## 2 from St. Johns die while hunting

Deer hunting took a heavy toll of lives in Michigan this week, and St. Johns and Clinton County had the misfortune of sharing in the deaths.

Two hunters from St. Johns died in the woods, one from a gunshot wound and the other from a heart attack.

Bernard Nowak, 48, of 413 Meadowview Drive, was dead on arrival at Saginaw St. Mary's Hospital where he was taken Saturday evening after being

shot while hunting with his wife and son in Gladwin County.

HOWARD R. Plowman, 68, of 705 N. Ottawa Street, died of a heart attack in Freeman Township east of Clare while he was waiting for assistance in removing a deer he had just killed and dressed out.

There were hunting mishaps closer to home, too. In Olive Township Saturday, Calvin Bretz, 28, of 3652 Chadwick Road, DeWitt, was wounded in the chest while hunting deer in Section 25 of Olive Township. He was taken to Sparrow Hospital in Lansing where he was treated and released. He was shot by a .22

rifle bullet fired by an unknown hunter.

THE HUNTER who fired the shot which killed Mr Nowak was also still unknown Tuesday morning. According to reports, Mr Nowak was hunting with his wife and son Keith, 11. He had reportedly shot at a deer and was tracking it; the deer circled and came between him and another party of four or five hunters.

There were several shots from the other party, with apparently one of those striking Mr Nowak, who was with his son at the time. Because of few and bad roads in the area, it was decided to drive Mr Nowak out of the woods in a station wagon. He was taken to West Branch and transferred to an ambulance. He died en route to Saginaw to the hospital.

THE SHOOTING mishap occurred about 4:30 p.m., and Mr Nowak died at about 9:10 en route to the hospital.

Mr Plowman, hunting east of Clare, had reportedly shot a deer and called with a walkie-talkie unit for others in his party to assist him in dragging the deer out of the woods. He was found face down on the ground, where he had collapsed after dressing out the deer. His death came at about 5:30 p.m. Saturday.

Complete obituary information on Mr Nowak and Mr Plowman can be found on Page 7-A.

## Surviving hunters report successes

Deer hunters who have survived the annual trek into the woods report fair success after the first weekend of hunting in the Lower Peninsula.

Detailed reports were few, however, and most hunters felt compelled to pass up picture taking and get their venison to the locker plants because of the temperature readings in the mid-to high-40s over the weekend.

Donald Hiar of 711 Garfield, St. Johns, got a five-point buck three miles east and two miles north of Ashley about 11:15 a.m. Saturday.

GENE BENSON of 107 E. Gibbs, St. Johns, dropped a four-point buck about 9 a.m. Saturday while hunting alone about a mile north of Ashley. It was his first success after 12 years of hunting both with gun and bow and arrow.

Over in the Hubbardston area, the following deer hunters reported successes Saturday morning: Clarence Stoddard, Bobbie Tait, Virgil Tait, Robert McMillan, Duane LaSarge, Dennis Boomer, Terry Girbin, Pat Curry and Russell Dalley.

AT THE Buggs' Brothers Locker Plant in St. Johns, deer were piling up Monday, as 71 hunters had dropped off their animals for processing. The successful hunters there included:

Pat DeBoer, Gary Glazier, Gary Bensinger, LeRoy Sanders, W. Williams, Ed Tomasek, John Albers, Joe Batora, Louis Nabefeld, Louis Nabefeld Jr., Tom Nabefeld, Red Sillm, Keith Shafley, Gerald Sonier, Dave Livingston, Winston Miller, T. A. Brooks, Joe Balara Jr., Karlis

## County nurse's aide resigns

Mrs Princess Parker, assistant to the county nurse, has resigned to take a position as a second nurse on the St. Johns Public Schools staff.

Her resignation will be effective Dec. 6. Mrs Parker will be working with Mrs Gertrude Buehler at the school.

Mrs Parker was with the county nearly five years. No word has been received as to a replacement on the county staff. Mrs Luella Canfield, county nurse, will handle the office and outside duties alone until other arrangements are made.

## 79 degrees!

The Clinton County Communities Chest fund increased slightly in value this week, with a total of \$23,186.51 reported Tuesday by Chest Treasurer Charles Huntington.

That works out to about 79 per cent of the goal of \$29,350. Last week's report was for \$22,444.01.

Here are the totals to date:

- Business and employees—\$5,613.20
- Industry and employees—\$8,372.40
- All other St. Johns—\$3,603.25
- Village of DeWitt—\$667.22
- Village of Elsie—\$814.50
- Village of Maple Rapids—\$94.39
- Village of Ovid—\$2,102.40
- Bingham Township—\$306.50
- DeWitt Township—\$465.00
- Duplain Township—\$200.00
- Greenbush Township—\$306.75
- Olive Township—\$251.20
- Ovid Township—\$251.20
- Victor Township—\$138.50.

## Dedicate De Witt church Sunday

DeWITT—St. Anne's Episcopal Church, at the corner of US-27 and Webb Road southeast of DeWitt, will be formally dedicated at special ceremonies this Sunday afternoon.

The Rt. Rev Richard S. Emrich, bishop of the Diocese of Michigan, will officiate at the ceremonies and will deliver the dedicatory address.

The service will begin at 3 p.m. Sunday.

ST. ANNE'S Church, while in a new building, dates to May 6,

1958, when a group of 15 members from St. John's, St. Paul's and St. Katherine's Episcopal churches met in the home of Sheril and Laura Tingay in DeWitt to discuss organizing a new church.

A study group was formed, and it met weekly during the summer months under the direction of the Rev Durwent Suthers of St. Katherine's.

The name of St. Anne's was chosen for the diocesan mission at an organizational meeting in September 1958. The first service of Holy Communion was held in the DeWitt Township Hall in

## South Lyon man killed in crash

Thomas R. Workman, 34, of South Lyon became Clinton County's ninth traffic accident victim early Sunday when he was thrown from his wrecked car on Round Lake Road.

Coroner Van W. Hoag of St. Johns said the victim died of skull fractures and internal injuries.

State police, who investigated, said Workman's car was traveling east on Round Lake Road east of Krepps Road when the auto left the roadway, overturned several times and stopped 300 feet away. Workman's body was found 60 feet from the car by Norman Runstead, 19, of 9112 Chandler Road, Laingsburg.

WORKMAN'S CAR reportedly left 60 feet of skid marks before leaving the road.

Last year the ninth traffic victim died Oct. 17, 1964.

## Ovid-Elsie work unhurt by pickets

Union picketing at the new Ovid-Elsie High School site was short-lived last week, and after only a day's loss of time work has been renewed and is progressing normally.

The picketing was part of the labor holiday declared last Wednesday by 18 international affiliated unions from construction work in Central Michigan

But unlike the Lansing area where picketing and some violence spilled over into the weekend, the Ovid-Elsie pickets were relatively quiet, and the picketing lasted, for all practical purposes, only one day.

There was some violence at the school site on Hollister Road in Duplain, however.

SOMETIME between 4:30 a.m. when the time pickets arrived and dawn, rocks were thrown through the windows of several trailers parked on the construction site. Some one fired a shotgun into the air.

Dawn threw light on an estimated 600 union pickets, sitting in cars and standing along the road in all directions from the intersection of Hollister and Colony roads. Driveways into the school construction area were blocked by the pickets, who were protesting the influx of non-union contractors into the mid-Michigan area.

THE NORMAL work starting time of 7:30 came and went, and no school construction workers appeared to challenge the picket lines.

To discourage any trouble, Clinton County Sheriff Percy Patterson had two deputies, Fred Corson and Hilary Hafner, at the scene all day last Wednesday. There was also a state police detective in plain clothes, and several state troopers were noted during the afternoon.

But the pickets didn't have violence on their minds, and they appeared to be enjoying the "holiday" as just that. The day was sunny and bright, though cool. They laughed, joked and almost posed for the photographer when he took the accompanying picture Wednesday afternoon.

THURSDAY morning the construction site returned to near normalcy. Construction workers went back to their jobs, unopposed by pickets. The three or four pickets who were there soon wandered back to their cars and before long were gone.

On Wednesday, however, the

The successful bidder for the job was Erhardt Construction Co. of Grand Rapids, whose men are organized by the Christian Labor Assn. The CLA, with national headquarters in Grand Rapids, was organized in the early 1930s by persons who were then unhappy with union tactics.

THE CLA has been officially recognized by the National Labor Relations Board and as a result, its organized contractors can bid on public buildings.

THE apparent picketing emphasis on the Ovid-Elsie job stems from what one observer said was a "preliminary cause" of the labor holiday Wednesday—the letting of the contract about six weeks ago for the Ovid-Elsie High School.

Upon request the CLA also for-

## Largest Eberhard store opening in Valley Farms

The newest and largest store in the growing Eberhard's food store chain will open to the public next Tuesday in southern Clinton County in the Valley Farms area.

The largest of 23 stores in the Eberhard chain, the Clinton store will have 35,000 square feet of floor space. It is located at US-27 and Boichot Road in DeWitt Township, just north of State Road.

THE 40,000-square-foot building will also house a barber shop, beauty shop and dry cleaners.

Wayne Eberhard, executive vice president and general manager of Big E, said all departments of the store will be increased in size over their other stores, resulting in more linear feet of food shelves and a larger stock of a larger variety of items.

Included in the huge grocery store will be about 5,000 square feet of home goods under the sales auspices of the Ben Franklin stores. Eberhard District Supervisor Richard Flotitz said there will also be an automatic vendor machine lunch room for both customers and employees.

OCCUPYING THE northwest corner of the building will be a barber shop operated by Al Brown, the Dodgson Beauty Salon and a Martini Dry Cleaners business operated by John Tietz. The three businesses, though in

the same building, are separated from the grocery store by walls.

Richard Cairns, who lives on Airport Road northwest of St. Johns, will be the manager of the new store. A large, blacktopped parking lot is provided for cus-

## Bloodmobile here Dec. 9

The semi-annual visit of the American Red Cross Bloodmobile to St. Johns has been scheduled for Thursday, Dec. 9.

The Bloodmobile will be set up at the St. Johns Municipal Building auditorium. Hours for the collection of blood from donors will be from noon until 6 p.m.

No quota has been set for this visit, but residents are reminded that a good turnout will allow Clinton to continue participation in the Bloodbank program, whereby blood is available free to all county residents who need it.

Last December 215 pints of blood were given in the city Bloodmobile visit. In July this year 236 pints were donated.

Women of the First Baptist Church will be in charge of the canteen at the Bloodmobile.

tomers between the store and US-27 and Northcrest Road.

The store is the third Eberhard store in the immediate Lansing area. There is one in St. Johns, also.

## 14 to represent Clinton at big NFO convention

Members of the Clinton County NFO are making plans to send elected delegates to the annual national convention of the NFO, which will be held at St. Louis, Mo. next Wednesday and Thursday in the Kiel Auditorium.

Fourteen delegates will be attending from Clinton County.

Elmer Smith, Clinton County president, states, "This will be record convention for NFO because of the growth of the organization. Delegates from 25 states will make it the largest convention of farmers to be held in the nation this year."

The two-day session will be filled with activity. The main emphasis will be on the business sessions. Success in bargaining on dairy, grain and meat commodities will be revealed. Nationally-known speakers will be featured on both evening programs.

## Paying water bill up to homeowner

Water bills are the responsibility of the person who owns the property at the time the bill is issued, and unpaid bills will become a lien against the property involved.

That was the reminder the City of St. Johns sent out last week to all area realtors. The letter was partially a result of a complaint by a new citizen of St. Johns that he had received a water bill for a three-month period, even though he had lived in the home only for the last month of the three months.

CITY OFFICIALS explained it was their policy to send the bills to the home owner. They pointed out that it was up to new home owners to work out with the previous owners the pro-rating of the water bills.

The letters were to remind the realtors of the area about this long-standing policy to avoid any such future controversies.

## Car hits tree, driver unhurt

Edward J. Ladiski, 17, of R-1, Elsie, escaped injury about 8:15 a.m. last Thursday when his car went into a ditch along Island Road east of St. Clair Road in Duplain Township. Ladiski said he lost control when something went wrong with the steering mechanism. The car hit a tree after it went into the ditch.

St. Anne's Episcopal Church, at the corner of US-27 and Webb Road, is essentially completed, although basement interior work and exterior landscaping remains to be done. The church will be dedicated this Sunday afternoon.

June 1959 with the Rev Howard Simpson as celebrant. Weekly morning prayer services began in September and were conducted by lay readers from DeWitt and St. Johns.

THE FIRST organist was Laura Tingay who, along with Mabel Lee, guest organist, and Jennie Howard coaxed music from an army field organ until a new electric organ was purchased in 1962. Myrna VanEpps is the present organist.

A class of eight was confirmed in April 1959 by Bishop Emrich in St. Johns. This was followed by a reception for him in DeWitt. Bishop Crowley and Bishop DeWitt confirmed other classes and Bishop Emrich confirmed the first class in the new building.

IN OCTOBER of 1962, the Rev Robert McClellan became St. Anne's first vicar. In the spring of 1963, land was purchased through the help of the diocese and plans were made to build a church. The ground-breaking service was held on July 14, with the Rev McClellan and Rev G. Moore Morgan in charge.

An outdoor Holy Communion service was held at the site in October, with a potluck dinner and work session following. Dec. 24, 1963, marked the first service to be held in the basement of the church. This was a midnight Holy Communion service. On June 28, 1964, the first floor was put into use.

THAT SUMMER marked the departure of one of the members to the interior of Alaska. After interviews with Bishop Crowley and the president of the ECW of the Diocesan, ECW, Fredalice Tingay was selected to serve as Vacation Bible School teacher for the summer months.

The Rev Hugh Banninga became the vicar of St. Anne's during the summer of 1964. Guest priests during the years have been Rob-

## Leader Dog Week proclaimed

Nov. 28 through Dec. 4 has been proclaimed Leader Dog Week by Governor George Romney. During Leader Dog Week attention is called to the important rehabilitation program being conducted at the Rochester, Mich. Leader Dog School.

The non-profit school, Leader Dogs for the Blind, was founded in 1939 by Lions of Michigan and has since trained over 2,200 leader dog "teams" (Leader Dog and blind person). Leader Dogs are furnished, without charge, to all eligible applicants.

A LEADER DOG enables its owner to enter fully, despite a handicap, into the life of the community—to live an active and contributive life of his own. Lions arrange the enrollment of every eligible person who expresses an interest in obtaining a Leader Dog. Lions sponsor projects that are largely responsible for the success and growth of the unique school that provides happiness and confidence to blind men and women.

Persons knowing of a blind person interested in obtaining a leader dog are urged to see a member of the local Lions Club.

gives its members from paying dues, provided an equal sum is given to some charity of the member's choice. It also permits its members to work alongside non-union members.

THE AFL UNIONS are reportedly fearful their existence is threatened by CLA gains. They also don't like the influx of non-union contractors which they believe will nullify gains they have made in wages and fringe benefits and in possible future slack times put their members out of work.

This general situation, flavored by numerous related events, prompted last Thursday's labor holiday in Central Michigan. While it involved mainly Lansing area unionists Wednesday (particularly at the Ovid-Elsie site), union members from Detroit and other metropolitan areas were involved in the further picketing and violence Thursday and Friday in Lansing.

MEANWHILE, back at Ovid-Elsie, work progressed normally this week, and Ovid-Elsie Supt. Robert Beauchamp said the project is "coming along quite well." He noted that the bulk of the work now is in footings for the \$1,648,000 building, which are of course, below ground and not readily seen by most passers-by.

He said the picketing last week had no apparent effect on the project.

## TCPC loses Director Young

Robert N. Young, executive director for the Tri-County Regional Planning Commission, announced his resignation at the commission's monthly meeting Thursday night.

