## Second recall in county possible

# Bath millage changes in action against supervisor

The possibilities for a second recall vote in Clinton County loomed large this week as a group of residents in Bath Township began circulating petitions against Supervisor Duane Smith. If successful, it would be the second recall this year of a township official in Clinton County.

Early this summer voters in DeWitt Township recalled Supervisor Reginald Nelson in a vote

of 891 to 324 because of displeasure with his property tax assessment policies.

Smith, meanwhile, in a petition drive initiated by Charles Gutzki and Don Kloekner of Bath, has been charged with "unfairly" causing the enactment of a millage increase of 1 1/2 mills "to benefit certain portions and individuals" of the township.

HE IS ALSO accused of allowing the police and fire board "to deteriorate to a point whereby it is a source of ridicule."

To put the recall question before the voters, it would take petition signatures from 25 per cent of the voters who cast ballots in the last election for governor.

In his defense Smith last week issued a statement outlining his response to the charges.

CONCERNING THE millage question, Smith said, "There has been no increase in millage since my coming into office. There is action pending for a 2 1/2 mill increase in taxes from a committee which the board appointed to work on a program with the Clinton County Road Commis-

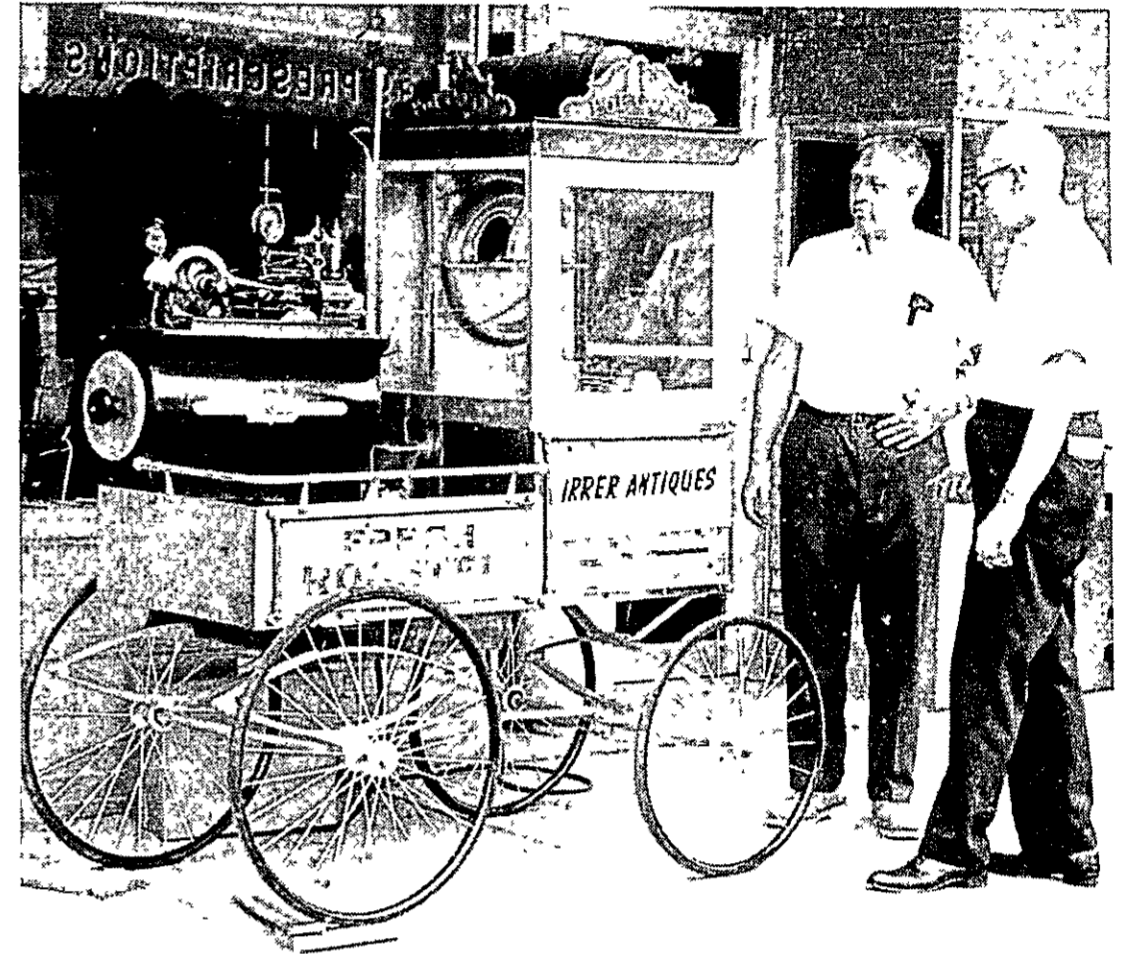

DUANE SMITH

sion for improvements and betterments. It will be placed on the

agenda and discussed Monday night, (Aug. 4). They have set aside the 2 1/2 mills as the maximum amount to be used for a road program. If the road committee and the Clinton County Road Commission can come up with a program to benefit, then and only then, will the board take any action on the 2 1/2 mill assessment for roads.

"The 1 1/2 mills that the petition probably refers to, is the one mill allocated to the township by the County Allocation Board and the half mill has been in effect since 1967. The half mill is a portion of the five mills that a Charter Township can assess without a vote of the people for operating millage. Therefore

AN OLDIE, INDEED

"Sidewalk Days" in St. Johns drew hundreds of shoppers into the city to take advantage of the two-day sales event, but many of the bargains had to share attention with this old steam driven popcorn machine owned and operated by Gerald Irrer. Irrer, who has restored the machine, set it up in front of his barber shop on Clinton Ave. Here he is chatting about the machine to Bob Conn of Boron's.

## Name new editor of Clinton County News

Announcement of the appointment of Ron Karle as editor of Clinton County News was made this week by Publisher Ron Huard. Karle joined the paper and began his work Monday.

A native of Detroit, Karle has been associated with newspaper work in various capacities for almost fifteen years, from carrier to printer to reporting for newspapers and the Associated Press. He holds a degree in journalism from Michigan State University and is presently working toward a master's degree in the profession.

RON KARLE

a social fraternity.

Karle, 31, began his career in the newspaper business as an apprentice printer in the composing room of the Detroit Free Press and at the same time began courses at the University of Detroit toward a journalism degree. After becoming a journeyman printer in 1963 he enrolled as a full-time student and during the summer of 1964 worked as a reporter with The Grand Rapids Press.

In the fall of that year he returned to Detroit and worked on the staff of the Daily Press, an interim publication which operated during the city's newspaper strike.

While attending the U of D, Karle held several editorial positions with the school paper, The Varsity News, and also helped form the Men's Press Club which became a chapter of Sigma Delta Chi, professional journalism society. He also was a member of Phi Kappa Theta,

In the spring of 1965 he transferred to Michigan State University where he wrote a weekly column and worked as a copy editor with The State News. In June 1966 Karle joined the staff of the Lansing State Journal and was assigned the City of East Lansing. In December of that year he received his degree.

Following graduation Karle worked in the Detroit bureau of the Associated Press where for two years he covered stories which ranged from the riots in 1967 to the World Series won by the Detroit Tigers.

Last fall Karle returned to MSU to begin work on his advanced degree.

Karle is single and at present resides in Okemos.

## With reluctance

# School board okays additional expenses for new high school building

Thoughts contained in volumes on library shelves may be priceless, but the way things are going light fixtures for the school library in St. Johns may soon fall into this category, too.

Thus, the St. Johns School District Board of Education last Wednesday un happily accepted the recommendation of architect Guido Binda for fixtures he designed for the school library at a cost of \$4,000—\$2,400 above the original budget figure of \$1,600. Binda indicated "stock fixtures" were not suitable.

"It's funny with all the libraries being built there are no suitable stock fixtures available," grumbled board member Alden Livingston.

But apparently the fixtures have an effect on the acoustics and the board feels there is no alternative.

In other action, the board got

a slight break on milk prices for the coming school year. A milk bid for the 1969-70 year was awarded to Ionia Dairy at 6.195 cents per eight-ounce carton for white milk and 6.495 for chocolate. These costs are slightly under last year's prices

from the dairy. Gasoline and fuel oil bids for the 1969-70 year were awarded to the St. Johns Oil Co. at 13 cents per gallon for gas, 13.55 cents a gallon for No. 1 fuel oil and 11.55 cents per gallon for No. 2 fuel oil.

## A late call . . . an early sale

Before every copy of last week's Clinton County News had hit the stands, John Fedewa of Westphalia sold three purebred Hampshire boars.

"Somebody must have bought the paper as soon as it came out," John said when he called to cancel his ad. "I sold the boars at 11 o'clock Tuesday night!" It's just another example of the punch of Clinton County News classified ads. Get in on the action. Place your ad today. Then wait for the phone to ring next Tuesday evening.

# Tax pre-payment totals \$29,387

St. Johns residents recently received letters in the mail requesting advance payment of summer taxes and according to Clerk Tom Hundley a total of \$29,387 has been collected. The amount represents a little over ten per cent of the \$288,000 requested by the letters.

The pre-payment, which in effect is payment at the usual time taxes come due but merely in advance of formal billings, was requested by city officials following a freeze on the assessment rolls leveled by the state tax commission. The freeze was initiated pending the outcome of an appeal over assessments made on properties in DeWitt Township.

THAT TIE-UP coupled with the

shortage of funds in the city's coffers prompted officials to issue their request for payment of summer taxes prior to a billing which cannot be completed until pending actions are resolved.

The letter mailed to residents requested payments based on last year's taxes and, again depending on the decision of the state tax commission, individual accounts would be credited for over payments and billings would be made to those paying insufficient amounts. There was no indication that payments were mandatory but it was pointed out that payment at this time would ease the burden later in the year.

ACCORDING TO Hundley the request for payment was a dual

effort. The city, which has been short of funds, is greatly dependent upon the revenue from summer taxes to maintain vital activities and services and it was hoped that citizens would be willing to pay taxes which normally would come due at this time even though a billing was not mailed.

It is anticipated that a decision will be made by the tax commission by year's end at which time both summer and winter taxes would then be billed, Hundley pointed out that payment now would decrease the size of winter billings.

Hundley indicated that he is presently unable to judge the total response to the request but indicated the city is pleased with the ten per cent response.

# County United Fund goal set at \$27,600

The 1969 Clinton County Community Chest Drive will span a month's period of time later this year opening October 16 and extending through November 11. Heading up this year's campaign as President of the United Community Chest in Clinton County is Bill Patton, manager of the St. Johns office of Capitol Savings and Loan.

According to Patton a number of organizational meetings have been conducted in recent weeks with various divisional assignments having been made.

NAMED TO HEAD up the industrial division is Lawrence Merignac. Steve Bakta will direct collections for the schools and government agencies and Herman Pohl has received the commercial division assign-

ment. Special gifts will be handled by Roland Sleight. Last year's fund drive exceeded its goal of \$23,400 by \$2,500. Patton explained that the goal this year will be 6-8 per cent above last year's figure of \$25,800, which would put the goal in the \$27,600 range.

As of May 6, a total of 6,147 Clinton County residents had received \$88,141 in services extended through United Community Chest agencies operating in the county. The dollar figure far exceeds the amount collected locally but the three county participation in the fund drive has benefited local participating groups.

PATTON POINTED out that some of the money collected in Lansing places of employment

actually come from Clinton County residents but he doubted the amount would total the difference between what is collected in the county and the \$88,141 returned in benefits.

"This type of assistance program provides far better returns of benefit than some government welfare programs," Patton stated. He went on to point out that not only are residents participating in a self-help program but, particularly in Clinton County, the returns have far exceeded the investment.

A goodly portion of the benefits in Clinton County have gone to youth programs. A total of \$22,242 supported Boy Scout activities while Girl Scouts received \$9,620 worth of services. Other major recipients in Clinton County included the American

Red Cross, \$12,801; Catholic Social Service, \$8,938 and Michigan Children's Aid Society, \$9,912.

Patton explained that continued organizational meetings will be planned along with special activities to insure success of the effort.

AT PRESENT a fifteen member board is working under Patton. Aside from those mentioned earlier, other board members are Charles Huntington, Vicky Rowell, Romaine DeCamp, Norbert Rehmann, Bill McCarthy, Stan Loznak, Harold Green, Rev Harold Homer, John Aylesworth, John Rademacher and Ron Huard.

BRANDON WHITE, vice president at Clinton National Bank is serving in the capacity of co-

chairman of this year's drive and is slated to fill the chairmanship spot next year.

In announcing the dates of this year's fund campaign, Patton reminded residents that the United Community Chest is not a single agency but a group of agencies whose financial needs are met through a single drive. "These various groups combine their efforts in a coordinated method," Patton said. "It's one way of alleviating a number of smaller solicitations throughout the year."

He went on to emphasize the importance of recognizing the large number of participants in the United Fund and to base contributions, accordingly. "This is not a \$2 gift thing," Patton said. "There are many services coming from the community chest

and contributors should consider the broad requirements of these units."

The United Community Chest, Patton explained, does not expect a flat cash contribution, although they will be accepted with appreciation. Contributors may take advantage of a pledge system whereby they will be billed at periods of their own choosing.

THE PLEDGE SYSTEM has grown in popularity and also provides administrators of the various funds a basis for budgeting service expenditures.

Patton, a resident of St. Johns for the past three years, is a native of Terre Haute, Ind. He came to Clinton County from

Armyworms on the "march" found on the Swanson farm have attacked about 20 acres of corn.

# Armyworms invade fields in Clinton County area

Clinton County farmers are warned to closely watch their grass crops by Clinton Agriculture Agent, George McQueen. Two corn crops have already been infested by armyworms. One field near Maple Rapids, part of the Dave Swanson farm and another field on the Ed Batora farm, have suffered some damage from the worms.

According to McQueen, the worms may lay as many as 500 eggs on one blade of grass and feed on grass vegetation. When the worms near maturity they can devastate most any green plants within a short time.

He says that farmers must be alert to the invasion of the worms. They appear very spotty and work

fast. There may be damage to isolated spots of a field, but if the worms are not checked they can devastate acres of crops in a very short time.

The worms feed on grass plants and may do very little damage until they start to "march". Then forces of thousands to millions eat everything in the pathway.

Usually the worms eat grain products in this area and have been seen in the area frequently, but not in the proportion that they are now. They are attacking corn in the area, unlike the savage attack they make on wheat fields prior to McQueen's term as agent in about 1950.

Spraying is the only way to effectively rid fields of the pest. McQueen says that among the most economical sprays are Sevin and Malthion. Both chemicals leave little or no residue and have low toxicity. They are very safe chemicals to use.

County Agriculture Agent, George McQueen and Dave Swanson inspect damage done by the armyworm to the corn crop on Swanson's farm.

# Cathey assigned to loan department of Clinton National

Official announcement was made this week of the appointment of James Cathey to the loan department staff of Clinton National Bank. Cathey, a resident of St. Johns for the past two years is a former employe of Central National Bank.

A native of Greenville, Cathey came to St. Johns after working with his father in the mobile home business. He is a veteran, having served with the U.S. Air Force for four years and is a graduate of the American Institute of Banking.

Cathey and his wife, Diana, have two children and the family resides on R-4.

He is presently secretary of the St. Johns Jaycees is also a member of the Masonic Lodge. Cathey's work at Clinton National Bank will be primarily with financial arrangements dealing with retail and automotive transactions.

JAMES CATHEY

# Chamber locates tourist booth

A project, which according to its chairman Stan Cowan, began as an idea twelve years ago, neared its completion last week-end when Chamber of Commerce members located a tourist in-

formation booth at the corner of Baldwin St. and US-27. The building, an 8'x12' structure is surrounded by a small crushed limestone patio, has aluminum, sliding combination

windows and will provide summertime comfort for volunteer workers through an air conditioning unit mounted in its rear wall.

Cowan, appointed tourism chairman at the beginning of the Chamber's new year by President Brandon White, immediately began working toward erection of a tourism booth and last Saturday his efforts were rewarded.

Most of the work in constructing the building was performed by Virgil Zeeb and employees of Zeeb Fertilizers with assistance from Jim McKenzie. Various components of the building were contributed by merchants among whom were Kurt's Appliance, Boron's and Zeeb Fertilizers. At present Cowan is arranging work schedules and persons interested in assisting may contact him.

## Pewamo

By MRS. IRENE FOX, Correspondent—Phone 824-2021

Six persons from Pewamo attended the annual outdoor novena held from July 28 through Aug. 5 at the Shrine of Our Lady of the Snows at Belleville, Ill. On Aug. 5 the closing of the novena, as dusk descended over the 10,000 men, women and children, all who were able joined in the procession with lighted tapers creating a beautiful scene.

The focal point of the outdoor altar is the 16 foot statue of our Lady of the Snows. The statue is in the shape of calla lily and is mounted against a tongue of flame. The focal point of the Shrine is a vast outdoor altar and amphitheater, where a replica of the famous Lourdes Grotto in France is located.

Those from Pewamo who attended over the weekend were Mrs. Vera Cook, Mrs. Joan Daniels, Mrs. Hilda Schafer and Mrs. Irene Fox. In the other group were Mrs. Betty Jandernoa and Mrs. Mable Cook both of Pewamo who stayed for the closing on Aug. 5. After the stay at Belleville the first five went to St. Louis, the "Gateway of the West." The Inspiring 680 ft. Stainless Steel Gateway Arch, focal point of St. Louis' skyline, embraces within its environs, the old courthouse and the old Cathedral. New buildings complement its graceful curves and the ever-active Mississippi water front.

A party was recently given by Mr. and Mrs. Roman L. Hafner for their son and daughter-in-law.

Carl Hafner came home Monday July 28 and his wife on July 17. Hafner spent one year in Vietnam and 16 months in Germany. For the present time they will be living in Fowler.

**Green School extension has busy schedule**

The Green School Extension Club has a busy schedule this summer. The members and their families assembled in Friendship Park at the Colony for an annual picnic on July 13. A dinner with home made ice cream and cake was served.

Ten days later, they met with Mrs. Manley Engebretson for a luncheon in honor of Miss Diana Lumgias of Boisseyval, Manitoba, who was a guest of the Raymond Thornton family.

Diane, a Canadian 4-H exchange student, showed slides and talked about the International Peace Gardens on the border between North Dakota and Manitoba, where she works.

The world's one and only Garden dedicated to Peace lies in the Turtle Mountains on the border and consists of 2,300 acres, she related, and has been in operation since its dedication July 14, 1932.

The International Peace Garden commemorates the more than 150 years of peace that have happily existed between the United States and Canada and symbolizes the fact that two nations can do live in peace and harmony along the longest unfortified boundary in the world.

She described some of its activities, such as, the summer school of fine arts, its International Music Camp, Schools of Art and Dance and the Athletic Camp.

Other points of interest Diane described were the Peace Tower, Chapel, sunken gardens, reflecting pool and picnic areas. This has all been made possible through the efforts of many people and sponsoring organization of both countries, she added.

The International Peace Garden Club members will furnish 25 pies and three workers at the pie booth for the Clinton County 4-H Fair, Monday, August 11.

KENNETH LENTZ

### Navy man saves buddy in Vietnam

ELSI(c)-Kenneth W. Lentz USN, son of Mr and Mrs Blaine Lentz of Elsie has been promoted to Petty Officer 3rd Class (AK3) and is spending a 30-day leave here with his parents. He has been stationed at Cam Ranh Bay Naval Air Facility since Sept. 19, 1968.

While swimming one afternoon at the beach off Cam Ranh, he heard a comrade cry for help. He and another sailor swam out and together they brought him back to shore. He had developed a cramp in his leg and couldn't make it back alone. This was the second time Ken had helped save a life. Two years ago he saved his little brother Michael who fell from a boat while watching his brother swim at Higgins Lake.

Ken graduated from the Ovid-Elsie High School in 1967, entered the USN in November of 1967, graduated from Great Lakes in January 1968 and entered the Naval Air Academy in Memphis, Tenn., for six months, and trained for three weeks in Little Creek, Va., before going over to Cam Ranh Bay, South Vietnam.

### \$950,000 bond issue at stake

# Pewamo-Westphalia school district eyes Aug. 18 vote

Voters in the Pewamo-Westphalia School District will be voting on a \$950,000 bond issue to erect, furnish and equip school additions on Monday, August 18.

**Northeast Eagle**  
Mrs Andrew Kempf  
Phone 626-6835

Mildred Barnes and Evah Leavitt of Lansing were July 31 dinner guests of Beatrice Seibert of Park Lake.

Mr and Mrs Paul Worthington and Melissa are spending a few days with the former's parents in Florida.

Judy and Kirby Worthington are visiting Mr and Mrs David Rood and family for a few days. Mrs Robert Nourse and daughter and Laurie Worthington are spending a few days at Crystal Lake.

Mr and Mrs R.V. Henretty and Bonnie spent the weekend at Bass Lake.

Congratulations to Mr and Mrs Gene Brounfield on the arrival of a 9 pound, 12 ounce son, David John, born July 28.

Mrs Lena Lyons of Perry and granddaughter from California called on Mr and Mrs Earl Avery recently.

Motorists drove an estimated 48 billion miles in Michigan in 1968, a record, the Department of State Highways reports. It is expected that by 1990 motorists will drive 85 billion miles annually in the state.

The new addition to the high school will be approximately 27,860 feet. A new 14 classroom wing to serve grades 7, 8 and 9 is proposed at the high school building. Included will be two junior high science rooms. Four of the classrooms will be so clustered that folding walls may be opened between them to provide for large group instruction. A new instructional materials center to replace the present library will be located so as to serve both the high school and junior high students.

A new shop room is proposed which will be large enough for two teaching stations for wood and metal shop or farm shop.

The present shop room is to be converted to a new band room. In addition, toilet facilities, an will be approximately 7,085 square feet.

