Judge reduces charges in murder trial

MASON—A defense motion by Attorney Fredrick Abood to change the charge from murder in the first degree to murder in the second degree was upheld by Circuit Court Judge Sam Street Hughes in the murder trial of Jack E. Hackett of St. Johns.

Hackett is charged with the shooting death of Jerome A. Geller of St. Johns, June 7.

Hackett has entered a plea of not guilty by reason of self-defense. His attorney argues that Hackett shot Geller in self-defense because he believed he was in eminent danger of bodily harm from Geller.

Abood argues that Hackett did not know that Geller was at the nursing home when he went after Virginia Murray to bring her back to St. Johns. Abood stated that Hackett did not premeditate the shooting.

The prosecution has produced witnesses that testified that Hackett had threatened Geller on a number of occasions. They argue that there is evidence of premeditation.

The prosecution stated, "When self-defense is claimed, there must be a reasonable and honest intent to protect oneself from grave danger with premeditation or malice of intent."

The prosecution stated "Hackett's gun (German Luger) was loaded and cocked before he went into the nursing home". In the struggle that occurred between Hackett and Geller in the nursing home, Geller was shot four times.

The prosecution rested its case last Wednesday. The defense will begin to call its witnesses April 19. The trial was adjourned until this date because psychiatrists for the defense are on vacation in Florida.

1971 Michigan maps available at Clinton County News offices

A limited number of the new 1971 Michigan Official Highway maps is available at the Clinton County News office, 120 E. Walker St., St. Johns.

Long considered one of the most informative state highway maps in the nation, Michigan's annually updated map for 1971 includes routing for more than 1,400 miles of freeway, all 9,221 miles of state highways and most major county roads.

Enlarged panels on the reverse side separately show the major road systems for Detroit and vicinity and other major Michigan cities.

This year's map also features an artist's portrayal of six major Michigan bridges—the Mackinac, Houghton-Hancock, Blue Water at Port Huron, International at Sault Ste. Marie, Rouge River and Zilwaukee.

Citizens are urged to stop by the News offices for a free copy of the new road map.

an end last Saturday with an auction of his equipment.

Wilson sold equipment for John Deere 23 years before taking over the dealership from D. H. Scudder in 1952.

Asked about what he is going to do now, Wilson said "I would like to spend some time fishing for bass and maybe help around the shop a bit."

John Frolka, who has worked a number of years for Wilson will start a new business at the John Deere location. According to Wilson, he will be selling snowmobiles and garden tractors.

Wilson has been recognized by Michigan State University's Agriculture Department many times for the educational service he has provided for students in farm equipment service and sales programs.

"I HAVE ALWAYS enjoyed the students

that have come to work for me. When they work here they learn everything from the bottom up. By the time they leave, they have a pretty good idea what the business is all about," said Wilson.

Wilson now resides in East Lansing with his wife, Elvera. His daughter, Jean, teaches music in East Lansing and his son, Charles, is business manager for the Trinity Church in East Lansing.

A number of customers stopped in to see Wilson and talk for a while. One customer said, "I never thought that I would come here for an auction sale."

Wilson replied, "I got to slow up some time, even though I hate it."

With a note of sadness Wilson said, "Well everything is all ready for the sale tomorrow."

Five FFA youths win state degree

OVID-ELSIE—Five Future Farmers of America (FFA) members will receive state FFA degrees at the annual Farmers Week convention being held at Michigan State University this week. Two of these members will receive the coveted gold award.

The State FFA degree is limited to two per cent of the active members of the association. The degree is awarded to members in recognition of outstanding achievement in agriculture, leadership and cooperation.

Gold award winners were selected from the 189 members who received the state FFA degrees. Each gold award winner received an award plaque, a certificate and the gold state FFA degree pin.

The two receiving the state degree and gold award are Robert Alan Moore and Matthew Peck.

Moore, who manages 80 acres on his father's land and rents 140 acres, specializes in corn and soybeans, oats and wheat all for seed. He is a member of the demonstration team in the state finals and first vice-president of the local chapter.

Moore plans to enroll in the Michigan State University Agriculture Production short course for two years and then come back to work on his father's farm.

Peck owns 120 acres that he bought himself last fall. He has a partnership with his father on a total of 232 acres. This spring he will raise corn, soybeans and white beans. He also owns nine registered Holsteins.

Peck plans to enroll in the agriculture short course at Michigan State next fall. He has received the Funk's award for corn, is a member of the Farm Forum team and is currently chairman of the supervised farming committee.

Those receiving state degrees are Jim Stewart, Tony Fabus Jr. and Kim Jorae. Stewart specializes in dairy and crops, managing 40 acres of his father's land. He owns six dairy cows and has corn on seven acres. Stewart received the silver individual award and bronze team award at the National Dairy Judging contest held in Kansas City this year. He is also a member of the Farm Forum team.

Fabus works 100 acres with his father. He has raised wheat and corn. This spring he will plant 20 acres of white beans. He also owns 50 head of cattle. He has received the Funk's award for corn and is the treasurer of his FFA chapter.

Jorae farms a total of 250 acres with his father and has 13 acres of his own on which he will plant corn. He owns four head of cattle, seventeen hogs and two horses.

Jorae is the president of the FFA chapter, Region 4 reporter and chairman of the state finalist Parliamentary Procedure team. After graduation he plans to major in Agriculture.

Albert Ackley, FFA supervisor and agriculture instructor, says that there is a total of 108 members in the local chapter. This is Ackley's last year as a teacher. He has taught agriculture for 44 years.

Township forces gear for tough recall campaign

BATH—There may or may not be a recall election in Bath April 17.

The attempts to oust current Bath Township Supervisor Duane Smith met with some success Monday in Clinton County's Circuit Court when Judge Leo Corkin ruled that petitions circulated by a group called Citizens for Better Government were valid.

Earlier, Bath Township Clerk Lee Reasoner had ruled that the petitions were improper and not valid in calling for a new election in the southern Clinton County township.

Corkin's decision Monday allowed for an attempt by the citizens' group to place the recall issue on the April 17 ballot.

"We have been cleared of misrepresentation," exclaimed Mrs. Wayne Loomis,

publicity director of the group. "We have done nothing wrong."

She indicated that the group plans to mount an anti-Smith campaign in the few remaining weeks. The committee has made signs, posters, flyers and other campaign items.

The problem with placing the issue on the ballot stems from the original request by the township to hold a special election, according to Clinton County Clerk Ernest Carter.

Carter said Tuesday that the election was requested without the recall issue on the agenda. The main item on the ballot, originally, was the new zoning ordinance which is being fought by various elements in Bath Township.

Carter added that he hopes the issue can be resolved and the item placed on the ballot to save the taxpayers' money. He did not rule out the possibility of the recall issue being placed on the ballot, although a special meeting of the election committee would have to approve such a move.

Smith said that he also favors placing

the issue on the April 17 ballot.

In one of his first official statements since the petitioning began several months ago, Smith said that he still doubts the validity of the petitions, but wants the issue resolved.

"Any further delay would take funds away from the township," Smith said. "It would cost additional monies to fight the court decision, he added.

"There are several sources that question the Circuit Court decision. They have advised me to appeal the ruling."

Smith said he has requested the clerk to place the issue on the ballot to resolve the matter instead of fighting the decision because "I can't see bringing myself to that level."

He added that the review of petitions had cost taxpayers about \$300 and the election will cost another \$500.

He said that it would cost even more money to go back into court, and if successful, the opposing group would mount another petition drive, at further expense.

"I appraised the situation Saturday morning and had the weekend to think about it," Smith said. "My natural inclination was to fight it."

He noted that a group called Citizens for Smith will formulate a pro-Smith campaign to offset the Citizens for Better Government.

Even though there has been no official word on the election issue, both camps are gearing up for a campaign come April 17. Both sides agree on one thing. It will be a long four weeks.

Tickets still available for Lions, Stars game

ST. JOHNS—Tickets are still available for the Detroit Lions-St. Johns All-Stars basketball game Thursday night at the St. Johns High School gymnasium beginning at 8 p.m.

Larry Slade, Jaycee publicity director, said that there will be a free autograph session for the children as the Lions will line up to sign autograph books and programs.

He also announced a list of those who will be playing against the rough and rugged National Football League team.

Those set to play are Al Werbish, Dale Knight, Larry Slade, Chuck Green, Bob Andrews, Kent Daley, Clark Berkhouse, Randy Ott, Felix Ridsdale and Jeff Smith.

Tickets may be purchased from any Jaycee member, Dean's Hardware or the Dry Dock'd Lounge in St. Johns.

Deadline nears for license buyer

ST. JOHNS—If you haven't picked up your new passenger license plates for your car yet, you'd better get moving—there's only a week left before the old plates expire resulting in a traffic ticket.

Jack Andrews, branch manager of the Secretary of State's office in St. Johns has about 5,000 more plates to sell. He estimates that about 3,500 will be sold before the deadline.

Andrews' branch office, located in the PX store 218 N. Clinton Ave. is the only branch in the county.

Andrews says that sales are running about the same pace as last year.

"There will be long lines in the last week, but we can handle it. My wife and two other people will be working the last few days."

The last day the office will be opened until 7 p.m., according to Andrews.

"The computerized forms have helped speed things up, but the biggest drawback is people forgetting to bring in their proof of insurance," said Andrews.

"The important thing about filling out the form is making sure that Code 19 is written in the space for the county. If this is not done, the 70 per cent that is supposed to come back to the county for roads will go to some other county," Andrews said.

The next two years, instead of buying plates, stickers will be purchased. According to Andrews, there is a possibility of purchasing stickers through the mail next year, which will help the people in remote areas.

Andrews also wanted to remind snowmobile and boat owners that their registration expires Dec. 31, 1971.

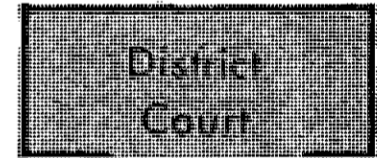

Exchange club plans pancake dinner

ST. JOHNS—Tickets are now available for the Exchange Club's annual Pancake Dinner to be held Saturday, March 27 from 5 to 7 p.m. at Smith Hall.

The "All-you-can-eat" dinner will be prepared and served by Exchange Club members.

Tickets, available at the door or from any club member, are \$1.50 for adults; \$1.00 for children under 12.

There is no charge for pre-schoolers.

Larry Vincent Fleming, 34, 121 E. Barnes Ave., Lansing, was charged with being a disorderly person. He pleaded guilty and paid a total of \$44 in fines and costs.

Eval Preston Hester, 21, 1126 Eureka St., Lansing was charged with no proof of insurance. He pleaded not guilty and was ordered to stand trial April 26. He posted bond of \$175.

Thelen sentenced

ST. JOHNS—Roy Thelen 23, Westphalia, was sentenced to serve six months in the county jail and placed on three years probation on a manslaughter charge.

Thelen was charged with the deaths of a Fowler man and his son last August.

Circuit Court Judge Leo Corkin stated that there "always is a problem in sentencing a case of this type."

He said to Thelen, "This is your first felony and the court realizes that you are remorseful over the deaths, but a terrible thing has occurred and you must be punished." However, prison will not bring back the lives that were lost.

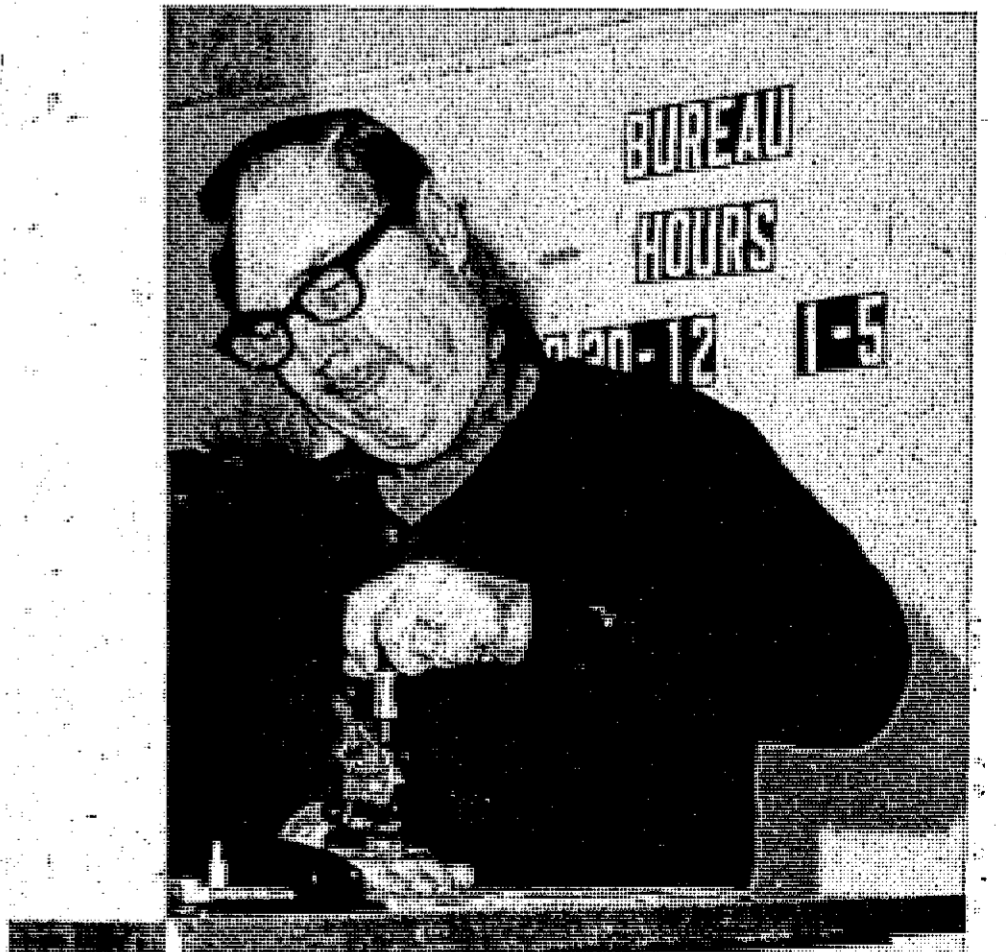

"You are probably not a criminal in the accepted sense of the word, but you must be punished."

