Serving the Clinton Area Since 1856

109th Year — No. 11

ST. JOHNS, MICHIGAN Thursday, July 9, 1964

10 CENTS

Members of the St. Johns school board, shown at their meeting Monday night, are: standing, Leon Shumaker (left), Ray Parr and William Richards; and seated, Fred Meyer (left), Kenneth Munger, Mrs Lucille Gallagher and Lorenz Tiedt.

Owosso attorney to run for legislature

Norman J. VanEpps, Owosso attorney and member of the law firm of Dignan, Benson and VanEpps, has announced his candidacy for the State House of Representatives on the Republican ticket in the new 87th district comprised of Shiawassee County, the townships of Bath, Bingham, DeWitt, Olive, Ovid and Victor in Clinton County and the City of St. Johns.

In announcing for this office, VanEpps made the following statement:

"A few weeks ago, several of my friends urged me to run for the House of Representatives. At that time we were still in the Livingston-Shiawassee County district, but I knew that the problems of redistricting were before the United States District Court, so I reserved a decision until the State Supreme Court came down with their final formula for apportionment June 8, 1964.

"IT WAS and is my intention, if elected, to give vigorous leadership for all the people of the new 87th district, and I hope that I will be given an opportunity to serve in this important legislative office."

VanEpps graduated from Valparaiso University in 1951 with a BA degree in Business and Economics, and in 1953 with a Law Degree. After two years in the armed services, he commenced practice with the firm of Dignan, Benson and VanEpps in Owosso.

He served as Assistant Prosecuting Attorney for one and a half years, and served two terms as Prosecuting Attorney of Shiawassee County. He is a former

Water use sets record in June

For the first time in the city's history, water consumption exceeded a million gallons per day for each day in a full month during June, City Assessor Kenneth Greer reports.

Water pumped through the city mains during June totaled 36,388,000 gallons. This is not a record amount for one month, says Greer, but never before has consumption evened out at more than a million gallons for each day in the period.

The highest gallonage pumped was on June 30 when 1,513,000 million gallons were distributed. Water was in adequate supply and pressure was maintained throughout the month, Greer says.

NORMAN J. VANEPPTS

president of the American Cancer Society and the Exchange Club of Owosso.

HE BELONGS to the Shiawassee County Bar Association and is a member of the Grievance Committee of the state bar association. He is former vice president and president of the Shiawassee bar association. He lives at 1112 North Water Street with his wife and two children, Mark and Matthew.

Woman fined \$119, jailed on liquor charge

Beatrice Blanche Schuppler of 225 E. Lenawee, Lansing, is a resident of Clinton County Jail following an accident and her arrest on a charge of driving while under the influence of intoxicants July 5.

The accident occurred at the corner of State Road and US-27 when the Schuppler woman pulled into the path of a truck on US-27. No one was injured.

SHE WAS fined \$100 on the driving charge, assessed court costs of \$19.90 and sentenced to 60 or 90 days in jail by Justice of the Peace Alba Wert.

Lewis takes over as president of Rotary

A change in club administration was marked at St. Johns Rotary Tuesday noon when Frederick M. Lewis, local attorney, accepted the president's gavel from Howard Kortjes, retiring head of the club.

Lewis will serve until July of 1965. Vice president is Dale Robinson, St. Johns oil distributor. Dwane Wirick continues as secretary of the club and Kenneth Munger is treasurer.

OK school budget of \$849,812

The St. Johns board of education Monday night adopted a budget calling for expenditure of \$849,812 in the coming year, almost \$9,000 more than the past year.

Anticipated income will be \$850,318.47, enough to balance the budget, but Supt. Earl Lancaster pointed out the district will be going into the year with a deficit of \$24,000.

ALTHOUGH expenditures are expected to be about \$9,000 higher than last year, teacher salaries alone will be up \$21,750. Lancaster said the difference is being made up by cutbacks in operation and maintenance expenditures.

Teachers salaries include \$222,550 in the elementary grades, \$348,382 in the secondary schools and \$41,660 for special education.

THE BOARD, in addition to holding a public hearing on the budget, formally organized for the new year and reelected its officers. They are:

President, Kenneth Munger; vice president, Fred Meyer; secretary, Ray Parr; treasurer, William Richards; and trustees are Leon Shumaker, Mrs Lucille Gallagher and Lorenz Tiedt.

Asks permit to move 3 houses

A petition to move three homes now on property recently purchased by Federal-Mogul-Bower Bearings, Inc. in St. Johns has been filed with the City Zoning Board of Appeals by Jack Smit of St. Johns.

Hearing on the request has been set at the Municipal Building here on Thursday, July 16, at 1:30 p.m. The houses are presently located on Block 111 in the Walker and Steel Subdivision.

Smit proposes to move them and reconstruct them on Lots 14, 15 and 16 of Block 109, on the west side of the 700 block of North Swegles Street. He is filing bond of \$500 for each of the homes to assure their completion in conformance with zoning board specifications.

Farm milk tank tapped by thieves

Marion Sturgis, who lives on Taft Road, reported the theft of 100 pounds of milk from a tank on his farm late Sunday night. He told the sheriff's office he has lost milk in this manner on several occasions.

Rural crash kills Mrs Minnie Thrush

Mrs Minnie F. Thrush, 73, of 312 E. Adelaid, Maple Rapids, was killed last Wednesday afternoon in an auto accident at Hyde and Scott Roads 6 1/2 miles northeast of St. Johns. Two other persons were injured.

Mrs Thrush was pronounced dead on arrival at Clinton Memorial Hospital by Coroner Van Hoag. The accident occurred on what would have been her 50th wedding anniversary. Her husband died in August 1962.

THE accident happened about 3:30 p.m. when Mrs Thrush's southbound car struck an eastbound auto driven by Mrs Linda Rillema, 20, of Eureka at the corner of Hyde and Scott Roads.

Mrs Rillema's car left the road, careened into the yard of the Greenbush School and hit a parked car owned by Carl Bair of R-3, St. Johns.

MRS RILLEMA and a daughter, Rhonda, 3, were injured and taken to the hospital. A son, Mark, seven months old, was not hurt. Little Rhonda was discharged from the hospital the night of the accident, but Mrs Rillema was admitted.

Deputy Sheriff Fred Corson, who investigated, said Mrs Thrush had driven her car through a yield right-of-way sign at the intersection, and her car struck Mrs Rillema's left front side.

Mrs Rillema was ticketed for having no operator's license.

MINNIE FROST THRUSH was born March 31, 1891, in Lafayette Township, Gratiot County, a daughter of John F. and Lucella Frost Doyle.

She was married to LeRoy Thrush July 1, 1914, in Gratiot County. The couple moved to Ben-

MRS MINNIE THRUSH

gal Township some 35 years ago where they resided on a farm. She moved into Maple Rapids in the fall of 1963, a year after her husband's death.

SHE WAS A member of the Maple Rapids Methodist Church and was organist there for a number of years. She also taught piano lessons.

Surviving are three sons, Ralph of Perrinton, Frank of Cadillac and John of St. Johns; a daughter, Mrs Robert Waters of Lansing; 10 grandchildren; and five sisters, Mrs Alice Walters of Alma, Mrs Della Kime and Mrs Irma Greening, both of Breckenridge, Mrs Madge Palmer of Lansing and Mrs Genevieve Colthrop of Toledo, Ohio.

FUNERAL services were Saturday at 2 p.m. at the Maple Rapids Methodist Church, the Rev Calvin Carey officiating. Burial was in Sowlie Cemetery at Maple Rapids.

Arrangements were by the Abbott Funeral Home.

Pardee firm has added engineering affiliate

An affiliation with Kenson Engineers, a former Lansing firm, is responsible for a recent expansion in the range of work done for clients by St. Clair and Douglas Pardee, local architects.

The Kenson group, headed by Waldo L. Kenson of East Lansing, now have their offices in the Pardee building on South Whittemore Street.

Kenson is a structural engineer, trained at the Massachusetts Institute of Technology. He is a former Army engineer and was for a time a member of the College of Engineering faculty at Michigan State University.

IN ASSOCIATION with Kenson, the Pardees have recently designed the \$750,000 addition to Ford Motor Company's trim plant at Utica, Mich. They are also doing the architectural work for sizable additions to Ford Motor's transmission plant at Livonia and the Auto-Lite plant at Wixom.

Another new associate in the Pardee office is Douglas Weir, son of Mrs Stanley Weir, 204 W. State Street, St. Johns. He is a recent MSU engineering graduate.

In the past, the Pardee firm has confined its architectural work

Car hits tree

Kenneth E. Carr, 19, of 15677 Grove Road, Lansing, escaped injury last Thursday morning when the car he was driving hit a tree.

Carr told Deputy Sheriff Paul Lade he lost control of his car when he ran onto the shoulder of Grove Road in Watertown Township.

HOME MADE ice cream, at Lowe church by WSCS, serving at 5:30, July 9. 10-2

Supervisors mull pension program

A pension plan for county employees got considerable attention from the Clinton County Board of Supervisors Monday, but it will be next month before any action will be taken on it.

Tied in with the plan was a salary schedule for five elective offices. Both were delayed until the board's salary and clerk hire committee can study an audit of employees records to determine the cost of the pension plan to the county.

Lorenz Tiedt of St. Johns, chairman of the committee, presented the plan. It would be written with the Michigan Municipal Employees Retirement System and, if approved, would stand as a pay increase for county employees.

Half of the money paid into the system would come from the county. To be eligible to receive full retirement benefits, county employees would have to have 10 years or more of service.

THE COSTS to the county—which held up action Monday—would be in the form of payments to the retirement system for the county employees' past service. The county would be required to pay its share, based on the length of time each employee has been working, but the employees themselves would have to pay nothing of this "back-log."

Six elected officials of the county would also come under the retirement plan. Tiedt told the board that the reason pay raises were proposed for them was that salaries decided on would have to stand for the four years the elected officials would serve. The raises now would balance out against those received by other employees over the four years, he said.

THE proposed increases were: drain commissioner from \$5,200 to \$5,800; clerk from \$6,200 to \$6,500; treasurer from \$6,000 to

\$6,300; sheriff from \$6,200 to \$6,500; and register of deeds from \$5,400 to \$5,800.

Salary of \$11,000 a year for the prosecuting attorney was approved previously.

TIEDT SAID the pension plan and salary schedule were tied together and that if the pension plan were not approved, the salaries should be adjusted upward accordingly.

The pension plan would be equal to approximately a \$250 a year raise for all employees. The audit was asked to determine the number of employees affected and the cost to the county for the backlog.

ON A different note, the supervisors, in an 11-7 roll call vote, approved the installation of air conditioning in all county offices which desire it.

Power to set up requirements and act on the plan was given to the building and grounds committee. Indications were that a quick check of all county offices will be made, and desires made known, so that individual room-size air conditioners can be sought on a bid basis.

APPROVING THE air conditioning were Supervisors William Hufnagel, Fred Culy, Derrick Shinabery, Walter Nobis, George Austin, Claude Underhill, Ernest Carter, Ken Greer, Harold Reed, Charles Coletta and Lorenz Tiedt.

Voting against it were Gerald Shepard, George Moore, Charles Higbee, John Setterington, Almond Cressman, Willard Krebel and Walter Thelen.

(See PENSION page 2)

This dog just liked copper bones

On June 19 Julius Thelen told the sheriff's office a copper tube had been stolen off a cylinder from a well he was working on a mile north of Bingham Grange.

The culprit, it turns out, was a dog.

THE PIECE of copper tube was found in the yard of a nearby farm. When the story appeared in the Clinton County News about the reported theft, the farmwife, unidentified at the sheriff's office, realized she had found what was missing. She called Thelen and told him.

She said there are no children nearby and that the only thing she could figure out was her dog had gone into the field, found the copper tube and dragged it home.

NO CHARGES were placed against the dog.

C-C dinner tonight at Daley's

Kermit Hart, plant manager of Federal-Mogul, will talk on the \$3 million expansion of the St. Johns division of the company at the annual Chamber of Commerce dinner Thursday night.

The dinner will be at 7 p.m. at Daley's Restaurant, preceded by a social hour at 6:30.

HART WILL show slides of the proposed expansion and other pertinent data. Some of the company officials will be with him, according to Chamber Executive Secretary Percy Abrams.

HOMEMADE ice cream social Friday, July 17 at First Methodist Church lawn. Sloppy Joes, hot dogs, iced tea, coffee, pie and cake. Serving at 5:00. By Senior Methodist Youth Fellowship.

And A Proud Crew They Are

St. Johns' new fire truck arrived last Wednesday and has received steady work-outs from proud volunteer firemen. The truck, purchased through Egan Ford Sales, Inc., was built in Battle Creek. Shown with the truck here are volunteer firemen Bill Karber (left), Asst. Chief Richard Cornwell, Ronnie Geller and Ray Schneider.

Pension

(Concluded from Page 1)

THE H. L. YO Co. of Cincinnati will be moving into the county the middle of the month to begin the job of reappraisal of county real estate, the board was told.

An appraisal committee, to work with the Yo firm, was appointed by board chairman Charles Coletta of St. Johns. Named to the unit were Ken Greer of St. Johns, chairman, Willard Krebel of St. Johns, Ernest Carter of Watertown, Walter Thelen of Fowler and George Austin of Ovid.

AUTHORITY was given to Civil Defense Director Charles Frost to purchase any material under \$50 in cost which he thinks is necessary to the county CD program. Anything over \$50 would need the approval of the civil defense committee.

The authority was granted to prevent having to call a meeting to approve small expenditures.

FROST, who appeared at the meeting, told the supervisors that each would be deputy director of civil defense in his own township until the supervisor would appoint someone whom he considered qualified.

The building and grounds committee was also given authority to proceed with painting and other repairs to county buildings which its members deemed necessary.

THE BOARD approved a contribution of \$50 toward expenses for the recent Michigan Week county activities.

Michigan's most important industry is the manufacture of motor vehicles and equipment. Thirty-eight and eight-tenths percent of all United States workers in this industry are employed in Michigan.

20 teens talk of new club

Twenty teenagers met with the St. Johns Recreation board last Tuesday night and, according to Recreation Director Roger Kowalski, showed enthusiasm for a proposed Teen Club.

Kowalski said a date will be set for at least a dozen of the interested persons to make a trip to Tecumseh to see the Teen Club operated there.

ANOTHER meeting will be held next Tuesday night, July 14, in the Municipal Building at 8 p.m. to discuss further steps in forming the club.

Burglary case warrant issued

An April 30 burglary, in which \$430 was taken, was believed to have been cleared up this week with the signing of an arrest warrant against one of two youths allegedly involved.

A warrant was issued Tuesday afternoon for the arrest of a 17-year-old boy, who was charged with the burglary at the Marie Metros home at 903 Hampshire Drive. The warrant had not yet been served Tuesday night.

THE charge was larceny from a dwelling house, according to Asst. Prosecutor Norman White. A second youth, also 17, is involved, he said, but no charge has yet been made against him.

Both boys had been subjects of prior questioning by city police, and White said a statement has been signed by one of the boys telling of the theft. He said the boys walked into the Metros home, saw the money on a table and took it.

ABOUT TWO weeks later, two younger boys found \$330 in an old flashlight at the base of a tree south of the Hoag Funeral Home. The money was believed part of the Metros burglary loot.

Takes over Elsie store

Eugene Schoendorf, formerly of St. Johns, has taken over operation of the former Sill's IGA Foodliner at Elsie.

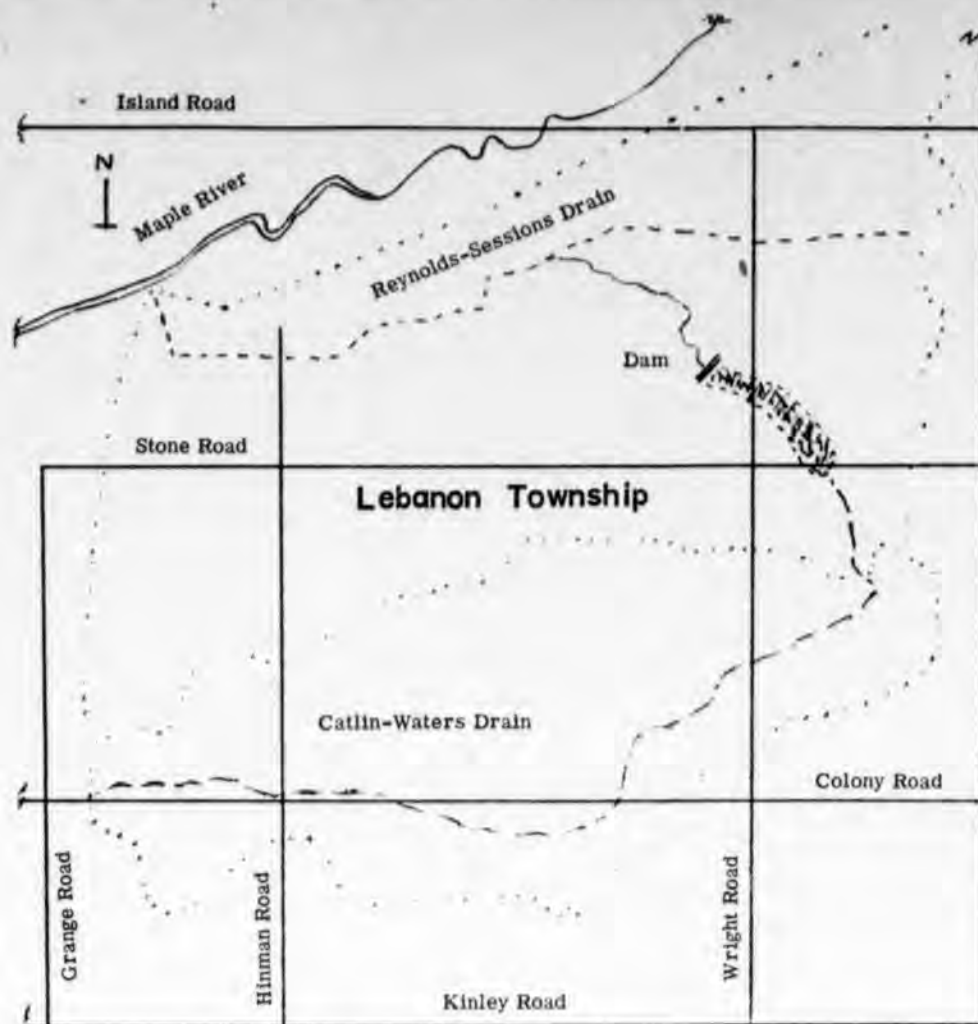

Schoendorf has been operating the store since June 29. He has been in the grocery business 23 years in St. Johns, Ithaca and the last four years at Edmore.

HE IS married to the former Mary Jane Trieweller of Westphalia, and the couple have two children, Scott, 4, and Stacey, 5. Schoendorf plans to move his family from Edmore to Elsie July 15.

Firemen blow out leaking ammonia

Firemen were called out Sunday morning about 9:30 a.m. to help blow leaking ammonia gas from the basement of the Community Frozen Food Center, 106 E. Higham Street. There was no damage, according to William Buggs, owner.

Population explosion? Michigan colleges and universities are experiencing an enrollment explosion that will double our campus population by 1975.

This map shows the area of the proposed Catlin-Waters-Reynolds-Sessions drain project in the southeast part of Lebanon Township. The dotted lines indicate the approximate boundaries of the present drains, and the dash lines are routes of the drainage ditches. This map is approximate and does not necessarily show official boundaries.

20-acre lake included in proposed drain plan

The Catlin-Waters-Reynolds-Sessions drain project took some form last Tuesday night when plans were presented to about 25 Lebanon Township farmers by the state Soil Conservation Service.

The proposal includes the merger of the now separate Catlin-Waters and Reynolds-Sessions drainage districts, nine miles of channel improvement along those drains and a 20-acre lake surrounded by a recreation area.

THE PROPOSED project was presented to the farmers by Arlo Benjamin, SCS engineer. Petitions have already been requested from Drain Commissioner Dale Chapman for the merger of the two districts. The petitions are being drawn up.

Benjamin told the farmers it was up to them whether the project would be undertaken. Some 64.4 per cent of the cost, which could not yet be pinned down exactly, would be paid out of Public Law 566. The other 35.6 per cent would come from local sources—local government and previous assessments, he said. Assessments would be small in comparison to the over all cost, he indicated.

Swimmers warned of low water

Michigan swimmers, boaters and water skiers are warned by the Conservation Department that low inland lake levels pose new, subtle dangers in many parts of the state.

Parents, in particular, should keep an extra careful watch on their young "swimmers." With lake levels down, the water's edge has moved closer to drop-offs, meaning that the "safe" zone for children has also shrunk.

IN OTHER words, youngsters cannot go out as far from shorelines as they did last year before getting into deeper waters.

Each year, a number of water enthusiasts suffer serious—even crippling—injuries from diving off docks where the water is too shallow. That hazard is greatly increased this summer, and swimmers should take a good look at water depths before they leap.

BEFORE zipping around lakes, outboard boaters and water skiers are urged to double check for new shallow areas and objects which lie closer to the surface than they did a year ago. This safety-first measure is especially important in the southern half of Michigan where some lakes are down about a foot from their average levels.

Use Clinton County News classified ads for best results.

THE LAKE would be created by a dam just west of Wright Road and north of Stone Road. Wright Road at that point would become flooded, and if the plan is approved, it would be necessary to relocate it around the lake.

Public facilities are anticipated around the lake, and a 200-foot right-of-way around the permanent water level would be sought. The lake would be stocked with fish and would be open to the public.

THE MICHIGAN Department of Conservation, reportedly concerned by a lack of recreational area, was enthusiastic about the fishing opportunities of the proposed lake and allegedly would sink up to \$10,000 into the project.

The channel improvement of

the two drains would include four-foot-wide-floor channels in the upper regions, increasing to six feet wide in the lower parts of the drains.

SCS engineers figure, Benjamin told the group, that a half inch of rainfall a month would provide enough run-off to keep the lake filled. The lake, at its normal level, would be 26 feet deep at the base of the dam.

ABOUT 7,000 acres are involved in the proposed merged district, and about 50 property owners would be affected by assessments if the project is approved.

Benjamin and other officials were not able to give a clear indication of local costs of the project because of overlapping of various phases of the plan—the drainage, conservation, and recreation aspects, etc.

Schanning to seek GOP nod

Harry F. Schanning of Kalamazoo has become the third announced candidate to see GOP nomination for the Third Congressional District seat.

Schanning will oppose incumbent Rep. August E. Johansen of Battle Creek and Dwight Stocker Jr., also of Kalamazoo.

THE THIRD district includes all of Clinton County except Bath and DeWitt Townships, plus Eaton, Calhoun, Kalamazoo and Barry counties.

Schanning, 40, is an accountant in Kalamazoo. Long a student of political science, he is making his first bid for public office.

HE SERVED in the Marine Corp during World War II and as a platoon commander in Korea in the 1950s and was wounded and as a result is paralyzed in both legs.

McDermott to appear at Chesaning

CHESANING —Next Tuesday promises to be a banner night during the Chesaning Showboat week that starts Monday night and runs through July 18.

Tuesday is designated to honor Terry McDermott of Essexville-Bay City, the Olympic speed ice skating champion who will be one of the guests of honor. The Chesaning Chamber of Commerce and others will pay respects to McDermott, who appeared in St. Johns Jan. 27 at the Soap Box Derby.

50 attend annual Keys reunion here

The two oldest descendents of Horatio Nelson Keys and Althea Beebe of Holly, N. Y. were unable to attend the annual family reunion on Saturday, July 4 at the homes of Mr and Mrs Kenneth Jones and Mr and Mrs John Jones and family, north of St. Johns.

They were Ezra Nelson Keys of Standish, who will be 95 years old on July 31 and Miss Emma Louise Keys of Tucson, Ariz., who is nearing her 92nd birthday.

HOWEVER, they were included in the day's festivities. The nieces made plans to visit their Uncle Ezra to help celebrate his birthday at the home of his son-in-law and daughter, Mr and Mrs Herbert Leucke. He has been residing there since leaving Elsie four years ago.

Then at the close of the day, 19 of the relatives lined up at the telephone to speak a few words to their Aunt Emma and share with her the pleasures of the day.

There were fifty relatives and one who will soon join the clan, present for the picnic dinner and supper served on the large shady lawn between the two farm homes.

THEY CAME from Holley and Owego, N. Y. and Bellflower, Calif., a suburb of Los Angeles. In Michigan, they came from Lansing, Jackson, Flint, Standish, Ovid, Elsie and St. Johns.

A large cake topped with small fire-crackers and "Uncle Sam's" colorful hat among sprays of red roses, centered the table. It was inscribed "Let's Have a Bang-up 4th" and made by Mrs R. C. King.

ON SUNDAY, a few telephone calls assembled 28 members of the family with the remains of the reunion food for a picnic at the Livingston's beach at Crystal Lake. There was continued reminiscing, while many participated in boating, water-skiing and swimming.

Trip and social events make busy summer for Scouts

Girl Scout troop 429 under the supervision of Mr and Mrs Gall Goetz and Mr and Mrs Gerald Bunge went to Wilderness State Park located eight miles west of Mackinac City.

The trip was from June 13 to June 20. They went to Fort Michilimackinac in Mackinaw City and crossed the Mackinac Bridge and went to the Soo Locks 51 miles away.

ANOTHER evening they went down to Mr and Mrs Sam Serrell's cabin, four miles from Wilderness Park and had a meal which the Serrell's prepared.

They did many other interesting things while there, such as studying nature, hiking and swimming.

TUESDAY, June 23 they had an evaluation of their trip at the Bunge's, and decided that it was a success.

They had a party, and concluded the last business meeting until September. Two get-togethers will be held this summer.

MRS RICHARD W. FENBY

Barbara Jean Dean weds R. W. Fenby

Following a honeymoon in the Black Hills and Bad Lands of South Dakota and other western and southern states, Mr and Mrs Richard Wayne Fenby are residing at 3764 Francis Road.

Before their wedding on June 20, the bride was the former Barbara Jean Dean, daughter of Mr and Mrs Clarence Dean of R-4, St. Johns. She is a licensed practical nurse at Sparrow Hospital in Lansing.

THE BRIDEGROOM is the son of Mrs Gladys Fenby of 607 S. Swegles Street and a dynamometer operator at the Oldsmobile Division of General Motors Corp. in Lansing.

Pastor Elmer Schiefer performed the double ring ceremony before a chancel decorated with white snapdragons and carnations in St. Peter Lutheran Church at Riley. Before the service, "O Perfect Love," and "The Lord's Prayer" were played by Miss Ruth Kirth.

THE BRIDE chose a floor length gown of lace and net over taffeta for her wedding. The scalloped bodice was designed with long, tapering, lace sleeves. Her fingertip veil fell from a cabbage rose adorned with baby pearls and she carried a bouquet centered with a large lavender orchid surrounded by white roses with ivy and lover's knots of white ribbon.

