Notes CRV bus

ST. JOHNS The Community Resource Volunteers bus is providing service to and from Lansing Community College on a Monday through Friday schedule this fall.

For more information, call 224-8127.

Genealogy

ST. JOHNS The Clinton County Genealogy meeting will be held on Monday, Oct. 5, at the Capitol Federal Savings and Loan Building in St. Johns beginning at 7:30 p.m.

The program for the evening will be "Round Table Discussion." Genealogists are invited to bring any problems they have encountered in their genealogical research.

Crop walk

OVID The Ovid 6.2-Mile Crop Walk begins at Holy Family Catholic Church in Ovid at 2 p.m. Sunday, Oct. 4. Sign-ups for the walk begin at 1 p.m. with refreshments and rest stops set up along the route.

Last year, \$4,243 was raised for world hunger through pledges given to walkers. Of that amount, \$612 was spent in Clinton County.

The Crop Walk is sponsored jointly by Holy Family Catholic Church and the United Church of Ovid. Pledge forms can be obtained at either church office.

Rain date for the walk is Oct. 11.

Museums

ST. JOHNS Visit the Paine-Gillam-Scott Museum on the west side of the Courthouse Square in St. Johns during Michigan Museums Week, Oct. 3-10. The museum is open Sundays from 1 to 5 p.m. and Wednesdays from 2 to 8 p.m.

The Clinton County Historical Society encourages Clinton County residents to visit one of Michigan's museums, zoos, nature preserves, aquariums, or science centers during Museums Week. Kick-off celebrations begin on Oct. 3, Michigan Museums Day.

For more information, call Paine-Gillam-Scott Museum at 224-2894 or 224-7402.

Blood

ST. JOHNS Residents of Clinton County can help the sick and injured throughout western Michigan by donating blood at St. Johns Lutheran Church, 511 E. Sturgis St., in St. Johns. The drive will be held on Tuesday, Oct. 6, between 11 a.m. and 4:45 p.m.

Donors must be between the ages of 17 and 69, in good health, and weigh at least 110 pounds. The entire donation process takes about one hour from registration to refreshments. Donors will receive a mini-physical including a blood pressure check, iron level in the blood, and temperature.

McDonalds of St. Johns is giving free certificates to blood donors.

For more information, call Jim or Doris O'Connor at 224-2525.

Bat Man

ST. JOHNS October is the last chance for area residents to see and read the history of Clinton County's "Bat Man," Clem Sohn.

Honored at a 50th year remembrance last spring, the exhibit of Sohn's bat wings and trousers will remain at the Paine-Gillam-Scott Museum in St. Johns through Oct. 28. The aviation exhibit also ends at that time.

Also available at the museum are 100-piece Michigan inlaid map puzzles, 20"x16". A perfect gift for the sesquicentennial year, the puzzle consists of counties, county seats, historic, geographical, and trivia information. Cost of the puzzle is \$6.

The museum is open Sundays from 1 to 5 p.m. and Wednesdays from 2 to 8 p.m.

Exchange students welcomed

By LORA THOM
Associate Editor

Two St. Johns families are sharing their American traditions and lifestyles with two teenage international exchange students, under the auspices of Educational Foundation for Foreign Study.

Beth Bennett, area representative of EFFF, strongly believes in its objectives: to learn about new cultures and customs in a personal way; to broaden perspectives, share American traditions and lifestyles; and to come to a deeper understanding of what it means to be an American.

"Our young people are our future. I admire eager minds, open to new ideas and ready to face new challenges," says Bennett. "The exchange program offers them just that."

"If the international friendships which are developed help bridge the gap between countries in one small way, to me it is worth it," explains Bennett.

"It may be a small step toward world peace, but a positive one," she says.

BENNETT BELIEVES it takes a special young person to leave their own home, family, and natural surroundings to go to another country for 10 months, as well as host families who provide room and board, love and affection.

Porter and Linda Redman, and their three sons, are experiencing the vast reservoir of sharing that takes place while getting to know Jorun Overegseth, 16, of Trondheim, Norway.

Kenneth and Vickie Kralik, along with their two sons, Justin, 8, and Joseph, 5, also enjoy the cultural exchange with Oliver Kessler, 17, of Zurich, Switzerland.

Both Overegseth and Kessler are juniors at St. Johns High School. The two students agree that the St. Johns school district has much to offer in extracurricular activities, as compared to their European school system which does not offer sports programs throughout the year. It is up to the individual to join a club or sports team if they are seeking to play in a competitive sport.

OVEREGSETH PLANS to become an active member in track where she will participate in the discus throw. She was rated fourth best throughout Norway in 1986, with a throw of 104 feet or 32 meters. In 1987, she was rated fifth best with a throw of 107 feet or 33 meters.

Kessler has actively participated in soccer since he was 7. Keith Haske, history teacher and assistant coach of the football team, approached him and inquired about his sports background. After Kessler informed him that he did play soccer, he attended a football practice and is now known as the star soccer-style place

throughout the year."

Redman feels that the EFFF program is sound. "The area representative is approachable and helps you with any problems which may occur throughout the year."

kicker.

Kessler never played in a high school football game before coming to the U.S.

The St. Johns students are noted as cooperative, and very friendly to the two exchange students. Overegseth and Kessler are overwhelmed at the amount of names they have to remember, but are glad that the American teenagers are not afraid to approach them.

OVEREGSETH AND Kessler see no real difference as to the difference in cultures. They both had no real culture shock. "I always had the idea that Americans ate a lot of hamburgers and watched too much television," says Overegseth of Norway, "but the lifestyle is much more exciting and open-minded."

Kessler describes America as the land of opportunities and glory. "People seem happier and more outgoing in the U.S., as compared to the people in Switzerland; I don't think the students in Switzerland would approach an American exchange student in school."

"I know that if the teachers struck in my country - the teenagers would be happy because the instructors never change their teaching style," explains Oliver. "but the students in Michigan were upset that the teachers were on strike, and they wanted to return to class; I read this in the newspapers and saw it on TV."

Mrs. Redman, Jorun's host mother, has been able to learn about Norway's cultural heritage as well. "We've shared pictures, family stories, as well as cooking recipes," says Redman.

JORUN HAS WON trophies in Norway for her cheese trays and delicatessens; she makes house decorations out of cheese slices and arranges them so pretty," tells Redman.

Jorun is convinced that the Redman family is one of the best host families she ever could dream of. "I feel as if I'm a real family member, and I'm treated with respect."

Local students or families who are interested in receiving more information about EFFF programs can contact Beth Bennett, area representative, at 224-2412 or 244-6260.

ALL DRESSED UP — Jorun Overegseth from Trondheim, Norway, wears her national costume "Sor Tronder-Bunad." The costume is worn annually in the district of Sor-Trondelag to celebrate National Day, May 17, when Norway's constitution was first signed in 1814.

Vickie Kralik, Kessler's host mother, says, "most teenagers would run for the door if they saw their mother working, but Oliver is very helpful."

Ken Kralik is impressed with Oliver's character. "He is a positive, confident young man; he's the kind of boy who has strong qualities and I hope it rubs off on my two sons."

"OPEN COMMUNICATION in the family is important, and I inform my host family about my personal life," says Kessler. "I'm not afraid to ask questions."

