

Citizens' unit recommends high school, pool

The new high school recommended by a citizens' committee last Thursday night.

It should also have a swimming pool, they said.

The committee, made up of 110 persons from throughout the new St. Johns School District and including nearly 100 persons last Thursday, was almost unanimous in their recommendation to build a high school rather than a junior high.

OF 10 SEPARATE discussion groups, all favored the high school. They also favored including a swimming pool in the plans, although there was more reluctance on this point.

The board of education of the district, which will make the final decision on what is to be built and whether to include the pool, will undoubtedly follow the recommendations of the citizens' committee. But a decision on whether to place the swimming pool on a separate ballot for voters or include it in the main building package will take a little more study.

The citizens' group was almost evenly divided on that procedure. Five of the discussion groups favored including the pool in the main bond issue; four groups thought it should be placed on a separate ballot. One group expressed no thoughts on that particular subject.

ST. JOHNS SCHOOL Supt. Earl Lancaster, in summarizing the

committee's recommendations last Thursday, pointed out again that the committee's function was merely to recommend.

"Some of you have expressed fears that any and everything the committee adopts or suggests will become a reality," he said. "This is not the case. For example, you recommend to the board that we build a high school and include a swimming pool. The board will now proceed to plan in this direction.

"They will, using architects, plan these structures and give information concerning the type of construction, costs, tax increases, etc. to the people of the school district. Then at an election for that express purpose, the people could have the right to accept or reject the proposals.

"THUS, IN THE final analysis it is up to the people of the district to approve or disapprove."

It was the feeling of the board, however, in forming the citizens'

Third meeting set

Other building expenditures will be considered by the citizens' committee at its third meeting, Oct. 21 at 8 p.m. at Central School. The group will tackle the question of whether or not to replace the present Central School and East Ward School, which are 80 and 85 years old respectively.

committee, that the members represented a good cross section of all the people and opinions in the district. The board's feeling

is that the citizens' committee's recommendations will carry a good deal of weight when the people finally vote.

The committee's almost unanimous recommendation to build a high school was made despite a rough estimate that it would probably cost \$500,000 more than a junior high. School officials said a high school would cost in the neighborhood of \$2 million.

THE committee's composite feeling seemed to be that a new high school would be more flexible in the last three years of secondary education and that it would help alleviate traffic congestion in the downtown area, since so many high school students drive cars to school.

One discussion group also brought up a psychological reason for a high school rather than a junior high. They thought it would be psychologically bad for students to be able to attend a modern new junior school during the seventh, eighth and ninth and then have to go back to an old building for their final three high school years.

OTHER REASONS brought forward for the high school included:

—Construction of a high school on the district's 60-acre site adjacent to the city park would allow all outdoor physical education classes and athletic practice to take place in the vicinity of the building, thus eliminating the necessity of transporting stu-

dents to the area. This problem would remain for the junior high, but, school officials pointed out, less parking area would be needed at the present high school site (which would house the junior high), and part of this could be used for recreational purposes to a limited degree.

—A new building would be more flexible in the various uses that could be made of its facilities, and this flexibility will be needed more in high school where science, vocational-technical studies and other programs are changing rapidly in importance.

—THE PRESENT high school gym is even now inadequate, and it is apparent that the need for

County board rejects pensions

For the second time in a year, the Clinton County Board of Supervisors has rejected an employee retirement plan.

The supervisors Monday overrode a recommendation by the salary and clerk hire committee to adopt the Michigan Municipal Employee's Retirement System program.

The vote on the question was 11-11, but a three-fifths majority, or 14 votes, was needed for passage.

CONNECTED with the pension plan proposal was the new salary schedule for 1966. Its introduction for adoption was put off until another meeting of the board this month.

The rejection of the plan followed about an hour or more of discussion on the proposal and an explanation of it by Lawrence Farrell, executive secretary of the Michigan Municipal Employee's Retirement System.

NOT MUCH objection was voiced by the supervisors during the discussion on the retirement plan, but when the roll call vote was taken the opposition showed its strength.

Voting against it were Raymond Mayers of Bengal, Maurice Gove of Bingham, William Hufnagle of Dallas, George Moore of Duplain, Russell Howe of Eagle, John Setterington of Essex, Derrill Shiner of Greenbush, Walter Nobis of Lebanon, Almond Cressman of Olive, Claude Underhill of Victor and Walter Thelen of Westphalia.

IN FAVOR OF the pension plan were Gerald Shepard of Bath,

Oliver Angell of DeWitt, George Austin of Ovid, Willard Krebel of Riley, Ernest Carter of Watertown, Charles Coletta, Harold Reed, Lorenz Tiedt and Donald Clark of St. Johns, and William Buck and Ray Price of the City of DeWitt.

Although they expressed no reason for the rejection, the 11 who voted no apparently did so on the basis of the cost to the county. Under the program as explained by Farrell, the county would pay its share for the "backlog" service of all its present employees—in other words, the time all employees had been with the county prior to the institution of the pension plan. Last year when a study was made for 54 courthouse and county employees, the "backlog" cost to the county would have been \$143,109.

FARRELL estimated it would not be too much more this year. The cost, however, could be amortized over a 40-year period, reducing that cost to about \$3,600 a year.

In addition, the county would pay a certain amount for each employee from now on, depending on the age and service record of the people involved.

THE EMPLOYEE'S share of the retirement payment would be 3 per cent of his or her first \$4,200 wages and 5 per cent of any amount over and above the \$4,200. All employees would get credit toward retirement for their service prior to the start of the pension program and after.

ROBERT D. DITMER
Heads New Corporation

New Houghton Lake group buying WJUD

Radio Station WJUD in St. Johns is in the process of being sold to a new corporation headed by Robert Ditmer, presently manager at WHGR in Houghton Lake.

The announcement was made last week by Justin F. Marzke, who founded the radio station here in 1958. He said all necessary agreements have been made between the parties concerned, but final approval must be given by the Federal Communications Commission.

AN APPLICATION has been filed with the FCC for the assignment of the license now held by the Clinton County Broadcasting Co., Inc., to the Ditmer Broadcasting Co., Inc.

The new corporation buying the station is made up of Robert Ditmer, Beverly J. Ditmer and Ar-

thur A. Wainwright, a brother-in-law of Ditmer. The sale involves the broadcasting corporation only. The Clinton County Broadcasting Corp., Inc., consists of Justin F. Marzke, Lloyd A. Marzke and Eunice Marzke.

THE NEW OWNERS of the station plan to move to St. Johns. Their presence will enlarge the staff, and Marzke said the new owners anticipate no changes in the present staff.

Marzke was responsible for starting the radio station in St. Johns. An application to the FCC was filed in March 1958, and approval was granted Dec. 29 of that same year. Construction of the towers and studios on Parks Road just west of US-27 was started in the spring of 1959, and See WJUD, Page 2-A

Health department study goes on, with supervisors' blessing

Clinton County will continue to negotiate for the formation of a district health department with Ionia, Montcalm and Gratiot counties.

The Clinton Board of Supervisors Monday authorized its health committee to continue to work with similar committees from the other counties. The joint committees have held two meetings thus far working toward the final plan.

THE CLINTON board gave the committee unanimous approval. A final formal resolution will be necessary, however, before the county puts up any money and decides definitely to go along with a district proposal.

Russell Howe, chairman of the Clinton health committee, reported Monday on the progress of the negotiations so far, and he recommended the further participation in the studies.

According to Howe, the joint steering committee has figured the cost to each county would be between \$35,700 and \$43,800 per year. State contributions to each county would be \$8,496 per year, he said, and the county's present health office now has a budget of \$18,000 a year.

THIS WOULD leave a net increase of \$9,276 to \$17,000 for the cost of the program. This, Howe pointed out, would pay for the county's share of the salary of a full-time medical doctor to head the four-county department and two additional persons in the county health office—an office clerk and either a sanitarian or a sanitary engineer.

The costs and salaries are not definite yet, Howe said, so no actual cost within the estimated figures can be pinned down.

Recent state legislation has made the establishment of public health department mandatory, either by separate governmental units or combined units within Michigan. At present, all four counties are served by county health nurses, and do not have health departments.

CREATION OF A four-county public health department—not to be confused with a medical facility or hospital—would require a full-time public health physician as a medical director for the entire area and at least one sanitarian and two public health nurses per county.

The main office would be centrally located and would not need to be near a hospital. A secretary to the medical director would also be necessary.

held its first session at the Gratiot County Courthouse in Ithaca in September, agreed the four-county area could well be served by a combined health department, particularly from the standpoint of economy.

MEETING LAST Wednesday at the Montcalm County Courthouse with officials of the Michigan Department of Health, the steering committee learned that a public health department would:

- 1) Provide the basis for enforcement in the prevention and correction of problems of public health.
- 2) Improve the inspection, supervision and enforcement of sanitary conditions in regards to public and semi-public establishments, including trailer parks, schools, resorts, restaurants, and taverns, as well as in private dwellings.
- 3) CONTINUE the present and separate county nursing staffs under the direction of the medical director, combining some areas of service, enlarging others, and providing new services.
- 4) Provide an organized structure which could apply for outside funds for developing available public health programs, both state and federal.

GEORGE P. Sweda, M.D., director of the Muskegon County Health Department, in relating the operations of that unit, told the committee the residents of the proposed four-county health unit may not think the area has any health problems.

"The mere fact that they do not come face to face with it doesn't mean it isn't there. It is hidden," Dr Sweda said. Venereal disease is one of these problems, he said, whether the area is heavily populated or not. This is one of the health areas, he said, in which a health department could provide benefits in both the treatment and education of the public.

A HEALTH department must work closely with the representatives of the people, he said, for the department will be only as effective in the way of comprehensive services as the support it receives. A health department is not a matter of life or death, he added, but is an indication of whether the people are interested in a better life. Too many people, when they think of public health, think of the indigent, he said. These services are for all of the people.

DR. HENRY BURKHARDT JR.

Burkhardt new dentist in St. Johns

Dr. Henry A. Burkhardt Jr. has arrived in St. Johns and has taken over the dental practice of Dr. R. M. Kraft at 201 Brush Street.

Dr. Kraft announced his retirement in late August.

Dr. Burkhardt has resided in Albuquerque, N.M., where he was serving as a dental officer at Kirtland Air Force Base. He is a native of Richmond, Mich., between Detroit and Port Huron.

HIS LAST three years of high school and graduation were at Pleasanton, Calif., where he graduated from Amador Valley Union High School. Returning to Detroit in 1955, he attended the University of Detroit and earned a bachelor of science degree, majoring in biology.

Dr. Burkhardt was affiliated with Xi Psi Phi fraternity while attending the University of Detroit School of Dentistry. He was treasurer of the senior class and vice president of his fraternity.

HE AND his wife Carol, who graduated from the University of Detroit School of Dental Hygiene, will reside with their two daughters, Patricia and Sandra, at 200 E. Walker Street in St. Johns.

Seek to vacate part of street

A new city ordinance vacating a portion of Swegles Street between Railroad Street and the Grand Trunk Railroad is being drawn up at the request of a citizen of the city.

Herb Houghton of 431 Meadowview Drive made the request. He owns property on both the east and west sides of the city's street right-of-way. Swegles Street actually stops at Railroad Street, though the right-of-way continues north to the edge of Grand Trunk Railroad property. On the north side of the railroad is the Wolverine Stockyards.

City Atty. Harold Reed was instructed by the city commission last week to draw up an ordinance for vacating the small piece of land. A hearing on the ordinance will be scheduled.

State Grange here next week

St. Johns will take its first shot at being a big-time convention city next week when it opens its doors and homes to an anticipated 500 Grange members for the 92nd session of the Michigan State Grange.

The convention will open Tuesday and will run through Oct. 23.

The St. Johns Chamber of Commerce and a battery of committees from the Clinton County Pomona Grange have been hard at work for several weeks making preparations for the five-day event.

Clarence Hill, master of Pomona Grange; Alvin J. Thelen of the Grange; and Miss Betty Minsky, Chamber of Commerce secretary-manager, are co-chairmen of arrangements for the Grange convention.

THE ST. JOSEPH Catholic School gymnasium will be the central meeting place for the conventioners, but committee meetings will be held in many other places around the business district, including the Methodist and Congregational churches, meeting rooms, the St. Johns Municipal Building auditorium and the supervisors room in the county jail building.

Housing will be a big phase of St. Johns' first big convention effort. Some 100 private rooms have been obtained in homes around the city, and motel listings all the way to Lansing have been forwarded to the Michigan State Grange so that individuals can make their own reservations.

IN ADDITION, space and outlets for trailers have been provided on the 4-H fair grounds at the city park for Grangers who bring their housing with them.

There's a potential of 699 delegates for the convention, Thelen said, but several conflicting events around the state lead him to expect between 400 and 500 persons to attend the session here next week.

Next Tuesday is planned mostly for registration, which will begin at 1:30 p.m. at the St. Joseph School. An executive committee meeting will be held, however, at 10 that morning, at which time all final arrangements for the ensuing five days will be wrapped up.

AT 2 p.m. THERE will be agricultural tours to Green Meadows Farms at Elsie and the Michigan Milk Producers Assn. plant at Ovid. At the same time, tours will be made of several of the

Chest drive 'fever' rising fast

The mercury in the Communities Chest thermometer began creeping rapidly upward this week as Chest Treasurer Charles Huntington reported total contributions of \$6,349.50 as of Tuesday.

The figure represents only part of the industrial and business drives, which aren't yet completed. Also not included in the total are the contributions received in the rural areas. The St. Johns residential drive begins today (Thursday).

AS OF TUESDAY, businesses in St. Johns had contributed \$3,203.50 and industry \$3,146.

Working in the rural areas since their kickoff dinner last Tuesday are volunteers under the direction of Mrs. Alvin Thelen and Charles Hengesbach. Township and community chairmen are: Mrs. Marion Walling, Greenbush; Mrs. Howard Walker, Bingham; Mrs. Lloyd Reed, Olive; DeWitt Firemen's Ladies Auxiliary, City of DeWitt; Mrs. Keith Bauerle, DeWitt Township; Elzie Ekxley, Victor; Mrs. William Parker and Mrs. Dale Squires, Ovid; Mrs. Jerry Graham, Mrs. Duane Green and Mrs. Ray Thornton, Duplain; Don Brewbaker, Elsie village; Wayne Cook, Essex; Westphalia Jaycees, Westphalia; Ed Rose, Eagle; and Ronald Schneider, Bengal.

"GET ME TO the church on time," Thursday, Oct. 28, First Congregational Church, St. Johns. The Music Box Fair. Doors open at 2:00 p.m. Turkey dinner served at 5:00, 6:00, 7:00 p.m. Tickets \$1.50 and 75¢.—Adv.

Alumni dissolve, give treasury to Red Cross

The Clinton County Red Cross has received a gift of \$18, the charitable result of the breakup of the Carr School alumni group.

The school, located in Washington Township, is now closed. Normally the alumni have a reunion each year, but this year they decided their group would dissolve along with the school.

There was \$36 in the treasury, and the alumni agreed unanimously to divide it between the Red Cross chapters of Clinton and Gratiot counties.

Clinton received its \$18 share last Thursday when it was delivered to Mrs. Jean Rand of St. Johns by Lottie Collett of Lansing. Florence Brown of St. Johns was the secretary-treasurer of the Carr School alumni.

benefits being paid from the system if he:

—HAD 10 YEARS of service and was retired was reaching the state system's mandatory retirement age of 70; or
—When he reached a local mandatory retirement age and had 10 years of service.

The retirement benefits would be computed on how many years he had worked, age and average salary of five consecutive years over a 10-year period. In figuring the salary, the employee would figure 1 per cent of the first \$4,200 average salary and 1 1/2 per cent of the amount over and above \$4,200.
There were a number of optional plans involved, including such items as deferred retirement payments, automatic benefits for beneficiaries, etc.

THE RETIREMENT plan had to

have three-fifths vote of the governing body of the county for it to be instituted, but it would have taken a majority vote of the people of the county to throw the plan out.

Gerald Shepard of Bath, chairman of the salary and clerk hire committee, said he would present a proposed salary schedule for 1966 at a second meeting of the board this month. He said had the retirement plan been adopted it would have taken the place of many of the salary raises this year.

Car hits trailer

A car driven by James L. Bond, 36, of 1001 Church Street, St. Johns, hit the rear of a trailer being towed north on US-27 at Price Road in Olive Township last Thursday afternoon. The trailer and car, being driven by Joe Koneckny, 73, of Lansing, had slowed to almost a dead stop for a car ahead, and Bond said he didn't see the brake lights because of the trailer. Both cars were going north on US-27. The accident occurred at 5 p.m.

Mobile homes court, big shopping center proposed at DeWitt

DeWITT — A proposed mobile homes court and shopping center just west of DeWitt were unveiled last Tuesday when the Capitol Underwriters, Inc., of Lansing asked the DeWitt City Council to annex 177 acres.

The firm plans to build a 300-unit mobile home park at the corner of Howe and Norris roads, to be known as King Arthur's Court. The second phase of the development will be a shopping center, which will include a supermarket, according to a company representative.

THE PROPOSED court will have a community house, laundry and combination office and guest house, reported James Fawcett and Ted Powell of Capitol Underwriters. All three buildings will have Norman period

architecture. The community house will have facilities for meetings and parties, while the office-guest house will include rooms for visitors of families in the court.

A six-acre recreation area including swimming pool, softball field, tennis courts, putting green and shuffle board courts are part of the plans, Powell said.

POWELL AND FAWCETT asked for the annexation of the 177 acres to DeWitt so the court and shopping center will be within the corporation limits. They would then be subject to the city's zoning regulations and could be serviced by the city's sanitary sewage system.

The court and shopping center will have underground utilities, according to the planners, and the homes will be situated on circles rather than in rows. Construction would start on the mobile home area in April and on the shopping center the following spring, Fawcett and Powell said.

THE annexation request was referred to the planning commission, headed by Robert Ballard. That unit will review the annexation petition and make a recommendation to the council.

Bath to vote on charter status

Bath Township voters will be asked to decide again in November whether or not to incorporate as a charter township. This Saturday is the final day for voters to be registered with Township Clerk Lee D. Reasner to be eligible to vote.

The new election will be held Monday, Nov. 15. The proposition will be stated: "Shall the Township of Bath incorporate as a charter township which shall be a municipal corporation subject to the provisions of Act No. 359 of the Public Acts of 1947, which Act shall constitute the charter of such municipal corporation?"

AN IDENTICAL proposal was defeated 189 "no" to 127 "yes" on July 31. It was turned down at the same time as a 4-mill tax increase proposal.

A charter township would result in a larger township board and additional taxing powers.

School . . .

physical education and recreation is going to be much more important in the years to come. If the present high school was continued, the gym would have to be enlarged at considerable cost and loss of other classroom space.

There seemed to be some concern by the committee about including a swimming pool in the building plans. Much of the concern was based on how it would be used in addition to the curricular physical education of students.

Supt. Lancaster answered that the pool would be available year-around to all the people of the district, except as the normal everyday scheduling of groups would apply.

COST OF THE swimming pool would be between \$180,000 and \$200,000, the school board estimated, and this would require about .15 to .20 mill (or 15 to

20 cents per thousand dollars of state equalized valuation) to finance it.

If a high school is decided on, it would involve about \$2 million of a proposed \$3 million bond issue which would be placed before voters. The other \$1 million would be used for a new elementary school in the southwest part of the district and expansion of the modern schools at Eureka, Olive Center and East Essex.

Passage of a \$3 million bond issue would result in an increase in millage of about 4.3 mills, or \$4.30 per thousand dollars of state equalized valuation. This would still leave St. Johns School District in a relatively low millage bracket compared to others in the area, Lancaster said.

RIGHT NOW, the St. Johns Public Schools are assessing 13 mills. By comparison, other school millage rates in the county are: Pawamaw-Westphalia 17.1, Fowler 17.5, Ovid-Elsie 18.38, DeWitt 30, and Bath 24.35.

Last year's millage rate of

12.85 was the lowest of a number of comparable school districts in the Central Michigan area. Lancaster listed those as:

Alma 13.7, Charlotte 18.16, Eaton Rapids 16.66, Grand Ledge 18.13, Hastings 15.5, Howell 15.55, Mason 20.18, St. Louis 16.3, Lakewood 18.3 and Ithaca 15-8.

City balks at plant changes

The St. John City Commission expressed some disgust last week with a series of requests for changes in original plans for the water treatment plant.

A letter from Ayres, Lewis, Norris and May, consulting engineers, was read last Tuesday at the commission's meeting. It requested that changes in the construction contract, as recommended by the engineers, be approved.

The commissioners said they were a little baffled as to the reason for the constant changes and said they thought the changes should have been in the original contract. Most of the changes have involved added amounts of money.

Ray Smit of Ayres, Lewis, Norris and May will be asked to attend the commission's Oct. 19 meeting to explain the necessity for the changes.

Approve water bonds for city

The Municipal Finance Commission has approved \$200,000 of water supply and sewage disposal system revenue bonds, Series II, for the City of St. Johns.

The announcement was made last week by Atty. Gen. Frank J. Kelley, chairman of the commission.

PROCEEDS OF the bonds will be used to pay part of the cost of acquiring additions and improvements to the water supply and sewage disposal system of the city, Kelley noted. These improvements consist of a water treatment plant, discharge main, transmission mains and storage tank.

The bonds will run until 1982. The St. Johns City Commission decided in July to sell the bonds to make up the difference between an \$850,000 general obligation bond issue passed by the voters and an actual fund cost of \$1,055,830 for the water improvements.

THE CITY commission passed an ordinance in July that provided for the sale of the bonds.

Grange convention set for St. Johns next week

Continued from Page 1-A

in next week's Clinton County News, will be taken up with committee sessions and group action on their recommendations and resolution; dinners; and a number of speakers.

Next Saturday, Oct. 23—the final day of the convention—will be Youth Day, highlighted by a safe driving contest and youth participation in Grange affairs.

Throughout the week of events a myriad of local people will continue their work of past weeks in an effort to help everything move smoothly. Leading the way will be the various Grange committees of Clinton County and Chamber Secretary Mrs. Minsky.

THE GRANGE committees include:

ing the convention will include Fred Lewis on the bagpipes, among others, and two one-act plays by the First Nighters. Tuesday night a small band group under the direction of Walter Cole will provide music prior to the songfest.

THE CHAMBER of Commerce will provide a welcome packet of items to each convention. Included in the packet will be a listing of restaurants, city and county maps, a letter of welcome, a St. Johns brochure, a listing of churches and other such items.

Luncheons will be sponsored at the Congregational Church and the Masonic Temple Thursday and Saturday noons respectively, to help relieve the crush of humanity on the restaurants of St. Johns.

tary, said that while most of the planning is done and arrangements have been made to handle the events of the week, there are things citizens of St. Johns can do.

"WE'RE PROVIDING name tags for the conventioners and asking them to wear the tags at all times, even when they're not in Grange sessions," she said. "It will show us to be a real friendly town if you can all smile and say 'hi' and 'welcome to St. Johns' when you see those people on the streets."

Mrs. Minsky also asked restaurants to consider staying open later evenings during the convention for the benefit of the conventioners as they recess from their evening meetings. She also asked that persons who have parking lot space available to contact her at the Chamber office. A list of available spaces will be included in the welcome packet being planned for the Grangers.

Appraisal firm sets hearings

Public hearings on the reappraisal figures on county properties will be held by the H. L. Yoh Co. between Nov. 15 and Nov. 23, the county board of supervisors was told Monday.

Robert Brandt of the Yoh Co. appeared before the board to report on the progress the reappraisal firm is making on the job they were hired to do over a year ago. He said the work is going along on schedule with Olive and the southern tier of four townships just about finished up.

PROPERTY OWNERS will be notified by the Yoh Co. of the market value they have placed on the property, and hearings will be scheduled in each township for the benefit of citizens who have objections to their appraisal.

