Serving the Clinton Area Since 1856

ST JOHNS, MICHIGAN 48879

28 Pages

March 14, 1974

119th year

Vol. 46

A St Johns woman, Carolyn Wyble, lost her life in this accident about 12:30 Monday morning when her car collided with a semi-truck at the intersection of Clinton Ave and North US-27.

St Johns joins in protesting rail cutback

ST JOHNS -- St Johns city officials joined other units of government and businesses in protesting both in person and by written resolution plans to abandon rail service in the area.

Harvey Weatherwax, St Johns city manager, and Paul Maples, city attorney, traveled to Detroit last week when Maples voiced the city's objection to abandonment of the Grand Trunk Western Railroad line through the city.

Then, at Monday night's City Commission meeting, Maples recommended adoption of a resolution stating the city's objections.

The Commission approved the resolution calling for the defeat of the plan.

In the resolution it was stated the "City Commission feels railroads are both economically and ecologically the most feasible means of transportation of many goods and believes their use should be encouraged in the interest of conserving energy and insuring a flexible and adaptable transportation network serving this community."

The resolution also states the abandonment will "injure the local industries and a rural agricultural industry, by the curtailment of shipments of essential materials to this community, such as fertilizer, grain products, manufacturing products and by-products and lumber."

It further stated, "... industrial and commercial businesses in this small community received and shipped over 422 carloads of materials during the year 1973 and many commercial enterprises could have made use of yet additional cars had the same been available."

Also of concern to the city is the development of an industrial park, adjacent to the Grand Trunk Western Railroad tracks.

The resolution states the park includes railroad sidings and that rail service "... forms an integral part in attraction for enterprises interested in locating within the city of St Johns."

The action by the Commission, in addition to asking for the defeat of the proposed abandonment, also asks the Federal Rail Administration to re-evaluate a more rational rail plan which better reflects the needs of Michigan's people."

Discuss Band Shell
The Commission, in other action discussed possible repairs to the band shell in the city park. Delores DeWitt and Loretta Escher, representing the St Johns Morning Musicals asked the city if steps could be taken to fix the band shell.

Randy Humphrey, city clerk, said it would take \$800-\$1000 to repair the structure and Weatherwax said a change in shingles on the structure could prevent some damage.

He said that wooden shingles on the shell had been used in the past by park visitors who used the wood to start fires in the grills.

Zoning Structure to Change
The Commission also voted to amend the zoning ordinance to allow 2 more representatives on the Zoning Commission. Problems had reportedly been experienced in the past when it was difficult to get a 2/3 quorum decision on the 5-member body.

City attorney Maples is to amend the ordinance for presentation to the Commission during the March 25 meeting.

Village elections pose problems with tie votes and double winner

In many cases, village elections have become affairs of highly predictable results with many times only 1 candidate running for each position.

The Village of Fowler gave a new twist to the situation with only candidate running on a ballot with 3 trustee spots to be filled.

Carl Koenigsmacht won 1 of the trustee positions with 53 votes, but 15 write-in votes threw 2 of the open trustee positions into a 3-way tie.

Receiving 5 votes apiece were Lawrence Klein, William Braun and Leroy Goerge. Ernest Carter, Clinton County clerk, said a drawing will be held March 15 at 9 to determine who will service in the 2 trustee positions.

Carter said it was indicated to him that there was a possibility that 1 or more of those involved in the tie did not wish to serve on the village board. Carter said if a name or names are drawn of people not wishing to serve, the positions may be filled by appointment.

Unopposed in their bids for re-election were Robert Pettit, president; Catherine Rademacher, clerk; Reatha Winans, treasurer and Earl Frechen, assessor.

EAGLE
A unique election quandry also arose in Eagle when 1 man was elected to 2 positions. Victor McCrumb was re-elected trustee, but also received the most number of write-in votes for village clerk.

Carter said the State Elections Office said McCrumb is to be certified for both positions and then must decide which job he'll take. After he picks the position in which he wishes to serve, a person may be appointed to fill the remaining job.
Mary Feldpausch, incumbent clerk, chose not to run for the position, but ran for and was elected to a trustee position.

ELSIE
Liquor by the glass got the nod in Elsie with the measure being approved 81-68.

Unopposed in their bids for re-election in Elsie were Durwood Conklin, president; Herbert Betts, clerk; Orpha Clement, treasurer; Lawrence Hess, assessor and trustees Pat Foran, Joe Bartek and Don Lidle.

MAPLE RAPIDS
All candidates in Maple Rapids were unopposed and 1 position was filled with a write-in. Only 2 of the 3 trustee positions open had candidates, Kenneth Wright and Ron Dean. The 3rd position was filled with write-in votes for Bob Miller Jr.

Unopposed incumbents re-elected were George Abbot Sr, president; Leaine Tyler, clerk; Margorie Rumsey, treasurer; Jean Gavenda, assessor and Joyce Bailey and Kathleen Boling, library board.

OVID
One position in Ovid was contested and that was the clerk's job. Re-elected was Mrs Dale Crosslan who received 112 votes. She was opposed by Jane Applebee who polled 71 votes.

Earl Canfield was unopposed for his bid for Ovid village president. He will fill the position formerly held by Robert M. Shinabery.

All other Ovid candidates were unopposed -- Vada Stedman, treasurer; Jim Besko, assessor and Charles McGraw, Myron Woodruff and Wadsworth will fill positions formerly held by Hazel Dietz, Larry Martin and Gerald Ross.

WESTPHALIA
All candidates in Westphalia had no opposition: John Lehman, president; Harold Wieber, treasurer; Wylma Schaefer, clerk; Joseph Thelen, assessor; Dennis Thelen, Tom Arens and Edward Spitzley, trustees. New to the board are Thelen, Arens and Schaefer.

Expect lively meeting for DeWitt Twp budget

By Linda Heyboer
County News Writer

DEWITT TWP -- With visions of a lively annual meeting March 30 the DeWitt Twp Board of Trustees adopted a \$965,000 for 1974 at their Monday night meeting.

Township residents will have to approve the budget at the annual meeting, where spirited debate is expected over proposed salary hikes for board members.

Trustees salaries are slated to increase from \$2400 to \$4800; planned increases are from \$12,000 to \$16,000 for the supervisor,

from \$8900 to \$11,000 for the clerk and from \$7900 to \$1100 for the treasurer.

Some adjustments in the approved budget will be made before copies are made available 10 days prior to the annual meeting.

The tentative figure is up from last year's budget of \$197,148.05, but Supervisor Dale Emerson pointed out that it is lower than the \$330,322.71 the township actually spent.

Members of the board indicated to the County News that a large number of residents are expected at the meeting and that it is unlikely to budget will be approved without much discussion.

Sewer policy
The board settled a touchy policy question concerning the township sewer system by voting to require Ken Boettcher, 14249 Boichot, to hook up with the system at his own expense.

Boettcher has been sparring with the board for weeks over the issue. Because of the elevation of his property, he would have to install a lift before the sewer could service his whole house.

Emerson emphasized that the decision set a precedent for other residents and other board members agreed.

"We just can't afford to make exceptions for 1 person," said Clerk Donna Syverson. One of Boettcher's neighbors, David Forrest of 14195 Boichot Rd, attended the meeting to protest his own hook-up to the sewer system. His problem is that while his house is beyond the 200-foot limit for hooking up, it falls within the limits if the distance is

measured from the garage attached to his house.

Forrest wants to reserve the option to hook up or not, but the board was not optimistic.

"I think that if any part of the structure comes within 200 feet, it has to hook into the sewer," Emerson said. He asked the township attorney to clarify the requirement and report back to the board.

Table wastewater plan
Mike Scieszka of the Tri-County Regional Planning Commission asked the board to approve a resolution to participate in planning for a regional waste water treatment plant with 9 other units. Although Scieszka said the plan would not affect existing programs or funds, the board was unconvinced and tabled the resolution.

Bike licenses are due in St Johns

ST JOHNS -- Bicycle licenses are on sale at the St Johns City Police Station. Licenses are 50 cents and are good for 3 years.

All bicycles inside the city limits are required to be licensed. At a date, yet to be announced, the St Johns Police Dept will be conducting a bicycle safety program through the schools.

Accident kills local woman

ST JOHNS -- A 37-year-old St Johns woman lost her life early Monday morning when the car she was driving collided with semi-truck at the intersection of Clinton Ave and US-27.

Killed in the accident was Mrs Carolyn Wyble, E. M-21, St Johns, who was pronounced dead at the scene.

Driver of the truck was Jesse Mulvena, 28, of Alpena who indicated the Wyble vehicle failed to stop at the intersection.

Time to register for swim class

ST JOHNS -- Registration for swimming classes at the St Johns High School pool will be Saturday, March 17 from 9 am until noon. Cost of the lessons is \$5 for 8 weeks with lessons ranging from beginning swimming classes to competitive swimming. Registration will be in the pool office. Pool director Wayne Morrison also advises that the pool is open to the public on Monday and Thursday evenings from 8:30-8:30. He said there is plenty of room in the pool on the open dates and urges the community to take advantage of the swimming facility.

Jeff Kosloski (left) and Rich Cortwright of Riley Elementary School inspect information and a veteran car of a past Soapbox Derby race as activities begin for the 1974 Derby. Boys and girls interested in entering the St Johns Jaycee sponsored Derby may pick up information and entry forms at Bee's Chevy-Olds in St Johns.

First Nighters to feature Nancy Gentry in Forty Carats

ST. JOHNS -- Appearing as Trina Stanley in the First Nighters' production of "Forty Carats" will be Nancy Gentry, 17, daughter of Mr and Mrs Howard Gentry of 602 Oak Street, St Johns.

Nancy, who in her junior year at St Johns High School, comes to the stage as a seasoned performer of theatrics starting back when she was a 4th grade student in Tecumseh. She first appeared in "Annie

Get Your Gun", a musical put on by the local players group in Tecumseh.

Coming from a family oriented to music and dramatics, Nancy has 3 brothers, Chris, Jeff, Jim and a sister, Jenny.

In addition to her teenage role with the Nighters, Nancy is currently practicing for the lead role in "Antigone" which will be presented by the theater class at St Johns High School under direction of Robert Koger Jr early May.

Nancy most recently appeared in "Spoon River Anthology" which took district, regional and second place in state competition at Mt Pleasant and just before that, appeared as "Yellow Woman" in another high school presentation, "Bury My Heart At Wounded Knee".

Nancy was feature twirler for the high school marching band during the past football season and plays the flute and oboe in the concert band. Being active comes natural for her as she represents her class on the student council in addition to many other involvements.

Nancy earlier appeared with the First Nighters in 1970 when she played the role of Joanie Crocker in "Look Who's Laughing" after just moving to St Johns from Tecumseh.

When asked how she was going to learn lines required in the lead role for "Antigone" as well as learn the nearly 200 lines required of Trina Stanley in "Forty Carats", she said, "Memorization isn't really that hard for me. With the help I'll get from my family, I'm really excited about the whole thing. I think the experience will be of great benefit to me."

Area residents will be able to see Nancy as well as other previously announced cast members of "Forty Carats" April 26 and 27 at Ovid-Elsie High School auditorium.

Nancy Gentry

Receives minor injuries after Sunday mishap

A DeWitt man was slightly injured Sunday when he pulled out onto US-27, crossed 4 lanes and struck another car.

According to a DeWitt Twp Police report, Lee Curtis Gilmore, 25, of 10719 S US-27, left a parking lot near the Round Lake Rd intersection at 2:40 am and hit a southbound car driven by Joseph Crosby Jr of rural Portland. The report said Gilmore was intoxicated, but was not charged because of his injuries. Gilmore was later treated and released at St Lawrence Hospital.

Immunization clinic Thursday

ST. JOHNS -- The next Mid-Michigan Dist Health Dept free immunization clinic will be March 14 at the Health Dept office in St Johns, next to the courthouse. The clinic will be open from 8:30 to 11 am.

Immunizations include DPT, DT, typhoid, smallpox, oral polio, red measles, Rubella or the combination measles and the TB skin test. All those who are immunized will receive a certificate.

Church of God to move Sunday

ST. JOHNS -- The St Johns Church of God will have their final opening service at the Railroad US-27 location Sunday morning and then will move by caravan to the new church at DeWitt Rd and M-21 1/2 mile west of the St Johns city limits. A formal dedication will be held in late spring or early summer.

Selective Service starts registration by mail

Young men age 18 can now register by mail for the draft if they find it difficult to visit a Selective Service office or registrar.

The new mail registration forms were issued this week to all Michigan Selective Service area offices, according to state draft headquarters. Mail registration forms will be available from poster displays located in selected public offices such as county clerks, post offices, armories and schools.

Individuals may also request a mail registration form by writing to any Selective Service office. Instructions are included with the form. It can be completed at home, then folded and mailed. It is pre-addressed and needs no postage.

The local board having jurisdiction will mail a status card to the registrant about two weeks after receiving his completed registration form.

Federal law still requires the registration of young men at age 18 even though inductions have stopped. With the closing of many draft offices due to budget restrictions, Selective Service has now initiated the mail registration program to enable young men to register with as little difficulty as possible.

A test of the mail registration system was conducted in Michigan last spring. It was deemed a successful means of supplementing personal registration at draft offices and by volunteer registrars at most high schools and colleges.

Legion will celebrate birthday

ST. JOHNS -- American Legion and Auxiliary Edwin T. Stiles Post and Unit 153 of St Johns will hold a birthday dinner Saturday, March 16 at 7 pm at the American Legion Post home.

Meat rolls, cake and coffee will be furnished. Those attending should take a dish to pass and table service.

A St Patrick's Dance will follow in the club room. The "Pastimes" from Grand Lodge will play.

All members and guests are welcome.

Clare and Bernie Feldpausch, Rt 2, Fowler, took 2d place in Claytons 9th Annual Mixed Doubles Handicap Tournament in Flushing Jan 28. He rolled an actual series of 579 and she had an actual series of 551. Their combined series with handicap was 1364, missing 1st place of \$1000 by only 20 pins. They received \$800 for their 2d place finish.

Plans underway for area arts and crafts show at Smith Hall

Plans for the Mid-Michigan ARTS & CRAFTS SHOW are now underway. Smith Hall, a 6000 sq ft exhibition hall located in the St Johns City Park, has been reserved for the dates of April 5-6-7.

