Ambulance service works to raise operating money

ST JOHNS — An area wide appeal for funds to help the Clinton Area Ambulance Service will begin soon, as decided at a special meeting of the board of directors Monday night.

The \$1 per capita assessment from the 11 participating municipalities, which will net \$16,303 for initial operating expenses, would leave the ambulance service in a financial bind after the purchase of 1 new and 1 used ambulance. This point was brought out by Herb Brown, manager of the new service.

Brown estimated that the total cost for the 2 ambulances would come to approximately from \$14,000 to over \$16,000. Add insurance to that, he said, at about \$2000 a year, and the total cost could come to over \$18,000.

Brown added there would probably not be money coming in from people who use the service for 60 to 90 days.

Harold Benson, representing Bingham Twp, suggested soliciting donations from area companies and individuals to assist the ambulance

service until it is operating in the black. Benson said he had contacted a few people and received pledges of support. Clinton National Bank has offered \$250-\$500, depending on the need for it.

"I think the donations will come," Benson said.

Brown said AAA's depreciation for last year totalled \$1349 in unpaid bills and that AAA was about \$100 in the red for the first month of 1973.

Ed Cox, of Greenbush Twp, moved that the board seek all the public support they can get. Doug McKaen, representing Fowler, seconded the motion which passed unanimously.

Cox also moved, seconded by Robert Ebert, St Johns, that the directors appoint Benson chairman of a donations committee, and appoint members to assist him. Motion carried.

Cox suggested that Benson and Bernard Feldpausch be publicly thanked for their efforts in behalf of the ambulance service. The motion passed.

Paul Maples, legal advisor for the service, brought up several items to be decided in order to submit their articles of incorporation for approval of the state.

It was decided that offices for the service be temporarily listed as 200 W State St, St Johns, Robert Wood's office, until other provisions can be made.

Benson was designated First Resident Agent, a formality which Maples termed "the guy to sue." Actually, in the event of a lawsuit, Benson would only be named as a member of the service.

The question of issuing stock was not decided. When it is decided how many shares to issue, they will be issued to names of the directors, since they cannot be issued to municipalities. Rules for its distribution, etc, will be covered in the by-laws.

Also included in the Articles of Incorporation is a provision for borrowing money and issuing promissory notes. Maples explained that this is necessary in case the directors needed to borrow money fast. He cited the example of Lapeer's service, who wrecked an ambulance and had to purchase a new one immediately.

Milton Sharick, representing the ambulance drivers, reported the drivers had some preferences regarding the type of ambulances purchased, but would not demand any particular type. He said that walk-through types are handier, and they would prefer the wider style of ambulance so cots could be put on the floor.

Brown added that good equipment is more important than carrying a lot of patients because 1 critical patient keeps an attendant so busy he probably

wouldn't be able to handle any more. For big accidents, he said, the best thing to do would be to radio for the other ambulance.

Brown did emphasize, however, that Medicare requirements may soong up from the present 2 patient capacity requirement per ambulance.

A target date of April 2, was set for establishment of prices and notifying Medicare of the changeover.

A committee, consisting of Robert Wood and Roy Ebert was set up to draw up a set of by-laws for the service,

subject to board approval.

An ambulance purchasing committee headed up by Milton Sharick, Ed Cox, and Marshall Hicks of Bengel Twp, will prepare a report on the type of ambulance to buy in addition to AAA's present vehicle.

Doug McCain and George Martin,

Dallas Twp, will act as a budget and billing committee.

Prior to adjournment members of the board inspected a demonstration model ambulance from Dennis Distributing Co of Flint.

Bath studies possible local ambulance service

By Jan Brydon

BATH — Half the cost of a vehicle is Bath Township's main obstacle in starting an ambulance service, trustee John Snider said Monday night at the

Bath Township Board meeting. Snider explained that federal funds would cover half the purchase price of a new or used vehicle.

"Training for personnel," Snider said, "could be obtained at no charge." Currently Bath Township uses the

services of Mercy Ambulance Service of Lansing.

In other business, the board considered a money saving comprehensive insurance policy. The plan, offered by Burnham and Flower, 1 of 2 agencies currently dealing with the township,

includes savings of \$200 on the automobile policy plus a 10% general discount.

Final decision on the policy was tabled until more detailed offer could be received from McPhail, the competing agency.

Q—About 6 years ago the Clinton County Road Commission built a blacktop road by our place. They asked my husband if they could haul the trees and brush from the mile that they built on our farm if they came back in 2 years and burned it. It would take that long for it to dry. They gave him \$75 to bulldoze a path down to a second field to dump it. We have telephoned the office; his secretary always said he was busy or out. Our daughter went up and talked to them 2 years ago, and they said they would send someone out to take care of it. It is still down there. We would like to have it burned while the snow is on so the fire won't spread into the other fields. My husband is 78 years old and isn't able to burn it. What can we do about it?

CB, Elsie

A—A call to the road commission put us in touch with R.J. Hebner. He said he has only been on the commission 1-1/2 years, so he doesn't know about the agreement. He also said that he will come out and talk to you before he can make a decision on the matter.

Speak Out

LAST WEEK'S QUESTION: With the apparent success of the Michigan Lottery, do you believe the state should pave the avenue toward other income sources by legalizing gambling in certain areas?

YES: 30%
"People are gambling anyway, why not make it legal" ... "they say it causes law enforcement problems, but Detroit sure is way ahead of Las Vegas in crime" ... "Yes, if some of the money somehow got into our school systems, like it should be from the lottery."

NO: 70%
"If they keep on legalizing things like abortion and gambling, pretty soon it will be all right to do anything you darn well feel like" ... "They haven't been able to run the lottery without problems, why invite more?" ... "I just don't think it's right" ... "I voted against the lottery and I'll vote against any other form of gambling."

THIS WEEK'S QUESTION: Do you agree with the Supreme Court's decision ruling laws against abortion unconstitutional?
YES

DEWITT — An approved re-zoning request prompted an emotional outburst by Lake Geneva home owners at the Monday night meeting of the DeWitt City Council.

Mayor Raymond DeWitt broke a 3-3 tie with his "yes" vote, which approves a re-zoning request by Donald Ducharme to re-zone from residential single family dwelling to residential apartment approximately 62 acres located at the northeast corner of Lake Geneva.

Ducharme plans to build condominiums on the land and those plans brought protest from residents of the Lake Geneva area.

At a public hearing Thursday, several residents of the area were present and all said they were opposed to approving the re-zoning.

Most said they were led to believe when they built in the Lake Geneva area, nothing but single-family residences would be built.

Some disagreement arose about the wording of the deed restriction which, reportedly, was supposed to have allowed condominium buildings, but was supposed to have been removed.

It was reported the wording was left in by error by the Lake Geneva association attorney.

At Thursday's public hearing Mayor DeWitt asked each person present with objections to state the reason for the objection. Among the objections were:

"The plans aren't concrete enough."

"I'd like to see all single dwelling homes."

"Storage is a problem—I think that it could look junky."

"The size wouldn't fit into the rest of the development. Aesthetically, it wouldn't fit in with the rest of the neighborhood."

"I see a conflict between the 2 groups

— the single home owners and residents of the condominiums.

"I'm opposed to any zoning change when the majority of the people are against it."

"When I purchased a home in Lake Geneva, I was under the impression they would be all single family units. I wouldn't have bought if I knew it wasn't going to be all single dwelling."

"I think the value of the present homes will depreciate."

"The most emotional objection was, 'I've saved everything for my home—this would be the dagger that will cut my heart out.'"

Councilman Garry Gillespie voiced

his disapproval Monday night, saying, "I sometimes think we forget about the people in the area. I don't know how we can go against the people when there are that many against re-zoning."

Wayne Wilcox, councilman, also voiced his objection, "I've seen nice condominiums, but I hope we're still a country and city where the majority rules."

Voting against the re-zoning were Wilcox, Gillespie and Ronald Mull.

Casting "yes" votes were Frederick Shaver, Robert Ballard, Stanley Tenney and Mayor DeWitt.

The request was previously approved by the DeWitt City Planning at their Dec 21, 1972 meeting.

Zoning Commission grants rezoning for home building

By TERRY CANUP
County News Writer

ST JOHNS — County land use plans designating an area for agriculture did not stop the Clinton County Zoning Commission from re-zoning it Thursday for home construction.

The planning commission recommended denial Wednesday for the rezoning of the area on Herbison Road, between Airport and Grove Roads.

The zoning commission concurred among themselves, however, that the soil was too poor for farming and granting the request the development grouped with the Westwinds subdivision.

Supervisor Arnold Minarek noted the area was zoned for development from 1964 to 1971 when new ordinances were adopted.

He said the commission's act virtually restored the old zoning.

In other business a request for a special use permit by the Industrial Maintenance Company was tabled by the company's own request after the Watertown Township Planning Board recommended denial of the request.

The company said it wished to resubmit its proposal to the township for construction of a protective barrier for open storage near Grand River near Lowell and Francis Roads.

Later a permit was granted to the

Immediately following the vote, residents present became angry and 1 inquired where to obtain recall petitions, another said the city violated the master plan and a few talked of court action to stop the development.

Two of the most vocal, Ronald Hofmeister and Margaret Faught were not at the Thursday night public hearing, while the majority of the others protesting to the city's action were present Thursday to voice their objections.

Responding to some objections at that Thursday meeting, Ducharme said he would provide garages, basements and storage areas for the condominiums.

Ducharme also had stated earlier, such developments improve the tax base of the community because of the number of families and said the type of units he intended to build would, in no way, devalue homes in the area.

In other less controversial action, the council moved to have the police committee meet with the police board and Chief Charles Anderson to review bids for a new police car. They are to have a recommendation at the next meeting.

Mayor DeWitt told the council a committee which has been studying awarding of a liquor license in DeWitt is supposed to have a report at the next meeting. DeWitt citizens passed liquor by the glass at the recent November election.

The council approved the purchase of a Electron electronic communication which will be used by the fire department and activated by the Clinton County Sheriff's Dept.

The current system consists of 24 telephones in the firemen's homes and have been the objects of complaints by the firemen. Cost of the new system will be \$3779.

DeWitt resident qualifies for \$1 million drawing

DEWITT — Harold V Birgy will be sitting on the edge of his chair Thursday when the winner of Michigan's million dollar lottery is announced. Birgy is one of 120 finalists invited to attend the drawing at Lansing's Civic Center.

110 prizes of \$1000 will be awarded, 7 will win \$5000, 1 will receive \$100,000 and 1 lucky person will win the grand prize of a million dollars.

"All I expect is \$1000," says Birgy, who doesn't expect to win the big prize. He reports no plans for the money.

Birgy buys 2 tickets every week, but isn't sure where his winning number came from. "I'm not certain, but I think it was in DeWitt," he said.

St Johns firemen battle a fire that started in the basement of a home near the corner of DeWitt and Mead Roads Monday night around midnight. Details of the fire were unavailable at press time Tuesday morning.

Highway funds distributed to cities and villages

LANSING -- Motor Vehicle Highway Fund collections for the 4th quarter of 1972, up 12.4 per cent over the same period in 1971, are now being distributed to Michigan counties and municipalities. All state taxes on gasoline and diesel fuel, plus license plate fees, go into the highway fund.

The unusually high increase of 12.4 per cent can be attributed to a 31 per cent increase in license plate fees at the end of 1972. The Secretary of State's new program of issuing license plates by mail is largely credited with the huge in-

crease of early registrations. "After deduction of collection costs by the Dept of State and 1.5 per cent for

the Mich Waterways Comm, the funds are distributed according to the following formula: 46% to the Dept of State Highways, 34% for the state's 83 counties and 20% for the 530 incorporated cities and villages.

