Looks Like Major Project at Water Treatment Plant

Bricklayers form the upper floor of the main building of the new St. Johns water treatment plant on North Ottawa Street Monday while other work progresses on a concrete clarifying tank (at left) and a 400,000-gallon ground-level water storage tank at right. Total cost of the water treatment plant project will be \$540,000.

City reconsidering recent water main assessment

The St. Johns City Commission had some misgivings last Tuesday as to its decisions on at least two matters at its Sept. 7 meeting.

The most-fervently discussed matter was that of water main assessments. A handful of the 30 citizens who had raised their objections Sept. 7 to the assessment roll were on hand to find out what the city had found out about corner-lot assessing.

OF PARTICULAR interest to them was whether or not a corner-lot owner on West Steel Street had paid when a water main was put down Garfield. The citizens had objected that he was not assessed for the recent replacement of a water main down Steel.

The city reported that that party had not paid on the other main, even though it had been assumed by law by the assessor that a unit of benefit had been charged him on that main. He had been hooked, however, to the main on Steel that was replaced.

"I think everybody who is hooked to a new main should pay for it," Mayor Jack Smit contended.

COMMISSIONER Ray Kentfield Jr., who had been in sympathy with the citizens Sept. 7 in their demand that the corner property in question be put on the roll, made a motion that the assessment roll passed Sept. 7 be set aside.

His motion called for the city assessor to prepare a new special assessment roll to include those on corner properties who were previously hooked onto old mains which were replaced and are now hooked onto the replacement mains. The motion covered some 12 blocks of water main assessments.

"WE DON'T want this just for our street but all streets all over town," one woman in the audience said.

Kentfield retracted his motion

MASONIC Dedication Barbecue, Sunday, Oct. 3. Start serving 12:30. Adults \$1.50, Children \$1.00.

when it was suggested that the city attorney, Harold Reed, check on the proper procedures involved. Reed was requested to prepare a report to guide the commission in its final disposition of the matter.

ANOTHER SIGN of misgivings appeared later in the meeting when Kentfield commented that "I think we're wrong to cut services. I think we should increase revenue and continue to haul brush."

This was in reference to a commission ruling on Sept. 7 that the city would not pick up piles of brush taken from private property because of the increasing activity of this nature. Removal of dead elm trees had kept city crews on the run.

A FORMAL RESOLUTION was prepared for last Tuesday's meeting, but no action was taken on it. It provided that removal of tree limbs coming from private property is a private responsibility; that city crews for the Department of Public Works will provide a special pickup of rubbish only on such special occasions as clean-up weeks and that there would be no scheduled pickups of any other type rubbish by city crews.

Sheer madness!

Nature's timetable will pretty much rule out any moonlight for the occasion, but St. Johns merchants will still be acting like they're moonstruck tonight (Thursday) when they open up their stores for the annual Moonlight Madness sale.

Prices on merchandise will go down as if a moon rocket fired in reverse. But the special sale prices will be in effect only during the evening hours today—from 7 to 10 p.m., to be exact.

STORE PERSONNEL WILL be appropriately dressed in night clothes for the occasion. In addition to offering bargain prices, merchants will give coupons to customers between 7 and 9:30 and the customer may get cash prizes. The coupons should be filled out and deposited at the store.

A drawing will be held in front of the Clinton National Bank at 10 p.m.

EDWARD SULKA

Edward Sulka of 307 W. State Street, St. Johns, plant superintendent at St. Johns' Sealed Power Corp. plant, was appointed last Tuesday night to the city zoning appeals board, replacing Kermit Hart who had resigned. Sulka has accepted the appointment.

Fulton PTA plans first meet Monday

The Fulton Schools PTA will hold its first meeting of the year next Monday night at 8 p.m. in the high school student commons. After the business meeting the teaching staff for the year will be introduced. The public is invited to attend. Light refreshments will be served.

HARVEST SUPPER, Oct. 6 at Duplain Methodist Church. Starting at 5:00 p.m. 22-2

FB annual meeting set Oct. 12

The election of six directors to the board, selection of delegates to State Farm Bureau annual meeting and consideration of policy resolutions will take prominence at the 46th annual meeting of the Farm Bureau. The county annual which is set for Oct. 12, is Farm Bureau's most important function of the year.

A banquet style dinner will be served by the ladies of the Greenbush Church prior to the business meeting. Dinner hour will be from 7:30 p.m. to 8:30 p.m. and the business meeting will begin at 8:30. Members wishing to attend the dinner may purchase tickets at the county office, from community groups or from their directors.

BECAUSE OF the increased number attending this meeting each year it will again be held at Smith Hall in the St. Johns park.

A special feature on the evening's program will be the honoring of Charles F. Openlander of Eagle Township who has given many years of service to the organization. Introduced also will be the two youths who attended the Citizenship Seminar sponsored by Farm Bureau at Camp Kett last July. Another highlight will be the crowning of the County Farm Bureau Queen.

ALL FARM BUREAU members will receive special notice of this meeting but are advised to purchase their tickets for the banquet well in advance. Those not wishing to attend the dinner are welcome to come for the business meeting beginning promptly at 8:30 p.m.

Trailer entered

A house trailer belonging to Herman Giffels of 8005 Upton Road was broken into sometime between 11:30 a.m. and 6 p.m. last Wednesday. Sheriff's officers said a hole was ripped in the screen, allowing the burglar to gain entry to the trailer. Nothing was reported taken.

ANNUAL CHICKEN Dinner and Bazaar at St. Peter Lutheran Church of Riley at the parish hall on Sunday, Oct. 3, 1965. Serving 12 noon to 4 p.m., family style. Adults \$1.50, Children 75¢. 22-2

Chest campaign open seeking \$29,350 goal

The Clinton County Communities Chest drive clicked into motion last Monday night and by next Tuesday three separate phases of the campaign will be under way.

The St. Johns business and industrial drives were kicked off Monday night and Tuesday morning, and next Tuesday evening will begin the out-county rural campaign.

The Communities Chest board has set a goal of \$29,350 to be collected this year for the benefit of nine agencies.

Hundreds of volunteer workers will be calling on business places, industries and residents of the county during the month of October in an effort to reach the magical figure. Last year's drive fell short of the \$29,000, with \$23,441 being distributed to the agencies.

WILLIAM GRAEF, district manager of General Telephone Co., and William Richards Jr. of Richards' Dairy, and Lawrence Sexton, plant manager of Sealed Power Corp., are the co-chairmen for this year's campaign. Leon Brewbaker is president of the Communities Chest.

The business phase of the drive, scheduled for kickoff Tuesday evening, was rescheduled Monday night and was actually the first kickoff meeting of the campaign. Some 28 workers who will be under the direction of Milo Rowell and John Hopko attended the dinner at Walker's to hear a Scout executive talk and to get instructions for carrying on the drive.

THE WORKERS were told to wrap up the campaign within a week, and constant reporting of pledges and donations was asked in order to keep the public informed up to the minute on how the drive was progressing.

Dick Paul, district Boy Scout assistant to William Thacker, was the speaker for the evening.

TURKEY SUPPER, Thursday, Sept. 30—Salem EUB Church, corner Gratiot - Clinton County Line and US-27. Serving begins at 5:50 p.m. 22-2

St. Johns businessmen who will work on the Communities Chest drive in the business district gathered at Walker's Monday night for a kickoff dinner followed by talks and instructions by Communities Chest officials. Twenty-eight men and women were present.

Here's what 9 agencies will get if goal's met

Here is the breakdown of how much each agency involved in the Clinton County Communities Chest will receive if the goal of \$29,350 is achieved this year:

American Red Cross	\$11,000
Girl Scouts of America	2,200
Boy Scouts of America	4,400
Salvation Army	2,400
St. Vincent dePaul Society	1,000
Rehabilitation Medical Center	700
4-H Fair Fund	1,000
Lansing Mental Health and Child Guidance	900
Michigan United Fund	5,300
(Operation of Chest drive)	450
TOTAL	\$29,350

Dick Paul, a district Boy Scout administrative assistant, spoke to the St. Johns businessmen at the Communities Chest kickoff Monday night, pointing out to the men and women the six points to success in soliciting donations.

ABOUT AN equal number of representatives from industry in St. Johns gathered for breakfast Tuesday morning at Walker's to

Formation of watershed unit backed

Formation of a Grand River Basin Authority was two steps closer last week after the City of St. Johns and Clinton County both passed resolutions approving a petition for the formation of the Grand River Watershed Council.

The county board of supervisors took their action first at a special meeting Sept. 13. The St. Johns City Commission passed an identical resolution last Tuesday night.

THE PETITION to the Michigan Water Resources Commission was unanimously approved by the Grand River Watershed Committee and ordered submitted to eligible governmental units for approval.

The purposes and functions of such a watershed council are "hereby determined to be in the best interests" of the City of St. Johns and of Clinton County, the resolutions stated. Passage of the resolutions doesn't mean necessarily that any final participation will be taken in further activities of a watershed authority.

"IN BRIEF summary," City Manager Ken Greer of St. Johns said, "we would be entitled to a member or a representative on this council, and the County of Clinton would be entitled to 17 members. This would create a total membership in this Grand River Basin of 176 persons."

"To make the best better" is the motto of some 2 1/4 million 4-H boys and girls from coast to coast.

Scout Executive William Thatcher of the Chief Okemos Council talks to Communities Chest industrial campaigners Tuesday morning at a kickoff breakfast. Also at the head table are district Scout Executive Bob Arnold (left); Larry Sexton, industrial campaign chairman; Bill Graef, Chest campaign chairman; and Leon Brewbaker, Chest president.

PAUL WOODS

Woods honored for merit test achievement

Principal B. Stanley Pocus has announced that Paul Woods, a senior at Rodney B. Wilson High School, has been honored with a letter of commendation for his high performance on the National Merit Scholarship Qualifying Test (NMQST) given last spring.

He is among 38,000 students across the nation recognized for scoring in the top 2 per cent of students who will complete high school in 1966. The commended students rank just below the 14,000 semi-finalists announced last month.

JOHN M. STALNAKER, president of the National Merit Scholarship Corp., said: "These students are being recognized for their outstanding performance on the qualifying test. Theirs is a notable academic achievement."

"In a rigorous competition like the Merit Program, it is unavoidable that many fine students will miss being named semi-finalists by a narrow margin. Nevertheless, the student in this situation is very capable and deserves generous recognition for his distinguished effort."

"THE COMMENDED students have considerable ability, which should be developed through further education. They deserve every encouragement, and their promise is great. They represent an important intellectual resource which our nation needs."

2 unhurt as car careens into field

Percy S. Helms Jr., 21, of Perrinton and his wife escaped unhurt early Sunday morning after their car crossed the median of US-27 and went through a fence and into a field in Greenbush Township.

Helms told Clinton County sheriff's deputies he started to pull off the highway north of Kinley Road when his wife felt ill. He said he apparently pulled off the road too fast and the car started to slide.

He tried to pull it back but was not used to power steering, and he lost control. The northbound car went across the median and the southbound lanes, through a fence and into a field. The accident happened at 2:05 a.m. Sunday.

Self-made men often fail to make themselves agreeable.

Chest campaign opens

Continued from Page 1-A

kick off their phase of the Communities Chest campaign. Speaker for that occasion was William Thatcher, Scout executive for the Chief Okemos Council. His message to the industry people was similar in nature as he gave them pointers on the campaign.

The next phase of the campaign to get under way will be the out-county drive, which will be headed up by Mrs. Alvin Thelen and Charles Hengesbach. A kickoff dinner for about 50 workers is being planned next Tuesday evening at 6:30 p.m. at the Congregational Church.

LATER IN the month will come the residential drive in St. Johns, which will be handled by Mrs. Jake Wabeke.

"We have continued to allocate about \$29,000 to the nine agencies for the last 10 years or so," Richard's noted. "The problem is to try to raise this much money, which we feel is what we logically can give these agencies."

If the goal of \$29,350 is met, each agency will be given the amount shown in the accompanying box, if the drive goes 20 per

NEWS in Brief

Warner Bros. will present the great LaScala Opera Co.'s world-famed production of Giacomo Puccini's immortal "La Boheme" for four premiere performances at the Strand Theatre in Alma, which has been selected to join leading theaters throughout the United States and Canada in offering the colorful romantic opera for the first time.

The Lansing Civic Players' 37th consecutive season will open Oct. 13 with the farce-comedy "Send Me No Flowers," running for four nights. . . . Dumping of trash along State Road in DeWitt Township near the airport is prohibited, township officials warn. A number of persons have been arrested and fined as much as \$65 for dumping there. . . .

PEACE Corps placement tests will be given at 9 a.m. Saturday, Oct. 9, at the federal building in Flint and post office buildings in Grand Rapids, Lansing and Saginaw. . . . About 100 managers and board members of local farmer cooperatives will take part in the annual conference of the Michigan Assn. of Farmer Cooperatives at Kellogg Center at MSU Monday and Tuesday. . . .

A turtle, about 18 inches in diameter, slowed traffic somewhat as it crossed North Clinton Avenue near Lewis Street Saturday about 1:45 p.m. . . .

IMPROVING THE profit picture will be the theme of a state sawmill clinic to be held Friday, Oct. 8, at the Morbark Debarker Co.'s new sawmill at Winn, Mich., southwest of Mount Pleasant. The clinic will start at 10 a.m.

Ashley's overcrowded school situation is getting critical, from all reports. They have an increase of 35 pupils over last year, and all grades are crowded, with 49 pupils enrolled in third grade. An extra teacher is being sought, and it is likely the school office will be moved to provide an additional teaching station. Construction of a new elementary school is being held up pending a decision on an injunction obtained by 13 taxpayers within the district. . . .

"Learning for Living" is the theme of the 1965 National 4-H Club Week. For more than 50 years 4-H Clubs have guided young people in their personal development.

cent over its goal, each agency will get 20 per cent more; if the drive achieves only 80 per cent of its goal, as it did last year, each agency will get only 80 per cent of the hoped-for figure.

ONE OF THE most far-reaching of the agencies served by the Clinton County Communities Chest is the Michigan United Fund, which in turn supports 18 state and 20 national agencies. One of those national agencies is the United Service Organizations, Inc., known more readily as USO.

Emmett O'Donnell, president of USO, made an "emergency appeal" recently to Brewbaker as president of the county Communities Chest.

"THE SITUATION in Viet Nam is volatile and wholly unpredictable," O'Donnell wrote, "but we know for sure that 125,000 young Americans are there — 13,000 miles from home. For them, among strange people and in a strange land, a USO Club is in truth a 'home away from home.'"

"In Saigon, Tan Son Nhut and Da Nang where USO clubs are now in operation, attendance is approximately 2,000 per day in each club. The Department of Defense has asked USO to establish additional facilities in Cholon, Bien Hoa and a second one in DaNang."

"IN TRANSMITTING this request, General Westmoreland, commanding general, Viet Nam, said that further specific requests for additional USO services will be forthcoming, including an expansion of USO live entertainment.

"I feel confident that your community will do its share to make it possible for USO to meet this emergency."

Brewbaker urged consideration of this need by every person who will be asked to give to the Communities Chest. "Some of those boys in Viet Nam are from Clinton County," he pointed out.

320 at K of C annual picnic

The Knights of Columbus, Council 3281 of St. Johns, held their annual picnic for members and families Sunday at Smith Hall in the city park. A crowd of 320 people enjoyed a potluck dinner with the main course of barbecued chicken. According to Publicity Chairman Francis Motz, 100 chickens were barbecued over charcoal pits by chefs Bernard Mankey and Art Halfmann. During dinner, accordion melodies were played by Julia Silvestri of St. Johns.

CHAIRMAN Robert Fox and his committee had games for the adults and children after the meal. Prizes were awarded to the contestants in the various games played.

New candidates who are signed up for initiation Oct. 12, along with their families, were guests at the council outing.

Rear-end crash leaves 4 unhurt

Four people were unhurt after a rear-end collision of two cars on US-27 a quarter-mile south of Parks Road in Bingham Township early Sunday afternoon.

Nancy L. Denn, 35, of St. Louis, and Ruth G. Wolf, 48, of Mount Pleasant were the drivers. Both were going south on US-27 and were in the left passing lane. A car in front of Mrs. Denn's auto suddenly stopped to make a turn. Mrs. Denn stopped, but Mrs. Wolf couldn't, and her car hit the rear of Mrs. Denn's auto.

Weeds must go, city rules; ordinance to be amended

A minor amendment to St. Johns city Ordinance No. 75 to define the term "noxious weeds" is now in the works as the result of a citizen complaint last week about weeds.

Jay McKay of 607 East Baldwin appeared before the commission to complain that weeds were being permitted to grow to an unsightly state on a vacant lot at the corner of US-27 and Baldwin Street. City Manager Ken Greer was directed by the city commission to "abate the nuisance" as soon as possible.

GREER SAID several notices had been sent to the property owner demanding that he cut the weeds. He was instructed to follow up on the warnings with whatever appropriate action was necessary. Ordinance No. 75 requires property owners to destroy noxious weeds found on their property.

City Atty. Harold Reed was directed to draw up an amendment to the ordinance to conform with the state statute and include a proper definition of noxious weeds.

IN OTHER miscellaneous business last Tuesday:

The commission granted a dance hall license to Daniel and Martina Salazar to operate a dance hall at the Villa Hall, 107 West Railroad, after a letter had been received from Wayne Hicks, owner of the building, stating that all previously requested fire and safety recommendations by the commission had been met.

Mrs. Donald Powers of the St. Johns PTA appeared to request a change in municipal auditorium rules to permit soft drinks to be served at teen dances sponsored by the PTA. The commission pointed out soft drinks were not allowed on the dance floor itself but they could be served on the premises.

BIDS ON TWO different trucks were opened and contracts made with two St. Johns auto dealers. A net bid of \$1,948.75 from Egan Ford Sales, Inc. for a 1966 Ford pickup truck was accepted by the commission, as

Mink killed, coons freed by vandals

St. Johns city officials were quietly disgusted this week over vandalism by youths at the city park during Friday night's football game.

Sometime during the game, the vandals did these things:

— Killed the mink in the city park zoo.

— Tore open the fencing and turned loose four raccon.

— TRIED TO BREAK open the deer pen and release the deer herd.

— Tried to let rabbits loose from their cages.

— Unscrewed a hydrant-faucet near the 4-H buildings, releasing a large amount of water.

— Broke a window on a Greenville school bus.

CITY POLICE believe the vandalism was done by local youngsters and as a planned act. Park gates in that part of the park were closed and the only way the vandals could have reached the zoo area was on foot.

City police and other officials appealed to parents to remind their children that the park is there for the benefit of all, and vandalism spoils any benefits for the vandal, too, as well as all others.

5 escape injury in crash at Hyde, US-27

Five persons left the scene unhurt Sunday evening after two cars collided in front of Beck's Farm Market on US-27 in Greenbush Township. The drivers were Roger W. Lange, 16, of R-4, Parks Road, St. Johns, who had two passengers, and Gwendolyn J. Olson, 46, of Traverse City, who had one passenger.

The Olson car pulled off Hyde Road into the path of Lange's car, southbound on US-27. Mrs. Olson said she thought she had time to get on the highway in front of the other car, but she didn't.

School building recommendation due from citizens

About 100 members of the St. Johns Public Schools citizens committee turned out last Thursday evening for an advisory meeting, and next week they'll try to make a recommendation on building a high school or junior high school in the city.

Supt. Earl Lancaster said the committee will meet every two weeks on Thursday nights at the Congregational Church. Each meeting will have a specific purpose to come up with a recommendation on some phase of the school system's building program.

THE FIRST such meeting will deal with building a new high school or new junior high and such related matters as whether they should have a cafeteria, auditorium and swimming pool.

Last Thursday, Lancaster reviewed the financial situation of the school system and went over other details to bring the citizens committee up-to-date. It was more of an informational meeting than it was for making any decisions, he said.

Chart your course in advance—then concentrate your energy toward that coveted goal.

Mrs Bartholomew named to library board

Mrs Jean Bartholomew, wife of Ladd Bartholomew of 309 S. Clinton Avenue, was appointed to the St. Johns Library Board last week by the city commission. She replaces Mrs Nina DeWitt, who resigned recently after 25 years of service.

DeWitt Grange installs officers

DeWitt Grange installed officers at its regular monthly meeting Friday at the DeWitt Memorial Building. The installation was handled by Mrs Henrietta Cushman, assisted by Mrs Chester Raby.

Installed as master was Oscar Johnson. Other officers are: Raymond Locher, overseer; Mrs Russell Sibley, lecturer; Raymond Davis, steward; Mrs Henrietta Cushman, chaplain; Mr and Mrs Chester Raby, assistant and lady assistant steward; Mrs Mary Reed, treasurer; Mrs Oscar Johnson, secretary; Albert Yanz, gatekeeper; Mrs Robert Moots, Ceres; Mrs Albert Yanz, Pomona; Mrs Harry Green, Flora; and Harry Green, executive committee chairman.

Due to the state Grange convention in St. Johns and the fact that many members are going away, there will be no regular meetings in October. The next meeting will be Nov. 12.

Ted Noeker heads P-W senior class

PEWAMO-WESTPHALIA—Ted Noeker has been elected president of the senior class at Pewamo-Westphalia High School.

Results of class elections at the high school were announced Friday.

Other senior class officers are Ken Geller, vice president; Dorothy Bengel, secretary; Glenn Smith, treasurer; Sherry Martin, reporter; Dave Irner and Sue Freund, athletic council; and Bruce Schafer, Ted Noeker, Eva Schafer and Sue Freund, student council.

OFFICERS of the other classes are as follows:

JUNIORS: Glenn Schafer, president; Bernard Simon, vice president; Christine Wieber, secretary; Kathy Bengel, treasurer; Luke Schafer, reporter; David Smith and Nancy Jo Thelen, athletic council; and Thomas Huhn, Louis Thelen, Christine Wieber and Kathy Bengel, student council.

SOPHOMORES: Diane Manning, president; Therese Thelen, vice president; Joan Kramer, treasurer; Marilyn Thelen, secretary; Phil Schafer, reporter; Virginia Kowatch and Jim Bengel, athletic council; Donald Schrauben and Jane Stump, student council for two years; and Mary Lou Platte and Steve Smith, student council for one year.

FRESHMEN: Bill Freund, president; Don Pung, vice president; Roy Schneider, secretary; Gary Pohl, treasurer; Janice O'Brien, reporter; Connie Vance and Jack Bendebender, athletic council; Tom Barker and Elaine Kohagen, student council for two years; and Roger Schafer and Jeanene Bengel, student council for one year.

New Graham film to be shown at Bethel Church

Evangelist Billy Graham's newest feature-length dramatic film, "Shadow of the Boomerang" will have its Ashley showing Saturday, at 8 p.m. at Bethel Mennonite Church on US-27, south of M-57.

Starring vivacious Georgia Lee and television's Buffalo Bill Jr., Dick Jones, "Shadow of the Boomerang" is an outdoor action picture with all of the excitement and breath-taking scope of the land "down under." Setting for the screen drama is Australia's "outback," the continent's vast interior region where some of the world's largest cattle stations are located.

THE TWO young Americans head an All-Australian supporting cast, playing brother and sister roles in a turbulent story of homestead life. Their arrival in Australia to manage newly-acquired family holdings plunges the couple into strange surroundings and situations with which they find it difficult to cope.

The brother is immature and impetuous, slow to accept Australian ways. His sister is much more democratic, readily accepted by her new friends with whom she joins in an attempt to instill understanding and tolerance in her brother. The film seeks to underline the Godly reaction to human crises and conflicts.

To honor DeWitt man for service

Samuel L. Morrison of 12900 Sandhill Drive, DeWitt, is one of 44 men from 27 Michigan communities who will be honored for completing 25 years of service in the field of public water supply.

The awards were to be presented today (Thursday) in Saginaw by the Michigan Department of Health at the annual conference of the Michigan Water Works Assn.

The Edward Dunbar Rich Service Award honored the men in memory of the late Col. Edward D. Rich, who was director of engineering for the health department from 1913 to 1946.

Doesn't pay for gas

William Walters, owner of the Pure Oil Station at DeWitt, reported to the sheriff's office last week that a youth, about 18, drove off without paying \$6.80 for 17.2 gallons of gas he had received. The car fit the description of one that had been stolen in Lansing.

Sunday Mass to be broadcast

Sunday High Mass at St. Joseph Catholic Church will be broadcast live for the seventh year over WJUD, starting this Sunday. Broadcast time is at 9 a.m. this year instead of 10:30 a.m. as in the past.

Each Sunday the Mass will be celebrated by one of the priests from St. Joseph Parish. Fred Meyer and Michael O'Connor will be the commentators and explain the Mass.

The parish adult choir, under the direction of Brother Gregory from DeWitt, will sing, and Mrs Matilda Smith will play the organ.

2 from area on Ferris dean's list

Gary W. Locher, a junior in the Trade & Industrial Division and son of Mr and Mrs Max Locher of DeWitt, and Keith L. Thurston, a junior in the Trade & Industrial Division and son of Mr and Mrs Otto Thurston of St. Johns, were among the more than 200 Ferris State College students who were named to the Dean's Honor List for academic excellence during the past quarter. Dr Robert L. Huxol, vice president for instruction, has announced.

To be named to the Dean's Honor List a student must maintain at least a B average while carrying a full academic load.

DePeal's named Baldwin dealer

DePeal's Music Center of St. Johns has been appointed a franchised dealer for Baldwin pianos and organs and Hamilton and Howard pianos.

This is in keeping with their "effort to bring quality musical merchandise to St. Johns," Herbert and Winifred DePeal, owners, announced. The new lines of organs and pianos are among the finest available today.

The DePeals will continue to carry other lines of organs and pianos but feel that by adding Baldwin they will be able to offer a more complete selection as to price and style.

"We can now handle the largest installations in any church or hall or the smallest home," DePeal said. "We are proud to have obtained this line."

An open house and anniversary is planned for Oct. 14-16.

Have You Met?

A COLUMN DEVOTED TO NEWCOMERS TO THE ST. JOHNS AREA

RUSSELL W. DORN and his wife Cynthia, formerly of Kaleva, Mich., are new residents at 311 Wight Street in St. Johns. Dorn operates a glass press at Fisher Body in Lansing. The couple were married Aug. 21.

EDWARD J. MIKULA, a biologist and water fowl specialist with the Michigan Conservation Department, has moved his family to St. Johns from Bath. He and his wife Adelaide have two children, Chris 13, and Mark 10. They are living at 809 S. Lansing Street.

CLARENCE E. OSBURN and his wife Josephine are new residents of St. Johns and new subscribers to the Clinton County News. They're living at 306 S. Lansing Street. Osburn is a tool maker at Oldsmobile in Lansing. The couple moved here from Muskegon.

JOHN H. QUINN, high school English and Latin teacher for over a year, has moved his wife Colleen and son Robert, 8, from rural St. Johns into the city, and they're living at 1013 S. Church Street. The Quinns have been subscribers to the County News since they first came to the area. He was formerly a teacher in Coleraine, Minn.

BERT L. DICKEN, his wife Betty Lou and their son Tom, 6, are recent newcomers to St. Johns from Alma and are living at 305 Lindy Lane. Dicken is a driver for United Parcel Service and has been with UPS for a year. They already receive the Clinton County News.

From Marquette to St. Johns comes KENNETH E. BARNHART and his family, and they have an apartment at 306 S. Lansing Street. He and his wife, Barbara, have a daughter, Gloria, 8. Barnhart is an electric lineman for Clifton Engineering Co.