The organizers of the Mid-Michigan ARTS & CRAFTS SHOW have established the following goals for the April show.

- A) Present an "active show" featuring a great number of demonstrations.
- B) Provide show visitors with a large variety of Arts & Crafts activities, products and information.
- C) Give local dealers a place to show and sell their products and materials.

P-W FHA is busy

PEWAMO-WESTPHALIA -- The FHA is busy making plans that will involve many people. On March 29, the FHA will sponsor a community fish fry. The cost will be \$1.75 per adult and will include family style fish, "tater" tots, salad, rolls, beverage and pie. Sue Klein is chairman.

On April 6 the FHA will conduct the community wide muscular dystrophy campaign. The chairman is Jylve Casari. The community wide muscular dystrophy campaign. The chairman is Jylve Casari.

On April 10 the FHA will sponsor a grade 7-12 talent show. Prizes will be paid (\$10-15 dollars). Rachel Hill is chairman. Cindy Simon will be

the mistress of ceremonies.

On March 22, the FHA will sponsor a high school dance. New dance rules have been drawn up. Sheri Wood and Cindy Simon are in charge. Parents and teachers will chaperone. Ray Devers band will play.

On April 22 the FHA will present the annual school style show Grades 7-12 will participate. Clothes will be modeled, from Mary's Bridal Shop and Ganzo's in Grand Lodge.

On April 30 the FHA will send a delegation to Kalamazoo for the state convention. P-W will play a major role in the convention because of their state officer, Sheri Wood.

Ovid-Elsie Parents Night is March 14

The annual 8th grade Parents Night will be held at the Ovid-Elsie High School March 14. The program will begin at 7:30 pm in the Auditorium.

All parents of Ovid and Elsie 8th grade students are cordially invited to attend.

The high school guidance counselors sponsor the program which is an orientation for parents of next fall's freshman class concerning the high school program.

Information will be given about high school policies, attendance, course offerings, guidance services, and extracurricular activities. Information will be presented by William Case, Assistant Principal; Mrs Sarah J. Boron, Director of Guidance and counselor; Russell Pope,

Counselor; and Donald Thayer, Counselor.

During a coffee hour, the administrators, counselors and various teachers will be available to answer individual questions. Representatives of the various high school departments and subject areas will be present, including: business education, English, mathematics, social science, science, foreign language, industrial arts, homemaking and music.

The counselors will be meeting with the 8th graders at the Elsie and Ovid Junior High Schools on Wednesday, March 13. At that time, course offering booklets will be distributed and discussed. Enrollment is scheduled for March 18 through March 29 at each junior high.

It's tax time

State income tax

(This is the sixth of a series of six articles on 1973 Federal and State Income Tax returns.)

How do recent changes in the Michigan income tax laws affect you? The Michigan Association of Certified Public Accountants offers the following comments on filing your 1973 Michigan income tax return.

You may obtain copies of tax forms and instructions through local offices of the Michigan Department of Treasury, post offices, banks and tax return preparers if you haven't already received tax forms in the mail.

You should file a return for 1973 on or before April 15, 1974 if your Federal adjusted gross income is greater than the total amount that you are allowed for Michigan personal and dependency exemptions or if you are eligible for a refund. You may not have to file a Federal return but still may be required to file a Michigan return.

For 1973 the tax rate remains at 3.9 percent and the amount for each exemption at \$1,200. However, the sliding scale property tax credit allowed in 1972 and prior years has been repealed. It has been replaced with homestead property tax relief in the form of a tax credit or refund which is available to all homeowners and renters with special credit computations available to senior citizens, veterans, and blind persons.

Unlike prior years, if your credit exceeds your tax liability you may receive a refund up to a maximum of \$500. A new form, MI-1040CR, is available for claiming this credit and upwards of 300,000 people who previously had not been filing Michigan tax returns will now want to file to claim their refund. Some claimants may qualify for credit under more than one category. They should compare and choose the one to their advantage.

The new credit for homeowners and renters equals 60 percent of the amount by which their property taxes exceed 3.5 percent of their household (i.e., spendable) income. Renters will base their claim on 17 percent of rent paid which will be considered as taxes. Persons living in a mobile home will use the rent paid for their lot. The Department of Treasury has added additional staff to assist you if you have any difficulty completing your claim.

This year for the first time, businesses filing a personal property tax return may claim a credit based on the personal property taxes paid on inventories.

You also may now claim a credit for contributions to public libraries in Michigan in addition to contributions to Michigan colleges and universities. The maximum credit for these contributions has been increased from \$100 to \$200 on a joint return.

If any of the following items were included in your Federal adjusted gross income be sure to claim a deduction for them on line 43: retirement or pension benefits from a Michigan public retirement system, refunds of state or city income taxes, contributions of up to \$50 to political parties or candidates, and proceeds and prizes won in the Michigan Lottery or State regulated bingo games.

If any of your Federal schedules show a loss (i.e., business, farm, rental, capital) or if you have adjustments to income on Line 34 of your Federal form 1040, then you must include a copy of these schedules with your Michigan return when you file it.

There are special rules for capital gains or properties acquired before October 1, 1967, non-residents, income derived from another state, persons moving into or out of the state, extensions of the due date of the return and amended returns. You should seek expert

assistance in these areas.

Before mailing your return be sure that both you and your spouse have signed the return, completed your address, attached copy 2 of your W-2, checked for mathematical errors and indicated if any overpayment is to be refunded or applied to next year's estimated tax payments.

In conclusion, The Michigan Association of Certified Public Accountants also reminds you that if any changes are made to your Federal return during the year because of an audit or an amended return, be sure that you notify the Michigan Department of Treasury. If additional taxes are due, you may be liable for a negligence penalty if you fail to notify the State within 60 days of any such changes.

St Johns zips with the best

ST JOHNS -- Postmaster Keith Mishler today thanked postal customers in St Johns for their regular use of the Zip Code with mailing addresses.

"Customers in the 13-state Central Region in which St Johns is a part leads the other four Postal Regions with an 89.1 percent Zip Code usage. According to recent figures, the national average for Zip Code usage by mailers reached 87.3 percent," Mishler said.

The Postmaster said the success of the Zip Code is well established. Its public acceptance has come a long way from that first day nearly 11 years ago when the program was launched in Washington with a special Ethel Merman version of "Zip-A-Dee-Do-Dah" that was heard in thousands of promotional spots on radio and television around the country.

It was on July 1, 1963, that the Postal System's Zoning Improvement Program went into effect. There was an immediate furor over the advent of Zip Coding, but the people who predicted dire things for the

future of the US mail as a result of adding five figures to an address have long since been proven wrong.

"Fortunately, there were those who also recognized that a growing population, a more mobile life style, and a growing volume of mail (it was 30 billion pieces in 1942, 49 billion in 1952, 67 billion in 1962, and now 90 billion) would require an addressing system more sophisticated than the one that had been used for the previous hundred years," Mishler said.

"There also had been great public controversy in 1963, when the Post Office Department came up with the then radical concept that mail should be addressed by street and number. Before then, mail was sent to a name in a city or town and that individual had to come to the post office to pick it up," he said.

He noted that fears that the Zip Code would speed the demise of the identity of American place names have proved groundless. "Just look through the current directory of post offices, and you'll find the continuing existence of such places as Alpha, Illinois; Gas, Kansas; Weeping Water, Nebraska; Zap, North Dakota; Tea, South Dakota; Luck, Wisconsin; and Eureka, Michigan," he said.

"None has been endangered by the addition of the five-digit Zip Code as part of its mailing address. On the contrary, the residents of these places -- as well as those who live in the most congested part of any metropolis -- now can be located more quickly, more accurately, and at less cost than would be possible without the mechanized applications of Zip Coding."

A Very Important Message

SHOPLIFTING IS STEALING

...and stealing is a criminal act that could land you in jail or result in a stiff penalty.

IS IT WORTH IT?

Here are the **FACTS** that young adults and parents should be aware of.

WHY DO YOUNG ADULTS SHOPLIFT?

Across the country young people, many from middle and upper income families are pilfering merchandise. Why do young people commit a criminal act that will probably jeopardize their future? The common answers are: "I DID IT FOR KICKS" - "IT WAS AN IMPULSE" - "IT WAS JUST A PRANK" - "I DID IT ON A DARE" - "IT WAS PART OF AN INITIATION" In other words they think it's more a sport than a crime. . . But the law makes no provision for a "sport." Shoplifting is stealing and stealing is a criminal act. The shoplifter is a thief not a prankster. Never break the law on a dare - it takes more courage to turn down a dare than to accept it, and your friends know this. In the long run they will respect you for sticking to your beliefs, don't fall for that "chicken" routine. .

STORES ARE GETTING TOUGHER!

Because of this growing problem stores are getting tougher with shoplifters and are taking measures to catch them in the act. Stores are no longer letting shoplifters off with a lecture and a warning. They are turning them over to the authorities. Store managements are becoming convinced that the proper way to deal with young shoplifters and their parents is through the police and the courts.

COLLEGE ADMISSION CAN BE REJECTED!

A criminal record can keep you out of the college or professional school of your choice. A stolen carton of candy kept one boy out of college and a girl was denied entry into law school because of a stolen swimsuit. You can also be denied admission to a foreign country because of a criminal record.

'BUT I'M A JUVENILE! I CAN'T BE CHARGED'

Don't you believe it! True, the identity of a Juvenile who commits a crime is not made public, but an arrest is still an arrest, and a criminal record is still a criminal record. One shoplifting conviction can ruin your life. Furthermore, the Juvenile Courts have the power to transfer Juvenile Offenders to Adult Court, where young people are treated like adult criminals and can be given jail sentences - and often are. Although violators may go "free" after an apprehension, once arrested, circumstances may demand explanation and cause embarrassment whenever it reappears.

DID YOU KNOW

Shoplifting is stealing and stealing is a criminal act. So called high spirited "fun" and youthful "pranks" can cause young people a lifetime of trouble. Too many young people today are unaware of the serious harm that a criminal record, even for what might seem to be a petty violation, can do to their lives and futures. Even if the punishment does not include a jail sentence, and the conviction is punished only by a fine and/or probation, the criminal record remains; and it says, "Thief."

WHY DIDN'T SOMEONE TELL ME?

Many young people when arrested for shoplifting say, "Why didn't someone tell me that shoplifting was a crime." Ignorance of the law is no excuse and no defense against prosecution and conviction. Shoplifting is stealing and stealing is a criminal act. Stealing a \$2 pen is the same as stealing \$2 from a cash register or from someone's pocket. . . It's a crime."

JOB APPLICATIONS ARE REFUSED!

Those "kicks" can come back and haunt you forever. A minor record easily becomes a major problem. Most job applications ask "Were you ever arrested?" and most employers don't hire people with arrest or criminal records. A job that requires bonding, even that of a stock boy, will probably be closed to the youth with a record. He may also be turned down for government jobs at the Federal, Provincial or Municipal level. With a criminal record it can be difficult, in some cases impossible, to go into any business or profession where a special license is required, such as law, real estate, or insurance.

WEIGH THE PENALTY!

You can be arrested if you steal any property from a store, no matter how little it costs: It is a crime if you steal even a lipstick or candy bar. Punishment for a first offense can be as much as two years in jail or for theft over \$50.00, as much as ten years - shoplifting is theft and theft is an indictable offense and is punishable as such.

WHAT CAN PARENTS DO ABOUT IT?

1. Be aware that shoplifting can be just the beginning of bigger trouble for their children.
2. Make sure their children understand that shoplifting is stealing and stealing is a criminal act.
3. Supervise any "clothes" swapping.
4. Know how much money their children have and how they spend it.
5. Know what their son or daughter brings into the house, if it isn't his or hers, check on where it came from. Don't accept a pat answer.
6. Know when, where and why their child is going shopping.
7. Find out what their community is doing about the problem and lend their help.
8. Teach their child that it is more "chicken" to go along with the crowd than to refuse to do so.
9. Set the right example.
10. Be certain that their children know what a criminal record can do to their chances for jobs, colleges and professions.
11. Be alert to a daughter who repeatedly goes shopping with an extra large handbag or shopping bag. These are common tools of a shoplifter.

John Wesley College Plans Performing Arts Building

Donor Sought for Matching Gift

John Wesley College is proceeding with plans for a multi-purpose building which will be used primarily as a center for the performing arts.

"At the same time that architectural sketches and blueprints are being finalized, the College is pursuing several means of financing the million dollar structure.

"Our biggest hope," commented Dr. Kenneth S. Armstrong, president of the College, "is that someone who shares our concern for the total education of our nation's youth will respond with a sizable donation."

"A donor may choose to memorialize the building, naming it after a person of significance to them," he continued.

A gift could be given as a challenge grant with a donor giving a large sum of money and challenging friends of the College to match it. The donation could come in the form of cash, stocks, or securities.

A second means of financing part of the project would be through a foundation. Dr. Everett G. Beckman, who recently joined John Wesley College as head of Foundations and Trusts in the Development Office, is actively exploring several foundations which might have an interest in supporting the project.

The need for the structure is great on the Owosso campus which is fast expanding to meet the demands of a growing student body.

The building would provide a place for: convocations, artistic performances such as plays and concerts, lectures for small and large audiences, community activities, films, laboratory work in communication arts, and exhibits and displays.

The proposed facility is to cover about 20,000 square feet. It will blend into the campus with an Old English motif on the exterior, designed as a collection of varied and interesting smaller units.

Inside will be an auditorium with a seating capacity of 850 persons.

There will be several striking features in the building including a revolving

stage. A large backstage area will contain two dressing rooms and a make-up room.

