10 CENTS

Posing with their Community Chests at the kickoff breakfast for the Chest's Industrial drive are: left to right, Don Alvord of Sealed Power; Fredrick Barnes of Saylor-Beall; Mrs Doris Prowant of Federal-Mogul; Mrs Elsie Dickinson of Advance Castings; Ken Moore of F. C. Mason Co.; and Maynard Casler of Michigan Milk Producers Assn.

## Red Cross elects 2 to board

Mrs Henrietta Prince and William Asher were elected to the board of directors of the Clinton County chapter of the American Red Cross at its recent annual meeting.

The election brought the board to its full complement of 13 members.

ROLLAND McCall, chairman of the Lansing Regional Blood Bank, and Mrs Ellen Mitchell of Birmingham spoke to the group. They were introduced by county Chairman Richard Newman.

McCall spoke of the past, present and future of the Lansing Regional Blood Bank, which is the largest supplier of blood in the state. He said the region will need 77,000 pints of blood next year to fill the needs of the people.

MRS MITCHELL told of the work and objectives of the volunteer workers and their efforts to alleviate suffering, first to their own community and then nationally and internationally.

She stated that the creed and reward of the volunteer worker is "Share love, receive love." Through their work, she said, they are contributing to the constant efforts for a lasting peace.

DORA HALL, executive secretary, reported on the county's work for the past year. Coffee, cider and donuts were served following the meeting.

AUCTION SALE — William Wallace will sell his household goods at his farm, 1/4 mile east of US-27 on Alward Road on Saturday, Oct. 10 at 1 p.m. Sam Sherwood, auctioneer.

## Reappraisal field work completed in Lebanon

Appraisers for the H. L. Yo Co. have finished their field work in Lebanon Township as the job of reappraising the values of Clinton County property continues on schedule.

Eugene Klee, in charge of the reappraisal work, said field work is well along in Essex, Greenbush and Duplain townships and has started in Ovid Township. One field man is working in each township.

KLEE SAID he expects to have the northern half of the county finished—with the exception of

## Chest's industry drive under way

The industrial phase of the Clinton County Communities Chest drive was kicked off Tuesday morning with a breakfast attended by 31 representatives of St. Johns and area industry.

The breakfast, held at Walker's Cafe, was sponsored by Federal-Mogul of St. Johns.

THE INDUSTRIAL representatives heard messages from Bill Richards of the Communities Chest board and from Mrs Gertrude Buehler, St. Johns school nurse, and Mrs Luella Canfield, Clinton County nurse.

The two women explained the work of the Lansing Child Guidance Center and the Salvation Army, two beneficiaries of the Clinton Chest drive. If the county goal of \$29,000 is reached, the Salvation Army will receive \$2,200 and the Lansing Child Guidance Center \$700.

THE CHESTS given to the major industrial and business firms included cards, pins and other materials needed by the people in conducting their fund solicitations.

The Chest board has scaled down plans of larger community drives and are asking as a minimum the following for consideration when contributions are made:

Industrial firms, \$3 per employee; bank, \$5 per employee; executive management (\$10,000 and up), .006 per cent; management (\$7,500 to \$10,000), .005 per cent; supervisory (up to \$7,500), .004 per cent; hourly rated employees, 25 cents per week.

"THIS IS not charity," Richards

stated Tuesday. "These nine organizations serve you, your relatives and friends, sometimes directly in time of need and sometimes through research development."

Other groups sharing in donations received are: Red Cross, Boy Scouts, Girls Scouts, Rehabilitation Medical Center, St. Vincent de Paul Society, Michigan United Fund Agencies, and Clinton County 4-H.

Klee said county residents have, with only a few exceptions, been very cooperative. He said his men have had good results on call-back cards.

HE REEMPHASIZED that the field men work only an eight-hour day and are not available for call-back trips after regular working hours and on weekends.

## Tire goes flat, man injured as his car crashes

Leslie F. Dumont, 41, of R-2, Laingsburg went to Lansing General Hospital Saturday evening after his car skidded off a wet Round Lake Road in Victor Township.

Dumont suffered cuts and bruises.

THE ACCIDENT happened at 7:45 p.m. on a curve just east of Upton Road. Marks on the highway showed that the left rear tire went flat as the car went into the curve. It went out of control and hit a tree on the outside of the curve.

Dumont was traveling west at the time of the accident.

## Clinton Tractor Sales looted

Clinton Tractor Sales and Service at 108 E. Railroad Street, St. Johns, was the victim of a thief over the weekend.

City police were told someone broke a side window to get in and then made off with some wrenches, drills and drive sockets. Police Officer Robert Ott is investigating.

CARPET RAG Social at Smith Hall, Saturday, Oct. 3 at 7:30 p.m. Ladies bring a lunch in a box and your name in a carpet rag ball to be auctioned off to a gentleman. Square dance follows. Proceeds go to Smith Hall floor fund. Sponsored by Wilson 4-H Club. 23-1

## GOP to open headquarters here Thursday

Republican campaign headquarters for Clinton County will open officially Thursday evening in the former Hicks Store building on the west side of the center block of Clinton Avenue in St. Johns.

James C. Matthews, organization director for the Republican County Committee, says coffee and doughnuts will be available for visitors on opening night. A quantity of campaign supplies, including badges and leaflets, will be on hand, Matthews said.

No schedule of hours for operation of the headquarters has yet been established. They will be announced later, according to Matthews.

## 2 seek vacant commission seat

There'll be a contest Nov. 3 for the one vacant seat on the St. Johns city commission.

Incumbent Charles Coletta has filed for reelection. He lives at 111 N. Morton Street. Opposing him will be Richard Tonnemacher of 607 N. Ottawa Street.

EARL LANCASTER

St. Johns Supt. of Schools Earl Lancaster was elected to the governing council of the Michigan Association of School Administrators at the group's fall meeting at Mackinac Island Sept. 13, 14 and 15. The association is made up of school superintendents in the state. The governing council has 24 members.

Registration slips for those receiving the vaccine were sent out to all rural and community schools in the county early this week, and they are also available at doctors' offices in the county.

EACH FAMILY should fill out the slip, listing each member who is going to take the vaccine. This will help speed things along Oct. 11 when thousands of people are expected to receive the vaccine.

A copy of the blank will be printed in the Clinton County News next week for those who misplaced the ones from school or didn't get one. Blanks will also be available at the clinic sites.

Honor Guard Lowers Flag

The American Legion Veterans Honor Guard conducted a formal retreat last Wednesday in front of the courthouse. The occasion was the end of Constitution Week in the United States. The honor guard marched up Clinton Avenue to the Courthouse and lowered the flag to the sound of Taps.

# List county polio vaccine centers

Nine oral polio vaccine clinic sites have been established in Clinton County for distribution of the vaccine Oct. 11 and Dec. 13.

In St. Johns, one station will be at the Swegles Street School, and another will be at the Perin-Palmer School.

Clinics are also scheduled in the high school gymnasiums at Elsie and Fowler, the elementary gymnasiums at Maple Rapids and Bath, the township halls in Westphalia and Valley Farms and Veterans Hall at DeWitt.

ALL OF THE stations will be open from 11 a.m. to 5 p.m. under the direction of Dr C. W. Lumbert and attorney Robert Wood. They are county chairman and co-chairman.

The Clinton County Health Dept., with Dr Paul Stoller of St. Johns as director, is sponsoring the clinics. The Health Dept. will provide a physician or a pharmacist and three or four registered nurses at each of the nine stations.

OTHER VOLUNTEERS, to be recruited by the St. Johns Exchange Club, will assist at each station.

All persons in the county over six months old are urged to participate in the easy "sugar lump" inoculation. The Sabin oral trivalent vaccine gives protection to the digestive tract of the body in all types of polio.

A 50-CENT donation will be requested from each person, although no one will be turned away. Since the cost of the materials—vaccine, sugar cubes, paper cups, registration slips, etc.—amounts to more than 40 cents per dose, the margin allowed for other expenses and for those who are not able to pay is very small.

Registration slips for those receiving the vaccine were sent out to all rural and community schools in the county early this week, and they are also available at doctors' offices in the county.

EACH FAMILY should fill out the slip, listing each member who is going to take the vaccine. This will help speed things along Oct. 11 when thousands of people are expected to receive the vaccine.

A copy of the blank will be printed in the Clinton County News next week for those who misplaced the ones from school or didn't get one. Blanks will also be available at the clinic sites.

ALL STORES will close at their regular times today (Thursday), but at 7 p.m. the doors will be swung open again. Red hot sale items will be special priced for this event.

Many of these items are advertised in the Clinton County News on a special page devoted to Moonlight Madness. Others can

Chiefs of volunteers at the various clinic sites are:

ELSIE — Mrs Paul Plotner; Maple Rapids — Mrs Keith Wright; Fowler — Mrs Reynold George; Westphalia — Mrs Daniel Martin; DeWitt — Percy Carris; Bath — Mrs Yvonne Wagner and Mrs Ruth Nessman; Valley Farms — Mrs Bolchoit.

The two St. Johns clinic sites will be handled by the Gray Ladies, with Mrs Cecil Boak in charge, and the Hospital Auxiliary, with Mrs R. L. Wohlers as chief of volunteers.

MRS LUELLA Canfield, Clinton County nurse, said Tuesday all arrangements for the nine county clinics have been made, nurses and doctors are lined up and all is in readiness.

She pointed out that some people believe only one dose of the vaccine is necessary for lifetime immunity to polio. This is not true, she said. Two doses of the trivalent vaccine, which will be given in Clinton, is necessary for full protection against the three types of polio.

Even then, booster series of the Sabin vaccine are recommended every two to four years.

THE VACCINE will be given on a cube of sugar, or orally with an eye dropper to youngsters too small for the sugar. The vaccine is tasteless. It's recommended for everyone over six months of age.

## Car skids, hits US-27 guard rail

A passenger in a car was taken to a hospital for a checkup following an accident on US-27 just south of Cutler Road in DeWitt Township Sunday afternoon.

Robert Benson, 20, of Alpena was taken to Edward Sparrow Hospital when he complained of pains suffered in the crash. He was riding in a car driven by Dennis W. Belford, 21, of Lincoln.

DEPUTY Sheriff Bruce Wilcox said Belford was going south on US-27 and was passing another car when a wheel went off the left side of the pavement. This dragged the car into the median strip and through a large water hole.

Then the car came back across the highway and into a guard rail on the west side.

International Rotary membership is presently at an all-time high of 549,000, he told St. Johns club members Tuesday.

## Car turns as another passes it: crash

When one car started to make a left hand turn into Nick's Fruit Market on East State Street in St. Johns last Thursday morning, it was involved in an accident.

It was driven by Douglas C. Weir, 25, of Los Angeles, Calif. Another car driven by Danny L. Folland, 16, of R-1, St. Johns, attempting to pass, hit the left rear of Weir's car.

Folland was ticketed by city police Officer Kenneth Bunge for improper overtaking.

DONALD B. DOUBLEDAY  
Rotary Governor

## Rotary Governor visits St. Johns

The four avenues of Rotary service—international, club, community and vocational—were emphasized by Rotary District Governor Donald B. Doubleday in a talk to the St. Johns club Tuesday noon.

Doubleday, who is associated with a Kalamazoo printing firm, also met Tuesday evening with local Rotary committee chairmen at the St. Johns High School. Arrangements for his annual visitation were in the hands of Frederick M. Lewis, St. Johns Rotary president.

AS GOVERNOR of Rotary District 636, Doubleday serves 49 clubs in 15 counties of southwestern Michigan. He prepared for his responsibilities at a nine-day meeting earlier this year at Lake Placid, N.Y. He is one of 276 district governors from all over the world who serve 11,700 clubs in 125 countries.

International Rotary membership is presently at an all-time high of 549,000, he told St. Johns club members Tuesday.

# Moonlight Madness event to feature twist contest

Shoppers young and old are invited to twist with St. Johns merchants tonight (Thursday) to end an evening of Moonlight Madness.

Music and a twist contest will be held in the middle block of Clinton Avenue to end the Moonlight Madness sales event put on by St. Johns Business Unlimited.

ALL STORES will close at their regular times today (Thursday), but at 7 p.m. the doors will be swung open again. Red hot sale items will be special priced for this event.

Many of these items are advertised in the Clinton County News on a special page devoted to Moonlight Madness. Others can

be found in the businesses other advertisements.

DOWNTOWN parking will be free, and merchants and their employees have been requested by St. Johns Business Unlimited to park their cars off Clinton Avenue. This will allow more parking space for customers.

The businessmen and women will wear nightshirts, dusters and other night-time apparel while waiting on customers. The Moonlight Madness Sale will run from 7 p.m. to 9:30.

THE TWIST contest will start at 9:30, and prizes will be awarded to the top three couples.

First prize for the twist con-

test will be trophies to both the boy and girl. Gift certificates will be given as other prizes. They will be donated by Lester H. Lake, Jeweler; J. C. Penney Co.; De-Paul's Clinton Music Center; Holden-Reid; Rehmann's; Julie K; and Mary Frances Shop.

Music for the contest will be played by the high school dance band under the direction of Robert Cole and Robert Cox. Music will start at about 8:30.

JUDGES FOR the contest will be Don Strouse, Wanda Humphrey and Roy Brisendine.

Bill Barber is chairman of the committee handling arrangements for Moonlight Madness. Others on the committee are Mrs Mary Crosby, Norbert Rehmann, Max Field and Jerry Knupp.

# NFO claims processors resell, pad stock receipts

NFO activity at the Wolverine Stockyards last Friday was practically a carbon copy of the week before — a small and orderly group of pickets and no trouble.

There was a bit more name calling by the pickets, however, and charges by the NFO that meat processors are padding livestock

receipts by sending animals from auction to auction.

TWO CITY policemen, including Chief Everett Glazier, were on duty all day at the entrance to the yards, and several state police detectives were reported to be in the stockyards.

City police again stopped trucks entering the yards and asked the drivers to stop for the NFO pickets and then to proceed or talk whichever they preferred.

TRAFFIC INTO the stockyards were reported lighter Friday than the previous week. Many farmers were said to be trucking their livestock to markets in Detroit, rather than risk trouble at St. Johns and other livestock auctions in this part of the state.

The NFO's charge against the processors came after the discovery of one truckload of hogs marked with yellow paint on their backs. County NFO President Roy Westendorf of rural Pawama said the hogs had come from the livestock auction at Trufant in north-west Montcalm County.

"THIS IS the way they're try-

ing to beat us," Westendorf said. "It's been going on all the time but on a much greater scale recently."

The NFO claims processors are shipping animals from auction to auction to build up the total receipt of animals.

"The more animals they can claim are received the lower the prices they have to pay," Westendorf said. He quoted from an NFO leaflet that claimed some animals in Wisconsin had been sold four times before they were finally killed.

He said padded receipts give the impression there is not as much a shortage of meat as there really is. He said the real shortage is beginning to be felt in retail stores all over the state as the supply of frozen meat dwindles.

### Firemen douse blaze on roof

St. Johns firemen got their first for-real workout in several weeks Saturday when they were called to the county farm tenant house about 12:30 p.m.

They quickly put out a small blaze on the porch roof. Damage was listed as \$75.

Democratic candidates for election in November toured the county Monday and stopped during the lunch hour in St. Johns. Leroy Vincent of Elsie (center) points out the Municipal Building to Sanford Volker (left) of Owosso, Mrs Lavine Perden of Ovid, Mrs Pauline White of rural Laingsburg and Paul Todd of Kalamazoo.

### 2 drivers cut in crash at intersection

Two drivers suffered cuts Friday morning at a collision of their cars at the corner of Cass and Oakland streets in St. Johns.

They were Edward A. Wheeler, 34, of 609 W. McConnell, and Walter E. Spiane, 61, of 114 Floral Street, both of St. Johns.

CITY police Officer Ken Bunge, who investigated, said Wheeler, going east on Cass, ran the stop sign at Oakland Street and was hit in the left side by Spiane's car, going south on Oakland.

Wheeler was ticketed for running the stop sign.

### Car swerves to miss another, hits tree

An Alma man stayed overnight Sunday at Clinton Memorial Hospital, the result of an accident Sunday noon on North Lansing Street.

He was Kenneth P. Bigelow, 26, of Alma. He suffered cuts and was admitted to the hospital. Hospital authorities said he was released Monday morning.

THREE passengers in his car, Phillip E. Bigelow, 22, Jeffrey Bigelow 4, and Scott Bigelow, 3 1/2, suffered bruises but were released after treatment at the hospital.

Bigelow's car was traveling south on North Lansing Street when another driven by Larry L. Devereaux, 22, of 901 N. Lansing, St. Johns, pulled out of a private drive and crossed Lansing Street onto Lewis Street without stopping.