Ticketed for failure to yield right-of-way

Robert N. Chappelle, 18, of 803 N. Mead Street, St. Johns, was ticketed Sunday for failure to yield the right-of-way after his car struck another as he left the Wheel Inn on South US-27. He reportedly crossed the median strip and hit the left side of a southbound car driven by Herbert H. Voelker, 66, of Lansing. No one was injured.

Eureka cadet wins promotion

The Military Department of Howe Military School, Howe, Ind. has announced the promotion of James Otto Gower, son of Mr and Mrs J. O. Gower of Eureka, Mich., to cadet captain.

Watch stolen

Leland Trierweiler of R-1, Eagle, reported to the sheriff's office last Wednesday the theft of a gold wrist watch from the glove compartment of his car while it was parked for a Pewamo-Westphalia football game.

Chain saw taken

A chainsaw valued at \$325 when new and two claw hammers were reported taken from a shed across from 4231 Airport Road last Wednesday. The theft was reported to the county sheriff's office by Paul Halstead of R-2, St. Johns.

MISS NANCY MAGSIG
Miss Nancy Magsig of DeWitt, a senior this year at St. Johns High School, is a recent graduate of the Joan Jewett Career School of Lansing. She has appeared recently in several fashion shows in the capital area. She completed classes in fashion, photographic and television modeling.

City Brevities

Miss Birdaline Smith and Mrs. Wilbur Brandt spent from Thursday until Monday morning at Long Lake, north of Alpena, the guests of the Misses Joanne Langfeldt and Ella Poirier.

Mr and Mrs Raymond Ike, Mr and Mrs Kenneth Dickens and Mr and Mrs Russell Welch spent the weekend at the new home of Mr and Mrs Al Garey of Port Huron.

Tree plantings memorial to late DAR regent here

The White House program to maintain the natural beauty of America has received the support of the Michigan Daughters of the American Revolution.

In keeping with this objective, the Michigan DAR members attended a ninth Memorial Pines Dedication last Wednesday on the eastern side of the Huron-Manistee National Forest in Alcona County at the Pine River Camp Grounds.

ONE PLANTING was dedicated to the memory of Mrs. Josephine Pulling, given by her husband, John Pulling and family and the St. Johns Chapter River Wabwaysin. Mrs. Pulling was regent of River Wabwaysin Chapter at the time of her death.

At the preceding planting, a tree was given in memory of Mrs. Myrtle Way, mother of Mrs. Pulling, by the Pulling family and the chapter. Another was dedicated to Mrs. Beatrice Wisner, an associate member of River Wabwaysin.

IT WAS IN 1948 that the DAR of Michigan gave their first 100 acres of memorial pines. Since then at intervals of two to three years, additional plantings in the Huron-Manistee National Forest have been donated at a cost of \$8,520.

MR AND MRS JEFFREY MARTIN

Goscinski, Martin joined in marriage

Miss Janice Goscinski and Jeffrey Martin spoke wedding vows Saturday noon in St. Cyril's Catholic Church at Bannister with the Rev. C. D. Smolinski performing the double ring ceremony.

The bride is the daughter of Mr and Mrs George Goscinski of rural Elsie and the bridegroom is the son of Mr and Mrs Robert D. Martin of Elsie.

The bride, given in marriage by her father, wore a gown of crystallite over taffeta with a watau train. The lace bodice was fashioned with long sleeves and scalloped neckline. The bouffant veil of French illusion was held in place by a headpiece of pearls and crystals. She carried a bouquet of white glamelias with trailing ivy.

MISS SONJA GOSCINSKI was her sister's maid of honor while another sister, Georgia, and Doris Gennow of Okemos and Mrs. Harold Olney of Swartz Creek, sister of the bridegroom were the bridesmaids. Debbie and Julie Olney of Swartz Creek were junior bridesmaids.

The maid of honor wore a floor length gown of green silk organza over taffeta. The bridesmaids wore identical gowns in gold while the junior bridesmaids wore apricot organza over yellow. They carried fall-colored mums with velvet streamers.

Annette Todocuk was flower girl and Kenny Herrick was ring bearer.

James Weber of Reese served as best man while James Gurski of St. Johns, Brett Bell of Detroit and Harold Olney of Swartz Creek were ushers.

The bride's mother wore a turquoise crepe dress with lace bodice, matching accessories and a corsage of pink cymbidium orchids. The bridegroom's mother wore beige crepe with green accessories and a corsage of green cymbidium orchids.

A RECEPTION was held at the Elsie American Legion Hall where Mrs. Russell Kioski of Ovid registered the 300 guests.

The serving table was centered by a wedding cake made by the bride's mother and cut by Mrs. L. W. Burdick and served by Mrs. Wanda Brehaut.

Immediately following the reception, the new Mr and Mrs Martin left on a wedding trip through Canada and the New England states.

THE BRIDE'S going away en-

semble was a moss green knit suit with brown accessories.

After Sept. 27, they will be at home to their friends at 521 North Homer, Lansing.

The bride attended Central Michigan University and Flint Junior College while the bridegroom is a graduate student at Michigan State University. Both are graduates of Elsie High School.

Mr and Mrs R. D. Martin were hosts to a rehearsal dinner, Friday evening, at Daley's Restaurant near St. Johns.

City Brevities

Mr and Mrs N. D. Stout, formerly of St. Johns, recently moved to Moosehaven, Fla., which is located at Orange Park, near Jacksonville. They were sponsored by Kalamazoo Lodge No. 88 of which Stout has been a member for nearly 46 years. Their address is Mr and Mrs N. D. Stout, Moosehaven, Orange Park, Fla., 32073.

B & B Extension group hears several reports

Thirteen members of the B & B Extension group in "Family Living Education" met with Mrs. Bruce Mehney for an afternoon meeting Friday. One guest, Mrs. Elva Brown of Sarasota, Fla., was also present.

Chairman Treva Harper called the meeting to order, and Mrs. Stanley Payne, council woman, gave a report on the council meeting she attended in St. Johns. Treva Harper reported on the lessons on medical self-help which she attended at MSU College Week. She said doctors, nurses, films and civil defense personnel are used in the course.

THE HOME Economics Extension yearbook was completed with names and dates for the coming year.

The next meeting will be Oct. 22 with Susie and Treva Harper. Roll call will be answered by naming a new TV program.

Church women meet, plan community day

A board meeting of the Council of Church Women was held at the First Methodist Church on Sept. 16 with eight churches represent-

Mrs Frank Swagart was elected to make plans for World Community Day, to be held at Lowe Church on Nov. 5. Congregational and Bengal EUB churches are in charge of the program.

Christian women around the world who are concerned over the need of people throughout the world will meet.

Miss Orweller is bride-to-be

Patricia Ann Orweller is engaged to Kenneth Greenfield, son of Mr and Mrs John Greenfield of rural DeWitt, as announced by her parents, Mr and Mrs Joseph Orweller of R-6, St. Johns.

Their wedding will be a February wedding.

Announcements

The first fall meeting of the Music Boosters will be a family potluck on Monday, Oct. 4, at Smith Hall. All rural and elementary school, junior high and high school music students and their families are invited to attend. Bring own table service and dishes to pass. Drinks will be furnished by the Music Boosters.

A Masonic Temple dedication chicken barbecue will be held on Sunday, Oct. 3, at the temple. Serving will begin at 12:30 p.m.

The Lutheran Ladies Guild will meet in the church basement on Thursday, Oct. 7, at 8 p.m.

The Women's Fellowship of the First Congregational Church will meet at the church at 1:30 p.m. on Oct. 5. Mrs Arthur Wood will give the devotional service and the program will be presented by Mrs R. W. Sleight. Elizabeth Winslow Division will be in charge of the tea.

The next meeting of the King's Daughters will be held on Monday, Oct. 4, at 2 p.m. with Mrs Pearl McArthur.

Olive Grange No. 358 will observe Booster Night on Friday evening, Oct. 1. Potluck will follow the meeting.

Newlyweds make home at DeWitt

Mr and Mrs Edward Robert DeGeer, who were married in DeWitt Community Church, Sept. 4, are now making their home near DeWitt.

Formerly Miss Janis Kay White, the bride is the daughter of Mr and Mrs Robert A. White of DeWitt. Mr and Mrs Edward B. DeGeer of St. Johns are the parents of the groom.

FOR THE ceremony the bride chose an Azalea floor-length sheath with white accessories. Mrs Robert Schaar attended her sister as matron of honor, wearing a pink and white floor-length sheath.

Gerald Becker of rural St. Johns was best man. Seating guests was Dave DeGeer, brother of the bridegroom.

SPECIAL guests present were the bridegroom's grandparents, Mr and Mrs Hilliard DeGeer of Stouffville, Ontario.

The couple left on a honeymoon to Canada immediately following a reception at the DeWitt Masonic Temple.

Royal Neighbors begin fall schedule

The Royal Neighbors of America were entertained last week Tuesday evening at the home of Mrs Mildred Abbott and Miss Flossie Woodhams on S. Clinton Avenue.

Mrs Woodhams, the Oracle, presided at the first fall business meeting. Reports were given and Resolutions of Respect were signed by a committee for the families of two deceased members, Mrs Kathryn Wagar and Mrs Louise Smith.

IT WAS reported a member, Mrs Ola Ruth, was in the hospital.

The next meeting will be Oct. 19, at the home of Mrs Irene Hill and there will be the monthly card party on Oct. 5 at the home of Mrs Bruno Mazzolini.

Cards furnished the entertainment of the evening, and the hostesses served refreshments.

Episcopal Guild plans work bee at fall meeting

St. Monica's Guild of St. John's Episcopal Church held its first meeting of the fall season at the home of Mrs John Pouch on Sept. 23.

Mrs Pouch, past president, presented the Guild's Celtic Cross to Mrs Franklin Smith, new president. Other officers for the year are Mrs Winston Miller, vice president, and Mrs Allan Boron, secretary-treasurer.

AFTER THE business meeting, Mrs Fred Ferris showed the group some Christmas decorations and explained how to make them. The women decided to make such decorations to sell at church coffee hours. Proceeds will be donated to the church. There will be a work night to make decorations on Thursday, Oct. 14, at 8 p.m. in the church undercroft.

The group adjourned after a dessert was served by the hostesses.

The next meeting will be on Thursday, Oct. 28, at 8 p.m. at the home of Mrs Winston Miller of 304 North Prospect, St. Johns.

St. Rita Guild makes plans for coming season

The St. Rita Guild of the St. Joseph Altar Society was held at the home of Mrs Frank Malusek Thursday evening, Sept. 23 with Mrs Walter Dick as co-hostess.

Mrs Nick Koenigsnecht led the rosary to the 23 members present. The business meeting followed. Mrs Laura Jorae, president, gave a report on the projects planned by the Altar Society for 1965. The bake sale Sunday, Sept. 26, the style show and card party, Oct. 26 and the Christmas Bazaar Dec. 8.

THE ST. RITAS Guild will be in charge of the bake goods at the Christmas Bazaar. The next meeting will be held Oct. 14 at the home of Mrs Francis Fedewa, at which time a Amway Party will be held. The meeting was closed with prayer.

Card Bingo was played with prizes being awarded to Mrs Francis Fedewa, Mrs Aaron Ordway and Mrs Nick Koenigsnecht. Refreshments were served by the hostess and co-hostess.

REV JACK RILEY

Zone rally set at area church

A missionary on furlough in the US is scheduled to speak in St. Johns on Saturday.

Rev Jack Riley who, with his wife, was a missionary in Johannesburg, Republic of South Africa, will be the speaker at a zone rally at the Church of the Nazarene on Saturday, Oct. 2, at 7:30 p.m.

This is the Riley's first furlough since being assigned to Africa in 1960 by the Department of World Missions, Church of the Nazarene.

FOR THE FIRST two years he served as the general administrator of the zone. His activities included the supervision of all construction and related zone-wide activities. For the last three years Rev Riley devoted full-time to evangelism and Sunday school work.

He attended Olivet Nazarene College, Kankakee, Ill., for two years and graduated from Pasadena College, Pasadena, Calif., in 1958. Prior to his assignment overseas Rev Riley pastored in Colorado and California for seven years.

REV AND MRS Riley have four children, three boys and a girl, ranging in age from 13 to 2 years.

The NWMS of the church is host for the zone rally in which 14 churches will participate. The public is invited.

DAR chapters hold meetings

State officers and committee chairmen of the Michigan chapter of the Daughters of the American Revolution held regional meetings in various areas of Michigan for the past two weeks.

The meetings were intended to inform and interest officers and members in the work of the DAR and instruct them in carrying out this year's projects.

RIVER WABWAYSIN Chapter joined 10 other chapters of southwest Michigan in Albion on Tuesday, Sept. 21.

Among the state officers who spoke was Miss Maralyse Brooks, state chairman of Junior American Citizens Clubs of Michigan, and Mrs Harold Millman, regent of the St. Johns chapter. Mrs George H. Brooks, registrar of the local chapter, also attended.

Miss Nancy Podolak, Robert Holland wed

Rev Don Voss read the service which joined Miss Nancy S. Podolak and Robert Holland in marriage in the Congregational Christian Church, Maple Rapids, on Aug. 29. Mr and Mrs Milo A. Podolak of Maple Rapids and Mr and Mrs James Holland of Lansing are parents of the newlyweds.

Yellow and white gladioli decorated the altar as the bride approached, wearing a sheath style gown with long-pointed sleeves. A crown secured her nylon veil and the bouquet she carried was of yellow roses.

SHE WAS attended by Joan Berkhausen and Mary Brown, both of Maple Rapids. They were attired in gowns of yellow brocade with short-sleeves. Yellow roses adorned their headresses and they carried bouquets of white carnations.

The bridegroom was attended by Tom Ginkle of Maple Rapids, William Fitzpatrick of Fowler, Robert Podolak, brother of the bride, and James Holland, brother of the bridegroom.

Joan Williams, vocalist for the ceremony, was accompanied by Helen Howe, organist.

MRS PODOLAK wore a beige ensemble to her daughter's wedding. The mother of the bridegroom wore a blue outfit.

DAR chapter resumes meetings

Mrs Harold Millman, new regent of the River Wabwaysin Chapter of DAR, was hostess to the first meeting of the year Tuesday evening.

The program for the year was planned and hostesses chosen. Mrs Manning Bross told of the plans for Constitution Week, which was observed with an exhibit in the Centennial Room of the Clinton National Bank.

THE SCHOOLS and churches and service clubs had some patriotic observances, too, and an editorial on the subject and a proclamation by St. Johns Mayor Jack Smit were printed in the Clinton County News. Members gave a vote of thanks to all persons who helped in any way to celebrate the annual Constitution Week.

Mrs George H. Brooks told of the unusual facts not known about the signers of the Constitution of the United States.

Mrs Millman served dessert and coffee at the close of the meeting.

Mrs Bishop hostess for Crescent lunch

The Crescent Club met with Mrs Ethel Bishop on Wednesday afternoon, Sept. 22.

The hostess served a dessert luncheon, after which a business meeting was held.

Games were played for entertainment and prizes awarded.

Mrs Nina Dutcher will entertain the club on Wednesday, Oct. 6.

Rapids school gym and assisting were Mrs Judy Bellinger, Mrs Betty Davis, Mrs Marge Curtis, Mrs David Swanson and Mrs Raymond Brookshire. Following the reception, the couple left for a Niagara Falls honeymoon.

Revoked-license driver jailed

Charles R. Rose, 27, of Lansing, was fined \$50 plus \$19.90 and sentenced to 10 days in the county jail last week after his

conviction in justice court of a third offense for driving on a revoked license. He was arrested by state police at the intersection of State and Turner Roads in DeWitt Township. Justice of the Peace Gordon Willyoung heard the case.

County Line News

By Mrs Doris Fisher

The Women's Society of Salem EUB Church are serving a turkey supper Thursday evening beginning at 5:30 in the church basement.

Election of officers for the new year of 1966 and local conference meeting will be held in Salem EUB Church Saturday evening at 7:30 p.m.

Rev and Mrs Ralph Conine who recently returned from a trip to Puerto Rico will be showing their pictures at Salem EUB Church on Oct. 10, at 8 p.m.

The Salem EUB annual Harvest Festival will be held in the church on Oct. 23.

Mrs Gilbert Baker called on her mother, Mrs Howard Evtits of Pompeii, Sunday afternoon.

Mrs Helen Isley of Detroit is spending this week with her aunt, Mrs Frances Patterson.

Mr and Mrs Richard Vincent of Corunna called Saturday afternoon on Mr and Mrs James Fisher and family.

Mr and Mrs Gilbert Baker and family spent Sunday evening with Mrs Herman Earegood of St. Louis.

Show presented by Rhythm Band

About 45 Clinton County Senior Citizens accepted the invitation of the Owosso Golden Age Club to visit them on Sept. 21 and were among 150 persons present at a dinner served by the hosts.

The Rhythm Band was asked to put on a program and presented the comic pantomime, "Wanted a Wife," and several numbers, played by the band. Amusing hats were worn by the women and Sidney Christmas, a new member, favored with piano solos. The newly developed male chorus sang.

The St. Johns group plans to invite the Owosso group to be their guests in the near future.

Mrs William Smith to head Green Tee

Board members of Green Tee met on Tuesday, Sept. 21, at the home of Mrs Oliver Montague for an election of officers.

Elected were Mrs William Smith, president; Mrs Carl Bancroft, vice president; Mrs Herman Bushman, secretary; Mrs Fred Gutshall, treasurer; and Mrs Bernard Mankey and Mrs George Judd, publicity.

Retiring officers are Mrs Oliver Montague, Mrs Charles Dickinson and Mrs Lester Lake.

Following the selection of committees for the coming year, lunch was served and a social evening was held.

Guild members meet in Crosby residence

St. Elizabeth's Guild of St. Joseph's Church held its first meeting of the season at the home of Mrs Larry Crosby on Sept. 21.

The meeting was opened with the rosary, led by Mrs Charles Stachel. Mrs Jerome Williams gave a report on the coming events of the Altar Society and Mrs Edmund Dickman discussed the Altar Society news.

BUNCO WAS then played and prizes went to Mrs Charles Stachel, Mrs Roland Merignac and Mrs Joe Ley. Mrs Jerome Williams won the door prize. Lunch was served by the hostess.

The next meeting will be held at the home of Mrs Jerome Williams of 408 South Kibbee on Oct. 12.

Waggoner family spend weekend clearing land

EUREKA— Mr and Mrs Gordon Waggoner, Gloria and Linda and Mr and Mrs Hub Meadows of near Perry spent the weekend from Friday night tenting out on their land up north, near Houghton and Higgins Lake. Mr and Mrs Wendell Waggoner, Ron and Rusty and Mr and Mrs Dale Randolph and Larry came up with their house trailers and spent Saturday and Sunday on the land. Mr and Mrs Howard Waggoner who lives at Houghton Lake joined them each of the two days.

The Randolph's work equipment was brought up and the two days were spent cleaning and scraping the roads and trails and clearing of brush were done. On Saturday evening the five families all met at the Howard Waggoner home and there they held the yearly annual meeting. Mr and Mrs Clarence Parr were also guests of the evening. A friend also joined the workers on Saturday.

Mrs Helen Smith and daughter Sharon and sons, Bob and Barry of Owosso were Thursday evening guests of Mr and Mrs Frank Ruess.

Mr and Mrs Frank Ruess, accompanied Mr and Mrs Bud Drury to Detroit Sunday to spend the day with the former's daughter, Mrs Paul Rankak and family.

Mrs Dorothy (Manford) Watt of Lansing spent from Tuesday until Thursday with Mr and Mrs Orrin Blank. Mrs Watt is Mrs Blank's sister.

Road Commission Weekly Report

The blacktopping of Chandler Road had to be postponed from last week to this week because of the heavy rains. Crews were busy with washouts, water holes and trees and limbs in roads.

Kenneth Cook of the Elten Engineering Co. of Port Huron, has started the project of bridge analysis. There are 89 bridges on the list to be examined and more are expected to be added later.

LES DRAGOO, County road engineer, your road clerk and Paul Nobis, chairman, and Bernard Zeeb, commissioner, attended the road commission convention at Traverse City last week. This meeting was devoted to highway needs, airport policies and equipment studies. Robert Scott of the Scott Engineering Co., consultant to the County Road association, discussed the latest developments in equipment accounting.

Richard Walker, secretary of the Michigan Good Roads Federation, Wallace Nunn, Michigan State Highway commissioner, and Earl Rogers, engineer-director of the County Road Assn., all talked on the proposed highway legislation now before the State Legislature. Highway needs, both at State and County levels, were discussed at length.

ONE OF THE big problems of road crews, whether they be State, County or private contractor, is vandalism. One of the more dangerous types of vandalism is the destruction or removal of warning signs—either permanent traffic control or temporary warnings of emergency conditions.

Heavy rains and winds in the past weeks have made many dangerous washouts and brought down some trees. It is obvious that all of these cannot be repaired at once along with regular maintenance and usual troubles with culverts and bridges. So warning signs, flashers or flares are left until repairs can be made.

MANY TIMES, especially on weekends, the warning devices are stolen or destroyed and the hazard is left unguarded. Last weekend a bad hole in a bridge northwest of St. Johns was left unmarked when two automatic-barricade flashers came up missing.

Perhaps an appeal to the type of person who would steal warning signs is useless. Such a twisted mind is hard to reach, but we feel we must make an effort to stop this vandalism. Public safety is at stake, perhaps a life, so any information that we can get will be appreciated.

DON EWING Road Clerk

South Ovid

By Mrs George Young

Mrs Sarah Young, with Mr and Mrs Dewey Davidson, spent last Monday in Lansing at the Vic Brown's. After dinner, movies, taken in California were shown.

Mrs Virginia Clossen of Midland was a visitor at the Georgianna Underhill home last Saturday. Her mother, Mrs Gladys Parker, returned home with her.

The Davidsons will be spending the next two weeks at the home of her brother, Harold See, and family before leaving for Anaheim, Calif., where they will spend the winter.

Mr and Mrs Kenneth Young spent Sunday near Greenville, visiting her mother, Mrs John Miller, and brother.

Mrs Florence Cornell and friend of Ovid were Thursday evening callers at the home of Mrs Sarah Young, visiting Mr and Mrs Dewey Davidson.

Mr and Mrs Dewey Davidson were in Flint on Monday, visiting the Ralph Davidsons.

Clinton Area Deaths

Mrs Skiver

BATH—Mrs Jeanne D. Skiver, 49, of 6186 Clark Road, Bath, died last Wednesday afternoon in a Lansing hospital following a brief illness.

She was born April 26, 1916, in Paulding, Ohio, the daughter of Paul and Trix Kyle Bybee. She graduated from Paulding High School. She moved to Lansing in 1941 and had lived in the Bath area for the past 19 years.

SHE WAS married to Paul Skiver Oct. 23, 1936, in Auburn, Ind.

She was a member of the Bath Methodist Church.

Surviving are her husband; one son, David at home; three sisters, Mrs Marion Mentzer of Paulding, Ohio, Mrs Lois Winan of Slater, Mo., and Miss Pauline Bybee of Oakwood, Ohio; and two brothers, Fred Bybee of Tokyo, Japan, and Allen Bybee of New Orleans, La.

Funeral services were held Saturday at 2 p.m. at the Vincent-Rummell Funeral Home in DeWitt, with the Rev Regional Becker of the Bath Methodist Church officiating. Burial was in Pleasant Hill Cemetery at Bath.

Clell Stevens

ST. JOHNS — Clell Stevens of R-3, St. Johns, died in Clinton Memorial Hospital on Friday after a long illness. He was 68.

Services, conducted by Rev Rudy Wittenbach of Greenbush Methodist Church, were held in Osgood Funeral Home on Monday at 1:30 p.m. Burial was in Union Home Cemetery.

A lifetime resident of the Clinton - Gratiot area, Mr Stevens was born in Gratiot County on Dec. 8, 1896. He was the son of George Stevens and Rosa Grubaugh and worked as a gravel contractor and trucker.

Surviving are three sisters, Mrs Clarabelle Schmidt, Maple Rapids, Mrs Abigail Cushing, Grand Ledge, and Rose Stevens, Lansing, and several nieces and nephews.

E. D. Ridenour

CHARLOTTE—A former St. Johns resident, Elmer D. Ridenour of 119 Seminary Street, Charlotte, died Wednesday, Sept. 22, after a long illness. He was 68.

Services were held at Berl Field Funeral Home, Dimondale, Saturday at 2 p.m. with burial in Dimondale Cemetery.

MR RIDENOUR, a 1916 graduate of St. Johns High School, was a World War I veteran and a member of American Legion Post No. 42, Charlotte.

He is survived by a daughter, Mrs Yvonne Tanner, Lansing; two sons, Richard, East Lansing, and Ronald, Eaton Rapids; 12 grandchildren; and two brothers, Jeff, Lansing, and Richard, Grand Ledge.

Mrs Brosteau

ST. JOHNS —Mrs Julia A. Brosteau of R-6, St. Johns, died on Wednesday, Sept. 22, at 6:08 a.m. in Clinton Memorial Hospital, following a long illness. She was 79.

Rev E. E. Courser of the Free Methodist Church of St. Johns was in charge of services at Osgood Funeral Home on Friday at 1:30 p.m. Burial was in Maple Grove Cemetery.

BORN IN Clinton County on July 22, 1886, Mrs Brosteau was the daughter of Elijah and Caroline Holden.

On Dec. 22, 1932, she married Earl H. Brosteau in Jacksonville, Fla., and resided in the Detroit area most of her life. She spent the last four years at the St. Johns address and prior to that, lived in Evert.

Surviving besides her husband are a sister, Mrs Bertha Longcor of Ovid, and several nieces and nephews.

Mrs Lydia Howe

DeWITT—Mrs Lydia G. Howe, who owned and operated Howe Greenhouse in DeWitt since 1932 with her husband, died on Monday morning in Clinton Memorial Hospital. She was 68.

Services were scheduled for 2 p.m., Wednesday, at Vincent-Rummell Funeral Home with Rev Ernest Combellack of DeWitt Methodist Church officiating and burial in DeWitt Cemetery.

MRS HOWE, the daughter of Paul Klaver and Anna Lietzke Klaver, was born in Olive Township on April 28, 1897.

She married Myron Howe in her parents' home on Nov. 8, 1919, and spent her entire life in the DeWitt area.

Mrs Howe was a member of the DeWitt Blue Star Mothers, the Clinton County Farm Bureau and the Central Michigan Florist Club.

SURVIVING are her husband; a daughter, Mrs Ila Wood, DeWitt; two sons, Lester and Richard, both of DeWitt; 13 grandchildren; four sisters, Mrs Florence Mag-sing, DeWitt; Mrs Mabel Cass, Lansing; Mrs Dorothy Smith, East Lansing and Mrs Marie Schneeburger, Grand Rapids; and two brothers, John Klaver, DeWitt, and Francis Klaver, Dansville.

Mrs Maude Weirs

ST. JOHNS — Mrs Maude Brooks Weirs, a former resident of the St. Johns area, died at the Willard, Ohio, hospital recently following a short illness. She had returned home a week earlier from a visit with her sister, Eva Brooks Fey of San Diego, Calif.

Mrs Weirs was born in Ashland, Va., the older daughter of Alonzo and Nettie Brooks. She attended the Ashland public schools and then with her parents moved to her grandfather's farm home. Later she moved to Willard, Ohio, where her parents lived for some time. She came to St. Johns and was married here to John Weirs of Willard, Ohio.

