City denies license for dances at Villa

The St. Johns city commission last week denied a dance hall license for the weekend dances at the Villa Hall, former bowling alley building on W. Railroad Street in downtown St. Johns.

The establishment had been operated in recent months by Darlo's Club, a non-profit recreational corporation, and was under the management of Darlo Medrano of Lansing.

He told the city commission that the St. Johns dances have been attracting as many as 300 people from this and neighboring communities.

IN DENYING the license, the commissioners cited a report filed by Chief of Police Everett Glazier and City Attorney Harold Reed.

The Glazier - Reed report showed 14 arrests at or near the Villa Hall since April 1. Charges against those apprehended included 8 minors in possession of intoxicants, 7 persons drinking on a public highway, 2 for furnishing liquor to minors and one drunk and disorderly.

The report said that none of those arrested was from the immediate St. Johns area. Several were from as far away as Saginaw, Adrian and Plainwell.

Sheridan, Eagle 9 OK annexations

Two Clinton County school districts have been annexed to larger districts in two other counties as a result of special elections Monday.

The Sheridan Road School District by a better than 2-1 margin voted, to annex to the Lansing school district, in the last of a long series of elections there on annexations, political splits and extra millage. On the southwest side of the county, the Eagle 9 (North Eagle) School District voters approved annexation to the Portland Public School District.

THERE WERE three proposals in each of the annexation elections.

At Sheridan Road, proposal No. 1 for annexation passed 276 to 78, with 354 ballots being cast. Proposal No. 2 was for 11.3 mills to be assessed against real estate property, and that issue passed 252 to 100, with 352 ballots cast. Proposal No. 3 was for a tax of 3 mills against all property, and it passed 251 to 102, with 353 ballots cast.

Thirty-three voters cast ballots in the North Eagle election. Twenty-nine voted yes and 4 said no to the No. 1 proposal on annexation. Proposal No. 2 was for raising the tax limitation by 3 mills for three years, and it was approved 27-6. Issue No. 3 was for the assumption by the Eagle 9 district of their pro rata share of the 1962 unlimited tax bonded indebtedness of the Portland Public Schools. That issue passed 29-4.

Local youths speak at Rotary Tuesday

Two St. Johns youths who were sponsored by Rotary at boys' leadership sessions this summer reported on their experiences to the local club Tuesday noon.

The speakers were Bob Barber, who attended Boys' State at MSU in East Lansing, and Larry Tiedt, who went to Camp Emory, near Muskegon.

Dwane Wirick was program chairman for the noon meeting and introduced the youths.

Senior Citizens ice cream social and dance at Redwing Bowling Lanes, Friday, Aug. 6. Chillburgers, pie, cake, ice cream, coffee, iced tea. Start serving at 5:00 p.m. 14-2

2 Fowler youths killed in crash

Two Fowler youths died late Saturday night in a flaming one-car accident on Round Lake Road in Victor Township.

They were the fifth and sixth Clinton County traffic accident victims this year.

Dead on arrival at Sparrow Hospital in Lansing were Kenneth N. Fox, 20, of 459 S. Main Street, and Gerald F. Simon, 19, of West Second Street.

Mr Fox was the son of Clemens Fox of Fowler, and Mr Simon was the son of Mr and Mrs Roman Simon.

patched to the scene, but only two were used. The DeWitt Fire Department was called out and they extinguished the car fire, which could have spread to dry fields adjacent to the road.

Double funeral services for the two victims were to be held Wednesday at 10 a.m. at Most Holy Trinity Church in Fowler. Complete obituary information appears under Clinton Area Deaths elsewhere in this issue of the Clinton County News.

Big bargains at Sidewalk Days

Bigger and better bargains than ever are what St. Johns merchants are planning to offer area shoppers next Thursday and Friday during the special Sidewalk Days Sale.

Merchants will move some of their wares onto the sidewalks in the downtown business district so that it will be all the more convenient for shoppers. Special Sidewalk Days prices are planned.

"Come and buy. There'll be bargains galore," the Chamber of Commerce Retail Division said. That organization of businessmen is sponsoring the annual sale.

Motorcycle hits dogs, Ovid couple injured

An Ovid couple riding a motorcycle suffered cuts and bruises Friday evening when the cycle hit two dogs that ran in front of them on Shepardsville Road near Pratt Road in Victor Township.

Injured were Robert G. Parker, 21, of 170 Glen Wood, Ovid, and Diane Parker, 22. One of the dogs hit by the cycle was killed in the accident.

Flames Eat Away at Hay in Barn on Walton Farm

Fowler Firemen Leave Scene of Thelen Barn Fire Saturday

Weekend fires level 2 big barns in county

Spontaneous combustion was considered the probable cause of two major fires over the weekend that destroyed two large barns on farms in central Clinton County.

Saturday afternoon a large barn on the Marvin A. Thelen farm on South Bauer Road two miles southeast of Fowler was destroyed by flames, and Thelen estimated damage at between \$15,000 and \$20,000. A large amount of hay and some dairy equipment were lost.

SUNDAY AFTERNOON 2,500 bales of hay, 100 bales of straw, a bull and six heifers were lost in a fire that leveled a barn on the Claude Walton farm on North Williams Road southwest of Eureka. That fire also touched off a grass fire that spread over more than 15 acres of fallow land.

The Walton fire Sunday broke out shortly before 5:26 p.m., the time at which the St. Johns Fire Department was alerted. Witnesses said there was a big "poof" and the whole barn seemed to be on fire.

Seek transfer into city

Three S. Swegles Street property-owners whose land remains in Bingham Township, but is surrounded by the City of St. Johns, would like to become part of the city, they told the city commission here last Tuesday night.

Appearing before the commission to discuss the matter were Burton Kramer, 1007 S. Swegles, and Mr and Mrs William C. Buehler, 1005 S. Swegles. They said their chief interest in becoming part of the city is to benefit from sanitary sewer service.

CITY Commissioners said they had no objection to having the

SMOKE WAS visible in St. Johns and firemen had no chance to save the structure. One truck stood by to prevent the spread of the blaze to nearby farm buildings and the Walton home, and the other was sent across the fields to fight the fast-moving brush fire.

The Duplain Fire Department was called on for assistance about 6:30, and they helped in the fighting of the grass fire. Chester Walton, who also operates the farm, said Monday night the fire was still burning in the wooded area. He said it was considered no threat unless the wind became stronger. The woodland is owned by John Marton.

WALTON said most of his farm animals were not in the 40 by 60-foot barn when the fire broke out. Seventeen cows and one heifer were out to pasture and five other heifers were in a barnyard and were able to get away from the flames.

Two other heifers were burned badly on the back and were later butchered out.

Walton said the blaze all but

properties within the city, but pointed out that the procedure required approval of the county Board of Supervisors and the electors of Bingham Township and the City of St. Johns.

City Attorney Harold Reed suggested that the property-owners first seek approval of the county board. If that is forthcoming, a special election might be scheduled in conjunction with the November, 1966, general election, Reed said.

The Kramer and Buehler properties have total frontage of 294 feet on S. Swegles Street and are 150 feet in depth.

destroyed his feed business. In addition to the hay and straw, a silo at the edge of the barn, half full of corn silage, was destroyed in the fire.

"NOW BECAUSE of the drought we probably won't have a second cutting of hay," he said.

It was the second barn fire in two days for St. Johns firemen. Saturday afternoon about 2:15 they were called to assist the Fowler department in battling the blaze at the Marvin Thelen farm.

Insurance investigators have listed the cause of the fire as undetermined. It was discovered about 2 p.m. by Marvin Miller, an artificial inseminator of livestock, who had left the barn only a few minutes before.

MILLER CALLED the Fowler Fire Department and saved some calves, a young bull and machinery in the barn before the big structure was swept by flames.

The barn had three major sections, Thelen said, and about 120 tons of hay was lost in the 60 by 40 and 50 by 32-foot sections. About 1,000 bushels of oats in a 32 by 32-foot grainery section of the barn were also lost in the fire.

THE BARN ALSO housed a milk house and bulk tank. They were destroyed, too, in addition to a number of farm tools Thelen kept in the barn.

Deadline Friday for fair entries

Clinton County 4-H Fair entries must be turned in to the county extension office in St. Johns before this Friday, July 30. This is a must for those who plan to exhibit, 4-H extension agent Donald Walker warned.

THE CITY Commission's attention was first called to dances at the hall when they were presented several weeks ago with a petition from a group of women asking that the place be closed. None of the petitioners was a resident of St. Johns.

Medrano pleaded with the commission to allow dances to continue at the hall. He said there had been no trouble here for the past two months. This was confirmed by City Attorney Reed.

The building is under lease to H. O. Tatroe of St. Johns, who has been submitting to Medrano's organization.

The commission took no action on a request for a dance license from William Karber at the Ranch Roller Rink. The commissioner said they are awaiting a report from the police and fire departments with respect to the Karber establishment.

Name C of C unit chairmen

Chamber of Commerce committees for the 1965-66 year were announced this week by that organization's new president, Donald Gilson, who made the appointment of committee heads effective immediately.

Gilson appointed John Rumbaugh, vice president of the Clinton National Bank, to head the Chamber's Industrial Committee; Ray Mitchell, manager of Hibbs Shoe Store as the chairman of the Chamber's Tourist Committee; Bernard Feldpausch as chairman of the Chamber of Commerce Public Relations Committee; and Lester Lake will continue as head of the Retail Committee, to which he was recently elected by that committee.

WITHIN THE next few weeks Chamber President Gilson will meet with the tourist, industrial and public relations chairmen to appoint and confirm appointments of the members of these committees and to formulate programs of work and goals for them.

President Gilson also appointed the executive committee of the board of directors to serve as a legislative committee for the Chamber, taking whatever action it deemed necessary in forming legislative policy. On the executive committee are Gilson, Rumbaugh and Leon Brewbaker.

2 cars on Essex road collide; driver ticketed

Judith Ann Fabus, 16, of R-1, Elsie, and Frederick H. Lyttle, 24, of Wayne, Mich., were drivers of cars that collided on Forest Hill Road north of Mead Road in Essex Township early Saturday morning.

Miss Fabus said she saw lights coming, braked and pulled to the right. Lyttle said he saw the other car with its front end off the road but the back end across the road. The two cars collided. Miss Fabus was ticketed for driving left of center of the road. No one was hurt.

State police said Fox, Simon and Boak were thrown from the auto; Hufnagel was trapped in the overturned car, which was a 1965 model convertible. Two other motorists, who came upon the scene almost immediately, were credited by state police with probably saving Hufnagel's life. They were able to lift the car enough to free him, but he suffered severe burns.

THE IDENTITY of his rescuers was not known to state police.

The DeWitt Fire Department truck stands by in the background after firemen put out the fire in the crumpled 1965 model convertible which carried two Fowler youths to their deaths late Saturday night. They had been thrown from the car before it caught fire, but another Fowler youth was burned badly before his rescue from the car by two passing motorists. The crash scene is on Round Lake Road at Round Lake.

Bath election Saturday on millage, charter status

BATH —Bath Township voters will decide at the polls Saturday whether to become a charter township, which would give it the status of a fourth-class city and additional tax levying power.

Voters will also decide on a question of increasing the limitation on taxes by four mills for 10 years to provide additional funds for road building.

POLLS WILL be open from 7 a.m. to 8 p.m. at two precinct polling places: 13646 Main Street in Bath, and 5959 Park Lake Road, Bath.

The charter township status for Bath would make it the first in Clinton County, if voters approve it. Several townships in Ingham County are charter townships, and Watertown in Clinton County will vote on an identical question Sept. 7.

IF CHARTER township status is approved, it would have this effect, according to township officials:

—The township would have the same powers as a fourth-class city.

—The five-man township board of trustees would be enlarged to seven men at the next regular

election. No change in the number of members or their status will be made in the meantime.

—THE TOWNSHIP board would have the right to levy up to five mills of taxes without a vote of the people. Now the board is limited to 4 mills that it can levy and that must be used for road purposes.

—It will be easier for the charter township to sell any bonds that it may desire to do so in the future. This is because, as an incorporated township, the township would be pledging the full faith and credit of the whole body, whereas now the bond purchasers can be assured of their money only from water users, sewer users or whatever the particular need might be.

THE CHARTER township is provided for in Act No. 359 of the Public Acts of 1947.

A lively discussion, led by Supervisor Gerald Shepard and the State Election Director Robert Montgomery was held last Wednesday evening at the James Couzens School gym concerning the two election propositions. Sixty-two township residents attended the meeting.

The charter township issue is

proposition No. 2, officially. Proposition No. 1 is for a millage increase. It reads as follows:

"SHALL THE limitation of the total amount of taxes which may be assessed against all property in the Township of Bath . . . for all purposes except taxes levied for the payment of obligations incurred prior to Dec. 8, 1932, be increased by four mills of the assessed valuation as equalized on all property in the township for a period of 10 years, the years 1965 to 1974, both inclusive, for the purpose of providing additional funds to be used for the building of local roads?"

Watertown Township voters will have an identical charter township proposition to decide on Sept. 7. Monday, Aug. 9, is the last day to register for that election in Watertown.

P-W hosts school reorganization study committee

Pewamo - Westphalia School Supt. Bill Steinke was host to the July meeting of the Clinton County School Reorganization Study Committee, attended by 12 of the 18 members.

Steinke conducted the group on a tour of the building and gave the study group some background information for their use. Pewamo - Westphalia Schools enrollment now totals 513 students, he said, including those in the new high school, a kindergarten and a special education room in Westphalia and a K to 6 school in Pewamo.

IN ADDITION, he pointed out, the district has two parochial schools with a total enrollment of 601; Pewamo St. Joseph's operates a school for grades three to eight, and Westphalia St. Mary's has grades one to eight.

The high school was built to house 400 students, Steinke said, and will soon be filled to capacity.

Reports on several annexations and a couple of pending annexation elections were given by various committee members. The next meeting of the committee will be Aug. 12 at 8 p.m. at the Fowler High School.

MEMBERS OF the School Reorganization Study Committee include Chairman Carl Bates, Clinton County superintendent of schools, and Lee Ormston, Irene Zeeb, Paul Thelen, Julius Koenigsnecht, Stanley Loznak, William Brook, Al Johns, Leon Schumaker, Cyrus Waldron, Wally Cross, Norman Thelen, Lawrence Seeger, Douglas Cook, Paul Nobis, Janet Everett, Harold Benson and Wendell Waggoner.

Donate 236 pints at Bloodmobile

St. Johns area residents responded exceptionally well last Tuesday and donated 236 pints of blood during the visit of the Bloodmobile to St. Johns, Red Cross officials reported.

The total donation was 11 pints over the goal sought. Some 278 persons volunteered to give blood, but 52 were turned away for medical reasons.

