DeWitt elects mayor, councilmen . . . again

By Jim Edwards,
County News Editor

DEWITT — Another chapter in the stormy story of DeWitt city politics was closed Tuesday night when 374 voters

turned out to elect a new mayor and 2 new councilmen. The election became necessary after a recent recall election ousted 3 of 4 elected officials listed on the recall ballot.

New mayor of DeWitt is Murl Eastman, the 3d man to hold the position since the November regular election.

Eastmen defeated Sarah Fike 296-60. Elected to council positions are Arthur Newman with 220 votes and William Drouin with 147 votes. They defeated J. Dale Bohm (138 votes), Barbara Warren (109 votes), Margaret Faught (64 votes) and Steward Hall (32 votes). Unofficial reports indicate Hall changed his mind about running for office after he filed and did not actively seek the council position.

The election changes the make-up of the council for the 3d time in a year.

The first change came when resignations were submitted by councilmen, over a possible conflict of interest in having councilmen as members of DeWitt Development Corporation.

Following those resignations, the November election brought 4 new members of the council, Stanley Tenney, Ron Mull, Wayne (Gus) Wilcox and Gary Gillespie. A 5th member was Frederick (Bill) Shaver who was appointed to fill the vacancy created by the election of former councilman, elected mayor Raymond DeWitt, now former mayor.

DeWitt, Shaver, Tenney and Robert Ballard were later listed on recall petitions, a result of a dispute which erupted over a zoning change granted to Donald Ducharme.

That zoning change, over the objection of several Lake Geneva residents, allowed Ducharme to build condominiums in the Lake Geneva development.

In that recall election, DeWitt was recalled as mayor and Ballard and Tenney were recalled as councilmen. Shaver was not recalled.

The recall ousted the only 2 men, DeWitt and Ballard, who had been on the council previous to the November election.

Ironically Eastman opposed Raymond DeWitt in November for election to mayor. They were running for the mayor's spot vacated by Robert Keck who chose not to seek reelection.

It was Keck who was called upon following the recall to take over again as mayor until the Tuesday election was held. Another former city councilman, Keith Blizzard also returned to the council to fill a vacancy until the election.

If things hadn't been confusing enough, prior to the recall election 2 city officials, Charles Anderson and Daniel Elliott submitted their resignations.

Anderson was chief of police and Elliott was city administrator.

So . . . if there are those who can't figure "who's on first" after 4 mayors within a year, 14 councilmen in the same period, a change in police chiefs and the latest in city administrators' resignations the following is the current make-up of DeWitt city government.

Mayor is Murl Eastman flanked by councilmen Shaver, Mull, Wilcox, Gillespie, Newman and Drouin.

The police chief who replaced Anderson is Wendell Myers and there, currently, is no city administrator.

If that helps to simplify it, there's more. Rumor has it that 2 councilmen in office since November may resign.

Three school districts announce opening dates

CLINTON COUNTY — St Johns, Fowler and Bath school systems recently announced that school will begin Sept 5 for their students.

Staff meetings will be conducted Sept 4 for Fowler Public School employees, with students reporting for all-day sessions Sept 5.

Buses will operate on the same routes as last year, with adjustments made at the end of the 1st week. Anyone who moved into the district and has not already enrolled their students is requested to do so as soon as possible. This may be done at the high school office between 8 am and 1 pm.

The hot lunch program will cost, on a weekly basis, 35¢ for 1-3 grades, 40¢ for 4-6 grades, and 45¢ for 7-12 grades. Single lunches cost 5¢ extra. Because the special milk program has been discontinued by the USDA, white milk will be 7¢ and chocolate 8¢, if purchased without lunch.

High school students may pick up their enrollment card, books and supplies at the high school cafeteria Aug 28-30 between 8:30 am - 2:30 pm.

School will start for all St Johns students Wed, Sept 5, and will last all day, with a full day also scheduled for Thursday. There will be no school for students Friday. Classes resume again on Monday the 10th.

All parents new in the St Johns area who have not registered their children are asked to do so at the superintendent's office located in the high school.

School bus routes will be published in the Aug 30 edition of the County News. School for Bath students also begins Sept 5, with a full day.

Split sessions will be held again for this year, for junior and senior high students, with high school classes beginning at 6:45 am and lasting until noon. Junior high students will attend from 12:15 pm until approximately 5:15 pm. Grades 1-6 will begin at 8:30 am.

Cattle thefts continue

CLINTON COUNTY — The cattle rustlers are at it again. This time Leon Schumaker, 8256 S Francis Rd, DeWitt was the victim. He reported the theft of an all-red bull calf to the Clinton County Sheriff Dept on Aug 11.

Five break-ins at homes in the area have occurred recently. Bernice Rice, 3400 W Townsend Rd, St Johns, returned home Aug 16 after being away for a few hours and discovered a TV set and binoculars were missing.

The George Schultz residence at 10339 S Lowell Rd, DeWitt, was the scene of another break-in on Aug 14. Stolen were 3 rifles and shotguns.

Two Laingsburg residences across the road from each other were victimized. Jeff Sickle, 3748 E Lehman Rd reported the theft of a TV set, 35 mm camera, field glasses, watch, shotgun and a sum of money. A neighbor, Lynn Miller, 3725 E Lehman Rd, had shotguns, rifles, stereo equipment and

ammunition stolen, totalling \$1685.

Arlo Corwin, 4714 E Maple Rapids Rd, Elsie, reported stolen tools, battery, seat covers and clothing from a car parked on his property Aug 7. The value of the stolen items was listed at more than \$150.

Gary Lee Early, 22, Route R, Dexter Trail, St Johns, was found guilty in District Court of assault and battery, which occurred Aug 12 at the Dennis Thelen farm on Pratt Rd. Bill Kirkpherc of Dexter Trail was the victim. Early will be sentenced Aug 27.

A complaint was received Aug 10 from Jerome Feldpausch of Dexter Trail, St Johns. Arrested subsequently for malicious destruction of property were Lyle Feldpausch, 22, Colony Rd, St Johns; and Albert Thelen, 19, Fowler. Thelen pleaded guilty in District Court, and will be sentenced at a later date. Feldpausch demanded examination, which will also be held at a later date.

Stores announce Monday evening shopping hours

ST JOHNS — Several downtown St Johns business owners and managers have announced they will begin to remain open on Monday evenings as a shopping convenience.

Those who have announced they will be open for Monday evening shopping hours are J.C. Penney, Bennett's Jewelry, Julie K. PX Store, St Johns Furniture, Colonial Restaurant, Town

and Country Carpet, Lamberts Fabric, Harr's Jewelry, DePeal Music Center, Rehman's Clothes, Economy Shoes, Parr's Rexall Drugs, D&C Store, St Johns Music Center, Hobby-Lobby, D&B Party Shoppe, Quality Discount, and the Carol Ann Shop.

The new store hours until 9 pm for participating stores begins Aug 27. Friday evening hours until 9 pm will remain as they have in the past.

Explain reasons for bond proposal

City answers sewer questions

1. Q: Why is the sanitary sewer project necessary?

A: The answer is three fold. First, the capacity of the existing plant has been surpassed in many stages of the treatment works during only average flows. Heavy daily flows of twice the designed capacity which have been experienced in turn causes raw sewage back-ups into residential basements. This plant expansion would add the needed capacity for the increasing average flows, and an 800,000 gallon equalization basin to control high level flows. Second, the present plant's degree of treatment does not meet the state's guidelines of pollution control. Third, the State has ordered the City to improve the degree of treatment to remove phosphates and anticipate a tertiary treatment order. The new plant expansion would add the needed capacity, and bring our level of sewage treatment to the levels of order and antipolluted by the State.

2. Q: How much is the total cost to

update the sanitary system?

A: The total cost of the plant expansion and the needed new sanitary line and lift station would be funded as follows:

Local	\$ 902,000	20%
State	225,500	5%
Federal	3,382,500	75%
	\$4,510,000	

The Federal Environmental Protection Agency and State grants are proposed to fund 80% of this City facility.

3. Q: For how many years will the new parts of the sewer last?

A: The plant expansion is designed to meet a 1990 projected population of 13,000. Existing sanitary problems and state orders have necessitated this plant alteration, and therefore it is only wise and prudent to consider the City's future in the design.

4. Q: How long will it take to complete the project?

A: The engineers estimate the proposed storm sewer project could be completed within a year after awarding of the contract. The sanitary and plant expansion is estimated to approximately 15 months after the awarding of contracts.

5. Q: I live in an area already equipped with adequate sanitary sewer service. Why should I vote to spend money on a system I don't need.

A: The burden of meeting State pollution standards is certainly a community responsibility that will provide for a better environment both now and in the future for all of us. And the fact that an individual has not experienced sanitary back-up is not a guarantee that he may not in the future, but more important the cost of that individual's adequate sewer was defrayed by others before. This can only be viewed as solving a community problem which can only grow more severe if not taken care of. Also, the 80% Federal and State monies may not be available in the future

6. Q: I live in a \$25,000 home. How much will it cost me per year in extra taxes?

A: The proposed millage increase will be up to 4.42 mills which would bring the City rate to 16.42 is comparable to the 1966 rate. With no major budgetary cuts this City wide major project will still come close to the rate range levied some five years ago, for general operating procedures. Also, the amount of tax paid could decrease as the City's evaluation went up and the bond were paid off. Originally, a home owner with a house valued at 25,000 assessed at \$12,500 would pay approximately \$55 yearly in taxes for the project.

7. Q: What areas of town will have new or expanded sanitary sewer lines?

A: The only new sanitary line would include a truck sewer and lift station running from the south end of the City, down Scott Road to the Treatment Plant, with major interceptors to service the Oakland

and Lansing Street area. Although this system would provide direct relief to those homes which have experienced basement back-up and provide sanitary facilities for many homes and areas in the City which have never had these utilities, this one would also serve the remaining areas of the City. This service would be allowed major areas of the City to flow over the new line at existing interceptor points thus relieving the pressure of the northern lines to the plant which carry the majority area of the city sewage.

8. Q: Does the storm sewer proposal affect most areas of the City?

A: The storm proposal directly affects by the laying of either new lateral sewers or replacing under-sized sewers, 13 of the City's 15 drainage areas. The reduced flooding of city streets will be the immediate affect and also providing outlets for areas previously served incorrectly by catch basins hooked to sanitary lines with new and correct sewers. The proposed truck sewers and holding ponds will allow

for the adequate carrying away of water and for the final dispersment of it.

9. Q: What is the cost of the storm sewer proposal?

A: The total cost of \$1,450,000 is included in the 4.42 mills. The breakdown of proposed expenditures is as follows:

Truck Sewers	\$830,126
Lateral Sewers	172,459
Replacement Sewers	351,321
Holding Ponds	96,000
	\$1,449,906

10. Q: Is there a reason why the two systems must be implemented together?

A: Total cure of the community's storm and sanitary water problems can only be effectively administered with the implementation of both systems. The problems are so intertwined that construction of only one system would only be to treat the symptoms and not to effect the cure.

Police investigate

Gunshot wounds man

DEWITT — The City of DeWitt Police Dept is currently investigating a shooting Monday night at 907 Pine St, DeWitt, involving a Mason man and a DeWitt man.

Shot in the stomach was Ralph D. Purvis, 29, of 50 S Onondag Rd, Mason. The DeWitt man involved is Douglas Edward Foster, 30, 907 Pine St.

DeWitt Police, assisted by the Clinton County Sheriff's Dept went to the scene

where they received continuing reports of the incident.

DeWitt Chief Wendell Myers said Purvis told police he was putting the 22 bolt-action single shot rifle down when it discharged wounding him in the stomach.

Chief Myers said Foster said Purvis took the gun away from him to prevent him from shooting himself.

CHIEF MYERS said both men gave more than one account of the incident and each had referred to talk of shooting themselves.

Clothing worn by Purvis at the time of shooting and the rifle are at the State Police laboratories where tests were scheduled to be conducted.

Purvis was taken to St Lawrence Hospital by ambulance following the 9 pm incident.

Horse, pony owners: get animals vaccinated

CLINTON COUNTY — Owners of horses and ponies are advised to get their animals vaccinated against Equine Encephalitis, according to County Agricultural Extension Director James Pelham.

Although no cases have been reported in Clinton County, more than a dozen cases of the sleeping sickness have been discovered in Kalamazoo and Allegan Counties. Pelham noted that there are more than 1700 horses and 900 ponies in Clinton County.

Pelham advises owners to get in touch with their veterinarian immediately and have their animals vaccinated. There is a brief waiting period before the vaccine is effective.

Pelham said he was hesitant to advise owners against moving their horses, to show at fairs, etc, but added,

"I guess I'd be little reluctant to be moving a horse of my own until it was vaccinated."

Police investigate cattle shootings

BATH TWP — Bath Township Police, in conjunction with the Clinton County Sheriff Dept, are investigating the shooting of 2 Holstein cows Sunday night.