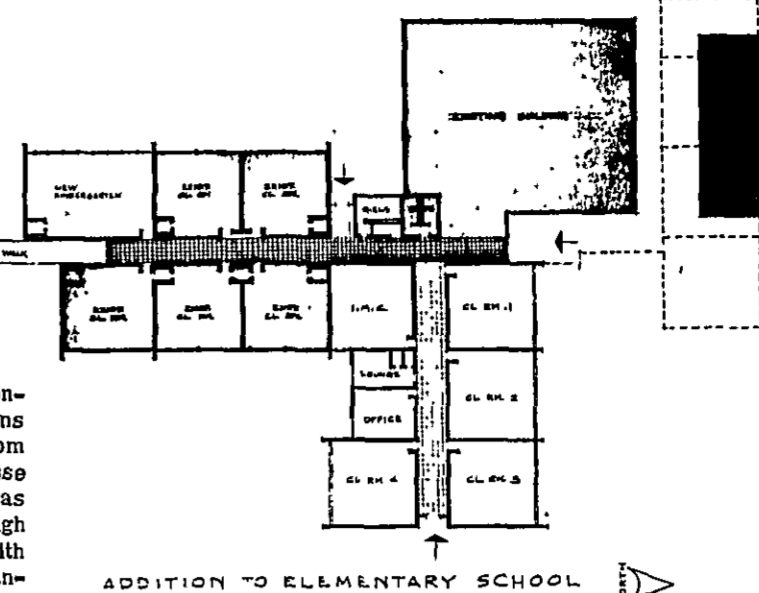

All registered voters in the district are eligible to vote on

the proposed bond issue. Due to the overcrowded conditions this fall, five classrooms will be leased this year from the St. Mary's Parish to house the increased enrollment. It was necessary to partition off the high school cafeteria last year with a sliding partition to provide another classroom for secondary students. With the increasing enrollment in the high school, additional rooms must be provided, according to school administrators.

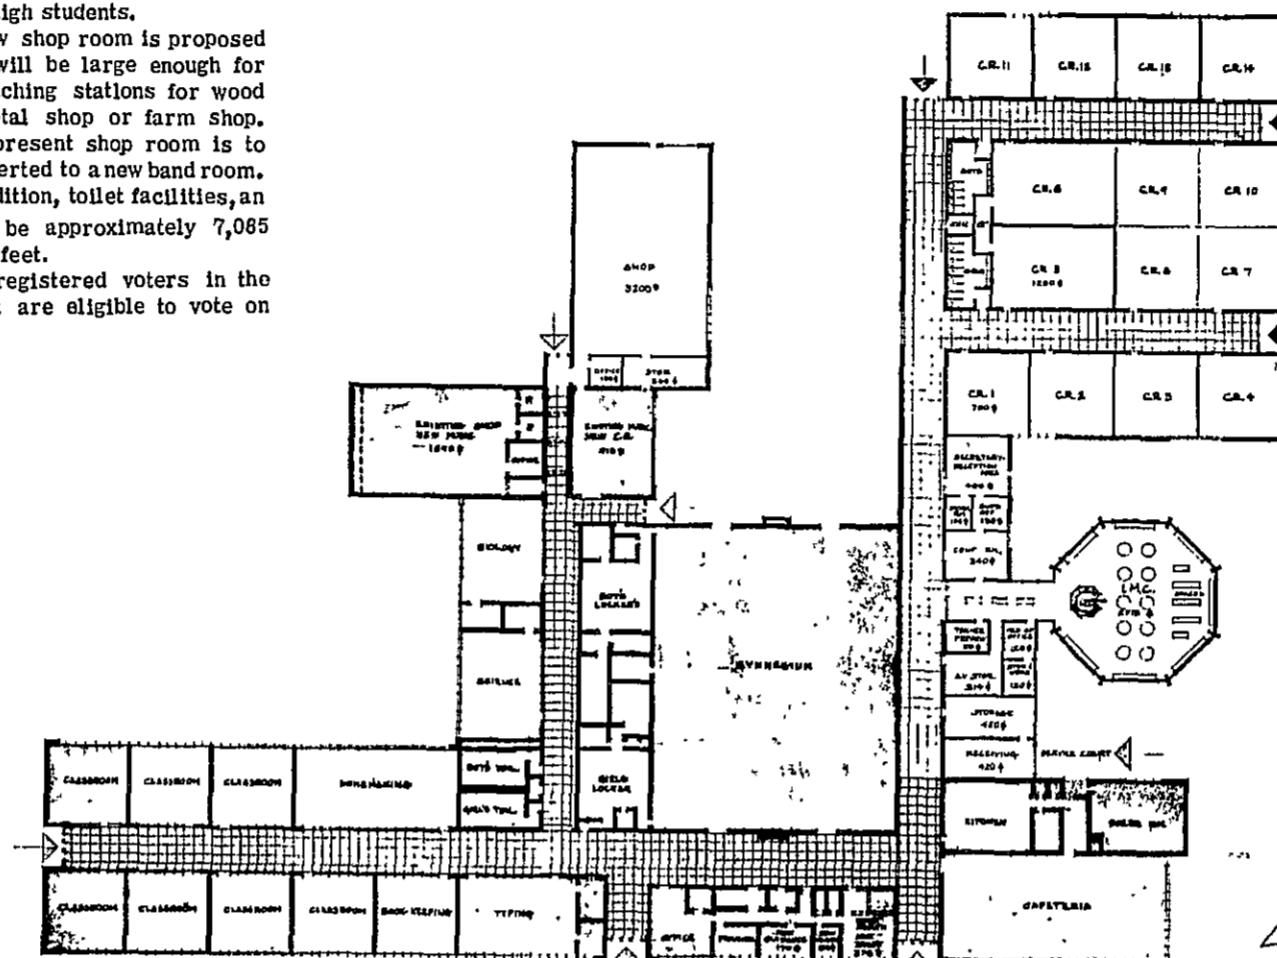

A five classroom elementary addition to the Pewamo Elementary School is proposed to provide for additional space for grades K through 6, and an instructional materials center or library room to provide for centralization of library books and audio-visual equipment. Office space and toilet facilities will also be provided.

The new elementary addition

administrative area, and storage space will be provided in the addition.

## Walker to speak at Brown rally

Dr Charles E. Walker, Under Secretary of the U.S. Department of the Treasury, will be the guest speaker at the fourth annual "Birthday Gala for Garry" honoring Congressman Garry Brown, August 18 at Gull Harbor Inn.

Announcement of Dr Walker's appearance was made jointly today by Honorary Gala Committee Co-Chairmen James S. Gilmore, Jr., of Kalamazoo and Win Schuler of Marshall.

In their announcement the co-chairmen said: "Each year the 'Gala' has attracted a distinguished guest speaker from the world of government, includ-

ing such prominent figures as Secretary George Romney of the Department of Housing and Urban Development and Governor William Milliken. This year is no exception. Under Secretary Walker is not only the number two man in the Treasury Department, but he is mentioned regularly and most prominently as the probable successor to Federal Reserve Chairman William McChesney Martin."

Washington insiders describe Dr Walker as an "activist" who has become a dynamic and leading force in setting U.S. Treasury policy, today.

### County Line News

By Mrs Doris Fisher

Salem United Methodist Church is having a home made ice cream social with a supper menu Aug. 7 beginning at 5 p.m.

# Stanley Theis weds Mary Kaye Smith in Jackson

A double ring wedding service uniting Mary Kaye Smith and Stanley Anthony Theis was conducted Aug. 2, at 1 p.m. The nuptial mass was celebrated at Saint Mary Star of The Sea, Catholic Church in Jackson by Rev. Allen Theis, brother of the groom.

The bride is the daughter of Mr and Mrs James J. Smith of

740 W. Lansing Road, Morrice, and the groom is the son of Mr and Mrs Herman Theis of 408 N. Maple Street in Fowler.

The church altar was decorated with large baskets of white carnations and ferns for the service. Miss Pam Bretts provided the wedding music. Given in marriage by her father the bride walked to the

altar in an Alencon lace gown over silk organza. The gown featured satin ribbon trim and camelot sleeves with a cathedral train. Her waist length veil of silk illusion was held in place with a petal headpiece of silk set with pearls. She carried miniature white carnations and yellow tea roses over a prayer book.

Mrs Richard Wallace, sister of the bride, from Jackson served as matron of honor and bridesmaids were Miss Cathy Wallace, Marlene Theis and Mrs Timothy Duffy. The matron of honor wore a light avocado green gown in silk organza with camelot sleeves and empire waist, trimmed in white daisy lace. Her bow headpiece was fashioned from silk organza with shoulder length illusion veiling. The bridesmaids were identical to the matron except the color was maize yellow. They each carried bouquets of daisies with miniature carnations.

The bride's mother wore a soft peach coat and dress ensemble and the groom's mother chose a light mint green coat and dress ensemble.

Donald Theis, brother of the groom served as best man and groomsmen were Larry Theis, Sam Hargraves and Hank Rishel.

The wedding reception was held in the Cascade Clubhouse at

Jackson from 2 'til 4:30 p.m. for 175 guests. For travel the bride chose a white voile dress accented with pink embroidered flowers with long, sheer, sleeves. After a honeymoon in Bermuda the couple will return to their first home at 740 Lansing Road in Morrice. The new Mrs Theis is a graduate of St. Mary's High School

in 1964, Jackson Community College in 1966 and Michigan State University in 1968. She is presently employed as a teacher at Morrice High School. The groom graduated from Fowler High School in 1960, Lansing Community College in 1963, MSU in 1965 and received his master degree at MSU in 1969. He is now employed as principal at Morrice High School.

## Births

**SLAGELL** - A girl, Sherri Lynn, was born to Mr and Mrs Frank Slagell of R-1, Ashley, July 20, 1969 at Carson City Hospital. She weighed 4 pounds, 6 ounces. Grandparents are Mr and Mrs R. V. Padgett and Mr and Mrs Ralph Slagell. The mother is the former Linda Padgett.

**SLAGELL** - A girl, Amy Carolyn, was born to Mr and Mrs Harold Slagell of R-3, St. Johns on July 25 at Clinton Memorial Hospital. She weighed 8 pounds, 14 ounces. The baby has two brothers and one sister. Grandparents are Mrs Gladys Hankey and Mrs Alvin Roth. The mother is the former Carolyn Hankey.

# Kurt Acton weds Mary Schafer

St. Helen's Catholic Church in Saginaw was the setting Aug. 1 for the evening ceremony uniting Mary Elizabeth Schafer and Kurt Douglas Acton in marriage. The daughter of Mr and Mrs John W. Schafer of 2407 Morgan Street, Saginaw, and the son of Mrs Thelma LaVean and the late Robert Acton, exchanged nuptial vows before the Rev William Taylor, at 7 p.m.

Miss Schafer was given in marriage by her father. John West served as organist and accompanied Miss Leslie Carroll, soloist.

The bride wore a Chantilly lace gown and veil with scalloped edges, fashioned by her mother. It featured short sleeves with ruffle trim at the sleeve and neck edges accented with white velvet ribbon. Her veil was also made with Chantilly lace, and was attached to three satin flowers with lily of the valley centers. She carried a colonial bouquet of white spider mums, lily of the valley and yellow sweetheart roses.

Miss Barbara Tremaine served as maid of honor and bridesmaids were Miss Carol Carroll, Miss Marlene Kientz, and Miss Sue Pettit. Miss Kitty Carroll, a cousin of the bride was junior bridesmaid. All of the at-

endants wore light, lime green, chiffon gowns trimmed with daisy braid. The dresses featured short sleeves with fitted waists.

Mrs Schafer selected a bone colored A-line dress with dark green accessories, for the wedding, and Mrs LaVean chose pale yellow linen with silver accessories. Each wore a corsage of white carnations and yellow roses.

Mark Marcet served as best man and groomsmen were Sid Guerst, Richard Keck, Bert Schafer and Dennis Schafer. They all wore lime green dinner jackets.

The reception was held at Pleasant Acres, on Bay Road in Saginaw at 8:30 p.m. Those who served included Mrs Gordon Ripple, Judy Ripple, Debbie LaVean, Mrs Ivan Carroll, Leslie Carroll and Mary Morford. Three hundred guests attended.

After a trip through northern Michigan the couple will reside at 179 Mitchell Court, Rantoul, Ill., 61866. The bride and groom are both graduates of Central Michigan University, in Mount Pleasant.

## Social Events

Mr and Mrs M. E. Morehouse of 138 Elm Street, Ovid, will celebrate their 50th anniversary Sunday, Aug. 10, from 3 'til 6 p.m. at the IOOF hall in Ovid.

The open house celebration will be hosted by their sons and daughters. All friends and relatives of the couple are cordially invited to attend.

DEBBIE ANNE HOWARD

**Engaged**

Mr and Mrs Philip G. Howard of Lansing announce the engagement of their daughter, Debbie Anne to Charles C. Smith, son of Mr and Mrs Joseph Smith of St. Johns.

The bride-elect is a graduate of Eastern High School and is employed by the Secretary of State Office. Her fiancé is a graduate of Rodney B. Wilson High School and attends Lansing Community College. He is presently employed by Fisher Body.

The couple plan to exchange vows on October 18.

**Announcements**

The 41st annual school reunion of the Bannister, Crippen, Stafford, Meacham, Heinze, Kelsey and Lindley Schools will be held Sunday, Aug. 10, at the Bannister School. Please bring your dinner and beverage with you for the 1 p.m. get-together.

An open house will be held in celebration of the 50th wedding anniversary of Mr and Mrs Franklin Rickerd on Aug. 10 from 2 'til 5 p.m. at their home located at 8039 N. US-27, DeWitt. All friends are invited. The couple requests there be no gifts.

**Engaged**

Mr and Mrs Carl J. Thelen of 1895 E. Taft Road, St. Johns, announce the engagement of their daughter, Mary Jane to Dale E. Feldpausch of Townsend Road, Fowler.

The bride-elect is a 1966 graduate of St. Johns High School and is employed at Michigan State University. The prospective groom is a 1964 graduate of Fowler High School, attended Lansing Community College for two years and is presently employed at Federal Mogul Corporation.

A Sept. 13 wedding is being planned by the couple.

MR AND MRS JOSEPH KARBER

**Celebrate anniversary**

Mr and Mrs Joseph Karber, of 812 N. Mead Street, celebrated their 25th wedding anniversary Sunday, Aug. 3. Approximately 100 guests attended the open house held at their home. A large pink and silver cake (a gift of the neighbors), centered

the serving table. Mr and Mrs Karber were married July 29, 1944, in Fowler. They have five sons, Gerald and Richard Karber of St. Johns, Kenneth Russell of Ovid, Walter Russell of St. Johns, and David Karber of Tucson, Ariz.

**Steinhardt-Stone vows exchanged Aug. 2**

Miss Shirley Jane Steinhardt, daughter of Mr and Mrs Carl Frank Steinhardt, of 10654 Williams Road, DeWitt, and Lieutenant James Copley Stone, son of Mr and Mrs Roger Copley Stone, of 938 N. McKean Street, Kittanning, Pa., exchanged wedding vows Aug. 2, at 2 p.m. at Alumni Memorial Chapel, at Michigan State University, East Lansing. Rev Sidney J. Rowland of the DeWitt Community Church performed the ceremony.

The bride was given in marriage by her father, and Mrs Miriam Smith of East Lansing provided the organ music. Candelabra with pink and white arrangements of gladioli were placed on the chapel altar for the ceremony.

The bride selected an A-line pinstriped gown of Alencon lace and tulle for her wedding. She wore a matching floor length mantilla of tulle and Alencon lace, and carried a small Bible adorned with phalaenopsis orchids, stephanotis and ivy.

She was attended by Miss Gale Greene of DeWitt as maid of honor, and bridesmaids were Miss Nancy Erickson of East Lansing, Miss Carol Fox of Royal Oak, Miss Cheryl Castelli of Daytona Plains and Miss Karen Hammeran of Kalamazoo. All the bride's attendants were gowned in identical floor length empire gowns of nylon over taffeta in shades of orchid, pink, mint, blue and yellow. The gowns had detachable collar-capes trimmed in lace daisies. They wore matching loop-bow headpieces trimmed in lace daisies and carried baskets of mixed flowers and ivy, with ribbons matching the color of the gown.

The bride's mother wore a mint

green dress with matching accessories and the groom's mother wore a blue dress with matching accessories. Both wore corsages of cymbidium orchids.

David Stone, brother of the groom, served as best man. Groomsman were James Freud and Joseph Assaff. Ushers were Peter McGuire and Lt. Gary Steinhardt, brother of the bride, of DeWitt.

A reception was held immediately after the ceremony at the Alpha Chi Omega Sorority House in East Lansing. Mr and Mrs Robert Schultheiss of Sandusky served as host and hostess. Mrs Dean Brya of Williamston cut the cake and Miss Virginia Owen attended the guest book. Others who assisted included Mrs Kenneth Brya, Miss Sue Sibley, Miss Diane Sibley, Mrs Jon Tatroe, Miss Nancy Locher, and Mrs Nell King. Two hundred guests were in attendance.

Mr and Mrs Alger Sibley of DeWitt grandparents of the bride, were special guests.

For travel the bride changed to a mint green dress with bone accessories and wore the corsage from her bridal bouquet. The couple will be living at Fort Knox, Ky., for eight weeks then move to Fort Carson, Colo.

The bride is a 1965 graduate of Rodney B. Wilson High School and a 1969 graduate of MSU. She is a member of the Alpha Chi Omega Sorority. The groom is a 1964 graduate of Kittanning High School in Pennsylvania and a 1968 graduate of MSU.

MRS JAMES STONE

**Prize winners at picnic announced**

St. Mary's Court No. 1903 of the Catholic Order of Foresters held their annual summer picnic on Sunday, July 27, at St. Mary's Parish grounds.

Games were played throughout the afternoon and lunch and refreshments were served. Door prizes were awarded later in the evening as follows: Glen Esch, bicycle; Grace Kellen, tricycle; Kevin Smith, volley-ball set; Betty Roach, gas camp stove; Donald Trierweiler, 20 inch fan; and Albert Arens, rod and reel.

Five dollar gift certificates went to Bernard Thelen, Robert Platte, Gerald Sunday, and Herman Wirth. Other winners were Allen Haliman, Joseph Hanses and Charles Wirth.

It's paradoxical, but the big head affects only little heads.

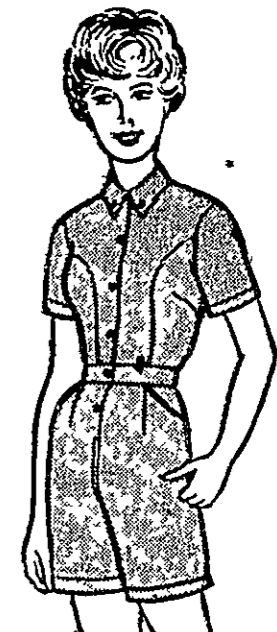

**Births**

BOETTGER - A boy, Bruce Gordon, was born to Mr and Mrs Barry Boettger of R-4, St. Johns on July 30 at Carson City Hospital. He weighed 7 pounds, 12 ounces. The baby has one brother and one sister. Grandparents are Mr and Mrs Edwin Boettger. The mother is the former Judy Grennell.

**Social Events**

Mr and Mrs Clare Challis of Fowlerville spent the afternoon and evening of July 29 with Mr and Mrs Jack Cornell. Mr and Mrs Edwin Heibek called on her aunt, Mrs Florence Bass of Elsie, the evening of July 31.

## Women's Society announces coming events

Women's Society of the Price United Methodist Church met July 30 with Mrs John Beachler and Mrs Fred Musolf as hostesses. Mrs William Ashley had charge of the program with "Foundation for Patriotism" as the topic. There were 15 members present at the business meeting. A total of 13 calls were reported made and 17 cards sent.

It was voted to send \$30 to Community House in Grand Rapids in response to an urgent need for layettes as stated in Highlights. The following dates for future WSCS activities were announced: Training meeting at Price United Methodist Church, from 9:30 a.m. to 2:30 p.m.; Fall Rally at Greenville United Methodist Church Oct. 1; local events include the annual chicken supper Oct. 8 at Price United Methodist Church with serving to commence at 5:30 p.m.; World Community Day will be Nov. 7 at DeWitt United Methodist at 1:30 p.m.; and the next meeting will be Aug. 27 at the Church for a potluck dinner at 12:30 p.m. Mrs Gerald Phinney will be the program leader.

Mrs Robert Behrens and Mrs Aurelia Mahoney of Ovid were July 26 evening guests of Mr and Mrs Harold Crowley and Mrs Helen Hunt.

Mr and Mrs George Baxter and JoAnn of Grand Ledge spent the afternoon of July 27 at the Crowley home.

## CITY POLICE REPORT

Bertha M. Powell, 3539 McCain Road, Jackson, lost a billfold or it was stolen from her while she shopped on Clinton Avenue. The billfold contained about \$70 in cash.

Jose Mario Riojas, 201 S. Oakland Street, Mr Riojas stated he was leaving Lansing and hitchhiking to St. Johns, when a subject tried to pick him up. Riojas refused to get in the car so this developed into a scuffle on the ground beside the car. At this time the pistol was fired by the driver of the car, wounding Riojas in the right arm. He was unable to give a description of the car or driver.

Dean Fosmoe, 1005 N. US-27, reported a 1964 Ford 4-door station wagon was stolen during the night, bearing VM-14-421 license, tan and brown.

Virgil Zeeb, 208 W. Railroad Street, reported a 12-volt Delco Energizer battery stolen during the night.

Mrs Joe Van Rooyen, 206 E. Gibbs Street reported the larceny of three of her children's banks from their home, involving approximately \$27.

## CLINTON COUNTY SHERIFF'S DEPARTMENT

July 30: Jack Arnold, 20, 621 W. Fairchild, Lansing, minor in possession, fined \$60 and \$3 judgment and ten days in jail or if not paid 70 days.