"If I must choose, I will choose the lenient side, therefore, I sentence you to three years on probation and six months in jail. If you violate any aspect of your probation you will be brought back and will face a possible prison term of 15 years," said Corkin.

Thelen was remanded to the county jail.

Central bank installs new data system

Harold Wellman, President of Central National Bank of St. Johns, has announced the purchase and installation of a NCR 500 electronic data processing system at its St. Johns office. Central National Bank becomes one of the few banks of its size in the state to offer this type of equipment to better serve its customers. The NCR 500 system is designed exclusively for handling the management information and problems encountered in today's business complex. Presently all savings and general ledger functions are being performed by it and it is expected that in the near future all loans, payroll and time certificates will be handled by the NCR 500. Wellman further stated that with the advent of the NCR 500, Central National Bank will be able to serve its many customers more rapidly and efficiently. This represents the type of progressive thinking that the Central National Bank management team is bringing to St. Johns residents.

TIPS FOR THE PURCHASER
It's unwise to pay too much...but it's worse to pay too little. When you pay too much, you lose a little money... that is all. When you pay too little, you might lose everything because the thing you bought was incapable of doing the thing it was bought to do.
The common law of business balance prohibits paying a little and getting a lot---it can't be done. If you deal with the lowest bidder it is well to add something for the risk you run. If you do that, you will have enough to pay for something better.

ORDINANCE No. 12

CHARTER TOWNSHIP OF BATH

AN ORDINANCE ADOPTING A FIRE PREVENTION CODE PRESCRIBING REGULATIONS GOVERNING CONDITIONS HAZARDOUS TO LIFE AND PROPERTY FROM FIRE OR EXPLOSION.

THE CHARTER TOWNSHIP OF BATH ORDAINS:

Section 1. Adoption of Fire Prevention Code

There is hereby adopted by the Charter Township of Bath for the purpose of prescribing regulations governing conditions hazardous to life and property from fire or explosion, that certain code known as the Fire Prevention Code recommended by the National Board of Fire Underwriters, being particularly the 1960 edition thereof and the whole thereof, and all amendments and corrections thereto, save and except such portions as are hereinafter deleted, modified or amended, (by section 18 of this ordinance), of which code, not less than three (3) copies have been and now are filed in the office of the Clerk of the Charter Township of Bath and the same are hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this ordinance shall take effect, the provisions thereof shall be controlling within the limits of the Charter Township of Bath.

Section 2. Duties of Chief of the Fire Department

a. The Fire Prevention Code shall be enforced by the Chief of the Fire Department of the Charter Township of Bath and/or the Supervisor.

b. Whenever the words Chief of the Bureau of Fire Prevention are used in the Fire Prevention Code they shall be held to mean Chief of the Fire Department.

c. The Chief of the Fire Department may detail such members of the Fire Department as inspectors as shall from time to time be necessary.

d. The Chief of the Fire Department shall recommend any amendments to the code which, in his judgment, shall be desirable.

Section 3. Definitions

a. Wherever the word "Municipality" is used in the Fire Prevention Code, it shall be held to mean the Charter Township of Bath.

b. Wherever the term "Corporation Counsel" is used in the Fire Prevention Code, it shall be held to mean the Attorney for the Charter Township of Bath.

Section 4. Amendments Made in the Fire Prevention Code
The Fire Prevention Code is amended and changed in the following respects:

Article 9, Section 9; 7 is amended as follows:

Section 9.7 Class IV Systems
Class IV systems shall be subject to the requirements for permit in Section 9.2, but shall be exempt from all other provisions of this article, but must be licensed by the State Fire Marshall with the approval of the Michigan Department of Health.

Article II, Section 11.2, paragraph a, is amended to read as follows:

Section 11.2 Marking of Exit Ways

a. In rooms accommodating more than 10 persons, required exit doorways, other than those normally used for entrance, shall be plainly marked by approved exit signs, sufficiently illuminated when the floor area is occupied, to be readily distinguished.

Article 11, add Section 11.5, paragraph a, b, c:

Section 11.5 Means of Egress

a. All dwellings, dwelling units and buildings used for permanent living purposes must have at least two separate and independent means of egress arranged at a reasonable distance apart so that if one entrance becomes blocked, the other entrance will be available.

b. Every place of assembly shall be provided with at least two separate and independent means of egress located as far apart as practical; and in no case less than 50 per cent of the longest dimension of the room or space in which the public assembly is operated.

c. Multiple dwellings more than one story in height may have each unit open onto a common hallway, but there must be two separate means of egress from each hallway and the stairway must be enclosed.

Article 12, Section 12.6, paragraph b, is deleted.

Division II, Section 16.22, paragraph a, is deleted.

Division V, Section 16.51, is deleted.

Article 21, Section 21.6, paragraph a, is amended to read as follows:

Section 21.6 Location of Containers
The aggregate capacity of any one installation of bulk storage of liquefied petroleum gas shall not exceed 2,000 gallons water capacity; except that in particular installations this capacity limit may be altered at the discretion of the Chief of the Fire Department after consideration of special features such as topographical conditions, nature of occupancy and proximity to buildings, capacity of proposed tanks, degree of private fire protection to be provided, and facilities of the local fire department.

Section 1. Article 28, Section 28.1 is amended by deletion of the existing sections and substitution of the following:

(1) 28.1 Bonfires and Outdoor Rubbish Fires:

a. Permit Required. No person shall kindle or maintain any bonfire or rubbish fire or authorize any such fire to be kindled or maintained on any public street, area, road or other public ground without a permit. No person shall kindle or maintain any bonfire or rubbish fire or authorize any such fire to be kindled or maintained on any private land without a permit except as provided as paragraph b) and c). During construction and demolition of buildings or structures, no waste material or rubbish shall be disposed of by burning on the premises or in the immediate vicinity without having obtained a permit, nor shall any person kindle or authorize to be kindled any buildings, brush, limbs or trees without a permit.

b. Permit Not Required. Permit shall not be required for a bonfire or rubbish fire on residential property where the material to be burned has been properly placed in a debris burner, constructed of metal or masonry with an approved spark arrester with openings no larger than 3/4 of an inch. Burners of the metal drum or portable type shall not be located less than fifteen (15) feet from any building or less than five (5) feet from the adjoining property line, except as permitted by the Fire Chief in writing.

c. Permit Not Required, Commercial or Industrial Property; Where the material to be burned is confined within a fireproof container constructed of metal or openings no larger than 3/4 of an inch. The masonry or heavy constructed burner or incinerator shall be constructed to withstand the heat of 1,200 degrees F. and shall not be located closer than three (3) feet to a combustible building or adjacent property line unless approved by the

building department or fire chief. The masonry or heavy metal constructed burners or incinerators shall be constructed with or attached to a suitable stack, the top of the stack to be at least three (3) feet above the eave line of adjoining buildings if such buildings are less than fifteen (15) feet from the stack. All stacks are to be properly capped with an approved spark arrester with holes no larger than 3/4 of an inch.

d. The Chief may prohibit any or all bonfires and other outdoor rubbish fires when atmospheric conditions or local circumstances make such fires hazardous or a nuisance.

e. Hours to Burn. The hours to burn shall be from sunrise to 9:00 o'clock p.m., for all types of fires within the Township.

f. Foul Odors. The foregoing provisions are specifically subject to the prohibition against any burning by any person of garbage, animal carcasses, refuse, trash, rubbish, or like materials giving off foul and offensive odors.

g. Obtaining of Permit. The permits required in the foregoing sections are to be obtained on an application to the fire chief of the Charter Township of Bath or by any authorized personnel of the Township designated by the Board of Trustees. Said permit to burn, shall state the name and address of the party authorized, the location of the land and the nature of the premises where such fires are to be set, the time contemplated for setting such fire and the nature of the material to be burned.

Section 5. Modifications
The Chief of the Fire Department shall have power to modify any of the provisions of the Fire Prevention Code upon application in writing by the owner or lessee, or his duly authorized agent, when there are practical difficulties in the way of carrying out the strict letter of the code, provided that the spirit of the code shall be observed, public safety secured, and substantial justice done. The particulars of such modification when granted or allowed and the decision of the Chief of the Fire Department thereon shall be entered upon the records of the Fire Department and a signed copy shall be furnished the applicant.

Section 6. Appeals
Whenever the Chief of the Fire Department shall disapprove an application or refuse to grant a permit applied for, or when it is claimed that the provisions of the code do not apply or that the true intent and meaning of the code have been misconstrued or wrongly interpreted, the applicant may appeal from the decision of the Chief of the Fire Department to the Board of Trustees of the Charter Township of Bath within 30 days from the date of the decision appealed.

Section 7. New Materials, Processes or Occupancies Which May Require Permits.

The Charter Township Supervisor and the Chief of the Fire Department shall act as a committee to determine and specify, after giving affected persons an opportunity to be heard, any new materials, processes or occupancies, which shall require permits, in addition to those now enumerated in said code. The Chief of the Fire Department shall post such list in a conspicuous place in his office, and distribute copies thereof to interested persons.

Section 8

(a) Any person who shall violate any of the provisions of the Code hereby adopted or failed to comply therewith or who shall violate or fail to comply with any order made thereunder, or who shall build in violation of any detailed statement or specification or plans submitted and approved thereunder, or any certificate or permit issued thereunder, and from which no appeal

has been taken or who shall fail to comply with such order as affirmed or modified by the Township Clerk by a court of competent jurisdiction within the time fixed herein shall severally have each and every such violation and non-compliance respectively, be guilty of a misdemeanor punishable by a fine of not more than One Hundred Dollars (\$100.00) or by imprisonment (90) days, or by both such fine and imprisonment. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue, and all such persons shall be required to correct or remedy such violations or defects within a reasonable time, and when not otherwise specified, each ten (10) days that prohibited conditions are maintained, shall constitute a specific offense.

(b) The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

Section 9 Repeat of Conflicting Ordinances

All ordinances, resolutions, or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed. Ordinance No. 3 of the Ordinances of the Charter Township of Bath is hereby specifically repealed.

Section 10 Validity

The Board of Trustees of the Charter Township of Bath hereby declares that shall any section, paragraph, sentence, or word of this ordinance or of this Code hereby adopted be declared for any reason to be invalid, it is the intent of the Board of Trustees of the Charter Township of Bath that it would have passed all other portions of this ordinance independent of the elimination herefrom of any such portion as may be declared invalid.

Section 11. Date of Effect

This ordinance is hereby declared to have been adopted by the Charter Township of Bath at a regular meeting in the Township Offices, held on the 18th day of January, 1971, effective immediately after publication of same.

Celebrate anniversary

MR. AND MRS. BERNIE FEIGNER

The children of Mr. and Mrs. Bernie Feighner of Perrinton will honor their parents on their 50th wedding anniversary. The event will be held April 4 at the Fulton Township Hall in Perrinton from 2 to 5 p.m. Friends and neighbors of the couple are invited to attend.

Senior girls honored by Woman's Club.

By ANNETTE WHITE News Society Editor

St. Johns—Members of the St. Johns Woman's Club greeted over 140 senior girls at its 24th annual Senior Girls Tea last Wednesday.

The girls were met at Wilcox Hall of the First Congregational Church by club members and escorted to the tea table, decorated with a spring decor. A centerpiece of white pompon mums, stephanotis and greens carried out the colors used in the table decorations.

Mrs. Dana Antes and Mrs. James Leon were hostesses at the tea table and serving on the committee were Mrs. George Brooks, Mrs. Leo Pouch, Mrs. Kenneth Peffer, Mrs. Edward Sulka, Mrs. William Escher, Mrs. Irene Murphy, Mrs. Brandon White and Mrs. Joseph Spousta, chairman.

Mrs. John Rumbaugh, Woman's Club president, opened the meeting and welcomed the girls. She briefly explained the functions of the organization and touched on the club supported Girlstown.

Music Department Chairman, Frances Pearl introduced guest entertainers, the Wilsonaires, under the direction of Donald Valentine. The girls started the program with two selections, "Moon River" and "George Girl" and were then joined by the rest of the group who sang, "Step to the Rear", "Sing Sorrow", "The Sweetest Sounds" and "Music to Watch Girls By."

Sgt. Duane A. Smith, officer in charge of First Division traffic at the East Lansing Post of the Michigan State Police, was the main speaker of the day and was

introduced by Mrs. Alan R. Dean, chairman of the day. Sgt. Smith showed a film entitled "Walk Without Fear" which dealt with ways to keep out of possible danger in daily living. Following the movie he spoke to

his audience, relating crime incidents during his 21 years on the Force. He pointed out with the upswing of crime, at least six police officers are killed a day in the United States.

Mrs. Rumbaugh closed the meeting by reading an inspirational poem to the soon-to-be graduates.

The club will meet again on April 7 at the home of Mrs. Walter Graham when the chairman of the day will be Mrs. Dale Finch.

SENIOR TEA

St. Johns Woman's Club honored 140 graduating seniors girls last Wednesday at its 24th Annual Senior Girls Tea. The event was held in Wilcox Hall of the First Congregational Church.