Mrs Bruce Mehney was her sister's matron of honor. Miss Sharyl Beaufore was bridesmaid.

THEIR STREET length gowns of sapphire blue taffeta were fashioned with bell-shaped skirts and three-quarter length sleeves. The necklines were round and the waistlines were accented with were cummerbunds and large bows with streamers in the backs. They wore headpieces of matching taffeta and net from which fell circular veils and they carried arrangements of white mums and pink carnations with ivy and white streamers. They wore white accessories and pearl necklaces.

Diane Fenby of Lansing, niece of the bridegroom, wore a dress like those worn by the matron of honor and bridesmaid. She was flower girl.

ROBERT Fenby of Lansing was his brother's best man. John Clark was groomsmen. Paul Mehney, nephew of the bride, was ring bearer and Royce Brown of DeWitt and Terry Reese seated the guests.

Mrs Dean wore a gown of pink rose lace over taffeta with a matching jacket and white accessories. Mrs Fenby wore turquoise chiffon over taffeta with white accessories. Their corsages were of red roses.

A RECEPTION for 150 guests was held in Parish Hall following the ceremony. The bride's cake was served by Mrs James Sykora of Clare and the bride's table was served by Mrs Robert Fenby of Lansing. Mrs Fred Sykora presided at the punchbowl and Miss Delana Sykora, at the coffee service.

Mrs Rosina Mohnke, Mrs Marie Sehlke, Mrs Ed Witt and Mrs Richard Sehlke were in charge of the refreshments.

P-W School accreditation is continued

The Pewamo-Westphalia High School continues to be accredited by the University of Michigan, according to Supt. William Steinke.

In a recent communication from Dr Kent Leach, director of the Bureau of School Services at the University of Michigan, to Steinke, Dr Leach pointed out that the status of all accredited schools is reviewed annually on the basis of information submitted by the schools in their annual report. In addition, all schools are visited at least once every five years.

THE P-W school has received continuous accreditation since 1962.

4-H gardeners visit farmers' market

Members of the Stoney Creek 4-H Garden Club went to Lansing to the farmers' market. Members observed how things were prepared for market.

The July 13 meeting will be for garden and flower judging. Members are asked to bring specimens from their gardens. The meeting will be at Mrs Jack Cornell's home.

IMPORTANT dates to remember are: July 14, Demonstration Day at Smith Hall; Aug. 5, Junior flower and vegetable judging and training at Michigan State University.

6 attend Lutheran event at Kalamazoo

Mrs Lloyd Ernst of St. John's Lutheran Church, Mrs Elmer Schiefer and Mrs Herman Pasch of St. Peter Lutheran Church of Riley, and Mrs Robert Boettger, Mrs Leo Fox and Mrs Paul Graff of St. Paul's Lutheran Church of Fowler have returned from the Michigan District Convention of the Lutheran Women's Missionary League at Western Michigan University at Kalamazoo.

She's delegate to national FHA meeting

Mary Brown, 17, daughter of Mr and Mrs John L. Brown of R-1, St. Johns, will be a delegate next week to the National Future Homemakers of America meeting in Chicago.

She will be attending as a regional reporter from Region 11-A. Mary will be a senior at Fulton High School this fall where she is a member of the FHA chapter.

SHE IS ONE of 64 Michigan FHA members and advisors to attend the meeting Monday through next Thursday. Some 1,500 persons from all over the United States will attend.

During the week Michigan delegates will be actively engaged in leading discussions, participating in other activities and gaining a better understanding of the national program of work.

IDEAS GAINED from the meeting will be shared in the local chapters and with the state association.

The theme for the meeting is "Education—An Endless Challenge." Dr Herbert W. Schooling, dean of the College of Education at the University of Missouri, will give the keynote address. Other well-known educators will speak during the week.

FUTURE HOME MAKERS of America, organized in 1945, is sponsored in Michigan by the State Department of Public Instruction. Mrs Rex Todd Withers, chief of home economics and family life education, serves as state advisor.

LORALY MCKENZIE

Mr and Mrs Howard Hiatt of Fowler announce the engagement of Mrs Hiatt's daughter, Loraly McKenzie, to Gerard Becker, son of Mr and Mrs Edwin Becker of Fowler. Both are employees of the State of Michigan. The wedding will be an event of Oct. 17.

Past Noble Grands adjourn meetings

Twelve members of the Past Noble Grands Club met at the St. Johns City Park Wednesday evening, for the annual picnic. After supper, the evening was spent playing white elephant bingo.

It was decided not to have a picnic in August. The next meeting will be Wednesday evening, Sept. 2.

Esch-Traer vows are scheduled on December 19

MARIBETH KAY ESCH

A Dec. 19 wedding is being planned by Maribeth Kay Esch and James Frederick Traer of Ann Arbor, son of Mr and Mrs James K. Traer of Kalamazoo.

Announcement of their engagement is made by parents of the bride-elect, Mr and Mrs Wilford V. Esch of R-1, Grove Road, St. Johns.

MISS Esch's schooling includes Bronson Methodist Hospital School of Nursing, Western Michigan University and Michigan State University. She is affiliated with Kappa Chi Iota.

Her fiance's education includes attendance at College of Wooster, Wooster, Ohio; Harvard University and University of Michigan School of Law. He is affiliated with Kappa Phi Sigma and Phi Beta Kappa fraternities.

MISS ESCH is employed at Clinton Memorial Hospital. Mr Traer is employed as research assistant to Professor S. Chesterfield Oppenheim of the law school.

Governor named 17 notaries

Clinton County Clerk Paul Wakefield reported the following 17 persons were appointed notaries public in the county by Gov. George Romney during the fiscal quarter that ended June 30.

Willard Krebel, R-4, James L. Light of 510 E. Cass Street, Ralph A. Lynam of 207 E. State Street, Floyd L. Parmelee of 429 Meadowview, Landon E. Raylor of 6252 W. Walker Road and Ila Ward of 300 Scott Road, all of St. Johns.

GLENN T. Cheny of R-4, Michael M. Cutler of 585 Mayfield Drive, Gladys B. Cage of 1979 Gage Street, Marvin L. Rhyndard of 15330 Pinehurst Drive, Marguerite Stephens of 498 Boichot Road and Jerry Fred Tejki of 3810 N. Cedar Street, all of Lansing.

Harold B. Burnett of 5060 Drumheller Road, Bath; Raymond L. Houser of R-1, Box 327, DeWitt; Rollin Noble of R-3, Grand Ledge; Flora B. Siwek of 14900 Wacousta Road, Wacousta; and Alice Sullivan of 10945 Grand River, Grand Ledge.

P-w school board elects new officers

Officers elected for the Pewamo-Westphalia school board for the 1964-65 school year are as follows: president, Paul Thelen; vice president, Philip Vance; secretary, Robert Hengesbach; treasurer, Carl Kramer Jr.; trustees, Louis Cook, Walter Kellen and James Pung.

Regular meetings of the board were set for the second Monday evening of each month at 8 p.m. in the high school library.

A PUBLIC hearing on the budget for the school year of 1964-65 will be held in the library of the Pewamo-Westphalia High School on Monday, Aug. 10 at 8 p.m.

Copies of the school budget are available at the office of the superintendent.

Houseboat entered

Someone entered a houseboat owned by Mary Skinner of Hubbardston Friday and made off with dishes, silverware and a frying pan. Deputy Sheriff Fred Corson investigated.

By Mrs. Thelma Woodbury

Mrs. Henry Schmid Sr., Mrs. Roland Schmid and Mrs. Dottie Snyder attended the openhouse at the Rebekah Home in Jackson last Sunday.

'Tasty' events this weekend in Michigan

Old coins, antique cars and blueberries will be the center of attention at some events occurring in Michigan this weekend.

Events include a parade Friday winding up the National Cherry Festival at Traverse City; Blue Water Festival Saturday at Port Huron; Antique Car Day at Howell Saturday; Classic Car Rally in Dearborn at Greenfield Village and Henry Ford Museum on Saturday.

BLUEBERRY Festival at Kalaska Saturday; and final day of the week-long Vassar-Cork Pine Fair Saturday.

Two-day events beginning Saturday are a Multi-Scale and Pylon meet featuring radio controlled model airplanes at Wings Airport near Utica and a coin show and bourse at Traverse City.

Mr. and Mrs. Lester Woodbury of Vermontville called on Mr. and Mrs. John Woodbury Sunday afternoon on their return home from a honeymoon in Northern Michigan.

Mr. and Mrs. Douglas Hulbert spent the weekend in Northern Michigan.

Mr. and Mrs. David VanHorn spent the weekend at Lake City with his grandparents, Mr. and Mrs. A. L. Dawson.

Mr. and Mrs. Henry Schmid Jr. and family, Mr. and Mrs. Roland Schmid and family and Mr. and Mrs. John Woodbury were guests of Mr. and Mrs. Henry Schmid Sr. at an outdoor barbecue supper Sunday evening.

The Bridgeville Community Aid will serve a supper at the hall Friday evening, July 17. Serving will begin at 5:30 p.m.

GOVERNOR ROMNEY REPORTS

This week I would like to report to you on some of progress Michigan has made this year in our 1964 session of the legislature. In Lansing this year, the Legislature considered almost 1,500 bills and, as governor, I signed 285 new laws. I also vetoed a few, as some of you may know.

From the moment the 1964 Legislature convened, an air of uncertainty and doubt hovered over it. The question of legislative apportionment was up in the air all year, and hardly anything can disrupt legislative deliberations more than not knowing whether members can come back, who their new constituents might be, or even if there will be a legislature at all next year.

WITH THIS pervading uncertainty, it is a credit to all members of the 1964 Legislature, in both parties, that so much was accomplished.

This administration decided on a two-year approach to responsible government when it was given the public trust by the voters in 1962. Our approach was simple and sound.

DURING OUR first year, our primary concern was the return of fiscal stability and integrity to state government. And this was accomplished. Our budget was prudent, yet progressive and our general fund deficit was eliminated.

During our second year, with our course of financial integrity firmly charted, our first priority was to provide adequate statutory and financial support for the essential government services which help people, primarily in the areas of education, mental health and young people. This week I want to report to you what we have done in the field of education.

PERHAPS THE most dramatic and most deserving improvements have been for education. The post-war population boom will hit our 10 state-supported colleges and universities with full effect next fall. Most of our colleges and universities have not fully recovered from the fiscal crisis austerity of the last several years. For the 1963-64 fiscal year, state support for higher education totals \$110 million, and increase of \$6.1 million for one fiscal year.

But for this year, this support will be increased by \$21 million in a single year—a dramatic and deserved single-year increase of about 20 per cent. The increase is designed to cover enrollment increases—expected to increase by 10,000 students to 128,400 this fall—allow general faculty pay increases, provide more and better equipment for teaching and research, and to provide funds to get ready now for the heavier avalanche of students expected in the fall of 1965.

OUR BUDGET has not neglected physical facilities. It will provide more than \$31 million in capital expenditures for higher education, including starts of 20 new facilities. And this without the higher costs of bond financing, but rather on a straight cash pay-as-we-grow basis.

Now in addition to these dramatic improvements, we have also increased both operating grants and building funds for our network of fine community colleges.

OF IMPORTANT significance is the establishment for the first time of a state scholarship program so that talented but needy students can receive help to attend the school of their choice, public or private, to help prepare themselves for a better life and to contribute more adequately to the entire society. We have improved our student loan program to further broaden the opportunity toward equal education in the American heritage.

The Legislature also has established the Higher Education Facilities Commission, so that Michigan will be ready to participate in the federal college construction program which already has been approved by the Congress, but for which funds have not yet been authorized. This federal program should add another \$18 million in new campus construction in the next three years.

GAINS HAVE also been made for elementary and secondary education. We have improved the gross allowance under the school aid formula from \$224 to \$236.50, plus increasing the total school aid fund by \$11 million to take care of added enrollment. That makes a total single-year increase of \$26 million in school aid. We have given added increase for special education, to help local units pay the cost of school transportation, and to strengthen our state library program.

The teacher tenure bill has been approved pursuant to initiative petitions which were filed. And we provided \$10 million to strengthen the teacher retirement system in accordance with the 1963 constitution.

THE LEGISLATURE also adopted a modified K-12 program, which is aimed at improving the quality of local education without the strict mandatory aspects of some previous proposals. Also approved was the released time bill, which will permit students to receive religious training and instruction without violating the principle of separation of church and state.

Ishpeming was one of the pioneers in the development of the sport of skiing in America. Michigan's first ski club was formed there in 1887, and in 1904 the National Ski Association was organized there. Ishpeming is now the site of the National Ski Hall of Fame and Ski Museum.

South Watertown
 By Mrs. Bruce Hodges

Mr. and Mrs. Charles Throop and son have returned from a vacation at the World's Fair.

Mr. and Mrs. Milford Vincent and family of Fulton, Ky. spent the past week with Mr. and Mrs. Vaughan Montgomery.

Mr. and Mrs. Albert Cook of Grand Ledge, Mr. and Mrs. Harold Cook and family of Vermontville, Mr. and Mrs. Andrew Cook of Charlotte and Mrs. Fred Cook of River Drive were holiday dinner guests of Mr. and Mrs. John Cook.

Mr. and Mrs. Floyd McQueen and son of Lansing called on Mrs. Joyce McCloud Sunday.

Mr. and Mrs. Mark Oliver in company with Mr. and Mrs. George Timmons of Midland are vacationing at Copper Harbor.

Mr. and Mrs. Harold Dayton and

family and Mrs. Helen Dayton of Grand Ledge spent the past week at Lake Louise.

Mrs. Lewis Lonier is undergoing treatment at St. Lawrence Hospital.

Mr. and Mrs. Herbert Hardtke were Saturday supper guests of Mr. and Mrs. Bruce Hodges.

Jim Lonier with Jim Fox of DeWitt spent the holiday weekend at Lake Margrethe.

Mrs. Vaughan Montgomery visited Mrs. Rebecca Montgomery at the Ferguson-Droste Clinic at Grand Rapids Wednesday.

The Blue Star Service Club will tour the Owens, (Ill.) Glass Co. at Charlotte on Tuesday, July 14. Mrs. Grace Misner has charge of arrangements.

The Starr Aid Society will meet with Mrs. Ray Stone for a 9:30 a.m. breakfast Thursday, July 16. Mrs. Tom Granchoff, the new vice president, is program chairman.

Mrs. Nancy Rose and family of Miamisburg, Ohio, spent the past week with Mr. and Mrs. Stanley Rose.

Green Tee Club entertains at Guest Day

WHAT TO BID?—Three members of the Green Tee Club discuss a hand of bridge at the Guest Day meeting. They are, left to right, Mrs Albert Fruchtl, Mrs Julius Becker, standing, Mrs Oliver Montague and Mrs Conrad Seim Jr.

WELCOMES OUT-OF-TOWN GUESTS—Mrs C. C. Dickinson, president of the Green Tee Club of the Clinton County Country Club welcomes some former St. Johns residents who attended the Guest Day Wednesday. They are, left to right, Mrs Dickinson, Mrs Robert Barker of Greenville; Mrs William Robertson of Rochester; Mrs Robert Rockerfeller of Greenville and Mrs George Grant of Rochester. Mrs Carl Bancroft serves punch to the guests.

BY MABEL OPPENNEER
Thirty-one members and guests attended Guest Day of the Green Tee Club of the Clinton County Country Club Wednesday.

Ten guests attended the event from Greenville, Rochester and St. Johns. Some of the guests from away are former St. Johns residents and were enthusiastically welcomed back.

MRS CARL Bancroft served punch to those coming in from the fairway and others assembled around the tables chatting before luncheon was served by Mrs Melvin Warren, chairman, Mrs Kenneth Munger and Mrs Robert Beach of Ovid.

The best actual score at golf was by Mrs William Robertson of Rochester with a 45. Mrs Lorenz

Tiedt, golf chairman, was in charge of games.

MRS GALE Redman and Mrs William Kolehmainen, both of St. Johns, won the guest prizes for low and consolation.

Among the members, Mrs Bernard Mankey scored first, and Mrs George Judd, consolation.

Mrs Albert Fruchtl and Mrs Conrad Seim Jr. were in charge of bridge following the luncheon.

Among the guests, Mrs Robert Baker of Greenville won high score and Mrs Gale Redman, of St. Johns, second high. Of the membership, Mrs Harold Lundy captured high and Mrs George Judd, second high.

On June 24, members of many central Michigan clubs were

guests of the local women's organization at All Club Day.

All members were being urged to attend the Green Tee Cup Day to be held July 15.

WEDNESDAY is Ladies Day at the Country Club. The Green Tee Club has 15 members who have the course to themselves on Wednesday and play in mixed leagues Monday and Friday evenings.

The new clubhouse which is also available for private dinners, parties and receptions, was built in 1942 after the former building burned. The club was started in 1925.

Large trees around the clubhouse and here and there on the nine-hole rolling course create a pleasant environment.

Donald K. Clarks celebrate 25 years with dinner, dance

DeWITT —The Donald K. Clarks of 4911 W. Clark Road, Lansing, celebrated their silver wedding anniversary. A buffet dinner was served at the DeWitt Memorial Building, followed by an evening of dancing.

Special among the 175 guests was Mrs Mary Spitzley of Portland, nearly 93 years old. She is Mrs Clark's mother.

Guests were present from Lansing, Grand Ledge, Portland, Charlotte, Pewamo, Fowler and DeWitt.

MORE GUESTS WELCOMED—Local guests welcomed by Mrs C. C. Dickinson Wednesday were, left to right, Mrs Jennie Amos, Mrs William Kolehmainen, Mrs Frederick M. Lewis, Mrs Robert Brock, Mrs Gale Redman and Mrs Fred Rogers.

Tire, wheel taken off parked car

A new white sidewall tire and its wheel were taken from a car parked on Townsend Road just off US-27 Thursday. The theft from the left front wheel of the car was reported by Guy Paseka of 1551 E. Walker Road.

Much to Do
If you're running out of little jobs to do while you enjoy your garden, here are a few things that will keep your thumb green.
Snap off old flowers on rhododendrons and azaleas before seed heads form.
Do this to peony flowers

too, as old peonies can provide a place for disease.
If you want a denser evergreen (e. g. spruce and fir) prune it now. Don't prune pines, however.
Spring flowering shrubs can be pruned now, too. Just take out some of the oldest canes, cutting them to the ground. (Old canes have the roughest bark.)
Shop in Clinton County.

OSGOOD FUNERAL HOME

Park with Ease

While eliminating a need for adequate transportation, the automobile created a need for adequate parking space. We've provided the solution to this added problem, however, with our illuminated, off-street parking area.

Dr. Armbrustmacher new intern at Rockford hospital

Dr. Vernon W. Armbrustmacher, son of Harold Armbrustmacher, Townsend Road, St. Johns, this week began a year's internship at Rockford Memorial Hospital, Rockford, Ill.

ROCKFORD Memorial is a 258-bed general hospital which recently announced a \$6 million expansion program.

With Mrs Armbrustmacher and their child, Dr Armbrustmacher is living in the intern apartments adjacent to the hospital.

Name Robinson 'Golden Eagle' at Ferris

Floyd M. Robinson, Commerce 1914, of St. Johns was among the 204 Ferris State College alumni who were inducted into the college's Society of the Golden Eagles at the annual alumni reunion in June.

Golden Eagles are those alumni who attended the college at least 50 or more years ago. Twenty-eight were present at the reunion to receive their certificates in person; the others received theirs in the mail.

Now there are 2

POLAROID Color Pack Cameras

THE NEW COLOR PACK II For the budget buyer

This new, economy styled, Color Pack II (the Automatic 101) costs less! It makes the same post card size color pictures in 60 seconds, black and white pictures in only 10 seconds.

The transistorized shutter makes perfect outdoor exposures for both color and black and white film. Indoors, the shutter can read the light and set exposure during the flash of a flashbulb. The Color Pack II weighs less than most 35 mm cameras, loads in seven seconds, and has a new, simplified film selector. Best of all, it is the camera for the budget minded buyer.

THE FAMOUS 100 For more versatility

The Automatic 100 is also on hand for those seeking versatility and elegant body styling. The transistorized shutter in this camera has greater capacity, can do everything the Automatic 101 can do, plus make black and white indoor pictures without flash and automatic time exposures up to several seconds. For only a little more, you can own the most advanced camera in the world.

Mrs Gordon Waggoner

Gloria Waggoner celebrates 10 years

EUREKA— Mrs Gordon Waggoner entertained for the tenth birthday of her daughter, Gloria Kaye, by taking her and her sis-

ter, Linda, and Cherie and Cheryl Lawrence, Lorraine and Beth Harger and Joyce Skippergosh over to the pool at the home of their uncle, Dale Randolph. Her cousin, Terrie Randolph, joined them, too.

Mrs Waggoner served the birthday cake, decorated with ballerina candles, ice cream sticks and drink beside the pool.

Mr and Mrs Roger Schutes and

son, Scott, spent the weekend in New York State visiting his grandparents.

Mr and Mrs Robert Lewis and three children spent the weekend at his parents' cottage at Houghton Lake. Mr and Mrs Leon Lewis and four children spent Sunday at the cottage also.

This week Rusty Waggoner, Gloria Waggoner and Jean Lewis are entertaining the mumps. Mr and Mrs Gordon Waggoner, Gloria and Linda spent Friday night through Sunday at their cottage at Houghton Lake.

Mr and Mrs Donald Clark and daughters, Treasa, Kim and Bonnie, are vacationing this week at his parents' cottage at Houghton Lake.

Mr and Mrs Eugene Ruess and daughter Janene, of Owosso spent Thursday evening with their grandfather, Frank Ruess and Mrs Ruess.

Mr and Mrs Walter Stelter and son, Jerry, and Mrs Rose Hogan left Tuesday for Eau Claire, Wis., after spending a week here with their folks and other relatives, Mr and Mrs August Stelter.

Mr and Mrs Frank Ruess were Sunday visitors of Mrs Ruess's niece, Mrs Clem Clouth, and family of Hart.

North Bengal

By Mrs Wm. Ernst

Mr and Mrs William S. Ernst and family of Battle Creek were the July 4 weekend guests of their uncle and aunt, Mr and Mrs William Ernst and Maxine.

Douglas Gwyer, of the US Air Force, is spending a furlough with his parents, Mr and Mrs Leo C. Fox, and sons, David Fox of Selfridge Field was a weekend visitor of his parents and brothers.

South Ovid

By Mrs George Young

Mr and Mrs Randy Phelps Camp Mead, Maryland visited their parents, Mr and Mrs Oliver Nicholas over the 4th of July.

Mr and Mrs Lysie Hettinger and son, Edward, Mr and Mrs Butler and family and Mrs Gene Barry and family, all of Lansing, were 4th of July and over Sunday guests with Mr and Mrs Vern Binger, Mikey Slesby and Edward Hettinger of Lansing are spending the week with their grandparents.

Mr and Mrs Richard Gee returned to their home last Friday after spending the week in Northern Michigan.

Mr and Mrs Kenneth Young spent over the 4th at Rosevelt Park near Muskegon where Mr and Mrs Neil Zeigler and family have been vacationing for the past week.

Miss Margo Bezruth and twin brother and sister, Bryan and Beverly of Warren are visiting their uncle and aunt, Mr and Mrs Oliver Nicholas this week.

In honor of the birthday anniversary on July 1 of William Ernst the following guests were served birthday cake and ice cream at the Ernst home on Wednesday evening: Mr and Mrs John Foersch of Essex; Mr and Mrs Edward Moritz of East Dallas; John Ernst of Lansing; and Mr and Mrs Edwin Mohrke and Ann of South Bengal.

Mrs Herbert Pasch of rural Fowler spent Saturday afternoon with Mrs Fred W. Pasch.

On Tuesday afternoon Mrs William Ernst called on Mrs Hattie Letts at the Rivard Nursing Home and on Mrs Eleanor Epkey at her home in St. Johns.

Pewamo

By MRS. IRENE FOX, Correspondent—Phone 2021

Prize winners told for Pewamo event

PEWAMO— The Pewamo picnic and festival prize winners were Bruce George, Tony Theis, Miss Matilda Cook, Mrs Joseph Klein Sr., Mrs Robert Spitzley, Mrs Irene Fox, Jonathon Cummins, Tony Thelen, Jerome Barker, Frank Smith, Albert Lawens, Dennis Smith and Peter Simon.

Others were John Heckman, Miss Donna Simon, Mrs Roy Kramer, Joseph Cook, Mrs Delbert Schafer, Luke George, Miss Marlene Fox, Alger Theis, Judith Ann Smith, Mrs George Schafer, Mrs Arnold Fedewa, Dick Geller and the winner of the car was Patty Winkler.

Former Pewamoan injured in accident

PEWAMO— Mrs William Biergens (Edna Schafer) of Lansing and her son, Don enroute to visit her son-in-law and daughter, Mr and Mrs Russell Hamilton in Madison, Wis., were in an auto accident about six miles from Madison.

Mrs Biergens is still in Mercy Hospital in Janesville, Wis. The accident happened June 25 and the following Wednesday she was taken off the critical list. Mrs Biergens is a former Pewamo resident.

Starting Monday, July 6, Mrs Fred Wood will help out at Pohl's Drug store in Westphalia.

Clare Schneiders become grandparents on two counts

PEWAMO— Mr and Mrs Clare Schneider are grandparents twice. Mr and Mrs Donald Schneider (Mary Ellen Thelen) are parents of a daughter, Becky Sue, born June 25 at St. Lawrence Hospital in Lansing weighing 8 pounds, Sunday, July 5 Becky Sue was Christened at St. Mary's Church. The God-parents were Kay Schneider and Donald Thelen.

BORN ON June 25, a son to Mr and Mrs Robert Ringle (Patty Schneider) at St. Lawrence Hospital, weighing 10 pounds, 2 ounces. He has been named Todd Robert.

Mr and Mrs Clare Schneider and Mrs Michael Schneider Sr. were Sunday guests of Mr and Mrs Donald Schneider. The occasion being the Christening of Becky Sue.

Pewamo Church has substitute pastors

PEWAMO— Sunday, July 12 will be the last Sunday for a month, for the Methodist pastor, as he attends the seminary again. There will be visiting pastors to fill the pulpit.

Rev Richard Wilson will speak on July 19 and a Gideon speaker on July 26. On Aug. 2 a former pastor, Rev Gerald Jacobs, will be here and on Aug. 9, Rev Don F. Price and family.

Pewamo WSCS meets

PEWAMO— The WSCS will meet July 16 at the church. Members will bring their Bibles and continue reading in the Book of Genesis.

Mr and Mrs Herman Werner Marlene and Bob spent Sunday visiting Monsignor Henige at Saginaw and called on Mr and Mrs Faye Williams. Mrs Williams is the former Elaine Waigle of Pewamo.

