More spending won't up taxes

Clinton County's operating budget for 1965 will be up by \$88,907, but taxpayers will have a reduction in their bills of \$93,135.

These figures were brought out at a public hearing Monday before the county board of supervisors, after which they adopted the budget.

A TAX of 5.5 mills will be allocated to raise money to run the county, and it will bring in \$578,219.95.

The county plans to spend in the neighborhood of \$848,261.95, but it needs only \$754,124.95 from a 5.5 mill tax to balance the budget. An estimated cash balance of \$152,042, and income "over-the-counter" of \$118,000 balance the figures.

THIS YEAR'S expenditure is \$88,907 higher than the \$759,354 last year. Most of the increase is accounted for in three budgeted items which were not on last year's list. They are capital improvements (\$54,411), county re-appraisal (\$84,500), and Employees Retirement Plan (\$12,500). Several other items are lower.

The appropriation and finance committee, which drew up the budget for board approval, consists of Derrill Shinabery of Greenbush, chairman, Ken Greer of St. Johns and Almond Cressman of Olive.

THIS YEAR was the first time the board has acted on the final budget. Prior to this, a tentative budget was drawn up and passed on in the spring to the tax allocation board, which acted.

OK zoning changes

The Clinton County board of Supervisors adopted several zoning changes and amendments to the county rural zoning ordinance Monday.

Jack Walker and Zoning Administrator Gerald Walter presented the changes to the board.

The 15 additions and amendments to the zoning ordinance were designed to clarify and strengthen it, Walker said.

THE ZONING changes were all in DeWitt Township and were from Zone D agricultural to Zone B residential. They affected the V. Kellen residence, the Hardtke farm, the John Crane farm, the John B. Flynn farm and the Herbert Hardtke farm.

Lansing man electrocuted working on new house here

A Lansing carpenter was electrocuted Monday afternoon, apparently because of his own perspiration.

Henry Mulder, 46, of 513 W. Howe Street, Lansing, was dead on arrival at Clinton Memorial Hospital shortly after 4:15 p.m.

HE WAS electrocuted in a home under construction at 1204 S. Lansing Street, where he was a subcontractor for Jim Fox. The house was being built for Earl King, manager of the Central Michigan Lumber Co. here.

City Police Officer Robert Ott, who investigated, said the dead man's partner on the job, John

Township Caucuses August 29

Township caucuses must be held on either Aug. 29 or Sept. 1 this year and the township board must determine the day on which all caucus sessions in the township will be held 20 days prior to the caucus.

County Clerk Paul Wakefield reminded township officials of this new regulation this week.

GONE ARE the days when a group, defeated in one caucus, could hold another later in the day and put up a slate of their own. Now the caucus session must be scheduled 20 days in advance by the township board and all caucus sessions must be held the same day.

Wakefield said the law allowed caucus sessions to be held on Sept. 1, which is primary election day, but he presumed township boards would select the other available date, Aug. 29, because a caucus held on the day of the primary election would be most confusing.

J. C. Penney's new manager starts here

Jerry Knupp, a veteran of 12 years with the J. C. Penney Co., took over last Thursday as manager of the St. Johns store.

Knupp replaced Edward W. Stephenson who was promoted to the management of the larger retail operation at Cadillac.

THE NEW manager here joined Penney's in 1951 at Harrisonburg, Va. He has worked at Penney stores in York, Pa., Upper Darby, Pa., and Wilmington, Del., where he was assistant manager.

Knupp attended Madison College at Harrisonburg.

He and his wife, Connie, have rented a home at 310 E. Sturgis and will be moving in next week. Mrs. Knupp has now returned to Wilmington to prepare to move furniture here, and Knupp will join her this weekend.

THE KNUPPS have four children, Jeanne, 14, who will be a junior in high school this fall, Tisa, 8, who will be in the third grade, and Gwinnette, 7, who will be a second-grader. A son, Gregory, 13, will stay with his grand-

Glover of 776 Lincoln Court, Lansing, had warned Mulder of the danger a few minutes before.

MULDER was reportedly perspiring heavily and was moving a portable planer, which he had left plugged into the wall socket. Mulder's sweat-soaked body apparently came in contact with the planer, causing it to short out and electrocute him.

Glover told Ott he heard Mulder cry out softly, saw what had happened and jerked the cord from the wall. He then pulled the planer out of Mulder's hands and ran for help. He told Ott he had to go to four houses before finding a telephone to call for help.

This crumpled wreckage, containing the body of Richard Hart of Bath, is what remains after a flaming crash with a cattle truck Sunday on US-27 south of St. Johns.

Plate glass window broken by bottle

A front plate-glass window was broken out of the Fowler Electric building at 616 Wright Road, Fowler about 2:15 a.m. Saturday. A beer bottle was apparently thrown against the window. An electric light fixture was also broken.

Sidewalk Days in St. Johns on Thursday and Friday.

Hot, cold, hot, dry, wet, dry

Except for snow, Clinton County has about run the gamut of weather during the past week. There's been sunshine and rain, and cool and hot days and nights.

Monday was perhaps the hardest day for people to get through. The temperature reached 98 degrees in St. Johns — probably a record — and coupled with high humidity, it made a sticky, uncomfortable day.

SUNDAY wasn't much cooler — it was 97. But toward the end of last week it got so chilly many of those who had been wishing for cooler weather changed their minds. The high last Thursday was only 78.

Farmers are still hoping for rain because of the dry weather that has hung over Central Michigan for several weeks. There were some showers on a couple of occasions, including a thunderstorm and a good rain Sunday night.

But now it's dry again.

Seeks reduction of Hanna drain right-of-way

Construction of a building in DeWitt Township prompted Carl Smith, its owner, to ask the county board of supervisors Monday to reduce the right-of-way for the Hanna Street drain across his property.

Smith is putting up a building on State Road. In order to build it so it will look properly lined with others in the area and so that semi-trucks can back up to it, he said, it will be necessary to build over the county's right-of-way for the drain.

THE RIGHT-of-way presently is 30 feet either side of the drain, and Smith asked to have it reduced to 15 feet either side. He said this would still allow room to work on the drain if necessary.

The board delayed action on the request until a new right-of-way agreement and resolution for the board to pass can be drawn up.

Flaming crash kills Bath man on US-27

A Bath man was killed Sunday afternoon in the flaming crash of his pickup and a cattle truck on US-27 south of St. Johns.

Richard Hart, 43, of Bath was apparently killed instantly. He was burned so badly in the fire that followed that the sheriff's department was unable to identify him until Monday noon.

HART'S PICKUP truck collided head-on with a tractor-trailer truck carrying cattle and driven by Russell J. Sooy, 49 of Ithaca. The accident occurred at 6:08 p.m.

Witnesses told Deputy Sheriff Hilary Hafner, who investigated, that Hart's truck, traveling south on US-27, had passed several cars before the accident. He was apparently passing another vehicle when struck in the north-bound lane by the tractor-trailer south of Daley's Restaurant.

THE IMPACT of the crash spun the pickup around so that it, too,

Want to put 'tick tock' back in clock

What to do with the courthouse clock.

The county board of supervisors Monday indicated they'd like to get it running again, but any action on that project will await figures on what it will cost.

SUPERVISOR Kenneth Greer of St. Johns told the board a Philadelphia firm, the only one in the United States which electrifies clocks of this type, has already been asked to give the county a cost figure on what it would take to get the timepiece running again.

Several supervisors said they had received public inquiries about the clock, which has been stopped for some time. The building and grounds committee of the board was instructed to keep close tabs on the matter for a price.

Bingham Grange sets meeting for Friday

BINGHAM — Bingham Grange will meet Friday, Aug. 7, at 8:30 p.m. at the hall. Lunch will follow the meeting.

At the last meeting, two new members were welcomed. They were Larry Sturgis and Tom Harris.

Name Greer city manager

City Assessor Kenneth Greer, who has been acting city manager since June 12 Tuesday night received the appointment as manager on a full-time basis.

Greer has been doubling in duty since Ralph Precious resigned the city manager post to go to DeKalb, Ill. His appointment as full time manager, expected for some time, was made by the city commission at its regular meeting Tuesday night.

KENNETH GREER

GREER HAS been working for the city of St. Johns since early 1957 when he became assessor. In the seven years since, he has also been given the responsibilities of building inspector and zoning administrator.

The assessor, according to the city charter, is automatically a member of the county board of supervisors, and Greer has been one of the city's representatives on that public body since 1957.

HE CAME to St. Johns in 1946 after serving with the United States Army in China and India. For varying lengths of time he worked as hospital X-ray and lab technician at Clinton Memorial Hospital for 10 years.

During that span he also operated the former Camera Shop next to the Legion Club on Walker Street and from 1951 to 1953 was

LaBrie tells of NEA convention in Seattle

Robert LaBrie, of the St. Johns High School faculty, told of his experiences at the 1964 National Education Association convention in Seattle when he talked to the local Rotary Club at their Tuesday noon meeting.

Theme of the convention, LaBrie said, was "Education for Responsible Freedom." Introducing the speaker to the club was Dr. Russell M. Kraft, program chairman for the Tuesday meeting.

LaBrie and his family traveled to Seattle by train for the week-long teachers' session. He was elected by the 400 members of the Clinton County Chapter of the NEA as a delegate to the national meeting.

GREER RECEIVED his high school education at Flint Central High School. He has attended Lansing Community College and Michigan State University and is presently enrolled in a group correspondence course with other city administrative officers from around Central Michigan.

Greer and his family live at 300 Lindy Lane. He and his wife have three children, Linda, 19, Regan, 12, and Shannon, 10.

Greer was a charter member of the St. Johns Jaycees and was also a member of the Exchange Club in 1947.

Resigns from library board

The resignation of Mrs Orpha Clement from the county library board was accepted Monday by the Clinton County Board of Supervisors. They named Elizabeth Hess of Elsie as her replacement.

Mrs Clement said she wished to resign because she was librarian at Elsie, and according to the state, librarians cannot serve on county library boards.

Mrs Clement's term was for three years. The library board was appointed by the supervisors at their June meeting. Others on the unit are: Oliver Angell of DeWitt, one year; Harold Beardslee of Ovid, two years; Dorothy Cressman of Olive, four years; and Beulah Ballantine of St. Johns, five years.

Sidewalk Days are here!

For the next two days, St. Johns' downtown streets will be a beehive of activity as county residents swoop into town to take advantage of bargains at the mid-summer Sidewalk Days sales event.

Sidewalk Days will be Thursday and Friday, and streets will be lined with tables and booths offering merchandise at bargain prices. An auction sale will be held Friday afternoon between 1:30 and 3:30 p.m. in front of the Wieber building and two cars will be auctioned off there at 9 p.m. Friday.

Leo Snitgen, chairman of the Sidewalk Days for the sponsors, St. Johns Business Unlimited, urged everyone to "come downtown." Helping him with arrangements for the event have been Max Fields, John Bradley, Ray Osborne, Roy Harr, Norbert Rehmann, Bob Prowant, Ken Dickens and Spud Heathman.

4 crashes Sunday keep police busy--23 unhurt

A rash of automobile accidents Sunday kept city police busy, but luckily no one was hurt in the four crashes inside the city.

At 1:30 p.m. Sunday, cars driven by Robert J. Kerr, 19, of 2315 Turner Street, Lansing, and Florence E. Ewer of R-6, St. Johns, collided at the city park.

PATROLMAN Robert Ott was told Mrs. Ewer was going west on the east-west drive south of the swimming pool and in making a left turn struck Kerr's auto in the left rear.

Kerr was traveling south on the north-south drive next to the tennis courts. Tammie Kerr, 17, DeBora Kay Kerr and Carol Kerr, all of 1614 N. Grand River in Lansing, were riding in Kerr's car.

AN HOUR later two cars side-swiped on US-27 between Gibbs Street and Clinton Avenue. The cars, both traveling north, were driven by Ronald E. Smith of 515 Berry Street, Lansing, and

Sandra Kay Messer, 20, of 104 E. Cass Street, St. Johns.

Ott was told Miss Messer was passing the Smith auto when she became dizzy and started to faint, causing the cars to sideswipe. She was ticketed for failure to have her car under control.

RONALD Costello, 20, of 308 E. Hodge Street, Lansing, was a passenger in Smith's car, while Lester W. Harrington, 20, of 128 E. Front Street, Ovid, was riding with Miss Messer.

A crash at Buchanan and Mead streets at 3:55 p.m. involved two cars and seven people. Autos driven by James J. Rehmann, 16, of 605 S. Mead Street, and Mildred Ann Stockwell, 20, of 706 S. Church Street, met at the intersection when the drivers did not see each other in time.

OFFICER Edward Teachout said the Rehmann car was going north on Mead and the Stockwell car west on Buchanan. The Reh-

mann car hit the left rear of the Stockwell vehicle.

Riding with Rehmann were Mary Rehmann, 9, and brothers and sisters Gary 8, Danny 6, and Janey 2, and Roger Lerg, 13, of R-1, DeWitt.

AT 10 p.m. SUNDAY, two cars were involved in a rear-end collision at Clinton Avenue and US-27. They were driven by L. D. Evert, 32, of 328 W. Williams Street, Ovid, and Don T. Trotter, 20, of R-2, St. Johns.

Officers were told both had stopped in the middle of the intersection. Evert was making a left-hand turn onto US-27 when another car coming north on Clinton pulled in front of him. When he stopped quickly, his car was hit in the rear by Trotter's.

RIDING WITH Evert were Ernestine Evert, 33, Ernest 11, Connie 8, and David Evert, 5. Ronnie Luke, 20, of R-1, St. Johns, was a passenger in Trotter's car.

Canadian Mounties stretch their legs beside bus on which they rode through St. Johns last week. The 41 Mounties were with a band heading for a festival at Grand Haven.

Canadian Mounties make stop-over in St. Johns

More than one St. Johns resident turned the corner at Clinton Avenue and State Street Friday and found themselves face to face with half a dozen Mounties.

The Mounties were in town in force—but only for pleasure, not business.

THE ROYAL Canadian Mounted

Police band, numbering 41 members, passed through St. Johns on their way to Grand Haven where they played at the Marine and Air Show to mark the 74th anniversary of the US Coast Guard.

The Mounties, from Ottawa, Ontario, stopped for coffee and donuts at Walker's Cafe about 9:30 a.m. Friday. According to

one of their number, they came from Sarnia Friday morning, and St. Johns was to be their only stop before arriving in Grand Haven.

THE BAND was to play at Grand Haven Friday night and Saturday, and on Sunday the group was to leave for Lake Placid, N.Y., to give a concert.

According to the spokesman, the band was designed to represent the RCMP, and most of the time is spent on tours of the Canadian provinces. The band makes only two or three swings into the United States each year.

MOST residents, after getting over the initial surprise of seeing the Mounties in town, were impressed by the group's sharp appearance and their "looking glass" boots.

"Father thinks a lot of you, Elliot, . . . most of it bad!"

4-H Fair's 3 big days draw near

Drawing ever nearer are the three big days Clinton County 4-H Club members wait for all year—the 4-H Club Fair.

The big days this year are Aug. 17, 18 and 19, and festivities, as usual, will be at the St. Johns city park. No admission is charged, and all events will be free.

UNLIKE MANY county fairs, the Clinton 4-H Club Fair is strictly agricultural, and there will be no midway of commercial booths, games and rides. Instead, the fairgrounds will be alive with exhibits of animals, foods and other 4-H projects.

The only departure will be contests in softball, horse shows, tractor driving, etc. The only professional entertainment will be on Tuesday afternoon and evening, when free vaudeville acts will be presented at the bandshell in the park.

OVER 1,200 different Clinton County youths, representing 51 summer 4-H Clubs and 40 winter clubs, will be participating in the events. They have enrolled during the year in 2,469 different 4-H projects, an increase of 498 over last year.

Foods and nutrition is by far the most popular project, according to 4-H Extension Agent Don

Walker. Some 484 club members have projects in this category.

Some of those food projects will be displayed in Smith Hall, along with the projects in clothing, food preservation, knitting, handicraft and flower garden.

SITES OF other projects will be: Quonset, west end—electrical, conservation, photography, personal improvement, home improvement, child care, vegetable garden, archery, leadership, tractor and safety.

Quonset, east end—sheep, swine. Beef barn—beef, poultry, rabbits. Dairy barn—dairy. Horse Ring—horses.

