10 CENTS

Establish St. Johns school vote precincts

Five voting precincts for the St. Johns School District have been established by the board of education and will be in effect for the regular school board election June 14.

They are as follows:

Precinct I — All of Bingham Township, including the City of St. Johns; those portions of the former Rowell, Wildcat and Serviss districts which lie in Ovid Township; and all of that portion of Bengal Township which now lies in the St. Johns School District. Polling place will be in Room 113 of St. Johns High School.

Precinct II — All that portion of Essex Township now in the St. Johns School District, plus that portion of the former East Essex School District which extends into Fulton Township of Gratiot County. Polling place will be the East Essex School.

Precinct III — All of Greenbush Township, plus those portions of the former East Essex School District and the Union Home School District which lie in Washington Township, Gratiot County. It also includes all the former Page School District which lies in Greenbush and Duplain Townships and Washington and Elba Townships, plus that portion of the former Rowell district in Duplain. Polling place for Precinct III will be the Eureka School.

Precinct IV — All of Olive Township and the former Cedar Lake and the portion of the former Price district which lie in Victor Township. The Olive Center School will be the polling place.

Precinct V — All that portion of Riley Township now in the St.

Johns School District, plus those portions of the former Simmons, South Riley, Kincaid and Clark school districts which lie in Wauertown Township and that portion of the former Kincaid District in Westphalia Township. Polling place will be the Riley Town Hall, corner of Francis and Pratt roads.

THE POLLS at all voting places June 14 will be open from 7 a.m. until 8 p.m.

ALAN R. DEAN

Alan R. Dean, St. Johns hardware dealer, was re-elected chairman of the Tri-County Regional Planning Commission last Thursday, the sixth time he has held the office since joining the commission in 1956. New Clinton County representatives on the commission include Fred Culy of 617 Wieland Road, Laasing, former DeWitt Township supervisor; and Gerald E. Shepard of Bath, Bath Township supervisor. A non-voting member of the commission will be Almond Cressman, chairman of the Clinton County Board of Supervisors.

Cadet Gower gets promotion at Howe

The Military Department of Howe Military School, Howe, Ind., has announced the promotion of James Otto Gower, son of Mr. and Mrs. J. O. Gower, Eureka, to sergeant first class.

Big crowd watches parade

A thousand or more persons turned out Monday morning on an almost perfect day to witness the annual Memorial Day Parade in St. Johns.

Starting promptly at 10:30, the parade moved up Clinton Avenue from the Grand Trunk depot, went east on State Street, north on US-27 to Steel Street and east again to Mt. Rest Cemetery.

DOWNTOWN ST. Johns was jammed with a shirt-sleeve audience. Many watched from the curb line, and the banked lawn in front of the courthouse was filled with spectators watching as the parade turned east on State. Others lined the parade route all the way to the cemetery.

The Rev. Gerald Churchill, minister at the First Congregational Church, gave the Memorial Day address at the cemetery, pointing out in his talk who the American is and why he has the freedom and liberty he has today. He urged everyone in the large audience to humbly honor the war dead who made the America of today possible.

Skull fractured as car overturns

James P. Christie, 28, of 463 Solon Road, suffered a skull fracture early Monday when he was thrown from his car as it overturned on North East Street (US-27) near State Road.

State police said Christie's auto skidded sideways for 90 feet on the highway, skidded 78 feet more into a curb and then overturned for 260 feet.

218 to graduate from St. Johns

The largest class of students to graduate from Rodney B. Wilson High School—218 boys and girls—enter their final week of high school life beginning Sunday.

Next week is graduation week for the seniors. The vespers service will be held this Sunday afternoon in the auditorium and Wednesday evening will be the finale — commencement exercises on the athletic field in the city park.

George T. Potter, academic dean at Grand Valley State College in Allendale, will be the commencement speaker next Wednesday.

The vesper service this Sunday will begin at 4 p.m. in the auditorium. The processional will be by Robert Barnard, and the invocation will be given by the Rev. Hugh Banning, rector of St. John's Episcopal Church. The high school choir will sing "Lord, Thou Hast Been Our Dwelling Place."

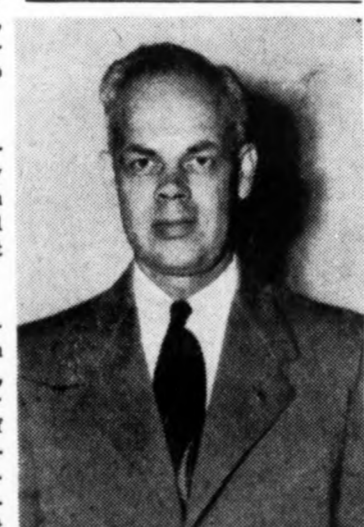

THE REV. PETER Nieuwkoop, pastor of the First Baptist Church, will give the scripture, and the choir will sing "Brother James' Air."

The main address will be given by the Rev. Bruce Strigley, pastor of the Free Methodist Church in St. Johns. His topic will be "How Important Am I?"

This will be followed by the singing of a hymn, "Faith of Our Fathers," and the benediction by the Rev. Duane Brewbaker, pastor of the Church of God. The recessional will be by Barnard.

THE commencement program next Wednesday will be held outdoors on the athletic field at the city park if weather permits. Each senior has been given two tickets for reserved seats on the track for his parents and four others for reserved seats in the grandstand. There'll be ample room for others who attend the graduation exercises.

In the event of bad weather, the commencement exercises will be held in the high school gym, and only those who have tickets will be admitted, because of the lack of space.

ROBERT CONN

Robert Conn of the E. F. Boron Co. of St. Johns has been elected to the 1965-66 executive committee of the Michigan Retailers Assn. Conn was elected last Thursday at the association's 26th annual meeting at Walnut Hills Country Club in East Lansing.

of England. He was born in London in 1927, and he received most of his education in England. He attended Stanford Hall, Loughborough, Leicestershire, England, and got his master of arts degree in politics, philosophy and economics at Oriel College, Oxford University. He did his post-graduate studies in higher education at Michigan State University.

HE SERVED AS assistant to the secretary of Oxford Extra-Mural Delegacy (extension education) from 1955 to 1957; was extension assistant at the University of Alberta, Edmonton, from 1957 to 1960; and then was associate director of extension, with special responsibility in the development of a university branch at Calgary from 1960 to 1962.

On March 9, 1962, he was appointed as president's assistant for academic affairs by the Grand Valley State College board of control. He became associate dean of the faculty July 1, 1963, dean of the faculty on Jan. 17, 1964, and academic dean July 1, 1964.

DEAN POTTER is married and he and his wife Margaret have two boys and one girl. Grand Valley State College campus is located west of Grand Rapids at the Grand River and M-50.

THE GRADUATION ceremonies are scheduled to get underway at 8 p.m. The band will play the processional, and the invocation will be given by Ann Wilbur. Salutatorian Lorraine Anderson will give her address, which will be followed by the singing of "No Man Is An Island" by the senior ensemble of the high school choir.

Dean Potter of Grand Valley will then give the main commencement address on the topic "Looking Forward." Robert Vollbracht, valedictorian, will give his valedictory address.

NEXT ON the program will be the torch ceremony, where seniors take their colors off the symbolic torch and pass it on to the junior class. Participating in the ceremony will be seniors Jim Cronkrite and Betsy Hufnagel and juniors Bob Every and Cathy Matthews.

St. Johns Board of Education member Fred Meyers will present diplomas to the seniors, and then the benediction will be made by Carol Jacoby. This will be followed by the recessional.

FLAG BEARERS during the processional will include Al Werbish with the United States flag, Dave Pocus with the school flag, Dennis Whitlock with the 12th grade flag, Dick Irer with the 11th grade flag, Doug Schafer with the 10th grade flag and Mike McKay with the 9th grade flag.

The main commencement speaker, Dean Potter, is a native

Area schools bid 'good luck' to 756

Some 756 seniors will have graduated from Clinton area high schools by next Wednesday when St. Johns winds up a long series of commencement exercises around the county.

The number compares to only 630 last year. The tabulation includes 10 high schools in Clinton, Shiawassee and Gratiot counties.

LEADING THE way as the first school to graduate was Fowler High, where 35 seniors received diplomas May 19. Fulton, DeWitt, Ashley and Pewamo-Westphalia students graduated last week.

At DeWitt, commencement was Tuesday, May 25, with Russell Strong, editor of Information Services at Michigan State University as speaker. Richard Overholt delivered the salutatory address and Allen Warren gave the valedictory address. Presentation of diplomas was by Herbert Hardtke, president of the board of education.

LAST WEDNESDAY, Dr. William Austin, superintendent of Adrian Public Schools, spoke at the Pewamo-Westphalia commencement exercises. Paul Thelen, president of the board of education, presented diplomas to 65 seniors.

Last Thursday, Fulton High School's 81 seniors and guests heard Dr. Frederick Alexander, associate professor at Michigan State University. Romaine Brauer, president of the board of education, gave out the diplomas.

Also last Thursday, 39 stu-

dents graduated from Ashley High School. Valedictorian Dianne Stasa and salutatorian Patricia Dunay gave their talks, and other seniors took part in the student program. Supt. Maurice Carmany presented scholarship awards.

THAT WAS the week that was. In the week starting today, five other graduation ceremonies will be held. Four of them are today (Thursday).

At Elsie, 80 students will graduate at commencement exercises planned for the athletic field at 8 p.m. In case of bad weather, they'll move inside. Dr. Stephen Dunning of Central Michigan University will be the speaker.

Prof. Fred J. Vescolani of Michigan State University College of Education will speak at the Bath commencement exercises at 8 p.m. (Another story on the Bath program appears on Page 5-B.)

COMMENCEMENT exercises at Ovid High School will be tonight on the high school football field at 8 o'clock. Dr. Kenneth W. Tinker of Traverse City will speak. Harold Green, president of the school board, will present the diplomas.

Dr. Clyde Campbell, professor of education at Michigan State University, will address the 57 seniors at Laingsburg High School tonight at 8 o'clock at the Giffels Fieldhouse.

St. Johns' 218 seniors will graduate next Wednesday. (See additional story.)

Rev. Gerald Churchill spoke on Memorial Day

Color Guard leads Memorial Day parade here

Citizens' committee to aid in planning new school buildings

Formation of a citizens' committee to help in the planning for the St. Johns School District building program was announced this week by Earl R. Lancaster, superintendent of schools.

The proposed committee will have a total of 110 persons.

It will be made up of 22 persons appointed by the four PTA groups in the St. Johns city schools, 40 members appointed at large from the original district by the school board, and 48 members appointed by the rural schools involved in the recent annexations.

"IN THE PAST we have found that by involving people in a citizens' committee, we can get the

benefit of their thinking and thus do a better job of planning," Lancaster said. "Accordingly, we are organizing a citizens' committee of studying our school building needs and recommending what should be done."

The 48 rural members of the committee will include one representative for each teacher in the schools involved. Three of the schools have three teachers, six have two and the remainder have one each. Including the four districts which were annexed four years ago, this will total 48 people from rural areas.

IN A LETTER to secretaries of the former boards of education in the old rural school districts,

Lancaster asked for a selection of persons to represent each former district. He urged that the selections be made known by June 10.

THE MEMORIAL Day parade included two St. Johns bands, Boy Scout and Girl Scout units, Miss St. Johns (Gail Auten) and her court, St. Johns veterans units, boys and girls on bicycles and other groups. The Veterans' Honor Guard Honor Guard, under the direction of Commander Tom Beechler, led the parade and conducted the firing ceremony at the cemetery.

DeWitt votes Monday

DeWITT —DeWitt's political existence as a village may come to an end next Wednesday night if the proposed new city charter is accepted by voters Monday.

There doesn't seem much doubt they will approve it. It will give DeWitt the status of a fifth-class city, making it a separate entity from the township and making it eligible for two members on the Clinton County Board of Supervisors.

ALSO ON the balloting program Monday is the election of city officers who will take over the operation of the city if the charter is approved. Six councilmen, a mayor and justice of the peace will be elected, and there are contests for all posts except justice of the peace.

Running for mayor will be Robert E. Ballard and the present village president, William Bucik. The term of the office for this election will be 1 1/2 years.

SEEKING THREE seats on the council for terms of 1 1/2 years will be Bruce A. Dalman, Gerald DeLine, Allen (Jim) White, Lloyd Berkimer and Lee Rummell.

Running for three council seats for 3 1/2 years are Jim Decatur, Lawrence Keck, Elden Smith and Ellen June Lankford.

Roy Decker is the only candidate for justice of the peace. All other city offices will be filled by appointment.

POLLS IN DeWitt will be open Monday from 7 a.m. to 8 p.m.

The proposed charter provides that if the document is approved by voters, and a canvass shows the charter to have been adopted, "it shall take effect and become law as the charter of the City of DeWitt for all purposes on June 9, 1965, at 8 o'clock p.m. . . ."

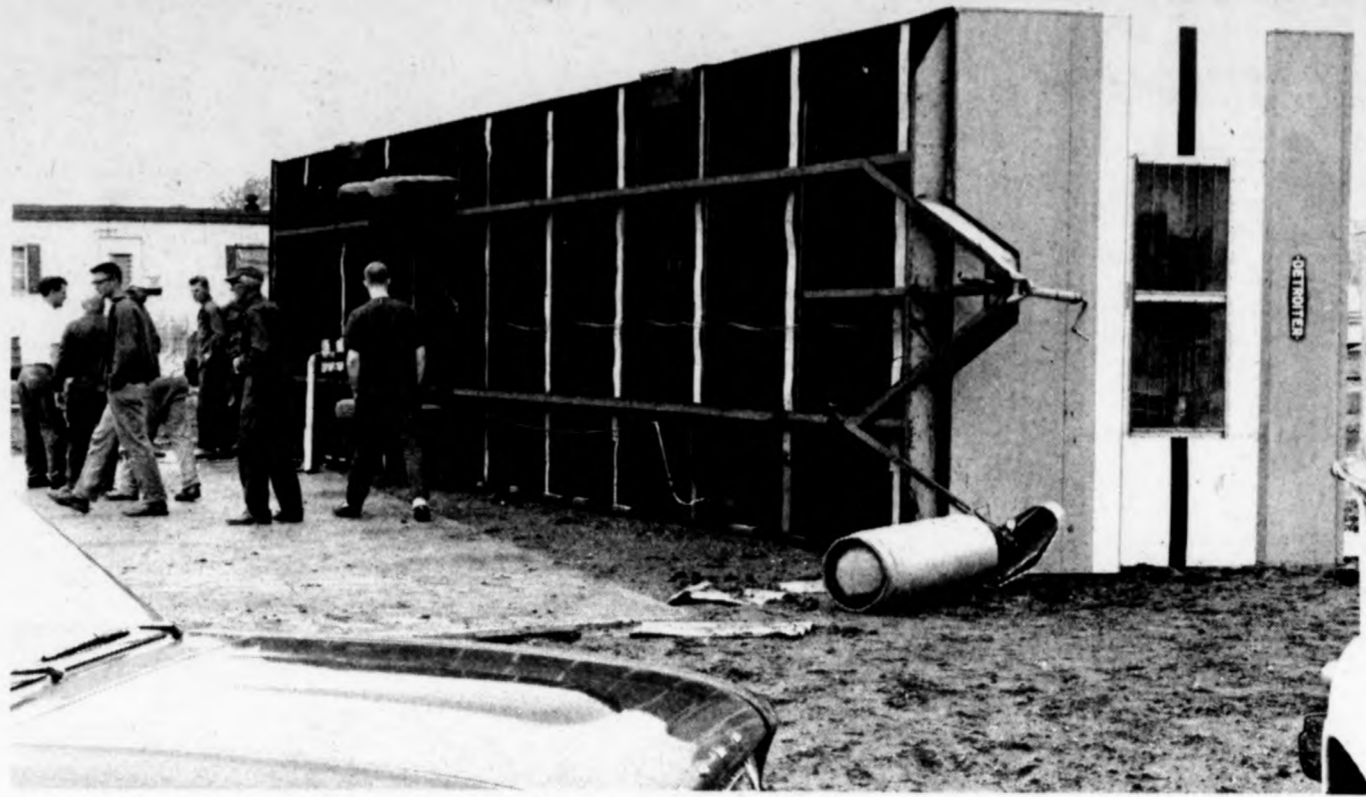

SECTION 10.5 OF the charter goes on to describe the change-

over from village to city. . . . (At 8 p.m. June 9) the control of the officers of the Township of DeWitt over any of that part of the township included within the city shall cease and be superceded by that of the officers of the City of DeWitt.

"AT THE time the first officers of the city assume the duties of their respective offices, the village council shall thereupon cease to be. The control of such village council and village officers shall be superceded by that of the council and officers of the City of DeWitt."

PASSAGE of the charter by voters Monday would make DeWitt the second city in Clinton County. St. Johns is the only other community with the legal status of city. DeWitt's population now exceeds 1,250 persons.

Casualty of Wind on Tornado-Threatening Day

A strong gust of wind lifted this trailer off its wheels and turned it on its side last Wednesday afternoon at the Mobile Homes Village Inc. trailer court north of Clark Road on US-27. The trailer, 10 x 50 feet in size, was owned by Mr and Mrs Raymond Goff. Mrs Goff had left the trailer moments earlier for shelter in the basement of the home of the village manager, Walter R. Placer. William E. Butler, 27, another resident of the park, injured his right ankle while running for cover from his trailer. The wind blew him against a transformer. The gust of wind came at about 1:15 p.m. at the height of a tornado warning for Clinton County. Several other trailers were moved slightly by the wind.

Worst tornado scare had county huddling

Clinton County huddled through its worst storm threat of the spring last week, but escaped with only minor scratches.

The middle two days of the week — Wednesday and Thursday — produced tornado conditions or just outright strong winds. Wednesday was the worst. A tornado alert, or forecast, was issued for the central part of the state late in the morning and never was officially lifted.

CONDITIONS were worst about 1 p.m., and tornado sirens were sounded at DeWitt and Bath. Shortly before 1, a tornado was reported sighted near Lowell, and a tornado warning for Clinton County was issued by the weather bureau at Lansing.

Persons took cover in DeWitt and Bath, and school children were taken into interior hallways for safety. At St. Johns, many students called home and were picked up by parents, but no sirens were blown and schools were not dismissed.

CIVIL DEFENSE Director Charles Frost stood by at the sheriff's office keeping his ear to the short-wave radio for news. No official word was received here of the lifting of the tornado alert, but it reportedly was over by the middle of the afternoon.

The only damage apparently suffered in the county was at the Mobile Home Village, Inc., trailer park on US-27 north of Clark Road. Although there was

no funnel, a strong gust of wind overturned a trailer and slightly injured another man as he was running for shelter.

WILLIAM E. Butler, 27, who lives at the trailer park, injured his right ankle while running for cover from his trailer. The wind threw him against a transformer.

The squall also overturned the trailer home of Mr and Mrs Raymond Goff, minutes after Mrs Goff had fled to shelter in the basement of the park's manager, Walter R. Placer. The trailer was 10 feet wide and 50 feet long.

Other trailers were reported to have been moved slightly by the wind, and television aerials on some were toppled.

THE ONLY funnels reported in the central part of the state were the one at Lowell and one that touched down briefly west of Mason.

Thursday was a far different

day, with the sun shining, but high winds still caused difficulty in driving, and it moved a lot of rich muck soil to parts unknown. Gusts estimated 35-45 miles an hour or more were prevalent throughout the day.

The only reported damage caused was when a huge limb of a tree at the corner of State and Ottawa Streets in St. Johns was blown onto State Street and took down some electrical wires. Service was partially restored within the hour, but crews worked half a day before finishing up. That tree blew down about noon.

Set Sears move next Thursday

The Sears Catalog Store in downtown St. Johns will close next Thursday for their move from 104 N. Clinton to their new location at the Southgate Shopping Center.

The store will be closed only Thursday, St. Johns manager Charles E. Pearson said. It will reopen June 11 at the new site.

GRAND OPENING, in the store formerly occupied by the Plaza Sales Mart, will be June 24, 25 and 26.

A larger selection of appliances, and other merchandise, as well as excellent, modern display areas, will be featured at the new store. The new location will provide about four times as much floor area as the present Sears Catalog Sales store.

Pearson said the Sears Catalog Sales Office will continue to provide the same over-night delivery of customer-ordered merchandise from its Chicago plant. Orders are sent from St. Johns to Chicago by teletype.

About one-third of a large tree on the northwest corner of State and Ottawa Streets came down during high winds Thursday noon, taking with it electrical wires on the north side of State Street. The limb fell shortly after noon. City crews and Consumers Power Co. men had the tree removed in a hour, but full restoration of power did not come until about 5 p.m. Surprisingly few customers were affected by the lines being down. Consumers said the tree caused their only major problem during the two stormy days of last week.

'Sleepy Hollow' name stays

Sleepy Hollow State Park will retain that name, but the Ovid village council got part of its recent request when the Conservation Commission announced it would name the park lake "Ovid Lake."

The Ovid council had recently requested that the name of the park be changed to "Ovid State Park" because it would thus be easier to identify and locate on state maps. Ovid is also the closest community to the park site.

IN A LETTER to Ovid Village Clerk Clara Tubbs, Arthur C. Elmer, chief of parks and recreation for the Department of

Conservation, explained the situation.

"We appreciate your position and your desire to change the name Sleepy Hollow State Park to Ovid State Park, but the Conservation Commission, at its May 4 meeting, accepted the Sleepy Hollow designation as the official name of this area."

"WE AGREED, however, that we would name the body of water which will be created as a result of the impounding of the Little Maple River, Ovid Lake, feeling that this would identify the project with the town of Ovid."

State Rep. Blair Woodman also wrote the clerk, saying it was his understanding that "the name of the lake would appear on all literature which would be developed and disseminated by the Department of Conservation relative to the proposed state park."

46 in running for Derby; balloonist to appear here

Forty-six boys are signed up and almost ready to go in the big Soap Box Derby race in St. Johns June 20, and race officials say there's likely to be at least several more.

Derby Director Bernard Feldpausch and Asst. Director Jerry Shoemaker said there is still time for any boy who is interested in the derby and not yet registered to do so immediately. With the help of adult supervision from Lee Bennett, Marv Bissell, Norm Woodbury and Feldpausch, several boys are now working on their car at the corner garage behind Bee's Chevrolet.

THE ADULT supervision will also be available to any new boys who haven't yet started building their cars. Completion of the cars before race day will make boys eligible to go to Akron, Ohio, by

bus-free of charge—and watch the local champ compete in the All-American Soap Box Derby race later in the summer.

Another big crowd is hoped for this year, and there'll be more than just the excitement of the race to draw people here. One of the promotions being planned in conjunction with the derby will be a balloon ascension from Clinton Avenue, and skydiving from the balloon.

THE FEAT will be accomplished by Alba (Ted) Sweet, 78 years old, known as the grandpa of skydivers. He has parachuted 1,858 times, but he won't do it in St. Johns. Dave Monroe of Lansing will jump out of the balloon gondola at a height of about 1,500 feet, but Sweet will take the balloon up.

Sweet has made jumps with

such area men as Ted Davis of the Davis Airport, Harvey Hughes of Capital City Airport, and Ted Abrams of an aerial photography agency in Lansing.

IN 1937 SWEET made a barnstorming tour and jumped in every state but Maine. He is the only licensed balloon pilot in the state. It's now a hobby for Sweet, but he has 11 jumps booked for this year. Monroe is the only licensed hot air balloon jumper in Michigan.

The balloon will be filled with hot air from a fire built under it, and it will take off from the end of Clinton Avenue near the Grand Trunk Railroad tracks.

WHILE THE ascension will be a preliminary to the race, the race itself will also be exciting, Feldpausch and Shoemaker said, because of several 1965 rule changes. Derby rules for 1965 encourage new ideas in use of modern materials, techniques and designs, all within the framework of safety and fair play.

A few of the major changes in the regulations concern cockpit, body construction, cockpit design, suspension, brake operation and position. One rule change which will play an important part in the outcome of the race is the rule which allows the use of metal. This year all cars should weigh near the maximum weight and should make a close and exciting race.

THIS YEAR'S race will also be faster due to a new resurfacing of Clinton Avenue prior to race day.

An inspection team headed by Lee Hansen is presently inspecting some cars at the boys' homes in order to eliminate major last-minute changes.

The first formal inspection and time trial will take place at 1:30 p.m. June 12 on Railroad Street. All boys are urged to attend this inspection, and if their cars meet specifications they will be locked up until race day.

YOUR OWN MARK
If your ancestors built up a great reputation, try to live up to it, not on it.

Thieves Get \$1,200 from Eberhards Safe

St. Johns Police Officer Ken Bunge runs down a check list of items thought to have been taken from a safe at Eberhards store in St. Johns Saturday night. Some \$1,279, less \$60 or \$70 in bottle refunds, was reported taken by the thieves, who ripped open the safe lock and door. St. Johns and state police, who are cooperating in the investigation, said the thief or thieves apparently hid in the store before closing time. The only signs on the building appeared to be where the thief or thieves broke out to make the get-away.

Safe at Eberhards Battered by Thieves

St. Johns Policeman Robert Ott looks over the battered safe at Eberhard's where some \$1,200 or more was taken in a burglary Saturday night. City and state police are investigating.

Playground activity planned

A schedule of playground activities has been released by the City of St. Johns for its recreation program this summer.

Starting June 14 and continuing throughout the summer, both Perrin Palmer and Swegles School playgrounds will have supervised recreation during the morning hours, 9 to 12, Monday through Thursday. Miss Linda Smith will be at one playground, and co-director Janet Sipkovsky will be at the other.

FRIDAYS are special events days, and all morning activities then will be at the city park.

NORTH STAR BUS SCHEDULE

SOUTHBOUND
LEAVING ST. JOHNS 8:45 a.m. 3:25 p.m. 7:50 p.m.
ARRIVING LANSING 9:15 a.m. 4:00 p.m. 8:20 p.m.

RETURNING
LEAVING LANSING 10:00 a.m. 5:45 p.m. 10:00 p.m.
ARRIVING ST. JOHNS 10:35 a.m. 6:20 p.m. 10:35 p.m.

Special events include: treasure hunt June 18, pet show June 25, puppet show July 2, hobo convention and hike July 9, circus July 16, bicycle rodeo July 23, hobby show July 30, talent show Aug. 6, Indian pow wow Aug. 13, free swim Aug. 20, and parade Aug. 27.

The morning program is planned for all those children who have completed kindergarten through the sixth grade. Afternoons will be taken with activities at the city park for children who have finished at least the third grade.

THE AFTERNOON program for older children will be in its second year this summer and will be held every afternoon from 1 to 5. Some of the activities included will be extensive arts and crafts program, team sports (newcomb, volleyball, kickball, etc.), individual sports (tether ball, mock track meets, four square, etc.), bike hike, carnival, and Junior Olympics.

