Penelope Toop (Barbara Rann) and Clive Winston (Steve Hopko) are reenacting a fight in a USO tour together many years before when Miss Skillon walks in and thinks Clive is Penelope's husband. As she bends over to see, Penelope's make-believe swing at Clive lands on Miss Skillon's jaw. This scene is in Act I of "See How They Run," the First Nighters' play scheduled next Thursday and Friday.

Miss Skillon, somewhat inebriated and recovering from a punch in the face, is being comforted by the Rev Lionel Toop (played by Eugene Livingston) after he found her unconscious. Ida, Rev Toop's maid (played by Anita Masterson), enters and thinks she has caught the two in a love scene. What follows is humorous confusion in the second act of "See How They Run," the First Nighters' first production.

## First Nighters' rehearsals are nearing end

by PATRICIA HOLMES

Nearly two months of rehearsal is nearing an end as the First Nighters prepare for their Jan. 21 and 22 production of Phillip King's "See How They Run."

The English farce will be the first presentation of the First Nighters, who officially became St. Johns' little theatre group last February.

The idea for a theatrical group was first suggested to Roger Kowalski, recreation director, when he asked for suggestions about a new activity for the recreation department. The suggestion was made by Mrs. C. W. (Doris) Cramer who will direct the first presentation.

"I knew that a theater group would involve persons from all walks of life," she said. "It is something that professional persons, farmers, housewives, and even students can partake in," Mrs. Cramer said.

ON HAND TO HELP organize things was Melvin Harr of the Lansing Civic Players. He is a member of the Association of Little Theaters for the State of Michigan, whose functions include helping such groups get started.

Officers of the First Nighters are Roy Brisendine, president; Doris Cramer, vice president; Donalee Williams, secretary; and Wayne Hicks, treasurer.

Mrs. Cramer said that the public displayed a lot of interest in the group from the beginning. Since a membership drive, which was held Dec. 18 and 19, the First Nighters have 60 members.

Soon after the First Nighters received approval from the city council to begin, a play committee was selected. Several plays were read before "See How They Run" was decided upon.

Mrs. Cramer said that the play was chosen, first, because it only had one setting. The First Nighters had no finances and had to be underwritten by the city. "We hope that after our first production we can be self-supporting," she said. The second reason for choosing this particular play is because all concerned thought that the first presentation should be a light comedy.

THE PLAY, WHICH takes place in an English vicarage, involves an American actor who is stationed with the air force in England and an American actress, a cockney maid who has seen too many American movies, an old maid who "touches alcohol for the first time in her life," four men in clergyman's suits presenting the problem of which is which, for disguised as one is an escaped prisoner, and another, a sedate bishop aghast at all these goings on and the trumped-up stories that are told him.

Mrs. Cramer, who will be directing the play, and her assistant, Mrs. Manning (Hila) Bross, both have professional theater backgrounds. Mrs. Cramer traveled with a road show unit for radio station WHO out of Des Moines, Iowa. With them she played a lead comedy role throughout northern Iowa and southern Minnesota for three years. She has directed various community plays and retains an active interest in the field.

MRS. BROSS ENTERED THE professional theater at the age of nine when she began traveling with family tent shows during the summers. The Hila Morgan Co. and the Monroe Hopkins Players were both managed by aunts of Mrs. Bross, and she traveled with

them throughout the midwest and southern United States. She has directed and acted in various amateur theatricals since she came to St. Johns.

The directors faced all the usual problems of production, but the biggest was finding someone who could play the maid with a cockney accent. Some probing led them to Anita Masterson, an exchange student from the village of Wraybury in Buckinghamshire County, England, which is about 20 miles from London. She is a senior at St. Johns High School and is presently residing with the Earl D. Creese family.

Joan Davidson, who plays the tipsy old maid, is a graduate of Ferris State College and had the lead in the play, "Outward Bound." Eugene Livingston, who plays the Reverend Lionel Toop, is a graduate of St. Johns High School. There, he played the lead role in the junior play, "Our Miss Brooks," and in the senior play, the part of Sir Lancelot in "Connecticut Yankee."

ANOTHER MEMBER OF THE cast with extensive theatrical background is Terry Foster, who will play a British sergeant. Foster worked with the Community Players in Sheboygan, Wis., the Elinor Bush Little Theater and the Goodman Summer Theater.

Other cast members with amateur experience are Barbara Rann, Steve Hopko, James Moore, Henry Dellar and Wayne Hicks.

Robert LaBrie is set designer and Richard Carmack will do the lighting.

Marlene Thompson, Loi DeGroot and Donalee Williams are in charge of costumes. Handling properties are Maridell Nelson, Rosalie Ludwick, and Judy Reese. Stage hands are Roy Brisendine, Roger Kowalski, Robert Brock, and Dick Steffens. Terry Foster and Dick Hayman will provide the sound.

IN CHARGE OF TICKETS are Jean Cox, Donalee Williams, and Judy Reese. Dora Parker, Jean Cox, Ramona Harper, and Teresa Sisson are in charge of make-up.

Ushers for the two evenings will be Maxine Brisendine, Doris Hicks and Joan Hudson. Prompters are Marilyn Steffens and Teresa Sisson.

Sheila Brock is in charge of publicity, programs, and art display. Working with her on publicity are Steve Hopko and Terry Foster. Carl Ludwick is assisting her with the programs.

Music for the production, which will take place Jan. 21 and 22, at 8 p.m. at Rodney B. Wilson High School, will be provided by Donalee Williams on the organ.

## Name top area young farmer, service winner

Awards for the outstanding young farmer and distinguished service to the St. Johns community were presented Tuesday night at a meeting of the St. Johns Jaycees, sponsors of the contests.

Eugene Havens of 1850 W. French Road, St. Johns, was named Clinton County's Outstanding Young Farmer for 1964.

William McCarthy, 306 E. McConnell Street, was given the distinguished service award.

Havens was chosen for his award on the basis of his dairying and management accomplishments and the progress he has made in his farming operations. He has been farming all his life, starting in partnership with his father-in-law.

Now also in partnership with his brother-in-law, Havens is involved in a 400-acre farming operation, concerned mostly with dairying but also with some beef and cash crops. He is a New Holland implement dealer.

HAVENS WAS picked for the award by a committee consisting of F. Earl Haas, George McQueen, Lloyd Campbell, Ray Ebert, John Rumbaugh and Don Bast, chairman of the Jaycees' OYF committee.

McCarthy, who is president of the Jaycees, was chosen for the distinguished service award by a committee composed of B. Stanley Pocus, Don Gilson, Dr. C. W. Lumbert, Father John Young, Bernard Feldpaush, and Jerry Williams, chairman of the committee.

McCarthy WAS chosen on the basis of replies from letters sent to churches, industries and organizations, asking for nominations. He was recently named to the St. Johns Board of Education. He is a member of the Methodist Church, where he is secretary-treasurer of the board of trustees and chairman of the education commission of the church.

McCarthy is employed by the Michigan Department of Agriculture, Dairy Division.

THE TWO annual awards were made at the Jaycees' Bosses' Night program Tuesday at Daley's Restaurant.

## Holstein Assn. meet Saturday

The annual meeting of the Clinton County Holstein Assn. will be held this Saturday at Smith Hall in the city park at St. Johns.

A potluck dinner at noon will open the meeting. Milk, ice cream and coffee will be furnished by the association.

There will be a business meeting and program following the dinner. Jim Day, field man, will be present. Members of the association are urged to pay state and county dues at the meeting, as they must be paid through the local secretary this year.

ANY FARMER or 4-H member who is interested in registered Holsteins is invited to attend, according to George J. Hazle, secretary.

## County bank deposits up \$3.3 million

Deposits in Clinton County bank rose a whopping \$3.3 million during 1964, according to a year-end survey completed this week by the Clinton County News.

The more than 10 per cent overall increase in deposits was shown on Dec. 31 statements for the county's five banks. Total deposits on that date were \$31,340,496 — an increase of \$3,314,609 over the Dec. 31, 1963 figure.

It was the 14th consecutive year that deposits in county banks have climbed to new highs. This year's total represents an all time record and is more than double the first postwar year of 1945.

HERE IS the total of deposits in Clinton County banks as of Dec. 31, 1964:

Clinton National Bank . . . . .	\$18,573,039
Central National Bank . . . . .	4,161,844
Fowler State Bank . . . . .	3,816,996
Woodruff State Bank, DeWitt . . . . .	2,186,851
Westphalia Branch, Maynard-Allen Bank . . . . .	1,601,766
<b>Total . . . . .</b>	<b>31,340,496</b>

A 20-YEAR summary of year-end totals in bank deposits in the county appears below:

1964 . . . . .	\$31,340,496
1963 . . . . .	28,025,787

(See DEPOSITS Page 2-A)

An escaped Russian spy (Jim Moore) holds a gun on members and visitors to the Toop household in this scene from Act III of "See How They Run." Held at gunpoint are, left to right, the Bishop of Lax (Henry Dellar), police sergeant (Terry Foster), Rev Toop (Eugene Livingston), Penelope Toop (Barbara Rann) and Rev Humphreys (Wayne Hicks).

**Slate California travelogue film**

LeRoy Crooks, travelogue lecturer and photographer, will present his film, "The World of California" next Wednesday at 8 p.m. at the Clinton Theater. He will appear on the "Travel and Adventure Series" sponsored by the St. Johns Lions Club.

Crooks, professional photographer and commercial film producer, is no newcomer to the travelogue platform. During the late 30s and early forties he traveled with his adventure films, "Captain Kidd's Gold" and "America's Heritage."

His World War II years were spent in the Navy as a specialist photographer with the Photo Branch of the Office of Strategic Services. His duties were split between Washington, D.C. and Hollywood, Calif., where he was stationed at 20th Century-Fox Film Studios.

ATTACHED TO California Institute of Technology, Crooks was part of a small team filming tests on the then-infant, and highly secret, rocket project. Twenty years later he photographed the launching of our nation's mightiest rocket—the giant Saturn at Cape Kennedy.

Returning to civilian life after the war was also a return to commercial film production, rather than to the travelogue field. His own independent production company has produced more than 200 subjects, and he made his headquarters in Florida. He has now

returned to the travelogue field with his "The World of California."

"THE WORLD OF California" is an all-color travelogue of a land where nature has spread her bounty in lavish splendor, some of which man has wisely set aside in four national parks. It is a land where the desert drops to more than 200 feet below sea-level and in less than a hundred miles rises majestically to more than 14,000 feet to snow-capped beauty.

California is a land where the trees are bigger, the coastline more rugged and where lush valleys are carpeted with a rainbow of wildflowers in springtime. It is a big land where man has built his towers and freeways, ghost towns and Disneyland.

CROOKS HAS included many interesting sequences in this production, including Lassen Volcanic National Park, Kings Canyon National Park, Sequoia National Park and Yosemite National Park; plus—Death Valley, Mount Whitney, Lake Arrowhead, Lake Tahoe, Spanish missions, Los Angeles, and San Francisco.

Proceeds from the Lions' travelogue series go toward Lions charities. These include Wolverine Boys State, Leaders Dogs Inc., Welcome Home for the Blind, purchase of glasses, white cane and other equipment for the blind in Clinton County, distribution of toys to children of needy families and support of the Clinton County Association of Retarded Children.

The film next Wednesday will be the third in a series of six travelogues. The next will be

**Courthouse 'family' split up**

Some of the "family" moved out of the courthouse over the weekend!

The offices of the county zoning administrator and the county nurse were moved to the education building at 106 Maple Street, west of the courthouse. The prosecuting attorney also has his office there, and soon the civil defense office will move there, too.

REMODELING of the downstairs for the new offices is all but complete, although it will be several days or more before everything is done and all of the offices are in shape.

The vacating of the office spaces in the courthouse will provide room for new office requirements. (The space in question is the center block of offices on the main floor.) The friend of the court will have offices where the county nurse was before, leaving the circuit court assignment clerk with the whole office on the east side of the courtroom on the second floor.

THE ZONING office space, and within a week the civil defense office space, will be taken over by the county equalization director, a new position that has been created by the county board. No director has yet been named, but one is expected to be soon.

State law will make an equalization director mandatory by 1966, but Clinton County is planning to hire one soon so that he may work with the reappraisal crews now in the county.

Appraisers everywhere so don't be suspicious

If you see a man looking over your house from a car, or someone measuring on your property in St. Johns, don't be alarmed. There are four groups of people conducting property surveys in the city these days.

City assessor Donald Clark said Friday that "suspicious men" probably are legitimate. They're probably from one or the other of the following:

- H. L. YO Co., which is conducting a reappraisal of property in Clinton County and who will soon be working in force in St. Johns.
- State Tax Commission, which is making a spot check of about 10 per cent of St. Johns property to see if property values are judged reasonably close.
- Villican-Leman and Assoc., hired by the city to make urban renewal plans.
- City assessing department.

CLARK SAID the Yo Co. is making spot surveys now in preparation for their main reappraisal work in about a month. The appraisers will each carry a letter of introduction signed by the county clerk, Paul Wakefield, and the chairman of the board of supervisors, Charles Coletta. The men will ask to see the inside of the home to check construction features only, and residents are asked to give their cooperation to the men.

Where persons are not at home, the Yo Co. will leave call-back cards, including blanks for information they need to know about the inside of the home. Failure to allow the men into the home or refusal to provide the information could result in a high appraisal if the appraiser has to guess at what's inside.

THE STATE TAX Commission people will not be doing any inside work. The urban renewal engineers will be working only in the downtown and near-downtown area.

This is the time of the year when the city assessing department does much of its outside work, and Assessor Clark and others working for him will be at work around town. Only on new houses or those for which they don't have records will they need to do any inside inspection.

CLARK SAID that he and his men will measure additions to houses but will not need to inspect the insides. They may or may not knock on the doors before doing the measuring, depending on whether it looks like there is anyone at home.

All of the groups of men will be doing their work during the daytime hours, and none of the activity will be at night.

**School vote today not on annexing**

A story in last week's Clinton County News concerning an election in Greenbush School District No. 10 (Marshall) was in error.

There will be an election in the district today (Thursday), but it won't be an annexation to the St. Johns school district, as was reported last week. The election, instead, will be for approval of the sale of a parcel of land no longer required for school purposes.

The property in question is described as being near the burned out Marshall School — "1/2 of land, SW corner of SE 1/4 of NE 1/4 of Sec. 17-8-2."

ST. JOHNS SCHOOL officials, in response to a number of telephone calls to their office and to the county school office, are clarifying a paragraph in last week's story concerning rural junior high students coming into school in St. Johns.

This will be only after the rural building programs are completed, they pointed out. Several years will likely pass before new buildings are completed for the rural grade schools, and until then all rural schools will operate as they are at present.

JUNIOR HIGH school students will eventually come into St. Johns, but not next fall.

**Crash near Eagle kills mother of 6**

A Clinton County mother of six children was killed Sunday on dusty State Road in the southwest corner of the county when two cars collided head-on.

Mrs Joann L. Morgan, 28, of R-1, Grand Ledge, became Clinton County's first traffic fatality of 1965. She was a passenger in a car driven by her husband, Kenneth, 28.

THE MORGAN car collided head-on with an auto driven by Donald A. Keblor, 45, of 327 E. Jefferson Street, Grand Ledge. He was injured, as was his wife, Yelma, their 10-year-old son Steven and Frederick Tebbets, 17, of R-1, Eagle.

Morgan suffered cuts and bruises. His wife was thrown against the windshield by the impact and died of a skull fracture and broken neck.

