St Johns sets review of weed ordinance enforcement

ST JOHNS - Weeds, lot sizes and the Fourth of July seemed to be the highlights of the St. Johns City Commission meeting Monday night.

Cecil Smith was on hand to complain about weeds in various parts of the city and asked the City Commission to put "some teeth" into their ordinance requiring that weeds be cut.

After Randy Humphrey, city clerk, explained the city's procedure for having

change that would require single family resident lots be increased from 55 to 75 feet and apartments from 2500 square feet per unit to 4000.

Weeds cut if they are not cut by the property owner (the city hires it done and then charges the property owner), John Hannah, city commissioner, moved to have the existing ordinance reviewed to see if it is possible to make it more effective.

Local builders were also on hand to protest the city's proposed zoning ordinance

One of the primary objections was increased cost to the person building a home, particularly the young and elderly.

The City Commission explained the change only applies to unplatted lots and that platted lots would be allowed to have homes built on them although the lot may be under 75 feet.

The final vote on the matter read 3-2 with Gerald Wilcox and John Hannah voting no and Roy Ebert, John Arehart and Mayor Robert Wood voting to approve the change.

The Fourth of July entered the meeting when a local resident asked if the Fire Dept's annual celebration adjacent to Morton Street could be moved to the Clinton County 4-H grounds.

The commission was told permission had been granted by 4-H officials to use the grounds, but representatives of the Fire Dept expressed feelings that such a move would create serious problems this year.

In the past, the celebration has been held adjacent to Morton St, but recent development of the area has brought protest from those moving into the area, citing road hazards to children and noise nuisance.

Brandon White, president of Clinton National Bank addressed the Commission and said the city lost \$2000 on a recent letting of bond money by not accepting bids.

He said he had discussed the situation previously with the commission, but the most recent incident cost the city the \$2000 when Clinton National Bank and Trust's more favorable bid was not accepted.

Commr Hannah moved to accept a letter from White and to put it on the table, to be discussed at the next meeting July 8.

Holiday deadlines

Due to the July 4 holiday Clinton County News advertising and news deadlines will be early for next week's issue.

All display and advertising copy must be in the County News office by 5 pm, Friday. The news deadline is Monday at noon.

Fun on the Fourth

St Johns

ST JOHNS - A week-long carnival, 2 fireworks displays, Kid's Day, drawing for 2 bicycles and a drawing for a steer highlight the St. Johns Fire Dept July 4 celebration July 1-6.

Activities get underway Monday, July 1, when the carnival opens. The carnival will continue through July 6.

A fireworks show will be presented July 4 just after dark and a smaller fireworks show will be staged July 6.

Kid's day is Friday from 1-6 pm with reduced carnival rides for children. Two bicycles, a boy's and girl's, will be awarded on the same day. A variety of activities is offered for the kids throughout the afternoon until 6 pm, including free rides on a St. Johns fire truck.

Kids may register for the bicycle drawing at the St. Johns Fire Dept booth, which will also be the place to register for the steer drawing. The winner of the steer will be announced July 6.

Throughout the week, hungry celebrators will find refreshments at the Rotary Club refreshment stand.

It looks like smooth sailing for a majority of township candidates in Clinton County in the primary elections scheduled for August 6.

In 7 of the 16 townships, there are only as many candidates as there are positions open. Many of the remaining townships do not have more than 1 candidate from each party, which means the real contest won't come until the November election.

That's not the case in DeWitt Twp, where former police chief Bruce Angell II is running for supervisor, against Dale

Emerson, who is up for recall along with 3 other board members. Both are republicans.

Also running in DeWitt are: clerk, Donna Syverson (rep) and Majorie Dziuban (dem); treasurer, Oliver Angell (rep) and John Kirschner Jr (dem); and for 2 trustee posts, Roger Pline (rep), Kenneth Geisenhaver (rep), Bruce Womack (rep) and Richard Olger (dem).

Bath Twp candidates for supervisor are Thomas Woodruff (dem) and Jon Addiss (rep). June Burnett (dem) is running unopposed for clerk.

Candidates for Bath treasurer are Carol Crofts (dem) and Alice Loomis (rep).

Elsie man killed in crash

ELSIE - A 45-year Elsie man lost his life in a head-on collision June 23 at 10:30 pm on M-21 east of Baldwin Rd.

Dead is Bernard Mills, 6208 Meridian Rd, Elsie.

State Police from the Owosso Post report Mills' auto, collided with a truck driven by Eugene Isaacson, 31, of Swartz Creek when Mills' car was on the wrong side of the road. An autopsy is being performed to deter-

mine the cause of death and whether it may be related to the cause of the accident.

Isaacson was treated for lacerations and 2 passengers in his truck, his son, Eric, 9, and Charles Rheingans, 20, Fenton were treated and released.

Mills was pronounced dead at the scene by Dr. J.G. Lyons, Shiawassee County medical examiner.

The silo was all that was left of the barn belonging to T. Roy Sosebee, W Marshall Rd, St Johns after fire destroyed the structure last Thursday. Two snowmobiles and various farm equipment were lost with the barn, but farm animals housed in the barn had recently been sold.

Competing for 2 trustee posts are Robert Briggs Jr (dem), Allen Rosekrans (dem), James Dronk Jr (dem), Mary Black (rep), James Church (rep) and Richard Morrill (rep).

Russell Howe and Timothy O'Donnell, both republicans, are vying for the supervisor position in Eagle Twp. Clerk candidates are Alice Sullivan (rep), Betty Evert (rep), and Anne Love (dem); treasurer hopefuls are Carl Lietzke (rep), Paul Donald Edgecomb (dem), and Fred Catlin (rep).

Republicans Elmer Hardenburg and Dale Volk are running for a single trustee post in Eagle, while Leo Murphy (rep) is unopposed as candidate for constable.

In Victor Twp, Robert Remus (dem) is the sole candidate for supervisor, as is Manley Hunt (rep) for the clerk position. The other posts each have a republican and a democrat running: for treasurer, Jean Morrill (rep) and Vern Fosnight (dem); trustee, Arlo Stichter (rep) and Daniel Morris (dem); and constable, John Arntz (rep) and Daniel Jorae (dem).

The 2 candidates for Watertown supervisor are Herman Openlander and William Nicholas, both republicans. Running for clerk are Mildren McDonough (rep) and J. Elaine Amos (dem), while republicans Edward Kraft and Richard Ackerman are bidding for treasurer.

There are 3 candidates for 2 Watertown trustee spots: Syver Thingstad (rep), William Vaughn Montgomery (rep) and Betty Harlow (dem). John Nash (rep) is the unopposed constable candidate.

Earl Barks (rep) is the sole supervisor candidate in Olive Twp, with republicans Neil Harle and Doris Cook running for clerk. Charles Favior (rep) has filed for the treasurer position and Eugene Schneeberger (rep) for the trustee post.

Riley Twp has an all-republican slate. Candidates are: supervisor, Norman Thelen and Donald Potts; clerk, Victor Hopp; treasurer, Lester Schilke; trustee, Charles Silm and Douglas Witt; and constable (2 spots) William Flegler and Lawrence Witt.

Ovid Twp republican Carol Bashore is running unopposed for supervisor. Clerk candidates are Gary Kurka (dem), Porter Martin (rep) and Janet Birney (rep). Katherine Kelley (dem) is running for treasurer and Ronald Miller (rep) has filed for the trustee position.

Lebanon Twp, like Riley, has only republicans running. They are: for clerk, Paul Graff Jr; for treasurer, Delbert Schaefer; trustee, Gayle Fitzpatrick and LeRoy Schaefer; and constable, Donald Graff.

Following are the remaining township candidates, all unopposed and all republicans.

Westphalia Twp: supervisor, Francis Trieweller; clerk, Walter Keilen; treasurer, William Hanses; trustee, Leon Wohlfert and constable, Alfred Fink.

Greenbush Twp: supervisor, Edwin Cox; clerk, Onalee Maneval; treasurer, Francis Motz; trustee, James Burnham; and constable (2 posts), Gordon Waggoner and John Makara.

Essex Twp: supervisor, Clayton Wright; clerk, Verne Upton; treasurer, Marcia Cowles Nemcik and trustee, Donald Pindley.

Dallas Twp: clerk, Josephine Goerge; treasurer, Leo Koenigsnecht and trustee, Ronald Spitzley.

Duplain Twp: supervisor, Russell Libey; clerk, Kelley Carter; treasurer, Doris Moore; trustee, Walter Kaufman Jr and constable, Lawrence Hess.

Bengal Twp: supervisor, Marshall Hieks; clerk Rudolph Mohnke; treasurer, Donald Harper and trustee, Harold Armbrustmacher.

Bingham Twp: supervisor, Harold Benson; clerk, Russell Morrison; treasurer, Wilbur Brandt; trustee, Neil Barnhart and constable (2), Duane Davis and Robert Kissane.

Passing of an era--grain bin storage ends

The auction sale at St. Johns of the last of the government-owned grain bins in Michigan on June 20, 1974 marked the end of an era which has seen as high as 13,696,000 bushels of space in flat storage structures and round 3,250 bushel silo-type bins, referred to by many as "tin cans," according to Dorn Diehl, state executive director, Michigan State ASCS Office.

At its height in 1963, bin site locations were scattered in an area of about 200 miles wide diagonally across the State from Benton Harbor to Adrian and Monroe and from Elwell in the central part of the state to Caro in the thumb area. The bins were located strategically to make space readily available for grain under Price Support loan delivered to CCC in years when the market price was below the loan level.

Looking back over the years, George Parker, program specialist at the Michigan State ASCS office, recalls that the first CCC bins erected for storage of commodities delivered under the loan program was in 1942 and 1943.

These were wooden bins manufactured during the war years when steel was short. The storages were located in the lower part of Michigan and were used for about two years for storing soybeans. However, soybeans became short like

everything else in war time and the soybeans were moved out and the bins dismantled and sold.

In 1950, Parker said, 30 steel bins with walk-in doors were transferred from Wisconsin and erected in three different locations to store clover seed being delivered to CCC under the loan program.

There wasn't enough warehouse storage space to house all the clover seed being offered to CCC under the loan and purchase program.

Some of these 2,250 bushel bins were later used by the Farms Crop Dept of MSU and the Agricultural Research Service for research on long-time storage of dry edible beans in Michigan particularly pea or navy beans.

Large numbers of CCC storage structures, Parker said, were not erected in Michigan until 1953 to house the excess 1952 crop corn delivered to CCC under the loan program. Final delivery of the corn was not completed until December 1953 because of the delays in erecting the storages.

Commercial warehouse space offered to CCC was insufficient to store the corn and the only alternative was erection of the

Bath treasurer seeks supervisor's office

BATH TWP - Thomas Woodruff, Bath Twp treasurer, has announced he will seek the Democratic nomination for Bath Twp supervisor.

Woodruff announced his candidacy to the County News, claiming his "knowledge and experience as township treasurer and his recent certification by the state of Michigan as a qualified assessor makes him a qualified person to serve in the vacated position of David L. VanSickle, who recently resigned.

Woodruff said he has "received support by the majority of township residents during his term as treasurer and hopes to be able to continue to serve the people of Bath in a reliable and responsible manner."

Woodruff, 36, resides at 13556 Main St, Bath with his wife, Ella, and 3 children.

He operates Woody's Auto Sales.

He is unopposed in the Primary and will face Jon Addis (Rep) in the general election.

O'Donnell seeks office in Eagle

EAGLE TOWNSHIP -- Timothy R. O'Donnell, Route 1, Eden Trail has announced that he will seek the Republican nomination for township supervisor from Eagle Township.

O'Donnell, 30, is employed by the City of Lansing's Board of Water & Light in the Data Processing Department.

"I believe that accountability and a willingness to listen to people's concerns are extremely important in the township supervisor's post," said O'Donnell in making his announcement.

The Republican nominee is married and the father of one son.

St Johns VICA students compete in national conference

SAN ANTONIO, TEX - Three St Johns High School students recently attended the 10th National Leadership Conference of the Vocational Industrial Clubs of America and 1 student took a 2d place in national competition.