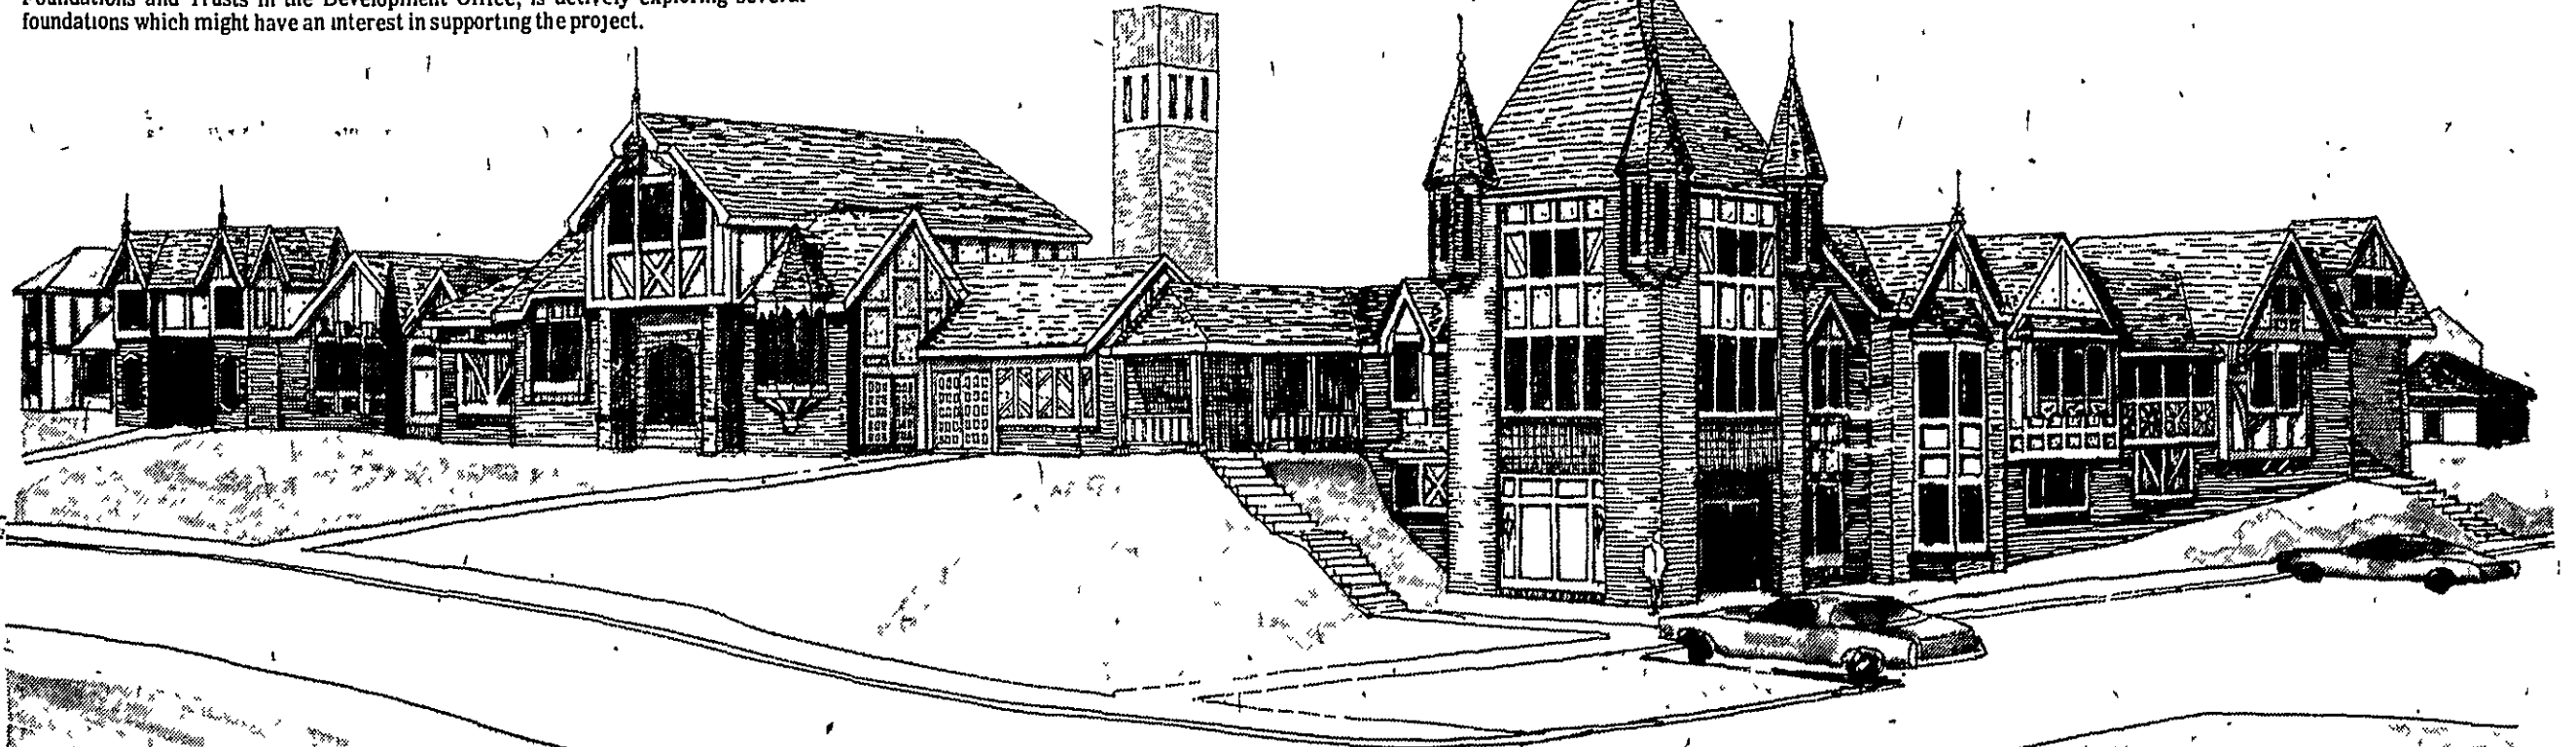

Six classrooms, which will seat from 40 to 350 students, will be located on the perimeter of the auditorium with the seats resting on revolving platforms that can be part of either the classrooms or the auditorium. This revolving capacity is compatible with the latest in educational experiences used now in some other institutions in the nation.

Other aspects of the interior for which donors will be sought include a pipe organ and an electric organ — again two pieces of equipment important to the performing arts program of the College.

The visual-audio laboratory — equipped with tape recording instruments, consoles, and televisions — will contribute greatly to the educational program of the College.

Built on top of the lobby will be a projector room.

The multi-purpose building will be constructed on the west side of the faculty office buildings in the educational area of the campus.

9% Interest

Investors Aid Expansion

Right in the middle of Michigan on a sloping oak-crowned campus, John Wesley College at Owosso has been building an English Village... for learning.

With the announcement of the master plan one year ago, the College began renovating existing buildings on campus, styling them after the Old English motif. New structures have been strategically located to contribute to the village atmosphere.

The reason for such a great emphasis on building design and location is that John Wesley College is building a community not just an institution. Students, faculty and staff live together, learn together, travel together and grow together... so even the physical atmosphere of the

campus has a human dimension to bring the college community together.

Tremendous accomplishments have been made in just one year: one old residence hall was taken apart brick by brick and restored as a modern facility in the Old English style; a beautiful bell tower (Mitchell Tower) has been erected; the gymnasium has been expanded; music practice rooms and athletic offices added; a new dining commons built; five new faculty office buildings are headed toward completion, a new stone gateway is partially done; and the library is in process of expansion.

For more information, or a prospectus, interested persons can mail in the coupon below.

John Wesley College Enrollment Up 50%

John Wesley College at Owosso showed the largest percentage increase in student enrollment for the 1973-74 school year among Michigan's top private independent colleges and universities.

The college had a 50.2 per cent increase with 356 students enrolling. Over the past five years, the college has shown an increase of 126 per cent.

Overall enrollments at Michigan's major independent colleges are up slightly this year, according to a report issued recently by the Association of Independent Colleges and Universities of Michigan (AICUM).

John L. Gaffney, AICUM president, noted there was an increase of 89 students among AICUM's 29 member colleges, with a total of 42,684 enrolling in the fall of the

A View of the English Learning Village

'We've Made an R.V. into an E.V.'

Every year, every student of John Wesley College spends four weeks traveling and studying in a foreign country as part of his regular academic program. This year, John Wesley students traveled throughout England. Next year, it's Germany or Switzerland or both.

In addition to Foreign Travel-Study, students may take up to four weeks of Domestic Travel-Study, including, for example, visits to Civil War battlefields, American Indian reservations, ecology projects in the Florida Everglades, and American subcultures in the Chicago area.

"To accommodate Travel-Study, John Wesley College has turned Recreational Vehicles (R.V.'s) into Educational Vehicles (E.V.'s). These specially designed mobile living units move John Wesley students around America and Europe from archives to museums to countryside to historical sites to cultural centers to natural phenomena... in and out of a vast number of educational experiences.

Each EV is a residence hall, dining commons, and classroom for eight students. The units are self-contained with air-conditioning, heating, bathroom, shower, refrigerator-freezer, stove, oven, table, seats, beds and many other features.

Write for more information on Travel-Study. It's part of the innovative curriculum at John Wesley College at Owosso, Michigan.

(a four-year, Christian, evangelical, liberal arts, non-denominational college)

Dr. Kubler-Ross Speaks on Death

Dr. Elisabeth Kubler-Ross, author of the best-selling book, "On Death and Dying," is the featured speaker at a conference on "Death and Dying" at John Wesley College.

She has an international reputation in the care for the dying patients and their families. She is medical director at the Family Service and Mental Health Center of South Cook County, Chicago Heights, Ill. She had held a number of prominent positions with the University of Chicago in the areas of medicine and psychiatry.

Dr. Ross will appear on March 25 and 26, 1974. Her addresses will be as follows: March 25 — 9:30 a.m., "Four Stages of Dying," on John Wesley College Campus; 7 p.m., "Needs of the Dying Patient," at First Church of Christ of Owosso; March 26 — 10:30 a.m., "Children and Grief," at Center for Continuing Education in Owosso; 1 p.m. luncheon, "Developing Responsible Attitudes Toward Death," John Wesley College Campus.

The cost for the entire conference is \$15. If received by March 15 or \$20 on March 25. It includes registration fee and the luncheon. For reservations, contact Dr. Lar Standridge, John Wesley College, Owosso, Michigan 48867, phone (517) 723-8141.

Damaska - Watson United

FLINT—On March 9, Kay M. Damaska, daughter of Mr and Mrs Elmer C. Damaska of 1331 Willowwood St became the bride of Dean R. Watson, son of Mrs Shirley Watson of 7667 Walker Rd, Ovid, and the late Robert Watson, at the Shepardsville United Methodist Church. Rev Darold Boyd performed the ceremony before an altar decorated with blue and white carnations and a unity candle.

The bride chose a gown of white nylon organza featuring an A-line skirt and long full sleeves. A lace ruffle accented the bottom. She wore a chapel length mantilla veil with a lace edge and carried a bouquet of white miniature carnations and blue pomps accented by baby's breath.

Attending as matron of honor was Mrs Janelle Ruby of Flint. Chris Johnson of Flint and Cheryl Watson of Rose City served as bridesmaids. The attendants wore gowns of blue nylon organza featuring fitted lace bodice, empire waists, and long sleeves. They wore wide brimmed hats and each carried one red rose.

The mother of the bride chose a peach floor length gown with a short sleeved jacket. She had a

corsage of peach carnations. The groom's mother selected a blue and pink print gown of taffeta and chiffon. She had a corsage of pin carnations.

Serving as best man was David Watson of Ovid. Groomsman were Victor Higgins and Lyle Perrin, both of Ovid. Earl Damaska of Clawson and Leslie Sloat of Ovid seated the guests.

A reception for 200 guests was held at the VFW Hall in Ovid following the ceremony.

Following a wedding trip to Niagara falls the couple will reside at High St, Ovid.

The bride is a 1970 graduate of Ainsworth High School in Flint while her husband is a 1970 graduate of Ovid-Elsie High School.

Big Rapids, Mich. — Ferris State College has honored 1481 students, including 7 from Clinton County, for scholastic excellence during the winter quarter by naming them to the Academic Honors List.

Students from Clinton County are Barbara Williams, Elsie; Delores George, Fowler; Rodney Thompson, Thomas Kirinovic and Ronald Mead of Ovid and James Green, Philip Knight and Sandra Kramer all of St Johns.

To be named to the Academic Honors List a student must earn at least a 3.25 average on a 4.0 basis and carry a full academic load. A full load is defined as 14 quarter hours of credit.

Piano programs to be presented

Two piano programs will be presented by Carolyn Nickel, Lake Michigan college music instructor, at 4 pm Sunday Feb 17 and Sunday Feb 24.

The Feb 17 concert will be given at the First United Methodist Church, St Joseph and the Feb 24 concert at Andrews University.

Miss Nickel's program will be comprised of compositions by Bach, Brahms, Mozart, Debussy, and Benjamin Lee. Miss Nickel teaches applied organ and piano for Lake Michigan College and is organist at the First United Methodist Church.

She received her bachelor of arts degree with a major in organ at Albion College where she studied under John Obetz. She was awarded her master of arts degree in sacred music, with a major in organ, by the Union Theological Seminary School of Music, NY, where she studied under Leonard Raver. She began her teaching at LMC in Jan 1973.

Miss Nickel is formerly of St Johns prior to joining the LMC

faculty, she served in Korea for five years as a short-term missionary for the board of missions of the Methodist Church teaching in the music college of Ewha Women's University under Dr Blythe Owen for her second master's degree, this one in piano.

PHARMACY FACTS

PATIENT MEDICATION PROFILES

Patient Profile records... what are they?

The Patient Medication Profile record is a relatively new innovation in pharmacy practice. The pharmacist who maintains Patient Medication Profiles provides a distinct and often dramatic benefit to the patient.

Patient Medication Profile records have been endorsed by the state professional society of pharmacists, the Michigan Pharmaceutical Association.

The Patient Medication Profile is a part of a record system which enables the pharmacist to monitor and review you and your family's drug therapy regimen.

Patient Profile Records... why are they important?

Patient Medication Profile records provide many useful benefits to the patient — both for convenience and for therapeutic reasons:

1. Have you ever discarded your prescription container without recording the number, or have you ever tried to obtain a refill at the pharmacy not remembering to bring the prescription container with you? — Either of these two situations present no problem to the pharmacist utilizing Patient Medication Profile records.
 2. The Patient Medication Profile record provides you a convenient end-of-year record of your medication therapy and your expenditures.
- Since many health items in a pharmacy other than prescriptions are also worth noting for possible income tax reasons, ask your pharmacist or the pharmacy secretary to also record all your tax-deductible purchases on your personal profile record.
3. A Patient Medication Profile record system is the only way your pharmacist can truly monitor your drug therapy as prescribed by the physician or physicians for you and your entire family.
- This health function is very important, if not critical as it relates to safe medication usage and to assure the proper utilization of one or more medications which you may be taking.
- To not take advantage of this professional service of the pharmacist is, in a fashion, to disregard quality, economy and possibly safety.