Adults in charge will be: Smith Hall—Emily Davis, Leonard Koenigsnecht, Anabel Peck, Ethel Fiegler, Judy Miller, Calista Reed, Clyde Peck and Floyd Messer. Quonset, west end—E. J. Bottum, Shirley Mygrants and Mila Spousta.

QUONSET, east end—Les Botmer, Charles Slim, Don Strouse. Beef barn—Arnold Blizzard, Robert Kissane, Larry Phinney. Dairy barn—George Hazle, William Parker, Leon Miller. Horse ring—James Gallagher, Ray Thomas, Don Lewis and Keith Shanley.

MARIE ANN LAUSE

Mr and Mrs Henry B. Lause of Greenville announce the engagement of their daughter, Marie Ann to Ronald Richard Schafer, son of Mr and Mrs Alfred J. Schafer of St. Johns. Miss Lause is a graduate of Greenville High School and Mercy School of Practical Nursing at Cadillac and is employed in Ionia. Mr Schafer attended St. Johns High School and is employed in Lansing.

Announcements

Members of Royal Neighbors of America, camp 602, will hold their annual picnic Thursday, Aug. 6, with a potluck supper on the lawn at the home of Mrs Louise Smith and Birdaline Smith, 601 W. State Street.

Pair bound for California feted at party

A surprise birthday and bon voyage party was given for Mrs Christina Motz and Mrs Marion Sohn by 40 members of their families on the lawn of the Albert Hufnagel home.

Mrs Ronald Motz decorated the birthday cake and Mrs Gerald Jorae decorated the bon voyage cake which had a miniature "Big Chief" train on it to bid Mrs Motz and Mrs Sohn a "happy journey" to California.

A gift of "mad money" was given the guests of honor who are spending two weeks with Mr and Mrs Jack Motz and three children in Pomona. Jack is the youngest son of Mrs Motz and a brother of Mrs Sohn.

Children honor California guest at farewell party

Ora Keys (O.K.) Clark, 8-year old son of Mr and Mrs Ora Clark of Los Angeles, Calif. was honored at a farewell party given by Judy and Maureen Miller Friday afternoon.

The neighborhood children who have included him in all their activities while he and his parents were guests for several weeks of Mrs Clark's aunt, Mrs Leon Budd, were guests. They party, just for him, climaxed the activities.

The family left Saturday for their home in Los Angeles. Enroute home, they will spend two weeks visiting relatives in Kansas City and Tucson.

MR AND MRS KERRY BUNGE

Reception climaxes Paksi-Bunge nuptials

A reception in the social rooms of the First Methodist Church climaxed the activities surrounding the wedding of Miss Susan Paksi and Kerry Bunge in the sanctuary of the church.

Dr Howard A. Smith performed the double ring service before an altar decorated with pink and white gladioli. Mrs Barbara Davis played traditional organ selections and accompanied Mrs Robert Sistine who sang "Because" and "The Lord's Prayer."

THE BRIDE is the daughter of Mr and Mrs Joe Paksi of R-6, St. Johns, who gave her in marriage. The bridegroom's parents are Mr and Mrs Kenith Bunge of 205 Floral Avenue.

For the event, the bride chose a floor length gown designed with a lace bodice featuring a square neckline and long sleeves. Her shoulder length veil fell from a crown adorned with pearls and she carried a white orchid on a white Bible, a gift of the bridegroom.

THE BRIDEGROOM graduated from Rodney B. Wilson High School in 1961. His bride graduated from the St. Johns high school in 1964.

Mrs Stephen Powers of Lansing was her sister's matron of honor. Another sister, Janet Paksi, and Chris Esch were bridesmaids.

THEIR PINK, sleeveless gowns featured lace bodices and bell-shaped skirts and their head-dresses were bow-shaped with short veils. They carried bouquets of white and pink mums.

Kimberly Paksi, daughter of Mr and Mrs Richard Paksi, was flower girl and wore a pink ruffled dress with a matching hat.

KELLY Bunge, son of Mr and Mrs Larry Bunge of Lansing, was ring bearer.

His father, was his brother's best man.

Serving as groomsmen were Jerry Bunge and Russell Slagell. Robert Paksi, Gale Walling and Darrell Andrus seated the guests. Steve Pifer of Marion, was candlelighter.

MRS BUNGE wore a gown of imported pink silk complemented with a corsage of white mums and pink roses. Mrs Paksi was attired in a blue floral dress with a corsage of white mums and pink roses.

Guests were from Pinckney, Grand Rapids, Ashley, Ovid, Battle Creek, Flint, Pontiac, Kalamazoo and from Ohio.

AT THE reception for 150 guests, Mrs Leon Pifer of Marion and Mrs Larry Paksi cut and served the wedding cake and Mrs Gale Walling served the punch. Mary Rademacher, Kay Cisler and Wilda Shipley were in charge of the gifts and Janice Castner attended the guest book.

The bride was honored at showers given by Judy Bunge of Lansing, Linda Walling and Chris Esch, by Judy Paksi and by Wilda Shipley.

Jean Mary Dodway has been spending the past three weeks in London, Ont., with her grandmother. Her parents, Mr and Mrs Bill Dodway, will be going after her the coming weekend.

MSU grads speak vows in St. Mary rites

WESTPHALIA — Miss Ann Marie Knoop of Westphalia, and Lawrence Pung of Portland, spoke their nuptial vows Saturday morning at 10 a.m. before an altar adorned with pink and white gladioli in St. Mary's Church. Rev Aloysius Miller read the double ring service.

The bride, a graduate of St. Mary's High School and a 1963 graduate of Michigan State University, is a daughter of Mr and Mrs Albert Knoop of Westphalia. The bridegroom is a 1957 graduate of St. Patrick's High School, a 1962 graduate of MSU, and the son of Mr and Mrs Louis Pung of Portland.

THE BRIDE'S floor length gown of silk organza and lace, was designed with a fitted, lace bodice, sleeves of silk organza, a lace hem around the full skirt and a lace panel in the back that terminated in a chapel train. Her bouffant veil of silk illusion was secured by a double crown of pearls and she carried dark pink roses and white carnations on a white missal.

Miss Catherine Rowell was her sister's maid of honor. Her sisters, Judy Knoop and Rita Knoop and the bridegroom's sister, Miss Theresa Pung, were bridesmaids.

THEIR FLOOR length gowns of light blue nylon organza were

Parties and gifts send Mrs J. D. Cox off to Germany

Farewell dinners, travel gifts and a purse of money were given Mrs John D. Cox by friends and relatives before she left St. Johns to join her husband, Airman 3. c. John D. Cox who is serving at Hahn Air Force Base in Germany.

Barbara left July 29 on the Lofieldir from Ice Lantic Air Lines at International Airport in New York City.

AFTER A 45-minute stop over in Ice Land, she arrived in Luxembourg where she was met by her husband.

Barbara is the daughter of Mr and Mrs Orville Jones of 409 N. Lansing Street.

Alabama guests tell problems to Parker Center unit

One of the most interesting meetings of the Parker Center Farm Bureau was held recently at the Raymond Doyle home when six guests from the Alabama Farm Bureau were present. Reports were given by Mrs Wilbur Brandt, Lee Ormston, and Bill Kissane, with Wilbur Bond presiding at the business meeting.

Byron Kissane conducted the discussion on the topic of farm prices and marketing problems. The Alabama guests mentioned how they were meeting similar problems, and each guest spoke briefly regarding his own farm situation.

WHILE THE Alabama Farm Bureau is organized on a state and county level, they have no community groups and the guests were impressed with the importance of such groups. All present took part in a recreational stunt presented by Mrs Doyle, and lunch and visiting concluded the evening.

The next meeting will be held at the Wilbur Bond cottage at Crystal Lake on Aug. 30.

Two report on Music weekend at Interlochen

Mrs George H. Brooks and daughter, Miss Maralyse Brooks attended the National Federation of Music Club annual weekend held at the National Music Camp at Interlochen Friday, Saturday and Sunday.

The host club was the Michigan Federation of Music Clubs with Mrs Vernon L. Venman of Birmingham as president.

THE MEETING attended by the St. Johns women included the council of district and club presidents held in the Bonbright cabin followed by a reception given by the faculty and staff.

A concert was given by the federation scholarship winners in the Jessie V. Stone building. An executive board meeting followed the concert and broadcast given by the university band and the percussion ensemble.

Dr and Mrs Joseph Maddy met the guests in the hotel dining room at a special luncheon. Mrs Gilbert Burrell of Lansing, a national vice president, was the speaker.

PRESIDENT of several states and national officers were introduced as were Mrs Brooks and the members of the South Central District.

Dr Maddy reported that \$12,000 was realized from the Van Cliburn-Luci Johnson show and told of plans for the return of Cliburn.

Concerts were given by federation winners from Michigan and other states. Music consisted of piano, violin, cello, harp, organ, flute and horn.

Mr and Mrs Harold Millman have returned from a vacation trip to Canada. They visited Mr and Mrs Gordon Barclay at Belleville, Ont., attended a Gilbert and Sullivan production at Stratford, Ont., and visited relatives at Gorrie and Riverside, Ont.

Morrow-Hoerner vows spoken at Wacousta

KINCAID—White gladioli adorned the chancel of the Wacousta Methodist Church for the nuptial service that united Joyce Irene Morrow and Harvey Dan Hoerner. Traditional music was played by Mrs Evelyn Morrow of Wacousta.

The daughter of Mr and Mrs Harold Morrow of rural Lansing and the son of Mr and Mrs Harold Hoerner of South Wacousta Road exchanged their vows before Rev William Torrey in a double ring ceremony, Saturday at 7 p.m.

THE BRIDE'S gown of white Chantilly lace and silk organza was designed with a lace tiered back. Her elbow length veil fell from a crown of crystal iridescents and she carried a cascaded bouquet of white carnations and pink rosebuds.

Miss Paula Abbott was maid of honor. Miss Nancy Hoerner and Mrs Shirley Randell were bridesmaids.

THEIR gowns of aqua, powder blue and pink were designed with full skirts of organza and snug lace bodices. They wore head-dresses of white velvet bows with white veils and the carried bouquets of white carnations with bows and net to match their dresses.

George Balmer served as best man. Dell Schmidtman and Clarence Parks were groomsmen and Richard Randell and Roger Har-

denburg seated the guests.

MRS MORROW wore for her daughter's wedding, a pink silk sheath with a corsage of pink carnations and white rosebuds. Mrs Hoerner was attired in turquoise chiffon with a corsage of pink carnations and white rosebuds.

Mrs Keith Pierce, the bride's aunt, cut the wedding cake at the reception for 150 guests in the church dining hall. Mrs Kenneth Morrow served the coffee and Karen Spiegel, punch. They were assisted by Laurel Glover and Mrs Kenneth Morgan. Miss Jane Schneberger attended the guest book.

SPECIAL guests were Mr and Mrs Morrow of Lansing and Mr and Mrs Howard Sargent, grand- parents of the bridegroom.

Following their return from a northern Michigan honeymoon on Aug. 8, the couple will reside with the bridegroom's parents until their new home is completed.

Mrs Hoerner graduated from Grand Ledge High School in 1963. Her husband is a 1962 graduate of Rodney B. Wilson High School.

The Upjohn Company of Kalamazoo owns the largest drug plant, under one roof, in the world. It contains more than 1,600,000 square feet of floor space and covers over 21 acres.

MR AND MRS CHANCEY DOWNING

Seat belts for his car, in recognition of his safe driving record with General Telephone Co., are presented to Rolla Evitts (second from left), by William Graef, St. Johns district manager for Gen Tel. Looking on are Jack Lyon, installation-maintenance supervisor, and Roman Koenigskecht, chief combination man here.

Gen Tel honors Evitts for over 750,000 miles of safe driving

Rolla Evitts, General Telephone Co. combination man, was honored Friday for achieving an outstanding driving safety record.

Company records show that Evitts has driven company vehicles more than three-quarters of a million miles without a reportable accident in the course of

his work during the past 37 years.

EVITTS WAS employed Feb. 7, 1927, and has done telephone installation and maintenance work in all the exchanges around the St. Johns area since that time. His first truck was a Model T, and in the 37 years he was assigned six different vehicles. Last week he started driving his sev-

enth truck, a new van-type vehicle equipped with the latest storage facilities for tools and material.

Rolla was presented a complete set of seat belts for his car as a souvenir of his remarkable record and during a luncheon was commended by company supervisors.

Raise question about Chandler

Heavy traffic by heavy trucks on North Chandler Road has been raising lots of dust lately—and the ire of some residents along it.

They're rather perturbed about it, Supervisor Maurice Gove of Bingham told the Clinton County Board of Supervisors Monday. The road seems to be the main route out to M-21 from about four gravel pits northeast of town.

The result is lots of dust in dry times such as the county has had the past few weeks, Gove said. Since it is a township line road, it creates some problems about taking care of it.

Supervisors George Austin of Ovid, Darrill Shinabery of Greenbush and George Moore of DuPlain, all of whom also have Chandler on their borders, have agreed to work with Gove in meeting the problem, perhaps with chloride to keep down the dust.

GOVE POINTED out that since the road was a township line road and was heavily used, it should be a classed primary road and should be surfaced. He said that

since gravel will probably continue to come from that area for many years, Chandler road will be used for a long time and the county should work on it to come up with a permanent answer.

The highway committee of Moore, Willard Krebel of Riley, and Shinabery was instructed to work with the county road commission to see what answers could be found to the dust dilemma.

Lansing member is honored by Kith 'n' Kin Club

The Kith 'n' Kin Birthday Club was entertained Monday evening at the home of Mrs Clint Wright in Lansing. Ten members and three visitors were present.

Mrs Ruth Shaver of Lansing, was the honored guest. She received a group gift of money from the club.

A GUESSING game and Pass-word were played with high score being won by Mrs Charles Fritz and door prize drawn by Mrs Arnold Gross. Consolation prize went to Mrs Ernie Fritz. The hostess served a buffet luncheon. The August hostess will be Mrs Farley Bouts of DeWitt.

Told education key to social opportunities

Donald Munger, vocational agriculture teacher from St. Johns, was told that "education is the key which unlocks the door of social opportunity."

Making the statement was Dr Carl H. Gross of the College of Education, Michigan State University.

"PEOPLE need to find acceptable social status, and education helps them to achieve this status," Dr Gross told the more than 200 teachers and school administrators participating in the five-day meeting.

He said the curriculum of the secondary school of yesterday is no longer applicable today because of the impact of automation and technology on business and industry.

"WE NEED schools today which will promote critical thinking, foster real values and prepare people to make valuable and satisfying contributions to society," he maintained.

General sessions, discussion groups, workshops, regional and district FFA meetings, better chapter farming awards and the presentation of awards to those teachers with 5, 10, 20 and 30 years of service with the conference highlights.

Learning With Resusci - Anne

Resusci-Anne, the civil defense dummy for mouth-to-mouth resuscitation practice, is explained to 23 members of the lifesaving class of young swimmers at the pool Friday night by CD Director Charles Frost, right. Standing next to him is Norbert Kuntz, lifesaving instructor and assistant pool director. Resusci-Anne has been used by over 1,400 persons in the county and is available free to any civic group or clubs for demonstrations.

County gets 6 of 10 air conditioners ok'd

In miscellaneous business carried on by the Clinton County Board of Supervisors Monday, they:

—Were told the low bid of \$2,565.58 by Geller Electric for 10 air conditioners for county offices was accepted by the building and grounds committee. Only six of the 10 units were on hand, and the other four are en route.

—AGREED with the building and grounds committee (Willard Krebel of Riley, Ken Greer of St. Johns and George Austin of Ovid) that broken glass blocks at Smith Hall should be replaced with cement blocks. This smashing of glass blocks had happened too much, and it's too costly, they said.

—Will have a new Vestaburg silo built at the county farm on the same base as one torn down. The silo will cost \$1,256.31 and will be 10 x 35 feet in size. It replaces one 19 years old which Vestaburg would not repair because it was unsafe.

—WILL LET the building and grounds committee determine what offices will be located in the ground floor of the county board of education building and then will remodel it. The ground floor is presently an apartment rented by Mrs Charles Fowler, who will be moving out soon.

—Clamped down by limiting the use of courthouse and jail rooms for evening meetings to only those groups which have some connection with county government.

Navy increases OCS candidates

The United States Navy will increase its input of officer and enlisted personnel direct from civilian life, with emphasis on quality.

College graduates, male and female, may apply for Officer Candidate Schools and serve as a Naval officer. High school graduates who qualify will obtain class "A" service schools.