Young, who has directed the commission's work since 1961, will become executive director of the Regional Planning Council in Baltimore, Md. His resignation becomes effective Jan. 6, 1966.

ALAN R. DEAN, commission chairman, expressed regret at the announcement and commended Young for his progressive leadership and outstanding efforts on behalf of the residents of the Region.

In other action, Asst. Director Bill Rowden reported on progress in a special building needs study being conducted by the commission in Eaton County. The purpose of the study is to provide the Eaton County Board of Supervisors with the data required to anticipate future space needs for county government. The staff thus far has gathered the basic information for projections to 1980 of space and personnel requirements.

## 2 minors jailed for having beer

Carl M. VanSickle, 18, and Steven A. Goodine, 20, both of Lansing were arrested Monday evening on a charge of minor in possession. They were convicted of the charge before Justice of the Peace Gordon Willyoung, and VanSickle was ordered to pay fine and costs of \$54.90 and spend 15 days in the Clinton County Jail. It was his third minor-in-possession offense. Goodine got total fine of \$44.90 and a three-day jail term.

These are the two areas of St. Johns that are due for improved street lighting soon. The main map shows the area around Clinton Memorial Hospital in the southeast part of town; the inset shows the area around the new St. Johns water plant in the northwest sector. New 10,000 lumen mercury vapor lamps will replace 6,000 and 2,500 lumen incandescent lamps.

## OK new lights near hospital

Recommendations for improving street lighting in the areas around Clinton Memorial Hospital and the city's new water plant were accepted and approved by the city commission last week.

The recommendations were made by Consumers Power Co., which made an engineering study of the areas at the request of the city commission. The city voted to have the improvements made.

In the hospital area, five of the incandescent street lights on the north and west sides of the hospital block will be replaced by the mercury vapor lights, as will

Present 6,000 lumen and 2,500 lumen incandescent lamps on the corners of the block surrounded by Gibbs, Lansing, Lewis and Ottawa streets will be replaced by 10,000 lumen mercury vapor lights at a total net increased cost to the city of about \$700 per year.

In the water plant area, 2,500 lumen incandescent lamps on the corners of the block surrounded by Gibbs, Lansing, Lewis and Ottawa streets will be replaced by 10,000 lumen mercury vapor lights, and new lights will be placed at the drives from the water plant about midway on the blocks on Lansing and Ottawa.

lights at the intersections of Oak and Oakland streets and Sturgis Street and Hampshire Drive.

IN ADDITION TO the replacements, the 10,000 lumen mercury vapor lights will also be placed at mid-points on the blocks on Sturgis between Hampshire and Swegles Street, Elm Street between Swegles and Oakland, and Oakland between Elm and Oak streets.

In the water plant area, 2,500 lumen incandescent lamps on the corners of the block surrounded by Gibbs, Lansing, Lewis and Ottawa streets will be replaced by 10,000 lumen mercury vapor lights, and new lights will be placed at the drives from the water plant about midway on the blocks on Lansing and Ottawa.

## Gray Lady classes set for Nov. 29

The Auxiliary Hospital Board met Nov. 17. The money collected from the fall rummage sale will be used to buy new drapes for some hospital rooms. Christmas tray favors are being made by Miss Duffer.

A new class of Gray Ladies will start Monday, Nov. 29 at 1 p.m. in the hospital dining room. Any woman interested is invited or may contact Mrs. Cecil Book. Twelve of the Gray Ladies assisted in the Polio Clinic.

The puppet workshop is busy making puppets. Special puppets are being made for the holidays for pediatrics. The sewing group is active one day a week with mending and making new articles.

The gift counter is open from 6:30 p.m. to 8 p.m. on week days and from 3:30 p.m. to 5 p.m. on Sunday. The gift cart and gift counter may be opened any time if a Gray Lady or Candy Stripper is available. We appreciate the gift of the counter by Mr. Lester Lake and the hand printing of the gift counter poster by Mr. Charles Shane Sr. of Grand Ledge.

Coffee and cookies were served by chairman Barclay.

There will be no Board meeting in December. The next meeting will be Jan. 19, 1966.

#### Find clam fossils 720 million years old

Animal fossils at least 720 million years old have been discovered by a Dartmouth College geological team in the Canadian Arctic. The fossils, older than any heretofore known to paleontologists, are expected to help clear up part of the mystery of how advanced forms of life evolved. In addition to finding the fossilized remains of small, clamlike creatures called brachiopods, the geologists discovered fossilized tracks and trails made by burrowing wormlike animals and small tubes and spines of an as-yet-unknown species.

## Scouts get star, merit badges

Boy Scout star badges were awarded to Dennis Kieffer and Jonathan Pierson last Tuesday night at a Parents and Awards Night for Boy Scout Troop 71 of St. Johns.

John Williams, troop Scoutmaster, also presented merit badges to Kieffer, Richard Moldenhauer, Stephen Parker, Pierson, Robert Smith and Kris Williams.

TENDERFOOT awards were given to Dale Prochazka, Lloyd Upham, Greg George, Keith Nowak, Robert Wabeke, Douglas King, Mark Stephenson, Kevin Parker and Tony Carmack.

Recruiter badges were earned by Larry Prochazka, John Ward, Robert Smith, Kris Williams, Richard Moldenhauer, Nell Puetz and Stephen Parker.

#### Frost Speaker

Charles Frost, Clinton County civil defense director, spoke to the Ovid Lions Club Monday evening on the topic "What to do in case of an attack."

## School report next week

A review of school district reorganization in Clinton County, including a new map of the school districts, will appear in next week's Clinton County News in our continuing "Focus on Education" series.

The page feature will follow by several days a pertinent television program next Monday night on school district reorganization. The program will be from 8 to 9 p.m. Monday on WMSB-TV, Channel 10, Michigan State University.

The first 30 minutes of the program will consist of a brief explanation of the "K-12 School District Reorganization Bill" (Public Act 289 of 1964), and three filmed segments of interviews and programs in three different school districts of southern Michigan.

The second 30 minutes will consist of a panel, which will answer questions telephoned in from the viewing area.

## Planners ask legal action to set aside Karber appeal

Legal action to override a zoning appeal board decision last week has been recommended by the St. Johns Planning Commission.

Meeting last Thursday, the planning commission passed a resolution asking that the appeal decision in favor of the Karber Block and Tile Co. be set aside. On Nov. 12 the zoning board of appeals had granted the company permission to store blocks on property it owns along Clinton Avenue north and east of the block plant.

THE PLANNING commission's resolution is the latest in a series of steps taken in the controversial matter. Larry Karber, owner of the block company, has requested several times in the past that permission be granted for storing of blocks and tile outside of his original plant property.

The planning commission and the city commission have denied the requests for rezoning and special use on several occasions, the last time in May. At that time he agreed to talk with city officials concerning a move to a new area of the city where the firm would have room to expand.

AT THE MAY 4 meeting Karber told the commission "I'm not asking for more manufacturing area, but I do need more storage space. I need it or I wouldn't be back asking for it all the time." He promised to keep the storage property looking good.

Talks between Karber Block and the city apparently did not resolve the problem, and Karber appealed the denial of his requests to the city zoning appeal board. They met Nov. 12 and granted Karber Block and Tile Co. the right to store blocks and tile on Lots 28, 29, 30 and 31 in block four of the Hurd-Sickles subdivision. That property is along the west side of South Clinton Avenue between Elm and Sturgis streets, except for a corner lot on Clinton and Sturgis.

MORE THAN a dozen persons attended the public hearing Nov. 12.

LaRue Spittler of 712 Church Street, a neighbor to the property involved, appeared before the city commission last Tuesday and asked what could be done. He was told that the city commission does

not have the right to override the appeal board's decision, even though it was in opposition to the decision.

While the planning commission also has no such right, it did take some action last Thursday night by passing the following resolution:

"THE PLANNING commission expresses its displeasure with the recent discussion in the Karber appeal. We believe the opinion insofar as understood is arbitrary, capricious and has no foundation in the applicable law.

"The result of this decision is contrary to the expressed and considered recommendations of the planning commission in consideration of the health and welfare of the City of St. Johns and the immediately affected citizens.

"IN OUR opinion the decision substantially jeopardized the expressed planning for the entire City of St. Johns enunciated in prior existing local law and policy.

"We accordingly recommend that the city attorney be author-

ized to review the case and to take suitable legal steps to set aside the Karber appeal decision."

MEANWHILE, IN St. Johns Municipal Court, a charge against Karber for violation of the city zoning ordinance is pending. The complaint, signed by Jerome A. Geller of 809 S. Clinton Avenue, charges that Karber is using lots 29, 30 and 31 of Block 4 of the Hurd - Sickles subdivision for commercial purposes when it is zoned residential.

The complaint refers to city Ordinance No. 131, the zoning ordinance in effect at the time of the complaint. The trial of the case is scheduled for next Tuesday at 1:30 p.m.

## Plan Christmas workshop Dec. 1

Women's groups in Clinton County are having a Christmas Workshop next Wednesday, Dec. 1, at Smith Hall, where ideas, decorations for the home and Christmas gifts you can make will be shown.

The workshop will be open from 2 to 8 p.m. Patterns and directions for the items will be available in most cases; when they aren't, the name of the person who can help will be given.

The women's groups will again feature a "bragging table" where women are invited to show off to the county something they are particularly proud of.

Coffee and cookies will be served.

## 450 youngsters to get free helicopter rides Saturday

Four hundred and fifty St. Johns area youngsters will get free helicopter rides this Saturday as St. Johns' big Christmas promotional season gets under way.

The same helicopter will bring Santa Claus in for a visit with the kids about 4:30. Santa will talk with them briefly and find out what's on their minds concerning Christmas presents.

THE SANTA-children conferences will be at the depot area and Santa will hand out candy. On the following three Saturdays he will continue his talks from 3 to 5 p.m. at the Hicks Building.

This Saturday however, interest will center on the Grand Trunk Railroad Depot yard from where 450 lucky youngsters will be whisked aloft for a free helicopter ride, courtesy of St. Johns businessmen.

The rides will start at 9 a.m. and will run until 4:30 p.m. Because of the large number of youngsters chosen, it is hoped they and their parents will arrive throughout the day, rather than just during the afternoon. The names of the 450 were chosen Monday morning.

IN CASE weather prevents the helicopter from flying out of the depot lot, the "heliport" will be shifted to near the Red Wing Bowling Lanes and Andy's IGA.

Lt. Wilburn Legree, known nationally as Flint's "singing cop," will appear Sunday afternoon at the annual Harvest Festival at the Bengal EUB Church.

The festival program begins at 3 p.m.

The lieutenant was a regular police officer for 25 years with the Flint Police Dept. He was in charge of the child safety division, with traffic safety supervision of 35,000 youngsters in public and parochial schools.

HE RETIRED in August 1959 and for the next four years presented school safety assemblies throughout Michigan as a school safety consultant for the Associated Petroleum Industries of Michigan. At the present time Lt. Legree holds a position on the staff of the Genesee County Intermediate School District.

As a consecrated Christian, he has sung the gospel on radio and television and in churches. He presents sacred concerts, community singings, youth and children's rallies, father and son banquets and family night programs. As a deputized police officer, Lt. Legree has been authorized to wear his police uniform when he speaks or sings in churches or for other public meetings.

## Arrest 5 youths for having beer

Five youths were arrested Saturday and charged with minors in possession of beer or furnishing beer to minors.

Richard W. Kiger, 21, Okemos, was charged with furnishing, and he was sentenced to five days in jail by Justice of the Peace Gordon Willyoung and ordered to pay fine and costs totaling \$44.90.

RONALD C. Huges, 20, and Robert S. Shell, 20, both of Lansing, were found guilty of being in possession of beer as minors and were given the same fine and three days in jail.

Two St. Johns girls, both 18, were with the boys. They will appear before Justice Willyoung this Saturday on minor in possession charges.

All the youths were together when arrested in DeWitt Township by Township Police Chief Bruce Angell.

## Holt driver cut in US-27 crash

James R. Smyth, 38, of Holt, was treated at Clinton Memorial Hospital Friday for cuts and bruises suffered in a two-car collision at US-27 and French Road in Greenbush Township.

Smyth's car hit the left side of a truck being driven by John J. Scheidler, 55, of Madison Heights as it pulled off French Road onto US-27. Scheidler was ticketed for failure to yield the right-of-way.

## New officers busy already

New officers of the Happy Hix Farm Bureau group are in full swing with their duties for the new year. Francis Motz, chairman of the group, conducted the Nov. 13 meeting at the home of Mr and Mrs Arthur Motz.

Other officers are: Frank Stpkovsky, vice chairman; Eileen Gillespie, secretary and news reporter; Oliver Gillespie, discussion leader; J.E. Crosby, minute man; June Stpkovsky, FB package reporter; Fred Gutshall, assistant discussion leader; Willene Gutshall, member of County Woman's Committee; Harriet Motz, citizenship leader; Maxine Stpkovsky, recreation leader; and Leon Thelen, song leader.

Discussion topic for the evening was "What would it all be like if Farm Bureau had not been there fighting for the interests of farmers?" A lively exchange of ideas followed using the "hit and miss" quiz which replaced the regular report sheet for the month.

Refreshments were served by the hostess, Mrs. Arthur Motz. The next meeting will be held at the home of Mr and Mrs Frank Stpkovsky.

## Circle Sets clothing drive

The Mary-Martha Circle of the First Methodist Church met Nov. 16, at the home of Mrs. Jean Corkin, for a 2 p.m. dessert. Mrs. Harold Lundy served as co-hostess.

The business meeting was presided over by Mrs. O.E. Wells. There was discussion of the tasks on the agenda for the circle. Members were asked to volunteer their help with a wedding reception being held at the church on Saturday, November 27. A used clothing drive is scheduled for December 13. The circle will cancel the December meeting, and will attend the WSCS meeting at Mrs. Glenn Osgood's, on Tuesday, Dec. 14.

Devotions were given by Mrs. Harold Lundy. The program presented by Mrs. S.R. Russell was "What Do You Want from Life." The meeting was closed with prayer.

## Social Events

Dean Cronkrite, son of Mr and Mrs Richard J. Conkrite celebrated his birthday at a party held Nov. 20. Dean was 5. A cowboy theme was used for the decorations.

Games were played. Pop and ice cream were served to the boys.

A number of booths at the bazaar will be in charge of the following guilds: Religious art, St. Elizabeth Guild; aprons, St. Natalie Guild; candies, St. Patricia Guild; baked goods, St. Rita Guild; Christmas, St. Helen's Guild; white elephant; St. Catherine Guild.

The luncheon will be served by St. Dorothy and St. Cecilia guilds.

Mrs. Art Halfman is in charge of posters for the various booths.

## St. Mary's Guild to man booth at Christmas Bazaar

Final plans for the Christmas bazaar on Dec. 8 were presented and St. Mary's Guild was asked to take charge of the fancy work booth when they met for their November meeting recently at the home of Mrs. Bernard Mankey.

Mrs. Gerald Woodbury presided and the 11 members present were led in reciting the rosary by Mrs. Al Becker. The treasurer reported \$91 profit from a recent special sale.

The entertainment was keno and refreshments were served by the hostess and Mrs. Ronald Henning, co-hostess. There will be no December meeting.

## Scripture talks highlight WCTU

Mrs. Glenn Osgood was hostess for the Mary Smith Union of the Women's Christian Temperance Union (WCTU) at her home Nov. 15.

Vice President Mrs. Gordon Salisbury presided. Reports were given.

Mrs. Pearl Blank conducted the devotion using as her scripture text Judges 13:2-6, with emphasis on verse 4. The 91 psalm was also read and discussed.

