## Bingham fire contract expiration date near

Time is running out on Bingham Township's fire protection contract with the City of St. Johns, and the city commission is insisting on some back payments before they'll sign a new contract.

Bingham's five-year contract expires June 30, and the city has told the Bingham board in the past it won't renew the contract unless Bingham first pays the difference between theirs and one renegotiated four years ago with seven other area townships.

THAT NOW amounts to \$3,600 (as of the end of February) and will increase by \$25 every time a fire call is answered in Bingham Township.

"We feel we have attempted to negotiate these differences" in the past, Bingham Supervisor Maurice Gove said on behalf of the township board. He said the necessity of paying for back-service already being paid for as contracted didn't seem exactly fair.

The Bingham fire contract, and those of Essex, Greenbush, Bengal, Ovid, Victor, Olive and Riley, with the City of St. Johns were originally negotiated about five years ago and called for an

annual standby fee of \$300 a year and \$75 for every fire call answered in the particular township.

A little over a year later, the city asked the townships to renegotiate their contracts because of higher costs. The renegotiated prices varied by township, depending on the distance from St. Johns and the amount of the township being serviced by the department.

THE CITY figured townships closest to the city had the best fire protection and hence should pay a higher protection rate than a township farther away. They established Bingham's rate to be \$800 for standby and \$100 per fire run.

Essex, Greenbush, Bengal, Ovid, Victor, Olive and Riley boards agreed to the new arrangement four years ago but Bingham didn't.

Supervisor Gove said their \$300 standby contract with the city was signed in 1962 and that in 1963 the city asked for a new contract based on \$600 standby and \$100 per fire run. Gove said that in 1964 the board agreed to pay the \$600 but the city was then asking a price of

\$800 standby.

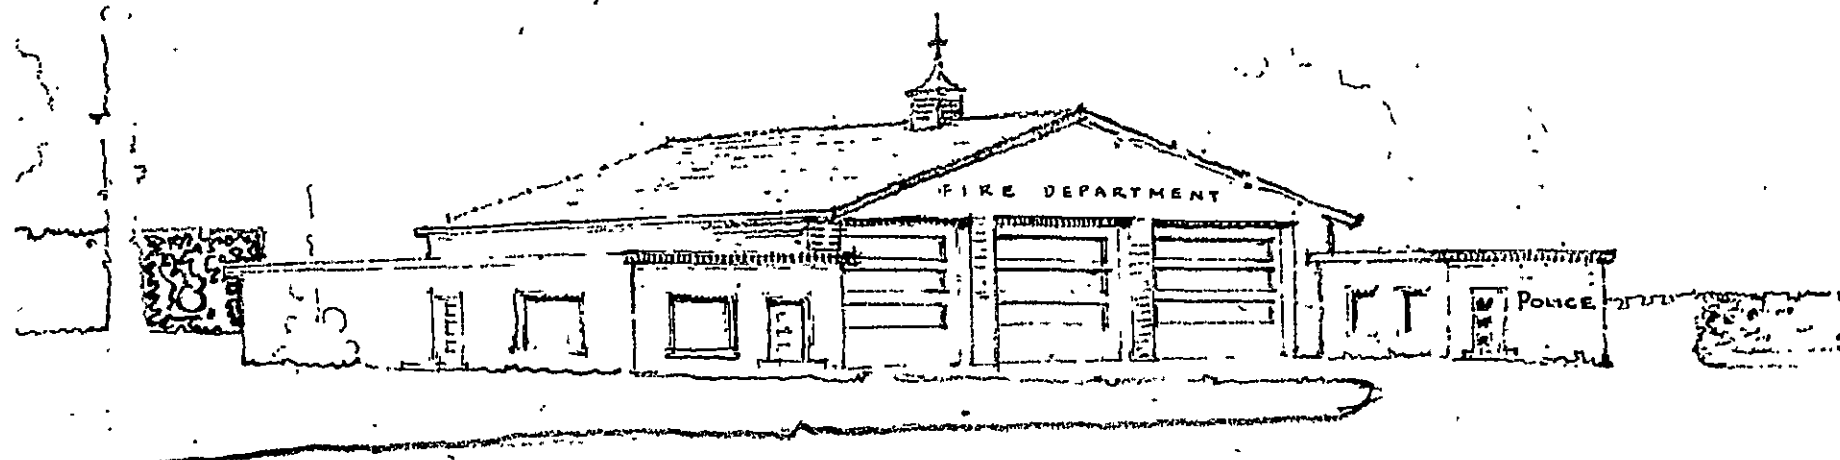

IN 1964, GOVE said, he told the city the board agreed to pay the \$800 fee but without the 6 per cent interest charge that the city insisted on for the difference between the two prices over that length of time. The city said no.

"Besides, we feel that standby charges should be based on cost and not other criteria," Gove said.

St. Johns agreed to continue fire protection for Bingham according to the contract but told the board it would not sign a new contract until the difference between it and the newer rate had been paid.

LAST TUESDAY night the commission reiterated that contention. As Commissioner Gerald Irer said, "There's nothing to negotiate until the difference is paid."

The commission directed City Manager Ken Greer to send a letter to the Bingham Township Board reminding them of the agreement expiration and of the present agreement with the other townships. The letter was to call attention to the fact that a new contract wouldn't be written unless (See BINGHAM, Page 2-A)

PRELIMINARY SKETCH SHOWS WHAT PROPOSED FIRE-POLICE HALL COULD LOOK LIKE

### If voters OK 2 issues April 11

## City to 'hold line' on taxes

City commissioners have promised to "hold the line" on initiating new taxation above 19 mills in an effort to win public support for the two issues on the ballot in the special election April 11 in St. Johns.

One of the issues is a three-mill tax for two years to build a fire and police hall for the city. The other issue involves amendments to the city charter.

At the commission meeting last Tuesday night each of the city commissioners offered the mayor their assurance that the passage of both of the important issues would not initiate a tax increase except for the necessary three mills to build a new fire and police hall.

the city commission can spread to meet its budget, although it does say "... the amount annually raised shall not exceed the limits fixed by the state law."

THE HOME RULE ACT, which is the general law that applies to the situation, provides for a maximum level of 20 mills, unless the city charter does not definitely establish a ceiling, in which case the maximum would be only 10 mills.

Last year the city assessed slightly over 16 mills, all the time regarding 20 mills as the limitation. In fact, not since 1933 has the assessment been under 10 mills.

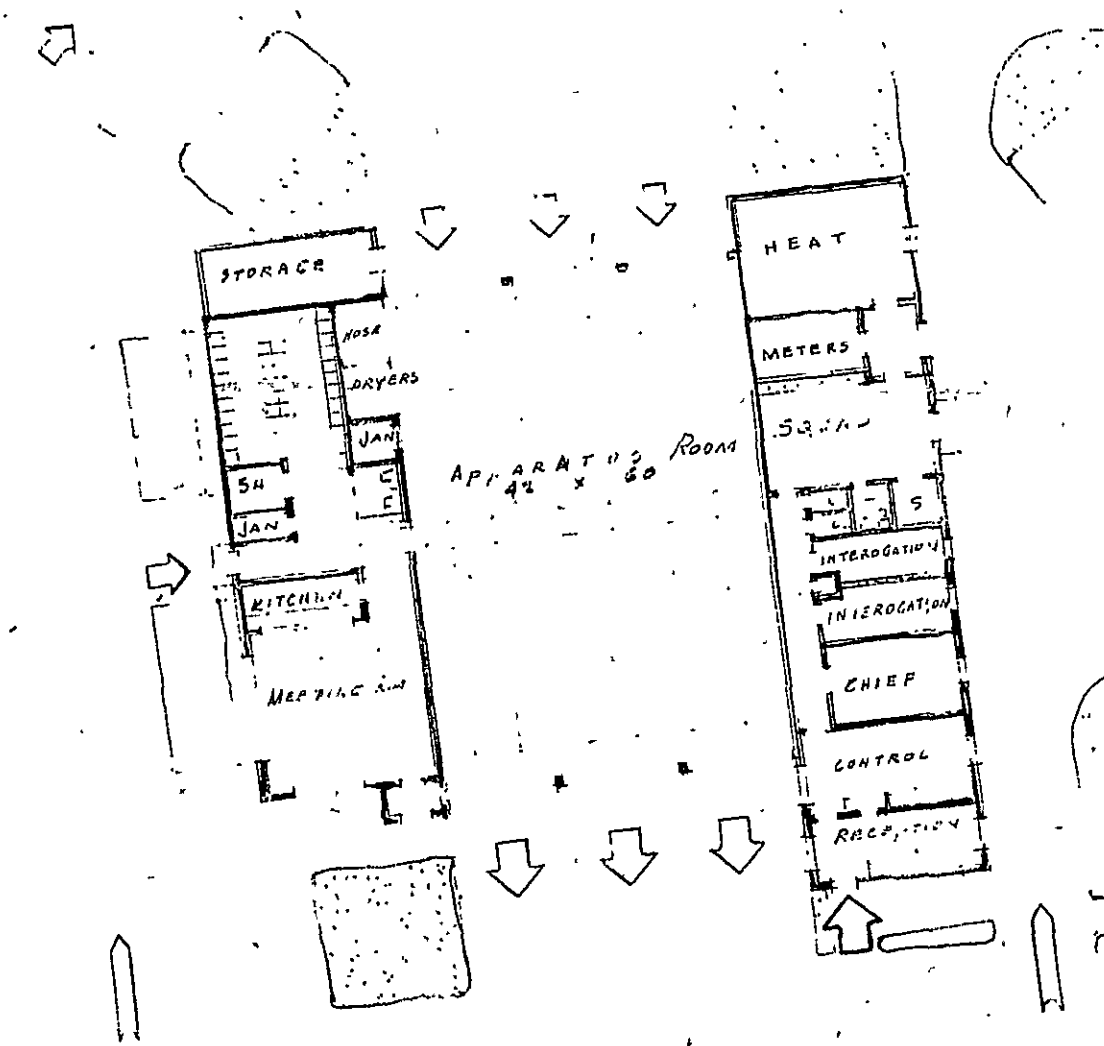

The new wording of the charter, if approved by voters, will clarify the question once and for all.

Three of the 16 mills that have been assessed were voted by the people. The three the commission is asking voters to approve next month would not be over and above the limitation, however, because the vote will not be for a bond issue. The money needed for the proposed fire and police hall — \$100,000 to \$120,000 — is not enough on which to sell bonds.

IF APPROVED, those 3 mills would raise the expected millage to 19 — short of the hoped-for 20-mill limitation, and 19 mills, as far as the commission is concerned, is as far as they will go for the next two years. After two years the fire-police hall millage would expire, anyway.

The commission is urging voters to vote yes on both the amendment and building issues. According to their comments last Tuesday night they feel both are of equal importance.

No site has been selected for the fire hall, and it appears none will be prior to the election. Some years ago the city planning commission recommended a site on the northeast corner of Baldwin Street and US - 27. The fire hall issue, however, has laid dormant since then and now that it has been renewed several other possible sites have been suggested.

PRELIMINARY FLOOR PLAN FOR PROPOSED FIRE-POLICE HALL

THE CITY COMMISSION has not asked the planning body for any new recommendation yet.

The present location of the fire hall in downtown St. Johns has caused many problems, not the least of which is safety. The commission points out the problem of parking for firemen in the area of the fire hall, and then the trucks have to exit — rapidly — into heavy downtown traffic, additionally cluttered by the firemen's own cars. The present police station oc-

cuples one room of the city building, and office equipment, records, radio operations and a squad room are all crammed in the one room.

St. Clair Pardee, St. Johns architect, has presented the commission with preliminary sketches and floor plans of the structure he proposes. No final decision on the plan, or selection of the site, will come until after the election and only if the proposals receive the voters' blessing.

## Final Lenten series program this Sunday

The Rev William S. Hill, rector of St. Paul's Episcopal Church of Lansing, will speak this Sunday evening at the last of the annual series of union Lenten services in St. Johns. This week's service will be at the First Congregational Church and will start at 7:30 p.m. The Rev Gerald Church-ill, minister, will be the worship leader, and the Congregational Church choir will sing. Ushers, greeters and coffee hour hostesses will be from the Eureka Congregational Christian Church.

REV WILLIAM HILL

... final Lenten speaker

Pursuing his theological studies at Cambridge, Mass., and at Alexandria, Virginia, he received the B.D. degree from the

Virginia Theological Seminary in 1936.

UPON HIS ORDINATION he became curate of St. John's Church, Detroit; and in 1938 he accepted the call as rector of Grace Church Hopkinsville, Ky. a post he occupied until he became assistant minister of Christ Church, Cranbrook, and a member of the faculty of Kingswood School, Bloomfield Hills, Mich. in the fall of 1944. In 1948 he became rector of St. Peter's Church, Uniontown, Penn.

A former student of social work in the Graduate School of Applied Religion, Cincinnati, Ohio, and the author of numerous magazine articles, he had been for 10 years editor or "The Diocesan Church News," monthly publication of the Diocese of Pittsburgh.

He is married and the father of two children.

MAYOR CHARLES COLETTA pointed out that the charter change which will combine 62 existing sections into 10 sections under one single title, "is necessary for continued governmental operations and improvements."

"It was not devised or intended as a method to increase taxation."

The charter amendment, if approved by voters April 11, would set a ceiling of 20 mills per thousand dollars of state equalized valuation which the city can assess per year. Right now, according to a report by City Atty. Harold Reed, there is some doubt as to whether the legal limit is 10 or 20 mills.

The present charter itself places no limit on the millage

## Downing wins service award

Jack Downing, of 409 W. Cass Street, who was instrumental in starting the Soap Box Derby and in organizing Little League baseball for St. Johns youngsters, has been named recipient of this year's Distinguished Service Award.

The award, made by the St. Johns Jaycees, was presented to Downing Tuesday evening at a special DSA - Bosses Night Dinner at the L & L Restaurant.

The DSA award is the highest St. Johns Jaycees annually present. The person's achievements or contribution of importance to his chosen field, organization, community, state and nation are all taken into consideration in choosing the Distinguished Service Award winner.

DOWNING WAS the principal Little League originator and coordinator. He is now president of the Little League board of directors and chairman of the Little League seat cushion sales through which funds were obtained to help operate the pro-

gram. He also supervised the establishment of the original Little League field which is still being maintained on land owned by Saylor-Beall Corp.

He has actively promoted the Soap Box Derby program in St. Johns, and ever since helping get it started five years ago has served on the derby executive committee. This year he will head up a series of clinics for the youngsters as they build their racers.

Downing, 33, is a member of the local Jaycees chapter and serves as external vice president and a member of the board of directors. Part of his responsibility this year was over-all supervision of the Jaycees' football programs project, a major financial factor in the organization's community work. The project showed a considerable financial increase from the previous year.

DOWNING IS EMPLOYED as a journeyman mechanic at Egan Ford Sales, where he has been

## Medicaid qualification requirements of great concern to nursing home

Rivard Nursing Home of St. Johns and other nursing homes in Michigan are concerned at the present time about requirements they must meet in order to qualify for Medicaid.

The federal requirements for Medicare are being used as the basis for the Medicaid program and must be met before homes can qualify for Medicaid payments.

For the federal standards to be met at Rivard changes will have to be made in the staff and physical plant.

In the case of Rivard it will mean a cut-back in the size of

the staff due to a lowered patient load. The lowered patient number will be necessary to meet increased room size requirements.

IF THE REQUIREMENTS REMAIN the same, the readjustment will have to take place before the first of next year. With the increased demand for more professional staffing and more room for each patient, the rate set by the State Department of Social Services will make it extremely hard for

the smaller nursing homes to continue operation. At the present time there is, however, some consideration of making several categories for nursing homes. One under consideration is the comprehensive category, which would be an extended medical care facility and equivalent to the federal Medicare requirements.

Another classification is the standard nursing home in which the requirements would be somewhat less but they would be acceptable for Medicaid payments.

AS THE SITUATION IS today, Rivard Nursing Home can continue to operate until Jan. 1, 1968. After that time, a lowered patient load or a home for the aged seems to be in sight.

Mrs. Beatrice Rivard and her sister, Mrs. Gladys Hetzel, officers of the nursing home corporation are both enthusiastic about wanting to stay in the nursing home business and agree that they will continue. Right at this time, the future is as uncertain for them as it is for others in the same business. They must wait and see.

# Unauthorized solicitors prompt C-C warning

Because unauthorized solicitors, representing themselves as collecting for cancer, made calls in St. Johns last Thursday, Friday and Saturday, the St. Johns Chamber of Commerce again reminds residents to check identification on solicitors.

Or, call the Chamber office to make certain legitimate drives are being conducted. Mrs. Betty Jane Minsky, Chamber manager, reported that county cancer committee officials said the unknown solicitors have not yet been identified. A check with the Lansing office revealed no out-of-town solicitors had been sent here.

And, Mrs. Audrey Frucht, county volunteer chairman, said that when the crusade begins April 1, all volunteers will be local people, residing in the area in which they are collecting. All will have with them official American Cancer Society kits and they will issue official receipts.

"JUST LAST WEEK we had calls from some of our residents about an out-of-town insurance firm that was calling door to door here. In cases like this, we can get a check on the firm and we urge area residents to call us so these firms can be checked out before contracts are signed or entered into."

In the case of solicitations, as like the Cancer Crusade, Mrs. Minsky said it would be helpful

if all such organizations would notify the Chamber office, advising dates of the drive, area workers, and the type of official identification they will have as well as any receipts or pins they will be issuing to donors.

"If we had that information we would know in a minute if someone was collecting unofficially—if residents would call in if they suspected something was wrong," she said.

Mrs. Minsky also advised about firms from out of town who sell door to door in the city, and said the Chamber is geared to run investigations through Better Business Bureaus on the firm.

"AND, WITH SPRING almost here, it is the time of the year for the fast talking, traveling home improvement people to be coming around. Before buying from anyone you don't know, even if they have a business card, which is easily printed, call our office. We'll run a check on the firm. Better yet, contact a local business firm. Most often your local firms can do it at the same price, or even for less. And, they are here in case difficulty later arises," she said.

There is an acute need now and in the future for physicians in the field of nuclear medicine, reports the University of Michigan.

FRED LEWIS

## Attorney Lewis to leave city

Frederick M. Lewis, St. Johns attorney since 1951 and former prosecutor for the county, will leave his practice here April 1 to join the 14-man legal staff of the Clark Equipment Co. of Buchanan, Mich.

In the meantime he'll be finishing up many details of his work here and will be attempting to find someone to take over or continue the practice here. Lewis has offices at 100 N. Clinton Avenue.

Lewis, a native of St. Johns, received his bachelor's degree from Michigan State College and attended the University of Michigan Law School from which he graduated in 1950.

HE THEN RETURNED to St. Johns to study for the bar examination. He tried his first civil case in circuit court on the day following his admittance to the bar.

He worked in the prosecutor's office from 1951 to 1964, part of that time serving as prosecutor. A former partner here and prosecutor, John Carey, is also a member of the legal staff at Clark Equipment where Lewis will be working.

Lewis said he will be moving after the end of the school year. He and his wife Helen have four children, Jerry, a senior at Rodney B. Wilson High School; Maurice, an eighth grader; Nancy, a fifth grader, and a married daughter, Mrs. Robert (Linda) Williams of Mt. Clemens. Lewis is a member of the St. Johns Rotary Club, the 40 and 8 and the Flint Scottish Pipe Band. He was named the Outstanding Young Man of the Year in St. Johns in 1958 by the St. Johns Jaycees.

## Results of village elections

# Hubbardston turns down liquor-by-glass again

Hubbardston voters turned out in good numbers Monday to turn down once again a proposal for sale of liquor by the glass. The vote was one of the highlights of village elections in the Clinton area.

The final tally on the liquor question was 63 yes and 89 no, with one spoiled ballot. Four years ago the question lost by a 63-49 vote.

Outside of the liquor question, the election at Hubbardston was quiet. There was no contest, and the following incumbent officers were reelected: Albert Cunningham, village president; Virgil Tait, clerk; Manuel Cusack, treasurer; Cliff O'Grady, Gilbert Wohlfert and Harold Cunningham, trustees; and James R. McGinn, assessor. All ran on the Democratic ticket.

THERE WAS MORE excitement at Ovid where there was competition for the position of clerk, treasurer and three trustees. The voting public wasn't too excited, even then, because only 237 turned out to cast ballots, a "terrible" turnout according to Clerk Mrs. Clara Tubbs.

Elected were Harvey Darling, village president; Mrs. Clara Tubbs, clerk; Mrs. Audrey Bancroft, treasurer; Clifford Saxton, Robert Shinabery and Lawrence Woodruff, trustees; and Duane Chamberlain, assessor.

Darling ran unopposed as a Republican and received 202 votes; Mrs. Tubbs a Democrat, got 135 votes to 74 votes for Maylan Waite in the clerk race. Mrs. Bancroft, also a Democrat, defeated Republican Elsie Madden for treasurer by a 135-99 vote. Chamberlain was unopposed for assessor and drew 209 votes as a Republican.

In the trustee race, Republican Saxton got 152 votes, Democrats Woodruff 175 and Shinabery 114 to be winners over Republicans Edgar Kelly with 68 and Dale Serviss with 111 and Democrat John Sincropl with 71 votes.

FOWLER'S OFFICERS were elected by a write-in vote, because of legalities involved in the filing of petitions. Elected were Martin Edinger, president with 90 votes; Mark Fox, clerk with

87 votes; John Rademacher, treasurer with 35 votes; and Roman Simon with 78, Roy Armbrustmacher with 77 and John Spicer 69 votes, trustees.

In other villages of the county, there were no contests, and these officers were elected.

At Pawamo: James Davarn, president; Jerome Barker, clerk; Frank Heckman, treasurer; and Phillip Schiske, Jerry Fox and Paul Fox, trustees.

AT MAPLE RAPIDS: Elston Hicks, president; Helen Howe, clerk; Marjorie Rumsey, treasurer; George Abbott, Gail Williams and Al Brunner, trustees; and William Aldrich, assessor.

At Eagle: John Cooper, president; Mrs. Kathryn Brokob, clerk; Mrs. Kathryn nominee, treasurer; Ronald McCrumb, Mrs. Jane Koroch and William Mominnee, trustees; and Mrs. Sue Phelps, assessor.

