United Way sets its goal at \$83,824

The 1987 Capital Area United Way Campaign for Clinton County kicks off Wednesday, Sept. 16. The overall campaign goal is \$6,493,986 with Clinton County aiming to collect \$83,824.

This year's campaign is led by Chairman Tom Sullivan, Old Kent Bank of St. Johns, and Vice-Chairman Scott Green, Century 21-Property Mart.

Team leaders for the campaign are

Jim Burch of Clinton Bank and Trust; Frank Keelean of Keelean Buick Pontiac GMC; Bruce Bishop of Clinton Memorial Hospital; Dick Johnson of Penney's; Ken Kralik of Capitol Federal Savings Bank; Chuck Dicken of Edward D. Jones and Co.; Warren Faloon of Old Kent Bank; Pat Purtil, county treasurer; Mike Nobach of the Clinton County Road Commission; Gene Simon,

treasurer of the city of St. Johns; Dennis LaForest of Krogers; Bill Clark of Cinema III; Don Koenigsnecht, DDS; Dr. Nick Perez, M.D.; Bill Jackson, attorney; John Dove of McKenzie Agency; Tom Motz of Coldwell Banker Simon Real Estate, Inc.; Betty Munger, assistant superintendent of the St. Johns Public Schools; Tom Rapson of Clinton Bank and Trust; Kathy

Mion of Elias Brothers Restaurant; Bill Campbell of Countrymark; and Helen Kitchen.

THE CAPITAL AREA United Way supports 53 agencies including Big Brothers/Big Sisters and The Salvation Army of Clinton County. Those two agencies will receive over \$51,000 of United Way funds if the goal is reached.

"When this direct return to Clinton

County is viewed along with the support given to 51 other agencies, such as Mid-Michigan Chapter of American Red Cross, Boy and Girl Scouts, Child Abuse Prevention Services, and American Heart Association of Michigan, it is obvious that without United Way Clinton County could not afford all of these services," says Chairman Tom Sullivan.

The support of the community is

needed to meet the established goal of \$83,824. The campaign will run from Sept. 16 to Oct. 29. Those who wish to make contributions, and not otherwise contacted, may do so by calling 224-6871, ext. 207, or mailing your contribution to Capital Area United Way, c/o Old Kent Bank of St. Johns, 201 East Walker St., St. Johns, MI 48879 during the campaign period.

Notes Open tour

ST. JOHNS Federal Mogul employees, their families, and the general public are invited to attend an open house at the St. Johns plant on Saturday, Sept. 19, from noon to 3 p.m. Included will be a tour route of the plant with equipment operating and running.

Refreshments will be available.

Stress

ST. JOHNS "At Ease With Life," a stress management series, will be offered at Clinton Memorial Hospital on four consecutive Wednesdays beginning Sept. 23. The class will be held in Conference Room C from 7 to 9 p.m.

A special 20 percent off fall fitness discount is being offered, making the cost of the series \$50.

Call 224-6881, ext. 380, to register.

Visit

ST. JOHNS Karen Smith, a caseworker from the Owosso District Office of 10th District Congressman Bill Schuette, will meet with constituents at the Clinton County Courthouse on Sept. 22 from 9:30 a.m. to 10:15 a.m.

Congressman Schuette encourages persons who are experiencing problems with a federal agency or who wish to express an opinion on a particular issue to discuss it with Smith.

Luncheon

ST. JOHNS The St. Johns Area Chamber of Commerce membership luncheon is planned for Thursday, Sept. 17, beginning at noon at the First Congregational Church in St. Johns. Featured speaker is Jane Aldrich, anchorperson for Lansing TV channel six.

New chamber members will be officially welcomed and the Mint Festival chamber events chairpersons and supporters will be honored.

Shangri-La Restaurant will cater the all-you-care-to-eat buffet, with the price remaining at \$5 per person. Reservations must be made with the chamber office at 224-7770 by Sept. 16.

Traffic

ST. JOHNS The Michigan Department of Transportation reminds area motorists that resurfacing of US-27 south of Baldwin Street to south of M-21 in St. Johns began Sept. 14.

Northbound truck traffic will be detoured via Townsend and Scott roads and M-21. All other northbound traffic will be detoured via Sturgis Street, Scott Road, and M-21. Baldwin, McConnell, and Cass streets will be closed at US-27, and traffic at the intersection of Scott Road and M-21 will be controlled by flagpersons.

Intermittent lane closures will be in effect on southbound US-27 during daylight hours only.

All traffic restrictions will be lifted from 2 p.m. on Friday to 7 a.m. Monday.

The project is scheduled for completion by late September.

Motorists are advised to follow the 45 mph speed limit in construction zones.

School enrollments show decrease

By RHONDA WESTFALL
Associate Editor

Ovid-Elsie Public Schools stand to lose approximately \$120,000 in state funds this year, if the current enrollment figure remains at 1,892 for the Sept. 25 "fourth Friday" count.

According to Supt. David Porrell, enrollment for kindergarten through twelfth grades was projected at 1,935 for the 1987-88 school year. As of Sept. 11, enrollment stood at 1,892.

"That count may change, however," Porrell says. "We've already gained numbers from our first Friday count. The \$120,000 anticipated loss is based on our projected enrollment of 1,935 students."

Final enrollment in grades K through 12 for 1986-87 was 1,958.

Porrell says it appears enrollment is being lost "between the cracks."

"We had projected a kindergarten enrollment of 150 students, and that's exactly what we ended up with this fall," he says. "Right now, we're in the process of determining where the losses are."

"AS FAR AS the budget goes, we'll have to see where we can hold the line and where possible cuts can be made."

Porrell indicates that, at this time, no personnel or program cuts will be made. Ovid-Elsie does have a fund equity which will be used.

The Laingsburg and Corunna school districts are experiencing enrollment declines similar to Ovid-Elsie. Several other Clinton County schools have smaller enrollments than last year, but none of the losses are as great as Ovid-Elsie's.

"Our enrollment increased by 20 students last year," Fulton Supt. Fred Cunningham says. "We lost a little from that number this year, but not a significant amount."

St. Johns Supt. Steve Bakita also notes a slight decline from the 1986-87 school year.

"We should be close to our anticipated count of 3,400," Bakita says. "Right now, it looks like we will be down by about 15 from our estimated enrollment."

ALONG WITH THE loss in state funds, Ovid-Elsie could face a reclassification in high school athletics from Class B to Class C. However, Porrell says rule changes from the Michigan High School Athletic Association this year should work in favor of Ovid-Elsie remaining Class B.

"In talking with MHSAA officials it appears that they will not determine high school enrollment numbers for the various classes until after the fourth Friday count, and those numbers will probably be less than last year," Porrell says.

As a rule, the MHSAA makes few class changes from one year to another.

"They like to keep the number of

schools in each of the four classes pretty balanced," Porrell says.

HOMECOMING CANDIDATES — Ashley High School is in the midst of Homecoming festivities this week, with this Friday's game between the Bears and Morrice climax of the week's events.

Candidates for 1987 Ashley King and Queen are: (back row, left to right) Erin Malek, Shelly Felton, Lisa Wingle, Cathy Strnad, and Ulrika Pehrson. Pehrson is a Swedish exchange student staying with the Keith and Phyllis Shaw family.

Front row, left to right: Steve Mills, Bob Oswald, Russell Klatt, Pat Cordray, and Christopher Ullowit, an exchange student from West Germany staying with the Plesko family.

Area folk artist has a different view

By LORA THOM
Staff Writer

Primitive folk artist Elizabeth (Wohlert) Roberts, 75, a long-time resident of Hubbardston, doesn't see the world like the rest of us do.

To Roberts, her folk art is reminiscent of how traditional country living and lifestyles used to be. Her work depicts people who seem to enjoy leading a simple, less rushed life in a calm, warm centennial farm setting.

Colored pencil and ink, the kind of supplies children tend to use, are Roberts' tools to capture the country landscape which she draws from memories.

