Gayle Desprez is promoted by bank

Gayle Desprez, assistant cashier at the Clinton National Bank and Trust Co. for the past three years, was named an assistant vice president of the bank following the annual stockholders' meeting last Thursday evening.

Desprez will continue as personnel officer and will also take on additional responsibilities, said L. W. Wolf, president.

Elected as a new assistant cashier of the bank was Miss Joan Tomasiak at the Elsie office.

THE ONLY other change in directors and officers at the bank involved the resignation of Circuit Judge Leo W. Corkin from the board. Judge Corkin, a former vice president and trust officer of the bank, asked to be relieved of his post as a director.

A conflict of interest with respect to litigation in his court might arise because of his position with the bank, Judge Corkin said.

Voters split on selling school land

Voters in the Marshall School District in Greenbush Township were equally divided last Thursday on whether or not to sell the property on which the old school was located. In a special election, 14 voters approved the sale and 14 voted against it.

A new election is being planned for Jan. 28.

THE PROPERTY is on Marshall Road just west of US-27 and is land on which the school was located before it was destroyed in a fire in November. Fourteen grade school students in the district are now attending school in St. Johns.

The property was deemed by the Marshall board as no longer necessary for school purposes.

Anti-drag racing law enacted

An ordinance to help control drag racing and speeding was passed by the city commission last week after the second reading of the ordinance.

Numbered Ordinance 178, it prohibits the "racing of motor vehicles . . . in a speed contest or for purposes of making a speed record, the object of which is to beat others on the basis of elapsed time, superior performance or speed."

A fine of up to \$100 and/or 90 days in jail is spelled out in the ordinance.

School chiefs' conference Jan. 26

School superintendents from Clinton County will be participating in the 19th annual Southwestern Michigan School Administrators Conference at Michigan State University Jan. 26.

THE BANK'S new assistant vice president is a native of Bingham township and the son of Mr and Mrs Gaylord Desprez, R-4, St. Johns. He graduated from St. Johns High School in 1955 and served three years with the US Marine Corps.

He has schooled himself in banking procedures through courses offered by the American Institute of Banking.

Desprez and his wife, Sally, live at 610 Wight Street, St. Johns. There are three daughters, Sherri, 6, Michelle, 4, and Lisa, 5 months.

OFFICERS re-elected following the annual meeting are: L. W. Wolf, president; W. S. Lusk, executive vice president; John A. Rumbaugh, vice president, cashier and trust officer; Paul A. Schueller, assistant vice president and assistant trust officer; C. Lester Jenkins, assistant vice president; Arden J. Cook, Malcolm Lusk and Miss Irene Speck, assistant cashiers; Charles B. Huntington, auditor.

Chosen again as directors were: Dorr M. Anderson, William W. Barber, Roy F. Briggs, Robert A. Conn, Vernon Easlick, J. M. Egan, W. S. Lusk, John A. Rumbaugh; Conrad H. Seim, Jr., Lorenz A. Tiedt, Ink White and L. W. Wolf. Tiedt continues as chairman of the board.

No changes made by stockholders at Fowler bank

No changes in officers and directors were made at the annual stockholders' meeting at the State Bank of Fowler Tuesday evening.

Re-elected were: Roman P. Thelen, president; John Kramer, vice president; Fred H. Tiedt, cashier; and Charles J. Halfman, assistant cashier.

Directors continued in office are: Roman P. Thelen, John Kramer, Fred H. Tiedt, Dr. Bruno Cook, W. M. Luecht, Charles Mathews and James Whittaker.

Mrs Woodruff is new vice president at DeWitt bank

Mrs Norma Jean Woodruff is to be elected a vice president of the Woodruff State Bank at DeWitt in the only contemplated change among officers and directors at the annual meeting of stockholders Thursday.

Officers to be re-elected are: Ralph L. Woodruff, president; Laura Woodruff Shipley, vice president; and Howard A. Woodruff, cashier. Directors include the officers and William C. Dalman, DeWitt merchant.

Central National meeting Wednesday

Stockholders of the Central National Bank, St. Johns and Ovid, were scheduled to hold their annual meeting Wednesday. No announcement of their possible changes in officers and directors had been made when the Clinton County News went to press.

An account of their meeting will appear in next week's issue of The News.

Banking official speaks at DeWitt

Gerald Phelan, director of communications for the Michigan Bankers' Association, spoke to members of the DeWitt Lions' Club Tuesday night on the topic, "Keeping the Drive in '65."

Phelan was introduced to the club by Ralph Woodruff, president of the Woodruff State Bank of DeWitt.

Finally Time for Fun on the Ice

The weatherman finally cooperated, and St. Johns youngsters got their first chance Saturday to ice skate on the city park rink. These five youngsters got together Monday after school to form a little ice train. Sitting down is Debbie Rutkowski, while behind her are Karen Kohls, Suzanne Shane, Rosemary Paradise and Mike Paradise. Youngsters in the background are unidentified. The skating rink will be supervised, and the warming house open, from 4 to 9 p.m. weekdays, 12-9 on Saturdays and 1-9 Sundays. Al Werbish, Jim Pope and Dave Hill are among supervisors at the rink; others will be added later.

Proposed zoning plan hearing set

A comprehensive new zoning ordinance proposed by the city planning commission will go before the citizens of St. Johns next Thursday night at a public hearing.

The meeting will start at 7:30 p.m. in the Municipal Building.

WILLIAM GRAEF, chairman of the planning commission, will be moderator for the meeting, and members of the commission will explain different phases of the proposed ordinance.

Dr Carl Goldsmith, a Michigan State University professor in planning, who coordinated the St. Johns ordinance and helped prepare the text, will also speak. He'll point out different aspects of the ordinance from a planner's point of view.

GRAEF WILL open the meeting and give a general background of work on the ordinance, and then Dr Goldsmith will speak. City Manager Ken Greer will discuss Section 5 of the ordinance, which deals with its administration and enforcement.

Dorr Anderson will discuss

district regulations, as will Charles Coletta, along with concepts of Section 6 of the ordinance. Bill Morriss will talk on supplementary regulations and non-conforming uses. St. Clair Pardee will discuss special use permits.

EACH SPEAKER will be limited to five or six minutes for the sake of time, and after they have all completed their presentations, the whole planning commission will be available to answer questions. The proposed zoning map will be on display.

Present members of the planning commission are Graef, Coletta, Anderson, Pardee and Morriss plus Ed Sulka, Jack Smit, B. Stanley Pocous and Harold Reed.

Shows Red Cross film

Richard Newman of DeWitt, president of the Clinton County Red Cross, spoke to the Bath PTA last Thursday and showed the movie film, "River of Live."

He's fined, jailed for furnishing beer to minor

Carl William Hoppes, 21, of R-2, Portland, is finding out what it costs to furnish beer to a minor. For him its five days in jail, one year's probation, \$100 fine and court costs of \$19.30.

That was the punishment handed down by Municipal Judge Alba Wert following Hoppes' arrest in Westphalia Township by sheriff's deputies over the weekend.

HE WAS CHARGED with furnishing beer to Ralph Miller, a minor, of R-2, Portland. Miller was fined \$10 plus \$19.30 costs on the charge of being in possession of beer, and \$5 plus \$19.30 costs on a charge of having no operator's license.

Hoppes and Miller were together in Miller's car when they were arrested.

25 rural teachers meet with sponsors

Twenty-five rural teachers of Clinton County met Monday, Jan. 11, with their sponsors at the Municipal Building for a Fun Night.

Mrs Alden Livingston led group singing and dancing, after which Wendell Law called for Western style, country singing and dancing.

City's renewal plan study ok'd

A detailed study of an urban renewal project that could include the total clearance of two downtown blocks in St. Johns was ordered by the city commission Tuesday night.

The commission emphasized this was merely a study of one of two proposals made by engineers. The proposal calls for possible clearance of the northern-most two blocks of the downtown business district and improvement of many other buildings.

An alternate proposal is for partial clearance in all six blocks for additional off-street parking, and the refurbishing of some of the buildings.

The two plans were introduced last Thursday night at an informational joint meeting of the city commission, the city planning commission and the Mayor's Committee on Downtown Development. They were presented by Ed Hostels of Villican-Leman and Assoc., Inc.

THE ONE PLAN involving the total-clearance areas would cost about \$2,132,149. Sale of cleared land by the city would leave a net cost of \$1,772,006, three-quarters of which would be paid by the federal government.

Part of the city's share (\$443,001) could be raised by special assessments for parking lots against the benefitting properties. Hostels pointed out. This would leave only \$251,622 that the city would have to raise by other means.

BY COMPARISON, Scheme B, which involves only clearance of selected buildings for parking, would cost a net \$723,532, with the city's share only \$179,883. Again, special assessments against parking beneficiaries could cut the amount to be raised by the city to \$41,104.

The proposal as generally agreed upon was for a study only at this time. The cost of the study would be paid for by the federal government and would be a basis for further action.

ALLISON GREEN
County GOP Speaker

Allison Green to keynote GOP meeting

Allison Green, named Michigan's new auditor general early this month by Gov. Romney, will be the keynote speaker at the Spring convention of the Clinton County Republican Party at the Courthouse in St. Johns next Thursday, Jan. 28, at 8 p.m.

Principal business of the convention will be the choice of delegates and alternates to attend the party's state convention in Lansing on Saturday, Feb. 20.

At the state convention, Republicans will choose a state chairman and vice chairman and name 76 members to their state central committee.

DELEGATES eligible to attend the county convention are those elected in the county's 25 voting precincts at the Sept. 1 primary in 1964.

Andrew W. Cobb, Republican county chairman, issued an invitation this week to all interested Republicans in the county to attend the convention and hear the new auditor general speak.

Green is a native of Tuscola County and a former speaker of the state House of Representatives. He completed 14 years of service as a Michigan legislator on Dec. 31.

DeWitt caucus set for Feb. 8

DEWITT - A caucus will be held Feb. 8 at the DeWitt Municipal Building to name two candidates each for the offices of president, three trustees and a treasurer.

The caucus will be held at 7 p.m. The top two candidates for each of the offices will be placed on the March 8 village election ballot.

ALSO ON the February caucus program will be Jack Lennamenn, Lloyd Berkimer and Paul Mulford, a committee named some time ago to study the village's sewer rates. The three will be present with answers and/or suggestions on how to adjust rates that have been considered by many unequal to the amount of sewer services used.

CLASSES FOR expectant parents will start Wednesday, Feb. 3, running for six weeks. The classes, sponsored by Clinton Memorial Hospital, will be held in the dining room of the hospital at 7:30 p.m. each Wednesday. Mrs. Donna Love will be the instructor. Adv. 39-1

Businessmen, Industrial Workers Get Together for Coffee

Downtown businessmen and employees of Saylor-Beall Manufacturing Co. got together Monday morning for coffee and donuts on the first of a series of coffee sessions sponsored by St. Johns Business Unlimited. During Industry Recognition Week this week, businessmen are visiting local industrial plants to meet the workers and learn more about their jobs.

City renewal plan

(Concluded from Page 1-A) building owners, not the city. Hostels pointed out that government loans are available, under this program, at a true interest rate of 3 per cent for owners to improve their buildings.

THE HOUSING AND Home Finance Agency of the federal government Friday formally announced that St. Johns had received approval of its "workable program" for urban renewal. This merely confirmed a verbal approval of the project the latter part of November.

St. Johns' next step will be submission of their proposal to study the clearance and conservation renewal project. Detailed appraisals of all the property in the project area would then be made,

as well as a study of the impact of such a renewal program, the problems of displacing businesses, etc.

AFTER THE STUDY is made, a public hearing will be held, and all the facts and figures as to prices, marketing of land, impact of new buildings on other stores in town, etc. will be presented.

The city commission then

would make a decision on whether to proceed with the proposed urban renewal plan or change it in any way or even drop it. The project could be dropped at that decision stage, and the federal government would pick up the tab for the costs of the study.

BUT THE EFFECT on the program now is to merely make a study to provide information on which to base a decision on urban

renewal. That decision will be made by the city commission and not any federal agency, Hostels pointed out last week, and all work done on it will be through the local level of government. The federal agency would merely provide three-quarters of the money.

"I should warn you that any federal program is red tape and lots of it," Hostels said. "But red tape is worth it for what you can get for your money."

"Atmosphere" aim of modern restaurants

"Atmosphere" has become the most competitive factor in the restaurant business today, said Michael E. Hurst, executive vice president of Win Schuler's Inc., in a highly interesting talk to the St. Johns Rotary Club Tuesday noon.

In telling the story of the operation of Schuler's famed restaurants at Marshall, Jackson, Grand Haven and St. Joseph, Hurst indicated what their management considers the important ingredients of successful operation.

our customers and their enjoyment of our food, Hurst said.

The speaker was introduced by Roy F. Briggs, program chairman for the meeting. To add interest to his presentation, Hurst presented food gifts of cheese, steaks and shrimp to several lucky Rotarians.

Dropouts topic at PTA tonight

IN ADDITION to good food and good service, he emphasized intelligent personnel and a "story" behind each establishment. Schuler's, he said, have borrowed 18th century English literary figures for their "stories."

At Jackson, they use the Charles Dickens theme. At Grand Haven the emphasis is on Robert Burns. And at St. Joseph the restaurant decor reflects Dr Samuel Johnson. Considerable research has preceded the setting up of each of the restaurants.

HURST ALSO pointed to architectural and decorative schemes as important to their restaurant operation. Schuler's break up their dining rooms into smaller units through the use of beamed ceilings, pits, balconies, screens and dividers, he said. "We try to create the illusion of smallness in our places," said the restaurateur.

Warm oranges, reds and golds are employed in decoration and a burning fireplace is made the focal point of each restaurant. The warm colors and the fireplace contribute to the relaxation of

"Dropouts" will be the topic of Jack Griffin, former St. Johns junior high school teacher, when he addresses a Parent-Teachers Assn. meeting at Central School in St. Johns tonight (Thursday).

All other PTA groups are invited to the meeting, as well as the general public. Letters have been sent through the grade schools advising parents of the meeting.

GRIFFIN NOW works with dropouts and potential dropouts in the Lansing school system. He will give a talk at the start of the meeting and then will lead a panel discussion on the same topic.

On the panel will be Thelma Weismiller, second grade teacher at Central School; Robert White, high school social studies teacher; Betty Ann Moore, junior high English teacher; and Albert LaFever high school counselor.

THE MEETING will start at 7:30 p.m. at Central School. Central teachers will be in the rooms at 7 p.m. for conference with parents.

3 towns await Bloodmobile visit

The Red Cross Bloodmobile will make visits to three Clinton County communities next week. Monday it will be at DeWitt and next Thursday it will be in both Fowler and Westphalia.

The DeWitt Bloodmobile will be at the Veteran's Memorial Building from noon to 6 p.m. The Firemen's Auxiliary will be in charge of the canteen and soliciting of donors. Art Newman is the chairman for the Bloodmobile visit.

NEXT THURSDAY'S visit to the county will be a split session for the Bloodmobile. Equipment and nurses will be left in Fowler for blood donations from 1 to 5 p.m., and the truck will continue on for the Westphalia Bloodmobile from noon to 6 p.m.

At Fowler, the blood donation site will be the Lutheran School, and Mrs Fred Tiedt is chairman of activities there. In Westphalia, the Bloodmobile will be at the Knights of Columbus Hall. Mrs Julius Pohl will be in charge of volunteer workers there, and Danny Martin of the Westphalia Jaycees is handling donor recruiting.

RICHARD Newman, co-chairman of the Clinton County Bloodbank program, said a special appeal is made for donors with negative types of blood. The normal amount of negative blood received is usually 10 per cent of the total, he said, but it is hoped donors in these localities will be able to duplicate the 20 per cent negative blood obtained in St. Johns in late December.

Also to be successful, the

Bloodmobile will need about 10 per cent new donors to replace those who move away.

NEWMAN said Clinton County Red Cross officials were to meet with the Ingham-Eaton Red Cross Wednesday night at Daley's Restaurant to discuss possible merger of the Red Cross units.

The names of two donors to the St. Johns Bloodmobile were inadvertently omitted. Also donating at the late-December Bloodmobile were Deana Silvestri and Len Stoppert.

2 attend sewage plant workshops

Chan Woodbury of St. Johns and Leonard Thelen of Fowler are attending a five-day laboratory training course for waste-water treatment plant operators at the W. E. Kellogg Biological Station at Gull Lake near Battle Creek.

The course is sponsored and conducted by the Michigan Department of Health in cooperation with Michigan State University and the United States Public Health Service.

WOODBURY AND Thelen are in a group of 20 enrolled in the course. Its purpose is to increase skill in laboratory methods necessary in the operation and control of sewage plants. It will also help them maintain accurate records from which future treatment needs can be predicted and necessary steps taken to prevent water pollution.