Under this formula, the Highway Dept will receive \$48 million, the counties receive \$34.3 million after deduction of \$1.08 million for removal assistance, and incorporated cities and villages, \$20.8 million.

Clinton County, as a whole, will receive \$278,161. DeWitt receives \$7681, Eagle gets \$879 and Elsie Fowler is scheduled to receive \$3681, while Maple Rapids will get \$2950. Ovid's share amounts to \$2065, and St Johns will receive the largest sum, \$24,744, and Westphalia will get \$3517.

Globe-girdling sportsman-photographer Wally Taber demonstrates how to handle an Amazon piranha. Taber comes to St Johns High Auditorium Wednesday Feb 28 at 8 pm to publicly screen a pair of his latest high-adventure films under sponsorship of St Johns Exchange Club.

Wally Taber travels Pan-American Highway

ST JOHNS -- Adventure with rod, rifle and camera fills the color screen at St Johns Auditorium Wednesday Feb 28 at 8 pm when that colorful safariman, Wally Taber, appears in person to screen his latest adventure program of hunting, fishing, wildlife and native life sponsored by the St Johns Exchange Club open to the public.

"From Anchorage Alaska to Argentina, there is hunting and fishing adventure beyond man's wildest dreams, some has yet to be tried by modern man," Taber said. "Nevertheless, one can today drive the family car the entire length of two continents -- North and South America -- plus that bridge in between -- Central America. Nor is the adventure either expensive or arduous and certainly not

hazardous," Taber admonished. "But, it does take time and patience," he said. In his newest twin bill of color-adventure films Taber

In his newest twin bill of color-adventure films, Taber concentrates on South America. Yet, everything from worming for big-mouth bass to harpooning pink porpoise in the mighty Amazon fills the screen in living color while Taber, on stage, provides colorful narration. There's action in trout fishing at 15,000 feet in the Andes and with the cannibalistic piranha at sea-level in the Taperape. There's floating set-guns for mighty catfish and skipping mullet for mammoth marlin. "If you're more interested in hunting," Taber suggested, "we bag a stag in Argentina, black buck in

Chile, a maned wolf in Paraguay plus geese and partridge throughout the trek. Matter of fact, geese are so plentiful in Argentina that no license is required to hunt them, no bag limits are set, no seasons established

and, worse yet, no one wants to eat them after they are shot! Local ranchers actually will furnish one with shells to encourage hunting on his pastures where geese compete severely with sheep.

Babysitting clinic to be held

ST JOHNS -- A babysitting clinic for boys and girls ages 11 and older will be held beginning March 1 at 7 pm in the Congregational Church dining room. The series of 5 classes is sponsored by the St Johns Jaycees, continuing weekly until March 29.

Three speakers will give presentations. Charlie Frost of the Civil Defense Dept will discuss tornado safety and

mouth to mouth artificial respiration.

A nurse from the Health Dept will be present one evening and give a first aid lesson to students, and St Johns Fire Chief Clair Maier will talk about fire safety.

Also included in the program is a discussion of what parents expect from babysitters. Pupils will be tested upon completion of the class. Those who pass will have their names included on a babysitter list to be distributed to area drug stores, physician's offices and other high-traffic locations.

Applications are available at St Joseph's and the Jr. High School, and must be signed by parents of the student participating.

Chairman for the event is Janet Scott. Questions not covered on the application blanks may be directed to her at 224-2601.

O-E adult education-variety

Adult night school at Ovid-Elsie High School is beginning a new series of classes this week. In addition to the High School completion classes, English and Economics, several enrichment classes are offered to all interested parties.

The following classes begin this week: Spanish, Real Estate, Typing, Bookkeeping, Bridge, Square Dancing and Family Recreation.

Family Recreation is aimed at entire families, with babysitting provided for young children. The parents may participate in a variety of activities, after which the family gets together for a swim.

Golf lessons will be featured again this term, and a new class for parents entitled "How to Answer Children's Questions" will deal mainly with questions asked about sex and reproduction.

Investigation continues in fatal shooting

DEWITT -- Police in DeWitt Twp are still investigating the shooting of a Chicano youth Feb 13. The fatal shooting occurred at approximately 10:30 am when 5 high school students were playing hooky at the

home belonging to Mr and Mrs Robert Kemp, 526 Valley. The Kemp's son and daughter were among the youths, according to police. The 5 young people originally told police an unknown man appeared and

shot Alberto Rodriguez, then fled in a two-tone car. Police immediately set up roadblocks based on this report. Later it was learned that this report was false. DeWitt Twp Police Chief Bruce E Angell said Monday

that the incident appears to have been an accident, but added that the case remains open until police obtain a clear report of the shooting. A 14-year-old DeWitt Twp youth, who was released to his parents, took a lie detector test which revealed no intent on his part, according to Angell. However, a large portion of the story is not coming out, he added. "We want to give the boy a

chance to talk when he's out of shock," Angell said. Angell said police will turn their report, when completed, over to the prosecutor to determine what action will be taken. "There may be other charges -- such as filing a false police report," he said. All 5 youths have been released to the custody of their parents.

Kelley still undecided on abortion question

LANSING -- Attorney General Frank Kelley said in a statement issued Feb 16 that he will continue to advise against seeking or performing abortions until a decision on an appeal by the state of Texas is final and until the Michigan Supreme Court reconsiders the constitutionality of its laws governing abortion.

He said his office has been advised by the Texas Attorney General that Texas has asked the US Supreme Court for a rehearing in the case which held the Texas criminal abortion statute unconstitutional.

Kelley said that in view of the Texas request for a rehearing and the decision of

the Michigan Supreme Court to hear arguments on abortion cases during the April term, it is impossible to issue an opinion on the constitutionality of Michigan's abortion statute. Kelley stands by his Jan 30 statement which read "...until the United States Supreme Court's decision in the Texas case is final and until such time as the Michigan Supreme Court passes on the constitutionality of the Michigan abortion laws, persons who take action based upon their conclusion as to how the recent decision of the United States Supreme Court will affect Michigan's statute in the matter of abortion do so at their own peril."

Swimming classes start in St Johns

ST JOHNS -- Swimming classes will be held each Saturday at St Johns High School Feb 24 through April 14. Charge for the entire session is \$5.

Beginner classes are from 9:45 am to 10:25 am. Class time for advanced beginners is 9:45 am to 10:25 am. Intermediate swimmer and competitive swimmer classes are from 10:30 am to 11:10 am. Classes will meet from 11:15 am to noon for beginners under 54 inches tall and baby class (8 months and older).

CONDUCTING THE class is St Johns High School swimming coach Wayne Morrison, who said his staff hopes to have 1 instructor for each 10-12 students per class. For further information call 224-2394, Ext 222, Monday through Friday between 9 am to 4 pm.

Reg for kindergarten Feb 26-March 6

ST JOHNS -- Registration for kindergarten will take place Feb 26-March 6. Most parents have been contacted already, according to school officials, but they have been unable to contact everyone. Those who have not heard from the schools should contact them for an appointment.

Parents and children will come to the school, meet the teachers and school nurse, and have the child's vision checked by a vision technician.

Registration will be held at the following times:

East Essex Feb 26, 8:30-11:30 am; Eureka, Feb 27, 8:30-11:30 am; Central, Feb 28, 8:30am-3 pm; Riley at Olive Center, March 1, 8:30 am-3 pm; and East Olive, March 2, 8:30 am-3 pm, also at Olive Center, Perrin and Palmer, March 5, 8:30 am-3 pm and Swegles, March 8:30 am-3 pm.

SJ musicale

ST JOHNS - St Johns Morning Musicales met Feb 8 at the home of Mrs B A Deibert. Mrs Winchell Brown, president, conducted the business meeting, with 23 members present. Discussed were auditions for the 1973 scholarship, Mich Federation of Music Clubs state convention in Lansing, nominations, and honorary memberships.

Mrs Deibert, program chairman, introduced Mrs Robert Koepen, who presented a flannelgraph report on 3 French musicians - Chaminade, Massenet and Berlioz.

Mrs Jack Stenberg demonstrated the characteristics of Charminade's piano music by playing "Seraf, Dance" and "Autumn." Mrs Conrad Seim, accompanied by Mrs Maurice Witteveen, sang an aria from Massenet's opera "Herodiade." The Ensemble, directed by Mrs Dean Stork, sang Massenet's "Open Thy Blue Eyes, My Beloved" and "Elegie", also accompanied by Mrs Witteveen. Mrs Stenberg played the piano piece "Aragonaise" from Massenet's opera "Le Cid." Mrs Clifford Lumbert, accompanied by Mrs Manning Bross, sang "The Dance of the Peasants" from Berlioz's "La Damnation de Faust", bringing the morning's program to a conclusion.

The next meeting of Morning Musicales will be Feb 22 at 9:30 am at the home of Mrs Walter Carter.

Jehovah's Witnesses activities

ST JOHNS - Two-hundred ministers and 3 new congregations for every day of the year," a Watchtower district minister said in describing the 1972 activity of Jehovah's Witnesses at an assembly staged in Lansing's Waverly High School last weekend.

In referring to the world report of the Witnesses contained in their official organ, The Watchtower of January 1st, Mr D. P. Biegler said the Witnesses enjoyed a 5.7% increase in the number of ministers actively preaching in 208 lands last year bringing their total to more than 1-1/2 million.

Biegler revealed the Witnesses had baptized more than 680,000 persons in the last 5 years and said over 163,000 were baptized last year alone.

59 underwent baptism in the Waverly pool at the Lansing assembly. He stated the Witnesses have found a revival in Bible interest throughout the world including the iron-curtain countries where their work is carried on underground.

2,660 people crowded into the Waverly gym Sunday afternoon to hear the Bible talk "Decide Now for Divine Rulership." The regular Kingdom Hall meeting schedule resumes this weekend.

Bingham Grange

Bingham Grange will meet at the hall on March 2, at 12:15 for a potluck dinner. The business meeting and program will follow the dinner.

DAR meets

River Wabwaysin Chapter, Daughters of the American Revolution met at the home of Mrs John F Caudy Thursday evening.

The meeting was called to order by the regent, Maralyse Brooks. The president general's message was read by Mrs Dean Gill. Resolutions passed at the last National Congress on "United Nations Conference on Human Environment," "Education," and "Immigration and Population Control" were read by Shirley Pouch.

National defense chairman, Mrs Dale Calder read an article from the National Defender on "Will the U.S. Give Up Guantanamo Naval Base." A poem "I am Your Flag" was read by Mrs Caudy.

Mrs Harold Millman reported that the 5th and 6th grades of St Joseph. School are writing on "A Patriot of 1773" for the American History Essay Contest sponsored by the DAR.

The program was by Mrs H. Manning Bross. She reported on the conference "Reaching Out - To The American Indian," sponsored by the Michigan Dept of Education, State Library Services. She also brought many books the Bemont Public Library has on the American Indian. The Chippewa or Ojibwa Indians were essentially nomadic and bands roamed over present day St Johns and DeWitt. She also told about the American and Michigan Indians today.

The next meeting will be with Mrs Bross at which time the DAR Good Citizen-Miss Sharon Barnes and Mrs Barnes will be guests of the chapter.

SHARON BARNES

DAR winner

ST JOHNS - The River Wabwaysin Chapter of the Daughters of the American Revolution have named Sharon Barnes their Good Citizen award winner.

Ms Barnes, daughter of Mr and Mrs Charles Barnes, 427 Meadowview, is a student at St Johns High School. She will compete with other award winners in the state, who will then compete for the national award.

After graduation, she plans to attend college and continue her study of music.