Attending the conference were Jim French, competing in auto body; Jim Smith, competing in auto mechanics; Jack Nellar, state VICA treasurer and national voting delegate, and instructor Larry Buiton.

French took 2d place in national competition in auto body Skill Olympics.

VICA is a national student organization for trade,

technical, industrial and health occupations education students. About 180,000 students from 44 state and territorial associations including Puerto Rico and the Virgin Islands are members. Delegates attend the San Antonio meeting to elect national officers, grant charters to new State VICA Associations and take part in the VICA US Skill Olympics. The Olympics include 30 separate skill and leadership development contests.

Leaders from organized labor, management, education and government are participating with student delegates in conference activities.

New realty firm opens in St Johns

ST JOHNS - A new addition to the downtown St Johns business community is St Johns Realty, which officially opened for business this week.

St Johns Realty will serve the central Michigan area in farm, residential and commercial property realty service.

The telephone number of the new business is 224-3145.

Two county families are hosts of English visitors

ST JOHNS -- Two Clinton County farm families are host to 2 visitors from England receiving placement training while earning credit at Michigan State University.

Gaining farm experience with the Kenneth Thelen family of Fowler is Robert Hawkins, 18. Nell Dowlel, 19, is staying with the Richard Woodhams of Rt 6, St Johns.

Both are residents of Warwickshire, England and are in the United States for 3 months gaining practical farm experience before going to college in England.

Hawkins' family farms about 600 acres of wheat and barley with about 400 acres in grazing land.

Dowlel's family has about 375 acres in wheat and barley with another in beef and sheep pasture.

Although both families farm what to us is known as wheat, it is called corn in England. What is referred to in the United States as corn is known as maize in England, although little is grown there because of insufficient warmth in the growing season.

Hawkins and Dowlel said English farmers begin planting 3 weeks earlier than our farmers and crops are harvested about a month later.

They also cited another difference between the 2 countries

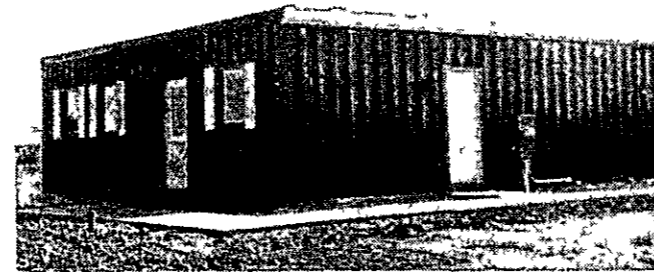

ROBERT HAWKINS AND NEIL DOWLEL

and it is a timely contrast. While American drivers are facing gasoline prices at 50-60 cents a gallon, English drivers are filling their tanks at a \$1.40 a gallon rate.

After gaining their experience on American farms, the 2 will return to England for further education and both said they plan to join their family farming operations.

Robert Malesky opens new veterinary clinic

ST JOHNS ANIMAL CLINIC

ST JOHNS - An open house will be held Sunday, June 30 at the new St Johns Animal Clinic, 4137 S US-27 in St Johns. The open house will be from 2-5 pm.

Owner of the new clinic is Robert G. Malesky, DVM, who opened his veterinarian practice in the St Johns area last September.

A 1971 graduate of MSU, he also holds an associate degree in business administration.

The new clinic features 2 examination rooms, x-ray and dark room and a treatment room which handles routine medication of hospitalized animals for dressing wounds, giving injections etc.

The treatment room is also used for preparation for surgery.

The surgery room is equipped with a gas anesthesia machine where aseptic procedures are maintained.

The lab-pharmacy handles routine blood tests, heartworm checks and fecals.

The kennel area has 12 units and a tub for bathing animals. The clinic is located on US 27 at Taft Rd, 2 1/2 miles south of St Johns.

Telephone number of the new clinic is 224-6495.

ST JOHNS -- The marriage of Lisa Emily Davis, daughter of Mr and Mrs Roy C Davis, to Douglas Lee Thurston, son of Mr and Mrs D. Wilbur Thurston, all of St Johns, was solemnized Saturday, June 8, in a rural outdoor setting on the farm of the bride. A trellis was set up under a circle of giant pine trees as a backdrop for the young couple and their attendants, while guests stood on a slope of a former home site. Rev Harold McGuire, pastor of Lowe United Methodist Church, officiated in the double ring ceremony. Instrumental and vocal music was provided by John Warfield, Alan Smith and Diana DeWitt. The bride also sang a special selection during the ceremony.

Attendants chosen by the bride and groom were Holly Richardson and Delia Anderson, sisters of the bride, and Denise Thurston, sister of the groom. Groomsmen were Terry Thurston, Jon Berkhousen and Alan Davis. The bridal gown was suited to the locale, grass length of off-white crepe de chine, trimmed with embroidered pastel flowers. A full silk illusion veil flowed in a train. She carried a bouquet of Phalaenopsis or-

chids and stephanotis. The bridesmaids wore pastel gowns of nylon dotted swiss and carried matching parasols. Their flowers were worn in a wreath in their hair. The mother's of the bride and groom wore long sleeved, full length, light weight knits, Mrs Thurston in yellow and Mrs Davis in pink. They wore gardenias in their hair.

Immediately following the ceremony, the bride and groom were toasted with champagne by their many relatives and friends in attendance. A buffet dinner was served in Elsie at the American Legion, organ dinner music provided by Art Davis, uncle of the bride. A dance for 300 guests followed.

Mr and Mrs Richard Kingsbury and Mr and Mrs Max Locher acted as hosts at the wedding, while Mr and Mrs Donovan Williams and Mr and Mrs John Kurnez were hosts in Elsie. Mrs Stanley Whitlock cut the bridal cake. Honored guests were the bride's maternal grandmother, Mrs Dora Jones of Detroit, and the groom's paternal grandparents, Mr and Mrs Forest Thurston of St Johns.

Mr and Mrs Wilbur Thurston provided a rehearsal dinner at the Road House for all participants in the wedding on Friday evening, June 7.

The new Mr and Mrs Thurston will make their home in Lansing where both are employed. They graduated from St Johns High School in 1969. Lisa received her bachelors degree in Home Design from CMU. Douglas attended Community College and MSU, and is presently working as an apprenticed electrician at Oldsmobile. The couple will enjoy a southeastern states honeymoon.

MR AND MRS WALLACE WILES

JoAnn Kanaskie bride of Wallace Wiles

ST JOHNS -- St Joseph Catholic Church provided the setting for the May 25 ceremony uniting JoAnn Kanaskie, daughter of Mr and Mrs Leonard Kanaskie, and Wallace Maxwell Wiles, son of Mr and Mrs Floyd Wiles, Cass City. Father Hankerd performed the double ring ceremony before an altar decorated with white glads and mums. Mr and Mrs Robert Koger provided music for the occasion.

The bridal gown was designed and made by the bride and her sister, MaryAnn Henning. It was old fashioned with an empire waist. The bodice was in layers of lace over satin gathered full skirt with ruffles at the bottom. The gown was trimmed with pearls and had a train of satin ruffles. She wore a shoulder length veil trimmed in lace matching the lace on her dress and carried a bouquet of white mums with bachelor buttons, daisies and roses in pastel colors.

Diann Kanaskie attended as her sister's maid of honor. Bridesmaids were Phoebe Wiles of Fla and Beverly Mosher of St Johns, both sisters of the groom; Mary Ann Henning of St Johns, sister of the bride; and Rhonda Kanaskie of St Johns was junior bridesmaid.

The attendants wore dotted swiss dresses with empire waists, long puffed sleeves and gathered skirts. They wore picture hats the color of their dresses. The maid of honor wore green and the bridesmaids wore yellow, blue, pink and lavender. Their bouquets were lace umbrellas with spring flowers.

The mother of the groom wore a blue dress and carried a small bouquet of yellow roses. The bride's mother wore a blue dress with a bouquet of pink roses.

Serving as best man was Daniel Henning. Groomsmen were Larry Kanaskie, brother of the bride, Robert Mosher, brother-in-law of the groom, Michael Mullenbeck, and Russell Kanaskie, brother of the bride. Leonard and Michael Kanaskie seated the guests.

A reception was held in the St Joseph Social Hall for 350 guests. Serving were Wanda Nelson and Mrs Lena Tucky. The cake was made by the bride's aunt, Donna Most.

Special guests were Mr and Mrs Richard Pilmore, grandparents of the bride.

Following a trip to Fla, the couple are residing at 451 1/2 Akron Rd, Cass City.

The bride is a 1971 graduate of St Johns High School while her husband graduated from Owen-Gage High School.

50th anniversary

Mr and Mrs Kermit Coffman were honored with a 50th Anniversary celebration given by their children on June 2. They were married June 2, 1924 at the Congregational Parsonage, Grand Ledge. Their attendants were Geneva Coffman, sister of the groom, and Donald Blizzard.

Eureka School holds 'Vera Bryant Day'

EUREKA -- June 11 was Vera Bryant Day at the Eureka Elementary School. The school and community had a surprise party in her honor with people from the community and relatives attending from as far away as Kalamazoo.

A program was presented and a history written by a fellow teacher and a poem were read detailing some of the highlights enjoyed during her years at Eureka.

She was presented a corsage and gifts of a picture and memory book to help her remember her special day.

The students sang an original song written by a parent for the occasion.

Algie Watkins accompanied them at the piano and played throughout the refreshment time and visiting which followed.

Cupcakes and a decorated cake for the occasion were furnished by the students' mothers.

Tags were worn by everyone in the shape of a flower, which read "good luck Mrs Bryant".

Mrs Bryant is leaving Eureka Elementary School where she has been principal and kindergarten teacher for 6 years to take on a new job as principal and teacher at Perrin-Palmer Elementary School.

Gerhold 3d in Wisconsin

Ms Kathy Gerhold of Corunna did right well for herself in last weekend's race for women pilots only in Wisconsin, finishing third overall in a 55-plane field, and first in her Cessna Class.

The first Wisconsin race of the season, called Wis-Sky Run, took place out of Madison's Morey Airport and covered 246 miles.

It was a proficiency test of gas and time on a handicap basis and she scored 99.2826 out of a possible 100, based 50 per cent on time and 50 per cent on gas consumption.

Co-pilots could be either men or women, and Richard Parks handled this phase for Ms Gerhold.

MRS DANIEL WEBER

Joyce Simon weds Daniel Weber

PEWAMO - On June 22 Joyce J. Simon, daughter of Mr and Mrs Norbert Simon, R1, became the bride of Daniel M. Weber, son of Mr and Mrs Norman Weber, R1, Pewamo, in a double ring ceremony at St Joseph's Church. Msgr Bolger performed the ceremony. Music was provided by Mrs Ernest Schafer and the church choir.

The bride chose an empire waisted satin gown with a nylon overlay. The gown featured an A-line floor-length skirt, long sleeves and high neckline. A floral pattern decorated the bodice and cuffs and pink lace set off the collar, cuffs and waist-line. She wore a french triple-tier elbow length veil secured by a headpiece trimmed with pink lace, and she carried a cascade bouquet of white and pink carnations, pink sweetheart roses and accented by pink and white streamers.

Arlene Simon attended as her sister's maid of honor. Bridesmaids were Joan Capel, sister of the bride from Lansing; Jane Goodman, sister of the groom of Portland; and Jan Spitzley of Fowler. Judy Weber of Portland served as flower girl.

The attendants wore gowns of white dotted swiss with empire waist-lines, and scattered with bouquets of pink, orchid, blue and gold pasties. Each girl a ribbon to match one of the pansies in her dress. Both mothers wore long blue gowns and had orchid corsages. Serving as best man was Jerome Weber, brother of the groom from Portland. Groomsman were Ken Simon, brother of the bride from Pewamo, Albert Fedewa of Westphalia and Terry Schafer of Pewamo. Ring bearer was Bobby Vashaw of Portland. Leon Simon, brother of the bride and Leon Weber, brother of the groom, seated the guests.

A reception for 400 guests was held at the Parish Hall following the ceremony. Special guests included Mr and Mrs John Thelen; Mr and Mrs Albert Thelen; Mr and Mrs Roman Pohl; Mr and Mrs Melvin Weber; and Miss Josephine Simon.

