

... and good 4-H fair

## 'Good weather, good crowd...'

One of the best ways to measure attendance each year at the Clinton County 4-H Fair is through the stomachs of the participants and visitors.

Doing it that way, the 1968 fair could be called an outright success. Other indicators, too, seem to substantiate 4-H leaders' feeling that there were "good weather, good crowds and a good fair."

The Cooperative Extension Service office provided some edible statistics about the '68 fair that gives a pretty good indication of the crowds that filled the fairgrounds. For instance:

\*Some 10,000 soft drink cups were used, most of them for soft drinks.

\*There were roughly 4,206 hamburgers consumed, as well as a large number of chiliburgers.

\*Over 1,000 hot dogs were eaten.

\*Some 1,100 half-pints of milk were drunk.

\*Dessert included 385 pies, with cherry and blueberry being the favorites.

"THE CROWDS WERE much larger this year," 4-H youth agent John Aylsworth agreed in summarizing the three-day 4-H Fair that closed last Wednesday. "We had much greater participation from both 4-H'ers and the public."

Big crowds were experienced both Tuesday and Wednesday nights of the fair. About 500-600 persons attended a horse show at the horse ring Tuesday

night, and Wednesday evening as estimated 1,000 persons swarmed into the grandstands at the park football field to watch the 4-H livestock and float parade, 4-H talent, style show and awards presentations.

There was also greater participation by the public in the second annual 4-H Fair livestock

### More on 4-H fair

Over 1,000 Clinton County 4-H youths participated in the 4-H Fair this year. Section B of this week's Clinton County News carries in words and pictures detailed summaries of the awards made and many of the activities.

sale, held Wednesday afternoon at the horse ring on the fairgrounds. Nineteen different buyers paid over \$10,000 for 26 steers, three hogs and four lambs.

One of the big boosts in attendance was probably provided by an increasing emphasis on horses. This year's horse shows ran for two days, and there was a brand new horse barn on the grounds so the animals could be housed there without a need for transportation each day. There were more horses and more horse events this year and good crowds for each one of them.

For the first time in at least five years, there was no bad weather nor even a threat of bad weather for the fair. The sun shone all three days, but temperatures remained comfortable.

"We had good weather, good crowds and a good fair," Aylsworth said. "It was a good fair for the 4-H kids," he added, referring to the lack of midway and commercial attractions and the emphasis on 4-H work.

The Wednesday evening program spotlighted the best efforts of the 4-H'ers. And the best of the 4-H'ers were presented with prizes, trophies and awards.

SANDY McQUEEN of the Nimble Fingers 4-H Club and Doug Brook of the Bath All-Purpose Club were named the county's outstanding 4-H girl and boy on the basis of their year-around work, and radio station WRBJ presented each of them with a \$25 U.S. savings bond in recognition of their achievement. Station President Robert Dittmer handed out the bonds to the pair in front of the grandstand Wednesday night.

Other awards presented Wednesday included: Float prizes - The 4 Corners 4-H Club was awarded first prize for their best float among 11 which passed in front of the grandstand. Its theme was community service and spotlighted cleanup of roadside brush, paint-up and fix-up, and pick-up of roadside litter. The 4 Corners Club won a \$25 cash prize for their float. Placing second and winning \$20 was the Parker's Workers float; third at \$15 was the Prairie 4-H Club float; and fourth at \$10 was the Victor Pathfinders float. All other floats in the contest were awarded \$5 prizes.

Litter barrel contest - Trophies for first, second and third places were awarded, respectively, to the Kountry Kousins 4-H Klub, Fowler Busy Bees 4-H Club, and 4 Corners 4-H Club. About 25 litter barrels made by 4-H'ers around the county were on display, judged and in use on the 4-H grounds.

Horse trophies - Bernadette Jorae won a trophy donated by Dan Gorman in the ponies class. Bill Mack was the winner of a western horsemanship trophy donated by Rex Teferdiller. A fitting and showmanship trophy donated by Charles Johnson was won by Dana Lannen.

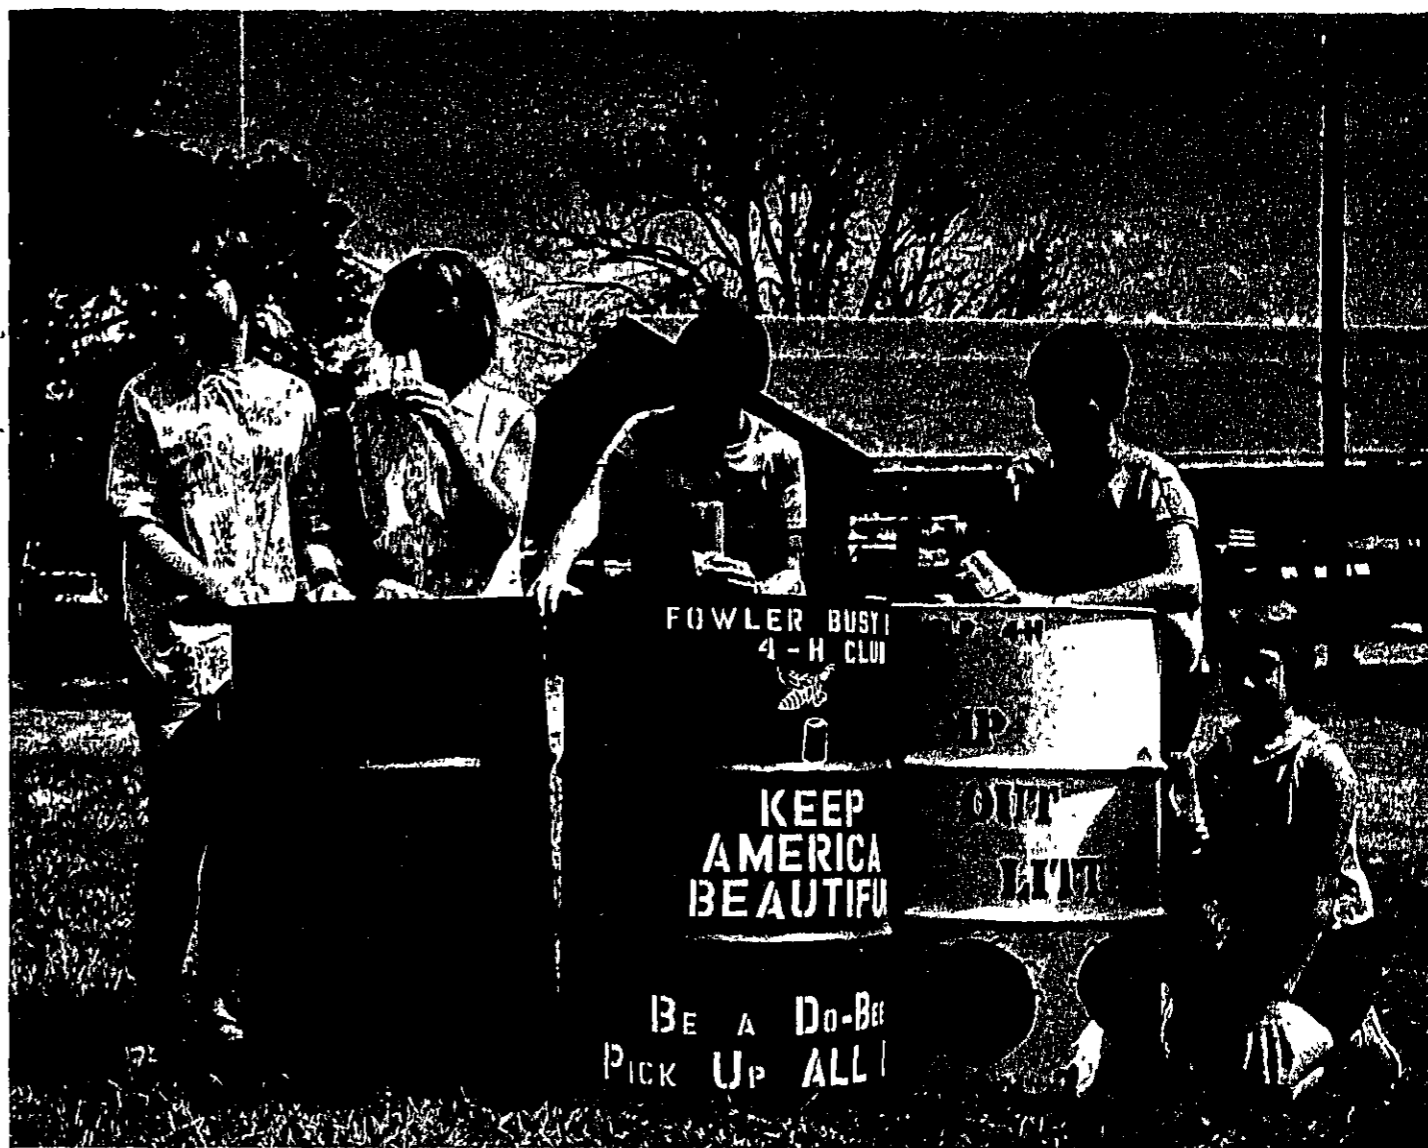

Softball trophies - The Green League trophy was won by Prairie 4-H Club while Victor 4-H Club won the White League trophy.

TRACTOR CONTEST - David Schwark won the tractor driving contest last Monday afternoon and won \$5 for first prize. Dan Jandernoa won \$3 for second place, and Mike Rummell placed third and won \$2.

Beef - Jay Foster showed the grand champion steer at the 4-H Fair, and Brent Ballinger showed the reserve champion for the second year in a row.

Dairy trophies - Charles Green and Dana Sue Hazle won trophies awarded by the Michigan Animal Breeders Cooperative.

Dairy calf winner - Bill Spitzley of the Fowler Busy Bees was awarded a dairy calf by the Clinton County Holstein Breeders Assn.

BUSY BEES, OTHERS HELPED KEEP LITTER CLEANED UP

Brightly-painted and -worded litter barrels dotted the Clinton County 4-H Fair grounds last week for a double purpose—keeping the grounds cleaned up and providing a contest for 4-H'ers. This group of youngsters from the Fowler Busy Bees 4-H Club enjoy some popsicles while chatting and relaxing among some barrels they and other clubs painted. The 4-H'ers are President Lois Miller (left), 15, Kathy Spitzley, 12, LuAnn Harr, 12, Vice President Glenn Feldpausch, 13, and (kneeling), Debra Goerge, 11. The Busy Bees finished second in the contest with 16 clubs, with the Kountry Kousins 4-H Klub winning the prize.

## Fixed millage nears ballot

The proposed fixed millage for school, county, township and intermediate school operations—totaling 18 mills—moved a step closer to the November ballot last week when the county allocation board petitioned the board of supervisors to put the question to the people.

Present allocated millage to the four units totals 15 mills. Voter approval on the increase in allocated millage is needed, and the board of supervisors is delaying its regular September meeting until the 16th so it can act on the petition in time to put it on the November ballot.

The allocation board was called into session last Tuesday by Chairman Carl Bates, and in an unusual show of harmony drew up the petition in about an hour. It would call for fixed millage for the various units in these proportions:

- \*County 6.5 mills (the county gets 6.113 mills this year).
- \*Townships 1.5 mills (they get 1 mill now, although three townships are levying extra voted millage).
- \*Schools 9.7 mills (they get 7.717 mills this year).
- \*Intermediate school district .30 mill (they get .17 mill now).

THE PETITION WAS FILED WITH County Clerk Ernest Carter last Tuesday, and, as required by law, must "lie on the table" for 30 days before the board of supervisors can act on it. Notices have been sent to all board members delaying their September meeting from the 9th to the 16th.

All units represented on the allocation board approved of the proposed separate millage figures, though they might have preferred others, and said they would back it in an election. They were quick to emphasize that 18-mill figure would not mean three more mills of the tax would be levied. The board said it would mean that extra-voted millage (as is levied now in most cases of the schools and in some townships) would be reduced. More taxes would be allocated and less would be levied as extra voted.

The petition calls for the fixed separate millages to be in effect for two years, unless changed by the voters sooner. If the new plan was not renewed within two years, the allocation board would automatically resume its duties as carried out in the past.

The main advantage of the fixed millage plan is that it would eliminate the need for yearly allocation board meetings and hearings, which usually result in heated discussions and hard feelings before final allocations are set. Then, too, the various units will have an advantage of knowing in advance what their allocation will be for their next fiscal year.

## Car-train collision injures 2

FOWLER—A Fowler mother and her 10-year-old step-daughter were injured last Wednesday afternoon when a Grand Trunk Railroad freight train struck their car at the Bauer Road crossing east of Fowler.

Mrs. Janice M. Cook, 26, of Kinley Road, R-1, Fowler, has been released from Clinton Memorial Hospital, but Connie Cook, 10, remains there with a broken leg suffered in the accident. She was described as in "good" condition Tuesday.

The accident happened about 2 p.m. last Wednesday. Mrs. Cook apparently did not hear or see the west-bound train until a few seconds before the collision. Her car left 60 feet of skid marks up to the point of impact.

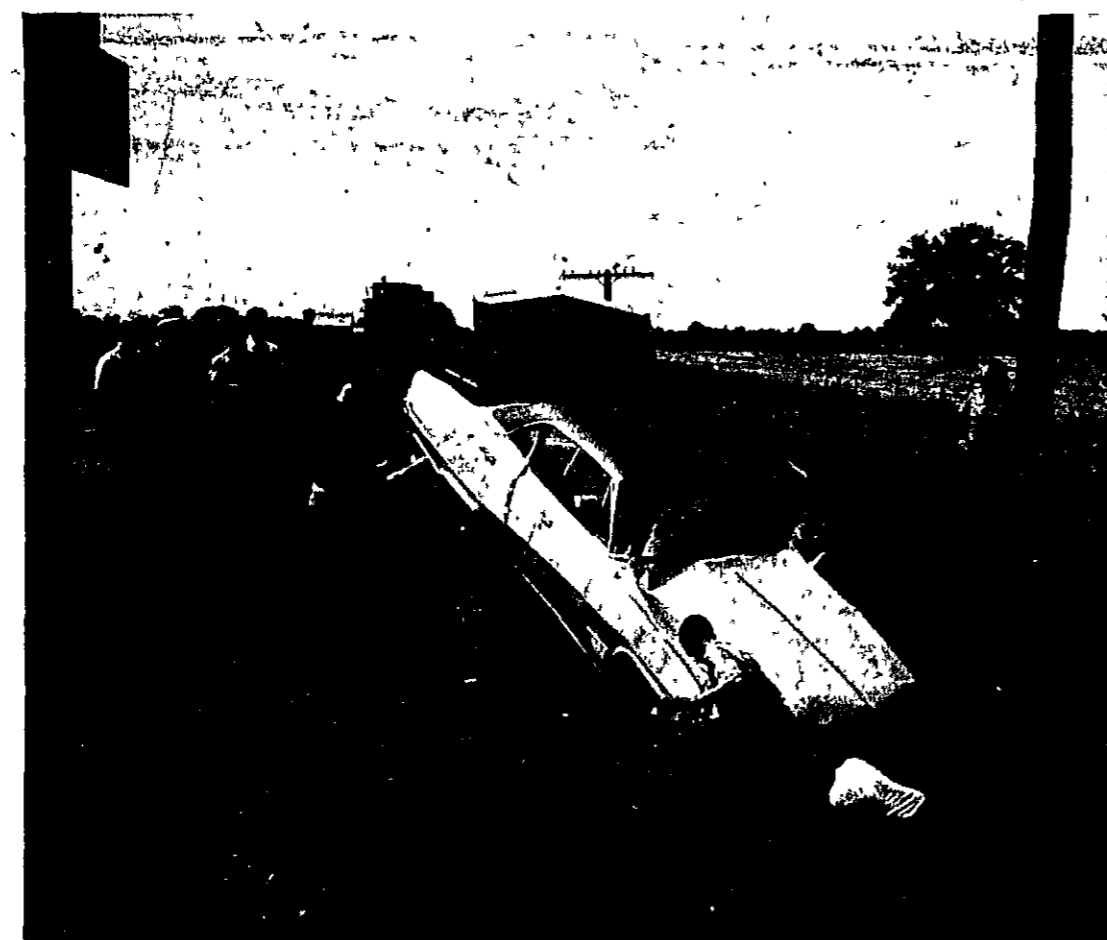

The engineer, Floyd McGoldricks of Durand, said he saw the car approaching the crossing from the north on Bauer Road and when it didn't look like it was going to stop he sounded his whistle.

THE CAR WAS PUSHED about 50 feet off the road and down an embankment next to the tracks.

Mrs. Cook was released from Clinton Memorial Hospital over the past weekend.

Two persons suffered bruises in other automobile crashes in the county during the past week, but none was serious.

Rex G. Ward, 31, of US-27,

Clinton County Deputy Sheriff Hilary Hafner checks out the battered car in which Mrs. Janice M. Cook, 26, and her stepdaughter, Connie, 10, were injured last Wednesday when it was struck by a Grand Trunk freight train (background) at the Bauer Road crossing east of Fowler.

R-3, St. Johns, was treated at Clinton Memorial for bruises he suffered when his car hit the rear of a truck about 12:08 a.m. Friday on US-27 at Kinley Road. Donald R. Kenny, 34, of Shepherd, the driver of the truck, and his wife were unhurt.