COUNTY RED Cross officials were extremely happy over the success of the semi-annual Bloodmobile visit. The 236 pints of blood was 21 higher than the number given last Dec. 29.

They were also happy about the breakdown of donors. They had hoped to have 20 per cent of the donors have negative types of blood, for which there is now a particular need; they got 24 per cent with negative types of blood. And 23 per cent of the donors were first-time volunteers.

TEN OF the persons who gave blood did so for special surgery needs on the day of the Bloodmobile visit. Eight donors with O-positive blood and two with B-positive blood volunteered for a special process. Their blood was put in "double packs," was rushed to the Red Cross Regional Blood Center in Lansing by 3 p.m. for processing and was on its way to the hospitals needing it by 4 p.m. the same day.

Bloodmobile personnel noted there was a steady flow of volunteer traffic all afternoon, with no exceptional jam-ups of donors.

THE LOCAL Red Cross and Bloodmobile officials expressed their appreciation and thanks to the donors, volunteer workers and others for helping make the Bloodmobile visit a success. Noteworthy was the response of Federal-Mogul Corp. employees, who were recruited and who gave blood as an employee project.

The following persons were volunteer donors last Tuesday:

No burning! fire chiefs rule as drouth continues

No burning permits will be allowed by the St. Johns and DeWitt fire departments until a good rain alleviates the fire hazard which has kept firemen running during the last week.

St. Johns Fire Chief Clare Mater announced the curtailing of burning permits Monday and said violators of the no-burning edict will be prosecuted.

"THIS MEANS no burning whatsoever," he said, "until we get some rain. This stuff is getting tinder dry. Even green grass is burning."

A similar order against burning has also been issued by DeWitt Fire Chief Glenn Halterman.

Only a few showers bearing an almost infinitesimal amount of water have fallen on Clinton County since the first of July, and the whole summer has been one of extreme dryness. Rainfall in the county since April 1 has been less than half the normal amount.

THE CONTINUING drouth is not only giving farmers fits as they watch their crops wither, but it has alarmed firemen and kept them busy answering fire alarms. From last Wednesday through Tuesday, St. Johns firemen had been called out eight times, at least once a day every

4 youths nabbed with beer in car

Four young people, including two girls, were involved in a case of minor in possession of beer in DeWitt Township Sunday.

Joseph N. Wise, 21, of 214 E. Randolph, Lansing, was fined \$25 plus \$19.90 and sentenced to five days in the county jail for furnishing beer to minors.

MARY JANE Keusch, 19, of 714 Center Street, Mason, was charged with minor in possession. She was fined \$25 plus \$19.90 costs and put in jail for one day and was also placed on probation for six months. David H. Ide, 19, of 247 E. Randolph, Lansing, was fined \$25 plus \$19.90 costs and sentenced to three days in jail, also for minor in possession.

Justice of the Peace Roy Decker of DeWitt imposed the fines after the four youths were arrested by DeWitt Officer Charles Anderson. Another girl, age 16, was sent to the county detention home pending the hearing of her case in probate court in Lansing.

Lansing man fined \$100 for recklessness

Carl E. Weiselberg, 29, of 3233 Haag Road, Lansing, was fined \$100 plus \$4.30 costs and placed on one year probation after he was found guilty Monday of reckless driving. The charge was reduced from an earlier one of driving under the influence of liquor. He was arrested in St. Johns.

day through Monday. Some, but not all, of the fires were the result of the dry weather. Here's the rundown, starting last Wednesday.

July 21: to Robert Gladstone home, 8301 Welling Road, Eureka, grass fire, 11:54 a.m.; to Stanley Smith home on West Walker Road, grass fire, 1:30 to 3:30 p.m.

JULY 22: to Richard Argersinger home, 303 W. Gibbs Street, St. Johns, chair fire, \$50 damage, 11:10 a.m.

Prosecutor to seek new trial of Alma golf pro

A Municipal Court jury failed to agree on a verdict in the trial of a drunk driving case before Judge Alba Wert in St. Johns Wednesday.

Prosecuting Attorney Norman White said Thursday he would continue to press charges against Clifford Settergren, 54, of Alma, and seek another trial.

Settergren, golf professional at the Alma Country Club, was apprehended by sheriff's officers on South US-27, near the St. Johns city limits, on Oct. 12, 1964. He had pleaded not guilty to the charge of driving under the influence of intoxicants.

AT HIS TRIAL Wednesday, the Alma man testified that he had

July 23: to Hub Motel, North US-27, grass fire, 2:05 p.m.

July 24: to Marvin Thelen farm near Fowler, barn fire (see separate story.)

July 25: to Claude Walton farm near Eureka for barn fire (see separate story); to US-27 south of Parks Road, grass fire (never found), 9:40 p.m.

July 26: to Taft Road west of the County Farm, grass fire, 4:18 p.m.

five drinks the day he was arrested. He had been in Battle Creek, had stopped in Lansing for dinner and was en route to his Alma home when officers stopped him here.

It is reported that the jury stood 5-to-1 for conviction. Judge Wert dismissed them when they could not reach unanimous agreement.

Serving on the jury were Mrs. Thelma Bedell, Leland Bennett, Mrs. Florence Budd, Mrs. Helen Fowler, Mrs. Mildred Countryman and William Buggs, all of St. Johns.

Jack Walker, local attorney, defended Settergren.

2 on cycle hurt in car collision
Allen R. Dezess, 26, of 14277 Turner Street, DeWitt, was ticketed by DeWitt police officers following an accident on Elmwood Street near Cherry Street there Sunday evening.
Policeman Charles Anderson ticketed Dezess for failure to yield the right-of-way after he reportedly turned left into a driveway in front on an on-coming motorcycle driven by Roy D. McLain, 20, of 601 Birchwood, DeWitt.
McLain and a passenger, Nancy Sue McLain, were thrown from the cycle and suffered cuts and bruises. They were treated at St. Lawrence Hospital in Lansing. McLain's motorcycle hit the right rear fender of the car as it turned in front of the cycle.

Larry Burns, (left), Lewis Kramer and Bruce Fowler, officers of Egan Ford Sales, Inc., look over plans for the extension of the company's used car lot which necessitated the demolition last week of the landmark they're standing in front of. The building, across from the main sales rooms on West Higham Street, has been owned for some time by the motor company. The building was torn down Friday.

Old Schoendorf building razed as Egans expands

An 80-year-old landmark in St. Johns—the old Schoendorf blacksmith shop building on West Higham Street across from Egan Ford Sales, Inc., was razed Friday to make room for an expansion of Egan's used car department.

The building at 201 W. Higham at the corner of Brush Street, has a long history of automotive uses as well as its pre-auto use. William Luecht of 103 S. Oakland Street, who used to operate an auto dealership there, said he thought the building was built around 1880.

IT WAS originally a blacksmith shop owned by Joe Schoendorf's father, and Luecht said it was about 30 years old at the time William J. Moss bought it in 1911. Moss had the dealership for the old Maxwell, the forerunner of the Chrysler, and the EMF, the forerunner of the Studebaker.

Luecht joined the agency as a partner in 1916, and they sold the

brisco, Maxwell, EMF, Dodge and Oakland cars. Luecht bought the entire business and the building in 1922 and spent several thousand dollars remodeling it and putting in a basement.

MARK AND LEE DeWitt moved their wholesale grocery business to the building in 1939 when Luecht retired from the auto business to spend full time as a bank official.

The DeWitts operated there until 1954 when the building was sold to Jay Egan. A corporation headed by Larry Burns, Lewis Kramer and Bruce Fowler bought the Egan business a year ago and with it the old building. It has been used mainly for parts storage and as an office for the used car department.

FROM EVERY STATE There were visitors to Michigan from every state in the Union last year, Michigan State Highway Department Travel Information Center counselors report.

Rep. Paul Todd here Friday

Congressman Paul H. Todd Jr. of the Third Congressional District, which includes Clinton County, will be in St. Johns Friday evening to speak informally with interested citizens and particularly Democrats.

The informal meeting will be at Walker's Cafe at 7:30 p.m. Coffee will be served. Todd, from Kalamazoo, expressed an interest in getting to know better the people of Clinton County.

The Todd family has long been active in the county and is still active in merchandising mint oil and spices.

4-H Fair plans set by Kitchen Cookers

Plans for the 4-H Fair were made at the meeting of the Kitchen Cookers 4-H meeting held recently at the home of Mrs. Hewitt VanVelsor.

The meeting was called to order by Miss Linda VanVelsor, president, and the pledge was led by Miss Kathy Smith, vice president.

County does well at Black, White Show

The first Mid-Michigan Black and White Show held at McCurdy Park, Corunna, saw 126 head of registered Holsteins from Clinton, Shiawassee and Genesee counties paraded before Judge Everett Miller of Rives Junction.

Clinton County was well represented and came home with their share of first places and trophies.

GREEN MEADOW Farms of Elsie had first place aged bull and received the Owsosso Livestock Sales Trophy for grand champion bull. Green Meadow Farms also had the first place 2-year-old cow.

Mark Eaton of St. Johns had the first place aged cow.

Kathy Hazle of St. Johns had the first place junior calf.

DANA SUE Hazle of St. Johns had first place senior calf and first place junior yearling heifer. Dana Sue's senior calf was named Junior Champion of the show and she received the Owsosso Savings Bank Trophy for Junior

Champion. The same animal was named best animal-shown by junior exhibitors 13 years and under—and Dana Sue received the trophy sponsored by Swartz Creek Elevator for this honor.

Dana Sue also won the fitting and showing contest for juniors and received the trophy offered by St. Johns Co-Op and a leather show halter given by McDonalds Co-Op Dairy of Flint.

GREEN MEADOW Farms and James Rivest of Elsie and Dana Sue Hazle, Harvey Ballinger and Donald Swagart of St. Johns all had animals that placed second in their respective classes.

Hazle and Ballinger had first place junior-get-of-sire with a get of Beldenrust Royal Pontiac.

Several other Clinton County Holstein Breeders placed well in the show.

THE CLINTON County Holstein Board of Directors expressed its thanks to all exhibitors and spectators for making this first Mid-Michigan Black and White Show a success.

First Nighters, 'Parents' Say Farewell to Anita

Miss Anita Masterson, center, exchange student from England at St. Johns during the 1964-65 school year, was honored at a going-away party Monday night by the St. Johns First Nighters. Miss Masterson played the part of an English maid in the theater group's first play, "See How They Run," in January. From left to right are Doris Cramer, new president of the First Nighters; Mrs. Earl Creece, Anita's St. Johns mother; Miss Masterson; Earl Creece; and Roy Brisendine, past president of the First Nighters. The popular exchange student left Wednesday to bus to Northville where she joined other state exchange students for their trips home to Europe. She was to leave Thursday from New York by boat and is scheduled to arrive Aug. 7 in Southampton, England. Mrs. Joan Hopko was chairman of arrangements for Monday night's party and she was assisted by Dee Cartwright, Teresa Sisson, Barbara Rann and Vicki Rowell. Anita is holding a photo album of pictures taken during the play she was in.

New First Nighters President

Mrs. Doris Cramer, new president of the St. Johns First Nighters, talks over her role with Roy Brisendine, who resigned as president Friday because he is moving from town. Mrs. Cramer was elected by the board of directors for the balance of the year to March 31, 1966. James Moore was elected vice president of the theater group. Other officers are Joan Davis, recording secretary; Marilyn Steffens, corresponding secretary; and Steven Hopko, treasurer. Other board members are Hilla Bross, Lol DeGroot, Carl Ludwick and one other to be named by the president. Brisendine will be moving this weekend to Morenci in Lenawee County where he will continue his work as a representative of Sams Technical Institute of Indianapolis, Ind.

Westphalia park dedicated

WESTPHALIA—The new Daniel Droste Memorial Park, located on Price Road at the western village limits, was formally opened Sunday as the Westphalia Jaycees dedicated it to the memory of the man who worked hard for it.

Droste was killed in April 1964 in an auto accident, and never saw his dream of the park fulfilled. Westphalia Jaycees continued the efforts for the park, however, and much work has gone into it during the last year.

A SHORT program was held Sunday to officially open the park. The American Legion Honor Guard, accompanied by the Westphalia Village Band, opened the ceremony with the flag raising. Father Aloysius Miller gave the blessing. Speakers Kenneth Platte, Jaycee president, Village President Gregg Thelen and Township Supervisor Walter Thelen explained why the park was built and named after Droste.

His widow, Mrs. Helen Droste, assisted by her late husband's parents, Mr and Mrs Alfred Droste, cut a ribbon on the bridge between the parking lot and the park to officially open the new facility.

Teen dance Friday

Another teen dance is scheduled for this Friday night at the St. Johns City Park Pavilion, this time with live music to be provided by the DJ's, a local dance band.

Couples are invited to attend, city Recreation Director Ron Dugas said. Dancing will be from 8:30 to 11 p.m.

Circuit couples are entertained by Tee members

Clinton County Country Club's Green Tee members were among 21 teams entered in the best-ball tournament at the Twin Pines Country Club in Clare recently.

The best score of the day for 18 holes of handicap play was 64, shot by Mrs Robert Beech and Mrs Julius Becker.

Mrs Kenneth Munger shot 45 for a low actual score for nine holes in a best-ball tournament in St. Johns Wednesday, July 21. The consolation of the fifth hole was won by Mrs Gerald Danley.

TIES WERE THE order of the day in other events.

Mrs Vera Austin and Mrs Herman Bushman, with a score of 31, tied Mrs James Nuser and Mrs Fred Gutshall for low team net. The consolation prize was also a tie between Mrs Earl Creese and Mrs Jack Walker and Mrs R. E. Russell and Mrs Paul Stoller. Mrs Justin Marzke and Mrs Lester Lake tied for low on holes one, three and five.

Green Tee hosted couples from Ithaca, Portland, Alma, Clare and Grand Ledge for golf and dinner Sunday and Wednesday the annual Green Tee Cup Day handicap play was held with members who turned in three scores eligible.

C of C sets 'Grange Week'

Tuesday, Oct. 19 through Sunday, Oct. 24 has been dubbed "Grange Week" by the St. Johns Chamber of Commerce in honor of the time during which the Michigan State Grange will hold its convention here.

The Grange decided on St. Johns after receiving an invitation from the Chamber in April. Since that time, members of both organizations have been meeting to formulate plans for the convention.

MRS BETTY Jane Minsky, manager of the Chamber, stated that the highlight of the week will be a banquet on Wednesday evening at which 500 persons are expected. The activities will conclude Saturday night at another banquet with 250 anticipated.