Both host families agreed that since they have opened their minds and lives to something different, the exchange students are able to offer wonderful insights into life and to us as a people. The Redmans and Kraliks also would participate in the exchange program again.

Ignacio (Nacho) Avila of Spain lives with Diek and Marilyn Walker in Wacousta, and Jose (Pepe) Ramirez of Mexico resides with Roger and Brenda Miller in St. Johns. Both exchange students attend St. Johns High School.

Local students or families who are interested in receiving more information about EFFF programs can contact Beth Bennett, area representative, at 224-2412 or 244-6260.

Jail committee prepares campaign for millage election

By LORA THOM
Associate Editor

The Clinton County Jail Committee officially met for the second time on Sept. 22. The function of the committee is to educate citizens in the county about the need for a new jail, and a millage increase which will be necessary to finance the project.

The 17-member committee is comprised of local residents who volunteered their services, as well as persons contacted by the county board of commissioners.

Clinton County residents will vote Nov. 3 on whether or not to adopt an up to 1-mill property tax increase to fund jail construction.

A 1-mill increase would cost a homeowner with property valued at \$50,000 an additional \$25 a year.

According to the committee, it is generally accepted that a new jail is necessary because the existing jail constructed in 1949 holds only 42 inmates, and lacks modern security features, intake and processing areas, and administrative space.

ACCORDING TO Gus Harrison, jail consultant, who works in conjunction with Landmark Design Group, Inc., the old jail is too expensive to operate and maintain.

Harrison and Landmark Design Group developed the construction plans for the new jail.

It is estimated by Harrison that \$200,000 will be spent in 1987 to house prisoners in other counties. In 1986, \$139,000 was spent to house prisoners in other counties. The average daily inmate population in 1986 was 65. Future projections of inmate population require a larger jail, he says.

In addition, the existing jail does not conform to Michigan Department of Corrections jail standards and rules.

Harrison has estimated the cost of construction to be \$5,040,000. This estimate does not include the cost of the land, furnishing the jail, or legal

fees.

Although no site for the jail has been selected, two sites are being considered, one a 60-acre parcel site on Townsend Road, just east of Scott Road in St. Johns.

This site is being considered because the county drain provides an excellent buffer along the east property line, there is a sufficient slope to enable good drainage, easy access to US-27, site accommodations ensure future development, such as jail expansion and court rooms, and access to community resources near St. Johns.

THE SECOND SITE being considered is the County Farm. County commissioners are currently engaged in developing a comparative site study. This study will help to determine the feasibility of construction on this site, and what improvements to the land must occur prior to construction.

The property previously intended to be used as a jail site was sold by the county. The county purchased this property in March of 1979 at a cost of \$80,000, and sold the property in August of 1986 at a price of \$152,580.

The land was located on Townsend Road, between Lansing and Oakland streets. According to Bill LeFevre, administrator of Clinton County, the property was sold to Rivendell of America, which operates juvenile psychiatric hospitals.

"Rivendell approached us in October 1985, looking for a site in this area. The board of commissioners felt it would increase job opportunities and was a good economy base," says LeFevre.

The next committee meeting is scheduled for Tuesday, Sept. 29, at 7 p.m. in the Probate Court room at the Clinton County Courthouse. The members will discuss the fact sheet which is currently being prepared for presentation to the public.

Heritage Quilt Show to benefit RAVE; dessert set

The Heritage Quilt Show will be presented at the Ovid United Church of Ovid on Friday and Saturday, Oct. 23 and 24, from 9 a.m. to 5 p.m. with all proceeds from the show going to benefit Relief After Violent Encounter.

"We expect 400 to 500 quilts to be on display," says Florence Parmenter, organizer of the show. "They will be displayed right in the lovely, old church with stained-glass windows."

State of the Union, a hand-made quilt, will be among the many raffie prizes which will be given away at the show. Tickets for the show are \$1 and can be obtained from any RAVE advocate or by calling 224-4662.

Also planned for October is a special recognition dessert honoring the many people involved with the renovations of Raven House — RAVE's shelter in Fowler which opened in July. The dessert buffet will be held at the Social Hall in Fowler on Thursday, Oct. 15, beginning at 7 p.m. Plaques will be presented to each organization that completed a room at the shelter.

"MY THANKS GO out to everyone who has sent donations," says Janet Holden, director of RAVE. "Many have been monetary."

"We've had clients in the shelter since the day after opening."

To date, Raven House has sheltered nine women and thirteen children — all victims of violence. The shelter is staffed with two day and two night employees with backup help provided by RAVE advocates. The crisis line at Raven House is covered 24-hours a day.

"We still need advocates," Holden says, "particularly people to give

time at the shelter in the evenings so that the staff can have a break."

RAVE just completed a 40-hour training session in August which added seven new advocates.

"Some advocates do not want to work with clients — that's fine," says Kelly Miley, training program teacher. "Fund raising, children advocacy, and education of the public are also major aspects of RAVE."

Miley also acts as leader of a RAVE support group for victims of abuse which meets each Tuesday at 7 p.m.

Persons interested in learning more about any of RAVE's programs should call 224-RAVE.

Dillingham Comments

Gambling

By Fred Dillingham

A controversy has been simmering over the last year regarding the possibility of allowing casino gambling in Michigan, particularly in Detroit. Whatever your personal view on gambling, the effects of casino gambling could have implications for everyone who lives in our state.

Recently, a study on legalized gambling was completed by Public Sector Consultants, an advisory group that often provides information to the legislature. It came as no surprise to read that legalized gambling is big business. According to the study, about 148 million Americans will drop \$187 billion on various forms of legalized gambling in 1987. Imagine what is spent on illegal gambling!

There are many forms of legalized gambling in this country. Each has the potential to raise a certain amount of money, and each has the potential to create problems. According to the PSC report, casino gambling has the potential to produce tremendous amounts of revenue — but it doesn't always live up to expectations.

New Jersey's Atlantic City has only provided about 1.8 percent of the state's revenues. To really comprehend how little state money legalized gambling in any form provides, consider this: Our lottery raised over \$400 million last year — but our state school aid budget required over \$2 billion! Bingo, horse racing, and off-track betting in Michigan produce even less.

It must be said that the PSC report notes casino gambling has the greatest potential for tourism. But

in Atlantic City, those tourists no longer visit the traditional tourist attractions, so is it an increase or just a shift? The report also reminds us that according to the FBI, crime rose by 81 percent in 1984 alone in Atlantic City. Employment has not panned out, either, and the jobs that did appear are low-paying service jobs.

Legalized gambling in any form is also a very inefficient method of raising money for a state. On average, it costs about 30 cents to raise a dollar of lottery revenue. By comparison, it costs about 2 cents to raise the same dollar through taxes. More importantly, legalized gambling tends to raise money from those with less income. Taxes tend to raise money more equitably from everyone in a state, including those most able to pay.

That leads us to the most vital point about gambling and state revenues. The report notes there are three ways a state can meet its debts: raise taxes, cut spending, or introduce a new way to raise money, such as gambling. To my mind, there is one choice that stands out from all the rest, and that is to cut spending.

We seem to have lost sight of the real issue — not whether we can handle the disadvantages of casino gambling, but whether we should even have to think about it. Cutting government spending is the only choice that gives money back to people, instead of taking it away.