At Elsie: Durward Conklin, president; Alice M. Blunt, clerk; Orpha Clement, treasurer; Blaine Lentz, Merle Baese and Robert Blunt, trustees; and Stanley Loznak, assessor.

At Westphalia: Elvan Pohl, president; Mrs. Alice G. Rademacher, clerk; Harold Wieber, treasurer; John R. Lehmann, Harold Schmitt and Gerald Miller, trustees; and Aloysius J. Droste, assessor.

til the difference was paid. "This is only fair to the other townships" the commission pointed out.

If a new contract is negotiated, it would probably be written for just a short term, to expire in September 1968 as do the contracts with the other seven townships.

Gove said the township board would be more than willing to negotiate with the city and he thought they should. He said it was a mutual problem that must be negotiated.

OLD CITY DPW GARAGE, WATER PLANT COMING DOWN

The old city water plant and DPW garage at the corner of Ottawa and Gibbs streets is being torn down this week as a safety measure, and it won't be long before the adjacent 120-foot water tower is similarly removed from the scene. No new buildings will be constructed there because of the nearness to one of the city's wells. The old garage and water plant was built in the late 1800s, according to city officials.

## Fowler missionary directs 'little courses' in Peru

The Rev. Albert I. Koenigsnecht, M.M., of Fowler, has been named director of the Cursillos de Cristiandad Movement at July, Peru.

Cursillos de Cristiandad, which translates into English as

Little Courses in Christianity are, as the name implies, brief but highly intensive courses in Christian doctrine and morals. Their aim is the transformation of nominal Catholics into motivated Christian leaders.

The cursillos are effective, as a former director pointed out. "Cursillos," he said, "are transforming indifferent and even hostile Christians into inspired and dedicated lay leaders."

Father Koenigsnecht first went to Peru in 1948 after working three years in Mexico. The 49-year-old Maryknoll missionary served as a director of literacy work in Puno and as a member of Maryknoll's regional council for Peru before his assignment here.

He is the brother of Paul Koenigsnecht, Mrs. John Klein, and Mrs. Mark Schrauben of Fowler.

## Bishop Green's installation in Reno set May 25

The Most Rev. Joseph Green will be installed as the bishop of the Diocese of Reno, Nev., on Thursday, May 25.

The 4 p.m. installation ceremony will be at St. Thomas Aquinas Cathedral in Reno.

The Most Rev. Joseph T. McCucken, archbishop of San Francisco, will be the installing prelate.

Pope Paul VI announced March 1 that Bishop Green will succeed the Most Rev. Robert J. Dwyer as bishop of Reno. Bishop Dwyer was named archbishop of Portland, Ore., earlier this year.

Bishop Green has been auxiliary bishop of the Diocese of Lansing since his consecration in August 1962. He is also pastor of St. Mary, Star of the Sea, parish in Jackson and formerly was pastor of St. Joseph parish in St. Johns.

He plans to remain in the Diocese of Lansing until the day before his installation May 25.

CHARLES EDMONDS

## Kroger names manager

H. Arville Ferguson, vice president of the Grand Rapids division of The Kroger Co., today confirmed the appointment of Charles L. Edmonds as store manager of the St. Johns Kroger store, located at 900 S. US-27. Edmonds, a 1960 graduate of Battle Creek Central High School, joined Kroger in the fall of that year and worked part-time as a clerk at one of the Battle Creek stores while he was attending Western Michigan University.

HE WAS PROMOTED to head grocery clerk of the Albion Kroger store in November 1964 and joined the management development program in February 1965, receiving the majority of his training in the Benton Harbor Kroger store.

Upon completion of the management training program in October 1965, Edmonds was promoted to co-manager of the Emmett Street Battle Creek store where he had joined the company in 1960. He and his wife Martha, the former Martha Hopkins of Battle Creek, were married in Battle Creek and have an infant son, Troy.

The Edmonds will be making their residence in St. Johns in the very near future.

ST. JOHNS LANDMARK DISAPPEARS FROM SCENE

This picture is history now. The old Art Wilson home at the corner of Maple and Cass Streets in St. Johns was torn down last week to make way for a new home for Robert Conn and his wife, the present owners of the property. Historical data seems to be lacking on the house, although Conn said it was built sometime during the Civil War.

## St. Pat's banquet Saturday

The director of public relations for the Michigan United Fund, David L. Froh of East Lansing, will be guest speaker this Saturday night for the annual St. Patrick's Day dinner sponsored by the St. Joseph Altar Society.

The Shamrock Chorus of the St. Joseph School will provide music during the evening, and a special band will make its debut that night. Sister Justin Marie will be in charge of the students.

The ham dinner will be served at 6:30 p.m. in the church social hall. James Moore will be master of ceremonies.

FROH, THE GUEST speaker, has a wide background in communication arts and business administration, the areas in which he majored in earning a BA degree in 1947 from Michigan State University. He has been chief executive of an advertising agency, station manager and program director of radio and television stations, worked as a legislative liaison and published and edited a business newspaper. He is now director of public relations for the Michigan United Fund.

Froh, a native of Ann Arbor but who graduated from high school in Lansing, is active in a number of community projects in Lansing. He's a member of the board of trustees of Lansing Community College; was a member of the Lansing Community Chest board from 1963-66; a board member of the Lansing Community Services Council since 1964; was on the board of the Easter Seal Society from 1960-66; was tri-county drive chairman for the Muscular Dystrophy Assn. in 1965; was on the American Red Cross Board from 1963-1965; was on the board and vice president of the Catholic Social Service Bureau during the period 1955-1966; and was on the board of the Greater Lansing Chamber of Commerce from 1960-1963.

FROH AND HIS wife, Ruth Ann, have eight children — one in college, three in high school, one in junior high, two in grade school and one still home.

Tickets for the St. Patrick's Day dinner are on sale at Miller-Jones, Rehmann's and the Carol Ann Shop in St. Johns and at Finkbeiner's in Fowler.

Nominations are sought from clergymen, businessmen, organizations and other community leaders.

## Open Letter from VAN W. HOAG

Dear friends,

The funeral is usually held in the church, the private home or the funeral director's establishment. Personal preference, pre-arrangement, or religious ritual determines the choice.

Because of ample facilities and a lessening of burden, the trend is toward the funeral home. The family should consult with the funeral director before making a final decision.

Respectfully,

Van W. Hoag

# Scott Road water main assessment still drawing fire as being unfair

There's continuing contention over the legality of the City of St. Johns' water main assessments for the combined Scott Road-Townsend Road water project.

Mrs. Juanita O'Leary, who owns considerable property along Scott Road, appeared before the commission last week. This time, with attorney Timothy M. Green as counsel. He inquired about what a unit of benefit is, how it is determined, and whether it is uniform in all cases or at least within an assessment area.

When told that assignment of a unit of benefit is an arbitrary decision by the assessor, Green said he was "sick of

arbitrary judgement on the part of the city administration."

HE CLAIMED THERE are inequities and said he was in the process of starting a suit on behalf of Mrs. O'Leary. Mrs. O'Leary has told the city commission on several occasions that her special assessment for the water main project on South Scott Road was more than the project itself cost. The city denies that.

Green asked for an informal meeting with the mayor, several commissioners and the city attorney so that the matter could be discussed "rationally." City Atty. Harold Reed was instructed to set up such a meeting.

Another recurring item on city commission agendas was brought up by Commissioner Mrs. Robert Rand. She pointed to continuing apprehension and troubles she said are created by the existence of the Villa Dance Hall on Railroad Street.

Mrs. Rand said there are plans to hold a teenage dance on Saturday nights at the Golden 8-Ball billiard parlor, but she fears that the "worthy" project might be jeopardized by party crashers from the Villa hall.

THE CITY HAS received many complaints about the Villa dances on Saturday nights, but police investigation has shown the operation of the hall itself to be acceptable. Commissioners agreed that whatever trouble was being created happens outside the Villa Dance Hall. Police have arrested numerous persons for drinking and other offenses, and a number of weapons have been confiscated.

"I think it is a disgrace," Mrs. Rand told the other commissioners. "We try to run a clean town and yet we have this. Let it go on record that I want to close the place. To me it's a cancer right in our town. We've got to do something before someone gets hurt."

Mrs. Rand said the existence of the hall is drawing undesirable people to St. Johns and it is they who are causing the trouble. She said she felt "we need teen dances in this town" but she was afraid of clashes that might develop because of the Villa.

THE CITY COMMISSION took no action on a request for a dance license for the Golden 8-Ball pending a report on inspection by the fire chief.

In other business last Tuesday night:

An ordinance requiring that property owners involved in special assessments be notified of public hearings on the matter by mail was passed. Notification will also be made by publication.

The commission set a wage of \$2.50 for precinct election captains and \$2.25 for the election workers to apply to the April 11 special election in St.

Johns. Workers named were: Precinct I, Ladd Bartholomew (captain), Alberta Cornwell, Mary Meyer and Jessie Finch; Precinct II, Don Britten (captain), Elma Parr, Helen Fitzpatrick and Ruth B. Serrine.

\*Warrants totaling \$26,706.12 were approved for payment.

\*When several of the commissioners inquired about more expenditures on the water treatment plant, Mayor Coletta explained that these were the cost of making necessary adjustments. "When the bugs get out of it, I dare say we'll have the best water plant for this size community in the state of Michigan," he said.

HATTA WINS ALBERT PICK WEEKEND

Willis Hettler Jr. (right) gives Michael Hatta a congratulatory slap on the back after presenting him with the reservation form upon winning last week's free Albert Pick Weekend in the contest sponsored by the Clinton County News and participating merchants. Hatta, of 500 S. Baker Street, was the preliminary winner listed in last week's Hettler's ad in the Albert Pick section, and last Wednesday Leo Calder of R-5, St. Johns, drew out Hatta's name when he stopped in at Phillip's Implement Sales.

# Missionary tells of Chile

Missionary potluck held in the basement of the First Baptist Church was attended by 64. Mrs. Verne Wood was chairman of the food committee.

Following the meal the meeting was opened with song led by Mrs. Roger Harrison with Mrs. Dale Lowe at the piano. President Mrs. Richard Woodhams, read from the 14th chapter of John and Mrs. Roger Harrison offered opening prayer.

After the business meeting, Mrs. Frank Winters, program chairman, introduced the Ladies Ensemble who sang "Ye Must Be Born Again." Mrs. Willard Goldman and Mrs. Ralph Green added to the special music by singing a duet entitled, "What a Precious Friend."

The speaker for the evening was Mrs. Jay Dykstrahouse, missionary to Chile, who spoke on Missionary - Partnership with God. She then showed slides on her work in Chile, S.A.

AT THE END OF the program Mrs. Woodhams closed in prayer. It was announced by Mrs. Willard Goldman, program chairman for April 4, that Karen Schumaker, missionary to Japan will speak and also hold a Japanese tea.

A visit to St. Louis Baptist Children's home is planned for April 6. Ladies who would like to participate should contact Mrs. Nelson Showers.

Officers of the First Baptist Church Missionary Circle for the year are; President, Mrs. Richard Woodhams; vice president, Mrs. Nelson Showers; secretary and treasurer, Mrs. William Richards; advertising, Mrs. William Richards and Mrs. Willard Studey; white cross, Miss Clara Lee and Mrs. Neva Bensinger and missionary chairman, Mrs. Kenneth Snider.

### Driver ticketed

Dean J. Price, 40, of 505 S. Clinton Avenue was ticketed Monday afternoon for failure to stop in assured clear distance ahead after the truck he was driving struck the rear of a car driven by Richard R. Avery, 19, of R-1, Perrinton. The mishap occurred on US-27 just south of McCormell Street in St. Johns; both vehicles were driving south on US-27.

# It was a big day for Knights Templar

Saturday was a big day for St. Johns Commandery No. 24, Knights Templar. Not only did they induct one of the largest classes of new knights—11— but the work was done by officers of the Grand Commandery, Knights Templar, State of Michigan.

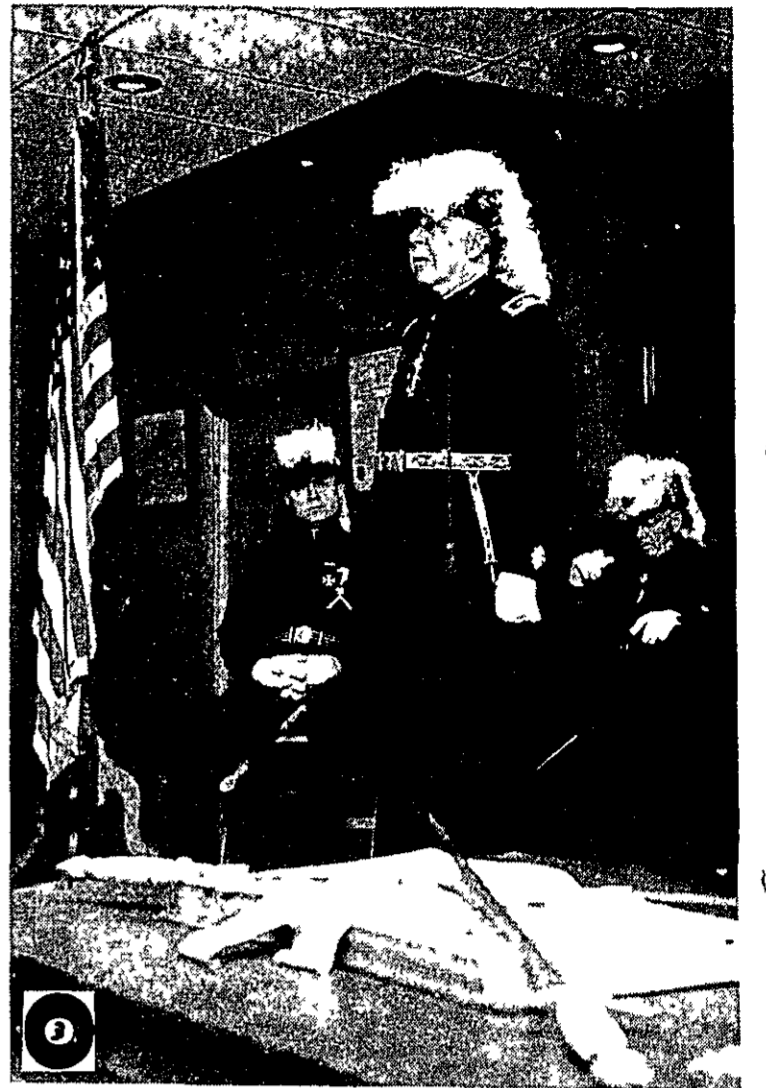

New members knighted were (in Picture No. 1) left to right, standing: Marvin Barclay, Robert Bishop, Fred Green, Ted Be-dell, Ted W. Brandon, Gordon Hodge, John Spousta, Bert Walling, Arthur Workman, Chester McKin (of Mendota, Ill.), and Stan Cowan. Seated are three persons who were given honorary membership in the St. Johns Commandery. They were Abner C. Sager (left), Fred England Jr., and Edgar H. Clark. Clark is right eminent grand commander of Knights Templar of Michigan. Also given honorary membership was Wilbur M. Brucker, grand master of the Grand Encampment of Knights Templar, United States of America, who was unable to stay for the picture.

In Picture 2 are the Grand Commandery officers who conferred the Order of the Temple on the candidates. Left to right are: seated, Stanley Randle, Frederick Kirby, Edgar Clark and Benjamin Wise; standing, Abner C. Sager, John H. Loree, Donald M. Krueger, Max Clark, Maurice L. Johnson, Carlton H. Cameron, Harold M. Elwood, and Rex R. Brewbaker.

In Picture 3, Wilbur M. Brucker, grand master of the Grand Encampment of Knights Templar of the United States of America, speaks at a public service preceding the installation. Behind him is Donald Hewson (left), generalissimo, and Mervyn Black, commander of St. Johns Commandery No. 24.

In Picture No. 4, Commander Black (right) poses with Edgar H. Clark (left), right eminent grand commander of Knights Templar of Michigan, and Grand Master Brucker.

About 120 persons attended the dinner which followed the installation of the new knights.

### 600 tickets ready for Milliken talk

Six hundred tickets will go on sale within the next few days for the Farm Bureau-Chamber of Commerce Urban-rural Dinner which the two groups will sponsor jointly during Michigan week.

Lt. Gov. William G. Milliken will be the speaker for the banquet on Tuesday, May 23. A social hour will be held from 7 to 7:30, with the dinner beginning at 7:30 p.m.

Michigan Week decorations will be used on the tables and on walls in keeping with the Michigan Week theme. Table plants will be supplied by Farm Bureau and C of C members. A plant used as a centerpiece on the speaker's table will be given away at the close of the dinner. A barbershop quartet is being hired to provide entertainment.

### Minister bruised in 2-car collision

Rev Roy F. Green, 69, of 609 N. Morton Street suffered minor bruises last Thursday when his auto collided with a truck about 8:20 a.m. at the intersection of Lansing and Walker streets in St. Johns.

Rev Mr Green was driving east on Walker, and the truck, driven by Max F. Ballinger, 44, of R-4, St. Johns, was going north on Lansing. Police issued a ticket to Green for failure to yield the right-of-way.

Mrs. R. S. Underhill of Bath has been elected second vice president of the New Michigan Angus Auxiliary for 1967-68.

### 1,094 kids get measles shots

About 50 per cent of the "un-protected" children in the county received immunization from measles Sunday. A total of 1,094 youngsters got the free measles shots in five communities.

Dr Franklin W. Smith, medical director of the Mid-Michigan District Health Department, said he was pleased with the turnout. Some 350 youngsters in St. Johns received the immunizations, while 139 got them in Elsie, 177 in Fowler, 301 in DeWitt and 127 in Westphalia.

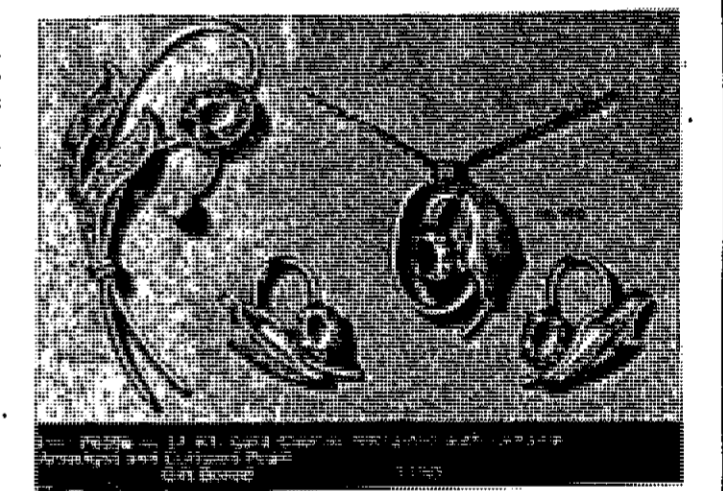

Doctors who assisted in the program were Dr Paul Stoller and Dr Larry Bader of St. Johns; Dr George Bennett and Dr Earl Slagh of Elsie; Dr James Scott of DeWitt; Dr Bruno Cook of Westphalia; and Dr William Jordan of Fowler.

### DRIVER BRUISED

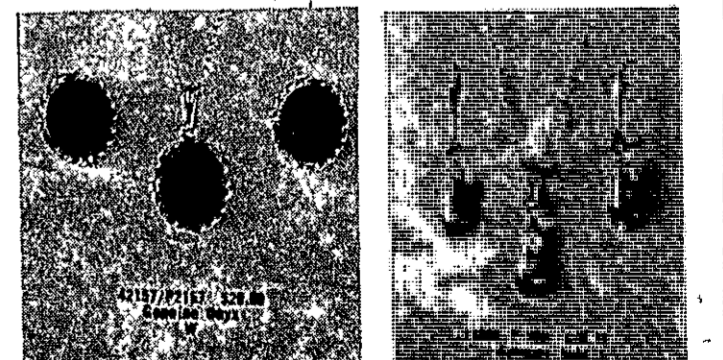

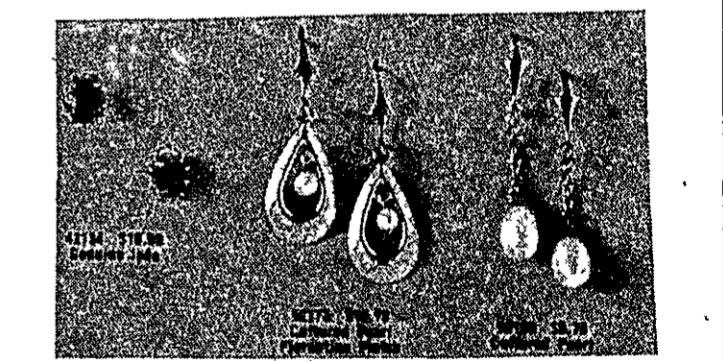

Allen J. Thelen of Wright Road, R-2, Portland, was taken to Clinton Memorial Hospital Sunday evening for treatment of bruises suffered in a one-car accident on Wright Road south of Jason. Thelen told deputies he lost control of the car and it hit a snow bank along the road.

TANKER SWERVES, REAR TRAILER UPSETS

The rear trailer of this tank truck overturned last Wednesday morning when the driver, Rolland Marcus, 58, of Alma, swerved to go around two cars which had stopped for a school bus on US-27 south of Taff Road. Marcus was not hurt. All the vehicles were going south when the accident occurred.

## Seniors plan 'something for everybody' with 3 plays

The senior class of Rodney B. Wilson High School will attempt to satisfy the tastes of all theatre goers this weekend when they present three completely different one-act plays.

They've been putting the finishing touches on all three works this week in preparation for presentation to the public Friday and Saturday evenings at 8 p.m. in the high school auditorium.

The first play of the evening is entitled "The Plum Tree" and deals both tenderly and humorously with life in a home for aged women. Aging 60 years in five weeks has not been easy, but it is certain you will agree that these "elderly ladies" grew old gracefully. Maralee Nobis is student director of this play, and the cast includes Carol Sibley, Barbara Kurila, Melody Bowen, Gladys Fedewa, Gay Bond, Peg Eldridge, and Sue Kenfield.

"JUDGMENT MORNING" is the second play, and it completely changes the mood with rising tension as the three members of the Kembell family try to determine whether they are dead or alive. No one is really certain until the electrifying ending with "Hitchcock"-like twist. If suspense is what you like, then this play with Marilyn Moiz, Chuck Stockwell, Cathy Corbin, and Adele Frost will be your favorite of the evening. Marilyn Elok is student director of "Judgment Morning."