Patient Medication Records
 The law does not currently require the pharmacy to maintain or use Patient Medication Profile records. This Profile is like the patient chart used by your physician. It represents a personal and confidential record of your medication usage. It is an aid to your pharmacist so that he can better serve your health needs as related to his specialty knowledge and experience.

Conscientious pharmacists concerned about your health and practicing "Pharmacy Care" do utilize Patient Medication Profile records.

As an informed consumer, select your source of pharmacy services utilizing Patient Medication Profiles as one criterion — A MUST.

Announce Engagements

RAYMOND JOHNSON - MARY KLUG

MAPLE RAPIDS -- Mr and Mrs Norman Klug of Maple Rapids are pleased to announce the engagement of their daughter, Mary Louise, to Raymond B. Johnson, Jr, son of Mr and Mrs Raymond Johnson, Sr, of Perrinton.

ROSE ANN KLEIN

FOWLER -- Mr and Mrs John J. Klein of 1138 W. 2nd St., Fowler, announce the engagement of their daughter, Rose Ann, to Neil A. Hafner, son of Mr and Mrs Joseph J. Hafner, 612 S. Main St., Fowler.

The bride-elect, is a 1968 graduate of Fowler High School and a 1972 graduate of Central Michigan University. She is employed by St Mary's Elementary School in Westphalia. Her fiancé is also a 1968 graduate of Fowler High and is employed by Hafner Electric, Fowler.

A June 22 wedding is being planned by the couple.

JUVA LEA WILKINS

ELSIE -- Mrs Jeanne Wilkins of Elsie announces the engagement of her daughter, Juva Lea, to Gerald Wayne Thomlison, son of Mr and Mrs C.J. Thomlison of Durand.

Both are graduates of the University of Michigan-Flint College where she received a B.A. in elementary education and he received a B.A. in English. Miss Wilkins is employed by the Midwest Learning Corp. of Owosso and her fiancé is employed by Grand Trunk Railroad in Flint.

The couple plan a May 11 wedding.

60th anniversary honored

Mr and Mrs Fred Schavey celebrated their 60th wedding anniversary by having a family dinner at the home of their daughter and son-in-law Mr and Mrs William Roof of St Johns on Feb 24, 1974.

There were 31 present for the dinner including Mr and Mrs Gaylord Schavey and family of DeWitt, Mr and Mrs Terrie Schavey and family of St Johns, Mrs Vera Ward of Traverse City, Mr and Mrs Roy (Mabel) Beck and family of Maple Rapids, Mr and Mrs William (Mildred) Roof and family of St Johns and granddaughter, Mr and Mrs Melyin (Betty Jean) Weaver and family of Edmore. A granddaughter Mr and Mrs David (Helen) Irwin of Dayton, Ohio sent special flowers for her grandparents. A daughter, Mrs Viola Overfield of Tonawanda, New York was unable to attend.

Mr Schavey and Miss Edna Bartlett were united in marriage on February 25, 1914 in St Johns.

Annette Miller 1974 Homemaker at P-W High

Pewamo-Westphalia Community Schools' 1974 Betty Crocker Homemaker of Tomorrow is Miss Annette Miller, the daughter of Mr and Mrs Erwin Miller. Miss Miller was selected through a written examination on knowledge and attitude. This test was taken by senior girls at this school.

Miss Miller will receive a specially designed award from General Mills, sponsor of this program. In addition she remains eligible for State and National honors.

Annette has been very active in the FHA, PAC, and Yearbook staff. Her hobbies are crocheting and baking. Miss Miller has been accepted at Ferris State College in the Medical Lab Technician Program for the Fall of 1974.

ANNETTE MILLER

Sandra Rademacher weds Ernest Steffen

ST JOHNS -- On Jan 5 at 2 pm Sandra E. Rademacher, daughter of Mr and Mrs Dennis Rademacher of R 2, Lowell Rd, became the bride of Ernest L. Steffen, son of Mr and Mrs Ernest L. Steffen of 2400 Green Rd, St Johns at St Joseph Catholic Church. Rev Father William Harker performed the double ring ceremony before an altar decorated with red poinsettias.

The bride chose a Victorian styled gown of silk organza and venise lace with a high ruffled neckline, long bishop sleeves, and bell skirt. The skirt was covered with a venise lace apron. An attached chapel length train of organza fell from the mid-back. She wore a veil of

tiers of imported illusion edged with lace and secured by a camelot cap, and carried a bouquet of white carnations with red roses and accented by red and white mountain stars.

Mrs Deg. Thelen of St Johns attended as her sister's matron of honor. Serving as bridesmaids were Debra and Marcia Rademacher, sisters of the bride from St Johns, Nancy Thurston of St Johns and Anne Barber of St Clair. Kathy and Karen Steffen, nieces of the groom, were flower girls.

The attendants wore full length red velvet dresses with set-in waistbands and a tie in back. They had long, full sleeves with wide cuffs trim-

med in white lace and had stand-up collars. The bridesmaids carried bouquets of white carnations and red roses, while the flower girls carried white lace baskets of red rose petals.

The mother of the bride wore a pale pink floor length dress while the groom's mother wore an aqua floor length dress.

Jerry Steffen, brother of the groom, served as best man. Dennis Steffen, brother of the groom, Dave Rademacher, brother of the bride, Daryell Peck and Curt Parks attended as groomsmen. Doug Herbruck and Ron Rademacher seated the guests.

A reception for 300 guests was held at the St Joseph School gym at 7:30. Host and hostess were Mr and Mrs Mark Pung, aunt and uncle of the bride. Serving were Mrs Mary Schaeberger, Diane and Barb Steffen, Ava Jones and Nancy Herbruck.

Special guests included Mr and Mrs William Rademacher, grandparents of the bride, and Mr and Mrs Louis Elme and Mr and Mrs Eldred Rademacher, godparents.

The couple reside at 205 E. Baldwin St., St Johns.

The bride is a 1973 graduate of St Johns High School, while her husband is a 1972 graduate of St Johns.

Fowler

Mrs Lula Boak was a visitor of Mr and Mrs Richard Boak and daughter Sunday, and other guests were Mr and Mrs Carl Boak and daughter Eileen and Mr and Mrs Larry Barbour. The occasion was the birthday dinner for Mrs Carl Boak and also her daughter Eileen. In the afternoon, Mr and Mrs Robert Boak and family were also visitors.

Miss Judy Benjamin of Milwaukee, Wisconsin spent the weekend with her parents, Mr and Mrs Vernon Benjamin and family and also called on Mrs Lula Boak Sunday forenoon.

Mr and Mrs Paul Schafer of DeWitt spent Sunday with Mr and Mrs Arnold Miller and also Mr and Mrs Martin Schafer.

Ballenger assistant addresses Womens Club

Mrs Fraser MacKinnon was hostess for the March 6 meeting of the St Johns Woman's Club. The speaker, Carol S. MacIntosh, administrative assistant to State Senator, William S. Ballenger, was introduced by chairman of the day, Mrs John Rumbaugh, who likened today's turbulent times to those of 1773, when rebels were abroad.

Mrs MacIntosh talked about pending legislation in the state. This included action on lobbyist control, campaign funding, more open committee meetings, permitting home-owners to improve their property without a raise in taxes, drug substitution at the discretion of the pharmacist for cheaper prescriptions.

She also stressed the need for more women in politics, saying they are not fairly represented in state affairs.

During the question and answer period, she told of the many duties of an administrative assistant and issued an invitation for more public attendance on committee meetings of the Senator and interest in State government.

At the business meeting a letter thanks was read for the donations of the club to Glass House, a home for women alcoholics. The need for continued support of the State Federations' project, "Girls Town" was stressed.

Election of officers for the 1974-75 club year was held. The new officers will be president,

Mrs Joseph Spouta; vice-president, Mrs William Escher; recording secretary, Mrs Harold Millman; corresponding secretary, Mrs Dana Antes and treasurer, Mrs William Morris.

The next meeting is the "Annual Senior Girls' Tea," to be held March 29 in Wilcox Hall, in the Congregational Church. The speaker is Mrs. James Baragar and her subject, is "Your Best Image."

This is the 27th year the girls have been entertained by the club.

Coming Events

MARCH 15 -- Bingham Grange will meet at the hall on Friday eve, March 15, at 8 pm. Business meeting and program to be followed by light refreshments.

MARCH 16 -- The Maple Rapids Congregational Church will hold a spaghetti supper starting at 5 pm with proceeds to be used for choir robes for the adult choir.

MARCH 19 -- at 8 pm the regular meeting of the American Legion Auxiliary Edwin T. Siles Unit 153 will meet at the Post Home.

MARCH 19 -- The Clinton County Association For Retarded Children will meet at the Walter Kyes School at 7:30 pm. The school is located at 4175 US-27.

Eagle News

Lonnie Van Amburg son of Mr and Mrs Raymond Van Amburg of Lansing is home on furlough from Great Lakes naval station. He was visited Sunday by his aunt and uncle

Mr and Mrs Herbert Patrick of Eagle.

The former Marie Selden has open heart surgery at Grand Rapids last week. Her condition is good and she expects to come home next week.

Margaret Murphy and Bertha Higbee attended the Senior Citizens Club at Wacousta last Wednesday. It was a fun day. They re-enacted a day at the old country school house, after a bountiful potluck dinner. There were 50 people present.

Barbara Volk has been absent from her job for the past 2½ weeks due to a severe case of ulcers.

Mr and Mrs Charles Higbee spent Sunday at 8 Point Lake visiting Laura Richards who is just home from Clare Hospital where she has been hospitalized for 6 weeks with a broken hip. She is now using a walker.

Career Day activities in St Johns

St Johns teachers to participate in Frontiers Day

Three St Johns High School science teachers will take closer looks at some of the newer developments in science Friday, March 15, when they visit Michigan State University for a 1-day seminar.

Science teachers from counties in the Lansing area have been invited to participate.

St Johns teachers participating will be Jerry Pulliam, Mike Gehoski and Gary Kingsley. While they are on the Michigan State University campus they will be replaced by the industrial scientists and engineers in the classrooms.

The industrial personnel will discuss various aspects of scientific research and the opportunities for young men and women in science careers.

Industry replacements for the teachers will be Charles Kazmierski, Thomas Eggleton and

Paul Freemant of Dow Chemical USA, Midland.

The high school teachers will hear and take part in a series of talks in the morning by Dr. John Wahr of Dow Chemical USA, Midland; Dr. Donald Bennett of Dow Corning Corporation, Midland; and Robert H. Hammer, Michigan State University, Department of Chemistry. In the afternoon, they will attend a program presented by Dr. Hubert Alaya of Princeton University, intended to inspire them to be more effective teachers.

Michigan chemical firms providing replacement teachers in the high school classrooms in the Lansing area are Total Refineries of Alma, Pennwalt Corporation and BASF Wyandotte of Wyandotte, Union Carbide and Hercules of Southfield, Parke-Davis of Holland, Dow and Dow Corning.

Carland News

The Carland United Methodist Women met this week at the home of Mrs Clara Horn in Carland with 13 members present.

Mrs Mervin Chamberlain presided in the absence of Mrs Joan Parks, who is spending some time in Florida on vacation.

Mrs J.C. Bowen was in charge of the program which she entitled "Extremism and Polarity: Is There an Alternative?"

The article, taken from the Christian Advocate quoted "The chief contribution of the Greeks to culture was the 'golden mean.'" Is this compatible with the essence of the Christian life-style? Or, is it a cop-out?

A discussion of the members brought about an agreement that there was too much polarity in society today, but it was difficult to know just where one fits in; perhaps somewhere in the middle; but had never thought of themselves as middle-of-the-roads, because everyone tells you that is a top-out to avoid making moral decisions. And we all make moral decisions daily.

They all agreed that they love God and Jesus, but find it difficult to hate anyone - even sinners and fallen politicians. In other words, we must walk between the extremes of rationalism of relations and pity and live with both justice and mercy.

An invitation was extended to all to visit the Children's Home in Detroit, and a donation of \$10.00 a month was voted to be given to that Methodist Children's Home.

Thank you notes were read from people who had received Christmas gift boxes. These notes were held over from last month because the meeting had

been cancelled due to inclement weather.

Mrs Glen Brown gave devotions prior to her Missions report about the money they send being spent on the handicapped.

Mrs Edward Greene and Mrs Brown assisted Mrs Horn in serving refreshments to the ladies; after Mrs Bowen read a birthday poem and all sang happy birthday to Mrs Mike Schuoltz, whose birthday happened to fall on the day of the women's society meeting.

Girl Scout Week will be observed throughout the country, March 10-16. Many of them will attend church together to start the week out right, and follow through the week with special programs within their own troops. Now even first graders can join Girl Scouts when leadership can be provided. Let us salute the Girl Scouts and their leaders this week.

Are you gambling with your family's future every time you start your car?

A single auto accident, without proper insurance protection, could seriously affect your family, your resources, and your future earnings.

And helping you make sure you have the right protection is one of the services provided by your independent insurance agent. We represent several companies, so we can review your needs and then place your insurance with the company that provides the best coverage for you. Usually, we can save you real dollars.

So don't gamble with your family's future. Come in or call us soon.

Gen Tel adds long distance lines

General Telephone Company employees have started the installation of additional long distance circuits between the Hubbardston and St Johns exchanges, according to W.J. Langeland, customer service manager for General Telephone Company.

Langeland stated that customer demand and the increase in long-distance calling shows a need for the increase in facilities to handle the calls originating in the Crystal, Palo, and Hubbardston areas.

The \$12,999 project will provide for 12 channels of carrier and associated trunking equipment to meet the demand and also allow for growth and flexibility.

This addition is part of General Telephone's continuing service improvement program to insure the best possible service to our customers in the St Johns area, Langeland said. The equipment is slated to be in service by April 1, 1974.

BEVERLY WING - GENE BURGESS

Engaged

ST. JOHNS - Mr and Mrs Ernest M. Wing, R3, St Johns, announce the engagement of their daughter, Beverly Ann, to Gene Louis Burgess, son of Mr and Mrs Rex Burgess, R3, St Johns.