Mrs. S.R. Russell took charge of the program and used as her theme, "What do you want from life?"

A current event was read by Mrs. Agnes Wells regarding the "Woman's role in promoting abstinence."

At the business meeting five new members' names were added to the roll.

The hostess served a dessert luncheon which was followed by a social hour.

## Home Ec study group told know fabric before using

The B and B Home Economic Study group met at the home of Mrs. Bruce Mehney on Nov. 19.

Mrs. Stanley Payne and Mrs. Larry Dershem helped. Mrs. Lloyd Spencer, editor of the MAEH News, address the papers to be mailed to extension members.

The lesson on Textile News and Views was given by Mrs. Orla Clark and Mrs. Oral Rice.

There are two kinds of fabrics man-made and manufactured. A smart shopper should recognize what the quality means, any indications of guaranteed performance and recognize labeling which gives clues to use and care of the fabric.

The next meeting will be co-hosted by Mrs. Larry Dershem and Mrs. Stanley Payne on Dec. 17. Shop in Clinton County.

MARY W. HOSTETLER

Mr and Mrs Clarence A. Hostetler of R-2, Kalona, Iowa, announce the engagement and forthcoming marriage of their daughter, Mary Winifred, to John David Yordy, son of Mr and Mrs John W. Yordy of Route 1, Ashley, Michigan. Miss Hostetler, a graduate of Goshen College, is presently employed by the North Palos Elementary Schools in Oak Lawn, Ill. Mr Yordy, having served two years in alternate service in Mexico, is resuming his studies in chemistry at Goshen College. A summer wedding is being planned.

## Patterns, fabrics are discussed

Textile News and Views and pattern alterations was the study topic for the Friendly Extension Study Group when they met on Nov. 17.

Be sure of your figure type before purchasing a pattern and then alter it accordingly. Don't hesitate to move darts and pleats to make your clothes fit.

Mrs. Wayne Rossow and Mrs. Earl Flegler presented the lesson on patterns. Mrs. Maynard Marten and Mrs. Glenn Hopp presented the Textiles News.

The group was presented \$15 for second place in the secretarial point system.

Mrs. Wayne Rossow served as hostess for the meeting. Mrs. Earl Flegler will be the hostess for the Christmas meeting on Dec. 15. There will be a 50¢ gift exchange.

American Legion dues contest ends

Mrs Martha French was the winning captain in the dues campaign in the American Legion Auxiliary at the meeting held on Nov. 16.

A potluck membership dinner preceded the meeting with president Mrs Raymond Bell presiding. The patriotic ritual was observed and the business meeting was held. It was reported that 122 members has paid their dues of whom Mrs French's team in the contest collected the most dues.

It was voted to send \$25 to the Saginaw County Hospital for veterans. Three members from St. Johns went to Battle Creek to the

Veterans Facilities Hospital where there are 2,000 patients.

On Nov. 17th, Mrs St. Clair Pardee, Mrs Rex Sirrine and Mrs Glenn Padgett acted as representatives for all the auxiliaries in this area. They helped the patients choose gifts for their parents or wives and children for Christmas at the Christmas store from the gifts furnished by all the auxiliaries of the state.

Mrs Pardee reported on the District meeting held on Nov. 21 with Ithaca at the North Star hall.

The Past Presidents of the Auxiliary were honored and given Christmas Corsages — Mrs St. Clair Pardee, Mrs George H. Brooks, Mrs Louis Wolf, Mrs Cerelda Hicks, Mrs Justin Marzke, Mrs Carl Bancroft, Mrs Velma Beaufore, Mrs Carl Zacharias, Mrs John L. Hall.

Committee of the evening was Mrs Pat Sapp and Mary Louise Karber.

## Toys for tots drive under way

The American Legion's annual Toys for Tots campaign will swing into high gear early next month as the St. Johns Edwin T. Stiles Post 153 strives to make Christmas brighter for youngsters of needy families.

Two public events are planned to aid in the collection of toys. One is a skating party Dec. 8 at the Ranch Roller Rink off North US-27. The other will be a dance Dec. 11 at the American Legion Post on East Walker Street. In both instances, admission will be one toy, according to Robert Brock, Toys for Tots chairman.

THE LEGION has also established four pick-up stations where they will regularly pick up toys left by donors. They are Bee's Chevrolet and Olds, Cleland's Cities Service station on South US-27, Ken's Sunoco station on North US-27, and the Legion Club.

### Get Christmas ideas at workshop, Dec. 1

A Christmas workshop will be held at Smith Hall on Wednesday, Dec. 1, from 2 to 8 p.m.

Ideas for decorating your home and Christmas gifts that you can make will be shown. The "bragging table" will be featured again this year. Coffee and cookies will be served.

The doors will open at 10 a.m. for those setting up the displays.

## Westphalia

Mrs Daniel Spitzley  
Box 66, Westphalia—587-4554

The Westphalia COF Communion Breakfast will be on Dec. 12. Deadline for tickets is Dec. 8.

Miss Clara Hogan called on Mrs Theo Holbrook at the Manor House in Ionia on Nov. 21.

Word has been received that Fred Barker, son of Mr and Mrs Bill Barker of Lake Odessa and formerly of West Hubbardston was wounded in Vietnam. He is now at Great Lakes and his family expect to visit him for Thanksgiving. We all wish him a speedy recovery.

The Clinton County Senior Citizens took a hand in the American Legion's Toys for Tots project Saturday and spent a good part of the afternoon cleaning up and repairing old toys donated to the Legion. Here Legionnaires Jim Bond and Bob Brock (at left) and Commander Joe Toth (right) help unload a pickup truckload of toys. Clarence Hill, president of the Senior Citizens, and Carmen Tranchell, secretary inspect the toys while other members wait in the background to start the work.

### Fire destroys car in service station

WESTPHALIA—A fire at Bengel's Service Station on Tuesday completely destroyed a car owned by Gregory Thelen being serviced at the time. The contents of the building were partially burned out. Contractors expect to have the remodeling completed in a few weeks. The front of the building and pumps were not affected by the fire.

St. Mary's Home-School Council will hold a meeting on Wednesday, Dec. 1 at 8 p.m. in the east hall. Refreshments will be served following the meeting.

Mrs Gale Twitchell and family of Wacousta spent the weekend with her parents, Mr and Mrs Ambros Martin, while her husband was deer hunting.

## Westphalia

MRS DANIEL SPITZLEY, Correspondent  
Box 66, Westphalia—587-4554

### Pair wed Saturday in St. Mary's rites

St. Mary's Church of Westphalia was the setting of the wedding, Nov. 20, at 10:30 a.m. of Miss Sandra Kay Hissong and Steve L. Spitzley.

Mr and Mrs Kenneth Hissong, Coldwater, are the parents of the bride. The bridegroom is the son of Mr and Mrs Edward Spitzley Jr. of Westphalia.

The bride's rose pointe lace dress was designed with a fitted bodice and a bell-shaped skirt. Her veil was attached to a headpiece fashioned of roses with sprays of rhinestones.

THE BRIDE approached the altar on the arm of her father. Altar flowers were baskets of white chrysanthemums, white gladiolus and white daisies.

Mrs Annette Bierstetel, matron of honor wore a royal blue empire-style floor length gown. The bridesmaids, Miss Kathy

Spitzley and Miss Jean Hissong, wore the same style gown in light blue. Miss Bridget Hissong was the flower girl. They carried cascades of tinted chrysanthemums, white gladiolus and ivy.

DANIEL SPITZLEY was the best man and groomsmen were Donald Hengesbach, John Rademacher and Gaylord Hissong. Seating the guests were Leroy Spitzley and Larry Spitzley.

Mrs Hissong attended her daughter's wedding in a blue ensemble and Mrs Spitzley wore a beige ensemble. They both wore pink rose and white chrysanthemum corsages.

Father Aloysius H. Miller officiated at the double ring ceremony. Music during the service was provided by Mrs Daniel Spitzley, Mrs Anthony Wirth and Mrs Louis Koster. The organist was Joseph Martin.

### Installation of officers

WESTPHALIA—The Daughters of Isabella held installation of officers on Nov. 18. Installing officer was Tillie Trebby, a state trustee from Flint. Regent of Flint, Isabelle Landry and Regent of Chesaning, Rita Kico were visitors at the event. Ann Weber, Alice Thelen, and Jeanine Thelen were in charge of the entertainment. Mrs Regina Hengesbach won the door prize. Caroline Pigott and her luncheon committee served hors d'oeuvres, pumpkin pie with ice cream and coffee to about 70 members.

Mrs Theo Holbrook wishes to thank all her friends that remembered her on her birthday. Mrs Robert C. Hogan and Paty of Wayne visited Miss Clara Hogan on Nov. 17.

Mr and Mrs John Schafer are the parents of a son, born Nov. 17. He weighed 9 pounds, 4 1/2 ounces.

Mr and Mrs Dale Bliss of Grand Ledge announced the birth of a son on Nov. 20. Mrs Bliss is the former Dorothy Dwyer of this place.

After spending some time at the Ionia Memorial Hospital, Mrs Fred Bennett returned home on Nov. 19.

Nick McKenna came home from Ionia Hospital on Nov. 15 and entered the hospital again on Nov. 18. We all wish him a speedy recovery. The Sisters of St. Dominic visited him at the hospital on Nov. 21.

Mrs Anna Hogan spent the weekend at the home of her daughter, Mr and Mrs Jack Schineman.

Mrs Al Cashin went to Clare last week to visit her daughter, Mrs Shirley Falor, who has been ill.

## Woman's Club looks into future

"Today we live better than kings and queens; our daughters begin with what we hadn't the foggiest dreams of starting married life with," Extension Home Economist Helen Meach told members of the St. Johns Woman's Club, Nov. 17.

Mrs Meach's program titled Dollars and Dreams began with defining the word dream as a succession of thoughts, images or emotions of a state of mind lost in imaginary visions; being either happy or dreary. However, our dreams shouldn't remain in the past, they should be of the future and of the world we live in now.

Project '80, begun five years ago, is the future study of the agriculture and scientific aspect of the 1980's, forecasting the futures of Mobile Living; Foods; Housing; and Financial Management.

"We are a nation on the move from steam, the auto to jets. Mobile dimension is something to behold, there is no need to dream for what is in front of us," Mrs Meach said.

THE MOBILE dream of the future foresees more private planes, air platforms, helicopters, automatic auto parking ramps and more automation in super markets.

She said that foods will experience the biggest change. In a few years one will not see a potato with skin as purchased now. Many items, methods and convenience type foods were nonexistent before World War II. More can be expected with dehydrated freezing (removing water enabling cheaper shipping costs), dry - freezing and explosive puff drying.

Vending machines encourage mediocre meals for the teenager and negative tastes in acquiring an appetite for new foods, Mrs Meach said.

IN THE FUTURE there will be more high rise apartments, pre-fab, pre-fab and mechanizing of home structures, due to the density in population and scarcity of land. Future homes will be equipped with all appliances installed and serviced by one company. The cost of home furnishings and appliances in 1980 will double, she said.

Parents have responsibility to teach their youngsters money management. With a 300 per cent increase in teenage pocket money since 1945, and an average yearly income of \$485.00, the teenager spent \$11 billion in 1963. They will be spending twice that amount by 1970.

Unless parents train their children to manage money, they will not be able to vote intelligently, at elections, on consumer legislation and on the national economy. Youth needs courses of instruction in consumer buying, credit, budgeting, values and savings, Mrs Meach said.

PRECEDING THE business meeting, the Wilsonettes, a vocal group, sang. Chris Light, Karen Rumbaugh, Pat Krider, Cathy Martin, Gloria DeGeer and Bonnie Ordway, members of the

group, were introduced by their teacher Gordon Vandemark. They were accompanied by Sue Wick-erham.

Mrs William Richards and Mrs George Brooks served on the tea committee. The Thanksgiving buffet table was hosted by Mrs F. P. Bunday and Mrs John Rumbaugh.

The meeting was held at the home of Mrs C. W. Lumbert.

The next meeting will be held in the narthex of the Congregational Church on Dec. 1, at 7:30 p.m.

## Proclaims 'Traffic Safety Sabbath' for this weekend

Michigan's Traffic Safety Sabbath weekend will be observed this Friday through Sunday, following the issuance of a formal proclamation by Lt. Gov. William G. Milliken.

In proclaiming the November weekend as Traffic Safety Sabbath, Milliken said,

"Once again we survey in sober reflection the physical, moral, and economic waste caused by needless traffic tragedies on our highways.

"WE ARE APPALLED that this could be regarded by so many as a condition which we can or must tolerate. We are deeply concerned that the death and injury to so many people should awaken a grave sense of moral responsibility in everyone who operates a motor vehicle.

"We readily abhor crime and violence, but have little realization that everyday highway occurrences cause four times as many deaths—that more property values are destroyed than in all the spectacular national disturbances and disasters.

"The Commandment 'Thou Shalt Not Kill' is present in one

form or another in every one of the great moral religions civilized man has struggled to live by. We need to re-apply this great Commandment to life on our modern highways.

"IN THE HOPE and belief that this is possible I urge the cooperation of all of our people—and particularly the clergy—in a Sabbath weekend dedicated to our re-orientation toward that greatly desirable goal.

"THEREFORE, I, Lt. and Acting Governor William G. Milliken of the State of Michigan, do hereby proclaim the weekend of Nov. 26 through 28, 1965, as TRAFFIC SAFETY SABBATH in Michigan, and urge clergy of all religious faiths to give consideration to this most serious social and moral problem in their lessons, sermons, or other remarks. I also urge officials of state and local government, all those who control large fleets of vehicles, and every individual driver to keep the spirit of this occasion and urge their employees and friends to do likewise—not only now, but every day of the year."

INSTITUTED IN Michigan by the Michigan State Safety Commission, Traffic Safety Sabbath

Dates for the public hearings on reappraisal values in the southern townships of Clinton County have not yet been set by the H. L. Yoh Co., it was reported Tuesday . . .

Bids will be taken next Wednesday for the removal of 1,977 trees along state trunklines in Clinton, Allegan, Barry, Eaton, Calhoun and Kalamazoo counties. The project is part of the State Highway Dept.'s program to eliminate hazardous trees from highways . . .

GENERAL Telephone Co. of Michigan has been authorized by the Michigan Public Service Commission to issue and sell 297,000 additional shares of common stock, with a par value of \$5,940,000, and new first mortgage bonds worth \$12,000,000 . . .

## Bowling

RAINBOW LAKE - MAPLE RAPIDS MIXED LEAGUE—Jack Schnepf with a 187 game and Barney Schultheis with a 509 series were high bowlers for the men last week. Jean Schultheis with a 158 game and 400 series was the best bowler among the women. The Pike, who lead the league by two games, had the high game of 574, while the second-place Chubs rolled a 1595 series.

TEN PIN KEGLERS LEAGUE—Splits were no problem for the girls in the Ten Pin Keglers League last Wednesday. Six of the bowlers picked up seven splits. Connie Cronkhitte converted two, the 6-7 and the 4-5-7, while Rose Patterson got the 3-10, Sandy Fongers the 5-7, Dody Linman the 3-7, Marian Smith the 4-9 and Gert Kolehmainen the 3-5-7. Billie Gutshall rolled the high game of the day, a 203, and Anita Hebler had the high series, 507. Al-laby's led the teams with an 808 high game and 2350 high series. Julie K and Clinton National Bank were tied for the league lead after last week's bowling.

### Exchange Club discusses current topics

Exchange Club members tried a new type of program last Thursday, dividing into three discussion groups considering different questions.

President Charles Huntington had the groups answering the questions of "What is the function of the church?" "Should teenagers be allowed to drink in their own homes?" and "Should the government make birth control information available to families on request?"