SINCE THAT time she and her husband operated a general store in Celeryville, Ohio, until his health failed and they spent their winters in Florida. Mr Weirs died in 1948, and Mrs Weirs has made her home in Florida, returning to Celeryville and St. Johns summers. For the past two years she has lived with her sister at San Diego, Calif.

Funeral services were held Monday in the Christian Reformed Church in Celeryville, Ohio, with burial in the cemetery there.

Mrs George H. Brooks and Miss Maralyse Brooks of St. Johns attended the funeral service.

Virgil Olson

ST. JOHNS — Virgil Leslie Olson of 308 North Oakland Street, St. Johns, died Wednesday, Sept. 22, at 10 p.m. in his home, following a long illness. He was 49.

Services were held in Barden Funeral Home, Ithaca, on Saturday at 2 p.m. with burial in Ithaca Cemetery.

Mr Olson, son of Harry Olson and Lillian Nelson Olson, was born in Junction City, Kan., on June 28, 1916.

A GRADUATE of Dwight High School, Dwight, Kan., Mr Olson moved from Kansas to Michigan

In 1937. He married Helen Stahl in Ithaca on Dec. 14, 1940, and worked as a millwright for Oldsmobile until 1952.

Following his employment at Oldsmobile, he farmed near Laingsburg, after which he owned and operated the former Olson's News Stand and Taxi Service in St. Johns.

Surviving besides his wife are three sons, Kenneth, Ozark, Ala., Harry Lee, USN, Spain, and Alvin at home; a daughter, Linda at home; two grandchildren; his mother, Mrs Lillian Olson, Dwight, Kan., a brother, Howard, Kansas; and two sisters, Mrs Dorothy Cooley, Cadillac, and Mrs Ardith Dunkel, Abilene, Kan.

McGonigal Corners

By Mrs John McGonigal

Mrs Ella Hobart, Park Lake, was entertained at dinner last Sunday at the home of her son-in-law and daughter, Mr and Mrs Lewis Howe of Sleigh Road, Bath. Other guests were Mr and Mrs Floyd Hotelling of East Lansing. The Sunshine Sisters will meet at the Bath Baptist Church on Oct. 4, at 8 p.m. for their annual revelation party. Sunshine Sisters should be sent invitations.

Chester R. McGonigal Jr. attends Adrian College. Blaine Tischer of Drummond Island is a sophomore at Michigan State University. Doyle Rossow returned to Central Michigan University.

Rev James Burley, pastor of the Bath Baptist Church, and Mrs Burley, Rev Haze and Mr and Mrs Harold Schultz, members of the church, are attending the National Fellowship at the Baptist Temple, Kansas City, Kan., this week.

Mid-week prayer meeting and Bible study is in charge of a church layman, Carl Curtis. Eugene Rounds will be the moderator.

The Missionary Circle of the church is sending Linda Beagle, who attends the Baptist Bible College at Springfield, Mo., a birthday gift of \$20.

The Barretts of Allen Street, Mrs Joe Miller and Mrs Iona Barker spent the weekend at Houghton Lake.

Mr and Mrs Chester McGonigal Sr. of Watson Road motored to Adrian, last Sunday.

Mrs Edna Hammond, Bath returned home, after a 2-week visit at Charlevoix.

Northeast Eagle

Mrs Andrew Kempf Phone 627-6710

Home ec group plans program

ROCHESTER COLONY—The Rochester Colony Home Economics Extension group met at the home of Mrs Richard Hebler of East Walker Road, Tuesday evening, Sept. 21.

Mrs Hebler, newly elected chairman of the group, opened the business meeting with members repeating the Extension Women's Creed in unison.

A report was heard from Mrs Ray Hamer, Clinton County Council representative.

The year's study lessons were discussed and completed program books were distributed to members, followed by a showing of the film, "Michigan's One Autumnal Face," by the hostess. An invitation was extended to the women to an open house which will be held on Oct. 13 from 1 to 3 p.m. at Smith Hall, bidding farewell to Miss Betty Ketcham, Clinton County extension agent, home economics.

Miss Ketcham was promoted to a position at Michigan State University, where she will work on Michigan Home Economics Family Living Program planning effective Oct. 1.

The October meeting will be held at the home of Mrs Joe Bancroft, Shepardsville Road, Oct. 25.

Annual WSCS dinner set for Wednesday

ROCHESTER COLONY—Women of the WSCS of the Duplain Methodist Church have been completing plans for the annual harvest dinner which will be held in the basement of the church in the Colony, Wednesday evening, Oct. 6.

The menu will include roast turkey, dressing, mashed potatoes, gravy, baked squash, cole slaw, rolls, relish plate, homemade pie and coffee.

Serving will start at 5 p.m.

Mr and Mrs John Rademacher, Ionia, hosted a family get-together in their home Sunday.

Dinner guests included his mother, Mrs Cecelia Rademacher, and brothers and sister-in-laws, Mr and Mrs Rademacher of Watson Road, the Ferd Rademachers and the Arnold Rademachers of St. Johns.

95th anniversary, homecoming planned

ROCHESTER COLONY — On Sunday, Oct. 3, the Duplain Church of Christ will observe its 95th anniversary and homecoming at the church on East Colony Road.

R. D. Marmion of Grand Rapids, former minister of the church, will be the special morning speaker. A basket dinner will be served at 1 p.m. and Robert Palmer, minister of South Lansing Church of Christ, will be the speaker in the afternoon.

Mrs Raymond Thornton, Mrs Kenneth Kiger, Mrs George Libey and Mrs Max Hott attended the Methodist Fall Rally at Greenville, Wednesday, Sept. 22.

Monday evening classes of Christian Workers School at Alma will be attended by Mrs Kenneth Kiger, Mrs Max Hott and Walter Kaufman Sr., all members of the Duplain Methodist Church, for a 6-week period.

Mary Hott was a Sunday guest of Mary Temple in the Don Temple home. After dinner, Mr and Mrs Temple and the girls called on James Temple at Wilson Hall on the MSU campus. James is a freshman at the university.

Commercial Printing, Reasonable Prices, Top Quality, Quick Service—Clinton County News

St. Johns sophomore halfback Terry Hart (32) is forced out of bounds and is about to be hit by an unidentified Greenville tackler in this bit of action Friday night. Hart had caught a 13-yard pass that carried to the 8-yard line. Coming up at left is Greenville's Steve Foster (81).

Hunting on another man's land is a privilege, the Conservation Department reminds sportsmen. Abuse of that privilege has but one result—loss of a place to hunt.

'Flag football'
leagues proposed
in St. Johns

Two leagues for the playing of flag football are being formed under the auspices of the St. Johns recreation Department.

Recreation Director Ron Dugas announced Monday that registration for fourth, fifth and sixth graders will be held this Saturday at 10:30 a.m. at the St. Johns city park.

ALL OLDER youths who do not participate in high school athletics, and adults, too, are invited to sign up next Wednesday, Oct. 6, between 7 and 9 p.m. for a men's league.

The fourth, fifth and sixth grade teams will play Saturday mornings, starting Oct. 9. The men's league will play on Wednesday nights on the softball diamond and football practice field.

FLAG FOOTBALL does not involve any tackling, Dugas said, and players cannot leave their feet to throw a block. Football or baseball shoes are not allowed; tennis shoes are the recommended footwear.

Each player wears flags on either hip, and the ball is whistled dead when a defensive player is able to snatch one of the flags from a ball carrier.

DUGAS SAID teams will consist of eight active players. The field is 80 yards long and 50 yards wide and is divided lengthwise into four zones of 20 yards each. Each represents a first down, and the teams have four downs to reach each marker regardless of whether they are four or 20 yards away when the series of downs starts.

Dugas said quarters for the youngsters will be 12 minutes long. The clock will not stop except for called time-outs, and each team has only three time-outs per half.

FATHERS WHO would like to coach a team on Saturday and perhaps one night a week to interpret rules for the boys are also urged by Dugas to sign up this Saturday morning. The adults will be needed for supervision if the formation of the flag football league is to be successful.

Ovid holds
Perry to
6-6 tie

OVID — The Ovid Romans may be playing the spoiler roll in the Central Michigan C conference this year. Friday night they upset title-favored Perry by holding the Ramblers to a 6-6 tie.

Ovid's Dean Simpson scored on a 51-yard run midway through the final period to tie the game up. Perry had led since the first quarter when Dave Shanski scored on a short plunge.

BOTH TEAMS threatened to win the game outright. Ovid had one 92-yard drive stopped on the Perry two-yard line before losing it on downs late in the first half. Two Perry touchdown runs were nullified by penalties, which piled up to 110 yards against Perry before the night was over.

Perry led easily in the statistics department. They gained 270 yards to Ovid's 160 and had 11 first downs to Ovid's 7.

Others get quick results with Clinton County News classified ads—you will, too!

Plan rehearsals
for 'Messiah'
presentation

Rehearsals for Frederick Handel's "Messiah" will begin this Sunday afternoon for the performance planned Dec. 15 by the Clinton County Chorus in cooperation with the St. Johns Ministerial Assn.

All church choir members and other interested people are invited to participate in the chorus. The rehearsal Sunday will be in the St. Johns High School music room and will start at 3 p.m.

CONDUCTING chorus rehearsals will be C. Gordon Vandemark, choral director of St. Johns Public Schools and the First Methodist Church. Robert Cox, assistant director of instrumental music in St. Johns Public Schools and choir director at the First Congregational Church, is working with the high school orchestra and will direct "The Messiah."

"The Messiah" will consist of the traditional Christmas section (Part I and the Hallelujah chorus). Anyone interested in doing solos for the performance should contact Vandemark or Cox.

End John Hospodar lugs the ball toward the goal line for St. Johns' final touchdown—a five-yard play from quarterback Gene Rademacher—while Greenville defenders and referees look on. Greenville players are Chuck Bradley (34), John Nelson (8), and John Bradley (30).

BOWLING
News from Around
St. Johns Area
Bowling Leagues

Hub Tire Center burst out with a 933 high game and 2671 high series last Thursday to pace the bowlers of the City Classic League in St. Johns. Hub Tire, H & H Lounge and Lundy's are all tied for second place one game back of Dick's Barber Shop. Keith Barrett's 224 game was the high score of the day, while Gene Dunkel put together the best series on a 584 score.

Krogers holds a one-game lead over Mobil Gas and Post Office in the Wednesday Twin City League. Mobil Gas had the best game and series last week with scores of 912 and 2614, while Al Thelen rolled an inspiring 248 game and had a 649 series.

THE Commercial League's third place Schmitt Electric was the top team in the Commercial League last week, rolling a 976 high team game and 2706 high team series. Dick Urban's 227 game paced 11 bowlers who rolled games of 200 or better. They included L. Minarik 204, B. Pautke 213, R. Boettger 208 and 203, R. Dunkel 200, M. Markman 209, and 201, E. Feldpausch 200, R. Lynam 204, J. Lance 216, L. Kuhns 202 and B. Nelson 223. M. Markman's 582 three-game score was the high series last Tuesday.

Sixth place Reese's Collision was the highest-scoring team in the Friday Mixed League last week, putting together a 637 game and 1754 series. Leading the league are the KP's, while Richards' Dairy and Cold Stream are tied for second a game back. Individually, Gert Kolehmainen's 482 series and Margaret Turner's 194 game were high for the women, while Duane Bunce took honors for the men with a 213 game and 545 series.

The WPA's are off and running two games ahead of the Cousins and the Hi-Lows in the Industrial Mixed League, which bowls early Friday evenings. The WPA's 64C team game and 1874 team series was high for the night last week. Larry Kuhns had a 197 high individual game and a 547 series, but Glenn Pearson took the series honors with a 559 score. John Petro had a 546 series. For the women, Jo Rogers had a 174 high game and Dora Linman's 469 was the high series score.

ST. JOHNS DRY Cleaners has a two-game lead on Parr's and Julie K as the Ten Pin Keglers League swings into full motion. St. Johns Tool and Die knocked down 746 pins for high team score last Wednesday, while Huntoon's had the best series with 2088 total pins. Cathy Prowant's 215 game was the high individual effort. Ron Feldpausch had a 512 series. Connie Cronkrite had a 209 game. Three girls were handy at picking up splits; Alice Carpenter and Joyce Crosby got the 6-7 splits and Clarice Casper converted the 8-10.

Egan Ford Sales holds a one-game lead over Neller's and two-game lead over Heathman's in the First Nighters League after Monday's bowling. Heathman's had a 730 high team game Monday, while Neller's 2092 series was tops. Marge Mohrke rolled a 203 game and Ethel Kuhns had a 465 series.

NEH BEVERAGE and Moor Mans Feeds are tied for first place, both four games out in front of the 10 other teams. Frechen's Tavern had a 945 high team game Monday, while Nehi's 2581 series topped them all. Paul Lade's 222 game was the best individual effort, while Joe Trefil fired a 568 series.

Rosie Nuser and Thelma Bedell shared high game honors in the Night Owls League last Thursday with 184 scores, while Thelma's 492 was the high series. Sixth place Richards' Dairy bowled the best game and series last week with scores of 888 and 2411. H & H Lounge leads Bee's Chevrolet by 1 1/2 points.

Fowler crushes Saranac to set themselves up as team to beat

FOWLER — The Eagles of Fowler served notice Friday night they are the team to beat in the Central Michigan D Conference.

After decisively defeating league opponent Morrice 40-0 in the opening game of the year, the Eagles went outside the conference to drub Class C Saranac 24-7 on the opponent's field Friday night.

Fowler ran up some impressive statistics, in addition to the score. They out-played Saranac in the following categories: 13-8 in first downs, 251-59 in yards rushing, 37-25 in yards passing; and 2-0 in pass interceptions.

THE FIRST HALF was close all the way, but Fowler dampened Saranac's enthusiasm with a touchdown drive on their first

series of plays. The Eagles went 40 yards in just five plays to score, with Daryl Miller punching over for a touchdown on a four-yard dive play.

Fowler threatened twice more in the first half but could not score. On one occasion they had first and goal on the Saranac 2, but 30 yards in penalties stopped that threat. Again the Eagles got close, but this time a fumble stopped the drive.

COACH H. BLAINE Douglas made a few halftime adjustments in the defensive line and offensive backfield, and the changes worked in the second half. Ron Brown scored on a one-yard dive play in the third period, and on the first play of the fourth period quarterback Brendon Goerge scored on a sneak from two yards out, making it 18-0.

Fowler again moved to the Saranac 30. A field goal attempt from that point was blocked, and Dave Leary of Saranac picked it up and ran 73 yards for his team's only score. The conversion was good, making the score 18-7.

NOT DONE YET, FOWLER moved toward payday. Quarterback Brendon Goerge suffered a broken ankle on the drive, but his brother, George Goerge, took over and engineered the team 50 yards for the final TD. Hilary Goerge scored on a 22-yard run.

Coach Douglas again praised his linemen's play during the game. Linemen include Bruce and Chuck Thelen, Jim Halfmann, Frank Witgen and Ken Koenigsnecht. Witgen and Brendon Goerge came up with two pass interceptions which nipped Sar-

anac's only two scoring threats.

THE OFFENSIVE LINE broke open big holes in a big Saranac line and enabled Fowler backs to ramble almost at will. Ron Brown picked up 110 yards rushing on 19 carries during the night, and Hilary Goerge picked up 94 yards in 12 carries.

"Friday night we'll play an improved Ashley team," Coach Douglas noted. "Last week they held highly-rated Potterville to a 12-6 game. We will have to improve our timing on offense to be able to run against them. We'll also have to make several changes in our personnel to try to make up for the loss of Brendon Goerge. It will be Dad's Night at Fowler and I'm sure the boys will want to give their dads a victory."

Jackets fall as Wings open defense of title

St. Johns' football offense rolled smoothly Friday night as the Redwings chalked up win No. 2 for the season and successfully opened defense of their West Central football championship title.

The Wings defeated Greenville 25-12 as several thousand fans turned out for their home opener on a damp, cool night. While the St. Johns defense had its rough spots all night, the offense seemed to be honed to a fine edge.

QUARTERBACK Gene Rademacher connected on seven of eight pass attempts for 115 yards and two touchdowns during the evening. Balancing this out was a fine running attack led by fullback Bob Every with 72 yards gained on eight carries. Alternating fullback Gary Boyce carried five times for 39 yards, and Rademacher even turned out a runner, picking up 42 yards on six carries.

Recipients of Rademacher's touchdown passes were end John Hospodar, who scored on a five-yard play, and Boyce, who got one that carried for 29 yards and six

points. Every and halfback Lee Hill each got a touchdown on running plays. Boyce kicked the one extra point.

ST. JOHNS scored the first touchdown of the game with only 10 seconds left in the first quarter. The touchdown drive started on the Wings' own 27 yard line after they had squelched an initial Greenville effort that had accounted for two first downs. Runs of 14 and 20 yards by Every, a 14-yard pass to Lee Hill, and a 12-yard roll-out by Rademacher were big plays in the St. Johns drive. Hill got the touchdown with an eight-yard run up the middle. Boyce's extra point kick was good.

Greenville had the ball only briefly before yielding to another Redwing TD drive. Greenville punted to the St. Johns 16. Rademacher rolled out for 13 yards to the 29, and then Boyce set out on a 34-yard run up the middle to the Yellowjackets' 37.

A PASS to Hospodar carried to the Greenville 16. Two plays later Terry Hart caught a pass to the 8, and then Every circled right end for the touchdown.

Greenville scored their first touchdown on the next series of plays. Four first downs carried the ball from their own 36 to the St. Johns 17. Fullback Mike Blackmer got the TD with a run of 8 yards while only a minute and a half remained on the clock.

BUT THAT was enough time for St. Johns to score again. Lee Hill ran Greenville's kickoff back to the Jackets' 45. Boyce carried on a draw play for 18 yards, and Every circled right end for 11. A 15-yard penalty put St. Johns back to the 29, but then Rademacher hit Boyce with a touchdown pass with mere seconds left on the clock. The half ended with a score of 19-6.

Guard Don Hungerford rapped a Greenville punter for a 13-yard loss to set up St. Johns' final touchdown drive in the third period. The Wings took over on the Greenville 35, and in six plays moved the ball to the five-yard line. Rademacher passed to Hospodar for the TD.

GREENVILLE tallied again immediately after the fourth quarter started. They picked up four first downs with a consistent

running attack. Quarterback John Nelson sneaked in for the score after the drive had moved to the St. Johns 1.

Statistics

First Downs	15	13
Net Yards Rushing	221	169
Net Yards Passing	115	50
Passes Attempted	8	14
Passes Completed	7	11
Fumbles	2	1
Fumbles Lost	1	1
Penalties	7	8
Yards Penalized	85	50
Punts	0	2

Score by quarters:

St. Johns	7	12	6	0	25
Greenville	0	6	0	6	12

Greenville put on a fine offensive display for the night, too, only their rushing and passing gains fell short of St. Johns'. Quarterbacks Rick Williams and John Nelson connected on 11 of 14 passes, but the total yardage was only 50 yards. Williams was the top ground gainer for the Jackets, gaining 55 yards on nine carries.

WHILE COACH Bill Smiley was not pleased with the overall defensive display by the Wings, he again got some brilliant individual performances. Linebacker Dave Hill was credited with 13

Oh, no you don't. Gary Boyce (40) of St. Johns says as he grabs Greenville runner Chuck Bradley (34) during second period of Friday night's game. The Redwings led at this point 13-0 and went on to win 25-12.

3 playing ball at Northwood

Three Clinton County youths are among the boys expected to see lots of action during Northwood Institute's 10-game football season this year.

They are:

Barry Miller, a 5-11, 195-pound tackle from Ovid. Miller, nicknamed "Red", earned three letters at Ovid High School, where he was named to the all-conference second team.

KERRY Reed, 6-foot 180-pound halfback from Elsie. Reed lettered four years at Elsie High School, where he was named to all-conference, all-state honorable mention and was named most valuable player.

Stuart "Stu" Seybert, a 5-10, 180-pound candidate for the guard spot. Seybert lettered three years at Elsie High School and was named to the all-conference team.

NORTHWOOD HAS already played three games, and they'll be at Parsons College at Fairfield, Iowa, this Saturday. Their next home game will be Oct. 9 against Ohio Northern University in Midland at 2 p.m.

Fulton wins first 20-6

PERRINTON — Fulton High School's football offense still troubles Coach Barney Schultheis, but last Friday they rolled to three touchdowns as Fulton won its first game of the season 20-6 over Vestaburg.

The Fulton Pirates far outplayed Vestaburg, even to an extent more than what showed on the scoreboard. Fulton had 13 first downs to Vestaburg's 7, gained 264 yards rushing and 70 yards passing to 90 and 20 yards respectively for Vestaburg.

FULTON HAD all three touchdowns before Vestaburg finally got on the scoreboard with a minute left in the game. Chris VanSickle got the first touchdown in the first period with a 10-yard end sweep. In the second quarter Bob Carpenter scored from three yards out on a dive play and Carl Hagenbaugh kicked the extra point.

VanSickle scored again in the fourth quarter from three yards away and Hagenbaugh converted to make it 20-0. Jerry McGill scored on a 30-yard reverse with a minute left in the game to give Vestaburg their only score.

Football

Schedules, Scores

Last Week's Scores

WEST CENTRAL— St. Johns 25, Greenville 12; Grand Ledge 19, Charlotte 7; Lakewood 7, Ionia 0; Hastings 31, Alma 7.

CENTRAL "C"— Elsie 27, Laingsburg 0; Portland 27, Bath 0; Ovid 6, Perry 6 (tie); Pewamo - Westphalia 39, DeWitt 0.

CENTRAL "D"— Potterville 13, Ashley 6; Fowler 24, Saranac 7; Williamston 7, Portland St. Patrick's 6; Webberville 25, Morrice 12.

OTHER GAMES— Fulton 20, Vestaburg 6; St. Johns JVs 23, Greenville 15.

CROSS COUNTRY— Mount Pleasant 12, St. Johns 28 (low score wins).

This Week's Schedule

WEST CENTRAL— St. Johns at Hastings, Alma at Grand Ledge, Lakewood at Greenville, Charlotte at Ionia.

CENTRAL MICHIGAN "C"— Elsie at Pewamo-Westphalia, Portland at Perry, Ovid at Laingsburg, Bath at DeWitt.

CENTRAL MICHIGAN "D"— Morrice at Potterville, Ashley at Fowler, Saranac at St. Patrick's (Saturday).

OTHER GAMES— Hillsdale at Fulton (Saturday 2 p.m. at new high school field), Hastings JVs at St. Johns JVs (Thursday 7 p.m.).

CROSS COUNTRY— Sept. 30, St. Johns at Grand Ledge. Oct. 5, Haslett at St. Johns.

Gary Boyce (40) of St. Johns lunges over a fallen Greenville defender for some short yardage Friday night while an unidentified tackler moves up to make the stop.

JVs romp 19-7 at Greenville

BY SUE DURNER

Using a balanced attack, the St. Johns JVs downed a stubborn Greenville eleven 19-7 Sept. 23 at Greenville.

With 1:57 gone in the first quarter, Tom Rademacher scored on a 5-yard sweep. The run for the extra point was stopped. The balance of the first quarter was mainly a defensive battle between the 30 yard lines.

AFTER AN exchange of punts, Rademacher again found the end zone and scored on a 10-yard run with Salemi accounting for the extra point. The score as the half ended was 13-0.

After St. Johns kicked off, Greenville came to life as Brown raced 55 yards to the St. Johns 10 on a quarter-back sneak. There the Redwings held and took the ball on downs. Greenville re-

Bath swamped by Portland 27-0

The Portland Red Raiders snowed under Bath 27-0 Friday night in the conference opener for both schools at Portland. Denny McCrumb, a junior halfback, scored two touchdowns and kicked three extra points while gaining 100 of Portland's 476 yards for the night.

Gary Coe and Steve Dawdy scored the other touchdowns. The Portland defense held Bath to minus yardage.

Guysky paces Elsie to win

ELSIE — Big Reds Captain Joe Guysky had a field day Friday night as he intercepted three Laingsburg passes and blocked a punt to lead Elsie to a 27-0 victory over the Wolfpack.

The blocked punt set up Elsie's first touchdown, which Guysky scored himself on a two-yard plunge. L. D. Jones also scored a touchdown and ran an extra point, in addition to playing an outstanding defensive game.

P-W walks past Panthers 39-0

DEWITT — Bruce Curtis scored twice in the first half and Pat Luna passed 80 yards to Bruce Thelen for a touchdown as Pewamo - Westphalia drubbed the DeWitt Panthers 39-0 Friday night.

Curtis scored on runs of 24 and 22 yards. Ron Spitzley, of P-W, a 5-10, 205-pound senior, alternated at both tackle and fullback and was a standout player for the game, evoking praise from DeWitt Coach Jerry Summerhays.

2 women split football winnings

The tiebreaker score in the Clinton County News Football Contest doesn't always break a tie! As it turned out with the first week's contest it did, but last week the two finalists both picked the same tiebreaker score.

The result was a tie for the \$20 weekly winnings. And so two gals, Barbara Perry of 604 Spring Street, and Sybil Werbish of 410 W. Giles, both St. Johns, split the prize money this week.

CHECKS FOR \$10 went to each of them Monday. Barbara's choices of Central Michigan and Notre Dame to win were both wrong, and Mrs Werbish was wrong on her picks of Central and Oklahoma. Both prize winners, as well as the hundreds of other entrants, were wrong on the Ovid-Perry game, which ended in a tie, resulting in no winner.

Only one person predicted a tie in the 20 games listed, and that turned out to be wrong when Elsie won. The Bath-Portland game was inadvertently listed twice, but this did not figure in the final outcome.

IT IS IRONIC to note that, while football seems to be a man's sport, women have been the only winners so far this year.

Another contest, made possible by St. Johns area merchants, appears this week on Page 1-C.

Boys 8 through 13...

YOU CAN BE A WINNER IN OUR FREE

PUNT, PASS & KICK Competition

WIN! Warm-up jackets, helmets and footballs are the big prizes for boys 8, 9 or 10. Older boys of 11, 12 and 13 can win handsome trophies. Farewell fete held at Baptist Church

OVID— Following the regular church services, Sunday, Sept. 26, at the First Baptist Church, about 82 members, friends and guests, gathered in the church basement to partake of a basket dinner.

The occasion was a "farewell" honoring Pastor and Mrs. Wallace Lewelin, who leaves Oct. 1, for a new church at Drayton Plains.

Following a program of music, a hymn sing, a piano solo and duet by Suzan and Sally Miller, and a vocal number by the Robert Green family, best wishes from the entire group were extended to the Lewelins. Gifts were presented, after which a social hour was held.

Mrs. Harold Gardner returned home from Lansing General Hospital where she underwent treatment for several weeks.

Linda Huss underwent an appendectomy at Owosso Memorial Hospital on Saturday.

A son was born to Mr. and Mrs. Larry Byrnes in Clinton Memorial Hospital on Friday, Sept. 24.

Clarence Smiths given farewell

OVID— Mr. and Mrs. Henry Polhamus, and son-in-law and daughter, Mr. and Mrs. Danny Buck, were hosts, Saturday evening, Sept. 25, at a farewell party, honoring Mr. and Mrs. Clarence Smith, who will leave soon for their home at Zephyrhills, Fla.