The cows were shot in the head by what Bath chief Myers Steffes theorized might be a high powered rifle. The heads are being examined at

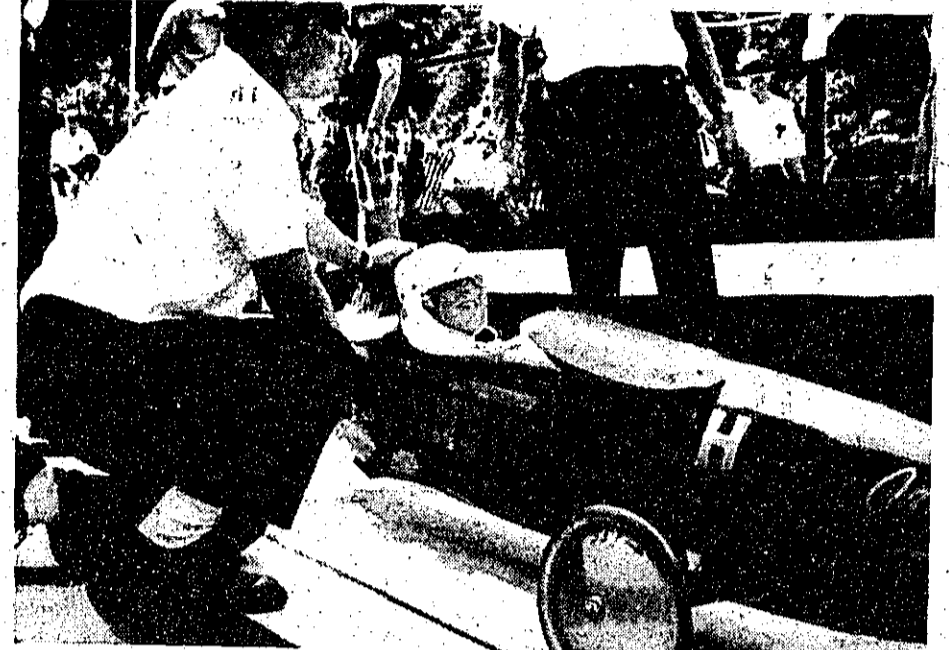

Michigan State University to determine the calibre of bullets used.

The incidents occurred at approximately 9:30 pm at the Gary Sansote farm located at 13661 Center Rd, Bath. Mrs Sansote told officials her father discovered the cattle Monday morning when he went to the barn to feed them.

DeWitt Twp sets land use hearing

DEWITT TWP -- The DeWitt Township Planning Commission will hold a public hearing on its

proposed land use plan Sept 18 at 7:30 pm in the Township Hall, 780 E Wieland Road, to get public opinion on the plan.

The land use plan was developed in a 4-phase program. Phase 1 involved inventorying and analyzing the township's current

situation.

Population was analyzed to find age-sex ratios and composition, family income

levels, labor force characteristics, and population distribution.

Natural features were studied to determine agricultural lands that should be preserved, and what soils would limit future development.

Community facilities were inventoried to learn the present and future capabilities for usage of schools, utilities, parks, police and fire protection, and governmental buildings.

The transportation system was analyzed according to present level of usage, conditions, and the capacity of the circulation network to meet future needs. To further assist the analysis, a map of existing land use was produced.

plate fees go to the Motor Vehicle Highway Fund.

Before distribution is made, collection costs are deducted, along with 1.5% of the total for the Waterways Commission and 1/2 cent of the gas tax for the new General Transportation Fund. During the 2nd quarter only, \$1 million is set aside for a newly established "critical bridge" fund.

The Dept of State Highways receives 44.5% of the remainder, counties share 3.7% and incorporated cities and villages receive 19.8%. DeWitt's share amounts to \$8,986 for the 2nd quarter. Eagle receives \$1029, while Elsie is to receive \$5314.

Fowler gets \$4306 and Maple Rapids receives \$3452. Ovid's share is \$7740, while Pewamo will receive \$3638.

St Johns is entitled to the largest amount, totaling \$28,944.

PHASE 2 centered around the identification of community trends and problems.

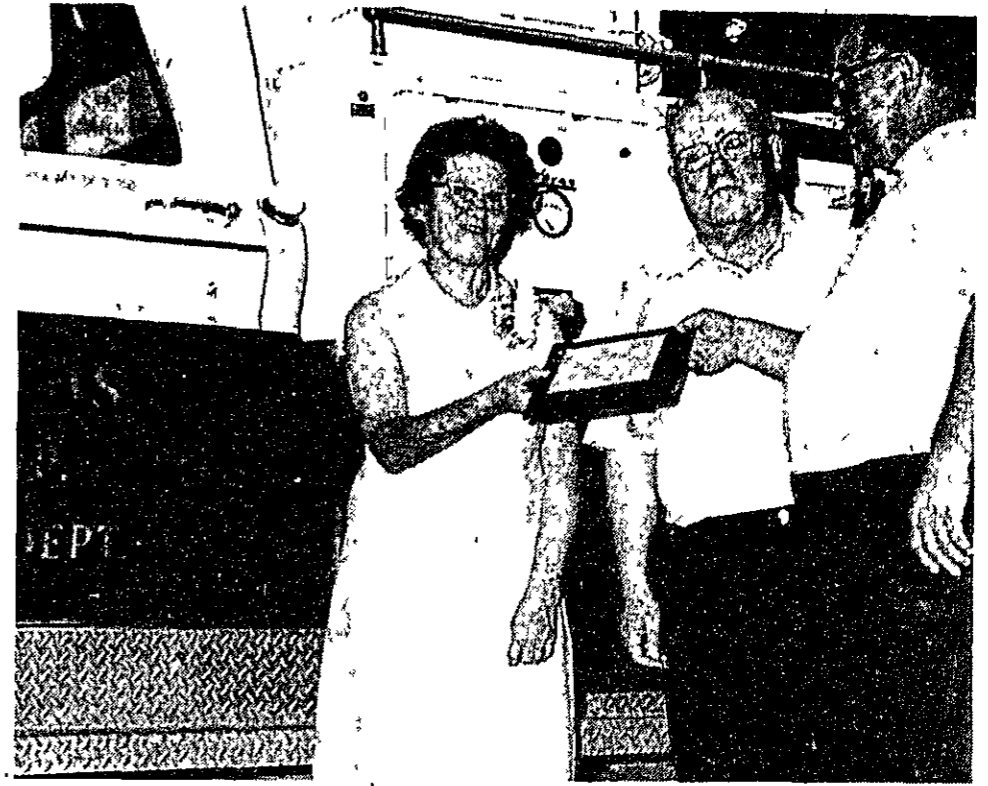

By building on positive features and suggesting policies to minimize past development problems, more desirable growth patterns will be encouraged in the future.

Phase 3 focused on formulating goals and policies relating to future growth. In this phase, policies for land use classifications, community facilities, and future transportation networks were established.

The goal of the Sept 18 public hearing is to get the public's comments and recommendations on the plan. "Even without planning DeWitt Township will continue to grow," said Planning officials,

but through the DeWitt Township Planning Commission, residents can help determine the direction of their township's growth.

The DeWitt Township Planning Commission started working on the plan with the Tri-County Regional Planning Commission in March, 1972.

Clare Snyder (right), former Fowler fireman and Dallas Twp trustee, presents Helen Fink and her brother Harold with a plaque in recognition of their outstanding service to the Fowler Fire Dept. The brother and sister team dispatched fire trucks 24 hours a day for 39 years.

County receives \$347,144 from motor vehicle fund

LANSING -- Clinton County's share of 2nd quarter Motor Vehicle Highway Fund monies amounts to \$347,144 this year, up more than \$72,000 over last year's total of \$274,473. Funds are

currently being distributed to county and incorporated cities and villages, according to the State Highway Commission.

Net receipts of the Highway Fund during April, May and June of this year in-

creased 23.5%, attributed primarily to a 2¢ per gallon increase in the gasoline tax which became effective Feb 1. Diesel fuel tax did not go up.

Public is invited to open house honoring Earl Haas

July 31 marked the end of an era for Cooperative Extension work in Clinton County. On that date County Extension Director F. Earl Haas officially retired after 38 years of active service to the people of Michigan.

An open house will be held for him and his wife, Norma, Sunday, Aug 26 from 2 until 5 pm at Smith Hall in St Johns.

A short program will be held at 3 pm. No special invitations are being sent because of the large number of people the Haas's count among their friends. The public is invited to attend and wish him well in his retirement.

A book of letters will be presented and those wishing to write should use an 8-1/2 by 11 sheet of paper, leaving a 1-1/2 inch margin. Letters should be mailed unfolded to John Aylsworth, Extension 4-H Youth Agent, 1003 S Oakland, St Johns. Contributions for a retirement gift are being handled the same way.

Haas was born and raised on a farm in the Ravenna-Conklin area of western Michigan and earned his B.S. degree from Michigan Agricultural College in 1935. By the time he returned to

EARL HAAS

his alma mater for a masters degree in 1956 it had been renamed Michigan State University.

Haas' 38 years of service was the longest of any one in MSU Extension. He began his career as a district 4-H agent in Kent, Allegan, Ottawa and Barry counties and served in that capacity for 6 years until being called into military service in 1941.

During World War II he served in the South Pacific area and attained the rank of Lieutenant Colonel before

being discharged in 1945. Upon returning from the war he became County Agricultural Agent of Oceana county and held that position until coming to Clinton county in 1955.

The Haas family reside at 907 W McConnell in St Johns and boast five sons; Terry of Sudbury, Massachusetts, Dick of Bellevue, Washington; Brian of Severna Park, Maryland and Bruce and Doug at home.

Haas is well known throughout Michigan and is held in high esteem by other Extension workers and Clinton county farmers for his broad knowledge of agriculture. In areas of income tax, dairy and farm structures particularly, he is considered to be an expert.

He has been a member of the Episcopal church for many years and has served on the vestry and in several other capacities. He is a long time member of the St Johns Rotary Club and served as its President in 1966-67.

Earl has not retired to a life of leisure. During the Clinton County 4-H Fair he was just as busy as always with no visual evidence he had retired. He is a very active person and it's just not his way to stop working.

MR AND MRS GORDON LEMKE

Porubsky-Lemke vows spoken July 7

BANNISTER — Marriage vows uniting Diane Marie Porubsky, daughter of Mr and Mrs William Porubsky, 9385 E Taft Rd, Bannister, and Gordon William Lemke, son of Mr and Mrs William Lemke, 204 E Pine St, Elsie were spoken July 7 at Bannister United Methodist Church.

White glads, yellow daisies and candelabras adorned the altar for the double ring ceremony performed by the Rev Miriam F DeMint. Janet Swanson provided organ music.

The bride's gown was of patsiole with an a-line skirt and was trimmed in alcoa lace. Her floor length mantilla veil was held in place by a headpiece of alcoa lace. She carried a colonial cascade of white daisies, yellow sweetheart roses, lavender and white miniature carnations trimmed with ivy.

Cheryl Lemke of St Joseph, Mich, was maid of honor. Her other attendants include Jo Ellen Bearup of Elsie; Erna Santrucek, Bannister; Teri Elkins of Elsie and Sherry Fisher, Corunna.

The bridesmaids' gowns were similar except the maid of honor's was lined with lavender. They wore a-line princess style with puffed sleeves and mandarin collars of lavender nylon flocking lined with taffeta. The maid of honor and flower girl, Shirley Porubsky, wore shoulder length veils with daisy headpieces. The

bridesmaids wore clusters of daisies in their hair. Each had an arm bouquet of white and yellow daisies with purple status. The flower girl carried a white lace basket with white and yellow daisies and purple status.

Jim Porubsky of Bannister was best man. Groomsmen included Jim Robbe, Bannister; Don Elkins, Elsie; Mike Fisher, Corunna; and Randy Lemke of Elsie. Rog Carstensen, Brant; Bruce Denovich, Bannister and Mike Denovich of Bannister seated the couple's 150 wedding guests. Scott Winans, Elsie was ring bearer.

A reception at Slovak Hall followed the ceremony with dinner and dancing for 400 guests. Assisting were Betty Mitchell, Deb Spindler, Karen Porubsky, Lorrie Dimond, Annette Sourek, Michelle Denovich, Robin Reha, Sharon Chovance, Deb Forquer and Gaila Garber. Kris Mitchell served as hostess, and Tony Fabus Jr, as host. The cake was baked and decorated by Fern King. Special guest present was Mrs Mary Parks, grandmother of the bride.

Following a wedding trip to Mackinac Island, the newlyweds will reside at 404 W Sickles, St Johns.

The bride graduated from Ashley High School in 1972 and Lansing Business University in 1973. Her husband is a 1966 graduate of Central High School in Crookston, Minn.

Sharon Crell bride of Don Shore

(c)— The Duplain Church of Christ was the scene of the afternoon wedding of Sharon Crell and Don Shore, both of Lansing on Saturday, Aug 4.

The bride is the daughter of Mr and Mrs Charles Crell of Elsie and the groom's parents are Mrs Maxine Shore of Roscommon and Floyd Shore of Lansing.

The Rev Justin Shepard performed the double ring ceremony before the altar decorated with a low floral arrangement placed beneath the Cross. Later it was used to center the table at the reception.

Mrs Nida Dunham provided the traditional wedding music as the bride was given away by her father and mother.

The bride wore an antique ivory full-length gown of lace and chiffon with a shoulder veil. Her fiber flowers in shades of lavender, purple and white were laid in a trail over a white Bible.

Maid of honor Jane Sharp of Lansing wore a floor length gown of lavender chiffon and lace. She carried

a basket of fiber flowers in shades of lavender, purple and white.

James Des Moines of Lansing was best man for the groom while David and Charles Grieve, nephews of the bride served as ushers.

The bride's mother wore a floor length gown of aqua brocade, trimmed in iridescent white with corsage of pink roses. The groom's mother wore a floor length gown of apricot and corsage of yellow roses.

The wedding reception for 150 relatives and friends was held at the American Legion Hall in Elsie with Mr and Mrs Lyle Lipp Jr, uncle and aunt of the bride, serving as host and hostess.

The new Mr and Mrs Shore left on a wedding trip to Roscommon and Mackinac Island, after which they will reside at 821 Vine St., Lansing.

Mrs Shore is a graduate of Ovid-Elsie High School Class of 1970 and employed by Michigan Civil Service. The groom is also employed in Lansing.

50th anniversary

An open house honoring the 50th wedding anniversary of the Rev and Mrs Edar R. McLaughlin will be held Sunday, Aug 26 from 2-5 pm at Grove Bible Church, corner of Shepardville and Price Rds., St. Johns. Hosts will be their 3 children and spouses, Dr and Mrs Daniel R. McLaughlin of Somers, Conn.; Mr and Mrs Fred D. Hicks of Marshall, and Mrs Walter J. Martini of Saginaw, and 7 grandchildren. Edgar and Noreen McLaughlin were married in Chicago on Sept. 6, 1923. Both are graduates of Moody Bible Institute, Chicago. The Rev. McLaughlin served in France during World War I, is a member of the VFW and does chaplain work in hospitals. Mrs. McLaughlin has been secretary of Clinton County Hospital Auxiliary since Sept. 1962, and does sewing for the hospital. Both are members of Grove Bible Church. Friends are welcome to attend.