NEW MEMBERS inducted at last Thursday's Founder's Day meeting were Bob Gill of Sealed Power and Rod Brown of the Clinton County News. Benny Pocus conducted the installation ceremony.

March 19 was set as the date for the annual Exchange Club pancake supper. It will be held at Smith Hall. Proceeds from the supper are used to benefit underprivileged children in the area.

## Roadhouse, Bee's clash for flag title

Roadhouse and Bee's were to meet Wednesday night at 7:30 for the title in the adult flag football league in St. Johns.

The two powerhouses have each lost one game—to the other team. Bee's won the first match 7-6, with Roadhouse pounding back for a 19-7 win in the second encounter.

The game was expected to be a passing encounter, with Hub Waitte piloting Roadhouse and Tom White throwing the long bombs for Bee's.

LAST WEEK both teams emerged as victors to gain the tie for first place. Bee's defeated Electrifying 8 by a 26-19 score on the passing of White and the pass receiving of Leroy Martin. Liman was a standout for the losers.

Roadhouse took the Refs easily by a 26-0 score. Hub Wait hit Russ Edgar and Larry Foy for scores in the first half, and passed twice to Paksi for touchdowns.

## Fulton puts 8 on all-star squad

Eight Fulton High School football players have been named to the Tri-Central all-conference offensive and defensive teams.

Senior Bill Cartwright was named first string offensive end and got honorable mention as a defensive back. Mike Williams got honorable mention as an offensive tackle. Dennis Upton was named an offensive guard and got honorable mention as a defensive end. Randy VanSickle was named a defensive back and got honorable mention as offensive quarterback. Chris VanSickle was named offensive halfback and defensive back. Carl Hagenbaugh got honorable mention as a halfback and Wes Havens as a defensive tackle and Dan Eyer honorable mention as a defensive guard.

THE TEAM selection were made at the league's fall meeting last Wednesday. At that meeting Portland and Lakeview were admitted to the league and will begin competition with the football season next fall.

# Wings open basketball season next Tuesday

With only a comparatively few days for them to recuperate, Coach Bill Swears is finding the going difficult in making a group of football players over into basketball players.

He doesn't have much time left. The Redwings will open the 1965-66 basketball season next Tuesday evening when they journey to Mt. Pleasant.

MANY OF the players finished the football with less than two weeks ago. They had a rugged nine-game schedule, and Coach Swears said he's able to tell it.

But he said he was pleased with the progress the team has made so far in practice sessions, even though they have a long way to go. The Redwings were scheduled to scrimmage St. Louis here Wednesday afternoon, and Swears was

reserving judgment on a lot of things until after that tryout.

THE REDWINGS last year won the West Central Conference championship and altogether 16 of their 19 games. It could be rougher this year. The 1965-66 team will lack the tremendous one-two scoring punch of Al Werbish and Clark Berkhousen, who both had scoring averages of over 20 points per game for the season.

Also lost by way of graduation were Bill Sirrine, Doug Lundy, Al Anderson and Gary Becker. In fact, the "front seven" players on last year's team aren't around for this year's schedule.

But back for their last year of high school basketball are three letter winners around which Coach Swears hopes to "rebuild" his basketball team.

THEY ARE Gene Rademacher, a 5-11 forward; Jim Leonard, a 6-foot forward; and Dennis Springer, a 6-2 forward. Other boys who saw action last year were Bob Ortwein, Roger Leavitt, John Wilson, Lee Hill and Don Hungerford. New faces from last year's junior varsity squad (which had a 7-9 record) are Bill DeGroot, Bryan Swatman, Randy Humphrey, Phil Anderson, Jerry Lewis and Gary Boyce. Boyce, however, won't be on the hardwoods for about two months because of a back injury suffered just prior to the final football game.

Other players out are seniors Dave Hambleton and Tom McKenzie.

"I REALLY can't say who's going to be starting next Tuesday night," Swears said this week.

"I'd have to say that Ortwein, Rademacher, Leavitt, Leonard, Springer, Hungerford, Wilson, Humphrey and DeGroot all have a good chance.

"It's going to take time to find out just who is going to play the best where," he said. "And we've got five games to play before Christmas. We're going to make all kinds of mistakes during that time, I'm sure, but if we can win a few of those games while we're learning, this team could be tough."

SWEARS SAID the Redwings should have a little more speed than last year but they will be "extremely inexperienced." He pointed out that although the Wings won 16 of their 19 games last year, almost all of them were close and not many of this year's players got to see much action last year.

A repeat championship? The top threat to take the title away from the Wings this year is Alma, Swears said, with three men back, including high-scoring Paul Dean. Hastings will also have three regulars returning, and Greenville "can be real tough this year." Charlotte, Ionia and Lakewood should be rebuilding this year in about the same vane as the Redwings.

HERE'S THE Redwings' schedule for the coming basketball season. Junior varsity games will begin at 6:30 p.m. on all nights, with the varsity contest to follow at about 8 p.m.

## First time winner for football contest

It looked for awhile like a member of the Meredith family was going to win the Clinton County News' football contest for the third week in a row. But the prize for last week's contest—\$20—goes instead to Ray Schueller of 308 Church Street, St. Johns, a first-time winner.

Ray missed only three picks; he picked Princeton over Dartmouth which was wrong, Kentucky over Tennessee which was wrong, and Furman over Citadel which was wrong.

## Hilary Goerge named all-state 'D' player

FOWLER — Full back Hilary Goerge of Fowler was named to the All-State Class D football team last week by the Associated Press. It was the third straight year Fowler has had a man on the honor team.

Goerge gained 658 yards in his first eight games and had eight runs of 40 yards or more this season. He doubled as a tackle on defense, where he used his 6-2, 205-pound frame and speed to good advantage.

AT A TEAM meeting this week, Goerge was named Fowler's most valuable player by his teammates.

In other honors voted by the team, which finished second in the Central Michigan D league, were: best offensive man, Ron Brown, a junior halfback who scored 12 touchdowns; best defensive man, defensive end Chuck Thelen; most improved player, a tie between Mike Nobach who made seven pass interceptions and caught three touchdown passes, and blocking end Ken Weber.

DURING THE past year the Eagles had different captains for each game. This week, however, they elected permanent captains for the past season. They are guard Frank Witgen and center Ken Koenigs-knecht, both seniors.

Coach Blaine Douglas presented the coach's award to the player who was most unheralded in his play during the season. The award went to Bruce Thelen, a junior tackle.

# DeWitt

By MRS LEO J. HANSON — Phone 669-9384

DEWITT — Invitations are out for the marriage of Miss Ann Stampfly, older daughter of Mr and Mrs Corlis Stampfly of Grayling. The Stampflys are former DeWitt residents.

Miss Stampfly will wed Bruce Buszard in Detroit on Dec. 18. She is a nurse at Henry Ford Hospital.

Mrs H. Diamond and her mother, Mrs Ina Cook, cousin and aunt of the bride-elect entertained at a bridal shower in her honor on Nov. 14 at the Diamond home on Webb Road. Guests out of town were Mrs Corlis Stampfly and daughter Marilyn and Mrs John Stampfly of Grayling and Mrs George Lindquest of Ann Arbor.

Bridal games were played with prizes won for the bride by Mrs Russel Sibley and Marilyn Stampfly.

The Thursday afternoon Club met at the home of Mrs George

Baird on Nov. 18. Mrs Allen Stampfly served as co-hostess. The Club sent \$5 to Father Flanagan's Boys' Town.

Lorraine Blivin won the Mystery prize. High prize for euchre went to Lela Henning and low to Shirley Ondreas.

The next meeting will be held Dec. 16 at the home of Mrs Myrtle Belbeck with Lorraine Blivin as co-hostess. There will be a \$1 gift exchange.

George Schultz returned from the upper peninsula with a 175 lb. ten point buck. Lynn Hobbs was also a lucky hunter.

Mr and Mrs Floyd Fleetham have moved into a home on Logan Street. Mr Fleetham is basketball Coach at DeWitt High School.

Mr and Mrs Joe Miller of Delta Mills are announcing the adoption of 5 months old Denise Marie. Mrs Miller is the former Audrey Lee of DeWitt.

Mr and Mrs Park Wilcox and Mr and Mrs Gaylord Ward took Mrs Gary Wilcox and baby to Fort Knox, Ky. last week where she will stay to be near her husband, Gary Wilcox.

Jack Crowner of Louisville, Ky. and Bob Crowner of Grand Rapids joined their father, Melvin Crowner, to hunt in the Baldwin area.

There will be a Union Thanksgiving Service at the Methodist Church on Nov. 24 at 8 p.m. The speaker will be Dr George Sahal, principal of Leonard Theological School in Jabapur, India. The combined Choirs of the Community and Methodist churches will provide special music.

The Naomi Circle of the Community Church is sponsoring a Christmas Smorgasbord at the church on Dec. 1. Serving begins at 11:30.

The oil portrait of the late John F. Kennedy painted by Joe Wheat will be on display in the DeWitt Public Library for the next two weeks along with a portrait of Senator Robert Kennedy also done by Mr Wheat.

Mrs Leo Hanson will show the slides she took in England, Scotland and Wales this summer at the Memorial Building on Tuesday, Nov. 30 at 7:30 p.m. Anyone interested in seeing them is invited to attend.

There will be a school of instruction at DeWitt OES Nov. 26 at 7 p.m. in the Masonic Temple.

Since the burning of their home at East DeWitt three weeks ago, Mrs Virgil Lyon's health has continued to fail. She has now been taken to St. Lawrence Hospital where she is receiving special treatment.

## Senior MYF met Nov. 21

ELsie — On stepladders, David Showers and Sharon Dunham presented a skit for the Senior MYF Nov. 21 that brought forth lively discussion by the teenagers in attendance.

It was the consensus that this particular world was created with the Church as an integral part of God's plan. His purpose in sending Jesus Christ was to bring religion as a personal relationship between God and Man.

The Rev Gordon Showers was also present to aid in the discussion.

A brief business meeting preceded the program with final plans made for next Sunday evening's "Christmas in November" project. All were reminded to bring children's articles of clothing such as mittens and socks and also toys for the tree. They will be sent to the Grand Rapids Community House for distribution at Christmas.

Parents and friends are invited to join the youth in this missionary project and also the potluck supper of sandwiches, salad and cake. Each family is asked to bring own table service. A program will follow.

After the MYF Benediction, the young people played volley ball.

## Green School Home Ec Club plans Christmas party

ELsie — "What's New in Family Fabrics" was the lesson presented by Mrs Kenneth Munson and Mrs. C.S. Goodrich Wednesday afternoon at the home of Mrs Carl Lindauer before members of the Green School Home Extension Club.

The program was preceded by a potluck dinner at noon.

Plans were made for the next month's Christmas dinner to be served Tuesday evening, Dec. 7 at the Methodist Church in Carland.

They will resume lessons again on Jan. 14 at the home of Mrs A.D. Pearl with Mrs Garth Brewbaker as co-hostess. "Simple Household Repairs" will be the discussion.

## Thanksgiving Eve Union Services

ELsie — The Elsie Baptist and Methodist Churches will hold a union Thanksgiving service Wednesday evening at 8 p.m. at the Methodist Church.

The Rev Peter Jansen of the Baptist Church will deliver the message and Rev Showers of the Methodist Church and its senior choir will assist in the service.

An offering will be received which will be sent to CROP.

The Wesley Circle of the Methodist WSCS is setting up a schedule of nursery "baby sitters" for the morning church service. The nursery for children under three years of age will begin on Nov. 28th.

The Mary Marie Circle of the Methodist WSCS will serve a chili lunch on Wednesday, Dec. 1 from 11:30 a.m. to 1 p.m. at Fellowship Hall in the church.

A daughter, Kimberly Ann, was born to Mr and Mrs Gary Schultz of Elsie at the Carson City Hospital Nov. 13. The baby weighed eight pounds and returned home Thursday with her mother, who was the former Sharon Sloat.

## Holiday recipes previewed

ELsie — A preview of holiday recipes was given at the new Consumers Power building in Owosso on Nov. 16, when nearly 50 members of the Woman's Literary Club of Elsie were guests at a special cooking school.

They were also taken on a tour of both complete kitchens in electrical and gas appliances and given recipe books to take home in addition to eating the food prepared that evening.

Mrs Howard Peltier served as chairman of the meeting with Mrs Robert Bloomer arranging the transportation.

The next meeting will be on Nov. 30, when the "Diamond Jubilee Anniversary" of the General Federation of Women's Clubs will be observed. Mrs Marion Sagen-dorf of Greenville, president of the West Central District will be the guest speaker.

Dressings were made for the Clinton County Cancer Society at the home of Mrs Paul Platner Nov. 17. Sewing the dressings

were Mrs Lewis Carter, Mrs B.M. Wooley, Mrs James Stanley, Mrs Vina Smith, Mrs Lloyd Craven and Mrs Blanche Bates, while Mrs Henry Allen and Mrs Platner folded them.

## Committees for OES named by Worthy Matron

The new officers of Elsie Chapter OES assumed their stations for the first meeting Nov. 17 with Mrs R.D. Martin and John Hall presiding.

The following committees for the 1965-66 season were announced by the worthy matron as follows: examining, John Hall, Mrs A.W. Cobb and Mrs Luman Hall; finance, Robert Kridner, Mrs Paul Platner and Mrs George Blayney; proficiency, John Hall; publicity, Mrs S.J. Keys; relief, Mrs William Wilson, Archie J. Moore and Mrs Sidney Keys, entertainment, Mrs Anne Pray, Mrs C.S. Goodrich and Mrs R.D. Martin; social, Mrs Harold Smith, Mrs Robert Kridner and Mrs Paul Platner; sunshine and flower, Mrs C.H. Sills, Mrs Vina Smith and Mrs Dale C. Levey; and instructor, Mrs Archie J. Moore.

Mrs Dale Levey gave the report of the Sunshine committee stating that Mrs Lulu Rule is in the Maple Valley Nursing Home in Ashley.

A joint school of instruction will be held here Friday night, Nov. 26 with the Worthy Grand Patron as instructor.

Plans were also discussed for the 75th anniversary of the local chapter to be observed Feb. 26 at the annual Friends Night. Mrs C.S. Goodrich, Mrs George Blayney and Mrs. S.J. Keys were appointed to plan the program.

A social hour with refreshments followed the meeting with the following committee in charge: Mr and Mrs Robert Kridner, Mrs George Blayney and Mr and Mrs Nell Hall.

## Junior MYF elects

ELsie — The Methodist Junior MYF has resumed meetings on alternate Sunday evenings with the following officers in charge: President Bryon Green, Vice-president Ruth Ann Baker, Secretary Mary Jo Hovey, Treasurer Belinda Easlick, and publicity, Jack Keys.

Others chosen for Christian areas of work were: Faith, John Dunham; Witness, Alpha J. Grubaugh; Outreach, Martha Gelger; Citizenship, Barbara Finch; and Fellowship, Ronnie Kidas.

The officers will be installed next Sunday by the Rev Gordon Showers during the regular morning worship service.

Mrs Alpha Grubaugh is the counselor. She will be assisted by several mothers. The young people voted to pay a hall of the pledge made by the Senior MYF for the MYFUND and will also aid them in their "Christmas in November" home mission project next Sunday evening.

This junior group will meet again on Dec. 5. Cider and doughnuts furnished by Mrs William Baker were served by Dana Lannen and Belinda Easlick.

## Sr. MYF officers installed Nov. 21

ELsie — An impressive ceremony by the Rev Gordon Showers installed the officers of the Senior MYF as a part of the Sunday morning church service.