THE PERSONS in the Keblor car were taken to St. Lawrence Hospital in Lansing. Keblor suffered face cuts and a broken nose, and his wife sustained scalp cuts. They have been released from the hospital. Steven was listed in "fair" condition there Tuesday afternoon with a concussion. Keblor suffered a shoulder separation. He was not a patient.

The crash occurred on State Road, west of Grange Road. Witnesses said traffic on the road

created clouds of dust which hampered visibility.

MR AND MRS Morgan were on their way to Ionia to attend a benefit party at the National Guard Armory. Morgan is a second lieutenant in the Guard.

Mrs Morgan was born May 11, 1936, at Grand Ledge, the daughter of Keith and Louise Pierce. She was a 1955 graduate of Grand Ledge High School and a member of the Trinity Episcopal Church of Grand Ledge.

SHE IS survived by her husband; two daughters, Cheryl 2, and Mariann 4; four sons, Kenneth Jr. 8, Michael 7, David 6 and John 1; her parents of Grand Ledge; three brothers, John Pierce of Ithaca, Barry Pierce of Lansing and Guy Pierce of R-1, Grand Ledge; two sisters, Mrs Rita Priebe of Pontiac and Miss Kay Pierce of R-1, Grand Ledge; her paternal grandfather, John Pierce of R-1, Grand Ledge, and maternal grandparents, Mr and Mrs Lee Simonds of R-1, Grand Ledge.

Funeral services were held Wednesday at 11 a.m. at Trinity Episcopal Church in Grand Ledge, Father Edwin Batchelder officiating. Burial was in Oakwood Cemetery, Grand Ledge. Arrangements were by the Peeters Funeral Home.

**Liquor licenses awarded**

The city commission tackled the rough job of handing out liquor licenses last Tuesday night, and three of the four available were awarded.

The other was held back, Mayor Jack Smit said, as an inducement for a new restaurant in the city. The commissioners pointed out that the extra Class C license would not be held indefinitely, just long enough to get some reaction.

THE OTHER three licenses were awarded to Don Mazzolini (Bruno's Wonder Bar), Jim and Rosemary Nuser (The Roadhouse), and Henry Pewoski and Henry Skopek (H & H Lounge).

Mayor Smit told the tavern owners—who were all in attendance at the meeting Tuesday—that he realized there would be some hard feelings since there were five taverns and only three licenses being given. But he pointed out the commission had no choice but to disappoint someone.

OTHERS WHO applied for the license were Frechen's Tavern and the Club Bar.

In Bingham Township, the township board approved a liquor license for Daley's Restaurant.

In the case of both the township and city, final approval of the Class C liquor licenses will be made by the State Liquor Commission. Resolutions were passed by the town board and the city commission for submission to the liquor commission. Their final action is still pending.

THE OWNERS of the new licenses have all reported they have some remodeling and expansion plans in mind but are waiting until final approval of the licenses before going ahead with those plans.

**Communism is topic of Rotary speaker**

"An Analysis of Communism" was the topic of an interesting talk delivered to the St. Johns Rotary Club Tuesday noon by the Rev. Monte Burns of the Breckenridge Methodist Church.

The speaker was introduced by Dr. Howard Smith, program chairman for the meeting.

**City files suit to recover Ice Pond assessment**

The City of St. Johns has filed suit against the Clinton County treasurer and the county drain commissioner to recover assessments paid under protest for the defunct Ice Pond Drain.

City Atty. Harold Reed filed the action in Clinton County Circuit Court. It seeks to recover \$1,765.64 from the county treasurer, the amount paid under protest as the city's share of costs on the drain before work on the drain was stopped.

THE SUIT also asks that the drain commissioner be cited for contempt for spreading the assessments, that this was in violation of a court injunction preventing "any further action" on the Ice Pond Drain.

The suit against the treasurer is a matter of course, Reed pointed out. The real contest is whether the drain commissioner's action was legal.

BACK IN August, the county board of supervisors authorized — by a 10-9 vote — the drain commissioner to spread the costs of the drain to the drainage district. About \$6,000 in costs had accumulated before a court injunction last June stopped work on the drain.

The city's supervisors voted against the August decision, claiming that the costs should be spread on the county at large. St. Johns residents would pay only about \$800 of the cost in county taxes, Reed said, rather than the \$1,765 if the assessment was made against the drainage district.

REED SAID THE defendants in the suit have until Jan. 24 to answer the charge. If it goes to trial, Reed said it probably wouldn't be before summer and that it would be before a visiting judge. The resident circuit judge, Leo Corkin, sat in an earlier legal consultations concerning the Ice Pond Drain and thus could not hear the case, Reed said.

### 'Shrew' Bard's robust comedy

Shakespeare's "The Taming of the Shrew" will be staged by Michigan State University's Performing Arts Co. on the stage of the Rodney B. Wilson High School auditorium Jan. 28. The high school English Department is sponsoring the appearance.

"The Taming of the Shrew" is one of Shakespeare's most robust comedies. It tells of the madcap Petruchio, played by Fredric De-

Santis of Grosse Pointe Woods, and the various trickeries and techniques he uses to tame the unwily shrew, Katharine, portrayed by Chilton Cunningham of Ann Arbor.

This popular play by Shakespeare is the main plot source for the favorite musical, "Kiss Me Kate." Dealing with a popular theme, that of a man's attempt to control his woman, audiences of both yesteryear and today are greatly entertained by the antics of Petruchio as he tries to outwit Katharine in "The Taming of the Shrew."

## Zoning map, regulations would control land uses

The zoning map and district regulations of a zoning ordinance go hand in hand to control land uses within a community. They're included in the proposed new zoning ordinance which will be presented before too long to the St. Johns City Commission.

The ordinance and map will be presented at a public hearing Jan. 28 by members of the St. Johns Planning Commission. The hearing will be held at the city building. A copy of the ordinance to look at is available for inspection at the city library or from the city clerk.

IN THE meantime, the planning commission has these words of explanation about the proposed zoning map and district regulations:

The community controls land use within its boundaries through the map and district regulations of the zoning ordinance. The zoning map sets the pattern of land uses within the community. It is based on the city's best possible use of land consistent with the goals of its Community Development Plan and attempts to reduce the conflicts between incompatible land uses.

THE DISTRICT regulations complement the map. The regulations of the proposed St. Johns Zoning Ordinance are divided into 10 categories which correspond to the 10 types of districts shown on the zoning map. These districts for the most part fall into three general classifications of land use: residential, commercial and industrial.

The zoning ordinance proposes the following three residential districts:

**R-1 LOW Density Residential**—It is the purpose of this district to encourage a predominance of dwelling structure located on individual parcels of land housing only one family or household group. The requirements for this district are designed to protect and stabilize the essential character of these areas and to promote and encourage a suitable and safe environment for family life. Uses permitted include one family

dwelling, certain home occupations, schools, agriculture, religious institutions, golf courses and other open space.

**R-2 Medium Density Residential**—This district is applied to those areas within the city which are particularly suitable for a higher population density by virtue of location, present development, availability of public services, or traffic facilities. Uses permitted include all those in the R-1 district, and two-family dwellings.

**R-3 HIGH Density Residential**—This district is applied to those areas within the city which are particularly suited for higher population density because of their central location, present high density development, and high degree of public services and transportation facilities available. Uses permitted are those of the R-2 district, and multiple family dwellings.

#### 3rd of 4 articles

The commercial zoning regulations of the ordinance are structured to meet the shopping needs of the city's residents, the surrounding county residents, and suitable highway trade. There are three commercial districts:

**NS NEIGHBORHOOD Service District**—The neighborhood service district has been structured specifically to accommodate those retail sales and services that are considered to be essential to the functions of residential neighborhoods. Typical uses permitted are shops and stores for the sale of books, beverages, drugs, foodstuffs, notions, and tobacco; banks; doctors' and dentists' offices; restaurants; and gasoline service stations.

**GC General Commercial District**—The purpose of a general commercial district is to accommodate those business activities that typically require large areas of off-street parking, and are potential obstacles to an efficient, convenient neighborhood service or central business district. Permitted within the district would be such uses as all retail sales, motor vehicle and large machinery sales and repairs, drive-in businesses, motels and hotels, and warehouses.

**CBD CENTRAL Business District**—This district is designed to provide for a variety of retail stores and related activities and for office buildings and service establishments which occupy the prime retail frontage in the central business district, and which serve the comparison, convenience, and service needs of a consumer population well beyond the corporate boundaries of St. Johns. Uses included within the district are the whole range of retail and service functions, professional and government offices, library, museums and off-street parking facilities.

There are two industrial districts which provide for the industrial activities necessary to keep St. Johns economically strong. These two districts are:

**I-1 INDUSTRIAL, High Performance Standards**—This district is intended to accommodate industrial uses, as well as those uses directly serving industrial uses, which generate a minimum of noise, glare, odors, dust, vibration, air pollution, fire and safety hazards, and emit no potentially harmful or obnoxious matter or radiation. Uses include any industrial operations which comply with the standards above, public utility and public service uses, contractors' offices and shops, and truck or rail freight terminals.

**I-2 Industrial, Liberal Performance Standards**—This district is established to provide location and space for those activities which necessarily require extensive open storage of materials and goods and/or outdoor production, processing, cleaning, testing, or repair. Uses permitted are all those permitted in the I-1 district and any use requiring open storage, outdoor production, processing, cleaning, testing and repair.

IN ADDITION to the above three general types of districts, there are two other districts which do

Richard L. Devereaux, 28, of R-1, Fowler, was fined \$85 plus \$19.90 costs by Municipal Judge Alba Wert on a charge of driving under the influence of liquor.

not fit into any neat classification. They are:

**O Office**—The O district is intended to facilitate the development of the highest standard of office and allied functions consistent with the aims of the people of St. Johns as expressed in the Community Development Plan. Uses permitted include

business, medical and government offices, the offices of non-profit organizations, and all those uses permitted in the residential districts.

**P OFF-STREET Parking**—This district is established in order to provide for flexibility in the provision of off-street parking facilities for non-residential

uses in certain locations, to protect residentially zoned land from undesirable influences from automobile parking operations, and to facilitate the transition between residential and non-residential uses. The uses permitted are parking and signs essential for the operation of the parking facility.

Included within each set of district regulations are provisions for the control of building height, lot coverage, yard space, and so forth. These provisions insure adequate amounts of light and air for all property owners. To encourage development flexibility, special uses are permitted in

some districts if these special uses satisfy certain minimum conditions.

"THE ZONING ordinance, then, serves as the day-to-day guide for development decisions being made within the community," the planning commission summarized. "It attempts to arrange land uses so they will be compatible with each other and be conveniently served by the city's road system."

"If the spirit of the zoning ordinance is followed, a more pleasant living, shopping and working environment in St. Johns will result," the commission said.

MRS RONALD D. LYON

Schoals-Lyon united in evening ceremony

DeWITT—Nuptial vows were spoken by Miss Adella Anne Schoals, daughter of Mr and Mrs William Miles Schoals of 10422 South Krepps Road, DeWitt, and Spe. 4 Ronald D. Lyon Saturday, Jan. 9, at 7:30 p.m. at the DeWitt Community Church. Rev Daniel Keln officiated.

Parents of the bridegroom are Mr and Mrs Virgil D. Lyon of R-1, DeWitt.

The bride was escorted to the altar by her father. She was wearing a gown of dulcet satin and re-embroidered Alencon lace. The portrait neckline was edged by lace and pearl scallops, and the three-quarter-length, lace sleeves ended in scallops, applied to a band of satin. Lace covered the fitted bodice. Attached to the A-line skirt was a chapel train, on the middle of which was applied a pearl-trimmed, lace medallion. A Swedish crown of deep scallops, trimmed with pearls and aurora borealis crystals secured her triple bouffant veil of imported French illusion. She carried a bouquet of white roses, centered with an orchid.

THE DOUBLE ring ceremony took place in front of an altar decorated with candelabra arrangements of red roses and evergreens. Miss Helen Moon and Mrs Bary Darling of Lansing provided organ and piano selections.

The maid of honor, Miss Kay Urie, of St. Johns, wore a ruby

red, velvet dress which featured a modified, scoop neckline and a bell-shaped skirt. Her headpiece was a white fur pillbox and she carried a white muff adorned with red, sweetheart roses and holly.

James Lietzke of St. Johns was best man. Ushers were Lawrence Wight of Lansing, brother-in-law of the groom and Dean Marsh of Lansing, cousin of the bride.

Brenda Jo Wight, a niece of the bridegroom, was flower girl, and Mike Wight, his nephew, was ringbearer.

THE MOTHERS of the new couple wore corsages of white sweetheart roses on their wedding ensembles.

A reception at the DeWitt Memorial Building immediately followed the wedding.

Acting as master and mistress of ceremonies were Mr and Mrs O. J. Marsh of Lansing, uncle and aunt of the bride. Miss Barbara Bullard of DeWitt attended the guest book. Miss Dess Ann Overhold of DeWitt and Mrs Jerome Schafer of Lansing served the cake, and Miss Connie Crowell and Miss Janet Kloekner, both of St. Johns, served coffee and punch.

ASSISTING THE bride and bridegroom as they opened the gifts were Miss Jane Schumaker of DeWitt; Mrs James Lietzke, Miss Jean Irner, and Mrs Steven Eckert, of St. Johns; and

Miss Lucia Search and Miss Marcia Berger of Lansing.

Honored guests at the wedding and reception were Mr and Mrs. Alonzo Schoals of DeWitt, grandparents of the bride.

The newlyweds left for a northern Michigan honeymoon, and for traveling, the new Mrs Lyon chose a two piece, red, velveteen suit with black accessories.

They plan to reside in Kentucky, near where the bridegroom is stationed.

Both he and Adella graduated from Rodney B. Wilson High School in 1962.

Elsie Honor Society inducts 12

ELSIE—The Elsie Chapter of the National Honor Society of Elsie High School initiated 12 new members into the society last Wednesday evening.

The ceremony opened with music by Rita Washburn and the pledge of allegiance by Boy Scouts Dennis Mead and David Williams.

Mary Brady greeted the members and guests after which Principal Ralph Stull presented the following members to be inducted: seniors Linda Allen, William Houska, Lynda Libey, Betty Lydie and Patrick Winkler; juniors Dennis Baese, Tom Bakita, Diane Foret, Sharlyn Moore, Dean Schultz, Nancy Thornton and Betty Wadell.

THE FOUR objectives of the Honor Society were presented as follows: service, by Dee Washburn; character, by Sonja Goscinski; leadership, by Maureen Peck; and scholarship, by Pat Farr.

The present members then took part in the candle lighting ceremony and renewed their pledge to the society, after which the 12 new members accepted the invitation to become members of the society and repeated the pledge. They then received their pins and signed the roster. The ceremony was concluded by singing "America."

REFRESHMENTS were served the 60 guests by Mrs Washburn, Mrs Peck, Mrs Farr, Mrs Goscinski and Mrs Brady.

Park Lake Mrs Sadie Bass Rebekah Lodge plans open installation

PARK LAKE—Sunbeam Rebekah Lodge, No. 65 of Bath have planned open installation of their officers for the ensuing year, Thursday, Jan. 21, starting at 7:30 p.m.

The installation team from St. Johns will give the charges to new officers who are Mrs Lee (Dolores) Rummell, noble grand elect and Mrs Howard (Maxine) Wilkens, vice grand elect.

Walter Roat of Outer Drive is a patient at Lansing Medical Hospital. He has had lung surgery.

Mrs Betty Mead of Park Lake Road has been staying in Lansing with her sister, Mrs Long, while Mr Long is in the hospital.

Mrs C. Kroetsch spent the weekend with her son and family, Mr and Mrs Murphy, at Brighton.