HOSPITAL NOTES Members of the Clinton Memorial Hospital Auxiliary Board held their second annual spring luncheon as guests of the hospital with 25 members in attendance. The meal was prepared and served by the kitchen and dietary staff of the hospital. The business meeting was conducted by Mrs. Cyrus Waldron, vice-chairman, in the absence of the chairman. Treasurer, Esther Hendershot reported that more than half of the \$9,000 for the new nurse-patient call system has been paid and also that new draperies have been obtained for the second floor lounge. Many new items have been purchased to sell from the gift counter and gift cart. Due to the success of the theater parties sponsored by the auxiliary, the committee will now sponsor two each year. The annual meeting will be held in May and guest for the evening will be Mrs. Ada Rippey of Sturgis, who will show her doll collection. Legion Notes The Edwin T. Stiles Unit 153 of the American Legion Auxiliary met Tuesday, March 16. In keeping with the Auxiliary theme for March, which is Community Service, John Aylsworth, Clinton County 4-H agent was guest speaker. He showed slides of the various works and projects being carried on by the 4-H Chapters in the county. The major project currently being carried out is the collecting of glass containers and readying them for delivery to the Owen-Illinois Glass Plant in Charlotte. There, they are recycled and made into new glass bottles. The group has collected 68,300 pounds of glass for recycling. The Auxiliary named the winners of the essay contest sponsored by its Unit. The next regular meeting of the Unit will be held April 20 at 8 p.m.

DeWitt woman named fabric representative

By ANNETTE WHITE
News Society Editor

DeWITT—It all started ten years ago.

That's when Mrs. Kermit Lietzke noticed a small advertisement in a popular woman's fashion magazine advertising Leiter's Designer Fabrics. The ad intrigued her because of her own interest in sewing and fashion design.

In the following years she watched the growth of the firm through subsequent advertisements.

Last February she decided to become a representative for the firm, which deals with exclusive dress fabrics imported from Europe and the Far East, as well as fabrics used by designers in their couture collections.

Mrs. Lietzke and her husband reside at 2683 Round Lake Road in DeWitt and she shows the fabrics by appointment in her home.

The fabrics are top quality material with unusual designs including all the popular new materials with a wide variety of polyesters and acrylics and the ever popular wools and cottons.

Mrs. Lietzke keeps a daily contact with the firm, which is located in Kansas City, Mo., and

can keep an up-to-date account of the fabrics in stock.

"After I talk to the company I know what fabrics are selling and are low and then if one of my customers place an order I will call it in to make sure it

is still available for them," Mrs. Lietzke said.

"The fabrics all carry a guarantee and are put through a scanner at the plant to avoid defects.

"If people are going to sew

they should use the best fabrics they can afford because you spend just as much time working on cheaper fabrics and the finished product is better plus you are more particular," Mrs. Lietzke said.

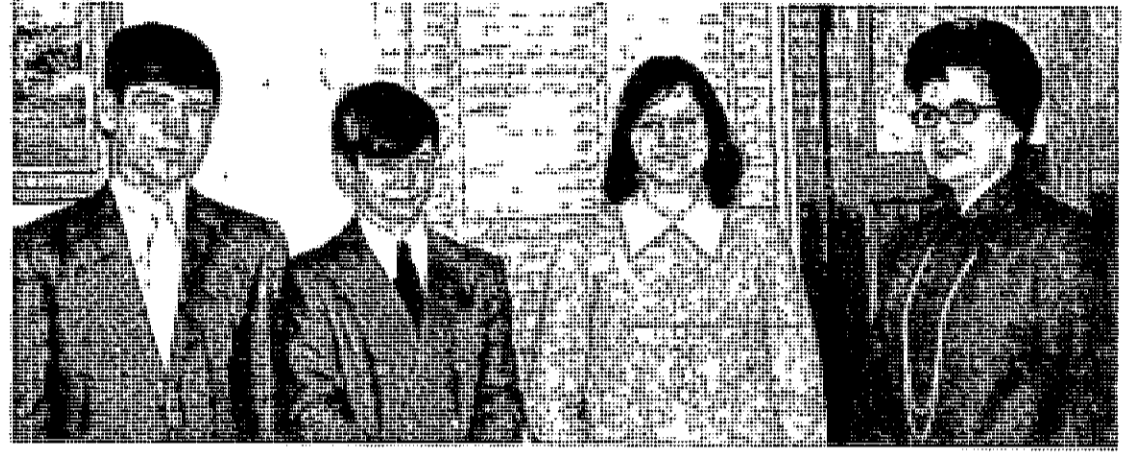

Interested in sewing for herself and her family, she started with a tailoring course in high school and has kept up on the latest methods and fashions ever since. Besides her newest adventure in the fabric business she works part-time at a Lansing department store as a sewing instructor and also gives private sewing instructions two nights a week in her home.

When asked about the latest hemline she replied that all the latest patterns seem to show the hemline at the knee level and the most popular materials right now seem to be the sweater-knits, slinky knits and sheer wools for spring.

Mrs. Lietzke plans to have a showing of her fabric samples in May when there are sale fabrics offered, but in the meantime will be available by appointment for individuals interested in doing some sewing.

VISITORS TO SING

The Bethany Christian High School A Cappella Choir will lead the evening worship service at Bethel Mennonite Church, on Friday, March 26 at 7:30 p.m. The forty voice choir, which is chosen from the Junior and Senior classes at Bethany Christian, is under the direction of Darrel Hostetler. One group of numbers will also be presented by the Chamber Singers, which is a selected group from the A Cappella Choir.

The Chamber Singers present selections with a contemporary sound and rhythm.

The A Cappella Choir will use the theme of death and the after-life. A variety of selections, including excerpts from Bach's motet, "Jesus Priceless Treasure," will be sung.

The public is cordially invited to this worship service.

Clinton National employees awards dinner

ST. JOHNS—A total of 24 awards were presented to employees of Clinton National Bank last Wednesday evening during the second annual awards dinner held at the Masonic Lodge in St. Johns.

A total of 88 persons, including directors, officers and employees, attended the dinner which was arranged by the employee activity committee.

Pins and cash awards were presented for periods of one, five and fifteen years service and special recognitions were given to individuals and departments for outstanding efforts during 1970.

The program was conducted by committee chairman Shirley Lake with presentations made by President Ink White and Vice-

Presidents John Rumbaugh, Brandon White, and Gayle Desprez.

The evening's top honors for outstanding service went to Carol Chaney who was chosen "Teller of the Year." Mrs. Chaney has been employed by Clinton National Bank since July, 1969, and is currently assigned to the Valley Farms branch.

Entertainment for the evening was presented by a group of employees and included guitar and vocal selections by Getsey Bell; a comic routine by Duane Bunce and three gospel selections by the "Eagleaires", a hastily formed quartet comprised of Charles Huntington, Gary Honeywell, Betty Fox and Didi Maquilling. Aside from Miss Lake, other

members of the activities committee are Carolyn Coffman, Betty Hansen, Susan Koenigs-knecht, and Virginia Shawnee.

Receiving one year pins were: Kay Atkinson, Betsey Bell, Virginia Bertram, Robert Bodgan, James Cathey, Carol Chaney, Carolyn Coffman, Barbara Eastlick, Rodney Glnther, Chris Holcomb, Judy McCall, Duane Miller, Barbara Reed, Susan Reed, Bernita Sillman, Karlene Snyder, Brandon White, Jr. and Roger Beebee.

Five year pins and cash awards of \$5 were presented to Duane Bunce, Stan Loznak, Virginia Shawnee, and Ink White.

Cash awards of \$75 and 15 year pins were given to Paul Schueller and Les Jenkins.

Nickelson starts concert tour with Alma band

ALMA—Douglas L. Nickelson of St. Johns, a percussionist with Alma College's colorful 70-piece Kiltie Band, left Sunday (March 21) with the band on its spring concert tour of Michigan and Wisconsin.

Nickelson, a freshman at Alma, is the son of Mr. and Mrs. Estes of 311 S. Ottawa St., St. Johns. He is a graduate of St. Johns High School.

Acclaimed as an outstanding concert unit, the Kiltie Band is also well known for its marching performances in kilt uniforms of Royal MacPherson tartan.

Junior high Redwings win tournament

ST. JOHNS—The Junior High basketball team rolled to its second straight Ovid-Elsie Invitational tournament championship by rolling over Midland Bullock Creek 55-22.

Jumping off to an 18-1 lead, the Redwings were never behind. The starting team soon gave way to the bench who played the last half of the game.

Coach Mike Humphrey had reason to worry before the game, as starting forward Drew Carpenter who scored 17 and 23 points respectively in the first two tournament games was in the hospital with the flu.

The Redwings finished the season with a 9-2 record. Prospects look good for Coach Humphrey as the seventh graders he'll get next year wound up the season with a 9-0 record.

Elsie

By Mrs Neva Keys

ELSIE(c)—The March meeting of the Elsie Parent-Teachers Association was held on Monday, March 15 at the E. E. Knight School.

Speaker for the program on bus safety was F. E. Simoneau, administrative assistant of School Transportation and Safety at Central Michigan University, Mt. Pleasant. Slides were shown on bus safety and how bus safety should be taught to children in grades kindergarten - sixth. He stressed that parents should possess knowledge of bus safety and traffic rules and pass it on to their children. If parents would talk safety to their children as they ride in the car, children will observe and learn faster.

During the business meeting conducted by President Archie Moore, it was voted to give \$25 to the Boy Scouts, and to spend nearly \$1145.00 on playground materials.

Election of officers will be held at the April meeting.

Mrs. Marian Clark's second grade room won the room award for attendance and Mrs. Geraldine Winkler's bus children won the treat for number of parents and children present.

Open Letter from VAN W. HOAG

Dear friends, Many clergymen and doctors, while attending the dying, have reported seeing the apparition of the spirit leaving the body at death. Many survivors have reported the momentary appearance of the spirit of a loved one at the moment of death. If these marvels were more generally known, the doubting Thomas would find greater conviction in the resurrection of Christ and of our own promised resurrection which we celebrate this glorious Easter Season. Sincerely,

Van W Hoag

Army Staff Sergeant DAVID A. SMITH, 24, son of Mr. and Mrs. Henry L. Smith, Route 3, Atlanta, recently received the bronze star medal near Phuoc Vinh, Vietnam. He received the award for

distinguishing himself by valorous actions. The bronze star medal, adopted in 1944, recognizes acts of heroism performed in ground combat against an armed hostile force.

Sgt. Smith received the award while assigned as a platoon sergeant in Company E, 1st Battalion, 7th Cavalry, 1st Cavalry Division (Airmobile). The sergeant's wife, Barbara, lives at 12469 Kruger Lane, DeWitt.

LT/CPL CRAIG BARTHOLOMEW

Craig Bartholomew, a Lance Corporal in the Marine Corps, is leaving from Okinawa for a tour of duty in Australia to set up communications. He is the son of Mr. and Mrs. Ladd Bartholomew of 309 South Clinton Ave., St. Johns.

SGT. WILLIAM BARTHOLOMEW

William J. Bartholomew was promoted to sergeant in January and is stationed at Mather's Air Force Base, California. He is the son of Mr. and Mrs. Ladd Bartholomew of 309 South Clinton Ave., St. Johns and is married to the former Connie Serrells who resides with him. He serves as an air craft records clerk in the Air Force.

Army Captain WILLIAM F. MOTZ JR., 25, whose parents live at Route 1, Ashley, recently received the air medal near Chu Lai, Vietnam. Capt. Motz earned the award for meritorious service while

participating in aerial flight in support of ground operations in Vietnam.

He has been serving as a forward observer in Headquarters Battery, 3D Battalion of the Americal Division's 16th Artillery.

The captain received a bachelor of arts degree in 1967 from Michigan State University.

Army Private First Class ROGER K. HALL, whose parents, Mr. and Mrs. Roger G. Hall, and wife, Joyce, live at 10828 E. Second, Fowler, recently received the combat infantryman badge near Duc Pho, Vietnam. The badge is a unique and cherished award that is highly coveted by its recipients. The award was originated during World War II to recognize the role of the infantryman. The CIB can be awarded only to a member of an infantry unit of Brigade, Regimental or smaller size unit who satisfactorily performed in active ground combat against a hostile force for a period of time.

Pfc. Hall received the award while assigned as an infantryman with Company A, 4th Battalion, 21st Infantry of the Americal Division's 11th Infantry Brigade.

Business notes

By MIKE PREVILLE
News Advertising Manager

NOW, FIRST OF ALL, we have to confess to the fact that we are a family of big, big eaters. Usually we are invited to a friends or neighbors for dinner... just once.

The evening starts off fabulously, the hostess beams as we tell her how delicious the meal is what a wonderful cook she is and could we please have a portion of "seconds" . . . and "thirds" . . . and etc., etc.

We never leave before everything edible has long since disappeared.

And the sad fact is, people can't afford to have us for dinner. "Family style" restaurants have barred us and we have been locked out of pot luck dinners. It's that bad.

Oh, of course, some people are happy to see us coming. Whenever we can swing a loan for groceries, the market owner buys a yacht or something.

Now that we have confessed we want to urge you to let out your belt and take in some of the finest eating around.

The St. Johns Exchange Club is holding the Annual Pancake Dinner Saturday, March 27 from 5 to 7 p.m. at Smith Hall. Members will be preparing and serving piping hot pancakes . . . and it's "all - you-can-eat." Adults pay just \$1.50, children, \$1 and pre-schoolers get in free. Wonder if they'll let us in if we pay double or triple?

THERE WAS A GOOF in the St. Johns Co-op ad last week. The Co-op's Stew Watt called us about

it. It wasn't our goof, or his. The guest speaker for the Co-op's weed control clinic made the mistake of scheduling two clinics the same day. So . . . the weed control clinic will now be held Thursday, April 1 at 10 a.m. in the Central National Bank Community Room.

YOU CAN SEE WHAT is new in the fashion world this Thursday evening at the DeWitt Middle School. The Hen's Nest is sponsoring a Fashion Show at 8 p.m. Tickets will be available at the door . . . and there is a \$10 coupon in the Hen's Nest ad on page 5A.

THE REXALL 1¢ SALE starts Thursday, April 1 at Parr's Pharmacy in St. Johns and Finkbeiner's Pharmacy in Fowler.

