Big Labor Day celebrations set at Fowler, Wacousta

By MRS ED KRAFT and MRS ALFRED LOUNDS Staff Correspondents

While Labor Day doesn't bring out the crowds to public celebrations like some other national holidays do, there are a couple of events in Clinton County Monday that are expected to draw good attendance, if past years' experience is any indication.

A big chicken barbecue is planned at Wacousta, and the Fowler Conservation Club's annual picnic is also set for Monday.

The Wacousta events will be held at Looking Glass Valley Park and will start with a ball game between two Wacousta teams at 11 a.m. There'll be a bike parade at 12:30, with judging being done on decorations. At 1 p.m. there'll be a bike relay in front of the park, and at 1:45 a tricycle parade, with judging for 4-year-olds and under, and at 2 p.m. a tricycle race.

FROM 2 TO 4 P.M. there's a number of good participation games on tap. These include a horseshoe pitching contest, pony rides, shoe scramble, water-

melon eating contest, sack race, egg throwing contest, greased pole climb for \$5 on top of the pole, and a tug-of-war across the river. There will be trophies and blue ribbons awarded.

A chicken barbecue will be served from 4 to 7 p.m., and movies and cartoons will be shown after dark.

The park board is heading up the arrangements for the events of the day, and all proceeds will go to support the park for the year. The park is a community project.

COMMITTEES FOR THE various events are: dinner committee, Mr and Mrs Ken Walsh (chairman), Mr and Mrs Ron Walsh, Mr and Mrs James Doll, Mr and Mrs Dallas Shattuck, Mr and Mrs John Walter and Mr and Mrs Don Morrow; tickets, Mr and Mrs Carl Miller; activities, Mr and Mrs Ron Beardsley; hot dog and popcorn concession, Mr and Mrs Clark Parsons; barbecue committee, Richard Rosier (chairman); clean-up, Ed Kraft; publicity, Mrs Edward Kraft and John Morrow; and ice cream concession, Mr and Mrs Herman Openlander.

At Fowler, the Conservation Club's annual picnic will get under way at noon with a turkey shoot and will last until dark. A chicken barbecue at 2:30 p.m. will be one of the highlights.

There will be a turkey shoot at the back of the park, 2 1/2 miles south of the village, to start off the day's activities. Men and women are welcome to come and take their aim. Veterans of For-

Petitions seek massive annexation to DeWitt

DEWITT—Petitions are being circulated asking for an annexation vote that could triple the size of the City of DeWitt.

Some petitions to annex have already been turned in and others are still in circulation. One hundred signatures are needed on "petitions to annex" to enable the City of DeWitt to present the annexation proposal to the county board of supervisors.

IF THE ANNEXATION, as proposed, is completed, city limit lines for the expanded City of DeWitt would run along US-27 from Herbison to Cutler roads, west on Cutler to Norris Road, south on Norris to Howe Road, west on Howe to the Looking Glass River just beyond Schavey Road, south along the river to Herbison Road and then east to US-27.

Also involved in the annexation proposal is the 40-acre site of the new DeWitt High School on the south side of Herbison Road between DeWitt and Schavey roads.

CITY CLERK Ray Price said that if the proposed annexation is passed it will increase the population of the City of DeWitt to approximately 4,000 people.

The present DeWitt sewage disposal plant is capable of handling a population of 3,500, but Price said the addition of a new digester or a secondary system would double the capacity, thus enabling the complete area to be served.

This is not a problem at the present time he said. If annexation is completed it would take time for all those in the new

area to get ready for sewers, enabling the city of DeWitt to increase the size of the present plant if necessary.

THE PROCESS OF annexation is relatively simple. If 100 signatures on petitions are filed with the City of DeWitt, the city would present them to the coun-

ty board of supervisors to set an election date. This election cannot be held within 45 days of a general election; thus the earliest possible date for an annexation vote would probably be about Dec. 15 of this year.

The annexation proposal would have to be approved by both the voters of the present City

of DeWitt, and those in the proposed annexation area.

THE TWO LARGEST residential areas in the proposed annexation zone are the Lake Geneva subdivision, on the west side of the area, and the Rose subdivision to the south of City of DeWitt.

Petitions are being circulated asking for a public vote on annexation of a chunk of northern DeWitt Township to the City of DeWitt. The area affected by the proposal is shaded on the map.

New 4-H agent named

JOHN AYLSWORTH

The hiring of a new 4-H agent to be based in Clinton County was announced this week by the local Cooperative Extension Service office.

He is John Aylsworth, 4-H Extension agent for 11 years with the Erie County Cooperative Extension Service at Sandusky, Ohio. He will begin work here Oct. 1.

Final approval of the appointment is expected to be made later this month by the Michigan State University board of trustees. Aylsworth will coordinate the 4-H work of District 9 (Clinton, Gratiot and Shiawassee counties) but will be based in St. Johns and will have charge of the Clinton County 4-H program. All three counties have agreed to share his salary as a third agent.

AYLSWORTH HAS been with the Erie County Extension office since January 1956 and has built the 4-H enrollment in that county from 441 members in 1956 to 930 at the present time. Clinton County has about 1,300 enrolled in 4-H.

There are 54 local 4-H clubs in Erie County, he said, with several clubs working in each community area. Erie is similar to Clinton County in a number of ways; it is relatively flat and rolling, with dairying and truck crops the big agricultural money-makers.

"I'm looking forward to working with the people and leaders of Clinton County," Aylsworth said Tuesday.

He is a 1951 graduate of Shreve,

Ohio, High School and attended Ohio State University where he received a bachelor's degree in agriculture education in 1955 and a master's degree in agriculture education in 1966.

After graduation in 1955, he was a delegate on the International Farm Youth Exchange (IFYE) program and spent five months in Greece. Upon return home he started work with the Erie County Extension office.

Aylsworth and his wife Katherine have two daughters, Susan 7, and Kristine 5. They plan to move to St. Johns as soon after Oct. 1 as possible and will live at 506 E. Cass Street.

GOP barbecue set Sept. 15

The annual GOP Chicken Barbecue will be held Thursday, Sept. 15, at Smith Hall in St. Johns, with serving from 5:30 to 8 p.m.

Mrs. Henrietta Prince, president of the Clinton County Republican Women, is chairman of the annual event. Working with her will be Mrs. Alden Livingston, Mrs. Ed Sulka, Mrs. Robert Gill and Mrs. Merle Redman.

A number of Republican candidates will be present at the barbecue. There will be no speeches, officials promised.

Tickets have been mailed out; those who have not received them may get some by contacting Mrs. Larry Sexton at 105 N. Swegles Street.

Michigan's public and non-public schools employed more than 90,000 teachers and other administrative and professional personnel during the 1965-66 school year.

St. Johns schools open next week for 3,400

Twenty-four new teachers will be among the ranks when St. Johns Public Schools open next Wednesday, Sept. 7, for an estimated 3,400 students. Seventeen of the teachers will be teaching in the city schools.

Wednesday's schedule calls for all elementary students, except those bused to St. Johns, to report to their respective schools. Seventh grade students will report at 8:30 a.m. and eighth grade students at 12:30 p.m.

There are still openings for a speech correction and string instrument teachers.

DeWitt expects

1,200 pupils

DeWITT — DeWitt Public Schools are expecting in excess of 1,200 students when classes begin next week with a half-day meeting on Wednesday and full sessions starting Thursday.

Teachers and other staff personnel of the district will meet Tuesday all day and will hear speakers and get in-service training concerning the new school year. Dr. Troy Stearns of Michigan State University and Miss Mary Blair of the special education department of the Michigan Department of Education will be the speakers.