### 11 6th graders on honor roll

Eleven sixth-grade students at Swegles School in St. Johns have been named to the honor roll for the fourth marking period, according to Principal Mrs. Ethel Huot.

They are: Sharon Barnes, Anne Barber, Janet DeWitt, Gail Foscoe, Patti Fowler, Ed Jorae, Nancy Lewis, Alex MacKinnon, Robert Molnet, Maria Signs and John Warstler.

when he is married to a woman who is addicted to playing the trumpet every night at midnight. Nancy MacLucky student directs the cast of Cathy Bashore, Jerry Lewis, David Walt, Joe O'Leary, Prudy Walker, and John Gretzinger in this riotous comedy.

**PRESENTING THREE one-act plays** is not the only innovation to be tried this year. Because each play calls for an entirely different setting, it was thought that the audience might like to see how these changes were achieved. It presented an interesting (and sometimes complex) problem to members of the scenery and stage crews, and because they are proud of their solutions to the problem they want the audience to share their secrets with them. Therefore, the stage curtains will not be closed, allowing the audience full view as the stage crew makes the set changes. (When was the last time you sat in front of closed curtains and wondered what was going on behind them?)

### Fulton FHA smorgasbord held Tuesday

The Fulton FHA hosted a Mother and Daughter Smorgasbord in the Fulton High School student commons March 14. Foreign foods from various countries were the main attraction.

Guest speaker for the evening was Mrs. Max Shull of Gladwin, whose topic was "Pretty is As Pretty Does."

The FHA emblem service was given by Connie Cooper, Betty Todd, Colleen Shinabargar, Karen Loudbeck, Rosemary Smith, June Wright, Pat Guernsey, and Margie Troub.

The committees were as follows: Food committee, Lana Aldrich, (chairman), Pat Holland, Anina Olsson, Nancy McKinney, Jane Mahler, and Colleen Shinabargar; decoration, Rosemary Houden (chairman), Dorine Siepr, Mary Woodbury, Beth Turner, Ellen Kirvan, Sandra Brock, Nanette Stewart, and Colleen Gallagher; clean-up, Sue Sattler (chairman), Pat Guernsey, Mary Pihl, and Kathy Wood.

Last, but not least of the efforts to present something unique, is the monochromatic setting for "The Plum Tree." Monochromatic means all tints and shades of one color. Because the stage curtains are a shade of red, it was decided to do this play in monochromatic red. The entire set of this play including the backdrops, furniture, and the players' costumes will be in white, pinks, reds, maroons, and black.

Tickets for this year's production may be purchased from members of the senior class, or at the auditorium the nights of the play. James Bargar, high school art teacher, is the faculty advisor and director of the plays, with the assistance of senior Sharon Hall.

### 4 hurt in crash, but all on school bus escape

Four persons were injured, but all 26 passengers on a St. Johns school bus escaped unhurt Friday afternoon when their bus and a car collided at the intersection of Francis and Centerline roads in Riley Township.

Leo P. Pohl, 49, his wife Veronica, and daughter Therese, 14, all of R-2, DeWitt were taken to Clinton Memorial Hospital for treatment of cuts and bruises. Mrs. Pohl was still in the hospital Tuesday.

Pohl's car, according to sheriff's officers, was going south on Francis when the school bus, driven by Mrs. Mary H. Robinson of R-2, Orvd, started to pull across Francis from the east. She stopped the bus but the Pohl car skidded into it, striking the bus in the right front end. Skid marks measured 115 feet in length.

Mrs. Robinson, who complained of pains as a result of the accident, was ticketed for failure to yield the right-of-way. None of the children on the bus were injured. Mrs. Robinson said she had stopped at the intersection but didn't see the oncoming car until she had started across.

AIRMAN TRIMMER

Airman 1c TIMOTHY S. TRIMMER, son of Mr and Mrs Perry K. Trimmer of R-1, Francis Road, DeWitt, has been named Outstanding Airman in his unit at Charleston AFB, S.C.

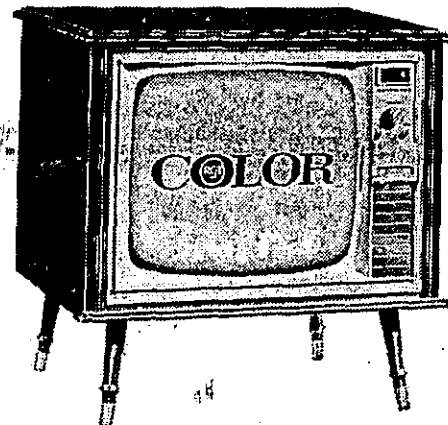

Airman Trimmer, an aircraft pneumatic repairman, was selected for his exemplary conduct and duty performance. He is a member of the Military Airlift Command which provides global airlift, air rescue, aeromedical evacuation, air-weather and air photographic and geodetic services for U.S. forces.

The airman is a graduate of Resurrection High School, Lansing. His wife is the former Monika K. Enders from Germany.

the most thoroughly proved Color TV you can buy...

Whatever you consider most important in buying color television—furniture styling, screen size, or just plain feature-for-feature—you owe it to yourself to compare RCA Victor New Vista Color TV against all the rest.

Compare color brightness and fidelity. The new RCA Hi-Lite Tube (it's in all new RCA Victor color models) has rare-earth phosphors to deliver color pictures substantially brighter than previous RCA Color Tubes. This is brightness unsurpassed in the entire Color TV industry... realism so lifelike you'll compare it to color motion pictures!

In the rectangular size, the RCA Hi-Lite Tube gives you more picture detail at edges and corners. This rectangular tube is also shorter than previous RCA Color Tubes with less space-stealing bulge behind the cabinet.

# RCA VICTOR COLOR TV

Compare New Vista Color TV performance. Top quality components for superb all-channel reception include the super-powerful 25,000-volt New Vista chassis... ultra-sensitive VHF and UHF tuners for superb reception in even the most difficult TV signal areas... and the RCA Automatic Color Purifier which "cancels" magnetism that may cause impurities in the picture, removes color areas from the black-and-white picture too.

Compare furniture styling. RCA Victor wood consoles are masterful examples of the cabinetmaker's art. You'll find a style and finish to blend perfectly with any decor.

Consider too what a recent Trendex Survey revealed: More television servicemen own RCA Victor Color TV than all other leading makes combined! This is expert testimony on RCA Victor performance-proved quality.

### Lutheran ladies slate bake sale for Saturday

St. John's Lutheran Ladies Guild met March 7 for their regular meeting with 15 members present.

Opening devotions were conducted by Pastor Theodore Moeller who presented thoughts on personal life and piety, in line with the changing mores of a Christian's life within the community.

The business meeting was conducted by Mrs. Alma Boak, vice-president. Of immediate concern was the baked goods sale which is scheduled Saturday morning, March 18, in the Sears Store.

THE GUILD will co-sponsor the Easter Breakfast with the young people of the Walther League. Members volunteered to donate food items and help for this event.

Easter gift boxes for servicemen are to be mailed and it was decided to solicit contributions from families of the parish who might care to bring items for Guild members to send on to the servicemen.

It was also decided to purchase carpeting for the foyer of the church.

The meeting concluded with the Lord's Prayer recited in unison. Hostesses for the meeting were Mrs. Suzan Hospodar, Mrs. Margery Selbert, Mrs. Gladys Ruestman and Mrs. Reva Ernst.

MRS GERALD BAILEY

### Martha Wierman weds Lansing man

DeWITT — Martha Wierman of DeWitt became Mrs. Gerald Bailey Feb. 4 in a double ring service at the Valley Farms Baptist Church. Rev. LaVern Bretz officiated at the 6 p.m. ceremony.

The new Mrs. Bailey is the daughter of Mr. and Mrs. Martin R. Wierman of 114 W. Alward Road, DeWitt. Her husband is the son of Mr. and Mrs. Almon Bailey of 4310 Griswold, Lansing. For her wedding, the bride chose a floor length gown of lace fashioned with a square neckline, chapel length train and long sleeves. A headpiece of pearls and sequins secured her chapel length veil. She carried a bouquet of red roses, white stephanotis and ivy.

MISS CATHY McCURRY of St. Johns was the maid of honor and Miss Linda Kosht of rural DeWitt, was the bridesmaid. They were attired in floor length gowns of light blue linen. They carried arrangements of blue iris and stephanotis and pussy willows. Shelia Bailey, daughter of Mr. and Mrs. Robert Bailey of Lansing, was the flower girl. Her gown was styled like the other attendants but in peach de sole. She carried a basket of rose petals.

The mother of the bride wore a pink lace dress and the groom's mother was attired in royal blue. They both had gardenia corsages.

ROBERT BAILEY was his brother's best man and Dan Boos

was the groomsman. Seating the guests were Jack Ely and Mike Wierman, brother of the bride, Owen Bailey, son of Mr. and Mrs. Robert Bailey, was the ring bearer.

A reception in the church basement followed the wedding. Assisting at the reception were Leona Paseka, Linda Paseka and Marsha Kosht.

Honored guests were the bride's grandfather and grandmother Arthur Andrew and Myrtle Zittle.

THE NEWLYWEDS are presently making their home at 4310 Griswold Street, Lansing.

Mrs. Bailey is a graduate of Rodney B. Wilson High School and her husband was graduated from Eastern High School of Lansing.

### District Grangers to meet here

Granges of Michigan District No. 47 will meet at Bingham Grange Hall in Clinton County tonight (Thursday) at 8 p.m. Lester Bellmann, rural defense coordinator for the Extension Service, will present a workshop on "Securing Your Life."

The meeting will be in charge of State Lecturer Mrs. Beulah Winter.

Clinton County members are urged to welcome the members of other Granges. A potluck supper will be held after the meeting.

### Jack Parks takes Palo bride

PALO — The Palo Baptist Church was the scene of the Feb. 18 wedding of Sharon Suzanne Gurnee and Jack W. Parks of Pawamo.

Mr. and Mrs. Kenneth Parks of 226 State Street, Pawamo, are the parents of the bridegroom. The bride is the daughter of Mr. and Mrs. Chester R. Gurnee of 8143 Front Street, Palo.

Rev. Charles Henderson officiated at the double ring service.

FOR THE 6 P.M. ceremony, the new Mrs. Parks chose a rayon length gown of lace and rayon organza. It was fashioned with a lace bodice and organza skirt. Her finger tip veil fell from a seed pearl and sequin headpiece. She carried red rose buds and white carnations attached to a white Bible.

Miss Suzie Middleton of Lansing was her cousin's maid of honor. Her pink empire styled gown was of chiffon over taffeta. The bouquet she carried was of pink chrysanthemums and white carnations. Pink flowers and nylon formed her headpiece.

FRANK KING of Louisville, Ky., was the best man. Seating the guests were Tim Roberts of Muir and Jerry Tasker of Palo.

The mother of the bride selected a champagne lace dress and her corsage was of pink carnations. Mrs. Parks chose a sapphire blue taffeta dress. Her corsage was of bronze chrysanthemums.

Mrs. Tom Harrington was the hostess for the reception held in the church. Assisting were Miss Mary Clifford, Mrs. Joe Gurnee, Miss Patsy Gurnee, Miss Sandy Postle, Mrs. Lawrence Wiggins and Mrs. Sidney Middleton.

MR AND MRS PARKS are making their home at the Evergreen Trailer Park of Ionia.

Mrs. Parks is a graduate of Ionia High School and her husband graduated from Pawamo High School.

### Alice Hicks crowned February queen

TOPS Fading Roses met March 8 with 14 members present. There were 10 TOPS, one Pig, two turtles and one KOPS. There was 28 1/2 pounds weight loss and a 3 pound gain recorded.

Sophie Motz was crowned queen of the week with a five pound weight loss. The mystery prize was won by Marlon Case. Alice Hicks was the February queen with a four pound loss.

The meeting closed with members saying the TOPS prayer.

MR AND MRS KENNETH HENRY

### Henry-Powers vows said Feb. 25

MAPLE RAPIDS — The former Miss Connie Sue Powers and Kenneth A. Henry were married Feb. 25 at the Maple Rapids Methodist Church. Rev. Rudy Wittenbach officiated at the 7 p.m. double ring ceremony.

The former Miss Powers wore a floor length crepe and lace gown. It was styled with an empire waist and a long lace train. A bow headpiece secured her veil. She carried a bouquet of red roses, white chrysanthemums and ivy.

The new Mrs. Henry, who is the daughter of Mr. and Mrs. Harold (Ken) Powers of R-1, N. Essex Center Road, St. Johns, chose her sister, Mrs. Kay Mead, as her matron of honor. The bridesmaids were Mrs. Letitia Powers, sister-in-law of the bride and Mrs. Bobby Dean, cousin of the groom. They were all attired in floor length gowns of green and white crepe. The gowns were fashioned with empire waists and green trains. They wore white bow hats with net and elbow white gloves.

TAMMY LEE Powers, niece of the bride, was the flower girl. Her gown was a duplicate of the bride's.

# West-state Shelby claws P-W in regionals, 100-74

**BIG RAPIDS** — The Shelby Tigers of the West Michigan C league shot at a 75 per cent clip during the first half last Thursday night as they rolled to a 100-74 victory over Pevamo-Westphalia in the regional tournament at Ferris State College.

Shelby, behind Bill Beckman's 24 points, roared away from the Pirates 26-10 after the first

quarter and widened the gap 54-22 at halftime. But Coach Bob Sarkozy's P-W cagers didn't give up, and they outscored Shelby 22-19 and 30-27 in the final two periods.

Shelby dominated the backboards at both ends of the floor, with the Tigers' 6-7 sophomore Al Huston doing the main rebound damage to P-W.

Glen Schafer scored 22 points to lead P-W, while Ery Thelen had 16, Larry Smith 14 and Fred Smith 11 in a fine balanced scoring performance. Beckman was Shelby's leading scorer with 36 points for the night.

Individual scoring for Pevamo-Westphalia (field goals, free throws and total points): Ery Thelen 7-2-16; Glen Schafer 9-4-22; Fred Smith 3-5-11; Larry Smith 5-4-14; Tom Huhn 3-1-7; Tom Barker 1-0-2; Chuck Gross 1-0-2. P-W totals 29-16-74, with 12 fouls committed. Shelby totals 45-10-100, with 16 fouls committed.

AL WERBISH

Al Werbish, a 1965 graduate of Rodney B. Wilson High School, was awarded his second varsity letter in basketball at Adrian College last Wednesday at the annual winter sports banquet. Werbish was also given honorable mention on the All-MIAA league team.

### MA and PA POOL LEAGUE

These are the standings in the league following last week's competition at St. Johns Recreation. Jim and Sally Martin 54-26, George and Sally Gavenda 45-35, Bud and Arlene Barnes 42-38, Ted and Thelma Bedell 39-41, Vic and Bea Pope 39-41, Mike and Vicki Peck 34-46, Jerry and Mary Saxton 34-46, and Dale and Gloria Jorae 33-47.

### JAILED FOR HAVING BEER

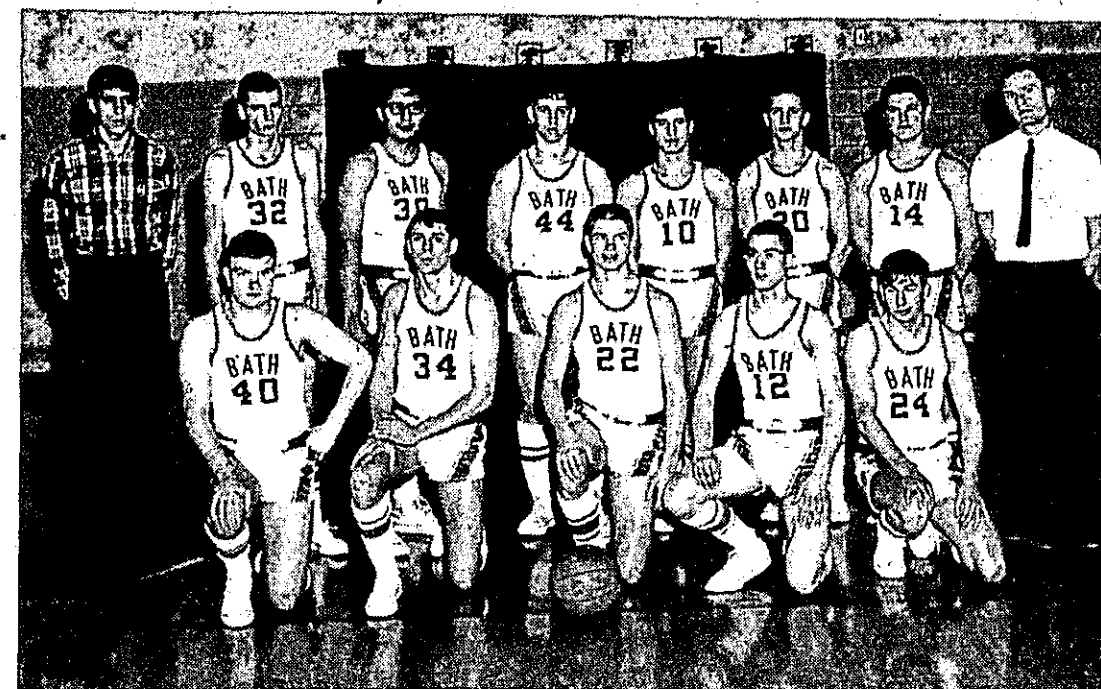

William R. Spayde, 18, of Saginaw, was fined \$25, plus \$22.40 costs and sentenced to two days in the Clinton County Jail Saturday after Spayde was arrested for a minor inpossession violation.

**Plan 14-card boxing exhibition this summer**

Plans for a 14-bout exhibition boxing card in St. Johns this summer were announced last Wednesday night as the St. Johns Lions Club entertained members of the St. Johns Golden Gloves boxing team and district Golden Gloves officials.

At the same time a three-man committee of Ed Schmitt, Edgar Conley and Walt Pierce presented St. Johns team manager Wayne Beaufore with a check for \$150 to be used for boxing equipment and other purposes such as insurance.

The summer boxing exhibition of 14 bouts has been scheduled for Aug. 26 in St. Johns, but no site has yet been announced. Plans are to have it indoors, Schmitt said. The boxers will be Golden Glovers from the Lansing district.

THE DISTRICT'S top team this year was Beaufore's St. Johns squad of 26 boys. They compiled 53 points in four nights of district competition in January and February to finish nine points ahead of runner-up Caravan Club.

In addition they had five individual district champs—featherweight Doug Brya, lightweight Bob Every, and middleweight Pat Pohl, all in the open division; and novice fighters bantamweight Bob Rositas and featherweight Mark Masarik. Every went on to become state champion.

The Lions got a good look at the team trophies awarded to the boxing team. They included the George Alderton traveling trophy on which the top team's name each year is engraved, and the permanent Al Van Ness Trophy which the St. Johns team keeps. VanNess, matchmaker for the Lansing district tournament, was among the guests at last Wednesday night's banquet.

IN ADDITION TO the team and individual championship trophies, Bob Every was named and honored as the outstanding boxer of the year in the Lansing Golden Gloves district. As Beaufore pointed out, this is quite an accomplishment because there were 145 boys entered in the district tournament this year. The outstanding boxer is chosen on the basis not only of boxing ability but also on spirit and good sportsmanship.

Every is a two-time state champ, winning as a welterweight this year and as a lightweight last year.

The Golden Gloves trophies are now on display in the Clinton National Bank lobby.

In earning 53 points in the district competition, the St. Johns Golden Glovers gave Manager Wayne Beaufore his first team championship in the nine years he's been training boxers here. Beaufore started training youngsters in 1957, and since then the American Legion Post has sponsored the team. He only had seven boys on the team in 1957, but the number has grown every year, and Beaufore expects next year's squad to top the record 26 in number this year.

BEAUFORE IS enthusiastic about amateur boxing. While professional boxing has been sliding in recent years, he notes that amateur boxing is growing, is in better standing with the public now, and is involving more young boys and more spectators.

"I like strictly amateur boxing," Beaufore said. "There's nothing like it. I consider it a lot like swimming—every kid should have some of it and know how to handle himself. And you can learn sportsmanship in a hurry in the ring. Boxing is a man-to-man sport, and you're

on your own out there." "I honestly think that every boy who is physically fit should learn boxing and try it out for a year. It's good experience and it's good physical conditioning. Boxing knowledge and ability will be helpful on many occasions in a boy's later life."

BEAUFORE POINTED out that the present divisions (according to experience in the ring) and weight classes offer a youngster more evenly-matched competition now than ever before.

Beaufore has the experience to back up his training of St. Johns Golden Gloves team. He started boxing in 1953 and fought through 1956 in the Golden Gloves, winning the district and state titles as a light-heavyweight in 1955 and the district title again in 1956. He was named boxer of the year in 1955.

His training of other boys started in 1957. The team has consistently used the rooms above the fire hall for training purposes each winter, but now that the team has grown to 26 members (and there are usually plenty of spectators), the quarters are more than a bit cramped.

BEAUFORE'S squad this past year has been one of his best. Five boxers won district titles. Every was a state champ. Brya

and Pohl, although losing out in the state, were assigned to other weight classes to fill out the state's Golden Gloves team in the national Golden Gloves tournament last month in Milwaukee. Of Michigan's 10-man team to the nationals, five were from (See BOXING, Page 16-A)

**St. Matthew's blasts Eagles off tournament flight path**

The Fowler Eagles did everything well last Wednesday night, only it wasn't good enough to win their regional tournament opener with Flint St. Matthew's. The Eagles dropped out of the state tournament race by bowing to the Panthers 95-74. It was decisive, despite Fowler's good showing.

The outcome was visible, in fact, after the first quarter. St. Matthew's poured 34 points

through the hoop in those eight minutes and was leading 34-16 when it was over. The Eagles connected on seven of 16 shots that period, but the Panthers were even hotter—15 for 25,

tie for the Central Michigan Athletic Conference title, hit 44 per cent of their field goal shots during the evening, but St. Matthew's countered with 54 per cent.

AS IF TO PAUSE while catching their breath, both teams slumped in scoring in the second quarter, and Fowler fell farther behind—48-25—at halftime.

In the second half Joe Koelgsknecht hit 18 of his 20 points and Bruce Thelen 14 of his 18 as the Eagles fought valiantly but fruitlessly. They managed to outscore St. Matthew's 49-47 during the half, but it didn't make much of a dent in the Panther's victory margin. Fowler had a 27-21 scoring edge in the third period.