Courtroom coverage

By Gary Randall

Beginning next month, five Michigan counties will pilot a cameras-in-the-courtroom program, which is scheduled to take effect statewide on Feb. 1, 1988.

An August ruling by the Michigan Supreme Court now allows video and still cameras and tape recorders in all courts except the juvenile division of Probate Court. Oakland, Ingham, Grand Traverse, Marquette, and Wexford counties have volunteered to make

Michigan the 24th state to permit the electronic coverage.

The Supreme Court ruling includes restrictions on camera placement, the need for advance permission to film or record courtroom proceedings, and the right of individual litigants, judges, and witnesses to veto the filming or recording of part or all of their hearings and trials.

Justice Robert Griffin, who chairs the court's committee overseeing the five-county try-out, says such regulations are needed to balance the public's right to know with the rights of trial participants and witnesses, while maintaining the dignity of judicial proceedings.

The electronic coverage is limited to media representatives.

Gary Randall is the 89th District representative to the Michigan House of Representatives.

Pick-up truck takes a dive

Bud Gregory of Hettler Motors in St. Johns went "deep sea diving" on a tow-call at Sleepy Hollow State Park last week. Gregory, a tow-truck driver for Hettlers, retrieved a pick-up truck which was submerged in 15-feet of water in Lake Ovid.

Gregory says, "We rowed out to the truck in his boat and I climbed from the topper onto the hood of the truck and then into the water to make the hook-up."

"It took over an hour," he says, "the water was pretty cold!"

The water ruined the topper, Gregory says, and moved the side of the truck box out. Spedoski also lost about \$150 worth of fishing gear and tackle which was inside the truck.

"We average about one or two calls a year from people whose vehicles have gone into the water," Gregory says.

There was no report as to how many fish Spedoski went home with.

"It's in the Bag"
by Bob Beck

Everybody loves mom's cake. Second only to mom's apple pie, the great American dish.

On the other hand, don't sell cake short. In fact, you can't get any more American than strawberry shortcake.

Shortcakes are found throughout the country. In some areas they are made with biscuits; in others, cake. Any controversy over cake or biscuit has resolved itself. Each school is adamant that its creation is the original shortcake.

However, it is hard to believe that the original shortcake was borrowed from the English, who definitely used biscuits. Regardless, with the growing interest in American cooking, shortcake is returning in a big way.

Upside-down cakes are also typically American. Although their precise origin is not known, they were probably first prepared by an ingenious cook over 100 years ago. It was discovered that cakes could be made in a skillet when a butter and sugar syrup was placed in the pan before the batter.

In closing, remember, "you can have your cake and eat it too." That is ... if you shop here at Beck's. We have fresh cake, frozen cake, cake mixes and everything you'll need to bake from scratch.

'Wake up America!'

To the Editor:
"Wake up America! The drug epidemic is destroying us all," pleads David Toma, a national motivational speaker on the effects of drugs.

Drug and alcohol abuse touches all Americans in one form or another, but it is our children who are most vulnerable to its influence. As parents and teachers, we need to educate ourselves about the dangers of drugs so that we can teach our children. Outside the home, the school is the most influential environment for our children. This means that schools must protect children from the presence of drugs and nurture values that help our young people reject alcohol and drug abuse.

St. Johns is going to help its young people, because here too we cannot neglect the devastating effects substance abuse has caused children from all walks of life. Interested St. Johns parents organized a group called "Hugs Not Drugs" for the purpose of making young people aware of the hazards of substance abuse. To educate and bring a better understanding of why drug abuse has touched so many families, this committee has asked Dave Toma to speak to St. Johns High School and

Letter

Rodney B. Wilson Middle School students on Nov. 4 and 5. In addition to meeting with students, Toma will host a parents' night on Nov. 4 at the SJHS auditorium.

To accomplish this goal, we need your moral and financial support. Clearly, the committee needs your support in the form of dollars. At this time, we estimate our cost to be \$7,000. We feel the dollars spent for this commitment will have an immediate and lifelong effect for the students and community of St. Johns. We invite you to become involved in this ambitious project by contacting a committee member. Please make checks payable to "Hugs Not Drugs" c/o Robert Kudwa, St. Johns Public Schools.

Thank-you for your support!
Robert Kudwa, chairperson
St. Johns

HELPING — High school cadet teacher Marla Weirman helps a Perrin-Palmer first grader with an assignment.

For SJ cadet teachers

'Hands on' training

By BOB KOGER

Working to help establish future quality learning institutions — that's one of the goals of the Cadet Teaching Program at St. Johns High School.

The program, under the direction of head counselor Bob Tissot, has been in place for several years. The philosophy behind the program is to provide a "hands on" classroom experience to high school juniors and seniors who are interested in pursuing careers in education.

Students in the program spend one hour a day in a classroom helping teachers. Along with enabling students to gain teaching experience, the program also benefits the teacher by allowing them to spend more of their time planning and assisting individual students in their classrooms.

Peggy Zink, first grade teacher at Perrin-Palmer Elementary School, has cadet teacher Marla Weirman working in her classroom this year.

"This experience is giving Marla an idea of what planning and teaching skills, material and equipment operation, and student/teacher interpersonal skills are involved in education," Zink says. "Marla assists me by working with individual students on academic skills and student interaction, and assists me with classroom

materials preparation."

Zink says she is impressed with Weirman's enthusiasm and with the concept of the cadet program.

"The program gives cadets an authentic teaching experience and an opportunity to test whether or not they have the temperament to get involved with education as a career choice," she says.

For Weirman, the experience has also been a positive one.

"The early elementary student really interests me," she says. "Now that I have had a chance to work with children this age, I have decided to enter the field of counseling elementary students."

The cadet program is available to junior and senior high school students and is outlined in their curriculum guide. Students earn 1/4 credit per semester and may repeat for additional credits. Students interested in entering cadet teaching should confer with the high school counselor.

Requirements for the program include an interest in children, excellent attendance record, and students must have a means of transportation to assigned schools. As cadets, students work as an individual instruction tutor, learn teaching techniques, and attend weekly release time meetings with their cooperating teacher.

Tissot works with the various building principals to

fulfill assignment needs of the cadets. Once cadets have been assigned, it becomes the responsibility of the specific teacher to guide the cadet through the program.

The following students are presently working as cadet teachers: Matt Decker, Jennifer Kissane, Kristi Burnham, and Nicole Bush at the high school; Jill Glowacki and Marla Weirman at Perrin-Palmer; Marey Starck, Jennifer Olmsted, Christine Berkhausen, Tammy Graham, and Amanda Martens at Swegles; and Becky Cornwell and Melissa Vitek at St. Joseph.

Tissot also points out that cadet teachers are getting a jump on required education experiences which colleges and universities now have. Most colleges will accept high school cadet teaching credits as part of their entrance requirements.

Rebecca and Timothy Stoner
Fogle-Stoner

Reside in Escondido, Calif.

Rebecca Lynn Fogle and Timothy Austin Stoner were married May 23 at the First United Methodist Church in Grand Ledge. The Rev. Phillip Brown officiated at the 5 p.m., double-ring ceremony before 270 guests.

Ned and Phyllis Fogel of 8639 Juniper, Lansing, are the parents of the bride. Parents of the bridegroom are Darryl and Wendy Stoner of 7250 Coleman Road, East Lansing.