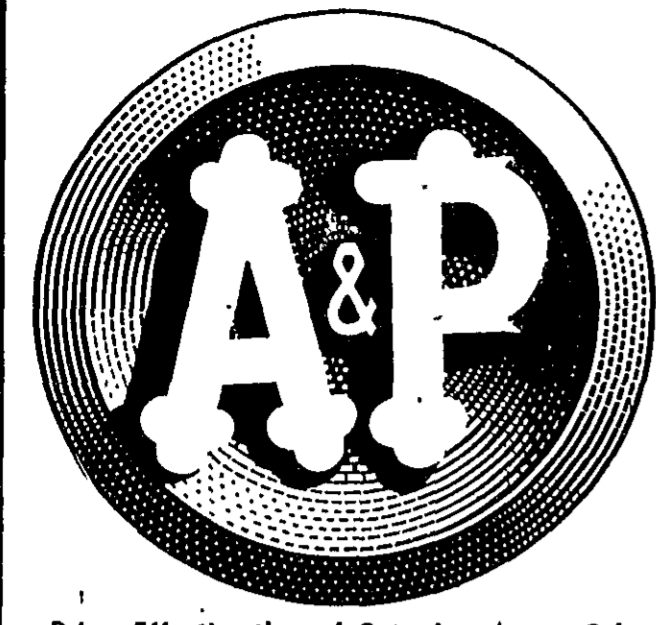

July 30: Oscar Fegueras, 3220 W. Jolly, Lansing, driving on a revoked license, fined \$60 costs and \$3 judgment and ten days in jail or if not paid 70 days in jail.

## Open Letter from VAN W. HOAG

Dear friends,

Grief at the passing of a loved one is both natural and normal. Even Jesus wept at the death of Lazarus, the Bible tells us. Death brings loneliness and emptiness — one with whom so much was shared no longer is sharing with us. Good friends will not belittle one's grief, but rather will help the bereaved, thru new interests, to gradually overcome their grief.

Respectfully,  
*Van W. Hoag*

### Alva Ballinger

Alva J. Ballinger, 75, died Friday at Clinton Memorial Hospital after a short illness. He has been a resident of 507 S. Swegles Street, St. Johns.

Funeral services were held Monday with burial at the Mt. Rest Cemetery. Rev Harold Homer officiated. Arrangements were made by Osgood Funeral Home.

Son of William and Anna Lefler Ballinger, he was born in Nirvana on March 27, 1894. He came to St. Johns area at the age of 7. On June 5, 1920, he was wed to Bernice Zacharias.

Mr Ballinger was in the Army Aviation of World War I. He was a member of the American Legion Post No. 153 of St. Johns also a member of the Disabled American Veterans and Veterans of WWI.

He was affiliated with the United Methodist Church of St. Johns and had been employed as a farmer, mechanic and a gasoline station operator.

Survivors include his widow, Bernice; one daughter, Mrs Lyle (Beverly) French of St. Johns, five sisters, Mrs Eva Baker of Ovid, Mrs Nellie Sonier of Lansing, Mrs Laura Sonier of St. Johns, Mrs Naoma Rahl of Lansing and Mrs Luella Fox of Porterville, and three grandchildren, William, Cathy and Thomas French.

A radio performer is actually heard by home listeners before he is heard by his own studio audience.

### Carrie Lawrence

Carrie L. Lawrence, 85, of 8071 W. Mason Road, Ovid, passed away Monday, July 28, at 11:45 p.m. at Memorial Hospital in Owosso. She had been ill for two weeks.

Funeral services were held at the Houghton Chapel of Osgood Funeral Homes Inc., at Ovid on Thursday, July 31, at 1 p.m. Rev Horace Freeman officiated and interment was in Oak Grove Cemetery near Owosso.

Mrs Lawrence was born in Jerusalem, N. Y., on March 15, 1884, the daughter of William H. and Louise Raymond. She attended schools in Pittsburg, and resided in Pennyan, N. Y., before moving to Bennington Township 59 years ago. She had lived at the present address for the past 39 years.

She was married to Samuel L. Lawrence in Owosso on Feb. 26, 1906. Mrs Lawrence was a member of the Burton United Methodist Church and a life member of the WSCS. The family requests that memorial contributions go to the Burton United Methodist Church.

Survivors include her husband Samuel; two daughters, Mrs Robert Vincent of Owosso and Mrs Merton Warner of Pontiac; two sons, Raymond of Owosso and Leslie of Elk Rapids; 17 grandchildren; 21 great grandchildren; and one sister, Mrs Oscar Schultz of Owosso.

### Amber Sleight

Amber D. Sleight, 87, of R-1, Bath passed away Monday, July 28, at the Jackson Nursing Home. She had been ill for a long time.

Funeral services were held at the Osgood Funeral Home on Thursday, July 31, at 1 p.m. with Rev Alma Gloifely officiating. Interment was in Chapel Hill Cemetery.

Mrs Sleight was born in Bath on Oct. 9, 1881, the daughter of Edmond and Elizabeth Harte Everett. She lives most of her life in Bath and was married there to J. T. Sleight on Oct. 7, 1908. She was a homemaker all her life.

Survivors include her husband J. T. Sleight; two sisters Mrs Pearl McArthur of St. Johns and Mrs Mary Jager of Detroit; one brother, Roland Everett of St. Johns and several nieces and nephews.

### Floyd Molloy

ELSTIE (c)—Funeral services were held Saturday, Aug. 2, for Floyd Molloy, 75, of North Ovid Street, Elsie, at the Scarlett's Funeral Home. Burial was in Hillcrest Memorial Gardens Cemetery at Owosso.

Mr Molloy died suddenly Wednesday at St. Lawrence Hospital in Lansing of a heart attack. He was born in Riverdale March 29, 1893, the son of Michael and Emogene Molloy. He had resided most of his life in the Owosso and Elsie areas.

He was married to Mildred Wiltsie in 1918 at Flint. Mr Molloy had been a truck driver for Buick in Flint. He was a member of the IOOF, VFW and a veteran of World War I.

Surviving are: one son, Harry Molloy of Owosso; two daughters, Mrs Evalene Muzzy of Lansing, Mrs Raymond (Electa) Green of Seymour Road, Owosso; nine grandchildren; and three great-grandchildren.

### Howard Carroll

OVID—Howard Dyer Carroll, 71, of 310 Williams Street, Ovid died unexpectedly Friday, Aug. 1, in Ontario, Calif.

Funeral arrangements have been tentatively set for Friday, Aug. 8, at the Houghton Chapel of the Osgood Funeral Home in Ovid. Burial will be in the Maple Grove Cemetery.

Mr Carroll was born in Elsie on March 16 the child of Anson and Alice Carroll. He graduated from Elsie High School and resided most of his life in the Ovid-Elsie area and moved to Ovid in 1949.

He was married to Marie W. Sellers in Remus on April 11, 1920, she preceded him in death on Dec. 26, 1968. He was a jeweler all his life.

Survivors include: three daughters, Mrs Eloise Smith of Ontario, Calif., Mrs Barbara Piper of Alma and Mrs Doris Evert of Lansing; nine grandchildren; four great grandchildren; and four step grandchildren.

### Clarence Damon

Clarence Damon, 73, of 707 E. Baldwin Street, St. Johns passed away Sunday, Aug. 3, at the Elliot Nursing Home in Shepardsville. She had been ill for a long time.

Funeral services will be held at St. Johns Lutheran Church on Thursday, Aug. 7, at 2 p.m. Burial will be in Mount Rest Cemetery with Rev Robert Koepfen officiating.

Mr Damon was born in Dallas Township on June 22, the child of Fred and Mary Elliot Damon. He had resided in Dallas Township until 1945 then moved to St. Johns.

He was married to Edna Eisler in Hubbardston on Nov. 25, 1919. He was a veteran of World War II and a member of the Disabled American Veterans. He was also a member of St. Johns Lutheran Church. He was employed as a farmer and worked as an inspector at Sealed Power Corporation.

Survivors include: his wife Edna; three daughters, Mrs Mary Moritz of R-1, Fowler, Mrs Rosaline Witt of Tucson, Ariz., and Mrs Elaine Phinney of Luke Air Force Base, Ariz.; and eight grandchildren.

### Eldred Walker

Eldred O. Walker, 57, of 411 E. State Street, died at his home Monday, July 28. Death was attributed to carbon monoxide poisoning.

Funeral services were held at the Hoag Funeral Home on Saturday at 2 p.m. with Rev Justin Hermes and Rev William Harker officiating. Burial was in Mount Rest Cemetery.

Mr Walker was born in McBain, Mich., on May 27, 1912 the son of William and Ida Bodary Walker. He had lived in St. Johns since 1946, and owned and operated Walker's Cafe on Clinton Avenue.

Survivors include his wife Romilda; one son Thomas of St. Johns; two daughters, Mrs Dale Haynes of Lansing and Mrs Robert Schrook of Nashville, Ind.; three grandchildren; two brothers, William of Lake Odessa and Donald of Portland; three sisters, Mrs Allen Newman of Lansing, Mrs Elsie Eckard of Mulliken and Mrs Harold Green of Portland.

### Ruby Shumaker

Ruby M. Shumaker, 87, of 5652 W. Price Road, St. Johns passed away Monday, Aug. 4, at 4 a.m. in Clinton Memorial Hospital.

Funeral services will be held today, Aug. 6, at the Houghton Chapel of Osgood Funeral Homes at Ovid. Interment will be in the Stilson Cemetery.

Mrs Shumaker was born in Ovid Township on Nov. 12, 1881 the daughter of James and Harriet Montague. She attended Price Schools, and resided all her life in Clinton County. She had lived the past 57 years at the present address.

She was married to Daniel Shumaker in Victor Township on Jan. 26, 1905. She was a member of the Price United Methodist Church and the Victor Mission Society.

Survivors include: one son, Ralph Shumaker; two daughters; and four great granddaughters.

### Pearl Skutt

PEARL M. MAPLE RAPIDS—PEARL M. Skutt, 86, of 233 S. Maple, Maple Rapids passed away after a long illness on Sunday, Aug. 3, at the Elliot Nursing Home in Shepardsville. She had been ill for a long time.

Funeral services will be held at the Abbott Chapel of Osgood Funeral Homes in Maple Rapids today, Aug. 6, at 2 p.m. Burial will be in the East Plains Cemetery with Rev Robert Boyer officiating.

Mrs Skutt was born in Clinton County on June 6, 1883, the daughter of Levi and Elnora Pett Messer. She had lived her entire life in the Clinton County area, and was married to Augusta Sillman in 1902 and to William Skutt in 1902.

She was a member of the United Brethren Church and the Ladies Aid Society. Mrs Skutt was a homemaker all her life.

Survivors include: one son, Frank Sillman of Maple Rapids; a daughter-in-law, Vivian Sillman; five grandchildren; eight grandchildren; and four great grandchildren.

**Beautiful Private RAINBOW LAKE**

**THINK!!!**

**Why Not Live Where You PLAY and PLAY Where You Live?**

It is not necessary to travel long distances up North, fighting traffic-congested and "tired kids" - when within minutes of your home, you can enjoy "four seasons of Fun".

### RAINBOW CAN OFFER YOU AND YOUR FAMILY

- 1) Excellent fishing (including trout)
- 2) Swimming (on sandy beaches)
- 3) Water skiing
- 4) Boating (all types)
- 5) 1200 beautiful wooded acres, with 500 acres of water
- 6) Adequate building restrictions to protect your investment
- 7) Churches, schools, shopping areas, Medical and Hospital facilities are easily accessible - and only 35 miles from our State Capitol.

REMEMBER - "RAINBOW IS A PRIVATE LAKE" (for property owners ONLY). DON'T WAIT UNTIL IT IS TOO LATE

STUDENT HOUSE

Ground was broken Friday for a three-bedroom frame house with a two-car attached garage to be constructed by shop class students at St. Johns High School. Looking over plans for the 26' x 44' structure are professional builders and advisors who will help the students get started. From left are Roy F. Briggs, realtor; Richard (Sonny) Cornwell, masonry contractor; Oliver D. Gillespie, excavating contractor; Earl R. Lancaster, St. Johns School superintendent; Kenneth Lashaway, vocational counselor and Arthur Swagler, assistant city manager. Operating the rig to the left is Gillespie's son, John. The house at 606 S. Lansing, St. Johns, will be on a 100' x 150' lot. Included will be a full basement, two baths, living room, dining area, kitchen and laundry room. Students are expected to begin work on the house when school resumes in September.

**TO ATTEND NORTHMEN**  
Several carloads of men from the Church of Christ will be attending the Northmen near Kalkaska Tuesday through Thursday of this week. Over 1,000

men and boys from Michigan and surrounding states are expected to attend these special meetings held annually in the northwoods.

**GUEST SPEAKER**  
Brant L. Doty of Great Lakes Bible College, Lansing, brought the message for the worship hour Sunday at the Church of Christ. Special number in song was by Judy Thornton, Rosella Howard, Carol and Marsha Buck.

Greeters were Mrs Keith Kimball and Howard.

Mr and Mrs James Burnham and family attended a family reunion in St. Louis on Aug. 3. Mr and Mrs Justin Shepard are vacationing in Colorado and expect to return home this week. Mr and Mrs Lloyd Uhrick and Carla of Fort Wayne called Aug. 2 on Mr and Mrs Max Hott, Mr

and Mrs James Burnham and Mr and Mrs Elmore Randolph.

Mr and Mrs Gordon Shipley are getting settled in their new home in South Carolina where Gordon is stationed with the U.S. Navy. Their address is Iris Apts. No. 12, 1800 Iris Street, Charleston, S.C. 29405.

Always remember, motorists, you'll never quit regretting if you run down a child.

**West Elsie**

By MRS. WAYNE MEAD, Correspondent—Phone 862-5447

**Canadian student guest in Elsie area**

WEST ELSIE(C)—Miss Diane Lumgar, 18, high school graduate from Bollesvale, Manitoba arrived in St. Johns June 20 for a week's visit with the Raymond Thornton family. Immediately following the arrival of the Canadian 4-H Exchange students a reception was held in the social rooms of the Central National Bank.

Sunday evening a barbecue with home made ice cream was held at the home of Mr and Mrs Raymond Thornton and daughters Betty and Margaret.

Diane returned to Lansing Sunday evening as a guest of Betty and Margaret. She attended classes with Margaret at Lansing Business University and enjoyed shopping in the stores, viewing the Capitol and Michigan Historical Museum.

Betty Thornton of East Lansing showed Diane the campus of Michigan State University and visited Mr and Mrs Charles H. Franke and Brian. That evening they had dinner at Dines in Lansing. Wednesday Diane returned to the Thornton farm after a tour of the farms at Michigan State University.

Mrs Manley Engebretson was hostess for the Green School Extension Club with a luncheon at 12:30 in honor of Diane, Diane

showed slides and gave a talk about the International Peace Gardens which are located between Manitoba and North Dakota. Diane, her sister, father and mother are employed at the gardens.

Wednesday evening all of the exchange students who were visiting in Area 9 (Clinton, Gratiot, Shiawassee counties) with their host families and Extension Personnel held a planned potluck at Smith Hall in St. Johns. The evening was spent playing games and dancing. Thursday morning the Thorntons took Diane to the Green Meadow Farms, local stores, churches, schools and Rainbow Lake near Maple Rapids then returned to Elsie for dinner at the Village Inn. Diane took many pictures including the trees and farm machinery.

Norma Diehl who was visiting the Mike Kusnier family in Fairfield Township and Thor Jonsson who was visiting the Howard Halteman family of Island Road and Diane and their host families were taken on a tour of the Ovid-Elsie High School by Superintendent Robert Beauchamp.

The Fairfield and Duplain 4-H Clubs joined in a two hour swimming party in their honor in the school pool. At seven o'clock the same group of about 120 4-H youth and leaders held a picnic at Friendship Park. Later in the evening Diane showed her slides of the International Peace Gardens at the Thornton home for members of the Colony Lads and Lassies and the Brush and Halter 4-H Club and Mr and Mrs Ray Peck. Diane passed out literature on the Peace Gardens. A history of the Gardens will be placed in the Elsie Library.

Friday afternoon and evening Diane and Margaret Thornton were guests of Mr Clarence Shinn who entertained the girls with a plane ride and an air view of central Michigan. They stopped for a fresh fish fry and boat ride at a lake. While here Diane was presented many gifts and

souvenirs. On Saturday the exchange students gathered at the Courthouse in St. Johns where they boarded the Gray Goose bus for the twenty-five hour ride to Winnipeg, Manitoba. They returned by way of Chicago. At Winnipeg Diane took another bus for approximately 180 miles to her home in Bollesvale. Diane invited all her new friends to visit the International Peace Gardens which are the setting for many area activities including the Annual Summer School of Fine Arts (International Music Camp), Athletic Camp, weddings. The Gardens cover 2,300 acres.

Margaret Thornton participated in the 1968 Canadian 4-H Exchange Program. She lived with the William Cooks at Kelwood, Manitoba.

Mr and Mrs Kenneth Wilson and children of Shepardsville Road have returned from a vacation in northern Michigan. They visited Mrs Wilson's parents Mr and Mrs Leo Bellinger at their cabin on Evans Lake and enjoyed camping, fishing and sightseeing at St. Ignace and East Tawas.

Mr and Mrs Leonard Williams of Lansing have returned home after a two week's vacation of camping at Hog Island, Drummond Island and Mackinac Island.

Many from the area attended the Thornton-Wagoner wedding August 2 at Bannister. Congratulations Nancy and Ken. Mr and Mrs Keith Miller and

family of Mead Road hosted a gathering Sunday in honor of his parents Mr and Mrs J. C. Miller of Bonita Spring, Fla. Guests included Mr and Mrs George Hubbard of St. Johns, Mr and Mrs John Strachota and family of Elsie, Mr and Mrs Walter Kaufman and family and Mr and Mrs Herman Kaufman and family of St. Johns.

Mr and Mrs J. C. Miller of Bonita Springs, Fla. have returned to their home after visiting with friends and relatives the past two weeks.

**LOCAL YOUTH ATTENDS 4-H CONSERVATION CAMP**

John Dunham attended the 33rd Annual State 4-H Conservation Camp at Camp Shaw in the Upper Peninsula from July 14-19. Highlights of the trip included rock hunting on the beaches of Lake Superior, learning to judge soil, and a log sawing contest. Trips were taken through an experimental forest, a boat ride to the Pictured Rocks, a tour through a paper company and a fish hatchery. They spent some time at the Seney National Wildlife Refuge where they saw many types of birds and animals.

Every mile of State highway in Michigan is inspected annually by the Department of State Highways and given a rating which indicates its physical condition and ability to carry traffic. The latest rating shows that nearly 5,900 miles -- 64 percent of the total -- are in poor condition for today's traffic.

DOREEN SORRELS

**Engaged**

Mr and Mrs Russel D. Sorrels of Ventura, Calif., announce the engagement of their daughter, Doreen to Stanley Douglas Wilson, son of Mrs William R. Wilson Sr. of Elsie and the late Mr Wilson.

Miss Sorrels is a 1967 graduate of Woodbury College, Los Angeles, Calif., from which she received a bachelor of science degree in interior design.

The prospective bridegroom is a 1961 graduate of Elsie High School and a 1968 graduate of the University of Michigan with a bachelor's degree in physics. Presently he is an electronic engineer at the Naval Ship Missile Systems Engineering Station, Port Hueneme, Calif.

The couple plan a garden wedding in Ventura on Aug. 24.

★ CARDS OF THANKS

I wish to thank Drs Stephenson and Russell, the nurses and aides of Clinton Memorial Hospital for their wonderful care. My thanks to Pastors Barz and Kooppen for their visits and prayers, to my relatives, friends and neighbors for the calls, cards, flowers and gifts. —Fred Hopp. 14-1p

The family of Ruth Goings wishes to thank Clinton Memorial Hospital nurses, Dr Russell, Rev Homer, friends and relatives for their many kind expressions of sympathy and help while our wife and mother was ill in the hospital and during our bereavement. —Allen E. Goings, husband, Mr and Mrs J.C. Kaser, Mr and Mrs B.D. Kaser, Dr and Mrs C.L. Kaser, sons. 14-1p

I wish to thank friends, relatives and neighbors for the cards, visits, gifts and prayers during my stay at Ionia Memorial Hospital. Your thoughtfulness was truly appreciated. —Dennis J. Thelen. 14-2p

We wish to thank Drs Russell, Cook and Grost, the nurses, aides and orderlies of Clinton Memorial Hospital for their wonderful care; Frs Miller, Spillane, Gutha, Pohl, Hanked and Haas for their visits and comforting words; all of our relatives, neighbors and friends for the cards, flowers, food and visits while in the hospital and since the death of our beloved husband and father. Special thanks to the Geller Funeral Home, the St. Joseph Society, the D. of I. and the ladies who served the funeral dinner. All of these wonderful acts of kindness will never be forgotten. —Mrs Anthony Thelen and family. 14-1p

My very special thanks to Drs Gross and Russell and to all the nurses and aides for their wonderful care before, during and after my surgery. Also to everyone who brought food, such pretty gifts, plants and cards. It was very much appreciated. —Mrs Joyce Woodhams. 14-1p

Supervisors approve remodeling

In a special meeting Monday night, the Clinton County Board of Supervisors approved four bids totaling nearly \$10,000 for the refurbishing of a law library and conference room in the county courthouse building.

# Proceedings of the Clinton County Board of Supervisors

MONDAY, JUNE 16, 1969

The Clinton County Board of Supervisors met Monday, June 16, 1969 at 9:00 a.m. Prayer was offered by Supervisor Gove. A pledge of allegiance was given to the flag. Roll was called and all members reported present.

Minutes of the last meeting were presented. It was moved by Shepard, supported by Gove, to approve the minutes as presented. Voted and carried.

Communications were read.

1. A notice of a special meeting for members of the Michigan State Association of Supervisors to be held in Lansing, Michigan at the Jack Tar Hotel, Tuesday, June 24 at 8:00 a.m. was read. It was moved by Hufnagel, supported by Lankford, that the Board be authorized as a committee of the whole to attend the meeting. Voted and carried.

2. A billing in the amount of \$1,164.72 for 1969-1970 membership dues in the Grand River Watershed Council was presented. It was moved by Lankford, supported by Slirrine, to pay the billing as presented. Voted and carried.

It was moved by Lankford, supported by Hufnagel, that Supervisor Shepard be allowed per diem pay for attending the National Association of Counties Conference to be held at Portland, Oregon, July 27-30. Voted and carried.

3. A resolution from Baraga County, asking to be relieved of providing office space for the Department of Social Services and seeking support for H.B. 2548, was presented. It was moved by Supervisor Shepard, supported by Hufnagel, to table. Voted and carried.