**Fined \$100 total for speed count**

David E. Moss, 18, of R-1, St. Johns, was fined \$95.70 plus \$4.30 costs Saturday after being found guilty on a charge of speeding in Olive Township. He was arrested by Sheriff's officers, reportedly traveling 90 miles an hour in a 55 mph zone on US-27.

BIGELOW applied his brakes when he saw Devereaux crossing the street, and his car skidded past the rear end of Devereaux's auto and hit a tree headon.

Devereaux was ticketed for failure to yield the right-of-way. The accident was investigated by Deputy Sheriff Fred Corson and city police Officer Robert Ott.

### Car roars down ditch, hits tree; driver bruised

James J. Knaggs, 29, of Potterville suffered cuts and bruises Friday night when his car crashed on Howe Road in DeWitt Township.

He was going west on West Howe. The car left the right side of the road, traveled 725 feet down a ditch before coming out of it and straight across the road and into a field.

THE CAR traveled another 120 feet before coming to a stop against a tree on the bank of the Looking Glass River.

He was taken to Sparrow Hospital in Lansing for treatment of his injuries. He also received a ticket for reckless driving, written by Deputy Sheriff Bruce Wilcox and DeWitt Township policeman Clifton Wilcox.

## 5 Democratic candidates 'whistle stop' in Clinton

A kind of "whistle stop" tour of Clinton County was made Monday by five Democratic candidates for county, state and congressional offices.

Paul Todd Jr. of Kalamazoo, candidate for representative from the third congressional district; Sanford Volker of Owosso, running for 87th district state representative; Leroy Vincent of Elsie, 88th district state representative; Mrs Lavine Perden of Ovid, candidate for county clerk; and Mrs Pauline White of rural Laingsburg, candidate for county register of deeds, made the tour.

THEY SPENT part of the morning in Fowler, were in St. Johns over the noon hour and made stops in Ovid, Elsie and Maple Rapids during the afternoon.

Both Volker and Todd had a message for the people of Clinton.

"I am delighted to have been campaigning today in Clinton County," Todd said. "It is always refreshing, in the middle of a heavy campaign, to get away and meet so many fine and friendly faces."

"THE Congressional district from which I am running, the third, is comprised of Clinton (except for two townships) Barry, Eaton, Calhoun, and Kalamazoo. The last time a non-Republican was elected from this district was 1896, and that was my grandfather, A. M. Todd. So I hope it is time for a change, and I would like to carry on in what I consider a fine family tradition."

"My opponent, the incumbent, August Johansen, and I differ on many, many issues. I am for such programs as the recent tax cut, the Peace Corps, support of the UN, the trade expansion act, the recent increase in social security benefits and taxes (which doesn't quite keep up with the rise in the cost of living), the nuclear test ban treaty, and statehood for Alaska and Hawaii."

"HE HAS voted and spoken

### Driver ticketed, result of crash

One car left the road following a rear-end collision on M-21 in Ovid Township last Thursday night, and its driver was given a ticket.

According to Deputy Sheriff Stanley Kajdas, Marie A. Arnett, 52, of R-6, Wildcat Road, St. Johns, slowed to make a right turn onto South Watson Road.

THE SECOND car, driven by Max D. Barrett, 37, of R-6, St. Johns, came up from the rear and was unable to stop in time or turn out. His car struck Mrs Arnett's with the right rear fender when his auto skidded.

After the impact, Barrett's car went off the left (north) side of the highway into a ditch. Neither driver was hurt. Barrett was ticketed for failure to stop in assured clear distance ahead.

against these things time and again. Good government depends upon the adoption of good management principles in government, and I support the recent improvements in the administration of the government growing out of the Hoover Commission reports. Mr Johansen was against the substantive portion of this legislation.

"I hope that I will have an opportunity to give positive and constructive representation to this district. I plan to campaign here again and bring the issues to the voters of this district again, because they are important to ourselves and to our country."

### Grange takes armchair trip to the Orient

DeWITT— DeWitt Grange held its annual Booster Night Friday evening.

Mr and Mrs Roland Sleight of St. Johns showed pictures and told of their recent trip around the world. They said that of all the countries they visited, Japan was the only one they would most like to live in.

ONE OF the guests was Noriyuki Yamaguchi from Tokyo, Japan, who is a guest of Mr and Mrs Oscar Johnson and family for a few days. Mr Yamaguchi is a university student in Tokyo and is visiting the United States.

He has been in the states about one month and hopes to be back home for some of the Olympic games which are being held in Tokyo this year. His sister and Linda Johnson have been pen pals for a few years.

### Fulton PTA meeting Monday

The Fulton Schools PTA will hold their first meeting of the 1964-65 school year Monday at the high school building beginning at 7 p.m. with a potluck supper.

The program chairmen will be Harold Barr, high school principal, and John Murdoch, elementary principal. The program will include an introduction of teachers followed by student reports on summer schools attendance.

Everyone is welcome and encouraged to attend.

### Car on bridge hit by another

A car occupied by Thomas D. Glinke, 18, and Daniel Glinke, 19, of R-1, Fowler, was stopped on a bridge in Essex Township Friday morning when it was hit in the rear by another.

The second car was driven by Gary B. Snyder, 19, of 311 Oak, Maple Rapids. Thomas Glinke was behind the wheel of the stopped car.

The accident occurred on Island Road a half mile west of Bauer Road at 11:30 a.m. Deputy Sheriff Hilary Hafner investigated.

VOLKER SAID he found St. Johns a "most gracious place to be and I hope the people like me as much as I like them."

"I sincerely believe that with the reapportionment of the Legislature, which was fitting and proper, the Democratic party in this area certainly stands a much better chance of winning."

"I SINCERELY hope the independent voter will take a close look at the state platform Neil Staebler has proposed and is backing Let's not just give the governor a wagon and a whip but also the horses (Legislature) to go along with them."

### DAR expresses appreciation for aid in patriotic rites

The members of the Chapter River Wabwasin, Daughters of the American Revolution appreciated the cooperation and interest taken in the Constitution Week project which they sponsored again this year according to Regent Shirley Pouch. Some of those who helped are the ministers of the churches, city and rural schools, service clubs, Ink White with his proclamation, city commission and individuals in displaying the flag throughout the week and Gerald Knupp for the use of the window in the J.C. Penny store, and the Clinton County News for the publicity.

CONSTITUTION Week is the public recognition of the dedication and the sacrifice which the Founding Fathers put into the drafting of the Constitution. These men put their faith in the people of the United States for untold generations to come.

This is the time to teach young people that the fundamental concepts of the Constitution are the only yardsticks of government, Miss Pouch said. This is the time to set them an example by displaying these virtues dedicated to preserving our American heritage; Faith in God, courage, honesty, high moral standards and respect for other people.

### Cars bump after football game

Two cars were involved in a minor rear-end crash after the St. Johns-Greenville junior varsity football game last Thursday night.

Police said John Hopko, 35, of 509 S. Swegles Street, stopped for the stop sign at the corner of Park and Morton streets. He started up and then stopped again, and his auto was struck in the rear by one driven by Diana Lynn McQueen, 16, of R-3, Maple Rapids Road, St. Johns.

### Scouts have busy time at meeting

Boy Scout Troop 522 went to the park for a sack lunch, held a scavenger hunt and played games at the last meeting.

The leaders were Mrs John Thrush and Mrs Eugene Beagle.

### Beck's have birthday sale

Beck's Farm Market on US-27, six miles north of St. Johns is celebrating its 4th birthday anniversary this week with a three-day anniversary sale that starts today (Thursday).

A full page color advertisement on page 1 of section B in this week's Clinton County News lists many sale-priced food and meat items.

FREE PRIZES are to be given away daily during the sale. A Free Smorgasbord will be served daily from 11 a.m. to 8 p.m. Beck's will also have a 1/2 ton mammoth cheese on display. It was made especially for their anniversary.

If customers purchasing cheese can guess within 1/2 oz. the piece cut for them, they will receive the piece free.

### 2 cars collide after wide turn

Cars driven by Alva J. Balinger, 70, of 305 W. Cass Street, St. Johns, and Frank Earl Haas, of 500 E. Higham, St. Johns, collided on M-21 a half mile east of Airport Road late Saturday afternoon.

According to the accident report, Haas made a wide turn out of a driveway into the path of Balinger's car. He was ticketed for an improper right turn.

Bath firemen work to stop a \$10,000 fire which gutted the Gerald L. Carpenter home in Bath Sunday morning. The smoke-filled house exploded in flames when the family opened the door to escape. ### Family escapes Bath home fire

BATH—Mr and Mrs Gerald L. Carpenter and two children were left homeless when fire gutted their home at 5728 Cherry Street Sunday at 9 a.m.

The couple was awakened by the cries of their three-year-old son, Christopher. Carpenter investigated and found smoke but no flames.

WITH THE bedrooms at the rear of the house, the only available exit was the front door. Collecting his family, including 2-year-old Michael, they reached the front door. When it was opened, the whole building burst into flames.

They escaped with only their sleeping apparel. Their clothing, furniture and appliances were destroyed.

Donald Ricks, who joined the Bath fire department only last week, saw the blaze from his gasoline station nearby. He alerted the volunteer fire department and went to the Carpenter home.

CASH DAVID, another fireman, was injured when hot tar fell from the edge of the roof and burned his hands. He was treated at a Lansing hospital and released.

The cause of the blaze has not been determined. The loss, estimated at \$10,000, is covered by insurance.

The flames were brought under control in about 15 minutes, but firemen remained at the scene until about 10:40 a.m.

The Carpenters moved in with Mrs Carpenter's mother following the fire.

They include: 1) Bikes will be ridden only to and from school; 2) There will be only one rider on a bike; 3) Students who ride must live over five blocks from school; and 4) Bike riders will observe the same traffic rules as automobiles.

### Jr. High enforcing bike rules

The St. Johns Junior High Student Council is enforcing rules about riding bicycles to school, rules it adopted last spring.

STUDENTS who violate the rules will be given a "warning" for the first offense, a "ticket" for the second, a month suspension from bike riding for the third, and permanent suspension for a fourth violation.

A student bicycle patrol is used to observe how others obey the rules. Boys will serve for a month on the patrol and then a new group will be chosen.

THE PRESENT patrol includes Jack Purvis, George Pope, Gary Every, Lee Lynam, Charles LePere, Steve Parker, Mike Green and Kirk Simpson. Green and Every are serving as captains.

John Marlon, 33, of R-3, St. Johns, arrested last Wednesday, trial Oct. 28;

JOSEPH P. Patrick, 54, of R-1, Ashley, arrested last Thursday, trial Nov. 24;

James P. Dunnigan, 54, of 614 Whitehills Drive, East Lansing, arrested Friday, trial Nov. 3.

All three men are free on \$300 bond.

EVELYN MARIE PASEKA

Mr and Mrs Ralph Paseka of 1683 S. Scott Road, St. Johns, announce the engagement of their daughter, Evelyn Marie, to Pfc. Rolland B. Gerard, son of Mr and Mrs Rolland Gerard of 123 Gasden Street, Lansing. The prospective bridegroom is stationed at West Point, N. Y., with the US Army.

### 2 pay \$90 for drunk driving

Two men paid \$90 each in fines and costs for driving under the influence of liquor over the weekend.

Walter L. Kieffer, 36, of 505 Vauconsant Street, St. Johns, was fined \$75 and \$15 costs Saturday on the charge by Justice of the Peace Robert Wood.

EDWIN F. Floeter, 39, of Roscommon was fined the same amount by Justice Wood Friday. He also paid a \$50 fine and costs for speeding earlier last week.

Three other persons pled not guilty to charges of driving under the influence of liquor. The men and their tentative trial dates are:

Livestock travel best on a light fill. Shipping losses from over-feeding are highest among hogs, especially in the summer.

### Nab 2 Flint women shoplifting at Fowler

Two young Flint women are in Clinton County Jail on charges of shoplifting about \$150 worth of merchandise at Becker's Dept. Store in Fowler Saturday.

They were taken to the jail and booked on identical charges of larceny from a dwelling. They identified themselves there as Ann Taylor, 23, and Katherine Lewis, 21, of two different addresses on the same street in Flint.

WHEN THEY appeared before Justice of the Peace Robert Wood they said they both lived at the same address. It was different from both given at the sheriff's office, although it was the same street.

Bond was set at \$2,500 each. Justice Wood set a preliminary examination for 1:30 p.m. next Tuesday.

A SEARCH of their car disclosed some merchandise from Becker's already there. Apparently the women had returned to the store after an earlier successful trip.

### County CD board meets Monday

The Clinton County Civil Defense Board met Monday morning for a discussion session. Topics included were:

Non-existence of an emergency operating center in the county; the food resources of the county, processors and warehouses; and the failure of communications between departments of national civil defense because of the lack of federal guides.

Attending the meeting were William Smith, ASCS chairman; Earl Haas, county Extension director; Lloyd Campbell, SCS manager; and Charles Frost, county civil defense director.

Investigations that eat up the taxpayer's money seldom go on a hunger strike.

Mrs. Frederick M. Lewis president, Mrs. Manning Gross is program chairman and Mrs. Kenneth L. Jones is co-chairman.

Registration and a coffee hour is scheduled at 8:45 a.m.

THE BUSINESS session will be conducted by South Central District President Mrs. George H. Brooks of St. Johns at 9:30 a.m. Meetings for club presidents, treasurers and junior counselors will be held and musical selections will be presented by Robert Cox and Mrs. Robert Rice.

Luncheon will be served by women of the Congregational Church at 12:30 p.m.

MUSICAL numbers will be given by Robert Cox, Mrs. Robert Rice, accompanied by Robert Barnard, Mrs. Conrad Selm, Mrs. H. L. Lundy, Mrs. Duane Davis

and the St. John's Episcopal Church string ensemble.

Mrs. Frank Coolidge of Grosse Pointe will speak on "Crusade for Strings." She is national and also state chairman of the Crusade for Strings of the National and Michigan Federation of Music Clubs.

CLUBS from Lansing, Jackson, Milan, Tecumseh, Howell, Eaton Rapids and St. Johns will participate in the event.

The public is welcome to attend the meeting. Luncheon reservations may be made with Mrs. Elmer Maki. No charge will be made for registration.

### GOP women slate two meetings

Board members of the Clinton County Republican Women's Club are asked to bring their lunch to sandwich between two meetings Thursday, Oct. 1.

The board meetings will meet Thursday at 11:30 a.m. and a regular meeting of the club will be held at 1:30 p.m. Both meetings will be held in the board supervisor's room above the jail.

MR and MRS EDWARD McCLOY

### Cornhuskers begin a new dancing season

The St. Johns Cornhuskers Square Dance Club has gotten under way for the season with the second dance of the year last Sunday. Members and guests came from Lansing, Bath and DeWitt.

Dick Kenyon, the Michigan rebel, is calling for the club again this year and dances are held on the second and fourth Sunday evenings of each month.

THE CLUB is learning a few western round dances being taught by Marilyn and Dick Kenyon.

The next dance is scheduled for Oct. 11 at the Municipal building. All western style square dancers are welcome.

Mr and Mrs Percy Abrams returned last Monday from a four-week, 4,700-mile vacation trip through the mountains of Utah, Colorado, Wyoming, Arizona and New Mexico.

### Peace Corps in Morocco is explained

Bill Campbell, a recently returned Peace Corps Volunteer, presented a program on Morocco for the first fall meeting of St. Monica's Guild of St. Johns Episcopal Church Thursday evening at the home of Mrs. Jessie Finch. Mrs. F. W. Smith was cohostess.

He showed slides taken in Morocco and some items he brought from there. A discussion of the Moroccan way of life was followed by a question and answer period.

AT THE business session conducted by Mrs. John Pouch, the group decided to continue monthly bake sales at the Sears store.

Announcement was made that St. Monica's Guild will sponsor a chicken dinner for the public on Nov. 1.

The next meeting will be held at the home of Mrs. Hugh Bannings of 406 E. Walker Street, Oct. 12 at 8:00 p.m.

Senior Citizens Band Plays for PTA

The Senior Citizens' Kitchen Band whoops it up with music, laughter and action last Tuesday night at a meeting of the St. Johns PTA in Smith Hall. The Senior Citizens presented a skit and played about a half dozen musical numbers with their kitchen instruments.

### Rev Conine gives devotions for the WCTU

Rev Ralph Conine was in charge of the devotions for the Mary Smith Union of Woman's Christian Temperance Union meeting at the home of Mrs. Oliver Beck in Eureka. His theme was "The Upside World."

A letter was read from Rev. Erwin Self regarding the vote on liquor by the glass on Nov. 3.

THE STUDY was "Mind If I Smoke" written by Harold Shryock, M.D. which is a scientific research linking lung cancer with cigarette smokers.

He states that 3,500 people are dying from this painful disease annually and the death rate is still rising. A short history was given of the tobacco industry as it dates back to the year before Christopher Columbus made his first trip to North America and was also used in South America.