Mrs Margaret Ballard has returned to work after several weeks in the hospital.

Karon Martin has missed about three weeks of her schooling during her illness, but reports are that she is recovering.

Krepps District By Mrs Lucille Heibek

Mr and Mrs Jack Cornell and family called on Mr and Mrs Robert Peck and Douglas Sunday afternoon. That evening they called on Mr and Mrs Wesley Smith and family.

Mrs Fred Jackson attended the annual meeting of the St. Johns Co-operative at Smith Hall Saturday.

Mrs Bessie Leonard, Max Leonard and his daughters spent Sunday with Mr and Mrs L. B. Leonard and family of Midland.

Mr and Mrs Edwin Heibek attended the funeral services for Mrs Thelma Baese at Elsie Wednesday afternoon.

Wrestlers rap, wrap up Alma

The St. Johns wrestling team won its third match of the '64-'65 season Tuesday night by defeating Alma 28-16.

Both teams got two pins during the competition, but St. Johns won the first seven events to pile up an unbeatable lead.

ST. JOHNS winners were Gary Wood (95-pound class) by decision; Tom Harper (103) by pin; Dick Holcomb (112) by decision; Charlie Fisher (120) by pin; and Lonny Beeman (127), Jim Paks (133), Chuck Smith (138) and Marv Dollarhite (154) by decisions.

Losing their matches by pins were John Sickles (145) and Paul Spedel (heavy weight), while Don Boak (165) and Oscar Parsons (180) lost decisions.

THE RESERVE team won their match 40-22.

Laingsburg outlasts DeWitt

LAINGSBURG—Morrice, seventh-ranked Class D team in the state, kept alive its undefeated season last Tuesday night with a 60-48 win over Laingsburg.

Morrice built a quick lead and had a 28-20 bulge at the half. Laingsburg rallied in the third quarter and pulled to within 30-28 before Morrice recovered and began pulling away.

Terry Beardsley paced the Orioles with 17 points, while Bob Kruger was high for Laingsburg with 14.

NO PUSH Often the man who holds the key to the situation lacks the ambition to see it through.

Eagles race by Ashley in D game

FOWLER—Luke Koenigsnecht's 20 points led Fowler to an easy 72-35 romp over Ashley in a Central Michigan D League game at Fowler last Tuesday night.

It was Fowler's fourth victory against one loss and Ashley's fourth loss without a win.

THE SAME tight man-to-man defense the Eagles have used all season helped carry Fowler to the victory. They jumped off to a quick 19-9 lead at the end of the first quarter and held quarterly advantages in each period.

Koenigsnecht's 20 points was high for both teams. His teammates who broke into the scoring column included Clair Armbrustmacher 15, Roger Conley 14, Jim Koenigsnecht 6, Jody Wohlfert 8, Jon Thelen 4, and Robert Pohl 3.

ANDERSON led Ashley with 10 points.

Scoring by quarters: Fowler 19 13 23 17-72 Ashley 9 11 11 4-35

Potterville 5 upset Fowler

FOWLER—Last Tuesday night Fowler tied for the Central Michigan D League lead, but Friday they were back out in the cold. Potterville upset Fowler 42-37 for their first league victory in three years.

Potterville led most of the way, holding a 9-6 lead at the end of the first quarter, 21-18 at the half, and 36-30 at the end of the third period. Fowler outscored Potterville 7-6 in the last quarter but was never really a threat.

CLAIR Armbrustmacher and Roger Conley led Fowler with 11 points each. Others scoring were Jim Koenigsnecht 5, George Spicer 2 and Luke Koenigsnecht 8.

Joseph and Hicks paced Potterville with 12 points each.

Plan to choose youth teams this Saturday

Teams will be chosen this Saturday morning at the second weekly session of basketball lessons and competition being sponsored by St. Johns schools.

High School Coaches Bill Swears and Doug Japinga conduct the Saturday morning sessions. Swears said boys in the fifth, sixth, seventh and eighth grades are welcome, whether they go to St. Johns public or parochial schools or to rural or out-of-town schools.

FIFTH AND SIXTH graders are asked to come to the high school gym at 9 a.m. for a session until 10:30. Seventh and eighth graders will play from 10:30 until noon.

Each session will consist of about 20 minutes of instruction from the coaches, followed by the choosing of teams and playing of games. Swears said an attempt will be made to organize teams that will be permanent for the season.

Laingsburg falls to Morrice

DeWITT—The DeWitt Panthers made repeated threats to Laingsburg's basketball leads Friday night before finally falling 74-64. Laingsburg is now 2-5 for the year and DeWitt is 3-5.

DeWitt held a 13-12 lead at the end of the first quarter, but then Laingsburg exploded to take a 37-28 lead at the half and they were never behind again. DeWitt outscored them 16-13 in the third period, but Laingsburg rebounded to outscore the Panthers 24-20 in the last stanza to sew up the game.

BILL ANTCLIFF led Laingsburg scoring with 19 points, along with teammate Don Brown. Others scoring were Clyde English 7, Bob Kruger 15, Tom Wilson 5, Dennis Shaw 2 and Jeff Veith 7.

Jim Dalman paced DeWitt with 22 points. Others scoring were Coryell 15, Watson 8, Ruiz 4, Parker 9, Post 2, and Weston 4.

Ovid goes overtime to upset Perry 88-81

OVID—The Ovid Romans overcame two Perry rallies Friday night to upset the fifth-ranked Ramblers 88-81 in overtime.

Personal fouls spelled the difference as Ovid capitalized on 34 personals by Perry while committing only 14 themselves. The number was great enough for an Ovid advantage, even though they made only 24 of 48 free throw attempts.

OVID HELD control through most of the game, leading at the half 45-35. Perry staged a big rally in the third quarter which erased Ovid's lead and left the Romans two points down, 61-59, at the end of the third quarter.

Ovid fought back, despite trailing by as much as eight points in the last quarter, and took a 79-77 lead into the last few seconds. Dennis Bott's basket with three seconds to go tied the score and sent the game into overtime.

OVID'S RALLY carried over into the extra period as the Romans outscored Perry 9-2 to get their third victory of the season against the same number of defeats.

Dennis Love was Ovid's big gun throughout the game. He collected 27 points during the night, four in the important overtime and eight during the fourth-quarter comeback. Frank Gazda scored 21 points for the Romans, and he also had eight in the fourth quarter.

Micka sets record; Elsie wins

ELSIE—Tom Micka, Elsie senior forward, broke a school scoring record Friday night in leading the Big Reds to their first basketball victory of the season, a 90-86 win over Pewamo-Westphalia.

Micka sank 16 field goals and dropped in 14 of 21 free throws to score 46 points, snapping Larry Kelley's 36-point mark set last year.

ELSIE BUILT up their lead in each of the first three quarters of the game before Pewamo-Westphalia made a mild comeback in the final period. They outscored Elsie 32-28 in that period but it was not enough to pull the game out of the fire.

Others scoring for Elsie were Carter 9, Ackles 6, Melvin 12, Horak 1, Reed 12 and Loynes 4. Barker paced Pewamo-Westphalia with 24 points while Werner scored 21, Norenberg 17, Freund 12 and T. Vance and Ir-rer 6 each.

Central Montcalm trips Fulton 58-57

MIDDLETON—Fulton High School lost a Tri-Central basketball battle with Central Montcalm Friday night, 58-57, despite a 25-point scoring spree by Terry Thomas.

Sober leads Bath to 57-44 victory

BATH—Jim Sober pumped in 26 points last Tuesday night to lead the Bath Bees to a 57-44 victory over Lansing Boys Training.

Sober got 15 of his points in the first half as the Bees built up a 27-19 margin.

The Bees were troubled early in the last period as the Beavers closed the gap to three points, but three straight baskets by Bath put the game away.

OTHERS scoring for Ovid were Lee Woodworth 8, Mike Hawley 12, Leonard Huyck 13, Bob Gazda 5 and Ray Chamberlain 2.

Both had 29 points to lead Perry's scorers.

Score by quarters: Ovid 18 27 14 20 9-88 Perry 13 22 26 18 2-81

Pair of 1-point games mark City League play

Basketball fans who watched the four City League teams in action last Wednesday night saw two cliff-hangers that weren't decided until the final buzzer. Both winners won by one-point margins.

The Bumble Bee's won their first game of the season by bumping Clinton Tractors 45-44 in the opener, and Miller's Tavern edged Sealed Power 51-50 in the nightcap.

MILLER'S continues to lead the league. They have a 4-0 record. Sealed Power has a 2-2 mark while the Bumble Bee's and Clinton Tractor are each 1-3.

The Bees jumped off to a 14-8 first quarter lead and then held on for dear life as the Tractors gnawed away at the lead. At half-time Bee's led 24-20, and the Tractors clipped the margin to 35-34 at the end of the third quarter. Both teams scored 10 in the last period.

Knight led the Tractors with 11 points, while Hub Waite scored 10.

Miller's used two big quarters—the first and third—to squeak by Sealed Power. They led 11-5 at the end of the first quarter, but then dropped back to trail 27-24 at the half. A 20-point burst in the third period put them out in front to stay; Miller's led 44-38 at the start of the fourth quarter, enough to survive a Sealed Power Rally in the late stages.

CLAIR FOX and Jim Farley paced the winners with 12 points each while Dan Fox scored 10. Randy Ott continued his high scoring with 26 points. Jim Procter scored 10.

# Bowlers rolling for March of Dimes

The March of Dimes Singles Bowling Tournament is under way in St. Johns and Ovid as county bowlers compete for prizes and at the same time contribute to the fight against birth defects.

Each time they bowl in league competition during the two-week period, bowlers are eligible to enter the tournament. The scores they make in their regular league play are used in comparison with other bowlers in the tournament. A \$1 contribution will take them as far as national competition if their scores are that good.

THE TOURNAMENT started Monday and will run through Jan. 23.

The event will be run on a 70 per cent handicap basis, using current averages and a scratch of 200. To enter the tournament, bowlers use the average in the league in which they are bowling.

Bowlers who qualify for area or state roll-off bowling must then use their highest league average as of Dec. 31, with 12 games necessary to make an average.

LOCAL AND area competition is being conducted by the Bowling Proprietors of the Heart of Michigan and include in Clinton County the Red Wing Bowling Lanes at St. Johns and the Tri-Ami Bowl at Ovid.

Orth Tatroe, proprietor of the St. Johns alleys, said about \$280 was raised in the local tournament last year, and about \$70,000 was contributed to the March of Dimes around the state.

LOCAL MERCHANTS have contributed a wide array of prizes for the best bowlers in the St. Johns tournament, and other prizes will go to regional and state winners.

State prizes in both the men's and women's divisions will receive a week's vacation for two at the Montagu Beach Hotel at Nassau in the Caribbean. Area winners in the area roll-off at Gratiot Lanes in Alma in February will receive two portable TV sets, two AM-FM table radios and several transistor radios. Four women and six men from St. Johns will compete in the area roll-offs.

LOCAL PRIZES include the following, donated by local merchants:

Car floor mat from Bee's Chevrolet and Oldsmobile; table lamp from St. Johns Furniture; plant and planter from Woodbury Flower Shop; outside rear view mirror from Lundy Motors; serving tray from Western Auto; woman's billfold from Harr's Jewelry Store; hunting knife from the PX Store.

Wrench set from Dean's Hardware; blanket from Plonta's Discount Store; two pair of socks

from Rehmann's; pole lamp from Miller Furniture; pocket billfold from Holden-Reid; flashlight and batteries from Cambles; tie clasp and cuff links from Lake's Jewelry; bottle of hair dressing from Irerer's Barber Shop.

PERFUME COLOGNE from Parr's Drug Store; towel set from the J. C. Penney Co.; travel storage bag from MacKinnon's; perfume from Hunt's Drug Store; leather purse from the Julie K Shop.

Gloves from the Mary Frances Shop; lace head scarf from Durkee's Hat Shop; towel set from Mel Warren Insurance; hair cut from Hayhoe Barber Shop; hair cut and shampoo from Dick's Barber Shop; hair cut from Jim's Barber Shop; shampoo and set from Charm Beauty Shop; shampoo and set from Bea's Beauty Shop; two car wash jobs from Cain Bulck and Pontiac; kitchen carry kitchen set from Borons; and a pipe from Chris' Party Store.

TATROE AND March of Dimes campaign officials are hopeful more bowlers will enter the tournament this year and that more money will be raised for the benefit of the March of Dimes. They pointed out that bowlers may enter as many times as they bowl—once each week for as many leagues as they bowl in.

During the regular bowling at the Red Wing Lanes during the last week, these individual and team statistics were recorded:

The Bowlettes who are running away with the Coffee Cup League championship, won the high game and high series honors last Thursday. They had scores of 605 and 1645. Ella Kehr had a 164 high game and 469 high series. The Bowlettes lead the Hillbilly 4 by 9 points.

THE 4 K's team bowled 721 and 2061 for high game and series for the season in the Industrial Mixed League Friday night. The 4 K's are leading the league by seven points. Ed Kaminski rolled 220 and 606 high game and series for the men, while Donna Kuripila's 188 and

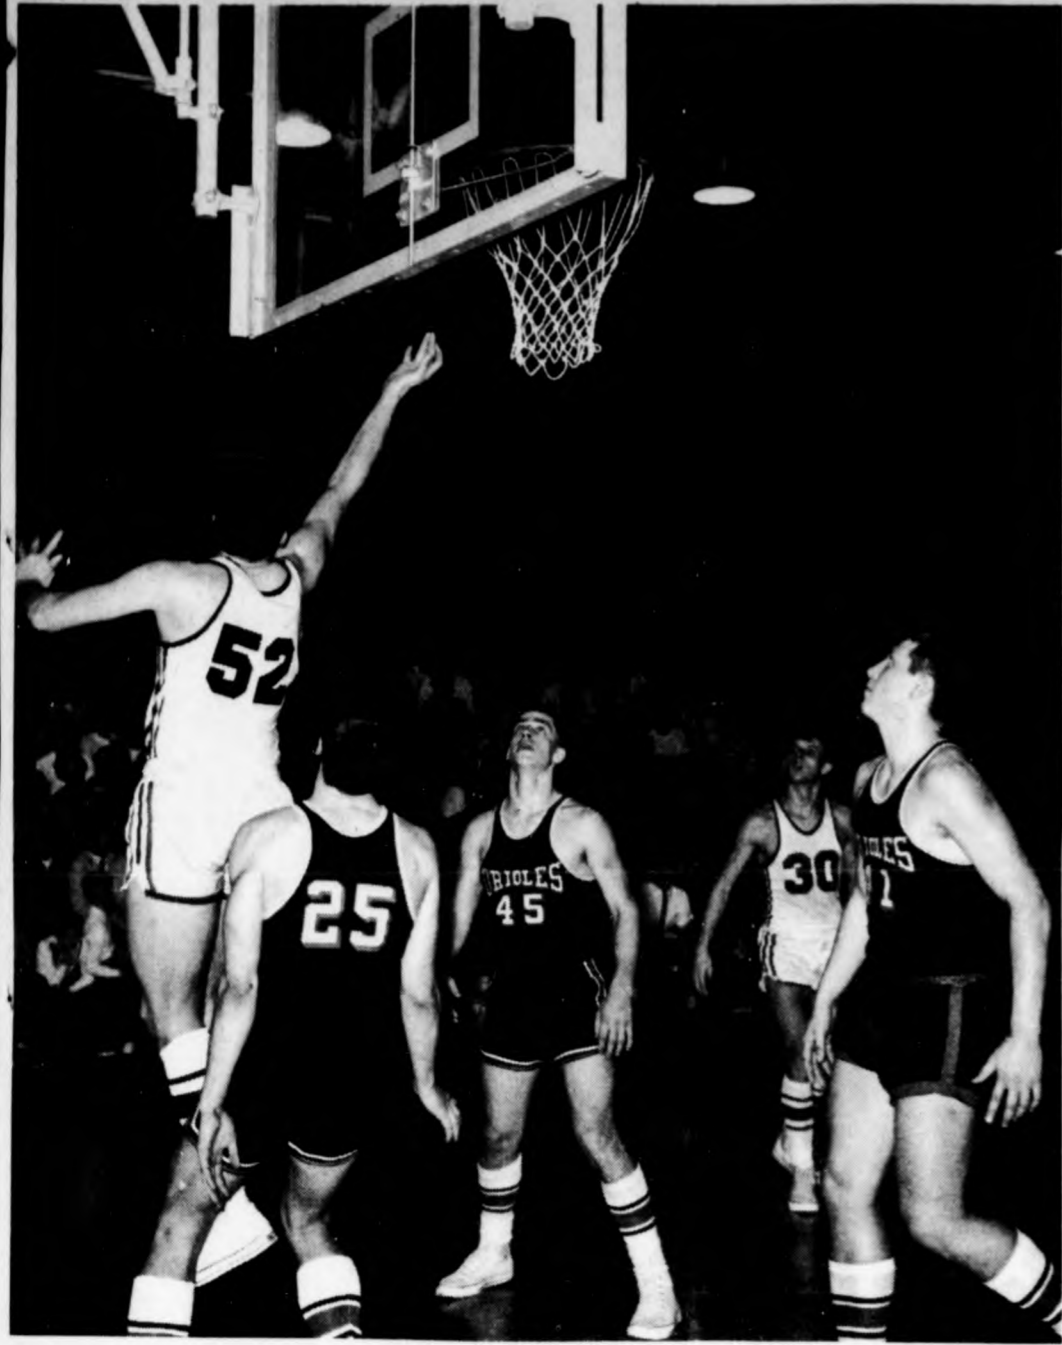

## Clinton Area Bowling News

486 were high for the women. Other 200 games were rolled by Jim Martens with 204, Ray Peck with 203 and Dick Kuhns with 202.