FULL-DAY CLASS sessions begin next Thursday and will follow this time schedule on a regular basis: senior high school, 8 a.m. to 2:35 p.m.; junior high school, 8:10 a.m. to 2:45 p.m.; elementary school, 9 a.m. to 3:30 p.m.

Several new programs have been instituted this year, according to Supt. Hobart Jenkins. These include counseling and guidance, standardized achievement and ability tests for measuring the effectiveness of programs and the placement of students, art for students in grades 2-12, vocal music for grades 2-12, home economics in the junior high, and foreign language (French and Spanish) at the high school level.

THE SCHOOL IS also preparing for the first visitation by a University of Michigan accreditation team, with the hopes that the U of M will accredit the DeWitt Schools.

This week has also been busy in the DeWitt system. Registration for new students took place Monday, with over 80 being signed up. Tuesday, Wednesday and Thursday books were bought by the elementary, junior high and senior high students, respectively.

Fulton Schools open Tuesday

MAPLE RAPIDS—Teachers in the Fulton Schools are meeting today and Friday in preparation for the start of school Tuesday, when classes will be held for half a day for all grades except 8, 9 and 10.

Elementary schools will be in session Sept. 7, and grades 8, 9 and 10 will be enrolled and receive textbooks. Classes will be in session full time in all grades Sept. 8, and hot lunches will be served.

Further details on the Fulton Schools schedules were published last week.

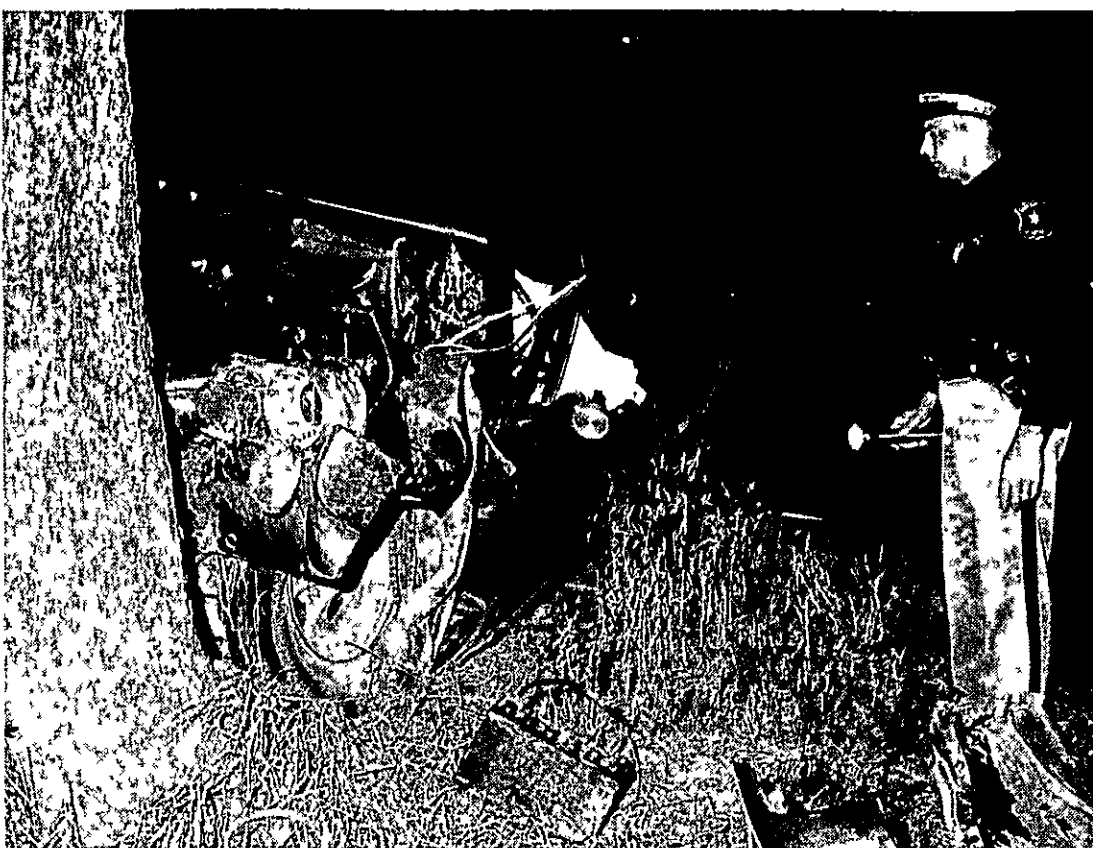

Barn lost in Ovid fire

Loss will run into many thousands of dollars in a blaze Monday night that leveled a large barn on the Joe Kurka farm at 3982 N. Meridian Road north of Ovid.

Fire trucks from both Ovid and Elsie battled the fire but had no chance to save the barn. Six calves, about 200 chickens, 8,000 bales of hay, 2,000 bales of straw, a new corn planter, two cultivators, a sprayer and grain drill were listed as lost.

THE TARGET-barn, of timber construction, measured 40 by 80 feet and 40 by 80 feet. Also lost was a just-completed pole barn addition measuring 48 x 26 and a 24 x 60 poultry barn.

Owner Kurka said the fire was discovered about midnight by a passing motorist. It had gained enough headway that firemen were unable to stop it when they arrived. Kurka said he had no idea how the fire started; the wiring was good, he said, and the hay in the barn had been put up dry about three months ago.

Deputy Sheriff Ramon Terpening inspects the smashed auto that carried Garold Sawyer, 25, of Elsie to his death early Sunday morning on M-21 east of St. Johns.

Board favors school design

The St. Johns School Board has been meeting just about weekly the last month as plans for the new school building program begin to shape up.

Monday night the board met with architect Guido Binda, who presented two suggested room schemes for the new high school building. The board favors one design, but asked Binda to further refine it to show more of what will be on the inside of the building.

Binda will return to seek a final approval of the scheme Friday, Sept. 9.

LAST WEDNESDAY at a special meeting, the board opened bids on a number of items, awarding the contracts to the low bidders. They included: Mel Warren Agency for liability insurance (\$241.46 premium) and fleet insurance (\$1,856 premium); Gower's for LP gas (14 cents per gallon plus 20 cents per hundred gallons); St. Johns Oil Co. for gasoline (12.88 cents a gallon); St. Johns Oil Co. for fuel oil (11.7 cents a gallon for No. 1 oil and 11.1 cents per gallon for No. 2 oil); and Bee's Chevrolet-Olds for tires (\$786.40).

At that meeting the board also set the Olive Center debt retirement millage for the year at 2 mills. This will raise approximately \$1,300 to help pay two bonds and the interest on them for the year.

AT THE SAME TIME the board is studying the possibility of combining, under the Unlimited Qualified Bond Act, the Olive Center debt with that of the whole district.

The board also approved the filing of a preliminary application to borrow—if necessary later—from the School Bond Loan Fund. Formal application would be made later if the need arose.

Cuts corner too sharp, crash results

A car made a left turn Saturday morning cutting the corner too sharp, and it resulted in a collision and a ticket for the driver. The driver was Sandra L. Wiser, 17, of 609 N. Morton. She made a left turn west on Railroad Street at Clinton Avenue and struck the front of a car driven by Robert G. Tipton, 26, of Hyde Road, R-1, Fowler. No one was hurt.

Crashes claim 2 from Clinton

Two Clinton County residents were killed in traffic accidents over the weekend. One occurred in the county and raised the traffic death toll here to 11 since Jan. 1.