The 24 guests were local members of the Mich-I-Fun-Seekers' Pickup Camper Club and their families.

Following a basket dinner, Mr. and Mrs. Leo Merriell of Grand Ledge entertained with pictures of their Alaskan trip, and of the recent club get-togethers.

A social hour of visiting, square-dancing, and eating of homemade ice cream, served by the hosts, brought the evening to a close.

Mrs. George Arthur of Ypsilanti is visiting in the Harold Beardslee home.

Mr. and Mrs. Clair Durbin of Alden were Sunday guests of Mr. and Mrs. Porter Martin.

Home ec group sets workshop

OVID— Town and Country Extension group met on Wednesday, Sept. 22, at the home of Mrs. Leonard Hall at 1 p.m. The hostesses and co-hostess, Mrs. C. Mead served a dessert.

Mrs. Paul Call Sr. opened the meeting and 10 members prayed the Women's Creed. Dues were paid and yearbooks were made out. Officers for the year are Mrs. Paul Call Sr., chairman; Mrs. Thad Flaughter, vice chairman; Mrs. Alpha Pixley, secretary-treasurer; Mrs. A. H. Phelps, reporter; Mrs. Irene Reed, sunshine; Mrs. Leon Woodworth, recreation; Mrs. Clayton Sherwin, safety and citizenship; and Mrs. Leonard Hall, historian.

A workshop was set for Nov. 16, 17 and 18. Several members volunteered to work and have a display table and 5 dozen cookies will be furnished. The chairman brought articles that she made which could be displayed at the workshop. After identification work sheets were signed, the group adjourned to meet in October with Mrs. A. H. Phelps.

Mr. and Mrs. Gene Edgcomb of Rockford were Saturday guests of Mr. and Mrs. Gordon Tubbs.

Mrs. Bernard Byrnes is now

Eagle

Mrs. Charles Higbee

The WSCS of the Eagle Methodist Church will meet on Wednesday, Oct. 6, in the social rooms of the church. Dinner will be served to the public. The Golden Years Group will be guests of honor and a program and business meeting will follow the dinner.

Mame Smith hosted a birthday dinner, Wednesday evening. The guests of honor were Mrs. Marion Peake and Mrs. Lee Smith. Guests were Mr. and Mrs. John Smith, Mr. and Mrs. Nathan Peake and employed in the J. C. Penney Co. Store in Owosso.

Miss Sarah Lott has enrolled in the Mercy School of Nursing, St. Lawrence Hospital, to work toward an RN degree.

Mr. and Mrs. Willard Zwick moved into their recently completed new home on East High Street.

Mrs. Ira N. Frisbie returned home on Saturday, after being under treatment in Carson City for about a week.

Mrs. Ernest Warren returned home on Thursday from Carson City Hospital.

Mrs. Randy Fowler and daughter of Marquette are spending some time with her parents, Mr. and Mrs. Lawrence Woodworth.

Kathy and Mr. and Mrs. Walter Smith.

Mr. and Mrs. Robert Smith of Kalamazoo visited at the homes of their respective parents, Mrs. Hazel Shaddock and Mr. and Mrs. Frank Smith, on Sunday.

The youngsters of the Eagle Methodist Church had a hayride, Saturday night, with refreshments served afterwards at the home of Mr. and Mrs. Robert Atherton.

Mrs. Robert Higbee took Arthur, Kathy and Laura Lee Higbee and Barbara Volk to Bath, Thursday night to see the junior varsity football game between Portland and Bath.

Mrs. Loyol McCrumb and Mr. and Mrs. Charles Higbee attended past matrons and patrons night of the Wacousta OES last Tuesday night. It was also the 70th anniversary of the Wacousta OES. The occasion was celebrated with a cake and 20 women dressed in attire of 50 to 70 years ago, put on the program.

Mr. and Mrs. Ed Rose and Mammie Smith attended the chicken barbecue at Smith Hall, Thursday evening, sponsored by the Women's Republican Club.

4-H Clubs provide opportunities for mental, physical, social and spiritual growth. Boys and girls between 9 and 19 years of age are urged to join during National 4-H Club Week, Sept. 25 through Oct. 2.

September showers honor Miss Platte

WESTPHALIA — Three showers in Miss Ann Platte's honor were given recently.

On Sept. 2, her classmates gathered at the home of Mrs. Alvin Feldpausch. Misses Sharon May and Loraine Pline joined Mrs. Feldpausch as hostesses. The tables were decorated with netting and roses and bridal games were played with a lunch served afterwards.

Misses Linda Miller and Ellen Platte were co-hostesses at a shower at the Harold Platte home on Sept. 12. They used a swan centerpiece for the gift table.

On Sept. 26, Mrs. James Thelen and Miss Diane Thelen were co-hostesses at a shower at the home of Jerome Thelen. Wedding Bells and an umbrella over the gift table were used as a theme. Bridal games were played and a lunch followed. The bride-elect received many gifts. Miss Platte will become the bride of Paul Thelen on Oct. 16.

Mr. and Mrs. Arnold Theis were honored by their family on their 25th anniversary, Sunday evening. A potluck dinner was served, cards were played and the couple were surprised with many gifts.

Mr. and Mrs. Herman Spitzley and Bruce spent Sunday with Mr. and Mrs. Edward Spitzley Sr.

Anthony Wirth to head order

WESTPHALIA — The Catholic Order of Foresters of St. Mary's Court, Westphalia, held their annual election of officers at their meeting on Wednesday, Sept. 15.

Anthony Wirth was elected chief ranger; Louis R. Hengesbach, vice chief ranger; Georgene Thelen, recording secretary; Denis Fandel, financial secretary; John S. Schafer, treasurer; and James Nurenberg, trustee.

Other subordinate officers will be appointed by the new chief ranger.

Mrs. Caroline Rademacher entertained her brothers and sisters at a supper on Tuesday.

Mr. and Mrs. Carroll Randall spent Tuesday with her mother, Mrs. Caroline Rademacher.

Mrs. Nora Braun visited relatives in the Westphalia area this week.

Mrs. Margaret Fedewa entertained a group of women for lunch on Wednesday.

Mr. and Mrs. Roman Platte visited Sister Marie Dennis at Nazareth last week.

Fall record dance held by Daughters

DeWITT— The DeWitt Job's Daughters had a Harvest Hop record dance in the high school gym, Saturday night. A color theme of brown and orange was used. Corn shocks, leaves and pumpkins were used as decorations.

Chaperones for the affair were Mr. and Mrs. Ronald Taylor, Mr. and Mrs. Raymond Locher, Mr. and Mrs. Leo Hanson, Mr. and Mrs. Richard Keck, Mr. and Mrs. Ronald Phillips and Mrs. Dale Ruth.

The Job's Daughters attended church in a group, Sunday, at the DeWitt Methodist Church.

Mrs. Bliven to host next club meeting

DeWITT—The Thursday Afternoon Club met with Mrs. Henrietta Cushman on Sept. 23. Mrs. Robert Moots was co-hostess.

The mystery prize was won by Mrs. Ed Rasmussen who also won low at Euchre. High went to Mrs. Lela Henning.

The next meeting will be on Oct. 28 with Mrs. Mildred Bliven. Mrs. Ardel Davis will be co-hostess.

Past Matrons Club hosts 33 at dinner

DeWITT—The DeWitt Past Matrons Club sponsored a dinner for the past matrons and patrons of the DeWitt Chapter at the Masonic Temple on Friday night.

Mr and Mrs Ronald Patterson of Lansing visited Mr and Mrs Glenn Weaver and family, Sunday evening.

Dankenbring, Adams wed in Grand Ledge

SOUTHEAST EAGLE— Judy Dankenbring, daughter of Mr and Mrs Russell Dankenbring of rural Grand Ledge, became the bride of James Adams, son of Mr and Mrs Eugene Adams of Grand Ledge, Saturday, Sept. 25, at 7:30 p.m. at the First Methodist Church of Grand Ledge. Rev Harold Jacobs officiated at the double ring ceremony.

The bride wore a Chantilly lace gown with a full-skirt and fitted bodice. A matching lace crown held her veil. She carried a cascade of white orchids and stephanotis wily ivy.

Miss Kay Barclay of Grand Ledge was maid of honor and Mrs Dale Plunkett, bridesmaid. Each wore a street-length dress of yellow nylon over taffeta with matching veil and carried an arm bouquet of bronze and yellow pompons with brown bows.

Miss Karla Enness was flower girl. She wore a floor-length dress of white brocade and a veil and carried a basket with bronze and yellow pompons. Michael Sherd of Ashley was ring bearer.

Wayne Kingsley and Dennis Fox, both of Grand Ledge, attended the bridegroom. Leon and Ronald Dankenbring, brothers of the bride, and George Michetsch II and Dantel Allen, both of Grand Ledge, were ushers.

Two-hundred guests attended a reception in the church dining room. Assisting were Miss Melody Crandall, Mrs Karl Enness, Miss Connie Buehler, Mrs Carolyn Goff and Miss Ann Barclay. Mrs Levi Elliott of Grand Ledge made the wedding cake.

Both are graduates of Grand Ledge High School and the bridegroom is employed at Oldsmobile.

The bride's mother wore a two-piece beige knit dress with a rose corsage. The mother of the bridegroom wore a red wool dress and rose corsage.

The bride donned a two-piece green knit suit before leaving for a northern Michigan honeymoon. They will reside in Grand Ledge.

Mr and Mrs Elbert Lawrence visited cousins in Kalamazoo on Wednesday.

Mr and Mrs Carl Balduff attended a cousins funeral in Lake Oessa on Saturday afternoon.

Duplain

By Mrs James Burnham

Homecoming Sunday at Duplain Church

DUPLAIN —The Homecoming and 95th anniversary of the Duplain Church of Christ will be held Sunday, Oct. 3. Special speakers will be present for both morning and afternoon services and a basket dinner will be served at 1 p.m.

The Junior Girls class of the Duplain Church of Christ met at the home of their teacher, Mrs Jack Schwark, last Thursday evening for a party honoring the ones to be promoted. They included Jean Daggett, Brenda Harden, Karen Brewbaker, Terri Bunce, Deanna Purvis, Bonnie Kimball, and Robin Reynolds.

The Christian Workers class

Elsie

By Mrs Neva Keys

of the Church of Christ met at the Roy Thornton home Saturday evening for a party.

The Duplain Youth Fellowship brought back the banner Sunday evening when the area union meeting was held at the West Owosso Church of Christ. They had 24 youth in attendance.

Promotion Day was observed Sunday at the Duplain Church of Christ with a short program.

Forty-eight children were promoted and received certificates.

Mr and Mrs H. B. Williams and family were Sunday callers at the James Burnham home.

Michael Burnham, son of Mr and Mrs James Burnham, returned to his studies at MSU Tuesday.

Michael Burnham visited his grandmother, Mrs Mary Petro, on Friday and also his aunt and uncle, Mr and Mrs Elmer Mapes of St. Louis.

The Mead family held a get-together, Sunday afternoon, in the American Legion Hall with 95 persons present. Guests were present from Owosso, St. Johns, Beaverton, Midland, Barnes Lake, Lansing, Detroit, the Elsie-Bannister area and Sebring, Fla. The affair was held to coincide with the visit of the Florida relatives, Mrs Lizzie Stone and Mr and Mrs Clarence Cartwright and family.

Mr and Mrs John W. Beery and family of Muskegon spent the weekend with Mr and Mrs Gene Stauffer and family. They attended the Elsie-Laingsburg football game, Friday, and the Band-Booster sponsored smorgasbord, Sunday.

it's no secret...

New Names In the News

Mr and Mrs James Patrick of St. Johns are the parents of a son, James Patrick Jr., who was born on Sept. 16 at Carson City Hospital...

Announcements

Bingham Grange will meet on Friday evening, Oct. 1, with a light lunch following the meeting.

The senior class of Ashley High School will sponsor a Swiss steak dinner this Sunday from noon to 3 p.m. at the Ashley High School gym.

Membership drive launched by church

Rev Joseph F. Eger Jr., pastor, said that the Sunday school of St. Johns Assembly of God Church will launch a special campaign to reach new members during October as part of a nationwide drive.

"The Sunday School in Action" is the theme of the campaign, he said, and members will be encouraged to invite to Sunday school, those who do not attend any Sunday school or church.

Each age level department set an attendance goal toward which the members will strive.

Chamber still hunting rooms for Grangers

The Chamber of Commerce is still seeking additional rooms in private homes where delegates to the state Grange Convention in St. Johns can stay while at the convention Oct. 19-23.

Auto item stolen

A shock absorber was stolen off a pickup truck parked in his yard, Harry Hungerford of 1348 South Airport Road, told the sheriff's office Monday.

News About Service Personnel

Airman 1c EDWARD R. GRIF-FITH, son of Mr and Mrs Raymond C. Griffith of 211 S. Traver Street, St. Johns, has arrived for duty at Hickam AFB, Hawaii.

Airman Griffith, a carpenter, previously served at Little Rock AFB, Ark. He is a member of the Pacific Air Forces which provides air offense and defensive units in Southeast Asia, the Far East, and Pacific.

The airman is a graduate of Rodney B. Wilson High School. His wife, Carol, is the daughter of Charles F. Cox of 3510 Frank Street, North Little Rock, Ark.

The Michigan Department of State will return to the state general fund some \$362,879.98 of a \$500,000 appropriation made two years ago to provide a picture on the Michigan driver licenses, Secretary of State James M. Hare reports.

and Mrs Bruce Hodges spent the past week at Walloon Lake. Miss Tenny Spry of Dearborn was a weekend guest of Miss Joyce Johnson.

Sunday dinner guests of Mr and Mrs Leon Garlock were Mr and Mrs Harmon Stenzel and daughter of South Whitley, Ind., Mrs Elizabeth Foster of Lansing and Mrs Wattle Garlock and Clarence Kloepper, both of Grand Ledge.

HOBBY CLUB MEETS

SOUTH WATERTOWN—The Hobby Circle met at Woodhaven Center Tuesday evening with 12 members present. A lesson on needlepoint was given by Mrs Fran Jones.

The next meeting will be held on Oct. 12 when candle holders will be made from marbles. Guests or new members are welcome.

Wacousta

Karen Ann Sloan weds Mr Waldron

North Victor

By Mrs Elzie Exelby

The Victor Civic Club will be guests of the Laingsburg Monday Club on Monday evening, Sept. 4, at the home of Mrs Brownley. Mrs Oscar Heil will have charge of the program.

The Victor Missionary Society will meet at the Huyck home on Thursday, Oct. 7. Circle number one will serve.

Horton Grange will meet on Friday evening, Oct. 8. This will be the only meeting in October due to the State Grange session in St. Johns.

Mr and Mrs Arthur Curtis and daughter spent a few days at Niagara Falls and other points of interest in the East.

Mr and Mrs Floyd Upton called on Mrs George Jones in Owosso Friday. Mrs Jones is recovering from major surgery.

Paul Laughlin of Ann Arbor passed away at U of M Hospital and funeral services were held in Ann Arbor on Friday afternoon. Mr Laughlin was the husband of Marie Montague and besides the widow leaves one son, Lyle and a daughter Ruth, both of Ann Arbor, besides several grandchildren.

Mr and Mrs Elzie Exelby spent Sunday evening with Rev and Mrs Rudy Wittenbach in Maple Rapids.

The condition of Mrs Myrtle (Balcam) Clark remains about the same.

Youngsters line up for their turn at a few practice punts last Tuesday night at a Punt, Pass & Kick clinic run by the high school coaching staff. Not visible here was Head Football Coach Bill Smiley who gave the youngsters tips on proper punting. Frank Rosengren conducted another group of boys in place kicking, and Doug Japinga gave some instruction in passing a football. Between 75 and 100 boys were on hand for the clinic.

Only few days remain for PP&K registration

Bill Swears, competition director for St. Johns Punt, Pass and Kick, has warned area boys aged 8 through 13 that only a few days remain in which to register for the event.

"Registrations will close Friday evening, Oct. 8," Swears pointed out, "and none can be accepted any later, since we must get everything ready for the big program on Saturday, Oct. 9."

HEADQUARTERS for PP & K registration is at Egan Ford Sales, Inc., 200 W. Higham Street, St. Johns. Registrants must be accompanied by a parent or

guardian. There is no charge and no special equipment is needed. Competitors will vie with others their own age in punting, passing and place-kicking distance and accuracy. There is no body contact.

Bruce Fowler of Egan Ford, director of the PP & K arrangements, said he expects many more entries than the 140 last year, possibly as many as 300.

PRIZES IN THE St. Johns competition include Detroit Lions warm-up jackets, helmets and footballs. There are first-, second- and third-place awards for boys 8, 9 and 10. Boys 11, 12 and 13 will be awarded gold, silver and bronze plaques.

Zone winners, determined by comparing scores of all local winners, will meet in a district competition. The 222 district champion boys will vie for 84 area championships. The 84 area winners will meet in divi-

sion events to determine 12 national finalists.

THE NATIONAL finalists and their parents will go on a "tour of champions" to Washington, D. C. This will be followed by a trip to the annual NFL Play-Off Bowl game in Miami, Fla., where national winners in each age group will be determined by a half-time competition in the crowded stadium.

The St. Johns Punt, Pass and Kick competition is sponsored by Egan Ford Sales, Inc., with the St. Johns Jaycees as co-sponsor. The program, in which 601,459 boys took part last year, is sponsored nationally by Ford dealers of America and the National Football League.

BETWEEN 75 and 100 boys were on hand last Tuesday night for a PP & K clinic conducted by Head Football Coach Bill Smiley and assisted by Coaches Doug Japinga and Frank Rosengren. The clinic was held in the high school gym, and boys in all age groups got an opportunity to punt, pass and kick under the watchful eye of the coaches.

This year's competition on Oct. 9 will start at 6 p.m.

Teen dance Monday

A teen dance for seventh, eighth and ninth graders will be held Monday evening from 7 to 9:30 p.m. at the St. Johns Municipal Building. Live music will be provided. Chaperones will be supplied by Mrs Joan Davidson and the St. Johns PTA.

Elementary PTA plans carnival, penny supper

MAPLE RAPIDS—The first Maple Rapids Elementary PTA meeting of the year was held on Tuesday, Sept. 21.

The new president, Mrs Kenneth Loudenberg, presided. Discussion was held on the carnival and penny supper to be held in the gym on Oct. 23. It will be for the whole family and the only fund raising activity the PTA has.

Committees for the penny supper are Mrs Roy Glinke and Mrs Oak Underwood, co-chairmen, with Mrs Valgene Halsted and Mrs N. G. Dean as helpers. Co-chairmen for the carnival are Mrs Woodrow Upton and Mrs Lloyd Salisbury, with Mrs Kenneth Loudenberg as helper.

Mrs Max Loudenberg, program chairman, introduced the program. The teachers were introduced and presented a rose and a child from each grade gave their teacher an apple. Erland Gleason sang several selections, accompanied on the piano by Miss Barbara Newhouse. Cindy Loudenberg showed slides and spoke on her trip to Germany this past summer. The attendance award was won by the fourth grade room.

The speaker for the October meeting will be Dr Young, speaking for the Vocational Technical Education Committee.

Refreshments were served by the Executive Board members.

Miss Cathy Warren honored at showers

MAPLE RAPIDS—A miscellaneous shower was given for Miss Cathy Warren on Thursday evening, Sept. 16, at the home of Mrs Raymond Bell of Lansing. Games were played and Miss Warren received many gifts. Those from Maple Rapids attending were Mrs F. D. Warren, Mrs Don Allen, Mrs Lyle Ble-master and Miss Joan Pasch. Cathy was also honored at a miscellaneous shower on Thursday evening, Sept. 23 at the home of Mrs Gall Williams. The hostesses were Mrs Clare Floate, Mrs Dale Chapman, Mrs Carroll Tyler and Mrs Williams. Bridal games were played and the guest of honor received many gifts.

Cathy will become the bride of Bruce Boughner on Oct. 2.

Mrs Clarence Conklin suffered a heart attack, Saturday, and is a patient at Carson City Hospital.

Mr and Mrs Earl Behner of Brunswick, Ohio, were Thursday and Friday guests of Mrs Selma Bailey.

Mrs Kathleen Boling and Mrs Preston Corson attended a dinner at the home of Wilbur Wineland of rural Middleton, Sunday, honoring his niece, Mrs Joe Cane of Claremont, N. D. After the dinner, served by his daughters, Thelma and Neva, visiting and showing of pictures were enjoyed. Guests were from Ithaca, Detroit, Carson City, St. Johns, Owosso and Maple Rapids.

Mrs Mina Dangel and Mrs Ivalene Ackerman returned from Salt Lake City, Utah, Wednesday. Mrs Ackerman, who had been living near her daughter there, will make her home here.

Turkey dinner plans complete

MAPLE RAPIDS—It is said that "too many cooks spoil the broth," but in Maple Rapids over 100 women have been working to put on a turkey dinner.

It will be held, Oct. 7, in the Congregational Christian Church. Booths will open at 4 p.m. and serving will begin at 5 p.m.

Mrs Clyde Swanson, president of the Fellowship, appointed the following committees: menu committee, Mrs Kenneth Wright, Mrs Moss VanSickle and Mrs Rex Smith; kitchen, Mrs Richard Rademacher and Mrs Philip Hyde, assisted by Mrs David Chapman and Mrs William Miller; and dining room, Mrs Merrill Irwin and Mrs Lyle Chick.

Homemade candies, aprons, fancy work, baked goods and other foods will be featured in the booths, headed by Mrs Ervin Upham, Mrs Edward Loudenberg, Mrs Roy Glinke and Mrs Rex Smith. Mrs William McWilliams will be the official greeter in the lobby and Dr Norma Eleson will sell tickets at the door. Persons will be seated by number. There will be no carry-outs.

Mr and Mrs Fred Larkin received word of the birth of a great-granddaughter, Susan Kay, born to Mr and Mrs Don Larkin of Port Austin.

Mr and Mrs Jack Croad and family were Sunday dinner guests of Mr and Mrs Morris Hoover of Grand Rapids.

Mrs Edith Wilkinson of Birmingham and Wilbur Bennett of Bancroft called on Mrs Maude Crook and Miss Mary Cole, Sunday.

Mr and Mrs Paul Heller and family of St. Johns called on Mr and Mrs Clive Warren, Sunday evening.

Mrs Nina Freed and Mrs Ivalene Ackerman attended the 25th wedding anniversary of friends near Farwell, Sunday.

Pewamo

By Mrs Irene Fox

Class mates of Larry Klein helped him celebrate his 10th birthday, Sunday, at the home of his parents, Mr and Mrs Herman Klein. Larry received many gifts.

A lunch and refreshments were served by his mother. The afternoon was spent playing games.

The children and grandchildren gathered at the home of Mrs Freda Davara, Sunday, to celebrate her birthday, which was on Sept. 26. Birthday cake and ice cream was served. All 15 grandchildren were present.

Mrs Isadore Cook spent the weekend with her son-in-law and daughter, Mr and Mrs Al Fuja and family of Durand.

Frank Heckman celebrated his 69th birthday when Mr and Mrs Arnold Schafer, Mr and Mrs Charles Martin, Mrs Orah Roach and Mr and Mrs Francis Heckman came for an evening of cards. The birthday was on Thursday, Sept. 23.

Mr and Mrs Arie DeGroot of Allegan were visitors of Mr and Mrs Clyde Silvernall one day last week.

The 4-H Clubs are valuable training grounds for the nation's youth. More than 23 million men and women have been 4-H members. Every year, Americans eat new record amounts of cheese. In 1964, the average per capita consumption was close to nine and a half pounds per person.

The New and the Old at Bath

The century-old Bath Baptist Church on the community's northeast side will soon be replaced by a modern \$125,000 structure, shown in drawing. The new building is now under construction to the north (left) of the present church, and Lawrence Read, chairman of the board of deacons and the church building committee, said it was hoped the congregation can be in the new church by Dec. 1. Granger Construction Co. of Lansing is the general contractor. Footings are already in for the new building. The old structure will be torn down when the new 50 by 92-foot church is completed.

Pontiac's '66 models offer innovations

Pontiac Motor Division's 1966 models, from the Tempest to the Grand Prix, offer extensive advancements in automotive styling, engineering, safety and model availability.

The entire Tempest line has been redesigned, expanded by the addition of five new models including a new GTO series, and for the first time in an American passenger car, an overhead camshaft six-cylinder engine is offered as standard equipment on all Tempest models except the GTO.

Chief Executive sports coupe have been added to the Pontiac line-up, and all models, including the Grand Prix, incorporate both refinements in profile and complete changes in the front and rear.

"Our new models are a true reflection of Pontiac's policy of continuous and evolutionary progress in automotive design, and with our new overhead cam engine we feel we are presenting a major engineering breakthrough as well," John Z. DeLorean, a General Motors vice president and Pontiac's general manager, said.

Grand Prix have an overall length of 214.8 inches, .2 inches longer than last year, and a wheel base of 121 inches. The Star Chief Executive and Bonneville measure 221.8 inches overall, a .1-inch increase, and their wheelbases are 124 inches. All Tempest models are one-half inch overall, measuring 206.4 inches, and have a 115-inch wheelbase.

All Pontiacs go on sale in dealer showrooms Oct. 7.

As well as marring our scenic beauty, trash costs money in highway and beach maintenance. Use refuse barrels along the road and litter bags in your car.

LEGISLATIVE REPORT

BY REP. BLAIR WOODMAN of Owosso (87th House District)

The following is the eighth report in the series of Legislative Reports that I have submitted during the summer months:

CONSTRUCTION SAFETY—This act allows the Safety Commission to promulgate safety rules and regulations for the inspection and use of equipment based upon generally accepted nationwide engineering standards and practices. It removes the requirement that such rules need legislative approval.

The rules apply to construction firms and contractors whose classification as construction industry is in accordance with the standard industrial manual prepared by the technical committee on industrial classifications, office of statistical standards, 1957 edition, and which are subject to workmen's compensation law other than by voluntary assumption of the law. The rules do not apply to firms or companies whose principal business is other than construction work and whose construction work consists of only maintenance construction work performed on their own property by their own employees.

HOMESTEAD EXEMPTIONS—When a homestead is sold in order to pay the debts of the deceased owner or the expenses of administering his estate, this act increases the amount exempt from such a sale from \$2,500 to \$3,500. Thus, in spite of the financial status of the deceased, a homestead not exceeding \$3,500 may be set apart for the benefit of his widow or family.

FALSE FIRE ALARM—This act increases the maximum penalty for raising a false fire alarm from 90 days imprisonment and \$100 fine to not more than one year and \$500.

TOBACCO INSTRUCTION in public school—This act requires the public schools in the state to give instruction on the effect of tobacco upon the human system. Presently, such instruction is being given on the effect of alcohol and narcotics. The Michigan Department of Health points out that "... an estimated one-third of Michigan's young people are regular cigarette smokers by the time they leave high school. Intensified educational effort is required if teenagers are going to be persuaded to avoid or give up this habit which has been definitely linked with serious illness."

This Eighth Report completes my summer series. Sept. 14 began a special fall session of undetermined length in the Legislature. As always, your com-

Michigan goose hunters bagged nearly 40,000 birds last season for their highest kill in more than 10 years. Their latest take more than triples the state's 1962 goose harvest.

IN CASE OF FIRE
At home—
Quickly get everybody out of the house.
Call the fire department.
(Be sure everyone in your family knows how to call the fire department.)
At public gatherings—
Walk, do not run, to the nearest exit. Call the fire department immediately. Keep calm.