Wednesday will be Family Nights, starting June 23, where the whole family can participate in recreation activities.

Michigan has two nuclear plants — Enrico Fermi Atomic Plant in Monroe County and the Big Rock Point Nuclear Plant near Charlevoix.

Jaycee auto check Saturday

The St. Johns Jaycees voluntary vehicle Safety Check will be held this Saturday.

Check lanes will be set up at Railroad Street and Clinton Avenue to give motorists an opportunity to take advantage of the free and voluntary vehicle safety check.

THE LANE will be open from 10 a.m. to 5 p.m. and will be operated by a qualified mechanic and the Jaycees. Vehicles with all items in safe condition will receive a safety check windshield sticker.

The items safety-checked are brakes, front and rear lights, (turn signals, stop lights), steering, tires, exhaust system, glass, windshield wipers (and washers),

rearview mirror, horn and seat belts.

THE SAFETY-CHECK in St. Johns is part of the annual national vehicle safety-check for communities sponsored by Auto Industries Highway Safety Committee and Look Magazine, with the cooperation of the Assn. of State and Provincial Safety Coordinators.

Last year safety-checks were conducted by 3 600 communities, counties, military installations, industrial plants, governmental agencies, youth groups, new car and tire dealers and other organizations.

The kind of success that turns a man's head often leaves him facing in the wrong direction.

C of C Secretary talks to Rotarians here Tuesday noon

"Know Your Community" was the theme of a program presented to St. Johns Rotary Tuesday noon by Mrs Betty Jane Minsky, secretary of the St. Johns Chamber of Commerce.

As a part of her presentation, Mrs Minsky divided the club into two teams and asked each to list tourist and industrial attractions in the St. Johns area.

St. Clair Pardee was program chairman for the meeting and introduced Mrs Minsky.

Nine-Foot Hole in Ground for New Central National Bank

Excavation of the site for the new Central National Bank in St. Johns began last Wednesday, with the Searles Excavating Co. of St. Johns doing the work. Gauge at right center of picture shows the hole to be slightly over nine feet deep. The shovel and trucks were still removing earth Tuesday morning.

Pre-school "Head Start" program OK'd for county

Clinton County has been approved for 15 rooms of pre-school children for a federal program called "Head Start." It will include seven weeks of pre-school activity this summer.

According to Carl Bates, county school superintendent, rooms have been provided in the following places: three in St. Johns, two in Bath, one at Pawamo-Westphalia, three at Sheridan Road, two at Ovid-Elsie, two at Valley Farms and one each at DeWitt and Fowler.

THE PROGRAM comes under the Federal Economic Act of 1964. It is designed for children who will enter school for the first time next fall. Preference for membership will be given to under-privileged or immature children who are expected to benefit from the training and be better prepared to enter school next fall.

"It is hoped that this type of program will help the child get a better start in his school career and instill self-confidence which often is lacking in the early years of school," Bates said.

ETHEL Huot, elementary principal in St. Johns, has been hired as county coordinator of the program. There will be no tuition, with the cost of the program being paid by the federal government.

Rooms will be limited to membership of 15 children and taught by a qualified teacher with two paid helpers. In case the registration exceeds the quota per room, selection will be made by a county-wide screening committee without regard to race, color or creed.

THERE IS some money available in the program for dental and medical examinations, Bates reports, and also 35 cents per day allowable toward a lunch for the child. Bus transportation will be available in most cases.

Activities will be geared to get-

ting the children acquainted with school routine and all ready to start school in September. Persons who are interested in their children attending one of the rooms should contact their local school superintendent.

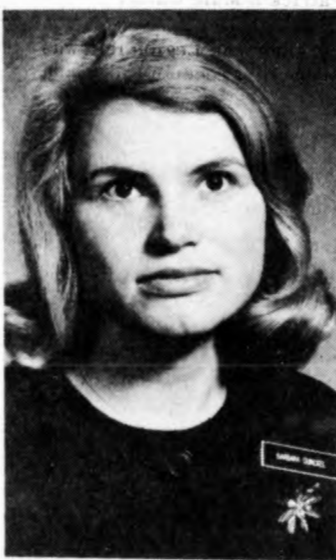

Former local couple now in Peace Corps

ROGER E. DUNCKEL

Roger E. Dunckel, formerly of St. Johns, and his wife, the former Barbara Jean Lietzke of St. Johns and Lansing, recently arrived in Brazil as Peace Corps volunteers. The couple are temporarily in Rio de Janeiro awaiting assignment in health and sanitation to a rural area of Brazil.

Before beginning their two-

BARBARA DUNCKEL

year Peace Corps duties, Dunckel and his wife underwent three months of intensive training at Arizona State University, Tempe, Ariz., in Portuguese, political and social history of Brazil and Latin America and community development techniques.

AFTER graduation from Rodney B. Wilson High School in 1958, Dunckel attended Michigan State University, graduating in March 1964 with a bachelor of arts degree in European history. His wife attended Butterworth School of Nursing in Grand Rapids, graduating as a registered nurse in 1961. They were married in October 1962.

Dunckel is the son of Mr and Mrs Wayne Dunckel, formerly of St. Johns and now of Battle Creek. Barbara is the daughter of Mrs Nettie Lietzke, also formerly of St. Johns and now of Lansing.

The young couple spent three months last summer touring Europe, visiting France, Italy, Spain, Switzerland, Austria and Germany.

Laingsburg man injured in crash

Richard A. Dedic, 22, of Laingsburg, was cut and bruised last Wednesday afternoon when his car overturned on Round Lake Road near Upton Road in Victor Township. Dedic told state troopers he lost control of his car on a curve. He was treated for his injuries at Sparrow Hospital in Lansing.

SKIN ITCH DON'T SCRATCH IT! Scratching spreads infections, causing MORE pain. Apply quick-drying ITCH-NE-NOT instead. Itching quiets down in minutes and antiseptic action helps speed healing. Fine for eczema, insect bites, foot itch, other surface rashes. If not pleased, your \$6 back at any drug store. TODAY at Glaspie's Drug Store, St. Johns or Finkbeiner's, Fowler.

Ovid-Elsie OKs bond sale bid

OVID— The bid of the First of Michigan Corp. at an average interest rate of 3.48 per cent was accepted by the Ovid-Elsie Area Schools board of education last week on the sale of bonds for the construction of the new high school and other buildings.

The total bond issue was for \$2.6 million. The last bonds would be retired before 1994.

THE ONLY other firm bidding was Halsey, Stuart and Co. of Chicago, whose percentage of interest was slightly higher—3.49. The schedule of bond retirement dates resulted in the winning bidder's total interest cost being \$5,100 less.

Harold Beardslee, retired Ovid banker, told the board that under the circumstances it had gotten an excellent interest rate. Raymond J. Stauder, financial consultant with Kene wer, Mac Arthur and Co., Detroit, indicated his agreement, saying that a decision by the US Supreme Court only a week earlier had adversely affected the taxing of bond interest payments.

OVID-ELSIE Area Schools also had no history of accounts bidding for bonds, making it harder to attract bids on the current bond issue. The money will be used to acquire the site and construct the new Ovid-Elsie High School, Ovid Elementary School and renovate both present high schools.

EARL LANCASTER

Earl Lancaster, superintendent of schools in St. Johns, was elected a member of the board of directors of Adrian College Saturday at the annual alumni banquet at Adrian. Lancaster is in his 13th year as superintendent in St. Johns.

Sheridan gets formal invitation

The Lansing School board last Thursday formally invited annexation of the Sheridan Road school district to the Lansing School system, by-passing a long-standing policy that annexed areas must be in the City of Lansing.

Part of the district is in the Lansing city limits, but the northern part of the district turned down the political annexation last spring. Annexation of the southern (city) half of the district was turned down by voters two weeks ago at the request of the Lansing board.

LAST WEEK'S annexing invitation first must be approved by the State Board of Education; then Sheridan Road school officials may set an election date on the proposal. The proposal, when put on the ballot, will require no mutual assumption of bonded debt between the two school districts.

Fire does \$400 damage at Leon Miller home

Damage of \$400 was caused in a fire at the Leon Miller home on North Airport Road shortly before 9 a.m. Tuesday. Miller managed to get the fire out before the arrival of firemen from St. Johns, about 5 1/2 miles away.

There was no indication of how the fire started, but Miller said it was in the walls of an upstairs bedroom. The fire was discovered by Mrs. Miller.

MR AND MRS JAMES A. TRIERWEILER

Janice J. Willemin marries in Portland

Miss Janice J. Willemin, daughter of Mrs. Mary Willemin of Portland and the late Ralph Willemin, became the bride of James A. Trierweiler of Ionia, son of the late Mr and Mrs Peter Trierweiler, in a double ring ceremony at St. Patrick's Church of Portland Saturday, May 22.

Wearing a gown with long sleeves, a scalloped neckline and cathedral train, the bride approached the altar with her brother, William Willemin, who gave her in marriage. Her bouffant veil fell from a crown of cut crystals and she carried a cascade bouquet of rosebuds and lilies.

THE BRIDE'S sister, Mrs. Pliney Stump, was matron of honor and bridesmaids were Mrs. William Willemin, Mrs. Richard Willemin and Helene Trierweiler, sister of the bridegroom. Flower girl was Lynn Ann Stump. Their gowns were cotillion blue with saffire blue cummerbunds. They carried cascade bouquets of gladioli and mums.

Dee Wilson of Niles was best man. Groomsmen were Richard Willemin, brother of the bride, Harold Trierweiler, brother of the bridegroom, and Robert Klien. Thomas Trierweiler was ring bearer and ushers were Pliney Stump of Portland and Timothy Spitzley of St. Johns.

THE BRIDE'S mother wore a navy blue chiffon dress with white accessories and a corsage of

Several attend bridal showers

Miss Diane Mohnke was the guest of honor on May 11 when a group of co-workers from Federal-Mogul entertained at Lou Coomes. She was presented with a group gift.

On May 14, Mrs. Sandra Lockwood entertained a group of relatives and friends in her East Lansing home in honor of Miss Mohnke. Co-hostesses were Miss Mary Ann Grennell, Miss Ann Mohnke, Miss Carol Mohnke and Miss Marcella Kloeckner.

Several bridal games were played, after which the bride-to-be opened her many gifts. A dessert was then served.

Miss Mohnke will become the bride of Frank Hart on June 5.

RUTH HONSINGER

Mrs. Ralph Honsinger of Vassar has announced the engagement of her daughter, Ruth, to Terry L. Hallead, son of Mr and Mrs Roland L. Hallead of Ovid. Miss Honsinger attended Saginaw Business College in Saginaw and for the past 4 years has worked as a secretary for Cathedral Press Inc. Her fiancé is a graduate of Michigan State University and teaches at Oxford High School in Oxford. An Aug. 21 wedding is planned.

white carnations and red rosebuds.

A Nuptial Mass was sung by St. Patrick's Male Choir.

The American Legion Hall was the scene of a reception for about 400 persons.

Following a wedding trip to South Carolina, the newlyweds will live at 546 Lincoln St. in Portland.

THE BRIDE graduated from St. Patrick's School and is employed by the Secretary of State in Lansing. The bridegroom, a graduate of St. Peter and Paul's in Ionia, is studying voice at Michigan State University and is an employe of Lear's Super Market in Portland.

MR AND MRS DONALD W. HAVENS

Bailey-Havens wed in double ring rite

Pink and white gladioli and palms decorated the altar of the Maple Rapids Congregational Church Sunday, May 9, for the marriage of Miss Rita F. Bailey and Donald W. Havens. Parents of the bride are Mr and Mrs Orison E. Bailey of Maple Rapids and her husband's parents are Mr and Mrs Donald H. Havens of rural Perrinton.

The bride chose a silk organza wedding gown with a detachable chapel train. Her shoulder length veil fell from a headpiece of silk petals and flowers and she carried a cascade bouquet of green orchids, white carnations and English ivy.

MRS DARYL Stanley was her sister's matron of honor. Miss Janice Berkhausen was bridesmaid and Miss Mickey Friesen of Perrinton, flower girl. All were clad identically in aqua green, silk organza gowns with matching veils. They carried cascade bouquets of pink and aqua-tinted carnations.

Wesley Havens, brother of the bridegroom, was best man, Steven Jakus of Lansing was groomsmen and Ronnie Matheny of Lansing carried the rings. Seating the guests were Bing Bailey of Middleton, brother of the bride and John Friesen of rural Perrinton, brother-in-law of the bridegroom.

AS MRS BAILEY took her place on the bride's side of the church, dressed in a light blue lace dress with matching accessories, a musicale of bridal airs was provided by Mrs. John Friesen, sister of the bridegroom, accompanied by the organist, Mrs. Bata Helman. Mrs. Havens wore a rose beige lace ensemble. Each mother wore a cymbidium orchid corsage to match her gown.

At a reception in the church parlor, 200 guests were served a five-tiered wedding cake by Mrs. Bing Bailey of Middleton. Miss Pam Schmidt served the

Rainbow Girls install officers

Miss Rose Walling was installed as worthy advisor of St. Johns Assembly No. 21, Order of Rainbow for Girls, at formal installation ceremonies at the Masonic Temple last Wednesday evening.

Other officers installed were: Elyse Krebel, worthy associate advisor; Kathy Utterback, Charity; Judy Ripple, Hope; Lorinda Lambert, Faith; Shirley Ashenfelter, chaplain; Valerie Bartholomew, drill leader; Jane Allaby, Love; Cathy McCurry, Religion; Mary Ann Austin, Nature; Martha Jean Locher, Immortality; Linda DeVore, Fidelity; Carol Martin, Patriotism; Nancy Ann Locher, Service; Colleen Robinson, confidential observer; Tamara Cressman, outer observer; Kathy Truax, recorder; and Diane Robinson, treasurer.

OTHERS ARE Mother Elizabeth Henry, musician; Kathy Smith, choir leader; and Rexene Hansen, Shelly Sanders, Jannice Miller and Lois Williams, choir members.

Valerie Bartholomew was installing officer, Sue Zigler installing recorder, Rexene Hansen installing chaplain and Sherrie Wilkie installing marshal.

After the installation of the new worthy advisor, Miss Walling, Mrs. Bruce Fowler accompanied daughters Judy, Jan and Pat and son Tom as they sang "My God and I" as Miss Walling knelt at the altar.

FOLLOWING the installation of the worthy associate advisor, Elyse Krebel, Valerie Bartholomew placed a beautiful crown on the head of Miss Krebel, a gift to the assembly from Valerie and her mother, Jean Bartholomew, mother advisor, in memory of Valerie's grandmother, Mrs. Casteel, who was mother advisor 25 years ago when St. Johns Assembly received its charter.

Prior to the ceremony of installation, the following honored guests were introduced: Sue Zigler, grand worthy associate advisor of the Grand Assembly of Michigan and a member of St. Johns Assembly No. 21; Donna Trudgeon, grand outer observer of the Grand Assembly and a member of Lansing Assembly No. 11; Cathy McCurry, grand representative to the State of Iowa, of St. Johns Assembly; Roxa Stout, grand representative to Connecticut from Lansing Assembly No. 11; Linda Moore, grand representative to Nebraska from East Lansing Assembly No. 32.

June 10 set for 4-H Fun Day

An outdoor Fun Day for all 4-H Club members and leaders in Clinton County will be held next Thursday at the St. Johns City Park, Sleepy Hollow Conservation Club Park and the Roscoe Rathbun farm.

Donald Walker, county Extension agent for 4-H Club work, said the tour will be devoted to a look at the realm of nature—birds, flowers, trees, animals, soil, crops, weeds and water.

ACTIVITY WILL begin at 10 a.m. when all participants are to meet at Smith Hall. Until 11:30 a.m. the group will be at the St. Johns Park. At noon they'll adjourn to Sleepy Hollow and at 2 p.m. they'll go to the Rathbun farm.

"We hope to have several resource people to discuss birds, flowers, wildlife, insects, trees, water, etc.," Walker said, "and there'll even be a fishing demonstration."

"SOME OF the folks who'll be helping us will be County Conservation Officer Earl Goff, naturalist Anabel Peck, Soil Conservation District Work Unit Conservationist Lloyd Campbell, Sleepy Hollow Conservation Club member R. G. Hyde, County Extension Agent George McQueen and others."

Walker said the fun day is designed "to give boys and girls some basic knowledge about nature, an appreciation of its beauty, use and abuse by man." He urged everyone to bring along a camera; all who attend are eligible to participate in the county and state Soil Conservation District Photo Contest.

Those attending should bring a sack lunch for a noon picnic.

ROSE WALLING

MOTHER REIGHARD, grand instructor and PMA of East Lansing; Shirley Ashenfelter, past grand representative of Maine, of St. Johns Assembly; Mother Briggs, mother advisor of Lansing Assembly No. 11; Patricia O'Berry, worthy advisor of Lansing Assembly No. 11; Sherman Jones, eminent commander of St. Johns Commandery No. 24; Sarah Lott, past honored queen of Ovid Bethel No. 36 and Grand Bethel 5th messenger; and Patricia Kridner, junior princess of Ovid Bethel No. 36.

The retiring worthy advisor introduced her mother and father and presented them with gifts of appreciation for their help during her term of office. Miss Walling then introduced her mother and father, Mr and Mrs Burton Walling, and her special guests, Mrs. Doris (Ed) Prowant, Mrs. Margaret (B. C.) Crowell, Geanne Walling, Rev and Mrs. Gerald Churchill, Mr and Mrs Rolland Ordway, Mrs. Tom Wilson and Mrs. Otto Wakefield.

THE FOWLER family sang three more numbers. Refreshments were served in the dining room. Tables were decorated in lavender. Mrs. Oliver Yurco made the cakes for Miss Walling and they were decorated with the Rainbow emblem.

Farm Bureau women hear hair stylist

Leon McDonald entertained Farm Bureau Women and their guests by demonstrating the latest in hair design at their spring "annual evening out." McDonald is the owner of McDonald Hair Salon in Charlotte.

Smith Hall was decorated with baskets of dogwood and lilacs for the affair held May 25. Dessert was served to 75 women present, prior to the demonstrations. Committee members were Mrs. John Schumaker, Mrs. Dorothy Ward, Mrs. Raymond Mayers and Mrs. Levi Blakeslee.

Mrs. Ed Sulka and Mrs. Richard Woodhams, both of St. Johns, were selected as models for McDonald. Gifts of hair spray and shampoo and free hair styling certificates were won by several of the women in attendance.

Chapman District By Mrs. Gerald Pope

Mrs. Vernie Strong visited her son and wife, Mr and Mrs Clarence Strong in Marshall last week.

Mr and Mrs Earl Auten of Howell were weekend guests in the Roy Auten home.

Mrs. Daisy Ridenour of Lansing is visiting Mrs. Mary Strong for a few days.

Mr and Mrs Oakley Watson of Howell and Mr and Mrs Lyle Auten and Janelle were Memorial

Day dinner guests of Mr and Mrs Roy Auten. In the forenoon all attended the parade in which Gail Auten rode as Chamber of Commerce Queen.

Mr and Mrs Gerald Pope spent the weekend at their Higgins Lake cottage.

Mrs. Evelyn Heinlen accompanied Mr and Mrs Paul Halstead and family on a trip to Hartwick Pines, Sunday.

Mr and Mrs Kenneth Simon and family, Mr and Mrs Gilbert Simon and family and Mr and Mrs Clarence Klein and family of Fowler were Sunday guests in the Eugene Simon home.

3 BIG LOCATIONS: ST. JOHNS BRIGHTON HOWELL

4 hospitalized in 2-car crash

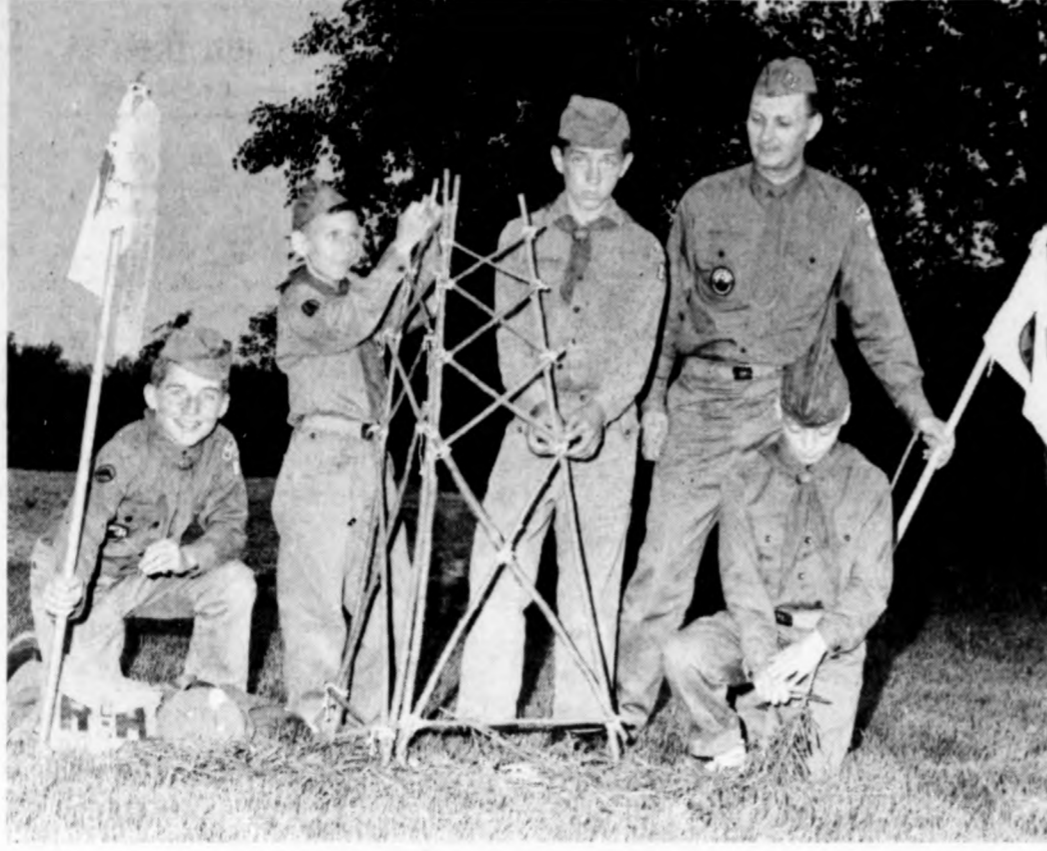

Four persons are still in the hospital in Lansing as a result of a head-on two-car crash on Francis Road at Howe Road Friday night in Watertown Township.

Listed in good condition Tuesday at St. Lawrence Hospital were Edward Royal Green, 22, of Portland, driver of one of the cars; Russell Wright, 23, and Rebecca Wright, 20, both of R-4, St. Johns, passengers in the car; and John Overla, 14, of 12738 Holly Lane, DeWitt, driver of the other car.

TWO OTHER persons were injured in the crash but were reportedly released after treatment. They were Jeanne Baker, 18, of Portland, a passenger in Green's car, and Michael Paquet, 14, of 121 Washington Street, DeWitt, a passenger in Overla's car.

Deputy Sheriff Hilary Hafner, who investigated, said Green was going north on Francis Road when the southbound car, driven by young Overla, crossed the center line and hit Green's auto. The accident occurred at 10:45 p.m.

Steam plants represent more than 97 per cent of the state's power capacity. They utilize coal delivered by Great Lakes bulk carriers or by gondola cars from the fields to the south and southeast.

Members of Boy Scout Troop 81 of St. Johns work on a mock-up of a miniature lookout tower they'll build for the big Boy Scout Camporee south of Bath this weekend. Left to right are Randy Atkinson, Mark Munger, Jeffrey Barrett and Terry McDairmid. Asst. Scoutmaster Reed Munger looks on. Jerry Atkinson is the troop Scoutmaster.

Big Okemos Council Scout Camporee set this weekend

"Follow the Rugged Road" Camporee, the Chief Okemos Council's tri-county Boy Scout Show, will be held this Friday, Saturday and Sunday at Priggoris Park on Webster Road south of Bath.

Some 2,000 Boys Scouts, Cub Scouts and Explorers from Ingham, Eaton and Clinton counties will participate in the events.

PURPOSE OF the camporee is to show the public what Scouting is, and each unit there will have an action demonstration. High point of the Camporee will be Saturday afternoon and evening, topped off with a big arena show.

"The public is cordially invited, and it's all free," said William E. Thacker, Scout executive of the Chief Okemos Council. "Come out and see what the boys and young men of your community are doing constructively. It'll make you proud."

CUB SCOUTS will show different skills, games and crafts. Boy Scout patrols will compete in a Skill-O-See based on the activities of last year's National Jamboree. The events include a physical fitness course, a chariot race, tent pitching, log rolling, stake driving and a mystery game.

Famous state personalities will be there Saturday afternoon for the Explorer Scramble, which will start at 2 p.m. Personalities will include Supreme Court Justice Otis Smith, MSU quarterback Steve Juday, State Police Capt. Richard Nicolen, television outdoorsman Len Stuttmann, architect D. S. Budzynski, MSU end Tom Krzemienski, mathematician William Lakey and MSU Miss Ann Laurenz.

THE SPECTACULAR evening

Camporee arena show is modeled after the Boy Scout National Jamboree. Headlining the show will be a flag presentation by Canadian Scouts of their new national colors to Michigan Justice of the Supreme Court, The Honorable Otis Smith. Featured will be authentic Indian dancers under the direction of Chet Cowan and Jim LaLone.

Demonstrations of tracking by Corp. Richard H. Abbott of the Michigan State Police and an archery exhibition by Anderson Archery Sales Co., Grand Ledge, are also on the schedule.

A HOOTENANNY will be led by Earl Trudgen, and Erik O. Furseth will be master of ceremonies. The program is under the direction of Francis Martin.

The "Michigan Outdoors" zoo exhibit, as seen on the television "Mort Neff" show will be there through the courtesy of Auto-Owners Insurance, Lansing.

Donald Griffin is general chairman of the event.

chery Sales Co., Grand Ledge, are also on the schedule.

A HOOTENANNY will be led by Earl Trudgen, and Erik O. Furseth will be master of ceremonies. The program is under the direction of Francis Martin.

The "Michigan Outdoors" zoo exhibit, as seen on the television "Mort Neff" show will be there through the courtesy of Auto-Owners Insurance, Lansing.

Donald Griffin is general chairman of the event.

Park Lake

By MRS. SADIE BASS, Correspondent

Club has fete on anniversary

PARK LAKE — The Past Noble Grands Club members invited the officers and members of Sunbeam Rebekah Lodge to share in the celebration of the lodge's 21st anniversary Monday evening with a dinner party at Eagles Restaurant in Lansing.