The County News' Easter Coloring contest for area children is on page 4A in this issue. Cash prizes will be awarded to youngsters in first through third grades, fourth and fifth grades and sixth and seventh grades. Prizes of \$5 and \$3 in each group will announced in the April 7 edition of the County News.

Werbish, Redwings dazzle O-E

The hot shooting of Al "Pistol Pete" Werbish and Jeff Smith allowed the St. Johns Redwing faculty to push past an equally aggressive Ovid-Elsie faculty squad Tuesday night, 68-56.

It was an uphill fight during the first 16 minutes for the Red-

wings, as the Marauders took the edge on scoring and rebounding. The O-E crew led at the first quarter break by 13-11, although the Marauders had held as much as a six point lead before St. Johns put on the pressure with about 1:50 left to go in the frame.

Neither team could find the range during the first three minutes of the second quarter as Ovid-Elsie called time-out with 5:27 to go with a slight lead, 15-14.

The Marauders, led by Dennis Barton, known to his teammates

as the "UP Flash," found a little breathing room in the remaining minutes of the half and stretched out a lead of five points, 30-25 at the buzzer.

The lead finally changed hands midway through the third quarter as the Marauders defense was riddled with fast breaks and

fouls.

Werbish, who appeared to be the favorite of the St. Johns fans, dazzled the Marauders with several steals and breakaways. Werbish was the high-point man for both teams, sinking 24 points.

Smith added to the cause with 15 and Bob Holzhef put in 11.

Others scoring for St. Johns were John Russell (3), Steve Bakita (3), Dale Knight (6), Dave Fosgett (4), Bob Spencer (2), Mike Young (7), Ken Lashaway (3), and Bill Swears (1).

Marauder scoring was led by Barton and Don Barlow with 12 points each. Others hitting for O-E were Jim Maidlow (3), Lyle Howard (1), Gary Smith (4), Jack Nutter (8), Wordon (8), Hughey (4), and Hart (4).

The game, held at St. Johns High School, was sponsored by the St. Johns area civic groups to raise funds for the Little League field lights. Another game, featuring the Detroit Lions, will be held Thursday night at the high school gym.

Mid-Michigan "B" team named

Three Ovid-Elsie players have been named to Mid-Michigan "B" All-Conference basketball team, it was announced last week.

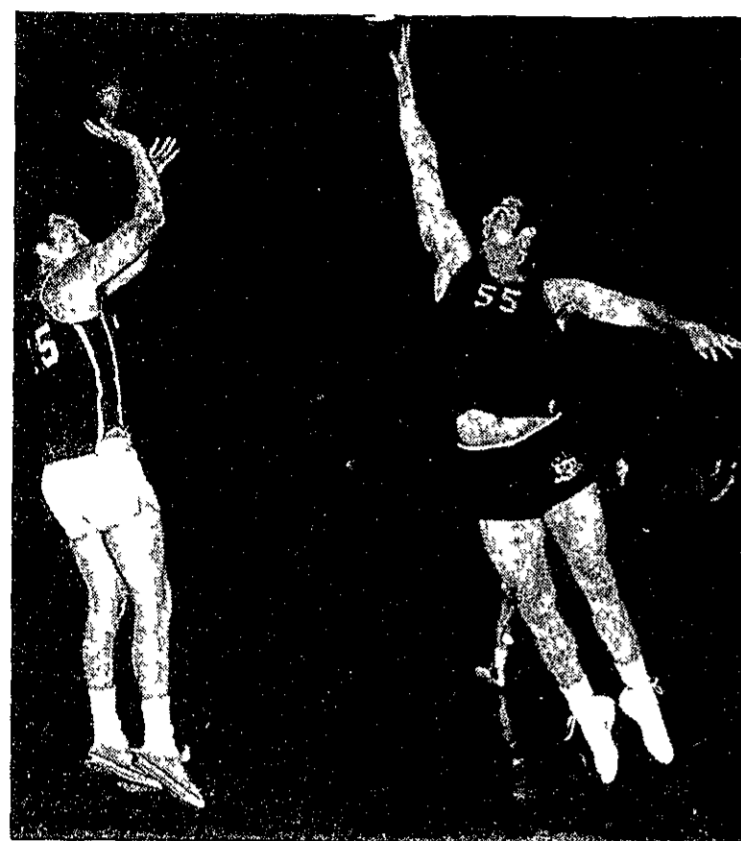

Mark Case, Keith Nelson and Cal Woodard were among the ten players named to the team. Dan Bowles received honorable mention.

Other players named to the team were Ted Allen, Bruce Frost and Tom Post from St. Louis, Norbert Birchmeyer, Chesaning, Al Kramarik, Cornuna and John Maxson and Jim Leddy from Bullock Creek.

Other players receiving honorable mention were John Derby and Mark Secor from Ithaca and Den Wyse from Bullock Creek.

Record wins

Michigan State's hockey team won 19 games during the 1970-71 season, most victories ever in Spartan history.

COACHES CLASH

St. Johns' Jeff Smith takes a one-hand jump shot against Ovid-Elsie's Jim Maidlow during Tuesday night's faculty benefit game at the St. Johns gymnasium. The benefit, sponsored by St. Johns civic groups, was held to help pay for the new lighting system at the Little League field. Smith is the Redwing football mentor and Maidlow coaches the O-E wrestling squad.

HIGH POINT

"Pistol Pete" Werbish, as his friends call him now, sails high to sink an easy two against the Ovid-Elsie faculty Tuesday night. Werbish was high-point man in the game with 24 points.

Youth bowling association plans state champ rounds

The Michigan Youth Bowling Association (YBA) will award \$500 and \$1,000 scholarships and all-expenses paid trips to the nation's Capital during championship rounds of the group's nation-wide bowling tournaments.

The association's state singles championships will be held in six areas throughout Michigan on March 27-28 and April 3-4.

The six areas include the tourney held at Town 'n' Country lanes, Ithaca, for Clinton area bowlers.

Other establishments sponsor-

ing the YBA event, are Mercury Clarkston, Parkview Lanes, Cadillac, Poorman's Recreation, Buchanan and Wayside Lanes, Kalamazoo.

Area champions will be declared in the Peanut (9 years of age and under), Prep, (10 years thru 12) Junior (13 thru 15 years), Major, (16 thru 18 years of age) in the Boys Scratch, 170 average and over, Boys Handicap, 169 average and under and Girls Handicap, for all girls entered.

TROPHIES WILL be awarded to the first, second and third place winners in all classifications in each Area.

The action at all of the lanes will consist of three games and the qualifiers will advance to the State Singles Finals to be held at Pleasant Lanes, Mt. Pleasant, on May 16, 22-23.

This is the first stage of competition that will see three graduating seniors from Michigan competing in the NBC All-America Youth Bowling Championships.

Nelson, Woodard receive top honors at O-E fete

By BOB GAVAN
News Staff Writer

Keith Nelson and Cal Woodard were honored as most valuable players at Ovid-Elsie's basketball banquet last Thursday evening.

Coach Bob Foreback, whose philosophy of coaching is to be a friend and guide to all the players on and off the basketball court, presented the awards.

Foreback said, "This is a sad year for me. I have worked with this team all through their years in high school and now they are leaving. I hope they keep in touch."

Coach Foreback presented personal awards to each player for a particular trait that they exhibited during the playing season.

John Glowney was awarded the most improved player trophy. Foreback said, "He was always working out hard, helping the team whenever he could."

Dan Bowles was co-recipient of the Blue and Gold award for best defense. According to Foreback, Bowles has shot better than

40 per cent for the last two years, received honorable mention in the Mid-Michigan B league, and is the best outside shooter on the team.

Keith Nelson received trophies for the most valuable player, most inspirational player and the blue and gold award for best defense. He also had a 44 per cent record for field goals and was fifth in the league for scoring. Nelson was also co-captain.

Cal Woodard, who was also co-captain received the most valuable player award. Foreback said, "It will be hard next year to get along with Cal. It will be my first year without him."

Woodard was named to the all-league team, and the Clinton County News team. He has been the leading scorer for the past three years at O-E.

Woodard holds a number of records at O-E. Highest number of points in one game 38, highest number of free throws in one game 15, highest number of defensive rebounds 17.

He holds the school record for the most points in one season, 362 for a record 20.2 average. Woodard also holds the school record for offensive rebounds,

defensive rebounds, field goals and free throws. It will take some player to top this player's accomplishments.

A traveling trophy was presented by the Clinton County News to Woodard and Ovid-Elsie for the highest percentage of free throws in the county, 98 out of 114 for a high of 86.14 per cent.

Mark Case received praise from Foreback for being an all around good player. Case was second highest in scoring on the team, placed on the all league team and was the eleventh leading scorer in the league.

Other team members receiving patches and letters were Bill Foran, Jack Keys, Randy Byrnes, Tim Bouck, Charles Miller, Kurt Kristen, and Jerry Welton.

Also receiving patches and letters were Ron Mead, Steve Melvin, Tom Miller and Rick Hood.

The Mid-Michigan B trophy was presented to Coach Foreback by O-E's Athletic Director Mark O'Donnell.

The JV awards were presented by coach Dick Hose to the fifteen members of the team. The JV's had an excellent season finishing with a 14-2 record.

Coach Jack Nutter presented certificates to each member of the freshman team. The 24 players which are split up into two teams. The "A" team held a 6-9 record and the "B" team had a 8-5 record.

Mary Nutter presented awards to the eighteen members of the three cheerleading squads.

Master of Ceremonies, Russ Pope, commented in his final remarks, "We hope that each player leaves our school a good sportsman and, most of all, a good citizen."

Who Me?

Once in a while some one writes a check and forgets to record it . . .

WHAT CHECKMATE IS

Check-Mate is not a credit card. It is a check guarantee-automatic loan program. It assists you in cashing checks where you are not known and it allows you to write checks for more than your balance with payment of the loan created by small monthly installments or a lumpsum, if you desire. Only you and your bank know that you are creating a loan when you write the check.

with Clinton National's Checkmate it won't come back to haunt you

(or cause a family "discussion")

Perhaps you have no intention of making a loan but by merely completing a Check-Mate contract you can assure yourself of a savings in the event of an accidental overdraft. The usual overdraft charge is \$3 but with the protection of Check-Mate, a three-day checkmate loan of \$100 would cost you only 10¢. Let us explain these and other advantages of a signed Check-Mate contract on file at Clinton National Bank.

At the Eagle Village election there were only 23 votes cast, the smallest vote on record. The weather conditions didn't help. John Cooper was re-elected president; Jane Korrock, clerk; Geneva Leonard, assessor; and Kendall Stiffler, Richard Leonard and Joseph Marcinak as trustees. At the last meeting they voted to give their officers a raise.

The Cub Scouts are working on Easter baskets to be taken to the Coldwater State Training School.

The 4-Square group will meet at the Carl Falor home Tuesday March 16 for an all day meeting. Mr. and Mrs. Harry Sellen from Pennsylvania spent March 12 and 13 at the Carl Falor home.

Pewamo

MRS. IRENE FOX
Ph. 824-2021

When Barry Alan was born March 11 at Carson City Hospital to Mr. and Mrs. Michael Schneider he was the 34th grandchild of Mr. and Mrs. Clare Schneider. Barry weighed seven

pounds and 15 ounces. He will join two sisters, Shelly and Rhonda and one brother, Michael. Grandparents are Mr. and Mrs. Alvin Thelen of Fowler and Mr. and Mrs. Clare Schneider of

Pewamo. Dinner and supper guests of Maude and Ralph Doane Sunday, March 14 were Mr. and Mrs. Larry Peare and family of rural Lyons. Mrs. Florence Calkins, sister of Maude and Ralph has returned following a two week vacation in California.

Mrs. Velma Gillespie, Pewamo, announces the birth of her second great-grandchild born to Mr. and Mrs. Bryon Lengseth La Mirada, Calif. Sunday, March 14. The baby weighed nine pounds and eight ounces. Mrs. Lengseth is the former Lynnette Winkler.

Grandparents are Mr. and Mrs. Joseph Winkler of La Mirada, Calif.

Mr. and Mrs. Kenneth A. Thelen of Fowler and Mrs. Fred Bower were callers of Bertha Martin Tuesday, March 16.

Sunday, March 28 James Long at the Herman Werner Home will observe his 95th birthday.

Returning home Wednesday evening, March 17 after vacationing in Florida for two weeks was Mrs. Barbara Steinke.

Mrs. Leone Hillbrand and her sister, Mrs. Clyde Silvernall paid their respects to their cousin, Seraphine Leek, 92, at the Neiler

Funeral Home. Mr. and Mrs. Larry Blauwikel and family were visitors of their parents, Mr. and Mrs. Nicholas Blauwikel in Grand Rapids Sunday, March 14. On Wednesday, March 17 Mrs. Blauwikel had surgery at St. Mary's Hospital in Grand Rapids.

Spending Sunday, March 21 with their sister and sister-in-law, Mrs. Aurelia Anderson were Mrs. Charles Cook, Mrs. Rose Stump, Mrs. Hilda Schafer and Mrs. Laurine Schafer. They were dinner and afternoon guests following the 1 p.m. dinner. Cards furnished the entertainment.

Style revue

By JOHN AYLSWORTH

The members will model and style the garments they have made this past year from the beginning projects to complete costumes. Friday evening 170 Junior Miss members will begin modeling their garments at 7:30 p.m. and at approximately 8:30 p.m., 85 Senior Miss members will style their clothing and knitting projects.

A top six will be selected in each group and will receive rosettes. An honor group of 20 members will receive style revue pins.

Following the Senior Miss Style Revue the members of the Tail Waggers 4-H dog club will put on a performance with their leader dog for the blind program.

The seven members have been working hard with their dogs to show the public the training they have been giving their dogs.

Saturday morning approximately 300 Young Miss members will model the clothing and knitting projects they have completed this winter. An honor group of 60 girls will receive a ribbon for top styling.