"I only draw the scenarios that I want to recollect as significant events in my life," says Roberts.

She recently treated Ingham County to a new way of looking at the lives of country folk with the showing of her "neighborly style" at the Ingham County Fairgrounds. Three of her personable pictures placed in the fair contest.

"EACH PICTURE HAS a personality of its own - from the children sliding down a hill in the freezing winter to a woman feeding the chickens in the summertime; while the children play with the animals," says Roberts.

"Some ideas are spontaneous, and others are planned, but my pictures tend to create themselves, as I go along," explains Roberts of her work.

"In 1981, I started to draw as a hobby. Eventually, I was forced to accept the crippling disease, arthritis, in my shoulder, caused from a stroke, and I decided to formulate my own ideas as to how to get a certain perspective and depth of a picture, in order to give it life," says Roberts.

Roberts work is reminiscent of Grandma Moses, whose folk art is known nationally. However, her signature on her works is inscribed as Grandma Roberts. "Grandma Moses visual themes also depict a certain country setting. Although her

work influenced mine, I never copied her style. My work is also original, natural, and one of a kind, but is not considered to be professional," claims Roberts.

"I BELIEVE THAT an artist responds to her environment," explains Roberts. "There's a basic honesty about the color and detail one remembers from the country mills, sky, pastures, barnyards, and

winter and summer seasons."

Roberts' reputation is built on her folk art alone. She has never had any formal training in art, yet she has always had an interest in it.

Although she has achieved much, Roberts is not ready to stop working. She continues to create new works for exhibits, friends, and family. She executes a number of art pieces among friends in California, Tennessee, and in Muskegon and

Rochester, Michigan.

Kaye Pilmore, executive director at the Clinton County Arts Council Gallery, was one of the discoverers of Grandma Roberts' talent. "It so happened that a picture of mine was displayed in the downtown Lansing Art Gallery, and it caught her attention. She contacted me, and now my work is on display at the Clinton County gallery for the two-day folk

art festival, Sept. 19-20," says Roberts.

"IT WAS BECAUSE of my friends' excitement about my personal style which brought my work a fair amount of recognition," says Roberts. "They are the people who submitted my drawings to the Lansing Art Gallery and Burger King in the Lansing Mall, and Mason Wall Paper and Paint."

To have had my work displayed locally gives me a sense of pride because it's amazing that people can recognize the images I still like to remember," exclaims Roberts.

Her enjoyment of folk art relates to the child-like world. "Artists are supposed to be leaders and innovators. As an artist, I like to create a sense of traditional excitement for the younger generations. I see myself as providing a foundation for people to form their own ideas about the old country days," she says.

"I feel that doing my work is only half of the project," says Roberts. "Having people share and respond to the work is the other half."

Thom joins CCN staff

By LORA THOM
Associate Editor

As a 1987 graduate from the College of Mount St. Joseph, a liberal arts institution located in Cincinnati, Ohio, I received a Bachelor of Arts degree in communication arts from the small, independent, and practically all-girls school.

I was reared in Lansing, and currently reside in Eagle. After a few short weeks on the job, I can only tell you how pleased I am to be serving *The Clinton County News* as associate editor. If the welcome I've received from the staff and the St. Johns community is an indication of the genuine warmth and friendliness of the Clinton County area, then I am indeed fortunate to be part of the community.

Already I am indebted to my co-workers, Rhonda Westfall, Jean Yanna, Sharon Maybik, and Ron Russell. Their patience in helping me learn about the past and plans for the future is greatly appreciated.

My experience in working with the St. Johns community is most rewarding. Their dedication to the area is inspiring. The people are the living embodiment of the city - they are arms and legs when physical effort is needed, and eyes and ears when listening and responding to issues which affect the welfare of the general public. Most importantly, the hearts of the people keep the city vibrant, and hold the memories of a special place for a lifetime.

The year ahead promises to be exciting. I am eager to work with the city and county commissioners, Clinton County sheriff, jail administrator, police and fire departments, Mid-Michigan District Health Department, Clinton Memorial Hospital, Big Brothers-Big

Sisters, Clinton County Arts Council Gallery, Paine-Gilliam Scott Museum, Ovid, Elsie, and Westphalia villages, and Maple Rapids, Bement Public Library, Osgood Funeral Home, and Hazel I. Findlay Country Manor to name a few.

I would like to quote the Community Newspapers' goal which is "for everyone in the community to want to read our newspaper because we are the most consistent source of local news." This philosophy and standard affects *The Clinton County News* staff who strive to be accurate, dedicated, and impartial to serve the public's needs for presenting facts and opinions clearly and succinctly.

We reporters must also present differing points of views on local current issues, and monitor the actions of public officials and others who exercise power. In covering a story, we may do background research, review public records, and interview a variety of people. Although we work as part of a team, we have an opportunity for self-expression.

Overall, it is my intention to strengthen the relationship between the newspaper and the community. An active newspaper under Pete Cantine, general manager; Nancy Zeimen, assistant general manager; and the whole group of staff members in general, along with a healthy network of community chapters, will move us toward that goal. The key element is communication!

I value a candid relationship with the community, and I welcome your questions, comments, and concerns. The St. Johns residents' dedication to their community and their newspaper, *The Clinton County News*, is apparent. I look forward to meeting you, and working with you as we continue through the year.

Chlordane ban

By Fred Dillingham

Toxic substances seem to be constantly in the headlines in recent years. As we develop a better awareness of chemicals and hazardous substances, we keep discovering new questions and new problems. One of the biggest is chlordane.

Chlordane is a substance used primarily for pest control. Developed over 40 years ago, it was also used in the past for lawn care and agricultural purposes. Today, the use of chlordane is regulated by the Michigan Department of Agriculture, which allows only licensed pest control companies to handle the chemical. But it has become clear that chlordane still represents a threat to health, which prompted Senate Republicans to introduce a bill to ban the use of chlordane in our state.

Senate Bill 406 calls for chlordane to be banned in Michigan, rather than just regulated, because the substance is now considered to be highly toxic, producing a wide variety of medical problems in those exposed to high concentrations of it. The only manufacturer of the chemical, pressured by the United States Environmental Protection Agency, has agreed to cease and desist production, but that does not affect the chlordane that may still be sitting on the shelves in pest control companies.

Chlordane is injected into the soil around building foundations to control termites, and used above ground with other chemicals to treat wood. A safer alternative is Dursban TC, manufactured by Dow Chemical, which can be neutralized with household bleach, and which has not shown the same toxic effects. Chlordane is more difficult to neutralize, but it is also longer-lasting. That long-lasting quality has been one reason for its popularity and a major problem.

Chlordane has an extremely long "life." It doesn't break down the way some chemicals do over time, and it can seep into unsealed basements, exposing residents to vapors and residue.

Although SB 406 has no effective date stated within the bill, it is likely to be given immediate effect. That may upset some businesses with large quantities of the pest killer on hand. Many people complain the pro-

blem isn't the chemical but the improper application methods of some pest control workers. We agree misuse is a major concern, but it is just part of the far larger problem.

Fred Dillingham is the state senator representing Clinton County.

"It's in the Bag"

by Bob Beck

Cheese is a universal food, one of the oldest to be eaten by people all over the world. Most cheeses have faraway sounding names. Cheddar, named after an English town in Somerset. Roquefort, made exclusively in the town of Roquefort, France. And, from the Italians Provolone, Mozzarella, etc.

Today, I would like to tell you about an American cheese, Liederkranz, one of the most renowned of American cheeses, created by Emil Frey in 1882, a German immigrant who was trying to produce an imitation of Schlosskase Bismark cheese. As it turned out, his cheese was not the same as the German cheese he tried to imitate.

It was good, so good that the choral society to which Frey belonged began singing his praises. In gratitude for their support, Frey called his new cheese "Liederkranz," literally "Choral group," after the glee club. His cheese was so unique that it gained international fame.