Julie K and Parr's are tied for first place in the Ten Pin Kegler's race after last Wednesday. Julie K had the best game and series with scores of 828 and 2334. Gladys Schueller had a 201 high game, while Elsie Dickinson rolled the high series—536.

THE CENTERLINERS were the winners of the first half of play in the Mixed League this year, with the KP's runnerup one game behind. Richard's Dairy had the high team game and series Friday with scores of 696 and 1971. For the women Lois Chant had a 179 high game, and Marge Scholze had a 510 best series. Richard Zapol had the best day for the men with a 220 game and 582 series. Capoli also rolled a 208 game, while Rollie Dunkel had a 201 and Ernie Pardee had a 215 game.

The American Legion Club leads the Night Hawk League after last Tuesday, with Beck's Farm Market and Blied Oil three games back. Neller's Service had a 852 high game, while the Legion Club had a 2425 high series. Ronald Motz rolled the highest single game—225—while Bob Cartwright had a 583 series. Other 200 games were: William Johnson 205, Bob Cole 224, Cartwright 201, Red Slim 217, Duane Bunce

St. Johns forward Al Werbish sweeps under the basket for a reverse layup and two points against Charlotte Friday night. Doug Lundy (30) watches the play, while Charlotte players Dick Lux (25), Scott McLeod (45) and Bob Lux (41) wait for possible rebound.

## Missed free throws topple Wings, 61-59

The Charlotte Orioles hooked the St. Johns Redwings out of the West Central Conference lead Friday night with a 71-69 upset victory over St. Johns in the local gym.

It was the Redwings' doing as much as Charlotte's. Failures from the free throw line spelled the difference; St. Johns made only 15 of 32 attempts while Charlotte converted on 17 of 29.

AND, IRONICALLY, it was free throws that killed the Wings. Charlotte's Carl Peterson stepped to the line and sank two of them with but two seconds left in the game, and St. Johns did not have enough time to get another shot at the basket.

The loss dropped the Wings into a tie for the lead with Greenville.

Missed free throws began shaping up as a factor in the first quarter. Charlotte ran into foul trouble as a team early, but the free throws wouldn't go in for St. Johns. With Al Anderson and Clark Berkhusen hitting quick, successive baskets, St. Johns spurred ahead 12-4 before lapsing back to a 13-9 lead at the end of the first quarter.

CHARLOTTE, meanwhile, was capitalizing on free throws when they had them, and they took a 16-14 lead with 5:50 left in the half. Bill Serrine put in St. Johns' first field goal in six minutes of play at the 5:15 mark, and at 3:36 Al Werbish put the Wings back in front. It was 30-26 and then 30-28 before Werbish canned a jumper from the corner at the last second to give St. Johns a 32-28 halftime lead.

Berkhusen began to find the range from the top of the circle in the third quarter, and St. Johns' fast break worked nice several times. The Wings built up their biggest lead of the game—44-34—after three minutes of play.

THEN ST. JOHNS cooled off rapidly, and the Orioles rolled back to tie the game at 46-46 with 50 seconds left in the period. St. Johns rebounded and led 49-46 going into the last period.

Peterson began to get hot for Charlotte with long-toms from the 25-foot range, and Charlotte finally took the lead 52-51 with 5:41 left in the game. Fouls began hurting St. Johns critically, and the Orioles capitalized, pulling out to a four-point lead that seemed like it would never be broken.

CHARLOTTE SCORED a bas-

ket with about four minutes to go, and that was their last of the night. Al Anderson dropped in two free throws on two separate occasions for the Wings in the next 2 1/2 minutes, and it tied the score at 59-59 with 1:41 left in the game.

Both teams had free throw opportunities and missed them in as the clock continued to tick. The countdown went to two seconds before Peterson was fouled in a scramble for the ball. This time he didn't miss.

PETERSON and Dick Lux were high for Charlotte with 18 points each, while Bob Lux had 17.

Berkhusen led St. Johns with 18 points, nine of them in the third quarter. Al Werbish played a strong, steady game, ending the night with 17 points and 12 rebounds. Others scoring for the Wings were Bill Serrine 4, Al Anderson 10, Doug Lundy 7 (he had 11 rebounds), and Dennis Springer 3.

Both teams had identical field goal shooting percentages. Both shot 52 times and made 22 shots for a .423 mark. The difference was clearly at the free throw line.

## Charlotte trips Jr. Wings 58-56

The St. Johns junior varsity basketball team lost its fourth game of the season Friday night as the Charlotte JVs rallied in the last period to dump the Junior Wings 58-56.

St. Johns had led most of the way. After a 14-14 tie at the end of the first quarter, the Wings went to work, outscoring Charlotte 17-12 in the second quarter to take a 31-26 halftime lead.

CHARLOTTE managed to outscore St. Johns 14-13 in the third period and then rallied in the last period to outpoint the Wings 18-12 and take the game.

Three players hit in double figures for St. Johns in their losing cause. Jim Leonard led the way with 18 points, while Gary Boyce scored 14 and Bill DeGroot 10. Others adding to the point total were Brian Swatman with 3 points, Randy Humphrey with 6 and Elwood Self with 5.

BALANCED SCORING helped Charlotte to their victory. Rogers hit 14 points to lead the way, with Fleming, Snider, Whitely and Rochester each getting 10.

## Raiders swamp Bath Bees, 90-36

PORTLAND—The Bath Bees didn't have much to say at Portland Friday night as the Raiders raced past them 90-36.

Portland led all the way and held quarterly advantages of as much as 16 points. Portland led 20-4 at the end of the first quarter, 42-16 at the half, and 63-24 at the end of three quarters.

Riley Quinn led Portland with 19 points. High scorer for Bath was Chet McGonigal. Others scoring for the Bees were Art Six 2, Rusty Woolfe 4, Bruce Miller 10, Jim Sober 7 and Roger Friend 2.

SOUTH Riley Grocery, in second place in the Twin City League, took scoring honors last Wednesday with a 923 high game and 2659 high series. Dan Smith rolled a 207 game and Allen Tiedt had a 595 series. Mobil Gas is the league leader.

There's a five-way tie for the Night Owls League lead after the first night of bowling in the second half. H & H Lounge, Stockyards, American Legion, Karber-Hopko Insurance and St. Johns Lumber all have 4-0 records. H & H Lounge had the best night last Thursday, getting an 827 high game and 2420 high series. Dorothy Wood and Thelma Bedell each had a 198 high game, while Thelma Bedell had a 568 series.

FLO LAWRENCE had the high individual game and series in the Westphalia Woman's League last Tuesday. She rolled a 222 game and 514 series. Genny Platte was close behind with a 215 game, and Rose Bengel had a 509. The Rose Johnson, Seamstress team, which leads the league by one point, had the high team game and series with 862 and 2390. Kate Hanses of Fedewa Builders converted the 6-7-10 split.

**ORDINANCE NO. 178**

An ordinance to prohibit the racing of motor vehicles upon the streets of the City of St. Johns and to provide penalties for the violation thereof:

THE CITY OF ST. JOHNS ORDAINS:

Section 1. No person shall operate a motor vehicle upon a public street or any public area in the City of St. Johns in a speed contest or for the purpose of making a speed record, whether from a standing start or otherwise, whether over a measured or unmeasured distance, the object of which is to better or defeat 1 or more contestants on the basis of elapsed time, superior performance or speed.

Section 2. Penalty. Any person who shall violate the provisions of this Ordinance, upon conviction thereof, shall be punished by a fine not to exceed \$100.00 or by imprisonment not to exceed 90 days or both such fine and imprisonment.

Section 3. Severance Clause. The provisions of this Ordinance are declared to be severable and if any section, sentence, clause, or phrase of this Ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this Ordinance but they shall remain in effect, it being the legislative intent that this Ordinance shall stand notwithstanding the invalidity of any part.

Section 4. Effective Date. This Ordinance shall take effect from and after the 20th day after its passage and publication as required by law.

Passed, ordained and ordered published this 5th day of January, 1965, by the City Commission of the City of St. Johns at a regular meeting on the above date.

JACK SMIT

**Complete milk production record**

Jones Farm Emorys Karen, a senior four-year-old Registered Guernsey cow owned by George E. Smith of St. Johns, has completed an official DHIR actual production record of 12,870 pounds of milk and 638 pounds of butterfat in 305 days of two-times-a-day milking.

The American Guernsey Cattle Club compiled the records of testing supervised by Michigan State University.

**Tower light, rusty water worry some**

Folks got kind of concerned over the weekend when a red light appeared on top of the new water tower and the water coming out of their taps was rusty.

City Manager Ken Greer got telephone calls from a number of persons, telling him that the "signal light" was on and that the water tower was not full anymore.

ACTUALLY, the light is used only as a marker and will come on automatically as darkness falls every night. It was turned on for the first time Saturday night, coincidentally at the same time attempts were being made to fill the tank.

That was the reason for the rusty water; pump pressure had been increased to fill the tank at the same time the normal amount of water was being used. The resultant increase in pressure stirred up the rust that lies in the water mains.

**Ordinance No. 8 of the Township of DeWitt, Clinton County, Michigan**

An Ordinance to establish a curfew for minors, responsibility of parent or guardian, detention, arrest and penalties.

THE TOWNSHIP OF DEWITT ORDAINS:

Section I. It shall be unlawful for any person under the age of seventeen years to loiter or remain in or upon any streets, alleys, or public places in the Township between the hours of ten o'clock p.m. on Sunday, Monday, Tuesday, Wednesday, and Thursday of each week and five o'clock a.m. of the following day and between the hours of eleven o'clock p.m. on Friday and Saturday of each week and five o'clock a.m. of the following day, unless such person is accompanied by his parent, guardian, or other person having legal custody and control of such minor, or unless such minor is in the pursuit of an errand directed by his parent, guardian or other person having his care or custody, or while the performance of some lawful employment of such minor makes it necessary that such minor be upon such streets, alleys, or public places during the nighttime, within such specified hours.

Section II: It shall hereafter be unlawful for any parent, guardian or other person having the legal care and custody of any minor under the age of seventeen years, to allow or permit any such child, ward or other person under such age, while in his legal custody, to loiter or remain, unaccompanied, upon any of the streets, alleys or other public places in the Township, within the time prohibited in Section I. of this Ordinance, unless there exists a reasonable necessity therefor.

Section III. Each member of the police force, while on duty, is hereby authorized to detain any person within his presence violating any of the provisions of Section I for a reasonable length of time until such information is obtained sufficient to issue a complaint and warrant in the case of an adult, or a petition to Probate Court, in the case of a minor.

Section IV. No minor shall be placed in confinement under this Ordinance unless the parents, guardians or legal custodian shall refuse to be held responsible for the observance of this Ordinance by such minor person.

Section V. Any adult violating the provisions of this Ordinance shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined no more than One Hundred (\$100.00) Dollars or be confined in the County Jail for no more than ninety days, or both in the discretion of the Court. Any minor violating the provisions of this Ordinance shall be proceeded against in Probate Court according to the procedure set forth in the Statutes of the State of Michigan.

Passed, ordained and ordered published this 4th day of January, 1965.

**Dad delivers own child**

Dad delivered his own sixth child Saturday, and the father, mother and baby girl are doing fine.

Mrs. Thomas Shellito and her daughter were taken to Sparrow Hospital in Lansing after the baby was born on M-78 near Hagadorn Road with the father's help.

DRIVING the car was Shellito's brother, Robert, who was at the couple's home on Park Lake Road when the birth became imminent.

A doctor at the emergency room at the hospital reportedly told the shaken-up Shellito that he did a real good job.

**Car smashes into truck; 3 escape injury**

A car hit the rear end of a stalled truck on US-27 just south of Howe Road early Friday morning. No one was injured, but the auto was demolished.

The driver of the car, Gerald F. Jones, 39, of 4636 Kessler Road, Lansing, was ticketed for failure to stop in a safe distance by Deputy Sheriff Ramon Terpening.

THE TRUCK driver, Harold L. Eghert, 31, of Cincinnati, Ohio, said the truck's electrical system went dead and that the truck was stopped part way off the highway. Flares and fuses were set out. Jones' car ran into the back of the truck, however, as well as over one of the fuses.

Eghert also escaped injury, as did Owen Ashbrook, 34, of Mt. Orab, Ohio, traveling with him.

**Driver ticketed**

Terrance Melvin, 17, of Fowler was ticketed for having no driver's operator's license after his car hit a utility pole last Monday in Fowler. The accident occurred on Clinton Street, just west of Main. Melvin was not hurt.

**Admits larceny from building**

Gary Caesar, 17, of R-1, Fowler pleaded guilty Monday to a charge of larceny from a building and will be sentenced by Circuit Judge Leo Corkin Jan. 25.

Caesar was charged with taking shotguns and food from a building owned by Steve Dexter of Lansing on Maple Rapids Road. The theft occurred Oct. 31.

**Files bankruptcy**

John F. Bond of St. Johns, a service manager, filed a bankruptcy petition Friday in US District Court at Grand Rapids. He listed liabilities of \$185,436 and assets of \$100.

### Contributions to carpet fund reported slow

The meeting of Radiant Chapter No. 79, OES was held Wednesday, Jan. 6, at 8 p.m. in the Masonic Temple, with approximately 45 members in attendance. All but two officers were present. The Station of Ruth was filled by Esther Bradley, past matron and the station of the sentinel was filled by David Lockwood, past patron.

The minutes of the December meetings were read and approved. The treasurer's report was also read and placed on file.