Coach Charles Trierweiler's Eagles, who finished the year with a fine 17-3 record and a

JOHN SPERLA WAS St. Matthew's leading scorer with 36 points, while Paul Staroba had 20, Bob Boudreau 13 and Jerry Killian 12.

Individual scoring for Fowler (field goals, free throws and total points): Bruce Thelen 6-6-18; Joe Koelgsknecht 10-20; Mike Nobach 2-0-4; Ron Brown 2-0-4; Brendon Goerge 8-2-18; George George 0-2-2; Les Thelen 1-0-2; Gary Schueler 0-1-1; Neil Hafner 0-1-1; Stan Pohl 2-0-4. Fowler totals 31-12-74, with 18 fouls committed; Flint St. Matthew's totals 40-15-95, with 18 fouls committed.

**Shafley fires 289 at state**

Keith Shafley of St. Johns stirred tournament followers with a sparkling 289 game Saturday while rolling in the Michigan State Bowling Assn. tournament at the Satellite Bowl in Dearborn Heights.

Shafley's big game was the first in his series of three, and he started it out with 10 strikes in a row. On the second ball of the 10th frame he left the six pin standing and then converted it for the 289.

It was one of five 289 games rolled during the state tournament so far. Shafley received a pen and pencil set for the feat.

HIS BIG FIRST game also boosted the St. Johns bowler into the lead in series scores. He had also games of 201 and 195, which combined with a handicap of 102 gave him a pace-setting 787 series.

Shafley and Paul Schueller turned in a double series of 1261 with handicap, but Jerry Herblet and Al Tiedt led the St. Johns delegation with a 1328 combined score. Dick Urban and Rollen Dunkel had an 1182 series, but they won a pen and pencil set for the high squad game of 399 plus 54-pin handicap for a 454 score.

Nine St. Johns teams bowled in the state tournament Saturday, led by a 3138 high score from Chick's Service. Other squads were sponsored by Schmitt Electric, Moorman's, Western Auto, Lucky 5, H.K.L., Warren Insurance, Cain Buick and Mobilgas.

Other top stores by St. Johns bowlers which may bring them money in the tournament were: Singles: Ernie Lance 702, Jim Fedewa 669, Melvin Sehke 669, Rollen Dunkel 667, Phillip Demarais 652, Robert Cartwright 645, Dale Hardman 645, and Joseph Trell 643.  
Doubles: Jim Lance and Dick Lance 1297; Ernie Lance and Mike Hatt 1246.  
Team: Lucky Five 3030; Warren Insurance 2021; and Moorman's 2986.

**Post office has zip**

Mrs Helen Winans of Elsie can vouch that there is plenty of "zip" in the U.S. Post Office Department. Thursday, she air-mailed a decorated cake to her sister and brother-in-law, Mr and Mrs William Benton at La Mirada, Calif., for their 25th wedding anniversary.

It was delivered the following day by the postman who jokingly remarked "the pilot must have held it on his lap all the way" as it arrived in perfect condition. Mrs Benton has lived in California for 40 years and Mrs Winans has seen her only twice in that time.

**Lions have Farmers' Night**

The Elsie Lions Club held its annual "Farmers' Night" at the Village Inn Monday night, when members invited area farmers as guests. Rodney Tulloch, Ovid-Elsie agriculture teacher showed pictures of the National Future Farmers Association held last fall in Kansas City. Calvin Moore, Robert Craig and Bruce Harden were delegates from the Ovid - Elsie High School. The Lions Club had given \$50 toward the boys' trip.

Dr. E. M. Slagh introduced the District Governor Kim Folkertsma of Holland who gave a few remarks on Lionism. Blaine Lentz gave a report of the recent fish supper which netted a large sum toward the club's philanthropic work.

**TRAVEL EAST**

Misses Mary Slagh and Taru Latvalahi have returned from a week's trip to Portsmouth, Va. They accompanied Mrs Edward Ziegs, whose husband is stationed there with the US Navy. The girls enjoyed the scenic trip through the mountains, Virginia Beach and particularly the warmer climate. They toured the

Portsmouth Naval Shipyard Museum, where the world-famous CSS Virginia is located. This was the first trip East for the girls and of special interest to Taru, who is an exchange student from Finland, living in the Slagh home and attending Ovid-Elsie High School. Mrs Ziegs, the former Kay Acre of Elsie, remained with her husband and the girls flew home, where they were met by their parents at Detroit Metropolitan Airport.

Miss Patricia Dunay, daughter of Mr and Mrs Alex Dunay of Bannister and a sophomore at Central Michigan University has been invited to attend a "Recognition Tea" by the Associated Women Students of CMU in the University Center Ballroom Sunday afternoon, March 19. Miss Dunay is one of the students to be honored for scholastic achievement. She also received a letter of congratulations from the Panhellenic Council for her achievement in mathematics as an honor student. She is a 1965 graduate of Ashley High School and plans to teach high school mathematics and English.

**HOUSE WARMING**

Mr and Mrs Dick Homer were surprised Friday evening, March 10, when 21 friends and neighbors dropped in to give them a little house-warming party in their new home at Twin Brook Estates subdivision. The ladies brought cookies and coffee for snacks. The Hartmans took their accordion and guitar and Marv Rhyndard, a banjo. The evening was spent looking over the new home with a little "pickin'" in singin' thrown in.

Guests included Rev and Mrs William Cessna, the Allen Cables, All Hartmans, Mary Rhyndards, John Headleys, Lloyd Fords, Merl Trowbridges, Jim Wicks and the Ernie Fritzes.

A family carry-in dinner was held at Gunnisonville Community Methodist Church Sunday, March 5, at 1 p.m. to honor the Gunnisonville Church basketball team. About 60 parents and friends were present. Following dinner, John Hagy Jr, toastmaster, presented each player an award. John Hagy Jr, presented Manager John Headley and referees Bob Schoals and Dick Symmonds, each with a tie from the team. Team members included John Symmonds, Don Symmonds, Karl Shrey, John Hagy Jr., Bob Boughton, Bill Boughton, Burton Richey, Burnell Richey and Marty Reich.

The official church board meeting for March was held following the family dinner Sunday. Rev Cessna announced that he will be leaving the church as pastor March 15.

Joint Good Friday Services at Maple Rapids will be held at the Methodist Church starting at 1 p.m. Sunrise service Easter Sunday will be at Rainbow Lake. Easter Sunday breakfast will be served at the Congregational Church.

Twenty-two members of the Amica Club met with Mrs. Lyle Parkinson Tuesday evening. During the business session the members voted to do the Gold Bond Stamp project and get a tent for the Brownie Scouts to use for their day camp and other camping trips. This is to be done by the members and others who wish to help by donating their Gold Bond Stamps to the club or they can ask for "donation certificate" for each redeemed book which will give the club 10 points towards the tent. Each filled book is worth 700 points and the tent will cost 11,900 points or more, depending on the size. All stamps and books may be sent or given to Velma Bancroft at the Post Office. A contest held during the social hour was won by Mrs. Nelson Rumsey. More plans were made for the Benefit Dance to be held April 22. The April meeting will be with Mrs. Jim Brunner.

Mr and Mrs Bert Hiller of Greenbush township, Fred Corson of St. Johns, Kathleen Boling of Maple Rapids and Mrs. June Benjamin and friend of Corunna were dinner guests of Mr and Mrs Preston Corson Sunday. They celebrated Mr Corson's birthday.

Mr and Mrs Ervin Upham were weekend guests of their son, Wayne and family of Detroit, where they attended a show-

er for their granddaughter, Sharon.

Mrs. Emma Rice, a former resident of Maple Rapids, fell a few weeks ago at the home of her son, Robert, where she is staying. She is not very well, but appreciates hearing from old friends. Her address is Box 165, Bensenville, Ill. 60106.

Mrs. Evert Sillman of Fowler spent Sunday with Mrs. Jack Croad and daughter, Cheryl, while Sillman and sons and Croad and his son were fishing at Edenville. The reported catch does not merit a "fish dinner" for friends.

Thieves are becoming bolder every day. About 9 p.m. Sunday evening someone broke into MLO and Opals Grocery, a small sum of money and a quantity of cigarettes were taken. State and county police were called as well as local police but the thieves were not caught.

Mrs. Al Abshagan and Mrs. Ed Carr were in Detroit Friday and Saturday because of the illness of Mrs. Abshagan's sister.

Question: I keep reading and hearing about the tax advantages of buying savings bonds. Just what is this advantage?

Answer: Interest which accrues on Series E bonds every six months does not have to be reported for federal income tax purposes until the bonds are cashed or reach final maturity, which could be a period of 17 years. E Bonds can be exchanged for Series H Bonds with the accrued interest not becoming taxable until the H Bonds are cashed or reach final maturity. At no time is the interest subject to state or local income taxes.

### WRESTLING CHAMPS IN CITY'S FIFTH AND SIXTH GRADES

A city-wide wrestling tournament among fifth- and sixth-grade boys wound up last Tuesday afternoon when finals were held at Perrin-Palmer School. The winners, seated here, were Greg Weber of Perrin-Palmer, pee wee champ; Tom French of Swegles, midget champ; Greg Lundy of Swegles, middleweight champ; Dan Sullivan of Swegles, light-heavyweight champ; and Greg Ebright of Central, heavyweight champ. Teacher Mike Humphrey, who conducted the two-week elimination tournament, said the boys had to win six or seven matches to reach the finals. Other boys competing on the final day were, standing left to right, Gordon Sperry, Mike Price, Dan Downing, Gene Pederson, Mike Barrett, Randy Eberhard, Bernard Barrett, Gavin Sanders, Brian McCarthy and Bob Spencer.

Dairy farmers set two new production records in 1965. First the number of cows in the nation's dairy herds declined to an all-time low of 15 1/2 million head. Secondly, production per cow rose to an all-time high of more than 8,000 pounds.

### Road conditions irk township residents

There was a public meeting held in the school cafeteria last week with about 50 residents of Bath township attending. The discussion centered on roads and taxes. This meeting, as well as the preceding three meetings was arranged by William VonDrasek, Voc-Ag instructor at Bath Community Schools.

An open discussion was held, pertaining to the road maintenance in Bath township. The residents of Bath township feel they are not getting their fair share from the Clinton County Road Commission on maintenance of the local roads.

SUGGESTIONS TO help correct the problem of bad roads in the area includes: 1) the possibility of building or renting space for a county grader to be housed in this end of the county to eliminate the cost and wasted time caused by having to drive the vehicle from St. Johns every day for working. There is a lack of housing space at St. Johns for the equipment, also. The grader could be used in the other southern townships of the county, such as DeWitt and Victor; 2) the hiring of a man by the township to run the grader and to be able to do the work needed in the area; 3) millage, added to the property taxes, to obtain extra monies to be used on the roads; 4) hire a private contractor to do the work not being done by the county; 5) have the present planning commission of Bath township see if they can come up with a plan for better road maintenance and if monies are made available where the reconstruction would begin; 6) that persons living in Clinton county either buy their vehicles license plates in Clinton county or specify that they live here as that is where a large amount of the road funds come from; and 7) it was suggested to circulate petitions to enable the people of Bath township to insure that the Clinton County Road Commission fulfilled their obligation to the township residents in the matter of road maintenance.

GERALD SHEPARD, Bath township supervisor explained to the people attending the meeting, how the county road commissioners are appointed. He said, "The board of supervisors, which are elected, appoint the road commission members. They in turn appoint or hire the engineers, foremen and workers. After the commission members are appointed they cannot be removed until their term is up or by the Governor."

The suggestions and discussions have given the people a better view of what can be done and maybe, what should be done. The planning commission will meet to discuss this problem March 27. There will be another open meeting to see what results have been obtained. Next meeting

will be at the school March 30.

The last Lenten luncheon at the Bath Methodist Church will be held this Thursday noon. This will be the last one because of the school's Easter vacation next week. The WSCS of the church puts these luncheons on each year for Junior and Senior High School students. With the lunch is also provided a Lenten message. This year there has been especially good turnout of students. Last week there were 91 students at the program. Parent-Teacher Conference at Bath Community Schools will be held March 20 from 1 to 4 p.m. and March 21 from 7 to 9 p.m. There will only be a half day session at school Monday, March 20. Spring vacation will begin March 23 and school will resume March 28.

The sophomore class of Bath High School is sponsoring a wrestling match, March 18, at 8 p.m. at the High School. There will be five matches with well known wrestlers from the Burt Ruby organization. The profits from this class project will be used for their class trip.

### Cessnas leaving, honored Sunday

A potluck dinner was served at Gunnisonville Community Church Sunday at 12:30 p.m. in honor of Rev. William Cessna and his family who will be leaving Lansing March 15. There were about 60 present.

The Cessnas were presented with an electric clock with an illuminated picture of Christ and a pen and pencil desk set from the church and the Ladies Aid. Mrs. Cessna received a sterling silver locket with the praying hands on the front from the senior choir. She has been their accompanist for the past year and a half.

Rev. Cessna is resigning the pastorate of Emmanuel and Gunnisonville Community Methodist churches to take a teaching assignment at Asbury Theological Seminary of Wilmore, Ky. They will be back for Good Friday and Easter services.

Good Friday services will be held at the Gunnisonville Community Methodist Church at 1 p.m. in a union service with Emmanuel Methodist Church. Easter sunrise service will be held at Emmanuel Methodist at 7 a.m. An Easter breakfast will be served following the service by the MYF groups of both churches.

### Legion to mark 48th birthday at dinner Friday

The Edwin T. Skiles Post 156 of American Legion at St. Johns will hold the annual Legion birthday dinner this Friday evening, commemorating the 48th anniversary of the founding of American Legion.

Members of the Legion and Legion Auxiliary will gather at the hall for dinner, and they are asked to bring their own table service and a dish to pass. There will be group singing and a report on history of the Legion, with dancing to follow at the Legion Club.

THE FOLLOWING ordinance was moved by Commissioner Furry and supported by Commissioner Rand.

**ORDINANCE NO. 201**

**AN ORDINANCE TO PROTECT THE PUBLIC SAFETY BY REMOVING DEAD OR DISEASED TREES.**

WHEREAS, the city commission has determined that dead and diseased trees within the city endanger the public safety and constitute a public nuisance, and

WHEREAS, the city commission has determined that removal of dead and diseased trees is necessary to protect the public safety.

THE CITY OF ST. JOHNS ORDAINS:

Section 1. Any dead or diseased tree, whether located on public or private property within the city, is declared to be a public nuisance.

Section 2. Any elm tree or part thereof, whether located on public or private property within the city which is infected with Dutch elm disease is declared to be a public nuisance.

Section 3. Any public nuisance under this ordinance shall be abated by the owner of the premises upon which such nuisance is located or which adjoins that portion of a street or alley where such nuisance is located within fifteen (15) days after service of notice thereof on such owner by the city clerk. Abatement of the nuisance may be by the owner of the premises or by a contractor

selected and hired by the owner. In either case, the owner or contractor shall be liable for any damages arising out of such abatement.

Section 4. If, at the expiration of the time limit in said notice, the owner has not complied with the requirements thereof, the city manager shall cause the requirements of said notice to be carried out. The cost of such abatement or such portion thereof as the city commission shall direct shall be charged against the premises and the owner thereof.

Section 5. Any person receiving notice to remove a tree may within fifteen (15) days thereafter file an appeal with the city clerk which shall be transmitted to the city commission and shall be heard at the next city commission meeting thereafter. Filing of an appeal shall not restrict the power of the city to remove trees from public property pending the hearing on appeal.

Section 6. The city clerk shall from time to time prepare a special assessment roll listing the property owners to be charged and the amount to be assessed and shall present this roll to the city commission for confirmation.

Section 7. This ordinance shall become effective twenty (20) days after its passage.

YEA: Coletta, Furry, Rand. NAY: None. ABSENT: Irner, Sirrine.

**1st Nighters rehearsing plays**

The St. Johns First Nighters are deep in rehearsal for two "miller dramas" they'll present as the nucleus of the "Gay Nineties Revue" scheduled for April 7 and 8 at the high school auditorium.

Thirteen actors and actresses make up the case for the two one-act plays.

Appearing in "Egad, What A Cad!" will be Tom Smith, Marilyn Motz and Jerry Lewis, along with Ardis Crawford, John Martin, Lei DeGroot and Janice Pyle. In the other show, "He Done Her Wrong," or "Wedding But No Wife," are Glenn Hill, Melanee Green, Wayne Hicks, Barbara Rann, Joanna Maniez and "Sam" Hopko.

Between the two plays will be entertainment including a 16-member chorus line from Owosso; Teresa Sisson, soprano; John Anderson, baritone; The Fowler Four, barbershoppers; Gale Foersch, the "hottest banjo"; and Treva Hill at the ragtime piano.

All the acts will present sounds of the Gay Nineties. Terry Foster will direct the "Gay Nineties Revue," and the production is under the supervision of Wilma Paradise, Milo Rowell, Bill Cox and Ray Eick will stage the show, Rick Taylor will handle lighting, John Paradise the advertising, Doris Hicks the setting and Marlene Thompson the costuming.

There will be no reserved seats for the presentation of "Gay Nineties Revue." Tickets are on sale from any First Nighters member.

# A decade of service to St. Johns

ST. JOHNS — Mrs Beatrice Rivard, president and treasurer of the corporation that owns and operates Rivard Nursing Home of St. Johns, has been in the nursing home business since 1949.

Before coming to St. Johns 10 years ago and buying Randall's Nursing Home from Mr and Mrs Burt Randall, she owned the Sunnyside Rest Home in Saginaw.

Her nursing career began in 1945 when she worked as a private duty nurse at Saginaw General Hospital and in private homes. She became a LPN in 1950. Mrs Rivard taught in the rural school systems of Osceola and Lake counties for six years.

She is the mother of three, a son, who is a precision tool grinder and has seven children of his own, of Saginaw; a daughter of Bridgeport, who is employed in the office of the high school there and is the mother of two; and a step-daughter of Midland, who is married, the mother of two and the grandmother of eight.

WHEN SHE BOUGHT the home in February of 1957, the 311 E. Higham Street address was a nursing home licensed for 17 patients and the 313 E. Higham Street address (the brick house) was a home of the aged and home for eight men.

By 1963, the homes were placed under one nursing home license. When the most recent addition was completed in 1964 room for seven additional patients was added bringing the total patient load to 32.

In addition to the more patient space, the day, laundry, kitchen and utility rooms were enlarged. Also included in the expansion was a janitor's closet, nurses station and what is called a drive-in bath.

When the building was opened a hi-fi was donated to the home by the Dart Parr family.

MRS RIVARD, who is listed in Who's Who of American Women, is a member of the American Nursing Home Association, Michigan Nursing Home Association, the Esther Circle of the First Methodist Church of St. Johns and the Rebekahs.

She is regional director of the South Central Region of the Michigan Nursing Home Association since 1950, president of the Saginaw District of the Practical Nurses Association in 1950 and a member of the Lansing district of the Michigan Practical Nurse Association.

She also spends every Monday evening attending classes in Jackson, taking a course related to nursing home administration.

IN AUGUST of 1957, shortly after Mrs Rivard came to St. Johns, a partnership between she and her brother, George H. DeView of South Bend, Ind., was formed.

Presently the home is run by a corporation, Mrs Rivard serves as the president and treasurer; her sister, Gladys Hetzel, is vice president and Alba Wert is the secretary.

Mrs Rivard is the administrator of the home and her sister, Mrs Hetzel, is the assistant administrator, in addition to her duties as supervisor of nursing.

MRS GLADYS HETZEL, supervisor of nursing, worked in professional nursing for a year at Saginaw General Hospital before she was married. She came to St. Johns an aid in 1959, went to school (this is a switch, with her daughter's help) and became a Licensed Practical Nurse. She worked for a time at Flint St. Joseph Hospital before returning to St. Johns.

She joined the corporation in May of 1962.

Mrs Hetzel is the mother of two daughters, one is married, has three children and works for Hamady Brothers in Flint and the other is a surgical technician at Mercy Hospital in Jackson.

She is on the floor every morning at 8 a.m. and makes her home in an apartment at the Nursing Home, so she is on call when she is needed.

OTHER STAFF MEMBERS include Madeline Linder of St. Johns. She has six children and has been at Rivard for about a year. Her hours are from 5 a.m. until 1 p.m. She cooks breakfast and cleans on the floor, she gives no patient care.

Hazel Fifield of St. Johns has worked at Rivard since last December. She has a son 23 and a daughter 16. She works in the laundry.

Joyce Silson works from 7 a.m. until 3 p.m. as a nurse's aid. She has been employed at Rivard Nursing Home for 10 years.

BECKY WISER has worked as an aid for about eight months at Rivard Nursing Home. Her hours are from 7 a.m. until 3 p.m. She is the mother of a daughter 18 and a son 12.

For six years Betty Mable of St. Johns has been working at Rivard Nursing Home. She has four children and two grandchildren. Mrs Mable is an aid and works from 7 a.m. to 3 p.m.

Zulla Van Camp, lives with Mrs Hetzel and has worked for eight years as a nurse's aid. She has a son and five grandchildren. Her hours are from

11 p.m. until 7 a.m. and she is also on call.

SUZANNE EMMONS of rural St. Johns has been at Rivard for seven months working as a nurse's aide. She works from 3 until 11 p.m. and has two children. Mrs Emmons was employed at Capital City Nursing Home of R-2, Lansing for four years.

Geraldine Stone has been an aide for six months at Rivard Nursing Home. She is a cook and has been at the home for six years. She is from St. Johns the mother of five and her hours are from 9 to 5.

ANOTHER NURSE'S AID, Lena E. Goodrich of rural Ovid, was a Gray Lady for five years at Clinton Memorial Hospital of St. Johns before joining the Rivard staff eight months ago. She is the mother of two sons.

Helen Lovegrove of rural St. Johns has been at the home for nine years and is the mother of six children and seven grandchildren. She is an aid and works from 11 p.m. until 7 a.m.

The mother of five, Betty Seales of rural St. Johns has been an aid for the past two years. She works from 7 a.m. until 3 p.m. Mary Snyder works eight hours daily on the swing shift.

BETTY FULLER of rural Pompeii worked at a nursing home in Leslie before joining the staff here. Her hours are from 3 until 11 p.m. and she is the mother of three.