Applications are being accepted through local Navy recruiting offices, including the one at the city building on Main Street in Owosso. The office there is open daily from 8:30 a.m. to 5 p.m. and 8:30 a.m. to noon on Saturday.

Brother, son dies in truck crash

Clifford Rose, 58, of Wayne, whose father and two sisters live in St. Johns, was killed early Monday morning in a truck-car crash on Interstate 96 near Brighton.

Mr Rose was a driver for the Hess Cartage Co.

Survivors include his father, William Rose of 1207 S. Lansing, his sisters, Mrs Elmer Stewart and Miss Charlotte Rose, manager of Matthew's Restaurant, both also of St. Johns, and two brothers, Chester of Charlotte and Arthur of Jackson.

—AGREED the county should pay for care for graves of people buried with county funds. The building and grounds committee was instructed to work out details.

—Approved up to \$125 for a new camera for the county Extension office to replace a county-owned camera stolen from Extension Director Earl Haas.

—Passed a resolution opposing the diversion of public waters for private use, such as is reportedly being done with the Looking Glass River in Shiawassee County.

—REJECTED by a 14-6 vote the installation of an air conditioner in the state welfare offices in the welfare building. The state had refused to have their offices air conditioned, but said they would pay 25 per cent of the cost of one if the county installed one in the state side.

CD communication center study ok'd

Clinton County supervisors gave civil defense a plug Monday during an hour-long discussion of what they'd seen on recent tours of CD installations in other parts of the state.

By the end of the hour, Civil Defense Director Charles Frost had been given the "go" sign to outline what he thought would be a good civil defense setup for the county, including a communications center.

HE IS TO present it to the county board for its approval. Board Chairman Charles Coletta complimented Frost and the civil defense committee (John Setterington of Essex, Fred Culy of DeWitt and Ernest Carter of Watertown) on the job they have done in getting CD information to the board.

A member of the supervisors have visited civil defense setups at Washtenaw, Jackson and Muskegon counties, the federal center at Battle Creek and the state CD office.

SETTERINGTON was emphatic about the need for setting up a communications center where all local-level government heads could gather in safety to operate.

"If you don't have a communications center, you don't have government in case of disaster," he said. "And we need a communications center if we're going to get higher-up cooperation on our program."

FROST AND his committee got the job of determining and recommending a shelter area for a communications center.

Vote to spread Ice Pond drain costs to district

With the Ice Pond drain project at an end, the Clinton County Board of Supervisors had to decide Monday how to take care of court, legal and other fees that have mounted up after more than four years of litigation.

They voted 10-9 to spread the cost by assessments to the district. Ken Greer of St. Johns, heading the argument against that choice, said he thought the signers of the petitions should be held liable for the cost.

VOTING TO spread the assessment over the district were Supervisors Gerald Shepard of Bath, Fred Culy of DeWitt, George Moore of Duplain, Charles Higbee of Eagle, Derrill Shmabery of Greenbush, Walter Nobis of Lebanon, Almond Cressman of Olive, George Austin of Ovid, Ernest Carter of Watertown and Walter Thelen of Westphalia.

Allan leaves Tuesday for Soap Box Derby

Allan Smith of Westphalia will leave Tuesday for Akron, Ohio, to represent Clinton County in the All-American Soap Box Derby on Aug. 15.

Bernard Feldpausch, director of the Clinton County derby which was run June 28, will drive Allan to Akron where he and 238 other boys entered in the race will have three days of rest and fun at a boys camp prior to the race.

ALLAN'S RACER has already been shipped to Akron.

Feldpausch and Allan, son of Mr and Mrs Aloysius Smith of Westphalia, will be escorted into Akron by motorcycle police and will ride down the main street of town in an open car.

The day preceding the race will see a big parade through Akron's downtown, and Allan will be in it.

The winner of the 27th running of the All-American Soap Box Derby will be flown to New York on Sunday following the race. He will spend three days there, will

persors Gerald Shepard of Bath, Fred Culy of DeWitt, George Moore of Duplain, Charles Higbee of Eagle, Derrill Shmabery of Greenbush, Walter Nobis of Lebanon, Almond Cressman of Olive, George Austin of Ovid, Ernest Carter of Watertown and Walter Thelen of Westphalia.

Voting against it were Raymond Mayers of Bengal, Maurice Gove of Bingham, William Hufnagel of Dallas, John Setterington of Essex, Claude Underhill of Victor, Kenneth Greer, Harold Reed, Charles Coletta and Lorenz Tiedt of St. Johns.

Little Olympics starts here today

The 1964 St. Johns Little Olympics, open to youngsters age 8 to 16, will be run this week and next, with each contestant entering three of eight events offered.

Roger Kowalski, recreation director, said there will be four age groups, with a girl's and a boy's division in each. The groups will be PeeWee, 8 years old and under; Junior, 11 years and under; Intermediate, 14 and under; and Senior, 16 and under.

ACCORDING to Bill Smiley, in charge of the Little Olympics, all events will be run off in the afternoon, from 1 to 4 o'clock Thursday, Friday and Monday.

Youngsters can participate at any time on any day when their activities can be observed by judges.

Events and rules include: Softball Throw—three throws for distance and accuracy; Baseball Throw—three throws for distance and accuracy; Football

Throw—three throws at target; Eight-pound Shot Put—three puts for distance;

HOP, SKIP and Jump—three tries for distance; 50-yard dash — one try for time; standing broad jump—three tries for distance; and One-quarter Mile Race — one try for time.

There will be winners in each event in which there are four or more contestants entered. Overall winners for each age group will also be counted.

Tigers offer free bats to youngsters

The Detroit Tigers will present official Little League bats to all boys and girls, 14 or under, attending the doubleheader with the Kansas City Athletics at Tiger Stadium Sunday.

Thousands are expected to turn out for the special event, and the stadium management is prepared to distribute bats to the youngsters as they pass through the turnstiles on full-paid admission tickets.

Gift Putter For Al Holliday

As a going away present for Al Holliday, on the left, who departed Tuesday for a new job in Virginia, a group of his friends including A. T. Allaby, center, and Norman White, right, presented him with a gift putter last week. Engraved on the putter was the inscription "To a good Democrat from his St. Johns Republican friends." Holliday, formerly speech correctionist and public information coordinator for St. Johns public schools, starts August 17 as director of school-community relations for Fairfax County public schools in Virginia. He used his new putter to help obtain an eagle 3 on the par 5 third hole of Clinton County Country Club on a final round during the weekend.

New event, changes noted for swim meet

One new event and two changes have been made for this year's recreation swimming meet at the city pool Aug. 20.

The date is also a change from that previously announced. Because of a mix-up in dates, the meet will be held Aug. 20 instead of Aug. 13 as announced two weeks ago.

THE new swimming meet event will be the individual medley. According to LeRoy Hanson of the St. Johns Jaycees, sponsors of the

meet, each swimmer in the individual medley will be required to swim 100 feet using the back stroke, 100 feet with the breast stroke and 100 feet in free style.

Two changes were noted. The medley relay teams will be cut from four members to three this year in an effort to increase the number of teams competing. On the high dive, open to all boys and to senior girls, two of the four dives will be optional this year. Required dives will be the back dive and the swan.

REGISTRATION for the meet is continuing at the city pool, where participants can sign up with Pool Director Frank Rosengren. There will be four divisions of events—senior boys and senior girls, ages 13-15, and junior boys and girls, ages 10-12.

Events in each division will include the 100 foot free style, 100 foot breast stroke, 100 foot back stroke, 100 foot side stroke, 200 foot free style, the individual medley and the medley relay.

The low dive will be open to all divisions, with participants being required to do the jack knife, back dive, swan and front somersault. The high dive will be open only to boys and senior girls.

AN OUTSTANDING Swimmer trophy will be awarded to the person accumulating the most points in individual events, regardless of their division.

Three contestants must race in each event before awards will be given, Hanson said. The Jaycees buy the ribbons which are given to the winning contestants.

LAST YEAR was the first time records were kept of the meet, and these are being compiled and will be placed on a board at the pool prior to the meet Aug. 20, Hanson said.

The 1963 swimming meet drew 70 different contestants and a crowd of about 500 spectators. Rosengren said the recreation department is planning to erect bleachers outside the fence for spectators this year, and these would accommodate between 400 and 600 people.

Local softball tourney set

A double elimination tournament will be held this week and next to determine the St. Johns representative in the state Class D Softball Tournament.

The tournament will start Thursday at 7:30 p.m. when Benson's and South Riley clash. At 9 p.m., Gladstone's will play Dean's.

THE LOSERS of those games will play Monday at 7:30 p.m. and the winners at 9. Final game in the losers bracket will be Tuesday at 9 p.m., and the winners bracket final game will be next Wednesday at 7:30 p.m.

Pewamo dumps Sheridan 8-2

PEWAMO—Pewamo's baseball team kept their playoff hopes alive Sunday when they won over Sheridan 8-2. Pewamo now has an 11-1 record, with the only loss coming at the hands of Lakeview, the number one team in the league.

Bill Heckman was the winning pitcher in relief of Bill Werner who hurt his back while pitching in the fourth inning. Both pitchers allowed one hit.

PEWAMO WAS never behind as they scored at least one run in every inning except the second. Herb Werner did the catching chores for Pewamo. Pewamo gathered 13 hits.

Pewamo finished second in the first half of league play with a 6-1 record. They travel to Sidney this Sunday for a game a 2 p.m.

Pirates invite Every to tryouts

A St. Johns high school junior has been invited by the Pittsburgh Pirates to try out with them in a special early spring tryout session next year.

He's Bob Every, 16, son of Mr and Mrs Gerald Every of 105 Floral Avenue. He was one of three St. Johns boys who went to Grand Ledge last week for a tryout session with the National League team.

EVERY, A centerfielder, was one of six of the 50 or 60 area boys who tried out who were invited to Ft. Myers, Fla., for two weeks of early spring practice next year.

Every's expenses down and back will be paid for by the Pirates as long as the trip will not interfere with school. The tryouts will be in late January and early February.

EVERY WON the baseball batting title at the high school in his freshman year with a .434 aver-

Golf stag day set for Aug. 15

The Clinton County Country Club's annual stag day golf event will be a week from Saturday on Aug. 15.

TELL IT TO THE WORLD WITH

1965 wheat program details are announced

The Agriculture Department has announced details of next year's wheat price support program...

Farmers who agree to reduce plantings as much as 10 per cent below 1963's government-issued wheat acreage allotments will be eligible next year for 75-cent certificates...

Brush Test

If an old brush is to be used for painting, be sure it is good enough for the job. Here's a quality test you can make:

Press the bristles against the back of your hand. The bristles should spring back without fanning. Next pull the bristles; only a few should come out.

Separate the bristles and check for a thin strip of metal or wood in the heel of the brush. Be sure there are no holes in the middle, as this shows a worn-out brush or one that was not too good to begin with.

If tip of bristles bend in one direction, don't cut them off to straighten the brush.

The Yardener

Tarp Troubles

When painters come to do your home, they may—with no intention to do it—damage your plants.

The better painters always cover shrubs with tarps to prevent spatter on leaves. This is great to prevent paint damage, but results can be far more serious if the sun hits the covering.

To realize what can happen, all you have to do is remember how hot a tent can get when it stands in full sunlight.

What to do? It's the old "lady and the tiger" problem. If plants are in the shade, they may be safely covered. If not, however, it's up to you.

Final Account Harker—August 26 STATE OF MICHIGAN—The Probate Court for the County of Clinton. In the Matter of the Estate of HARRIET HARKER, s/w Harriet E. Harker, and s/w Harriet H. Harker, Deceased At a session of said Court, held on July 26, 1964. Present, Hon. Timothy M. Green, Judge of Probate. Notice: Herby Given, That the petition of John W. Fitzgerald, the executor of said estate, praying that

The acreage-cutting program will be operated about the same as this year's, although the price supports and income-boosting Federal payments to farmers are slightly modified.

PRICE props to the 1965 wheat crops will be \$1.25 a bushel, down from \$1.30 on this year's. To maintain farm income, however, Federal payments will be increased 5 cents a bushel.

The wheat programs authorized under current laws are aimed at holding down production by paying farmers to divert some wheat land to soil building crops.

The largest payment is in the form of a negotiable certificate good for either surplus wheat or cash. Nearly all farmers choose cash.

To recover the cost of this payment, the government requires millers and exporters to buy certificates for all wheat they purchase.

IN 1965, the certificates will be worth 75 cents a bushel on wheat consumed domestically, up from this year's 70 cents. On wheat exported, the certificates will be worth 30 cents, up from 25 cents.

ORDINANCE OF THE TOWNSHIP OF DEWITT, CLINTON COUNTY, MICHIGAN An Ordinance to provide opening and closing hours for cemeteries; penalty for entering during closed hours; exceptions thereto. THE TOWNSHIP OF DEWITT ORDINANCE Section 1. All cemeteries of the Township of DeWitt shall be closed to the public from 8 o'clock P.M. until 8 o'clock A.M. every day.

Section 2. Any person entering a cemetery when closed to the public shall be guilty of a misdemeanor and upon conviction thereof, shall be fined not exceeding \$100.00 or imprisoned in the County Jail for not exceeding ninety days or by both such fine and imprisonment in the discretion of the Justice of the Peace. PROVIDED, HOWEVER, special permission may be obtained to enter a cemetery during closed hours from the Township Constable or any member of the Township Board, provided such permission is in writing.

Section 3. This Ordinance shall become effective thirty days after the passage thereof, and shall remain in force until amended or repealed. Passed, ordained and ordered published this 3rd day of August, 1964. (Signed) WARDEN KYES, Township Clerk 15-1

But 30-cent certificates will be offered only on normal yields on an additional 35 per cent of the wheat plantings, down from 45 per cent this year. Only price supports, without certificate payments, will be available on the remaining 20 per cent of the land, compared with this year's 10 per cent.

ANOTHER payment will be offered to farmers who agree to reduce plantings at least an additional 10 per cent. This payment will be equal to 50 per cent of the price-supported value of normal yields of the extra idled land.

Also, farmers for the first time will be allowed to combine their wheat acreage allotments with feed grain acreages, the size of which will be ascertained under the Federal feed grain program, into one large grain acreage base.

On this combined base, farmers could grow wheat exclusively or feed grains, exclusively or any combination for most efficient land use.

The Board of Clinton County Road Commissioners held their regular meeting Monday, Aug. 3, Wilbur Reader, Walter Oaks and Lloyd Campbell from the Soil Conservation Service met with the Board and discussed the Clinton-Waters drainage and flood control project. The project involves nine road crossings.

The commissioners discussed two proposed subdivisions and talked with a delegation about a plot in Bath Township.

BILLS AND payrolls were approved for payment in the amount of \$61,000. The July operation report showed income of \$12-, 150.85 and disbursements of \$109,211.99.

Summer construction and maintenance programs have cost \$322,000 to date, and with State Highway Improvement added, a total of about \$1 million will be spent on Clinton County roads this summer.

CONSTRUCTION of the bridge on Wood Road is delayed for a short time. The contractor is awaiting another shipment of steel. Bids will be taken for three bridges on Colony Road next Wednesday, Aug. 12. Also on Aug. 12, the Clerks association meets in Grand Rapids. Topic for discussion at the association meeting is data processing for County Road Officers.

Orville Jones returned to work this week after a vacation trip to New York.

CLAYTON Fisher is still on vacation this week, and Jay Barrett is handling maintenance for all the county.

Fred Crowell's construction crews are moving to Greenbush Township next, where they will start on Williams Road and Hyde Road.

DON EWING, Clerk,

Spending by state forest campers added about \$210,000 to the economy of Upper Peninsula communities last year. Local income from these recreationists totaled nearly \$900,000 in the northern Lower Peninsula, and \$80,000 in the southern Lower Peninsula.

Aug. 8 bride is honored at many showers

VALLEY FARMS — Miss Karen Schermerhorn, Aug. 8 bride-to-be of Robert Placer, has been entertained at several pre-nuptial events. She is the daughter of Mr and Mrs Gilbert D. Schermerhorn of 129 Wieland Road. Mr and Mrs Walter Placer of R-1, DeWitt, are the parents of the prospective bridegroom.

The first event held in Miss Schermerhorn's honor was a kitchen shower given by Miss Sharon Ellsworth and Miss Kim Schalow. High school friends gathered for the occasion. Shades of orange and brown themed the event. A white cake with tea roses and punch were served. Special guests were Miss Janet Cole of Charlotte, and Miss Jane Hansen, who was visiting from Florida, a former schoolmate.