Dense smoke partially shrouds St. Johns firemen Sunday night shortly after their arrival at the Herman Rademacher home on West Townsend Road. Rademacher stands at right. Identifiable firemen include Al Northouse (left next to wall), Ray Kentfield (white jacket), Bob Prowant, unidentified fireman, and Willis Hettler Jr. Damage was estimated at \$1,500.

Firemen have busy weekend

St. Johns firemen spent nearly half a day on the job Sunday to wrap up the first fiery weekend of the new year. One call was handled Friday, and the firemen were out three times Sunday.

Two of the calls were to the same house—that belonging to Herman Rademacher at 2135 W. Townsend Road. The first fire, about 1:35 p.m. Sunday, caused an estimated \$300 damage to flooring on the ground floor around the chimney. Firemen were on the job getting that one out until about 2:30.

JUST OVER six hours later, city fire trucks were back at the Rademacher house fighting a more serious blaze. This one was again centered around the chimney but was on the second floor and attic levels.

Flames cracked in upstairs bedroom at one point just after firemen arrived, but they were soon extinguished. Dense smoke inside and 15-degree cold outside hampered their work, but firemen finally conquered the flames. The last truck returned to the fire barn about 10:30 p.m.

DAMAGE in the second fire was set at \$1,500 to the house and contents. Both fires were blamed on a defective chimney.

In another fire Sunday, an overheated furnace at the Edwin P. Bowen Jr. home on Price Road east of US-27 in Olive Township caused some concern, and the St. Johns department was summoned. There was no damage listed. Firemen were out from 8:30 a.m. to 9:10 a.m.

THE FIRST FIRE of the weekend was on Friday morning. Mrs Clara Beaver summoned firemen to 404 W. Giles Street about 9:55 a.m. after her little boy had accidentally started a fire in a closet. The youngster went and got some water, however, and put the fire out himself. It caused so much smoke, however, that Mrs Beaver called firemen. Damage was listed at \$25.

Furniture man pleads guilty to tax charge

Ernest R. Miller, 57, St. Johns furniture dealer, pleaded guilty to failure to pay 1959 income taxes before Federal Judge Fred W. Kaess in Detroit last week.

The government charged Miller owes \$40,000 in back taxes and penalties for the years 1954 through 1960. He had not filed Federal income tax returns during those years, said William Merrill, US district attorney.

Miller was freed on \$1,000 bond and will appear later for sentencing. Federal attorneys indicated that the criminal action would be followed by a civil suit to recover the back taxes.

Golden anniversary

The children of Mr and Mrs Roy Chamberlain will hold open house at the Main Street Building of the Ovid United Church from 2 to 5 p.m., Sunday, Jan. 24, in honor of their parents' golden wedding anniversary.

To report the news of Rochester Colony

ROCHESTER COLONY—Reporting the news, collecting the personals and covering the features in the Rochester Colony area from now on will be a new correspondent for the Clinton County News, Mrs Alfred Rademacher of 3615 North Watson Road, St. Johns.

MRS ALFRED RADEMACHER

Mrs Rademacher, who succeeds Mrs Robert Harmon as the Rochester correspondent, is treasurer of the Colony's Community Club and an active member and reporter of the Rochester Colony Home Economics Extension Group. She attends the Duplain Methodist Church.

Originally from Ionia County, Mrs Rademacher lived in St. Johns for about 15 years before moving to her present address in the Colony, 13 years ago.

Her former employment included office work for insurance companies, a short time at the extension office in the courthouse, and clerking at J. C. Penney's until last October.

She has two sons, Kirk Burl of North Watson Road, Elsie, who is married, attends Lansing Community College, and works part time at Beck's Farm Market. Mike lives at home and is a junior at Rodney B. Wilson High School.

In addition to the writing which she will be doing for the News, she will continue her hobbies of weaving, knitting and reading.

Plans for the Mothers' March for the March of Dimes were put in final order this week by Mrs Glendon Fitzpatrick (left), chairman of the march. She's shown discussing the plans with Mrs Willis Hettler Jr., Mrs John Caudy, Mrs Kenneth Williams, Mrs Gayle Desprez and Mrs Bill McCarthy, area captains and block workers.

Mothers March next Thursday

The annual Mother's March for the March of Dimes will be held in St. Johns next Thursday, Jan. 28, under the direction of Mrs Glendon Fitzpatrick.

Another March of Dimes event is planned for this Friday, when restaurants will donate their coffee proceeds to the March of Dimes.

THE MOTHER'S March next week has been organized under the tactical leadership of 11 area captains. Other workers will solicit donations on each block of town. The mothers will be seeking funds mostly during the day-time hours.

Area captains are Mrs Kenneth Snider, Mrs Charles Stachel, Mrs Keith Jolly, Mrs Ollie Slagell, Mrs William McCarthy, Mrs Donald Isbell, Mrs Richard Chant, Mrs Willis Hettler Jr., Mrs Tom Burns, Mrs Ronald Henning and Mrs Louis Eisler.

Car hits house; woman ticketed

Lana Jean Frost, 21, of 708 W. State Street, St. Johns was ticketed for failure to have her car under control Saturday after it hit the rear of another auto and then careened into the side of a house.

ner, who investigated the accident, said Miss Frost did not see a car driven by Marvin E. Dol-larhite, 17, of R-2, DeWitt, and hit the rear of his car as both were going south on US-27. She then lost control of the car, which hit the house about 60 feet from the east side of the highway.

No one was injured in the crash.

The accident occurred on South US-27 in Bingham Township. The house damaged was listed as belonging to Mrs Fred Fleischer of 3441 US-27.

Slate sociologist for family service meeting

"Our Families: The Challenge of the Times," will be the subject of Dr Ruth Hill Useem, sociologist, anthropologist and author, when she speaks at the Jan. 28 public dinner meeting of the Lansing Family Service Agency.

All capitol area people especially interested in the welfare and the future of families, their own and others, are invited to attend the 54th annual dinner meeting of the agency to be held at 6:30 p.m. in the REO Clubhouse.

DR USEEM, professor of sociology at Michigan State University, an East Lansing mother and homemaker, is the co-author with her husband, Dr John Useem, of a book, "The Western Educated Man in India," and co-author with Dr Florence Kempf of another, "The Dynamics of Behavior in Nursing." She is presently writing a book called "Americans in India."

At a recent MSU Conference, Dr Useem proposed an "Operation Summer Home" to provide vacations away from the heat and squalor of city slums for underprivileged youngsters. She proposed that homemakers from bet-

ter areas of city and from privileged suburban and rural areas open their homes for a week or two each summer to give a new outlook on life to an underprivileged child.

THE LANSING Family Service Agency, a United Community Chest affiliate, located in the Community Chest Building at 615 N. Capitol Avenue, Lansing, provided services to more than 1,300 capitol area families last year. Eight board members of the Family Service Agency will be elected.

About 10,000 Japanese-Americans live in San Francisco.

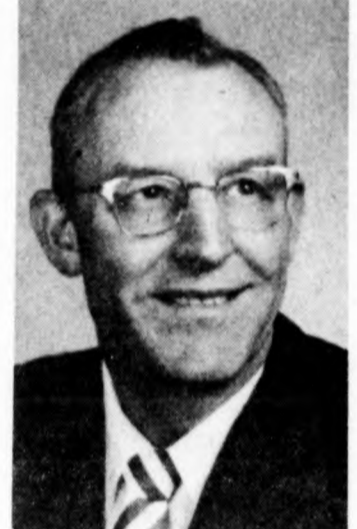

Beagle named Shop Dept. head

Eugene Beagle of 502 W. McConnell, a veteran teacher of 12 years in the St. Johns Public Schools system, was elevated to the new post of head of the shop department by the school board last Wednesday.

Beagle has been an industrial arts teacher here since 1952. Prior to that he taught seven years at Portland. He began his teaching career in Remus, Mich. Beagle has a bachelor of arts degree from Central Michigan University and his masters' degree from Michigan State University.

HE IS A PAST member of the Sleepy Hollow Conservation Club and is presently secretary of the Shiawassee Valley Shop Men. He is also a member of Masonic Lodge No. 359 and a Boy Scout troop committeeman. Among the professional organizations he belongs to are the Michigan Industrial Education Society, the Michigan Education Assn. and the National Education Assn.

He and his wife Dorthea have two children, Cayle, a high school junior, and Kathleen, a fifth grader. The members of the family

EUGENE BEAGLE are members of the St. Johns First Methodist Church.

IN OTHER action by the school board last week, a resolution was passed asking for approval of the state board of education for annexation elections in 30 surrounding rural school districts. Each of the districts will set their own elections on the question.

William McCarthy was seated as a new board member replacing Lorenz Tiedt, who resigned.

Clintonaires hold dessert luncheon

The Clintonaires met Monday evening with Mrs Wilbur Worrall of West Taft Road. A social evening was held instead of regular practice. Games were followed by a dessert luncheon.

Mrs Al Northouse of 608 West Walker will entertain the group, Feb. 15, at 8 p.m. Members' names appearing in the last half of the alphabet will furnish dessert. All will bring their own table service.

MR AND MRS EDWARD SCHAFER

Schafer-Baldwin wed in St. Mary's Church

WESTPHALIA—The marriage of Martha Schaffer, daughter of Mr and Mrs Otto Schaffer of Westphalia, and Edward Baldwin, took place at St. Mary's Church in Westphalia, Saturday, Jan. 9, at 11 a.m. with Father Shoendorf officiating. Mr Baldwin is the son of Mr and Mrs Frank Baldwin of DeWitt.

The bride, given in marriage by her father, wore a nylon wedding gown, designed with a portrait neckline that was trimmed with sequins and long fitted sleeves that ended in deep points at the wrist. Her skirt, trimmed with sequins, ended with a chapel train. In back was a bow of like material. Her veil was held in place with a pearl-trimmed crown. She carried red roses and carnations.

For the double ring ceremony, the church was decorated with poinsettias.

THE MATRON of honor, Mrs Kathleen Schaffer, wore a dress of green nylon with a lace jacket. She carried a bouquet of white carnations, tied with a green velvet ribbon. Mary Ann Schaffer, her bridesmaid, wore a similar nylon and lace dress, in red. The white carnations she carried were tied with a red velvet ribbon. Both wore hats which were designed by Mrs Anthony Simon to match their ensembles.

Assisting as best man was Paul Schaffer, and as groomsmen, Marvin Schaffer. Ushers were Micheal Brown and Richard Ewing.

In a beige, two-piece dress and corsage of yellow carnations was the brides mother. The mother of the bridegroom chose a rose color dress, and also wore a corsage of yellow carnations.

MRS LOUIS Hengesbach, Mrs Leland Trierweiler, Celine Martin and Dianne Platte, sang at the ceremony, accompanied by Joseph Martin at the organ.

The reception, a buffet dinner attended by 140 persons, was held at St. Mary's Hall in Westphalia. Guest of honor was Mrs Florence

Baldwin, grandmother of the bridegroom.

The newlyweds will live at 6210 Heyer St. in Westphalia.

THE FORMER Miss Schaffer graduated from Pewamo-Westphalia High School in 1962 and is an employe at St. Lawrence Hospital in Lansing. The bridegroom, a graduate of Haslett High School, attended Michigan State University and is presently employed at the Oldsmobile Forge Plant.

JOYCE ANN CORWIN

Mr and Mrs Gordon Bond of 920 North Clinton Avenue, announce the engagement of their daughter, Joyce Ann Corwin, to Thomas J. Tilford, son of Mrs Margaret Antes and the late Glenn Tilford. A late summer wedding is planned.

Jr. Classical League shows Roman wedding

The Junior Classical League of Gabriels High School, Lansing, presented a roman wedding at the Pewamo-Westphalia gymnasium Sunday afternoon at 3:30. There were about 45 members in the cast. They were in Roman costume, and they presented the engagement ceremony, the marriage ceremony, and the marriage feast.

Tim Metts, 1963-64 president of the Michigan Junior Classical League, narrated the program.

City Brevities

Mr and Mrs Lyle Fenner of R-4, St. Johns, have received word from their son, Richard Fenner, of Oakland University that he has been accepted in the Oakland Singers. The singers are a group of students, selected to sing off and on campus, for civic and school activities. Richard is a 1964 graduate of Rodney B. Wilson High School where he was a member of the Glee Club and Wilsonaires for four years. He was the lead singer for the original, Four-Fifths Barbershop singing group, also while in high school.

Mr and Mrs Glenn Woodhams and Mr and Mrs Ernest Baker were Sunday guests of the Baker's son-in-law and daughter, Mr and Mrs Dale Henney, and family of Flint.

Mr and Mrs Kenneth Snider, Roger, and Jeanne spent Sunday at Lake Odessa visiting Mr and Mrs Theron Messer and family.

Mr and Mrs A. O. Ingersole of East Lansing and Mr and Mrs A. T. Engman of Wyoming were guests of Mr and Mrs M. J. Ingersole of Eureka in honor of their 52nd wedding anniversary which occurred Jan. 15.

Mrs Iva Allen left St. Johns the first week of January to visit her granddaughter and family, Mrs C. F. Nordin Jr. (Patty Silfe) at Fort Collins, Colo. After spending a few weeks in Colorado she will continue to California where she will spend part of the winter with her two sons and their families, Maj. and Mrs Wayne Allen and Mr and Mrs William Allen.

Mrs Clayton Gillett of 808 West Park St., is spending two weeks with Mrs Bertha Lumbert of Grand Ledge.

Mrs Veeda Escher returned to her home on South Clinton Ave. Sunday, after a two month stay with her son and his wife, Mr and Mrs William J. D. Escher, and three children in Thousand Oaks, Calif. Her son accompanied her as far as Detroit, then went on to Washington on business. She spent several days in Detroit with another son and daughter-in-law, Mr and Mrs Robert Escher. They brought her to St. Johns.

Announce hymn sing

COUNTY LINE—One hundred and eighty-nine persons attended the hymnsing at Salem EUB Church Sunday evening. The surrounding area churches were all represented. The next hymnsing will be at Bethel Mennonite Church.

Hoedown Club elects officers

The board of the St. Johns Hoedown Club met Monday, Jan. 4, with Mr and Mrs Gerry Irrer.

The following officers were elected for the ensuing year: Mr and Mrs Harry Thompson will be co-presidents; Mr and Mrs Gerry Irrer, co-vice presidents; Mr and Mrs Harry Vaughn Jr., co-secretaries; Mr and Mrs Dale Cumberworth, co - treasurers; Mr and Mrs Charles Snyder, co-reporters; and Mr and Mrs Thomas Katalenick, federation delegates. The refreshment and welcoming committees will be shared by Mr and Mrs Lawrence Becker and Mr and Mrs Fred Mayers.

It was decided to have a post-Valentine, Western style dance, Feb. 20, with the cost at \$1 per couple for guests, and a potluck following.

Outstanding Young Farmer

Eugene Havens (right) Greenbush Township farmer, receives a plaque from Don Bast of the St. Johns Jaycees after Havens was named Clinton County's Outstanding Young Farmer last Tuesday night. Havens farms 400 acres in partnership with his father-in-law and brother-in-law and is a New Holland farm implement dealer. He is concerned mostly with dairying but also with some beef and cash crops. Bast was chairman of the Jaycees OYF committee.

For Distinguished Service

Bill McCarthy (right) receives a plaque as his distinguished service award presented him last Tuesday night by the St. Johns Jaycees. He was chosen by a committee of community people, and the award was presented by Jerry Williams, chairman of the committee. McCarthy is president of the Jaycees and a member of the St. Johns school board.

Last of resources meetings Tuesday

People are Michigan's most important resource. And yet, we know less about human resources than almost any other kind.

One thing we do know: there are not enough jobs in Michigan, let alone the country, for all who need them.

THE FOURTH in a series of local meetings on the topic of human resources will be held between 1:30 and 3:30 p.m. next Tuesday in Smith Hall at the St. Johns city park. It's the fourth of a series of meetings and will have as a discussion topic "Matching People and Jobs for Growth."

Income tax deduction guide

The accompanying table may be used in preparing 1964 federal income tax returns. It is a revision of ones used in previous years. Any others published earlier should not be used in preparing 1964 income tax returns.

This table may be used as a guide to arrive at the average amount of Michigan state sales tax of 4 per cent which may be claimed as a deduction in the absence of definite proof of payment.

AVERAGE STATE SALES TAX TABLE

This table is based on the Michigan general sales tax of 4 percent. It may be used when deducting sales tax on Form 1040. If the table is not used, sales tax deductions must be itemized and substantiated. Excludable sales tax on the purchase of automobiles and gasoline tax of 6 cents per gallon are not included in the table and must be itemized separately.