The church was decorated with hurricane candlestands adorned with pink carnations and fern. Pink and white satin bows adorned the pews. Piano prelude music was provided by Tom Pinnavaia of East Lansing. Janet Fogle, aunt of the bride from Dresden, Ohio, and the bride's father sang "Kneel, Dear Savior."

The bride wore a white taffeta gown fashioned with a sweetheart neckline, Elizabethan sleeves, and a fitted lace bodice, accented with sequins and simulated pearls. A basque waist falling into a full skirt of white taffeta with tiers of ruffles edged in schiffli embroidery extended into a cathedral-length train.

She wore a wreath of white satin rosebuds, accented with simulated pearls, with a floor-length veil edged with schiffli embroidery.

The bride's silk tea roses were accented with spring flowers and teal and pink satin streamer ribbons. As a special memento, the bride wore a bracelet of her grandmother's.

Attending the bride as maid of honor was Kelly Kribs of Grand Ledge. She wore a teal satin gown. The gown had a close fitting bodice with a mock surplice front and was trimmed with a side bow at the slightly lowered waist. She carried a basket of silk spring flowers with baby's-breath, accented with satin ribbon streamers of teal and pink.

Bridesmaids were Carol Ludlum of Lansing, Mrs. Douglas Baumgartner of Dayton, Ohio; Kristen Reynolds of Grand Ledge; and Debbie Stoner, sister of the groom from East Lansing.

Flowergirl and ringbearer were Amy and Tony Cote, twin brother and sister, cousins of the groom.

Best man was Andrew Stoner, brother of the groom from East Lansing. Groomsman were Chris Johnstone and Dan Goaty, both of Haslett, Don Stoner, cousin of the groom from Perry, and Bryce Fogle, brother of the bride from Lansing. Brent Fogle, cousin of the bride from Dresden, Ohio, served as usher.

A reception with dinner and dancing was held at the Capitol Area Sportsman League. The bride's table was decorated with crystal candlesticks and bouquets of pink carnations, white daisies, and baby's-breath. Assisting at the reception were David Clark and Kris Schoof who cut and served the wedding cake.

Special guests attending the wedding were Marijane Tillitson, grandmother of the bride from Florida; Marcia MarKillie, aunt of the groom from Florida; Mable Stoner, grandmother of the groom from Standish; Mr. and Mrs. George Tschupp, grandparents of the groom from Mattawan; Mr. and Mrs. Carl Roemer, grandparents of the bride from Dayton, Ohio; and Mr. and Mrs. William Fogel, grandparents of the bride from Masury, Ohio.

As a special surprise for the bride and groom, Bud Reed provided a horse and carriage ride after the ceremony.

The couple took a honeymoon trip to Toronto, Canada. They reside in Escondido, Calif.

Kimberly and Chris Marshall
Wolf-Marshall

Reside in Portland

Kimberly Kristin Wolf and Chris Allen Marshall were married Aug. 28 at the United Methodist Church in Portland. The Rev. Stan Finkbner performed the 7 p.m., double-ring ceremony before 350 guests.

Charles Wolf of 8292 Morris, Portland, and Jane Conaty of Mulliken are the parents of the bride. Parents of the bridegroom are Mr. and Mrs. Coy Marshall Jr. of Portland.

The bride wore a white lace gown adorned all over with small pearl-like beads. The gown had a train with ruffles. She wore a headpiece of one large orchid with beads on the side. The bridal bouquet was of pastel yellow, purple, peach, blue, and mint green rainbow hued flowers.

Attending the bride as matron of honor was Cindy Piercefield from Muir. Bridesmaids were Linda Cremeans, Carmen Wolf, Kim Hickling, and Mary Leonard. The attendants wore tea-length dresses in yellow, purple, peach, blue, and mint green.

Best man was Andy Piercefield, brother-in-law of the groom from Muir. Groomsman were Joe Cooper, Mike Millard, Russ Decker, and Chris Teachout. Ushers were Terry Millard, uncle of the bride from Lansing, and George Rowe, cousin of the groom from Portland.

A reception followed the wedding at the Knights of Columbus Hall. Bobby Lewis from Q-106 served as disc jockey. Stacey Yoemans was hostess. Sherry Millard, Kay Millard, and Marsha Ellis were servers.

The couple took a honeymoon trip to Mackinac Island. They reside at 11000 E. Grand River, Portland.

Loudenslager-Thelen

November wedding planned

Floyd and Jane Loudenslager of Burr Oak announce the engagement of their daughter, Marilyn, to Lee Thelen. He is the son of Leon and Bertine Thelen of 7340 N. DeWitt Road, St. Johns.

The bride-elect is a 1978 graduate of Colon High School. She received her bachelor's degree from Michigan State University in 1982 and a master's degree from MSU in 1984. She is employed as the agricultural agent for the Clinton County Cooperative Extension Service.

The prospective bridegroom is a 1974 graduate of St. Johns High School. He attended Lansing Community College and MSU. He is a self-employed farmer. A Nov. 21 wedding date has been set.

SJ Women's Club meets

By EDWINA McDOWELL

The GFWC-St. Johns Club held its first meeting of the year, a fall luncheon at the Crystal Sailing Club. Dee Morriss and Marta Giesecke were co-hostesses at the luncheon.

Program chairman Hilda Hufnagel reviewed the year's agenda. Seven members will attend the West Central District Convention in Owosso on Oct. 15. Dee Morriss, president, thanked the club members for their cooperation in hosting the ARTrain and tour of the Hicks' home during the Mint Festival.

will be placed in the Michigan State Library. The first local women's club was organized in 1891 and joined the State Federation in 1895. Objectives of the original club were for personal enrichment and education.

The next meeting will be Wednesday, Oct. 7, at the home of Jean Leon. Guests are always welcome. Interested persons should call 224-2287.

Church hosts Jack Gray Crusade

Pilgrim United Methodist Church, located on the corner of Parks and DeWitt roads in St. Johns, will host a Jack Gray

Crusade Oct. 11-14. Pre-service activities begin nightly at 6:30 with worship services at 7:15. Sunday morning worship is at

9:30 with Sunday School following at 11.

Gray has held evangelistic services in nearly 400 churches of various denominations across the country. He is founder and president of "Kids for Christ International," and helps direct the "Bible Bowl" ministries for children.

Other activities planned at Pilgrim include a United Methodist Men's Breakfast on Sunday at 7, youth breakfast on Monday at 6:30, Senior Citizen's potluck at noon on Tuesday, and a United Methodist Women's brunch at 10 on Wednesday.

The public is invited to attend all the activities connected with the Jack Gray Crusade.

Kemper Total Return Fund is the flexible mutual fund, because it can invest in stocks, bonds and money market instruments, changing proportions as market conditions change. In other words, the Fund goes where the action is. And don't forget these other benefits:

- Professional management by Kemper Financial Services, Inc.
- Free reinvestment of all income and capital gain dividends.
- Flexibility to exchange into many other mutual funds.

Invest for your future with Kemper Total Return Fund. For more information, call or return the coupon today. The Fund's return and net asset value will fluctuate.