RELATIVES of the bride-elect were guests at a miscellaneous shower given at the home of Mrs Vern Hardman in St. Johns, aunt of the bride-elect. Cohostess was Mrs Mabel Linderman of Lansing, grandmother of the bride-elect. Gifts were arranged under an open umbrella, in which pink and white streamers were attached. White bells were also hung throughout the home.

Other parties were given by Mrs Dean Lowe and Mrs Harvey Bartrem on July 30, by Mrs Lyman Case on Aug. 4, and by a Secret Pal Club, in which Mrs Gilbert Schermerhorn is a member.

THE BRIDEGROOM'S parents, Mr and Mrs Walter R. Placer will hold a rehearsal dinner for Miss Schermerhorn and Mr Placer at Light's Restaurant Friday evening.

The guest list will include Mr and Mrs Gilbert Schermerhorn, Miss Kimberly Schalow, Miss Sharon Ellsworth, Mr and Mrs Gerald Jenks, Donald Placer, Kenneth Leonard, Eugene Schneberger, Mr and Mrs James Harrison, Mr and Mrs Alva Hartman, Aidan Stamfly, Gerald Hardman, Roger Wyrick and Rev and Mrs William Hainsworth.

Club women are offered session list

Mrs Arnold Svebilus of Grand Haven, West Central District president of the Michigan State Federation of Women's Clubs, has announced the following dates for area clubwomen: Fine Arts Tea, National Music Camp, Interlochen, Aug. 5 at 1:30 p.m.; West Central convention at Grand Haven, Oct. 27; Ingathering at Loch Rio Girls Town, Nov. 14; Michigan State convention in Kalamazoo, April 27, 28, 29, 1965; General Federation convention at New Orleans, La., June 7, 1965.

She also announced this district's recent awards.

CLUB-OF-THE-YEAR award for the best all-around program, membership under 100, went to the Greenville Junior Woman's Club. Based on per capita donations, the Grand Rapids Juniors were tops for Girlstown.

The Grand Haven Woman's Club had the most outstanding achievements in Conservation. The Michigan Federation was named as one of the top three in the entire country for its outstanding work. The others were Wisconsin and Illinois. An award will be given the district having the greatest number of conservation programs this year.

OTHER awards and recognition went to this district for art, drama and 100 per cent participation in CARE by 23 clubs in this district. This included area clubs from Byron, Elsie, Maple Rapids, St. Johns and Ovid.

Scholarship contributions throughout the federated world amounted to \$917,520.80 and Michigan was rated as one of the top ten.

MRS SVEBILIUS also reminded the district federation clubs that Mrs L. Neil Dalby of Lakeview, and chairman of the Esther Hunter Scholarship Loan Fund is anxious to accumulate the \$250 for the first scholarship through Grand Valley College.

Lack of nutrition curbs baby's health

BY BETTY KETCHAM
County Extension Agent
Home Economics

One out of every four mothers bearing a first child is less than 20 years old.

A startling statistic? Yes. But not nearly as startling, says Dr Evelyn Spindler, extension nutritionist in the U.S. Department of Agriculture, as the fact that about half the teen-age girls in this country, have diets poor in some essential nutrients.

This makes them ill-equipped for motherhood.

ACCORDING to Dr Icie G. Macy, an expert in child nutrition, babies borne to undernourished teen-agers may be premature, have congenital defects, or lack adequate nutritional stores to protect them through birth and the first days and months of life.

Because the teen-ager's own body is still in the formative stage, the young mothers bears an added strain during pregnancy. She must feed two children—herself and her baby.

AT THIS time a good, well-balance diet is essential, Dr Spindler says. The mother-to-be should eat two or more servings of lean meat, poultry or fish each day, four cups of milk, and four or more servings of vegetables and fruits, bread and cereals.

During the second half of the pregnancy, she should add another egg, an extra pound of fruits or tomatoes, and three-fourths pound of dark-green or deep-yellow vegetables on her diet each week.

NO MATTER what your age, you have a life-long need for good nutrition. Older folks, especially, often find cooking a chore. Yet it needn't be. Preparing interesting

Mrs Newman holds a floral decorated plate that she likes. One of Mrs Halterman's preferences is a decorated tea set. Mother-daughter team finds fun in ceramics

BY MRS FAYE HANSON

DEWITT —The DeWitt Ceramics Studio puts Santa's workshop to shame on Wednesday and Thursday evenings and on Thursday afternoons when Mrs Arthur (Jean) Newman and her mother, Mrs Glenn (Vedah) Halterman, are giving lessons to students. They have 40 students who come from Lansing, St. Johns and Laingsburg, as well as the DeWitt area.

THIS ALL came about in 1956 when Mrs Newman with several friends attended classes in ceramics in the Lansing adult evening school. She became fascinated by the art and it rapidly became her hobby.

The following year she established her own studio and in-

stalled a kiln in the basement of her home. Her mother also became engrossed in the art and joined her daughter in this project.

BOTH continue to take advanced lessons and attend the National Ceramic Shows in various parts of the country. They are continually experimenting with new glazes and paints and are always looking for ways to improve their techniques.

Mrs Newman is office secretary in the DeWitt Public Schools and her husband, Arthur, is postmaster for DeWitt.

Mrs Halterman spends most of her time in the studio and her husband, Glenn ("Dutch" to his friends) is a barber and the Fire Chief of DeWitt Township.

BOTH WOMEN are members of the National Ceramics Assn., The Firemans Auxiliary and of the DeWitt Eastern Star. Mrs Halterman is a past patron of this group and is active in their club.

They welcome visitors to their studio and are always glad to show them around.

MEET YOUR CLUB PRESIDENT

St. Patricia's Guild

MRS ALVIN J. THELEN

Mrs Thelen of West Parks Road is the new president of St. Patricia Guild of St. Joseph Altar Society. She is second vice president of the Lansing Deanery Council of Catholic Women, a member of the board of the altar society, officer of the St. Joseph Home-Room Council, an officer of the Michigan State Grange and of the Olive Grange, a past president of St. Joseph Altar Society and served as banquet chairman of the 1960 Diocesan Convention. Her hobbies are sewing, knitting, painting, piano, bridge, collecting vases and entertaining. She recently served as camp counsellor for the grange. She has five children, Steven, 10, Vickie, 9; Debbie, 8; Douglas, 4; and James, 2.

Mrs Matthews blazes trail of campaigning with husband

BY MABEL OPPENHEER

Mrs Jean Matthews isn't a Mary Scranton and she doesn't claim the professional know-how of Lenore Romney, but she's a good organizer and believes that her husband, James C. Matthews, should be the State Representative from the new 87th Michigan District.

So, she's organizing her schedule to blaze the campaign trail with him until the Republican primary on Sept. 1.

WITH HER confidence in his ability and her experience and tact of meeting people, his petite, attractive blonde wife would be a definite asset to a successful campaign.

"He believes that he can do a good job for the people," she declared, "and, I believe that he can, too."

"Jim has always been interested in good government and in politics," she explained. "He is community-conscious and proud of St. Johns and he would like a part in government."

HE IS well known in Clinton County but since the reshuffling of districts which brings Shiawassee County into the 87th district he has a lot of "getting-acquainted" to do.

They plan to attend the Shiawassee County Fair and other scheduled meetings on their "meet more people" campaign. She has been busy for some time composing a mailing list of the

hundreds of names from petitions.

MRS MATTHEWS has earned a reputation as a good organizer as president of the St. Johns Music Boosters Club. During her presidency of the group which was at a low ebb when she took office, \$3,000 has been raised. This includes \$1,800 for the advertising and sale of calendars. Part of this fund will pay expenses of 140 members of the school band to the National Music Camp at Interlochen in August. This is the largest group of local bandmen to make the trip.

In the fall, a drive will be conducted to raise approximately \$2,400 to provide 24 new band uniforms.

BESIDES the usual concerts, the Music Boosters Club sponsored Varsity Night on which they realized \$500 last fall. This is the big event of the year and will be repeated next fall.

Mrs Matthews was made an Honorary All-Star when St. Johns hosted the All-Star Band Festival here. Two hundred and eight of the best band musicians in Michigan were entertained here at that time.

She is a member of the Green Tee Club of the Clinton County Country Club and has served as its president, also of the Swegles Street Parent Teacher Association.

SHE IS a Miss Michigan pageant preliminary judge and has served in this capacity at many Michigan events. She is scheduled to

judge for the selection of Miss Teenage of Lansing soon.

She has arranged many fashion shows for the Clinton Memorial Hospital Auxiliary and the tableaux for the First Congregational Church Lenten service.

She served on the gerontology seminar for Senior Citizens and she said, "I hope to do more because I enjoyed it. I think these people are a wonderful inspiration."

SHE WAS A guest of honor at the Jay Gettes auxiliary tea. And she serves as a den mother for Cub Scouts.

Two years ago when Mrs Lenore Romney was campaigning for her husband, George, to become governor of Michigan, Mrs

Matthews organized a tea for her in this county. Last month, she was one of the hostesses for the coffee hour given by Mrs Ink White honoring Mrs Elly Peterson.

THE COUPLE has three children, Cathy, 16, Todd, 10, and Melissa, 4.

Mrs Matthews is proud of her husband and generous with her praise of him. "She said 'I'm so proud of him. He's so sincere in what he is doing.'"

Our laws help make our youngsters lazy

Quite frequently our teenagers are pictured as indolent, lazy louts with no desire for work. That isn't so. They aren't lazy. It is just that our labor laws and bureaucratic edicts are bending them in that direction.

A representative of the state department of labor spoke over in Mason recently, pointing out the restrictions on hiring youths.

Those people who thought they were doing neighborhood youngsters a good turn by hiring them to mow lawns are not good samaritans—they're in the wrong, according to labor rules.

THOSE FARMERS who take on boys under 18 for summer work where power equipment is being used are in violation of labor laws and edicts.

It's okay for a 15-year-old boy to throw his weight against a 205-pound tackle in football but he is limited to 20 pounds if he has a job for pay.

It's permissible for a 16-year-old to drive and work on his hot rod or race around on his motor scooter but he can't work in the same room with power equipment.

AS A RESULT of these laws and edicts and the many others we meekly accept, our youths are totally unprepared in most cases to recognize or respond to the responsibilities of work when they finally do get the chance.

This time of the year businessmen and farmers are deluged with requests from boys and girls for summer employment. Most of them are out of luck. Most of them want to work but few of them will have a chance.

WHEN YOU SEE a strapping 16-year-old hanging out on the corner or buzzing the streets in the car, don't blame him for being a lazy no-good.

The blame should be placed on our legislators for the anti-youth work laws, the bureaucrats who put their interpretations on those work laws, and ourselves for not insisting that changes are made.

A boy who has to wait until he is 18 to accept the responsibility of employment, in most cases won't recognize it.

"At Least They Have Traffic Lights on the Highway"

RAMBLIN' with Rink

BY LOWELL G. RINKER

One of my pet peeves is probably one of your pet peeves.

Frequently on holidays, and more and more on weekends, automobile drivers turn on their headlights to remind others to drive safely. Two Indiana University optometrists also recommend that all cars have some lights on them because they are in some cases, up to 40 times more visible than dark cars.

BUT THE thing that irks me is the driver who turns his headlights on to show he is safety conscious but who has the lights on high beam. Despite the fact it is usually bright outside, bright car lights still blind me.

I have no argument with turning lights on, or with having automobile running lights, but, please, keep them on low beam.

THE BANK executive had had a very busy day on the phone. He came home and sat down to eat dinner with his family. Generally he said grace at dinner. This time he sat down, lowered his head and said "Hello."

That reminds me of a time long ago when my folks and brother and I lived in Illinois. Gary and I had been listening to music, I guess, when mom

called us to dinner. Our family, too, said grace at the table, and we took turns doing it.

ON THIS occasion, it was my turn. We all bowed our heads and I began singing the "Star Spangled Banner."

I got through a few bars of it before I and everybody else realized what I was doing. I had much difficulty saying it correctly then because nobody would stop laughing.

THERE IS MUCH to be said about the beauties of Michigan, both in this area and in other parts of the state. You'll probably hear me talk about it frequently in the future. Right now I'm rather perturbed with myself because I haven't gotten out too much to look at it.

One of the contributing factors to our moving back to Michigan was to be able to see the beauty of the state. As we approach the end of our second month here, we are getting settled enough that we will be able to get out more often and see it.

How about you? Learning to recognize the beauty around us is refreshing.

ONCE OVER LIGHTLY

by Ink White

Too many are topless, Jim says

WEEK IN, WEEK OUT, few newspapermen of my acquaintance write better, more entertaining stuff than Jim Fitzgerald, editor of The County Press over at Lapeer. This piece which appeared in the July 16 issue is most appropriate these days—

As evidenced by most newspapers and other media, there are two great questions now facing the nation: 1) should women on the beach reveal all their upper skin, and 2) should black skin be allowed on the same beach with white skin, in any quantity at all?

What greater evidence than this is needed to prove that we are a people of great culture and intelligence?

LAST SUMMER at a Traverse City motel my family shared a swimming pool with a Negro family for several days. I watched my children closely for weeks afterward and I couldn't see where they had caught anything from their exposure to a darker complexion. Their appetite for water melon didn't increase, nor could they tap dance any better than before.

If there had been a bare-chested woman, of whatever complexion, flopping around in that motel pool I am not sure what my children's reactions would have been. Their mother, I am certain, would have locked Old Dad in the bathroom until after dark.

ALL OF WHICH is a rather nonsensical introduction to a serious question: How come most of us clowns get excited about the wrong things?

Three young men are still missing, and most likely murdered, in Mississippi because they believed in such incredible things as integrated swimming. The enormity of the crime committed against them is still a terrible thing for their families and friends. But across the nation, the pious breast beaters are more concerned with bare breasts.

It has been a year since four little girls were bombed to death as they attended Sunday School in Alabama. No ar-

rests have been made. Or had you forgotten?

Many Southern ministers close their church doors to Negroes and have the gall to bend the scriptures into a defense of their blind bigotry. But wave a topless swimsuit under these clerical noses and you'll get a sermon to quake the devil himself.

GOVERNORS and other high officials claim that a man's fight against injustice and inhumanity should be limited by state lines. It is OK to love your brother who lives next door, but don't do anything for a mistreated brother in the next state. That's meddling, and you're liable to get your head busted, buddy.

These officials can look the other way when their police allow racists to murder and go unpunished. But, by golly, these same police had better crack down quick on any wayward woman who borrows her husband's trunks.

The worst of it happens in the south, where prejudice is stronger than hypocrisy. Up north the phonies say "tch tch, that's awful" to Mississippi race murders and then soon forget, because they are busy tittering and exclaiming over stupid bathing suits.

ANYONE WITH half a brain knows that the topless bathing suit is a publicity stunt and nothing else. A sophisticated designer wanted to get his name in print and he did it the easiest way—by taking advantage of people so fascinated by the female chest they can't see above the neckline.

Other hustlers jumped on the bandwagon and the suckers are eating it up.

Ah yes. That sinful suit must be stamped out and Holy Joe will lead the crusade. When this battle is won, and when all the library books are censored and when all the statues are clothed, Joe might get around to worrying about man's inhumanity to man. But don't bet on it.

When it comes to using our heads, too many of us are topless.

Reaping a Harvest of Beauty in Clinton County

There's beauty along the sideroads of Central Michigan, and Clinton County has its share, especially at this time of mid-summer harvests. The Art Voorhees farm on Clark Road west of Bath provided this example of the beauty around us.

A Church Golden Wedding

BY W. E. DOBSON

(Lines read at the 50th anniversary of the Union of Baptist and Presbyterian Churches at Quincy, Mich. July 19, 1964).

There's many kinds of weddings
Held in churches every day,
On some the ties are fleeting,
Other folks are wed to stay;
But the Golden One we witness,
And pledge here again to renew
Is one where two church bodies
Both together said "I do."

Instances are far too many
Where church folk disagree,
And split up into factions—
Each a separate entity;
But when churches join together
To promote the common good,
There's a page in human progress
Not too often understood!

Full fifty years of union
Joined in a common cause
Forgetting petty differences,
Is worthy of robust applause;
And we who have helped in building
The bridge that has served to span,
Today can be proud to have aided
In finding a way and a plan.