"Finding enough meeting room was our big problem up until now," she said. "Plans call for the Wednesday night banquet to be at Smith Hall. The general meetings during the day will be held in the Catholic School gym and we are presently securing additional smaller rooms in buildings nearby for committee meetings."

Mrs Minsky stated that the Chamber was grateful to the Catholic School officials for making the gym available, as this helped secure the convention for St. Johns.

"OUR NEXT problem is a big one—to secure housing for all of the people who will be coming here. We know our motels and hotels will not be able to handle this many people, so we are counting on area residents, including rural folks, to make rooms available in their homes."

Anyone desiring to rent rooms in their homes should call the Chamber office at 224-7248 and

advise how many rooms they have, how many can sleep in each and what the cost would be per night. Or, they can write the Chamber at 222 N. Clinton Avenue, St. Johns. From these listings the Grange members throughout the state will make their reservations.

Auto crashes during chase

David J. Mesh, 19, of 710 W. Park Street, St. Johns, was ticketed by City Police Officer Lyle French early Monday morning after Mesh's car was wrecked following a high-speed chase west of town.

French was investigating reports of loud noises in the West McConnell Street area about 1 a.m. Monday when he observed Mesh's car pull away fast. He pursued Mesh as the latter drove west of town at high speeds to Lowell Road.

AS MESH attempted to make a right turn onto Lowell Road, he lost control of the car and it rolled over in a ditch on the northwest corner of the intersection. Mesh was not injured.

French issued him a ticket for reckless driving.

Pleads guilty as trial opens

Lyle J. Thompson of 114 Elm Street, Ovid, pled guilty to drunk driving May 25 when his municipal court jury trial got under way Tuesday morning in St. Johns.

Thompson had pled not guilty when arraigned in May and had asked for a jury trial. He changed his plea Tuesday when the trial was about to start. Judge Alba Wert fined him \$100 plus \$23.75 court costs and placed him on probation for one year.

Scout Tom Fowler Gets Some Activity Tips

Asst. Scoutmaster Keith Munger of Troop 71 of St. Johns counsels with Tom Fowler, 13, of St. Johns, as Tom began a day of activity at the Chief Okemos Council's Northwoods Reservation near West Branch last week. Some 35 boys from Troops 71 and 81 of St. Johns were there last week for seven days of learning Boy Scout crafts and skills. Tom is the son of Mr and Mrs Bruce H. Fowler of 401 S. Oakland Street. His Troop 71 Scoutmaster is John Williams.

Elsie

By Mrs Neva Keys

The Misses Kathryn and Mary Slagh vacationed last week at St. Petersburg, Fla. They left Sunday morning, July 18, from the Lansing Airport. Kathryn returned Friday and Mary continued on to Miami to spend two weeks with Jennifer Keys, also of Elsie, who is spending the summer with her sisters and brother in Miami. Both will enter Elsie High School as seniors this fall.

PO 2c James Loynes and Mrs Loynes are the parents of a baby girl, Dariann Suzette, born July 20 at the Submarine Base Hospital at New London, Conn., where Loynes is stationed with the Navy. His parents, Mr and Mrs Rex Loynes, reside in Elsie and Mrs Loynes, the former Grace Thomas, is the daughter of Mr and Mrs W. R. Thomas of Ovid.

Bruce Fineout, a 1965 graduate of Elsie High School and son of Mr and Mrs Martin Fineout of rural Elsie, entered the service July 8. His address is Bruce L. Fineout, F. N. 693-91-75, Navy Receiving Station, Philadelphia, Pa., 19112.

Miss Linda Sturgis remains in contest

ELSIE—Linda Sue Sturgis, 16-year-old daughter of Mr and Mrs Leslie Sturgis, is the second girl from Elsie to be named as a semi-finalist to the Miss High School of Michigan Pageant.

Linda and her mother will attend the state finals at Holly's at the Inn in Ann Arbor. The other contestant is Dorothy Bloomer, daughter of Mr and Mrs Robert Bloomer.

Before entering high school, Miss Sturgis served her school on the safety patrol and as a cheerleader. She was a member of the gymnastic club, American Legion Junior Auxiliary and passed her third Cecchite Ballet examinations.

MISS LINDA STURGIS

During high school, she continued as cheerleader and was a member of the Future Teachers' Club, student council, gymnastic club, and on the annual yearbook staff. She was 3rd runner-up in the Miss Teenage Saginaw Pageant.

Miss Sturgis is a member of the same dance line, "The Michigan Debutants," to which Miss Bloomer belongs. She has studied dancing at the Karolyn School of Dance in Owosso for seven years and also performed on the Chesaning Showboat program several times, television's Polka Party at Flint and successfully auditioned for the Flint Civic Ballet.

She was chosen as one of a 12 girl dance line for the National A. C. Spark Plug Show last year.

Active in service and community activities, Miss Sturgis participated as a GOP Girl during the last elections and served as vice president of the American Legion Junior Auxiliary.

A member of the Elsie Methodist Church, its choir and MYF, she also assisted in vacation church school and was a representative to Lake Louise Methodist Camp for two summers.

Her hobbies are dancing, folk singing, sports and sewing. She will enter Elsie High School as a junior in the fall and plans to continue her education after graduation at Western Michigan University where she will major in journalism or psychology.

Weather endangers string bean crop

EAST HUBBARDSTON—A recent farming venture in the East Hubbardston area is the growing of string beans.

Three picking machines were going at the Tabor and Langdon farms recently. However, like other crops in the area, the string bean crop is endangered by the dry weather.

Rev Wallace Haines, who preached at the Hubbardston and Palo Methodist churches, Sunday, heads the International Council of Christian Leadership, a laymen's organization. He lives in Paris, France, and recently visited Rome at the invitation of the Pope. The Council is supported by many denominations.

Visiting the C. S. Langdon farm Sunday was the Yates family of Midland. Susan and Tom Yates just returned from a 4-week trip to Europe.

Mr and Mrs L. E. Lattimer drove to a Detroit airport Wednesday, accompanied by their grandson, John Lattimer, who returned to his home in New Jersey. The Lattimers were entertained at the Andy Brown residence in Grosse Pointe that night.

Mr and Mrs Alvin Clark of Swartz Creek spent Wednesday with Mr and Mrs Owen Andrews. Carlyse Bennett was home for a few days from Grand Ledge. He returned Sunday.

Fred Tabor is reportedly ill in St. Lawrence Hospital, Lansing. Clyde Warner of Milwaukee, Wis., visited friends and relatives around Lansing and Hubbardston last week.

Mrs C. G. Falor is visiting her daughter in Dansville.

Mrs Esther Lee of Yucaipai, Calif., spent Tuesday afternoon with Mary Barrone and Wednesday at Amy Allen's.

The Andrews-Falkner reunion was held at Lumber Jack Park, Sunday.

Mr and Mrs Eldon Andrews and Mr and Mrs Falkner of Elm Hall called at Owen Andrews Sunday evening.

The Kane reunion was held at Crystal Park Sunday, July 25, with a potluck dinner at 1:30 p.m. Eighty-two descendants were present. Swimming and boating provided the amusement for the afternoon.

Rev James Cusack and Mrs Edward Cusack spent the week touring northern Michigan. Copper Harbor and Munising were points of interest visited.

Mr and Mrs Ray Reed of Madison, Wis. visited Mr and Mrs Thomas Cunningham the past week.

Mr and Mrs James Boomer are vacationing at Crystal Lake for two weeks.

Mr and Mrs Raymond McGinn and Mr and Mrs Patrick McKenna left, Monday morning, on a trip through the Eastern States and Washington, D. C.

Mr and Mrs Raymond Donahue and family are spending two weeks at a cottage at Crystal Lake.

Edward Stoddard is a patient at the Carson City Hospital.

Miss Linda Cunningham was at Coldwater Lake near Bear City last week as a guest of Sue Luna of Westphalia.

The Matherton Sportsman's Club has taken over the Lebanon Township Hall in Matherton for their Club House.

The Strickland School House, north of Fowler, is being remodeled for a new Lebanon Township Hall.

4-H club members get fair practice

ELSIE—The Brush and Halter 4-H Club held two meetings recently.

The first one was at the home of Duane and Bryon Green where cows were judged. The second meeting was at the home of Carol and Mike Lewis. Carol led her calf and Rex Ballantine, leader, pointed out the correct position for the feet of the calf to be in while being judged at the 4-H Fair. Registration blanks for the Fair were filled out.

Refreshments were served by both host families. The next meeting will be Aug. 4 at 8 p.m. at the home of Douglas Wilcox on South Shepardsville Road.

Mr and Mrs S. J. Keys and son, Jack, spent the weekend at Houghton Lake. They called on their uncle, Ezra N. Keys, at the Gladwin Nursing Home. Keys, who lived in Elsie for several years, will be 96 years old next Saturday. Jack Keys will enter St. Lawrence Hospital in Lansing for leg surgery as a result of a bicycle - automobile accident which occurred four years ago.

'St. Johns' magic for Gittleman

Jim Gittleman, the 21-year-old Alma collegiate golfer, is finding magic in the association with St. Johns.

Earlier this summer he won the Jaycee Best-Ball tournament at Green Meadows in Lansing by teaming up with John Hopko of St. Johns. Saturday he had a different teammate but he again won, this time at the Clinton County Country Club Best-Ball Tournament at St. Johns.

GITTLEMAN and his partner, Willie Hopkins of Lansing, shot a 101 total on 27 holes Saturday to finish one stroke ahead of runners-up Phil Marston and Mel Gilbert of Jackson. Gene Hunt and Larry McMillan of Flint were third with a 103 score.

The winners received \$225 in merchandise prizes.

Gittleman and Hopkins played a steady game Saturday on the dry, hard course at the country club. After bogeying the first hole, they played solidly with eight birdies and an eagle. Hopkins had the eagle, a 90-foot putt on the third hole of the second round. The pair had bogeys also on the 23rd and 26th holes.

THE CHAMPIONS' round scores were 34, 31 and a par 36. Their 101 winning score was four strokes shy of the all-time tournament low of 97—11 under par—set in 1957 by Dave Hill and Ducky Andrews of Jackson.

Clinton County golfers and their scores include:

Gary Becker and Dennis Hankey of St. Johns, 109; Bill Pautke of St. Johns and Bob Neller of Lansing, 110; Carl Koenigsnecht and Sherm Forbes of Fowler, 118; Ken Penix and Greg Penix of St. Johns, 114; Ralph Lynam and Bob Sirrine of St. Johns, 109; Barry Dean of St. Johns and Dick Campbell of New York, 106; and John Hopko of St. Johns and Otto Schubel of Lansing, 109.

Nice Looking Car — and She'll Get Up and Go

Bud Barnes, well-known drag racer from south of St. Johns, displays his new drag racing car in which he attained a top speed of 191 miles an hour Sunday in races at Milan. The car is classed as a "double A fuel dragster," the biggest of the drag racers. It runs on a fuel of 30 per cent alcohol and 70 per cent nitromethane and is rated at 1,200 horsepower. The back tires are 11 inches wide; the front tires are only a little bigger than bicycle tires. The car reaches such high speeds that a parachute is popped out the back end to help slow the car at the end of the racing course. Barnes described Sunday's 191-mile-an-hour timing as "an average run" for this type of car. It was the first time he'd run it in competition, though he's driven it about 10 times. The car was built at Capital City Speed Shop in Lansing. Barnes has been in drag racing off and on since 1956.

Tennis tourney deadline set

An Aug. 12 deadline has been set for entries in a St. Johns city recreation tennis tournament. The tournament will be played on Aug. 14 for singles and Aug. 21 for doubles.

Two age groups have been set up for the boys. Those 16 and over as of Jan. 1 will be in one division, and those under 16 at that date will play in another division. Girls will be paired in an open division.

Each player in the tournament must furnish two balls, with the winner getting the new ones after the games and the loser the old ones.

Vance hurls no-hitter as Pewamo wins

Pewamo pitcher Larry Vance had himself quite a week in Class A softball competition at St. Johns last week.

He pitched the first no-hitter of the season against Benson's as Pewamo won 3-2. He then came back later in the week with a four-hit shutout over Dean's Hardware as Pewamo won again 2-0.

BENSON'S GOT their two runs against Pewamo on third strike passed balls. Dean's pitcher Jerry Sharick also hurled a beautiful game in losing to Pewamo, allowing Pewamo only two hits and striking out 15.

Sharick allowed Co-Op only three hits and struck out 15 of their batters as Dean's walked away with that game 13-3.

SOUTH RILEY also bombed Co-Op during the week, winning 11-3 as pitcher Pontious aided his own cause with a three-run homer. Bob Every also had a home run for South Riley.

In class B softball, Neller's defeated Bee's 6-1 on some fine pitching by Randolph, and Rademacher's took Osgood's 16-4. Later Rademacher's tumbled Neller's from the unbeaten ranks with a 14-1 victory behind the pitching of Gene Rademacher. Don Hayes supplied some of the power with a four-bagger.

OSGOOD'S defeated Bee's 23-20 in a game which saw Bee's get only three hits and Osgood's just six. Wild pitching and loose fielding were the rule during that one.

28 swim meet marks face fresh attacks

Twenty-eight swimming records, established during the past two years of the St. Johns summer swimming meet, will be under attack next Thursday evening when the 1965 meet is held. It will start at 6:30 p.m. at the city park pool.

The St. Johns Jaycees are sponsoring the meet again this year, and it is open to all county swimmers between the ages of 10 and 15. Mike O'Connor, meet chairman, noted that chances are good for smashing a number of the records set in 1963 and 1964.

ALTHOUGH THE swim meet has been held more years than that, actual records have been kept only since 1963. Last year swimmers broke 19 of the marks set the year before and tied two others.

SENIOR GIRLS DIVISION — 100-foot free style, Jean Muckle, 22.4; 100-foot breast stroke, Jean Muckle, 28.7; 200-foot free style, Jean Muckle, 57.3; 100-foot back stroke, Gail Pautke, 27.0; 100-foot side stroke, Jean Muckle, 31.0; medley relay, Gail Pautke, Ginger Simpson and Debbie Strouse, 2:15.2; individual medley, Gail Pautke, 1:56.0.

JUNIOR GIRLS DIVISION — 100-foot free style, Jean Muckle, 22.8; 100-foot breast stroke, Jean Muckle, 28.0; 200-foot free style, Jean Muckle, 58.6; 100-foot back stroke, Jean Muckle, 27.5; 100-foot side stroke, Jean Muckle, 32.1; and medley relay, Denise Blied, Mellie Bond and Chris Glazier 1:39.0. (Jean Muckle's records were all established in 1963 when she was swimming in the junior division.)

Green (1963) and Dan Schueller (1964), 57.6; medley relay, Victor Holcomb, Dan Schueller and Scott Bennett, 1:33.0; individual medley, Vince Pouch, 2:00.0.