The descendants of Fredrick and Caroline Miller met at Francis Park in Lansing on Sunday, with 70 present. The oldest one present was Harrison Miller of Grange Road and the youngest was Little John F. Miller, son of Mr and Mrs Ernest Miller, who are hosts for the 1965 reunion.

Dr Kenneth Vance of Ann Arbor and his mother, Mrs Emery Vance, were callers of Mr and Mrs Floyd Bissell Sunday.

Mrs Henry Fox and son, Julius, and granddaughter, Lynda, were Sunday guests of Mr and Mrs Clyde Silvernall.

Mr and Mrs David Ludwick and family of Ionia were Sunday guests of his mother, Mrs H. B. Ludwick.

Mr and Mrs Henry J. Schafer and family spent several days at their cabin at Grass Lake. Sunday guests were Mr and Mrs Roy Howorth and family of rural Ionia.

Mr and Mrs Raymond H. Miller of Pewamo are grandparents for the first time. Born July 5, a daughter to Mr and Mrs Lance Jepson, weighing 8 pounds, 10 ounces at St. Lawrence Hospital in Lansing. They named her Kristin Katherine. Mr and Mrs Jepson have purchased a home in Portland and moved there about two weeks ago.

Born June 30 at Ionia Memorial Hospital, a son to Mr and Mrs Melvin Stump of Pewamo, weighing 7 pounds, 7 ounces. His name is William Gerard. Mrs Frank Stump of Pewamo is the grandmother.

Mr and Mrs Harold Simon (Doreen Wells) are parents of a son, born July 2, at Ionia Memorial Hospital weighing 9 pounds, 2 ounces.

Mr and Mrs Ronald Motz and family of rural St. Johns were Sunday dinner guests of Mrs Herman J. Wohl.

Mrs Joseph Long visited relatives and friends over the weekend.

Mr and Mrs B. Barnhart of Lansing called on Mrs John Fox over the weekend.

Master Alan Fox, son of Mr and Mrs Norbert J. Fox of Lansing is spending a week with his grandmother, Mrs John Fox, and uncle, Art Fox.

Mr and Mrs Francis Silvernall spent Sunday with Mr and Mrs Andrew Nemeth at Crooked Lake.

Mr and Mrs Ernest Schafer spent the long July weekend with Mr and Mrs Daniel Schafer and family of Royal Oak.

A sportsman's paradise, Michigan ranks among the top three states in the combined sale of hunting and fishing licenses. During 1962 Michigan sold 1,138,988 hunting licenses of all descriptions and 902,210 fishing licenses.

Job's Daughters install Sarah Lott

OVID—One hundred and fifty persons attended the installation of Sarah Lott as honored queen of Bethel 36 of the International Order of Job Daughters, Saturday evening.

Mr and Mrs Alex Dunay, worthy patron and worthy matron of Elsie O.E.S. were hosts. Janet McCreery attended the guests book. GUESTS WERE FROM Ionia, Dewitt, Detroit, Wayne, Owosso, White Cloud and Royal Oak.

Other officers installed were: Patricia Dunay, senior princess; Linda Hallead, junior princess; Patricia Kridner, guide; Gwen Baker, marshal, Leann Shaw, Paula Richardson, Rolayne Sloat, Gloria Richardson and Jo Ellen Chaffee, messengers; Rita Spayde and Susan Richardson, inner and outer guards; Kaela Sloat, treasurer; Jennifer Keyes, musician; Debbie Chamberlain, librarian; Debbie Chaffee, recorder; Beverly Mead and Karen Hallead, junior and senior custodians; Shirley Everts, Karline Craig, Ruth Schultz, Sue Besko, Nancy Jo Cross and Cheryl Watson, choir members.

DIANA GALT, past honored queen, read from the Book of Gold and Lauralee Lott and Mark Lott, niece and nephew of the honored queen, presided as cupids.

The Bible ceremony was conducted by Jane Radtke, past worthy adviser and Grand Fidelity of Rainbow for Girls of VanDyke Assembly 69, and Dawn Boyde, past honored queen and chaplain. Richard Sherman, brother of honored queen, Sarah, sang "The Lords Prayer."

AFTER introduction of the installing officers and entrance of officers elect, the flag was displayed by Paul Sherman of the Dearborn Order of DeMolay and a brother of the honored queen, and six members of the Shlawassee order of DeMolay.

Installing officers were Past Honored Queen Cheryl Watson; Nancy Elliott, a past honored queen as guide; Mrs Jerry Morgan, a past honored queen, as marshal; Ardis Green, recorder; Dawn Boyde, a past honored queen as custodian; Sally Smith, junior custodian; Lennis Sloat, senior custodian; Richard Sherman, soloist; Lucella Warren, musician; Paul Sherman, Architect Chapter, Order of DeMolay at Dearborn as flag bearer.

AS MISS Lott knelt at the altar, her brother Richard sang "You'll Never Walk Alone." She was escorted by her parents, Mr and Mrs Arley Lott through an arch of roses held aloft by members of the Shlawassee Chapter of DeMolay as Richard sang "Our Honored Queen."

After installation, Past Honored Queen Cheryl Watson and Honored Queen Sarah exchanged jewels. The Frances Nourse pin was presented to senior princess,

Patricia Dunay by the honored queen. The traveling charm bracelet was presented, for the year, to the honored queen by Senior Princess Patricia Dunay. Cheryl Watson presented a charm bracelet to the new honored queen.

THE junior past honored queen, Cheryl, presented her corps of officers, the guardian, associate guardian and Robert Darling with gifts.

Honored Queen Sarah presented gifts to her installing officers, DeMolay, Cupids, Cheryl Watson, guardian and associate guardian. She presented her parents with a "Parents' pin. Mrs Lott, Sarah's mother presented Sarah with a "Jobie" doll dressed by Mable Jones, past guardian of Ionia. A gavel was presented to Sarah by her aunt, Mrs Keith Inglehart.

MRS LEO Hansen of DeWitt extended congratulations and good wishes from the grand Bethel. A group of Past Honored Queens of Ovid Bethel presented Jr. Past Honored Queen Cheryl with a "crown" of flowers.

A reception was held in the Veterans Memorial Building. Refreshments included a four-tiered decorated cake made by the honored queen's mother and decorated by Mrs Gale Lott, sister-in-law of Sarah and was served by Mrs Keith Inglehart, past guardian of Ionia. Another cake was served by Marsha Mizga.

PUNCH was served by Mrs Grace Perry of Detroit and coffee by Mrs Harold Fink, past matron of Ovid. Recorded music was furnished by Gale Lott of Owosso.

Mr and Mrs Henry Hoeve spent the weekend at their cottage Mrs Jeanne Wilkins and Juva Lea, accompanied by Miss Ada Williams of Owosso, have returned home from a week's vacation in New York where they visited the United Nations, Rockettes, Radio City Music Hall and spent two days at the World's Fair.

Mrs George Fowler and Pamela spent Thursday in Detroit where they attended the Luis Galindo-Linda McNally wedding at the St. Hugel of the Hills Church.

Mrs Fred Guild of Ithaca is spending some time with Mr and Mrs Lester Harrington.

Mr and Mrs Fred Hyslop of Zephyrhills, Fla. spent several days last week with Mr and Mrs Walter Clock and Mr and Mrs Roland Hoppe of Bad Axe.

Mr and Mrs Walter Bancroft of St. Johns, Mr and Mrs Fred Hyslop Sr., of Zephyrhills, Fla., Mr and Mrs Fred Hyslop Jr., of Frankenmuth, Mr and Mrs Roland Hoppe of Bad Axe, Mr and Mrs A. Morrill and family of Bath, Mr and Mrs James Clock and family, Mr and Mrs Charles Clock and family and Mr and Mrs Walter Clock were Saturday guests of Mr and Mrs Dale Bancroft.

City of St. Johns PUBLIC NOTICES

As per Resolution of the City Commission a Public Hearing of necessity for the installation of

CURB AND GUTTER

in which the properties (in/or on) the 100, 200 and 300 Blocks of East Lincoln Street will be especially benefited, is to be held.

All those persons affected thereby or interested should take notice that this hearing shall be held on

Tuesday, July 21, 1964 at 7:30 p.m.

in the Municipal Building, St. Johns, Michigan.

YOU CAN'T AFFORD TO PAY RETAIL FOR HEATING

When You Make Such Great Savings At WHOLESALE !!

HERE'S THE PROOF:

We've taken a typical small 6 room house and engineered both a Warm Air and a Hot Water Heating Plant for it.

Here is all it takes to correctly heat this house. We also provide you the piping layout at no extra charge.

COMPLETE HOT WATER HEATING PLANT

- 1- 100,000 BTU Gas Fired Cast Iron Boiler with Pump and Honeywell controls 279.00
1- Expansion Tank and Reducing Valve 17.50
58 ft. Hot Water Baseboard 86.42
Baseboard Ends, Corners and Dampers 18.96
20 ft. - 1" Hard Copper Pipe 8.02
150 ft. - 3/4" Hard Copper Pipe 38.40
40 - 3/4" Copper Sweat Ells and 45's 8.80
4- 1" Copper Sweat Ells and Tees 2.04
7- 3/4" Copper Vent Tees 2.03
7- Coin Air Vents 1.05
1- 1/2 Stop Valve, 1 Nipple99
Other miscellaneous fittings 8.90
2- Lengths - 5" Smoke Pipe 1.48
1- 5" Smoke Pipe Elbow57
474.11

COMPLETE WARM AIR HEATING PLANT

- 1- 100,000 BTU Counterflow Gas Furnace with Honeywell controls 139.00
1- 14x16x24 Furnace Plenum 4.78
1- 16x16x36 Furnace Plenum 6.55
8- 2 1/2 x 12 Warm Air Registers 14.32
1- 14x12 Wall Intake 3.20
8- 6" Take-Offs 7.60
8- 2 1/2 x 12 Register Boots 10.24
65 ft. - 6" - 30 ga. Warm Air Pipe 16.90
6- 6" - 30 ga. Elbows 3.30
2- Lengths 5" Smoke Pipe 1.48
1- 5" Smoke Pipe Elbow57
1- 14x12x12 Sleeve 5.00
27 ft. - 9 1/2 x 8 Duct with cleats 18.70
2- 9 1/2 x 8 End Caps 1.42
2- 9 1/2 x 8 Starting Collars 5.90
238.96

Elsie

By MRS. NEVA KEYS, Correspondent

**Elsie fire truck
ready for service**

ELSIE— The piercing sound of a siren which warned everyone to clear the way was heard this week in what turned out to be a false alarm.

The siren is just one of the many improved features of the new fire truck recently purchased by the Elsie fire department including the village, and four townships, Chapin, Elba, Fairfield and Duplain, an arrangement since 1950.

Best of all, the new unit is paid for—all \$13,500.

DURWARD Conklin, a veteran of 32 years on the Fire Department, 22 as fire chief, and Earl Dunham, who served 41 years, flew to Battle Creek a month ago to drive back the new truck. This was Dunham's first flight and the men were taken on a tour of the American Fire Apparatus Co., while in Battle Creek.

Fire Chief Conklin was high in praise of the new equipment for its safety, time-saving and modern features.

He says the truck has a 500 gallon capacity, aluminum ladders, electric hose reels, covered hose compartments and new type of fog nozzles by which the spray can be easily regulated. A good feature of the hose is that it need not be drained unless the temperature drops to 10 degrees below zero.

IN ADDITION to this modern equipment, fire protection for this community consists of the 1949 Chevrolet model fire truck and one 1,000 gallon water tank truck which is for service beyond the village water mains.

Plans are now underway to remodel the front of the fire hall building to widen the doors since the units have become wider in the past few years.

THE ONLY major fires in this area since the Kelley Sport and Marine in the fall of 1960 was

last fall's \$60,000 loss on the Eugene Heinz farm north of the village when three large barns, their contents and 70 new milking stalls were completely destroyed along with damage to three large silos.

The firemen meet on the second Tuesday of the month for practice drill and discussion. They check all equipment and review the last fires.

THE ASSISTANT fire chief is Joe Bartek while Paul Platner serves as secretary and treasurer. Bernard Conklin is another veteran of the department—36 years. Others with several years experience are: Claud Conklin, Woodrow Bashore, Harold Helde-man, Frank Loznak, Frank Cernak, Lewis Baese, Bill Price and Don Cook.

**Elsie bandmen
return from CMU camp**

ELSIE— Mary Slagh, Janice Kelley, Jennifer Keys and George Keck of the Elsie High School Band, have returned from two weeks at Central Michigan University where they attended the high school music camp.

All participated in the two public concerts held in Warriner Auditorium. Floyd Mead directed the Gold Band of which all four were members while Stephen G. Hobson and Eugene F. Grove conducted the 175-member chorus in which they sang.

Mary Slagh and Jennifer Keys are clarinetists while Janice Kelley and George Keck are cornetists. Jennifer Keys also studied piano under Mrs William F. Rivard while at camp.

Mrs George Nagel and two children of Homer City, Pa., are spending a month with her mother, Mrs Daisy Talley. Rev George Nagel is counselling at two different church camps in western Pennsylvania, while his family is staying here.

DONNA ALVORD

Mr and Mrs Donald Alvord of 302 Carole Drive, Elsie, announce the engagement of their daughter, Donna, to Raymond Pope Jr., son of Mr and Mrs Raymond G. Pope Sr. of R-1, St. Johns. An Oct. 3 wedding is planned by the couple.

**Honored guest pulls
a reverse surprise
on guests at party**

ELSIE— A surprise baby shower became a double surprise Wednesday evening for the guest of honor as well as the other guests.

The party was hosted by Mrs Cary Schultz of Mount Pleasant for her sister-in-law, Mrs James Sloat, in the rural home of their parents, Mr and Mrs Cayle Sloat.

THE NEW mother, Mrs James Sloat, who was completely surprised by the party, in turn surprised the guests with a chance to greet her tiny daughter, Rebecca Ann.

The infant, prematurely born May 11 and weighing only 2 pounds and 9 ounces was released earlier than expected that afternoon, now a healthy 6 pounds, 11 ounce baby.

There were 32 relatives and friends present. Scrambled baby names and stork bingo were played with winners presenting their prizes to the guest of honor.

WHITE AND pink were used in the decorations with a white stork centering the gift table.

Ruth Ann Sloat, Ovid, recorded the gifts, while Cheryl Watson, Ovid and Lois Redman, St. Johns, served coffee and punch.

Mrs Schultz furnished the decorated cake which was cut by Barbara Higgins of Ovid. Rolyane and Kaela Sloat of Carland assisted in serving the guests.

**Jolly 4-H'ers
have fun with
cooking program**

ELSIE— Junior members of the Jolly Pioneer 4-H Club have been meeting regularly with their leaders, Mrs A. W. Cobb and Martha Cobb.

Bill Foran and Alan Cobb have been putting in several scheduled hours each week on their vegetable garden and flower gardens and the girls have met each Wednesday for cooking sessions which have included "Let's know the kitchen and its gadgets." This meeting was concluded with milk drinks and cookies served by the girls.

THE GIRLS had one lesson on setting the table, preparing a centerpiece, preparing and serving a good breakfast, practicing correct table manners and in leaving a neat kitchen after the fun is over. Alan Cobb was a guest.

"It's a Happy Day" involved a party planned, prepared and served by the girls. The table was centered by a "Happy Birthday" cake made and decorated by Mary Temple. Susie Crosson prepared Pink Lady drinks and Jan Hibbler contributed the bavarian cream dessert.

A SPECIAL surprise was a gift of a recipe file and recipes which each girl found at her place. "Let's have a Cooky Bake" provided fun and learning when they all tried new kinds of cookies, and judged and sampled each others wares.

**Elsie band slated
for cherry festival**

ELSIE— The rat-a-tat-tat of the drums and music by the Elsie High School Band has been greeting the Elsie residents nearly every morning for some time but will continue only a few more days.

They are rehearsing and making final preparations for a three-day trip, July 9, 10 and 11 to the National Cherry Festival at Traverse City, where they will join more than 30 other high school marching bands from various parts of Michigan.

Wacousta

By MRS. VEDA FORWARD, Correspondent

**Officers elected
at the annual
McCrumb reunion**

WACOUSTA— The McCrumb annual reunion was held Sunday at the Looking Glass Valley Park, Wacousta.

Sixty relatives attended the picnic dinner and the afternoon of visiting.

OFFICERS elected are: Mrs Victor McCrumb of Eagle, president; Mrs Bert Howe of Lansing, vice president; Mrs Lewis Babbitt, secretary-treasurer.

The 1965 reunion is to be held at Francis Park, Lansing, on June 27.

**Damage is slight
in Wacousta bike
and car collision**

WACOUSTA— If ever there is a "lucky" accident, then Wacousta was the place of such Wednesday evening.

Don Plunkett driving in from the East Herbyson Road and Wayne Havens, 10, riding his bike and going south on Wacousta Road, collided on the intersection of the roads. Neither had seen any one entering the corner.

THIS WAS at 7 p.m., and Don, who had stopped ere entering the intersection, was said to be going not more than five miles per hour by the State police called to the scene.

It is thought that the car's right front wheel ran over the bike's front wheel.

Only damage done—a skinned elbow for Wayne and a cracked bicycle wheel.

**Trip to Alaska is
cited to women**

WACOUSTA— Nearly 30 women gathered Friday at the home of Mrs Alta Kehler for the Willing Workers July luncheon meeting.

Mrs Hazel Becker gave the devotions and Mrs Hazen Crandall gave a talk on her recent trip to Alaska.

**35 receive awards
for SS attendance**

WACOUSTA— Thirty-five boys and girls were presented attendance award pins Sunday morning at the worship hour. Fourteen had had perfect attendance for the past three months; nine, for the past six months; twelve, for the past twelve months. Each child was allowed absence of one Sunday to still receive a pin.

Myllinda Huhn, 7, was the only child who had no absence for the past nine months.

Mrs Kempf hosts

WACOUSTA— The Neighborhood Society will meet at the home of Mrs Andrew Kempf Thursday, July 16. Cohostess will be Mrs Hazen Crandall. Mrs Sylvia Mayer will give the devotions and Mrs Isabel Oden is preparing the program.

Mrs Rose Challenger is at home after spending the past ten days with Mr and Mrs Gary McDonough of rural Lansing.

Mr and Mrs Albert Craun and sons, Terry and Tom, spent the holiday weekend at Lake Avalon.

Mr and Mrs Jim Hinebaugh and children are living in the Kraft apartment while their new home on Wacousta Road is being completed.

The Bedaine annual reunion will be held Sunday, July 19, at the Looking Glass Valley Park. A potluck will be served at 1 p.m. with dessert being furnished.

The Eagle Beavers 4-H Club is to hold its July meeting at the Looking Glass Valley Park, Wacousta, Monday, July 13, at 7:30 p.m.

Mr and Mrs Ronald Fox and Mr and Mrs Francis Gates and children, all of Lansing, were evening visitors of Mrs Mabel Brace.

THE BAND under the direction of John W. Beery is scheduled for several performances, including the Grand Floral Parade on Friday afternoon and the Mummer's Parade that same night.

The Elsie band will be transported by two busses driven by Clark Curtis and Blaine Lentz and will be chaperoned by Mr and Mrs George Keck and others. Several families and other band enthusiasts plan to drive to Traverse City for Friday's festivities.

Program is humorous

WACOUSTA— Mrs Edward Kraft entertained the Wacousta circle at her home Thursday. Seventeen women, members and guests, attended the luncheon and the humorous program given by Mrs Ira Bollinger.

Mrs Mabel Brace and guest, Miss Beulah Prosser of Lansing, had Sunday dinner in Portland.

Mrs Coral Bollinger from Blissfield is spending a few days at the Ira Bollinger home.

Mr and Mrs Donald Locke spent Sunday in Detroit. They attended the Gold Cup races.

Mr and Mrs Clark Adams and children spent the weekend at Hardy Dam.

Clarke Adams and two business associates are in Canada for a week of fishing at White Lake.

Mrs Clark Adams spent the greater part of this week in Saranac with her mother and friends.

Mr and Mrs Howard McDonough, accompanied by Mr and Mrs Bob Cramer of Grand Rapids, have returned from a 10-day trip that took them around the Circle Drive, a highway around Lake Superior.

3-way tie at Overbrook

A three-way tie has developed in the Thursday Night Men's League at Overbrook Golf Course at Middleton.

Miller's Pure Oil, Pompell Farmers Elevator and Farmers Middleton Elevator, all with 15-1/2 points, lead the league. Perinton City Service and Guernsey's Automotive with 15 points each are a close second.

IN THE Monday night Men's League, Dale Evey and Jack Marcy lead the way with 14 points. Darrell Miller and Dick Troub are second with 13 points.

Free green fee winners last week were E. Horning and Bill LaBarr.

Name winners of pet show

Winners in the playground pet show sponsored last Friday by the St. Johns Recreation Department were:

Largest animal, Dawn Witt with her dog, Patsy; smallest animal, Ellen Kees with her white mouse; best-groomed animal, Erin Wood with her Manchester dog, Susie;

MOST UNUSUAL animal, Mike and Leonard Kanaski with their guinea pigs; best-mannered animal, Rebecca Barrett with her cat, Blackie; most beautiful animal, Mary and Martha Mihalyi, with their tiger and Abyssinian cat; and the nicest stuffed animal, Susan Beaudrie with a stuffed cat.

Winner of a jump rope contest was Patty Mable, with Rebecca Barrett second and Monica Rodgers third.

70 attend reunion of Miller families

Seventy descendants of Fredrick and Caroline Miller held a reunion and dinner at Francis Park in Lansing. Mrs. Theresa Miller Fox was hostess.

The women visited and toured the rose garden while the men and boys played ball.

The oldest member present was Harrison Miller. The youngest was the month-old son of Mr and Mrs Ernest L. Miller, who will be host for 1965.

Guests were from Gaylord, Pontiac, Grand Rapids, Pewamo, Fowler, Ovid, St. Johns, Lansing and Dimondale.

Seek dads to manage Little League teams

An attempt will be made Monday night to organize a formal Little League in St. Johns, with games being played at night.

William Smiley, high school football and baseball coach who is in charge of the summer recreation baseball program, made the announcement.

HE SAID 12 interested fathers are needed to coach and manage Little League teams. All fathers are urged to appear at 7:30 Monday night at the city park office to discuss the program.

Smiley said the Little League program would not affect the present summer recreation baseball plan. He said the recreation teams would remain intact during the day and would act as "minor league teams" in supplying material for the night-side Little League.

TWELVE TO 15 boys would be on each team and would be picked by the team's manager and coaches. The managers would be given a mythical \$10,000 with which to "purchase" their players.

Smiley said he felt 50 good ball players would be found in the two recreation leagues (Little League and pony league) in the 8 to 12 age bracket to form about four official Little League teams.

HE SAID IF fathers express interest in the plan Monday night, interested boys in the 8-12 age bracket would be asked to appear at tryouts on one or two evenings at which time the managers and coaches would be present.

Each boy would be given a number to wear during the workouts.

Boys, in absentia, would then be "auctioned off" to the highest bidder among the managers. Once a manager ran out of his mythical \$10,000, the only way he could get boys he wanted would be to trade. Trading would be cut off after a week.

SMILEY SAID that after the first year, new boys to the Little League would be chosen on the draft basis followed by Major League ball clubs.

One manager and two or three coaches would be needed for each team, Smiley said. The turnout Monday night will determine whether the program will be undertaken, he said.

Mr and Mrs Louis G. Thelen attended the Westphalia parish picnic Saturday afternoon.

Mr and Mrs Darwin Smith and family of Lansing were Saturday evening visitors of Mr and Mrs Herman Motz.

Mr and Mrs Raymond Pung and family of Milan, were weekend guests of Mr and Mrs Roy Pung and family.

The women of Holy Trinity Parish are busy making quilts at the home of Mrs Walter Hufnagel for the parish picnic Aug. 23.

Mr and Mrs Louis G. Thelen visited Mr and Mrs Martin Kloeckner and family in Riley Sunday afternoon.

Mr and Mrs Morris Dershem, Mr and Mrs Michael Motz and daughter of Lansing and Mr and Mrs Ernie Exelby of St. Johns were visitors at the home of Mr and Mrs Herman Motz Sunday afternoon and evening.

Mr and Mrs Herman Motz visited Mr and Mrs Arthur Motz and family near St. Johns Wednesday evening.

Michigan is a leader in the production of valuable hard maple and yellow birch lumber.

Park Lake

By MRS. SADIE BASS, Correspondent

Kin of Park Lake residents injured

PARK LAKE—Mr and Mrs William Morgan arrived back home after a hurry-up bus trip to Oklahoma as their daughter, Billie, and family (Mr and Mrs Larry Wells) had been involved in a 2-car accident on the way home to California.

They were taken to a hospital in a little town not far from the Texas border.

The neighboring folks of the community took care of their two small children until Mr and Mrs Morgan arrived. Then plans were made to fly the injured family to a hospital and their home in California.

Mr and Mrs Hertha Schwandt of North Route, Ohio are joining her cousins, Mr and Mrs Siebert of East Lansing July 12 and all will travel on to the home of Mrs Schwandt's brother and sister-in-law, Mr and Mrs Helmut Ficher at Brutus, to spend a week.

Mrs Mike (Ruth) Baker of Ann Drive is a patient at Ingham Medical Hospital. This is her second week there.

Roy (Willis) Bennett of Outer Drive returned to work after an 8-week sick leave.

Mr and Mrs Don Siebert of East Lansing are spending a week at Youngstown State Park at Boyne City.

Mr and Mrs Beryl Dodds are on vacation in northern Michigan.

Mr and Mrs W. Smith of Webster Road are building a new cottage near Barryton and spent the holiday there. They are newcomers to the Park Lake area from Portland and have purchased the late B. Dryer home.

Mr and Mrs Tony Kroetsch are on vacation. They visited with newlyweds, Mr and Mrs Robert Weston, who were married June 20 at Sarnia, Ontario, Canada, spent the Fourth with her mother at Port Huron and traveled on in the northern part of the state.

Mr and Mrs Walter Belen Sr. of Webster Road spent the holiday weekend at a cottage on Tubb Lake near Remus.

Mr and Mrs Forrest Bass Sr. entertained friends at home Friday evening for her cousin, Betty Jean Thayer of Farwell who is moving to Birmingham.

Mr and Mrs David Smith are visiting their parents, Mr and Mrs Verjl Smith of Bath and Mr and Mrs Chester Zawistowski of Park Lake before moving on to Washington, D. C.

Mr and Mrs Richard Trew of Rosemont Street left Friday to spend the holiday in Canada and will travel on to Pennsylvania to visit an Army buddy. He will arrive back home July 12.

David's of David Hardware left Saturday for a week of vacation at Traverse City State Park and later will visit Mr and Mrs Robert Bartlett at Frederic.