The perils that early beset us
Were real then and genuine too,
They called for cool heads and a vision,
To chart and guide us safely through;
The God of our fathers was with us,
Faith and Hope that must ever prevail
His spirit o'ercame every weakness
God helping we dared not to fail.

Fifty years of married status
Often leads to some decay,
In the physical well being,
On a Golden Wedding day;
But the church with such a mission,
Has no reason thus to fear,
Its vitality grows stronger
Day by day and year by year!

Mine is but one human vision,
Weak and faulty I agree,
Still I hold a firm conviction
For the years that are to be;
Here lies promise for our futures,
For a formula to heed
Try a maximum of loving
With a minimum of creed!

Lack of familiarity with Appeals Court dangerous

BY ELMER E. WHITE Michigan Press Ass'n.

Lack of familiarity by the voting public with an issue or office can be dangerous to both the candidates and the electorate.

This year such a danger exists, in theory at least, where the State Court of Appeals election is concerned.

One outstate candidate for the new court estimates that only one out of 100 voters knows that nine Appeals Court judges will be elected this fall and that each elector will cast a ballot for three candidates.

BEING A non-partisan race, the judges ballot will be separate from other offices in both paper and machine precincts.

Election officials say regretfully that frequently machine voters ignore nonpartisan contests. Less often, but still too frequently, the same thing occurs in paper ballot precincts where voters tire of their job before even looking at the nonpartisan contests and issues before them.

MANY WELL-qualified candidates, including local judges and present and former state legislators, have filed in the Appeals Court district races throughout the state.

Failure by the voters to be familiar with these candidates could be costly. This court's nine judges will get many of the important appeals in the future. Wise minds must be selected for this heavy responsibility if the voters are to be properly served in the future.

"Looking backward"

BY IRA "Sawmill" BIRMINGHAM

At a Christmas dinner in the boarding house in Petoskey, about 1905, a 20-year-old nephew of my landlady told the poignant story of his narrow escape from drowning along with about 30 other fishermen. So long ago, I may have forgotten some of the minor details.

Up on a bluff overlooking Lake Michigan was a small farming community, whose able-bodied men were about one and a half miles off shore, each in his darkened "fishhouse" hoping to spear some of those big lake trout living along rock ledges that marked the edge of deep water.

ICE WAS a foot thick and under a foot of snow.

Late in a bright afternoon some alert person in the tiny village saw a dark line a half mile offshore and knew what it meant: a crack, many miles long in the ice and slowly getting wider.

The first thing to be done was to warn their menfolk of the

FINAL audits will not be completed until mid-September, but tentative figures on activity during the fiscal year ended June 30 indicated a good financial position.

In addition to providing a clean slate for the 1965 legislature to work with, the fact that Michigan's books are again in the black provides major political fodder for the coming campaign.

REPUBLICAN Gov George Romney will undoubtedly claim much credit for having eliminated the \$85 million general fund deficit and putting nearly \$50 million in surplus on the books.

Legislators of his persuasion also were given some credit for the fiscal stability of Romney in a recent announcement of the financial position.

ROMNEY said it was largely due to the thrifty attitude of GOP lawmakers in writing budgets that Michigan was able to retire its debt and get some extra funds in the public coffers.

Democrats will take a different view this fall in the campaign.

A batch of so-called nuisance taxes reimposed since 1960 and new ones enacted into law rather than levy a state income tax will be blamed by Democrats on the Republican legislators.

DEMOCRATS will claim that these new taxes, enacted during the final year of Gov John B. Swainson's term, were totally responsible for the increase in revenue this year to \$610 million. This was the figure, they will say, that made the surplus possible.

Failure by the voters to be familiar with these candidates could be costly. This court's nine judges will get many of the important appeals in the future. Wise minds must be selected for this heavy responsibility if the voters are to be properly served in the future.

danger. But how? School and church bells were rung but to no avail. A life boat was in a boat house, the bottom of it's doors frozen in ice. An old man, able to swing an axe, chopped them off and every one able to push or pull helped get it to open water.

BUT THE men were still a mile from the rescuers and unaware of their danger until one of them stepped out after fuel for his little stove and saw the lifeboat.

What he called a "ground swell" was waves of water under the ice, coming from away out in open water and likely to break the ice into small pieces.

ALL THOSE men knew the danger very well and abandoned everything that might hinder their running toward the life boat that made three trips to safety. The fellow who told his story said he was out a brand new "Galloway" coat but much preferred being ashore after that experience.

BY ELMER E. WHITE Michigan Press Ass'n.

Romney also will put some credit for the surplus to several spending studies by task forces which recommended money-saving methods to several state agencies.

Perhaps most difficult to evaluate is who or what should really get the credit for the increased revenue.

SOME FACTORS outside the executive office and legislative halls certainly must be considered. Three consecutive boom years in the auto industry provided additional spending money in pockets, part of which went to the state in taxes.

Another certainty is that the several lean years previously made administrators more conscious of the value of the money they had to spend. There can be little doubt that in state government, as well as in private life, it is easier to count pennies closely when faced with a shortage than when money seems to come from a bottomless well.

ONE approach to traffic safety improvement is to take the known hazards off the roads.

These include landmarks which cause blind intersections, dangerous curves on the roads themselves, and, probably most important of all, the drivers who have had driving records.

Tough treatment on known bad drivers has been set down on the record books this year. Secretary of State James M. Hare reports more revocations and suspensions of licenses the first half of this year than ever before.

ON THE POSITIVE side, however, Hare also reports that his office is attempting to step up its driver improvement program for the sometime errant drivers.

Pointing up some common errors in motoring to the several-times offender frequently will make him mend his ways, Hare's department feels.

The steady rise in the death rate will likely continue, if the first-half annual statistics are any indication, but revocations, suspensions and lecture techniques may be part of the large key which will turn this unfortunate tide.

Bement Library Book Shelf

By Elizabeth Millman

A book is like a lump of coal... utterly useless until it is put to work! And just as coal has varying degrees of usefulness, so has THE BOOK. There is nothing more useless than a book that remains on the shelf of the public library—and nothing more valuable than the same book in the hands of a reader, whose whole life may be changed by its contents. Books amuse, entertain, instruct, and share the recorded knowledge of mankind, but, only when they are being read.

And so, speaking of books, have you visited your local library this summer? Many people have and it has been a busy place through all the summer months. Armloads of books have gone on vacations with our readers who have taken advantage of our extended loan plan.

AND THEN too, speaking of coal reminds one of the hot days of the past week. We admit that the library has not been a comfortable place to browse in, but this condition will soon be corrected (we hope) as air conditioning has been ordered. We will soon be so comfortable none of us will want to go home.

Two summer projects for our young readers have been completed during July. Our summer reading club members finished their required reading of 12 books in four weeks. Pins and bookmarks went to all who enrolled in the club and diplomas were sent to all who completed the reading. Thirty children of the fourth, fifth and sixth grades received diplomas.

PRIZES OF two dollars each for the best book reviews received from this group went to Kathryn Irner and Ricky Hudson. One dollar prizes were given to

Comments on poor English, grammar

THANKS FOR columns like this in our county paper. I wish to comment on the poor English, grammatical errors and improper pronunciations so common today on radio and television programs, and other public speaking.

We are confronted with these irritating expressions in our everyday conversations with our townfolks, high school graduates and even our public school teachers.

Just to name a few we hear "different than;" letters signed "Yours respectfully;" verb forms—should have went, had sang, have sat the table; personal pronouns—purses bought for she and I, awards won by they and their leader; pronunciations—"elum" trees, "Simular," "scalyumms," "presidentual," etc.

These careless habits of speaking seem to be as contagious as red measles. For example, one of our home town attorneys remarked, "I am getting an abstract of their property for he and his wife."

If the late Mattie Clinton were still supervising Clinton County Schools these teachers would receive corrections "tout de suite."

Should we wish for more high school English teachers of the Grace Hunt type?

Thanks for your patience with these remarks. May God richly bless our public school teachers this coming year, and always. There is one of the highest of vocations.

Respectfully, SYMPATHETIC OBSERVER RFD, St. Johns

Christine Kissance, Joyce Marie Zell, Greg Lounds, Calvin Lounds and Martha Mihalyi.

Our story hour was held in the children's room for the children of the kindergarten, first and second grades. This was held each Tuesday afternoon during July between 3 and 4 o'clock. These sessions averaged about 20 children, who had lots of fun listening to Mrs Cook and her wonderful stories. At the final session we held a party with ice-cream for refreshment.

THE LIBRARY has received much good fiction for summer reading, most of which has been reviewed in our weekly Book Shelf column. As autumn and school days come, more serious reading will be in order. Many students of all ages use our library for help with school assignments.

A good library is as essential to a town as the school system itself. It is the custodian of our cultural heritage as well as the key to the advancement of knowledge. And to meet changing requirements and conditions, libraries must grow and adapt. The Bement Library quarters are fast becoming inadequate for our growing city, and St. Johns must soon make provisions for more space for our eager readers.

White ash—a dignified link with the pioneers

HAYDN PEARSON

It is a dignified solid-looking tree with heavy limbs, and in favorable locations it reaches a height of more than 100 feet. This member of the Olive family is intimately linked with the history of the nation, for the pioneers quickly learned that the heavy, strong, close-grained wood served their purposes well.

The wood was used to make cart bodies and wagons; it lent itself well to the shaping of axe handles. Mallets and beetles of ash shrived shingles and split planks for benches in one-room cabins. Handles of hoes, shovels and sledge hammers were made of the solid wood, and explorers wanted their canoe paddles fashioned from ash.

AN OLD WHITE ash in a fence corner, or standing at the edge of a river, often has huge horizontal

arms. The compound leaves are frequently a foot long. The tree is dioecious—the pistillate and staminate flowers are borne on different trees. The flowers are not spectacular, but the small green blossoms without petals have a quiet appeal. In late summer or autumn, a gusty wind there into your lovely community. You people can be very proud of having had such an illustrious woman grow up in your section.

While it has never been my privilege to visit your city, we know the general area, having been in Lansing. We also have friends in Farmington, Mr and Mrs Slocum. She was the daughter of one of your three-time Governors of Michigan, so we have close ties with your state.

We are hoping that this fall we can elect a ticket which will try to save America from the bottom of the political dregs through which we have been carried for almost 35 years. We like the new leaders recently nominated and we think that your Governor Romney will go along with Goldwater and Miller.

We shall entirely lose our liberties unless we bring to an end 30 years of socializing our country under the Democrats.

Most sincerely, GUY ALLISON Glendale, Calif.

He finds error in paper's chemistry

ONE OF MY hobbies is to find mistakes in national magazines, like the Saturday Evening Post or The Reader's Digest. The Digest is almost letter perfect.

In May of 1960 I made the Post in a "letter to the editor" and found a misspelled word in the Post that same year. These papers spend thousands of dollars to be letter perfect, but the hometown papers often drop a letter and no one thinks anything about it.

But last week, under Science Facts, you told about the properties of common baking soda which any housewife knows requires some acid, like sour milk or vinegar, to make a cake rise by carbon dioxide gas.

The article made a profound statement that soda and water mixed produced carbon dioxide gas which is an excellent fire extinguisher. This is not true. Soda and water do not react at all, but require the addition of sulphuric acid to produce great quantities of carbon dioxide gas in the soda acid fire extinguisher. These extinguishers are seldom used today as they often freeze and today highly compressed carbon dioxide gas is much more effective.

We all should know a little chemistry and the hometown paper should be more accurate.

plucks the winged seeds and may carry them long distances.

The ash likes rich soil, and the finest specimens are found in the Ohio and Mississippi valleys, but throughout the northeast one can find them; tall dignified trees that tower about the birches and growing evergreens. Experts tell us it is second only to the oak as our most valuable commercial tree.

ON THESE summer days, as a man looks at his cows resting in the shade of the big ash in the pasture, he knows that Fraxinus americana is a link with the days when the pioneer cleared his land.

P-W FFA boasts 23 awards under Jepson

Twenty-three state awards in three years is the record members of the Pewamo-Westphalia chapter of Future Farmers of America are boasting about.

Under the direction of Lance Jepson, an MSU graduate, the Pewamo-Westphalia chapter has won awards from the Michigan Association of Future Farmers, DeKalb Corn Co., Michigan State Soil Conservation Society and the Michigan Farm Safety Assn.

LAST MONDAY evening, July 27, at the annual Michigan Association of Agriculture Teachers Convention, Jepson was presented with a gold chapter award, the highest honor the Michigan association can give. The presentation was made by Harry Nesman, state advisor of the FFA.

The award was for the chapter's work in all activities involving its 72 members. Also presented at the time was a silver

award for the members' fine farming programs. This makes Pewamo-Westphalia one of the outstanding chapters among the 230 in the state.

JEPSON SAID the most important part of all the awards is that the members of his chapter have helped win them and take pride in being a member of the Future Farmers of America.

The Pewamo-Westphalia FFA chapter was organized in 1961. Current officers are Joe Thelen; president; Ron Spitzley, vice president; Russ Manning, secretary; Bob Huhn, treasurer; Bernard Simon, sentinel; and Dale Thelen, reporter.

More than a million young people under 18 do paid work each year on America's farms, according to the Department of Agriculture. Their jobs are as varied as farming itself.

TODAY'S Meditation

Read Matthew 20: 20-28

Whoever will be great among you, let him be your minister; and whoever will be chief among you, let him be your servant. (Matthew 20: 26-27)

HOW OFTEN we imagine that our pettiness and meanness are from without, like briar scratches! How sure we are that big people, important occasions—even grand temptations!—would make us bighearted and high-minded! We forget that the most distinguished personages of His day in His obscure land won footnotes in history only because

their very littleness blinded them to His bigness.

Christ's inner quality is displayed in the big moment before Pilate. We find it most clearly expressed, however, in the small moment with the children, with the widow and her mite, the epileptic boy, the tawdry, evasive woman at the well. We are not small or weak because others give us no chance for greatness. Jesus worked daily with the same lowly, rejected material that surrounds us day by day. It could not hide His glory.

PRAYER: O Lord, may I stop blaming others for my unforgiveness, my neighbor for my spite, children for my tantrums, society for these thorns and thistles in my heart. Purge! Prune! Uproot! Burn! Make the tree good, Lord—the tree, my life. In Christ's name. Amen.

THOUGHT FOR THE DAY: We are not small or weak because others give us no chance for creative work for God.—Roy DeLamotte (Georgia)

Price District

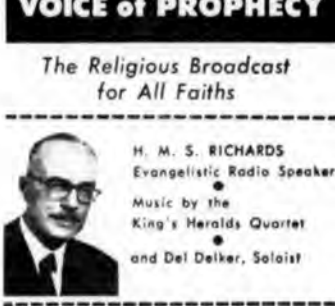

By Mrs. Harold Crowley

There were many who attended the church picnic at the home of Rev and Mrs Rudy Wittenback and family of near Lowell from the Price and Greenbush churches. An outdoor service was held on the spacious lawn of the host after which potluck was served.

On Sunday, Aug. 9, Rev and Mrs Rudy Wittenback will be vacationing and William Frayer will be in the pulpit of the Price and Greenbush churches.

Church on Wednesday

The Central Presbyterian church in New York is going to hold services on Wednesday nights identical to those held on Sunday. A survey showed that 25% indicated they would attend regularly if this alternate service were held. The forty-hour week has left the weekend free for leisure, and many people travel to resort spots, beaches, and other recreation areas. We should remind ourselves that the one holy day in seven is God given, set it apart and in the law made certain restrictions clear for the Israelites. Though there are no specific commandments in the New Testament as to how the Lord's Day should be observed, nonetheless, Christians who prosper spiritually are those who have set work aside and made this a holy day unto the Lord. Show me any Christians who have followed the trend of the world in making weekends holidays and I will show you Christians that have back slidden in their spiritual lives. The Bible says, "Ye cannot serve God and riches." In principle it teaches that one cannot serve his own pleasure and serve God at the same time. Spiritual, happy Christians will be in their places in their own local church, serving in the capacity that God has called them.

"We invite you to attend"

I'll never forget the day we took this picture. The sun was shining brightly and we'd gone for a ride in the country, my husband Tom, Thelma and I. We came to this field full of daisies and we stopped, and I braided a crown of flowers for Thelma's head. She was wearing a brand new dress and she had a new little parasol too. I thought she looked like just about the happiest and prettiest little girl alive.

How thankful I was! For our Thelma had just weathered her first serious illness, and for several weeks there had been days and nights of incredible anxiety and heart-rending prayer.