Special guests were Past Noble Grand Jean Bennett, one of the first persons to be initiated after the institution of the lodge in 1944, and her niece, Darlene Dodds, one of the last persons to receive the obligation in 1965.

Dolores Rummell, noble grand, with a total membership of 41, will hold the regular meeting Thursday, June 3.

Past Noble grands, Thelma Haviland and Jean Bennett and Lodge member, Josephine Miller, poured the coffee.

The women were dressed in

colorful spring fashions for the dinner served by candlelight.

Neighbors, friends and relatives helped Ray Bennett of Outer Drive celebrate his birthday with homemade ice cream and cake Thursday, May 27.

Mrs. Harry (Jennie) Wendt of Nichols Road, who is a patient at St. Lawrence Hospital may have to go to Ann Arbor for further treatment.

Mrs. Kitzie Douglas of Clark Road in Bath is home but will be some time before returning to work. She is still unable to climb stairs.

Mrs. Joe Sump and infant son are home from the hospital. The Sumps drove to Flint to Mrs. Sump's grandparents, Mr. and Mrs. Huff to bring their daughter back home.

Mrs. Shirley King of Outer Drive is confined to her home with throat infection.

The Cub Scouts spent Saturday at the Detroit Zoo.

Clinton Area Deaths

Gerald Henning

ST. JOHNS — Following a 15-month illness, Gerald Edward Henning of R-3, St. Johns, died Tuesday, May 25, at 6:20 p.m. in Clinton Memorial Hospital. He was 23.

Funeral services were held Saturday, May 29, at 10 a.m., in St. Joseph Catholic Church. Burial was in Mount Rest Cemetery.

MR HENNING was born in Clinton County Feb. 17, 1942, to Laurence Henning and Irene Ley Henning. He attend Rodney B. Wilson High School.

Surviving besides his parents are four sisters, Mrs. Bernice Mitchell of Shepardsville, Mrs. Joyce Russell of Ovid and Barbara and Madonna, both at home; three brothers, Dale, Richard and Gale, all at home; and a grandmother, Mrs. Leona Simmer of Beal City.

Mrs G. A. Wygant

LANSING— Following a long illness, Mrs. Goulette A. Wygant of 15966 Brook St. in Lansing died Sunday at 3 a.m. at Rivard Nursing Home in St. Johns. She was 84.

Services were held in the Vincent-Rummell Funeral Home in DeWitt Wednesday at 1 p.m. with Rev. LaVern Bretz of Valley Farms Baptist Church officiating and burial was in Gunnisonville Cemetery.

BORN IN Boyne City, April 25, 1881, Mrs. Wygant was the daughter of John Webster and Helen Hobbs Webster. She married George Wygant Feb. 22, 1941, and was a resident of the Lansing area for 60 years.

Members of the Rebekah Lodge to which she belonged, Pride of Ingham No. 496, took part in the Wednesday services.

Surviving besides her husband are a son, John J. Moore Jr. of Lansing; a sister, Mrs. Margaret Arndt of New York; and a brother, Harley Webster of Lansing.

Mrs M. Bartlett

OVID — The oldest member of the Duplain ME Church, Mrs. Mable S. Bartlett of Duplain Township, died Tuesday, May 25, at 5:20 p.m. in Clinton Memorial Hospital, following an eight-month illness. She was 80.

Services were held at the Houghton Funeral Home Friday, May 28, at 2 p.m. with Rev. Garth Smith and Rev. Walter Easton officiating. Burial was in Maple Grove Mausoleum.

Born Sept. 15, 1884, near Shepardsville where she spent the rest of her life, Mrs. Bartlett was the daughter of Edward G. and Ermine Spencer.

SHE ATTENDED Ovid High School and on Nov. 10, 1904, married John C. Bartlett at her home. She was a teacher at Green School and at the ME Church she taught Sunday School for over 30 years, was pianist and sang in the choir. She was a charter member of the Maple River Grange and a member of the Gleaners and the Ovid Duplain Library Club.

Survivors include a daughter, Mrs. Hilma Steljes of Lansing; a son, Spencer of Ovid; three grandchildren and two great-grandchildren; a sister, Mrs. Chauncey Green of Ovid; and a brother, John Spencer of Ovid.

Bruce Stevenson

ST. JOHNS — Bruce Stevenson of R-6, St. Johns, died Sunday, in his home. He was 91.

Funeral services were held Wednesday at 2 p.m. in the Oia Adventist Church with Elder Bernard Mills officiating. Burial was in the North Star Cemetery.

A ST. JOHNS farmer all his life, Mr. Stevenson was born in Ashley, Sept. 2, 1873, to David Stevenson and Lella Hersey Stevenson. He married Alberta Hersey in Alma July 30, 1910.

Surviving are two daughters, Mrs. Muriel Pusey of Muskegon

and Mrs. Maxine Mosher of St. Johns; five grandchildren; two sisters, Mrs. Olive Weaver of Holly and Miss Emma Stevenson of Ashley; and two brothers, Frank of Ashley and James of Palo.

Frank L. Rando

OVID— Frank L. Rando of 321 South Park Street died Saturday at an Ovid nursing home. He was 74.

Services were held Tuesday at 1:30 p.m. at the Houghton Funeral Home with burial in Maple Grove Cemetery.

AN AREA resident for the past 40 years, Mr. Rando was a member of the Modern Woodmen of America.

He is survived by his wife, Mabel; a son, Robert of Six Lakes; a daughter, Mrs. Colleen DeMay of East Lansing; seven grandchildren; and a sister, Mrs. Norine Krantz of Elsie.

Mrs B. Milliard

OVID — Mrs. Bernice D. Milliard of 200 East Elm Street in Ovid died Wednesday, May 26, at 3:05 p.m. in Owosso Memorial Hospital, after a three-year illness. She was 67.

Rev. Garth Smith and Rev. Glen Hall Henderson officiated at services in the Houghton Funeral Home Saturday, May 29, at 2:30 p.m. Burial was at Shaftsbury Cemetery.

MRS MILLIARD was born to John and Sarah Easlick in North Star Oct. 2, 1897. She attended rural schools in Shawassee County.

On Jan. 9, 1929, she married George Milliard in Ann Arbor and lived there until 1934 when she moved to Perry. In 1953 she moved from Perry to the Ovid vicinity where she remained the rest of her life.

ACTIVE in church work, she was a member of the Official Board of the Ovid United Church and the W.S.C.S. A memorial fund has been established for the church. She was also a member of the Mead Extension Group.

Surviving are a twin sister, Mrs. Harry Hutton of Ovid, with whom Mrs. Milliard won a prize in Lansing in 1958 being the most identical twins; and two brothers, Vernon and Harold Easlick, both of Elsie.

Mrs Jennie Foss

MAPLE RAPIDS— At the age of 90, Mrs. Jennie E. Foss of Maple Rapids died Sunday at the Pohl Nursing Home.

Services, officiated by the Rev. Calvin Carey, were held Wednesday at 2 p.m. in the Abbott Funeral Home. Burial was in Sowle Cemetery.

Mrs. Foss was born in Maple Rapids on Nov. 28, 1874, to James and Delana Hoyt Bird and attended schools in the area.

SHE MARRIED Oscar Foss in Maple Rapids in 1933 and was a member of Truth Rebekah Lodge and the Methodist Church.

Survivors include a daughter, Mrs. Goldie Crawford of Grand Rapids; a son, Vernon T. of Maple Rapids; 9 grandchildren, 23 great-grandchildren and 5 great-great-grandchildren; a sister, Mrs. Bessie Klidder of Maple Rapids; and two brothers, William and Francis Bird of Maple Rapids.

Infant Brown

LANSING— The 3-month-old son of Mr. and Mrs. Paul G. Brown of 1812 Maplewood in Lansing died Thursday, May 27, en route to a Lansing hospital, of a respiratory disease.

Rev. LaVern Bretz of Valley Farms Baptist Church conducted services at Vincent-Rummell Funeral Home in DeWitt Saturday at 2:30 p.m. Burial was in Deepdale Cemetery in Lansing.

Surviving besides the parents are a brother, Kenneth at home; the grandparents, Mr. and Mrs. Raymond Patterson and Mr. and Mrs. Homer G. Brown, all of Lansing; great-grandparents, Mr. and Mrs. Maurice Haviland of DeWitt and Mrs. Oliver Brown and Mrs. Edna Beach, both of Mason; and a great-great-grandmother, Mrs. Hattie Brown of DeWitt.

Most citizens are unaware Michigan is the nation's third largest carrot producer with more than one million hundred-weight last year. Three-fourths of the crop goes to the fresh market—the rest to soup manufacturers, makers of baby food and other processors.

Mrs Theda Moore and Mrs Athol Gamble returned home last week, having spent most of the winter in California and Nevada.

Ovid

Mrs Aphra Pixley

Alumni reunion to honor grads

OVID—Sixty-seven graduating seniors of Ovid High School will be the honored guests of the Ovid Alumni Assn. at their 62nd Annual Reunion Saturday, June 5, at the school.

A business meeting will begin at 7:30 p.m. followed by a program of high school talent. Donald Thayer will play original recordings of bygone days for listening and dancing.

Mrs Harold Mead, Mrs Duane Chamberlain, Mrs Ervin Everts, Mrs Robert Green and Mrs Adrian Huss, all mothers of this year's graduates, volunteered to serve refreshments.

Rooms will be reserved for each of the classes to meet in and there will be a display of historical interest to the alumni.

The classes of 1915 and 1935 will have a dinner preceding the reunion and will come as a group.

All graduates of Ovid High School and their spouses are invited.

Ovid businessmen plan sale, carnival

OVID—The Ovid Business Assn. has two events in the planning stages. Nearest to completion is a sidewalk sale Friday, June 18. Willard Zwick is chairman.

Also planned is a carnival July 9-10 (there will be no July 4 celebration in Ovid this year). Dean Austin, Harold Boyer and Mrs Audrey Bancroft are in charge of concession stands, and James Ball, Willard Zwick and Ray Page are on the ticket committee.

Here is the baseball version of the St. Johns Redwings, which compiled a record of 7 wins and 5 losses during the year. Left to right are, front row, Dave Hill, Cary Hambleton, Bob Harte, Dennis Blakeslee, Gary Boyce, Lee Hill, Rod Hayes, Bob Every, Ivan Sperry and Gene Rademacher; back row, Manager Mac Marzke, Craig Knight, Al Johnson, Gary Crawley, Ron Antes, Jim Pope, Dennis Springer, Bob Krumm, Tom Bullard, Leroy Martens, John Markman and Coach Bill Smiley.

Wings beat Ionia with timely hitting

The St. Johns Redwings played their best baseball game of the year, in Coach Bill Smiley's estimation, as they defeated Ionia 8-3 last Thursday.

It was the team's final game, and it left them with a 7-5 overall record and a 4-3 mark in the West Central Conference. Just where that left them in the standings Smiley wasn't quite sure. It appears to be third place, but several other league teams weren't finished, and what happens in their games could affect St. Johns' place.

WHAT SMILEY was happy about last Thursday was the storybook way the Redwings hit the ball. When men were on base and in scoring position, the hits came and so did the runs.

The Wings got their first run

in the second inning when Jim Pope walked and Bob Every and Bob Krumm each singled to load the bases. Pope then stole home after two men were out.

FOUR REDWING runs scored in the third inning. Gary Boyce walked to start things off, and Gene Rademacher followed with a double. A few minutes later, Every slashed a single that scored both Boyce and Rademacher. Then Ivan Sperry walked and both men advanced on a wild pitch. Dave Hill brought them both in with another double.

In the fourth inning Rademacher lined a home run over the left-centerfield fence, a blast that carried some 340 feet.

THE FINAL scoring came in the sixth inning when Lee Hill walked and stole second. Boyce

then walked and Rademacher sacrificed them to second and third. In that storybook fashion again, Every then singled both of them in.

Junior Dennis Springer did the hurling chores for the Redwings and won his sixth game of the year, allowing only three hits. Ionia got all their runs in a fifth inning rally. Springer's record for the year is 6-2, a marked improvement from last year's 2-3 mark.

EVERY WAS the Redwings' leading hitter for the day with three hits in four times at bat. But Rademacher's two hits out of three official appearances gave him the team batting title by a few percentage points over Boyce.

Boyce had led in hitting going

into the game, but he was hitless in two trips. Rademacher finished with a batting average of .448, while Boyce had a .430 mark.

OTHER FINAL batting averages of St. Johns players who saw action during the year included: Dave Hill .400, Jim Pope .316, Bob Every .333, Al Johnson .666 (only saw action part of the year), Ivan Sperry .250, Rod Hayes .250, Ron Antes .200, Dennis Blakeslee .200, Lee Hill .225, Bob Krumm .186, Dennis Springer .153, Gary Crawley .150, and Bob Harte .000.

August picnic set by Mothers

FWLER—The Christian Mothers' meeting was held on Tuesday, May 25, when members were reminded that a retreat would be held in July and that a picnic would be held on Sunday, Aug. 22.

Sister Regina Marie gave a talk on Youth and their problems. Rev Aloysius Schmitt made some comments on youth problems and changes in the liturgy.

The committee for June consists of the chairman, Mrs Mark Schrauben, and Mrs Peter Schrauben Sr., Mrs Mark Simon, Mrs Ed Simon, Mrs Leon Simon, Mrs Bernita Simon, Mrs Oscar Simon, Mrs Marvin Simon, Mrs Art Simon, Mrs Bernard Simon, Mrs Clarence Simon, Mrs Phillip Simon, Mrs Joan Simon, Mrs Gilbert Simon and Mrs Leonard Simon.

A "shln-dig" by the sixth and seventh grade students was the entertainment.

Jaycee officers to be installed

FWLER—The Jaycees have chosen new officers for the coming year.

They are president, Carl Koenigsnecht; internal vice president, Robert Halfmann; secretary, Francis Schafer; treasurer, Clark Becker; state director, Frank Hufnagel; and local directors, Jerome Thelen and Ralph Watts.

On June 19 the new officers will be installed and outstanding awards will be presented at the 7 p.m. dinner meeting for members and wives in the Fowler Hotel.

The Jaycees are planning a wrestling show, to be held in the

Little League Schedule

Monday, Cubs vs Tigers; Tuesday, Sox vs Yanks; Wednesday, Orioles vs Indians; Thursday (June 10), Tigers vs Yanks. All games start at 6 p.m. at the city park in St. Johns. Rain date is Friday.

A green four-leaf clover with a white H in each leaf is the national emblem of 4-H Clubs. The H stands for Head, Heart, Hands, Health.

About 60 boys play with Little League

FWLER—The Little League has been divided into four teams. They are: the Frechen's Tigers, coached by Bill Braun; the Mobil Colts, coached by Clem Thelen; the Becker's Giants, coached by Jerry Thelen; and the Miller's Braves, coached by Don Thelen. There are about 60 boys now playing in the Little League.

VFW Post marches on Memorial Day

FWLER—The VFW of the Edward J. Werner Post in Fowler turned out to march on Memorial Day.

Ceremonies were held over the graves of selected veterans in Westphalia, Pawama and Fowler. There were about 60 veterans marching at the Fowler Cemetery. Open house was held at the Clubhouse all day with a good crowd coming and going until late evening. Lunch was sold by the Ladies Auxiliary.

There will be a regular meeting of the D of I on June 9 at 8 p.m. in Holy Trinity Hall.

Carl Wymer (right) of Ithaca receives his first-place trophy from Orth Tatroe of Redwing Lanes and a check for \$500 from Tournament Secretary Mike Hatta Monday for winning the annual St. Johns Singles Classic bowling tournament in St. Johns. Wymer fired a 736 score on the first weekend of the tournament and it held up for almost two months.

Ithaca man wins singles

Carl Wymer of Ithaca won the annual St. Johns Singles Classic bowling tournament at the Redwing Lanes in St. Johns, with his high four-game score of 736 holding up for almost two months.

Wymer rolled his series on the first weekend of the tournament, which started April 1. It held up throughout the bowling by 700 entrants between then and May 23.

WYMER received a trophy and, most importantly, a check for \$500. It was his second try at the money in the St. Johns tournament, and he admitted everything was working just perfect on the weekend he bowled. His top score was a 247, about a hundred pins over his average. Wymer bowls about once every four weeks.

Richard Pease of St. Johns came the closest to taking the \$500 away from Wymer. Pease rolled a 722 series and took second-place money of \$250. Charles Weber of St. Johns tied for fifth place with a 710 and got \$82.50.

OTHER area bowlers and their scores and winnings were: Virgil Zeeb of St. Johns, 692, \$60; Duane Bunce, St. Johns, 688, \$50; Karlis Dakers, St. Johns 677, \$27; Marlin Durbin, St. Johns, 670, \$21; Wendell Miller, Bath, 665, \$14; Allen Tiedt, St. Johns, 663, \$11.50; Harold Pease, St. Johns, 658, \$10; William Ashenfelter, St. Johns, 651, \$10; Charles Watson, St. Johns, 649, \$9; Rudy Masarik, St. Johns, 646, \$8; Fred McLouth, Laingsburg, 644, \$8; Marvin Hayes, St. Johns, 644, \$8; James Demott, Ashley, 639, \$7; Leo Vackson, Laingsburg, 637, \$6; Ralph Beebe, DeWitt, 634, \$6; Larry Crosby, St. Johns, 631, \$5; Lavern Slim, St. Johns, 630, \$5.

Some 139 bowlers shared in the winnings.

Gutter Gals lead Coffee Cup League

The Gutter Gals lead the summertime Coffee Cup League by one game over the Cookies Cuties and by 1 1/2 games over the 3 Yanks & A Rebel. The latter team had the best game and series last Thursday with a 601 game and 1630 series score. Marian Orweller rolled a 188 game and 466 series.

Name 'C' baseball all-stars

Elsie, Ovid and Pewamo-Westphalia each placed two men on the Central Michigan C All-League baseball team, it was announced last week after selection of the team by league coaches.

Ovid placed Dennis Borton and Denny Love on the first squad, while P-W had Joe Thelen and Larry Vance on the team, and Elsie was represented by catcher R. D. Jones and Gary Bashore. Pitchers on the first team were Fred Reahm of Portland and Roger Coryell of DeWitt. Also on the first team were Chet McGonigal of Bath and Dave Shanski of Perry.

NAMED TO the second team were Bob VanStickle of Bath, John Davidson of Portland, Dick Nurenberg of Pewamo-Westphalia, Al Warren and Lony Pasch of DeWitt, Steve Jones of Laingsburg, Mike Martinez of Ovid, pitcher Bump Lardie of Perry and catcher Pat Weston of DeWitt.

Only the pitchers and catchers were chosen at a definite position.

GIVEN honorable mention were Art Six of Bath, Russ Nisse of DeWitt, Will Hilliker of Perry, Bob Kruger of Laingsburg, Dave Bates of Ovid, Joe Noeker of Pewamo-Westphalia, and Ken Sperl of Elsie.

The DeWitt baseball team, coached by Don Wight, is the 1965 baseball champion with a record of 6 wins and 1 loss.

Wings finish 4th, but 2 school records set

Host team Ionia dominated the field events and scored firsts in two running events last Wednesday to win the West Central Conference track championship with 40 points.

St. Johns finished fourth in the meet with 22 points, while two of its men were setting school or conference records.

FOR IONIA, Mike Haskins broke both the Ionia and conference records in the 440 with a time of 52.1. Auffrey's conference record toss of 55 feet 3 1/2 inches in the shot put, Banhagle's record vault of 12 feet 3 1/2 inches, and Catt's fine time of 15.8 in the high hurdles gave Ionia four first places.

Additional points in the high and low hurdles, long jump, 100-yard dash, 220-yard dash, high jump and pole vault helped to win the championship in a close race over Grand Ledge, who scored 38 points.

ST. JOHNS got some record-breaking performances, too.

Al Anderson was in peak form when he sailed over the cross bar in the high jump, clearing 5 feet 10 1/2 on his first try at their height, to break the St. Johns record established by Charles Lundy in 1963 of 5 feet 9 3/4 inches. Anderson's jump was also a conference record.

Senior Doug Lundy also snapped a school record in the 440-yard dash. He was clocked at 52.5, breaking the school record of 52.9 set by Larry Serrell in 1961. Tom McKenzie of St. Johns finished close behind with a very good time of 53.1.

DAVE DeGEE ran his second fastest half-mile of the year in the winning time of 2:03.3, while Clark Berkhusen ran a fast 2:05.5 to take third place.

Randy Humphrey finished fifth in the 220 for the Redwings, and Al Koenigsnecht finished third in the mile with his second best time (4:42) behind Atkins of Greenville and Fogle of Charlotte.

THE REDWINGS were tied with Greenville for third place at the start of the final relay. Each had 22 points, and St. Johns was expected to pick up the necessary points for a third-place finish. But the leadoff man, Dan Hynes, suffered either a knee-lock or leg muscle spasm after taking a good

St. Johns' triumphant golf team poses for their formal team picture. Left to right are Coach Mike Humphrey, Dennis Hankey, Ron MacLucky, Tom Pautke, Ted Bedell, Dick Creese, Jon Ricker, Bob Ortwein and Gary Becker.

Wings survive bad play, finish 2nd

St. Johns survived its worst play of the season last Friday in the West Central Conference golf match and managed to come out second in the final conference standings.

The Redwings shot a 356 for 18 holes, the highest for the whole season, according to Coach Mike Humphrey. That was the third best score of the day in the match, but the Wings' season points accumulated during the year helped boost them into second place overall.

GARY BECKER had the low score for St. Johns Friday—an 84 on rounds of 41 and 43. Bob Ortwein had a 43 and 45 for an 88 score, Dennis Hankey had 46 and 43 for 89, and Dick Creese had 48 and 47 for a 95 score.

Hastings won the golf championship with a 7-0 season record and a low score of 334 in the conference meet. Tom Reynolds of Hastings was medalist with rounds of 38 and 39 for a 77.

ST. JOHNS had a 6-1 season record—good for six points in the conference figuring—and they got six more points on conference match day. Alma, which finished second last Friday with a score of 342, got seven points for that effort. But they had a record of only 4-3 during the season, leaving them one total point shy of the Redwings for second place.

Conference Day scores by other teams included Greenville 360, Charlotte 373, Ionia 398, Grand Ledge 399 and Lakewood 422. Here's how they finished in the final standings, with total points: Hastings 15, St. Johns 12, Alma

11, Greenville 10, Charlotte 6, Ionia 5, Grand Ledge 4, and Lakewood 1.

Fowler's Jon Thelen on all-league team

FOWLER—Fowler High School catcher Jon Thelen was named to the Central Michigan D League baseball all-conference team last week. Ashley infielder Del DeMott also made the team. League champion Potterville and runner-up Portland St. Patrick each placed three players on the all-star team.

AL ANDERSON

lead approaching the exchange zone, and the accident sent both him and the baton sprawling on the track.

Greenville managed two points for fourth place in the relay and took over third place in the total standings with 24 points.

HAROLD OLDS of Grand Ledge was a double winner with firsts in both the 100- and 200-yard dashes. Baribeau's winning long jump of 20 feet 7 1/4 inches was a new conference record.

Fifth place in team standings went to Charlotte, who scored in eight events a total of 20 points. Lakewood had 18, Alma 17 and Hastings 16.

Last year industrial friends of 4-H provided over four million copies of educational publications and other materials to aid 4-H'ers in their projects.

The Plowman School closed Friday with a picnic at noon and a music program in the afternoon.

Debbie and Paul Cowles spent a four-day weekend with Mr and Mrs Leo Cowles and Patty Jo at their new home in Perry.

Dale Davis spent the weekend with David Peck and helped Da-

vid celebrate his birthday on Sunday.

Saturday evening Mr and Mrs Robert Secord and family called on Mrs Mina Secord, Mr and Mrs Rufus Case and family and Mr and Mrs Richard Parmenter and family.

Mr and Mrs Keith Wohlfert, Cindy and Scott spent the weekend at the State Park at Tawas, camping and fishing.

Mr and Mrs Lyle Smith are the grandparents of a baby boy, born to Mr and Mrs Jerry Smith on Friday.

Mrs Jack Wohlfert and Mrs

Delores Cowles and Paul were Tuesday luncheon guests of Mr and Mrs Daryell Towserly and children at Alma and were supper guests of Mr and Mrs Vincent Strouse and family of Ashley.

Mr and Mrs Lewis Phillips attended the graduation of their grandson, Paul Phillips, Tuesday evening at DeWitt and later attended the open house at Mr and Mrs Cliff Phillips.

Weekend callers of Mr and Mrs Lyle Smith were Mrs Meretta Mead and grandson, Jimmy, Mr and Mrs Clarence Hickerson,

Jerry Smith, Mr and Mrs Willard Newman and Mr and Mrs Rolland Smith and girls.

Doris and Delores Collard spent a few days with their grandparents, Mr and Mrs John Collard of rural Perry.

Mr and Mrs Raymond Martzke and children called on Mrs Gust Martzke Monday afternoon.

Mr and Mrs Lewis Phillips went to the cemetery near Ionia on Thursday and later visited Mr and Mrs Earl VanZant at Sparta.

Mr and Mrs Duain Peck and family were Monday dinner guests of Mr and Mrs Tom Bal-

ley and family. In the afternoon they called on Mr and Mrs Robert Davies at Lansing.

Jim Wilson and friend of Grant called on Mr and Mrs Jack Wohlfert and Betty Sunday afternoon.

Mr and Mrs Cliff Phillips were Sunday evening lunch guests of Mr and Mrs Lewis Phillips.

Saturday dinner guests of Mrs Gust Martzke were Mr and Mrs Cecil Martzke of Highland and Mrs Carl DeVries and family of Holly.

Sunday afternoon the Secords called on Mr and Mrs John Gauda of Ithaca.

Austin Peck of Detroit was a Saturday evening supper guest of Mr and Mrs Duain Peck and family.

Bud Wohlfert visited Mr and Mrs Jack Wohlfert and Betty Saturday evening.

Mrs Mae Toombs spent the week with the Robert Secord family.

Mr and Mrs Theodor Martzke of Grand Ledge called on Mrs Gust Martzke Wednesday evening.

Miss Wava Secord spent the weekend with her parents, Mr and Mrs Robert Secord. Dennie Rathbun was a Monday dinner guest.

CROP-SAVING ADVANTAGES WITH ALLIS-CHAMERS HAY EQUIPMENT

ALLIS-CHAMERS MODEL

303

BALING FEATURES

- Rugged frame, undercarriage, bale chamber and baling mechanisms take rough ground conditions and high-speed baling, year after year.
- Full line of attachments to adapt the Bale-Chief exactly to your requirements . . . make the entire operation more profitable.

that mean **EASIER, faster baling**

- Pickup is wide, 60 inches . . . handles light or heavy windrows . . . cleans the field.
- Twin-feed rakes deliver the hay in a smooth, even flow to the baling chamber . . . that's why the 303 has capacity and makes square-formed bales.
- The most copied method of feeding.
- Powerful baling ram carries the straight knife to the angled shear blade . . . shear-cut each charge for uniform bales.
- Conventional, disc-type knotters put the finishing touch on every bale . . . bale after bale . . . acre after acre.
- Operating adjustments . . . are made easily, conveniently.
- High-quality power train has precision bevel gears, roller chain drives . . . all amply protected by clutches and shear pins . . . sure power . . . certain protection.