The hearings will be held during the day, Brandt said. Supervisors were asked to make the arrangements for the place of the meetings. The exact dates, times and places of each township hearing will be announced later. Olive, Bath, DeWitt, Wauertown and Eagle Townships will have their hearings toward the last part of the Nov. 15-23 schedule.

They then had dinner at the Heather room on the College Campus.

MRS ROBERT Gladstone and Mrs Jeter Keener were the committee appointed to plan for the club's trip next September. Mrs Kenneth Heibek heads the committee to investigate a needy family who might need help at Christmas time.

The women are getting material to make an activity book for the retarded children's school.

The next meeting will be with Mrs Kenneth Heibek on Nov. 4.

Extension Club takes annual tour

South Bingham and Olive Women's Extension Club met with Mrs Harl Stevens on Oct. 7, for an all-day meeting.

On Sept. 23 the club went on a trip to Alma and enjoyed tours through the Masonic Home, Alma College, Redman Industries and the Leonard Refineries.

APPEARING WITH Brandt to answer questions was County Equalization Director Richard Kerr.

In other business, the board tabled until its next meeting adoption of the equalization report and the amount of tax to be spread in each township.

Mrs Jeanette Babbitt of R-1, Eagle, as a Republican, and El-dred Walker of 411 E. State Street, St. Johns, as a Democrat, were appointed to the Clinton Board of County Canvassers. Warren Coffman was reappointed to a new three-year term on the County Welfare Board.

The board will meet again today (Thursday).

City denies rezoning, Prince plat approved

A request for rezoning property at the northeast corner of State and Oakland streets to service business zone was rejected by the city commission last Tuesday.

Passage of the ordinance will likely come Tuesday at the next meeting.

—THE COMMISSION referred to the planning commission an offer by Mr and Mrs Robert Rand to sell to the city a piece of land 66 feet wide by 130 feet deep, which could be used for the extension of Wight Street from Oak Street to Townsend Road. The city reportedly owns right-of-way now from Townsend north to the Rand property.

The new V-shaped snow blade for the city's sidewalk plow tractor was authorized to be purchased from Oliver Montague Tractor Sales for \$366.40. Department of Public Works Director Rollie Ordway appeared before the commission with several price offers from local dealers. He said the plow was badly needed for the coming winter.

—CITY ATTY. Harold Reed was instructed to draw up a nuisance ordinance which could "put more teeth" in the city's control of weeds and other such nuisances. Reed had requested the city proceed in this direction rather than amending its present weed control ordinance.

—Mayor Jack Smit said he had received four or five phone calls on the weekend prior to the meeting from citizens complaining about the lack of lights and the lack of cleanliness in the rest rooms at the city park. The mayor also complained about the lack of cleanliness in the swimming pool locker rooms and in the basement of the concession building, which are used by the St. Johns and visiting football teams respectively. He ordered that the conditions be improved.

—George McCurry of 106 N. Mead Street was appointed to the city board of review.

Automotive 4-H project deadline is Wednesday

Next Wednesday is the deadline for Clinton area youths interested in taking a 4-H automotive project this year. Bernard Feldpausch, who will be the automotive project leader, asked those wishing to participate to call or contact him at Bee's in St. Johns.

It's true—all the world's a stage, and most people want to occupy the critic's seat.

Tractor, car tangle

A tractor and a car tangled in an accident Monday afternoon on Wright Road in Westphalia Township. Charles Mankey of R-2, Portland, driver of the tractor, said he signaled for a left turn and then started to make it. A car driven by Lewis B. Jones, 64, of Charlotte, started to pass and hit the tractor. Jones said he didn't see the signal for the turn. The accident occurred a half-mile south of Pioneer Road.

New officers take hold as Music Boosters regroup

The first fall meeting of the St. Johns Music Boosters was held recently at Smith Hall, with about 100 persons attending the potluck dinner and meeting.

New officers of the group took over their duties. Mrs Jay McKay is president of the Music Boosters. Other officers are: Robert Peck, vice president; Mrs Gordon Ripple, secretary; Ronald Motz, treasurer; Mrs Ray Parr, Harold Benson, Dick Cronkrite and Mrs Irene Beaman, members of the board; Mrs George McQueen, historian; Mrs Ken Harper, Mrs Forrest Swatman, Mrs Roy Davis and Mrs Ronald Motz, ways and means; and Mrs Howard Woodbury, publicity.

GORDON Vandemark, Robert Cox and Walter Cole outlined the musical activities of the schools for the coming year and commented on the items needed in the future.

The Boosters voted to have a telephone installed in the music office.

They also announced that many parts of band uniforms are missing and they requested students or graduates who have them to contact Mrs Ronald Motz, Mrs Ken Harper or Mrs Howard Woodbury or take them to the music room.

MR AND MRS BRUCE J. BOUGHNER

Cathy Warren and Bruce Boughner wed

Now at home at 624 South Maple Street in Maple Rapids, following a Niagara Falls honeymoon, are the newlywed Mr and Mrs Bruce J. Boughner who were united in marriage on Oct. 2 at the Maple Rapids Congregational Church. The Rev Donald H. Voss of Lansing performed the double ring ceremony before about 130 friends and relatives at 7:30 p.m. The church altar was decorated with two large bouquets of white gladioli and small white mums.

The bride is the former Cathy Elaine Warren, daughter of Mr and Mrs Franklin D. Warren of R-1, Mead Road, St. Johns. Her husband is the son of Mrs Glen Boughner and the late Glen Boughner of Portland.

GIVEN IN marriage by her father, the bride wore a gown of white chantilly lace over white taffeta, styled with a fitted bodice dotted with small crystals and pearls, and scalloped neckline. The long sleeves were pointed at the wrists and the long bouffant hooped skirt had a bow at the waistline in back. Her fingertip veil of nylon was held in place with a tiara of seed pearls and crystals. She carried a colonial bouquet of white carnations and red roses.

Mrs Raymond Bell of Lansing was matron of honor for her friend, while Mrs Donald Allen of Maple Rapids, sister of the bride was bridesmaid. They wore identical street-length gowns of emerald green brocaded satin with touches of royal blue. The scooped necklines ended in a low V in the back while the slight bell-shaped skirts had a bow and flowers at the waistline in the back. They each carried a colonial arrangement of white and yellow mums.

MISS CHERYL Warren, niece of the bride, was flower girl. Her dress was mint green over a white lace bouffant lace slip and her headdress was of matching color with a velvet bow and netting. She carried a nosegay of white carnations and one red rose.

Best man was Lyle Blemaster, nephew of the bridegroom. Dale Hyland was groomsmen and Eugene Thelen was usher. Danny Blemaster, nephew of the bridegroom, was ring bearer.

For the service, Mrs Helen Howe presided at the organ. Soloist was Brenda Allen, niece of the bride and she sang "Whither Thou Goest," "Give Me Your Hand," and "The Lord's Prayer."

IMMEDIATELY following the ceremony, a reception was held in the church dining room. Cutting the five-tiered bride's cake and the bridegroom's cake were Mrs Clare Float and Mrs Dale Chapman, respectively, both aunts of the bride. Mrs Lyle Blemaster served ice cream and Mrs Dick Rademacher poured coffee, while Miss Cathy Fernholz served the punch.

Attending the guest book was Miss Annette Warren, niece of the bride while Mrs Richard Penn, Miss Bonnie Markin and Joan Pasch attended to the gifts.

Special guests were the bride's grandparents, Mr and Mrs Herman E. Smith.

The new Mrs Boughner graduated from the Fulton High School in 1959 and her husband graduated from the Portland High School in 1953.

Low Church Marking 75th Anniversary

MRS LEON L. BIERSTETEL

Newlyweds now at home in Westphalia

WESTPHALIA— Miss Annette Spitzley, daughter of Mr and Mrs Edward M. Spitzley of Westphalia and Leon L. Bierstetel, son of Mr and Mrs August Bierstetel of R-2, Fowler were united in marriage at St. Mary's Catholic Church in Westphalia at 10 a.m. on Aug. 7.

Rev. Aloysius Miller officiated at the double ring service before an altar decorated with pink gladioli. Mr Spitzley gave his daughter in marriage.

MISS SPITZLEY chose a gown of satin and rose point lace styled with a fitted bodice and bell-shaped skirt. Her headpiece was of rhinestones and crystal and she carried an arrangement of white carnations, sweetheart roses and ivy.

Miss Kathleen Spitzley was her sister's maid of honor. She wore a gown of pastel green. Miss Sandra Hissong, friend of the bride, in pastel pink, and Miss Susan Weber, niece of the bride, in pastel yellow were bridesmaids. The headpieces of each were cabbage roses with veil attached. Each carried matching carnations and mums.

ANITA SPITZLEY, niece of the bride, was flower girl, dressed similar to the bride, and carrying a basket of white carnations and mums.

Paul Bierstetel was best man for his brother, Steve Spitzley, brother of the bride, and Bernard Bierstetel, brother of the bridegroom were groomsmen. Dave Bierstetel and Leroy Spitzley served as ushers.

For her daughter's wedding, Mrs Spitzley wore a beige embroidered dress over silk with matching accessories. Mrs Bierstetel wore metallic blue with white accessories.

SPECIAL GUESTS were Mrs Caroline Rademacher, grandmother of the bride, and Mrs Lena Lennaman, grandmother of the bridegroom.

At the wedding breakfast served to the immediate family, Mrs Jerome Bauer and Mrs Bert Herch served at the bride's table. Later 375 guests attended the dinner and reception at St. Mary's Hall.

Following a trip to Yellowstone Park, they will be at home at 4060 Main Street, Westphalia.

Fellowship votes to aid CROP and missions

The Women's Fellowship of the First Congregational Church met at the church for its October meeting. Mrs Harold Millman, first vice president, conducted the meeting in the absence of the president, Mrs Forest Root.

Mrs Arthur Wood presented the worship service.

PROGRAM Chairman Mrs Ross Slight, introduced Mr Russell Hertzler of Lansing who is Executive Secretary of the CROP Program in Michigan. In speaking to the group Mr Hertzler stated that "Christianity" and "Feeding Hungry People" do not know any city limits because as Christians we all need to share.

Reports of chairmen were given and final plans announced for the annual fair and turkey dinner on Oct. 28.

The Fellowship voted to make a cash contribution to CROP and to join the \$10 Club of the National Association of Congregational Churches.

GIFTS FOR THE Indian Mission may be brought to the Nov. 2 meeting.

Members are urged to participate in the World Community Day Service at Lowe Church on Friday, Nov. 5.

Tea was served by the Elizabeth Winslow Division. Mrs Keith Jolly presided at the tea table.

MRS GERALD J. KLOECKNER

Kloeckner-Pung rites at Portland

PORTLAND — Miss Ann Marie Pung, daughter of Mr and Mrs Leon Pung, R-2, Portland, became the bride of Gerald J. Kloeckner, son of Mr and Mrs Martin Kloeckner, R-1, St. Johns, Saturday morning Oct. 2, in a 9 o'clock Mass at St. Patrick's Church. Rev. Father Stephen Kolenic performed the double ring ceremony. Mr Pung gave his daughter in marriage. Yellow and white gladioli decorated the altar.

A gown of white lace over taffeta styled with a fitted bodice, jeweled portrait neckline and long sleeves topped the full skirted floor-length gown. Tiers of lace formed the skirt, which ended in a chapel train.

A DEEP CROWN of lace scattered with pearls secured her triple waterfall bouffant veil of imported French illusion. The bride carried a bouquet of white gladioli centered with a white orchid.

Mrs Robert Pung, sister-in-law of the bride, was matron of honor. Bridesmaids were Miss Janet Kloeckner, sister of the bridegroom, St. Johns, Miss Janet Feldpausch, Fowler, Miss Patricia Fedewa, Lansing, and junior bridesmaid, Miss Diane Pung, niece of the bride, Portland.

All the attendants wore floor-length gowns styled with moss green bodices and semi-belled skirts of mint green. Oval necklines and elbow-length sleeves distinguished the bodices. Streamers from a self-material bow at the back of the neckline fell to the hem of the gown. All the attendants wore matching accessories and carried bouquets of white and yellow gladioli.

DAVID Kloeckner, St. Johns, was best man for his brother. Groomsmen were Mark Kloeckner, brother of the bridegroom, St. Johns, and Richard and Leon Pung Jr., both of Portland, brothers of the bride. Donald Pung, brother of the bride, Portland, and Daniel Becker, St. Johns, cousin of the bridegroom, ushered the guests.

William Kloster was soloist and was accompanied by Mrs Mary Willemin.

Mrs Pung wore a two-piece blue brocade costume with matching accessories for her daughter's wedding. Mother of the bridegroom, Mrs Kloeckner, chose a brown lace and crepe gown with co-ordinating accessories. Both mothers wore cor-

Esther Circle to make sewing kits

"Stewardship" was the topic of devotions presented by Mrs Charles Hazle which opened the business meeting of the Esther Circle of the First Methodist Church Tuesday evening, Oct. 5.

The meeting was held at the home of Mrs William McCarthy with 17 members and one visitor present.

PLANS WERE made for the group to make sewing kits to be sent to South America.

Mrs O. E. Wells presented the program using as her topic, "Where Your Money Goes."

At the close of the evening refreshments were served by Mrs McCarthy and her co-hostess, Mrs Maynard Esch.

sages of white gladioli and sweetheart roses.

A DINNER reception for 400 guests from Lansing, Westphalia, St. Johns, Fowler and Mt. Pleasant was held in the evening at the American Legion Hall in Portland. Mrs Donald Pung, Portland, and Miss Karen Gross, Lansing served the bride's cake.

The new Mrs Kloeckner changed to a three-piece turquoise costume with black accessories for her wedding trip.

MR KLOECKNER is a 1961 graduate of St. Johns High School and is a senior accounting student at Michigan State University. Mrs Kloeckner graduated from St. Patrick's High School and is employed at George Worthington Co., Lansing.

The young couple will be at home on Barnes Road, R-2, Portland.

Stork shower fetes Mrs Fred Fatura

A stork shower was held at the home of Mrs Steve Bakita of Bannister Sunday, honoring Renae Fatura. Hostesses were Jeanne Butler and Carol Thornton. A pink and blue theme, with suspended streamers, centered with a blue bell, hung over the gift table.

Several games were played with Cathy Webster of Elsie winning the door prize. Renae then opened her many gifts.

Refreshments, which included a bottle shaped cake, were served.

Special guests were Mrs Frank Loznak and Raelene of Elsie and Mrs Laurence Nemcik and Monica of Bannister.

Senators to speak at nurses' meeting

On Thursday, Oct. 14, at 7:30 p.m. the Capitol Area Nurses Assn. will present a program entitled "Meet Your Senator." Senators Potter, of Ingham County; Lockwood, of Clinton County; and Johnson, of Eaton County will be guests of the nurses for the evening.

The program will be held in the Student Nurses Residence Hall of St. Lawrence Hospital with the registered nurses of St. Lawrence acting as hostesses for the evening.

All Capitol Area Nurses Assn. members are urged to attend the meeting and "Meet Your Senator."

Family dinner on 45th anniversary

MRS JOHN HOWARD WEBER

Hofferbert-Weber nuptials at church

BANNISTER—Vases of white galdoli and lilies, with greens, lighted tapers entwined with ivy, decorated the altar of the Bannister Methodist Church on Saturday, Oct. 2 for the wedding of Miss Janet K. Hofferbert and John Howard Weber. Rev. John Burnham performed the double ring ceremony at 7:30 p.m. in the presence of about 350 guests.

Mr and Mrs Ivan Hofferbert of R-1, Bannister are the parents of the bride and the bridegroom is the son of Mr and Mrs Howard Weber of Lansing. The new Mrs Weber graduated from the Elsie High School in 1962 and attended Lansing Business University and Mr Weber graduated from Brooklyn High School in 1961 and attended Jackson Community College. Both are employed by the Michigan State Police at East Lansing.

FOR HER wedding, the bride donned a portrait gown of silk chiffon over taffeta with 7/8-length sleeves. Pearls and sequins accented the Alencon lace appliques on the bodice and skirt front of the bell-shaped sheath which ended in a chapel train. Her bouffant shoulder-length veil was secured by a double crown of sequins and pearls. She carried an arrangement of white rose buds and gardenias with ivy. She wore a single strand of pearls, a gift from the bridegroom.

Mrs Bruce Hofferbert was her sister-in-law's matron of honor. Bridesmaids were Mrs David Green, Mrs John Fabus and Mrs John Kirby, all friends of the bride. They were identically gowned in floor-length sheath dresses, featuring empire waistlines. The bodices were fern green velvet and the skirts of mint green crepe. Short green veils secured by a matching cluster of leaves were the headresses. They carried nosegays of white chrysanthemums and fern green velvet ribbon.

MICHAEL Weber was best man for his brother. Groomsman were Frederick Weatherwax, friend of the bridegroom and William Bovee, uncle of the bridegroom, all from Brooklyn, and Bruce Hofferbert of Bannister, brother of the bride.

Kathy Hofferbert, niece of the bride, was flower girl, and Bruce Hofferbert Jr., nephew of the bride, was ring bearer.

Mrs Clarence Cook was organist and accompanied Mrs Elmer Leydorf when she sang "I'll Walk Beside You" and "Wedding Prayer" as the couple knelt at the altar.

THE MOTHER of the bride, for her daughter's wedding, donned a blue-green two-piece nylon blend brocade sheath with black accessories. Mrs Weber wore a blue-gold brocade with blue accessories. Each wore a corsage of pink rose buds and white carnations.

A reception was held in Wesley Center of the Bannister Methodist Church. The wedding cake was cut by an aunt of the bride, Mrs Harry Wadell and served by Miss Janice Campau. Serving at the bridal table were Mrs Ray Canfield, Miss Pauline Vanek and Miss Helen Strand. Punch was served by Mrs Chester Cline, coffee by Mrs Lawrence Medler, ice cream by Miss Betty Wadell and bridegroom's cake by Mrs

Robert Valentine. Host and hostess were Mr and Mrs Floyd Glowney.

Following a trip through northern Michigan the newlyweds will be at home after Oct. 10 at 1010 1/2 Jerome Street, Lansing.

Mrs Harrison uses "Hands" as topic of talk

Forty-three women were on hand last week Tuesday evening for the first meeting of the Mission Circle of the First Baptist Church held in the church basement. Twenty-five were there at 6:30 p.m. to partake in a work session, at which time pillowcases were made, quilt blocks cut and bandages rolled to be used in mission work. The business meeting began at 8 p.m., at which President Marilyn Goldman presided.

The group voted to continue saving trading stamps to complete their silver set and get a new lace cloth. Betty Crocker coupons are being saved to purchase kitchen equipment for a mission home in Wisconsin and a dime bank project this year will help purchase a truck for Rev Paul King and fire detection equipment for the Baptist Children's Home in St. Louis.

THE WOMEN also voted to start a fund for the purchase of a sewing machine for their work and a special offering taken for the equipment.

Mrs Nelson Showers reported on the annual meeting at Grand Rapids Sept. 28. There were seven in attendance from St. Johns, including Pastor and Mrs Harrison. Mrs Don Penix was the delegate at the business meeting.

The Missionary Chairman Mrs Hazel Bates, gave an informative talk on several projects aided by the circle. Included were the Baptist Children's home at St. Louis, the Shepherd's Home for Retarded Children in Wisconsin. Mrs Penix told of the Grand Rapids Home for the Aged and facilities there for retired missionaries.

PROGRAM Chairman Sarah Smith introduced the pastor's wife, Mrs Harrison. She spoke on the subject of "Our Hands" and pointed out six basic requirements of hands that are to be used by the Lord. "Hands that are clean, willing, dedicated, diligent, kind and giving," she said, "are required." She summarized her talk by suggesting that hands be given to Jesus and let Him lead. She closed with a poem "Parable of Tomorrow," and prayer.

Refreshments were served from a lace-covered table centered with a large bowl of fruit and tapers. Hostesses for the evening were Mrs Bethel Silvers, Mrs Virginia Kingsley and Mrs Della Burdick.

Thinks tire slipped off rim, causing accident

The mas A. Nurenburg, 19, of Maple Road, R-1, Pewamo, thinks a new tire may have slipped off the rim, causing his car to swerve into a ditch along Grange Road in Dallas Township early Sunday morning. He was driving north on Grange and was north of Taft Road when the accident happened. He was not hurt.

Congregationalists preparing for fair

"The Music Box Fair" and annual turkey dinner, sponsored each fall by the First Congregational Church of St. Johns, has had plans underway since "Those Lazy, Crazy, Hazy Days of Summer," according to Lol DeGroot, publicity chairman. The doors open at 2 p.m. on Thursday, Oct. 28 and "A Cup of Coffee, a Donut and You" is to be the theme song of the Elizabeth Winslow Division. All business people are invited to take their "coffee break" in the church parlors. . . while "the music goes round and round."

Enthusiasm was so great from the start that not one chairman but FIVE are in charge of the big event! The committee is as follows: Mrs Arthur Wood, Mrs Paul Martis, Mrs Keith Jolly, Mrs E. O. Prince and Mrs Joseph Spousta.

"STEP RIGHT up and get your tickets" . . . early . . . from any member of the Women's Fellowship. Chairman is Mrs

Charles Dickinson and her assistants are Mrs Keith Jolly and Mrs Arthur Wood. Dinners, family style, will be served at 5:00, 6:00 and 7:00 p.m. The Julie K Shop will sell tickets from Oct. 25 until noon of the 28th.

Mrs Russell Steffens is chairman of the dinner and has en-

listed the help of the following well-known cooks: Mesdames Cecil Boak, Robert Gladstone, Lawrence Becker, Alden Livingston, Don Gilson, John Spousta and Neil Blizzard.

Music! Music! Music! There's more to come. . . favorite theme songs of the unusually large number of "Music Boxes" (booths) will be "recorded" next week.

Car skids into ditch

A car driven by Doris M. Davis of Colony Road, St. Johns, skidded off the left side of a road and into a ditch at the intersection of Chandler and Walker roads about 2:50 a.m. last Thursday. She told sheriff's deputies she came up to the corner and attempted a right turn, but the car skidded left across Chandler and into a ditch. She was not hurt.

Released on bond

Lester A. Winters, 24, of Grand Rapids, who was arrested last week on a charge of obtaining money under false pretenses from the Local Loan Co. of St. Johns, was released on \$500 cash bond last Friday. He was bound over to Clinton County Circuit Court. He was turned over to the custody of Grand Rapids police, where he's wanted for a number of traffic offenses.

Young Kenneth Kramer lets go with a pass in the middle phase of his Punt, Pass and Kick competition Saturday night while other boys wait their turn or just watch from the background. Man at right is Don Matice, who helped out in operation of the contest.

178 boys frolic at PP&K here

Punt, Pass and Kick enthusiasts had far from perfect weather for the second year in a row, but the boys turned out in greater numbers than last year Saturday at the high school athletic field in St. Johns.

First-place winners in the 8-, 9- and 10-year old groups received Detroit Lions warm-up jackets; second placers got a football helmet and third-place winners received a football.

THOSE WINNERS and their point totals were: 8-YEAR-OLD —Mark Green of St. Johns 121, Paul Simon of Fowler 118, Charles Thelen of St. Johns 117. 9-YEAR-OLD —Randy Eberhard of St. Johns 164, Kevin Knight of St. Johns 186.

St. Johns 148, Drew Carpenter of St. Johns 143. 10-YEAR-OLD —Robert Spencer of St. Johns 210, Richard Cochran of St. Johns 189, Kevin Witgen of Fowler 186.

First-place winners in the 11-, 12- and 13-year-old group received a gold plaque, while second and third winners got silver and bronze plaques. The winners here were:

11-YEAR-OLD —Allan Harr of Fowler 191, Billy Mihalyi of St. Johns 182, Burnell Grieve of St. Johns 174. 12-YEAR-OLD—

The weather probably did take a heavy toll, however; 223 boys had registered at Egan's for the contest.