The bride-elect is a 1973

graduate of St Johns and a 1974 graduate of Melba Beauty Academy. Her fiance is a 1970 graduate of St Johns and is employed by Federal Megul Corp of St Johns.

The couple are planning a May 4 wedding.

DeWitt carnival will finance band uniforms

Mrs Merry Sellhorn, President of the DeWitt Band Boosters, announces there will be a carnival, at the DeWitt High School, Saturday, March 23rd, from 2 pm-9 pm.

Featured will be a full variety of fun and games. A lively carnival atmosphere will accompany visits to the Country Store, Eats in the Cafeteria, luck at the Cake Walk, Fish Pans, Teddy Bear Pitch, Yum Yum Tree, Clown Face and many others.

Volunteer, helpers will be

welcome. Those wishing to donate to the Country Store or Cake Walk may call 484-4694.

The Band boosters, an enthusiastic group of DeWitt parents, students, and Mr Robert Masacek, Band Director, are striving to earn enough funds to purchase new uniforms for the entire High School Band. Proceeds from the Carnival will go toward this endeavor.

Pewamo

By Mrs Irene Fox

Mr and Mrs Clyde Sivernall paid their respects to their cousin William Schafer 89 who passed away Sunday Feb 24 at Grand Rapids. Funeral was Wednesday Feb 17.

Mr and Mrs Louis Thelen, Mrs Walter Leach and Mrs Orah Roach were in Florida where they spent three weeks. Mrs Walter Leach returned to her home in Florida after a five weeks stay with her brother and sister-in-law Mr and Mrs Louis Thelen, following the death of her husband Walter Leach. Mr and Mrs Louis Thelen and Mrs Orah Roach returned home Saturday Feb 16.

Fall to Eaton Rapids

Injury, fouls hurt Redwings

Doug Woodhams pops in 2 for St Johns, but missed the rest of the 1st half after being injured.

OKEMOS — The expected tangle between Holt and St Johns never came to be as the Redwing drive for the District championship was short-circuited by Eaton Rapids 47-46, in a game that saw Doug Woodhams in action for only a few minutes.

Woodhams, who has been the Redwing scoring spark plug all season, was injured in the 1st quarter and didn't see action again until the 3d period.

Woodhams went to the bench after being cut over his right eye, an injury that eventually required 4 stitches.

St Johns took the lead in that opening quarter 13-8, but then ran into scoring problems in the 2d period.

At the end of the half Eaton Rapids took a slim 1-point, 26-25 advantage into the locker room.

Just prior to that, Eaton Rapids had gone ahead by 5 points and went into a stall.

That tactic failed, however, as St Johns broke the stall and then came within 1 before half-time.

Foul trouble plagued the Redwings in the 3d quarter. Woodhams, back in the game, wound up with 4 fouls before the end of the 3d quarter and Mark Wawsczyk had his 4th foul called early in the quarter.

By the time the period was over, Eaton Rapids had outscored St Johns by 13-7 and held a 7-point lead.

With their big men, Woodhams and Wawsczyk, back in the contest St Johns battled back.

However, Wawsczyk, was called on his 5th foul with a little over 3 minutes left in the contest.

Woodhams later had his 5th foul called just before the end of the game.

In the last minute of the game, it appeared the Red-

wings might have been able to come battling back and take the lead.

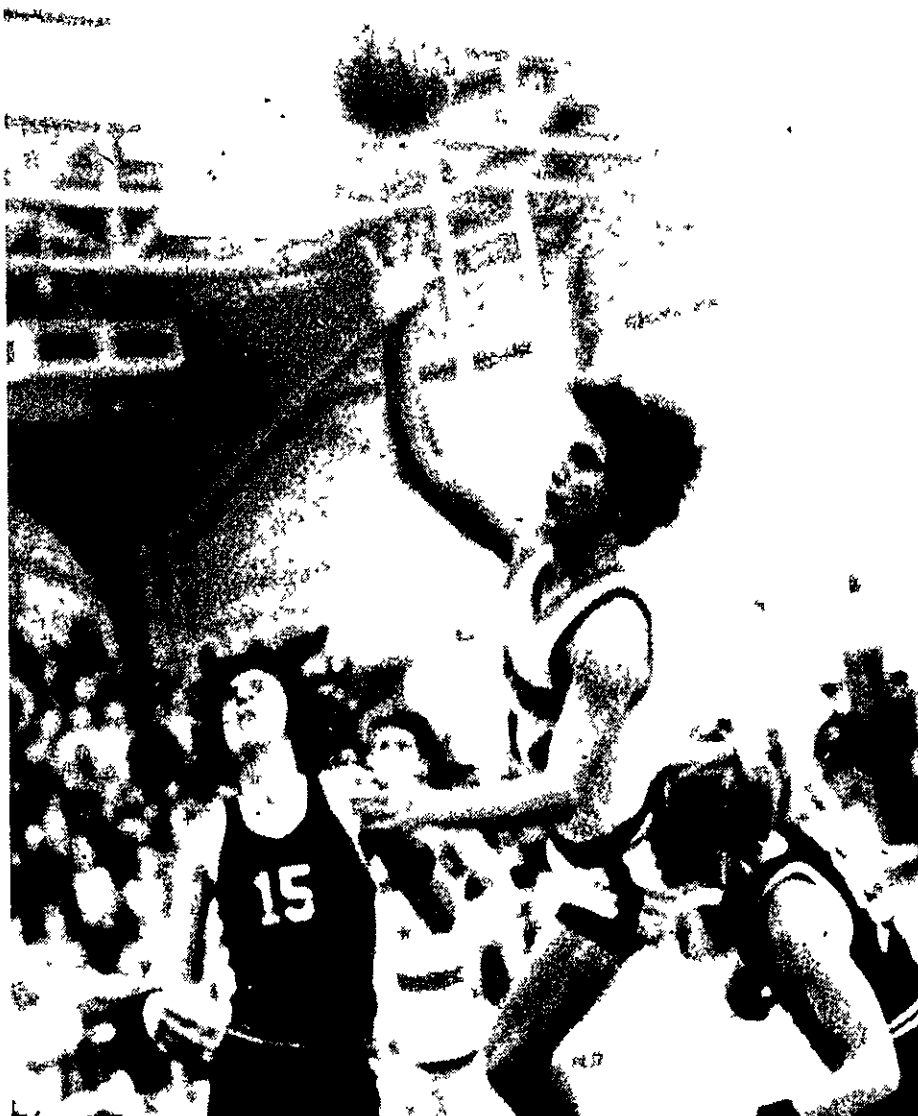

Following 2 points by Tom French, the Redwing press took the ball away from Eaton Rapids twice. Tim Fox took advantage of 1 steal for a bucket and Tom French sank another to put the score at 47-46.

There was then less than a minute remaining in the contest. The action was furious in those last few seconds, but the Redwings were unable to grab a bucket for the lead.

Tom French led the scoring for the Redwings with 12 points, Tim Fox had 10 and Woodhams

burned Eaton Rapids for 10 in the little over 10 minutes he was in the game.

The upset over St Johns was the last for the Greyhounds, who were unable to stop Holt Saturday night in the District Championship.

Kevin Knight drives for Redwing bucket.

Tim Fox gets loose for 2 Redwing points.

Mark Wawsczyk scraps for an elusive basketball against Eaton Rapids.

Portland wins, but learns Don't call P-W patsies

By JOHN PHIPPS
 County New Sports Writer
PORTLAND - Portland High learned something about Pirates Saturday night -- they're not patsies.

The Pirates of Pewamo-Westphalia gave the host Raiders enough headaches to last the summer before dropping the Class C district basketball championship 76-65. A 28-5 deficit at the free throw line made the difference.

Along the way, the hustling Pirates destroyed a misconception of the visitors held by one Portland fan:

"I thought these guys were supposed to be patsies," grumbled the spectator as P-W burst out to an 8-point lead over his Raiders in the 1st quarter.

After later falling behind by as much as 13 points, the Pirates shocked the home fans with three madcap revivals in the 2d half, pulling within 3 points.

By the time foul trouble caught up with P-W, the converted Portland observer acknowledged with respect, "these guys are fighters; they're putting out 100 percent all the time."

Portland coach Don Crandall was not surprised, despite his team's position as pre-tourney favorite. "We expected a battle. They came in here with a 17-4 record and we knew that to win, we would have to play good defense, rebound well and stay out of foul trouble."

Harry Peacock's Pirates went into the contest with the goal of applying heavy pressure on the rebounder and cutting off the quick outlet pass in Portland's fast break. "We need to play good defense without fouling, and we need to force Portland into foul trouble if we can," Peacock said before the game.

The strategy worked for the first 12 minutes, but Portland pulled away to a 10-point halftime lead at 42-32 by outscoring the visitors 24-14 in the 2d period. The teams had tied 18 after P-W's fast start in the 1st quarter.

Once behind, the Pirates were forced to come out scratching in the second half. They gave it a gut-busting try, but found themselves plagued by turnovers, missed free throws in key bonus situations, lack of rebounds at strategic moments and -- most damaging of all -- mounting foul trouble in the closing minutes.

Four starters fouled out and a key reserve man had four personals at game's end. But the Pirates' constant hustle kept the game in doubt until the final 41 seconds. Portland's star of the night, 6-3 front liner Doug Miller, slipped

in a layup to give the Raiders an 8 point gap at 73-65 and assure the victory. He totaled 29 points for the game to lead all scorers.

"It all comes down to free throws," said Peacock after praising the efforts of his last Pewamo-Westphalia cage team. The head man for 5 years at P-W, Peacock said he plans to step down from the basketball position to devote more time to his duties as athletic director.

"In the 2d quarter we went to a full court press when one of their big men, Lawless, fouled out. But they got through and picked up a couple of quick buckets to get ahead," assessed Peacock.

In the winners' locker room, Crandall gave the reason: "We couldn't get inside their zone defense at 1st, but we found we could get a man open at the point and (Tim) Wellman is a deadeye from out there."

Wellman socked home his 1st 3 bombs from the top of the foul circle in the 2d period to key the Raider surge. While the 6-3 Ken Lawless languished on the bench with 3 fouls, his teammates expanded a scant 24-22 lead into a 38-28 gap.

Pewamo-Westphalia, in turn, experienced trouble penetrating a sticky Portland zone and lost its hot shooting hand. In the 1st quarter the visitors had sizzled with 8 of 15 fielders falling through. They hit just seven of 20 tries in the 2d while being outscored 24-14.

The teams played evenly in the 3d quarter, each hitting 6 of 12 fielders. Miller kept Portland alive with nine of his team's 14 points. P-W, meanwhile, missed the first of a one-and-one free throw three times and was slightly outscored, 14-12 despite a rally to within 6 points midway through the period.

Fast-moving guard Randy Walters keyed the Pirates' scoring with eight of his 18 points in the 4th period, but the price for two last-ditch rallies was foul trouble.

And Portland capitalized. While making only four of 10 fielders, the Raiders happily tucked away 12 of 21 free throws to keep the upper hand. Guard Kevin Seal picked up six of seven gift shots in the fourth quarter, missing three others.

Miller finished his stint in the garbage detail under the basket with nine field goals. He made 11 of 15 free throws for a total of 29 points. Miller led the Tri-County Athletic Association with a 20 point average while Portland took first place on a 10-2 record. Others in double figures Saturday were Seal with 11 and Lawless and Wellman with 10 each.

Walter, also a 20-point scoring

leader (Central Michigan Athletic Conference), totaled 18 points, all on field shots. Center Dan May had 15 and Lee Thelen added 10.

Pewamo-Westphalia outshot Portland 30 field goals to 24 by hitting nearly 50 percent, but Portland notched 28 of 43 free throws to P-W's 5 of 15.

The host team outrebounded P-W 38-30, with Lawless and

Miller getting 11 apiece. May pulled-down 11 for the Pirates; Jim Cotter contributed 8.

Pewamo-Westphalia finished the season with a 17-5 record, including a school record total of 16 victories during the regular schedule. The old mark was 14, set during the 1971-72 campaign, when the Pirates went on to capture the district championship. This season P-W

was tied for second in the CMAC with a 14-4 mark. Portland, now 20-3 after a season that included 6 weeks in the state's top 10 ratings was to move into regional competition at 7:30 pm Wednesday against Caledonia (19-4). Lansing Catholic (11-2) and Muskegon Christian (19-3) were first-night opponents in the Grand Rapids Ottawa Hills regional, Tuesday.

First quarter drought costly to Ovid-Elsie

OVID - What the Ovid-Elsie Marauders would have given Thursday to have the 1st quarter to play all again.

Ovid-Elsie outscored Durand in every quarter except the 1st, throwing them into an 11-point

deficit that eventually cost them the game 67-65. After scoring just 6 points in the 1st quarter, a period in which the ball just wouldn't go through the hoop, the Marauder offense came alive.

Ovid-Elsie cut the lead to 10 in the 2d quarter. The Marauders continued plugging away in the 3d period and chipped several more points off the lead.

The dogged effort paid off in the final period, when the Marauders tied the score at 60-60, outscoring Durand by 10 points 25-25 in the period. But, it just wasn't enough as Durand regained the lead and eventually won by the 67-65 score.

Jack Bashore was a hot Marauder Thursday night, hitting for 27 points. Randy Bowles hit for 16 and Mark Hudecek was also in double figures with 10 points.

The loss gives the Marauders a .500 season of 11, while Durand went into the District Championship Saturday night with a 14-7 record. Durand was beaten by Mt Morris in the championship game Saturday.

Bath falls in high scoring battle with Catholic Central

LANSING - The Bath Bees turned back Williamston 76-69 Thursday night to earn a shot at the Class C District Championship at Lansing Catholic Central, but the host Cougars took the top end of a hot shooting 96-88 score in the big game Saturday night.

For fans who really appreciate accurate shooting, the game was a delight. The cougars, who hit over 50 percent in all their tournament games shot for a 51 percent average from the floor.

The Bees weren't far behind, picking up buckets at a 45 percent rate. Bath, although trailing throughout the contest, certainly made it a game.

In fact, a lone quarter, the 3d when the Cougars outscored them 26-18, might have been the whole ballgame.