Ms Barnes and her mother will be entertained by the chapter at the home of Mrs Manning Bross Feb 22, at which time she will be presented her winner's pin.

St Johns downs Charlotte 70-57

DOUG WOODHAMS GOES UP FOR GOAL AGAINST CHARLOTTE

ST. JOHNS — St. Johns' Redwings rolled to a 70-57 victory over Charlotte Friday night, paced by Mike Sutherland with 28 points.

In a close 1st quarter, Sutherland hit for 6 points to lead the Redwings to an 18-16 1st quarter advantage.

As the Charlotte shooting cooled in the 2d quarter, St. Johns pulled away with a 17-9 advantage for a 35-25 halftime lead.

Charlotte regained their shooting eye in the 3d period, but the Redwings continued to pull away with a 15-13 quarter edge.

The Redwings had their best quarter of the night in

the final period, hitting for 20 points. Charlotte also had their best quarter with 19 points.

CHARLOTTE PULLED within 5 in that last quarter, but Alex MacKinnon hit for 7-for-8 at the free-throw line to pad the Redwing lead.

Sutherland also led the rebounding with 12.

He was followed in double figure scoring by Alex MacKinnon with 12 and Doug Woodhams with 10. Also scoring were Bruce Irish with 7, Charlie Faivor 6, Steve Parker with 4, Dan Mohnke 2 and Eddie Jorae 1.

St. Johns is in 2d place in West Central play with an 8-3

record, behind 1st place Ionia with a 9-1 record.

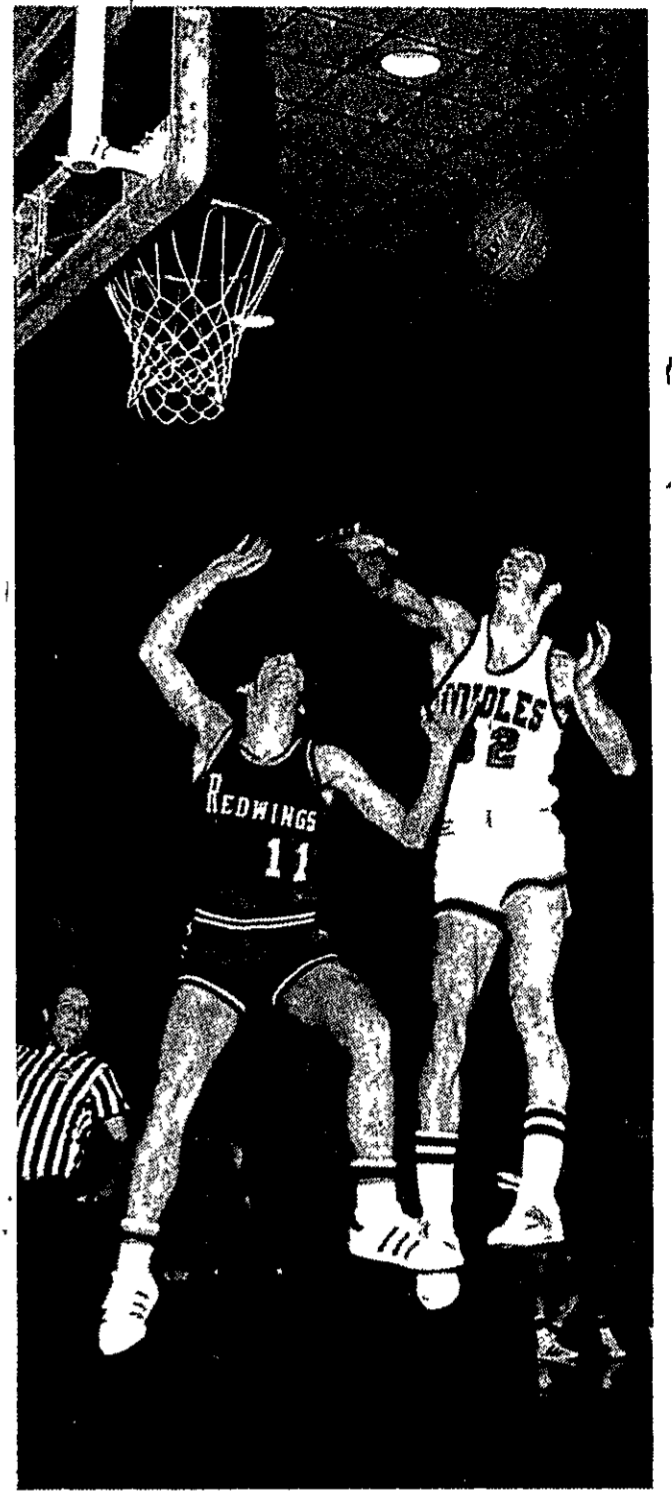

The junior varsity Redwings defeated their Charlotte opponents 61-54.

In last Tuesday's game with Lakewood, St. Johns won a close 65-60 contest behind the 21-point performance by Mike Sutherland and 20 by Charlie Faivor.

Also in double figures for the Redwings was Doug Woodhams with 16.

The junior varsity also had a close contest, falling to their Lakewood opponents 66-63.

The Redwings travel to Greenville Friday for a non-conference contest and wind up the season March 2 at home with Hastings.

REDWING AND ORIOLE FIGHT FOR BALL

Bees down Pinckney

PINCKNEY — The Bath Bees downed Pinckney Friday night 73-59 behind the scoring of Fritz Ordiway and Dale Cantwell.

Ordiway popped in 25 points, 9 in the 1st quarter, while Cantwell connected on 19 points, with 9 of his coming in the last quarter.

Bath took an early 17-10 lead in the 1st quarter and held a halftime lead of 25-20.

Their scoring opened a bit in the 3d period with the Bees putting 21 points on the scoreboard. Pinckney was held to 13 in the period.

Both teams had hotter shooting games in the final quarter with Bath taking a 1-point edge 27-26.

Also hitting in double figures for Bath was Ted Day with 14. He was followed by Doug Kesson with 9 and Roy Hill added 1 point.

The Bees are 10-8 for the year and 6-6 in Ingham County League action. Pinckney is 10-7 overall and 7-5 in conference competition. Bath plays Perry at home Friday and closes out the season March 2 at Dansville.

The Junior varsity Bees fell to Pinckney 65-61.

Pow! Fowler creams L-burg

LAINGSBURG — Pow! After several close games, unbeaten Fowler unleashed

their scoring attack Friday and tore up Laingsburg 118-70 to clinch the Central

Michigan Athletic Conference title. Laingsburg felt the sting of

the Eagle shooting from the opening buzzer, but the final quarter featured almost

unbelievable shooting with Fowler hitting to the tune of 42 points and Laingsburg 31.

In the opening quarter, the Eagles jumped to a 22-14 lead and outscored Laingsburg 28-13 in the 2d quarter.

Carrying a 50-27 lead into the 3d quarter, the Eagles zapped their opponents for 26 points with the defense, holding Laingsburg to 31.

The overpowering victory gives Fowler a 15-0 con-

ference record while Laingsburg is in last place, could secure only 22.

Fowler's rebounding game was as strong as the shooting, hauling in 51

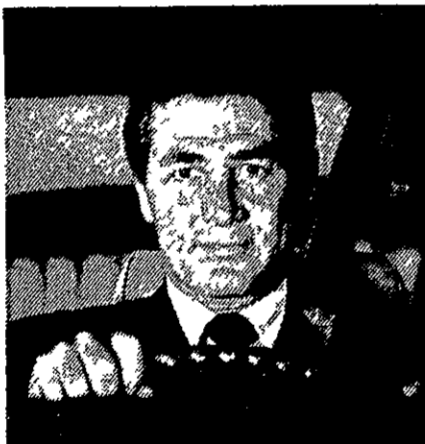

rebounds, while Laingsburg could secure only 22.

Bob MacKinnon led the Fowler's scoring with 22 points. Also in double figures were Scott Spicer with 19, Mel Pohl with 17, Dan Jandermoa with 13 and Glen Thelen 11. They were followed by Tony Thelen with 8, Dale Koenigsnecht 8, Brian Thelen 6 and John Simon 4.

After a Tuesday game with Potterville, Fowler hosts DeWitt Friday. DeWitt also had a hot scoring night Friday, clobbering Bellevue 114-82.

Fowler's junior varsity beat Laingsburg 61-41.

DeWitt shatters Bellevue and school scoring record

FANTHER POPS 2 OF 114 POINTS

DEWITT - Bellevue and a DeWitt High School basketball scoring record were both shattered Friday night as the Panthers exploded for 114 points against the visitors.

Bellevue also had a good scoring night with 82 points, but that's a whopping 32 less than 114.

The 114 DeWitt points beats the old mark hit twice of 107.

DeWitt was on the short end of the score early in the game and trailed 23-20 at the end of the 1st period.

But, then the name of the game was full-court defense and the Panthers busied themselves stealing and rebounding the ball from the Bellevue defense.

That harrasing Panther defense earned them a 33-20 edge in the 2d quarter and a 53-43 halftime lead.

They exploded for 34 points in the 3d quarter, holding Bellevue to 14.

In the final period, DeWitt hit the bucket for 27 points, with Bellevue picking up 25 points.

Much of the hot DeWitt shooting was set up by powerful rebounding, both on offense and defense.

When the game had ended, the Panthers had pulled down 60 rebounds while Bellevue could only haul in 28.

DeWitt shot a remarkable 102 times from the floor, hitting 44 for a 43% average. They added 28-of-38 from the free-throw line.

Four players hit in double figures to lead the Panthers in their record-shattering performance.

Steve Dalman was the leading Panther with 23 points, followed in double

figures by Terry Faust with 17, Randy Lankford with 14 and Rob Reck with 12.

Nine other players also registered points on the scoreboard. They were Lonnie Stone 8, Tom Ashley 7, Ron VanDeusen 7, Chris McNeilly 7, Tom Jensen 6, Mike Ferguson 4, Mark Colby 4, Warren Willits 4 and Tim Marriott 1.

Bellevue had 2 hot hands in Brent LaPoint with 29 points and Bill Anderson with 25.

The DeWitt junior varsity also won, downing Bellevue 85-74.

After a Tuesday home game with Springport, DeWitt travels to Fowler to go against the unbeaten Eagles.

Fowler also broke the century mark Friday, downing Laingsburg 118-70.

Ovid-Elsie falls to Ithaca 91-68

A 25-point 1st quarter and 26-point last quarter by the Ithaca Yellowjackets were too much for Ovid-Elsie's Marauders Friday as they fell

to the league leaders 91-68. The Yellowjackets set the pace in the opening period, outscoring Ovid-Elsie 19-68. The Marauders bounced

back in the next period of play to outscore the Jackets 22-20.

Trailing 45-30 going into the 2d half, the Marauders couldn't close the gap, shooting point for point in the 3d quarter, 20-20.

In the final period, Ithaca again displayed their scoring power, hitting for 26 points. Ovid-Elsie picked up 18 points in the last quarter.

The victory gives Ithaca, at least, a tie for 1st place in Mid-Michigan B competition with an unbeaten league record of 8-0.