Other American originals include: Monterey Jack cheeses, first made in 1892 by Monks in Monterey, California. Cream cheese was developed in 1872 and is now imported to European cities. Brick cheese, first made in Wisconsin, is thought to be named after its shape.

Cheesemaking is an art who's basic principles are practiced worldwide. Regardless of your choice, Beck's has a supply of the cheeses you like best. Come see!

Beck's support appreciated

To the Editor:
Thanks again, Ben Beck of Beck's Farm Market for being so generous and assisting in the "Physical Education Student Instruction" program at St. Johns High School.

I've known Ben for years and he has never declined to assist in any student-related program in our community.

So, thanks again Ben, and it's businessmen like you who make St. Johns a great community to live in.

Shares Polka-Fest joys

To the Editor:
I would like to share with you some of the 10 best days of my life this year which I recently experienced at the Mitas Polka-Fest at the Saginaw Civic Center. Being an avid polka fan, I have attended many polka festivals, but this one was especially enjoyable.

First of all, it was held in the beautiful, air-conditioned Civic Center in Saginaw. Many people I talked to before the festival were apprehensive about the fact the festival was being held in downtown Saginaw and they were a little fearful about this. However, the entire 10 days proved them to be wrong. The city of Saginaw is to be commended on its excellent cooperation during this festival. Everyone had a wonderful time with no bad or unfortunate incidents happening. Just a lot of people having a great time enjoying the Polka-Fest. Thanks, Saginaw!

Harold and Sue Mitas and their crew did a fabulous job decorating the Civic Center; giving it a tent atmosphere which really enhanced the good time everyone was having.

We had the pleasure of dancing to the music of all five of the Grammy Award nominees and winners: Eddie Blazonczyk, Jimmy Sturr, Frank Yankovic, Walter Ostanek, and Hank Haller. Such good music filled the arena at all times it was difficult to sit down and take a rest.

Sunday, the last day of the festival, arrived with everyone feeling a little sorrowful it had to come to an end. However, the day started as had the previous Sunday with a polka mass which was beautiful. It just goes to show that we polka people can dance and have a good time to polkas and can also worship God in this same air of happiness and joy.

When busing students

Safety is a prime concern

By **BOB KOGER**
SJHS Publicist

Sept. 21-25 is annual "School Bus Safety Week" across the nation. With a school district as large as St. Johns Public Schools, and with a vast majority of students bused everyday, bus safety is always a prime concern.

Parents across the district received a letter from Supervisor of Transportation Duane Davis explaining the concerns of the school district regarding busing procedures. The letter also contained a detailed list of student rules, a copy of the board of education's policy on school transportation, bus discipline procedures, a medical alert form, and parent response forms.

Persons who did not receive a letter should call Davis at 224-7510.

With the emphasis placed on giving attention to the safety of school transportation during safety week, Davis lists the following as objectives for bus safety in the present school year.

- Educate the general public on the law that states the following: When red lights are flashing on a school bus, all traffic that is coming from both directions is to stop when the bus stops. The only exception to this law is that when the highway is a divided highway, traffic coming from the opposite direction that the bus is facing does not need to stop.

- Teach students in kindergarten through second grade the safe way to wait for a bus, how to cross in front of a bus, and how to follow rules when riding a bus. To accomplish this, Davis says all parents should read bus rules and procedures to their children and discuss with them what the rules mean and why they are in force.

- If possible, parents should practice the proper procedures with their children in a role playing situation, especially new bus riders. Periodic checks should be made throughout the year to make sure that children are following the rules.

Davis will visit each kindergarten classroom in the district during safety week to show a bus safety film, "John's Great School Bus Adventure," produced by Disney Studios. By the second week in October, Davis hopes to have also visited all first and second grade classes with the safety program. He points out that if younger children don't learn these safety lessons now, they probably never will.

- Make students and the public aware of the safety zones around the bus. (Note the accompanying safety zone diagram).

- Establish a safety slogan each month to rally bus

Courtesy photograph

ST. JOHNS PUBLIC SCHOOLS bus safety entry in the 1987 Mint Festival parade reminded drivers to stop for flashing red lights.

safety concern. The slogan for this month is "Be Safe. Be Seen."

Davis lists a number of areas which bus drivers become frustrated with, including:

- The number of people who don't stop for flashing red lights.

- Students who have a tendency to crowd too close to school buses as they approach for a pick-up.

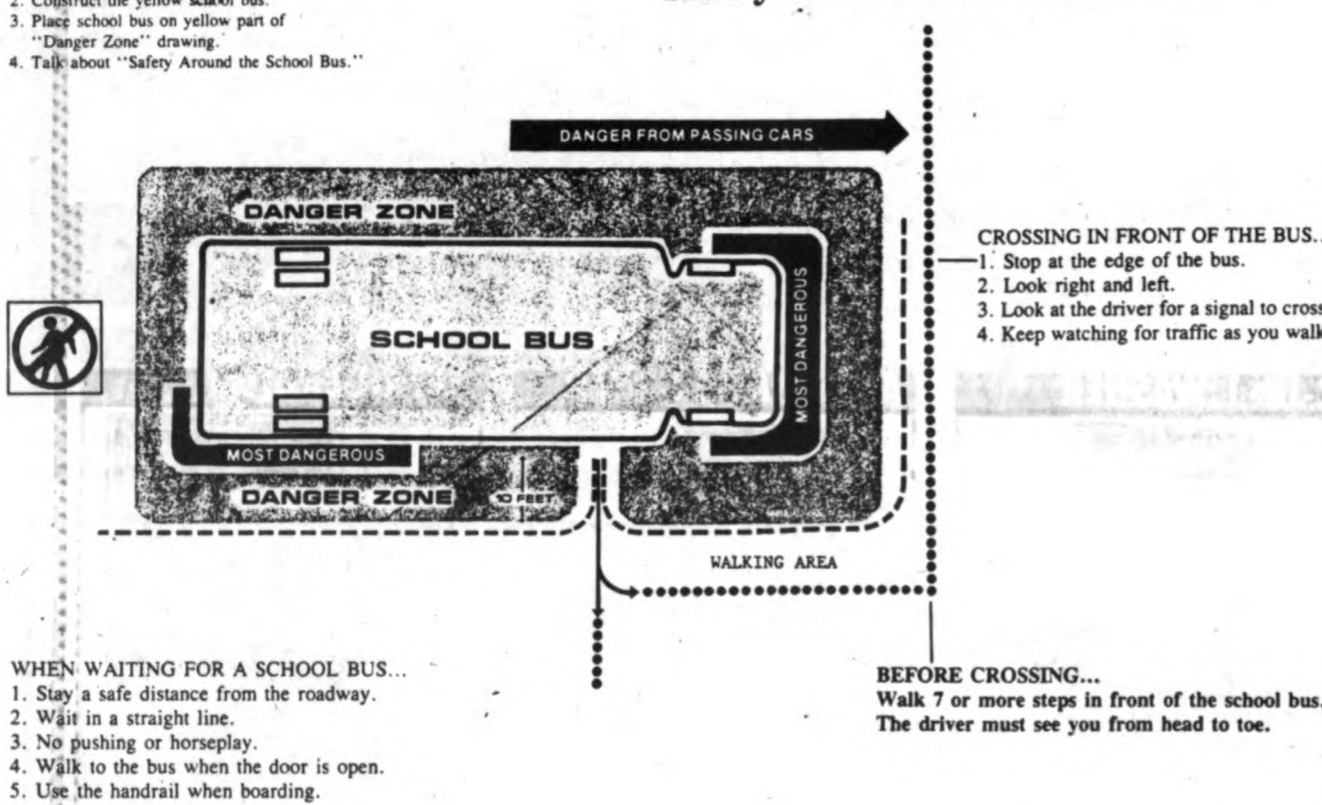

- Students must still do a better job of obeying bus rules and be more considerate of taking instructions from the drivers.