JUNIOR BOYS DIVISION — 100-foot free style, Mike Green (1963) and Dan Schueller (1964), 22.6; 100-foot breast stroke, Vince Pouch, 31.5; 100-foot back stroke, Vince Pouch, 28.5; 100-foot side stroke, Vince Pouch, 30.5; 200-foot free style, Mike Green (1963) and Dan Schueller (1964), 58.6; 100-foot back stroke, Jean Muckle, 27.5; 100-foot side stroke, Jean Muckle, 32.1; and medley relay, Denise Blied, Mellie Bond and Chris Glazier 1:39.0. (Jean Muckle's records were all established in 1963 when she was swimming in the junior division.)

Shop in Clinton County.

A new record will also be established by the winners of the free style relay, being returned to the list of events this year.

Outstanding swimmer trophies will be presented to the boy and girl who accumulate the most points in the various individual events of the meet.

PARTICIPANTS will be divided into four age and sex groups, each of which will have their own records to try to break. The divisions are senior girls and senior boys (ages 13-15) and junior girls and junior boys (ages 10-12).

In addition to the regular swimming events, there'll be diving contests, too, with points from each of four dives by each contestant being totaled to give that person's final score. Divers are required to do a front and back dive of their choice and then two optional dives that can't be a repeat of their required jumps.

BOYS AND SENIOR girls will be allowed to enter both the high and low dive contests, but junior girls can only enter the low dive.

Here are the swim meet records which this year's contestants will be out to break:

SENIOR BOYS DIVISION — 100-foot free style, Tom Pautke, 18.1; 100-foot breast stroke, Phil Anderson, 27.3; 100-foot back stroke, Tom Pautke, 21.8; 100-foot side stroke, Tom Pautke, 26.0; 200-foot free style, Tom Pautke, 44.3; medley relay, Jerry Foote, Phil Anderson and Tom Pautke, 1:14.8; individual medley, Tom Pautke, 1:27.0.

Their Target . . The Ionia Free Fair

The Manhattan Rockets, internationally famous precision dancers, will appear before the grandstand at the Ionia Free Fair Aug. 9 - 14. The Rockets, who will bring the glitter and glamour of Broadway to the Free Fair, have appeared regularly at such famed show spots as Madison Square Garden, Atlantic City's Convention Hall, Texas State Fair, and the Wisconsin State Fair.

In Rome, they tried to contact Rev Robert Pung, but found him to be on vacation. A friend of his took them to dinner and suggested they see the opera "Aida" which they did. The next day they joined a tour of the Sistine Chapel and the Apian Way. On the following day another friend of Father Pungs's showed them parts at St. Peters.

Wednesday they had an audience with the Pope and returned to New York on Thursday, July 15. Before returning to Westphalia, Diane stayed in New York a few days to visit the World's Fair and other points of interest.

The young women are daughters of Mr and Mrs Lewis Pung.

KC bowling alleys get new appearance

WESTPHALIA — The Knights of Columbus Bowling Alleys will take on a new appearance this fall.

The Brunswick Co. is installing automatic pin spotters. Work is scheduled to be completed Aug. 20. The six-lane establishment will also have new scorers and seats. All changes should be completed for the 1965-66 team bowling season.

Westphalia team, and the children were entertained with races and drawings. Miss Jayne Spitzley, daughter of Mr and Mrs Daniel Spitzley, won the grand prize which was a lawn chair. The members were also served sandwiches and refreshments. Miss Monica Fedewa and Miss Joan Pung are vacationing in Austin, Tex. at the homes of Mrs Norman Fedewa's sisters. Mr and Mrs Joseph Schueller and family are camping in northern Michigan this week.

Road Commission Weekly Report

The annual Employees Picnic of the Clinton County Road Commission was held on Monday at Smith Hall. There was a splendid dinner and prizes for everyone. There were more than 200 employees, commissioners, retired employees and families present.

For the seventh year the safety awards were given. Receiving seven year safe driving awards were: Joe Barrett, Keith Barrett, Raymond Martens, Albert Martin, Dean Moon, Lloyd Myers, Gerald Powers, Glen Schlarf, Lewis Smith and Joe Witgen. In addition to this select group of 10 drivers there were three workers who received "no accident" awards; they were: Ed Nobis, Clarence Thompson and John Orson.

WILLIAM BROTHERS Asphalt Paving Co. of Ionia was low bidder on the blacktop for Clintonia Road and was awarded the contract.

The county blacktop crew expects to do Upton Road in Victor twp., Cutler Road at Round Lake Road and US-27, and Brook Street in DeWitt twp. and Lowell Road in Watertown twp. this week.

THE STOP-gap arrangement with the Bureau of Public Roads so that Federal Aid projects may continue, has made it possible to let contracts for our two bridge projects this year. It now looks like the Howe Road bridge across the Looking Glass would make the September letting and the Island Road project probably in October or November.

N. Mead residents ask curb, gutter

Four residents owning property along the 700 block of N. Mead Street have petitioned the St. Johns city commission for installation of curb and gutter.

City Manager Kenneth Greer was authorized to present his recommendations to the commission at a future meeting.

Stone Farming

This is a good year for stone farming. For five reasons:

1. Helps retain moisture.
2. Keeps weeds down.
3. Defies cats.
4. Discourages banties.
5. Discourages dog.

There should be a sixth reason also. It's interesting to use the stones we've picked up over the years in this way. It becomes

kind of a fascinating 'picture' with the various texture of stones.

YOU'VE NEVER heard of stone farming????

Let me tell you its worth. It's actually sort of a stone mulch. Those of you who have looked for angleworms know the secret already of how it stays damp under stones. So when you surround a plant with stones it seems to keep

that plant nice and dampish at the roots. That's what I call stone farming!

This began in a mild, and then in a wild and intense struggle to have a certain flower bed along the sidewalk.

NO, SIR!! Do you think that even one of our eighteen cats would leave that strip of soft dirt alone? They camped on it! So I sharpened sticks and pushed them into the ground here and there. Well, they not only looked goofy but everyone wondered if I was trying to pierce them to their death should they miss their step and fall face downward . . . to say nothing of what it would do to their back . . . !

In the meantime the little banty hens had hatched (both chicks and ducklings) and you know a mother hen—especially a banty mother hen—was born scratching in the dirt (preferably soft, moist, rich dirt surrounding tiny petunias just set out).

WHY THOSE sticks had no effect whatever on those banties. They continued to dart among them as though it were a game devised for their sole amusement. And continued to dig to China!

Judy, the dog, either pulled them out with her teeth or merely leaned into them and bent them over. She surely looked comfortable and contented. It seemed a shame to disturb her, but with all the dirt on this farm she wasn't going to get away with it. It smarts to be outsmarted by a dog. (I fixed her a soft place sprinkled with water just the same way that the petunia-bed was. It wasn't quite right however.)

IT WAS FUR and feathers, fang and claw against me. I started lugging stones. That did it!!

I like it. It's such a good display of our stones in the bargain. And they are interesting. It's been such a lot of fun through the years (over 35) picking up stones.

It's made an adventure out of any place at all I've happened to be because there is always the possibility of seeing 'a stone.'

AND WHATEVER my family would have had to tease poor, goofy, little, old Mom about without her "stones." You see they seemed to have no earthly value at all. If I would have had to buy, borrow or steal them it would have made them important!

Now they are proving that they have earthly value.

35 at Exchange family picnic

Charlie Huntington, Bob Wood and Ken Moore — president, secretary and treasurer, respectively, of the St. Johns Exchange Club—proved last week they can do more than wield the gavel, take notes and write checks. They reportedly handled with great success the spatula and tongs while charbroiling steaks.

The officers were at the helm

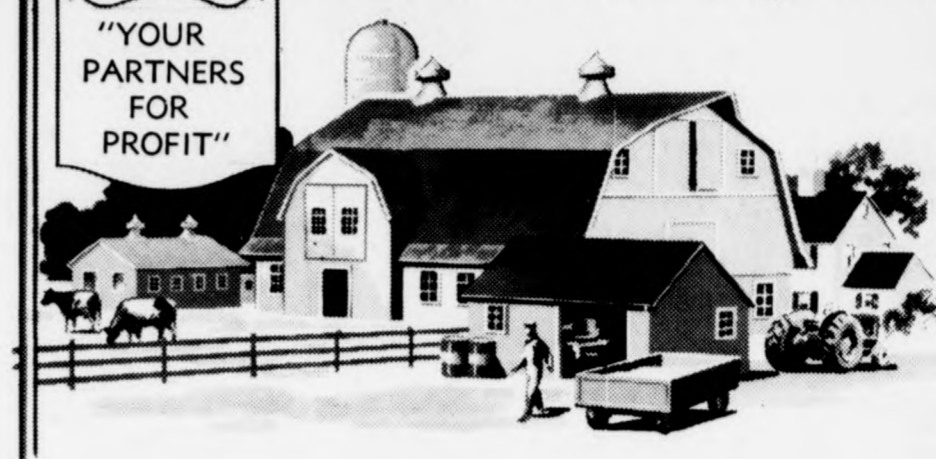

in the annual family picnic at the city park pavilion last Thursday evening. About 35 Exchangeites and their families were in attendance. Steaks, salads and desserts were in abundance.

The club's next meeting will be at 12:30 p.m. Aug. 12. Boys who were sponsored by the club at Boys' State will provide the program. All members are urged to be present to hear of the boys' experiences.

Veal-ricer provide savory casserole

VEAL CUTLETS AND RICE LOMBARDO

Give a male cook some boneless veal steak, some hot cooked rice, a bit of sliced American cheese and a can of tomato soup and he is well on his way to preparing a flavorful casserole known as Veal Cutlets and Rice Lombardy.

Slices of veal steak are dipped and cooked until lightly browned in a covering of egg and cereal crumbs flavored with Parmesan cheese. The meat is then arranged in a baking dish atop a bed of hot cooked rice, covered with cheese slices and tomato soup sauce and baked to mingle the flavors.

Menu suggestion: For the meal that features Veal Cutlets and Rice Lombardy also serve anti-pasto or green salad and for dessert, fresh fruit pie.

VEAL CUTLETS AND RICE LOMBARDO

- 1 egg, beaten
- 2 Tbsp. milk
- 1 tsp. garlic salt
- 1/4 tsp. pepper
- 1/3 c. fine rice cereal crumbs
- 1/4 c. grated Parmesan cheese
- 1 1/2 lb. boneless veal steak or cutlets, 1/2 to 3/4-inch thick
- 1/4 c. shortening, melted
- 3 c. hot cooked rice
- 1/2 lb. sliced American cheese
- 1 can (10 1/2 oz.) tomato soup

Blend egg with milk, garlic salt, and pepper. Combine cereal crumbs and Parmesan cheese. Cut meat in serving pieces; pound until double in area. Dip cutlets in egg mixture then in crumbs. Cook prepared cutlets in hot shortening until tender and lightly browned on each side. Spoon rice into a greased baking pan. Arrange cutlets on rice. Top cutlets with cheese slices and cover with tomato soup. Cover and bake at 375 degrees for 20 minutes.

Makes 6 servings.

PEACH CHIFFON PIE (Makes one 9-inch pie)

Combine 1 1/4 cups crushed graham cracker crumbs (18 to 20 crackers) with 3 tablespoons sugar. Blend in 1/3 cup softened butter with pastry blender or fork. Press firmly and evenly on bottom and sides of 9-inch pie plate. Chill well before filling.

FILLING

- 1 envelope (1 Tbsp.) unflavored gelatine
- 1/4 c. cold water
- 3/4 c. sugar
- 1 tsp. almond extract
- 1/2 c. hot water
- 3 large peaches, peeled and sliced
- 1/4 c. sifted confectioners' sugar
- 2 Tbsp. bottled lemon juice
- 1/3 c. cold water
- 1/3 c. nonfat dry milk

ADD GELATINE to 1/4 cup cold water. Let stand 5 minutes to soften. In small mixing bowl, combine softened gelatine, 3/4 cup sugar, almond extract and hot water. Stir until dissolved. Set bowl with mixture in another bowl filled with ice cubes. Chill mixture until consistency of unbeaten egg white, stirring frequently. Combine sliced peaches, confectioners' sugar and only 1 tablespoon lemon juice. Toss lightly to coat peaches. In 1-quart bowl, combine 1/3 cup cold water, remaining 1 tablespoon lemon juice and nonfat dry milk. Beat 8 to 10 minutes, or until stiff. Beat chilled gelatine mixture until light and foamy. Fold in whipped nonfat dry milk and sugared peaches. Refrigerate until mixture mounds when dropped from a spoon. Turn into chilled crumb crust. Refrigerate 1 1/2 to 2 hours, or until firm. Garnish with uncoated peach slices and a maraschino cherry, if desired.

To make seasoned butter, try creaming in your choice of lemon juice, grated cheese, prepared mustard or minced chives.

It didn't get away and must be cleaned

If you have a fisherman in your family—or even next door—you'll probably face some fish cleaning chores this summer. These tips from the food specialists in the US Department of Agriculture and the Department of Interior will make the job as pleasant as it can be.

Wash the fish. Then remove the scales by scraping the fish gently from the tail to the head, using the dull edge of a knife. Cut the fish the entire length of the belly, from vent to head, and remove the entrails. Then remove the head by cutting above the collar bone and breaking the backbone over the edge of a cutting board or table.

REMOVE THE large back fin by cutting the flesh along each side and pulling the fin out. Never trim the fins with shears or a knife because the bones at the base of the fin will be left in the fish. Wash the fish thoroughly in cold running water. It is now dressed, ready to cook.

Large dressed fish may be cut crosswise into steaks for freezing. Cut steaks about 3/4-inch thick.

FOR FILLETS, cut down the back of the fish from the tail to the head. Then cut down to the backbone, just above the collarbone. Turn the knife flat and cut the flesh along the backbone to the tail, allowing the knife to run over the rib bones. Lift off the entire side of the fish in one piece. Turn the fish over and cut fillet from the other side. You also may skin the filets.

If the fisherman in your family caught a big one and you're planning to freeze fish steaks and filets, give them a 30-second dip in a solution made up of two-thirds cup salt and one gallon of water. Then wrap and freeze them.

FREEZE NOW, preserve later. If you love homemade preserves

and relishes, hate putting them up in huge lots, try freezing the ingredients now—and spread the work of making relishes, marmalades, preserves, and the like over the year.

If you plan to make preserves later on from the frozen fruit, either freeze it unsweetened or note the exact amount of sugar used and mark it on the package. This can be subtracted later from that called for in the recipe when you get around to making the preserves.