Evelyn Hartman of Ovid is an aide and worked at a nursing home in Leslie before joining the staff here. Her hours are from 3 until 11 p.m. and she is the mother of three.

LUCILLE DAVIS is a nurse's aide and works the swing shift. Anna Griffin is the mother of two boys and two girls and works as an aide and cleans. Shirley Wagar of St. Johns is

an aide and the mother of five. Rose Ritter of St. Johns is the mother of four boys and a girl and works part-time.

SINCE THE HOME became known as Rivard Nursing Home changes have taken place. There are now church services held at the home every other Sunday. The Clinton County Ministerial Association participates.

There is a weekly Bible reading given by Donald Tumore of the First Baptist Church of St. Johns. His wife plays the piano every week for the hymn singing.

Handwork classes are offered to the patients wishing to take part.

The posted visiting hours of 2 to 4 p.m. and 7 to 8 p.m. are observed by the patient's friends but family members are welcome at any time.

### Accepting applications for new state jobs

The Michigan Civil Service Commission is now accepting applications for several state jobs, according to State Rep. Lester J. Allen, Republican of Ithaca.

Rep. Allen announced this week that a March 20 deadline has been set for submission of applications for positions as highway administrative engineers, guards and an opening for a helicopter pilot.

### Torch features war-related articles

Last week's Wilson Torch, bi-weekly student publication, features stories on student and teacher views about the war in Vietnam. The newspaper staff not only obtained views about the war but ran stories and pictures of former Rodney B. Wilson High School students now serving with the armed forces in Vietnam.

## Honey: a most remarkable food

BY HELEN B. MEACH Home Extension Economist

Boys believe in bees. Beeswax is used to slick their skis, and the honey made by the sharp little insects is praised by professional football players and their coaches as a source of instant energy when the pressure is on. Yes, boys believe in bees.

Girls believe in bees, too. Beeswax is a key ingredient in cold creams, lotions, lipsticks and rouges. If that's not reason enough, the bee's honey also rank as a key ingredient in some of the most highly-praised wining recipes in a cook's repertoire. Honey is certainly a good friend, she'd better believe in bees.

Farmers also believe in bees, but for reasons unrelated to honey and beeswax. To the farmer, these are just by-products of the bee's principal role—that of pollinating over 50 important agricultural crops each year. It has been calculated that the value of the honeybee in pollination is 10 to 10 times its value in honey and wax production.

FOR MOST FOOD shoppers, honey is an impulse purchase. It stands on the grocer's shelf along side such other sweeteners as maple syrup and molasses and unless the shopper's mood is just right, it's likely to be passed by. This is too bad, for honey is one of our most remarkable foods. It needs no preservatives, no coloring agents, no special protection. If it should crystallize on standing, simply warming

it gently in its container will cause the crystals to vanish and the original clarity to return.

One of honey's nicest characteristics is its ability to keep baked products fresh longer due to its talent for absorbing and retaining moisture. Here's a recipe for Honey Hot Cross Buns, Lenten season favorites that could be featured year round, minus their crosses.

### HONEY HOT CROSS BUNS

- 2 packages yeast, compressed or granular
- 1/4 cup lukewarm water
- 1 cup milk
- 1/4 cup shortening
- 1/2 cup honey
- 1 teaspoon salt
- 2 eggs, beaten
- 1 cup currants or candied orange peel
- 1 teaspoon cinnamon
- 1/4 teaspoon allspice
- 6 cups sifted enriched flour (about).

Soften yeast in lukewarm water. Scald milk. Add shortening, honey and salt. Cool to lukewarm. Add flour to make a thick batter. Add yeast and eggs. Beat well. Add currants, spices and enough flour to make a soft dough. Turn out on lightly-floured board and knead until satiny. Place in greased bowl, cover and let rise until double in bulk. When light, shape into small buns and place on greased baking sheet or in pan. With knife or scissors, cut a small cross in the top of each bun. Let rise until double in bulk. Bake in moderate oven (375 degrees F.) 20 to 25 minutes. While hot, ice with uncooked icing, following the cross cut in the buns. Yield: 3 dozen buns.

Why not tell your wife that she is perfect except in one particular, and ask her to guess what?

By LUCILLE SPENCER, Correspondent

Afternoon Circle elects officers

The Afternoon Circle of the Shepardsville WSCS met at the home of Mrs Pearl Miller Thursday afternoon, March 9. There was a small attendance, due to illness in some of the homes.

During the business meeting, presided over by the chairman, Mrs John Spencer, a money-making project was discussed. It was voted to have a silent auction of baked goods at the next meeting, which will be at the home of Mrs Spencer.

Election of Circle officers resulted in the following: Mrs Karl Smith, president; vice - president, Mrs Ralph Baker; secretary, Mrs John Spencer and treasurer, Mrs Pearl Miller.

There being no further business, the meeting was turned over to the program chairman, Mrs Warren Gutschall. Mrs Ruth Olson had charge of the devotions. She read the Good Friday and Easter Sunday pages from the Upper Room. Mrs Gutschall was assisted by Mrs Robert Hebler, Sr.

The topic discussed was "The Joint Action for Missions", entitled "Teach Them to Read". This program is called Lit-Lit and is carried on all over the world.

Keep the following in mind: Maundy Thursday services and the Easter Sunrise service are to be at the Price Church. Shepardsville will be helping and all are asked to come.

The Education Commission met Monday evening to begin plans for Vacation Church School to be held some time in early June.

The Berean Circle of the WSCS meets Thursday evening, March 16, at 8 p.m. at the home of Miss Donna Hettinger.

## Work begins on \$600,000 Carson City Hospital annex

Ground was to be broken last week in beginning excavation for the latest addition to Carson City Hospital.

Contracts were awarded by the hospital board Feb. 22, and work is to be completed within 300 days.

The general contract was awarded to William Morris and Son of Ionia; the mechanical contract to Mid State of Mt. Pleasant; the electrical contract to Grand Rapids Industrial Electric, and the elevators contract to Montgomery Elevator of Grand Rapids.

Total construction cost, not including equipment is in excess of \$600,000.

existing hospital lobby, and allow easy access to the new unit. The corridor will also house an elevator and an outside service ramp.

The main floor of the extended care facility will consist of private and semi-private rooms with special facilities for the care of long term patients. The unit has a capacity of 44 beds. In addition, the main floor will have a large room for serving ambulatory patients.

The basement area of the unit will house facilities for physical therapy and rehabilitation and will include a meeting room which is also designed to serve as a nondenominational chapel.

In this construction.

The existing dietary department will undergo extensive expansion and remodeling, an additional boiler will be installed and several of the ancillary services will be relocated.

Upon completion, the addition of the extended care unit and a separate pediatric unit will give Carson City Hospital a physical plant considered ideal by authorities in institutional health care. Combining under one administration and one physical

plant services for both acute bed patients and extended care patients allows full utilization of clinical, laboratory and x-ray facilities; centralized care by the attending professional staff, and economy of operation by having one dietary service, a central heating system, emergency generator and ancillary services.

### City studies new rubbish pickup plan

The possibility of the sale of the Mead Dray Service to an Owosso man has prompted the City of St. Johns to proceed with preliminary plans for a new garbage and rubbish pickup agreement.

City Atty. Harold Reed was directed by the city commission last week to draw up a new contract between the city and Keith Canfield of Owosso. Terms of the agreement haven't been worked out.

The city now has a contract with Mead Dray Service for \$600 a month for rubbish pickup in the residential areas of town, and Mead's was granted a franchise for residential garbage service. They now have about 270 private garbage customers who pay them directly.

Two meetings back, the city commission directed an inquiry at downtown businessmen concerning possible franchised rubbish collection by the city in the downtown area. Retailers, however, have asked the city that the downtown be excluded from any such franchise. The feeling was that retailers prefer to make their own hauling arrangements, as they now do, and they are happy with the present once-a-day pickup for many of the businesses.

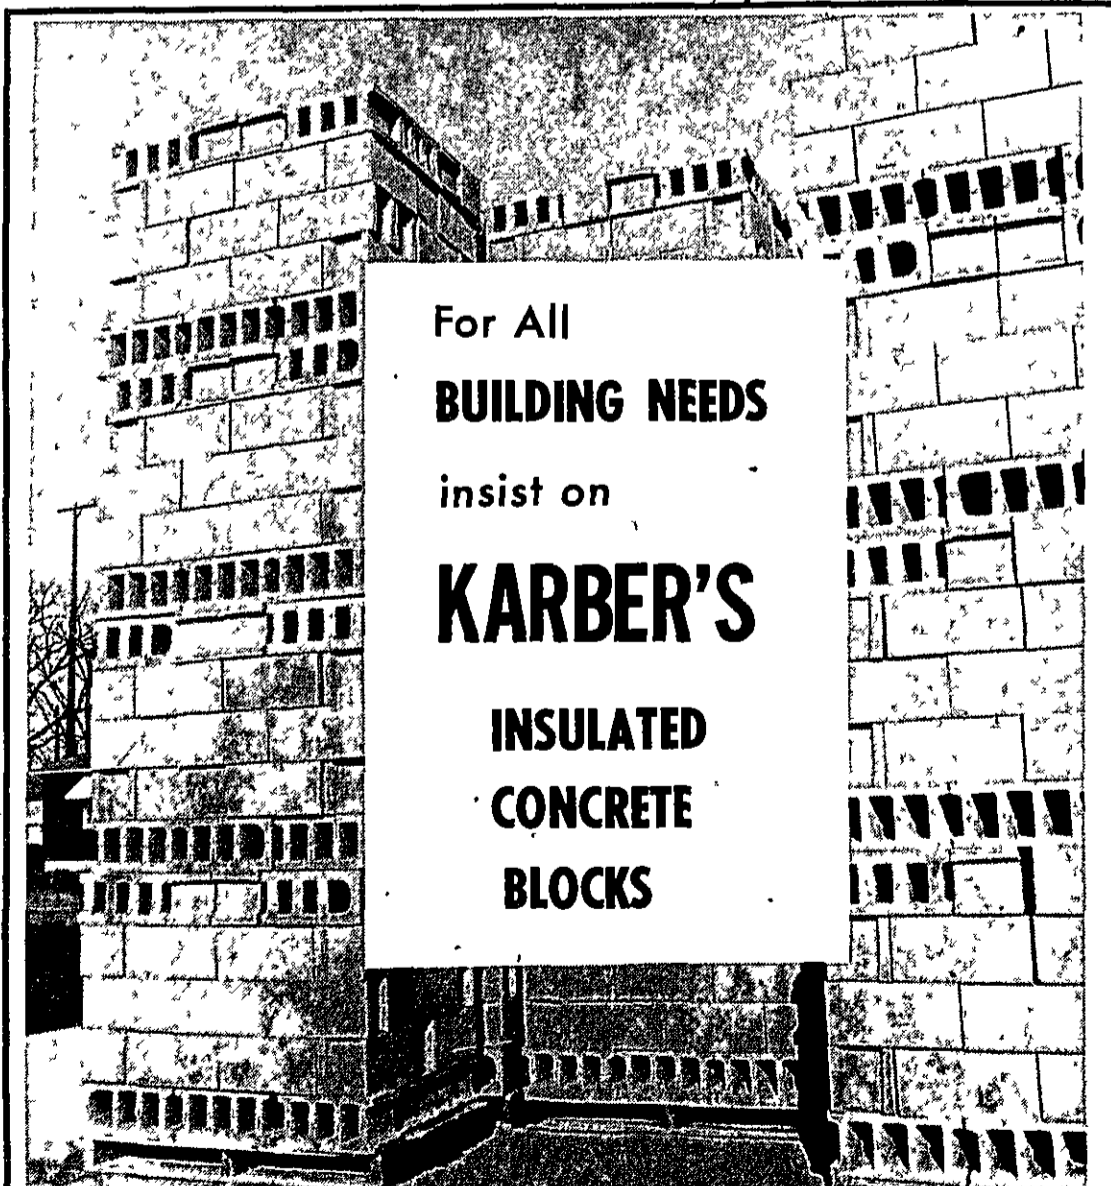

### MICHIGAN TRAVEL EVENTS

Events of interest to Michigan travelers during the next week, as listed by the Michigan Tourist Council, include: Fine arts festival at Rochester March 16-24; home and sports show at Charlotte March 17-19; Walloon Hills Crazy Daze celebration at Walloon Lake March 18-19; and Houghton-Hancock family dog races at Mont Ripley, Houghton, March 19.

## THE URBAN RENEWAL STORY - X

### Survey concludes relocation no problem

In January 1966 as the next area of surveying, a personal canvas of residence and businesses located outside of the re-

habilitation area was instituted. The reason for this survey was to ascertain the present types of businesses, present off-street parking area, gross floor area, and to ascertain whether or not the business or family involved was eligible under the law for relocation assistance.

The business portion of the survey also established estimated requirements as relates to gross land area needed as well as gross floor area required. It also noted relocation preferences such as where, how and general comments indicating any particular locational problems. For the most part, the businessmen, either owner, tenants or rental lease tenants, were most cooperative in making this survey. There were several instances of downright refusal to cooperate in any manner. There were also several cases where

specific questions were left unanswered.

THE INTERVIEWS attempted to point out in each case that the information obtained in this survey would be of great importance toward formulation of the overall plan and would pinpoint those businesses and families with a specific relocation problem. In the case of the family surveys such information as number of members in the family, income data, and housing requirements pointed toward an individual picture for the planners to base their recommendations. Again, for the most part, cooperation was good. There were, of course, the usual exceptions when the largest share of the interviews had been completed.

A survey sheet for each tenant within the area was forwarded to Villean-Leman Associates

for their appraisal analyses and summary report. In connection with the relocation survey a housing resources survey was made in order to ascertain the availability of family housing within the St. Johns area. Newspaper ads and a check with all real estate dealers within the area was made as of a specific date. A second survey of a like nature was performed about one month later. In comparing the two surveys a reasonable conclusion could be drawn as to trends in housing availability. This survey included rental units and for sale properties.

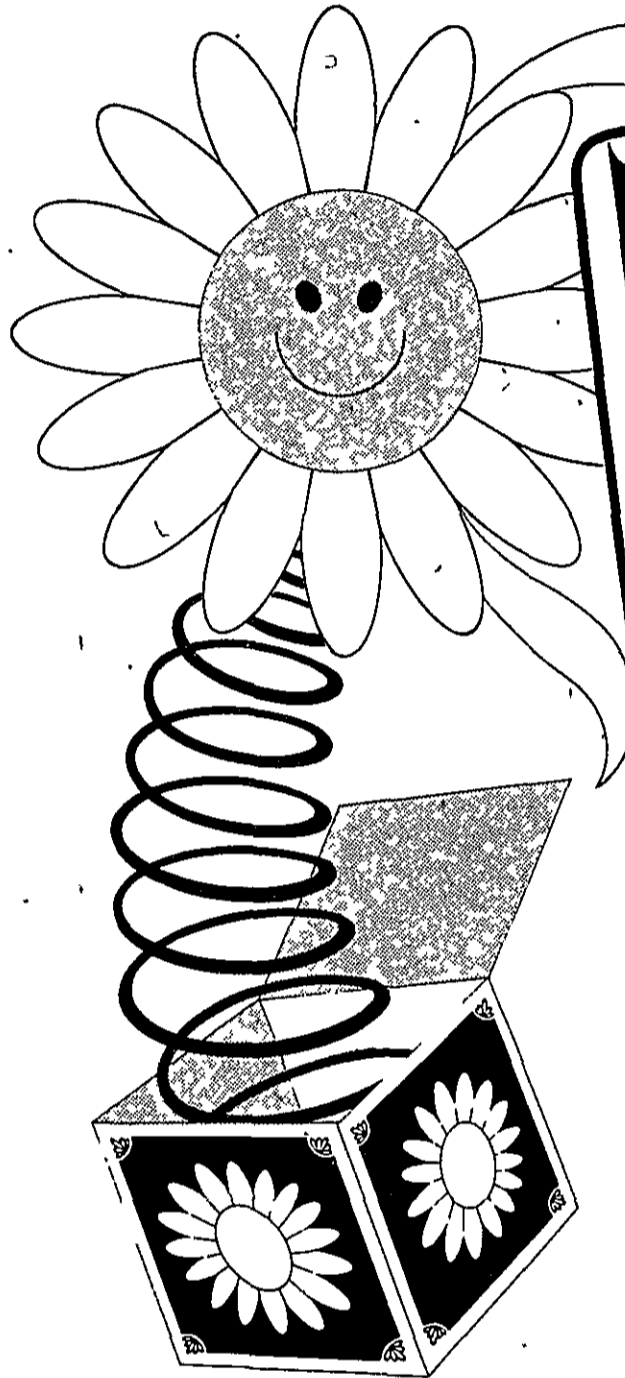

THE AMOUNTS of rent to be charged for each rental unit and the selling price of the other properties were checked against the survey sheets previously mentioned. From these two items of information it was concluded that adequate housing, either

rental or for sale, would be available within the City of St. Johns to satisfactorily relocate those families living within the project area.

Villean-Leman Associates, in their analyses of the business survey, base the amount of floor space for retail businesses wishing to return to the project area upon completion of the necessary steps under the program.

To the figures indicated on the business surveys a certain percentage was allowed as a margin for error and in anticipation of entirely new businesses wishing to locate in St. Johns. It must be pointed out that the results of both the family and business surveys were most valuable in formulating the final site plan for the project.

In next week's installment we will deal with the reuse appraisal as prepared by Groseclose, Williams and Associates.

## 'Ordinances to be enforced'

"Enforce our ordinances," the St. Johns City Commission directed the city administration last Tuesday night.

The directive came as the conclusion of an extensive discussion about blocked sidewalks and illegal parking, started as an inquiry by Commissioner John Furry.

Furry said a citizen had asked him why the city allowed some business establishments, particularly in the downtown area but also in outlying commercial zones, to block city sidewalks with automobiles and implements.

VETERAN COMMISSIONERS acknowledged that this has been going on for a number of years, but Commissioner Rex Sirrine admitted there was more of it now than there had been.

"If we can't do anything about it, let's get it off the books," Sirrine said. "I for one want rigid enforcement of our laws."

Mayor Charles Coletta instructed City Atty. Harold Reed to look into the situation from a legal standpoint and to see what action could be taken concerning the blocking of sidewalks. Reed will report at the next meeting next Tuesday.

In the meantime, the commission asked for enforcement of no-parking laws, especially in front of driveways and in front of the post office.

## School board buys additional 4 acres for site at Eureka

The purchase of an additional four acres of land at the Eureka School site was approved last Wednesday by the St. Johns Board of Education.

The board has obtained an option on the land for \$500 an acre from Gordon Waggoner of Eureka, and processing of the final purchase is now under way. The new land for the school is on the northeast corner of the present site and will enlarge the Eureka site to 10 acres.

The board also accepted the low bid of Classrooms, Inc., of Lansing for four Superior bus bodies. Two 60-passenger bodies were purchased at \$3,906 per year to be mounted on a GMC chassis from Caln and a Chevrolet Chassis from Bee's. Two 66-passenger bodies at \$4,149 each will be mounted on International chassis purchased from Gower of Eureka and Montague of St. Johns.

THE BOARD tabled for probable adoption at the next meeting a policy on placement of elementary teachers in the new schools of the district. Tabling of the policy is a normal procedure for the board when a policy change or new policy is involved.

Also tabled for later discussion was a suggestion to hire a clerk of the works for the schools' building program. The clerk of the works would be the school's representative on the

job at the school sites, and he would check closely to see that the work done and materials used were exactly those specified in the contract.

The board was to meet with Guido Blinda, high school architect, this week to go over final plans for the high school building. The board anticipates bid forms will be available to contractors the first week in April and that possibly by the third week bids can be taken, opened and possibly let.

IN A MOVE TO prevent any further damage to buses by such as that which occurred two weeks ago, the board approved additional lighting for the area around the school bus garage on West State Street. Presently the only lighting comes from the corners of the building.

The board's next regular meeting will be April 5.

You've probably been hearing about "Charge-It"—the new master credit system for retailers with a bank behind it. It's big news. But what you may not know is that when you sign up for "Charge-It," you can accept any other Midwest Bank Card at your store.

You don't have to worry about which card offers the largest number of potential customers to you, because they all do.

That lets you concentrate on picking the card plan that offers you the best deal and the best service.

The "Charge-It" system is specially designed to make every sale a cash sale. You get immediate credit

to your account for all your Midwest Bank Card sales slips just by turning them over to your "Charge-It" bank. No more funds tied up in accounts receivable. And no more collection problems.

"Charge-It" is also designed to be flexible. It can supplement your present credit program, or replace it. It can replace the headaches and costs, too.

There are a lot of other interesting features we can tell you about "Charge-It." For complete information, just phone us today. We'll arrange for one of our representatives to call and furnish you with all the details and advantages of this new master credit system for retailers.

## Clinton County News

### Short course in publicity

#### STEP TWO:

##### Tools

Effective publicity is easier when you have good "tools" for the job. You'll get them from several sources.

Many news media people will supply you with guides to follow in preparing copy for them.

An important tool from your club secretary is a complete membership roster.

A well-outlined program of important events and special projects for the whole club year is a must.

A date book with lots of room to note deadlines and plans is an invaluable tool. School supply stores sell September-to-June datebooks, perfect for the club year!

Assemble a scrapbook of your year's publicity as you go along. Paste in it clippings of every newspaper story. Add your own notes of radio and television publicity and any other media used. Such a record will help you avoid monotony as you work through the year. It will also be a valuable tool for your successor.

Keep all your tools in one place. You are then ready to meet with club officers at a moment's notice, prepared to suggest the next step in the year's publicity program.

#### STEP THREE:

##### Decide What Is News

Newspapers used to carry reams of what they call "chicken dinner news." Whole columns were devoted to reports of routine meetings, names of those attending, refreshments served and other matters of interest only to members. Today's newspapers carry little of this sort of copy. World news has crowded it off their pages. The same is true of broadcast media.

Your club secretary is expected to notify members to pay dues, or to bring a covered dish, or that a baby sitter will watch the member's tots.

You must learn to recognize and use for publicity only those things that interest others.

Will your news interest non-members in the community? The state? The whole country? Or are you asking the editor or broadcaster to tell people something they couldn't possibly care about? If so, they won't use it. They need NEWS. Their job is to capture the attention of their audience and hold it. Editors like reliable sources of lively copy.