COMPETITION Director Bill Swears said everything went smoothly, and the contest and awards ceremonies were over by about 9 p.m. He thanked Sam Sample and the St. Johns Jaycees for their co-sponsorship and help and also the high school coaching staff and several varsity and junior varsity football players for their assistance Saturday night.

Out of the 178 participants, 18 winners were named.

Bill French of St. Johns 214, Gregory Lounds of St. Johns 209, Jim Halfman of Fowler 191. 13-YEAR-OLD — Craig Ramsay of St. Johns 275, Gary Moon of St. Johns 204, Roger Davis of St. Johns 168.

Comparison of the St. Johns scores with other local scores will determine whether or not anyone in the contest here is a zone winner and can advance up the ladder toward the national finals. Announcement of zone winners will be made as soon as the names are released.

Ovid plays 3rd straight tie, 0-0

Ovid High's 0-0 tie with Pewamo-Westphalia on Ovid Friday was its third straight tie. All three ties have been Central Michigan C League games.

Late in the fourth quarter Ovid tried a field goal from the 13-yard line in an attempt to break the tie, but it was wide of the goal posts. Earlier Pewamo-Westphalia stifled two other threats by Ovid inside their 20-yard line. Pewamo-Westphalia had an opportunity once in the fourth quarter when they recovered an Ovid fumble on the Ovid 20-yard line. Ovid's defense held and they took over on downs.

Flag football games begin

The Redskins edged the 49'ers 13-12 and the Colts trampled the Lions 26-0 last Saturday morning in the first scheduled flag football game for youngsters.

RODNEY HENNING skirted left end for 25 yards and a TD to open the scoring for the Redskins, and a pass from Tom Lynch to Billy Thelen accounted for the extra point. Late in the second period the 49'ers put together a drive of 60 yards, with Tom Pung eating up the last 20 for a TD. The point-after failed and the score was 7-6 at the half.

Fred San Miguel scored for the Redskins in the final quarter. With a minute and a half left Dave Weed slid into the end zone for the 49'ers, making it 13-12 and the extra point failed.

IN THE SECOND game, Ken Schueller of the Colts was too much for the Lions. Schueller caught a 70-yard TD pass from Alan Henning in the first quarter, and in the second quarter he intercepted a Lions pass and raced 50 yards for a touchdown. Henning hit Schueller again for the extra point.

Ken picked off another Lions pass and went 50 yards for a score in the third period, and Henning passed to Dave Fitzpatrick for the extra point. Henning found Schueller with another pass in the fourth quarter, this time for 25 yards and a touchdown.

BOYS CAN still sign up for teams in flag football, but Saturday is the deadline.

THIS SATURDAY'S SCHEDULE—Redskins vs Lions, Colts vs 49'ers.

Staggering Wings take aim at Alma

Still staggering from a 20-0 thrashing by Grand Ledge last Friday, the St. Johns Redwings will try to get back on the winning trail tomorrow night (Friday) when they take on winless Alma at Alma.

While St. Johns would still be favored to win, the game will likely be tighter than before the Wings' mishaps of the past two weeks.

The first loss at Hastings—their first taste of defeat in 16 games—apparently had some effect on St. Johns last Friday, for the Wings were no match for the Grand Ledge Comets, despite a St. Johns homecoming.

THE REDWINGS had a net rushing yardage of only 90 yards and net passing yardage of only 54. Though they didn't punt, the Wings lost the ball three times on downs and once on a fumble. They had the ball only six times during the game.

A wet field and rain during part of the game hampered playing conditions considerably, and neither team was able to move the ball for long gains. But Grand Ledge was able to grind out short yardage consistently and they controlled the ball practically all the first half. Their three touchdowns came on the first three times they had the ball.

THE COMETS got their licks in early, and the Redwings were never able to regroup. Grand Ledge took the opening kickoff and went to work from their own 20, grinding out six first downs before reaching paydirt after 19 plays. Their biggest single gain during the drive was a 16-yard run by fullback Mike Irish that carried to the St. Johns 10.

Irish scored the touchdown from the one-foot line, and Roger Millbrook kicked the extra point. At that point, Grand Ledge had used up all but 2:19 of the first quarter.

ST. JOHNS got one first down after getting the ball, but the Wings lost it on downs on their own 43. Grand Ledge began to march again, grinding steadily toward goal for 13 plays before Irish plunged over again from the one yard line. Dan Hynes of St. Johns blocked Millbrook's kick for the extra point.

It was 13-0 at the half, but Grand Ledge added to it quickly as the second half opened. Recovering a St. Johns fumble on the Wings' 38, the Comets hit the line for two plays and then quar-

terback Ben Cadwell hit Irish with a pass for 33 yards and a touchdown. Millbrook's kick put the finishing touches on the scoring.

ST. JOHNS threatened to score only once, and then it was only by a whisker that they didn't. After Grand Ledge's second touchdown, St. Johns picked up two first downs and with the aid of a Comet penalty for 15 yards reached the Grand Ledge 29-yard line.

With six seconds left in the half, Gary Boyce broke open on a draw play and rambled for the end zone, but he was forced out of bounds a scant foot short of the goal line flag. There was no time left for another crack at it.

St. Johns	0 0 0 0 - 0

THAT WAS the only St. Johns threat. They never were inside the Grand Ledge 38-yard line before or after that.

Despite the rain and wet ground, the Redwings fumbled only once all night, and quarterback Gene Rademacher passed before reaching paydirt after 19 plays. He completed nine of the passes for 75 yards but he lost 21 yards by being caught by the backfield before he could get rid of the ball.

TERRY ESTES
Out for the Season

Dennis Springer was his favorite target, receiving four passes.

THE BLEAK rushing statistics for St. Johns were due in part to the fact they didn't have the ball as much as normal. There were only 28 rushing plays, which gained 105 yards and lost 15. Boyce was the top gainer, picking up 41 yards on seven carries for a 5.6 average.

Fullback Bob Every and quarterback Rademacher both averaged 3.6 yards per carry. Every on five carries for 22 yards and Rademacher on three carries for 11 yards.

Grand Ledge's yardage output was far from spectacular, but it was their ball control that paid off. The Comets had a net rushing yardage of only 159 and net passing yardage of 38.

GRAND LEDGE had 13 first downs to 8 for St. Johns.

St. Johns Coach Bill Smiley has lost another grinder for the season. Center Terry Estes was advised not to continue to avoid the risk of complications from surgery he had last summer. Estes was reportedly hit hard a couple of times in the Grand Ledge game, prompting the decision to keep him out. He is a junior.

The Redwings have a 2-2 record at this stage of the season.

19 in row as JVs beat Comets

By SUE DURNER

With no help from the weather, the St. Johns JVs swept to their 19th straight victory by defeating the Grand Ledge Junior Varsity 26-14 last Thursday night at Grand Ledge.

John Salemi scored the initial Redwing TD with less than two minutes left in the first quarter. The try for the extra point was missed.

AFTER TAKING a Grand Ledge punt at midfield, the Redwings smashed to the Comets' 10-yard line, from where Mike Green took it over for the second touchdown of the evening. The extra point was good and St. Johns led 13-0.

The Comets' first tally came just before half-time when John Stiman went in from the 15-yard line. The kick for the extra point was good and the score as the half ended was 13-7 in favor of St. Johns.

AFTER A dull third period, St. Johns came to life with Dave Howe scoring the Redwings' third TD on a 10-yard sweep around right end.

Four minutes later Kemp raced 35 yards through the St. Johns secondary for the Comets' last touchdown of the game. The extra point was good and St. Johns led 19-14 with six minutes remaining.

On the first play from scrimmage after receiving the Grand Ledge kick-off, Green raced beautifully 95-yards for the Redwings' final touchdown. Salemi ran the extra point in, and the game ended 26-14.

Football contestants sharper

Contestants for the \$20 weekly prize in the Clinton County News Football Contest are getting sharper as the season goes on. Last week four persons missed only two choices out of the 20.

But the tie-breaker did it again, Sandra L. Meredith of 240 E. Clinton, Ovid, emerged the victor, \$20 richer. She was only four points off on the actual total score of the Green Bay Packers-San Francisco 49'ers game.

OTHERS WHO missed only two choices were Jerry Bernath of 300 W. Oak Street, Elsie; Mrs. Keith Barrett of 810 N. Clinton, St. Johns; and Ronald A. Krzak of 501 S. Lansing Street, St. Johns. Krzak was only five points off on the tie-breaker.

Of the four, Mrs Barrett and Krzak missed the St. Johns-Grand Ledge and Ovid-Pewamo-Westphalia games. The others missed Ovid-PW and the Western Michigan - Northern Michigan games.

FOR THE third week in a row, the Ovid game has stumped every contestant. That game ended in a tie again.

Brown runs Fowler past Vestaburg, 32-0

Junior halfback Ron Brown of Fowler romped for 161 yards on 11 carries to lead Fowler to a 32-0 win over Vestaburg at Fowler last Friday.

Brown scored three touchdowns and accounted for a fourth. He got the first touchdown on a five-yard dive play, with Neil Thelen running the option for the extra point. Thelen scored the next TD on a one-yard sneak.

BROWN SCORED again with a run of 75 yards on what started out as a dive play. Three Vestaburg players caught him at the line of scrimmage, but he broke away and cut to the outside. He was then grabbed from behind, but Fowler's Mike Noback came across and blocked the tackler off Brown's back. Brown then sprinted down the sidelines for the touchdown, with Neil Thelen throwing the last block to clear the way.

Touchdown number four was credited to Ken Weber, who recovered Brown's fumble in the end zone after Brown had carried it 10 yards to the goal line. John Weber ran the extra point. Brown got his third touchdown on a 35-yard run.

FRANK WITGEN played an outstanding game as defensive line-backer, Fowler Coach H. Blaine Douglas commented after the game. "And Brown and Noback each intercepted a pass and batted down several others. Our defense was excellent again."

The Eagles played without Bruce Thelen, defensive end and offensive tackle, who suffered a badly sprained ankle. He will miss this Friday's collision between front-running Pottsville and Fowler. Pottsville has a fine passing attack led by all-conference quarterback Rick VanFossen, and Douglas is looking for a tough ball game.

Loznak leads Elsie past DeWitt

Elsie rolled over DeWitt 33-0 Friday as they won their third straight Central Michigan League tilt.

Terry Loznak scored three TDs for Elsie to lead the scorers on runs of 6, 33 and 15 yards. Quarterback Tom Bakita accounted for the other two TDs as he completed his only pass of the game to Tom Ackles for a 9-yard TD and then sneaked over from the 1 for the last score of the game.

Mark O'Donnell, Jose Rios and Bakita added the extra points.

DeWitt is still winless in four games, including three league contests.

Music boosters serve at JV games

The Music Boosters of St. Johns will serve popcorn, cider, coffee and candy bars at all home junior varsity football games, it was announced this week.

RANCH ROLLER RINK

Nice Catch

Jack Reinhardt of R-2, Belding, displays this beautiful prize from a moose-hunting expedition to northern Ontario last week. The animal, estimated to weigh half a ton dressed out, was brought in to the Buggs Brothers Lockers at 106 E. Higham in St. Johns Sunday afternoon. Reinhardt said he got the moose last Thursday near Heath, Ontario, about 1,185 miles north of St. Johns. The animal was brought out by truck. It was the first moose brought to the locker here in one piece.

Common sense is a remedy for most troubles, but the demand is greater than the supply.

“Golden Years” Group feted by Eagle WSCS

EAGLE— Twenty-three members of the “Golden Years” group (ladies of the community 65 years or older) were honored guests of the Eagle Methodist WSCS at a noon dinner held Wednesday in the church social rooms. Mrs Edward Rose and committee assisted by several other young matrons of the community were hostesses.

The honored guests were seated at one long table, spread with a white cloth and crystal place settings and low bowls of roses were used to make an attractive arrangement. Each honored guest was presented a corsage by Mrs Rose. Others attending were seated at tables spread with white and bud vases with roses were used as the decor.

Rev Gerald Hedlund, local pastor, gave the invocation. Following the dinner hour, Mrs Robert Atherton, president of the Society introduced Mrs Pearl Leonard, program chairman. Group singing of “What a Friend We Have in Jesus” with Mrs Robert Van Driesen at the piano and the Lord’s Prayer in unison opened the program.

Mrs Leonard who has been an active member of the Society for 50 years is also the oldest living past president, having held that office when the organization was called the Ladies Aid Society. She presented some very interesting facts concerning the early activities of the Society and named some of the difficulties under which the members worked, and it is the sacrifices and determination of this woman, that has made the Society as meaningful as it is today. Mrs Leonard called on Mrs Leo Kerr, also past president of the Ladies Aid Society, who gave a very interesting resume of the history of the Society.

In 1940 the Ladies Aid Society reorganized and became a part of the world wide Womens Society of Christian Service. The late

Eagle women attend banquet for Cancer workers

FFA boys assist in soil testing

WESTPHALIA — The boys of the Pawam - Westphalia FFA chapter are preparing for the Ionia County’s Soil Testing Month, October. During this time these boys will be available to help the farmer with his soil testing. All any farmer has to do is to let the FFA boy or Mr Gibson know and someone will be out to aid in taking his sample.

Working in cooperation with the Ionia County Extension Service the boys will take the sample for 50¢, plus 5¢ per acre over 10 acres, plus a 50¢ lab fee. The farmer will receive lime and fertilizer recommendations back from the extension office. This month only, the testing is being done for a 50¢ lab fee. Fall testing has the advantages of fertilizer discounts, tax write-offs, less waiting time for tests and fertilizer, no mired spreaders, and a savings in labor. It is hoped that the Soil Testing Month will encourage fall testing for fertilizing and liming, plus give the Pawam - Westphalia Chapter a chance to raise some money.

A daughter, Julie Ann, was born to Mr and Mrs John Nurenburg on Sept. 17, weighing 7 pounds, 14 ounces. Mrs Nurenburg is the former Rose Mary Thelen.

Punt return saves Portland

Using a punt return as an offensive weapon, Portland won its fourth straight victory, including three in the Central Michigan C League, Friday by downing Laingsburg 6-0 at Portland.

Cal Cross returned a Laingsburg punt 70 yards for the only score of the ballgame. This was Cross' second touchdown via punt returns, his first being a 60-yarder in Portland's opening 12-7 decision over Saranac.

Laingsburg, scoreless in four defeats, three in league play, did not mount a serious threat all evening. Late in the first half Portland moved to the Laingsburg 1-yard line but was unable to score.

Shanski, Lardie give Perry win

Perry High School won its first Central Michigan C League game Friday as they took Bath by the score of 24-0. Leading at the half by the score of 6-0, Perry broke loose for three TDs in the third quarter to sew up the game.

Dave Shanski of Perry scored twice on runs of 28 and 50 yards as teammate Bump Lardie matched his scoring jaunts with runs of 38 and 40 yards.

This was Perry's first league win after a loss and a tie. Danny Tucker had a 40-yard run for Bath, which lost its third game in four starts.

CARDS OF THANKS

I wish to thank my children, grandchildren and great-grandchildren for the surprise party given me on my 82nd birthday. Also many thanks for the cards and gifts. —Daniel Diller. 25-1p

I wish to thank Drs Russell and Stephenson, nurses a n d nurses' aids for the wonderful care while at the Clinton Memorial hospital. Many thanks to relatives, neighbors and friends for their flowers, cards and visits. Also for food brought to the home and acts of kindness. All were deeply appreciated. —Mrs Florence Taegle. 25-1p

I wish to extend my most heartfelt thanks to all my relatives and dear friends for calls, beautiful cards and flowers I received while in the hospital and since returned home. Also I wish to thank the Clinton Memorial hospital staff, Drs Russell and Sheline for giving me such wonderful care. Words just can't express my deep appreciation. May the good Lord bless and keep you all. —Mrs Carl Harris. 25-1p

The family of Mrs Raymond Parker wishes to express their sincere thanks and appreciation to Dr Russell, assistants and staff on third floor of Clinton Memorial hospital for the care and kindness given to our wife and mother. IN MEMORIAM

In memory of our father and grandfather, Claude Maxwell, who left us one year ago Oct. 12. Mr and Mrs Lloyd Ott and sons, Mr and Mrs Lloyd Maxwell and sons, Mr and Mrs Claude Maxwell, Jr. and sons. 25-1p

In loving memory of our dear wife and mother Lulu Holmes Stephens who passed away October 17, 1943. Gone but not forgotten by those that dearly loved you.—Raymond G. Stephens, Mr and Mrs Raymond R. Stephens. 25-1p

In memory of Ed Fleischer who passed away 8 years ago October 14, 1956. Memories are treasures none can steal. Death is a heartache nothing can heal. Some may forget you now you are gone. But not me, I still remember no matter how long.—Your wife, Norah Fleischer. 25-1p

In memory of Rose Ballinger. Time speeds on, 12 years have passed. Since death its gloom its shadows cast. Within our home, where all seemed bright. And took from us a shining light. We miss that light and ever will. Her vacant place there's none to fill. Down here we mourn, but not in vain. For up in Heaven we will meet again.—Her children. 25-1p

Laymen serve at Bannister Sunday

BANNISTER—Sunday was Layman Sunday at the Bannister Methodist Church. Mrs Hilma Tweedie of Ashley was the lay-speaker. Her message was entitled "The Love of Our Life." Raymond Stewart led the congregation in the call to worship and the collect. Donald Hinkley gave words of assurance and led the Lord's Prayer.

The responsive reading and offertory prayer was given by David Green. The Cherub Choir, under the direction of Mrs Donald Hinkley and Mrs Floyd Glowney, sang two selections. Mrs John Schlarf was at the organ. Raymond Canfield gave the pastoral prayer and the benediction. Mrs Robert Valentine led the singing of the hymns.

Mrs Thomas Bradley returned home Sunday from the Carson City Hospital.

Ann Glowney celebrated her 6th birthday on Friday with her 1st grade classmates and her cousins, Cathy and Elizabeth Ensign, Karen Green, and Chris Terrall. Games were played and refreshments were served.

ADJAN Larry Ensign is home on leave from the US Navy. He will return to Oceana, Va., to attend four weeks of schooling and then will be stationed aboard an aircraft carrier.

Fire Sale Crew Assails Fire

There couldn't have been a better time for Kroger Co. personnel to handle a fire. The store here is in the midst of a "Four-Alarm Fire" Sale, and all employees were wearing fire hats Tuesday morning when Rita Thornton dashed in from the nearby Sunshine Laundercenter to report a fire. Manager Sam Robinson grabbed a fire extinguisher and ran next door, putting out a blaze in electrical wiring in one of the dryers. Inspecting the scene a few minutes later were Margaret Gurski, Dick Fenner, Robinson, Mrs Thornton and Mary Villarreal.

Elsie Lions embark on 2nd quarter-century of service

By NEVA KEYS

ELsie — The Elsie Lions Club is this week embarking on its second quarter-century of service to the community. Last week the club celebrated its 25th anniversary with a dinner Oct. 4 attended by about 150 people.

The Lions Club's history at Elsie contains many names still actively connected with the organization.

THE ELSIE LIONS Club was first organized in October 1940 by H. C. Shapell, a representative of Lions International. Shapell first spoke before the Commercial Club, telling the members of a program which the Lions International offered, and then the Elsie Lions Club was formed.

The Club received a charter at a special dinner held at Elsie High School in November 1940. Charles A. Nutting, Detroit district governor, presented the charter to W. S. Lusk, first president of the Elsie Lions Club.

THE PROGRAM that night included community singing, invocation by Rev. I. W. Broxholm, accordion music by Miss Mary Seevich, piano music by Frank

Logan, and welcome by Dr. G. W. Bennett, president of the Elsie Commercial Club. Lusk introduced the toastmaster, Sen. Frank D. Beadle (who also was toastmaster last week at the anniversary dinner).

Visiting members were introduced by Leo Steller of Midland, remarks were given by Rell A. Ambrose of Carson City, and the address was given by Glen Stewart of the Lansing Lions Club.

OFFICERS of the newly-formed club were: Lusk, president; Robert D. Martin, first vice president; Dr. Bennett, second vice president; Floyd B. Taylor, third vice president; Lewis Carter, secretary; Floyd G. Moulton, treasurer; Dr. E. M. Slauch, tall-twister; O. L. Brainard, Lion tamer; and Elery H. Wright, Muri Stedman, Joe Rasdale and Dr. J. S. Nash, directors.

The Lions Club is a service organization composed of men interested in the development of their community. The local club has endeavored to understand other parts of the world through a study of problems of international relationships.

THE PURPOSE of the Lions Club has always been to recognize community needs and apply the necessary remedies. An outstanding example is the club work in sight conservation programs. They have contributed funds to the organization for the seeing-eye dogs at Rochester, Mich.

The Club has financed eye examinations and glasses for needy children. They have taken part in such projects as planting evergreen trees at the athletic field, instigating the erection of bleacher seats, and assisting in the flood lighting of the athletic field, and building the booth for the loud speaker system and refreshment stand.

THEY HAVE PLACED corner signs around town for street names and more recently have supplied a member of our community with a whirlpool bath for treatment of physical disability, replaced several rubbish containers on Main Street, and for several years held Halloween parties for the youngsters.

They have tried for many years to improve the recreation facilities around the Maple River area and build up a large recreational area in connection with the soil conservation program. However, to date, they have not been able to realize this hope.

THEY HAD had other projects such as the sale of light bulbs each year and a hamburger stand on Main Street during the carnival each year. Both of these activities have brought a great deal of money for charitable purposes.

As a charter member of the organization, Dr. Bennett states that he was justly proud of the accomplishments of this group and that they have very adequately justified the efforts of the last 25 years.

Time lost in the morning may make a man race all day.

JOHN F. LAHALE

K of C to host state deputy

State Deputy John F. Lahale, who heads the Knights of Columbus in Michigan, will be a guest of the St. Johns Council No. 3281 this Sunday evening.

Lahale and his wife reside in St. Ignace. They will be here for Mass at 7:30 p.m. in St. Joseph Church, celebrated by the local council's chaplain, Father Edwin Schoettle. Immediately after Mass there will be a luncheon in the social hall of St. Joseph School, with a talk by Lahale, a respected brilliant and humorous speaker.

THE FOURTH Degree Knights from St. Johns and neighboring councils will be present in dress uniform at the special evening Mass.

All the neighboring councils have been sent invitations for their officers and members and ladies to attend the evening Mass and program.

Chorus to meet every Sunday

The newly-reorganized community chorus has set every Sunday afternoon at 3 o'clock as its meeting time. The practices will be held in the Rodney B. Wilson High School music room.

The group, under the directorship of Gordon Vandemark, will present Handel's "Messiah" on Dec. 15. Any interested person in the vicinity is cordially invited to attend.

Road Commission Weekly Report

Vandals are still busy in the county. We have suffered damage to equipment and a lot of damage to signs. The latest was shooting a flasher signal with a .22.

This flasher has been a successful corrective measure on a corner that was recording two accidents per month. Since the light was installed the corner has recorded one accident in 10 months. This safety record must have annoyed someone because they started shooting at the light.

HUNTING SEASON is with us again and we will be able to estimate the economic value of the increase in tourist trade and the harvest of game birds and animals. We also can estimate the cost to our sign department. I do not have the figures on the value of hunting season to Clinton County, but I do know that our good sportsmen bag about \$3,000 worth of signs each year.

I do not know if there are dogs trained to point signs, or if the nimrod just sneaks up on a sign and blasts away. No matter how it is done it seems to be always a good season for signs.

A NEW printing of county road maps was ordered this week. Delivery is to be about January. The new maps will have items of interest and various county attractions added on the back. These items are contributed by the St. Johns Chamber of Commerce as prepared by Betty Jane Minsky. The McAlpine Map Co. of Birmingham is doing the printing.

Representatives from Clinton County Road Commission are attending the Governors safety conference at the Civic Center in Lansing, Wednesday, Oct. 13.