Now, watching Thelma in her new-found health, I thought of our church. Not only our minister, but members of the congregation, people whom I scarcely knew, had rallied to our side during Thelma's illness.

Just having them—just knowing that they were adding their prayers to ours, had meant so much. And now, I knew, they were sharing our jubilation.

How sorry I feel for people who don't go to church. For they miss one of life's great truths—the knowledge that if you have the Church, you can never again be alone.

THE CHURCH FOR ALL • ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Raise bigger, better calves... THE PURINA WAY!

The success of the Purina Calf Feeding Program is clearly written in Purina Research Farm records. Of over 2200 calves born—all raised on Purina calf starting programs—less than 1% failed to grow to maturity.

Recently, a Purina Farm Holstein calf weighed 409 lbs. at 4 months—137 lbs. heavier than the normal breed average. And a 4-month-old Guernsey weighed 322 lbs.—105 lbs. above the normal breed average at 4 months!

Next time you start calves, order Purina Nursing Chow and Purina Calf Startena—palatable, power-packed products—at our store.

This "lakeless area" due for 50 lakes in next 10 years

Clinton County may well be in for some new lakes in the next 10 years under a program by the Michigan Department of Conservation.

The department's goal is to create 50 new lakes, averaging 100 acres in size, in Southern Michigan during the next 10 years. Every Public Law 566 watershed project, such as that proposed in Lebanon Township, is being screened for possible development of fishing lakes.

ROGER G. Wicklund, in charge of habitat management for the department's fish section, told the Clinton County News last week the department has made preliminary surveys on several possible sites for new lakes.

"We fully intend to coordinate this program with other units of government," he pointed out. "We are in contact locally with the Tri-County Planning Commission and the Grand River Basin Comprehensive Planning Study.

"THE TYPE or quality of a lake will largely govern the use," Wicklund said. "Those with clear water and high shorelines will be suitable for bathing and therefore park development will be expected. Those best suited for fishing and hunting will be dedicated for this use."

Wicklund said the subject was covered in the department's new report, "A Management Program for Michigan's Fisheries—1964." The report says the need for new lakes is most acute in the southern half of the lower peninsula.

"WE FURTHER expect to work where possible with cities, counties, villages and townships in order to reach our objectives."

Wicklund, who was present last month at a public meeting on the Catlin-Waters-Reynolds-Session drain project in Lebanon Township said Clinton County was in the "lakeless area" of the state. He said the Department of Conservation was interested in developing new lakes and that they showed much interest in the Lebanon Township proposal, which includes a 20-acre lake.

"FIRST PRIORITY should be given to the central and 'THUMB' areas of this general region," the report says. "The counties of Clinton, Eaton, Gratiot, Huron, Ingham, Macomb, Saginaw, St. Clair, Sanilac, Shiawassee and Tuscola contain very few natural lakes and few opportunities of any kind for water-based recreation.

"Several feasible sites for lake development have been found to date in these counties."

THE NEED for additional lakes was pointed out in the report.

"Nearly all of the lakes in the lower peninsula have been ringed with cottages, some for several blocks back from the water's edge. Fishermen, speed boats, water skiers, skin divers and swimmers compete for space. Drainage, lowland fills and pollution compound the problem for the sport fishery.

"Certainly we can expect to derive more recreation from our natural waters... But with all due allowance for good management, our natural water resource is definitely limited.

"THE CREATION of new public lakes in our heavily populated southern areas is a direct means of expanding and developing this resource."

As a minimum goal, the Department of Conservation proposes that 50 new lakes, averaging over 100 acres in area, be developed in southern Michigan in the next 10 years.

The report estimates that land could be acquired, cleared of timber and impounding dams constructed for 5,000 acres of high quality water in 50 locations at a cost of \$10,000,000. Each of the lakes would provide the nucleus of a site for a public outdoor recreation area.

"THIS 5,000 acres of water,"

the report pointed out, "would cost the equivalent of 10 miles of expressway or a single 10-story modern office building. This is a reasonable—actually a bargain—opportunity for investment in new fishing and outdoor recreation in our residential areas."

No timetable or listing of particular lake sites was made public by the department.

Ovid visitor invents new shift for cars

OVID — News that General Motors, Chrysler and Ford unite in plans to use the "Simpson gear shift" in their 1966 models as the three-speed developed for an automatic transmission, has startled the automobile world.

Tooling for this may run up to \$50 million, but better gas mileage, lower manufacturing costs, more pleasant driving will be the net results.

OVID IS more than interested, for as a boy, Howard Simpson, of ten visited his grandparents, Mr and Mrs Absalom Woodworth who lived in Ovid. His mother was Winnie Woodworth, sister to Miss Lou Woodworth, and Will Woodworth, half brother to Tom Woodworth and Mrs Frank Marshall.

Mr Simpson of Detroit, a graduate of the University of Michigan Engineering School, worked at the Ford Motor Co. from 1917 to 1937, had close contacts with Henry Ford and remained as consultant.

When he was told in 1948 he had incurable cancer, he spent six months in Arizona and California deserts "doodling" as he called it, and thinking out the answers to questions that had eluded the best brains of auto companies for years. He got 23 patents on various types of transmission items from 1948 on.

His death came last November 1963.

Offer 2 county land parcels at auction

Two small, tax-reverted land units in Clinton County will be offered for sale Aug. 12 at a public auction by the Conservation Department in the courthouse at Saginaw.

The sale, scheduled to start at 10 a.m., involves platted lots which do not fit into the department's plans for future conservation projects.

LANDS in Clinton to come up for bidding carry a total minimum price of \$310. All receipts from their sale will be passed on to the county.

Planners study land use patterns

Preparation of land-use maps has been completed by the Tri-County Planning Commission in its Regional Land Use-Transportation Study.

More than half the data collection required has been completed, and when it is done, growth models will be prepared. These are mathematical predictions which will be used to prepare alternative plans depicting several possible growth patterns for the region.

WHEN the data collection phase is completed, the commission will have a data bank accessible to everyone in the region.

The origin-destination study being done by the State Highway Department is 95 per cent completed, the commission was told at its July 23 meeting. A questionnaire for the home interview study item is being prepared, and a sampling will be taken this summer.

THIS STUDY, when completed, will detail the present transportation practices of the region's population and will help determine where future roads may be needed.

The US Soil Conservation Service, along with the Agricultural Experiment Station at Michigan State University, has started soils mapping in the region.

County fairs top weekend

The headline event in many Michigan areas this weekend will be the county fair, according to the listings in the Michigan Tourist Council's Calendar of Events.

The Wash'aw County Fair winds up its annual run Friday, Aug. 7, but many others will be in operation in the following days throughout the lower peninsula.

OTHER EVENTS expected to attract visitors during the weekend includes the annual Timber-r-r-r Town Festival concluding Saturday at Saginaw, following a four-day run. Also scheduled to close Saturday is the Sparta Homecoming, Sparta; the Water Festival at Pentwater, and the two-day Michigan Bike Racing Meet at Tawas. The Waterfront Arts Fair will be held at Charlevoix the same day.

Sunday, Aug. 9, marks the re-enactment of the Landing of Father Marquette at St. Ignace and the conclusion of the Saginaw Valley Live-Stream Assn.'s three-day show at Imlay City.

COUNTY FAIRS this week include: Aug. 3-8, Monroe County Fair, Monroe; Clare County Fair, Harrison; Northern District Fair, Cadillac; Ottawa County Fair, Holland; Van Buren County Fair, Hartford;

Aug. 3-9, Ingham County Fair, Mason; Aug. 4-8, Montcalm County Fair, Greenville; Oakland County Fair, Pontiac; Aug. 9-15, Lenawee County Fair, Adrian.

Notice is hereby given, that the public notice of said estate assigned to the persons entitled thereto, will be heard at the Probate Office in the City of St

Earlier sweet corn with plastic mulch

Sweet corn planted in plastic can put sweet corn on the market earlier.

David E. Miller of Prosser, Wash., harvests sweet corn 17 days ahead of other farmers by planting a month earlier and covering the rows with 12-inch strips of clear plastic.

Miller slits the plastic above each plant to let the seedling come through.

FROGS and FREEDOM

There's an old story that says you can't kill a frog by dropping him in boiling water. He reacts so quickly to the sudden heat that he jumps out before he's hurt. But if you put him in cold water and then warm it up gradually, he never decides to jump till it's too late. By then he's cooked!

Men are just as foolish. Take away their freedom overnight, and you've got a violent revolution. But steal it from them gradually under the guise of "security," "peace," or "progress" and you can paralyze an entire generation. Look at the income tax. It started out at a harmless sounding 1%. It would have been easy to jump out of water as tepid as this, but like the frog, we waited while it climbed ever higher. (Try jumping now!)

Worst of all, we never learn. Even today we cannot believe that Medicare is the same warm water that will one day boil us in Socialized Medicine. We see no connection between farm price supports and Nationalized Agriculture.

The tragedies of history are always repeated by those who refuse to learn them. To seek guidance from the past is not "turning the clock back" as we are so often told. It is merely a good way to keep out of hot water.

Fearless—and sometimes fearful—teachers of the road are these driver training instructors from Rodney B. Wilson High School. Left to right are: Albert LeFevre, in charge of the program, John Post, Bill Swears, Bob Spencer, John Theuerkauf and Dale Knight.

Third session of driver training begins

Training youngsters how to drive a car is not among the safest and easiest of jobs, according to those who must do the teaching. But it is a good summer job, and it is rewarding when everybody safe and sound—driver training certificates are passed out and permits issued to those who did learn.

So seems to be the general opinion of the six men who conduct driver training classes at Rodney B. Wilson High School. Two three-week sessions with 80 students in each are over this week. This week a new three-week session—the last of the summer—started.

ALBERT LEFEVRE is in

charge of the program, and the other instructors are Dale Knight, John Theuerkauf, Bob Spencer, Bill Swears and John Post.

Daily until 3 p.m. the instructors teach a total of 80 youngsters how to drive. Each student gets two hours of classroom instruction and 25 minutes behind the wheel driving on the road each day. By the end of three weeks, each spends 30 hours in the classroom and six and a quarter hours behind the wheel.

FIVE CARS make up the fleet of driver training vehicles at the high school. There are five instructors on the road every hour between 9 a.m. and 3 p.m., while the sixth man works in the classroom with other future drivers.

No high school credit is given the youngsters, but in order to legally drive at the age of 16 they must have taken and passed driver training. Otherwise, they have to wait until the age of 18 before getting a drivers license.

THE SUMMER driving training program was pioneered in this area by the St. Johns schools, according to Supt. Earl Lancaster. He said the need for students to get credit hours during the school year was so great there was not time for the non-credit driver training classes. So these were offered in the summer.

With state funds, the driver training program is almost self-supporting, Lancaster said. No tuition is charged students.

If parents fail to exercise supervision after completion of the course."

Although the driver training instructors have some near-misses to tell about during the course most of the 240 students learning to drive this summer will have done so to the satisfaction of the teachers by the end of the next three weeks.

"We had a terrific game going ... then Billy's mother made us all go outdoors."

Host inter-city study group

Acting City Manager Kenneth Greer and Recreation Director Roger Kowalski were hosts last Thursday to the Mid-Michigan Inter-city Study Group, which had its annual picnic in the St. Johns City Park.

Greer and Kowalski are among the 23 city supervisory officials from area cities taking a group correspondence course through the University of Chicago. The group meets regularly in the different cities for their classes.

After the 6 p.m. picnic, which was attended by wives, too, the men resumed their study on municipal personnel.

Carpenter leads Valley Farms school board

Robert B. Carpenter was elected president of the Valley Farms School board of education at its July organization meeting.

Other officers are Mackadean DuBois, secretary, and William Lehtonen, treasurer. Trustees are Harold Wood and Dean Lowe.

THE BOARD set the second Wednesday of each month as its new meeting date.

A new expenditure budget of \$178,560 was approved and preparations were made for the start of school this fall. Money not needed immediately by the school district will be put into savings accounts where it will draw interest.

OVER \$1,700 in improvements to the school kitchen are to be completed this summer. New equipment includes stainless steel sinks, a larger garbage disposal, sink heater, and a refrigerator.

Mrs Louis Rayman and Mr and Mrs Gale Boron spent Sunday at Higgins Lake at the cottage of Mr and Mrs Dan Beck and family.

Mr and Mrs David Conklin and family called on Mr and Mrs Raymond Summers Sunday afternoon.

On Saturday Mrs Allan Boron attended the wedding, breakfast, and reception of Miss Deanna Jansen and Henry Turowski. The wedding was in Birmingham, and the reception was in Utica.

Mrs Allan Boron called on Mrs Kenneth Brown of Riverside, in Detroit on Saturday afternoon. Mrs Brown was a former college roommate of Mrs Boron.

Rev and Mrs John Brown of Spencer, N. Y. and Mrs Gerald Bennett of Jackson were Wednesday afternoon callers on Mr and Mrs Allan Boron. The guests originate from the same New York hometown as Mrs Boron.

More than 125,000 high school students who complete driver education courses this year have been advised by the Automobile Club of Michigan to take yet another course—the so-called home study course of Parental Supervision.

Indicating the need for such supervision is the fact that last year Michigan teenage drivers were involved in 252 fatal accidents, an increase of 31.9 per cent over 1962.

"An erroneous impression exists among parents that high school driver education alone provides all that is necessary to turn out perfectly safe drivers," states Ernest P. Davis, Auto Club safety and traffic director.

Plan atomic exhibit at Saginaw Fair

The 1964 edition of the Saginaw Fair, opening Sept. 13, will feature a famous traveling exhibit of the US Atomic Energy Commission, for the entire seven-day run of the fair, Sept. 13-19.

The exhibit, "Your Stake in the Atom," includes a striking series of animated displays on atomic energy research and development. Featured attractions of the exhibit, in addition to the atomic display, are stage presentations explaining the applications of atomic energy and radioisotopes, as well as demonstrations of the remote controlled mechanical "hands" used in laboratories to handle radioactive materials.

"YOUR STAKE in the Atom" is one of the many AEC exhibits designed to explain, in simple

language, the role atomic energy is playing in the world today, and its potential uses in the world of tomorrow. There is no admission charge to this atomic-energy program which will be presented daily on the fairgrounds while the Saginaw Fair is in progress.

In addition to the AEC exhibit, visitors to the 51st Harvest Holiday Saginaw Fair will see eight acres of farm machinery and equipment, more than 30,000 agricultural and commercial exhibits, and a mile-long midway of entertainment, all part and parcel of the largest county fair east of the Rockies.

One of the first effective vaccines against whooping cough was developed and standardized in laboratories of the Michigan Department of Health.

City Hostess and Welcome Gifts

Mrs. C. Lester Jenkins, St. Johns' new city hostess, stands with gift items from 13 local businesses she gives to newcomers, newlyweds, who will live here, and couples celebrating wedding anniversaries of 25 years or more. The cards represent gifts redeemable at participating stores. Maps, brochures and church guides of the city are also included, as well as a letter of welcome from the Chamber of Commerce. Mrs. Jenkins has been the hostess since July 1, when she took over from Mrs. Marvin Barclay.

Doors that invited friendships close

BY MRS. GEORGE THOMPSON
MAPLE RAPIDS—The meeting place of those seeking a good cup of coffee and friendly conver-

sation is no longer available to the villagers and residents of the surrounding farm area at the local restaurant. The meetings at the family table where local news was exchanged and many events have been planned, where the old-timers gathered reminiscences, and the coffee breaks continued far past the appointed time are discontinued. The constantly swinging door is quiet, as is the street before the establishment. There are no early morning greetings called across the street, no laughter and good humor with which to begin the day.

THE RUMSEY family, who have been in the restaurant business for the past several years have been forced to close the only one in the village.

When the meeting place of a small community is no longer available, the heart of activity and interest seems to go too. The older folk (who have suddenly become the "senior citizens") have no place to relax over a cup of coffee or dish of ice cream.

THE restaurant business was carried on by Mrs. Marjory Rumsey following the death of her husband over a year ago. Marge's friendliness and good cooking kept the family table and the restaurant a focal point of the community. A few months ago, Marge was rushed to the hospital suffering a heart attack. Her efforts had proved more than she could physically bear.

During her treatment and convalescence, Mr and Mrs Richard Andrews, her son-in-law and daughter, managed the business for her. All was going well until Dick became ill and was hospitalized. Nancy carried on and was doing admirably when she suffered a virus attack and was unable to continue.