Announcing: Mercury for 1966

a new definition of driving pleasure

MERCURY PARK LANE 4-DOOR HARDTOP

Moving ahead in the Lincoln Continental tradition

STAN COWAN MERCURY, Inc.

506 N. CLINTON AVE.

This is the year to move ahead to the new Mercury year. Your year. And just look at all the news there is! Ride news, the way Mercury moves is unique. Smooth, substantial, hushed—the finest ride this side of the Lincoln Continental. Style news, clean, classic lines—the only car in its class with a look all its own. Power news, engines range up to a muscular 428 cu. in. V-8. Luxury news, options such as the Stereo-Sonic Tape System that uses plug-in cartridges. Safety news, helpful options such as cornering lights that show you the way when turning into dark driveways. Exclusive options such as rear doors that lock automatically at 8 miles per hour. And in every Mercury, without extra cost, you get 12 important safety features, including back-up lights, emergency flasher, padded dash and visors, four seat belts, front and rear, and outside rear-view mirror. Model news, the widest choice of Mercurys ever, 17 models in 4 series—sedans, hardtops, convertibles, and 2 wagons with the new Dual-Action Tailgate that turns into a door. Now's the time to see your Mercury dealer—and move ahead with

Top — The 1966 Oldsmobile Toronado, with front-wheel drive, is the most unique automobile in many years. A six-passenger hardtop coupe, it is available in a standard or deluxe model. Driving traction and handling under every conceivable road condition are only two of the outstanding characteristics of this car. In styling, too, the Toronado is distinctive and unique. A specially-modified 425-cubic-inch Toronado V-8 and Turbo Hydra-Matic transmission deliver power to

Bottom — Newly distinctive styling features on the Oldsmobile 4-4-2's for 1966 include specific grille and tail lamps, recessed front fender scoops, plain hood and deck lid and specially-designed ornamentation. The 4-4-2 is powered by its own 400 cubic inch V-8 engine, equipped with Oldsmobile's new Quadrajet 4-barrel carburetor for improved economy, performance, and better idling. The front wheels. Inside the Toronado provides full 6-passenger spaciousness and features a flat floor.

Fox family and grandmother, Mrs Albert Pellow.

Scouters plan den chief training sessions

Chippewa District of Chief Okemos Council, Boy Scouts of America will hold a den chief training conference in St. Johns Saturday, Oct. 9. The conference will start at 9 a.m.

Purpose of the training conference is to teach the den chiefs how they can be of greater service to the den mothers and the Cub Scout dens in the pack through the use of visual aids.

"MR GAIL GOETZE, district training chairman, will be in charge of the morning training session," stated Robert Arnold, district Scout executive.

Chippewa District serves Clinton County and Portland and Danby townships in Ionia County.

Boys and girls from 9 to 19 years of age are invited to join a 4-H Club during National 4-H Club Week, Sept. 26 through Oct. 2.

HOAG FUNERAL HOME South US-27 ST. JOHNS

Shepardsville

By MRS. IRA BIRMINGHAM, Correspondent

Sunday, Mrs Verne Hettinger and daughter, Donna, Mr and Mrs Thomas Pollard Jr. and family went to University Hospital, Ann Arbor, to visit their husband and father, Verne Hettinger, and reportedly found him improved. His address is 9-East, University Hospital, Ann Arbor.

Mr and Mrs Jesse Ferrall of Crystal came, last Sunday, to spend a few months with their foster daughter, Mrs Oral Elliott. Sunday visitors of Mrs Oral Elliott and houseguests were Mr and Mrs William Ferrall of Ithaca, Mr and Mrs Hyle Hoover of Grand Ledge, Mrs Ida Evitts and Tim Patton, both of Carson City, Mr and Mrs Eugene Ferrall of Bannister, Mr and Mrs Carl Valance of St. Johns and Mr and Mrs Ray Bowers, Clem Sellers and Mrs Mae Bowers, all from Cornuna. Other guests during the week were Mrs Marion Walker of Bingham, Mr and Mrs Harold Cramer and children of Ovid, Mr and Mrs Lee Hill and family, Mrs Cora Lee Ott and Mrs Carl Winans of Elsie, Mrs Linda Cozak of Owosso and Mrs Lillie Prescott of Vermontville.

Mr and Mrs Victor Higgins and daughters were in Cedar Rapids, Iowa, from Friday until Tuesday, visiting Mr and Mrs Darrell Law and family.
Mr and Mrs Clark Campbell and family of Mount Pleasant were dinner guests of Mr and Mrs Russell Waters and children.

Mrs Irene Crowell and Dale accompanied her sister, Mrs Herbert Anthony of Lansing, to the latter's cottage at Harrison where they spent Saturday and Sunday.
Mr and Mrs William Rando and baby of Utica spent Thursday and Friday with the latter's mother, Mrs Irene Crowell and Dale.
Tuesday visitors of Mr and Mrs William Keck were Mr and Mrs Frank Richmond of Houghton Lake, Mrs Don Brinkerhoff of Clare and Mrs Richard Sandow of Farwell. Mr Keck accompanied his children to their homes for a visit.

Mrs Harold Gage, Carol and Pam of East Lansing spent Saturday and Sunday with Mrs Paul Orweller and family. Sunday visitors of Mrs Paul Orweller and family were Mr and Mrs Ivan Baker of Tawas City.
Mr and Mrs Phillip Blalock of Midland were Sunday dinner guests of Mr and Mrs Clare Alderman and family.

Clare Alderman took his son Thomas, Sunday evening, to MSU in East Lansing where he is enrolled as a freshman.
Three cars of farmers, with Charles Palen Jr., attended the open house of the Curtis Farms at Cary, Ill., during the weekend.

Mr and Mrs George Parmenter left, this Thursday, for Kialua, Hawaii, to visit their daughter, Mrs Craig (Mary Alice) Gibbons, and son, Michael.

Mrs Richard Hebler and son, Saturday were in Saginaw to visit her sisters, Mrs Roy Altman of Chicago and Mrs Richard Furstenberg of Kent, Ohio, at the home of their mother, Mrs J. C. Bostien.

Mr and Mrs George Stahl and children of East Gary, Ind., came Monday to visit until Thursday, her parents, Mr and Mrs Max Walasek Sr. and family.

Mr and Mrs Steven Komives and Mr and Mrs Max Walasek, Steven and Agnes, Sunday, were in Battle Creek to help celebrate the 49th wedding anniversary of Mr and Mrs John Prilicka at the home of the Prilicka's daughter and family, Mr and Mrs Robert Cunningham. It was also to honor Mrs Prilicka on her birthday.

Thursday evening Clare Alderman, Mrs Henry Hoeve, Mrs Chandler Gleason, Mrs Charles Swender, Mr and Mrs Dale Squiers, Karl Smith and Rev John Huhtala of the Shepardsville Methodist Church attended the quarterly conference of the Central District Methodist Church at St. Louis.

Those attending the WSCS meeting at St. Johns Tuesday forenoon were Mrs Ruth Baker, Mrs Warren Gutshall, Mrs S. B. Gleason and Mrs Chandler Gleason.
Sunday is World Wide Communion and Holy Communion will be commemorated at the Shepardsville Methodist Church during worship service, beginning at 9:30 a.m., Oct. 3, by Rev John Huhtala, pastor.

The rummage sale, sponsored by the Day and Berean Circle of the WSCS last week at St. Johns resulted in more than \$93 profit for the treasury.

Mr and Mrs Eugene Jambor and Mr and Mrs Emri Chorba of Lansing were Sunday, Sept. 19, dinner guests of Mrs Joe Palsco and Ernie.
Mrs Gordon Stanton of Owosso and her mother, Mrs Joe Palsco, Sunday afternoon visited Mr and Mrs George Nanasy at Perry.

Sunday guests of Mr and Mrs Lawrence Walter Sr. and family were Mr and Mrs Peter Larton of Ferndale and Miss Shirley Hogel of Holt.

Mrs Joe Palsco and Ernie, Monday evening visited Mr and Mrs Julius Peterman and daughter in Lansing.

Harold Brown of Trenton spent Saturday night and Sunday with his mother, Mrs Alfred Cramer.
Mrs R. Beachler (Cheryle Cutler) began her studies, Monday at Lansing Community College.

Economists to serve three county area

Clinton County extension and 4-H groups soon will be served by a pair of extension home economists new to the county.

The two women, Helen Meach, Hillsdale County extension agent, and Lorraine Sprague, Gratiot County extension agent, will serve Gratiot and Shiawassee counties, in addition to Clinton, under a new Michigan State University Cooperative Extension program which will be effective on Oct. 1. They will be called extension home economists.

Miss Betty Ketcham, Clinton County's extension agent, will leave the county for a position as program leader at MSU.

BASED IN the office of Mrs. Loia Whitfield, assistant director of family living education, agricultural hall, MSU, Miss Ketcham will work with extension home economists throughout the state, helping them plan programs for their area, and will be responsible for 4-H leader training in home ec.

Helen Meach, who was the extension agent for Hillsdale County for the past 5 years, will reside on the Arthur Gage centennial home on County Farm Road with her husband, Stuart, who travels with the state as a manufacturer's representative selling commercial laundry and dry cleaning equipment.

"We're looking forward to living in this centennial home," Mrs. Meach said, "and my husband is especially pleased because it is a good location for his ham radio equipment."

HELEN MEACH

THE MEACHES have a daughter, a son and five grandchildren.

Previous to her appointment at Hillsdale, Mrs. Meach taught nutrition at a school of practical nursing in Grand Traverse County for 16 years. She received the bachelor's degree from MSU.

She is a member of the American and Michigan Home Economics Assns., the National Home Demonstration Agents' Assn. and the Michigan Home Economists Extension Agents' Assn. and was international chairman in Hillsdale for the Business and Professional Women's Club.

Miss Lorraine N. Sprague of R-1, Ithaca, was appointed to the position of Gratiot County home economist agent in 1949. She joined the Michigan State University Cooperative Extension Service staff in 1947 as district

LORRAINE SPRAGUE

home economics agent in Isabella and Gratiot counties.

MISS SPRAGUE received the BS degree from MSU in 1938. She taught home ec in Unionville for 2 years and in Stockbridge for 7 years.

In the spring of 1961, Miss Sprague was granted a leave of absence to study under the NHDAA Grace Frysinger Fellowship. She observed extension operations in Missouri, Kansas, New Mexico, Arizona and California.

She is a member of the National Home Demonstration Agents' Assn., the Michigan Home Economics Extension Agents Assn., and the American Home Economics Assn. and was secretary of the Michigan Home Economics Assn. from 1961-63.

CLINTON COUNTY NEWS PAGE for Women AND MEN, TOO

Methods of removal for set rust stains

BY BETTY KETCHAM
County Extension Agent
Home Economics

I'm afraid the rust stains I have at home aren't fresh. But, if you left the faucet dripping last night and have a fresh rust stain on the plumbing fixtures here's the way to correct it.

Heavy duty cleaning compounds that contain large proportions of tri - sodium phos phate will generally remove fresh stains. Apply cleaner with a damp sponge or cloth and then rub, rub until stain is removed. Rinse. Wipe dry and polish.

If you have heavy stubborn stains these can be removed by oxalic acid stain remover compounds such as Zud or a trichloro-melamine compound such as Barkeeper's Friend.

FOR RUST stains already set on bathroom or kitchen plumbing fixtures, dissolve oxalic acid crystals in hot water and add enough whitening or talc to make a soft paste. Apply this poultice to stain and let dry before removing. Rinse and polish.

In vitreous china toilet bowls and toilet tanks, iron stains and accumulated iron slime may be removed with sodium acid-sulfate compounds such as Vanish or hydrochloric compounds such as Vanisol Bowl-Cleanse. Be sure to read the label and follow instructions carefully. These compounds are poisonous and corrosive. Do not mix your cleaning compounds! Read the label!

IF YOU HAVE an iron stain on the ceramic tile in your shower

stall use the same method recommended for set rust stains—the one making a paste of oxalic acid crystals and talc. Plaster of Paris can also be used to make the paste. Apply to iron stain and let dry. Repeat as many times as needed. If you have a large area that needs treating use a trowel to spread the paste over the stained area.

Yellow iron stains on vitreous china or porcelain enamel fixtures may also be removed by applying a 3 per cent solution of muriatic acid. Apply sparingly and remove at once.

ABRASIVES are seldom necessary with this treatment.

Remember! Compounds containing oxalic acid or hydrochloric acid (muriatic acid) are POISON! Keep them out of the reach of children. Do not place the liquids in any type of container that children normally use for drinking.

If these are swallowed call the doctor immediately. If spilled on skin, flood with water and treat with baking soda or milk of magnesia. Read the label!

St. Mary's Church setting of wedding

A double ring ceremony united in marriage Miss Diane Platte, daughter of Mr and Mrs Robert S. Platte of Westphalia, and William N. Thelen, Saturday morning, Sept. 11, at St. Mary's Church. The bridegroom is the son of Mr and Mrs Louis Thelen, Pewamo.

Rev James Thelen officiated. He was assisted by Rev Joseph Bohr and Rev Aloysius Miller.

The bride chose a gown of beau de soie with a fitted lace bodice and detachable train. She carried a rosary made by Sister Donna Jean, the bridegroom's sister, topped with pink rosebuds and gladioli.

THE MATRON OF honor, Mrs Robert Bengal, sister of the bride, and bridesmaids, Charlene Bohr and Sue Thelen, sister of the bridegroom, wore identical sheath gowns of royal blue and white. They carried blue-tinted chrysanthemums and gladioli.

Anthony Thelen, brother of the bridegroom, was best man and ushers were Robert Platte, brother of the bride, Robert Thelen, Fred Wood, Louis Hengesbach and Bruce Thelen.

Sharon Koster, dressed in attire identical to the bridesmaids, was flower girl. Tommi Pohl carried the rings.

A PINK brocade suit with matching accessories was worn by the mother of the bride. Mrs

Thelen, mother of the bridegroom, wore a royal blue outfit with black accessories. Each wore a corsage of roses and mums.

Over 650 guests were present from Wyandotte, Grand Rapids, Muskegon, Grand Ledge, Saginaw, Alma, Fowler, Portland, Ionia, Rockford, Lansing, St. Johns, Williamston, Hubbardston, Carson City and New Baltimore, at the evening reception at St. Mary's Hall.

The newlyweds left on a tour of the Western States and for traveling, the bride chose a blue suit with green accessories. They will make their home in Pewamo.

Mrs Richard Droste hosts church guild

The September meeting of St. Mary's Guild of St. Joseph's Church was held at the home of Mrs Richard Droste on Sept. 23.

The meeting was called or order by Mrs Gerald Woodbury, president, who led the rosary for the nine members present.

The calendar of events of the Altar Society was presented and fund raising projects were discussed. It was decided to sell Stanley products by catalogs for a percentage.

Refreshments were served by the co-hostess, Mrs Allen Houser.

Dinnerware tips for busy brides

A bride can find herself in a delightful dilemma selecting patterns and colors for her home. It's a big year for color in home furnishings and dinnerware is no exception.

To the bride planning a new home, this variety can cause confusion unless she takes stock of where and how she and her husband are going to live.

1. Consider the use of dinnerware. It is one home furnishing that will be used every day of the year. If you plan one set for all meals, look for a pattern that doubles for informal and formal service and is durable.

2. INTERIOR decor should influence the selection. A dinnerware pattern can match or contrast other colors in the home, according to your personal taste.

3. Rely on your own taste. Colorful patterns come in a wide range, from eye-catching to the subdued. Select the one that suits your requirements for your home, not someone else's.

4. Mixing serving pieces of different patterns are accepted today and add color. But remember to find out if the pattern is readily available. If it isn't open stock, it may be difficult to add or replace pieces.

Michigan ruffed grouse hunters last year enjoyed their best season since the early 1950's by harvesting about 641,000 birds. Compared with the season before, grouse kill was up by 185,000 pats.

THE NHDAA gave her a Distinguished Service Award at its annual meeting in Boston in October, 1961.

Gets master's degree
Margaret A. Thelen of Townsend Road, R-2, St. Johns, was awarded a master of arts degree in education from the University of Michigan recently for work completed at the end of the U of M's first summer term.

Fall vegetables to please

Fresh vegetables deserve to be featured at every dinner table this fall. Garden vines are abundant so head for the rows of vegetables or produce counter and take full advantage of the abundant late harvest season. Here are three fall favorites—green peppers, tomatoes and acorn squash. They're economical to use this time of year and provide a rich source of vitamins for the family.

Even particular folks will find something to their liking in one of these recipes. The key to successful vegetable cookery is a minimum of water and cooking time to retain maximum flavor and texture. To help you we offer these recipes—imaginative ways to prepare fall vegetables so they appeal to everyone at your dinner table.

GLAZED SQUASH
1 Acorn or Butternut squash
1/2 c. sugar
1/2 c. brown sugar
1/2 c. orange juice
2 Tbsp. margarine

Cut acorn squash into 1-inch rings or cut butternut squash in half lengthwise. Remove seeds. Steam in shallow covered pan until fork tender. Drain. Cover with syrup and bake in 350 degree F. oven for approximately 30 minutes. Syrup: Heat together sugar, brown sugar, orange juice and margarine. Boil 1 minute before pouring on squash.

VEGETABLE PLATTER
1/2 lb. pasteurized process cheese spread
1/3 c. milk
Large tomatoes
Salt and pepper to taste
Cooked broccoli
Melted margarine

Melt the cheese in the top of a double boiler. Gradually add the milk, stirring until the sauce is smooth.

Bake tomatoes in a 350 degree F. oven for approximately 30 minutes, or until tender. Scoop out a small amount from the stem end of each, and season with salt and pepper. In the center of each put a small floweret of cooked broccoli which has been seasoned with salt, pepper and margarine.

Arrange the tomatoes on a round chop plate and between them place seasoned heads of broccoli. Pour the hot cheese sauce over the tomatoes and the broccoli.

CREAMY FRIED TOMATOES
6 large tomatoes
1 Tbsp. flour
3/4 tsp. salt
1/8 tsp. pepper
1/4 c. margarine
2 Tbsp. flour
1 1/2 c. milk
3/4 tsp. salt
1 1/2 tsp. sugar
3/4 tsp. bottled thick meat sauce
1 1/2 tsp. prepared mustard

Cut out stem end from each tomato. Then halve tomatoes crosswise. Combine 1 tablespoon flour, 3/4 teaspoon salt and pepper; sprinkle over tomato halves. Sauté tomatoes in margarine in skillet till golden on both sides and just tender. Arrange 10 halves on hot platter. To 2 tomato halves left in skillet add 2 tablespoons flour, milk, 3/4 teaspoon salt, sugar, meat sauce and mustard. Cook until creamy. Pour over tomatoes. Serve as is or on toast. Makes 5 servings.

STUFFED GREEN PEPPERS
1 Tbsp. chopped onion
2 Tbsp. chopped celery
2 Tbsp. margarine
2 tsp. flour

1/2 c. milk
1/2 c. whole kernel corn
1 c. chopped, cooked ham
4 large or medium green peppers
1/4 c. bread crumbs
1 Tbsp. margarine

Melt margarine, cook onion and celery in the margarine for about 2 minutes. Blend in the flour, add the milk and stir over medium heat until smooth and thickened. Fold in corn, ham and salt to taste. Cut a slice from top of green pepper and remove seeds and membrane. Fill with hot mixture. Top with buttered

crumbs. Bake in greased baking dish for 20 to 25 minutes in 350 degree F. oven. Serve at once. Makes 4 servings.

Wide application
A plastic-shelled bulk carbon dioxide storage unit said to have an unusually low refrigeration duty cycle has been introduced by a Chicago firm. It is expected to have wide application in soft drink bottling, environmental testing, chemical manufacturing, meat and food processing and rubber manufacturing.

To America with love... The 1966 Chrysler

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one.

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic new rear.

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic inch to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great things for performance.)

The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers — not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

Move up to Chrysler... it's getting easier by the minute.

CHRYSLER

Krepps District

By Mrs Lucille Heibek

Mr and Mrs Don Smith spent the weekend touring northern Michigan.

Mr and Mrs Joseph Smith attended the chicken dinner at St. Mary's Parish at Carson City, Sunday.

Mrs Fred Jackson and Mrs Kenneth Heibek Sr. accompanied the South Bingham and Olive Homemaker's Club to Alma Thursday, where they toured several places.

Mr and Mrs Clare Challis of Fowlerville spent Saturday afternoon with Mr and Mrs Jack Cornell and family.

Mr and Mrs Max Leonard and family spent Saturday afternoon with Mr and Mrs Gordon Leonard of St. Louis.

Mr and Mrs Glenn Davis spent Friday with her brother-in-law and sister, Rev and Mrs Marshall W. Hoyt of Flint.

Mr and Mrs Carl Thelen and family attended the K of C potluck, held at Smith Hall, Sunday.

Mr and Mrs John Kusnier of Elsie were supper guests of Mr and Mrs Carl Thelen and family Sunday.

Mrs Kenneth Heibek Jr. attended a baby shower in honor of Mrs Robert Paksl at the home of Mrs Carrie Bunge of St. Johns, Tuesday evening.

Mrs Robert Kundrock and children of Dimondale were Sunday dinner guests of Mr and Mrs Kenneth Heibek Jr.

Mr and Mrs Albert Brindley of West Branch and Mrs John Hiltz of DeWitt spent Wednesday afternoon with Mr and Mrs Kenneth Heibek Sr.

Mr and Mrs Kenneth Heibek Sr. were supper guests of Mrs John Hiltz of DeWitt, Saturday.

Mr and Mrs Larry Helms and son, Tony, of St. Johns were supper guests of Mr and Mrs Richard Cramer.

North Bengal

By Mrs Wm. Ernst

Miss Pasch honored at afternoon party

NORTH BENGAL— On Sunday afternoon, Miss Joan Pasch was honored at a party shower at the home of her aunt, Mrs Herbert Pasch of rural Fowler.

Guests, who were relatives and friends of the honored guest played bingo, with the prizes awarded to the bride-to-be. Joan received many gifts. The hostess served a dessert lunch. Miss Pasch will become the bride of Judson Bancroft of rural Maple Rapids on Oct. 23.

Mr and Mrs Lloyd Nequette and Mr and Mrs John Garber of Lansing were dinner guests, a week ago Sunday, of Mr and Mrs Floyd Foerch and daughter, Sandra, and John Foerch.

Roger Tiedt, son of Mr and Mrs Rudolph Tiedt, left on Tuesday for service in the USAF. He is stationed in Texas.

Callers, during the week, of Mr and Mrs Fred W. Pasch and daughter, Joan, were Mr and Mrs Paul Graff of Lebanon, Mr and Mrs Fred Selke of Fowler, Mr and Mrs Erwin Tiedt and Mr and Mrs William Ernst and Maxine.

Mr and Mrs Richard VanEllis are the parents of a daughter, born on Tuesday, Sept. 21 at Carson City Hospital.

Mr and Mrs William Ernst and Maxine were Saturday evening dinner guests of Mr and Mrs Edwin Mohrke and daughter, Ann, of South Bengal. Other dinner guests at the Mohrke home were Mrs Emory Finkbeiner and Mrs Robert Finkbeiner and daughters, Kimberly and Beverly of Middleville.

Edward Pasch of St. Johns was a week ago Sunday afternoon visitor of Mr and Mrs Louis Moritz and family.

Mrs Herbert Pasch of rural Fowler was a caller on Monday at the William Ernst home.

Chapman District

By Mrs Gerald Pope

Mr and Mrs Roy Auten and Brenda spent the weekend at their Higgins Lake cottage.

Mr and Mrs William Ashenfelter attended the dinner at Walker's Saturday night, honoring Mr and Mrs Emerson Barbone, matron and patron of Radiant Chapter of Eastern Star.

Mr and Mrs Gerald Pope were dinner guests of Mr and Mrs Durrell Pope in East Lansing Sunday, celebrating Darrell's birthday.

Several friends from this vicinity attended the Rainbow installation, Wednesday evening. Elyse Kriebel was installed as Worthy Advisor.

Michigan squirrel hunters had a banner season in 1964, scoring a kill of 970,000. Their shooting success last year was the highest since 1958 when more than one million squirrels were taken.

1965 Boy Scout Roundup under way in County

Clinton area Boy Scouts are now settling into the first month of their 1965 Roundup—a four-month membership campaign that will run through the end of the year.

"Follow the Rugged Road to Adventure" is the theme that emphasizes the adventure Scouts find in Scouting. The roundup will offer the opportunity to "reach 'n recruit" those boys who want to be Cub Scouts, Boy Scouts and Explorers.

"THE PROGRAM of 'Emphasis Breakthrough for Youth' of the Boy Scouts of America brings new levels of vision, determination and immediacy to the challenge of bringing Scouting and its values to the many boys now without the opportunity to be Scouts," Chief Okemos Council Roundup Chairman Clark Azeborn said.

"The 1965 Roundup will also seek to organize new Scout units and recruit adults as volunteer leaders and committeemen."

ACTIVITIES IN connection with

the Roundup will be held in all parts of the Chief Okemos Council—in Scout units, chartered institutions, neighborhoods and districts.

Principal activities will include boy-fact surveys, uniform day on Oct. 6, roll call in every Scout unit, open house meetings for parents and sons and demonstrations and displays.

ROUNDUP AWARDS will include recruiter strip for new recruiters, metal meeting place plaque for units making 20 per cent or better gain, neckerchief slide and emblem available for unit use, unit streamer for unit making its goal, the certificates for district and council personnel making significant contributions to the Roundup drive.

Since its beginning in 1910, the program of the Boy Scouts of America has encouraged boys to build useful lives, based on action and doing to achieve the objectives of building character, citizenship, and personal fitness in the boy.

RESULTS OF participation in Cub Scouting—the home-and-neighborhood-centered program for boys, 8, 9, and 10—are increased understanding between parents and boys, increased respect for others, improved personal habits, a desire to do one's best, and a desire to be a Boy Scout.

Participation in Boy Scouting—the vigorous outdoor program for boys 11 through 17—emphasizes hiking and campcraft skills, an advancement plan geared to the individual, exposure of boys to vocational and avocational interests in the merit badge plan, an away-from-home program still designed to strengthen homelife, and personal responsibility based on the Scout Oath and Law.

EXPLORING—the broad, in-depth program for high school age boys—helps young men reach and strive for personal goals in citizenship, community service, vocational exploration, social

Scouting Facts

The Boy Scouts of America is divided into 12 geographic regions.

Within these are the 524 local Scout councils. These are divided into 2,800 districts—each with a full-time "district executive."

The district executives serve the 91,000 religious and community organizations that use the Scouting program.

These institutions sponsor 140,000 Cub Scout packs, Boy Scout troops, and Explorer posts.

In these Scout units there are 4,123,000 boys 8 to 18. To serve in many capacities as leaders and committeemen, there are 1,462,000 adult volunteers.

The adult volunteers are assisted by 3,800 full-time professional Scouters.

skills, personal fitness, and outdoor living.

The success of scouting for boys of all ages is reflected in the enthusiasm and interest of the volunteer leader. He teaches ideals along with the skills, has a genuine interest in the program, and demonstrates that his great concern is in seeing boys grow.

The four H's in the 4-H emblem stand for Head, Heart, Hands and Health.