Elected treasurer of state postal group

Velma L. Bancroft, Maple Rapids postmaster, was elected treasurer of the Michigan Branch, National League of Postmasters, at their annual convention in Kalamazoo last week.

Frederick C. Belen, deputy US Postmaster General, and Congressman Paul H. Todd Jr., of the 3rd district, were the principal speakers at the convention sessions.

MR AND MRS KENNETH PRICE, JR.

Argersinger, Price say marriage vows

Nuptial vows were spoken by Miss Sandra Argersinger and Kenneth Price Jr. Saturday, July 10, at St. Joseph's Catholic Church in St. Johns, before an altar decorated with yellow mums. Parents of the bride are Mr and Mrs Hugh Argersinger of R-3, St. Johns, and the bridegroom is the son of Mr and Mrs Kenneth Price Sr. of 817 North Spring St., St. Johns.

Richard Price was his brother's best man and ushers were Alden Argersinger and Melvin Argersinger, brothers of the bride, and James Price, brother of the bridegroom.

MRS ARGERSINGER wore a two-piece ensemble of yellow and white with a corsage of yellow and white mums. Mrs Price wore a pink outfit and a corsage of pink and white mums.

The bride wore a gown of lace over satin, styled with a fitted bodice, scalloped neckline and long sleeves. A crown of pearls held her elbow-length veil. The gown and veil were made by her sister-in-law, Mrs Jeannette Argersinger. The bouquet she carried was of carnations, roses, mums and ivy.

MRS LAVONE Suski, sister of the bride, was her matron of honor. Miss Sandra Dershem was bridesmaid. They wore identical yellow and white gowns with fitted bodices and yellow circular veils, secured to pill box hats. Their bouquets were of yellow mums and carnations.

The flower girl, Miss Susan Price, sister of the bridegroom, wore a similar gown of yellow satin and carried a basket of mums and carnation petals. Garry Myers carried the rings to the altar on a heart-shaped pillow.

A reception was held at the St. Johns Municipal Building that evening. The wedding cake, made by Mrs Francis Dershem, was cut and served by Mrs Bernard Feldpausch. Serving were Mrs George Crowell, Miss Linda Bowen and Mrs Herbert Stevens, all of St. Johns, and Mrs Cecil Thompson of Ovid.

The newlyweds are making their home at 106 1/2 South Ottawa Street, following a Niagara Falls wedding trip.

Both are graduates of Rodney B. Wilson High School. The bridegroom is employed at Oldsmobile in Lansing.

Serve pancake sundaes as a surprise dessert. Top pancakes with scoops of vanilla ice cream. Then spoon sliced, sweetened strawberries or canned cherry or blueberry pie filling over the ice cream.

Graham World's Fair movie here Monday evening

"World's Fair Encounter," a Billy Graham motion picture based on the story of two young people who actually visited the Fair during the first season of its operation, will be shown Monday evening at 8 o'clock at the St. Johns Congregational Church.

The culture and heritage of many of the world's communities are emphasized by visits to a number of the colorful international pavilions and exhibition areas. Particularly noteworthy is a sequence filmed in the Belgian Village, one of the more recently completed Fair areas which preserves the charm and "old world" atmosphere of the European continent.

PAMELA BAIRD, who has appeared in many television productions, plays the role of a graduate nurse from Montana. Jean Luc Ray, making his acting debut, portrays a Swiss-French exchange student who is enrolled as an architect major at a New York university.

EUB men volunteer to rebuild mission

COUNTY LINE—Rev and Mrs Ralph Conine and daughter, Cheryl, left this week for the East where they will spend a few days before leaving from Philadelphia, Pa., for Puerto Rico.

They will participate in the Yuquiyu Puerto Rico Voluntary Service Project, an activity of the Evangelical United Brethren Men.

In the summer of 1964, the administration building at the Mission Youth Camp was destroyed by fire. The men took on as their project the rebuilding of it this summer. They will be there Aug. 2 through Aug. 14. Yuquiyu is located on the northeast shore of Puerto Rico.

Their other two daughters, Patty and Terry, will stay with their grandmother in Ohio.

Thirty persons attended the Salem EUB Sunday School picnic Saturday at the Ithaca Park, with a potluck at 6 p.m.

N. C. Patterson of Bannister, was a dinner guest on Tuesday of Mr and Mrs Harry Patterson.

Mr and Mrs Dorrence Patterson of St. Johns were Thursday evening callers of Mr and Mrs Harry Patterson.

Tax equalization plan assures fair share values

(Editor's Note: Township tax assessors will soon be receiving computations from the H. L. Yo Co. on that firm's reappraisal of county real estate values, a job they have been hired by the Clinton County Board of Supervisors to do. This is the first of several articles explaining the need for the Yo Co.'s service and the methods they use.)

The largest single source of revenue for any local government is its real estate taxes. This money represents the very backbone of the community's financial structure and should be of grave concern to every citizen, the H. L. Yo Co. contends.

Real estate taxes are levied on each parcel of privately owned real estate and must be paid by the persons in whose names these parcels are legally recorded.

REAL ESTATE is assessed and taxed on an "ad valorem" basis. The term "ad valorem" means according to value. The word value as related to taxation is generally defined as "fair market value," meaning the cash value that a piece of property would bring on the open market from a willing and informed buyer, buying from a willing and informed seller.

Since the basis for real estate assessment and taxes is the market value, or a percentage thereof, the determination of the market value becomes the most important factor in the assessment procedure of any community.

REAL ESTATE values are very unstable in most communities today and tend to change in either direction very quickly. It is a known fact that real estate values have been on a general increase for the last 25 years on a national scale. But on the other hand, if an individual city or town is isolated and the trend of values analyzed, the net result is that certain properties are enjoying a rapid increase in value, while others are in a state of deterioration, value-wise. It is not unusual to find properties that were once "the better part of town" to be on a decline, as newer properties displace them and can command a fair price.

The most common cause of fluctuations in property values is purely an economic one, related primarily to employment opportunities in or around a com-

munity. The more stabilized the employment and income level remains, the more stable property values tend to remain. Unfortunately, this is not generally the case, so therefore the need for periodic equalization of property values becomes obvious.

IT IS NORMALLY the responsibility of the tax assessor or similarly titled official to assure all real estate owners that values in their community are equalized and represent the current fair market value. The only true way he can offer this assurance is to have on record a complete and up-to-date market value appraisal of every parcel of real estate within his jurisdiction.

To further explain the need of a tax equalization program, the following typical situation is presented to exemplify inequities.

FIRST, ASSUME that a community had a tax equalization program ten years ago, and at that time all values were equalized and were put on the tax list at 50 per cent. It is quite possible that the picture could look like this today.

Type of Property	*Assessed Value	Recent Sale Price	Ratio of Sale to Assess.
Property A House	2,480	7,200	34%
B House	4,300	10,500	41%
C Lot	800	2,500	25%
D Store	6,220	16,500	32%
E Vacant Building	11,440	16,000	71%
F Lot	1,400	3,500	35%

*50% of market value, 10 years ago

This simple illustration is hypothetical, but it points out that values have moved away from their 10-year old status, and inequities are beginning to flourish in the assessments. If the values were still equalized, the last column would show all ratios close to 50 per cent. In actual practice, a detailed study of sales vs assessments representing hundreds or even thousands of sales will produce a true indica-

tion of any unequalized values, and the trend is immediately recognized.

IN SUMMARY then, the purpose and need for a tax equalization program is to assure that all property assessments are based on their fair market value, and that each taxpayer is paying his fair share in proportion to the value of his property.

J. Daniher wed

OVID - DI Ann Williamson, daughter of CPO and Mrs John Williamson, became the bride of James W. Daniher, son of Mr and Mrs William Daniher of Ovid, June 18, at the Chapel at the Naval Air Station at Point Mugu, Calif.

Following the wedding a reception was held at the home of the bride's parents.

Missionary parents visit Rev C. W. Eby

OVID - Rev C. Warner Eby and family of 325 North Main Street are entertaining his parents, Rev and Mrs Luke Eby and their 17-year-old son, Amos.

The Luke Ebys just returned from a 4-year stay in Puerto Rico where they did mission work. They arrived in Ovid July 2 and plan to stay through July 31.

Before going to Puerto Rico, the Ebys spent 5 years in Cuba, but were forced to leave after ties were broken between the US and Cuba.

On returning to Miami, Fla., from Cuba, they worked with Cuban refugees before going to Puerto Rico.

The Eby family plan to fly back to Puerto Rico in October.

Edwin, son of Mr and Mrs Harry Lamb of Skidway Lake, visited relatives and friends in Ovid last week before enlisting in the USAF. Mr and Mrs Lamb and family are former Ovid residents.

Beginning Sunday, July 25, morning worship services at the United Church will begin at 10 a.m. and continue throughout the summer.

Campers Club meets at Junipers Resort

OVID - The Mich-I-Fun Seekers Campers Club met at Junipers Resort at Long Lake, July 17 and 18, with 18 campers and 65 members and guests present for a potluck on Sunday, and a pancake supper Saturday evening.

Swimming, fishing and horse-shoe pitching were the highlights of the activities at the meeting. Next meeting will be held at Littlefield Lake near Clare.

The Older Primary and Junior Departments of the Church of God in Ovid will have Day Camp, Aug. 23 to 27 at the home of Rev Lillian Sanders.

Dr and Mrs John Bartlett and family of Rochester, N. Y., spent the weekend with his parents, Mr and Mrs Spencer Bartlett.

Mr and Mrs Merle Carpenter have announced the engagement of their daughter, Judith Ann, to Glen Forrest of Sault Ste. Marie. A Sept. 25 wedding is being planned.

Mrs Archie Buck is the guest of her son-in-law and daughter, Mr and Mrs Lyle Harrington, at their cottage at Lake George.

New Central National Bank Building Taking Shape

Workmen are shown unloading steel last week at the site of the new Central National Bank at the corner of Spring and Walker streets in St. Johns. Foundation walls have been poured for about half of the building, and forms are up for the remaining foundations.

Family billiard parlor opens here

The Golden Eight Ball, a billiard parlor catering to family recreation, has opened in the former Wieber Hardware building in the middle block of Clinton Avenue in St. Johns.

Owned by Dr. J. R. Smith of Durand, the billiard parlor is decorated and lighted to carry out a general motif of the gas light era of American history. The facilities are located in a filtered air conditioned building, with plush red carpeting featuring golden eight balls, and hi-fi background music.

TEN TABLES are planned at the Golden Eight Ball; eight pocket billiard tables are already located, and there is room for two more which will be put in soon. Many special events will be scheduled, and leagues and tournaments for men and women are planned.

The St. Johns Golden Eight Ball parlor is one of a number of franchises already established around the state by Championship Billiards Corp. of Lansing. All Golden Eight Ball parlors use the same decor, designed by a Grand Rapids interior decorating firm. Gas lights and raised wall-paper add to the parlor-like surroundings, creating a feeling of dignity that in itself discourages the boisterousness often associated with billiard rooms.

"OUR BUSINESS is representative of what can be done for family entertainment," Dr. Smith said. He emphasized there would be no gambling or profanity allowed. There will be supervision at all times. Dr. Smith stressed the family aspects of the sport, pointing out that more and more women are attracted to pocket billiards and that many develop skills rivaling and often exceeding those of the men.

Dr. Smith is maintaining a 20-year practice at Durand and will continue with it, while working here part time on his new venture. Also assisting with the operation of the Golden Eight Ball here will be Ervin Mishler of St. Johns.

DR SMITH and his wife Elizabeth have four children, Jack in the US Army, Bill at college and Ralph and Jill in high school at Durand.

City names deputy clerk, treasurer

Mrs. Treva Hill has been named deputy city clerk and deputy city treasurer by the St. Johns city commission.

City Manager Kenneth Greer asked the commission for Mrs. Hill's appointment so that she would be available to sign documents in the absence of either City Clerk Donald Clark or City Treasurer Olive Pung.

LEGISLATIVE REPORT

BY REP. BLAIR WOODMAN
of Owosso
(87th House District)

This newsletter is Part One of a series based on an analysis of the new laws which were passed by the recent session of the Michigan Legislature. The substance of each law is briefly outlined. You may wish to clip and keep for your future reference. The following Public Acts are already in effect:

P.A. 5 (H. 2156) This law allows local building authorities to issue self-liquidating revenue bonds for automobile parking lots or structures.

P.A. 6 (H. 2007) THIS provides that in the case of simultaneous deaths of spouses, the wife's funeral expenses shall be chargeable against her estate as a first class claim. Any unpaid balance may become a fifth class claim against the estate of the husband.

P.A. 9 (S. 105) Provides that county drain commissioners shall be elected for four-year terms beginning with the 1968 general election.

P.A. 11 (H. 2118) Requires attorney general to approve settlements of will contests involving charitable gifts, grants or bequests to indefinite beneficiaries.

P.A. 12 (H. 2092) This law allows the attorney general to represent the public interest in proceedings involving indefinite or uncertain beneficiaries of gifts, grants, bequests or devices. Also allows the attorney general to initiate court proceedings for enforcement.

P.A. 13 (H. 2048) Of local interest, this law would disqualify a justice of the peace from hearing a case if he has advised or counseled with a party to the case before trial.

P.A. 14 (H. 2093) This law will permit teachers' contracts to be signed by the designee of the superintendent of schools.

P.A. 15 (H. 2250) Recently enacted was a bill requiring intrastate railroad companies to obtain approval from the Public Service Commission before revising the schedules of or discontinuing passenger train service.

P.A. 27 (H. 2001) Of particular interest to senior citizens, this law allows senior citizens, 65 or over, who have lived at least seven years in Michigan, a home-stead tax exemption on the first \$2,500 of state equalized value of the homestead providing the real property does not exceed \$10,000 state qualified valuation and the combined income of the applicants does not exceed \$5,000 a year.

I hope this report will be of interest to you as well as my forthcoming issues. If you desire additional information about certain legislation, I would be glad to be of assistance.

Bridgeville

By Mrs. Thelma Woodbury

Mr and Mrs John Woodbury called on Mr and Mrs Bruce Hulbert and family Saturday morning.

Mr and Mrs Clyde Lapham of New Port Richey, Fla., called on Mr and Mrs John Woodbury Friday afternoon. Mrs. Henry Schmid Sr. was also an afternoon caller.

Ralph Sutfin of Eureka who died Saturday was caretaker of the Union Home Cemetery.

The average per diem expenditure of tourist parties in Michigan last year was \$25, a survey by the Michigan State Highway Department shows.

Man's medical self-help know-how aids boy here

A rural Ionia man's ability in medical self-help practices— which he'd only recently learned in a civil defense-health department course—proved beneficial to a St. Johns boy Sunday.