THE TEENAGERS who have cars for their use can go to the nearby villages for coke and a hamburger, but those who have not or have been "grounded" can no longer go inside and relax over their snacks and play the juke box in the evenings.

Those picking up their mail planned the walks down town so time would be allowed for a piece of homemade pie yet warm from the oven.

Things are different in Maple Rapids. The Rumsey family is indeed missed.

Sister returning after 15 years to be honored

PEWAMO—On Aug. 11, Sister Albertis (Marie Gensterblum) of Normandy, Mo., daughter of Mrs. Albert Gensterblum and the late Mr. Gensterblum, will spend the day at her mother's home. On Aug. 12 and 13, she will be in retreat in Detroit.

On Aug. 14, 15 and 16 she will be here to visit with relatives and friends. On Aug. 15 a family gathering will be held in her honor. Sister Albertis is from Saint Vincent home in Missouri. Sister Albertis left to become a nun 15 years ago and this is her first vacation at home.

Mr and Mrs Richard Vance of Lansing spent the weekend with his sister, Mrs. Louis Fox. They called on their step-brother, Claude Stowe of Ionia, who is a patient at Sunshine Hospital in Grand Rapids.

Mrs. Neville Davarn of Pewamo and her brother-in-law and sister, Mr and Mrs George Butler of Lowell spent the weekend in Hart.

Jimmie and Carole Cook, son and daughter of Mr and Mrs James Cook of Lansing spent from Monday to Friday with their grandmother, Mrs. Neville Davarn.

Mr and Mrs Harry Hattis Jr. and family of Portland were recent visitors of their parents, Mr and Mrs Harry Hattis Sr. of Pewamo.

Bill Russell of East Lincoln Street, Pewamo, has joined the National Guard for six months. He left Friday, July 31. He will have his basic training at Fort Leonard Wood, Mo.

A family picnic was held at the St. Johns City park. Present were Mrs. Casper J. Cook and Mrs. Joan Daniels, Mr and Mrs Marvin Thelen and family of rural Fowler and Mr and Mrs Leon Thelen and family of rural St. Johns. Potluck was served and games were in play for the children.

Mickey Roach, son of Mr and Mrs Robert Roach of Westphalia, spent a week with Mr and Mrs Leonard Smith of Pewamo.

The Pedro Club met Tuesday at the home of Mrs. Floyd Bissell.

Josephine and Estier Long of Fowler were guests of their sister, Mrs. Conrad Fox, for an afternoon.

Pedro Club honors Mrs. Conrad Fox

PEWAMO—The Pedro Club gathered at the home of Mrs. Fox Tuesday evening for a surprise birthday party for Mrs. Conrad Fox on her 77th birthday which was July 28. Refreshments including birthday cake were served by the hostess, Mrs. Conrad Fox very seldom misses the pedro games. She says she enjoys playing cards.

Mrs. Casper Cook, Mrs. Joan Daniels and Mrs. John J. Fox spent two days in Northern Michigan visiting Mr and Mrs Ray Pease and family of Grayling.

Sister Marie Diane (Betty Ann Schaefer) daughter of Mr and Mrs William J. Schaefer, spent Saturday with her parents. Sister Marie Diane has been at Bay City convent teaching. Next year she will be at Catholic Central in Muskegon.

Ledges slates Wilde comedy

Oscar Wilde has written some of the most durable comedies ever presented on the English stage. Probably best-known of all is "The Importance of Being Earnest," which the resident company at the Ledges Playhouse in Grand Ledge will present next week. It plays Tuesday, Aug. 11, through Saturday, Aug. 15, at 8:30 p.m.

After the highly-successful "Charley's Aunt," last summer, the Ledges producers felt a comedy in the same vein was advisable on this year's schedule. "Earnest" is the result. With Lael Woodbury and Lane Bate-man playing the two young English gentlemen, and Margaret Woodbury and Condie Hipwell playing their sweethearts, this brilliant comedy will be in good hands.

THE PLOT concerns a young man who invents a make-believe character whom he must "visit" often, when in reality he wants to be free to court young ladies; He and his best friend fall in love with two lovely young creatures, and the complications begin.

North Bengal

By Mrs. Wm. Ernst

NORTH BENGAL—In honor of the fifth wedding anniversary of Mr and Mrs Donald Schmitt of Fowler the following were supper guests at their home on Saturday evening: Mr and Mrs Herman Schmitt of Fowler, Mr and Mrs Marvin Feldpausch of North West Dallas, Mr and Mrs Richard VanElls of Lebanon and Mr and Mrs Hilary Schmitt and Mr and Mrs Louis Schmitt.

Donald is the son of the Louis Schmitt's and was formerly of this neighborhood.

Mr and Mrs William S. Ernst and children of Battle Creek were supper guests of Mr and Mrs William Ernst and Maxine on Wednesday. They were en route home from a few days vacation spent in the Upper Peninsula and Canada.

Hugo Fox of rural St. Johns suffered a broken back and other injuries in a farm accident late Tuesday afternoon. He is a patient in St. Lawrence Hospital at Lansing. Mrs. Fox is the former Lucille Thelen of this neighborhood.

Mr and Mrs Louis Schmitt attended the Halfman-Porter wedding and reception held at Holy Trinity Church and Hall on Saturday.

Mr and Mrs George Schaefer of Lansing were Sunday afternoon visitors of Mr and Mrs William Ernst and Maxine.

Put ZIP in parcel post now

Mr ZIP has a new assignment—to accelerate delivery of long distance parcel post by 24 hours or more.

Postmaster General John A. Gronouski announced plans last week to distribute outgoing parcel post by ZIP Code in the nation's 34 largest post offices. These offices account for more than 50 per cent of the total volume.

THE PROGRAM, he said, will not only speed deliveries but will reduce damage to parcels because of fewer handlings in transit.

"I envisage a virtual revolution in the handling of parcels, in

speedier delivery schedules and reduction of breakage and error," the postmaster general commented.

Implementation of parcel post with ZIP Code has already started in the post offices of six cities—Philadelphia, Washington, D. C., Chicago, Minneapolis and Houston.

Lockwood again named delegate

SENATOR LOCKWOOD

State Senator Emil Lockwood (R-St. Louis) who is seeking re-nomination on the Republican ticket in the September 1 primary election, has again been chosen to represent the State of Michigan at the National Tax Association meeting. It will be held this year in Pittsburgh on Sept. 14. Sen. Lockwood, who is a certified public accountant, will be the ranking Republican member of the Senate Tax committee if re-elected this fall.

Because of his experience in this field Gov. Romney appointed him last year to represent Michigan at both the NTA and the NATA meetings. Sen. Lockwood is also working on several interim study committees for the legislature in which members hope to devise a tax system that will provide property tax relief, a program strongly advocated by Sen. Lockwood. "There are many inequities that still exist in the property tax field, particularly in the area of personal property," he stated.

During his two years of service in the Michigan Senate, he has also been a member of the Senate appropriations committee and made it a point to visit all of our state institutions to gather first hand information on needs of the various agencies.—Paid Political Adv.

Events like the wet sponge throw, which kept Playground Director Pat Stevens soaked all evening, were popular at the playground carnival last Wednesday evening. Sponge, which shows up just above shadow at Miss Stevens' right shoulder in top picture, was a direct hit. In bottom picture, children line up to exchange pennies for peanuts so they, too, can enjoy the fun offered in the various booths.

Playground kids' carnival draws 300

A carnival run by youngsters and leaders of the playgrounds of St. Johns drew an estimated 300 persons to the city park last Thursday. Roger Kowalski, recreation director, said he was very pleased with the turnout.

THE BOOTHs were ring tossing, pong ball throw, basketball bounce, fishing tank, sponge throw, bean bag throw and a refreshment stand.

Real money was exchanged at another stand for peanuts, which was the admission money for the booths. Attendance at one point was so heavy the youngsters ran out of peanuts temporarily.

POPCORN for the refreshment booth was donated by the Family Drive-In theater.

Horseshoe tourney dropped; no interest

An apparent lack of interest in the game of horseshoes has caused city recreation officials to abandon plans for a horseshoe tournament.

Roger Kowalski, recreation director, said last week only a few persons signed up. Original plans were to run the tournament on a challenge basis in two classes, male and female over 16 and male and female under 16.

Local man is gunshot victim

James F. Bandt, son of Mr and Mrs Bernard Neller of 1001 Taft Road, has returned to his home to recuperate from serious gunshot wounds inflicted by a stranger in a restaurant at Hammond, La., on July 4. His physician advises that his convalescence will require from six months to a year.

After the incident, he was taken to a hospital at Independence, La., where he was not expected to survive. One bullet penetrated the diaphragm, lung and liver. A second one went through the left side of his chest and is still lodged under the shoulder blade. A third wounded his right leg.

MRS NELLER flew by jet plane to her son's bedside where she remained four days. She returned by plane to be on call to return as he remained on the critical list.

Friday, after four weeks of hospitalization, he flew by jet plane to Lansing and returned to his home here. He will be under the care of a Lansing specialist until his recovery is complete.

HE HAS A WIFE, Marcia, and a two-year-old daughter, Tammy.

He will return to Hammond Sept. 17 for the arraignment of his assailant.

Footballers pitch in, help put up 2,100 bales of hay for Vitek

Neighborhoodness is not an easy thing to find in the big cities, but rural folks are tied together in a special way so that neighborliness is a natural thing.

And when people run into an extra amount of bad luck, such as the Alex Vitek family did a week and a half ago, neighbors just naturally pitch in to help.

BROTHERS Robert, Raymond and John Vitek were all injured seriously July 26, along with two other youths, in a two-car crash on South Forest Hill Road southwest of St. Johns. At last report, the boys were showing improvement at Clinton Memorial Hospital.

The accident occurred at almost the peak of the harvest time, and it took from the Vitek three good farm hands. John, 17, is co-captain of this year's St. Johns High School football team, and his teammates were quick to rally around to help out.

WITH RAY Warner, father of one of the players, and high school coaches Bill Smiley and Frank Rosengren making arrangements and providing rides, 14 members of the team helped the Vitek put up 2,100 bales of hay and straw last Thursday and Friday.

While there they visited many of the well known landmarks in New York City, including touring Manhattan by land and water, visiting China Town, Harlem, and seeing the Rockettes.

Mr and Mrs Willis Cressman were evening guests of Mr and Mrs Loyal Weismiller Saturday. Mr Cressman is the brother of Mrs Weismiller.

Sunday afternoon, Mr and Mrs Loyal Weismiller and Jerry attended the Weismiller family reunion at Moore's Park in Lansing.

Mr and Mrs Clarence Keck and family visited friends in Ovid last Wednesday evening. They called on Anna Young and Clarence and Julia Smith.

Sunday noon, Mr and Mrs Clarence Keck and family went on a picnic in Potters Park in Lansing. Accompanying them were Mr and Mrs Alvin Schultz of DeWitt.

Mrs Louis Rayman was the dinner guest of Mr and Mrs Louis Boron Sunday noon.

Mr and Mrs George West of Florida were Thursday afternoon callers of Mrs Louis Rayman. The Wests are former residents in the neighborhood. They moved nine years ago.

Mrs Charles Kingsley and Michel of Owosso were Tuesday luncheon guests of Mr and Mrs David Conklin. The same afternoon Mrs Kingsley and Michel called on Mr and Mrs Gale Boron.

Mr and Mrs Gale Boron were Sunday dinner guests of Mr and Mrs Charles Kingsley of Owosso.

Mr and Mrs Dan Beck and daughters were Sunday evening callers on Mr and Mrs Gale Boron.

Mrs Oliver Smith and son from Cleveland, Ohio were Friday afternoon callers on Mrs David Conklin.

Mrs Allan Boron attended a patio luncheon and pool party at the home of Mrs Murray Poland of Lafayette Drive in Lansing last Thursday afternoon. They party was given for members of Zeta Tau Alpha Lansing Alumnae Club.

Mr and Mrs Robert Blanchard and family spent the weekend at the cottage of Mrs Archie McLachlan on Nagonee Lake. Mrs McLachlan is Mrs Blanchard's sister.

donated their time and balers, too, and Wilbur Thurston was there to lend a hand. Many of the boys who worked the two days gave up time where they could have been earning money.

BOYS WHO helped the Vitek

Thursday and Friday included Roger Parson, Les Warner, Tom McKenzie, Lee Hill, Al Werblish, Dave Hill, Terry Thurston, Darrell Kelly, Ken Love (co-captain with John Vitek), Norm Love, Ted Rahl, Roger Beebe, Doug Thurston, Jack McCurry and Craig

Knight. Rick Vitek, a younger brother of the injured boys, also was in the fields.

Mrs Vitek said Friday that everyone has been real thoughtful and helpful to them in many ways since the accident.

SOUR GRAPES ?

When ads for food stores claim that they save you more because they don't give bonus coupons and trading stamps, we sometimes wonder if one of their products isn't "sour grapes". Because we at Kroger can PROVE to you any day of the week - that Kroger Discount Food Prices in themselves will save you as much or more than anyone - with or without coupons and stamps. At the same time, Kroger offers you the EXTRA SAVINGS of off-price coupons and Top Value Stamps.

It's true there's a very good reason why we can offer these two ways to save in addition to the lowest food prices. Kroger is in a position to buy in big quantities at the right time and place for biggest savings - and we pass these savings on to our customers.

Why not find out for yourself how sweet the savings are at Kroger - the triple savings of lowest food prices, bonus coupons and Top Value Stamps.

GOVERNOR ROMNEY REPORTS

One of the happiest and most satisfying reports I have been able to issue in the 18 months I have been governor is Michigan's financial statement as of the end

of the fiscal year on June 30, 1964.

After closing the books on the year's activities, I was able to report this good news:

Michigan ended the fiscal year with an actual surplus of \$48.8 million.

THIS MEANS that in two years' time, Michigan has gone from \$105 million in debt to almost \$50 million in the bank.

Two years ago, Michigan had a general fund deficit of \$85.6 million. This was well known.

But we also had a hidden, unpublicized obligation that had to be paid. This was about \$20 million that we owed to suppliers of liquor for our state-monopoly state-operated liquor business. Back in 1959, with payless paydays staring Michigan in the face, our public officials were looking everywhere for methods to pick up a few dollars to make ends meet as long as possible.

ONE METHOD they found was to delay payment for liquor suppliers already received. This delayed payment provided millions of dollars in cash for immediate needs. So instead of a pay-in-30 days system, which is the usual system for paying for state purchases, the liquor suppliers were told they had to wait for 90 days or even 120 days for payment for liquor supplies already purchased by the state and distributed through our state ware-houses and retail liquor outlets. The liquor suppliers had no choice; the state just didn't pay its bills on time. This was an obligation of the state, just as much as paying for food for hospital patients, or gasoline for cars, or anything else the state buys. But the liquor suppliers were told to wait.

WELL, TODAY, these payments to liquor dealers have been brought up to the normal 30-day period.

So, in addition to completely wiping out the well-known \$85.6 million deficit, Michigan also has paid up a continuing and unpublicized \$20 million obligation to liquor suppliers.

And in addition, we have built up an actual \$48.8 million cash surplus.

THAT'S WHAT I call financial progress of the highest order.

In the meantime, of course, Michigan has not lagged in taking care of legitimate needs of people. Our budget for the current fiscal year provides needed increases for higher patient loads in hospitals, higher student loads, increases in cost of living, and in selected additional programs.

The primary reason our state treasury looks so healthy, of course, is the fact that Michigan's economy is booming. Our sales tax collections are higher than ever, and the yield of our other revenue sources is high.

MORE PEOPLE are working than was the case a year ago, and when people work, they spend money and they pay taxes. Thus our healthy economy makes itself felt in how much money is on hand to run state government.

But that's not the whole story.

With more people working, fewer people need welfare assistance. Thus a booming economy reduces our welfare costs at all levels of government, and this is the case this year.

BUT OF special significance is the care with which state government is being operated.

This administration has conducted a continuous but undramatic program of spending reform. We have watched carefully how every penny is spent, and have searched diligently for new and better ways of doing things. During the fiscal year just closed, an estimated \$6 million was turned back to the general fund from various state agencies, largely due to our intensive efforts to provide public services more effectively and with the least cost possible. This is the kind of fiscal integrity that is welcome news to taxpayers.

People who worry too much about the future often overlook the tasks of the present.

Ionia fair adds free features

The Ionia Free Fair, one of the few major fairs in the nation with free admission to its grounds, has added a number of new—and free—features for this year's engagement Aug. 10-15.