Well-trained and concerned bus drivers, outstanding mechanics, and excellent equipment are among the positive things that Davis sees in the St. Johns bus system. All buses are equipped with two-way radios, have special strobe lights on top which can be seen during inclement weather, and have onboard public address systems that allow drivers to communicate with passengers without creating safety hazards, he says.

Davis also believes that the general public is concerned and interested in promoting bus safety.

Persons with any questions about school bus safety or safety week programs should contact Davis at 224-7510.

Ovid CROP Walk plans underway

Plans for the 1987 Ovid CROP Walk are currently being made by representatives from sponsoring churches, Holy Family Catholic Church and the United Church of Ovid. The walk will be held Sunday, Oct. 4, beginning at 2 p.m.

A 6.2-mile route is mapped for the walk with Holy Family Church as the starting point. Organizers stress that persons are encouraged to participate in the walk, even if they can only walk a portion of the route.

Pledge sheets for

walkers are available at either of the church offices, or by phoning 834-5958 or 834-5855.

A total of \$4,243 was raised for world hunger as a result of last year's walk, with \$612 going to the Good Samaritan program in Clinton County.

BECK'S COMMUNITY CASH

What is it?

Beck's Community Cash Program is a simple, effective project designed to help local non-profit organizations raise money. It's a good vehicle for creating a spirit of community pride and unity. And it's a low cost way to finance community improvements! We think you'll enjoy it.

How do I get involved?

Any group interested in participating in the program must complete an official registration form at Beck's. Beck's will accept accumulated receipts, in Official Collection Envelopes only. Full envelopes must be verified at Beck's. A check will be mailed to each organization, based on the amount of sales receipts collected and verified.

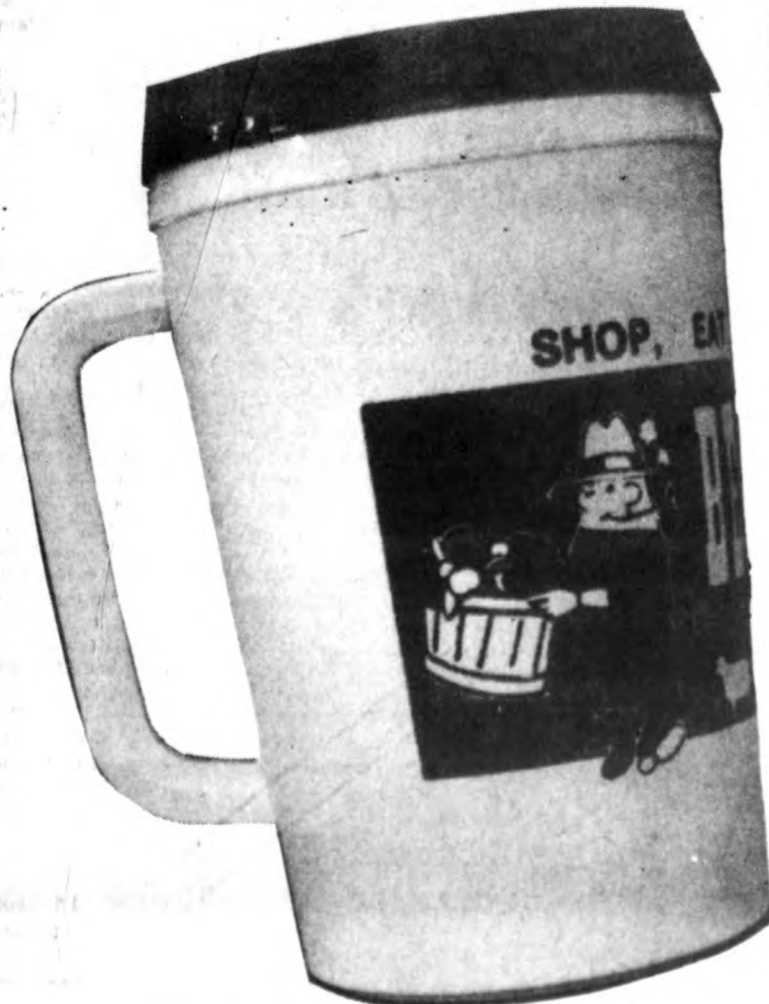

How does it work?

All participating groups (each must be a registered, local non-profit organization) will collect Beck's sales receipts as credit toward a cash donation. In turn, Beck's will donate \$1.00 for each \$100.00 in receipts accumulated by the participating agencies. There is no maximum amount a group can collect. But, in order to qualify for the program, an organization must collect at least \$100.00 worth of Beck's sales receipts.

Let's get going!

We hope you'll get involved in this exciting project soon! It's an easy way to help our community, a fun way to raise money. If you have any questions or wish to fill out a Beck's Community Cash Official Entry Form, visit or call the Beck's office today, 224-2351, U.S. 27 North.

Beating investigated

The beating of a Bellevue man found in Clinton County is currently being investigated.

On Sept. 8 at 2 p.m., the Bath Township Police Department received a call of a person laying alongside of the road on Stoll Road, east of Upton Road.

The injured subject was transported to Sparrow Hospital, Lansing, where he was admitted with multiple injuries. He was identified as Robert L. Colburn II, 17, of Bellevue.

Colburn was last seen in the village of Bellevue at noon Sunday, Sept. 6, getting into a blue, older model, intermediate size vehicle.

Advertising campaign starts

By **KERRY NOBIS**
SJHS Yearbook Editor

The Journalism Department at St. Johns High School begins its annual advertising campaign Sept. 16. This year's goal of \$13,000 will enable the newspaper and yearbook staffs to purchase a com-

puter which will be used in the publication's classes.

"Last year we generated \$11,790 in sales which allowed \$1,700 to be earmarked for the computer system," says SJHS newspaper advisor Robert Holzhe.

The computer system will be purchased in two

phases. Phase I will cost approximately \$2,978, which will be purchased in mid-October, while Phase II will run about \$4,242, and will be bought within the next three years.

Both the yearbook and newspaper have won many awards in state and regional competitions in past years.

"The yearbook received

seventeen awards, with seven of them being for first place, from the Michigan Interscholastic Press Association competition," says Judy McEnaney, SJHS yearbook advisor.

"We are also rated fourth in the state."

The newspaper has received second place awards from three major competitions, including the

Great Lakes Interscholastic Press Association, Columbia Scholastic Press Association, and Quill and Scroll, an international competition.

Persons with questions about the advertising campaign can contact Holzhe or McEnaney at St. Johns High School, 224-9341, between 7:45 a.m. and 3 p.m.

What is quality care?

Happy Sept. 20 Birthday Rudy Minarik!

What makes for quality care in a nursing home?

Having more of a say on all aspects of daily living, was the response given by nursing home residents.

In a nationwide survey performed by the National Citizens Coalition for Nursing Home Reform, over 455 residents from 107 nursing homes stated the right to make choices about the care they receive was of utmost importance. Staff attitudes toward these choices was listed second.

Those residents surveyed said staff members need to stress the human factor when providing care. Communication is the key to letting residents know their feelings and opinions are of importance. It is vital to show sensitivity and understanding to those being cared for.

Environmental factors also scored high by nursing home residents. Well lit, spacious rooms which afford residents privacy and security are a must.

Other choices ranking high in importance were food and activities. Residents showed immense concern over individual meal preferences and the adherence to special diets. There is an overall expectation for food to be fresh, well prepared, and to be served hot and on time.

Those polled stated that activities and "lots of them" are considered by residents as essential to their well being. A variety of activities was preferred, seven days a week, with the option to decline or join in participation.

The residents further stated that community involvement is always enjoyed and welcomed.

Findlay Manor news

In the area of medical care, residents are very interested in the specifics of their individual health plans. Residents want to be able to choose their own doctor, hospital, and whether or not to follow a definite medical program.

Other components of quality care listed were cleanliness, administration, religion, resident councils, and involvement in community activities.

The information gained from this study resulted in a National Symposium in Quality Care. Your facility here in St. Johns ascribes to these concepts and works hard every day to honor them.