Howard Barnum Virgil Coleman

Howard G. Barnum of 601 North Clinton Ave and owner and operator of Barnum's Newstand, died Thursday, Jan. 14, at 4 a.m. in St. Lawrence Hospital after a long illness. He was 61 years old.

Services were held at the Osgood Funeral Home Saturday, Jan. 16, at 10:30 a.m. with Rev Howard Smith of the First Methodist Church officiating. Burial was made in Mount Hope Cemetery.

MR BARNUM, the son of Arthur Barnum and Mae VanGorder Barnum, was born in New Era, Sept. 26, 1903. He learned the grocery business from his father at an early age. Later he became manager of Kroger stores in Grand Rapids and Battle Creek. Ill health forced him to return to his father's business in Shelby. At one time they also operated a grocery store in Pentwater.

He was a graduate of Shelby High School.

ON AUGUST 15, 1932, he married Beatrice Deming in Angola, Ind. In 1940 they moved from Shelby to the St. Johns area.

In 1950 the Barnums bought the former Herb Rummell Bus Station and News Agency. Ill health forced him to give up the station five years ago. However, he continued being distributor for the Detroit Free Press and Lansing State Journal in St. Johns and the surrounding rural routes. Throughout the last 14 years he taught over 350 boys, in an attempt to make good business men out of them.

MR BARNUM was a member of the First Methodist Church.

Surviving are his wife, and three sisters, Mrs Fred Bennett of St. Johns, Mrs Daniel Love of Livonia, and Mrs M. E. Long of Boca Raton, Fla.

BOWLING
News from Area Bowling Leagues

Dorothy Hart rolls 2nd 600 series in 2 years

It isn't often women bowlers roll a tremendously high series, but within the last couple of weeks Dorothy Hart of the Tea Time League got her second 600 series in the last two seasons.

Her most recent high score was a 601 series two weeks ago, and she had a 221 game to help her get it. Last year she had a 600 series.

LAST WEEK in the Tea Time League Ruth Creese and Lil Ricker had the best day on the alleys with a 200 high game and 496 high series respectively. The Bowlerinas had the high team game and series with scores of 824 and 2168.

The third-place Pin Pals whumped up the best game and series in the Coffee Cup League last Thursday with scores of 603 and 1672. Ann Larner had a 202 high game and a 512 high series. The Bowlettes have a wide lead over the Hillbilly 4 for the league lead.

THE BBC team rolled high game and series for the season last Friday night in the Industrial Mixed League with scores of 758 and 2120. Dick Boling was high for the men with 244 and 634, while Harriett Cornwell had 219 and 566, high for the women. Other 200 games were rolled by Dan Boncha 207, Jim Martin 214 and Dick Kuhns 200.

The American Legion Club has a one-point lead over Beck's Farm Market and Blued Oil in a tight Night Hawk League race. Beck's had an 884 high game and Neller's Service, in fourth place, had a 2449 series. Bob Cartwright had the best game and series with 221 and 601. A host of other bowlers had 200 games. They were Dale Anderson 207, Stan Bunce 203, Cartwright 203 besides his 221, Elmer Barker 205, Joe Greer 201, Clint Adams 203, Fred Gutshall 203, Bob Sipkovsky 205 and F. Glowacki 201.

PENNEY'S PAINTS and P & G are tied for first place after the first week of the second half of the Mixed League bowling this season. The third place KP's, however, had the best scores Friday with a 694 game and 1938 series. For the women, Dee Watson had a 185 high game and 476 series. Richard Zapoli was high for the men with 223 and 615. Zapoli also had a 211 game, while Bill Burnham had a 205, Ves Penney 204, Stanley Bunce 203 and Rollie Dunkel 213 and 203.

Heathman's and the Hub Shopping Center are tied for first place in the First Nighters League after Monday. Woodbury's, in fourth place, rolled a 777 high game, while eighth place Hettler's came up with the high series, 2152. Dorothy Hart had a 194 game and Anna Hatta had a 539 high series. Other 500 series were rolled by Lois Hettler 506, Carleen Eaton 522 and Gertrude Kolehmainen 500.

THE CAPITOL League's leader, Strohs, had the best team game in the league Monday with a 921 score, while second place Frechen's Tavern had a 2602 high series. Joe Trefill had a 223 high game and Bill Pautke had a 584 series.

South Riley Grocery had an 898 high game and 2556 high series in the Twin City League last Wednesday. Gerry Tiedt had a 221 high game and 586 high series. Mobil Gas is the league leader.

BASHORE'S AND Houghton's continue their rush side by side in the Industrial League. They're tied for first place. Houghton's had an 899 game last Wednesday, and Bashore's had a 2570 high series. Al Weber rolled a 213 game, and Roy Ebert and Bill Kosht tied for high series honors with identical series scores of 579.

DEAN HARDWARE had a 981 game and Rhynards had a 2814 series to pace bowlers in the City Classic League last Thursday. Pohl Brothers lead the league by two points over Rhynards and Deans. Nick Koenigsnecht had a 237 high game and 618 series, but Keith Barrett's honzing 623 series took the honors. Steve Michalek had a 601 series.

The A & M's have a point-and-a-half lead over the Fearless Four after Sunday's bowling in

the Kings and Queens League. The third place L & S's had the best day with a 679 game and 1897 series. For the women, Barbara Molnet had a 174 game and Doris Swanson had a 453 series. Dan Puetz's 220 game was high for the men, and Jim Lance rolled a 568 series. Lance had a 219 game, Keith Penix rolled a 201 and Carl Nobis had a 216 game.

DREWRY'S BEER, in second place in the Westphalia Woman's League, rolled a high game of 821 and high series of 2165 last Tuesday. Theresa Thelen of Drewry's team had the best individual game and series with 255 and 550. Marilyn Pline had a 215 game, and Rosie Bengel had a 211. Mary Platte picked up a 5-7 split, and Rose Johnson got a 5-6-10 split.

The Julie K team is ahead of Parr's by two points in the Ten Pin Keglers League. Gert Kohlmainen had high individual game and series with 210 and 510 scores. Parr's had high team game with 811, while St. Johns Tool & Die had high series of 2263. Shirley Bailey picked up the 5-8-10 split, while Anne Hatta got the 7-6-10 and Ron Feldpausch got the 3-7-10.

THE ALLEY CATS are still in first place in the Junior High League, but the Fearsome Four-some are only five points behind. Doug Dubay had high game with 159, and Robert Cartwright had a 411 high series. The High team game was bowled by the Wildcats with 636, and they had a 1782 high series.

Ovid builds lead, coasts to victory

PEWAMO - WESTPHALIA — Visiting Ovid built up a commanding first-quarter lead and rolled to a 78-64 victory over the Pirates last Tuesday night at Pewamo-Westphalia.

The Romans pulled out to a 21-9 lead at the end of the first quarter, led 37-28 at the half and then ran up a 59-42 lead by the time the last quarter started. Pewamo-Westphalia enjoyed only three-point scoring edges in the second and fourth quarters and were never closer than the nine points at halftime.

FRANK GAZDA paced Ovid with 22 points, including 10 field goals. Others in on the scoring were Lee Woodworth with 8 points, Dennis Love with 9, Mike Hawley with 16, Leonard Huyck 7, Bob Gazda 9, Behrens 2, Dick Hall 1 and Mike Martinez 4.

Pewamo-Westphalia was led in scoring by Werner with 17 points, while Irer got 15, Werner 13, T. Vance and May 7 each, Thelen 3 and Schafer 2.

Raiders shoot past DeWitt 85-61

PORTLAND — Portland hit for field goals Friday night like their shots were being guided by radar, and the Central Michigan C League leaders roared past DeWitt 85-61.

Portland hit an amazing 55 percent from the field in building up a 48-28 halftime lead. It was 27-12 at the end of the first quarter.

DeWITT LOOKED much better in the second half, playing the Raiders on even terms in the third period and being outscored only 22-18 in the last stanza.

John Nowak and John Davidson made the difference for Portland, getting 19 and 18 points respectively. Roger Coryell hit 20 to pace the Panthers. Jim Dalman had 8, Bill Watson 13, John Ruiz, 2, Pat Weston 8, Foster 8 and Parker 2.

Mapping hot spots

Volcanic hot spots can be mapped by a new aerial infrared detection system. Department of the Interior scientists use sensors that respond to long-wave, infrared radiation emitted from the earth to obtain "heat maps" of volcanoes. This will improve understanding of the energy distribution of a volcano and its structural features.

Get Top Prize Money for Bowling Tourney

A check for \$200—top prize in the St. Johns 18th annual Handicap Mixed Doubles Tournament—was handed out this week to Betty Sualya and Bob Bayhan of Lansing. Mike Hatta (left), secretary of the tournament, presents the check to the pair while Orth Tatroe, owner of the Red Wing Lanes, looks on at right. Sixty-eight of the 267 couples entered in the tournament divided \$1,254.90 in prize money. The tournament ran from Dec. 5 to Jan. 3.

News Notes... from St. Johns High School

French will be added to the high school curriculum next fall if an adequate number of qualified students apply, teacher Robert LaBrie said. The course is open to next year's juniors and seniors. Very interested sophomores and freshmen will be considered on an individual basis...

Semester exams were scheduled to be held Wednesday and Thursday and have been shortened from the normal two-hour tests to an hour and a half. Each exam will be given on one of the two days instead of both days as was previously the case. Due to the new arrangement, only three exams will be given each day...

Eagles fall to St. Pat's in 'D' game

PORTLAND — Portland St. Patrick's High School bounced to a 55-49 victory over Fowler Friday night as the Portland school widened its lead in the Central Michigan D basketball league.

It was more than just a game. Coach Charles Trierweiler of Fowler has a younger brother, Vic, who is the coach of St. Patrick's basketball five.

FOWLER LED throughout the first half on the strength of an 18-13 first-quarter margin. It was 28-23 at the half, in favor of Fowler, but the Shamrocks took over the lead in the third quarter and pulled away.

Leading the way for Fowler were Luke and Jim Koenigsnecht with 19 and 12 points respectively, while Clair Armbrustmacher had 8, Roger Conley and George Spicer 4 each and Jody Wohlert 2.

Steve Schaffer topped all scorers with 23 points for St. Patrick's.

Lakewood loss drops Wings into 4-way tie

The St. Johns Redwings did everything right Friday night except shoot more in the fourth quarter and score more points than Lakewood.

The Vikings continued their mastery of St. Johns in handing the Wings a 69-67 setback at St. Johns to throw the West Central Conference into a four-way tie for first place. It was St. Johns' second loss in a row by two points.

THE WINGS had by far their best shooting night of the year. They hit an amazing 53 per cent of their field goals and 76 per cent of their free throws—far better in both departments than they have ever done before.

Coach Bill Swears analyzed the loss as being a case of maybe not shooting enough in the last quarter. The Redwing cagers hit on four of 11 shots in the quarter, but that was not enough shots to make a difference, Swears said.

The Wings were outscored 21-10 in the last quarter.

THE GAME started out on terms about as even as possible. It was 16-16 at the end of the first quarter, with St. Johns making five of 14 shots and Lakewood five of 13 tries.

But the Redwings exploded in the second half and punched in 11 of 15 shots, and with a flurry of buckets in the last seconds of the half took a 41-28 lead at halftime.

LAKEWOOD USED a box zone defense and had one man guarding Clark Berkousen throughout the second quarter, and Berkousen fed the ball to forward Al Werbish. Werbish handled the chances superbly, putting in six field goals in the second quarter to send the Wings way out in front. The Wings' nifty passing and shooting, plus the cool four for 23 shooting by Lakewood did the trick.

The tempo began to change in the third quarter. Lakewood's Mike O'Toole began to find the range from all over the court, popping in five field goals during the third eight minutes and pulling the Vikings up to within 57-48 as the fourth quarter started.

O'TOOLE, Phillips and Booker began putting up shots from 25 and 30 feet away in the fourth quarter and they began falling in. This time it was St. Johns' turn.

Chesaning game postponed 1 week

Tuesday night's basketball game scheduled for St. Johns at Chesaning was postponed for one week because of semester exams at St. Johns High School. The game will be played next Tuesday, Jan. 26, at Chesaning, with the junior varsity game starting at 6:30 p.m.

The game was postponed because of semester exams at St. Johns High School.

Coach Bill Swears analyzed the loss as being a case of maybe not shooting enough in the last quarter. The Redwing cagers hit on four of 11 shots in the quarter, but that was not enough shots to make a difference, Swears said.

ST. JOHNS scored one basket on a steal and fast break with a few seconds to go only to find out that Lakewood had called time out just before the steal. The crowd noise prevented the players from hearing the whistle.

ST. JOHNS, now 4-2 in conference play and 5-2 overall, scored on 27 of 51 field goal attempts (53 per cent) and 13 of 17 free throws (76 per cent).

THE FOUR-WAY tie for the league lead is between St. Johns,

Grand Ledge, Lakewood and Greenville.

The Wings will play Greenville this Saturday night at St. Johns in their second game in two days. Friday night they'll travel to Ionia for another league game.

WERBISH, WHO sparked on both offense and defense for the Redwings, led all scorers for the night with 29 points, and he pulled 12 rebounds off the glass. Clark Berkousen, though guarded closely and heavily during the second quarter, managed to get 18 points. Dennis Springer got 8 points, while Al Anderson had 5 (four of them in the last quarter), Bill Sirrine 4 and Doug Lundy 3.

O'Toole's 22 points were high for Lakewood, although Ron Hewitt was close behind with 21.

WERBISH'S 29 points boosted him from ninth place to sixth in the West Central scoring race. He now has 106 points in six conference games—a 17.6 average. Berkousen, with 126 points, is second high scorer in the conference behind Alma's Paul Dean. Berkousen is averaging 21 points per game and Dean is averaging 21.8 with 131 points in six games.

Forfeit keeps win string alive

Miller's Tavern kept alive its undefeated season in the City Basketball League last Wednesday, but it had to come by forfeit. The Clinton Tractor Sales team defeated Miller's pointwise 61-54, but they used an ineligible player and thus had to forfeit the game.

In the opening game of the night Sealed Power drubbed the Bumble Bees 72-52 despite the 34-point scoring spree of Tom White.

IN THAT game, the Bees took a 15-14 first quarter lead, but quickly fell back and were never in contention again. Sealed Power outscored them 22-11 in the second period, 17-14 in the third and 19-12 in the last quarter.

Only four men scored for Bee's. White had 34, and Dick Wood, Roger Heathman and Leroy Hanson each had 6. Randy Ott paced Sealed Power with 27 points, while Hilary Stump had 14, Gary Proctor 11 and Jerry Stump 10.

IN THE forfeited nightcap, the Tractors led all the way. Dale Knight paced them with 20 points, while Doug Japinga had 11. Bill Werner was high for Miller's with 13 points, while Jim Farley and Clair Fox each had 11.

Miller's by virtue of the forfeit, retained their undefeated standing and lead the league with a 5-0 record. Sealed Power is second with a 2-3 mark, and Bee's and Clinton Tractor each are 1-4.

SCORE BY quarters: Sealed Power 14 22 17 19-72 Bumble Bee's 15 11 14 12-52 Miller's (W) 14 14 13 15-56 Tractors 16 14 17 14-61

City Schedule

JANUARY 20—Bumble Bee's vs Miller's at 8 p.m.; Sealed Power vs Clinton Tractors at 9:15 p.m. End of first round. JANUARY 27—Sealed Power vs Miller's at 8; Tractors vs Bee's at 9:15.

JVs wipe out Lakewood 53-36

The St. Johns Junior Varsity basketballers handed Lakewood a 53-36 defeat last Friday night to raise their season's record to 3-4.

St. Johns held scoring advantages in each quarter—margins of 15-8, 10-9, 14-11 and 14-8.

Jim Leonard paced the JVs with 18 points, while Gary Boyce had 14 and Bill DeGroot 11 in a well-balanced scoring attack. Randy Humphrey added 7, Elwood Self 2 and Phil Anderson 1 to round out the scoring.

Wells led Lakewood with 10 points.

Al Werbish (52) of St. Johns sweeps by two defenders for a layup shot against Lakewood Friday night. Werbish scored 29 points in the game. Doug Lundy (30) is at the right, and No. 20, partially hidden is Gene Rademacher. St. Johns lost 69-67.

Last second free throw defeats Elsie

LAINGSBURG—A free throw with one second to go gave Laingsburg a 60-59 victory over Elsie last Tuesday night in a Central Michigan C game.

To make it worse for Elsie, the free throw was made by Clyde English, who scored only two points in the game.

THE GAME was as close and as exciting as the final score might indicate. Elsie led most of the way, holding an 18-14 edge at the end of the first quarter and a 35-31 lead at the half.

Laingsburg began to eat away at the Big Reds in the third quarter outscoring them 14-12 and pulling to within 47-45. The Wolfpack continued the rally in the fourth quarter and eked out the win.