The Style Revue is a real experience for the members as they display their charm, poise and projects to the public.

A MEETING HAS been planned for Monday, March 29, 7:30 p.m. at Smith Hall in St. Johns to plan the fourth annual Roadside Beautification project.

The date set for the cleanup program is Saturday, April 17. Any youth group who has not indicated an interest in participating in this project but would like to help are encouraged to contact the Extension Office or plan to attend this meeting on March 29.

A name for the project will be selected, places to dispose of the trash will be discussed as well as other beautification projects.

Each group will be asked to state what road areas they feel they could clean up. Litter cleanup costs the State Highway Department over \$1,000,000 a year on state highways.

Since the County Road Commission does not have money for this type of project on county roadsides it will be up to groups or individuals to get the job done if it is to be done.

ONE HUNDRED SIXTY 4-H members and guests attended the club achievement on March 14, 4-H roller skating activity Thursday evening at the Ranch 20 Roller Rink in St. Johns. The next scheduled 4-H roller skating activity will be on Thursday, April 15 from 7 - 10 p.m.

CLINTON county will be represented at the State 4-H Horse Judging contest Saturday, April 3 at Michigan State University

during the Block and Bridle Show. The team will consist of William and David Mack of the Weh-Hah-Kay-Asta 4-H club, Annette Pederson of the Saddle Mates 4-H club and Chris Chant of the Spats & Spurs 4-H club.

They will place five classes of horses including three halter classes and two performance classes, plus giving oral reasons in two classes. Questions will be asked on one of the halter classes. Joyce Hoover of DeWitt is coaching the team.

THE COUNTY 4-H Share The Fun Contest or Talent Show will be held on Friday evening, May 7 at St. Johns High School auditorium. Five acts will be selected to represent the county in the district contest on Aug. 4.

The acts may be either instrumental, vocal, dance or drama and may be either small group or large group activity.

Clinton county's contribution to the National 4-H Center Expansion Drive at Washington, D.C. by 4-H clubs has now reached \$1,415.18 toward our quota of \$1,501.

The Nifty Knitters with \$10 and Paintbrushes with \$20 became the 22nd and 23rd clubs to reach their quota of \$1 per member. We hope to reach our county quota contribution by April 1.

TRAIL BREAKERS is the name selected by a new 4-H horse club organized in the Watertown township area under the leadership of Tina Hundt. Presently the club has nine members and they invite others to join them.

Virginia Cordes is serving as temporary chairman until the club reaches their final enrollment.

The club has met several times and plans to attend the Block and Bridle Show on April 2 and 3 at MSU. The members have set May 1 for their first trail ride.

Their next meeting will be on April 17 where they will be concerned with conditioning a horse for trail riding and discussing some possible tours of horse farms in the area.

THE NIMBLE Fingers 4-H members learned more about the basic 4 food groups from Mrs. Floyd Parmelee, who is the dietitian for the St. Johns Hospital.

The members discussed their club achievement on March 14, styling practice on March 15, Thursday evening at the Ranch 20 Roller Rink in St. Johns. The club voted to participate in the county cleanup project on April 15 from 7 - 10 p.m.

Jim McQueen reported on the glass pickup project and the lead-ermate at MSU. Brenda Bancroft gave a demonstration on "How to Make a Pincushion".

DeWitt farmer honored for efficiency by MSU

EAST LANSING—A DeWitt area dairy farmer has been named one of 20 Michigan Farm Managers of the Year by Michigan State University.

Lavern Lerg, 2343 Round Lake Road, DeWitt, will be honored Thursday night during Farmers' Week festivities at MSU.

Lerg, who participates in TeLFarm, MSU's computerized farm record keeping program, was cited for "efficient organization and operation of his farm over

the past three years." His operation ranked in the top three per cent of all 1,400 TeLFarm cooperators.

The mid-Michigan dairyman farms 280 acres and milks 80 cows. According to F. Earl Haas, Clinton County extension director, Lerg's operation is characterized by "low investments per cow, low feed costs relative to returns and enough mechanization so that he and one hired man can do all the work."

Bannister

By MRS. ROBERT VALENTINE — Phone 862-4342

The Youth of the area churches presented the Union Lenten Service at Ovid Sunday Evening. The organist and director of the service was Sharon Dunham of Elsie. The Shepards 4 provided the special music for the service. Those from Bannister taking part were Vicki and Jim Valentine, Jim Stewart, Matthew Peck, Pat Terrell, Brenda and Lori Miller, Elizabeth Ensign and Wanda Libertin, and Donna Hinkley. Next Sunday, the Union Lenten Services presents a drama, "THE PEDDLER" presented by the University Christian House Players from Central Michigan University at Mt. Pleasant. The hosts will be the Elsie United Methodist Church.

Schless, C of S, USARYIS, as Mrs. Larson observed.

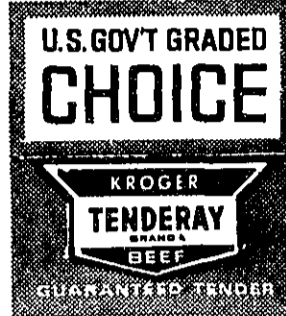

Blair is the son of Mr. and Mrs. Sidney Stubbs of Vestaburg and is a graduate of Vestaburg High School. He entered the service in November of 1969.

Blair competed against 55,000 other men. He received a \$100 savings bond, a watch with engraving on it and a trophy and was sent to Japan for a gold plate dinner.

Mr. and Mrs. Robert Valentine attended the funeral of her uncle in Lansing on Friday afternoon. Kenneth Knight, Mrs. Valentine's uncle, passed away on Tuesday evening and memorial services were held Friday in Lansing.

Mr. and Mrs. Kenneth Swanson were hosts Sunday to 19 guests who came to celebrate the first birthday of their daughter, Karman. The special birthday cake was in the shape of a lamb. Guests were from Saginaw and the Chapin and Bannister area.

Bement library reports list of missing books

ST. JOHNS—The staff of Bement Public Library reports that 58 books which were due back at the Library in 1970, are still out.

There will be no fines on these books; the Library simply wants them returned.

The 49 patrons who borrowed the books have been notified several times by mail, by telephone, or both. An occasional person claims that, although the book card appears to be signed by him, he actually did not have the book.

Others say they lent the book to someone else who promised to return it. A few admit they simply can't find the book, and some keep promising to bring the books back, but fail to do so.

Following is a list of single books which were charged out one book to one patron:

"Princess of Moonlight"
"Babe Ruth, Baseball Boy"
"Jack"
"Tornado Boy"
"The Universe Between"
"True Book of Horses"
"Hop on Pop"
"Too Many Americans"

THE FOLLOWING books are given in groups because one person borrowed all the books

"I Want to Be a Baker"
"A Dog Like No Other"
"The Jungle"
"The Scarlet Raider"
"Buffalo Bill"
"One Minute Past Eight"
"Justin Morgan Had a Horse"
"The Case of the Careless Cupid"
"Ary the Smarty"
"A Primer of Stagercraft"
"Number 10"
"The Story of Miss Moppet"
"Rampolt Place"
"An Illustrated History of the Olympics"
"Animal Families"
"The Beloved Stranger"
"Grapes of Wrath"
"Jellybeans for Breakfast"
"Magic in My Shoes"
"The Moonstone"
"Once There Was a Cat"
"Hawaii"
"The Happy Birthday Present"
"Walden"
"Mouney Pony and the Elkhorn Mystery"

Farm Bureau report:

Young farmers seek active role in FB leadership and programs

Young farmers are on the move! The increasing interest and concern for their organization is becoming more apparent all the time. Figures like a total of 99 Young Farmers, representing 34 counties, attending a Young Farmer Conference substantiate this statement.

The conference being referred to is the Young Farmer Leaders' Conference held last month at the Valley Plaza in Midland.

The participation and involvement on the part of these Young Farmers attending the conference was outstanding. The average age of those attending was 25 years and the average farm size was 444 acres. These are important members of our organization - for they are the future leaders.

The purpose of the conference was to inform, equip, and motivate Young Farmer leaders for participation in Farm Bureau. It was an excellent opportunity for members of County Young Farmer Committees to broaden their knowledge and improve their leadership abilities.

The program consisted of four leadership classes on the topics of motivation, communications, Young Farmers in Action, and leadership in Farm Bureau. There were also two general sessions on the topics of legislation and farm labor. At the close of the three day conference most of the Young Farmers felt that they were set to go home and

"light a fire" under their County Young Farmer Committees. These Young Farmers are ready to take a hold and be an active part of our organization - let's be sure and let them!

A PANEL of four distinguished judges has been named to select the top three Freedom Foundations eighth grade students in this year's essay contest.

Clifton Wharton, Jr., MSU President; John B. Swanson, Michigan supreme court justice; Charles E. Chamberlain, U.S. State congressman from Michigan's sixth district; Earl E. Nelson, state representative from Michigan's 57th district; and Bob Talbert, noted columnist for the Detroit Free Press, will determine which of the many students entering the contest will win the coveted trip to Washington, D.C. this summer.

Presidential and Executive Flag sets, respectively, will be awarded to the second and third place finishers in the statewide contest.

The three essays selected by the four judges will also be forwarded to Freedom Foundation at Valley Forge for entry into the National School Awards Program.

The contest began on Feb. 22 and ended on March 22. The panel of judges will select the three top state essayists by mid-May.

IF YOU'RE looking for some good food values this month, pick up and appreciate.

Both are in ample supply at more than reasonable prices. January pork production is expected to be very large so pork should be reasonable for the next month or two. Check the specials each week for the best weekly values.

Canned applesauce is also in large supply so many retailers will be offering "sauce" at special prices all month.

It's nice to know that these two popular go-togethers are both in good supply and at reasonable prices.

Pork, straight from the shoulder, offers "good eating at budget prices," according to a Michigan State University consumer marketing information agent.

"The most popular pork cuts," explained Ada Shinnaber, "and therefore the most expensive ones, are roasts and chops from the loin, hams and spareribs. But a porker is not all chops, hams and spareribs."

"The Boston Butt, a square piece of meat from the upper part of the shoulder, leads pork cuts in its percentage of lean meat," the Grand Rapids-based agent pointed out. "It contains 84 per cent lean, while ham is only 63 per cent lean, and loins 67 per cent."

The Boston Butt is usually cut into pork steaks and a small roast. Miss Shinnaber explained, "The steaks have the same blade-shaped bone as blade chuck beef cuts. The roast has only a small bone."

Roasts are sold both with bone-in and boneless. "The bone-in roast is the best value," she said. "The bone is very small so with a boneless roast, you get only slightly more meat but not enough to pay even 10 cents more per pound."

side trips. All of this group with one exception made the trip by automobile. Most of them making their own side trips on a scenic route while returning home.

Some went to Blount across the Bay where they visited "Beauvoir," the historic last home of Jefferson Davis; others made a bus tour of New Orleans; and heard the Grand Old Opry Country Music in Nashville, Tenn.

The Stanley Loznak and John Specht stopped at Oak Ridge, Tenn. where they visited the former's sister and family and Sid Keys with his passengers, E. J. Conklin and D. Williams who stopped at the home of Bud Keys and family in Cincinnati, Ohio for a coffee hour and visit.

The week was filled with golfing pleasures, ranch type meals, social evenings of cards and dancing and several sight-seeing excursions.

"Much Michigan farm land has been mislabeled "exhausted" or "tired soil," but nematodes were actually the cause of crop losses," says Laughlin.

A bulletin written by Laughlin, "Nematodes and Their Control," is now available from county Cooperative Extension Service offices and from MSU Bulletin Office, P.O. Box 231, East Lansing, Mich. 48824.

Single copies are free, the bulletin explains nematode feeding habits, injury symptoms, diagnosis of nematode diseases and how to determine nematode presence and recommended control measures.

As this was the appointed time to reorganize the Board of Commissioners, County Clerk Ernest Carter called the meeting to order and opened nominations for Chairman of the Board.

It was moved by Hufnagel supported by Gove that Gerald Shepard be elected Chairman. It was then moved by Cobb supported by Montgomery to close nominations and cast a unanimous vote for Gerald Shepard. Voted and carried. Shepard declared elected.

Nominations were then opened for Vice-Chairman of the Board. It was moved by Hufnagel supported by Cobb to nominate Gerald Lankford as Vice-Chairman. It was then moved by Gove supported by Shepard to close nominations and cast a unanimous vote for Gerald Lankford. Voted and carried. Lankford declared elected.

Chairman Nobis expressed his appreciation to all Board members and county officers for the fine cooperations which he has received as Board Chairman during the past two years.

Newly elected Board Chairman Gerald Shepard then assumed the chair. He expressed his appreciation to out-going Chairman Nobis for his fine leadership and to members of the Board. He seeks the continued support and cooperation of Board members and of county officials in the ensuing year.

Communications were read.

A resolution from Grand Traverse County Board of Commissioners requesting the State to assume financial responsibility for administration of Courts of Justice and requesting favorable consideration of the Colorado Plan, was referred by the Chairman to the Government and Personnel Committee.

A resolution from Baraga County urging the State to increase financial support for Lamprey control was, on a motion by Cobb, supported by Nobis to receive and place on file. Voted and carried.

A second resolution from Baraga County concerning pollution was presented. It was moved by Chamberlain supported by Nobis to concur with the resolution. Voted and carried.

RESOLUTION

WHEREAS, the Clinton County Board of Commissioners appreciates the natural beauty of Clinton County and of the State of Michigan as a whole; and has a great concern to maintain that beauty, and

WHEREAS, the Clinton County Board of Commissioners has a very deep concern about all types and kinds of pollution; and WHEREAS, one of the types of pollution is the littering of all types of material and substances along our streets and roads, and

WHEREAS, some of this litter is composed of non-returnable beverage containers of all kinds, and

WHEREAS, the Legislature has seen fit to appoint a special committee to study waste disposal, and further, the Clinton County Board of Commissioners appreciates the appointment of this committee.