The Bees led at the end of the 1st period, 18-17. Lansing Catholic Central then took the lead, outscoring the Bees 23-21 in the 2d period.

The Cougars, leading 40-39 at half-time, breezed away from Bath in the 3d quarter, outshooting the Bees 26-18. The last quarter was a scorcher with Bath clicking for 31 points and Lansing Catholic Central 30.

The 5 starters on both teams showed why they were starters -- all hit in double figures with all

scoring led by Doug DeMartin, who had 33 points. Fritz Ordiway led the scoring for Bath with 27, followed by Glen Tarrant with 20, Kerry Zorb with 16, Ted Day with 13 and Doug Kesson with 12.

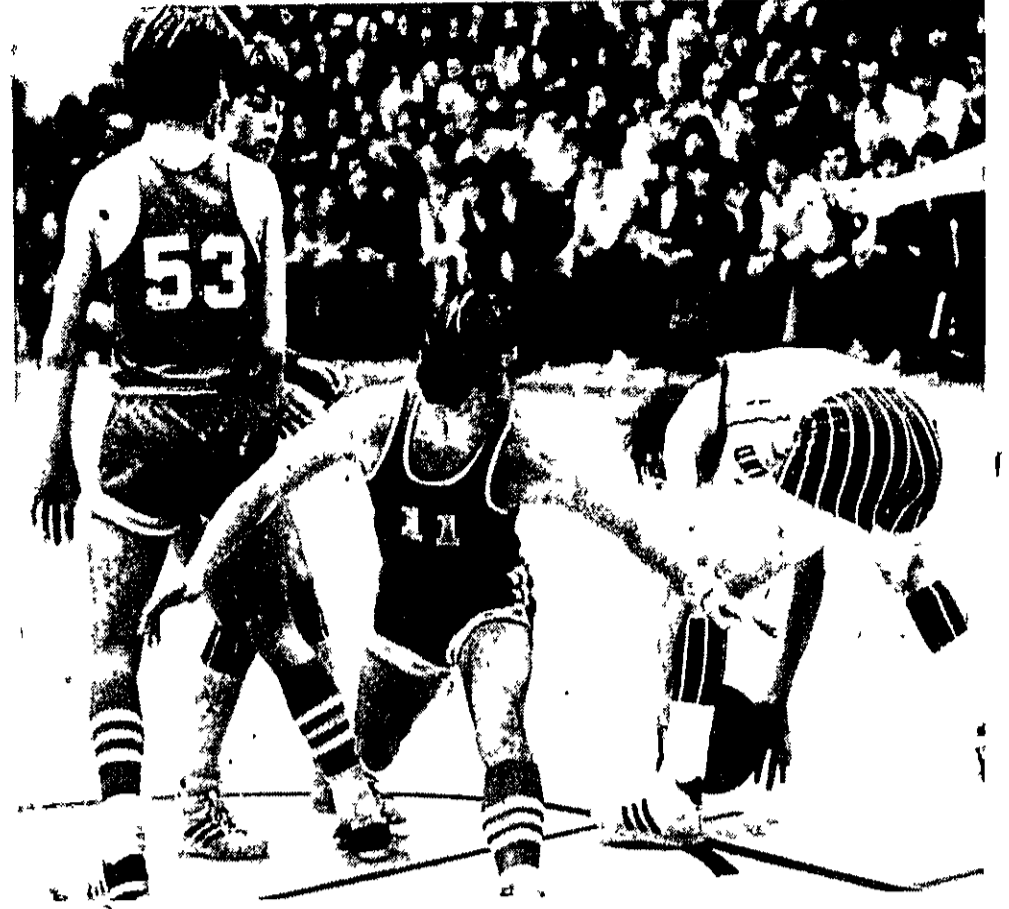

The Bees finished the season with 14-7 record.

St Johns swimmers finish 2nd in conference

ST JOHNS -- The St Johns swimming team placed second in the West Central Swimming Conference Saturday. Strong swimming by the experienced Waverly swim-

St Johns Redwing swimmers who have qualified and will be competing in the state swimming meet are (front, from left) Villereall, John Mailand, Harold Wellman, Mike LeVeck, (rear, from left) Kirk Robbins, Eric Grost, Larry Feldpausch and Cliff Montry. Not shown is Jeff Livingston.

ming team took 1st place honors. St Johns has finished 2d for the past two years and the coaches Wayne Morrison and Steve Barber said they feel very satisfied with it.

Morrison said the 8 years of experience Waverly holds over the young Redwing tankers is too much of an edge to overcome now but feels each year St Johns is getting closer.

Kirk Robbins took 1st in the conference in diving making it 2 years in a row the Redwing tankers have held down this spot.

St Johns' other two divers Mark Grost and Jim Cole also finished in the top 6 in the conference.

Morrison foresees strong diving out of these 2 freshman next season.

The tankers took 23 medals in all while placing 2d.

Barber and Morrison were very pleased with the desire and hard work the Redwing swimmers showed in getting prepared for this conference meet this past week. The Redwing swimmers were hit hard with the flu 2 weeks before the conference meet but came back in the last week.

Morrison said "We went double practices, mornings and nights, and practices Saturday while trying to make the come back."

Barber said, "This shows the caliber of swimmers we have out this year to make a fine comeback like this in the conference meet."

Strong swimming by Larry Feldpausch in the 100 backstroke, Tom Villereall in the top relay and Cliff Montry helped in the Redwings success.

Harold Wellman again swam very well in the 50 freestyle, the 100 freestyle and the 400 freerelay.

John Mailand did very well in his specialties the 200 freestyle, 500 freestyle and the bottom relay.

Jeff Livingston swam a very fine time in the 500 freestyle which placed him among the top swimmers. Eric Grost and Paul Butler did very well also in their specialties, the 100 breaststroke Paul Butler also placed among the top 6 in the 200 individual medley.

Morrison said, "we still have

Righ Gregory of St Johns presses the attack against Saginaw's Tim Harder, but lost on a TKO in the 1st round, following what many were convinced was a low blow. The action took place at the Golden Gloves State Finals in Lansing, Friday.

Bill Brown of St Johns has his man in trouble during his Friday night bout against Flint's Bill Hollis. Hollis recovered to take the decision. In action Saturday night, St Johns 3rd entry in State Golden Gloves Finals, Fred SanMiguel lost on a decision.

O-E wrestlers place high in tournament

Ovid-Elsie finished fifth out of 32 teams competing in the State Class B Wrestling Tournament held at Fenton Saturday Mar 3rd.

O-E had six wrestlers enter from the district meet and two, Rob Nethaway and Paul Tomasek survived to make the State Finals held at Western Michigan University Saturday, March 10.

O-E's Steve Latz at 98 lbs lost his opening match to Jim Glazier of Flint Ainsworth 10 to 1.

Fred Enos won his opening match 21 to 2 over Doug Malinowski of Flint Hamady. Enos lost his second match to Cliff Allen of Mt Pleasant the eventual 119 pound champion.

O-E's Dan Purnford at 126 lbs won on a fall at 3:49 in his opening match but then lost on a fall to Flint Atherton Steve Robinette. In his consolation match he was beaten by Hemlocks Jim Warner. The eventual champion was Don Lewis of St Johns.

At 155 lbs O-E's captain Paul Tomasek won his first match then lost to the eventual champion John Easley of Fenton but came back to win his two consolation bouts to pick up a third place finish and advanced to the State Finals.

Rob Nethaway at Heavyweight won the championship by pinning Flint Bently's Larry Shiegowski at 4:52, then beating Fentons Paul Roe 6 to 1 and pinning Mt Pleasant's Dan Husted at the 3:02 mark.

Tomasek and Nethaway are both seniors. Both wrestlers were injured and missed alot of the season. Tomasek broke his hand but has a season record of 2 wins and 5 losses. He also won the 167 pound championship for the second year in a row in the Mid-Michigan B league.

Nethaway who missed over half of the season with a back injury has won 15 straight matches this year and 13 of these wins have been by pins. Nethaway weighs in at 265 pounds, and he has also won the heavyweight division in the Mid-Michigan B league for the last two years.

Jay Anthes attends CYC conference in Washington

Jay Anthes will attend a United Nations-Washington Seminar during the week of March 7-16, 1974. The ten-day seminar is being conducted by the West Michigan Conference of the United Methodist Church, through the Conference Youth Council.

He will be one of a group of thirty-nine juniors and seniors from some thirty-five local United Methodist Churches throughout the western half of the state of Michigan. The purpose of the seminar is to study the United Nations and the Congress of the United States in the light of the principles of Christian citizenship. This will be the nineteenth year that such a seminar has been conducted by the West Michigan Conference Youth Council.

Jay is the son of Mr and Mrs Allen J. Anthes of St Johns, and is a senior at St Johns High School. He is active in the United Methodist Youth Fellowship at St Johns United Methodist Church, where he holds the office of President. With the 39 youth, there will be four adult advisors. The group will be travelling by chartered bus and will spend four days in Washington and four days in New York.

Robb Nethaway (left) and Paul Tomasek, Ovid-Elsie wrestlers are both champions in the Mid-Michigan B-League in Wrestling. Although, both were injured, they came back to top their league in their divisions.

REGISTRATION NOTICE
For
SPECIAL ELECTION
APRIL 22, 1974
To the Qualified Electors of
Bath Township, County of Clinton,
State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said township, not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however that I can receive no names for registration during the time intervening between the thirtieth day preceding any regular, special or official primary election and the day of election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT MY OFFICE Monday, March 25th, 1974 LAST DAY, the thirtieth day preceding said Election from 8 o'clock A.M. until 8 o'clock P.M. on said day for the purpose of reviewing the registration and registering such of the qualified electors in said Township as shall properly apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

June F. Burnett, Clerk

John Wesley College announces plans for performing arts center

John Wesley College is proceeding with plans for a multi-purpose building which will be used primarily as a center for the performing arts. At the same time that architectural sketches and blueprints are being finalized, the College is pursuing several means of financing the million dollar structure.

our concern for the total education of the youth of our nation will respond with a sizable donation!"

"A donor may choose to memorialize the building, naming it after a person of significance to them," he continued.

A gift could be given as a challenge grant with a donor giving a large sum of money and challenging friends of the College to match it. The

donation could come in the form of cash, stocks, or securities. A second means of financing part of the project would be through a foundation. Dr. Everett G. Beckman, who recently joined John Wesley College as head of Foundations and Trusts in the Development Office, is actively exploring several foundations which might have an interest in supporting the project.

The need for the structure is great on the Owosso campus

which is fast expanding to meet the demands of a growing student body.

The building would provide a place for: convocations, artistic performances such as plays and concerts, lectures for small and large audiences, community activities, films, laboratory work in communication arts, and exhibits and displays.

The proposed facility is to cover about 20,000 square feet. It will blend into the campus with an Old English motif on the exterior; designed as a collection of varied and interesting small units.

Inside will be an auditorium with seating capacity of 350 persons.

There will be several striking

features in the building including a revolving stage. A large backstage area will contain two dressing rooms and a make-up room.

Six classrooms, which will seat from 40 to 350 students, will be located on the perimeter of the auditorium with the seats resting on revolving platforms that can be part of either the classrooms or the auditorium. This revolving capacity is compatible with the latest in educational experiences used now in some other institutions in the nation.

Other aspects of the interior for which donors will be sought include a pipe organ and an electric organ—again two pieces of equipment of important to the

performing arts program of the College.

The visual-audio laboratory—equipped with tape recording instruments, consoles, and televisions—will contribute greatly to the educational program of the College.

Built on top of the lobby will be a projector room.

The multi-purpose building will be constructed on the west side of the faculty office buildings in the educational area of the campus.

Obituaries

Eva Pearce

OVID—Eva I. Pearce, age 94, of R 2, Ovid, died Saturday, March 9 at Durand Convalescent Center. She was born in Fairfield Twp on August 9, 1879, the daughter of William and Mary Corp. She was married to Clarence R. Pearce in Owosso on Jan 13, 1897.

Funeral services were held Tuesday, March 12 at the Houghton Chapel of the Osgood Funeral Homes with Rev. Claude Ridley officiating. Interment was in Maple Grove Mausoleum.

Survivors include 2 daughters, Mrs. Pauline Miller of rural Ovid, and Mrs. Wilma Beckus of Birmingham; 5 grandchildren; and 5 great-grandchildren; 2 sons, Len and Clare, preceded her in death.

5 grandchildren; 15 great-grandchildren; and 6 great-great-grandchildren.

Ilah Burns

ST. JOHNS — Mrs. Ilah G. Burns, age 76, of 1555 W. Price Rd, died in a Lansing Hospital March 5. She was a former Lansing resident, moving to St. Johns in 1960. She had been employed at Lansing Stamping Co for many years.

Surviving are 2 daughters, Mrs. Dorothy Courser of St. Johns and Mrs. Robert (Mildred) Vendeville of Lansing; 1 son, Welby Campbell of Lansing; 6 grandchildren; 1 brother, Dale Gordon of Lansing; 5 sisters, Mrs. Ida Brown, Mrs. Ellen Haley and Mrs. Mary Logan, all of Lansing, Mrs. Florence Oakley of Dansville and Mrs. Gladys Burnham of Kalamazoo.

Robert Breedlove

FT LAUDERDALE, FLA — Robert Breedlove, 92, former resident of Lebanon Twp, died recently at his daughter's Ft. Lauderdale home.

He was married to Myrtle Hiner Breedlove, who preceded him in death in 1965.

He was born May 13, 1882 in West Virginia.

Burial was near the previous family home at Yawkey, West Va.

Religious services will be conducted at 10 am Thursday at the Estes-Leadley Colonial Chapel, with Rev. Brian K. Sheen of the Pilgrim United Methodist Church of St. Johns officiating, with interment in Deepdale Memorial Park.

Lettie Sloat

OVID — Lettie B. Sloat, age 81, of Kinley Rd, died Thursday, March 7 at the Ovid Convalescent Manor. Funeral services were held Saturday, March 9 at 1 pm at the Houghton Chapel of the Osgood Funeral Homes with Rev. Claude Ridley officiating. Interment was in Maple Grove Cemetery.

She was born in Victor Twp of Clinton County on April 1, 1892, the daughter of Samuel and Freelo Miller. She married Alton Sloat in St. Johns on Feb 24, 1912.