The over-all program includes such entertainment highlights as nightly fireworks displays, harness racing, auto racing, tractor and pony pulling contest, livestock judging, State Championship Plowing contest and hundreds of attractive exhibits.

AMONG OTHER features are a greased pole contest, tractor driving contest, wood chopping competition, square dancing exhibitions and a tug-of-war across the Grand River.

*Fun Galore in '64', a variety show starring the Clinger Sisters, youthful singers featured several times this year on the Danny Kaye TV program, will be presented before grandstand audiences the first three nights of

the fair, Aug. 10, 11, and 12. Comedian Don Rice, Gus Augspurg's Jungle Wonders, impressionist Billy Webb, the Freddyds, the Haslevs, and the Hal Sands Manhattan Rocket dancers will also perform.

MEREDITH Willson's famous "Music Man," presented by BC-NYC productions, will play before the grandstand Aug. 13, 14, and 15. A talent-loaded company of 54 professionals will present all of the color and the great songs in this fine musical.

A self-contained 25 feet diameter "carousel" canopy with 40 hanging microphones and 70 overhead lights offer magnificent sound and a full range of color.

Governor Romney and other state notables will be at the fair on Governor's Day, Wednesday, Aug. 12.

Elsie

By MRS. NEVA KEYS, Correspondent

Despite much surgery, Helen is happy girl

ELISIE—Helen Blakely, six-year-old daughter of Mr and Mrs Norman Blakely is recuperating from major surgery on her hip at the Sparrow Hospital in Lansing. She is confined to a body cast over the rib section as well as both legs and is now in her home at 203 S. First Street.

This is not a new experience for Helen as she cannot remember all of the casts. There were more than a dozen.

THE FIRST major surgery in the series required 5 1/2 hours and was performed when she was 15 months old and she cannot remember the 16 to 18 times she was given anaesthetics in her young life. The recent operation was the third one on her hip.

Born at Owosso Memorial Hospital, Sept. 21, 1957, with RH factor blood, Helen was given a complete change of blood in two operations, a skin and bone graft and braces on three occasions.

SHE WAS in traction at three months followed by a cast until one year of age and was never in her home until the age of five months.

Then followed a series of treatments and operations at several hospitals including the University Medical Center in Ann Arbor.

Helen began walking three years ago receiving her first braces in November 1961.

Her parents were taught to give the necessary physical therapy at home and Helen's sisters Katherine and Marie and her brother, Norman Jr., all joined to help in every way possible to develop strength and better health for their little sister.

AS THE children peddled papers on their newspaper route, little Helen accompanied them on a cart or sled always greeting patrons with a smile and "Hi."

She attended kindergarten and the first grade at Knight Elementary School and was an honor student and one of the most cheerful and thoughtful youngsters in her classes, according to her teachers. She was always ready to do more than her share and proved a friend to all.

Although the outcome of the recent surgery will not be certain for sometime, Helen plans to begin her second grade stud-

50 enthusiasts of central area attend Detroit convo

ELISIE—About fifty china painting enthusiasts from Flint, Owosso, Durand, Bannister, Eureka and Elsie area are related over their recent trip to Detroit to attend the Convention of the International China Painting Teachers Organization at Cobo Hall.

The artist, Miguel Jimenez from Madrid, Spain visited the convention.

MRS EARL Dunham of Elsie, who has studied under Elaine Cheney of Flint, Mrs Winifred Brase of Detroit and Mrs June Sanford of Kalamazoo, was among those privileged to receive instruction from Jimenez. Although it was given through an interpreter, Mrs Dunham said that just watching his hands work, gave her inspiration.

They also had classes in lusters and firing bone china by noted teachers from California and Canada.

MRS DUNHAM teaches in the Jessie LeCureaux Studio at Corunna and has classes at her home, 418 W. Main Street, Elsie. A teacher for eight years, she is a member of the international organization and also the Michigan group and has displayed much of her work in the Vern Schmidt's Jewelry Store in Owosso, each October during the annual show.

MRS DUNHAM said the next convention of the International China Painting Teachers Organization will be held at Denver, Colo. in 1966.

The local group was surprised in Detroit by meeting several former Elsie folks, Mrs J. Paul Kenney of Detroit, Mrs Sidney Goodrich of Farmington and Miss Elizabeth Bowman, who conducted a tour of the old Central Methodist Church, Detroit, and Mrs Glen Levey of Southfield.

Green new Ovid-Elsie president

Harold Green of Ovid was elected president of the new Ovid-Elsie area school board at the group's organizational meeting last week.

Other officers are Ellsworth Cook of Elsie, vice president;

Stanley Loznak of Elsie, secretary; and Francis Johnson of Ovid, treasurer.

Green has served as president of the Interim board, Loznak as secretary and Johnson as treasurer. With approval of the voters July 24, the president and trustees get \$100 annual salary, while the secretary gets \$200 and the treasurer \$300.

Other members of the Ovid-Elsie board are Donald Craig, Raymond Stewart and Frank Rivest Jr.

Elm disease ready for final death blow

The persistent Dutch elm disease seems to be winning out over efforts to save elm trees in the city and county.

Since last July, the city of St. Johns has tagged 236 trees on city property to come down.

THE DIE-OFF has been so great in the last year that city fathers decided to end this spring a seven-year-old spraying project.

The city has been spending about \$600 annually for spraying in an attempt to thwart the Dutch elm disease, but commissioners felt the results weren't worth the price. The Dutch elm disease started to be noticed about nine years ago, according to Acting City Manager Kenneth Greer, and the spray program was instituted about seven years ago.

GREER SAID all dead or dying elms on city property have been tagged to come down, but city crews, with their other duties, too, have not been able to take care of them as fast as some residents would like. There remains over 30 trees on the "cut down" list.

The City Commission frequently receives written requests from residents who would like certain dead trees removed, citing safety factors as the main reasons.

GREER SAID dead elms along the streets are getting top priority in tree cutting, and whenever possible dead elms are being taken out of the city park.

The problem is county wide too, and George McQueen, Clinton

County agricultural agent, said this is the time of the year when elm trees will "go fast. They just fold up their wings and die."

He said the disease will take many of the remaining elms in the county this year, and by next year most of them will be gone. After that only occasional trees will remain, he predicted.

McQUEEN SAID the Dutch elm disease started in the Eastern United States and has been slowly sweeping west and north through the nation's elm tree belt. To show the movement, he said that 100 miles north of here, the disease is about three years behind its destruction schedule here.

There apparently is "no answer" to the problem, McQueen said, and the only thing that can be done is to delay the eventual death of the elm.

New practices hike forage crop quality

Farmers are becoming more and more conscious of the potential profit from raising the quality of their forage crops, hay, pasture and silage.

Just a few years ago many fields were cut for hay only once or twice a year. A yield of two tons per acre, of which 48 per cent was digestible, was considered good. Today, many of these same fields—after being limed and fertilized according to soil tests as well as seeded with recommended varieties of grasses and legumes—are being mow-

ed at least four times a year with a yield of five or more tons per acre and with a digestibility of 60 per cent.

THIS MEANS about three times the total digestible nutrients are being produced per acre than formerly. Liming, fertilization and reseeded of pastures also pays off handsomely. Many pastures which cows roamed over—from three to five acres per cow—in search of feed now support an animal over each acre or

less. These pastures have been limed to a pH of at least 6.0, fertilized according to soil test and seeded to adapted grasses and legumes.

While these practices increase the total per acre cost, they decrease the cost per ton of feed produced because three to five times more feed is produced and it is of a much higher quality.

GOOD FORAGE crops mean not only increased production and profit but also help conserve the soil and improve its tilth as well as permeability. The fields should be rotated in about five year intervals rather than restricted to the poorer areas, because the cash value and benefits from forage crops can exceed those for grain crops.

Mrs Paul Carr and granddaughter, Kelly, visited Mr and Mrs Ashenfelter and family Wednesday.

Mrs Jean Hamilton and baby, John Owen, from Owosso and Mrs Lucille Gallagher spent Friday evening in the V. D. Strong home. Mrs Gallagher left for a three-week vacation in Florida Monday morning.

Miss Shirley Ashenfelter attended a church retreat at Townline Lake during the weekend. This was a group of young people from the EUB Youth Fellowship Group.

Mr and Mrs V. D. Strong, Mr and Mrs Andrew Cobb, Lawrence, John and Allen attended the Vagran reunion at Bertha Brock Park, Sunday.

Mr and Mrs John Hoag and little son returned to their home in St. Johns after spending the week in the Gerald Pope home.

Mrs Dorothy Ashenfelter exhibited her prize poultry at the Jackson County Fair. She proudly claimed many first prizes and will be going to the Ionia Fair on opening day.

Supervisors' Proceedings

MONDAY, JULY 6, 1964

The Clinton County Board of Supervisors met on this date at 10:00 a.m. After a pledge of allegiance to the flag, prayer was offered by Supervisor Carter. Roll was called and a quorum reported. Minutes of the last session were read and approved.

A communication from the County of Chippewa was read and placed on file.

A motion was made by Supervisor Moore and supported by Supervisor Culy, that this Board authorize payment of the amount of \$50 to the Clinton County Chairman of Michigan Week as a partial payment of the Michigan Week expenses. Motion carried.

Supervisor Tiedt, as Chairman of the Salary and Clerk Hire Committee in a committee report, recommended and moved that the following schedule of salaries for elective offices for the term beginning January 1, 1965, be adopted and the Board hereby authorize the adoption of a retirement plan for all County employees.

After hearing from Charles Frost, as Civil Defense Director, a motion was made by Supervisor Higbee and supported by Supervisor Gove, that the Civil Defense Director be authorized to purchase surplus properties up to \$50 without prior authority of the Civil Defense Committee. Motion carried.

A motion was made by Supervisor Carter, supported by Supervisor Setterington, voted and carried that reading of Supervisors' expense accounts be dispensed with and they be paid as presented. Motion carried.

The Chairman then declared a recess until 1:30 p.m.

After recess reports from the Records and Equipment Committee and the Tri-County Planning Committee were heard.

A motion was made by Supervisor Culy and supported by Supervisor Carter, that the Salary and Clerk Hire Committee be authorized to have an actuary audit made for the purpose of determining the cost of a retirement plan for county employees. Motion carried.

Supervisor Krebel, as Chairman of the Building and Grounds Committee, in a Committee report recommended and moved that the Courthouse be painted and decorated on the inside and the Board of Education Building be painted on the outside. Motion was supported by Supervisor Hufnagel, voted and carried.

News About Clinton County Service Personnel

Airman I.C. WAYNE H. GROSSMAN, son of Mr and Mrs Henry E. Grossman of R-2, Ovid, has arrived for duty with a unit of the US Air Forces in Europe (USAFE) at Wethersfield RAF Station, England.

Airman Grossman, a weapons mechanic, previously served at Walker AFB, N. M. His new unit supports the USAFE mission of providing the major air contribution for defense of the NATO countries.

The airman's wife, Ruth is the daughter of Mr and Mrs Richard Jones, also of Ovid. He is a graduate of J. W. Sexton High School, Lansing.

DOUGLAS E. BECHER, seaman apprentice, USN, son of Mr and Mrs R. G. Becher of 103 West Steel Street, St. Johns, is a crewmember of Air Anti-Submarine Squadron 27 aboard the Navy anti-submarine support aircraft carrier USS Intrepid in the Mediterranean with the Sixth Fleet.

While in the Mediterranean, the squadron will participate in the 1964 Midshipman Cruise. During this period, midshipmen from the Naval Academy and other universities are given a first hand look at the Navy in action.

He will have an opportunity to visit ports in France, Italy and Spain.

Army Pvt. GORDON A. DUNSMORE, son of Mr and Mrs Leroy A. Dunsmore, R-4, St. Johns, completed a field communication crewman course July 10 at Fort Leonard Wood, Mo.

Dunsmore was trained in wire laying, message center operation and switchboard operation.

The 20-year-old soldier entered the Army last February and completed basic training at Fort Knox, Ky.

He is a 1960 graduate of Rodney B. Wilson High School. Before entering the Army he was employed by Motor Wheel Corp., Lansing.

WENDELL W. WORKMAN, boilerman third class, USN, son of Mr and Mrs Arden Workman of 409 Meadowview Drive, St. Johns, was recently promoted aboard the Navy destroyer USS Somers, operating out of San Diego, Calif.

His promotion was based on time in service and rate, military appearance, performance of duties and a passing mark on the Navy-wide test for promotion.

The Somers periodically serves with the Seventh Fleet in the Far East conducting training operations designed to increase her combat readiness.

KENNETH D. GREENFIELD, aviation electronics technician third class, USN, son of Mr and Mrs John D. Greenfield of R-2 DeWitt, was scheduled to return to the United States about Aug. 1 with Attack Squadron 115 aboard attack aircraft carrier USS Kitty Hawk, completing a tour of duty with the Seventh Fleet in the Far East.

While in the Far East, the squadron participated in various flight training exercises designed

to increase her combat readiness.

Her crew members had an opportunity to visit ports in Okinawa, Japan and Hong Kong.

Pvt EUGENE P. FERGUSON, son of Mr and Mrs Clyde G. Ferguson, 326 Wilson Street, DeWitt, completed a 10-week supply course at the Army Ordnance Center and School, Aberdeen Proving Ground, MD., July 31.

Ferguson was trained to use automatic data processing equipment, infrared inspection equipment and ultrasonic cleaning devices.

The 22-year-old soldier entered the Army in November 1963 and completed basic training at Fort Knox, Ky.

He is a 1960 graduate of DeWitt High School.

Raymond Parker, left, and Charles Carroll go over details they must work out for the Jehovah's Witnesses convention in Grand Rapids.

Puts down hammer for baton

South Greenbush

For four days, from Aug. 6 through 9, Raymond Parker will lay down his hammer and saw and picked up a musician's baton. Parker is an Elsie carpenter and has served as presiding minister of the St. Johns congregation of Jehovah's Witnesses for the better part of 20 years.

"I'll be directing music and the orchestra at our district convention at Grand Rapids next month," Parker explained. "We won't have professional musicians in our group, but what they lack in skill they will make up in willingness. In our unit will be housewives, painters, plumbers and what have you. By the time Aug. 6 rolls around we will have a fine sounding outfit."

PARKER HAS BEEN spending time lately reviewing the facilities at the Civic Auditorium in Grand Rapids, site of the convention. Working with him is Charles Carroll, Greenville minister, who will oversee the equipment department at the convention. Carroll became active in the work of Jehovah's Witnesses as a result of the Bible study ministry carried on by Parker in this area.

Parker explained that the Grand Rapids event is one of 65 conventions being held by Jehovah's Witnesses in United States and Canada this summer. About 4,000 are expected to attend the Grand Rapids event.

"We're even... I had THAT one yesterday!"

S. GREENBUSH— Twenty-four persons attended the 4-H business meeting of the Greenwood Busy Bodies at the home of Mr and Mrs Roy Droste.

Demonstrations were given by Della, Lisa and Alan Davis, Lynda Droste, Steve Thornton, Janice and Jack Woodhams, Diane Dunkel and Nancy Malville.

Mrs Guy Simcox and Mrs Ralph Silvernall spent the weekend with Mr and Mrs Howard Simcox and family at Higgins Lake.

Callers at the Hazel and Nora Beebe home were Lillian Hark, Jean De Boer, and Melita Keiser of Lansing.

Mr and Mrs Roy Davis and Mr and Mrs Donovan Williams of Elsie flew to the twelfth Armored division reunion at Louisville, Ky. and attended memorial ceremonies and demonstrations of armored equipment and toured General Patton Museum at Fort Knox, Ky.

Miss Sue Glaty of Mecosta County is participating in 4-H Exchange Week. She is a guest at the home of Mr and Mrs Roy Davis.

Twenty relatives and friends attended the bridal shower for Miss Karlene Bryant given by Mrs Darrell Buck and Kathy.

Cindy Smith, Lynda Droste, Sharon Kowalk and Judy Whitlock attended a birthday party for Lisa Davis hosted by Miss Della Davis.

Darrell Arthur Buck is a camp counselor at "Our Lady of the Lake Seminary" at Syracuse, Ill.

Many Price and Greenbush residents attended the worship service and picnic held at the home of the pastor, Rev Rudy Wittenback in Lowell Sunday.

Eastern Michigan University at Ypsilanti, formerly Michigan State Normal College, established in 1849, was the first state teacher training institution west of the Alleghenies.