4. A resolution from Ingham County in regards to printing and distribution of the Tri-County Community Shelter Plan, was presented. It was moved by Supervisor Andrews, supported by Underhill, to concur with the resolution. Voted and carried.

### RESOLUTION FROM PUBLIC SAFETY COMMITTEE

WHEREAS, the Clinton County Board of Supervisors, along with the counties of Ingham and Eaton, the cities of Lansing and East Lansing and Michigan State University, did authorize the Tri-County Regional Planning Commission to undertake the development of a Tri-County Community Shelter Plan, and

WHEREAS, the Tri-County Regional Planning Commission has completed the Step II Report, and has it ready for printing and distribution to every household in the Tri-County area, and

WHEREAS, the Community Shelter Plan Technical Advisory Committee has reviewed the completed plan and has recommended that Ingham County act as agent for the Tri-County area for the purpose of conducting negotiations with the Office of Civil Defense, Region IV, relating to a 100 percent federally funded contract for the printing and distribution of the Tri-County Community Shelter Plan Public Information Package,

NOW, THEREFORE, BE IT RESOLVED that Ingham County act as the agent in this project, and that the chairman of the Ingham County Board of Supervisors be authorized to sign the request for quotations necessary to consummate this contract, and

BE IT FURTHER RESOLVED that upon receipt of the federal funds the Ingham County treasurer and controller are hereby authorized to issue warrants in payment for authorized work under this contract.

The Chairman declared a short recess.

Upon again coming to order Supervisor Lankford, reporting for Salary & Clerk Hire Committee, states that the committee does approve Register of Deeds Willard Kregel and Clerk Ernest Carter, attending their annual state conventions.

Supervisor Underhill, reporting for equipment committee on a request from Sheriff Patterson, for furnishings for the sheriff's department in the amount of \$1,059.79, was presented. After discussion it was moved by Underhill, supported by Shepard, to approve the request. Voted and carried.

A communication from the Clinton County Planning Commission, seeking direction from the Board on zoning referrals was presented, also copies of the by-laws of the Clinton County Planning Commission as adopted by that body. Discussion followed.

Clerk Ernest Carter presented a plan (as previously presented) to partition the rear of the present circuit courtroom to provide space for the law library and conference room. The present law library room to be used by the jury selection commission.

Circuit Judge Corkin appeared and further enlarged upon the subject.

The meeting was then recessed for lunch.

### P. M. SESSION

Upon again being called to order, discussion on the proposed partitioning of the circuit courtroom was resumed.

As the terms of office as members of the Clinton County Zoning Commission of Gerald Shepard and John Ames expired June 15, 1969, it was moved by Montgomery, supported by Hufnagel, to reappoint Shepard and Ames to the zoning commission for a term of four years. Voted and carried.

In answer to a request from the county planning commission as to what the Board of Supervisors expects from the planning commission, Supervisor Montgomery presented a resolution. Supervisor Montgomery then moved, supported by Cobb, to adopt the following resolution. Voted and carried.

### RESOLUTION

WHEREAS, the Clinton County Planning Commission has requested some guide lines as to their duties and obligations; AND WHEREAS, their functions are certain to affect to some degree the work of the zoning commission;

NOW THEREFORE, be it resolved that it is the consensus of opinion of the Clinton County Board of Supervisors, as follows: 1. The principal duty of the planning commission is to develop a comprehensive plan for the orderly future development of all lands in Clinton County.

2. That in performing this duty they would be expected to cooperate fully with all units of government within the county and regional planning commissions.

3. That they should keep the zoning commission fully informed as to the county plan and of any changes therein.

IT IS FURTHER RESOLVED, that while their cooperation with the zoning commission and zoning commission cooperation with the planning commission is essential, the planning commission is in no manner expected to function directly on zoning matters.

IT IS FURTHER RESOLVED that copies of this resolution be furnished both the planning and zoning commissions.

Duane Smith, supervisor of Bath Township, appeared and informed the Board of problems arising from mobile home permits being granted by the county appeal board when they have been denied by both the township planning commission and the township board. He is also disturbed with the Mid-Michigan Health Department. He feels that the township is not receiving proper cooperation and that violations are not being properly handled and that enforcement is not being practiced. He is asking for help with the problem. Considerable discussion followed. It was moved by Lankford, supported by Chamberlain, that the Board notify the Mid-Michigan Health Department that this Board is considering terminating its connections with that Department effective December 31, 1970. On a roll call about those voting were Supervisors Cobb, Nobis, Slirrine, Chamberlain, Underhill, Hufnagel, Montgomery, Lankford, Andrews and Shepard. Those voting nay was Supervisor Gove. 10 ayes, 1 nay. Motion declared carried.

Re: Ex-Officio members on the Clinton County Planning Commission. It was moved by Andrews, supported by Hufnagel, that the chairman of the board of supervisors, chairman of the road commission, chairman of the zoning commission and the county drain commissioner be named as ex-officio members of the county planning commission. Voted and carried. It was moved by Shepard, supported by Andrews, that the by-laws of the Clinton County Planning Commission be adopted as presented. Voted and carried.

### BY-LAWS OF THE CLINTON COUNTY PLANNING COMMISSION OF THE STATE OF MICHIGAN

#### ARTICLE I - ESTABLISHMENT

SECTION 1: This commission was established by ordinance adopted by the Board of Supervisors of Clinton County on April 15, 1969, under authority of Act 282 of Michigan, Public Acts of 1945, as amended. This ordinance shall take effect sixty days

after the adoption date. SECTION 2: The official title of this commission shall be the Clinton County Planning Commission.

#### ARTICLE II - MEMBERS AND COMPENSATION

SECTION 1: The commission shall be composed of seven members who shall individually be representative of important segments of the economic, governmental, social life and development of the county, in accordance with the major interests as they exist in the county, such as agriculture, recreation, education, government, transportation, industry, and commerce. The county board of supervisors shall establish the basis for representative membership on the commission. A majority of commission members shall hold no other office or position in the county government. The method of appointment and the term of office of members of the commission shall be determined by resolution of a majority of the full membership of the county board of supervisors. The term of each appointed member shall be for 3 years, except that upon first appointment of the membership by the board, the terms of office may be varied to permit the establishment of overlapping terms of office and the terms of ex-officio members shall correspond to their respective official tenures or as may be determined by the county board. The County Board of Supervisors shall provide for the filling of any vacancy in the membership of the commission for the unexpired terms and may remove any member for non-performance of duty or misconduct upon public hearing.

SECTION 2: Members of the county planning commission shall receive the same compensation and mileage, but not exceed that provided for members of the board of supervisors except that ex-officio members shall serve without compensation. All members may be reimbursed for actual expenses incurred as members of the commission in carrying out the work of the commission.

#### ARTICLE III - OFFICERS

SECTION 1: The officers of this commission shall be: a Chairman who shall preside at all meetings and shall have special duties as prescribed by the bylaws, and shall have the further authority to preside at any recessed meeting, or call and preside at any special meeting.

A Vice-Chairman, who shall function in the same capacity as the chairman in the case of the chairman's absence or inability to act.

A Secretary-Treasurer whose duties shall be to function in the same capacity as chairman in case of the chairman's and vice-chairman's absence or inability to act, and such other duties as are usual to the office. He, and such other officers and staff members as are responsible for the handling of funds, shall be bonded in an amount to be determined by the Commission.

SECTION 2: The officers of the county planning commission shall be elected each year for a one-year term by the commission from the voting members, at their annual meeting in January of each year, except the first year, or at a recessed meeting of their first regular meeting in January, or at such time as vacancies may occur.

#### ARTICLE IV - PERSONNEL

SECTION 1: The commission may employ a DIRECTOR and such employees as it deems necessary for its work, and may hire such consultants for part-time or full-time service as may be necessary for the prosecution of its responsibilities.

SECTION 2: The commission shall prepare and adopt appropriate personnel regulations which shall apply to the conduct of any personnel hired.

SECTION 3: The Chairmen of the commission, who shall keep a written record of all business transacted by the commission, serve notification to all members of all meetings, keep on file all official records of the commission, certify all maps, records and reports of the commission, and more specifically, serve notice of all hearings and public hearings, and shall submit the annual report of the Commission's activities to the Board of County Supervisors.

#### ARTICLE V - MEETINGS

SECTION 1: The regular meetings of the commission shall be the second Wednesday of each month. Special meetings may be held as required, subject to the call of the chairman, or vice-chairman, or secretary-treasurer acting in the chairman's absence.

SECTION 2: The commission shall be notified of the place and date of each regular meeting by the chairman by a written notice, mailed to the address of the member, not less than five days prior to the date set for the meeting.

SECTION 3: All regular meetings shall be public meetings. SECTION 4: A quorum and majority shall be defined as four regular appointed commission members. Ex-officio members may be appointed to the commission to serve without vote.

SECTION 5: Special meetings may be held as a public or closed meeting; the date and place of meeting of a special closed meeting must be determined by an affirmative vote of the majority at the regular meeting immediately preceding. At any closed meeting, the commission may designate or invite any member of its technical staff or county official or other persons to be present if it so desires.

SECTION 6: The annual meeting shall be the January meeting.

#### ARTICLE VI - BUDGET AND APPROPRIATIONS

SECTION 1: The chairman shall prepare and submit to the commission at its February meeting the proposed budget for the next fiscal year. The commission may amend any budgetary recommendation of the chairman.

The commission shall adopt a proposed budget at its March meeting and submit the same to the Board of County Supervisors with its request for allocations of funds, on or before April 1.

SECTION 2: The board of supervisors shall be requested to approve or agree upon a budget for the Commission; when so agreed the board of supervisors will be requested to allocate funds therefore as follows: twenty-five per cent (25%) to be apportioned equally every quarter, commencing January 1st.

SECTION 3: The fiscal year of the commission shall be the calendar year.

#### ARTICLE VII - ADOPTION OF PLANS

SECTION 1: For the adoption of master plans, or any substantial amendment thereof, or precise plans as designated in the County Planning Commission Act, Act 282 of Michigan Public Acts of 1945 as amended, an affirmative vote of a majority of the membership of the commission shall be required, after a duly advertised public hearing. The resolution for adoption shall be made in writing and refer expressly to the maps, and descriptive and other matter intended by the commission to form the whole, or part, of the plan or amendment and the action shall be recorded on the map and plan and descriptive matter by the identifying signature of the chairman of the commission. Attested copies of master plans shall be certified to the board of supervisors. Before adopting a master plan or substantial amendment thereon, the commission shall hold at least one public hearing thereon, notice of the time and place of which shall be given by one publication in a newspaper of general circulation in the County, not more than thirty (30) days or less than ten (10) days before such hearing.

#### ARTICLE VIII - COMMITTEES & COUNCILS

SECTION 1: Internal Committees shall be appointed by the chairman as deemed necessary by the Commission.

The chairman of such committees shall be commission members, other members of the committees need not be Commission members.

SECTION 2: The commission may appoint advisory committees or councils whose members may consist of individuals whose experience, training or interest in the program may qualify them to lend valuable assistance to the County Planning Commission by acting in an advisory capacity in consulting with the commission on technical and special phases of the program. Members of such advisory bodies shall receive no compensation for their services but may be reimbursed for actual expenses incurred in the performance of their duties. The chairman of such committees may be commission members.

#### ARTICLE IX - AMENDMENTS

SECTION 1: The bylaws may be amended by a majority vote of the membership of the commission at a regular meeting. Any proposed amendment to the bylaws shall be submitted to the membership at least five (5) days prior to such meeting.

#### ARTICLE X - STATUTE

Section 1: Act 282 of Michigan Public Acts of 1945 as amended, is incorporated in and is hereby a part of these bylaws.

Supervisor Hufnagel, reporting for the zoning committee, states that Zoning Administrator Coffey wishes to hire George Cox as assistant zoning administrator at a starting wage of \$7,200.00, to begin work Wednesday, June 18, 1969. The zoning committee approves the hiring of Mr Cox.

It was moved by Montgomery, supported by Hufnagel, to approve supervisors' expense accounts as presented. Voted and carried. Supervisor Underhill, reporting for the equipment committee, have approved the following:

#### PROPERTY MANAGEMENT COMMITTEE FROM THE BOARD OF SUPERVISORS JUNE 3, 1969

Lights for the tower in the courthouse were approved at a cost of \$261.00.

Signs for offices were approved. An agreement was entered into with I.B.M. to purchase ribbons for typewriters at a ten (10) dozen discount. This agreement was approved.

File cabinets for the equalization department and the register of deeds office were approved.

#### Property Management Committee

Re: to air conditioning for the welfare building. It was moved by Montgomery, supported by Gove, that the building and grounds committee get more information and prices on the matter. Voted and carried.

It was moved by Lankford, supported by Andrews, that the building and grounds committee secure specifications and advertise for bids on partitioning the circuit courtroom. Voted and carried.

Supervisor Gove reports that the State has extended the time for qualifying as an ambulance driver to December 1, 1969 which will help some.

# New proposal offered in school sewer plan

School and city officials in St. Johns indicate they have reached an understanding which may unblock a financial impasse concerning a sewer project for the new high school.

School Supt. Earl Lancaster said Monday he had met with City Clerk Thomas Hundley and

ironed out final details of a plan which calls for the schools to assist the city in funding the sewer project for the new high school scheduled to open next month.

TO PROVIDE IMMEDIATE funds for the estimated \$45,000

project, school officials have agreed to lease the athletic facilities from the city at a cost of \$1,250 a year or \$31,150 over the next 20 years.

At a meeting of the school board last Wednesday, board members agreed to make a prepayment of \$25,000 on the lease

to aid the financially pressed city which is on an austerity budget.

Earlier the board had asked Lancaster to meet with City Manager Harvey Weatherwax to work out details of the proposal. Weatherwax, however, was out

of town to attend the funeral of his mother.

SPECIFICALLY, THE plans calls for the schools to lease athletic facilities with an option at the end of the 20-year period to renew the lease for 10 years at the cost of \$1 a year.

Lancaster said Hundley agreed to allow the schools to use the practice area in the park as in the past and that the school would make no initial payment until construction of the sewer project begins.

If the plans are approved, the initial outlay for the schools would amount to about \$20,000 above what had been figured in the project.

The schools have been leasing the city park at \$2,400 a year and had agreed to pay \$2,500 for construction of a lift station needed for the sewer project.

This leaves a total of \$20,100 yet to be paid when deducted from the prepayment of \$25,000 should the plan be approved.

The lift station would be needed to assure the flow of sewage over low spots in the terrain.

The project involves the rebuilding of several blocks of

sewer lines along Railroad Street to handle an expected large increase of sewage when the new high school is in operation.

If agreement is reached on the plan, it is hoped the project would be completed in time for the opening of school next month.

STUDENTS IN grades 10 through 12 will attend the new high school while the old high school will accommodate grades seven through nine.

With the construction of the new high school on Sickles Street and the anticipated heavy burden on the sewage system, some city officials have indicated they thought the school should share in the cost of the new project.

City officials earlier had rejected a plan by which the schools would prepay \$25,000 toward future water and sewage systems.

Board members have felt the need for the use of city athletic facilities even though a citizens group has offered to construct athletic facilities on school property. Should a citizens group build new facilities, it is expected they would not be ready for use for several years.

## Recall possible in Bath Township

Continued from Page 1A

of the total five mills the township could assess only half a mill has been assessed for the township operation, and there's been no special assessment. The one mill comes from the County's total operating millage. The 1 1/2 mills is all we have to work with.

"I feel there's no way you can put in an operating millage and say it will help just one individual or area."

Since taking office the police department was reorganized by the township board under my recommendations. We had received several, and severe complaints regarding operation of the former police chief and his procedures and methods of operation. Also his lack of cooperation on instructions from the township board. The records kept were completely inadequate.

"I've requested and now receive complete State Police help on records and an offer of aid from the unit. We now have two night men and efforts are being made to get a police chief. I've held 14 interviews and we are at a point now where additional funds must be appropriated to establish a salary range which is enough to obtain a qualified person. I'm aware of the fact that \$6,500 is a ridiculously low salary for a police chief for the number of hours and risks involved. Competent and qualified men can get better positions elsewhere.

"I've already advised the township board I will need a starting salary in the neighborhood of \$8,000 in order to obtain at least a semi-professional officer. The taxpayers should be made aware of the fact that to obtain capable help in all levels of the township operation, including elected officials, that more, and better salaries will have to be offered to make these positions more attractive to individuals."

"IN THE FALL of 1968 there was considerable discussion by the township board, on internal conflicts in the volunteer fire department. There have been a number of resignations."

"One person was appointed fire chief, (Wayne Loomis), when his father-in-law, (Abbott Nelson), resigned last year. The chief had indicated dissatisfaction with the township board and his salary. The board then interviewed and appointed a new chief. The board later rescinded this action, against my recommendations, and re-named the former fire chief. I felt Jim Bell should have been retained because of his previous appointment. He, (Loomis), was then named official fire chief by the board and retained his previous salary."

"I THEN APPOINTED a five man police and fire board, as provided by township law which I felt gave a better spread over the area." (They formerly utilized a two man board.)

"These men have had three meetings since their appointment April 18. They have drawn-up certain rules and regulations already approved by the board and will submit more."

"I feel this indicates the fire-police township board is far from deteriorating, but is actively recommending necessary procedures which will benefit the citizens and taxpayers of the township."

When questioned about rumors being circulated that he had added the police chief's salary to his own Smith replied:

"No, the salary records are open to the inspection of any citizen who cares to see them at the township clerk's office. Not only would it be a situation impossible for me to effect, it would also be illegal. My salary is \$8,500 per year and it still is. There are no fringe benefits, I pay all my own expenses with the ex-

ception of business outside the township when I get 10 cents a mile, transportation costs.

"I've been riding patrol with the township officers at no extra pay. I average 60 to 67 hours per week, with all my duties."

**Bannister**  
Mrs Robert Valentine  
Phone 862-4342

The Bannister United Methodist Sunday morning speaker was Jeffrey Hahn. Special music was provided by Gloria Swanson and Marcie Moore accompanied on the organ by Mrs Kenneth Swanson. Carrie Miller and Brian Valentine served as acolytes.

Following Church school hour, members and friends met at the Dale Randolph home for a pot-luck dinner. Sixty-seven persons enjoyed dinner and swimming in the Randolph's pool. Several others enjoyed an airplane ride in the Randolph's plane piloted by Wayne Walters.

The Bannister United Methodist Youth will sponsor their annual ice cream social on Aug. 22. Serving will begin at 5 p.m. and continue until 8:30. It will feature homemade ice cream, sloppy joes, cake, etc. Plan now to attend.

Jim Valentine spent the weekend with his grandparents Mr and Mrs Ernest Valentine at their cottage at Dodge Lake.

Gratiot County 4-H Fair is underway this week. Members put their exhibits in place on Tuesday.

Mrs Richard Conrad and daughters of Vernon, Mr and Mrs Arthur Kreuger and Mrs Alton Oberlitter and daughters attended the Hull reunion Sunday at the residence of Mrs Lella Wilson of Elsie.

Mr and Mrs Eugene Hill of St. Johns were Aug. 3 dinner guests of Mr and Mrs Eugene Ferrall.

Mr and Mrs Clinton Nelson of Ashley were July 29 visitors of Mr and Mrs Frank Leydorf. Thursday guests were Mr and Mrs Ralph Long and grandsons of Ashley.

Timmy and Tammi Phillips of Montrose, Brian, Jamie, Tracy, and Dana Laidler of Lapeer, Mike, Susan, and Michelle Phillips and Daryl Shanahan of Warren spent the week with Mr and Mrs Ray Peck, Marcella and Matthew. They celebrated Mike Phillips' 6th birthday.

## Supervisors approve remodeling

(Continued from Page 9A)

quires that all such projects be under way by Nov. 1.

Dale Chapman, chairman of the County Department of Public Works, said Petri & Associates of Benton Harbor is making a preliminary survey of Westphalia and is in the process of updating engineering plans while obtaining cost estimates.

Chapman said that Westphalia is not in a position to finance the project but now the county can sell general obligation bonds to finance it and the village will then contract with the county for repayment.

The supervisors Monday night also approved the transfer of \$25,000 from the contingency fund to the board for debts created this year by newly formed commissions such as the department of public works and the planning commission. These new departments will be included in next year's budget.

**Pewamo**  
By Mrs Irene Fox

This past weekend, St. Joseph's Parish was again represented at the closed retreat for women at the Porticula of the Pines at DeWitt by six retreatants, Mrs Irene Smith, Mrs Mildred Smith and Mrs Anna Huhn, who experienced their first retreat, and former members, Miss Mathilda Cook, Mrs Theresa Simon, and Bernita Fedewa.

Father Maximus Mandel, now the new retreat master, presented meditation on various incidents of the 'life of our Lord' as reported in the Bible. These thoughts were very relevant to the retreatants as members of our Church today, and at the public discussion following the conferences.

The chapel at the retreat house has been changed to blend with the new liturgical regulations.

A family reunion of the late Peter Cook family was held at the Fitzgerald Park in Grand Ledge Aug. 3. Mrs Anna Cook accompanied Mrs Connie Cook and son Greg and daughter Diane of Ionia.

ST. JOHNS LITTLE LEAGUE CHAMPIONS

The Cubs, with an 8-1 won-lost season record, are the champions of the St. Johns Little League. From left in back are Pat Goff, Al Sehlke, Jeff Thorton, Mark Wood, Earl Flegler, Paul Wood, and Charles Sillman. In front from left are Terry Sehlke, John Richmond, Steve VanNote, Bob Dimer, John Chmiko and Jeff Kramer. Absent are Tim Mitchell, Jeff Hettler and Randy Sillman.

**Tournament play underway**

# Cubs capture St. Johns Little League championship

The St. Johns Little League post-season baseball tournament opened with an upset Monday night as the sixth-place Twins nipped the champion Cubs, 6-5.

In other action Monday night in the single-game elimination tournament, the fifth-place Cougars upended the last-place Yanks, 8-0.

The action is taking place at the Little League baseball field at the corner of US-27 and Townsend. All tournament games begin at 6 p.m.

Tuesday night's schedule had the Giants and the Indians, both deadlocked in an eighth-placette, battling each other while the second-place Sox opposed the third-place Spartans.