Sunbeam Rebekah Lodge was honored by an official visit of the district deputy president of District 14, Mrs Martha Hutchinson, a member of Coefox Lodge of Owosso Thursday evening. Meet-

ings are recessed until September.

Ellen Sue Rogers of Battle Creek is visiting her grandmother, Mrs Betty Mead, for a week.

Les Decker who was injured in an automobile accident on Clark Road is now home from the hospital.

Forrest Bass Jr. arrived home Friday afternoon from Colorado and Saturday the family left for the holiday weekend at Pioneer Camp at Muskegon.

Mr and Mrs Cash David of Outer Drive are on a week's vacation at their cottage on Duck Lake, northern Michigan. They will also meet his brother, Eliss, at Traverse City for a family gathering.

Mrs Kitisie Douglas of Clark Road spent July 4 with her sister, Mrs Eldon Hooker at Saginaw as Mr Hooker is in the hospital.

Mrs William Chadwick R-1, East Lansing was reported ill last week and still under doctor's care.

The three children of Mr and Mrs Murphy of Brighton are staying this week with their grandmother, Mrs Cecel Kroetsch. On Monday they will take a trip to Port Huron.

Mr and Mrs George Tucker of Jackson were guests of her parents, Mr and Mrs Leland Storer of Culver Drive for the holiday. Their 6-year-old son is staying for a week.

Mr and Mrs Jack Mitchell drove to Baldwin Sunday as their daughter, Jackie, and her friend, Jean Hagerman, are enrolled at the Oddfellow and Rebekah Camp at Big Star Lake for a week. Mr and Mrs Jack Hagerman will go after the girls Sunday.

A family gathering at the home of Mr and Mrs Russell Adams of Webster Road Sunday honored a brother and sister-in-law, Mr and Mrs Donald Trim of Roseburg, Ore. Some brothers and sisters have not seen each other for six years. Guests attending were Mr and Mrs L. Storer, George Vance, Mr and Mrs Casey Dunham, Clyde Dunham, Sony Adams, Mr and Mrs Luke Womper and several nieces and nephews.

Mr and Mrs Terry Canfield of Josephine Street have a baby boy born July 2 at St. Lawrence Hospital. He will answer to Rickey Allen.

Mrs Mable Nicholson had her two small grandsons over the weekend.

Clifford Coffey, who is attending school at Coldwater, was able to spend the Fourth with his parents, Mr and Mrs David Coffey. He will return to school next week.

The University of Michigan was the first to be governed by a board of regents elected by the people and the first major university to admit women in 1870. It was the first university west of the Alleghenies to pioneer in professional education, opening the medical school in 1850, the engineering school in 1855, and the law school in 1859.

In Michigan... after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Michigan... beer goes with fun, with relaxation

MRS DOUGLAS YOUNG

Nobis-Young nuptials read in Fort Wayne

Miss Katherine Nobis and Douglas Young exchanged wedding vows Saturday at 6:30 p.m. in Emmanuel Lutheran Church at Fort Wayne, Ind. Rev. Walter Schoedel officiated and music was presented by Prof. Herbert Nuechterlein, organist, and Mrs. Nuechterlein, soloist. The children's choir sang.

Parents of the couple are Mrs. Arthur Nobis of Fort Wayne, formerly a resident of St. Johns, and the late Mr. Nobis, and Mr. and Mrs. Harold E. Young of Cranford, N. J. The bride was given in marriage by her brother, Arthur.

SCALLOPED lace outlined the scoop neckline of the bride's gown and was repeated on the skirt which had self-corded, tiny bows and a chapel length train falling from a back bow. An alencon lace crown held her illusion veil and she carried a cascade of white carnations, stephanotis and pink roses.

Matron of honor for her sister was Mrs. Wayne Smerman. Bridesmaids were Mrs. Charles Giffhorn of Hicksville, Ohio, sister of the bride; Mrs. William Nobis, Mrs. Mark Nobis, sisters-in-law of the bride, and Mrs. Marjorie Raess of Royal Oak.

They were attired in floor length gowns of shaded peony-colored taffeta. They wore pale peony pearl hats with veils and carried colonial bouquets of white carnations centered with pink roses.

Frank Scangarella of Pompton Plains, N. J. served as best man and guests were seated by Neil Biteler of Danville, Ill.; William Nobis, brother of the bride; Wayne Smerman, brother-in-law of the bride; and Carl Swain.

THE BRIDE'S mother was at-

tired in a pale blue silk embroidered gown with matching accessories. The mother of the groom wore a beige lace gown with matching accessories. Both wore corsages of white cymbidium orchids and pink sweetheart roses.

The reception followed in the church parlors after which the newlyweds left for a week's wedding trip in Kentucky. They will reside at 2306 N. Glendale Avenue, Fort Wayne, Ind.

The bride attended Concordia College and graduated from St. Frances College, Fort Wayne. She taught school in Birmingham, Michigan.

Mr. Young attended Webb Institute, Glen Cove, N. Y., received a BS degree in industrial engineering from Lafayette College, Easton, Pa., and attended Cornell Graduate School at Ithaca, N. Y. He is an industrial engineer with ARO Corp. at Bryan, Ohio.

Eagle

Mrs. Charles Higbee

Mr. and Mrs. Hiram Hazen, Mrs. June Higbee, Mark and Kathy attended the wedding of James McCormick at Greenfield Village Thursday.

Miss Gilda Higbee spent several days at Silver Lake. The Methodist Bible School had its picnic supper and program June 30 in the church basement with a record attendance.

Mr. and Mrs. Clare McCormit visited their daughter at Hersey over the weekend.

Mr. and Mrs. Clifford Leonard were called to St. Paul, Minn. last week by the death of Mrs. Leonard's nephew—her sister's son, who was killed in an auto accident.

Debbie and Karen Cooper of Grand Ledge spent a few days at the home of Mr. and Mrs. Carl Falor last week. They attended the Lake Odessa Fair July 4 with Mr. and Mrs. Carl Falor and family.

Mrs. Dorothy Hebert and Mrs. Larry Maizel of Detroit visited Mr. and Mrs. Gordon Wright last weekend. They all visited Mr. and Mrs. Will Barningham at Vermontville Sunday.

The MYF of the Eagle Methodist Church will have a car wash Saturday from 9 a.m. to 3:30 p.m. They will wash in the village at Eagle Methodist parsonage and in west Eagle at the home of Forest Selden.

Jane Higbee, little daughter of Mrs. Robert Higbee, is entertaining the mumps this week.

Charles Higbee attended the meeting of the County board of supervisors in St. Johns Monday. Mr. and Mrs. Oliver Claybourn, who lives on the former Will Howe farm, attended the World's Fair last week.

Mr. and Mrs. John Cooper spent last week at Horsehead Lake.

Mrs. Hazel Shaddock had Sunday dinner with her son, Charles, and family near Lansing.

Mr. and Mrs. Hebert Patrick attended a reunion at Hobart, Ind. Sunday.

Mr. and Mrs. Ed Rose are spending some time at their cottage at Lake St. Helen.

Michigan was the first state to organize school safety patrols, the plan being introduced in rural and small town schools by the Michigan state police.

The University of Michigan law library has the largest collection on law west of the Alleghenies and is one of the foremost in the world.

City Brevities

Mrs. Lulu Boak spent the holiday weekend with her son-in-law and daughter, Mr. and Mrs. Vernon Benjamin and family near Fowler. They attended the funeral of Mrs. Leroy Thrush Saturday and a picnic at Crystal Lake on Sunday.

Mr. and Mrs. Lyle Fenner and son, Richard, of R-4, St. Johns have returned from a trip to the World's Fair in New York. They toured the central and eastern states, went to Montreal, Canada, and came home by way of the St. Lawrence Seaway Drive.

Mr. and Mrs. Donald Pope and Mr. and Mrs. Dean Pope and children of Lansing returned from the World's Fair Monday. Mrs. Ronald Hebeck and children met Mr. and Mrs. Donald Pope at the Capital City Airport.

Master David Rademacher entertained little friends at his third birthday party at the home of his parents, Mr. and Mrs. David E. Rademacher of South DeWitt Road June 26.

Ralph Tomasek of Warren is taking two weeks of training with the National Guard at Grayling. Mrs. Tomasek and children are spending the two weeks with her parents, Mr. and Mrs. Earl Hustin, and his parents, Mr. and Mrs. Frank Tomasek.

Mr. and Mrs. Ferd Rademacher of 603 N. Clinton Avenue entertained Mr. and Mrs. David E. Rademacher, Mr. and Mrs. Donald Rice Jr. and children and Mr. and Mrs. Donald Rice, Sr. at a belated Father's Day dinner Sunday.

Mrs. C. M. Rice and daughter, Mrs. Bernice Beach, were Sunday dinner guests of Mr. and Mrs. Donald Rice at Crystal Lake.

Mr. and Mrs. Floyd Plew of Flint were Sunday dinner guests of the home of their aunt, Mrs. Louise Smith. Mrs. Smith's sister, Mrs. Gayle Knapman of the Rivard Nursing home was also present.

Mrs. A. J. Perry of Carlsbad by the Sea, Calif., arrived by train Wednesday to spend six weeks visiting relatives and former neighbors.

Mr. and Mrs. Dolph Tingay and Bill left the first of the week for a two-weeks vacation at Yellowstone National Park.

Mrs. June Lankford is spending the week at Long Lake where the Grey brothers and sisters are having a reunion.

Mr. and Mrs. Melvin Crowner left the first of the week for a vacation in Canada.

The Joint Bible School for the Community and Methodist Churches will start Monday, July 13.

Clinton Area Deaths

E. W. Martin

ST. JOHNS—Edward W. Martin, 74, of South Ottawa Street, St. Johns, a veteran of World War I died Friday at the Veterans Administration Hospital in Ann Arbor. He had been in failing health for some time.

He was born March 22, 1890 in Fowler, the son of Lawrence and Gertrude Schaefer Martin. He graduated from Fowler High School and Ferris Institute.

HE WAS a pharmacist and was employed in Grand Rapids for 30 years. He had resided in St. Johns for the past 20 years.

Surviving are four sisters, Mrs. Louise Adams and Mrs. R. B. Zahn both of St. Johns, Mrs. Mary Edinger of Fowler and Mrs. Bertha Grimpe of Royal Oak. His wife, Mary, died March 22, 1964. The body reposed at the Goerge Funeral Home in Fowler where Rosary was recited on Sunday.

FUNERAL services were held Monday at 10:00 a.m. at Most Holy Trinity Church with Rev. Edwin Palmer officiating and burial in Most Holy Trinity Cemetery.

Pallbearers were Michael Barnes, Tom Irrer, Peter Edinger, Fred Edinger, Kurt Ernst and Eric Ernst.

Earl Roy Smith

ST. JOHNS—Funeral services were held June 30 at the Gorsline-Runciman Funeral Home in Lansing for Earl Roy Smith, 78, of 514 Erie Street in Lansing, former Clinton County resident. Rev. Leo D. Miller of the Laingsburg Church of the Nazarene officiated and burial was made in Wilsey Cemetery near Laingsburg.

Mr. Smith died June 26 at his home.

A NATIVE of Shiawassee County, he resided about 25 years in Clinton County and at Laingsburg for some time before moving to Lansing six years ago. He was a retired farmer.

Surviving are his wife, Minnie Lydia, a daughter, Mrs. Harold Scutt of Lansing; a brother, Carl A. of Lansing; two sisters, Mrs. Leola Ferguson of Mason and Mrs. Jennie Wauve of Laingsburg; two grandchildren and five great-grandchildren.

Mrs. E. P. Fleagle

ST. JOHNS—Funeral services were held Sunday at 1:30 p.m. at the Osgood Funeral Home for Mrs. Edward P. (Sarah Sadie) Fleagle, 85, of 503 Vauconsant Street. Dr. Howard A. Smith of the First Methodist Church officiated and burial was made in the Eureka Cemetery.

Mrs. Fleagle died Thursday, July 2, at the Rivard Nursing Home following a long illness.

SHE WAS born in Gratiot County March 7, 1879 a daughter of Theodore and Caroline Conklin Lyon and spent most of her life in the Gratiot County and Greenbush Township. She attended school at Maple Rapids and Mount Pleasant. She has lived in St. Johns since 1945. She was a member of the Greenbush Methodist Church.

On Aug. 6, 1903, she married Edward P. Fleagle who died June 18, 1957.

She was a schoolteacher in county rural schools. Mr. and Mrs. J. T. Dantells of Maple Rapids were her foster parents from the age of 10 years.

SURVIVING are a sister, Mrs. May Carter of Bowling Green, Ohio; three brothers, Louis Lyon of Everett, Wash., Fred Lyon of Portland, Ore. and Albert Baker of Jackson.

Dig them crazy rats

The theory that neurotic behavior has physical origins is being examined at DePaul University, Chicago, where researchers are literally driving rats crazy, then studying them in hopes of drawing conclusions about mental illness in humans. (A rat's metabolism resembles that of a human.) The biochemistry of a neurotic rat is studied before and after the animal is tranquilized to find out what organic changes accompany a switch from abnormal to normal behavior. How do you make a rat neurotic? You punish it, the scientists say, for making mistakes in simple tasks, then increase the difficulty of the tasks until the rat is thoroughly befuddled and frustrated.

burial took place in Arlington National Cemetery at Washington, D.C.

HE IS survived by his wife, the former Sue Kurty and three children, Vicky, Susan and Hugh Jr., his parents, Mr. and Mrs. Wilbur Durkee of Ovid; two sisters, Mrs. Wells Monroe (Sue) of Ovid and Juanita Jury of Williamston.

Mrs. L. J. Thrush

MAPLE RAPIDS —Funeral services in charge of the Abbott Funeral Home, were held Saturday at 2 p.m. at the First Methodist Church for Mrs. LeRoy J. (Minnie) Thrush, 73, retired teacher. Rev. Calvin Carey officiated and burial was made in the Sowles Cemetery.

Mrs. Thrush died July 1. Mrs. Thrush was born March

30, 1891 in Lafayette Township, Gratiot County, a daughter of John and Lucille Frost Doyle. She graduated from Breckenridge High School.

ON JULY 2, 1914, she married LeRoy J. Thrush who died in August, 1962.

She taught school in Gratiot County before her marriage and later taught music.

She served as organist for many years and was an active member of Maple Rapids Methodist Church. She was also a member of an extension study group, Farmers Club, Farm Bureau, Sorosis Club and the Woman's Society of Christian Service.

SURVIVING are a daughter, Mrs. Clarice Waters, three sons, Francis, Ralph and John, five sisters and nine grandchildren.

Fast, all crop combining for every farm... that's the

MASSEY-FERGUSON LINEUP OF SELF-PROPELLED COMBINES

Massey-Ferguson 300
Here's a breakthrough in combine design that provides a new yardstick for capacity and economy of operation. The first ever with CENTER-BALANCE body design and featuring the M-F saddle type grain tanks to keep the weight down low and to distribute it to both sides of the machine.

CONSOLE-CONTROL for the first time ever, table lift, traction speed, reel lift, cylinder speed concave setting, separator drive, tank unloading, unloader spout, table drive—all controlled from the operator's seat.

Massey-Ferguson 72
The M-F 72 SP combine is the "light heavyweight" champ of harvest fields, sized and priced just right for medium to large farms. Nothing near its size can match the M-F 72 in capacity and ability to do a fast, clean harvesting job. It has all the features: Balanced separation, long open bottom straw walkers and low profile. The M-F 72 has a 28-inch cylinder, 10 or 12-foot cut.

Massey-Ferguson Super 35
Here is a low-cost, self-propelled combine engineered to meet the needs of small to medium-sized farms. Less than 9 feet wide and only 8 feet high, it goes through farm gates easily, along the highway safely with unloading auger folded. It fits your storage shed and fits your pocket book—yet it has many of the Massey-Ferguson big combine features.

Your Massey-Ferguson Super will pay for itself in savings.

I wish to sincerely thank all my friends and neighbors for their cards, gifts and many acts of kindness shown me during my stay at the hospital and at home. All was greatly appreciated.—Mrs Marge Irish. 11-1p

I wish to express my sincere appreciation and thanks to our many friends, relatives and neighbors for their wonderful assistance and sympathy, also for the beautiful flowers, cards and letters during the loss of my husband. My gratitude is also extended to Dr Smith and Rev Lavern Bretz for his comforting service.—Mrs William Castle. 11-1p

★ LEGAL NOTICES

ORDER FOR APPEARANCE STATE OF MICHIGAN—The Circuit Court for the County of Clinton.

WALTER KEILEN, DOROTHY BOWEN, VERENA HUGGETT, SISTER MARY FRANCIS, ROBERT KEILEN, MILDRED LAROWE, ERNEST KEILEN, VINCENT KEILEN, HERBERT KEILEN, ANITA FITZPATRICK, FRANCIS KEILEN, ERENZ MILLER and MARY MILLER, Plaintiffs

MATHIAS MENEWEGEN, ANNA M. MINEWEGEN, MARY ANN WOHSCHEID, PATRICK MAHAR, ELIZABETH LAROWE, THERESA BERTRAM, MARY BERTRAM WEGNER, JOSEPH BERTRAM WILLIAM BERTRAM, KATHARINE BERTRAM, FRANK BERTRAM GEASON, ANTHONY BERTRAM, and LOUIS BERTRAM, or their unknown heirs, devisees, legatees and assigns, Defendants

At a session of said Court held in the Courtroom in the City of St. Johns in said County on the 7th day of July, 1964.

Present: Honorable Leo W. Corkin, Circuit Judge.

On reading and filing of the Complaint in said Cause and the Affidavit of Jack Walker attached thereto, from which it satisfactorily appears to the Court that the Defendants, above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties defendant in the above entitled Cause, and

It further appearing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said Defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said Defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry.

On motion of Jack Walker, Attorney for Plaintiff, it is ordered that said Defendant, and their unknown heirs, devisees, legatees and assigns, be entered in this Cause within three (3) months from the date of this Order, and in default thereof that said Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees, and assigns.

It is further ordered that within

FUNNY BUSINESS

"A spare left standing for the fourth time—he couldn't hold his temper any longer!"

Drench sheep now to stop tapeworms

Drench sheep in early July to prevent tapeworms, reminds Graydon L. Blank, extension animal husbandryman at Michigan State University.

Blank says common tapeworm numbers have built up rapidly in sheep flocks and when present in large numbers, this parasite can be harmful, especially to young lambs.

HE RECOMMENDS a commercially-prepared drench with lead arsenate and finely ground phenothiazine. Nicotine sulfate, generally used in combination with copper sulfate is fairly effective, too.

Veterinarians use commercial drenches to kill this pest. Effective against lung worms and liver flukes, Thibenzole, the new drench announced about two years ago, does not kill tapeworms. This drench should be used at weaning time or in late July or early August.

BLANK ALSO advises keeping phenothiazine and mineral salt mixture before your flock at all times. Mix one pound of phenothiazine with every 12 pounds of mineral salt. Put the salt in a box that's out of the weather but convenient for the sheep.

Rotating pastures helps to control internal parasites. For effective control, don't leave the sheep in one field for more than two weeks. And rest each field three weeks before turning the sheep back in unless you rely on other means of parasite control.

SHEEP NEED plenty of water and shade, Blank notes. Close barns and sheds so sheep won't crowd in during hot days. If trees are scarce, build a temporary shade in the pasture.

forty (40) days Plaintiffs cause a copy of this Order to be published in the Clinton County News, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

LEO W. CORKIN, Circuit Court Judge

COUNTERSIGNED:

Cressie Wakefield, Deputy Clerk of the Circuit Court

Take notice, that this Suit, in which the foregoing Order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situated and being in the County of Clinton, State of Michigan, described as follows:

Lot 18 of Block B of the Village of Westphalia, Michigan, except the West 51 feet thereof; also described as commencing 528 feet East and 33 feet South of the Northwest corner of Section 9, T38N, R46W, Village of Westphalia, County of Clinton, Michigan, thence South 214.5 feet, thence East 131 feet, thence North 214.5 feet, thence West 131 feet to point of beginning.

Spring Idea Ever wish there were clamps or vises for small objects? They would surely aid a small soldering or gluing job.

While there are surely some gadgets on the market, a spring-type clothespin makes a good substitute as a temporary clamp.

Be sure to cut away the second high spot on each jaw for a more secure bite. You'll probably find that you'll have to round off the nose, too.

Thousands turn out to celebrate 4th of July in county

Sparklers. They're such a delight to youngsters. This boy and girl visiting at Ovid Saturday night are without a doubt enjoying theirs. The girl is Pam Perry, 8, daughter of Mr and Mrs Frank Perry of 122 S. Washington, Chesaning. With her is Douglas Keck, 9, son of Mr and Mrs George Keck of Fenmore.

Ovid, Westphalia centers for events

The smells of gunpowder, sparkers and hot dogs blended with the sounds of firecrackers, yells and laughter Saturday as thousands of Clinton County folks helped other Americans celebrate the Fourth of July.

It was much like the Independence Day festivities of the past, they tell us. There were large crowds of people who turned out at Ovid and Westphalia. Most came out to watch the other people come out, to meet their neighbors and to relax.

CHILDREN were everywhere, many with firecrackers. Food and drink were abundant. Families enjoyed picnics. There was professional daredevil entertainment, and there was entertainment provided by homefolks. Thousands sat on grassy fields and in cars to watch Fourth of July fireworks.

The weatherman cooperated in true holiday spirit Saturday, and the day was bright and sunny, though slightly on the cool side. There was a breeze that helped Old Glory flutter in its splendor all day long.

OID'S day-long celebration included a tractor rodeo, tractor pull, soap box race, baseball and

softball; a talent show and fireworks.

Pretty Nancy Elliott, daughter of Berle and the late Mrs Elliott, was named July 4 Queen and was crowned by last year's winner, Miss Marsha Mizga, before a crowd of 10,000 persons who ringed the baseball diamond. Nancy was valedictorian of her graduating class this year and plans to attend Michigan State on a five-year medical technology course.

CHOSEN THE best talent act out of 14 presented to the crowd was a limbo dance group consisting of Cheryl Peck, Dorothy Bloomer, Pam Loznak and Linda Sturgis. Dennis and Warren Martin, with a couple of vocal selections, placed second.

In the tractor rodeo, David Schwartz and Bruce Hardin took first and second place in the junior division, and Duane Knapp and Richard Mead were first and second in the senior division. Wendell Norder and William Parker finished one-two in the tractor pulling event.

THE SOAP box race, starting at 3 p.m., featured 21 cars. Gregg Bancroft, Barry Wisner and Lynn Kennedy place 1-2-3 in

construction and appearance, and Barry, Lynn and Jack Craig were winners in distance in the junior division.

In the senior division, Ernest Everts was first, William Parker second and Bruce Park third in construction and appearance. Ailen Harris, Gordon Harris and Rickey Warren were the top three in distance.

THE LONGEST distance traveled by the racers was 712 feet, 11 inches by Harris.

In girls softball, the Owosso Merchants beat Moore Chevrolet of Ovid 12-2. In baseball, Elsie beat Ovid 4-0 in the Pony League division, and Ovid beat Elsie 3-1 in a Peewee game.

THE ANNUAL St. Mary Parish Festival at Westphalia drew another crowd numbering in the thousands. Skydivers who dropped in from above three times during the afternoon were one of the big drawing cards, but the numerous booths on the grounds were extremely popular.

Included on the evening program was a band concert and traditional German folk songs by the Westphalia Men's Glee Club. A dance until midnight closed out the Independence Day celebration.

The tractor pull drew big early morning crowds at Ovid. The load here caused Bob Servis' machine to rise in the air momentarily before pulling a load of 1,000-pound concrete blocks along the course.

Nancy Elliott was chosen Fourth of July Queen at Ovid's celebration.

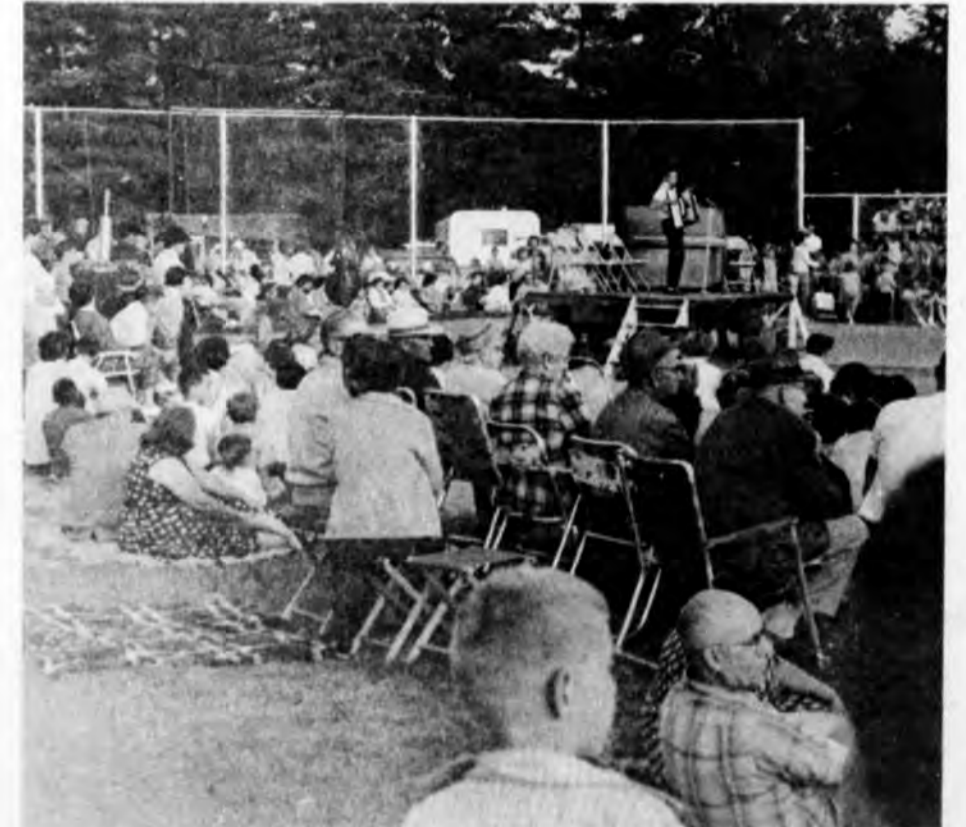

Fireworks Lighted the Sky Over Ovid Saturday

Kids climbed aboard everything they could to watch the events of the Fourth of July. These watch the tractor pull from the topside of a nearby truck.

Baseball is almost as much a part of the Fourth of July as fireworks, and at Ovid there were four games of baseball or softball. Here, Elsie and Ovid meet in a Pony League game.

Homespun entertainment draws big crowds. Folks at Ovid encircled the baseball diamond to watch the evening talent show. Dennis Dunkel provides accordion entertainment in this photo.