DON BROWN'S 23 points were the most of any player for the game. His teammates contributing to the scoring were Bob Kruger 13, Bill Antcliff 8, Jeff Veith 5, Chuck Beavers 4, Dennis Shaw 3 and Tom Wilson and English 2 each.

Tom Micka paced Elsie with 18 points, while Carter scored 14, Melvin 12, Ackles 6, Loynes 4, Thornton 3 and Reed 2.

Ovid board control factor in win

OVID—Backboard control and good defense were important factors in the Ovid Romans' 69-55 victory over Laingsburg in the Central C Friday night.

The Wolfpack could get only 49 shots at the hoop, compared to Ovid's 81, and the overwhelming difference in numbers left Laingsburg's 47 per cent shooting average with little significance.

ON THE backboards, the Romans held a commanding 48-23 advantage.

Ovid used the first and fourth quarters to win the game. They held a 16-10 lead at the end of one and enjoyed a 20-12 margin in the last period. The second and third quarters were played on even terms, with each team scoring 16 and 17 points in those quarters respectively.

FRANK GAZDA led the winners with 15 points, while Dennis Love, Lee Woodworth and Leonard Huyck each hit for 12 in a well-balanced scoring attack. Bob Gazda added eight points, Mike Hawley had 6 and Mike Martinez 4.

Bob Kruger took the game scoring honors with 22 points. Don Brown had 10, Clyde English 6, Bill Antcliff 3, Tom Wilson 2, Dennis Shaw 1, Chuck Beavers 2 and Norm Wurm 9.

Bath rally, 3-point play trip Elsie 72-71

ELSIE —A three-point play with just two seconds left in the game gave the Bath Bees a thrilling 72-71 victory over the Elsie Big Reds Friday night.

It was Bath's third win in the Central Michigan C Conference this year; they have lost four. Elsie dropped its sixth conference game and their second one-point decision in a row.

ART SIX WAS the hero for Bath. With just two seconds to go Six hit on a field goal to tie the score and was fouled at the same time. His free throw won the game.

The three-point play capped a Bath rally in the last period after they had trailed 61-55 going into the final eight minutes. Bath had led throughout the first half on identical 20-19 margins in each of the first two quarters. But their 40-38 halftime lead melted under the heat of an Elsie rally in the third period in which the Big Reds outscored the Bees 23-15.

JIM SOBER LED Bath scorers with 22 points, while Six totaled 14, Chet McGonigal 10, and Bruce

Wide-open season OK'd on Rose Lake

Action has been taken by the Conservation Department to turn a threatening wildlife waste into a jackpot for fishermen at 38 problem lakes in Michigan, including Rose Lake in Clinton County.

In a move to let anglers beat nature to the punch, the department has renewed a special order, opening these waters to hook and line fishing for taking any kind, size, and number of fish at any time during 1965.

Miller 11. Others getting into the scoring column for Bath were Wess Parks and Terry Wood with 8 and 7 points respectively.

Elsie's Tom Micka took game scoring honors with 30 points. Loynes hit for 12, Carter had 10 and the other scoring was divided between Melvin with 3, Horak with 9 and Reed with 7.

Grapplers win pair of meets

St. Johns' varsity wrestlers won two meets last week to raise their season record to five wins and two losses. The victims were Williamston, 32-14 on Jan. 12, and Lansing O'Rafferty, 35-13 on Jan. 14.

Against Williamston, Gary Wood, Tom Harper, Charlie Fisher and Paul Speidel all won by pins, with Mark Masarik, Chuck Smith, Terry O'Connell and Mary Dollarhite winning decisions.

JIM BARTSHE was pinned in his match, and Terry Thurston, Don Boak and Oscar Parsons lost decisions.

St. Johns won all but three of the 12 matches against O'Rafferty. Tom Harper, Terry O'Connell and Don Boak pinned their opponents, while Wood, Masarik, Jim Paksi, Smith and Parsons won decisions. Speidel won by forfeit. The victims were Masarik, Bartshe and Dollarhite.

ST. JOHN'S second loss of the year was suffered Jan. 8 when they took on Charlotte there and lost 34-10. Their only other defeat was to Grand Ledge.

DeWitt nips Bath on free throw

BATH —DeWitt's Jim Dalman and Roger Coryell combined for 40 points last Tuesday night and helped the Panthers nip the Bath Bees 68-66 in a Central Michigan C Conference game.

Dalman and Coryell each scored 20 points in the see-saw game that wasn't decided until the last 20 seconds. With the score tied 66-66, Bill Watson dropped in a free throw to provide the victory, and then Dalman added the final point on a free throw just before the game ended.

BATH HAD jumped out to a 19-15 lead at the end of the first quarter but then bowed to the Panther attack. DeWitt took the lead at the half by a 33-31 count and opened up a six-point margin, 54-48, at the end of three periods. Bath bounced back in the last quarter to tie the game, only to lose it in the last 20 seconds.

Besides Dalman's and Coryell's 20-point efforts, Pat Weston had 15 points, Watson got 7 and Parker 6.

JIM SOBER'S 20 points led Bath, while three other players scored in double figures. Bruce Miller had 16, Art Six 13 and Chet McGonigal 11. Rounding out the scoring were Terry Wood with 4 points and Wess Parks with 2.

Perry thumps P-W, 88-55

PERRY—Perry remained in a second-place tie with the Ovid Romans by dumping Pewamo-Westphalia 88-55 Friday night in a Central C game.

The Ramblers used a fast-breaking offense and a tight pressing defense and had no trouble handling the Pirates. Perry led 23-11 at the end of the first quarter and 55-23 at the half. They padded the lead with a 24-14 margin in the third quarter and a 19-18 edge in the last eight minutes.

BARKER LED Pewamo-Westphalia with 12 points, while Werner and Irner each had 11. Thirteen players scored for Perry, with Daryl Going leading the way with 19.

Others scoring for PW were T. Vance and May, 8 points each, Schaffer 4 and Thelen 1.

Fulton fast break runs down Ashley

FULTON—Fulton High School was the latest conqueror of hapless Ashley last Tuesday night as the Pirates used their fast break with great effect in a 79-62 victory. The win was Fulton's fourth; Ashley has not won yet. Fulton used the fast break to build up a 48-24 halftime margin, and they coasted in from there. Ashley's Dave Polash was the high scorer with 19 points.

Second debate team opens PTA program

ELSIE— The second string debate team of Elsie High School opened the PTA program at the school Monday evening, when they presented a practice debate on this year's topic: "Resolved that nuclear weapons should be controlled by an international organization."

Bill Zuckschwerdt, Nancy Lutzak, Becky Bellinger and Patricia Farr were the debaters. Paul LeValley is the coach and David Williams served as chairman for the debate.

The PTA debate was not judged, as it was a practice game, to acquaint the audience with the procedure of debating, which was explained by LeValley. He also told of the educational benefits of the participants.

JOHN Beery, director of vocal and band music in the high school, explained the work of his junior high class in a new concept in vocal education. He stated that basic elements of music, study of instruments and history of music as far back as the Greek culture, were included. Creative projects such as writing little melodies and original free hand art were also part of the course, he said. Many of the student's projects were placed on display by Beery.

Hearing Jan. 22 on plan to ban dogs at state parks

A renewed proposal to ban dogs from state parks in Michigan during the summer season headlines several suggested regulation changes covering these public recreation areas. Regulations will be open to a public airing in Lansing Jan. 22.

As proposed by Conservation Department officials in early 1964, the restriction would not include seeing-eye dogs, pets owned by employees, who live within state parks and recreation areas, or dogs taking part in hunting, field trials, and training in areas open to such uses.

Elmer brings out another big problem: "Our parks must meet high health standards, and the job of keeping them clean and sanitary is big enough just in terms of people numbers. Add dogs to this over-crowded condition and you have a very serious situation."

OTHER recommended changes in regulations would bring better control over storage of boats, camping equipment, and fish shanties at parks, and protect registered campers from having their areas overrun by non-campers.

This month's hearing is scheduled to begin at 2 p.m. in Room 133 of the Stevens T. Mason building.

COMING UP for discussion is a recommendation, tentatively approved by the Conservation Commission last February, which calls for placing state parks and recreation areas off limits to dogs from May 1 through Sept. 30 to halt nuisance, health, and safety problems caused by these animals.

UNDER THE suggested change, dogs would still be allowed in state parks during the Oct. 1 to April 30 period if kept under immediate control on leashes not longer than six feet. The leash regulation is already in effect as is a year-around restriction which does not permit the animals on bathing beaches.

In keeping with the commis-

44% VD rise

An alarming 44 per cent increase in the number of infectious cases of syphilis reported last year in Michigan, with a quarter of the cases discovered in teenagers, has prompted the Michigan Department of Health to intensify efforts to promote venereal disease instruction in the schools.

school administrators and teachers to discuss ways and means of including venereal disease instruction in the curriculum.

He said it would logically be part of biology, science, or health classes, but that it need not be limited to just one class, suggesting that it could also be referred to in literature and history and not glossed over or omitted.

ACCORDING to Dr Cowan, venereal disease education is either poor in quality or non-existent in most school districts in Michigan. One of the primary reasons for this is because teachers are not prepared for it in college, he said.

"Ultimately, it is hoped that the teacher colleges will provide training in venereal disease instruction," Dr Cowan said.

Dr John A. Cowan, director of the health department's division of adult health, said that one of the primary causes for the perpetuation of syphilis is public ignorance of the nature of the disease.

"Unfortunately, there is a great deal of confusion and misconception in the public mind, and as a result venereal disease, usually referred to as 'sex education', has long been taboo in the schools," he said.

HE DREW a distinction between sex education, which encompasses instruction on anatomy, human growth and development, and reproduction, and VD education, which deals with disease.

"What most people fail to realize, is that state law requires the schools to provide instruction in communicable diseases—and venereal diseases are communicable."

Dr Cowan said workshops would provide an opportunity for public health physicians, nurses, educators, and venereal disease specialists to get together with

DeWitt couple marry in afternoon service

DeWITT— Rev Daniel Klein read the service which joined Gaye Ann Ward, daughter of Mr and Mrs Gaylor Ward of 300 Scott Street, DeWitt, and Spec. 4 Gary Robert Wilcox in marriage. Parents of the bridegroom are Mr and Mrs Park Wilcox of North Logan Street in DeWitt.

Brent Arthur Newman was best man, while James Gwilt assisted as usher. MRS GAYLORD and Mrs Wilcox appeared in black and pink dresses, respectively, and each wore a pink rosebud corsage.

A reception was held at the DeWitt Memorial Building. Linda Newman attended the guest book. Serving were Marilyn Wilcox, Cheryl Birdsall, Debbie Rummell, Ida Ward, Barbara Wilcox and Roberta Raby. Judy Korte and Jean Newman opened the gifts. About 300 guests attended the reception.

THE BRIDEGROOM is a 1962 graduate of DeWitt High School. The bride is a senior at the same school and will graduate this year.

PLAYING the organ as the bride's father escorted her down the aisle was Mrs Wilma Reed.

In a beige dress with a brown veil headpiece and carrying a bouquet of pink carnations was the matron of honor, Mrs Donna Miller.

Catholic Guild planning party

St. Mary's Guild of St. Joseph Altar Society held their first meeting of the year at the home of Mrs A. Becker on Thursday evening. Mrs Howard Husted was co-hostess. Mrs Frank Tomasek won the door prize.

The recitation of the Rosary was led by Mrs Charles Foley, in the absence of Mrs Bernard Mankey. The Parish party to be held at the church Jan. 30, was discussed and tickets handed out. Also discussed was the bake sale to be held on Friday, Jan. 22. The ladies were asked to save their used postage stamps, and any religious articles for the missions, and to be brought to the meetings at any time.

The Feb. 11 meeting will be held at the home of Mrs Frank Tomasek, with Mrs William Bradley as co-hostess.

Byron Kissane leads farmers tax discussion

Property taxes, particularly as they affect the farmer, were discussed at the January meeting of Parker Center Farm Bureau held at the Raymond Doyle home on Krepps Road.

Discussion leader, Byron Kissane, cited statistically the property taxes paid by the farmer. The suggestion was made that elimination of the personal property tax might be of some help to the farmer, whose property taxes remain high, regardless of how low his income may be.

MRS WILBUR Brandt, women's committee representative, spoke on human resources. William Kissane, minute man, discussed the opening of the Michigan Legislature.

Lee Ormston's package report included information on fuel oil, fertilizer, and life insurance.

The group's representatives at the seminar for rural leaders to be held at Olivet, Feb. 12, will be Mr and Mrs Lee Ormston.

MRS DOYLE showed colored slides taken by Raymond Doyle Jr. during his naval tour of duty on the USS Intrepid, particularly in the Mediterranean area.

A social hour followed the lunch which was served by the hosts, assisted by Wilbur Bond. Mr and Mrs Robert Kissane will be hosts at the next meeting, Feb. 12.

Tops Club plans for convention

At the Jan. 14 meeting of the St. Johns TOPS Club, suggestions were made concerning ways to make money for the state convention. The convention is to be held in Detroit, March 26.

Queen for the week was Mrs Marilyn Whitford. She received a pin and earring set which was donated by Mrs Violet Paski.

MRS MASARIK read an article on learning new eating habits.

Three new members were accepted into the club. They are Mrs Lois Bancroft, Mrs JoAnn Sperry and Mrs Dora Peck.

Farm Bureau group seeks tax relief

The Looking Glass Valley Farm Bureau group met Jan. 11, at the home of Mr and Mrs Lawrence Maier.

The meeting was presided over by Chairman Gerald Starling who introduced Larry Davis, Farm Bureau insurance agent. Davis brought the group up to date on new policies the Farm Bureau is offering.

A DISCUSSION on "Property Tax Relief, For Whom?" resulted in the group approving a state income tax if farm property owners were guaranteed relief on farm property taxes.

Exchange students to present program

The regular meeting of the Ovid Parent-Teacher Assn. will be held Thursday evening, Jan. 28 at 8 p.m. in the high school auditorium. After the business meeting, three area exchange students will present a program. On the hospitality committee for the evening are Robert and Yvonne Cornell and Albert and Eleanor Ackley and on the refreshment committee, Robert and Jane Beach, Richard and Leona Whiteker, and Harold and Lois Bracey.

Announcements

The Bingham WWS will hold a pancake and sausage supper at the Bingham EUB Church at the corner of County Farm Road and Taft Road. Serving will start at 5 p.m. The charge will be adults \$1 and children, 50 cents. Proceeds will help pay for the group's new gas stove.

The Senior Child Study Club will meet at the home of Mrs Lyman Struble of 609 East Walker at 8 p.m. Wednesday, Jan. 20. There will be a panel discussion on "The Babysitter's Point of View," moderated by Mrs Gerald Shoemaker.

Ruth Circle of the First Methodist Church will meet at the home of Mrs Nick Hallitsky of 422 Meadow Drive Tuesday, Jan. 26, at 1:30 p.m. with Mrs Carl Ludwick as co-hostess.

The Clinton County Pomona Grange will meet Saturday, Jan. 23, at Bingham Grange. Robert LaBrie will speak on agriculture in Mexico. Bingham Grange will furnish hot dishes. Others will bring table service and dishes to pass.

Olive Grange, No. 358, will meet Friday, Jan. 22, at the home of Mr and Mrs Walter March of Jason Road. An early supper is planned. Each family will bring a dish to pass and enough oysters for themselves. A surprise program is being planned.

Bingham Grange will meet Friday, Jan. 22, at 8:30 p.m. with a lunch following.

Saturday, Jan. 23, Bingham Grange will entertain Pomona Grange for a day meeting.

The Mary-Martha Circle will meet at 1:30 p.m. Tuesday, Jan. 26, at the home of Mrs Floyd Robinson.

Milliken to speak at GOP Women's Lincoln Day fete

Lt. Gov. William G. Milliken will be the main speaker at the annual Lincoln Day Banquet Feb. 11, sponsored by the Clinton County Republican Women. It will be held at 7 p.m. at the Congregational Church.

The banquet is the group's major fund-raising event of the year, and tickets are priced at \$5 each. Since reservations are limited to 200 people, they should be mailed promptly, and not later than Feb. 6, to Mrs L. G. Sexton, 105 N. Swegles Street, St. Johns, ticket chairman.

A reception for the lieutenant governor will be held at 6:30 in the church Narthex. A special teen table is also planned.

Driver ticketed following crash

Everything went dead on his car, a Vestaburg driver told county sheriff's officers following a two-vehicle crash early Saturday morning on US-27 just south of Kinley Road.

Lorin B. Howell, 20, of R-1, Vestaburg, said he started to pass a pickup truck driven by Robert C. Betz, 36, of Ashley, and that his car suddenly quit. The car hit the rear end of the truck and both went into the ditch, traveling about 144 feet.