*Annual compound total return is based on changes in net asset value with all income and capital gain dividends reinvested, compounded on an annual basis with a formula set forth in the Fund's Statement of Additional Information, and after adjustment for the maximum 8.5% initial sales charge. Period covered is for the ten year period ending December 31, 1986. Of the 15.91% compound total return, 7.77% was attributable to income and short term capital gain dividend reinvestment, 8.11% to long-term capital gain dividend reinvestment and 1.81% to appreciation of initial investment. The annual rate of total return does vary and ranged during the 10-year period from +4.1% in 1980 to +11% in 1984 (computed at net asset value). The period was one of fluctuating common stock prices. Future performance is not guaranteed.

Mesquite Open Fire Grilling

What is mesquite cooking?

Mesquite is a tree which flourishes weedlike in the Southwestern United States. The Western Indian discovered the mesquite tree and named it "The Honey Tree" because of the sweet fragrant flavor it gave to their food. When set ablaze, mesquite provides an intense heat which quickly seals in flavor and juices to keep foods from drying out, while giving them a sweet, subtle woody flavor.

PUBLICATION AND NOTICE OF STATUTORY CHANGE AFFECTING SUPPORT PAYERS AND PAYEES
NOTICE OF CHANGE IN MICHIGAN LAW
To: Payer or Payee
Public Act 97 of 1987, effective July 6, 1987, provides that a support order in a domestic relations matter is a judgment on and after the date each support payment is due and is not subject to retroactive modification except:
(1) Retroactive modification is permissible with respect to any period during which there is pending a petition for modification, but only from the date that notice of the petition was given to the payer or recipient of support, or
(2) A payer or payee has 60 days from the date of the mailing of this notice to file a petition for retroactive modification of the support order. After the 60 day period, a hearing on the petition is permitted only if shown:
(a) that the notice required by law was not received, and

Beating suspect arraigned

Harvey James Dexter, 54, of 709 S. Hosmer St., Lansing, has been identified by Robert Colburn, the victim of a brutal beating who is currently recovering in Sparrow Hospital, as his assailant.

Dexter was arrested Sept. 22 after Eaton County detectives received a tip which led them to discover his identity.

Judge Kenneth Hansen set bond at \$50,000 Sept. 23 in the 56th District Court in Charlotte, after Eaton County prosecutor Mike Eagan described Dexter's criminal record. Eagan said Dexter has been convicted of four robberies and several sexual assaults.

Colburn, a Bellevue High School student, was found Sept. 8 lying in a ditch near Rose Lake in Bath Township.

SJHS students set to celebrate

Students at St. Johns High School are busy this week, making final preparations for Homecoming festivities scheduled for this weekend, Oct. 2-3. The St. Johns Redwings meet Corunna on the gridiron on Friday with a 7:30 p.m. kickoff and the annual crowning of the king and queen takes place at halftime.

A special "social hour" will be held after the football game in the high school cafeteria where school alumni, family, and friends may gather to renew acquaintances. The Redwing Marching Band

and Varsity Cheerleaders will make brief performances at the beginning of the social hour.

1987 class representatives were selected last week with final voting for the 1987 Homecoming King and Queen taking place this week. Class representatives include Christine Cain (freshman), Amy Chmiko (sophomore), and Teresa Buckwalter (junior).

The king and queen will be chosen from seniors Andy Ball, Zane Ballard, Greg St. John, Darcy Grennell, Brooke LaBar, Jennifer Olmsted, Tracy Smith, and Jody Sternburgh.

Redwings suffer grid defeat at Indians' home

By RHONDA WESTFALL
Sports Editor

For the first time this season the St. Johns football team found out what it was like to be on the losing end of the stick.

The unbeaten Redwings traveled into the lion's den to take on defending Mid-Michigan B champion Chesaning last Friday and came out shredded, 28-7.

"They really stuffed us," St. Johns Coach Bart Kjolhede said. "It they're that good all the time — they're really good. They're offensive line really did the job on us.

"They knew the league title was on the line and they weren't going to give it up."

Chesaning scored in both the first and second periods on long yardage runs. In each case, it appeared that the drive had been foiled at the line of scrimmage, but the Indians would not be stopped.

The Redwings' lone touchdown of the game came in the second period when Matt Wilcox hit Tom Penix with a 39-yard pass. The extra-point kick by Ollie Kessler was good, putting St. Johns down by just 13-7.

The Indians scored once in the third period on a 60-yard run that, once again appeared to have been stopped. The 2-point conversion attempt made the score 21-7. Final points were tallied by Chesaning in the fourth period on a 3-yard run into the endzone.

Chesaning rushed for 349 yards and passed for 110 yards, while the Redwings' totals showed 131 yards rushing and 135 passing.

Bob Paksi gained 37 yards on 15 carries for St. Johns, Dwight Pierson picked up 56 yards on 11 carries, and Dale Feldpausch had 36 yards on 6 carries. Wilcox was 3-10 passing for 97 yards, and Penix caught 3 passes for 97 yards and the touchdown.

Defensively, Randy Trayer had 5 tackles and 4 assists, Jim Martens had 6 tackles and 1 assist, Zane Ballard had 7 tackles and 2 assists, Feldpausch had 2 tackles and 4 assists, and Scott Heibeck had 3 tackles, 1 assist, recovered 2 fumbles and intercepted 1 pass.

This Friday's Homecoming game pits the Redwings against Corunna in another MMB clash.

"We're disappointed — but 50 percent of teams are disappointed on a Friday night," Kjolhede said. "We'll rebound well."

Fowler harriers win

The Fowler boys' cross country team scored a 15-50 coup over Laingsburg in a CMAC dual-meet last week, paced by Troy Irrer who took first place with a new course record of 17:07.

Irrer, who claimed top honors at the Olivet Relays on Sept. 19 with a new school record of 16:18.7, is unbeaten in five races including two invitational wins.

Eagle girl harriers lost a close 24-31 decision to the Wolfpack.

The boys swept the top five spots in the dual contest including Irrer's first-place time. Other place finishers were Tim Becker, second at 18:02; Mike Feldpausch, third at 18:25; Kevin Hafner, fourth at 18:51; and Joe Klein, fifth at 19:26.

Fowler's girls were led by Lynette Feldpausch who finished second with a time of 22:03. Other point winners were Lisa Rademacher, fourth at 22:14; Rebecca Feldpausch, seventh at 23:13; Kristin Hoerner, eighth at 23:36; and Kelly Nobis, tenth at 24:08.

Coach Kim Spalsbury's Eagles are keying for a big dual meet with Bath tomorrow (Sept. 30) and the DeWitt Invitational this Saturday, Oct. 3. Both will provide top competition for the teams who are hoping to claim league titles this year.

P-W Pirates sting Bees 19-6 in CMAC

By RHONDA WESTFALL
Sports Editor

It took the Pewamo-Westphalia Pirate football team until the second half of their Central Michigan Athletic Conference game with Bath last Friday to wake up, but once they did — the Bees got stung 19-6.

"I was pleased with the outcome," P-W Coach Kurt Mable said, "but we've still got to get the kids to play a whole game. We do see improvement each week."

The Pirates posed one legitimate scoring threat in the first half, but a penalty moved them backwards and the drive died out.

"I guess the kids just weren't awake in the first half," Mable said.