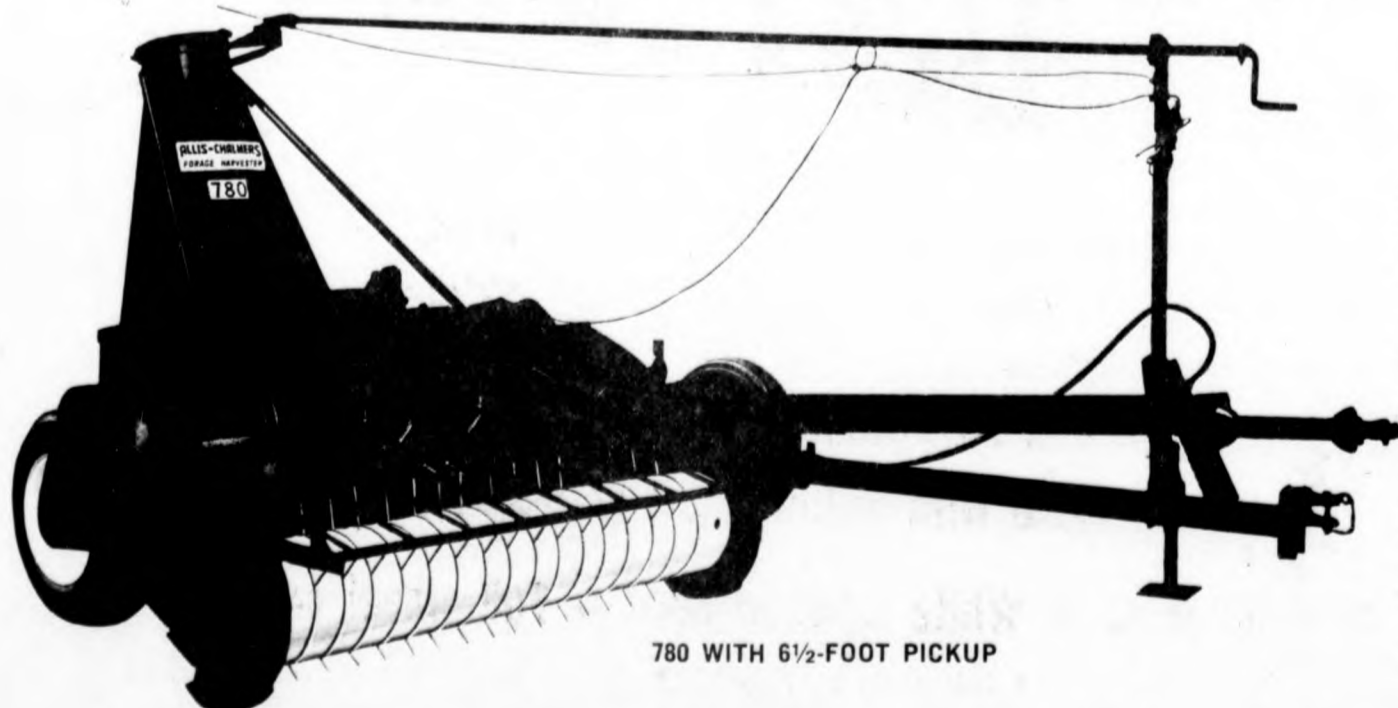

now mow . . . and "condition" in one operation

This modern machine conditions stems for faster curing, yet is gentle on leaves, keeps them intact. Equalizes curing time for both leaves and stems and lets you bale hours sooner. Positive conditioning of 7-foot swath is done by a heavy steel pickup roll with staggered ribs for uniform feeding and constant roll pressure operating against a large, upper smooth, rubber roll. This will help you "make hay in a day."

Complete line of hay equipment including self-unloading wagons and blowers in stock.

**BIG CAPACITY - UNIFORM CUT
SMOOTH OPERATION - QUICK CHANGE HEADS
IN WINDROW CROPS
with 780 FORAGE HARVESTER**

780 WITH 6 1/2-FOOT PICKUP

The pickup-equipped 780 forage harvester is the ideal unit to handle windrowed crops. It moves quickly through the field picking up and chopping green forage . . . wilted hay . . . cured hay or straw. The big, 6 1/2-foot wide pickup stays on the windrow. The 64 pickup fingers, 16 per bar, comb the stubble, clean the field and feed material to the auger in a steady stream. Crop guards control the crop, assure uniform flow, even in windy conditions.

To visit Holland on youth program

ELSIE— Michael Slagh, son of Dr and Mrs E. M. Slagh, will be the ninth student from Elsie High School to participate in the Youth for Understanding program.

According to a recent announcement by Mrs Rachel Anderson, director of the program, which is related to the Michigan and Ann Arbor Council of Churches, Michael has been selected to go to the Netherlands.

The purpose of the program, which is both interfaith and interracial, is to develop international understanding through living experiences with a family in another country.

Michael is one of nearly 600 young people, who will go abroad in six flights from Detroit Metropolitan Airport in June and return late in August. He is scheduled for the June 18th flight to Amsterdam.

He will live with the Y. de Wind family at Tramstreet 46, Eindhoven, Holland. The family is composed of the father who is head of administration of a textile works, the mother and five children.

There are two girls, Annelles, 22, a student for "teaching in cooking," and Marga, 20, a sociology student, and three boys Peter, 18, Rene 16, and Hubert, 14, all pupils of a secondary school.

The de Winds are a Catholic family and their sons are altar boys in the church which is close by their home. A railway is only 500 yards away as they live in the center of the city so there will be opportunities to see much of the country. The family speaks several languages, including English.

The city of Eindhoven has a population of 180,000 and is located in the southern part of the Netherlands near the Belgium border and not far from West Germany.

Slagh, who has Dutch and Irish ancestors chose Holland, when he decided to make an application for the program last February.

He has always loved to travel, he said, and has made many trips through America, including to the World's Fair, Washington, D. C., and Florida and he traveled in Canada. The EHS yearbook, Elsonian, reveals his ambition is

MICHAEL SLAGH

"to see every country in the world."

During his high school years, Slagh has two years each of track and visual aids to his credit in extracurricular activities. He was also vice president of his junior class.

Slagh's hobby for many years has been collecting antiques, particularly antique lamps, license plates, stamps and coins.

A member of the St. Cyril's Catholic Church at Bannister, Slagh has served as altar boy the past eight years.

Others from EHS who participated in the Youth for Understanding program were Janet Goodrich, Judy Heusted, Martha Cobb, Janyth Rumbaugh, Lynn Cook, Michael Leydorf, Maureen Peck and Lissa Knight but Slagh is the first senior to take part.

Mrs Lula Rule has returned from the Clinton Memorial Hospital where she recently underwent treatment.

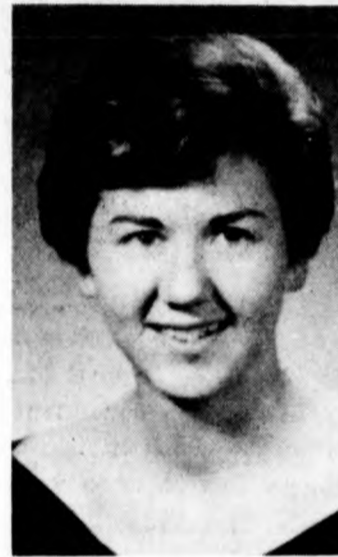

Mrs Dora Lowrey is a patient at the Owosso Memorial Hospital. Mrs Dorothy Kaspar of Detroit and Mrs Margaret Edwards of St. Johns spent the weekend with their sister and family, Mrs Sidney Keys.

4-H is an investment in future security. Boys and girls from 9 to 19 learn to be self-sufficient through project work ranging from cooking and sewing to photography and electronics.

Miss Waggoner Alma graduate

ARLENE WAGGONER

ELSIE— Arlene Kay Waggoner received a bachelor of arts degree from Alma College Saturday morning on the lawn of Dunning Memorial Chapel with Gov. George Romney giving the commencement address.

Arlene is the daughter of Mr and Mrs J. Rex Waggoner of rural Elsie. She received a scholarship upon graduation from Elsie High School and continued it all four years of college by maintaining at least a "B" average. She is a member of Phi Omicron Sorority and during her senior year was student council representative from Gilston Hall.

She majored in Spanish and English with a minor in physical education. She was a member of the Spanish Club, Choral Union, Woman's Athletic Assn. and played on the college basketball team and intramural teams which include volleyball, basketball and softball.

A member of the college paper, "Almanian" staff during her first two years of college, she worked as secretary in the administration office and language laboratory.

Miss Waggoner will teach Spanish and English at Essexville, a new non-graded school.

The Methodist WSCS will hold its regular meeting, Wednesday evening, June 2, in the MYF Chapel for installation of the new officers with Mrs C. S. Goodrich in charge.

Seaman James F. Horn, son of Mr and Mrs Glenn F. Horn of Elsie graduated May 28 from Fire Control Technician School at the Naval Training, Great Lakes, Ill.

Included on the Lansing Business University Dean's List was Rozene Morley of 114 East Elm Street in Elsie.

Reviews highlights of state Federation meet

ELSIE — Highlights of the Michigan State Federation of Women's Clubs were pointed out by Mrs Sidney J. Keys at the final meeting of the Woman's Literary Club in the Elsie High School Tuesday evening.

The state convention was held last month at Kalamazoo with sessions at the Civic Auditorium, Harris Motor Inn and Western Michigan University Union building. Mrs Keys was a delegate from the local club as well as the Clinton County Federation, where she also gave a comprehensive report a week ago.

MRS KEYS reviewed talks by such speakers as Mrs Zato Schroeder, chairman of the G-FWC educational department; Miss Lucille Kepplinger, legislative assistant to Governor Romney; James Miller, president of WMU; Mrs Walter Magee, second vice president of the GFWC; and Dr Cleo Dawson, psychologist from the University of Kentucky.

Their subjects ranged from education, school dropouts, Girlstown and federation to plans for the 75th Diamond Jubilee of Service and Freedom of the GFWC and such resolutions as control of objectionable literature, better library service, care of mentally ill children and highway safety that are backed by the federated clubs.

MRS KEYS displayed posters and literature concerning these topics and distributed materials pertinent to Girlstown and other federation programs.

Mrs Earl Seybert Jr. presided for the business session. Reports on the local club's participation in various activities were given: CARE: Friends of the Library; Citation from the American Cancer Society; village collection of \$446.15 for the Cancer Drive; flower committee rules and regulations; stamp books for Loch Rio; Congressional Medal of Honor Grave donation; and items of business to close the year's club work.

MRS G. W. BENNETT, program chairman for the 1965-66 season, distributed quiz sheets that will aid the committee in program planning. All members

are requested to complete the form and return as soon as possible.

Mrs Bennett also read a letter of appreciation from president Mrs Paul Platner, who was unable to attend because of a trip to Kansas. Mrs Platner expressed her thanks for the fine cooperation of the members and asked for continued support during her second year.

A SOCIAL HOUR followed with guests seated about a long table that featured an "angel tree" centerpiece brought by Mrs Keys from the MSPWC at Kalamazoo and also place mats and folders pertaining to Loch Rio, Girlstown project of the state federation.

Serving refreshments were Mrs Seybert, Mrs Howard Pelter and Mrs Keys.

Mrs Charles Bashore underwent surgery at the Owosso Memorial Hospital a week ago. She had just returned home from spending several weeks with her son and wife, Mr and Mrs Clark Bashore at Gulliver in the upper peninsula.

Mr and Mrs Paul Platner have returned from a five-day trip to Fort Riley, Kansas to visit their son, Pfc. Duane Platner. They were all Sunday dinner guests of Spec. 5 Raymond Corley and family.

The Platners enjoyed tours of nearby points of interest with their son, who has been stationed at Fort Riley since August, 1964. Previously he was stationed at Fort Knox and also received further schooling in Georgia.

On the way to Fort Riley, the Platners visited Supt. Robert Schrouf and wife at Lone Jack, Kan. Supt. Schrouf was school principal on the island of Guam when their older son, Cleon Platner was stationed there.

Mrs A. W. Cobb and Mrs S. J. Keys were guests of Mrs Kenneth Jones at the final program and breakfast of the St. Johns Morning Musicales Thursday morning.

The Cooperative Extension Service and the US Department of Agriculture direct 4-H club work throughout the 50 states and Puerto Rico.

Lightning Sets Fire to Donald Arrington Home

St. Johns firemen swarm over the Donald Arrington home on Price Road east of US-27 after a bolt of lightning set fire to the home last Wednesday afternoon during the tornado scare in Clinton County. The fire gutted the upstairs bedrooms of the home, and extensive water damage was suffered downstairs. Firemen listed damage of \$800 to the house and \$500 to contents. No one was at home at the time.

Students honor EHS principal

ELSIE — Ralph L. Stull, principal of Elsie High School, began teaching 53 years ago in Monroe County. This month he will retire from education.

Last week, the students of grades 7 to 12 of EHS assembled for a "This is Your Life" session, reuniting Stull with his former colleagues, friends and family.

Dee Washburn, Dennis Baese, Gary Bashore and Mary Brady ran the hour long program, the climax of which was the presentation of a polaroid camera which was used to record the program.

Ray Dennis, superintendent of Corunna Schools and a former student of Stull's at Corunna was present, as was Earl Lancaster, former superintendent of Corunna while Stull was principal there.

William Beach, former Elsie superintendent; Mark O'Donnell, Elsie High School coach; Mrs Neva Bouck, office secretary; Earl Seybert Jr., Ovid-Elsie assistant superintendent; and Supt. Robert Beauchamp, were also present and spoke.

Mrs Thelma Rule, a co-worker of Stull, was responsible for the script for the program.

Elect new officers of Jolly Pioneers

ELSIE — The Jolly Pioneers 4-H Club, led by Mrs Russell Libey, held its meeting at her home Tuesday.

The new officers elected were James Roof, president; Lynda Libey, vice president; Georgia Goscinski, secretary; Carol Lewis, treasurer; Sonja Goscinski, news reporter; Mary Temple, song leader; and Alan Cobb, recreation leader.

Plans were made for the following meetings and the date set for 4-H Camp. The meeting was adjourned and refreshments were served by the Libey's.

Daughters hold parents' night

ELSIE — Monday was Parents' Night for the International Order of Job's Daughters at the Ovid Bethel with Alex Dunay of Bannister as associate guardian for his daughter, Patricia, honored queen. There were 20 daughters and 18 parents present.

Among the future installations announced were Okemos and Flint No. 54, June 5; Mount Pleasant, June 11; New Lothrop, Owosso, DeWitt and Flint No. 14, June 12; Saginaw, June 14; Ovid and Corunna, June 19.

It was voted to have a bakeless bake sale on June 14 when dues must be paid. On that date the girls will honor their two graduates, Kayla Sloat from Ovid High School and Patricia Dunay from Ashley High School.

Tentative plans were made for

a D. J. dance at the VFW Hall on Sept. 18 in Ovid.

Remarks were made by Sarah Lott and her father, Arley Lott and Mrs Rose Gardner, expressing appreciation for the arrangements and program on "Sarah Lott Night" reception.

At the close of the betel, refreshments of punch, coffee, jello and cookies were served with a decor of lavender and white in the dining room with Mrs Brenda Mead and daughter, Beverly, Nancy Cross and Joy Miller in charge.

Safety patrol goes on trip

ELSIE — Early American history came to life for nearly 50 boys and girls of the Knight Elementary School Tuesday when they visited the 200-acre Greenfield Village and Henry Ford Museum for the annual trip of the safety patrol.

This was the ninth year for Mrs Ila Thornton as patrol sponsor. She was accompanied by room mothers, Mrs Sidney Keys, Mrs R. P. Lannen, Mrs Norval Thornton, Mrs Tony Fabus and Mrs Norman Blakely.

The group left Elsie at 7:30 a.m. in a school bus driven by

Clark Curtis. Arriving at Dearborn, they first toured the 14-acre museum where each of the mothers was assigned eight boys and girls for the tour.

At noon they ate sack lunches at the indoor picnic area in the museum where they also purchased souvenirs.

The afternoon was spent in the Village where they saw the Martha-Mary Chapel, Clinton Inn, general store, historic homes, floral clock and covered bridge, among other things.

They left Dearborn at 3:30 p.m., stopping for snacks on the way home, arriving at 6:45 p.m. The annual trip is a reward for faithful service during the school year in helping schoolmates at hazardous crossings nearby.

Blue Star Mothers write to servicemen

ELSIE — The May meeting of the Blue Star Mothers of Elsie was held at the home of Mrs Ralph Long in Ashley.

Reports of service were given. There were 12 boys who entered the US armed forces in the past year. During that time, 232 letters were written and \$15.76 spent for them by the Chapter.

There are only 13 women who are active members of the group. They spent seven hours in civic

meetings and one participated in the work.

The chapter reported \$23 raised on sale of miscellaneous articles during the past month.

Use what's in your hand, Elsie seniors told

ELSIE — "What is That in Thine Hand?" from the book of Exodus was chosen by the Rev. E. E. Crouser of the Free Methodist Church as the text for the baccalaureate sermon Sunday night, as he spoke before the 80 members of the Elsie High School graduating class and their families and friends.

He admonished them to use their God-given talents to do for others. He cited many examples of men and women in the Bible who used "what they had in hand," whether it be large or small, to make this a better world in which to live.

The Rev. Edward Tillitz of the Banister Methodist Church gave the invocation and the Rev. Burdette S. Clark of Chapin Methodist Church gave the scripture reading.

"Jesus, Son of God" and "Rejoice to the Lord" were sung by a high school quintet composed of Kathy Kindel, Kay Acre, Susan Keck, Patricia Dennis and

Carol Price. They were accompanied at the piano by Jennifer Keys, who also played the professional and recessional.

The Rev. Fr. Clarence Smolinski of St. Cyril's Catholic Church pronounced the benediction.

Miss Wiedenhofer to wed this month

ELSIE — Mr and Mrs E. P. Wiedenhofer of Houghton have announced the engagement of their daughter, Carol Ann, to David E. Horne, formerly of Elsie. He is the son of Mrs Barbara Horne of Big Rapids and Eugene A. Horne of Miami, Fla.

Miss Wiedenhofer and her fiancé are graduates of Michigan State University where she affiliated with Alpha Omicron Pi. She is teaching in Midland and he is attending the University of Michigan.

The couple is planning a June 19 wedding.

Prayer and life within is topic for Ruth Circle

"Prayer and the Life Within" was the program presented to the Ruth Circle by Mrs Harold Haught as they met at the home of Mrs Edward MacKinnon. Devotions were given by Mrs Fred Hughes.

A cooperative luncheon was served to 12 members and one guest at 12:30 p.m. by the hostess and co-hostess, Mrs Donald Bashore.

THE BUSINESS meeting was conducted by the chairman Mrs Haught. Officers for the new year were announced as follows: Mrs Walter Nickel, chairman; Mrs Wilbur Brandt, co-chairman; Mrs Glenn Osgood, secretary; and Mrs Donald Bashore, treasurer.

A small gift was presented to Mrs Lester Biled from the circle.

Wakefield article in Courthouse Review

An article on the history of the Clinton County Courthouse by County Clerk Paul Wakefield is featured in the May issue of the Michigan Courthouse Review, published by the Michigan State Assn. of Supervisors. A large picture of the courthouse takes up the front cover of the magazine.

4 minor crashes reported over long weekend

A number of minor accidents were reported to state, county and city police over the Memorial Day weekend, but none resulted in injuries.
Ronald R. Schafer, 25, of 304 E. Railroad Street, and Irene E. Brooks, 42, of 204 W. Buchanan, both of St. Johns, were drivers of cars involved in a minor collision Tuesday morning on Railroad Street. Mrs. Brooks reportedly started from a parked position behind the Schafer car, rocked in a hole and slipped off a tree limb into the other car.
IGNACIO Martinez, 17, of 803 Church Street, and Nella G. Griffith, 44, of 802 Church Street, each were backing their cars out of their driveways Friday afternoon and backed into each other. No one was hurt.
At 4:25 p.m. Friday cars driven by Janet K. Griffith, 19, of 802 S. Church, backed from a parking space and was hit in the left rear by a car driven by William F. Michalek, 16, of 504 Wight. Michalek told city police he came around the corner from the south and couldn't stop in time. The accident happened on Maple Street in front of the county education building.
MONDAY evening a car driven by Margaret L. Bishop, 37, of 518 E. Main Street, Maple Rapids, was hit from behind on DeWitt Road while she was stopped to make a left hand turn at Townsend Road. Her turn signals were on, and sheriff's officers verified they were working.
The driver of the other car, Glen L. Laing, 54, of 523 W. Paulson, Lansing, was ticketed for driving under the influence of liquor. He was free on \$300 bond pending a court hearing.
Whether youngsters are mechanically or artistically inclined... from the country to city... 4-H has something for them. More than 30 different programs are geared to boys and girls between 9 and 19 years old.

**Rodney B. Wilson
High School
Class of 1965**

**Arrest woman
on arson count**

Mrs Marilyn Redmond of 5820 Clark Road, Bath, was charged by state police last week with arson in a Feb. 20 fire which destroyed the Redmond car.

She was the third suspect arrested in the alleged plot to burn the car to collect insurance money. Her husband, Donald Redmond, 30, and Jerry McAttee, 23, of 6550 Jackson Court, Park Lake, were arrested earlier on the same charge.

Mrs Redmond demanded examination before Justice of the Peace Gordon Willyoung and was freed on \$250 bond. Redmond pleaded guilty to the charge earlier. McAttee waived examination and faces arraignment in Clinton County Circuit Court.

**B and B Study
group meets**

The B and B Extension Study group met at the home of Mrs Guy Dutcher on Friday May 28, with 12 members and two visitors present.

The business meeting opened by all repeating the Women's Creed in unison. Roll call was answered by each one telling of their happiest day in May.

APRONS AND pies were solicited for the 4-H Fair in August. Mrs August Barnes of St. Johns brought out cancer dressings and 93 were made in the afternoon. Miss Betty Ketcham was present and took some pictures which she will use in her annual report. This meeting will be the last until September. Ten members are planning on going to Greenfield Village June 15.

City Brevities

Mr and Mrs Clyde Rennie of Grand Rapids spent Saturday with her aunt, Mrs Sarah Ross.

Mr and Mrs A. T. Engman of Wyoming, Mr and Mrs A. O. Ingersoll of East Lansing and Mrs Elizabeth Hopkins and Miss Marguerite Bernard of Grand Ledge were Sunday guests of Mr and Mrs M. J. Ingersoll of Eureka.

Airman I.C Thomas Bushre and his wife left Tuesday for Lincoln, Neb., after having spent a week with their parents, Mr and Mrs Harold Pohl and family of St. Johns and Mrs Ethel Bushre and family of Eureka.

M. Sgt. Harold Pohl Jr. and his wife arrived Friday from Omaha, Neb. to spend a month with their families, Mr and Mrs Harold Pohl Sr. and Mrs Arthur Fernholz. On June 29 they will leave for a two and one-half year stay in Turkey.

Mrs Lula Boak was visited by Mrs Vernon Benjamin and children Friday afternoon. Monday, Mrs Boak's granddaughter, Judy Benjamin, entered an Ann Arbor hospital for surgery on a later day.

Mr and Mrs Vernon Sharick and daughter Nancy were in Columbia, Ky. over the weekend. Their daughter, Bonnie, who finished her freshman year at Lindsey-Wilson College, returned home with her parents for the summer vacation.

Mr and Mrs Ralph Tomasek and girls of Warren were weekend guests of their parents over the weekend. Sunday they, together with Mr Hustin went to Vanderbilt for the day.

Area 8 et 40
Clinton County Salon No. 581 of the 8 et 40 met at the home of Mrs Robert Conn.

The mystery package was won by Mrs John Hall and at the close of the meeting, refreshments were served by the hostess and a social hour was held.

MILDRED STOCKWELL

Mildred Stockwell, daughter of Mr and Mrs Oscar Stockwell of 706 Church Street in St. Johns, has been selected by Bethel College and Seminary in St. Paul, Minn., as a summer student missionary to Guatemala.

Miss Stockwell, a sophomore at the college, and Roger Waldenstrom, a junior from Tacoma, Wash., will be working in a Guatemalan clinic and radio station, respectively.

CHOSEN AS one of eight participants in Bethel's student missionary program, she will leave for her field in early June and will return at the end of August.

This program is sponsored by the student body and faculty of both the college and seminary and is intended to give students already interested in missions a deeper understanding of what it means to be involved in missions in a practical way.

Electricity is used on 98 percent of the farms in Michigan, an indication of the high standard of living enjoyed by Michigan farmers.

Announcements

The St. Elizabeth Guild of St. John's Episcopal Church will meet at the farm home of Mrs Robert Ward Monday, June 7, at 1 p.m. Potluck will be served and the hostess will furnish coffee and rolls.

Olive Grange No. 358 will elect officers at its meeting Friday evening June 4, at the home of Mr and Mrs Gerald Pope. A Father's Day program is planned and potluck will be served after the meeting.

Daily Bible School will be held at the Eureka Congregational Church June 7 to 11 from 9 to 11:30 a.m. Parents are to bring the children the first morning. Bus transportation will be furnished thereafter. The classes, for children of all faiths, are sponsored by Glenn Perry, superintendent of Bible Mission.

The regular meeting of the Lowe WSCS will be held one week late on Thursday, June 17, at 1 p.m. at the home of Mrs Dale Anderson.

The annual meeting of the Clinton Memorial Hospital Auxiliary will be held Thursday, June 10, at 7:30 p.m. There will be a capping of the Candy Strippers and entertainment by the First Nighters. Tickets can be obtained from members of the Auxiliary Board or at the door.

The St. John's Lutheran Ladies Guild will hold its final meeting of the season Thursday, June 3, at 8 p.m. in the church basement. All members were urged to attend as there will be an election of officers.

PEWAMO—The Pewamo merchants' baseball team opens its league schedule Sunday, June 6, by playing Lakeview at Pewamo. New uniforms, purchased by the

merchants, will be worn for the first time.

Memorial program held for Grangers

Mrs Henrietta Cushman, chaplain, had charge of the DeWitt Grange Memorial program May 28.