Findlay Manor News is a series of articles written by the staff of Hazel I. Findlay Manor.

303 total is new school record

County meet goes to SJ

The St. Johns golf team ruled the Clinton County Invitational last Saturday, firing a blistering 303, four-man total for 18 holes — 26 strokes better than second place Maple Valley.

The 303 total not only gave Coach Paul Sternburgh's men the invitational trophy, but was good for new school record. The old record of 310 was set back in 1972.

"It was a very good golf match," Sternburgh said. "We've waited a number of years for this. What we have this year is depth — a number of other coaches at the invitational made the comment that they couldn't compete with us depth-wise."

A total of 60 golfers from Ovid-Elsie, Pewamo-Westphalia, DeWitt, Laingsburg, Portland, Portland St. Pats, Owosso, Maple Valley, and Lakeview took part in the invitational held at Highland Hills Golf Course near DeWitt. With the exception of a break to let some mid-afternoon thunderstorms roll through, play went smoothly.

Paul Hughes was medalist for the meet, shooting a 36 on the front and 37 on the back for a total of 73.

"He (Paul) had an exceptional round," Coach Sternburgh said.

Second low score for the meet went to Todd Keim who shot 41 on the front and a blistering sub-par 33 on the back nine.

"That rather surprised most people — including Todd," the coach said.

Jeff Dean fired a 76 and Paul Schneeberger came in with an 80 to give St. Johns their 303 total. Remaining varsity players Tom Lewis and Mark Moore shot 83 and 85 respectively.

Along with Maple Valley's second place score of 329, Owosso was third with 332, and Pewamo-Westphalia's squad shot 360.

The Redwing golfers had a perfect 3-0 dual-match record going into Saturday's invitational. They opened their season by taking an 18-hole 318 to 321 win from top-ranked Holt. Hughes again took medalist honors with a 76, Dean shot 79, Schneeberger turned in an 80, and Lewis shot 83.

In their match with Grand Ledge, the linksters carded a 328 with Grand Ledge shooting 336. Dean, Hughes, Keim, and Schneeberger all came in with scores of 80. The Redwings opened their MMB season last week, winning a match with Ovid-Elsie 160-195. Dean claimed medalist honors with a nine-hole score of 36, Schneeberger shot 40, and Hughes and Lewis both carded 42.

Fulton comes from behind to best P-W in Pirate grid battle

By RHONDA WESTFALL
Sports Editor

It was the Battle of the Pirates on Fulton High School's football field last Friday night.

Teams from Fulton and Pewamo-Westphalia met in the opening Central Michigan Athletic Conference contest for both clubs with Fulton's Pirates earning a come-from-behind 14-12 win to up their season record to 2-0.

P-W is 0-2 in the young season. Coach Randy Lark's grid team had trouble generating offensive yards in the first half, but turned the game around after halftime behind the combined efforts of sophomores Tom Cecchini, Ben Burk and Jason Langdon.

"We started out sluggish — it was the first home game and we were a little nervous," Lark said. "But in the second half we started executing our plays better."

Pewamo-Westphalia scored the initial touchdown of the contest on their second play from scrimmage in the second quarter when Tim Wieber pulled in a pass from quarterback Bill Schafer with 11:26 showing on the clock. The two-point conversion attempt failed, giving P-W a 6-0 edge.

That score stood up for the remainder of the half after both teams exchanged possession of the ball several times.

P-W RECEIVED the second half kickoff and advanced the ball down to Fulton's 35-yard line before Fulton gained possession after P-W failed to gain first down yardage in a fourth and four situation.

Fulton's sustained drive downfield included a big gainer by Cecchini which brought the ball into P-W territory at the 33-yard line. A succession of running plays

by Cecchini and Burk ended in Cecchini taking the ball in from 12 yards out to score Fulton's first TD at the 3:25 mark of the third quarter. The two-point conversion by Burk was good, giving Fulton a slim 8-6 lead.

Fulton wasted no time in putting more points on the board. Pewamo-Westphalia was forced to punt and Fulton got the ball back with just over a minute left in the period. An 11-yard gain by Cecchini and quarterback keeper good for 20 more yards by Langdon brought Fulton down to the P-W 17-yard line to begin the final period.

On the next play from scrimmage, Burk went the distance to up the ante to 14-6 with 11:42 left to play in the game.

SCHAFFER TOOK TO the air in an attempt to get Pewamo-Westphalia back on the scoreboard, completing a 14-yard pass to Dean Harr and a big 42-yard reception by Randy Hayes to put P-W on Fulton's 10-yard line. Wieber took the ball in for a P-W touchdown with 9:20 remaining, putting P-W within striking distance at 14-12.

Pewamo-Westphalia had a chance to take the lead on their next possession, taking the ball from their own 48-yard line down to Fulton's 34-marker before a costly fumble gave Fulton the ball back with 2:34 left on the clock.

Keeping the ball on the ground, Cecchini and Burk picked up the necessary yardage to keep Fulton in possession of the ball and the win as time expired.

"Pewamo-Westphalia is a good team," Coach Lark said. "They made a few mistakes which we were able to capitalize on, but the game really could have gone either way."

"Our offensive linemen did a very good job. They popped a few nice holes in the third quarter."

Individually, Cecchini was the leading ground-gainer, rushing for 212 yards on 29 carries. Burk had 84 yards on 13 carries, and Langdon picked up 50 yards rushing. Defensively for Fulton, Tony Reeves had 10 tackles and

John Gallagher had 7 tackles.

Fulton travels to Bath for a CMAC game this Friday while P-W hosts Laingsburg in their first home game of the season.

FLAGMAN — Fulton's Ben Burk tumbles to the ground as the official calls Pewamo-Westphalia players for a facemask violation in last Friday's CMAC opener between the two clubs. It was one of several P-W penalties which Fulton capitalized on in taking a 14-12 win.

St. Johns Athletic Boosters set Sept. 21 as kickoff meeting date

By RHONDA WESTFALL
Sports Editor

St. Johns Athletic Boosters are set to begin 1987-88 activities with a kick-off meeting scheduled for Sept. 21 at 7 p.m. in the high school cafeteria. Every parent who has a child participating in athletics at Rodney B. Wilson Junior High or the high school is automatically a booster member.

Booster organizational leaders are hopeful that through continued parental input and attendance at booster meetings they will be able to achieve their goal of support for all athletic teams.

In 1986-87, their first year of organization, the boosters contributed \$17,903 to help improve St. Johns athletic teams' competitiveness, ability, and appearance. Teams that benefited from the boosters involvement included: RBW basketball, volleyball, and football teams; high school golf, swimming, gymnastics, track, wrestling, cross country, football, baseball, cheerleading, softball and tennis teams.

In addition, the boosters made the final payment on the weight room which is used by almost all teams in the school district.

This year's major fundraiser will again be a lottery, but with some significant changes. These include:

- Two, six-month periods — the first period begins Nov. 2.
- Three-digit lottery tickets will cost \$50 for six months or \$100 for 12 months.
- Each daily winner will be the person holding the same ticket number as drawn for the Michigan Daily 3 digit lottery.
- Monday through Friday winners will receive \$100; Saturday winner receives \$200.
- Every purchaser of a \$100 ticket is eligible for a one-time Super Drawing in Dec. The winner of the Super Drawing will receive \$10,000 cash.
- Every family will receive two tickets in late Sept. Each family is asked to either purchase the tickets themselves or sell them for the boosters. Booster captains will contact each family to answer questions and to help make sure all tickets are sold.

The boosters' organizers are looking forward to a successful sports season for the group and for all St. Johns teams, and hope for good attendance at the Sept. 21 organizational meeting.

SJ bomblasts Waverly 21-15

Despite eight fumbles and seven penalties, the St. Johns Redwings brought home a 21-15 win from their non-conference meeting with Waverly last Friday night.