The officers are: President, Jennifer Keys, Vice-president Ken Baese, Secretary David Williams, Treasurer Sharon Dunham, Christian Citizenship Sandra Grubaugh, Christian Faith Sherry Moore, Christian Fellowship Reta Platner and Christian Witness and district MYF representative David Showers.

The service closed with rededication of the Covenant of the MYF and its benediction.

Mrs Lawrence Peterson entered the Clinton Memorial Hospital Nov. 18 for observation and treatment. Mr Peterson was a dinner guest of his son and family, Mr and Mrs Eugene Peterson of Ovid.

## Christmas party for Legion

ELsie — The November meeting of the American Legion Auxiliary was held at the Legion Hall with President Mrs Leslie Stur-gis conducting the business meeting. The members voted to send in money for a Girl's State reservation.

The Auxiliary, jointly with the Legion met to make plans for the Family Christmas party which will be held Sunday Dec. 5 at 1:30 p.m. at the Legion Hall.

## South Ovid

By Mrs George Young

Mr and Mrs Gary Pennington and his mother, Mrs Inez Pennington of near Ionia were Tuesday callers of Mrs Sarah Young and Mrs Nancy Baker.

This vicinity was shocked at the sudden illness and death of Mrs Gladys Gee Parker last Tuesday night. Mrs Parker had been quite ill for about a week. The families have our sympathy.

A birthday party and supper was held at the Calvary Baptist Church basement for the pastor's wife, Mrs Rogers last Wednesday evening. She received a number of cards, each having a pretty handkerchief within. A birthday cake was another feature of the evening.

Edward Gee of Cortez, Colo., flew here last Thursday to attend the funeral of his mother, Mrs Gladys Gee Parker, who was buried at Sumner last Friday. Mr and Mrs Andrew Foote of near Mason were visitors with Mrs S. Young and Mrs Nancy Baker last Saturday.

Mrs Edna Sherman of Riverdale and Mrs Virginia Clossen of Midland spent some time last week with Mrs Georgianna Underhill.

## Krepps District

By Mrs Lucille Heibeck

The Julius C. Thelen family was entertained at a pre-Thanksgiving party at the home of Mr and Mrs Carl Thelen Sunday evening.

Mrs Joseph Smith and daughters, Bernadette and Betty Ann spent Sunday evening with Mr and Mrs Joseph Fedewa Jr. and family of Westphalia.

## Glenn Olivers see sugar cane being harvested

SOUTH WATERTOWN—Mr and Mrs Glenn Oliver who are vacationing in Florida write the following:

"We saw them planting and harvesting sugar cane. Stalks are cut so there is a joint in each cutting. These are spread from a truck into furrows 8 to 12 inches deep. It takes about a year to mature. We saw it in all stages from just coming through the ground to some that was 12 to 14 feet high. About 5 crops are harvested from this field before it is replanted.

Most of the help hired to cut the cane is either Cubans or Puerto Ricans. There are about 10 factories. One is owned by General Motors and one makes sugar syrup that is used by Coca Cola.

I have copied from the Belle Glade Herald. Quote "The Glades \$50 million 1965-66 harvest has begun. Gross tonnage of cane estimated at 5,625 million tons of saleable raw sugar and 28 million gallons of black strap.

Ten thousand employees will collect more than \$21 million in salaries. About 7200 will be harvest hands with employment for 90 to 150 days."

Fields of sugar cane grown on this Everglades muck stretch nearly as far as eye can see. The

ground is very level.

Mr and Mrs Leon Garlock and Mr and Mrs Lawrence Maier spent Sunday at Crooked Lake. Mrs David Hodges and family were Sunday dinner guests of Mr and Mrs Gene Woodman of Ola Corners.

Mrs Bess Pearson is undergoing treatment at Sparrow Hospital.

Mr and Mrs Floyd Ackerson and Mrs Hattie Adams spent the weekend at Horsehead Lake.

Mrs Irving Hansen and Mrs Leon Felton of Lansing were luncheon guests of Mrs Bruce Hodges on Wednesday.

Clifford Brown and daughter of Lansing were Saturday evening callers at the Leon Garlock home.

Herbert Hardtke and Bruce Hodges spent the past week at Wakefield on a deer hunting trip.

Mr and Mrs John Ryan called on Mr and Mrs Norman Marty of Grand Rapids on Saturday.

## Bridgeville

By Mrs Thelma Woodbury

Mr and Mrs Wayne Woodbury called on Mr and Mrs John Woodbury Nov. 21. They were coming from Grayling to Vermontville to spend a few days with his parents, Mr and Mrs Ossie Woodbury. From there they will continue on to Texas, where he will enter helicopter training school.

Mrs Douglas Hulbert and children spent Nov. 19 and 20 with her parents while Mr Hulbert spent Nov. 20 hunting near Harrison.

### Graham movie slated

"The Restless Ones," a new Billy Graham motion picture, will be shown Dec. 9 at the Civic Center in Lansing.

### Do vitamins stay potent?

Vitamins come lots of ways—powders, liquids, some in pills, some in capsules. Some must be refrigerated to maintain full strength. Some have limited storage life. Others should not be mixed until just before taking. And so on.

We bring all this to your attention because "vitamin preparations" are being sold all kinds of ways these days. You hear offers on the air. You see offers in print. You even find salesmen ringing your doorbell.

For reasons mentioned above, the proper place to obtain vitamin preparations is your registered pharmacy where professional knowledge assures your getting full vitamin value.

THANKSGIVING MESSAGE

This is a time of Thanksgiving when we should stop and count the things we have. We often shut our eyes and complain about the things we don't have. Think back to that first Thanksgiving Day, they had very little, barely an existence, but they stopped and rejoiced mainly for life itself.

Why can't we do the same? Besides life, we have food, the best standard of living in the world, we have shelter... the nicest and most convenient homes in the world. We have freedom... maybe we complain about not enough freedom, but still it is so much better than any other place in the world.

So, let us stop on this Thanksgiving Day for just a moment and give thanks to our God for our blessings whether they be great or small, and ask forgiveness for being so shortsighted as not to see our bountiful blessings and so slow to see the needs of our fellow man.

NEWS in Brief

The 1965-66 Michigan winter sports map which pinpoints all of the state's 87 winter recreation centers and lists their facilities is now available for distribution by the Michigan Tourist Council in Lansing. . . Clinton County has a good jump already on its 1965 Christmas Seal Campaign. As of Nov. 12 a total of \$1,077 has been donated. Last year at the same time only \$773 had been received. . .

Wheel Inn of St. Johns has been cited by Travelmats Corp. of America of Prairie du Chien, Wis., as one of the outstanding traveler stops in this part of Michigan. . . Wilgoe Maestros Rosanne, a junior four-year-old Registered Guernsey cow owned by George E. Smith of St. Johns has completed an official DHIR actual production record of 13,070 pounds of milk and 705 pounds of butterfat in 305 days, with twice-a-day milking, according to the American Guernsey Cattle Club. . .

The Elsie Sun, published by Loyal Hinkley at Elsie, ceased publication recently after an existence of 83 years. . . Temporary speed limits of 65 and 55 miles per hour on US-27 in Gratiot, Isabella and Clare counties were lifted Monday. Legal speed now is 70 miles an hour day and night. The restriction was imposed earlier this year when work began on a series of US-27 overpasses. . .

Chapman District By Mrs Gerald Pope

The sympathy of the community is extended to the family of Mr Howard Plowman who passed away very suddenly. Mr Plowman was a resident of this community for many years before moving into St. Johns. . . Miss Shirley Ashenfelter from Western Michigan Univ. spent the weekend with her family. Many of the men are in the north, deer hunting. Quite a few have filled their license without going north. . .

# Water plant work still on schedule, target-- Feb. 16

In response to many inquiries, Commander Joseph Toth of the Edwin T. Stiles Post 153 of the American Legion of St. Johns this week explained the steps the veterans' organization is taking regarding Vietnam veterans.

appointed a special committee, headed by Past National Commander J. Addington Wagner of Battle Creek, Mich., to iron out the technical and legal problems of extending American Legion membership eligibility to the new generation of war veterans in the making.

The plan is to distribute the committee's report to all state organizations of the Legion by next March so that action can be voted on it at state conventions, with final action scheduled for the 48th National Convention of The American Legion, Aug. 26 - Sept. 1, 1966, in Washington, D.C. Changes in the Legion's constitution can only be adopted by a two-thirds vote of the delegates to the annual National Convention.

"Regardless of what words are used to describe the hostilities in Vietnam," Commander Toth said, "The American Legion recognizes that we are engaged in a real shooting war."

COMMANDER Toth pointed out that the Legion is chartered by the Congress of the United States and that its membership eligibility requirements are specifically established in the charter. The special committee has the task of drawing up suggested changes in the Legion national constitution and in the federal charter which would permit Vietnam servicemen and women to join the organization after their discharge from service or after the cessation of hostilities.

CURRENT ELIGIBILITY dates for membership in The American Legion are as follows: World War I - April 6, 1917, to Nov. 11, 1918; World War II - Dec. 7, 1941, to Sept. 2, 1945; and Korean War - June 25, 1950, to July 27, 1958.

THE LEGION is asking Congress to extend to Vietnam veterans readjustment benefits similar to those provided under the GI Bill of Rights for World War II and Korean War veterans, he explained.

In addition, National Commander L. Eldon James has

With a membership in excess of 2 1/2 million, The American Legion is recognized as the world's largest veterans' organization.

## Gifts will arrive intact only if they're well packed

Getting gifts ready for mailing? Here are some tips for making sure everything arrives intact.

Before wrapping, be sure the gift is well cushioned in the box. If it's small, wrap it in several Christmas tissues. Then stuff more tissues in all spaces within the box.

When wrapping gifts for mailing use a heavy box slightly larger than the gift box. Before sealing the box, insert an extra address label to assure delivery if the outer wrapper is mutilated in shipment.

Seal all edges and tie the box. Put cellophane tape over the address label, so it won't smudge or come loose in damp, wintry weather.

## Legion asks benefits for Viet vets

St. Johns' new water treatment plant should be ready for testing by Feb. 16, according to engineers' projections.

Dave Griffith, resident engineer for Ayres, Lewis, Norris and May, said the \$540,000 treatment plant project is basically on schedule. He reported the progress to the city commission last week.

HE SAID SEVERAL pieces of important equipment are not expected until about Jan. 10, and this could present some problems, but he was confident the plant would be ready by Feb. 16.

"Then we can start it up and give it a good test," he said. "It might take two or three weeks to work all the bugs out." The plant

would be treating the city water during the testing stages, as well as after the tests are completed.

Griffith's report was basically on the last month of work, from the time of his last accounting to the commission Oct. 19. He said that during the last month 75 per cent of the sludge lagoons for the plant had been completed and a lot of equipment geared up. Banks of controls, motors and switches are now in place.

THE PUMP ROOM is almost completely finished with piping, the roofing, heating and electrical jobs have been started, as well as the bulk line handling equipment. The last major pouring of concrete was done the week prior to Griffith's report. Work has also started on the clarifier and

on rough-grading the grounds around the plant.

By this week, Griffith said, workmen should have electric lights in the building, controls installed and the clarifier shaping up. Windows should be installed and a lot of loose ends will be tied together.

Griffith anticipates the arrival of lab equipment for the plant by the first of December.

The only parts of the job which won't be completed until next spring will be the asphalt driveway into the plant, sidewalks and a trowel marble exterior finish on parts of the building.

The planned economy in the modern home often fails to work because of faulty blueprints.

## Elsie woman hurt in crash

Mrs Alice Ban Haun, 77, of North Chandler Road, Elsie, suffered a broken arm and multiple cuts last Thursday morning in a two-car accident at the intersection of US-27 and Chadwick Road.

Mrs Haun was taken to Sparrow Hospital in Lansing. State police said she apparently turned into the path of a car driven by Frank Reynolds of White Pigeon.

## Car strikes pole

Alan L. Thelen, 22, of Pewamo, lost control of his car and it hit a sign and utility pole in Fowler Monday morning. He was unhurt. The mishap occurred on M-21, a block and a half west of Main Street.

## More sewer rates established

Special sewer rates were established for five St. Johns sewer and water customers last week by the city commission.

A flat rate of \$7 per quarter for sewer service was granted to Charles Berkhausen Sr. of 1100 S. Swegles. He is presently hooked to the city sewer line but does not get city water.

Special rates for sewer were granted to the following persons and businesses for the reasons mentioned: Willis Hettler Jr. of 209 S. Baker Street, because of swimming pool, 75 per cent of water bill; Osgood Funeral Home of 104 E. Cass, and Arthur Halfmann of 501 Wight Street, both for air conditioners, 75 per cent of water bill; and Community Frozen Food Locker, for cooling, 50 per cent of water bill.

IN MISCELLANEOUS business last Tuesday night:

- A.T. Allaby as a Republican and Eldred Walker as a Democrat were reappointed to the city board of election canvassers.

- The commission authorized City Manager Ken Greer to sign for the city approval of a contract between St. Johns Development Co. and their contracting firm which will install sewer and water and curb and gutter in their new subdivision in the southeast corner of the city.

- COMMISSIONER Ray Kentfield and City Manager Greer were appointed as a committee to meet with Earl Lancaster and Fred Meyer, representing the St. Johns School Board, to "explore the pros and cons of athletic facilities at the city park." The school board, which asked for the meeting, is attempting to decide whether new athletic facilities are needed for a proposed new high school or whether the park fields should continue to be used.

- There was only brief discussion by the commission concerning appointment of a person to the city zoning board of appeals, replacing Roy Briggs who resigned several weeks ago. No action was taken.

- WARRENTS and payroll totaling \$25,365.20 were ordered to be paid from existing funds.

## Christmas club checks in mail

Christmas club checks totaling \$103,148.50 went out from the Clinton National Bank and Trust Co. this week to the more than 1,000 Clinton area people participating in the 1965 Christmas savings program.

Clinton National's 1966 Christmas club enrollment starts Friday at the bank's St. Johns and Elsie offices. A new feature of next year's club is an option which permits members to withdraw the balance in their account at any time after Oct. 1, 1965.

THE OPTIONAL early termination has been adopted for the convenience of club members who want use of their accumulated funds prior to the customary mid-November date, says John A. Rumbaugh, Clinton National's vice president and cashier.

Gay Christmas season decorations were installed earlier this week in the St. Johns and Elsie offices of the Clinton National. Mrs. Hila Bross, centennial year coordinator for the bank, is planning special century-old Christmas decorations in the Centennial Room at the bank's St. Johns office.

## Book Shelf

By Hila Bross

John D. Veriker (alias Robert Traver) has done it again. The former prosecuting attorney of Marquette County, Mich., who later became justice of the Michigan Supreme Court, took the pen name of Robert Traver when he wrote his TROUBLESHOOTER in 1943, and the name became famous when ANATOMY OF A MURDER came out in 1958.

His newest literary effort is based on another actual Michigan court case, this one involving an Upper Peninsula Chippewa Indian maid with the lyrical name of Laughing Whitefish, which is also the name of this book.

THE BEAUTIFUL Indian girl claims to be heir to a share of the fabulous Jackson Iron ore mine at Negaunee. Young Willy Poe (who would like to be called Bill or even William), fresh out of law school in Ann Arbor and just setting up practice in Marquette, takes her case.

LAUGHING WHITEFISH is a candid picture of the Upper Peninsula in the boom days of 1873, when iron was king, copper was queen, and an Indian was just somebody to cheat. This is also a true story with just enough embroidery to make it extremely satisfying. Incidentally, Robert Traver is so busy with the literary life that John Voelker has given up law entirely.

ANOTHER MICHIGAN community is currently in the literary limelight. It is the little town of Flushing, now practically a suburb of Flint, but in the early 1900s still an entity in itself. This is the period of Edmund G. Love's book, THE SITUATION IN FLUSHING. This book is pure nostalgia for anybody who lived in Central Michigan 40 or more years ago.