Surviving are 1 daughter, Mrs. Shirley Watson of rural Ovid; 4 sons, Forest and Victor of Ovid, Cayle of Elsie, and Richard of Carland; 14 grandchildren; and 15 great-grandchildren.

Fred Hathaway

LAKEVIEW — Fred L. Hathaway, 95, of R2, Lakeview, died March 5 in Lakeview. Funeral services were held Friday March 8 at 1:30 pm at Stebbins Funeral Home in Edmore with Rev. Leslie Smith officiating. Interment was in Mt. Rest Cemetery in St. Johns.

He was born in Fallsdale, Nev on Sept 14, 1878. He was married to Mary M. Reynolds and resided most of his life in St. Johns. He was a carpenter.

Survivors include his wife, Mary; 1 son, Don of Big Rapids;

St Johns

Morning Musicales elects officers for 1974

St Johns Morning Musicales met at the home of Mrs. Basil Deibert Feb 28.

Officers for the coming year were elected: president, Mrs. Howard Woodbury; vice-president, Mrs. John Caudy; recording secretary, Mrs. Paul Martis; treasurer, Mrs. Richard Jacoby; and corresponding secretary, Mrs. Basil Deibert. Mrs. Winchell Brown

presented some notes on 2 19th century composers, Johannes Brahms and Richard Strauss. A trio of Mrs. Donald DeWitt, Mrs. Lawrence Fish, and Mrs. Paul Martis sang the "Cradle Song"; Mrs. Roland Dugway sang "Sapphic Ode" by Brahms.

The next meeting of Morning Musicales will be at the home of Mrs. Donald DeWitt on March 21.

Carland News

Mr and Mrs Richard Mead and son, Brian of St. Johns, were treated to Sunday dinner at Gracies Restaurant in New Lothrop, Sunday by Mrs Mead's parents Mr and Mrs Leo Deming of Carland. The occasions were to celebrate the 5th wedding anniversary of Mr and Mrs Mead.

In the evening they all gathered at the Deming home in Carland with Mrs Mead's grandparents Mr and Mrs Lewis Walling of Elsie joining them for an evening meal.

The LePard family, a musical and sing family, from Haslett, have been holding Evangelistic meeting for the Carland and Burton United Methodist churches three nights this week. People have turned out for these special Lenten services in large numbers. The group consists of the mother and father, two teenage daughters, a young son, who

sings and plays the drums and a small daughter who sings.

The Shiawassee County Farm Bureau Women reported that 82 pints of blood were collected in February.

The "Pennies for Friendship" deadline is set for June 1st.

It is time for applications to be sent in to the county office for delegates to the Young People's Citizenship Seminar. This is for students who will be high school juniors or seniors next year. They need not be Farm Bureau Members.

The Seminar will be held at Albion College June 24-26. Expenses for the delegates will be paid for by the Farm Bureau.

Topics to be considered are, The American Way of Life, People and Government Around the World, and Our American Political System etc. Any one in our area that is interested may phone Mrs. Ken Houghton of Corluna before April 10.

It's all over now

When you've lost a husband, a wife, or someone very close, it's natural to feel this way. This is why attending visitations at the funeral home is so important. It shows that it isn't all over and that there are still people who care.

Village of Fowler Council meeting

The meeting was called to order by Pres Pettit at 7:05 pm. Roll call was taken, with six councilmen present. The minutes of the previous meeting were accepted as read. Current bills in the amount of \$7,857.44 were presented for payment. A motion was made to pay the current bills with the exception of a bill from Municipal Supply Co. The Finance Committee presented the budget for the 1974 Fiscal year. The budget will be brought up for adoption at the next regular meeting. A resolution was adopted to change the Village employees retirement from Plan C to Benefit C-1 of the Michigan Municipal Employees' Retirement System. A motion was made and carried to accept and sign the two year contract with the Clinton County Sheriffs Dept. for Police protection. The Village Council has decided not to participate in Mayor Exchange Day this year. A motion was made and carried to obtain engineering specs of the Preliminary Storm Sewer Study dated 4-9-73. Due to the Village Election being held in the Dallas Township Hall March 11, 1974, the Village Meeting will be held at the Jaycee Hall at 7:00 pm. The meeting was adjourned at 9:25 pm. Catherine Rademacher Village Clerk

88th District Report by Stanley Powell State Representative

The legislative process is a good deal like the proverbial iceberg. Only the tip is visible. The great bulk is concealed below the surface line.

Most of the more important legislative accomplishments are wrought in prolonged and tedious sessions in committee rooms or in the give and take arguments between individual members of their offices or in some more informal setting. The formal daily sessions of the Senate or House only air or publicize agreements or compromises which have been worked out hours before in tedious procedures and devious processes.

Each year literally thousands of proposals are presented in the form of bills or resolutions. For 1973, the total was 3,702. Only about 200 of them actually reached Governor Milliken's desk for approval or veto. Since this is the second year of a biennial session all the bills and resolutions not disposed of last year carry over into this year. That backlog of undigested legislation is being augmented day by day with literally hundreds of new proposals being introduced. Each of them is no doubt the most important measure of the session insofar as some individual or organization is concerned so it has to have careful consideration in the committee to which it is referred.

MANY FARM FOLKS are asking what is happening to House Bill 4244, the so-called Warner bill relative to the assessment and taxation of farmland. We House members passed that bill on May 15, 1973

by a vote of 77 to 19. It then went to the Senate and was referred to their Committee on Taxation which after several months reported out a substitute version of the bill which was substantially different than what we had sent over from the House. The substitute bill was passed by the Senate on Feb 7, 1974 by a vote of 28 to 4. Even its title was drastically re-drawn by the Senate. As the bill came back to the House, the title of the bill read: "A bill to provide for farmland development rights agreements and open space development rights easements; to prescribe the duties of the State Land Use Agency; to prescribe the duties of local governing bodies; to prescribe the powers and duties of certain state departments; and to prescribe penalties."

When the substitute bill was received back in the House something happened that I had never seen occur previously. Action on the Senate substitute was postponed for a month; that is, until March 12, 1974. During this period several of the more agriculturally-inclined Representatives have been devoting long hours to the consideration of how the Senate substitute might be revised, so as to be reasonably acceptable to more farm folks and be a bill which would not be subject to abuse by land speculators.

There is talk now that it will take more time than the original March 12 deadline to complete the drafting of the proposed amendments to the Senate substitute. I do hope that we can at long last develop a bill which can be approved by a majority vote in both chambers and which will protect agriculture land against being assessed at speculative values, particularly land in locations where there is rapid development for commercial or industrial purposes.

It is proposed that the landowner agree to continue to devote the land to agricultural purposes for a 10-year period and as an incentive be guaranteed that his property tax would not exceed 7 percent of his household income. A controversial feature is what the penalty should be for failure to comply with the terms of the agreement. This is only one of the points of disagreement which make this bill so complicated and controversial.

WORKMEN'S COMPACT FOR SMALL BUSINESSMEN

Another bill which has been approved by the House (this one on its way to the Governor for signing) will reduce the cost of workmen's compensation for small businessmen and farmers in Michigan. It was especially promoted by the lumbermen. The bill allows small businesses to enter into

agreements to pool their liabilities and qualify as self-insurers under Michigan's workmen's compensation act. Provisions for implementation of this act are to be determined by the Director of the Bureau of Workmen's Compensation. It is expected that he will require the agreements to be reached through professional or business associations. The director will also determine whether or not the group must obtain bonding or other security of a reasonable amount to insure the workmen's compensation claims.

Presently most small businessmen are forced to purchase commercial insurance to protect themselves against workmen's compensation claims, which because of its high risk has sustained increasingly rising premiums. Reportedly, these premiums were on occasion amounting to nearly \$30 for every \$100 worth of coverage which was becoming an increasing burden to small business in Michigan. The small businessman, with limited assets, was finding that it would be less expensive to meet workmen's compensation payments out of his own pocket than to pay to carry insurance against the claims.

PENAL REFORM BILL INTRODUCED

My colleague, State Representative James J. Damman (R-Troy) has introduced two bills which would amend the "time off for good behavior" provisions for a person confined in the state's penal institutions.

One bill revises the schedule and conditions under which good time and special good time are awarded while the other deals with the conditions under which an inmate is eligible for parole.

Under the present law, "good time" accumulates at an accelerating rate as the length of the prison sentence served increases.

Accumulated good time allowances are subtracted from the minimum sentence imposed by the judge. For example, a person sentenced to serve a 15 year, minimum sentence could be released in 8 years and 9 months after accumulated good time was subtracted from the minimum sentence, Damman points out.

Accumulated good time, however, can be forfeited for an infraction of prison rules, insubordination, escape or attempted escape, but as a practical matter is normally awarded routinely.

The first of the bills introduced by Damman, would eliminate the accelerated formula for accumulating good time by providing a maximum

of 5 days per month reduction, regardless of the length of the sentence.

The second bill would remove the automatic awarding of good time from the present act by allowing the warden complete discretion in determining whether or not to award good time to an inmate, as well as the amount of time to be granted.

Damman's bill would also require written approval of the sentencing judge or his successor for any parole in advance of the minimum term - whether it occurs because of a special parole or because of good time allowances.

Representative Damman says: "Good time reductions do not conform to the reasonable expectations of the victim, his family and perhaps even the defendant."

"It is because of these procedures that the public's respect for law enforcement and judicial administration continues to diminish. The rationality of the present law is subject to question. The most serious crimes carry the longest sentences, yet under the present law, such long sentences afford the greatest reductions because of good time. I feel it is time for a change."

BILL SIGNINGS

Governor William G. Milliken signed seven bills into law recently including a measure to amend the state Revenue Bond Act to solve problems raised by the Michigan Supreme Court's Wayne County Stadium decision.

The measure (HB 5418, I.E.) provides that if a local unit of government backs a bond issue with its full faith and credit, any resultant tax levy is to be in addition to all other taxes which the unit is authorized to levy - but may not exceed the revenue needed.

It also provides that when a local unit advances funds from its general fund or levies a tax to pay the bonds, it will be reimbursed from net revenues produced by the public facility that was financed by the bond issue.

A major provision of the bill is that it makes it easier for citizens to call a referendum on the bond issue - especially in large communities.

It allows 45 days, instead of 30 days, in which to file referendum petitions. It also places a ceiling of 15,000 on the number of signatures needed on the petitions. Below that, petitioners still must collect signatures equal to 10 percent of the registered voters in the local unit.

The bill is practically identical to one vetoed by Milliken last August because the word "not" was inadvertently omitted - changing the meaning of the bill.

Other bills signed included:

-HB 5287 (I.E.) providing a 3.8 percent annual increase in the salary of full-time probate judges with a gross salary limit of \$36,330, of which the state pays \$21,798.

-HB 5250 (I.E.) which gives a township board 30 days in which to publish an annual report on the results of the township audit. It has been required "immediately" in the past.

-HB 5103 (I.E.) which eliminates the requirement for two sureties for a register of deeds bond; it also provides that the bond, at least \$3,000, be approved by the county board of commissioners and be secured through a surety company authorized to do business in Michigan. I introduced this bill.

-HB 5104 (I.E.) which deletes the requirement for three sureties for a bond given by a sheriff. It also provides that the sheriff furnish a bond of at least \$10,000, to be approved by the county board of commissioners and secured through a firm authorized to do business in Michigan. This is another bill which I introduced.

-HB 5014 (I.E.) which repeals obsolete sections to the law which refers to justices of the peace. This is a third bill which I had introduced.

-SB 557 (No I.E.) which provides that treasurers of fourth class school districts may be exempted from posting a surety bond when the authority for administering district money rests with a district employee through a resolution of the board.

Pewamo

The 55 wedding anniversary was observed Thursday evening when a family gathering was at the home of Mr and Mrs James Cotter Sr. The anniversary date is Feb 27. Attending were Mr and Mrs James Cotter and Mr and Mrs John Cotter.

Funeral services for Vanessa D. Devers, 15, were Saturday at 2 pm at Hull Memorial Chapel in Muir. Rev Joseph Noom of Sparta Free Methodist Church officiated. Interment in the Muir Cemetery. Vanessa, 15, daughter of Mr and Mrs Wilford Devers Pewamo passed away early Wednesday morning at Ionia County Memorial Hospital, following an extended illness. She was a sophomore at Pewamo-Westphalia High School, a member of Future Home makers of America Club and a member of the Free Methodist Church in Ionia.

Survivors are her parents Wilford and Addie Devers, four sisters and two brothers and her paternal grandmother Mrs Myrtle Winters of Lyons.

Mrs Julia Fox of Carson City was a Sunday evening visitor of Mrs Irene Fox.

Mrs Dorothy Parks and Mrs Theresa Simon were Feb 14 dinner guests of Mr and Mrs Louis Simon and family. The occasion being Louis Simon's birthday.

Airman Michael J. Freund, son of Mr and Mrs Clifford Freund of Pewamo Rd Pewamo route 1, has graduated at Chanute AFB Illinois, from the US Air Force Jet Engine Mechanic course conducted by the airtraining command. The

airman, now trained to inspect and repair turbine and gas turbine engines is being assigned to duty with a unit of the military airlift command. Airman Freund is a 1972 graduate of Pewamo-Westphalia high school.

Mr and Mrs Laurin Parks and family of Maple Rapids spent Saturday Feb 23 with their mother Mrs Dorothy Parks. Mrs Dorothy Parks went with them staying till Monday Feb 25.

Mrs Dorothy Parks went shopping in Lansing Feb 27 with Mr and Mrs David Parks of Ionia, went home with them to stay over night and attend the 1st birthday dinner Feb 28 for Chad Russell Parks.

LEGAL NOTICES

VILLAGE OF MAPLE RAPIDS CLINTON COUNTY, MICHIGAN

Minutes of a regular meeting of the Village Council of the Village of Maple Rapids, County of Clinton and State of Michigan, held in the Village Hall in said Village on the 6th day of March A.D. 1974 at 7:30 P.M. Eastern Daylight Savings Time:

Present: Councilmen Brunner, Floate, Dean, Thomas, Tyler, Wright, President Abbott.

Absent: Councilmen None.