Both drivers complained of pains from the crash, but neither was hospitalized.

Howell was ticketed by Deputy Sheriff Ramon Terpening for failure to have his car under control.

Double N members hear Charles Frost

Mrs Marvel Zimmerman was hostess to the Double N Study Group for the January meeting. Thirteen members were present.

Charles Frost, civil defense director for Clinton County, was guest speaker for the evening. The topic of his talk was Mouth to Mouth Resuscitation. He showed a film on this form of artificial respiration.

EVERYONE had a chance to try this method on Rescue-Annie, a plastic, life-sized model. Frost then answered questions on civil defense activities in general.

Mrs Leon Hoppes outlined next month's program.

THE GROUP presented a gift to Mrs Jack Hudson, who will soon be leaving on a trip to Australia.

Mrs Russell Springer and Mrs Ross Downing were co-hostesses for the evening.

City police kept busy in '64, accident rate same as 1963

There were 195 accidents of a serious nature in St. Johns during 1964, Police Chief Everett Glazier said last week in his annual report on police department activity.

Officers investigated that many accidents in which the amount of damage was \$75 or more. Information on those accidents was compiled for and reported to state authorities.

THE accident rate was practically the same as in 1963 when there were 197 accidents. Some 89 were recorded in 1962 and 50 in 1961. Glazier pointed out that traffic has increased considerably in the last few years, with a far greater number of automobiles using city streets.

In addition to the 195 accidents mentioned, there were 34 other classified as minor—under \$75—for which no report had to be made to the state.

AS IN THE past, the greatest incidence of accidents was in the six-block downtown area. Sixty-eight accidents were recorded

there in 1964, compared to 70 in 1963, 44 in 1962 and 36 in 1961.

The corner of US-27 and M-21 was the second greatest accident zone, with 26 crashes being recorded there in 1964 including one fatal to two persons. There were only 22 there in 1963, but in 1962 police were called to accidents at that intersection 37 times.

IN ADDITION to accident cases investigated, city police made these arrests in 1964:

Minors in possession of beer or liquor, 10; drunkenness, 7; drunk and disorderly, 6; driving under the influence of liquor, 26; moving violations (stop signs, speeding, etc.) 448; violation of financial responsibility, 2.

TICKETS issued for parking meter violations numbered 3,842 during 1964. September was the high month for those violations, with 521 tickets being issued then; the 110 tickets issued during December was the lowest number.

Many tickets were also issued for overtime parking in unmet-

ed areas and for non-moving traffic violations, such as blocking driveways, parking in front of fire hydrants, etc.

OFFICERS investigated 336 major complaints for larceny, missing or stolen articles, drunkenness on the streets, etc. This figure does not include handling of complaints about minors and dogs.

The police department also serves legal papers, subpoenas and summonses.

MEMBERS of the police force are Chief Glazier, Robert Ott, Russell Doty, Lyle French, Kenneth Bunge, James Stiffler, Ed Teachout, and radio operators Alva Ballinger, Virgene Gee, Miss Dawn King and Mrs Carolyn Smith. Harry Buck was a radio operator until his death in December.

Many of Michigan's major highway routes follow generally the course of the trails of Indians who roamed the state wilderness hundreds of years before the white settlers arrived.

County drain report made

Clinton County Drain Commissioner Dale Chapman has issued his yearly report for 1964 to the county board of supervisors.

Drains unfinished at the start of 1964 included Branch No. 1 of the Big Horn in DeWitt Township, the inter-county Maple River drain in Gratiot, Shiawassee and Clinton counties, the Ice Pond Drain in Bingham Township and the Dryer Drain in Bath Township.

WORK ON THE Ice Pond and Dryer Drains was ended or finished during the year, and work started on the others, as well as the Botroff Drain in Riley and Olive townships.

Chapman reported the following drains repaired during 1964:

BRANCH No. 1 of the Cedar Street Branch of Bopps in DeWitt Township, Turkey Creek in Olive and DeWitt, Frank Irrer of Bengal, Goodhue in Duplain, Morris in Westphalia, Halstead in Riley, Mill Branch of the Mead Drain in Bath, Kelley in Westphalia and Eagle, Feightling in Bengal, Kneeland in Bingham, the Clinton and Ionia inter-county drain and the Cook inter-county drain in Clinton and Ionia counties.

Bement Library Book Shelf

By Elizabeth Millman

"Catherine, the Great," by Zoe Oldenbourg, is a splendid life story of one of the world's unforgettable women. Catherine's name was Sophia Augusta, born a princess in one of the small German principalities in 1729. She was betrothed to Peter, Grand Duke of Russia, at an early age. After his murder shortly after he became emperor, she became the empress and ruled Russia for more than 30 years.

Many books have been written about Catherine, who did much to modernize Russia and make it a great power in Europe, but this book attempts to present the woman rather than the empress. It is also a fine picture of the court life of the time with its intrigues, scandals, and extravagances.

THE AUTHOR is primarily a novelist, but this first attempt at biographical writing places her among the best of biographers. It is more exciting than most novels and better written than most histories.

Another biography is a gift to the library by the Cranbrook Foundation. "The Only Thing Worth Finding," by Arthur Pound, is the life story of George Gough Booth. This is also the story of the Scripps-Booth families and of the changes that occurred in life in Detroit from the 1880's to World War II. The Scripps-Booth families played a big part in these changes as they built churches, endowed and built Cranbrook and Kingswood schools and the Cranbrook Institute of Science, and created an art academy.

THE AUTHOR, Arthur Pound, is a Michigander by birth and has written many books about Michigan. The title of this book is taken from Mr Booth's favorite saying, "The only thing worth finding is opportunity."

Another of the "Drawings of the Masters" series just received is "American Drawings." The text, written by Bartlett H. Hayes Jr., contains biographies of the artists whose work is shown. Drawings by French, Spanish, German, Flemish and Italian artists have been received as part of this series.

"The Legend of the Seventh Virgin" by Virginia Holt is as suspenseful as her other novels "Mistress of Mellyn" and "Kirkland Revels." The rise of the servant girl to become mistress of the great house sets the mode for a great deal of intrigue. The story is laid in Cornwall, land of many myths and folktales.

Christmas Seal fund tops \$4,000

The week-by-week tabulation of contributions to the Clinton County Christmas Seal campaign shows an ever-increasing amount of money. The total Jan. 8 was \$4,172, some 110 per cent of last year's total. The latest report lists Clinton County as a member of the campaign's Million Dollar Club. Michigan was the first state in the nation to exceed its 1963 campaign. A total of \$1,152,918 was received through Jan. 8.

BETTE WALTON

Area girl salutatorian at Central

Only one other student in the Central Michigan University graduating class this month has a better grade-point average than Bette Walton of St. Johns.

Bette, the daughter of Mr and Mrs Chester Walton of rural St. Johns, has been named salutatorian with a grade average of 3.72 out of a possible 4.0 in four years at CMU. The valedictorian is Marcia Bator of South Haven, who had a 3.85 average.

BETTE IS a June 1961 graduate of Rodney B. Wilson High School in St. Johns and has been on the elementary education curriculum at CMU. She will receive a bachelor of arts degree, with minors in English, mathematics and Spanish.

She has had State Board of Education educational grants all four years at CMU. Bette is on the university honors program and is a member of Alpha Lambda Delta honor society, Senior Women's Honor Board and the Association of Childhood Education. She has worked part-time for the foreign language department.

BETTE WILL teach elementary school in Grand Rapids after graduation and plans to do graduate work in the future.

Wide variety of events on weekend slate

Antique shows, speed skating, racing on ice, sled dogs—they're all on the winter calendar of events around Michigan this weekend.

Included are an antique show at the Park Shelton Hotel in Detroit from Friday through Sunday; coronation of a winter carnival queen at Lewiston Saturday; Northern Michigan Outdoor Speed Skating Championships at Petoskey Saturday and Sunday; and sports car races on ice at Lake City Saturday and Sunday.

OTHER ACTIVITIES include sled dog races Saturday and Sunday at Benton Harbor; outdoor speed skating meet at Flint Sunday; skating club ice follies at Saginaw Sunday; and the Petoskey Winter Sports Carnival at Petoskey and the annual Sports Cars in Review at the Henry Ford Museum in Dearborn. Both of the last two events run through Feb. 7.

1965 Bike licenses available

Bicycle licenses for 1965 are now available at city hall and must be on bicycles by the last of March, according to Police Chief Everett Glazier.

Some 850 licenses were issued in 1964, about the same number as in 1963.

Glazier said parents are responsible for violations of bicycle licensing. Licenses cost only 25 cents. He said the licenses provide some means of controlling the acts of their riders and are also an invaluable aid in returning recovered stolen bikes to their owners.

THE CHIEF said the police department has two bicycles at the city hall now which were recov-

ered but which have no license plates and thus no means of telling to whom they belong. A large number of bicycles are stolen each year, and licenses on them help police in their investigations.

Glazier warned bicycle riders and their parents of a city ordinance which prohibits riding of bicycles on the three blocks of Clinton avenue in the business district and on State, Walker, Higham and Railroad streets a block either side of Clinton. This is to prevent possible injury to riders and pedestrians in the more-congested downtown area.

Liberty is being free from things we don't like in order to be slaves of things we do like.

World hunger problem is a continuing threat

The classic fear about world population growth is that it will outrun the food supply.

This is by no means the only potentially bad thing about the current boom in population. Many other problems are involved, among them housing, traffic, pollution, facilities for education and medical care, recreation facilities, and the whole complex of psychological problems that rise as the population rises.

THE FOOD SUPPLY problem is enough of a bugaboo in itself, however. Quite aside from all the others, it confronts mankind with a harsh challenge. More than one intelligent and well informed observer believes it is a challenge the human race will not meet satisfactorily unless there is a great change in our approach.

One of these is Dr Laurence M. Gould, whose views are given special weight by the fact that he is president of the American Association for the Advancement of Science. He believes that within the next decade or so the iron hand of famine, the greatest the world has ever known, is going to crush vast areas of Southeast Asia.

DR GOULD THINKS this will be felt most cruelly in China, India and Indonesia, "the most heavily populated areas in the world, and the hungriest."

This is not a warning to be taken lightly. Beyond the basic consideration that hungry people should not be allowed to starve, there is the political impact of such a catastrophe to be pondered.

Mankind is not helpless. Experts on food production believe that a world population of eight to 10 billion, three times the present total, could be fed. But this cannot be done unless the prosperous nations join in a massive onslaught on hunger.

Population control is important, but that is a long-range effort. Right now is the time to deal with world hunger, before it escalates into mass starvation.

Nice customers just don't come back again

The cheery little Onward and Upward pieces in most company magazines leave us pretty cold, but we sort of liked an article that appeared in a Food Fair Stores magazine.

"The Nice Customer" is a longish piece, so we'll quote only bits of it, but it goes something like this:

"You know me. I'm a nice customer. I never complain, no matter what kind of service I get. When I go to a store to buy something I'm thoughtful of the other person. If I get a snooty salesclerk who gets nettled because I want to look at several things before I make up my mind, I'm polite as can be.

"IT'S SELDOM I take anything back to a store. I've found people are just always disagreeable when I do. I never kid, I never nag, I never criticize. I wouldn't dream of making a scene, as I've seen people doing in public places. I think that's awful. I'm a nice customer.

"I'll tell you what else I am, I'm the customer that never comes back. And there's a lot of nice people in the world just like me. Together, we do them out of millions every year."

DESPITE political double-talk, the best social security is still a combination of hard work, thrift and wise investment.

RAMBLIN' with Rink

By LOWELL G. RINKER

Here's a contribution from a friend, and it's entitled "It's Later Than You Think" (must be I'm showing my age):

Everything is farther than it used to be. It's twice as far to the corner, for instance, and they've added a hill, I've noticed.

I've given up running for my bus; it leaves earlier than it used to. Seems to me they are making staircases steeper than they used to make them in the old days.

AND HAVE YOU noticed the small print they are using? Newspapers are getting farther and farther away when I hold them, and I have to squint to make out the news (Not so with us, fella!).

No sense in asking to have them read aloud; everyone speaks in such a low voice I can hardly hear them. The barber doesn't hold a mirror behind me any more so that I can see the back of my head. Even my shoe laces are so short they are all but impossible to reach. Even people are changing; they used to be so much younger than when I was their age.

ON THE OTHER hand, people my own age are so much older than I am. I ran into an old classmate the other night and he had aged so much he didn't recognize me.

I got to thinking about the poor old fellow while I was shaving this morning, and while doing so I glanced at my own reflection in the mirror.

Confound it! They don't even use the same kind of glass in the mirrors any more!

THE CHANGING weather is really interesting to watch. Up until last week I was afraid the mild, March-like temperatures we were having would only mean that March would be a month late in arriving—weatherwise, that is.

But in her own way, Mother Nature compensated for those warm days with some extremely nippy ones the latter part of last week. While I didn't exactly enjoy being out in the weather, I will say I'm happier now that the weather is more like what it is supposed to be in January.

MOST FARMERS are happy that it's cold again—some have remarked they'd rather fight cold and a little snow than mud. And after being out in it, too, I can say "Amen" to that.

According to the Farmer's Almanac, we are supposed to have loads of snow to go with the cold this week, with a thaw this weekend. Let's see about that.

Golden Fancy

By W. E. DOBSON

It isn't hard to fancy
When the going has been tough,
When the diet's rather skimpy
And the wages not enough;
That if only some kind angel
Would produce a golden store,
Happy would we be for always,
Never wish or ask for more.

As we dream in self-indulgence,
Of the things we've wanted so,
With sufficient golden treasure,
Sure our cup would overflow;
So we try to draw the picture,
By imaginary rule,
With no compass fit to guide us,
Broken dreams our only tool.

But the man who has a million,
Cannot freedom buy from care,
Of another kind of troubles,
Seems he has more than his share;
Though he's buried in abundance,
There are worries none the less,
And too often he has reason
To conclude his life a mess.

Seems the human mechanism
Fashioned for rich and poor alike,
Functions well for steady workers,
But for idlers goes on strike.
Happy he who finds his station,
And enjoys his humble lot,
Is not envious of others,
To his job gives all he's got.

Property taxpayers reject aid

WITH CONSTRUCTION workers on every hand—tearing out our ceilings, putting down new floor, turning off our lights and shutting off our 'phones—this seems like a good week to turn this column over to my editorial friends at The Lapeer County Press. Their comment, which appears below, was titled "Over-taxed Citizens Sob but Reject Helping Hand." Here 'tis:

Sympathize with the occasional lawmaker who tries to do something about the property tax. It's a frustrating, thankless, hopeless job. Incredibly, the taxpayers just won't let him.

The case for doing something is clear enough. Nobody argues about that. Take Lapeer County as a typical example. Farmers pay half the taxes but are only a quarter of the population. A white collar man in a \$40,000 country home, making \$25,000 a year, pays a fraction as much property tax as the farmer across the road making \$5,000 a year.

IT GETS WORSE. Thirteen years ago the State paid 88 per cent of the school operating costs in this county. Now the State's share is 64 per cent. The slack is taken up by higher property taxes.

Counties, schools and most cities get the bulk of their revenue from property taxes. As costs of government go up, there is nowhere for them to turn except to the property owner.

So everybody squawks: The man with a vacant building in Mayfield Township who gets a tax bill for \$721 for a building with a cash value of \$24,000 . . . The retired couple in Lapeer with an income of \$2700 a year and a tax of \$208 . . . The farmer in Almont whose tax bill was greater than his net profit . . . The property owners of the whole state who as a class have seen their property taxes increase nearly twice as fast during the past 20 years as any other major tax—income, sales, gas, liquor or cigarettes.

IT SEEMS PLAIN that any man who tried to do something about it would be a hero. But Governor Swainson tried it with a tax reform program and got clobbered. Governor Romney tried it and his own party turned against him. Even the Farm Bureau, whose members stood to gain most, refused to actively fight for it.

This winter our own State Representative, Roy Spencer, is getting a taste of it.

Spencer endorsed an idea from Calhoun County: Raise auto license fees \$3 and give the money to the cities, villages and counties for local law enforcement. In Lapeer County this would mean \$70,000 a year. Since law enforcement costs are now paid almost entirely by property taxes, it would ease the load here by 2/3 of a mill.

BUT EARLY REACTION has been heavily against the idea. A sampling of his mail reveals these statements: "Raise the liquor taxes. It's booze that makes law enforcement necessary" . . . "Auto taxes are too high already" . . . "All you guys do is sit around and think up new taxes" . . . "What we need is tax reduction, not increases" . . . "I didn't give you my vote to raise my taxes."

Even local governments—like the Lapeer City Commission and the Huron County Board of Supervisors—opposed it. These are the same local lawmakers who keep demanding some source of revenue besides the property tax.

Spencer's idea suffers because it doesn't offer a property tax reduction to match the license increase. People see it as only another gouge.