If the book had a hero, it would be the Cincinnati, Saginaw, and Mackinaw Railroad which ran through Flushing and was Mr. Love's first love. This could very well be a story of St. Johns and the Grand Trunk. The setting and the characters are similar.

THE NEW YORK TIMES in its review of this book is most enthusiastic about Mr. Love's writing, particularly his humor. "...the kind of laughter he brings (says the Times) comes from deep down and makes you feel good all day and into the next." In the past few weeks this book has steadily climbed the popularity ladder until it was the subject of a feature story in last week's Saturday Evening Post.

Antique hounds will welcome Thomas H. Ormsbee's CARE AND REPAIR OF ANTIQUES, a newcomer to our library shelves. Here is a guide for "anteeekers" at all levels, from the professional "picker," the discriminating collector, to the rankest greenhorn. It tells you how to restore broken and neglected pieces, how to repair and enhance old silver, pewter, brass, copper, china, glass, and pottery. Of greatest value is the advice on how to detect fakes and reconstructed pieces.

Good businessmen never trust anyone who trusts to luck.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We dare not forget that when our forefathers celebrated the first Thanksgiving Day they weren't at all sure that their meager harvest would be adequate to sustain the little community through a long hard winter. About all they could give God was thanks!

Gratitude for our blessings in time of abundance discovers a new dimension. We can become partners with the Almighty in His mighty aims.

For the very season in which Christians give thanks to their Lord is the season in which they plan their stewardship—their support of the Church's continuing work.

If you are a church member, demonstrate your thanksgiving in earnest commitment to your congregation's spiritual opportunity. If you are not a church member, express your thanksgiving by discovering your own spiritual opportunity.

Spiritual dedication is about the only life resource of which we do not have more than we absolutely need!

Reward the careful, penalize the careless

Are states which impose the same automobile insurance rates on careful as on careless drivers acting illegally? In so doing are they, in fact, practicing discrimination? Are they violating one of the holiest tenets of Anglo-Saxon law: that the innocent shall not suffer for the sins of the guilty?

Never in American history has there been a period in which greater public and private, legal and practical efforts were made to end discrimination than today. Without hesitation courts—from the lowest to the highest—have struck down statutes, practices, and systems which discriminate against any one section of the population. Is it, by extension, correct to say that to charge good drivers the same insurance rate as bad drivers is a form of discrimination?

IT IS INTERESTING to note that the Massachusetts Division of the American Automobile Assn. has officially adopted the position that this is so. In fact, the Massachusetts General Court on one occasion took the same position.

We wish the AAA well in its effort to see fair and nondiscriminatory automobile insurance rates established everywhere in the United States. Graduated automobile insurance rates would help end much of the carelessness, recklessness and thoughtlessness of American drivers today.

Reexamine present draft rules, procedures

Washington is finding it increasingly difficult to be both fair and wise in administering the draft under present conditions. It is clear that there is widespread questioning of present draft rules and procedures. Further thought as to how to resolve what many persons feel are inequalities and inconsistencies is badly needed.

We are not referring to the present very slight—but highly publicized—opposition to the draft shown in the public burning of draft cards or to public demonstrations against America's part in the Vietnamese war. These activities are traceable to a highly vocal and intensely felt opposition to America's present course on either moral, political or ideological grounds. Although bothersome, that opposition is largely in the open and fairly easily identifiable.

MORE DIFFICULT TO measure is the widespread feeling that, a) too small a cross-section of American youth is being called upon to serve in the armed services, or, b) the skills of highly educated draftees are not being wisely used, or, c) deferment policies for those still studying should be broadened.

These dissatisfactions clearly cut across each other. Those who received no deferment may believe they are being forced to take the place of those who are "hiding behind study." Those whose studies are either interrupted or threatened believe that the government could use their talents more fruitfully than in carrying rifle.

WE DO NOT BELIEVE that this is traceable primarily to any widespread disagreement with American policy in Southeast Asia or to any general feeling that the war there is being bungled. It is, rather, the wholly to be expected reaction in a war which is literally halfway around the world, in which America does not appear to be directly threatened, and which spread slowly and often invisibly and with out the spectacular kind of outset which can galvanize public interest and understanding.

Of all wars, this is the hardest kind to fight. It is not surprising that hundreds of thousands of young men feel, in varying degrees, confused, resentful and uncertain over it. A reexamination of draft policies and procedures, accompanied by better explanations of both from Washington, would help.

Busy Season Ahead

RAMBLIN' with Rink

By LOWELL G. RINKER

Somehow the luxury of having spare time to read books has not presented itself to me for a long time. Perhaps it's because the better books which are found in the libraries have great detail and require not only a goodly amount of time but also attention.

Being able to relax and take the time necessary has not been my lot. When I have felt like reading, I haven't had the time for any more than a quick, fast-moving paperback.

COLUMNIST Gladys Cooper over at Lapeer apparently has the same problem, and her reaction to today's best sellers is a fairly accurate reflection of my feelings, too: I quote:

"We don't have time to read all the 'best sellers', what with trying to keep up with daily papers, news magazines and other required (by us) reading. About the best we can do is follow the reviews. Sometimes we regret this lack of time; but I dunno.

"ON A TRIP WHEN we planned to make our motel stops early in the afternoon we each bought a book that had long been at the top of the best seller list in several magazine reviews.

"So on the first afternoon I got my book (and three apples and a cup of coffee) and was

ready for a fine reading time. That Man, with his book and coffee, looked equally relaxed.

"End of Chapter I. I asked, 'How's your book coming?'"

"TWO murders, three adulteries and a nice scandal cooking", he sez. 'How's yours?'"

"Well, I counted 27 four-letter words on the first three pages, and I haven't yet met a normal person; but maybe it'll get better."

"It didn't. We're not prudes, but some things do get monotonous. We tried for a couple of afternoons to get interested—to find something that might merit such display of sick personalities — such flaunting of morbid traits. We couldn't.

"THE THIRD afternoon I sneaked a look at my roommate's reading. He was back to his favorite mystery writer. He sneaked a look at my 'Mrs Appleyard,' and sez, 'Where's your dirty book?'"

"In the sack with the rest of the garbage," I sez. 'It seems foolish to waste good time on that when I haven't read 'Mrs Appleyard' since last winter.'

"I likely never will be able to discuss best sellers, but Mrs Appleyard does have a mighty nice family."

Kitchen Magic

By W. E. DOBSON

There are many purveyors of magic, That we witness now and then, And they never fail to interest Young and old—girls, boys or men; I would not a bit belittle Any magic they possess, But there's other magic makers Though oft gowned in simpler dress.

These are known as kitchen chemists, Though they rate no PhD, Stirring mixes in the kitchen For a favored recipe; I would surely seem ungrateful If I couldn't quite enthuse, On the wonders of the magic That these real magicians use.

From the shelves 'n from the cupboards On a given command appears, Various elements fer concoctin' Goodies soon to bring forth cheers; First the choice of what's desired, Then the skill of practiced hand Heat or cool to suit the mixture Go to make the mixture grand.

Some magicians often fool you, Some may earn unstinted praise, But the magic in the kitchen Will delight you all your days; Though we rave at the clever magician, I would sing with all who would explore, The wonders of old-fashioned cookin', With many a healthy encore.

10 YEARS AGO From the Files of Nov. 24, 1955

Clinton County's first juvenile jury sat in judgement on two juvenile traffic offenders under auspices of the probate court Monday night. In the first case a verdict of guilty was returned and penalty prescribed. In the second an acquittal resulted.

With final reports due only from Fowler, Maple Rapids, Westphalia, county professional men and many of the county's townships, the Clinton County Communities Chest fund reach a total of approximately \$18,900 this week, roughly 63 per cent of the drive's \$30,000 goal.

Staging of the St. Johns Centennial pageant, depicting the city's history, two parades, professional entertainment and preparations for handling the huge crowds expected will reach a sum estimated at \$15,000, committee members have declared.

25 YEARS AGO From the Files of Nov. 28, 1940

St. Johns and Clinton County got their first taste of real winter Tuesday afternoon and night when a blinding snowstorm which at times approached the proportions of a blizzard, blew in out of the northeast about 1 p.m. and continued until well toward midnight. More snow fell Wednesday and is continuing today with the result that the ground is covered with a six-inch white blanket.

Bags packed and ready for whatever may be in store during the months ahead, Clinton County's first three members of the nation's new draft army, George H. Provo, Alex Luci and Ronald Sisson, boarded a Grand Trunk train at St. Johns Tuesday afternoon and headed for Saginaw where next morning they were officially inducted into service and may now be on their way to one of the country's many training camps.

Sparked by the splendid performance of Mary Ann Blakeslee, who enacted the title role, an able group of players presented 'Miss Nelly of N'Orleans' as the annual St. Johns High School senior class production Friday evening at the school auditorium. Staged under the direction of Miss Wilma E. Green, the play won the praise of a large audience.

50 YEARS AGO From the Files of Nov. 25, 1915

Masons began work on the new building for the Smith Garage on Monday, Nov. 22. About 22 are at work and the walls are rising fast.

With good team work but poor individual tackling and blocking, St. Johns defeated Ovid Saturday, Nov. 20, by a score of 7-0. Time after time, a weak attempt at tackling allowed the visitors to gain an additional number of yards. However, the concerted efforts of the local team was sufficient to hold their opponents most of the time in their own territory.

Many improvements are being made in towns the size of this such as have never been found before outside of cities. One such improvement has been installed in the bakery of C. A. Putt. It is a boiler to which is attached a perforated pipe running through the oven to furnish moisture. The boiler has a capacity of 160 pounds, but 20 pounds pressure is sufficient to distribute the heat evenly through the oven. It is used exclusively in baking bread.

Wooden wagon 'tires'? Not so

MICHIGAN MIRROR

Closer checks planned on state work efficiency

BY ELMER E. WHITE Michigan Press Assn.

Evaluating job performance of state civil service employees will take a step toward efficiency if proposed changes are adopted.

Agencies involved, employee organizations and other interested parties have submitted suggestions to change the long-standing method of appraising work performance.

Previously, periodic ratings of all employees were required by the Civil Service Commission. Many complaints that this annual rating system is unwieldy, costly

and of little value provoked the proposed changes.

SATISFACTORY WORK by an employee would be noted by a simple list from each agency under the recommended revision. Only in cases where a conditional or unsatisfactory service rating was indicated would a personnel officer of a department be required to fill out a full report.

Present rating policies would remain in effect for rating a probationary employee. The probationary period is usually six

months or one year. A full report, but geared to a new yardstick of efficiency, would be required in these cases.

WHY THE QUESTION over whether a state employee is performing? A study in 1963 of 26,971 annual ratings required showed 99.3 per cent indicated satisfactory work. Over 70 per cent of the reports did not contain sufficiently detailed comments on performance by supervisors to be of any value in trying to improve the work.

MORE THAN ONCE the commission has been asked to abandon the rating system entirely, but this has been rejected.

Commission staff members feel the new system will provide more meaningful evaluations.

The new probationary rating forms have been pilot-tested in two state departments. The staff believes it will provide better ratings because it will be more detailed in nature and based on a job factor analysis established at the time of hiring.

KEEP TRYING LEGISLATIVE OBSERVERS often hear a recurring refrain when regulatory measures are proposed. It goes: "Why bother? Even if we write the law we don't have the manpower to enforce it."

Sometimes this has proven true after enactment. Other times it is surprising to note what can be done with minimal manpower.

The latter is aptly demonstrated by Michigan's local jail situation. A federal jail inspector said recently that collectively Michigan's jails are among the best in the nation.

LESS THAN 20 YEARS AGO, however, Michigan's jails included many prime nominees for a "before" example in a "before and after" picture of detention facilities.

Then in 1950 the Legislature adopted a law giving the Department of Corrections a strong hand in governing the operation of local jails. Since then 51 new county jails have been built in Michigan to help give this favorable impression to the federal inspector.

Even in 1950 some lawmakers likely wondered aloud what good the proposal would do if it could not be enforced. It has been enforced, and by essentially one man.

THE FIRST NIGHTERS are rolling again. Beginning last Monday this group of local people began rehearsing for their new play which will be seen on the 14-15 of January.

This group consists of approximately 105 members both active and inactive. The inactive members are those who are not interested in working directly with a play, but are interested in St. Johns having a group such as this.

THE ACTIVE MEMBERS are the workers, these are the people who do the acting, work on staging, scenery, handle the wardrobe, sell the tickets and the hundreds of other little jobs necessary to putting a play on the stage.

In this group the actors are the minority group, they have very few who want to portray a role and appear on the stage. Although quite a few people would like to, they seem a little shy on taking that first step and trying, where actually it's like stepping off a cliff, once you take that first step you just keep going.

ON THEIR NEW PLAY, "The Cradle Song", this group will rehearse about 3 hours a night and rehearsals are scheduled for 32 nights between now and Jan. 14.

As you can see this adds up to a lot of hours and a lot of work, but it is also a lot of fun. The fun comes in working together with a group that comes from all walks of life and trying to do their best to entertain those who will come to see the play.

THIS NOT ONLY from the actors, but also from the people who will paint the scenery, build the set, make or gather clothes for the wardrobe, sell the tickets or usher at the play.

Last year this group put on two plays which were quite successful considering that it was their first year in this venture to bring something a little different to St. Johns.

THEY ARE NOW going into their second year with a new play and a lot of work ahead of them.

This first play of the First Nighters will be followed by a second play in May entitled "Everyone Loves Opal". If you would like to join this group and work, in any capacity, I'm sure they would like to have you and would put you to work in any of the areas that you would desire.

I'll see you at the play in January!

## Many foreign ships floating firetraps

Rep. William F. Ryan, (N.Y.) . . . The N.M.U. Pilot published by the National Maritime Union . . . outlined a serious problem concerning safety measures on foreign passenger ships. The condensed article follows:

"The American public must be alerted to the hazards of booking passage on substandard foreign flag cruise ships that operate from U.S. ports.

"Thousands of unsuspecting Americans place their lives in jeopardy every day on cruises aboard foreign flag floating firetraps.

"THERE IS A VAST difference in the safety regulations which apply to ships of different countries. It can be a difference of life or death.

"The safety regulations of the United States are the most stringent in the world . . . A prime example is the super-liner SS United States. Her only two fixed wooden installations are the butchers block in the galley and the grand piano in the lounge.

"A traveler who takes passage on a foreign ship, especially one of the many older vessels which are still in service, will find rich, often handsome . . . but highly flammable . . . wood paneling throughout the ship.

"SUCH WAS THE case with the Greek liner 'Lakonia' which caught fire last December in the east Atlantic with a loss of 129 lives while on an 11-day Christmas cruise from England to Madeira and the Canary Islands . . .

"Few passengers on the 'Lib-

erte', formerly the German liner 'Europa,' which was operated by the French Line for years after World War II, realized they were traveling on a ship that caused marine experts to speculate on 'how the ship ever hung together.'

"The ship designed to be a smaller, slower vessel, was lengthened during her construction. As a result she twice developed serious cracks. She was also plagued by fires caused by inadequate electrical installations. Nevertheless, she was operated by the French until they could replace her.

WHEN THE popular British liner 'Mauretania' was finally scrapped she was revealed to be a 'floating tinderbox' with shavings and sawdust up to 3 or 4 feet deep between her bulkheads as a result of a succession of conversions made in her wood-paneled quarters during her lifespan . . .

"Shipping men, including Coast Guard inspectors who can't be quoted, are still shaking their heads at the old Mallory Line coast-wise freighter 'Medina' which was converted into one of the 'luxury cruise liners' now running out of Florida.