Scheduled for Wednesday night

are games between the Orioles and the Twins and the Tigers and the Cougars.

The survivors will playoff Friday and Monday with the championship game set for Tuesday.

Winners of the tournament, the city's first post-season Little League tournament, will be awarded a travel trophy with an inscription noting the winning team.

The trophy will be displayed in the window of the Boys Club at the corner of Clinton Ave. and Railroad Street.

Meanwhile last week, the Idle Cubs were handed the regular season league championship with an 8-1 won-lost record as the second-place Sox dropped their last game of the season to the Orioles, 6-2, for an over-all record of 7-2.

The last-place Yanks finished the season in style bombing the Indians 15-5, for their single victory of the year.

## St. Johns golfer home from tourney

Even though not a conquering hero, Lee Lynam returned home Friday.

Lynam was one of 10 Michigan youths who earned a trip to Spokane, Wash. to participate in the 22nd Annual United States Golf Association Junior Amateur Tournament.

There were 150 Junior golfers who met at the Spokane Country Club on Monday, July 28, for practice rounds on the course. On Tuesday, qualifying rounds began. Of the 150 golfers, only the best 64 vied for the title.

At the end of the second 18 holes on Wednesday, the low 64 were determined. Thursday, match play began with the final winner being determined on Saturday.

According to Lee's family, his first round ended with a 93. And Lady Luck turned away on the second day when Lee carded a 95.

Members of the Clinton County Country Club had a fund raising drive to help finance Lee's trip. Club manager, Mel Dickens says that more than \$120 was received in donations and Lee received some donations at home.

Lee was unavailable for comment at press time. His family said he was disappointed that he could not have done better, but was grateful for the opportunity to be able to compete.

Dickens, who has played several times in the same tournament, said that it was a great opportunity for any young golfer to be able to enter the tournament.

A little camera shy is coach Jeff Smith, (circled) head coach of the St. Johns High School varsity football team. He and assistant coach Phil Desper, took 45 members of the team to Chicago to view the All Stars Game at Soldiers Field.

**Middleton, North Star setting pace in Gratiot Clinton Pony League play**

Middleton split a pair of contests in Gratiot-Clinton Pony League play the week of July 14 to hold on to their slim lead with a 10-4 season record. North Star, second spot holder, was idle and continued with their 9-4 record.

Action throughout the circuit showed Pompeii dropping Eureka 8-5 on the strength of Kip Williams' ten strike out splurge while allowing only four hits. Eureka later in the week dropped another contest, this time to Elsie, 10-8.

In other action, Ashley found a magic charm about the number 13 as they twice scored that number of runs to cop a pair of victories from Pompeii and Middleton. Rick Shaw pitched the first win, a 13-1 smashing of Pompeii and he allowed the losers only two hits.

Ashley's second victory was another eleven hit attack, dropping Middleton 13-9. Middleton salvaged some satisfaction from the week's schedule by topping Perrinton, 6-2 with Tim Studor the winning hurler.

Other action saw Elsie down Perrinton, 4-2 and Bannister edge past Eureka, 4-3. Elsie's entry into league competition came in the second half of play and their record of 2-12 reflects seven games which were forfeited.

Standings as of July 25:

WON LOST  
Middleton 10 4  
North Star 9 4  
Ashley 8 6  
Pompeii 7 7  
Eureka 6 8  
Perrinton 5 8

**3-car crash in St. Johns**

Three cars collided in St. Johns Friday afternoon at the intersection of US 27 and Scott Road during the height of the north-bound weekend traffic exodus. No injuries were reported. Police said an auto driven by Frank Doerr, 71, of Remus, was struck by two other cars travelling on US 27. After turning off Scott Road onto the highway, police said Doerr's car was struck in succession by two autos driven by Charles Bergman, 26, of

Charlevoix and Wendall Debruin, 31, of Lansing. Doerr was charged with making an improper turn.

Reputations men try to buy are usually delivered too late.

**Redwing varsity gridders attend All-Star game**

A busload of St. Johns High School varsity football players combined sports and education for two days in Chicago last weekend.

Accompanied by Head Coach Jeff Smith and Phil Desper, assistant coach, the 42 athletes attended the College All-Star game Friday night at Soldiers Field.

The group left St. Johns Friday morning and arrived in Chicago at 3 p.m. After checking into the YMCA, the coaches

and football players toured the city's aquarium for more than an hour before dinner.

"The kids paid for everything," said Smith. "I just collected the money and paid the bills."

After the football game Smith said "about half of the players walked to the Prudential Building and the Top of the Rock for a view of the city at night—about a three-mile trek."

"I thought I'd start getting them in condition," joked Smith. "But the kids got a real bang out of the view."

The overnight stay at the YMCA "was quite an experience, too," said Smith. "We had quite a time keeping the son-of-a-guns settled."

Saturday morning the group visited the Museum of Science and Industry for 2 1/2 hours.

"The kids really liked this," said Smith. "Some of them didn't get back to the bus until noon" even though they were to leave half an hour earlier.

The group was back in St. Johns shortly after 7 p.m. Saturday.

**First annual sports clinic at Northwood**

Some of the "winningest" football and basketball coaches will "coach" the more than 100 coaches expected to attend the First Annual High School Football-Basketball Clinic August 11-14 at Northwood Institute in Midland.

Football instructors will include Tom Truscott, Pottersville High; Jack Rowan, Hawken School, Cleveland, formerly from Potoskey High; Bob Stoppert, Midland High; Walt Bazylewicz, St. Mary's of Redford High; and Jerry Sieracki, Grand Rapids Catholic Central High.

Instructors in basketball include Chuck Turner of Battle Creek Central High; Norm Johnson, Bangor High; and Lee Fox, Northwood Institute, formerly from Greenville and Holton Highs.

Other attractions at the clinic will include the practice sessions of the Tri-City Apollos, Continental League professional football team, now working out on the Northwood campus.

The four-day clinic will bring together coaches to learn from

**Schedule free golf clinic for youngsters**

4-H members and other youngsters who would like free professional golf instruction are invited to attend a golf clinic exhibition, August 20, at Michigan State University, according to John Aylsworth extension 4-H youth agent.

Dr Richard Gordin, golf coach at Ohio Wesleyan University, and Lorraine Abbott, both National Golf Foundation consultants, will provide free instruction for non-players as well as beginning golfers.

Michigan State University golf coach Bruce Fossum also will assist with the golf clinic and demonstration for the junior golfers.

Michigan 4-H Youth Programs is beginning a golf program, notes Aylsworth.

The golf clinic exhibition is one of the many scheduled events during the 1969 4-H Youth State Show.

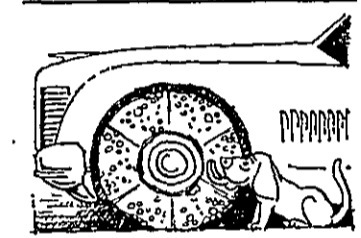

Young people between the ages of 9 and 19 who would like to attend the clinic should contact Cooperative Extension Service

each other, discuss mutual coaching problems and get acquainted; one of the few times they meet when not opposing each other on the gridiron or hard-court.

Winners of the Clinton County 4-H Gun Safety contest which was held Saturday, Aug. 2, are Judy Schwark, Ovid, intermediate girls winner; Stuart Hazle, St. Johns junior division winner; John Dunham, Elsie, intermediate boys winner; David Schwark, Ovid, senior division winner. The competition was held at the Harden Gravel Pit near Ovid. Judy, John and David will represent the county at the State Contest at Michigan State University on Aug. 21 and 22.

**Bagpipe band at 4-H Fair**

National performing 4-H Cloverettes of Essexville will be performing at the Clinton County 4-H Fair Monday, Aug. 11, at 8 p.m.

The Cloverettes have 15 members who perform various Scottish numbers with bagpipes and drums, accompanied by dancing.

The group has been organized for 14 years and includes nine pipers, seven drummers, five color guard in its entirety. Nearly all the bandmen are dancers. The group strives to maintain traditional Scottish pipes and drums as well as highland and country dances in the strictest sense.

Mr s Virgel Sharp is the director and has accompanied the group on national tours. The Cloverettes have performed in various parts of this state and were entertainers at Expo '67. They have also played on the steps of the Capitol in Washington, D.C. Tenatively, the Cloverettes plan to attend the National Folk Festival in Knoxville, Tenn. this fall.

From marijuana to glue . . .

# Narcotic traffic in county light but definitely present

By SHIRLEY KARBBER  
Staff Writer

A rash of incidents in recent weeks involving the use of narcotics within the limits of Clinton County has resulted in a number of arrests as well as speculation among residents as to the extent of drug traffic within the county.

Authorities dealing directly with the problem believe narcotic traffic here is not highly organized but readily admit drugs can be purchased in the area. And several arrests in the past four months have substantiated the availability of narcotics in Clinton County.

Within that span of time at least six persons have been apprehended for possession of various types of drugs and another trio of persons have found themselves in trouble with the law for glue sniffing.

OF THOSE ARRESTED for possession of narcotics, three were males in the mid-twenty age bracket, apprehended by Officer Richard May on charges for possessing marijuana and a fourth male, a Grand Rapids resident in the mid-forties, was charged with possession of cocaine by East Lansing State Police.

At present a twenty-four year old male and a twenty year old female are free on \$5,000 bond after being arrested and charged with possession of marijuana for a second offense. The male is listed as a resident of Lansing, the female a student at Michigan State University with home address in Ionia.

Judge Roland Duguay offered these views on local drug use: "Even though we don't have highly organized dispensing of narcotic drugs in Clinton County it's still a matter to view with great apprehension. These groups can move in overnight. It's a matter parents have to always be alert for."

"THEY SHOULD BE watching the activities of their children. Dope parties are often the result of one young person supposedly staying with a friend. What the parent doesn't realize is often the other child is supposed to be staying with them. Consequently both children have a complete night of freedom."

"Parents are usually highly defensive of their children until the youngster boldly states his position on drugs and starts committing rash acts which are the result of the narcotic. Parents then go to the authorities begging that something be done to straighten out their youngster. Unfortunately it's too late."

"MANY CASES ARE known where our young people have left the community for a metropolitan area, either for a better job or college. Once there they may become acquainted with narcotic drugs and have a complete change of personality which becomes unbearable for the parent."

"Young girls can easily leave the area as young, naive, unblemished girls and after their acquaintance with narcotic drugs end up with child and often prostitution."

"It would be real disturbing to the general community if they realized how much this occurs."

"It's a long process. The girl usually becomes acquainted with drugs given to her, free of charge, either for thrills, excitement, or just the experience. The groups activities often results in lewd relationships which easily can develop into pregnancy and even if this is avoided the cost of the habit easily leads to the occupation of prostitution for adequate money to purchase the drugs."

"YOUNG MEN USUALLY go a different route. Their activities can range from legitimate employment to all forms of theft to earn enough to purchase the drugs. They sometimes become peddlers for this purpose."

"The sanctioning of drug use has actually developed into a cult, or way of life, to many young people. In this regard is its greatest harm. In effect, it becomes a substitute for religion with the group. It's understandable why it would be so when we have people in high places actually fostering the type of society that drugs generate. This includes not only university professors and a few high school teachers, but some of our political people."

A first narcotic conviction can run as high as ten years or a \$5,000 fine. If a person is convicted two or more times, on the third conviction the minimum sentence is 20 years, and the judge has no choice on the matter.

(Judge Duguay is against the legalizing of any narcotic drug in any form).

Prosecuting Attorney Patrick Kelly offered these comments:

"I FEEL THERE'S no organized effort here, but for the size of the County we have enough of it. It's sporadic, it comes and goes in streaks."

"Since January one, we have handled ten cases, but it accounts for a small percentage of the total criminal activity."

"It's spread out over the entire county giving support to the theory that it's not organized. Most of the cases involved people under 25 for possession."

"Proper education is the best source of prevention and there's a program available at this office for high school and civic groups on drug prevention. Now is the time to educate not after the problem is great."

"Marijuana is the crawling stage to hard narcotic addiction. People can become habituated to marijuana. We're lucky we have a small town with no large scale problem. Families of the affluent are more apt to become involved."

"We should do something to help the youth spend his time in a useful manner, and give more guidance. Parents should know where their children are, what they are doing and who their friends are. Association with the wrong people can be harmful."

"We need more teen-age sponsored activities for youth in the community sponsored by

civic groups or if necessary by the city.

The drugs used legally and illegally in the local area are described below by name, slang name, description, effects, physical dependence, psychological dependence and relative danger:

**MARIJUANA** — pot grass, tea, weed, mary jane — flowers of female hemp plant rolled into cigaret called a joint or reefer — no physical dependence — possible psychological dependence — least dangerous of the common drugs except when user is driving. Distortion perception, and poor judgment.

**AMPHETAMINE** — pep pills, bennies, dexes, speed — man made stimulant for treatment of depression, weight control (diet pills) — feeling of alertness and power, confusion, high blood pressure, aggressiveness — no physical dependence — psychological dependence, yes — fairly dangerous, can cause psychosis.

**BARBITURATES** — goof balls, barbs, yellow jackets, red birds, purple hearts, blue heaven (depends on color of pill) — man made depressant for treatment of epilepsy, high blood pressure, insomnia and for sedation — drowsiness, staggering, slurred speech convulsions — yes, for both the physical and psychological dependence — by far the most dan-

gerous of the commonly abused drugs. Withdrawal should be supervised by a doctor.

**TRANQUILIZERS** — downers (coming down from a bad trip) — man-made depressant for relief of severe anxiety, some mental ills, alcoholics — relaxation, some vomiting and tremors with overdose — yes, for both the physical and psychological dependence —

not too dangerous in low doses except when taken with alcohol. Potential for addiction.

**LIQUOR** — booze, juice, hooch — man-made depressant derived from fermented grain, potatoes, grapes — loosening of inhibitions, slurred speech, staggering, drowsiness — ordinarily no physical dependence, but yes to the psychological — Extremely dan-

gerous in large quantities — cirrhosis of liver. Severe depression when taken with tranquilizers.

**TOBACCO** — weed, fag, coffin nail — dried leaves of tobacco plant rolled into cigaret or stuffed into pipe — relief of mild anxiety and tension for those already addicted. Nausea in first users — no physical dependence,

but yes to the psychological — relatively dangerous. Chronic use may cause cancer, and emphysema.

**GLUE SNIFFING** — i.e. breathing vapors from aerosol spray cans — confusion, sometimes giving the appearance of being under the influence, often violent behavior — dangerous, can be fatal.

**Clinton County News**  
SECTION B  
August 6, 1969

Dr. James R. Hownstine with the State Public Health, crime detection laboratory, in Lansing checks some "loose" marijuana under a microscope. A marijuana cigarette is pictured next to the slide.

The laboratory is now receiving almost as much LSD and heroin as they are marijuana from the Lansing area. Samples are usually in tin-foil packets or plastic bags. A marijuana cigarette usually has a slight greenish color in the tobacco and is hand rolled. The drug is also smoked in pipes.

### DeWitt youth member of Angus Assn.

Jay A. Foster, 11, DeWitt, Michigan, has been granted junior membership in the American Angus Association at St. Joseph, Missouri, announces Lloyd D. Miller, secretary.

This new junior membership entitles the member to register purebred Angus at regular membership rates and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert lifetime memberships in the Association.

There were 179 young people in the United States to receive junior memberships last month.

Reasoning not based on facts leads to faulty conclusions.

### August state activities geared to host visitors

More than seven dozen Michigan community events, including fairs, art festivals, Indian pow-wows and boat races, are being readied to add to family vacation fun during August, according to the Michigan Tourist Council's Summer Calendar of Events.

Among the August events listed in the Calendar are the U. P. Championship Rodeo, August 2-3, Iron River; the Blessing of the Watercraft, Menominee, August 3; the Water Festival, Pentwater, August 7-10; the Yankee 600 Auto Race, Michigan International Speedway, Irish Hills, August 17; the Danish Festival, Greenville, August 23, and the Pere Marquette Pageant, St. Ignace, August 29-31.

The Calendar lists are fairs and shows for Blanchard, August

2; Iron Mountain-Kingsford, August 2-8; Wyandotte, August 7-9, and at Charlevoix, August 9.

MORE THAN 60 fairs are featured in the Michigan Calendar of Events for August, including the Ionia Free Fair, Ionia, August 1-10; the Northern Michigan Fair, August 11-16, Cheboygan; the U. P. State Fair, Escanaba, August 12-17, and the big Michigan State Fair, Detroit, August 22-September 1.

A canoe race will be held on the Pere Marquette River, Scottville, August 17; Indian pow-wows are scheduled for Hastings, August 9-10, and at Cross Village, August 10.

A copy of the Michigan Calendar of Events, listing vacation travel activities for the summer may be obtained without charge by writing the Michigan Tourist Council, Stevens T. Mason Building, Lansing 48926.

### Brewbaker lad shaken in mishap

An 11-year-old St. Johns youth suffered cuts and bruises when an auto knocked him from a bicycle while crossing US-27 Saturday.

St. Johns police identified the youth as William Brewbaker, of 410 E. Cass.

Police said he was knocked from the bicycle when a south-bound auto clipped his rear wheel while attempting to avoid the boy who was crossing at Whittemore. The auto was driven by Lyn Susan LeBlond, 18 of 302 N. Whittemore, St. Johns. She was not found at fault.

The boy did not require hospitalization.

SUE SIBLEY HAS KNITTING PROJECT

Sue Sibley, of the Olive-DeWitt 4-H club displays a sweater she won a blue ribbon with last year. Her entry for this year's competition is on the table. Sue has been a 4-H Club member the past seven years.

### Antique steam engine show at Caro Aug. 8

"Those were the days, my friend!" The older generation will have an opportunity to relive in retrospect those "golden years" of the farm and woods of our country when the Saginaw Valley Live Steam Association holds its annual steam and antique engine show at the Caro fairgrounds on August 8-9-10. The younger generation, accustomed as they are to the marvels of speed, will enjoy seeing in action these beautifully preserved or restored exhibits of the days when power, rather than speed, was of the utmost importance.

The Association, a non-profit organization, is composed of men with a common hobby, the preservation and operation of antique machines, especially those that are steam operated or related. They get together once each year with their much-loved equipment to share this hobby with the general public. They also invite non-members to bring any exhibits they feel would be of general interest.

Of special interest to those whose roots are in farming will be demonstrations of grain threshing, straw baling, grain grinding, etc. Those who are interested in the history of the Lumber woods will enjoy seeing demonstrations of log sawing, shingle sawing and veneer making.

In addition to the attention-CLINTON COUNTY SHERIFF'S DEPARTMENT

July 29: Edward R. Kesson, 15296 Rosemont, Bath, assault with a deadly weapon, released on \$2,500.

July 30: Wayne D. Kingman, 802 N. Clinton, driving while on a revoked license, released on \$500 bond.

demanding monster engines there will be many exhibits of model engines, demonstrating the ingenuity and skill of their builders. For the ladies the women's auxiliary has prepared a hobby tent and areas for rest and refreshment. The children especially will enjoy the pony rides, hay rides and buggy rides.

As a special attraction this year the Association is sponsoring an eight-team pony pulling contest, at no additional charge, on the afternoon of Sunday, August 10. For a unique experience of interest to the entire family from Grandpa to Junior, it's the 14th Annual Saginaw Valley Live Steam Show at the fairgrounds, Caro, Michigan August 8-9-10, 1969.

### Wacousta

Mrs Edward Kraft-627-2039

Mr and Mrs Maurice Forward was a July 21 caller on Mr and Mrs Sam Shivers at Hastings. Mr and Mrs David Chamberlin have moved into the Brace Apartment.

Steve Courser, son of Mr and Mrs Max Courser had the misfortune of falling off a car while playing and broke his arm.

Mr and Mrs Ed Kraft and Mrs Fay Walker of Sunfield have returned from a vacation at St. Paul, Minn.

Mrs Don Winegar of Clare and Miss Betty Daniels of Lake Wales, Fla., picked up Mrs Don Lowell and they went to Detroit and called on Mrs Dora Panchick.

Mr and Mrs Carl Beagle of Bath called on family and friends on Sunday July 27, in and around Wacousta.

Clinton County 4-H members and leaders with the 1968 Grand Champion Holstein Cow of the Michigan State Fair and State Black and White Show. The cow is owned by the E. L. V. Apache Ranch of Lapeer.

### Local 4-H'ers visit Lapeer dairy farm

Clinton county 4-H dairy members and leaders visited the E. L. V. Apache Ranch Holstein Dairy Farm at Lapeer on July 29.

The members were guided

through the farm and learned about the Holstein Dairy Herd by the Manager Kent Mattson. The 4-H'ers were able to see one cow the farm had purchased for \$62,000 and the bull calf from this cow is called the Million dollar bull.

The members were given a demonstration on clipping an animal for show as well as trimming the animal's foot by Mattson. The group also participated in judging two classes of dairy cows.

In the morning the 4-H members stopped at the McDonald Dairy Plant at Flint and toured the milk handling and processing facilities.

### Addition to Maple Rapids school planned

A Baby Chick Midway Carnival will delight fairgoers with over one hundred fifty baby chicks literally "singing for their supper". The chicks climb on a miniature ferris wheel, merry-go-round, airplane, swing, train and other carnival rides to become well-fed performers. The rides are built to act as feeders for the chicks and when hungry the chicks climb on the rides and eat to their hearts' content while riding around and around.

Leslie A. Renquist of Des Moines, Iowa started this unusual attraction in 1950 and since 1962 has been traveling around the country visiting some thirty-five states and four provinces in Canada.

The exhibit will be on display near the picnic park on the fairgrounds and will be open free to the public during the eight-day run of Michigan's greatest Family Fun at Fair-The Saginaw Fair, September 6-13.

Voters in the Fulton School district will take to the polls August 25 to indicate their desires on a \$1,150,000 bond issue for the financing of a new Middle School and an addition to Maple Rapids Elementary School.

Voters will be asked to approve the issue under a new United States District Court opinion which states that both property owners and non-property owners must support the issue.

Under the new ruling, the school district must provide separate ballot boxes for both registered property and non-property owners at the election. The bond issue consists of \$1,061,105 for construction of the Middle School and \$88,835 for the addition to the Maple Rapids Elementary School.

