First hat in ring for Bath supervisor office

BATH—Carl R. Crofts of Bath announced Monday that he will seek the post of Bath Township supervisor in the June 12 special election.

The supervisor position was vacated in April when township voters went to the polls and recalled Duane Smith from the

CARL R. CROFTS

Infirmity patient fifth county victim

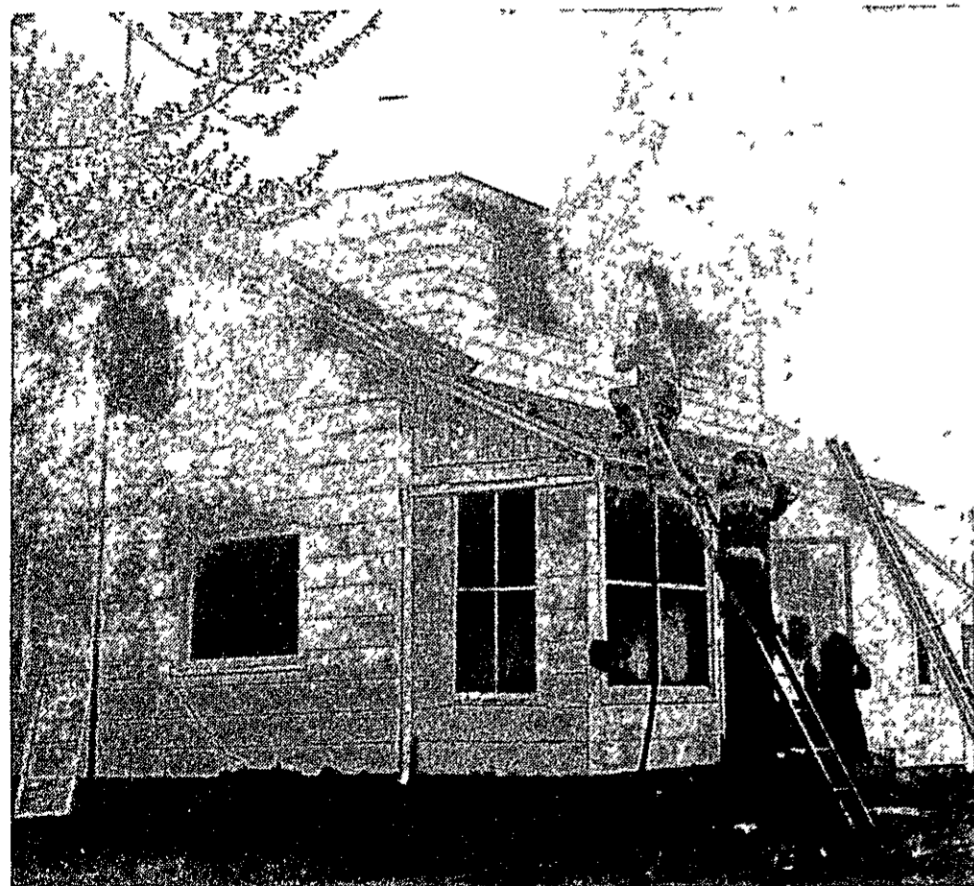

ST. JOHNS—A 59 year-old patient of the Clinton County Infirmity became the county's fifth traffic fatality Sunday night.

Marvin J. Salter died shortly after he was hit by a car driven by Andrea K. Mervah, 20, of Portland, as he was crossing US-27 north of Livingston Road.

Miss Mervah told police that she didn't see Salter walking down the road. No charges were brought against her.

Services for Mr. Salter will be at 1:30 p.m. today at the Osgood Funeral Home, with burial in Union Home Cemetery. Rev. Averill Carson will officiate.

Mr. Salter, born in Gratiot County March 22, 1912, was a resident of Michigan all his life. He is survived by his mother, Mrs. Genevieve Salter of Ovid; two brothers, Keyo of Flint and Forrest of St. Johns; and three sisters, Mrs. Orpha Hill of Cadillac, Mrs. Betty Purvis of Clare and Mrs. Ada Serviss of Ovid.

FIRE AND RAIN

St. Johns firemen saw both fire and rain Tuesday when they were called to a house fire at 504 Euclid St., St. Johns. It took several hours in the rain to halt the spreading flames inside the second story. Fire Chief Clare Maier said no official estimate of the damage would be released until the insurance investigators and fire marshalls inspect the home. The blaze was believed to have started by faulty wiring in the small frame house.

post. Crofts, a Democrat, said he had the endorsement of a group called "Citizens for Better Government," the same civic group that led efforts in recalling Smith. Crofts is a graduate of Lansing Eastern High School and a 1968 graduate of Lansing Business University where he studied accounting and business administration. Crofts is employed at Motor Wheel Corporation in Lansing.

Memorial observance

ST. JOHNS—The American Legion and Veterans of Foreign Wars will conduct Memorial Day services this year on Thursday May 27 instead of the traditional May 30 observance, it was announced Monday by Lloyd Peterson, group representative.

Richard Cornwell, parade marshal, said units will form on Railroad Street prior to the 6:30 p.m. starting time and proceed south on Clinton Avenue to the cemetery.

All veterans, including Vietnam veterans, have been invited to join in the services even if they are not attached to a veterans association.

Other organizations such as school units, Boy Scouts, Girl Scouts and Cub Scouts are invited, Cornwell said. He added that he hoped they would participate in the Memorial Day services.

Cornwell said that with Memorial Day officially being observed on Monday "it was the feeling that more people would be home on Thursday than Monday after a three-day holiday."

Editor's Note—This is the second in a series on the proposed millage question which will appear on the June 14 ballot for the St. Johns school district. The article was submitted by officials of the St. Johns Public Schools.

ST. JOHNS—The St. Johns Board of Education decided last night to ask the voters for a 2.5 mill increase in operating millage for a one year period. This is in accordance with Gov. Milliken's proposal that local districts will need to

EXCHANGE VISITORS

It was government exchange day throughout the state and county Monday, as cities, villages and counties swapped dignitaries for the day in connection with Michigan Week. Visitors to St. Johns were the Mayor of North Muskegon, William R. Andree (with gavel) and City Superintendent Roy Dagan, seated left and their wives. Guiding them on their tour of the city were St. Johns councilman Roy Ebert, standing, and councilwoman Jeanne Rand. In return, Mayor Robert Wood traveled to the "Port City."

Voters to decide 2.5 mill increase

bear the brunt of the increased cost of education for next year.

The Governor has said that the State of Michigan cannot help local districts who have financial problems until his tax reform proposals are adopted by the people and the legislature. These reforms cannot be adopted before the year 1972-73.

In reaching their decision, the Board points out that the District has been operating on the same millage for the past two years in spite of increasing costs because of inflation, the Supreme Court decision on free textbooks and supplies, increased enrollments because of the uncertainties concerning parochial, and a 3/4 percent reduction in total revenues.

All of these are items which the Board could not anticipate in the current school year budget. Consequently there will be a deficit of about \$100,000 at the close of this year.

The Board and staff have been carefully considering the present operation to see where savings could be made without curtailing the school program and still keep the increase at 2.5 mills which the Board is requesting.

The staff at both the junior and senior high schools believe that significant savings could be made by using aides in place of teachers for supervising study halls and cafeterias where no teaching is involved.

A CAREFUL REVIEW of the use of student cooperative workers, textbook and supply purchases, and capital outlay indicates that savings could be made here by curtailing these expenses for a year until better methods of school finance are available.

Normal custodial and maintenance activities can also be curtailed for a year. However these curtailments cannot continue indefinitely without increasing expenses.

The Board has asked the staff to keep

THE NEWS IN BRIEF

Annette Todorczuk was named Sunday to reign over the 1971 Soap Box Derby parade and race as the new Derby Day Queen. Her photo and story appear on page 4A, with a special salute to the Clinton County Derby workers.

St. Johns tennis coach Al Werbish is more than pleased with his young crew of netters this season. Instead of door-mats for the league, as is the fate of most rebuilding teams, the Redwing tennis players are swinging above the .500 mark and the future looks bright. See page 7A.

all spending for supplies, equipment and capital outlay at an absolute minimum.

Other items which were carefully reviewed by the staff include the purchase of magazines and periodicals, deferring textbook replacements except where absolutely necessary, the use of workbooks, and any changes in the school program which would save money.

The Board believes that they and the staff have very carefully evaluated the present program, and that a saving of approximately \$100,000 can thus be made. This is equivalent to 2 mills.

NEITHER IS ANY request being made for millage to retire the anticipated \$100,000

deficit at the end of the present year.

It is only because of the economies listed and the belief by the staff and Board that tax reform will be a reality by 1972-73 that the Board feels that they can operate with an increase of 2.5 mills, plus the expiring millage of 14.5 mills for a total of 17. It is also emphasized by the Board that the savings which they believe can be made will not curtail the school program as long as they do not need to be continued over a period of years.

The Board feels the increase is modest and reasonable and that a good program can be continued for the coming year. They enlist the support of the voters so that excellent education in St. Johns can continue.

SJHS plans arts festival

ST. JOHNS--The art, drama, and music departments of the St. Johns Public Schools are collaborating on the presentation of the first Fine Arts Festival May 24-27.

People from the surrounding area are invited to attend any, or all, of the four nights of activities being planned for the Festival. A variety of programs will be presented according to the following schedule:

Monday, May 24 - Rodney B. Wilson Junior High School; Tuesday, May 25 - St. Johns High School; Wednesday, May 26 - East Essex Elementary School and Riley Elementary School; Thursday, May 27 - St. Johns High School. The programs will begin at 7:30 p.m. each night.

Plans for the Fine Arts Festival currently include the work of students and teachers at all school levels involving excerpts from plays, dance improvisations, readings, and creative writing. The Music Department is preparing for performances by the bands, orchestra, and choir, as well as a piano recital, excerpts from the musical, "Guys and Dolls," and various solo performances.

An exhibition of student art work will be presented by the art department together with demonstrations by students in various art media, and areas of "art involvement."

The Fine Arts Festival is an excellent opportunity for the St. Johns' students to display their talents and for the community to explore some of the traditional and current cultural trends.

Although the program is scheduled for various schools on different nights, each night's activities will be different. Interested persons are encouraged to come to as many of the schools and performances as possible.

ANNETTE TODOSCIUK

Annette Todosciuk 1971 derby queen

Annette Todosciuk, daughter of Mr. and Mrs. Francis Todosciuk of Route 1, Elsie was named Soap Box Derby Queen Sunday.

The event, which is sponsored by the St. Johns Jaycee Auxiliary was held in the community room of the Central National Bank.

Annette was chosen from the winning essayist in the annual contest and other contestants included Debby Butler, daughter of Mr. and Mrs. William H. Butler of West French Road; Lynne Le-

Duke, daughter of Mrs. Noreen LeDuke of 207 West Buchanan and Julie Woodbury, daughter of Mr. and Mrs. Alan Woodbury of DeWitt Road.

The Queen and her court will ride on a float in the Soap Box Derby parade which takes place this Sunday, starting at 2:30 p.m.

Miss Todosciuk is a sixth grade student at Rodney B. Wilson Junior High School.

O-E zips Ithaca

OVID-ELSIE-The Marauders blanked Ithaca 6-0 for an easy win last week.

Pitcher Tom Hacklinski allowed only four hits and got five strikeouts.

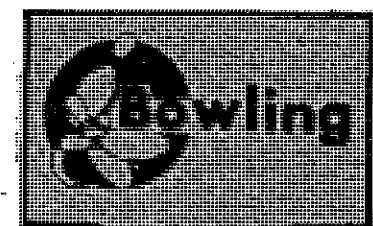

O-E started off in the first inning when Pete Garcia singled and rode home on a triple by Tony Fabus. In the third Bill Foran walked to first and moved to second on a wild pitch and scored on a hit by Hacklinski.

In the fifth, the Marauders began to move out. Hacklinski walked, Kurt Kristen singled and Hacklinski took third. Garcia hit a short fly ball to center field and Hacklinski was thrown out at home. Fabus and Norm Smith walked to load the bases. Mike Leslie then singled to score Kristen and Fabus.

In the sixth, Garcia was on third and made it home as Ithaca's relief pitcher Stan Howes committed a balk. Kristen singled and allowed Hacklinski to score, who had singled to get on base.

Those getting hits were Hacklinski and Bill Stapleton each splits 5-7; two singles; Fabus, a triple; Marguerite Gove, 5-7-9.

Garcia and Leslie, one single each.