"IN THIS SHIP the newly installed air-conditioning vents reportedly go through the fire doors for the length of the ship. This means that instead of being barred by the fire doors a blaze could roar through the entire ship as in a giant flue . . .

"Disasters at sea will also grow greater unless the public is alerted to the hazards of traveling on the increasing number of substandard and unsafe foreign-flag ships."

YES, MICHIGAN has only one official jail inspector. He spends most of his time throughout the year traveling the 83 counties checking compliance with the law.

With 15 years gone by, the inspector's job is now becoming easier as more modern facilities are in use.

This single area of state government activity might provide a good object lesson of what a little manpower can do to make major improvements.

EDUCATION IN Michigan will be headed by one of the state's highest paid administrators under the government reorganization established by the 1963 Constitution.

The new State Board of Education is nearing a decision on a man to fill the \$30,000 a year appointive post of superintendent of public instruction.

As the non-voting chairman of the state board, the new administrator will be the top leader of Michigan's public school system. He will also be the board's spokesman in dealing with the various independent state colleges and universities.

RESPONSIBILITY FALLING on the superintendent will involve every aspect of Michigan's official concern with education.

In addition to membership on the State Administrative Board, Municipal Finance Commission and a half-dozen other units, he will have budgetary responsibilities of great magnitude.

One of his chief functions will be to prepare the annual budget for education, from kindergarten through some university and adult education programs, and to defend it to the governor's advisers and the legislative committees.

The new \$30,000 salary designated for the superintendent still to be found is the same as that received by Michigan's governor.

CHEW, CHEW MINT  
One pound of mintoil-peppermint or spearmint—is enough to provide the flavoring for 15,000 sticks of chewing gum, according to Michigan State University scientists. Yet, the chewing gum industry uses nearly half (48 per cent) of all the mint produced in the US. The rest of the mint is exported (28 per cent), added to toothpaste (16 per cent) or mixed with candy, ice cream, jelly, beverages, etc. (8 per cent).

A half-century ago the Ovid Carriage Co. made a few buggy wheels having steel tires with concave surfaces into which round rubber tires were "snapped." The late "Billy" Groom, my neighbor, told me all about it.

## Young Farmer Conference set Jan. 4-6

The annual Young Farmer Conference sponsored by the Michigan Farm Bureau and its affiliated companies is being scheduled again this year and the Clinton County Farm Bureau Board of Directors is looking for a young couple between ages 17 and 30 who would like to attend the three-day event in Lansing all expenses paid.

There will be one couple selected to represent each county in the state. The group will get a review of all the operations of Farm Bureau and the companies and will get to visit some of the

operations out over the state.

ROOM AND MEALS will be furnished while they are in Lansing, and will be given a wealth of information about Farm Bureau which will go far in developing the future leaders which the organization hopes they will be. Members wishing to submit names for candidates to attend are asked to contact the county office.

## COUNTRY FLAVOR

### Choosing horse blankets was big excitement for lads

HAYDEN PEARSON

Time was when horse blankets were important. Solid countrymen were proud of big, powerful work horses and sleek Morgan roaders. It was pleasantly exciting on a windy, cold evening when Father said, "Son, we need new blankets for the workhorses. Why don't you pick the pattern you like?"

Sisters scoffed at a 12-year-old's ability to choose a good color combination. Young ladies, conscious of Art with a capital A, had no confidence in a brother's judgment. But a lad had no inhibitions. When he drove to the village for a load of grain, and hitched Jerry and Charlie to the rail in front of the store while he visited a spell around the pot-bellied stove with men and boys, he wanted horse blankets with definite oomph and authority.

THE MAIL order catalog had a long list and the names made pleasant reading: Jersey Lily, Rockaway Fancy, Blue Ridge, Aberdeen Beauty, Lulu Fancy, Mount Royal, Apache Plaid, Richfield Silver, Hollydale, Bose-A-Lee, Great Eastern Farm and Blackhawk.

The choice was the Cherokee Prince. It was a handsome, eye-catching blanket. Education will help build an elevated railway on which to run your train of thought.

arresting combination of colors with a deep red body and horizontal bright-blue stripes. Around the border was a striking band of mixed colors. "A soft, luxurious finish," the catalog said, "Warm, high quality and an artistic color combination."

WE DON'T PUT a horse blanket over the portable watering trough

on a car; some magic chemical prevents water from freezing. But half a century ago when horses were important, a colorful horse blanket was a sign of a good farmer. And some countrymen today, looking back over the changes in life, still believe that eight miles an hour behind a good roader is fast enough to go through life.

FHA Helps Collect, Repair Toys

FHA girls at St. Johns High School are working with the Jaycees in collecting and repairing toys for children of needy families for this Christmas. They have been kept busy so far, as Mary Jorae (left), Kathy Bashore, Pat Smith and Jean Fleischer demonstrate as they look over a table of collected items. Come Christmas, they'll be valuable toys for some appreciative children.

**Expect 750 for rural clinic here**

The newly formed tourist committee of the St. Johns Chamber of Commerce will work with a group of firms conducting a "Meet The Expert" rural clinic here in February, it was announced Friday.

Bob Prowant, who was named last week as chairman of the

Chamber's tourist committee, said he had not as yet named all of the members to his committee but that he would do so within the next week.

THE CHAMBER was contacted by representatives of the DeKalb Agricultural Assn., one of the co-sponsors of the clinic, and

immediately decided it would be a good initial project for the tourist committee.

The clinic, which will be devoted to teaching farmers how to get more income per acre in corn and soy bean growing, will find approximately 750 people coming to St. Johns. Fifty per cent of them will be from Clinton and Gratiot counties, with the remaining 325 from the eight surrounding counties.

THE EVENT WILL be held at Smith Hall and will begin with an official welcome by Chamber officials. The Chamber of Commerce will also supply two welcome banners to be strung at the head of the hall, along with a bulletin board and display of materials featuring city and county maps. A dining guide, listing area restaurants, is also being furnished those attending.

Prowant stated that the Chamber of Commerce was proud that St. Johns was selected as the site of the clinic, in that only one had been held in Michigan in the past, and that was held in the southern part of the state last year. However, some 27 such clinics were held through the Corn Belt states last year.

Sponsors of the clinic are: DeKalb Seed Corn, Allis Chalmers, Allied Chemical, American Chemicals and Bavin Bins.

**Sealed Power readies 10% stock dividend**

Sealed Power Corp. has announced a 10 per cent stock dividend on the issued and outstanding shares of common stock, payable Jan. 4, 1966, to shareholders of record on Dec. 14, 1965.

The dividend will be at the rate of one share of common stock for each 10 shares of common stock then standing in the name of each shareholder.

THE CORPORATION'S board of directors declared the dividend last Tuesday after reviewing operations of the past year and considering future business prospects.

Sales and earnings for the year 1965 will exceed any previous

year in the company's history, it was reported, and indications are that satisfactory operating levels will be experienced during 1966.

IN ADDITION, expenditures for plant and equipment in 1966 are expected to continue at the 1965 level of about \$3,000,000 to expand, diversify and improve operations.

Stock dividends of 10 per cent were made in 1958, 1957, 1959, 1961, 1962 and 1963. A three-for-two stock split was made in 1964.

SPECIAL arrangements have been made to avoid the issuance of fractional shares, and shareholders will receive a letter outlining the handling of fractional

shares at the time of the stock dividend payment.

During the year 1965, regular quarterly dividends of 25 cents per share, aggregating \$1, were declared. The directors indicated their intention to continue the present annual dividend rate of \$1 per share on the presently outstanding shares and those to be issued as a dividend.

Michigan consumers will eat more meat and demand more services by 1980, according to Michigan State University specialists. Beef consumption will increase 65 per cent and pork consumption 20 per cent. In addition, consumers will demand more ready-to-cook, convenience, processed meat.

# News of Interest to Clinton County Farm Bureau Families

## 13 represent county at state convention

Thirteen members of the Clinton County Farm Bureau represented the organization at its 46th annual meeting November 9 through 11 at East Lansing.

Delegate sessions were held each day in the auditorium on the campus. Other meetings were held at the Union, Kellogg Center and at the Civic Center. The delegates were selected by the county board according to area, commodity and leadership in Farm Bureau. They were all full-time farmers, and the average age was 40.

REPRESENTING Eagle-Watertown was Lawrence Maier and Mrs. David Morris; Bengal-Riley, Raymond Mayers; Bingham-Olive, David Conklin and Neil Harte; Essex-Lebanon, Max Loudbeck and Mrs. Dorothy Ward; Duplain - Greenbush, Andrew Cobb and Lawrence Becker; Dallas-Westphalia, Ronald Spitzley; Ovid - Victor, Mrs. Milburne Moore; Bath - DeWitt, Robert Zeeb. President E. J. Bottum was chairman of the delegation.

Tuesday's opening session was concerned with preliminaries, a welcome address by John Hannah, MSU president and by the annual address from Farm Bureau president Elton Smith. During the afternoon, commodity meetings were held for the delegates at the Union Building.

FARM BUREAU women held their annual meeting on Nov. 9 at Kellogg Center during which time they elected state officers, heard reports and speeches. A special highlight was vocal selections presented by Miss San-

dra Dershem of Clinton County. Miss Dershem also participated in Farm Bureau Young People's Talent Find and was second place winner.

On Wednesday the delegates began consideration of state, national and Farm Bureau organizational resolutions. This was interspersed with reports and by district caucuses at 4 p.m.

IN THE EVENING the annual banquet took place at the Lansing Civic Center with over 2,000 members and invited guests in attendance. National President Charles Shuman was the main speaker. Shuman lashed out at Washington bureaucrats in his talk and challenged members to go home and get to work solving the problems of agriculture on all levels.

Winner of the Farm Bureau queen contest was announced and Miss Janet Hill of Eaton County was crowned before the large audience. Miss Jean Wright was Clinton County's contestant, and 24 others from throughout the state competed.

On Thursday the 600 delegates resumed consideration of resolutions and elected six district directors and one at-large (see article concerning Robert Zeeb). A special observance of Veterans' Day was held at 11 a.m.

The weather will play an important part in the development of Michigan's future peach yields. Peach trees are particularly hampered by cold injury. Severe winters can reduce bearing peach tree acreage.

ROBERT ZEEB

## Zeeb state director

Robert Zeeb of Bath Township was elected to the board of directors of the Michigan Farm Bureau at the organization's 46th annual meeting at MSU Nov. 9-11. Replacing Walter Wightman, past president of the state's largest farm organization, Zeeb took office immediately following the three-day delegate session.

Four others from throughout the state were seeking election for the same position.

A member of the Clinton Coun-

ty Farm Bureau for nine years, Zeeb has been active in the organization most of that time. A member of the Clark-Chandler Community group in DeWitt Township, he has held several offices in the group.

HE WAS ELECTED to serve on the county board of directors in 1962 and was re-elected at the county annual meeting in October to another three-year term. He was vice president of the board in 1965. Zeeb has been a member of the State Farm Bureau dairy committee for five years, chairman for two. This year he served on the state resolutions committee.

Other credits given him were membership on the State Fair Authority, 1962 County and State Outstanding Young Farmer, State DHIA president and most recently recipient of the Kellogg Fund Scholarship for Young Farmers which involves a course in all phases of agriculture over a three-year period, including state, national and world tours.

ZEEB'S TERM is for a two-year period director-at-large position. Another Clinton County resident, David C. Morris of Eagle, is also a State Farm Bureau board member and was re-elected at this year's annual meeting for a second two-year term. He represents District No. 5 which includes Ingham, Eaton, Genesee, Shiawassee and Clinton counties.

## Change gas tax refund process

Along with changes in excise taxes, Congress has changed the method by which farmers obtain refunds on the 4 cent federal tax on farm-used fuels. The forms for filing refund claims can be obtained from the District Director of Internal Revenue, the county Farm Bureau office, or from county extension agents. They must be filed at the regional service center. This is the last time that separate filing for gas tax refunds will be necessary—or allowed.

Refunds for farm-used gasoline covering periods after June 30, 1965, will be claimed as credit on income tax returns. The credit will not be available on the 1965 tax returns for calendar year taxpayers. But full credit can be claimed on the tax return for the taxable year 1966 for the period July 1, 1965 to Dec. 31, 1966. Beginning Jan. 1, 1966, farmers

## FB identified by achievements on farm issues

Farm Bureau—The organization for families who make farming their business.

Farm Bureau does what it's supposed to do for the farmers of Michigan.

Farm Bureau has an obligation to its members which it never forgets. In the many areas which it has to serve, it must always be the factual and forthright voice of the farmers of Michigan. It must educate the farmers' audience and customers about the products and needs of the farmer; it must inform the farmer and his public of the changes in agriculture and how it will affect their future; it must provide the legislative counseling that will enlighten the legislators on the basic needs of the farm community and at the same time present the true picture to those who minimize the importance of agriculture's role in our economy; and finally, it must produce an effective market development program to make the production and distribution of Michigan-grown products the best in the Nation.

IT HAS achieved uniform statewide meat inspection to improve markets for quality Michigan livestock.

IT HAS introduced and seen approved enabling legislation for the development of commodity and marketing programs.

FOR the future, Farm Bureau will continue efforts to reduce the burden of property taxes, both real and personal, and strive to maintain farm land assessment at farm rates, as long as the land is used for farming.

THESE ARE THE things we've said we'll do, and below are a few of the past year's achievements; like we said, "Farm Bureau DOES what it's supposed to do for the farmers of Michigan."

As the only farmer organization having full-time state and national offices, it will also be eligible for a credit of 6 cents per gallon for lubricating oil used for non-highway farm vehicles.

## President's Message

Recently in East Lansing, the Michigan State Farm Bureau annual meeting was held. It was a challenging and exciting three days.

The first day we heard Dr. Hannah of MSU welcome us to the campus; the President of Michigan Farm Bureau, Elton Smith, then gave his report on the activities of the past year and what we can expect of Farm Bureau in the future. We had a full delegation and they were all seated. I wish to thank all these men and women who believe enough in Farm Bureau to take the time from their busy days to help set the policy of Farm Bureau. This is one of the steps where Farm Bureau policy starts.

TUESDAY afternoon was Commodity Day and Women's Day. The commodity meetings were on what Michigan Farm Bureau was doing in the commodity line. Our county was well represented at both of these meetings. In the evening my wife and I attended the president's banquet held at Kellogg Center.

The county presidents of the state and their wives, the state board of directors and their wives were all there. We heard Charles Mayfield, secretary of the Illinois Farm Bureau, give a very interesting talk. We then went to an open session of the resolution committee. This is something new and I think it will be expanded. Any Farm Bureau member could talk on any subject with a three-minute time limit. Some very good ideas and discussions came up.

WEDNESDAY WAS Resolutions last year, at the highest rate paid in the US. This represented over 50 per cent of the apples to be sold for freezing and canning.

IT HAS obtained a state standard grades for pickling cucumbers which will go into effect in 1966.

IT HAS gained a new fair price for asparagus and will soon be developing programs for other crops, everything from dry beans to Christmas trees. There is continued research to develop new agricultural markets, new outlets and new uses for Michigan products.

It is promoting roadside markets through Michigan Certified Farm Markets, a new voluntary organization.

Day. Here is where your policy is set for Farm Bureau for the coming year. David Morris was elected to another two-year term as director on the state board. Wednesday evening a banquet was held in the Civic Center with over 2,000 people attending. An inspiring talk was given by President Charles Shuman of the American Farm Bureau Federation.

Thursday we were back on resolutions and the election of director-at-large. Bob Zeeb, one of your board members here in Clinton County, was elected by the delegates to be the new director-at-large. We are very proud here in Clinton County to have two directors on the Michigan State board from our county. Congratulations to both Bob and Dave.