**Swimming in supervised areas is best practice**

If you swim in a supervised area, your chances of drowning are 98 per cent less than if you're at an unsupervised pool, pond or beach, according to the National Safety Council.

This message should be particularly meaningful to rural children, many of whom have a convenient farm pond available. The National Safety Council reminds owners of rural ponds of their responsibility and points out how farmers can make these areas safe for recreation:

- \*Recognize that farm ponds are potentially hazardous, especially to small children, and should be supervised by an adult when children are at play.
- \*Mark the safe swimming areas.
- \*Place warning signs at danger points.
- \*Provide lifesaving devices, such as ring buoys, ropes or long poles.
- \*Do not permit boaters to enter a swimming area where small children are at play.
- \*Post safety instructions for swimming and boating.
- \*Don't permit swimmers to swim alone.
- \*Keep swimmers and boaters out of the pond just prior to and during storms.
- \*Enclose your pond with a fence children can't climb.

### Boy shot; condition 'very good'

Wednesday morning a DeWitt lad was struck in the head by a stray bullet. His condition originally was reported as serious, but Monday, his father said he was in "very good" condition.

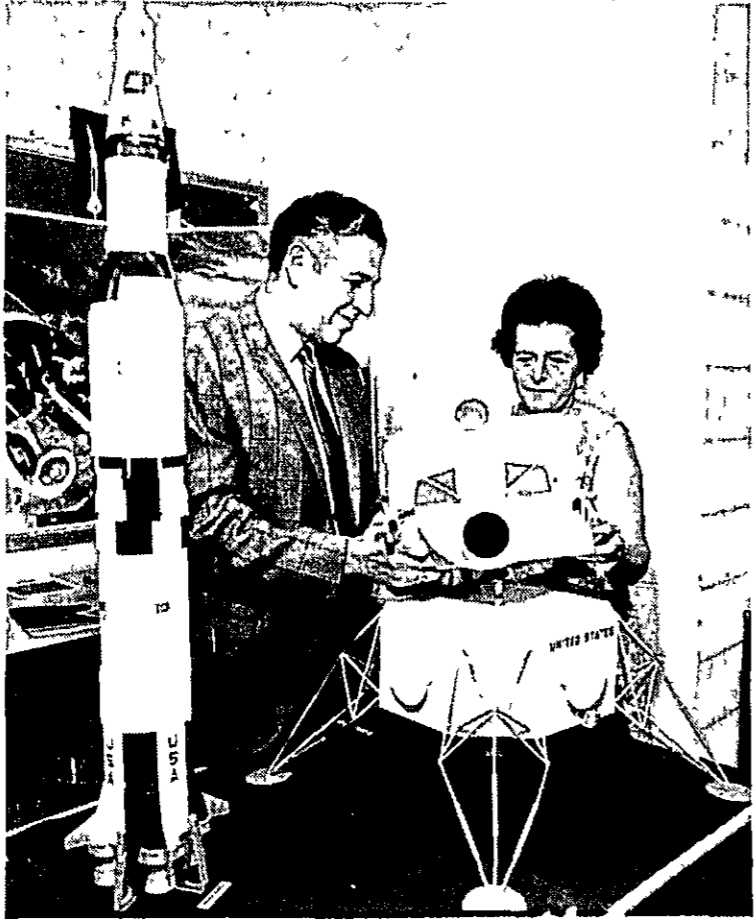

John E. Speers, 4-year-old son of Mr and Mrs George Speers of 9478 S. Francis Road, was taken to St. Lawrence Hospital after the accident Wednesday about 11:30 a.m.

The boy was playing in the yard of his babysitter, Mrs Marilyn Bentley of 11441 Francis Road. He came running into the house, bleeding from a spot on his forehead. The sitter became alarmed when she could not stop the bleeding from the wound she presumed was the result of a fall.

A surgeon at the hospital told state police that the bullet was from a .22 caliber rifle. He assumed it came from a long distance because it was not deeply imbedded.

According to the doctor's findings, police feel the bullet was fired by a hunter or target shooter from the nearby wooded area.

The Army helps to strengthen the armed forces of freedom loving nations all over the world. Combat troops deployed overseas are but a part of the Army's effort to deter aggression and maintain peace and security in the world.

MSU SPACE WORKSHOP

Clinton County resident Miss Alice M. Bottom, an elementary school principal in Lansing, joins MSU professor Calhoun Collier in examining the 36-story Saturn-Apollo moon rocket and lunar landing module during Michigan State University's Aerospace Education Workshop. Activities of the two-week workshop included: a lecture by James O. Johnson, Aerospace Education Office, Civil Air Patrol Headquarters; a tour of Wright-Patterson Air Force Base; visits to MSU's Abrams Planetarium; a demonstration of firing, tracking and recovery of solid fuel rockets; and a special program on elementary meteorology.

### Late summer lawn seeding recommended

The best time to seed a lawn in southern Michigan is between August 15 and September 10 and in northern Michigan, according to Dr. James Beard, Michigan State University turf grass researcher.

The next best time is early spring, he says but excess of soil moisture and severe competition from annual weeds can be a problem at that time.

Mid-summer plantings are frequently unsuccessful due to high temperatures, lack of moisture and competition from weedy annual grasses.

### Boy injured in collision

As result of a two-car collision Wednesday, two young brothers were sent to Clinton Memorial Hospital.

Mark Cornell, 13, was treated at the hospital and has been released. His brother, Keith, 3, was not admitted at the hospital, but taken to Sparrow Hospital in Lansing for treatment for an arm injury.

At the corner of Steel and Ottawa Streets, a car driven by the boys' mother, Mrs Carol Jean Cornell of 2204 West Townsend Road, was struck by a car driven by Donald Sherwood, 23, of Nyassa, Ore., according to St. Johns police.

Officers ticketed Sherwood for failure to yield right of way and no proof of insurance.

### Wind, rain damages

## facing difficult year

Many Michigan wheat producers are hard hit this year because their 1969 wheat crop has been seriously damaged by wind and rain according to Nick Smith, Chairman of the Michigan State Agricultural Stabilization and Conservation Committee.

The wet spring weather, Smith noted, has continued on into the harvest season, hampering harvest operations and causing sprout damage in much of the wheat. Sprout damaged wheat normally carries rather high discounts, but some areas report millers have decreased their discounts on high damaged wheat in an effort to purchase the needed supplies of white wheat for their products. Other areas are reporting higher discounts for sprout damaged wheat. Each local elevator must be contacted to determine discounts being used.

Some growers, Smith added, might want to consider the Price Support Loan Program on their 1969 crop wheat. Smith reminded producers that to be eligible they must have signed up under the Wheat Program and complied with their acreage allotment and diversion acreage requirements of the program.

DISCOUNTS UNDER THE Price Support Program for high damage wheat start at 16% damage. Discount schedules are available in the county ASCS offices.

Smith urged producers to discuss the government loan discount schedules with their local county ASCS office to compare them with elevator discounts.

This should help them, he said, to determine whether it would be advisable to obtain a loan on the high damaged wheat or dispose of it at current market prices. Growers with a feeding program may find it more advisable, Smith said, to feed their high damaged wheat instead of selling it or obtaining a Price Support loan at such high discounts.

Smith cautioned producers

about storing high moisture and high damage wheat on-the-farm unless proper aeration equipment has been installed.

In any event, Smith stated, each producer should investigate both the loan program and local market condition to decide the best time to market his wheat. Probabilities of increased market prices are unknown at this time, Smith added, since neighboring soft wheat States have had a

better harvest season than Michigan, both in volume and condition.

### Cage crowding chicks hurts egg production

Crowding during the rearing period of leghorn-type chicks raised in cages reduces later egg production, according to a Michigan State University poultry scientist.

Increasing numbers of laying birds are being reared in cages, especially in new installations, says researcher H. E. Wildey. This gives producers better control during the birds' early life.

In the MSU tests, day-old chicks were started at 10, 20, 30 and 40 birds per cage, suffered when placed two to a cage in their laying phase. Egg production on a hen-day basis was lower for the crowded birds.

"It appears that 20 birds per cage during rearing is close to the optimum cage density," Wildey concludes.

As a sidelight, Wildey used red lighting during the rearing portion of the experiment. There was no problem with cannibalism,

even in the most crowded rearing cages.

Wildey reported his results at the annual Poultry Science Association meeting, held at Colorado State University, August 4-8, 1969.

GO CLASSIFIED

"Let's talk dry cleaning"

by Dana Antes

We are often asked, "What causes a garment to change in size or shape?" In other words, what makes it shrink or stretch?

Many fabrics, by virtue of their fiber content, weave and the finishing treatment given them have a certain amount of potential shrinkage. Wool fibers, for example, are extremely sensitive to high temperatures. The weave of a fabric is responsible for the greatest shrinkage factor. Most wools today are pre-shrunk. But even so, your cleaner must take great care to determine and maintain as far as possible a garment's original size and shape.

Crepe weaves have a marked tendency to shrink or stretch. The crepe effect is formed by tightly twisted threads running in one direction. How much a crepe fabric will shrink or stretch depends on whether the fibers have been overstretched during the finishing process. If overstretched the fabric is almost certain to shrink. If too little stretching has taken place to give a heavy creped effect, the fabric will most likely stretch from ordinary wear and cleaning.

Sizing a garment is one of the many "extras" in our cleaning service. We try to return every article you send us thoroughly cleaned and "sized" to its proper measurements.

### Pledge of the 4-H CLUB

I PLEDGE MY ...

- HEAD to Clear Thinking for Better Judgment Tomorrow
- HEART to Clearer Loyalty to the United States and the American Way of Life
- HANDS to Larger Service and for the Necessary Skill to Meet the Tasks That Are in the Future
- HEALTH to Better Living and Greater Service

Here's Why We at Farmers' Mutual Are Behind 4-H Club Work and the Young Citizens of Clinton County:

### INSURE YOUR FARM AGAINST FIRE

If disaster strikes, will your farm be adequately covered by insurance? Let us write complete coverage for your farmstead or for any other needs.

It means security for your piece-of-mind ... as well as for your savings and earnings. We are here to serve you young people at all times. Come in and consult with us on your insurance problems.

- ★ Through working together they learn the spirit of cooperation and teamwork.
- ★ By demonstrating they gain valuable experience in public speaking and learn better ways to serve their community by informing others of improved methods.
- ★ The 4-H members point the way to better citizenship and happier ways of life.
- ★ The fine training provided the young people better prepares them for all phases of life.
- ★ Through 4-H projects they acquire skills and knowledge of better methods for better living.
- ★ They gain a better knowledge of today's problems and through their efforts develop pride in their accomplishments.

### North Bengal By Mrs Wm. Ernst

Mr and Mrs Herman Noller of rural Hubbardston were Tuesday, July 29 callers of Mr and Mrs William Ernst. Peggy Sturjis of Detroit came Monday, July 28 to visit her mother, Mrs Edna Watamaker for a few weeks. On Tuesday, July 29, Mr and Mrs Clark Jeffers and family of Milford visited their mother and sister.

Jim McQueen, 16, son of Mr and Mrs George McQueen, demonstrates how to remove a comb of honey from a bee hive. Jim has been in 4-H for seven years as a member of the Nimble Fingers and Double M clubs. His bee project will be entered in the entomology division. This is the fifth year Jim will be entering the bee project. He has previously received five blue ribbons and received two state shows with three state show demonstrations.

### Checks for G. I. education discussed

The Veterans Administration is anxious to have veterans' G. I. education checks arrive on time this Fall. Manager Robert M. FitzGerald of the Detroit VA Regional Office, said today. Judging from experience going back a quarter of a century, the VA says the number of delays would be reduced drastically if veterans and schools did their part of the required paperwork . . . and did it on time.

If the veteran who was in college last semester followed instructions and returned his Certification of Attendance at the end of the last term, he has nothing more to do before his checks start arriving this Fall. The college registrar, of course, must follow through and return the completed enrollment certifications to the VA.

If the veteran did not return his Certification of Attendance, he should do so immediately. If the Certification is lost, the veteran should contact the VA office that issued it to him.

Veterans enrolling for the first time—or who have changed college or program—must be certain:

1. They have obtained a proper Certificate of Eligibility from the VA.
2. They have submitted this Certificate to the college registrar.
3. The college registrar returned the completed certificate to the VA.

Normally, payment for September and October is combined in the first check mailed to veterans in November.

## Sterling Heights committee sparks Clinton river clean-up

A grass roots effort is underway in Sterling Heights to clean up what has been called a "sewer", the Clinton River.

Ten miles of one of the dirtiest rivers in the Detroit Metropolitan Area winds through the northeast section of Sterling Heights.

Earlier this year a successful clean-up of the Clinton at the mouth of the river where it empties into Lake St. Clair was effected.

However, Clean-Up Chairman Al Martin sees the Sterling clean-up as a more ambitious effort. He and his committee hope to involve as many as 5000 people in the actual clean-up and thousands of others through contributions and other forms of support.

SPEARHEADED BY THE newly organized Sterling Heights Rotary Club, the project is devoted to cleaning out the river as a primary goal while developing community unity in the process.

The City of Sterling Heights was incorporated just a year ago on July 1, 1968. Although the clean-up of the river is designed primarily as a community project, volunteers from all surrounding communities are urged to participate.

Formally set up on June 4, the Clinton River Clean-Up Committee has set as its target date August 16 and 17. Already at least 40 pieces of heavy equipment, several hundred volunteer workers and over a thousand dollars in small contributions have been pledged.

Members of the committee and sub-committees have made several trips down the river, both by canoe and on foot, to map and mark areas of clean-up and access.

COOPERATION IS BEING sought from state and county agencies who have property bordering the river. Included is the Huron-Clinton Metropolitan Authority.

A Send-A-Dollar campaign has been instituted to reach those people who would like to contribute in some way and who may not be able to physically help with the clean-up.

At the same time the cooperation of business and industry in the form of men, money and equipment is being sought. The

Committee is attempting to appeal to all interests believing that everyone, from corporation president on down, has a reason for wanting the Clinton to be a clean river again.

IN JUNE THE committee incorporated as a non-profit organization. Named officers of the Board of Directors were: Al Martin, president; Michael D. Schwartz, vice-president; James Bohmer, treasurer; Earnest Belcher, secretary and directors Richard Mancini, Ugo Padovini and Donald Smith.

Incorporated for a three-year period, the committee plans to carry its efforts far beyond the clean-up stage. Any funds left over will be used for these following stated purposes:

1. To make the river a cleaner river by removing debris and encouraging strict pollution control.
2. To be instrumental in making the river an adequate water channel to drain the area.

3. To encourage development of badly needed recreational facilities; (a) land use includes picnic areas, hiking, biking trails and parks, (b) water use includes canoeing, boating, fishing and wildlife.
4. To encourage and assist in similar river clean-up projects up and down stream from Sterling Heights—observers from throughout the nation are invited to attend the clean-up and take back ideas and information to their organizations.

5. To encourage appropriate legislation and pollution controls in the recreational and natural resource areas.
6. To encourage the naming and funding of a governmental agency to control, develop and maintain the Clinton River.

The clean-up committee has a permanently established headquarters at the Sterling Shopping Center, Seventeen Mile Road and Van Dyke. Inquiries by phone or mail are welcome. The address

is: The Sterling Heights Clinton River Clean-Up Committee, c/o Al Martin, Chairman, 12159 Fairview Drive, Sterling Heights, Michigan 48077. Telephone numbers are 313-264-9051 or 313-268-1070.

Among those groups who have already pledged their support are the United Auto Workers, Macomb County Board of Supervisors, Teamsters' Union, State Department of Natural Resources, Huron-Clinton Metropolitan Authority, the Detroit Sportsmen's Congress, the Lower Michigan Paddling Council.

SUSAN KIMBALL AND YAZANA

Susan Kimball of the Lucky Riders 4-H club will compete in the English style at this year's fair. Her mount will be "Yazana" an Arabian horse. Susan has been a 4-H member five years.

**1040 U.S. Individual Income Tax Return**  
 for the year 1968  
 U.S. Treasury Department—Internal Revenue Service  
**Taxpayers Ask IRS**

Q—I occasionally entertain customers by taking them on a fishing trip. Can I deduct anything for the cost of operating my boat?

A—Unless you use the boat more than half the time for business purposes, only gasoline, oil, and other out-of-pocket expenses incurred during the trip for it may be deducted.

If the boat was used more than 50% for business, a portion of your costs of operating the boat, such as depreciation, repairs and general operating expenses, may be taken as a business expense. Records showing the date of each business use, number of persons entertained and similar information must be kept to establish that the boat was used more than 50% for business use.

Q—My son is working this summer for the first time and wants me to open up a bank account for him in his name. Do I use my social security number or his to identify this account? He's just 14.

A—Use your son's Social Security number. Interest earned on the account is income to your son and therefore should be identified by his account number.

Q—I made a payment on my taxes which is not reflected in the bill you sent me. What should I do about it?

A—Reduce your bill by the amount of the payment and pay the balance. To enable us to properly credit your account indicate on the bill the amount of your payment, the date paid and where it was sent.

When making tax payments write your Social Security number and the kind of tax you are paying on your check or money order.

Q—If I don't make a contribution this year to the self-employed retirement plan my partner and I have set up for our business will the plan lose its favorable tax status?

A—No the fact that you make no contribution to the plan this year will not disqualify it. If you have any other questions about your

plan, send a post card to your district director of Internal Revenue and ask for a copy of Publication 560, Retirement Plans for Self-Employed Individuals.

Western maps generally show the north slope of Mt. Everest in Tibet, the south slope in Nepal and the summit on the boundary between the two countries.

**FFA Chapters receive gold and silver awards**

Cassopolis, Corunna and Ovid-Elsie FFA Chapters have been named to represent Michigan in the 1969 National Chapter Award Program according to Mr Edwin St. John, State FFA Advisor, Michigan Department of Education.

The Michigan Outstanding Chapter Award plaques were presented to top-ranking chapters at the Annual Conference for Teachers of Vocational Agriculture at Michigan State University during the week of July 28-31. Ratings are based on overall activities of chapters. Fifty-three of Michigan's 179 schools received Gold or Silver awards.

Ratings, based on chapter activities, were given out at the annual conference of the Teachers of Vocational-Agriculture held at Michigan State University. Donald Munger advisor and David Bishop, president of the St. Johns chapter of the Future Farmers of America, admire the plaque which the local chapter won at the conference held July 28 to 31.

**Crop report**

**Harvesting underway in fields across state**

Thunder shower activity in the lower half of the Lower Peninsula slowed wheat and oat harvest in many areas. Over four days were considered suitable for fieldwork with moisture supplies generally adequate. Some areas have a surplus due to the shower activity while other areas need moisture, especially in the northern portion of the state. Wheat harvest is nearly 15 per cent complete, which is four days behind 1968 progress and eight days behind normal. Over one half of the crop is ripe and one fourth of the crop is yellow. The soggy fields and high moisture has slowed harvest of the crop. Considerable damage from sprouting has been reported in the central and southern areas of the Lower Peninsula. Harvest is just getting underway in the Thumb area.

**Annual meteor shower at peak August 10**

Persid shower, the annual "downpour" of meteors, will reach its peak around August 10, according to University of Michigan astronomer Hazel M. Losh.

"The astronauts have just completed a first visit to the moon, and yet we here on the earth have visitors from outer space every day, millions of them, known as meteors or shooting stars," Prof. Losh notes.

The annual Persid shower provides as many as one shooting star every minute, compared with perhaps one per hour on an ordinary night, the U-M astronomer explains. The best time to watch them is from midnight to dawn. Although they may be seen in any part of the sky, their paths, when traced back, seem to intersect in the northeast where the constellation of Perseus rises around 10 p.m.

"Today we believe that comets and meteors are related. What created comets is not known, but because there are comets we have meteors," Prof. Losh says.

"These swarms of debris are probably provided by the gradual disintegration of comets, and this swarm of particles that produces the Persid shower is believed to be more or less uniformly strewn along its entire orbit, and is of about equal intensity each year."

Also, at the beginning of August, the planet Mars and Antares are found directly toward the south as darkness comes, Prof. Losh notes. "On August 11, Mars will pass a little more than a degree north of Antares, the planet being about six times brighter than the star."

The U-M astronomer adds, "One should locate and become acquainted with Mars, for popular speculation points to it as the next target after the moon for space exploration by man." Pictures of Mars were recently sent to earth by Mariner 6, along with measurements of temperature and atmosphere of the planet.

**Ionia Fair exhibit shows false arthritis treatment**

According to the Arthritis Foundation some 13 1/2 million dollars annually are cheated from Michigan residents on false medicines and devices for arthritis. In the United States the figure adds up to a \$300,000,000 racket annually.

Arthritis Quackery will be featured in an exhibit at the Ionia Free Fair, August 1-10 as a public service of the Michigan Arthritis Foundation and The Michigan State Medical Society.

THE FOUNDATION SAYS that for every \$1 spent this year on legitimate research for the cause and cure of arthritis, \$20 will be spent on useless quack "cures."

Devices, diets, health spas and uranium mines, "immunized" milk and magnetic rings, even books that have made the best seller list, all have hit the limelight from time to time only to fill the arthritis sufferer with false hopes of a miraculous cure. The Foundation urges persons to check medications, devices or

**Know Your Points!**

**BEBA Bill says:**

Speed won't always kill you. But it may take you off the road. If you are convicted of driving too fast for conditions (this means driving at a speed greater than will permit you to stop within the clear distance ahead) it means these points will be placed on your driving record:

- For no given amount stated
- 2 points on your driving record
- 1 to 10 miles over the legal limit
- 2 Points on your driving record
- 11 to 15 miles over the legal limit
- 3 Points on your driving record
- 16 miles and more over the legal limit
- 4 Points on your driving record

Bonded for Your Protection

33-40 degrees ideal

Cold milk keeps up to 24 days

\*Proper temperature control is essential in the storage of milk and milk products for longer shelf life,\* according to B. Dale Ball, director of the Michigan Department of Agriculture.

AGRICULTURE in ACTION

By M.L. Woell

Those who urge a boycott of California table grapes are running head-on into an effective counter-boycott led by irate consumers who make it plain that their right to buy what they wish is being threatened.