A poem, "Memorial Day," was read by Mrs Allen Stampfy. A reading, "Flowers for the Brave," was read by Mrs Albert Yanz; and a reading, "Memorial Day," was given by Mrs Oscar Johnson. A duet, "Nearer My God to Thee," was sung by Mrs Chester Raby and Mrs Robert Moots, then Mrs Henrietta Cushman deposited flowers at the altar in memory of departed Grangers while taps were played by Mrs Russell Sibley.

Miss Evelyn Putnam to be feted at tea

Miss Evelyn Putnam, kindergarten teacher at Swegtes Street School, will be the guest of honor at a retirement tea Tuesday, June 8, from 3:30 to 4:30 p.m., sponsored by the Parent-Teacher Association.

Former students that would like to visit with her are welcome.

2 youths jailed for beer possession

Two youngsters felt the sting of Clinton County's new mandatory fine and jail term provisions for minor caught in possession of beer.

Receiving fines of \$25 plus \$19.90 costs and three days in the county jail were: Ronald Solberg, 19, of 231 E. Shaw, East Lansing, and Maurice J. Lybber, 18, of Alma. They were arrested June 1 and appeared before Municipal Judge Alba Wert.

DIANE ELAINE THELEN

Mrs Bernita Thelen has announced the engagement of her daughter, Diane Elaine, to Larry J. Theis, son of Mr and Mrs Herman Theis of Fowler. The bride-elect is the daughter of Mrs Thelen of Westphalia and the late Frank Thelen. Aug. 4 is the date that has been set for the wedding.

Ice cream social committees chosen

The meeting of the County 4-H Service Club was held on Saturday evening, May 15, at the home of Dennis Whitlock.

The flag pledge and the 4-H Club pledge were led by Diana McQueen and Wilma Clark. Ideas for a project on Michigan Week were discussed and the new members were asked to introduce themselves. Committees for an ice cream social which will be held on June 26 were also selected.

Following the meeting, the informal and formal initiation was held and refreshments were served by Delia Davis and Sandra Dershem.

PACK 272

Johns in giving their time and cooperation to the pack the past year.

Blue Star Moms see movie on flag of USA

Chapter 88, Blue Star Mothers of America, held their regular business meeting at the Municipal Building last Tuesday, May 25.

Following the usual opening ritual, the hospital chairman, Mrs Joe Orweller, reported several bids had been made for the Veterans Hospital at Grand Rapids. The ways and means committee recently served a wedding dinner.

A LETTER was read pertaining to the rules for use of the Municipal Building room.

Following the meeting Harold Shipley presented an Americanism Program which was a Film, "The Flag of the USA."

A White Elephant auction was held with Mrs Rudy Masarik acting as the auctioneer.

THE MYSTERY Package was drawn by Mrs Leo Henning.

Refreshments were served by Mrs Fred Tolles, Mrs Gilford Pease, Mrs Sarah Ross and Mrs John Pierson.

The four-leaf clover emblem of 4-H Clubs was developed in Iowa by O. H. Benson in 1911. Using Head, Heart, Hands and Health to the best of one's ability is the foundation of 4-H.

Cub Scout Pack 272 of Central School met at the St. Johns City Park for a potluck supper on May 23. Forty-five Cub Scouts and their families were present for the wiener and marshmallow roast. Den 3 won the "cubby" for having the most parents present.

Charles Frost of the civil defense office provided the entertainment with his movie on "Artificial Resuscitation." A demonstration with "Resus-Annie" was also shown the pack.

THIS WAS the last pack meeting for 272 until September. The three dens, under the leadership of Mrs Lee Snell, Mrs Joan Devereaux, Mrs Shirley Frost, Mrs Jean Anthes, and Mrs Donna Lattimer will meet with the Cubs once a month until school resumes in the fall.

The past month the boys and their den mothers have been guests of the St. Johns Water Department, Post Office, Fire Dept., Radio Station, WJUD; Clinton County News, Sheriff's Department, Pierce Bakery, and Howe's Greenhouse.

On May 28, the Blue Star Mothers of St. Johns presented the pack with a new 50-star American Flag.

THE PACK, with 16 Cub Scouts present, marched as a unit in the Memorial Day Parade.

The pack expressed its thanks and appreciation to the Blue Star Mothers, and to the business places and other concerns of St.

New Standard Oil Dealer

Al Schafer of Pewamo, left, receives a diploma from R. F. Johnson, training manager for Standard Oil Co., certifying his successful completion of a three-week dealer training course conducted at the American Oil Co.'s training center in Detroit. Schafer will operate a station at Main and State streets in Pewamo. He and his wife Doreen live at 155 E. Washington Street. The school included all phases of service station operation.

Memorial Day fete reunites residents

EAST HUBBARDSTON—The Decoration Day dinner was attended by East Hubbardston residents and persons from many other Michigan cities. Hattie Sturgis moved away with her parents when a girl in the fourth grade, and returned as a grandmother.

Others attending were Hilda Root and daughters, Edna Lozo of Lansing and Alice Cote of Battle Creek; Mrs. Andy Brown and son, Grant of Detroit; Mrs. William Yates of Midland and daughters of Charles S. Langdon.

Mr and Mrs William DeByle of Comstock Park were present, as were Mr and Mrs Ben Smith (Ira Gilboe) of Ionia, and her sister, Mrs. Leela McBride of Pontiac. Among others were Mrs. Fern Simmons of Monroe; Mrs. R. L. Hotz and Marian Hillbrandt of East Lansing; her sister, Iva Rogers; Mr and Mrs Perry Howard, Miss Ruth Howard and Mrs. Harriet Howard of Ionia who were visiting Iva and Ira Peck; Mrs. Mary Barrone who has spent a week at her home making a garden; Mrs. Ernest Grill and daughter, Virginia, of Lansing; Miss Esther Terwilliger of Portland; Helen Cusack of Belding; Helen and Marjory Smith of Lansing; Mr and Mrs Roy Owen of Ionia; Mrs. LaVerne Knowles of

Carson City; Mr and Mrs William Hills, Sharon, and Janeen of Mason; and Mrs. Morwood Cranston and Mr and Mrs Gordon Clark of Grand Lodge.

After dinner, a parade was formed at the Village Park to march to the East and West side cemeteries with the American Legion in uniform, carrying flags and guns; two bands, drums and bugle corps; boy scouts and several ball teams; pony riders and the queen's float decorated in white, with red popples.

Carolyn O'Grady as queen wore a crown with red popples and a white dress and was surrounded by several little girls in colorful attire.

On the bridge, the parade halted for services to honor the deceased sailors, then proceeded through the town to the park.

Walter and Esther McDermott of Chicago called on John Fitzpatrick Sunday and Larry Bowens of Portland.

Linda D'Amore left Detroit Sunday, May 30, by plane, to spend a month with relatives in New York.

Mr and Mrs Alfred Tait and family of Garden City spent Saturday and Sunday visiting Mr and Mrs Virgil Tait, Mr and Mrs Cecil Tait and Mr and Mrs D'Amore.

Taste improves, outdoor barbecue fans contend

Outdoor barbecue fans may have the answer to the question, "How does all that flavor get through all that charcoal?"

Some 300 Jackson residents participating in a study of charcoal buying and grilling habits last year mentioned improved flavor as the biggest advantage of cooking with charcoal.

OUTDOOR cooking was done by 83 per cent of the residents surveyed, says Anita McMillan, Michigan State University agricultural economist. About one-half of the residents used charcoal once weekly.

Nearly all charcoal users had facilities in their yards for charcoal cooking. Only 4 per cent cooked indoors with charcoal.

Non-users of charcoal, according to Mrs. McMillan, tended to have lower incomes, smaller families or grown families and were generally older than charcoal users.

CHARCOAL buying was predominantly a female task. Steak, hamburger, hog dogs and chicken were the foods grilled most frequently. The majority of charcoal purchases were made in 10-pound bags.

More than one-half of the residents felt charcoal cooking was quite expensive. And women tended to view charcoal cooking as being less expensive than did men.

Popularity in cooking with charcoal seems to have grown in recent years, according to Mrs. McMillan. Just as many charcoal users had been grilling for less than eight years than for longer periods. Only 20 per cent had used charcoal more than 10 years.

MEN MOST often lit the charcoal and often did much of the cooking. Fluid lighters were the most popular starting agent.

Heavy charcoal users seemed satisfied and had few problems, adds Mrs. McMillan. "But the light users found charcoal hard to light, were upset about the resulting smoke and usually failed to wait long enough before starting cooking," she says.

Charges of manslaughter have been filed against Roger G. Dowell of 15408 Park Lake Road, Bath, in the death May 22 of his former brother-in-law, Charles E. Brown.

Brown was found on the lawn of Dowell's home last Saturday morning after Dowell's wife had called state police to report a "drunk" lying there. He died minutes after being admitted to Sparrow Hospital, the cause of death being shock resulting from neck and head injuries.

DOWELL surrendered at Lansing police headquarters last Friday morning and was accompanied by his attorneys. He demanded examination when appearing before Municipal Judge Charles N. Murphy. Tentative examination date was set for today (Thursday) at 9:30 p.m., and Dowell was freed on \$500 bond.

Police say Dowell dumped Brown on his front lawn early the morning of May 22 after punching him in an alley in Lansing.

DeWitt Bethel obtains gavel

DeWITT— DeWitt Job's Daughters held Friend's Night last Thursday. At this time the Charlotte Bethel passed a traveling gavel to the DeWitt Bethel. This gavel was given to the Michigan Job's Daughters by the California Job's Daughters. It is to be used in a Bethel meeting and passed on to another Bethel. It will also be used at the Grand Bethel Session in Grand Rapids in June. Special numbers were given by Debbie and Sandra Rummell on their flutes and a piano solo was given by Debbie Taylor. Christine Zeeb has been appointed grand representative to the State of Delaware by the Grand Bethel for the coming year. Job's Daughters will hold advanced officers night Thursday, June 3.

500 Miles on A Bicycle

Riding a bicycle to school isn't anything new, but when you ride it on a three-mile round trip every day of the school year—winter included—that is new. Charles Geller, 13, son of Mr and Mrs Stanley Geller of 3541 W. Price Road, pedaled to school at Merle Beach 180 days this year. That 1 1/2 mile trip, one-way, amounted to 540 miles of bicycling this year for Charles. His mother said he was determined to ride all the time and during the winter even rode to school one day only to find it had been called off because of bad weather. Charles is in the sixth grade at Merle Beach.

49 graduates at DeWitt named

DeWITT— Here are the 1965 seniors who graduated from DeWitt High School May 25 (additional story on Page 1-A):

Allen Warren, William Tingay, Richard Overholt, Michele Keefer, Lee Ann Little, Patricia Logan, Ronald Miller, Cecilia Parks, Larry Pasch, Paul Phillips, Nancy Potts, Frederick Rach, Richard Reust, John Ruiz, Maria Ruiz, Debrah Rummell, Daniel Ruzmek, Linda Slater, Nancy Smith, Jean Strait, Larry Suet, Jane Walter, Leonard Ward, Wendel Wardell, William Wedel, Patrick Weston, Janis White, Gaye Ann Wilcox, Jon Wilcox, Marilyn Wilcox and Christine Zeeb.

vath, Ellinor Hudson, Michele Keefer, Lee Ann Little, Patricia Logan, Ronald Miller, Cecilia Parks, Larry Pasch, Paul Phillips, Nancy Potts, Frederick Rach, Richard Reust, John Ruiz, Maria Ruiz, Debrah Rummell, Daniel Ruzmek, Linda Slater, Nancy Smith, Jean Strait, Larry Suet, Jane Walter, Leonard Ward, Wendel Wardell, William Wedel, Patrick Weston, Janis White, Gaye Ann Wilcox, Jon Wilcox, Marilyn Wilcox and Christine Zeeb.

week in northern Canada, fishing. Mrs Helen Spayde of Saginaw called on her mother, Mrs Mary Reed, her sister, Mrs Norman Savage, and her brother, Donald Reed, on Tuesday.

Jack Enderle of Dill Road and a teacher in the Sheridan Road School is ill with infectious hepatitis and will be confined to his bed for several weeks.

Mr and Mrs John Reust hosted a graduation party for their son, Dick, on Sunday.

Picnic is planned by Afternoon Club

DeWITT— Mrs George Baird was hostess to the Thursday Afternoon Club May 27. She was assisted by Shirley Ondreas who won the mystery prize. Laura Reed won high prize at euchre and Muriel Ross, low.

The June meeting will be one week early, June 17, with a picnic at Jack Pine Lodge. Dinner will be served at noon with Evelyn Rhorer as hostess, assisted by Mrs Allen Stampfy.

DeWitt OES will meet Friday, June 4, at 8 p.m. Four Clinton County men, Gaylord Ward, Leo Hanson, LaVern Silm and Eugene Thelen, left by plane Thursday morning for Winona, Minn., where they visited the Watkins plant and experimental farms as the guests of the company. They returned home on Friday afternoon.

The DeWitt Methodist Church will begin its summer schedule on Sunday, June 6. Church school will be at 9 a.m., worship service at 10 a.m. and no evening services. This schedule will run through June, July and August.

Mr and Mrs William Walter held open house Tuesday evening, May 25, for their daughter, Jane who graduated that evening. Miss Walter has been accepted by the Mercy School of Nursing.

John Reust has returned from

Gunnisonville

By Mrs Lou E. Fritz

Senior Choir holds cookout

GUNNISONVILLE— Mr and Mrs Allen Cable of Chandler Road, were hosts Friday evening, May 28, at a cook out for the members and their spouses of the Senior Choir of Gunnisonville Church who will be vacationing from choir practice until fall.

Because of the chilly weather they cooked outside but ate in the house. Following the supper, all joined in a hootenanny to the "pickin'" of a banjo uke, guitar and bass by Marv Rhynard, Al Hartman and Ted Powell.

Guests included Mr and Mrs Marvin Rhynard, Mr and Mrs Ted Powell, Mr and Mrs John Betts, Mr and Mrs Merl Trowbridge, Mr and Mrs Alva Hartman, Mrs Gladys Balduf, Mrs Ralph Green, Miss Susan Green and Ed Homer.

Birthday Club honors member

GUNNISONVILLE— Mrs Charles Fritz was the honored guest of the Kith 'n' Kin Birthday Club Monday evening, May 24, when they met at the home of Mrs Alva Hartman.

Mrs Fritz received a pair of dacron pillows, a pair of pillow cases, three lunch cloths and an apron as a group gift from the club. She received a tube of lipstick and perfume from her secret pal.

Yardley was in play during the evening. The biggest numbers of Yardleys and low score were won by Mrs Clyde Smith, high score, Mrs Arnold Gross, and door prize, Mrs Max Pierce. Each received a wood fiber flower centerpiece and Mrs Smith received a corsage for low score. The flowers were made by Mrs Hartman.

The hostess served a buffet luncheon of diet foods. Other guests included Mrs William Shaver, Mrs Clint Wright, Mrs Ron Parkinson of Lansing, Mrs Florence Wickham, Mrs Kenneth Bunge of St. Johns and Mrs Ernie Fritz.

The June hostess will be Mrs Kenneth Bunge of St. Johns.

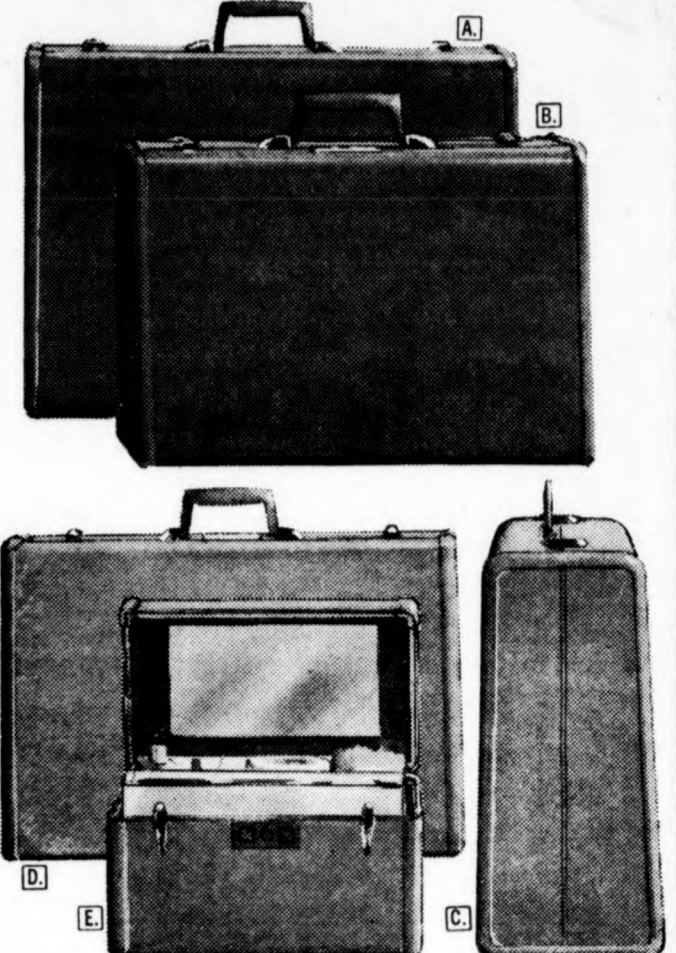

Jailed for driving on revoked license

Donald L. Gaw, 24, of Battle Creek, was found guilty of driving while his license was revoked and was fined \$25 plus \$19.90 last Friday and sentenced to 17 days in jail, with 15 days to be suspended upon payment of fine. He was arrested by state police. Justice Gordon Willyoung heard the case.

Grand Rapids was the first city in the world to flouridate its water supply.

Imagine! A Gift of Samsonite for \$14.95

NOTICE OF ELECTION

THE ST. JOHNS PUBLIC SCHOOLS
of Clinton County, Michigan

Notice is hereby given that on

Monday, June 14, 1965

The Annual Election will be held in the St. Johns Public School District, in the County of Clinton, and State of Michigan, at the five (5) voting precincts as described below, for the purpose of electing two (2) members of the Board of Education, one for a four (4) year term, and the other for a two (2) year term.

The Candidates for the Four (4) Year Term Are:

- DONALD BAST
- KENNETH MUNGER

The Candidates for the Two (2) Year Term Are:

- ALDEN LIVINGSTON
- WILLIAM McCARTHY

The five voting precincts as determined by the St. Johns Board of Education shall be as follows:

Precinct No. 1—All of Bingham Township including the City of St. Johns, those portions of the former Rowell, Wildcat, and Serviss Districts which lie in Ovid Township, and all of that portion of Bengal Township which now lies in the St. Johns School District.

The place of voting for Precinct No. 1 will be in Room 113 of the Rodney B. Wilson High School, West Cass Street, St. Johns, Michigan.

Precinct No. 2—All of that portion of Essex Township now in the St. Johns School District, plus that portion of the former East Essex School District which extends into Fulton Township, Gratiot County.

The place of voting for Precinct No. 2 will be in the East Essex School.

Precinct No. 3—All of Greenbush Township, and including those portions of the former East Essex School District and the Union Home School District which lie in Washington Township, Gratiot County; all of the former Church District in Washington Township, Gratiot County; all of the former Page School District which lies in Greenbush and Duplain Township, Clinton County, and Washington and Elba Townships, Gratiot County; and that portion of the former Rowell School District which lies in Duplain Township.

The place of voting for Precinct No. 3 will be the Eureka School.

Precinct No. 4—All of Olive Township and including the former Cedar Lake School District in Victor Township, and that portion of the former Price School District which lies in Victor Township.

The place of voting for Precinct No. 4 will be the Olive Center School.

Precinct No. 5—All of that portion of Riley Township now in the St. Johns Public School District, plus those portions of the former Simmons, South Riley, Kincaid and Clark School Districts which lie in Watertown Township; and that portion of the former Kincaid School District which lies in Westphalia Township.

The place of voting for Precinct No. 5 will be at the Riley Town Hall, corner of Francis and Pratt Roads.

The polls at all voting places will be open from seven o'clock a.m. (7:00 a.m.) until eight o'clock p.m. (8:00 p.m.) on the fourteenth day of June, 1965.

This notice is given by order of the Board of Education of said school district.

MRS PAUL HARR

Vows of Thelen-Harr repeated in Fowler

The marriage of Miss Mary Ann Thelen and Paul Harr took place in Holy Trinity Church in Fowler Saturday in front of an altar which was decorated with mums and white and yellow gladioli. Parents of the couple are Mr and Mrs Urban J. Thelen of St. Johns and Mr and Mrs Edwin Harr of Fowler.

The bride, wearing a Chantilly lace and organza taffeta gown, styled with a full skirt and chapel train, was escorted to the altar by her father. Her illusion veil fell from a half hat of lace leaves and seed pearls and she carried a cascade bouquet of yellow sweetheart roses, white carnations and snowflake mums.

MISS MARY ELLEN Harr, sister of the groom, was maid of honor. She wore a mint green gown of chiffon over taffeta and carried a bouquet of yellow carnations, white mums and lemon leaves. The bridesmaids, Miss Jane Thelen and Miss Shirley Thelen, sisters of the bride, wore yellow dresses, styled identically to the maid of honor's and carried bouquets of green-tinted carnations, white mums and lemon leaves.

Music was provided by the Fowler Choir, accompanied by

Bernita Halfmann. The bride's brother, Robert Thelen, was best man. The bridegroom's brothers, Robert Harr and Leroy Harr, were groomsmen and ushers were Alfred Halfmann Jr. and John Harr.

PINK sweetheart roses and white carnations made up the corsages which the mothers of the couple wore on their ensembles, Mrs Thelen in aqua and Mrs Harr in beige.

Four hundred persons were present at a reception in the church hall, following the ceremony. Mrs Rosella Lonier and Miss Sharon Figg served the bride's cake and Miss Diane Wieber, Miss Karen Thelen and Miss Marlene Hafner served at the bride's table.

The newly-wed Mr and Mrs Paul Harr will return to Westphalia, following a week-long honeymoon at Niagara Falls and in northern Michigan.

The bride is a 1963 graduate of Fowler High School. Her husband graduated from Pewamo-Westphalia High School in 1962.

Michigan was admitted to the Union Jan. 26, 1837, becoming the 26th state.

Spellers advancing to state

Clinton County's rural spelling champions in the sixth, seventh and eighth grades will participate in the state spelling contest June 8, sponsored by the Friends of Michigan Schools.

Mrs Violet Phinney, teacher at Cedar Lake School who had charge of arrangements for the Clinton County News Spelling Contest April 6, said all three winners have agreed to go.

THEY ARE Lorraine Harger, daughter of Mr and Mrs Edwin Harger of 8105 N. Welling Road, a sixth grader at the Eureka School; Douglas Kurncz, son of Mr and Mrs John Kurncz of R-6, St. Johns, a seventh grader at Sage School; and Barbara Ward, daughter of Mrs Dorothy Ward of 4076 W. Maple Rapids Road, an eighth grade student at East Essex School.

The state contest will be held Tuesday, June 8, at Pottersville Elementary School. A delegation is also reported to be going from the Fowler schools. Mrs Phinney said the County News contest winners will be accompanied to Pottersville by their parents and by Mrs Doris Yallup, the teacher at Sage School.

PATRICIA TRIERWEILER

Sept. 18 has been set as the date of the wedding of Miss Patricia Trierweiler to Kenneth Simon, as announced by her parents, Mr and Mrs Leonard Trierweiler of Westphalia. The prospective bridegroom is the son of Mr and Mrs Julius Simon of Pewamo.

Projects in 4-H develop leadership, skills and confidence through demonstrations, exhibits, contests and tours.

MR AND MRS JOHN KUSNIER JR

St. Joseph Church scene of marriage

The marriage of Miss Diane Thelen and John Kusnier Jr. was solemnized Saturday, May 15, in St. Joseph Catholic Church by Rev John E. Young. Parents of the bride are Mr and Mrs Carl J. Thelen of R-5, St. Johns, and the bridegroom's parents are Mr and Mrs John Kusnier Sr. of R-2, Elsie.

The bride wore a dress of silk organza and reem brodered Alencon lace with a wide chapel train. A crown of pearls and aurora borealis crystals secured her triple bouffant veil of imported French illusion.

MISS MARY JANE Thelen was maid of honor. Bridesmaids were Miss Shari Cressman and the bride's sisters, Miss Joyce Thelen and Miss Donna Thelen. Miss Margaret Mary Horak was flower girl. They wore gowns of light turquoise taffeta with attached trains of a deeper color. For their headresses, they wore blue crystal crowns with deep blue veiling. The maid of honor carried a pink cascade bouquet, the attendants, one of pink carnations and white mums and the flower girl, a basket of red rose petals. The altar was decorated with pink and white gladioli.

BEST MAN was Joseph Kusnier. Groomsmen were Joseph

Houska, Gerald Kusnier and John Bernath and ring bearer was Lynn Thelen, brother of the bride. Gerald Smith and Gerald Horak ushered.

Mrs Herman Smith was the organist.

Donning a pink and white two-piece suit for her daughter's wedding was Mrs Thelen. The bridegroom's mother wore a two-piece beige dress with brown accessories. They wore identical corsages of pink roses and white carnations.

THREE HUNDRED guests attended a reception at the Elsie Legion Hall where Mrs Jerry Horak, sister of the bridegroom, served a wedding cake. Among the special guests were the bride's grandparents, Mr and Mrs Julius C. Thelen, and the bridegroom's grandparents, Mr and Mrs Alphonse Caudy and Martin Kusnier.

The newlyweds returned May 20 from a Niagara Falls honeymoon and are making their home at R-2, Elsie.

The bride graduated from Rodney B. Wilson High School in 1963. Her husband graduated from Elsie High School in 1959.

Marriage vows read in morning service

The marriage of Miss June Thelen and Larry Lee Thelen was solemnized Saturday, May 22, in St. Joseph Catholic Church. Parents of the bride are Mr and Mrs Clement J. Thelen of Pewamo and of the bridegroom, Mrs Bernita Thelen of Westphalia and the late Frank P. Thelen.

The bride's gown of silk organza over taffeta, featured a beaded bodice and chapel train. Her veil was secured by a headpiece of three roses. A pearl rosary was entwined in her bouquet of white carnations and pink sweetheart roses. The St. Joseph choir sang as she placed a bouquet of white carnations in front of the altar of the Blessed Virgin.

THE MAID of honor was her sister, Miss Karen Thelen, and bridesmaids were Miss Diane Thelen, a sister of the bridegroom, Miss Donna Klein and Miss Kay Schneider. Miss Ann Marie Thelen was a junior bridesmaid. All wore aquagowns with lace bodices. Their headresses matched the gowns and they carried bouquets of white and pink sweetheart roses with blue rosaries entwined.

Roy Thelen was his brother's best man. Lloyd Thelen, the bride's brother, Bernard Simon and Mark Klein were groomsmen and Reynold Thelen, brother of the bridegroom, and Bruce Thelen, brother of the bride, seated the guests.

