## 60 boys ready for 2nd Soap Box Derby

"Tuneups" out of the way, 60 boys this Sunday will be out to prove they have the best soap box car in the county.

Upwards of 5,000 people are expected to turn out to watch them in the second annual Clinton County Soap Box Derby on downtown Clinton avenue.

Some \$1,000 in prizes will be awarded in the race, sponsored by the St. Johns Chamber of Commerce, Jaycees, Pohl Bros, Chevrolet-Olds, VFW Post 4113, American Legion Post 153 and Knights of Columbus 3281.

THIRTY HEATS, with two cars to a heat, will be run to cut the field in half. This procedure will be followed through 93 heats of winners and losers until the 1964 winner is determined.

The cars will race from the top of Clinton avenue at the courthouse down Clinton to Railroad street on a course of 975 feet. Traffic on M-21 will be rerouted around the courthouse.

The boy who eventually wins the Derby will have proven himself -- he will race seven times.

THE WINNER will get a \$500 US savings bond and a trip to Akron, Ohio, Aug. 15 to participate in the 27th running of the All-American Soap Box Derby. His name will also be engraved on the John Lynam Memorial Trophy.

Other prizes listed in last week's Clinton County News will be given in heat evaluations. Recognition will also be given boys whose racers are judged the best in design, construction, upholstery and brakes.

A benefit dance Saturday night at the VFW Hall raised approximately \$450 which was used for prizes.

DERBY Director Bernard Feldpausch has lined up a gala afternoon and evening for the boys and the thousands of derby fans. Starting things at 2 p.m. will be Fire Chief Clare Maler and a group of clowns, followed by an aerial salute by Charles Dickinson.

The invocation will be given by Father William McKeon, as- (See 60 BOYS Page 2)

Soap Box Derby Hopefuls Get Their Cars 'Tuned Up'

Getting cars ready for a big race is no small matter, and it takes teamwork, even among rivals. Dale Patterson, 14, (left), son of Mrs Helen Patterson, 307 E. McConnell street, points out something for Terry Torpey, 14, to fix on his car prior to the big race Sunday. Terry is the son of Mr and Mrs Ray Torpey of 508 E. McConnell.

## Only the personnel remains the same

The printing process is changed . . . the type faces are different . . . color has been added . . . pictures are brighter . . . even the masthead has been altered.

Your weekly newspaper has become the CLINTON COUNTY NEWS, dropping the Republican label that has characterized it for several generations.

The change in name does not imply any switch in political philosophy on the part of the editor. It is simply an effort to make your newspaper more acceptable to those of our citizenry who have a built-in resentment against partisan name tags.

ACTUALLY, THE OLD Clinton County Republican-News was a name adopted in 1924 to represent a consolidation between two newspapers of opposite political leanings—The Clinton Republican, which espoused GOP causes, and The St. Johns News, whose publisher was a Democrat.

With the inevitable changes among readers and personnel in the 40 intervening years, the dual nature of your newspaper's name has been less frequently recognized. The masthead has sometimes been regarded as a political label and newer residents of the area, unfamiliar with our background, have assumed that the publication is the mouthpiece of a political organization.

So, this week's Clinton County News comes to you as a brand-new newspaper—produced by the most modern printing processes in a new offset division of our St. Johns printing plant. We hope you like it.

## Father McKeon being sent to Puerto Rico

The transfer of Father William McKeon, assistant pastor of St. Joseph's Catholic church here has been announced by the Chancery Office of the Diocese of Lansing.

Father McKeon is being released by the diocese to work with the Papal Volunteers of Latin America program. In his new assignment he will be the assistant director of the program at the Catholic University of Puerto Rico, Ponce, Puerto Rico.

HE WILL begin his new assignment Aug. 1. With the Papal Volunteers for Latin America Pro-

gram, or PAVLA as it is more commonly called, Father McKeon will help train the hundreds of priests, Sisters and lay people who are volunteers for the church's Apostolate in all of Latin America. The PAVLA program in the church is much like the Peace Corp program.