"If you make that many mistakes and still win the game it's good — I guess," St. Johns Coach Bart Kjolhede said. "There were positives — we played well defensively and really controlled the game offensively. Waverly only ran three plays in the whole fourth quarter."

The Redwings ran 62 plays compared to 36 for Waverly and totaled 311 offensive yards with the Warriors tallying 181 yards.

As in the Redwings' season opener with Owosso, junior Bob Paksi was the big horse for St. Johns, rushing for 156 yards on 26 carries. He scored the Redwings' initial TD of the game, taking the ball in from 23 yards out following St. Johns opening kickoff series of plays.

Waverly tied the game at 7-all when they scored after intercepting a St. Johns pass in the opening period.

With time running out in the half, St. Johns regained the lead off a touchdown reception by senior Jim Martens from quarterback Matt Wilcox. Martens was the leading Redwing receiver, grabbing 3 passes for 42 yards.

St. Johns tallied their final points of the game at the 2:15 mark of the third quarter when Dwight Pierson took the ball in from the 1-yard line to make the score 19-7. Wilcox ran the ball in for the 2-point conversion to give St. Johns a 21-7 edge.

Although the Warriors came back to score once more off a scoring drive on their ensuing possession, St. Johns contained the game in the final period.

Along with Paksi, Pierson gained 42 yards rushing on 13 carries, while Wilcox scrambled for 27 yards on 11 carries and completed 6-9 passes for 74 yards. Martens had 3 pass receptions for 42 yards, Scott Aylsworth netted 1 pass for 10 yards, and Doug Heyer snagged a pass for 20 yards.

Defensively, Randy Trayer had 4 tackles and 5 assists, Scott Heibeck had 5 tackles and 6 assists, and Martens had 4 tackles and 4 assists.

Coach Kjolhede is looking forward to this Friday's matchup of St. Johns and Ovid-Elsie — the first MMB game of the season for both clubs and both undefeated at 2-0.

"Two undefeated teams going against one another is always fun," the coach said. "We know they're going to play hard. The kids will really be going after each other. It's going to be a fun game."

Eagles claim pigskin victory

The Fowler football team earned their first grid win of the season with a baseball score 6-2 victory over CMAC rival Laingsburg last Friday night.

The Eagles scored with six minutes left in the first half on a 2-yard run by Andy Thelen. The TD capped a 47-yard drive which included a 22-yard pass reception from Matt Hufnagel to Tom Wirth.

Fowler was set to put six more points on the board before the close of the half when another Hufnagel to Wirth pass — this for 70 yards — was called back when officials ruled the Eagles were holding on the play.

Laingsburg picked up their 2 points on an intentional safety with under a minute remaining in the first half.

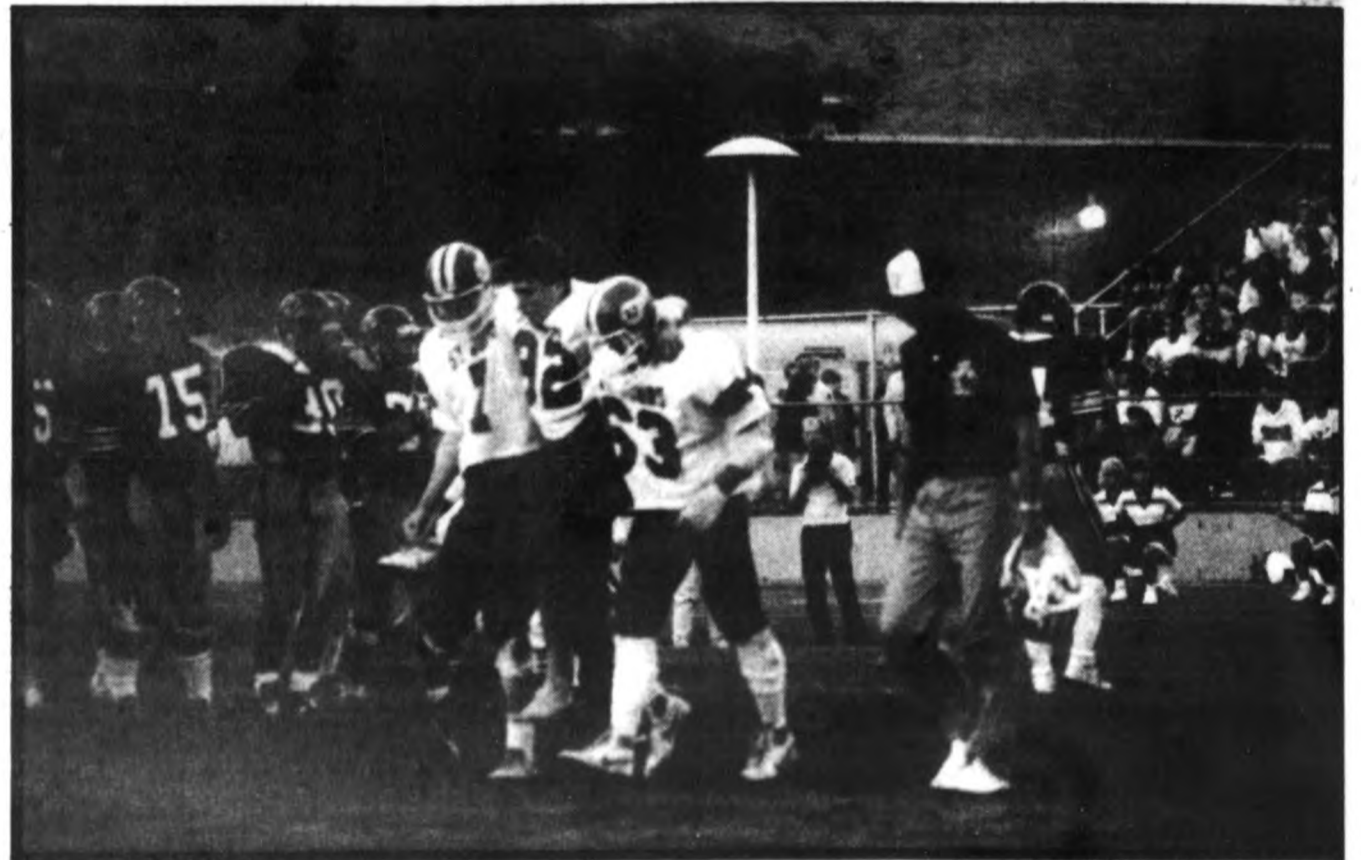

Eagle Coach Steve Spicer admitted their wasn't much action in the second half.

"No one generated much offense," he said. "We played very conservatively."

"We felt that the kids played good team defense in this game — all eleven guys played well together."

Fowler totaled 121 yards in the game. Hufnagel was 6-9 passing for 77 yards. The Eagles gained 44 yards on the ground. Defensively, Fowler held Laingsburg to a minus 21 yards rushing with the Wolfpack completing 4-17 passes for 69 yards.

The Eagles host Saranac this Friday in their first home contest of the season.

DAN HARTSUFF (82) is helped off the field by Redwing teammates Scott Aylsworth (7) and Aaron Brown (63) after sustaining a sprained ankle in last Friday's game with Waverly. St. Johns went on to win the non-league contest 21-15.

Area girls' cage teams win in hectic week

By RHONDA WESTFALL
Sports Editor

Area girls basketball teams were in full swing last week, with all squads seeing a variety of action. A championship win by Pewamo-Westphalia in the Portland Tip-Off Tournament on Saturday evening capped the weeks' worth of games. Following is the week in review.

PEWAMO-WESTPHALIA

Playing in just their second contest of the young season, Coach Carol Rademacher's Pirates upset top-ranked Mason 43-40 to win the Portland Tip-Off Tournament. The Pirates set themselves up for the championship game by virtue of a Sept. 10 tournament opening game win over Hastings, 37-42.

The Pirates trailed Mason 33-29 going into the final stanza after having led 16-14 at the close of the opening period. Pewamo-Westphalia played strong in the last quarter, outscoring the Bulldogs 14-7 in the period.

Included in P-W's fourth quarter totals were clutch free throws made by Kerri Nurenberg. She was good on 7-9 attempts from the charity stripe, and paced the Pirates with 13 points.

Sandy Martin chipped in 9 points, while Sandy Simon and Amy Hengesbach added 8 points each.

The Pirates were in complete control of Thursday night's game with Hastings, opening up a big 36-20 lead by halftime. They dominated the contest from start to finish.

Leading P-W in scoring were Hengesbach and Simon who had 15 points apiece with Martin tallying 11 points in the game.

The Pirates open their CMAC season tonight when they host Fulton, and also are at home this Thursday with a non-league game versus Ovid-Elsie.

ST. JOHNS

Coach Beth Swears' St. Johns Redwings got their 1987-88 season off the ground last week, losing their season opener with Lansing Eastern 62-59, then coming back to rout Lansing Sexton 59-23 on Thursday.

Everybody played in the game at Sexton which saw St. Johns take an early 16-2 lead and score 16 unanswered baskets in the first half. They took a 29-13 lead into the locker room at the half.

Leading scorer was Anne Brocker with 14 points, Kerry Porter had 12 points, and Kristen Kloeckner and Gina Manas tallied 8 points each.

In the contest at Eastern, the Redwings had a hard time finding the basket, connecting on 22 of 59 shots from the field. Still, they managed to stay close to the Easterns, trailing just 27-30 at halftime. They outscored Eastern in each of the last two quarters but could not pick up the win.

Brocker again paced the Redwings with 14 points, while Porter netted 12 points, Carey Darnell was good for 10 points, and Krista Schrauben tallied 8 points.

St. Johns opens their MMB season with a home game versus Ovid-Elsie tonight. They face East Lansing this Thursday in another home contest.

FULTON/OVID-ELSIE

Fulton's varsity girls basketball team earned a split in a pair of non-conference games last week, losing to Ovid-Elsie 42-37 before rebounding to take a big 61-39 decision from Breckenridge. The Marauders from O-E won their second contest of the week, defeating Montrose in a close 47-45 win.

"We played well in the first half against Ovid-Elsie," Coach Ron Merritt said, "and played well throughout the game with Breckenridge. We are encouraged with the win."

The Pirates led 25-20 at the close of the first half with O-E, but were outscored in both the third and fourth quarters of the contest. A zone defense employed by the Marauders stymied Fulton's attack.

Fulton's Dee Gardner led all scorers with 17 points and had 12 rebounds in the losing cause. Teammate Lori Helman had 15 rebounds and 11 points for the Pirates.

Top scorers for O-E were Carrie Darling with 12 points, Kristen Gibbons with 9 points and Julie Houska with 8 points.

In their 61-39 blitz over Breckenridge, Fulton expanded on a 28-18 halftime lead during the final stanzas to coast to victory. All Pirate players saw action in the contest.

Gardner and Helman paced the Pirates, with Gardner scoring 22 points and grabbing 12 rebounds, and Helman netting 11 points to go with 15 rebounds.

Coach Merritt noted playing performances from Kim Friesen and Linda Lynch both helped in Fulton's win.

The Marauders almost let a big 31-20 halftime lead slip away in their game with Montrose, but managed to hold on for the win. Gibbons paced O-E with 14 points, and Bonnie Patrick netted 10 points in the game.

Fulton travels to Pewamo-Westphalia for a tough

opening CMAC game tonight, and hosts Ithaca on Thursday in a non-league game. The Marauders also open their league season tonight in an MMB contest at St. Johns. They face P-W this week on Thursday night.

ASHLEY

The Bears lost a 47-45 squeaker to Portland St. Pats in a Tuesday night contest last week, but upped their overall record to 3-1 with a 50-39 win over Ithaca. Neither the win or the loss was especially pleasing to Coach Carl Wayer.

"I'm probably the most disappointed 3-1 coach in the state of Michigan," Wayer said. "I know what we are capable of doing and we're just not playing like we should be."

The game with St. Pats saw Ashley ahead for the majority of the contest. The Shamrocks tied the game at 45-45 in the closing minute of play, then connected on a shot with just :08 seconds remaining to take the lead and the win.

Leading the Bears in scoring was Angie Felton. She had 17 points, 7 rebounds and 4 steals in a good all-around game. Sheila Keck had 11 points and 4 steals and Chaunda Shaw had 8 points and 5 assists.

The Bears shot an excellent 17-23 from the charity stripe.

Free throws also played a part in the game with Ithaca with Ashley making good on 50 percent of shots taken from the line. The Bears lead from start to finish

of the contest.

Felton once again had a good all-around game, scoring 16 points, and having 4 assists and 4 forced mistakes. Shaw had 10 points and 6 steals, while Lisa Wingle and Jamie Plesko each had 7 points. Plesko also had 6 rebounds from her guard position.

The Bears have tonight off before traveling to Fowler on Thursday for a non-league game that always proves to be a barn-burner.

FOWLER

The Fowler Eagles take a perfect 2-0 record into tonight's CMAC opener with Laingsburg, after downing Carson City 47-35 last week. The remaining game this week on the Eagles' agenda is a non-league match with rival Ashley.

The Eagles led for the duration of the game with Carson City, with the final game score sparked by hot shooting from junior Marcy Sillman who made 8 of 10 shots from the field in the final stanza.

"Overall, we're playing better and shooting better," Coach Tom O'Rourke said. "We're making good progress."

Senior Mary Jo Simon led Fowler scorers with 16 points and had 9 rebounds and 4 assists. Sillman had 5 rebounds to go with her 10 points, and Renee Ruhl also had 5 rebounds in the game.

"She (Ruhl) is playing very well coming off the bench for us," the coach said.

Marauders blank Carson City 16-0

Chalk up another victory for the Ovid-Elsie football team.

The Marauders blanked Carson City 16-0 in a non-conference game played at O-E last Friday night. The win gives Coach Dennis Baraton's team a perfect 2-0 record going into this week's big MMB meeting between the Marauders and cross-town rival St. Johns.

"We have work to do this week," Coach Baraton said. "But we'll be ready to play them (St. Johns) this week. People shouldn't underestimate us."

Ovid-Elsie has shown both poise and determination in their first two wins this season, with the shut-out of Carson City coming

on the heels of the Marauders' season opening 1-point win over Portland.

The Marauders used long yardage gainers to bomb Carson City, scoring their first TD on a 64-yard pass play from Chad Crippen to Eric Gilpin with 8:46 left in the second quarter. The touchdown capped a 77-yard drive that took just 4 plays. Rick Coleman's extra point gave the Marauders a 7-0 lead.

A 64-yard run by Coleman on O-E's first play in the third quarter upped the Marauders' total to 13-0 and another PAT by Coleman made the score 14-0.

Chris Good put the final points on the board with just over a minute left in

the game when he tackled Carson City's quarterback in the endzone for a safety.

Overall, Ovid-Elsie totaled 125 yards rushing on 37 plays and was 4-5 in the passing department for 99 yards, giving them 223 total yards in the game. Defensively, the Marauders held Carson City to just 97 yards total.

Coleman gained 102 yards on 15 carries, Jason McCreery was 2-4 passing for 35 yards, and Crippen was 1-1 for 64 yards. Ryan Alexander caught one pass for 19 yards, Mike Olson snagged two passes for 16 yards, and Gilpin caught the 64-yard TD strike.

On the defensive side, Joe Komoro had 9 tackles,

Good had 10 tackles with 3 sacks and the safety, Coleman had 9 tackles and a drive-stopping interception, and Wayne (Pete) Kennedy had 6 tackles and 2 sacks.

Eagle boy harriers lose tie in Springport Invitational

For the second time in just under a year the Fowler boys cross country team saw a win in a tie meet go to the opposing team. Eagle harriers tied 82-82 with Colon at the Springport Invitational last week, but Colon's sixth-man 36th place finish bested Fowler's 42nd place finish by their sixth man to give Colon the top spot.

The same thing happened to Fowler in the County Meet last fall when St. Johns and Fowler tied and the Redwings picked up the win.

"It's just a really unusual thing to have happen," Fowler Coach Kim Spalsbury said.

Troy Irrer ran an exceptional race for Fowler at the 11-team invitational meet, with his time of 16:21.4 not only good enough to earn him first place among all runners, but also setting a new Fowler school record.

The remaining top five Eagle runners were: Tim Becker (4th overall), Mike Feldpausch (19th), Tom Becker (26th), and James Thelen (32nd).

Coach Spalsbury was especially pleased with the time posted by Tom Becker — a freshman who has been running cross country for just one month.

"That's just extraordinary to place that high having run for so short a time," he said.

Fowler's girls team also placed second at the meet, scoring 73 points behind meet winner Bath who had 37 points.

"Bath is very strong this year," Spalsbury said. "We have to run against them five times this year and it's going to be tough each time."

Top finisher for the Eagle harriers was Lynette Feldpausch who placed sixth with a time of 22:08. Other Fowler place finishers were: Rebecca Feldpausch (13th overall), Lisa Rademacher (14th), Kristen Hoerner (18th), and Theresa Miller (22nd).

"The girls are really working as a team," Spalsbury said. "Our third through fifth place runners were side-by-side — it's nice to see them working as a group."

The Eagles travel to Lakewood on Sept. 17 for a quad meet with teams from Portland and Allegan also included. They will take part in the Olivet Invitational on Sept. 19.

Redwings off and running well in x-country season

The St. Johns boys cross country team took two lopsided wins last week, defeating Ovid-Elsie 18-44 and Mt. Pleasant 19-40. Redwing girls did not fare quite as well, taking a close 27-28 decision from Ovid-Elsie, but losing 35-23 with Mt. Pleasant. Redwing boy harriers are undefeated at this point in the season.

Leading the pack for St. Johns was Greg St. John who turned in identical times of 16:34 in each meet to capture first place. Second place in both meets went to Jim DeBrabander who completed the course in 16:45 versus O-E, and trimmed a second off his time in the Mt. Pleasant meet.

Remaining place finishers in the Ovid-Elsie meet were: Jason Berndt (OE), 3rd, 17:21; Scott Terrell (SJ), 4th, 17:45; Darren May (SJ), 5th, 17:55; Tom Newhall (SJ), 6th, 18:27; Craig Wittenburg (OE), 8th, 18:39; Shad Morgan (OE), 15th, 20:02; Mike Wilder (OE), 20th, 20:51; and Matt Coohon (OE), 21st, 21:06.

Place finishers in the Mt. Pleasant meet beside St. John and DeBrabander were: May, 4th, 17:28; Terrell, 5th, 17:40; Newhall, 7th, 18:19.

For the Redwing girls, Jessica Kluge turned in top times for St. Johns in both meets, placing first overall versus O-E with a time of 20:14, and second overall

against Mt. Pleasant at 20:13.

Other place finishers in the St. Johns/Ovid-Elsie meet included: Katrina Koenigsnecht (SJ), 2nd, 20:52; Amy Crugher (OE), 3rd, 21:30; Buffy Hill (OE), 4th, 22:14; Shaundell Elowski (OE), 5th, 22:15; Kim Kranick (OE), 6th, 22:18; Colleen Bunn (SJ), 7th, 22:45; Mary Patton (SJ), 8th, 23:15; Kelly Porubsky (SJ), 9th, 23:21; and Melissa Grubaugh (OE), 10th, 26:22.

Along with Kluge, place finishers for St. Johns in the Mt. Pleasant meet were: Koenigsnecht, 4th, 21:30; Bunn, 7th, 22:45; Patton, 10th, 24:05; and Porubsky, 12th, 24:33.

Conservation corner Signup completed

By Eileen Gillespie

Following completion of the fifth signup period, the USDA announced it has accepted an additional 5,388,694 acres into the 10-year Conservation Reserve Program. The latest signup brings the total acres in the program to 22,996,000 nationwide.

Annual payments on the bids accepted range up to \$96 per acre, in some areas, with the average payment of \$47.90 per acre. Sixty dollars and under has been the established figure for our local area.

Deputy Secretary of Agriculture Peter Myers says he is encouraged with the CRP signup to date and believes the program's goal of 40 to 45 million acres can be met in 1990 as more producers become familiar with conservation programs and their requirements.

He also announced the next signup will be Feb. 1-19, 1988.

Just to remind you that if you are now in the Conservation Reserve Program and have agreed to plant trees on some of this acreage, now is the time to place your order for the tree seedlings with the Clinton Soil Conservation District for a fall planting. We have the order forms at the office and if you would like one mailed to you, just give us a call at 224-8769 and we will see that you get it. We will be taking orders throughout September.

Eileen Gillespie is the administrative assistant for the Clinton Soil Conservation District.

One day at a time Weather stress

By Phyllis Roehl

Q. You keep talking about the flood, but we are dealing with drought conditions. The flood is over, isn't it?

A. Is it? When we finally got some rain a few weeks ago, I heard people sighing with relief. But after several showers, I'm hearing people ask already, "But will it know when to quit?"

At the fair a father shared with me that his 10-year-old son had asked when it started raining, "Dad, is it going to flood again?" The father hadn't

realized, he said, that his child might be fearful of what weather conditions would bring again.

These instances show a natural after-effect of the flooding we had — natural for both adults and children.

We need to realize that, whether flood or drought, the stress is the same. Or perhaps I should say it is a double whammy to those who make their living by raising crops who depend so much on weather conditions.

Already some farmers are concerned about what damage has been done by the drought or whether the drought will have caused more damage than the flood did. And we probably won't be able to calculate the losses until after harvesting is done this fall.

In the meantime we wait and wonder and pray. That is stressful.

I think it was Mark Twain who said, "Ninety percent of what we worry about never happens." When I think about the concerns people are voicing about the flood and

drought, I hope he is right.

Thought for today: A diamond cannot be polished without friction, nor a man perfected without trials.

Phyllis Roehl is the rural outreach worker for Clinton County.

1 escapee recovered

Two inmates escaped from the Clinton County Jail on Sept. 12, breaking out of the jail through a south window.

Jeff Coggins, 21, of Lansing and Steve Mikko, 25, of Lansing crawled through the heat vent in the jail's TV room while they and three other inmates were watching a football game on television.

According to police reports, the pair threatened the other inmates, crawled through the vent into a crawlspace above the kitchen, and out a south window. The escape took place just before 11 p.m., police say.

Coggins, who was lodged in the jail for breaking and entering, was captured by county police two miles south of St. Johns near the Clinton County Road Commission offices at approximately 12:30 a.m.

Mikko, allegedly connected with a holdup in Carson City, was in jail for possession of a concealed weapon and illegally driving away an automobile.

Police are continuing the search for Mikko.

POT PARAPHERNALIA — Clinton County Sheriff Deputy Mark Finnala poses with some of the packaged marijuana and assorted processing equipment taken during a drug bust at a home on Hollister Rd. in southeastern Clinton County last week.

Deputies confiscate marijuana

Clinton County Sheriff deputies hauled in an estimated \$45,000 to \$60,000 worth of raw and processed marijuana from an in-home operation in southeastern Clinton County last week. The bust was one of 11 drug cases which the department is in the process of completing.

Approximately 30 plants were spotted during aerial surveillance by Drug En-

forcement Agency officials on a plot of ground located on Hollister Road, just south of Jason Road. After obtaining a search warrant, large quantities of packaged marijuana ready for sale, processing materials, grow lights, scale, and other equipment were confiscated from the

basement of the house. "It was a pretty good backyard operation," Deputy Mark Finnala says.

Finnala and Deputy Mike Winn are currently working on the drug cases. The suspect was arrested, freed on bond, and will be arraigned later this week.