Killed when his car hit a tree along M-21 east of Watson Road Sunday morning was Garold J. Sawyer, 25, of 122 E. Pine Street, Elsie.

Ivan Hicks, 67, of Ovid died Saturday morning in a Saginaw hospital as a result of a Friday afternoon accident near Saginaw.

MR SAWYER WAS apparently killed instantly Sunday morning when his east-bound car went off the left side of M-21, traveled 63 feet on the shoulder, flew through the air 55 feet after hitting a tree stump and skidded another 94 feet before smashing into a tree 17 feet from the roadway.

The crash was reported to the sheriff's department about 3:29 a.m. Sunday by a passing motorist. The accident may have occurred between 15 and 20 minutes earlier, however. Mrs. Helen Gazda, who lives across the road from the accident scene, said she was awakened about 3:05 by what sounded like a crash, but she could see nothing when she looked out the window.

MR HICKS DIED as a result of a crash in which five other members of his family were injured. They were on a northern fishing trip when the accident occurred.

His wife, Dorothy, required surgery for her injuries. Their son, Albert, and daughter-in-law, Lucille, were also hospitalized with serious injuries. The younger Mrs. Hicks' children, Jerry White, 10, and Richard, 14, were also injured, but Richard was released after treatment for a broken arm.

Burglars hit Cheese Counter

Herbruck's Cheese Counter on North US-27 in St. Johns was burglarized last Thursday morning, with the thieves getting away with an adding machine and a cash register containing \$90.

Apparently hungry, the burglars also made off with two gallon glass jars of pickled bologna, five sausages and 18 candy bars.

Labor Day

(Continued from Page 1-A)
eign Wars Post 3733 of Fowler will have a flag raising ceremony at 1:30 p.m. at the new flagpole.

CHILDREN'S GAMES, complete with prizes, will be featured from 2 to 4. A pony pulling contest will begin at 2:30 and the chicken bar-b-q should be ready at about that time also. Plenty of refreshments will be available.

For the more daring, there will be a log rolling contest in Stony Creek, which runs through the park. Keeping balance on a tumbling, turning log, with a "friend" on one end of the log, trying to upset you into the chilly water, offers a good chance to skill and dexterity. Officials warn that unless you try it barefoot, you'd better bring along some dry socks.

Another old time sport available to all will be the horseshoe pitching contests. The kids will be thrilled with the trail through the woods for the pony rides.

THERE WILL BE singing in the evening about 7:30 by the Lansing chapter of Barbershop Quartets. A big four-band jam session gets under way at 9 p.m. for the dance, featuring the Mello-Tones of Fowler, Thelen's band of Westphalia, the Old Harmonaires, the FireHouse Five, plus many non-active musicians who will be polishing up their horns and getting in tune for the big night.

The men have been working on a double driveway for the park, so getting in and out will be easy compared to previous years.

The world's largest single wheat field was probably one of more than 35,000 acres, sown in 1951 near Lethbridge, Alberta, Canada.

Win car at DeWitt Ox Roast

Mr and Mrs James Duzek of 1140 Christopher, Lansing, were the winners of the 1966 Mustang given away Saturday evening at the DeWitt Ox Roast.

Aloha, Billy

Nine-year-old Billy of Hillsdale probably never will be stranded on a desert island. But he'll probably remember the friendly St. Johns "island" that said "Aloha" and gave him an "islands" welcome Friday afternoon.

Billy accidentally got left behind when his family stopped at the Aloha Drive-In at 711 N. US-27 in St. Johns Friday. It was 3 hours and 45 minutes before his frantic parents got back to pickup their boy, who had been kept well fed and occupied.

How he got left is understandable. Billy was one of seven children in his family. They and their parents were returning to Hillsdale from a northern vacation. Billy had been sleeping in the rear of the family station wagon for a considerable length of time before the family got to St. Johns.

THE FAMILY STOPPED at the Aloha for refreshment about 3 p.m. Sometime during the stop, Billy awoke and slipped unnoticed out of the car and went to the rest room. When he came back the car was gone.

His mother explained later, when they arrived back in St. Johns about 6:45, that she and her husband thought he was still sleeping. They got to Jackson before they discovered he was missing. They called several gasoline stations they had stopped at and then state police, who checked the Aloha.

Mrs. Shirley Karber of the Aloha said Billy reported his predicament to a car-hop, who notified her. She called St. Johns police, but efforts to intercept Billy's parents between here and Lansing missed. But Billy got plenty of food, played some cards and played on the outdoor swings at the drive-in before, finally, he and his folks bid "aloha" to the folks at the Aloha.

5 area youths attending teen Republican camp

About 15 youngsters from the Sixth Congressional District will attend the second annual Teen Age Republican Camp near Fenton today (Thursday) through Sunday, including nine from Shiawassee and Clinton counties.

Camp Copconic will be the scene of the meeting, which will follow a pattern established at the first such session last year. More than 100 TARs from all parts of Michigan will hear and meet Gov. George Romney, Lt. Gov. William G. Milliken, U.S. Senator Robert P. Griffin, State GOP Chairman Ely Peterson, Senate Republican Leader Emil Lockwood, and House Republican Leader Robert Waldron.

In attendance will be Roy McLaren and Kathy Smith, both of Owosso; Bill Washburn and Mike Oliver, both of Corunna; and Dottie Bloomer and Ken Lentz, both of Elsie.

THE OVID AREA is sending three campers this year — more than any other town in Michigan. They are Rick Warren, Margaret Price, and Ron Green.

Sponsors include the Shiawassee and Clinton Republican Executive Committees and the Shiawassee County Republican Women's Club. However, the teenagers raised most of the money to finance their way to the camp by themselves.