You can be the originator of a more interesting club program if you issue a tactful challenge to the club officers. "Give me something to publicize," is a request that often works wonders. When members are made aware of the need to do newsworthy things they are apt to develop programs and projects that have good news value.

What do you do if something totally unexpected happens? What if an otherwise routine meeting suddenly develops into news that will interest outsiders?

Dot down accurate notes of what was said and by whom, or what club action was taken. Get in touch with your newspaper or broadcast contact immediately after the meeting. Tell briefly what took place and why you think it's news. Then let the media person be the judge of its usefulness.

#### THESE THINGS CAN BE NEWS:

- Club elections
- New projects
- Outstanding speakers
- Unusual action or occurrence at club meetings
- Entertainment
- Tours, study sessions, demonstrations
- Fashion shows
- Resolutions on matters of public interest
- Benefits that need public support
- Awards won, or awards given
- Anniversaries of club milestones
- Athletic events
- Craft and hobby shows
- Competition with other groups
- Civic events that involve club members
- Member participation in local, national and world affairs

Due to weather conditions and furnace trouble the annual dinner of the Stilson Cemetery Assn. has been postponed indefinitely. The annual business meeting will be held in April. The place and date will be announced later.

There were 18 in attendance at the Victor Missionary dinner held at the Exelby home Thursday. During the business meeting it was voted to have a dinner for members who will be moving this year to new homes, due to the Sleepy Hollow project. The dinner will be held at some restaurant and will take the place of individual parties. Several members planned to attend the Women's Fellowship in Ovid Wednesday, March 8.

Ralph Cortright's condition remains about the same. He enjoys having callers.

Mr and Mrs Merriel Balcam returned on Wednesday after spending three weeks in Florida. Mr and Mrs Don Ickes of Lansing were Saturday evening callers in the Balcam home.

Mrs Robert Van Gieson and daughter of Ovid spent Sunday afternoon with her grandparents, Mr and Mrs Elzie Exelby.

Mr and Mrs Raymond Barnes and Mr and Mrs Walter March write that they are having a very nice trip through the western and southern states. They plan to be gone three weeks.

David Beecher, U.S.N., son of Mr and Mrs John Beecher, is now stationed at Camden, N. J. and Saturday evening talked on the phone with his family.

Mr and Mrs Richard Beecher were hosts to about 50 friends at their home Saturday, March 4. These were members and families of the Independent Order of Foresters from Lansing. All enjoyed the toboggan slide and this was followed by a huge bonfire on the hill with roasted marshmallows and hot dogs. Later in the evening hot chocolate and Sloppy Joes were served.

Mr and Mrs Louis Jorae were Saturday evening guests of Mr and Mrs Victor Jorae in Laingsburg. While there they attended the First Communion Service for three grandchildren, Jody, Rusty and Debbie Jorae.

### C-C board backs charter changes.

The board of directors of the St. Johns Chamber of Commerce has gone on record supporting the proposed changes in the city charter as recommended by the city commission.  
Recognizing that the present charter is "out-dated" and in many instances apparently conflicting with state laws, the directors emphasized the need for modernizing the charter so that it could be more easily understood.  
"Certainly our city will be able to operate more effectively with a charter designed to meet present day needs and one which will comply more fully to state laws," they said.  
A necessity is a luxury you can buy on the installment plan.

### THINK ON THESE THINGS

A devotional message written each week by a pastor of a Clinton County church

BY REV ELDON RAYMOND  
St. Johns Church of the Nazarene

SCRIPTURE: Matthew 28: 5-7  
TEXT: John 16:33B - In the world ye shall have tribulation; but be of good cheer; I have overcome the world.

#### INTRODUCTION:

What a statement for a man to make who had come from a humble carpenter's shop! A man who had never traveled over a hundred miles from the place of his birth. A man who had no army at his command or palace to live in. A man who was despised by the wealthy of his day who could assist a person to gain power and prestige. He was a man who stood in the shadow of the cross. He had already told his disciples, who were poor fishermen, a tax collector, a doctor, 12 in number; "I am going to die." How could such a man say, "I have overcome the world"? The message of the Angel on the resurrection morning tells us how he could make such a statement, "He is not here; He is risen as He said."  
The message of the angelic hosts to the women was threefold: the banishment of fear - "fear not," the inspiration of vision - "come and see" and the commission of service - "go quickly and tell."

#### 1. THE BANISHMENT OF FEAR

As I have heard sermons and read articles concerning the black night of disillusionment wrapped up with the trial, conviction and murder of Jesus, the tenor of thought around the fear of the disciples, centered in either their fear of death also, or that their new kingdom would not be restored or the grief of going on without their shepherd to lead them. I personally believe there was a much deeper fear possessed by the disciples who had sat at the Master's feet.  
A. The fear that maybe this wasn't the promised Messiah. What greater fear could possess a group who had pinned their hope of salvation on Jesus than the possibility that they were still in their sins and that maybe Jesus wasn't God's Son, their Messiah, after all. Peter had said, "To whom shall we go? Thou hast the words of eternal life."

REV RUBENSTEIN

A person might say "I don't believe that the disciples questioned Jesus' deity and their salvation." No? Well, let's follow along and listen to the words of Cleophas as he and another disciple traveled the Emmaus road recorded in Luke 24:21. "But we trusted that it had been He which should have redeemed Israel; and beside all this today is the third day since these things were done." Disillusionment! Fear! Satan I am sure, was doing his best to draw such fearful souls back into his net.  
Satan causes many people today to fear by putting doubt in their minds as to Jesus' deity and power to forgive sins.  
B. God, who had allowed his son to die for man's sins, was equally concerned that this fear of the disciples would be banished and their hopes and courage would rise again! That the chords of their heart which were silenced would vibrate once more. God sent an angel to bear the good news to those He loved. He will come to us in our darkest hour and banish our fears.

**II. THE INSPIRATION OF VISION:**  
A. The divinity of Jesus  
On the first day of the week Mary Magdalene and the other Mary came to offer their last respects and service of love to Jesus when there was a great earthquake and the Angel of the Lord descended from Heaven and came and rolled back the stone from the door and sat on it. He proclaimed to the fearful disciples and to the world that Jesus is the Christ the Son of the living God. "Come, and see an empty tomb, Jesus is not dead as ye think, He is alive for evermore!"  
The disciples' salvation depended on this message of a risen Saviour. Paul said in I Cor. 15-17 - If Christ be not risen your faith is in vain; ye are yet in your sins.

Our salvation depends on this fact also. Hallelujah, Jesus did over come the world and we can be of good cheer. Illustration of a Mohammedan speaking to one of our missionaries. "You Christians don't even know where your Messiah was buried but we have our prophet's body and know exactly where his tomb is. . . The missionary answered, "We don't have to know where Jesus was buried because He never stayed in the tomb. He lives today."

**III. THE COMMISSION OF SERVICE**  
It is the inspiration of the vision of the empty tomb that banished their fear. The Book of Acts tells us that they went preaching the gospel (good news) and the heart of the message was Jesus Christ whom God hath raised from the dead.  
There are scores of people here in St. Johns bound by sin, hungry for something to satisfy. You and I as Christians have the remedy; the gospel (good news) of Christ which is the power of God unto Salvation to everyone that believeth. Let us point them to Calvary's Cross, point them to Jesus' empty tomb. They fulfilled their commission and took the good news to the people of their day, but let us fulfill our commission!

**Graham film set at Grove Church**  
"Man in the Fifth Dimension," evangelist Billy Graham's motion picture from the New York World's Fair, will be shown next Saturday evening, March 25, at the Grove Bible Church on the corner of Shepardsville and Price Roads. The movie will be shown at 7 p.m.  
Filmed on many locations around the world in wide-screen 70mm Todd-A-O and technicolor, this motion picture was seen by over a million people during two seasons at the New York World's Fair.  
An accompanying film, "Copenhagen Crusade," is the story of Billy Graham's unusual ministry to that Danish capital.

Palm Sunday! After services, I lingered for a moment in the sanctuary. The sun patterned the floor with gold and stippled the palms by the altar. A quiet stillness held me and for an instant it seemed I saw a crowd waving branches and heard them shouting "Hosanna to the Son of David; Hosanna in the highest."  
And Jesus came, riding through the tumult of rejoicing. He had been in Galilee making blind men see, and lame ones walk, lifting up the dead and quickening men's hearts to goodness with his teachings. Many voices sang his praise, yet in a few short days, their screams would swell a cry of "crucify Him!"  
How could they, we wonder? How could anyone be blind to the goodness of this man, the rightness of His Word?  
And still today, as we turn away from the hungry, the poor, and disregard the needs of our fellowman; we just as surely add our voices to that cry.

Webberville takes 1st place

Students enthusiastic after first league math rally ends

Top math students at the first Central Michigan Conference Math Assn. Mathematics Rally at Fowler last week were: seated, Debi Cook (left) of Pewamo Westphalia, first in algebra II, and Rose Ann Koenigsnecht of Fowler, first in trigonometry; and standing (all from Webberville), Karl Waite, who tied for first in geometry, Larry Dowdy first in algebra I, and Irene Dowdy who tied for first in geometry.

FOWLER—Top math students from five Central Michigan Athletic Conference schools got together at Fowler last week to test their skills in competition with each other, and the enthusiasm created promise to carry over into other "rallies."

The Webberville math team coached by teacher Darrell West won the traveling team trophy by scoring a total of 107-1/3 points—not very far ahead of Bath, Pewamo-Westphalia, DeWitt and Fowler.

Runner-up Bath had 105-3/4 points, while P-W was third with 103-1/6, DeWitt fourth with 97-11/16, and Fowler fifth with 97-7/12. Larry Daley, Fowler High School counselor and coordinator of the math rally, pointed out this was extremely close, with less than 10 points separating all the teams.

TWELVE STUDENTS from each of the five schools participated in the first Central Michigan Conference Math Assn. Mathematics Rally. They were further divided up into groups of three from each school for separate competition in algebra I, algebra II, geometry I and trigonometry.

The math instructors—West from Webberville, Kay Schafer and Alice Spier from Bath, Carol McCurdy from Pewamo-Westphalia, Tom Kromer from DeWitt, and Gary Cline from Fowler—got together a few days before the rally and devised sets of problems for the students to tackle.

Each problem counted a point for a correct answer, and the team with the highest number of answers in all the categories—Webberville—won the traveling trophy. Individual winners in each math category were also honored, and will be presented with ribbons.

Individual winners were: ALGEBRA I: Larry Dowdy of Webberville, first; Jim Elzerman of Webberville, second; and Irene Pline of Pewamo-Westphalia, third.

ALGEBRA II: Debi Cook of Pewamo-Westphalia, first; Karen Simon of Fowler, second; and Cheryl Rademacher of P-W, third.

Geometry I: Karl Waite and

Irene Dowdy of Webberville, tie for first; and Mark Ondrias of Bath, third.

Trigonometry I: Rose Ann Koenigsnecht of Fowler, first; and Mary Ann Piggott of P-W and Loui Fritz of DeWitt, tie for second.

Fowler teacher Gary Cline, who was instrumental in organizing the competition between schools, said the participating schools hope to hold the rallies three times a year.

THE TEACHERS were to meet several days after the rally to analyze the results and plan for future rallies. Cline said they hope to use the results as the basis for a syllabus on math education throughout the county in an effort to improve instruction.

Then, too, as Kromer of DeWitt pointed out, "We are making an effort to provide recognition for students' achievements."

The actual math competition took place during the morning, and the early afternoon was devoted to math fun games. The announcement of individual and team winners was made about 2 p.m., and if the enthusiasm of the 60 students about the winners was any indication, future math rallies will be the same success the first one was.

Wedding

The deadline for wedding information for publication in the Clinton County News is 5 p.m. on the Thursday preceding publication. The News cannot guarantee immediate use of stories submitted after that time. This deadline is necessary to insure fairness to all parties and to all types of news. No wedding stories will be delayed more than one week.

If publication of a wedding story is desired in the first publication after it takes place, information should be submitted prior to the wedding and by the established Thursday deadline. Wedding information blanks are available at the County News office.

SAFETY TIP

For safer driving on freeways, the State Highway Commission recommends that you blend with the traffic entering and leaving a freeway. Build up your speed in the acceleration lane and slow down on the exit ramp after you are safely out of the main stream of traffic.

How the kids feel about . . .

Teen Smoking

Our student reporters at high schools around the county queried some of their classmates about teenage smoking and got answers both pro and con.

Two at Fulton who were asked were against smoking. One girl commented that "Boys should not smoke excessively in public and girls not at all." One boy's opinion was that it is "Bad for health, especially athletes. And it has an unpleasant odor."

Two DeWitt students who smoke gave their reasons. Said one, "Why shouldn't I? Everyone else does it. It gives me something to do instead of eating all the time. I really don't believe smoking is that dangerous to our health, and it is made too much of as far as getting cancer from smoking."

ANOTHER STUDENT SMOKER: "I smoke because I like it. It calms my nerves and makes me feel relaxed. If there is ever nothing to do, then you can always light up a cigarette. It makes me feel important when I smoke. I really don't worry about getting cancer from smoking because I don't think that smoking is that dangerous to your health."

An Ovid-Elsie athlete: "I feel that if a student wants to smoke, it should be up to him and his parents. If the student does decide to smoke I think it should be done outside of school." He also said he thinks the number of student smokers would be reduced if the schools had a program to show the hazards.

An Ovid-Elsie junior girl thinks students who smoke are endangering their health as well as acquiring a bad habit which is difficult to get rid of. "I do not see any advantageous reasons for students to smoke, as

it ruins their health and is a costly habit."

A girl at Pewamo-Westphalia views smoking: "To smoke or not to smoke is a decision which must be made by the individual. Smoking has proven harmful to the body in many ways. Young people must weight the consequences and decide for themselves."

A BOY AT P-W: "If a high school student wants to smoke, he will smoke no matter what anyone says or does, because if anybody stops him from smoking one cigarette today he will smoke two tomorrow. The only thing anybody can do is to make the student aware of the facts and let him decide. He will have to make his own decisions sooner or later, anyway."

A senior boy at Fowler: "I think if a student wants to smoke it is his own choice. Since teachers are allowed to smoke in school, I see no reason why it should be banned from students."

A Fowler senior girl: "Although these are not the only reasons students smoke, in my opinion the main reason is because it eases their tension and mainly because the crowd is doing it."

FROM ST. JOHNS HIGH: "I don't engage in such activities but many of my friends do. Their smoking does not bother me, because I feel it is a personal decision that should be left up to the individual. Parents should discourage smoking but not restrict it, because restricting an activity only encourages the activity on the sly." "I think smoking is a ridiculous, wasteful, and most likely a harmful habit for students as well as anyone else."

## 'Summer Place' theme for Fowler's prom

By JOANNE THELEN  
Fowler High School

The junior class met Friday, March 3, to discuss their junior-senior prom which is to be held April 28. "A Summer Place" was chosen for the prom theme. The students will be buying and making the decorations. Linda Thelen, Bob Fox, Stan Pohl and Joyce Harr head the decoration committee. The class decided to have the Al Knool Quartet provide music for the prom.

Also the class discussed their trip and possibilities of where to go. No conclusions were made and the topic was left open for future discussion.

### Pageant plans being studied

The Miss St. Johns pageant committee of Carol Keys, Bob Dittmer and Betty Jane Minsky is now in the process of studying rules and regulations of the Miss America pageant preparatory to setting up a local program.

Mrs. Minsky, secretary-manager of the Chamber of Commerce, said the local pageant probably will be scheduled toward the end of May. It is being planned so that Miss St. Johns may continue as far up the "ladder" as possible toward the title of Miss America.

spoke on insurance and explained the different types and needs of insurance.

The senior class will sponsor a bake sale March 18 from 9 a.m. to 2 p.m. It will be held in Becker's Furniture Store. A wide variety of bake goods will be on sale. The class plans to use funds received to finance their class trip.

The speech class upon completion of the study of plays is studying debating. They are learning the basic fundamentals of debating and debate terms. Soon they will put their knowledge to use in classroom debates.

SATURDAY, MARCH 4, the band participated in the Class D band competition held at the Perry High School gym. The competition began at 8:50. The band played three numbers: "Welsh Folk Suite," "Teccata for Bands," and "Bandology." They also were required to play two other numbers they had not played before. The judges awarded the band a "2" rating, which is very good.

In the boys' noon-hour basketball activity, team two is highest rated with four wins and one

### P-W bands participate at district festivals

PEWAMO - WESTPHALIA - The Pewamo-Westphalia junior and senior bands participated in the district band festivals March 4. The 31-member senior band played in Perry, and the 70-member junior band played at Corunna.

loss. The team members are David Koenigsnecht, Luke Witten, Richard Goerge, Mike McKean, and Don Thelen. The third and fifth teams are tied for second place with three wins each.

### 8 from Clinton graduate at MSU

Eight Clinton County students were awarded degrees March 12 by Michigan State University at the winter term commencement exercises.

The group included four graduates from Bath: Kirby A. Hanson of 6335 Park Lake Road, a bachelor of arts degree in junior high teaching; Arthur D. Miller of 6335 Park Lake Road, bachelor of science degree in physical education; Glenn E. Mitchell of 6335 Park Lake Road, BS in electrical engineering; and James L. Mosher of 12945 Wood Road, BA in Journalism.

Other county graduates are Frederick G. Fidura of 10570 US-27, DeWitt, PhD in psychology; John R. Hubbard of Fowler, master of arts in German; Mary B. Kurka of 3571 Meridian Road, Ovid, BA degree in history (with honors); and Norman E. Thelen of Westphalia, BA degree in social work.

Dr. O. Meredith Wilson, president of the University of Minnesota, delivered the commencement address and received the honorary doctor of laws degree at the ceremony.

Winter term at MSU closes this Saturday, March 18.

## Fulton's senior band wins 'I' rating

BY JANET MANCHESTER  
Fulton High School

Fulton High School's Senior Band made a very good showing at Perry in the district festivals, where it received a I, excellent rating. The band played two selections to be judged for sight reading ability. They were also required to play one number, "Jedermann"; the two songs the F.H.S. band chose to play were "Santa Cecilia" and "Overture for Winds."

The I rating will entitle the band to go on to the state festivals April 29.

THE JUNIOR BAND also did a very fine job, although they received a number II rating. This was still a very commendable rating, as they had little opportunity to practice as an entire group.

Mr. Stenseth has selected "Ar-

senic and Old Lace" for the senior play. Formal tryouts to fill the 11 parts for boys and the three girls' parts, will be held one day this week, (to be announced). The entire cast and crew will be printed soon.

The Junior High is still playing basketball games. Next Monday, March 20 they will travel to Vestaburg to meet their junior Wolverines at 6:30 p.m.

## 3 from St. Johns attend model UN meet at Hillsdale

Jeff White, Jane Morriss and Janean Geller of Rodney B. Wilson High School represented the "country" of Senegal at a Model United Nations Assembly Friday at Hillsdale College.

The program provides high school students with the opportunity to conduct committee and general assembly work in the same manner as the actual United Nations. Topics of international concern for the young delegates included admission of Red China, world disarmament and outer space agreements, judgment of Southern Rhodesia, the population explosion and financing of the United Nations.

Students and advisors from 80 high schools attended. Advisor for the St. Johns delegates was Robert White.

The planet with the longest period of rotation is Venus, which spins on its axis once every 247, plus or minus 5, days, so its "day" is longer than its year.

## Bath High honors students for achievements of year

man earned letters; Merlin Truman, Warren Gordon, Mike Tucker (captain), Elias David, Randy Tucker, Barry Waite, Rod Feguer, Dan Tucker, Warren Baird, Bill Beardisley and Dennis Hald earned certificates.

Valedictorian: Bill Weaver. Salutatorian: Karen Black.

### BATH HIGH NEWS NOTES:

A math club has been formed to promote interest in the fields of mathematics. Math games and puzzles and the study of mathematicians' lives and achievements, as well as math rallies with other schools, are among the activities planned. Teachers Mrs. Jerry Schafer or Mrs. Morris Spier are assisting the club. Modern math classes for parents are being offered every Tuesday night at the high school by Mrs. Morris Spier. About 60 parents turned out for the first class.

Freshmen and sophomores took the National Education Development Test Feb. 27. The test covered subject areas of English, math, social studies, science and vocabulary.

The senior high chorus will sponsor an all-league (CMAC) dance April 1 from 7:30 to 11 p.m. in the Bath High School gym. The "Sands of Time" band from East Lansing will provide the music.

### Bracey awarded plaque by MMPA district group

A plaque was presented to Charles Bracey as the husband half of the Outstanding Young Dairy Couple for District 6 of the Michigan Milk Producers Assn. last Tuesday when delegates and officers met in Ovid.

Oscar Simon, state nomination committeeman, gave a report on the director-at-large nominations, and the committee nominated Harold Blaylock of Vassar and William Maples of Manitou Beach.

Gerald Butcher was unanimously elected alternate district market committeeman to Charles Babcock, and unanimous approval was given to accepting Ionia County and its committees into District 6.

Delegates then read and discussed resolutions which will be presented at the state annual meeting in Lansing next Tuesday. Topics of special interest included dairy product imports, daylight savings time, class one base plan, water well requirements and by-laws changes.

Chairman Lee Ormston was in charge of last Tuesday's District 6 meeting, held at the fieldmen's conference room of the MMPA plant in Ovid.

## Road Commission Weekly Report

The Board of Clinton County Road Commissioners, Engineer and clerk attended the 52nd annual Michigan Highway Conference in Grand Rapids this week. This conference is sponsored jointly by the County Road Assn., the Michigan Municipal League, Michigan Department of State Highways and the University of Michigan. The program Tuesday went into Michigan's economic growth, state-wide planning and transportation needs at State, County and City levels.

Wednesday meetings were on future planning to meet needs and on labor relations. The conference concluded with the annual business session of the County Road Assn.

THE ANNUAL reports for 1966 are, about complete with the financial report, road certification and construction reports already in and the equipment analysis report nearly ready. The equipment report shows that at present established rental rates our equipment is operating at a loss. This report shows that we have an investment in road equipment of \$310,636.78. This is below State average for county road commissions. Maintenance costs continue to soar. Water problems and extensive blacktop breakups add to the high price of the winter. A severe winter not only makes for costly maintenance at the time but the effects are felt throughout the spring and summer in bad roads and equipment breakdowns.