MRS CLEMENT Thelen donned an oyster white ensemble with pink accessories for her daughter's wedding. The mother of the bridegroom wore a pink crepe dress with a lace jacket and cranberry accessories. Each wore a corsage of pink rosebuds.

Assisting at the reception in St. Mary's Parish Hall in West-

phalia for 450 persons, were Mrs Helen Droste, Mrs Geri Snitgen, Mrs Clarine Klein, Mrs Denise Thelen and Miss Diane Platte.

THE NEWLYWEDS are making their home in Lansing, following a Niagara Falls honeymoon.

The bride and her husband are 1963 graduates of Pewamo-Westphalia High School.

GAYLA FRICKE

Gayla Fricke to get degree

Miss Gayla Fricke, daughter of Mr and Mrs Kenneth Fricke of R-5, St. Johns, will receive her B.A. degree from Albion College on June 7.

She has been a member of Alpha Omicron honorary and Sigma Alpha Iota Music Sorority. A 1961 graduate of Rodney B. Wilson High School, she will teach in the Howell Public Schools next year.

Eldredge-Jegla speak nuptials in Springfield

Miss Dorothy Marguerite Eldredge and Thomas Cyril Jegla were married in Springfield, Vt. Saturday, May 22. The bride is the daughter of Mr and Mrs Stuart E. Eldredge of Springfield. Her husband is the son of Mr and Mrs Cyril Jegla of St. Johns.

The bride wore an ivory peau de soi sheath gown of empire style, an antique silk lace mantilla and carried her grandmother's prayer book, adorned with eucharis lilies and lilies of the valley, the latter from her grandmother's garden.

MISS ELIZABETH Eldredge, her sister, was maid of honor and Mrs Danel Thelen, sister of the bridegroom, a bridesmaid. Their empire style dresses were of silk linen, with golden apricot bodices and skirts of ivory. They carried lilies of the valley and eucharis lilies.

Robert Jegla was his brother's best man and ushers were Danel Thelen and John O'Brian.

The bride's mother was gowned in a dress of Florentine silk brocade and she wore a flowered hat in shades of apricot. The mother of the bridegroom chose a pink ensemble.

A reception at the home of the bride followed the ceremony.

Variety of events on tourist slate

The Michigan Tourist Council lists these events coming up for tourists within the next week: Micro-midget races Friday at Nashville; camping show and clothesline art show, both Saturday at Kalamazoo; Raisin River canoe race Sunday from Deerfield to Petersburg; and the start of a two-week lilac festival next Thursday on Mackinac Island.

MR AND MRS THOMAS C. JEGLA

Bond issue only voting topic in Ovid-Elsie area

Among all the school elections set for June 14, only the Ovid-Elsie Area Schools will not elect board members. Because of the election of an entire new board of education last July, there is no one whose term will expire this year.

An election will be held, however, because of a proposed bond issue of \$200,000 for a swimming pool and outdoor athletic facilities for the new high school. The issue is identical to one that lost

by a slim margin last July; it was placed on the ballot again after the board of education received petitions containing the names of more than 50 per cent of the registered voters in the district.

APPROVAL OF the bond issue at this time will allow the work to be done at the same time as that on the rest of the building, resulting in a lower cost now than later, school officials said.

Since man first inhabited the earth, 77 billion people have been born, with 5.5 billion of them born since 1900, says the Population Reference Bureau. Some 3.2 billion are alive today.

How to set your table with roses every day

Flowers with every table setting? Yes, of course. It's romantic and sentimental...practical and easy. Whether you like your roses in full bloom, or as demure rosebuds...or long stem... you'll find your perennial favorite here. Come and see how Oneida Silversmiths—masters of their craft—have sculptured the magical beauty of precious roses into solid silver for everyday use.

Roses in Sterling

HEIRLOOM[®] STERLING

Nurish
WATER SOLUBLE PLANT FOOD
Makes Plants Flourish

FEED THE MODERN WAY

NURISH Works like magic
THE SECRET—NURISH FEEDS 5 WAYS!
Through Roots—Leaves—Stems—Bark—Branches

- Flowers & Roses — earlier, deeper colored, bigger blooms, sturdier plants.
- Evergreens — deeper richer color —
- Trees — several feedings of Nurish maintain healthy growth.
- Lawns — thick dark green turf results from Nurish feedings.
- Tomatoes — earlier, more tomatoes, stockier plants.

Dissolve 2 tablespoons Nurish in a gallon of water in a sprinkling can, pail or hose attachment.

Investors Fund declares 12 1/4 cent dividend

The board of directors of Investors Selective Fund, Inc. has declared a regular quarterly dividend of 12 1/4 cents per share derived exclusively from investment income, Harold K. Bradford, chairman and president, announced.

This second quarter dividend of the Fund's fiscal year is payable May 28 to shareholders of record at the close of business May 27, 1965. It compares with 12 1/2 cents per share distributed in the same quarter a year ago. It is the 77th consecutive dividend paid by the Fund.

THE DOLLAR amount of the dividend approximates \$550,000, distributed among about 7,600 shareholders.

Investors Selective Fund, Inc. currently has approximately 4,496,000 shares outstanding compared with 3,851,400 shares at the same time last year.

Farewell to St. Johns

We have spent almost four years with you. They have been pleasant ones and we enjoyed them. We have met hundreds of people outside our own church family, and we appreciate having made these acquaintances. We have received many favorable comments from Catholics and Protestants alike and it is rewarding to know we have been of some help. We leave our fine church family with reluctance. However, we have finished the work here to which we were called of God and have accepted a call to another type of Christian work. We covet your prayers as we begin our duties as director of a work dedicated to making Christ known to Jewish people. We have endeavored to make the Gospel of Jesus Christ known through this column. No one having read these articles can ever say, "I did not know the 'Way'." "I had no one to tell me." My offer to help has been made repeatedly and will still be open after I leave. I trust when I get to heaven I will find some there who have yielded to Jesus Christ as their Lord and Saviour through the light received in this column. It appears the time is short, we urge everyone to make certain of their eternal future.

"We invite you to attend"

THE CHURCH FOR ALL • ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	II Kings	6	8-19
Monday	Psalms	124	1-8
Tuesday	Isaiah	26	1-9
Wednesday	Jeremiah	7	1-7
Thursday	Matthew	16	13-20
Friday	Luke	13	22-30

Cooperative ventures may provide solution

The House of Representatives is holding hearings on President Johnson's omnibus farm bill. With several new twists, it continues the price support program, endeavoring to protect farm income at moderate levels. It also aims at curtailing production in a limited and voluntary way.

Of the big farm organizations the National Grange has given most support to the measure. The National Farmers Union, more concerned with the plight of the less affluent farmers, would have preferred that it go further toward raising farm income.

The largest and most conservative of the farm organizations, the American Farm Bureau Federation, opposes it on the ground that it would "ask consumers to pay higher food prices to perpetuate a program designed to keep producers dependent on government handouts."

PRESIDENT AFTER president has wrestled with the farm problem in the hope of finding some way to reduce the multi-billion dollar support program. But none has found a way to achieve a significant reduction in supports—or to return to a relatively free market—without the prospect of bankrupting many of the nation's farmers and causing problems more serious than those inherent in the present high cost program.

The administration's bill proposes long-term contracts for voluntary retirement of farm land. The Farm Bureau argues that this won't really help reduce surpluses as long as high price supports continue to encourage greater production.

Another way to reduce price supports and prevent the accumulation of surpluses would be to adopt production and marketing controls. There is every indication that farmers would resist the imposition of controls even as they have in the past.

SOME PUT THEIR hope in programs designed to speed up the process of getting more farmers out of farming. Others believe that underconsumption rather than overproduction is the problem and that the answer lies in expanded markets. In either case the solution is difficult to accomplish without creating far more serious problems.

Farmers, realizing their waning political influence, are aware that they must find means other than government support to obtain fair and adequate prices for their produce. With farm costs continuing to rise and net farm income dropping steadily in spite of government price supports, all farm organizations are endeavoring to find ways to improve their bargaining power.

The National Farm Organization a newer and small farm group, has sponsored programs to withhold produce from the market to force better prices. But many object to this collective bargaining technique and it has not caught on.

FARMERS ARE becoming more interested in uniting for contract or cooperative marketing and purchasing as a means of gaining bargaining power. This may turn out to be the ultimate solution and one which may eventually enable the government gradually to withdraw from the farm subsidization and surplus storage business.

Should the farmers prove successful in wielding greater power in the market, it will mean somewhat higher consumer prices. Many would consider this preferable to the heavy burden which the government support and storage programs place on the taxpayer.

If given the choice, we believe that most Americans would rather pay as consumer than as taxpayer. And what's more, we suspect that savings to the taxpayer would more than offset any increase in consumer prices. We welcome further exploration in this direction.

Liberty Bell

RAMBLIN' with Rink

BY LOWELL G. RINKER

This is the time of the year when people begin to think about going on picnics. Some of us who feel so terribly cramped up by the long winter season are willing to brave almost all kinds of weather conditions to go on a picnic.

Witness the Rinkers. The St. Johns branch of the family moved to Michigan just a year ago this week, happy to get back to the Water Wonderland where picnics could be enjoyed near water. But last summer was a busy one for us, what with getting settled in town and on the job, and the picnic was not an item in our scrapbook of memories for 1964.

THE WINTER was long and when warm weather finally arrived, the Rinker clan searched for opportunities to have a picnic. On the weekend of May 22, the opportunity arose—a visit from Mon and the idea of driving to the Holland area to see the tulips.

The weekend started bright and clear, and the warm sunshine Saturday melted away all reservations about driving so far for an afternoon. The picnic was on, and there was no stopping it.

DESPITE A sodden Sunday morning, plans went on. Kool aid was prepared and chicken was fried. Deviled eggs were made. Sandwiches were wrapped. The picnic basket was brought out and cleaned up.

Arrangements had been made to stop and pick up another branch of the Rinker family—my brother and his wife—in Grand Rapids about 1 o'clock, and so by 11 a.m. the "go" or "no-go" decision had to be made. Fearless in the face of continuing rain and soggy skies, we decided to press on.

THE JOURNEY to Grand Rap-

ids was made in the rain and after a brief stopover there, both the trip and the rain continued. But as we drove west the rain let up, and by the time Holland was reached the roads were practically dry. All the water had been blown off them by the strong wind.

Holland State Park was the scene of the picnic. The table we picked out was several hundred yards from the beach but was unprotected by any buildings. Despite wearing of sweaters and jackets, the wind cut through, and it was admittedly chilly.

THE WIND was so strong it made whitecaps on our cups of Kool Aid. It would have been useless to try to put a table cloth on the table. When salting the chicken we had to stand three feet upwind to make sure any of the seasoning would hit the meat.

Casual toss of scrap paper and napkins toward the trash barrel meant a 50-yard chase toward the beach. A retriever dog would have been handy. After a while we learned, and we carried the scraps to the barrel and stuffed it in.

RELAXED EATING was out of the question. The table was anchored on the lee side of the car, and we picnickers were constantly going to the car to get out of the wind and get warm. We ate hastily, and haste makes waste. One sand-covered egg was thrown away.

The wind would have cleaned off the table for us, but we did so in order to help keep Michigan clean. It was a fast, cold, windy picnic, not at all like we had visioned for two years. But it was Michigan, and we had fun. It was the first of many picnics this year, but we hope the last of that kind.

Chores

By W. E. DOBSON

One thing farm boys have to do—Chores!
Day and night the whole year through—Chores!
When they'd like to run and play,
Or perchance to get away,
One thing's always in the way—Chores!

After field work has been done—Chores!
What's to greet the morning sun? Chores!
Livestock farmin' is routine,
Livestock appetites are keen—
Seems most no time in between Chores!

Farmin' now has mechanized—Chores!
Short-cut specials improvised Chores
Still the critters must be fed
If we want to get ahead
Do 'em even if we dread Chores!

Modern living requires less Chores,
Countless youth think they're a mess—Chores!
But for all the grief displayed
And for the hardships of the trade
By such was real character made—Chores.

ONCE OVER LIGHTLY

by Ink White

Legislators get far off-base

The late Sky Marshall, former publisher of this newspaper, used to tell me: "When you've got nothing else to write about, it's always safe to raise heck with the legislature . . . they usually need a little trimming down and people like to read it."

I'm a little more temperate with my criticism than my predecessor, but I get pretty worked up every time I think seriously about the legislative pay raise proposal which passed the House in Lansing last week.

In case you missed it, the Representatives voted to increase their individual wages and expense allowance from the present \$12,500 to \$17,500.

THIS PROPOSED raise would be effective in 1967 and comes on the heels of a \$4,250 increase in legislative salaries which became effective this past Jan. 1 and placed Michigan lawmakers among the highest-paid in the nation.

Gov. Romney pointed out the ridiculous aspect of the measure when he said: "Ironically, the highest paid legislature in the country is proposing another salary increase before it has shown by action that it is capable of fiscal responsibility and is prepared to achieve needed tax reform."

Clinton area people can take some satisfaction from the fact that our two Republican legislators, Lester Allen of Ithaca and Blair Woodman of Owosso, opposed the raise. Our State Senator Emil Lockwood (R) of St. Louis has also indicated that he will work against the proposal when it reaches the upper house.

IT AMAZES me that a legislature which has been generally praised for the quality of its components and hailed for its new and vigorous approach to state problems could get so carried away.

Back Thru the Years

★ Interesting Items from the Files of The Clinton County News

10 YEARS AGO

From the Files of June 2, 1955
Parishioners and other friends of the Rev. G. Moore Morgan, rector of St. John's Episcopal Church here, are being invited to attend an open house honoring him at the Episcopal Church House, 404 E. Walker Street, from 3 to 5 p.m. Sunday. The occasion will mark the 45th anniversary of the ordination as a deacon of the church at Calgary, Alberta, on Trinity Sunday 1910.

Health, education and character were listed as significant guideposts for 1955 graduates by Stephen S. Nisbet, president of the state board of education, in his commencement address to graduates of Rodney B. Wilson High School Wednesday night. A crowd of more than 2,500 people saw 138 students receive diplomas at the city park.

Miss Hazel Williams, Clinton County's chairman of volunteer activities for the American Cancer Society, is overjoyed with results of the county's '55 cancer fund drive. The county's \$4,000 quota was oversubscribed by \$3,167.53.

25 YEARS AGO

From the Files of May 30, 1940
Beginning late in June, a series of musical hours will be featured at the St. Johns city park each

week during the summer months. A band of 15 pieces, made up of veteran and young musicians, is being enlisted by Dale Eymann for these programs.

John Martin was named to succeed Alan Dean as president of the St. Johns Booster Club at the organization meeting held Monday. Herbert Splane was elected secretary, while Lester Lake will be the new treasurer.

St. Johns High School will graduate 84 students this year.

50 YEARS AGO
From the Files of June 3, 1915
Everyone in the community is invited and urged to attend the Bengal Community Day to be held in the grove near Stoney Creek on the farm of Robert Heuer, known as the R. D. Bird farm, about 1 3/4 miles south of Bengal Grange Hall Saturday, June 12.

The city council Monday evening voted not to accept the park site gift of James S. Osgood. The great expense of properly fitting the grounds is said to be the reason.

Real estate promoters have purchased eight acres of land of Will Lake on North Clinton Avenue and will sell lots at auction today. The same kind of a stunt was pulled off on South Oakland Street a few years ago. The lots are still there.

Letters to the Editor

Reader doesn't like what is going on

I WOULD LIKE this put in the county paper for all to see, and maybe it will wake a few people up. But I doubt it very much.

We have had a lot of trouble in our little town of Maple Rapids for a long time because a few people can't stand to have somebody else do something for our young people. What I think doesn't seem to mean much.

BUT WHEN false rumors started around town about this one family, I just couldn't believe it. I won't say what this is all about, only this: this is about "baseball."

If the older people in this so-called town would keep their mouths shut, their noses out and keep their own backyards clean,

then they wouldn't have time to talk about other people. It's too bad people have to be so mean.

IT'S THE younger people who are being hurt by all this talk. And the older people are just making fools of themselves.

GUEST EDITORIAL

250-MILE FOOTPATH

(From the Greenville Daily News)

At the urging of medical men, the Editor became a walker during a period of enforced idleness in Florida. Every day he walked what were for him considerable distances.

Thus, I note with interest that the British have just constructed a 250-mile pathway. Not a highway or even a secondary road, but a footpath. The project has been in the making for 30 years, and is now completed.

The idea may seem strange to Americans, who are getting out of the habit of walking. Few relish walking several blocks to a grocery or movie; few would do it unless the family car were in use elsewhere. Firmly fixed in the public mind is the precept, "If you want to get anywhere, drive." Walking is out of the question.

THERE ARE A FEW exceptions, as over wooded trails, and up mountains with easy grades. But to walk 250 miles or any great fraction thereof doubtless seems preposterous to most Americans, even if the scenery is as lovely as that from the new British path.

The idea of building long distance footpaths through pleasant countryside in the United States is one worth some thought, however, as we become more and more a nation on wheels, with roads preempting more and more space, the pleasures of walking undisturbed by cars will become more and more evident.

MICHIGAN MIRROR

Special session of state Legislature now likely

Likelihood of a special session in the Michigan Legislature this year grows greater every day.

Government reorganization and fiscal reform appear the most likely areas which will remain undone when the regular session ends.

If the session closes on schedule it would be up to the governor to determine when a special meeting would be held. He is also given the power to set the topic or topics for consideration at any such session.

GOVERNMENT reorganization will automatically revert to an executive responsibility if the legislature fails to accomplish it by the end of this year.

For this reason it is still unknown whether Gov. George Romney would call a special session on it or whether he would prefer to let the year pass without action on the constitutionally-ordered change.

Fiscal reform also raises some question about the governor's intentions. He and many legislators are on record that action is needed before 1967.

ELECTION activity next year would almost automatically preclude any action on fiscal reform, which at this point is defined as an income tax-centered package.

No politician wants deliberate-

ly to make himself unpopular in an election year.

If the legislature adjourns on schedule, however, the burden will be on Gov. Romney to decide whether reform is really desirable this year. He must also weigh carefully the chances of getting his or any other reform package through the two houses. He tried it once before in September 1963, and failed to gain passage.

WITH DOUBT in the minds of legislators on whether the governor would call a special session, it now looks as if the law-making body will try to stick by its present adjournment schedule.

An adjournment extension could avoid a special call, as was done in 1962 when lawmakers wanted to prevent Gov. John B. Swainson's demand for reappointment work. At that time, as in other years, the legislature simply recessed its session to the end of the year.

By extending the session, the legislature gains the ability to work on remaining problems at its own pace rather than at the will of the chief executive.

"THE CHALLENGE to education in Michigan in the next decade lies not so much in the future as it does in the present," says State Supt. of Public Instruction Lynn M. Bartlett.

BY ELMER E. WHITE
Michigan Press Ass'n.

Bartlett, who soon will leave Michigan to take a federal position in the education field, says failure to plan today for tomorrow could easily mean catastrophe on the morrow.

"No longer is it possible, especially in education, to allow the years ahead to take care of themselves, willy-nilly, without planning, without direction and without action."

PRACTICAL PLANNING, the school chief says, must encompass at least the next 10 years of increasing enrollments, more and greater knowledge and growing educational requirements.

"To be consistent with our past and to give substance to our democratic faith and belief... education must offer the opportunity for every person to develop to his maximum potential," said Bartlett.

"We can no longer tolerate the critical loss in human talent we are now sustaining because our educational programs do not and cannot meet the varied needs of our many social-economic levels."

INCLUDED IN the state educational system by 1975 will be special programs beyond present ones for the mentally, physically and emotionally handicapped child, for vocational - technical training, and for senior citizens.

The latter will be encouraged, Bartlett says, by early retirement programs and the increased need for adults to learn new skills.

Bartlett's crystal ball also pictures the possibility of free public education at the community college level and better use of teacher talents. "Teachers will do more teaching and less book-keeping, milk money collecting and the like."

MICHIGAN HAS been just about doubling its educational dollar investment every decade since 1940 and likely will continue this rate, predicts the present school chief.

The Moscow subway operates a train every 90 seconds.

THELMA

5-3-65

"Parents can be a lot of trouble sometime - But I wouldn't take a million dollars for them."

Bement Library Book Shelf

By Elizabeth Millman

"Wild Heritage" by Sally Carrighar is a charming book on animal behavior in relation to human behavior. Only lately have scholars had the knowledge and techniques to make these studies of how animals act in their natural habitat.

Though man alone has the power of abstract thought, animals share the ability to learn and to organize their knowledge. Devotion to their young is a shared instinct. So also is creativity which is shown in animals in their play. The author shows the animal world in action and in doing so gives us fresh understanding of human dangers and human opportunities.

ANOTHER animal book is Paul Gallico's "The Silent Miaow." This is a manual for kittens, strays, and homeless cats. Supposedly written by a homeless cat who takes over a family, it is translated from the feline by the author. It is beautifully illustrated by Suzanne Szasz with photographs of the family pet. It could only be written by a real cat lover.

"Nina's Book" by Eugene Burdick is a novel of a woman who was imprisoned by the Germans during World War II. She helps rescue an American flier during the war and the story covers the period when he returns to France many years later. It is a well-told story of human relationships with well drawn characterizations.

FLETCHER Knebel, author of "Seven Days in May" and "Convention," has written another political novel in his new book "Night of Camp David." It is the story of intrigue in high places and a fast moving story of politics and the power struggle.

"The Continuing City" by Elizabeth Corbett is an appealing story of a satisfying new career developed by an older woman. Faced with loneliness after the death of her husband the heroine discovers new fields to conquer.

COUNTRY FLAVOR

Abandoned road winding sentence in area history

HAYDEN PEARSON

If one has a feeling for the past there is deep meaning in an abandoned country road. The article in the town warrant was coldly practical—to see if the town would vote to discontinue the old road. The article was voted and few in the group knew of the road's history.

Two centuries ago pioneers laid out the road that left the valley and followed the contours from hill farm to hill farm around the mountain shoulder. Now the old road drowns in the spring sunshine while the bushes crowd close and the grass grows between the ancient wheel tracks.

OLD CELLAR holes are poignant reminders of the era when farms prospered here, and the voices of children sounded as they walked the road to a dis-

trict school. Perhaps scattered, gnarled old apple trees behind the home sites lift gaunt arms with a few pink and white blossoms.

It is peaceful and quiet along the old road today. But time was when ox teams pulled creaking carts loaded with grain to the grist mill. Time was when democrats and fringe topped surreys rolled here with farm families going to the village for Saturday night trading, to church and to political rallies.

THERE ARE countless miles of discontinued roads and each is a winding sentence in the history of a nation. These old roads are part of the drama that made America. Now the farms are gone; the thin soil is meant for woodland instead of cultivation. But for generations to come, he who feels the drama of history can relive the past when he walks an abandoned road.

Grads to hear Fred Vescolani

BATH— Commencement exercises will be held for the 65 graduating seniors of Bath High School, June 3, at 8 p.m. in the gymnasium.

Valedictorian, Sally Weaver, and salutatorian, Sheryl Swart, will give speeches and special speaker of the evening will be Fred J. Vescolani, professor of administration and higher education at Michigan State University's College of Education.

Vescolani received his B. A. in 1938 from St. Norbert College in DePere, Wis. He has received other degrees since that time. He taught elementary and secondary school, was an athletic coach, superintendent of schools in Carney and was associate coordinator of the Cooperative Program in Educational Administration for the Middle Atlantic area.

Cubs and mothers visit Detroit Zoo

BATH— Over 100 cub scouts and den mothers of Pack 267, and a few helpers, traveled to the Detroit Zoo Saturday, May 22.

The group left at 7 a.m. and had lunch, picnic style, at the zoo. Besides the usual attractions, the children and adults had opportunity to view a chimp show. They returned at 6:30 p.m.

Stay on the level—people who try to hit the high places usually land in the dump.

Clipper's first sailing June 11

The first sailing of the Milwaukee Clipper on its route from Milwaukee, Wis., to Muskegon across Lake Michigan, will be at 8 a.m. June 11 from Muskegon.

The Clipper short cut across Lake Michigan eliminates 275 miles of congested driving around the southern end of the Big Lake. The Clipper covers the across-the-lake distance of 85 miles in six hours. Manned by a crew of 105, it can carry 900 passengers and 120 automobiles and is 361 feet long.

The Clipper makes 11/2 round trips daily except Sundays, when two round trips are made. Further information is available at Clipper Line offices at Milwaukee, Wis., Muskegon, Grand Rapids and Detroit.

Rural carriers help with survey

Postmaster J. D. Robinson of St. Johns announced today that rural mail carriers have distributed livestock survey cards to farmer patrons on their routes.

The post office assists the US Department of Agriculture each year in making this and two other surveys.

LIVESTOCK cards returned by farmers to their carriers will be mailed direct to the Michigan Agricultural Statistics Reporting Service in Lansing. Information from each card will then be tabulated and combined with other reports to give indications of changes in livestock on Michigan farms.

These indications will be used to establish estimates of the current milk and egg production, the 1965 calf crop, lamb crop, wool production, and spring pig crop as well as plans for fall farrowing.

"IF YOU HAVE found in your mailbox a card entitled Livestock Survey, June 1, 1965, don't put it aside. It was placed there by your carrier who asks your cooperation," Postmaster Robinson said.

He urged the cards be filled out carefully and returned to the carrier as soon as possible. "It is important that you return the card for your farm since only a given number of farmers received these cards, and your community will be represented according to the number of cards returned," said the postmaster.

CARRIERS helping with this survey are Robert Pratt of R-1, Jack Welton of R-2, Warren Anderson of R-3, Carl Blair of R-4, Richard Worrall of R-5, and Ronald Hyler of R-6.

Ex-area resident delegate to diabetes meeting

Mrs DeWayne Moote of 1417 Forbes in Kalamazoo has been named a delegate to the American Diabetes Assn. conference in New York City later this month.

Mrs Moote is chairman of the Lay Society of the Michigan Diabetes Assn. She works as a secretary in the business office at Kalamazoo College.

Mr Moote and Ruth, their oldest daughter, are diabetics. The couple have five other children. Mr and Mrs Moote formerly resided at 5596 Shepardsville Road, Elsie. Mr Moote's mother is Evelyn Marrah, owner of the Charm Beauty Shop in St. Johns.

SEE WHAT 7 ACRES CAN DO!
Pasture and Green Chop

Leo H. Cyr seeded 7 acres of MOR-SU on June 1, using 125 lbs. 12-12-12 fertilizer per acre with standard corn planter. On July 6, he turned 126 head of cows and calves in for pasture. Left them 8 days before taking out. Regrowth after grazing was 72 inches in 27 days with NO MOISTURE and 9 to 10 feet tall 14 days later. Started green chopping August 24 to feed 200 head of cattle. Green chopped from August 24 to September 18. Made 103 tons from 7 acres. Cattle did extremely well—MOR-SU was a life saver during hot dry summer. Will plant 40 acres next year for pasture and green chop on a rotation plan.