Kenneth Eldridge, 14, son of Mr and Mrs Warren Eldridge of 3101 N. Lowell Road, severely cut his foot Sunday afternoon at Long Lake north of Ionia while on an outing with the Prairie 4-H Club of Clinton County.

HAROLD Roberts of rural Ionia happened along at the time the 4-H group was looking for a doctor. He administered first-aid and then went with Kenneth and his parents to the hospital in Sheridan.

The cut was apparently not a really big one, but his mother didn't know just how deep it was. She said the wound required five or six stitches to close. Kenneth apparently cut his foot on glass on the lake bottom as he and a buddy waded out to tie a rowboat to a mooring just off shore.

ROBERTS, who administered the emergency first-aid, had completed a course in medical self-help practices about 30 days ago. Such medical self-help courses will be offered this fall around Clinton County by county residents who took an instructor's course recently.

Contracts let for sewer-water

Contracts for sanitary sewer, storm sewer and water main construction for 1965 were let by the city commission last week to the D & W Construction Co., of Charlotte.

The contracts total an approximate \$55,000 and the work has been included in the city's annual public improvement program budget.

The commission also authorized City Manager Kenneth Greer to seek approval of the state highway department for the construction of a sanitary sewer across M-21, near the west city limits.

Sealed Power's sales, earnings climb

Paul C. Johnson, president, announced this week that continued strong sales of piston ring products to the original equipment market during the second quarter of 1965 enabled Sealed Power Corp. in the first half of the year to exceed sales and earnings records established in the corresponding period of 1964.

With second-quarter sales volume amounting to an all-time quarterly high of \$11,771,000, up 11 per cent over the same period last year, net sales for the six months reached \$22,312,000, increasing by 8 per cent over sales of \$20,725,000 in the first half of 1964.

CONTRIBUTING to the sales improvement were heavier shipments of Sealed Power products to automotive vehicle producers, reflecting higher car and truck production this year.

Net earnings for the first half of the current year rose to \$1,932,000, a gain of 10 per cent over last year's first-half total of \$1,757,000. Such earnings were equivalent to \$1.50 per share on 1,286,437 shares outstanding on June 30, 1965, and \$1.40 per share on 1,258,310 shares outstanding a year earlier, adjusted for the three-for-two stock split issued in 1964. Earnings this year benefited from the higher

sales volume as well as lower US federal income tax rates.

"FOR THE balance of the year, we foresee a period of relatively good business activity for Sealed Power," said Johnson. "Although original equipment shipments are scheduled to decline seasonally during the third quarter as the vehicle producers convert to the production of 1966 models, a rebound to first-half levels is expected in the fourth quarter when high vehicle output should be required to sustain the then-existing sales demand and to build dealers' inventories of the new models. In addition, we anticipate some improvement in replacement product sales over our experience in the first six months of the current year."

During their July 20 meeting, the board of directors declared the regular 25 cents per share quarterly dividend to be paid Sept. 10 to shareholders of record on Aug. 20.

Reynolds Retires at Saylor-Beall

George L. Reynolds (left), in charge of engineering and sales for Saylor-Beall Manufacturing Co. of St. Johns since 1948, retired last week because of ill health. He will remain as a consultant on engineering. General Manager Russell V. Allman is shown presenting Reynolds with a diamond-studded watch as a token of his work at Saylor-Beall. Reynolds started with Saylor-Beall in the spring of 1948, coming here from Novo Engine Co. of Lansing. Prior to that he was with Continental Motors Corp. at Muskegon, the Paige-DeTroit Motor Car Co. (which later became Graham) and the Fram Corp. Reynolds, who lives at 404 E. Park Street, left last Thursday for several weeks of vacationing in Maine.

Chronic bad drivers target of new state highway safety bid

If you are one of a tiny number of "chronic bad drivers" in constant trouble with your driving and running up points or getting into other trouble, you had better mend your ways because the Michigan Department of State has declared "open season" on you.

A four-point program against these "incorrigibles" was outlined by Secretary of State James M. Hare who ordered the "crack-down."

"SOMETHING has to be done to curb this hard-core of bad drivers," Hare said. "We decided on a 'tough' approach." Hare said it involved only 10,000 of the state's more than 4 1/4 million licensed motorists, a "minuscule one-quarter of 1 per cent."

The Hare crackdown involves these actions:

(1) RIGID MINIMUM actions for accumulated points. Where officials heretofore had an option on actions, penalties are now sharper, more defined, and tougher. For instance, a 17-pointer now automatically receives a 10-day suspension on his first re-examination. Before, the driver improvement official could have permitted this driver to continue driving if, in his judgment, circumstances warranted it.

(2) Obtaining records from the state police which would help shape and determine the severity of the penalty. Some drivers have records which are dotted with drunk driving, assaults, and other criminal actions, Hare charged. He said he was hopeful that some-

thing could be worked out with the state police on this matter.

(3) NOTIFYING local law enforcement officials of action taken against bad drivers and asking these officials to "keep an eye on these offenders to see that they do not drive during their suspension or revocation periods." Hare said that one of the major problems was that an estimated 50 per cent or more of all suspended or revoked motorists drive anyway, and "enforcing penalties is the toughest part of our entire DI procedure."

(4) The positive identification of the "alcoholic personality" and "referral to a clinic, official agency, organization or private physician for medical help."

HARE POINTED with pride to the general effectiveness of the point system, which he said works with more than 99 per cent of all motorists. He said that since 1958, some 300,000 re-examinations had been held involving 225,000 individual drivers.

"You can deduce that a mere 5 per cent of all drivers are ever in trouble with their driving and that the first re-examination is effective," he noted. "The real chronic offenders . . . the persons who are back for two or more re-exams . . . constitute only a fraction of this 5 per cent."

HE SAID THAT this year, more than 80,000 warning letters would be sent to drivers with seven to 11 points. These are being produced on the computer for faster output and more accuracy. Records of all drivers against whom any action is taken—seven-pointers and above—are being computerized for studies and fast updating.

Ionia Free Fair attendance ranks it 22nd in nation

According to one interpretation, it can probably be said that the Ionia Free Fair, celebrating its golden anniversary Aug. 7-14, is the largest fair in the United States.

According to attendance statistics for 1964 fairs throughout the nation, the Free Fair, with its 445,000 visitors ranked 22nd, says the International Assn. of Fairs and Expositions. The association lists 155 United States fairs.

BUT WHEN ONE considers the population of the city of Ionia, site of the Free Fair, in proportion to the fair's attendance, the Ionia Free Fair could be the largest.

Of the 21 fairs ranked above the Ionia Free Fair, 16 are billed as state fairs, which means that the Free Fair is sixth in the nation among non-state fairs.

AS A COUNTY fair, the Ionia show ranks second only to the mammoth Los Angeles County Fair in size, and is larger than 34 state fairs.

With star attractions, such as Al Hirt, Ginny Tiu, The Ink Spots, Bobby Goldsboro, Dee Dee Sharp, Little Eva, and Dick and Dee Dee headlining the grandstand shows, in addition to outstanding midway attractions, the Ionia Free Fair should enjoy a statistical climb this year, providing the weather-man cooperates.

The 445,000 attendance mark established at last year's Free Fair was all the more amazing considering that the fair was plagued by rain and cold. It was the worst weather for an Ionia Fair since 1877.

The U. S. sells more farm products -- \$742 million worth during fiscal year 1964 -- in Japan than in any other country.

New Federal Land Bank Home Office

Work has begun on the new home office building of the Federal Land Bank of Saint Paul, according to Floyd L. Parmelee, manager of the Federal Land Bank Assn. of St. Johns. The building will have seven stories plus a basement parking garage. Occupancy is planned for late 1966. The building will be owned jointly by and serve as the home office of the Land Bank, the Federal Intermediate Credit Bank of St. Paul and the St. Paul Bank for Cooperatives.

PACs set new mark in June

"The Production Credit Assn. of Michigan, Wisconsin, Minnesota and North Dakota grew more last month than in any other in their 32-year history," Arnold K. Musolf, general manager of the PCA of Lansing, said this week.

The information is based on a report issued by the Federal Intermediate Credit Bank located in St. Paul, Minn., which rediscounts the loans for the 53 PCAs in these states. The report also stated that the amount of PCA loans outstanding in this four-state area also reached an all-time high of \$292 million in June.

MUSOLF ALSO said the PCA of Lansing contributed to the district-wide growth as its loan volume increased \$350,000 in June, and has an outstanding volume of loans of \$8,200,000.

Farmers use loans from their Production Credit Assn. to purchase labor-saving equipment, to acquire better livestock and to improve their farms as well as to pay current farm operating and family living expenses. The PCA of Lansing also has Branch Offices at Charlotte, Mason, Hastings, Ionia, St. Johns and Corunna.

Ferency urges tax reform

Fiscal tax reform is a must legislation in the near future, Democratic State Chairman Zolton A. Ferency told 59 Clinton County Democrats in a speech in St. Johns last Thursday night.

worker. He also pointed out that a considerable amount of farm legislation was passed which had the support of most of the farm organizations.

The Clinton County Democratic Committee is planning a dinner sometime in September or October, with Paul H. Todd Jr., Third District Congressman, as speaker. The time and place of the dinner will be announced later.

"Michigan citizens should beware of false prophets who claim that tax reform can be postponed because of a so-called 'surplus' in the state treasury," Ferency said. "Nor can we afford to mark time until necessary changes are made in the 1963 state constitution to permit a graduated income tax."

WITHOUT tax reform, he said, "nothing will be done about the fundamental unfairness of our present tax structure which weighs most heavily upon real estate and personal property taxpayers, consumers, farmers and struggling small businessmen."

He stressed that property taxes cannot carry future needs of the schools as they have in the past.

FERENCY explained the new workmen's compensation law and cited the improvements for the

P-W Ag Advisory Council Holds First Meeting

The Pewamo-Westphalia Agricultural Advisory Council held its first meeting last Thursday at the high school. Attending were, left to right, Herbert Keilen, Robert Fedewa, Gregg Thelen, Leland Trierweiler, Clarence Manning, Alvin Simon, Clinton County Extension Agent George McQueen and, standing, Jim Gibson, vo-ag teacher. Discussion of community needs and the direction of agriculture, as well as plans for a high school course revision and adult farmer course were among matters discussed.

Outdoor expedition taken by area boys

ELSIE— Local scouts from the Chief Okeanos Council, Boy Scouts of America, arrived at the Camping Headquarters of Philmont Scout Ranch in the Santa Fe country of New Mexico recently. At once, the scouts and their leaders began out-of-doors training for a 12-day expedition under the guidance of Philmont's ranger staff. Training was scheduled in open fire cooking, backpacking, burro packing, use of a compass and map, wilderness sanitation and setting up trail camps. After three days with a ranger, the scouts followed mountain trails. The local group included David Williams, Ronald Sill, Dennis Mead and Robert Bloomer of the Elsie area and Mike Weathers, David Smith, Warren Kenney, Tom Charland, John Fields and Tom Higgins, all of the Lansing area. Walter Russell of St. Johns and Vince Vida of Lansing were adult leaders for the expedition. They left Philmont Camp Headquarters Wednesday, July 28.

MSU students learn at Okinawan school

ELSIE— Mr and Mrs Milson Young are receiving letters and pictures from their granddaughter, Marilyn Kay McCullough, who recently flew to Okinawa for five weeks of study at the Michigan State University of Ryukyus. An MSU senior, majoring in Chinese history, Miss McCullough is one of 18 students, plus college and high school faculty members, to participate in the first exchange program with the Okinawan school.

Junior and senior courses will be offered and Ryukyuan professors, who received their degrees in the United States will teach. Faculty members will take part in seminars.

The participants will get an opportunity to obtain first hand experience in another culture, earn academic credit and see the cultural and scenic points of interest in Okinawa and Japan.

Miss McCullough is the daughter of Dr N. B. McCullough and Mrs McCullough, the former Mary Young of Elsie, now living at 2403 Eugene Street, Silver Springs, Md.

She has written of some of her experiences to her grandparents. She said she took a monorail ride in Tokyo following her flight from America and that she is learning to use chopsticks and eating such foods as octopus, seaweed, raw fish and eggs.

She also saw the Geisha girls in Japanese dances, Karate demonstrations, museums and three-walled shops with open fronts to the street, she said.

Hugh R. Hall, son of Mr and Mrs Francis C. Hall of rural Elsie, is also a participant in this same program. He is a sophomore at MSU, specializing in the foreign service.

Edward Pfau, former band director and principal of Elsie High School was a member of the first staff of MSU professors assigned to the University of Ryukyus in the fall of 1951. The university was set up on Okinawa by the US military government the previous year.

It was built on the site of the ancient, war-ravaged, Shuri Castle, home of Ryukyuan kings and the ornate gateway to the castle is now the entrance to the University.

Since MSU was a land grant college, it was selected to "adopt" the university and teach the native faculty modern education methods. MSU was responsible for setting up and conducting programs in extension and adult education for the people of the Ryukyus, a group of some 55 islands, in addition to teaching duties in certain fields.

At that time, the project also called for an exchange of stu-

dents between the two institutions. Pfau, a doctoral candidate at the college was an educational consultant to the Ryukyans. He is now on the staff of Northern Michigan University at Marquette.

Band boosters discuss plans of smorgasbord

ELSIE— Elsie Band Boosters met recently in the high school cafeteria to summarize their year's work and discuss future plans.

The long-playing stereo record, featuring the Elsie High School Symphonic Band, was played during the meeting. It is now on sale by members of both the Band Boosters and the EHS Band.

The first sales were made from the Band Boosters' booth at last week's Fun Festival and Carnival. The record is dedicated to the late Carl R. Tethal, a former member of the band. The profits will be used toward purchase of instruments.

Plans were discussed for the annual smorgasbord to be sponsored by the Band Boosters on Sunday, Sept. 26, at the EHS gymnasium. Mrs Frank Ladiski is general chairman and reported on the progress of her committee.

It was voted to earmark the present uniform fund for the Elsie Junior Band which has been in need of uniforms for several years. Although the style or type has not been determined, there was some discussion of at least a cape that would distinguish them as a group.

Until now, the junior band has been wearing the red outfits that were purchased for the senior band 16 years ago. In 1958, new uniforms were secured for the senior band.

Tag Day funds had been previously set aside for uniforms when necessary. Extra uniforms have been purchased when needed for the senior band and the Band Boosters voted unanimously to provide for the junior band at this time.

Vice president, Frank Bernath presided at the meeting.

Relatives, friends greet Hinkley child

ELSIE— A surprise party was held Sunday evening at the home of Mr and Mrs Donald Hinkley in Bannister to welcome their new son, 3-year-old Joseph Lee, who recently came to make his home with the Hinkleys and their two daughters, Donna and Debbie.