YET THE COSTS of law enforcement keep going up. In Lapeer County, the sheriff's budget has doubled in 10 years, now amounting to a mill of property tax. In Lapeer City the combined Police and Fire Dept. took 9 mills last year.

These costs are bound to keep increasing. Without another source of money, property owners will have to foot the cost. The \$3 from auto licenses would be direct relief for the property owners.

People who object to a tax on auto owners for law enforcement may not realize that right now we are getting money for that purpose by levies on cows and plows and back forties and Grandpa's retirement bungalow.

Roy Spencer looked discouraged when he showed us the mail he was getting. We'd be surprised if the sympathy by him and other lawmakers for the hard-pressed property owner wasn't fast evaporating.

Cost of traffic safety big legislative headache

BY ELMER E. WHITE
Michigan Press Ass'n.

Traffic safety is costly in many ways, but most experts agree the investment is worth the dividends. The alternative, no action, is tremendous tragedy.

With a highway death toll over 2,000 in 1964, higher auto insurance premiums being predictions for continually rising costs.

Related costs are many. One of these is prevention. This is a possibility destined to bring pressure on state government officials in months ahead.

LATE IN 1964, the governor's special commission on traffic safety brought forth several recommendations for more strict enforcement of existing laws, new legislation, and research aimed at reducing the annual increase in accidents and deaths on the highways.

The secretary of state's office is basically the largest single state agency involved in safety-related activities with which the Governor's commission concerned itself.

James M. Hare, administrator of this department, says now that the commission's recommendations which relate to his department would cost about \$1.2 million annually.

LARGEST SINGLE expenditure for Hare's department would be an estimated \$821,000 to combine the various existing state driver licensing services into a single jurisdiction, presumably the secretary of state's office.

Additional sums of more than \$200,000 would be required, Hare said, for each of two other commission recommendations. These dealt with the use of an electronic computer system to aid in the control and improvement of problem drivers, and sending various notices to errant drivers at three stages in the 12-point violation system.

Lesser expenditures, each under \$100,000, would be needed annually to implement three other commission recommendations dealing with stricter enforcement of driving laws.

THE HEALTHY surplus remaining in the state treasury at the end of the last fiscal year and an even bigger one participated this July will mean a mass of requests from all state departments for a share of the pie.

Traffic safety has taken a back seat to other appropriations on a couple occasions in the past few years, but this year real pressure will be on to give this area long-due attention.

The \$1.2 million estimated necessary for Hare's department and other amounts for other agencies dealing with the problem will pose a serious question to legislators this year: Which costs

more, the multi-faced costs of a continually rising highway accident-death toll or a full-fledged program to educate Michigan citizens and enforce state laws?

DOLLAR VALUE of Michigan's year-round tourist industry has been variously estimated at from several hundred thousand dollars to well over \$1 billion, depending largely on how many related expenditures were considered.

By the end of this year, the State Tourist Council hopes to have a relatively accurate and uniform yardstick for all seasons.

Through a \$78,000 legislative grant to Central Michigan University, a 15-month study is being conducted covering every season and type of tourist activity to determine the amount spent in Michigan on food, lodging and direct recreation by various tourists.

LAST FALL'S deer season, for example, resulted in a report that more than \$13 million was spent by some 450,000 hunters in 16 days. Based on interviews, the count indicated the average party was about four persons spending 5 1/2 days in the state, each persons spending \$30 during the period.

Transportation, equipment and license fees were not considered in the study, but rather were viewed as side effects of the deer season.

Tourist Council Director William T. McGraw said his department and the regional associations expect to get new insight from the results of the study.

"We are confident the completed study will be of great value," said McGraw. "In some matters it is pioneering new areas which the industry previously has been financially unable to study," he said.

THE JOHNSON-ROMNEY split victory in Michigan's November election came as no surprise to astute history students in the state.

Pollsters and most Democratic party leaders had predicted Gov. George Romney would be defeated if President Johnson carried the state by 500,000 votes, which he did easily.

The history books, however, leaned in favor of the Johnson-Romney combination. They showed Michigan voters favored a governor and president of the same party only once in the past quarter-century of presidential year balloting.

That was in 1960 when Democrats John F. Kennedy and John B. Swainson both won. Before that, Michigan voters had not chosen two chief executives of the same party since 1936.

THE TICKET-splitting tradition among Michigan voters in presidential election years will not repeat itself in the near future, however.

The new Constitution provides for a 4-year term for the governor starting in the 1966 election. This will put the gubernatorial contest on the ballot only in non-presidential years.

COUNTRY FLAVOR

Countryman yearns for days of old-fashioned phone

HAYDEN PEARSON

In the last half century the countryman has experienced a long list of improvements and he is opposed to them. What this country needs is a return to Morgan roaders, woodburning kitchen stoves and Mother's graham gems in heavy iron pans.

More than anything, we need to return to old-fashioned telephones on kitchen walls. If things keep on, and the telephone company keeps adding numbers that a man must dial, we shall soon need a computer in every household to figure out the list of numbers. A man with a blunt, calloused finger tip isn't meant to use dinky contrivances in pastel colors.

THERE WAS a time when a man could step up to his machine, ring a bell, and when a pleasant familiar voice said, "Number please?" a man responded, "That you, Mabel? If John Jones is home, I'll talk with him a minute. Heard he had a young heifer to sell."

Mabel would know if John was home or if he had gone over to Centerville. She would also know about what time he would be home. It was daily living on a personal plane. You didn't have to remember numbers. All a man had to do was ring central and Mabel carried on from there.

OF COURSE, on a party line with a dozen families, sometimes the ladies went on a conversation-

al binge. You knew that certain citizens made a practice of listening in, but that merely forced one to be careful concerning the information he imparted.

Telephone service used to be simple and understandable. We are progressing too fast and life is getting too complicated. We favor a new political party that will adopt a program including "That you, Mabel?" and we predict it would have widespread support.

Institutions, like structures, are not sound because they are old . . . rather, they are old because they are sound.

50-years display New kidney bean at Farmers' Week gaining favor

Farmers interested in the care and breeding of cattle, hogs and sheep are in for a glimpse of both the old and new during the Feb. 1-5 50th anniversary of Farmer's Week on the Michigan State University campus.

A week-long exhibit at Spartan Stadium will show 50 years of progress in the feeding and management of sheep and hogs. Livestock fed rations recommended by MSU scientists 50 years ago will be featured along with animals fed today's typical farm rations. MSU livestock barns will also be open to visitors throughout the week.

FOR THE research minded visitor, the \$330,000 beef cattle research center, dedicated last August, will be open for inspection. More than 40 different lots of cattle are currently being used in a variety of nutrition and management trials aimed at helping the Michigan farmer produce meat more efficiently for the consumer's dinner table.

A host of livestock contests will highlight several of the daily programs sponsored by the MSU animal husbandry department. Carcass hog entries will be judged on Monday, Feb. 1. Beef cattle meetings and the annual livestock show will be held on Tuesday along with discussions of commercial flock rearing for sheep producers.

WEDNESDAY will bring swine judging and the traditional livestock sale.

A livestock judging contest for both youths and adults will be held on Thursday. Prizes will be awarded to 4-H Club and Future Farmers of America teams, in-

dividual youths, adult county teams and adult individuals. Closing out the week's activities will be the 30th annual bred ewe sale in the livestock pavilion. This event is the continuous all-breed sheep sale in the Midwest.

A livestock judging contest for both youths and adults will be held on Thursday. Prizes will be awarded to 4-H Club and Future Farmers of America teams, in-

Coachman and AuSable, released in the spring of 1964 to certified seed producers, were the top performers in yield trials in Lenawee, Kalamazoo, Tuscola and Ingham counties.

THE MICHIGAN State University scientists who developed the new varieties, Drs. John Grafius and Richard Kiesling, report that the new varieties not only are out-yielding their competition, but

they also have a high degree of disease resistance. Both have more resistance to red leaf and black stem than other recommended varieties.

Coachman has adequate resistance to stem rust, but AuSable is susceptible to several common races and, for this reason, is not recommended for the northern Lower Peninsula or the Upper Peninsula.

DRS GRAFIUS and Kiesling report that Coachman appears to be suited to the Upper Peninsula as an early oat, but more research is needed to give full support to this observation.

"We recommend that Coachman replace Rodney and Clintland types in southern Michigan and that AuSable replace Rodney in the central Lower Peninsula when seed is available," advise the scientists.

"Garry should be retained on the recommended list. It has a fine yield record and has excellent lodging resistance, but it tends to have low test weight."

IN RECENT yield trials, both Coachman and AuSable proved to be resistant to lodging. They had the highest test weights of any varieties grown in Michigan, and both have very large seeds.

Coachman topped the list in two years of trials in Kalamazoo County. In the Ingham County tests, Garry averaged 107.6 bushels during the past five years. AuSable yielded 105.4; Coachman, 98.7; Rodney, 98.3; and Clintland 60 produced 90.7 bushels.

IN TUSCOLA County, AuSable topped the list during the last four years with an average yield of 111.4 bushels. Garry was second with 109.0. Rodney yielded 108.2; Coachman, 102.4; and Clintland 60, yielded 94.1 bushels.

Coachman has adequate resistance to stem rust, but AuSable is susceptible to several common races and, for this reason, is not recommended for the northern Lower Peninsula or the Upper Peninsula.

Note small gain in businesses

An increase of three business places in Clinton County during 1964 was noted in a report this week by Dunn & Bradstreet, Inc. A physical count of their Reference Book for January 1965 disclosed 369 manufacturers, wholesalers and retailers in the county, compared with 366 in January 1964. This is an increase of one-half per cent for the period.

W. S. Garrison, district manager of the Detroit office of Dunn & Bradstreet, said requests for copies of financial statements have been mailed to over 375 businesses in the county. The firm's reference book lists the manufacturers, wholesalers and retailers who seek or grant commercial credit, but it doesn't include many service and professional business.

USING THE book listings as a guide, it is interesting to review what has happened in four Clinton County communities during the past year.

Some 156 listings are from St. Johns in 1965, compared to 152 last year. Others, with the 1965 number first, and the 1964 number second, are Ovid, 46 and 48; DeWitt, 41 and 42; and Elsie, 38 and 38.

New oat varieties recommended

Coachman has adequate resistance to stem rust, but AuSable is susceptible to several common races and, for this reason, is not recommended for the northern Lower Peninsula or the Upper Peninsula.

Originated in 1952 at MSU Agricultural Experiment Station

Called Charlevoix, the new variety is resistant to the bean disease anthracnose. It is, however, susceptible to other bean diseases, including the bacterial blights and common mosaic.

Results of a comparative canning study indicated that the variety produced a high-quality canned product, comparable with the old commercial variety.

CHARLEVOIX scored A for consistency, absence of defects and character on USDA standards for canned dried bean grades.

Both the old and new varieties look alike except Charlevoix is taller and matures as much as 10 days earlier. Due to susceptibility to other diseases, the report recommends that disease-free seed be planted on land that has not grown beans for three or four years.

FURTHER details of the reports can be found in Research Report No. 6, "Charlevoix Anthracnose-Resistant Dark Red Kidney Bean," available at county agent offices or by writing to the Bulletin Office, 10 Agricultural Hall, MSU, East Lansing, Mich.

2 weeks remain for aliens to report address

Walter A. Sahli, District Director of the Immigration and Naturalization Service, has urged all aliens in Michigan who have not yet filled out alien address report forms to do so before Jan. 31 at the nearest Immigration and Naturalization office or local post office.

The immigration official pointed out that the law requires all non-citizens, except persons in diplomatic status, foreign representatives to certain international organizations, such as the United Nations, and aliens here temporarily as agricultural contract laborers, to report their addresses to the government each January.

SAHLI ADDED: "The parent or legal guardian of an alien child under 14 years of age must fill out the address report form for such a child in order to comply with the law."

"We have tried to make it as convenient as possible for non-citizens to meet the address report requirements; and, in view of serious penalties for willful violations, all persons subject to the address report law are urged to fulfill this obligation before the end of January."

SAHLI ADVISED: "It is easy for an alien to meet this requirement. He just goes to the nearest Immigration and Naturalization Service or post office, fills out the address report form, and returns it to the clerk. Any non-citizen who is ill may send a friend or relative to obtain the card for him, and return it to the clerk after it has been completed by the alien."

The immigration official said 40,000 aliens in Michigan already have filled out address reports. He estimated that 130,000 such reports will be submitted before Jan. 31.

There were 2,700 automobiles in Michigan when the state highway department was created in 1905. The state now has more than 3.5 million registered motor vehicles.

Non-citizens have 10 days to file addresses

The United States Immigration and Naturalization Service reminded all aliens in Michigan this week that only about 10 days remain in which non-citizens must file their annual address reports as required by law.

Address report forms are available at the nearest Immigration and Naturalization Service office and at all post offices for the convenience of non-citizens required to report their addresses to the Government each January under a provision of the Immigration and Nationality Act of 1952.

WITH THE BEST!

Look at it this way. Figure out the cost of manhours of work that go into the planning and cultivation of your crops. Take into consideration the value of the acreage itself. Then see if it doesn't make sense to use a better fertilizer for a bigger yield . . . and a better return on your overall investment.

Yes, the BEST fertilizer (Zeeb Fertilizers) you can buy is the most profitable investment you can make!

ASC PROGRAM

USDA lists support prices on 1965-crop oilseeds

The US Department of Agriculture recently announced the following national average support prices for 1965-crop oilseeds: soybeans \$2.25 per bushel and flaxseed \$2.90 per bushel, US No. 1 grade.

In determining the support prices for soybeans and flaxseed, several factors were considered. Among these were the supply of the commodity in relation to demand, the ability of the Commodity Credit Corp. to dispose of stocks acquired under price support, and the support levels for other commodities.

THE 1965-CROP levels compare to supports for 1964 crops of \$2.25 per bushel for soybeans, \$2.90 per bushel for flaxseed, and \$44 per ton for cottonseed.

Soybeans: The support price announced for soybeans is expected to encourage production of soybeans at levels high enough to supply domestic and foreign demand and to help maintain prices and income to growers.

THE 1964 CROP presently is

estimated to have a farm value of about \$1.8 billion, compared to \$1.7 billion in 1963 and around \$1 billion in the late 1950's. Expanded use of soybeans has provided producers, particularly in the major feed grain producing area, a desirable alternative to feed crops for which the production potential exceeds current needs. If production had remained at levels of 1960 and earlier years, increased utilization would have been retarded.

Eligible producers can receive price support on their 1965-crop soybeans through warehouse and farm-stored loans, and purchases, either as individuals or through their cooperative marketing associations.

PRICE support will be available through county ASCS offices.

Applications for price support will be available through Jan. 31, 1966. Loans will mature on July 31, 1966.

FLAXSEED: Value of the 1964 flaxseed crop currently is estimated at \$68.6 million. This compares to a 1963 crop value of \$86 million.

Price support on the 1965 crop will be carried out through warehouse and farm-stored loans and purchases.

The program will be carried out by state and county Agricultural Stabilization and Conservation (ASC) committees.

APPLICATION for price support may be made through Jan. 31, 1966, in Michigan.

Nonrecourse loans will mature on May 31, 1966, in Michigan.

Terminal and county support rates with adjustments for grade and quality differences will be announced later.

The recently-announced payment-in-kind export program for flaxseed will provide more incentive for farmers to redeem and market their collateral instead of delivering to CCC since export quantities will be drawn from market supplies.

Autos top item in October sales

Automobiles seemed to be the most sought-after item in Clinton County last October. At least people paid more money for cars than anything else, as evidenced by figures for sales tax returns.

Sales tax collections on automobiles totaled \$42,200. Tax on food sales was next at \$40,294. Tax collected on other items sold in October included: \$10,376 on non-retail items, \$22,816 on building material, \$4,756 on general merchandise, \$3,093 on apparel, \$4,950 on furniture and \$6,827 on miscellaneous retail.

Total sales tax collected amounted to \$135,316. Collected use tax totaled \$6,126.38.

W. M. SMITH
County ASC Manager

UNDER BOTH the flaxseed and soybean support operation, the methods of support are substantially the same as those authorized for the 1964 crop in which simplified procedures made farm storage loan money available more promptly after harvest, provided earlier price support coverage, and simplified county ASC committee administration.

Spread manure for 'landpower'

You're overlooking a potential profit in your farming operation if you have livestock but aren't spreading the manure to build your landpower. The word "landpower" has been used recently to describe the ability of land to produce good crop yields.

Spreading livestock manure in generous amounts builds soil fertility by adding plant food, improves soil structure, has a beneficial effect on soil tilth and increases the soil's ability to hold water.

THE FERTILIZER value of a ton of manure—in terms of nitrogen, phosphorus and potash—depends on what your animals eat and how well you conserve and use the manure.

