to buy uniforms

Middleton

The Fulton Junior High Band will conduct a fund

raising campaign starting Monday, Sept. 18. They will be taking orders for a variety of candles, including special selections for the holiday season.

The money received from this campaign will be used

for new junior high uniforms.

They will be calling on every home and offering them an opportunity to order one or more of the scented candles. These decorated

candles will add a touch of elegance to any home and make attractive gifts. The beauty and durability of the candles have made them collectors items which will increase in value as the years go by.

Local pastor appointed

Eureka

Rev. and Mrs. Doug Jones and their two sons were in attendance at the 30 annual national meeting of the Conservative Congregational Christian Conference (the 4 C's) held at Point Loma College in San Diego, Calif. on July 17-20.

This year's theme for the conference was "Families Alive", with guest speaker, H. Norman Wright. He is best known for his "Marriage Enrichment Seminars" and for his many books on the family and marriage from a Christian viewpoint.

During the business sessions, Pastor Jones was appointed by the national office to assume the responsibilities as area representative for the state of Michigan. The area representative acts in the capacity of regional assistants to the conference minister and is responsible for promoting, encouraging and overseeing the work of the conference.

In addition to his new office of area representative, Doug was also appointed as the chairman of the national church growth committee.

Doug is the Pastor of the Eureka Congregational Christian Church in Eureka.

Friendship Sunday

Last week, 360 pieces of a puzzle went out to members of the First United Methodist Church in St. Johns. This Sunday, Sept. 24. The members will bring their puzzle piece to church on Friendship Sunday. Hopefully, the puzzle will be complete and a picture of the church will be assembled. Services will be at 9:30 a.m. in conjunction with Sunday school, and at 11 a.m. Holding the puzzle form and a finished picture of what the puzzle will look like are (from left) Bill McCarthy, Millie Pocus and Rev. Keith Laidler, Friendship Sunday Committee members. (Photo by Patrice Hornak)

Graduates

On Sept. 1, Barbara Waggoner received her master's degree in public health from the University of Illinois Medical Center.

Miss Waggoner is the daughter of Mr. and Mrs. J.D. Robinson of Eureka. She is also a graduate of St. Johns High School and the University of Michigan. Miss Waggoner is a former Peace Corps volunteer.