State hospital gets early start on Yule gift drive

Traverse City State Hospital is getting an early start again this year on its important Christmas program. The hospital is inviting public participation in providing a joyous holiday season for the patients.

Individuals and groups are urged to assist by sending gifts for patients. To make the program run as smoothly as possible, hospital authorities stress that the following points should be observed.

They need not be expensive but they should be new.

Christmas gifts should not be wrapped, and this year it is not necessary to send wrapping paper. Tying material, however, is still needed.

Donors are requested to carefully pack their gifts, making sure that all breakable items are sufficiently padded and that liquid materials have sufficient packing to absorb the contents of the bottles.

ers should be sure the package carries sufficient postage. Packages should be addressed to Community Relations Dept., Box C, Traverse City, Mich., and should always carry the sender's return address. Any packages containing perishables, such as fruit, cakes, candies and other food items should be plainly marked.

Inasmuch as the tremendous task of sorting, selecting and wrapping gifts according to patients' wishes will have to begin early, packages should be received as close to Dec. 1 as possible.

IF YOU SEND money to buy gifts for patients, checks or money orders should be made out to Traverse City State Hospital Patients Benefit Fund and plainly marked "For Christmas Gifts." The hospital cannot shop for individual patients but will do Christmas gift buying on a general basis.

Individuals and groups should keep in mind that patients can use any kind of Christmas gift which would be enjoyed by any boy or girl, man or woman in any family.

ANY GROUP or persons interested in taking part in Traverse City State Hospital's 1965 Christmas emphasis and needing further information should write as quickly as possible to the Community Relations Department. Mailing stickers, printed Christmas gift lists and shipping instructions will be sent immediately.

Firearms were used in only 15 per cent of all serious aggravated assault cases (including homicide) in the United States during 1963. (There were 147,757 assaults and 8,500 homicides for a total of 156,257 serious assaults.)

Ovid

By MRS. APHRA PIXLEY, Correspondent

Crescent Club hears History of Ovid

OVID — The Crescent Club's first meeting of the year was a potluck supper held in the Main Street United Church on Monday night, Oct. 4 with several new members as guests.

Musical entertainment was in the form of a cornet solo by David Bates, Mrs Jackson Bates as accompanist. Group singing was led by Mrs John Owen.

DR B. L. BATES presented a most entertaining and interesting history of Ovid. Mr Swarthout of Ovid, N.Y., bought the first land and the township and town was thus named. When electricity was first brought to town, it was operated only in the evening and then not on real moonlight nights. The first brick building was built in 1869 and is still in use, the Jenks Drug Store building. Many slides were enjoyed showing the old Opera House, where the Veterans Memorial Building is today, Mr Beardslee with a youth group; Mr Hubbard and his trained mules, and pictures of Ovid's two hotels and other buildings, some still in use today.

Dr Bates was celebrating his birthday and was presented with a cake which he shared with all.

MRS KENNETH Parmenter, president held a brief business meeting. An invitation was received from the Acme Club to come help them celebrate their 25th anniversary on Nov. 18.

Members were reminded of the Fall Fashion Show to be held on Nov. 15. The West Central District Convention will be held on Oct. 28 in Caledonia. Members wishing to attend may contact Mrs Kenneth Parmenter. The Lansing Civic Players have again this year extended an invitation to the club to attend the play on Wednesday, Oct. 13. Members may each take a guest. Monday is the deadline for calling Mrs Richard DePond if you care to attend.

Mrs Harold Beardslee will be hostess to the club on Nov. 1.

Mrs Irene Reed returned home Thursday after spending several weeks with relatives in Illinois.

Richard Bates, son of Dr and Mrs J. W. Bates, is at home with a broken pelvis and will be confined several weeks.

Mr and Mrs George Austin were Sunday guests of Mr and Mrs George Sillaway Sr. at Cedar Springs.

Lynn Ann VanSice and Patricia Westphal of Detroit, returned to their studies at Central Michigan University after spending the weekend with Mr and Mrs Robert VanSice.

Camper Rally at Harrison

OVID — The Mich-I-Fun Seekers Camper Club was well represented at the fifth annual Travel Rally at Harrison last weekend. There were ten campers and 39 members.

Registration for the rally began Friday at the fairgrounds. Friday evening there was a fish supper at the Masonic Temple. Free coffee and doughnuts were served at the fairgrounds during the evening. Saturday morning and continuing throughout the day there was a treasure hunt. Trail-ettes were urged to check their treasure hunt numbers at the local stores. Some very nice prizes were given. A hobby show and bazaar were featured.

AT 1:00 p.m. THERE was a "Travel Trailer Days" parade. The Harrison School banded and entertained the crowd with many musical numbers. President of Chamber of Commerce Don Sullivan, welcomed the crowd and invited them back another year. The Queen was crowned, her court introduced and then a stage show followed.

Saturday night members of the Chamber of Commerce served a barbecue chicken dinner. Later there was a teen dance, square dance and a bonfire.

A PANCAKE breakfast was held Sunday morning. All visitors were invited to attend the church of their choice.

The rain and snowflakes failed to dampen the campers' spirits. All reported a good time and shortly after noon one saw most of the trailers and campers breaking camp.

Mr and Mrs Lloyd Peterson returned home Friday after a week of touring the Upper Peninsula. They called on Mr and Mrs Joseph Poisson and Mr and Mrs Duane Stambaugh at Marquette and Mr and Mrs J. Poisson at Sault Ste. Marie.

Mr and Mrs Paul Meder left Tuesday to spend some time in New York.

Rev and Mrs C. Warner Eby and family left Friday for Sarasota, Fla., called there by the death of his father.

Mrs Harold Beardslee, Mrs Bertha Morrison, Mrs Helen Ridsdale, Mrs Ina Woodworth and Mrs C. L. Squier went north on a color tour on Friday.

Mr and Mrs Lloyd Peterson and Janice were Sunday guests of Mrs Mary T. Peterson at Hastings.

FBI figures show that half of the states (25) have a per capita homicide rate less than New York, which has the unreasonably severe Sullivan Law governing firearms.

NFO introduces new members, elects delegates

New members of the Clinton County NFO were introduced at the Oct. 7 meeting of the NFO at the Colony Road School House. County President Elmer Smith made the introductions.

The state NFO convention will be held at the Howell Armory in Howell this Saturday, beginning at 11 a.m.

The national NFO convention will be held Dec. 1 and 2 at St. Louis, Mo. Clinton County delegates elected to go were Mr and Mrs Bob Staley, Mr and Mrs Galen Bashore, Stanley Welton, Henry Repphun, Larry Phinney, Don Miller, Elmo Giffels, Paul Nichols, John Pohl, Harold Bracey and Elmer Smith. Alternates elected were Mrs Larry Phinney, Mrs Don Miller, Mrs Elmo Giffels, Mrs Paul Nichols, Mrs John Pohl and Mrs Harold Bracey.

THE OCT. 30 auction sale and steer raffle were discussed, and it was decided that anyone who wants to donate anything or sell at the auction should notify LeRoy Vincent of R-1, Elsie, to get it listed. The county NFO will pay all expenses of the auction and will charge 20 per cent for all items sold under \$100, 15 per cent for all items \$100 to \$500 and 7 per cent for any items sold over \$500.

Pat Mead announced that after a short absence, the TV program will be on Channel 12 at 12:30 on Sundays. Arnold Paulson of Granite Falls, Minn., who will be a guest speaker at the county dinner April 3, 1966, will be on TV.

Pep Rally Bonfire Touched Off Prematurely

St. Johns Police Chief Everett Glazier (left) and firemen Larry Karber (second from left) and Robert Prowant (fourth from left) talk with unidentified men Thursday evening after a student bonfire had been touched off prematurely. The large pile of debris had been collected during the day Thursday by members of the junior class for a pep rally bonfire and snake dance that evening. Someone set a smaller pile on fire early Thursday morning, but the fire department was not called to that one.

City considering changes in month-old ordinance

Amendments to an ordinance passed just over a month ago are being considered already by the St. Johns City Commission.

The changes were proposed in the city's ordinance governing water and sewer rates. The ordinance, No. 186, was passed by the commission Sept. 7.

The proposed changes are the result of a hearing last Tuesday at which time the commission was to consider sewer rate reduction applications. A number of businesses and industries asked for lower sewer rates because a great deal of the water they use goes into storm drains and not the sanitary sewers.

ACCORDING TO the ordinance, charges for sewer service will be 95 per cent of the actual water bill, but not less than \$4.50 per quarter except as special rates were applied.

The ordinance grants the city commission the right to make special sewage rates upon written application of the customer concerned. The ordinance, however, sets a limit on how much of a special rate may be granted.

For instance, no industrial rate can be less than 25 per cent of the water bill for the premises; no commercial special rate can be less than 50 per cent; and no residential special rate can be less than 75 per cent of the water bill.

FEDERAL MOGUL Corp. was one customer—among several attending the meeting—who objected to their rate. Federal Mogul, which uses about half of the water pumped by the city, has reportedly been paying about a 15 per cent sewage charge in the past. Under the new ordinance, that rate could be no less than 25 per cent.

Plant Manager Edward Idzkowski and George McCurry appeared on behalf of Federal Mogul to object. Idzkowski said the higher rate would result in a much higher water-sewer bill for the industry. He said at the new rate it might be feasible for Federal Mogul to recirculate its water and reuse it several times. He noted that this would cut down F-M's consumption of water and, accordingly, their water bill and the city's income.

HE SAID Federal Mogul realized its responsibility to the city in view of its tremendous water usage, but he pointed out that only a very small percentage of the water used is dumped into the

sanitary sewer system. He suggested the city and F-M sit down and work out a sewage rate somewhere between the present and the proposed.

Other firms also objected to their minimum rates under the ordinance. After considerable discussion Mayor Jack Smit appointed Commissioners Charles Coletta and Ray Kentfield Jr. as a special committee to study Ordinance No. 186 with the city attorney and report their recommendations concerning new minimum sewer rates.

ON ANOTHER sewer rate matter, the commission passed a resolution setting sewer rates for customers who do not get city water but are hooked onto the sewer system. All sewer customers concerned were notified of the proposed rate, and there were objections by several of the people involved.

The rates suggested by City Manager Ken Greer were adjusted by the commission in several cases. Sewage rates for the customers without city water but with city sewer were set at: WHEEL Inn, \$24; Wes' Gulf Station; \$18; Mrs Juanita O'Leary, Donald Riddle, Charles Berkhausen Jr., George Mesh and Gale and Mary Stevens, \$7; and Capri Motel \$30.

POLLUTION PROBLEM Control of pollution is America's most pressing conservation problem, says the National Wildlife Federation. By 1980, the nation will need to re-use existing water supplies at least six times in order to meet domestic, industrial and agricultural needs.

New York State, with its highly restrictive Sullivan Law on firearms, has the same homicide rate as California, even though California has more people and no Sullivan Law.

MSU specialists to instruct

ROCHESTER COLONY — Extension members are reminded of the fashion seamstress and pattern alteration classes at Smith Hall, Oct. 21 and Nov. 2.

Two clothing specialists from Michigan State University will be in the county to instruct these classes.

The first meeting, Oct. 21, will be from 9:30 a.m. until noon, which will be an open meeting and anyone interested in the problem of alteration and fitting is urged to attend. This meeting must be attended to be eligible to attend the workshops.

Community Club party Oct. 23

ROCHESTER COLONY — The Rochester Colony Community Club will hold a social evening at Community Hall in the Colony Saturday evening, Oct. 23.

Mr and Mrs Ray Hamer and Mr and Mrs Russell Libey, chairmen of the activities committee have completed plans for a hard time party. Prizes will be given and film strips and/or slides will be shared during the evening.

Cider and coffee will be furnished so invite another couple, bring your interesting pictures and please limit your refreshments to either fried cakes or pumpkin pie.

GUESTS HONORED

Recent house guests of Mr and Mrs John Kurncz, Colony Road, were Mr and Mrs Mike Kurncz,

Mr and Mrs Joe Plichta and Diane, Denny Pappucci and Mr and Mrs Mike Knapick all of Chicago and Mrs Victor Pierce of Ithaca. Mr and Mrs Knapick were honored at a dinner in Lansing in observance of their 25th wedding anniversary.

Duplain youth UNECEF drive

ROCHESTER COLONY — The MYF of the Duplain Methodist Church met at the church in the Colony Sunday evening, where they organized their UNECEF drive.

The youth will call at homes in the community on the evening of Oct. 31. For several years the MYF has replaced their Halloween "trick or treat" calls with this UNECEF drive.

In Michigan, after golf beer's the one... for good taste, good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's great to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

Fowler boys place in P-P-K competition

FOWLER—Fowler boys did well for themselves in St. Johns on Saturday evening at the Punt, Pass, and Kick competition. Paul Simon, son of Mrs. Joan Simon took 2nd place in the 8-year-old division, Alan Harr, son of Mr and Mrs Roy Harr, took 1st place in the 11-year division, James Halfmann, son of Mr and Mrs James Halfmann, won 3rd place in the 12-year division, and Kevin Witgen, son of Mr and Mrs Marvin Witgen, took 3rd place in the 10-year division. Paul won a football helmet, Kevin a football, Alan, a gold plaque, and James a bronze plaque. Greg Lounds, son of Mr and Mrs Alfred Lounds won a silver plaque as 2nd place winner in the 12-year-old division.

FORESTERS TO MEET

The Catholic Order of Foresters of Fowler will meet on Oct. 19, at 8:30 p.m. in Holy Trinity Hall.

VISIT WASHINGTON

On Sunday, Oct. 3, Mrs. Anna Spitzley, Mrs. Louis G. Thelen, Mrs. Andrew Thelen, Mrs. Ferd Platte, Miss Helen Hufnagel, and Arlene Schmitt left for Washington, D. C. to make a pilgrimage to the National Shrine of the Immaculate Conception. They also visited other points of interest by bus, including the wax museum, Arlington Cemetery, President Kennedy's grave, and the Franciscan monastery. They returned on Oct. 8.

Miss Anna Ulrich returned home on Monday, Oct. 4 after a 10-day visit in Detroit with Mrs. Florence Ulrich, Mr and Mrs William J. Ulrich.

Fowler Aid plans coming bazaar, dinner

FOWLER—Boxes were packed at the October meeting of the Fowler Lutheran Ladies Aid on Thursday, Oct. 7 at the Parish Hall. The noon potluck was served by the hostesses, Mrs. Herman Noller and Mrs. Paul Graff Jr.

To open the afternoon meeting the ladies sang the hymn, "Lord Keep Us Steadfast In Our Word." Pastor Schmidt led the devotions and Mrs. Fred H. Tiedt, the president, conducted the business meeting.

ON SATURDAY, Oct. 9, Mrs. Herbert Pasch and Mrs. Floyd Foersch worked at the bake sale at Becker's Furniture.

Mr and Mrs Walter G. Nobis and Mrs. Walter Nobis Sr., were hosts on Sunday evening, Oct. 10, for family night which began with a potluck at 6:30 p.m.

The annual November clothing drive will have Mrs. Clarence Sillman as chairman.

ON WEDNESDAY, Nov. 3, the annual chicken supper and bazaar will be held with Mrs. Charles Boak, chairman and Mrs. Clare Swanson and Mrs. Tiedt, as co-chairmen. Serving on the bazaar committee are Mrs. William Ernst and Mrs. Fred Hecht, chairman and co-chairman, respectively.

The meeting closed with the ladies praying the Lord's Prayer in unison.

To round out the afternoon's activities, Mrs. Leo C. Fox had charge of the recreation program.

Group Completes MABC Training Course

Completing the 62nd Technician Training Course, conducted by Michigan State University and Michigan Animal Breeders Co-operative, at East Lansing were: Front row—Paul Shearer, Gladwin; Vincent Ebenhoeh, New Lothrop; Donald Wagester, Remus; William Armstrong, Milford; Alvin Ott, Baroda. Second row—Leon Turner, Owosso; Kenneth Copeland, Midland; Harold Mallory, Chesaning; Jerry Maxwell, Midland; Dale Ford, Casnovia; Floyd Rader, Dafter. Back row—Lester Miller, St. Johns; Andy Egberg, Iron Mountain; Martin Pokela, Traunik; Ronald Osier, Omer; Howard Benham, Homer; Ervin DeWeerd, Holland; David Zeck, Webberville. The week-long course at MABC covered insemination technique and all other phases of artificial breeding.

ATTEND CONCERT

The concert in Detroit, given by the Dominican Sisters of Racine, was well attended by Fowler people, with a total of 68 going from here. As one listener put it, "It just left me speechless, it was so lively." Records are available at the next Christian Mothers meeting or by calling Mrs. Rose Thelen, 582-2583.

Joan Pasch honored at bridal shower

NORTH BENGAL—To honor Miss Joan Pasch, an October bride-elect, Mrs. Erwin Tiedt, Mrs. Edgar Walker and Mrs. Leo Fox were hostesses at a miscellaneous shower at the Tiedt home on Wednesday evening.

There were about 20 guests present, who played games. Miss Pasch, who will become the bride of Judson Bancroft on Saturday, Oct. 23, received many gifts. Refreshments were served by the hostesses to close out the evening affair.

Washington is the only state in the Union that has a "blanket primary" in which a voter may split his choices between two parties on different offices.

Consider special ed at DeWitt

DeWITT—Crowded conditions will prevent any immediate special education program in the DeWitt Public Schools, but efforts will be made to see if a program can be set up in the future.

DeWITT—Crowded conditions will prevent any immediate special education program in the DeWitt Public Schools, but efforts will be made to see if a program can be set up in the future.

nan students will be excluded from class; 3) Married students will be prohibited from extracurricular activities that do not promote their education; and 4) Students driving cars to and from school must have written consent of their parents and permission of school officials. The cars cannot be used during school hours.

A citizens committee to study special education needs in the DeWitt school system was set up at a meeting of the board of education last Tuesday night.

Supt. C. H. Fuerstenau explained that a special education program takes planning and cannot be set up immediately, particularly in view of the present crowded conditions which don't allow for any classroom space for that.

HE SUGGESTED a study of the special education program on a long-range basis, and a group of parents who had requested a program for slow learners agreed to form a committee to do the survey.

In other business, the DeWitt School Board approved purchase of wood and metal working equipment for industrial arts classes at the new high school; appropriated \$1,400 to start purchasing books for an expanded school library and asked for assistance from the state library.

Have You Met?

A COLUMN DEVOTED TO NEWCOMERS TO THE ST. JOHNS AREA

ROBERT L. RING and wife Jana have moved from Alma and are living at 405 1/2 S. Oakland Street. Ring works at Oldsmobile in Lansing; he previously was employed by Alma Products. The couple are receiving the Clinton County News.

FRANK S. GLOWACKI Jr. and his wife Janet have moved into their new home just completed at 500 S. Traver Street. They previously lived in the rural area. Glowacki has been with the Post Office Dept. for three years and is a mail delivery man for the St. Johns Post Office. The Glowackis are Clinton County News subscribers.

More news is poured into the American economy by shooting enthusiasts than any four spectator sports combined.

Mr and Mrs Norbert J. Fox and family of Lansing were Sunday dinner guests of their mother and brother, Mrs. Irene Fox and Art Fox.

Mr and Mrs Andrew Angwin and family of Ithaca spent Sunday, Oct. 3, with their mother, Mrs. Mable Cook.

Mr and Mrs Owen Smith of Lyons and Mrs. Stanley Smith and three children of Detroit spent Sunday with Mrs. Clara Caston.

A man can't miss if he considers every day the start of a new year, and sees to it that every hour does its part.

Harvest festival

COUNTY LINE— The annual Harvest Festival will be held at Salem EUB Church Saturday evening, Oct. 23. Potluck supper at 7 o'clock. An offering will be taken for the debt retirement fund of the church.

The program will begin at 8 o'clock. Miss Sandra Dershem

will entertain with music and Mrs Fred Passenger of Ithaca will be speaking on the missionary work among Migrant Workers.

County Line EUB women meet

COUNTY LINE— The County Line EUB Women's Society held their October meeting Friday evening in Salem EUB Church basement. In the absence of the president and vice president, Mrs James Fisher conducted a business meeting. The treasurer reported proceeds of \$197.18 from the turkey supper held Sept. 30. A box of useful articles will be sent to the Lapeer State Home for Christmas. These must be ready by Nov. 12.

The November meeting will be held on the 12th at the home of Mrs Ralph Conine. Thank offering boxes are to be turned in. This will also be election of officers.

Rev Keith Laidler of Brown City will be holding Evangelistic meetings at Salem EUB Church, Nov. 28 through Dec. 5 including Saturday. Rev Laidler is well known for his work in the Youth for Christ program and his musical recordings.

Motorboat registrations have climbed over the 400,000 mark with Secretary of State James M. Hare predicting the total would reach 410,000 by the end of the year. Next year opens another three-year registration cycle of motorboats in Michigan.

Fellowship meets

DUPLAIN— Women's Fellowship of the Church of Christ met Tuesday evening with Mrs James Burnham. Canned food and supplies were brought to be given to Great Lakes Bible College.

After a short business meeting devotions were led by Mrs Darold Reynolds and Mrs Harry Harden and Mrs Lyle Flegel presented the program on, "The Road to Emmaus." Mrs Dale Schultheiss, retiring vice president, took charge of the installation service.

Duplain Church youth elect

DUPLAIN— The Junior Youth Fellowship Group of the Church of Christ met Saturday evening with their sponsor, Mrs James Burnham. Sixteen were in attendance and after eating, devotions were given by their leader.

Officers were chosen as follows: Eddie Bancroft, president; Don Goodrich, vice president; Brenda Harden, secretary; Luann Bancroft, treasurer; and game committee, Kathleen Reynolds, chairman, with Mike Buck, Jill Bunce and Karen Brewbaker as helpers.

Guest speaker Sunday at the Duplain Church of Christ will be Rodney Vilet, professor from Great Lakes Bible College, Lansing.

Cressman loses hand in mishap

Richard Cressman, 20, of East Lansing, son of Mr and Mrs Almond Cressman of Olive Township, lost most of his right hand in an industrial accident last Thursday evening in Lansing.

Cressman's hand was caught in the machine as he was operating a thousand-ton press at Melling Forging Co. in Lansing. The press severed the right hand just above the thumb.

Cressman was still under sedation Monday but reportedly was progressing as well as could be expected. He is in Room 271 at Lansing General Hospital.

Graham movie to be shown here

The St. Johns Church of God is sponsoring the Billy Graham movie "Souls in Conflict" featuring Graham with Joan Winmill, Eric Micklewood and Charles Leno, to be held at the St. Johns Municipal Building Auditorium Thursday, Oct. 21 at 7:30 p.m.

Filed against the backdrop of Graham's London Crusades, it is in natural color and is the story of a jet pilot, an actress and a factory worker in the grip of life's greatest struggle and their decisions.

Everyone is welcome and there is no charge of admission.

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this 1966 Riviera Gran Sport.

You know how well your car's engine runs after a tuneup? Buick tuning has the same effect on the whole car. Not just the engine. The whole Buick. Everything blends with everything else. Styling. Performance. Ride. Handling. All tuned to work together in harmony. That's what the tuned car is. A Buick. Only Buick is the tuned car. (And every Buick is the tuned car.) What the tuned car is is a masterful blending of all the things that make a great car greater. The Riviera for 1966 is the tuned car. It features six-passenger seating, disappearing headlights, a silently efficient new ventila-

ting system and the kind of roadworthiness you'd expect in a car that costs twice as much. (You can get a Riviera for your desk as well as your garage. Send \$1 in check or money order to Riviera, P.O. Box 68, Troy, Mich., for an accurate 1/25 scale model '66 Riviera.) But Riviera's not the only tuned car. LeSabre is, too. And Wildcat. Electra 225. Special. Skylark. Sportwagon. See them all at your Buick dealer's. The tuned car may not mean much to you now. But then you haven't had a chance to drive one yet.

Wouldn't you really rather have a Buick?