Some agronomists estimate a ton of average dairy cow manure is worth 10 pounds of nitrogen, five pounds of phosphate and 10 pounds of potash. George Corder, extension service soil specialist at the University of Kentucky, says the fertilizer value of a year's manure from one dairy cow is worth about \$30.

IN ADDITION to its fertilizer value, manure also contains organic matter necessary to the growth of micro-organisms in the soil. The micro-organisms are

beneficial to soil structure and plant growth, agronomists say, and manure provides the micro-organisms with food and energy.

Manure adds other organic matter and trace elements that foster increased growth. This reduces erosion and increases the soil's ability to absorb water. In research at Scotts Bluff, Neb., manured land took in water two inches per hour faster than unmanured land. The water intake rate was measured after the land was irrigated for two hours.

CARE MUST be taken to preserve the manure's value if you want to get maximum results from spreading. Ohio research showed manure exposed to rains through January, February and March lost more than a third of its organic content and nitrogen, about a fourth of its phosphorus and half of its potassium. This loss may go unnoticed, because the rain water takes the place of the elements leached out, so there's little weight loss.

If ample amounts of bedding are used to absorb liquids, and superphosphate is added to the manure as it accumulates, nitrogen losses can be reduced substantially. Some farmers spread the superphosphate in stable alleys where it is mixed with the manure in the daily cleaning routine.

ALSO, IF manure piles are deep, well-packed and have straight sides, manure can be stored out in the open without severe plant food losses.

Conserving and spreading manure to build your landpower is an essential management practice in livestock farming. Modern spreaders make it possible to haul big tonnage economically, quickly and with a minimum of labor. The manure is there, it's free, and it's valuable. Use it and build your landpower.

Safety project is discussed by Study group

The St. Johns NEWS Extension Study group held their meeting at the home of Mrs Howard Plowman Monday evening, Jan. 4. Mrs Gail Geotz, chairman, presided over the meeting.

Each member answered the roll call by being weighed. The secretary made a record of each weight. Those will be compared with their weight at the March meeting.

Sixteen members and all but one officer answered the roll call.

THE TREASURER, Mrs Roy Spedel, was absent due to the death of her mother in Arizona.

Report of the December council meeting was given by Mrs Howard Plowman. Several items for the meeting were discussed by the group.

Mrs Arthur Workman discussed the traffic safety project that the group is undertaking for a project this year.

The following committees were appointed. Mrs Rudolph Masarik, safety; Mrs Glenn Emmons, citizenship; Mrs Howard Plowman, rural defense; Mrs Irene Beaman, health; Mrs John Demaray, family life; Mrs Keith Rosekrans, international relations; and Mrs Arthur Workman, traffic.

A BIRTHDAY cake and dollar were delivered to the Children's Home by Mrs Donald Jaquish for a community project.

Several members delivered packages to needy families at Christmastime. Mrs Donald Jaquish delivered presents to the Children's Home.

Mrs Irene Beaman was co-hostess with Mrs Plowman, serving the refreshments.

AT THE next meeting, roll call will be answered by naming a choice of floor covering. The meeting will be with Mrs Frances Diehm.

Delay heating for park building

A furnace for the city park office building at the city park will be put off for this winter while the city commission works out plans for providing natural gas to the park building complex.

The commission agreed to split with Consumers Power Co. proven costs for running a gas main to the buildings area. Work would probably be done next summer, and heating provided for the building after that.

Bids for a furnace for the building were received from four firms, but all were rejected. The commission had sought the bids while considering propane gas for the building. The change of plans for the heating led to the rejection of all the bids.

Clinton County sheriff's officers made 380 arrests during the year for 20 different offenses, according to the year-end report of Clinton County Sheriff Percy Patterson.

gated 373 traffic accidents in which 236 persons were injured and 12 were killed.

violations, for which 50 of the arrested persons were convicted, and 58 arrests for being drunk and disorderly. Fifty-two of those were convicted. Seventy-four persons were arrested for traffic violations involving drugs and alcohol; 69 were convicted.

There were 682 fox bounties handled during the year by the sheriff's office.

Sheriff's officers also handled other traffic details, such as escorts, fires, football games, funerals and parades.

THIRTY-SEVEN boat licenses were issued during the year. Officers took 1,792 sets of fingerprints and took pictures of 380 prisoners. Some 269 guns were registered.

In the driver's license duties of the department, 6,318 operators licenses were issued. Also issued were 1,048 chauffeur's licenses and 1,438 beginner's licenses. Road tests were given to 1,507 applicants.

Kathy Smith, left, and Rexene Hansen hold some of the door prizes to be given away next Wednesday in a night of skating for the benefit of the March of Dimes. With them is Larry Karber, owner of the Ranch Roller Rink, sponsoring the event. The girls, both sophomores at the high school, are spearheading the ticket sales for the Rainbow Girls.

Plan roller night for Dimes fund

Proceeds from a night of roller skating at the Ranch Roller Rink in St. Johns will go toward the 1965 March of Dimes. The night will be next Wednesday, Jan. 27.

William Karber, the roller rink owner, will donate the funds received to the March of Dimes. The Rainbow Girls at St. Johns High School are selling tickets and otherwise promoting the special event. The rink will be open from 7 to 10 p.m.

A NUMBER of door prizes have been donated by local merchants and will be given to youngsters who skate during the evening. They will be given away at various times.

The prizes include a skating case from State Farm Insurance, leather key holder from Harr's, Master Craft paint set from Heathman's, stretch gloves from Mary Frances Shop, softball from Benson's, manicure set from Karber-Hopko Insurance Co., duffie bag from Benson's, ball-point pen from Glaspie's Drugs, and a transistor radio from Jim's Insurance.

One of the largest highway contract bid openings ever held by any state highway department was held at Lansing, Mich., on Dec. 7, 1960, with low bids totaling \$42.3 million.

50 graduate from Western dance classes

Over 50 members and friends of the Western Dance Class attended "graduation" exercises in the Maple Rapids gymnasium Wednesday evening, Jan. 6. The group then attended a party at the farm home of Mr and Mrs John Brown and Mary.

A board of directors meeting of the newly organized club was held at the home of President Gaylord Craig and his wife. Other officers are Mr and Mrs Ray Glinke, vice presidents; Mr and Mrs Charles Snyder, treasurer; Mr and Mrs Clare Floate, treasurer; Mr and Mrs Lloyd Baker, Federation representatives; Mr and Mrs Alex Cramer, refreshment committee; Mr and Mrs Clare Swanson, welcoming committee; and Mr and Mrs John Brown, publicity.

THE NAME of "Maple Twirlers" was approved for the club. The regular meetings will be on the second and fourth Thursday of each month after the regular dance class. A potluck supper will be served for club members after the extra hour of dancing.

Graduates of the dancing class were Mr and Mrs James Craig, Mr and Mrs Robert Underwood, Mr and Mrs Roy Glinke, Mr and Mrs Clare Swanson and daughter Kaye, Mr and Mrs Don Upton, Mr and Mrs Clare Floate, Mr and Mrs Lloyd Baker of St. Johns, Mr and Mrs Alex Cramer, Doug Smeltzer and David Thompson, Mrs Kathleen Thompson, Mrs Dorothy Ward, Mr and Mrs Gaylord Craig, Mr and Mrs John Brown, and Mrs Theda Moore, who was not able to be present. A number of guests were in attendance.

WENDELL LAW, caller from St. Johns, and Chuck Opydke, president of the federation from Lansing, officiated at the graduation ceremonies.

The Dundee, Scotland, city police pipe band refused to play until they got new outfits to replace their present kilts, made in 1900.

Scouts host district appreciation dinner

The St. Johns Methodist Church and host Boy Scout Troop 71 and Post 401 sponsored the annual appreciation dinner for the Chipewa District of Boy Scouts last Tuesday evening.

Scouters from the four corners of the district and all of Clinton County converged on St. Johns for the potluck-style dinner, entertainment and introduction of new faces.

MEL WARREN was introduced as the new district chairman. He's from St. Johns. Rudy Masarik of St. Johns continues in his job as district commissioner and Sam Serrell of St. Johns was announced as one of the assistant chairmen.

Installation of officers will take place at the February district meeting.

JOHN WILLIAMS, Scoutmaster of Troop 71, was in charge of arrangements. The invocation was by the Rev Howard A. Smith of the Methodist Church. The opening of the meeting was by Post 401, and the closing was by Troop

71 in a vocal arrangement by Dick Moldenhauer, Tom Fowler, Steve Parker and John Carmack.

Entertainment during the evening consisted of a male barbershop quartet by the "Four-fifths," comprised by Charles Caudy, Charles Huntington, Elwood Self and Bruce Campbell. A hootenany girls' group of players and singers was next, and it included Margaret Cortright, Cathy Matthews, Mary Beth Sexton and Linda Blied.

GUESTS AT the dinner included Mr and Mrs Robert Arnold of Lansing. He is the new district executive for District 5. Bill Morris of the Chief Okemos Council board handled introductions in his role as master of ceremonies.

Recognitions were made by John Williams, with actual presentations to be made at the next roundtable meeting.

Safety of postal drivers praised

St. Johns city and rural mail carriers received high praise from Postmaster J. D. Robinson for earning a safety citation from Chicago Regional Director Donald L. Swanson.

The postmaster advised his drivers that they had made a significant improvement in the safety record of the post office and also contributed to the local community safety effort.

AS A BASIS for making the award, the Post Office Department reviews the accident exper-

ience of each postal installation having a fleet of five or more vehicles, and determines the winners on the basis of fewer accidents, lowered cost and reduction of casualties.

Postmaster Robinson, in accepting the award, stated that he was pleased to receive it on behalf of all employees of his office, especially the drivers, whose record as a team was worthy of meritorious consideration by postal officials.

REGIONAL Director Swanson

stated that it was especially gratifying to honor St. Johns drivers in view of the difficult traffic and adverse weather conditions.

In addition to the fleet award every individual driver received a National Safety Council Safety Award for each year that he drives without having a preventable accident.

THOSE receiving awards for 1964 are: Warren Anderson, one year; Carl A. Bair, eight years; Frank Glowacki, one year; Jay McKay, three years; Robert Pratt, five years; Jack Welton, two years and Richard Worrall, nine years.

Man recovering from monoxide dose

James Salters of 106 E. Gibbs Street was expected to be released from Clinton Memorial Hospital the middle of the week after he was found overcome by carbon monoxide gas early Saturday morning.

His wife told police she found her husband in their car in the garage and that she couldn't wake him up. Policeman James Stiffler went to the home and found that Mrs Salters had the car window and garage door opened.

Stiffler took Salters to Clinton Memorial Hospital. He was "much improved" and in "good condition" there Tuesday.

27 new blood-donors

Richard Newman of DeWitt, co-chairman with his wife of the Clinton County Bloodbank program, came up with these interesting statistics regarding the recent Bloodmobile visit to St. Johns:

A record 215 pints of blood were donated by persons from all over the county. Twenty-seven of them were new donors. Mrs Robert Rand of St. Johns accounted for a half-dozen of the new donors by calling on persons listed in the Clinton County News' "Have You Met?" column, which introduces newcomers to St. Johns.

FORTY-FOUR of the pints were Rh negative, a badly needed blood type. Newman said that was about 20 per cent of the to-

tal donation, whereas the Rh negative blood usually is only about 10 per cent of the total.

Volunteer help for the Bloodmobile visit accounted for a tremendous number of man-hours, Newman pointed out. He listed 61 persons who did different jobs for varying amounts of time during the day Dec. 29:

TWELVE GRAY Ladies, six registered nurses, four members of the Future Nurses, four clerical workers, six doctors, three registrars, one assistant dispatcher, three supervisors, six persons unloading and loading the Bloodmobile equipment, two janitors and 13 persons who worked different shifts during the day in the canteen under the direction of Mrs Gaylord Doyle.

Happy Hustlers 4-H hosted by Kehr boys

The Happy Hustlers 4-H Christmas party was held at the home of Tom and Charles Kehr. Two electrical demonstrations were given by the hosts. Recreation was led by Joyce Simon, Theresa Riley, Tom Wieber, and Kathy Schaefer. Gifts were exchanged among the members. Re-

freshments were served by Karen, Rosalyn and Diana Robinson, Monica Gazda, and Agnes Walasek.

It was announced that the next meeting will be Jan. 18 at the home of Mark and Joyce Simon.

THROUGH THE CENTURIES...

Through cold, snow-covered fields, underneath ice-encrusted trees, the river runs its course. This brings to mind the Christian Church. It was founded upon the teachings of Jesus who lived His life and did His work unperturbed by the coldness of many of His fellowmen and of the ruling officials. He knew that His work would stand because it was founded upon truth. It not only stood, but has flowed steadily on for centuries. It is still going on today in

His churches. If you do not attend church services why not go this coming Sunday, and identify yourself with this steady flow of the best for which life stands? There is always room in the river for one more drop of water. There is always room in the Church for one more worshipper.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

New hot breakfast! Orange Honey Loaf

You've read about quick breads but this simple recipe produces a delicious, really QUICK quick bread! When time doesn't permit your whipping up your favorite morning coffee cake or afternoon tea bread, try quick Orange Honey Cubes.

CUT CRUST from top and sides of bread. Cut bread lengthwise almost through the bottom crust, then cut crosswise to form 8 cubes. Combine sugar, cinnamon, honey, orange juice concentrate, thawed and undiluted 1/4 c. melted butter and 1/4 c. coarsely chopped nuts.

MRS JOHN KRAMER

Quilting, carpentry diversified hobbies

BY PATRICIA HOLMES

A woman who combines the very delicate and feminine hobby of quilting with one not quite so feminine, carpentry, is Mrs. John Kramer of 409 Bath in Fowler.

Mrs. Kramer has always enjoyed sewing, but one year, her husband received a jigsaw for Christmas. Who became the expert jigsaw operator? You guessed it. Mrs. Kramer.

"I BEGAN making little things at first," she said. Before she quit, in order that she might devote more time to her favorite hobby of quilting, Mrs. Kramer had supplied her grandchildren with such things as wheelbarrows, rocking horses which stood about three feet high, and glider swings. The glider swings are suspended on ropes and work on the principle of the railroad hand cart. The harder you pump, the

faster you go. She has made them for her friends and kept one at home for her grandchildren to play with. It is a sturdy toy, so unlike the intricate sewing she does now.

Mrs. Kramer does all her quilting by hand. The designs, as in the rose pattern pictured, are based on the quilts she is working on presently are for her grandchildren. She has 20 grandchildren in all.

THEY ARE the children of her son, Allen Kramer of Fowler, and three daughters, Mrs. Lawrence Mueller of Lansing, Mrs. Anthony Wirth of Westphalia and Mrs. Erwin Pline of Fowler.

Mrs. Kramer is a member of Holy Trinity Church in Fowler and of the Daughter's of Isabella. Two mornings each week, she works at the Motz Nursing Home in Fowler.

Self-rising flour is good variation

If you've recently noticed a type of flour called self-rising flour on your grocer's shelves, don't be hesitant about trying it. Enriched self-rising flour is the same high quality as the regular enriched all-purpose flour you've been using, but it has the convenience of leavening and salt already blended into it.

Each cup of self-rising flour contains 1 1/2 teaspoon baking powder and 1/2 teaspoon salt. You can use it in most of your favorite recipes just by omitting these ingredients.

Lacy hosiery fashion first

More than two years ago the first textured hosiery appeared, but this year it has finally caught on. The designers and the stores are excited about all the lacy and patterned stockings because they've put fashion back into stockings.

So far, textured hosiery hasn't been caught in the low price doldrums that have beat nylons down to nothing. They are more expensive to make, cost \$2 and up. But the question still is, who wears them? There's apparently been lots of buying but even in New York, limited wearing.

IN THE fashion world, women of every age wear them. A lady well over 70 wears black lacy stockings with her black-and-white tweed suit, and the young editors wear ribbed stockings with their sportswear costumes.

But many other women seem afraid to try them, although they confess to having at least one pair at home. Some textured stockings are still not sheer enough for women used to wispy nylons. Spring designers will, however, include lighter stockings, and this interesting new look for legs will undoubtedly grow. It's a question of learning which designs and shades look best on which legs.

Vary muffin recipe with fruits and...

Piping hot muffins are a delightful breakfast surprise on chilly mornings. Everyone likes plain muffins, but vary the basic recipe occasionally for a change. Stir raisins, pineapple, tidbits, chopped dried apricots or coconut into the dry ingredients before adding liquid.

Or try this—stir chopped nuts into the dry ingredients, mix as directed and sprinkle with cinnamon-sugar just before baking. Use your imagination for a limitless array of breakfast quick breads.