Ward was ticketed by sheriff's officers for failure to stop in assured clear distance ahead.

Richard A. Holm, 16, of 705 S. Kibbee Street, St. Johns, suffered bruises when his and another car collided on M-21 east of Scott Road Friday evening. According to the sheriff's department, Phillip H. Howe, 46, of 608 W. Baldwin had signalled for a left turn into a driveway off US-27 and had started his turn when Holm's car started to pass.

## Sealed Power open house next Thursday

Sealed Power Corp. will hold an open house, with public tours of the plant, next Thursday evening, Aug. 29, from 7:30 to 9:30 p.m.

The open house is in celebration of Sealed Power's 20th anniversary in St. Johns. The anniversary actually was in 1966, but the company was in the middle of a multi-million dollar expansion program here at the time.

The tour next Thursday will take visitors throughout the plant while it is in operation.

## 15-bout fight card at high school

## Boxing returns to St. Johns Saturday

The sport of boxing will make one of its rare appearances in St. Johns this Saturday evening when the Clinton County Athletic Club sponsors a 15-bout fight card at the St. Johns High School Gym starting at 8 p.m.

Four highly respected local boxers - Bob Every, Doug Brya, Pat Pohl and Dick Padgett - will headline the exhibition, expected to draw a maximum 1,500 boxing fans to the gym. Each fight will be a maximum of three

two-minute rounds. Golden Gloves trainer Wayne Beaufore said steps have been taken to assure the four head-

liners will have bouts this Saturday night. Last year opponents for Every and Brya failed to show up and the two ended up boxing each other in a light-punching three rounds.

At the middle of this week, it looked like scheduled opponents for Brya and Padgett wouldn't be able to make the exhibition, but backup contenders have been arranged for.

Every, open welterweight and state Golden Gloves champ this year, is pitted against a chap by the name of General Neeley, and as far as Beaufore knows the fight is still on. If Neeley can't make it, however, Every will fight Mike O'Reilly, Canadian Golden Gloves champion whom Every beat in a bout in Windsor, Ont., last Wednesday. Brya, an open lightweight boxer with an impressive record, was scheduled to fight Rick Ford of Owosso. Ford, however, has moved to a Western state and probably won't be around to fight, so Brya has been lined up with Raymond Gray, a fellow who beat Brya by a decision at Windsor. A CALF FOR BILL TO RAISE

The Clinton County Holstein Assn. awarded a calf last Wednesday night to 4-H'er Bill Spitzley, 14, of the Fowler Busy Bees 4-H Club. On hand for the presentation were George Hazle (left), President Duane Green, Erv Martin, Secretary-Treasurer Charles Bracey and Robert Wilcox. The association purchased the calf from Ernest Jackson of Ovid. Bill is the son of Mr and Mrs Ron Spitzley of 1150 N. Hinman Road, Fowler.

## County Republicans to nominate, then elect executive board

Clinton County Republicans made the decision last Wednesday to elect the members of the party's county executive committee from a nominating list at the next convention following the November general election.

The nominees will number at least 22—twice the number to be elected—and will be compiled by a five-man nominating committee to be appointed by county Chairman Andrew Cobb by the end of this month.

Forty-one delegates present at the convention last Wednesday in the courthouse passed a resolution setting up the procedure. They also elected delegates to the state Republican convention this Friday and Saturday and acted on several other resolutions.

The resolution on the nominating of executive board members was introduced by Mrs Margaret Thingstad of Watertown Township.

"Because of the increasing importance of government at the local level and the knowledge of issues and candidates, as well as education in registration, absenteeism and correct voting procedures, our party has a growing responsibility in this rapidly developing county.

"THEREFORE, I MOVE that a

nominating committee of five persons be appointed to submit names of candidates for election to the Republican executive committee of Clinton County at the next county convention following the general election in November, and 1) that the names of the nominating committee, together with a suitable news story, be published in the Clinton County News before the end of this month so that interested people may contact them and suggest possible candidates; 2) that at least 22 nominations be made for the 11 places, these to be people who have been contacted and who have indicated a willingness to serve; 3) that the names of the nominees be submitted on paper so that convention delegates may elect from a written ballot; and 4) that nominations from the floor be accepted, as well as those printed."

The motion was amended by Robert Montgomery of Watertown to provide that the names of the presidents of the Republican Women's Club and the Young Republicans be included in the list of nominees.

The Republican state convention will be held in the Grand Rapids Civic Auditorium this Friday and Saturday, with Gov. Spiro Agnew of Maryland, GOP vice presidential nominee, as

the speaker. County delegates to the convention, as elected last week, include:

Norman B. Kenyon of St. Johns, Andrew Cobb of Elsie, Paul E. Graff Jr. of Fowler, Lawrence Maier of Lansing, Robert M. Montgomery of Eagle, J. Herman Pohl of St. Johns, Gerald Shepard of Bath, Gordon Willyoung of Lansing and Duane A. Woodruff of Lansing.

In case some of the delegates aren't able to be present, the county convention named nine al-

ternates. They are:

Earl Barks of DeWitt, Oliver Beck of Eureka, Bruce Lanterman of St. Johns, Elmer Marten of St. Johns, Paul Nobis of St. Johns, Henrietta Prince of St. Johns, Lee Rummell of DeWitt, Margaret Thingstad of Lansing, and Virgeline Zeeb of Bath.

Last Wednesday's county convention was well attended, with some 60 persons filling the supervisor's room in the courthouse.

## 2 banks finance 4 new O-E buses

OVID-ELSIE—Bids came in at the same figure, so the Ovid-Elsie School Board has awarded the financing of four buses to both the Clinton National Bank and Trust Co. and the Central National Bank.

Each will finance two buses at identical interest rates of 4-1/2 per cent.

The school board last week approved a change in a contract with Consumers Power Co. which will enable the school to save about \$325 annually on their gas bill. The new contract will give the schools a lower commercial rate.

Ovid-Elsie will continue the federal Title I program which provides such special programs as remedial reading. Bids for bread, milk, fuel and gasoline for the coming school year were tabled by the board for further study.

## F-M union election ahead

Federal-Mogul employees will be balloting again within a few weeks on a proposal for union representation by the United Auto Workers or their own plant representation.

The election, still to be scheduled by the National Labor Relations Board, follows a vote Aug. 7 and 8 in which the UAW, the company and the Allied Industrial Workers of America were involved.

A simple majority of votes cast is necessary for any group to win representation, and a spokesman for the company said none of the three groups had a majority. A run-off election will be called between the two groups getting the most votes—the UAW and the company.

## P-W pact urged by Milliken

PEWAMO-WESTPHALIA—Lt. Gov. William G. Milliken has taken action in an attempt to speed up a resolving of a contract between teachers and the board of education of the Pewamo-Westphalia School District.

The lieutenant governor wrote Friday to negotiators for both sides urging them to resolve any remaining difference as quickly as possible.

In letters to heads of bargaining teams, the lieutenant governor emphasized the importance of early settlements to "avoid any situation which might jeopardize full educational opportunities for students." Milliken also reminded negotiators that the State Labor Mediation Board stands ready to offer every possible assistance.

The lieutenant governor said he does not intend, personally, to become directly involved in negotiations, but that he is determined to take every appropriate action to make sure that negotiations proceed as rapidly as possible and that schools open on schedule.

## St. Johns cited for pedestrian safety record

St. Johns is one of 30 Michigan communities receiving pedestrian safety citations in the 29th AAA National Pedestrian Safety Program.

The citation is awarded to cities competing in the program which record no traffic fatalities for at least one year, according to Automobile Club of Michigan. This is the fifth consecutive year without a pedestrian death for St. Johns.

In addition to the no death requirement, cities must have an effective pedestrian education program. James Moffat, Auto Club area manager, will present the citation to Mayor Charles C. Coletta on Tuesday, Aug. 27 at 7:30 p.m. at city hall.

Take one step at a time and you'll eventually reach the top.

## 4 men draw terms in prison

Circuit Judge Leo Corbin sentenced four men to prison terms in the Jackson State Prison Monday.

Arthur R. Fuller, 58, of 202 1/2 E. Grand River, Lansing, was sentenced to 1 1/2-2 years at Jackson after being found guilty of voluntary manslaughter and involuntary manslaughter in the traffic death May 18 of Delores

Fletcher near the Northside Drive-In Theater.

Dwight K. Simmons, 18, of Detroit and Tyrone H. Norris, 19, of Jackson were sentenced to from two to five years in prison for armed robbery and larceny of over \$100. They were arrested May 25 in Bath Township.

Patrick H. O'Malley, 41, of North Hampton, Mass. was sentenced to from 2 1/2 to four years in prison for larceny from a building. He was arrested July 14 in DeWitt Township.

The Clinton County Jail was busy last week as other law violators spent some time there. Robert J. Little, 26, of Lansing, was fined \$100 plus \$20,50 costs and sentenced to five days in jail Monday after his arrest

in DeWitt for driving on a revoked license. He was also fined \$15 plus \$5 costs on a speeding charge.

George R. Harrell, 33, of Beaverton, drew identical fines of \$100 plus \$20,50 costs when pleading guilty before Justice of the Peace Gordon Willyoung for driving on a revoked license and driving under the influence of liquor.

Thomas D. Sailer of 6090 M-21, Ovid, was fined \$75 plus \$20,50 costs and sentenced to three days in jail by Municipal Judge Harold Reed Saturday on a charge of driving under the influence of liquor.

Gerald R. Eldred, 47, of Owosso and LeRoy K. Price, 50, of Corunna were both fined \$25 plus \$8 and sentenced to three days in jail by Reed on drunk and disorderly charges. They were arrested in St. Johns Aug. 14.

## Let's forget tornadoes

Clinton had a quiet spring, as far as tornadoes were concerned, but it has been a busy August!

Two more tornado watches and one tornado warning were recorded during the past week, along with some heavy winds and minor damage Friday night east of Fowler.

Clinton County was under a tornado watch from 5:45 to 11:57 p.m. Friday evening, and Sheriff Percy Patterson issued a tornado warning at 10:07. Trees were uprooted and wires were blown down in the neighborhood of Wacousta Road and M-21 east of Fowler. Lightning darkened the area around French's Corners three miles north of St. Johns and in a number of other areas in the county.

Lightning caused two fires in the St. Johns area Friday evening, but neither was serious. The first was at 1557 W. Price Road at 8:24 p.m., and the second at the Harold Zimmerman residence at 202 W. Cass Street at 8:45. In both cases wiring was damaged.

Monday afternoon another tornado watch was issued about 3:10, but the all-clear was received at 6:42 p.m. It became extremely windy during the night, however. St. Johns' tornado warning sirens were not sounded either day.

St. Jerome has been called the patron saint of those who make eye glasses ever since he was painted wearing spectacles in 1480 by Ghirlandajo.

## JC Auxiliary holds meeting

The Fulton Area Jaycee Auxiliary met August 15, at the Jaycee Hall with Marilyn Johnson and Arlene Robinson as hostesses.

A report was given on the orientation meeting. The Auxiliary also received a letter and some pictures from Head Start teacher Dorothy Smith.

A committee was set up for the Toy Party to be held at the old bank building in Middleton, the date to be decided later.

A family picnic for the Jaycees and their families is going to be Sept. 8 at the Carson City Park.

## Johns draws win in DeWitt

William A. Johns won a drawing last week and was declared the winner in a race for a seat on the DeWitt Township Board of Trustees. But the loser of the drawing, Roger Pline, has filed for a recount.

That was the word last week from County Clerk Ernest Carter. Johns and Pline had tied with 334 votes each in a race for one of two trustee seats open. They met at the county clerk's office Aug. 9 and decided the race by the drawing of a slip of paper out of a hat.

Pline has filed his petition for a recount of all five precincts in DeWitt Township. Carter said no recount could be conducted until after the state canvassing board releases the ballots for local recount; this must be done, by law, no later than next Monday. Carter said the DeWitt Township recount would take place some time after that date.

Mrs Lloyd Nequette of Lansing was a dinner guest of her father, John Foerch and brother and sister-in-law, Mr and Mrs Floyd Foerch and Sandra last Sunday. In the afternoon, Mrs Foerch, Mrs Nequette and John Foerch called on Mr and Mrs Albert Moritz of Essex and Mr and Mrs Louis Moritz and family.

Mrs Arthur Martens, Mrs Melvin Argersinger and children of St. Johns and Mrs Edmund Falk were Thursday afternoon visitors of Mr and Mrs William Ernst. Dinner guests a week ago Sunday of Mr and Mrs Louis Moritz and family were Mr and Mrs Clare Moritz of rural Grand Ledge and Mr and Mrs Edward Moritz. Supper guests of the Moritz's were Mr and Mrs William Schellhamer and family of Lansing. Karen and Sandra Schellhamer spent from Sunday night until Thursday morning with Kathy and Ann Moritz.

A severe windstorm hit this neighborhood late Friday afternoon and did considerable damage to the building on the farms of Louis Schmitt and Alex Thelen. On Sunday, August 11, Mrs Allen Weseman of St. Johns, Mr and Mrs Walter Falk of Fowler and Mr and Mrs Edmund Falk were in Holland where they joined another sister, Mrs Edna Hindert and all were dinner guests of Mrs Hindert's son and daughter-in-law, Mr and Mrs John Hindert. They also picked blueberries in that area and saw a mechanical blueberry picker in operation.

The fourth annual Pasch reunion was held at the St. Johns Park, Sunday. Those present enjoyed a potluck dinner, visiting and playing cards. Those attending from this area were: Mr and Mrs Fred W. Pasch, Mr and Mrs J.D. Bancroft, Mrs Edna Wata-maker and Mr and Mrs William Ernst and Maxine.

Mr and Mrs Clarence Sillman of Fowler and Mr and Mrs Louis Moritz were Friday evening callers of Mr and Mrs Motchek of Wacousta and Mr and Mrs Clare Moritz of rural Grand Ledge. Mr and Mrs Claude Thelen and family were in Grand Rapids on Thursday where they shopped at the Woodland Shopping Center and had a picnic dinner at John Ball Park.

To celebrate the birthday of Edward Moritz on Wednesday, John Foerch, Mr and Mrs Floyd Foerch and Sandra, Mr and Mrs William Ernst and Maxine and Mr and Mrs Louis Moritz gathered at the home of Mr and Mrs Edward Moritz that evening. They visited and played cards. A lunch was served which featured a birthday cake.

Mr and Mrs Fred Sehlke of Fowler spent last Saturday evening with Mr and Mrs Fred W. Pasch and Mr and Mrs J.D. Bancroft.

On Saturday, Miss Peggy Stur-gis returned to Detroit after visiting her mother, Mrs Edna Wata-maker for the past three weeks.

The August meeting of the Watertown Charter Township was called to order by the Supervisor, with Clark McDonough, Treasurer Kraft and Trustee Garlock present.

The Looking Glass Valley Park Board, represented by four members, were present to discuss matters for future planning of the park.

The July minutes read and accepted.

Communications were read, one being a resignation from Henry Furman on the Planning Commission. A letter from the Waverly Schools requesting the Township Board to adopt a Resolution governing the operation, parking without fees and speed of motor vehicles upon their property in the Township was read. Further action will be taken after more investigation.

Treasurer's report read and placed on file.

Bills were read and orders drawn for the same. Meeting adjourned.

### Lisa Hicks schedules carnival

Miss Lisa Hicks will hold a carnival for the benefit of the American Cancer Society in behalf of the Clinton County Chapter. She will be assisted by neighbors, Carolyn and Joanne Wilke.

Lisa is the daughter of Mr and Mrs Kenneth Hicks and will host the carnival at her parents home at 2124 South Grove Road at 2 p.m. on August 24.

On the agenda for the afternoon will be a special hula-hoop contest with a prize for the winner of the boys competition and a prize for the top-notch girl hoop-er.

Other goodies available at the carnival will include popcorn, kool aid, and a cookie sale. Coffee will be available for the mothers who wish to attend with their children.

Lisa has planned several games for those attending. Sponge toss and penny pitching will be among the many events planned.

For a special attraction, Mrs Hicks says that the appearance of some clowns are slated for the afternoon. She urges that everyone attend the carnival for an enjoyable afternoon and the benefit of a good cause.

MR AND MRS REX J. FERGUSON

## Louise Hicks is new Mrs Rex J. Ferguson

Before the St. Johns First Methodist Church altar banked with arrangements of white glads and aqua daisies, Louise, Marie Hicks, daughter of Mr and Mrs Marshall Hicks and Rex John Ferguson, son of Mr and Mrs Nell Ferguson were united by Rev Harold Homer in a double ring ceremony held July 27.

The bride was escorted to the altar by her father to traditional music. Jim Trierweller sang solos for the ceremony.

The bride and groom are both graduates of Rodney B. Wilson High School and Lansing Community College.

The bride was gowned in an empire dress of silk satin with venise lace and bell sleeves. The gown was accented by a full rounding train. Her shoulder length veil was held by a pearl crown trimmed with venise lace. She carried a straight cascade of amazon lilies and white carnations.

Serving as maid of honor for her twin was Lorraine Hicks. Mrs. Patricia Eldridge of Fowler and Mrs. Harriet Hicks of St. Johns were secondary attendants. The bride's cousin, Harriet Hicks was the flower girl.

The attendants wore dresses of aqua chiffon over white satin. The dresses were trimmed with daisies at the waist and sleeve. Headresses were of aqua net and daisies.

Each carried a bouquet of aqua and white daisies. The flower girl carried a white basket of rose petals.

The groom's mother chose a

summer knit lace dress with a silk neck scarf. With her aqua dress she wore matching shoes and hat. Mrs Hicks attended the ceremony in a white linen dress that was decorated with polka dots of brown and black. Her shoes and hat matched the dress. Each mother wore a corsage of white daisies and yellow asters.

The groom's brother Lynn was best man, Jon Botum and Leslie Warner, both of St. Johns were groomsmen and seated guests. Allen Carroll, cousin of the groom was ring bearer.

After the ceremony a buffet luncheon was held in the church basement. Serving cake and drink were Mrs Carol Rideout, Miss Delana Sykora, Mrs Jean Paridke, Mrs Cynthia Panasiewicz. Mrs Jean Urban and Mrs Diane Warner opened gifts and Mrs Sharon Bottum registered the guests.

Special guests present for the special day were the grandparents of the bride, Mrs Corelda Hicks and Mr and Mrs Michael Wesner.

Before departing with her husband for their honeymoon trip to Hawaii, the new Mrs Ferguson donned a pale blue cotton lace dress accented by a flare skirt.

The couple now are at home at 1730 1/2 Cedar Street, Lansing.

Michigan State University has awarded more than 100,000 degrees since its first class was graduated in 1861. It took 95 years for the total to reach 50,000 and only 10 years for it to exceed 100,000.

### 10 here to attend Church of God youth convention

Participating in one of America's unusual youth conventions this summer will be 10 delegates from the St. Johns community, who will be among over 4,000 persons converging on Minneapolis, Minn., Aug. 22-25.

The occasion is the biennial International Youth Convention of the Church of God. Rev L. Dean Stork, pastor of the St. Johns Church of God, said the local delegation of young people and adults was to leave here Wednesday, Aug. 21.

Planned under the general theme, "Power to Be", the program format is designed to help young people in their "searching-questing for the meaning and purpose of life," according to Rev Kenneth Prunty, director of youth ministries of the Church of God.

Smaller Depth Involvement Groups (DIG) will replace large conference sessions of previous conventions. Seminars in the areas of drama, communication, science, sports, social concerns, and cultural groups will tour the Twin Cities area.

Local delegates will include: Linda Berkhausen, Connie Gove, Jeanne Ferman, James Salisbury, Beth Stork, Gail Woodworth, Peggy Young and Mark Young. Mr and Mrs Robert Redman, sponsors of the group, will also be attending.

MRS RICHARD N. BROWN

### Wedding announced

Mr and Mrs Richard Schneider of 716 Union Street, Portland, take great pleasure in announcing the marriage of their daughter, Mary Lue to Mr Richard N. Brown.

Miss Schneider and the son of Mr and Mrs Norman Brown of

Fowler were united in holy matrimony at St. Patrick's Church in Portland at an 11 a. m. nuptial mass celebrated by Rev Stephen Kolenic on July 13.

Serving as maid of honor for her sister was Miss Judy Schneider. Bridesmaids were Patricia Pohl and Diana Trerweller, friends of the bride and Karen Brown, sister of the groom, Miss Kim Baldwin, niece of the groom was flower girl.

The groom's brother, Gary, was best man and the brothers of the bride, Kenneth and Dennis and a friend of the groom, Hilary Stump, were groomsmen. Kevin Schneider, brother of the bride was the ring bearer.

William Kaloz, Jr. and Edward Feldpausch showed guests to their seats. The new Mr and Mrs Brown received guests at a reception following the ceremony, at the American Legion Hall in Portland.

After a honeymoon trip to Florida and Washington, D.C. the newlyweds will reside at 416 West Grand River in Portland.

### Bonner's new site given tentative OK

A new site for Bonner's House of Deerskin has been approved by the Clinton County Zoning Commission, and final action on the request for rezoning will be taken by the county board of supervisors in September.

The firm's retail store on US-27 north of Clark Road will be vacated soon because it's in the middle of the proposed US-127 and US-27 highway interchange.

Bonner's asked to rezone about an acre of land a mile north of the present site so that a new store could be located there. It's at the corner of sections 3, 4, 9 and 10 in DeWitt Township.

In its meeting last Wednesday evening, the zoning commission tabled a request for Willard Searles to rezone about 159 acres in Bingham Township from agriculture to trailer park subdivision. The commission asked for more time to study the request.

The proposed trailer park would be at Parks and Loomis roads a mile south of St. Johns. Under the plan residents would own the land their trailer is parked on.

### Announcements

The regular Olive Grange meeting scheduled for Aug. 23 has been postponed and will be held Aug. 30.

Open house was held Sunday at Salem United Methodist Church honoring Mrs Maynard Beck in celebration of her completion of studies for her master's degree at Michigan State University. The event was hosted by her children, Mr and Mrs Robert Larsen, Mr and Mrs Mike Oatley and Mr and Mrs John Beck.

From the serving table centered with an arrangement of snap dragons and candleabra Mrs Dennis Phillips, Miss Coral Johnson, Mrs Charles Johnson and Mrs Gladys Hankey served cake, ice cream, punch and coffee. The cake of congratulations was decorated with yellow roses. The guest book showed eighty persons attended.

### Reunion announced

The Morris family is all invited to attend the 45th annual reunion. It is scheduled to be held on Sunday, Aug. 25 at the Fitzgerald park in Grand Ledge. A basket dinner is on the agenda and all plan to start at 1:15 p.m.

MRS KENNETH LEE PUTNAM

### Candlelight ceremony unites Mizga, Putnam

Before an altar adorned with arrangements of white gladioli, mums, pink carnations and babies' breath and lit by candlelight, Marsha Lynn Mizga and Kenneth Lee Putnam exchanged their wedding vows on Saturday evening, August 3, at the United Church in Ovid.

The Rev. Beatrice Townsend officiated at the double ring ceremony for the daughter of Mr and Mrs Frank Mizga of 8012 Wildcat Road, Ovid and the son of Mr and Mrs George Putnam of 7940 Hibbard Road, Ovid.

Given in marriage by her father, the bride wore a gown of silk organza over taffeta with seed pearls and sequin tracery on re-embroidered French Lace at collar, bodice, sleeves and on the edge of the wattleu train.

The bride's Camelot headpiece of pearls and sequins secured her full length silk illusion veil. She carried a curved cascade bouquet of stephanotis, orchids, babies' breath, pink roses and lemon leaves. In her shoe, she carried for good luck, a six-pence brought from London by a cousin of the groom, who arrived from Europe Saturday afternoon.

Miss Marlene Mizga, of Ovid attended her sister, as maid of honor, wearing an A-line floor length gown, with bodice and full length sleeves of white gathered nylon lace with green satin sash and karate linen skirt. Wearing identically styled gowns, were the bridesmaids Miss Betty Bush and Miss Betty Stull both of Grand Rapids and Miss Marcy Stasa of Walled Lake. Like the maid of honor their headpieces were white lace bows with pink bouffant veils. They carried starburst bouquets of white feathered mums, babies' breath, and pink carnations with greens.

Keith Putnam of Owosso served his brother as best man. Groomsmen were James Saxton, USN, of Ovid, stationed in Hawaii; Kyle Austin, UNAF, of Lansing-

burg, stationed in Louisiana and Dan Sebeck of Owosso, Tom Semans and Max Whitmyer, both of Ovid were ushers. Mrs Donald Freeman, aunt of the groom, was hostess at the church and Mrs Lawrence Huot, aunt of the bride, was in charge of the guest book.

Mrs Mizga witnessed the ceremony wearing a pastel pink lace and crepe coat-dress with matching accessories. Mrs Putnam wore a beige sheath, with pink accessories. Both mothers as well as Miss Grace Putnam, aunt of the groom, who wore a pastel green silk shantung jacket dress, were presented with corsages of feathered mums, babies' breath and pink roses.

Donald Warren of Ovid was guest soloist, with Roger Mathes of Ovid as organist. Honored guests were Mr and Mrs George Olson of Ovid, Mr and Mrs Henry Mizga of St. Johns and Mr Earl Putnam of Ovid, grandparents of the bride and bridegroom.

Mr and Mrs James Olson of Ovid, aunt and uncle of the bride, and Mr and Mrs Oren Semans of Ovid were host and hostess at the reception for 350 guests held at the Veterans Memorial Building in Ovid. Music for the reception was furnished by Nick and Aellean of Durand. Guests were present from Italy, Midland, Lansing, Grand Rapids, Lakeview and Detroit. Miss Brenda Fill of Grand Rapids, helped at the gift table, Miss Karen Olson and Lynn Putnam, brother of the groom, assisted her.

Before leaving on a wedding trip through Northern Michigan, Canada, Minnesota, and Wisconsin, the bride donned a brown and white ribbon knit dress with matching accessories. They will be at home at 7455 Riley Road, Elsie.

The bride is a graduate of Ovid High School, class of 1964, and Central Michigan University and is affiliated with Beta Beta

Betta and Kappa Delta Pi honorary societies. She will be teaching in the Ovid-Elsie School System. The bridegroom is a graduate of Ovid High School, class of 1964, and Michigan State University, and employed at Midland Ross in Owosso. He is a member of the Michigan National Guard.

### 15 attend gala for Brown

### Calder earns master's degree in Paris

Don't you believe that a one-room school education won't get you someplace!

Dale Calder, 30, of 320 W. Centerline Road, doesn't believe it, and he tells of his success as a graduate student in Paris, France, to prove it. Calder is back home now after having received his master's degree in medieval history from the University of Paris on June 15. He intends to teach on the university or junior college level in French and political science and may be history.

Calder, the son of Mr and Mrs Leo Calder, graduated from the one-room County Farm School in 1952 and then from Rodney B. Wilson High School in 1956. He received his bachelor's degree in French and social science in 1965 from Michigan State University.

Of all the foreign students at the University of Paris (about 50), he finished with the highest grade on his thesis, which was on medieval history.

# Bell-McGowan exchange vows

Before an altar decked with glads, Mr and Mrs James A. Bell gave the hand of their daughter, Patsy Lee to Mr Gordon MacGowan. Rev LaVern Bretz performed the double ring ceremony at the Valley Farms Baptist Church in DeWitt township on Aug. 17.

Miss Judy Friend of Bath sang the "Lord's Prayer" and "O

Promise Me" for the marriage of the Bath couple.

The bride wore a white shadow lace floor length dress and a finger tip veil of tulle. Her bouquet was yellow and white roses.

The maid of honor was Eldona Vermillion of Bath. Kathy Everhart and Andrea Morrison were bridesmaids. Miss Sue Carol Bell was her sister's flower girl. The maid of honor wore a blue lace over blue taffeta gown. The maids wore yellow and pink.

The bride's mother wore a pink shadow lace over pink taffeta dress.

Mike Moulder of Lansing was the best man. Dennis Merkel and Larry Benillo were groomsmen. Loren Steven and John Michael Bell, cousins of the bride were ushers and Kevin Scherer was ringbearer.

The reception was held after the ceremony at the home of the bride's parents. Mrs Vermillion assisted with serving.

Before leaving to travel Canada for their wedding trip, the new Mrs MacGowan donned a blue linen dress. After the trip, the couple will be at home in Ovid.

**Lower Life Expectancy**

Life expectancy in the tropics, which account for almost half of the world's population, is lower than in northern climates due to the prevalence of disease and unsanitary conditions. In some areas, fewer than half of the children reach age 15.

MR AND MRS JOSEPH CUDZIAL

# Katherine Pilmore new Mrs Cudzial

Miss Katherine Ann Pilmore of 5352 Wilson Street, Gary, Ind., formerly of Fowler became the bride of Sergeant Joseph Cudzial Jr. who is stationed at the US Naval Training Station, Ill.

The bride is the daughter of Mr and Mrs Richard Pilmore of Gary and the groom is the son of Mr and Mrs Joseph Cudzial, also of Gary.

The vows were repeated at the Christian Reformed Church in Gary at 5 p.m. on Aug. 10. Rev Earl Dykema, pastor of the church united the couple.

The bride wore a gown of white chiffon and lace. The bodice was designed in lace that was trimmed with seed pearls. Wrist length sleeves of lace enhanced the beauty of the gown. The floor length skirt was of chiffon over laid with tiers of lace accenting the front. A full length train of chiffon and lace was attached at the shoulders. A shoulder length veil matching the dress was worn. The only jewelry worn by the bride was a single strand of pearls, a gift of the groom. She carried a nosegay of pink rosebuds and white carnations with a corsage in the center.

The maid of honor was Betty J. Cudzial, sister of the groom. Her gown was white lace over pink taffeta and a matching head-dress. She carried a nosegay of pink rosebuds and white carnations.

Identically attired was the bridesmaid, Mary Ann Kanaski of St. Johns, niece of the bride. The junior bridesmaids, who were dressed similarly to the maid of honor, were Liane Chesebro and Kimberly Most, nieces of the bride. The flower girl was Trina Pilmore, niece of the bride and she wore a floor length gown of white lace and carried a basket of pink carnations.

The best man was Robert Pilmore, brother of the bride and groomsmen was John Cudzial, brother of the groom. Junior groomsmen were Jimmy Cudzial, brother of the groom and Douglas Wolago, cousin of the groom.

The new couple will reside near the Great Lakes Naval Training Station after a short honeymoon in Wisconsin. The bride attended Calumet Schools in Gary and is a member of the Beacon Light Christian Reformed Church of Gary. The new husband graduated from the same high school and enlisted in the Navy in 1965 and has served 13

months in Viet Nam.

Ushers for the wedding were William Pilmore, brothers of the bride, Glenn Nelson, brother-in-law of the bride, Max Chesebro, brother-in-law of the bride, and Stephen Smith, friend of the groom.

A reception was held at the Ohies Restaurant in Highland, Ind. The wedding cake was tiered and decorated with yellow roses and topped with a miniature bride and groom (dressed in Marine dress uniform as the groom was for the ceremony) and was made by the bride's sister, Mrs Robert Most of St. Louis.

## THE NEWS IN BRIEF

Robert Cooley, son of Mr and Mrs Marvin Cooley of 5727 Cherry Street, Bath, was among 21 students studying the latest techniques in physical fitness evaluation in a special workshop recently at Michigan State University. Cooley is a senior majoring in physical education. Woodrow H. Barclay has been named area conservationist for the Soil Conservation Service, headquartered in Grand Rapids. The Grand Rapids office serves 12 soil conservation districts in southwest Michigan, and Barclay will have supervisory responsibilities for SCS personnel assisting those districts. Vandals broke lights out of several tractors, let air out of tires and smeared grease on pickup trucks and the side of the Clinton County Road Commission building last week. Youngsters are suspected as the culprits.

# Hobby entertains children

A familiar sight around Fowler this summer has been the pony pulled wagon of Mr Richard Gensterblum which was rarely seen without a load of children. Mothers are not surprised when their youngsters come running with "Mom, Gensterblum's wagon is coming! O.K. if I go?" and only a slight nod of approval sends them flying for the road, waiting and ready to hop aboard.

Mr Gensterblum tours the streets of Fowler with no set route. As he approaches already traveled areas, some children

jump off, new ones jump on, and this pattern continues over and over on a long summer afternoon. He has noted that once he had as many as 42 children on at one time, an estimated weight of 1 and 1/2 tons.

Mr Gensterblum has always been interested in horses and a few years ago bought his first pony. He had his wagon made and plans are underway for making a new improved wagon.

The team he has at present was purchased last fall, separately. He's very proud of their

fine match, not only in their coloring, but the fact that their weight varies only five pounds. They weigh about 1090 pounds.

The Gensterblum family spends most of their spare time grooming this team, Prince and Mitzzy, and riding the two other ponies they own.

## None injured in city crashes

Traffic accidents in St. Johns last week didn't amount to much in the extent of injuries, although there were several "spectacular" type mishaps.

David R. Pentix, 26, of Lansing, told city police he lost control of his car when he hit water on Swegles Street about 2:30 a.m. Saturday, and the auto snapped off a telephone pole in front of Swegles School. Pentix was ticketed for failure to have his car under control.

Three cars were involved in a collision about 4 p.m. Sunday at M-21 and US-27. David Draper, 49, of Washington, Ind., Rollon G. McIntyre, 23, of Kalamazoo, and Albert Rayha, 30, of Wayne were the drivers. Draper was going north on US-27 and McIntyre was turning left in front of Draper onto M-21. The impact of the collision pushed McIntyre's car back into Rayha's.

The contention is over the traffic light at the time of the crash. Draper and Rayha said it was green. McIntyre and a witness in another car making a left turn said the light was amber. City police wound up by issuing McIntyre a ticket for failure to yield the right of way.

Alva J. Ballinger, 74, of 507 S. Swegles, St. Johns, and Ronald Kindel, 28, of rural Ithaca were involved in a two-car crash on US-27 south of Cass Street. Ballinger reportedly turned north onto US-27 from the west on McConnell and crossed into the right-hand lane in front of Kindel's northbound car.

**HUB CAPS STOLEN**  
Wire wheel spinner hub caps valued at \$135 were stolen from his car, Allen Myers, of 108 W. Gibbs Street reported to St. Johns police Monday. The car had been parked in the city lot at Spring and Higham streets.

**CAR STRIPPED**  
D. J. Cochran of Reed City reported to St. Johns Police Sunday that the rotary was taken out of the distributor of his car while he was staying overnight at the Capri Motel here.

# THE NEWS IN BRIEF

Clinton County Clerk Ernest Carter has received an official resolution from DeWitt Township placing the question of charter township status on the November general election ballot in DeWitt Township . . .

Michigan Technological University will award 115 degrees during the annual summer commencement exercises Aug. 23, and two Clinton County students are among the graduates. Larry W. Aldrich, son of Mr and Mrs William Aldrich of 331 E. Main, Maple Rapids, will receive a BS degree in electrical engineering; he's a 1964 graduate of Fulton High School. David C. Elliott, son of Mrs Bruce Elliott of 211 E. First Street, Ovid, will get his master's degree in business administration; he's a 1960 graduate of Ovid High School . . .

## Co-op student placement starts

Bill Swears, St. Johns High School coordinator of the cooperative education program in business, will begin Monday placing eligible students with cooperating business places in the St. Johns area.

Swears said about 12 students have already been placed, and about five other businesses are awaiting the placement of a student with them for the coming school year. The cooperative education program provides students with on-the-job work experience and school credit at the same time.

Interested businessmen who have not signed up for a co-op student, or who would like more information, are asked to call the high school office and leave a message for Swears. He will contact the caller.

Swears said he would like to meet with any student who would like to apply for the program; they must be business students who will be seniors. The meeting will be next Wednesday, Aug. 28, at 1:30 p.m. in the high school typing room.

Students who have already been placed on the cooperative program are to meet with Swears Aug. 29 at 1:30 to attempt to work out, with the guidance department, class schedules for the coming year in conjunction with their work schedules.

Four office secretaries from two Clinton County school districts took part in Ferris State College's 12th Work Conference for Educational Secretaries Aug. 11-14. From St. Johns were Edna Flegler of St. Johns High School and Rose Tarr of Central Junior High. Attending from DeWitt were Gloria Nelsen and Arlene Weston . . .

Rev Jerome Casner, teacher of English Bible at the Baptist Bible College and former missionary to the Philippines, will be speaking at the First Baptist Church in St. Johns this Sunday . . .

# Boxing returns to St. Johns Saturday

St. Johns boxers Doug Brya (left) and Dick Padgett do some sparring Monday night as they work out in preparation for the Clinton County Athletic Club boxing exhibition this Saturday night. Both fighters will be involved in main-event bouts with out-of-town boxers.

(Continued from Page 1-A)

weight fighter, was originally scheduled to box Bruce Boone of Lansing, but it is doubtful Boone will be healed from facial cuts suffered in an auto accident. Beaufore believes Padgett will be fighting Mike Fracker of Michigan Center here Saturday night.

Pohl, a 26-year-old five-times Golden Gloves champion who looked real sharp against John Stage of Owosso in last year's exhibition here, is scheduled to fight Tom Hannah, national runner-up in the AAU boxing tournament.

Proceeds from the fights will be used by the Clinton County Athletic Club to pay rent and utilities for their training quarters at Railroad Street and Clinton Avenue and to buy equipment and supplies.

Proceeds from last year's first exhibition—which drew a full-house audience at the high school—were used to buy a new boxing ring, new speed bags, new gloves and other equipment at the training center. This year's big pro-

ject will be the installing of showers at the center.

TICKETS WILL BE available at the door Saturday night and are also on sale at Pierce Bakery and Beaufore Barber Shop.

There'll be a host of other St. Johns boxers ready to fight Saturday night, but just whether they'll be matched up or not is another question.

"There's no such thing as having to sign up for these bouts," Beaufore said. "All they have to do is show up, weigh in and be lucky enough to get a fight."

Al VanNess, the "Mr. Boxing" from Lansing, will be matchmaker for the fights again this year. Beaufore said as many local boxers as possible will be given a chance to fight, but he's sure they won't all get to.

Boys who have been in training are likely to be ready for Saturday night include novice fighters John Jolly (147 pound class), Mike Burgess (135 pounds), Jim VanBelkum (160), Don White (135), Armando Rositas (132), Rick Cole (135), Dave Peck (heavyweight), Fred Cunningham (145) and Ken Kuhns (165). Novice fighters are those up to age 19 who have less than three tourney victories.

Open division fighters besides the four headliners will include Mark Masarik (132), Joe Riojas (132) and Jim Ballard (heavyweight).

While as much local talent will be used as possible, Beaufore pointed out that boxers are being brought in from Muskegon and Detroit, as well as the Lansing Golden Gloves district area, in order to assure the best show possible for fight fans.

ONE OF THE 15 scheduled bouts will be between national Golden Gloves champ and two-time national AAU champ Leonard Hutchens and national AAU runner-up John Baldwin.

The fights will get under way shortly after 8 p.m. Francis Shepard of Lansing will be referee and John Bashore will be timekeeper. Judges will be an-

nounced at ringside. Drs Larry Bader and Harry DeVore will be examining physicians for physicals and weigh-ins, and Dr DeVore will be the ringside physician.

While most of the action will take place Saturday night, there'll be some work taking place between now and then, too. Wednesday night the dismantling and transporting of the boxing ring from the training quarters to the high school gym was scheduled.

Ed Schmitt, one of six members of the athletic club board of directors, said volunteer help would be greatly appreciated. Flat-bed trucks are needed. The ring is a new one and has not yet even been fully set up at the training quarters. Schmitt estimated it alone will cost about \$500.

Other members of the board of directors of the athletic club include Walt Pierce, Edgar Conley, Dan Salazar, Jack Downing and Mike Droste.

## No waiting around . . . before or after

St. Johns boxers haven't been just waiting around for this Saturday's exhibition, nor will they take much of a rest after it's over.

Bob Every, Doug Brya and Dick Padgett boxed against a Canadian team at the Windsor Arena in Windsor, Ont., last Wednesday, Aug. 14. Every was the only one to come out of it with a win, defeating Canadian Golden Gloves champ Mike O'Reilly. Brya lost a decision to Raymond Grey, and Padgett was beaten by John Baldwin.

Last Saturday night novice boxers John Jolly, Don White and Jim VanBelkum fought in a boxing show at Muskegon Catholic Central High School. White, in the 135-pound class, won a decision from Dave Czule of Kalamazoo, and 145-pound Jolly dethroned Tony Petroskey of Muskegon. VanBelkum lost a decision to Dave Regan of Muskegon in the 160-pound class.

Every, Brya, Pat Pohl and Padgett have scheduled bouts next Friday, Aug. 30, in front of the grandstand at the Michigan State Fair.

Brya will box Raymond Grey in a rematch of the Windsor fight, and Padgett will be pitted against Baldwin again. Pohl will take on Al Jones in a 165-pound bout, and Every and O'Reilly will have another go at it for perhaps the third time in just over two weeks.

The state fair boxing program begins at 7 p.m. Aug. 30 and should be over by 8:15. Some nine fights are on the card.

# Swim team loses 2 meets but does well individually

The Clinton County Swim Team has had two swim meets. Although they placed well in several events, it was not enough to keep the team victorious in either meet.

Walnut Hills Country Club in Lansing defeated the swimmers by a score of 203 to 152. Swimming at the Walnut Hills Club pool, the youths were awarded points for placing in the event; five for first, three for second, and one for third.

The groups were divided into four classifications. The first was the age group 10 and under. The ages of 12 and under made up the second group. The third group was comprised of youths 14 and under and those 16 and over were in the fourth group.

In free style competition, the first group raced for 25 yards and Mark Wood placed first with a time of 19 seconds. In the girls division of that competition, Marcia Pierce took second with her 25-second time. The second group swam the same distance and Charlie Thelen captured a first place with a 21-second time. Carol Huard netted the top honor in the girls division of the race.

The third age group raced for 50 yards and Scott Spicer took a first with a 41-second time. Cathy Stoddard's 33.5 second race took first place in the girls. The final St. Johns entry, in this division, nabbed a first with Greg Bartholomew's time of 28.3 seconds.

PAUL WOOD captured the top honors for the first age group in the back stroke competition with a time of 27.2. Marcia Pierce earned a third with a 30.5 time. Placing second in the second age group was Bob Weber with a 20.1 time. Becky Bond took second in the girls division with a time of 24.6. Brad Huntley defeated all others in the third group with a 36.6 time in the 50 yard race. Maggie Kuntz came in second with

56.2 seconds registered. Greg Bartholomew, entered in the fourth classification, was awarded first place for his time of 42 seconds.

In the breast stroke event, five St. Johns swimmers placed first, John Bond and Marcia Pierce, both of the first classification; second group contestant Becky Bond; Sally Durner of the third group; and Bill Bartholomew of the fourth group. Mike Butler of the third group placed second in his race.

In the individual medley, consisting of the back stroke, breast stroke, butterfly and free style, Mike Butler of group three was the only one to enter from St. Johns, and he placed third.

In the free style relay, a team from group one placed first with swimmers Paul and Mark Wood, Mike Stratton and Marcia Pierce. Charlie Thelen, Carol Huard, Jane Meyer, and Bob Weber competed with the second group and took top honors. The third group team, Scott Spicer, Brad Huntley, Mike Butler, and Sally Durner captured a first as did the fourth classification team of Dick Price, Greg Kirby, Scott Bennett, and Bill Bartholomew.

THE SECOND MEET was Aug. 6 with the Red Cedar team at Okemos. The classification and point system were the same. The Red Cedar team downed the local team by a score of 186 to 127.

Mark Wood and Mike Stratton, placing third and fourth respectively, were entered in the back stroke competition in the first group. Lee Ann Palmer and Marcia Pierce placed fourth and third in the girls division. In the second age group, Charlie Thelen took third and Drew Carpenter placed fourth. In the girls second group, Jane Meyer and Sandy Huntley took second and third respectively. Mike Butler was third place for the third group and

Brad Huntley took second, Sally Durner and Billie Jo Benson placed second and third in the girls third division.

In the back stroke event, Mark Wood and Paul Wood placed first and fourth respectively, and Marcia Pierce placed third in the girls division. In the next age group, Bob Weber took second and Jim Lynch took fourth. Becky Bond and Jane Meyers received a first and a third respectively. For the third group, Scott Spicer and Brad Huntley placed, Brad with a first and Scott with a third. Billie Jo Benson and Maggie Kuntz captured the first two places in the girls division, Billie first and Maggie second.

John Bond and Steve Dalman took third and fourth place in the first group in the breast-stroke division. Marcia Pierce won a second in the girls classification. Jim Lynch earned a fourth for the second group and Bob Weber took third. Becky Bond also won a third and Sandy Huntley placed second. In the third age group, Drew Carpenter and Scott Spicer won second and third respectively. Sally Durner placed second.

FOR THE GIRLS division of the first age group for the individual medley, Becky Bond and Jane Meyers captured the first two places and Bob Weber nabbed a second in the boys division. Brad Huntley placed second in the next age group and Mike Butler took fourth. Sally Durner and Billie Jo Benson took second and third respectively.

All three teams that entered the relay competition and placed were placed in the second spot. The first age group team was John Bond, Lee Ann Palmer, Mike Stratton and Marcia Pierce. Bob Weber, Steve Dahlman, Charlie Thelen, and Becky Bond comprised the team for the second group. Brad Huntly, Mike

Butler, Sally Durner and Scott Spicer were the team for the third group.

The second meet had St. Johns entrants in the butterfly competition. Marcia Pierce, the only person who placed out of the first group won a second. In the second age group, Charlie Thelen took a second, Becky Bond placed third and Jane Meyer captured fourth. Scott Spicer placed fourth in the third age group competition. Mike Butler placed second. Maggie Kuntz topped all other girl entrants in that group.

## SOON TO WED

Marriage banns were published for the first time at St. Mary Church for Miss Ruth Simon, daughter of Mr and Mrs Florian Simon and Richard Geller, son of Mr and Mrs Carl Geller of Plevamo. The couple will exchange marriage vows on Sept. 7.

On July 23, Ruth was honored with a miscellaneous shower given by Mrs Lorraine Barker and daughter, Mrs Sheila Sykora, at the Barker home in St. Johns. The aunts of the bridegroom-to-be attended. On Aug. 1, another shower was held at the Harold Schmitt home. Mrs Mary Lou Schmitt, Miss Diane Simon and Pat O'Neal were the hostesses. The aunts and cousins of

Ruth were guests. Progressive euchre provided the entertainment. Lunch and refreshments were served at both showers and Ruth received many beautiful gifts.

Employees of the State Highway Department and their families enjoyed the annual picnic at Lake Lansing on Thursday.

Mrs Hilary Feldpausch and family and Mrs Harold Schmitt are spending the week at Crystal Lake.

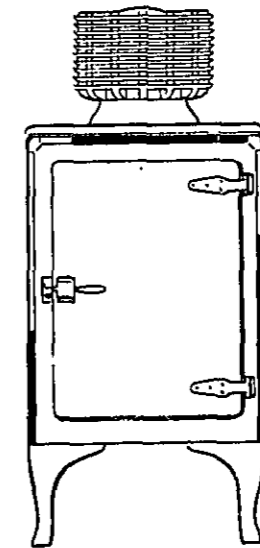

Mr and Mrs Esten Beachna and family left Saturday to spend two weeks at Houghton Lake. Saturday Mr and Mrs Gus Pline and family returned home after vacationing at Chippewa Lake during the past week with Mr and Mrs Robert Pohl and family and Mr and Mrs Lester Miller and family.

Sunday August 25, the annual Catholic Order of Foresters will have their picnic on the parish grounds. All members, lady friends, children and their parents are invited to attend. Many prizes will be awarded for registration. Plan now to attend.

## At All-American Derby

# Kris carries county's hopes to All-American Derby

St. Johns sports fans' attention will be focused in many directions this weekend, not the least of which will be Akron, Ohio, where young Kris Patterson will be carrying Clinton County's hopes in the All-American Soap Box Derby.

The big day is Saturday, and racing will take place from 1:15 p.m. until the champion is crowned. Kris, 13, son of Mr and Mrs Robert Patterson of 605 W. Cass Street, St. Johns, is one of several hundred boys from all over the United States and

from several foreign countries who will be competing. While Saturday will be the big day, this whole week is chock full of activities for the local champions, Kris and his family left for Akron Monday morning, and he was greeted with a po-

lice escort into the city to the All-American Soap Box Derby headquarters.

Kris was then registered and left for Derbytown, a boys camp set up on a 205-acre YMCA camp 15 miles south of the city. They are spending most of the week there, enjoying normal camp activities and meeting TV and motion picture personalities who are visiting the Derby this year.

## Meet the nominees for new supervisors

One of the biggest political changes of the decade in Michigan is the transfer this coming Jan. 1 of county legislative power from a large group of men elected on a regional basis to a smaller group elected under the one-man, one-vote theory.

The Clinton County Board of

Supervisors will be reduced from 22 men now to 11 men Jan. 1. The 11 pictured here won nomination at the Aug. 6 primary election and will be on the ballot in November for what essentially is "confirmation" by the voters.

Only one—Roy Andrews in District 10 — is a Democrat; all

others are Republicans. In each case, candidates from only one party filed for the primary in each district. Thus, unless there are huge votes for write-in candidates, each nominee will have no competition in the November 5 election.

The districts set up by the county apportionment commission more than a year ago range in population from 2,795 in District 5 to 3,781 in District 10. The average population of the 11 districts, according to the 1960 census, is 3,452.

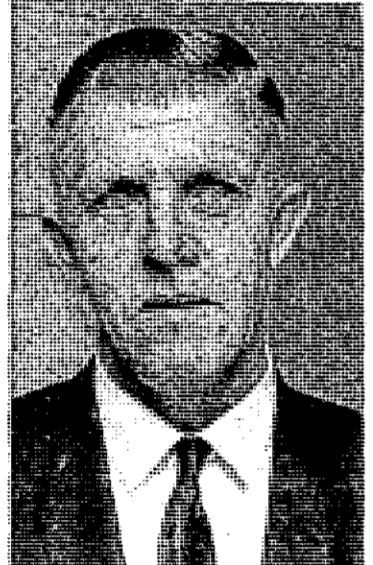

District 3 includes a portion of the City of St. Johns, while the rest of the city makes up District 4. The boundary is Clinton Avenue and the railroad tracks, with everything west and south being in District 3.

DeWitt Township is split into two districts; District 10 includes all that south of Clark Road and east of Turner Road; the rest, including the City of DeWitt, is in District 9.

Only the townships of Ovid and Bath are a district unto themselves. All the other 12 townships are combined in twos or threes to make up the other five districts.

be with them and their cars.

All day today (Thursday) will be spent in trial runs down the Derby Downs hill. Friday will be filled with activities, beginning with a luncheon at Derbytown for the boys and celebrities. At 2 p.m. and lasting until 7, visitors will be able to view the 240-plus car field for the

Derby at the annual Topside Show.

Then at 7:30 p.m., the first evening parade in Soap Box Derby history will be staged in downtown Akron, featuring bands, floats, celebrities and all local champions.

Pre-race events on Saturday will start at 11 a.m. and will include a parade at Derby Downs

and an "oil can" race leading up to the start of the derby itself at 1:15.

Bernard Feldpausch, president of Bee's Chevrolet-Olds, Inc. and dealer director at the local derby in June, said up to 20 people are expected to journey to Akron this weekend for the derby, including Howard Wood-

bury and his wife of Woodbury's Flower Shop, sponsor of Kris and his car. Feldpausch leaves for Akron today.

Kris's auto has been repainted since the local derby and carries the banner of the St. Johns Jaycees, sponsor of the derby here along with Bee's. William McCarthy was derby director.

## ASC PROGRAM

### Barley included in 1969 feed grain program

On Aug. 11 Secretary of Agriculture Orville L. Freeman announced that barley will be included in the 1969 feed grain program because of the sharply changed barley situation in the last few weeks and from a year ago.

Secretary Freeman also urged farmers to use the price-support loan for 1968-crop barley rather than selling on currently depressed markets. Storage does not appear to be readily available for barley at local points; however there is ample terminal storage that can be used for price-support loans on barley, particularly for the major producing areas of North and South Dakota, Montana and Minnesota.

The decision to include barley in the 1969 feed grain program follows the rapidly rising production for 1968. The August forecast indicated a crop this year of 425 million bushels.

next meeting will be with Mrs James Sowles on August 21. The Chapter received two awards, one to the chapter president for Civil Defense Participation, and one was to Wilma Sowles for leadership in first aid.

Mr and Mrs Neil Frisbie and family have been visiting his parents, Mr and Mrs Lionel Frisbie, and grandmother Mrs Fannie Frisbie, as well as other relatives here the past week. Neil has been stationed in Hawaii but will be transferred to Texas.

The Methodist Church Junior League, composed of boys in the 9 to 14 age bracket have won all the games played against the Baptist Church in St. Johns and the Maple Rapids Congregational Church boys. They played the Baptist Church Saturday evening at St. Johns winning by a score of 25 to 10.

Miss Patty Morris of Wheaton, Ill., is spending two weeks with her cousin, Mr and Mrs Lyle Floate and family.

Mrs Keith Munger and Mrs Cora Price of St. Johns brought Mike Munger to visit with their aunt Mr and Mrs Wilbur Bancroft and Kurt for a few days.

Tim Flower and Fay Smejkal of Pomperoy spent Friday night with their grandmother, Mrs Hazel Tyler.

Mr and Mrs Almond Henderick of Stanton called on Mrs Hazel Tyler Sunday. She returned with them to spend the night and Monday.

Michigan State University has the reigning national championship mathematics team for the third time in the past seven years. MSU has finished in the top 10 seven time since first entering the Putnam Mathematical Competition in 1959.

W. M. SMITH  
County ASC Manager

This is a 20 million bushel increase from the first report as of July 1 and 55 million bushels above 1967.

When the decision to not include barley in the 1969 feed grain program was announced in mid-June with the 1969 wheat program determination, barley production on the basis of planting intentions appeared to be only slightly above last year and a little less than average yearly production.

AT THAT TIME, supplies did not appear to be excessive. Better than average yields have pushed the crop nearly 15 per cent above last year's output. Thus, a reappraisal of indicated barley supplies for this year prompted the change announced to bring production next year back into line with needs.

Secretary Freeman said that there is no need for farmers in many areas to take less than the

#### 4-H CLUB MEETS

Olive's 4-H Projects Club held their regular August meeting at Smith Hall on Tuesday evening. Their parents and Mrs Helen Meach were guests. After their business meeting and fair announcements, reports and slide pictures of the recent 4-H Exchange Trip into Canada were given by Kathy Davis, Kathy Nichols, Debbie Locher and Dan Haviland. The next meeting will be Sept. 3rd at our Simmons Schoolhouse when report blanks will be given out.

Mr and Mrs Lloyd Brocker and David Plotowicz, Mr and Mrs Jerold Brocker attended a family reunion on Sunday at the summer home of Mr and Mrs Fred Brocker at Hardy Dam.

Mr and Mrs Ray Moore were Sunday dinner guests of Mr and Mrs Lewis Sillm.

Mr and Mrs John Maula of Philadelphia, Pa. were Monday and Tuesday guests of their brother and sister, Mr and Mrs Lloyd Brocker. Other guests for Tuesday evening supper were Mr and Mrs Ted Plotowicz and family of Garden City, Mr and Mrs Dudley Anderson and children of Lansing, Mr and Mrs Jerold Brocker.

The 4-H members (and parents) in this community as well as all over the county are very busy at our Clinton County 4-H Fair in St. Johns.

Mr and Mrs Clair Wilson and sons spent the weekend at their cottage.

Mrs Mary Lietzke spent the summer taking a tour through western United States and western Canada, also another tour through eastern Canada and United States and then visiting several days with her son, Richard and his family at DeWitt, N.Y. Mr and Mrs Richard Lietzke and family brought their mother home and spent a week here with her, David, Stephen, and Mr and Mrs Alan Lietzke.

Mr and Mrs Lewis Sillm and Mrs Vineta Hill were Tuesday evening visitors of the Ray Moores.

support price for their 1968-crop barley. Where terminal storage space is available it can be used in order to get price-support loans. This is particularly the situation in the four-state heavy producing area. There is ample storage space in the Minnesota terminals to which it is practical to move barley from most of this area.

The help of local warehousemen and others in the area has been enlisted to assist farmers in moving barley to terminal storage where it can be eligible for price-support loan. By getting a loan, farmers in the four-state area could realize as much as 10 to 15 cents per bushel more than the current market. While there may be some additional handling cost for the movement into terminal storage, freight, which is the major cost, is reflected in the higher loan rate for terminal-stored barley. At present market prices, any added costs would be considerably less than the amount by which loan rates are currently above market prices. A loan would be preferable to selling at harvest time which would add to the present downward pressure on market prices.

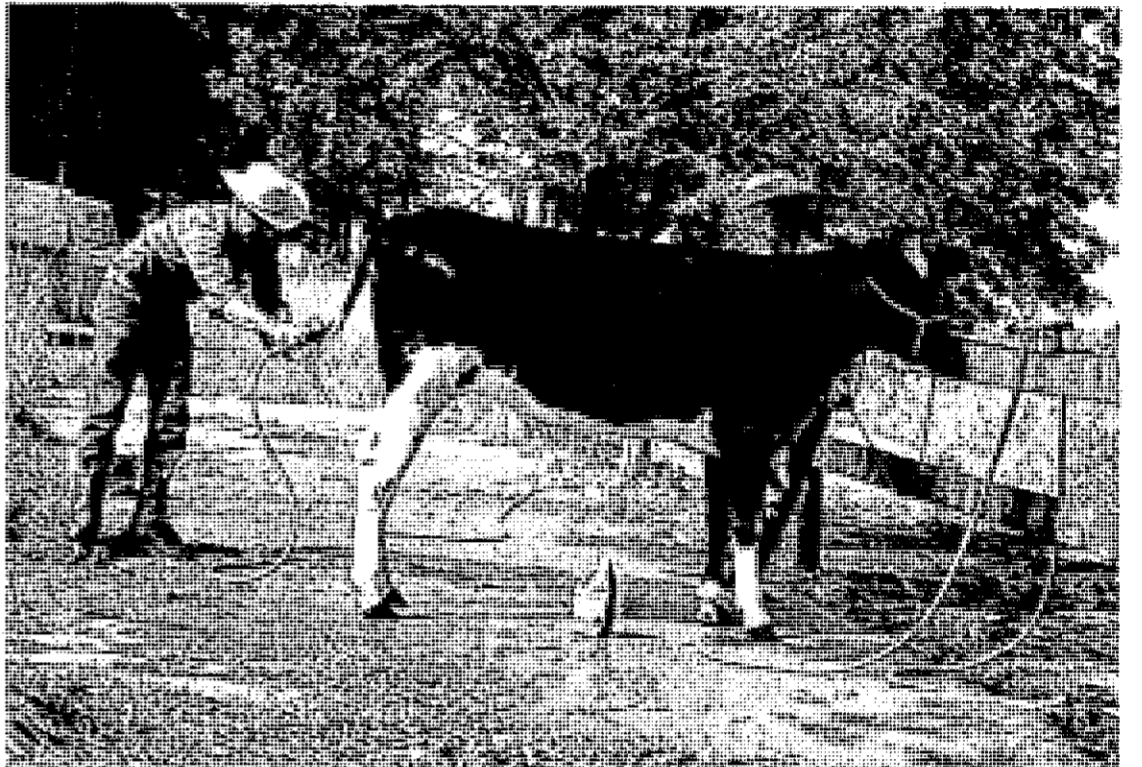

WE MAILED OUT the first 1968 feed grain program payments last week. Nearly all the wheat certificate payments have been mailed. There has been some delay in getting the drafts computed at our data processing center; however, drafts are coming through faster the last couple of weeks.

We still have some farms to spot check; these payments will be help up until the compliance is checked.

Some producers have failed to comply with the program and will not earn a payment. I urge producers who are participating in the wheat and feed grain programs to follow the regulations and avoid losing their payments.

Wayne Morrison of R-4 and Larry Schomish of R-6, St. Johns, seemed to be happy enough while washing their steer before showing at the 4-H Fair in St. Johns week.

An important part of the fair is the appearance of an entrant's animal. Here, Mr and Mrs Rex Ballantine help their son, Rex Jr., as they wash his Holstein, Millie, who is entered in a junior yearling classification.

## Soil testing procedures

By GEORGE McQUEEN  
Extension Agricultural Agent

A soil test is a scientific method to determine the fertility needs of a particular area. A sample of soil representing a particular field or part of a field is analyzed by chemical means and potash. Other tests may be useful in special cases. The results of the soil analysis are used to recommend lime and fertilizer in amounts necessary to produce economical crop yields.

A soil test is the fertility gauge for your farm. It tells you these important things: 1) how much and what major plant nutrients you have available in your soil; 2) what type or ratio of fertilizer is needed; 3) how much fertilizer and lime you need and 4) where you need it.

How to take soil samples:  
A soil test is as accurate as the sample sent to the soil testing laboratory. Therefore, it is very important that a representative soil sample be made.

1) Take at least 15-20 samples scattered over the field being tested.  
2) Each sampling should be to plow depth (six - eight inches) and placed into a clean bucket or other clean container. All of the samplings of the field being tested should be thoroughly mixed and a portion placed into a clean bag.  
3) Any tool that will take a thin vertical slice of soil about seven inches deep is suitable—a spade, soil tube, or soil auger will do the job. The soil probe is probably most satisfactory.  
4) Supply information with each sample giving past cropping history, crop to be planted, treatments or considerations. The soil testing laboratories must have this information to determine accurately lime and fertilizer recommendations.

A soil sample may be taken any time of the year. The sample should be sent to the soil testing laboratory at least one month before planting time of the crop

to be grown. This will allow sufficient time to obtain the results of the test and to purchase lime and fertilizer before planting time.

If the soil sample sent in is truly representative of the field or area, the lime and fertilizer recommendation will correct any soil deficiencies of the nutrients tested. Following soil testing, lime and fertilizer recommendations should result in economical crop yields.

Soil testing does not take into consideration the physical condition of your soil such as poor drainage, crusting and hard pans. If physical factors limit plant growth, soil testing will not correct them. Other factors limiting crop yields, such as weather conditions, insects and nematodes plus diseases, will not be corrected by soil testing.

Take those samples now and be ready for your next crop.

Tornadoes and winds which buffeted Topeka, Kansas, and vicinity in June, 1966, resulted in the year's costliest insurance catastrophe, according to the Insurance Information Institute. The storm inflicted \$58 million in insured property losses, damaging or destroying 3,755 dwellings, killing 16 persons and injuring 406.

COLOR plays one of the most important of all roles in clothing . . . even in a man's wardrobe today. Most of the beautiful colors we enjoy in wearing apparel and household textiles are produced by dyes.

The various types of dyes in use today are too many to go into here. As consumers our main concern about dyes is that they be durable and should not be changed by the action of light, acid and alkaline perspiration and dry cleaning. Unfortunately many dyes aren't that permanent.

Light, smoke-filled air, gas fumes and fumes from industrial plants often fade or otherwise affect colors. In addition, fumes and smoke deposit a subtle film on the surface of the fabric that not only has a tendency to change the color, but can cause deterioration of the fibers as well. In some fabrics, particularly rayon acetates, this "fume fading" won't become visible until after cleaning . . . or whenever heat is applied, as in pressing. In such cases the fabric is at fault.

Frequent and thorough cleaning will in most cases help to remove the dangers of color fading, will remove the film and keep colors clear and bright. Send us your colorful garments, and all your dry cleaning, with confidence in quick, dependable service.

### Spencers vacation seeing Michigan

SHEPARDVILLE — While Mr and Mrs John Spencer were on a recent trip in the northern part of the lower peninsula they saw some very interesting things.

Just north of Lake City Mr Spencer was driving and said to his wife that something different was coming down the road. Sure 'nuff it was something different. It was a Model T touring car just as bright and shiny as the day it came off the assembly line at Detroit. It was traveling at the magnificent speed of 25 miles an hour and was hitting on all fours.

Later on during their trip, they had the opportunity to see a mechanical cherry picker at work in a large orchard in the area of Eastport. This machine takes the place of 80 pickers and can pick a tree 99% clean in two minutes. It can pick a row of 25 to 30 trees in about an hour, barring complication. They can't explain how it works, you would have to see it.

They also went to see some fish ponds located in the Mancelona area. They are located in natural surroundings. The man who owns this property raises trout for sale to retail fish dealers and large restaurant owners.

They are frozen and packaged two to a pack. There are trout in these ponds that weigh from two to three pounds. In this same area they saw a Swiss-type development on a place called Schuss Mountain. There is a store, drug store, riding stables, and a motel. If you have money that is burning a hole in your pocket, this is the place to spend it. It is also a ski resort and was used for the first time last winter. These places are located in the Mancelona-Bellaire area.

They returned home on US 23 all the way to Saginaw. They stopped in Mackinaw City and went through the old fort that is being restored. It was a very interesting piece of Michigan history. It told of how the Fort came to be abandoned. It told of massacre and how it happened. It also showed some of the artifacts that had been recovered and how they were used in the preservation of this historical place. It showed how some of the people were punished for a misdemeanor. Some of them might work today for some of these young people who are bent on mischief.

Mr and Mrs Spencer returned home Tuesday evening.

Nothing that a burglary occurs every 23 seconds in the United States, the Insurance Information Institute says many of these could be avoided if homeowners would lock their windows and doors and take a few other simple precautions.

NEW SIGN FOR MORIARTY

One of the bright new things around St. Johns these days is this attractive sign recently installed in front of Moriarty Lumber of Michigan, Inc. at DeWitt Road and M-21 west of St. Johns. A new office building for the two-year-old St. Johns firm was built early this spring.

Carland News

By Mrs Archie Moore Phone 834-2383

Mrs Florence Harris has returned home from Memorial Hospital.

Mr and Mrs Leslie Long have sold their home near Owosso and have bought a new house trailer. They placed it near their son in Fairfield township and are making their home here now.

Mr and Mrs Clyde Gilbert entertained Charles Sorge on Sunday afternoon for a coffee hour and had several of the neighbors in to see him. Mr Sorge is a patient at the Dietz Convalescent home near Ovid.

Mr and Mrs Harry Curtis and daughter spent the weekend with his brother, Kenneth and wife at their cottage near Shields.

Mrs Raymond Lawrence was a caller at the Archie Moore home on Monday afternoon.

Mrs Edith Simpson of Carland spent Wednesday with Mrs Hazel Molar of Brant who has had surgery on her hand and feet.

Mr and Mrs Archie Moore called on the Leon Williams who lost one of their barns Sunday night. They lost fourteen head of cattle and are staying up day and night to watch the fire in case of strong wind.

Harry Purves Sr. has improved from his surgery in Ford Hospital, but is still under intensive care.

A fire breaks out in an American home every 49 seconds, according to the Insurance Information Institute. Fire strikes nearly 2,000 American homes every day and claims a life every 43 minutes.

Carolyn Nickel to leave on 3-year missionary service in Southeast Asia

Miss Carolyn Jane Nickel, daughter of Mr and Mrs Walter Nickel of 502 E. Sturgis Street, St. Johns, is among 47 young men and women who will leave the United States this fall to begin three years of United Methodist missionary service overseas.

Miss Nickel will go to Korea to work in the field of music and general education.

The young missionaries, called "3s" because of their three-year term of service, will go to 16 countries of Africa, Asia and Latin America. They will participate in the Christian mission by engaging in various types of service, including teaching, social work, church development, medical work, Christian education, agricultural improvement and extension, industrial mission, and youth work.

This year's group, the "20th anniversary class of 3s," brings to 1,044 the number of young men and women who have served in the special-term missionary program since it was started in 1948. The 47 this year comprise one of the largest groups of 3s ever sent out and are almost twice as many as last year's 26.

A MAJORITY OF this year's 3s are single young men and women, but there are also 10 couples. This is only the third year that husband-and-wife teams have been among the 3s.

Many of the 1968 group are college graduates. However, several are young adults already at work in a variety of professional fields. Though most of the 3s are United Methodists, denominational backgrounds also include the United Church of Christ of the Philippines, the Church of the Nazarene and the Mennonite Church. The 3s represent 22 states and the Philippines. All will serve under the World Division of the United Methodist Board of Missions. The 3s are receiving special training this summer for their overseas assignments in ecumenical orientation programs at Drew University, Madison, N.J., and at MUST (Metropolitan Urban Service Training) in New York City.

Miss Nickel, who holds a bachelor of arts degree in music and elementary education from Albion College and a master of sacred music degree from Union Theological Seminary in New York City, has been working professionally in the field of church music since the age of 13.

She started as assistant organist. She was organist and choir director at St. James Episcopal Church, Albion, and at Asbury Methodist Church, Croton-on-Hudson, N. Y. During the summer of 1967, she served as organist and organ teacher at Bay View Summer College of Music at Bay View, Mich. Miss Nickel studied for two summers at the Interlochen National Music Camps. She is a member of United Methodist Church in St. Johns.

Summer time to talk turkey

By HELEN MEACH Extension Home Economist

Right now our stores are featuring good prices on turkeys. What great birds they are too! Gone modern, they are more tender and broad-breasted, with large meaty thighs and drumsticks.

Gone are the days when turkey was a "seasonal" meal, limited to Thanksgiving and Christmas dinners. But some homemakers have storage problems and still can't shed the idea of turkey as a holiday bird.

One homemaker tells how she takes advantage of low summer prices on turkeys. "I make turkey rolls which can be sliced for cold sandwiches, or reheated in the oven. I place the turkey on a trivet in a large pan, add a small amount of water, cover tightly and steam until tender. I then strip the meat from the bones while it is still hot, keeping the chunks as large as possible. I alternate pieces of dark and light meat and wrap as tightly as possible in a double strip of heavy duty foil."

"I usually place these rolls in the refrigerator to cool, and then rewrap in freezer paper, label and date, and place in freezer. I usually make these rolls quite thick, so that they will be 'sandwich'-sized when sliced. The natural gelatin in the meat allows the rolls to be sliced without crumbling."

"The rich broth concentrate may be frozen. I freeze it in muffin tins and when solid I place them in a plastic bag so that I can use as many, or few, of the blocks as I need for gravies, soups and sauces. And, of course, the remaining carcass and trimmings make another batch of wonderful soup stock."

Since thrifty homemakers traditionally preserve food for winter months ahead, let me refer you to some helpful bulletins available free at your County Extension Office:

"Home Canning of Fruits and Vegetables" - G-8,

"Making Pickles and Relishes at Home" - G-92,

"How to Make Jellies, Jams and Preserves at Home" - G-56,

"Home Freezing of Fruits and Vegetables" - G-10.

THE LEDGER

So live that when your final summons comes you can produce some well-balanced books.

MOSTLY For MEN by CHUCK FLYNN

The pork chop is pretty standard fare on the American table, sometimes edible, sometimes not so edible. But, nothing can be more taste appealing than center cut loin chops broiled over charcoal with the tangy scent of wood smoke.

Have your butcher cut the chops 3/4 inch thick and allow two per person for your projected cookout.

Prepare what Southerners call "baste," a widely used preparation for brush-on cooking of all varieties of pork.

The recipe is simple. Melt two quarters of margarine then add its equivalent (one cup) of vinegar. Sprinkle rather generously with salt and pepper, bring to boil stage, then reduce heat and simmer for five minutes.

Keep the baste hot during cooking by placing the skillet on the side of your grill or on the hood.

Sprinkle salt and freshly ground pepper lightly on both sides of the chops. Your charcoal fire should be well along before starting to cook pork. Also have on hand a good supply of soaked hickory or apple wood chips and a sprinker to reduce any sharp flaring of the fire.

When the fire is right, put a generous amount of chips atop the charcoal and some around the sides to smolder and smoke. Place the chops on the grill at least three inches from the fire. Turn with grippers—no spearing—as soon as the down side begins to brown. Brush on baste.

Turn again as soon as the other side has browned. When meat really begins to cook, the fat and baste dripping down will have the smoke rolling. When the smoke is heaviest is the time to be on the alert for a flare-up and sprinkle with water as soon as it occurs.

Everyone likes pork well cooked but it isn't worth its weight if burned to a crisp. The secret is to bring the cooking along slowly, getting a golden brown degree of doneness without burning and applying a maximum amount of smoke.

Baste every time you turn the chops. Cooking time will vary from 30 to 45 minutes depending upon the stage of your fire, but this size chop will never be done under 30 minutes.

You need no sauce for these wonderfully-flavored chops, served with some hot German potato salad, cole slaw and sliced tomatoes.

## GRAND CHAMPION STEER AT 4-H FAIR

The grand champion steer at the annual Clinton County 4-H Fair was raised and shown by Jay Foster, 10 (right), a first-year 4-H member in the Olive's 4-H Projects Club. The steer sold for 67 cents per pound at the 4-H stock sale last Wednesday afternoon, with the Clinton National Bank and Trust Co. buying the animal. Director Lorenz Tiedt (left) and President W. S. (Pat) Lusk pose proudly with Jay and his steer.

## 4-H FAIR'S RESERVE CHAMPION STEER

Zeeb's Fertilizers purchased the reserve champion steer at the Clinton County 4-H Fair last Wednesday, paying 48 cents per pound for the animal raised and shown by Brent Ballinger, 16, of the Stoney Creek 4-H Club. Virgil Zeeb, president of the firm, was on hand to make the purchase at the stock sale.

## 4-H livestock sale big hit

The second-annual livestock sale at the Clinton County 4-H Fair moved outside and stayed at the 4-H grounds this year, and 4-H youth agent John Alys-worth reports a much greater participation by both 4-H'ers and buyers.

Twenty-six steers, three hogs and four lambs brought over \$10,000 for 4-H youngsters, with 19 different buyers sharing in the purchases. Prices averaged 33-34 cents per pound, excluding the grand champion and reserve champion steers which brought 6 to 7 cents above market prices.

The 26 steers were 15 more than were sold last year in the first livestock sale. Some 24,855 pounds of beef were sold. The grand champion steer was shown by Jay Foster of DeWitt and it brought 67 cents per pound and was purchased by the Clinton National Bank and Trust Co. Zeeb Fertilizers bought the reserve champion steer, shown by Brent Ballinger, for 48 cents per pound.

Three hogs totaled 735 pounds and four lambs totaled 355 pounds. This was the first year sheep and hogs were included in the livestock sale.

Other buyers at the fair sale were St. Johns Cooperative, Jim McKenzie Insurance, Al Gallo-way, Michigan Livestock Exchange, Beck's Farm Market, Central National Bank, Production Credit Assn., Stan Cowan Mercury, Wolverine Stockyards, Mark DeBoer, Farm Bureau Cooperative and Farm Bureau Feed Division, Owsosso Livestock Auction, Buggs Locker, Clinton County Farm Bureau Insurance, Moyer Brothers Cement Co., O'Shaughnessy Chevrolet and Westphalia Milling Co.

All buyers received a green and white banner.

Top-profit standards for acres-per-man have been calculated from Michigan State University's TelFarm management records. A recommended standard average is about 300 acres per man for sugar beets, beans, wheat and corn in the Saginaw Valley. But cash grain farmers with wheat, soybeans, navy beans and corn would need about 400 acres per man.

## 111 county 4-H'ers participate at state show

A host of Clinton County youngsters are taking part in the annual 4-H State Show at Michigan State University this week. The state show opened Tuesday, Aug. 20, and will run through Friday.

One hundred eleven 4-H projects were picked at last week's county 4-H Fair to attend state show, and other projects in clothing, handicraft and electrical picked at the spring achievement show will also be taken to East Lansing. Recent 4-H demonstrations and action exhibit projects and speech winners

are also in attendance. Here are the names of the state show winners at the fair last week.

Poultry: Alan Cobb, Debbie Bauer, and Dorene Bauer.  
Poultry Science: Alan Cobb.  
Rabbits: David Price, Debbie Price, Larry Schomisch, Jane Vitek, and Richard Zappol.

Veterinary Science: Edna Felghner and Saddle Mate 4-H.  
Entomology: Larry Bernath, Tom Moldenhauer, Grant Palen, Steve Wirth, Larry Borton, Joann Kanaski, and Teri McQueen.

**Ready to Wear... No Ironing!**

Shirts, slacks, sheets, pillow slips, blouses, skirts - If they're made of durable press, you can forget about ironing them—that is if you have a new clothes dryer!

The clothes dryer provides an exact temperature that prevents overheating or overdrying, and it has an automatic setting that's designed especially for these miracle fabrics. Your durable press garments dry with a professional "finishing touch" that completely eliminates the ironing board.

Why not see your automatic appliance dealer today? While you're there have him show you the automatic settings that do your ironing for you!

BEST OF 11 FLOATS ENTERED IN 4-H PARADE WEDNESDAY

This float, put together and manned by the 4 Corners 4-H Club, took first prize in a contest at the 4-H Fair in St. Johns last Wednesday night and won a \$25 award for the club. The float emphasizes roadside and litter clean-up and featured "bees" buzzing around cleaning and painting up. Two youngsters trailing the wagon picked up papers thrown on the ground by two "litterbugs". Mrs. Anna-Beck is the leader of the 4 Corners 4-H Club.

The average cow in the U.S. milks only 3.9 years before she breaks down or is sold because of poor production. To maintain our dairy first-calf heifers must replace their elders on the milk line each year. Our future depends on our replacements. We like to have our heifers calve at 24-25 months of age. Heifers should be bred by weight not age, and should weigh at least 750 to 800 pounds

## WE TRY TO REACH THE ABOVE GOALS

BY THE FOLLOWING METHODS:

age of calf	procedure
<b>1-4 DAYS</b>	Let the calf nurse the cow 24 hours and then feed colostrum up to four days.
<b>4-5 DAYS</b>	On the fourth or fifth day we move the calf to a separate pen or stall. At this time we (1) switch from colostrum to FARM BUREAU MILK REPLACER and feed twice daily (2) start the calf on CALF PRIMER, feed free choice.
<b>15 DAYS</b>	At 15 days of age start free choice feeding of good quality hay in rack and provide clean fresh water and salt.
<b>42 DAYS</b>	At 42 days of age, we start weaning the calf off FARM BUREAU MILK REPLACER, gradually decreasing the MILK REPLACER. Have calf completely weaned by 28 days of age. Beginning at five months the calf primer is taken away and over a period of five days are gradually switched to our regular ration. age, weight,

"We purchase our Farm Bureau Milk Replacer and Calf Primer from St. Johns Co-Operative Co."

## It's Such a Big World

Some folks say that as we grow older the world grows smaller. Is that because of the wonders of modern communication and transportation? Or is it because when some folks grow older they become preoccupied with their own little orbit of life?

Junior certainly enters life completely preoccupied with himself. But once he begins to walk and talk—gosh how his world balloons!

That's why he needs the religious training our churches provide. His faith must keep pace with his burgeoning world.

And as grown-ups, in worship and Christian devotion, we need likewise the spiritual gifts our churches offer.

For it really is a big world. Full of challenges, opportunities, and promising tomorrows. It always looks that way to a growing soul.

Bus 39 will deliver Central Kindergarten students to and from Swegles at 12:15 and 3:05. Bus 11 will shuttle Riley Lutheran students to and from Riley Elementary School.

Most of the first stops on all routes will be approximately 7:10 to 7:30 a.m.

## MSU honors announced

Last week, a list of students who had graduated from Rodney B. Wilson High School and are now attending Michigan State University was released bearing the names of those who had attained over a 3.5 average on a base scale of 4.0.

The high school authorities would like to add to that list the name of Brian Campbell, son of Mr and Mrs Lloyd Campbell of St. Johns. Brian received a 3.74 average. He did attend Rodney B. Wilson but wasn't among the graduates as he was then a student of the Interlochen Fine Arts Academy.

## Cancer society lists closets

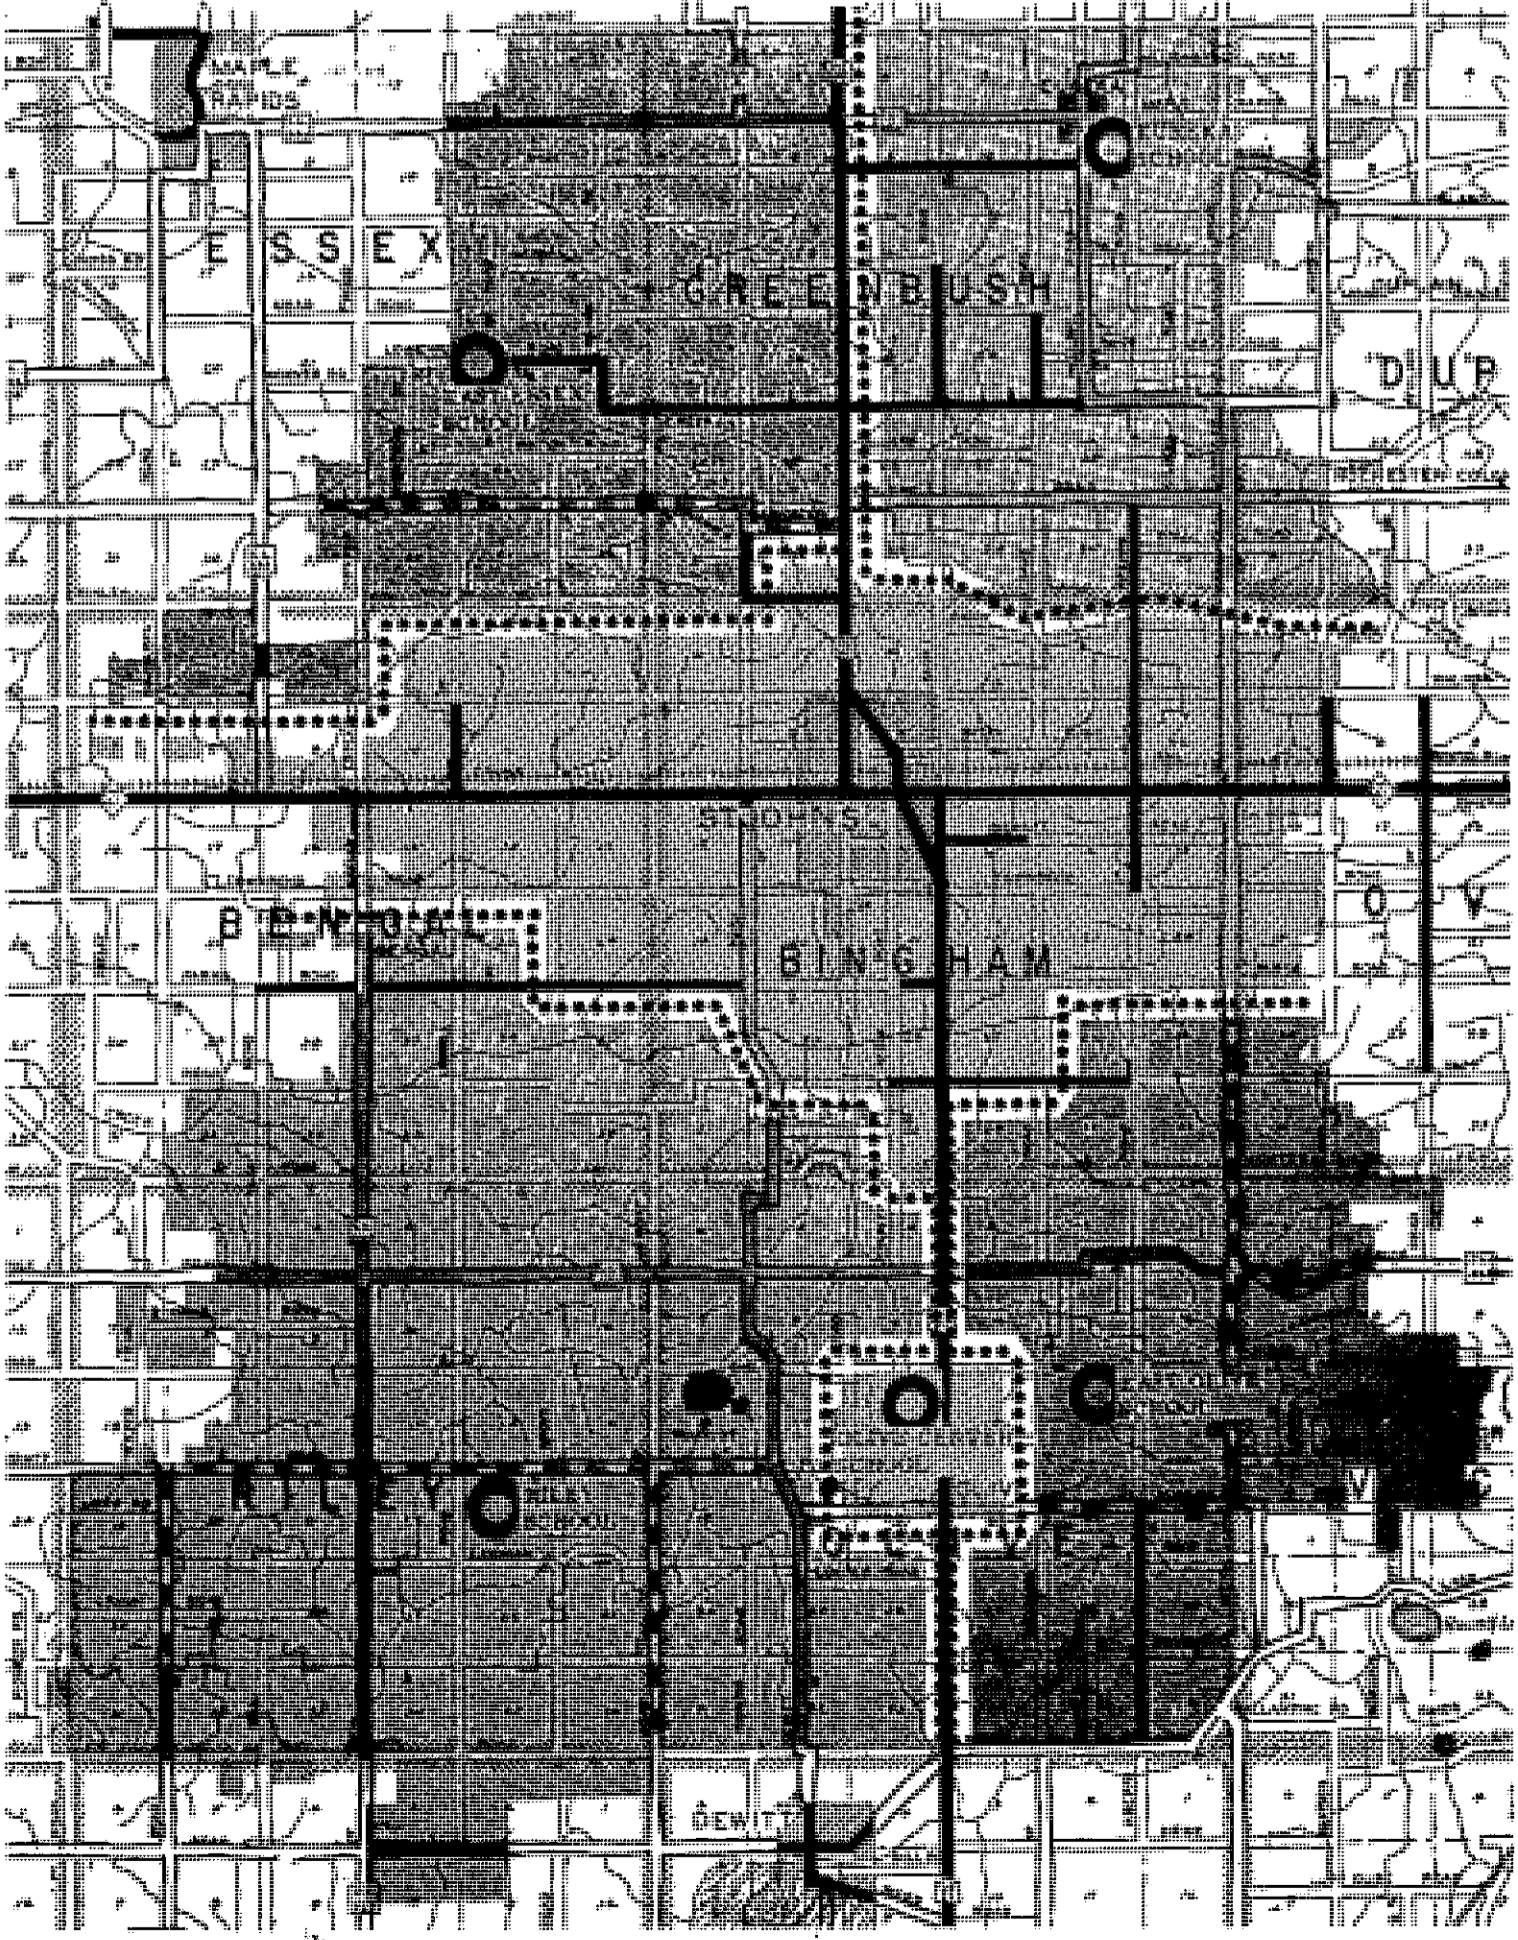

The Clinton County Cancer Society offered a reminder to the county residents last week regarding its loan closets.

The closets are for the use of area people and contain many useful items for the ill or bed-ridden person. Available for the asking are hospital beds, wheel chairs, crutches, bed lifts, bed pans, urinals, walkers, bed rails, commodes, bedside tables. Also included in the items for lending are bed rests, suction pump, foam pads, leg braces.

There are 10 centrally located closets in the area. In Bath, Mrs John Nessman will assist you. The Park Lake area has Mrs Mary McQueen; Eagle, Mrs Lewis Smith; Elsie, Mrs Evelyn Wooley; Wacousta, Mrs Fred Black. In Fowler, Mrs Marion Sturgis is the lady to see and Mrs Aphra Pixley will help in Ovid. For the DeWitt area, see Mrs Faye Hanson at the library and Rev. Miller will offer aid in Westphalia. Mrs Albert Frucht is in charge in St. Johns.

The member of the society located at each closet can also help its monthly meeting on county cancer patient.

The "fictional" Mother Goose really was! Her maiden name was Elizabeth Foster and she was born in Boston in 1665. In 1693 she married Isaac Goose, and the famous Mother Goose Rhymes were composed for her grandchildren.

Parents of rural children in the St. Johns Public Schools District may find this map handy in plotting their own bus routes from the accompanying descriptions. The shaded areas designate the prime attendance areas for the five rural neighborhood elementary schools and the near-by St. Johns area.

## RE-ADVERTISEMENT FOR BIDS

### VILLAGE OF OVID SEWAGE COLLECTION SYSTEM

The Village of Ovid will receive sealed proposals for the work shown below until 4:00 p.m. E.D.S.T., on the 30th of August, 1968, at the office of Harvey Darling, in the Village Hall at 117 East Front Street, Ovid, Michigan, 48866, at which time all bids will be publicly opened and read aloud in the Village Hall.

The work on which proposals are to be submitted includes:

- CONTRACT NO. 1 - SANITARY SEWERS: Approximately 37,400 lineal feet of 8", 10" and 12" sanitary sewer with appurtenances, 1 prefabricated lift station, and approximately 5,000 lineal feet of 10" force main.
- CONTRACT NO. 2 - SEWAGE TREATMENT FACILITIES: Approximately 16 acre waste stabilization lagoon with all necessary connections and appurtenances, approximately 1,400 lineal feet on 10" force main, 320 lineal feet of 15" outfall sewer and service road.

The bidding documents are available for inspection at:

Office of Village President  
117 East Front Street  
Ovid, Michigan

R. W. Petrie and Associates, Inc.  
Benton Harbor, Michigan

F. W. Dodge Corporation  
Lansing, Michigan

Copies of documents including plans and specifications required for review or bidding purposes may be obtained only from the Engineer, by depositing \$25.00 for proposed Contract No. 1 and \$20.00 for Contract No. 2 with the Engineer for each set of documents so obtained. (One-half of the deposit will be refunded to all who use the documents in a bona fide proposal submitted to the Village of Ovid and who return the plans within fifteen days, or to others who have plans and specifications and who return the complete documents in good condition within fifteen days after the bidding date.)

A certified check or bank draft payable to the Village of Ovid, or a satisfactory bid bond executed by the bidder and a surety company in an amount equal to five percent of the bid shall be submitted with each proposal.

It is understood that the work to be done is being financed in whole or in part with a loan or grant or both from the Farmers Home Administration, U.S. Department of Agriculture. Bidders' proposals shall hold firm for ninety (90) days to allow the Owner to complete its financing arrangements. Mutually agreed upon extensions of time may be made, if necessary.

EQUAL OPPORTUNITY CLAUSE. Bidders on this work will be required to comply with Section 301 of the President's Executive Order No. 11246. The requirements for bidders under this order are explained in the bidding documents.

The Village of Ovid reserves the right to waive any irregularities, reject any or all bids, or accept any bid when, in their opinion, such act will serve their best interests.

The successful bidder will be required to furnish a satisfactory performance bond and labor and material bond in the amount of 100% of the contract price.

State fair opens this Friday at 8 a.m.

The biggest bargain package in entertainment, information, and all-around fun will be opened at 8 a.m. Friday (Aug. 23). It's the 11th Michigan State Fair, and it will run through Labor Day, Monday, Sept. 2. E. J. Goff Keirns, the new state fair general manager, said the emphasis is on "free" this year. He explained that music shell, grandstand, and coliseum big-star attractions will be free to state fair patrons.

The lineup of such attractions in his- tory, with such stars as the Young Americans, Ed Ames, Arthur Godfrey, the Cowells, Frank Sinatra Jr., and George Kirby in the music shell; 15 horse shows in the coliseum; and a smashing auto thrill show and some of the world's best aerial performers in front of the grandstand. At the fairgrounds, Eight Mile and Woodward, meanwhile, the fair itself will be in full swing, with animal judging in the coliseum, the delighted shrieks of the youngsters on gay midway rides, the appreciative sniffs of visitors

to the cookie and cake displays in the Community Arts Building, the swinging beat on the Teen Scene. "CONSUMER Meets Producer" is the theme of the agricultural section at this year's fair. It is being repeated from last year because it succeeded in bringing to city dwellers a better idea of just how the food he and his family consume gets from farm to table. And the fair helps the county folk meet their city cousins, tour Detroit, and find out what their "customers" like. A record \$150,000 in premiums this year has attracted more than 20,000 entries in the various categories.

The entertainment lineup for the music shell includes: Friday through Sunday, Aug. 23-25—The Young Americans; Glady Knight and the Pips; the State Fair Honors Band, made up of the top high school musicians from all over the state. Monday through Wednesday, Aug. 26-28—Ed Ames; Smoky Robinson and the Miracles.

Sr. Citizens host Owaso group

Seventy members of the Gold- en Agers Club of Owaso were guests of Clinton County Senior Citizens on Tuesday, Aug. 13. Over 150 persons ate potluck dinner in the dining room of the Congregational Church. The Owaso group put on the program which consisted of a scripture reading, group singing, piano solo, vocal solo, readings, comic pantomime, duets and a quartette. The Clinton County Senior Citizens will visit Owaso at later date.

Vote for clean water

An important proposal will be on the ballot for Michigan citizens in November's general election.

The state's \$435 million "Clean Water and Quality Recreation Bonding Proposal" will be presented to the voters.

In his "State of the State" message to the legislature Jan. 11, Gov. Romney said:

"The three major challenges facing Michigan in the protection and management of its abundant natural resources area are pollution control of our lakes and streams, the development of adequate recreational facilities in and around our major urban centers, and the furtherance of the recreation potential of the Great Lakes.

"Because of the magnitude of these problems and because of the mounting cost of deferring action even for a short period of time, I am today proposing general obligation bond issues of \$435 million to help finance the capital costs of these programs on a cash basis."

The clean water portion of the proposal has the biggest price tag. The total bond issue would be for \$335 million.

This would help construct 210 new municipal water treatment plants, build sewers for an additional 3.5 million people, and improve 126 existing sewage treatment plants. The total program would cost an estimated

\$1.2 billion, with federal aid being utilized along with 25 per cent being contributed by local communities. The state would also pre-fund half the federal share of 50 per cent, to insure that the local share would be no more than one-fourth the total cost.

The \$100 million quality recreation program—the other portion of the proposal—would yield \$170 million by additional federal and local contributions.

If passed, Michigan residents can obtain 6,000 new campsites and construction of day-use parking capacity for 18,000 cars in state parks. At least 1,000 miles of roads and trails will be built in forest recreation areas to serve an additional 7,000 people per day. The state will expand wetlands and deer habitat on approximately 200,000 acres of state-owned land. The fisheries program will be expanded to an annual planting capability of 20 million fish, and alewife control and economic development of the Great Lakes will be encouraged.

Clean water and quality recreation are two of our biggest assets. We should join the governor, the Legislature, the Michigan State Chamber of Commerce and countless others in working for passage of this vitally important bond issue. It's our future that we're voting on.

GRASSROOTS OPINION

SCOTLAND NECK, N.C., COMMONWEALTH: "For many years this newspaper has been expressing the belief that justices of the United States Supreme Court and judges of the various federal district and appellate courts should not be named for lifetime terms but should be subject periodically either to election by the people or reappointment by the then sitting U.S. President, subject to approval of the United States Senate. . . . the people are much better protected in their rights when those who rule are subject to the people for their acts. It is much better to depend on the voice of the people than to depend on the authoritarian acts of judges who have no checkrein on their activities."

VAN HORN, TEX., ADVOCATE: "We should realize that millions of young people are quietly preparing for community leadership. They are better informed, more articulate, and better educated than any group before them. We should be proud of the conscientious majority of younger Americans. They are preparing for their future responsibilities with diligence and honesty. They also have a deep sense of morality and citizenship. Young people must respect the challenge of opportunity rather than the false hope of security. They should understand that the way to build a better world for tomorrow is not to start by tearing down every institution in it today."

If it Fitz . . .

By JIM FITZGERALD

It was freezing out the other day, but my wife cooked steaks on the outdoor grill and then rushed them inside to eat. "I don't want to get the oven dirty," she explained.

I ate the steak with my fingers, so as to not dirty silverware, and that night I suggested we sleep on the floor so as to not muss up the bed. And I was thinking how neat the hospital would be if the patients would just go somewhere else to be sick.

A week later I noticed something new spinning slowly on the outdoor barbecue spit (and isn't "spit" a lovely word for a cooking utensil?) It was a sort of wire cage, cylinder shaped.

"I thought it at Yankee's," my wife explained proudly. "You just fill it with chicken thighs and legs and then attach it to the spit and it revolves slowly over the fire. It's better than spitting a whole chicken."

"Gee," I said. A few minutes later I heard a terrible scream, followed by sobs. The door on the revolving cage had flipped open and all the thighs and legs fell into the charcoal fire.

"AS A CHICKEN cooker," I told my distraught wife, "you do not remind me of that white bearded Kentucky colonel who always smiles as he produces delicious chicken on TV. But this is probably because you shaved this morning."

"I will wash this chicken and then put it back in the cage," she said. "No one will taste the difference."

"Certainly," I said. "And scrub it good. There is nothing I like better than Rinsco chicken with a bath in the fireplace."

"You are a riot," my wife said. "It doesn't even occur to you that this is your fault. In other families the husbands do the outdoor cooking. If you had been out here watching, the chicken wouldn't have fallen in the fire."

"That's right, Daddy," said two little brats. "Other dads

do the cooking, how come you don't?" "It's because I'm afraid of the wild outdoors," I explained, "I might get attacked by a bear or something. Gee, the last time I went alone to our outdoor cooking spot I almost got lost. I had to follow the extension cord back home."

Which brings us to the incredible part of this open air cooking mania which is swiftly burying our nation in charcoal dust. I wouldn't mind if all these nuts wanted me to go to an old-fashioned picnic in the woods. I would simply refuse, explaining I have still not recovered from World War II battle fatigue. I got my fatigue while battling to keep the peas out of my peaches and the rain out of my coffee. I forgave the Germans and the Japanese long ago. But I have never forgiven the cross-eyed mess sergeant who splotted a whopping spoonful of creamed crud into my pocket containing a scented letter from my girlfriend.

ANY PATRIOTIC American must understand my refusal to risk opening old wounds with a rusty can opener, around a campfire, swatting bumblebees, sitting on burrs, 30 feet downwind from a newly dug john. But that is not what outdoor cooking means today. The modern picnickers never leave home. They do their grilling and spitting on the patio, 10 steps from a \$500 GE oven which is turned on every Christmas. During blizzards, some families cook in the living room fireplace. The important thing is to NOT cook in the kitchen.

A sane man might wonder why an electric civilization is returning to the open flame of the cave men. The most often heard reason is that charcoal food tastes better. This is hokey. Most outdoor-cooked meat is either burned or raw. The only way you can stomach it is to drench it in sauce made from

hot peppers and brimstone. And the only way you can sleep that night is in an Alka Seltzer bottle.

The only big reason for the popularity of outdoor cooking is the cunning of the female. Mabel wants to move the mess out of her kitchen and into the yard so she doesn't have to "get the oven dirty." With the aid of Sears Roebuck and national advertising, she has convinced her husband there is something rugged about preparing meals in the fresh air. It feeds his ego to don a corny apron and play Mrs. Tarzan of the patio. He thinks it is man's work, so the big clown does it. It is really Mabel's work but she has escaped it by moving the pots and pans outside.

Mabel is no dope. But her husband is.

Backward and downward.

LETTERS TO THE EDITOR

Why not fly Stars 'n Stripes? reader inquires

Dear Editor: We have seen pictures of our local servicemen and also the Viet Nam Honor Roll in the Clinton County News. But how many of us are showing patriotism by displaying the American flag? Is it considered old-fashioned or just lethargy in putting up a flag at our own home? Do we have to wait for a special holiday? What is more picturesque than the stars and stripes surrounded by a sky of blue and rolling white clouds, resting on a lawn of green? Perhaps if each of us would answer these questions, we would see more flags displayed in our city.

There's so much happens so quickly In this world of modern day, Life's a tarnation full of hustle We soon grow weary of the fray; If you question history's sequence, Stop and ponder casually, How long has it been good neighbor Since you cranked a Model T?

Sort of spins the memory backward Once again just to recall, How we fingered "dash board" coils, Just to make it run at all; How we jacked 'em up in winter 'Til the roads became more free. Can you honestly remember When you cranked a Model T?

Talk about your smooth transmissions— Come dead winter or late fall, Crank up one hind wheel fer action 'Fore you tried to crank at all; Brake bands squealed fer a mechanic. Tires were never trouble free, Have you tried to change a "clincher" Since you cranked a Model T?

Each proud owner had his moments, Transportation was at stake. And the owner of a "Lizzie" Felt he really had a break; They have had their day of glamour. I've no wish to sound off-key, When I ask again in passing, How long since you cranked a T.?

\*PARZE PLEEDON us for nelling the spame in such a morrect cranner.

Get a hobby

"Young man, get a hobby; preferably get two, one for indoors and one for out; get a pair of hobby-horses that can safely be ridden in opposite directions."

This advice was given long ago by an old gentleman who wrote "The Amenities of Book-Collecting," but it still holds true today. In fact, psychologists are advising us that, with the increase of leisure and the lengthening of the span of the retirement years, the way we spend our hours away from our jobs is becoming more and more important.

When we plan well for our recreation we truly create ourselves anew—we are reanimated, refreshed. It's like having a vacation every day.

According to Dr William Menninger of the Menninger Foundation, leisure activity can be divided into the following categories:

- 1) Creation—making something, like a table or a poem. 2) Collection—amassing objects, anything from stamps to antique cars to bits of string. 3) Acquisition of knowledge or skills—taking courses or lessons, perhaps calligraphy or Flamenco dancing. 4) Action in competitive sports or games; anyone for tennis or bridge? 5) Action in non-competitive sports like mountain climbing or weight-lifting. 6) Being a spectator—just watching. 7) Socializing—association with other people, either through organized activities (clubs) or just having friends over.

Not only do we all need to be "born again" every day in order to lead balanced lives, but also we should be aware that hobbies often lead to a second income, a new job after retirement and, more important, provide personal satisfaction. No matter how much recognition you get on the job, it is rewarding indeed to receive praises and prizes for additional activities. Even if your hobby is very private and personal such as reading every word of the Constitution or the Old Testament, it can give an added dimension to your days.

Industry really didn't have much to cheer about during Michigan Week. Our state now has the highest taxes on industry of any of the nation's major industrial areas. And Ohio and Indiana buy full page ads in magazines and the Wall Street Journal themes are: "Ohio, where profit isn't a dirty word." And "Indiana, where there are no state income taxes."

Not mentioned are the so-called "liberal" workmen's compensation and Michigan Employment Security Commission prescriptions that help too many people lose all desire to do a productive day's labor for heavily taxed employers.

Paul Pride . . .

Paul Pride says: "If you think painters never paint their own house, or that contractors only work on other people's places, take a look at what Ray Kentfield and Norman Rademacher are doing. Ray's house on South Traver has a bright salmon color of paint on it now, and Norm is remodeling his place over on North Kibbee. It all makes their places, and St. Johns as a whole, a little nicer to look at."

The "Low Down" From the Congressional Record

By Joe Crump

The approval of H. R. 15757 will affect every man, woman and child in the United States. We can only include here a few excerpts from the discussions which preceded passage of the bill by the House.

Rep. Harley O. Staggers (W. Va.) . . . The bill before the House today is one of the most important health bills to be considered by the Congress this year . . .

"The bill provides for assistance to students at health professions, schools, and for assistance to the schools themselves. The professions covered are medicine, dentistry, osteopathy, nursing, public health, optometry, pharmacy, podiatry, veterinary medicine, and the allied health professions, such as medical technology, occupational therapy, physical therapy, sanitarians, and the like . . .

"It is estimated that we are short at least 50,000 physicians; we need at least an additional 12,000 dentists. We are over 140,000 nurses short . . . Rep. T. L. Carter (Ky.) . . . Last year 9,000 qualified applicants were not admitted to the medical schools of this Nation simply because there was not space for them . . .

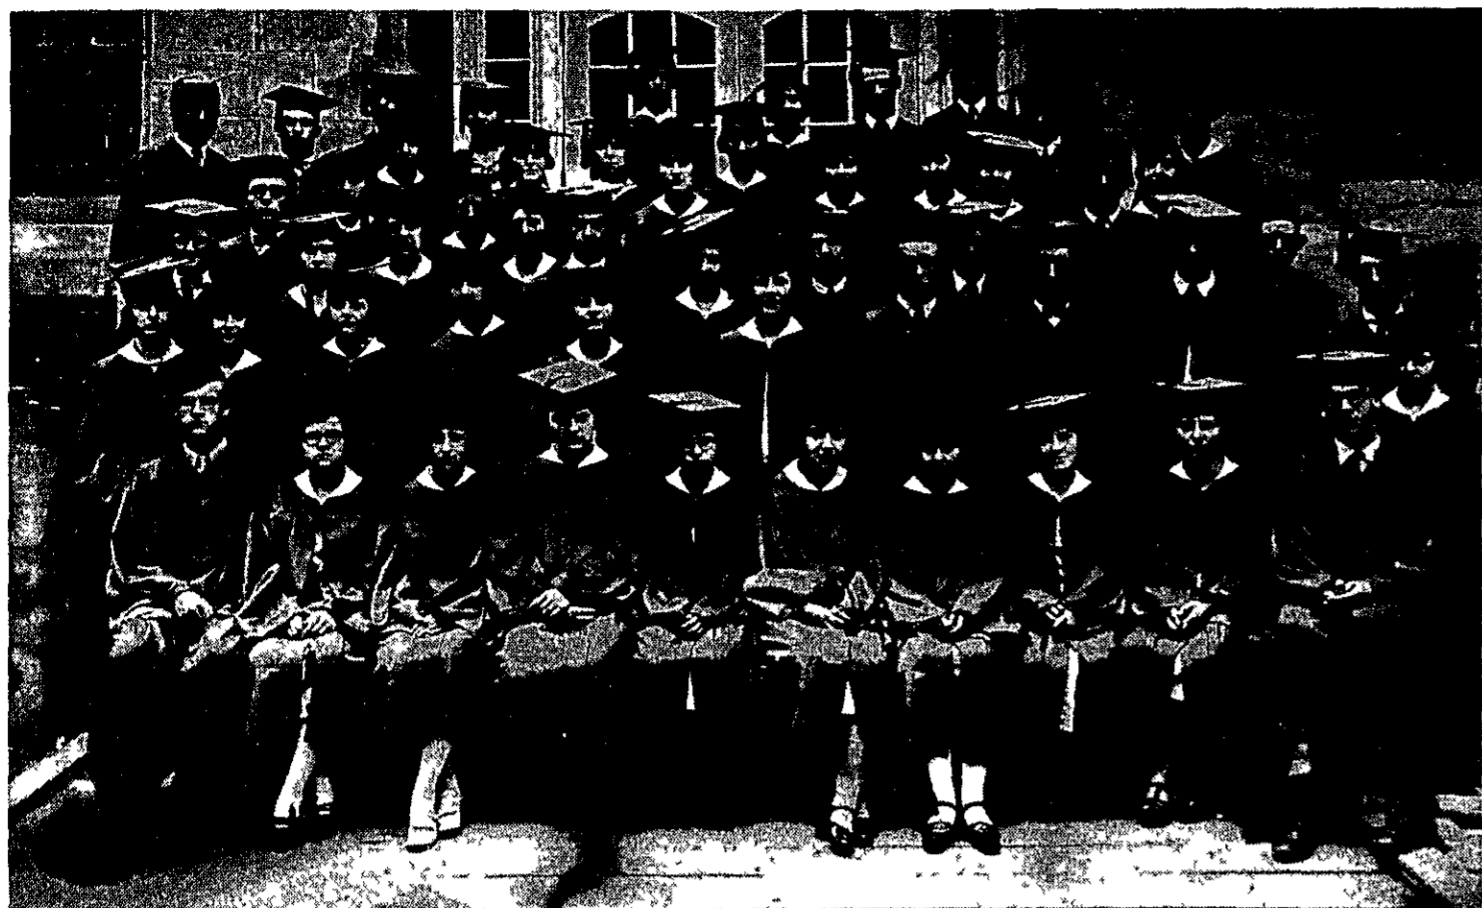

Rep. P. G. Rogers (Fla.) . . . Information is that medical schools at Boston University, Tufts, Marquette, Creighton Uni-

versity, Omaha, the Chicago School of Medicine, Georgetown, George Washington, the Hahnemann College of Medicine of Philadelphia, Jefferson School of Medicine, Philadelphia, Meharry School of Medicine, Nashville, St. Louis School of Medicine, Loyola University, Stritch School of Medicine, Hines, Ill., Tulane University and Women's Medical College, Philadelphia, have fallen upon hard times and are considering closing their doors.

SHOULD THIS happen, it would mean a loss of about 1,000 new physicians a year when the shortage is already about 52 thousand . . .

Rep. W. L. Springer (Ill.) . . . I am very happy about the foreign doctor's situation. I happen to have 11 rural counties in my district. I have been trying to get doctors into those cross-roads towns. Do you know who I am getting? I am not getting any of the graduates of the University of Illinois, the University of Chicago, Northwestern University, or the University of Michigan. The only ones I am getting are those that are coming in from out of the country, and those people are perfectly satisfied to go to the small communities and reside there for the rest of their natural life . . . ### Former St. Johns graduate, teacher finds class of 1925 picture

Dear Editor:

Every Friday when we receive our Clinton County News I turn eagerly to the editorial page to see what "old" picture is printed this week. In going through some collections of past years recently, I came on this picture of the graduating class of Rodney Wilson High School, taken on June 19, 1925. Would this be as interesting to some of your subscribers as it is to me?

I have tried to identify the people, but I am sure I have many errors. If any of my old friends read this, I would surely enjoy hearing from them. I teach

English XII and Latin in the Litchfield High School (I hope I do it as well as Grace Hunt and Edna Stevens taught me 45 years ago), and I am the librarian for the high school. Some may remember that I taught English and Latin in St. Johns in 1939 and 1940.

My attempt at identifying these graduates is this:

1st row—Robert Scott, Margaret Huey, Gwenavere Roat, Esther Pratt, Louise Phillips, Wilma Green, Helen Osborn, Opal Parks, Jane Barnes, Merrill Pearl.

2nd row—Margaret Shipley,

Glenna Brown, Louise Carmack, Geraldine Diller, Winifred Parks, Alta Parks, Glendon Fitzpatrick, Beryl Feorch, Robert Gilson, Don Heacox, Stanley Rathbun, Birdie Curren.

3rd row—Hugh Campbell, Lucille Stone, Helen Flynn, Thelma Sherman, Helen McAustan, Reed Vincent, Jennie Feguer, Lloyd Stoerck, Lloyd Atkinson.

4th row—Howard Carroll, Margaret Andrews, Alene Davis, Hazel Bancroft, Eugenia Mehney, Edith Stevens, Myrtle Irving, Zelma Taylor, Leonard Hoerner, Nellie Soper-Feguer.

5th row—Carson Scoggins, William Rice, Helen Sammon, Gayle Hunt, Gladys Gerow, Maxine Flowers, Margaret Fowler, Raymond Brown, Max Palmer, Warren Coffman, Doreen Black.

The following were in the class but I could not identify them (a couple must have been absent): Robert Hunt, Hazel Kentfield, June Gray, Cora Delle Kinney, Birdie Curren, and my old friend Lester Bond.

If studying this picture pleases some of your readers as much as it has pleased me, I am happy to loan it to you for reprint.

Yours sincerely,

## MICHIGAN MIRROR

### New chances offered adults to get high school diploma

BY ELMER E. WHITE  
Michigan Press Assn.

If you do not have a high school diploma, there may be an opportunity to get one at practically no cost through your local school system. Last June some 4,000 diplomas were awarded to Michigan people who took advantage of the high school completion program conducted by 120 school districts throughout the state.

Registration for fall courses is slated for Sept. 9-27. To register, an applicant need only contact his local high school. Programs vary from district to district but are generally designed to accommodate needs of adults. Credit is given for achievement, improvement and employment. Adult-level night classes are held for those who work.

Enrollment in the program has increased 400 per cent since 1964 when the Legislature lifted age restrictions on students earning their diplomas. Prior to that time, local school districts received no state funds for students over 20 years of age. In order to meet expenses, districts charged students \$20 to \$25 per course. Adults may now attend school without charge.

A second program is available for the 780,000 Michigan adults 25 and older with less than a ninth grade education. This basic program, financed primarily by the federal government is offered in 90 school districts of the state.

Participants spend six to 30 hours per week in class either learning specific skills or working towards "graduation" into the high school completion program.

The Department of Education attributes growing success of the program to active support by the United Auto Workers union. The union encourages members to enroll in classes, and local union halls are often used as classrooms. Last year, 16,000 adults attended class; this year, some 20,000 are expected. Classes are held both day and night.

More needs to be done, the educators maintain. Presently 59 of every 100 people over age 25 do not have a high school

degree. An experimental program in southeastern Michigan this fall will attempt to "mass-educate" people in a five-county area.

Educational instruction will be beamed from a UHF station in the morning and early evening. "Students" will use workbooks at home in conjunction with lectures. Any time the viewer feels qualified, he may take a General Educational Development examination from his local school. The GED award is equivalent to a high school diploma.

Continuing education programs for adults are offered by 229 districts in Michigan. These programs, which differ from basic education and high school completion, are entirely self-supporting. Students are charged enrollment, and a wide variety of improvement courses are available.

Perhaps because of additional leisure time, attendance doubled in the last three years. In the 1967-68 school year, about 350,000 Michigan adults participated in continuing education programs. Courses range from business and commercial to arts and crafts, first aid and recreation. Some districts offer courses in Americanization and citizenship for those who wish to become citizens of the United States. Over 2,500 enrolled last year.

Programs are usually advertised in local newspapers prior to enrollment each semester.

Diplomatic language is a form of speech that usually has all its merits on the surface.

Rep. J. J. Pickle (Tex.) . . . One of the major interests in the bill is that it takes great strides toward improving the Nurse Training Act of 1964 . . .

Rep. S. N. Friedel (Md.) . . . Some of the dental schools are in serious financial trouble. One school has already started to phase out its program . . .

Rep. Harley O. Staggers (W. Va.) . . . There is a long lead time involved between the date an initial professions school and the time that school graduates its first class. In the case of medicine particularly, the lead time is even longer because it is necessary for the graduate M. D. to receive further training as an intern and as a resident be-

fore he is fully ready to go into private practice . . .

"Assistance has been provided for the construction of 12 medical schools, five new dental schools, one new school of public health, and 17 new schools of nursing. In addition, construction assistance has been provided for a substantial number of existing schools which has enabled them to increase enrollment or to improve the quality of training which they provide . . .

"The bill before the House today is a 2-year bill, authorizing \$1,176,000,000 . . .

A GRASSROOTS COMMENT  
The bill was passed without a single dissenting vote. It's a good example of spending the taxpayer's money in the right direction.—J. C.

**BUY A FAST-RECOVERY Electric Water Heater SAVE \$25 ON INSTALLATION**

It won't take long to clean up this bunch with a fast-recovery electric water heater! That's because its super-speed elements deliver hot water just about as fast as you can use it for shower, after shower. In fact, a compact, 40-gallon, fast-recovery electric water heater puts out enough hot water to handle the needs of 97% of all families.

Because it's electric, the fast-recovery water heater needs no vent so you can put it anywhere—close to hot water outlets. With short pipe runs, water loses less heat, so less water is used.

A fast-recovery electric water heater won't win the game for little boys, but it really saves the day for mother!

 The ocarina, a musical wind instrument sometimes known as the "sweet potato," means "little goose" in Italy, where it originated in the late 19th century as a development from the carnival whistle made of earthenware.

The Michigan Public Service Commission has ordered the Penn Central Co. to install modern automatic flashing-light signals at its crossing with Chandler Road in Clinton County.

The order was issued subsequent to an inspection of the crossing by PSC staff, together with representatives of the Michigan Department of State Highways, the Clinton County Road Commission, the railroad company and interested local citizens.

The investigation was conducted in response to a citizen complaint citing restricted visibility at the crossing site and rising volumes of vehicular traffic over the crossing.

The crossing presently is protected by advance warning signs and reflectorized crosswalk signs.

"Our investigation finds the complaints on this crossing to be justified," Peter B. Spivak, commission chairman, said. "Natur-

al growth and a curve of the track provides a substantial restriction of visibility on the approach to the crossing, which calls for protective devices more visible than the existing reflectorized signs," he said.

"A 1966 vehicle traffic count of 1,732 vehicles per 24 hours reflects a marked increase in traffic over previous years. The road provides direct access to the north side of Each Lansing from a steadily developing residential area north of the crossing," Spivak said.

"In view of these factors, the commission finds that automatic protective devices are called for if crossing protection is to be commensurate with traffic volume."