THE STUDY revealed that after the cancer scare in 1963, the cigarette industry offered a device for getting around the cancer scare and informed the public "We are doing all that is possible to protect your health."

Mrs. Claud Holcomb was tentatively chosen as delegate to the state convention to be held in Niles Oct. 14, 15 and 16.

Mrs. Beck gave the highlights of a summer camp she attended at Caseville.

### Assists daughter's family at Montague

Funeral arrangements, in charge of the Carter Funeral Home, were incomplete at press time.

### Mrs M. Thomas

ELSIE—Funeral services were held Saturday for a rural Elsie woman, Mrs Minnie Thomas, 66, who was found dead of a heart attack last Wednesday in a large backyard grease trap.

Mrs Thomas, a widow, died Wednesday evening. She was found in the grease trap by a neighbor about 6:30 p.m. Saginaw County Coroner Harold Cederberg ruled death was due to a heart attack, and a post mortem confirmed this.

INVESTIGATORS deduced that water from her washing machine backed up in the basement and that she went out to investigate the grease trap. They said she apparently lifted a heavy cover on the trap, suffered a heart attack and tumbled into the trap.

Mrs Thomas was last seen hanging out a washing in the morning.

MRS THOMAS was born in Marion Township Nov. 21, 1897, the daughter of Andrew and Thresa Morbitzer. She resided in the Fenmore and Chapin area all her life and for the past 40 years at her rural home on South Fenmore Road.

She was married to David Thomas at Ithaca March 4, 1920. He died Aug. 18, 1961.

She was a member of the Fenmore Evangelical United Brethren Church.

SURVIVING are two sisters, Mrs Thurlio Perry of Henderson and Mrs Harry Curtis of Carland; one brother, Edward Snyder of rural Elsie; and several nieces and nephews.

Funeral services were Saturday at 2 p.m. at the Carter Funeral Home in Elsie, with the Rev Charles Hull officiating. Burial was in Fairfield Cemetery.

### Mrs John Keusch

WEST PHALIA—Mrs John (Mary) Keusch, 76, of Lansing and a former resident of Westphalia, died Sunday, Sept. 27.

She was born on May 22, 1888, the daughter of Joseph and Theresia Miller.

On April 16, 1914, she was united in marriage to John Keusch at St. Mary's Church, Westphalia. Mr Keusch preceded her in death on Dec. 17, 1961.

SHE IS survived by one daughter, Virginia, of Lansing; three sons, Bill of Mason, and Julius and Bob of Lansing; and 12 grandchildren. Another son, Clement, died in 1952. Funeral arrangements are pending.

Funeral services were Saturday at 2 p.m. at the Carter Funeral Home in Elsie, with the Rev Charles Hull officiating. Burial was in Fairfield Cemetery.

Funeral services were Saturday at 2 p.m. at the Carter Funeral Home in Elsie, with the Rev Charles Hull officiating. Burial was in Fairfield Cemetery.

### Mrs A. Dexter

SOUTHEAST EAGLE—Mrs (Phlana) Dexter Cook a life long resident of Eagle Township, died Saturday at a Lansing hospital after a long illness.

Services were held Tuesday from the Eagle Methodist Church with Rev Harold Jacobs officiating. Peters Funeral Home was in charge of the arrangements with burial in the North Eagle Cemetery.

SHE IS survived by her husband, Albert; three sons, Leon and Arthur of Grand Ledge and Wilbur of Ann Arbor; and a daughter, Verjean Hayes of Danville, Ill.; several grandchildren and great-grandchildren.

The Michigan International Farm Youth Exchange (IFYE) has exchanged 70 youth with 43 foreign countries since its origin in 1947.

### Many of Bannister area seek further education at MSU

BANNISTER—Bruce Moore, son of Mr and Mrs Tom Moore, Roger Peck, son of Mr and Mrs Wayne Peck, and Michael Leydorf, son of Mr and Mrs Elmer Leydorf all left for Michigan State University this weekend and will be attending Welcome Week for the freshmen.

Bruce and Roger both had previously taken the short course in agriculture. Miss Marcella Peck, daughter of Mr and Mrs Ray Peck, will resume studies there this fall as a sophomore while Tom Bradley Jr., son of Mr and Mrs Tom Bradley, will continue studies as a senior student.

Following his visit here with family and friends, he will go to Washington, D. C. for further duty with the US Navy. He will leave here on Oct. 8.

BANNISTER—Apprentice Larry Ensign is at home with his parents, Mr and Mrs Albert Ensign, and family for two weeks following graduation exercises at Great Lakes Naval Station.

Mr Ensign and Larry's brother, David and three sisters, Elizabeth, Cathy and Linda attended the graduation ceremonies which were held on Sept. 18. Larry's company was one of fifteen and each company had approximately 75 men in it.

List fall recreation times, dates

Recreation director Roger Kowalski has listed starting times and dates for some of the fall and winter recreation projects.

Women's recreation and slim-trim classes will start Tuesday, Oct. 13, at 7:30 p.m. in the St. Joseph School gym.

Bridge instruction will begin Wednesday, Oct. 14, at 7:30 p.m. at the Senior Citizens' Drop-In Center.

ARTS AND crafts will start Tuesday, Oct. 20 at 7:30 at the Drop-In Center.

Men's Recreation will get under way Dec. 7 at the St. Joseph School gym.

Basketball league play will begin Wednesday, Dec. 16. Entry deadline is Friday, Dec. 11.

Michigan is alive with color

School bells don't toll the end of the Michigan motorist's touring season, the automobile Club of Michigan points out.

Instead, they signal the presence of fall color that gives every excuse for being on the road.

THE BIG BLAZE of color is expected this weekend between Clare and the Mackinac Bridge.

LOCAL CHAMBERS of Community, Dec. 8, from 8 to 10 p.m.

SQUARE DANCE lessons will start Monday, Jan. 4, at 8 p.m. in the Municipal Building.

merce have information for color tours in any of those areas.

"Although driving is by itself a popular way to see the fall colors (the average motorist is expected to drive about 200 miles), the Motor Club says, "it has one disadvantage. The driver misses much of the scenery."

As an alternative, they suggest tourists combine drives with a visit to one of Michigan's 28 state and national forests to view the fall color while hiking, picnicking or canoeing.

4 mowers, saw taken from shed

Two 20-inch rotary mowers, two older rotary mowers, a chainsaw and a new fertilizer spreader were stolen from a tool shed at the Clinton County Country Club, the sheriff's office was told Monday.

Need written picnic reservations

Reservations for space in the city park picnic area for next summer must now be made in writing, according to Recreation Director Roger Kowalski.

BOWLING St. Johns Area Leagues

Bowlers limber up

St. Johns area bowlers are getting their arms limbered up as the bowling season gets off to a good start.

Jolie Becker had a 207 high game and a 521 series to top the Tea Time League.

THE BOWLETTES lead the Coffee Cup League with a 4-0 record on the strength of having the high team game and high team series last week.

Secretary Theresa Lundy of the Ten Pin Keglers League reports Clinton National Bank in first place as of last Wednesday.

B. AMOS had a pair of 200 games, and four others also passed the mark in Night Hawk League play Sept. 22.

Mobil Gas, Plaza Sales Mart and Egan Motor Sales are tied for the Twin City League lead with 10-2 records.

Six Bowlers in the Mixed League Monday night also cracked 200.

3 teams formed for Jr. football

Junior high school football got underway several weeks ago, with 90 boys from St. Joseph and Central schools answering the call.

Three teams were formed. Coaching the Black Knights this year is Mike Humphrey.

EACH COACH has made two units, and playing time will be divided between the units.

The teams are:

BLACK KNIGHTS — Mike Green, Kurt Hildorf, Dick Henderson, Jack Purvis, Lance Devereaux, Gale Crowley, Jeff Geller, Bob Cartwright, Chuck Romig, John Thrush, Gary Every, Scott Bennett, Lee Lynam, Jim Mead, Mike Davidson, Mike Mungger, Steve Leonard, Ricky Wilson, Tom Moore;

Punt, Pass & kick sign up deadline only week away

Roger Kowalski, competition director for the St. Johns Punt Pass & Kick competition, has warned that only a few days remain in which area boys can register for the event.

The contest will be Saturday evening, Oct. 10, and will be open to boys aged 8 through 13.

"REGISTRATIONS will close Friday evening, Oct. 9," Kowalski pointed out, "and none can be accepted any later, since we must draw up our competition lists and get everything ready for the big program on Saturday."

Grand Ledge dumps Charlotte

GRAND LEDGE—Grand Ledge dominated the second half to defeat Charlotte 35-6 here Friday night.

Comets touchdowns were scored by Zana Easton on a 55-yard punt return, Harold Olds on runs of 3, 1 and 25 yards, and Mike Steinman on a 40-yard run.

OLDS HAD 117 yards rushing in addition to his three touchdowns. Linebacker Lloyd Dugual had 10 tackles, eight assists and recovered a fumble in a fine defensive game.

Grand Ledge rushed for 205 yards and passed for 34. Charlotte had 74 net yards rushing and 43 passing.

LOUIE Minarek had a 224 game and a 581 series to be star bowler in the Capital League Monday.

# Ovid rolls to easy 26-0 win over Laingsburg

OVID — The Ovid Romans opened their campaign for the Central Michigan C league title with a rousing 26-0 victory over Laingsburg here Friday night.

The Romans rolled up an impressive 293 net yards rushing, while the defense limited Laingsburg to a net 16 yards. Neither team completed a pass.

OVID SCORED their first touchdown in just under six minutes of the first quarter, with Steve Leonard dashing 28 yards for the touchdown. With 2:25 left in the period, Leonard broke away again, this time scoring from 27 yards out to cap a 45-yard march that took only four plays.

Late in the second quarter, Leonard made it 18-0 when he bucked over from the three yard line to close out a 47-yard drive in 12 plays. Dean Simpson's run for the extra point was good.

THE LAST touchdown of the night came early in the third period when Frank Gazda ran 17 yards and Bob Gazda ran the extra point.

Two other Ovid touchdowns were lost, one being called back on a penalty. The other was lost when Ovid fumbled within a foot of the Laingsburg goal line.

Leonard was the offensive standout, carrying the ball 16 times for 131 yards, an 8.2 yards-per-carry average. Frank Gazda carried eight times for 64 yards, an eight-yard average. Ovid got 12 first downs and Laingsburg three.

COACH LARRY Essenmacher used all of his players as he strives to find depth.

Ovid is now 2-0 for the year and 1-0 in league play. Laingsburg is 0-2 and 0-1, losing both their games by identical 26-0 scores.

# Greenville falls 19-0 to Wings' aerial game

St. Johns halfback Bill Serrine (20) was within two steps of paydirt Friday night when he was tackled after a 35-yard punt return. He was brought down on the Greenville 44, not quite being able to break clear. Other players for St. Johns on the field are Ken Love (53), Al Werbish (84), Gary Becker (12) and Les Warn-er (21).

## Penalties hold down scoring

St. Johns beat Greenville Friday night in spite of themselves and because of a passing game that had the Yellowjackets all but baffled.

The Redwings won the game at Greenville 19-0. It was their second victory of the season and their first in West Central Conference play.

THE WINGS were penalized 105 yards during the evening, and Coach Bill Smiley figures that might have cost St. Johns two or three touchdowns. Most of the penalties were the 15-yard variety. Greenville, on the other hand, lost only five yards in penalties.

While Coach Smiley was concerned about the penalties, he was happy with the passing of Gene Rademacher. The junior quarterback threw the ball 11 times and completed seven passes for a net 132 yards and two touchdowns.

RADEMACHER also ran eight times for a net 30 yards. The Wings' ground game also pleased Smiley, and he got good performances from three other backs, too. John Sickness carried only five times, but he picked up 36 net yards for an average of

GENE RADEMACHER . . . leads Wings

BOB KRUMM . . . impedes Jackets

JERRY Kubica slipped through the line to block the second punt on the Greenville 20, and Jim Pope picked it up and ran it to the 11. Three plays carried only to the 7, but again a penalty saved the day. St. Johns was penalized 15 yards, and this gave Rademacher room to work.

He found end Al Werbish free, and a pass play carried to the 2 yard line. On a fourth-down and one play, Vitek circled to the left side and bulled his way into the end zone. Werbish's extra point kick was blocked.

BOTH ST. JOHNS' touchdowns came in the first 5 minutes 50 seconds of the quarter.

The last touchdown took about six minutes to score and came with just over one minute left in the third quarter. It, too, started with a partially blocked Greenville kick, with St. Johns starting on their own 25 yard line.

The Redwings picked up three first downs en route, sandwiched around some nice runs by Vitek and Sickness. The drive appeared to bog down on the Greenville 17, however, and the Redwings faced a fourth-down and eight to-go situation.

BUT THEN Rademacher rolled to the right with a swarm of blockers, pulling the Greenville defense with him. He suddenly stopped and pitched the ball back across and down field to the waiting arms of Al Werbish on the goal line.

He was all alone. That made it 18-0, and Vitek wrapped up the scoring with a romp around left end for the extra point.

Both teams moved the ball well during the last quarter, but Greenville controlled it most of the time and racked up five first downs in that 12 minutes. Half of their total net yardage—97—was picked up then.

COACH SMILEY had words of praise for his entire team. Krumm was outstanding on defense, getting nine tackles. And Asst. Coach Frank Rosengren, who handles defensive teaching, pointed out there were no weak spots sighted in the Redwing line.

Although the passing game shown brightly, the Wings chalked up an impressive amount of yardage on the ground—154 net yards.

The Redwings will play at home this Friday against Hastings. Game time is 8 p.m.

## Only 11 men out for cross country

St. Johns High School's cross country team is off to a rough start this season, but Coach John Theuerkauf looked at the bright side.

Running times improved considerably last Tuesday despite a 15-49 loss to Mt. Pleasant. And Theuerkauf is hoping to coax back into the fold four boys from last year's team who didn't turn out this season.

ONE OF THE things he hopes will spark interest in cross country is a West Central Conference cross country meet—the first one—scheduled Nov. 4 at Charlotte.

Between now and then, the Redwings Harriers have eight more meets, plus the regional cross country meet Oct. 31. They lost their first two, and Tuesday night they played host to Alma.

THE CROSS country team this year is the smallest Theuerkauf has had, but he was pleased at the progress they have made. The team practices nightly at the Clinton County Country Club. Coach Theuerkauf said the country club is a good course for his boys to practice running and he is appreciative of the opportunity to use it.

The squad this year includes Dennis Whitlock, Jon Wilson, Roger Durbin, Al Anderson, Phil Anderson, Bob Vollbracht, Kurt Acton, Dan Ritter, Terry O'Connell, Herbert Rice and Brian Swatman. Kurt Thayer is team manager.

HERE'S THE remaining cross country schedule:  
Oct. 1, Grand Ledge, home  
Oct. 9, Charlotte, there  
Oct. 13, St. Louis, home

Oct. 16, Waverly, there  
Oct. 20, Mt. Pleasant, home  
Oct. 22, Eaton Rapids, there  
Oct. 27, Lakewood, home  
Oct. 30, Owosso, there  
Oct. 31, Regional Meet  
Nov. 4, West Central Conference meet at Charlotte.

## Big Reds bury P-W 46-0

ELSIE —The Elsie Big Reds scored 13 points in each of the first three quarters Friday night to bury Pewamo-Westphalia 46-0 in their first Central Michigan C League game.

Kerry Reed put Elsie ahead on the first play of the game with a run of 66 yards for a touchdown. Jim Horak scored his first of three touchdowns when he intercepted a pass and went 27 yards.

HORAK ALSO scored on a 23-yard run and a 56-yard pass play from Tom Ebert.

Ebert also tossed a scoring pass of 27 yards to Mike Cole and three extra point passes to Ross Carter.

Terry Loznak scored six points on a 45-yard run and Joe Guysky, who replaced injured fullback Gary Bashore, tallied on a 19-yard run.

OTHER extra points were made by Herman Kaufman and Horak.

Use Clinton County News classified ads for best results.

Halfback Gary Crowley (23) gained 16 yards on this play in the first quarter at Greenville Friday night. Coming up at left to make the tackle is John Nelson (21) of Greenville. Other players are St. Johns' Al Koenigsknecht (61) and Gene Rademacher (10). No. 17 for Greenville is Tom Hanson.

## Vestaburg hands 2nd Saranac bests Fowler, 26-0

MIDDLETON — Fulton High School lost its second football game of the season at Vestaburg Friday night by a score of 13-6.

Fulton's only touchdown came in the third quarter when senior quarterback Terry Thomas scored on a quarterback sneak from the three yard line.

VESTABURG had opened the scoring in the second period when Jim Euskin ran 35 yards around left end for a touchdown on a statue of liberty play.

After Fulton's third period touchdown tied the score, Vestaburg marched goalward, and half-

back Steve Keeler scored on a five yard dive play. Doug Troup ran the extra point.