A special workshop will be held for the home seamstress. Lorraine Sprague, home economics extension agent in Gratiot County will conduct the workshop. The workshop will be held at Smith Hall Thursday, Jan. 28. Zippers will be discussed and you will have the opportunity to insert two zippers at the morning session from 9:30 a.m. to 12 noon.

FROM 1 TO 3:30 p.m. you will discuss button holes and will make one type of tailored button hole. This is a fairly new method of making button holes. I think you'll enjoy leaning how to make them. If you are interested in attending both or one of these sewing workshops notify the Cooperative Extension Office, Telephone 224-3288 or stop by the office. You'll need the list of materials if you plan to attend.

MEET YOUR CLUB PRESIDENT Blue Star Mothers

MRS RUDOLPH MASARIK

New president of the Blue Star Mothers is Mrs. Rudolph (Mary) Masarik of 305 West Lincoln Street. She formerly was leader, and now is treasurer, of the St. Johns Tops Club Inc., and is vice president of Our Lady of Guadalupe Guild. She is a member of the Daughters of Isabella, Our Lady of Victory Circle 345 of Lansing, the NEWS Home Economics Extension, Banner Grange, Pomona Grange, and Senior Citizens. She belongs to St. Joseph Catholic Church and works in the school cafeteria. Among her hobbies are cake baking and bowling. Mrs. Masarik has two children, a daughter, Mrs. Wilbur Bond of Mount Pleasant, and a son, Rudolph W. Masarik III of St. Johns, and 10 grandchildren. Her husband is employed by the city of St. Johns.

Sewing techniques for stretch fabrics

BY BETTY KETCHUM
County Extension Agent
Home Economics

Sewing with stretch fabrics may require slightly different techniques than you normally use for sewing. Understanding the nature of stretch will help make your experience with stretch fabrics a rewarding one.

Stretch fabrics are available in natural and man-made fibers and blends of both. They come in all weights from gabardine to batiste. Stretch can be lengthwise, crosswise or two-way. Choose the fabric for the direction of stretch needed in the garment.

USE THE same size pattern you would use for regular fabrics, because stretch is a comfort factor, not a size factor. A simple pattern with few seams will be easiest to work with, because stretch at the seams is the hardest to adjust.

If fabrics are not pre-shrunk, pre-shrink them by holding a steam iron one-half inch above the fabric. Do not press. Let the fabric dry thoroughly. Allow it to relax on a flat surface for several hours before cutting in order to release the tension or stretch created by previous handling.

Judy Stam, clothing specialist with Michigan State University cooperative extension service suggests cutting the garment this way:

1. LAY THE fabric flat so there is no tension or strain. Do not let the fabric hang over the edge of the table.
2. Lay pattern pieces on grainline. Be sure stretch runs in the desired direction—usually lengthwise for anchored pants and crosswise for skirts, dresses and jackets.
3. Use fine dressmaker pins.
4. Use sharp shears to avoid pulling or stretching when cutting.

EXPERIMENT with the fabric before starting the actual construction. Machine adjustments may be necessary because seams need to extend or stretch with the fabric to avoid seam breakage. Seam stretchability may be increased by:

1. Using more stitches per inch (14-16).
2. Stitching with the narrow bite zig-zag.
3. Loosening the tension.
4. Using a sewing thread which has elasticity. (Although textured nylon and nylon and silk thread have greater elasticity, mercerized cotton thread will also work. It is available in more colors and is not susceptible to heat.)

MRS STAM suggests this test for seam stretchability: Sew two pieces of fabric together in the direction of the stretch. Pull the seam in the same direction. If the seam threads break before the fabric is completely stretched, make further adjustments in the length of stitch, tension and type of thread.

Plan new Church of Christ

DUPLAIN — The Duplain Church of Christ is making plans to build a new church which will almost double their seating capacity and more than triple their classroom space.

The Rev Ralph Woodard, pastor, said the new church will be on the north side of Colony Road, directly across from the present building. Rough plans have been drawn up by the building committee, and selection of an architect to handle the work will be made soon.

THE NEW church building will seat approximately 200 persons, compared to the 125 that can now be comfortably seated in the present building. There will be space for 15 classrooms; the present church has only four classrooms, with classes also being held in other parts of the church, such as the kitchen.

The Rev Mr Woodard said work may not be started on the new building for some time, but the plans for it are under way. A three-acre tract of land has

been purchased on the new site, and a sign has already been erected to announce the future church building.

DIMENSIONS of the building have not been decided on yet, pending work with an architect. Besides the sanctuary and classrooms, the church will have a kitchen and dining area, with the dining area about twice the size of the present one. The church will have a full basement.

Jack Schwark is chairman of the church board of trustees. On the building committee are Luman Hall, chairman, and Duane Bunce and the Rev Mr Woodard.

THE PASTOR, who is in his eighth year at the Duplain Church, did much of the work on the rough plans that have been made so far. He designed the church parsonage, which has been completed now about four years.

The present wooden-structure church, besides being too small for the needs of its members, is beginning to deteriorate, the Rev Mr Woodard said, and the board decided a new building would be a wiser investment than adding onto and repairing the present 30 x 50 building.

THE Duplain Church of Christ has a membership of 140 persons.

Plan district music festival

The junior division of the National Federation of Music Clubs will again sponsor junior music festivals, including the south-central district festival March 27 at Michigan State University.

To be eligible for entry, a student must be not more than 18 years of age, an active member of the Junior Music Club or become a junior special member of the federation.

PARTICIPANTS man enter solo events or one or more of such categories as piano, instrumental, dance, voice, composition and musicianship.

For further details, music teachers and junior club presidents or advisors are invited to write for the new application blanks. They can be gotten from Mrs Frederick MacDonald, 2016 W. Maple Street, Lansing. The deadline for returning the blanks is March 12.

Lack of access worries some at US-127 hearing

The public got a further look at plans for the new US-127 expressway around the east and north sides of Lansing and into Clinton County last Thursday at a public hearing in Lansing.

The route will run from the Pine Tree Connector (I-496) at the south edge of Lansing north-

erly to Clark Road in Clinton County where it will angle west and connect with US-27 a quarter-mile north of Clark Road.

AREA PLANNING and other officials generally approved of the route. The most common complaint, however, was the absence of any access to the high-

way between Lake Lansing Road and Clark Road, a stretch of open country and most of it in Clinton County. Highway officials promised to work closely with local government and planning bodies in route details.

Right-of-way acquisition for the southernmost mile of the project has been speeded up. Apprais-

al work in that area will begin perhaps this week, with offers for the parcels of land following in about 60 days.

RIGHT-OF-way acquisition for the northerly portion, including all in Clinton County, won't begin until late in 1966 or early 1967, with contracts to be let on the

road in 1968. Completion is tentatively set for early 1970.

The total cost of the proposed seven-mile-long stretch is \$10.5 million. Some \$7.2 million will go toward the mile stretch in Lansing north of Kalamazoo Street.

"They try to tell us that women are smarter than men, but did you ever see a man wearing a shirt that buttoned in the back?" — Restaurateur Al Newman

White to head TB unit working with government

Ink White, publisher of the Clinton County News, has been named chairman of the committee on cooperation with governmental agencies for the Michigan Tuberculosis and Respira-

tory Disease Assn., state Christmas Seal agency.

A member of the board of trustees of MTRDA, White will help guide association efforts to obtain the first major changes in state tuberculosis control laws in the state in more than a decade.

MTRDA IS supporting proposals to increase the state subsidy for hospitalized tuberculosis patients from \$4 to \$6 per day,

thereby relieve the increase burden on county governments. The \$4 per diem subsidy was established in 1954 when the average cost for TB hospital care was about \$9.50. It has risen to approximately \$18.50 per day.

The MTRDA committee also seeks approval of a \$355,000 appropriation for the Michigan Department of Health to assure that all patients discharged receive follow-up care for five years.

Road Commission Weekly Report

The county road commission has suffered a series of accidents to workers lately.

Some of the time-lost accidents are Leo Cox and Paul Hills, who

are still not back to work from their traffic accident on US-27 in late November. Tree cutting crews had injuries to Wilbur Sanford, a cut hand; and Herman Schaffer, a shoulder injury. Glen Schlarf had a limb fall on his head. Dean Moon was hurt in a fall last week.

IN SPITE of being plagued by these mishaps, tree removal is

making good progress. Anyone who has dead trees on road right-of-way and who can take care of the wood should notify the road commission. The office force is busy with the many year-end reports. We will be reporting on our 1964 operations when we have more complete figures. The State Highway Department Auditor is making a check of the 1962-63 maintenance reports.

LES DRAGOO, road engineer, Bernard Zeeb, commissioner, and your road clerk attended the hearing on the proposed US-127 extension last Thursday evening. About five miles of this seven-mile stretch of super highway is in DeWitt Township and vitally affects many Clinton County roads and people.

The Board of Clinton County Road Commissioners held their

regular meeting, Monday, Jan. 18. A steering committee of the Catlin-Waters drainage proposal met with the commission and discussed problems of that district.

TWELVE townships have so far met with the engineer to discuss 1965 plans. The other four meetings are scheduled for next week.

DON EWING, Road Clerk

Minor jailed for speeding beer possession

Robert J. Hallett, 20, of 727 N. Hayford, Lansing, is in Clinton County Jail this week beginning jail terms which went along with fines on two criminal charges.

Hallett was arrested Sunday by Deputy Sheriff Ramon Terpening and charged with speeding 100 miles an hour in a 55 zone and being in possession of beer.

HE WAS arraigned before Municipal Court Judge Alba Wert, and he pleaded guilty to both charges. He was fined \$25 plus \$4.90 costs and sentenced to five days in jail for being in possession of beer, and \$100 plus

\$19.90 costs and 15 days in jail for speeding.

Additional jail time is specified in the event the fines are not paid.

Reviews book on development of local church

At the general meeting of the Women's Fellowship of the First Congregational Church Jan. 5, Mrs Robert Conn gave a review of the book "Development of the Church" by Mosma. She gave the historical facts and development of the early church up to reformation.

In the fall and winter of 1864-65, the first Congregational Church building was erected in St. Johns. This Centennial year is being observed and commemorated by devoting this year to a study of the church heritage.

MRS ALBERT FRUCHTl will continue this study in the February meeting. Mrs Van Hoag gave the devotions on the Sacrament of Baptism.

Mrs Manning Bross conducted the business meeting at which \$20 was voted to Leonard Wood Leprosy Fund and Christian Children's Fund.

MRS GEORGE H. Brooks gave

the report of the Christmas Committee for shut-ins. Over 30 gifts of stationery, candy, religious booklets, sachets etc. were given to members of the church and 28 cards sent to members who live out of town and also are away for the winter. She was assisted by Mrs Ethel Bishop, Mrs Kenneth Dietrich, Mrs Manning Bross and other members.

Lewis to head Masonic board

New officers of the Masonic Temple board were elected last Wednesday at the new Masonic Building following a meeting of the board.

The new officers are Fred Lewis Sr., president; Fred Green, vice president; and Elsie Dickinson, secretary and treasurer.

The usual business transactions were brought up prior to the election. There was discussion on getting at some of the unfinished work that remains to be done at the building. The board's next meeting will be Feb. 10.

Former resident wed in Chicago ceremony

Miss Katherine Crandell Beechem, a former St. Johns resident, and Verne Lee Vance were married at St. Chrysostom's Episcopal Church in Chicago, Ill., Dec. 19, at 11 a.m. She is the daughter of Mr and Mrs Henry A. Beechem of New Smyrna Beach, Fla. He is the son of Mr and Mrs E. Paul Vance of Denver, Colo.

Richard S. Kloehn assisted as ushers.

The bride's mother wore a pale green ensemble, and the mother of the bridegroom, pale blue. Both wore corsages of white carnations.

The wedding gown she wore featured a lace bodice over silk organza and an eggshell taffeta skirt. Securing a waistlength veil was a crown of seed pearls. In addition to a prayer book, she carried white flowers to which traveling ribbons were attached.

Bach organ music preceded the ceremony, followed by Wagner's wedding march. The bride was escorted down the aisle by Ray F. Briggs. At the completion of the double ring ceremony, Mendelssohn's wedding march was played.

A luncheon followed for the 50 persons, present at the wedding.

Mrs Susan Bamesberger, as her matron of honor, wore a gown of Christmas-red velvet and for her head-piece, a holly wreath.

FOLLOWING a San Francisco, Calif., honeymoon, the new couple will make their home at 147 West Burton Place, Chicago, Ill.

THE BEST man was Daniel A. Orth III. William M. Brahm and

The bride is a 1957 graduate of Rodney B. Wilson High School. She received her nursing diploma from Northwestern University. The bridegroom graduated from East Denver High School in 1956. Following four years in the US Navy, he entered the Northwestern University Dental School where he is presently a junior.

Miss Marie O'Brien entered the St. Lawrence Hospital, Lansing, on Friday for a check-up and observation. Her brothers, John and Kieran O'Brien from Hubbardston visited her Sunday.

Chauncey Green who is spending the winter months in Delray Beach, Fla. came home Saturday to attend the funeral of Mrs Leo Grove on Sunday.

Harry Lee Sanbern entered the Carson City Hospital, Monday, for surgery.

Mr and Mrs Lyle Harrington and family and Mrs Robert Schultz of Lansing were recent guests of Mrs Archie Buck.

Miss Hazel Loomis, who is a patient at the Cusack Convalescent Home, was taken to the Carson City Hospital Monday, for observation and treatment.

Mr and Mrs Anthony Sincicrop and family have moved into their newly constructed home at Stallion Acres.

Mr and Mrs Terry Lipe and baby of Flint visited Mrs Minnie Cusack Sunday, the baby being her great-grandchild.

Mr and Mrs L. E. Bakke left this week to spend several weeks with Mrs Bakke's sister at Scottsville, Ariz.

Norman Burns, son of Bernece and Owen Burns, expects to enter an Arbor hospital Thursday for surgery.

Mrs Dorothy George has returned home after undergoing treatment the past two weeks at Lansing General Hospital.

Josephine and Irene Brayton called on Howard Chick of Maple Rapids, Sunday, who is in the Carson City hospital for treatment.

Brook, five-year-old son of Mr and Mrs James Clock has returned home from Owosso Memorial Hospital where he underwent an appendectomy.

At this writing, Mrs Jean Navin is at her own home with Mrs Josephine Dwyer caring for her.

GOVERNOR ROMNEY REPORTS

"Michigan—Dynamic in World Progress" is the theme of this year's Michigan Week, which will be officially observed May 16-22. It is hoped that Michigan citizens will start now to emphasize this theme and continue throughout the coming year.

All Michigan businesses and industries, labor organizations and public and private institutions should carry forward programs to highlight the importance of the state's contributions and influence throughout the world in all fields.

MICHIGAN is a large distributor of mail that goes to all parts of the world. We can use the theme on letterheads, envelopes, bulletins, pamphlets, advertising material and publications at no extra cost to the individual or institution. I hope that this can be started at once.

Our state is moving forward. We have again assumed our rightful place among the states and are leading all of them in such fields as personal income, economic expansion, highway construction, educational opportunities and human rights. During 1965, we must let the world know more about the greatness of Michigan.

WE CAN all point to the contributions our own people in communities everywhere are making in world progress through international trade, various types of foreign services, education of foreign students and the worldwide distribution of Michigan products that are helping to raise the living standards of people everywhere.

Our industries, centers of science and research, educational institutions and the many skills and talents of our people have made and are continuously making great contributions to the betterment of mankind.

AS THE arsenal of democracy in war and industrial leader in peace, our contributions to freedom of people around the globe have been many fold. What we do here in Michigan is improving the

knowledge and well being of people in almost every nation on earth.

"Michigan—Dynamic in World Progress" can be highlighted on posters, signs, cards and stickers; through photos, slides and displays; in speeches before clubs and other meetings; in newspapers and on radio and television; by award and recognition ceremonies, and in the wide publication of facts on Michigan's role in world affairs and commerce.

IN CARRYING forward the Michigan Week theme all during 1965 we will give full recognition to the industries and institutions of our state, and to the men and women who are doing so much in many fields to improve social and economic conditions around the world.

Green Meadow cow 'excellent'

Green Meadow Royal C Nigene 3376378, a Registered Holstein cow in the herd of Duane and Velmor Green, Green Meadow Farms, Elsie, has been officially classified "excellent"—the highest designation attainable in the type classification program of the Holstein-Friesian Assn. of America.

This highly select designation is applied only to animals scoring 90 or more of the 100 points representing theoretical perfection in body conformation.

OF OVER 70,000 Registered Holsteins officially classified for type last year, slightly more than 1 per cent were rated "excellent."

The Green Holstein moved into the "excellent" bracket for the first time during a recent classification of the herd by Robert E. Strickler of Modesto, Calif., an official inspector on the staff of the national Holstein organization.

She scored 90 points. Animals scored "excellent" in previous programs are not included in this listing.