### More eye surgery for Mrs Floyd Karr

A young Westphalia mother who once faced blindness is looking forward to a future with near perfect vision because of the skill of an eye surgeon and interest of the East Lansing Lions Club.

She is Mrs Floyd Karr, 23, who resides with her husband and child in the Pine Street Apartments. At this writing Mrs Karr is recovering after undergoing a cornea transplant that was recently performed at Sparrow Hospital in Lansing.

Mrs Karr first began having trouble with her eyes when she was about seven years old.

Several from this community attended the funeral services at Most Holy Trinity Church in Fowler Saturday for Mrs Mary Ann Simon, 91, mother of Mrs Julius Fedewa of this village, who passed away Thursday after a long period of illness. She is survived by a sister, Mrs Margaret Fedewa, also of this village.

### MARRIAGE BANNES

Marriage bannes were published at St. Mary's Church for Kay Ann Miles, daughter of Mr and Mrs Richard Miles of Portland and Ronald Arens, son of Mr and Mrs Theodore Arens of this community.

The son recently born to Mr and Mrs Roger Pline of DeWitt has been named Roger.

### PARTIES FOR MRS WEBER

Thursday Mrs Tullie Witgen, Mrs Margaret Fedewa, Mrs Dora Pohl, Mrs Bernita Thelen, Mrs Elizabeth Fedewa, Mrs Anna Rademacher, Mrs Nettie Smith and Mrs Louise Schaefer gathered at the Fedewa home to honor Mrs Florence Weber on her birthday anniversary. Following the potluck dinner, the afternoon was spent playing Po-Ke-No.

Saturday evening Mrs Weber was once again the guest of honor when Mr and Mrs Isadore Fedewa and Mr and Mrs Louis Bower of Portland, Mr and Mrs Harold Fedewa and Art and Leon Fedewa celebrated her birthday anniversary. Following the evening of card playing, a potluck lunch, birthday cake and ice cream were served. Mrs Weber received several useful gifts.

### OBSERVES BIRTHDAY

Saturday evening about 30 relatives, friends and neighbors gathered at the home of Mr and Mrs Gerald Platte to surprise Gerald on his birthday anniversary. During the evening various card games were played for entertainment, which was followed by refreshments.

During the past week, three basements were dug for new homes being built for Mr and Mrs Gerald Miller, Mr and Mrs John

Through the years she found it necessary to wear stronger and stronger glasses. Early in 1963 she lost the sight in her right eye because of disease.

An operation she underwent in September of 1963 restored 90 per cent vision on the affected eye. The operation involved the transplanting of a healthy cornea which was supplied from an eye bank through the cooperation of the Lions Club.

Late last year the same disease struck her left eye. The Lions Club arranged for another cornea transplant, and Mrs Karr is expected to recover 90 per cent vision in this eye.

Lehman and Mr and Mrs John Thels. All three homes will be located in the village.

Mr and Mrs Norbert Schaefer of Fowler spent Sunday afternoon with her mother, Mrs Pauline Thelen and Roman.

Mr and Mrs Ronald Spitzley of Fowler, Mr and Mrs Harold Schneider of Portland and Mr and Mrs Urban Rademacher of Lansing spent Saturday evening at the home of Mr and Mrs Louis Rademacher.

Several Knights of Columbus from the Westphalia Council attended the Communion Breakfast in Carson City Sunday morning.

Mrs Florence Weber appreciated the many gifts, cards, visits and phone calls she received from relatives, neighbors and friends during the time of her birthday.

### BOWLING TOURNAMENT

Three hundred and sixty bowlers participated in the bowling tournament held March 3 and 4 and March 10 and 11, sponsored by the Jaycees according to Bill Bengel, who acted as chairman for the tournament. Keith Pierce of Grand Ledge received the top prize of \$150 for bowling a 661 actual with a 33-pin handicap, making a grand total of 694. Receiving second prize was Alex Scheid of Portland with a 617 actual and a 89-pin handicap giving him a total of 686. The high single game was 279 and low position for money was 610.

### NOTICE TO ALL DOG OWNERS

By order of Village Council, notice is hereby given that all dogs must be tied up or penned at all times. Any dog running loose will be picked up and handed over to the dog warden.

Mr and Mrs Aloysius Platte are the grandparents of a son born to Mr and Mrs Clark Becker (Sharon Platte) Saturday evening, March 11.

Mrs Elmer Thelen accompanied Mr and Mrs Leon Weber to Louisiana where they will spend some time visiting relatives.

Cyril Jegla was rushed to St. Lawrence Hospital Wednesday after he had the misfortune of falling while working.

Mr and Mrs Stanley Smith and family, who formerly made their home on Grange Road, moved into their new home on Hinman Road Saturday.

Mrs Carol Platte underwent surgery at Clinton Memorial Hospital during the past week and was able to return home Friday.

Little Renee Pline of DeWitt spent some time with her grandparents, Mr and Mrs Herman Geller, while her mother was in the hospital.

Mrs Carl Heyer was able to return to her home Thursday after being a patient at Carson City Hospital.

## Woodman bill frees unused bond money

The State House of Representatives has passed and sent to the Senate a bill designed to amend an act that allows school districts to utilize bond money remaining after completion of a project. The Legislature passed an act in 1964 allowing schools to use such unexpended funds, but several school districts with money remaining from bond issues approved before 1964 were not covered by the act. The new bill would make the allowance retroactive to include those pre-1964 bonds.

The bill's sponsor, 87th district Rep. Blair Woodman, said that unexpended funds up to 15 per cent of the original bond issue could be used for school construction, equipment and site acquisition and development. But the Owsosso Republican pointed out that spending of the remaining funds would have to have the approval of the State Department of Education.

Woodman outlined an example from his district to show the beneficial effects of the amended act. The Owsosso School District, he said, passed a \$3.8 million issue in 1961 for erecting and furnishing a new high school. After the bond was approved, estimates were found to be some \$250 thousand below the expected cost.

During construction of the school, interest on the bonds and construction savings built the total of unexpended funds to about \$365,000. Since the bond was passed before 1964, Woodman said, this money has not been able to be used for needed improvements. But under the new bill these funds could be freed and used for the benefit of the Owsosso School District and its students.

Sympathy is extended to the family of Mr and Mrs Charles Hengesbach. Their infant son, Vernon, passed away at their home Monday evening. Funeral services were held at St. Mary's Church, Wednesday morning and burial was in Portland Cemetery.

Mrs Daniel Thelen entertained several friends Tuesday evening. The guests played Tripoley.

Mr and Mrs Richard Schneider entertained at a card party Saturday evening.

Friends gathered at the home of Mrs. Elizabeth Fedewa, Wednesday for an evening of card playing.

Mr and Mrs Melvin Drake of Lansing called on Mr and Mrs Dennis Thelen Sunday.

The D of P potluck dinner will be held this Thursday, March 16, starting at 6. Each member attending this dinner is asked to bring a dish to pass and their own table service. The annual monthly meeting will begin at 8 p.m.

About 20 women helped with the annual cleaning of the convent Saturday.

CHRISTIAN MOTHERS BREAKFAST  
Fr William Fitzgerald will be the guest speaker at the annual Christian Mothers Breakfast which will be held Sunday, March 19, following the 11:30 Mass. This breakfast is for husbands and wives.

Everyone is reminded to attend the P-W High School play "The Perfect Idiot" Thursday, Friday and Saturday evening at 8 p.m. at Pevamo Elementary School.

**4-H Club Chatter**

By JOHN AYLSWORTH  
Extension 4-H Youth Agent

We had a successful and interesting meeting on the Project Developmental Committees last week. There were 63 leaders who attended and participated in the discussion on how the system works and how they can help train leaders and members. The committees came up with many excellent ideas and suggestions that will be worked out in more detail at later meetings.

There seems to be a lot of interest in the 4-H saddle horse projects as over 80 members, leaders and adults attended a Saturday evening program at Smith Hall in St. Johns. Dr. Ken Gertsen of the Large Animal Department at Michigan State University spoke to the group on selecting a pleasure horse. He stressed six points to be sure to check before purchasing a horse as well as a number of health practices to follow.

Clinton County was represented at the Michigan Youth Conference for Natural Beauty and Conservation on Saturday, March 11, at Michigan State University.

Mrs. Clyde Peck (left) and Mrs. George McQueen view a plastic imbedments display at Camp Kett, a process which county entomology project leaders hope to use here this year.

**ASC PROGRAM**

**1,100 participating so far in feed grain, wheat plans**

**W. M. SMITH**  
County ASC Manager

Sign-up in the 1967 wheat and feed grain programs continues at a relatively steady pace in our county. The sign-up began officially Jan. 23 and will continue through March 17.

To date, we have over 1,000 farmers participating in both the feed grain and wheat programs.

Remember, wheat producers will not be eligible to earn wheat marketing certificates or qualify for wheat price support unless an intention is filed by the closing date, March 17.

Program participants can plant their full allotment and earn maximum benefits. There is no diversion requirements for wheat as in 1966.

basically the same as in prior years. Participants are still required to divert 20 per cent of their feed grain base to qualify for program benefits. The major change in the program eliminates any diversion payment from farms with feed grain bases in excess of 25 acres where the participant wishes to plant feed grain on the farm.

Producers on large farms, however, have the option of temporarily reducing the bases to 25 acres and by planting no feed grains will qualify for diversion payment. The major change in the wheat program requires no diversion from the wheat allotment and provides for wheat certificate payments, where the acreage of wheat is within the 1967 wheat allotment. Wheat certificate payment will be paid on the smaller of the planted acreage or 35 per cent of the wheat allotment.

You may participate in either program without participating in the other. We will be glad to answer any questions; just call at our office.

**ASC encourages farmers to ask for premeasurement**

Frank Light, chairman of the Michigan ASC State Committee, encourages farmers to contact their local county ASCS office regarding premeasurement services offered.

The use of this service could mean more income for the farmer. Farm operators would be able to plant within their full permitted acreage and not have extra acreage diverted under the program in which they are participating. The destroying of planted crops could be eliminated if necessary to be eligible for payment.

The value of measurement services is especially important to farmers in certification counties. All of the counties in the southern peninsula of Michigan are on certification. These are counties where the producer will report his acreages to the local county ASCS office. Certifications would be accurate and could result in less spot checks.

Light recommends that farmers contact the local county ASCS office for further information on measurement services.

**4H NEWS**

(Continued from Page B-12)  
Several southern states. Demonstrations were given by members on electrical, wood working and clothing projects. The 4-H 210 report forms were given out to the members with instructions on how to complete it as well as the 210-A project evaluation plan. All reports are due back to organizational leader, Don Dev-ereaux, by March 11.

The French's Corner 4-H Club members held their sixth business meeting. Demonstrations were given by Barbara Brown, Sue and Bruce Croste on leather craft, Diana Jones on knitting, Linda Droste on indoor gardening, Tom Motz on wood finishing, Jean Feldpausch, Marcia Motz and Marilyn Eichorn on clothing.

The Olive 4-H Project Club members held two demonstration meetings with the senior girls one evening and junior girls on the other. Demonstrations by the senior girls were by Louise Green on how to knit a heel in a sock; Linda Davis on how to sew a tucked buttonhole; Lenore Wood on how to sew a flat felled seam; Debbie Locher on stretch fabrics; Carolyn Plaza on how to gather a sleeve the easy way; and Kathy Davis on how to model. The junior and young miss girls who gave demonstrations, were:

Delores Collard, how to lay out a pattern and how to fit a pattern; Patty Plaza, how to cut on the bias; Connie Thayer, binding off in knitting; Sharon Wood, how to knit ribbing; Sharon Stoy, how to trim the interfacing of a collar; Kaihe Haviland, how to do gathering; Debbie Cowles, hand gathering; Debbie Prior, how to blind stitch; Becky Gibson, how to hand hem; Karen Sommer, a basting stitch; Sheila Kowalk, how to wind yarn two ways.

Kathy Davis showed the young-er girls how to model properly.

The Trail Blazers 4-H Club had Dr Kimball, a lady veterinarian, talk to the members. Dr Kimball compared the horse to a young child on how you have to work with him before you can expect the horse to do what you want. The Lemm 4-H Club "The Flying Hoofs" attended the meet-ing.

The Nimble Fingers 4-H members have elected Terri McQueen for their president for the 1967 club year. Other officers include: Bonnie Pung, vice president; Sandy McQueen, secretary; Lori McQueen, treasurer; Julie Pung and Barb Ritz, recreation leaders. The local achievement and honor club system was explained by Mrs Clyde Peck.

The Flying Hoofs 4-H Club members gave a report on a horse disease for their roll call. The members viewed a film called "Ride Cowboy, Ride." Plans were made for the members to attend the Block and Bridle Show April 1 at Michigan State. A veterinarian is scheduled to speak at their next meeting April 10.

**60-hour work week average for dairymen**  
The average Michigan dairyman worked 3,200 hours last year, according to a report from Michigan State University agricultural economists. This figures out to 61 hours per week. Fruit growers, who concentrate most of their working time during a few months, spent 2,400 hours on the job—an average of 46 hours for 52 weeks.

**Plans for assembly announced**

The Elsie Chapter No. 69, Order of Eastern Star, held its regular meeting Thursday night with Mrs R. D. Martin presiding in the East with a good attendance of officers and members. The altar was draped for Otto W. Bishop,

91, of Alpena who was Worthy Grand Patron in 1928-30 and had served the Michigan Chapters for 30 years on the Jurisprudence committee.  
An Easter message from Worthy Grand Matron Bernice Hiller of St. Clair Shores was read and also a thank you letter from David Showers, the first local student to receive an Estrel Award (Eastern Star Training Award for religious Leadership).  
The "Square and Star News" from the Alma Masonic Home was placed on file for members to read. A letter from the committee on arrangements for the Triennial Assembly of the General Grand Chapter announced

the dates as Nov. 4 through 9 in Washington, D. C. This assembly is of particular interest to local chapters as Michigan is the "mother" of all Grand Chapters and is celebrating its centennial this year.  
AMONG THOSE from Michigan who have a part in the Triennial are Past Grand Carroll C. Curtis serving as Worthy Grand Organist; P.G.P.D. LaVerne Courtney, credential committee; P.G.M. Francis R. Glover, chairman of personal attendance to the Most Worthy Grand Matron; WGM Bernice Hiller in charge of drills and Past Grand Marshal, Vick Kaatz.  
Reports were also read from

various Grand Chapter committees. Invitations included Centennial Anniversary of Coldwater Chapter N. 1, April 22 and Friend's Night; March 17 at DeWitt.  
Secretary Mrs John Hall announced the new handbook had arrived. The Sunshine Committee related that gifts and Valentines had been sent to the chapter's adopted "sister" Fannie Curtis at the Alma Masonic Home. The promotion committee has ordered napkins and cards to sell.  
MRS MARTIN appointed the following committee to work with the Masons in planning redecoration of lodge rooms: Mrs

A. W. Cobb, Mrs Hal Smith; Mrs Isolda Irving, Mrs Archie J. Moore and John Hall.  
Friend's Night at Elsie Chapter will be April 8 and a rummage sale will be held April 14-16.  
Life memberships were voted to Mr and Mrs John Hall for their 35 years of service. Mr Hall is serving his 10th year as worthy patron and has held offices for 20 years. Mrs Hall is secretary for the 19th consecutive year and has been an officer for 34 years. Both have participated in many Grand Chapter sessions.  
A social hour followed in the dining room with tables decorated for St. Patrick's Day.

**Fresh apple eating not so popular now**  
Per capita consumption of fresh apples has declined from 60 to less than 20 pounds since the early 1920's and probably will continue to drop in the future.  
But the per capita consumption of processed apples is expected to increase 20 to 30 per cent by 1980, according to Michigan State University scientists. This increase, when coupled with a decrease in consumption of fresh market apples, should keep total per capita consumption near the present level of 28 pounds.

**TOUR OUR COMPLETE NEW PLANT!**

We've planned over 10,000 sq. ft. of storage and mixing plant area to properly serve you. Our largest building with over 7,000 sq. ft. is designed to store 1,200 tons of bulk fertilizers and houses our mixing plant which will produce 15 tons of bulk or bagged fertilizers per hour. Railroad car unloading equipment will handle 40 tons of bulk per hour. In addition, we have 2,400 sq. ft. of storage for 250 one-ton pallets of bagged fertilizer. We are also equipped to market Anhydrous Ammonia and Agricultural Limestone. Ample spreaders and applicators are available. All our plant equipment is manufactured especially for us by Burton Mixer Company of St. Johns. We're proud of our new plant and would be pleased if we could take you on a tour of it.

**Methodist youth wants soap for Vietnamese children**

The Junior High Sunday School Class from the Bannister Methodist Church and their teachers, Mrs Ray Canfield and Don Hinkley, embarked Sunday on a project to collect soap for children in Viet Nam. They canvassed Elsie and Bannister and collected 277 bars of soap and were given \$8.21 to purchase more soap. Mrs Albert Ensign and Mrs Richard Moore assisted the teachers by providing transportation for the 12 young people. The group returned to the Hinkley home and were served refreshments.

Next Sunday at 2:30 p.m. the group will solicit in Ashley. Anyone who is not contacted but would like to contribute to this project, is asked to leave his contribution at the Methodist Church in Bannister.

When the drive is completed, the Sunday School Missionary fund will pay for the postage to send the soap to Airman Ronald Zabel, who is serving in the Central Highlands of South Viet Nam. He and his group will then distribute the soap to the villagers.

Awards were given Sunday for perfect attendance at the Bannister Methodist Church. Yearly pins were awarded to Phyllis Stewart for 14 years of perfect attendance, Matthew Peck with 13 years and Vicki Valentine and Pam Coon received their 10 year pin. Three received their seven year pin. They were Brenda Miller, Todd Moore and Lori Miller. Others receiving pins were Chris Canfield, 5 years, Scott Miller with 3 years, and Wendy Jo Green with 2 years. Many others received honorary mention for having attended regularly since beginning to attend.

Sunday dinner guests of Mr and Mrs Robert Valentine and family were Mrs Irene Crowell and Dale, Mr and Mrs Bill Crowell and family of Lansing, Mr and Mrs Russell Pope and family of St. Johns and Mrs William Rando and sons of Ufca. The gathering was to celebrate the birthday of Mrs Irene Crowell.

Mt and Mrs Ernest Valentine were Sunday callers at the home of Mr and Mrs Walter Miller.

Mr and Mrs Wayne Peck are vacationing in Florida at the time of this writing.

Mr and Mrs Walter Miller, Mr and Mrs Robert Valentine and Jean 'Valentine and Robert Homer of Lansing were in Free-land Saturday evening. They had dinner at the "New Rodelchers" restaurant owned by their cousins, Mr and Mrs Richard Trojan. The occasion was the birthday of Jean Valentine.

Mr and Mrs Robert Valentine called on Mr and Mrs Ernest Valentine of Brant on Thursday evening.

Callers at the Frank Leydorf this week were Mrs Grace Pearce, Mrs Floyd Walters, Mr and Mrs Eugene Ferral Wednesday, Thursday, Mr and Mrs Clark Curtis of Elsie, Mr and Mrs Elmer Leydorf visited the Leydorfs. Mr and Mrs Joe Yelsik of Ashley, Mrs Evelyn Borough and Mrs Alex Dunay were Friday callers. Saturday callers were Mrs Emma Kopek of Carland and son, Frank of Rochester. Sunday callers were Mr and Mrs Donald Saxton and sons of Ovid and Mr and Mrs Thomas Moore of Bannister.

Mr and Mrs Gary Bensing returned home Sunday evening to spend a 30-day furlough from the U.S. Army. Bensing will go to Viet Nam following the expiration of his furlough.

Cottontail rabbits, snowshoe hares, and gray and fox squirrels are active throughout the winter. During severely cold weather, all of them may remain in a den or leaf nest for a day or two, but they must soon be about in search of food.

## P-W plans 3-act comedy for weekend

BY SUE THELEN  
Pewamo-Westphalia High

The annual spring play "The Perfect Idiot" will be presented at Pewamo Elementary School Gym in Pewamo at 8 p.m. March 16, 17 and 18.

The play is a three-act comedy which deals with a boy genius in high school and his problems in adjusting to teenage society. The problems occur when he uses his new invention to help out the star athlete and it backfires. Music will be supplied during the play by the Thespian Orchestra.

For an evening of delightful entertainment be sure to see "The Perfect Idiot" presented by the P-W Performing Arts Corp.

REPRESENTING OUR school in the league mathematics contest sponsored by Fowler High School were Jean Wieber, Tom Huhn and Mary Ann Piggott from the trigonometry department, Cheryl Rademacher, Steve Wohlfer and Debbie Cook for advanced algebra, Joyce Wohlfer, Penny Wood and Jim Bengel for geometry; and Irene Pline, Sandy Smith and Ed Martin for algebra I.

Schools represented in the March 8 contest and their scores are: Webberville 107, Bath 105 P-W 103, DeWitt 97 and Fowler 97.

Debbie Cook placed first and Cheryl Rademacher third in advanced algebra. Mary Ann Piggott placed third in trig, and Irene Pline third in algebra I.

STUDENT COUNCIL held a meeting during the past week. They chose May 10 as the tentative date for '67 day and planned a barbecue, half of which will be financed by the council and the other half by the senior class, for the seniors.

The glass-encased, black felt bulletin board donated to the school by the student council arrived this week. Senior members Louie Thelen, Mary Ann Piggott, Kathy Bengel and Larry Smith are in charge of approving all messages displayed on the bulletin board which hangs opposite the main entrance.

They also made plans for Student Exchange day and chose a committee of three to welcome representatives to P-W from DeWitt on March 29.

P-W will host the League Student Council meeting which takes place on April 5.

P-W DEFEATED Saranac in the first tournament game at Greenville and went on to a victory over Carson City which earned the Pirates the title of District "C" champions. Our showcase proudly displays the trophy with the names Tom Barker, Jim Bengel, Chuck Gross, Tom Huhn, Glenn Schafer, Fred Smith, Larry Smith, Ervin Thelen, Gary Thelen, Vernon Thelen and Coach Robert Sarkozy engraved on it.

Judges had a difficult time choosing winners in the local forensic contest on Friday, March 10, but finally settled on Jane Stump with her selection from St. Joan and Diane Pline with "A Man With the Broken Fingers."

**SAFETY TIP**  
To drive safely, the State Highway Commission urges you to stop occasionally for rest breaks. But never stop on a freeway. In an emergency, pull completely off the payment onto the shoulder and raise your hood. Wait inside the car for help.