MRS THOMAS KAREK

Patricia Wilson, Thomas Karek speak vows

ST JOHNS — Patricia Ann Wilson, daughter of Mrs. Rose F. Wilson and the late Edwin A. Wilson, 1529 S. Lansing St., and Thomas Gene Karek, son of Mr. and Mrs. Frank Karek, Sr., 7544 N. DeWitt Rd., St. Johns, exchanged marriage vows Aug. 10 at St. Joseph Catholic Church.

The Rev. Fr. William G. Hanked performed the double rign evening ceremony. Evangeline Caudy provided organ music.

The bride designed and made her gown, an A-line floor length crepe creation featuring lace bishop sleeves and lace bodice. She also made her fingertip veil of bridal illusion secured by a Juliet cap, and carried a bouquet of white roses with yellow rosebuds and yellow mountainstar.

Sandra Cornell of St. Johns was maid of honor. Julie Pung and Tina Wilson, both of St. Johns, were the bride's other attendants. The maid of honor wore a mint green floor length gown of empire styling with a high neckline and short puffed sleeves. The bridesmaids' gowns were of similar styling in yellow.

Michelle Saylor, Banister, niece of the bride, was flower girl. She was dressed identically to the maid of honor and carried bouquets of yellow primroses with yellow streamers.

Mrs. Wilson was attired in a floor length mint green gown for her daughter's marriage. The groom's mother chose a street length pastel yellow dress. Each had a symposium orchid corsage.

Frank Karek of Lansing was his brother's best man. Groomsman were Louis Wilson, Bath, brother of the bride; and William Wilson of Eureka, also a brother of the bride. David Wilson and Robert Karek of St. Johns seated the guests.

A reception was held at the VFW Hall immediately following the ceremony. Host and Hostess for the event were Mr. and Mrs. Lyman Ringle. Honored guests were Mr. and Mrs. A. P. Caudy, grandparents of the bride.

The newlyweds departed for a honeymoon in Ohio and northern Michigan. The bride is a 1973 graduate of St. Johns High School, and the groom received his diploma from St. Johns High School in 1970.

Celebrate anniversary

Friends and relatives are invited to an open house celebrating the 25th wedding anniversary of Mr. and Mrs. Stuart Sillman, Aug. 26 from 2-7 pm at their home on Dexter Trail. It will be hosted by their children, Mr. and Mrs. Wayne Woodbury, Mr. and Mrs. Richard Sillman, Charles Sillman, Laurie Sillman and their 4 grandsons.

James Tavener receives MS

HOUGHTON — James W. Tavener, son of Mrs. Dorothy from Michigan, was awarded his Master of Science degree in Technological University Aug. 23.

Open house deadline

Anniversary open house articles accompanied by a photo must be in the News office no later than 5 p.m., on Friday to insure coverage in the next edition of the paper.

Manpower Dept in new location

ST JOHNS — The Manpower Department consisting of two Federal Departments of Labor programs; Operation Mainstream and Neighborhood Youth Corps Out-of-School, is now located at 911 E. State St. Suite "C", St. Johns.

Neighborhood Youth Corps Out-of-School provides youth, 16 through 21 years of age with meaningful work experiences, paid wages, and continues out-of-school education and counseling.

Operation Mainstream is an on-the-job training program for adults 22 years of age or older, which gives an opportunity to get experience or increase your experience in the employment world. This program offers paid wages, work experiences, and counseling services during the training period. Assistances is also given to helping the clients find permanent employment at the end of the program. Currently, employment opportunities

that are available to low income families who reside in the Clinton County area include educational, clerical, skilled and mechanical areas.

Persons interested in training or employers interested in trained personnel should contact Doris Dahlke, Manpower Department, at the Clinton County Branch Office of the Office of Economic Opportunity (OEO) at 911 E. State St., Suite "C", St. Johns, or call 224-6702.

Charmaine Pearce, Dale Beers wed Aug 10

MRS DALE BEERS

ST. JOHNS -- St. Johns Assembly of God Church provided the setting for the Aug 10 wedding uniting Charmaine Pearce, Route 1, Fowler, daughter of Mr and Mrs Niels Pearce, and Dale Beers of Perrinton, son of Mr and Mrs Elmer Beers of St. Johns.

The Rev Joseph Eger, Jr, performed the double ring service. Sprays of glads and palms with candlebra graced the altar. Mary Ann Barrett accompanied Jewell Eger, who sang "I Love You Truly" and "The Lord's Prayer."

The bride wore a full length gown featuring a rose pattern lace bodice and sleeves with a taffeta skirt enhanced with lace. Her veil was secured by a pill box with pearls trimmed in rose pattern lace. She carried a long stemmed pink rose.

Her attendants were Marilyn Gurden, Owosso; Cecelia Nuoffer, Mt Pleasant; Diane Gurden, Owosso; and Betty Henderson of Owosso. Joy Eger of St. Johns was flower girl, while Nathan Gurdon Fowler served as flower boy. Les Youngs, Fowler, carried the rings.

The maid of honor wore a pink crepe with lace over burgundy gown. The bride's other attendants wore pink and white rayon chiffon gowns lined with taffeta. Each carried a long stemmed white rose. The flower girl was dressed identically to the bridesmaids and carried pink rose petals.

Mrs Pearce wore a floor length blue print gown for her daughter's wedding while Mrs Beers chose a beige floor length gown. Each had a corsage of pink and white carnations.

Mike Ritter, St. Johns; Dave Nuoffer, Mt Pleasant; Dan Shaffer, Fowler; and Joe Eger of St. Johns were the groom's attendants.

A reception was held following the ceremony at the St. Johns Municipal Building for the couple's 150 guests. Assisting were Pat Youngs, Janette Gurden, Rose Ritter, Shirley Marriage, Mary Ann Barrett, Claudia Barrett and Devona Marriage.

Following a honeymoon in northern Michigan, the newlyweds will reside in Fowler.

The bride is a 1967 graduate of Owosso High School. Her husband graduated from Rodney B Wilson High School in 1968

MRS JOHN HOYT

Ann Stone bride of John Hoyt

GRAND RAPIDS -- St. Jude's Catholic Church provided the setting for the July 21 wedding uniting Ann Louise Stone, 2433 Northville; SE, daughter of Mrs Frank Stone, 301 W Baldwin, St. Johns, and John Edward Hoyt of Kalamazoo, son of Mr and Mrs Paul M Hoyt of Clifton, Mich.

with white dotted swiss edging over bright yellow bridal satin. White picture hats completed their ensembles, and each carried wicker baskets of white and yellow daisies with baby's breath.

Mrs Stone chose a multicolored design gown over a white taffeta background, and had a corsage of a white orchid and carnations. The groom's mother wore an ivory lace over turquoise taffeta dress with matching jacket and had a white, orchid and turquoise carnations corsage.

Don Hoyt of Ypsilanti served as his brother's best man. Arnold Switalski and Brett LaMott were groomsmen. George Lancaster seated the guests Thomas John Stone, nephew of the bride, was ring bearer.

A reception for the couple's 130 guests was held at Adrian's Ramona Terrace in Comstock Park. Patricia and Jean Fitzgerald, cousins of the bride, assisted.

Following a week's honeymoon at Cedar Point, Ohio, the newlyweds will reside at 3732 Duke St, Kalamazoo.

The bride is a 1968 graduate of Central Michigan University. Her husband attended CMU, and is affiliated with Phi Kappa Tau fraternity.

The Rev Fr Patrick Cawley performed the double ring ceremony before an altar graced with white and yellow daisies with white glads and greens arranged on a pair of candelabra. Judy Hoyt played the guitar and sang, "First Time Ever I Saw Your Face" and "The Wedding Song," accompanied by organist Donald Hoek.

The bride selected a full length gown of silk organza with yellow ribbon encircling the bodice. The gown featured cap sleeves and a full skirt which swept into a chapel train. Her matching lace cap was attached to a full length veil of bridal illusion, and she carried a colonial cascade of yellow sweetheart roses, white carnations and stephanotis.

Debra LaMott of Grand Rapids served as matron of honor. Bridesmaids included Judy Hoyt, sister of the groom and Kay Shiel, Lynn Ann Stone, niece of the bride, was junior bridesmaid. All wore sheer yellow gowns

MR AND MRS BRUCE HALE

Barbara Hartsuff, Bruce Hale wed July 14

OID -- Barbara Ann Hartsuff, daughter of Mr and Mrs Kenneth Hartsuff of Ovid, and Bruce A Hale, son of Mrs Katherine Hale of St Johns and Rex Hale, Ithaca, were married July 14 at the United Church of Ovid. The Rev Claude B Ridley, Jr, performed the double ring ceremony before the altar decorated with baskets of white glads and yellow and lavender mums. The bride chose a floor length gown of ivory machelle lace trimmed with satin ribbon. Her high neckline was edged with lace trim. A shoulder length veil was held in place by flowers which framed her face, and she carried a modified crescent arrangement of white snowdrift mums centered with mums. Janet Korf of Corunna was her sister's matron of honor. Clarice Hartsuff, Ovid, sister-in-law of the bride; and Christine Hale of

DeWitt, daughter of the groom; were her other attendants. They were attired in floor length gowns of lavender paisley voile over taffeta with antique lace trim on the neck and long sleeves. Each wore a lavender picture hat and carried a crescent cluster of daisies. The mother of the bride selected a blue street length dress with white trim and white accessories, while the groom's mother chose a peach and white street length dress. Each had a corsage of yellow sweetheart roses with baby's breath. Rodney Hale was his brother's best man. Jim O'Connor and Bill Koivu served as groomsmen. Douglas Hartsuff, brother of the bride; and Ronald Matson, brother-in-law of the groom, seated the guests. A reception for the newlyweds was held at the Elsie American Legion Hall. Those assisting included Betty Drexler, aunt of the bride; Dorothy Sauber, Esther Wilson and Julia Borton. Approximately 150 guests were present. Honored guests were Shirley Trotter of Plano, Texas; and Betty Drexler of Cheboygan. Following a northern Michigan honeymoon, the couple is residing at Centaur Apts, 1500 W North St, Apt C-28, Jackson. The bride is a graduate of Lansing Business University, and attended Lansing Community College.

Bath Twp has quiet meeting

BATH - Business was back to normal once again at Monday night's Bath Township meeting. The only mention of the Park Lake pollution question was made by lake resident Melvin Fisk, who wanted to know the status of the tests being conducted by the Mid-Michigan Health Dept. He was informed that the tests will continue through Labor Day.

Board action was taken to purchase the MR-7 radar unit recently used on a 90-day trial basis by the township police department. The unit costs \$2000 minus the trial price of \$214.68 and is well worth it, according to police chief Myron Steffes. In a letter to the board, Steffes said he feels the radar has greatly reduced the number of speeding violations in the township. Since the trial period began, 130 warning stops have been made, with tickets issued to only 2 persons who were stopped at 2d time. Steffes recommended purchasing the unit, as well as the purchase of signs warning motorists that vehicle speed is radar timed. Treasurer Thomas Woodruff moved, supported by Clerk June Burnett, that the township purchase the radar. The motion included investigating the cost of signs before buying them and reporting back to the

board at their next meeting. Motion carried. The ambulance committee's request that the board allocate \$5000 to get the service started was tabled for further study until the next meeting. Another resident asked the board if everything possible had been done to obtain federal aid to construct a sewer. Trustee John Snider stated his belief that "somebody doesn't like us." He cited Middleton's grant, obtained only 3 months after receiving their Order of Determination, which pays 80% of construction costs. "Mid-Michigan (Health

Dept) has got to be holding us up," he asserted. Township supervisor Roy VanSickle said "to the best of everybody's knowledge, everything has been done." Snider added that the lawyer told him the township has completed all necessary procedures. Bath's Order of Determination states the township must have an operable sewer by Dec 1 of this year. VanSickle told the resident that, theoretically, the state could take Bath to court, order the court to sell bonds and order the township to distribute them. Currently the township has spent \$124,596.82 in

engineering fees for the proposed sewer, in addition to attorney's fees. The next meeting will be held Tuesday, Sept 4 instead of Monday night because of the Labor Day holiday.

We want to wipe out cancer in your lifetime.

The Clinton County News staff finds it impossible to attend meetings of all clubs and organizations that take place in busy and active Clinton County. And there are insufficient hours to chase the president or secretary of each group to get the stories that arise out of their meetings. Club secretaries are requested to drop us a card or give us a call at 224-2361 and fill us in on the highlights of their meetings and especially about special upcoming activities. If we could financially afford it, we'd employ enough reporters to follow you around and report what you do... and take your picture, too. But our bankers insist on our remaining solvent, paying our interest on time and occasionally making a payment on the principal.

Miami BRICKSTONE

It is practical to use a material that hardens instead of softens with age. It is so dense that dirt particles can not penetrate its surface therefore it remains clean. It is produced with metal oxide molecules of color that are forever locked in place. It is produced in modular heights of 1 1/4", 2 1/4" and 3 1/4" in lengths of 23 1/4". It is basically a hard dense limestone product. It is uniform in all dimensions, simplifying installation. It is comparable in cost to many more common masonry materials. It is produced and stocked by a local franchised business firm. It is a full wall thickness similar to brick and stone. It is high in compression strength and low in moisture absorption.

There is a Miami Brick size and color for every architectural style.

The Ultimate Expression of Perfection For Homes

Stays New and Brilliant

The clean, stark grandeur of modern architecture is enhanced by textured Miami Brick that keeps its bright new look year after year, never darkens, chips or shales. Rain washes a Miami Brick building free of dirt and restores its original beauty and brilliance.

Luxurious Interiors

The natural elegance of Miami Brick transforms any home into a showplace, custom-designed for the discriminating home owner. Miami Brick adds warmth and textural interest to interiors - combines handsomely with wood, metal, glass and other materials for enduring walls and fireplace settings. A wide range of pastel hues offers unlimited decorating possibilities.

Applications being taken for new Social Security program

LANSING—The Lansing Social Security Office is now taking applications for supplemental security income payments, a federal program scheduled to start in 1974 that will establish a money payment for people in financial need who are 65 or over, or blind, or disabled, according to Roger W. Seamon, social security district manager.

But people already getting state old age assistance, or state aid because they are blind or disabled, don't have to apply, he said. They'll be getting more information later this year about how the program will affect them.

The first monthly payments under the federal program will be made in January 1974. Until then, Michigan Department of Social Services will continue to make payments in the usual way.

People not getting public assistance now who think they may be eligible for the new federal payments should call or write social security to find out if they should apply.

Federal supplemental security income payments will be made by the Social Security Administration. But the program will be financed by general revenues—not by social security contributions

from workers and employers.

The aim of the new program is to provide supplemental payments in cases of need so that people 65 or over, or blind, or disabled will have a basic cash income of at least \$130 a month for one person and \$195 a month for a couple.

THIS DOESN'T mean that every eligible person or couple will be getting that much from the federal government every month. The amount of the federal payment any person gets will depend on how much other income he has. Also, states may add to the basic

Federal payment.

Eligibility for Federal payments will depend not only on the amount of income people have, but on the value of their assets.

If you're single—or married but not living with your husband or wife—you can own assets worth up to \$1500 and still get Federal payments.

A couple can own assets worth up to \$2250 and get payments. Not everything you own has to be counted toward your total assets, however.

A home of reasonable value will not be counted as an asset. Personal effects and household goods won't

count in most cases. Insurance policies or a car may not affect eligibility either, but it will depend on their value.

CERTAIN INCOME also will be disregarded in deciding on an application for supplemental security income. The first \$20 a month of income generally won't affect the federal payment at all.

In addition, people who are working part time should know that the first \$65 a month of earnings won't be included in counting their income and only half of the rest of their additional earnings will be counted.

Apart from earnings, other income above the first \$20 a month generally will reduce the federal payment. This includes social security checks, veterans payments, workmen's compensation, pensions, annuities, and gifts.

If you live in someone else's household, your basic federal payment will be reduced by one-third before other income that may affect your payment is deducted.

People who need more information to decide whether they might be eligible for the federal payments should call social security at 372-1910, or write to the office at 838 Louisa Street in Lansing. Or a friend or relative can make the call if the person in need isn't able.

It is also possible to contact social security in Lansing by telephone at no cost. People with St. Johns, Maple Rapids, Fowler, and Pawamo exchanges can call toll-free to social security in Lansing by dialing "0" and asking for Enterprise 6550.

EVEN THOUGH payments cannot start until January 1974, we're starting to take applications now so we can process them ahead of time and avoid delays that might occur if there's a rush of applications right at the end of the year," Seamon said.

TO THE EDITOR

J.O.Y. works

Dear Editor:

As our Job-O-Youth Program draws to a close, we would like to tell the people of the community how it went the first year.

We feel very successful for a FIRST. We knew we were going to make J.O.Y. work in St. Johns. We worked about 2,500 hours this summer, that wouldn't have been without this fine program.

We had a few problems but they were very small compared to what was gained. We bridged the gap between rural and city, between employer and employee, and between youth and the "older generation".

JOY appreciates all the community help given us. Advertising, money, supplies, and lots of time was donated to us this, our first year.

We the Executive Board, Office Staff, and the Working Force are enthusiastic, and strongly support JOY, and we're ready to go again next year.

WE NEED JOY!
Sincerely,
The Executive Board of JOY

Greenbush United Methodist Church to celebrate 75th anniversary

In the fall of 1849, 124 years ago, the Rev William Benson of Rochester Colony organized a class in a log school house near Jeffrey's hill, one-half mile south of Eureka. Members of this class were Nelson Daggett and wife, Nathan Spooner and wife, William Besley and wife, and James R. Carter. Nelson Daggett was appointed leader. This was the beginning of the Greenbush Church.

Among early ministers were the Rev Wilkinson, the Rev A.L. Crittenden and Elder Charles Smith of Essex Township.

Then, in 1855, another early religious organization was founded in what was known as the Wildcat Schoolhouse, and by 1860 it consisted of fifteen members. Elder Rose was one of the ministers there.

In 1865 the present Sherwood Schoolhouse was built to replace an old log structure, and in this building the 2 organizations united and held their services. The 1st minister here was the Rev Charles Chick, who lived in Maple Rapids, and preached there also.

Among the families who were regular attendants at these services were the Davies, Adams, Ellis, Goddard, Carter, Scott, Auten, Altman, Sherwood, Fleagle, Ingersoll, Hodgson, Gradt, Jolley, Besley, Loomis, Silvermail, Matthews, Blanchard, Marshall, Newman, and Mr Moizey, who was an exhorter.

The Rev Jason Cadwell was the pastor in this period from 1870 to 1872, and it was during his revival that many of the above families were brought into the church. It was also during this time, Nov 10, 1870 to be exact, that the Woman's Foreign Missionary Society was organized by Miss Rufison. There were 24 charter members in this organization. Of this group Mrs Jeanette Davies was the last surviving member.

At this early date, of course, there were no lesson leaves, but they made use of their Bibles, and of a wall chart from which lectures were given. James Carter was lecturer for several years. The pastor was paid entirely by free will offerings at this time, and so soon after the Civil War these were, by no means, large.

In 1877 the Keystone Grange of Greenbush built a 2-story hall a mile south of the schoolhouse on half an acre of ground given by R.C. Davies for a building site. It was built by a company of stockholders composed of Grange members. The Grange used the upper floor and allowed the Church to use the lower floor without paying rent. The members of the Church were glad to do this as it was a better location and much more convenient. The township elections were held here also.

In 1877 and 1878 the Rev E.J. Freeman, from Maple Rapids was pastor, and he was followed in 1879 and 1880 by the Rev S. Kitzmiller. Some of the members heard the Rev James Hamilton, then pastor of St Johns and desired that Greenbush be put on the St Johns charge.

This was done at the next conference, but the Rev Hamilton was made Presiding Elder and the Rev S.L. Hamilton was sent to St Johns in his place. Peter Fleagle was class leader at this time. Rev Hamilton was followed in turn by T.H. JACOBS, G.C. Draper, R.H. Bready, and A.D. Newton.

In 1888 the Rev T.A. Tallman was pastor at Maple Rapids. At conference he said he would return if Greenbush was put on the

Maple Rapids and Lowe charge. So ended a 10-year sojourn with St Johns.

After Rev Tallman came the Rev R.S. MacGregor, followed by Rev W.A. Taylor in 1890 and 1891, the Rev A.L. Burns in 1892, and the Rev A.O. Carmen in 1893. He remained 5 years and it was during his pastorate that 2 outstanding events took place. The 1st of these was a revival held in May 1895 with James Connolly as evangelist. It should be noted that this revival was held during the farmer's busiest season. The 2nd of these events was the building of the present church.

In 1896 the Church purchased for 50 dollars the title to the land where the Grange Hall stood. Then in 1897 they purchased, again for 50 dollars, an additional strip on the north side of the original plot. This was later used for the building of the 2nd horse shed. This plot was purchased from Mr and Mrs Edwin C. Stevens.

Before the purchase of the property there had been talk of the need for a real church building, and several plans were considered. The Grange Hall was sold to the township of Greenbush for 200 dollars and moved across the road to a site donated by Peter Fleagle.

At a special meeting a building committee was appointed which consisted of W.T. Bair, Marcus Jolley, F.S. Marshall, Peter Fleagle, John Bishop, and A.B. Dexter. F.S. Marshall was the treasurer. These men assumed the entire responsibility of financing the building of the church and pledged a thousand dollars as a start.

Meanwhile plans for a country church were made with the aid of Henry Hewitt, a Maple Rapids carpenter. Hewitt was employed to oversee the building of the church, a task for which he received \$1.50 per day. He turned his work over to Henry Mallory before the work was finished, and the building was completed under this supervision. The church was painted outside, and decorated inside as a donation of William Goddard. Several of the members bought a window bearing the name of the donor.

At the dedication enough money was pledged to clear the indebtedness on all church property. Including the horse sheds, the total cost of the building was nearly \$4000. The dedication took place on Aug 28, 1898, about 4 months after the laying of the cornerstone by Rev Carmen on May 3.

The dedicatory services were conducted by the Rev William M Puffer, D.D. and Bishop Nind of Lansing. The first pastor of the new church was A.T. Luther.

The Ladies Aid was organized in 1891 through the efforts of Mrs Fletta Andrus. The first meeting was held at the home of Mrs John Bishop. The following officers were elected: Mrs Lizzie Russell, president; Mrs Dora Bishop, secretary; Mrs N.K. Smith, treasurer.

The ministers following Rev Luther were E.C. Sinclair, J.E. Foote, E.E. Sprague, R.R. Atchison, who was the first pastor to drive an automobile, L.B. Kenyon and L.T. Robinson, who remained for 5 years. Extensive repair work was done. The attendance was about one hundred during his stay. A revival took place, after which many members were added to the church.

F.S. Kinney came in the fall of 1917 who stayed 2 years. Then the Rev. David

Reed and Robert S. Miller supplied for a time.

The church was originally equipped with 1 of the finest bells in the state. It could be heard for miles in good weather. Sometime in 1919 a change in tone was noticed. On investigation a crack in it was revealed, making it worthless. Whether this breaking of the bell occurred on Armistice Day in 1918 when it was rung feverishly or when the lightning struck the belfry is not known.

Churches that Greenbush has been on a circuit with are Maple Rapids, Lowe, St Johns, Duplain, Shepardsville, Bengal, Fowler, Price and Salem.

The Rev Birdsell came in 1920 and served for 2 years, followed by the Rev W.S. Phillips in 1922 who was on the charge for 7 years. Lawrence Ward of Essex, began work in 1928 and served 5 years.

Ministers serving the church since 1933 were Kenneth Griswold, Donald Winegar, A.L. Wagley, N.D. Chew, Robert L. Smith, Gerald Rubingh, William Noordyk, Herman F. Schwarzkopf, C. Harry Moon, J. Oliver Hall, Cornelius Oldenburg, Alden B. Burns, David Gorton, William Schaaf, Jr., Lloyd Hayes,

Richard K. Best, Rudolph Wittenbach, William Tate, Robert R. Boyer, Charles VanLente, Everett Love and Norman Wood.

On Aug 26, 1973 members will celebrate the 75th anniversary of the dedication of the church and 124 years of Methodism in the community.

Approve teacher contract for Ovid-Elsie Schools

The Master Agreement between the Ovid-Elsie Area Schools and the Ovid-Elsie Education Assn was ratified by the O-E School Board as expected at their regular meeting Aug 13. The Master Agreement between the school system and Ovid-Elsie Custodians was also ratified.

Upon the recommendation of Superintendent Don Kenney, contracts were

approved for J Michael Cole, high school business teacher; Dennis K Sellers, high school agriculture; Mary A Lewis, high school English; Margaret A Militello, 5th grade at E E Knight; Cynthia S Follett, 3d grade, E E Knight; and Daniel G O'Boyle, 6th grade, Elsie Junior High School.

Also receiving contracts were Cleo S Hensley, remedial reading, North Ovid; Andrea C Judd, 2d grade, North Ovid; and Jan E Fuhlbeuge, Resource Room, East Ovid.

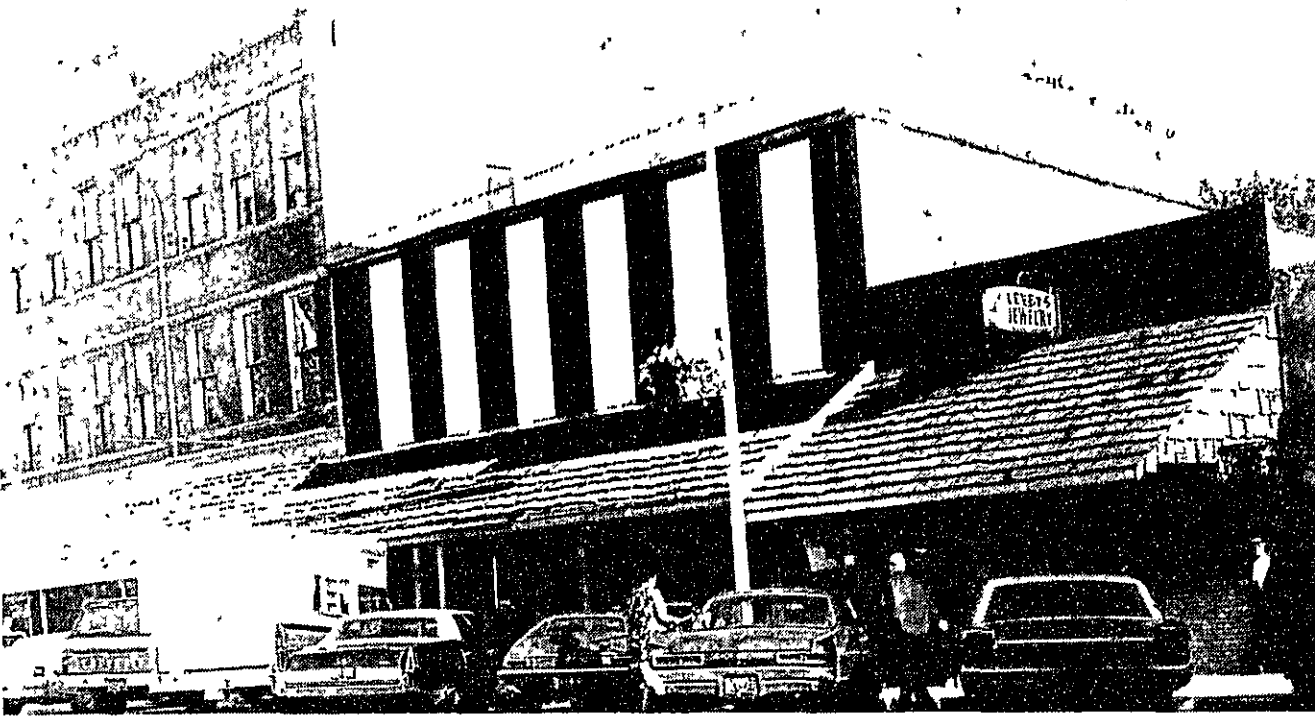

A letter was read from the Rev Robert Prange of Grove Bible Church stating their intention to start an elementary school this fall. The board voted to allow transportation of children in the Ovid-Elsie school district to their school by utilizing presently established routes.

A letter of resignation was received from Thomas Bartol, teacher at Ovid-Elsie High School. His resignation was accepted with regrets by the board.

A letter was also received from the Dept of Education stating that a tentative allocation for the 1973-74 school year amounting to \$33,036 for financial assistance in the elementary reading program would be given the district.

A short discussion was held regarding problems of the Ovid Junior High School gymnasium floor. Difficulty is being encountered in obtaining replacement wood for the floor, so the project is still being worked on.

The board was invited to review the revamped locker rooms in each junior high school building.

MRS. NEVA KEYS
Ph. 862-4301

Mrs Dorothy Kaspar and Mrs Margaret Edwards of St Johns, Donald Willard of Ovid and Mr and Mrs S.J. Keys of Elsie spent the weekend touring West Michigan from the lake area of Greenville and Newaygo to Hart and Pentwater where they followed Lake Michigan shoreline through Ludington, Manistee and the Crystal Lake region.

The trip was a special surprise to Mrs Kaspar whose birthday will be August 27. They spent the night in Traverse City and the next morning drove along the Grand Traverse Bay to Northport, Sutton's Bay and Lake Leelanau.

The weather was perfect for the colorful sailboat and the boats of fishermen and water skiers. They also rode through the Williamsburg area where the recent caverns caused by oil well drilling operations made news headlines by the damage caused.

Their return trip home covered the lake areas south of Kalkaska with dinner that evening at the Burning Oaks Country Club located between Higgins and Houghton Lakes, after 18 holes of golf.

Mr and Mrs Charles Crell of Elsie and Mr and Mrs Ray Patrick of Jackson spent four days on a trip to Minneapolis, Minn to attend a F.R.A. convention of retired Navy and Marine Coast Guards.

The ladies enjoyed a visit to the Betty Crocker Testing Kitchens.

Mr and Mrs Jerry Missi of Largo, Florida were all-day guests of Mr and Mrs Don Huguélet Wednesday. Mrs Missi is the former Pat Galehouse of Elsie and this was her husband's first trip through Michigan. They planned to visit her brother, John Baker in Wisconsin before returning to Florida.

Mrs Grace Fizzell has moved into her recently purchased trailer home at 218 Second St, Elsie, formerly owned by Mrs Betty Capen.

Julie Olney 19, a Gold Medal winner in the javelin throw at the recent World Deaf Olympics, has returned to her home in Swartz Creek after an eventful summer as a member of the US Deaf Olympic track team. Julie is the daughter of Mr and Mrs Harold Olney (Sharon Martin) former Elsie residents.

The World Deaf Olympics were held the last of July in Malmö, Sweden, with athletes from many nations taking part in the competitions. The United States team won first place; followed by Russia in second, and West Germany in third. Julie was one of two girls who won gold medals on the US team.

For several weeks before going to Sweden, Julie trained at Washington, D.C. While there during a sanctioned meet at the University of Maryland, she set a new world's record in the javelin with a throw of 142 feet and received another medal.

Last summer Julie was selected for the US team by winning the finals at Morgantown, N.C. where she established a new American record. She is a member of the Flint Athletic Club and has won many honors with them in meets throughout the Midwest and Canada.

Julie graduated with honors last Spring from the Michigan School for the Deaf at Flint, and plans to enter college at Springfield, Missouri, this fall, as a physical education major.

Julie is the granddaughter of Mr and Mrs Robert D Martin of Elsie and Mr and Mrs George Olney of Brooksville, Florida, now spending the summer in Michigan.

Mrs John Hall is returning home from the Owosso Memorial Hospital where she has been under treatment the past week.

Mrs Dora Lowrey had the misfortune to fall recently and was taken to the Owosso Memorial Hospital where x-rays were taken. She will

remain there for several days.

Mrs Wilma Miller underwent surgery this week at the Owosso Memorial Hospital.

Orlo Mead, Jr., is recovering from surgery at the Carson City Hospital where he has been the past two weeks.

Bannister

Members of the Chippewa Chippers 4-H Club and the Busy Green Clover 4-H Club exhibited their various items at the Gratiot County Youth Fair this past week. Several members participated in the pig scramble and Todd Heimberger of the Chippewas caught his pig. The fair began Monday with each exhibitor bringing in their items. Then each day there was a special event, judging, horseshow, pig scramble and many others.

The Bannister United Methodist Church and Sunday School held their annual picnic at the poolside of Mr and Mrs Dale Randolph recently. A potluck lunch was served followed by an afternoon of swimming and enjoying the sun.

Terrell, Mr and Mrs Elmer Leydorf, Mrs Brad Mitchell and Mrs Robert Valentine, Jim Valentine and Todd Moore are attending senior high camp at Lake Louise this week.

The Bannister United Methodist Youth will sponsor their annual Homemade Ice Cream Social on Aug 24 at the church. It will feature homemade ice cream, sloppy joes, cake and pie. This is a freewill offering meal and serving will be from 5:30 until 8 pm. The Bannister Women's

Society of Christian Service met Wednesday evening in Wesley Center where they were instructed to take a Blind Walk with a partner around the church. This was an experience showing faith in another person. Mrs Robert Valentine then gave the Lesson on "Power in Praise". Mrs Ivan Hofferbert explained the worship setting and gave the devotions.

Mrs Kenneth Swanson conducted the business meeting. The \$25.00 missionary money was to

be distributed in the area as part of Key 73. Committee reports were given and members were reminded that the UMYF will hold their annual Ice Cream Social on August 24 with serving beginning at 5:30. A free offering will be taken and the public is invited to attend. Refreshments for the evening were served by Mrs Margaret Coon, Mrs Wayne Peck and Mrs Floyd Glowney.

MRS. JOHN SPLNCER
Ph. 834-2617

Barbara Rensch was guest of honor at a bridal shower at the Shepardsville United Methodist Church on Wednesday evening Aug 15. The shower was hosted by Mrs Lee Swender, Mrs Charles Swender, Mrs Lester Becker, Mrs Francis Hall, Mrs Ray Jones and Mrs Marian Walker. There were 25 guests present from St Johns, Rochester Colony, and the surrounding area.

Two games were played with prizes going to Mrs Robert Coleman and Mrs Karl Smith.

The gift table was decorated in pink with a small bouquet of miniature roses. The refreshment table was centered with a white cake decorated with pink roses. Punch, nuts and mints were served along with the cake.

Miss Rensch was assisted in opening her many useful gifts by her mother and mother-in-law to be, her mother registering the gifts and her mother-in-law to be making the ribbon bouquet.

County Commissioner proceedings

Tuesday July 3, 1973

The Clinton County Board of Commissioners met Tuesday July 3, 1973 at 9:00 A.M. Prayer was offered by Maurice Gove. A pledge of allegiance was given to the flag. Roll was called and a quorum reported. Present were Derrill Shinabery, William Hufnagel, Harold Martin, Maurice Gove, Donald Gilson, Duane Chamberlain, Roger Overway, Dyle Henning, Alta Reed, Virginia Zeeb and Gerald Shepard.

Minutes of the June 19, 1973 meeting were presented. Corrections were made. Henning moved, supported by Hufnagel, to approve the minutes as corrected. Voted and carried.

Communications:
Chairman Shinabery appointed the Board as a committee of the whole to attend the Annual meeting of M.A.C. to be held at Boyne Mountain August 13th, 14th & 15th.

1. National Association of Counties have released a National Survey of the appointed administrator in County Government. Zeeb moved, supported by Gilson, to purchase three copies at a member cost of \$3.00 each. Voted and carried.

2. Lansing Metropolitan Development Authority requests permission to appear before the Board or Committee to explain their organization functions. Chairman instructed the clerk to invite them to appear at the next regular meeting.

3. An invitation from C.A.P.A.C.O.G. asking Clinton County to become a member of that organization was read and discussed.

The appointment of a person to work with T.C.R.P.C. on the securing of grants was also discussed. Gilson moved, supported by Henning, that the Chairman be authorized to appoint someone to investigate the securing of Federal & State Grants to assist in the implementation of some of the County's most pressing needs. Voted and carried.

Shepard moved, supported by Reed, to authorize Chairman Shinabery to attend the N.A.C.O. conference to be held at Dallas, Texas on July 22 thru 25th. Voted and carried.

The Board recessed for committee meetings at 10:00 A.M.

Upon resuming session, Commissioner Gove read and he moved, supported by Henning, to adopt the following resolution. Voted and carried.

RESOLUTION

WHEREAS, members of the Clinton County Board of Commissioners are concerned with the new code of rules and regulations being compiled by the Michigan Department of Corrections for operation of Michigan jails, lock-ups, and security camps; and

WHEREAS, some changes have been made to relieve small counties of excessive construction costs if forced to build a new jail; but

WHEREAS, there still remain in the proposed code, items of excessive and needless cost for space in jails where the average occupancy is small (less than fifty);

We seriously question the need in a small jail for separate areas for dining, activity and recreation. It would seem that such areas could be interchangeable to reduce construction costs. Likewise, we see no reason for a separate dining area for staff members in a small jail, and the need to air-condition the entire facility.

WHEREAS, this Board objects to these and other excessive requirements.

NOW, THEREFORE, BE IT RESOLVED, that the Clinton County Board of Commissioners does hereby petition its representatives in the Michigan Legislature to do all within their power to reject the proposed code as it now exists in the hands of the Joint Legislative Committee. Should this code not be revised to bring relief for smaller counties, we ask our Legislators to provide funds for the excessive requirements.

Gove presented a request by Drain Commissioner Dale Chapman for permission for himself and for Arden Pierson to attend the Annual Drain Commission Conference at Traverse City, August 8th, 9th & 10th. Henning moved, supported by Gilson, to approve the request. Voted and carried. County Commissioners are also invited to attend the meeting. Shepard moved, supported by Reed, to also approve members of the County Commissioners attending the Annual Drain Commissioners meeting if they wish to do so. Voted and carried.

Henning moved, supported by Hufnagel, to concur with the resolution from Gogebic County (pollution of Lake Superior by Reserve Mining Company) and to so inform the Governor and our State Representatives. Voted and carried.

Sheriff Hufnagel appeared and presented James Moline. He explained the M-R-7 moving Radar System, which is an improved system for use by Sheriff Patrol Cars. The cost is \$2185.00 per unit. Discussion followed. They are suggesting two (2) units at a purchase price of \$2075.75 each or a lease @ \$68.04 each per month. Hufnagel moved, supported by Zeeb, to lease two (2) units for a trial period of three months. On a roll call vote those voting aye were: Shinabery, Hufnagel, Martin, Gove, Gilson, Overway, Henning, Reed, Zeeb and Shepard. Nay: Chamberlain, 10 aye 1 nay, motion carried.

Chairman Shinabery presented an opinion by the Prosecuting Attorney regarding the county's liability on ambulance services rendered on accidents occurring in Clinton County. Commissioner Shepard presented a letter which is being sent to ambulance companies outlining recommended procedures which should be followed in attempting to collect for services rendered.

The Board recessed for lunch at 12 noon.

Tuesday July 17, 1973

The Clinton County Board of Commissioners met

Tuesday July 17, 1973 at 9:00 A.M. Prayer was offered by Donald Gilson. A pledge of allegiance was given to the flag. Roll was called and a quorum reported. Present were Derrill Shinabery, Harold Martin, Maurice Gove, Donald Gilson, Duane Chamberlain, Roger Overway, Dyle Henning, Alta Reed, Virginia Zeeb and Gerald Shepard. Also present were Betty Minsky, State Journal, and Jim Edwards, County News. William Hufnagel has undergone surgery at Clinton Memorial Hospital. His condition is reported good at this time.

Minutes of the July 3, 1973 meeting were presented. Corrections were made. Henning moved, supported by Shepard, to approve the minutes as corrected. Voted and carried.

Communications:
1. A letter from the Clinton County Association of Assessing Officers stating they recommend to the Board of Commissioners that a re-appraisal be made of Clinton County was read. The matter was discussed. Leon Thelen, County Equalization Director, estimates that the cost will range from \$10.00 to \$13.00 per parcel. Data processing was also discussed. Shepard moved, supported by Gove, to instruct the Equalization Director to secure cost estimate figures on a county re-appraisal. Voted and carried.

2. A reminder from Robert Dittmer that the stand-by generator purchased for emergency use at WRBJ, in cooperation with the Civil Defense Program, has not been made ready for use. He urges the Boards early consideration of the same. Shepard moved, supported by Reed, to refer the matter to the Property Management Committee with power to act. Voted and carried.

3. A communication from The Commission on Aging by D.N. Devendorf, Field Representative, states they are on record in support of proposed legislation (H.B. 4827) sponsored by Rep. Charles H. Varnum which will require each county in the state of Michigan to establish a County Commission of aging. They seek support for the legislation. Henning moved, supported by Reed, to refer the matter to the Government and Personnel Committee. Voted and carried.

Gove presented a request from County Clerk, Ernest E. Carter, for permission to attend the Annual County Clerk Convention to be held at Marquette Michigan, August 20th to 24th. Reed moved, supported by Gilson, to approve the request. Voted and carried.

Register of Deeds, Willard Krehel also requests permission to attend his Annual Convention at Petosky, Michigan July 22nd to 25th. Gilson moved, supported by Zeeb, to approve the request. Voted and carried.

Chairman Shinabery instructed the Clerk to inform each

Department to submit their requests for permission to attend their Annual meetings to the Audit Committee for approval.

The Board recessed for Committee meeting at 10:00 A.M. Upon resuming session Sheriff Hufnagel appeared and with Chairman Shinabery presented award to Deputies Dennis Warren & Paul St. Johns, for meritorious service performed above and beyond their line of duty as Deputy Sheriffs for Clinton County.

Commissioner Gove presented Lora Ripple with a distinguished service award.

Chairman Shinabery referred the matter of establishing speed limits on Clinton County Secondary road to the Land Use Committee for study.

Paul McNamara, Clinton Memorial Hospital, and Paul Hubbard who represents the Tri-County Emergency Medical Services Council appeared. They are trying to enlist the cooperation of the Tri-County police, fire, civil defense, hospital and ambulance services in securing grant funds from the Robert Wood Johnson Foundation. These funds would be used to start-up and organize an improved emergency communication system including "911" emergency telephone communication system. Gilson moved, supported by Zeeb, to direct Chairman Shinabery to answer their letter of request in the affirmative. Mr. McNamara states that it is the position of the hospital that this type of service would exert a beneficial effect on the community. The motion was then voted and carried.

Gove reports that Judge Green is negotiating with a couple to replace Mr and Mrs Nobis at the childrens home who will retire soon. They are now employing one additional person for night time supervision. Gove moved, supported by Reed, to authorize Judge Green to engage the proper persons and to authorize a salary of up to \$20,000.00 for two (2) professional people. This action will include a counseling service at the home. Voted and carried.

Reed moved, supported by Shepard, to approve Commissioners expense accounts as presented. Voted and carried.

Chamberlain reports that the Parr Bldg, with approximately nine hundred (900) square feet is available for rent at a monthly rate of \$195.00 a month which includes heat and water. Zeeb moved, supported by Overway, to authorize the Property Management Committee to rent office space in the Parr Bldg, for the Zoning Department. Voted and carried.

Zeeb moved, supported by Shepard, to adjourn at this time and to meet again August 7, 1973 at 9:00 A.M. Voted and carried.

Meeting adjourned. Clerk Chairman

Open Letter
from VAN W. HOAG

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family.

The clergyman should be consulted in matters that concern him before any decisions are made.

Respectfully,

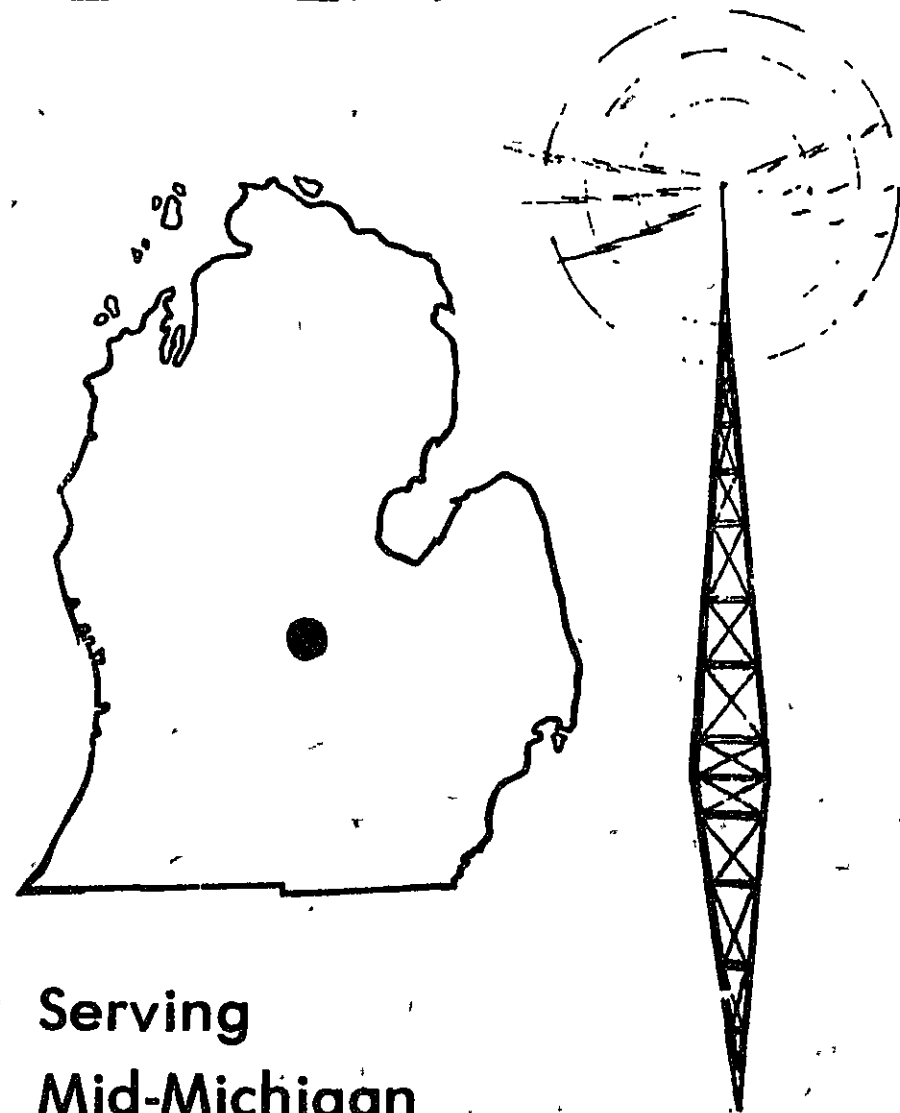

Van W. Hoag

YOUR MOVE - FOR AN INSTANT LOAN JUST BY WRITING A CHECK

checkmate works . . . just like a do-it-yourself loan. When you open a Checkmate account, you receive a line of credit and if your checking account funds run short you simply write yourself a loan by writing a check.

checkmate saves . . . you steps by eliminating a run to the bank when your cash is low. You have the money you need for daily expenses, sales or emergencies right at the tip of your pen. Just by writing a check, you have all the cash you need up to the limits of your approved line of credit.

checkmate gives . . . you the privacy we all like when it comes to money affairs. And along with the privacy comes a convenience that only a plan like Checkmate can provide. . . instant cash. It's a checking account loan system that can't be beat.

This Is Earl Haas Week

Next Sunday, August 26th, from 2 to 5 p.m. an open house at Smith Hall will publicly recognize Earl's retirement from the MSU Cooperative Extension Service, a field he has worked in since 1935. Earl came to Clinton County as Agriculture Agent in 1955 and since that time has distinguished himself both in his profession and as a member of the community. Professionally he was honored in 1960 by the National Assn. of County Agricultural Agents and presented the Distinguished Service Award. Outside his work he has long been active in civic projects and his past presidency of Rotary Club and past membership in the vestry of St. Johns Episcopal Church attest to his willingness to participate. We wish Earl happy years in his retirement and hope to add to the honor of his open house by selecting him as our citizen of the week.

Railroading -- state style

Once again the St Johns City Commission is about to tangle with the Public Service Commission about railroad crossings.

Following an investigation prompted by a fatal accident, the Public Service Commission decided the city and the railroad should spend thousands of dollars to insure the prevention of accidents.

The city, while expressing their feelings of not wanting to be the cause of the vehicle-train accidents in the city, have opposed the expenditures called for by the Public Service Commission.

Earlier confrontations, with the Public Service Commission resulted in bruised relations and downright lost tempers.

We can't say we blame the City Commission for not bending over backwards to go along with the state agency.

In the first place, if we understand the reports correctly, the Public Service Commission acted in a way other state agencies have been known to do in the past.

That is to say, "this is the way we say it has to be done and that's the way you're going to do it."

That used to work in the Army and sometimes with small children, but don't hold your breath waiting for 1 government body to yield to another in such a fashion.

Among the recommendations of the Public Service Commission was one to shut off vehicle traffic across tracks in a few locations in town.

The City Commission feels St Johns needs the use of all the streets in town and we agree.

Another recommendation is for extensive revamping of the Clinton Ave railroad intersection to include crossing barriers.

Although there may be a margin of safety in such barriers, it is questionable if they would have prevented the accident initiating this whole matter.

Furthermore, why does the Public Service Commission feel St Johns needs such a device when hundreds of other towns the same size seem to do all right without them?

Also, we seriously question the necessity of the crossing barriers for 25 mph traffic in St Johns when a crossing on US-27 a few miles north of the Clinton County line is travelled over at speeds in excess of 65-70 mph.

In the days of declining rail service all over the country, it somehow seems ironic that St Johns is picked to spend thousands of dollars to install equipment that was never deemed necessary during the peak years of the railroad.

We concur with the statement made about the city attorney representing St Johns in the matter--"he resisted their (Public Service Commission) efforts with all of his efforts."

REP DOUGLAS TREZISE
87th District

During the period early in the year when we were discussing the tax reduction program, a lot was said and written about a new approach to senior citizen tax credits. Now that the program has been signed into law and the state treasurer is getting geared up to administer the plan, a closer look at it is in order.

It should be said at the outset that this new plan will bring increased benefits to practically all people in the over-65 age bracket. It is not limited to home owners but gives a break to those who rent as well.

The new program involves a complete change of philosophy from the present "homestead tax exemption" law. At the present time, a person who is over 65 years old and has less than \$6,000 of income is eligible to receive a reduction in the valuation of his homestead on the tax roll. Thus, if he owns a \$12,000 home which would have an equalized value of \$6,000, he would pay his taxes based on a value of \$2,500 after receiving his \$2,500 senior citizen exemption.

percentage of their income in property taxes. The schedule provides that, if income is \$3,000 or less the state will reimburse all the property taxes paid on a senior citizen's home, up to a maximum refund of \$500. If income is between \$3,000 and \$4,000, the reimbursement will be for all property tax which exceeds 1 percent of his income. For instance, if your income is \$3,500, your part of your taxes will be \$35 and the rest, again to a maximum of \$500, will be reimbursed by the state.

If income falls between \$4,000 and \$5,000, the percentage is 2 percent; between \$5,000 and \$6,000, the figure is 3 percent and, if income is over \$6,000, the reimbursement starts at 3-1/2 percent of income. In all cases the \$500 ceiling applies.

Senior citizens who rent rather than own their homes can consider 17 percent of the amount of the rent paid the same as property tax and file a claim for a refund according to the above schedule. For example, a person who pays \$1,000 in rent during a year can claim up to \$170 in tax refund—depending on his income—from the state of Michigan.

One of the most frequently asked questions about this plan is, "What is income?" People want to know if social security payments, pension income and other retirement funds are part of that base on which refunds should be computed. The answer is "yes". Since the plan is designed to give help in proportion to need, all income, regardless of source, is considered. There are a few exceptions (for instance, money from sale of property in which case only the capital gains portion would be considered) and these will be spelled out in the instructions.

Remember, the refund is applicable only to a person's home and property on which it is located. In the case of a farm, it includes all land and buildings contiguous to the home. If a person resides in a mobile home, he can claim his \$3 per month tax as property tax and also 17 percent of the rental for space can be claimed under the rental provisions of the law.

The most important thing to remember is that each person will have to apply for his refund even if he does not have income enough to pay a state income tax. Forms and instructions will be available in the fall and I will be glad to see that copies are sent out to you. Just drop me a card or call and leave your name and address and I'll put your name on the list.

A PERSONAL LOOK AT THE NEWS

Between the lines

with Jim Edwards

One of my favorite words is "exasperation." Just the sound of the word seems to fit the situations in which it is used.

Here are a few of my exasperations:

...Busily swallowing the last bit of coffee in a cup—only to sickily discover it's stone cold.

...Eating in a restaurant while a party of several people engage in unending conversation while hovering over you.

...Finding out there's no coffee in the house on a Sunday morning.

...Getting ready in plenty of time for an appointment, but being late anyway.

...Answering the phone call that's a wrong number—for the 3d time. Or, dialing a wrong number—the same one 3 times.

...Dialing a number of an established business only to have a recording fib, "I'm sorry, the number you have dialed is not a working number."

...Taking notes at a meeting and, suddenly, have all pens run out of ink.

...Taking notes at a meeting when a speaker with 3 minutes worth of information goes for 30 minutes without running out of wind.

...Forgetting your mental note to fill the gas tank until the needle hits "empty".

...Having to kick your way through wastepaper and trash as you walk in front of a place of business.

...Hearing someone repeatedly ask you to explain something when you know darn well he refuses to listen.

...Dropping a coin in a store and watching it roll under a counter.

...Listening to residents complain about their local officials when they have no idea of what those officials are actually doing.

...Watching the Detroit Tigers take 3-out-of-4 from the "big ones" and then blow 4-out-of-4 to bad teams.

"If It Fitz... Funny men in Washington

Editor, Lapeer County Press

By Jim Fitzgerald

Probably the most important step is to get an important job in Washington. The rest follows naturally.

That's my answer to the Woman's Press Club of Indiana. The club invited me to speak at a luncheon meeting in Indianapolis in September. The suggested topic was "The art of being funny."

I won't make the speech, of course, I am still bound by my vow to give no more than I receive. I have been physically unable to sit through an after-dinner speech since 1968 when, at \$100 a plate, Ronald Reagan gave me indigestion that hurt worse than having your legs cut off which is what justifiably happened to Reagan in "Kings Row" (hello there, old movie lovers). So it is only fair that I refuse to verbalize anyone else into the Alka-Seltzer bottle.

BUT THAT doesn't stop me from telling the Indiana press women how to be funny. All they have to do is follow the advice given in the opening paragraph. It is feared that the Washington Monument may someday crumble because of earth tremors set off by the tremendous knee-slappers committed daily in the neighborhood.

For instance, what's funnier than a Secretary of the Air Force who doesn't know what nations his planes are bombing.

Or how about the FBI chief keeping top secret papers in his bedroom, in the middle drawer under his shirts.

But the guy who really aches my sides is Senator Lowell Weicker, the wholesome innocent Republican who keeps saying "DO YOU MEAN TO TELL ME..."

WEICKER thinks it is a dastardly thing that John Ehrlichman and the White House gumshoes should be concerned with the drinking habits of congressmen.

"Constituents at home have no way of knowing that you can go over here in the gallery of Congress and watch a member totter onto the floor in a condition of at least partial inebriation which would preclude

him making any sort of a sober judgement on the issues that confront this country," Ehrlichman said on TV.

(TRANSLATION: Some congressmen come to work drunk.)

Sen Weicker insisted this was no reason for the White House to bug the olive in a congressman's martini. "I am quite satisfied that our system our institutions, are perfectly capable of passing decent judgment, fair judgment on political figures, public officials, without the convert the covert operations of men like Mr Ulasewicz," Weicker said. Ulasewicz is an ex-cop paid by the Nixon team to peek through transoms.

(Translation: if congressmen appear drunk in public, especially in the capital building of the United States, the cop on the beat will deal with them; the same as with any 'Skid Row' bum who might stagger into the joint.)

The rumble you just heard came from the Lincoln Memorial where Abe slapped his knee and started a rockslide.

EVERYONE knows that congressmen police themselves whatever the crime. And Sen Jones wouldn't publicly accuse Sen Smith of being a boozier if Smith passed out in Jones' lap. That's a club rule. Congressmen can accuse each other of all sort of political stupidity and cupidity. But never anything personal. Jones would never suggest that Smith can't legislate effectively because he can't keep from falling off his chair. Because, the next day, Smith might point out that Jones missed 2 committee meetings because he was shackled up with half the stenographic pool.

Does Sen Weicker mean to tell me he didn't know that?

Washington is full of funny men who are always good for laughs. But the people who pay their salaries still can't keep from crying.

1040 U.S. Individual Income Tax Return for the year ending 12-31-1972
Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q. In June, my home was damaged by flood. I would have gotten a better tax advantage by deducting my casualty loss on the return I filed in April. Do I have to wait to claim this loss on my 1973 return?

A. If, in 1973, your area was declared a disaster area by the President, and as a result of that disaster, you suffered a casualty loss, you have the option of deducting the loss on your 1972 Federal income tax return or waiting until next year. If you have already filed your return for the prior year, file Form 1040X, which is specifically designed to expedite your refund. For details on how to do it, see IRS Publication 547, "Tax Information on Disasters, Casualty

Losses, and Thefts." Send a postcard to your local IRS office for a free copy.

Q. I've earned more than \$10,000 so far this year. Shouldn't my employer stop withholding social security tax from my pay?

A. The maximum wage base for social security tax withholding in 1973 is \$10,800. This equals \$631.80 in social security tax. After this point, your employer should not be withholding social security tax. If he is still withholding this tax, see him to adjust this over-collection.

Any taxpayer who holds more than one job during the year and has more than \$10,800 of his wages subject to social security tax can claim the excess tax

withheld as a credit against his tax.

Q. I used money from my part-time job to buy new furniture for my bedroom. Will this have any effect on whether or not my parents can claim me as a dependent?

A. No. Capital expenditures for furniture and appliances are not included in total support. As long as your parents contribute more than one-half of your total support and meet all the other dependency tests, they can still claim you as a dependent.

Q. I increased the value of my home by installing central air conditioning. Can I get a deduction for what I spent?

A. No. This expense cannot be deducted, but it can be added to the cost basis of your home. This way, the cost of the air conditioning unit will be taken into account in the event you sell your home.

Real estate course approved for LCC

LANSING -- The Michigan Real Estate Association has announced approval of Lansing Community College's "Real Estate Business II" course as qualifying for participation in the graduate Realtors Institute program.

Each class in Real Estate II will be taught by a well-known member of the Lansing Board of Realtors, including Howard Gladding, vice-president of Simon Realty; Roland J. Ledebuhr, Musselman Realty; Richard Bulder, Abood Realty; Malcolm Milks, Society of Real Estate Appraisers; Harold Halstead, Walter Neller Company; Floyd

Costerisan, Seidman and Seidman; Thomas Bouman, Edward G. Hacker; Roger Pavlik, Roger Pavlik Realty; Art Nelson, Simon Realty.

Real Estate II is the second of three courses required to obtain a Graduate Realtors Institute certificate. LCC also offers Real Estate I and the Real Estate License Examination course.

88th District Report by Stanley Powell State Representative

The state of Michigan is now enjoying a period of economic growth. Favorable national conditions are producing upward trends in many sectors of the state's economy. Increased business activity has enabled Michigan to enact the largest tax cut in its history.

But beneath the facade of these desirable trends lie several basic long-term problems. Studies indicate that this state ranks among the highest in the nation in workmen's compensation and unemployment taxation. On the other hand, Michigan stands 49th in financial incentives offered to industry.

Recent industrial attitude surveys reveal that more than half of this state's major firms would not locate in Michigan if given the opportunity to begin anew. More than one-third of the firms surveyed in the Detroit area advise that they will be leaving Michigan within the next five years.

MOREOVER, only one of Michigan's 27 banks with deposits of more than \$100,000,000 increased its position in national ranking of banks in order of deposits between the end of 1971 and the end of 1972. Only one of the 28 banks of Michigan's top 300 in the industrial centers of Detroit, Flint, Grand Rapids, Kalamazoo, Lansing, Muskegon and Benton Harbor increased in national ranking. The 7.7% deposit growth rate of the 15 Michigan banks in the top 300 in the U.S. is less than half the 16.6% national average for that one-year period.

Accordingly, Michigan cannot delude itself with the superficial manifestations of economic growth and continue to ignore the difficult realities that are causing businesses and major industries to leave this state. Though key economic indications now are strong, they cannot continue unless basic flaws in the fabric of the state's economy are immediately recognized and corrected.

NEW THINGS

If we are to successfully encourage industrial expansion and economic growth, it is crucial for business people to realize that new things are happening in Michigan; that we are prepared to add major new dimensions to state economic opportunity; and that we are ready for new ideas and moving in new directions.

Because it symbolizes a break with our less than effective policies and practices of the past, a "New Michigan" image is imperative for convincing business people going places that Michigan is the place to go.

We face today not an economic crisis but a legislative policy crisis. But unless we move to resolve this legislative policy crisis with effective measures at this time, the real economic crisis will surely follow.

RECOGNIZING these realities, the House Republican Caucus Economic Development Task Force has developed 20 measures designed to create

a more favorable permanent Michigan economic climate. These measures range from financial and tax incentives to business development and municipal bonding authorities to increased tourism promotion and improved labor compensation programs.

They result from a comprehensive study of the economic expansion departments in each of the 50 states and their activities to promote economic developments. They reflect the conviction that a favorable Michigan economy depends too greatly upon success in the automobile industry. Economic diversification must be a paramount goal.

20 PROPOSALS

Of the many possibilities and alternatives considered, priority has been placed on these 20 proposals because they are both attainable and have significant economic impact. There is no instant panacea for every economic dilemma facing this state. They do not address every economic problem. Such solutions—even if conceived—could not be implemented in a single year, for sound economic development is a long-term process.

Rather, these measures provide the structural framework whereby private enterprises may once again operate profitably within the state and expand their operations to meet the increasing job needs of the seventies. They are carefully designed, measured responses to pressing inequities which make Michigan noncompetitive with other states in attracting industry.

Next week, I will discuss our financial incentives recommendations.

NO-FAULT INSURANCE BRINGS EARLIER LICENSE PLATE APPLICATIONS

Don't be surprised if your prepared license plate application arrives in your mailbox in the next few days or maybe you already have received it.

The applications are in the mail right now even though they cannot be used until mid-Autumn when the 1974 license plate tabs go on sale. Applications are being mailed early this year to 300,000 motorists who paid the uninsured motorists fee in connection with a warning effort to inform uninsured

motorists that they've got to start shopping right now for "No-Fault" auto insurance.

EVEN THOUGH uninsured motorists paid the uninsured motorist fee when they purchased their 1973 license plates, they must buy automobile insurance by Oct. 1, when Michigan's new No-Fault law goes into effect.

The penalty for not having insurance is stiff—a \$500 fine—so if you don't have it, you had better start looking for an insurance representative soon.

The remaining five million applications will be sent to motorists who are already insured according to Department of State records.

Motorists who are already insured need do nothing about obtaining "No-Fault" insurance because insurance companies will automatically convert the coverage when the deadline comes.

MOST INSURANCE companies, however, are offering optional coverages and you might want to talk to your agent about them.

GOVERNOR VEToes \$10 MILLION FROM BUDGET BILLS

Free-wheeling legislative spenders can't say that they were not warned of possible vetoes by the Governor. They were and he did. Before signing the school aid bill last week Governor Milliken vetoed provisions worth \$8 million bringing the total amount of vetoes on various bills to close to \$10 million.

The Governor emphasized that this represented only a small portion of the \$45 million the Legislature appropriated over his recommendations and that it would be impossible to cut out the total amount "without the disruptive action of vetoing entire departmental budgets."

Consequently, the Governor has requested that state departments "exercise budgetary controls" within their own priorities and has requested that they hold their spending at approximately 2% below the level of appropriations. The Governor's legitimate concern is that by adopting unnecessarily high budgets this year, we "threaten our capability to adopt responsive and responsible budgets in the next several years, because it would increase the base on which future budgets would be built."

Agriculture in Action

A recent poll indicated that the number one worry of over 60 percent of the people questioned is inflation's effect on the cost of living. However, inflation is like sin; deplored in word, but practiced in deed. Everybody hates inflation, but loves the things it brings about. Working people hate inflation, but persuade politicians to vote for a higher minimum wage bill. Housewives want a price roll back for meat, but they don't want the empty meat counters that would result. Taxpayers hate high taxes, but love the government benefits these taxes support.

The United States Chamber of Commerce has a "Federal Spending Clock" with rapidly-changing digital figures to indicate how much the government has spent since the beginning of the

fiscal year. On July 1, when the new fiscal year began, they had to reset the clock to run at an accelerated pace to keep up with government spending. The clock's sweeping dial shows \$10,000 spent every 1.17 seconds; a flashing light indicates \$100,000 spent every 11.7 seconds, and a beeping sound means \$1,000,000 spent every one minute and 57 seconds. Each day the clock registers expenditures of approximately \$736 million.

If people, in addition to worrying about inflation, would lay the primary blame at the doors of elected officials responsible for massive government spending, and demand that it be curbed, the battle against inflation could be won.

Farmers, hard-hit by inflation, recognize that the only way federal spending

will decrease is for the majority of taxpayers to insist upon it. Individually and through their organization, Farm Bureau, they have consistently urged government officials to curb excessive and irresponsible federal spending.

They hope other citizens will join them in telling their legislators to slow down the Federal Spending Clock. But, in making this demand, they must realize they can't have their cake and eat it, too. They have to decide whether they hate inflation more than they love cheap dollars.

Tick, flash, beep, goes the clock. Will our elected officials allow it to slow down its headlong speed toward economic disaster? Citizens who diagnose their love-hate syndrome will determine its speed.

DeWitt 4-Her to compete in state tractor contest

DEWITT -- Steven Conklin, 16, took top honors in the Clinton County 4-H Tractor Operators Contest last week. He is now eligible to enter the statewide competition scheduled for August 23 at Michigan State University, according to John Aylsworth, Extension 4-H Youth Agent in St. Johns.

The son of David Conklin and a 4-H member for 7 years, he has completed 5 4-H tractor projects. And, he regularly gets plenty of

driving practice helping operate the Conklin farm. Runner-up in the local event was Duane Haviland, 15, 4540 W Cutler Rd, DeWitt.

In the state wide event, Conklin will be competing for a trip to the eastern US 4-H Tractor and Small Engines Contest to be held at the State Fair of Virginia in Richmond Sept 23-25. Top 4-Hers from 25 states are expected to participate in the 3-day event, which is sponsored by the

Cooperative Extension Service, the Amoco Foundation, Inc, and the National 4-H Service Committee.

Tractor operators will be scored on their abilities to handle a tractor with 2-wheel and 4-wheel vehicles attached, as well as a written exam, safety and troubleshooting.

A trip to Williamsburg and Yorktown and a recognition banquet is also scheduled for all participants and chaperones.

Food A series explaining "how much" and why Stepping Stones to Savings

Main-dish menu planning takes a large portion of each food dollar. To economize on these foods, you'll want to do comparative shopping and employ the 2 cornerstones of selective protein buying and managing.

THE FOLLOWING protein buying tips can revitalize your ailing meat budget.

- Buy meat according to the number of servings per pound rather than cost per pound.
- Use less tender cuts of beef for cooked meat dishes.
- Select frozen, canned or fresh fish, poultry or pork according to price advantages.
- Substitute 3 ounces of cooked lean meat from the following sources:

- 2 eggs
- 1 cup cooked dry beans
- 1 oz natural cheese
- 2/3 cup cottage cheese
- 4 tablespoons peanut butter

2-1/4 cups fluid milk
1 cup fluid milk plus 5 tsp. dry milk powder

Buying advantageously is one step toward economizing on the escalating food dollar, but managing your food investments in your kitchen will extend your savings.

- Stretch meat, poultry, and fish with pasta products; fresh, frozen or dried vegetables; breads and cereals.
- Use herbs, sauces and seasonings to perk up flavors.
- Freeze extra servings of combination dishes.
- Cook large quantities of rice, dry beans or dry peas and freeze remaining amounts in quantities suitable for future recipes.
- Plan menus around seasonal foods and specials.
- Supply your own labor of shredding, slicing and grating.

Substitute homemade white sauce for canned soups.

THESE SMALL pebbles of suggestions, when carried out, can make a substantial saving to your food dollar. Remember the 2 stepping stones, of buying and management tips, are made up of the small things of life done consistently over a period of time. For example homemade white sauce costs one-half as much as condensed cream soups and only takes 4 minutes to prepare. Start up the ladder of successful saving by substituting medium white sauce for condensed soups in the following penny pinching maindish recipes.

PERFECT WHITE SAUCE

Thin
For creamed vegetables, soup base
Butter 1 Tbsp
Flour 1 tsp
Salt 1/4 tsp
Pepper 1/8 tsp

Milk 1 cup
Medium
For creamed & scalloped dishes

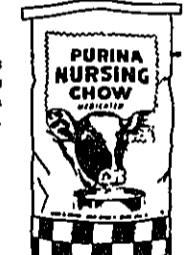

Butter 2 Tbsp
Flour 2 Tbsp
Salt 1/4 tsp
Pepper 1/8 tsp
Milk 1 cup
Thick
For croquette & souffles
Butter 1/4 cup
Flour 1/4 cup
Salt 1/4 tsp
Pepper 1/8 tsp
Milk 1 cup
Melt butter over low heat in heavy saucepan. Wooden spoon for stirring is a help. Blend in flour, seasonings. Cook over low heat, stirring until mixture is smooth and bubbly. Remove from heat. Stir in milk. Bring to boil, stirring constantly. Boil 1 minute. Add a bouillon cube for chicken flavor, grated cheese for cheese soup, or use 1/4 cup mushroom liquid and 3/4 cup of milk plus mushroom pieces for mushroom soup.

Irish Hills: attractive spot for camping and sightseeing

The picturesque Irish Hills, one of the beauty spots of Michigan, and a variety of tourist and historical attractions, form a backdrop for campers at W.J. Hayes State Park, according to Automobile Club of Michigan.

The 654-acre park, nine miles west of Clinton on US-12 and M-124, is spread over rolling scenic hills and includes all of Round Lake and a half mile of sandy beach on Wampers Lake. The park has 210 campsites, 156 with electricity.

Last year's attendance was 483,250, which places Hayes sixth among 32 parks across southern and central Michigan.

Boats are available at a concession on Wampers Lake. A modern outdoor center for small groups is

located in a wooded section of the park's interior. Other features include an extensive picnic area, bathhouse, library, boat livery and store. There also is a sanitary disposal station. The area's attractions contribute greatly to the park's popularity.

Twin observation towers, on US-12 east of Cambridge Junction, afford a panoramic view of the hills. There is an admission charge to the towers.

Cambridge State Historic Park is at the intersection of US-12 and M-50. In the park is historic Walker Tavern, an oldtime stagecoach tavern built in 1832 and associated with several prominent persons in American history. The tavern is undergoing restoration, and at present is not open to the public.

St Joseph's Shrine, a stone church on US-12 east of Cambridge Junction, is an enlargement of a stone chapel built by Irish settlers in 1854. The Shrine has drawn uncounted multitudes of worshippers to its Outdoor Stations of the Cross along a small lake.

The Hidden Lake Gardens, at Tipton, is comprised of 620 acres of rolling Irish Hills. The gardens were a gift to Michigan State University in 1945.

Strung out in other areas are a score of other attractions, ranging from a "Prehistoric Forest" to gravity-defying "Mystery Hill," where water runs up and people can't fall down.

Not far away is the Michigan International Speedway and recently opened Greenwood Acres; a

sort of country club for camping families.

Most extensive of all the attractions is "Stagecoach Stop", an 1890-vintage Wild West town now in its ninth season. It's also on US-12, three miles east of the M-50 and US-12 intersection.

Other attractions in the nearby area include the Irish Hills Playhouse, Slayton Arboretum at Hillsdale, Bauer Manor, a roadhouse dating to 1834, located seven miles west of Clinton on US-40 and still a restaurant; Springville Inn, six miles west of Tipton on M-50, another old roadhouse now an antiqueshop; and Monroe Historical Museum, on the site of the first settler's home in the Monroe area.

Riley and Olive

On Sunday, Aug 12, over 75 members of the Charles and Julia Ernst family gathered at St Peter Church Hall for a picnic dinner and a good visit with each other. They hailed from Ionia, Battle Creek, St Johns, Fowler, DeWitt, Lansing, Holt, Mt Pleasant, Reed City, Grand Ledge, and Ringwood, Ill, and Columbia, Mo.

Among the guests were Mr and Mrs John Ernst Jr and Jeff of Ill former residents of Lansing and St Johns area; also Karl Ernst who was home on leave and is stationed overseas with the U.S. Forces.

Mr and Mrs Ray Moore attended the wedding of Lenore Wood and Mike Cornell on Sunday afternoon at DeWitt. Several other neighbors attended also.

The Olive's 4-H Projects Club members were all winners at the County 4-H Fair as were all the other club members. Each member received a ribbon or more, either blue, red or white. There was lots of activity down there; if anyone missed attending, they really missed a joyful event.

Mr and Mrs Ted Piotrowicz and children were Saturday visitors of their parents, Mr and Mrs Lloyd Brocker.

Mr and Mrs Fred Sehlke of Fowler were Friday evening visitors of Mr and Mrs Ray Moore.

Our state is doing something effective about the physician shortage. All three of our medical schools (Michigan, M.S.U. and Wayne State) are graduating more doctors than ever before.

This summer, Michigan graduated 207 new practitioners; M.S.U. 32 and W.S.U. 121. In addition, the new College of Osteopathic Medicine at M.S.U., the first osteopathic school to be associated with a large state university, sent out its first group of physician graduates, all 44 of them.

These good news and more are reported by Herbert A. Auer, from the state medical society, in a recent issue of Michigan Hospitals.

A NATIONAL TREND
What's more, in this case one can say that as Michigan goes, so goes the nation. Auer points to a number of facts which are true both for our own state and for the United States at large.

There are more first year students enrolled in the 108 approved medical schools in the nation than ever before. A record number of new licenses to practice medicine were issued in 1971; and in that year alone nine new medical schools opened their doors.

29,172 young people applied for the 12,361 available places, so we still have a ways to go.

In addition 10,947 foreign physicians entered the United States, half of that number as permanent immigrants.

HELP ON THE WAY

"What good are these statistics to me", you may reasonably ask, "when I can't find a doctor I could see in less than a month?"

The answer is that it takes time for these efforts to reach an impact on communities which are desperately looking for physicians. In the first place,

most graduates cannot or will not go into practice right after finishing medical school. Most of them require extra training to perform adequately.

But even here we are making progress. An outstanding example in our own area of a program that is providing us with medical manpower, is the Family Practice Residency at Sparrow Hospital, under Dr H.E. Crow. Established in 1970, the three year program has two competent physicians coming out as excellent family practitioners this year. One will settle in Grand Ledge; the other one in Jackson. Next year, there will be six residents finishing their training. One other interesting point about this very successful program is that Mason General Hospital, south of Lansing and the city's Sparrow Hospital are joining forces to provide this kind of training.

There are only 9,000 physicians in Michigan, and with our 8 million-plus population figure, we need many more. But little by little, thanks to the efforts of many concerned people, we are getting there.

Wholesale price index decreases

WHOLESALE PRICE INDEX: JULY 1973
WASHINGTON -- The Wholesale Price Index for All Commodities decreased 1.3 percent from June to July, the U.S. Department of Labor's Bureau of Labor Statistics has announced.

Prices of farm products and processed foods and feeds declined 4.1 percent, due primarily to lower quotations for animal feeds, soybeans, and grains.

Industrial commodity prices were, on the average, unchanged.

Consumer finished goods, a selection of food and nonfood commodities closely comparable with those in the commodity component of the Consumer Price Index, rose 0.2 percent.

Of the 15 major commodity groups measured by the Wholesale Price Index, 8 advanced from June to July, 4 declined, and 3 showed no change.

In July, the All Commodities WPI was 134.9 (1967-100), 12.7 percent above a year earlier; the industrial commodities index was 7.5 percent higher than in July 1972.

On a seasonally adjusted basis, the All Commodities Wholesale Price Index declined 1.4 percent in July.

Farm products and processed foods and feeds decreased 4.6 percent.

Industrial commodities increased 0.1 percent.

Consumer finished goods were down 0.2 percent.

In the 6-month period ended in July, the All Commodities Wholesale Price Index rose at a seasonally adjusted annual rate of 16.6 percent. Prices in the last 3 months of the period rose less than in the first 3 months because of the July decline in prices of both farm products and processed foods and feeds, and the deceleration for industrial commodities. The July decline of 1.4 percent in the all commodities index compares with an average monthly rise of 1.7 percent during the 6 months from December 1972 to June 1973. The 4.6 percent decrease over the month in the index for farm products and processed foods and feeds contrasts with an average monthly advance of 3.3 percent in the previous 6 months.

The monthly advance of 0.1 percent for industrial commodities was far below the average monthly increase of 1.0 percent in the period from December to June. For consumer finished goods, the comparable figures are a decline of 0.2 percent for July versus an average monthly increase of 1.4 percent for the December-to-June period.

Among consumer finished goods, foods fell 0.8 percent in July after seasonal adjustment, principally

because of declines for eggs and fresh vegetables and smaller-than-seasonal increases for beef and veal and processed poultry. Consumer nonfood finished goods decreased 0.2 percent over the month.

The substantial July declines in the agriculture-related indexes (farm products and processed foods and feeds) were due in considerable measure to reversals in prices of commodities which had caused overall advances earlier. A decrease of 4.9

percent for farm products principally reflected lower prices for soybeans and grains. Manufactured animal feeds were responsible for almost all of the 3.5 percent decline for processed foods and feeds.

(EDITOR'S NOTE: The July decline is based almost entirely on prices prevailing on July 10 after the price freeze was announced by the President on June 13. Some commodities included in the index were also subject to export restrictions implemented after that date.

Powell commends tax reduction in St Johns

State Representative Stanley M. Powell (R-Ionia) has issued the following statement:

"I was very pleased to read that the St Johns taxpayers will be getting a one-mill reduction in their school taxes next year. It was pointed out in the article that the reduction was possible because of increased valuations.

"I would also like to suggest that this reduction and perhaps additional reductions in the future are possible because of the state school aid measure passed this year by the Legislature.

"The St Johns School District will be receiving \$93.28 more per pupil under the bill (Senate Bill 110) than they did in the current school year. I was proud to have been a part of bringing about passage of a school aid bill that not only brings about more equity in the financing of our schools with increased education dollars, but a plan that will allow us to keep faith with the taxpayers by maintaining our state surplus which will be returned to them through the recently-enacted tax relief proposals.

"I commend the St Johns School Board for making this reduction in the tax bill, and I commend my colleagues in the Legislature for providing a school aid bill that was reasonable and equitable.

"With this kind of attitude prevailing at the local and state level, I feel that the overburdened property taxpayer will continue to receive the kind of break he has been pleading for while at the same time providing equal, quality education for all of Michigan's school children."

NOTICE ST. JOHNS OIL CUSTOMERS

We are sorry to announce that fuel oil will be on strict supply this winter. Suggest fill-ups now. TERMS: Cash or 10 days cash. No budget plans. No extensions. Suggest you arrange your budget as such. Persons with delinquent accounts will have to settle back balances before future deliveries. This action necessary and cannot be a voided due to increased pressure of Major Suppliers to put us Independent Companies out of business. Seems as they state it, "We have a new ball game, play by our rules or face shut-off".

Your cooperation will be greatly appreciated and will allow us to fight back against monopoly pressure and to fight for Free Enterprise and Competitive Prices. If the Small Business is allowed to fail, you the Consumer will pay the price.

Please call today and sign up for your automatic fill service for the future heating season.

We Thank You,

Gary and Linda Biddinger-Owners
St. Johns Oil Co.

Kroger X-TRA LOW DISCOUNT PRICES And More

KEEPING POSTED

Not One Single Cent Of Any Kroger Price Increase Goes Into Kroger Profit.

The truth about food prices is that they are going to go up some. At Kroger, and at every other supermarket, because of reasons no supermarket can do anything to control. But in the end, when all the new prices are on the packages, Kroger is still going to call its prices "Discount Prices". Because that's what they'll be - compared to higher prices you can pay elsewhere. One thing you can be sure of: we're not taking even a penny of profit on any price increase we're forced to pass along. In fact we can't pass along our own increased costs on such things as wages, taxes and fuel. We wish we could promise you food prices will stay put. But you know we can't. What we can, and do, promise is to keep our Kroger prices as fair as we possibly can, and still stay in business.

We Hear You...and we're trying to help!

Here are just a few of the things that make a Kroger Superstore Special

Health Foods

The foods usually used to help retain, rather than restore, good health. Our health foods are processed without preservatives, and whenever possible, they are grown without the use of chemical fertilizers, herbicides, insecticides or anything not found in nature itself.

Diet Foods

Watching inches and Watching pounds? Watching pennies? Look no further! At your Kroger Superstore you'll find an entire department devoted to dietetic foods at Xtra Low Prices.

Gourmet Foods

Select from an extensive variety of exciting gourmet foods at our new Superstore. You'll find imported fish delicacies and caviar, imported teas, dried biscuits, smoked oysters, mineral water and dozens upon dozens of foods rarely seen in the average supermarket.

Card of Thanks

Thanks to all you "beautiful people" for the wonderful going away parties and the gifts that you have given us. To name just a few; The P.W. Gun Club; Friends, neighbors, old 4-H Leaders, old 4-H members of Old Prairie 4-H Club. It has been fun and we have had a ball. Thanks again. E.J. and Freda 17-1-p-30

BEACH — I wish to thank my neighbors, relatives and friends for their calls, cards, flowers, gifts and the many acts of kindness shown during my recent stay in the hospital. My special thanks to the First Congregational Church, the Priscilla Alden Division, our Pastor, Al Carson for his call, Radiant Chapter #790 ES and the American Legion Auxiliary. I deeply appreciate your thoughtfulness. Bernice Beach 17-1-p-30

COOK — Mrs. Bruno Cook and family are truly grateful for the many masses, prayers, and flowers sent to Dr. Cook at the time of his death. 17-1-p-30