Schools open Sept. 6 at Bath

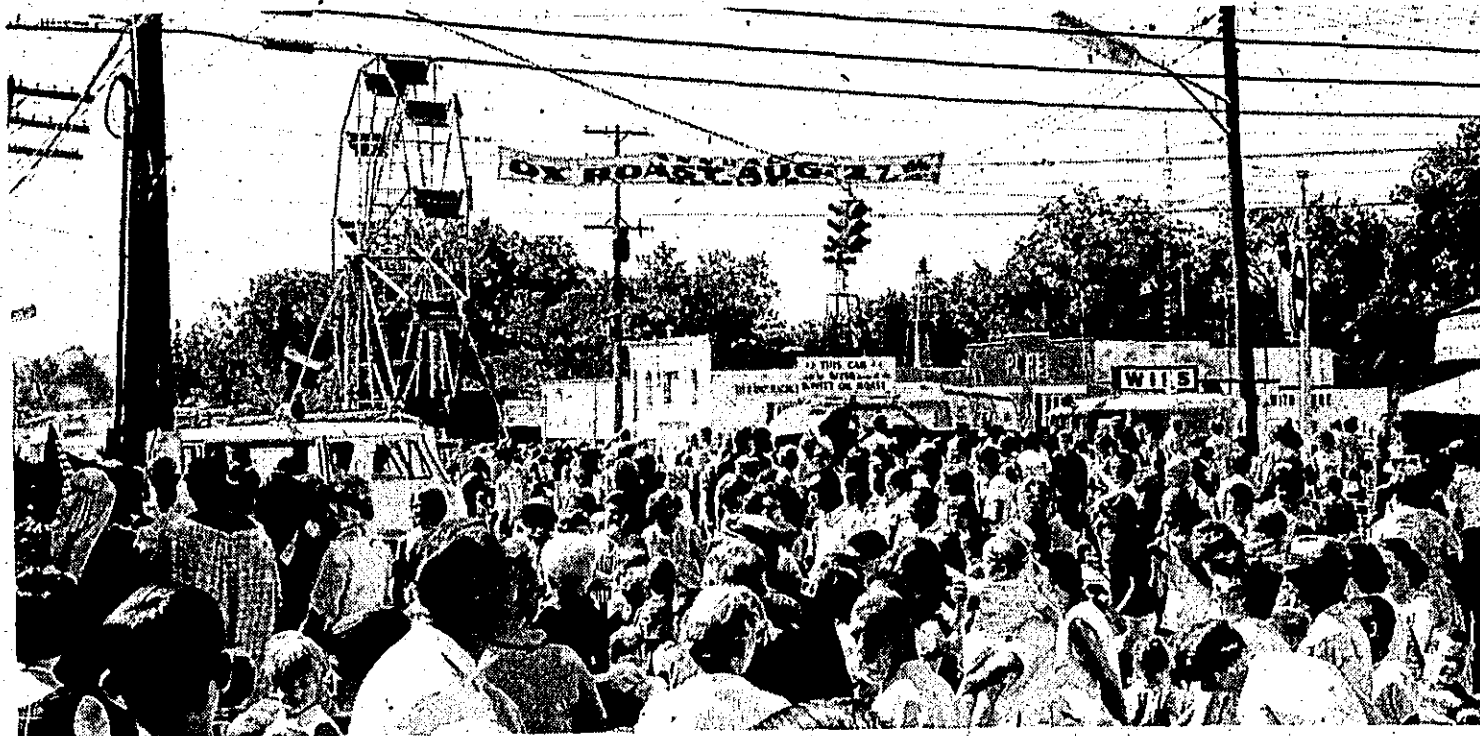

BATH — Bath Public Schools will open Sept. 6, with buses making their usual runs to pick up all students. Students will return home after only a half-day of classes Tuesday.

Regular classes will start next Wednesday, Sept. 7, and the hot lunch program will begin that day. The cost will be 30 cents a day for all students grades 1 to 4 and 35 cents a day for all students grades 5-12.

Principals are enrolling new students in all grades this week, and the bookstore will be open today (Thursday) and Friday from 9 a.m. to noon and 1 to 4 p.m. Used books will be sold along with new books.

FALL REGISTRATION for pupils entering kindergarten will be Sept. 6-7. In order to enroll, the child must be 5 prior to Dec. 1. If birth certificates were not presented at the time of spring enrollment, they must be brought on Sept. 6 or 7 when the child's enrollment is completed.

Enrollment will be alphabetically. Those whose names begin with letters A through J are to arrive from 8:45 a.m. to 11 a.m. on Tuesday, Sept. 6, and those whose names begin with K through Z are to come from 8:45 a.m. to 11 on Wednesday, Sept. 7.

Big crowd surges over streets at DeWitt Ox Roast

Between 5,000 and 6,000 persons were estimated to have been on hand for all or parts of the DeWitt Ox Roast Saturday. This is part of the crowd on Bridge Street just after the parade and prior to the opening of the games and rides.

Record crowd attends ox roast

DeWITT — DeWitt's annual ox roast drew a record crowd Saturday and an estimated 4,000 to 5,000 persons spent \$21,243. After expenses are taken out, proceeds will go to the DeWitt Memorial Building and the library.

For the first time in four years there was no rain to spoil the attendance at the ox roast. The day was sunny and inclined to be hot toward the end.

Thousands of people entered the eat tent and consumed over 2,000 pounds of meat and a half-ton of potato salad.

A 1966 Ford Mustang was given away and was won by Mrs. James Duzek of Lansing.

SETTING THE PACE for the rest of the ox roast events was a 10 a.m. parade, which contained a long line of floats, marching units, bicycles and displays.

The grand prize float was one constructed by the DeWitt Community Church.

2 persons in crash are hospitalized

Two persons were hospitalized and a third injured slightly last Monday afternoon in a collision at Walker and Wacousta roads west of St. Johns. Taken to the hospital were the drivers, Mrs. Marie Armbrustmacher, 29, of R-2, St. Johns, and Paul Grass, 69, of Colony Road, R-1, Fowler. Mrs. Armbrustmacher's daughter, Debra, 5, was treated at the hospital for knee injuries and then released.

Rust 'necessary evil' at present stage of city water program

Rusty, water broiling through the water mains of St. Johns the last couple of days is making a lot of housewives boil, but city administrators point out not much can be done about it—it's a sign of progress on the new water system.

City Manager Ken Greer said Tuesday the new high service pumps at the new water plant are being tied into the control banks, and the pumps must be run for sustained periods to do this. The pumps have increased the water pressure and are stirring up rust and silt that's collected in the mains over the years.

"WE'RE DOING this tying in just as fast as we can," Greer said. "We have to get the controls in use, and we have to use the pumps to do it. We don't have any choice."

Rusty water will be prevalent during the day while this electrical work is being done, Greer said, but should quiet down some at night when the pumps are turned off. He warned housewives to carefully check their wash water for rust before putting clothes in and before rinsing them.

After the controls are tied in to the pumps and other equipment at the new water plant, the city will put into effect a water main flushing program. This will be done at night.

ONCE THE NEW WATER plant is working and the flushing has been completed, rusty water should disappear except on occasions when new hookups to water mains break loose a chunk of rust that wasn't flushed out.

Sanitarian has 7 years experience

G. Robert Yager, RS, is now serving as Clinton County sanitarian for the Mid-Michigan District Health Department, replacing the late Ralph Loveland, who died earlier this summer.

Yager's office is with the health department in the county education building west of the courthouse.

He is a native of Coleman, Mich., graduating from high school there in 1955; he then attended Ferris State College, graduating in 1959 in the field of public health. Upon graduation he began a career in Battle Creek with the Calhoun County Health Department.

AFTER THREE years with the department, he entered the military service, serving in the Medical Corps in the field of preventative medicine (military equivalent to the field of public health). His tour of duty included bases in the United States and with the 65th Medical Group in Seoul, Korea.

Honorably discharged in 1965, he returned to Battle Creek and resumed duties with the health department there for one year before coming to St. Johns and the Mid-Michigan District Health Department.

YAGER HAS HAD seven years in the field of public health and is a registered sanitarian. He is married to the former Anne J. McPhail of Radford, Va., and the couple have one daughter, Terri Lynn, 3 months old. The family is presently looking for a home in St. Johns.

Services available through Yager are a part of the environmental health division of the department. Services include quality control in eating and drinking establishments; assistance in liquid waste disposal systems; water sampling; refuse and solid waste disposal consultant; nuisance abatement; and checking of sanitary and other conditions at summer camps, trailer parks, nursing homes and homes for the aged, schools and migrant labor camps.

3 cars involved in Watertown crash

Three cars were involved in a collision on US-16 (Grand River Avenue) at Francis Road in Watertown Township last Thursday afternoon. No one was injured.

The cars were driven by David J. Lalone, 19, of Portland, Russell C. Oxford, 34, of Mt. Prospect, Ill., and Shirley Ann Pung, 17, of 12283 W. Grand River, Eagle.

Miss Pung was ticketed for failure to yield the right-of-way. Sheriff's deputies said she apparently made a left turn onto Francis Road in front of Lalone. Lalone swerved and braked, but his car slid into the one driven by Oxford going east on the outside lane of the three-lane Grand River Avenue.

P-W schools open Tuesday

PEWAMO-WESTPHALIA — Schools of the Pewamo-Westphalia District will open Tuesday, Sept. 6, with a half-day session. Regular full-time sessions will begin Wednesday. Buses will run the first day on about the same schedule as last year. School lunches will begin at the high school Sept. 7.