FULTON Coach Barney Schultheis gave much of the credit for his team's loss to Vestaburg's quarterback, Haan Phelps, who he said showed real good ball deception in playing an outstanding game.

Fulton was outscored in first downs, 12-8, and in yards rushing. Vestaburg picked up 230 yards rushing to Fulton's 118. But Fulton passed for 15 yards. Vestaburg completed no passes.

FULTON WAS penalized 35 yards and Vestaburg 80 yards.

FOWLER —Defending D conference champions Fowler Eagles are having a rough time of it this season. Last week they lost their second game of the year, a 26-0 decision to Saranac.

It wasn't a league game, however, and Coach Larry Churches still has a chance to keep the championship in Fowler.

FOWLER'S scrappy defense held Saranac to one touchdown the first half and themselves marched close to paydirt twice. But they lost the ball on downs each time.

Saranac wrapped it up with touchdowns in the third and fourth periods.

## JVs douse Greenville 2nds 19-0

BY GARY BECKER

Junior varsity power proved to be too much for the Greenville Yellowjackets last Thursday as the Redwing JVs defeated them 19-0 at St. Johns.

Gary Boyce scored the first touchdown on a 35-yard run up the middle through a hole opened up by excellent blocking in the Redwings line.

WITH ABOUT three minutes gone in the second quarter, Norm Love completed a pass to Randy Humphrey for a second touchdown.

Humphrey broke away on a 55-yard touchdown jaunt shortly after the start of the fourth quarter for the Redwings' final score.

GREENVILLE made their major threat in the last three minutes of the game. They pushed to the Wings' 5 yard line but were set back to the 15 when St. Johns toughened up. The defense sparked all night long.

## Detroit wins football contest

Interest in the Clinton County News' weekly football contests is practically state-wide, as evidenced by the winner this week. He's Vern Halled of 12126 Cherrylawn, Detroit.

A check for \$20 was mailed to him Monday morning after tabulation of entries was completed. Again this week, it took the tiebreaker game to determine the winner.

NINE entries were tied with only three games picked wrong. Halled's tiebreaker score was 39 points, just missing the 38 points scored in Notre Dame's 31-7 win over Wisconsin.

Halled's victory wasn't clear-

cut, however. Another entry had the same number wrong and the same tiebreaker score. But the list of advertisers was mechanically reproduced, and it was thrown out.

RULE 2 of the contest states that entrants should "write" the name of the advertiser and the team picked on a separate sheet of paper. In all fairness to the persons who follow this rule and to the advertisers who make the contest possible, all entries that are mechanically reproduced in any way will be disqualified.

There's another contest this week on Page 1-C and another \$20 waiting for the winner. Pick your team and follow the rules; the money may be yours.

### Wacousta Church will sponsor benefit auction

WACOUSTA— For the benefit of the Wacousta Community Methodist Church building fund, an auction is being held Saturday, Oct. 3, at the Mrs. Grace Misner farm located one and one-quarter miles south of Wacousta, on Wacousta Road. The sale will begin at 12 noon.

Harry Classen is chairman of the Methodist Men's Club and the Adult Fellowship group, Howard Wilson of Grand Ledge will be the auctioneer.

ON THE list of articles to be sold are many antiques including a pump organ, bob sleigh, dresser with marble top, wooden wagon wheels, jewelry case and other articles.

Buyers will find, also, workshop and farm machinery, old cars, car parts, furniture and household appliances.

Lunch will be served by the Methodist Youth Fellowship.

### Club will note 35th anniversary on October 13

WACOUSTA—The Watertown-Wacousta Child Study Club will celebrate its 35th anniversary on Oct. 13 at 8:00 p.m.

Mrs. Bruce Harlow, president, and her staff of officers are planning the evening event that is to be held at the Wacousta Community Methodist Church.

ALL PAST members of the club are being invited to attend. All past presidents are to be specially honored. The first president, Mrs. Kenneth Smith, was elected in 1929.

### Homemakers see World's Fair views

WACOUSTA—The first meeting of the Wacousta Extension Study Group was held with Mrs. Lyl Chamberlin. Luncheon was served.

Following the business meeting Mrs. Stanley Esple showed pictures she and her husband had recently taken at the World's Fair.

### Wacousta School

The Wacousta Brownie and Girl Scout troops need leaders if the girls are to be able to carry on the work this year. Anyone interested may call Mrs. Don Heltenen.

Wacousta teachers will attend a regional Michigan Education Assn., meeting on Oct. 1 and 2.

Rodney Phillips has returned to school this past week. Rodney has been unable to attend earlier this school year because of a heel injury received at his home this summer. He is now quite fully recovered from the accident.

The pressing, waxing and forming of various designs out of the autumn leaves, is being done by quite a number of the girls and boys.

Patrol boys and girls chosen from the sixth grade, for this first semester are: Charles Walker, captain; Colleen Adams, lieutenant; Gary Ovenden, Carrie Henry, Gary Day, Karen Avery, Joyce Brown, Don Wiseman, Dennis Alspaugh, Sam Shirey, and Charles Frederick.

The sixth grade pupils are watching television Thursdays at 1:30 p.m. for science instruction and on Friday at 10:30 a.m. for modern math.

### Wacousta WCTU hears president of district unit

WACOUSTA—The WCTU meeting Thursday at the Wacousta church was attended by 30 women. Mrs. Earl Beagle and committee served luncheon.

The group listened to devotions given by Mrs. Doris Eastman of Holt, WCTU district spiritual life director, and a talk, "What is in My Heart," given by Mrs. Donnah Hampton of St. Johns, district president. Mrs. Mabel Brace conducted the business meeting.

### Former WAC will speak at session of Wacousta men

WACOUSTA—Miss Pauline Muller will be the speaker at the evening meeting of the Methodist Men's Club on Oct. 6 at the Wacousta Church. Potluck will be served at 6:30 p.m.

Miss Muller, a former WAC, who came out of the service with rating of a lieutenant colonel, is to show movies and talk on a trip made to the Middle East, into Egypt, Cairo, Greece, Italy, and back through Portugal and Spain.

Miss Muller is now retired after having been 40 years with Michigan Bell Telephone, in Detroit.

Mr and Mrs Charles Phillips hosted 34 members of the Adult Fellowship class at their home Sunday evening. Mrs. Shirley Waldron was cohostess.

World Wide Communion will be observed in the Wacousta Community Methodist Church Sunday morning. An offering will be given for overseas relief work.

**Make more milk next winter by feeding fall fresheners NOW!**

Chances are, a good part of your herd is scheduled to freshen early next fall . . . when milk prices are best. As your cows dry off this summer, make sure they get every chance to improve in condition, increase body weight and lay in reserve strength for a long profitable lactation ahead by feeding PURINA D & F CHOW as recommended by Purina Research!

Test after test at Purina's Research Farm prove just 125 lbs. extra body condition built up during the dry period (Holsteins) can add up to 2000 lbs. more milk in the next lactation. Ask for Purina D & F Chow at our store.

**Corn yields 'take off,' profits to farmers climb**

2nd of a series

Corn yields have "taken off" in Clinton County. From a reported 51 bushels in 1959, average corn yields have passed the 60 and 65 bushel mark and should exceed 80 bushels per acre this year. And they may go higher.

Yields for the Clinton County Corn Club average 115 bushels per acre since starting in 1959, exceeding 100 bushels every year. Over 128 bushels was the average in 1963.

CORN CLUB members produce their 100 plus bushels on all types of soil in all areas of the county. We can expect then that such yields may become county average any year now. Present members are only moderately satisfied at obtaining 150 bushels, with 180 being looked at as possible. In fact, this year may see 200 bushels per acre of dry shelled corn produced in Clinton County.

With 80 per cent of our farmland being excellent corn producing class 1 and 2 soils well distributed throughout the county such record-making yields could come from anywhere. In addition to these clay loams the mucks and dark colored sandy loams also have the same potential.

THE BEST part of obtaining yields this high appears in net profit. After paying all costs of production, farmers find 60-bushel corn costs about \$45 per acre through picking. A mere \$15 more expense or \$60

per acre has been the total cost of producing 130 or more bushels per acre.

Instead of an average net profit through harvest of 15 dollars, high producers average over \$70 per acre. In some instances return above all costs exceeds \$100 per acre.

HOW FAR can it go? At one time it looked like 130-150 bushels per

acre would return the most average profit; now this appears too low. Currently, top profit may come to those farmers producing 150 to 180 bushels per acre. Maybe the best is higher yet!

The farmers in the Clinton County Corn Club have shown what can be done. What the average farmer does with this knowledge will determine his corn yields—and profit.

**Can increase phosphorus release by mixing sulphur, and rock phosphate**

Soil scientists at the University of Wisconsin showed last year that you can mix sulphur with rock phosphate and increase the release of phosphorus for plant use. The process is even more effective if the granules are porous.

In this process soil microorganisms convert sulphur into sulphuric acid, and this dissolves phosphorus from the rock phosphate. The soil neutralizes some of the acid from the sulphur before it reacts with the rock phosphate. If granules of rock phosphate had more pores, the sulphuric acid would dissolve the rock phosphate inside and outside the granule.

UNIVERSITY of Wisconsin soil scientists, measured the amount of acid different sized granules produced and how much they made rye grass grow. They compared crop growth with that for mono-ammonium phosphate which was added to rye grass. The grass was harvested eight times.

In general, they found that the bigger the granules of the material in the soil the lower were the yields of the crop. More granules with finer pores made more phosphorus available and gave higher yields. When the granules were 20 to 40 mesh with 80 to 120 mesh pores, the total yields of rye grass from them were somewhat higher than yields from the plots with mono-ammonium phosphate.

OVER THE eight crops phosphorus recovery was slightly higher from the 20 to 40 mesh porous sulphur-rock phosphate granules than from the ammonium phosphate. But recovery of phosphorus was 36 per cent higher in the last six cuttings from the sulphur-rock phosphate treatments. This suggests that porous rock phosphate-sulphur granules give a more uniform supply of phosphorus over extended cropping periods.

These studies will be continued, but the results already indicate that with further possible improvements in the granules it may be an advantage for farmers to apply phosphorus in the rock phosphate-sulphur form for perennial crops. Over a long period of time the phosphate will be released slowly and less will be tied up by iron in the soil.

**Feeder cattle sales planned**

A number of farmers in the Clinton area are expected to attend a series of feeder cattle sales during October. Over 12,000 feeder cattle are expected to be marketed at six established and two cooperative sales.

They're scheduled as follows:

- Oct. 1, Gaylord, 900 head yearlings; Oct. 2, Bruce Crossing, 1100 calves and 100 yearlings; Oct. 6, Escanaba, 1550 calves, 150 yearlings; Oct. 8, Gaylord, 2400 calves; Oct. 9, Baldwin, 1300 calves, 300 yearlings; Oct. 14, Alpena, 1400 calves, 200 yearlings; Oct. 15, West Branch, 2200 calves, 100 yearlings; and Oct. 24, Gladwin, 450 calves, 150 yearlings.

**ALL FARMERS BENEFIT**

A modern riddle might be: "When is a farm implement not a farm implement?" According to the thinking of some, when it is on a highway designed primarily for motor vehicles.

Traditionally, every "implement of husbandry" has been exempt from provisions of the Motor Vehicle Code. They have not required licensing in that their only real purpose has been work done in the fields. One good example is the small trailer used for spreading unsacked commercial fertilizer.

As the network of highways grew to massive proportions over the years, webs of super-roads spread concrete and tar "spokes" across much of the best farmland. Many farmers find it impossible to get to their fields without using roads that criss-cross their land.

LAST FALL, a new problem was added. Farmers were bewildered and upset by a Department of State ruling that these fertilizer trailers did not classify as farm tools, rather, that they came under the Motor Vehicle Code and licensing would be required.

Confused farmers realized at once that far more than the cost of license plates was involved. If one type of fertilizer spreader was considered to be under the Motor Code, what about others? Could the ruling be extended to common manure spreaders? To all mobile farm tools such as tractors, combines, hayracks?

What about the need for turn-signals, for stop-lights and brakes operated from the driver's seat?

SMALL wonder that at the big annual meeting of the Michigan Farm Bureau, voting delegates wrote: "Unless state officials revoke their present ruling requiring the licensing of these fertilizer spreaders, we recommend passage by the legislature of a clarifying amendment to the Motor Vehicle Code, specifically exempting these and similar implements of husbandry from the need for licensing."

Not receiving assurance that the ruling would be changed, these farm leaders drafted a bill to clarify these "foggy areas" of concern. It sailed through the House with a vote of 90 to 0 -- and through the Senate by a vote of 31 to 1.

All Michigan farmers will benefit from the new law which now makes it plain that farm tools are exactly that.

**Tuesday, November 3**

This is not and should not be termed a moral issue inasmuch as we are not seeking anything unusual or which sets a precedent. Spirits are now available to 87.3% of the American public and was endorsed by the people of Michigan in 1933 by a margin of almost 3 to 1. The public should be able to make its own choice of beverages under properly supervised conditions.

Positive control of the licensed establishments serving spirits by the glass will be supervised by the St. Johns City Commission, the community leaders you have selected. The Commission will determine who will be licensed to sell spirits by the glass and will exercise the enforcement of local and state regulations governing the sale of spirits.

No city in Michigan where spirits by the glass has been made available has ever reversed its stand on this issue!

In a poll of the St. Johns Chamber of Commerce members, the results were 3 to 1 in favor of spirits by the glass.

ASC PROGRAM

1965 wheat program signup deadline near

W. M. SMITH  
County ASC Manager

We want to remind wheat producers who have not had the 1965 wheat program explained to them to call at our office by Oct. 2.

Any wheat producer who is undecided at this time about his next year's cropping plans will be able to change his intentions during the feed grain signup next spring. This is being done so winter wheat growers will have the same opportunity as the spring wheat and feed grain growers in selecting a cropping pattern based on feed grain program and other information available at signup time next spring.

THE 1965 WHEAT program encourages the grower to divert acreage from the production of wheat into an approved conserving use, and the 1965 feed grain program, not yet announced, will continue to seek diversion of

acreage from the production of feed grains.

The substitution privileges available for the first time under the 1965 program permits farmers who participate in both programs to choose which crop, wheat or one of the feed grains, he wants to reduce.

GROWERS WHO file applications to participate in the 1965 wheat program and meet its minimum provisions qualify for price support on their wheat crop through loans and purchases and for marketing certificates with a cash value. Growers who wish to earn diversion payments will need to reduce their wheat acreage further and devote the additional diverted acreage into a conserving use.

Wheat producers who have stored wheat on their farms

should check the wheat for weevil. The weather conditions are just right for the weevil to start to work in the wheat. A number of producers have reported weevil working in their farm stored wheat.

WE ARE computing feed grain payments and would like to have feed grain producers who are participating in the 1964 program stop at our office and sign their compliance certification. Checks will be mailed out as soon as we get payments computed.

Any wheat or feed grain producers who wish to have their checks after the first of January should contact our office and sign certifications so we can complete our reports this fall.

GOVERNOR ROMNEY REPORTS

Michigan has made gigantic strides recently that have gained a good deal of attention. Business and industrial expansions in Michigan have taken most of the spotlight. But there are other barometers that indicate progress, too.

Things are booming in the Michigan construction industry.

CONSTRUCTION employment in July of this year was 118,400. That is more people than have been working in construction in Michigan since 1956. The July construction employment figures are up 11,500 over June, and up 10,000 over July a year ago. And compared to two years ago, there are more than 30,000 more construction jobs today.

Another economic indicator: June contracts for future construction in Michigan totalled more than \$181 million, an increase of 26 per cent compared to June of 1963. And the cumulative total of construction contracts for the first six months of 1964 amounted to more than \$909 million, or an increase of 31 per cent over the same period in 1963.

OF COURSE, THE economy of the entire nation is on the upswing, but let's compare: In Michigan, for the first six months of 1964, non-residential contracts—not announcements, but contracts let—showed an increase of 49 per cent over the previous year. Nationally, non-residential contract value for 1964 was estimated to be 8 per cent higher than

1963. That's real Michigan progress.

Now, just one more indication of our economic strength: Announcements of non-residential construction (not contracts as I mentioned above, but announcements) for the first six months of 1964 in Michigan include about one billion dollars for industrial construction, about \$300 million for utility expansion, and about \$100 million for warehousing and commercial building. That adds up to about \$1.5 billion in non-residential construction announced in the first six months of this year which is double the announced non-residential construction for the entire 12 months of 1963. And that's another sign of real Michigan progress.

WE'VE MADE gains for the working men and women of this state as well. Today, we have a construction safety code, a commission, and a working program that is designed to benefit the men who earn their living in the construction trades.

We now have a minimum wage law, something this state needed for a long time. We have increased unemployment compensation benefits.