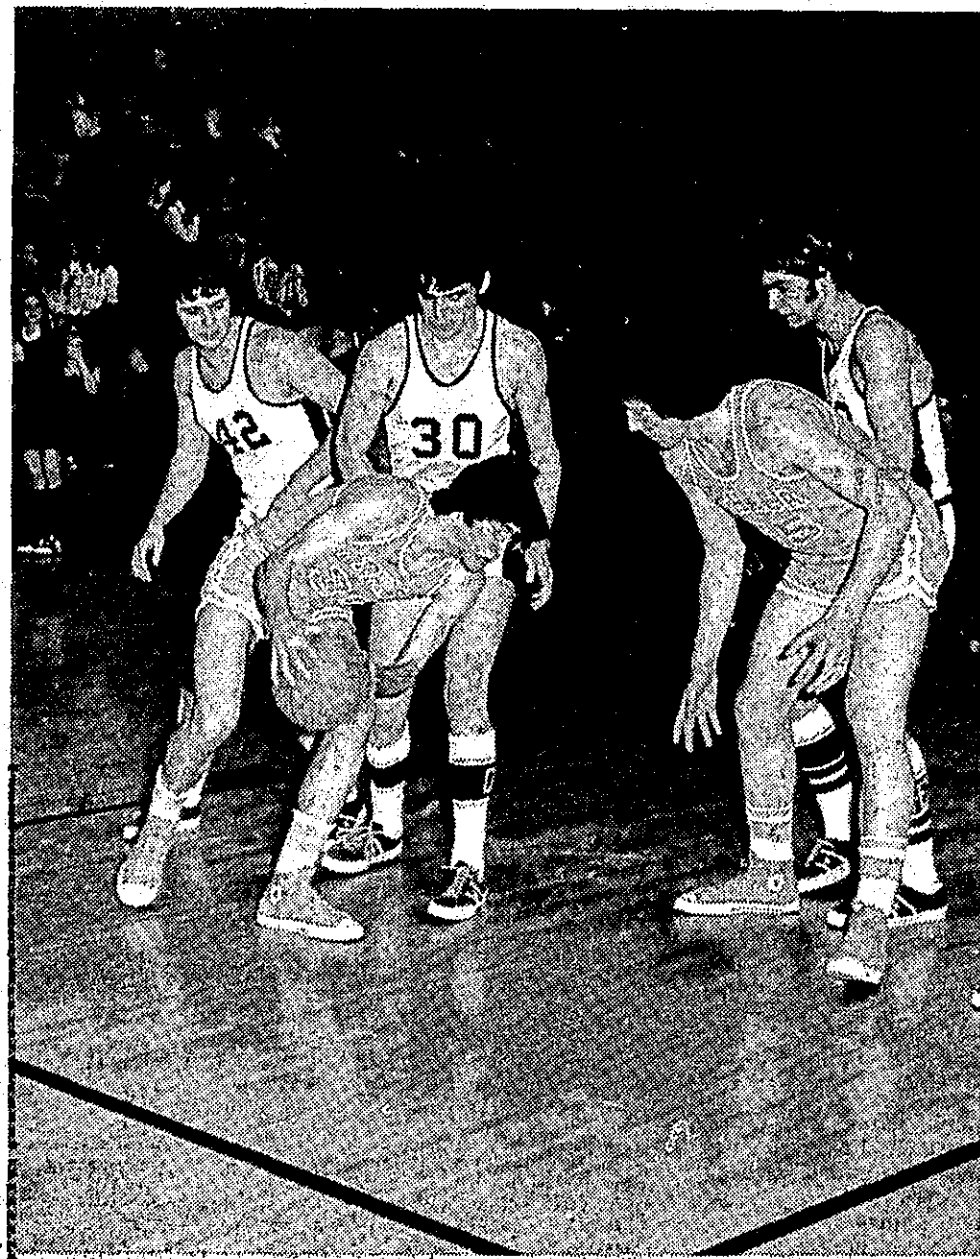

They are followed by Chesaning with a 6-2 league record and the Marauders are in 3d place with a 4-4 record. Overall O-E is 8-7.

Gary Groom led the scoring Friday night for Ovid-Elsie with 18 points. Tom Kirinovic followed with 16, Randy Loynes hit for 14 and Dan Egbert finished with 10. Also scoring were Rick Staples with 6 and Jack Bashore with 2.

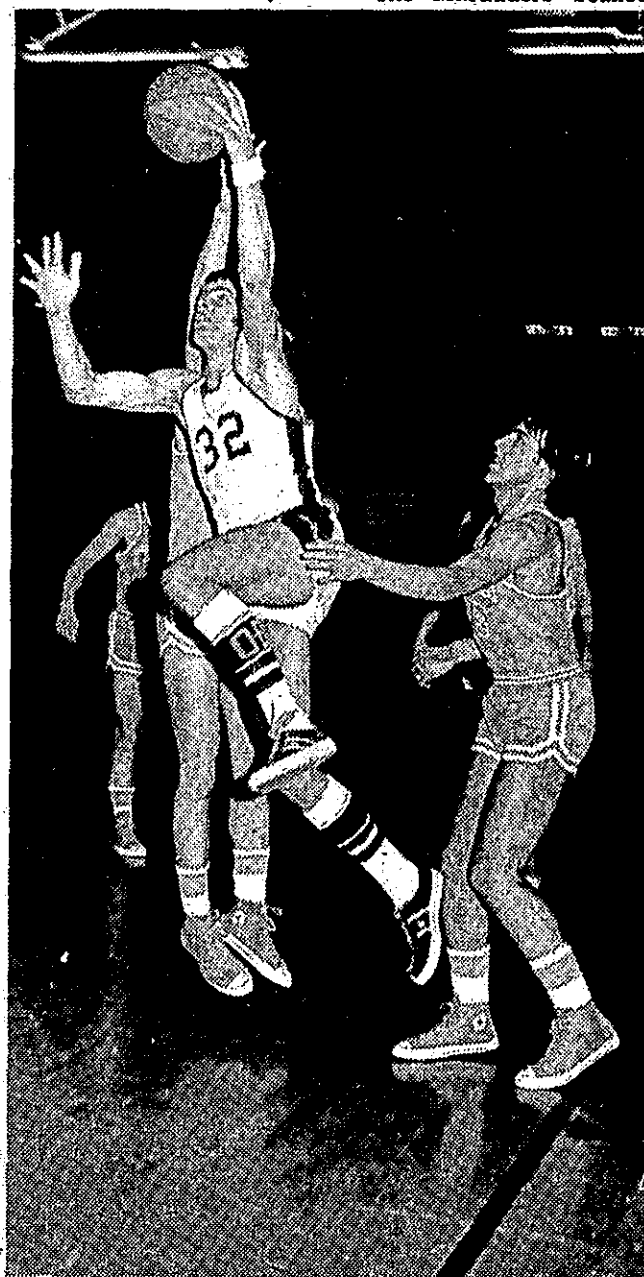

Ithaca had 5 players in double figures led by Tom Bowen with 30. He was followed by Jeff Beard with 16, Kelly Williams and Kevin Smith with 12 apiece and Dan Evitts with 10.

Ovid-Elsie travels to Bullock Creek Friday, Bullock Creek is in 4th place behind Ovid-Elsie with a 4-5 league record.

Ovid-Elsie junior varsity beat Ithaca 75-70.

"Whoa there, Yellowjacket, where do you think you are going?" So indicates these 3 Ovid-Elsie basketekers as they defend an Ithaca player in the Friday night MMB game. Defenders include Gary Groom (42), Dan Egbert (30), and Randy Loynes.

O-E cager Randy Loynes drives for a 2-pointer against the Ithaca Yellowjacket defense in the game played on the Marauder court Friday night. Ithaca won the MMB tilt, 91-68.

The Ovid-Elsie FFA, one of the most active chapters in Michigan, is working hard this week to publicize National FFA Week.

Some of the things they are doing include putting up billboards, having a cake baked for the teachers, a "dress-up" day and putting posters around the Ovid-Elsie area to inform people about National FFA Week.

The National FFA slogan for 1973 is "FFA unites youth with opportunities."

FFA was first organized in 1928, in Kansas City, Mo. At the First convention 33 official delegates representing 18 states were present. Now there are 460,000 members and 7,845 chapters.

Tri-Ami Doubles bowling winners

Jane Kirby and Kathy Behrens were winners in the junior girls double competition at the Tri-Ami Bowl Holiday Doubles. Not shown are the winners of the boys doubles, Jim Forrest and Jeff Nichols of Laingsburg. Winners in the girls major tournament (not shown) were Diana Willard and Sylvia Willard.

Eddie Workman and Paula Garcia display their girls peanut division trophy while Paul Garcia and Richard Rexin display their 1st place trophy.

Joyce Staley and daughter, Jamie Staley, display the trophy they earned as top family two-some at the recent Holiday Double Tournament at the Tri-Ami Bowl in Ovid. Trophies were furnished by the Tri-Ami Bowl.

Winners in the Holiday Doubles prep competition were (from left) Terri Jones and Penny Craig and Dirk Besko and Jeff Cannon in boys' doubles.

St Johns High School SJH Happenings

by Theresa Huard

Thursday, Feb 22, fourteen girls from SJHS will be competing in 5 events in a double dual gymnastics meet at East Lansing High School.

St Johns, East Lansing and Okemos will be competing with each other in the Balance Beam, Free Floor, Vaulting, Uneven Parallel Bars and Tumbling.

The girls have been practicing every night after school until 5:30 for the last 3 months. In the past weeks they have also had practice at 7:00 am until school starts. Coaching the girls are Mrs Sirney, Mrs Lindner and Miss Schrauben.

In speaking with Miss Schrauben she stated, "In all of womens sports, womens gymnastics are the most physically demanding sport and the girls go through a lot of physical agony."

If you are interested in seeing the girls perform, the

meet starts at 7:00 and is at East Lansing High School, taken from "Echoes From From the Wings" which is a newsletter published monthly by the Mark and Dagger Club of SJHS.

The cast and crew of the SJHS production of "She Stoops to Conquer" are hard at it practicing, studying and polishing their show for its district appearance on Feb 24 at Ionia High School in Ionia. The cast and crew will be competing for district honors along with 7 other

schools in District 11. These other schools are: Grand Rapids, Mt Mercy-St Gertrudes, Ottawa Hills, Holland, West Ottawa High; Ionia High; Lakewood High; Muskegon, Oakridge High, and Stanton, Central Montcalm High.

District contests will be held across the state between Feb 19 and 24. Regional contest will be held on March 10, and the state finals will be here at St Johns High School on March 16 and 17.

Open Letter

from VAN W. HOAG

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family. The clergyman should be consulted in matters that concern him before any decisions are made.