KINDERGARTEN classes will begin on Wednesday, Sept. 7. One hundred and twenty-five students are registered for kindergarten this fall. There will be four sections of kindergarten classes with two sections in each of the elementary schools. The morning section in Westphalia will consist of students who live in the village limits of Westphalia. The afternoon group will include students living in the rural area in the south and east part of the district. The Pewamo morning group will consist of all students living in the village of Pewamo and a few in the area between the villages of Pewamo and Westphalia. The afternoon group will be made up of students from the Matherton and rural Pewamo areas.

Reckless driving costly for youth

Alvin A. Bendele, 20, of Shepherd was fined a total of \$119.90 and sentenced to five days in the county jail last week on a charge of reckless driving. He was arrested on US-27 in DeWitt Township and appeared before Justice of the Peace Gordon Willyoung.

Motorists save Olive Grange

Sharp eyes and quick action by passing motorists was credited with saving the Olive Grange Hall from destruction by fire last Thursday evening.

St. Johns firemen were called out just before 6 p.m. to the frame landmark at DeWitt and Jason Roads. The steps leading up to the west end of the porch across the front of the building had caught fire and were destroyed.

But quick action by Mr. and Mrs. Dean Crane of south of DeWitt prevented probable further extensive damage. They saw the fire and helped stop it.

A sheriff's department investigation disclosed that a brisk breeze apparently rekindled grass near the steps which neighborhood children had been burning and which they thought was out.

2 cars collide

Seven persons escaped injury in a two-car collision at Francis and Price roads in Riley Township Sunday afternoon. Clarence R. Johnson, 69, of Lansing was driving south on Francis; a car driven by Joseph Armbrustmacher, 30, of R-2, DeWitt, pulled in front of the Johnson car. Armbrustmacher said he had stopped for the stop sign but didn't see the other car. He was ticketed for failure to yield the right-of-way.

Lansing gallery to open Sept. 4

The Lansing Community Gallery will open its 1966-67 season on Sept. 4, with a one-man show by local artist Albert Vasilis.

A dual showing by Mrs. Frances de Vries and Mrs. Judy Reynolds will also be a feature of the September exhibit.

A reception, which is open to the public, will be held at the gallery, at 124 Ionia Street Wednesday, Sept. 7, from 7 to 10 p.m.

The work of these three Lansing artists will be on display from Sept. 4 to Sept. 25. There is no charge for admission. Gallery hours for the season will be from 1-5 p.m. on Saturdays and

Driver ticketed

David A. Dunkel, 17, of 1504 E. Walker, St. Johns, was ticketed for failure to yield the right-of-way after his car hit the right side of a car driven by Valerie J. Bartholomew, 17, of 309 S. Clinton. The crash occurred at Cass and Maple Streets last Thursday afternoon. Miss Bartholomew was driving west on Cass.

HOLD PICNIC

Cub Scout Pack 72 of St. Johns held a picnic Sunday at the St. Johns City Park.

Sundays and 11 a.m. to 5 p.m. on Wednesdays. The rental section of the gallery will also re-open on Sept. 4.

'Togetherness' starts Sept. 6 at Ovid-Elsie

High schools operate as one for first time this year

OVID — The first year of operation as one high school will start next Tuesday in the Ovid-Elsie Area School District, but teachers have already met to get themselves oriented to the new situation.

Orientations began Wednesday and continue today, giving teachers an opportunity to meet new members of the staff, receive a briefing on the program and operating procedures for the new year and to organize their rooms and materials.

High school students will arrive at school on Tuesday, Sept. 6, according to the following schedule:

TUESDAY, SEPT. 6 at 8:30 a.m. at Ovid High School—All 7th, 8th, 9th, and 10th grade students in the Ovid attendance area and all 9th and 10th grade students in the Elsie attendance

area. Buses will leave at 7:30 a.m. to pick up the rural students in these grades. All 9th and 10th grade students in the village of Elsie will board the bus at Elsie High School at 8:15 a.m. for transportation to the Ovid High School. These students will be in session from 8:30 to 11:30 a.m.

TUESDAY, SEPT. 6 at 1:15 p.m. at Elsie High School—All 11th and 12th grade students in both Ovid and Elsie attendance areas and the 7th and 8th grade

students in the Elsie attendance area. Buses will leave at 11:30 a.m. to pick up the rural students in these grades. All 11th and 12th grade students in the village of Ovid will board the bus at the Ovid High School at 1 p.m. for transportation to the Elsie High School. These students will be in session from 1:15 to 4 p.m.

BEGINNING Wednesday, Sept. 7, all 11th and 12th grade students in the village of Ovid will

be picked up at the Ovid High School at 8:15 and all 9th and 10th grade students in the village of Elsie will be picked up at the Elsie High School at 8:15 for transportation to their respective schools.

Any high school students in grades 9 through 12 who live in the Ovid attendance area and who have not pre-registered or are new in the area since last spring must register at the Ovid High School on Tuesday, Aug. 30. Those students who live in the Elsie attendance area and have not previously registered are to do so at the Elsie High School on Monday, Aug. 29.

Uniforms for students scheduled to take physical education will be purchased through the school at cost. This will allow all students taking the course to be dressed alike.

Ovid-Elsie bus routes remain basically same

OVID — All school bus routes in the Ovid-Elsie Area Schools district will remain the same, for the most part, this year, except for an occasional change necessary because of the location of new students or beginners.

Bus numbers on some of the routes will change; therefore, students are warned not to look for the same bus they rode last year. The bus numbers and their drivers are:

ELsie AREA: Art Davis, No. 13; Fred Nixon, No. 14; Mr. Root, No. 669 (formerly 655); Dennis Saylor, No. 11; Emerson Dunham, No. 667 (formerly 8); Mark O'Donnell, No. 666 (was 663); Roland Schadt and Rodney Tulloch, No. 665 (was 664); Roy Fizzell, No. 9; Mrs. Robert Buchele, No. 8 (was 12); Elwin Whitacre, No. 643; Mrs. James Baese, No. 12 (was 6); and Kenneth Kiger, No. 668 (was 10). Bus No. 7 and No. 10 will be used to transport athletic teams and students to and from Ovid and Elsie. No driver has been hired.

OVID AREA: William Thomas, No. 651 (was 1); Mr. Matthews, No. 653 (was 2); Lew Brandel, No. 654 (was 6); George Burl, No. 7; Sam Sherwood, No. 8; Jack Beeman, No. 9; Katherine Huss, No. 644 (was 10); Charles Wilson, No. 641; Albert Ackley and Ralph Leland, No. 642; Lyle Perrier, No. 10 (was 644); Larry Peters, No. 652; Mrs. Dale Hinkle,

noon kindergarten and shuttle runs to Elsie on No. 1.

Kindergarten children attending in the mornings will leave school to be returned home at 11:30 a.m. Parents who have kindergarten children who are supposed to attend afternoon sessions have been notified by a special letter. The pickup time for these youngsters will begin at about 11:30 a.m., and they will be returned home on the regular bus route with other students in the late afternoon.

FOR STUDENTS attending the Bannister school, the bus program will remain the same as the past year.

Supt. Robert Beauchamp reminds parents and students there will be changes relative to turnarounds that have made for difficulty in the past. At a recent meeting of the board of education the acute and complex transportation problems of the school were discussed. The following policy regarding transportation of students was arrived at:

"Students living one-half mile or less from a bus pick-up point are expected to walk to this point. Handicapped children are excluded from this policy and will be picked up wherever they are living."