NOW, THEREFORE, BE IT RESOLVED, that the Clinton County Board of Commissioners requests the Legislators of the State of Michigan, through their appointed committee, and through any additional means they deem advisable, as follows:

- To supplement and improve the education of the people in matters pertaining to waste disposal and particularly, littering.
- To aid in the law enforcement against the indiscriminate people that create the littering problem.
- To study new methods of implementing recycling of wastes for their salvageable resources.
- We further request that in a recycling study that particular attention be given to:
 - A substantial charge for the return of beverage containers of all kinds.
 - Staging Collection Drives.
 - Creation of permanent collection centers.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to State Senator William Ballenger and our State Representatives Richard Allen and Douglas Trezise.

A third resolution from Baraga County requesting the State to assume financial responsibility for violations of State Laws and also to provide for medical and hospitalization expenses and legal counsel for indigent defendants, was on a motion by Nobis supported by Hufnagel to refer to the Government and Personnel Committee. Voted and carried.

A resolution from the Third District Association of County Commissioners meeting at Ludington, Michigan on Sept. 17, 1970 was read. It was moved by Andrews supported by Hufnagel to concur. Voted and carried.

RESOLUTION

WHEREAS, The County Road Commissioners are now appointed by the County Board of Commissioners for a term of six years, and

WHEREAS, all other Boards and Commissions of the County, appointed by the County Board of Commissioners, are for three year terms, and

WHEREAS, all other Board and Commissions of the County work equally hard, giving of their time to make the County a better place for all,

NOW, THEREFORE, BE IT RESOLVED: The Clinton County Board of Commissioners go on record for legislation to change the County Road Commissioners term of six years to a term of three years.

BE IT FURTHER RESOLVED: Copies of this resolution be sent to the Governor, Senators and Representatives of the State of Michigan represented by Clinton County.

A second resolution seeking a four year term of office for County Commissioners was, on a motion by Nobis supported by Gove to receive and place on file. Voted and carried.

Chairman Shepard declared a recess at 10:20 a.m.

Upon again coming to order, a resolution from Macomb County requesting legislation which would allow a County Commissioner to sit as a voting member on Intermediate School District Boards, was on a motion by Lankford supported by Hufnagel to receive and place on file. Voted and carried.

A letter from the Department of Commerce regarding an Amendment to the Clinton County Rural Zoning Ordinance, Fedewa Builders, Inc. was read. (Purposes of information only)

Gerald Wilcox, Chairman of the Planning Commission appeared and requested the Board to re-consider the matter of funding the completion of the Building Needs study as submitted by bid by the W. Holmes Co., AIA of Lansing, in the amount of \$14,000.

It was moved by Andrews supported by Montgomery to approve a contract with the W. Holmes Co. to provide a Building Needs Study as submitted by their firm in amount of \$14,000. Discussion followed. On a roll call vote, those voting aye were Nobis, Hufnagel, Montgomery, Lankford, Andrews, and Shepard. Nays were Cobb, Gove, Dimer, Chamberlain and Underhill. 6 ayes, 5 nays. Motion declared carried.

It was moved by Underhill to approve Commissioners expense accounts as presented. Voted and carried. The Board recessed for lunch at 12:05 noon.

The Chairman declared a recess at 3:10 p.m.

Upon again coming to order, Commissioner Nobis reported on the Solid Waste Disposal meeting held at Fowler, Dec. 30, 1970. He called for commissioners comments. Discussion followed. Chamberlain feels that the problem has been over emphasized. Andrews hopes that we do not allow ourselves to be lulled into a false sense of security and that planning should continue.

Lankford feels the Board should take a definite position on the matter and provide assistance to political units within the County, if properly petitioned for help.

Nobis feels that Tri-County Regional Planning Commission took an unfair advantage in presenting their material when he specifically asked both them and the County Planning Commission not to do so.

Commissioner Lankford moved supported by Dimer that the Board adopt the following resolution. Voted and carried.

RESOLUTION

WHEREBY, a Solid Waste Disposal Plan has been prepared, and WHEREBY, this plan is available for implementation if requested:

THEREFORE, BE IT RESOLVED, that the Clinton County Board of Commissioners goes on record to be ready to assist any or all Clinton County units of government so petitioning.

The Board recessed for lunch at 12 o'clock noon.

P. M. SESSION

Upon again being called to order, Commissioner Nobis presented a committee report. He presented rules governing the proceedings and actions of the County Board of Commissioners. Nobis moved, supported by Andrews, to adopt the following rules to govern actions and conduct of the Board.

Commissioner Dimer moved, supported by Nobis, to amend the rules by deleting rule No. 33. It was then moved by Underhill, supported by Cobb, to table the motion. Voted and carried.

A request from the Michigan Employment Security Commission for office space was read. No action was taken.

James Hatchett, representative of OEO (Operation Mainstream) appeared and informed the Board of the nature and scope of the organization's activities. Presently nineteen (19) people are working in Clinton County, nearly all in the school system. Discussion followed.

Frederick Burks, Cooperative Area Manpower Planning system (C.A.M.P.S.) representative then explained the workings of the CAMPS Committee and seeks to solicit support for his program. A question and answer period followed. Mr. Burks asks that a representative from this Board be appointed to the CAMPS Committee and that permission be granted for CAMPS to operate in Clinton County.

Commissioner Lankford asked Mr. Burks for a copy of the State Order granting CAMPS permission to operate in the state, be sent to this Board. Mr. Burks agreed to do so.

The Chairman declared a recess at 3:30 p.m.

Upon again coming to order, discussion continued on the Government and Personnel Committee report:

BOARD OF COMMISSIONERS CLINTON COUNTY, MICH.

RULES

Rule 1. The County Clerk will preside over the last meeting of each calendar year until a Chairman of the County Board has been elected by a majority vote of the members elect. A Vice-Chairman will be elected in the same manner as the Chairman.

Rule 2. The Chairman shall take the chair at the time to which the Board recessed or stood adjourned.

Rule 3. The majority of the members of the Board of Commissioners elected shall constitute a quorum.

Rule 4. The journal of the preceding meeting shall be examined and any mistakes therein may be corrected by the Board.

Rule 5. The order of the business shall be as follows: (1) Call to order; (2) Roll Call; (3) Examination of the minutes; (4) Communications; (5) Recess for committee work; (6) Day's Agenda.

Rule 6. The Chairman shall preserve order and shall decide questions of order, subject to an appeal to the Board.

Rule 7. The Chairman shall vote on all questions taken by Yeas and Nays except on appeal from his own decision.

Rule 8. When the Board adjourns all members shall keep their seats until the Chairman announces the adjournment.

Rule 9. Every member previous to speaking shall be recognized by the chair.

Rule 10. When two or more members arise at once the Chairman shall designate the member who is to speak; but in all cases the member who shall first address the chair shall speak first.

Rule 11. No member shall speak more than twice on the same question without the leave of the Board nor more than once until every member who chooses to speak shall have spoken, except the Chairman of the committee upon matters reported by him.

Rule 12. After a motion shall be stated by the Chair, it shall be in the possession of the Board, but may be withdrawn at any time by the maker, with the consent of his support.

Rule 13. When a motion is under debate no motion shall be received but to adjourn; for the previous question; to lay on the table; to postpone indefinitely; to commit or amend; which several motions shall have precedence in the order in which they stand arranged.

Rule 14. A motion to adjourn and a motion to lay on the table shall always be in order and be decided without debate. A motion to adjourn once decided in the negative shall not be renewed until after the transaction of some other business.

Rule 15. Petitions, memorials and other papers addressed to the Board shall be presented by the Chair or by a person recognized by the Chair. No petition or memorial addressed to the Board shall be received unless it is endorsed and a brief statement of the contents are given.

Rule 16. When the Chair is putting a question, no member shall walk across the floor, nor when any member is speaking shall any person entertain any private discourse or pass between him and the Chair.

Rule 17. If any question in debate contains several points, any member may have the same divided.

Rule 18. Any member called to order shall immediately come to order; and the board if appealed to, shall decide the case. If there be no appeal the decision of the Chair shall be submitted to.

Rule 19. All motions to reconsider any vote shall be made on the same day or the next meeting following the day on which the vote proposed to be reconsidered was taken. A motion to reconsider before being declared carried must receive a majority vote of ALL Commissioners elect.

Rule 20. The Chairman, or in his absence the Vice-Chairman, shall have the right to name any member to perform the duties of the Chair, who is thereby vested with all the powers of the presiding officer.

Rule 21. At all regular meetings, commissioners shall come to order at 9:00 a.m. each day they are in session. Any member not present at calling time shall pay a fine to be imposed at the discretion of the Chairman. Any member present at the session for only a half day shall receive half pay.

Rule 22. A call for the previous question shall be seconded before being put to vote of Board.

Rule 23. All reports of Committee and County Officers shall be made in writing and signed by members thereof; and all resolutions offered shall be in writing and signed before they can be entertained by the Chair.

Rule 24. Roberts Revised Rules of Order shall govern all questions not provided for by the foregoing rules.

Rule 25. The Chair shall entertain a call for Yeas and Nays made by any member present on any question submitted to the Board.

Rule 26. No persons shall be elected to any office by this Board except by a Majority of the votes of the Board of Commissioners Elect, nor shall any resolution or report be declared

adopted until it shall have received a majority vote of all members elect.

Rule 27. All matters coming before the Board which have to do with the appropriation of County funds, or authorization for the expenditure of County funds, shall be voted upon by roll call of the members present and so recorded. A unanimous vote of all members present shall be deemed a roll call vote.

Rule 28. All standing committees of the Board of Commissioners are authorized to spend up to \$500 per department if within the department budget.

Rule 29. All claims rendered for payment shall be sworn to or certified.

Rule 30. It is required by law that Audit committee of the Board of Commissioners audit all County Departments and report to the Board, constituting an audit by the Board of Commissioners.

Rule 31. All communications and reports shall be read by the County Clerk to the Board of Commissioners.

Rule 32. The Chairman of the Board shall be an ex-officio member of all Committees (Boards and Commissions) appointed by the Board of Commissioners.

Rule 33. That when any member is elected Chairman of Board of Commissioners, he shall vacate any appointment to any Boards of Commissions whether term of appointment has expired or not.

It was moved by Dittmer supported by Lankford to re-appoint to the County Elections Commission Tom Hundley, Richard DePond and Lee Reasner. Voted and carried.

It was moved by Lankford supported by Hufnagel that this Board recommends Rex Sirrine for re-appointment to the Soldier's Relief Commission. Voted and carried.

It was moved by Andrews supported by Nobis to pay a billing of \$425 for an addition to the Nativity Scene. Voted and carried. Noted: (This was approved for payment in 1970 but the bill was never presented.)

It was moved by Nobis supported by Chamberlain to refer the bids on painting the interior of the Social Services Building to the Building and Grounds Committee with power to act. Voted and carried.

As there was no further business to come before the Board, it was moved by Montgomery supported by Dittmer to adjourn at this time and to meet again Tuesday, Feb. 2, 1971, at 9:00 a.m. Voted and carried.

Meeting adjourned.

Compare cash crops

Uncertainties plague Michigan farmers who are trying to decide how to allocate their available 1971 cash crop acreage among corn, soybeans and field beans, and futures trading; good varieties Leyton Nelson, Michigan State University crops specialist.

He compares the three crops this way: Soybeans: price protection available (forward contracting); good varieties available; seed supply adequate. Corn: leaf blight unpredictable; price protection available; short supply on "N" seed. Field beans: price not known; bacterial blight continues, a threat; seed supply may be limited; hazard factor greater than corn.

Clinton FFA members vie for state degrees at MSU

Several Clinton County area students will be among delegates to the state's Future Farmers of America convention in East Lansing March 25 and candidates for the group's state degree title.

Students from the Ovid-Elsie area are Tony J. Fabus, Jr., Kim C. Jorae, Robert Alan Moore, Matthew Peck and James Stewart.

Others listed are Douglas Smith of Lansing and Jerry Schultz of St. Johns.

FFA members from 172 Michigan high schools will meet during Farmers' Week activities on the MSU campus March 24-26, highlighted by the convention Thursday.

The nearly 1,000 leading young agriculturalists from all parts of the state will meet to take part

in workshops, conduct association business and honor top members with various awards.