This work is not entirely new to Father McKeon. Immediately after his ordination in 1957 he was appointed director of the Spanish speaking Apostolate for the Diocese of Lansing. He continued in that capacity until 1961 when he was called to work on the PAVLA program in Cuernavaca, Mexico. He remained in Mexico for a year on this assignment.

IN JULY, 1962, he was assigned to St. Joseph's parish here as assistant pastor. During the two years he has been in St. Johns he has become well known and beloved not only in the parish but also in the community.

A farewell reception for Father McKeon will be held Sunday evening, June 28, in the gymnasium in St. Joseph Catholic school. Father McKeon will be replaced at the parish by Father John Young, who will begin his work here June 26. Father Young is presently assistant pastor at St. Augustine's church in Kalamazoo.

New Owners at St. Johns Ford Dealership

Taking over this week from John M. Egan as owners of Egan Ford Sales, Inc., is this trio of veteran automen—left to right, Larry Burns, president of the new firm; Bruce H. Fowler, secretary-treasurer and general manager; and Lewis Kramer, vice president. Fowler is holding their sales agreement with the Ford Motor Co.

## Burns, Kramer, Fowler buy Egan Motor Sales Ford dealership here

John M. (Jay) Egan, principal owner of the Egan Motor Sales Co. of St. Johns, has sold his interest in the Ford dealership to a new corporation which includes two of his former associates.

The new sales and service organization will be known as Egan Ford Sales, Inc. Larry Burns, a stockholder in the firm for 20 years, is president. Lewis Kramer, with the Egan service department for 17 years, is vice president.

Bruce H. Fowler of Williamston, Lansing zone manager for the Ford Motor Co., is secretary-treasurer and general manager. Fowler has been with the Lansing district office of Ford for the past 10 years.

Previously he was associated with a Ford dealership in Williamston. He served with the US Army in the European theater in World War II.

THE EGAN dealership has been known as one of the best-managed and most successful Ford set-ups in the country since its establishment by J.M. Egan in 1929. He came here from Carson City to take over the dealership from A.T. Smith.

Larry Burns, new president of the company, has been associated with Egan for nearly 28 years. He is a native of Hubbardston and was with the Carson City Motor Sales before joining the Egan organization in 1936.

He is married to the former Mary Slattery of Carson City and they are the parents of four children -- a daughter, Rosemary, and three sons, Tom, Dick and Harry. The Burns live at 411 E. Sturgis street, St. Johns.

HEAD MAN in the Egan service department is Lewis Kramer, vice president of the new firm. He has been with the company since 1947, shortly after he returned from service with the US Army in the Pacific theater during World War II.

Mrs Kramer is the former Estella Fedewa of Westphalia. They have seven children--four daughters, Sandra, Karen, Jeanne and Margaret, and three sons, Kenneth, Chris and Kevin.

The Kramers live at 205 N. Mead street in St. Johns.

BRUCE FOWLER, general manager for the new St. Johns Ford dealership, is a native of Detroit. He is married to the former Virginia Barrows of Williamston.

The Fowlers have five children -- a son, Tom, and four daughters, Judy, Jan, Pat and Pam. The family plans to make their home in St. Johns as soon as they can dispose of their Williamston property and find suitable housing here.

Ends 40 Years in Auto Business

John M. (Jay) Egan smiled across his desk at Egan Ford Sales, Inc., here this week as he announced his retirement from the successful auto agency he has built in St. Johns.

It was 35 years ago come September that Jay Egan stepped into the ownership of the Ford sales and service agency in St. Johns. He bought the establishment from A.T. Smith in 1929--just a month before the stock market crash that signaled the beginning of the Great Depression.

"I didn't go to college," reminisced Egan this week, "but I got a business education in a hurry and the hard way those first few years."

Jay survived those depression times and went on to build and operate a highly efficient and prosperous Ford sales and service establishment.

EGAN CLAIMS to be retiring, but those who know him well figure he will keep a watchful eye on the business that has been his career. For many years, he was on the job both day and night.