MEET YOUR CLUB PRESIDENT

St. Catherine guild

MRS GLENN C. WHITFORD

Mrs Whitford has served as chairman of St. Catherine Guild of St. Joseph Altar society for the last year. She will be succeeded to the office next year by Mrs. Clare Zuker. Mrs Whitford has been a part-time student at Lansing Community college. Her pastimes are reading and sewing. She has four children, Richard, 9, Liane, 6, Mary, 4, and Paula, 3.

Topics will be varied at homemakers' convo

Teen-age marriages, moral questions created by science, the "new math," the fats in your diet—these are a few of the topics Michigan homemakers will be discussing at Michigan State University's 37 annual homemakers' conference, "College Week for Women."

College Week runs July 21-24 on the MSU campus in East Lansing.

MRS GEORGE Romney, Michigan's first lady, is one of the key speakers. Her topic is "Building Stronger Families." Conference participants will also have a chance to hear two authorities from Washington, D. C. They are Margaret Browne, director of the division of home economics with the Federal Extension Service, and Charles T. Vetter, Jr. of US Information Agency.

Any Michigan woman can attend College Week. It costs \$27 if you want room and board on

the MSU campus. If you commute, the registration fee is \$4 for the entire conference or \$2 for one day.

COMPLETE program and registration information may be obtained from your county Cooperative Extension Service office. Or, write to College Week for Women, 108 Agricultural Hall, Michigan State University, East Lansing.

"Better Family Living through Education" is the conference theme. In addition to general sessions, homemakers can attend three classes in each of two subject matter areas, such as "Women's Role in Traffic Accident Prevention," "Introduction to Psychology," "Understanding Your Child's Mathematics," "Releasing Spiritual Resources for the Modern Family," "Modern Literature," and many others.

Club devoted to probing child's behavior problems

BY MABEL OPPENHEER

A woman's club dedicated to the probing of the problems incurred in raising families has been active nearly 44 years in St. Johns.

Three generations of mothers have studied together during that period to obtain a better understanding of solving the behavior problems of childhood.

THE ST. JOHNS Child Study Club took root back in 1920 when a publishing house sent sales people through midwestern states selling a set of books, Foundation Stones, to mothers.

They organized study groups to use these books and the Child Conservation League was formed at that time. Michigan was the only state to formulate a state league and the St. Johns group was a charter member of that league.

IN 1924, the name was changed to Michigan Child Study association and the local group became the St. Johns Child Study club. At that time, the slogan "Make Michigan a state where every child has a chance," was adopted.

This information was gleaned from a history written by Mrs. John Baker, a two-term president of the local club and a state president, who assembled the information from secretary's reports.

FOUR members held state offices. Mrs. R. V. Gay was recording secretary in 1927-28; Mrs. E. G. Hulse, treasurer; Mrs. John Martin, corresponding secretary two years; and Mrs. Baker, president.

The St. Johns club has been active in the state organization and entertained both the annual fall state convention and the spring program planning day at two different times.

THE LATE Mrs. Claud Roat became the first president at the organizational meeting in July 1921. Mrs. William Luecht, who is now an honorary member, was the first secretary. Mrs. Luecht served as president from 1924 to 1926. In 1924, a constitution was adopted.

During the presidency of Mrs.

Adventurous Breakfast Can "Make" Your Day

Dietitians at the University of Michigan Medical Center say there is no finer way to yank a day out of dulling routine than concocting an "adventurous" breakfast.

Protein, vitamin C and some sort of energy food are the three main ingredients of a good breakfast, but the sky's the limit on how you select them.

EGGS FURNISH routine breakfast protein. But, say the dietitians, you can substitute meat, fish, peanut butter or cheese.

If citrus fruits become a hindrance way of getting vitamin C, switch to melons, strawberries, tomatoes.

Bread, cereal products and sugar are energy foods. For variety try pancakes, packaged cereals, hot muffins or biscuits.

THE U-M food specialist recommend choosing foods you enjoy as the first step toward encouraging better breakfast habits. But, they say, let your imagination work for you, too.

Like custard? Top it off with fresh strawberries and milk, add a muffin and butter and you've produced a zesty, colorful breakfast.

OR MAYBE you feel more experimental than that. Then try a grilled ham and cheese sandwich with a couple of tomato slices. That combination has most of the nutritional requirements to start the day off right in memorable fashion.

Better yet, make up your own combination of the three major ingredients. Gulping down toast and coffee is an outrageous penalty for failing to plan a nutritious breakfast, say the dietitians.

Members and former members of the St. Johns Child Study Club do a little reminiscing as they peruse one of the first secretary books of the group. They are, left to right, Mrs. Gerald Roberts, recording secretary; Mrs. John Baker, a former member and state president; Mrs. William Luecht, a charter member; and Mrs. Lyman Struble, president.

Harry Ridenour, 1926 to 1928, the group raised \$413 to furnish the nursery in the new Clinton Memorial hospital and they worked with the American Red-Cross and state health department to conduct a baby clinic.

A PLAY, "Womanless Wedding," netted \$373 for club projects. In 1929 they bought equipment for eye testing and materials for layettes for needy families and cooperated with the St. Johns Woman's Club and the Parent Teacher associations to secure a much-needed Opportunity Room for the local school.

Among other projects were helping to secure a physical education instructor for girls in the school; giving guidance in the organization of a child study club at Eureka; giving \$250 to equip the isolation ward at Clinton Memorial hospital; sponsoring a hobby show presented by children of members; assisting in sponsoring Mrs. Ray Peck of the Eureka Child Study club as Mother of the Year.

IN 1949, the group divided and continued until this year as the

Curb impatience and let children learn to prepare foods

The kitchen is a happy place to preach the gospel of cleanliness—and one of the most vital from the standpoint of health. Most young children are eager to try a hand at cooking. Even fixing a peanut butter sandwich is a thrill when you do it the first time. So be patient. Let your child take a turn at preparing a snack or mashing potatoes. But make it clear from the beginning that only clean hands can be trusted to prepare good food.

Thorough hand-scrubbing with warm water and soap should be rule number one before anybody touches a plate or a pan. Set a good example by observing this rigid rule yourself. Explain that unwashed hands carry germs which contaminate food. This is also a good time to emphasize the importance of washing hands after going to the bathroom.

Let lipstick set; blot; to keep it from being messy

Lipstick is one cosmetic that should be most carefully applied. Never glide it on and run out the door. It should always be allowed to set about 20 minutes, then blot.

If the excess isn't removed with a tissue, it can easily smear and give your lip line a ragged appearance or, even more unsightly, rub off onto your teeth.

THERE'S nothing attractive about drinking glasses or linen napkins smeared with lipstick. And no friend cares to be greeted with red lip print on the cheek.

All this can be avoided by taking the proper care at home when you apply your lipstick. It will last longer and stay on your own lips if you have the patience to let it set, then blot it.

Senior Child Study club and the Junior Child Study club. At this time, the original group had reached the point that their programs were geared to the teenage level. Newer members of the group had smaller children and felt the need of lower age level programs. Others felt they were learning about future problems before they occurred.

During the last winter, the junior group disbanded and some of the members have joined the senior group. More members are being sought and the programs will be reactivated to accommodate mothers of all age levels.

Several members attended the annual program planning day in April and brought back ideas for interesting programs.

THE GROUP has made scrapbooks for the school for retarded children and has given money for books to the school.

IN 1934, the 35-member club had become established as one of the recognized groups in the city and the superintendent asked its cooperation on school projects such as the child guidance room. They also financed a summer playground project.

IN 1943, as a public service, they compiled a list of names of babysitters and influence an agreement on prices and they sponsored a summer camp for the small fry.

Mrs. John Baker was general chairman of a silver anniversary observance of the state organization held in the St. Johns Congregational church.

Some low-cost recipes

Here are some recipes furnished by the US Department of Agriculture which provide low-cost foods. They have been furnished by Miss Betty Ketcham, Clinton county extension agent, home economics.

Rolled wheat cake

- 1 1/2 C. water, boiling
- 1 C. rolled wheat
- 1 C. brown sugar, firmly packed
- 1 C. white sugar
- 1/2 C. butter or margarine
- 2 eggs
- 1 1/2 C. flour
- 1 tsp. soda
- 1 tsp. cinnamon
- 1/2 tsp. salt
- 1 tsp. vanilla

Stir cup of rolled wheat into boiling water. Bring to boil and boil 3 minutes. Set aside to cool.

Cream shortening and sugars until fluffy. Add eggs one at a time beating well.

Add rolled wheat mixture. Mix well. Add sifted dry ingredients. Mix well. Pour into a 9 x 13 oblong pan that has been greased and floured. Bake at 350 degrees for 30-35 minutes.

After cake has cooled the following frosting can be used.

- FROSTING**
- 1 C. brown sugar
 - 1/4 C. butter or margarine

Their funds are earned through dues, traveling baskets, rummage sales and un-bake sales.

Mrs. Melvin Struble is the new president of the club. Other officers are: Mrs. Raymond Elek, vice president; Mrs. Gerald Roberts, recording secretary; Mrs. Glendon Fitzpatrick, treasurer; Mrs. Louis Plunkett, corresponding secretary.

To save electricity

When you leave a room for more than five minutes, make a habit of switching off the light.

Wax new linoleum

After laying linoleum, be particularly sure to apply immediately a coating of wax. This helps seal the pores and lengthens life.

Don't damage piano

The piano may be a large instrument but it is a very delicate one. So don't try to clean the inside. Leave this to the expert who "voices" it at regular intervals.

Mending a glove?

When the fingertip of a torn glove presents a difficult darning job, drop one of junior's marbles in the finger and you'll have a perfect fitting darning egg to make the job easy.

Spray for poison ivy? the time is right now

BY BETTY KETCHAM
County Extension Agent
Home Economics

After scrubbing all weekend with yellow soap—because of poison ivy—I'm ready to spray.

The time is right to spray—now, but not any later than Aug. 15. After this date, the plants begin to go dormant and sprays are less effective.

Use any commercial formulation of 2, 4, 5-T, 2, 4-D, amitrole or ammonium sulfamate herbicide. Apply as directed on a day when there is little or no air movement. Early morning or late afternoon—when the air is cool and moist—is usually best.

DON'T BE discouraged. It takes several weeks for the plants to die and normally two or more applications are necessary to control sprouting poison ivy. Even then, keep a careful watch over the area. Plants believed dead sometimes revive, after many months, and new seedlings may become established.

Can Without Sugar
Yes, you can can without sugar. There are two ways—one using water or juice and one of the none-sweetening agents.

It is recommended that some fruits be dropped into a salt vinegar solution to keep them from darkening. Add two tablespoons each, salt and vinegar to a gallon of cool water. Drop apples, apricots, peaches and pears into salt-vinegar water as they are pared, cored, peeled or pitted. Do not let fruit soak longer than 20 minutes. Rinse fruit before packing into jar if left in vinegar longer than 15 minutes.

ASCORBIC acid or other non-darkening agents may be used. Be sure to follow the directions on the label.

In canning without sugar—be sure fruit is fully ripe. Prepare

Cake is ideal for that family fair picnic

That happy time when everyone piles into the car for a trip to the county or state fair calls for a picnic lunch. To make it happily festive, take along a cake that travels easily.

- EASY CAKE-CHOCOLATE MOCHA FROSTING**
- 1 3/4 C. sifted cake flour
 - 1/2 C. lard
 - 3/4 C. plus 2 tsp. sugar
 - 2 tsp. baking powder
 - 1/2 tsp. salt
 - 1 tsp. vanilla
 - 1/2 C. milk
 - 2 eggs

Line bottoms of two 8-inch round layer cake pans with waxed paper. Cream 1/2 cup flour and lard and beat thoroughly. Add remaining dry ingredients, vanilla and 1/3 cup milk. Beat vigorously until thoroughly mixed. Add eggs, one at a time, beating well after each addition. Pour batter into cake pans. Bake in moderate oven (325 degrees F.) 20 to 25 minutes or until done. Cool. Spread with:

- CHOCOLATE MOCHA FROSTING**
- 3 tbsp. butter or margarine
 - 3 tbsp. strong coffee
 - 3 C. sifted confectioners' sugar
 - 3 tbsp. cocoa
 - 1/4 tsp. salt
 - 1 tsp. vanilla
- Have butter or margarine and coffee at room temperature. Sift together confectioners' sugar, cocoa and salt. Combine all ingredients and beat until smooth and fluffy. Yield: Frosting for a 2-layer 8 or 9-inch cake.

fruit as usual. Add a little water and cook fruit until boiling hot through. Pack, hot, into hot jars. Process in boiling water bath for required time. If there is not enough juice to cover fruit in jar, add boiling water.

SWEETENING agents can be used. These should be used according to the manufacturers' instructions in the office for the use of these.

Why not experiment—can or freeze some both ways and see which product you and your family likes best.

Floating Fruit
Ever wonder why strawberries or other fruits sometimes float in a jar of jam?

There may be several reasons. Food specialists in the US Department of Agriculture offer these possibilities:

The fruit may not have been fully ripe.

It may not have been thoroughly crushed or ground.

Fruit was not cooked enough.

The jam was poured into containers too soon after it was taken from the heat.

Compliment junior as well as criticize

Never overlook the value of vanity as a means of teaching a child to be neat and tidy. Vanity has its place—just enough of it to inspire wanting to look one's best.

Criticize you must when hair is unkempt, but compliment the shining sparkle of a child's hair right after a shampoo. It costs nothing to say, "How pretty your hair looks when it's nice and clean." Or, "You look much handsomer when your hair is clean and well-brushed." Put grooming chores on the basis of looking better. Compliments nourish the soul.

When you find an opportunity to comment on pretty hair—perhaps a friend's or some celebrity's—remark that it looks freshly shampooed. Simple words, oft repeated, accomplish astounding results. But not in a day, mother—not in a day. When guiding children, be prepared for an extended campaign.

Chesaning Showboat Week of . . . JULY 13 - JULY 18

The 23rd annual Chamber of Commerce community night spectacle on the winding Shiawassee River, just as darkness falls each night.

See it and marvel. Professional acts; trained chorus; end men that will clobber you; each night picked amateur acts; fireworks—a beautiful showboat that makes a half-mile trip just at dusk.

Tickets now selling in Chesaning (ph. IV 5-3056) you can call and have tickets for night you want laid aside and picked up night you come at stadium office.

Seat sale also in Saginaw at Pankinson Drug (west side) and Culver Drug (east side); Baker and Gute Drugs in Flint; Grinnell Music House in Bay City; and Gute Drug in Owosso.

No advance in prices. Free parking in Showboat Park.

Remember the famous Chesaning Showboat is a Chamber of Commerce non-profit community project and you'll enjoy its thrills. Seats for 6500.

The dates — JULY 13-18.

Nothing mysterious about 'Federal funds'

The US Senate recently approved a proposal to write into all spending measures the pointed reminder that the money appropriated comes out of the taxpayers' pockets.

Let us hope that the House follows suit and makes this an established policy from now on. For the term "federal funds"—which we have seen applied to all manner of activities, from highways to welfare programs—obviously has misled many people.

They seem to believe that this money comes from some mysterious source which has no relation to themselves.

WELL, THE federal government can get money only in two ways. One is by taxes which hit us all hard. The other is by increasing the national debt which will have to be paid, plus interest and administrative costs, by the taxpayers of tomorrow.

The only money the government has, or ever has had, is that which it gets from the taxpayers. It's time much more notice was given to this simple and inescapable fact.

The 'revenooers' issue a word of warning

The Internal Revenue Service has issued a word of caution to the great bulk of taxpayers who have part of their income withheld each payday for income taxes. Because of the timing of the tax cut, withholdings will not match the tax required next April in many cases.

Refunds will be fewer and smaller. Anyone who supposes the Internal Revenue Service is moved by kindness to make this announcement had better think again. For though the IRS people are not the unfeeling monsters they are sometimes depicted as being, the fact is that their main purpose is to collect money.

THEY WANT TO be sure everyone knows the bite may be a little bigger at deadline time, despite the reduction in the rate, they want to be sure everyone is aware of that, and prepared for the blow.

Whatever the motivation of the Internal Revenue Service, the reminder is valuable. Those who ignore it and go through the year depending on withholding to square accounts with Uncle Sam may get an unpleasant surprise come April.

His Dad was stricter than the Marines

Americans are no strangers to comments on and even some complaints about the sort of discipline demanded in the Marine Corps. We had what was to us at least a highly entertaining chat with a man who had retired from the Corps after 21 years.

The discipline didn't bother him at all—most of the time. He explained it by saying that he had grown up under the watchful eye of a father who meant what he said and insisted on things being done when, as and if he ordered.

THE MAN SAID, with a grin, "Nobody who was trained by my father would be bothered by the Marines."

It was a fine tribute, we thought, and one that a few other fathers might consider to their own benefit and that of their offspring.

"I'm beautiful, gorgeous, sweet, gentle—Don't take my word for it, ask my father!"

RAMBLIN' with Rink

BY LOWELL G. RINKER

One of the things a newcomer to a town looks for—and a thing which makes a great deal of difference in whether or not he likes the town—is how its people work together.

Since just after I came here, I watched a team of men—and women—put their hearts into a project to improve the quality of the youngsters in the community and all of Clinton county.

RAIN COULD have, but didn't dampen them, and on Soap Box Derby Day, a week ago Sunday, they shone brighter than the sun, in my way of thinking.

There were almost 300 adults who figured in some way in the Derby. Bernard Feldpausch probably bore the biggest load of responsibility, but no less important were the people who backed him up.

THEY RANGED from the race directors to the fellows who drove six trucks up and down Brush Street delivering winners' cars from the finish line to the starting line for the next race. They ranged from the parade directors to the man who picked up hay off the street and loaded it into a truck after all was over.

They included the men who blocked off streets and set up wires and barricades. They included men who wired the street for sound. They included paraders and merchants who donated prizes.

THEY INCLUDED 300 persons who got rained out once but who bounced back—even though quietly—to shine brightly.

And you can be sure some of their "rays," like those of the sun on June 27, helped toughen the skin of boys in the race.

Their loyalty and determination to finish the job, and do it right, will leave a beneficial "tan" on the boys forever.

The spotlight was on the boys Derby Day, and rightfully so. But it takes a bulb, or the sun, to make the light, and St. Johns should be proud of its 300 "bulbs."

IN HIS closing remarks at the dinner following the Derby, Bernard Feldpausch read an essay that was a plea to parents. But it also told why 300 men and women worked so hard for so long:

What Is a Boy?

"A BOY is a person who will carry on what you have started. He is going to sit right where you are sitting, and when you are gone, he will attend to the things that you think are important.

"You can adopt all the policies you please, but how they are carried out depends on him. Even if you make treaties and leagues he will have to manage them.

"HE WILL sit at your place in Congress; he will occupy your place on the Supreme Court bench.

"He will assume the control of your cities, states and nations. He will move in and take over your churches, schools, universities and corporations.

"ALL YOUR books will be judged, praised or condemned by him. All your work for him and the fate of the nation and humanity is in his hands.

"So it might be wise to pay him some attention."

'Tater Buggin' Time

BY W. E. DOBSON

Talk of population explosions, 'Tater bugs still take first place 'N they never stop explodin', At a really dizzy pace; Spray 'er dust 'em full n' frequent, With a "silent spring" attack, Take a day 'er two fer fishin' Pesky 'tater bugs is back!

How's a guy to shorten hours When he's fighting such a pest? They don't go fer shorter hours Never take time out 'r rest; Seems to me their hull ambition Is 't eat up what I grow, Occupy my full vacation, With their fertile overflow!

'Tater bugs is like mosquitoes Can't take comfort in their sight, Once they find out your location They will haunt you day and night; Maybe they are Brother Freeman's Emissaries on the Job, Sent out to curtail production By their raisin' particular hob?

ONCE OVER LIGHTLY

by Ink White

Few communities are so fortunate

I'VE REMARKED before in this column . . . and I say it again this week: A community the size of ours is exceptionally fortunate to have within its boundaries a substantial architectural firm.

For more than 40 years there has been a good architect resident in St. Johns. First, it was R. V. Gay; and after his death came St. Clair Pardee who has since been joined in practice by his son, Doug.

I'm led to remark about them again this week because of the announcement of their recent affiliation with Kenerson Engineers, formerly of Lansing, who have moved their offices to the Pardee building on South Whittemore Street.

THIS NEW affiliation gives the Pardees additional engineering background which has permitted them to expand considerably the range of their work.

Already they are taking on sizable industrial design contracts for Ford Motor Company. Their planning has gone into an addition to the Ford trim plant at Utica and they have now undertaken projects at Livonia and Wixom.

In addition to bringing outside dollars into our community, the Pardees must take real satisfaction in the recognition they are getting from the automotive people. It's unusual for a firm like Ford to come out to the hinterland for its industrial designing.

ANOTHER SOAP BOX Derby has come and gone and I can't let the occasion pass without extending the community's sincere appreciation to Bernard Feldpausch and the scores of people who helped him with the sponsorship of the 1964 event.

The near-cloudburst on Sunday, June 21, forced postponement of the race and disappointed hundreds of people; but they came back a week later in the intense

heat to watch 55 youngsters battle for honors in the Derby.

The whole project is a great boost for the town and surrounding area. Let's hope it continues to receive such enthusiastic support in future years.

CASTING ABOUT on a lazy 4th of July weekend for something to fill the remainder of this space, I came upon this "Prayer for Older Folks." Here's how it goes:

"Lord Thou knowest better than I know myself that I am growing older and will some day be old. Keep me from the fatal habit of thinking I must say something on every subject and on every occasion. Release me from craving to straighten out everybody's affairs. Make me thoughtful but not moody; helpful but not bossy. With my vast store of wisdom, it seems a pity not to use it all, but Thou knowest Lord that I want a few friends at the end.

"Keep my mind free from the recital of endless details; give me wings to get to the point. Seal my lips on my aches and pains. They are increasing and love of rehearsing them is becoming sweeter as the years go by. I dare not ask for grace enough to enjoy the tales of others' pains but help me to endure them with patience.

"I DARE NOT ask for improved memory, but for a growing humility and a lessening cocksureness when my memory seems to clash with the memories of others. Teach me the glorious lesson that occasionally I may be mistaken.

"Keep me reasonably sweet; I do not want to be a Saint—some of them are so hard to live with—but a sour old person is one of the crowning works of the devil. Give me the ability to see good things in unexpected places and talents in unexpected people. Give me the grace to tell them so. Amen."

Sky Marshall's daughter writes

LIKE ALL the rest who are writing to you, I think the paper is terrific. Clinton County News day always calls for a little ceremony here. I never open it until I have a cup of coffee made.

I did have one moment of nostalgic regret when I saw the change in masthead, but only for a moment. It recalled what Dad said when the Saturday Evening Post changed theirs. He sat looking at it and then said: "Dammit, I know it's silly, but I don't like it!" Excuse the language, but it doesn't sound like him any other way.

I'm glad your new associate, Rink, told your readers to enjoy their blessings. If you lived here you would feel about one-third of the year, that each molecule of air you breathed was encased in oil. This offends me particularly since our setting is a lovely bucolic one. You couldn't have chosen a better spot to settle, Rink, and I'll look forward to your column.

I have finally finished my work at Trenton State College and have signed a contract to teach at the Little Red School House in Harborton, N. J. I'm replacing a man who has been there 31 years, is beloved by the community and commonly known as "Mr Harborton." I'm getting buck fever.

I've also joined the Harborton bagpipe band and will play the tenor drum with drumsticks that are bannered and fastened to the wrist for twirling. No fool like an old fool.

MARTHA M. TILLOTSON 193 Blackwell Road Pennington, N. J.

She's no spring chick, says Fred

DON'T YOU think that this Lady-Bird business is being a little overdone by the press?

This gal may be the President's Tootsie Wootsie, but she ain't no Spring Chicken any more. FRED FERRIS Bannister

Letters to the Editor

Notes newspaper improvements

AS I WAS going through the Thursday, June 18 issue of the Clinton County News that introduced your new offset process of printing your paper, one of the things that struck me was the comparison of the quality of printing in this paper against what we used to see twenty years ago in newspapers like this. I should say in all newspapers.

The halftones are so much sharper. The choice of type makes the paper so much more legible and of course the addition of color makes the whole experience of reading the newspaper more interesting.

In short, congratulations to you and your staff for the wonderful improvement that you have made not only in this paper but over the past many years. This addition is an accumulation I know of years of hard work, research and experimentation.

Congratulations to all of you on this wonderful progress. Also congratulations to all of you on the outstanding work you are doing for your friends in this area.

L. V. MULNIX JR. President Carpenter Paper Co. Grand Rapids

Pleasure to read, says subscriber

CONGRATULATIONS on your new and most enjoyable Clinton County News. It is a pleasure to read.

We St. Johns citizens have much to be proud of through this fascinating and well-presented county weekly newspaper.

Keep up the good work! MRS BRUCE LANTERMAN St. Johns

Kirvan joins in wishing us well

PLEASE EXCUSE me for being so slow with congratulations on the change of face in your newspaper. I marvelled at the first edition under your new process and couldn't help a feeling of regret that I hadn't had a hand in it.

I join the others who were impressed with the color section and especially the reproduction of the excellent cover photo. This should be a real shot in the arm for country weeklies particularly.

I can't wait to get back to St. Johns and inspect your new plant. I am sure there is little resemblance to the inky atmosphere that existed when I first walked in there nearly 19 years ago, and I am not sure that I'll like it.

I was thrilled to read of Doug Hankey's triumph in the Michigan Amateur Golf Tournament.

STUART KIRVAN Public Relations Manager Dundee Cement Co. Dundee

Derby committee says "thank you"

JUST A word to compliment you and your staff on the fine job of your new paper. We are proud of the progress it shows, which is a credit to the community.

On behalf of myself, the Derby Committee, Derby Boys and Parents we wish to thank you, Lowell Rinker, Al Haight, Steve Hopko, Bill Eastham and the rest of the staff of the Clinton County News for the wonderful cooperation shown toward the Clinton County 1964 Soap Box Derby.

Through your example of Community cooperation we will be

Ward philosophizes on his birthday

TODAY I AM 64 years old and all I want is good health and a lot of money. I have plenty of clothes, food and a comfortable house (unpaid for).

I am sure I could go on and on about things I would like to do if I had the time or strength, but everyone has lots of wants, not needs. Some of our wants even cost too much.

I just read in a little book this Spanish proverb: "God says, take what you want and pay for it." What these hearts' desires cost depends on a lot of things. The smile of a child may cost very little, while bad habits may be very costly.

Good advice is cheap, if we will take it. While bad advice can be very costly and is best avoided if we are able to judge in time.

So, we must try to be wise as we go through life. Discrimination is the "pearl of great price."

Thus, another year older and deeper in debt. I do feel better than a year ago. The family is fairly well and happy. Here's hoping you, too, have many more happy birthdays. Who wants to live to be 100?