THE POLICY is the same as recommended by the Michigan Department of Education and provides some of the basis upon which reimbursement is made for transportation.

"Likewise, we wish to remind parents there are going to be many problems to be worked out because of the necessary changes in the total program—and we ask that parents and students be patient and considerate, because this is new to all of us. The operation of a fleet of 28 buses can have a few problems."

Fund declares 12 3/4% dividend

The board of directors of Investors Selective Fund, Inc. has declared a regular quarterly dividend of 12 3/4 cents per share derived exclusively from investment income, Harold K. Bradford, president, announced.

This third quarter dividend of the Fund's fiscal year is payable Aug. 26 to shareholders of record at the close of business Aug. 25, 1966. It compares with 12 1/4 cents per share distributed in the preceding quarter and in the corresponding quarter a year ago. It is the 82nd consecutive dividend paid by the Fund.

The dollar amount of the dividend approximates \$563,000, distributed among about 7,000 shareholders.

Investors Selective Fund, Inc. currently has approximately 4,418,500 shares outstanding compared with 4,500,000 shares at the same time last year.

FINED FOR DRUNKENNESS

Sylvester Lopez, 24, of 6503 Park Lake Road, Lansing, was fined a total of \$41.90 and sentenced to five days in the county jail last week for being drunk and disorderly. St. Johns Judge Alba Wert passed sentence.

Hot lunch openings staggered

OVID — Among Ovid-Elsie's opening-day problems for the start of the first combination year is the school lunch program. Due to the lack of equipment and the building program, only one kitchen will be operating in the beginning.

This is located in the former Elsie High School building and will serve only those people housed in that building. First meals will be served Wednesday, Sept. 7.

THE OPENING OF the kitchen in the E. E. Knight building in Elsie will probably take place the week of Sept. 12. Students will be notified of this opening at school.

The kitchen in the new Ovid addition, at the north Ovid Elementary School, will open soon after this date; but because of not knowing exactly when the equipment will be placed in the kitchen, no definite date can be given at this time. The kitchen in the new Ovid Elementary (East) will be opened at about the time that the building is occupied.

The same is true of the new high school building—and it is at this time the school will also begin to serve students in the junior high buildings from a central kitchen.

"THESE OF COURSE, are not the only problems that the lunch program has," Supt. Robert Beauchamp said, "but we still have a more serious one—that of finances."

"It will be impossible to continue to provide Type A lunches to students and faculty members at the low rate that we have in the past. The board of education, therefore, has set forth a new price to be paid for lunches. It is as follows:

—35 cents per day for all elementary children, kindergarten through sixth grade, to be paid on a weekly basis.

—40 cents per day for all junior and senior high school students to be paid on a daily basis.

—55 cents per day for all faculty members to be paid on a daily basis.

"THIS CONSTITUTES raising each lunch 5 cents per person daily. The board regrets having to do this, but finds no other alternative due to the fact that prices of commodities have gone up and also schools in general are only receiving about one-third of the U.S.D.A. commodities they once received. And this situation may not improve due to the scarceness of food that may result from world conflicts."

Ashley opens Friday

ASHLEY—The Ashley Community School will open its doors with a teacher's meeting today (Thursday). On the following day, students will be picked up by bus for a half-day orientation. First full day of school is Sept. 6.

Kindergarten bus areas have been revised, with beginners living on or east of Ransom Road attending the morning session. Buses will not pick up kindergarten students Sept. 2. Mrs. Fowler, kindergarten teacher, will be at Kennett School to receive enrollments.

William Mau has been appointed supervisor of transportation.

holds a masters degree from Kent State University and will teach English and German; Merrily LaCasse, a recent graduate of Michigan State University, who will teach home making.

NEW TEACHERS in the elementary school include Stanley Dean of Breckenridge, sixth grade; James Remez, of East Lansing, fifth grade, and Charles Versteeg, fourth grade.

Ashley is seeking a band director to replace Charles Dittmar, who resigned to take a position with the Ypsilanti Public Schools.

2 cars collide

A two-car collision at US-27 and North Clinton Avenue in St. Johns last Wednesday afternoon involved cars driven by Elwin E. Tuttle, 37, of Lansing and Waneta M. Ward, 26, of Birchwood Street, DeWitt. The Ward car had reportedly stopped for the intersection and then pulled across US-27, where it was hit in the left rear by the Tuttle car going south. No one was hurt.

Since 1960, public and non-public school enrollment has increased by more than 300,000 students.

Shattuck-Rademacher vows repeated Aug. 6

WESTPHALIA — Laura Jean Shattuck of Ionia became the bride of Joseph S. Rademacher of rural Eagle Saturday, Aug. 6, at Saints Peter and Paul Catholic Church. Rev. Paul Johnson officiated at the double ring ceremony.

The parents of the bride are Mr. and Mrs. Oren E. Shattuck of 201 Cleveland Street, Ionia. The groom's parents are the Elmer Rademachers of R-1, Eagle.

For the 1 p.m. wedding, the new Mrs. Rademacher wore a beau de soie gown fashioned with an a-line skirt, a high rise bodice and long sleeves coming to a point at the wrists. The scalloped neckline was outlined with pearl studded Alencon lace and the detachable chapel train was secured with bows at the shoulders. Her tiered French tulle veil fell from a tiara of seed pearls and crystals. She carried a white lace-covered prayer book topped with yellow roses and carnations, cascading ivy and streamers.

MISS JUDIE JEFFERY was the maid of honor and the bridesmaid was Mrs. David Manshum. Sister of the groom, Beverly Rademacher, was the junior bridesmaid and Cindy Scott, niece of the bride, was the flower girl.

They wore empire styled gowns with avocado lace bodices and yellow nylon over taffeta skirts. A floor length lace panel was secured in the back with a bow. They carried crescent arrangements of yellow gladioli.

FOR HER daughter's wedding, Mrs. Shattuck chose a pink silk shantung dress with white accessories. Mrs. Rademacher selected a two piece off-white knit

suit flecked with silver and blue accessories. Their corsages were of pink gladioli and white chrysanthemums.

Gary Rademacher served as his brother's best man and the groomsmen were Kenneth Trieweller and Tom Rademacher, brother of the groom. Timothy Balen and Joseph Nureberg seated the guests. Brian Miller was the ringbearer.

JOHN RADEMACHER, brother of the groom, served as the commentator at the Mass.

Three hundred attended the reception for the newlyweds held at the Hunting and Fishing Lodge at the Ionia County Park. The guests were from Battle Creek, Grand Rapids, Lansing, Westphalia, Eagle, Portland, Balding and Ionia.

Special guests were Mrs. Louise Smith and Mrs. Caroline Rademacher, grandmothers of the groom.

ASSISTING AT THE affair were Mrs. Fedewa of Portland, Ferol Buxton, Marsha McKennon, Mrs. Carl Burns, Mrs. Robert McCoy, Carol Wielsma and Mary Pachulski.

The newlyweds are presently residing at 408 1/2 Jene Street, Grand Ledge.

Miss Tomasek honored at surprise shower

About 15 former classmates attended the surprise bridal shower for Miss Beatrice Tomasek of St. Johns hosted by Ann Stone, Carole Stoy and Jane Becker last week.

The hostesses will act as bridesmaids for Miss Tomasek when she becomes the bride of Joe Wollam Oct. 1.

MISS DONNA FELDPAUSCH

Mr. and Mrs. Leo Feldpausch of Fowler announce the engagement of their daughter, Donna Rose, to Paul Hufnagel, son of Mr. and Mrs. Walter Hufnagel of Fowler.