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

Intrigue bridge club

Fall brings with its hazy days the reactivation of many clubs, organizations and associations, not to mention school and the parent-teacher meetings.

Are you inclined to buy already-prepared foods? Why not surprise your friends this year with your ingenuity and creativity in the kitchen. Intrigue the bridge club with exciting food ideas.

Serve Hot Chicken Salad Muffins at the next bridge club session. These fancy muffins are easy, even on a lazy fall day. The muffins, you see, are made without fuss from a package of corn muffin mix.—And while they bake, presto, the chicken salad is prepared.

Come serving time you'll have luncheon on while the ladies are chatting between hands. Just fill the muffins with hot chicken salad. Garnish each plate with pineapple rings and grapes.

HOT CHICKEN SALAD MUFFINS
(makes six servings)

Muffins:
One 12 oz. pkg. (2 cups) Flako Corn Muffin Mix
1/2 c grated sharp cheddar cheese

1 egg
2/3 c milk.
Filling:
2 c chopped cooked chicken
1/2 c finely-chopped celery
2 tsp. minced onion
1/2 tsp. salt
Dash pepper
1/2 c mayonnaise

For muffins, heat over to hot (400 degrees). Grease medium-sized muffin pans. Empty contents of package into bowl; stir in cheese. Add egg and milk; blend only until dry ingredients

are thoroughly moistened. (Batter should be slightly lumpy.) Fill greased muffin cups half full. Bake in preheated oven (400 degrees) about 15 minutes or until golden brown.

While muffins are baking, combine filling ingredients. Heat thoroughly. To serve, split muffins horizontally. Spread bottom halves of muffins with hot filling; replace tops. Garnish with olives on toothpicks.

A CAKE or cookies prepared at home take a little extra time and energy, yet always seem so much nicer and most hospitable.

Here's a recipe for Chilled Party Cake that's perfect for a crowd. Prepared ahead of time and stored in the refrigerator, the cake will make you a remembered hostess!

CHILLED PARTY CAKE

2 1/4 c all-purpose flour
1 1/2 c sugar
3 1/4 tsp. baking powder
1 tsp. salt
2 eggs
1/2 c shortening
1 c milk
1 tsp. vanilla

Preheat oven to 350 degrees. Grease and flour two 8 or 9-inch pans. Sift flour, sugar, baking powder and salt into mixer bowl. Add shortening and milk. Blend, then beat at medium speed about one minute. Add eggs and vanilla. Beat 1 1/2 minutes more. Pour batter into prepared pans and bake 25 to 30 minutes. Cool and frost with Whipped Cream Frosting.

WHIPPED CREAM FROSTING — Blend 1 pint whipping cream, 1 tsp. vanilla and 1 cup confectioners' sugar. Whip until thick.

IT'S NOTHING short of magic what you can do with a simple dessert and package of frozen mixed fruit. This happy combination of six fruits includes white grapes, dark sweet and red sour cherries, sliced peaches, red raspberries and boysenberries. Let the package stand until just thawed, then with a flourish of your magic wand, use the fruit to lift these simple desserts into the gourmet class.

Spoon mixed fruit over white or angel food cake. Top with whipped cream if desired.

Top scoops of vanilla ice cream or lemon, lime, or orange sherbert.

Spoon over vanilla pudding (regular or instant), tapioca pudding, or tapioca cream.

Busy Bees meet

The Fowler Busy Bee's met at the Fowler High School Oct. 7, at 8 p.m., and elected the following officers: Nadine Motz, president; Irene Feldpausch, vice president; Janice Luttig, secretary; JoAnn Frechen, recreation leader; JoAnn Hafner, song leader; Mary Lil Fink, club reporter.

Games and refreshments completed the evening.

Hunter-purchased duck stamps have contributed \$80 million to the nation's waterfowl program. The stamp price has increased over the years at the sportsmen's insistence.

Fall-hued wood great for picnic

Indian summer is a perfect excuse to take the children on a picnic in the woods. A pre-picnic hike will allow them to examine autumn colors at their own speed, and work up a hearty picnic appetite.

Your youngsters will marvel at all the things to see. You can point out how elm and pin oak leaves turn yellow, while red maples turn red, and how acorns and pine cones come from oak trees and pine trees. They'll have a great time collecting leaves and acorns and pine cones as they go.

Watch for squirrels scurrying along the ground searching for nuts to store for the cold winter ahead.

When you hikers are exhausted and it's time for a picnic, a hearty bowl of chili satisfies young appetites. Prepare it in a jiffy from a can. Fill out the menu with French bread, carrot and celery sticks, and cider. Cookies and apples for dessert make pleasing fall picnic fare.

New weave may mean more easily washed blankets

You may find a new type blanket on the market this winter that will make standard woven blankets obsolete.

Bernetta Kahabka, textiles specialist with the Cooperative Extension Service at Michigan State University, says that a new "fiberwoven" process of weaving fibers directly into a blanket eliminates working the fibers into yarn before forming the blanket. The fiber-to-yarn step is now needed in all woven fabrics.

MISS KAHABKA explains that in the new process, barbed needles simultaneously interlock fibers into a chain formation. "This creates a fabric that is evenly thick and strong with none of the between-yarn space of loom-woven cloth," she says.

One of the advantages of the "fiberwoven" fabric will be greater uniformity and strength. Manufacturers predict 50 per cent less shrinkage. That means such a blanket should be machine-washable, Miss Kahabka adds. However, the manufacturer advises laundering each blanket alone, using warm water with soap or detergent and short wash and rinse cycles. A fabric softener in the final rinse helps fluff up the nap, she instructs.

"As with all new developments in textiles, this new weaving process probably won't be perfect when it reaches the market," the specialist points out, "but it's worth a try."

Tips on storing summer clothes

Time to pack away those summer clothes again! Here are some tips for keeping them in shape for next year:

Press everything before packing. Pressed clothes take less space to pack than wrinkled ones. And, they'll require only a touch-up with an iron next spring.

Stuff sleeves with paper towels to help them keep their shape and prevent creases.

PACK FLAT double-layer paper towels between layers of clothing to discourage wrinkles.

When a box is filled, loosely stuff the air spaces with crumpled paper towels to prevent clothes from shifting when the box is carried around or stored.

These precautions will pay off for you next spring when you remove your clothes from storage and wear them after just a touch-up with the iron.

Many Michigan motels and attractions feature reduced rates during the mid-September to early November autumn vacation season.

MR AND MRS ARNOLD SCHOMISCH

In honor of the golden wedding anniversary of Mr and Mrs Arnold Schomisch of Fowler, an open house will be held from 2 to 5 p.m. at Holy Trinity School Hall in Fowler on Sunday, Oct. 24. A buffet luncheon will be served. Friends, neighbors and relatives of the family are invited to attend. The event will be hosted by their children; Mr and Mrs Ronald Schomisch, Mr and Mrs Leonard Trierweiler, Mr and Mrs John Melbourn, Mr and Mrs Raymond Schomisch and Mr and Mrs William Gladden. The honorees have 16 grandchildren and four great-grandchildren. It is requested there be no gifts.

District president speaks at meeting

The Episcopal Church dining room was the setting Wednesday, Oct. 6, of the first meeting of the 1965-66 club year of the St. Johns Woman's Club. The hostesses of the potluck luncheon, Miss Florence Dexter, Mrs. Claude Roat and Mrs. Leo Pouch, served 32 members and guests.

Mrs. Marion Sagendorf of Greenville, President of the West Central District of Woman's Clubs, charmed members and guests with her enthusiasm for the program of Federated Woman's Clubs. She stressed the Esther Hunter Librarian Scholarship fund, honoring a dedicated local club woman and former chairman of the Michigan State Library Board. She expressed the pride we as club women should feel in Gristown - Loch Rio, in having emotionally stabilized 49 girls that have been returned to society.

DELEGATES TO the West Central District Convention, Oct. 28 at Caledonia, were elected during the business meeting conducted by the President, Mrs. Van Hoag. The convention will be attended by Mrs. John Rumbaugh as delegate and Mrs. Goldie Brooks and Mrs. Kenneth Jones as alternate delegates.

The next meeting on Oct. 20, titled, "Scandinavian Highlights," with Helen Judd, at 1:30 p.m., will meet at the home of Mrs. Harold Millman, 305 E. Walker Street.

Add double knits to your fall wardrobe

By HELEN MEACH
County Extension Agent
Home Economics

So you're going to sew on the popular double knit fabric. With a few precautions you can join the experts and develop real skill in making that practical garment to add to your fall wardrobe.

First for your sewing machine technique; shorter stitches used with knits give greater elasticity. On side seams use 12 stitches per inch, but on seams where strains are great (shoulders and underarm) use at least 15 stitches per inch. A fine zig zag stitch may also be used for seams.

TEXTURED NYLON thread is recommended for stitching all knitted fabrics because the elasticity is in keeping with the stretchability of knit fabrics. Pressing as you sew is one of the musts when working with double knits. Use a medium hot iron with a damp press cloth, or a steam iron with a dry press cloth. The press cloth prevents shine and stretch; it also protects synthetic fabrics and threads. Press lightly on lengthwise grain of fabric placing strips of paper at least 12 inches long and 2 inches wide between seam allowance and garment to prevent seam edges from showing on the right side.

Hem finish on a knit deserves special care. If your finished garment is unlined, let it hang for 24 hours to give it an opportunity to stretch normally. Mark your hem from the floor and then baste and press the hem line carefully. If you use seam tape, pre-shrink it and apply loosely. If your garment is lined stitch hem to the lining only. Spectacular color, hazy warm days, pleasantly cool nights, excellent hunting and fishing, and less-crowded accommodations combine to make autumn one of the popular Michigan vacation seasons, according to the Michigan Tourist Council.

Mrs Gordon Waggoner

Eureka youth Sunday worship in woodland

EUREKA — Early Saturday morning, Oct. 2, 22 young people from the Youth Fellowship of the Eureka Congregational Christian Church left by four cars for a camp-out at the Eureka Hunting Club land near Houghton Lake.

On Saturday, a hike in the woods, games and a large camp fire at night was enjoyed by all.

The Sunday morning church services were held in the tent, because of the windy and rainy weather. It being Youth Sunday, the young people also took charge of the song-leading and directing. Phyllis Jean Case lead the singing; a trio was sung by Elaine Synder, Rhonda Lewis and Phyllis Jean Case.

Joining the Sunday services were Mr and Mrs Gordon Waggoner and Linda and Tracy Shutes. Later Mr and Mrs Robert Lewis and Bobby and Craig Howard joined them.

Mr and Mrs Henry Howard, the Youth Leaders, with Mr and Mrs Dale Randolph and Mr and Mrs Wendell Waggoner and Mr and Mrs Maurice Blank drove the group up to the camp site. The Blanks then returned home.

Miss Barbara Waggoner of Chicago, Ill. and Mr and Mrs Wallace Huggert and children of Marlette were weekend guests of their parents, Mr and Mrs J. D. Robinson. A granddaughter, Eunice Martin of St. Johns spent Saturday with the Robinsons too.

Mr and Mrs J. D. Robinson called on Mr and Mrs Russell Howe of Eagle on Sunday afternoon.

Blanche Sutfin and son, Orrin and Mr and Mrs Lawrence Peterson of Elsie, spent Sunday visiting relatives at Petoskey. They also enjoyed the beautiful fall color.

Anna Kellogg is spending an indefinite time in Lansing with her daughters.

Mrs Lavina Hyke of Largo, Fla., spent last week here with her brother and sister-in-law, Mr and Mrs LeRoy Hyke.

Sunday was spent by Mr and Mrs LeRoy Hyke in Lansing with Mr and Mrs William Young and family. They celebrated the birthdays of Mr Hyke and his daughter, Geraldine Young.

Three days recently Mr and Mrs LeRoy Hyke and their cousins, Mr and Mrs Clyde Wood of rural Perrinton visited relatives in Detroit, Dearborn and Webberville.

Little Tracy Shutes, nine months old of St. Johns spent from Thursday until Sunday evening with Mr and Mrs Gordon Waggoner and daughters.

Chapman School News

We have 24 students enrolled this year.

We are enjoying some television classes in Spanish, Science, World Understanding and art. Also one class per week on modern mathematics.

Our music classes are each Tuesday morning. We enjoy it very much and we want to thank Mrs Pope for helping us.

As yet we have no fourth grade spelling workbooks. Mr Parks has been putting our spelling on the board until we get the spelling books.

Diane Cogswell visited school last Monday.

This year we have a new American flag. We give the Pledge of Allegiance and sing Star Spangled Banner with Beth Schultz accompanying.

Elsie

By MRS. NEVA KEYS, Correspondent

Dinner begins year for Literary Club

ELSIE—The Woman's Literary Club, with its 63-year history of service to the community, began another season Tuesday evening as members assembled in the cafeteria of Elsie High School.

"Mutual Helpfulness Through Association," the motto which has inspired the members through the years, has a special theme this year—"May All Be One"—to coincide with the program of the Michigan State Federation.

MRS MERLE Green and Mrs G. W. Bennett were hostesses while Mrs Durward Conklin, Mrs Earl Seybert, Jr., and Mrs Russell Bouck were in charge of serving the cooperative dinner to the 40 guests.

Mrs Paul Platner gave welcoming remarks as she opened her second year as president and extended a special welcome to a new member, Mrs Edwin Myler. Sharry Moore, the club's choice for Wolverine Girls State in Ann Arbor last summer, related her experiences and expressed thanks for the opportunity.

SHE REVIEWED highlights of the 8-day experience which included: Mrs George Romney as guest speaker; participating in selection of candidates and their election to city, county and state offices; mock trial; talent show; choir and band; swimming and tennis; and social get-togethers. Sharry's roommate was chosen for Girls Nation, so she had an excellent opportunity to observe the election procedure from choice of candidate to a national office. Sharry had previously arranged pictures, scrapbook pages, souvenirs and other mementos of Girls State.

MRS PLATNER displayed the Certificate of Appreciation that was presented to the club for contributing participation in the Citizenship Training Program-Girls State which is sponsored annually by the American Legion Auxiliary.

Following the routine reports, the summer's accumulation of correspondence was read. Re-

ports and announcements included: Trading Post, Oct. 15 through 23 in the Blackford Building with chairman Mrs Henry Allen emphasizing the importance of bringing in only good clean articles for sale; work schedules distributed to the Trading Post workers; scholarship loan repaid in full reported by Mrs Everett Rule; review and acceptance of the Elsie Public Library building fund activities by Mrs Harlo Bates; and WLC-sponsored Library Benefit, Nov. 2 by Mrs Durward Conklin.

MRS BOYCE Wooley and Mrs Garth Brewbaker registered the guests and handed out the new program booklets and Mrs G. W. Bennett previewed the various programs and activities.

Mrs Platner gave information concerning the 44th annual West Central District meeting to be held Oct. 28 in Caledonia. Mrs S. J. Keys was selected as delegate.

Mrs Platner also noted the different projects on which this district is participating: Diamond Jubilee of the GFWC; Girlstown; United Nations program; Congressional Medal of Honor Grove; Crusade for Light; Shell Oil Education program.

MRS HOWARD Peltier, president of the Clinton County Federation, discussed a few of the plans for the spring convention at which the Elsie group will be the hostess club.

Mrs Duane Green as chairman of the civic committee distributed "litter" bags and posters.

"Say It With Flowers" will feature Mrs Kenneth Schroeder of the Selbig Garden Center, Owosso, as guest speaker. Mrs R. C. Parks will be program chairman with Mrs Myrtle Cook and Mrs Jack Hawes as hostesses in the EHS Home Ec room, Tuesday evening, Oct. 19.

The 1965-66 officers are: president, Mrs Paul Platner; vice president, Mrs Earl Seybert, Jr.; secretary, Mrs Garth Brewbaker; treasurer, Mrs Woodrow Bashore; and program chairman, Mrs G. W. Bennett.

Review book at Elsie WSCS meeting

ELSIE—The remarkable story of Dr Mary Vergheze in "Take My Hands," by Dorothy Clarke Wilson was reviewed by Mrs Lawrence Hess before 50 members and guests of the Methodist WSCS in the home of Mrs Merle Green, Wednesday evening.

The daughter of a plantation owner in South India, Mary decided early in life that she would obtain an advanced education, and make herself as useful as possible to her newly independent country.

Mrs Hess pointed out Mary's extraordinary Christian faith and devotion that had come out of her intense suffering, and how she shared with people in many parts of the world.

AT CHRISTIAN Medical College in Vellore and guided by the ideals of its founder, the famous Dr Ida Scudder, she became a surgeon.

Shortly after graduation, an accident made Dr Mary a paraplegic. Some of the themes of this dramatic story were how she reconstructed her life, how she learned to perform delicate hand operations while seated in a wheelchair, and how she became a fully qualified rehabilitation specialist.

ALTHOUGH helpless and dependent on others, Dr Mary found the key to her new life in the words of the old hymn: Take my life and let it be, consecrated, Lord, to Thee. Take my hands and let them move at the impulse of thy love.

A few years ago Mary Vergheze came to the United States as both patient and physician-in-training to the Dr Howard Rusk's renowned Institute of Physical Medicine and Rehabilitation.

Today she heads the Christian Medical College's recently created department of Physical Medicine and Rehabilitation.

MRS HESS said the story will inspire the growing numbers of people, who, all over the world, are involved with the rehabilitation of the handicapped. The royalties from the book are used for Dr Mary's new work.

Mrs Charles Kridner led the worship service with a reading from the Christian Herald, piano solo by Sharon Dunham, hymn singing and prayer by Mrs Harry Grenlund.

Mrs Woodrow Bashore, as program chairman introduced the speakers and also the special guests, Mrs Gordon Showers, wife of the new pastor and WSCS members from the Chapin and Bannister Methodist churches.

MRS ALPHA Grubaugh presided for the brief business meeting. Mrs Bashore handed out 1965-66 program booklets and Mrs Clifford Gelger reported on the many remembrances and calls upon those who have been ill and homebound.

Mrs A. D. Pearl, secretary of supply work, presented the mission askings for the year and told about their work. In national missions, Paine College, Augusta, Ga., was designated for financial aid which the local society voted to pay.

Paine College has an enrollment of 400 negro students in a cotton farming area of 400,000 Negro population. Emphasis is placed upon liberal education with training for rural work teaching and the ministry, maintained by the Methodist churches. It serves as a laboratory for the improvement of relations between the Negro and white races in the South.

IN WORLD missions, Tai Wha Christian Social center at Seoul, Korea, the local group also voted funds. It is the oldest social center in Korea organized in 1921, used as a police station by the Japanese during World War II and later occupied by the armed forces of the United Nations during the Korean War. It is now returned to the church and conducts a full social program, including training for Christian home and family life, student activities, clinics and classes for working girls and boys.

The Methodist Community House at Grand Rapids also appealed for Ivory Flakes coupons from the members to serve baby shirts.

THE ESTHER Circle will serve a dinner to the Farm Bureau on Oct. 23 and the society voted to serve a luncheon for the 1966 Convention of the Clinton County Federation of Women's Clubs, when the Elsie club will be hostess club.

Mrs Ralph Stull, secretary of Spiritual life, distributed prayer cards and gift envelopes to each member. The Week of Prayer and Self-Denial is Oct. 25 through 31 and a special meeting will be held at the church, Wednesday, Oct. 27.

Crown queen at homecoming

ELSIE—Mary Slagh was crowned queen of the Elsie High School Homecoming activities at the halftime of the football game with DeWitt Friday evening. Members of her court were Kay Acre, Celeste Buck, Diane Foreit and Barbara Horak.

In spite of the misty weather, several decorated floats paraded around the field to the music of the EHS band.

The senior class float with its Indian Summer theme carried the Queen and her court. Queen Mary was crowned by Principal Blaine Lentz.

Saturday evening, Ronald Bush was crowned King at the Homecoming Dance in the school gymnasium. His court was composed of Joe Guskysky, Terry Loznak, Ken Sperl and Dean Schultz.

To show pictures of Philmont Camp

ELSIE—The October PTA meeting will feature a Boy Scout program and remarks concerning the new Ovid-Elsie School by Supt. Robert Beauchamp at the Elsie High School Monday evening, Oct. 18 at 8 p.m.

The four boy scouts, David Williams, Robert Bloomer, Dennis Mead and Ronald Sills who experienced the summer Philmont Scout Camp (Arizona) will tell of their activities and also display pictures of their trip.

Keith Thornton, troop leader will also be present to assist the boys.

Band Boosters meet

ELSIE—The Band Boosters' Smorgasbord committee held a "passing on" meeting recently at the Elsie High School when they passed on records and information that would improve as well as aid the 1966 committee's plans for the annual affair. Mrs Alpha Grubaugh will be general chairman.

DISTRICT MEETING

The District Missions Convocation of the Methodist Conference is scheduled for Oct. 24 from 3 to 8 p.m. at the First Methodist Church in Mount Pleasant.

MYF meet in fellowship hall

ELSIE—Candlelight from the altar, reflected the portrait of Christ for the worship service of the Methodist Youth Fellowship in their chapel located downstairs in the Fellowship Hall.

Jennifer Keys led the service and also gave a reading "God's Challenge to This Earth." Sharon Dunham was accompanist for the hymn singing.

During the business meeting, routine reports were heard and plans completed for the hayride, Saturday evening, Oct. 16. The young people and their guests will meet at the church at 6:45 p.m. and will be transported to the home of David Williams and his parents, Mr and Mrs Glen Williams, northeast of the village where they will enjoy the hayride and refreshments.

SEVERAL members plan to attend the MYF Rally at the District Missions Convocation in Mount Pleasant Sunday, Oct. 24. Mrs Harry Evans of Bannister presented a money-making project which was accepted by the young people and will be completed by Oct. 21.

LAYMAN'S DAY

Sunday was Laymen's Day at the Methodist Church when the worship service was presented by laymen of the church.

The message "Go, Inquire Concerning the Book" was given by Howard Peltier, Gene Stouffer and Mrs Alpha Grubaugh.

BREAKFAST

The Methodist Men will meet Sunday morning at 8 a.m., Oct. 17 for their monthly breakfast and fellowship.

Fall Trading Post opens Friday, Oct. 15

ELSIE—The fall Trading Post sponsored by the Woman's Literary Club will open Friday, Oct. 15 at 1:00 p.m. in the Blackford Building and continue through Oct. 23.

It will be open daily except Sunday from 1:00 to 5:00 p.m. except Saturday when the doors open at 9:00 a.m. and on Friday nights, when the doors close at 9:00 p.m.

MRS HENRY Allen and Mrs Paul Platner are co-chairmen and will be assisted by all club members, who were recently given work schedules.

The Trading Post has been a popular project for many years with both the club members and

the community as it is an opportunity for everyone to dispose of their surplus and purchase needed articles.

The club retains 25 per cent of the selling price which is set by the owner. There will be such articles as winter clothing, hats, boots and shoes, baby furniture and clothing, dishes and cookware, knick-knacks, toys, small pieces of furniture and other miscellaneous items.

THE WLC ladies request that all articles of clothing must be clean, mended and in good useable condition.

The proceeds of this bi-annual Post are used for the club's many community efforts.

Dorothy Bloomer, Jennifer Keys and Kenny Baese related information from a previous meeting with the Commission on Membership and Evangelism of the church. They voted to conduct the church survey in the village and invite others to Fellowship in God.

IT WAS ALSO voted to remember a few needy families during the Thanksgiving season. Kenny Lentz reported on possible films for future programs and it was voted to secure the film Fellowship.

The Rev Gordon Showers discussed several topics pertinent to the MYF program and gave many helpful suggestions. It was also agreed to share the Chapel with alternate meetings for the Intermediate MYF which is being reorganized at this time.

GENE STOFFER invited the young people to attend his Sunday School study class every Sunday morning at 10:30 a.m., held in the church office.

Mrs Lyle Dunham, counselor, and Mrs S. J. Keys were also in attendance.