There were 62 guests present, including relatives and friends from the Elsie-Bannister area. A potluck was served and Joseph received many gifts, mostly of clothing and money.

Mrs Ray Peck was in charge of the affair.

Boy Scouts, leader see gun collection

ELSIE— Elsie Boy Scouts and their leader, Keith Thornton, met Tuesday evening at the American Legion Hall.

As a special treat, the boys were taken to the home of Blair Daley to see his gun collection. Daley's collection of military guns was started when he was 15 years old and number about 70 pieces. They are arranged on racks in the shop adjacent to his home, along with many antiques.

Several of the gun pieces date back to the Civil War and some are family heirlooms. Others were secured from other collectors, surplus supplies and at annual gun shows in Lansing's Civic Center.

The scouts have changed their regular meeting night to Tuesday to accommodate their leader's working hours.

Move play equipment to E. E. Knight site

Congress proposes vital constitutional amendment

All governments of the world are confronted with the need to develop an orderly procedure of succession. Not all manage it. For many, transition has been characterized by recurring strife and turmoil. Some of the maturer democratic societies, including the United States, have, through the election process, developed a relatively smooth process of transition.

Succession to the American presidency in the case of presidential disability has, however, left the United States with some unresolved difficulties. Indications are that at long last a solution is near.

THE CONGRESS has acted favorably upon a proposed constitutional amendment providing for the vice president to take over as acting president in case of temporary presidential disability. It sets up one procedure to be followed when the president himself is aware of his disability and another when he fails to recognize or refuses to admit his disability.

The framers of the proposed amendment have been careful to provide safeguards whereby it would be difficult for a vice president acting from ulterior motives and in consort with leading government officials to force a president from office or to keep him out indefinitely.

SHOULD THE president feel that power is being wrongly usurped by the vice president in league with members of his cabinet or others, provision is made whereby he can notify Congress that no inability exists. If further challenged by the vice president and others, it is specified that Congress shall decide the matter.

It would be difficult to write an amendment with greater safeguards and at the same time continue the expeditious and orderly processes of government.

Few would disagree that the need is more urgent than ever to avoid the kind of crisis over disability which confronted the American nation during the presidencies of James Garfield and Woodrow Wilson. We anticipate early ratification by the necessary number of states.

How about the writers of political oratory?

We complain now and then about overly restrictive government, but usually not for purely personal reasons. Now, however, comes Rhode Island State Senator Robert O. Tiernan with a bill that strikes painfully home. He wants all editorials to be signed by their authors, under pain of \$500 fine or a year in jail.

This, in our informed if not detached view, misunderstands the point about editorial anonymity; editorials are commonly supposed to represent the views of the newspaper rather than those of some lowly individual writer.

BUT THEN, the idea might have a few redeeming virtues as long as editorial writers aren't unfairly singled out for special treatment.

Applying the same rule to politicians, we can see it now. The handsome, dignified candidate rises before the television cameras and rocks the republic with ringing oratory. But at the end, since statesmen have an inborn honesty where jail is involved, little white letters march across the screen:

"This speech actually written by Harry Hukster, Sam Secondfiddle and Joe Zlotch."

RAMBLIN' with Rink

BY LOWELL G. RINKER

Read somewhere:

THE GOSPEL OF SAFE DRIVING, by Lorie C. Gooding.

"Thou shalt not kill." with gun or knife

'Tis sin to take another's life! 'Tis also sin, you will agree, To murder with a Mercury. I think it would offend the Lord

To kill a fellow with a Ford. The same applies, I think you'll say,

To slaying with a Chevrolet. 'Twould prove that love of man you lack

To hit him with your Pontiac. So drive with common sense and care

Your Tempest, Falcon, or Corvair.

This instruction includes all The foreign makes, however small.

It's sin to murder with a car, Fiat, Rolls-Royce, or Jaguar. Thou shalt not hot-rod, drag, or peel

While sitting at thy steering wheel.

Excessive speeds thou shalt avoid, Lest thou and others be destroyed.

And when thou meetest in the night, Another car, dfm then thy light.

Whether thou drivest night or day,

The traffic safety rules obey. Thou shalt not pass on curve or hill;

This is the law! "Thou shalt not kill."

THIS IS the time of the year when people should take extra care to heed that advice. There's so much to see here in Michigan and there are so many of us trying to see it.

Speaking of safety, good driving habits go for bicycle riders, too. They are expected to obey the same rules of the road that motorized vehicles must follow.

That means stopping at stop signs. Many are the times I have held my breath, expecting to see the bicycle that shot by me into an intersection be crushed under a car. I've been lucky so far, and so have the cyclists.

ST. JOHNS police have pointed out that it should be the parents' responsibility when they give their child a bicycle to teach them the rules of the road and emphasize that they must follow them or else lose the privilege of riding a bicycle—or possibly the ability to ride should an accident occur.

In Defense of Disarray

By W. E. DOBSON

Good housewives are scored on neatness, Mothers strive for things in place;

Home arrangement is a science, Lack of it is a disgrace;

So I wouldn't dast take issue, With the rules by which they play;

Still I sometimes sort of hanker For a bit of disarray.

Every home is some one's palace, Every housewife is a queen

Who first plans and then arranges— Keeps the palace slick and clean;

Still it sometimes cramps my style And most drives me to dismay,

When perfection so perfected Leaves no room for disarray.

When each item I might damage If I make one teeny slip,

Have to watch my poise and manner Till I'm 'bout to lose my grip;

If it's altered one iota, Does that mean it's there to stay?

Seems I'm under constant pressure With no sign of disarray.

Certain structures must be spotless, Other places are meant for home

Where just common human beings Are allowed some chance to roam;

We who labor for a living Tend to quick grow old and gray,

Where there is no deviation Or no sign of disarray.

"We've been following a crease in the road map!"

About our park swimming pool

A FEW of us were sitting around talking informally after the St. Johns City Commission meeting last Tuesday night when Mayor Jack Smit addressed a request to me:

"See what you can do to get us off the hook on this swimming pool misunderstanding," he asked. "We're in trouble with our rural neighbors. There's a feeling that we're discriminating against the use of the pool by their kids."

Then hizzoner, who is sometimes as short in memory as he is in tact, started to fill me in on the history of the building and financing of the Veterans' Memorial Pool.

THIS WAS A mistake. Because if ever a man had birth pains, it was this writer as he struggled along for more than four years to help raise the funds to build the pool, dressing rooms and other appurtenances.

So, I lost my humility for a moment. "Don't tell me about it," I interrupted. "Who the heck do you think sweat it out to raise the dough?"

That about ended the conversation as the mayor, God love him, nodded kindly and withdrew from the fray.

BUT THE MAYOR'S right. There is misunderstanding and some misinformation abroad about the pool and its operation.

Currently, the trouble has arisen because town kids pay \$1 for swimming instruction and rural kids are charged \$5. It can only be the principle of the thing that bothers folks—because you can't go anywhere and get 15 swimming lessons for five bucks!

The basis for this seeming discrimination is pretty simple. It costs the city about \$50,000 annually for its recreation program—including the upkeep and staff for the pool and park. Of this amount, the school district kicks in an approximate \$7,500—or about 15%.

So, the City Commission reasons, the taxpayers in town pay 85% of the shot. Those from the rural area, who contribute in school taxes, pay 15%. When it comes to an out-of-pocket cost like swimming lessons, the city officials figure it's only fair to set the charge at a level which recognizes the differential in overall contribution between the parents of town kids and the parents of rural youngsters.

THIS DIFFERENTIAL does not apply to other fees at the pool. Everyone, town or rural, pays the same 10cents admission for pool privileges. It's only in the charge for swimming instruction that a variation exists.

Some problems have arisen this year, too, because it has been impossible to accommodate at times all the beginners who want lessons. More than 600 have been enrolled for swimming classes.

To folks who keep track of the birth rate, the reason for this increased demand is pretty obvious. There are a lot more kids around of an age to begin swimming than there were a few years back. The problem can only be solved by extending instruction sessions or enlarging facilities.

TWENTY YEARS have passed since the idea for a swimming pool at the park took root. As I write this, I'm looking at a 12-page brochure printed by the Clin-

ton County News in the late summer of 1945. It was the principal promotion piece used in the first of two drives for funds to build the pool.

Lew Wolf and Ink White are listed as co-chairmen of the campaign. With the help of dozens of folks throughout the county as solicitors, we raised \$38,000 in cash and pledges—not enough to finance the undertaking.

We had our problems during the campaign. As always, there were misunderstandings. People said it was silly that we had to install showers in the dressing rooms. It was a waste of money. Who needed a shower before a swim?

There were those who figured it was crazy to build an outdoor pool. "Put it inside where you can use it the year around," they said.

There were well-meaning physicians who spread the word that the pool would be a means of spreading diseases, venereal and respiratory. This was a rough one to counteract.

WITHOUT sufficient funds on hand to complete the project, nobody was willing to let a contract for the construction work. The money collected lay dormant in the bank. Our kids continued to swim at gravel pits.

It was a tragic drowning on July 17, 1949, that awakened the community once more to the need for decent swimming facilities. Gary Lee Kasper, 12, lost his life in a gravel pit. It was the eighth such drowning in a period of 10 years.

There was a lot of talk for a few weeks, but not much action. Finally, with the blessing of the association which was custodian for the previously-collected funds, the Clinton County News called a meeting. Representatives of 22 St. Johns organizations responded that September evening in 1949.

A second campaign was organized and got under way in the city late in November. We had 97 volunteer solicitors to cover the town. They gathered more than \$11,000—and this, mind you, after the cream had been skimmed off in the previous drive.

About \$6,000 was still lacking for the \$55,000 pool, but the community was now sold on the need and the city fathers let the contract for the project, agreeing to make up the deficiency from tax funds. The pool opened in the summer of 1950.

THIS IS THE ancient history Mayor Smit was trying to recall the other night when I so rudely interrupted him. I'm sorry, Jack.

My memory isn't so good, either. I had to search the records to vouch for this. If I had exercised the tact I accuse the mayor of lacking, I'd have let him tell the story.

Anyhoo . . . the pool is a tremendous community asset and it seems a shame that misunderstandings arise as to its use. The little troubles we have about it today are as nothing, however, compared to the difficulties that beset us in getting it built.

NEWSPAPERS and other advertising media will give space and time worth \$264 million this year to public service campaigns of the Advertising Council, Inc. Launched during World War II, the Council is supported by contributions of from \$100 to \$15,000 from business men and companies.

Beginning Friday, July 19, the official thermometer at the county garage weather station in St. Johns soared to 90 degrees or above for seven consecutive days in a torrid wave that swept most of the nation to set new heat records for several seasons.

In a record-breaking homecoming festival, all previous attendance marks were shattered at Elsie on Thursday and Friday, July 17-18, when a crowd esti-

Friday, July 19, proved to be an unlucky day for Fowler and a rather busy one for the Fowler Fire Department. About 1:30 that morning, fire of undetermined origin totally destroyed the warehouse and all contents owned by Marion L. Sturgis and located on the north side of the Davarn elevator.

50 YEARS AGO From the Files of July 29, 1915

Tuesday afternoon S. Georgia of Bengal brought into this office a bundle of tall oats. They were a specimen of Silver Mine and stood six feet 11 inches high. If they turn out as well as expected, almost 100 bushels per acre will result. The plants were not only tall but of large diameter also.

The application for locating and establishing the Maple River Drain was filed on Monday, July 26, with Louis F. Green, county drain commissioner of Clinton County. The proposed drain will traverse the counties of Gratiot, Clinton and Ionia and affect Mont-calm and Shiawassee. The proposed drain will extend from what is known as the Ann Arbor cutoff in Gratiot County and follow the course of the Maple River down through Gratiot, Clinton and Ionia Counties to a point where the Grand Trunk Railroad intersects Maple River near the Village of Muir in Ionia County.

"Can we with any conscience do less for the poor children in the United States? . . ."

"IF THE dry milk industry wishes to continue to sell vitamin-deficient dry milk, it is free to do so. If the American public chooses to purchase vitamin-stripped dry milk it is free to do so. This bill, however, would at least give the industry and the American housewife the freedom to choose between vitamin-stripped and vitamin-restored dry milk."

"I'm investing twenty dollars in a new dress - I hope it collects a lot of interest!"

The "Low Down" From the Congressional Record By Joe Crump

Vitamins for foreigners; not for Americans

Senator A. A. Ribicoff (Conn.) . . . "I introduce for appropriate reference, a bill to allow the addition of vitamin A and vitamin D to nonfat dry milk. These important vitamins are fat soluble and removed with the cream when whole milk is processed into nonfat dry milk. It cannot now be restored to dry milk for domestic consumption because the standard of identity for that item, established by act of Congress, March 2, 1944, made no provision for vitamin additives. . . ."

"Over 136 million pounds were distributed to needy persons all over the country through State welfare programs. Institutions for needy persons received over 13 million pounds. The school lunch program received over 28 million pounds. . . ."

"THE LAW forbids the restoration of vitamins to dry milk going to the very people in our Nation who need them most. . . ."

"We know that many thousands of children get their only meal from the school lunch program. . . . The national school lunch program requires that each child get one-half pint of fluid milk. The nonfat dry milk supplied by the program is used in cooking, but there is still no reason for it to be vitamin deficient. . . ."

"In many American families the dry milk is reconstituted and provides the liquid milk supply for children and grownups alike. . . ."

"On June 3, 1965, the Department of Agriculture announced the purchase of over 4 million pounds of vitamin-fortified nonfat dry milk for foreign donation. This milk, in 50 and 100-pound bags is scheduled for shipment from plants between June 28 and September 24. Total purchase of fortified milk to date exceeds 60 million pounds. . . ."

"The needy children of Vietnam, of Sierra Leone, of Turkey, and Korea, of Chile and Ecuador, of Jamaica and Honduras, of Martinique and Mexico, of Thailand and Malta, desperately need all the nutrition they can get. . . ."

"Can we with any conscience do less for the poor children in the United States? . . ."

"IF THE dry milk industry wishes to continue to sell vitamin-deficient dry milk, it is free to do so. If the American public chooses to purchase vitamin-stripped dry milk it is free to do so. This bill, however, would at least give the industry and the American housewife the freedom to choose between vitamin-stripped and vitamin-restored dry milk."

A grassroots comment

In view of the fact that this country buys millions of pounds of vitamin-fortified nonfat dry milk for donation abroad, it's only proper that Americans have a comparable product available to them.

LETTERS TO THE EDITOR

Says St. Johns needs teen dances

THE VFW recreation hall was closed for the summer season Wednesday night dances by the VFW members when two of its members witnessed several of the teens taking pokes at one another.

What they did not know is that this was the first of any such trouble and that it happens in every town at least once in every dance hall.