A Nov. 12 wedding is being planned by the couple.

MISS JANE JOERIN

Mr. and Mrs. Robert Burns of Milford announce the engagement of their daughter, Jane K. Joerin, to Frank J. Remenar, son of Mr. and Mrs. Julius J. Remenar of Bannister.

Miss Joerin is a beautician at Milford and her fiancé is a test driver for GM at Milford.

A Nov. 12 wedding is being planned by the couple.

Green Tee tournament winners named

Winners in the home tournament last Wednesday at the Green Tee Club were Doris Hicks, champion; Elsie Bancroft, runner-up and Jolite Becker, consolation.

First flight winners include Jane Beech, Anita Lyman and Lil Ricker; second flight Rose Nuser, Unice Marzke and Rosemary Allaby and third flight winners, Marian Smith, Agatha Mankey and Fran Gumaer.

Non-tournament winners were Elsie Dickenson, low strokes on No. 7 hole and Elmor Silaway, high strokes on No. 4 hole.

A banquet is slated for Sept. 19, for reservations call Elsie Bancroft or Rosemary Allaby.

Vauconsants at New Orleans mail carrier's meet

Mr. and Mrs. Gayle Vauconsant attended the 62 annual convention of the National Rural Letter Carriers Association, Aug. 16-19, at the Jung Hotel of New Orleans, La.

There were 2476 registered attendance, of which 42 were from Michigan. The carriers, their wives and guests enjoyed good food, business sessions, entertainment and fellowship.

Blue Star Moms getting ready for Christmas

It was reported at the last meeting of the Blue Star Mothers Aug. 23 that 100 pairs of mittens had been knitted and would be given to children at Christmas.

A letter from the national president urging members to attend the national convention to be held in Louisville, Ky., Oct. 24-27.

Games were played for white elephant prizes by the 22 members present. The meeting was held at the regular meeting place as it was too cold to go to the park.

SWERVES OFF ROAD

Betty Jean Bates, 30, of Laingsburg escaped without injury when she swerved off Round Lake Road to avoid hitting a car which pulled off Chandler Road in front of her Saturday evening.

JAILED FOR HAVING BEER

Antonio Yado, 20, of Craiville, Ind., charged with minor in possession last week, was fined a total of \$30.30 and sentenced to three days in the county jail by Municipal Judge Alba Wert.

Pair wed Saturday

PEWAMO—The former Miss Sara Helen Gregg of Portland and Gerald Joseph Freund were married Saturday morning, Aug. 27, at St. Patrick's Church of Portland.

Father Kolente officiated at the double ring service.

The bride is the daughter of Ermond Farrell Gregg of 319 Orchard Street, Portland and the late Wilbur Wilson Gregg. Her husband is the son of Mr. and Mrs. Erwin P. Freund of 208 Washington Street, Pewamo.

Given in marriage by her brother, Richard W. Gregg, the bride approached the altar gown in a satin and lace sheath. It was styled with an attached jacket, short sleeves and trimmed with seed pearls. MRS JAMES J. FABUS

Sefl-Fabus vows spoken July 9

Marcella Ann Sefl and James Joseph Fabus exchanged wedding vows Saturday, July 9, at St. Cyril's Church, Bannister.

The bride is the daughter of Mr. and Mrs. Frank Sefl Sr. of Ashley. She wore a gown of chantilly lace. It was styled with a square scalloped neckline trimmed with pearls and sequins and with long sleeves coming to points over the wrists. The skirt was full with six layers of ruffles along the sides and back. Her headpiece was of pearls and crystal with an elbow length silk illusion veil. She carried a cascade of white roses with three white gardenias.

THE MAID of honor was Alvin Slamka. She wore a mock sheath gown of gold taffeta, with a full back accented with a small bow at the waist in the back. Her headpiece was of rhinestones made into three sun bursts, with a short gold veil.

Other attendants were, Helen Strnad, cousin of the bride, Norma Chapin and Judy Duchi. Maryann Fabus, sister of the groom, was a junior attendant. They all wore dresses like the maid of honors but their headpieces only contained one sunburst. They carried white carnations, gold carnations, and gold roses with long gold streamers.

THE FLOWER girl was Miss Cathy Plesko, daughter of Mr. and Mrs. Edward Plesko. Her dress of bridal lace was made by the bride. It and the headpiece were duplicates to the brides. She carried a ball of white daisies.

The best man was Joseph Fabus Jr., brother of the groom.

Groomsmen were Tom Fabus, brother of the groom; Frank Sefl Jr., brother of the bride; Bob Chapko and junior attendant, Steve Slamka Jr., cousin of the bride and groom. The ringbearer was Jeff Krcmarik, cousin of the bride.

The bride's mother wore a two piece turquoise suit with accessories of turquoise and white. The groom's mother wore a light blue dress with a jacket of lace and white accessories.

The ushers were Lou Sipka and Steve Chvojka, cousins of the groom, and Carl and Dan Strnad, cousins of the bride.

The 5 p.m. reception was at the Slovak hall in Bannister.

The guest book was attended by Cathy Fabus and Theresa Stehlik, cousins of the groom. The cake was cut by Mrs. John Gusk, godmother of the bride and Mrs. George Dush, cousin of the groom. The cake was made by Mrs. Mary Kral.

The groom is the son of Mr. and Mrs. Joseph Fabus Sr.

Drummers relax at summer band camp

Drummers in the St. Johns school bands relax during a rehearsal session at Camp Hiawatha where they practiced and played Aug. 15-21. One-hundred forty-five students, 11 counselors and four staff members and their families attended. All the musical organizations of the high school were represented. Counselors were Mr. and Mrs. Robert Peck, Mr. and Mrs. John Speck, Mrs. Ed Mikula, Mrs. Leonard Puetz, Miss Susan Showers, Alan Davis, Jerry Motz and Floyd Colley. After a light rain the first day of their stay at Hiawatha, the music groups had sunny weather the rest of the time.

Fowler

By MRS. ALFRED LOUNDS—Phone 582-2490

Just before noon last Saturday a pole barn, 40 x 120, on the Leo Feldpausch farm of W. Kinley Road, burned down. Lost in the blaze were 3,000 bales of hay and 1,300 bales of straw, which were only partially covered by insurance.

The Pung reunion was held Sunday at the home of Mr. and Mrs. Del Bohr of Lansing. The Frank Pungs and Clare Snyder family of Fowler attended.

Mr. and Mrs. Frank Pung attended the wedding of their grandson, Patrick Stump to Miss Elaine Perault at Ann Arbor Friday.

Mr. and Mrs. T. Theodore Burdette of Owosso, Mr. and Mrs. Gordon Essenberg and son of Lansing and Mrs. Joseph Schafer visited Joe Schafer Wednesday evening at Carson City Hospital on the Schafer 57 wedding anniversary. Mr. Schafer has been in the hospital since July 17.

Mr. and Mrs. Gene Hokans of W. Taft Road were expected home early this week from the Upper Peninsula where they have been all summer. Hokans teaches school at Fowler. Last summer when they returned they brought a new baby girl. This summer they are bringing a bouncing baby boy, Kevin Alden, born Aug. 11 and weighing 8 pounds 12 ounces at birth.

Mrs. Clare Simmon is a patient at Carson hospital, following surgery, as is Mrs. Roman Weber.

Several from this area attended the wedding Saturday at St. Therese parish of Lansing, of John Schneider and Gladys Pohl.