BOB WARD R-1, St. Johns

Uses News as top offset newspaper

CONGRATULATIONS on the first issue of the Clinton County News—June 18—with cold type. It's a fine looking paper. In fact, it is so good that I've used yours as an example of what top quality newspaper offset looks like.

GALE E. AKINS The Belcor Company Bellevue, Mich.

helping to "Build Better Boys for a Better World."

Most Sincerely yours, BERNARD FELDPAUSCH Derby Director St. Johns.

MICHIGAN MIRROR

Getting auditor general may not be easy task

BY ELMER E. WHITE
Michigan Press Ass'n.

REPLACEMENT of the elected auditor general by one appointed by the Legislature is ordered in the new Constitution.

Implementation of this provision failed in two attempts this year. Administrative problems could result in January if no agreement is reached by then.

GOV. GEORGE Romney has indicated he would call the Legislature into special session after the election to resolve this problem if he thinks agreement can result.

Current Auditor General Billie S. Farnum would serve in his post until a successor is appointed under the provisions of the Constitution.

THAT IS, he would serve unless he chose to run and was elected to another office, such as congressman. In this event, Michigan would be without an auditor general until such time as one was appointed.

Work on the auditor general law was done by the Legislative Audit Commission, a joint House-Senate body working since 1962. It has been labeled the "watch-dog committee" which checked and rechecked much of the work of state departments which also was reviewed by Farnum's office.

OBJECTIONS TO the Commission's previous recommendations for methods of appointing the Auditor General centered around the power position the commission wrote into the law for itself.

Some legislators said the proposed measures would have plac-

ed the commission entirely in charge of the auditing process. The appointive auditor general would have been a glorified errand boy, said the critics.

THE Constitutional provision was designed to give the Legislature closer control over use of funds they appropriate to various state agencies.

Most members felt, however, that the auditor general should continue to have basic administrative independence to carry out his job.

EVERY FALL, thousands of Michigan school children get one or two days off while their teachers and school administrators attend regional conference sessions.

After a full summer of contending with the children day in and day out, many mothers gasp, "Oh, no, not another day off." They loudly wonder at the purpose and effectiveness of the short refresher sessions for the teachers.

A LOOK at the activities of a teachers conference answers these questions. Teachers hear general discussions of state, national and world problems in education and attend smaller meetings dealing with their special field.

Classroom communication, international understanding, quality education and aerospace education are typical subjects for general discussion of concern to all teachers and administrators.

IN ADDITION there might be as many as 75 to 100 smaller

meetings dealing with such specialized teaching interests as beginning teacher problems, extra-curricular social activities, the slow learner, team teaching, or teacher education and professional standards.

New techniques in teaching reading, under-achievers, elementary art, business, foreign languages, English, math, the sciences, and even kindergarten also get attention at the sessions.

ONE THEORY behind the conferences is that not every teacher can or does spend the summer studying new techniques in his field.

Every teacher needs periodic reviews of the methods and aids available, however, and conferences such as those sponsored annually by the Michigan Education Ass'n. provide exposure to these for every educator.

From the one or two-day conferences, it is up to the individual teacher to carry on with his ever-continuing education.

ACUTE EXAMPLES of human indifference for the well-being of others first were noted in New York.

More recently, however, several incidents involving needless human suffering have been reported in Michigan.

Two boys drowned because nearby fishermen did not heed a third youth's pleas for help in rescue. A woman died for failure of neighbors to listen to her screams of torment by assaulting teens. These are the most notable examples.

Items from our files back thru the years

10 YEARS AGO
From the files of July 8, 1954

Placing of bituminous surface on the four-mile section of Ovid-Elsie road between M-21 and French road is nearing completion. This will finish the six mile section between Ovid and Elsie.

Among the 140 high school youths who cut their summer vacations short to attend a three-week Youth Music Camp at Michigan State are Forrest Black of Bath, and Effie Daley and Robert Summers of St. Johns.

The St. Johns American Legion Junior baseball team snapped their three-game losing streak Monday by downing Ionia 5-3. Pitcher Bruce Williams allowed Ionia just two hits.

25 YEARS AGO
From the files of July 6, 1939

Dr Manning Bross of Ludington has taken over the optical practice at the Allison Jewelry store in St. Johns, formerly carried on by R. G. Allison.

Despite an afternoon shower that cut short one of the three ball games on the program, Tuesday, July 4, saw a record crowd—at least 15,000—assemble in the city park in St. Johns to celebrate Independence Day.

The annual Westphalia picnic held on the St. Mary's parish grounds Sunday, July 2, was a great success. The day's program started out with a hot chicken dinner, and nearly 1,000 people were served.

50 YEARS AGO
From the files of July 9, 1914

The fast Grand Haven team, the semi-professional champions of the state, came to St. Johns Wednesday and were defeated in a 2 to 1 game. It was one of the

best games ever played on the home diamond.

The program for the 1914 Chautauqua, which will be held in St. Johns Aug. 7 to 13, has been arranged and a perusal of the same will show that it contains the best in education, oratory, music and drama.

According to the semi-annual report of Prosecuting Atty. E. J. Moinet there were 25 prosecutions during the six months ending July 1.

Looking Backward
A Glimpse of the Past by Ira "Sawmill" Birmingham of Shepardsville

This one was told me by a CTA (Cow Testing Association) man so long ago that if copyrighted it should have expired.

I've forgotten the tester's name, but here comes the story:

Johnny, a small boy in a country school, had been sentenced for some small misdemeanor, to write a certain sentence on the blackboard.

WHILE the schoolma'am was busy about other things, Johnny did as he had been told, then started another parallel column at the right of the first: "Johnny kissed the teacher—Johnny kissed the teacher," as many times as he had written the first.

Teacher was busy about other matters until—almost called them kids—but the only kids half a century ago were the offspring of Mr and Mrs William Goat while our Ohio Dutch neighbors and "Young-uns"—began to snicker.

TEACHER thought she must do something about it, but what? At four o'clock she told Johnny he might stay after school and dismissed the rest. But did they start walking home?

Not at all, but waited quite some time until Johnny came out alone. All they could get out of him was:

"It pays to advertise."

Ledges slates comedy, 'Angel in Pawnshop'

A charming Broadway comedy-fantasy, "Angel in the Pawnshop," is next week's attraction at the Ledges Playhouse in Grand Ledge.

It's the happy story of Lizzie Shaw, a delightful and refreshing young girl who retreats from life and creates her own happy world of illusion.

SHE FINDS sanctuary in a pawnshop and is introduced to a writer, a medical student and a musician, all of whom befriend her. She falls in love with the writer, and the pawnbroker, faced with the necessity of dealing with Lizzie's ex-husband, kills the gangster in a dramatic scene.

Connie Hipwell stars in the role of Lizzie in the play that will run Tuesday through Saturday night at 8:30 p.m.

CONTINUING through Saturday this week is "Lucy, the Forsaken, or Alone in the World," an old-fashioned melodrama.

2 attend college preview session

Sam Nunemaker and James Tanner from the Ashley-Maple Rapids area attended the fifth annual preview for high school juniors at Goshen College at Goshen, Ind., June 20-27.

The college preview program is designed to give high school students a taste of college life and to provide them with basic information needed in preparing for college and in selecting the college which will serve their needs best.

Hire policeman for Laingsburg

LAINGSBURG—This city has police protection again with the hiring last week of Louis Strickland of Laingsburg. Strickland has experience in plant protection in Lansing factories.

COUNTRY FLAVOR

Something nicely relaxing about an evening in July

HAYDN PEARSON

There is something pleasantly relaxing about a warm, calm, seventh month evening. All through a hot, blistering day the sun shines in brassy-blue sky; farm work presses forward and the song of monotone tractors echoes across the fields.

There is fever and pressure in the heat of high noon, but when the day comes to an end the benediction of evening blesses the land.

IT IS GOOD to sit in an old

rocker on the screened porch and watch and listen as the activities of daylight slide into the mysteries of night. Gray-silver hues linger in the western sky as shadows creep down the hills and camp in the valleys. Chimney swifts rise and start the evening aerial circus; cow bells tinkle in the night pasture as dusk thickens to darkness.

Fireflies stage their dash and dot ballet above the lawn and the stars above twinkle to the lights below. Lights in farmhouse win-

dows across the valley glow like miniature stars, and the night train rushing along the river resembles a jeweled snake.

IT IS GOOD for a man to sit on a July evening and feel the pulse of summer—good to know that weeks of warm weather are ahead and that year is progressing on schedule. And when the chimney swifts drop into their homes and settle for the night, the familiar twittering in the chimney is a pleasant requiem to a good day of living.

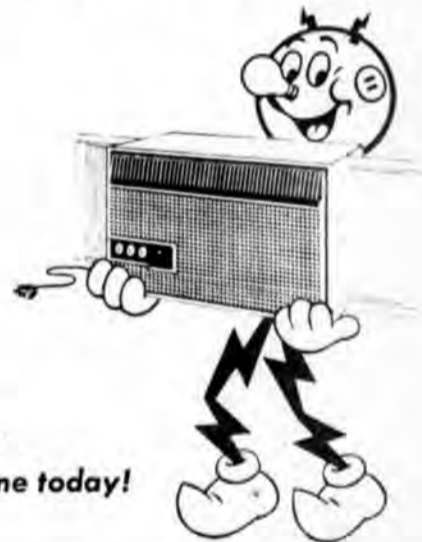

WHEN DAY IS DONE

"be fresh as a daisy"

AN ELECTRIC ROOM AIR CONDITIONER can make the difference

Do you have a wilted, worn-out feeling caused by summer's heat and humidity? Does your efficiency... along with your morale... suffer a big slump when the temperature climbs? Then an electric room air conditioner is what you need! A modern electric room air conditioner circulates air as cool and pleasant as a spring breeze. And that's not all—it filters out dust and pollen. It creates a healthier, happier atmosphere that helps everyone in the family work better, sleep better, feel better.

Your Appliance Dealer has many models to choose from... Enjoy one today!

THIS SUMMER Enjoy Shower after Shower WITH A FAST-RECOVERY COMPACT, THRIFTY Electric Water Heater

The new, compact, fast-recovery electric water heater is especially designed to meet the many hot water demands of modern families. Install it anywhere, even in a closet.

Luci Baines Johnson, Cliburn top Interlochen's slate

INTERLOCHEN, Mich.— The 37th consecutive summer of music, dance, drama and arts has been launched Sunday at the National Music Camp with 1964 promising several firsts in what is expected to be the best yet season.

The coming weeks will find the pine-studded, lakeside campus in northern Michigan tinged with a definite international flavor and abuzz with the upcoming performances of two Texans, pianist

Van Cliburn and Luci Baines Johnson.

THE BENEFIT concert July 23 will feature Miss Johnson, the first member of any president's family to visit the famed camp, narrating Prokofiev's symphonic fairy tale, "Peter and the Wolf." Cliburn will conduct the Interlochen Youth Symphony and also perform a piano solo.

This comes midway through the eight-week summer session and then as the Camp closes, the first

Interlochen Arts Festival gets underway, continuing the 10 days from Aug. 21-30.

THE ARTS Festival will present a full agenda topped by Eugene Ormandy and the Philadelphia Orchestra in five concerts, Cliburn at the piano, baritone William Warfield as a narrator, many other top flight artists, dance groups, and two other firsts, the International Youth Symphony Orchestra, and International youth music competition, with \$1,000 first place prizes in four divisions.

The International Youth Symphony, in training during the regular period of camp, will include young musicians from not only the US but about 15 from such countries as Korea, Germany, England, Austria, Yugoslavia, and the Dominican Republic.

"THIS MAY BE a somewhat modest beginning internationally," said Dr Joseph E. Maddy, the camp's president, "but there

will be many more next year as word spreads to an increasing number of foreign nations."

"The arts are providing a way to worldwide understanding, perhaps the greatest of today's needs, and it can be done in no better way than through the young people."

The Arts Festival will include an appearance of Michigan Gov. George Romney Aug. 26 and three concerts by the International Youth Symphony, which the same week will appear at the famed Potomac River Watergate in Washington.

ABOUT 1,700 youth from third grade through university level will be sprinkled over the 1,200-acre National Music Camp, studying everything from ballet and music theory to conservation and pottery, with a special class of about 30 high schoolers probing the mysteries of microbiology.

The campers come from 47 of

the 50 United States, are taught by 135 instructors and served by 670 staff members.

More than 350 concerts, operettas, plays and various performances will be held through the summer.

VISITORS will find a newly-roofed, 4,000-seat Kresge Assembly hall, an enlarged Interlochen Bowl to seat about 5,000 and several new classroom facilities added to the camp's more than 400 buildings.

"By all measuring sticks this should be our most inspiring summer," said Dr Maddy. "But then, there are more young people now who need the summer months to expand their talents. We will certainly give them that chance."

The University of Detroit, with annual enrollment in excess of 9,000 is the world's largest Catholic university.

4-H Service Club plans ice cream social at park

The Clinton County 4-H Service Club will sponsor an ice cream social July 11 at Smith Hall in the St. Johns City Park. Serving will begin at 5:30 p.m. and conclude when all are served. The public is welcome to attend.

Committees for the event are: food planning, Marlene Thompson, Pat Helbeck, Lorraine Anderson Della Davis, Diana McQueen, Larry Brya and Jon Boltum; advertisement, Dean Ormsby, Shirley Steinhart, Ken Smith, Ned Upton, Phyllis Avery, Dee Washburn, Mary Witt, Wilma, Clark, Lorraine Anderson and Sandra Dershem.

The Upper Michigan "Copper Country" is the largest commercial deposit of native copper in the world, having yielded nearly 11 billion pounds in the last century.

- Designed for the purpose it serves.
- Off street parking in our large parking lot.
- Out of the congested downtown area.
- Large chapel and privacy of a family room.

Battle the bugs

A stinging defense against the annual summer onslaughts by flies, beetles and other insects is being developed by entomologists at the University of California. The bug experts are working with hybrid wasps that deposit eggs in adolescent flies. The host fly then becomes food for the hatching wasp offspring.

Overdose of Ritual

The "Eternal Flame" at the grave of President Kennedy was accidentally put out by a group of school children visiting the grave. The children were taking turns sprinkling the grave with blessed water and the cap came off one bottle and the whole contents was dumped onto the flame at once. An attendant quickly struck a match and relighted it. As I thought about this incident I wondered how many times the light of the true Word of God is put out by overdoses of ritualism. Having gone through the motions of worship some believe they have done their religious duty. Even bowing before the cross can become sin if it is substituted for the surrender of oneself to the Christ of the cross. Remember, since God looks upon the heart He is much more concerned with the spirit of worship and belief than an outward motions. An evil heart of unbelief, pride of mind that argues with the inspired Word, a preference for the doctrines of men instead of the doctrines of God, may all be concealed from men by the performance of ritual, but God sees it all. The worship of the New Testament stands in contrast to the worship in the Old Testament by the absence of ritual. Read John 4:24 and find the meaning of it.

"We invite you to attend"

I CAN SHAPE THE FUTURE

When I watch the stone mason at his trade . . . then I'm sure I can shape a stone. If . . . I had the right tools! If . . . I could apply just the right driving force!

But my stone always splinters, shatters.

It should be easier to shape the future. Tomorrow seems so formless, so pliable.

Yet there are so many tools. Which to use? So many kinds of force, of power. Which will shape, not destroy, my hopes?

I am realizing fast that the vital tools must be spiritual. My Church is training me to understand, to use them.

And centuries of Christian heritage convince me that the driving force ought to be spiritual. A Power that flows from God . . . is grasped by faith . . . and in the reverent hands of dedicated men will shape—rather than shatter—tomorrow.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Corn shoulder high by 4th on Farley farm at Fowler

Corn was knee high well before the Fourth of July at the H. B. Farley and Son farm northwest of Fowler.

It was shoulder high, as a matter of fact, and tassels were already showing.

"IT'S THE best field of corn I've ever had," Jim Farley, 22, said. He has operated the 430 acre farm with his father for a number of years, and the elder Farley has been raising seed corn for 20 of those years. They are now known as the H. B. Farley & Son Seed Co.

The field sporting the shoulder high corn is a 20-acre plot, out of 70 acres which are planted in seed corn. Jim gives the tile drainage system a good part of the credit for the corn's progress.

"WE WERE able to plant early, on May 5," he said, "when other farmers couldn't even get into their fields."

This particular field, east of the farm buildings and along Walker Road, is tilled every four rods. It was planted with minimum tillage, and rye grass was seeded on the last cultivation.

"WE FOLLOW the best agricultural practices," the elder Farley said, "including the early planting, minimum tillage, fertilizing and following recommendations of the Agriculture Extension Service."

The Farleys use Michigan certified hybrid seed corn and work in cooperation with Michigan State University and the Michigan Crop Improvement Assn. Seed alone for their seed corn operations cost \$35 an acre, and new seed has to be purchased each year.

THEIR AVERAGE yield is 85 to 90 bushels of "good" seed corn a year, and the Farley's figure they do better than most farmers in the seed corn production.

"Of course we can't get the top

Jim Farley, who stands 6-3, is not even a head taller than stalks of seed corn in one of his fields on July 3. The corn was knee high two weeks before the Fourth of July. Jim is inspecting damage to leaf leaves done by hail several weeks ago. Tassels already appear on some plants (foreground).

yield from seed corn," Jim pointed out, "because it is the 'first generation.' The corn that comes from the corn we grow will bring a bigger yield per acre, and this is the kind of corn most farmers grow for feed purposes."

THE FARLEYS have about \$25,000 invested in special seed corn equipment. They dry their own corn right on the cob, down

to about 11 per cent moisture. Precision grading equipment in the buildings on the farm make eight different gradings of seed corn.

"We merchandize our seed through local elevators," H. B. Farley said, "because that's the most economical and it's best to do it through legitimate businesses."

Road Commission Weekly Report

The Board of Clinton County Road Commissioners held their regular meeting Friday, July 3.

The commission discussed several road problems including special requests from Ocha Drive in Bath Township and Oakdale Drive in Victor Township. The board approved a new plat in DeWitt Township.

THE commissioners made an inspection trip to an area of a proposed project of drainage and flood control.

Several summer projects got started this week and other programs were continued.

Paving was starting on the four miles of US-27 construction. The bridge across the Looking Glass river on Wood Road was being started by Fry Construction Co. this week. Also starting was the second application of calcium chloride for dust control.

THE SEAL coating program continued with the crew working on Round Lake Road, Clark Road, Howe Road, Airport Road and some backroads in the Wacousta area.

Engineering work on three small bridges on Colony Road was being pushed rapidly forward in an effort to let bids in August if possible.

RURAL ROAD traffic deaths in the state were up 22 per cent for the first five months of 1964. Rural local roads had 2,966 reported accidents with 50 killed and 2,127 injured. This is a heavy toll for you and I on roads we drive every day.

The road commission opened bids on requirements for diesel fuel and gasoline last Friday. Standard Oil Co. was low bidder on diesel fuel and Sinclair Refining was low bidder on gasoline. DON EWING Road Clerk

Michigan State University supervised the sampling and production testing procedures in cooperation with the official herd testing programs of the national Holstein association.

NFO taking hold in county

This hog brought \$22.75 cwt. Friday at the stockyards when the Clinton County NFO bought it from Harry Northrup of R-2, DeWitt. The hog, in the 400-500 pound class, will be given away as a door prize at an NFO ice cream social July 18. Others in the picture are Keith Miller and Galen Bashore, vice president.

The Clinton County National Farmers Organization—just over five months old—is beginning to make itself heard in the fight to improve farm prices.

Chartered Jan. 22 of this year in Clinton County, the NFO is affiliated with the statewide and nationwide organization which had its beginnings in Iowa and Missouri in 1955 under the leadership of Oren Lee Staley, now its national president.

CLINTON County's president, Roy Westendorff of R-1, Pewamo, said the aims here, as well as nationally, are to improve prices area farmers are getting for their dairy, meat and grain products.

"The purpose of the NFO is to raise the standard of living of the American farmer to the level of the other segments of the nation's economy," he said. "The goal of NFO is the cost of production plus a reasonable profit for the American family type farmers."

"THE BEST way we can do this," he said, "is through collective bargaining. We've already got bargaining units set up for dairy and meat products, and we'll soon have our grain committee."

The Clinton NFO members are eager and excited about their program, and their activities are aimed at publicity for their cause and more members for their ranks.

"THE MORE members we have, the better chance we'll have to get the prices farmers should be getting," Westendorff said.

The goals: \$6.05 per hundred-weight for grade A milk, \$5 cwt for manufactured milk; \$32.45 for cattle, \$22.50 for hogs, \$29 for sheep and lambs; \$1.49 for corn, \$2.49 for wheat, \$2.75 for soybeans and \$9.50 for white beans.

"WE'VE GOT the committees, and we'll bargain to get the prices up eventually to those levels," Westendorff said.

"To show we're a democratic organization, our power is in the county units, not in the national organization. When our bargainers reach agreement with handlers of our products, the local membership has to approve it by two-thirds vote or else back to the bargaining table they go."

THE BIG need for the NFO is membership, and with that they feel will come the better prices. Anyone who does any farming is eligible for membership, but all officers and members of the bargaining committees are active farmers—with 51 per cent or more of their income coming from the farm.

Other officers besides Westendorff are Galen Bashore of rural Elsie, vice president; Mrs. Carol Court of Pewamo, secretary; Julius Simon of Fowler, treasurer; Clarence Manning and Norman Huhn, both of Eagle, LeRoy Vincent of Elsie and 8th District Congressional Rep. Kenneth Briggs, all trustees.

DON MILLER of R-1, Eagle, is in charge of publicity for the county organization.

The dairy bargaining committee consists of Westendorff as chairman, Donald Wood of Pewamo, Harold Bracey of Ovid, and Wesley Erickson of Ovid.

Road commission picnic set July 27

ONE OF THE NFO projects is helping finance the Midwest Farm Report, seen Sundays from 12-12:30 p.m. on Channel 5, Bay City-Saginaw.

The annual picnic for employees of the Clinton County Road Commission will be July 27 at the St. Johns Municipal Park.

Michigan's operating expenditure per membership child in its public schools was \$395.66 in 1961-62.

Phillip DeMarais is chairman of the event.

City of St. Johns PUBLIC NOTICES

NOTICE OF HEARING—Zoning Appeal Board

Notice is hereby given that a public hearing will be held at the Municipal Building in the City of St. Johns on

Thursday, July 16, 1964—1:30 p.m.

on a request by Jack Smit of St. Johns to move three houses from Block 111, Walker & Steel Subdivision of the City of St. Johns, to Lots 14, 15 and 16, Block 109, Walker & Steel Subdivision.

Said houses are presently owned by Federal-Mogul-Bower Bearings, Inc., and will be moved to make room for construction on the site. The proposed location for the houses will be on the west side of the 700 block of North Swegles Street.

Petitioner has filed bond in the amount of \$500 for each house to be moved to assure reconstruction on the new site in a manner meeting approval of the City Zoning Board of Appeals.

St. Johns Zoning Board of Appeals
ROY F. BRIGGS, Chairman JESSIE A. FINCH, Clerk

Leafhoppers, thrips at bean crop again

Leafhoppers and thrips are at the beans again. Recent heavy rains slowed up the insects in local areas, but in limited rainfall fields populations are zooming again like in 1963.

Damage to bean plants is already noticeable in many fields. You can see this by poor growth with puckering or curling of the leaves and yellowish or brownish dead areas on the leaf edge.

BY WALKING through the field early in the morning and brushing the beans lightly the leafhoppers are a pale streak flying from the plants. Often they can be seen as a 3/16 inch long wedge-shaped pale green insect running sideways along the leaf.

Thrips are very small slender insects that stay on the underside of the leaf. About 1/16-inch long, they are pale yellow and quite difficult to see.

BOTH OF these pests are best controlled by using one pound of DDT emulsion per acre. This would be two quarts of a 25 per cent emulsion material per acre. The amount of spray isn't too critical, but enough should be used to obtain good coverage on the underside of the leaves. A good application probably could be made using about 20 gallons of spray per acre at high pressure and directed sideways from drop nozzles. Other methods of application may be used. The important thing is to get good coverage on the underside of the leaves.

TWO SPRAYS may be needed if the season stays dry. For severe infestations it might take three sprays to do the job.

Holstein herd sets new lactation average

A registered Holstein herd in Clinton County has established a new lactation average for milk and butterfat.

Leon Miller on North Airport Road, St. Johns, has completed production records averaging 17,065 pounds of milk and 550 pounds of butterfat, according to official herd production averages reported by the Holstein-Friesian Assn. of America.

TO PROVIDE a uniform basis for comparison of registered Holstein herds, lactation averages are reported on the industry standard, two-milkings-a-day, 305-day, mature equivalent basis.

Summer theater guide published

LANSING — A new Michigan Tourist Council publication, "Michigan Guide to Summer Theatres," listing Michigan's summer theatres and their facilities is now ready for distribution, according to William T. McGraw, council director.

In addition to names and addresses of Michigan's 18 summer theatres, the guide contains information regarding performance dates, curtain times, prices, theatre systems, reservations and other information of interest to vacationers.

to hold up production, body condition ... SUPPLEMENT GRASS WITH PURINA

Good grass is a benefit. Good dairymen take advantage of every acre of pasture they have. Cows love grass and it stimulates milk flow.

Yet, good dairymen know that grass is 85% water. As summer advances it turns brown, loses its palatability and is even less nutritious.

Tests at the Purina Dairy Center proved that cows fed a grain supplement with grass produced up to 20% more milk. They kept up in body condition, too, and held up better in production in following lactations.

Visit us at the store, or give us a ring. We'd like to suggest Purina's Research-proved plan for supplementing grass to help you get more milk from your herd over the summer.

LOW COST PRODUCTION...
the reason why more farmers feed PURINA

Install inverted disposal field at demonstration

BY LOREN VanOSTRAN
SCS DISTRICT DIRECTOR

A septic field demonstration was made on our farm on Clark Road, near Bath on June 30.

George Amundson, retired MSU agricultural engineer, made the layout, with the assistance of Robert Alpers of Michigan Vitri-fied Tile Co. of Corunna, Mich. We installed Sheldon Inverted disposal field using four-inch perforated two foot long one-half inch diameter holes with perfor-ator alignment bands.

THIS FIELD was installed by Wendell Waggoner of Randolph's Ready Mix, St. Johns. The tile was laid on eight-inch 10A stone and when level were covered with the 10A stone another seven inches. We used straw batts to keep the soil from washing into the stone when filling the trench.

This system has 10 to 12-inch sumps to hold any solids that might come out of the 1,000-gallon baffled septic tank. The five disposal lines are 50 feet each in length. Being short, they can be washed out with garden hose when the septic tank cleaning is done.

AMUNDSON TOLD us if only clear water got into the disposal field, the soil would take in the water. The idea of this setup is to deliver only clear water to the field. With 300 feet of tile level with holes up, each hole will about have a tear of water when new water flows into the field.