The following preamble and ordinance was offered by Councilman Brunner and supported by Councilman Wright:

WHEREAS, it is deemed necessary to promote the public health, safety and welfare of the Village of Maple Rapids that an Ordinance be passed to amend Ordinance No. 26 known as the Zoning Ordinance of the Village of Maple Rapids, Michigan;

ORDINANCE NO. 45

THE VILLAGE OF MAPLE RAPIDS ORDAINS:

Section 1: That the Zoning Ordinance of the Village of Maple Rapids, forming a part thereof, shall be amended in the following respects:

That the premises, hereinafter described, shall be rezoned from the present zoning designation of Agricultural, to that of Mobile Home Park.

Section 2: That the description of the affected zoning reclassification is as follows:

That part of the West 1/4 of the Northeast 1/4 of Section 8, T-3, S-1, R-3 W, Village of Maple

Rapids, Clinton County, Michigan, commencing at a point 30 rods East and 20 rods South of the North 1/4 post of said Section 8, running thence South 330.0 feet, thence West 132.0 feet, thence North 165 feet, thence South 165.0 feet, thence West 66.0 feet, thence South 66.0 feet to the North-South 1/4 line, thence South 417.12 feet on said 1/4 line, thence East 825.0 feet, thence South 152.13 feet, thence East 495.0 feet, thence North 94.5 rods, thence West 30 rods, thence South 297.0 feet, thence West 198.0 feet to the point of beginning EXCEPTING THEREFROM commencing 745 feet South of the North 1/4 post of Section 8, Village of Maple Rapids, Essex Township, Clinton County, Michigan, thence South 165 feet, thence East 50 feet, thence North 165 feet, thence West 50 feet to the place of beginning. Subject to right of way of Adelaide Street (if any) and any other rights or easements of record.

Section 3: Regularity of Proceedings. The Village Council of the Village of Maple Rapids has conclusively determined that rezoning of the said premises was duly approved by the Maple Rapids Village Council, and that a public hearing has been held thereon, after giving due notice as required by law.

Section 4: Validity of Ordinance No. 26 and Amendments thereto. Except as herein provided, Ordinance No. 26, the Zoning Ordinance of the Village of Maple Rapids, shall stand as first enacted.

Section 5: Effective Date. This Ordinance shall take effect 20 days after its passage.

I hereby certify that the foregoing constitutes a true and complete copy of Ordinance No. 45 duly adopted by the Village Council of the Village of Maple Rapids, County of Clinton and State of Michigan, at a regular meeting held on the 6th day of March, 1974, and that public notice of said meeting was given pursuant to Act. No. 261, Public Acts of Michigan, 1966, including in the case of a special or rescheduled meeting, notice by publication or posting at least twelve hours prior to the time set for the meeting.

I further certify that the following Councilmen were present at said meeting:

Brunner, Floate, Dean, Thomas, Tyler, Wright, President Abbott, and that the following Councilmen were absent None.

I further certify that Councilman Brunner moved for adoption of said Ordinance and that the said motion was supported by Councilman Wright.

I further certify that the following Councilman voted for adoption of said Ordinance, Brunner, Floate, Dean, Thomas, Tyler, Wright, and that the following Councilman voted against adoption of said Ordinance None.

I further certify that the said Ordinance has been recorded in the Ordinance Book of the Village and that such recording has been authenticated by the signatures of the Village President and the Village Clerk.

LIANE TYLER, VILLAGE CLERK

PUBLICATION OF NOTICE OF HEARING

State of Michigan, The Probate Court for the County of Clinton.

Estate of HELEN JOSEPHINE BALCAM, aka HELEN J. BYAM, Deceased.

TAKE NOTICE: On March 27, 1974, at 10:30 A.M., in the Probate Courtroom, Court House, St. Johns, Michigan, before the Hon. TIMOTHY M. GREEN, Judge of Probate, a hearing will be held on the Petition of Wayne H. Byam for the Admission of the Last Will and Testament of the Deceased dated December 19, 1964, to Probate; for the appointment of Wayne H. Byam as Executor of said Estate, or some other suitable person; and for Determination of Heirs.

Creditors of the Deceased are notified that all claims must be submitted to 5421 Sheridan Road, Durand, Michigan 48429, and copies of the Claims and proof of service must be filed with the Court on or before May 29, 1974, at 10:00 a.m. Notice is further given that the Estate will thereupon be assigned to persons appearing of record and entitled thereto.

Dated: March 4, 1974.

PUBLIC NOTICE
 Michigan Water Resources Commission
 Commission
 Stevens T. Mason Building
 Lansing, Michigan 48926
 517-373-6088
 Permit Number: MI 0021261

NOTICE: Application for national Pollutant Discharge Elimination System (Public Law 92-500) Permit by JTT Hancock Industries, Inc., 453 W. Main, Elsie, Michigan, to discharge cooling and process water to the Maple River via a village storm sewer.

ITT Hancock Industries, Inc., Elsie, Mich. has applied for a National Pollutant Discharge Elimination System (NPDES) Permit to discharge treated process and cooling water into the waters of the State of Michigan. The permit will be issued by the Michigan Water Resources Commission.

The applicant is engaged in the manufacture of automotive stamping and painting. The company discharges its effluent to the Maple River via a village storm sewer.

On the basis of preliminary staff review and application of applicable standards and regulations, the Michigan Water Resources Commission proposes to issue a permit for the discharge subject to certain effluent limitations and special conditions. The permit expiration date is January 31, 1979.

The proposed determination to issue an NPDES Permit is tentative. Persons wishing to comment upon, or object to, the proposed determination are invited to submit the same in writing to:

Mr. James N. Howell
 Division Permit Coordinator
 Michigan Water Resources Commission
 Stevens T. Mason Building
 Lansing, Michigan 48926

The permit application number should appear next to the above address on the envelope and the first page of any submitted comments. All comments received within thirty (30) days of the date of issuance of this public notice will be considered in the formulation of the final determination. If no written objections are received, the Michigan Water Resources Commission will issue its final determination no later than sixty (60) days following the date of this notice.

The application, proposed permit including proposed effluent limitations and special conditions, comments received, and other information, are on file and may be inspected at the Water Resources Commission, 8th Floor, Stevens T. Mason Building, Lansing, Michigan and at the District office located at this same address at any time between 9:30 a.m. and 3:30 p.m., Monday through Friday. Copies of the Public Notice and the corresponding Fact Sheet summarizing application information and proposed permit conditions are available at no charge at the Michigan Water Resources Commission. Copies of all other information are available at a cost of \$20 per page at the Michigan Water Resources Commission.

Please bring the foregoing to the attention of persons whom you know would be interested in this matter.

NO SOLUTION
 One of today's greatest problems seems to be a way to find time to do the things we would do if we had the time.

PUBLICATION OF NOTICE OF HEARING

State of Michigan, The Probate Court for the County of CLINTON, Juvenile File 3709 IN THE MATTER OF MATTHEW GORDON SMITH, Dependent and Neglected

NOTICE IS HEREBY GIVEN that a petition has been filed in this Court by: Patrick R. Joslyn, Assistant Prosecuting Attorney of Clinton County, alleging that said minor comes within the provisions of Act 54 of the Extra Session of 1944, and praying that the Juvenile Court take permanent jurisdiction of said minor, and it appearing that the whereabouts of the parents, is unknown, and cannot be served with notice of hearing.

Now, Therefore, said matter will be heard on the 11th day of April, 1974 at 9:30 A.M. at the Probate Court, Court House, City of St. Johns.

Publication in the Clinton County News further notice as required by law is ORDERED.
 Dated: February 27, 1974
 Timothy M. Green
 Judge of Probate 45-4

Kincaid District

Tuesday Mrs. Clare Parks and Mrs. Wilma Bardt visited Mr. and Mrs. Eldoris Hahn.

Wednesday, Mrs. Jerry Myszak of DeWitt surprised Eldoris Hahn with a birthday cake and remained for dinner. Jay Witt of DeWitt was taken sick Friday afternoon and taken to the intensive care unit of St. Lawrence Hospital. He is now in a different room (Room 379), and was allowed to sit up a few minutes.

Mr. and Mrs. Otto Dickinson visited Mr. and Mrs. John Dickinson and family of Williamston to help Stacey celebrate her birthday.

Mr. and Mrs. Porter Parks and daughter were Sunday dinner guests of Mr. and Mrs. David Parks of Lansing to help Corinna celebrate her birthday.

Sunday, Mrs. Robert Scarborough of DeWitt was a dinner guest and spent the afternoon with her parents, Mr. and Mrs. G.V. Pyle.

Friday Kenneth Pyle of St.

Less fuel and slower speeds influence road death decrease

Fuel conservation, reduced highway speeds, and economic factors continued their apparent influence on Michigan traffic in February with the state counting 105 deaths in road mishaps, according to provisional figures of the State Police traffic division.

The total was 51 fewer, or a drop of 32 per cent, compared with 156 for the month last year. February's average was 148 in the five years 1969-73. Record high for the month was 161 in 1972 while the low was 51 in wartime 1943.

Along with the decrease in deaths in January, Michigan's two-month toll of 212 this year is 131 or almost 40 per cent less than the total of 343 recorded in the same period in 1973.

Delayed death reports will increase somewhat the totals for February, and the accumulated period.

Soil must be considered in septic systems

By James Stacey, Soil Scientist, US Soil Conservation Service

Are you going to build a new house? One of the problems you may be faced with if you are not building in a town or city is installing a septic tank disposal system. When considering this, one of the first things you will need to consider is the soil. The kind of soil you have could determine if your system is going to work properly or if it will fail. Many times septic systems are installed with no prior knowledge or consideration of the soil, and all too often many of these systems fail.

Many times septic tank disposal systems fail for one of the following soil reasons: (1) the soil is naturally too wet; (2) it is too sloping, or (3) it is too compact.

Soil texture is another common soil problem. In compact, clayey soil water moves through the soil very slowly. These soils may also be saturated with water after a heavy rainfall or during prolonged wet periods. Once again the effluent may rise to the surface or the system may fail completely.

A soil map of your property can help you to avoid these and many other soil related problems. A soil map is made by a soil scientist. He will walk over your property and dig holes to a depth of about five feet. When determining the kind of soil on your property the soils man will consider the texture of the different layers of the soil, the natural drainage, the slope and erosion if there is any.

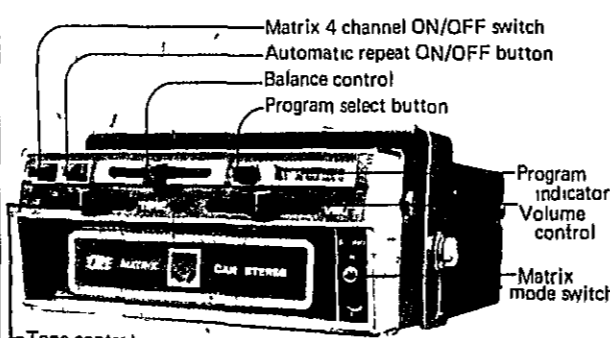

After the soil map has been completed the limitations of your soil for a septic tank disposal system can be made. The soil is given one of the following limitation ratings for septic tank systems: (1) slight, soil properties are favorable, go ahead; (2) moderate; caution, careful design and planning may be needed to overcome soil problems; (3) severe stop, soil has too many limiting features and it may not be feasible to correct.

How well a septic tank disposal system works depends on many factors, many of which relate to the soil. So know your soil first.

John Wesley College offers program: "Death and Dying"

Several weekend seminars and a 2-day conference on "Death and Dying," featuring an outstanding resource person on the subject, is being presented during the month of March at John Wesley College, Center for Continuing Education.

Dr. Elisabeth Kubler-Ross, author of the best-selling book, "On Death and Dying," is the featured speaker for the conference which is part of the John Wesley College "Encounter With Greatness" lecture series.

She has an international reputation in the care for the dying patients and their families. She is medical director at the Family Service and Mental Health Center of South Cook County, Chicago Heights, Ill. She has held a number of prominent positions with the University of Chicago in the areas of medicine and psychiatry.

Dr. Ross will appear on March 25 and 26, 1974. Her addresses will be as follows: March 25 - 9:30 am, "Four Stages of Dying," on John Wesley College Campus; 7 pm, "Needs of the Dying Patient," at First Church of Christ of Owosso, March 26 - 10:30 am, "Children and Grief," at Center for Continuing Education in Owosso; 1 pm luncheon, "Developing Responsible Attitudes Toward Death," John Wesley College Campus.

The cost for the entire conference is \$15, if received by March 15 or \$20 on March 25. It includes registration fee and the luncheon.

The seminars will be offered at the Center for Continuing Education in Owosso on Saturday mornings prior to the conference on March 9, 16, and 23. All of the seminars are held from 9 am to noon.

Persons may attend all seminars and the conference as part of expectations for a course designed around the sessions entitled, "Thanatology: Seminars on Death and Dying." John Wesley College, Center for Continuing Education is in Owosso, Mich., located between Flint and Lansing. The Center is a 5-story facility with modern guest rooms, a fine foods dining room, and bookstore.

Persons interested in making reservations or in receiving further information on the seminars or conference should contact Dr. Lar Standridge, John Wesley College, Center for Continuing Education, Owosso, Michigan, 48867, or call (517) 723-8141.

Manhattan-Style Superstore Delicatessen

Why not take a break from the kitchen routine and drop by your Kroger Superstore for a visit to the Manhattan-style Delicatessen? We've got just about anything you might need for a snack, a meal or just a side dish for that special occasion. You'll find salads, desserts, cold meats, domestic and imported bulk cheese, party trays, barbecued chicken and ribs and much, much more.

Shrimp Salad..... 1/2-Lb **69¢**

Superstore Wine Cellar

IMPORTED & DOMESTIC WINES AND BEERS!

Stop in and browse around. Here you will find one of the state's better wine selections. You don't have to be a connoisseur of fine wines to appreciate the enticing selection of quality imported and domestic wines and beers and accessories. Prices won't scare you as they do in so many wine shops. For unique and exotic foods to go with your fine wines, see the appetizing selections in the Fancy Foods Department at your Kroger Superstore.

You Asked For It...Kroger's Got It!

People's Choice

All Kroger Beef is inspected by a U.S. Dept. of Agriculture grader to make sure it meets quality standards for U.S. Gov't. Graded Choice Beef. Trimmed of excess fat, bone and waste before it is weighed and priced. You get more good eating meat-less throw-away waste when you serve fresh, tender beef from Kroger.

KROGER MINI-MIZER COUPON