Our unemployment compensation law is one of the best in the country. Our unemployment compensation law is a public interest law, favoring neither worker nor employer.

OURS IS A public interest government.

Road Commission Weekly Report

After the all time high in expenditures in August, September has leveled off to a below-normal \$60,000 of disbursement.

The new equipment scheduled to be purchased this year has been received and paid for with the exception of one new snow plow that is to be delivered this fall. If this item is included, the total cost of replacing equipment this year is \$72,723.37.

LAST week we had some storms and high winds that brought many calls on trees down in roads, washouts and other problems. Some of these calls were long distance calls and in a few cases the person calling asked us to accept the telephone charge.

We do not accept any reversed charges except from our own employees. We do not wish to offend or to give the impression that we don't want the calls, but for obvious reasons we must go by this rule.

WE REALIZE that our crews are too few to check on all roads every day so we must depend on public-spirited citizens to keep us informed on hazards or unusual conditions on highways in our county.

We try to investigate and if possible to correct all the problems reported, but we are often hampered by poor directions and inaccurate information.

DIRECTIONS such as "four miles west of US-27 or six miles north-east of St. Johns" or "just past the Smith place" or "down from the little bridge," mean very little and take time to locate.

A lady reported a large tree blocking a road, and we took some time to assemble crew and equipment for removal of this big obstacle, only to find when we arrived that one of our men could throw the small limb to one side

Septic field demonstration goes on, despite weather

Despite wet and chilly weather, a gratifying number of farmers turned out on the Gerald Shepard farm in Bath Township last Thursday for a septic field demonstration.

The septic field was installed near a new house Shepard is building east of his present farm on Cutler Road. The Sheldon inverted tile system was installed there.

TWO 750-GALLON septic tanks hooked in tandem were already in place and buried at the time of the demonstration, but the septic field was built as passers-by watched.

Perforated tile was laid, with holes up, on a gravel base, with each section of tile being banded together. Additional stone was put on top of the tile, then a layer of straw and finally everything was covered with earth.

THE SEPTIC field is completely level, allowing liquid from the septic tanks to distribute evenly through the system. The tile was laid with perforations up so that any solids that got out into the field would not plug up the perforations.

Should it become necessary, the drainfield can be flushed, getting rid of the solids that settle in the bottom of the tiles. This saves the cost of installing a new field or digging up the old one to clean it out.

THE FIELD includes four lines, each over 60 feet long. A sump is located at both ends of each line, making it possible to

Dolomitic limestone for poultry

Poultrymen have never wanted to feed dolomitic limestone to their laying flocks because they said it lowered egg production, gave poor shell quality, had low feed efficiency and was too laxative.

Recent University of Wisconsin research shows that the only bad quality of dolomite is its laxative effect. (Dolomite limestone with 20 per cent calcium and 12 per cent magnesium is quarried in many parts of Wisconsin.)

ALTHOUGH dolomite isn't as bad as poultrymen have believed, M. L. Sunde, University of Wisconsin poultry specialist still doesn't recommend it in feed because of the laxative effect. He reported the research at the annual meeting of the Poultry Science Assn. in Minneapolis, Minn. Aug. 3-7.

He said the egg production stayed up during an eight-month laying period in which hens got their calcium in the form of dolomitic limestone. Dolomite was fed at levels of 0 to 9 per cent of the ration.

FEED CONVERSION stayed around four pounds of feed per dozen eggs produced, and shell quality was good. Best shell quality was when dolomite was supplemented with oyster shell feed free choice.

ELSIE—Mr and Mrs William Weber and Mr and Mrs Kenneth Munson have returned from a tour of several eastern states and the New York World's Fair. They drove through Canada and spent some time at Niagara Falls, where they visited the wax museum and the Oneida observation tower. They crossed over into Niagara Falls, N.Y., and visited the Letchworth State Park and other scenic spots. They drove to Corning, N.Y., to see the Corning Glass Plant and a Dahlia Show.

THEY CONTINUED on to New York City and the World's Fair where they spent three days. They took a guided tour of the city and visited many places, including the Statue of Liberty, China Town, the Bowery, United Nations Building, had dinner at a downtown restaurant, visited the Cathedral Church of St. John the Divine and the Empire State Building.

Also pointed out on the tour were Times Square, Fifth Avenue, Grand Central Park, Wall Street, Rockefeller Center, Grant's Tomb, several colleges, a ship training school, ship docks, bridges, homes of many famous people, city and state buildings, banks and factories.

After leaving New York, they returned home by a different route through several states and around Toledo, where they made other stops.

# Cancer Society names Mrs Dohoney, co-chairman

For the first time in its history, the Clinton County chapter of the American Cancer Society will have a Co-chairman of Volunteer Activities. Mrs William Dohoney will serve as co-chairman with Miss Hazel Williams who has served as chairman of Clinton County for 16 years.

Miss Williams said at the annual meeting of the chapter "The responsibility of being chairman of volunteer activities has grown a little heavy and it is necessary to have a co-chairman. I would like to introduce Mrs William Dohoney, the new assistant, and when I am not around, I hope you will give her the same loyal support you have given me through the years. Clinton must be kept FIRST."

SEVERAL OF the "firsts" were enumerated during the session.

CLINTON was the first to have eight loan closets in the community instead of one. Six are equipped with hospital bed, wheel chair and crutches. DeWitt and Elsie closets have several beds, chairs, walkers and crutches. There is an investment of about \$1,800 in loan closet equipment in the county.

CLINTON was the first county to give part of the money returned to the unit, to the Cancer Research Program at the University of Michigan in Ann Arbor. In 1954, the sum of \$1,000 was given. With exception of 1962 when \$500 was given to Michigan State University and U of M received \$1,000, a total of \$1,500 has been sent annually to the Ann Arbor

hospital. Since 1954, \$15,000 has been sent there for research by Clinton County.

THERE HAVE been bequests of \$7,500 to the American Cancer Society. Since Sept. 1, \$64.25 was received in memorials. It was pointed out that correct wording in a will is important. If a person wishes to leave a gift to the Clinton County unit, the will must read "to the American Cancer Society for use in Clinton County."

MISS WILLIAMS has been asked to speak at the second annual state convention at the Civic Center in Lansing Oct. 7 and tell why the Clinton County cancer organization has been such an outstanding success.

Mrs James Postlethwaite and Mrs Ortha Tatroe will be given recognition for outstanding services at the convention.

NEW OFFICERS elected are: Dr R. L. Wohlers, president; Mrs Dale Crawford, vice president; Dr S. R. Russell, county chairman; Miss Hazel Williams, chairman of volunteer activities; Mrs William Dohoney, co-chairman; secretary, Miss Alberta Theis; Leo Sulgen, treasurer; Miss Carmen Trancell, awards chairman; Dr R. L. Wohlers, 1965 crusade chairman, Mrs Fraser A. MacKinnon, education chairman; Mrs James Postlethwaite, service chairman; Mrs Dick DeGroot, publicity chairman.

Dr F. W. Smith and Mrs Lewis Babbitt are Clinton County representatives on the division board of directors.

## Ovid

By MRS. APHRA PIXLEY, Correspondent

### Airman of Ovid earns high air force rating

OVID— Donald Chamberlain, was recently promoted to Artillery Lieutenant Colonel Chief, US Army Aviation Detachment and Commanding Officer, Rankin Army Airfield.

An aviator for nearly 19 years, Lt. Col. Chamberlain entered the service in 1943. He was commissioned a 2nd Lt. in December 1943 and was rated as a liaison pilot in July 1944.

### Ovid youth Merit Scholar semifinalist

OVID— Jeff Wiegell, a student of Ovid High School, has been named as a semifinalist in the 1964-65 Merit Scholarship Competition. He is among 14,000 seniors throughout the country who attained this status.

Students become semifinalists through their outstanding performance on the National Merit Scholarship Qualifying Test.

THE SEMIFINALIST group is composed of the highest scoring students in US territories. Each semifinalist now moves a step closer to winning a four year Merit Scholarship to the college of his choice.

SEMIFINALISTS must substantiate their qualifying test performance on a second examination, be endorsed by their school, and fulfill certain routine requirements to become Finalists. All Merit Scholars are selected from the Finalist group.

Mrs Anna Fink is a patient at the Ovid Nursing Home. John Behrens is confined to his home following a recent heart attack.

Robert Fivecoat, aviation structural airman apprentice USN and son of Mr and Mrs Lawrence Fivecoat of rural Ovid, graduated recently from the Aviation Fundamentals School at the Naval Air Technical Training Center at Memphis, Tenn.

Hornflies are the worst pest of beef animals. They can be controlled effectively with back-rubbers, but the rubbers must be continually charged with an insecticide, and not left standing without proper maintenance.

A senior army aviator, he is qualified to fly twin-engine, fixed-wing aircraft and helicopter.

Among his awards and decorations are the Air Medal and the Army Commendation Medal.

LT. COL. Chamberlain is a 1938 graduate of Ovid High School and received a B. S. degree in agriculture from Michigan State University in 1943.

His wife, Carol, and sons Phillip 14, and Eric 6, and daughters, Nancy 13, and Martha 8, reside at Camp Zama, Japan.

His parents are Mr and Mrs Roy Chamberlain of rural Ovid.

HOWEVER, a fine time, in a pretty spot, was reported. A hamburger barbecue on Saturday evening and a beautiful potluck picnic on Sunday, were the highlights. C. Smith of Ovid, president, welcomed the new members, Mr and Mrs Claud Francis of Owosso, and Mr and Mrs Leo Merrill of Grand Ledge.

**Fratr Kurt Fedewa in religious ceremony**

Fratr Kurt T. Fedewa, SDS, professed poverty, chastity and obedience for life in the Society of the Divine Savior in ceremonies Sept. 8 in Mishawaka, Ind.

He is the son of Mr and Mrs Robert E. Fedewa Sr., 3263 Chadwick Road, DeWitt. The ceremony was held at the new Marian High School in Mishawaka where he is a member of the faculty.

FRATER Kurt graduated from Resurrection High School in Lansing in 1956. After completion of studies at Jordan Seminary, Menominee, Mich., he was employed with the Michigan State Highway Dept.

He entered Salvatorian Nivitate Colfax, Iowa, and professed his first vows as a salvatorian in 1961. He was awarded a bachelor of arts degree in philosophy from Catholic University of America, Washington, D. C., in 1963.

PRIOR TO his assignment to Marian High School, Fratr Kurt was a member of the faculty

FRATER KURT FEDEWA

at Salvatorian Seminary in St. Nazianz, Wis.

He will return to Catholic University of America at the completion of the present school year to start his theological studies which will lead to his ordination to the priesthood.

Fratr Kurt's home parish is St. Therese in Lansing, and his grade school education was at St. Mary's School in Westphalia. His mother has been a teacher the last 10 years at St. Therese.

HE HAS a number of cousins in religion. They include the Rev Sylvester Fedewa of St. Casimir in Lansing and the Rev Matthew Fedewa of St. Phillip in Battle Creek, sons of Mrs Elizabeth Fedewa, Westphalia; Sister M. Jozetta, SCC, of Little Rock, Ark., daughter of Mrs Elizabeth Fedewa; Sister Robert Helen, OP of Detroit, daughter of Mrs Laurina Sohn of East Lansing; and Sister M. Cyrilla, RSM, of Detroit, daughter of Mr and Mrs Cyril Jegla of R-4, St. Johns.

The Society of Divine Savior was introduced in the United States in 1898. The men, commonly known as Salvatorians, are in teaching, preaching, missionary and pastoral work in the US and East Africa.

## Pair lured to southwest US have an exciting trip

Mr and Mrs Gordon Hodge of 310 E. McConnell Street, have returned from a vacation tour through the south and west United States.

Leaving early Monday, Aug. 24, their first stop was in Lexington, Ky., where they spent some time in the Blue Grass country, visited Man 'O War's statue and grave, the racetrack, and some of the large horse farms through the tobacco country.

Heading west through Bradstown, of "My Old Kentucky Home" fame, they crossed the Ohio and Mississippi Rivers at Cairo, Ill., into Missouri and the cotton fields.

SOUTHWEST through Arkansas and the Ozarks took them into Texas where they went by way of Dallas and Fort Worth to El Paso.

At El Paso, they crossed the border for a short tour of the Mexican city of Ciudad Juarez. There, they visited the bull ring, a glass factory, a leather workshop, an open air market, a section of the old town and the Juarez statue, as well as some of the more modern areas.

From here, they headed west into New Mexico and the Carlsbad Caverns where some time

was spent in exploring the caves which they found awe inspiring. Continuing west and north through Texas Canyon took them into Tucson, Ariz., where they contacted Mr and Mrs Ivan Estes, formerly of St. Johns and spent several hours with them and in visiting the Sonora, Arizona Desert Museum nearby with Ivan as their guide.

Going north into Mesa, the next stop was with Mr and Mrs William Smith, formerly of Lansing, an uncle and aunt of Mr Hodge. Their daughter's family, Mr and Mrs Fred Stone, and cousins, Mr and Mrs Larry Hodge, all formerly of Lansing, were included in this visit. The Smiths escorted them through the Southwest Arboretum in the Superstition Mountains near Superior, Ariz., and to a mine where they dug their own "Apache tears."

Continuing west through the Mojave Desert by Palm Springs and the new ski lift there, they turned north through the San Joaquin and Sacramento Valleys and through Sacramento to Wheatland and the home of their son, Richard, and daughter-in-law, Marion, and two grandchildren, Mark, 4, and Kris, 1.

Besides the time they spent getting acquainted with Kris and renewing acquaintance with Mark, the younger Hodges took them to Sutter's Fort and Museum in Sacramento, to Squaw Valley for a ski lift ride, to Lake Tahoe, Harvey's and Harrah's Clubs and on a short air tour of the area near Wheatland. The rice fields were a new experience.

Heading for home a week later took them through Reno and Elko, Nev., Wendover, Utah, and the Bonneville Salt Flats, at Salt Lake City, to Vernal, Utah. Here, they visited the Dinosaur National Monument and saw the workmen unearthing the dinosaur skeletons.

CONTINUING east to the Rocky Mountain National Park, they took the Trail Ridge Road and spent a day in scenes of grandeur and unsurpassed beauty viewing Long's Peak, Glacier Lake, Forest Val-

ley and many other points of interest.

Leaving the park by Big Thompson Canyon, they plunged immediately into the Great Plains and farming regions. By way of Cheyenne, Wyo., into Nebraska, they crossed the Old Oregon Trail and were surprised to find it well outlined in the soil.

TRAVELING east through Iowa to Dubuque, they crossed the Mississippi again into Wisconsin and on to Milwaukee. There, plans for the Clipper boat trip met with disappointment, its having been discontinued for the season, and instead of a leisurely lake crossing, the trip was finished in some miles of Chicago and Indiana turnpike driving.

Even this had its compensations for the trip through Rocky Mountain National Park has netted only the sight of small chipmunks and squirrels. But, back in Michigan again, they were treated to the sight of four deer along the highway.

### Man injured in US-27 crash

A Jackson man, Richard W. Raymond, 50, was treated at Clinton Memorial Hospital for facial cuts Sunday following an accident on US-27 in Greenbush Township.

Raymond was driver of one of two cars that collided in the northbound lanes a short distance north of Beck's Fruit Farm. The other was driven by Vern E. Eveleigh, 64, of Pickford.

EVELEIGH AND his wife, a passenger with him, were not hurt. Raymond was taken to the hospital by a sheriff's car and was treated and released.

Deputy Sheriffs Fred Corson and Bruce Wilcox said Eveleigh slowed to an almost complete stop without signaling and that Raymond, coming up behind him, could not stop in time to avoid the crash. It happened about 9:45 a.m.

### Helping pupils at lunch hour

Junior high school students are helping supervise elementary classrooms during the noon hour. They eat in the rooms with the younger children who carry lunches to school. Some read stories to the children or go outside with them.

The junior high students who are helping are Edna Feighner, Joyce Seales, Jim Mead, Lawrence Kruger, Patricia Petrick, Mike Green and Sandra Bowling.

Elementary pupils who eat at school go outside at noon after they have eaten, unless the weather is bad.

### 2 autos collide at Fowler signal

Two cars crashed last Thursday evening at M-21 and Main Street in Fowler. They were driven by William G. Ham, 43, of Greenville, and Fred J. H. Selhke, 35, of North Main Street, Fowler.

Ham was traveling east on M-21 and Selhke north on Main Street. Selhke said he stopped for the traffic signal and started across when he had the green light. Ham said he had the green light.

Neither driver was hurt, nor was Ham's wife, a passenger in his car. Deputy Sheriff Hilary Hafner investigated the accident, which happened at 7 p.m.

### Swerves to miss dog, hits tree

Gary N. Loudenslager, 19, of R-1, Bath, swerved his car to avoid a dog crossing Clark Road west of Bath early Sunday morning, and it caused an accident.