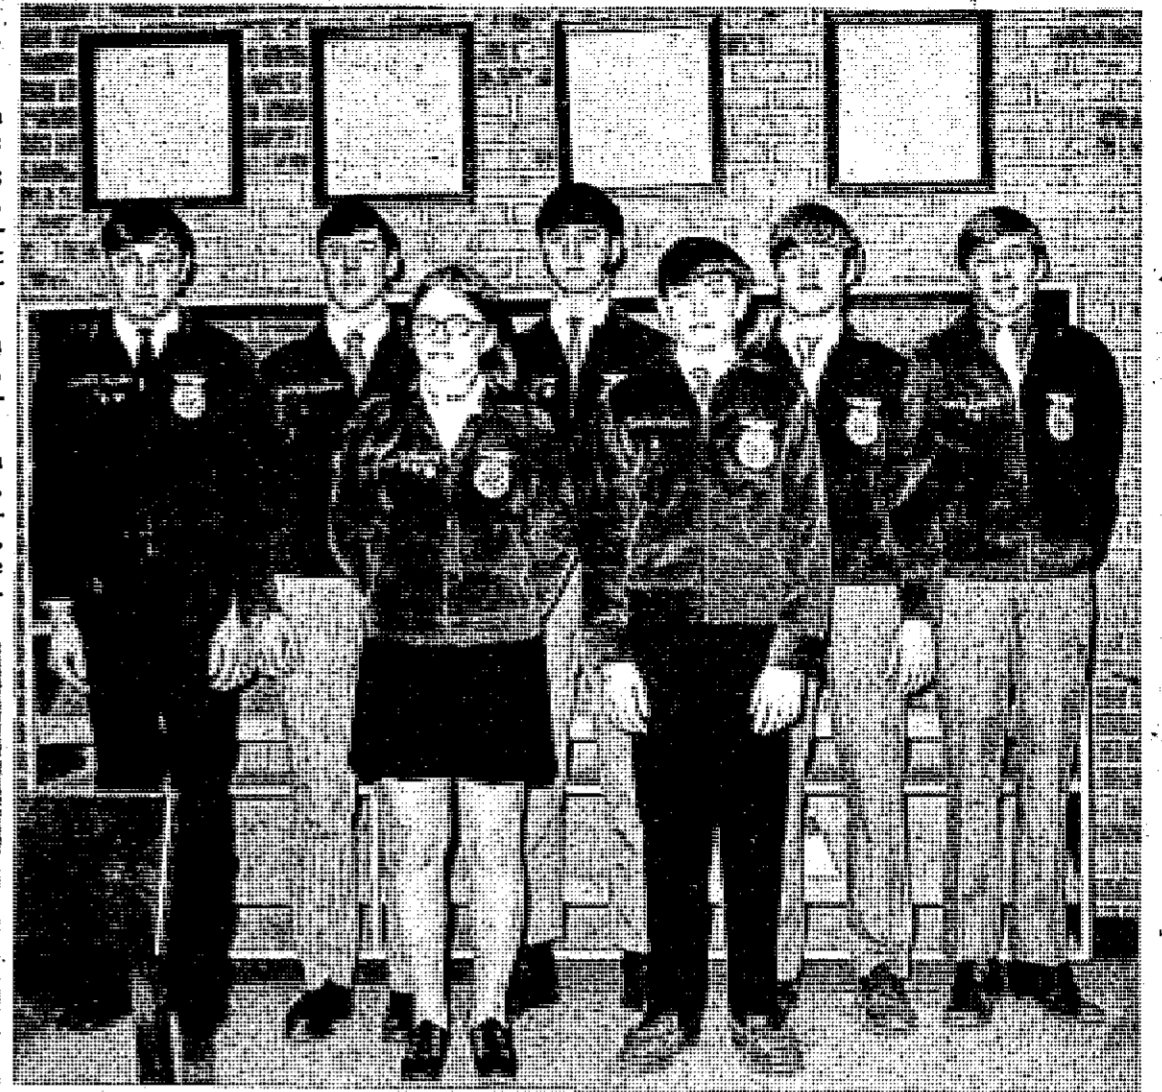

STATE FINALISTS will compete in leadership contests involving public speaking, parliamentary procedure, farm forum and demonstrations of agricultural skills. Contestants have previously won honors in local, district and regional competition. Other highlights will include naming of the Star State Farmer and the Star State Agribusinessman and election of officers. Displays of agricultural and career exhibits will be featured.

Former Star Farmer of America, Kenneth Cheatham of the American Farm Bureau Federation, is to be the banquet speaker.

Other featured convention speakers are Wayne Humphreys, National FFA vice-president, Crawfordsville, Ia.; television personality and former Miss America, Marilyn Van Derbur; Larry Nicholson, Independence, Mo., and entertainer with a spectacular presentation; and Albert La Porte, Farmers' Home Administration.

John Young, Harbor Beach chapter, State FFA president, will preside over business sessions.

State Advisor of the Michigan FFA Association is Clifford G. Haslick, John A. Deppong is Executive Secretary-Treasurer. Both are staff members of the Michigan Department of Education.

STATE FINALISTS

Ovid-Elsie's parliamentary procedure team will participate in the state finals at Michigan State University during Farmers' Week, March 24-26. (Back row, from left) David Kurka, Frank Quine, Kim Jorae, David Wyrick and Ron Tomasek. Front row, Gwyn Nethaway and Charles Green.

AGRICULTURE IN ACTION

by GARY A. KLEINHENN
MICHIGAN FARM BUREAU

Welfare should not become a "way of life," but should be considered only as an emergency, or last resort program, but from all outward appearances the federal government is intent on perpetuating the system.

President Nixon's new welfare plan is a socio-economic plan designed to turn over the major burden of welfare to the federal government.

The most controversial provision of the welfare program is the "family assistance plan," better known as a guaranteed annual income.

Says the American Conservation Union, in Michigan there are 316,200 persons receiving aid. If the bill passes Congress, it will skyrocket to 646,400, which is an increase of 104 per cent.

Nationally, more than 12 million people will be added to the welfare rolls at an estimated additional cost of \$10 billion a year. (Figures are based on Senate Finance Committee data.)

WHAT IS STARTLING to the farmer is that under the plan there would be no check to determine if a person needs the money.

The so-called "work requirement" section would actually encourage more people not to work than under the present system.

It is reported that since 1967 there has been a "must work" requirement in the Aid to Families of Dependent Children (AFDC) but has never been enforced. With the new plan a welfare recipient would simply sign up at the local welfare office and the government would mail his check.

Reducing welfare rolls appears out of reach as the program would add 12 million persons to the already 10 million on welfare. In total, some 22 million people would be receiving checks from the federal government, or 11 per cent of the U.S. population.

Selection of conservation contractor vital investment

By PAUL KOCH, Assistant State Conservation Engineer
U.S. Soil Conservation Service

Whether it's a pond, a waterway or a tile system, the careful choice of a good conservation contractor is like having money in the bank—it's an economic investment in the future.

Even though his hourly rate may be a little higher, an experienced conservation contractor can produce a top quality job that not only fulfills its purpose, but also protects your soil and water resources.

The conservation contractor is experienced in digging ponds and channels for landowners who belong to the local Soil Conservation District or who just believe in practicing wise land use.

He readily cooperates with the SCD in following the engineering plans prepared by U.S. Soil Conservation Service technicians. He is familiar with and follows guidelines for R.E.A.F. cost-sharing programs.

THE BETTER contractor is generally familiar with the

characteristics, problems, and acceptable land uses of the soils in your area. He is concerned with possible soil erosion on the freshly exposed ground and follows SCS suggestions for reducing sediment.

He is familiar with sediment control ordinances and regulations of the land governmental units.

An able contractor runs a highly efficient operation. He saves his clients money by using the equipment best suited for the job with efficiency and precision. He and his crew are well versed in using surveyors' instruments and at figuring grades and cuts in the land.

Safety, particularly with respect to pipelines, buried cables, and overhead obstruction, is one of his concerns. He is especially careful when working around people and their personal property.

IN ADDITION, he is also a good community man. He will not willfully carry out a job that will harm your neighbor's prop-

erty or possessions, nor will he allow his construction site to deliver sediment to the local streams.

Membership in the Michigan Land Improvement Contractors Association is a good guide. The Association promotes improved standards for contracting work and better land use practices.

The Clinton County Soil Conservation District maintains a list of contractors in the part of Michigan who have done previous jobs involving conservation excavation projects. The list can be seen at the S.C.D. office at 100 S. Ottawa, St. Johns.

Perhaps the best advertisement of an outstanding conservation contractor is the quality of his previous jobs. Ask your neighbors and friends with ponds who did their excavation work.

Their satisfaction is his best recommendation.

Employment of health service workers is likely to jump 3.9 million in 1968 to 6.35 million in 1980, according to projections by the Labor Department's Bureau of Labor Statistics.

Use Your Seat Belt!

Build a better future for yourself.

Here's a chance to do something about your future. By building your own Soap Box Derby racer.

Coming up with your own design. Shaping the parts. Putting it all together. It's a real challenge.

It's not as tough as you might guess, either. Because you'll get plenty of help along the way.

To start with, the 1971 Rule Book has four full pages of construction tips with lots of pictures. And your local Derby Clinic makes expert advice available.

At the Clinic you'll see a Soap Box Derby film. Talk to some of last year's contestants. And pick up plenty of useful ideas on building your own racer.

When your car is completed you'll race it against other boys 11 to 15. The winner gets a \$500 Savings Bond and a trophy.

Then it's on to the championship event—the World's Gravity Grand Prix. Here you'll compete against other local winners from all over the country and overseas. \$30,000 in college scholarships will be divided up. Top prize is a \$7,500 scholarship.

Get in on the action. Head for your sponsoring Chevrolet dealer's and sign up today. He'll give you a World's Gravity Grand Prix shoulder patch for your jacket. And an official 1971 Rule Book.

It's a good way to start building a better future. With your own hands.

Perhaps there should be some changes in the seasons. What we have in mind is setting ahead the start of spring so that it is more in line with weather conditions which usually prevail here yet in March.

We're still waiting for the "big thing" to occur at Lansing in the governor's office regarding help for the public school systems of Michigan. It is always discouraging when citizens are given lip service and very little action.

It took a long time before alcoholism came to be treated as a disease. It took even longer before mental retardation was accepted in a light other than a social sore. And now we have drug abuse. We hope it doesn't take as long with this social problem to have it brought into its proper perspective and in so doing treating it as an illness.

Emphasis on pollution problems these days is having its good effects. But we should never lose sight that often we want the product without the process, and this isn't always available without some pollution. Curtailing the amount, and pressuring industry wherever possible to try new methods of

production, should continue at a realistic pace.

Those who are dependent to a large extent on receiving goods via freight trucks have become more and more aware of the delays and poorer service being rendered. It was a similar situation that faced the railroads some years ago that brought about the boom for highway freight lines. Now it appears the large volume and other labor complications is bringing shipping problems to the forefront again. Perhaps the financially-starved railroads will return to become a major shipper of goods and products and alleviate the delays businesses are putting up with these days.

We agree with Joe Falls of the Detroit Free Press that much of the glamour and excitement of state basketball tournaments is gone by spreading the semi-finals and the finals a week apart. We get disgusted with people in authoritative positions who always feel the need to make changes; and in this case, irregardless of what thoughts schools, coaches, teams and fans may have on the subject.

Hats off to 4-H'ers

We'd like to congratulate all of the interested Clintonites who have worked hard this year in sponsoring the local 4-H groups and contributing to the successful open-house type showing at Smith Hall, Saturday and Sunday.

It was surprising to see how far along some of the 4-H'ers have come in their various fields of work including woodworking, art, photography, sewing, and other related areas.

The 4-H leadership programs have aided workers in helping to train the children in their crafts. Their success was evident by the fine work displayed by the Clinton County 4-H'ers.

We further commend John Aylesworth, extension agent, who has coordinated the 4-H program

so efficiently in Clinton County and who presented a fine mid-year showing of the 4-H achievements.

Though the displays were not judged for prizes this time, the 4-H'ers' works were evaluated by various officials so the young people could see where their strong and weak points were in the projects.

The annual county 4-H fair, held in late summer, will feature the youth projects and prizes will be awarded. Until then, the work of the 4-H leaders will continue to present the best displays and exhibits for the fair.

The point we feel is most important for these young people is the fact that they are learning to live and work together—the building blocks for a sound society.

From the State House

How'd you vote?

By REP. DICK ALLEN

"How did you vote on abortion law reform, Mr. Representative?"

"Well, I voted no on the motion to table the motion to appeal the ruling of the chair that suspension of the rules by a three-fifths vote was required to vote on the appeal of the ruling of the chair to send Senate Bill No. 3 to the Committee on Social Services and Corrections."

"Thank you, Mr. Representative. As a constituent of yours, I do like to follow your voting record on the major issues."

"Ridiculous? It certainly is. Abortion law is this Legislature's most intense and emotional issue."

But so far the closest a House member has had to come to taking a stand is the above vote. And it is entirely possible the only clarifying vote on this issue this session may be on another poorly understood parliamentary procedure called discharge of a committee.

My role as Republican leader of the Public Health Committee has caused me to become a student of Michigan's current laws on abortion. I have come to a personal conclusion that our

current law is both an unconstitutional invasion of people's reproductive lives and a public health problem.

Though I am committed to abortion law reform, I have an even stronger current commitment. That is to force a House floor vote on abortion law reform. Every citizen of the State has a right to know how his or her representative in the Capitol stands on this issue.

The Speaker of the House, Bill Ryan, is a man with whom I have had many political disagreements. But through it all, I have maintained respect for his integrity and fair play.

But the Speaker's efforts on abortion law have not been just to defeat change, but to prevent a House floor vote on this issue. The Bill was assigned to the Social Services and Corrections Committee not because abortions are a social service or a correction, but because the individuals on this committee seemed less likely to report the bill out than those on Public Health (where I felt the Bill should go).

But the day is past when legislatures can duck issues without

the public knowing what's going on.

The press is clearly focusing on procedure and the public reaction of both proponents and opponents is that we should vote on the issue. The pressure is mounting and I think the reaction will be just what I have been calling for—a House floor vote.

Then everyone in Michigan will know what the citizens of the 88th district already know—how their representative stands on abortion law reform.

'IF IT FITZ ...'

Sorry, I don't care

By JIM FITZGERALD

The \$20 million hoopla over the Ali-Frazier prizefight reminded me again of an important freedom.

That is the freedom to not give a damn.

It seemed the whole world was turned on by that fight. It was broadcast live on TV in Yugoslavia at four o'clock in the morning, for Lord's sake.

People actually paid hundreds of bucks each for seats near the ring where those two brutes belted each other. Incredible.

I've never been to a horse race because I'm not convinced the horses enjoy it.

I've never shot a deer because I've never been attacked by a deer. I've never owned a snowmobile because they make sense only when you want to go where a warm car won't go and I've never wanted to go there.

SO I CAN relax and sip my tea when the boys get in terrific hassles over such earth-shaking questions as:

1. Should racetracks be run by guys who belong to the Mafia according to testimony given be-

fore Congressional investigating committees? (Such testimony never leads to arrests because Efram Zimbalist Jr. doesn't attend Congressional hearings for fear of bombs).

2. Is it right for greedy, brutal hunters to kill female deer, thus preventing does from spawning bucks to be "harvested" by nice blue-eyed guys who go hunting simply to enjoy the fresh air—but come home angry if they haven't shot anything bigger than a squirrel?