The MYF benediction closed the meeting. Reta Platner and Cindy Lentz served "Sloppy Joes" and kool-aid in the dining room.

New Elegance! New Excellence! New Excitement!

The finest of all Cadillacs is here! It greets you with an exciting new elegance surpassing even the Cadillac styling triumphs of years gone by. Its dazzling new look is highlighted by a totally new split-level grille and by new clean-swept body contours. And its interiors have never been more breathtaking! New leathers, new fabrics and new appointments (with dramatic walnut paneling on all Fleetwood models) impart an air of unrivaled distinction and luxury. And Cadillac's traditional engineering excellence rewards you with a number of suspension, chassis, and acoustical advances which result in an almost incredible smoothness and quietness of operation. Finally, consider the excitement of Cadillac's new performance. You'll marvel at the new alertness and the wonderful handling ease provided by Cadillac's exclusive variable ratio power steering. Visit your Cadillac dealer and drive the great new Standard of the World!

Mr and Mrs Charles Palen Jr. and sons, Sunday, attended at Stockbridge, the Waterloo area Museum, where the churching of butter, the old time way, the making of soap, candle making, were among the many things demonstrated, which were done in the days long past. Hostesses were clad in gowns as worn during pioneer days.

The junior Charles Palens and sons visited their aunt, Mrs Ray Morehouse at Stockbridge Sunday.

Thomas Alderman, student at MSU, spent the weekend with his parents, the Clare Alderman family.

Mrs Carl Winans of Elsie was a caller several times during the week and Sunday night of her cousin, Mrs Oral Elliott.

Mrs Harold Cramer entered Clinton Memorial Hospital at St. Johns, Monday morning for X-rays and treatment.

Mrs Paul Orweller's six-months-old grandson, Leon, son of the Gary Orwellers was brought home Wednesday from St. Lawrence Hospital in Lansing, where he had been treated for two

weeks for spinal meningitis. Lee Pack of Royal Oak and daughter, Mrs Robert Brooks of Lansing were Friday visitors of Mrs S. B. Gleason and Mr and Mrs Chandler Gleason.

Mr and Mrs Arthur Kelly Jr. Sunday were hosts at a birthday dinner for their daughter, Mrs Leigh Darling of Carland. Other children present were Mr and Mrs Dan Magsig of Ovid, Mr and Mrs Arthur E. Kelly, of N. Upton Road and Leigh Darling of Carland.

Mr and Mrs Henry Parker and Mrs Jerry Criner and baby of Ovid were Sunday evening visitors of Mr and Mrs William Keck and Willis Kosht.

Bruce, Jacki and Bill Owens each took turns visiting their cousins, Eddie and Diane Waters the past week and Sunday, the parents, Mr and Mrs William Owens and baby of Owosso joined Mr and Mrs Russell Waters and children and the Owens' children for dinner and all the Owens' children returned home.

Mr and Mrs Don Dietrich, Duane and Ann were weekend guests of Mr and Mrs Mark Culver and family of Davison at the Camp

Watson Ranch near Atlanta for the bow and arrow deer hunt. Don Dietrich got a young doe early Sunday morning, his first.

Mrs Robert Salisbury and four of their children were visitors of her parents, Mr and Mrs Clyde Cooper at Marlon, from Wednesday evening until Sunday night. Visitors Tuesday of Mrs Oral Elliott, preceding the funeral of her father, Jesse E. Ferrall, were Frances Wirick and Mrs Ray Marsa of Detroit, cousins of Mrs Elliott.

Dinner guests Tuesday evening following the funeral services of Mrs Elliott's father at her home were Mr and Mrs Ray Baxter and daughter, Jeanette, of Detroit, and Mrs Richard Deschoff and baby of Farmington; and Mrs Elliott's brother, Mr and Mrs Marvin Stump and their daughter, Mrs Richard Russell of Kalamazoo; also, Mrs Elliott's two granddaughters, Sallie and Linda Cramer of Ovid.

Mrs Roy Parmenter was a Thursday night guest of Mr and Mrs Wilfred Eldridge and baby of Bengal, at the George Parmenter home.

Mr and Mrs Paul Findsen and children of Alma Saturday were dinner guests of Mr and Mrs Howard Johnson.

Mr and Mrs Donovan Kosht and children also Mr and Mrs Richard Keck all of DeWitt spent Sunday afternoon with Mr and Mrs William Keck and Willis Kosht.

Visitors the past week of Mr and Mrs Edgar Dunkel and Gerald were Mr and Mrs Leon Cox of Ithaca.

Sunday guests of Mr and Mrs Clyde Morrill were Mr and Mrs Don Smith of Greenville. Afternoon guests Sunday of the Morrills were Mr and Mrs George Leavitt of Washington Township (Gratiot Co.).

Mr and Mrs Jerry Torey and children of Detroit were Saturday guests of their parents, Mr and Mrs Steven Komives, and Sunday guests of the Komives were Mr and Mrs A VanDyle and children of Dearborn, also Mr and Mrs Bill Muller and family of Detroit.

Mr and Mrs Max Walasek were taken out to dinner Wednesday in Lansing in honor of their 31st wedding anniversary by their son, Mr and Mrs Max Walasek Jr. of Lansing, whose third wedding anniversary also was that day.

The only U.S. president ever to pay off the national debt was Andrew Jackson. He paid the final installment of the debt on January 8, 1835.

At Greenbush Church

SOUTH GREENBUSH—Layman's Day Services at the Greenbush Methodist Church was well attended. A good representation from both Maple Rapids and Lowe Methodist churches were present.

Laymen from each church had a part in the service.

Call to worship, Don Allen; words of assurance, Dr Dee Allen; responsive reading, Roy Davis; Layman's moment, Stanley Whitlock; prayer, Elmer Swagart; Sermon, Douglas Cook.

Next Sunday, William Frayer, lay speaker from Price Methodist Church will speak at Greenbush. Rev Wittenbach will be at the Lowe Church as that is the 75th anniversary of that church.

Oct. 24, Miss Marlene Huber a missionary recently from Kenya, Africa, will speak on and show pictures of her work. Miss Huber has spent nine years in Kenya.

All churches are invited and bring your friends.

Mrs Grace Stevens and Mrs Gladys Silvernall attended the birthday party at the home of Mr and Mrs Frank Ruess in Eureka. Mr and Mrs Ward Wakefield were in Coleman over the weekend to attend the funeral of the latter's grandmother, Mrs Elizabeth Romatz.

R. G. Fenner of Laingsburg, ate supper Monday evening with his aunts, Nora and Hazel Beebe.

Mrs Donald Swagart entertained at an open house Sunday afternoon in honor of her daughter's first birthday. Jill received many gifts and was quite excited about the whole affair.

Miss Brenda Upton of Maple Rapids spent from Thursday until Sunday with her grandparents, Mr and Mrs Fred Barton.

Mrs Pauline Graham and daughter, Ann, visited the former's parents, Mr and Mrs Hugh Hafelein near Round Lake Saturday.

Wallace Ludwa and son Ronny of Battle Creek visited Mr and Mrs Kenneth Grieve last Saturday.

Sunday callers at the Jimmy Graham home were Mr and Mrs

Don Nickols of DeWitt, Mr and Mrs Duane Frank and Mrs Minnie Dalgram and daughter Linda all of Lansing.

Mr and Mrs Fred Barton were Thursday visitors in Maple Rapids.

Mr and Mrs John Hafelein of Owosso, were Sunday callers on their sister and brother-in-law, Mr and Mrs James Graham.

Mrs Bill Lyness of Coleman and Mrs Pauline Whitside of Clare called Sunday on Mr and Mrs Herbert Stevens and Mrs Mildred Hiller. Mrs Lyness was also a Sunday evening caller at the Bert Hiller home.

Morley Schram of Jackson and Mrs Thelma Devereaux of Lansing were Sunday visitors of their sister and brother-in-law, Mr and Mrs Hiram Stevens.

Mrs Ruby Schulz visited

friends in Lansing last Wednesday.

Burnell Grieve won third place in his age group in the Ford Punt, Pass and Kick contest at the City Park Saturday evening. His award was a bronze plaque. Henry Crowell and Steve Sipkovsky also participated in the contest.

There was no school at the Richmond School Monday because of well troubles.

Mr and Mrs Rhinard Schulz spent the weekend at Muskegon.

This neighborhood was saddened to hear of the death of Howard Argersinger of near Kalamazoo. Howard lived for many years in this area and was a brother of Hugh Argersinger.

Mrs Pearl Blank and son, Murrett were Sunday afternoon callers in the Maurice Blank home.

A 'fair share' gift to Chest goes a long way

Now under way in the rural and residential sections of the county is the 1965 Communities Chest fund drive.

For the past couple of weeks, however, businessmen in the various communities and the industries of St. Johns have been campaigning for Communities Chest, too.

Hundreds of volunteers in all phases of the fund campaign have put in many hours, and will yet, in an effort to reach a goal of \$29,350 from all over the county.

SHARING THE DONATION you give will be the American Red Cross, Girl Scouts of America, Boy Scouts of America, Salvation Army, St. Vincent dePaul Society, Rehabilitation Medical Center, 4-H Fair fund, Lansing Mental Health and Child Guidance, and the Michigan United Fund.

All the agencies affect YOU, either directly or indirectly, or else they could affect you. Your contribution to the Communities Chest will help keep the services of those agencies available.

Only by a united effort of every Clinton family will this year's goal of \$29,350 be reached. You can help by giving your "fair share" when the Communities Chest volunteer calls at your home.

A reminder of what your newspaper is all about

This week newspapers all across the nation are taking some time to kind of "toot their own horn."

What would it be like without a newspaper? What if there were no Clinton County News, no Fowler Post, no Ovid Register - Union, no Elsie Sun?

WE GET SOME HINT of an answer by looking at cities going through a newspaper strike. The residents feel lost, sometimes bewildered.

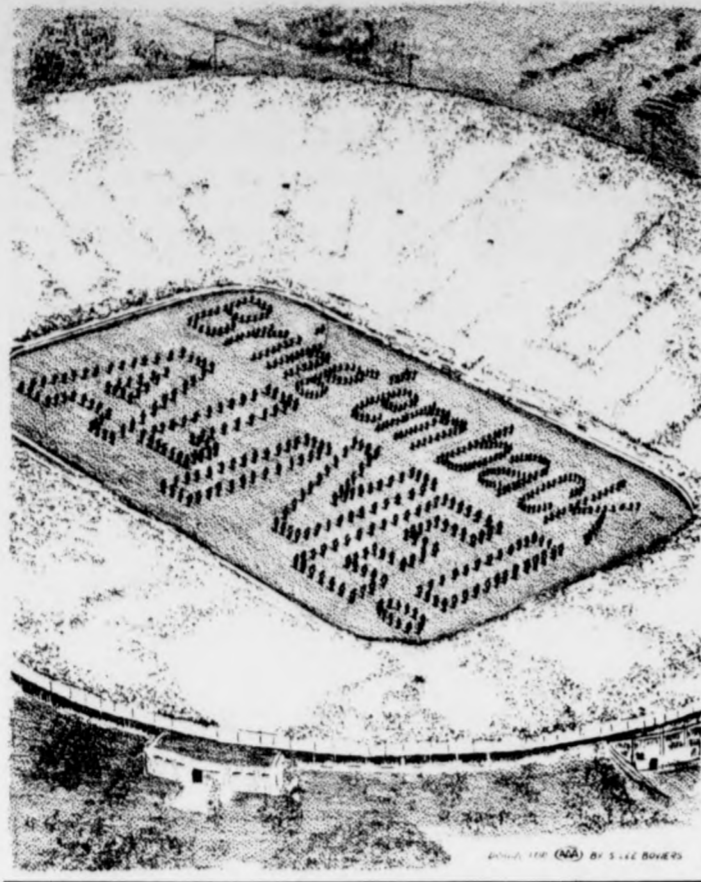

A weekly newspaper is no different than a daily—we strive to provide information, entertainment, stimulation and advertising the same as a daily.

We promote all worthwhile organizations that work for community good. As for information, we keep it at the local and county level as much as possible.

THERE ARE other things that figure in our purpose. We try to build a better St. Johns and Clinton County, and we think an active, out-spoken, sprightly, good-looking newspaper is an asset to any community.

More people are reading the Clinton County News now than ever before, and we plan to operate an information and advertising service to St. Johns and Clinton County that will be hard to beat.

As we celebrate National Newspaper Week this week, we just wanted to remind you of our purposes—for the benefit of Clinton County.

RAMBLIN' with Rink

If you are a color tour lover like I am, you probably are disappointed if you haven't gotten up north to catch the first tide of color in the leaves of autumn.

There is still time for us to recover, however, but the time is fast approaching when the color will be at its peak even in the southern part of the state.

AS I WRITE this last Thursday, the day is overcast and a little drizzly, and the whole world looks a little drab.

What really makes the color in the leaves of autumn? "Many people believe that the first heavy frost gives rise to the brilliant colors of leaves in autumn," says Prof. Jack Valdovinos of the Wayne State University biology department.

"ACTUALLY, the change in color is due to the ending of chlorophyll pigment manufacture along with the breakdown of existing chlorophyll in the

cells of each leaf," he points out.

Once the green mask of the chlorophyll pigment is gone, says Dr. Valdovinos, the bright orange, yellow and red colors of the carotene and xanthophyll pigments already present in the leaves burst forth.

"The changes in the pigmentation of leaves are controlled by growth - regulating substances," he continues. "The shortening of days as we approach winter is the critical factor in controlling the production of these substances, although temperature changes may also influence the reactions to a minor extent."

THESE CHANGES in the level of the vital growth-regulating substances make possible the beautiful autumn colors which occur before the leaves fall.

Autumn color is a tourist attraction in Michigan. The state has over 85 different species of soft and hardwood trees, more types than in all of Europe.

Before 1900 the situation was different. Michigan was covered with vast white pine forests. Lumbering and forest fires diminished the evergreens, making it possible for leafy trees to grow in their place.

Changing Times

By W. E. DOBSON

Once on a time, the fable reads, Man lived by his own labor And planned to meet his problems by Joint effort with his neighbor;

There used to be authority Invested in each state, Before we centralized it all And moved to abrogate;

These days someone determines If we're too poor 'er too rich, 'N remedies are quick at hand— 'N it don't much matter which;

We used to aim to lay away Funds for our own old age; Now Uncle urges "spend it all"— Spending sprees his mind engage;

Man used to work from sun to sun, 'N stretch it some at that, But now who dares a sweat to raise Forthwith's declared a "rat";

Three thousand and forty Clinton County men in the 21 to 36 age group registered Wednesday, Oct. 16, for the first peace-time selective service draft in the nation's history.

Based on unusually heavy registration by voters, an order has been placed with the Republican-News for printing 12,390 sets of ballots to be used in the general election on Tuesday, Nov. 5.

It cost \$96,846.96 to run the county during the past year, according to an itemized statement of disbursements from the general fund during the fiscal year ending Sept. 30, submitted Monday to the board of supervisors by Edna Love, county clerk.

As clean a furrow as any turned in Clinton County brought Keith Harper of Bengal Township first place in the district National Farm Youth Foundation tractor operating and plowing contest held Wednesday on the former Gillison farm southeast of St. Johns.

St. Johns needs about 50 new houses right away. Of course there are always some houses for sale, a very few desirable ones for rent and single men board. But we need some medium sized, modern houses for the men of families who are here now and coming to work in the wheel factory.

The Knights Templar district field day held in St. Johns last Friday was a distinct success, although the atmosphere was raw and cold with occasional showers in the forenoon.

In 1950, the St. Roch, a Canadian vessel, became the first ship to sail around the North American continent. In 1944, it had sailed through the Arctic. Six years later the ship continued on through the Panama Canal, returning to Halifax and thus completing the circle.

Old McMaster Hotel

Mrs Emma Pratt brought into the Clinton County News office the above photo of the old McMaster Hotel or tavern, a popular stop-over spot back in the 1800's.

It was first constructed for a home by Stephen McPherson, and in about 1860 converted into a tavern by Chauncey Morton. It was later owned by S. L. McMaster, who in 1878 was appointed postmaster of the Union Home Post Office located in the tavern.

Mrs Pratt said she lived about a mile west of there and often went to the post office there for the mail.

The building was burned a few years ago by vandals.

MICHIGAN MIRROR

More agencies seeking share of money pie

By ELMER E. WHITE Michigan Press Assn.

Demands for state contribution to various government services which previously were financed locally are not exactly new.

Legislators saw this approach as one way to possibly alleviate some of the problems of the four-year colleges and universities.

college from fulfilling its intended role in the higher education program.

The conclusion is that if the community colleges are to be a meaningful part of the higher education picture they must have adequate library facilities, staffs and books.

ON ANOTHER front, Michigan this year saw the state police organization get a good-sized boost in staff and general operating budget to help it do its job of traffic and crime control more effectively.

Now there arises the question of whether the state should throw some support to local police agencies as well. A number of law enforcement people at both the state and local levels support the idea.

TEACHING groups have come to the state several times with a similar plea, contending that school standards could be enhanced by having a uniform salary scale. The new suggestion calls for the state to financially contribute to police training programs and policemen's salaries.

Although details of the idea are still being considered, it might be presumed to take on a pattern similar to the state contribution plan now in effect for circuit judges. The state pays \$15,000 a year per judge and circuit sets its own contribution, the highest now being \$14,500.

HEADLINES sometimes bring to the public eye the function and purpose of private organizations. A good recent example was the work of the Michigan Assn. for Retarded Children as explained because of the case of the Troy child left by his mother at the Miami airport.

Most often, however, a person may have heard of groups like this but generally does not know anything more than the name and that its new local president gets his picture in the paper every year. One such agency is the Michigan Welfare League.

Some even think of this one as being a part of state government.

THE SELF-DESCRIPTION of the League relates that it is the "only statewide organization concerned with the social welfare and health problems affecting all the people in Michigan."

This citizens organization, now in its 53rd year, annually selects what it considers to be the greatest problems in the health-welfare area, studies them and attempts to implement whatever ideas it considers valuable.

Some of the areas in which See MIRROR page 3-C

With the state rolling in dough, as compared with the past six or more years, more groups would like to share the pie. This is seen despite the fact the experts say it will take only a few years for the present surplus to be eaten up by existing agencies through the rising costs of services.

MENTAL HEALTH, social welfare, higher education, elementary and secondary school officials all say the past years of austerity budgets have pushed needs to the critical stage and the gaps must be filled with the healthy surplus now on the books.

The "Low Down"

From the Congressional Record
By Joe Crump

Needed: a joint intelligence committee

Rep. R. W. Kastenmeter (Wis.) . . . The resolution I introduce today would establish a joint committee to be composed of seven congressmen and seven senators selected by the speaker of the House and the president of the senate on a bipartisan basis. It would make continuing studies of intelligence activities and problems. Although the committee would not expect to concern itself with the details of day-to-day operations of the intelligence agencies, the CIA and similar agencies would be expected to keep it currently and adequately informed. . . . The editorial from today's New York Times states a compelling case for the establishment of the Joint Committee on Intelligence. . . . (The condensed editorial follows).

Supervising the CIA
The case of the Singapore bribe attempt raises serious questions about the Central Intelligence Agency and its role in American foreign policy.

INITIALLY, THE State Department flatly denied Prime Minister Lee Kuan Yew's disclosure that in 1960 a CIA agent had offered him a bribe to cover up an unsuccessful CIA effort to pene-

trate Singapore's intelligence service. Only after Mr Lee released a 1961 letter of apology from Secretary Rusk and threatened to put incriminating tape recordings on radio Singapore did the State Department's embarrassed spokesman confirm the incident. . . .

All this is dismally reminiscent of the false State Department denials in the 1960 U-2 case that broke up the Paris summit conference with Russia. After the Bay of Pigs disaster, President Kennedy ordered new procedures established to assure that the State Department would be adequately informed of CIA activities so that it could exercise policy supervision. The Killian watch-dog committee, originally appointed by President Eisenhower, was revived, given a far more vigorous role, and in 1963 placed under the chairmanship of former White House advisor Clark Clifford.

EVIDENTLY SOME or all of these safeguards have now broken down. . . .

The Clifford committee evidently is already looking into the case. A Congressional investigation is also in order, Congressional supervision of the nation's intelligence activities is obviously inadequate. A joint committee, similar to that which watches over atomic energy has been urged by many Members of Congress; it is badly needed.

Serious damage has been done to American relations with many governments by CIA activities in the past, particularly in Asia. In Jakarta last spring, President Sukarno and many members of his cabinet were reading a new American book, "The Invisible Government," and using its confirmation of CIA intervention in the 1958 Sumatra uprising to justify their hostility to the West and increasing friendship with Communist China. Similar hostility exists in Burma and Cambodia. It is vital that Washington establish the kind of firm supervision of the CIA that can prevent such blunders in the future.

Grassroots Comment

At least three Presidents have given direction to the CIA. Dedicated and capable men, heading that organization, have moved in the direction indicated by these Presidents.

Harvest time is fulfillment of man's faith

HAYDEN PEARSON

No one knows when ancient man first discovered he could open Earth's breast, plant seeds, and in the fullness of time harvest ripe grain. Perhaps this is man's greatest discovery; for he followed a nomadic life long eras of time before he learned he could live in one place and grow his food.

But this we know. When man learned to plant seeds, he looked to the harvest. Through the millennia since that epochal day of first planting, the time of ingathering has been a season of gratitude. Other nations have suffered

times of famine. Today at least half the world's three billion human beings still fight the gray ghost of hunger.

THESE ARE the golden days of year, and the gold of leaves and the golden sheen of sun-cured grasses on the hillsides are reminders of our harvest-blessed land. Kernels are full in the ear; fruit is red on the bough. In farm cellars jars of fruits and preserves glow softly in dim light. There are northland farms where woodsheds are still tiered high with solid wood. Barns are heaped with timothy and clover, and

Bement Library Book Shelf

By Hila Bross

Bement Public Library has recently acquired three new books about Michigan. One, entitled MICHIGAN: WOLVERINE STATE, is an impressive, new 800-page history of our state by Dr. Willis F. Dunbar, head of the History Department at Western Michigan University in Kalamazoo. The book comes from the William B. Eerdmans Publishing Co. in Grand Rapids, and the illustrations were done by Reynold Weidenaar, a native of Grand Rapids and a graduate of the Kendall School of Design in the furniture city, so the entire project is Michiganian. (Is that the right word?)

St. Johnsites will be disappointed that there is no mention of our town, but folks from Fowler and Westphalia will find it interesting to read that at one time the Michigan Legislature set aside 2,000 acres, the proceeds to be used to build a road to the German settlements in Clinton County.

THIS BOOK, a gift to our library in memory of the late John Baker, will be a very useful reference work, as well as a book to be read for pure pleasure.

Another memorial to Mr Baker silos are full of food for the livestock.

It is easy to recount the crops man has grown. But above and beyond the food for man and his livestock is a deeper meaning. The husbandman planted in faith and nurtured his crops in the knowledge that as he sowed, so would he reap.

THE MEANING of autumn's harvest is faith. A season is ending and rest time is ahead. Corn shocks in the fields and piles of golden pumpkins beside weathered barns are proof that men live by faith. And the harvest one realizes from his life depends upon the seed he sowed in springtime.

is Gerard Schultz's HISTORY OF MICHIGAN'S THUMB. This little book is packed full of anecdotes as well as straight facts. Especially interesting is the section devoted to the great forest fires of 1871 and 1881. This would make a fine companion to take on a motor trip through the area the book discusses. Mr Schultz lives in the little town of Elkton, right in the middle of (yes, you've guessed it) the thumb.

PENINSULA COUNTRY is another publication of Eerdmans in Grand Rapids and was given to our library as a memorial to Miss Sue Durkee. Its author is Raymond Darwin Burroughs, a native of Iowa who grew up in Nebraska. Since 1937 Mr Burroughs has been connected with the Michigan Department of Conservation, first with the Game Division and since 1949 with the Education Division. PENINSULAR COUNTRY deals with the entire Great Lakes region, with particular emphasis on Michigan. It is said by the publishers that this is a source book, a saga, and a romance, written with imagination, intelligence, and humor, a book which will be welcomed by all who cherish a warm-hearted evocation of American life and nature.