The trench is 25 inches wide, so I have about two cubic feet of stone each running foot around the tile.

This unit will provide for the waste from our milk parlor and milk house and one toilet and shower.

PROFESSOR Sheldon and Professor Amundson plan to inspect this system each year and give us a report.

Amundson figured we have about 72 gallons of standing water in sumps and bottom of tile which will serve as a reservoir for or-

Around the world

Michigan apples in 1963 were sold as far south as the gulf coast, all the way from San-Diego to Nome on the west coast, airlifted into remote mining and lumber camps in northern Can-ada, and even exported to Europe.

National record

Michigan holds the national record for milk production by one cow, with 42,805 pounds of milk in 365 days, a record still un-equalled after a decade.

George Amundson (left) and Gerald Shepard look over the work being done in VanOstran's field. Amundson made the layout for the septic field.

Wendell Waggoner of Randolph's Re-di-Mix Concrete works over tile being laid in the field of Loren VanOstran (shown in background).

ganic matter that may flow over from septic tank. He also sug-gested planting a row of willows along the edge of field to assist in water usage.

Amundson also suggested that two 1,000-gallon tanks in tandem were logical for a farm family with shower, dish washer, gar-bage disposal and automatic washing machine, the idea being that more digestion takes place in two chambers so that clearer

water would reach the disposal field.

AMUNDSON SAID many things that were true 20 years ago about rural waste disposal, as to the amount of the tile and size of the tanks, are as out-of-date as the first electrical wiring done on the farm. When the farm wife carried the water into the house in a pail, the farm family did not require a very large disposal system.

He said the Saturday night bath has been replaced by most of the farm family taking a bath each day with results being larger amounts of waste water to be disposed, and under the laws of Michigan it could not be discharg-ed into open ditches and county tile. The soaps and grease would spoil a farm tile drainage sys-tem. We are left with improve-ments that can be made into an evaporation disposal system.

16 in county attend state 4-H Club Week

About 1,200 4-H Club mem-bers from Michigan, including 16 from Clinton County, are tack-ling the decision making process at the roots during their 46th annual 4-H Club Week at Michi-gan State University this week.

The delegates represent more than 70,000 4-H'ers in every county of the state. The 4-H program is one of many edu-cational activities carried on through MSU's Cooperative Ex-tension Service.

THE THEME of the club week is "Today's Decision ... To-morrow's Action."

Delegates from Clinton County include: Betty Hodge, Mary Jane Thelen, Dianne Herrguth, Nancy Walter, Lorraine Anderson, Jan-ice Levey, Lorraine Hicks, Pam-ela Murton, Shirley Steinhardt, Sandra VanVelsor, Ron Danken-bring, Mack Simon, Jim Temple, Bill Thelen, Ned Upton and Dean Ormsby.

MRS CALISTA Reed is in charge of the county delegation, and the county extension agent for 4-H Club work, Don Walker, is attending some of the week's programs. Delegates will focus attention on areas of human re-lations, career exploration, in-ternational understanding, teen-times, and decision making.

Dr Beatrice Paolucci, profes-sor of home management and child development at MSU and co-author of a recent National Education Assn. publication, "Youth and Money," will give a featured talk on "Making Deci-sions in Today's World."

TODAY'S YOUNG person needs to set his values and goals high if he is to succeed, she says. A good set of objectives is ex-tremely important in decision making for the whole process is dependent on them.

A symposium on "Decisions in Human Relations" will explain the "why" of discrimination not only from its psychological ef-fects, but will also include the sociological effect, economic as-pects, and the different kinds of discrimination found in our so-ciety today.

MODERATED by William Ted-rick, 4-H program specialist, panel members include Mrs Mah-lon Sharp, a member of the East Lansing Human Rights Com-mission; Dr John W. Porter, de-partment of public instruction, Lansing; Dr James McKee, profes-sor of sociology and anthro-pology; and Dr Milton Rokeach, professor of psychology, both from MSU.

Soon after their arrival on campus, the young people divided into 30 groups, each named for a college in Michigan. Much of the week was devoted to learning about careers and skills. During the career panorama Tuesday evening, 4-H'ers were able to counsel with personnel and learn about educational requirements and opportunities of over 100 career possibilities. They also attended sessions on more than 20 skill areas ranging from pub-lic speaking and news writing to Peace Corps opportunities.

THE GENERAL format of the conference involves delegates in more small group discussions than in previous years. As a teaching aid, closed circuit tele-vision is being used for the first time in Club Week history. Broad thought topics will be presented on the TV screen. Then small classroom groups will speci-fically discuss problems related to these areas.

Dr Armen Grams of Merrill-Palmer Institute in Detroit will point out important decisions fac-ing teenagers in a talk entitled "Teen-Times."

Decisions in world understand-ing will be presented by a panel discussion whose members are from Europe, Asia, Far East, Middle East, and Latin America. Panel moderator is Dr August J. Benson, foreign-student advisor at MSU.

"THE YOUNG people will have time for fun, too," says Arden Peterson, 4-H recreation spe-cialist, who helped arrange the events. "Everyone will dance the Thursday evening 'Sock-Hop' at the MSU Intramural Building. In addition, there will be swimming, softball, and other sports."

Urges dairymen avoid beef-dairy breeding idea

"It's a mistake for replace-ment-minded dairymen to breed yearling dairy heifers to beef bulls," says John Speicher, dairy specialist for Michigan State University's Cooperative Extension Service.

Speicher points out that dairy-men breed yearling heifers to beef bulls for a variety of rea-sons, but farmers often find it difficult to improve dairy herd production under this type of management.

A SURVEY of Michigan Dairy Herd Improvement Ass'n. re-cords shows 30 per cent of most dairy herds are replaced each year. Approximately 30 per cent of the calves dropped each year are also from two-year-old cows. If these are all beef calves, the farmer will have only about 35 per cent of his total calves avail-able as heifer replacements.

Speicher adds that nearly 45 per cent of the animals avail-able for herd replacements are needed to replace cows with physical injury, mastitis or sterility each year.

"THIS DOESN'T leave much of a margin for herd improvement when dairy farmers are breeding yearling heifers to beef bulls," he adds.

Clinton County Regular Zoning Commission Meeting

The Clinton County Zoning Commission will hold a regular meeting on **TUESDAY, JULY 14, 1964 at 8 p.m.**

in the Courthouse in St. Johns and will act on several amend-ments to the Zoning Ordinance and on the following applications:

- DeWITT TOWNSHIP**
- From Zone D, agriculture to Zone B, residential:**
- The South 7/8 of the SW 1/4 of Section 28, excepting and reserving 2 acres, more or less, upon which the residence of titleholder (V. Kellen) is lo-cated.
- From Zone D, agriculture to Zone B, residential:**
- Parcel No. 1—The West 1/2 of South 80 acres of the SW frl. 1/4 and the West 1/2 of the South 1/2 of the North 1/2 of the SW frl. 1/4 of Section 19, containing 63.47 acres, less what is now already rezoned, or what is now registered as Idyl-Crest Estates. (Hardtke Farm)
- Parcel No. 2—The East 1/2 of the South 1/2 of the North 1/2 of the SW 1/4 and the East 1/2 of land described as follows, 80 acres off the South of the SW 1/4, all in Sec. 19, which said land also described as the South 3/4 of the East 1/2 of the SW 1/4 of Sec. 19 containing in all 63 acres, more or less. (John Crane Farm)
- Parcel No. 3—The West frl. 3/4 of the North 1/2 of the North 1/2 of the NW 1/4 of Section 30, approx. 74 acres, known as the John B. Flynn farm.
- Parcel No. 4—The South 1/2 of the NW 1/4 of Section 30, less 2 acres in the Northwest Corner. (Herbert Hardtke Farm.)

The text of the Zoning Ordinance as proposed to be amended and a map showing the Zoning Ordinance as proposed to be amended may be examined at the office of the Clinton County Zoning Administrator in the Clinton County Courthouse, St. Johns, Michigan between the hours of 8:00 a.m. to 12 noon and 1:00 p.m. to 5:00 p.m. of any day Monday through Friday.

Life cycle of cereal leaf beetle is destructive one

The cereal leaf beetle, for which Clinton and several surrounding counties was quarantined last week, is a serious pest of grain crops.

Apparently native to Europe, North Africa and the Near East, it was first identified in the United States in July 1962 when it caused considerable damage to oats, wheat and winter barley in parts of Berrien County, Mich.

LATER IN 1962 it was found in Cass County and LaPorte and St. Joseph counties, Ind. By last year it had spread into areas surrounding those counties.

Both adults and larvae of the cereal leaf beetle damage grain crops. They take their nourishment from grain shoots or from grasses by chewing out long strips between the leaf veins. In a heavy infestation, this damage causes the plants to appear yellowish white.

IN OTHER parts of the world, the damage caused by this pest has also been of considerable economic importance. In parts of the USSR, for example, losses from infestations have ranged from 25 to 50 per cent of the crop. In certain areas of Rumania, attacks have been so severe that the crop had to be plowed under.

The life cycle of the cereal leaf beetle has four stages—egg, larva, pupa and adult. Overwintered adults (beetles) appeared in Southern Michigan last year in late March. The females laid eggs on the upper surfaces of the host plant leaves in late April and early May. Larvae hatched from the eggs and began feeding on the host plants. Adults appeared about the middle of June.

THE ADULTS feed until fall, then hibernate behind corn sheaths, under field trash, or in crevices until the following spring.

The adult cereal leaf beetle is about 3/16-inch long; the male is slightly smaller and narrower than the female. Wing covers and head are a metallic bluish black. The legs and the front segment of the thorax are red.

THE EGGS are cylindrical, rounded and less than 1/16-inch long. Newly laid eggs are yellowish, but the color darkens to

almost black before they hatch.

The larva is slightly longer than the adult, and it resembles the Colorado potato beetle larva in shape. The head and legs are brown-black; the body is yellowish. The larva usually is covered by a globule of fecal matter that obscures its coloration except for the head and legs.

THE PUPA, when removed from its earthen cell, is enveloped in a thin, transparent membrane. Its coloration varies from a bright yellow when it is first formed to the coloration of the adult just before emergence.

The quarantine to prevent spread of the cereal leaf beetle now affects 30 Michigan counties, including Clinton. County Extension Agent George McQueen, since Monday, has been providing farmers with information and procedures to follow under the quarantine.

Name 7 teachers to attend soil school

East Hubbardston

By Mrs. Mary Barrone

The Clinton County Soil Conservation District, in cooperation with three banks in the county, will be sending seven teachers to the Higgins Lake Conservation School on scholarships.

The Woodruff State Bank in DeWitt will be sending Gwendolyn Walker, 934 N. Capitol, Lansing, who teaches kindergarten through eighth grades at the Plowman School, R-2, DeWitt, and Mrs. Winona Showerman, R-1, Lalsburg, who teaches at Collister School, Lalsburg, kindergarten through eighth grades.

THE STATE Savings Bank of Ovid will sponsor Nial Flegel, 425 N. Pine Street, Ithaca, who teaches the sixth grade at Ovid Public School.

The Clinton National Bank and Trust Co., St. Johns, will sponsor Mildred Wierman, 815 N. Clinton Street, who teaches third through eighth grades at the Harper School, R-2, St. Johns, and Mildred Sleight, R-5, St. Johns who teaches kindergarten through eighth at the Krepps School, R-5, St. Johns.

THE CLINTON National Bank and Trust Co., Elsie branch, will sponsor Evangeline Johnson, R-1, St. Johns, who teaches kindergarten through sixth grades at the Watson School in Elsie, and Fidelis Cameron, Eureka, who teaches the sixth, seventh and eighth grades at Eureka Public School.

The other teachers who applied for scholarships will be kept on a waiting list for future consideration.

4-H'ers warned of care of horse's feet

Proper care and attention to the feet of 4-H Club horses in July may eliminate many hoof problems throughout the late summer months, says a Michigan State University horse specialist.

A horse's value depends on his athletic ability, says Ralph E. Morrow, and a horse with sore feet or lameness isn't going to run any races or win any contests. He needs immediate attention!

MORROW SAYS many 4-H Club members have wintered their horses in stables or where the ground over which they work was hard and dry. Horny struc-

tures of the hoof were deprived of the moisture they needed. Under these conditions, the moisture supplied by the blood was insufficient to keep the foot healthy. Now that horses are on pasture, hoofs need careful inspection.

"When nothing is done," he says, "the hoof rapidly hardens and becomes inelastic, the quarters and heels contract, resulting in corns, and the horny frog wastes away. Then the horse is in trouble!"

HE ADVISES club members to use preventative methods to keep the hoof moist. Allowing the horse to stand in streams and mud for short periods of time is one good remedy. Another is leading the horse through a clay stand adjacent to the stable. This will fill the hoofs with moist clay until the moisture has been absorbed. Packing the feet insures proper moisture, too.

If quarter-cracks appear, consult the local veterinarian or blacksmith immediately. These are vertical splits in the wall of the hoof which result from dryness or improper shoeing. Proper treatment hastens recovery, but lameness sometimes remains severe until the new hoof has formed.

TRIMMING AND general care for feet is important, he says. Hoof tissue varies in growth and should consequently be looked at every four to six weeks. If the toe or the heel grows too long, strain on the bones of the pastern result in sore feet. Care should be taken to keep feet trimmed level.

Many horses don't need shoeing, says Morrow. Often only the front quarters are shod. A blacksmith's or farrier's advice is important in making these decisions. He should trim each hoof individually and then observe the horse at a walk or trot to correct improper foot habits.

AGRICULTURE in ACTION

by M. L. Woell

MICHIGAN FARM BUREAU

RAILROADING

Farmers are beginning to wonder about the railroads' method of doing business, and about the big expense tax farmers are expected to pick up through recently increased "accessorial" charges.

Few farmers will have heard of these, although they pay them along with hundreds of similar charges that make up the present farm cost-price squeeze.

"Accessorial charges" include such things as payment from shippers to railroads for stopping carloads of grain "in transit"—for moving a car from loading tracks "without billing from shipper" and for "grain doors."

THESE special doors, needed to make cars grain-tight, were formerly furnished without charge by railroads, but now bear a \$7.50 price tag for each car, under certain conditions. The total new charges amount to millions of dollars added to the freight bill, without giving an outward appearance of an actual

freight rate increase. Since farmers are major shippers with grain making up a big part of the total rail movement, farmers again end up with the bill.

A good example of the money involved has been revealed by the Michigan Elevator Exchange division of Farm Bureau Services, which successfully protested a new "grain inspection" fee of \$6.00 per car. MEE contended that the new charge was, in effect, a rate hike and that if allowed to take effect in mid-July as proposed, would cost Michigan farmers \$50,000 per year.

AS A result of the protest, the Michigan Public Service commission granted a suspension of the proposed charges, and ordered a hearing. The hearing proved to be a rallying point for protest, with farm interests well represented.

Following the hearing, the Public Service commission denied the Michigan inspection fee, however, the ruling did nothing to change an earlier Interstate Commerce commission decision to approve the same \$6.00 per car charge on all grain moving through interstate transportation.

Attempts to use hidden methods of increasing freight rates through higher shipping costs may greatly hurt railroads in the long run through forcing farmers and others to divert their grain to other transportation.

Rambler Classic 770 Two-Door Hardtop and famed San Francisco cable car Product of American Motors

Highstyle Hilltopper... Rambler Classic V-8

This dazzling hardtop is the Rambler Classic 770. It takes off with more V-8 power than the standard V-8 in the top-size Ford or Chevrolet, parks easier, has virtually the same room, yet costs over \$200 less,* and gives you a long list of important advantages at no extra cost. And with what you save on Rambler, you can keep your pocketbook happy and still add smart, sporty options like floor shift (manual or automatic), reclining bucket seats with console, seven-position steering wheel, power steering, power brakes, power windows—you name them. If you like fun, flair and glamour—and smart savings, too—now is the time to see your nearby Rambler dealer.

Rambler Classic—big savings during the Big Rambler Selling Spree

*Comparisons based on manufacturers' suggested retail prices for top-line 2-door hardtops with V-8 engine, heater and front seat belts.

Elsie vets join trail riders jaunt

ELSIIE—Dr and Mrs Richard P. Lannen, local veterinarians, and Miss Betty Bartek, their assistant at the animal hospital, have returned from a unique vacation on Michigan's Riding and Hiking Trail, which extends from Frankfort and Empire on Lake Michigan to East Tawas on Lake Huron.

Upon reaching the outskirts of Tawas, the group of riders were met by members of the Chamber of Commerce and a police escort along US-23 to the East Tawas Park, whereupon they rode their mounts triumphantly into the waters of Lake Huron with signs, banners and much rejoicing.

The Elsie riders, all members of the Michigan Trail Riders Association, joined the others at Luzerne for the last 80 miles of the trip.

THEY HEARD a program with a prayer for their safe arrival by an Indian Chief and a letter from Empire carried on the trail was presented to the Mayor of Tawas. This was followed by a barbecue and recounting of trail activities.

SOME 40 RIDERS began the "Coast to Coast Trail Ride" and 17 of the starters completed the entire trip. There were some dropouts because of fatigue and other reasons but other riders joined them at intervals. Eventually there were 31 who finished the trip together.

Plans are now being made by the riders to repeat the trip next year.

It is expected the riding clubs, Boy Scout and Girl Scout organization, dude ranches and 4-H Clubs will be prominent users of the trail.

The new riding trail, a distance of 220 miles was officially opened May 20 by Gov. George Romney in dedication ceremonies at Kalkaska. It was built by the US Forest Service and the State Department of Conservation. The project was conceived by Fitch Williams, Traverse City attorney, now president of the Michigan Trail Riders Ass'n, and he also accompanied the riders. The trail was designed by Perry H. Murdick, tourism specialist at CMU's center for economic development.

A MAJOR branch, beginning near Grayling and running through the elk country to Alpena and Cheboygan, is now in the planning stage, according to Howard R. Sommer, director of CMU's center for economic expansion.

Legislative problems probed at convention

ELSIIE—Rep. and Mrs Andrew W. Cobb have returned from Hermosa, S. D. where they attended the 25th annual conference of the North Central Association of Directors of Agriculture on such problems and legislative proposals as: proposed changes in hog cholera eradication laws; problems resulting from meat exports; improved meat inspection laws; use of insecticides and fungicides; controls of the cereal leaf beetle, etc.

One session involved an exchange of ideas from the various state departments which might prove unique and of value to other states in the association.

They carried sack lunches and cooked other meals over charcoal at the campsites where they used their campers for overnight accommodations.

Anne Dillingham of Detroit has been staying with Shirley Cobb of Elsie. Both have returned to MSU for the summer session. Shirley is employed at Kellogg Center and Anne at the University Union.

Mrs Lannen said the north country was very dry so smoking was prohibited during their ride. She also remarked that the absence of radio and television did not interfere with the pleasure of the trip—in fact it was not even missed.

Mr and Mrs Lee Cobb of St. Johns were guests of Rep. and Mrs A. W. Cobb and family for the observance of Lee's birthday Saturday.

There was always a campfire at night, guitar music, singing, square dancing, both on horseback and off.

Extension gifts among new books at library

MANY NEW friends were made from the teenagers to the older riders of the party. The exercise has even been prescribed for some who had suffered heart conditions and they came from all parts of the state, also Chicago.

ELSIIE—The Elsie Public Library was given books on family life in foreign countries as a part of extension club work.

Former Elsie man is now living in Gerry Homes, N.Y.

ELSIIE—Rev James E. Lombard, former pastor of the First Baptist Church in Elsie was honored recently on the occasion of the 15th anniversary of his ordination into the ministry.

They were accepted by Librarian Orpha Clement from Mrs Frances Pearl and Mrs Raymond Thornton on behalf of the Green School Extension Study Group with Mrs Woodrow Bashore, Clinton County extension council president, also present.

The observance was a "This is Your Life" type of program held at Stockbridge Baptist Church where he has been pastor since leaving Elsie more than 11 years ago.

THE BOOKS recommended by the extension council for this year were "The Harmless People" by Elizabeth Marshall Thomas and "Five Families" by Lewis.

According to the records of the Michigan Baptist Ministers' Council, Rev Lombard was ordained into the American Baptist Denomination following many years as a part time minister and also as a tool and die maker.

There have been many additions for all age groups recently. "Vietnam Diary" by Tregaskis is the vivid eyewitness account of Americans in battle by a famous American war correspondent in which he tells of the Americans who are aiding the Vietnamese with new tactics against guerrilla forces.

IN 1946, HE accepted the pastorate of the Elsie and Eureka Baptist churches. While here, the Eureka Church burned in 1951 but less than a year later dedication services were held for the new church. The Rev Mr Lombard was also pastor during the 100th anniversary of the Elsie Baptist Church in 1951.

"WHAT Makes Day and Night" by Borten is a colorful book of the Let's-Read-and-find-out series. Dr Seuss's ABC book has the same 26 letter of the alphabet but added new excitement and pleasure in learning how to read by enjoying sounds of letters and making them grow into words.

Mr and Mrs Allan Oberlin of Carland, members of the Eureka Church at that time represented this community and were a part of the "Life" program.

"Penny in Hawaii" by Charlton concerns the problems presented as 11-year-old Penny moves from Oklahoma to Hawaii. Hawaiian customs, folk songs, and a glossary of Hawaiian words.

The Rev Mr Lombard left Elsie in March 1953 for the Stockbridge pastorate and was serving there during the 75th anniversary of the church.

PEARL Buck's "The Living Reed" is a novel of Korea that has awakened understanding and

LAST FALL, he was called to the Baptist Church in Union, and left behind many friends including the children for whom he had been school bus driver for the past eight years.

Former Elsie pastor feted at Stockbridge for 15th anniversary

ELSIIE—Duane Cox, who lived here for many years, is now living at the Gerry Homes in Gerry, N. Y., according to his pastor, Rev E. E. Courser of Elsie.

The homes are located near Jamestown, N. Y., in the Cascadaga Valley among the hills. In a letter to the Coursers, Mr Cox wrote that it is like home to him already, but he would like to hear from his Elsie neighbors and friends.

AFTER leaving Elsie, Mr Cox resided with his daughter Miss Betty Ellen Cox, a returned missionary from Central Africa, now teaching part time in Spring Arbor.

Miss Cox, who spent nearly twenty years in the Belgian Congo, returned here in the fall of 1962. She is planning to return to the newly independent country of Burundi, where the need for education and literacy is great.

Since 1944, Miss Cox has prepared several school textbooks in the Kirundi language—grammar, arithmetic and geography. She has also been compiling a Kirundi-English dictionary and the translation of the Old Testament into Kirundi. She has been a frequent speaker in this area.

4-H group learns to make halters

ELSIIE—The Brush and Halter 4-H Club held its second meeting at the home of Robin Woolley with Duane Green instructing the group in the making of rope halters.

The new members were given the booklet, "The Calf in 4-H Dairying." Refreshments were served by Robin and his mother. The next meeting will be held at the home of Jackie, Carol and Mike Lewis.

South Greenbush

By Mrs Stanley Whitlock

Omitted from last week

Peace Corps work in Peru is cited

S. GREENBUSH—Mrs Dale Anderson showed pictures and told of Miss Pat Anderson's work in the Peace Corps for the program of the Greenbush WSCS.

The group voted to make school kits for World Community Day. Miss Helen Post, Mrs Elmer Swagart and Mrs Harry Rosekrans acted as hostesses.

Proceedings of the Clinton County Board of Supervisors

FRIDAY, JUNE 5, 1964

The Clinton County Board of Supervisors met on this date at 10:00 a.m. After a pledge of allegiance to the flag, prayer was offered by Supervisor Gove. Roll was called and a quorum reported. Minutes of the last session were read and approved.

Supervisor Tiedt, Chairman of the Salary and Clerk Hire Committee, in a Committee report, recommended and moved that the salary for Stanley Kadjas as a deputy sheriff be approved at \$4900 per year and that the salary of another deputy to be picked later be approved at \$4500 per year. Also that the starting time of employment be determined by the Sheriff. Motion was supported by Supervisor Settingington, voted and carried.

Supervisor Krebel, Chairman of the Committee appointed on re-appraisal, offered the following resolution and motion which was supported by Supervisor Shepard.

RESOLUTION

After due consideration and investigation and receiving sealed bids on specifications developed and approved by the Clinton County Board of Supervisors, the County Board of Supervisors' Committee on re-appraisals:

Does hereby recommend and move that the bid of the H. L. Yoh Company be accepted and hereby approved by this Board of Supervisors and that a proper contract be prepared based on the bid and specifications and entered into by Clinton County with the H. L. Yoh Company for re-appraisal of the Real Property of the entire county for a sum of \$84,500.00;

And that the Chairman of the Board and the Clerk of Clinton County be hereby authorized to sign said contract after said contract shall have been approved by the County Prosecutor and the Committee that prepared the specifications for the bids.

Voting aye on roll call were Supervisors Shepard, Culy, Shinabery, Nobis, Austin, Krebel, Underhill, Thelen, Greer, Reed, Coletta and Tiedt. Nay—Supervisors Mayers, Gove, Hufnagel, Moore, Higbee, Settingington and Cressman. Supervisor Carter was absent. 12 ayes—7 nays. Motion declared carried.

A motion by Supervisor Tiedt and supported by Supervisor Shinabery, that reading of Supervisors' expense accounts be dispensed with and they be paid as presented was voted and carried.

The Chairman then declared a recess until 1:30 p.m.

After recess, a motion was made by Supervisor Nobis and supported by Supervisor Shepard, that the motion to authorize the re-appraisal of Real properties within the County of Clinton, be amended to include personal property re-appraisal. Voting aye on roll call were Supervisors Shepard, Settingington, Austin, Underhill, Greer, Coletta and Tiedt. Nay—Supervisors Mayers, Gove, Hufnagel, Culy, Moore, Higbee, Shinabery, Nobis, Cressman, Krebel, and Thelen. Supervisors Carter and Reed were absent. 7 ayes—11 nays. Motion declared lost.

At this time bids received for a new automobile to be used by the Sheriff's Department were opened and read. After discussion, a motion was made by Supervisor Krebel and supported by Supervisor Hufnagel, that this Board accept the low bid of Egan Motor Sales of \$2,199.23 for a Ford Police Interceptor and that an order be given for same to be used on patrol duty by the Sheriff's Department. Motion carried.

In response to a request heretofore made by representatives of the Clinton County Soil Conservation District, for the continuation of an appropriation for the purpose of hiring a secretary for the District Office, a motion was made by Supervisor Tiedt and supported by Supervisor Settingington, that upon proper billing, there be made quarterly payments to the Clinton County Soil Conservation District in the amount of \$663.00, for a period of one year from June 1, 1964. Motion carried.