Respectfully,

Van W. Hoag

Card of Thanks

SCHREINER-We want to thank our wonderful children for giving us a surprise 25th wedding anniversary party that was held February 4th at Thorney Acres Sportsman's Club, Elsie. A special thanks to our oldest daughter and son-in-law who prepared all the food and for the help others gave her. Also thanks to our relatives, neighbors and friends that came from Muskegon, Lansing, Haslett, Perry, Bath, St. Louis, Saginaw, Marlon Springs, Bannister, Elsie, Ashley, and New Lothrop. The lovely gifts and money and cards and Stan Saylor's band. This happy occasion will never be forgotten. Thanks to you all. Andy and Marie. 43-1p

ROOF-I wish to thank Dr. Russell, nurses, nurses aides and the Physical Therapy Dept., of the Clinton Memorial Hospital. The Congregators for the luncheon, Rev. Carson for his comforting words, Friends and relatives and Hoag Funeral Home at the time of my bereavement, G.C. (Bud) Roof. Special thanks to Mrs. Rolla Salters and Mrs. Don Pratt for the hot dishes the day of the funeral for Jeannie Roof. 43-1p

CRAIG - The family of Gaylord Craig wish to thank all who donated food, flowers, help and sympathy in our time of sorrow. One cannot express one's heartfelt thanks at a time like this on paper. So until the time we can thank you personally, God bless you all. The family of Gaylord Craig. 43-1p-nc

MUGGET-The family of Edith Mudgett wishes to express their sincere thanks to Dr. Stephenson and Dr. Shelton of Ithaca, Schlipps Nursing Home and the Osgood Funeral Home and a special thanks to Rev. Wesley Manker for his prayers and comforting words, and to everyone who was so kind to us during the loss of our mother. Also a special thank you to friends and relatives for flowers and food. In Memoriam

In memory of James F. Gladstone, Jr., still born on February 16, 1972. Broken is the family circle, Our dear one is passed away, Passed from earth and earthly darkness, Into bright and perfect day. But we all must cease to languish O'er the grave of him we love, Strive to be prepared to meet him, In the better world above, Sadly missed by mom and dad, sister and brother. 43-1p

IN LOVING MEMORY of Eleanor Fogleson who passed away a year ago Feb. 8, 1972. Two dear bright eyes a tender smile, A loving heart that knew no guile. Deep trust in God that all was right, Her joy to make some other bright. If sick or suffering one she knew, Some gentle act of love she'd do; No thought of self, but "the other". I know he said "Well done, dear mother." Mrs. Sandra Launstein, Linda, Tracey and Patsy Durbin. 43-1p

IN LOVING MEMORY of Zetta Morrill who passed away 6 years ago, Feb. 24, 1967. Today recalls sad memories, Of a dear mother gone to rest. And the one who thinks of her today, Is the one who loved her best.--Her family. 43-1p

Chamberlain won't run again

WASHINGTON, DC - Congressman Charles E. Chamberlain announced Feb 15 that he would not seek reelection as Michigan's 6th District representative in Congress. "This is not a sudden decision on my part," Chamberlain said. "I had contemplated this action 2 years ago,

but was persuaded by friends and supporters in the 6th District and by the Republican Congressional leadership to be a candidate 1 last time." Chamberlain said he would devote his last term in office to tax and pension reforms, international trade problems and national health insurance.

Kroger describes plans for new facility

GRAND RAPIDS - Kroger Food Store officials have announced major expansion plans and, in a recent news release, described the facility to be built in St. Johns at the Southgate Shopping Plaza.

David A. Burt, Grand Rapids division vice-president, said the entire expansion program calls for 9 new "superstores" which will range up to 50% and more larger than current stores, complete remodeling and enlarging of 9 stores, a departure from the traditional supermarket decor with special service departments.

A 30,000 plus square foot store will open in St Johns in 1973, plus a comparable store at St. Joseph and Waverly in Lansing.

Special service departments will be emphasized in both the new and remodeled stores, Burt said, adding they will resemble individual shops within the store.

Delicatessens, for example, will be topped with a wood-shingled roof, accented with gold and bittersweet colored lighted panels. The Village bakery will have an English Tudor effect with beams and cross-hatched windows.

Burt added, "The pale pastels which have been featured in most food stores during the past 20 years are no longer in tune with the mood of the 1970s. Kroger stores will be given a colorful look described as 'earth-keyed' with tones ranging from softly rich golden shades to brick-red."

Time to pay taxes

ST JOHNS - Feb 28 is the last day for paying 1972 Real Property tax at the city treasurer's office. After the 28th, payments are delinquent.

All unpaid city and winter (school-county) taxes for 1972 will be turned over to the County Treasurer's Office

for payment, subject to a 4 per cent collection fee and .5 per cent per month interest fee.

Personal property taxes for 1972 must also be paid no later than Feb 28.

1973 dog licenses not purchased by this date will cost \$8, and can be obtained at the courthouse.

Music and news popular with students

BHS student radio station

BATH -- Students at Bath High School can tune-in to their favorite sounds, thanks to 4 of their fellow school cafeteria and office, classmates. Music is and may soon be broadcast currently piped into the in the immediate school

Staffing Bath High School's student radio station are (left to right) Rob Balzer, Mike Siebert, Russ Powell and Dean Balzer.

Dean Balzer, a sophomore at BHS, came up with the idea for the student radio station, which currently broadcasts music and news from 11:20 am until noon.

Balzer wants to get his commercial radio broadcaster's license, and he figured the student station would be good experience. "Besides," he said, "I don't have anything to do during the noon hour anyway."

Balzer originally took care of the music part of their show, but recently Russ Powell, a junior, has been spinning the records. Balzer now reads the news and makes announcements.

Two others assist with the station. Rob Balzer does the Wednesday show, and Mike Siebert runs errands and occasionally broadcasts.

They hope to begin having commercials, if they can get financial support from area merchants, in order to purchase a "Lafayette kit". The kit costs \$50 for an amplifier, 2 turntables and a transmitter.

A raffle will also be held to raise funds, if OK'd by the principal. If approved, the album "For Ladies Only" by Steppenwolf, will be raffled off to the student with the lucky 15¢ ticket.

Currently they are using the school's PA system, with records loaned to the school

by WLCC, Lansing Community College's radio station and occasional student loans. They are also experimenting with "jingle" tapes from WLCC.

Student reaction to the new

broadcasts has been generally favorable, Dean Balzer reported.

"The girls come in a lot and request stuff," he said. "They like it better than the guys."

Shepardsville

By LUCILLE SPENCER, Correspondent

The Administrative Board of the Shepardsville United Methodist Church met on Monday evening, Feb 5, at the church. There was a small attendance but a lot was accomplished.

The usual reports were read and accepted. Correspondence was read from Jo's Operation Telephone home thanking the church for its gift. The Parish treasurer presented his annual report. It was announced that Rev Javan Corl would be the speaker on April 8 at both churches. Mrs Dale Squiers was re-elected chairperson of the Board. It was voted to send part of the Easter Offering to MCOR unless otherwise designated by the giver. It was announced that there will be a speaker from the Michigan Council on Alcoholic

Problems at both churches on March 11. Mrs Dale Squiers reported on the Union Lenten Committee meeting she attended. The Price and Shepardsville churches will be in charge of the program on April 1.

Dr Boyd announced that he is beginning a series of sermons on the Church of the Future. He was authorized to purchase 4 books for use in this series.

The next meeting will be on April 2.

Bill Walker has returned home, after spending the past few weeks at Lakeland, Fla. Mr and Mrs Charles Walker, Sr, and are spending some time in the same place.

Mrs Betty George has been transferred to the University Hospital in Ann Arbor for treatment

Reading the news during the noon hour is Dean Balzer. Russ Powell (left) spins records and assists Balzer.

DeWitt Twp's youngest official

Emerson enjoys supervisor job

DEWITT TWP --Possibly the youngest Township Supervisor in the state, Dale Emerson, age 28, has been in charge of operations in DeWitt Township since last November.

Emerson says he got the inspiration to run for the job as the result of an editorial which ran in the Michigan State News in the spring of 1970, recommending that students run for precinct delegates in the state.

Emerson decided it was a

good idea, obtained a petition and was elected precinct delegate for DeWitt Twp. At his first political convention, he was the youngest delegate in attendance by about 20 yrs.

"Awful young, aren't you?" seemed to be the comment made by most people he met.

The Republican Party wanted an organization in each township, so Emerson and 2 others from DeWitt Twp got together and decided that he should run

for Township Supervisor. His opponent, a Democrat, was the same age, but Emerson said he did little to get elected. Emerson won the election by approximately 2100 to 1300 votes.

Township Supervisor is about the same thing as a Mayor's job, Emerson said, and adds that he finds the job very interesting.

"It is challenging and satisfying, but can also be frustrating," he noted. Emerson termed the job "sort of an" all-purpose

Complaint Dept. 'The part he likes best is seeing solutions to problems implemented, he said.

Emerson, a senior at MSU majoring in finance, said he was not familiar with all the functions and duties of a supervisor when he took office, but was able to adapt because of his background--his education, 4 years in the Army, work experience and dealings with various people.

He says he mainly spends time as supervisor answering calls and complaints, and trying to take the right action. Emerson says he acts as a "people's voice."

Included in his duties are checking progress on road and sewer projects, and drawing up plans for proposed projects.

Emerson reports no resentment from officials he comes in contact with, but says people are still surprised a man his age is a supervisor.

The only problem he has encountered is that other officials think he likes to move too fast on solutions to problems. "I like to get things done," he said. "The people need answers to their problems now," he added.

Although Township Supervisor in DeWitt is currently a part-time job, Emerson is pushing to have it made into a full-time position.

"The job requires a full-time person because of the many things to do," he said. "I can't devote enough time to the job."

He has proposed this change, and the proposal will be decided at the annual meeting in April.

Emerson says that he will accept the position on a full-time basis if the proposal passes.

Emerson said he has no long-range specific future plans at present, but is considering politics, or stocks and bonds.

When he has time, his hobbies include athletics, reading, photography and working with stereo equipment. Emerson and his wife Betsy, reside at 402 Castle Dr, Lansing, with their 3 year-old daughter Patricia.

Dale Emerson, DeWitt Township's 28 year-old supervisor, inspects blueprints of the sewer system. Emerson said problems with the sewers and township roads take up most of his time.

An economic fact of life

A recent public hearing to discuss re-zoning to allow condominiums to be built brought a fact to light that many homeowners are going to have to face.

In outlying residential areas with little or no industry, the dream of 1-family homes with no condominiums, apartments or other multiple dwellings is an expensive dream.

Rural suburbs absorbing the families moving from the city to build homes are, in many instances, already paying the price of keeping multiple dwellings out of their neighborhoods.

Single family dwellings, without having taxes go completely out of sight, are getting to the point where they cannot finance in taxes the services they expect.

Putting more families in suburban areas through multiple dwelling building is going to provide more taxes than single family dwellings can afford.

It's a fact of life that many are going to have to face sooner or later.

We believe those communities who have no substantial tax return from business or industry should look now to the future and admit multiple dwellings are a financial necessity.

Planning now by local units of government could help provide for the eventual arrival in a manner that will least offend present single family dwelling owners.

Miliken's plan improvement

Rep. Douglas Trevis
87th District

By any standard, the educational program put out by Governor Milliken last week is an improvement in educational financing for most school districts in our part of Michigan.

In all but one of the school districts located within the 87th House of Representatives District, there would be increases in the total amounts of money available for school operations. The amount of increase varies, as it should, with the willingness of the people in a district to tax themselves to support their schools.

The vote on Proposal "C" last November can be interpreted as indication that the people are not ready to accept an education plan which would do that in spite of the results of that vote.

But, at the same time, we, the Legislature, and he have been ordered by the Supreme Court to develop a financing plan which will better equalize the resources of the school districts in terms of the amount of money available for the education of our children.

You are probably aware of the basic inequality. The many school districts of the state vary greatly in the amount of tax base with which to support their schools. Some districts receive as much as \$50 per child for every mill they levy in taxes while others get only \$5 per child for that same mill.

The proposed plan would simply say that for the 1973-74 school year each mill of local property tax will produce \$38 per child in school operating funds. If the local tax base will not provide that much, the state will provide the balance, up to 22 mills. Beyond 22 mills, a district would get only what its local tax base would generate.

The plan also provides that for the next two years this state guarantee would increase so that for 1974-75 there would be \$39 per mill up to 25 mills assured to each district. For 1975-76, the figure would be \$40 per mill with no ceiling.

The effect of this plan for the 1973-74 school year, assuming the present level of property tax is shown in the following table:

District	Present Operating Millage	1972-73- Per Pupil Income	1973-74- Per Pupil Income	Proposed 1973-74- Per Pupil Income
Bath	26.0	\$766	\$873	\$873
Byron	20.2	717	767	767
Corunna	22.0	744	836	836
Durand	24.68	763	865	865
Flushing	20.6	722	782	782
Lainburg	23.2	744	847	847
Morrice	20.0	714	759	759
New Lothrop	20.05	715	761	761
Owosso	21.2	733	805	805
Perry	18.2	697	697	697

Because of relatively low millage, Perry would lose money under the new plan, except that there is a "grandfather" clause guaranteeing that every district gets at least as much as it did in 1972-73.