NEW Magic Formula Purina Nursing Chow
mixes in seconds... won't settle out... starts calves faster!

Eight seconds! That's how long it takes to mix new, Magic Formula Purina Nursing Chow for your calves. New Nursing Chow dissolves like magic in warm water... won't settle out so calves get all the vitamins, minerals, proteins, fats, and carbohydrates they need to get off to a fast start.

Calves at Purina's Dairy Research Center thrive on this new high energy milk replacer. They're more vigorous than calves fed other ways because they have fewer digestive upsets and can make better use of available proteins in this new product. What's more—a powerful antibiotic in Nursing Chow fights scours and helps guard against set-backs.

You can feed new, Magic Formula Nursing Chow from a nipple pail or automatic calf feeder without clogging or settling out. Pick up a bag for each of your calves and give them a fast, healthy start!

ASC PROGRAM

ASCS offers facility loans for new storage

W. M. SMITH
County ASC Manager

We have a facility loan program to assist farmers in the purchase of new facilities to store their commodities on the farm.

Farmers who have adequate farm storage do not have to wait in line at the elevators to get their commodities stored. This waiting many times results in slowing up harvest due to having limited number of vehicles to move grain to elevators.

GRAINS GROW clean and it is very important that any grain that is to be sold for human food be kept clean. This means that grain stored on the farm must be in storage that keeps rodents, birds, cats, and all forms of contamination out. Grain which has been contaminated will have to be sold for animal feed.

We have regulations which govern the eligibility of a producer to get a loan through our office. I will cover the most important with you.

FIRST THE applicant must be eligible for price-support on all commodities produced by him for

the current year; he must have a need for the storage; the facility must be new; and no loans will be given to repair, remodel, or maintain existing facilities.

The maximum term of a loan is five (5) years from date of disbursement. The maximum amount that may be loaned is an amount equal to the smaller of 85 per cent of the actual out-of-pocket cost of such facility, or 50 cents times the bushel capacity of the facility.

THE OUT-of-pocket cost shall include the cost of purchase, delivery, and erection of the facility and cost of that operating equipment which the county committee determines is necessary for the proper handling and conditioning of the price support commodity to be stored in the facility.

A minimum downpayment of not less than the difference between the authorized amount of the loan and the full cost of the entire facility being purchased shall be made by the loan applicant before

the loan is disbursed. A downpayment shall not include any discount, rebate, credit, deferred payment, or post-dated checks.

THE LOAN is repayable in four equal annual installments with interest at 4 per cent per year on the unpaid balance. The first installment including interest shall be payable during the 12-month period beginning on the first anniversary date of the disbursement of the loan.

The borrower shall maintain the facility in condition and available for the storage of the price-support commodities until the loan is paid in full.

THE FACILITY must be constructed before the loan can be disbursed. There is a service charge of \$5 or 1 per cent of the amount of the loan, whichever is greater.

Any commodity producer interested in more details about our facility loan should contact our office at 100 S. Ottawa Street, St. Johns.

Two summer programs were started last week and are continuing this week. Mowing was started on the median strip of US-27, and the dust control program got underway.

CALCIUM chloride solution was spread on 29 miles of county roads last week and four townships that are participating in the cost-sharing program will be done this week and next.

The first spread consisted of new grades and of areas where people who live along the roads were paying one-half of the cost. We expect to do about 100 miles of road, under this plan, this summer.

THESE PEOPLE who deposit their money to cover the cost of the first application are certainly to be commended, especially in areas where we have two and three mile stretches. The road commission pays for the second application which is put on about five weeks later. Townships that are participating on the township wide basis are DeWitt, Riley, Victor and Watertown.

Last Thursday seemed to be a day for liquids at the commission garage. In addition to the calcium chloride brine we received 4,500 gallons of asphalt emulsion for blacktop patching and 8,000 gallons of gasoline.

AS ALWAYS happens every spring, we receive numerous complaints on roads that have been plowed, cultivated or dragged by farmers working adjacent fields. This year is no exception, and we have had several roads torn up and some blacktop damaged. I am sure that the people who do this are neither our best farmers nor our best citizens.

News About Service Personnel

DAVID E. HAVENS, SA, son of Emery P. Havens of 3852 N. Watson Road, St. Johns, has started six months of communications technician school in the Navy at Pensacola, Fla. The school lasts 30 weeks, and upon graduation he will be a qualified radioman. His address is David E. Havens SA-779-35-40, OINC NAVCOMMTRACEN, Box 14108, Corey Field, Pensacola, Fla.

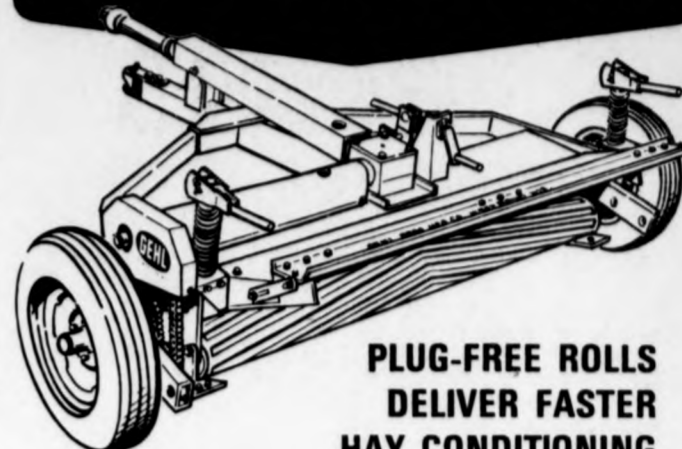

Machinist's Mate Fireman BRUCE W. BOND, USN, son of Mr and Mrs Arthur P. Bond of 1189 E. Walker Road, St. Johns, participated in the largest combat amphibious operation since Inchon, Korea, in 1950, while serving aboard the dock landing ship USS Gunston Hall.

Initial elements of the Fourth Marine Regiment and Third Reconnaissance Battalion were landed at Chu Lai, Republic of Viet Nam, on May 7. This was the first completely "over the beach" landing in the four American amphibious landings that have been made in South Viet Nam.

The Marines were landed at the request of the Republic of Viet Nam government and are to provide security for the airfield, similar to their mission at Da Nang, relieving South Vietnamese Army troops presently in the area.

NEW GEHL CURE-ALL

PLUG-FREE ROLLS DELIVER FASTER HAY CONDITIONING

The new Gehl Cure-All won't wrap, won't plug in any hay crop. Supplies the extra margin of drying speed that results in higher quality forage.

New steel pick-up roll, with herringbone ribs, crushes stems from bud to butt against an upper rubber roll. Saves the leaves.

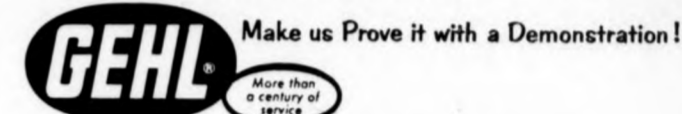

New roller-chain drive powers both rolls. Shear bolt protects the mechanism.

PTO drive with 3 U-joints permits shorter turns without knocking or straining.

Adjustable space between rolls gives just-right conditioning in any hay crop.

Unitized steel frame and fewer working parts mean less vibration, lower power requirements, longer life.

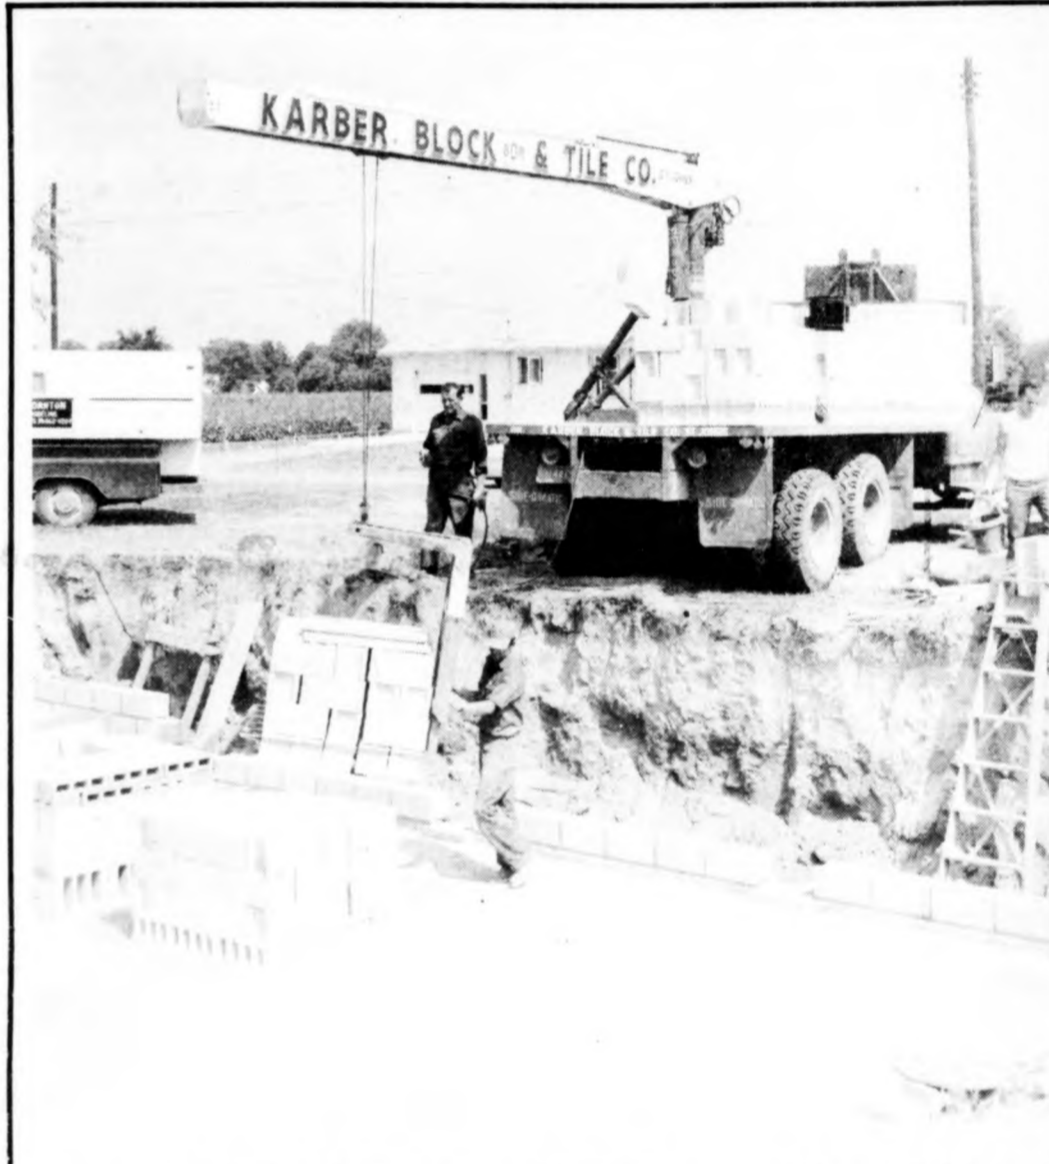

Good reasons to look closer at the Gehl Cure-All before you buy any hay conditioner. Come on in!

Traditional wedding gowns maintain popularity here

BY PATRICIA HOLMES

Engaged!

Once a young woman is engaged she is caught up in a flurry of pre-nuptial activities.

After the date is set, the clergyman must be contacted, the size of the reception must be determined and arrangements made, invitations ordered, photographer employed and the florist alerted, to mention a few of the details.

Most important to the bride-to-be, however, is the choosing of her wedding ensemble. Depending on the bride's individual tastes and the other arrangements, the attire she chooses for her wedding day can range from a simple suit or semi-formal cocktail gown to a traditional wedding gown.

THE LATTER, though a little more impractical and a little costlier, is still the choice of most prospective brides.

But to say traditional, doesn't really pinpoint how the bride will be dressed. An endless variety of styles and materials from which the bride may choose, gives her an opportunity to maintain individualism among the thousands of other traditionally dressed brides on any one given Saturday in June or any other Saturday for that matter. While this month, named after the Roman goddess Juno, the patroness of marriage, is still the most popular time to wed, it's not the only time and September and October run close seconds as the most popular months.

ONCE THE young woman planning to marry has decided to wear a traditional gown, what is in store for her? What has she to choose from?

Since most Clinton County women contemplating marriage, purchase their wedding ensembles at Becker's Dept. Store in Fowler, the Clinton County News called there and talked to Eva

Becker who will call a bridal consultant in the hope of lumping in buyer, seller and alterer and anything else that may come along in the field of bridal wear.

"Although the sheath styles and A-lines are the very latest in wedding gown designs," Mrs. Becker said, "the full, gowns are the most popular, followed by train dresses."

WHILE THE different designs are available in silk organzas, peau de soles and, for the fall, rich brocades, laces are the most popular in the county, Mrs. Becker said.

"We probably sell nine laces to every one of something else," she said. Mrs. Becker should know for she buys 75 to 90 gowns every quarter for the brides-to-be.

In the area of headdresses, she said that the newest, and quickly becoming most popular, are double and triple crowned tiaras and beaded bands for top knots.

"MANTILLAS have always been available," Mrs. Becker said, "and while they have become a little more popular in recent years, they come no where near matching the popularity of any of the other headpieces purchased here."

In going in to buy her wedding day ensemble, a bride may also, after weeks of decisions, walk out with a petti coat, which she either bought or rented, a wedding garter, ring bearer pillows, rosaries, such jewelry as pearl necklaces or pendant necklaces, satin or silver brocaded shoes and gloves.

Not every bride will have all of these items, for the wedding ensemble must be budgeted in among the rest of the wedding costs, but after all, you can wear it your whole wedding day.

The bride pays... the groom pays...

Now that the wedding season is here, it's well to know who pays for what.

THE BRIDE'S family pays for invitations and announcements, such church expenses as flowers and music, the bridal gown and trousseau, bride maids' bouquets and gifts, wedding pictures, the reception, including music, flowers, food and beverages, a gift for the bridegroom and the ring for the bridegroom.

THE GROOM pays for the bachelor dinner, the marriage license, the bride's wedding ring, the bride's bouquet, a gift for the bride, the clergyman's fee, the ushers' wedding ties, gloves, boutonnières and gifts and all honeymoon expenses.

Ice cream socials, dances are planned by Senior Citizens

Sixty-five persons were present at the May 25 meeting of the Senior Citizens. Rev. Rudolph Wittenbach, a guest of Mr. and Mrs. Elzie Exelby, gave the invocation.

Plans were started for the June 18 ice cream social and dance, the first of three to be held at the Redwing Bowling Lanes. Mrs. Ernest Root is general chairman and Wendall Law will be the caller.

Community singing followed the meeting and Glenn Barnhart showed slides of the trip he and Mrs. Barnhart took through the West.

The next regular meeting will be held at the VFW Hall on Tuesday, June 8.

Women golfers play Grand Ledge course

Golfers of the Central Michigan Circuit, St. Johns, Ithaca, Alma, Portland and Clare, played in Grand Ledge Wednesday, May 26. Over 100 women golfers participated.

Winners from St. Johns were Mrs. Wayne Hicks for low gross, Mrs. Robert Beach, low net, and Mrs. Julius Becker, low putts.

Green Tee members met for a potluck and golf at the Clinton County Country Club Monday, May 31, and for golf and bridge Wednesday, June 2.

On June 9, all clubs will meet in Clare.

of pink sweetheart roses and carnations.

A wedding breakfast for 50 guests was served at Bingham Grange Hall where, later that evening, 300 persons attended a reception. Assisting with serving were Mrs. Don Stewart, Miss Bernice Doyle and Mrs. David Mohnke. Pouring were Miss Jane Becker and Miss Pam Mahar. Miss Sandy Dershem attended the guest book and the bridesmaids opened the gifts.

Following a one-week wedding trip to Niagara Falls, the couple returned to Lansing. Their apartment is at 802 North Chestnut Street.

Both are 1963 graduates of Rodney B. Wilson High School. The bride is an employee at Michigan Auto Dealers in Lansing and her husband is employed at Oldsmobile.

Mrs. Bernita Thelen of Westphalia, left, and Eva Becker, assist Mrs. Thelen's daughter, Diane Elaine, as she decides whether or not to purchase the wedding ensemble she has on. Diane will marry Larry Theis of Fowler in August.

Anniversary gifts grow in value

June has always been the month of brides. While we usually think of it in the present tense, of the brides of this year, it is well to remember the June brides of the past, and signifying the exact number of years with the proper gift will help you show your affection for close friends and relatives.

While couples who have been married for one year may consider it a high plateau on the mountain of marriage, they have only earned the right to receive gifts of paper. After the 2nd year they can receive gifts made of cotton; 3rd, leather; 4th, silk, fruit or flowers; 5th, wood; 6th iron; 7th, copper, bronze or brass; 8th, electrical appliances; 9th, pottery; 10th, tin or aluminum; 11th, steel; 12th, linen; 13th, lace; 14th ivory; and 15th, crystal.

AFTER THE 15th year of marriage for some reason or there is no record of anyone ever venturing a guess why, anniversaries are only emphasized every 5 years. Therefore, when the 20th anniversary arrives, it is fitting to give the couple china; the 25th, silver; 30th, pearl; and 35th, coral.

After the 35th, the importance of anniversaries follows an irregular pattern. Couples married 40 years get rubies; 50, gold; 55, emeralds, and those married 60 years or more certainly merit nothing less valuable than diamonds.

Rotarians picnic at St. Johns park Thursday evening

The Wilsonaires, St. Johns high school choral group, provided entertainment for St. Johns Rotarians, their wives and guests at a club picnic at the City Park Thursday evening.

Because of cool weather the affair was held in Smith Hall. The picnic was originally scheduled for the Rotary shelter building at the park.

Bruce Fowler was chairman of arrangements for the event.

Beverly E. Dershem Kendall Mohnke wed

MR AND MRS KENDALL E. MOHNKE

Rev. Edwin Schoettle read the service which joined Miss Beverly Eileen Dershem and Kendall E. Mohnke in marriage Saturday, May 8, in St. Joseph Catholic Church in St. Johns. Parents of the couple are Mr. and Mrs. Raymond Dershem of R-1, St. Johns, and Mr. and Mrs. Edwin Mohnke of R-4, St. Johns.

The bride entered the sanctuary wearing a lace dress, styled with a fitted bodice and full skirt. Her bouffant veil was secured by a cluster of lace leaves, each tipped with a tear drop and she carried a cascade arrangement of red sweetheart roses, lilies of the valley and ivy.

THE BRIDE'S sister, Mrs. Richard Pung, was matron of honor and bridesmaids were Miss Sharrise Cressman, Miss Bette Walton and Miss Ann Mohnke, the bridegroom's sister. They wore gowns of brocaded peau de soie, the ma-

tron of honor's in mint green and the bridesmaid's in maize yellow. The maid of honor's headpiece was a green rose over veiling and she carried a cascade arrangement of yellow and white carnations and ivy. The bridesmaid's headdresses were yellow and their bouquets were of green and white carnations.

David Mohnke was his brother's best man. Groomsmen were Bill Dershem, the bride's brother, Roger Tiedt and Doug Mohnke. Maurice Dershem, another brother of the bride, and Robert Finkbeiner ushered. Nuptial music was provided by Mrs. Marlene Bacon, vocalist, and Mrs. Herman Smith, organist.

JoAnne Hafner compliments her sister, Marlene, as she tries on a mantilla. Marlene will marry Charles Hufnagel Oct. 16. All are from Fowler.

CLINTON COUNTY NEWS PAGE for Women AND MEN, TOO

Jean Mary Benson is wed in Lansing

MRS. RICHARD ALVIN WEAVER

A double ring ceremony united in marriage Jean Mary Benson, daughter of Dr. and Mrs. Robert E. Benson, formerly of St. Johns, now of Bay City, and Richard Alvin Weaver, son of the Thomas A. Weavers of Essexville, at 1 p.m. Saturday, May 29, at St. John's Student Parish in East Lansing. Rev. Robert E. Kavanaugh celebrated the nuptial mass.

The bride, escorted by her father, approached the altar in a gown of silk organza with a bell shaped skirt and detachable chapel train. She wore a matching pill box hat which secured an imported silk illusion bouffant veil and carried a toprary bouquet arrangement of white pompon mums, stephanotis and white sweetheart roses.

MISS PATRICIA BENSON of Lansing, sister of the bride, was maid of honor. The bridesmaids were Miss Betty Weaver of Essexville, sister of the bridegroom, Mrs. Robert Kent of Bay City and Mrs. A. W. Joslin of Otsego. They were all gowned in identical sheath gowns of empire style in aqua crepe. Matching floral halo headbands with bouquets of pink, blue and lavender daisies, pink sweetheart roses and blue bachelor buttons.

Donald Weaver attended his brother as best man with Douglas Weaver of Essexville, brother of the bridegroom, Robert Kent of Bay City and Ronald Ratajczak of Lansing as groomsmen. Terrence Kelly of Kawawlin and William Walraven of Essexville seated the guests.

FOR HER daughter's wedding, Mrs. Benson wore an ice blue silk petit pointe dress with reem-broidered Alencon lace bodice and matching flowered hat and accessories. She carried a corsage of violets and pink sweetheart roses. The bridegroom's mother wore a turquoise ensemble with white accessories and a gardenia corsage.

A reception followed in the Michigan Room of the Jack Tar Hotel in Lansing.

The newlyweds are honeymooning in Northern Michigan and after June 12 will reside at 1113 Borton Street in Essexville.

Around 400,000 volunteer leaders are the core of some 94,000 4-H Clubs throughout the nation. They meet regularly with the members, supervise project work and assist with local 4-H events.

Marlene Hafner decides that she prefers the veil which Mrs. Roman Klein of Peewamo, a clerk in the bridal salon, is fitting on her, to the mantilla.

Cedar chest hints for new homemakers

BY BETTY KETCHAM, County Extension Agent, Home Economics

If you store your woollens in a cedar chest, help nature along and use some moth crystals or moth balls. Don't depend on the aromatic cedar fumes to ward off the moths.

Although new cedar chests do give protection from moths, it's safer to treat woollens with a good moth proofing agent before they're stored.

This is especially important with older cedar chests. Tests conducted by the United States Department of Agriculture Research Service show that red cedar loses some of its effectiveness against moths after 2 years and white or South American cedar, after 12 to 20 months.

THE TIGHTNESS of the cedar chest is also important. The fumes must stay inside the chest if it is to be used for moth-proofing. This also applies to cedar-lined closets. They should be tight and woollens moth-proofed before storage.

Check now and be sure your woollens are correctly stored. It's

too late when you unpack woollens next fall and find holes.

REMEMBER to follow instructions carefully when you use pesticides. Note the precautions on the label.

Don't smoke when you handle pesticides. Aside from the fact that some are flammable, you could carry a pesticide from your hand to your mouth by the cigarette.

YOU CAN FIND a program to interest you at Michigan State University during College Week for Women, July 27 to 30.

Thursday of Homemaker's Week will have programs planned with the young homemaker in mind. Make plans now to attend.

Savings bond sales at 30% of quota

According to the most recent report, Clinton County has achieved an even 30 per cent of its quota for the sale of United States savings bonds during 1965. The report was issued as of the last of April. The statewide achievement on the quota is 36.4 per cent.

Maple Rapids Water Distribution Ordinance No. 29

AN ORDINANCE AUTHORIZING THE ACQUISITION AND CONSTRUCTION OF ADDITIONS, EXTENSIONS AND IMPROVEMENTS TO THE WATER SUPPLY DISTRIBUTION SYSTEM OF THE VILLAGE OF MAPLE RAPIDS; TO PROVIDE FOR THE ISSUANCE AND SALE OF REVENUE BONDS TO PAY PART OF THE COST THEREOF; TO PROVIDE FOR THE FIXING, COLLECTION, SEGREGATION AND DISPOSITION OF THE REVENUES OF SAID WATER SUPPLY DISTRIBUTION SYSTEM AND PAYMENT OF SAID BONDS OUT OF THE REVENUES THEREOF; AND CREATING A STATUTORY LIEN ON SAID REVENUES.

THE VILLAGE OF MAPLE RAPIDS ORDAINS:

Section 1. It is hereby determined to be necessary for the public health and welfare of the Village to acquire and construct additions, improvements and extensions to the water supply distribution system of the Village of Maple Rapids consisting of new wells, necessary pumps, additional water mains together with the necessary equipment and appurtenances thereto.

Section 2. The plans, specifications and estimates of the cost of such additions, extensions and improvements, prepared by Williams and Works, Registered Civil Engineers of Grand Rapids, Michigan, are hereby approved and the total cost thereof, including engineering, legal, financial and incidental expenses is estimated to be Twenty-nine Thousand Nine Hundred Dollars (\$29,900) and the period of usefulness of said additions, extensions and improvements is estimated to be at least forty (40) years.

Section 3. To pay part of the cost of acquiring, constructing and installing additions, extensions and improvements, including engineering, legal, financial and incidental expenses, it is hereby determined that the Village of Maple Rapids shall borrow the sum of Nine Thousand Nine Hundred Dollars (\$9,900), and that revenue bonds of the Village be issued therefor, under the provisions of Act 94, Public Acts of Michigan, 1933, as amended, which said bonds are sometimes referred to in this Ordinance as "the bonds."

Wherever the words "the System" or "System" are used in this Ordinance, they shall be construed to mean the complete Water Supply System of the Village of Maple Rapids, including, but not by any way of limitation, (a) all existing water mains, and all works, instrumentalities and properties used or useful in the obtaining of a water supply or the distribution of water; (b) the additions, extensions and improvements to be constructed under the provisions of this Ordinance, and (c) all additions, extensions and improvements thereto acquired or constructed in the future.

Wherever the word "project" is used in this Ordinance, it shall be understood to mean the additions, extensions and improvements to the System constructed under the provisions of this Ordinance.

Wherever the words "revenues" and "net revenues" are used in this Ordinance, they shall be understood to have the meanings as defined in Section 3, Act 94, Public Acts of Michigan, 1933, as amended.

Section 4. Said bonds shall be designated WATER SUPPLY SYSTEM REVENUE BONDS, and shall be, not general obligations of the Village of Maple Rapids, but revenue bonds, payable out of the net revenues of the System, and shall consist of 99 bonds of the denomination of \$100 each, dated as of July 1, 1965, maturing as follows:

- \$100 April 1st of each of the years 1967, 1968 and 1969;
- \$200 April 1st of each of the years 1970 and 1971;
- \$300 April 1st of each year from 1972 to 1981, inclusive;
- \$400 April 1st of each year from 1982 to 1987, inclusive;
- \$500 April 1st of each year from 1988 to 1991, inclusive;
- \$600 April 1st of the year 1992;
- \$600 April 1st of the year 1993;
- \$600 April 1st of the year 1994.