A motion was made by Supervisor Mayer and supported by Supervisor Settingington, that the following named persons be appointed to the County Library Board for the time indicated: Oliver Angell of DeWitt Township for a period of

one year; Harold Beardslee of Ovid for a period of two years; Orpha Clement of Elsie for a period of three years; Dorothy Cressman from Olive Township for a period of four years and Beulah Ballantine of St. Johns for a period of five years. Motion carried.

Gerald Walter, Clinton County Zoning Administrator, came before the Board and presented recommendations of the Clinton County Zoning Commission. After discussion a motion was made by Supervisor Tiedt and supported by Supervisor Moore, that this Board concur with action of the Clinton County Zoning Commission on May 19, 1964, and the following changes be made in the Zoning Ordinance as indicated. Motion carried.

BATH TOWNSHIP, TOWNSHIP 5 NORTH, RANGE 1 WEST, MICHIGAN.

Rezoning from Zone D, Agriculture to Zone C, Commercial:

Beginning 884 feet West of the center post of Section 17, thence North 240', West 528', South 240', East 328' to point of beginning.

DEWITT TOWNSHIP, TOWNSHIP 5 NORTH, RANGE 2 WEST, MICHIGAN.

An application to operate and maintain a mobile home park on the following described property:

SW 1/4 of the SW 1/4 of Section 34, commencing at a point on US-27 and Coleman Road, thence East 1320', S. 709', W. 1320', N. 709' to point of beginning.

GREENBUSH TOWNSHIP, TOWNSHIP 8 NORTH, RANGE 2 WEST, MICHIGAN.

Rezoning from Zone D, Agriculture to Zone C, Commercial:

The NW 1/4 of the NW 1/4 except the North 466' of the West 20 acres of the West 3/4 of the N 1/2 of Section 28 subject to all easements of record, and excepting therefrom a parcel of land lying NW 1/4 of a line beginning on the West line of said Section 28 a distance 300' South of the NW corner of said Section, thence Northeastly to a point on the North line of said Section a distance of 150' East of said Northwest corner, being a triangular parcel of land heretofore conveyed to the State of Michigan as a clear vision corner.

A motion was made by Supervisor Moore and supported by Supervisor Gove, that Max Loudeneck of Lebanon Township be re-elected, to succeed himself, as a member of the Clinton County Zoning Commission for a term ending June 15, 1968. Motion carried.

A motion was made by Supervisor Shepard and supported by Supervisor Austin, that George Baird of DeWitt be elected, to succeed himself, as a member of the Clinton County Zoning Appeal Board, for a term ending January 1, 1967. Motion carried.

Supervisor Cressman, member of the Public Relations Committee, presented the following resolution. Supervisor Tiedt moved for adoption of the resolution which was supported by Supervisor Cressman.

WHEREAS the Public Relations Committee has investigated the possibility of combining the duties, of the Prosecuting Attorney, Assistant Prosecuting Attorney and the attorney for the Zoning Administrator, into one full time position,

AND, WHEREAS, it is the opinion of the board of Supervisors of Clinton County, Michigan, assembled the 5th day of June, 1964, that the efficient administration of the Office of Prosecuting Attorney would be better served by the Prosecuting Attorney devoting full time to the duties of that office and that the duties of the Assistant Prosecuting Attorney and attorney for the Zoning Administrator be combined with the duties of the Prosecuting Attorney, THEREFORE, be it resolved that the Board of Supervisors of Clinton County hereby enact and ordain that the office of the Clinton County Prosecuting Attorney, Assistant Prosecuting Attorney and Attorney for the Zoning Administrator be combined into one office, on and after January 1, 1965.

BE IT FURTHER resolved that said duties shall be performed by the duly elected Prosecuting Attorney for Clinton County, Michigan, on a full time basis, and that the Board of Supervisors of Clinton County shall provide suitable and adequate offices and clerical staff for the Prosecuting Attorney who shall assume his position and duties on January 1, 1965.

BE IT FURTHER resolved that the salary of the Prosecuting Attorney, for the term commencing January 1, 1965 shall be \$11,000 and that upon entering upon the duties of said office, the Prosecuting Attorney shall devote the ordinary and regular business office hours five days a week, in the performance of the duties incumbent upon the Prosecuting Attorney, as well as those duties of the Prosecuting Attorney and attorney for the Zoning Administrator.

A motion was made by Supervisor Gove and supported by Supervisor Mayers, that the foregoing resolution be amended to say \$10,000 instead of \$11,000. Voting aye on roll call were Supervisors Mayers, Gove, Hufnagel, Culy, Moore, Higbee, Settingington and Underhill. Nay Supervisors Shepard, Shinabery, Nobis, Cressman, Austin, Krebel, Thelen, Greer, Coletta and Tiedt. Supervisors Carter and Reed were absent. 8 ayes—10 nays. Motion to amend was declared lost.

Voting aye on the original motion were Supervisors Shepard, Mayers, Hufnagel, Culy, Moore, Higbee, Settingington, Shinabery, Nobis, Cressman, Austin, Krebel, Underhill, Thelen, Greer, Coletta and Tiedt. Nay—Supervisor Gove. Supervisors Carter and Reed were absent. 17 ayes—1 nay. Motion declared carried.

A motion was made by Supervisor Greer and supported by Supervisor Nobis that the Salary and Clerk Hire Committee be instructed to make a study and make recommendations at the July meeting, to set the Elective County Officers salaries for the term beginning January 1, 1965. Motion carried.

The County Clerk was instructed to draft a letter for signature of the Chairman, commending Bill Eastham, as a representative of The Clinton County Republican-News, for his cooperation, understanding and accurate reporting of Supervisors' meetings.

Charles Frost, Civil Defense Director, spoke to the Board of his work and needs in that office.

A motion was made by Supervisor Settingington and supported by Supervisor Shinabery, that the Records and Equipment Committee be given power to act in the purchase of equipment needed in the various offices of the Courthouse. Motion carried.

Are you still getting along with a **TOO-SMALL OUT-DATED** refrigerator that needs **MESSY DEFROSTING?**

BIG, NEW, WORK-SAVING, MONEY-SAVING REFRIGERATOR-FREEZERS

End All Defrosting

Today's modern refrigerator-freezers end all defrosting in both refrigerator and freezer sections. This means no frost ever... on food packages, ice cube trays or walls... no defrosting drudgery ever... no scraping, no chipping, no prying, no messy pans of water to empty (or spill).

In addition, the new refrigerator-freezers will:

- Store enough fresh and frozen foods to last for weeks.
- Save extra trips to the market.
- Keep leftovers fresh and tasty until needed.
- Save money because the large freezer compartment allows you to buy meats, vegetables and baked goods when prices are low.

News About Clinton County Service Personnel

WILLIAM G. VINCENT, 17, son of Mr and Mrs Richard E. Vincent of 14212 Turner Road, DeWitt, is undergoing two weeks active duty recruit training at the Naval Training Center, Great Lakes, Ill.

He is studying naval history, military drill, seamanship, gunnery, first aid, swimming and survival and sentry duty. A rigorous physical training schedule will round out the training.

Upon completion of this training, he will return to his local reserve unit for regular training sessions.

DONALD F. HIAR, gunner's mate second class, USN, son of Mrs Hazel Hiar of 711 Garfield Street, St. Johns, recently visited Naples, Italy, aboard the Navy attach aircraft carrier USS Franklin D. Roosevelt, operating with the Sixth Fleet in the Mediterranean.

While serving with the Sixth Fleet, Roosevelt in the hub of a fast carrier striking force composed of surface, sub-surface and air units designed to launch a full scale attack from their position in the Mediterranean.

Her crewmembers had an opportunity to visit ports in France and Greece as well as Italy.

Airman LOYAL D. RHYNARD, son of Mr and Mrs Cecil J. Rhynard of 11669 Watson Road, Bath, has completed the first phase of his Air Force basic military training at Lackland AFB, Tex.

Airman Rhynard has been selected for technical training as a communications electronics specialist at the Air Training Command (ATC) school at Keesler AFB, Miss.

He is a 1962 graduate of Bath High School.

Pfc. GARY L. FOSTER, son of Mr and Mrs Fredrick E. Foster, 315 Wilson Road, DeWitt, completed a five-week engineer equipment mechanic course at the

US Army School, Europe, in Murnau, Germany, June 19.

During the course Foster received instruction in the maintenance and repair of such items as crane shovels, pneumatic tools, motorized graders and electric generators.

Foster is regularly assigned as a parts clerk in the 547th Engineer Battalion near Darmstadt, Germany.

The 20-year-old soldier entered the Army in March, 1963 and has been overseas since last December.

Foster is a 1961 graduate of DeWitt High School.

Planetarium featuring Mars

EAST LANSING—The story of Mars, as told by mythology and modern science, is featured in the July public program at Michigan State University's Abrams Planetarium.

"Mars: Fact and Fiction" will be presented each Friday at 7 and 8:30 p.m., and Saturdays and Sundays at 2:30 and 4 p.m.

A HIGHLIGHT of the program is a view of the Martian landscape and sky as it might appear to the first astronaut to explore the planet.

'No wrong numbers' goal in preparing phone book

There won't be any wrong numbers in this year's St. Johns phone book if the General Telephone Co. office here has anything to say about it.

Elaborate means are set up by the phone company to prevent errors, and the office here has been rated high in accuracy, according to District Manager William Graef.

THE PHONE book is in its final preparation stages, and all listings will be closed July 24. Graef said persons wishing changes must make them at the office before that date.

Between July 24 and the time GenTel customers get their books in the first part of September, an amazing example of organization and timing is taking place.

AS GRAEF explained it:

Compilation of the directory is made at Muskegon in the General Telephone Directory Compilation Center. Changes in directory listings are being handled all year, and all files are kept up-to-date. After the closing date and as soon as the last-minute changes are processed at Muskegon, everything is sent to the printer.

THE GENERAL Telephone Co. at Des Plaines, Ill., publishes over 750 different directories, including some for independent phone companies. The process in keeping all the information straight at the printers—and in scheduling the printing of all those books—is an intricate one.

Here at St. Johns, as in Muskegon, work on the telephone directory is going on year-round. But preliminary planning for it began about April 1 with the compiling of material for the first informational page in the book—the one containing fire department, police and service call numbers.

FROM THEN until the July 24 closing date, more information pages are compiled, and change orders are passed on to the compilation center.

Graef explained that the accuracy of information in the phone book is made possible by constant cross-checking. Whenever a request for a change in service of any kind is received by the women in the telephone office, an order sheet is made up.

FIVE COPIES are made of the order. One goes to the directory

compilation center; another goes to the plant department (which handles any physical work involved); another to the information center at Alma; another to the accounting office at Owosso; and the fifth is kept in the local files.

Orders are made up for every change: a phone number, wording in a listing, change of address, change of color of phone, etc. The orders are screened at every office, and every appropriate office makes the change in their records to keep them up-to-date.

ABOUT 700 orders have been handled here so far this year, and before the year is out, about 3,000 will have been taken care of here and at the other district office at Carson City.

About 90 per cent of the orders affect a customer's listing in the phone book. Another 90 per cent affect their phone bills.

THE ST. JOHNS office is responsible for seven telephone exchanges—St. Johns, Fowler, Muir-Lyons, Maple Rapids and Pawemo in the local phone book. The Carson City office handles the Carson City, Middleton-Perinton, Hubbardston and Palo exchanges.

The office also is involved in work on Ashley and Pompel directories and Alma's directory.

THE ST. JOHNS office force, which handles orders with what Graef called "really amazing accuracy" includes Mrs Arlene

Holden, business office representative; Mrs Leota Groom and Mrs Carol Pennington both service representatives; and Miss Annette Brunk, stenographer.

"They are trained to handle any type of customer request," Graef said.

SOME 10,300 phone books have been requisitioned in the district—7,000 for the St. Johns area and 3,300 for around Carson City.

Graef said this considerably exceeds the number of customers but is to cover anticipated use and needs for a year. Many customers use more than one phone book, he pointed out, and there will be new customers later who must have books.

There are 4,900 customers on the exchanges covered by the St. Johns book, and 6,500 customers in the district.

MATERIAL for the Yellow Pages is handled by a separate sales force which has just completed their work in town for the forthcoming phone book. Graef said his office can handle last minute, minor changes for this section, but anything major will be turned over to the Yellow Page division people.

At the last possible moment before the book is received from the printers, the Owosso business office will send a mailing list to St. Johns. Last minute corrections will be made and the list returned. The books will be mailed from Owosso.

By Mrs Gerald Pope

A boy was born to Mr and Mrs Don Corder July 4 at the Owosso Memorial Hospital. He will answer to the name of Michael Dale. Mr and Mrs Corder lives in the Pope tenant house.

Mr and Mrs Roy Auten and daughters, Mrs Thelma Atkinson and Russell Johnson spent the weekend at Higgins Lake.

Mr and Mrs V. D. Strong visited Mr and Mrs Dennis Gallagher Sunday. Mr and Mrs Gene Hamilton and new baby from Mount Morris were callers too.

Mrs Mary Deshotel from Honolulu, Hawaii has been visiting her sister and family, the William Ashenfelters. She left Monday morning and will be stationed in Norfolk, Va.

Mr and Mrs Stanley Rathbun and Mr and Mrs Ed Barks and

Water pressure difficulties told

Water service in St. Johns was interrupted briefly Sunday afternoon when an electrical relay on pumps became hot and did not function. The defect was fixed quickly. Water pressure was affected between 2:30 and 3 p.m. Similar water pressure difficulties were reported in some parts of town Saturday afternoon for up to two hours. Automatic measuring devices at the water plant did not show any abnormal fluctuation in pressure there, however, according to Acting City Manager Ken Greer.

son attended the Charles Foster funeral in Concord, Sunday. Mr Foster will be remembered by the community and former neighbors. His death was due to a broken neck as he fell from a house roof which he was repairing.

Mr and Mrs Stanley Rathbun visited their son, Pvt. Mac Rathbun, at Ft. Knox, Ky. for a few days.

Bloodmobile in semi-annual appearance here July 21

The semi-annual drive for donors to the Clinton County Bloodmobile is under way, and all St. Johns people are being urged to give a pint of blood July 21.

The bloodmobile will be located at the Congregational Church here from noon to 6 p.m. that day, and a donor goal of 200 pints has been set by leaders of the community project.

MRS KENNETH Spicer of 804 E. Baldwin, St. Johns chairman for the bloodmobile program, reminded residents that blood donated will actually help people in the county.

Clinton County is a member of the Red Cross Blood Bank region, headquartered in Lansing, and anyone living in the county is eligible to receive needed blood free in any part of the county.

BY DONATING blood, she pointed out, people can help keep the program going so that they someday may benefit directly by it.

A telephone campaign began Monday, with between six and eight volunteers telephoning persons who have donated blood previously. The volunteers will assume that positive replies will be pledges of blood, Mrs Spicer said, and that the people will actually show up at the bloodmobile July 21.

MR AND MRS Richard Newman of R-2, DeWitt, co-chairmen for the county, pointed out a specific need for new donors, particularly young persons. Mrs Newman noted that the bloodmobile date in St. Johns will make it possible for college students home for the summer to donate blood.

But because many persons are on vacation at this time of the year, Mrs Newman and Mrs Spicer are anxious for word of the bloodmobile, the need for donors, and the benefits derived from it to spread early.

"ONE OUT OF four persons in the county will need blood at some time," Mrs Newman said, "and as long as this program can be kept going blood will always be free to them."

*Since the price of blood now

Gen-Tel honors Mrs Delo for community work

A St. Johns service and assignment clerk for the General Telephone Co. Mrs Ruth M. Delo, has been selected to receive the company's central division honorable mention award for outstanding community service. T. Austin Saunders, president of General Telephone, has announced.

Mrs Delo was selected for the award, a part of General Telephone's newly inaugurated Community Service Award program, for her outstanding record of public service, which includes her participation and leadership in the Red Cross, Gray Ladies, and Wesleyan Service Guild.

MRS DELO will be presented with a special commemorative plaque by District Manager William F. Graet.

The Community Service Award program, initiated this year, provides for candidates to be nominated from among General Telephone's 2,000 employees by the company's 26 district managers. The top nominee from each of the company's five operating divisions is named for the Honorable Mention award after the selection of the Community Service Award recipient.

Atomic Revenuers

Atomic techniques, enlisted in the war against moonshiners, helped the Department of Justice convince a federal judge that illicit whiskey seized on a tractor-trailer in New York had been transported from a still in Georgia. Soil samples scraped from the bottom of the truck were subjected to irradiation and shown to match specimens collected from ground around the Georgia still. The new method is called activation analysis.

Witnesses to be hosts to New York minister

Edward Tymkovich, newly appointed circuit minister from Brooklyn, N.Y., will be visiting the St. Johns Congregation of Jehovah's Witnesses the week of July 14-19, working with fellow ministers in their congregational activity.

Mr Tymkovich has been associated with his faith since early youth and has spent the last eight years at the Watchtower Bible & Tract Society's headquarters in Brooklyn, which directs the world-wide activity of almost one million Jehovah's Witnesses in 194 lands.

THIS SPECIAL week of activity will center at the local Kingdom Hall at 1993 N. Lansing Street beginning Tuesday at 7:30 p.m. with the weekly ministry school and service meeting and opening address by Mr Tymkovich.

Saturday evening at 8 p.m. he will stress the value of taking in Bible knowledge with an oral review of scriptural subjects discussed in the last six months of Bible study.

EDWARD TYMKOVICH

lowed by the weekly Watchtower Bible study and a concluding talk.

The purpose of the visit of Mr Tymkovich, according to Raymond Parker, local presiding minister, is to assist others in the public door-to-door ministry and to give upbuilding scriptural counsel.

VISITS ON local residents will be made throughout the week to discuss Bible subjects. Mr Tymkovich's visit is representative of those made on the 22,761 congregations of Jehovah's Witnesses World Wide.

Famous fire fighters

Michigan has pioneered in the development and use of heavy motorized equipment for fighting forest fires. The Federal government and other states are now using ideas developed at the experiment station near Roscomon, only one of its kind in the nation.

Kith 'n' Kin group honors two at party

GUNNISONVILLE— The Kith 'n' Kin Birthday Club was entertained at the home of Mrs. Kenneth Bunge of St. Johns June 29. Twelve members and three visitors were present. The honored birthday guest was Mrs. Charles Fritz. A baby shower was given for 4-week-old Nancy Sue Shaver, daughter of Mrs. William Shaver.

MRS. FRITZ received a chaise lounge and two chair lawn set, a group gift from the club, and Mrs. Shaver received many gifts for her little daughter.

Four tables of "Cootie" was in play. High score prize was won by Mrs. Ron Parkinson and Mrs. Charles Fritz. Low score prize went to Mrs. Alva Hartman. Mrs. Ron Parkinson won the door prize.

MRS. Florence Wickham joined the club. Visitors included Miss Judy Friend of Bath, Miss Fran Panesidi of Lansing and Mrs. Hilda Pifer. The hostess served a buffet luncheon. The July hostess will be Mrs. Clint Wright of Lansing.

North Victor

By Mrs. Elzie Exelby

Mrs. Albert Wright (Jerry Jones) and son of Oakland, Calif. are visiting her parents, Mr. and Mrs. George Jones, in Owosso. With them and her sister, Mrs. Nancy Nelson and four sons of Owosso, she called on relatives and friends here on Sunday. Mrs. Wright and Mrs. Nelson are twins and Mrs. Nelson is the mother of two pairs of twin boys.

Miss Barbara Snyder, daughter of Mr. and Mrs. Dennis Snyder is spending the summer teaching horse back riding at Tamarac Ranch Camp in Nicholson, Pa. Mr. and Mrs. Aldon Balcam held a picnic dinner on July 4, with Mr. and Mrs. James Whittemore in Ovid.

Mr. and Mrs. George Gee of Laingsburg spent Sunday with her parents, Mr. and Mrs. Louis Jorae.

Pamela, Carl and Mark Jones spent the past week at camp. They are members of the Laingsburg Baptist church.

Mr. and Mrs. Arlo Stelcher are taking a trip through the western states and a visit with their daughter, Arlene, at Spokane, Wash.

Miss Dawn Archer, small daughter of Mr. and Mrs. Dick Archer, fell while playing on Monkey bars Monday night and fractured both bones in her right arm.

Mr. and Mrs. Don Sleight spent last week at Lincoln Lake. Mr. and Mrs. Gerald Barrett spent from Thursday until Sunday there.

The Maag children are the owners of two new riding ponies. Horton Grange will meet at the church Friday evening, July 10.

Gunnisonville choir sings at Lansing Church

GUNNISONVILLE— The senior choir at Gunnisonville Community Methodist church made their first guest appearance at Westminster Presbyterian Church at Lansing, Sunday.

Members of the choir included the director, Mrs. Allen Cable, Mrs. Alva Hartman, Mrs. Ralph Green, Miss Susan Green, Mrs. Merl Trowbridge, Mrs. Glenn Balduf, Mrs. John Betts, Mr. and Mrs. Ed Homer, Mr. and Mrs. Ted Powell and Marvin Rhynard.

Community picnic set at Gunnisonville

GUNNISONVILLE— The 33rd annual Gunnisonville reunion will be held at the church Sunday, July 12. There will be a potluck picnic at 1 p.m. Special morning worship service will be held at 10 a.m. A program will follow the picnic.

This is a community reunion and anyone who has lived, or is now living in the community is welcome to come and renew old acquaintances and friendships.

Price-Greenbush units join for services

NORTH VICTOR—The Price Sunday school and church picnic will be held Sunday, Aug. 2 at the home of Rev. and Mrs. Wittenbach at Lowell.

The Greenbush Sunday school and church have been invited to join with the Price church for this event. All who have card tables are requested to take them and a church service will be held following the picnic.

Breakfast climaxes missionary sessions

NORTH VICTOR— Twelve women attended the missionary breakfast on Thursday morning at the home of Mrs. Elzie Exelby. This concludes the years work until September, when the meeting will be held with Mrs. Floyd Upton as hostess.

A picnic will be held at Round Lake Sunday, July 26.

Church to show Graham movie

The new Billy Graham feature-length sound-color motion picture, "Lucia," will be shown at 8 p.m. Monday, July 20 at the Congregational Church in Maple Rapids.

Filmed with the fire and excitement of gaucho folk music and South America's scenic grandeur, "Lucia" was made in its entirety in Buenos Aires, Argentina. The impact of the film is to be found in its intimate, honest treatment of an individual's emptiness and frustration apart from the filling of the "God-shaped vacuum."

Ovid

By MRS. APHRA PIXLEY, Correspondent

Ovid district to elect seven

OVID—Fifteen candidates have filed their petitions for the board of education of the new Ovid-Eiste Area School District. A special election to elect seven board members will be held on Friday, July 24.

Six of the candidates are presently serving on the interim board that was appointed shortly after the two districts merged. The two districts now are operating as one unit with each superintendent in charge of a high school.

When the new board is elected, one of their first jobs will be to select a superintendent who will be in charge of the entire district, even though both high schools will run separately for at least the next two years.

Candidates who filed their petitions are: for four-year terms, Donald Craig, Joseph R. Kurka, Stanley R. Loznak, John M. Schwark Jr. and Gordon Tubbs; three-year term, Merle H. Green, Francis E. Johnson, John D. Sticropi and Raymond D. Stewart; two-year term, Ellsworth L. Cook, Robert P. Cornell and Harold Green; one year term, Kenneth Austin, Robert Hubbard and Frank C. Rivest.

THERE are two to be elected for each term excepting the one-year term, where just one will be chosen.

Nuptials are told

OVID—The marriage of Katherine Ball and Calvin Sprague took place Saturday, June 27, at the St. Johns Church of Christ in Owosso. A reception was held in the afternoon at the home of Mr and Mrs James Ball.

Leona Warner, daughter of Mr and Mrs Oliver Nicholas, left this week for Toluca, Mexico where she will attend Mexico State University.

Mrs Jeanne Wilkins and daughter Juva Lea have returned from a week's vacation in New York City and attending the World's Fair.

Mrs Arthur Stephan has returned home from Clinton Memorial Hospital where she has been under treatment.

Mrs Nella Martin of Harrison called on Ovid friends Tuesday, p.m. after taking Willard Kurty to the Lansing airport from where he flew to Texas to be with his daughter, Mrs Sue Durkee, following the death of her husband, Captain Hugh Durkee.

Mr and Mrs Roy Chamberlain are in New York visiting relatives.

10 Ovidites attend grand council session

OVID—The 24th grand session of the grand council of the Michigan Order of Job's Daughters was held at the Pantlind Hotel and Civic Auditorium at Grand Rapids.

Those attending and taking part from Ovid Bethel No. 36 were: Sarah Lott, Patricia Dunay, Linda Hallead, Patricia Kridner, Gwen Baker, Cheryl Watson, Debbie Chaffee, Margie Morgan, Nancy Elliott and Sally Smith.

Church schedule set

OVID—Beginning Sunday, July 5, the United Church will hold worship services at the Main Street Church. The services are scheduled for 11 a.m. and will continue at that time throughout the summer months.

Patricia Harrington is spending some time with Mrs Fred Guild at Ithaca.

Pewamo

By Mrs Irene Fox

500 served dinner at church festival

PEWAMO—The women of St. Joseph's Church parish served 500 persons Sunday at the dinner and festival. Neighboring priests and friends attended and Father Kersjises' mother and brother of Grand Rapids were special guests.

Little Patty Winkler, daughter of Mr and Mrs Joseph Winkler of LaMirada, Calif., who are vacationing here for a month, won the car.

Mrs Carolyn Muhlman left Monday to visit her mother in Atlanta, Ga.

Mrs Casper Cook and Mrs John Fox of Pewamo, and Mr and Mrs Norbert J. Fox of Grass Lake were dinner guests of Mr and Mrs Roy Pease at Grayling Wednesday.

Music honor unit initiates Price

Jeff Price of 6114 Shepardsville Road, St. Johns, has been initiated into Pi Kappa Lambda, music honor society at Michigan State University.

He is one of 20 MSU students added to membership rolls of the one-year-old chapter.

THE SOCIETY is made up of students who have attained academic and musical excellence.

Depend on Du Pont for quality paints that outwear "bargain" paints

You can depend on Du Pont to give you the right kind of exterior paint for your house. All Du Pont exterior paints are designed to protect and beautify your house much longer than so-called bargain paints. Don't be misled by their claims. Depend on Du Pont quality—you'll save money over the years!

- FOR WHITE HOUSES, the paint that cleans itself! No. 40 Self-Cleaning White House Paint.
- FOR PAINTED CLAPBOARD over brick or stone, a non-staining finish. May be tinted. No. 42 Chalk-Resistant White House Paint.
- FOR NEW BRIGHT COLORS that stay fresh and beautiful for years. Color-Fast Outside House Paint.
- FOR A RICH LOW-LUSTER FINISH on masonry. DULUX® Stucco, Shake & Shingle Paint.
- FOR ALL OUTSIDE TRIM — There's nothing finer than long-lasting easy to apply DULUX® Trim & Shutter Enamel.