Nancy Jo Thelen with her selection of "A Bachelor's Guide to Marriage" won first place in humorous interpretive reading. In declamations Janice O'Brien placed first with "This is Democracy" and Darlene Smith placed second with "Let Freedom Ring." All five of the winning forensic contestants travel to Saranac on April 8 to compete in the regional speaking contest.

Bob Wesner, Lois Miller, Vonnie Becker, David Boak, Judy Benjamin, Ruth Ann Fox and Linda Waldron were chosen to participate in the District All-Star Band Festival to be held April 1 and 2 at the Pewamo-Westphalia High School. The festival is co-sponsored by the band director of P-W and the band director of Fowler, Mr. Nelson.

REWARD FOR HONESTY

Valerie Hufnagel, daughter of Mr and Mrs Elon Hufnagel of 128 Floral Avenue, turned in to St. Johns High School Principal B. Stanley Pocus some money which she and a friend found after a basketball game a month ago. Pocus locked the money up and waited for someone to claim it. A month passed, with no takers, so last Thursday she called a surprised Valerie into the office and presented the money to her. She said she'll save it for use at camp next summer.

## Seniors offer 3 1-act plays this weekend

BY GAY BOND  
St. Johns High School

The senior class of RBW will unfold their production of an unique experience of three one-act plays this Friday and Saturday March 17 and 18. "The Plum Tree" will start out the gala night followed by the drama "Judgement Morning" and concluding with the hilarious comedy "The Trumpet." The curtain will ascend at the chiming hour of 8 p.m.

This week started the second to last marking period of the season. Report cards were distributed last Wednesday with the mighty seniors taking the commanding lead of an even one hundred on the honor roll. The ninth grade posted 78 brilliant students with 10th and 11th both holding the spot with 53 each on the honor roll.

THE SENIORS are beginning to count the events until the big

moment of graduation. To start out the agenda this Wednesday, March 15 is dress-up day. The senior girls in the afternoon will be guests at the annual tea sponsored by the Woman's Club. Miss Joan Jewett of the Jewett Career School will be present at the event.

Senior day, or in other common words Skip Day, has been forwarded from April 28 to May 12. After many opinions of seniors it had been changed to please those who wanted warmer weather for their big long week-end.

Saturday, May 27, is set aside for the Junior-Senior Prom and the Senior Banquet. Baccalaureate will follow this on Sunday, June 4, and then the final moment—commencement will be on Wednesday, June 7.

THE ANNUAL school basketball tournament was held last week with the Faculty team blooming forth as the mighty basketball Champs of good old R. B. The week started off with the faculty team drawing byes until the finals. The seniors won a close one over the Sophomores in an overtime, 63-61, and the juniors pounced over the Frosh, 74-38. In the semi-finals the juniors busted through with a 42-37 victory over the seniors. In the consolation game the Sophomores trounced the freshmen 93-34. In the championship game, showing speed, balanced scoring and brilliant shots the fabulous faculty team outmanned the juniors by the score of 48-42.

The Future Farmers held a meeting last March 6. The first item discussed was the revision of the point system. It was referred to a committee to revise the point system and report back at the next meeting. A discussion on a woodcutting bee was next on order. A motion was passed to take a field trip to a meat packing plant at Chesaning.

The chapter decided to send two members to the state convention March 21, 22 and 23. The delegates will be selected by the executive committee. Four mem-

bers have been named to receive the State Farmer Degree. They are Robert Harte, Tim Spitzley, Doug Witt and James Jorae.

ON THE MUSIC scene, the St. Johns Music Department has chosen "Music Man" for their third annual musical. "Music Man" will be on stage in the high school auditorium on May 15, 16 and 17. Casting for parts was held last week with rehearsals beginning immediately. Mr Vandemark is the director of this production; Miss Hall, Mr Cole and Chuck Stockwell will assist him. Steve Tarr is the business manager and the choreographer is yet to be named.

At the solo and ensemble festival at Mt Pleasant last Feb. 25, 36 vocal students received ratings. The ninth grade ensemble and the Wilsonaires received excellent first ratings. Phil Anderson and Kathy Zuker as soloists also received a first. Wilsonettes and the Boys Octet with soloists Pat Kridner, Jan Flower and Monica Hatta all obtained second ratings. Helen Benson received a third rating.

The tuberculin test was given last week to 995 students of R.B. by Dr Stoller. After a lapse of three days Mrs Buehler, the school nurse, observed the results of the test.

The final touches have been made for the Science Club field trip. On March 30, during spring vacation, they will be off to the windy city, Chicago. Thirty-seven students along with Mr Kingsley and Mr Pulliam and

## Go fly a kite . . . but watch yourself

"Fly your kite. If you must, but observe simple kite safety rules," said R. H. Lawlor, manager of Consumers Power Co. Lansing Division.

"Each spring we expect a number of calls from parents whose youngsters have tangled kites with electric equipment in their neighborhood," he said. And, each spring, youngsters are asked to observe these simple rules:

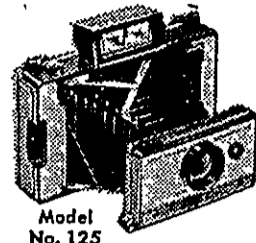

- 1) Always use dry string, wood and paper in your kite — not wire or metal.
- 2) Always fly your kite on days when there is no rain.
- 3) Always avoid busy streets and highways while flying your kite.
- 4) Always fly your kite away from TV and radio aerials, electric or power lines.
- 5) Always keep away from tall-ens wires.
- 6) Always call your power company if your kite gets snagged in a power line. Do not pull the string or climb poles.

"Consumers Power has distributed kite flying safety rules to a number of schools in this area," Lawlor said. "We hope there will be no unhappy incidents during March and early April, Michigan's kite season," he said. "An 11-year-old Michigan boy narrowly escaped with his life last spring when his kite became

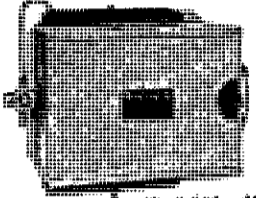

entangled in electric lines while he was using metallic string to fly it," Lawlor said. "That's why we ask parents, as well as children, to go fly a kite — but do it safely," he said.

their wives will journey to the Museum of Science and Industry by chartered bus. They will leave in the dawn hour of 5 and return about the witching hour of midnight.

This is YOUR land!

Today, it has become a practice to mourn the passing of other and allegedly better times when the world was less crowded, seemed to move slower, and cost less to enjoy.

True, the population is on the rise, along with most prices, and the pace of day-to-day living has picked up. But, the out-of-doors and relaxing open spaces are still around in amounts greater than we may realize.

Wise and full use of all public lands is the goal behind the observance of 1967 National Wildlife Week, March 19-25. The theme has been set as "THIS IS YOUR LAND," in an effort to remind all of us that, as citizens, we are owners of the public lands.

Locally these lands may include vacant lots, unused school grounds, and nearby abandoned farms. Couldn't these locations be tomorrow's parks and recreation grounds?

Across the state other tracts of public lands are idle. Supported by public interest and demand, they can be transformed

The word is out...

Vandalism will get you BTS. This is the word put out by Judge Timothy Green of juvenile court this week.

Vandalism of public property will not be tolerated in any form in Clinton County. Those who are apprehended and convicted can expect to be dealt with harshly. A slap on the wrist, such as probation, is out—BTS is in, Judge Green said.

Vandalism, especially of school property and schools themselves, have had quite a fascination for some young people who get the urge to destroy for the sake of fun. But those in the Clinton County area who might get the notion to have some fun by vandalizing a school or any public property—take heed. It could get you BTS.

There is also a GTS for girls who might be inclined to partake of this destructive type of fun.

In case some parents are not familiar with the initials BTS, they stand for Boys Training School.

And fellows, don't rush to get the distinction of being first, because you can't be. He went last week.

If you don't believe Judge Green, write this fellow who went first—his address is BTS, Lansing, Mich.

Why welcome them home to more debt?

Last fall's elections may have indicated that the country is weary of a high living, high spending government. For a time, there was talk of economy in non-defense spending. That seems to have been forgotten. Federal spending programs for the year ahead now range somewhere around an estimated \$135 billion. Officially, the deficit is estimated at some \$8 to \$9 billion. Unofficial estimates run much higher. No one really knows.

Instead of a curb on non-essential outgo, a tax increase is proposed along with ever-higher spending at time when many economists see a definite downturn in areas of private activity. All of these signs of extravagance in the affairs of government might be a little less intolerable except for the fact that in a sense we are betraying those who are carrying the brunt of the burden in Vietnam.

In the words of a leading oil company president, "The men in the front lines of Vietnam are entitled to come home to something other than additional debt."

into public sites for camping, hunting, and fishing, along with many other uses.

Even on the national level there are lands that need to be developed if Americans are to benefit fully from these resources and the recreation which they can provide. But, unless there is sufficient public expression on the need for better land use, the theme "THIS IS YOUR LAND" will only serve as a reminder of the wonderful resources we are missing rather than using.

In order to gain benefits from all of the public lands, it is important to first learn where they are located—locally, state-wide, and nationally. Next find out who administers them; learn who to contact when requesting better use of your lands. Then, urge development and guaranteed access to all public lands!

Often we do not feel capable of controlling the crowds and the speeds and the costs of today's living. Tomorrow will not find us much better equipped for reining in these forces. Yet, we are capable of insuring space to get out-of-doors and refresh ourselves so that we may better cope with modern life.

When the National Wildlife Federation says, "THIS IS YOUR LAND," it is a challenge to each of us—for our own good—to learn about, protect and enjoy our vital public lands.

LETTERS TO THE EDITOR

Roads far from adequate, rural reader claims

To the editor and County Road Commission:

You claim the work of the County Road Commission has been adequate, but this is far from the truth. If you have ever driven on our county roads you should know better. You cannot drive on any dirt or gravel road and not find the ditches higher than the road; we have a nice system of waterways instead of roadways.

You see, your troubles started years ago by neglecting to keep the roads built up with gravel, and now we are down to the bottom of the road bed.

When you tarvey a road, paid for by the township, you neglect to blacktop to pavement by about 10 feet. I can show you a hole a foot deep on our road to get onto US-27.

IN SUMMER as well as winter, when I come home from work, I pass trucks and graders going down US-27 when I believe they could be used to better advantage down some of our county roads. I suppose the hours were longer after the snow storms than in the summer, as I have observed them at work, but they should have been rested up for winter.

Some of the plows, left a foot of snow on roads and the second time they went through couldn't get out of their first tracks. Our road was plowed out by tractors, and I never saw a plow for two weeks.

These are a few of the things people are disgusted with, in

general the mismanagement of our road maintenance.

(P.S. I always read the letters to the editor; I think it's the best part of your paper. Thank you.)

LUDLOW, KY., NEWSENTER-PRIZE: "Politicians, from the President down, profess to be concerned about inflation. Moreover, all of them are busy seeking a villain... something to blame for the evils of inflation. Perhaps the dictionary would be helpful. Webster's unabridged, 1956, says: 'Inflation: Disproportionate and relatively sharp and sudden increase in the quantity of money, or credit, or both, relative to the amount of exchange business. Such increase may come in times of financial difficulty by government issues of paper money without adequate metallic reserve and without provision for conversion into standard metallic money on demand. In accordance with the law of the quantity theory of money, inflation always produces a rise in the price level.'"

RIVERTON, WYO., RANGER: "The advance of knowledge and technology isn't outdistancing just those whose jobs are threatened by it. Supposedly educated people are shocked to find themselves virtually illiterate in many fields because of the advance of knowledge."

KENYON, MINN., LEADER: "How long will it be before we have a computer for president of the United States. These Rube Goldberg contraptions seem to have all the answers before the questions are asked. It should be quite an election the day computers run for office. The contest would be a three-way race between Univac, IBM and Control Data. The election would be settled in a hurry by a half a dozen voters in Henniker, N. H. No one else need go to the polls for the machines would grind out the outcome on the basis of those six votes. Computers provide valuable service in many fields but they do take the joy out of election parties that used to be an American tradition."

President urges congress to change draft system from present form to a lottery for 19 year olds. This was the news that had most of the young men, and quite a few of the older ones, talking last week.

Personally, I didn't think the young men of Michigan responded to this in quite the manner I expected after hearing the news.

I HAD EXPECTED the 19 year olds to "celebrate" this news to the heavens and swamp their congressmen with postal missives urging this change to a lottery be put in effect as soon as possible. But, the response has been a negative thud.

Of course it could be that our young men do not like the idea of a lottery because they are not the gambling type. And, being brought up in a state that outlaws gambling I can understand this.

THIS IS WHY I thought all Michigan 19 year olds would be all for a draft lottery. They would all become exempt, because in Michigan any form of gambling, outside of betting on the race horses, is illegal. Thus, all Michigan youths would have been automatically deferred. (I'm a dreamer).

A lottery would really take the bucket in Michigan. Ladies are not allowed to play bingo in a church basement, but a youth's life could be put on the line by someone drawing his name out of a box.

IF A LOTTERY goes through and Michigan allows it, then father, get out the bingo game 'cause we're back in business.

A couple of weeks ago someone handed me a slip of paper and said they thought I might enjoy the story. That day I was quite busy and I put the paper in my pocket and then forgot about it. The other day I ran across it cleaning out my pocket.

I don't remember who gave the story to me, but if they would make themselves known I would appreciate it.

The story is entitled: MEDI-

CARE—and we laughed until we hit the pavement! A sample of what might happen under Socialized Medicine is currently making the rounds. It goes something like this:

A MAN, FEELING the need of medical care, went to the Medical building for that purpose, and upon entering the front door, found himself facing a battery of doors, each marked with the name of an ailment such as Appendicitis, Heart, Cancer, etc. He felt sure his trouble could be diagnosed as Appendicitis, so he entered the door so marked.

Upon entering he found himself faced with two more doors one marked "Male" and the other "Female." Of course he entered the door marked "Male," and found himself in another hallway facing two more doors, one marked "Protestant" and the other "Catholic."

SINCE HE WAS a Protestant, he entered the proper door and found himself facing two more doors, one marked "White" and the other "Colored." He entered the door marked "White" and was again faced with two doors, one marked "Taxpayer," the other "Non-Taxpayer." He still owned equity in his house and wasn't on welfare so he went through the door marked "Taxpayer," and was confronted by two more doors marked "Single" and "Married." He had a wife at home, so he entered the proper door and once more there were two doors, one marked "Republican" and the other "Democrat."

He was Republican, so he entered the proper door and fell nine floors to the alley!

Retirement?

By W. E. DOBSON

Our Santa Claus is growing old, I'd not like to be rude — But on evidence presented, What else could I conclude? He makes so many errors 'N he goof's things up a lot, His schedules are so mixed up, Folks don't know what they've got.

Our-Santa Claus is growing old, I cannot but confess, He trips over his own zip codes In his trusty eagerness; He's all confused by one-way roads; There's salt spread on our street So sleighs don't glide so smoothly And it hurts his reindeer's feet!

Our Santa Claus is growing old, He forgets both age 'N size, 'N color blindness now affects The keenness of his eyes; He doesn't read plain English, 'N his hearing's falling too, With anyone so clumsy, Just what are we to do?

Our Santa Claus is growing and He's served us long and well — Perhaps we should retire him, 'N let him rest a spell; We'd grant him a good pension — I really feel we should, — If we could find another To do it half as good!

MICHIGAN MIRROR

Too much exposure too soon for Gov. Romney?

BY ELMER E. WHITE Michigan Press Assn.

Over exposure can be fatal to politicians as well as sun bathers and camera film.

Within the past decade, several presidential hopefuls have discovered this too late to avoid it. Early presidential primaries in several states have given the boot to quite a few politicians who thought the way to the nomination was to start early and run fast.

Considerable assessment is going on behind the scenes in the several groups now boosting Michigan's Gov. George Romney for presidency to determine whether he might already be getting nowhere in a hurry.

ON HIS RECENT TOUR westward, Romney returned greatly encouraged by the public response.

Response from the national press entourage which followed his every move on this trip indicated, however, that he may join the ranks of the overexposed by the time the 1968 nominations are handed out.

Living in Michigan it is difficult to properly assess Romney's impact as a national figure. His press relations have not always been to his satisfaction, but have generally been very much in his favor.

National correspondents, especially the columnists who have been through countless campaigns, are a much tougher breed than the newsmen Romney deals with daily in Lansing.

ALREADY, SEVERAL national columnists are making predictions about the Republican nomination and the greater percentage do not give the nod to Michigan's chief executive.

Computers, used so heavily in the prediction of election outcomes even before all the votes

are cast, have not come into general use yet in predicting convention delegate preferences.

Even the next year, however, the science of political prognostication could conceivably include extensive use of mechanical brains to predict convention outcomes months before the delegate votes are cast.

With Romney's apparent penchant for coming out well against difficult odds, the national columnists now sticking their necks out and, indeed, computers betting against him could be proven wrong.

PROSPECTS FOR a decrease in the present \$3.75 auto fee to cross the Mackinac Bridge are considerably brighter this year than ever before.

On the one hand, the State Highway Commission is about ready to resell bonds on the remaining debt. Machinery has been set in motion to have new bonds ready for the market any time there is indication a decent interest rate can be negotiated.

Officials are looking for the bond market interest rate to drop to 3 1/4 per cent. Bonds sold in 1952 to finance the \$100 million span carry a 4 1/4 per cent rate. Reselling bonds on the remaining debt would save the state about \$1 million annually in interest rates.

OFFICIALS SAY a new issue of bonds would enable a slight reduction in the toll fee now imposed.

These fees, the lowest being that for a one-way auto crossing, have been a bone in the throat of Michigan lawmakers almost since the bridge opened in 1957.

Since the auto ferries once operated on the Straits of Mackinac have been sold, there is no alternative available to the

general public wanting to travel between the state's two peninsulas.

Highway Commission spokesmen have set no amount for any reduction made possible by a bond issue, but many people feel any decrease would be a step in the right direction.

ON ANOTHER FRONT, Wallace D. Nunn, commission member from East Tawas, has gone on record saying he would support earmarking part of a proposed gasoline tax hike to retirement of the bridge bonds.

Putting more money into paying off the remaining debt, which stands at about \$98 million, would still enable a reduction in the toll fee, Nunn contends.

Emphasizing he spoke as an individual rather than as a member of the Highway Commission, Nunn said he thought the passenger car toll on the bridge could be reduced to about \$2.40 if a new bond issue was sold at the lower rate.

If new bonds were sold and part of the gas tax was earmarked to pay off the bonds, the East Tawas spokesman estimated the toll could be put to 50 cents, or perhaps even eliminated entirely. A 50 cent fee, which he would prefer, would essentially cover maintenance and administration costs, Nunn said.

Sweaters flameproof; why not bedding?

Rep Albert H. Quie (Minn.) "I have today reintroduced a bill which I believe is of vital importance to every American consumer and offers protection that is long overdue. I am referring to a measure to strengthen the Flammable Fabrics Act of 1954. Specifically, my bill prohibits the manufacture for sale, the sale, or the offering for sale in commerce, or importation into the United States—of any article of bedding which under conditions and in the manner prescribed in a commercial standard is so highly flammable as to be dangerous when used by individuals.

"THE TERM 'BEDDING' is defined to mean sheets, covers, blankets, comforters, pillowcases, quilts, bedspreads, mattress pads, and other products used or intended to be used on or about a bed or other place for reclining or sleeping, but shall not include furniture.

"The Flammable Fabrics Act was created in 1954 as a result of the so-called explosive sweater incidents.

"For some strange reason the act applied to apparel only and never covered such vital items as sheets, covers, blankets, comforters, pillowcases, quilts, bedspreads, and so forth.

"At the same time this bill was passed, most of the new synthetic fibers were just in the process of being developed and introduced to the American market.

"MILLIONS OF homes are being filled with many fabrics of this description with no consideration to the flammable qualities . . .

"Let me cite a few examples: take the case of blankets—where millions of consumers own highly flammable viscose rayon blankets and blankets made of other types of synthetics—all of them flammable. Because of the raised or napped surface on the blankets, it will readily ignite with flames racing across the brushed surface. The fact that a person is either semi-conscious or asleep makes it virtually impossible for him to extinguish the flames before he has sustained serious or even fatal burns.

"Take the case of tests which confirm that a moment's exposure of a cotton mattress to a burning cigarette will start it glowing. Smoldering or glowing is incomplete or imperfect combustion which produces a great deal of smoke containing a high percentage of poisonous carbon monoxide. A sleeping person exposed to such conditions will succumb to the initial intoxicating effect and will not awaken.

"There are already many evidences of properly treated mat-

Crow Moon Month heralds spring

HAYDN PEARSON

It may be that March came in like a lion and it may go out like a lamb, or just as likely, it could be the other way around. It isn't safe to be dogmatic. One prediction is reasonably safe. We shall have many kinds of weather before the month ends.

The important point is that it is March. The crows are coming back and poking over the fields. Blue jays are bugling as they flash above the old orchard

and chickadees are singing their sweet, tow-toned spring song. Billows of gray steam are lifting above weathered saphouses crouching among gaunt maples and women-folks are starting housecleaning.

A warm, sunny March day is a spring tonic for the heart. After morning's chill is over, water begins to drip from the farmstead roofs; gray-green trickles slide down the sled tracks from the woodlot; dark smoke lifts from house chimneys and drifts slowly to the east.

You can feel, hear and see the advance scouts. The warm

sun on one's neck, the carol of the first robin, and the bare strip on the south side of the woodlot all announce that the old but ever new miracle is coming.

There are storms to come; gusty winds will gallop across the countryside. But the heart knows. March may play soft music or it may beat the drums and clang the cymbals. There will be scurrying dark clouds but there will also be sunny, warm days that bring up the crocuses. When the Crow Moon month is here, one knows that winter is nearing its end.

Michigan offers exciting events for summer fun

There are few things travelers enjoy more than seeing and doing and the new edition of the Michigan Calendar of Events offers a promise of many exciting things to see and do during the spring-summer vacation season.

From old world gemütlichkeit at Frankenmuth's Bavarian Festival June 11-17 to the challenging new Michigan sport of salmon fishing, more than 160 community and statewide activities are listed in the March-September calendar, according to the Michigan Tourist Council.

Free copies of the calendar, and other helpful vacation-planning literature can be obtained by writing the Tourist Council, Mason Building, Lansing 48926.