They are doing something about it.

"Thank you for stocking California table grapes and for supporting your customer's rights to buy what they wish in your store. We will continue to shop here and encourage our neighbors to do so..." reads the printing on small cards left at check-out counters by growing numbers of housewives.

"In addition to temperature, age of the product affects keeping quality," says Kenneth Van Patten, chief of the department's Dairy division.

"Freedom to Market Committee"

In Michigan, more than two-dozen such committees are organized and coming alive in as many counties. They join more than 2800 such committees now organizing over the nation to confront efforts by labor unions and others to impose a boycott of the California fruit.

This is the actual issue behind the boycott—an issue largely hidden by emotion—charge and counter-charge. Labor has long had an eye on the nation's farm workers as an organization target, but the workers have spurned union attempts to organize them.

Farmers who accept "delayed price certificates" instead of official warehouse receipts for grain they store at an elevator could "easily" lose the value of that grain in storage, according to B. Dale Ball, director, Michigan Department of Agriculture.

Ball pointed out that farmers should insist on official warehouse receipts for any grain they store at an elevator, as required by state law.

"Should an elevator fail or go bankrupt, farmers with official receipts will receive priority in settling claims while those holding delayed price certificates are not protected," Ball said.

A delayed price certificate transfers title of the grain to the elevator operator; the producer thus has no protection under the law since he has surrendered ownership of his grain.

The Farm Produce Storage Act stipulates that if an elevator fails or becomes insolvent, stocks on hand are to be used to satisfy warehouse receipts before any other claims are settled.

Ball announced the department will distribute a thermometer chart to retail milk outlets throughout the state showing ideal, caution and danger storage temperatures for fluid milk and such fluid milk products as half-and-half and chocolate milk.

The purity of Michigan milk is assured by constant inspection of milk and milk products from cow to consumer by the department's Dairy division. Sanitary conditions and a clean, wholesome product allow milk to keep many days when stored at the proper temperature.

Ideal keeping temperature of milk products is between 33 and 40 degrees (F). At these temperatures, milk will stay fresh up to 24 days. Caution is urged in storing milk between 40 and 45 degrees. Storage above 45 is dangerous. Average shelf life at 40 degrees is 10 days; storage at 45 degrees reduces shelf life to 5 days.

"In addition to temperature, age of the product affects keeping quality," says Kenneth Van Patten, chief of the department's Dairy division.

Michigan law requires milk and milk products be stored below 50 degrees until sold, but Van Patten urges storage between 33 and 40 degrees for best product protection.

Urge farmers get stored grain receipts

Farmers who accept "delayed price certificates" instead of official warehouse receipts for grain they store at an elevator could "easily" lose the value of that grain in storage, according to B. Dale Ball, director, Michigan Department of Agriculture.

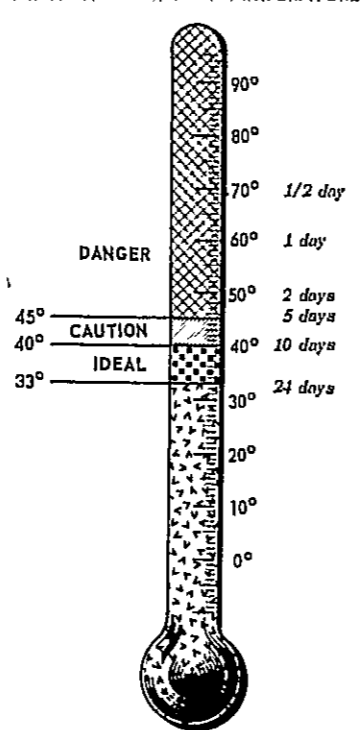

Ball pointed out that farmers should insist on official warehouse receipts for any grain they store at an elevator, as required by state law.

"Should an elevator fail or go bankrupt, farmers with official receipts will receive priority in settling claims while those holding delayed price certificates are not protected," Ball said.

A delayed price certificate transfers title of the grain to the elevator operator; the producer thus has no protection under the law since he has surrendered ownership of his grain.

The Farm Produce Storage Act stipulates that if an elevator fails or becomes insolvent, stocks on hand are to be used to satisfy warehouse receipts before any other claims are settled.

MILK SHELF LIFE BY TEMPERATURE

MICHIGAN DEPARTMENT OF AGRICULTURE CONSUMER PROTECTION BUREAU

Gold medal status given state Holstein

Holstein-Friesian Association of America reports that Gold Medal Dam status has been achieved by Crestian Pearl Norene 4950957 (VG). Bred and originally owned by Dean A. Straub, Gallen, she was transferred in September, 1965 to Everett Miller, Rives Junction and Herb Miller, Williamston and in October of the same year to John and Yvonne Morrish, Leslie, Michigan. She is presently owned by Willard Behm of Adrian.

"Norene" qualified as a super brood cow on the basis of her total lifetime production of 110,730 pounds of milk and 5,192 pounds of butterfat in six officially recorded lactations.

She has three qualifying Registered Holstein daughters who have attained the following type and production levels, as reported by the Holstein Association:

Crestian Flower Jo Naomi (GP) with three records averaging 16,065 pounds of milk and 688 pounds of butterfat. Crestian Pontiac Neva (GP) with two records averaging 16,920 pounds of milk and 756 pounds of butterfat and Crestian Oal Lucinda (GP) with a single record of 18,887 pounds of milk and 831 pounds of butterfat.

Production testing and type classification information must be available in order to evaluate cows nominated for this award. The program was initiated twelve years ago and to date there have been just over 1,000 cows designated Gold Medal. The Holstein organization, largest dairy breed association in the world, registers over a quarter of a million animals each year.

Teri and Jim McQueen spend much time with their horses to prepare for the 4-H Fair. Teri's horse is named Candy and Jim is on Tony. Both youths will be entering their horses for competition for the first time.

Payments being made to participants of 1969 wheat program

Income-boosting wheat payments in the amount of about \$20 million are now being made to those producers who participated in the 1969 Wheat Program, according to Chairman Nicholas Smith of the Michigan Agricultural Stabilization and Conservation State Committee.

The certificate payments, amounting to \$1.52 per bushel and \$1.14 more than 1968, are paid on wheat produced on 40 per cent of the allotment. These payments should add substantially to the income that Michigan farmers will receive from their 1969 crop wheat marketings.

SMITH POINTED out that flour mills and others who process wheat for United States consumption as human food pay the United States Department of Agriculture \$.75 for every bushel of wheat they process. These payments account for almost half of the certificate payments made to farmers. The remainder of the payment comes from the United States Treasury.

These payments, when related to the estimated production on the farms taking part, will reflect an average additional income to each participant of about \$.62 per bushel on each bushel of wheat produced in 1969 as compared to

Food programs aid families of low income

Over 193,000 low-income persons in Michigan received food assistance from the US Department of Agriculture during June, according to Dennis M. Doyle, Midwest district director of Consumer Food Programs.

The total included 51,243 persons in 35 Commodity Distribution Program projects and 142,014 in 47 Food Stamp Program areas. Counties joining the Food Stamp Program during the month were Cass and Livingston.

Michigan participants in the stamp plan received over \$2.6 million worth of coupons during June of which more than \$862,000 were bonus coupons. The average bonus per person was \$6.07.

In 11 Midwest states, over 1,157,000 persons received USDA food assistance. Of the total, around 350,000 were in 296 commodity programs and 807,000 in 564 food stamp projects.

The Food Stamp Program enables low-income families to buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they paid. The coupons are spent like cash at authorized retail food outlets for any domestic foods.

The Commodity Distribution Program provides over 20 USDA-donated foods to supplement the diets of needy people. The foods are shipped to the state distributing agency which handles the storage and transportation to local distribution centers and welfare agencies.

Pesticides from municipal spray programs don't seem to be adequately handled by treatment plants, and thus get pumped back into rivers.

Scientists at Michigan State University's Pesticide Research Center found that 60-80 percent of the pesticide contamination in the Red Cedar River enters from waste water treatment plants and only 20-40 percent from farms. Similar contamination patterns were found in three Kent County streams.

Cities share pesticide guilt

Scientists at Michigan State University's Pesticide Research Center found that 60-80 percent of the pesticide contamination in the Red Cedar River enters from waste water treatment plants and only 20-40 percent from farms. Similar contamination patterns were found in three Kent County streams.

Pesticides from municipal spray programs don't seem to be adequately handled by treatment plants, and thus get pumped back into rivers.

## THE WINNING SIDE

The kids in the grandstand are yelling, "Strike him out!" and our young pitcher is going to do exactly that. This is his day for a shut-out game . . . his day to win.  
He's feeling pretty good about it, and who's to blame him? But what if things had gone the other way? What if some other boy had been warming up in the bullpen, about to have taken his place? But he is a well-balanced youngster, and he would have taken that in stride, too.  
He has learned about being a good sport, about regard for his fellow men, and about many other equally important things in Church. Far, like thousands of other American youngsters, the Church already plays an important part in his life. That is one reason why his parents have faith in the fact that he will grow up to be a pretty fine man.

LEGAL NOTICES

CLARK ELLIS DRAIN Notice of Letting of Drain Contract and Review of Apportionments

Notice is hereby given that I, Dale R. Chapman, County Drain Commissioner of the County of Clinton, State of Michigan, on the 18th day of August, A.D. 1969, at the Court House in the City of St. Johns, Michigan, have caused to be published in the Michigan State Journal, a newspaper of general circulation, a notice of public sale of certain lands for the purpose of raising money for the construction of a certain drain, the location of which is shown on a map of said drain and extending to station number 28-71, a distance of 2,871 feet, and having a maximum depth of 3 feet, and a uniform width of bottom of 4 feet, with an estimated 3,000 cubic yards of earth to be excavated.

The construction of said Drain will include the construction of the following: a) a certain drain, the location of which is shown on a map of said drain and extending to station number 28-71, a distance of 2,871 feet, and having a maximum depth of 3 feet, and a uniform width of bottom of 4 feet, with an estimated 3,000 cubic yards of earth to be excavated.

Contracts will be made with the lowest responsible bidder giving adequate security for the completion of the work, in the sum then and there to be fixed by me, reserving the right to reject any and all bids, and to adjourn such letting to such time and place as I shall publicly announce.

The date for the completion of such contract, as the terms of payment therefor, shall not be announced at the time and place of letting. Any person desiring to bid on the contract, or to receive a copy of the same, shall be required to deposit with the Drain Commissioner a certified check or cash in the amount of Two Hundred Dollars as a guarantee that he will enter into the contract prescribed by law. The checks of all unsuccessful bidders will be returned to them at the time of the letting. The payments for the above mentioned work will be made as follows: Drain orders payable April 15, 1970.

Notice is Further Given, that on Wednesday, August 6, 1969, at 10:00 A.M., in the Probate Courtroom at St. Johns, Michigan, a hearing will be held to show cause why such license should not be granted.

Publication and service shall be made as provided by Statute and Court Rule.

TIMOTHY M. GREEN, Judge of Probate

Dated: July 28, 1969 Walker & Moore, by James A. Moore Attorney for Guardian Clinton National Bank Bldg. St. Johns, Michigan 14-3

Lend a hand

While we do not see the proposal as one which will solve St. Johns' financial dilemma in the long run, we believe residents should support the actions of city commission toward implementation of a capital improvements bond issue.

Likewise, their speedy move following the defeat of the income tax plan is clearly indicative of tightening financial pressures and their efforts should be recognized and encouraged for their merit.

If the bond issue proposal, which encompasses a number of administrative details prior to a public vote, reaches the ballot box, it will be but another effort to rectify or neutralize conditions which have brought about the current financial difficulties.

As cited on previous occasions, we too are acutely aware of the growing demand for tax money and shudder with mixed emotions at every increase notice.

To this extent we encourage support of the proposed plan and we ask also for a helping hand from those within the community who opposed previous suggestions.

Top of the hill

Summer has gently lifted itself over the crest of the hill and has begun its slide toward fall and one of the activities most indicative of this waning season is the traditional series of county and state fairs.

Our own Clinton County 4-H Fair which will take place next week is numbered among these annual events offering folks of all ages opportunities to display the fruits of their talents.

To some extent fairs have taken on a unique atmosphere in this crazy, mixed-up world of ours for while they have retained their basic agriculture-oriented attraction many have branched out to include practically every major area of creative interest; indeed, from agriculture to the arts, there's a spot for everyone.

There are few events on the American scene that provide more variety than a fair and coupled with the pleasures of simply observing there is always the excitement of speculating on judges' decisions; the concern for a child frightened by the wild expression of a merry-go-round horse; or the satisfying aroma and taste of a fairgrounds hot dog.

As time passes by, some of our most vivid memories are those of the county fair, and while those fleeting years have a tendency to change many things the makeup of the fair has altered very little.

We're kind of glad summer made it to the top of the hill.

IKMULGEE, Okla., NEWS: "In a rural area in South Carolina—where investigators have said serious poverty conditions exist—the first food van is soon to go into operation, run by a chain grocery outlet. The store agreed to launch the project in an effort to bring food to the poor, who will in some cases receive food stamps by mail. Thus those who live in rural areas and who might have difficulty getting into town for fresh food regularly, can stop the truck and do their grocery shopping by the side of the road. . . . It may be that in the near future enterprising grocers will begin to operate traveling grocery vans."

WYNNE, Ark., PROGRESS: "If I had my 'druthers, I'd prefer to spend my own tax money for my own welfare. Figure I can do it better than anything I've seen out of the government experts who have taken over most of our money and seem to want the rest of it."

Back Thru the Years

Interesting Items from the Files of the Clinton County News

10 YEARS AGO JULY 30, 1959

This week Mr and Mrs Carl Nobis were selected as Clinton County's dairy couple of the year, by the Michigan Milk Producers Association in tribute to progressive milk farm operation.

Orin Arthur Wilson figures the time to retire is while he still can enjoy life, so after three score and three years as a barber, the last 59 years pretty much steady, he has decided to hang up his shears.

Fire of undetermined origin destroyed a barn and two silos on the George Robb farm, Monday. The farm is southeast of Ashley.

25 YEARS AGO AUGUST 3, 1944

The front page of the Republican-News revealed the effect of World War II on residents of Clinton County as it reported that:

"We refuse to believe that Norman is gone," Mrs Adeline Geller, young wife of Lt. Norman Geller said. "The telegram said he was killed in action on July 5, I received a letter from him dated July 5 which made no mention that he was involved in combat."

Pvt. Howard Beebee, son of Mr and Mrs Lawrence Beebee of Greenbush, has notified his parents that he is now in a hospital for treatment of wounds received in France.

Mrs Marguerite K. Wrzesinski of Lansing, daughter of Mr and Mrs Mathew Kudella of St. Johns, was notified that her husband has been killed in action. Her brother, Pvt. Joseph Kudella, was killed in the South Pacific in August.

Lt. Philip Little, grandson of A. G. Jones was killed when his fighter plane burst into flames and crashed.

50 YEARS AGO JULY 24, 1919

The tuberculin test was applied on Wednesday to the herd of Holsteins owned by George Lapham & Sons of Bingham township and it was discovered that nine cows of the herd showed a raise of temperature of over two degrees, which is an indication of disease. Lapham says he will keep one registered male and two females which are completely free of the disease according to the test and slaughter the rest of the 22 head herd.

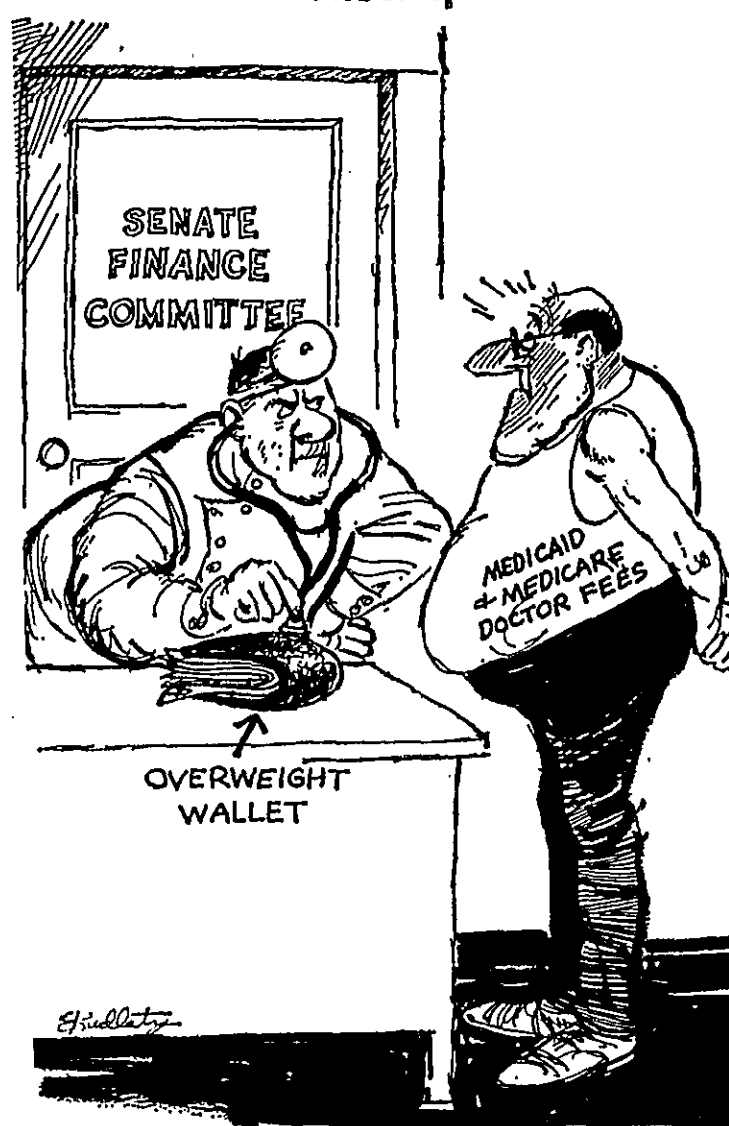

The board of supervisors of Clinton County have entered into contract with the Ringier Construction company of Lansing for the erection of the new County Home to be built on the county farm in Bingham township.

They fly our flag

Mr and Mrs Donald Gilson, of 601 S. Oakland Street, proudly display the flag on a pole placed on their side lawn. Tall green trees form the picturesque background.

'IF IT FITZ . . .'

Cats take over

By JIM FITZGERALD

Let's start this sad story with a question: Am I the only hard-hearted Scrooge who hates to have a cat jump on his face, especially when he's sleeping which is often because I'm mighty tired of the way things have been going around my house?

Several years ago I wrote that cats were stupid animals, with about as much real usefulness as the Prince of Wales. This was after some dumb broad asked Ann Landers if it would be OK if her cat were her bridesmaid (Ann said yes, if the wedding were held in a kennel which it probably was. The world knows no foolishness to match that which fills pet cemeteries with weeping and flowers every Memorial Day.

Anyway, I also wrote with glee about my childhood when I used to drop cats off roofs. This was not cruelly. It was scientific research. I dropped them 10 times each to test the 9-lives theory. Actually, I never hurt a cat, a fact due less to my humanity than to the neighborhood architecture. Ours was a ranch-style block and a full-grown cat could jump over the highest roof.

Steady readers (Mother and Aunt Madeline) are probably wondering how a cat ever came to live in our house. Well, in the first place, it's not a cat. It's 2 cats. Honest. In a weak moment, I promised the 2 youngest kids a pet to make up for the loss of our expected child. I decided a cat would be

TAKING FIVE

Sweet corn time

By RON HUARD

Unless you are plagued with loose denture plates; have gastric difficulties or are too temperamental to handle a highly buttered and seasoned ear of sweet corn, the coming weeks should prove to be most enjoyable.

Some of us are bugged by all three conditions but are looking forward to the corn days.

Seems as though most seasonal vegetables have fairly good followings, but I seriously doubt that any can approach the numbers of disciples of sweet corn. There's something deliciously exciting about the late summer offering that isn't confined strictly to its taste. Chomping kernels away from the cob is truly half the pleasure of eating.

For years as youngsters we're taught to embrace the considerations of table manners and, above all, napkins are to be used to maintain a presentable appearance for others who may be dining with us. But in the

midst of the corn days many of the basic graces of the dining table are lost in a rustle of stirrups, chops and throaty sounds of satisfaction.

Possibly only one other popular menu, that being fried chicken, affords such freedom from compliance, but none can match the license granted by sweet corn.

As for the napkin, there is little sense in even considering it beyond its service for catching stray, butter laden kernels which eventually disappear to be enjoyed among their other colleagues. Like when eating peanuts, the kernel that tries to escape is always the one most vigorously sought.

Wayne Gossett, our advertising manager, is from Hoopeston, Ill., a beauty spot on the heart of sweet corn country. It's at Hoopeston where the natives conduct an annual festival in honor of the summer treat and in the years I have known Wayne his smile is a little broader, his disposition a little

more pleasant and his step a little lighter as this season of the year rolls around. (Course anyone who enjoys jowl bacon, corn bread and green beans the rest of the year must have something to look forward to!)

Be that as it may, I doubt that Wayne and I are alone in our anticipation of the sweet corn season. There are great numbers of corn lovers looking forward to munching the stuff and at the risk of spreading fears or anxieties, I feel compelled to pass along the latest word received from our corn correspondent, Byron Kissane. By tells me the sweet corn might have been hurt by the high rate of rainfall this spring.

Hmmmm. I guess there's always jowl bacon and green beans!

LETTERS TO THE EDITOR

To Whomever it may concern: I saw an ad in this week's Clinton Paper by Mrs Pearl Blank about a picture of the old Elsie Mill and I have a picture of the Mill as it stood in Elsie, in 1968 December. This is the actual picture of the Mill. To please the people in Elsie and St. Johns and throughout this area who remember the Mill.

I sure hope these pictures of the old Mill can be blown up for the paper. With my sincere opportunity for helping Mrs Blank out.

Thank you. HARRY D. PRICE Elsie, Mich.

(Editor's Note: Mr Price forwarded a movie film clip which was unsuitable for reproduction.)

Operation

"Rooster Spurs"

By WARREN E. DOBSON

To find out what makes people fight, And why conflict occurs, Why can't folks all be quiet like— 'N roosters lose their spurs? The research folk involved will spend Six hundred thousand bills, To find a peaceful potion— Segregate the germ that kills.