Pillars for New Bank are Swung into Place

Workmen and a crane for the Kaufman Construction Co. swing into position a huge pre-cast and finished concrete pillar at the southwest corner of the new Central National Bank building last Thursday afternoon. Looking on at left are Robert Leonard, executive vice president; W. J. Buescher, Central National president; and Paul Stevens, architect. Steel beams in the background and the concrete pillars were the first visible signs of progress in a long time, but the contractors have been working steadily in the basement of the building for several weeks.

It's 1966. Rise up with Dodge. Get with the swinging cars of the year!

JOIN THE DODGE REBELLION

Why wait, when your year is here? The year to snap tired old ties, to break old buying habits. The year to really express yourself... with the '66 swingers from Dodge. Different, exciting cars for people with different, exciting tastes. Rally 'round Dodge for '66. Dart, Coronet, Polara, Monaco... cars made to help you kick the dull driving habit. There are lots of Dodges for you to hang your personal rebellion on.

Every one backed by a 5-year or 50,000-mile warranty.* Every one with these features that used to cost extra but now come standard: Outside mirror. Padded dash. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear. And lots more with Dodge... the beautiful Rebellion on wheels. Stir up your spirit and march to headquarters.

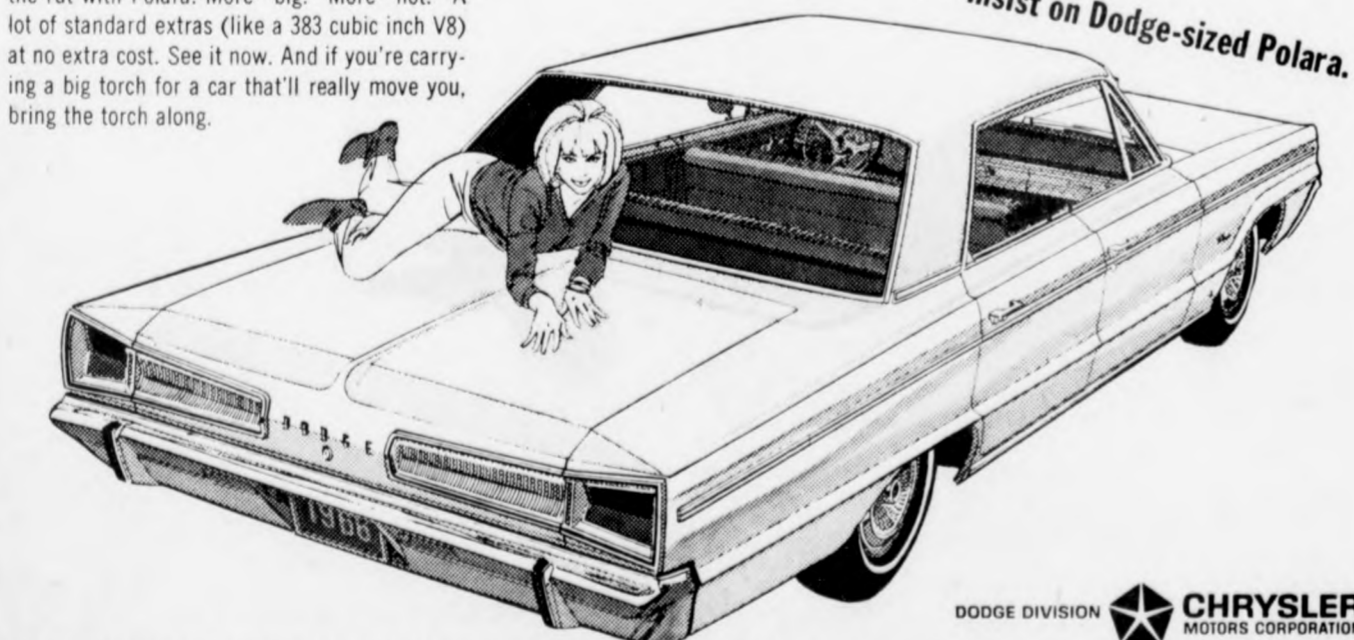

'66 Dodge Dart Still talking about squeezed-up compacts, when you'd rather do something about them? Put your money where Dart is! Unexpectedly big inside, long outside. Six or V8 power. Rise up with Dart! Be expansive without being expensive.

'66 Dodge Coronet Here comes Coronet... sharp, smart, sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught onto yet. With a choice of five engines, designed to make the walls of Dullsville come tumbling down. Get away from look-alike, first-cousin cars with Coronet.

'66 Dodge Polara Snap, crackle, pop, go the ties that bind. You're up and out of the rut with Polara. More "big." More "hot." A lot of standard extras (like a 383 cubic inch V8) at no extra cost. See it now. And if you're carrying a big torch for a car that'll really move you, bring the torch along.

*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1966 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings.

REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Pewamo

By MRS. IRENE FOX, Correspondent—Phone 824-2021

Family gathers to fete father

PEWAMO—The home of Mr and Mrs Ronald Schafer of near Hubbardston was the scene of a family gathering in honor of their father, Arnold Schafer, and four other members of the family whose birthdays are in September.

Arnold Schafer was 70 years old. All of his children, with the exception of Mr and Mrs David Schafer and family of Albuquerque, N. M., were present, in addition to 35 grandchildren. Each family brought a dish to pass and four grills were used to cook steaks. Two birthday cakes were served.

During the afternoon, a large wagon, covered with hay and pulled by a tractor, furnished a hay ride for those present. Games were played in the yard.

Mr and Mrs Virgil Smith and Mrs Herold Smith of Beal City were Sunday guests of Mrs Pauline Hauck.

Mr and Mrs Michael Schneider Jr. and family moved in their new home on Yates Street, recently.

Six-year-old Jeffery, son of Mr and Mrs Francis Motz and grandson of Mr and Mrs William P. Smith of Pewamo, came home last Thursday from University Hospital, Ann Arbor, where he's been a surgical patient, for several weeks.

Mr and Mrs Roy Howorth and family of Haynor Road, Ionia, were Thursday evening callers of their mother, Mrs William J. Schafer.

Mr and Mrs Leonard Smith were visitors of their nephew, Jeffery Motz, at University Hospital, Ann Arbor.

Mrs Vera Cook and Mrs Irene Fox visited Mrs Fox's daughter, Mrs Roy Pease, at University Hospital, Ann Arbor, Monday evening, Sept. 20.

Miss Ruth Swindt and niece, Miss Nancy Long, were in Grand Rapids, Tuesday, on business.

Sunday visitors at the home of Mr and Mrs Frank Smith were Mr and Mrs Virgil Smith and Mrs Herold Smith of Beal City.

Mr and Mrs Bob Cole of Fowler have announced the birth of their daughter, Shirley Lynn, who was born on Tuesday, Sept. 21, at Carson City Hospital, weighing 8 pounds. Mrs Cole is the former Sharon Schneider of Pewamo. Shirley Lynn is the 19th grandchild of Mr and Mrs Clare Schneider of Pewamo.

Mr and Mrs Lee Dase and family of Lansing spent Sunday with their mother, Mrs Clara Klein.

Mr and Mrs Clyde Silvernall received word early Sunday morning of their brother, Walter Schneider of Lansing, having had a heart seizure at his home. He was rushed to St. Lawrence Hospital for treatment.

Quilting party set at society meeting

PEWAMO—The first fall meeting of the Altar Society was held on Tuesday evening, Sept. 21, in the Parish Hall with about 40 members present.

The women of the society will hold a quilting party on Oct. 12 and 13 to work on a quilt that was donated by Mrs Pauline Hauck.

Following lunch, euchre was in play. First prize went to Mrs Albert Smith and consolation to Mrs Anthony Theis. Mrs Doris Thelen received the mystery package. Mrs Roman Klein captured "Leaping Lena."

Mrs Stanley Long and daughters, Ruth Sally and Carole, were guests of their aunt, Miss Ruth Swindt, for several days last week. On Saturday, Mrs Long and daughters went to Lansing where Carole enrolled at Michigan State University, Ruth Sally enrolled at MSU last week.

Mr and Mrs Clyde Shoemaker, James Spencer and Mrs Martha Miller accompanied Miss Ruth Swindt to Lowell last week to attend the first quarterly conference of the Methodist Church, under the new district superintendent, Rev Carlos Paige.

Mrs Mildred Fox spent the weekend in Lansing with her brother and sister-in-law, Mr and Mrs Richard Vance.

The Methodist Church will serve its annual turkey supper on Oct. 21, beginning at 5:30 p.m.

Mr and Mrs Ronald Motz and family of rural St. Johns spent Sunday with their mother, Mrs Herman Wahl.

Mrs Clyde Silvernall and Mrs Leona Hillabrandt visited their brother, Walter Schneider, at St. Lawrence Hospital in Lansing, Sunday.

Mr and Mrs Leo Cook sold their farm to Thomas Schafer and purchased the home of the late Mr and Mrs Ellis Cook on East Main Street in Pewamo, now occupied by Mr and Mrs Roy Kramer. The Kramers will move in their farm home, recently vacated by Mr and Mrs Ed Cook, who now live in Portland. Mr and Mrs Leo Cook expect to move within a month.

Mr and Mrs Arthur Bussa and family of Warren were visitors of their mother, Mrs Louis Fox.

Rev James Thelen of Muskegon spent Sunday with his parents, Mr and Mrs Louis Thelen. Mr and Mrs William Thelen who returned from their wedding trip were there also.

Sweethearts 5,800 years ago may have had a choice of moons to spoon under. Evidence that a huge natural satellite broke up and deposited large fragments in northern Argentina has been discovered by a group of scientists led by a Columbia University geologist.

Merrihew

By Mrs Lloyd Reed—224-2951

(Too late for last week)

Mrs Louis Brya will head club

MERRIHEW DISTRICT—Merrihew School started the 1965-66 school year with 35 pupils enrolled in the eight grades.

There are six new pupils, coming from the Virgle Austin family on East Price Road and the Allen Law and Kenneth Perry families on West Price Road. The seven beginners are Lora Austin, Brian BeVier, Gerlynn Favior, Sheri Hart, John Mueller, Brad VanVleet, and Jeff VanVleet.

The Merrihew District Mother's Club had their monthly meeting at the school, electing Mrs Louis Brya, president; Mrs Norbert Mueller, vice president and secretary; and Mrs Allen Law, treasurer.

Mr and Mrs Francis Fedewa and family were Sunday, Sept. 19, dinner guests of Mr Fedewa's parents, Mr and Mrs Julius Fedewa of Westphalia.

Mr and Mrs Raymond Barnes of Lansing were Saturday evening, Sept. 18, callers of Mrs Maude Ballinger.

Mr and Mrs Fred Hopp of Riley were Thursday evening, Sept. 23, callers of Mr and Mrs Lloyd Reed.

Mr and Mrs Norbert Mueller and children had a birthday dinner recently for daughter, Jacqueline, on her first birthday. Urban Fedewa was a guest.

Mr and Mrs Louis Brya, daughter, Linda, and her cousin, Ruthie Brya, spent the Sept. 18 weekend at Higgins Lake.

New families in the Merrihew

neighborhood include the Virgle Austin family, formerly of Lansing. They have two children and purchased the Arrington home on East Price Road, On West Price Road there are four new homes belonging to Robert Bowling, Allen Law, Kenneth Perry and Donald Thompson.

Mr and Mrs Jerry Schafer and Mary Lyn of Bath and Mrs Frank Easton of DeWitt were Tuesday evening, Sept. 21, dinner guests in the Reed home. Mrs Joey Miller and children were evening callers.

Another Water Tank at Treatment Plant Site

A welder's torch cut this circular hole in the side of the 400,000-gallon storage tank at the city's water treatment plant only three minutes before this picture was taken. A peek inside showed workmen busy on the far side of the tank and the old St. Johns water tower rearing above them in the background.

JOHNNY BALBO

Elsie Lions to celebrate 25th year

ELSIE —A varied program of entertainment is being planned for the Elsie Lions Club's 25th anniversary celebration Monday evening at the American Legion Hall in Elsie.

Sen. Frank D. Beadle, who was master of ceremonies at the organizational dinner 25 years ago, will fill the same post Monday night.

EVENTS WILL get under way with a reception from 6:15 to 7 p.m. Patrick Foran, Russell Bouck and Mark O'Donnell will be hosts. At 7, Lions Club President Blaine Lenz will call the meeting to order and Don Thayer will lead in singing "America." The pledge of allegiance to the flag will be led by Jack Hawes and John Rumbaugh will give the invocation.

Following the dinner, Lenz will give a speech of welcome, and Thayer will lead community singing. Guests will be introduced, and then Andrew Cobb will introduce the master of ceremonies, Senator Beadle.

LIONS DISTRICT Gov. Morley Webb will present charter awards and service awards to members, after which Johnny Balbo, a member of the board of directors of Lions International, will give the main address of the evening.

Tickets for the dinner were to be obtained by Wednesday from Lenz or Secretary Norm Blakeley, since seating is limited to 200 persons.

JOHNNY BALBO of Western Springs, Ill., was elected a director of Lions International at the annual convention in Los Angeles, in July. He is a Senior Master Key Member and a past chairman of the Illinois State Council of Governors.

He has held many varied posts in his club and his district prior to his election as a director. Lion Balbo holds the Supreme Extension Award, having officiated in the chartering of 12 clubs, and has been awarded the International President's Award three times.

A 100 PER CENT district governor, Director Balbo was also state chairman of the Lions of Il-

linois Blind Activities Committee for four years. He has 13 years perfect attendance record.

Educated at the schools of Quincy, Mass., he was a star full-back at high school before switching to the old Boston Red Skins professional football team. Director Balbo then turned to wrestling, winning the light heavyweight wrestling championship of the world.

DIRECTOR BALBO is married, and he and his wife Anne have three children, Antonette, 14, John Jr., 12, and Jaqueline, 11.

Director Balbo attends the St. John of the Cross Roman Catholic Church and is a member of the Springdale Civic Assn. and the LaGrange Chamber of Commerce.

Methodist youth to canvass area for UNICEF

ELSIE —Sunday night's Methodist Youth Fellowship was held at the home of its president, Jennifer Keys. A get-acquainted hour preceded the business session.

The remainder of the corp of officers was elected as follows: vice president, Kenny Baese; secretary, David Williams; and treasurer, Sharon Dunham.

It was voted to hold meetings each Sunday evening at 7 p.m. in the MYF Chapel at the church. It was also decided to canvass the community for UNICEF at Halloween and to ask the aid of the intermediate MYF group.

David Williams volunteered to make arrangements for a hayride party, Oct. 16. Members may ask friends to accompany them.

Sharry Moore was appointed chairman of the annual supper and bazaar, Nov. 10.

Dottie Bloomer and Reta Platner will lead the discussion next Sunday evening, Jackie Moore, the devotions and Bobby Justice and Kenny Lenz will provide refreshments for the social hour.

The local group voted to present Dennis Baese as a member to the sub-district Council.

Mrs Lyle Dunham conveyed MYF information from the Christian Workers' School which she, Mrs Bill Moore and Mrs Alpha Grubaugh are attending Monday nights in Alma.

The youth group asked for counselling from Mrs Lyle Dunham and Mrs Grubaugh, with an assist from Mrs Moore and Mrs Keys, for this year.

Plans for the future events were discussed and the secretary was instructed to contact two speakers for special meetings.

Mrs Keys, assisted by Mrs Dunham, served refreshments, while the youngsters listened to recorded music.

Sharon Dunham, daughter of Mr and Mrs Lyle Dunham, was awarded a trip to Traverse City, Oct. 1 through 5 by taking first place at the recent State 4-H Fair for her illustrated talk on emergency preparedness. She chose "Fall-Out Shelters" for her demonstration.

W. S. Eastons given farewell

ELSIE —Rev and Mrs W. S. Easton were honored on Wednesday evening at the Methodist Fellowship Hall in a farewell family night.

The local church activities committee of the WSCS was in charge of the potluck, served at long tables which were centered with fishing scenes and sportsmen posters, which represented the outdoor hobbies of the Eastons.

Mrs Alpha Grubaugh, WSCS president, presented a miniature trophy cup to "the world's greatest fisherman" and expressed the best wishes for the future to Rev Easton and his wife. On behalf of the church, a parting gift of money was given to the Eastons.

Music was furnished by the Junior Choir, directed by Jennifer Keys, with Sharon Dunham as accompanist. They sang "The Lord Will Provide" and "Do-Remember" from "The Sound of Music."

Sharon Dunham gave a humorous reading "What Happened to Greedy Gopher." Thanks were extended by her father, Lyle Dunham, to the Eastons and others who gave aid to his family at the time of their serious fire last winter. He gave Edgar Guest's, "The Builders," as a tribute to them.

Rev Easton made a few remarks expressing the pleasure he derived from serving here the past four years. Rev Gordon Showers of Beaverton will become the new pastor of the Elsie and Duplain Churches on Oct. 1.

Jolly Pioneers' October dinner set by members

ELSIE —The members of the Jolly Pioneer 4-H Club held regular work meetings during the summer at the home of their leader, Mrs A. W. Cobb. Once a month they met for the regular business meeting with all members of the club and their leaders, Mrs Russell Libey and Mrs A. W. Cobb.

At each meeting, they prepared and served different types of meals with each girl taking her turn in such positions as hostess and waitress.

Meetings included "The Party Tricks" with mothers as guests; "Getting to Know You;" "What's in the Kitchen;" "Let's Have a Cookie Bake;" "Shortcake Time;" "Picnics are Fun," which included a picnic and swimming at the park; "What Shall I do for Exhibits;" and a "Happy Day Party" which celebrated the birthdays of Susan Crosson and Kathy Smith. Each member received a gift of a green and white 4-H apron.

In July, they joined the other members of the club with leaders and several parents for a three-day camp out at Silver Lake and in August exhibited at the 4-H Fair in St. Johns.

They will share a hayride and wiener roast with the rest of the club this month and in October will serve a dinner with their mothers and leaders as guests.

Flowers and vegetables used at these dinner meetings have been provided by Bill Foran and Alan Cobb, garden members of the club.

Junior members included Mary Temple, Sandy Grubaugh, Kathy Smith, Nancy Foran, Mary Jo Sovis and Susan Crosson.

By Mrs Neva Keys

Elsie Scouts meet for final cleanup

ELSIE —The Elsie Boy Scouts met at the American Legion Hall Thursday evening for a final cleanup of the camping gear used at the recent fall camporee at Camp Mapleton.

The Camporee was held for three days with more than 140 scouts from eight troops of the Chippewa District of Chief Okemos Council in attendance.

The Elsie boys used no tents but built their own shelters from branches, leaves, poles, bark and binder twine.

Taking part in the Camporee from the Elsie troop were Robert Bloomer, Timmy Bouck, Lonnie Buchele, Glen Finch, Ronnie Ki-

das, Dennis Mead, Charles Miller, Ronnie Sills, David Williams, Bruce Levey and leader, Keith Thornton.

They learned that Harvey Griswold, district scout executive who organized the recent Philmont trip and was a former advisor of the Elsie Boy Scout Explorer troop, will leave next month for Denver, Colo., as a professional in the scout program.

Proceeds of auction donated to society

ELSIE —The former Community Club of the now closed Page School, northwest of Elsie, donated \$112.56 to the American Cancer Society. This represented the proceeds from their recent auction sale.

Mrs Robert Kridner, on behalf of the Page Community Club, presented the money to Dr R. L. Wohlers at St. Johns last week. Mrs Albert Fruchtl, chairman of vol-

unteer activities of the Clinton County Chapter, expressed appreciation for the contribution and the support given by the Elsie community in previous years.

Elsie events

ELSIE —Next Sunday is World-Wide Communion Sunday. It is the custom of the Methodist Church to receive an offering at this service for a specific use. One-half will be used by the Methodist Committee for overseas relief, one-fourth by the Commission of Chaplains and one-fourth for the Commission of Camp activities. The Elsie Methodist Church will join this observance.

Mrs Lawrence Hess will review a religious book at the regular meeting of the Methodist WSCS in the home of Mrs Merle Green, Wednesday evening, Oct. 6. The Women's Societies of the Bannister, Chapin and Duplain

Methodist Churches have been invited as guests.

Airman J.C. Nancy E. Betts, daughter of Mr and Mrs Herbert A. Betts Sr. of Ithaca and former residents of Elsie, has completed basic military training at Lackland AFB, Texas, and received an assignment for technical training as a WAF. She will be a student at Sheppard AFB, Tex. She attended Elsie High School until moving to Ithaca where she graduated from Ithaca High School last June.

Price District
By Mrs Harold Crowley

The annual chicken supper and fair will be held at the Price Church Wednesday, Oct. 6 with serving to commence at 5:30 p.m. This will be a free will offering.

There will also be baked goods, hand made articles, vegetables and other items on display.

Miss Mildred Ashley, Mrs John Beachler and Mrs Russell Ormsby attended the Fall Rally of the WSCS at Greenville on Wednesday.

The official board of the Price Church will meet at the church Sunday, Oct. 3, with a potluck dinner following church services. All are invited to attend.

Mr and Mrs Terry Reese were Sunday dinner guests of Mr and Mrs Harold Crowley and family.

Mr and Mrs Walter Crowley of Traverse City and Mrs Agnes Price of St. Johns were Wednesday afternoon and supper guests of Mr and Mrs Harold Crowley and family.

Mrs Carl Barnes and three children of Flushing and Mrs George Beck of Palms spent Saturday with Mr and Mrs Albert Waldelich.

WIN THE \$20⁰⁰ JACKPOT!
in the
Clinton County News FOOTBALL CONTEST

Join in the fun! You can win \$20 cash, paid by The Clinton County News each week to the person who guesses the most winners of the high school and college football games listed on this page. Shop the ads and read the rules to find out how you can cash in!

1. Read every ad on this page. An important game will be listed in each ad for your selection.
2. On a separate sheet of paper, write the name of each merchant on this page and after his name, the name of the team you select as the winner of the game listed in his ad. List in sequence 1 to 20.
3. Be sure and print your name and address plainly on your entry.
4. Mail your entry to Contest Editor, The Clinton County News, St. Johns, before 6 p.m. Friday or deliver it personally to The Clinton County News office before 5 p.m. Friday. Mail must be postmarked no later than 6 p.m. Friday.
5. Contest winners will be announced each week in The Clinton County News.
6. Only one entry per person is allowed.
7. Remember—Your guesses plus the names of the merchants, must be on a SEPARATE sheet of paper . . . not on this page.
8. See copy at left for tie breaker.

Fire prevention efforts paying off in lives

Clinton County has been fortunate that it has been relatively free of disastrous fires in the last few years.

But a great deal of credit also belongs to those people who work hard at home and on the job to prevent the fires from even getting started.

While estimated dollar losses caused by fires in the United States exceeded \$1 billion for the eighth year in a row in 1964, there was a slight decline of 2.7 per cent under losses for 1963.

THIS DECLINE WAS encouraging news to people dedicated to fire prevention, because without fire prevention efforts, the nation's fire losses would be three times what they are today, says the American Insurance Assn.

During Fire Prevention Week Oct. 3-9, fire safety programs will be held in thousands of schools throughout the United States.

There will be speakers on the subject of fire safety at Rotary, Lions and other service organization weekly meetings.

In many communities, school children will be taken on visits to the local fire department headquarters to get a close look at fire fighting equipment and the men who operate it.

THE JOB OF FIRE prevention, however, should begin at home. Every citizen in this community can participate in Fire Prevention Week by getting his family together and making sure that all members know at least two escape routes from the home.

Throughout the year, the home, from attic to basement, should be kept clear of unneeded combustibles such as old newspapers, accumulations of old paint cans, broken furniture, and discarded clothing.

And, remember, if fire occurs, get everybody out of the home first—then call the fire department.

Fire Prevention can help save lives. That is most important. But secondly, it can prevent the destruction of property, which reduces our national wealth.

Disappointment on Sept. 19 was for 33,000 people

Over 100 people around Clinton county went to bed a week ago Sunday with mixed feelings about the day. It has been oral polio vaccine day in Clinton.

A lot of their friends and neighbors did come in for the vaccine, and for this the workers were happy. But for some unknown reason, most of the folks in the communities stayed at home.

IT WAS ACUTE disappointment for many of the people, particularly Francis Schafer of the Fowler Jaycees, who had put in many hours all summer organizing clinics at Maple Rapids, Elsie, Bath, DeWitt, Westphalia, Fowler and St. Johns.

Yet, on Sunday, Sept. 19, only 9,634 persons felt concerned enough about polio to take the simple step to help wipe it out in the county.

FOR THE MOST part, those people are the ones who are always concerned about the health of their families and the general welfare of their communities.

The polio vaccine committee, after finding out that only about 22 per cent of the county population had taken the vaccine, asked themselves "Why?"

"IF YOU CAN FIND TIME, TURN TO THE FRONT PAGE."

American Insurance Association

ple who didn't take the vaccine. "Why?" Modern medicine is wonderful, and it represents a lot of work by a lot of people.

AGREED: IT WAS A hot and muggy Sept. 19, and many may have stayed home for that reason. And agreed: polio has not been a factor in the diseases of the county for some time.

The oral polio vaccine provides more protection than even the Salk shots, and it certainly is easier and more enjoyable to get.

The disappointment of the vaccine committee on Sept. 19 is nothing compared to the disappointment of a family whose child may come down with polio because he was given no opportunity to take vaccine.

LETTERS TO THE EDITOR

Michigan financial status black? or red?

MANY NEWSPAPER editorials have caused me, as I am sure they have many other teachers in Michigan, to wonder how such an erroneous conclusion might be reached concerning Michigan's financial well-being.

IT WOULD appear to me that newspapers and other news media have and are misleading their readers in terms of the present financial condition of our state.

I appeal to you and to your colleagues to clear up the present confusion in terms of the need for fiscal reform.

Sincerely, ROBERT L. HITCH R-3, Big Rapids

Ferris' old letter to Ward is basic

(Editor's Note: This letter, written by Fred H. Ferris of Bannister to the late Robert Ward over a year ago, was re-submitted by Ferris this week to point out a basic philosophy of the "Letters to the Editor" column.)

GOT A CHUCKLE from your recent letter in which you think that I have forgotten your ZIP number. Now, Bob, I don't want to be a "I told you so" guy, but my letter to the Clinton County News about a year ago stated that I figured that this ZIP number business would be a flop, as I was of the opinion that the zone numbers were taking care of the matter very nicely.

However, the reason I do not write you or write to the local paper regards you, is because I enjoy those letters of yours which talk of fine local events rather than be so critical of local governing people and anyone connected with the Democratic party; and it is then, and then only, that I like to "needle" you, to get you back on the ball.

I HAVE had people who seem to gloat when they tell me of a letter I had written where I kid.

Sympathy

By W. E. DOBSON

I'm sorry for the boy or girl Who is deprived of play, Who has neither pet or playmate, To make the day less gray: For youth needs playtime's hours Before that youth is spent— Too oft the tree makes answer The way the twig was bent.

I'm sorry for the parent when Youth has no time to play, Where family life has fallen short, And drudgery comes to stay: Some values lost are ne'er regained, Too often age must pay— For years that failed to furnish youth, A proper chance to play.

I'm sorry for the rulers all Who rule our land today, If they were balked and stymied In their resort to play: Such wisdom gained will oft maintain Balance 'twixt work and pleasure, And find one secret of success— A mix of proper measure.

Back Thru the Years

★ Interesting Items from the Files of The Clinton County News

10 YEARS AGO From the Files of Sept. 29, 1955

Purchase of the Conklin property on East State Street adjoining the First Methodist Church property as the site for an automatic switching exchange and office was concluded Wednesday by the Union Telephone Co.