Said bonds shall bear interest at a rate or rates not exceeding five per cent (5%) per annum, payable on April 1, 1966, and semi-annually thereafter on Octo-

ber 1st and April 1st of each year, both principal and interest to be payable in lawful money of the United States of America at a bank or trust company to be designated by the original purchaser of the bonds.

Bonds numbered 1 to 19, both inclusive, maturing in the years 1967 to 1975, both inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered 20 to 99, both inclusive, maturing in the years 1976 to 1994, both inclusive, will be subject to redemption prior to maturity, at the option of the Village, in inverse numerical order, on any interest payment date on or after April 1, 1975.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds and in case of registered bonds, thirty days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

Said bonds shall be signed by the President and countersigned by the Village Clerk and shall have the corporate seal of the Village impressed thereon, and shall have interest coupons attached bearing the facsimile signature of the Village Treasurer.

Section 5. Said bonds and the attached coupons shall not be a general obligation or indebtedness of the Village of Maple Rapids, but shall be payable solely from the net revenues derived from the operation of the System; and to secure such payment there is hereby created a statutory first lien upon the whole of the net revenues of said System, to continue until the payment in full of the principal and interest on said bonds.

Section 6. The holder or holders of said bonds or coupons representing in the aggregate not less than twenty per cent (20%) of the entire issue then outstanding may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce the statutory first lien upon the revenues of said System and may by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the Village of Maple Rapids, including the fixing of sufficient rates, the collection of revenues, the proper segregation of the revenues, of the System and the proper application thereof: Provided, However, that the statutory lien upon said revenues shall not be construed to compel the sale of the System or any part thereof.

If there be any default in the payment of the principal or interest upon any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate said System on behalf of the Village, and under the direction of said court, and by and with the approval of said court to perform all of the duties of the officials of said Village, more particularly set forth herein and in Act 94, Public Acts of Michigan, 1933, as amended.

The holder or holders of any such bonds or any coupons therefrom shall have all other rights and remedies given by said Act 94, Public Acts of Michigan, 1933, as amended, for the collection and enforcement of said bonds and the security therefor.

Section 7. The construction, alteration, repair and management of the System shall be under the supervision and control of the Village Council of the Village of Maple Rapids. The Village Council may appoint and designate a board, commission, or officer to operate and manage the System, and may employ such person or persons in such capacity or capacities as it deems advisable to carry on the efficient management and operation of the System. The Village Council may make such rules, orders and regulations as it deems advisable and necessary to assure the efficient management and operation of the System.

Section 8. The rates to be charged for water service furnished by the System until July 1, 1965, shall be those presently in effect in the Village. Commencing July 1, 1965, the schedule of rates shall be as follows:

First 12,000 gallons per quarter or any part thereof - \$7.50 minimum

All over 12,000 gallons - \$3.30 per 1,000 gallons

Service Outside of the Limits of the Village

Consumption rates to connections outside of the Village limits of the Village of Maple Rapids shall be one hundred fifty per cent (150%) of the above rates which are for connections within the Village of Maple Rapids.

Fire Hydrant Rental

For the use of water through fire hydrants and for the availability of such water, the Village shall pay in equal quarterly installments the sum of \$10.00 per hydrant per year, said payments to be made from funds legally available for such purpose or from the proceeds of taxes which the Village, within constitutional limits, is hereby authorized and required to levy in an amount sufficient for that purpose.

Special Rates

For miscellaneous services for which a special rate shall be made, such rates shall be fixed by the Village Council.

Deposit

A cash deposit of \$10.00 as security for payment of water rates shall be required of each user in such cases as the Village Council shall deem such security to be advisable, or in such cases where a deposit is required by the provisions of Section 21 of Act 94, Public Acts of Michigan, 1933, as amended.

Billing

All bills shall be rendered to users on a quarterly basis and said bills shall show the net amount due and, if not paid within fifteen (15) days after the date rendered, ten per cent (10%) of the bill shall be added thereto as a penalty for failure to make prompt payment.

Enforcement

Charges for water services shall constitute a lien on the property served. On or before March 1st of each year the officer in charge of collection of such charges shall deliver to the tax assessing officer a certified statement of all water charges then six (6) months past due and unpaid. The tax assessing officer shall then place such charges on the next general tax roll and the same shall be collected as part of the general Village taxes.

The Village shall have the right to shut off and discontinue the supply of water to any premises for the non-payment thereof when due of water rates and charges.

Section 9. No free service shall be furnished by said System to any person, firm or corporation, public or private, or to any public agency or instrumentality.

Section 10. The initial rates hereby fixed are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the said System as are necessary to preserve the same in good repair and working order, to provide for the payment of the interest upon and the principal of all the bonds and when the same become due and payable, and the creation of the reserve therefor required by this Ordinance, and to provide for such other expenditures and funds for said System as this Ordinance may require. Such rates shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed at all times to fix and maintain such rates for services furnished by the System as shall be sufficient to provide for the foregoing.

Section 11. The System shall be operated on the basis of an operating year beginning January 1st and ending December 31st.

Section 12. Beginning on July 1, 1965, the revenues of the System shall be set aside, as collected, and deposited in a separate depository account in the Clinton National Bank, of St. Johns, Michigan, a bank duly qualified to do business in Michigan, in an account to be designated WATER SUPPLY SYSTEM RECEIVING FUND (hereinafter, for brevity, referred to as the "Receiving Fund"), and said revenues so deposited are pledged for the purpose of the following funds and shall be transferred from the Receiving Fund periodically in the manner and at the times hereinafter specified.

(A) OPERATION AND MAINTENANCE FUND:

Out of the revenues in the Receiving Fund there shall be first set aside, quarterly, into a separate depository account designated OPERATION AND MAINTENANCE FUND, a sum sufficient to provide for the payment of the next quarter's current expenses of administration and operation of the System and such current expenses for maintenance thereof as may be necessary to preserve the same in good repair and working order.

The Village Council, prior to the commencement of each operating year shall adopt a budget covering the foregoing expenses for each year, and such total expenses shall not exceed the total amount specified in said budget, except by a vote of two-thirds (2/3) of the members of the Village Council. There shall also be included in said budget all expenditures to be made from the Replacement Fund and the Improvement Fund.

(B) BOND AND INTEREST REDEMPTION FUND

There shall next be established and maintained a separate depository account designated BOND AND INTEREST REDEMPTION FUND, the moneys on deposit therein from time to time to be used solely for the purpose of paying the principal of and interest upon the bonds hereby authorized. The moneys in the Bond and Interest Redemption Fund (including the Bond Reserve Account herein after established) shall be kept on deposit with the bank or trust company where the principal and interest on the bonds herein authorized are currently payable.

Out of the revenues remaining in the Receiving Fund after provision has been made for expenses of operation and maintenance of the System there shall next be set aside quarterly, in the Bond and Interest Redemption Fund, a sum proportionately sufficient to provide for the payment of the principal of and interest upon all outstanding bonds payable from the revenues of the System, as and when the same become due and payable. Commencing July 1, 1965, the amount so set aside for interest each quarter during the last six (6) months of each operating year shall be not less than one-half (1/2) of the total amount of interest maturing on the following April 1st, and each quarter during the first six (6) months of each operating year shall be not less than one-half (1/2) of the total amount of interest maturing on the following October 1. Commencing January 1, 1966, the amount so set aside for principal each quarter during each operating year shall be not less than one-fourth (1/4) of the principal maturing on the April 1st following such operating year. If there shall be any deficiency in the amount previously required to be set aside, then the amount of such deficiency shall be added to the current requirements.

There is hereby established in the Bond and Interest Redemption Fund a separate account to be known as the Bond Reserve Account, into which account there shall be set aside each quarter, after provision has been made for the Operation and Maintenance Fund, and current requirements of the Bond and Interest Redemption Fund, all of the remaining revenues of the System until said Bond Reserve Account shall total \$1,000.00. The money in said Bond Reserve Account shall be used solely for the payment of the principal and interest on said bonds as to which there would otherwise be default. If, at any time, it shall be necessary to use moneys in the Bond Reserve Account for such payment, then the moneys so used shall be replaced from the net revenues first received thereafter which are not required by this Ordinance to be used for operation and maintenance or for current principal and interest requirements: Provided, However, that such Bond Reserve Account shall not be regarded as moneys otherwise appropriated or pledged for the purpose of determining the sufficiency of funds available for redemption of callable bonds.

No further payments need to be made into the Bond and Interest Redemption Fund after enough of the bonds have been retired so that the amount then held in said Fund (including the Bond Reserve Account) is equal to the entire amount of principal and interest which will be payable at the time of maturity of all the bonds then remaining outstanding.

(C) REPLACEMENT FUND: There shall next be established and maintained a separate depository account designated REPLACEMENT FUND, which shall

be used solely for the purpose of making major repairs and replacements to the System, if needed. There shall be set aside into said Fund each quarter, after provision has been made for the Operation and Maintenance Fund and the Bond and Interest Redemption Fund (including the Bond Reserve Account), all of the remaining revenues of the System until said Replacement Fund shall total \$800,000. If, at any time, it shall be necessary to use moneys in said Fund for such purpose, the moneys so used shall be replaced from the net revenues in the Receiving Fund which are not required by this Ordinance to be used for the Operation and Maintenance Fund or the Bond and Interest Redemption Fund (including the Bond Reserve Account).

(D) IMPROVEMENT FUND:

There shall next be established and maintained a separate depository account designated IMPROVEMENT FUND. There shall be deposited in said Fund each quarter, after satisfying the above requirements in full, such sum as the Village Council shall deem necessary to be used for improvements, extensions, additions and betterments to the System.

(E) SURPLUS MONEYS:

All moneys remaining in the Receiving Fund at the end of any operating year after satisfying the above requirements shall be transferred to the Bond and Interest Redemption Fund and used to call bonds for redemption, or at the option of the Village Council, transferred to the Improvement Fund and used for the purpose for which said Fund was established: Provided, However, that if there should be any deficit in the Operation and Maintenance Fund, Bond and Interest Redemption Fund (including the Bond Reserve Account) or the Replacement Fund, on account of defaults in setting aside therein the amounts hereinbefore required, then transfers shall be made from such funds remaining in the Receiving Fund to such funds in the priority and order named, to the extent of such deficits.

Section 13. In the event the moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund or the Bond and Interest Redemption Fund, any moneys and/or securities in other funds of the System shall be transferred. First, to the Operation and Maintenance Fund, and Second, to the Bond and Interest Redemption Fund to the extent of any deficit therein.

Section 14. Moneys in the Bond and Interest Redemption Fund, moneys derived from the proceeds of sale of the bonds, and moneys in any other fund except the Receiving Fund and the Operation and Maintenance Fund, may be invested in obligations of the United States of America. In the event such investments are made, the securities representing the same shall be kept on deposit with the bank or trust company having on deposit the fund or funds from which such purchase was made. Income received from such investments shall be credited to the Fund from which said investments were made.

Section 15. Said bonds shall be sold and the proceeds applied in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended.

Section 16. The proceeds of the sale of the bonds herein authorized to be issued shall be deposited in Clinton National Bank of St. Johns, Michigan, a bank which is a member of the Federal Deposit Insurance Corporation. Any premium and accrued interest on the bonds, and interest for the period for which interest is capitalized, shall be transferred to the Bond and Interest Redemption Fund. The balance of said moneys shall be applied solely in payment of the cost of the project and any engineering, legal and other expenses incident thereto and to the financing thereof. Payments for construction, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the Village Council a signed statement to the effect that the work has been completed in accordance with the plans and specifications thereof, that it was done pursuant to and in accordance with the contract therefor, and that such work is entirely satisfactory. Any unexpended balance of the proceeds of sale remaining after completion of the project herein authorized shall be used as authorized by Section 16, Act 94, Public Acts of Michigan, 1933, as amended.

Section 17. The Village of Maple Rapids covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest:

(a) The Village of Maple Rapids will maintain the System in good repair and working order and will operate the same efficiently and will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Michigan, including the making and collecting of sufficient rates for water furnished by the System, and the segregation and application of the revenues of the System in the manner provided in this Ordinance

(b) The Village Council will cause to be maintained and kept proper books of record and account, separate from all other records and accounts, in which shall be made full and correct entries of all transactions relating to the System. Not later than sixty (60) days after the close of each operating year, the Village Council will cause to be prepared, on forms furnished by the Municipal Finance Commission, if such forms be available, a statement in reasonable detail, sworn to by its Chief Accounting Officer, showing the cash income and disbursements of the System during each operating year, the assets and liabilities of the System at the beginning and close of the fiscal year, and such other information as is necessary to enable any taxpayer of the Village, user of the service furnished, or any holder or owner of the bonds, or anyone acting in their interest, to be fully informed as to all matters pertaining to the financial operation of the System during such year. A certified copy of such statement shall be filed within seventy-five (75) days after the close of each operating year with the Municipal Finance Commission, and a certified copy sent to the manager of the account purchasing the bonds. Such statement and books of record and account shall at all reasonable times be open to inspection by any taxpayer of the Village, user of the service or holder or owners of any bonds or anyone acting in their interest. The Village Council will also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant, and will mail such audit to the manager of the account or syndicate purchasing the bonds. Such audit shall be completed and so made available not later than three (3) months after the close of each operating year.

(c) The Village will maintain and carry, for the benefit of the holders of the bonds, insurance on all physical properties of the System, of the kinds and in the amounts normally carried by municipalities engaged in the operation of water supply and distribution systems. All moneys received for losses under any such insurance policies shall be applied solely to the replacement and restoration of the property damaged or destroyed, and to the extent not so used, shall be used for the purpose of calling bonds.

(d) The Village will not sell, lease or dispose of the System or any substantial part thereof until all of the bonds have been paid in full, both as to principal and interest. The Village further will cause the operation of the System to be carried on as economically as possible, will cause to be made to the System all repairs and replacements necessary to keep the same in good repair and working order and will not do or suffer to be done any act which would affect the System in such a way as to impair or affect unfavorably the security of the bonds.

Section 18. The right is reserved, in accordance with the provisions of Act 94, Public Acts of Michigan, 1933, as amended, to issue additional bonds payable from the revenues of the System, which shall be of equal standing with the bonds herein authorized for the purpose of completion of the project in accordance with the plans and specifications thereof; and such bonds shall not be authorized unless Williams and Works, Grand Rapids, Michigan, or the successor engineer in charge of construction, shall execute a certificate evidencing the fact that additional funds are needed to complete the project in accordance with the plans and specifications thereof. If such certificate shall be so executed and filed with the Village Clerk, it shall be the duty of the Village Council to provide for and issue additional revenue bonds in the amount stated in said certificate to be necessary to complete the project in accordance with the plans and specifications.

The right is also reserved to issue additional bonds payable from the revenues of the System which shall be of equal standing with the bonds herein authorized for the purpose of acquiring and constructing, additions, extensions and improvements to the System, but no such bonds shall be issued unless the net revenues of the System for the last completed operating year immediately preceding the authorization of the additional bonds, when supplemented by the annual net revenues estimated to accrue from the said additions, extensions and improvements and/or the estimated increase in such net revenues which would result from the application of any increase in rates placed into effect in the Ordinance authorizing the additional bonds, are equal to one hundred fifty per cent (150%) of the largest amount of principal and interest on all outstanding bonds payable from the revenues of the System, including those then being issued, falling due in any future operating year. As a condition precedent to the issuance of such additional bonds, there shall be filed with the Village Clerk a written estimate of the increase in the net revenues of the preceding operating year which would result from the application of the increased rates, concurred in by a recognized registered engineer to be designated by the Village Council. Permission by the Municipal Finance Commission of the State of Michigan (or such other State commission or agency as shall have jurisdiction over the issuance of municipal bonds) to issue such additional bonds shall constitute a conclusive presumption of the existence of conditions permitting the issuance thereof.

Except as herein authorized, no additional bonds having equal standing with the bonds of this issue shall be authorized or issued.

Section 19. Said bonds shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF CLINTON
VILLAGE OF MAPLE RAPIDS
WATER SUPPLY SYSTEM
REVENUE BOND

No. _____ \$100.00

KNOW ALL MEN BY THESE PRESENTS THAT THE VILLAGE OF MAPLE RAPIDS, County of Clinton, State of Michigan, for value received, hereby promises to pay to the bearer hereof, but only out of the revenues of the Water Supply System of the Village, including all appurtenances, additions, extensions and improvements thereto, the sum of

ONE HUNDRED DOLLARS on the first day of April, A. D., 19____, with interest thereon from the date hereof until paid at the rate of _____ per cent (____%) per annum, payable on April 1, 1966, and semi-annually thereafter on the first day of October and April of each year, upon presentation and surrender of the proper interest coupons hereto attached as they severally become due. Both principal of and interest on this bond are payable in lawful money of the United States of America at _____, and for the prompt payment thereof, the gross revenues of the Water Supply System of the Village of Maple Rapids, including all appurtenances, additions, extensions and improvements thereto, after provision has been made for reasonable and necessary expenses of operation, administration and maintenance are hereby irrevocably pledged and a statutory first lien thereon is hereby created.

This bond is one of a series of ninety-nine (99) bonds of even date and like tenor, except as to date of maturity _____, aggregating the principal sum of \$9,900.00, numbered consecutively in direct order of maturity from 1 to 99, inclusive, issued pursuant to Ordinance No. _____, duly adopted by the Village of Maple Rapids on _____, 1965, and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of defraying part of the cost of acquiring and constructing additions, extensions and improvements to the water supply system consisting of new wells, necessary pumps, and additional water mains together with the necessary appurtenances and attachments thereto in the Village. For a complete statement of the revenues form which, and the conditions under which this bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued, and the general covenants and provisions pursuant to which this bond is issued,

On the first day of _____, A. D., 19____, the Village of Maple Rapids, County of Clinton, State of Michigan, will pay to the bearer hereof the sum of _____ Dollars, in the manner and out of the revenues described in said bond at _____, being the semi-annual interest due that date on its Water Supply System Revenue Bond, dated July 1, 1965, No. _____.

This coupon is not a general obligation of the Village of Maple Rapids, but is payable out of certain revenues as set forth in the bond to which it pertains.

Village Treasurer

Section 20. The Village Clerk is hereby authorized and directed to make application to the Municipal Finance Commission for authority to issue and sell said

reference is made to the above-described Ordinance.

Bonds of this issue numbered 1 to 19, inclusive, maturing in the years 1967 to 1975, inclusive, are not subject to prior redemption.

The right is reserved to redeeming bonds numbered 20 to 99, inclusive, maturing in the years 1976 to 1994, inclusive, at the option of the Village, in inverse numerical order, on any interest payment date on or after April 1, 1975, at par and accrued interest to the date fixed for redemption.

Thirty days' notice of the call of any bonds for redemption shall be given by publication in a paper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds, or by mail to the known holders. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond, and is not a general obligation of the Village of Maple Rapids and does not constitute an indebtedness of said Village of Maple Rapids within any constitutional or statutory limitation, but is payable, both as to principal and interest, solely from the revenues of the Water Supply System of the Village. The principal of and interest on this bond are secured by the statutory lien hereinbefore mentioned.

The Village of Maple Rapids hereby covenants and agrees to fix and maintain at all times while any of such bonds shall be outstanding, such rates for service furnished by said Water Supply System as shall be sufficient to provide for payment of the interest upon and the principal of all such bonds as and when the same become due and payable, and to create a bond and interest redemption fund (including a bond reserve account) therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of said Water Supply System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for said System as are required by said Ordinance.

This bond and the interest thereon are exempt from any and all taxation whatsoever by the State of Michigan or by any taxing authority within said State.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the Village of Maple Rapids, County of Clinton, State of Michigan, by its Village Council, has caused this bond to be signed in the name of said Village by its President and to be countersigned by its Village Clerk, and its corporate seal to be hereunto affixed and has caused the annexed interest coupons to be executed with the facsimile signature of the Village Treasurer, all as of the first day of July, A. D., 1965.

VILLAGE OF MAPLE RAPIDS

Storm defense meet Tuesday

Tornado defense will be the general topic at a meeting of representatives of cities and villages, members of the press, school personnel and amateur radiomen next Tuesday night at Smith Hall.

E. H. Eichmeier, meteorologist in charge of the US Weather Bureau at the Capital City Airport, will be the speaker, along with Lt. Glenn Dafeo, acting commander of the operations and communications bureau of the Michigan State Police.

THEY WILL discuss tornado formation and weather bureau forecasts and warnings, along with "Community Action Against Tornadoes."

Albion senate names Taylor to committee

Albion College freshmen George Taylor of St. Johns, recently elected to the Albion Student Senate, has been named a member of that body's foreign student board. He is the son of Mr and Mrs Landon E. Taylor of 6252 Walker Road, St. Johns.

Honor Elsie students at awards assembly

ELSIE—Students in the Elsie Junior and senior high schools were honored for the activities in various phases of school life recently at an awards assembly at the high school. A partial list of the awards follows.

Janice Kelley, a freshman, was presented an attendance medal by Principal Ralph L. Stull in recognition of her record of never having been absent or tardy during her 10 years of school life.

STUDENT COUNCIL certificates were issued to the following student council members for their services during the past year: Gary Bashore, president; Dennis Baese, vice president; Celeste Buck, secretary; Linda Sturgis, treasurer; Carol Price, James Temple, George Keck, Thelma Dunham, Charles Lane, Phyllis Stewart, Bruce Harden, Terry Latham and Connie Smith.

Future Teachers Assn. pins were given to Cindy Kelley, Celeste Buck, Barbara Horak, Joan Geiger, Sharyn Moore and Mary Slagh.

DAVID LATZ received an achievement medal in recognition of his outstanding achievement in Algebra I.

Varsity cheerleaders were given awards. Diane Foreit received a letter and Sonja Goscinski, Marsha Smith and Patricia Dennis received megaphones. Junior varsity cheerleaders receiving certificates were Kathryn Melvin, Linda Sturgis, Karen Smith and Rebecca Smith.

THE FOLLOWING students received State League Certificates and pins for their part in debate: Dennis Baese, William Houska, Rebecca Bellinger, Mary Brade, Maureen Peck and Patricia Farr. Certificates were issued to David Williams, Nancy Luznak, Sharyn Moore, William Zuchschwerdt and Barbara Warner.

Students receiving forensic awards were Mary Brady, Maureen Peck, Nancy Luznak, Linda Tomasek, Kenneth Baese, Rebecca Bellinger, Sonja Goscinski, Sharyn Moore and Dee Washburn.

The FHA Chapter Degree was conferred on Janice Levey. She received a FHA pin with a scroll attached.

THE CRISCO AWARD was awarded to Mary Brady for outstanding work in home economics. Mary is the daughter of Mr and Mrs Warren Brady of 6520 Buck Road, Elsie. While she did not major in home economics in high school, she plans to major in home economics at Messiah College in Grantham, Pa.

The following students received certificates of scholarship in mathematics: Gary Bashore, Gary Drown, Pat Farr, Bill Houska, Lisa Knight, Howard Kremer, Bob Ladiski, Ellen Loynes, Carl Moore, Maureen Peck, Lynda Purves, Penny Sturgis, Jim Temple, George Tomasek and Pat Winkler.

STUDENTS receiving certificates of scholarship for science were Gary Bashore, Gary Drown, Pat Farr, Bill Houska, Bob Ladiski, Maureen Peck, Lynda Pur-

ves, Jim Rivest, Jim Temple and Pat Winkler.

Senior band awards were also made. Receiving letters were Bob Ladiski, Jack Ellis, Rosy Porubsky, Cindy Kelley (twirler), Jennifer Keys, Doug Boog, Connie Kelley, Larry Ladiski, Jackie Moore, Rosemary Saxton, Mike Stambersky, Rita Washburn (librarian) and Bill Zuchschwerdt. Band service bars were given to Barbara Easlick (twirler), Tom Ebert, Pat Farr (twirler), Howard Kremer, Maureen Peck, Terry Seybert, Betty Thornton, Dee Washburn, Jerry Bernath, Barbara Doubrava, Dennis Heron, Barbara Horak, Larry Kremer, Sharry Moore, Terri Randolph, Mary Slagh, George Keck, Mike Seybert, Bruce Powelson and Mark O'Donnell.

First year band pins went to Thelma Dunham, Matt Courter, David Ensign, Robert Justice, Dale Kelley, Janice Kelley, Nellie Lover, Cathy Robinson, David Williams, Ronald Sills, Joe Vosttrizansky, Donald Wilson and Richard Easlick.

The Arion Award for the outstanding senior went to Barbara Easlick.

The following seniors received special service awards for assistance to the sponsors and the class: Dee Washburn, Carol Lewis, Suann Keck, Gary Drown and Robert Ladiski.

OTHER STUDENTS received certificates and were recognized for their work in such fields as audio visual, athletic managers, library and school office. Others were honored for perfect attendance during the year.

Among the lesser known important facts about Michigan are that its annual crop of 34 million pounds of strawberries, harvested from 11,000 acres, has a value of \$5.5 million; some 300,000 maple trees yield 65,000 gallons of syrup with a value of \$350,000; 6,000 acres of peppermint produce a crop worth \$800,000 annually; and 3,000 acres of spearmint yield a crop of \$600,000 value a year.

ORDINANCE . . .

Continued from page 10B
bonds, and for approval of the form of notice of sale of said bonds in accordance with the provisions of Act 202, Public Acts of Michigan, 1943, as amended, and of Act 94, Public Acts of Michigan, 1933, as amended.

Section 21. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 22. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance, are to the extent of such conflict, hereby repealed.

Section 23. This Ordinance shall be recorded in the minutes of the meeting of the Village Council at which it was adopted, as soon as practicable after its passage, which record shall be authenticated by the signatures of the President and Village Clerk, and shall be published once in the Clinton County News, a newspaper of general circulation in said Village.

Section 24. This Ordinance shall become effective immediately upon publication.

OFFERED BY Drumheller, SUPPORTED BY Stevens; carried by the following vote: ayes—Members Drumheller, Stevens, Lowe, Abbott and Helen D. Howe, village clerk; nays—members none.

ELSTON HICKS
President

HELEN D. HOWE
Village Clerk

I hereby certify that the foregoing is a true and complete copy of an Ordinance adopted by the Village Council of the Village of Maple Rapids, County of Clinton, Michigan, on May 26th, 1965, and that the same has been recorded in the Ordinance Book of the Village, and such recording authenticated by the signatures of the President and Village Clerk.

HELEN D. HOWE