He told Deputy Sheriff Gaylord Foote he thought he could miss the dog. The car went into a ditch and hit a utility pole. He was traveling east on Clark Road at the time.

He was taken to Edward Sparrow Hospital in Lansing and treated for bruises suffered in the crash.

### East Hubbardston Mrs Mamie O'Connell Telephone 981-2374

In honor of John J. O'Brien's and Harold Cunningham's birthdays, a group of friends gathered at the home of Mr and Mrs Cecil Ertep for a steak dinner, Sunday evening.

Mrs Mamie O'Connell had as Sunday dinner guests, Mr and Mrs Clifford O'Grady and family and Mr and Mrs William Hills and daughters, Sharon and Janeen from Mason.

Mr and Mrs Clifford O'Grady attended the wedding reception of Mr and Mrs Charles Onstwedder Jr., Saturday evening in the Elk's Temple at Ionia.

Mr and Mrs Virgil Tait and her mother, Mrs John Riley, attended the wedding of a nephew, Charles J. Onstwedder Jr., in the Catholic Church at Lowell Saturday and the reception at the Elk's Temple in Ionia.

Mr Orval Ott had an appointment with a bone specialist in Lansing Monday.

Mrs Orval Ott will be a patient at Ingham Medical Hospital Thursday for surgery.

While their house is being remodeled, Mr and Mrs Clifford O'Grady are at her mother's home at 338 Hanover Street in Hubbardston.

Keith Hillbrandt was a Sunday dinner guest of his sister, Mrs Iva Rogers and returned to Ionia in the evening.

## Teachers to tour city businesses

There'll be no school in St. Johns Monday, Oct. 19, while teachers get acquainted with business and industry in the city.

It will be called Business, Industry and Education Day and will be the first such event in St. Johns. Supt. of Schools Earl Lancaster said.

TEACHERS IN the system will be guests of Federal Mogul during the morning, and the industry will "pop" for lunch that noon at the St. Joseph School cafeteria.

During the afternoon, teachers will split up into 10 groups for formal visits and tours of 10 city businesses. These will include the Clinton County News, General Telephone Co., Amstutz Hatchery, Clinton National Bank and Trust Co., Kroger, IGA, Penney's, Clinton Memorial Hospital, Richards' Dairy and WJUD.

THE PURPOSE OF BIE Day, Lancaster said, is to help teachers get acquainted with other people and the business activities of St. Johns.

The Chamber of Commerce is sponsoring the event and is seeing that it's not just a one-way process. Ten days after the teachers visit businesses, businessmen will visit the school.

LANCASTER SAID the visit to the school will be Oct. 29, a Thursday, and will be for only half a day.

### Steering locks, auto hits ditch

Oscar L. Chaffee, 21, of 6251 S. Washington Avenue, Lansing, was traveling north on Wright Road Sunday afternoon when his auto's steering mechanism seemed to lock when he tried to turn west on Stone Road. His car went out of control and into a ditch. He wasn't hurt, and his passenger, Earl Risk of 920 Englewood Court, Lansing, also escaped unhurt. The accident happened at 1:30 p.m.

## Labor and management join to upset balance

The report of the officers of the United Steelworkers of America to their annual convention included the following statement:

"Without price, profit, dividend, and other income limitations—we have no such limitations—any government policy of wage restraint makes no economic sense at all."

THERE YOU HAVE it. Big labor says if you are going to control any part of the industrial process you have to control all of it. So labor rejects all such controls except the laws that protect the monopoly of big labor in its own house. Labor has become so powerful in its own right that it doesn't want the government messing around in wage policy.

Why? Because the large unions are doing very well under present arrangements. They are not expanding at the earlier rate. But they divide power with industry.

They have no competition as industry does, under the lively application of the antitrust laws recently. They can hit one company at a time with a strike or pressure negotiations. They have balanced out the old handicaps under which labor struggled for so many decades—in fact have in some degree overbalanced them.

BUT INDUSTRY itself is doing remarkably well. It has retaliated, as the power of labor grew, by taking the labor leadership into camp. It has persuaded the industrial unions, as it once managed to persuade some of the craft unions, that ownership and management are not oppressors nowadays and that the American system as it operates today is a good one. Management and ownership must be given room to invest, create, and manage. Otherwise labor itself is the first loser.

So management and labor leaders argue and negotiate but find great mutual success in letting prices and wages rise.

We would simply comment that this process is doubtful at best. A little inflation is all right. A lot is very dangerous.

Who will set the pace? If it is not to be the government—and we think it should not be—it has to be labor and industry.

## A city's experience with breaking sound barrier

You'll be glad to know that the travail of Oklahoma City is over.

Now comes the arguments, and they are important to almost everyone.

For six months the Federal Aviation Agency has been deliberately breaking the sound barrier over the city. There have been eight flights a day. The idea was to test public reaction to supersonic planes on a scheduled basis, such as will follow development of the SST (supersonic transport).

AT FIRST the good people of Oklahoma City accepted the experiment with enthusiasm. But soon came complaints of broken windows, cracked walls, and upset pets. These multiplied into thousands. As the tests end, the citizenry is reportedly split into pro-boom and anti-boom factions. The anti's have been registering their objections in a stream of damage claims and law suits.

FFA OFFICIALS concede that the problem is more serious than they had imagined. The results could seriously affect the SST program, they said.

At least it's nice they decided to find out what the people think about it.

Here in Clinton County we're quite frequently startled by the sonic booms of passing jets. We've taken them in stride, knowing that they usually accompany military flight exercises. It's possible that we, too, would rebel at the "eight-per-day" treatment to which Oklahoma City has been subjected.

## Time for a Refresher Course, Pop

## RAMBLIN' with Rink

BY LOWELL G. RINKER

There's no doubt now that fall is here. Last Wednesday was a perfect example of a fall day — cool, crisp, windy, a warm sun and big white clouds scudding across the sky.

The breeze whipped up little piles of leaves on the sidewalk. And wherever you worked inside, there was always a fly making a pest of himself right in front of your nose.

THEY ARE pesky things, and if they weren't so easy to catch and kill they would be more annoying than they are. They're so groggy these days they seem to be almost asking for a swat.

There's something about fall

weather that is invigorating. It makes you happy to be alive.

IT HAS BEEN a long time since I have seen much of Michigan winter and it's hard to remember when they actually start. But just for fun, I'm going to predict the date of the first snowfall of more than just a few scattered flakes: Oct. 31. Horrors, just a month away.

Question, from one too young to remember: Did breakfast cereal boxes have backs on them in the days before toy offers and pictures of cartoon characters? It's hard to imagine cereals without a come-on offer of some kind.

—RINK

## Back Thru the Years

★ Interesting Items from the Files of The Clinton County News

10 YEARS AGO From the Files of Sept. 30, 1954

Fire destroyed a large barn and corn crib and killed three young cattle at the Donald Jorae farm three miles east and three miles south of St. Johns Saturday morning.

For the sixth consecutive year, the George Brown Trophy, awarded on the basis of maximum participation, both from a grading and numbers point of view, was presented to the Ovid chapter of the Future Farmers of America at the annual state FFA fat stock sale at the stock yards here last week.

The Civics Club at St. Joseph school has embarked on a project to rid all homes and stores in the community of harmful comic books.

25 YEARS AGO From the Files of Sept. 28, 1939

Once an up and coming stopping place for "drummers" and other travelers, the old St. Johns House was attacked Monday by a wrecking crew and will soon make way for a new office building. In its day a well-kept structure, the 50-year-old hostelry has been sadly neglected in recent years, and the removal will eliminate an eyesore and a fire trap.

New officers of the Edwin T. Stiles American Legion Post were installed Thursday night, Sept. 21. St. Clair Pardee of this city took over direction of the post as commander for the ensuing year. Also installed were: Louis Wolf, first vice-commander; Percy Carris, Victory Daley,

Art Simons and Herbert Snitgen as second vice-commanders; John Woodruff, sergeant-at-arms; Glenn Whitman, historian; John Thomas, chaplain; Rex Sirrine, finance officer; Roy Black, adjutant; and Herbert Splane, service officer.

C. E. Smith, St. Johns florist, announces he has leased part of the floor space in the Emma Lou Pastry Shop and will open a downtown flower store at that location on Saturday of this week.

50 YEARS AGO From the Files of Oct. 1, 1914

Tuesday was a busy day at the Clinton County Fair grounds. From early morning until late at night there was a continual hustle to get things in shape to welcome the hundreds of visitors who come annually from miles around to enjoy the autumnal festival.

The first number of Citizen's lecture course will be given by the Ribelhauffer-Skibinsky Co., Oct. 20. Three great artists have been brought together and will give a most pleasing, high-class entertainment.

R. J. Merrill has purchased the interest of his partner, Cyrus H. Palmer, in the Pewamo Clothing Co. and will conduct the business individually in the future. Grandville Herman of St. Johns will have charge of the store.

The first crude attempts at bookmaking were made by writing on long sheets of papyrus which were rolled up from each end into sticks to aid the reader.

# Troopers no longer Tin Soldiers

RECALLING State Police handling of disturbances in their area a few years back, the Lapeer County Press said last week:

"After all these years it was good to see a governor show some guts in handling a strike. When a few of the NFO strikers refused to obey outnumbered local police at St. Johns, Governor Romney sent in the State Police with plain orders to help the local officers and to protect people and property.

"Here in Lapeer County," the editorial continues, "we have too often seen State Police held back by a governor more interested in votes than in law and order. On one occasion we saw our sheriff being threatened and shoved by a mob while an army of State Troopers stood like tin soldiers across the road.

"In the milk strikes, we have seen trucks stopped, milk dumped and our local officers abused while the Troopers, by order of the governor, stood back.

"UNTIL NOW, in any civil disturbance it has been the policy of the State Police to wait for a head to be cracked before they stepped in. The local officers had the dirty job of trying to preserve order. The Troopers were the heroes who stepped in to reap the glory after some poor, unprotected devil had his head caved in.

"But now Governor Romney has told the State Police to honor requests from local law enforcement agencies for 'whatever assistance is necessary to maintain law and order.'

"The Troopers moved in at livestock auction yards across the state. Order was preserved and the law was obeyed.

"VERY FEW OF the NFO members we talked to resented this action upon the part of the Governor. It was only a small handful of radicals that wanted violence.

"Unfortunately, a few State officials of the opposite party tried to make political hay. They charged that Romney was making strikebreakers of the State Police.

"But we're sure the great bulk of the people, including the NFO members, were proud that Michigan has a Governor unafraid to do his duty and to order the State Police to do theirs."

AFTER 32 years of annual sailing, the famed Lowell Showboat has been beached. The board of directors of the Lowell promotion voted at a meeting early last month to cancel plans for the 1965 event.

Editor Harold Jeffries reports in a recent issue of The Lowell Ledger that only 21 members of the local Chamber of Commerce and American Legion Post were on hand to assist in making the decision. They voted 17 to 4 to follow the directors' recommendation to cancel the show for next year.

This year's Showboat lost \$4,000 and it was the third year in a row that the event has been in red figures. Bleachers on which the audience is seated and the boat itself are in need of extensive repairs. Sponsors say that at least \$29,000 would be needed to prepare properly for next year's show—and such funds are not available.

I have fond memories of the Lowell Showboat. In fact, I skippered the craft for one performance back in 1950 and was sure, with a cast of some 100 aboard, that we were going to capsize coming 'round the bend to the show grounds. We made it without mishap and the show went on.

CONSERVATION Officer Earl Goff tells me this year's pheasant crop is disappointing. In spite of good conditions, there just aren't the birds around that he expected.

If hunters and sportsmen run true to form, they'll blame the foxes for gobbling up the young birds. Earl and other Conservation Officers I have known discount this theory. The pheasant population has its ups and downs and seems to run in cycles. Goff says he thinks racoon are responsible for more pheasant destruction in this area than any other predator.

## Pair wonder at injustice here

AFTER considerable thought and meditation, we find ourselves searching for words to express the intangible and elusive feelings which were provoked by an event which took place in our community.

The occurrence of which we speak happened recently when a Negro family was evicted from their dwelling apparently because of their race. Upon investigation of the children's absence from school, we encountered one of the neighbors of the now departed family. The response to our inquiry into the whereabouts of the family were answered with these comments.

"THEY HAVE gone to live with their own kind. This was a nice clean family, but they were Negroes. Our farms would have decreased in value if they had remained."

In addition, the neighbor related that others had brought pressure on the landlord inferring that he had made a mistake in his original choice of tenants.

Are we to assume by this neighbor's comments that Negroes are of another kind—apart from the human race? Are we to assume that most Negroes are dirty and this family an exception? Are we to assume that most white people are clean and those who are not are the exceptions? Are we to assume that real estate values are a justifiable criteria for committing social injustices?

WE OFTEN look upon an event of this nature and consider it an unpleasant circumstance, but we must realize that the action of a few has cast us in an ugly and shameful role—a role we will be forced to portray unless we can collectively denounce this display of ignorance and bigotry.

Will we be able to pay the debt

## Letters to the Editor

our questions we can stimulate the consciences of others to condemn similar happenings so that our community will never again be cast in the shadows of this unfavorable light.

## Says NFO should promote products

A DEAR friend told me only yesterday she did not agree with much that I say or write. I will admit that often I change my attitude as I go along, saying what

I believe today only to change it tomorrow. This is true progress.

Perhaps I often make statements without full knowledge of the facts, but can we always believe what the newspapers say? We are all biased or opinionated.

I am quite sure Mr and Mrs Chapko are well-informed, sincere, honest, intelligent people and I respect them for putting their views before the public (Letter Column, Sept. 17 issue). Most people just complain, do nothing and say, "Please don't quote me."

LAST EVENING I should have been in Grand Rapids to meet with large fruit growers and the Farm Bureau-sponsored Michigan Agricultural Cooperative Marketing Association. Its objectives are better prices and better relations with the processors of apple products as well as many other agricultural products, including asparagus, grapes and pickles.

This organization (MACMA) is doing about the same thing that NFO hopes to do, but by different methods.

It is a long, slow process of a group of farmers trying to deal collectively with big million-dollar corporations like Pet Milk Co. and Gerber's which are big in milk, but also in apple products.

DO THEY resist? You bet they do, and they are taking advantage of the fruit grower the same as the big dairy combines are of the milk producers. Still, progress is being made through cooperation and even better public relations.

MMPA is a highly respected name in the milk picture today. It means quality milk as well as cooperative producers who try to get a fair stable price for their product at a real bargain price for the consumer.

## Security?

BY W. E. DOBSON

Just what is this security  
Of which we daily prate?  
Is it of our own choosing,  
Or designed by super-states?  
Is it a mound of money  
For someone to take from me?  
Is it lands, or throne or cattle  
What is security?  
Webster calls it freedom from  
Anxiety or doubt,  
How do we shut the good folk in  
And keep the ruffians out?  
Could I by any plan or chance  
For all time to endure,  
By any form of policy,  
Be made socially secure?

This nation now is witnessing  
A "war on poverty,"  
Can we by legislation,  
Remove inequality?  
With human nature what it is,  
In the struggle for fame and pelf,  
Can we enforce good judgment  
Protect me against myself?

For some, bomb shelters may suffice,  
Prison walls make some secure,  
While others find in honest toil  
New strengths to re-assure;  
Is security but selfish whim  
Each man sees as a goal?  
Or rule by which we best can serve  
Society as a whole?

MICHIGAN MIRROR

Sees no quick end to educational problems

More than one-quarter of Michigan's 8 million population are children of elementary and high school age this fall, according to Supt. of Public Instruction Lynn M. Bartlett.

With about 2,275,000 students enrolled in Michigan's public and private schools at the start of this school year, Bartlett notes that the state's education problems will not decline with the end of the "War Baby" influx.

"THE SOCIAL crises of the past year have presented grave and challenging problems to our schools," he said. "The coming year promises even more."

Changing social patterns, the national struggle over civil rights, and rapid shifts in job

opportunities all affect the school situation.

This year's public school enrollment of 1,915,000 was an increase of 60,000 or 3.7 per cent over the fall 1963 roster, Bartlett noted going into higher education level an even greater hike was seen.

PUBLIC COLLEGES and universities alone saw registrations soar to near 128,000. This was 9.5 per cent higher than enrollments last year. Private colleges took in about 6.7 per cent more students, with total enrollments of about 44,500.

The end result of this and future years' increases in student numbers lies largely in the taxpayer's pocketbook.

MICHIGAN elementary and secondary public schools this year are employing 2,700 more teachers than last year at salaries averaging \$200 more than in 1963.

Taxpayers also are paying for 3,200 more classrooms, largely through bond issues which are up 20.9 per cent from the 1962-63 school year.

State aid for education is up almost \$30 million this year, but Bartlett notes that the share of school costs paid from local taxes is on the rise. Last year local districts paid 55.4 per cent of their costs as compared with 43.5 per cent in 1950-51.