Now I'm not one for conflict, I'd sooner live in peace, 'N I would do my utmost To have war and discord cease; 'N perhaps the price is not too high, For a real and genuine cure, But if I spent my bank roll I'd like to be quite sure.

They didn't ask my notions, So I don't even suspect No matter what I told 'em, I'd be likely to collect; But when the researchin's all done— Whatever the nomenclature, I'm bettin' they will find the cause Is basic human nature!

For me I'm naive enough to think When all is said 'n done, If we'd cancel all war profit We'd have the battle won; So long as dollars still dictate Man's niche in society, So long we will not listen To the Man of Gallilee, July, 1969

these creatures now? Hawks and owls have been protected by the law since 1954, and we certainly aren't smothered by hawks and owls in 1969.

It's interesting to note that squirrels caused eight times as many damage complaints in 1962 as foxes (then bountied) and that foxes also trailed raccoons, beaver, dogs, muskrats, skunks, rabbits, deer and woodchucks in numbers of damage complaints registered. On top of that, foxes were only slightly more troublesome than pheasants!

To sum it up, studies on the ecology of predation have indicated, rather conclusively, that single predatory species have little influence on the regulation of game numbers. Control in the sense of elimination, or extreme reduction, is exceedingly difficult to the intended game populations. The bounty system, which is incredibly expensive to maintain, has demonstrated that it does not give this degree of control even if such control were necessary and desirable.

SULLIVAN, III., PROGRESS: "It is a modern trend to criticize our government at every opportunity. It's fashionable to refuse to have anything to do with the government, to refuse to service if called for duty; to tear down our schools and disrupt normal government procedure where possible. Those men . . . who worked so hard, for so long, to establish the country, risked their lives, with no thought of making their fortunes. Would they have gone ahead if they had known how some of the idiots among the future generations were going to act? . . . No doubt, had some of those men been able to look into the future, they might very well have been content to let the Indians keep the country."

Table showing legislative issues and committee assignments for the Michigan House of Representatives.

View from the 87th

By WILLIAM S. BALLENGER State Representative

As a member of the House Committee on Conservation and Recreation, I've found that one of the most explosive legislative issues year in and year out is whether or not to continue Michigan's traditional reliance on the "bounty" system of controlling predatory animals.

The Michigan Department of Natural Resources (DNR) has strongly recommended discontinuing the bounty system, but due to heavy backing by farmers, trappers, and hunters (especially those in the Upper Peninsula), the bounty on coyotes is still with us. There was even an unsuccessful attempt this spring (H.B. 2950) to reinstate the bounty on foxes, which was lifted, along with those on wolves and bobcats, in 1965-66.

The term "bounty" comes from a distortion of the French "bonte", meaning benevolence. In a legal sense, bounty means a government reward or subsidy for performing an act which is considered to be in the public interest. Such rewards were offered during the American Revolution and Civil War, for instance, to encourage enlistment in the armed services.

But the term "bounty" as we know it has come to signify the reward paid for the destruction of so-called predatory species of wildlife. This practice began in 1883 when William Pennbegan paying for the scalps of wolves which were raising hob in Penn's Woods.

On what grounds are bounties in this day and age supported?

First, to prevent predators, such as foxes, from devouring large numbers of game birds and animals such as pheasants and rabbits; second, because many of these predators are commonly thought to kill entirely too many chickens, lambs, pigs and other livestock; and third, because the income from bounties is supposedly important to a rural segment of the population, especially farm boys.

But there are others, including representatives of the DNR, who argue just as forcefully that: (1) Within the realm of economic feasibility, bounties simply do not control predators; (2) A reduction in the size of a predator population by 20, 40 or 60% does not assure a proportional increase in small game population; (3) Despite man's best efforts, predator populations undergo at least a 70% turnover each year. Why pay for something that nature does for free and automatically? (4) Money used by the state for bounty payments (Michigan has spent some \$4 1/2 million for bounties since 1935) could produce more hunting if spent for habitat improvement and development; and (5) Most predators can provide as much outdoor recreation and sport as many other kinds of game and should be utilized for this purpose.

Hunters under-harvest many of the species they are trying to protect from predators via the bounty, anyway. They seldom harvest more than 15-20% of the cottontails present at the begin-

ning of a season. For instance, when they could probably take as much as 40-50% without jeopardizing the future of their sport.

Opponents of the bounty system also point out that, in light of present-day economics, it's doubtful whether bounty payments contribute too much to the welfare of our rural population. If fur prices are low, few trappers or hunters could make a decent living at it. And if they're high, they don't need a bounty to motivate them to hunt predators. In many cases, the presence of a bounty has kept rural families in poverty because the breadwinner was unwilling to change to more gainful employment. As for farm boys, the records show they receive no more than 2-5% of the total in most states.

It can also be argued that predators are actually beneficial in that they kill diseased and injured game, and it may be assumed that removal of these weak, crippled and unwary specimens results in maintaining vigorous, healthy, and truly wild breeding stock.

Anti-bounty experts also contend that most predators presented for bounties represent chance killings that take place in conjunction with related outdoor activities. The bounty system, moreover, frequently produces fraudulent practices, they say.

Too, opponents of the bounty system point to the fact that Michigan used to pay bounties on woodchucks, crows, and weasels. Then bounties were taken out. How come we're not belly deep in

# New plan assures drivers access to auto insurance

Any possibility that a licensed Michigan motorist may lack access to auto insurance should be eliminated beginning September 1.

Two changes in the Michigan Automobile Insurance Plan, which is a voluntary facility conducted by all auto insurance companies in the state, will become effective on that date.

One change makes insurance through the plan available to any holder of a valid Michigan driver's license. Previously, a

minority of drivers with unusually severe accident and traffic law violation records were not eligible for the plan, and had access to coverage only from certain specialty companies. They now will have a choice of markets, with application to the plan available from any auto insurance agent in the state.

**THE OTHER CHANGE** offers medical payments, collision and comprehensive vehicle damage coverages through the plan. Formerly, the plan offered only liability and uninsured motorist coverages, to allow drivers who were not eligible for normal rates a means of complying with the state's financial responsibility and uninsured motorist protection laws.

Rates for the plan coverages are on a scale reflecting the driving record of the motorist. The rate schedule for those previously eligible for the plan has not been changed. Additional charges have been included, however, for those whose records formerly would have excluded them from the plan. The rates are intended to cover the respective degree of accident exposure of those in the plan as nearly as possible.

**THE CHANGES** in the plan are the result of a study initiated by Michigan's local auto insurance companies, and have been adopted by all companies writing

auto insurance in the state. Michigan is one of nine states in which such changes currently are being put into effect, and similar proposals are being considered in several other states. In cooperation with the state insurance bureau, the Michigan companies also helped to draft coverage, in addition to the other broadening of the Automobile Plan. The legislative bill to effect this facility presently is in conference committee. If this bill is adopted when the legislature returns in October, all users of the plan will have a choice of obtaining more than the minimum liability limits of \$10,000 for one injury or death, \$20,000 for all injuries or deaths in one accident, and \$5,000 for property damage.

## Merrihew

By Mrs Lloyd Reed—224-2951

Mr and Mrs Lloyd Reed called on Mr and Mrs Jerry Schafer of Shepherd July 29. During the afternoon Mrs Reed and Mrs Schafer and twin daughters, Rebecca Lyn and Debra Lyn were in Mt. Pleasant a short time. Miss Agnes Viges of Tempe, Ariz. was a July 30 afternoon and dinner guest of the Reeds.

Mary Lyn Schafer of Shepherd and her cousin, Marie Miller, are spending a few days with their grandparents, the Reeds. Mr and Mrs Earl Darnell of DeWitt and Mrs Arlene Viges and son Dana, of Greenville were callers in the Reed home.

## Teachers hold summer picnic

On July 30, a group of rural teachers gathered at the summer home of Mr and Mrs Raymond Walker at Holland Lake for their annual summer reunion. A potluck luncheon was served after which, the group were entertained with games and visiting.

A short business meeting was conducted by the acting vice-president, Gwen Walker. Plans were made for the annual Christmas party. At the close of the meeting watermelon was served. Before departing, the teachers were entertained by organ music.

## MICHIGAN MIRROR

# Sex causing furor

By ELMER E. WHITE

Sex education has become a topic which equals, if not surpasses, parochial school aid when it comes to raising the tempers and blood pressures of Michigan residents these days. The specific subject which served as a lightning rod for the furor in the last few weeks is a set of proposed guidelines for the teaching of sex education in public schools. The proposals were drawn up by a 25-member committee selected by the State Board of Education after the board was instructed by the Legislature to set up some guidelines.

Opposition to the guidelines arose even before they were made public. This was led by state board member James F. O'Neil of Livonia and by a group calling itself "the United Committees of Michigan." The specific guidelines around which the controversy is boiling may be unique to Michigan, but the controversy around sex education in general is not.

At least 35 states have had controversies over the subject erupt to some degree, all in the

past year or so.

The National Education Association conducted a survey earlier this year and concluded that the controversies were being touched off by the John Birch Society and similar right wing groups. This is not to say all opponents of sex education or of forms of sex education are extremists or right wingers, for they come from all political persuasions. It does mean, as one Birch Society official has been quoted as saying, "That this is a highly emotional area and is ripe for exploitation by a group in need of a cause."

Robert Welch, founder and leader of the John Birch Society, has labeled sex education "a filthy communist plot." His group has formed committees entitled "Movement to Restore Decency" around the country in an all-out campaign against sex education.

Part of the controversy here in Michigan revolves around what exactly is sex education. Mrs Pauline Iyemaga of Lansing, one of the 25 members of the advisory committee,

talked of this in helping present the report of the committee to the state board.

"Sex education involves a great deal more than the mechanics of sex," she said. "In some ways it is unfortunate that the name 'sex education' is given to this area since it prompts such an emotional response in some persons."

"What we're really dealing with is all relationships which persons of one sex have with another on many different levels," she said.

The committee report itself, anticipated organized opposition of some type to sex education in the school.

"Schools welcome questions and constructive criticism by informed groups and individuals," it said.

"However, nationwide and statewide extremist organizations counter the public school's responsibility for directing the educational process within the democratic philosophy by trying to stifle free expression of views opposed to their own."

"They make irresponsible, uninformed and near libelous attacks on individuals, institutions and organizations that disagree with them," the report said. "Their goal is disruption and undermining of democratic procedure through coercion, intimidation and even violence to prevent or to force change."

As might be expected, that section of the report was booed loudly by the unruly crowd which attended the public presentation of the proposed guidelines.

## The Definite Difference

It probably was to be expected, at least by the males in the state, but the Michigan Department of Natural Resources has confirmed that it's the female mosquitoes which cause all the trouble for humans.

A report issued by the Department says female mosquitoes make all the noise and do all the biting.

"Male mosquitoes are harmless," the report said. "Their beaks are not fitted for piercing."

"Females bite and hence can transmit disease," it said. "They are the only ones which buzz."

Now, if they'd only come up with a way to spot the difference before the mosquitoes get to you . . .

# Salute to servicemen

PHOTO BY JERI TOBEN

For this, the second Clinton County News Salute to Servicemen, four area members of the major branches of service pose to illustrate those of whom Clinton County residents are especially proud. Representing the Navy is Gordon Shipley, Engineman Third Class, who has just completed a tour of duty in Vietnam. The American flag in the background was presented to the Methodist church by the Shipley family in memory of their other son, Bill, who was killed while serving in the armed

forces. Private Dennis Worrall is the Army representative. He has been in the Army less than one year and is serving now in Korea. From Ovid, Air Force Sergeant Kenneth Cornell was on leave at home and is presently stationed at Patrick Air Force Base at Cape Kennedy, Florida. The representative from the Marine Corps, Private First Class Terry Torpey, is serving at Camp Pendleton, California.

## Maple Rapids man sees Army for second time

By CLAUDIA McLOUGHLIN  
Staff Writer

"We didn't want him to go, but when he sets his mind to something . . ." said Mrs Carl Ball of Maple Rapids who is the mother of Gail Ball, a very special soldier.

As a matter of fact, she said it twice, about 15 years apart. The first time, her son Gail was 17 and not in school. He would have been a Fulton High School student, but never went to high school. At 17, he decided he wanted to join the army.

Actually, 17 is too young to join, or even be drafted, so his parents had to sign him away. "Not that we really wanted to do it," says Mrs Ball, "but it was what Gail wanted."

That was in 1953, he had his basic training at Fort Knox, Ky. and was also trained at Fort Polk, La., then shipped to Korea. He arrived within 30 days after the end of the Korean conflict.

According to his brother, Wayne, "Gail was never really in the war, but the Koreans hadn't actually stopped shooting when he got there." His mother said his duties were of a reconstruction and clean-up type. "He helped rebuild homes and bury the dead. He also was a member of a volunteer fire department set up by the GPs to help the community he was stationed near," she said.

In 1956 he was released and officially discharged in 1961.

Then about 1967, he started thinking about all the young family men who were dying in Vietnam. He was 31 and single. Maybe it was up to him to help. He didn't talk much about it for a while. In the fall of 1967 he decided he had heard enough about the Vietnam situation and wanted to see for himself.

He went to Detroit for a physical and was turned down because he was over-weight. "When he came home," his mother said, "he went on a starvation diet. I've never seen anybody so determined to lose weight."

About three weeks later, he traveled to Detroit again. This time he was accepted. His mother tells that about the induction day, Gail related this story. He was standing in line with mostly young men 18 and 19 years old. Later, in another part of the building, he heard two of the young men talking. "You know, I'm told there's an old man at the front of this line trying to get back in the Army."

Mrs Ball said Gail laughed, but up until that moment had never thought of himself as old.

Once again, Gail was bound to Ft. Knox. Basic training, more rigorous than 15 years ago, was a challenge. Commanding officers told Gail that if at any time he felt he would not be able to complete the course, to notify them and he would be released.

Gail never wavered although once after completing a drill, he was given a two hour rest period. He was very thirsty. Between the field where he had been drilling and the water fountain was his bunk. When he got as far as the bunk, he just quit. "He says he was really thirsty, but once he hit the bunk he couldn't move," his mother says.

Gail has been an inspiration to others. Mrs Ball has a nephew, age 19, who recently entered the service. "He says the basic training was awful. He didn't think he was going to make it. Then he thought—if Gail can do it, I can—and he says that's what kept him going."

Gail had an array of ribbons from his first hitch, and they caused him a few laughs. In boot camp, when he wore the uniform he was required to wear all his ribbons. He writes home that more than once, he was saluted by another private. Then, despite all the ribbons, the other private would notice that Gail too was a private.

At induction, Gail requested that he be sent to Vietnam. He was home for Thanksgiving and in Vietnam for Christmas.

His brother Dean says, "he wanted to go because he didn't feel it was right for young fathers to be dying. He said, 'it's better me than a young man with children'."

PFC BALL, 1953

PFC BALL, 1969

Letters to home say Gail feels Vietnam is a "hell-hole" but now he knows the whole story. "I don't know if Gail really feels the war is right, but right or wrong we are in it and I think he just felt it was his duty," says his mother.

"He doesn't like the idea of it not being a real war," his brother Dean says. "It's hard for him to know he can be shot at, but maybe not shoot back. He can't understand why it isn't a real war so then he could better protect himself, as could all soldiers."

"I don't think he will ever regret what he has done," his father added, "but I think he will be glad to be home." Mrs Ball continued, "he had thought about making a career of the army this time, but now, I'm not so sure. In Korea, he only saw the very end of the war, but in Vietnam,

he has had to kill, and I don't think he likes that at all."

The family talked to Gail a few weeks ago when he was on R and R in Japan. "He said then that two of his best buddies had just been killed. That was hard for him: He said they gave all they could. It was hard to see them give it all."

Not that he is anxious to come home, but his mother says that when his time is up he will be glad to be stateside again. "He will have done his duty, and seen what he wanted to. Now he knows what is really going on. He plans to be home for Christmas."

His dad said, and his brothers agreed, "We are packing for our vacation; it starts tomorrow. I only wish Gail was here to do a little fishing with us."

How do his parents feel about his re-enlistment and his volunteering for Vietnam? About the same as they did for his enlistment 15 years ago. "We didn't really want him to go, but when Gail makes up his mind . . ."

### Canteen operator

## Edna makes departure a little brighter

By Mrs Shirley Karber  
News Staff Writer

Approximately three years ago a request was made by the local Red Cross unit for assistance with the servicemen's canteen. Mrs Farin (Edna) Eldred suggested the project to the Blue Star Mothers and they agreed to support the program. Mrs Eldred was appointed chairman of the servicemen's hospitality committee, and she's held the position ever since.

"I felt our organization should be represented when the boys left home for service. I enjoy the work and it's been gratifying to me," says Mrs Eldred.

Getting out of bed at the crack of dawn doesn't bother her either and it's a mighty good thing as, most of the buses leave at 6:45 a.m. The canteen serves hot coffee, orange juice and either cookies or rolls to the inductees, those going for physicals, their parents and friends.

IN THE PAST three years Mrs Eldred has served 336 servicemen and has missed only one canteen because of illness. Funds to support the project are raised by the Blue Star Mothers with various projects such as bake sales and by their annual "Blue Daisy" sale.

Each of the men leaving for

induction is presented with a cellophane bag containing candy, gum, peanuts and Life-savers. They also receive an envelope with a stamped card, a fountain pen, and a comb, compliments of the Blue Star Mothers. Parents have voiced their appreciation several times to the Mothers for the card, which enables sons to write home quickly after they have reached their destination.

WHEN THE PROJECT was first organized Mrs Eldred was helped in her efforts by Mrs Mary Masarik. The boys left from various locations depending on where the bus station was located at the time. They still use bus station facilities for small groups and the Central National Bank, community room, for large groups.

Some of the canteens Mrs Eldred operates alone. At others she is assisted by various Blue Star members of volunteers from the American Red Cross.

Mr and Mrs Eldred reside at 701 S. Ottawa Street, in St. Johns. They have two sons, Robert who served in the Army and Charles who was with the Air Force. They now have 24 grandchildren and expect their first great-grandchild in the near future. Mrs Eldred, is 65, and works part-time at a local motel.

Mrs Edna Eldred distributes gift items to inductees leaving for service, July 22. She has served as chairman of the hospitality committee for the Blue Star Mothers of America, Chapter No. 88, for the past three years. During this period Mrs Eldred has missed only one canteen because of illness. The men and their families are also served light refreshments by volunteers before the bus departs.

**Roger L. Wyrick**

Sergeant, U.S. Army  
Age 20, son of Mr and Mrs Madison Wyrick, R-5, St. Johns and husband of Mary Wyrick, Elsie.

**GOD WILL HEAR YOU**

At sleep at last the day was long,  
Another day passed, and closer to home,  
And as I sleep, the war drags on,  
And many will die before the next morn,  
And as I sleep and dream of home,  
A rocket has hit, but not one alone,  
I jump out of bed and head for the door,  
Another rocket hits, and I dive for the floor,  
Down to the bunker for what good it will do,  
For God's the only one that knows if it's you.

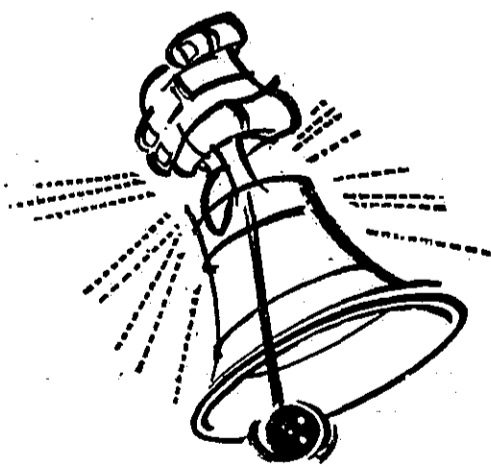

As the rockets pour in, I sit and pray,  
Dear God, listen to me, hear what I say.  
This world is not perfect and neither am I,  
I know I've done wrong, but don't let me die.

As the last rocket hits and the sound fades away  
I know God has heard me and I know what to say.  
Thank you Dear God, for hearing my plea,  
I'll be a better man for this, just wait and see.

JAMES W. PELTIER

## SALUTE TO THOSE WHO HAVE SO BRAVELY GIVEN

HE IS NOT DEAD

*I cannot say, and I will not say  
That he is dead. He is just away.  
With a cheery smile, and a wave of the hand,  
He has wandered into an unknown land  
And left us dreaming how very fair  
It needs must be, since he lingers there.  
And you--oh, you, who the wildest yearn  
For an old-time step, and the glad return,  
Think of him faring on, as dear  
In the love of There as the love of Here.  
Think of him still as the same. I say,  
He is not dead--he is just away.*

James Whitcomb Riley

JOHN F. RUIZ

Army Specialist 4 John F. Ruiz was killed in action while returning from a night ambush patrol on Jan. 29, 1968. He was born Aug. 19, 1947 to Mr and Mrs Domingo T. Ruiz who have accepted posthumous awards for him.

CHARLES WENTZEL

Army Warrant Officer Charles Wentzel died at the age of 21, two weeks after he arrived in Vietnam, on Sept. 28, 1967, in a helicopter crash near An Khe. His wife and two daughters live in Bath.

Born Feb. 4, 1949, Army Specialist 4 Duane A. Downing died Feb. 23, 1969 of wounds sustained in battle near Chu Lai. His parents, Mr and Mrs Ross Downing, of St. Johns accepted the Bronze Star, the Purple Heart and the Good Conduct Medal.

DUANE A. DOWNING

BERNARD J. NEWHOUSE

HM-3 Bernard J. Newhouse was a Navy medical corpsman with the First Marine Division who was killed April 21 near Quang Tri. Mr and Mrs Gerard Newhouse of St. Johns have posthumously accepted the Vietnamese Military Merit Award and the Gallantry Cross with Palm for their son.

JOHN A. SICKLES

Mr and Mrs Donald Sickles of St. Johns posthumously accepted awards for their son, Army Specialist 4, John A. Sickles, who was killed by small arms fire during an ambush on June 16, 1967 near Cu Chi at the age of 19.