The proposal does not revolutionize the historic method of financing education. It retains the local property tax as the basis of school support but changes the formula under which state money is allocated to supplement the local funds. It puts all districts on a more nearly equal footing.

A significant point is that, while this new formula represents a sharp increase in the total amount of state allocated school money, Governor Milliken believes it can be financed without additional taxes. In fact, he believes we can still offer a significant state wide tax reduction in spite of the increased cost of school support.

I hope to be meeting with as many individuals and organizations as possible on this subject in the coming weeks, both to answer questions and to obtain local views on this and other proposals.

Questions about Social Security

Q. I don't get monthly social security payments but I have kidney disease and I require dialysis every week. My neighbor told me I can now have Medicare protection to help pay the cost of these treatments. Is this true?

A. People under 65 who need hemodialysis treatments or kidney transplants can be covered by Medicare health insurance starting July 1, 1973, if they have worked long enough under social security. Eligibility begins the 3rd month after the month dialysis begins and lasts through the 12th month after the month dialysis ends or the patient had a kidney transplant. This protection also will be available to insured workers' wives or husbands and dependent children who need such treatments or transplants.

understand that the new social security law provides new benefits for servicemen. What are they?

A. In addition to social security credits for their basic pay, servicemen have been getting "non-contributory" wage credits of \$100 for each month of active military service performed after 1967. Starting in January, wage credits of \$100 a month will also be given for active military service performed after 1966. These credits are provided without deductions from the serviceman's pay.

Since social security payments are related to average earnings, this change could have the effect of increasing social security cash payments. Retired servicemen (or survivors or servicemen collecting social security benefits) should check at any social security district office to see if the new law affects their payments.

Q. I'm a career soldier. I

Back Through the Years

From the Clinton County News files of 1971, 1962, 1947

25 YEARS AGO Feb 19, 1948

Rural people in the St Johns shopping area are in favor of parking meters for Clinton Avenue by a majority of better than two to one. This fact was brought to light this week as the Junior Chamber of Commerce announced the results of their poll taken among farm people on parking conditions in St Johns.

Don Carlos LeBaron, 81, former St Johns business man, died at his home on Cass Street in this city Sunday, following a lingering illness. Mr LeBaron was a groceryman on Clinton Avenue for over 40 years until ill health forced him to retire within the last few years.

It seems likely that the March of Dimes collection in Clinton County this year will come very close to the coveted \$3,500 mark. Contributions to date total \$3,240.66, according to the latest figures released by the Rev Ray T. Caldwell, chairman of the Clinton County Chapter of the Foundation for Infantile Paralysis.

Improvement of more than 600 miles of roads and streets, including 31.5 miles of divided four-lane pavements and state and US trunklines in Clinton County is recommended by the highway study commission of the Michigan Good Roads Federation.

10 YEARS AGO Feb 21, 1963

Clinton area doctors and their staffs are braced for an outbreak of Asian flu, which started on the east coast several days ago and is moving steadily westward.

A hearing on condemnation proceedings for the proposed Maple River drain project, held in the Clinton County courthouse last Thursday, was adjourned for 45 days on motion of Frederick M. Lewis, St

Johns attorney acting as legal counsel for Clinton County.

Another \$800 has been pledged toward the county's goal of \$8,000 for construction of an all Faiths Chapel at Traverse City State Hospital, bringing the total of Clinton donations to \$4,175, over 52 per cent of goal.

Official groundbreaking for the new \$198,686 addition to St Joseph School, in St Johns will be held Monday, Feb 25, at 9:30 am, according to Bishop Joseph Green, parish pastor and auxiliary bishop of the Lansing diocese.

One of St Johns' oldest citizens, Mrs Mary Pasch of 102 W Park Street, will observe her 95th birthday Sunday, Feb 24. She would be happy to have a card or a visit from her many friends in St Johns and Clinton County.

ONE YEAR AGO February 23, 1972

Circuit Court Judge Leo Corkin ruled last week that the odor which resulted from the operation of a hog farm was not pollution, as long as other sanitary measures are undertaken.

The State Highway Department has agreed to postpone for at least a year any plans to widen US-27 through St Johns, State Senator William S. Ballenger announced today.

After a series of five meetings which started Jan 8, Local 794 and the Clinton County Road Commission announced agreement last week on a preliminary contract agreement covering improvements in wages, fringe benefits and contract language for a three-year term.

State Rep Richard J. Allen (R-Ithaca) urged the State Boundary Commission to deny a request by the City of Lansing to annex the Capitol City Airport, located in DeWitt and Watertown townships.

GETTING IT STRAIGHT

Says the city man to the farmer "You sure have got it made, The price on corn and beans has riz' up on the Board of Trade; So now you are on Easy street 'N really sailin' high, You surely are a candidate For a piece of my "Blue Sky"!"

Says the farmer to the city man "Between the floods n' frosts I'm tryin' to find a formula To just get back my costs! The portion I could harvest I find -- now I am wiser, Is scarce enough security For seed n' fertilizer!"

Says the President to the farmer "I must recall my loan, My treasury is in a mess, I've problems of my own! The profits you have made this year Should soothe your wrinkled brow, Compared to prospects I can see, You're prosperous anyhow!"

Said the farmer to the President, "The corn and beans I raise Are out beneath the snowdrifts Or filled a watery grave! My books are far from balanced And I have never found An agency that pays off now For crops still on the ground!"

Says the tax man to the farmer "We can't ignore the facts The wealth you own is all outdoors Fit subject for more tax! And though your harvest is not good, Inflation's here to stay! It's not can you afford it? Dig up more anyway!"

Says the farmer to the tax man "There's not much gained by talk When I can't raise the ante I'll have to take a walk! So long we're on a spending spree Beyond all reason or rhyme We're hooked on every C.O.D. For some far, far future time!"

A PERSONAL LOOK AT THE NEWS

Between the lines

with Jim Edwards

"It was a noble experiment. I could relate the following as fact, but integrity and a wife who won't lie prohibits performing such a deed.

So, from the beginning, the story you are about to read is not true. The names haven't even been changed to protect the guilty. That's 'cause the whole thing was a dream. It all started about 8 pm recently when the dial switching started. You know what I mean. You're watching television, but not really enjoying it, so you switch the channel. . . and switch the channel. . . and switch the channel.

You never find what you would really like to watch so settle on what you dislike the least.

That's what happened to me. Instead of reading the book resting on the table next to me, or changing the filters in the furnace, or writing this column so it wouldn't be late to the typesetter again--there I was glued to the tube watching something that I had passed on the channel selector 3 times before deciding it might be lousy, but there wasn't anything better.

Three hours later, still sitting there, I watched the news I had already seen at 6 the same evening, heard the same sports results and found the weather forecast wasn't any more wrong than it was earlier.

PERFORMING a questionable physical possibility--kicking myself in the posterior while trudging to bed--I readied myself for a night's sleep.

That's evidently when the whole thing started, prompted by, what was most likely, a subconscious thought.

The dream started off with a sudden declaration: "That's it I've had it--I won't be a slave to that damned box anymore."

Next came my wife's pained question. "What's got into you now? What in the world are you talking about?"

Firmly, I answered, "This is it. I'm taking a stand against that stupid box sitting in the corner of our living room dominating our evenings and weekends. I'm unplugging it--no more television to waste the precious hours of our life away. From now on, constructive activities of our own choosing. No longer will the hours between 6 and midnight be dictated by that monster."

Reaching for the aspirin and her latest book, purchase, "Bringing Up Husband Between the Ages of 10 and 101," she asked, "Well, what do you plan on doing with the moments you're not solving murders for Colombo and Mannix?"

"DON'T KNOW for sure," I said, "but, I do know this. I'll do what I want and not let a glass-faced box enslave me night after night. From now on--no television. You can sew, read women's lib articles, teach the little girl how to tap dance and change her own diapers. We must kick the boob tube syndrome."

For once she agreed and we ventured on our first week without television.

Things began to fall when she walked into the living room one evening and inquired, "May I ask what you're doing sitting in your chair looking at the TV?"

"I'm waiting for All In The Family to come on and would you mind not making so much racket in the kitchen?"

"Darling husband," she said, "the television hasn't been on for 3 days--you're watching a blank screen."

"Oh," I blushed, "just habit I guess. Well, whadda we gonna do tonight?"

"I asked you that last night and you said we were going to enrich our minds and souls. You want to think about having your shoes re-soled?"

"Ha, ha. Some sense of humor and stop making fun of me."

She bounced right back, "Who's making fun of whom, smart guy. You're the one who came home and said, 'You, sir, are you going to take the supper behind Door Number 1 or are you going to give up the TV dinner for Door Number 3, risking the chance to watch 54 hours of As The World Turns?'"

"I WAS JUST in a joking mood," I explained. She was telling the truth when she answered with, "And I was just joking when I served you Fried TV Guide."

After that exchange, we settled down to a quiet evening at home without television. Then she caught me again.

"Why are you watching that screen? There's nothing on it except the nose print you left watching the test pattern go off."

"I'm watching The Dating Game."

"But, you hate The Dating Game and how can you watch when the television's unplugged?"

"I CAN'T, but it makes me feel good to watch a program I'm not watching because it's a waste of time and know that I'm not wasting my time watching it--whaddya doing?"

"I'm plugging in the television. At least we can ignore it when it's turned on."

"If It Fitz . . . Another lost weekend

Editor, Lapeer County Press

" By Jim Fitzgerald

Constant readers (Mother and Aunt Madeline) will remember my report on that Monday when a co-worker asked me what I'd done over the weekend. "I softened the water," I told him. "That doesn't take all weekend," he said. "It does if you do it with a hammer," I said.

Well, this will be a similar report on what I did last weekend. I changed the license plates on my car.

I was armed with a screwdriver. I've been changing license plates for 25 years and a screwdriver has always been sufficient unto the task. But not this time. Not with the tricky, floppy plate-holder that hides the gas cap on my merry lousy Oldsmobile.

Honest, I thought I'd lost my mind. There were 2 screws with no slots for the screwdriver. What type of horrible mutation is this? I asked myself after skinning several knuckles in a vain attempt to carve my own slots.

I have cried real tears while attacking - slotted screws with a + screwdriver. I've worried about violating the Carpenter's Code of Ethics while using a - screwdriver on a + screw.

But never before, dear God, have I thrust a screwdriver into a screw and found no slot. Could it be a nail? Whoever heard of nailing a license plate to a car?

I looked at the flip side of the plate. Both screws were screwed into nuts. After thinking and cursing for several minutes, sitting there on my cold driveway, I hit upon the answer. I would have to unscrew the nuts, rather than the screws.

You can't do that with a screwdriver, for . . .

"I need a monkey wrench," I said to myself, wondering where I might borrow one. My do-it-yourself carpenter's kit is limited to 2 screwdrivers, a hammer no one can ever find, and a rusty saw borrowed from my father-in-law 14 years ago to shorten a Christmas tree.

It took awhile, but I finally found a neighbor willing to lend me a monkey wrench. By this time it was getting dark out and my wife appeared on the scene with news about dinner. She looked at me and the monkey wrench and the license plate.

"What you need is a pair of pliers," she said, making public a secret suspicion which had been slowly pricking my skin as I discovered there was no room behind the license plate for both my hand and a monkey wrench.

It was then that I began to blubber and roll down the driveway. By the time I regained my composure, my wife had located a pair

of pliers. Back to the job. Unless I crawled into the gas tank and reached back up the spout, it was difficult to get decent leverage on the nuts. The plate hadn't been changed in 2 years and the screws were rusty.