Michigan Teen Recreation sponsors the dance and various other dances throughout the state and has a fine reputation for running wholesome entertainment for young adults in the summer-time.

EVERY DANCE, when being started, is tested by the young adults for its physical strength to enforce its rules. When trouble shows itself, we usually let it run its course the first night and show the hoodlums who show up the following week who's boss.

At any rate, the problem is minor to us, but in this particular case seems to be the accepted ultimatum to the citizens of St. Johns.

PLANNED recreation for young adults, many not working, is needed throughout the week, not just on Friday and Saturday nights. Many of the teens will prowl about in dad's car from drive-in to drive-in on a Tuesday or Wednesday night looking for something to do.

During the school year the teens are kept busy and the situation is altogether different. College campuses throughout the country have planned recreation every night to accommodate students even at the vigorous pace set by instructors.

A PLANNED recreation program such as the one started by Michigan Teen Recreation will be impossible in St. Johns or any other town if the citizens fail to even attempt to solve minor problems as they arise. To look the other way and pretend a problem doesn't exist is more serious than the problem itself.

If dancing for young adults isn't offered in St. Johns, the teens will either prowl the streets or travel great distances to find the type of entertainment offered only in the big cities.

Many adults in this area actually encourage their children to travel out of town for entertainment. This is a serious mistake. Exhausted, happy and not a care in the world, is how the kids feel just before they end up dead on the highway 20 miles from home at two o'clock in the morning.

MT. PLEASANT learned its lesson too late when several of its youths died last year in a terrible automobile accident on the way back from Houghton Lake. Mt. Pleasant now has two dances run by professionals and one run by the recreation department, a total of four dancing nights a week.

No trouble costing lives has happened since the opening of the dances. Alma has two dances

every week; Owosso has dances every week; so does Ovid. St. Johns has none.

Whether the adults like to dance or not, the teenagers like to dance to the music of the popular records and the twanging of guitars to the backbeat of drums. I suggest that St. Johns offer a well supervised dance to its young citizens sponsored by the schools, the recreation department or a reliable organization such as Michigan Teen Recreation.

Sincerely yours, REYNOLD J. ANSCHUETZ 505 S. Bradley Mt. Pleasant, Mich.

CYGON* 2E INSECTICIDE

STOPS FLIES FOR 2 MONTHS!

The fly-killing power in one spraying of Cygon 2E Insecticide lasts for 8 weeks or more!

You can spray your loafing sheds... then forget about flies for two months.

Cygon 2E Insecticide is safe to use around beef cattle when you mix it as directed. Use it as a residual spray for large areas... as a spot spray for small areas... and to control maggots that breed in manure.

Call or stop by our store and ask for Cygon 2E Insecticide. Use it early this spring and all summer long, whenever flies are a problem.

MMPA, dairy firm agree

Agreement between the Michigan Milk Producers Assn. (MMPA) and Sealtest Company was reached last Thursday when Sealtest agreed to discontinue the purchase of Wisconsin milk.

"MMPA members have resumed shipments of milk to the dairy," MMPA President Glenn Lake said.

THE SETTLEMENT ended a two-day dispute between the MMPA and Sealtest with the association halting all milk deliveries to Sealtest. The dairy's move to import milk was singled out by Lake as an attempt to "deliberately break milk prices paid dairy farmers."

"MMPA member farmers have adequate supplies of high quality Grade 'A' milk to fulfill the needs of Sealtest," Lake said.

MABC technician given service award

Richard Sovereign of 105 Spring Street, St. Johns, was one of seven Michigan Animal Breeders Co-op. technicians who received service pins at a dinner meeting in Lansing July 21.

Sovereign was presented with a 10-year award by Jack Selter, district sales manager. The affair was attended by area MABC technicians and their wives.

Submits plat for S. Oakland lots

A re-plat of a part of Outlot K, City of St. Johns, was referred last week by the St. Johns city commission to the city planning commission for their recommendations.

The plat was submitted by Harold Wilkins, who owns the property in the 1100 block of South Oakland Street. Wilkins plans to subdivide the land at the northeast corner of Oak and South Oakland for five residential lots.

Motor vehicle accidents are the leading cause of accidental death to farm residents, said the National Safety Council.

ASC PROGRAM

Wheat, feed grain checks will be in the mail soon

W. M. SMITH
County ASC Manager

We are getting calls from farmers who have participated in the 1965 wheat and feed grain programs as when they can expect their payments.

Wheat producers participating only in the wheat program will get their checks first. Producers participating in both wheat and feed grain programs will be mailed their checks as fast as acreage can be computed.

EACH PRODUCER must sign a certification that he has completed with program regulations. This must be done before payment can be made. Some wheat producers have been in our office and have signed their certification; payments are now being mailed to them.

Applications will be mailed to producers who are unable to come to our office and sign their certification; we hope the application will be returned promptly.

WE HAVE A FEW farms in the county that we have not completed the acreage report for feed grains. In most cases we have been unable to contact anyone at the farm to get this acreage. If you are in the feed grain program and work away from home during the day, please contact our office for an appointment to have someone get the report, as this will speed up getting your payment.

Many producers are asking if the area is going to be declared a disaster area due to the dry weather as they would like to pasture their diverted acreage due to the shortage of pasture.

IT IS POSSIBLE that our area could become a disaster area if the drought continues. However, as of this date you cannot pasture or remove anything from your diverted acreage. After Oct. 1 you can pasture your diverted acres. If there is any change in this we will contact producers who have participated in the diversion programs.

Producers who wish a price support loan on their farm-stored grain do not have to wait 30 days before making an application for loan. As soon as the grain is harvested and put in good storage you can make application for loan.

THE LOAN rate for No. 1 soft white and red wheat is \$1.21 per bushel, No. 3 oats 63 cents per bushel and No. 2 rye \$1.06 per bushel.

Wheat loans mature on March 31, 1966, oats and rye loans will mature on April 30, 1966. Price support will be available from harvest time through March 31, 1966, for oats and rye and through Feb. 28, 1966, for wheat. You do not have to participate in the feed grain program to be eligible for an oat or rye loan.

APPLICATIONS for price support protection must be filed at our ASCS office. A fee of \$3 is charged for each commodity which covers the entire amount of the commodity the producer has an interest in.

For more information regarding loans, please contact our office.

Puffy has a problem. She's much better at climbing trees than she is at getting down again. Usually someone has to get a ladder and bring poor Puffy back to earth. People share Puffy's problem. Their fears are forever driving them to do what they can't undo. They run away from reality only to wish they hadn't. We have even coined the idiom "up a tree" to denote the dilemma of a situation from which we cannot free ourselves.

With people, it takes more than a ladder to solve the problem. Through the centuries men have found Faith an answer to fear. Our churches cultivate courageous Christians. For with confidence in God comes confidence in ourselves. The man who knows he's never alone doesn't run away.

CLINTON COUNTY SUPERVISORS' PROCEEDINGS

TUESDAY, JULY 6, 1965

The Clinton County Board of Supervisors met on this date at 10:00 a.m. with Supervisor Coletta acting as Chairman in the absence of Chairman Cressman on account of illness. Prayer was offered by Supervisor Gove. A pledge of Allegiance to the flag was led by Supervisor Carter. Roll was called and a quorum reported. Minutes of the last session were read and approved.

William Buck newly-elected Mayor of the City of DeWitt was introduced to the Board. A motion by Supervisor Tiedt and supported by Supervisor Angell, that Mr Buck be seated as a member of the Clinton County Board of Supervisors, was voted and carried.

Communications were read and discussed.

A motion was made by Supervisor Shepard and supported by Supervisor Hufnagel, that this Board authorize to be paid a billing from the Tri-County Regional Planning Commission in the amount of \$11,573.00, as Clinton County's share of the Commission's operating cost for the year of 1965-66. Motion carried.

Reports were heard from Chairmen of the Agricultural Committee, the Building and Grounds Committee and the Veterans Committee.

A question of providing chairs for two Supervisors from the City of DeWitt was referred to the Equipment Committee by the Chairman.

The Chairman authorized and directed the Equipment Committee and the Building and Grounds Committee to make a study of the needs in equipment for the new Supervisor's room and make report at the next meeting.

A motion was made by Supervisor Shinabery and supported by Supervisor Krebel, that the Building and Grounds Committee be given power to act on arrangements for suitable wall decorations, plastering or whatever may be necessary to provide finished walls on the second floor of the Court House addition. Motion carried.

A motion by Supervisor Tiedt and supported by Supervisor Shepard, that reading of Supervisors' expense accounts be dispensed with and they be paid as presented, was voted and carried.

The Chairman then declared a recess until 1:30 p.m.

After recess and discussion, a motion was made by Supervisor Shepard and supported by Supervisor Settingrington, that Lyle Brook of East Lansing, R.F.D. #1, be elected to succeed himself as a member of the Clinton County Zoning Commission for a four-year term ending June 15, 1969. Motion carried.

A motion was made by Supervisor Tiedt and supported by Supervisor Carter, that Gerald Shepard be elected to succeed himself as Supervisor member of the Clinton County Zoning Commission for a four-year term ending June 15, 1969. Motion carried.

Representatives of the State Department of Conservation spoke to the Board. They informed the Board of two special antlerless deer hunting areas planned in the county for this fall. They include one in the Clinton-Gratiot Maple River area and one in the Rose Lake area.

After the reading and discussion of a letter from the H. L. Yoh Company, a motion was made by Supervisor Shinabery and supported by Supervisor Nobis, that the H. L. Yoh Company, be instructed to eliminate the placing of assessed valuation on their revaluation index cards and to place them on their appraised valuation. Also that a letter be written to confirm this with the appraisal company. Motion carried.

The Chairman named Supervisor Nobis, as Chairman of the Drain Committee, to attend a meeting to be held at the Lansing Civic Center on July 21, 1965, for the purpose of organization of a Grand River Watershed Council.

A motion was made by Supervisor Carter and supported by Supervisor Clark, that the Equalization Committee in conjunction with the Equalization Director, be given authority to hire a Clerk in the Equalization Director's Office when needed. Motion carried.

A motion was made by Supervisor Moore and supported by Supervisor Mayers, that the Salary and Clerk Hire Committee, with power to act investigate the school co-op program for part time help. Motion carried.

Upon motion of Supervisor Tiedt, supported by Supervisor Clark, a question of part time help in the office of Friend of the Court was referred to the Salary and Clerk Hire Committee with power to act.

A motion was made by Supervisor Hufnagel and supported by Supervisor Gove, that the salary of a Circuit Court Reporter to be appointed approximately November 1st of this year, be set at the statutory amount. Motion carried.

A motion was made by Supervisor Clark and supported by Supervisor Shepard, that this Board approve recommendations of the Committee and the salary of a new assignment clerk when hired, be set at \$4600 per year. Motion carried.

On motion of Supervisor Tiedt, supported by Supervisor Carter, the Building and Grounds Committee was instructed to provide adequate lighting in the basement rooms of the Welfare Building.

The Zoning Committee was requested by the Chairman, to make an investigation into a question of Sunday sales in Clinton County.

A motion was made by Supervisor Moore and supported by Supervisor Nobis, that the Building and Grounds Committee be authorized to enter into an agreement with Granger Brothers of Lansing, Michigan, for the replacement of all lintels of the Board of Education Building in accordance with a bid of Granger Brothers for the amount of \$723.00. Motion carried.

The following annual report of the Clinton County Road Commission was presented, discussed, and on motion of Supervisor Shepard, supported by Supervisor Mayers, accepted by the Board:

To the Honorable Board of Supervisors of Clinton County, Michigan:

Pursuant to Act 51 of the public acts of 1951 as amended, we respectfully submit to the Board of Supervisors and the people of Clinton County this 45th annual financial report for the calendar year of 1964, showing monies received and disbursed and statements of maintenance and construction on roads under jurisdiction. Celebrities to Race at Soap Box Derby

Clinton County Soap Box Derby entrants will have an opportunity to see several celebrities from stage, movies and television when they journey by bus to Akron, Ohio, early next month for the All-American Soap Box Derby. Participating in a special Oil Can Trophy race preceding the main Derby will be singer-actor Frankie Avalon (left), Fess Parker and Glenn Ford. Parker, at center, had an opportunity to learn the background of the Derby while visiting with Randy Roberts (in coasting car), a contestant in the 1965 Derby at Santa Ana, Calif.

The Literary Guild doubled up on its shipments this week and sent the sections for August and September at the same time. Both books are on current best-seller lists.

Running second place in sale of general books in Chicagoland is the Guild's August choice, "The Making of the President 1964" by Theodore H. White. The New York Times list, based on sales in 64 communities across the United States, lists it in fourth place. (Dag Hammarskjöld's "Markings" continues to rank first on all major lists.)

"THE MAKING OF THE President 1964" tells the story of that year of national decision which began with the assassination of John F. Kennedy and climaxed in the battle for power between Lyndon B. Johnson and Barry Goldwater. Mr. White says, "History is chiefly gossip about great

men as they behave under stress." This book could almost be called "instant history," for its pages are filled with the most prominent men of our immediate times.

The Guild's September selection, "The Looking Glass War" by John LeCarre, is in eighth place on the New York Times Fiction list, but has not made the Chicago Tribune's list yet. By the author of "The Spy Who Came in From the Cold," "The Looking Glass War" is another spy story filled with foreboding and suspense. Mr. LeCarre's real name is David Cornwell. Educated at Oxford, he first taught at Eton then entered the British Foreign Service and was sent to Germany. He now devotes his full time to writing.

LIKE MOST libraries, we maintain a shelf which is usually filled with the newest books in our possession. Some of our patrons never look any place in the library but at that shelf. If there is nothing there they have not read, they are apt to say, "I see you don't have anything today," and out they go through a room bursting at the seams with shelves groaning with books. These same people prob-

ably never have anything to wear.

Family Circle Magazine did the whole literary world a service when it included in its July issue a list of books for vacation reading. In contrast to the Best Seller lists, Family Circle's list includes many fine books of past years, and it has been gratifying to have several people come into the library, armed with this magazine, and ask for books like T. E. Lawrence's "Seven Pillars of Wisdom," "The Way of All Flesh" by Samuel Butler, and even "The Journal of the Plague Year" by Daniel Defoe. (This last book we had to order from the State Library—a service we are glad to perform for you at any time.) It was a pleasure to take some of these old friends off the shelf.

THE LAST of the story hours will be held in the Children's Library next Tuesday afternoon with Mrs. Robert Merrill doing the honors. These 1:30 sessions have been well attended by interested, wide-eyed youngsters.

Between 80,000 and 100,000 honeymooning couples include touring in Michigan in their plans, a Michigan State Highway Department travel survey indicates.