The couple will reside in Portland. Mrs Weber is a 1972 graduate of Pewamo-Westphalia High School and is employed by the Secretary of State. Her husband is a 1971 graduate of Portland High School and is employed by TRW in Portland.

Recently the Daughters of the American Revolution (DAR) sponsored an essay contest on "A Child of 1774." Winners at St Joseph School, St Johns, were: (left to right) Ann Huard, who chose to write about Tecumseh, an Indian who belonged to the Tribe of Shawnee; Kevin O'Connor, who wrote about Cyrus J. Worthington; Lori Hufnagel, who took a general look at a child in 1774; and Tim Motz showed himself as Andrew Jackson in 1774 at the age of seven and then compared it to his real life today in 1971. Sister Lucy Schneider, principal at St Joseph School, is shown presenting each of them with a book which has been awarded by the local chapter of the DAR.

TO THE EDITOR

She's mad

Dear Editor,
It sure makes me mad that a few people, who all of a sudden buy a house next to the city park, think they can run the whole town. We also pay taxes and have lived here a lot longer. They know when they bought their home that we have the 4th of July celebration every year. Our children can hardly wait for it. There are a lot of us who have to work long hours and six days a week. We can't get out of town.

We enjoy the celebration very much. Many hours of work go into the celebration and all of the wives that go down to help deserve our thanks. They are

away from their husbands and families to do this for the city. What do some of you people do for the city and the children but complain. What is left that you won't complain about? You complain about the young people riding their bikes and motorcycles, what is left? Soon they will have nothing left. Oh yes, they have dope.

The park was here long before some of those homes and the 4th of July fireworks are part of the city. Let's not take everything away from our young people. Think about it!
Yours truly,
Dorothy Rosekrans

Former Redwing wrestler working toward Olympic shot

By John Phipps
County News
Sports Writer

Olympic wrestling is within the realm of possibility for Marvin Pettit, former St Johns High wrestler.

Now Army Pfc Pettit of the 58th Engineers stationed in Fulda, Germany, the former Redwing faces perhaps the most important wrestling event of his life.

Top 3 finishers in each weight class of an all-European Army tournament to be held within the next 14 days will qualify for return to the United States for pre-Olympic qualifying, according to word received by Pettit's parents, Mr and Mrs Leland Pettit, 8303 Loomis Rd. Pettit has been beaten only once in more than 40 matches since entering the Army nearly a year ago, according to his father. "He was unbeaten in the States and lost only once in Europe in the championship match of a tournament in Frankfurt."

Latest total of Pettit's European hardware includes a pair of regimental championship trophies, a gold medal and a silver medal in higher competition, including a 1st in the V Corps tourney in Hanau. Most of his action has been at 180.5 pounds, some in the 190 pound class.

Pettit graduated from St Johns High School in 1973 after competing in wrestling, track and football and entered the Army July 17. He soon lived up to his football nickname of "Mad Dog" by whipping all comers in boot camp wrestling and other more formal wrestling events stateside. After stops at Camp Gordon,

Ga, and Fort Leonardwood, Mo., Pettit was shipped in January to Fulda, some 65 miles northeast of Frankfurt, according to his parents.

"He couldn't sit still -- every time he had a chance he'd wrestle," says his mother, Lila. "Even in basics he wrestled a lot."

Then Pettit got into serious competition while wrestling under a coach from Mount Pleasant, Mich at Fulda. Meanwhile, he found an old high school trick helpful on his way to European prominence.

"Remember ... when I pinned the guy from Greenville after learning the move in Phys Ed class?" he wrote recently. "Well, I pinned 2 guys in that same move -- one yesterday and one the other day to win the championship."

Pettit learned the move from assistant coach Bill Brown, says Leland Pettit. Brown and Bob Ballard coached Pettit as a Redwing. Ironically, Pettit recalls that he never took 1st in any high school tournament while wrestling in the 185-pound class at 167 pounds actual weight.

The move, recalls Brown, was a head and arm hold similar to a headlock. "In high school a straight headlock is illegal, but if you get an opponent's arm into the hold it's okay and it's almost impossible to break."

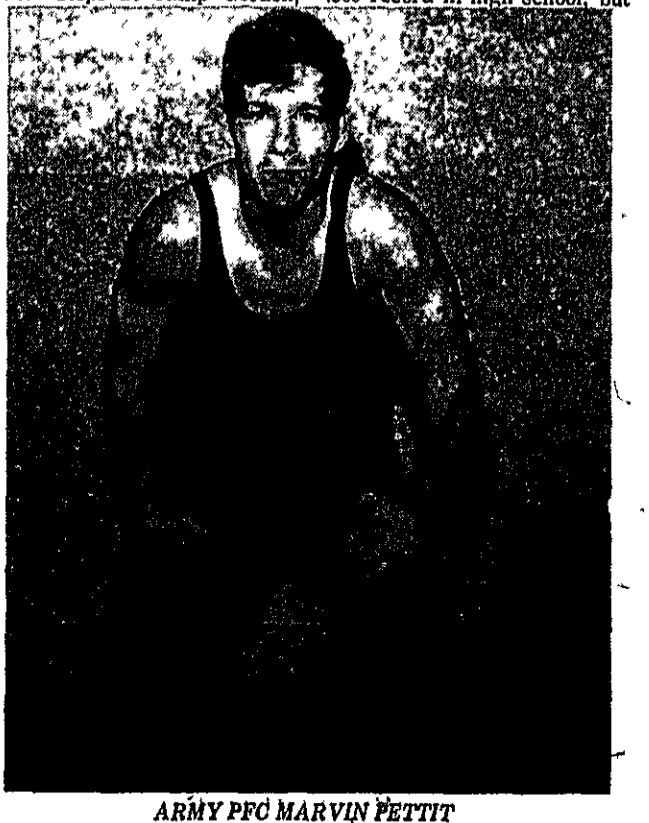

Pettit's current success was not a complete surprise to Brown -- "He had the potential to do something like this. He was always in the match against bigger opponents, he just couldn't always go the distance with such a weight disadvantage. He had about a .500 record in high school, but

we had to wrestle him at 185 because we didn't have 185-pounder."

Now the budding 180-pounder is one of the best in European Army circles. He'd like to make it one of the best in the world. Next step, if he qualifies, will be Fort Dix, NJ, for pre-Olympic training in anticipation of the Olympic qualifying trials. If successful in all other steps, the high flying Redwing could find himself in Montreal in 1976.

Meanwhile, if all else fails, he's still the starting catcher on the regimental baseball team and he's still one of the best Army wrestlers in Europe.

Even though he's committed to the Army for 2 more years, Pettit would agree that there is a lot to be said for being a hard man to pin down ...

Susan Kajdas honored at 4 bridal showers

ELSIE (c) — Bride-elect Susan E. Kajdas was guest of honor at the fourth and final miscellaneous shower Tuesday evening at the home of Mr and Mrs Blaine Lentz.

Hostesses were their daughter, Mrs Cindy Wilson and Miss Kajdas' sister, Diane Kajdas, all of Elsie.

Blue and white, the bride's chosen wedding colors were used in the decorations and games were played with Pat Ladiski and Elaine Saxton receiving the prizes.

Refreshments were served by the hostesses and featured a blue and white bridal cake made by Mrs Fern King.

Mrs Frank Loznak and Mrs Paul Blunt were hostesses for the 1st shower held early in May at the Loznak home in Elsie.

Mrs Charles Warner and her daughter, Mrs Barbara Johnson of Clare hosted the 2d shower.

Miss Stephanie Bashore of Ovid, roommate of the bride-elect and Cheryl Eason invited their friends from the MSU Dormitory for the third event at the dorm.

Miss Kajdas received a variety of appropriate gifts. She will become the bride of Robert L. Peterson of Cassopolis Saturday afternoon, June 29 at the Elsie United Methodist Church.

Rainbow of flowers accents wedding of area couple

ELSIE — On June 22, Rozanna Lynne Litomisky, daughter of Mr and Mrs Edward Litomisky, R2, became the bride of Peter Mark Boyer, son of Mr and Mrs Harold Boyer, 200 East St, Ovid, in a double ring ceremony at Holy Family Catholic Church. The altar was decorated with rainbow colored spring flowers in garden baskets. The arrangements were made by Nellie Miller of Ovid.

Soloist Kathie Brodie, cousin of the groom, and organist Roger Matties provided music for the occasion.

The bride chose a candlelight gown of Italian lace over white satin. It featured long lace sleeves, a full skirt and was accented by satin buttons down the front and on the wrists. She wore an ivory mantilla fingertip veil with lace framing her face and carried a bouquet of miniature white carnations with pink sweetheart roses, lilies of the valley and was accented with flowers of rainbow colors.

Attending as maid of honor was Terry Ann Theriac of Ovid. Bridesmaids were Mrs Marie Litomisky of Williamston, Mrs Christine Bush of Owosso, and Mrs Monica Craig of Ithaca, NY. Serving as junior bridesmaids were Jennifer Litomisky of Elsie and Lisa Theriac of Ovid.

The attendants were attired in gowns of rainbow colors; pink, blue, lavender, mint green, and yellow respectively. They wore picture hats to match their dresses. The gowns were of chiffon and were A-line featuring sashes to match the colors of their gowns. They carried miniature garden baskets filled with pastel-colored spring flowers.

Mrs Litomisky chose a strawberry pink gown and had a corsage of white miniature carnations, pink rosebuds, and lily of the valley. The groom's mother wore a pale pink gown and had a corsage of pink rosebuds and other small spring flowers.

Attending as best man was Daniel Luke Boyer of Lansing. Groomsman were Roger Roof of St Johns, Charles Kaare of St Johns, Charles Hellse of Lake City, Thomas Roof of St Johns, and Wendell Mellink of Ovid. Gary Byrnes of Ovid, Edward Melinak of Lansing and Gary Curtis of Ovid seated the guests.

Following the ceremony, a dinner reception was held at the ZCJB Hall. Serving were Joanne Hrncarik, Paulette Hrncarik, Beth Dahlberg, Tracy Bradish, Beth Klco and Mary Ann Malcom.

Special guests included Mrs Joan Theriac of Ovid, aunt of the bride. Following a trip to Chicago, the couple will reside in Lansing.

The bride is a 1970 graduate of Ovid-Elsie High School and a 1973 graduate of LCC. She is currently employed as a court reporter for the State of Mich. Her husband is a 1971 graduate of Ovid-Elsie and is employed by Motor Wheel.

Lydia Ortiz wins trip

ELSIE (c) — Lydia Ortiz, daughter of Mr and Mrs Frank Ortiz of 7255 E. Maple Rapids

Road, Elsie will spend 5 days on an all-expense paid trip to California leaving June 23.

Lydia was the first place winner of the IGA contest in Elsie. Gene Schoendorf, manager. With 600 other winners in Michigan, she will fly to California with 50 chaperones on a Jumbo Jet.

They will visit Disneyland, Marine Land, Knott'sberry Farm, Cars of the Stars Museum, tour Universal Studios and attend a baseball game.

Other winners at the Elsie Store were: Krystal Gilbert, Sheryl Conklin, Charles Ackles, Tina Woodbury, Jow Horak, Sharon Galecka, Linda Szilagyi, Brian Passmore and Lori Chapko, who each won a radio.

They attend Mid-Michigan Community College at the Alma Practical Nurse Center in Alma.

They are March, 1975 graduates and will be the 1st class at the Alma center from Mid-Michigan Community College.

Refreshments were served in the dining room by the worthy matron and her committee.

The Afternoon Circle of the Shepardsville United Methodist Women met at the home of Mrs Francis Hall on Thursday afternoon June 13. Thirteen members and one guest were present.

A nice sum of money was realized from the Chinese Auction held at the May meeting. A letter of acknowledgement was read by Mrs Robert Hebler, Sr from Crop thanking us for our donation.

A summer recess was declared and the next meeting will be in October at the home of Mrs Charles Walker.

Mrs John Spencer and Mrs Charles Walker were in charge of the program and devotions. The material used by Mrs Spencer and Mrs Walker was taken from the Magazine "Response". Mrs Spencer had as her topic an article on the season of Trinity. Mrs Walker used as her meditation, "For What Do We Live?"

The hostess served light refreshments.

City of St Johns Commission meeting proceedings

CITY COMMISSION MINUTES May 28, 1974

Mayor Wood called the regular meeting to order at 7:30 pm.

Comm Present: Arehart, Ebert, Hannah, Wood.
Comm Absent: Wilcox.

Staff Present: Weatherwax, Maples, Humphrey, Vermette.

Comm Hannah asked that his statement of opposition to Ordinance 265 be entered into the minutes of May 13, 1974 in its entirety.

Motion by Comm Arehart, supported by Comm Ebert to approve the minutes of the regular meeting of May 13th, as amended, and the special meeting minutes of May 21, 1974. Motion carried.

Motion by Comm Ebert, supported by Comm Arehart to approve the warrants. Motion carried.

Mayor Wood asked for additions or deletions to the agenda.

The Clerk and Commissioner Hannah asked for additions.

Motion by Comm Ebert, supported by Comm Arehart to approve the agenda as amended. Motion carried.

Mr Joseph Mesh of Joseph P. Mesh Builders appeared before the Commission and presented written statements concerning the need for a storm sewer on the west line of the city limits between West Baldwin and West McConnell Streets; proposal for water and sanitary sewer hook ups; proposal to construct sanitary and storm sewer lines. Discussion followed with Mr Mesh concerning his requests.

Motion by Comm Arehart, supported by Comm Ebert to refer all the requests of Mr Mesh to the City Engineer for his study and further that to

his knowledge there had never been a specific fund, or that a water softening charge had been levied. He then asked the City Clerk to check on Mr Haske's comment and to report back to the Commission.

Mayor Wood asked if there were any additional questions pertaining to the budget.

Motion by Comm Arehart, supported by Comm Hannah to close the Public Hearing on the 1974-75 budget. Motion carried.

Motion by Comm Arehart, supported by Comm Hannah to adopt the 1974-75 Fiscal Year Budget as presented, and to set the City millage rate at 15.45 mills, which will break down as follows: 9 mills for operation, 1 1/2 mills for the old G.O. Bond, 2.35 mills for the new storm sewer obligation bond; 2 mills for garbage. Motion carried.

The City Clerk read a written communication from Mrs Sandra Swears of 605 South Kibbee Street regarding the sewer route that will be chosen.

The City Clerk informed the Commission of the vandalism done to the swimming pool over the Memorial Day weekend. He estimated the damage to be approximately \$500.00. Discussion followed.

Motion by Comm Hannah, supported by Comm Arehart that the City Manager and/or the City Clerk be authorized to post and advertise a \$100 reward for the apprehension and conviction of the person or persons responsible for a vandalism of the City swimming pool. Further to ask the local press present to make said reward known. Motion carried.

Mayor Wood introduced Mr Chuck Olson, Ken Anderson, and Dennis Richards of Williams and Works to answer citizens' questions on the upcoming storm sewer project. Mr Gerald Atkinson, 509 S.

Scott Rd; Mr Howard Gentry, 602 Oak St; Mr Donald Haske, 1100 Hampshire Dr; Mr Charles Frost, 708 W. State; and Mr Joseph Mesh all had questions directed to the representatives of Williams & Works concerning proposed drainage; deletion of certain line from project; possible relief from the recurring flooding of basements that the project might foster; enforcement of the Infiltration Ordinance; sewer tap charges; depth of ditch behind Prince Estates after the proposed cleaning, as well as other related questions.

The representatives from Williams & Works answered the questions, and there being no further comments, Mr Anderson offered to speak further with anyone concerning the project, upstairs in the City office.

The City Manager presented a report from the Chief of Police regarding the requested traffic study on South Scott Rd. He recommended the speed limit be set at 35 M.P.H. between Townsend Rd and M-21; regarding the request for a 4-way stop at Wildcat and Scott Rd, he stated the noise generated by the trucks etc in shifting at the stops would cause more of a noise problem than now exists.

He also presented the actual traffic count made by Sgt Ott.

Motion by Comm Hannah, supported by Comm Ebert to accept the Police Chief's recommendation and to authorize the Police Chief to draw a Temporary Traffic Control Order designating the speed limit on South Scott Road from Townsend Road to M-21 as 35 miles per hour. Motion carried.

The City Manager stated that he had contacted Consumers Power in regards to the South Oakland Street light request. They will respond in 3-5 weeks.

The City Manager stated that the M.M.L. conference had been tabled and was up for reconsideration.

Motion by Comm Hannah, supported by Comm Ebert to authorize the City Manager to attend the M.M.L. conference as the City's delegate and that an alternate be nominated by the City Commission. Further, that any Commissioner who so desired be also authorized to attend the conference. Motion carried.

The City Clerk read an excerpt from the minutes of the City Commission meeting of December 10, 1973 approving the preliminary plat of Searies Estates and further that a storm water retention holding pond would be required as per the design of the Searies engineer and in conjunction with the City's engineering firm of Williams & Works, and further that any easements necessary will be so granted by the proprietor.

Discussion followed concerning interpretation of the motion. Discussion was also held concerning the proposed joint holding pond between the City and Mr Searies.

Motion by Comm Hannah, supported by Comm Arehart to authorize the City Engineer, Manager, Williams & Works, Stevens Engineering, City Attorney, Mr Searies, and whatever other people necessary, to meet in order to formulate final arrangements for the construction of the holding pond and to report back to the City Commission for approval of said arrangements. Motion carried.

Motion by Comm Hannah, supported by Comm Arehart to take Ordinance 265 from the table where it had previously been placed. Motion carried.

Discussion followed concerning the Ordinance.

Motion by Comm Hannah, supported by Comm Ebert to reject Ordinance 265.

Mayor Wood asked for discussion on the motion.

General discussion followed.

Mayor Wood asked for a vote on the aforementioned motion

on Ordinance 265. Motion carried.

The City Manager stated the Hubbell, Roth & Clark contract item had been tabled and suggested that a representative from the Company be asked to appear before the Commission to explain the reasons for a revised contract.

Motion by Comm Hannah, supported by Comm Ebert to authorize the City Manager to contact Hubbell, Roth & Clark to ask that they have a representative appear before the Commission to explain their correspondence of the necessity for a revision of the contract. Motion carried.

The City Manager read an excerpt from the Parking Lot Board's minutes of May 22, 1974 regarding the possible purchase of property at 206 Brush Street, and future plans for said property.

Motion by Comm Ebert, supported by Comm Arehart to instruct the City Manager to attempt to secure a 90 day option to purchase the Haynes property. Motion carried.

The City Attorney presented and gave the first reading of proposed Ordinance 267.

Motion by Comm Ebert, supported by Comm Hannah to accept the first reading of proposed Ordinance 267 and to set a Public Hearing on said Ordinance for 7:45 pm, June 24, 1974. Motion carried.

The City Clerk explained the YMCA had again returned the swimming pool lease unexecuted. He explained they wanted the lease worded exactly as last year's lease, the only exception being that the swimming lessons be raised from \$6.00 to \$8.00.

Motion by Comm Hannah, supported by Comm Arehart to authorize the City Attorney to draw the 1974 swimming pool lease between the City of St Johns and the YMCA exactly as last year's lease, except that the swimming lessons fee be raised from \$6.00 to \$8.00, and further to authorize the Mayor and Clerk to sign said document. Motion carried.

Comm Hannah inquired as to the possibility of the City receiving a County, as well as a State tax factor. The City Manager stated it was his knowledge that the County was meeting with the State Tax Commission and that a report would be submitted to the Commission concerning this matter when the information became available.

The City Clerk presented the resignations of Chairman Pierce, Member Brewbaker, and Member Stephenson from the St. Johns Board of Appeals.

Motion by Comm Hannah, supported by Comm Arehart to table the resignations until the next meeting and further, that the members be asked to continue in their roles until the next meeting. Motion carried.

The City Manager presented the State Liquor Control Commission's communication notifying the City of The Kroger Store's request for a change of address for the SDM Liquor License.

The Mayor asked if the Chief of Police had done his usual investigation. The city manager responded that he had and he has no objections to the transfer.

Motion by Comm Arehart, supported by Comm Hannah to accept the Police Chief's recommendation concerning the Kroger Store's SDM License transfer. Motion carried.

The City Manager presented a request from Central National Bank concerning parking on Spring Street. They requested provisions for 15 minute parking for the two spaces which lie immediately west of their Bank on Spring Street.

Motion by Comm Hannah, supported by Comm Arehart to refer the matter to the Parking Lot Board for their consideration and recommendations. Motion carried.

The City Manager read a letter from the Blue Star Mothers requesting permission to place a monument honoring men who served in Vietnam and Korea on the Courthouse lawn.

Discussion followed concerning the fact that the monument was apparently to be located on the County property rather than City right-of-way.

Motion by Comm Ebert, supported by Comm Hannah to ask the City Manager to write the Blue Star Mothers conveying the Commission's support of the project, and to suggest to them that they contact the County Board of Commissioners. Motion carried.

Comm Hannah pointed out that the City was in need of sweeping.

Discussion followed concerning the street sweeping program and schedule. Alternatives to machine sweeping were also discussed.

Motion by Comm Ebert, supported by Comm Arehart to ask the City Manager to investigate any possible ways of sweeping the city streets. Motion carried.

Motion by Comm Hannah, supported by Comm Ebert to adjourn.

Mayor Wood declared the meeting adjourned at 10:15 pm.

McConnell asked if the holding ponds would be similar to those located at the City Dump.

The Engineer responded that the holding ponds Mr Welsh referred to were not included in this system at all.

Mr William Swears of 605 South Kibbee then asked if the original bond issue had included the Scott Road route.

Mayor Wood responded that it was on the Master Plan.

Discussion followed with various residences of Kibbee Street concerning the restoration of the trees, curbs, etc if the Kibbee Street route was chosen.

Mr Fred Green of 508 South Kibbee and Mrs Carol Mapes of 701 South Kibbee inquired as to the loss of trees, and the restoration of such trees.

Mr Olson stated that such restoration was included, although not specifically in the contract, however the replacement of a fully mature tree was not feasible.

Comm Ebert moved to award the contract of Section B with Alternate #2 to the J. Leach Construction, Inc.

Brief discussion followed with Comm Ebert withdrawing his motion.

Motion by Comm Ebert, supported by Comm Arehart that Section A be awarded to Equipment & Gravel Co in the amount of \$778,211.50, which is the low bid.

Mayor Wood asked for a roll call vote on the motion.

Comm Present: Arehart, Ebert, Wilcox, Hannah, Wood.
Comm Absent: None

Staff Present: Weatherwax, Humphrey, Maples, Vermette

Mayor Wood opened discussion on the storm and sanitary sewer separation contract by reading a letter, including recommendations, from the project engineers, Williams & Works.

Mayor Wood then introduced Mr Chuck Olson, and Mr Dick Bush of Williams & Works. He asked Mr Olson if the Kibbee Street route, concerning Section B of the Contract, was of lesser amount than the Scott Road reroute.

Mr Olson responded that it was.

Comm Ebert then spoke on behalf of the Scott Road alternative.

Comm Ebert then asked the city Clerk to read a letter which had been received by the Commission from the Kibbee Street residents stating their opposition to the Kibbee Street route and reasons thereof.

The Clerk read said letter.

Comm Arehart then asked the engineers what type of trouble the Kibbee Street people would incur during the project.

Mr Bush responded some inconvenience would be experienced and repairs would be needed, however, those repairs all depend on the Contractor's method of operation. He explained alternatives the contractor might have. Discussion followed concerning the possible choices of the contractor's methods.

Comm Wilcox stated it was his understanding that the plans and subsequent bids did not include any hard construction in Prince Estates. Mr Olson responded his contention was correct.

Comm Wilcox further stated that they also did not include holding ponds or outlet ditches in the County drainage system. Mr Olson again affirmed his contention.

Comm Wilcox then asked could this system, as bid, work without any holding ponds or ditches.

Mr Bush responded that there was some deepening of the McClintock Drain and further that the other ditches would work with holding ponds.

Comm Wilcox then asked if there was an estimate cost of construction for the holding ponds.

At this point, a point of order was raised as to whether the question was proper or not.

Mayor Wood denied the point of order and allowed the engineer to answer Comm Wilcox's questions on the holding pond.

Mr Russ Welsh of 801 E.

contract be awarded to J. Leach Construction, Inc using alternate number 2 which is Scott Rd, on the basis that we will be able to solve the Scott Road road resurfacing and repair, and because it will be to our advantage to have the sewer in that area, for future expansion, the amount of the contract is \$799,855.00, and is still the low bid.

Mayor Wood asked for a discussion on the motion.

Mrs Sandra Swears of 605 South Kibbee stated that there were 36 trees located on Kibbee Street which were in jeopardy if the Kibbee Street route was chosen.

Mr Richard Bensing of 612 South Traver stated he felt the contractor would run into bad soil on Kibbee Street which could provide problems.

Discussion followed concerning the economic soundness of the alternative as well as the future needs of the City.

Mr Ed Gora of 206 North Kibbee Street also urged the Commission to choose the Scott Road route.

Commissioner Wilcox called the question.

The vote on the motion to award the contract to J. Leach Construction, Inc for Section B, alternate 2 of the contract at a price of \$799,855.00 was as follows: Arehart, Yea; Ebert, Yea; Hannah, Yea; Wilcox, Yea; Wood, Yea. Motion carried.

Motion by Comm Hannah, supported by Comm Arehart to adjourn the meeting. Motion carried.

Mayor Wood adjourned the meeting at 7:45 pm.

Minutes of the City Commission meeting held on May 30, 1974.

Mayor Wood called the special meeting of the St Johns City Commission to order at 7:00 pm.

Passing of an era

(From Front Page)

Again in 1956 additional storage was needed because the approximately 8 million bushels of space erected in 1953 was filled so an additional 5 1/2 million bushels were erected to provide storage space for anticipated deliveries to CCC.

From 1959 through 1963, we had seen the high point in government storage capacity of 13,696,744 bushels of space erected at 42 different locations in 22 different counties primarily in the heavy corn producing area, according to Parker.

During that period, Michigan had the largest CCC bin site east of the Mississippi River. It was located at Ottawa Lake, Michigan adjacent to the terminal operated by the Michigan Elevator Exchange near Toledo, Ohio. Maximum total capacity at the site was 1,572,156 bushels.

By 1964, need for extra storage space had abated. Beginning that year, CCC storage structures were sold at public auction and the sites were restored to their original condition as farm land or property available for other uses.

By that time, many warehousemen had started to build additional storage space making some of it available to CCC for storage of government-owned grain and dry beans. Each year since 1964, except for 1968, 1969 and 1970, bins have been sold at public auction reducing the CCC-owned storage capacity.

The greatest reduction, Diehl said, occurred in 1972 when about 2 1/2 million bushels of storage capacity was sold. Since Jan 1, 1974, about 1,928,000 bushels of storage capacity has been sold in Michigan by ASCS. Diehl pointed out that the storage space for commodities has not been lost but just transferred from leased concentration sites to on-farm storage owned by individual farmers.

The 115 storage bins at the St Johns bin site sold for an average of \$833.

Mr and Mrs Gordon Watros of 552 Northcrest in DeWitt Township hosted an open house Saturday from 5 pm until 3 am at their home honoring their daughter, Jody, who recently graduated from Eastern High School.

Party goers danced to the music of the Morning Past rock group, who performed in the formal garden area. Some of the 150 guests also swam in the heated pool and kept two bartenders busy at the outdoor bar.

Mrs Watros served a dinner buffet inside for the length of the evening.

Among those helping Jody celebrate were her brother Mark, aunt and uncle Mr and Mrs Frank Hill and children Kelly and Tom of Chelsea, Eileen Corr, Wayne and Pamela, Mr and Mrs John Kangas, Mr and Mrs Joseph Donahue and Mr and Mrs David Graham and Tracy, all Northcrest neighbors.

Mr and Mrs Stanley Hulet, 731 Northcrest are vacationing in their motor home near the Traverse Bay area. Son David remained home to complete his exams at Michigan State University.

Bill Allen (he's a job coordinator at Eastern High School) and his wife Jane (she's a

physical education instructor at Otto Jr High) are busy preparing to move to East Jordan for the summer. Bill teaches driver's education there.

Linda Donahue, 1974 Eastern High School graduate, was guest of honor at an open house given by her parents, Mr and Mrs Joseph Donahue of 869 Northcrest on Sunday, June 16. Special guest was Linda's grandmother, Mrs Margaret Fedewa of Westphalia. Relatives and friends numbered 80, with some coming from Detroit and Flint.

Mrs Viola Hull moved from her home at 400 Northcrest last week. We're sorry to see her go. Welcome to the new residents, Mr and Mrs Harry Fletcher.

Back Through the Years

ONE YEAR AGO
July 5, 1973

Frank M. Downey, 4064 Carland Rd, was dead on arrival at Owosso Memorial Hospital following a 3-vehicle crash on Hollister Rd at Mead Rd, just south of Elsie on June 26.

The problem of finding gasoline in Clinton County is becoming increasingly apparent as last week's shortage in the area testifies. At least 11 gas stations in the county were completely out, while many others had only premium left. A Livonia man was fatally injured Monday when the motorcycle he was driving was struck by a pickup truck at the intersection of Park Lake Rd and US-27.

A small number of local residents were on hand at Monday night's Bath Township meeting to complain about the condition of township roads, blaming the County Road Commission for not giving them their money's worth.

TEN YEARS AGO
July 2, 1964

Clinton and several surrounding counties have been placed under quarantine for cereal leaf beetle, but Clinton County Agriculture Extension Agent George McQueen said there shouldn't be any crop losses here.

The Ice Pond Drain hassle, which has been a matter of serious contention in the Clinton area for more than 4 years was culminated this week with the issuance of a permanent injunction against the project by Circuit Judge Michael Carland of Owosso.

Clinton County people gave \$11,027.98 for cancer in the 1964 campaign. Final figures for the May drive were released this week by Dr R.L. Wohlers of St Johns, Cancer Crusade chairman.

Robert Lee Forbes, 18 of R 4, St Johns and a friend were killed early Tuesday morning in a one-car crash on Interstate 66,

three miles west of Howell in Livingston County.

Members of Local No 925 (UAW-AFL-CIO), St Johns, and the management of Saylor-Beall Mfg Co here have reached agreement on a 3-year labor contract. State Rep Andrew W. Cobb (R-Elsie), victim of a Democratic gerrymander in legislative districting ordered by the Supreme Court, has decided to seek the Republican nomination for State Senator in the 30th senatorial district.

25 YEARS AGO
June 30, 1949

The people of this community paid their last respects to Police Chief Reed Hall at funeral services Monday afternoon. Chief Hall died suddenly from a heart attack. He was 59 years old.

The proposal to furnish free "hardcover" textbooks for grades kindergarten through 6th in St Johns Public Schools will be voted on by tax-paying electors at the coming school election, Monday, July 11.

Those farmers who lost out on planting some crop or had to disc up plantings because of the heavy mid-June rains, can take heart. Grant E. Nichol, agricultural research associate, Farmers and Manufacturers Beet Sugar Association says that bare ground left from that kind of situation can be turned to advantage for 1950 if the field is properly handled now.

Not only is 1949, so far, a year of plenty of heat in Michigan, but it also had more than the usual amount of windstorms, according to Harry J. Adress, secretary-treasurer of the State Mutual Cyclone Insurance Co of Lapeer.

A PERSONAL LOOK AT THE NEWS

Between the lines

with Jim Edwards

We're well into an election year and, once again, it's time for a few comments on "That Is What I'm Saying, But This Is What I Really Mean."

In other words, campaign double-talk that may sound good, but doesn't really say anything.

For instance, a candidate does not want to say, "I don't have any experience." Instead, the candidate states, "I owe no political favors."

On the other hand the experienced politician might say, "I'll stand on my record." That could mean, "I'll stand on my past record. If I ran on today's issues, my opponent would clobber me."

A thought provoker is this line, "I've told you my views on these issues - what has my opponent said?" The opponent may have been discussing them louder and longer, but the question may make you think the opponent was dodging the issue.

Another fact proclaimed by some candidates is "I will devote myself completely to the job. I have no outside job or business to detract from my duties." It sounds good, but could it mean, "I will devote myself completely to the job. I am unemployed and need the cash."

A new ploy used in the current campaign is to "use Watergate without using Watergate." That type of statement comes out, "Although Watergate is a terrible, rotten, dirty, underhanded, crooked situation I will not use that as an issue because I am not that type of person who would stoop to such tactics as used in the Watergate incident."

When a damaging claim has been made by the opponent, the candidate may retort "I'll not justify my opponent's claim by responding to his comments." What he might really mean is "If I tried to respond to his remarks, I'd get myself into a heap of trouble."

Charges made about the candidate are "ridiculous" while charges against his opponent are "in the interest of good government."

And, many times, "The polls show we have a commanding lead," might mean "My family and staff think there's a chance I might win this election."

When the whole thing is over, the victor and defeated tackle the next task at hand - preparing for the next election.

Social Security says you must change name

LANSING - An estimated 2 1/2 million women will be married this year - about 200,000 of them in June - and one thing they should all remember is to change their names with social security, according to Roger W. Seamon, social security district manager in Lansing.

"A bride should give us her new married name to keep her social security card and her earnings record accurate and up to date," Seamon said. "Then earnings she had both before and after her marriage can be correctly credited to the same record."

A woman's earnings in jobs covered by social security will determine the amount of her cash benefits - "and not just when she retires," Seamon said. "During her working years, she also builds disability,

survivors, and Medicare protection for herself and her family."

A new bride can call, write, or visit any social security office to get her name changed on her record. "Or she can use a form

available at any post office and many employer personnel offices," Seamon said.

The Lansing social security office is at 838 Louisa Street. The phone number is 372-1910.

Pewamo

Mrs Anna Fedewa attended the graduation party Sunday June 9 honoring her granddaughter Jill Sokolowski, daughter of Mr and Mrs Tony Sokolowski of Battle Creek.

Mrs Vera Cook and Mrs Joan Daniels of Lansing, Mrs Hilda Schater and Mrs Irene Fox were Sunday visitors of their cousins, Mr and Mrs Walter Schneider Sunday afternoon at Lansing.

The Spitzley family celebrated Fathers Day at the home of Mr and Mrs Donald

Spitzley honoring their father Robert Spitzley Sr. A potluck dinner at noon was followed by cards in the afternoon and luncheon was served in the evening.

Thirty-six members attended the Golden Years Club at the Muir Civic Center Friday starting with a luncheon at 12:30 p.m. A short business meeting followed. The afternoon was spent playing card bingo. The next meeting will be June 28 starting at 12:30 with a potluck.

Good old days?

In this era of nostalgia, The Great Gatsby and "the good old days," Paul McNamara, Clinton Memorial Hospital administrator supplies us with the following that points out that things aren't all bad today.

The 9 items below are requirements of a floor nurse in an 1887 hospital.

In addition to caring for your 50 patients, each nurse will follow these regulations:

1. Daily sweep and mop the floors of your ward, dust the patient's furniture and window sills.
2. Maintain an even temperature in your ward by bringing in a scuttle of coal for the day's business.
3. Light is important to observe the patient's condition. Therefore, each day fill kerosene lamps, clean chimneys, and trim wicks. Wash the windows once a week.
4. The nurse's notes are important in aiding the physician's work. Make your pens carefully, you may whittle nibs to your individual taste.
5. Each nurse on day duty will report every day at 7 am and leave at 8 pm, except on the Sabbath on which day you will be off from 12 noon to 2 pm.
6. Graduate nurses in good standing with the Director of Nurses will be given an evening off each week if you go regularly to church.
7. Each nurse should lay aside from each pay day a goodly sum of her earnings for her benefits during her declining years, so that she will not become a burden. For example, if you earn \$30 a month you should set aside \$15.
8. Any nurse who smokes, uses liquor in any form, gets her hair done at a beauty shop, or frequents dance halls will give the Director of Nurses good reason to suspect her worth, intentions, and integrity.
9. The nurse who performs her labors, serves her patients and doctors faithfully and without fault for a period of 5 years will be given an increase by the hospital administration of 5¢ a day providing there are no hospital debts that are outstanding.

FARM BUREAU NEWS

Know your director

Douglas Brook

Douglas Brook sits on the board of directors representing Bath and DeWitt townships. He is a dairy farmer working in partnership with his father, William. They have a herd of 86 dairy cows and raise all their replacements. The farm is located in the southeast corner of Bath township.

Doug was elected to the board of directors in the fall of 1972. He is currently the third member of the executive committee. Doug is now sitting on the county young farmer committee and he represents District V on the State Farm Bureau Young Farmer committee. Currently, Doug is the community group secretary of the Clark-Chandler group.

Doug graduated in 1972 from Michigan State University with a bachelors degree in Dairy Science. While in college, he was an active member in the dairy club and was on the Dairy Cattle judging team for 2 years. Doug was a member of Farm House Fraternity and was active in IM sports and held various leadership positions in the fraternity. He was awarded the Doane Award at the end of his senior year, signifying the outstanding senior of the fraternity in 1972.

Doug is active in the Chapel Hill Methodist Church, being a member of the choir and sitting on the pastor-parish committee. Doug is active as a leader in the Bath All Purpose 4-H Club, working with the Dairy, Rabbits and softball projects.

A farmer's hours are long and sometimes hard, but he is better off because of it. Yet if there is all work and no play, a farmer's life is in vain. One must sit back, and relax at times and enjoy your family and friends, or the long hours that are put in are all for naught.

Farm Bureau Citizens seminar this week at Albion College

Attending the Farm Bureau Young People's Citizenship Seminar at Albion College this week are Natalie Brook, Sarah Seeger and Becky Doerner.

These young ladies, all students at Bath High School received scholarships to the Seminar from Clinton County Farm Bureau and from cooperating Bath area businesses. Sponsoring business places are Konens Auto Service, Cable Farm Shop, Clinton National Bank and Trust, Bath General Store, Hazel's

Restaurant, R & R Hardware, Wilkins Standard Service, and Bragdon's Family Party Store. Following is the 3rd of the essays written, one by each participant, as they competed for the scholarships.

The President's Column

by Fran Motz

The regular monthly meeting of your County Board of Directors was held last week with a good representation of the director's as usual. Among the business transacted was forming a Member to Member committee which will have the job of handling any commodity sales to members from the MACMA Division of Michigan Farm Bureau such as oranges, cherries, etc. The board voted this committee authority to make the decision whether to offer these sales to the members or not as the opportunity arises.

The committee will have charge of sales, ordering etc. This will relieve the county secretary of a lot of work when she has plenty to do already.

The members on this committee are Mr and Mrs Ray Mayers, Mr and Mrs Bob Kissane, and Mr and Mrs Mike Borton. Bob Smith, our lobbyist in the Michigan Legislature was present and gave a very up-to-date report on bills that are in the legislature now.

The most important of which is P.A. 116 or S-424 Farmland and Open Space Preservation Act. When this bill is signed by the governor the county board will sponsor a public meeting with Smith present to explain it

Farm Bureau Board hears details of Preservation act

Robert Smith, Legislative Counsel for the Michigan Farm Bureau, was a guest at the June meeting of the Clinton County Farm Bureau Board of Directors. He discussed in depth the details of the Farmland & Open Space Preservation Act - H-4244 which Farm Bureau supported through its rough battle to become law in the State Legislature.

Following is a summary of this act made by Smith, which will help farmers to understand all aspects.

This law is extremely important to the future of agriculture and to the future of Michigan as an agricultural state.

The act applies to both "farmland" and "open space" land with somewhat different provisions for each. The following is a very short summary which applies primarily to the farmland provision.

The program is voluntary. It is up to the individual landowner to decide whether he wishes to apply for the benefits of the act.

Farmland is defined either as (1) 40 or more acres "devoted primarily to agricultural use", (2) five acres or more but less

than 40 if it has a gross income of \$200 or more per acre per year, or (3) "specialty farms" as designated by the Department of Agriculture and produces a gross income of \$2,000 or more. Land can qualify even if it is in separate parcels as long as it is operated as a single farm.

Application is made to a "local governing body" (township, county, city, or village). Soil conservation districts and county and regional planning commissions are notified for recommendations. If locally approved, the application is forwarded to the State Land Use Agency for approval. If locally rejected, the owner can appeal to the state agency.

When approved, a "farmland development rights agreement" is prepared. This is

a ten-year contractual arrangement in which control of the development rights rests equally with the landowner and state. The agreement is filed with the Register of Deeds. The State Tax Commission makes an appraisal of the land in compliance with the Agricultural section of the Assessor's Manual in order to determine the basic farm value. Provisions effective during the period of the ten-year agreement:

-Property taxes are limited to not more than seven percent of the household income. Taxes in excess of that amount are refunded by the state. Credit from the present property tax relief act would be included.

-Cities, villages, townships, counties, or other governmental agencies cannot impose special assessments for sewers, water, lights, or non-farm drainage.

-The property can be sold without penalty, provided the buyer continues to carry out the provisions of the agreement.

-In the event of death or permanent disability, provisions are made for release of the property from the development rights agreement without penalty.

-The owner may use the farmland in any way he sees fit for agricultural production including construction of farm buildings, silos, etc, drainage, or any other practice consistent with farm operations.

-In the event the land or a portion of it is condemned for other use, the development rights on the condemned land revert back to the owner without penalty or rollback.

-Owners of land under an agreement are required to notify the state or local governing body two years prior to the agreement's termination date of their future plans with respect to the land.

-The landowner may apply for termination of the agreement before the end of the ten-year period. If permitted, repayment of the tax refunds is required subject to an annual interest rate of six percent compounded until paid.

At the expiration date of the agreement, all development rights are "returned" to the owner.

A lien without penalty or

interest is prepared as a "rollback" of the total credit allowed on the State Income Tax for the last seven years. The lien is payable only if the owner sells the property or converts the land to a use prohibited by the former agreement. This is a major difference from other states that use a "rollback". They require payment of the "rollback tax" when the farm comes out of the program. This is often a hardship.

The landowner may renew or re-enter the program for another ten-year contract if he wishes, in which case the lien is cancelled. The "rollback" will never be more than seven years, even if the land is in the program 20 or 30 years or more.

The program is entirely voluntary. The purpose is to encourage preservation of agricultural and open space land.

The legislation is flexible. Preparation of the agreement could differ from area to area due to different conditions. The owner could negotiate specific terms for his particular situation. In any event, he would not be required in any way to accept the agreement if it did not meet his approval.

Under this program townships, counties, municipalities, and schools would not lose revenue as the tax relief to the farmland owner would be a refund from the state.

Open space. The provisions of the act are somewhat different for open space lands. They are defined as designated historic sites or open space lands under the Shoreland's Protection Act or Natural Rivers Act or any other area approved by the local governing body as worthy of preservation including idle potential farmland, wetlands, beaches, natural or scenic resources, etc. etc. Application and most procedures are very similar to those for agriculture. The major difference is that any tax relief is based on the tax assessment through deduction of the value of the development rights.

EXAMPLE: Under the "Farmland and Open Space Preservation Act", the property tax on a farm, including buildings, would not exceed 7% of the household income. For example, a \$50,000 SEV X 50 Mills would mean a \$2,500 property tax. A \$10,000 household income X 7% would be \$700. The tax cut in this case would be \$2,500 less \$700, or \$1,800.

Farmer Pete's wife

by Mrs Ray Peck

Reading a week later what you've written can be disconcerting. I already wrote this a week ago and it sounded so grumpy and dumpy. Farmer Pete's wife is happy. Couldn't send that!

Well, here's a new start! June is supposed to be all beautiful and praised to the skies or, "Oh, what is so lovely as a day in June . . . and if ever come perfect skies etc etc." I'm fragrant hay, roses etc.

However, after a May that couldn't seem worse came June which disproved that . . . it could be worse. For one thing in May there was always June coming up in case you didn't get planted early. To still not be planted and July looming around the corner is not so good.

I'm going to sound like a traitor having a title to this column like that which implies pride but I have a secret to confess. (And I found I'm not alone in this.) There are two times during the year to me that

hibernation sounds like a good idea on a farm.

Spring before the crops are all in is one. It's just hurry, hurry and very long hours. The folks who put us on this time zone surely didn't care how they worked the farmer to death. You put the very real fact that the farmer is working for himself with his own cash and its outcome the result of his diligence and judgement and persistence . . . and you have some unbelievable hours.

The second time that life gets hectic is when farmers are trying to pull and combine in the fall. I declare for every bean you eat goes an ounce of stress for the bean farmer, and his family. Don't die, get born or marry because no one will be able to stop for it! You think I'm fooling????

All of this feeling has been intensified because my husband had his kneecap removed, a steel plate substituted and is in a cast for six weeks from his hip to foot. This was June 6 and there was no other way to get around it as his knee cap kept slipping off with great pain and no firm footing underneath, and down he went.

He's home now and goes humping with his crutches from window to window, observing and commenting to me. This shouldn't happen to a dog. (All these big windows aren't a good idea now!)

I could wring the weather reporters' necks. They report with a sort of glee all the stormy weather that is going to come and keep coming. Actually the weather report is very helpful. We got up and in over eleven hundred bales of hay one afternoon. As the last hay load came out of the field it started to rain . . . and as of this minute a week later . . . there would have been no other hay weather to do it.

It has been a juggler's life around here lately. Which to do

first, and how, and who to go for what when it breaks down. So many problems come up each year. There are fifty-seven of hay that green worms riddled in patches. It made us sick to have rain pouring and worms eating. Most of that is either chopped for the silo or baled now. Nineteen acres still out there but too far for a view-from-the-house reminder or hear the worms chewing. Navy beans still to put in. And they spray the hay, corn, soybeans, and navy beans ground. Up at the crack of dawn. Cows to milk. Sounds busy! It is. Why am I sitting writing this . . . haven't been to the garden in three days and if there is one thing that rain is good for it's for weeds and lawn.

There are always breakages on a farm but this year with slow repairs available was worse. Wagon reaches, sunken holes or washouts, combine knives, loaders, elevators, electric fence on the bum (I ran around the cow lot four times and couldn't find the trouble) cow caught or crawled under two free stalls, . . . there isn't room for all of it. Years to come we'll laugh but not yet.

What lovely things do poets say about July? I'm sure it will be a beautiful, beautiful time. "Hope springs eternal" in the human breast."

Now that just HAD to be originated by a farmer.

4-H Chatter

4-H Camp is for you

By JOHN AYLSWORTH

Summertime is for camping and I hope many of the 4-H members are thinking of attending camp at Algonquin 4-H Camp near Hastings this summer for one of the five weeks available starting July 7. The camp week starts on Sunday after supper and concludes with supper on Thursday. The five week camp schedule dates are: July 7-11, July 14-18, July 21-25, July 28-Aug 1 and Aug 4-8. The youth may choose the week of their choice.

The camp cost is \$25 which includes lodging, meals and insurance. A deposit of \$5 is requested with the initial registration with the remaining \$20 payable upon arrival at camp. A camper will need about \$2 for extra crafts supplies and spending money.

The Algonquin 4-H Camp is located on beautiful Algonquin Lake 4 miles northwest of Hastings, Mich. The camp covers 40 acres of land and has 12 buildings to house 110 campers and counselors each week. There is a new dining hall for meals, recreation and headquarters. A swimming pool is supervised by Red Cross water safety instructors with other recreation activities such as canoeing, volleyball, softball and other sports.

The campers will be housed in 5 sleeping cabins and will be supervised by one adult counselor per 10 campers which is required by state law plus some Jr counselors will be on hand to handle camp program supervision.

Why not make your plans now to attend the week of camp of your choice? Ask your friend to go along. It is not necessary to be in 4-H to go to this camp. Brochures on camp information are available from the County Extension Office, 1003 S. Oakland Street in St. Johns or call 224-3286. Applications and \$5 deposits are mailed to the Barry County Extension Office, 301 South Michigan Avenue, Hastings, Michigan 49056. Please state your name, address, sex, age, phone and county of residence plus your choice of camp week.

Clinton County will be represented at the 37th Annual 4-H Milk Marketing tour July 1 and 2 at Detroit by Susan Striz,

St. Johns (Scattered Southeast 4-H Club) and Duane Haviland, DeWitt (Olive 4-H Project Club), Jeanne Striz, St. Johns (Scattered Southeast 4-H Club) was selected as an alternate. This tour is sponsored by the Michigan Milk Producers Association. Approximately 50-60 outstanding 4-H dairy members from throughout Michigan will be attending this state-wide 4-H activity.

The program will include a tour of the MMPPA office in Detroit, visit the very modern Kroger Company Dairy Plant in Livonia, attend a banquet and Detroit Tiger Baseball game plus have some discussions on dairy cooperatives and how milk is marketed. Fifteen members with the highest test scores will be selected to be interviewed at the State 4-H Dairy Show in August. Seven of these members will be offered an opportunity to attend the National 4-H Dairy Conference held in Madison, Wisconsin in October.

Tiger Time
4-H members have an opportunity to attend the annual 4-H day at Tiger Stadium on Saturday, Aug 24 when the Detroit Tigers will play the Texas Rangers. Tickets are available for 50 cents each but must be ordered by July 15 at the County Extension Office in St. Johns. Adults may secure tickets at 50 cents each at the rate of one adult per 5 youth. The St. Johns Community Bus will be taken with riders paying \$2 on a first come first serve basis. Members may sign up when they order the tickets.

Open House
A 45th Wedding Anniversary Open House will be held Sunday, June 30 for Gordon and Ruth Hodge at the Masonic Temple in St. Johns from 2-5 pm. Mrs. Hodge served as a 4-H club leader for 20 years in St. Johns. All past members and leaders who knew the Hodes are invited to this open house given by their daughters Shirley, Joyce and Betty on this special occasion.

Nimble Fingers
The Nimble Fingers 4-H members donated \$25 to the Fair landscaping project and discussed having a Fair float and a litter barrel entry.

Demonstrations were given by Brenda Bancroft on "Rocks"; Denise Cerny on "How to make Vegetable Flash Cards"; Darlene Cerny on "What's on a Seed Package"; Terri Barker on "Dessert Definitions"; Debbie Hufnagel and Jackie Batchelor on "How to Make Covered Coat Hangers" and Carrie Buggs on "What You Should Have on Your Bike." The program included discussion on bicycle and pedestrian safety. The club will hold their next meeting on July 8, 7:30 pm at Smith Hall.

Elsie Honors Grads
The Elsie 4 Corners 4-H members honored the 1974 Ovid-Elsie High School graduates in the club with gifts. Don Gilbert gave a talk on what he did for the County 4-H Talent Show and Faye Wilson gave a talk on her 4-H trip to Detroit. Barbara Grunwald presented the program by showing slides and telling of her experiences in Belize and about the 4-H program there. She encouraged the club to develop pen pals with 4-H members in Belize. The club's next meeting will be Tuesday, July 2, 7 pm at the Elsie Park.

Chloe's Column

"Family still important"

Chloe Padgett
Clinton County Home Economist

Contrary to popular rumor, the family is not a dying institution. A new survey of attitudes about the state of the family done by the Institute of Life Insurance has revealed continuing support for the family unit.

When given a list of goals including "a fulfilling career," "the opportunity to develop as an individual," "making a lot of money" and "a happy family life," 80% of the respondents chose happy family life to be their most important goal. Three out of four thought it very important that the traditional American family should be preserved.

Though people 30 years and older tended to choose "a happy family life" more often than the younger persons, 88% of those between the ages of 18 and 24 and 68% of those between the ages of 25 and 29 voted family life as a most important goal to achieve.

While the family unit itself is still viewed as desirable, its form is changing somewhat. 75% felt it was "perfectly all right" for married couples to choose not to have children, and over 1/2 of those surveyed thought it was OK for married couples to put off having children in the first years of their marriage.

Fashion Has Come to the Kitchen

While you're checking out the "in" fashions for women's clothing this summer, you'd better check on what's "in" for your pots and pans.

Popular fabrics like gingham and denim have been simulated on the exteriors of the newest pots and pans. In fact, there are selections of solid colors and patterns in the cookware department to match the bolts of fabric in the home-sewing department.

The back-to-nature mood is set with earth tones, chocolate brown and natural pottery. Inside the new cookware, the fashion is classic white—whether it is Teflon lined or porcelain and enamel.

Rising costs of the raw materials—plastic, aluminum, steel and packaging—used in cookware are expected to bring price hikes by July 1 ranging from 5-20%.

Poison-Proof Packages

A survey being conducted by the US Consumer Product Safety Commission is underway to check if poisonous products have child-resistant closures as required by law since April 1972.

The Poison Prevention Packaging Act allows companies to produce one container with the ordinary type cap for the convenience of the elderly and handicapped, but this package must be labeled, "This package for households without young children."

Aspirin, liniments, oven cleaners and furniture polish containing 10% or more of mineral oil and/or petroleum distillates are the products included under this new labeling law.

News notes

The County Farm Bureau Board of Directors will host their urban friends at a chicken barbecue on July 13 at Sleepy Hollow Conservation Club. Beginning at 10:00 am the group will tour 3 farms with a variety of commodities. First on the itinerary will be the Livingston farm—a general farming operation raising beef, mint, dairy and other cash crops. From there the group will visit the Eldridge farm where swine are the chief part of the operation. Thrd will be a visit to Anderson's dairy farm in Essex township. After the noon dinner Larry Ewing, Manager of the Public Relations and Information Division of Michigan Farm Bureau will speak to the group. A film produced for television entitled Man... on the Land will be shown. Games and swimming will be provided for the children. Each county board member will invite a guest family to attend. This will be the 2nd Annual Rural Urban day.

Community Groups in the county are reminded of the need to submit resolutions from their group members soon enough for the Committee to act on them in September. Several groups are sending them in and other groups should follow suit. There are many issues facing farmers which concern not only the farmer but the general public as well.

Farm Bureau Women and the Young Farmer Committee will join with Shiawassee and Genesee Counties to sponsor a booth at the Shiawassee County fair August 12-17. Each day a different commodity will be featured at the booth. There will be a drawing for gifts each day and samples and free gifts will be given to those visiting the booth.

Farm Bureau Women will not meet during the month of July but will hold a picnic on August 8 at the St. Johns City Park at 12:00 noon.

Deadline for sign up in the Farm Bureau Wheat Program is August 1. More details may be obtained at the County Farm Bureau office.

The Nominating Committee

met recently and selected 15 persons to present to the board as possible delegates to the State Farm Bureau Annual Meeting in December. These persons were notified and those accepting were named by the board as delegates in the order that their replies were received. The list of delegates will be presented to the members at county annual meeting for their approval.

A new County Committee has been formed entitled the Member to Member Sales Committee. The chief responsibility of this committee will be to handle all sales through MACMA of commodities such as cherries and citrus and other products as might be offered during the season.

Michigan Farm Bureau has initiated a milk check deduction program for Blue Cross-Blue Shield premium payments for Farm Bureau members. The program is in cooperation with Michigan Milk Producers Association and Independent Cooperative Milk Producers Association. This new program is another example of service to farmers by Farm Bureau. For more information contact the county office.

Jim's Column

Food prices a bargain

Jim Pelham

Clinton County Extension Director

Everything we buy goes up in price and stays there. That is, everything except food, which goes up and down! Meat, poultry, eggs and cheese are all substantially lower in price than they were last August; and they would be lower yet, if the cuts farmers have taken were passed entirely to consumers.

A couple of weeks ago meat prices hit rock bottom and at that time farmers were getting about ninety dollars less income from raising a typical steer than if they had sold the grain. The hog situation was at least as bad with pork producers coming out about fifteen dollars short on every hog they marketed; and, of course, the typical swine producer figures to feed about six times more animals than his counterpart in the beef business, so their losses are pretty similar.

It's pretty hard to convince housewives that food is a bargain, as their weekly shopping bill continues to escalate; but have you taken a look at some of those grocery carts at the check-out counters? They are filled with everything from cooking utensils to hair nets, ladies' hose, and laundry detergents, not to mention the essentials of life such as cigarettes, pop, beer and wine. It was interesting to note last month the price of toothpaste and pop both were among the highest in percentage increases.

Despite run away inflation, food is a very good buy in terms of percent of income. For several years the percentage of income spent for food ranged from fifteen to sixteen percent with a rather slow but constant trend toward shaving that figure downward. Last year prices jumped fantastically and took close to a seventeen percent bite!

Pewamo

Callers of Mrs. Bertha Martin Saturday were Mr and Mrs Harold Trobst and Mr and Mrs Harry Thelen both of Lansing. Mr and Mrs Kenneth Schrauben have bought the Nell Fox home on Jefferson St. Pewamo. Remodeling is being done and they expect to move in some time in July.

Mrs. Regina Kramer, Mr and Mrs Carl Kramer and Mr and Mrs Bruce Kramer attended the funeral of their niece and cousin Agnes Kavanagh wife of Chief Justice Thomas M. Kavanagh at St. Gerard's Catholic Church in Lansing. Interment in St. Joseph's Cemetery in Lansing.

Mrs. Esther Schaffer was admitted at Sparrow Hospital Sunday June 9 and underwent major surgery Tuesday, June 11.

increased from eleven to twelve thousand dollars and fifteen and one-half percent of the income was spent for food in 1972, the total would be seventeen hundred and five dollars. Seventeen percent of 12,000 would come to two thousand forty dollars, or an increase of more than six dollars a week. Of course, large families felt the increase more than small ones. For many in the average to higher income brackets much of the increase can be attributed to the cost of higher living, rather than the higher cost of living. In relation to our standard of living of twenty years back, the typical grocery basket would require less than twelve percent of income for most families.

At any rate, what are some of the answers? Farm prices are a lot lower this year than they were a year ago. The latest commodity to feel the axe came to dairymen from Michigan Milk Producers last week, who informed them their price is being cut a dollar per hundred pounds. Actually, because of the complicated formula of pricing involving how the milk is used, the net cut is a little more than that.

Farmers are paying more than double last year's price for fertilizer and darned near that big an increase for fuel. List price for machinery is up about one-fourth; and because of shortages, there is almost no price cutting or discounting as in the past. Latest figures show us that close to four out of five dollars of net income to the farmer is committed to debt, and a number of dairy expansions in this county were planned on milk prices not dropping.

Consumers wanting to cut their food bill further should consider filling the deep freeze. In spite of recent small increases, meat is a bargain.

Strawberries should reach their peak in Clinton County by the end of this week; and in the weeks ahead a lot more fruit and vegetables will be coming on. By buying some of the surplus, the consumer helps himself to low prices and tends to strengthen prices for the farmer, too! With today's bacon and egg prices it might be wise to feature them for breakfast. The whole family would be off to a better start for a successful day with a breakfast like that! And for those of you who cut down on cheese for before bedtime snacks—better check the prices again—you might want to reconsider.

Middlebury News

The Middlebury United Methodist Women met recently in the dining room of the church with Geraldine Stanton, Betty Warren and Maud Warren as hostesses.

The meeting was called to order by President, Letha Furnish. Usual reports were read and accepted.

Announcement was made of the School of Missions to be held in Adrian College June 26-June 29. Kathryn Burgess read correspondence regarding the itineraries of returned missionaries. One lives in East Lansing so she will write for a date when we could have one speak at our church.

The president read a request from the district for the society to give an additional amount to their pledge already paid. This request was voted down.

High school graduate, Rob Nethaway, was presented a Bible during church services as a gift from the society.

Florence Garber had 2 letters from adopted boy, Larry of Brazil. It was voted to send \$72 to continue his support.

The Society also voted to give \$15 to Crop to purchase 5 blankets.

A discussion on camp resulted in a motion to send not more than 4 persons, the registration fee to be paid by the camper and the balance by the society.

Betty George was appointed as the person to contact those eligible to attend camp.

The society will host pupils of the Vacation Church School which is being held June 24 through June 28, to a picnic at noon Friday, June 28.

They will also purchase the beverage and paper goods for Bible School and Lorna Semans will be in charge of getting them.

A motion was made by Edith Schuknecht that the Society give \$200 to the church toward repair of the chimney.

For worship, Lucile Semans read an interpretation of the Club Collect adopted by the National Federation of Women's Clubs.

This Collect was written by Mary Stuart, Virginia Mulder read for the program an article entitled "The Three Lives of Ethel Waters". This related the different types of life she had lived until she gave herself to Christ and joined the Billy Graham Crusade. The meeting was adjourned and the hostesses served refreshments.

Mrs. Louesa Whitehead was pleasantly surprised Wednesday evening when 62 of her co-workers from the kitchen at Owosso Memorial Hospital came with a picnic supper to honor her retirement. Fourteen of the guests were high school girls who worked with her and they presented her with a charm bracelet. From the rest of the guests, Louesa received a picnic table. Mrs. Whitehead has been an employee of the hospital for 10 years.

Susan Warren spent a weekend recently in Lansing with Susan Van Dyne. Sunday dinner guests of Susan were Mr and Mrs Jim VanDyne and Jenna, Oliver VanDyne, Mr and Mrs Don Warren and Lucile Semans.

ST JOHNS PUBLIC NOTICE

Date: June 21, 1974

PUBLIC NOTICE
Michigan Water Resources Commission
Stevens T. Mason Bldg
Lansing, Mich 48926
517-373-8088

NPDES Application No: MI0021342

NOTICE: Application for National Pollutant Discharge Elimination System (Public Law 92-500) Permit by Clinton County as agent for the Village of Maple Rapids, Michigan, to discharge treated municipal wastewater to the Maple River. Clinton County as agent for the Village of Maple Rapids, has applied for a National Pollutant Discharge Elimination System (NPDES) Permit to discharge treated wastewater into the waters of the State of Michigan. The permit will be issued by the Michigan Water Resources Commission.

The applicant treats the municipal wastewater from the Village of Maple Rapids in Section 5, T8N, R3W, Clinton County. The County discharges its effluent to the Maple River in Section 5, T8N, R3W.

On the basis of preliminary staff review and application of applicable standards and regulations, the Michigan Water Resources Commission proposes to issue a permit for the discharge subject to certain effluent limitations and special conditions. The permit expiration date is March 31, 1979.

The proposed determination to issue an NPDES Permit is tentative. Persons wishing to comment upon, or object to, the proposed determination are invited to submit the same in writing to:

Mr James N. Howell, NPDES Discharge Permit Coordinator, Michigan Water Resources Commission, Stevens T. Mason Bldg., Lansing, Michigan 48926.

The permit application number should appear next to the above address on the envelope and the first page of any submitted comments. All comments received within thirty (30) days of the date of issuance of this public notice will be considered in the formulation of the final determination.

The application, proposed permit including proposed effluent limitations and special conditions, comments received, and other information, are on

file and may be inspected at the Water Resources Commission, 8th Floor, Stevens T. Mason Building, Lansing, Michigan at any time between 9:30 am and 3:30 pm, Monday through Friday. Copies of the Public Notice and the corresponding Fact Sheet summarizing application information and proposed permit conditions are available at no charge at the Michigan Water Resources Commission. Copies of all other information are available at a cost of \$20 per page at the Michigan Water Resources Commission.

Please bring the foregoing to the attention of persons whom you know would be interested in this matter.

State of Michigan, in the Circuit Court for the County of Clinton.

ORDER TO ANSWER SANDRA KAY GAVITT, Plaintiff vs. DONALD LEROY GAVITT, Defendant. File No. 74-5124DM-GCR 120.5

On June 18, 1974, an action was filed by Plaintiff, in this Court to obtain a decree of absolute divorce.

IT IS HEREBY ORDERED that the Defendant, DONALD LEROY GAVITT, shall answer or take such other action in this Court as may be permitted by law on or before Sept 18, 1974. Failure to comply with this Order will result in a Judgment by Default against such Defendant for the relief demanded in the Complaint filed in this Court.

IT IS FURTHER ORDERED that the fees or costs of publication be paid by Clinton County.

HONORABLE: LEO W. CORKIN, Circuit Judge

(Countersigned) Virgine Kriebel Deputy Clerk

DATE OF ORDER: June 18, 1974.

Farm Bureau Citizens seminar

(CONTINUED FROM PAGE 4B) am free to be an individual with my own ideas whenever and wherever I want because of my right to freedom of speech, press and worship as stated in the constitution.

Americans on the whole are willing to give a helping hand when it is needed, both here and in other countries. There is a record out by a Canadian disc jockey in which he states his opinion of Americans. He feels we are not self-centered because we are willing to help others. It makes me feel good that others have such a good opinion of us. I am proud to be part of such a helpful society.

Many people have called America the "land of opportunity". I feel it is a good description of our country. There are so many opportunities in jobs that you can take your pick from a long list. You could be anything from a street cleaner to a farmer, to a politician, regardless of your race, religion or family background.

As a citizen of this wonderful country, I would like to know much more about our government and my part in it. I feel this would help me become a better citizen and more well adjusted to society. It would also help me know my role in improving society.

America may seem like it is going down-hill, but I think we are strong enough to hold on and keep going. After all, America is the most wonderful country in the world.

The Cook reunion was held at the Elsie City Park, Sunday, with 69 persons attending. Mrs Mable Curtis called the business meeting to order; following a delicious potluck dinner, in absence of the president, LaRue Spidler. The oldest male present was Frank Oberlin, and the oldest lady present was Mrs Eva Tubbs. The youngest child present was the baby boy of Mr and Mrs Howard Cook of St. Johns. Gifts were presented to each of the honored guests. New officers were elected as follows: president, Mr Elmer

CNB&T keeps it local

ST. JOHNS -- Local ownership of Clinton National Bank and Trust Company was reaffirmed last week through a report to the Board of Directors by Ink White following completion of a survey indicating distribution of 50,671 shares of new stock sold since the first of the year.

According to White's figures, based on information provided

by the brokerage firm of Manley, Bennett and McDonald & Co, a total of 104 new stockholders resulted from the sale with 101 being area or state residents. A finer breakdown shows that 43 new stockholders reside in the immediate St Johns area; seven are mid-Michigan residents, and 51 reside outstate. Of the latter

number, a large percentage are former area residents of the Clinton County area. Only three of the new stockholders live outside the state.

"This is a most gratifying situation," commented White. "Having such a large number of local stockholders suggests interest in the bank and to some extent, an indication that we're serving the area well. Local stockholdings can be an effective tool in the development of bank policy. We're pleased to have our friends and neighbors watching us so closely."

In the broader analysis of the complete stockholder list, White informed the Board that of 689 total stockholders, 499 reside in the immediate Clinton area. Fifty-three shareholders live in the central Michigan region. Other state stockholders number 89 while only 48 are persons in 17 other states and two Canadian provinces.

Board members were pleased that such wide local acceptance greeted the recent stock sale and enhanced the overall percentage of area stockholders. Current members of the Board besides White include Chairman John A. Rumbaugh, Eldon S. Bell, Roy F. Briggs, Victor F. Brya, Robert A. Conn, John A. Fox, Charles J. Mathews, George Palmer, Cayle Sloat, Fred H. Tiedt, Lorenz A. Tiedt, and President Brandon C. White, Jr.

"If It Fitz . . ."

Be prepared? Not me

Editor, Lapeer County Press

"By Jim Fitzgerald"

The Boy Scout scandal prompts me to proverbially:

Or: The higher you fly, the bigger grease spot you make when your parachute doesn't open.

Or: The purer you aspire, the more heads you turn when you suffer an attack of gas.

Or: Mud looks worse on a white suit. I could open a lot more Confucius cookies but that's enough wisdom for now. You get the idea: When a truck driver murders his unfaithful wife, it is back-page stuff. But when a US Senator clings on a love triangle, Walter Cronkite is there before the body stops twanging.

The point of all this is really more of a hope. Perhaps now my mother will finally forgive me for quitting the Boy Scouts 35 years ago, before I even made Tenderfoot. I knew what I was doing. I was seeking the security of obscurity rather than risking the possible shame of fame.

Everybody read about the Boy Scouts last week. Their top leaders were caught cheating and the nation gasped. It was as though quintuplets were born to the president of the Planned Parenthood League.

SOME BOY Scout leaders borrowed a trick from politicians who dig votes out of cemeteries. Paper scouts were created to meet membership quotas, impress the brass at national headquarters, and qualify for a bigger allotment of sticks to rub together.

This is not nice, of course. Mythical Boy Scouts leave a lot of knots untied, and a lot of flags unsaluted. But is padding membership rolls really a front-page sin, deserving of nationwide scorn and ridicule?

Only if you're a Boy Scout.

Get the idea, Mother? Your son like a lot of sons, has always been leery of lofty goals.

BOY SCOUTS must pledge to keep themselves "physically strong, mentally awake and morally straight." For me, it is a weary thing to even think of keeping such a ramrod pledge. I was always a skinny kid who fell asleep reading dirty books.

But what if I had stuck it out and slept in the woods and sung by the fire and earned all those badges? What if I'd become a leader? What would I be doing today? I'd be sharing the shame of all Scouts who now must prove they don't say "HERE!" 6 times when the membership roll is called.

I've done a lot worse things than multiply when I should have subtracted. But who cares? Nobody ever expected much of me anyway. That's the way I planned it. I lived my formative years so as to make my adult years look good by comparison. My family and childhood companions have to be proudly surprised at anything I accomplish outside the occupational therapy room at the state penitentiary.

There will be none of those screaming "Ex-Eagle-Scout-Robs-Bank!" headlines about me. If my misdeeds are recorded at all, it will be in my school alumni newsletter under "Class prophecies fulfilled."

WHICH IS NOT to say I have grown-up to be an all-bad person. The truth is, I sometimes do good deeds today to make up for all those yesterdays.

My mission this week is to rescue all those little old ladies stranded on curbs by mythical Boy Scouts.

Dodge AUTHORIZED DEALERS

Our Darts feature USAC-proven economy.

Our big winner was the six-cylinder Dodge Dart Sport which got 27.3 mpg. That was better gas mileage than the Chevy Nova or Ford Maverick got in the USAC test. (All three cars were six-cylinder, manual shift models.)

In addition, our popular Dart Swinger hardtop with automatic transmission got 23.6 mpg--which was better than the Nova stick shift got. (Both Dart and Nova had six-cylinder engines.)

For you V8 fans--the real topper was a Dodge Dart Sport with 318 V8. It got 21.7 mpg. Again, this was better than the Nova Six got. (Both the Nova Six and Dart V8 had manual shifts.)

The USAC "Miles-Per-Gallon Showdown" was a three-phase test using nonprofessional drivers. Mileage figures appearing in this ad are from the open road phase of that test which covered a distance of 972 miles at an average speed of 53 mph. The Dart Sport six cylinder car had the new standard 2.76 rear axle. For complete results and more surprising facts, see your nearby Dodge Dealer.

Sanctioned and results certified by United States Auto Club.

"The mileage you get depends on many factors including how and where you drive and the condition of your vehicle."

One Stop Shopping

There's no sense driving all over town looking for those little odds and ends when you can get almost anything you might need at your Kroger Superstore when you shop for food. You'll find household needs, sewing notions, party and picnic needs, school and art supplies, hardware-plumbing-electrical needs, automotive supplies, greeting cards and much more. Sure, we've got food... but we've got a lot more, too.

SUPERSTORE WINE CELLAR

You don't have to be a connoisseur of fine wines to appreciate the full selection of quality domestic and imported beers, wines and accessories found in your Superstore Wine Cellar... perhaps one of the better selections to be found under one roof in this area. And they're Discount-Priced, too!