WISDOM OF the choice for the No. 2 spot on the Republican state ticket will not be known until after Nov. 3, but there was serious thought given to his alternatives.

State Sen. William G. Milliken of Traverse City won the nod over House Speaker Allison Green of Kingston in a decision which was largely a choice between intra-party philosophy.

MILLIKEN, majority floor leader the past term in the Senate, is closer to Romney's moderate political views. Green, a very powerful man in the House for several terms, leans more to the conservative side but doesn't quite qualify in the "Old Guard" group.

Officially, Romney made no personal choice known at the GOP state convention contest between the two men. Unofficially, however, his aids made it apparent he preferred Milliken.

LEAKAGE OF his preference occurred only after the September primary when Romney felt his strong showing indicated he did not need the balance of philosophy which Green would have provided to the ticket.

Even many high-ranking Democrats give Romney the upper hand in the coming election, barring a full-strength landslide victory for President Johnson. On this basis, Milliken at 42 continues to head up the political ladder in Michigan.

GREEN, ON the other hand, is given little chance to defeat the very popular James M. Hare in the Secretary of State race. After 14 years of hard, conscientious service in the House, Green's immediate future is in doubt, but a Republican victory could help him to an appointive job.

Expanded promotion apparently has done its job for the tourist industry in Michigan.

State Tourist Council Director William T. McGraw predicts that this year's travelers to Michigan will leave \$800 million in the state. Last year the estimated 11

BY ELMER E. WHITE Michigan Press Ass'n.

million tourists spent \$727 million here.

McGraw credited favorable weather most of the summer, the busiest season, with a good part of the increase in tourist activity, but he said more extensive local and regional promotion also accounted for some of it.

Of the amount spent by tourists this year, McGraw said the best estimate available was that the state itself would collect more than \$56 million in taxes.

This includes sales taxes, state gas tax, use tax on lodging, liquor and cigarette taxes and hunting and fishing license fees.

THE CONTRIBUTION of tourists to Michigan's economy, both public and private has been increasing steadily over the years. On the basis of an average 10 to 15 per cent increase annually, McGraw and other experts in the field are predicting tourism will be a \$1 billion a year business by 1966.

MAGMA is doing the same for the apple grower. This year there are 145 million bushels of apples to sell in the US — 18 million in Michigan. This is a big job but we won't strike—just sell, sell, sell.

WCTU tabulates drinking arrests

FOR THE 5th consecutive year we of the WCTU have tabulated arrests in Clinton County from the results of drinking alcoholic beverages. Of course this could not be accomplished without the cooperation of Sheriff Patterson and his secretary, Mrs. Rahl. We thank you.

The total this year is 124 arrests, which is an increase of 39 over 1963. Under influence—50; drunk and disorderly—41; furnish to minors—8; illegal possession—3; drinking on highway—5; minors in possession—17.

QUOTING FROM Charles Doeschler of the National WCTU Publishing House, "In every state, alcoholic killers on the highways are on the increase. More drunken women are seen on the streets.

"Teenage cocktail parties among high school boys and girls are becoming more popular than ever before. Artistic billboards tell us in order to be health one must drink alcoholic beverages. It is indulged in by some of the world's greatest men. No wonder alcoholics are on the increase and are becoming more and more of a welfare problem than taxpayers have to take care of."

On the brighter side "Miss America" speaks.

"I am glad that beverage alcohol and tobacco have never been a part of my life. Abstinence from their use, I feel, is far from a handicap. It has enhanced the realization of my hopes and dreams." This is the conviction of Miss Donna Axum of Arkansas, Miss America of 1964.

Are the voters in St. Johns aware that on Nov. 3 they are being asked to vote yes on "liquor by the glass," sponsored by the St. Johns Tavern Assn.? Their claim is that the City of St. Johns will benefit from the tax revenues. Aren't they expecting to benefit, too? I hope we read between the lines.

Sincerely,

MRS PEARL BLANK Corresponding Secretary WCTU

Bement Library

Book Shelf

By Elizabeth Millman

This summer was the 50th anniversary of the beginning of World War I. Many books have appeared about that war which marked the end of an age. The world has never been the same since that time. The American Heritage Publishing Co. has published a history of World War I with the narrative written by S. L. A. Marshall, noted writer and historian. The book is profusely illustrated with pictures and maps.

"A Flag Full of Stars" by Don Robertson is a big novel of the American scene written around election day, Nov. 2, 1948. This date marked the biggest upset in election history when the underdog from Missouri was elected President of the United States over the favorite, Thomas Dewey. The book is, by turns, sad, funny, and nostalgic, and full of unforgettable characters. It was selected for the Putnam Award for 1964 by its publishers as a book of outstanding appeal to the American public.

WILLIAM Saroyan, whose writing has brought him many awards, has just published "One Day in the Afternoon of the World." This deals with one week that a writer spends in New York in an effort to make money. Through the book runs the story of the city itself, from the luxury of the Plaza to the noise of the Bowery. There is a fine cast of characters. Beneath the crowded actions of the days comes the realization that a man's work is never finished even by his death. Life's business is continuous.

"When the Bough Breaks" by Richard Kluger is a story concerning a small group of suburbanites who attempt to save a wooded section from being commercialized. As the day approaches for the election that will accomplish this, vicious pressure is brought to bear. Private lives and careers of the people involved are at stake and this story grows exciting as the outcome is in doubt.

"A Song of Sixpence" is A. J. Cronin's latest novel. This is set in the highlands of Scotland and a young Scotch lad is the hero. The book is enriched by the author's own memories of his childhood in these surroundings. Cronin is a well-known writer with many successes to his credit.

The Library is indebted to Austin L. Pino of Hillsdale for a gift of a copy of the Genealogies of the families of George West and James R. Kimble, early Clinton County residents, and many of whose descendants still live here. The book represents 10 years of extensive research.

County gets \$50,000 road apportionment

Clinton County will receive \$50,196 as its share of the apportionment of federal matching funds for construction on state and county secondary roads.

State Highway Commissioner John C. Mackie said the state's 83 counties will receive \$5,410,245. Another \$2,981,553 will be used by the state on its secondary system.

Agriculture income in Clinton County comes to about \$20 million a year. About \$8 1/2 million of this is from dairying.

COUNTRY FLAVOR

Corn shocking not a task boys looked forward to

HAYDN PEARSON

The countryman has been watching the revolution in rural living for half a century and he is opposed to it. We would be better off if we went back to Morgan roaders, hand-cranked telephones, and meat and potatoes without parsley spread over them. However, he would make one exception. He is in favor of machinery to handle field corn.

Better perhaps than cleaning out the henhouse or calf pen, but not a task for a good September day.

IT WAS MONOTONOUS, routine work. One put a supply of twine in his belt, took a sharp sickle and started. Four hills were bent over and the tops tied together. Then one cut three moderate armfuls and set three in each section. Thus to get a complete shock, one had to cut 12 armfuls. After this was done, the tops of the standing stalks were tied together.

In the period when horseless carriages were beginning to change a nation, shocking corn Saturday was not a task that a 14-year-old anticipated.

their strains of Red Flint, Beer Yellow, Kansas King, Bloody Butcher, Big Buckeye, Grange Favorite, Jersey Red, Shoe Peg, Prairie Queen, Legal Tender, Log Cabin, White Pearl, Old Cabin Home and King Philip. A lad enjoyed listening to Grandfather tell tales of pioneering days on the farm and how they grew corn among the blackened stumps.

BUT THE HOURS passed slowly as a boy worked along. Shocking corn was an essential routine fall task; but as the countryman looks back, corn harvesting machinery is one advance which he can approve.

In those flavorful days of yesteryear, farmers were proud of

Navy changes recruiting areas

The US Navy recently made some changes in the recruiting areas in Michigan. Clinton County is now part of the area covered by the branch recruiting station in Owosso.

The US Navy has over 60 different ratings to train in, either by formal schooling or on the job. These ratings cover nearly every civilian occupation except agriculture and fine arts. The Navy offers guaranteed schooling to high school graduates who qualify.

For more information contact Chief Petty Officer Phillip A. Noland at the city building on Main Street in Owosso.

**Bible Illiterates**

Our generation is fast becoming a generation of Bible and moral illiterates and the two are joined to one another. Allow me just one example. Sometime ago a college professor of religion made a survey to test 83 second year college students, of whom nearly all claimed church and Sunday School background having come from average Christian homes. Out of the 83, 70 could not name the four Gospels, only three could name the book in the Bible that contained the Lord's Prayer (eight thought it was in the Psalms). The average student could not even vaguely quote six of the ten commandments. Thirty four of the group thought the sermon on the mount was found in the Old Testament. Twenty nine did not know that Genesis was the first book in the Bible. The article from which I gained this information went on to say, "These same students had studied Mohammedanism in the public schools and actually knew more about its fundamental teachings than they did about Christianity. What a challenge this ought to be for every Church and Sunday School to revise their methods and return to teaching the Bible in all classes of the school. Moral decay follows the loss of the knowledge of God and His Word as surely as winter follows summer."

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## GROWING TOGETHER

"God's garden" . . . those were St. Paul's words to describe the early Christian fellowship. From its mighty seed of revealed truth, the Church has grown and flourished . . . spreading into many lands, developing in many ways, but always linked by oneness in Christ.

World-wide Communion Sunday is a day of spiritual renewal for Christians of every creed. It is a time to remember our brothers in all lands, and to pray that our differences may be transcended by the power of the Holy Spirit working among us. It is a call to greater effort, greater personal participation, so that by our example all men may be led to know Jesus as their Saviour.

The Church needs the support of every Christian on this meaningful occasion. Decide now that you and your family will be present at the Lord's Table.

# Johnny thinks he came into the world to eat

BY MABEL OPPENNEER

There are a lot of things that John William Karber has to learn in this big world that he entered five months ago. But one thing he does know and isn't bashful of telling his family about—and that is when he wants to eat. And that is just about all the time.

Johnny is the son of Mr and Mrs Larry Karber of 817 Church Street. He was born April 27 in Clinton Memorial Hospital and was "adopted" at that time by the Clinton County News. His progress will be reported each month in this newspaper.

JOHNNY weighed 7 pounds, 4 ounces and was 19 1/2 inches long when he was born. He now weighs 16 pounds and stands 26 inches tall. Mother recently set the buttons down on his suits to give him more room for that added height.

He "sort of" insisted on having his bottle every three hours. Mother doesn't measure the formula any more. She just fills the bottle and he helps himself. He also takes all the other baby foods that a young man of his age would eat.

WHEN HE becomes fussy as he has often lately, Mother gives him some water in his bottle and it seems to satisfy him. "He drools all the time," Mother laments, "I think there must be some teeth coming."

Johnny has always liked to lie on his tummy. His latest habit is to turn 'round and 'round on his tummy like a merry-go-round. During the last month, he has begun to play with his toys, too.

HIS INTEREST in electrical appliance cords has been of great concern to Mother recently. When she lets him sit on the counter in the kitchen to be near her, he works himself around until he can reach the toaster cord. In his mouth it goes to chew on. So there is a constant vigilance to be sure the cord is not plugged in.

"I hope he isn't going to be like Dean," Mrs Karber said. "We had to watch him constantly to keep him away from the electrical cords and outlets."

DEAN, 3, couldn't understand why Sharon, 5, and his two playmates had to go to school and leave him. He wouldn't want to go to school, he said, and didn't think they should.

Sharon plays with Johnny every morning before leaving. She has made a rule that she plays with him then and Dean and 2-year-old Janis may play with him after she leaves for school.

EACH of them likes to play with Johnny alone. They don't like to share him. He sometimes looks with awe at the battle that goes on over his attentions.

Johnny had his second inoculation for tetanus, diphtheria, whooping cough and polio this month. He didn't like it at the time but suffered no reaction from it.

Little Johnny Karber loves his bath! And by the time he's through spashing, much of the water is on the outside of the tub. At five months, he can't quite do all the things he'd like to do without help so his mother, Mrs Larry Karber lends a hand to keep him from "splashing himself out of the tub."

He has started an earlier bedtime (8:00 p.m.) for himself but awakens earlier in the morning.

JANIS loves him but still has not gotten over the fact that she is no longer "the baby."

Johnny is growing. He is good-natured and generous with his smiles. And Dean says "Johnny talks." Unafraid of strangers, he makes a big hit by flashing one of those sunny smiles.

### Cover construction

Decorative wallpaper offers almost unlimited possibilities to help "furnish" any style of apartment or home inexpensively and creatively.

If there are construction faults to overcome—even walls, poorly jointed walls, etc.—wallpaper is a wonderful way to minimize the problem and to camouflage the irregularities in walls while adding a decorative touch.

Count your friends, but don't count too much on them.

## Congregational women busily prepare for the annual fair

"Many hands make light work" and Captain John Smith made the statement of the year as far as the Women's Fellowship of the First Congregational Church is concerned! Their largest fundraising project of the year is always the annual fair and turkey dinner. The theme of the fair this year is "Ye Olde Pilgrim Markette" and the scheduled date is Thursday, Oct. 29. Doors open at 2:00 p.m. and dinners will be served at 5:00, 6:00 and 7:00 p.m.

In the fall and winter of 1864 and 1865 the first Congregational Church, a small frame building, was erected in St. Johns, almost on the site of the present church. The theme of the Women's Fellowship this year is "Our Heritage" and the hymn of the year, "Faith of Our Fathers."

THE GENERAL committee for the fair is headed by Mrs Manning Bross, assisted by Mrs Joseph Spousta, Mrs Richard Amstutz, Mrs Gerald Churchill, Mrs James Matthews and Mrs Dorr Anderson.

Chairmen of the dinner are Mrs Cecil Boak and Mrs Russell Steffens. Assistants are Mrs Lawrence Crosby and Mrs Jake Wabeke. Charles Dickenson is in charge of tickets. Mrs John Spousta, assisted by Mrs Norma Peterson, is in charge of the dining room. Treasurer for the fair is Miss Irene Speck. Publicity chairman is Mrs Dick DeGroot, assisted by Mrs William Richards Jr., and Miss Barbara Dean.

"YE OLDE Markette Stalles" will be headed by the various divisions of the church. Priscilla Alden Division will have the "Olde Booke Stalles"; Mildred Knight Division, "Ye Olde Bake Shoppe"; Vesper Division, "Ye Olde Novelty Shoppe"; Mrs Dorr Anderson will head the "Olde Cape Cod Art Colony", a clothes line art show.

For the "sweet-toothed" customers there will be "Ye Olde Sweet Shoppe" and Mrs Joseph Spousta and her volunteers have already been busy for weeks on that. The Linda Scott Division is making quite a "stink" about their "Olde Scent Shoppe."

ALWAYS a favorite is the Cake Walk at any fair and the youth of

Members of the Women's Fellowship of the First Congregational Church are busily preparing for their annual fair to be held Oct. 29 at the church. Candy, cloth, cones and candles are being made into attractive items for the bazaar. Those working are, left to right, Mrs John Warstler, Mrs Gay Beard, Mrs Joseph Spousta, Mrs Jack Smit, Mrs David Lockwood and Mrs John Spousta. Every Tuesday night is "work night" until fair time.

the church, Pilgrim Fellowship group, will sponsor it.

There are no "rocks" in any worker's head, but there will be plenty displayed in "Ye Olde Rock Shoppe," "Little Olde Plymouth Rocks and corner stone pieces.

The choir members are having an "Olde Musicke Shoppe," with old sheet music and records for sale and even an old "gramophone" for atmosphere.

THE CONGREGATORS are busy with hammers and nails making stocks and one may stick his head in and the members will

### Safeguard your home against fire tragedy

BY BETTY KETCHAM  
County Extension Agent  
Home Economics

Is your family safe from fire? Few things can cost you your home and one or more of your family more quickly than fire.

Resolve to make your home a fire safe home. A home safe from fire depends on two important factors: good family habits about fire and its hazards, and good construction.

GOOD FAMILY habits include such things as care with matches and smoking, good house-keeping to get rid of rubbish, proper use of electrical fuses, appliances, and extension cords, and a constant general awareness of the ways fires start and how to avoid them.

Good construction for a fire safe home, according to the National Fire Protection Association includes:

Built-in fire stops. These are barriers of wood or masonry between studs, joists, rafters or stringers that serve to prevent the spread of smoke and fire.

SOLID DOORS for every room. An ordinary wooden door can keep smoke and fire out of a room for as long as 30 minutes.

Good escape routes. Best exits lead directly outside, not through other rooms. Windows should be

large enough and low enough to climb through, and operate easily enough for the youngest member of the family.

Interior finish of materials with low flame-spread characteristics. Wall-boards made of gypsum, cement, asbestos and similar materials are noncombustible and resist flame spread.

Fire-resistant roofing material, such as asphalt shingles, slate, asbestos or metal. Wood shingles never should be used as a roof covering.