3. Should two-year-old children be allowed to drive their snowmobiles alone across freeways after 10 p.m. or should it be required that they tow a sled carrying two people whose combined ages add up to at least 12?

It is arguments like those that make me the world's champion coat-holder. I couldn't care less. Of course, I figure I'm holding coats for a bunch of idiots but, to each his own. If I owned a snowmobile, a deer rifle and a season's pass to the racetrack I'd trade all three for a quiet weekend of good reading and in-

door sinning.

SO IT was with me and Muhammed Ali and Joe Frazier. There is no more stupid activity than two men bearing on each other until one of them falls unconscious. It is not a sport. It is the old Lions-vs-the-Christians scene with the drooling Romans jamming the coliseum in search of blood. It's ambulance chasing made profitable.

I don't blame Muhammed and Joe and their promoters for cashing in on the modern Romans. If they didn't, someone else would.

But the biggest thing wrong with this world is that people won't stop killing people. So go tell your kid that violence is wrong and stupid. And then tell him how you paid \$100 to watch two guys slug each other. Tell your kid how you sat so near the fighters you got splattered with their blood.

Don't ask me for all the wise answers.

But also, when you and he are fighting, don't ask me to give up my freedom to not give a damn who wins.

Help the Jack Piners

By TIM YOUNKMAN

An overlooked, but interesting, item appeared in several newspapers this week concerning the rise in power of some new motorcycle gangs.

In fact, Cleveland, O., witnessed one of the worst displays of gang warfare in recent years during an exhibition by the motorcycle manufacturers in that city's civic arena.

The rumble, involving elements of the Hell's Angels from Oakland, Cal., and The Breed from the Eastern Seaboard, left five gang members dead and a dozen others injured. Needless to say, the motorcycle show was ruined and the improving name of organized motorcycleing was dealt another setback.

Clinton County has experienced some unrest churned up by these "outlaw" hands that roam the country in search of trouble—and usually finding it.

For years, almost 40 years, in fact, the Granddaddy of motorcycle endurance races started and ended in Clinton County. The Jack Pine Run had attracted countless entrants and fans from throughout the nation and was sponsored by the Lansing-Clinton County area club, the Jack Pine Club on US 27.

The Club's members, for the most part, are area business men and shopkeepers who enjoy a day or two each weekend of

brezzing down county trails on their bikes.

But several years ago, the "outlaws" invaded the overnight camp of the Jack Piners' 500-mile endurance race at West Branch, terrorizing citizens and club members to the point of cancelling the event the next season.

This is not an isolated case, either. Several other big events in Michigan have been cancelled, including the successful Motorcycle Hill Climb, championship races, at Muskegon. One year, these marauding hands took over the motorcycle event and received national coverage in the process. Local residents demanded the end of the climb and their wishes were granted.

Californians have lived with the menace for years, especially along Highway 101 and local law enforcement agencies are just as terrified of them as the rest of the citizens.

It's time we begin doing something to stop this unwarranted menace. Some areas have barred such groups from entering certain counties or states by turning them back at the boundary line.

It is conceivable that Clinton County will be bothered again this summer when the Jack Piners begin their weekend races and rallies, including a shortened

version of the Jack Pine Run.

It might be worth pursuing an agreement between county and state police in seeking a road-block type ban on these gangs entering the county for the express purpose of breaking the law. It's the least the residents can demand for a group of local people who only desire a peaceful weekend of fun and relaxation.

The Jack Piners are a credit to organized motorcycleing and should be supported in their efforts to run a "clean" club.

CHICAGO, Ill., SOUTHWEST NEWS-HERALD: "Many manufacturers and business firms have been gearing their merchandise and advertising messages toward the younger set in the belief that this is the age group that has the money. Though the teen market is important, most of its money probably goes for fad items. The nation's real purchasing power is still in the over-45 age group, with middle-aged and senior citizens spending more than half of all the dollars in this country."

View from the 30th

Unicameral proposal

By SEN. WILLIAM S. BALLENGER

Every now and then, when people are unhappy with their government — especially with taxes — the idea of having a one-house (or unicameral) Legislature is proposed.

Proponents argue that it would save money because it would reduce the size of the Legislature and staff and would be more efficient.

A few days ago, a member of the House, State Rep. Joseph Swallow of Alpena, said he would introduce a proposed constitutional amendment in the Legislature to set up a 76-member legislative body in Michigan called the "Senate."

As an alternative to legislative action, he announced the launching of a huge initiative petition drive to obtain the signatures of 350,000 Michigan residents to insure getting the issue on the ballot in 1972.

Theoretically, the unicameral Legislature sounds good. But in fact, if history is correct, it seems to offer little improvement over the two-house system and, indeed, seems weaker in several respects.

Only one state — Nebraska — has the one-house system. It has been in effect since 1937 and most Nebraskans, with several significant exceptions, like it. Three other states — Vermont, Pennsylvania, and Georgia — once

had one-house Legislatures but threw them out. Vermont's existed for 57 years until 1836 and that state hasn't seriously entertained thoughts of returning to the old system.

It is interesting to note that since Nebraska adopted its unicameral Legislature in 1937, not a single other state had adopted the idea.

Over the years, the idea of a one-house system has been considered only to be rejected by many states — including Alabama, New York, Oregon, Ohio, Arizona, Massachusetts, Illinois, Washington, South Dakota, Wisconsin, Minnesota and California.

Throughout much of recent history, two of the most unstable governments in the western hemisphere have been France and Italy, both of which have one-house Legislatures.

Just recently, the non-partisan, Independent Citizens Conference on State Legislatures concluded an exhaustive study of the nation's Legislatures and rated Nebraska, with its one-house system, below Michigan, with its two-house Legislature.

The principal virtue of the two-house system is the vital built-in check-and-balance feature which enables one house to catch the errors and machinations of the other. The two-house system also makes it more

difficult for lobbyists to control legislation.

Speaking of the Nebraska system, one legislative agent called it a "lobbyist's paradise." Prof. Alvin Johnson, a political scientist at the University of Minnesota, has said, "Legislative powers are arbitrary at best, when entrusted to single chambers, they are potentially despotic."

Prof. George S. Blair of the Claremont, California Graduate School added this: "One would be hard-pressed to prove that Nebraska's Legislature is more effective than bicameral bodies in other states."

Don Walton, political editor of the Lincoln (Neb.) Star writes that "This works for Nebraska because we've got a small population. In a larger state, I'm afraid having one house would make the Legislature either a small group of people with very little public contact, or an unmanageably large body with no small body to keep it moving."

I can see definite advantages of a two-house system in a larger state."

If necessary, I believe a smaller two-house Legislature — say 24 senators and 52 representatives — could achieve the objectives Swallow has in mind and still provide the checks and balances contained only in the two-house system.

Commitment

By REV. HUGH BANNINGA

Today we conclude our discussion on repentance. The third mark of repentance is commitment.

There is an interesting parable in Matthew's gospel, chapter 21, verses 28-32. You can call it "The Parable of the Two Sons."

"What do you think? A man had two sons, and he went to the first and said, 'Son, go work in the vineyard today.' And he answered, 'I will not.' But afterward, he repented and went.

"And the man went to his second son and ordered him to go work in the vineyard. The son answered and said, 'I go, sir.' But he never showed up for work.

"Jesus then asked the question, 'Which of the two sons did the will of his father?' The chief

priests and elders answered, "The first one did."

"Then Jesus said to them, 'Truly I say to you, the tax collectors and the harlots go into the kingdom of God before you.

For John the Baptist came to you in the way of righteousness, and you did not believe him, but the tax collectors and harlots believed him; and even when you say it, you did not afterward repent and believe him."

In this parable one of the sons told his father he would not go to work in the vineyard, but he changed his mind later and went. The other son said he would go to work in the vineyard, but he never showed up. And the question was, "Who did the will of his father?"

The point of this story is that the one son did not do the will

of his father when he said he would. This son is an example of low religion. He had every intention of going to the vineyard, but he just never got around to it.

Too many other important things to do—like seeing the boys at the local tavern and sharing trivialities over a bottle of brew. Or perhaps getting a little exercise at the local bowling alley or pool hall. Or perhaps getting up a little game of harmless poker at his buddy's house.

YOU CAN JUST see the lame excuses he gives to his father when he gets home. He says, "Yeah, Dad, I just didn't make it to work today. But you can count on me tomorrow."

How often is our religion on this low level? If we profess and call ourselves Christians, and then indulge ourselves in trivial and meaningless activities, our religion is of the low level.

And if we persist in this low level religion which takes second place to everything else, is it any wonder that we have a low level spiritual life?

St. Peter once convinced the men of Jerusalem that Jesus was the Christ. Those men cried in response, "What shall we do?" Peter said, "Repent! Confess your sins, be contrite and commit yourselves to Him!"

He was saying to those men that they should change their attitudes toward Jesus.

That is exactly what the other son in the parable did. He changed his mind and went to work in the vineyard. He rebelled at first, but he changed his mind—he repented and went to work.

What a joy it must have been for his father to see him come into the vineyard when he wasn't expected.

HAS THIS ever happened to you? You ask someone to do something for you and they jump all over you for daring to ask them. They tell you how busy they are, and they just don't have the time.

But, then later on, there they are, pitching in, right in the hard part, work in the vineyard.

The son who repented and went to work in the vineyard is an example of high religion.

He thought about his negative response to his father and made a change of direction. He swallowed his pride and decided to do his father's will. This is what you and I are called to do.

Yes, we are called to repent. We are called to complete the three "C's" of repentance. First, we must confess our sins specifically. Second, we must be contrite. We must be sorry for our sins. Third, we must make a definite commitment to Christ as our Lord and Savior.

The Bible says, "Repent, for the kingdom of heaven is at hand." What better time is there than now during this Lenten season?

LETTERS TO THE EDITOR

Against yes vote on abortion law

Letter to the Editor:

I am a constituent of the 30th Senatorial District, representing a large segment of population within its boundaries.

Many of us are frustrated at the tactics resorted to by William Ballenger to justify his yes vote on abortion reform.

In past discussions, according to his own philosophy, a legislator should speak for his constituents. Again, by his own admission, he told me the night previous to the vote that recent opposition to abortion reform has been overwhelming.

How is it then, Senator Ballenger can authoritatively reply by form letter that the "vast majority" favor abortion reform in district 30.

Ballenger is a newly elected Senator for our area and at no time has he conducted a poll or survey upon which he could base his conclusions of "vast majority".

I'VE RECEIVED many irate calls from different areas within the district protesting the Senator's hasty and unfounded conclusions.

Eager for an explanation, I called him. He told me he based his conclusions upon two different sources; one being, results of polls taken by some of his colleagues in the House for their area; and two being, a poll he had taken several years ago as a

Representative in the House for the 87th district (which amounts to about one-third of his present territory).

I don't need to labor on the weakness of his arguments. It speaks for itself.

But we are angered to think that we have been politically manipulated by a Senator who speaks out of both ends of his mouth.

If he wanted abortion reform, that's one thing. But to scapegoat the responsibility of his actions onto a hypothetical "vast majority" is a cop-out.

THE EASE with which Ballenger finds it possible to make claims for his constituents of such importance and without foundation is incredible and not to be forgotten.

In closing, the people may find it interesting to know just how the people did respond on the poll taken several years ago in regards to abortion on demand, for any reasons; yes 8.9 - no 6.4 - no opinion 84.7

This is the same abortion bill Sen. Ballenger voted "yes" on according to the wishes of so-called "vast majority".

Power politics

Rep. Douglas Trezise 87th District

When Senate Bill three, the abortion law reform measure, came to the House this week and was sent to the Committee on Social Services and Corrections, it brought to public attention a generally little-known fact.

I refer to the legislative power laid in the hands of one man—the Speaker of the House of Representatives.

Whether this is good or bad I suppose depends on whether you're in the majority or minority party, but the fact remains that the Speaker can influence and direct the course of legislation more than any other person.

By rule of the House, he appoints all standing committees. In so doing, he can select committees with a majority of the members not only of his party but of a particular leaning on certain key questions.

For instance, the Labor Committee on which I serve is made up of eight Democrats and five Republicans. Obviously, any labor legislation which comes before this committee is going to be considered from the viewpoint of organized labor, since all of the Democratic members are from metropolitan areas and

were elected with the support of labor organizations.

But, the Speaker's power goes further. He is also responsible for the assignment of specific bills as they are introduced to a committee for review and recommendation. Thus, he is free to send a piece of proposed legislation to any committee and can choose the one most likely to handle it in the manner he wants.

SO IT WAS WITH the abortion legislation, Senate Bill three. Speaker Ryan chose to send this bill to the Social Services and Corrections Committee, allegedly because that Committee is opposed to the passage of the bill by a 6-3 margin.

Mr. Ryan is known to be personally against this measure and his sending it to this particular committee could effectively kill it by not reporting it to the floor for action.

Efforts on the floor of the House to override the Speaker's decision and refer the bill to the public Health Committee were defeated. At a later date, we may see further parliamentary maneuvers to get this bill to the floor. The House, as a whole, can get the bill removed from the committee and bring it to the floor.

I personally feel that bills of this nature should not die in committee.

And the delay of committee action is not all bad. A short cooling-off period could well serve the interest of good legislation. For myself, I intend to use this time to evaluate the responses to two questions concerning abortion law changes which appear on my questionnaire.

One of these questions asks if you feel all abortion laws should be repealed. This is the strongest position on abortion reform ever proposed.

The second question concerns permitting abortion in cases involving rape and incest. This is a much more moderate position.

But, unfortunately, the bill which comes to the floor probably will not be either one of these precise positions. So, in reviewing the questionnaires for viewpoint on this subject, I will be trying to evaluate the responses in terms of the bill we will be voting on which will probably be in a position somewhere between the two questions.