Two Catherine Marshall books have been given to the library in memory of Miss Durkee. JOHN DOE, DISCIPLE is a collection of Rev Peter Marshall's sermons, edited and published by his widow after his death. BEYOND OUR SELVES is Catherine Marshall's own testimonial of her faith in God and her experience as a Christian. There is much in this book for the person who is searching for inspiration and guidance without dogma.

BEMENT PUBLIC Library has added five hours to the length of time it serves the public in a week. Beginning Oct. 11, we are opening each day at noon, Monday through Saturday, and will close at the usual time of 5 p.m. We will also continue the practice of being open Tuesday and Friday evening from 7 until 9. With these new hours we will be able to serve business people and students better. Students will not be allowed to eat their lunches in the library, however.

How to Douse Fire on Stove

If you are frying food in a pan on the kitchen stove and the grease catches fire, turn off the heat immediately as a first step, the American Insurance Association said today.

Then, quickly cover the burning pan with a large, flat cover, using a long-handled fork or pair of kitchen tongs to set it in place, or smother the flames with baking soda or salt, the Association added. Douse it with plenty of soda or salt.

Never use water on a grease fire. Water could cause the burning grease to spatter which could spread the fire.

A popular way to view Michigan's spectacular autumn color show is by boat or canoe on the state's 11,000 inland lakes and 36,000 miles of rivers and streams.

ASC PROGRAM

Report changes in 1966 ag conservation program

W. M. SMITH County ASC Manager

We have received word that there have been some changes in the 1966 Agricultural Conservation Program.

The changes in program provisions have been designed to bring about further changes from row crops and small grain crops now in surplus supply to conservation uses.

IT ALSO provides for applications of liming materials and fertilizers to be made at such a time and manner that the conservation cover will reap the primary benefits.

tions in connection with a conserving crop which will be maintained on the land for two consecutive crop years following the application of the materials.

Land eligible for cost-share which qualifies for drainage only because of its use for haying and pasture during the last five years cannot be shifted to the production of row crops or small grains for five years following the drainage.

COST-SHARING for lime and

fertilizer will not be permitted on cover crops since these practices are not maintained for two consecutive crop years.

I want to urge farmers who will have fields going into the winter without a vegetative cover to plant a winter cover; this will reduce erosion of your top soil.

FARMERS wishing cost-share assistance to establish a rye cover crop should contact our office before they establish the cover.

Fall is also a good time to take soil samples and apply lime if needed.

Buying home? Check plumbing and heating

What do people look for when shopping for a new home? Inexperienced young couples looking for their first home tend to concentrate on "glamorous" but basically expendable items.

Older couples, on the other hand, give top priority to the quality of the plumbing and heating. Experience has taught them that these are the "heart" of the home — and that the family's health, comfort and convenience depend upon them.

8 Clinton cows listed in report

Several Clinton dairy farmers have animals mentioned in a new listing of officially recognized milk and butterfat production levels by Registered Holstein cows.

Duane and Velmar Green of Elsie own the following animals: Marbro Emily Matchless, an 8-year old, produced 26,320 pounds of milk and 930 pounds of butterfat in 365 days.

TWO COWS owned by William H. Knight of Elsie are also on the list. Island Road Stardust, a 5-year-old, produced 20,010 pounds of milk and 735 pounds of butterfat in 365 days.

Dixon Shiawana Fobes, a 9-year-old owned by Leon Miller of St. Johns, produced 25,840 pounds of milk and 653 pounds of butterfat in 305 days.

THE NEW production records may be compared to the estimated annual output of 7,880 pounds of milk and 285 pounds of butterfat by the average US dairy cow, the national Holstein - Friesian Assn. of America points out.

Ovid youth named for FFA honor

James O. VanDyne II, an Ovid FFA member, has been nominated for the American Farmer Degree, the highest honor in the Future Farmers of America organization.

VanDyne is one of 11 FFA members from Michigan to be recommended for the honor. About 400 of the national awards are expected to be made at the national convention of the FFA, which started Wednesday and ends Friday in Kansas City, Mo.

THE DEGREE is based on achievement in actual farming, in leadership and scholarship. Recipients must be out of high school for at least one year and must have shown evidence of becoming successfully established in an agricultural occupation.

Other area honors will be recognized at the convention when FFA agricultural judging teams from Ovid and Ashley will represent Michigan in national contests.

FFA MEMBERS from Ovid will compete in a meats contest. The team includes Frank Gazda, Leonard Huyck and Kenneth Miller. They will be accompanied by Albert Ackley, vocational agriculture instructor.

The poultry judging team from Ashley includes Roger Keck, Bob Malek, James Skaryd and Dale Yelsik. Howard Bryant, vo-ag teacher, is the team advisor.

Four members of the Alma FFA chapter will comprise the state's livestock judging team. The three judging teams won the state contests at Michigan State University last spring to qualify for the national contests.

In every state of the Union, nature yearly destroys a large percentage of every species. In Nebraska alone, winter will take a toll of 70 per cent (about 4 million) ringneck pheasants. This figure is fairly steady, regardless of the number hunters bag.

Gypsy moth program over

That any governmental program once begun is never concluded is a statement sometimes made. But proof to the contrary has been established in Michigan with announcement this week that the 11-year gypsy moth eradication project costing \$946,247 has been terminated.

After more than a decade of work, the state is apparently free of gypsy moth. It is a major destroyer of fruit trees and forest trees and has defoliated as many as a half million acres of forest in the East in some years.

THIS YEAR 6,000 gypsy moth traps were placed in a one million acre area in Central Michigan where the pest was first discovered in the state in 1954. Recently when the trapping season was concluded, not a gypsy moth had been found for the fourth successive year.

The eradication program was carried out jointly by the Michigan Department of Agriculture's Plant Industry Division and the USDA's Plant Pest Control Division. The first year the insect was discovered, airplanes treated about 100,000 acres with a pesticide in the Lansing area, taking care of mosquitos and flies in the process.

GYPSY MOTH traps resemble paper drinking cups. A synthetic sex attractant that lures the male moth is used for bait. A sticky substance in the trap holds him captive. Traps show the presence of the moth so that the area to be aerally treated may be plotted.

But for the last four years not a moth has been trapped in the seven previously-infested central Michigan counties of Clinton, Shiawassee, Ingham, Eaton, Calhoun, Jackson, and Ionia. Unless in future years there is reinfestation, Michigan's gypsy moth eradication program has been concluded.

Italy's first printing press was set up in 1466.

Pesticide residues may harm animals, fish about, in water

When an insecticide has done its job of controlling insects, rain washes it off the plant and it disappears in the soil. But that's not always the end of the story, for many chemicals—members of the DDT family, for example—may be carried in runoff water to the streams and lakes or out to sea.

As DDT compounds accumulate in the lake mud, they get into the bodies of small water animals that fish feed upon.

UP TO THIS point water has diluted the chemicals to harmless amounts that cause no worry to man. But from there the life cycle in the lake waters starts to concentrate the DDT—first in tiny aquatic animals, then in fish, and finally in water birds that feed on the fish.

This cycle in Green Bay in Lake Michigan was described at Urbana, Ill., in August by Joseph J. Hickey and J. Anthony Keith, University of Wisconsin wildlife specialists, and by Frances B. Coon of the Wisconsin Alumni Research Foundation, in a report to the American Institute of Biological Sciences holding its annual meeting.

HICKEY and his team of researchers sampled lake mud from 33-foot to 96-foot depths in Green Bay and Lake Michigan on both sides of the Door County peninsula to study the accumulation of DDT and its breakdown products. Then they sampled aquatic animals from the mud, fish from gull stomachs and gill nets, and gulls from nesting islands of the main peninsula.

The bottom mud averaged 0.014 part per million of DDT-related chemicals, a level far below the hazardous range. But when they checked Pontoporeia, a small aquatic animal that lives in the mud, they found its level of the DDT complex to be 30 times more concentrated than in the mud, or about 0.42 parts per million.

TWO SPECIES of fish, chubs and whitefish, taken from deep waters five miles off the mainland showed an even greater buildup of the insecticide materials. These and alewives taken from the stomachs of gulls or gill nests—contained about 10 times the concentration of insecticide as found in Pontoporeia, or about four parts per million.

The end of the food chain cycle in the lake is the bird that eats the fish. Here is the greatest concentration of the chemical in amounts that concern wildlife specialists. The researchers found that herring gulls had 27 times as much DDT in the breast muscle as found in one of the

species of fish. Ring-billed gulls and old-squaw ducks had concentration of the chemicals higher than found in whitefish but much lower than in herring gulls.

HICKEY AND his colleagues said that such concentrations of chemicals in herring gulls probably can poison the birds, especially during periods of starvation or other stress. It is also possible that these birds may experience reproductive failures.

There are still many unanswered questions about pesticides in the wildlife cycle. Researchers don't know, for example, the level of chemical contamination in gull diets throughout the year. Most young herring gulls migrate to the Gulf of Mexico for the winter, but a large number of Lake Michigan's adults stay in the Great Lakes region.

THE RESEARCHERS don't know how often DDT will cause death in a gull. Death usually comes when high concentrations of the chemical get into the central nervous system of an animal. Robins and house sparrows are reported by other investigators to have died when they have 50 to 65 parts per million of DDT in the brain. Apparently healthy gulls in this study averaged 21 parts per million in the brain tissue and 2441 in their body fat.

The researchers don't know how often this supplemental DDT stored in other parts of the body gets into the central nervous system, and they don't know what stress conditions might cause this transfer.

IN TWO YEARS of the study, Hickey heard only a few reports of herring gulls apparently dying of DDT poisoning. Hickey and

Keith found two dead gulls that had brain levels of DDT 8 times higher than they found in live, healthy birds.

The water of Green Bay isn't typical of Lake Michigan and the other Great Lakes, but the results found in the University of Wisconsin study strongly suggest that similar studies be made in the Great Lakes region.

N.F.O.

Many people question the fairness of N.F.O. and say that the farmer is in a very sound financial condition and that he is unreasonable in asking for a higher price.

According to the ECONOMIC INDICATOR, a national U.S. government publication, it shows that the cash receipts from agriculture for 1964 were an estimated 36.8 billion dollars. The production expenses for American agriculture were estimated at 29.7 billion. That leaves a profit on all agricultural marketings in the U.S. of 7.1 billion dollars.

The investment in American agriculture last year was 231 billion dollars. If you work this out, you will find that the profits from marketings of all agricultural production in the United States returned us about 3 per cent interest on our investment, and not one single penny for the work we did as family farmers. This will give you a pretty good idea of how well we've been served by our past marketing agreements.

Now, Mr and Mrs Consumer before you start condemning the farmer for wanting more for his product the next time you go to the grocery store and buy a 29c box of corn flakes you might be interested to know that there is only 2 1/2c worth of corn in it; out of a 21c loaf of bread there is only 2 1/2c of wheat in it and only 29c worth of cotton is used to make a \$4.00 business shirt. We farmers are not to blame for the increased cost of things. During the past 15 years the farmers have increased their production 40%, received 13% less, and his production costs have risen 29%. Our costs have increased and our income has declined. Could this be the reason that the estimated average farm debt in Michigan is \$34,266?

As farmers, we are brilliant when it comes to producing our products, but economic slobs when it is time to sell. We courageously crawl up and say "What will you give me?" Now if that isn't bad enough, we sell everything wholesale, buy everything retail and pay the freight both ways. Now, Mr Farmer, don't you think it is time to change our ways and price our own products?

Says dairymen must explore domestic outlets for surpluses

US dairy farmers, wading through milk surpluses and fighting low prices for a number of years now, would do well to explore areas in addition to foreign markets if they hope to eliminate surplus stocks of dairy products.

Although foreign marketings of US dairy products were up last year, the prospects of this continuing over the long run are not very bright, says Truman Graf, University of Wisconsin dairy marketing specialist.

GENERALLY speaking, there are no great commercial depositories for dairy products overseas that have been overlooked, or which can afford a continued expansion of US dairy imports, Graf says.

The economist points out that although foreign purchases of surplus dairy products were up last year and are continuing at high levels this year, drought that plagued some of the major milk producing areas overseas

in recent years, and a drop in dairy cattle numbers account for most of the increased US exports. Both of these are short-range problems that can be righted, resulting in reduced dairy exports from this country.

AS DEMAND grows in foreign countries, overseas producers can be expected to expand production to meet the local demand. A recently signed Common Market grain price agreement could result in increased feed supplies and also allow freer movement of feed supplies to drought stricken areas of Europe. Both of these could reduce US dairy sales abroad, Graf says.

This does not mean that US producers should stop their search for foreign markets, the economist says. But foreign markets that pay for dairy products in dollars should not be viewed as a solution for this country's surplus dairy problem.

PUBLIC LAW 480, which al-

lows the purchasing country to pay for imported dairy products in their own currency and keep the money in the importing country, cannot be expected to eliminate dairy surpluses either. In many cases, the United States is already moving all the food under Public Law 480 that recipient countries can take — either because of national policy or because of the limitations in handling, storage and transportation facilities.

It is true that there are millions of undernourished people beyond this country's border that could readily absorb all US dairy surpluses. Graf estimates that the world's nutritional milk deficit is about one-third again as large as total US milk production. If this nation pursued an all-out policy of raising nutritional standards around the world, regardless of monetary costs, US surpluses of dairy products and other agricultural commodities could be eliminated over the long run.

HOWEVER THE cost of such a program to this country's taxpayers would be very high. During the last five years, the net cost of dairy support and related programs in this country averaged \$475 million a year. Total cost of all farm commodity programs have been running from \$3.5 to \$4 billion annually.

In light of these already high expenditures and the intense pressure to hold government spending in line, Graf feels it is highly unlikely that an increase in government spending for such program, substantial enough to alleviate US dairy surpluses, will occur.

Graf concludes that dairy product exports promise to be an important market factor in the years ahead, but should be kept in the proper perspective. Exports must be viewed as one part of an overall solution to the dairy problem, and not a cure-all.

ALMOND CRESSMAN
Almond Cressman, Olive Township farmer and supervisor, has been selected to represent Clinton County on the newly formed Michigan Republican Agricultural Council. The council will meet twice a year to set policy guidelines for the executive board and the officers. Purpose of the organization is "to make Michigan a better place to farm by 1) electing more Republicans to office so that 2) our government is more receptive and responsive to the needs of a growing agriculture economy," according to Paul Scott, chairman of the Michigan Republican Agricultural Council.

FHA rural housing loans show increase

Nearly 230 low-income families used over \$2,365,000 of Farmers Home Administration credit during the fiscal year of 1965 for improved housing facilities, Michigan State Director Nyle L. Katz has announced.

Loans for construction and improvement of individual senior citizens homes during fiscal 1965 continued to make substantial gains—a total of \$55,000 for an increase of 53 per cent over the previous 12 months, Katz said.

HOUSING LOANS to individuals other than senior citizens totaled \$2,310,000. These loans ranged from small amounts for minor repairs to loans for constructing modest but adequate rural homes. Some of the funds were used to improve or construct essential farm buildings.

"The rural housing program has brought untold benefits to local communities as well as to the people involved," State Director Katz said. "Improvements made by borrowers on their homes have increased the tax base, making it easier for local communities to finance improvements in roads, schools, and other community facilities."

SINCE THE program was expanded four years ago, over 1,000 rural families have borrowed more than \$10,157,000 to improve their housing.

Losses on Farmers Home Administration rural housing loans since the program started are less than two one-hundredths of 1 per cent of the total loaned.

LOANS by the Farmers Home Administration are made to applicants who are unable to obtain credit from private lenders at reasonable rates and terms. Loans are tailored to individual needs and are accompanied by assistance in farm and financial management.

The local Farmers Home Administration office located in the Miner Building in Owosso loaned a total of \$131,140 for the construction of 10 new homes in Shiawassee and Clinton counties in rural areas during the past year.

Food, autos top July sales tax producers

Food and automotive sales produced the bulk of sales tax revenue in Clinton County during July, the Michigan Department of Revenue reports.

Food sales accounted for \$45,150 in sales tax, while automotive sales brought in \$45,740. Other major business categories and the amounts of money produced include:

BUILDING material, \$26,637; general merchandise, \$4,382; apparel, \$2,629; furniture, \$4,548; miscellaneous retail, \$6,740; and non retail, \$7,392.

Total sales tax collected was \$144,221.60. Total use tax collected was \$4,210.88. The sales tax money was collected by the Department of Revenue in August, but it represented July 1965 sales.

Back tagging at markets aids cattle program

Lower costs in operation of the program to eradicate brucellosis in Michigan cattle herds and the earlier detection of infected cattle are expected to result from the back tagging of cattle offered at livestock auction sales in the state.

Brucellosis is a contagious disease of cattle that has cost herd owners millions of dollars over the years in losses of calves and milk. In humans the disease is undulant fever. Efforts of the Michigan Department of Agriculture's Livestock Disease Control Division and the USDA's Animal Disease Eradication Division have brought incidence of brucellosis to the lowest levels in history.

TRIED experimentally for the past several months, the back tagging program is now in operation in 30 of Michigan's 52 livestock auction sales with others expected to follow suit soon, said Dr. J. F. Quinn, state veterinarian.

When an animal comes to market, an adhesive identification tag is stuck on the back of the shoulder. Personnel at the market report to the Michigan Department of Agriculture the tag number and name and address of the animal's owner.

AT THE TIME of slaughter, a blood sample is taken and is sent with the tag to the department's laboratory. If tests show negative, a record is made, but if the test is positive, the original owner of the animal is notified and his entire herd is tested at no cost to him. If further reacting animals are found in the herd, indemnity is paid and the owner is given assistance in eradicating the disease.

If an owner makes 5 per cent of his cattle in one year or 15 per cent in three years at a livestock auction sale cooperating in the program, his herd is bypassed on the three-year county test, and the county can still be certified.

ADVANTAGES TO the program are elimination of cattle testing at the farm, earlier location of diseased animals, and more economy for both the herd owner and the agencies operating the eradication program. Adopted in most other states, the back tagging program is expected to be in use in all of Michigan's livestock auctions by early next year.

Hog disease proves confusing

A recent experiment shows what happens to a pig when it has parakeratosis—a sickness of hogs which results in mange-like skin lesions and retarded growth. But the men who conducted the test are still not quite sure why some of these things happen.

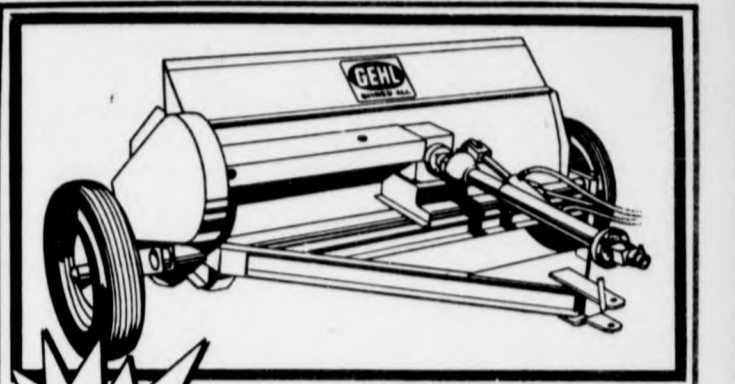

A team of Michigan State University researchers reported that the zinc deficiency which produces parakeratosis increases the number of red and white blood cells.

THEY ALSO noted that the diseased hogs experience a shrinking of their thymus gland—a gland located in the neck and

upper chest which is prominent in the young pig. This gland produces antibodies which fight off disease. The shrinking of this gland indicates that the zinc deficiency probably has some effect on the production of antibodies.

The MSU scientists found severe parakeratosis developed within three weeks in all pigs receiving a zinc deficient diet. And supplemental copper, reported the researchers, did not decrease the severity of the disease.

THE ineffectiveness of copper in this experiment is the direct opposite of findings in some earlier studies. The MSU research team cannot be quite certain why this happened, and they plan more research to investigate this and other factors related to parakeratosis.

NEW GEHL SHRED-ALL ... YEAR-AROUND HANDYMAN

Here's a machine that will never gather dust from idleness. The Shred-All is your year-around handyman that stands ready to shred its share on any farm. The Shred-All's high-speed cutting, 39 free-swinging flail knives perform all jobs well from corn stalk shredding and pasture renovation to straw mulching or root crop de-veining... any land clearing chore. You name the reason (or the season) and the Gehl Shred-All will economically do the job. This easy-running shredder has a low power requirement that is ideal for use with smaller tractors. The handy "center-pull" drawbar position on the Shred-All makes it easy to travel through narrow gates or drive-ways. It also provides a finer cutting job from the equalized "center-pull" drawbar position by avoiding "side-draft."

For more details and a first-hand look at this flail-type Shred-All that will zoom through all your shredding jobs, stop in and see us today!

Roughage combinations make better beef gains

A combination of corn silage and haylage produces beef more efficiently than either roughage fed alone, a pair of Michigan State University animal husbandry researchers report.

"Apparently, the combination is more palatable than either roughage fed individually," according to Hugh Henderson and H. W. "Bill" Newland. "Cattle ate more in our experiments and this, no doubt, accounts for a better performance of these cattle."

IN THEIR most recent feeding trials reported at MSU's Beef Cattle Day, Henderson and Newland found that the combination of roughages produced 100 pounds of gain for 20 cents less than corn silage and almost 30 cents less than haylage fed alone. There was very little difference between any of the rations in the quality of carcass produced.

They also found that to make haylage-fed cattle gain as well as corn-fed cattle, the beefman has to feed one-half pound of shelled corn daily for each 100 pounds of body weight. But when the cattle are fed two parts of corn silage to one part of haylage, almost no extra shelled corn is needed.

AS PART of their tests, Henderson and Newland also compared feeding value of haylage stored in gas-tight versus conventional cement stave silos. In all cases, results were almost identical.

"We concluded that no real difference exists in the feeding value of haylage stored in the two types of silos," the researchers noted.

Detroit Jr. Livestock Show set

The prospects of fame and fortune will attract 400 4-H showmen to Detroit for the 36th annual Detroit Junior Livestock Show Nov. 2-5 at the Michigan State Fairgrounds. The show provides recognition for the 4-Hers ability to bring their animals to peak condition by show-time.

For the first time, judging will be held at night. Livestock will arrive on Wednesday, with judging in the evening and the following morning. The sale of prize animals will follow a special awards luncheon for all exhibitors on Nov. 4.

THE DETROIT Show enjoys tremendous support from the state's livestock industry. Much of the show's glamour and profit goes to the youngster who has the grand champion steer, lamb or barrow. Last year's grand champion Angus steer sold for nearly \$2,000. But the real purpose of the show is an educational event for 4-H boys and girls.

The carcass evaluation contest is gaining in popularity, and enables young showmen to judge animals on the hoof and then compare the results with the finished carcass in the cooler. This gives the junior livestock producers the opportunity to see if their fitting has produced the top-quality meat demanded by today's consumer. This will be the third year that the carcass contests have been held in all three livestock classes.

THE SHOW is sponsored by the 4-H Club Department of the Michigan Cooperative Extension Service and the Detroit Junior Livestock Society. The Society is a group of livestock, business and industrial firms which has sponsored the annual show for 36 years.

...about Purina's "Built-in Roughage" Cattle Program

Wherever cattle are fed, cattlemen sing the praises of Purina's "Built-in Roughage", a self-feeding program with new Special Steer Fatena.

They didn't take to this new idea overnight. Cattlemen, like all good business men, buy on FACTS. And that's exactly why "Built-in Roughage" feeding keeps on winning friends among cattle feeders... they keep getting FACTS from cattle fed in Purina Demonstrations.