I finally loosened the nuts but the screws simply spun around with the nuts. Clearly it would be necessary to hold the screws firm while unscrewing the nuts. But how could I hold the screws firm when there were no slots for the screwdriver? My sobbing became uncontrollable.

"You need 2 pairs of pliers and another person," my wife said.

She was right. She dug up another pair and she held the screws still while I finally removed the nuts and changed the plate in the moonlight. She then helped me into the house where I collapsed in a state of shock for 4 hours.

That's what I did last weekend and I really don't give a damn what you did.

Help us help. So no one's left out in the cold.

Help it. Work.

An ounce of prevention

VIETNAM MENTAL HEALTH CASUALTIES

Recently we discussed briefly some of the emotional difficulties often suffered by our returning Vietnam veterans.

The problem is so serious, and there is so much the rest of us can do to help if we understand their situation better, that I would like to expand on some of the findings of research psychiatrists and other investigators.

In a pilot study at a large Army installation in Georgia back in 1968, an attempt was made to develop preventive services, for a returning brigade of 7,000 men.

"A large number of the veterans", the investigator declared, "immediately sought help from the post's mental health staff for rage reactions, anxiety, depression and psychosomatic symptoms".

The latter were often associated with suppressed guilt regarding their combat roles.

But, in addition, some of the symptoms had to do with displeasure about their duty assignments, and a subtle but pervasive disappointment with the military and other aspects of American society.

OUTMODED APPROACH
Dr. A. Carl Segal, the psychiatrist involved in the study, charged that despite the obvious seriousness and challenge of the problem, Army psychiatric care-given models did not respond adequately. They have scarcely changed in the last 25 years.

"One can only hope", he vigorously pleads, "that a mechanism can be found allowing military psychiatric practice to update and expand its conceptual models, be more responsive to changing needs... associated with changing times, be more flexible".

He added that, unfortunately, Army mental health services appear to be dominated by overriding concerns about personnel requirements for the combat zones.

THREE GROUPS
Another investigator, Dr. Jonathan F. Borus, from the Army's own Walter Reed Institute of Research, has reported on a study of 64 Vietnam combat veterans treated at an East Coast Army Post.

The veterans were divided into three groups. First, those who were "making it", whose adjustment appeared reasonably normal.

Second, those men who, since their return, had had mild disciplinary and legal difficulties.

Third, those who were experiencing emotional problems that prompted self-referral or command referral for psychiatric evaluation and treatment.

RESULTS
The attitudes of men in the first two groups were distinctly different from those in the more severely upset third group.

The latter disliked continued Army duty, and saw the frustrations of garrison life as personally directed against them.

It was hard for men in this third group to get along with others; they felt much more intensely than their more

normal counterparts, that the "Lifers" -- career non-commissioned officers were "out to get them."

Their refusal to communicate with others within the institution, and their lone wolf pattern often gave way to explosive behavior and prompt referral to the mental hygiene clinic, in a swift one-two move.

THE OUNCE OF PREVENTION

"Almost all of them", Dr. Borus concludes, "saw themselves changed by Vietnam in a damaging way, including shot nerves, short tempers, belligerence and a sense of isolation".

How can we help? Certainly by not ignoring their plight. The more than 3 million men who have come back from this most disastrous conflict, need our attentive ears, our open hearts, our steady support, if they are to "make it" in a lasting and productive sense.

Regional director named for special Olympics

MT PLEASANT - Ron Bacon, coordinator of community education, Okemos Public Schools, has been named regional director for Region 12 of the 1973 Michigan Special Olympics.

Region 12 includes Clinton, Eaton, and Ingham Counties.

The Michigan Special Olympics is a program of sports training and athletic competition for mentally handicapped children.

Participants compete in local, regional and state sports competition, developing confidence and success in physical, social and psychological skills.

"Last year about 5000 took part in the program," says Bruce Saliman, Special Olympics state coordinator. "Hopefully, this year we will involve all the schools in the state that deal with special education."

Twenty-one regional directors will organize and direct activities leading up to the 1973 state finals. The state meet will be held June 1, 2 and 3 at Central Michigan University in Mt Pleasant.

Regional directors will identify schools, community organizations and institutions which work with

retarded children in their geographical area; appoint local coordinators to contact and enroll participants in local meets; and coordinate the schedule of local and regional competitions.

Local competition for the 1973 Michigan Special Olympics will be held in late April; regional meets during the first and second weeks in May. Regional qualifiers will advance to the state finals.

IRS will compute your income tax

DETROIT - Many taxpayers again may have the Internal Revenue Service compute their income tax and retirement income credit, Thomas A. Cardoza, IRS District Director for Michigan, said today.

He said the IRS on request will compute the tax for persons with incomes of \$20,000 or less, who take the standard deduction, and whose income is solely from salaries, wages, tips, dividends, interest, pension and annuities.

If the taxpayer also wants the IRS to compute his retirement income credit, he should include the basic information on Schedule R and attach it to his Form 1040, Cardoza said. He should also

enter "RIC" on line 19, Form 1040. Instructions on Schedule R explain which items need to be provided.

For those persons who qualify, the IRS will compute the tax, whether the return is a Short Form 1040A or the regular 1040. The tax instructions explain what information should be entered on the return, Mr. Cardoza said.

After this information is entered on the return, the taxpayer should sign it and send it to the Cincinnati Service Center, Cincinnati, Ohio 45298.

He said the IRS will then compute the tax and send the taxpayer a refund or a bill for the tax due, whichever is the case.

Educator's viewpoint

By Don Kenney,
Ovid-Elsie superintendent

We have at Ovid-Elsie a unique organization called the Instructional Council. This council is made up of six teachers, three administrators and one board member.

The stated purpose of the Instructional Council is to initiate and or review proposals and make recommendations to the Board and the Association on such matters as in-service training, course of study, textbook selection, curriculum, pupil testing, evaluation, philosophy and educational goals of the district, research and experimentation, "educational specifications for buildings and related matters."

Basically, what all this means is that if a teacher has a what he thinks is a good idea for a change he will be given an opportunity to share and explain his idea with a group of professionals who may ask for more information or tell him to look into it more or to get a committee to help him research it. Or the committee may say we like it we will recommend it to the Board.

Too often in teaching good ideas were lost because a teacher had no one to go to. The Instructional Council keeps good ideas alive.

LAST YEAR in Ovid-Elsie seven recommendations for change or improvement

were made to the Board by this Council. Only one recommendation was not fully implemented and we are still working on it.

Hopefully, this council will be expanded to include the opportunities for students to get their ideas heard. The point of this message so far is to point up that we are active in trying to improve the service of our school district to students and to the community as a whole. A school district that does not continually strive to improve its services and to examine its goals and delivery system cannot be long for this world. The easiest way to operate is to let things alone to say, "we have always done it this way." But as the students today say, "this is a cop out."

Running a school district is a complicated job and requires information and ideas from many sources. Although just a few people make final decisions, these people need to depend on much information from teachers, students, parents, bus drivers, custodians, and secretaries. No one person can have the background necessary to have all answers himself. Schools therefore are really cooperative organizations.

In Ovid-Elsie and I hope in all other schools no one staff member need ever feel that no one listens to him. The

person who says this is either mis-informed or is too lazy to make an effort and is coping out as the young people say.

THE ONLY GROUP who really still needs more input are the students directly affected by the educational services offered. Students are the first to recognize poor teaching and boring subjects. Teachers need to provide an opportunity for students to discuss with them their concerns about these matters. As a matter of course need to ask their students -- am I making myself clear, am I being fair, am I talking too much. In other words teachers need to have their work evaluated by the students.

Not an evaluation that goes to the principal but an evaluation that a teacher can take home and read in the privacy of home. We all have an idea of ourselves and how we operate but from time to time we need to see ourselves as others see us. This statement goes for the school district as a whole.

If the residents of Ovid-Elsie area ever need answers about the schools or have ideas for better operation they are welcome to come in and discuss them with me.

People who lack confidence have two strikes against them.

LETTERS TO THE EDITOR

Table of appreciation

To the Editor:

This letter is a "crumb from my table of appreciation" for the article on Serendipity by Don Kenney.

To me, Serendipity is a bridge exulting with a tunnel thru (sic) a ridge, and saying: "We happily serve a bell ringing, get-there thing," which travelers use to happiness bring, which feeds the flame of eternal hope, which brings a thirst quenching solution for crime and dope."

A pessimist has said: "If a thing ain't so, for sure, it just ain't so, that's sure." But an optimist is

sustained by hope's eternal glow, which says: "The biggest book contains what we don't know." Roy E. French Laingsburg

Farm Tips

By WILLIAM LASHER
Extension Agriculture Agent

Quality seed available

Michigan is not suffering from a shortage of high quality soybean seed, and there's no reason a grower should plant anything but quality seed because free tests are available to measure germination.

Reports have indicated a shortage of quality seed in soybean growing areas, but this does not apply to Michigan. Over 80 percent of the Michigan seed tested by the Michigan Department of Agriculture's seed testing laboratory showed germination of 85 percent and above.

Anyone who wants to test soybean seed should contact the Clinton County Cooperative Extension office. The test is free and the seed will be forwarded to the MSU Department of Crop and Soil Sciences which, in turn, will have the seed tested by the MDA's laboratory.

So far, more than 300 samples have been checked this way and the total should hit 500 by the end of March.

Farmers should plant certified seed if they can get it, but in most years, about 70-75 percent of soybean acreage is planted to uncertified seed. Our testing program is designed to help farmers know the quality of the seed they are planting.

Fungicide treatment can improve the germination of many soybean seedlots and give protection against other seed and soil borne organisms which sometimes cause germination difficulty. But fungicide treatment isn't necessary if the seeds are already germinating at 85 percent or above.

I recommend farmers aim for 14 percent moisture in

soybean seed they intend to plant. Fungi can grow and develop if the moisture content is 15 percent or above, causing the seed to deteriorate during warm weather.

Most commercial corn dryers are suitable for

drying soybean seed if precautions are used. Actual drying temperatures should not exceed 95 to 100 degrees, and seed depth should be no more than three to four feet. This prevents overdrying at the bottom of the bin and moisture buildup at the top.

Agriculture in Action

HOPES

Farmers are planning for spring planting and expressing hope that all will go well in this summer's contract negotiations between West Coast union dockworkers and their employers. Any work stoppage at West Coast ports would affect US wheat, fruit, vegetable and rice exports.

In voicing his concern, William J. Kuhfuss, president of the American Farm Bureau Federation said, "We hope that agreements can be worked out so we will not have a repetition of the 135-day work stoppage of 1971 which paralyzed West Coast ship operations.

"If we are to maintain and expand US exports, both farm and industrial, we must be able to guarantee delivery on schedule anywhere in the world. If buyers lose confidence in our reliability, they will quickly turn to other sources of supply. Markets lost in this manner

are difficult, if not impossible, to regain. In the case of farm exports, we lose not only the sale, but the time, effort and money invested in trade promotion."

PAST LABOR disputes, which tied up most major shipping ports, resulted in some one billion dollars in losses to US farmers, plus additional losses to exporters of non-farm products.

During 1972, \$9 billion worth of US farm products were sold overseas and by the end of the present fiscal year, ending June 30, 1973, farm exports are expected to reach \$10 billion.

For every one billion dollars in goods and services we export, we are supporting about 100,000 jobs here in our country. If we can increase our exports, it would be a great step in solving our unemployment problem as well as retaining the jobs that are now being provided.

Authorities discuss poultry

EAST LANSING - Poultry housing will be discussed by authorities from several universities as part of the poultry science and agricultural engineering program at Michigan State University's Farmers' Week, March 19-23.