Bath scored the only touchdown of the entire first half with 1:52 left before halftime. Bee quarterback Jeremy Spagnuolo hit Kurt Smith with a pass in the endzone on what some spectators saw as a controversial reception. Officials ruled the catch as complete, the point after attempt was no good, and Bath took a 6-0 lead into the lockerroom.

THINGS LOOKED different in the second half. The Pirates put together a "real nice drive," according to Mable, that culminated in a 10-yard scoring strike from quarterback Bill Schafer to Dean Harr. The extra point by Schafer was good, putting the Pirates on top 7-6 at the 5:47 mark of the third quarter.

P-W's second touchdown came midway through the

final period when Schafer went to the air again, completing a 29-yard pass to Tim Wieber. The kick was no good, making the score 13-6 in the Pirates' favor.

On the ensuing kickoff, Ken Schafer recovered a Bee fumble on the 30-yard line and the Pirates were off and running again. P-W marched downfield, taking the ball all the way to the 8-yard line when Schafer's pass was intercepted, turning the ball back over to the Bees.

Both squads were forced to punt on their next set of downs, and with :55 seconds left in the contest, Jason Spitzley picked off a Bee pass at the 17-yard line and ran it in for the score. The PAT was good, but a penalty called against the Pirates forced them to kick over. On the second attempt, the kick was blocked and the final tally on the scoreboard read 19-6.

THE PIRATES generated 222 yards total offense, gaining 159 yards on the ground and 63 in the air. Bath rushed for 96 yards, and picked up 50 aerial yards for a 146 yard total.

Individually, Wieber was the leading Pirate ground gainer, rushing for 106 yards on 21 carries. He also had 5 solo tackles and 6 assists from his defensive position.

Senior nose tackle Craig Thelen led P-W's defense with 6 solo tackles and 2 assists, Spitzley had a pass interception as did Todd Moore, and Schafer recovered the fumble.

P-W travels to Pottsville for another CMAC contest this week. The Pirates are 2-1, 2-2 on the year, while Pottsville sports a 2-1, 3-1 record.

"It should be an interesting tussle," Coach Mable said.

SJ cagers earn two big victories

The St. Johns girls basketball team scored a double-whammy last week, taking a close 67-57 decision from Chesaning in MMB play, and bombing DeWitt 61-22 in a non-conference Thursday night contest.

The victories puts the Redwings' record at 2-0, 5-1 on the year.

In Tuesday night's game at Chesaning, Coach Beth Swears' team took a slim 38-35 advantage into the lockerroom at halftime and was ahead by the same 3 point margin, 51-48, going into the final stanza.

Hot shooting and excellent defense by Kerry Porter allowed the Redwings to pull away from the Indians in the closing period. She tallied 9 of St. Johns' 16 fourth period points, leading the Redwings with 20 points, 11 rebounds, and 9 blocked shots.

Anne Brocker finished the game with 17 points and Krista Schrauben had 9 assists to go with 6 points.

The entire Redwing bench saw playing time in the game at DeWitt. St. Johns led from start to finish, shooting 46.4 percent from the field and a hefty 60 percent from the charity stripe.

The Panthers' record dropped to 0-6 on the season with the loss to St. Johns. The DeWitt team had trouble finding the basket, shooting just 25.9 percent from the field and 33.3 percent from the line.

Jamie Jones led the Panthers with 6 points.

Brocker paced the Redwings with 20 points and 8 rebounds, Porter had 9 points, Mindy Martinez ended with 8 points, and Monica Vasquez had 4 assists.

DeWitt's junior varsity defeated the junior Wings by a score of 49-38, while the St. Johns' freshmen squad earned a 58-48 win.

In the game at Chesaning, St. Johns' J.V.'s eked out a 39-38 decision when Lisa LaForest connected on a 3-point basket to pull the Redwings within 1 point, 37-38, with just four seconds remaining. A basket by Lisa Kirby with :02 on the clock gave St. Johns a 39-38 victory. The Redwing freshman team won 60-35.

The Redwings play host to Corunna tonight (Sept. 29) in an important MMB contest. They have Thursday night off.

Third trophy for SJ golfers

By RHONDA WESTFALL
Sports Editor

It's trophy number three for the St. Johns varsity golf team.

The Redwings traveled to Valley View Golf Course last week to take part in the Shepherd Invitational and came home with the Championship Trophy. That will go into the trophy case along with the Clinton County trophy and third place trophy from the Eastern Best Ball.

"We were very happy," Coach Paul Sternburgh said. "None of the boys had ever played the course before, so it was even more rewarding to play so well."

Senior Jeff Dean was medalist at the invitational, carding a 76 for 18 holes. He ended the day as the lone golfer to score in the 70's.

Paul Hughes and Paul Schneeberger each shot 83 for the Redwings and Todd Kiem carded an 86.

The invitational win made up for a conference loss which the Redwings suffered in a dual meet with Ionia on Sept. 22. The 155-158 Bulldog win puts the Redwings in the hole as far as the conference race is concerned. At 2-2 in the MMB, they must win their match with Corunna tonight (Sept. 29), win the conference meet this Saturday, Oct. 3, and hope Ionia finishes second in the league and Alma third to earn a three-way tie with the other two clubs.

"We were not unhappy with the way we shot in the

meet with Ionia," Sternburgh said. "Our team scored well, but Ionia took medalist honors with a 35 and that really hurt us."

Dean carded the best Redwing score at 37, Hughes and Schneeberger both had 39 and Tom Lewis shot 43 in the match.

In other action last week, St. Johns defeated DeWitt 162-167 with Lewis the medalist firing a 39.

The previous week saw the Redwings defeat Eastern 330-345 in an 18-hole match. Dean shot a 81 to claim medalist honors. At the Eastern best ball played at Groesbeck Golf Course on Sept. 16, St. Johns combined score of 145 gave them third place overall.

In league competition, St. Johns earned a 156-185 decision from Chesaning on Sept. 15 with Hughes and Schneeberger shooting 38's. The Redwings lost 156-167 to Alma on Sept. 17, despite Dean's 38 which gave him medalist honors once again.

Along with the MMB match with Corunna tonight, St. Johns will host a tri-meet with Owosso and Ovid-Elsie tomorrow (Sept. 30), play in a tri-meet with Sexton and Pewamo-Westphalia at Royal Scot on Oct. 1, and compete in the league meet at the Owosso Country Club on Oct. 3.

"We also have regionals coming up on Oct. 9 at EIdorado in Holt," Sternburgh said. "We will have to shoot well there, but I really feel that we have a good chance to qualify for the state meet."

ON GUARD — Redwing varsity basketball player Monica Vasquez guards the ball from a DeWitt opponent during the St. Johns/DeWitt game last Thursday. Coach Beth Swears' team scored big wins over both Chesaning and DeWitt in league and non-conference contests last week.

Eagles soar over Portland St. Patrick

The Fowler football team owned the turf throughout last Friday's Central Michigan Athletic Conference 47-0 win over Portland St. Patrick — especially in the opening quarter.

Coach Steve Spicer's Eagles struck paydirt three times in the first period to open up a big 24-0 lead.

Jeff Miller crossed the goal line for Fowler's first

touchdown, carrying the ball in from 38 yards out. The 2-point conversion pass from Matt Hufnagel to Tony Bertram was good. Hufnagel put more points on the scoreboard when he carried the ball in from 4 yards out, then completed the 2-point conversion pass to Don Simon.

Fowler's last touchdown of the period came off a 28-yard run by Miller. Hufnagel ran in the 2-point

conversion to make the score 24-0.

Third quarter scoring saw Simon score on a 3-yard run and Hufnagel pass for 2 points to Bertram, and Miller tally a TD off a 2-yard run while Jim Wohlfert kicked an extra point — for a change of pace.

The Eagles completed scoring in the fourth period when junior varsity player Jeff Armbrustmacher,

called up to play on the varsity, tallied a 6-yard TD and Ron Schafer ran the 2-point conversion in.

Miller, standing 5'5" and weighing 130 pounds, rushed for 154 yards on 14 carries. Hufnagel completed 3-8 passes for 28 yards, and defensively, Chad Theis picked up 8 solo tackles.

"It was Parents Night, and a good night to play a lot of different kids," Coach Spicer said.

Fowler faces stiff opposi-

tion when they meet Fulton this Friday, Oct. 2 in what could prove to be a key CMAC confrontation. Both teams are undefeated in the league at 3-0.

"Fulton has a fine backfield," Spicer said. "They remind me of the club they had a few years ago — and also of Maple Valley. They're hard runners and quick. I hope we can stay with them."

Game time is 7:30 p.m. on Fulton's home field.

P-W cagers strike early in big, lopsided wins

The Pewamo-Westphalia girls basketball team continues to steamroll over their opponents. The Pirates were easy winners over Central Michigan Athletic Conference teams Lainsburg and Bath last

week, defeating the Wolfpack 59-39 and the Bees 74-45.

The Pirates used zone pressure to put the stop on Lainsburg in Tuesday's game played on the Wolves' home court. The

Fulton squeaks by Potterville in CMAC

The Fulton football team kept their perfect record intact with a little score, 8-0, but a big win over Potterville in the Central Michigan Athletic Conference last Friday.

The victory gives Coach Randy Lark's team a 4-0, 3-0 record and sets up an early CMAC showdown when the Pirates meet Fowler this Friday. Fowler is also undefeated in league play at 3-0.

Last week's game at Potterville saw scoring begin and end in the first period. Fulton's Ben Burk scored on a 21-yard touchdown run near the end of the opening quarter. Burk also ran in the 2-point conversion attempt to give the Pirates all the points they would need.

Defensively, Fulton held Potterville to just 82 yards rushing and 58 yards passing. Tony Reeves had 10 tackles for the Pirates,

while teammates John Gallagher and Burk had 9 tackles each.

Fulton hosts Fowler in this week's conference clash. Kickoff time is 7:30 p.m.

O-E gridgers edged out 28-26

Ovid-Elsie gave it their best shot, but ran out of time and downs dropping a close 28-26 MMB football decision to Ionia last Friday. The Marauders' record stands at 0-2, 2-2 on the year.

The Bulldogs scored twice in the opening period off short yardage runs by Joe Herald, making the score 14-0 at the close of the quarter.

Coach Dennis Baratono's Marauders fought back in the second stanza with Jason McCreery completing a 7-yard pass to Nate Behrens to put O-E on the scoreboard. The TD capped a 25-yard, 7 play drive which was set up by a fumble recovery by Kary LeRoy. The option by McCreery made the score 14-8.

The Marauders took the opening kickoff of the second half and marched 67 yards in 11 plays to tie the game at 14-14. A 16-yard McCreery pass to Behrens gave O-E the touchdown.

Ionia came back to up the ante to 22-14 with a 3-yard touchdown by Herald and good 2-point conversion attempt.

Back and forth scoring in the final period saw O-E close the gap to 22-20 on a fine 65-yard touchdown ram-

ble by Wayne Kennedy, only to have Ionia return the favor midway through the period to make the score 28-20. The Marauders and Kennedy struck paydirt once more on a 30-yard run into the endzone to complete scoring at 28-26.

The Marauders stopped the ensuing Bulldog drive and took the ball downfield on a last scoring attempt but the clock would not cooperate.

McCreery was 6-17 passing for 101 yards and 2 TDs, Kennedy rushed for 118 yards on 9 carries and scored 2 TDs, and Rick Coleman gained 65 yards on 11 carries. Behrens caught 3 passes for 33 yards and 2 TDs, Chad Hitchens had 2 pass receptions for 45 yards, and Ryan Alexander snagged 1 pass for 25 yards. The Marauders totaled 322 offensive yards to the Bulldogs 271 yards.

Defensively, LeRoy intercepted a pass and recovered a fumble, while a variety of Marauders were in on tackles: Joe Komora (23), Mike Stoneman (10), Coleman (12), Paul Bremmer (8), Chris Good (8), Kyle Huss (7).

The Marauders are on the road again this week with a Friday night game at Alma.

Fowler cagers split pair in CMAC

Somebody send Fowler girls' basketball Coach Tom O'Rourke a "hang-in-there" card, please.

Nbt only did the coach have to sit through a dramatic 51-49 overtime win with Saranac and a tough 48-46 loss to Portland St. Pats last week — he had to make it through four a.m. feedings with new son, Patrick, to boot.

Oh, the luck of the Irish. The Eagles only had 8 girls suited up to begin the game with Saranac and by the end of the CMAC affair, one had fouled out and four of the five remaining players on the floor had four fouls each.

The dramatics began at the 10 second mark prior to the end of regulation play when Marcy Sillman stole the ball on a Saranac inbound pass and dished it off to Mary Jo Simon who was fouled with just :02 remaining. She made both ends of the 1-1 to tie the game at 44-44.

Fowler connected on 2 quick baskets in overtime to take the lead, while Saranac's 3-point attempts all fell short of the mark.

Simon paced the Eagles with 21 points and 7 rebounds, Mary Kay Jandernoa had 14 points and 8 rebounds, Sillman had 10 points and 8 rebounds, and Sherine Rowell cleared the boards of 7 rebounds.

The Thursday night game played in St. Patrick's "pit" saw Fowler commit 23 turnovers and the Shamrocks 21 in the course of the game. The clubs were evenly matched in rebounds — 32 each — but St. Pats had the edge on offensive boards, claiming 16 to the Eagles' 10.

"We didn't screen out well on offense," Coach O'Rourke said, "but otherwise we were very pleased with the girls' play. St. Pats is a tough place to play ball."

Sillman had 10 points and 6 rebounds, Simon also had 10 points, Jandernoa had 9 points, and Rowell ended with 8 points.

The Eagles (4-2, 2-1) host Fulton in a CMAC game tonight (Sept. 29), and take on Mt. Pleasant Sacred Heart in a non-league game on Thursday.

P-W Pirates of the Week

By P-W reporters
Dawn Simon and
Shari Martin

Seniors Stephanie Schmitz and Tom Thelen have been chosen as Pewamo-Westphalia High School's Pirates of the Week.

Stephanie, daughter of Raymond and Wilma Schmitz, has shown leadership with the band as the drum major over the summer and during the marching season. She also worked during the summer in the high school office.

She enjoys acting and watching plays and musicals, singing, marching with the band, swimming, and going out with her friends.

Tom, son of Mike and Pat Thelen, was chosen because of his outstanding leadership on the Pirate Log in journalism class. He was the top accounting student last year and was chosen as the 1987-88 editor of the Pirate Log.

Hunting, fishing, and trap-shooting are activities that Tom enjoys.

No Matter How They Disguise It, The Other Places Only Cover The Muffler.

BUT WE GUARANTEE THE ENTIRE EXHAUST SYSTEM - FOR LIFE!

LIFETIME SERVICE GUARANTEE

LIFETIME MUFFLER SYSTEMS

You can get a muffler guarantee anywhere. But we're the only ones with a free lifetime guarantee on our entire exhaust system. We cover things like the pipes, the resonator and attaching parts, the catalytic converter, and of course, the muffler.

We'll install your complete exhaust system for one low price, and if any of the parts we've installed ever need to be fixed, we'll do it free. Free parts. Free labor. For as long as you own your Ford, Lincoln, Mercury car or Ford light truck.

The best costs no more than the rest. Here's just one example: Ford Escorts 1981 - 1987 just **\$89⁹⁵ installed** includes labor & all parts from converter back.

Ask us for a copy of our guarantee - it's free - and so are our estimates. See how little it costs to have your entire exhaust system taken care of...for life.

Roehl lines Alfalfa hay

By Giles Roehl

This time of year, farmers always wonder when they can cut their alfalfa hay. If alfalfa is flowering in late September or early October in the third cutting, go ahead and cut it for hay or silage.

Alfalfa will have stored its food in the roots and should survive the winter well.

In the southern half of lower Michigan, many dairy farmers are using a four-cut system — late May or early June for the first cut, July 5-10 for the second cut, and Aug. 10-25 for the third cut. The fourth cut has grown four to five weeks after cutting in mid-Aug. and should not be cut until after Oct. 15.

Cutting anytime after mid-October will not hurt the plant — under a four-cut system in southern Michigan or any cutting system in Michigan. This gives the plant adequate time to store food reserves until mid-October.

There will be very little re-growth after mid-October. This is important since alfalfa uses food reserves for the first two or three inches of re-growth

after cutting in warm weather — but not in late October when there is almost no re-growth.

After fall cutting, apply potassium to increase winter hardiness and improve yield next year.

A soil test is best but, without a soil test, use 300 to 400 pounds per acre of 0-0-60 (180 to 240 pounds potassium or potash) per acre applied anytime this fall. That is adequate for a four to six ton yield next year under favorable conditions.

If the soil tests low in phosphorus or if phosphorus hasn't been applied for two or three years, use about 500 to 600 pounds of 0-14-42, 0-11-42 or similar analysis high in potassium.

Boron at two to three pounds per acre may be helpful on coarse-textured soils such as sandy loams or loamy sands. But the key for high yields is potassium.

Giles Roehl is the director of the Clinton County Cooperative Extension Service.

One day at a time Under pressure

By Phyllis Roehl

Q. You seem to talk about all stress as bad. Can't some good things also come from it?

A. Yes! Much is being said and written about all the negative effects of stresses. It's even become a multimillion dollar business. But we focus too little on the positive side and effects of stress in our lives.

Something that causes us to change our way of thinking about things, how we do things, or how we relate to someone or something can be stressful, but in a positive way.

Change can be challenging, stimulating, and motivating. It can help get the adrenaline pumping to help us get through an otherwise rough situation very well. Change can be very positive.

Progress is another positive effect of stress. If there were no changes, we might still be in the stone age.

Creativity and invention are also positive effects. Think of what we would have lost without the creativity of ancient Greece, of DeVinci and his contemporaries, of Shakespeare, Handel, and Bach, to name a few. How would we be farming without the inventions that began just after the Civil War or the whole Industrial Revolution in America?

How would we grow and survive, both personally and nationally, without some stresses to force us to change, without problems to test our strength of character?

Athletes tell how they "psych themselves up" for a game or meet. This is just a process of turning the stress they feel or need to feel into increased energy and endurance for the competition they face.

All of these are ways we use stresses in a very positive way in our lives. We need it and should welcome some of the changes that come into our lives.

But it's so often how we view a situation — our perspective — that determines whether that situation becomes a positive or negative one for us.

Similarly, we can let a very positive change, something like a promotion, move, or change in personal relationships, become a negative force in our lives if we lose sight of the goal for which that change was made.

Too often we then let these ways of looking at things

color the situations. We forget to see the challenge in a situation that requires us to change in some way.

I once heard the statement, "a hero is just an ordinary person who put fear to work." That may very well sum up how to handle times of change that frighten us. We need to teach ourselves to welcome many of the changes that come our way before they have a chance to overwhelm us.

Thought for today: You can't keep trouble from coming, but you needn't give it a chair to sit on.

Phyllis Roehl is the rural outreach worker for Clinton County.

Clover clippings 4-H contest

By Theresa Silm

Over 30 Michigan 4-Hers participated in the second annual State 4-H Fish, Wildlife, and Environmental Skills Contest held recently in Lansing.

Clinton County 4-H members who participated were Tresa Dault, Derek Dault, Carrie Schultz, and David Schultz.

In this contest, county teams traveled over a challenging orienteering

course. At points along the course, team members answered questions concerning fish, wildlife, and environmental processes. The course is designed to test their natural resources knowledge and to increase their environmental awareness. The eight county teams in the contest took up to one and a half hours to complete the 1987 course.

"This new contest pro-

vides Michigan youth the opportunity to test their fish, wildlife, and environmental skills in a unique outdoor setting," says Theresa Silm, Clinton County 4-H Youth agent. "These youth also have the opportunity to have fun and to meet 4-Hers from other areas of the state."

The first place team from Montcalm County received a team set of field guides and wildlife shirts. The second place team representing Livingston County received wildlife patches. Every contest participant was awarded a wildlife decal and a certificate of participation. Prizes were supplied by the Living Resource Program of the

Michigan Department of Natural Resources and Michigan 4-H Youth Programs.

The event was hosted by the Department of Fisheries and Wildlife at Michigan State University and by Michigan 4-H Youth Programs. This contest is part of the 4-H Natural Resources and Environmental Education Project area.

Theresa Silm is the 4-H Youth agent for the Clinton County Cooperative Extension Service.

Charlie's Gang to meet

By MICHAEL JOHNSON
4-H Club Reporter

Achievement Night for Charlie's Gang 4-H Club is planned for Tuesday, Sept. 29, at 6:30 p.m. at the Riley School gym.

The evening will begin with a potluck dinner for everyone. Bring a dish to pass and your own table service. Beverages, rolls, and butter will be furnished.

Following the dinner there will be a special program recognizing the accomplishments of each of the club members this past year. Members will receive pins and certificates, trip winners will be announced, and leaders who have worked with

Charlie's Gang this year will be recognized.

This is a special night for 4-H members in Charlie's Gang. Members and their families and leaders are encouraged to attend.

Pump Installations and Repairs are a job for Certified Pump Installers

Looking for a pump for a new or existing water well? Or do you just need some repair work on your present one? If the answer is yes to either one, your next move should be to call a certified pump installer. Each certified installer has been tested by the National Water Well Association on his ability and knowledge to install, troubleshoot, and repair water pumps. Only those who have successfully completed the examination are permitted to display the symbol of a certified drilling contractor. Look for the emblem of confidence. Call this certified pump installer.