They note the gains and efficiency of "Built-in Roughage"-fed cattle. They see how this program works with self-feeders, which offers big savings in labor and equipment.

Purina Special Steer Fatenas are the original "Built-in Roughage" supplement. They hold the secret to this giant step forward in cattle feeding. We have one that's "Built-to-Fit" your cattle and feed supplies.

Proceedings of the Clinton County Board of Supervisors

WEDNESDAY, SEPTEMBER 8, 1965

The Clinton County Board of Supervisors met on this date at 10:00 a.m. Prayer was offered by Supervisor Carter. A pledge of Allegiance was given to the flag. Roll was called and a quorum reported. Minutes of the last session were read and approved.

Ray Price, newly appointed Supervisor from the City of DeWitt, was introduced to the Board. A motion by Supervisor Tiedt and supported by Supervisor Moore, that Mr Price be seated as a member of the Clinton County Board of Supervisors, was voted and carried.

After the reading of communications a letter announcing the holding a seminar in Grand Rapids for dog wardens, was referred to the Agricultural Committee, on motion of Supervisor Austin, supported by Supervisor Mayers.

The Chairman appointed the Board as a Committee of the whole to attend House apportionment hearings to be held in Frankenmuth on September 9, 1965, and in Lansing on September 16, 1965.

The Chairman appointed the Board as a Committee of the whole to attend an Assessor's Tax Conference to be held in Detroit on September 12th through September 14, 1965.

The Chairman appointed the Board as a Committee of the whole to attend a Sixth District Association of Supervisors meeting to be held in Howell on September 15, 1965.

F. G. Butler, a member of the Lansing Mayor's River Improvement Committee, spoke to the Board, for the purpose of answering questions concerning the Grand River Basin Authority.

A motion was made by Supervisor Shinabery and supported by Supervisor Nobis that the following resolution be adopted. Motion carried.

RESOLUTION TO RELINQUISH JURISDICTION OVER THE HAZE DRAIN

WHEREAS, the Drain Commissioners of Ingham and Clinton County, in the State of Michigan, have jurisdiction and control over the Haze drain, an inter-county drain of the said two counties now situated in part with the limits of the City of Lansing; and

WHEREAS, the City of Lansing, at a regular meeting of the Lansing City Council held on Monday, June 21, 1965, has resolved to assume jurisdiction over and maintain, control and operate the Haze inter-county drain and,

WHEREAS, the relinquishment of jurisdiction and control over said drain by the County of Clinton to the City of Lansing would continue to provide said county with the benefits of said drain without cost to said county;

NOW THEREFORE, BE IT RESOLVED, that Clinton County relinquish jurisdiction and control over the Haze inter-county drain, provided that the City of Lansing maintain, operate and control said drain, free of cost to Clinton County, in such a manner so as to provide drainage for that portion of Clinton County presently served by said drain.

RESOLVED FURTHER, that copies of this Resolution be sent to the Michigan State Department of Agriculture, the County Drain Commissioners of Ingham, Clinton and Eaton Counties, and to the Lansing City Council.

Chairman of the Board of Supervisors ALMOND B. CRESSMAN
Drain Committee RAYMOND L. MAYERS
DERRILL SHINABERY
WALTER THELEN

A motion made by Supervisor Clark and supported by Supervisor Angell, that reading of Supervisors' expense accounts be dispensed with and they be paid as presented, was voted and carried.

The Chairman then declared a recess until 1:30 p.m.

After recess, Gerald Walter, as Zoning Administrator, and Mr Martin, representing Viceroy Homes of Detroit, spoke to the Board. Their question concerned the construction of Viceroy Homes and the Clinton County Building Code.

Charles Frost, Civil Defense Director showed a film on Medical Self Help to the Board.

Ray Osborn and Warren Coffman, members of the Social Welfare Board, spoke to the Board concerning the merger of the Clinton County Social Welfare Department and the Bureau of Social Aid. After discussion, a motion was made by Supervisor Shinabery and supported by Supervisor Shepard, that this Board concur with action of the Clinton County Social Welfare Board, taken on September 2, 1965, wherein the following action was taken. Motion carried.

After reviewing the study of Public assistance services in Clinton County made by the State Welfare Department which was requested by the Board of Supervisors, it was moved by Mr Osborn, seconded by Mr Wright that the functions of the Welfare Department and the Bureau of Social Aid be merged. Motion carried.

A letter from the Michigan Department of Health was read to the Board. Supervisor Howe, Chairman of the Health Committee, reported on a meeting of that Committee with the Health Department. After discussion a motion was made by Supervisor Krebel and supported by Supervisor Angell, that the Health Committee of the Board of Supervisors be named as the Committee to further work with the State Health Department and the representatives from surrounding County Boards to try and initiate a plan for the forming of a County Health unit. Motion carried.

After a report from Supervisor Tiedt, as Chairman of the Records Committee, a Motion was made by Supervisor Shepard and supported by Supervisor Coletta, that the Records Committee be given power to act on the purchase of equipment requested by the Probation Officer. Motion carried.

A motion was made by Supervisor Clark and supported by Supervisor Nobis, that the Records Committee be given power to act on the purchase of equipment for the Clerk's Office. Motion carried.

A motion was made by Supervisor Moore and supported by Supervisor Buck, that the records committee be given power to act on the purchase of equipment requested by the Circuit Judge. Motion carried.

Supervisor Shinabery, Chairman of the Appropriation and Finance Committee, presented a revised budget for Clinton County, which had been advertised for a final public hearing at this time. After discussion a motion was made by Supervisor Shinabery and supported by Supervisor Clark, that the budget as presented, showing a total need for expenditure of \$819,621 with \$575,286 to be raised by property taxation, be hereby adopted. Motion carried by a unanimous Aye and Nay vote of all members present. Supervisor Reed was absent.

A motion was made by Supervisor Shinabery and supported by Supervisor Angell, that the County Treasurer be authorized and directed to transfer the sum of \$3,297.54 from the General Fund to the Revolving Drain Fund to be credited to Branch No. 1 of the Big Horn Drain. Voting Aye on roll call were Supervisors Mayers, Gove, Hufnagel, Angell, Moore, Howe, Setterington, Shinabery, Nobis, Cressman, Austin, Underhill, Carter, Thelen, Clark and Price. Nay - Supervisors Shepard, Krebel, Coletta, Tiedt and Buck. Supervisor Reed was absent. 16 Ayes - 5 Nays. Motion declared carried.

A motion was made by Supervisor Setterington and supported

by Supervisor Hufnagel that this Board approve the request of the City of St. Johns, to enter the taxes in one total sum, as provided in Sec. 211.39 of the General Property Tax Laws of the State of Michigan. Voting Aye on roll call were Supervisors Shepard, Mayers, Hufnagel, Angell, Moore, Howe, Setterington, Austin, Carter, Thelen, Clark, Coletta, Tiedt, Buck and Price. Nay - Supervisors Gove, Shinabery, Nobis, Cressman, Krebel and Underhill. Supervisor Reed was absent. 15 Ayes - 6 Nays. Motion declared carried.

Chairman Cressman appointed Supervisor Price to act upon the following committees for the balance of the organization year. Appropriation and Finance, Civil Defense, Highway and Welfare.

On motion of Supervisor Tiedt, supported by Supervisor Buck, the Board adjourned to Monday, September 20, 1965, at 10:00 a.m.

PAUL WAKEFIELD ALMOND CRESSMAN
Clerk Chairman

MONDAY, SEPTEMBER 20, 1965

The Clinton County Board of Supervisors met on this date at 10:00 a.m. Prayer was offered by Supervisor Setterington. A pledge of Allegiance was given to the flag. Roll was called and a quorum reported. Minutes of the last session were read and approved.

Reports were made by Supervisor Howe, Chairman of the Health Committee; Supervisor Hufnagel, Chairman of the Agricultural Committee and Supervisor Gove, Chairman of the Welfare Committee. Chairman Cressman reported on a meeting at the East Michigan Tourist Assn. and Supervisor Krebel reported on a reapportionment meeting in Detroit on September 12th.

Chairman Cressman appointed Supervisors Gove, Krebel, Shepard, Carter and Shinabery to make a further study of reapportionment in Clinton County.

Supervisor Mayers, in a report as Chairman of the Drain Committee, recommended and moved, adoption of the following resolution. Motion was supported by Supervisor Clark, voted and carried.

WHEREAS, the representatives of the Grand River Watershed Committee have unanimously approved a petition to be directed to the Michigan Water Resources Commission for the formation of the Grand River Watershed Council pursuant to Act 253 of the Public Acts of 1964; and

WHEREAS, the said Grand River Watershed Committee has ordered that this petition be submitted to the eligible governmental units for approval, and has requested this Council to approve the same, and to authorize the Chairman and the Clerk to sign the same on behalf of the County of Clinton and

WHEREAS, the purposes and functions performed by the Grand River Watershed Council, to be established, are hereby determined to be in the best interests of the County of Clinton; and

WHEREAS, it is recommended that this County of Clinton participate in the formation of such a Watershed Council;

IT IS, THEREFORE, RESOLVED That this Board of Supervisors approve the said petition to be submitted to the Michigan Water Resources Commission, and hereby authorizes its execution by the Chairman and Clerk as aforesaid.

Supervisors' expense accounts were read and a motion by Supervisor Carter, supported by Supervisor Thelen, that the expense accounts be paid as read, was voted and carried.

The Chairman then declared a recess until 1:30 p.m.

After recess, Gerald Shepard, Chairman of the Salary and Clerk Hire Committee, presented a report in the form of a revised salary schedule. After considerable discussion of the salary schedule versus a retirement plan, it was decided to invite L. L. Farrell, Executive Secretary of the State Retirement Board to speak to the Board at their next meeting.

A motion was made by Supervisor Shepard and supported by Supervisor Reed, that a full-time secretary be employed for the Health Office. Voting Aye on roll call were Supervisors Shepard, Howe, Austin, Krebel, Underhill and Reed. Nay - Supervisors Mayers, Hufnagel, Moore, Setterington, Shinabery, Cressman, Carter, Thelen, Clark, Tiedt, Buck and Price. Supervisors Gove, Angell, Nobis and Coletta were absent. 6 Ayes - 12 Nays. Motion declared lost.

After a recommendation of the Salary and Clerk Hire Committee, a motion was made by Supervisor Austin and supported by Supervisor Clark, that the Salary and Clerk Hire Committee be given power to act in the advertising and the hiring of a Building Superintendent. Motion carried.

Plymouth Satellite

Sitting around a Plymouth Dealer's showroom isn't exactly the Satellite's idea of excitement.

Give it a go.

Satellite is the spirited new leader of the all-new Plymouth Belvedere line. Standard equipment runs like this: Front bucket seats. Center console with glove box. Special wheel covers with spinner hubs. A padded instrument panel. Variable-speed windshield wipers with windshield washer. Back-up lights. Torsion-bar suspension. A 273-cubic-inch V-8. Power is a passion with the Satellite. Optional V-8s check in at 318, 361, and 383 cubic inches. That's forceful. And that's Satellite. Satellite. The top of the Plymouth Belvedere line for '66. The line forms at your Plymouth Dealer's.

See Plymouth in action on NCAA and AFL Football and The Bob Hope Show, NBC-TV.

Autumn is prime hunting, fishing time in Michigan

The pursuit of small game, the anticipation of big game trophies, the honking of big birds on the migratory flyways and the thrashing of scrappy trout in swift-moving streams combine to make autumn a prime season for sportsmen in Michigan.

brown and scarlet against a backdrop of evergreen.

WARM HAZY days and pleasantly cool nights, virtually free of summer's insects, add to enjoyment of the season.

Fishermen who put away rod and tacklebox with the first sign of autumn miss one of Michigan's finest fishing seasons.

The state puts its best foot forward for autumn visitors, with 19 million acres of forest land splashed with gold, bronze, red,

Although the regular trout sea-

son ends in early September, some 375 lakes and streams in 62 counties have been specially designated for an extended season on rainbows and browns through Nov. 30. Bass, pike, walleyes and panfish are also legal during the autumn months and provide excellent sport.

OCTOBER HAS three red letter days for Michigan hunters. Oct. 1 marks the start of three seasons, bear hunting in the upper peninsula, bow and arrow hunting throughout the state and the small game season in the northern two-thirds of the state. Southern lower Michigan small game hunters swing into action starting Oct. 20.

Small game hunters have an opportunity to sharpen their shooting eyes before the regular season at some 60 pay-as-you-hunt shooting preserves where the principal targets are pen-reared pheasants and mallard ducks. The Michigan preserve season opened Sept. 15 and continues through March 31.

WATERFOWL hunters in Michigan can uncase their guns Oct. 11 when ducks, geese, coot, rails and Wilson snipe become fair game.

The elusive wild turkey will be legal game for the first time since pioneering days when 400 holders of special permits open fire Nov. 6-14, in parts of Alcona County, where the birds are considered at the limit of their range.

Quail will come under fire for four days, Nov. 11-15, in 15 lower Michigan counties.

THE MICHIGAN firearm deer season opens Nov. 13 in the Upper Peninsula and Nov. 20 in Lower Michigan, continuing through Nov. 28 and Dec. 5, respectively. More than 500,000 hunters are expected to take aim at the herd of some 800,000 white-tails.

This is the first time in recent years that the lower Michigan deer season has opened on a date other than Nov. 15. From now on, plans are for the season to open on the second Saturday of November in the Upper Peninsula and the third Saturday in Lower Michigan. This provides four week-ends of hunting.

In southern Lower Michigan a second partridge season is set for Dec. 6-31.

HOLDERS OF 300 special permits will take part in the state's second annual special elk season Dec. 8-16, in parts of Cheboygan, Presque Isle, Otsego and Montmorency counties where the elk

City Commission Proceedings

OCT. 6, 1965

The regular meeting of the City Commission was called to order by Mayor Smit at 7:30 p.m. Present: Commissioners Kentfield, Irrer, Serrine, Coletta, Smit. Absent commissioners, none. Staff present: City Atty. Reed, City Clerk Clark.

The necessity of these three change orders and why they were not included on the original plans. Motion carried.

Mr James Prince appeared before the city commission requesting final disposition by the city commission of Prince Estates No. 2 Subdivision. Mr Prince presented a performance bond from the St. Johns Development Co. and a letter of credit from the Clinton National Bank in the amount of \$65,000 in favor of the St. Johns Development Co. Motion by Commissioner Kentfield, supported by Commissioner Serrine, to approve the plat of Prince Estates No. 2 Subdivision. Yeas: Kentfield, Irrer, Serrine, Coletta, Smit. Nays: None.

THIS BEING THE night set for a public hearing on Ordinance No. 187, the new zoning ordinance, Mayor Smit asked were there persons to be heard from the floor on this proposed ordinance. There being none, it was considered this constituted the first reading of this ordinance and it would be presented for official adoption at the next Commission Meeting, and the Clinton County News would publish this ordinance Oct. 21, 1965.

The city clerk read a letter from Mr and Mrs Robert Rand offering for sale a parcel of land 66 feet East and West by 132 feet North and South, a part of the SW 1/4 of Section 16 that may be used by the city as proposed Wight Street extension from Oak Street to Townsend Road. This offer for sale at \$25.00 per front foot would be valid for 30 days. Motion by Commissioner Coletta, supported by Commissioner Irrer, the letter from Mr and Mrs Robert Rand be referred to the planning commission for their recommendation. Motion carried.

THE CITY CLERK presented a letter from Ayres, Lewis, Norris and May, consulting engineers, with reference to three change orders regarding the water treatment plant construction. This letter recommended the contract change orders by approved. Motion by Commissioner Kentfield, supported by Commissioner Irrer, the city clerk write a letter to Ray Smit of Ayres, Lewis, Norris and May, consulting engineers, asking he attend the next commission meeting to explain

herd, numbering an estimated 3,500 animals, has overbrowsed its range. Free brochures on hunting and fishing in Michigan, including 1965 seasons, fees and a list of lakes and streams open for the extended trout season, can be obtained by writing the Michigan Tourist Council, Stevens T. Mason Building, Lansing, Mich., 48926. SPORTSMEN MAY also write the Tourist Council for free copies of its autumn events calendar, color tour guide and attractions folder.

THE CITY Clerk presented the following three letters to the city commission: Adam and Mary Krzak (Capri Motel); Donald Riddle and Charles Berkhausen Jr. Each of these letters indicated disapproval of the proposed sewer rate to be charged to their properties. The city commission discussed at length eight properties now serviced by the city with sanitary sewer only. Commissioner Coletta offered the following preamble and resolution and moved for its adoption, which was supported by Commissioner Kentfield.

RESOLUTION
October 5, 1965
WHEREAS: Ordinance No. 186 Section 10, Item 4, Sub-Item D establishes the right for the city commission to designate a Special sanitary sewer rate for those customers who utilize the public sanitary sewers, but do not utilize the public water supply, And
WHEREAS: The administrative services of the City of St. Johns has prepared and mailed a notice to the following listed customers pointing out that such rate shall be determined at this city commission meeting, and
WHEREAS: The customers involved have had due opportunity in which to present information of fact and figure,
Be it therefore resolved that this city commission hereby resolves that the following rates shall apply.

ACCOUNT No. 1358, Wheel - Inn \$24 rate; 1359, Wes' Gulf Station \$18; 1360, Mrs Juanita O'Leary \$7; 1239, Mr Donald Riddle \$7; 1332, Mr Charles Berkhausen Jr. \$7; 2169, Mr George Mesh \$7; 1357, The Capri Motel \$30; 11006, Gale and Mary Stevens, \$7.

Be it further resolved that these rates as established in this resolution shall be charged these customer each quarter until amended or changed by resolution of the city commission of the City of St. Johns. Motion made by Coletta, supported by Kentfield, voted and carried this 5th day of October 1965.

DONALD CLARK,
City Clerk
Yeas: Kentfield, Irrer, Serrine, Coletta, Smit, Nays: None.

The city clerk read the following written applications from water users seeking the establishment of a special sewer rate as provided in Section 4 of Ordinance No. 186.

Andy's IGA, N. US-27-1205; Swatman's Service, 601 E. State; Texaco Service, 103 N. Whittemore; Huntoon's Service, 610 W. State; Ken's Sunoco Service, 901 N. US-27; Richards' Dairy, 205 Brush Street; Federal Mfg Corp., 511 N. Mead; St. Johns Stockyards, 508 E. Steel; Sealed Power Corp., 916 W. State; Leo Corkin (Swim. Pool) 401 S. Lansing; Karber Block Co., 817 Church Street.

In addition to the above letters of application for reducing sewerage rates, there were numerous individuals, companies and industrial corporations represented by persons attending the commission meeting. After considerable discussion, Mayor Smit appointed Commissioners Coletta and Kentfield as a special committee to study Ordinance No. 186 with the city attorney and report their recommendation.

Motion by Commissioner Kentfield, supported by Commissioner Irrer, Mr George McCurry be appointed to a three-year term on the board of review. Motion unanimous.

Mr Rollie Ordway, director of the Department of Public Works, explained to the city commission the necessity of a new V-shaped blade for the sidewalk snow tractor. Motion by Commissioner Serrine, supported by Commissioner Coletta, a V-shaped Snow Blade be purchased from Oliver Montague Tractor Sales in the amount of \$366.40. Motion carried.

CITY ATTY. REED requested an additional two weeks to further study his forthcoming recommendation to be presented to the city commission with reference to special assessment procedures of corner lots. Mayor Smit agreed with this request.

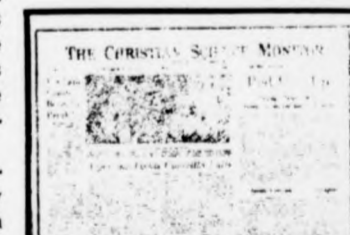

City Atty. Reed reported the problem of requiring property owners to cut noxious weeds would normally be enforced by Ordinance No. 54. Mr Reed suggested a nuisance ordinance be adopted by the city commission using the state statute as a form guide, explaining this ordinance would be more versatile and would gain greater strength for enforcement. The city commission agreed and requested the city attorney prepare a proposed nuisance ordinance to be presented to the city commission upon completion.

Mayor Smit expressed his displeasure of the deplorable conditions of the park restrooms and swimming pool locker rooms and the concession stand basement. The city commission requested Mayor Smit meet with the city manager and discuss this problem.

Mayor Smit declared the meeting adjourned at 9:20 p.m.

Under the Federal Aid in Wildlife Act, enacted in 1937 about 2.5 million acres of land have been acquired for wildlife. More than \$250 million has been channeled into state wildlife restoration activities under this act. All this money has come from a hunter-sponsored tax on firearms and ammunition.

- WHAT IS POLLUTION?**
- Pollution, like the word "quality," has many meanings, reports the National Wildlife Federation. To some people, pollution means acid mine wastes flowing into a stream; to others, the introduction of pesticides and agricultural chemicals, or the discharge of untreated sewage, or sediment from urban development. To the angler, it may be water temperature too high for sport fish to survive. Perhaps the simplest definition of pollution, says the Federation, would be "any impairment in water quality that makes the water unsuitable for beneficial use."

Fresh styling, new series highlight '66 Ford lines

Dramatic fresh styling—including a new two-door hardtop roof line—a new "7 Litre" series with 428-cubic-inch V8 engine and front-wheel power disc brakes, and even higher standards of quietness, luxury and performance stand out among 1966 Ford features.

Important revisions have been made in the revolutionary Ford suspension design introduced in 1965 to provide an even quieter ride and better handling in 1966. Front spring and shock absorber rates have been modified, and the rear suspension track bar has been lowered to achieve a better "balanced" ride. This fine tuning of the 1966 Ford suspension provides a better handling feel with reduced pitch and improved straight-line stability.

THE NUMBER of engines available to Ford buyers has been increased to nine in 1966 from six in 1965.

Heading the list of new engine choices is a 428-cubic-inch V8 with hydraulic valve lifters. This engine is standard on the new 7 Litre series, and is optional on all other Ford models. It is unique in offering the best of two worlds—outstanding performance combined with smoothness, quietness and low-speed tractability.

Another advantage is that the new 428 can be ordered with automatic transmission, power steering, power brakes, air conditioning and limited-slip differential—options not available with the extra high-performance 427 engine.

FRONT-WHEEL power disc brakes are another standard feature of the 7 Litre series. They may be ordered on all other Fords for 1966. Disc brakes were pioneered on the Thunderbird and Mustang in 1965. Advantages include optimum fade resistance, quieter operation, easier serviceability, self-adjustment, and lining life equal to or better than regular brakes.

A Stereosonic tape player that provides up to 80 minutes of selected stereo music is another option new for Ford buyers in 1966. The tape player mounts underneath the dash.

FORD PIONEERING in stationwagon design also continues in 1966. To the dual-center-facing rear seats and built-in rear win-

dow air deflector introduced last year has been added a new standard equipment dual-action tailgate. The dual-action tailgate may be opened either as a conventional tailgate for carrying long loads, or as a door to permit easy access to the cargo area or the dual-facing rear seat.

Introduction of the all-new Ford Galaxie 500 7 Litre series with convertible and 2-door hardtop models expands the 1966 Ford lineup to 19 models in nine series from 17 models in eight series.

NEW SAFETY features standard on all 1966 Fords include outside rear-view mirror, back-up lights, padded dash and visors, rear seat belts, windshield washers and emergency flashers. New

Fords also feature a thicker laminate windshield which has been shown to provide added protection in the event of a collision.

All 1966 Fords will be in Ford dealer showrooms on Oct. 1.

PROGRESS NOT ALWAYS THE BEST

A forest saved from a bulldozer may be more in line with genuine progress than the four-way highway that some politicians would prefer. A clean river, fit for swimming and stocked with healthy fish, may have more value for future citizens than some of the products turned out by the factories that might pollute the same waterway. A heritage of abundant wildlife may be more appreciated by our sons and daughters than chemical sprays and hastily planned housing developments—Bishop Robert Hatch in Maryland Conservationist.