Aylesworth cited for 4-H service

TRAVERSE CITY—John Aylesworth, 506 E. Cass, St. Johns, Michigan, was recognized here May 12 for his 15 years of service to young people in the 4-H program.

Aylesworth was cited during the Distinguished Service Banquet that is a regular feature of the annual spring seminar for Michigan 4-H youth agents.

The annual gathering of Cooperative Extension Service youth agents is held at a different location in the state each year. This year's seminar was held May 10-13 at the Park Place Hotel in Traverse City.

Redwings slip past Saxons

HASTINGS—The Redwings eked out another win Thursday from Lansing, Grand Rapids, Kalamazoo, Muskegon and Battle Creek.

Leading the Redwing victory was Brian Carpenter with a 42. He was followed by John Estes and Greg Lounds at 43 and Ken Schueller at 44.

The win kept the varsity alive in the conference race, but they would have to win their remaining contests plus take the top spot in the play on conference day.

The junior varsity didn't fare quite as well, losing a heart-breaker 188-190 to the Hastings JV's.

Bill Ploszak led the junior Redwings with a 45, followed by Mark Wawczyk and Tom French with 47 and Randy Devereaux at 51.

The junior squad took their first loss in two and one-half seasons. Before the match, the JV's had a string of 27 straight victories. The team will travel to Kalamazoo (Milham) Golf Course where they will compete with 27 other Class A squads

Werbish takes pride in young Redwings

By TIM YOUNKMAN
Editor

ST. JOHNS—It's tough for a coach to keep his mind on the current season during a rebuilding year. They usually find themselves looking ahead to big-

ger and better things once the team gets the experience needed to look a championship title in the eye.

But Al Werbish, St. Johns High School tennis coach, has a different outlook.

His young team, which has only one senior this season, is playing better than .500. And instead of being the league doormats, they have a solid shot at fourth place. Currently the netters have a 6-4 record overall and 3-2 in the conference.

"We have a very young team," Werbish said. The squad is loaded with sophomore and junior talent and the best records have come from a freshman, Bob Halmo (7-3) and doubles team Dan Mohnke-Mike Sutherland, both sophomores.

Tom Warstler, the lone senior on the team, has a 5-5 record and is the team's leader.

"He is really helpful," the coach said. "He's done a good job." Werbish added pointing to the record that included some very close matches with top contenders.

"He lost a conference match 7-5, 6-3, but played real well against Waverly who has one of the best individuals," Werbish said. "He got more games against Waverly than anyone in the league."

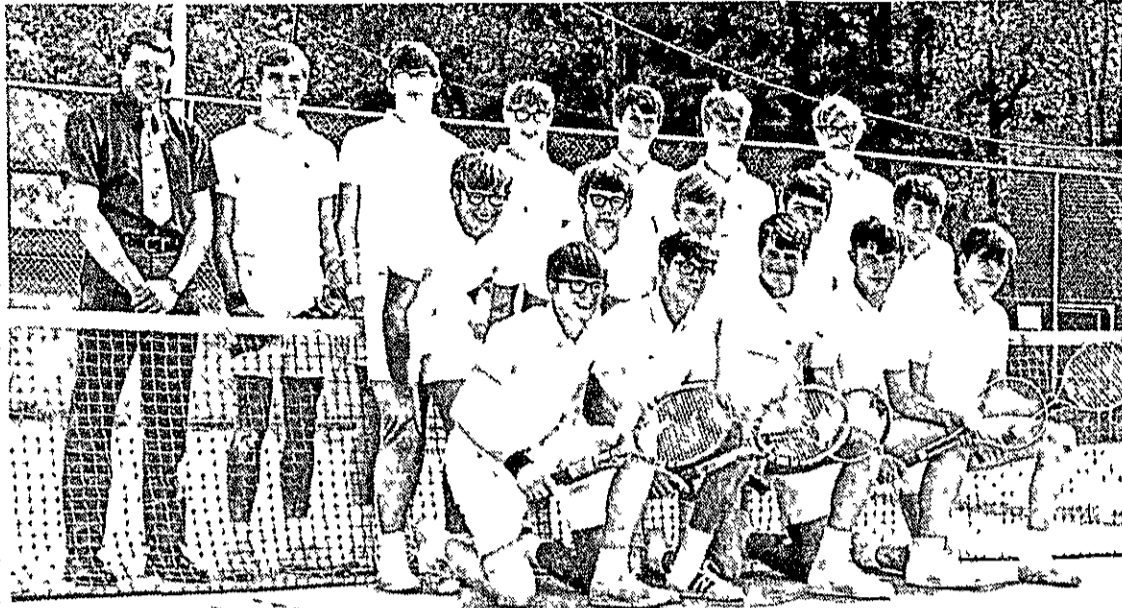

Members of the 1971 team include Warstler, Mike Grost (junior), Jeff Springer (junior), John Warstler (sophomore), Mark Jones (sophomore), Alex MacKinnon (sophomore) and Eddy finish in the loop.

Jorae (sophomore). Jack Henning (junior), Charlie Rehmann (sophomore), Mark Crosby (sophomore), Jim Barnes (sophomore), Chris Richards (freshman) and Mark Stephenson (junior).

The Redwings have defeated Lakewood (4-1), Owosso (4-3), Ionia (3-2), Ithaca (twice 5-0) and Grand Ledge (5-0). They also won two exhibition matches against Everett and Sexton in Lansing. They dropped matches with Holt, Waverly, Hastings and Mt. Pleasant, and placed sixth in the Waverly Invitational.

Werbish also plans a strong summer schedule to keep the team together and in shape. He said he will take them to several area high schools to play some of the top notch netters in the state.

"The summer could really help," he said when asked the outlook for next season. "We wouldn't promise a title. We could be a contender." It is all he would say, except to assure St. Johns fans of a first division finish in the loop.

1971 NETTERS

Al Werbish, St. Johns High School tennis coach, has been more than pleased with his team's performance this season. He has a young squad, with only one senior and a great deal of potential. Pictured are, from left first row, Mark Jones, Eddie Jorae, Charles Rehmann, Jeff Springer and Mark Stephenson. Middle row, Mark Crosby, Chris Richards, Bob Halmo, Jim Barnes and John Warstler. Third row, Dan Mohnke, Coach Werbish, Mike Sutherland, Jack Henning, Alex MacKinnon, Tom Warstler and Mike Grost.

Panther golfers roll Panthers score decisive quadrangular triumph

DEWITT--The DeWitt Panther golfers pushed past three tough contenders last week for three straight regular season wins and came in third in a field of 12 teams at Highland Hills here in the DeWitt Invitational.

Wednesday, the Panthers tripped Portland 161-188 with Dan Ruble picking up a 37, Chuck Berkimer came in with 41, Andy Cusack hit 40 and John Kranas had 43.

The day before, DeWitt took apart Laingsburg 158-172 at Pine Hills Country Club as Berkimer recorded a 37, Cusack a 39, Ruble 41 and Myron Hornby 42. In the invitational meet, Kranas led the team with the second lowest round of the tournament. He stroked an 82, which was the second time in a row that he has been in the top five spots in a tourney.

Earlier, on April 30, the Panthers smothered Ovid-Elsie at Highland Hills 170-190. Kranas led the field with 39, followed by Cusack at 42, Berkimer at 43 and Hornby with 46.

DEWITT --Panther power was evident here Wednesday, as the potent DeWitt track squad steamrolled over Pewamo-Westphalia, Portland St. Pats and Webberville taking first spot in 11 events and scored second in five others.

When the dust cleared, the Panthers had rolled up 107 1/2 points against Portland's 42 1/2, P.W.'s 35 and Webberville's 22. One of the highlights of the evening came in the high jump as DeWitt swept the first four spots. Tom Ashley led the field with a jump of 5-8, followed by teammates Steve Tews, Randy Sellhorn and Duane Shooltz.

Panthers placed first, second and fourth in the shot put competition as Larry Sanborn heaved the weight 50 1/2. Tom Ashley placed second and Chuck Gorman came in fourth.

Panthers also came one-two in the mile run and the low hurdles. Tom Reed finished his mile in 4:53.4, followed by a teammate, and Steve Tews hit 23.8 in the low hurdles.

QUADRANGULAR RESULTS

Exploration days

By JOHN AYLSWORTH

"Learning by Discovery" is the theme of the 1971 4-H Exploration Days program to be held June 29 - July 1 at Michigan State University. More than 4,000 youth from throughout Michigan are expected to participate in the program.

The youth have 65 different options to choose from in participating in an intensified project training workshop. Youth must be 12 years (4-H age) or older to participate in any one of the different options on June 29-30 where they will receive six and one half hours of intensive project training and instruction.

In the afternoons from 3-5 p.m. the following recreational activities such as swimming, golfing, tennis, softball, volleyball or dancing will be available for the youth to use.

In the evening, learning activities will be demonstrated such as Archery, Karate, Judo, Squash, Handball, Bowling, Folk Dancing, Synchronized Swimming, Weight-Lifting, Billiards, Square Dancing and then the youth will have the opportunity to try them out from 7 - 9:30 p.m. on Tuesday and Wednesday evening.

Leaders as well as 4-H members are urged to attend these training programs. Also a number of leaders seminars in crafts, entomology, family, foods, management and leadership will be held. Members are urged to turn

in their registration applications by May on their first, second, or third choice options they would like to attend. Total cost of meals and lodging for the three days is \$12 but if they drive back and forth each day the only cost would be their meals they ate during the sessions.

However whether they stay or not they must be registered for the option they plan to attend. For additional brochures and more information contact the County Extension office.

Clinton county 4-H'ers demonstrated a lot of talent with 20 acts in the 4-H Share the Fun Program May 7 at St. Johns High School. Five acts were selected to represent the county at the district event August 4 at St. Johns.

They were Lori Lounds, Nimble Fingers 4-H club doing a hard toe ballet; Denise Cerny, Nimble Fingers 4-H club doing an acrobatic dance; Greg & Jeff Hazle, Bengal Community 4-H club doing an instrumental with Lisa Bissell accompanying on the piano; Linda & Patricia McCrumb and Jean Miros, Eaglites 4-H club playing the accordions and The 4-H Cheerettes, Olive 4-H Projects club composed of Roxann Doak, Tammy Hunt, Shelly Wilkes, Luann Hopp, Patty Plaza and Delores Plaza doing a number of cheers.

All the groups did an excellent job in performing before the audience. The members are to be commended for a job well done. For many of them it was their first experience in the Talent Show.

THE JUNK CAR certificates are now available for groups to secure the car owners permission to remove the junk cars. The youth group will secure \$2 for every car they secure for this program. The money will be paid the group when the cars are crushed and the program is completed this summer.

The forms are available from the County Extension office or from the zoning office in the Courthouse. This will be an excellent program to beautify the community area by getting rid of those junk cars.

OFFICERS ELECTED in the summer 4-H program are urged to attend the 4-H Officers Training Workshop on Tuesday, May 25, 7:30 p.m. at the St. Johns Junior High School.

Adult resource people will be working with the officers on their duties and responsibilities as an officer in the local club and on parliamentary procedure.

THE BENGAL COMMUNITY 4-H members enrolled for the summer program with 35 members signed up. Officers elected are as follows: Jim Bappert, President; Jeff Hazle, Vice President; Linda Hoten, Secretary; Jane Vittek, Treasurer; Steve Harper, News Reporter; Diane Vittek & Stewart Hazle as Recreation Leaders.

The club had four entries in the 4-H Talent Contest May 7 and plan to have one softball team for the summer program.

THE SWINGING Bingham 4-H club was organized with 10 members enrolled. The officers elected are: Rita Kissane, President; Pauline Kissane, Vice President; Cindy Thornton, Secretary; Sonia Moriarty, Treasurer; Rod Thornton, News Reporter and Karen Casteel, Recreation Leader.

Seed packets were passed out to members who were interested in raising mammoth pumpkins and giant sunflowers for the county contest.

THE NIMBLE FINGERS 4-H club members will be holding an open house for their leaders Mr. and Mrs. Clyde Peck on June 27 at the Central National Bank Community Room in St. Johns. All present and past members of the Nimble Fingers 4-H club are invited to attend. Two members, Denise Cerny and Lori Lounds were winners of the 4-H Talent Show contest on May 7 at St. Johns High School.

The members elected Cheryl Bancroft as the new Treasurer and Denise Cerny as the new Recreation Leader. The 4-H Exploration Day program at Michigan State University June 29 - July 1 was discussed. Any member interested in attending 4-H camp this summer should contact the Extension office for brochures.

THE RIVERSIDE RIDERS 4-H members spent most of their meeting practicing for the 4-H Talent contest. The winter program members received certificates for their Vet Science project and trip award winners were announced.

Area lawmakers start action to ban poison

LANSING—Two area state representatives and a senator have combined forces to initiate action to ban the sale of strychnine in Michigan.

State Rep. Richard J. Allen (R-Ithaca) and Rep. Dale Warner (R-Eaton) were joined by Sen. William S. Ballenger (R-Ovid) to ban the deadly poisonous chemical.

Strychnine has been identified as the toxic agent in the recent rash of dog poisonings in the Eaton County area, especially Oneida Township and Grand Ledge.

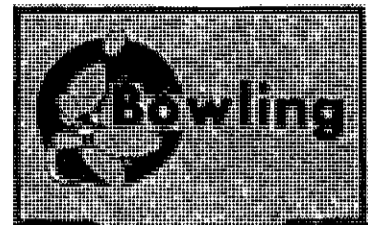

The manner in which this poison has been used has left many local residents fearful not only for their pets, but for their children," Allen said. "We believe the situation is serious enough to warrant removal of this substance from general availability."

The three legislators sent a joint letter to the Department of Agriculture requesting that the registration of strychnine be cancelled, thus making its sale illegal.

A meeting was set for May 14 with members of the department and representatives of Michigan State University, to discuss the cancellation proposal.

Rep. Allen said that in conversations with Dr. George Whitehead, the agriculture department's deputy director for consumer protection, he found

the department has already initiated action to resolve the question of availability of strychnine. Allen, Warner and Ballenger told officials they favor immediate cancellation of strychnine registration, and emergency measures in Eaton County and surrounding areas to stop the sale of the lethal poison.

Redwings defeat leaders

ST. JOHNS—The Wings defeated two league leaders last week to move up further in the league standings to about fourth place, according to Dick Kramer, team Statistician.

The Redwings, behind pitcher Jim Schumaker, blanked Waverly Tuesday 2-0.

Schumaker allowed only one hit, struck out 11 and allowed three walks. No Waverly player made it to third in the game.

The Wings two runs came in the third inning. Schumaker made it to first on an error, Larry Wakefield walked and Dennis Ballinger was safe at first on a dropped strike to load up the bases. Tom Rasdale hit a ground ball pass first allowing two runs in.

Those getting hits were Kevin Hayes (1), Ballinger (1), Rasdale (1) and Schumaker (1).

The Wings edged Grand Ledge, another league leader, in a close game Thursday, 5-4.

Bob Lewis pitched a good six innings, but started to falter in the seventh and was replaced by Schumaker, who was given the win.

The Wings started the scoring in the second inning. With two men on base on singles, Lewis batted in a runner from third on a fielders choice.

In the last of the sixth, Harte doubled, Rod Pasch walked, Bob Elliott sacrificed and Lewis singled allowing two runners to score.

The winning runs were in the seventh with Larry Hayes on first after a dropped strike and

then Ballinger tripled Hayes in for the tying run.

Harte was hit by a ball and got on base, then Pasch hit a ground ball allowing Ballinger to make the winning run.

According to Kramer, the Grand Ledge game was a pre-

district qualifying game. The Redwings will play Owosso in the district meet at the end of the month.

St. Johns is now 5-5 in the league and 6-6 overall. They will play Ionia here Tuesday and at Alma (6-3) there Thursday.

Grace Pearce

Elsie (c)—Funeral services for Mrs. Grace Pearce, 82, of Bannister were held Tuesday from the Carter Funeral Home in Elsie. Burial was made in Riverside Cemetery with the Rev. William Cox officiating.

Mrs. Pearce died Saturday at the Carson City Hospital following several weeks illness.

She was born August 6, 1888, in Fairfield Township, the daughter of Willis and Mina Fox. She and Don Pearce were married March 18, 1909 in Fairfield Township. He preceded her in death in 1952. She was a lifetime resident of Elsie except for the past seven years when she resided in Bannister.

She clerked in several Elsie stores and was a teacher and a former member of the Elsie School Board.

Survivors include; one daughter, Mrs. Wilmina Fike of Lansing; one sister, Mrs. Zora Randall of Lansing; five grandchildren and 11 great-grandchildren. One son, Homer preceded her in death.

Memorial contributions may be made to the Bannister United Methodist Church.

Funeral services were held Saturday, May 15 at the Houghton Chapel of the Osgood Funeral Homes Inc., Ovid with Rev. Richard Gleason officiating. Burial was in Wacousta Cemetery. Masonic services were held Friday evening at the funeral home.

He was born in Wacousta on June 2, 1888, the son of Augustus and Ella Wood and moved to Ovid in 1936. He had also lived in Laingsburg and Lansing. He and his wife, the former Bernice Parkinson, celebrated their 50th wedding anniversary in January.

He was a life member of Wacousta Lodge No. 359 and served three years in the Army during World War I.

Survivors include his wife; four daughters, Mrs. Ella Bancroft of Maple Rapids, Mrs. Myrtle Howarth of Ovid, Mrs. Emma Walters of Ovid, and Mrs. Lela Willard of Laingsburg; three sons, Joe of Spring Lake, N.C., Roy of Ovid and Dale of Fremont, Calif.; 28 grandchildren; five step-grandchildren and 20 great-grandchildren.

Rudolph M. Masarik Sr.

Rudolph M. Masarik, 89, of Route 6, St. Johns died Friday, May 14 and services were held at St. Joseph Catholic Church

in St. Johns on Monday. Burial was in Mt. Rest Cemetery with Osgood Funeral Home in charge of arrangements.

He was born in Czechoslovakia April 1, 1882 and came to the United States in 1908. He had been a resident of the St. Johns area for the past 30 years, moving from Gratiot County. He married the former Mary Chouaine in 1904 and was a member of St. Joseph Church.

Survivors include his wife; six sons, John of St. Johns, Louis of Jackson, August of Florida, Albert and Frank both of St. Johns and Joseph of California; five daughters, Mrs. Mary Samuel of Merrill, Mrs. Frances Schaub of Birmingham, Mrs. Margaret Pitcholls of Grand Rapids, Mrs. Velma Mucarski of Pontiac and Mrs. Anna Minnie of Fairhaven; 44 grandchildren; 75 great-grandchildren; one great-great-grandchild.

William Middaugh

Elsie (c)—Funeral services were held Wednesday for William Middaugh, 97, of 330 North Ovid St., Elsie from the Carter Funeral Home. The Rev. Elmer Courser officiated and was assisted by the Rev. David Litchfield.

Mr. Middaugh died at the Clinton Memorial Hospital as a result of a fractured hip sustained a week ago.

He was born February 19, 1874 in Bad Axe, the son of William and Kate Middaugh. He and the former Mary Manson were married August 16, 1911 in Harbor Beach and resided in Elsie for the past 29 years. He was a member of the Free Methodist Church for the past 50 years and a religious assistant.

Mr. Middaugh is survived by his widow and several nieces and nephews.

The family suggests the memorial gifts be given to the American Bible Society.

Burton B. Clise

Burton B. Clise, 90, former Lansing resident, died Monday, May 10 in Sarasota, Fla.

Graveside service was conducted by Rev. Meinte Schuurmans of Christ United Methodist Church of Lansing at 2:30 p.m. Thursday, May 13 at Pleasant Hill Cemetery. Funeral arrangements were made by Estes-Leadley Funeral Home in Lansing.

He was a former Lansing and Bath resident and had at one time been employed at Lykes Brothers Steamship Company in Havana, Cuba, retiring in 1960. He was a member of Lykes Brothers' Quarter Century Club.

Survivors include one nephew, Darwin M. Clise of Bath; one niece, Mrs. A.W. Searles of Dearborn; five great-nephews and nieces.

Bloodmobile scheduled for DeWitt area

DeWITT—Another Red Cross bloodmobile donor drive will be held Thursday in the DeWitt Memorial Building between 12 noon and 6 p.m.

Officials have requested that as many area residents as possible sign up as donors to insure the success of the current campaign. Successful drives were recently held in Fowler and St. Johns.

Open Letter from VAN W. HOAG

Dear friends,

Many clergymen and doctors, while attending the dying, have reported seeing the apparition of the spirit leaving the body at death. Many survivors have reported the momentary appearance of the spirit of a loved one at the moment of death. If these marvels were more generally known, the doubting Thomas would find greater conviction in the resurrection of Christ and of our own promised resurrection which we celebrate this glorious Easter Season.

Sincerely,

Van W. Hoag

MR. AND MRS. FOSTER WILLIAMS

Celebrate anniversary

Mr. and Mrs. Foster Williams of rural St. Johns will be honored at an open house in celebration of their 50th wedding anniversary.

The event will be held at the West Pilgrim United Methodist Church, corner of Grove and Parks Road, on Sunday, May 30 from 2 to 5 p.m.

Hosts for the occasion will be their children and grandchildren, Mr. and Mrs. Malcolm D. Williams and children of Minden City, Mr. and Mrs. Howard A.

Williams and family of St. Johns and Rev. and Mrs. Myron K. Williams and family of Vicksburg.

Mr. Williams and the former Hilda Brown were married on May 29, 1921 by the late Rev. George W. Plews and have lived in the St. Johns area all their married life.

Friends and relatives are invited to attend the open house and it is requested that there be no gifts.

Republican women plan Shiawassee tour

OWOSSO—The Shiawassee County Republican Women's Club has organized a gala event for May 27 that combines a tour of seven gardens with a tea, flower mart, boutique and bake sale, and extends an invitation to all women in the area to attend.

On sale that day will be an assortment of potted garden plants at special prices, flower arrangements and garden clothes including hats and patchwork skirts.

The seven gardens chosen for the tour combine a variety of plants, shrubs and flowers in different settings. Several of the gardens are combined with swimming pools. One covered pool has been set up with a tropical garden atmosphere, another is set in a French theme and there is an English styled garden.

Mrs. Joseph Woodard of Owosso is chairman of the festivity which is to start at 1:30 p.m. Tour enthusiasts may begin the tour at any point following a route of their own choice. Tickets may

be purchased at any stop.

With the exception of one, the gardens are in Owosso. You can plan your tour around these: Mr. and Mrs. William Mitchell, North Kerby Road, Corunna, where a flower mart will be held; Mrs. James Douglas, 1311 North Washington Street, garden tools; Mr. and Mrs. Norman Henry, 603 Clark Street, bake sale; Dr. and Mrs. Robert Clifford, 1111 West King Street (entrance on 7th Street) scene of the boutique; Mr. and Mrs. Erwin Melars, Jr., 1402 Buckley Drive, basket sale; Mr. and Mrs. Norman VanEpps, 1406 Buckley Drive, paper flowers; and the tea setting in the garden of Mrs. Alvin M. Bentley, 801 West Oliver Street.

In case of rain, WOAP Owosso Radio station will carry announcements prior to the noon news cast in case of postponement to the following day. If it rains in the morning but the prediction is good for the afternoon the event will be held as scheduled.

Leche group forms in Clinton County

The newly organized Clinton County Group of La Leche League will hold its first meeting on Monday, May 24 at 8 p.m. at the home of Mrs. Dale Blizard. The name, La Leche, is Spanish and means "the milk". A non-sectarian, non-profit organization, the League's purpose is to help encourage "good mothering through breastfeeding".

The group will meet the fourth Monday of each month. A series of four meetings will discuss, informally, different phases of breastfeeding. Topic for first meeting is "Advantages of Breastfeeding to Mother and Child." Discussion leader will be Mrs. Dale Blizard.

All women who are interested in nursing their babies are invited as are their babies. You need not be pregnant or even

have a family to attend. If you are a wife and hope some day to have children, if you are a grandmother, if you are interested, you are welcome.

La Leche League began in a Chicago suburb fourteen years ago, when one mother who had successfully nursed her baby, helped another who wanted to breastfeed.

This is still the basic approach, although the League is now international in scope, with more than 1,000 groups helping women in the United States, Canada, and twelve foreign countries.

For further information about the new Clinton County La Leche League group, contact Mrs. Dale Blizard, 9476 Norris Road, DeWitt, 689-9522.

Purpose of the meeting is to select a Bishop Coadjutor, who will succeed the Right Reverend Richard Emerich, when he retires in a few years as Bishop of the Michigan Diocese. A Bishop is the ecclesiastical authority of a diocese.

Mr. Dellar and Mr. Morriss are Senior and Junior Wardens, respectively, of St. John's Church.

Open house Multimedia first aid course being held

Arthur Wirth will be honored on his 90th birthday Sunday, May 23 at an open house from 2 to 5 p.m. at St. Mary's Hall in Westphalia.

A Mass will be offered in his honor at 10 a.m. at St. Mary's Catholic Church.

Hosting the open house will be his children, Mrs. Esther Schafer of Pewamo, Mr. and Mrs. William Wirth of Portland, Mr. and Mrs. Louis Wirth of Fowler, Mr. and Mrs. Julius Wirth of Lansing, Mr. and Mrs. Herman Wirth of St. Johns, Robert Wirth of Westphalia, Agnes Wirth of Lansing, Mr. and Mrs. Charles Wirth of Eagle, Mr. and Mrs. Charles Spitzley of Lansing, Mr. and Mrs. Anthony Wirth of Portland and Mr. and Mrs. Joseph Andrus of Middleton.

First aid classes are in progress at the rural home of Doris Prowant, an authorized instructor in the Red Cross multimedia method of first aid. The classroom is in the basement of her home at 3330 North US-27, about two miles north of St. Johns.

A daily eight-hour course is being taught to industrial personnel, service and church groups as well as the general public.

There is no charge for the course except \$3.50 for books, which include, four workbooks and one first aid manual.

Artificial respiration, wounds and shock, poisoning, burns, ill effects of heat and cold, bandaging, immobilization and rescue and transfer techniques are being taught.

Instruction includes film strips, practice sessions and workbook lessons with a final written test at the end of the course. After passing the test, participants are issued Red Cross certificates.

The multimedia first aid course was produced by Bell Telephone for the American Red Cross and can be completed in one eight-hour day.

There are open dates available for any interested persons wanting to join a class. Students who are 14 or who have completed the eighth grade are also welcome. Women should wear slacks. Bring a sack lunch as only a half-hour can be allowed at noon. Refreshments for coffee breaks are being supplied by the Double N Extension Club.

MEETINGS

ST. JOHNS (c)—30 members of the Michigan Huguenot Society gathered in St. Johns Sunday for a meeting held at the First Congregational Church. Following the morning worship service, a business session took place, with the president, Maralyse Brooks, presiding. A one p.m. dinner was served in Wilcox Hall by the Linda Scott Division of the church.

Mrs. Manning Bross, Librarian of Bement Public Library and a guest of the group, reviewed the historical novel, "The Anthem", by Noel Gerson. The book spans a period of almost 400 years, tracing the activities of a French Huguenot family from the time of Henry of Navarre and the proclamation of the Edict of Nantes, up to the 1960's.

The Huguenot Society, which is national in scope, is composed of men and women who trace their ancestry back to early French Protestants.

Members attended the meeting from Detroit, Dearborn, Jackson, Marshall.

Miss Brooks and her mother, Mrs. George H. Brooks, attended the National Congress of the Society in Washington, D.C., in April.

MORE THAN SIX months of planning, working and hoping will end Sunday. Following a parade the 1971 Soap Box Derby racers will test their gravity cars in competition. More than 80 boys will be involved this year and regardless of who has the fastest time... in our book, they all are winners. And so are the men who give freely of their time... to help, plan and work long hours to make the Derby the success it is.

DEAN HARDWARE is having a paint sale... and it is a dandy. If you're planning to paint now is the time to get what you need. This is one issue we are NOT going to show the Big M. For the last few years she has threatened... pleaded and begged on hands and knees for us to get the paint and get busy.

We have been hard pressed to keep coming up with excuses as to why we can't right now but will very shortly.

Oh well, at those prices we can't afford not to get the paint now... and if we play our cards right we'll tell her it's her anniversary present... and unless SHE uses it we'll never get her another.

Rivest receives Kelley scholarship

OVID-ELSIE—Gary L. Rivest has been chosen the first recipient of the newly created Jack E. Kelley Memorial Scholarship at Ovid-Elsie high school.

Rivest, son of Mr. and Mrs. Max Rivest, R-1 Ovid, will be attending Central Michigan University at Mt. Pleasant in the fall.

The scholarship was founded in memory of Jack E. Kelley, an ardent area sports fan and a man who received "deep satisfaction from assisting young people in athletics and persistently encouraged them to pursue higher education," according to school officials.

The fund was established through the efforts of Kelley's family. Supporters of the scholarship fund were Tulsa Oil Company, Kelley's former employer, the Elsie Lions Club and family friends.

Rivest is a member of the Ovid-Elsie National Honor Society, president of the senior class and a member of the Varsity club. He has played football and baseball for four years and basketball for two years. He also served as manager in the summer athletic program for youth of the Ovid area.

He plans to study secondary education and athletic coaching at CMU.

GRACE COOK

meet Clinton National's Laingsburg assistant cashier

Crocheting, reading instructing primary Sunday school classes are activities which Grace tells us she enjoys outside her work.

We don't always see the results of her efforts along these lines, but judging from her record as assistant cashier in our Laingsburg office, we know little is overlooked.

Grace has been in banking since August 1959 and few in the Laingsburg area have not worked with her when visiting our office. Her experience has

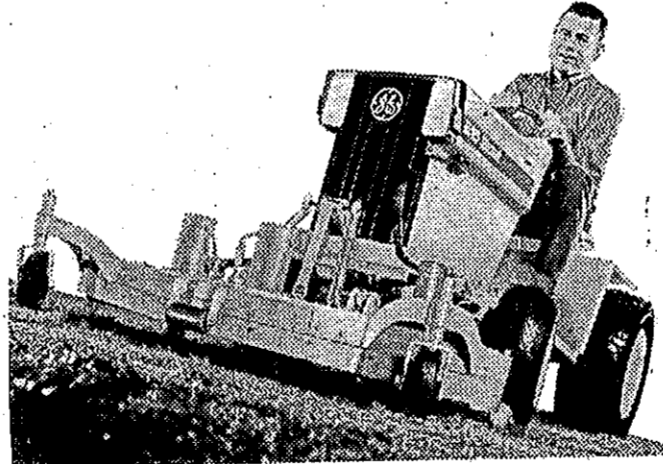

allowed her to become fully familiar with ways in which to further assist Clinton National Bank customers and this, we think you'll agree, is a mark of interest and concern.

Grace graduated from high school at Rodney B. Wilson in St. Johns but she and husband Bernard are long-time Laingsburg residents. They have one son, Bernard Lee, a freshman at Olivet Nazarene College in Kankakee, Ill. and two daughters who attend Laingsburg High School. Ruby is a senior and Ruth, a freshman.

FFA teams win excellent rating

EAST LANSING—Two St. Johns FFA teams have been rated "excellent" in state agricultural skills competition at Michigan State University, it was announced last week.

The two teams participated in the land judging and livestock judging competition.

The livestock team consisted of Ted Ashley, John Castle and Paul Lerg, while Dennis Smith, Dan Cuthbert and Bruce Seyfried were members of the land judging team.

The St. Johns teams were named the best teams in the state with the highest scores and team members received gold ratings for their efforts.

The livestock judging team scored 952 points, of a total 1,050 possible score, and out-distanced their nearest competitors by 22 points. Dansville came in second with 930. In the land judging competition, St. Johns won with 885 points leading the second place team by 75 points.

Teams from St. Johns and Ovid-Elsie will join four other state schools representing Michigan in various FFA events. St. Johns' livestock judging team will participate and Ovid-Elsie will send a meat judging team. Others entered are Carson City, two teams from South Lyon and Holland-West Ottawa.

NEW INTERNATIONAL 990 MOWER CONDITIONER
Greater capacity... Operates with less power... Requires less adjustment... than any other mower conditioner
Operate in heavy hay or sudax a gear faster. Full-width conditioning rolls eliminate dead spots that waste power. And you'll find there's no power loss due to side draft on hillsides or on the level.
You get increased capacity because larger diameter 44-inch reel is less affected by changing crop conditions. And, the unique position of the reel bats holds the crop flat so it feeds through the conditioning rolls, without hesitation. What's more, controlled platform float and self-compensating roll pressure lets you move from field to field, crop to crop and rarely ever readjust the 990.

Here's a tip for you other soybean growers...

Lasso plus Lorox tank mix is your best bet for great weed control!

Just tank mix Lasso liquid from Monsanto, with Lorox 50W for broad spectrum control. Yes sir, Lasso plus Lorox gets grasses such as the Foxtails, Crabgrass and Fall Panicum, and tough broadleaves like Pigweed, Buttonweed, Ragweed, Smartweed and Lambsquarters.

Lasso EC plus Lorox has proven to be the ideal broad spectrum weed control combination for soybeans in the Midwest. If you used Lasso before, you know how well it works. Now get even better grass and broadleaf control with a Lasso plus Lorox tank mixture. It could be one of your wisest decisions this year for higher soybean yields and better profits.

For the correct ratio of Lasso to Lorox best suited to your soil and crop, see your Farm Chemical Supplier now. Ask him for one of the Lasso handy rate and application booklets.

Washington Reports

Phone bank

Rep. U.S. Garry Brown 3rd. Congressional Dist.

WASHINGTON, D.C.—The following summarizes floor action in Congress last week and scheduled action this week.

Last Week in the House: Rural Telephone Bank: The House accepted a Conference Report on an amendment to the Rural Electrification Act of 1936 which will provide an additional source of financing for the rural telephone program. The measure now goes to the White House. Passport Applications: By a 240 to 124 vote, the House authorized the U.S. Postal Service to take applications for passports and receive a \$2 fee for such service. The legislation was urged because of current congestion in the handling of passport requests come in spring and summer when the Post Office is experiencing its lightest work seasons. The Senate has already approved the measure; it now goes to the White House.

Small Business Administration: The House approved a Senate passed bill to increase the outstanding loan ceiling of the Small Business Administration (SBA) from \$2.2 to \$3.1 billion. The bill was an emergency measure and had unanimous Committee support.

Presently, the SBA can make loans up to \$2.2 billion. When it reaches that ceiling—as it is expected to do shortly—it cannot loan additional funds until loan repayments bring the fund back down below the ceiling. This legislation, which is expected to enable the SBA to continue lending and guarantee programs through this and the next fiscal year, now goes to the White House.

PRESIDENTIAL Reorganization Plans: The House extended to April of 1973 provisions of the Reorganization Act of 1949. Under the Act, the President can submit to Congress reorganization plans that may transfer, consolidate or abolish Federal executive agencies and functions. Such plans become law unless within 60 days either the House or the Senate passes a resolution of disapproval.

Other Legislation: House refused to authorize travel funds to Education and Labor Committee for investigative purposes overseas approved a periodic

pro rata distribution among the states of unclaimed Postal Savings System deposits.

Last Week in the Senate: Marihuana and Drug Abuse: The Senate passed a House approved bill to increase authorizations for the Commission on Marihuana and Drug Abuse. The measure now goes to the White House.

Military Dependent's Care: The Senate approved and sent to the House a bill to provide special health care benefits for certain surviving military dependents who are physically or mentally handicapped.

The Draft: The Senate began consideration of the House approved amendments to the Selective Service Act which extend the act two years and greatly increase the pay of first term servicemen.

Presidential Message—Legal Services: The Congress received a Presidential message recommending termination of present legal aid services within the Office of Economic Opportunity (OEO) and creation of a separate, nonprofit legal services corporation for the poor. The primary purpose: to remove the program from political pressures.

This Week in the House: District Day: Monday is District Day in the House, that is, a legislative day set aside solely for the consideration of matters pertaining to the government of the District of Columbia. Major Legislation to be Considered During the Remainder of the Week: Emergency Employment Act of 1971.

Soil stewardship week materials available

ST. JOHNS—Soil Stewardship Week, a nationwide observance which places emphasis on man's obligation to God as stewards of the soil, water, and other related resources, will be observed locally, May 16-23, according to Stanley Baird, chairman, Clinton County Soil Conservation District.

"The World and They That Dwell Therein," the theme of this year's observance, underscores the responsibility which each citizen has in fulfilling his or her role as caretaker of the realm.

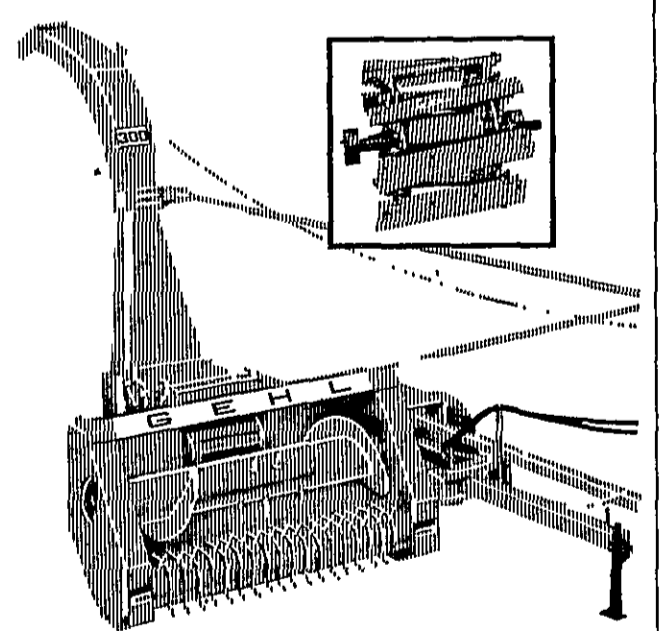

The Clinton County Soil Conservation District and some 3,000 companion districts throughout the nation along with their State and National Associations are sponsoring the event for the 17th consecutive year.

Among the local events designed to encourage widespread recognition of Soil Stewardship Week are special services in various churches.

THE CLINTON County Soil Conservation District will distribute upon request to churches of all faiths program blanks, and bulletin inserts created particularly for this year's observance.

The materials were prepared by the National Association of Conservation Districts, in consultation with a Soil Stewardship Advisory Committee composed of leading church men in the nation.

The committee consists of the Rt. Rev. John George Weber, National Catholic Rural Life Conference; the Rev. Harold S. Huff, Methodist Church; the Rev. Henry A. McCanna, Town & Country Church; Dr. C. Wilson Brumley, Southern Baptist Convention; and Osgood Magnuson,

LANSING—Michigan's Natural Resources Commission, at its May 13-14 meeting in Lansing, will be asked to give tentative approval to a new policy covering oil and gas drilling permits which is designed to protect values of both public and private lands from "unnecessary damage or destruction."

The new policy, as drafted by Department of Natural Resources officials, calls for applying, "in the broadest sense," a recent Attorney General's opinion, which was sought to clarify the legal powers of the Commission and the State Supervisor of Wells to deny drilling permits for leased lands when and where environmental values are at stake.

That interpretation was requested after the Commission last October ordered the Supervisor of Wells to suspend the issuance of oil and gas drilling permits covering leased state-owned lands above Townline 30 North in Alpena, Montmorency, and Otsego counties and Townline 29 North in Antrim County.

The freeze order, involving northern Michigan's primary elk range and the scenic Jordan River Valley area, reflected the concern of both Gov. Milliken and the Commission over "potential environmental intrusion," which oil and gas operations might cause in those two sectors of the state.

On the central question raised by that action, the Attorney General has advised that permits can be denied if, in the judgment of the Commission or Supervisor of Wells, "drilling will cause unnecessary damage to, or destruction of, the surface, soils, animal, fish, or aquatic life or property within the state."

The Attorney General's recent opinion holds that drilling permits may also be withheld if there is evidence that oil and gas operations will cause "unreasonable molestation, spoliation or destruction" of state-owned lands under the Commission's jurisdiction and control.

In line with this legal advice, the DNR is recommending guidelines, which among other things, would authorize the Supervisor of Wells to deny drilling permits if he finds that oil and gas operations cannot be conducted without threatening or causing serious or unnecessary damage to the surface, soils, animal, fish or aquatic life or property.

Another protective provision of the policy would call for the Supervisor of Wells to specify restrictions and operational procedures for oil and gas activities when such measures are seen necessary to minimize possible damage.

This safeguard and the one involving the actual denial of drilling permits would cover both public and private lands, including those already under lease.

In the case of state-owned lands, the DNR is recommending that the Commission or its Director be empowered to impose additional regulations when the terms of leases give them such authority.

In reviewing all permit applications on an individual basis, DNR personnel at field and staff levels would take into full account whether drilling operations would cause unnecessary destruction of any area's surface, soils, wildlife, fish, or aquatic life.

Where state-owned lands are involved, they would also recommend denial of permits if it appeared to them that drilling operations would require new road building, pipeline installations, or such other developments which would "unreasonably" spoil or destroy these public holdings.

Pending Commission action on the policy next week, the DNR

The Cherub Choir of the Bannister United Methodist Church held their last practice this past week. They will resume practices in the fall. Following practice, refreshments were served to the little people by their directors, Mrs. Donald Hinkley, Mrs. Kenneth Swanson and Mrs. Robert Valentine.

A birthday dinner was held recently at the home of Mr. and Mrs. Arthur Krueger honoring Mr. Krueger's birthday and two of his granddaughters, Jo Jean Oberltner and Sandra Conrad. Other guests were Mr. and Mrs. Richard Conrad and family of Vernon, Mr. and Mrs. Kenneth Bradley and family of rural Ashley and Mr. and Mrs. Alton Oberltner and daughters.

Many from this area attended the production of "Cinderella" at the Ovid-Elsie High School on Friday and Saturday evenings.

plans to air its provisions May 25 at a public hearing in Lansing. The Commission's final approval of the policy will be sought at its June 11 meeting at Boyne Falls.

Jointly with that action, the Commission will be asked to lift its moratorium on issuing drilling permits for state lands in those areas of Alpena, Montmorency, Otsego, and Antrim counties already mentioned.

Wheat marketing program produces record payment

A record high 40.4 cents per bushel final payment has been received by members who participated in the 1970 crop Farm Bureau Wheat Marketing Program. These members have recently received advance payments at harvest time that were as high as \$1.15 1/2 in one area of the state.

The state-wide advance payment was about \$1.10 per bushel and varied according to the freight rate zone of the participating cooperative elevator that handled the wheat.

The total net return per bushel received by members for their wheat consigned to the program was substantially above what producers who sold at harvest time received. Participating members also fared better than many other growers who sold later in the marketing year after attempting to outguess the market and paying for storage and other costs of holding their wheat.

With the completion of 1970 crop wheat sales, the Farm Bureau Wheat Marketing Program undoubtedly experienced its

most successful marketing year since the program was started in 1967.

The previous record high net returns to members for 1969 crop wheat, the advance payment was 7 cents per bushel higher and the final settlement was 15 cents per bushel for the 1970 crop.

MARKETING OF THE program wheat was conducted by the Grain Department of the Michigan Elevator Exchange. The Michigan Farm Bureau Soft Wheat Advisory Committee, comprised of

11 wheat producers, advised on the operation of the program and the marketing of program wheat. Local cooperative elevators and the Michigan Elevator Exchange terminals received wheat from participating producers.

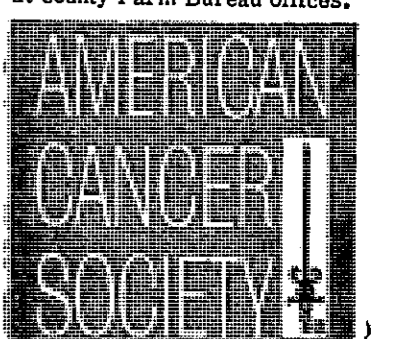

The Farm Bureau Wheat Marketing Program will again serve members in marketing their 1971 wheat crop. The program will operate very similar to the 1970 crop program. All members who have signed program agreements during the past four years will

be eligible to participate in the program.

They will have the options of consigning all, a portion, or none of their wheat to the program when their wheat crosses the scales at the local cooperative elevator. Members wishing to participate in the program for the first time must sign a program agreement.

Plans are being developed for the 1971 crop program. Advance payment rates will be announced immediately prior to the start of harvest. Information about the

program will be available at local cooperative elevators and at county Farm Bureau offices.

AGRICULTURE IN ACTION

by GARY A. KLEINHENN MICHIGAN FARM BUREAU

Recently, Dr. Norman Borlaug won the Nobel Peace Prize because of his work in increasing food production in under developed lands.

As an agriculturist and humanitarian, Dr. Borlaug believes that we must use to the fullest all of the tools of food production, including chemical tools, if we are to conquer world hunger.

We need to continue the improvement of our agricultural production, and I say it broadly, fertilizers and pesticides.

"I'm sure that we can do a lot to correct this, but it doesn't at all come from chemical fertilizers. What about sewage and the industrial waste? What about pollution of the environment—the smog, industrial and automotive? We have to, and must do something about it because of the way that this is all evolving, and I am sure we can.

Trees are many things to many people. People plant trees for a variety of reasons including beautification and more pleasant surroundings. Have you ever stopped to think why trees make our surroundings more pleasant?

Following are some benefits from trees you may not have thought about before that appeared in a recent issue of the Annual Extra Edition of the Marshall Rotary Fountain, published by the Marshall Rotary Club.

In some areas the waste particles of polluted air give a greenhouse effect and the air temperature may be 20 degrees higher than in nearby rural areas. Trees also act as air filters and trap many of these waste particles.

On an acre base in this area with soils capable of producing 10 tons of wood, this means converting 15 tons of carbon dioxide to 11 tons of oxygen. Only the leaves of chlorophyll-bearing plants have the ability to convert carbon dioxide to oxygen and make life possible for other organisms on earth.

TREES COOL—The daily evaporation of a single well watered tree can produce an estimated cooling effect of more than a million BTU's. This is equal to ten one-room air conditioners operating 20 hours per day.

TREES REDUCE POLLUTION—Trees absorb polluted air and emit air that is not only richer in oxygen but also somewhat freer of pollutants. The growth of one ton of wood absorbs 1.5 tons of carbon dioxide and releases 1.1 tons of oxygen.

TREES PROTECT FROM WIND—Trees planted as a windbreak will provide full protection downwind for 10 times their height, and some protection at 20 times. For example, a windbreak 35 feet high will reduce a 35 mile per hour wind to 10 MPH at 100 feet in the lee and it will only have built up to 15 MPH at 200 feet in the lee.

The Clinton County Soil Conservation District has eight varieties of evergreen seedlings available for 1971 spring planting. All are adapted to Clinton County conditions and suitable for beautification, erosion, control, shelterbelts, windbreaks, wildlife plantings, hedgerow plantings, and recreational planting use.

Village of Maple Rapids Council Meeting Maple Rapids, Mich.

The regular meeting of April 7 and two special meetings were read and approved as read.

President Abbott read letters from Attorney Wood stating that Ashland Street at east end of town north of Main Street is private property having never been turned over to the Village. He advised the council not to do any work on this property.

President Abbott also read the financial report from the Library Board also a form from the Michigan State Police on emergency services and forms to be filled out.

The special meeting of April 19, Mr. Raymond Stauder, our financial consultant for the Sewage system was present with recommendations for setting up sewer hook-up units. It was voted that direct tap in fee would be reduced from \$1,200, to \$1,000, with installments over 13 years or reduce the monthly charge from \$5. to \$3.50. Also tap in time was extended from 90 days to 180 days from completion of project.

Dale Chapman from D.P.W. was present and made a few comments on the sewer project.

At the special meeting on April 29, Attorney Wood was present to present Ordinance 37 which is an Amendment to Sewer Ordinance number 30. All of the points set forth at the last meeting were included. It was voted to accept Ordinance 39 with the added change of late tap in fee charge from \$1,450, to \$1,250.

After a discussion about a Health Ordinance, which Attorney Wood said he would prepare, the meeting adjourned. MAXINE L. FLOATE Village Clerk.

The ability to get along with others goes a long way in helping others get along.

Commission Proceedings

TUESDAY, February 2, 1971

The Clinton County Board of Commissioners met Tuesday, February 2, 1971 at 9:00 a.m. Prayer was offered by Maurice Gove. A Pledge of Allegiance was given to the flag. Roll was called and a quorum reported. Present were Andrew Cobb, Walter Nobis, Maurice Gove, Robert Dimer, Duane Chamberlain, Claude Underhill, William Hufnagel, Robert Montgomery, Gerald Lanford, Roy Andrews and Gerald Shepard.

Minutes of the January 20th meeting were presented. It was moved by Dimer, supported by Nobis, to approve the minutes as presented. Voted and carried.

A communication from the Clinton County Association of Assessing Officers was read and the following resolution was presented: "That we, this association do oppose having the Clinton County Board of Commissioners attempt to bring the question of Clinton County joining the Airport Authority before the voters of Clinton County, prior to the next general election."

The Airport Authority Committee will draft a suitable reply to the letter. Chairman Shepard appointed Walter Nobis as an additional member of the Airport Authority Committee.

The Board recessed for committee meetings at 9:30 p.m. Upon again coming to order, discussion of the Airport Authority continued.

A resolution from Cass County pertaining to the 15 mill limitation was read. Discussion followed. It was moved by Nobis, supported by Andrews, to receive the resolution and place on file. Voted and carried. Herman Openlander, Chairman of the County Assessor's Association appeared and briefly expressed the association's viewpoint on the Airport Authority question. They will meet again February 9th and the Airport Authority Committee will plan to attend the meeting.

Mr. Openlander stated that the Board's of Review meeting will be held Wednesday, February 10th at Smith Hall from 9:00 a.m. to 12:00.

DALE R. CHAPMAN
 Clinton County Drain Commissioner

Circuit Court Judge, Leo W. Corkin appeared and reported on the Circuit Court activities. He answered questions concerning court procedures. It was moved by Dittmer, supported by Nobis, to accept the report and place on file. Voted and Carried.

TO THE CLINTON COUNTY COMMISSIONERS

Gentlemen:
 I herewith submit a brief report of the business of the Circuit Court for 1971. In order that a true picture of the case load be given the figures for Gratiot County are given.

The year commenced in Clinton County with 335 pending cases. In the course of the year 353 new cases were filed and the year ended with 357 pending cases. A breakdown of the cases commenced is as follows:

Appeals from District Court	8
Criminal Cases	64
Automobile Negligence	28
Divorce	177
Other Civil Cases	86

In Gratiot County the year started with 320 pending cases and closed with 315. In the course of the year 307 new cases were commenced.

Thus the total caseload is entering the 700 to 750 range. As might be expected, the Clinton County caseload is increasing at a more rapid rate than the Gratiot County load and this trend will, no doubt, become more pronounced as time goes on.

Due to increasing case load we are trying to introduce new systems to keep better track of each case so that trials can be had as expeditiously as possible.

Respectfully submitted,
 LEO W. CORKIN

Friend of the Court, Agnes Danley presented the Annual Report of that office. It was moved by Lankford, supported by Gove, to accept the report and to place on file. Voted and carried.

1970 ANNUAL REPORT FRIEND OF THE COURT 29th JUDICIAL CIRCUIT FOR THE COUNTY OF CLINTON

FOR THE CLINTON COUNTY BOARD OF COMMISSIONERS INVESTIGATIONS AND REPORT

There were 177 divorces filed, 111 granted and 54 dismissed at the end of the year. This has decreased over the year of 1969, when 178 divorces were filed, 120 granted and 53 dismissed. We had eight cases that reconciled during the strike.

CONTINUED INVESTIGATION

We have 510 active cases in which support payments are being made. We have 47 cases, where the father has the custody of the children and does not pay support.

ENFORCEMENT IN SUPPORT

Our collections show an increase, over the past year of \$33,077.90. Listed below are the Collections made by the Friend of the Court office since 1967.

Collections for 1967	\$343,048.00
Collections for 1968	\$402,932.00
Collections for 1969	\$493,281.16
Collections for 1970	\$526,359.08

It is almost, a full time job to keep this money coming in. Mrs. Julian does a great deal of the contacting and is to be commended for her patience.

The delinquents, or those who ignore their Court Orders, are issued Show Causes and brought before Judge Corkin. We had 157 of these last year.

If the Order of Show Cause is ignored, we issue Warrants. These men are picked up by our police department and jailed until their bond is paid or their sentence ceases, as ordered by Judge Corkin.

We issued 11,635 checks, an increase of 526 over the previous year. This averages about 970 checks per month.

We paid to the State Department of Social Services, \$45,753.48. This is an increase of \$17,172.96 over the year of 1969. We blame the high cost of living and the strike for the rise in our number of ADC cases. (87)

The Annual Fee, which is a charge of \$18.00 per year, per case-amounted to \$7,065.00, an increase of \$1,364 over the past year. This does not tally with our case load, as some fathers are given custody of their children and do not pay this fee.

This money is transferred to the County Treasurer, to be added to the General Fund.

We have 1125 children under our jurisdiction, "until they attain the age of eighteen or graduate from High School, whichever occurs later."

We deal with every type of personality and human frailty. Some cases are constant problems.

Those, who need guidance and assistance, are referred to our Tri-County Mental Health.

I traveled 4,614 miles making investigations and trying to solve the problems, these parents usually create for themselves. It takes fortitude, if, I am lacking, Honorable Judge Corkin takes over. He helps us solve many difficulties which we sincerely appreciate.

Marcella Feldpausch, our bookkeeper and Mildred Julian, our clerk deserve a merit badge for their dedication to carrying out Court Orders and keeping me well informed.

Equalization Director, Leon Thelen presented a report of the Equalization Department. It was moved by Hufnagel, supported by Lankford, to accept the report and place on file. Voted and carried.

The following is a report of activity by the Equalization Department, for the period beginning January 1, 1970 and ending December 31, 1970.

Compiled data on 487 property transfers out of which 295 were used to arrive at a sales to assessment ratio on residential property. This information came mostly from Warranty Deeds and Contracts. We also began an in depth study on agriculture property. This included sales from 1968, 1969, 1970. Personal contact was made with the buyer or seller, or both, followed up by letters and telephone calls which gave us sales information on 330 transactions. Realtors, bankers, and loan institutions were another source of information. These studies are used by the department and Equalization Committee to prepare the Equalization Report which will be presented to you in April.

We field checked approximately 200 residences mostly new ones for grade and value based on our manuals. We also kept tabs on building permits to see that they are added to the assessment rolls. We assisted the assessors in appraisals, much time was spent on new commercial; also a new industrial plant which was complete in the Village of Elsie.

Our office staff spent considerable time typing appraisal cards for parcels with new construction, splits or other drastic changes in value.

They made all plate changes for township assessment and tax rolls.

Prepared and printed all township assessment and tax rolls. Prepared and printed all village assessment and tax rolls. Prepared and printed assessment and tax rolls for the City of DeWitt.

Printed tax billings for all townships, villages, and City of DeWitt.

Prepared and printed delinquent tax rolls for township, villages, and City of DeWitt treasurers.

Printed annual tax listing for county treasurer. Spread taxes for six townships.

Aided the townships in their tax spreading and totals. Helped assessors total and balance their rolls.

Prepared tax breakdown sheet for the assessors and the County Treasurer.

We attended meetings with assessors and other township officials on taxation, assessor certification, etc.

Tax information was prepared for Stauder, Barch and Associates, financial consultants for DPW.

Furnished property descriptions for the Drain Commissioner, Road Commission, State Highway, Consumers Power, Abstract Companies and others.

Continuing our tax mapping program, started placing them on mylar acetate which can be reproduced at low cost for anyone needing a copy.

Also requote many tax descriptions to correct errors and to condense.

Prepared tax reports for the State Tax Commission.

We aided the County Clerk and Township Clerks with reports and warrants.

Furnished information for title search to County Treasurer and Register of Deeds.

Respectfully submitted,
 LEON E. THELEN
 Equalization Director

The Board recessed for lunch at 12:00 noon.

P. M. SESSION

Upon again being called to order at 1:30 p.m., William Coffey, Zoning Administrator presented a report of the informal meeting of the Zoning Commission held January 21st. Considerable discussion followed. It was moved by Cobb, supported by Chamberlain, to prepare a map or maps showing present zoning as it exists at the present time and to have maps made showing the same under the new proposed code. The motion was then withdrawn.

Cobb then moved, supported by Chamberlain, to prepare, for zoning use, a set of township maps showing an inventory or designation of the lands and parcels as presently zoned and recorded in the zoning records. On a roll call vote, those voting aye were Cobb, Dittmer, Chamberlain, Lankford, Andrews and Shepard. Nays were Nobis, Gove, Underhill, Hufnagel and Montgomery. 6 aye, 5 nay. Motion declared carried.

It was moved by Nobis, supported by Lankford, to table action on zoning maps at the present time. Voted and carried.

John Spicer, President of Fowler Village appeared. The village would like to build a swimming pool. They seek cooperation with the county in securing state grants to implement the proposed project. He wishes to clarify procedures involved in obtaining the same. They seek direction.

Commissioner Nobis suggested the need for a County Parks & Recreation Committee.

The Chairman declared a recess at 3:30 p.m.

Upon returning to session, Commissioner Lankford presented a Finance Committee Report:

A. 1. County Planning Commission Budget, for	
a. Parks and Recreation Study	\$ 9,200.00
b. Building Needs Study	\$14,000.00

Drain Commissioner to transfer salary temporary to salaries and wages permanent. \$400.00.

Agriculture Extension Director to transfer salary temporary to salaries and wages permanent. \$400.00.

Change 1971 budget forms to request and approved.

It was moved by Lankford, supported by Andrews, to approve the transfer of funds as per committee report. Voted and carried.

He then moved, supported by Nobis, to approve Item B. Voted and carried.

Lankford moved, supported by Hufnagel, to transfer the sum of \$75,000 as approved in the 1971 budget to the Road Commission account. Voted and carried.

Nobis moved, supported by Lankford, to approve the Water Supply and Waste Treatment Plan as submitted by the County Planning Commission. (Prepared by Commonwealth Associates). On a roll call vote, those voting aye were Cobb, Nobis, Gove, Dittmer, Chamberlain, Hufnagel, Montgomery, Lankford, Andrews and Shepard. Nays were Underhill. 10 aye, 1 nay. Motion declared carried.

Nobis moved, supported by Montgomery, to return the Solid Waste Plan to the Planning Commission for corrections. A mistake on the Errata sheet should be corrected. As specified in the contract, areas should be designated in a general location, not specifically named (as per land fill sites). On a roll call vote, those voting aye were Cobb, Nobis, Underhill, Hufnagel, Montgomery and Andrews. Nays were Gove, Dittmer, Chamberlain, Lankford and Shepard. 6 ayes, 5 nays. Motion declared carried.

Commissioner Dittmer reported on the National Association of Counties meeting on Revenue Sharing at Cleveland, Ohio on January 29, 1971. He presented a well written report on the meeting and he feels that the meeting was very worth while and will greatly benefit local government. He favors the adoption of a resolution supporting President Nixon's proposed Federal Revenue Sharing Plan and to forward a copy to our Senators, Congressmen and Legislators.

Lankford moved, supported by Nobis, to suspend Board of Commissioners Rule 33, as it pertains to the Chairman as a board member of the Office of Economic Opportunity (OEO). Voted and carried.

It was moved by Lankford, supported by Cobb, that Duane Chamberlain be named to replace Chairman Shepard on the Zoning Commission effective March 1, 1971.

It was then moved by Nobis, supported by Hufnagel, that nominations be closed and a unanimous vote be cast for Chamberlain. Voted and carried.

Cobb moved, supported by Underhill, to approve the committee report and to accept the bid of \$750, exchange price for a tractor as submitted by Patterson & Sons of St. Johns. Voted and carried.

Cobb moved, supported by Nobis, to approve the Register of Deeds request for a typewriter and file cabinet. Voted and carried.

It was moved by Hufnagel, supported by Underhill, to approve Commissioner's expense accounts as presented. Voted and carried.

It was moved by Nobis, supported by Andrews, to adjourn at this time and to meet again Tuesday, February 23rd at 9:00 a.m. Voted and carried.

Meeting adjourned.

Support millage vote

Many of you may say, "Well here comes the old editorial pitch again for passage of school millage." You are so right. When unreasonable millage requests are being asked in some districts, it is the duty of the taxpaying voter to say "no" and make it emphatic. When the millage request is not out of line and reflects a possible slight increase to keep up with higher costs of operating the system, then we must, as concerned citizens, support our young people and their educational opportunities at the lower grade and high school levels. It is quite apparent that we can't wait for the Michigan legislature to get around to solving some of the educational problems

facing every school district. They seem to have other, more pressing legislation at the moment, or so it appears. We don't believe we can ignore the problem as it exists at the present time. If legislation is forthcoming to help spread the tax burden away from the property owner, this is fine. But to sacrifice our present school curriculums through cutbacks; to disrupt teaching staffs which for the most part are well coordinated for our children's benefit, is to press a difficult burden onto our schools. And the only real losers are our children. Think about this when you enter the voting booth.

Where's the time gone

As we approach another end of a school year, and many families prepare to watch children receive graduating diplomas, parents and students alike ask, "Where has the time gone?" In most central Michigan communities, the 1970-71 school year has been relatively routine. We have watched as "big city" problems infiltrate into the rural segments of Michigan but with the exception of the more common hangups between youth and adult, another year has passed without major conflict. What we are facing, and which should be of deep concern to parents, is the ever increasing temptation by the teaching profession to influence the so-called "free society" attitudes which we believe would be completely divorced with the high school instructional classroom. Admittedly, teachers have considerable influence on young

people. They should, if the seeds they are planting in the youthful minds are cultured with experience. In other words, the apparent belief that everyone is a psychologist today just because he took a psychology course in college, is for the birds. It is also dangerous when young, easily influenced minds and futures are at stake. We worry about the apparent, visible problems of drug usage and sex in our society today. We may have overlooked just as serious a problem by ignoring some of the foreign attitudes being reflected by our teenage children. Some of the more mature thinking on the college campuses gets completely off course when inflicted on less mature minds. Are those who are teaching it ready to accept the responsibilities of its effects?

From the State House

Divorce, Michigan-style

By REP. DICK ALLEN

"Who, sir? Me, sir?" "Yes, sir. You, sir." "No, sir, not I sir." "Who then, sir?" Apparently this is not just a game played by children, it has also been going on in Michigan's courts as couples square off in the process of obtaining a divorce. A bill recently passed by the House is aimed at some of the problems in our divorce law. It has received a rather catchy unofficial name, being called "No Fault Divorce". Under Michigan's present law, one spouse must show that he or she is the "innocent" party and the other is at "fault." The faults that can be charged range from specifics such as adultery, desertion and habitual drunkenness to the catch-all of extreme cruelty. House Bill No. 4575, if passed, would eliminate these grounds allowing divorce if "the objects of matrimony have been destroyed and there remains no reasonable likelihood that the marriage can be preserved." Critics of our present law make three primary points. A recital of the defendant's alleged cruel acts results in increased hostility between the spouses making reconciliation unlikely and settlement of child custody, alimony, and financial arrangements difficult. Since one spouse is often not significantly more at fault than the other, court proceedings are often based on fiction rather than fact.

In order to avoid the difficulty and delay of a contested hearing, one spouse may be pressured to make unfair and unreasonable concessions as to child custody, alimony and financial settlements. Those against change in our divorce law generally emphasize this last point, but in a reversed manner. They say that women are generally the wronged party and they need this extra club to get a fair settlement. The courts, perhaps because most judges are men, do not give adequate and fair settlements to women, thus they need the extra protection of leverage to get an out of court agreement more favorable than the court would set. After weighing the arguments on both sides, I voted for the bill. But I doubt it will be much of a solution to the problem of deteriorating family life. It won't save many marriages. On the other hand, I doubt our present law saves any either. And it seems to me the changes would add a little dignity and reasonableness to the court proceedings in what is largely an unreasonable, undignified area.

The space stove in the livin' room In those days we scarce recall, In modern dwellings hardly rare It's not approved at all; It served its day and age full well 'N when winter's freeze had sped We took the pesky thing all down 'N stored it in woodshed!

The frosty nights of autumn Meant return of stove and pipe, The buckwheat pancakes and home bread 'Riz by its heat at night; The fuel we cut 'n carried Ashes tracked where'er we tread, Chores like these we could dispense with 'When the stove was in woodshed!

Hard wood chunks we had to whittle With the wedges and the axe, Coax the knots to enter doorway Make 'em burn 'ere we relax; There wuz romance 'n' nostalgia, But I'm glad those days are fled When we carted stove 'n' fuel In 'n' out of that woodshed!

May 20, 1970 St. Johns golf team broke the school scoring record for the second time in one week by posting a 154 in the regional meet held at Pine River Country Club. The score was low enough to place the Redwing golfers second in a 23-team field. Lenore Romney and State Senator Robert J. Huber, both candidates for the GOP U.S. Senate nomination brought their campaign into Clinton County. Mrs. Romney was guest at an open house given by the local Republican in St. Johns, following a tour throughout the county. Funeral services were held in St. Johns for Dr. Arthur Henthorn who died suddenly while on a trip to Riceville, Iowa. A longtime resident of St. Johns, Dr. Henthorn had recently retired from private practice and from the staff at Clinton Memorial Hospital. Mrs. Everett Rule was honored at an open house following her retirement as a counselor at Ovid-Elsie High School.

25 Years Ago May 23, 1946 Work is going forward this week on an extensive program of remodeling, redecorating and refurbishing at the Steel Hotel in St. Johns. The hotel was recently taken over from Alex Hafner by the Steel Hotel Operating Company and will be under the management of J.J. McDonnell who for many years has managed the Hotel Downey in Lansing. Cadet Nurse Rita Somers, daughter of Mr. and Mrs. Don Somers of St. Johns was graduated from the school of nursing at Elizabeth Hospital in Dayton, Ohio where she completed her three years' training. George Smith has accepted the position of manager of the Gower Hardware and Implement Store in Eureka. He was formerly employed for 17 years at William Montague and Sons in St. Johns. The summer tax rate for the city of St. Johns was set at 15 mills. The rate, which was the same last year, will be divided as follows—5 mills for the General Fund, 6 1/2 for the Street Fund and 1 1/2 mills for the Fire Department. Richard L. Black, 12, son of Mr. and Mrs. Roy L. Black of St. Johns will be one of a group of safety patrol leaders from schools throughout the state who will embark on Niagara Falls on an all-expense tour sponsored by the Automobile Club of Michigan. Dick was selected to make the trip by local school authorities after his school was cited by the Auto Club for its superior safety activities during the past year. Mrs. R.L. Beckwith of Victor Township will be honored at Central High School in Cleveland, Ohio and will be awarded a golden certificate for being a member of the school's graduating class 50 years ago.

May 18, 1961 Voters in the city of St. Johns will go to the polls for a special election this week. The balloting has been ordered by the city commission to ratify an ordinance renewing the present franchise held here by Consumers Power Company. The new franchise extends for a period of 50 years and grants to Consumers the right to lay, maintain and operate gas mains, pipes and services and do a local gas business in the city. Walter Nickel was named president of the St. Johns Exchange Club and will assume the post on July 1. C. Lester Jenkins was chosen as vice-president, Charles Huntington, secretary and Milo Rowell, treasurer. City commissioners authorized the installation of new 30,000-lumen fluorescent lighting fixtures on both sides of State street and along the two blocks between Brush and Spring streets.

New foreign policy

By TIM YOUNKMAN

The credibility gap is widening again. And Congress is setting itself again to clash with the administration on another important military matter. The appearance of the new Mansfield resolution on American troop cutbacks assigned to NATO should prove more significant, if it is passed, than anything produced in the legislature concerning the military in Vietnam. It would be a significant step, also, if the President gets his way and defeats the resolution. Once again, all the forces that were at work to promote the "New Look" of Mr. Nixon in 1967-68, have been reactivated to sell the Americans on the need for American troops in Europe.

All last week, prominent American statesmen and politicians flooded the White House with visits and briefings, posing for news photographers and granting press conferences. But why all the show? As the weeks pass by, more Americans are becoming vocal in their anti-war and anti-military sentiments. Even hard-line conservatives are talking about getting out of Indochina entirely. That same mood seems to be spreading into a concept of re-tracting our immense over-commitment to world protection. The basic feeling now for many citizens is that we should not be

sending our young men to die in a war for a nation that won't commit all of their own young men to the struggle. We've all heard the statistics concerning young Vietnamese men who haven't even been drafted to defend their own country—or the numbers of ARVN troops who have deserted their fellows. The new Mansfield proposal is an extension of this growing American mood. It should seem reasonable to assume that after 25 years of literally dominating and occupying Europe with our troops, the time has come to pull back. Why should American troops be kept, at taxpayers' expense, in Europe to defend against a possible attack on NATO countries when those same countries refuse to commit themselves to the policy of self-protection. As long as American troops are there, the leaders feel no strong desire to attach their armies to the international NATO force.

The chief argument presented by the so-called "top" Presidential advisors who gathered last week was that we would so weaken the European defense structure, any would-be aggressor could walk in and take over—meaning Russia. Another statement from the White House claimed that the Russians were close to agreeing to a mutual troop pull-back and

this would destroy any chances of getting the Russians to back away from Eastern Europe. Both arguments are superficial. The European defense system is weak already because those nations won't spend the money and raise the army to defend themselves. We, as Big Brother, have always done that for them. Mansfield is saying that it is about time they came into the 1970's. At the same time, we can use the money at home to begin the job of patching up the decay from within. Another Mansfield point is that by replacing 150,000 American soldiers in Europe with other NATO soldiers could not be considered a weakness to the Russians. If anything, it would point up the solidarity of NATO and the unity of mutual defense—a unity that Russia has not found in its Warsaw Pact policy. Thus we get to the real issue of why Mr. Nixon may not want Americans pulled out of Europe. It would mean a beginning of a new Foreign Policy—this time established by Congress and not the President. It would mean, in short, a personal loss of power. It would mean that government of the people and by the people, through representatives in Congress, would poke its nose through the smoke screen. A concept that hasn't been utilized since the Continental Congress.

'IF IT FITZ ...'

Patriotic for GM

By JIM FITZGERALD

Immediately upon learning how to help my country, I phoned my friend Larry, the car dealer. "Listen Larry," I said, "that Oldsmobile you sold me is a mess. The wheels wobble, there's exhaust coming in through the air conditioner and the back seat vanity mirror is cracked in two places." "Holy cow," Larry said, "I sold you that car seven years ago. This is the first time you've complained. How come you waited so long?" "I'll tell you," I said. "I am going to write you a very nasty letter about this lousy car. I am going to write how I have been sick for seven years because of those exhaust fumes and that's why I haven't been able to complain until now. I am well enough to complain now only because the windshield caved in as I was driving to work this morning and the sudden burst of fresh air revived me and made me realize it was past time for me to write you a letter of complaint."

"You must be nuts," Larry said, getting nasty because he knows I've been holding hands with a Chevy dealer lately anyway. "Go ahead and write the letter. I'll just throw it in the basket." "That's OK," I said, "but please don't tear it up first. Just crumple it angrily. I'll mail the letter this morning and I'll be around to pick through your trash tomorrow night."

"Why would you do that?" he asked. "Because, after I press the wrinkles out of that letter, I intend to sell it back to you for \$10," I explained. "I wouldn't give you five cents for it," Larry snorted.

"That's no way for a GM man to talk," I said. "You'll never go higher in the organization with that kind of an attitude. Don't you realize that Ralph Nader would pay me \$15 for that letter? And the U.S. Department of Transportation would probably go to \$20. I am offering it to you first only because you are my friend."

"You've gotta be kidding," Larry said. "Not for a minute," I said. "I am offering you a great opportunity to impress Mr. Roche and the other GM brass. Wait until they learn that you bought back a complaint letter in its original form, thus saving them the expense of having it micro-filmed first. It is that type of thinking that made GM the biggest corporation in the world."

"Why are you so good to me?" Larry asked. "What is good for you is good for GM and what is good for GM is good for the United States. That's what Charlie Wilson said just before he opened a GM

dealership in the Pentagon. I have never forgotten his inspiring words," I explained. "Selling you back my letter is

the patriotic thing to do." At this point, Larry hung up. But, before the phone clicked, I'm certain I heard a sob.

Replacing the board

By SEN. WILLIAM S. BALLENGER

One of Gov. William Milliken's Educational Reform proposals—which I strongly support—is to replace the present elected Board of Education with an appointive one. His main objection to the Board, as presently constituted, is that it's not responsive to public wishes because members are elected for eight-year terms. That makes it almost impossible to get Board members to respond to public wishes unless they are nearing re-election campaigns. In the last two or three years, the State Board of Education has been embroiled in more than its share of internal wrangling and its image—and the image of education generally in Michigan—has been badly tarnished. But there is nothing the Governor or the Legislature can do about it. The Governor contends that an appointive board could be put on the right track quickly if its members were appointed to serve at the pleasure of the Governor, with the advice and consent of the State Senate.

There are pitfalls in this set-up since a politically-motivated Governor could inject politics into education. But, proponents of the appointive board plan point out there is politics in the Board set-up now because Board members are nominated at party conventions. Results of an audit of the Board's records by Auditor General Albert Lee would appear to play into the hands of the Governor in his desire to change the means of selecting Board members.

Under the law, Board members are paid \$60 a day for attending meetings "where a quorum is present." The Board meets regularly twice a month for two-day sessions, with occasional special sessions in addition. On the basis of regular sessions, Board members would be paid for four days but the Auditor General found that some members were getting paid for 15 days a month. He noted this was rather strange since most Board members hold full-time private jobs. Auditor General Lee said Board members were paid \$39,800 for 647 days in the 1966-

69 fiscal year and he contended they should have been paid for only 306 days. He found that Board members have claimed pay for 340 additional days when they said they were attending to "Board activities." Board members contend it was the Legislature's intent that they be paid for such extra days. If a furor develops over Board members claims for all that extra compensation, the Board may well have played into the hands of the Governor in his campaign to make the Board more responsive to public feelings.

Bath

By Mrs Florence L. Wittell

Dr. Jayne, superintendent of the Lansing District of the United Methodist Church of Michigan conducted a discussion meeting of the Chapel Hill, Gunnisonville and Bath United Methodist Churches, at the Bath Church. Another meeting will be held June 2 at the same place.

Bobbie Herguth gave a moving account at the Bath United Methodist Church, Sunday morning, of her trip to Europe. Miss Herguth, her sister and brother were part of a group of seventy who made the trip accompanying the Rev. Jim Jones, Evangelist. They visited Norway, Holland and England. Rev. Jim Jones, Evangelist, will conduct services at the Bath United Methodist Church from May 23 to May 27.

Mr. and Mrs. Dave Nessman visited their son, Private Tom Nessman at Fort Knox, Ky, last week. Tom has just completed his basic training. Mr. and Mrs. Abbot Nelson and daughters, Alva and Arlene spent Mother's Day with their mother, Mrs. Abbie Nelson of Traverse City. Mr. and Mrs. David Harte and family and Mr. and Mrs. Roscoe Wittell, spent Mother's Day with Mr. and Mrs. Charles Wadell and son, Douglas, of Elsie. Other guests were Mr. and Mrs. Neil Harte and family of St. Johns. Mrs. Wadell is the former Gail Harte.

Vote millage down, News reader exclaims

It's "that time" again, when the dirtiest word in Michigan language, "Millage" crops up and our legislators wait to see if those who don't care what happens to their fellow citizens as long as they get what they think is theirs will be able to slick tongue enough of us poor saps who own our homes, farms and other businesses into voting for another increase so they won't have to stick their neck out and put the school load where it belongs; on the pocketbooks of the kid producers and others who continually strike for higher wages and raise their prices almost at will, while we who must trust in the bounty of God for the wherewithal to pay our taxes, or are dependent upon retirement income where strikes are not a possible method of increase have to take it on the chin again to pay for the excesses of more selfish members of our society.

As one farmer succinctly put it to me last summer, he is getting fed up with irresponsible kids moving out in the country while holding good paying jobs in town, building little "cracker boxes" on the corner and then voting taxes onto him.

But this farce has reached such a ridiculous stage that even irresponsible young parents in cracker boxes should be able to see that these property taxes are rapidly becoming confiscatory; that confiscation of property is the main step in our takeover by a communist system of government, and that any loss of, or even major reduction in their jobs can cause the loss of their homes through tax sale.

And if we place confiscatory taxes on business property, how much longer can business provide jobs? The voters in the Lansing school district recently proved to their credit that they are beginning to understand this fact of life, and such rejections of millage proposals must be repeated again and again until our state government who represent them finally get the message that when we breed like rats, and insist like rats on living on something taken from others, sooner or later we are going to meet the usual fate of rats, which is either to be killed off by some force outside our communities, or starved down to the level where sufficient means of subsistence, be it schools, welfare money, or perhaps even food, is available.

If one wishes to dance, one must needs pay the fiddler!

AND OUR TEACHERS must realize that they have a stake in considering the welfare of the community in which they teach above and beyond the mere dishing out of unrefined dollops of so-called "knowledge".

Letters to the Editor

The coke machines in the hallways of our schools and the type of menus taught in our expensive "home ec" kitchens are ample proof that dietetic poison is dished out in our schools. After considering that fact one wonders if we aren't also dishing out some intellectual poisoning.

While I have been one of the strongest defenders of teachers' rights to strike if others have that right, it would seem that teachers as a group should be able to see, perhaps better than any other occupation in our society, that the strike as it has come to be used in these "United?" States has degenerated into a kick, bite and gouge game where nobody really wins; where inflation destroys the value of our currency, and the children, the poor and the elderly suffer most of all.

How can we call it the "Land of the Free" any more when the only freedom from unjust taxation is death?

Let's face it; the price of our so-called affluence has been a binge of selfish extravagance, aided and abetted by our mass media advertising which has made us hated throughout much of the rest of the world.

And nowhere is this waste more noticeable than in the high cost of our schools which still, in spite of the tremendous tax increases allotted to them, are failing to turn out a high enough percentage of graduates suitable for the responsibilities of parenthood and good citizenship.

Yet many eighteen year olds display more good sense than many apathetic parents who have managed to dodge their fair share of the tax load, or have insisted upon reproducing both beyond their means and those of the communities in which they live. And so youth itself is split right down the middle, depending on the examples set for them in their homes and schools.

Therein lies the clue to the problems of our cities, and the seeds of our own destruction if we prove unable to rise to the challenge, and we had better believe it if we wish to survive as a State and Nation.

Consider the effect of the inflationary auto industry wage settlement last fall. The strike which precipitated this inflation hit the pocketbooks of you who participated in it, and so increased the welfare load by those strikers who saw no wrong or injustice in accepting food stamps and other gratuities of our society, while at the same time cutting the tax monies received by the

state and consequently the ability of that society to cope with the extra load your strike placed on it.

But most of all the reduction in taxes collected by the state hit the schools whose expenses constantly increase due mostly to organized teachers salaries and tenure provisions, but whose income is tied to the tax dollar. So our school boards are forced to come back on home owners and farmers to ask for more money to make up the difference.

Do those of you auto plant and other city workers who live among us feel this is a square deal? You surely know that there are those among you who do less than a full hours actual work a day, yet get paid for a full days work, and in some cases spend the rest of that time in air conditioned lunch rooms playing cards.

If you don't care any more for the future of your kids than that, why should those of us who fight poverty by actually working for a living?

IN KEEPING with the demands of some of you the national government has changed the agricultural stabilization program, effectively cutting agricultural subsidies and making them depend on producing crops rather than devoting the land to conserving uses, in an effort to insure you a continued adequate and cheap food supply.

The result has been one of the greatest tear ups of marginal land in Michigan this spring in many years, and one of two things; neither of them good in the long run, is going to happen.

Either we are going to have drouth or corn leaf blight losses, or both, or we are going to produce a bumper crop and so depress prices for that crop below the break even point with cost of production which has risen greatly with the two to four times increase in the costs of equipment and repairs which have been absorbed by farmers as the result of strikes over the past ten years.

Agricultural Economist Earl Butz of Purdue University has stated that we can return to organic farming as some of our ecologists are suggesting, but first someone must decide which 50 million people must starve to death! It is my thought that another double cross of the farmers such as failure to face up to our school tax problem NOW may bring this ecological problem to a head much sooner than even the ecologist's demands, incidentally they are also suggesting the demographic control of zero population growth which would most certainly entail the passage of the much publicized abortion reform bill.

Gov. Milliken, Speaker Ryan, how would you like to make the decision on those 50 million people? You may be faced with a part of the responsibility for that decision if you do not stop jockeying for political position by trying to outdo one another in sponsoring silly laws for minimum wage increases and others which in effect make it impossible to teach our kids to do anything useful before they reach the reduced age of majority you are now

proposing.

So why don't you get your heads together and get this school support thing enacted NOW instead of trying to pull the wool over our eyes with the hanky panky of a "vote of the people" next fall. After all, what is a rejection of millage but a vote of the people!

The people need real leadership, not empty promises!

School districts have reached a stage where in many cases what they are actually asking means confiscation of property.

But if property is confiscated, then from whence will the money come to finance schools. They'll fall then anyway, so it is best, before it is too late, to vote down all millage and so force our legislature and governor to stop fighting one another and face up to the problem of reform and refinancing of our educational system on a realistic basis.

The governor's recent proposals seem basically good, but until they are enacted into law they will remain only proposals, and on the basis of past performance we can be sure that they will remain only "window dressing" until we refuse to pick up the tab via the millage route any longer, and so force our state government; all of it, to do its job.

Remember, under income tax support of schools each wage increase and this is particularly fair in the case of unearned ones, brings an automatic tax increase to meet the inflation so created.

Clearing up a misunderstanding

Dear Editor,

I would like to relate an incident which took place in a retail store in St. Johns last week, which points up an area of great misunderstanding among the various groups working with school plays, musicals, clubs, school, carnivals, church bulletins, football and basketball programs, (and on and on).

I will call our customer Mrs. X.

Mrs. X entered this store and at once asked for a refund of \$20.00 on a lay-a-way piece of merchandise.

When questioned as to why she wanted a refund, (refunds are gladly given) Mrs. X replied that it was because they (this business place) did not buy an ad in the Guys and Dolls program sheet. What Mrs. X didn't know was, that the girls soliciting this ad were the third ones that day, and the fifth that week, asking for ads or donations for various activities.

If this letter does nothing more than to point out that no business can participate in every solicitation, as worthy as they may be, it has served its purpose.

It would be well for the Salesmen of the various groups to keep this in mind.

Thank You,
One On The Other Side
Of The Counter.

James

By REV. HUGH BANNINGA

Today let's look at the man who was the first of the twelve disciples to become a martyr. This was James, the brother of John.

James' only appearance by himself in the Bible is the occasion of his martyrdom. We read about it in the 12th chapter of Acts, verses 1 & 2; "It was about this time that King Herod attacked certain members of the Church. He beheaded James, the brother of John..." (NEB).

We don't have much knowledge about James in the Bible itself, but much has been written about him. It is either pure legend or reasonable tradition. One thing we learn about James from one of the reasonable traditions is that he was a man of forgiveness. This characteristic about James comes from the following story of The Apostolic History of Abdias.

There were two magicians called Hermogenes and Philetus. Philetus was converted by James' preaching, and told his colleague, Hermogenes, that he was leaving him. So Hermogenes immobilized Philetus with some sort of magical incantations.

Somehow, Philetus managed to get word to James that he was being held prisoner. James sent back his handkerchief and

by its influence Philetus was freed.

Then Hermogenes sent devils to get James and Philetus, but they were powerless. James then sent the devils back with instructions to bring Hermogenes back as a prisoner. So the devils did this. When Hermogenes was confronted by James, James told Philetus to cut the ropes and release him. As he did this, James told Hermogenes, "Go free, for we do not render evil for evil."

So Hermogenes went home and destroyed all his magical books and returned to James for his pardon. James forgave him and then told him to undo his former work on all those whom he had deceived, and to spend on others what he had gained from his magic. He obeyed and grew in faith.

SO JAMES WAS a man of forgiveness. You and I are to be forgiving of others. What a difficult thing it is to put down selfish revenge and tell the wrongdoer, "You hurt me terribly, but I forgive you."

Another characteristic of James can be seen by his connection with his brother John. If you are student of the Bible, you will soon see that James is

usually mentioned in the shadow of his brother John. So we could say that James was a man without jealousy.

James was older than John, but yet he took a back seat to his more famous brother. Now this isn't an easy situation for anyone to live with. It is never easy to give place to someone who has greater ability than you have, or someone who gets into the limelight more than you do.

James evidently did not care that he was overshadowed by his brother. He was obviously secure in his position in life. He was one of the Twelve and also one of the select "inner circle."

He was not jealous. Instead he had an understanding of God's love and its place in the lives of people, and this made him a leader in his own right. James must have been an impressive leader, because King Herod wanted him out of the way permanently.

James had the kind of understanding that is illustrated in this little story. During the second World War, Brigadier General Theodore Roosevelt, Jr. was waiting at an airport for a plane. A sailor stepped up to the ticket counter and asked for a seat on the same plane as the General's. He explained, "I want to

see Ma. I ain't got much time." The woman at the ticket counter wasn't very impressed, and she said, "There's a war on you know." At this point General Roosevelt stepped to the counter and told the woman to give the sailor his seat. A friend of the General spoke up and said, "Teddy, aren't you in a hurry, too?" And the General replied, "It's a matter of rank, I'm only a general. He's a son."

There was no jealousy for James—only understanding. Can we say this about ourselves? Can we say that we have never been jealous, never been envious of someone else's position in life? Can we truly say that we have such an understanding of God's love in the lives of people that we are never jealous anymore?

James was a man of forgiveness and a man without jealousy. If you want to imitate somebody, try James on for size.