Proper wiring. Qualified electricians follow the provisions of the National Electrical Code when installing wiring, which means a fire safe installation.

A good heating plant properly installed and located, regularly inspected and cleaned. A furnace should never be located under stairs or near an entrance where fire originating in the heater might block escape.

School fire drills are accepted as necessary for the protection of school children. Have you ever considered a fire drill at home for the protection of your family?

### Corned beef hash

For a taste surprise at breakfast, serve your family Corned Beef Hash Hawaiian. It's simply prepared by shaping one can (16 ounces) corned beef hash into four patties. Crush four slices of pineapple with butter or margarine. Place one corned beef patty on each slice of pineapple and bake in a moderate oven (350 F.) 15 to 20 minutes, or until patty is lightly browned.

MRS H. W. WOOD

The president of the Wesleyan Service Guild of the First Methodist Church is Mrs H. W. (Wayne) Wood of 211 W. Cass Street. Mrs Wood is also a member of the First Methodist Church and its choir, the WSCS and the Clintonaires. Her pastimes are music, sewing, crocheting and cooking. She has five children, Richard of Lewiston, N. Y., Clifford of Canton, Ohio, Keith of Ottumwa, Iowa, and Charles of St. Johns, and Mrs Marvin (Marjorie) Bissell of St. Johns. She also has 15 grandchildren.

## Clothes for tots can total \$160 yearly

A baby's clothing for the first year can cost as much as \$160 depending on the attitude and financial status of the family. Only a mother can decide how lavish her cherub's wardrobe should be.

The average baby (if any mother can picture her baby as average) requires two or three complete changes of clothing each day—plus innumerable diaper changes.

FORTUNATELY for today's mothers, synthetic fibers and modern washing machines and dryers have minimized the number of clothes needed as well as the time it takes to launder them. Diaper services and disposables have also reduced the number of diapers to be bought.

According to Peg Rivers, editor of My Baby Magazine, there are four factors that will influence a mother's layette buying: Expected gifts, budget, sex of baby, and size.

OFTEN the expectant grandparents will want to provide all or part of a layette. If so, the mother should work out a list and consult with the grandparents so there won't be any unnecessary duplications. Gifts from doting relatives are great extenders when the young couple have a budget that is straining.

Many expectant mothers will choose colors such as aqua, yellow and blue. Some parents, especially fathers, are strictly "blue for boys" types, but the general trend today is to include a variety of pastel colors in the baby's wardrobe—whether a boy or a girl.

SIZE is one of the factors that many first-time mothers are un-informed about. The smallest sizes in infants' clothing sell only in a few items. The experts advise buying six months or one year sizes if you want your baby to have a layette after the fourth month. After all, while there may be variations, it is usual for

a baby to double its weight in the first six months of life.

One of the newest elements on the size front for babies is stretch. Garments which use stretch materials give more comfort to the baby and generally an extended wearing period.

### Chip dip is an instant concoction

Did you ever hear of "Instant Entertainment"? That's what you get when you serve chip dips.

There's almost no work to the delicious concoctions, but much appreciation from the diners. Here are two chip dip recipes guaranteed to make that party a success.

#### Pep-Them-Up Dip

- 1 package Edam cheese (or Gouda cheese)
- 1 tablespoon prepared mustard
- 1/2 cup sour cream
- 2 tsp Worcestershire sauce
- Few grains cayenne

Scrape cheese from shell, chop fine. Mix well with other ingredients. Refill the cheese shell. Serve surrounded by large potato chips.

#### Happy Chatter Dip

- 1/2 cup Roquefort cheese
- 1 package cream cheese (small)
- 1 teaspoon Worcestershire sauce
- 1 tablespoon mayonnaise
- 1 tablespoon butter
- 1 cup sour cream
- 1/4 cup ground nut meats

Cream first 6 ingredients well. Beat in nut meats. If too stiff for dipping, add more sour cream.

## City Commission Resolutions

BE IT RESOLVED, by the City Commission of the City of St. Johns, Michigan, as follows:

1. The said City Commission by three-fifths vote of its members elect, pursuant to authority granted by Act No. 279 of the Public Acts of 1909, as amended, proposes that Section 12 (a) of the Charter of the City of St. Johns as amended through July 1, 1950) of the City of St. Johns shall be amended to read as follows:

Section 12 (a). The salary of each Commissioner shall be Ten Dollars (\$10.00) for each regular meeting that he shall attend. He shall receive no pay for special meetings.

Provisions of existing Section 12 (a) to be altered or abrogated by such proposal, if adopted, now read as follows:

Section 12 (a). The salary of each Commissioner shall be Three Dollars (\$3.00) for each regular meeting that he may attend. No pay for special meetings.

2. The purpose of the proposed amendment shall be designated on the ballot as follows:

The City Charter Amendment proposed by the City Commission to amend Section 12 (a) of the General Provisions of the Charter of the City of St. Johns to increase the compensation of City Commissioners from Three Dollars (\$3.00) to Ten Dollars (\$10.00) for each regular meeting attended.

3. The City Clerk shall forthwith transmit a copy of the proposed amendment to the Governor of the State of Michigan for his approval, and transmit a copy of the foregoing statement of purpose of such proposed amendment to the Attorney General of the State of Michigan for his approval, as required by law.

4. The proposed Charter amendment shall be, and the same is hereby ordered to be, submitted to the qualified electors of this City at a General Election to be held in the City on Tuesday, the third day of November, 1964, and the City Clerk is hereby directed to give notice of the election and notice of registration therefor in the manner prescribed by law and to do all things and to provide all supplies necessary to submit such Charter amendment to the vote of the electors as required by law.

5. The proposed amendment shall be submitted to the electors in the following form, to-wit:

Proposed amendment to Section 12 (a) of the General Provisions of the Charter of the City of St. Johns to increase the compensation of City Commissioners from Three Dollars (\$3.00) to Ten Dollars (\$10.00) for each regular meeting attended.

Shall Section 12 (a) of the General Provisions of the Charter of the City of St. Johns be amended to increase the compensation of City Commissioners from Three Dollars (\$3.00) to Ten Dollars (\$10.00) per meeting attended.

( ) Yes—for amendment  
 ( ) No—against amendment

6. The proposed amendment shall be published in full together with the existing Charter provision altered or abrogated thereby as part of the notice of election.

7. The canvass and determination of the votes on said question shall be made in accordance with the laws of the State of Michigan and the Charter of the City of St. Johns.

Adoption of the above resolution was moved by Commissioner Kentfield and supported by Commissioner Irer. A roll call vote was taken and those voting yea were Commissioner Kentfield, Commissioner Irer, Commissioner Serrine, Commissioner Coletta. There were no nay votes. The resolution was adopted.

JESSIE A. FINCH, City Clerk  
 City of St. Johns, 23-1

The following Resolution was introduced by Commissioner Irer: WHEREAS, the City Charter of the City of St. Johns provides for two Justices of the Peace and an elected Constable, and

WHEREAS, the needs of the

City of St. Johns and its citizens for more efficient enforcement of its ordinances and for the protection of the rights of its citizens prescribe replacement of its Justice Court by a Municipal Court; and

WHEREAS, the establishment of a Municipal Court may be effected only by amendment of the City Charter by the electors of the City, as provided by Act 279 of the Public Acts of 1909 as amended, it is

RESOLVED, that the Justice Courts of the City of St. Johns be abolished and discontinued and a Municipal Court established to become effective on January 1, 1965, and that the City Charter be amended as follows:

That Section 1 of the Charter under the heading of ELECTIVE OFFICERS, which reads as follows:

"Section 1. In the City of St. Johns after the adoption of this Charter, there shall be elected by the qualified voters of the whole city, the following officers, viz.: three Commissioners, two Justices of the Peace, and a Constable."

be amended to read as follows:

"Section 1. In the City of St. Johns after the adoption of this Charter, there shall be elected by the qualified voters of the whole city, the following officers, viz.: five Commissioners, and one Municipal Judge."

That Section 3, Section 4, and Section 5 of the Charter under the heading of ELECTIVE OFFICERS, which now read as follows:

"Section 3. The two Justices of the Peace shall be elected for a period of four years as provided by the laws of the State of Michigan, one being elected every two years, and the term of office of each shall commence at twelve o'clock noon on the fourth day of July following his election and he shall hold office until his successor is elected and has qualified. The first election for Justice of the Peace under this Charter shall be on the first Tuesday after the first Monday in November, 1918, when one shall be elected for two and one for four years."

"Section 4. The Constable shall be elected for a period of two years. A Constable shall be elected at the first election under this Charter and shall hold office from the first Tuesday after the first Monday in April, 1919, until his successor is elected and has qualified."

"Section 5. The Justices of the Peace in the City of St. Johns whose term of office has not expired shall hold their offices until their term of office shall expire by limitation."

be repealed.

That Section 9 (b), of the Charter under the heading of NOMINATIONS AND ELECTIONS, which reads as follows:

"Section 9 (b). At the regular municipal election at which the Justice of the Peace is to be elected, the candidate receiving the highest number of votes shall be declared elected."

be amended to read as follows:

"Section 9 (b). At the regular municipal election at which the Municipal Judge is to be elected, the candidate receiving the highest number of votes shall be declared elected."

That Section 10 of the Charter under the heading of NOMINATIONS AND ELECTIONS, which now reads as follows:

"Section 10. At any general or special election held in said City at which elective offices are to be filled, it shall be the duty of the City Clerk to prepare the ballots therefor in a number and manner as required by the State law, except that the names of all candidates for elective offices shall be headed "Official ballot for City offices" but shall have no party designation or mark whatever. The names of the candidates to be voted for shall appear on such ballot in the following order:

City Commissioners.  
 Justices of the Peace.  
 Constables."

be amended to delete the words "Justices of the Peace" and to substitute therefor the words

"Municipal Judge", and to delete the word "Constables".

BE IT FURTHER RESOLVED, that a new chapter be added to the City Charter of the City of St. Johns as follows:

### MUNICIPAL COURT

Section 1. MUNICIPAL COURT CREATED. The Justice Courts of the City of St. Johns are hereby abolished, effective January 1, 1965, and the powers, jurisdictions and duties of said courts are consolidated into one court to be presided over by a Municipal Judge who shall possess the same qualifications required of a City Commissioner and in addition shall be an attorney admitted to practice law in the Supreme Court of Michigan immediately preceding the date of his appointment or election. This Court shall be known and designated as the MUNICIPAL COURT OF THE CITY OF ST. JOHNS and shall have a seal which shall be affixed to all process issued out of said Court. The Municipal Court shall be located in the Municipal Building or such other place as the City Commission shall prescribe.

"Section 2. ASSOCIATE MUNICIPAL JUDGE. The City Commission may provide for the office of Associate Municipal Judge in accordance with and subject to the provisions of Act 109 of the Public Acts of 1947.

"Section 3. COMPENSATION OF MUNICIPAL JUDGE. The Municipal Judge shall receive a salary in such sum and in such manner as the City Commission shall determine, but not less than \$6,000.00 nor more than \$12,000.00 per year. The salary of the Municipal Judge shall be in lieu of all fees, civil and criminal, to which the Municipal Judge might be entitled except for the provisions of this Section. No action of the Commission determining the salary of the Municipal Judge shall be taken less than 30 days before the last day for filing nominating petitions for election to that office at the next city election.

"Section 4. TERM OF OFFICE. The term of office of the Municipal Judge shall be six years and shall commence on the first day of January following his election. Each person appointed to fill a vacancy in the office shall assume office upon his appointment and shall serve for a term ending on the first day of January following the next regular city election.

"Section 5. NOMINATION AND ELECTION. The Municipal Judge shall be nominated and elected in the same manner as the City Commissioners are nominated and elected at the first general primary and election following the adoption of this Amendment and each six years thereafter. The City Commission shall appoint a Municipal Judge who shall serve until a Municipal Judge shall be elected and qualified.

"Section 6. LEGAL PRACTICE OF JUDGE. Neither the Municipal Judge nor any Associate Judge shall sit in or preside over any case in which either he or his business partner is attorney or counsel for any party in the case.

"Section 7. JURISDICTION OF THE MUNICIPAL COURT. The Municipal Court shall have all the jurisdiction, power and authority as provided as Act No. 5 of the Public Acts of 1956 as amended, and as provided in Section 28 of Act 279 of the Public Acts of 1909, or as may now or hereafter be provided or permitted by law.

"Section 8. JUDICIAL NOTICE. The Municipal Court shall take Judicial Notice of the enactment, existence, provisions and continuing force of the Ordinances of the City of St. Johns.

"Section 9. ACCOMMODATIONS AND HOURS. The Commission shall provide proper accommodations for the Municipal Court and may provide, by ordinance, for the hours and times that such Court shall be in session.

"Section 10. COURT CLERK. The Commission may provide for a Court Clerk for the Municipal Court and prescribe by ordinance the duties thereof. Such Court Clerk and deputy clerk or clerks shall, by virtue of their office, be empowered to administer oaths and do all things required of and permitted to them by Section 28 of Act No. 279 of the Public Acts of 1909 as amended.

"Section 11. COURT OFFICER. The Municipal Judge shall appoint a Constable, subject to the confirmation of the Commission before such appointment shall be final, who shall have all the powers conferred upon Constables by law and who shall serve as the court officer of the Municipal Court.

# A word on bluegrass at lawn-planting time

A combination of traits is responsible for the popularity of Kentucky bluegrass on the lawns of America's towns.

Bluegrass spreads by underground stems and is not an offensive thatch former, as are most stoloniferous grasses. It is soft of texture, aristocratic, graceful and the bluish green color is luxuriant in the lawn. It mows neatly, except for a brief span when seed heads form.

KENTUCKY bluegrass is widely adapted, can survive under different conditions, is strongly recuperative and recovers well after drought, wear, scalping or diseases.

As with any plant, bluegrass performs best in well-drained, rich friable soils. A lot of bluegrass grows on clay. It can also be perpetuated on sands, if fertilized and watered enough.

IT LOOKS starved on infertile soils but generally will persist.

Court. If the Constable is a member of the Police Department of the City and receives a salary for his duties as a police officer, he shall receive no additional compensation for his duties as a constable. If no constable be appointed, any member of the City police department shall act as Court Officer and Constable.

"Section 12. BOND OF MUNICIPAL JUDGE. The Municipal Judge shall give bond to the City of St. Johns and to Clinton County in the sum of \$5,000.00 for the faithful performance of the duties of his office and the requirements of law, cost of bond to be paid by the City.

"Section 13. MICHIGAN UNIFORM MUNICIPAL COURT ACT. The provisions of the Michigan Uniform Municipal Court Act, the same being Act No. 5 of the Public Acts of 1956 as amended, shall apply to and govern the Municipal Court of the City of St. Johns, except as the Uniform Act shall be inconsistent with the provisions of this amendment, and the City Commission may adopt by Ordinance any future amendments to the Uniform Municipal Court Act without the necessity of amending the City Charter.

BE IT FURTHER RESOLVED that the proposed amendments to the City Charter shall be submitted to the electors of the City at the city election to be held on November 3, 1964, and

BE IT FURTHER RESOLVED that the City Clerk is directed to submit a certified copy of this resolution to the Governor of the State of Michigan for his approval of said Charter provisions, and

BE IT FURTHER RESOLVED that this resolution and proposed amendments shall be published in full in the Clinton County News either as part of the minutes of this meeting or as a separate publication, and

BE IT FURTHER RESOLVED that the City Clerk shall do and perform all acts required of her by the City Charter and the Statutes of the State of Michigan in regard to the registration of electors for said election, the giving of notice of such election, the preparation and furnishing of necessary ballots and for the conduct of such election, and

BE IT FURTHER RESOLVED, that the proposition and purpose thereof shall be stated on the ballots in the following form:

Shall the City Charter be amended to abolish the Justice Courts and create a Municipal Court?

( ) Yes—for amendment  
( ) No—against amendment

and that this proposition shall be designated as Proposition 1.

Adoption of the above resolution was moved by Commissioner IRER and supported by Commissioner KENTFIELD. A roll call vote was taken and those voting yea were Commissioner IRER, Commissioner KENTFIELD, Commissioner SMIT, Commissioner COLETTA and Commissioner SIRRINE. No nays. The resolution was adopted August 18, 1964.

I hereby certify that the above is a true and correct statement.

It relishes neutral limy soils but will tolerate acidity. Kentucky bluegrass, however, resents a close mowing or scalping. Mowers should be set at least 1 1/2 inches high.

When weather is hot and the days are not counterbalanced by cool nights, only light summer feedings are recommended. Too often, disease gets blamed because of too much nitrogen used at this time.

TO DO THEIR best, bluegrasses, like most plants, require a well-balanced plant food which should be applied at least three times during their growing season. Spring, summer and fall should be sufficient for most bluegrasses.

Diseases and insects sometimes will attack. Sod web worms, grubs and chinch bugs are some.