Otto Jury Jr., was elected president of the Clinton County Junior Farm Bureau Saturday at their annual election. He succeeds Dale Fox, who has been president of the St. Johns group also.

MEMBERS OF Olive Grange adopted a resolution last Friday night opposing the Williams-Hare plan to take driver-licensing from sheriffs and police departments and place this function in a state department to be created for the purpose.

Sheriff's and city police officers issued warnings Thursday to home-owners throughout the area to watch for crews of high pressure salesmen who have defrauded at least one county resident in an aluminum siding deal and a St. Johns widow in a stove repairing transaction.

25 YEARS AGO From the Files of Sept. 26, 1940

An Ohio truck driver narrowly escaped burning to death early Wednesday when his big gasoline transport truck, containing a load of 3,500 gallons, overturned and exploded four miles south of St. Johns on US-27.

In a runaway dash late Sunday afternoon, a Chevrolet coupe jumped a pair of curbs, steered a narrow course between two trees, criss-crossed a lawn and then headed straight for the George E. Judd house on South Oakland Street, St. Johns.

Dorr Anderson will head the St. Johns Chamber of Commerce for the ensuing year, succeeding J. G. Matthews. Other officers chosen were Robert Marshall, vice president, and Robert Lawson secretary-treasurer.

50 YEARS AGO From the Files of Sept. 30, 1915

St. Johns will be honored next Friday by a district con-

clave of Knights Templar. Several hundred Sir Knights, many ladies and many strangers will visit the city that day. It will be a magnificent spectacle, and St. Johns Commandery No. 24 requests citizens to decorate their houses and business places with flags and the commandery colors, white and black.

There was a big meeting at Eagle Tuesday night to boom the proposed paved way from Detroit to Grand Haven. There are two possible routes from Lansing west, one via Grand Ledge and northwest through Eagle, Portland, Lyons, Ionia and west to Grand Rapids, the other west from Grand Ledge through Lake Odessa to Grand Rapids.

Tuesday was a big day at the county fair. From morning till night, everyone was busy, putting up stands arranging booths and doing all manner of things to make the remainder of the week the biggest fair ever held here.

RAMBLIN' with Rink

By LOWELL G. RINKER

We'll just ramble around this week.

One way to severely cripple a weekly newsmen is to take his camera and his typewriter away from him. This happened to me last week, all at once, and I felt rather lost.

I took the typewriter to Lansing for repairs; it came back in about five days after supposed repair and cleaning, but did the same thing. I took it back a week ago Saturday afternoon (boiling briskly), only to find the store closed.

MY CAMERA developed troubles on the night of the St. Johns-Pewamo - Westphalia football scrimmage. While trying to take pictures for the Jaycees football programs, I discovered the flash wasn't working.

I'm still sweating this out. A photographer gets used to his own camera, and any other just doesn't feel right or take as good a picture. This is probably more imagined than real, but I'm anxiously awaiting the return of my friend, the Nikkorex F.

AS LONG AS we're on the newspaper kick this week, here's a little comparison I picked up from Editor and Publisher, one of our trade publications:

See RAMBLIN' Page 3-C

A Look Into The Past . . .

Bridgeville, Michigan, Back in 1891

This was what Bridgeville, just north of the Clinton-Gratiot county line, looked like about 70 years ago. The picture is part of a collection now at the Bement Public Library in St. Johns and which was displayed recently at the Clinton National Bank centennial.

This view apparently looks south across a wooden plank bridge spanning the Maple River swamp on old State Road, later called M-14. Several of the buildings in this picture are reportedly still standing. This picture was not dated, but others that were apparently taken about the same time were dated 1891.

County News readers are invited to contribute historical pictures about their Clinton communities, along with pertinent information to go with them. Tentative plans are to make this a regular feature of this page as long as a supply of interesting pictures is available.

A Guest Editorial

Why don't the kids play ball?

BY RUDY PETZOLD Tuscola County Advertiser

At almost every high school in the Thumb this fall, football coaches have reported the same thing—the number out for the sport this year is way down compared to school enrollment.

In fact, at several practice sessions we visited, the coach barely had enough men to scrimmage with.

This is a strange turn of events when we consider that at one time it seemed every kid in school wanted to play football and the problem was not in having enough, but in having too many for the team.

WHY IS IT THAT kid's don't play ball?

Some of the old cranks will quickly tell you that it's because this younger generation is too lazy or too unconcerned to play ball. They'll tell you that the kids nowadays just don't give a hoot about anything except gyrating to the latest dance beats, raising hell with their cars and combing their mop-like hair down over their faces.

But there's quite a bit more to it than that—and it involves a good deal more than a simple off-the-cuff explanation like that.

THE FACT OF the matter is that not only some kids—but a good share of the American people as a whole are rapidly turning into a "spectator people." We are living in strange times—times far removed from the old-fashioned Yankee spirit of individual excellence and vigorous competition which once was the hallmark of "The American."

Today, a good many people find it is easier to watch than to be watched, to criticize than to construct, to backbite instead of backbend, to drift than to dig, to meander than to march, to assume than to assert.

The same attitude that all too many of our kids have towards sports participation on an organized level is also found in too many grownups and their attitudes towards business, religion, family and government.

AMERICANS ARE becoming spectators of these things instead of participants in them.

So many of our countrymen have gotten to the point where all they want is a comfortable seat on the 50-yard-

line, but well back from the heat of action. They want their "popcorn and hotdogs" hauled to them at cut-rate prices. They want to see the show, but they don't want to have a part in it. They want to be in the stands so they can criticize and second-guess the boys trying to make things go out in the thick of the action.

We see evidence of this in religious life as people occupy the pew but not the program. We see it in business where people open their door but sit waiting inside the store. We see it in families where people breed kids but forget or refuse to raise them. We see it in government where people run it down but refuse to help run it.

HOW DID WE get to such a state of affairs?

It all started quite innocently. We began to think it was easier for federal and state government to handle what we should have been handling for ourselves. We traded off our rights and economic freedom for smoothly-spread promises.

We let our old-fashioned ideas of thrift, patriotism, honesty, integrity and loyalty be sold out to the sharp deal, the smooth operator, the cool cat, the wheeler-dealer.

We let our personal dreams, our optimistic spirit and our "do it for ourselves" principles give in to a cynical, pessimistic "what's the use" and "it's easier this way" attitude.

WE LET THE fear of the future and the fear of the present replace the dauntless spirit which once hollered "don't give up the ship" and "give me liberty or give me death."

In short, we have traded in too many of our sound traditions for the tinsel trappings of short-lived and dangerous fads. And we are finding out the deal was a poor one.

It takes players to make up a team—and it takes sincerity, spirit, courage, hard work and loyalty to win the game.

YES, OUR KIDS AREN'T playing football like they used to—but then neither are we playing the game we are assigned to as well and as hard as our forefathers once did.

Let's hope, for America's sake and for our own sakes, that we are not already in the final minutes of the fourth and deciding quarter.

MICHIGAN MIRROR

MSU medical school plan will improve MD shortage

BY ELMER E. WHITE
Michigan Press Assn.

Finding a doctor in a night-time emergency is difficult, at best, partly because of a shortage of men in this profession.

One attempt to relieve this situation will be made next year when Michigan State University enters the medical education field.

Starting with its first class in a new College of Human Medicine, the East Lansing institution hopes to provide fill-ins for students who drop out of full-course medical schools before the third year. Later, as the public need grows, it is likely MSU will provide its own four-year program.

MICHIGAN IS NOW served by medical school at the University of Michigan and Wayne State University. The former is at capacity enrollment and Wayne officials have room for only a small number more with present staff and facilities.

Although there has been some opposition to MSU's effort to establish the first two years in medical training, officials have progressed with plans for more than three years.

The new college will utilize several existing departments at MSU, such as anatomy and physiology; and add a department of medicine to round out the course work necessary for preliminary medical education.

ORIGINAL PLANS were aimed

at opening the new unit this year, but problems in staffing, building construction and funding pushed it back a year.

Most people in Michigan have been troubled to one degree or another in trying to secure medical care, so there is little disagreement about the need for more doctors.

The location of the training facility has been more of an argument.

Now, however, MSU officials have completed arrangements with Sparrow Hospital in Lansing for cooperation in the various clinical training requirements.

WHILE FINANCING the new college may still pose some problems, the national medical school accrediting agency has given MSU enough assurance of recognition to enable university officials to seek available federal funds. They have already received indications of substantial amounts.

No one contends this two-year program will provide all the doctors needed, but there is little doubt that it can improve the basic shortage of fully trained men.

COMPUTERS ARE continuing to make changes in state government as well as private industry. Several agencies now use various types of data processing equipment for keeping records, analyzing accounts, and other purposes.

Perhaps the biggest changes brought about by the electronic age to government operations has been in the area of personnel.

CIVIL SERVICE examination procedures were one of the first areas to be involved in computer use. Improvement of testing and correcting methods continues annually through new uses of the computer system.

The Civil Service Commission also has started using its computer for analysis of salary rates in its annual survey of industry-public agency wages. Employee history records will be fully added to the computer system by the end of this fiscal year.

Eventually, Commission officials say, data processing will perform such functions as computing personnel pay increases, accrued sick and annual leave credits, and issuing service rating forms.

USE OF the computer for scoring examinations has now reached the point where applicants are notified of their ranking in the test group.

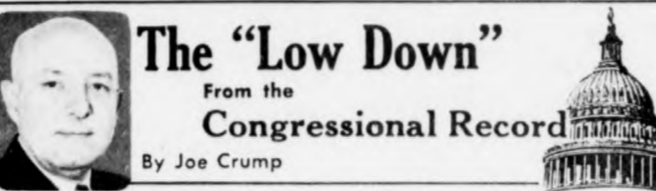

Previously they were told only whether they passed or failed and the passing level.

State Personnel Director Franklin K. DeWald said notification of the passing position location assists the applicant in determining his chances for getting a post. He can then be more definite in notifying the commission whether he is available for a given job.

FOR EXAMPLE, if an applicant is notified that he ranked No. 35 in a given competition and he knows there are just four such positions available, he might consider other employment since the top three are considered first for any given opening. If he ranked No. 6 and there were four open posts, he likely would choose to remain available.

"I'd just love having dinner with you - No, my mother won't mind setting a plate for one more"

The "Low Down"
From the Congressional Record

By Joe Crump

Those antipoverty expense accounts

(The Senate was considering the bill, H. R. 8283 to expand the war on poverty and enhance the effectiveness of programs under the Economic Opportunity Act of 1964. Following are some excerpts from a commentary by Sen. John J. Williams (Del.) while the bill was under consideration.)

"My attention was recently called to another \$230,000 grant that was made in the New York area. Shortly after they received the grant of \$230,000 all the officials went up to the Adirondacks for a weekend to study the juvenile delinquency problems in the New York City area. While they were up their expense accounts totaled over \$2,000 for refreshments and rooms at that plush resort. There were present six

consultants who were drawing \$75 a day plus all expenses for the two days that they were there. Luncheons, dinners, and special refreshments that were charged on the expense account for this trip were rather lavish. . . .

"ONE OF THE high-salaried officials even had the gall to charge to the government \$12.85 for a tuxedo he had rented to attend one of these social functions. This tuxedo rent was charged as a part of the poverty program.

"Ironically, all these expenditures were approved by the agency. I observed that none of those expenses were disallowed, so I assume they must have approved of the expenditures. . . .

"THE administration should be told that it was never intended that such items as the rental of tuxedos or liquid refreshments be included as official expenses. There was a charge of \$63.20 for flowers to be used at an open house meeting. Since when is \$60 for flowers a legitimate expense of the antipoverty program?

"Other items on the expense account of these administrations of the poverty program in the New York City area are: \$119.50 for a movie camera; camera accessories, \$80.85; miscellaneous camera attachments, \$57.40; Yashica camera, \$59.95; special lens, \$89.50; five rolls film, \$14.25; film, \$12.17; four more rolls of film, \$9.80; photographs mostly of officials of the program, \$162.98. . . .

"NOT ONLY are politicians fighting over who is going to handle this multimillion-dollar program but there is also the fight over patronage. In many instances there is developing a patronage feud among the Democratic politicians as to who is going to control the jobs. Considering the lavish expense accounts that are being permitted with the high salaries, I can well understand their attractiveness as rewards to politicians. . . ." (Bill H. R. 8283 was passed the following day.)

Grassroots Comment

The current issue (September) of the "Readers Digest" magazine carries an article by John Barron, "The Case of Bobby Baker and the Courageous Senator," (Senator John J. Williams) that makes interesting reading. — J. C.

Within the last few years, Michigan has come into its own as a woodcock hunting state. In 1964, some 176,000 woodcock were shot in this state, a figure believed to be tops for the nation.

Ramblin' . . .

Continued from Page 2-C
"Girls are like newspapers. They have great forms; they always have the last word; back numbers are not in demand; they have great influence; you can't believe everything they say; they are thinner than they used to be; they get along by advertising; and every man should have his own and not try to borrow his neighbor's."

The slogan of the Barrytown (N.Y.) Explorer is "When you can't smile, quit."

ALONG ABOUT the middle of August I had the unrealistic feeling that I would have to mow my lawn only one time since we moved to our new home on Traver Street the end of June. That one time had been toward the end of June.

No sooner had I considered that possibility than it started to rain. And it has not stopped since. The result has been almost constant mowing. At the current rate of rainfall, I figure I'll be mowing yet into October, and the total trips around the yard will equal that of a normal summer after all.

—rink

Letters . . .

Continued from Page 2-C

ded you, and it surprises them when I defend you by telling them that you have the plain gall to write your opinions, and I remind them that they have equal opportunities to express their thoughts at any time.

But I assure them that I do not write these letters as an enemy of yours, nor to embarrass you; it is simply a matter of rebuttal that I learned when being a member of the debating team in Ferris

COUNTRY FLAVOR

Pennants wave on all soils

HAYDEN PEARSON

Spikes of glowing goldenrod paint pictures along country roads, on the hillsides and around the edges of gardens. The color they spread on the landscape is a dominant motif of the pre-autumn patina that spreads soft hues as a season nears its end.

Goldenrod is a member of the mammoth composite family. Experts say there are 85 species in the United States. Some of the names are interesting: Curved Leaved, Blue Stemmed, Stout, Silver rod, Alpine, Seaside, Bog, Showy, Sweet, Spreading, and Elm Leaved.

Institute at Big Rapids, and that I am not interested in a feud between you and I in order to amuse the readers of the paper. . . . I can assure both of you that most of my letters are written in a humorous manner rather than trying to be so serious.

AFTER all, Bob, in a Democracy like ours, you don't change situations overnight, as we are too prosperous, and a people like this tend to ignore conditions until something serious happens. . . .

I may say, Bob, that I do not believe in some of the things that (Barry Goldwater) has said, but, he, like you, also had the gall to say what he thought, and that is something that our American politicians don't usually do. . . .

FRED FERRIS
Bannister

SOLIDAGE IS the genus name, an ancient Roman word. In olden times the Romans believed goldenrod had healing powers. In the days of Queen Elizabeth, the English imported large amounts which were used as a powder to help heal wounds.

There is a species for every type of terrain, for swamps and hillsides, seaside, and rich garden soil. The hue of its blossoms in September blends with the golden hues one sees in sun-drenched grasses on the uplands and with the gold-green tinge of leaves in the slanting sun of late afternoon.

IT IS A common plant and most of us tend to overlook the beauty of plants which are numerous. But it would not be the right ending to summer without the tall, sturdy-stemmed plants that lift golden pennants as the Frost King's legions start moving down from the northland. In England, gardeners grow the goldenrod in their gardens. Nature freely gives us the golden pennants that brighten the pre-autumn landscape.

Michigan hunters are not required to have small game licenses when they hunt on their own enclosed farmland upon which they live. Also, anyone who works and lives on enclosed farmlands of another may hunt on these lands without a small game license.

**ADVERTISEMENT FOR BIDS
Fowler Public School District**

South Main Street, Fowler, Michigan

Project—Additions and Alterations to Fowler High School consisting of nine classrooms, Music Room and Auxiliary Rooms and Alterations to existing building.

Architect—Warren Holmes Company, 820 North Washington Avenue, Lansing, Michigan.

Sealed proposals are invited for the construction of the project as follows:

- Proposal No. 1—General Construction Work
- Proposal No. 2—Heating, Ventilating and Plumbing Work
- Proposal No. 3—Electrical Work
- Proposal No. 4—Homemaking Equipment
- Proposal No. 5—Science Laboratory Equipment

Proposals will be received until 8:00 P.M., E.S.T.

October 7, 1965

at the office of the Superintendent of Schools, located in Fowler High School, Fowler, Michigan.

Proposals will be publicly opened and read aloud at that time and place. Proposals received after the time specified above will be returned unopened.

Bidding documents, including Plans and Specifications are on file at the following locations:

- Office of the Superintendent of Schools
- Office of the Architect
- Builders and Traders Exchange, Detroit, Grand Rapids, Lansing, and Saginaw, Michigan
- F. W. Dodge Corporation, Detroit, Flint, Grand Rapids and Lansing, Michigan

Bidding documents may be obtained from the office of the Architect.

Up to two sets of Bidding Documents will be furnished prospective Bidders for Proposal No. 1 for a deposit of \$2.00 per set and for Proposals No. 2 or 3 for a deposit of \$10.00 per set. No deposit is required on first set of Bidding Documents for Proposals 4 or 5. Additional sets of documents on Proposals 4 or 5 may be purchased for \$10.00 per set.

Full amount of deposit will be returned to contractors who submit proposals if Bidding Documents are returned in usable condition within 10 days after the opening of proposals. Failure to bid or return documents within the stated period will forfeit the entire deposit.

Prime Contractors may purchase additional sets of documents at the above charges, not refundable. Sub-contractors and suppliers may purchase Bidding Document for the above stated charges, not refundable, or may purchase blueprints of Drawings and Divisions of the Specifications at cost plus mailing charges by ordering specified Drawings and Specifications; the Architect will not select drawings required for various trades or equipment.

Each proposal shall be accompanied by a Bid Bond or certified check in an amount not less than 5% of the proposal amount.

Each accepted bidder will be required to furnish a Performance Bond and a Labor and Materials Bond, each in the full amount of the proposal.

The Owner reserves the right to waive any irregularities, reject any or all proposals or accept any proposal when, in the opinion of the Owner, such action will serve the best interests of the School District.

No bids may be withdrawn for a period of 30 days after the opening of bids.

COMET

COMET CYCLONE HARDTOP WITH OPTIONAL TWIN SEDOP HOOD

Introducing the lively new driving machines: the big, new-generation Comets.

Listen to the roar of the '66 Comets. They're bigger, wider, up to 8 inches longer than any Comet before. They make driving other cars seem like walking. Comet's new fire and spirited luxury come in 11 roomier models.

For a sample of Comet's style, take the Caliente. Notice the smart upholstery . . . the handsome, simulated wood grain panels. For spine-tingling action try Comet's new Cyclone GT. Its new 390 4-barrel V-8 delivers

the kind of go that can shove you right back in your bucket seat. Whatever you want — action cars with pure excitement, 3-speed or 4-speed manual transmissions or automatics, inviting interiors — Comet's got it.

Plus a long, tempting list of options that includes built-in air conditioning, power windows, power brakes, and power everything. All this in the most exciting parade of Comets ever. Drive a real driving machine at your Mercury dealer's today.

4 DOOR VILLAGER WAGON WITH DUAL ACTION TAILGATE THAT SWINGS DOWN TO LOAD TRAIL LEVEL, OR SWINGS OPEN LIKE A DOOR AS SHOWN

Iron improves calf health

Supplemental iron for calves being fed milk may not make the animals gain faster, but it will probably make them healthier.

That's the consensus from a team of Michigan State University scientists who recently studied the effect of injectable iron on the health and growth of calves. The MSU researchers, S. M. Getty, G. H. Conner, L. D. Brown, D. J. Ellis and E. R. Miller, reported their findings recently to the American Society of Animal Science.

THEY EXPLAINED that animals being fed only milk are likely to become deficient in iron because milk contains a very low level of that element. And their study helped to explain the problems which can occur when this element is deficient.

The MSU researchers noted that the level of hemoglobin—the red pigment in the blood which carries oxygen to the tissues—was increased when supplemental iron was given to the calves in the experiment.

AND WHILE the added iron did not increase body weight of the animals, says the scientists, it improved their blood and made the calves better able to resist environmental stress and diseases.

Sesame meal for chicks needs supplements

Poultrymen who are feeding their chickens sesame meal, a common protein feed of Central and South America, should be on the lookout for calcium deficiency in the chickens. This was the warning of Manuel Cuca, University of Wisconsin poultry researcher, reporting at the Poultry Science Assn. annual meeting at Athens, Ga., recently.

Cuca, working with poultry researchers E. C. Naber and M. L. Sunde, found that a sesame meal diet had to contain 1.25 per cent calcium and 0.67 per cent phosphorus to give normal growth. This is nearly twice the calcium normally added to a soybean meal diet for growing chicks.

CUCA EXPLAINED that even though sesame meal is a high calcium feed, chicks can't seem to utilize the calcium efficiently.

The researchers think that proteins of sesame meal tie up zinc in some way so that a deficiency develops. Adding calcium to the feed corrects the poor feathering condition. Calcium and zinc are related in animal nutrition, and a shortage of one often affects the use of the other.

BASED ON these results, Cuca recommended that sesame meal diets be supplemented with more calcium than would be normally expected. If poultrymen add only as much calcium as they usually add to soybean meal, calcium shortages may become serious enough to produce abnormal feathering and poor growth in birds.

3 new names in AMC auto lineup for 1966

American Motors has revealed a wide range of new features and changes in its cars for 1966, and announced three new names in the lineup—DPL, Rebel and Rogue.

THE AMERICAN, economy champion of the compact field, has been increased nearly four inches in overall length with the added inches most evident in the front for a longer, more balanced profile. Only minor changes have occurred in the Marlin, which was introduced in mid-March.

Thomas A. Coupe, vice president—automotive sales, said the DPL is the top-of-the-line hardtop of American Motors' luxurious 1966 Ambassador series, while the Rebel and Rogue will lead the Rambler Classic and Rambler American series, respectively.

"We have continued to move in the direction of more luxury, more sporty styling and special options for 1966," Coupe said. "Our choices have been broadened to meet the full range of variety sought by today's customers."

"THESE NEW models, along with the fastback Marlin, Ambassador 990, Classic 770 and American 440 will give us solid representation in the fast-growing hardtop market," Coupe said.

COUPE SAID new options include a four-speed floor shift transmission, "Cruise - Command" automatic speed control, a special handling package for American and Classic sixes, "Turbo-Cast" wheel covers, and a four-way hazard warning signal.

The two-door hardtop was the best-selling body style in the 1965 model year, accounting for approximately a third of total sales and topping the long-favored four-door sedan.

"In addition, rear seat belts, padded instrument panel and visors, back-up lights, left outside mirror, and windshield washers will join front seat belts and variable speed wipers as standard equipment on all 1966 models," he said. "And we have retained all long-life and safety features such as advanced unit construction, double safety brakes and ceramic-armored exhaust system."

"WE HAVE MADE important styling changes throughout all lines, adding new distinctiveness and individuality to each," Coupe said.

"ALL OF OUR cars also will feature new higher-strength laminated safety plate glass windshields for greater durability and resistance to penetration."

The Ambassador, which more than doubled in sales in 1965, and the top-volume Classic feature new roof panels for hardtops and for station wagon models. Overall length of Ambassador and Classic station wagons has been increased two inches to provide added cargo space.

The DPL is a new top-of-the-line hardtop in the 1966 Ambassador by American Motors series. One of eight Ambassador models, it features a new crisp-line roof which closely resembles a convertible top. Other Ambassador models include the 880 two and four-door sedan, and four-door station wagon, and the 990 four-door sedan, four-door station wagon, two-door hardtop, and convertible.

Winter top soil loss can be prevented

After the crop harvesting season is over, farmers cannot afford to forget their fields, a Michigan State University soil conservation specialist advises.

lakes, hampering water run-off. In level areas, fall plowing may bring about severe wind erosion as well.

Russell G. Hill, Extension conservationist, says fields left bare this fall are in danger of losing vast amounts of top soil due to fall and spring rains and melting snow. Crop residues may reduce water and wind erosion by as much as 80 per cent.

Soils that do not have a cover crop can be protected by crop residues or mulches. Two to three tons of crop residue per acre will give good protection against water runoff and soil erosion from wind. A major advantage of protecting bare soil with crop residues is that soils having these mulches freeze in a honey-comb manner, allowing spring rains to soak readily into the soil.

SLOPING LAND left bare or planted to winter wheat often erodes so badly that much fertile soil is washed away and the resulting gullies are a hazard to harvesting equipment, Hill states. Eroded soil also fills drainage ditches, streams and

Research has shown that level field planted to continuous corn for several years are benefited by annually adding three to four tons of crop residues into plow layers.

Variety, safety, luxury highlight Chevrolet line

DETROIT —Variety, safety and new peaks of luxury highlight the 1966 Chevrolets—plus the greatest assortment of models in the division's 55-year history.

there are design refinements in the Corvair and Corvette, and the regular Chevrolet has an even "bigger car" look.

E.M. Estes, general manager, said the new Chevrolets, totaling 50 models in six passenger car lines, will go on display in dealer showrooms on Thursday, Oct. 7.

SAFETY FEATURES—Numerous safety features are made standard on all models ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

"Model, option, color and interior combinations in the new Chevrolets number in the billions, giving the buyer an unparalleled opportunity to individually customize his car," Estes said.

MECHANICAL FEATURES — New engines include a 250-cubic inch L6 and two 427-cubic inch V8's. A new three-speed fully synchronized transmission is standard on all Chevrolet models.

PRINCIPAL features include: NEW MODELS—A caprice top-of-the-line series with four prestige models is added to the top selling regular Chevrolets. A four-door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series.

OPTIONS—Offered for the first time, in addition to the more than 400 options and accessories already available to Chevrolet buyers, are a single-dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt-telescoping steering.

STYLING—The Chevy II receives its first complete redesign since introduction in 1962 models. The Chevelle is restyled.

INTERIORS — Restyled, high fashion interiors are featured in all models. Bucket seats in Chevrolet, Chevelle and Chevy II models are a new slim "Strato" design. Each of the 14 station wagons has an all-vinyl interior.

Matches, Smoking A Leading Cause of Fires in U. S.

Matches and smoking cause one-fourth of all fires in the United States, and by using care with them a major fire hazard can be eliminated, the American Insurance Association said today.

The Association urged these precautions:

- Keep your home equipped with large, non-combustible ashtrays and use them.
- Never toss a lighted match away. Hold it for a second to be sure it is out, then put it in an ashtray. Never, under any circumstance, toss it into a waste basket.
- When you empty ashtrays, make sure all fire or sparks are out. Then, if possible, empty the tray into a closed metal container, such as a step can.
- Never strike matches or carry lighted matches or candles in closets, attics or other places where clothing and other combustibles are kept. Use a flashlight.
- Fire is not a toy. Lighters and matches should be kept out of the reach of children.
- Before leaving the house or retiring, check to make sure no cigarette has been dropped on upholstered chairs, divans or rugs, or any other place where it could start a fire.
- Never, never, never smoke in bed.

Silos rate equal in haylage storage

Haylage from a cement stave silo can be as good as that kept in a gas-tight silo, if proper storage and removal methods are used, according to a Michigan State University chemist.