GAIL LYON, reported that the carpet fund has been lagging and urged all who have made pledges to the fund or who wish to contribute to call her. At the present time there is approximately \$500 in the fund. The goal is \$3,000. It will be used to carpet the Lodge Room.

Dolores Barrone, worthy matron, announced that there will be an initiation, Jan. 20, and there would be a practice session Monday, Jan. 11.

THE WORTHY matron also announced the following members who will serve on the Rainbow Board for the ensuing year: Gail Lyon, Imogene Heuer, Dooyne Heuer, Rosalie Ludwick, Carl Ludwick, Ethel Huot, Virginia Zigler, Dorothy Ashenfelter, Jean Mary Bartholomew and Jeannette Blackman.

She announced the committees in charge of the chicken dinners to be served monthly up to and including May. The first of the series will be held Saturday, Jan. 16, beginning at 5 p.m. in the Masonic Temple. Tickets may be purchased from members of Radiant Chapter or St. Johns Lodge No. 105, or at the door the night of the dinner. The dinners will all be held on the third Saturday of each month, ending with the May 15 dinner.

THE WORTHY matron thanked the substitutes for the evening and her refreshment committee which was headed by Betty Burk, after which the chapter closed and all retired to the dining room where refreshments were served.

### 4-H handicraft leaders to meet

A meeting of all county 4-H handicraft leaders will be held at 7:30 p.m. Monday, Jan. 25, in the county extension office.

Some of the topics to be discussed will be new material available to the leaders, finishing techniques, spring achievement program and answering of questions on other phases of the 4-H program.

### Anniversary dinner given Carl Thelens

Mr and Mrs Carl Thelens were honored for their 25th wedding anniversary at a dinner at Daley's Sunday, Jan. 10.

Present were the immediate family of Mr and Mrs Thelens and their sisters and brothers. Special guests were Bishop Green and the Thelens' parents, Mr and Mrs Julius C. Thelen.

The children arranged surprise visits from friends and neighbors who brought gifts and good wishes that evening.

### Meeting series designed to clarify special education

A planning committee composed of parents and friends of children in special education has outlined a series of programs designed to clarify what is meant by special education and its relationship to the school and community.

Members of the committee are Russ and Betty Wagonschutz, Judy Boettger and Regina French, parents of children on special education; Janice Maier, teacher of mentally retarded, type B; Gertrude Buehler, school nurse; and Ann Brieganti, visiting teacher.

A QUESTIONNAIRE was sent to parents in special education, and the programs have been organized based on the enthusiastic response to the questions. The meetings will be held in the special education room at Central School. A question box will be placed near the door.

Dates and topics for the meeting include:

Jan. 14, 7 p.m., "Goals of the Special Education Program," with Miss Gail Harris, special education consultant for the

BARBARA ANN MICHALEK

Mr and Mrs Steve Michalek Jr. of 504 Wight St. announce the engagement of their daughter, Barbara Ann, to Jerry Bertram, son of Mr and Mrs Alfred Bertram of R-1, Fowler. A Feb. 20 wedding is being planned.

### Sara-Louise Circle announces potluck

The Sara Louise Circle of the First Methodist Church met at the home of Mrs Lester Jenkins, Jan. 5, with 12 members present.

Evening devotions were given by Mrs James Boyce.

A program, "Look at Ourselves as Christian Women," was given by Mrs Charles Cramer. A discussion by the group followed.

NEXT, a meeting was held and announcements were made. They are that the annual church meeting with a potluck at 6:30 will be held Jan. 19 and that the school of mission and stewardship will be held Sunday evening, Jan. 10, 17, 24, and 31 at 7 p.m.

Refreshments were served by the co-hostesses, Mrs Lester Jenkins, Mrs Robert Miller, and Mrs John Dunkel.

The next meeting will be held, Feb. 2, at the home of Mrs Charles Cramer.

### New minister comes to Nazarene Church

Word was received this week by the members of the First Nazarene Church of St. Johns, that Rev Eldon Raymond, now at Bad Axe, has accepted a call to the church here.

He will move with his family, the week of Jan. 24, and will fill the pulpit for the first time Sunday, Jan. 31.

REV RAYMOND is 33 years old, and has three children. He attended Asbury College.

### Clintonaires plan two social meetings

The Clintonaires, Clinton County's Extension Chorus, will dispense with their weekly practice for the months of January and February. Instead, two social meetings have been planned. One will be held, Jan. 18, at 7:30 p.m. with Mrs Wilbur (Lucille) Worrall at 1968 West Taft Road. The other will be held, Feb. 15, at 7:30 p.m. with Mrs Al Northouse of 608 West Walker.

A business meeting, as well as a social meeting, will be held both nights. Members will bring their own table service.

### Grandsons of local couple make ice rescue

Mr and Mrs Raymond Bradley of West Walker Road, St. Johns, are rightly proud of their two grandsons. The two boys, aged 9 and 11, acted calmly and quickly to rescue a 72-year-old man who had fallen through the ice of Horsehead Lake near Mecosta Saturday.

The boys are the sons of Mr and Mrs Kenneth Buell, 1113 Pershing Drive, Lansing. Mrs Buell is the former Elizabeth Bradley.

THE BOYS were skating on the ice of the lake when C. O. Fritz, 72, of Lansing offered to "spud out" a hole for them to fish in. But then the ice broke and Fritz plunged into icy water.

The boys, Douglas, 11, and Dennis 9, laid on their stomachs, got their arms around Fritz and pulled him up on the ice. They "skated" him to Fritz's cottage at the edge of the lake where he was warmed.

"Two of the smartest kids I ever saw," Fritz commented.

### '65 president of GOP women is Mrs Graef

The membership tea for the Clinton County Republican women was held Thursday, Jan. 7, at the Municipal Building.

The officers of the organization for the coming year were installed. They are Mrs William Graef, president; Mrs Syver Thingstad, vice president; Mrs Bernard Zeeb, secretary; and Mrs Robert Miller, treasurer.

The president announced a new member at large, Miss Mary Gumaer, of Ovid. The other member at large is Mrs Andy Cobb, who has been a board member and who will assist the program chairman.

COMMITTEE chairmen for the year are: Mrs Jud Marzke, publicity; Mrs Syber Thingstad, program; Mrs Robert Gill and Mrs Ed Sulka, membership co-chairmen; Mrs E. O. Prince, legislative; Mrs Stanley Losznak, historian; Mrs Virgil Zeeb, teenage chairman; and Mrs Leon Budd, revision chairman. Mrs Alden Livingston, a past president, will act as advisor of financial matters.

The main speaker at the event was Lucille Kapplinger, aide to the governor, who spoke on coming events in the current State Legislature.

The announcement of the Lincoln Day Banquet gave the place as the Congregational Church in St. Johns, and the time as Feb. 11. The speaker will be William Milklin, lieutenant governor. Reservations for the banquet can be made with the co-chairman of the banquet, Mrs Lawrence Sexton of St. Johns and Mrs Malcolm Lusk of Elsie.

### Gets DAR award of good citizen

The pastor closed the meeting with benediction.

Pastor Peter Nieuwkoop was the speaker for the January meeting of the Ladies Mission Circle of the First Baptist Church.

The subject brought to the 27 women present was, "Learning to Live."

Mrs Jay Barrett reported that three boxes of clothing and various articles were sent to the Navajo Indians in Arizona at Christmas. Nineteen stuffed toys, made by the ladies, were sent to the mentally retarded children at Shepherds Inc. in Wisconsin. A quilt, also made by the ladies, was given to a missionary family.

The special offering resulted in checks being sent to nine missionary families in the States and five families in foreign missions.

MRS NIEUWKOOP, president, reminded the group that the church library was open.

Green stamps are still being saved and may be turned in to Mrs Donald Penix.

All ladies were urged to invite someone to the next meeting in order to learn about the missionaries, their families, and their needs.

REFRESHMENTS were served from a table centered with an arrangement of fresh Florida oranges, grapefruit, and sea shells, and circled by Spanish moss. Yellow tapers completed the arrangement. Hostesses were Mrs Frank Winter, Mrs Willard Studer, and Mrs Richard Woodhams.

Also on the agenda is a report on district council activities, a review of the past year and plans for the future.

His home is 6 1/2 miles north and one mile east of St. Johns at the corner of Scott and Hyde roads.

Also on the agenda is a report on district council activities, a review of the past year and plans for the future.

Also on the agenda is a report on district council activities, a review of the past year and plans for the future.

MR AND MRS JOHN F. CAUDY

Mr and Mrs John F. Caudy of 208 Wight St., who's silver wedding anniversary was Wednesday, Jan. 13, will be honored guests Saturday, Jan. 16, at an open house, hosted by their sons, John Jr. and Arthur. The open house will be held at the St. Joseph Social Hall from 7 to 9 p.m. Relatives and friends are invited.

### Potluck held by Ladies' Aid

St. Peter's Lutheran Ladies Aid held their meeting, Jan. 6, at the parish hall with a potluck at noon.

Following dinner, devotions were started by the singing of a hymn. Pastor Schiefer used the Epiphany theme for devotions.

The meeting, which was attended by 28 members, was opened by Louise Schumaker, president.

MRS DOROTHY Pasch, president of the Lutheran Women's Missionary League, gave a description of the mite box covers. Thank you notes were read from Roland Kloeckner and Bethesda Lutheran Home for gifts received from the society.

It was decided that the women give their service toward lunches after funerals, when asked. A motion was made and carried to move the shuffle board to the school basement.

### Baptist Church Mission Circle hears pastor

At the Jan. 7 meeting of the St. Johns TOPS Club it was decided to send a poem, written by Mrs Ester Dorman to the National TOPS News. Mrs Dorman read the poem at the meeting, to the 23 members that were present.

A new member, eight-year-old Debbie Phelps, was accepted into the club. Because of her age, she will be classified as a Tiny Tot, one of the TOPS Club divisions.

Highlight of the evening was the crowning of Mrs Leona Peck as queen.

It was reported at the meeting that Mrs Veva Richards was in a Grand Rapids hospital.

### Plan adult ag classes at Fulton

Adult classes in agriculture will begin Monday, at 8 p.m. in the agriculture room at Fulton High School. The program for the first meeting will concern farm records and the new Tel-farm program now being used by some farmers in the area.

This new program will supply many new kinds of information about your farming business. All farmers are invited to attend this meeting.

### 2 police officers at training school

City Policeman Ed Teachout and James Stiffler this week began a basic police training course at Michigan State University which will run until Feb. 5.

The course is presented in cooperation with the Michigan Association of Chiefs of Police, Michigan State Police, Michigan Sheriffs Assn., the Michigan Department of Public Instruction, the Michigan Municipal League and the Federal Bureau of Investigation.

### Rochester Colony

Mr and Mrs Robert Harmon announce the arrival of William George Harmon on Nov. 28 at Sparrow Hospital, Lansing. He weighed eight pounds and 10 ounces.

The children and grandchildren of Mr and Mrs Walter Kaufman Sr. entertained them at a buffet supper recently, in observance of their 45th wedding anniversary.

### Episcopal parish chooses three new vestrymen

Three vestrymen were elected to the nine-member governing board of St. John's Episcopal Church at the annual parish meeting held in the church Sunday evening.

The newly-elected vestrymen are Judge Leo W. Corkin, Charles Lynam and James Williams. F. Earl Haas and Samuel Serrell were re-elected by the vestry as senior and junior wardens of the church. Ralph Lynam was chosen for another term as secretary-treasurer.

Others on the vestry whose terms have not expired include Jack Danley, John Pouch, Al Abshagen and Ink White.

CHOSEN as representatives of the parish to the Capitol Convocation of the church are: Mrs Jack Danley, Mrs Lloyd Campbell, Mrs Franklin Smith, Mrs James Williams, Mrs Earl Lancaster, Mrs Leo Corkin, William Morriss, Henry Dellar, F. Earl Haas and Samuel Serrell.

Parishioners heard annual reports from their rector, the Rev Hugh E. Banning; the senior and junior wardens; the secretary-treasurer; William Morriss, superintendent of the church school; Mrs Franklin Smith and Mrs Mary Roat, of St. Margaret's Altar Guild.

Mrs Charles Lynam, Episcopal Church Women; Mrs F. Earl Haas, editor of the Episcopal Newsletter; Mrs James Williams, director of music; H. O. Tatroe, ushers' chairman; and Bruce Campbell, president of the Young People's Fellowship.

### Church slates missionary from Japan

Mr and Mrs Gordon Bond of 920 North Clinton Avenue, announce the engagement of their daughter, Joyce Ann Corwin, to Thomas J. Tilford, son of Mrs Margaret Antes and the late Glenn Tilford. A late summer wedding is planned.

REV LAVERN SNIDER

The Rev Lavern Snider and family, who recently returned from 5 1/2 years of missionary work in Japan, will speak at the St. Johns Free Methodist Church, 305 Church Street, next Wednesday at 7:30 p.m.

The Sniders serve under the General Missionary Board of the Free Methodist Church. Since 1952, he has been president of Osaka Christian College and Theological Seminary, a position to which he was elected by the board of trustees, composed mainly of Japanese.

"JAPAN IS still one of the world's most challenging mission fields," the Rev Mr Snider says. "Less than 1 per cent of a population of nearly 100,000,000 profess the name of Christ. The population is ambitious and well-educated. A great harvest remains to be gathered."

Founded by a Japanese national missionary in 1903, the Oski college has grown from a small Bible training school with five or 10 enthusiastic young people to a government-accredited college and a seminary with over 300 students and a faculty of 46 professors. The Rev Mr Snider will tell of his work there.

WSCS celebrates silver anniversary

ELSIE— The 25th anniversary of the Woman's Society of Christian Service was observed Wednesday evening in the Methodist Fellowship Hall with guests from the neighboring Methodist Churches of Duplain, Chapin, and Bannister.

Mrs Sidney J. Keys, a charter member, served as program chairman. She spoke of 1940 when the organization encompassed the former Ladies' Aid Society and the Home and Foreign Missionary Societies.

A representative from each WSCS commented on the groups achievements during the past 25 years.

Mrs William Baker spoke on the purpose and work of the Wesleyan Service Guild which was recently organized in the Elsie church.

MRS DONALD Temple, a charter member from the Duplain Church, recounted their accomplishments of the last quarter century.

Mrs Albert Maynard, president of the Chapin WSCS reviewed the years in their rural community and the mission work done by Rev and Mrs George Somers, now in India.

Mrs Mildred Bradley of the Bannister Church introduced nine of their former WSCS presidents. She also presented one of their members, Mrs Elmer Leydorf, who is now vice president of the Central District of the Michigan Conference.

Elsie's WSCS president of 25 years ago, Mrs A. W. Cobb, reminisced about the early meetings and the many changes that have taken place in the local church with the WSCS at the helm.

MRS MERLE Green, secretary of Christian Social Relations, reminded the women of their part in providing leadership for the children in the world.

The worship service was given by Mrs Green and Mrs Ralph Stull.

In her closing remarks, Mrs

Keys reminded the women of the tasks ahead. The Woman's Division of Christian Service has set the goals for this anniversary observance at a 25 per cent increase in membership and pledge giving.

Display tables were arranged with scrapbooks, pictures, souvenir programs, commemorative plates, calendars and church-related periodicals of the four churches. Free literature to aid in future program planning was also available for the officers.

THE ELSIE High School choir, under the direction of John W. Beery, sang a group of hymns, negro spirituals and modern selections with Jennifer Keys as accompanist.

Prior to the meeting, Mrs Charles Fizzell played a prelude of hymn arrangements on the piano. Mrs R. C. Parks and Mrs Clifford Gelger served on the reception committee and presented permanent corsages to several special guests including presidents and the wives of the Rev's Edward Tillitz of Bannister, and Walter S. Easton of Elsie. The corsages were fashioned by Mrs Anne Praay and tied in silver.

The serving table was centered with an anniversary cake made by Mrs Tethal. Presiding at the silver tea and coffee services were from the Elsie WSCS, Mrs A. W. Cobb, president of 25 years ago and Mrs Charles Kridner, currently holding that office.

The next general meeting of the Elsie WSCS will be held, Feb. 3, at the home of Mrs William Baker with Mrs Alpha Grubbaugh presenting the lesson, "The Young American Mother. Who is She?"

Three couples spend 10 days touring Florida

ELSIE— Three couples recently returned from a 10-day Florida vacation. They were Mr and Mrs Jack Hawes of Elsie, Mr and Mrs Wayne Holden of St. Johns and Mr and Mrs Wilbur Stephens of Mount Pleasant.

They flew from Willow Run Airport to Jacksonville, Fla. WHEN they reached Florida, an automobile, arranged through the courtesy of a mutual friend, was ready for their traveling pleasures.

Their round-the-state tour included St. Augustine, Castillo de San Marcos, Marineland, Daytona Beach, Cape Kennedy, and West Palm Beach.

OTHER POINTS they visited were the dog races, Dania's Jai-Alai Fronton, the Hialeah Race Course, a Seminole Indian village, Miami International Airport, and Miami Beach.

They made the 100-mile trip from Key Largo to Key West via the Overseas Highway.

Returning to Miami, they followed the Tamiami Trail through the Everglades to the Gulf of Mexico coastline and continued north. They made stops at Edison's winter home in Fort Myers, Sarasota Jungle Gardens and crossed the Sunshine Skyway, across Tampa Bay.

THE TRAVELERS turned inland at this point to sightsee through central Florida. Among the places they visited here was Cypress Gardens.

Reaching Jacksonville after encountering almost perfect weather, they boarded their plane for home.

Mrs Hawes returned to her duties at the Knight Elementary School with post cards and seashells for her fifth graders.

Police captain featured guest at Women's Club

ELSIE— Mrs Earl Seybert, vice president of the Woman's Literary Club underwent a lie detector test on a polygraph Tuesday evening before 50 members and guests in the homemaking room of Elsie High School.

## "Free market" farming squeezes out little guy

After 30 years of experimenting with controls and subsidies, the government is going conservative on farm programs. In the face of a landslide Democratic victory, that sounds incredible, but most Washington observers agree the ball is rolling in that direction.

It means that price supports are on the way out as a factor in the market. A "free" market is going to be tried. Lower farm prices are on the way.

Despite the Democratic victory, there are no real farm liberals around any more. The 1965 model liberal is a city boy, interested in Medicare, Urban Renewal, Highways, Civil Rights and Labor.

PRESIDENT JOHNSON is middle-of-the-road. He wants a way out of the big farm spending programs. He wants to help the poverty pockets in the rural areas. His aim is to shift from price supports to rural education, job-training and easier loans or outright grants for the distressed.

The recent decision on corn supports is an example. The support price was cut 5c a bushel. The direct government payment to farmers cooperating in acreage cuts was upped 5c. The result will be a drop in the market price and a net reduction in the government costs. The payment to cooperators was increased to keep Johnson's campaign pledge. Wheat supports for 1965 were cut 5c earlier.

A cut in both support price and cash payment is talked for next year.

FOR FARM BUREAU, it's a real victory. Bureau leaders have consistently fought for free prices. They would achieve them gradually by supporting grains at 90 per cent of the past 3-year average. This moving average would slide down until eventually supports would have no effect.

It means \$1 corn and \$1.39 wheat—a level we're almost at now. But the Bureau would drop the cash payments, too, except for voluntary payments to farmers who retire land. Controls would be dropped with the subsidies.

The Bureau won't write the new programs. But government is moving in the Bureau's direction. It's a basic and far-reaching shift.

FOR THE FARMER who can't make out now, the future is dim. Things aren't going to get any better. And businessmen can't figure on a flood of Federal money to fill the farmers' pockets.

With government getting out of commercial farming, will the farm organizations step in? Will they be able to build bargaining strength approaching that of labor?

Not overnight they won't. But in 10 years we may see a strong agriculture—although not the every-man-his-own-boss type we dream of. The new agriculture will be built of big farmers submitting to the discipline of big commodity groups.

The big will get bigger, and the small will get out. We hope there's a place for the little guy to go.

WHAT YOU ARE trying to forget is precisely what your friends remember.

## "Mom, How Many More Years till I Retire?"

## RAMBLIN' with Rink

By LOWELL G. RINKER

My daughter got for Christmas something I've been wanting for a long time. Among her toys was a kaleidoscope. It has been years since I looked into one and marveled at the changing patterns and colors.

I had one when I was a little kid and I can remember playing with it and enjoying it for a long time until the end with the color beads of glass broke and let them get away. As I recall it was a sturdy, blue tube, and the view of the changing patterns was clear and sharp.

MY DAUGHTER'S kaleidoscope brought back the memory of mine in years gone by, and I have already spent considerable time peering into the tube. Unfortunately, they don't make kaleidoscopes the way they used to. Even though her's is not as sturdy or as clear and sharp as mine was, it's still a fascinating toy—even for adults who understand the mechanics of it.

Kathy has still not learned how to close one eye, so I have been able to command the prime viewing time on the kaleidoscope. But she's interested in it after seeing old dad with it; by covering one eye with my hand, she has learned to turn it and has become mild-

ly interested in what she sees.

THE TV show, "Walt Disney Presents," used a kaleidoscope technique in its production phases, and I always wanted to watch it in color to see what it looked like. But now that I've got my own kaleidoscope, who needs color TV?

It's a small world. A week ago I discovered that an old friend from my grade school days in Farmington, Ill., ran across Rink's column while reading a friend's copy of the Clinton County News at Pensacola, Fla. Bill Smith, our ASC man here, told me that his daughter and son-in-law get the paper at the Naval Air Base at Whiting Field near Pensacola, and some friends of theirs were looking the paper over.

Chuck Linn, formerly from Farmington, happened to spot my picture and name and told them he knew me. The Linn's accompanied Lt. (j.g.) David Fenner and his wife, the former Shirley Smith, as far as Indiana when the Fenner's were up for the holidays. The Linn's swung over to Farmington from there and later rejoined the Fenner's when they returned to the Naval air base.

## That 5th Amendment

By W. E. DOBSON

(APOLOGIES TO EXCELSIOR)

The sands of time day after day,  
Give evidence of some poor stray,  
Who being tried for major crime,  
Stakes his security sublime,  
On Amendment 5.

Be he gamin' on the street,  
Or big time crook now in retreat,  
Our courts increasingly now find,  
That the accused selects as blind—  
Amendment 5.

"What use to talk," they seem to say,  
"When we can use a slicker way?"  
The answers we can well refuse  
Since all agree that we can use  
Amendment 5?"

So neophyte or hardened crook,  
Now read their answers from a book,  
And think they're really doing great,  
Since they do not incriminate  
By Amendment 5.

If courts of justice are to win,  
Their daily bouts twixt right and sin,  
Perhaps in time we will provide,  
Less opportunity to hide?  
Behind Amendment 5.

THERE ARE fewer snooty people these days than ever before, mainly because fewer people have anything to be snooty about.

## What about this Great Society?

THIS COLUMN has carried some brave words about "change" in recent months. I've put myself on record as a guy who supposedly rolls with the punches and tries to adjust his thinking to accommodate those who promote the Great Society.

I'd be less than honest if I didn't confess to a vague uneasiness at times about just where we're going and the nature of the forces which propel us.

This came to mind this week as I read a note from old friend C. S. (Sam) Langdon of Lebanon Township. The Langdons are wintering at Covina, Calif., and had recently enjoyed an overnight visit with the Glenn Tupper's, former St. Johnsites who now publish The Courier at Orosi, Calif.

SAM REPORTS that "Tup", a long-time mechanical superintendent here at The News, has failed some physically but maintains a lively interest in local and national affairs.

I gathered that the Great Society got a going over in an evening of conversation between Sam and Tup; and that they both view with considerable alarm the national and local decline in self-sufficiency.

"But why should I find fault," asks Sam, "when one of my own daughters left her 25-year connection with Merrill-Palmer school to become assistant to the director of the poverty program in Detroit?"

THIS IS THE rub, of course, and those of us who have lived through another era are hard put to understand the economic facts of 1965 life and the ease with which the younger generation accepts big-government munificence.

To begin with, we aren't fully convinced that there is any sound economic base for our dreams about a Great Society.

I remember the late Vern Elwood, God rest his soul. He was a skilled elec-

trician-plumber. Somebody talked him into opening an electrical appliance sales agency up in Gladwin back in the late 1930s.

He appeared to prosper for a time. He sold washers and ironers and stoves and refrigerators in every corner of the county. One day, after a talk with his banker, he reported to me in all seriousness:

"I'm really going great guns. I just went over my statement at the bank and I've got assets of \$30,000 and liabilities of even more than that."

It was several months before Vern's misinterpreted liabilities caught up with him. To his everlasting credit, he quit the retail business, went back to work at the trade he knew something about and paid off his accumulated debts.

VERN ELWOOD'S balance sheet of 30 years ago popped into my mind the other day as I read President Johnson's State of the Union message and his forecast of the Utopia to come. (I don't watch and listen to the President on the tube. He's pretty persuasive and I prefer to analyze the cold, hard print.)

Who can quarrel with the President's objectives? Everybody must agree that it would be fine to have a nation in which all the people are healthy, happy, well educated, prosperous and protected by equal justice under law.

But can this be brought about successfully through the auspices of an increasingly powerful and spendthrift Federal government? Or should the emphasis be shifted more to greater recognition of the responsibility of the individual, the family, the private institution and local and state government?

Like Vern Elwood, we've got many supposed assets; but do the liabilities of increased reliance on Federal government outweigh their eventual worth?

## Letters to the Editor

### Discusses concept of evolution

I WAS HIGHLY impressed with your thought provoking editorial last week in regard to the lady who was so upset about the teaching of evolution in the public schools. I gathered that you are concerned with just how far should evolution be accepted.

My sympathies are with the lady, but I believe I would oppose her course of action. The educational profession guards zealously what they call academic freedom, and rightly so. Likewise if the majority of the people accept evolution, then let it be taught; but give us a sprinkling of students who have been taught by faithful pastors and God-fearing parents to challenge it on its own ground.

RIGHT HERE I come to a point that so upsets me. For years the theologians fought evolution as taught by the scientists. Now I find a paradox—theologians defending it while men of science, especially on the university and graduate level, are beginning to seriously challenge it.

I know whereof I speak, as I have before me an editorial written in the official church paper of one of the largest Lutheran Synods (my denomination, but not my Synod) in which the writer quite derisively berates those individuals and Synods which still reject evolution and cling to the inspired account of Genesis as being correct. I also find that evolution, in a measure, is taught as fact in most of the church-sponsored colleges with which I am familiar.

LIKEWISE I have recently fin-

ished reading a book by a layman, Henry Morris, PhD; currently head of the Hydraulics and Civil Engr. Dept. of Virginia Polytechnic Institute. This man has a long list of degrees in various fields, is a full member of the American Assn. for the Advancement of Science and is a brilliant writer and lecturer. He examines every so-called proof of the doctrines of evolution and clearly shows them to be wanting in true scientific deduction.

He appears to be actually startled that men of our 20th century who pride themselves on their ability to accept nothing on faith alone, will willingly accept evolution which is very much based on a faith lacking true scientific foundation.

IF ANY of your readers, especially our school age youth are troubled by evolution I would highly recommend this book, "The Twilight of Evolution" by Henry Morris.

Sincerely,  
PAUL SEEGER

Wheat is quoted in the local market this morning at \$1.25 to \$1.28; beans \$2.65; oats, 48 cents. Farmers with grain to sell are smiling now.

It is reported that the Grand Trunk Railroad will discontinue the fast train going west at 10:20 a.m. and east at 5:28 p.m. next Sunday, Jan. 17. The noon train arriving here at 12:30 will probably be 15 to 20 minutes later.

## STRICTLY FRESH

Strange, but it seems to be true: Charm is a woman's strength while strength is a man's charm.

Some persons are willing to do a day's work, but want to do it in 7½ hours and want a week's pay for it.

It is said that even if a man could understand a woman, he still wouldn't believe it.

**MICHIGAN MIRROR**

**High number of freshmen senators may slow work**

Lack of experienced Senators in the majority party may mean trouble for progress of legislation this year in that chamber of the Legislature.

Democratic leaders lined up their committee chairmen before the Jan. 13 start of the session, but face an important education job before the committees can be fully effective.

With only seven Democratic senators returning to office this year, Majority Leader Raymond Dzendzel of Detroit had to fill 12 of the 20 committee chairmanships with freshmen members.

THREE OF these 12 posts will be filled by men who previously served in the House and are familiar with the peculiarities of Michigan's legislative committee system, but the other nine are completely new to state-level government.

Dzendzel gave the most important committee chairmanships to veterans. Freshman sen-

ators, however, will head such working units as elections, labor and taxation; three committees which do get a flood of important bills each session.

Presumably the seven veteran Democratic senators will be placed strategically on these committees to assist the new chairmen in maintaining smooth operation of the all-important consideration required in the chamber's working units.

STATE government lost two top officers when members of the US House of Representatives were sworn in this month. Each was at the top, both from the standpoint of position and performance in his job.

The two were Highway Commissioner John C. Mackie, elected in the new 7th Congressional District, and Auditor General Billie S. Farnum, winner in the 19th District.

In Mackie's seven years as highway commissioner, Michigan saw completion of more than 1,000 miles of freeways and modernization of another 6,000 miles of other state roads.

This performance put Michigan in No. 1 rank in the amount of interstate freeways open, with 75 per cent of the state's planned system. The national average for completion at year's end was 40 per cent.

BOTH Democrats, Mackie and Farnum were not primarily known for their party affiliation during their respective terms of office. This is to their credit as both jobs require objective treatment.

Farnum was appointed to his post late in 1961 while serving as deputy state chairman of the Democratic party. Prior to that time he held several appointive positions.

He was elected to a full term as auditor general the following year and forthwith began a series of routine audits of state departments and agencies which drew criticism to him.

AGENCIES WHICH were not complying to the letter of the law where state funds were concerned were publicly chastized and told to correct the errant practices.

These included major departments, colleges and universities and, most recently, the Michigan National Guard.

The criticism fired at Farnum for these public disclosures of alleged improprieties generally was based on the idea that he was trying to bring discredit to the agencies and glory to himself.

Despite this criticism, it was generally agreed that auditor general's reports were based on law and sound business practices and that he was wholly within his jurisdiction in seeking correction of exceptions of these practices.

REPLACEMENTS for Mackie and Farnum are recognized men of proven ability. Howard E. Hill, named acting director for the Highway Department, has been with the operation since 1958 and has a reputation as a fine administrator.

Allison Green, Tuscola County Republican, replaces Billie Farnum as auditor general. He was speaker of the House in the last session, and has a long record as a keen student in government.

Both of them have high standards to maintain if they are to operate at the levels of their predecessors, and there is nothing to indicate they will not.

new informal guarantee by Michigan State University. The administration is talking about a bona fide, real job paying at least \$1.25 per hour and 10 or more hours per week. Most of these are in food handling, clerking positions or in university buildings.

At present MSU cannot hire enough of its own students for campus work.

MSU is making an advantage of a disadvantage. There are several reasons for the current circumstance. Many students who would have had to work to stay in college a generation ago can get scholarships today. The general increase in living standards means more parents can better support students than previously. The ever-present tendency of students to live college life to the hilt, which leaves little room for extra work, has not abated. The larger institutions have more jobs than previously. College work is harder and pressures are higher than many years ago so that some students must use all available time for study.

THE SPECIAL invitation has significance to bright students who don't have enough help from their own sources to attend college. It means that those who are willing to work can help themselves get an important education.

By Elizabeth Millman

Practically every person who has been interested in the Civil War has some "pet" Civil War story which has never been published. Now is your chance to see these stories in print. Mrs. Raymond H. Millbrook, chairman of the Women's committee of the Civil War Centennial Observance Commission, has agreed to edit these stories and episodes under the title of "Twice Told Tales of the Civil War."

These stories should not be more than two typewritten pages, double spaced. They may be sent directly to Mrs. Raymond Millbrook at 201 E. Kirby Avenue, Detroit 2, Mich. If accepted, the author will be given due credit.

STORIES of another war are to be found in the book "Secrets and Spies" edited by Reader's Digest. These are a series of behind-the-scene stories of World War II. They represent the secret operations of Japanese and German spies in America long before the bombing of Pearl Harbor. Such topics covered include the daring night attacks on British battleships by Italy's famed frogmen; the mission of General Mark Clark to Africa and his narrow escape; the dead man who outwitted Hitler's espionage chiefs; the details of Hitler's last moments and many other tales from history's greatest war.

Three novels of note are "The Explorer" by Frances Parkinson Keyes, "The Legend of the Seventh Virgin" by Virginia Holt, and "Things As They Are" by Paul Horgan.

"THE EXPLORER" is the story of a man bent on discovering the lost cities of Peru. The author, Mrs. Keyes, has written many books of fiction and she tells a spell-binding story in this tale of adventure and romance.

Virginia Holt has created another of her suspense novels in this book, "The Legend of the Seventh Virgin." In this the poor girl becomes mistress of a mansion, only to have her world

crumble about her as the mystery of the walled-up cell is solved.

PAUL HORGAN in his book, "Things As They Are," has created a masterpiece. He shows the confusion of childhood with all its fears and innocent joys. This is the story of a boy growing up in an atmosphere of love. How he learns about death, and about grown-up sins is told in a moving and beautiful way.

**Bank displays money exhibit**

An exhibit of money dating from early Roman times to the present day is being shown this month in the new Centennial Room at the St. Johns office of the Clinton National Bank and Trust Co.

The display is one of a series of features planned in conjunction with the bank's observance of its 100th anniversary in 1965.

The exhibit is open for inspection during regular banking hours—from 9 a.m. until 4 p.m. on weekdays and from 9 a.m. until noon on Saturdays.

IN ADDITION to currency issued by the colonies and the British during the War of American Independence, the display includes coins issued by the United States since the Civil War.

**Sleigh bells had song of their own in yesteryears**

HAYDEN PEARSON

Do you remember? Remember when sleigh bells made tinkling music on crackling winter air and steel runners squeaked and crunched on hard-packed snow?

Time was half a century and more ago when farmers and villagers were particular about sleigh bells. Some preferred sets of pole chimes attached to the shafts; some favored long sets of body bells. A few were partial to the neck strap.

IN THE days when snow rollers pressed down the snow after a

storm had blown out, you could tell who was coming along the road before the pung or sleigh came in sight around the bend. Bell sets had their individual songs and melodies, even when all were jingling briskly as the Morgan mare sped along smooth, slippery tracks.

On Mountain View Farm Father liked the Swiss Pole Chimes. The catalog was definite in its praise. "Made of high grade cast bell metal; open bell with iron knockers. Each bell has a distinct tone in itself and each bell chimes with

the others. The best six bell pole chime you can buy. Price for six bells on one strap, \$1.45."

NO LONGER does one hear the music of the bells; no longer do sleek roadsters whisk along country roads. A snow-covered road does not fit with a rubber-wheel economy. But there are some who look out on a snow-covered countryside and remember those days of long ago. Listen! Perhaps you can hear them—hear the soft, sweet echoes of the sleigh bells of yesteryear.

## St. Johns Co-operative owners elect directors

Three new members of the board of directors were elected at the annual meeting of stockholders of the St. Johns Co-operative Co. Saturday at Smith Hall.

The directors are Warren Coffman and Kenneth Fricke, incumbents, and Wilbur Thornton. After the membership meeting, the directors met to reorganize.

COFFMAN WAS reelected president, Raymond Mayers was named vice president, and John L. Hall was named secretary-treasurer-manager. Other members of the board of directors are Don Puetz, R. G. Hyde and Clyde Pearson, along with Fricke and Thurston. Fricke was elected to the executive committee.

The annual meeting followed a noon luncheon prepared by the ladies of the Greenbush Methodist Church. There were 116 stockholders, plus their wives and guests present.

COFFMAN, in his president's report, reviewed the past growth of St. Johns Co-operative Co. and listed 14 responsibilities which face the group, pointing out that "When people or organizations grow in importance they must face new responsibilities.

"We have here a grand co-operative effort, one in which we can take pride," Coffman said. "When we became members of this group we acquired a desirable identity; we derive faith and pride to bolster our self-esteem and a sense of usefulness and worth by sharing in the achievements and efforts of the group.

"BY GETTING into these enterprises, we haven't solved all the problems of our members," he admitted. "We have developed no sure-fire way of coping with surpluses, but we have given our members a home for their products, a voice in the market place and a share in the profits.

"The existence of a strong, well-managed, well-used St. Johns Co-operative in our trading

area adds to the general economic health of our community by providing added income to farmers, jobs for local people and added business to the town from farmers, employees and our co-op business itself."

HE NOTED that in the past year the co-operative has added a bean plant and a new drier "which have added substantially to our net worth and have given additional service to our members."

John Hall reported to the group on the financial position of the company. The statement of sales and services for the fiscal year

which ended June 30, 1964, showed a volume of \$1,854,760, a net increase of \$199,628 in volume of business over the previous year.

HALL ALSO reported on how business is going during the current fiscal year, which is now in its seventh month.

Donald Munger, agriculture instructor at St. Johns High School, introduced Bill Dershem, president of the St. Johns chapter of Future Farmers of America. Dershem reported to the crowd on his stay last summer at the American Institute of Co-operatives Conference.

THE ELECTION of directors was preceded by the introduction of six names as nominees for the directorships. They were presented by Ron Motz, chairman of the nominating committee.

## Becker honored by Co-op

J. Lawrence Becker of 5200 W. Kinley Road, St. Johns, was honored Saturday by the St. Johns Co-operative Co. for his 21 years of service on the company's board of directors.

Becker was presented with a certificate of appreciation by John L. Hall, secretary-treasurer-manager, at the company's annual meeting Saturday.

BECKER ended his service to the board of directors when he chose not to seek reelection Saturday. Wilbur Thurston was elected to fill Becker's seat on the board.

Hall said the certificate was being given to Becker as "a token of our appreciation for a job well done."

BECKER was first elected to the co-operative's board of directors Jan. 8, 1944, and he served until this last Saturday. He was president of the board from Jan. 10, 1948, to Jan. 7, 1953, and he was vice president from Jan. 8, 1944, to Jan. 10, 1948, and from Jan. 8, 1955, to Jan. 9, 1965.

## Road Commission Weekly Report

The big problems over the last week have come from the thawing weather. Mild temperatures brought on conditions like a spring breakup.

The Board of Clinton County Road Commissioners held a special meeting Tuesday, Dec. 29. The commission and the road and bridge committee made an inspection trip to several bridges. The board met in the afternoon with the employees to discuss group insurance. The commissioners voted to change the insurance to the Confederation Life Assn. through the Karber-Hopko Agency of St. Johns.

THE REGULAR meeting of the board of Clinton County road commissioners was held Jan. 4. Bids were opened for the January and February requirements for gasoline. The Mobile Oil Co. was low bidder and was awarded the contract.

The commission also considered quotations on diesel fuel for the next six months and for gasoline requirements for the trucks at Westphalia. Westphalia Oil Co. was low bidder at Westphalia and was awarded the contract. Standard Oil Co. was low on diesel fuel and was awarded the contract.

THE commission then opened bids for three new gravel trucks and three new bodies. Egan Motor Sales of St. Johns was low bidder and was awarded the contract. Authorized Brake Equipment Co. of Flint, dealer for Gar Wood dump bodies was awarded the contract for the three bodies.

Vandals continued to perform in 1965 as they had in 1964. A road commission grader was attacked last weekend and all windows were broken. The grader was on a job in Watertown Township near Wacousta.

## Mercury, year's most successful car, awarded year's top honor

Receives Car Life's Annual Award for Engineering Excellence.

The car you see on this page is the proud recipient of the hardest won award in the automobile business.

In selecting Mercury for 1965, Car Life Magazine stated, "Mercury shows a quality of concept, design and engineering far above the ordinary."

Wide press acclaim.

The New York Times called Mercury "the surprise hit of 1965 in the

medium-price field." Automotive News says it's "probably the most changed car in years." Life Magazine, the Miami News, the Pittsburgh Post Gazette have echoed these sentiments.

But what counts most, really, is customers — people who come in and say, "I like" — and then buy. Right now, the 1965 Mercury is getting its greatest customer acceptance ever.

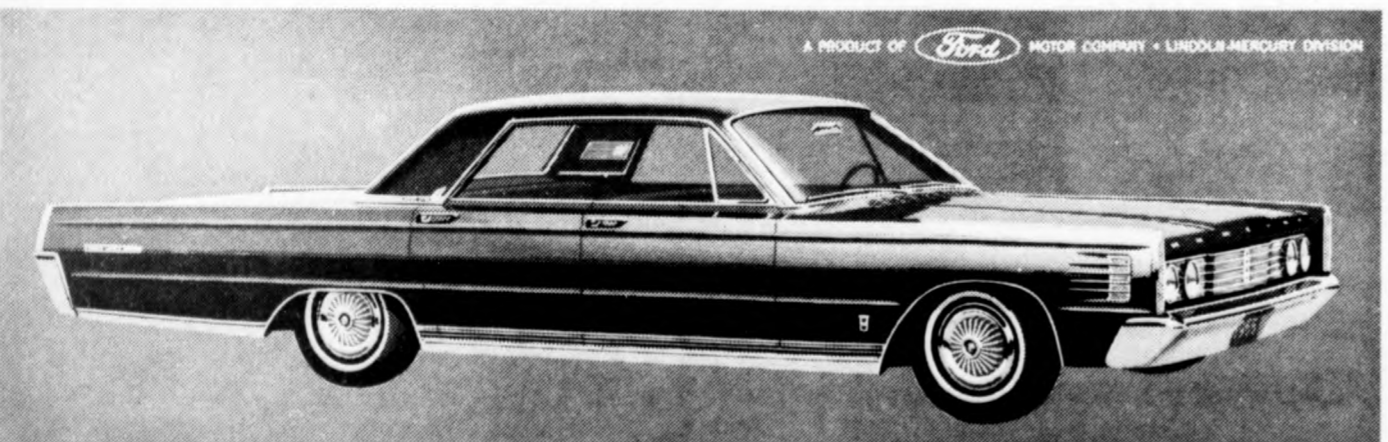

Production up 83%.

To assure meeting the increased

demand, production schedules for Mercury have been increased 83%.

Credit, of course, goes to the car itself. A new kind of Mercury—built in the Lincoln Continental tradition. Beautifully proportioned, and with luxury features and options once reserved only for the most expensive cars. No medium-price car has ever come so close in luxury to the high-price class.

Come see what all the talk is about. Drive the new Mercury — today.

### '64 wool applications filing deadline Jan. 31

BY W. M. SMITH  
County ASC Manager

Farmers have until the end of January to file applications for 1964 marketing year payments under the National Wool Act. Jan. 31, 1965, is the official final date for accepting payments in connection with the marketings of either wool or lambs during 1964. Since January 31 falls on a Sunday, the effective deadline will be Feb. 1.

Producers are urged to submit their application on completed sales as soon as possible.

THE 1964 MARKETING year under the wool program ended the last day of December 1964. Wool marketing years now coin-

cide with the calendar year. The end-of-January 1965 deadline for filing 1964 applications is in line with normal program procedure of continuing to accept such applications for a month following the end of the marketing year.

The 1964 program payments—which probably will begin in April—will cover shorn wool and unshorn lambs marketed during the 1964 calendar year. Later marketings, or marketings which are not completed by the end of December 1964, will be eligible for payments for the 1965 marketing year, which began the first of the year.

THE NECESSARY sales records accompanying the applications will be the basis for calculating the national average price received by farmers for wool during the 1964 marketing year. When the average prices can be determined, the payment rates for shorn wool and unshorn lambs sold during the 1964 marketing year will be announced. Congress authorized the National Wool Act in order to encourage the domestic production of wool.

### Choose 40 discussion leaders

More than 40 local residents have agreed to serve as "citizen leaders" for the "Developing Human Resources" study-discussion program in Clinton County.

As citizen leaders, George R. McQueen, county extension agent, for agriculture, explained, each will be responsible for organizing at least one neighborhood group of 10 or 12 people. They will conduct that group through a series of three discussion meetings on the topics, "People, and Jobs for Growth."

THE LOCAL human resources project is part of a statewide effort to make Michigan citizens aware of the major occupational trends taking place and the educational adjustments that must be made to meet those trends.

The citizen leaders will be joining their efforts with those of the central guidance committee and the Clinton County Cooperative Extension Service.

NEIGHBORHOOD discussions will take place during February and March. The committee hopes, through the cooperation of the citizen leaders, to enroll at least 350 Clinton county people in 35 discussion groups. For the most part, discussions will be conducted in private homes.

McQueen said Michigan State University Cooperative Extension Service, sponsor of the statewide program, has prepared factual materials and aids to discussion for each group. He invited persons wishing to learn more about the program or wanting to take part in the discussions to contact the County Extension Service office in the Courthouse at St. Johns.

Michigan has been a leader in promoting skiing for more than 100 years. The first ski club in the United States was organized at Marquette in 1863 and the National Ski Assn. was founded at Ishpeming in 1904.

(As different from other cars as they are from each other)

**CHEVROLET—As roomy a car as Chevrolet's ever built.** Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

**CORVAIR—The only rear engine American car made.** Corvair Corsa Sport Coupe

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Charged!

### Simple and savory

Here's a pie that is filled with summer sunshine to serve in the cold of winter. Canned peach pie filling that tastes fruit fresh and sweet as if just picked, is the magic ingredients. Spooned right from the can, this fruit pie filling can be used year 'round in cobblers, pies or atop cake and ice cream sundaes.

This Peaches 'N Cream Cheese Cookie Pie is so easy to prepare that you'll want to treat the family to it often. The crust is made from nut-studded butterscotch cookies—the refrigerated kind that only need slicing and baking. Sweetened cream cheese is the base for the velvety-smooth topping that caps this delightful dessert. Try it soon—it will add a colorful and flavorful note to your winter menu.

- PEACHES 'N CREAM CHEESE COOKIE PIE**
- 1 roll refrigerated butterscotch nut cookies
  - 8-oz. package cream cheese
  - 1/2 c. powdered sugar
  - 1 egg
  - 1 can (21 1/2 c.) peach pie filling

#### Short on bacon?

If ever you discover there's not quite enough bacon to serve everyone his breakfast quota, try this: cook the bacon until crisp, then crumble and stir into the dry ingredients called for in a basic biscuit or muffin recipe. Mix and bake as directed, then serve hot with butter or margarine.

Lightly grease and sugar the bottom and sides of a 9-inch pie pan. Cut cookie dough into slices 1/8-inch thick. Line bottom and sides of pan with cookie slices, overlapping slightly to form a scalloped edge (use about 1/2 roll). Bake at 375 degrees for 8 to 10 minutes, until light golden brown. Cool.

**COMBINE SOFTENED** cream cheese, powdered sugar and egg. Beat until smooth. Turn peach filling into cooled crust; spread cream cheese mixture over top. Bake at 350 degrees for 25 to 30 minutes. 8 servings.

#### Want something with coffee? Try this

Pass tasty Peanut Butter Swirls at coffetime—impressive, yet so easy to make. Prepare a basic scone recipe based on 2 cups of flour. Roll out to a rectangle 6 x 18 inches. Spread with a filling made by creaming together 1/4 cup each of butter or margarine, peanut butter and light brown sugar.

Roll up as for a jelly roll and cut into 18-one inch slices. Place in greased muffin cups or 2 greased 8-inch round pans.

Bake 15 to 20 minutes in a preheated 425 degree oven. Remove from pans immediately and brush with confectioners sugar icing.

### Women proven to have longer life than male

Advances in medicine and in living conditions seem to have benefited American women more than men, at least as far as life expectancy is concerned.

A girl born at the turn of the century, for instance, had an average life span of 48.3 years. For a boy, the comparable figure was 46.3. By 1950 life expectancy at birth had risen to 71.1 for women and 65.6 for men, and in the past decade women have gained another two years and men one, bringing the difference 6.5 years.

The same trend is seen throughout the world: the more advanced the country, the greater the spread between male and female life expectancy.

THERE ARE several possible explanations for this, according to health authorities:

Modern medicine has made its greatest strides in controlling communicable diseases and has practically eliminated maternal deaths in childbirth. On the other hand, there's been relatively little progress in the area of degenerative diseases—heart and kidney ailments, cancer, hardening of the arteries, ulcers, etc. Women seem to have greater resistance than men to most of these diseases, which each year account for a larger share of deaths in the US. For example, many researchers believe that the female hormone, estrogen, helps protect young women against coronary attacks. Even among newborn babies, the death rate for girls is substantially lower than for boys, a strong indication that—as in the animal world in general—the female of the species starts out in life with a better chance for survival.

THERE'S considerable evidence that the pressures of civilization have been affecting the health of men more than that of women. Stress-related diseases (such as hypertension and certain heart and gastro-intestinal ailments) kill two to five times as many men as women, depending on age, and the number of suicides among men is about three times greater than among women.

Women's life habits involve less exposure to major health risks. Accidents, for instance, take the lives of twice as many men as women. Heavy smoking and obesity, both regarded as contributing factors in many types of disease, are much more prevalent among men than women.

SURVEYS showed that women were more likely than men to stay out of work, to consult doctors and to be confined in bed by illness. On the whole, they tended to be ill more often but less seriously than men. For example, women reported 15 per cent more acute respiratory conditions (flu, pneumonia, and bronchitis) than men, and yet their death rate from these causes was 40 per cent lower than that of men. Excluding pregnancy and related reasons, women between the ages of 15 and 65 average five doctor's visits a year, compared with less than four for men, and spend an average of 3.6 days a year in bed due to short-term illness or injury, compared with 2.6 for men. This may reflect cultural and economic factors as well as medical ones. The loss of a day's pay, the pressure of job responsibilities—or simple unrealistic pride in his physical stamina—keeps many a man at work when he should be home in bed or seeing a doctor.

#### Add too much milk to biscuits? Try this

Don't despair if you accidentally add too much milk to biscuit dough. Just drop it, as is, by spoonfuls onto an ungreased baking sheet and bake in a preheated 450 degree oven 10 to 12 minutes. Drop biscuits have crispier crusts than do kneaded and rolled biscuits.

## CLINTON COUNTY NEWS PAGE for Women AND MEN, TOO

### Dept. of Agriculture says, 'No more pills'

BY BETTY KETCHAM  
County Extension Agent  
Home Economics

Pills belong in bottles. Definitely not on your sweaters.

Yet, the fiber ends of some modern-day fabrics tend to roll into tiny hard balls—or pills—that stick tight to the fabric. This pilling increases during wearing and laundering because the balls catch other surfaces, particularly of the same fabric, to form more pills.

You can reduce pilling by turning the garment inside out when you wash it. For further protection, clothing specialists at the US Department of Agriculture suggest placing the "pilly" item in a mesh bag for laundering.

If your garment already had pills, the job is more difficult. You have to remove them one by one. Pull the cloth firmly over a curved surface (so the pills stand up and away from the fabric), then cut them off carefully with scissors or razor blade.

SOME OF you were interested in a "home-made depiller" that was explained at the "What's New in Textiles" meeting. I now have more information about this. It will be explained again at the Rug Buying Lesson Jan. 13.

So your Christmas cactus didn't bloom this year! If you have a warm, cozy home and burn the lights late into the night, it won't bloom next year either! But there are plants that will grow under modern home conditions. The horticulturists at the US Department of Agriculture call these the iron-clads.

These include the deffenbachia (deefenBAHKeeah) . . . also called dumb cane. It grows best in indirect sunlight. That means sunlight diffused by a lightweight curtain. And take care not to overwater the deffenbachia. Overwatering causes the root and base of the canes to rot quickly. It's best to keep the soil on the dry side.

ANOTHER Iron-clad plant is the philodendron. This plant grows better than most house plants under modern home conditions. The philodendron likes the temperature at 65 degrees minimum. And keep it moderately moist and out of direct sun-

light. Wash the leaves once a month with soap and water. But do not get soapy water on the soil.

The Bromeliads are the most adaptable of all foliage plants. Their leaves hold water and the plants grow well under dry indoor conditions in light or shade. Keep the center of the plants filled with water and, occasionally, spray the leaves with water to remove the dust. When bromeliads are mature, a brilliantly colored flower spike grows from beneath the pool of water in the center of the plant.

Other iron-clad plants include the rubber tree plant and the schefflera. The African violet, too, gets along well in the modern home.

BE SURE to watch for announcements concerning women's programs during the 50th anniversary of Farmers' Week. It is an outstanding program on subjects of great concern to most homemakers. The dates are Feb. 1 to 4.

## Becomes TOPS queen by losing 42 pounds

BY PATRICIA HOLMES

The St. Johns TOPS Club has a new queen.

Crowned Thursday, Jan. 7, for taking off 42 pounds in 1964, was Leona Peck. Mrs Peck won the honor by losing more weight last year than any other member of the TOPS (take off pounds sensibly) Club. In the last two years she has lost 65 pounds and last year was runner-up for the queen's title with a loss of 32 pounds.

"I've been overweight since I was 11 years old," she said. Mrs Peck said that she dieted by going without desserts.

"THE WEEKS that I counted my calories were when I was most successful," she said. Her dress size dropped from a size 52 to a size 20 1/2 since she began dieting.

"I have a ways to go yet. If I stick with TOPS, I'll do it," she said. Her goal is to reach 150 pounds.

Other winners in the different divisions of weight were Irene Dunsmore, Marjorie Stoneman, and Hannah Vitek.

THE ST. JOHNS TOPS Club is a chapter of TOPS Club Inc., a national organization. Their purpose is to lose weight through group therapy. The women who join have the same object. Weekly weight records are an added incentive to lose pounds, as are cash rewards.

For example, the theoretical Mrs X comes to the TOPS Club weighing 230 pounds. Her first step would be to see a doctor, who would help her set her goal. Together they decide that she should weigh 140 pounds, so she begins to diet in any manner that the doctor approves of.

But Mrs X finds dieting hard at first and gains a pound the first week. The club then classifies her as a "pig" and all through her second meeting she must wear a pig pin or a bib and she must pay 10 cents into the treasury.

AT THE third meeting she weighs in and finds she has a four-pound loss. Besides becoming a TOP, she finds she's lost more weight than any member, that week, and she is queen for the week.

MRS LEONA PECK (left) AND MRS RUDOLPH MASARIK

The fourth week Mrs X didn't work very hard, but she didn't gain. She is classified as a "turtle" and receives \$1 for keeping last week's loss of.

If she loses the most weight in one month she becomes queen for the month, and receives \$1. Also, anyone losing seven or more pounds in one month, whether they are queen or not, receive \$1.

MRS X became queen after one year, by losing the most weight. She received the crown that was used all year, \$25, and will represent her chapter at the state convention, just as Mrs Peck will this year.

The next year, Mrs X reached her goal. She then became a KIW (KOP in waiting.) She must keep the pounds off for three months, at which time she will be graduated to KOPS (she will lose pounds sensibly.)

TOPS members, which number 29 in St. Johns, work at weddings and hold white elephant sales in order to raise money for their treasury.

IN SUMMING UP the essence of the club Doris Havelka, last year's queen and present leader, said:

"Eating is a habit you have to change. If you don't do that, the dieting doesn't do any good."

Nancy's lonely. Nobody bothers with her much these days. Mommy's always sad and upset. And when Daddy's home, the quarreling and shouting make Nancy so frightened that she hides. She couldn't put it into words, but she knows that her safe little world has fallen to pieces.

The number of broken homes grows every year. Mutual affection and mutual interests are good reasons for marriage, but they are not enough. Our ancestors used to hang the framed words "God Bless Our Home" over the mantel because they knew that He must be a member of every closely knit family circle.

No matter how difficult a marital problem may seem, it can be solved with God's help.

Church membership and regular church attendance do much to strengthen and enrich family ties. Bring your family this Sunday. Every member, from the oldest to the youngest, will be welcome.

**THE CHURCH FOR ALL ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### Check the Answer

Take your pencil and check the right answers to this question, "How can I become a Christian?"

- 1) Become a baptized
- 2) Join a church
- 3) Confess your sins
- 4) Read your Bible
- 5) Pray
- 6) Go to Mass
- 7) By doing good
- 8) Keep the Ten Commandments
- 9) Pass out literature from door to door
- 10) Keep the Golden Rule
- 11) Trying to do what is right
- 12) Stop drinking and smoking
- 13) Doing the best you can
- 14) Becoming a witness

Now if you have placed a single check in any of the above spaces you reveal that you do not know God's answer to the question. There is not a single verse in all the Bible that teaches you to become a Christian by doing these things. The Phillipian jailer asked the Apostle Paul, "What must I do to be saved?" The Apostle answered, "Believe on the Lord Jesus Christ and thou shalt be saved!" (Acts 16:31) To believe on the Lord Jesus Christ means believing the record God has given of His Son, trusting in His atoning sacrifice and submitting to Him as the Lord of your life. Salvation by works is heresy. Salvation by grace through faith is the truth.

## Man celebrates 75th birthday

ROCHESTER COLONY — Sixty-six guests, which included friends, relatives and neighbors, gathered at the Walter Kaufman Sr. home on East Colony Road, Saturday evening, Jan. 9, to surprise Kaufman on his 75th birthday.

Out-of-town guests were Mr and Mrs Ivan Risley of Royal Oak, Mr and Mrs Tom Baese of Houghton Lake and Mr and Mrs Walter Lusk of Elsie.

Lusk, whose birthday is also Jan. 9, learned that Kaufman was a native of Pennsylvania. Lusk

was also born in Pennsylvania, eight miles from Kaufman's birthplace.

Refreshments, including a large birthday cake baked by Mrs Walter Kaufman Jr., was served.

Gifts were received by Kaufman and Lusk, and Mrs J. D. Washburn, daughter of Kaufman, made a tape recording of the occasion.

Gary Spellman, son of Mr and Mrs Joe Kobylarz, a freshman at Lansing Community College, is one of the students included on the Dean's List for the fall term. Gary lives with his parents on North Krepps Road and was graduated from Rodney B. Wilson High School with the class of 1964. He is majoring in social science.

## Jolly Pioneers view ice show

ROCHESTER COLONY — Six members of the Jolly Pioneers 4-H Club, with Mrs Andrew Cobb, leader, attended the matinee of "Holiday On Ice" at the Lansing Civic Center, Saturday, Jan. 9. Following the show, the group went out for a pancake supper.

En route home, Rita Washburn, president, called an informal meeting to order. After discussion, they decided to help a needy family for their club's community project which will start in February.

THE NEXT meeting will be held Jan. 25, at the J. D. Washburn home. Each member will give a demonstration. Sandy Grubaugh adjourned the meeting.

James Kurncz, son of Mr and Mrs John Kurncz of East Colony

Road returned home Jan. 10, after undergoing an emergency appendectomy at Clinton Memorial Hospital. James is employed at the Oldsmobile plant in Lansing.

Reinhart Billings of North Watson Road entered the Clinton Memorial Hospital Jan. 2 and was scheduled to receive surgery, Wednesday.

## Sled dog races on activities slate

If you're looking for something to do this weekend or next week, here are some suggestions from the Michigan Tourist Council for places to go.

The Detroit Auto Show at the Detroit Artillery Armory in Oak Park will continue through Sunday. There are sled dog races at Decatur Saturday, providing there's snow, and Houghton Lake will hold its annual Tip-Up Town USA observance Saturday and Sunday.

Shop in Clinton County.

**Christmas seal funds  
continue increase**

The latest Christmas Seal report for Clinton County shows an achievement of 105 per cent of last year's total campaign. The report is for the week that ended Dec. 31.

As of that date, \$3,994 had been donated, compared to last year's total campaign contributions of \$3,793. On Jan. 3 last year only \$3,126 had been received, so the county campaign is running far ahead of last year's record-setting pace.

All Christmas Seal donations and gifts to the fight against tuberculosis received through March 31 are credited to the current campaign. Normally 15 to 20 per cent of the previous campaign is received after Jan. 1, so a big increase over the Dec. 31 total is still expected.

**City awards gas,  
oil '65 contract**

Standard Oil Co. was awarded the contract for supplying gasoline and fuel oil for city equipment during 1965.

Standard made a low bid of 14.49 cents per gallon for premium gasoline and was also awarded the oil contracts on bids of 12.5 cents for No. 1 fuel oil and 11.5 cents for No. 2 fuel oil.

THE CITY USED about 25,000 gallons of gasoline last year and about 4,600 gallons of fuel oil.

**PROCLAMATION**

January 14, 1965

WHEREAS over 2,000 persons in St. Johns and the surrounding area earn their living in industrial production, and

WHEREAS this group represents an important segment of the local economy, and

WHEREAS we recognize also the contributions to the cultural and civic life of the community by industry-employed people, and

WHEREAS the very safety of our country, as well as its peace, progress and prosperity have become dependent upon the skilled and semi-skilled labor of industry, be it therefore

RESOLVED that the City of St. Johns will set aside the week of Jan. 17-23 as Industrial Recognition Week, in appreciation of those who have contributed to the growth of the community through their participation, cooperation and sustained effort in industrial production.

Signed,  
JACK SMIT  
Mayor of the City of St. Johns

Same Uniform Feedmaking Plus 13 New Features

This is a good time for a Mix-All demonstration! There are 13 new features to show you. Come on in. You'll see the new auger feeder drive that loads ingredients at hundreds of speeds. See the high-speed unloading transmission that empties 2 tons of feed in 5 minutes. Then, there's the new concentrate hopper at the rear, the calibrated tank, and 9 other new and useful features.

GRINDS, MIXES, DELIVERS RATIONS ONE THING GEHL HASN'T CHANGED, though. The Mix-All still grinds and mixes with uniform precision. In the mill, 66 thin, reversible steel hammers cut (not pound) ingredients on a big 507 sq. in. grinding surface. The ration is thoroughly mixed in the 2-ton hopper. We'd like to prove all this with a demonstration. Why not ask us?