THIS WAS ONE of the best annual meetings that I have ever attended. It was a very efficient and the people who worked on this convention are to be congratulated.

You may have the right-of-way in traffic, but there's little satisfaction in dying to prove it.

The Clinton County 4-H Leader Recognition Program for 1965 will be held at Smith Hall in St. Johns Dec. 9 at 7 p.m. Emily Davis, Judy Miller and Ardis Sibley are planning the program. Featured on the program will be Gordon Beckstrand, assistant state director of Extension, 4-H and youth programs, and the St. Johns High School "Wisonaires." Forty-two 4-H leaders with three, five, 10 and 15 years of service will be honored.

**N. F. O.**

During the winter the economists predicted that there would be a decrease in hog farrowing and they were very accurate in their forecast of the amount of pigs that would be farrowed. They also predicted that due to the decrease of hogs the price would rise and hit a peak of \$20 cwt. in June and July and after that the price slowly would drop and reach \$18 cwt. in November. At the end of the first week of November the Chicago hog market hit \$25.50 cwt. Many theories have been advanced for the price rise, but only a few have dared to give N.F.O. credit.

Last year the statement was made "We don't have to worry about the farmer uniting and holding for a price. There are still two things you can buy for a nickel and they are farmers and a postage stamp." Many of our farmers resented the idea that the very people who depended on our production, so they could operate their plants, insinuated that we were so small in stature as a postage stamp and so cheap we could be bought for a nickel. So they decided that they would market their production together. Soon farmers over a 25-state area were selling together. To the utter dismay the processors found competition in the market place for the first time in many years. They were forced to bid higher and at the end of the first week of November they were \$7.50 cwt. over the predicted price on hogs and found that many of our members could not be bought at that price.

So why not join N.F.O. now? We can show them that we cannot be bought for a nickel and not only retain \$25.50 cwt., but get it guaranteed in writing for a year in advance.

Tune in on Channel 12 at 12:30 for the U.S. Farm Report.

**Warnings on medicare!**

BY ROBERT E. SMITH  
Assoc. Legislative Counsel  
Michigan Farm Bureau

An official publication of the US Department of Health, Education and Welfare warns: "DO NOT, because of this new law, cancel any hospital or medical insurance you may now have. The health insurance provisions of the new law give no protection whatsoever until July 1966." In addition, nursing home benefits do not start until January 1967.

"Medicare" will not pay all of the bill even when it becomes fully effective. Because of this fact Farm Bureau has been assured that Blue Cross will provide its elderly policy holders special low-cost policies to protect them from those not covered by medicare.

THOSE PRESENTLY receiving social security benefits are now receiving information by mail, explaining the benefits and limitations of medicare. Hospital benefits will be automatic, but the individual must sign an application in order to qualify for the medical part of the program.

Those over 65 have a vital interest in the new "medicare" program. The "medicare" program is divided into two parts. Part "A" provides hospital benefits and is automatically available to all who are covered by social security.

PART "B" IS the "voluntary" medical insurance portion of "medicare," which provides doctor care benefits.

If you are presently receiving social security benefits, you will automatically be covered by plan "A" and will receive a card to enroll in plan "B."

THOSE WHO ARE 65 before Jan. 1, 1966, will have until March 31, 1966, to apply. KEEP YOUR PRESENT HEALTH CARE

COVERAGE IN EFFECT UNTIL JULY 1966 at least, when "medicare" goes into effect.

Blue Cross and Blue Shield are presently developing programs to complement "medicare" coverage to provide you with greater protection against the cost of illness. Your Farm Bureau will notify you about these new complementary Blue Cross and Blue Shield coverages.

**Farmers Home loans aided 176 cooperatives**

Farmers Home Administration Economic Opportunity loans totaling over \$2 million have been made this year through Sept. 30 to 176 rural cooperatives serving some 10,000 low-income people in 25 states, Nyle L. Katz reported last week.

"Most of this credit is extended in the form of small loans to finance a variety of cooperative enterprises—all designed to increase the net income of farm and other rural people throughout the United States," Director Katz explained.

COOPERATIVE enterprises financed throughout the nation during the past nine months include dairy products processing, handicraft marketing, feeder pig sales yard, vegetable marketing, peanut marketing and the sharing of several types of farm equipment.

The majority of such loans made throughout the United States have been to finance small machinery cooperatives that provide needed agricultural equipment member farmers could not otherwise obtain.

THE MICHIGAN Farmers Home Administration director emphasized that he foresees great potential in the economic opportunity loan programs since they are capable of putting new economic muscle into the rural economy.

The agency's other economic opportunity loan program has provided individual loans totaling \$288,270 to 166 Michigan families this year through October for developing small farm and non-farm enterprises.

ECONOMIC Opportunity loans to cooperatives serving rural families carry a 4 1/8 per cent interest and are scheduled for repayment over a period not exceeding 30 years.

Application for this and other kinds of rural credit are made at Farmers Home Administration offices serving every Michigan county. The local office serving Clinton and Shiawassee counties is located at 213 - 215 Miner Building, 114 E. Main Street, Owosso. Forrest O. Potter, county FHA supervisor, has office day every Monday from 8:15 a.m. until 4:30 p.m.

**American FB to meet Dec. 12**

The annual meeting of the American Farm Bureau Federation will be held, as it is every second year, in the Windy City—Chicago. Michigan farmers are fortunate in having so near a location, and again a tour is planned to enable young farmer members interested to go by bus. The group will leave for Chicago on Sunday morning, Dec. 12 and participate in Vesper services during the afternoon and in the young people's mixer at night.

Monday the group will attend the Farm Bureau Young People's Breakfast, the Talent Find, discussion meet and other programs during the day. On Tuesday there will be sightseeing and attendance at the session of the AFBF Convention. The last day (Wednesday) will be spent visiting Swift and Co., Research Lab., and touring U.S. Steel Corp. in Gary, Ind.

The group will arrive home in Lansing about 9 p.m. Cost will be \$17.50 per person for the bus fare and between \$7 and \$10 per day at the Conrad Hilton Hotel. Further information may be obtained in the county office.

**County leaders attend editor's workshop Nov. 16**

County Farm Bureau President and Mrs. E.J. Bottum attended a one-day workshop at the Farm Bureau Center last week (Nov. 16) for the purpose of gaining information and "tricks" to assist in editing and publishing county Farm Bureau news.

The group composed of persons from the mid-Michigan counties, reviewed tricks of the publishing trade, saw how the Michigan Farm News is printed, how copy is prepared and how type is marked.

Included was the legal responsibilities of the editor, proper use of printer's symbols and rules for picture selection and the use of artwork. A tour of the printing and mailing department in the center and a workshop on plans for improving membership roll-call coverage was also part of the program.

This was developed from suggestions by county persons responsible for news coverage who felt they needed help in writing, editing and preparing material for county Farm Bureau publications. The "pay," if any, is modest indeed and mostly it is a thankless job. The main problem seemed to be of how best to say what must be written.

**Petroleum co-op to hold meeting**

Michigan Farm Bureau's oil cooperative—Farmer's Petroleum Cooperative, Inc.—will hold its annual meeting Nov. 30, on the campus of MSU.

Featured speakers will be Dr Wittwer and Dr Carl Hall. Dr Wittwer was recently put in charge of Michigan State University's extension research farms and will discuss crops of the future. Dr Hall, who is head of agricultural engineering, will speak of kinds of energy and machinery required that might be used on

**DHIA meeting Dec. 4**

The Clinton County Dairy Herd Improvement annual meeting has been scheduled for Saturday, Dec. 4, at the Bingham Grange, corner of US-27 and Taft Road south of St. Johns.

The dinner will begin at noon. Trophies will be presented at the meeting to the owners of the high herd over 35 cows, high herd under 35 cows, high individual cow and high 4-H club cow.

IN ADDITION to the association business, there will be a review of the annual herd and cow production report and a county dairy tour by way of slide pictures taken by Earl Haas, county Extension agent.

Dennis Armstrong, herdsman at Michigan State University, will tell about the dairy herds and dairy research work at Michigan State.

Russell Ormsby, president of the Clinton County DHIA, urged all DHIA and owner sampler members to attend the annual meeting and dinner. All 4-H members who kept production records during 1965 will be guests of the association.

**Interviewers seek farm facts**

A cross section of farmers in the state will be interviewed the latter part of this month and in early December in a survey by the Crop Reporting Service, supported cooperatively by the USDA and the Michigan Department of Agriculture.

The farm fact gatherers will make on-the-spot interviews to collect information about crops and livestock in a scientifically chosen sample of farms, said Charles A. Hines, statistician in charge of the Michigan office at Lansing.

The count is part of a national survey of some 8,000 farms. Figures from this survey, plus those from mail-in reports of individual farmers and businessmen, help make up the crop and livestock reporting required in today's agricultural business, Hines said.

Forests are big business. Michigan State University foresters estimate that timber-based activities in the US account for one job in every 20 and \$1 in every \$20 of our gross national product.

the farms in 1980. Both these scientists should have highly informative talks.

CARL HEISLER, a farmer from Calhoun County who is president of the FB Oil Cooperative, says, "In addition to these fine speakers, we will have operating reports from Manager Jack McKendry and, of course, election of directors."

All Farm Bureau members are invited. The meeting starts at 10 a.m. There will be a complimentary lunch at noon. Adjournment time is expected to be around 3 p.m.

**Note increases in apple prices**

Michigan Agricultural Marketing Assn., an affiliate of the Michigan Farm Bureau, is developing a rich backlog of bargaining experience in apples that could stand other grower groups in good stead if such groups should decide to organize under MACMA.

Sales of processing apples for the 1965 season are vigorously underway. Original bid prices by processors were closer to MACMA asking prices than in previous years. Applesauce has moved well, and MACMA anticipated that this movement will continue. Large packers in Virginia and Pennsylvania upped their sauce prices 20 cents to 30 cents a case to cover 1965 costs. This adjustment proved the correctness of MACMA's asking prices.

MACMA SEPTEMBER sales found spys, winesaps and greenings moving well at 75 cents above the 1964 price levels. Hard sauce varieties were 25 cents and 50 cents a hundredweight above last year. Soft varieties remained at about the last year level. Progress is good along the whole line. The "hot lines" are buzzing to processors and growers as 1965 sales continue at a good pace.

**Christmas topic for Brown Bees**

The Brown Bee's Study Group met at the home of Gertrude Doak, Nov. 18. Thirteen members answered to the roll call with suggestions for Christmas gifts.

Lauertie Bauerle gave the council report, "What's new in family fabrics."

Plans were completed for the Community Workshop at Smith Hall on Dec. 1 from 2 to 8 p.m.

Recreation was under the direction of Lucile Hamer.

The Christmas dinner will be held Dec. 7, at 6:30 p.m. at Daley restaurant.

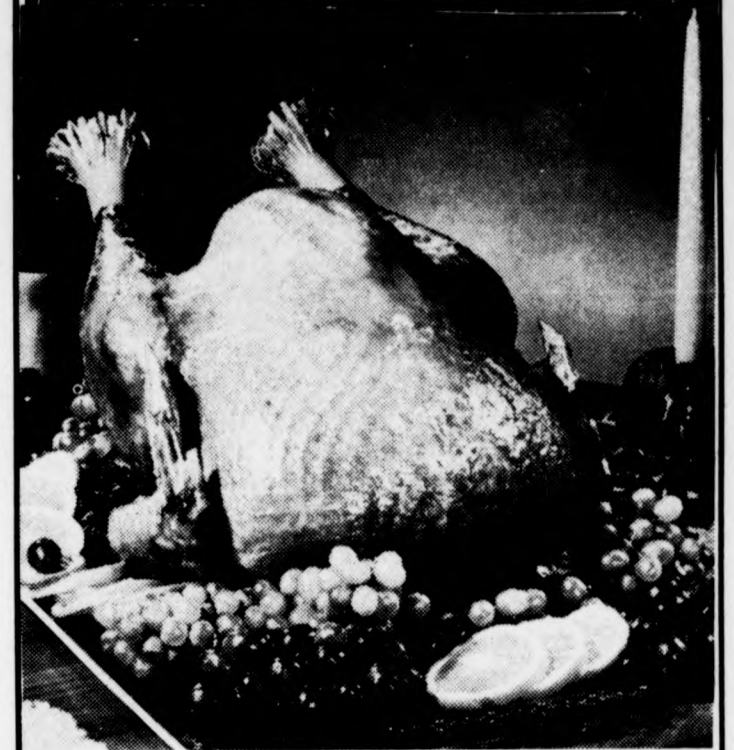

The Jan. 18 meeting will be co-hosted by Mrs Lillian Ward and Mrs Martin Ohn.

## Miss Peck delegate to national 4-H meet

Maureen Peck, 17, of rural Elsie will be one of 34 Michigan youths attending the 44th National 4-H Club Congress in Chicago next week.

Miss Peck has a garden program in 4-H work in Clinton County. She is the daughter of Mr and Mrs Ray Peck of South Gratiot Road, R-1, Elsie.

ACTIVITIES AT THE National 4-H Club Congress get under way Saturday and will continue through Dec. 2. This year's theme for the 4-H Congress is "Young American and World Affairs." International representatives from Canada and other countries will participate. About 1,500 4-H delegates are expected to attend.

The Michigan delegates are all winners - having won first place in special state events. These achievements have enabled them to attend the 4-H Congress and compete for one of the coveted national awards.

THREE BOYS AND girls will be selected to receive the highest honor of the Congress - the Presidential Silver Tray Award. These awards will be made to the top pair in achievement, citizenship, and leadership programs. The trays are given by the President of the United States.

All the 4-H delegates have won in projects and activities supervised by the Cooperative Extension Service. They represent nearly two and one-quarter million club members in 96,000 clubs in the U.S. and Puerto Rico.

MAUREEN PECK

The Michigan delegation will represent nearly 79,000 4-H'ers throughout the state. These outstanding young people will be encouraged to know-and care-more about their fellow men throughout the world. Education and inspiration will be mingled with the recognition as the Congress strives to bring out the importance of the individual and his responsibilities in a democracy.

## Road Commission Weekly Report

The Board of Clinton County Road Commissioners held their regular meeting on Thursday, Nov. 18. Bids were opened for two trucks, one utility at 20,000 GVW and one gravel truck at 27,500 GVW. Egan Ford Sales of St. Johns was awarded the contract to furnish the larger truck and Clark's Service of Elsie was given the order for the utility truck.

The contract awards for bodies for these trucks were also di-

vided, one order going to Truck and Trailer Equipment Co. of Lansing and one to Automotive Service of Jackson.

THE DeWITT Township Board and Bath Township supervisor met with the commission in the afternoon to discuss road problems in connection with the proposed extension of US-127, particularly State Road. The State Highway Dept. had agreed to build an overpass to carry State Road over the new freeway, provided that State was built over to Chandler.

After some discussion both the DeWitt Township Board and the Road Commission voted unani-

mously to extend State Road from its present dead-end to Chandler Road, and each to pay 50 per cent of the cost of this new construction of about 1 1/10 million.

THE COMMISSION also discussed several other problems concerning maintenance, construction, drainage, labor and insurance.

Your road clerk will be missing from the office for a few days as I am going to visit family in Washington, D.C. for Thanksgiving. We wish you all safe driving on your hunting trips and for the Holiday weekend.

## Methodists add worship service

The First Methodist Church of St. Johns will begin having two morning worship services starting this Sunday morning.

The first service will start at 9:30 a.m. and will be held at the same time as Sunday school, which has been set ahead from its past starting time of 10:45. A second worship service will be held at 11 a.m. every Sunday.

The Rev Keith Bovee, pastor, said the early church service was designed so that parents could attend church at the same time their children are in Sunday school.