The program begins at 9 am Tuesday, March 20, in the Lincoln Room A of Kellogg Center, according to Dr. Cal Flegal, extension specialist in poultry science.

Dried poultry manure in ruminant diets, "in-house" manure drying, deep-pit manure operations, continuous corn with poultry manure, and toxic manure odors and gases will be discussed during the morning session.

The director of the Agricultural Experiment Station, Dr. S. H. Wittwer, will speak on research at

MSU at the luncheon in the Centennial Room in Kellogg Center.

The afternoon program features discussions on egg handling, on-farm feed grinding and mixing, returns from least-cost feed formulation, and electrical requirements for complex and small housing units. A tour of the Michigan-state poultry research facilities will conclude the afternoon session.

The Michigan Allied Poultry Industries Banquet will be held at 5:45 pm in the Centennial Room of Kellogg Center. The dean of MSU's College of Agriculture and Natural Resources, Dr. L. L. Boger, will speak. Banquet tickets are available from the Michigan Allied Poultry Industries, Inc., P.O. Box 858, East Lansing, Mich 48823, at a cost of \$5 each.

4-H beef tour

A 4-H Beef Tour will be held Saturday, March 3 for any youth, leader and adult interested in raising beef cattle. The two stops include visiting a beef show herd and the MSU Beef Cattle Research Center in Ingham County.

The first stop is the Omega Cattle Club Corporation farm south of Webberville located at 4601 East Holt Road, starting at 10:00 a.m. The group will have the opportunity to see a registered angus cattle show herd, learn what to look for in selecting good show animals, and what they feed and see a demonstration on showing cattle. The second stop is at the MSU Beef Cattle Research Center located at the corner of Bennett and Beaumont Road at 1:00 pm. The group will see the different groups of cattle on different rations, see how the cattle are fed and what feed the cattle make the best daily gain on.

All 4-H members interested in beef cattle are urged to participate in this beef tour. Now is the time to make changes for raising good quality cattle at the County 4-H Fair show and sale in August. Participants are urged to bring a sack lunch or plan to buy their lunch at a restaurant.

Another leather workshop will be held on Wednesday, February 28, 7-9 pm at Smith Hall in St. Johns for any member, leader, or parent interested in knowing more about leather tooling. Fred Dixon of Eagle will be in charge of the program. Emphasis at this workshop will be on staining, antiquing and painting of leather. Each member will have samples to work on to try their skill in these areas. All tools and equipment will be furnished.

The February 4-H glass collection project handled by the Tail Waggers 4-H club members amounted to 12,220 pounds. This brings the total glass collected to date of 429,820 pounds that has been recycled into new glass products. The next 4-H glass project will be Saturday, March 3 at the fairgrounds.

Clinton County is eligible to nominate 8 members for the 1973 Michigan Key Club Award. Each county is allowed to nominate 1/2 to 1 percent of their enrollment. Any member is eligible to apply if he or she is at least 16 years of age, completed 3 years of 4-H work, completed projects in several project areas, completed a teen leader project, participated in several district and/or state 4-H activities and been recommended by their

leader. Application forms are available from the County Extension office and should be returned before May 1. The award will be presented at the 4-H Leaders Banquet this fall.

August 19-25 is the date six Clinton County 4-H members will be participating in the National 4-H Citizenship Short Course in Washington D.C. They will stay at the National 4-H Center. Clinton County 4-H'ers will join Gratiot, Shiawassee, Midland, Bay and Saginaw counties in making up a bus load for this trip. The total cost of the trip is \$150.00 with the youth paying \$50.00, 4-H Council \$50.00 and 4-H funds \$50.00. Any 4-H member 16 years of age or older interested in applying should contact the County Extension Office.

The Jolly Knitters 4-H members will hold their club open house Sunday, March 11 from 2-4 pm at the home of Robert Tait on Price Road. Members and parents will have an opportunity to see the members' completed projects that will be entered in the County Spring Achievement. The members were given evaluation dates and participated in the 4-H Roller Skating February 15 at St. Johns. Demonstrations were given by Charles Tait on "How to Weave in an End"; Jennifer Rowe - "How to Sew Up a Garment"; Linda Thurston - "How to Make a Popcorn Stitch" and Kathy Voisin on "How to Make Pom Poms". Each member gave some safety tips.

The Ear Floppers 4-H members worked their leader dogs before their business meeting. Kevin Glanz and Robert Balzer talked about their visit to a Lansing supermarket store. Mr. Robertson showed slides of the members and past performances of their animals.

French's Corners 4-H members voted to donate \$5.00 to the Belize 4-H Motorcycle project and participated in the February 15 4-H roller skating activity. Most of the members have given demonstrations related to their project. Donna Smith of St. Johns and Sergeant King of the State Police gave a talk on drug abuse and showed a film on drugs. Members indicated the program was very good and well worth having. Their next meeting will be on Monday, March 5 including a potluck supper for members and families starting at 7:00 pm. The program includes a style show, projects on

exhibit and talent show put on by the members.

The Green Acres 4-H members will hold their Club Achievement at the home of Mr and Mrs John Presocki on Sunday, March 11 from 2-3 pm. Members and parents are invited to attend and see the project work completed by the members. A club style revue will be held on Monday, March 12, 7 pm at the home of Mr and Mrs Joey Miller. Alice Heibeck of St Johns will evaluate the projects. A number of the members entered posters in the 4-H poster contest and participated in the February 15 4-H roller skating activity in St. Johns. A committee of members made Valentine treats for the residents of the County Home. Demonstrations were given by Elaine Miller on "How to Crochet"; and Jeff VanVleet on "Hot to Transplant Plants to the Garden in Foam Drinking Cups". The officers of the Green Acres club visited the Jolly Knitters 4-H meeting on February 6. Mrs Sally Desprez represented the Green Acres leaders at the February 6 meeting.

CONGRATULATIONS TO THE STUDENTS OF OVID-ELSIE AND ST. JOHNS HIGH SCHOOLS FOR DILIGENT EFFORTS IN PRESERVING AGRICULTURE FOR TOMORROW'S SOCIETY

The Future Farmers of America give a thorough education in the most recent farming techniques for the young men and women of America's farming community. We salute the F.F.A. for an endless effort to improve all the aspects of farming. In classroom instruction, in the field training and scientific research the F.F.A. has conquered many of the hazards that have slowed down farm production in the past.

Annual Tax Sale

STATE OF MICHIGAN

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the complaint of the State Treasurer of the State of Michigan praying for a judgment in favor of the State of Michigan, against certain parcels of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that the State of Michigan is entitled to the proceeds of the sale of the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the March term of this Court, to be held at St. Johns in the County of Clinton, State of Michigan, on the 13th day of March A.D. 1973, at the opening of the Court that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, or to object to the interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgment will be taken and entered as prayed for in the complaint. And it is further ordered that in pursuance of said judgment the lands described in said complaint, which are subject to said taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, commencing at 10 o'clock a.m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the Court or at such convenient place as shall be selected by him at the county seat of the county of Clinton, State of Michigan, and that the same then and there made will be a public sale, and each parcel described in the judgment shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if on such second offering, or during such sale, the same cannot be sold for the amount of taxes, interest and charges, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Leo W. Corbin, Circuit Judge of said County, this 19th day of January A.D. 1973.

LEO W. CORBIN, Circuit Judge

Ernest E. Carter, Clerk

STATE OF MICHIGAN

In the Matter of the Complaint of Allison Green, State Treasurer of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Clinton: Allison Green, State Treasurer of the State of Michigan, respectfully shows unto the Court:

1. That he is the State Treasurer of the State of Michigan, and makes and files this complaint under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1963, as amended, and Act No. 330 of P.A. 1965, as amended.

2. That Schedule A annexed hereto is the tax record required by the act last above mentioned, and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and then held and upon which taxes were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent.

3. That extended separately in said schedule against each description of said lands therein, is set forth the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale for the non-payment of which the same may lawfully be sold by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$3.00 for expenses, all in accordance with the provisions of the act first above mentioned.

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment of which the same may lawfully be sold by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$3.00 for expenses, all in accordance with the provisions of the act first above mentioned.

Wherefore your petitioner prays: a. That within the time provided by law this court may determine and adjudge, collect the aforesaid taxes, interest, collection fee and charges and valid and constitute a lien upon each and every parcel of land therein described in said schedule as therein extended.

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the amount of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein complained of.

c. That said judgment provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides.

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

DeWitt Township

Proceedings

Synopsis of the Regular meeting of the DeWitt Township Board held on Monday, February 12, 1973 at the Township Hall, 780 E Wieland Road, Lansing, Michigan.

The meeting was called to order by Supervisor Emerson at 8:00 pm.

Board members present: Corr, Purves, Syverson, Emerson, Angell, Kzeski and Pline.

The meeting was opened with the Pledge of Allegiance.

Approved the minutes of the Regular meeting of January 8, 1973 and the Special meeting of January 15, 1973.

The Supervisor explained that we had two different opinions as to whether this was a legal holiday. We will hold the meeting as scheduled and confirm the action on Tuesday.

The only communication was from the Bicentennial Commission.

The Supervisor asked if the public had any comments. There was a discussion on adopting a noise ordinance and the condition of the roads in the Township.

The Fire Committee minutes were given by Pline. He also gave the Fire report. The new fire truck will be delivered on February 22.

Planning Commission minutes were given by Purves. Approved recommending a zoning change on W State Road.

Police Committee minutes and report were given by Corr. Accepted a bid to change the electrical panel for the Police and Fire Departments. Accepted an equipment maintenance contract bid. The Supervisor will check on a licensing amusement ordinance.

Transportation Committee minutes were given by Kzeski. Approved signing an agreement for 3 applications of chloride for this year.

Approved a culvert agreement. Approved paying the December billing for road improvements. The Supervisor will check to see if Herbison Road can be paid.

Parks and Recreation report was given by Emerson.

Building Needs Committee has not met as yet.

Adopted a resolution recommending that a new Class C liquor license not be issued to Joseph DeRose. Kiebler's application still tabled.

Adopted By-Laws for all Committees and Commissions.

Adopted the procedure that any requests for a change in the sewer use factor be in writing, reviewed by the Board and a written answer be sent. Notices should be sent if an increase occurs so that the owner can appear.

Bicentennial letter will be reviewed by the Planning Commission.

Meeting dates were set for the 1973-74 year.

The Supervisor will contact Wyle about the changes in the tower lease agreement.

Voted to allow the Treasurer to be paid 65% of the salary from November to March and 35% of the salary for the balance of the year if the Treasurer chooses.

Discussed the Revenue Sharing money. Voted to hire a full-time police officer as soon as possible to be paid out of the revenue sharing money. Tabled any action on the balance of the money.

Approved all vouchers, after a discussion on some.

Adjournment at 12:12 am.

Respectfully submitted,
Donna B. Syveron, Clerk.
Approved by Dale S. Emerson, Supervisor.

Further action to be taken at the next Board meeting. The annual traffic summary was presented to the Board by the Chief of Police and it was read by Supervisor Van Sickle. Moved by Clerk Burnett and seconded by Treasurer Woodruff to approve vouchers #8493 through #8521 for payment. Roll call 6 yes votes. Carried. A list of locations where junk cars are located was given to Supervisor Van Sickle to present to Clinton County Zoning Commission for action. Trustee Snider requested the use of the township hall at 7:30 pm on February 13, for a meeting of the committee for ambulance service. Approved. It was suggested to the Board from the audience that they remind the Road Commission to keep up Upton Road. Moved by Trustee Carleton and seconded by Treasurer Woodruff to adjourn. Meeting adjourned at 9:10 pm. Respectfully submitted, June Burnett, Clerk