Benny A. Brent pointed to his recent experiment which showed that "quite acceptable haylage" can be produced by using either storage method.

"ALTHOUGH dry matter, pro-

tein and total haylage losses were slightly larger with the concrete stave units," he said, "they certainly were not excessive and were probably no more than would be expected from the same units filled with conventional corn silage."

Brent said that at the time the haylage was fed, there were no differences between haylage stored in either structure in any of the components measured.

"THE ALMOST identical carotene levels in the haylage from the two types of storage indicated that oxygen has been adequately eliminated from the concrete units," he said. "However, since the surface of the material is exposed to the air in the concrete silo, carotene oxidation may be a problem when the amount of feed removed per day is small."

The chemist added that since both the gas-tight units and the concrete stave silo in this comparison were new this season, the comparisons might not be valid for older units.

"SUCH FACTORS as weathering of the inner walls, with associated roughening, may certainly change a concrete stave silo's ability to exclude air from the fermentation," he said.

"It should also be noted that concrete stave silos with no roof may give different results."

Corn silage urea cuts protein costs for dairy rations

Adding feed grade urea to corn silage when it goes into the silo can save 50 per cent or more on the amount of protein that needs to be added to make a balanced ration at feeding time.

Ten pounds of urea per ton of silage is a cheap way to add protein, according to dairy specialists at Michigan State University.

UREA BREAKS down into ammonia and carbon dioxide in both the silo and the cow's rumen. The ammonia combines with acids and makes protein, the specialists explained. From 90 to 100 per cent of the urea nitrogen is recovered in good corn silage.

MSU research studies and field trials by dairymen have proved that the practice pays off in the milk bucket.

Dairymen putting up silage should weigh one or two loads of silage and determine the amount of urea to be added to equal 10 pounds per ton of silage. Urea can be spread on the top of the loads or added mechanically at the blower as silage is put in silo.

1966 Chevrolet Caprice Custom Wagon

The top-of-the-line Caprice, which was introduced in 1965 as a sports sedan, has been expanded to four distinctive models for 1966. Two richly appointed station wagons with wood-grain exterior trim join a new custom coupe with its own distinctive roof styling and a custom sedan model. Dual seat belts are standard equipment on all rear seats, including the third seat of three-seat station wagons. Dealers will display all new Chevrolet models Oct. 7.

AGRICULTURE in Action

by M. L. Woell
MICHIGAN FARM BUREAU

The day may not be far off when a farmer will have to apply to the US Department of Agriculture for a license to farm.

Sounds far-fetched, doesn't it? But the Administration's new farm bill would give the secretary of agriculture broad discretionary authority to permit the sale or lease of allotments.

THE SECRETARY of agriculture would be given a powerful tool which could be used to guide the redistribution of rights to produce controlled crops along whatever lines he thinks best.

The secretary would be authorized to adjust the size of an allotment that is transferred to a farm with a substantially higher yield per acre, and also to set "reasonable limits" on the size of the resulting allotments on farms to which transfers are made.

IN ADDITION, the secretary apparently would have the authority to:

1. Restrict transfers to farms within the same county, as well

as to permit them on a statewide basis.

2. Permit transfers for some commodities while refusing to permit them for others.

3. Permit transfers in some years, and prohibit them in others.

4. Establish qualifications that must be met by any individual desiring to obtain an allotment by purchase or lease.

5. LIMIT THE amount of allotments that may be purchased or leased by any producer.

6. Restrict transfers to allotments of less than a specified size.

Sale or lease of allotments might be attractive as a kind of "severance pay" for farmers who

want to retire or get out of the production of allotment crops, but what about the young farmers who are just getting started?

OR WHAT would it do to the family farmer who needs to expand his operation to achieve the necessary efficiency of production to stay in business? The sale and transfer of allotments proposed is only one of the latest schemes in 30 years of unsuccessful and futile attempts of government to control America's uniquely successful system of farming.

More flu due

An increase of influenza in the United States may be in the offing this winter, says the American Medical Assn. The forecast is based on the three-year periodicity of the disease. The last major outbreaks were in 1962-63.

Big corn big hazard at rural intersections

Drought or not, it is tall corn time in Michigan. Tall corn, at least, on those favored outer rows which have benefited most from sunshine and bothered least by moisture competition. The outside rows on curves of busy rural roads seem to grow especially tall, and science has found the reason - car headlights trigger the growing processes well beyond the normal summer day.

Tall corn, weeds, grass and brush add up to death on country roads where you would least expect them. Nearly 75 per cent of all highway deaths occur along "peaceful" country roads and not as one might think - on the superhighway.

There, out in the country, poor or few road signs, intersections hidden by crops and brush, slow moving vehicles - all tend toward such things as head-on collisions. And when collisions happen at country intersections, records show they are more likely to result in death.

But night-time driving on a country road is the time when you are most likely to lose your life. Darkness is the enemy, aided by such things as cattle on the road, moving machinery and lack of light-reflecting signs or road-edge markers.

Reducing accidents on country roads is one of the serious problems which Michigan farmers have tackled during their annual Farm Bureau policy-making sessions. Last Fall they recommended that county highway departments help in removing all road obstructions and in clearly marking all dangerous crossroads known to have high accident records.

Further, they ask that brush and tall corn be cleared from locations which block the driver's vision and that farmers refrain from planting tall crops in these locations.

To this, they add the recommendation that safe speed limits be posted in all areas of known hazards and that they be strictly enforced.

Finally, the farmers recognized their own responsibility in operating tractors and other farm implements on the road, for "unless this is done voluntarily, laws may be passed which could seriously handicap farmers in the operation of their land," they said.

The cottontail rabbit is Michigan's No. 1 game animal as far as kill totals are concerned. For each of the last five seasons,

more than one million of these bouncy, zigzagging targets have been taken in this state.

CHEVY'S BUILT FOR BIGGER THINGS IN '66!

NEW CHEVROLET WORKPOWER IS HERE!

NEW HEAVYWEIGHTS UP TO 65,000 LBS. GCW!
The all-new Series 70000 and 80000 models are here—the biggest Chevies ever built, out to do the biggest jobs any Chevrolet trucks have ever done! They're ready to cut costs with new V6 gasoline engines, new V6 and V8 diesels. They offer, also, a new 92" cab that's the best yet for working efficiency, new higher capacity frames and axles and a high 65,000-lb. GCW rating.

NEW LIGHT-DUTY WORKPOWER!
The most widely used of all truck engines—the famous Chevy light-duty Six is built for bigger things in '66 with a big new 250-cubic-inch design. It's the standard power plant in most light-duty models. Also, users of 1/2-ton models can now specify a big 327-cubic-inch V8—the most powerful engine ever offered in a 1/2-ton Chevy truck. See the new Chevies now, at your Chevrolet dealer's.

Here's low-cost Chevy-Van—economy champ of Chevrolet's long, strong covered delivery truck line.

Telephone your Chevrolet dealer about any type of truck.

City Commission Proceedings

September 21, 1965

The regular meeting of the city commission was called to order by Mayor Smit at 7:30 p.m. Present: Commissioners Kentfield, Irerer, Serrine, Coletta, Smit. Absent commissioners: None. Staff present: City Manager Greer, City Atty. Reed, City Clerk Clark.

Motion by Commissioner Kentfield, supported by Commissioner Coletta, the minutes of the city commission meeting of Sept. 7, 1965, be approved as submitted. Motion carried.

Motion by Commissioner Kentfield, supported by Commissioner Serrine, to authorize the city clerk to draw checks in payment of claims and payroll in the amount of \$18,848.93. Motion carried.

CITY MANAGER Greer read a letter from Jerrold H. Keyworth with reference to the Grand River Watershed Council. Said letter requested a resolution from the City of St. Johns indicating the interest of the city commission in this project. The following preamble and resolution was offered by Commissioner Coletta and moved for its adoption, which was supported by Commissioner Serrine:

RESOLUTION APPROVING PETITION FOR FORMATION OF GRAND RIVER WATERSHED COUNCIL AND AUTHORIZING EXECUTION THEREOF

WHEREAS, the representatives of the Grand River Watershed Committee have unanimously approved a petition to be directed to the Michigan Water Resources Commission for the formation of the Grand River Watershed Council pursuant to Act 253 of the Public Acts of 1964; and

WHEREAS, the said Grand River Watershed Committee has ordered that this petition be submitted to the eligible governmental units for approval, and has requested this council to approve the same, and to authorize the

clerk to sign the same on behalf of CITY OF ST. JOHNS; and

WHEREAS, The purposes and functions performed by the Grand River Watershed Council, to be established, are hereby determined to be in the best interest of the CITY OF ST. JOHNS; and

WHEREAS, it is recommended that this CITY OF ST. JOHNS participate in the formation of a watershed council;

IT IS, THEREFORE, Resolved that this Council approves the said petition to be submitted to the Michigan Water Resources Commission, and hereby authorizes its execution by the clerk as aforesaid.

I, DONALD H. CLARK, hereby certify that I am the duly qualified clerk of the CITY OF ST. JOHNS and do hereby certify that the above is a true copy of the resolution adopted by the council as stated on the 21st day of September, 1965.

DONALD H. CLARK, City Clerk

Yeas: Kentfield, Irerer, Serrine, Coletta, Smit. Nays: None.

THE CITY MANAGER read a communication from John E. Vogt, director of the Michigan Department of Health, with reference to Senate Bill 1648, Federal Financial Assistance and Public Works, Economic Development Act of 1965. It was agreed by the city commission the City of St. Johns would not be eligible for any public works under this Act.

City Manager Greer read a letter from Mr. Wayne F. Hicks with reference to the property at 107 West Railroad Street, explaining steps that have been taken to comply with the safety and Fire Recommendations made by city authorities. Mr. Hicks, in his letter, further explained Mr. and Mrs. Salazar, prospective operators of the Villa Dance Hall, will cooperate with city authorities in every way possible to run an orderly and lawful business at this address.

MOTION BY Commissioner Kentfield, supported by Commissioner Serrine, the city clerk be directed to issue a license to Daniel and Martina Salazar to operate a dance hall at 107 West Railroad, the Villa Hall. Motion carried.

City Manager Greer read a letter from Harold B. Reed, city attorney, suggesting to the city commission a guide to parliamentary procedure for conducting future city commission meetings and public hearings.

The City Commission considered at this point to rescind their action of the Sept. 7 meeting with confirmed various water main special assessments throughout the city. The purpose of this action would be to add to the special assessment roll charges for benefits to those properties the City Assessor had not previously charged with benefits.

MAYOR SMIT suggested further study be given to this subject and requested City Atty. Reed prepare a report to guide the city commission in their final disposition in this matter.

City Manager Greer read a letter from John Rehmann, chairman of the special sales promotion, planned by the Retail Merchants Division of the St. Johns Chamber of Commerce to be held Sept. 30, 1965, from 7 p.m. to 10 p.m. Said letter requested permission be granted to re-route traffic on Clinton Avenue between 9:30 p.m. and 10:30 p.m. during which time a drawing would be held at the Clinton National Bank using a truck equipped with a PA System. Motion by Commissioner Coletta, supported by Commissioner Irerer to approve the requests of the Chamber of Commerce outlined in Mr. Rehmann's letter. Motion carried.

MAYOR SMIT asked if there were any persons to be heard from the floor: Mr. Jay McKay of 607 East Baldwin appeared before the city commission requesting the weeds on the northeast corner of Whittemore and Baldwin be cut. The city commission assured Mr. McKay proper action would be taken. The city commission directed City Manager Greer to abate this nuisance as soon as possible.

Motion by Commissioner Serrine, supported by Commissioner Irerer, directing the city attorney to amend Ordinance No. 75, (An Ordinance requiring property owners to destroy noxious weeds found on their property) to conform with the state statute and include a proper definition of noxious weeds. Motion carried.

Mrs. Donald Powers, representing the PTA, appeared before the city commission requesting the municipal auditorium rules be revised to allow soft drinks to be served at students' dances.

Mr. Walter Schafer appeared before the city commission requesting a reduction in sanitary sewer rates. City Manager Greer

explained the request must be in writing and submitted to the city commission, who will consider such requests at their Oct. 5 meeting.

MOTION BY Commissioner Kentfield, supported by Commissioner Coletta, Mr. Edward Sulka be appointed to the Zoning Board of Appeals for a 3-year term. Motion unanimous.

Motion by Commissioner Coletta, supported by Commissioner Kentfield, Mrs. Jean Bartholomew be appointed to the library board to fill the unexpired term of Mrs. Nina DeWitt. Motion carried.

City Manager Greer presented bid tabulations and specifications for the 1966 pickup and a 1966 dump truck, received from Bee's Chevrolet, Egan Ford and from International Harvester Farm Equipment. Motion by Commissioner Coletta, supported by Commissioner Serrine, the 1966 pickup truck bid from Egan Ford, in the amount of \$1,948.75 be accepted. Motion carried. Motion by Commissioner Coletta, supported by Commissioner Serrine, that the bid from Bee's Chevrolet for a model number C 8503 dump truck be accepted in the amount of \$5,585.00. Motion carried.

CITY MANAGER Greer read a letter from the Michigan Municipal Employees Retirement System requesting the appointment of two delegates to represent the City of St. Johns at the annual meeting to be held in Lansing Oct. 21, 1965. Motion by Commissioner Coletta, supported by Commissioner Serrine, that Commissioner Rex Serrine be appointed delegate and Ray Kentfield be appointed alternate. Motion carried.

The City Manager requested authorization to further improvements on the baseball and tennis court lighting. It was agreed by the City Commission to hold on this project for the present time.

The City Commission discussed the possibility of acquiring a used bulldozer. This would be considered at a later date.

CITY MANAGER Greer offered a tentative Resolution to be passed by the city commission that would create administrative guidelines for collection of rubbish throughout the city. No action was taken at this time.

Commissioner Kentfield requested an explanation of the ordinance governing the water bill collections and why the necessity of a \$50 deposit. It was explained the water ordinance holds the property owner responsible for all water bill charges against his property. Should the owner elect to rent his property to a tenant and refuse to be responsible for the water bill at this property, he shall make written application to the City Clerk and the application would require a \$50 deposit. The city manager made clear there is no requirement of any deposit should the property owner accept the responsibility for the water bills charges to his property as required in the ordinance.

Maple Rapids bonds approved

The Municipal Finance Commission has approved \$19,900 of general obligation water supply system bonds for the Village of Maple Rapids.

The announcement was made last week by Atty. Gen. Frank J. Kelley, chairman of the commission.

"The proceeds will be used to acquire, construct and equip improvements to the existing water supply system of the village," Kelley said. "These bonds were authorized by the electors on March 8, 1965, and the village is authorized to levy whatever taxes are necessary to pay principal and interest."

DONALD H. CLARK, City Clerk

3 methods check each other in appraising commercial value

(Editor's Note: This is No. 7 in a series of articles explaining how the H. L. Yoh Co. is going about the reappraising of real estate property in the county. The articles are intended to answer questions of the public which may arise at the public hearings planned by the reappraisal firm this fall and winter.)

The appraisal process involving the valuation of business, more commonly referred to as commercial properties, is basically the same as that for appraising homes. However, there are a number of distinct differences, which are attributable to the technical approach to determining the fair market value.

Usually, three approaches to value are considered to the appraisal of commercial properties. The first method parallels that of appraising homes, and is called the summation method. This means the physical depreciated value of the building and the value of the land are added together. The second method is called the income approach, whereby the yearly income is projected into a total value based on the remaining economic life of the building. The third method is referred to as the market approach, which deals with comparing recently sold properties to the property being appraised, and arriving at a value based on the comparison. Each method is used to check the results of the other.

OF PRIMARY importance is the fact that the appraiser is not valuing the business, but rather the land and building in which it is situated. Therefore the income from the business is not considered in the appraisal. On the other hand, if the property is income producing or was primarily intended to be an income producing property the rental income is considered.

The first method requires that a complete inspection of the building be made by the appraiser. The component parts of the building are recorded on a specially designed property record card and a ground plan for the building is drawn on the card from actual measurements of the exterior of the building. The appraiser assigns a classification to the building which is determined by the type of building and its quality of construction.

THE APPRAISER also notes any special types of depreciation that will influence the value of the property. For example, if a multi-story building is only occupied on one or two floors, because the upper floors are not usable, this constitutes a form of

economic depreciation. Consideration is also given to functional depreciation which is caused by undesirable features of the building itself.

After the field inspection, the appraiser computes the replacement cost of the building, using standard cost schedules that have been developed from local data. The replacement cost is adjusted by the physical depreciation and any other special types of depreciation the appraiser has noted. The depreciated building value is added to the land value, and the result is the fair market value.

DURING THE field inspection, the appraisers will ask the owner how much rent he receives from the property, the disbursement of operating expenses between the tenants and owners, and the other pertinent questions regarding the income from the property.

If the building is solely or partly owner-occupied, the appraiser will assign a "fair rent" to that portion occupied by the owner, and add it to the gross income. This data enables the appraiser to arrive at a fair market value based on the property as an income-producer, or an investment.

THE FAIR MARKET value based on income is usually determined by dividing the net income attributable to the building by a capitalization rate. For example, if a building has a net income of \$4,000 per year, and the appraiser uses a rate of 12 per cent, a building value of \$33,333.33 is indicated. This is added to the land value to give the fair market value of the property.

In the process of determining the net income, the appraiser must standardize several factors in order to achieve equitable appraisals. These factors are vacancy rates, management fees and general operating expenses, all of which are taken by percentages of the gross income. By standardizing these factors for different type of properties, the appraiser avoids penalizing an owner for good management and puts the poor manager on the same par as the good manager. The value of the property based on the income is then correlated with the physical value for a final opinion of fair market value.

AFTER THE fair market value has been determined, each property is reviewed in the field as a final check. During this review, the market, or comparison approach to value is done, since the appraiser has an abundance of information regarding all properties and recent sales.

The process is complete when the appraiser has satisfied himself that the values are fair and equitable.

Each owner then is notified of his value and is given an opportunity to discuss it with the appraiser if he feels it is not equitable.

THE APPRAISAL of commercial properties is a subject on which thousands of papers and books have been prepared. In today's growing economy this has become a highly specialized and complex field, and requires professional skills to do the job properly. This fact is well recognized by professional appraisal companies, as well as schools, professional societies and organizations, all of which are constantly striving to elevate the state of the art by improving the methods and techniques used in the appraisal field.

Keep Gasoline Out of the House

Never use gasoline, benzine or any other highly flammable liquid for any household purpose, such as cleaning, the American Insurance Association said today. These liquids give off explosive vapors, and a single spark could start a serious fire, the Association added.

If you must keep a small quantity of gasoline on hand for a power lawn mower or outboard motor, keep it in an approved safety can, and store it either in the garage or an outbuilding.

To prevent fires caused by spontaneous ignition, never put oily mops, rags or cloths saturated with furniture polish, paint or wax in closets or cupboards.

"Get rid of those you don't need, and keep the others in a covered metal container whenever possible," the Association added.

If you have a fireplace in your home, always keep a metal screen in front of it, the American Insurance Association said today.

Fires are often caused by flying embers or sparks, and as a log burns, flaming embers have a tendency to fly out of the fireplace.

If you have a fire in your fireplace, keep the metal screen flush against it to eliminate this fire hazard.

If you are involved in a hunting accident, you must identify yourself, give all the assistance you can, and report the accident to the nearest State Police post or sheriff department, the Conservation Department says.

Exchange marks 100% attendance

The St. Johns Exchange Club had 100 per cent attendance at its meeting last Thursday. It was the first time in several years that all members were present at the same time.

The meeting was an "open" meeting with no planned program. Discussion was largely centered about the toothbrush sale and other club projects and activities.

Michigan fall color nearing peak in UP

Michigan's spectacular autumn color show is nearing its peak in the Upper Peninsula, according to the Michigan Tourist Council. U.P. colors are expected to be at their best during the next week.

Some color is also reported in northern Lower Michigan forests as the foliage change continues southward across the state. Color in southern reaches of the state is expected to reach its peak in mid to late October.

Free copies of the Michigan Autumn Color Tour Guide, featuring 24 color tours throughout the state, can be obtained by writing the Michigan Tourist Council, Stevens T. Mason Building, Lansing.

Michigan's Horton Trespass Law prohibits hunting on roads or highways in farmland areas, according to the Conservation Department. It also prohibits hunting on any farmlands or farm woodlots, or within enclosed lands of a hunting club, without permission of the owner or person leasing such lands.

Happy homes is county boast

The great majority of families in Clinton County are husband-wife families, according to government figures.

They show that 71 per cent of the people, locally, over the age of 14, are married and living in normal husband-wife households.

THE PROPORTION is somewhat higher than in most areas of the country. Throughout the United States as a whole, the ratio of such households is 66 per cent and, in Michigan, 68 per cent.

The findings are based on the latest data on the subject from the Department of Commerce and other sources. They also reveal that the divorce rate in Clinton County is lower than average.

THE MATTER of family stability is considered by the Family Service Association of America to be the nation's major social problem. It is closely related, it finds, to the lack of direction and purpose among many young people and to the steadily growing crime rate.

The records show a total of more than 400,000 divorces a year in the United States. It amounts to one divorce for every four new marriages.

IN CLINTON County, 22 persons out of every 1,000 over age 14 are listed as divorced or separated. This is a lower ratio than in other communities in the United States, the average there being 42 per 1,000. In the East North Central States it is 41 per 1,000.

A large proportion of those divorced each year are under 25, according to the Department of Health, Education and Welfare.

THE FINDING is that the divorce rate in this age group is three times as high as that of the total married population.

The Family Service Association attributes the situation, in large measure, to "an epidemic of under-age marriages in the United States."

According to the association's director, Clark Blackburn, many teenagers plunge into marriage completely unprepared for it.

"THEY HAVE unrealistic expectations of the rewards and satisfactions to be found in marriage. At the same time, however, they have a poor understanding of the realities of marriage."

Many such unions founder, he declared, on dirty dishes in the sink and end-of-the-month bills.

St. Johns driver in Lansing crash

A St. Johns driver was involved in a two-car crash in Lansing last Tuesday afternoon. He was Richard G. Steinhaus, 20, of 609 N. Lansing Street. The other driver, Katherine Vojdik of 311 N. Walnut Street, Lansing, suffered neck injuries and was taken to St. Lawrence Hospital. The collision was at the intersection of Pine and Willow streets.

ORDER TO ANSWER
STATE OF MICHIGAN—In the Circuit Court for the County of Clinton.
Leon W. Hayes, Administrator of the Estate of William Schrader, Deceased, vs.
John Schroeder, August Schroeder, Carrie Bucklin, Minnie Hart, Frederica Waldron, Freda Schroeder, Walter Schroeder, Herbert Schroeder, Hilda Marquardt, Patricia Stay, Robert Schroeder, Minnie Schroeder, Lorna Lewis, Doris Houser, Robert Houser, Pauline Puetz, Lois O. Hart, William F. Waldron, Shirley I. Waldron, Wendy L. Waldron, Warren A. Waldron, John F. Waldron, William Bucklin, their unknown heirs, devisees, legatees, assigns, widows, successors and creditors.

Defendants,
On the 7th day of September, 1965, an action was filed by Leon W. Hayes, administrator of the estate of William Schrader, deceased, plaintiff, against John Schroeder, August Schroeder, Carrie Bucklin, Minnie Hart, Frederica Waldron, Freda Schroeder, Walter Schroeder, Herbert Schroeder, Hilda Marquardt, Patricia Stay, Robert Schroeder, Minnie Schroeder, Lorna Lewis, Doris Houser, Robert Houser, Pauline Puetz, Lois O. Hart, William F. Waldron, Shirley I. Waldron, Wendy L. Waldron, Warren A. Waldron, John F. Waldron, William Bucklin, their unknown heirs, devisees, legatees, assigns, widows, successors and creditors.

It is Hereby ordered, that the defendants, John Schroeder, August Schroeder, Carrie Bucklin, Minnie Hart, Frederica Waldron, Freda Schroeder, Walter Schroeder, Herbert Schroeder, Hilda Marquardt, Patricia Stay, Robert Schroeder, Minnie Schroeder, Lorna Lewis, Donald Houser, Robert Houser, Pauline Puetz, Lois O. Hart, William F. Waldron, Shirley I. Waldron, Wendy L. Waldron, Warren A. Waldron, John F. Waldron, William Bucklin, their unknown heirs, devisees, legatees, assigns, widows, successors and creditors, shall answer or take such other

action as may be permitted by law on or before the 22nd day of November, 1965. Failure to comply with this Order will result in judgment by default against such defendants for the relief demanded in the complaint filed in this cause.

Holy Hour—Friday, 7:30 p.m.

Keep Your Home Safe From Fire
Keeping fires from happening in the home is a job for all of us and it is year round task, J. Dewey Dorsett, president of the American Insurance Association, said today.

"In every community, large and small, home fires are of great concern chiefly because of the danger to life," Mr. Dorsett added.

"It has been estimated that these fires are responsible for about 60 per cent of all lives lost annually by fire.

"And, about one-half of the home fire deaths are among children under 10 years of age."

Mr. Dorsett urged that fire prevention groups during Fire Prevention Week this year stress the importance of not leaving small children at home alone.

Despite the fact that Americans are the best plumbed people in the world, there still are nearly 7 million families that have no bathtub or shower in their home, according to the Plumbing Fixture Manufacturers Assn. Another 6 million have no water closet facilities.

South Greenbush

By Mrs Hazel Beebe
Phone 224-7003

(Omitted last week)

Mrs Charles Fowler and Miss Catherine Stevens spent Sunday with their mother, Mrs Grace Stevens.

Mr and Mrs Harold Stevens of Lansing spent Sunday with Mr and Mrs Herbert Stevens.

Saturday and Sunday callers at the Orrin Blank home were Mr and Mrs Chester Blank and children of Laingsburg, William Bond of St. Johns and Mr and Mrs Robert Hebel of Shepardsville.

Mr and Mrs Clyde Adams of Lansing called on Mrs Flossie Wakefield Sunday afternoon. Several from the South Greenbush area attended the funeral of Mrs Harry Howard Sunday, at Muir.

Callers at the Nora and Hazel Beebe home Sunday evening were, Orrin Blank, Mrs Milda Beebe and Joyce, Mr and Mrs Paul Ladisky and children and Mr and Mrs Robert Lennehan, all of Portland.

R. G. Fenner of Laingsburg was a Monday caller of his aunts, Nora and Hazel Beebe.

Mr and Mrs Lewis Yoder of Lansing were Sunday afternoon callers at the home of her sister, Mrs Kenneth Grieve and family.

Don't criticize anyone's religion by the actions of some of its followers—church is a place for sinners, not saints.

ANNOUNCING

a new concept in cars...

THE 66 MODELS

See The World's Finest Automobiles at Clinton County Dealers

The curtain rises on another bright new automotive year, as the new 1966 models of America's leading cars take the stage. The new models are a "Must-See" for every car-minded man and woman. They are worthy in every respect of the proud reputation of the manufacturers whose constructive vision and ever-advancing concept of design and engineering have, with each passing year, put more and more comfort, safety, economy and pleasure into motoring.

To get up-to-date fast on the sustained forward march of the automobile industry, make it a point to see the new models at Clinton county dealers' show-rooms. Some new models are already on display, others will be in the spotlight this weekend.

Here are the dates and the listing of those dealers who offer you LOW COST Clinton National Auto Financing:
