## County fights tax factor

ST. JOHNS — No less than 13 items, including an appeal to the State Tax Commission, and an application for federal money were acted upon by the Clinton County Board of Commissioners in a 4½ hour meeting last week.

The commissioners, minus only vice-chairman Roger Overway, discussed the county's appeal to the State Tax Commission on May 27 when they hope to have their 4.8% factor reduced on the state's

evaluation of Clinton County property.

Chairman Dyle Henning explained that 23 other counties in the state have factors levied on them, though he said not all of them will appeal.

The county will also attempt to get some money from the Dept. of Housing and Urban Development as the board authorized county planner Dennis Dunnigan to apply for part of the \$454,000 that is being made available to Michigan this year.

Dunnigan told the board he thought the money should be applied to protecting existing agricultural land in the county, though the chances of getting any money were slim because over 130 government units in the state are also applying for the funds.

Dunnigan also said that the maximum any unit could get would be \$25,000.

While the county will be attempting to get federal funds, they will be pulling out of a tri-

county program for senior citizen nourishment because, according to Commr. Virginia Zeeb, they haven't been given any of the funds they were promised.

Zeeb, chairman of the Human Services Committee, said she didn't blame the other 2 counties, Ingham and Eaton, but the state. The board will now ask the state to readminister the money through the Tri-County Aging Nutrition Consortium.

George L. Eberhard, director of the Clinton County Department of Social Services, presented the Department's 1974 annual report and was questioned by Chairman Henning on why the direct relief portion of the budget had increased 8 times from the 1973 report.

Eberhard explained that costs of program like aid to dependent children and food stamps, (which are part of direct relief) had increased over the past year and the state pays for 40% of the county's cost in many social service areas.

After hearing Eberhard explain the program, the board approved the 1974 report.

Two proposals by Duane H. Chamberlain, chairman of the Land Use Committee were also approved by the board.

The first will allow the county rent from General Telephone, at a cost of \$84 a month, a teletype which will hook them up with Consumers Power Co. in Royal Oak. The computer in Royal Oak will be able to tell the county whether or not underground cables exist on property that is being considered for development or alteration.

Chamberlain said other units of government in and outside the county would be asked to join and Commr. Max Calder added that state law now requires local units to belong to a similar network or else provide their own system.

Chamberlain's other proposal amends the County Soil Erosion Act and makes it mandatory for contractors doing business with the county to make an initial cash deposit of \$5000. After \$5000, the contractor can pay his deposit with a surety bond not to exceed 50% of the total cost of the project.

In other action on the board: — Heard a letter from the Lansing Law Firm of Fraser, Treblecock, Davis and Foster defining the powers of the County Department of Public Works in relation to the Board of Commissioners.

— Heard a proposal from the City Council of DeWitt supporting a South Clinton Urban Utilities Authority to be operated jointly with Bath, DeWitt and Watertown Townships.

— Approved the hiring of Jerry Ambrose as an administrative assistant to the board at a salary of \$10,220.

— Authorized the purchase of 3 cars for the Sheriff's Dept. from Community Dodge at a cost of \$9661.

— Were told about a meeting at the Capital City Airport Terminal in Lansing on May 28 at 3 pm concerning the relation of the terminal complex on the east side of Clinton County.

— Agreed to let St. Johns have their commercial building plans reviewed by the county at a cost of \$5 per hour instead of the state cost of \$30 per hour.

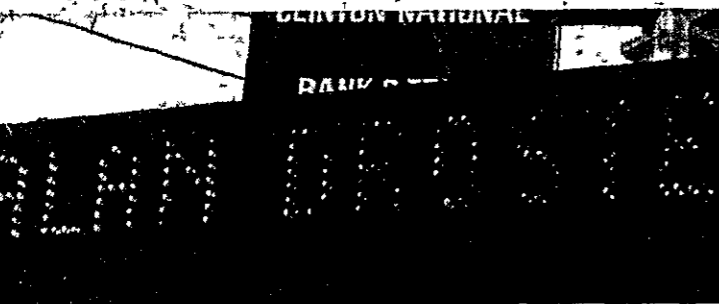

— Heard that the state highway department is required by the federal government to hire an outside consultant to study the feasibility of routing a new highway. The state is now paying Wilbur Smith and Associates of Lansing \$419,000 to study the routing of US-27.

Executive Vice President Gayle Desprez and executive secretary Jean Pardike make preparations for message input. The system allows almost instant display of messages fed into the computer.

Diane White, executive secretary, operated the input equipment that kept messages of the Derby activities flashing across the sign. Diane regularly programs the equipment several times each day.

Messages flashed or travelled across the light panel of this sign throughout the Derby day events. The sign had been in operation less than a month before being put to the Derby day test yet operators and equipment functioned without a hitch. The message here relates that Alan Droste took 1st place in the 1975 Derby.

## CNB&T sign lights up Derby

ST. JOHNS — The annual Soap Box Derby is an event of some import in this city, attracting entries and observers from all corners of Clinton County.

For thirteen years, the race has been run on the sloping grade of Clinton Avenue, St. Johns' main street, and through the combined efforts of the Jaycees and a committee lead by Bernard Feldpausch, a Chevrolet-Olds dealer, the program has developed into a full-day's affair.

Staging and preparations begin around 5:30 a.m. and by noon, the first signs of the 40-minute lead-off parade begin to appear on St. Johns' streets. Area school bands accent the festivities and vendors of soft drinks, sandwiches and balloons can be heard hawking their goods.

But this year, something new was added to the scene and the addition drew much attention from the 3500 spectators who lined Clinton Avenue.

A traveling message sign, recently erected on the front of Clinton National Bank & Trust Company was put to good use throughout the day, flashing comments, observations and race results.

Staff members of the bank, including president Brandon White and executive vice president Gayle Desprez, were on hand to lend a hand, and direct telephone lines to the starting and finishing points kept operators of the equipment fully abreast of race developments.

Throughout the day, humorous and informational messages along with names of

heat participants and winners appeared on the sign in flashing or traveling lights.

At 2 points during the day, public address equipment failed and all information was relayed through CNB&T's sign. During one span of PA failure, it was learned that a little girl had been separated from her parents. Her name along with her whereabouts were flashed on the sign and soon the family was reunited.

In discussing the day's efforts, Desprez explained that "a monetary value cannot be put on the favorable public relations we earned for our bank through use of the sign on Derby day."

The sign was installed in mid-April replacing a set-in letter message panel which had graced the bank front for nearly 10 years. The new, computer-operated sign has a number of different features allowing various types of display along with automatic, temperature readings whenever programmed.

The successful inclusion of Clinton National's sign into the Derby program has already led to plans for expanded use in next year's race.

"We have contributed first prize of \$150 savings bond for 3 years," explained White, "but now that we can actually participate in the program it's a brand new game."

Desprez and White were instrumental in effecting installation of the sign, which daily undergoes no less than 4 to 5 different programs.

## Holiday traffic heavy, but safe in Clinton

Clinton County experienced a safe and relatively uneventful Memorial Day Week, according to reports from various law enforcement agencies.

Michigan State Police reported 23 persons died in state traffic accidents, although none of the fatalities occurred in Clinton County.

That figure is up 5 from last year's total of 18. Deaths by drowning increased dramatically from 2 in 1974 to 18 this year. None occurred in Clinton County.

Of the area officials, DeWitt Township Police saw the most action over the weekend, mainly in dealing with speeding violations.

"We issued 25 summonses, which is at least double the average," said Chief William Nash of the DeWitt Twp. Police Dept. "We observed quite a bit of flagrant speeding, mostly from persons outside the area, such as Detroit and other places. We worked radar on both US-27 and US-127."

DeWitt Township officers investigated 4 traffic accidents, including 2 which sent drivers to Lansing hospitals.

No apparent serious injuries were reported. Tickets were issued in both cases.

Clinton County Sheriff's Dept. deputies investigated 9 traffic accidents, 2 involving minor personal injuries. They responded to several complaints of drunk and disorderly persons.

County deputies reported little difficulty with speeding vehicles north of Lansing area. St. Johns Police were called to 4 traffic accidents, none of them involving injuries.

Complaints over the holiday weekend involved the breaking into a candy machine at the Village Square Laundry, with an unknown loss of candy or money. The break-in was discovered at 10:15 a.m. Monday by Dennis Henning, manager of Andy's IGA store. Police are investigating.

Another complaint involved covering of trees with toilet tissue outside of 2 St. Johns homes on S. Traver St. Saturday.

DeWitt City Police investigated a car-deer accident in which no persons were injured, but the deer won't be around in November. They answered 1 complaint and made arrests.

Bath Twp. Police reported no accidents, but investigated several petty larcenies and an attempted breaking and entering, in addition to a couple of family disputes.

## SJHS orchestra announces June 3 "Spring String In"

The St. Johns High School Orchestra will present their sixth annual "Spring String In" Tuesday evening, June 3, at 7:30 in Pocus Auditorium at the high school.

There will be 2 parts to this year's concert. The first half will be of a more serious nature featuring several soloists. Seniors Barb Penix, violist and Jeannine Wood, Flautist will each solo with the orchestra playing Telemann concertos, while senior Scott Younglove and Junior Rosa Leonard, both violinists, will perform the first movement of the Bach "Double Concerto" for two violins and orchestra.

The orchestra will also perform works by Hovhanness and Britten, along with the high school string quartet's performance of a

work by Holst.

After a short intermission, the orchestra will go "Pops" starting off with the orchestra's own St. Johns Ragtime Ensemble performing some of Scott Joplin's "Foot Stompin' Rags". Featured guest Algje Walkins, a teacher in the St. Johns' School system and a pianist, will then perform some popular songs with the orchestra and will also do some ensemble work with his jazz trio.

Tickets are on sale from orchestra members at \$1 for adults and 50¢ for students. They can also be purchased at the door.

All the money will go to students who will be attending music camps this summer.

## "Love Rides the Rails" at St. Johns High

On May 30 and 31 at 8 p.m. the St. Johns High School state championship Drama Club is presenting its final production of the season in the S.J.H.S. auditorium. For this show the group has chosen Moreland Cary's hilarious melodrama, "Love Rides the Rails."

This old-fashioned melodrama — boogie, hissing, and cheering included — centers around the story of Simon Darkway (arch villain) seeking to control, for his own vile purposes, the Walker Valley, Pine Bush & Pacific Railroad.

Opposing him are the gallant hero of the tale Truman Pendennis, the beautiful Prudence Hopewell, the widow Hopewell, and the staunch, loyal friend of Truman Pendennis, Harold Stanfast. Assisting Darkway in his scheme are Dirk Sneath, a viper of a man, and Carlotta Cortez, the sultry siren with a heart of gold.

Swiftly and hilariously the plot unfolds, leading to a tremendous climax when the

hero is bound by the villains to the tracks in the path of an onrushing train; but the heroine arrives in the nick of time. She stops the train and virtue stands triumphant while the evil-doers get their just deserts.

The final scene closes in a blaze of glory as Prudence flagging the onrushing train with her hastily discarded red skirt, bravely shouts, "Shall prudish modesty send those men to their deaths? No, no, a thousand times NO!!"

The play is under the direction of R.L. Koger and assistant director M. Muehlenbeck with a cast of S.J.H.S. veteran and award winning actors and performers.

For many in the cast this will be their final high school acting appearance, thus culminating a four year background that has reached into all aspects of theatre and led them to award winning records.

We are sure that you will not want to miss this great entertainment. Tickets are \$1.25 and may be purchased at the door or from drama club or cast members.

## Accident fatal to Fowler man

BATH TWP. — A 23-year-old Fowler man, Donald J. Kramer, died of apparent electrocution Tuesday morning at 11 am after a pole being guided into place by a General Telephone Co crew evidently came into contact with live power at the Bath Exchange.

An investigation is underway by safety dept representatives of General Telephone.

A 1969 graduate of Fowler High School, he resided on North Hinman Rd, Fowler. He is a 1971 graduate of United Electronics Institute and was hired as a lineman for General Telephone June 12, 1972.

Jim W. Koenigsmecht

## Fowler man holds 2nd highest Mich. Jaycee post

The Michigan Jaycees held their annual State Convention at the Civic Center in Lansing recently, and Jim W. Koenigsmecht of the Fowler Jaycees was elected unanimously to the office of Internal Executive Vice President, second highest office of the Michigan Jaycees.

Long active with the Fowler Jaycees, he is the assistant parts manager for Bee's Chevrolet in St. Johns.

Koenigsmecht is past president of the Fowler Jaycees, past District 18 state vice president and is currently serving as U.S. Jaycee National Director for the Region G. Jaycees and is actively serving on the Growth and Extension Committees of the Michigan Jaycees.

Koenigsmecht received an award at the convention for outstanding accomplishment in the field of recruiting from the U.S. Jaycees.

He and his wife Brenda reside at E. Third St. in Fowler. He will assume his newly elected office June 1.

## Bicycle registered?

ST. JOHNS — Is your bike registered? If not, better visit the St. Johns Police Dept. and get the job done, all for the price of 50 cents.

It is required by law to have all bicycles registered in the City of St. Johns and those not registered are subject to impoundment by the City Police Dept.

Police Chief Lyle French also explains that bicycles are subject to the same traffic regulations as autos and those violating those regulations may be ticketed.

He also urged riders to follow the rule of riding with the traffic instead of against it. Riders are reminded that bicycles are prohibited in the downtown Clinton Ave. area.

## Westphalia bowling tourney raises \$1500 for field lights

Champions of the Westphalia Bowling Tourney are [from left], Wayne and Mary McQueary, [rear, from left] Bob and Alice Smith, Shirley and Stan Smith and Mary Ann and Nick Pung.

The 3rd Annual All-City Bowling Tournament came to an end on Sunday, April 13. The championship team title went to the Keglers who rolled a 2992 total over the Pushovers total of 2867. Individual awards went to Roger Pohl, high men's series

with 724; Carol Curtis won both the high single game and high series for the women with 259 and 752; and Dan Wirth fired a 266 for the men's high game. The tournament is a joint effort by local organizations to raise donations for lights at the Daniel Droste Memorial Park

ball field. Tournament entrants are limited to teams bowling at the Knights of Columbus bowling alleys, and include the Mixed Doubles; the Women's and Men's bowling leagues. The tournament earned over \$1500.

### Present keyboard arts recital and demonstration

Keyboard Arts students of Diantha Witteveen presented a recital-demonstration on May 16 at the Congregational Church.

Sixty-five family members, friends, and interested observers attended the program. Keyboard Arts is a nationwide organization of music educators that provides materials and training for its licensed teachers, including regular visits from consultants to keep each teacher involved in the program's latest developments.

The children who enroll in the basic course are ensured the ability to sight read music

fluently, on their own, in a span of 2 or 3 years.

The 3 classes showed lesson techniques including flash-cards, duet procedure, assigned pieces, impromptu creative work, and an original song, based on assigned creative work.

The Introduction to Music Study class of 7 and 8 year olds demonstrated ear training, response to rhythmic flash-cards, knowledge of the keyboard, and elementary theory.

Mrs. Witteveen announced plans to teach a jazz improvisation class to qualified 8th and 9th grade students, and

an adult beginners class, both of which will start in September. A brief question period followed, and refreshments were served.

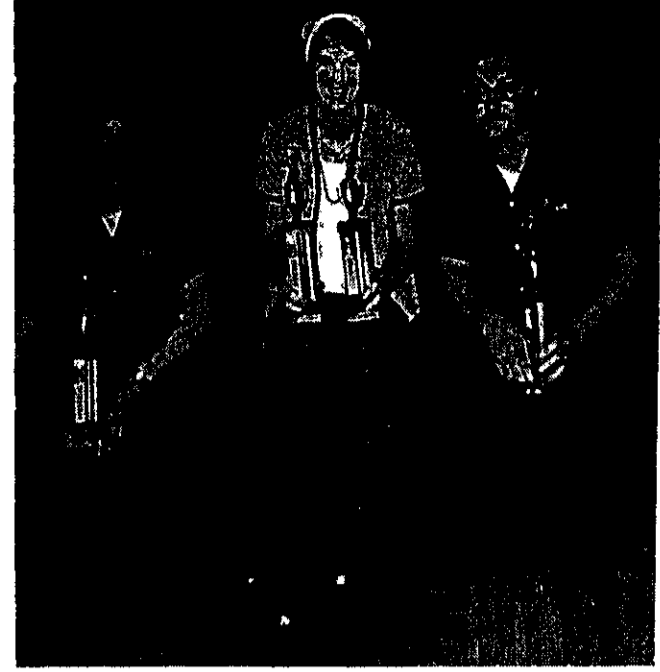

Students participating included Kyle Barnhart, Odette Garapetian, Colleen McCarthy, Daniel Redman, Tina Trefil, Lisa Vitek, Sarah Witteveen, John Archambault, Dori DeWitt, Lauryn Escher, Juliet Garapetian, Maggie Martindale, Bill Tennant, Steve Vandemark, Gretchen Banning, Mary Davis, Pamela Smith, and Ellen Witteveen.

### Church of Christ sets Bible School

A family oriented evening Vacation Bible School has been set for June 16-20 at the Church of Christ, corner of State and Mead Streets, St. Johns.

The program will run from 7 to 9:15 p.m. each day with the theme, "Jesus, Touch Me." A nursery will be provided and classes will be available for all ages of the family.

Transportation will be provided free of charge and may be arranged by calling the minister, John Phipps, at 224-6421. Mrs. Edwin (Stella) Goodrich is VBS director, assisted by Mrs. Arnold (Marilyn) Horning.

High singles and series winners are Dan Wirth, high single, 266; Carol Curtis, high single, 259, series, 752; Roger Pohl, high series, 724.

The runners-up, Pushovers, are [from left] Roy Schneider, Ken Bengel, Dave Simon, Mike Gross and Ron Droste. Not shown are Darrell Hengesbach and Steve Wieber.

Westphalia Bowling Tourney Committee [from left] Clare Weber and Mike, Joe and Bud Thelen. Not shown is Frank Spitzley.

Bowling alley manager Hermann Thelen.

### Church of Christ to hold rally, concert

An area-wide youth rally, hot dog roast and folk-gospel music concert will be held at 7 p.m. Saturday at the Church of Christ, corner of State and Mead Streets in St. Johns.

The rally is free of charge for youth from 7th grade up and all youth of the county are invited, says rally chairman Carol Rozen of the Church of Christ youth group. A free-will offering will be received.

The singing group, Psalm 151, from Michigan State University will open the rally with a 25-

minute concert. The 6-member group features folk-gospel music both original and from such sources as the popular recording group, Love Song.

Following the concert, Gary Hawes, campus minister at MSU and a former resident of Elsie, will discuss the evening's theme, "Our Time -- Spiritual Jam or Slam?"

The program will conclude with a hot dog roast and a songfest led by Psalm 151 around the campfire outside the church building.

### Receive degrees from Aquinas

GRAND RAPIDS - Aquinas College in Grand Rapids conferred 275 degrees at its commencement exercises Saturday, May 17, including 2 to graduate from the St. Johns area.

Jane M. Smith received a BA in History. An Honor Student while at Aquinas, Jane was named to the Who's Who of American College Students. She is the daughter of Mr. and Mrs. Howard J. Blasen, 2841 Green Road.

Thomas P. Warstler received a BS in Geography. He is the son of Mr. and Mrs. Donald D. Warstler, 306 S. Oakland.

### Liaison to visit

Congressman Elford A. Cederberg's liaison man, Ronald W. Stolz, will be visiting the Clinton County Courthouse in St. Johns Monday, June 2, from 11 a.m. to noon.

Cederberg reminds those who might have a problem with a Federal agency to take any documents that might help to identify the case to Stolz.

Many a man has a conscience that always loafs on the job.

## Hospital presents service awards

Twenty-nine employees of Clinton Memorial Hospital were honored at the hospital's annual service awards banquet May 15 at Daley's Restaurant.

Gold watches were presented to 5 employees who have served Clinton Memorial Hospital for 25 years: Anna Devereaux, R.N.; Beatrice Isbell, R.N.; Dorothy Weber, R.N.; Maxine Parmelee, Dietician; and Betty Henry, Nurse Aide. Mrs. Henry also is retiring.

For 20 years of service gold and diamond pins were awarded to Mary Ellen Buggs, R.N.; Alberta Fedewa, Receptionist; and Amy Splane, Nurse Aide.

Employees given gold and ruby pins for 10 years of service were: Irene Armbrustmacher, R.N.; Barbara Bandt, R.N.; Emma Berkhousen; Dorothy Botlmer, R.N.; Mary Ewing, R.N.; Georgia Motz, R.N.; Dioncia Rositas; Dominga SanMiguel; and Walter Sleeth.

Five-year gold pins were presented to Yvonne Asher, Carol Carroll, Mary Crosby,

### Lt. Rehmann

FT HUACHUCA, ARIZ - Second Lieutenant James L. Rehmann, son of Mr and Mrs John J. Rehmann, 605 S. Mead, St Johns, has completed a military intelligence officer basic course at the Army Intelligence School here.

He learned to provide timely intelligence to the commander in the field.

### FT3C Butler

Navy Fire Control Technician Third Class Michael J. Butler, son of Mr and Mrs Richard F. Butler of 705 S. Mead St, St Johns, is helping provide disaster relief to the people of Mauritius, an island in the Indian Ocean.

He is a crewmember aboard the nuclear-powered guided missile cruiser USS Long Beach, which was dispatched to render aid after a cyclone struck the island.

His ship is assigned to escort the nuclear-powered attack aircraft carrier USS Enterprise, which was also diverted to the island while embarked on a routine cruise in that area.

Upon resuming the cruise, Butler is scheduled to visit Singapore.

Norma Delo, Leola Gove, Loveoan Herbruck, Mildred Luther, Barbara Maurer, Joann Post, Sharon Shutes, Ruth Witgen, Charlene Wurn.

Honorary guests present with more than 25 years of service were Shirley Craner, R.N., and Donald G. Isbell, Services Manager.

Presentations were made by Administrator Paul E. McNamara and Irene Zeeb, Chairwoman of the Board of Directors of the hospital. McNamara later praised the honored employees. "Clinton Memorial Hospital appreciates the valuable and devoted service these employees have provided. They truly are 'Neighbors Trained and Equipped to Help Neighbors.'"

Representing the medical staff of the hospital were Dr. James Grosi, Dr. H. Garapetian, Dr. George Bennett and Dr. T. Chuntarasupt.

Following the presentation of awards, Eugene Livingston performed his Mark Twain monologue.

### North Bengal

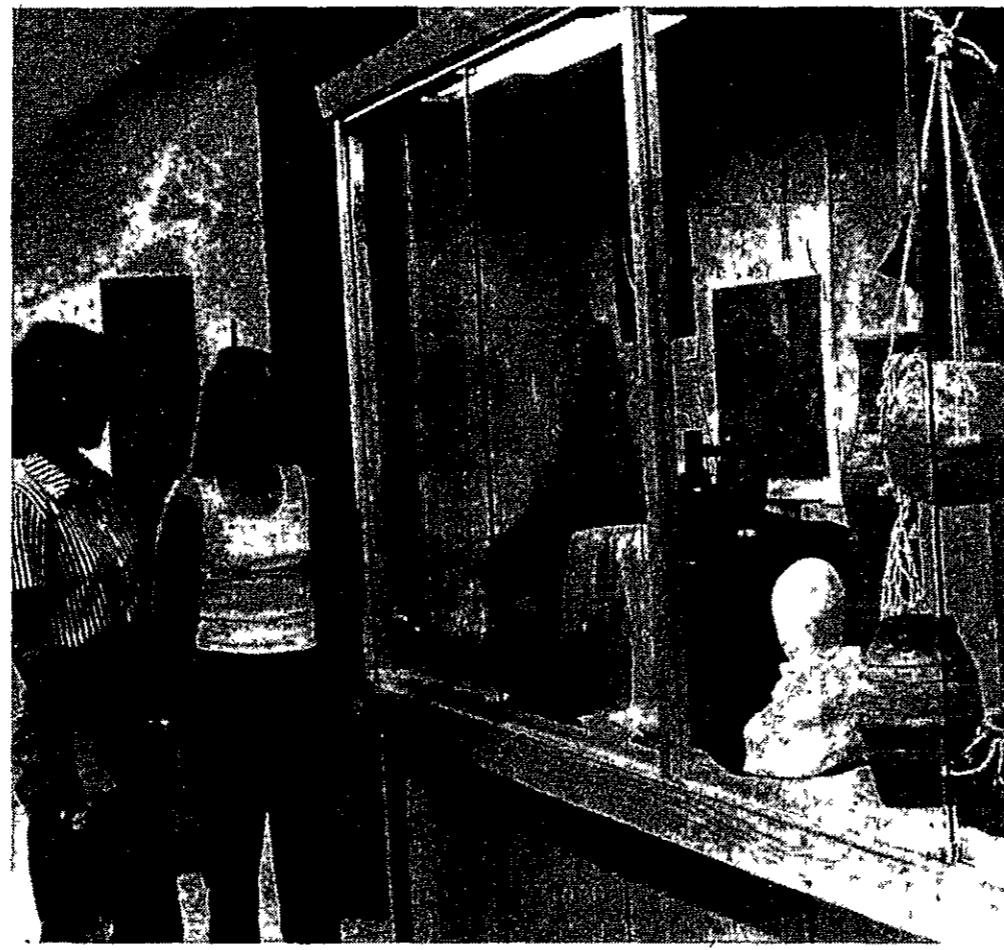

Mr. and Mrs. Floyd Foerch returned home Friday, May 16 from a two weeks vacation trip to North and South Carolina, where they visited relatives and friends.

Mrs. Iva Schafer of Lansing, Mrs. William Ernst and Maxine Ernst were dinner and supper guests of Mr. and Mrs. Robert Beckhorn of Ionia on Sunday, May 18. They attended the Antique Show and Sale at the Ionia fair grounds in the afternoon.

On Sunday, May 18, Mr. and Mrs. Floyd Foerch were dinner guests of his brother-in-law and sister, Mr. and Mrs. Lloyd Nequette of Lansing.

Mr. and Mrs. Robert Eldridge, Mr. and Mrs. Rudolph Tiedt and Mr. and Mrs. Erwin Tiedt attended a dinner and card party at the home of Mr. and Mrs. Fred H. Tiedt of Fowler on Saturday evening, May 17.

Mr. and Mrs. Fred Sehlke of Fowler spent Sunday evening, May 18 with Mr. and Mrs. Fred W. Pasch.

### "Gallery Two"

The Art Department of St. Johns Public Schools is busily preparing for its annual art exhibit. The exhibit, titled "Gallery Two," features the work of advanced senior high school art students. Selected examples from classes in ceramics, crafts, drawing, graphics, painting, and sculpture will be on display. "Gallery Two" will open to the public on Sunday, June 1 from 2 until 5 p.m. and will be open Monday and Tuesday, June 2-3, from 3 to 5 p.m. and 7 to 9 p.m. "Gallery Two" will be located in the community room of the Central National Bank. Among the exhibitors will be (from left) Marilyn Miller and Cheryl Bancroft.

Ruth Ann Simon Engagement

Mr. and Mrs. Leigh Lyon, 5058 South DeWitt Rd., St. Johns, announce the engagement of Ruth Ann Simon, daughter of the late Hilary G. Simon, to Richard R. Riley, of 431 Leasea St., Williamston. He is the son of Mr. and Mrs. Edward Riley, 505 Prospect, South Haven, formerly of St. Johns.

The bride-elect is a 1974 graduate of St. Johns High School and is employed by Allstate Insurance. The groom-to-be is a 1973 graduate of St. Johns High School and is employed by General Telephone. The couple plans an Aug. 16 wedding.

### It's Possible Now

With present knowledge more than 100,000 additional lives could be saved yearly from cancer if everybody acted on the American Cancer Society's advice to seek early diagnosis and prompt treatment. ACS also says: Get an annual health checkup.

### Glee Jury and Gary Bengel exchange vows

Glee Rose Jury became the bride of Gary Lee Bengel in a 7:30 p.m. ceremony April 26 at First United Methodist Church in St. Johns.

Rev. Francis C. Johannides officiated in the double ring service. Singing was provided by Mrs. Glenn Grubaugh.

Glee, daughter of Mr. and Mrs. Otto E. Jury, Sr., of West Colony Road, St. Johns, was given in marriage by her father. Gary is the son of Mr. and Mrs. Bernard Bengel, Route 1, Pawam.

The bride wore a Victorian gown of white silk organza with high neckline and bishop sleeves adorned with chantilly lace. A bell skirt with detachable chapel length train fell from mid-back. The imported illusion veil was edged in chantilly lace and attached to a Camelot cap.

The bride carried a bouquet of pink sweetheart roses surrounded by baby breath and adorned with pink ribbons. The couple stood before an altar arrangement of spring bouquets in colors of pink and white. Sprays of spring flowers decorated the candelabra.

Matron of honor was the sister of the groom, Sandra George of Fowler. The bride's sister-in-law, Phyllis Jury of Buchanan, was a bridesmaid, as was Glenda Jury of Buchanan, a niece of the bride. Cheryl Jury of Buchanan, also a niece, attended the guest book. Host and hostess were Mr. and

Mrs. Donald Reeve of Lansing.

The bridal attendants wore floor length gowns of pink polyester crepe with a high neckline edged in fine white lace matching the cumberbund. The gowns featured long flared sleeves with tight cuffs. Each attendant wore white picture hats with a band and streamers of pink ribbon.

Both mothers were dressed in floor length gowns. The bride's mother wore a light blue silk with a matching jacket at hip length. The groom's mother was dressed in green crepe with an eyelet embroidered full length coat of matching color.

The groom's best man was his brother-in-law, George George of Westphalia. Groomsmen included Gary's brother, Otto Jury, Jr., of Buchanan, and his brother-in-law; Brendon George of Fowler. Ushers were nephews Dale and Dennis Jury of Buchanan.

A reception for 250 guests was held after the wedding at the Knights of Columbus Hall in St. Johns. Beverly George and Ann Boak served the wedding cake after a buffet dinner.

Special guests present included the groom's grandparents, Mr. and Mrs. Herman Fandel of Westphalia.

Glee chose a blue princess style floor length dress with cape for her wedding trip to Northern Michigan and Canada.

The bride, a 1963 graduate of Rodney B. Wilson High School and a graduate of Lansing Business University, is a secretary at Oldsmobile in Lansing. The groom, a 1966

Mr. & Mrs. Gary Bengel graduate of Pawam-Westphalia High School, is employed by the State of Michigan Department of Labor. The couple resides at 1209 DeGroff, Grand Ledge.

### North Victor

The circle drive way has been re-graveled.

The Victor Civic Club meets on Thursday, May 15, at the Winona Showerman home. Esther Jones has charge of the

program and her topic will be "Churches stand on Capitol punishment". Mrs. Myrtle Hunt will act as co-hostess.

Stockman-Horton Grange will meet with Mr. and Mrs. Arthur Curtis on Thursday evening, May 23. A potluck supper will be served before the business meeting.

### Judith Ann Keyes now Mrs. Thomas C. Lindsay

HASLETT - Judith Ann Keyes became the bride of Thomas C. Lindsay II in a 7

p.m. ceremony at the Meridian Hills Clubhouse in Haslett April 26.

Judge James Giddings performed the double ring ceremony in the presence of the immediate family. A reception was held immediately following the wedding.

The bride, daughter of Mrs. Hazel E. Keyes and the late Ivan G. Keyes, was attired in yellow with a spring flower bouquet. Her sister, Mrs. Pamela Lee, attended her in a flowered gown with a bouquet similar to the bride's.

The groom, son of Mr. and Mrs. Thomas C. Lindsay of Lansing, was attended by his father as best man.

Special guest was the groom's maternal grandmother, Mrs. Mae Shultz of Hastings. Following a short honeymoon, the couple made their home at 1745 Maple Ridge Drive in Haslett. Both are employed by the State of Michigan's Department of Social Services.

It is not how much we have, but how much we enjoy what we have, that makes for happiness.

### Judith Jeffery now Mrs. David Parker

Judith Jeffery and David Parker exchanged vows of marriage in a high noon ceremony May 10 at St. Marys Church, Antwerp, Ohio.

Parents of the couple are Mr. and Mrs. Delbert Jeffery, Antwerp, Ohio and Mr. and Mrs. Edward Parker, DeWitt, Mich.

At the organ was Mrs. Theresa Mobley, Soloist was Rev. Charles Bradford.

Given in marriage by her father, the bride chose an embroidered organza A-line silhouette gown, styled with a portrait neckline, Juliet sleeve, and a natural waistline with Dior bow and streamers. Yellow and white check ribbon, with self embroidery encircled the skirt and self train which was flounced at the hemline and flowed to chapel length. She wore a picture hat of matching fabric and ribbon with floor length illusion streamers. The bride carried a bouquet of daisies, yellow roses, baby breath and violets.

Serving her sister as matron of honor was Mrs. Sye Jordan wearing a yellow and white check, empire waist gown. Accents included long tapered sleeves and flounced hemline. She carried a bouquet of daisies, baby breath and violets.

Junior bridesmaid was Joni Jordan, niece of the bride,

wearing a dress similar to the matron of honors. She carried a small bouquet of daisies, baby breath and violets.

Flower girl was Amy Jordan, niece of the bride, wearing a dress identical to the bridesmaids. She carried a basket of yellow rose petals.

The attendants wore large white picture hats with daisies and yellow and white trim. Dale Foster of DeWitt, Mich., friend of the groom, served as best man.

The guests were seated by Steven Jordan, brother-in-law of the bride.

A reception followed at St. Marys Center with Mary Maassel cutting the cake. Servers included, Mrs. Michael Jackson, Miss Jill Jeffery, and Mrs. John Goll. Attending the guest book was Karen Gerdum.

The bride was a graduate of Antwerp High School and Parkview-Methodist School of Nursing, Ft. Wayne, Ind. Until her marriage she was employed as a Registered Nurse at Parkview Methodist Hospital.

The groom graduated from DeWitt High School. He attended Michigan Technological University at Houghton. He is now employed with Ford Motor Co. as a Branch Manager in their credit division in Philadelphia, Pa.

The couple will reside at 2316, Village of Penbrook, Levittown, Pa.

Mrs. David Parker

### Heidie Joann Lehmann and Gary F. Kistka exchange vows

LANSING -- Heidie Joann Lehmann and Gary F. Kistka exchanged wedding vows April 26 at Emmanuel Lutheran Church in Lansing.

Officiating in the 4 p.m. double ring service was Rev. Daniel Buske, Linda Truman sang music accompanied by organist Karen Molebeck.

The bride, daughter of Mr. and Mrs. Ehrenfried and Ilka Lehmann, 12754 Wood Rd., Bath, chose an empire dress trimmed in lace with scoop neck covered in lace. The sleeves were of sheer lace, with the empire style flared in back to a long train. Her floor length veil was trimmed with white lace and featured a small blusher.

The bridal bouquet included pink, yellow and orange roses and blue, green and white carnations, accented with lily of the valley streamers. The streamers ended with two rings of tiny colored roses symbolizing the couple's rings. They stood before a multi-colored altar display of roses and carnations.

Heidie's sister, Rosie Briggs of Dimondale, was matron of honor. Bridesmaids included Christine Krupke of Lansing, and Nadine, Christine and Marsha Kistka, all of Jackson.

The matron of honor wore blue, the attendants wore green, yellow, orange and pink long empire-waisted dresses with rounded square necklines trimmed with white lace. Headresses of floppy hats and bouquets of carnations and roses matched the respective gowns.

Mother of the bride chose a long sleeveless dress of melon color with a jacket. Her corsage was of tiny roses, some matching the dress, others white. The groom's mother wore a long aqua gown with V-neck. The dress was trimmed in silver; her corsage featured tiny aqua and white roses.

**BIRTHS**  
A girl, Kasandra Lynn, was born to Mr. and Mrs. Michael L. Ritter of Westphalia, May 15 at Clinton Memorial Hospital. She weighed 6 lbs 14 1/2 ozs. Grandparents are Mr. and Mrs. James Ritter and Mr. and Mrs. Lawrence Marriage. The mother is the former Devona Marriage.

A boy, Gregory Michael, was born to Mr. and Mrs. Ernie Steffen of St. Johns May 20, 1975 at Clinton Memorial Hospital. He weighed 6 lbs. 11 1/2 ozs. Grandparents are Mr. and Mrs. Ernest Steffen, Sr. and Mr. and Mrs. Denis Rademacher. The mother is the former Sandy Rademacher.

A boy, Brent Alan, was born to Mr. and Mrs. Ronald C. McCarty of 3350 Van Horn Rd., Trenton, Mich. on May 4, 1975 at Wyandotte General Hospital. He weighed 6 pounds, 9 1/2 ounces. Grandparents are Mr. and Mrs. Leo Thelen of Fowler and Mr. and Mrs. Robert McCarty of Monroeville, Pa. The mother is the former Linda Anne Thelen.

**FULL SCHEDULE**  
There are three times in every man's life when he should do his very best - yesterday, today and tomorrow.

Mr. & Mrs. Gary F. Kistka

### Announce engagement

**Councilmen act on several items**

**Quiet meeting for DeWitt Council**

DEWITT - The controversy that has invested past DeWitt City Council Meetings was absent May 21 as the 5 local citizens attending were content to sit relatively quiet through the 2 hour and 15 minute meeting.

The situation was somewhat different from the special May 15 meeting when the council decided to drop the proposed sewer improvements for the Lake Geneva area because of opposition from local property owners.

At that meeting, the Lake Geneva Property Owners Association headed by Tom Warth produced petitions showing that more than 51% of the area property owners were against the sewer improvements, mostly because of costs.

Though the sewer project is now dead, council did approve issuing a special assessment and general obligation bonds to pay for the blacktopping of roads in the Lake Geneva area. Special assessments bonds will total \$150,000 and general obligation bonds of \$9000.

They will be issued Aug. 1 and the 1st interest payment will be made in September 1976.

The cloud of Watergate hovered over DeWitt for awhile when Mayor Pro-tem Gary Gillespie brought out the Planning Commission's recommendation that the city purchase a tape recorder. The Planning Commission wanted the recorder to tape their meetings, but several council members agreed that, if the recorder is purchased, it would be for the use of all city officials. Then, Councilman Charles Bauer, raised the questions whether or not it would be legal to tape City Council meetings.

After some discussion, the council voted to have the city attorney look into the matter.

The council also disapproved the annexation of land outside of

DeWitt, near Lake Geneva on the basis of a letter from Don Oederkirk, Mid-Michigan Health Dept. Oederkirk said because of high water levels in 5 of the 10 blocks, the Health Dept. couldn't recommend them as buildable sites.

In other action, the council: -Instructed Police Chief Wendell Myers to have his force

answer all calls to the residence of Mrs. Margaret Faught, but return if no criminal action is found. Mrs. Faught has complained several times to police about children fishing on her private "property" and Councilman Bauer said she has tied up police in what is essentially a civil matter. -Voted to have the city at-

torney and the police committee look into the problem of open pits on land being developed on Manchester and West Geneva Rd.

-Instructed the city clerk, Dorothy Keck, to get the city's application in for federal revenue sharing funds. -Approved the hiring of 10

disadvantaged youths from the Lansing School Dist. to work on grounds and park maintenance for the summer.

-Asked for \$210 from the Clinton County Road Commission for a chloride treatment package for city roads.

-Agreed to table the appointment of Bill Elliott to the Planning Commission until the next meeting when more information can be gathered concerning his qualifications.

-Approved the payment of \$3,800 to the accounting firm of Briggs, Hall and Hasterman for auditing the city's finances.

-Asked City Engineer Orla McGuire to begin accepting bids for the opening of the well outside city hall.

-Agreed to send Police Chief Myers to a police convention in Boyne Mountain May 22-25.

**DeWitt VFW Post and Auxiliary install officers**

The DeWitt VFW Post and Auxiliary #671 held a potluck dinner and officer installation May 21.

After the dinner, Past Ninth District Commander and President, Aaron and Twila DeFreese, installed 1975-76 officers. They also dedicated the Auxiliary flag and an American flag, which has been certified as flying over the Capital in Washington, D.C., to fly over the post.

The elected officers for the Post are as follows: Commander, Robert Hatch; Sr. Vice Commander, John Moore; Jr. Vice Commander, George Woodard; Quartermaster, Thomas George; Advocate, Michael Mullins; Chaplain, Albert Ferrier; Surgeon, Harold Hunnell; Trustee-3 year, Bernard Tice; Trustee-2 year, William Weston; Trustee-1 year, Duane Fowler; County Council Delegates, Michael Mullins & John Moore; County Council Alternates, Thomas George, Timothy Belbeck & Bernard Tice.

The elected officers for the Auxiliary are as follows: President, Mildred Rice; Sr. Vice President, Linda Crowe; Jr. Vice President, Wilma Belbeck; Secretary/Treasurer, Virginia Fowler; Chaplain, Mary Woodard; Conductress, Nancy George; Guard, Jane Hatch; Trustee-3 year, Jean

Symonds; Trustee-2 year, Frances Oberst; Trustee-1 year, Wanda Mullins.

Nancy George, this year's Auxiliary President, received her Past Presidents' Pin. She

and all other 1974-75 officers will remain in office until after the VFW State Convention, being held at the Lansing Civic Center this year on June 20-22.

**Hold services Thursday for Sylvia Stankula**

DEWITT - Funeral services were held Thursday, May 22 from DeWitt Area Chapel for Sylvia L. Stankula, 74, 609 Birchwood, DeWitt, who died Tuesday, May 20 at Clinton Memorial Hospital.

Rev. Father Jerome Schmitt

officiated with burial at Riverside Cemetery in Vassar. Mrs. Stankula was born in Montana Feb. 18, 1901.

She was married April 24, 1953 in Caro to John Stankula, who survives.

Mrs. Stankula was a member of the Methodist Church.

**What Medicare doesn't cover**

By Sidney N. Manning, District Manager Social Security Administration

First in a Series

Most people have a pretty good idea of what Medicare covers. They know that it helps pay for most major health care - for example, inpatient hospital care and doctors' services during an illness. But what are the things Medicare does not cover?

That question, according to Sid Manning, social security district manager in Lansing, is one that people frequently ask about Medicare.

"The completely new edition of Your Medicare Handbook answers this question," Manning said.

The new handbook was mailed by the Social Security Administration to more than 23 million aged and disabled Medicare beneficiaries, and to hospitals, doctors, and other health care professionals late last year. Anyone who for some reason did not receive a handbook can pick up a copy at any social security office.

"A prime feature of the new handbook," Manning said, "is a comprehensive listing of services and supplies that Medicare does not cover, as well as those it covers only under certain conditions."

"For example," he said, "Medicare does not pay for preventive medicine, such as physical checkups and routine eye and hearing examinations. Drugs and medicines the beneficiary buys himself are not covered. Neither are eyeglasses or dentures.

Another chapter in the new handbook describes two other important rules about Medicare coverage according to Manning.

"Just because a beneficiary is in a hospital or other health facility does not automatically guarantee that his expense will be covered," he said.

"Medicare cannot cover care that is not considered reasonable and necessary for the treatment of an illness or injury, even though it is furnished in a hospital or skilled nursing facility participating in Medicare. Also not covered is a hospital or skilled nursing facility stay, when primarily custodial care is provided - such as help walking, getting in and out of bed, bathing, dressing, eating and taking medicine."

The handbook also contains tables showing what services are covered and what services

are not covered when a beneficiary is in a hospital or skilled nursing facility, or is receiving care from a home health agency or a doctor.

Some types of care and some certain conditions or in specific situations. For example, Medicare does not cover health care outside the US except for certain situations involving Canadian or Mexican hospitals. These are also explained in the new handbook.

"Many beneficiaries," Manning said, "assume that whatever their doctor prescribes for their treatment is automatically covered under Medicare. This isn't always true, and we hope that the new Medicare handbook will clear up this misconception."

Manning said every beneficiary should keep his handbook in a safe place so that he will have it when he needs information about Medicare.

"To find out what page the information is on," he said, "all he has to do is look up the subject in the index."

When a beneficiary can't find the information he needs in the handbook, he can get it by simply calling any social security office, Manning said.

**Advise livestock farmers to hedge**

EAST LANSING -- In the face of lowering prices, Michigan livestock producers may benefit from hedging, but they must act quickly, advises George Dike, Michigan State University agricultural economist.

"Prices cattlemen receive for choice steers recently reached a high of \$50 per hundredweight, but those high prices have already begun to lower," Dike explains. He expects a slow price decline to the low 40s by early 1976.

"Cattlemen can avoid even lower prices by locking in a favorable price with a futures contract. When nearby futures are high, distant futures also tend to increase, sometimes as an overreaction, according to Dike.

"If a farmer prices his corn for feed at \$2.25 per bushel and buys calves at \$35-\$36 per hundredweight, he can sell those calves as choice steers at \$40 per hundredweight and break even," calculates Roy Black, MSU ag economist. "If you buy yearling steers for \$35 and feed them \$2.25 corn, you can break even by selling at \$40."

If corn is priced at \$2, a farmer can break even by buying feeder calves for \$40 and yearling steers for \$36.

Yearling feeders may benefit most with nearby (June or August) futures contracts, if they schedule their sales for the month before the contract matures.

Unavoidably, there will be increasing beef supplies, Dike points out. Cattlemen are selling more heifers and cull cows for slaughter.

**If anybody says you can't get \$200 cash back on a new car... TELL 'EM TO GO TO DODGE!**

**\$200 CASH BACK ON DODGE DARTS.**

**\$200 CASH REBATE DIRECT FROM CHRYSLER CORPORATION.** Who says the rebates are over? Right now, you can get \$200 back on a '75 Dodge Dart when you buy or lease from inventory. \$200 mailed direct from Chrysler Corporation...after you've made your best deal. **NOW'S THE BEST TIME TO BUY A DART.** What a time to get a rebate from Dodge. Millions of tax rebate checks, of up to \$200, are already on their way from Washington. You don't have to wait to apply your tax rebate towards a Dart. Right now, you can get \$200 cash back from Dodge. **DART MEANS VALUE.** You'll not only get \$200 cash back, but you'll be getting a car that's famous for gas economy

-low purchase price--and the highest resale value in its class. **FOR A LIMITED TIME ONLY.** Better talk to your Dodge Dealer now, 'cause rebates on Darts won't go on forever. He'll show you how to make your tax rebates go a long way. And how to get \$200 back from Chrysler Corporation. There's a limit of one cash rebate offer to a customer...retail customers only, at participating Dodge Dealers. So if anybody says you can't get \$200 cash back on a new car...tell 'em to go to Dodge.

**SEE THE DODGE BOYS RIGHT NOW FOR A \$200 REBATE ON TOP OF YOUR TAX REBATE.**

THE DODGE BOYS

**You've always thought you were a Good Neighbor. Now prove it. (Join Us.)**

There are a lot of jobs to be done in this world, helping people in trouble, in pain, in distress. American Red Cross takes on more of these jobs than anybody. Surprised? Remember, Red Cross is more than blood drives. Its more than helping the thousands of victims of disasters. In fact, American Red Cross tackles over 100 different kinds of "Helping People" jobs--in the city, the suburbs, wherever you are.

We need money, it's true, so we can go on offering all our free services. But we also need hearts. And hands. And conviction. Call your local chapter. Join us.

Right now, in your own community, there's a crying need for whatever you have to give.

Wait. Keep your wallet in your pocket. We don't want your money; all we want is a small piece of yourself--your humanity.

If you can drive a truck, bake a cake, tie a shoe, balance a budget, dry an eye or blow

a nose, we can direct you to the people in your neighborhood who need your help the most. Have a heart. Write Volunteer, Washington, D. C. 20013. If not for their sake, then for your own. Because it's not so much those of us who need help who are the handicapped. It's those of us who won't give it.

Volunteer.

It'll make you a better human being.

# THE MEANING BEHIND IT ALL

Funeral service would be meaningless if it didn't revolve around human needs and feelings.

Fulfilling those needs and respecting those feelings is the whole meaning behind what we do.

## Clinton area obituaries

### Leo A. Bauer

WESTPHALIA -- Funeral mass was held Saturday, May 24 from St. Mary's Catholic Church for Leo A. Bauer, 62, of Westphalia, who died May 21 at Clinton Memorial Hospital.

Rosary was held May 22 and May 23.  
Rev. Father James Schmitt officiated with burial at St. Mary's Cemetery.  
He was born April 23, 1893 in LeRoy, Wis., the son of Joseph and Mary Bauer.

A resident of Westphalia most of his life, he was married to the former Rose Schafer, who preceded him in death in 1961.

He was a self-employed silo builder and was a member of St. Mary's Catholic Church, St. Joseph Society, Knights of Columbus and the Holy Name Society.

Surviving are 3 sons, Gerald, Jerome and James all of Westphalia; 2 daughters, Mrs. Alice Fox of Lansing and Mrs. Constance Schafer of Fowler; 4 brothers, Victor, Alvin, Roman and Alex all of Wisconsin; 2 sisters, Mrs. Rose Bachuber and Mrs. Marie Weinberger of Wisconsin; 15 grandchildren and 3 great-grandchildren.  
Arrangements were by Neller Funeral Home of Portland.

### Daniel M. Stenzel

Daniel M. Stenzel, 79, of Watertown Township, Rural Eagle, passed away May 13 at a Lansing hospital.

A lifetime area resident, Mrs. Stenzel was a retired farmer. He is survived by his wife, June; one daughter, Joy Lee Nelson, one son Robert, both of Lansing; three grandsons and one brother, Henry of Okemos. Services were held Saturday, May 17, at 2 p.m. from Holy Family Funeral Home in Grand Ledge with Rev. LaVerne Bretz officiating. Interment was in DeWitt Cemetery.

### Louis Goodman

PORTLAND -- Funeral services were held Monday, May 19 from St. Patrick's Catholic Church in Portland for Ronald R. Schafer, 35, 2995 E. David Highway, Rt 2, Ionia.

He died May 15 at Sparrow Hospital.  
Rev. Donald Weber officiated with burial at Holy Trinity Cemetery in Fowler.

A native of Fowler, he was born May 3, 1940, the son of Mr. and Mrs. Alfred Schafer.  
An auto body shop employee, he was a member of St. Patrick's Church.

Surviving are his wife, Marie; 1 son, Ronald Jr.; daughter, Sarah; parents, Mr. and Mrs. Alfred Schafer of St. Johns; brother, Roman of Lyons; 3 sisters, Mrs. Arlene Phillips of Lansing, Mrs. Rosemary Stevens of Owosso, and Mrs. Alice Stevens of Lansing.  
Arrangements were by Neller Funeral Home.

### Ethel Bushre

ST. JOHNS -- Funeral services were held May 24 from St. Joseph Catholic Church in St. Johns for Ethel Bushre, 74, Eureka, who died May 22 at Carson City Hospital.

Father Goering officiated with burial at Mt. Rest Cemetery.  
A scripture service was held Friday at Osgood Funeral Home.

A native of Manistique, Mrs. Bushre was born Dec. 1, 1905, the daughter of Henry and Mary Hazen.

She attended Saginaw parochial schools and moved to the central Michigan area in 1948. She had lived in Eureka since 1961.

On Sept. 14, 1925, in St. Louis, Mich., she was married to Harry Lee Bushre who preceded her in death Aug. 6, 1961.

She was a member of St. Joseph Catholic Church and was a Blue Star Mother.

Surviving are 2 daughters, Maryellen Saxton of Harrison and Billie Mae Bushre of Polson, Mont.; 3 sons, Richard of Eureka, Tommy Lee with the U.S. Air Force in Germany and David of Maple Rapids; 2 brothers, A.J. Bunker of Saginaw and Howard Bunker of Vassar; sister, Mrs. Mildred Curtiss of Bridgeport; 6 grandchildren; 2 great grandchildren and 5 step-grandchildren.

### Ronald Schafer

PORTLAND -- Funeral services were held Monday, May 19 from St. Patrick's Catholic Church in Portland for Ronald R. Schafer, 35, 2995 E. David Highway, Rt 2, Ionia.

He died May 15 at Sparrow Hospital.  
Rev. Donald Weber officiated with burial at Holy Trinity Cemetery in Fowler.

A native of Fowler, he was born May 3, 1940, the son of Mr. and Mrs. Alfred Schafer.

An auto body shop employee, he was a member of St. Patrick's Church.

Surviving are his wife, Marie; 1 son, Ronald Jr.; daughter, Sarah; parents, Mr. and Mrs. Alfred Schafer of St. Johns; brother, Roman of Lyons; 3 sisters, Mrs. Arlene Phillips of Lansing, Mrs. Rosemary Stevens of Owosso, and Mrs. Alice Stevens of Lansing.  
Arrangements were by Neller Funeral Home.

### Warner Briggs

OVID -- Funeral services were held Friday, May 23 from Houghton Chapel of Osgood Funeral Homes, Inc. for Warner T. Briggs, 65, Maple Grove Cemetery Sexton for 34 years and Ovid village clerk for 21 years.

He died Tuesday, May 20 at Owosso Memorial Hospital.  
Masonic services were held at Houghton Chapel. Rev. Claude B. Ridley officiated at Friday services with burial at Maple Grove Cemetery.

He lived at 113 S. East St., Ovid.  
A native of Victor Township, he was born June 26, 1889, the son of James A. and Carrie Briggs.

On June 3, in Ovid, he was married to the former May C. Risdale, who preceded him in death in 1967.

Risdale, who preceded him in death in 1967.

Surviving are 1 son, Charles of Owosso; 1 daughter, Mrs. Dorothy Palmer of Tucson, Ariz.; brother, Lawrence of Ovid; 3 grandchildren and 1 great grandchild.

### Elmer Marten

RILEY TWP -- Elmer W. Marten, 76, died May 26 at Clinton Memorial Hospital.

Funeral services will be held Thursday, May 29 at 2 p.m. from St. Peter's Lutheran Church in Riley Twp.

A family prayer service will be held prior to the funeral at Osgood Funeral Home in St. Johns.

Mr. Marten is a native of Riley Twp. and was born June 29, 1898, the son of August and Augusta Marten.

On Nov. 14, 1923, he was married in Riley Twp. to the former Doris Chant.  
He owned and operated Forest Hill Store until 1964, when he retired.

He was a member of St. Peter Lutheran Church, served as Riley Twp. clerk for 25 years and belonged to the Michigan Township Association.

Surviving are his wife; 2 daughters, Mrs. Virginia Jastram of rural DeWitt and Mrs. Neva Flack of rural St. Johns; 6 granddaughters; 3 great grandsons; 2 brothers, Arnold Marten of Punta Gorda, Fla. and August Marten of St. Johns; and 1 sister, Mrs. Lorena Flowers of rural St. Johns.

### Charles Smith

DEWITT -- Funeral services were held May 23 from the DeWitt Area Chapel for Charles E. Smith, 85, 302 N. Bridge, DeWitt. He died May 20 at Ovid Convalescent Manor, following a short illness.

Rev. Richard Clark officiated with burial at Chapel Hill Cemetery.

A native of Spring Garden, Missouri, he was born May 10, 1890, the son of Henry and Isabella Smith.

He had lived for the past 5 years in DeWitt, moving here from Muskegon. He was a general laborer before retiring. He was a member of the DeWitt Community Church.

Surviving are 1 sister, Mrs. Ora Woodbury of St. Johns; 1 brother, Phillip M. Smith of Florida and 1 nephew, Henry Copley of Lansing.

### Paul F. Meder

Paul F. Meder, 70, 118 W. Clinton, Ovid, died Monday

morning at Memorial Hospital in Owosso.

He had been ill for 6 weeks. Funeral services were held at Houghton Chapel of Osgood Funeral Home Inc. in Ovid Wednesday, May 28 at 1 p.m. Burial was at Wilkinson Cemetery in Shiawassee County. Rev. Claude D. Ridley officiated.

Mr. Meder was born in New York City schools and was a graduate of Pratt Electrical Engineering College of New York.

He moved to Ovid in 1939. He was married to the former Elsie Wadley in Detroit Nov. 19, 1932.

From 1939 until 1947, he owned and operated the Ovid Theatre. He then worked for Ovid Savings Bank and was vice-president and cashier when he retired in 1965. He was a member of the United Church of Ovid.

He is survived by his wife Elsie; 1 son, Richard of Corunna; 2 grandchildren.

# FARM BUREAU NEWS

## Asparagus sale success

The sale of Michigan asparagus held the first 2 weeks in May was a success — 225 twenty pound cartons were sold and delivered to the county Farm Bureau office on May 22.

The asparagus was harvested by snapping and had very little

waste. It is considered one of the most nutritious foods we can eat.

Plans are being made to offer frozen cherries, strawberries, blueberries, apple slices and several varieties of frozen vegetables. This sale will take place in August.

Ron Motz, Bob Ancel, Judy Kissane and Marilyn Knight with asparagus arriving at Clinton County Farm Bureau office.

## Land use becomes more important

An increasingly important within legislative and regulatory group is land use. Land use legislation is now pending in both the Michigan Legislature and United States Congress. It is also the subject of proposals and regulations coming from various government agencies.

With an estimated one-third of Michigan's 36 million acres being agricultural land, the land use issue is of concern to farmers. There is a need for more prudent land use decisions to minimize the serious pressures facing good agricultural lands. However, where the decisions are made to provide orderly development of land resources is a key part of the issue.

Last December, voting delegates to the Michigan Farm Bureau Annual Meeting adopted a land use policy with emphasis the need for local land use planning. In an effort to develop a better understanding of land use proposals and local in-

volvement in land use planning, the Michigan Farm Bureau Board of Directors has recently asked that County Farm Bureaus appoint a Land Use Committee. These Committees will receive periodic information on the status of state and federal land use legislation affecting local land use planning. Information on county and township land use planning will also be supplied. When needed multi county or statewide land use meetings will be called for the Committee members to discuss land use.

The issue of federal land use planning has developed in the 94th congress to the point that a major bill H.R. 3510 has been planned in the House Interior and Insular Affairs Committee. Soon consideration of this bill entitled Land Use and Resource Conservation Act of 1975 will begin. This bill is not consistent with Farm Bureau policy.

Historically the authority to regulate land use has been vested with state and local government. Although the past performance of state and local governments in land use planning has been slow, noticeable progress is now being made to plan for the orderly use of land resources. H.R. would involve the federal government in many land use decisions. Farm Bureau members are urged to write their U.S. Representative and express opposition to H.R. 3510 which would lead to federal intervention in land use planning.

Most frequent causes of building fires are, in this order: electrical; smoking and matches; heating and cooking equipment; children and matches; open flames and sparks; incendiary or suspicious actions; flammable liquids; lightning; chimneys and flues; and spontaneous ignition. Faulty and misused electrical installations and equipment, which lead the list, are responsible for nearly 150 thousand fires each year.

## Why I am proud to be an American

By Mark LeClear  
Bath High School

The following is the first in the printing of the winning essays in the Young Peoples Citizenship Seminar competition. Three county schools participated in

the contest including St. Johns, DeWitt and Bath and 6 students were selected to attend the week long seminar to be held at Albion College, June 23-27. There will be 2 representing each school. The Seminar is sponsored by the Michigan Farm Bureau and features world renowned lecturers and educators as instructors.

"One reason why I am proud to be an American would have to be nationalism. Everyone in the world has this certain feeling for their country or nation. But this is not the greatest reason. What country has the greatest say in government? Who has more freedom? Who is greater entertained? Who is the most well educated? Where are foreigners greeted the best? Where are there more sports? Who is the strongest nation militarily?"

The answer to all these questions and many more like them is AMERICA! It is very

jealousy. "If we help a country they get mad at us because they say we're trying to make them look small. Yet if we don't help them they get mad at us because we didn't. Don't take my word for what

I've said, check the facts. See how many nations we've helped and then look at how few have helped us. I'm sure that after the facts have been compiled that you will also agree that the greatest nation on this earth is AMERICA!

Fowler

Mark LeClear

easy to see that America is the No. 1 nation in the world. "You may say that I've said these things because I'm an American, which I am. But do you know why we are hated by other nations, not because they think they're better than us, but

Ordination of Leon Martin, son of Mr. and Mrs. Sylvester Martin was held at the Holy Trinity Church in Fowler, May 18, with a mass and ordination which was given by the most Rev. James Sullivan of Lansing. A reception was held in the

Mr. and Mrs. Carl Boak and daughter, Mrs. Larry Barbour and son Jeffrey spent Sunday afternoon with Mrs. Lulu Boak and attended the open house at the FHA project and Mrs. Boak is moving there soon.

Parish Hall in the evening for relatives, friends and parishers. Spend all your time chasing rainbows and you'll eventually run into a severe storm.

## Board meeting cancelled

The regular May board meeting was cancelled after about a 1/2 hour session due to the lack of a quorum.

Many of the board members worked late in the field and when severe weather signs appeared around 9 p.m. it was decided to cancel the meeting for the month.

At the board meeting the date of county annual meeting was set for Oct. 14 at Smith Hall.

At large delegates to the State annual were named recently by the nominating committee.

They are as follows: Bob Fox, John Kowatch, Victor LaRue, Max Miller, Harold Lietzke, David Morris, Art Motz and Paul Seeger. The county is entitled to 14 and the remainder will come from the Board of Directors.

Michigan Farm Bureau reached its 1975 membership goal on May 9 - 10 days earlier than 1 year ago. Total membership is 61,098. Forty six counties have made their goals as of this date. Farm Bureau has increased membership in each of the last eight years.

## Rural Urban Day July 12

The annual Rural Urban Tour is set for July 12 and is under the direction of the County Farm Bureau Young Farmers Committee — Mr. and Mrs. Mike Borton, Mr. and Mrs. Alan Anderson, Mr. and Mrs. Mike Pettigrew and Douglas Brook.

County Board members and their families will each invite a guest family as will the Young Farm Committee members.

The tour will include visits to three farms of varied commodity interest and a chicken barbecue and recreation for the children.

## Farm Bureau Women visit Cheese Counter

Clinton County Farm Bureau Women got a first hand look as the cheese making process at Herbruck's in St. Johns at their regular May meeting. The meeting which began at 10:30 a.m. at the county office was chaired by Mrs. Adeline Dershem.

Reports from Committee included legislative by Mrs. Betty Morris who had recently attended the legislative workshop in Kalamazoo, Marguerite Gove gave a report on health, and Mrs. Donald Swagart reported on the spring district meeting at Swartz Creek.

Three members were named

to serve on a special study committee with the County Board to determine the present and future needs of the Women's Committee in the county.

A contribution was made to St. Peter's Lutheran Church in Riley in memory of Mrs. Edith Light who was an active committee woman representing Jason Center Group.

Mrs. Bea Grams invited the group to visit her new cake supply and decorating shop. After the noon luncheon the group went to Herbrucks and learned many things about cheese processing and packaging.

## President's column

By Bill Kissane

By Bill Kissane

Agricultural land -- how should it be used? Should it be preserved for farming or should we continue to allow houses to be built on it at random throughout the county?

Representatives of the Clinton County Farm Bureau will be meeting with members of the Zoning Commission to study the limiting of such housing construction. The purpose of the meeting will be to gather information so Farm Bureau membership can arrive at some conclusions at the annual meeting in October.

An ordinance such as is being proposed would go a long way toward preserving our productive land for the use of

future generations. Currently there are about 12 million acres of agricultural land in Michigan. By the year 2000, at the current rate of use for housing and other developments, there will be only about 3 million acres. However, we will need 7 million acres to produce the food and fiber needed for our state.

The Clinton County Zoning Office is currently assembling some figures on how the county stands in respect to farm land being used for housing. These figures, along with all other available information, will be presented to the Farm Bureau community groups for local discussion topics. Certainly this is an issue of real concern and should be given our full attention.

## Special delegate meeting June 28

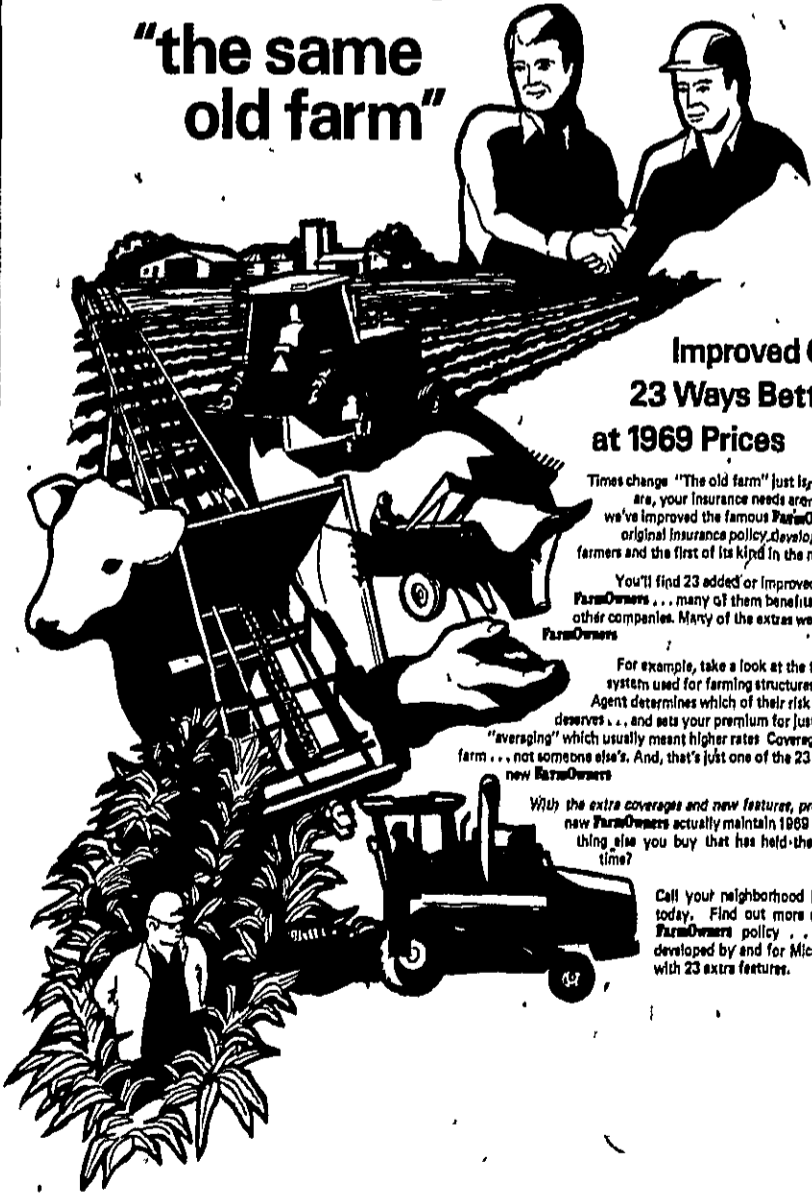

Clinton County Farm Bureau has received the official notice of the Special Delegate session scheduled for June 28 at the Hilton Inn, Lansing. Beginning at 10 a.m. a special bicentennial observance will be held prior to an 11:30 a.m. chicken box lunch.

At 12:30 p.m. the delegate session will begin. The purposes of the meeting include consideration of program expansion, reorganization and dues increase as proposed by the State Study Committee. The delegates who represented the county at State Annual in December 1974, will be delegates to the special

meeting. They are Bill Kissane, county president, Jack Anderson, vice president, Doug Brook, 3rd member of the Executive Committee, Robert Borton, David Pohl, Mrs. Francis Dershem, Earl Barks, Neil Harte, David Morris, Fran Motz, Lee Ormston, Paul Seeger and Dick Woodhams.

All Farm Bureau members are welcome at the meeting. Cost of the noon lunch is \$1 per person with Farm Bureau paying the rest. Plan now to go to this special session and participate in a meeting which is very important to the future of our Farm Bureau.

## A new FarmOwners Because you don't have "the same old farm"

Improved Coverage  
23 Ways Better  
at 1969 Prices

Times change "The old farm" just isn't the same. Chances are, your insurance needs aren't either. That's why we've improved the famous FarmOwners policy... the original insurance policy developed just for Michigan farmers and the first of its kind in the nation.

You'll find 23 added or improved features in the new FarmOwners... many of them benefits not even offered by other companies. Many of the extras were not in the original FarmOwners.

For example, take a look at the three rating exposure systems used for farming structures. Your Farm Bureau Agent determines which of their risk levels your structure deserves... and sets your premium for just that rate. No more "averaging" which usually means higher rates. Coverage is based on YOUR farm... not someone else's. And, that's just one of the 23 extra benefits in the new FarmOwners.

With the extra coverage and new features, premium rates for the new FarmOwners actually maintain 1969 levels. Know of anything else you buy that has held the same price in that time?

Call your neighborhood Farm Bureau Agent today. Find out more about the Improved FarmOwners policy... the only policy developed by and for Michigan farmers. Now with 23 extra features.

# Farming and 4-H - - - in Clinton County

## 4-H Chatter

### 4-Hers to host Japanese youths

By JOHN AYLWORTH

Five Clinton County 4-H families will be serving as host families for five Japanese participants in the Japan-Labo - Michigan 4-H Exchange Program, July 26 - August 26. The host families include: Mr. and Mrs. Melvin Gibson, DeWitt, whose son, Lou, will be matched with Hideyuki Ishii (12 years of age); Mr. and Mrs. William Brook, East Lansing, whose daughter, Lisa, has been matched with Hiroyuki Watanabe (12 years of age); Mr. and Mrs. Gerald Myers, St. Johns, whose daughter, Laura, will be matched with Hiromi Kato (12 years of age); and Mr. and Mrs. Frank Todoculic, St. Johns, whose daughter, Annette, will be matched with Keiko Yoshizawa (15 years of age) and Mr. and Mrs. Jon Roger, DeWitt, who will be hosting one of the women chaperones, Mrs. Sumiko Nakamura.

A group of 142 people from Japan will be visiting Michigan in over 30 counties this summer from July 26 - August 26. The group will consist of 128 Japanese youth, 8 women, 2 men and 4 older youth. The southern region of counties from Clinton south will receive 87 participants, while the northern counties will receive 52 participants. Tentative plans call for the Japanese group to arrive at Metro Airport on July 26, go to MSU overnight and reception on July 27 and then the southern group will go to Mott Camp near Flint for 3 days. They will be joined by their host family youth contact.

The exchange is two ways, as next year members of the host family will have the opportunity to spend a month with a Japanese host family. In 1974 Clinton County was one of the original 16 pilot counties with this exchange and hosted seven Japanese youth. This summer Clinton County will send seven 4-Hers to Japan for four weeks. The delegates are: Leslie Kuenzli, Leslie Fongers, Doug Thelen of St. Johns, Joanna Nichols of DeWitt, Karen & Kay Riest of Elsie and Natalie Brooks of East Lansing. They are tentatively set to leave July 23rd to spend 4 weeks in Japan. The cost of sending one delegate is \$850.00.

The goals of the Japan-Labo-Michigan 4-H Exchange is to provide the opportunity for young people of two different cultures to establish a close relationship through people-to-people encounters in host home stays; to provide the experience whereby young people can better appreciate, understand and evaluate their own people and culture and to promote friendships among the families. The timing of the visit is very rigid, because Japanese children only have a 40-day summer vacation from school. While they attend school, they are much too busy to participate in any other activity. The Labor International Exchange Foundation is a Japanese owned and administered organization, which is approved by the Japanese Ministry of Foreign Affairs.

**PHOTOGRAPHY PROGRAM**  
The 4-H Photography members and leaders were treated to a special program on Creative Use of Instamatic Cameras. Mr. Donald DeKoninck of the Lansing Community College showed slides that he took with an inexpensive instamatic camera and explained how different types of pictures could be taken with various adjustments. One hint given by Mr. DeKoninck to extend the life of color film includes freezing the film until ready to put in the camera, provided you allow the film four hours to come to room temperature. Many people waste flash bulbs and film by trying to shoot too far a distance with flash bulbs. The next photography session will be June 25th on visiting Radino's photography studio and Sleepy Hollow State Park to take pictures.

**HORTICULTURAL SESSION**  
The horticulture members working on identification held their third session under the leadership of Anabel Peck. They worked on learning to identify vegetables and fruit by tasting as well as visibly identifying the items. The next practice session will be Monday, June 2, 7-9 p.m. at the Extension Office.

**LEADER DOGS**  
It was a big day at the Leader Dog School for the Blind in Rochester, Michigan, Wednesday, when they started their largest class of 27 blind students with 27 leader dogs. Twenty-one of the dogs were leader dogs trained by 4-H members throughout Michigan. Clinton County 4-H members are doing their share in raising leader dogs for the Blind School at Rochester. Anyone interested in joining a 4-H leader dog club should contact the County Extension Office - 224-3288.

**KOUNTRY KOUSINS ELECT OFFICERS**  
The group of 10 horse members in the Kountry Kousins 4-H club held a project meeting at the home of their horse club leader, Judy Weaver. Officers elected are: Alan Wood - president; Mike Swanchara - vice president; Corey Shinn - secretary; Margaret Janisse - treasurer; Teri Patterson - news reporter and Tammy Wagar - telephone chairman. The members will hold their next work session on Saturday, May 31, 2 p.m. at the fairgrounds when they will bring their horses.

**SWINGIN' BINGHAMS REPORT**  
The Swingin' Bingham 4-H club members held their organizational meeting and elected the following officers: Pauline Kissane - president; Cindy Thornton - vice president; Gary Mayers - secretary and Pam Race - news reporter. The club has one member this year, Pam Race told about her 4-H trip to Yankee Springs in April.

**THEY'RE 'WONDERS'**  
The Sleepy Hollow Wonders is the new name selected by the 4-H members of the former Snoopy Snappers club. New officers elected are: Shelly Hammond - president; Linnette Meadows - vice president; Dianne Hammond - secretary; Gloria Wysick - treasurer and Laurie Love - news reporter. The younger members wanted to go to the 4-H Bob-Lo Trip and all wanted to go to the 4-H Baseball Day at Tiger Stadium on July 26. The club has horses for a project this year with seven members. The horse leaders include Deborah Hansen and Wendy Zeldner, while Judy Burl serves as hook rug and archery leader. Mrs. Paul Love is the club's organization leader.

**NEWS FROM WILLING WORKERS**  
The Willing Workers elected new officers for the summer program as follows: Jane Witt - president; Kathy Eaton - vice president; Mary Selhke - secretary; Dawn Gardner - treasurer and Linda Williams - news reporter. Judy Marten told the group about her trip to Yankee Springs in April. Other topics discussed included: 4-H Exploration Day, Bob-Lo Trip, Litterbarrel for the Fair Contest, 4-H Action Day and 4-H Baseball Game at Tiger Stadium.

**NEW OFFICERS FOR CHARLIE'S GANG**  
Charlie's Gang 4-H members elected Earl Flegler as their president for the summer program. Other officers are: Al Selhke - vice president; Mitch Brayman - secretary, Randy Sillman - treasurer and Randy Ingalls - news reporter. The members signed up for the summer program and discussed the roadside cleanup program. Charlie's Gang will have a 4-H softball team in both the White and Green League.

- July 25: State Holstein Show at Midland.
- August 11-13: Clinton County 4-H Youth Fair.

## Chloe's Column

### College Week for women

Clinton County Home Economist Chloe Padgett

Looking for an inexpensive vacation where you'll meet new friends, have lots of fun and really get involved with today's crucial issues? College Week for Women is the place to go! It's a major event of the Family Living Program of Michigan State University Cooperative Extension Service. Many different women's organizations are involved in it. Classes are taught by authorities from both on and off the M.S.U. campus. All women regardless of educational background are welcome to come. It's for the woman who is not content to sit and let the rest of the world go by; the woman who likes to meet others and find out what they are thinking and talking about today; the woman who is

interested in life-long education and realizing her full potential. It's fun, challenging and for you. This year's theme is "Change and Choices for Families." It will be held June 16-19 at Hubbard Hall at M.S.U. You may attend the whole week or just a day. The registration fee for the whole week is \$50 and includes 10 meals, three nights lodging and activities. Commuters attending the entire week will be asked to pay \$12. If you'd like to go for one day, the cost is \$6 which includes lunch. Over 30 different classes will be offered; You will have an opportunity to select three. Among the offerings this year are: Coping with Life's Changes; The Child Who

Doesn't Fit; Forces Which Shape the Economy; and Michigan History and Heritage. In addition, there are classes on weight control, getting the most for your food dollar, family communication and much more. General assemblies will be held each afternoon. Among the several noted participants will be Dr. Cory SerVaas, Co-Editor and Publisher of the "Saturday Evening Post." Evening programs include films, exhibits, campus tours, swimming, skating, and theater. For a complete program, contact the Extension office. We will be glad to send this information to you. I hope you'll be able to go to College Week - even for just one day!

*Cut flowers from spring bulbs*

Extension Agriculture Agent By WILLIAM LASHER

Don't hesitate to cut flowers from spring-flowering bulbs. It's good for them. Horticulturists at M.S.U. say that bulbs become stronger when flowers are removed, because they don't spend a lot of energy maturing the flowers and producing seeds.

Flowers that are not cut for indoor arrangements should be removed from the plants as soon as they fade. Do not cut off the green leaves - they are needed to produce food for next year.

Pop keeps cut flowers looking good longer. Soft drinks, like 7-Up and Sprite, lengthen the vase-life of flowers by providing them with citric acid and carbonation that help control microorganisms affecting stem firmness. The sugar in the pop helps sustain the life of the flowers. To use this unique preservative, mix equal parts of water and the soft drink and half a teaspoon of bleach to each quart of the mixture. # Ovid-Elsie students compete in Special Olympics

Seventeen students from the Ovid-Elsie Area Schools visited Haslett May 9 to take part in the Tri-county area Special Olympics.

The Special Olympics provide the opportunity for the retarded to compete like all other athletes in various track and field and swimming events. About 250 students from the three county area took part in the event, which leads to the State competition in June.

The O-E contingent was accompanied by parents and teachers: from Ovid North - Shirley Johnson, High School - Jeanne Wilkins, and Elsie Area - Charlie Holcomb.

Seventeen Ovid-Elsie Area Schools students prepare to depart for the Tri-County Area Special Olympics held recently in Haslett. Between the 17 students, the Ovid-Elsie group earned 9 first places, 9 second places and 7 third places.

The bus was decorated with signs made by the High School class.

The 17 earned 9 first places, 9 second places and 7 third places. They are listed as follows:

Age 8-9: Don Peterson, 1st, 25 yd. dash; Gary Serviss, 3d, 50 yd. dash; Larry Serviss, 3d, Standing Long Jump.

Age 10-11: Tim Wadsworth, 1st, 25 Yd. Dash; Bobby Nichols, 2d, 50 Yd. Dash; Tim Wadsworth, 3d, Softball throw; Bobby Nichols, 2d, Softball

throw; Roy Wilson, 1st, 50 Yd. Dash.

Age 12-13: Peggy Wilson, 3d, 50 Yd. Dash.

Age 14-15: Jim Kimmell, 1st, 440 Run; Jim Kimmell, 2d, Bowling; Jim Hutchinson, 2d, 440 Run; Kim Torrey, 1st, 50 Yd. Dash; Carol Champlin, 1st, 220 Yd. Dash; Carol Champlin, 2nd, Standing Long Jump; Carol Champlin, 3d, Bowling; Kay Shank, 3d, Softball throw.

Age 16-17: Bruce Parratt, 2d, Standing long Jump; Jim Egbert, 2d, 50 Yd. Dash; Chris

Terrell, 2d, 50 Yd. Dash; Jim Egbert, 3d, 400 Run; Cindy Neiman, 1st, 50 Yd. Dash.

On Thursday, Cindy Neiman and Jim Kimmell scored 2 firsts in swimming and Kim Torrey had a second.

All of O-E students walked into the entry parade in two lines carrying the O-E Banner and drum heads with a shield of the Marauder emblem. Teachers ran along-side in spirit.

# Ovid — Elsie Area News

## Two represent area at Michigan Seniors' Coalition

Michigan Seniors Coalition held its first annual meeting, May 5, at Alma College. There were 16 areas including two from the Upper Peninsula represented.

The Steering Committee of this group, elected at the October 1974 meeting in Lansing, has been hard at work. This group fosters state-wide cooperation between Michigan Senior Citizens groups in order to promote the welfare of these citizens.

Mrs. James Dorman and Mrs. Lella Wilson of the Elsie Senior Citizens Club represented Area 7 which included Bay, Saginaw, Gratiot, Shiawassee and Clinton Counties; chosen geographically.

Registration and coffee began at 9:30 am and the day-long session was filled with a program of talks, discussions, further organization and election of officers.

The following new officers were elected for the Michigan Coalition: president, Enos G. Butenuth of Van Buren County; 1st vice-president, Edward Tilma of Kent County; 2nd vice-president, John Dombroski of Iron County; 3rd vice-president, Blanche Townsend of Lake County; secretary, Levi D. Godwin of Chippewa County; and treasurer, Margaret Federspiel of Montcalm County.

## Cheasing eliminates O-E from tourney

Cheasing eliminated Ovid-Elsie from Michigan State High School Athletic Association tournament baseball May 16 by pulling out a 3-2 victory in the 7th inning.

Winning pitcher Doug Mort allowed O-E just 4 hits while his teammates banged out 10 safeties, but O-E made it tense with a 2-run rally to tie the score in the 5th inning.

"We missed a great opportunity to score in the 6th inning when we put men on 2nd and 3rd with no out, but the next 2 batters were struck out and the last grounded out," said coach Jack Nutter. "We missed another chance in the 7th as Jack Bashore was robbed of a hit by a tremendous catch by centerfielder Larry Mishler. Mark Hudecek doubled off the fence in right-center, and if Bashore had been on, it would have tied the game. Then we couldn't bring Hudecek around."

The Board of Directors consists of the elected officers of the Michigan Seniors Coalition plus one delegate from each of the 16 areas. Mrs. Lella Wilson of Elsie was chosen for Area 7.

Registration and coffee began at 9:30 am and the day-long session was filled with a program of talks, discussions, further organization and election of officers.

The keynote address was given by Margaret Hossack of Detroit, who heads the Michigan Society of Gerontology. She reviewed the history of the Senior Coalition in Michigan and its purpose which is to coordinate for greater effectiveness the varied and important programs and activities in their efforts to improve the welfare of the elderly population of the State of Michigan.

Cheasing, which went on to meet Mason in the district tournament, had only lost 1 game going into the O-E contest. The Indians were 10-0 in the Mid-Michigan B and had clinched the title.

Michigan Senior Coalition believes that by joining their voices, older people in Michigan can amplify their voice and bring to bear in government, interest in creating needed opportunities for better living the later years.

## Marauders lose season baseball finale to Swan Valley

Ovid-Elsie started off their last baseball game with both barrels blazing but found Swan Valley more than equal to the occasion last week. The Marauders dropped a 10-5 decision after leading 3-0 in the first inning.

It was a pitchers' nightmare -- each team slammed 12 hits -- and the fielders didn't exactly have the best time, either -- each team committed 3 errors.

Who pays for living expenses (elsewhere) while they repair your home?

Most policies provide the coverages you expect -- fire, lightning, storms, riots, vandalism and the like. They cover the cost of repairs due to these losses. But have you thought about the cost of living elsewhere if your home has to be repaired or rebuilt? It could run into hundreds of dollars. Or, it could be covered in black and white in your Homeowners Policy, so we would pay those extra living expenses! Give us a call. We'll put your home insurance all together in one policy for convenience and savings sake.

its better altogether

**4-Hers display talent**

Many Clinton County 4-H members participated in the 4-H Share the Fun Festival recently at St. Johns High School. Participants were from all parts of the county and were between 10 and 18 years old. There were skills, instrumentals, gymnastics, vocals, tap dances and pantomimes. All acts were judged and evaluated by Melody Sowers and Don Thayer. Six acts were chosen as winners of the talent competition and they will have the opportunity to participate in District Competition this summer and win a blue ribbon.

Sandy Thelen, member of the Westphalia 4-H Club, performs her comedy monologue on "Calories" that earned her 1 of the top 6 spots in the recent 4-H Share The Fun Talent Festival.

Jill Swagart of the 4-H Wonders Club of St. Johns performs her piano solo, "Medley of Songs," 1 of the top 6 winning acts in the recent 4-H Share The Fun Talent Festival.

Earning 1 of the top 6 spots in the recent 4-H Talent Festival are these members of the "Supersonic Six" vocal group. They are (from left) Nanci Miller, Becky Schneider, Joni Bengel, Dawn Hengesbach, Michelle Lucas, LeAnn Rademacher. They are members of the Westphalia 4-H Club.

Denise Cerny of the Nimble Fingers 4-H Club performs "Summer Breeze," a modern ballet and acrobatic presentation that took 1 of the top 6 places in the recent 4-H Share The Fun 4-H Talent Festival.

In somewhat of a rehearsal, committee members gathered for dinner to make plans for the annual spring dance at Clinton County Country Club. The June 14 affair will be in honor of all new club members and the evening's events will include a wine dinner and dancing to music by Algie Watkins. Committee members shown are, from left, Doug Turini, Bill Chalmers, John Stevenson, Devra Stevenson, Donna Turini and Carole Chalmers.

**Plan County Club Dance**

**Sen. Richard Allen Report from the Senate**

I was for it before I read it. Now I've read it and I'm still for it. I'm talking about the comprehensive political reform bill introduced this last week. Most everyone, news media and legislators alike, gave support to the concept as Common Cause worked with a bipartisan legislative group to draft the bill. It turned out to be 70 pages long, difficult to digest in a hurry.

As legislators and news media have more time to work their way through the proposal we are hearing initial praise turn to criticism. Well I've read it and I still support it. I hope criticism of some details of the proposals does not result in stalling the much needed broad reforms.

Financial disclosure, on the part of public officials is long overdue. As I vote on a broad range of public issues you have a right to know if I will personally benefit. I own farmland and will personally benefit from reduced agricultural taxes. So will other farmers whom I represent so I feel perfectly free to debate and vote on this issue. But I want you to know of the extent of my personal involvement. My personal financial statement and income tax records are available to any citizen who cares to come to my office to examine them. I annually circulate them to news media in our district. I find no really acceptable argument against this being a necessity for other similar public officials.

THE SAME IS true for Job-

bysts. All their expenditures should be public information. If someone doesn't want it known they bought me lunch they ought not to buy it. If I think it would be embarrassing for my constituents to discover who I eat with, I better switch luncheon companions or buy my own.

Likewise for campaign contributions. If you know what kinds of people are paying the shot you have a good indication of how the guy will vote. If you find the UAW, the physicians and the school teachers are my major supporters you have little reason to be surprised when I vote with these groups. Or vice versa if they seemed to heavily favor my opponent.

The only criticism of the comprehensive reform proposal that seems valid is that it may not have gone far enough in certain areas. But its a giant step forward from where we are. We should adopt it.

### Pewamo

The Pewamo fire fighters were called to a fire at the saw mill at 3:45 p.m. Thursday. The fire was quickly put out.

Mr. and Mrs. Lawrence Fernald and family of Warren were visitors at the home of their mother, Mrs. Dorothy Heckman, on Mothers Day.

Mr. and Mrs. Henry J. Schafer and family spent the weekend at their cabin at Grass Lake.

Mr. and Mrs. Carl Fox had open house Sunday, May 18, honoring their daughter, Shirley Fox, who is a graduate of Pewamo-Westphalia High School.

The Handi Club met at the home of Mrs. Norman Schafer Friday, May 16. Pedro furnished the entertainment with first prize going to Vonnie Robinson, second prize, Mrs. Mable Cook, the Mystery prize won by Mrs. Vonnie Robinson. The next meeting will be June 13 with Mrs. Pauline Cook of Lansing.

Mr. and Mrs. Tasson returned to their home in Ishpeming, Michigan after visiting Mrs. Dorothy Schiska.

Mrs. Arthur Nault spent a week visiting at the home of Mrs. Dorothy Schiska, returning to their home in Republic, Mich. May 19.

Mrs. Dollie Cook and Mrs. Dorothy Parks along with Mrs. Verona Pettit and eight others from the Fowler area attended a card party and luncheon Saturday evening, May 17, at St. Johns Rebecca Chapter.

Ruth Swindt, Dorothy Parks, Mr. and Mrs. Lou Shoemaker, Ella Krauss, Edith Sturges and Mr. and Mrs. Robert Pettit attended a picnic lunch in the Muir Park Sunday afternoon, May 18, given in honor of Mr. and Mrs. Robert Pettit as retiring Worthy Matron and Worthy Patron of last year.

Several from the Pewamo area attended the Style Show and luncheon at St. Johns Wednesday evening May 14 at

the high school.

Members of the Blue Star Mothers Club will have their annual potluck picnic on Tuesday evening, May 27, starting at 6:30 p.m. Bring own table service and a dish to pass. Hostesses are Mrs. Irene Fedewa and Mrs. Rita Miller. At the next meeting of the Blue Star Mothers May 27, there will be a memorial for Mrs. Susan Ludwick who passed away April 23, also our yearly memorial for all mothers in our club.

Muir - Lyons - Pewamo Golden Years Senior Citizens met Friday, May 23, at the Muir Civic Center with a 12:30 potluck meal.

Monday afternoon visitors of Mrs. Oscar Cook were Sister Rita and her father, Louis Martini of Fowler.

Saturday evening Mrs. Ethel Gee was present at a birthday party at the home of Mr. and Mrs. Eric Feldpausch. The party was in honor of their

daughter, Rachelle, who was one year old. Others present were the grandparents, the Feldpauschs, Mr. and Mrs. Mark Wieber and Mr. and Mrs. Gary Schueller. Mrs. Ethel Gee is a great-grandparent. Served at the party were grilled hamburgers, salads and ice cream and cake.

Mr. and Mrs. Oscar Cook attended the Ordination Mass of her great nephew, Rev. Leon J. Martin, SAC at Holy Trinity Church, Fowler May 18. Rev. Leon J. Martin is the son of Mr. and Mrs. Sylvester J. Martin of Fowler. Mr. and Mrs. Oscar Cook also attended the open house and dinner held at the parish hall Sunday, May 18. Rev. Martin has recently completed his studies at St. Francis Seminary, School of Pastoral Ministry in Milwaukee, Wis. He is a member of the Society of the Catholic Apostolate (Palottine Fathers and Brothers).

On Wednesday, May 14, Mrs. Oscar Cook and her daughters, Mrs. Donald Hoy of Portage, Mrs. Bernita Miller of Lansing and Mrs. Gray spent two days with her daughter, Mr. and Mrs. Richard Hofmann and family. Most of the families of Mrs. Dorothy Heckman called on her on Mothers Day.

The Carland area ladies, both young and old, were entertained by the singing CHARIOTEERS at the Mother and Daughter Banquet held in the Carland United Methodist Church and church-house, recently. The Charioteers are a quartet of male singers, which include Jim Stanhope, Ben Burgess, Ron Wilson, and Rick Horn, all of the Owosso area, who sing gospel and spiritual barbershop music.

The men of the church served the ham dinner banquet to the Mothers and Daughters, after which the United Methodist Women's society president, Joan Parks, introduced the people of the program, Mrs. Leo Deming gave the invocation; Mrs. Dale Dumond acted as toastmaster; Mrs. Mike Schultz gave the toast to the daughters; Mrs. Neil Schultz responded with the toast to the mothers, and her daughter, Ginger, gave the toast to the grandmothers.

Special awards were given to Mrs. Patty Baker and her daughter for being the youngest mother and youngest daughter present; Mrs. Earl Darling was awarded a plant for being the oldest mother present; other awards went to Ina Woodruff and Mrs. Donald Taylor Sr.

Ninety-four ladies, ranging in ages from 23 months to eighty-five years old, were in attendance for the gala event.

Mr. Leo Deming entertained his son-in-law and grandson, Mr. Richard Mead and Brian of St. Johns, and his father-in-law, Mrs. Lewis Walling of Elsie for dinner while the ladies attended the Mother and Daughter banquet.

Mr. Merton Nourse and Mrs. Nourse returned to their families in Michigan after spending the winter in Florida.

Mr. and Mrs. Larry Kadolph and family of Carland entertained the Nourse families and their children recently in honor of their parents return. Mrs. Ida Deming, remains a patient in the Owosso Memorial

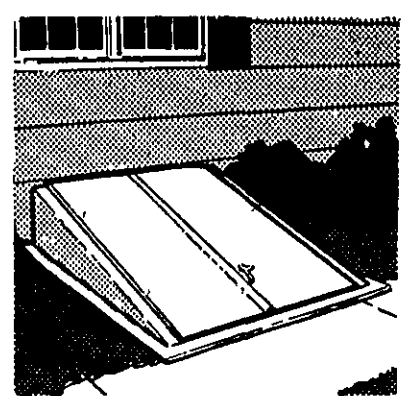

### Carland News

Hospital undergoing treatment and therapy after suffering another stroke recently.

Mr. and Mrs. Paul Lowrey of Midland and their families spent Mother's Day with Mrs. Clara Horn in Carland.

Mr. and Mrs. Leo Deming of Carland and Mr. and Mrs. Richard Mead and son, Brian, of St. Johns enjoyed Mother's Day dinner at Middleton and visited Mr. and Mrs. Dale Dumond at their cottage at

Crystal Lake, Mother's Day. The Meads then spent the evening with Mr. and Mrs. Clarence Mead of rural Ovid and Mr. and Mrs. Leo Deming spent the evening with Mrs. Ida Deming in the Owosso Hospital.

### What a difference a Bilco Door makes!

Here's the way to add new beauty to your home. Replace that wooden hatchway with a modern, all steel Bilco Door. It's ruggedly built, weather-tight, and so easy for everyone in the family to use! What's more, it will make your basement more secure against intrusion. And it will pay for itself many times over by saving repair and replacement costs.

If your home was built without the convenience of a direct basement entrance, ask us for Bilco's new handbook "How to Add Valuable Living Space to Your Home."

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a man to install it for you.

### REGULAR CLINTON COUNTY ZONING COMMISSION MEETING

The Regular Meeting of the Clinton County Zoning Commission will be held on Thursday, June 19, 1975 at 8 p.m. in the Courthouse, St. Johns, Michigan. At that time the Commission will hear the following and make recommendations to the Board of Commissioners:

#### BATH TOWNSHIP

Rezone from R-1C, One-Family Medium Density Residential to B-2, General Business and a Special Use Permit to operate an open air business on the following described parcel of land:

A parcel of land commencing at a point 166 feet South of the SW corner of Lot 6, of Lake View Allotment in the water of Park Lake for a point of beginning, thence North 100 feet to the South line of the highway; thence Easterly along South line of highway 115 feet to a point; thence South 100 feet to a point in Park Lake; thence Westerly to a point of beginning, all being in Section 28, T5N, R1W.

#### WATERTOWN TOWNSHIP

An application for a Special Use Permit to operate a sand and gravel pit on the following described parcel of land:

N 1/2 of SW 1/4, Section 20, T5N-R3W, exc. 165' N&S by 528' E&W in SW cor. thereof. 78

The text of the Zoning Ordinance as proposed to be amended and a map showing the Zoning Ordinance as proposed to be amended may be examined at 100 S. Ottawa, St. Johns, Michigan, between the hours of 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of any day Monday through Friday. Arnold R. Minarik, Zoning Administrator

### Young farmers plan picnic

All young farmers 35 and under are invited to the July 20 Farm Bureau Young Farmers picnic at 1:30 p.m. at the St. Johns City Park.

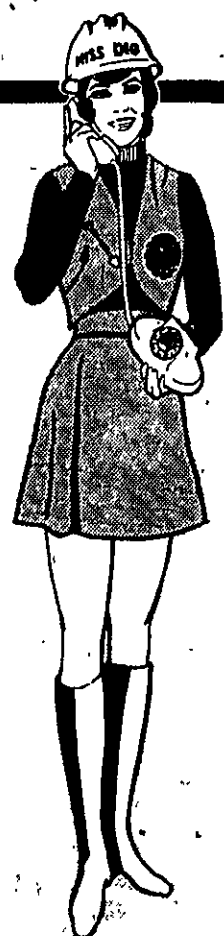

The picnic is a family occasion and those attending are asked to take a dish to pass and table service. Beverages will be furnished.

The picnic is sponsored by the Young Farmers Committee of Farm Bureau. Recreational activities will be offered following the meal.

# 48 HOURS BEFORE YOU DIG CALL MISS DIG 800-482-7171

(TOLL-FREE) for the location of underground facilities.

This number will alert the utilities listed under the counties below. Find your county. Any utilities not listed must be contacted individually.

**CLINTON COUNTY:** Lansing Board of Water and Light, Consumers Power Company, Eaton County Road Commission, General Telephone Company, Michigan Bell Telephone Company, Michigan Consolidated Gas Company **EATON COUNTY:** Lansing Board of Water and Light, Consumers Power Company, Eaton County Road Commission and Department of Public Works, Delta Charter Township, City of Charlotte, City of Eaton Rapids, City of Grand Ledge, City of Olivet, City of Pottersville, Village of Bellevue, Village of Vermontville **INGHAM COUNTY:** Lansing Board of Water and Light, City of East Lansing, Consumers Power Company, Detroit Edison Company, General Telephone Company, Ingham County Road Commission and Drain Commission, Delhi Charter Township, Lansing Charter Township, City of Mason, City of Williamston, Village of Leslie, Village of Stockbridge, Village of Webberville, Meridian Charter Township, Michigan Bell Telephone Company **IONIA COUNTY:** Consumers Power Company, Eaton County Road Commission, General Telephone Company, Michigan Bell Telephone Company, Michigan Consolidated Gas Company **LIVINGSTON COUNTY:** Consumers Power Company, Detroit Edison Company, General Telephone Company, Michigan Bell Telephone Company, Michigan Consolidated Gas Company, Washtenaw County Road Commission **WASHTENAW COUNTY:** A. T. & T., City of Ann Arbor, Consumers Power Company, Detroit Edison Company, General Telephone Company, Michigan Bell Telephone Company, Michigan Consolidated Gas Company, Michigan Wisconsin Pipeline Company, Washtenaw County Road Commission

Homeowners, as well as contractors, should call MISS DIG 48 hours in advance of any digging, boring or blasting for the location of underground facilities of utilities. All calls will go to the MISS DIG Utility Communication Center where a representative of the MISS DIG system will ask for the location and approximate starting time and type of work to be done. This information then will be teletyped to all the above participants; who either will stake their facilities or will notify caller that no facilities are present. This location service is free.

## Here's help for motorist in choosing right tires for his driving needs

If choosing the right tires for your car gives you as much anguish as the kid with a nickel in a candy store, then here are some basics to help you. With the profusion of design types and materials, confusion is understandable.

According to the Rubber Manufacturers Association (RMA) there are three different tire constructions prevalent today.

**BIAS TIRES** may have two, four or more body plies of rayon, nylon polyester or other materials. Basic fibers cross at an angle of about 35 degrees with the center line of the tire strengthening both sidewall and tread. Alternate plies extend in oppo-

site directions.

In normal, light duty driving, bias tires should be sufficient.

**BELTED BIAS TIRES** (Heavy Duty Tires) have a body similar to that of bias tires, plus two more belts under the tread. This construction strengthens the sidewall and gives greater stability to the tread. Tread life is lengthened since the belts reduce tread motion on the road. Glass belting is often used in belted bias tires helping resist flex and running cooler.

**RADIAL TIRES** have body cords extending from bead to bead. Cords run at an angle of about 90 degrees "radial" to the

tire circumferential center line. Two or more layers of relatively rigid belts are found under the tread.

This construction gives greater strength to the tread area and flexibility of the sidewall. The belts restrict tread motion during contact with the road. Tread life, traction and gasoline mileage are improved with radial tires, particularly the steel belted variety.

If you are putting two new tires on your car, mount them on the rear wheels. This will provide better traction, handling and blowout protection. If you're putting a single new tire on, pair it with the best remaining one on the rear axle.

# Know how to tell when car's steering system needs attention?

When the red light or gauge on your dashboard warns of low oil pressure, there's generally time to do something about it. But when you get warnings of something amiss in your steering system, it could be a sign that potentially dangerous and expensive repair damage has already been done.

That's one reason it pays to have your favorite car service man check the front end at every opportunity. And that's why one should keep components in proper alignment, state

## Belts help reduce car fatalities

Hospitals in Australia are reporting a drop of 24% in bed occupancy since the introduction of mandatory seat belt wearing legislation.

In Victoria the belt wearing law has been in two years, and they have experienced a 20.8% reduction in road deaths. In the rest of Australia the seat belt law is just one year old, and there has already been a 17.2% reduction in automobile deaths throughout the country. Serious injuries, they stated, have been reduced by about 50%.

### THE INSIDE STORY

A device allowing mechanics to look inside an automobile engine without disassembling the engine has been developed by American Optical. This flexible fiber rod contains its own source of cold light and saves service personnel time and labor.

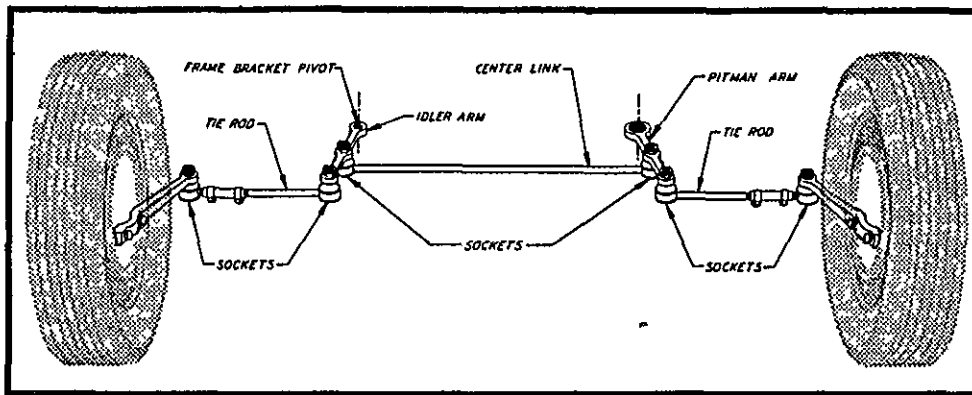

of lubrication and adjustment.

To help you recognize the signs your car will give you when steering components are out of whack, below is a list of symptoms that can result from malfunctioning front end parts.

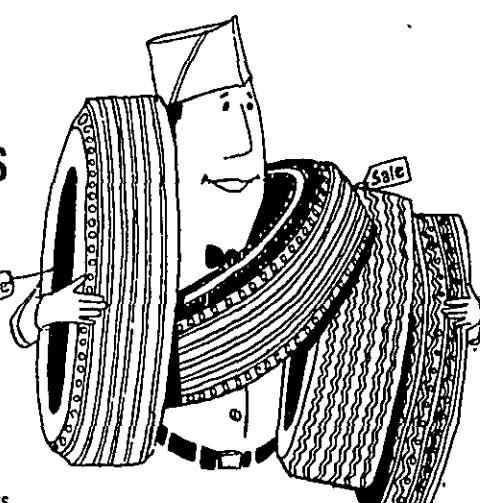

**SYMPTOMS** — hard steering, car pulling to one side, car wandering, uneven tire wear, front wheel shimmy, loose steering, heavy thumping on rough roads.

**POSSIBLE CAUSES** — worn or binding ball joints, front end out of alignment, loose front wheel bearings, loose or dry steering linkage.

## Learn to know your 'front end' better

Critical steering components often are overlooked by car owners. Once trouble is sensed in this system, then it may be too late to avoid expensive repairs. Regular lubrication and inspection of the steering by your favorite service man can prevent problems before they start. (Photo courtesy of TRW)

## Filters stand guard against engine wear

Popular tourist attractions in places like London, Ottawa or Washington are the famous changing of the Guard ceremonies. While not nearly as col-

orful as the rituals at Buckingham Palace, Parliament Hill or the Tomb of the Unknowns, there is a guard changing ceremony that's important to

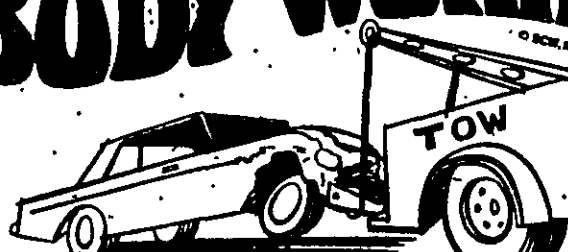

a motor vehicle.

The automotive guards are the filters that protect a car's engine from potentially serious harm. The air, oil and gasoline filters help screen out foreign materials from vital engine parts.

The air filter prevents dirt from entering the carburetor where the air and fuel is mixed. When clogged, the filter can cease functioning, resulting in poor engine performance and, often, a drastic loss of fuel economy. Most cars today use disposable filters which should be replaced at 10,000 miles as part of an engine tune-up.

The oil filter catches foreign objects in the oil, keeping them from damaging engine parts. A clogged filter cannot perform this function efficiently. Especially in these times of the recommended lengthened time of oil change, a new oil filter should be installed with every change of lubricants.

## Emblems, like locks of love's hair, help keep affair with old cars warm

Many a romantic has snipped a lock of his true love's hair as a memento. When a man has a life-long affection for automobiles, he has to find another way to keep fond memories alive.

That's why Harry Ginsburg, an auto parts store owner from Howell, Michigan, has amassed what may be the largest collection of auto emblems in private hands. Ginsburg has nearly 500 of these emblems dating from the turn of the century to some designed for vehicles not even on the road yet.

**Macabre beginning**  
Birth of Ginsburg's hobby had a rather macabre beginning. He said, "When I was a child in Kimbal, West Virginia, there was a dangerous mountain road that took its toll of many cars. Times were really hard and we kids used to scavenge what we could from the wrecks. The little emblems caught my eye and I'd pop them off and put them in my pocket."

Later when the Ginsburg family moved to Howell, his father Sol opened an auto junk yard. As cars were scrapped, young Harry would remove the emblems and store them in an old car trunk. Before he knew it he had collected a sizeable number of the decorative symbols.

**Worth hundreds**  
Mr. Ginsburg doesn't know actually how valuable his collection is. He said, "I have one hood ornament from a Pierce Arrow that I've been offered several hundred dollars for. But I'm not interested in selling. My son, Scott, loves my collection almost as much as I do and it's going to be a legacy to him."

Although he owns classic emblems, he does not indulge in collecting classic cars. He beams, "I love to help friends restore classic cars. If people today realized that the cars they are driving could be valuable classics some day, they'd probably take better care of them."

Mr. Ginsburg's eye for posterity was demonstrated vividly when he

Harry Ginsburg, Howell, Mich., auto parts dealer, helps restore a 1916 Saxon. The car is in perfect, driveable condition, showing that a car can last indefinitely if it is properly maintained. Ginsburg owns what may be the largest private collection of historic car emblems in the nation, having nearly 500 of them.

heard the car his son purchased last year will be a discontinued model. "Let me take the emblem off it now?" father Ginsburg asked son Scott. Ginsburg is interested

in adding to his collection. Anyone having an old car emblem can contact Harry Ginsburg, Advanced Auto Parts, 214 W. Grand River Avenue, Howell, Michigan 48843.

# Plug the hole in your tank

## A tune-up saves 1 to 2 gallons in every tankful.

Our tests have shown that, on the average, a car driven over ten thousand miles without a tune-up wastes 1 to 2 gallons in every tankful.

It takes an untuned car 7 1/2 car lengths more to pass another vehicle at 50mph. And an untuned car spews more harmful pollutants

into the air we breathe, and has twice as many "won't starts", as a tuned car.

So please get a tune-up every ten thousand miles. And remember, no matter what kind of car you happen to drive . . . we've got your plug.

Toledo, OH 43661

We've got your plug.

This 'cat' has only one life. It's the... Catalytic converter in '75 models designed to fight air pollution

There's one "cat" that doesn't have nine lives. That's a catalytic converter on 1975 model cars. Prolonged use of leaded fuel will kill the effectiveness of the pollution-fighting unit.

The converter's job is to change carbon monoxide (CO) and hydrocarbon (HC) emissions into harmless carbon dioxide and water. Catalysts of ceramic beads and inert metallic pellets are used in the process.

Leaded fuel coats the pellet with lead deposits and renders them ineffective. As a result harmful emissions escape the muffler-like unit and enter the atmosphere. While the car would perform normally, pollution levels would exceed legislated levels.

Designed to function for a minimum of 50,000 miles, the converters also are expected to help improve gasoline mileage.

Unleaded gasoline is now available at most gas stations in the U.S. The gas is expected to be carried by outlets in Canada and Mexico, particularly in areas where U.S. cars frequently travel.

Should you be out of gas in an area where lead-free fuel is not available, then

The job of the catalytic converter is to change the "poisonous breath" of HC and CO pollutants into constituents of harmless carbon dioxide and water vapor. In order to achieve this environment plus, converters must avoid leaded gasoline. 1975 cars equipped with catalytic converters are designed to run on unleaded fuel and gasoline filler apertures only can accommodate nozzles from pumps issuing lead-free gasoline.

buy enough gas to get you to a station where the proper fuel is sold. A converter can tolerate an occasional usage of leaded fuel, since the heat of the oxidation will burn off lead deposits once unleaded fuel is reinstalled. The catalyst will then return to full efficiency.

To prevent inadvertent filling with leaded fuel, a

smaller gas filler neck is found on 1975 cars. Thus nozzles at gas pumps will be adaptable for unleaded fuel, not for the leaded variety.

Tune-up could save up to \$110 a year

How would you like to save yourself nearly \$110? If your car is one of those described by the U.S. Environmental Protection Agency (EPA) and other sources as wasting as much as 25 per cent. of its gasoline supply, then such savings are possible.

Simple mathematics tell the story. Say your car travels 15,000 miles a year and is capable of getting 15 miles per gallon. If you are paying 60

cents a gallon for fuel, your annual expenditure would be \$600. Should you be losing 25 per cent in gas wasted, then you are out \$150.

According to that same EPA report, keeping an automobile tuned up can improve fuel economy. And a recent Champion Spark Plug Company survey shows the average cost of a tune-up today is around \$42.

These rules may help you get out of sinking automobile

If you are ever unlucky enough to be in a car that enters deep water, the Canada Safety Council offers some advice. A car floats for a short time after hitting the water in a near horizontal position irrespective of how it hit the water. The time varies with make from a few seconds to three or four minutes, after which it sinks vertically, engine end first.

Rules for escape are: 1. Immediately after hitting the water, release your safety belt. 2. Open door windows, movable roof (if any), and/or back window. Leave the car via the best route as quickly as possible. During the floating period, it will be difficult to open the doors because

of water pressure from the outside.

3. If it is impossible to leave the car while floating, the car doors can usually be opened underwater because outside pressure of water has been equalized.

4. If the car is damaged to the extent that none of these ways of escape can be taken, use the feet or shoulders to remove the front or back window by pushing it out. This can best be done by pushing in the corners.

When a car sinks in water, outside and inside lights should be switched on if possible. This lessens confusion in the vehicle, and makes location from above easier.

So a tune-up every 10,000 miles plus necessary minor adjustments along the way can save you a nice hunk of change.

Even if your car saves the U.S. and Canadian average of 8.2 per cent after a needed tune-up, you'll still save more in fuel costs than the price of the work. Gas savings under the circumstances described above would be just below \$50 per year.

According to David L. Walker, Champion's director of automotive technical services, gasoline savings are only part of the value of a good engine tune-up.

Mr. Walker said, "In every test we've ever conducted, we've found a tuned car has better foul-weather starting success than a car in need of a tune-up. In fact, untuned cars have twice as many 'won't start' than tuned cars."

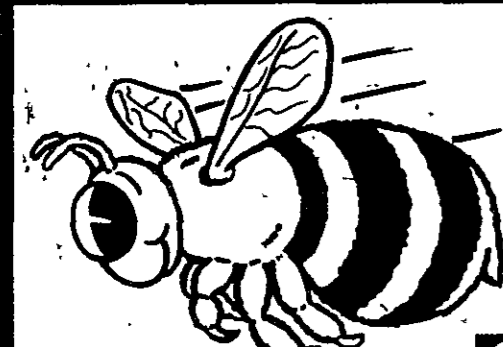

A road service call for a start in a remote location where a tow is needed may cost about half the price of a tune-up, he noted. Tune-up benefits that may not result in cash savings still make driving safer and more pleasurable.

In tests conducted by

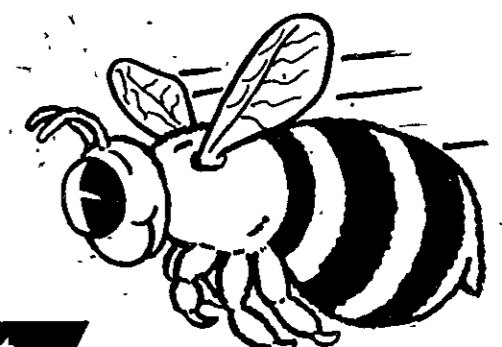

Champion, emission levels were sharply reduced after tune-up. Average carbon monoxide (CO) emissions were reduced 50 per cent (at idle) and hydrocarbon (HC) emissions were 47 per cent lower (also at idle) after tune-up.

Performance is also improved after tune-up. Mr. Walker noted. In mobile dynamometer tests conducted by Champion, there was an 8.6 per cent increase in power and an 8.0 per cent decrease in passing distance after tune-up.

A BOOK REVIEW

# Guide tells how to save on gas through car care, good driving

Dean of automotive editors puts it all in informative book

"Save Money, Save Gas" by Robert W. Irvin, Enterprise Publications, New York — Other than to stop eating, there is practically no way to save money readily than to cut down on gasoline consumption. If you are typical, you may not be able to reduce the amount of driving you do. But Bob Irvin, the dean of automotive editors, has written a definitive guide to help you make that driving cost a whole lot less.

Irvin writes, "One thing is true for every car — you can improve fuel economy by better maintenance and car care." And he proves it.

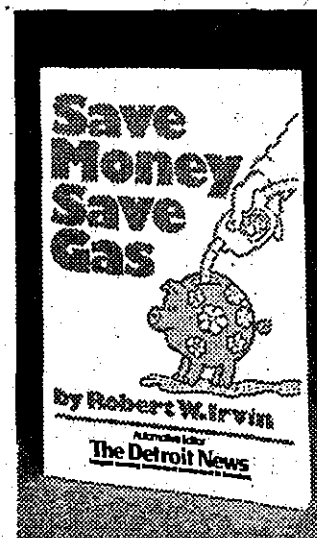

Tune-up benefits

Defining a tune-up as checking the carburetor, the engine compression, cleaning or replacing the air cleaner element, gapping or replacing the spark

plugs or distributor points, Irvin explains the benefits.

The author quotes the U.S. Environmental Agency which says, "Keeping an automobile tuned up can, on the average, improve fuel economy 6 per cent as compared to an untuned automobile. However, an individual vehicle which is grossly maladjusted or undermaintained — for example, spark plug misfire, air filters clogged, carburetor improperly adjusted — can suffer significantly worse fuel economy penalties of 20 per cent or more."

Packed into the 95 pages of the book are numerous gas-saving tips that have eluded many writers on the subject. Irvin points out that Les Villand, an economy run veteran, is an advocate of waxing the vehicle, even the tires and fan blades, as an aid to better gasoline mileage.

Weaving wastes

Also cited is an Automobile Club of Michigan study showing that motorists who weave in and out of traffic on city streets can waste up to 43 per cent of their gasoline.

The book also contains valuable information on what gasoline economy you should expect from your car, how to get gas economy with tractors and recreation vehicles, the effects of tires and other equipment on mileage and how pollution controls bear on gas savings.

Gadget warning

Irvin warns against fuel economy gadgets now on the market. A leading consumers organization has tested a number of these "miracle" devices and "has yet to find one that is beneficial."

One auto company did find a carburetor that helped realize a 66 per cent fuel savings. However, the carburetor would have cost \$2,500 to produce.

"Save Money, Save Gas" has been called by its publisher an Insider's Guide to Gas Economy. Indeed it is. The price of the booklet is less than the price of the gas you can save in one fill-up after a tune-up. Irvin's work should be as much a part of a car owner's "musts" as a driver's license.

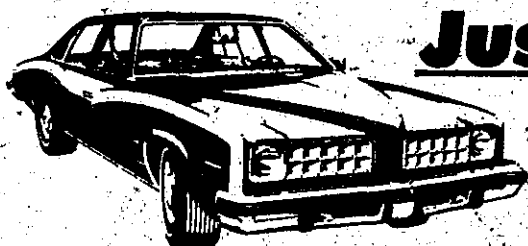

How to get book

(If you can't find the volume in your regular book store, it can be mail ordered through "Save Money, Save Gas," Box 489 Radio City Station, New York, N.Y. 10019. Add 25 cents to the \$1.50 price for mailing and handling.)

PUT ON REAR

When radial tires are used with bias or belted tires, place the radials on the rear axle.

# Exhibiting car focuses attention on need for service

Late last summer, a young Port Huron, Michigan, woman hit it lucky twice. Her first bit of fortune was finding a buyer for the 1966 model car she was selling.

Her second stroke of luck was being alive.

An official of the Car Care Council (CCC) happened to be looking for a car just like the one Susie Smith (not her real name) was driving. The CCC was seeking out a vehicle currently being driven, yet in such poor condition that it was a menace to the driver and other people on the road.

After purchasing the "accident going someplace to happen," the Council dubbed the vehicle "Calamity Jane," and used it to inaugurate a nationwide motorists education program.

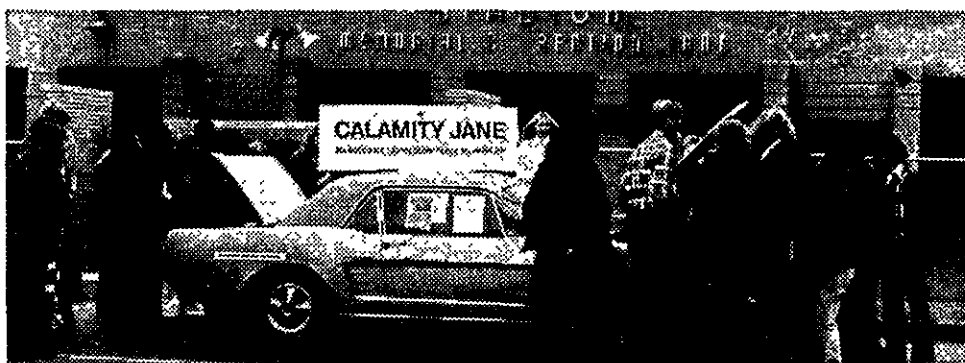

Among the dangerous conditions plaguing the car were defective brakes, bald tires, misaligned wheels, bad shocks, faulty steering — any one of which could have helped cause a fatal accident.

The car's exhaust sys-

tem was rotted away, a condition made even more hazardous by the fact that body and undercarriage rust provided a tailor-made conduit for lethal carbon monoxide fumes.

community. It also accomplished another aim. One local observer put it this way, "It makes me shudder to think that a car like that was operating on our streets only a few months ago. And I bet there are a lot more like that one. When the (bleep) are we going to get compulsory vehicle inspection in this state?"

Michigan is one of 19 states that does not have a compulsory inspection law.

"Calamity Jane" was taken out to Port Huron High School to give driver training students an understanding of the importance of good car maintenance.

## Help is offered in setting up local program

Are you interested in helping launch a Calamity Jane-type program in your community? If so, you can get details on how to proceed by contacting the Car Care Council, 17000 Executive Plaza, Dearborn, Mich. 48126.

The Council used Calamity Jane, with roof painted a luminous red for DANGER, as a center piece for Car Care Week in Port Huron. The car was towed (not driven) to various locations to show students and other groups how neglected a car can be, and still be allowed on the highway.

"Jane" also was the center of attention in an Emissions Check Lane program sponsored by the local Jaycees. CCC reports that the week helped build interest in car care in the Michigan

tem was rotted away, a condition made even more hazardous by the fact that body and undercarriage rust provided a tailor-made conduit for lethal carbon monoxide fumes.

The water pump was loose and leaking, headlights misaligned and the ignition system so badly neglected that starting the car was a major task.

A CCC spokesman remarked, "Jane was emitting so much pollution that the analyzing device couldn't even record the amount. Emissions knocked the needle clear off the dial."

CCC reports that the week helped build interest in car care in the Michigan

this summer

Antifreeze is a misnomer . . .

## Shields engine from heat as well as cold

If you feel installing new antifreeze in the spring is like celebrating Christmas in July, then the new facts of motoring life haven't been made clear to you. When last winter's short supplies of antifreeze hit the car-owning public, a number of car owners either did without a fresh change or paid premium prices.

What these motorists may not have realized is there is no urgency to change antifreeze in late fall or early winter. It makes sense to change it any time a change is needed — in July as well as January.

Actually, car experts say, antifreeze is a mis-

nomer. Coolant antifreeze is a more accurate description of the product. It is designed to both protect against the rigors of sub-zero weather and the plus 250°F operation of a modern, high compression engine in summer.

So installing a fresh cooling system protection may be smarter at times when the car's air conditioning is going full blast and warm air temperatures are making engines run hotter.

Most cars are purchased new in warm weather months. Therefore, if one heeds recommendations of annual changes of coolant

antifreeze, then the change should come in these same warm weather time periods.

Historic patterns of late fall antifreeze changes date back to times when alcohol or methanol were used as bases of the product. These boiled away when warm weather came so it was important to put in new supplies when weather got cold again. Today's coolant base is ethylene glycol that can withstand both cold and hot temperatures.

Installing new coolant antifreeze at this time of year may save you money and long waits for the

product next fall when most motorists start to

worry about the need for change.

### SHINING EXAMPLES

A survey in Great Britain reveals that among those who polish their cars regularly, 58 per cent have never had an accident. Only 31 per cent of those who don't polish cars could claim such distinction.

### BREAK IN TIRES

Tires need a break-in period when new. Keep well within the speed limit to help tires "adjust" to other tires on the car so they can function as an integral unit.

### CARS, DRIVERS ARE SAFER

While the current highway death rate of 4.5 fatalities per 100 million vehicle miles is a grim statistic, it's a vast improvement over the 1930 figure. In that year, the rate was 16.5 deaths per 100 million miles.

### CLEANER AIR

New Jersey's mandatory emissions inspection program is expected to reduce carbon monoxide emissions by more than 20 per cent in its first year of operation.

# Increasing automobile efficiency will be big help

"The American economy now consumes about 17 million barrels of oil each day. Our inability to meet this demand from domestic supplies has forced us into increasing dependence on the oil-rich Middle East and other foreign suppliers."

So says a statement

from the U.S. Department of Transportation, specially prepared for this supplement to present the government's point of view on the gasoline crunch.

The statement continues. Transportation accounts for nearly 60 per cent of all the liquid fuel consumed in the United States

and the more than 102 million automobiles registered throughout the nation account for approximately half of transportation's total use.

### Fights inflation

Obviously, increasing the fuel efficiency of our cars will go a long way toward decreasing our demand for petroleum and easing the inflationary pressure created by that demand.

President Ford has established the goal of increasing the fuel efficiency of the 1980 model cars by 40 per cent over 1974 models. Our research indicates that the President's goal is entirely reasonable and that the goal can be reached by the manufacturers through improved technology, engine resizing and a relatively limited marketing shift to smaller cars. Indeed, the average fuel economy of 1975 model automobiles has already brought about a 13.5 per cent improvement over 1974 models — a major step toward the President's goal.

### Need action now

But President Ford has emphasized the urgency of whipping inflation now. To bank on the long range solutions of increasing domestic energy supplies and improving automobile fuel efficiency is like praying for rain while flames lick through the roof of the house.

President Ford struck at the heart of the matter when delivering his address on the economy last October he asked all of us to reduce our driving by 5 per cent in the effort to both curb inflation and to ease the energy demand.

Actually, the President's request was a modest one. Our studies indicate the average car owner could reduce his driving by 10 per cent without seriously affecting his job or living standard.

### Save 10 billion

If that average car owner, now driving 13,000 miles a year, would cut his driving by 10 per cent he would save some 100 gallons of fuel annually. And, if the 100 million-plus cars on the road each achieved similar reductions, the savings would exceed 10 billion gallons of gasoline a year with the very significant savings in fuel cost of \$5 billion.

The plain truth is that most of us too casually and too wastefully use our automobiles at needless cost to ourselves and to the disadvantage of our society. Many trips are made for purposes of dubious value. And the number of worthwhile trips could be greatly reduced by better planning and organizing our daily routines.

### Double up, save

Although the typical car seats four persons, its urban work trip occupancy averages only 1.4 persons. This statistic tops all others in supporting the

charge of waste and inefficiency in the national transportation system. Raising the occupancy rate nationwide to an average or even two persons per automobile would save an extraordinary five billion gallons of gasoline a year.

We at the Department of Transportation have placed top priority on encouraging greater nationwide participation in carpooling. Our theme: "Double Up America — Two Can Ride Cheaper Than One."

The reduction in the use of fuel that a concerted

national carpooling effort could bring about would significantly ease a major inflationary pressure on the economy. Additional goals that carpooling can help achieve are reduction of urban air pollution and an easing of traffic congestion on the streets and highways in and around our cities.