About 40 relatives and friends of the Joseph Koenigsnecht family attended the wedding of their son, Roy, to Marilee Bani, daughter of Mr. and Mrs. John J. Bani at St. Mary's Church in Hermansville in the Upper Peninsula Aug. 20. A reception was held at the home of the bride's parents.

Greg Bonnet left by train Tuesday for his home in Chicago following a two week visit with his cousin, Deryl Brunner, son of the Fred Brunners.

Miss Joanne Miller, daughter of Mr. and Mrs. Marvin Miller, was honored at a neighborhood bridal shower Wednesday evening at the home of Mrs. Eugene Martin, given by Mrs. Martin and Mrs. Maynard Nobach. The gift table was decorated in pink and white with a centerpiece of a bride and groom about to enter a car trimmed with the usual tin cans and shoes. Bridal games were played and refreshments served. Joanne is the Sept. 17 bride-elect of Gary McNamara of Lansing, son of Mr. and Mrs. Lawrence McNamara of Newberry, Mich.

The Fowler Bowl is still looking for women bowlers for the Thursday night teams. Also can use men and women for the mens teams or for mixed doubles. For information, call 582-8251.

Debra Lynn Weston, daughter of Mr. and Mrs. Gary Weston of Lansing and granddaughter of Mr. and Mrs. Leo Feldpausch of Fowler, was born Aug. 15. She weighed 5 1/4 pounds and eight teeth accounted for part of her birth weight. Two the eight teeth were loose and had to be pulled but she still has six teeth.

OMITTED LAST WEEK

In the wedding story in the Clinton County News, of Arthur A. Caudy and the former Miss Sally Rosecrance, who were married Aug. 13 at St. Joseph Catholic Church, the names of the groom's attendants were inadvertently omitted.

Serving as best man for his brother was John Caudy Jr., who received special leave from the naval hospital in Philadelphia to attend the wedding. Groomsmen were Brian Rosecrance, brother of the bride and William Mandeville of Royal Oak. Seating the guests were Walter Brauhm of Grand Haven and Richard Shoup of St. Johns.

Mr. and Mrs. Joseph J. Caudy, aunt and uncle of the groom hosted the reception.

Donnah Hampton of 507 S. Lansing Street reported killing a small brown bat Monday evening in an upstairs bedroom of her home.

REV. DAVID GREENBAUM

Evangelist here Sept. 9

The Rev. David L. Greenbaum of Bellefontaine, Ohio, an evangelist in the Church of the Nazarene, will be in St. Johns for services between Sept. 9 and Sept. 18.

The services at the church here at 515 N. Lansing Street will be at 7:30 p.m. each evening and at 11 a.m. and 7 p.m. Sept. 11 and 18. The Rev. Eldon Raymond is pastor of the Church of the Nazarene in St. Johns.

The Rev. Mr. Greenbaum is a preacher, chalk artist, and converted magician who uses illustrated messages to portray talks for both children and adults.

A special feature in his service is the large stage and the "Kings Marionettes" that portray true to life gospel stories. Special lighting effects and stereo sound add realism and make "the greatest story ever told" come to life. Traveling with the Rev. Mr. Greenbaum is his wife who assists with the marionettes. Each service is Bible-centered.

NEWS IN BRIEF

Dale Davis, 16, Roger Davis, 14, and William Stoy, 14, all of rural St. Johns, have been granted junior membership in the American Angus Assn. The new memberships entitled the members to register prebred Angus at regular membership rates and to the privileges of the association until they reach 21. At that time, junior members are eligible to convert to lifetime memberships in the association.

St. Johns firemen answered two calls within the last week. Saturday they were summoned to a barn fire on the Tom Marek farm on South Chandler Road in Olive Township. There was no damage. Monday evening a spectacular blaze drew lots of people, but it amounted to the burning of lumber from a house being torn down at the corner of Ottawa and Lincoln. Firemen are investigating the cause of the Monday night fire.

Renewal rehab standards developed here get OK from federal agency

The Housing and Urban Development Authority has approved a set of rehabilitation standards for commercial development projects which is an outgrowth of a feasibility study now being made in St. Johns.

The city's urban renewal assistant director, Terry Foster, was on hand in Chicago Friday when the standards were presented to HUD personnel by Edgar Fitzgerald of the firm of Fitzgerald and Fitzgerald of Trenton, who have done appraisal work here.

BUT FOSTER rejected the use of the standards on further work here because it would take too long. Bill Walsh, who made the presentation to HUD on Central Business District Rehabilitation Programs, estimated a study of the magnitude they had developed would take six months.

"In order to maintain interest in our project we can't afford further delay," Foster told HUD. HUD's advisor on the local project, Al West, suggested and endorsed a short form of the standards that could be used in St. Johns' case and which would prove acceptable to Region 4 of

HUD in the final stages of the project.

FOSTER AND URBAN renewal Director Ken Greer are aiming for a Nov. 1 presentation of the feasibility study to the city commission, who will then make a decision on whether to proceed with an urban renewal project.

The standards formulated by Fitzgerald and Fitzgerald were a synopsis of their work in St. Johns on the urban renewal feasibility study. Region 4 of HUD, which encompasses seven states, has

never had a rehabilitation project within a business district. St. Johns' efforts to retain some of its present buildings is thus a "first."

Little real concrete information developed from the Chicago meeting, Foster said, but a mid-conference planning session has been set up in St. Johns Sept. 20, and the city's engineers, Villan-Leman and Associates, has an engineering conference scheduled for tomorrow (Friday).

ATTENDING THE Chicago meeting were Fitzgerald and Walsh; Dave Eppstein, HUD Region 4 rehabilitation director; Ken Wilcox, project planner; and Ken Stroebel and Lyle Jurgensen of Villan-Leman. St. Johns' feasibility study involves the six blocks of the downtown area.

Golden Anniversary

An open house to honor the golden wedding anniversary of Mr. and Mrs. Irwin Trumble formerly of Elsie and now of Orleans will be held Sunday afternoon (Sept. 4) from 2 to 5 in the 4-H Youth Building on the Ionia Fair Grounds.

Their former neighbors, friends and relatives of Elsie are especially welcome.

Mrs. Trumble is the former

Mary Harris of Brady Township, Saginaw county and her husband was associated with Henry R. Hayes in the chicken and egg business for many years in the Elsie area.

The couple has eight children, 27 grandchildren and eight great-grandchildren. Mrs. Trumble is the sister of Mrs. Paul Platner and Mrs. Ernest Wicke of Elsie.

O-E music dept.: BUSY

This is a busy week in the Ovid-Elsie Schools Music Department. Monday was spent preparing for the trip to the State Fair in Detroit. This meant checking out two high school bands, their instruments, music, equipment, itineraries, sheets, equipment truck, two buses and two drivers in Elsie and one bus and driver in Ovid. Monday evening the drum section met for rehearsal and then packed drum equipment for two schools.

Tuesday morning, the Elsie Bandmen began arriving at the Legion Hall at 6:15 a.m. with Mr. Thayer. The Ovid Bandmen began arriving at 6:30 a.m. with Mr. Susinko, the new junior band and elementary instrumental music instructor. By 7:30 a.m. both bands left from the Ovid High School building for Detroit and returned before 11 p.m.

The Elsie uniforms were returned to the Elsie High School building Wednesday. The librarians from the two bands began sorting and filing the music for the summer programs. The librarians of the new Ovid-Elsie Band went to work issuing, stamping, numbering and preparing the march folios for the first rehearsal of the new band. Late Wednesday afternoon, after teachers' meetings, a group of boys, another borrowed truck, Thayer and Susinko moved what was left of the Ovid High School Band library and equipment to the Legion Hall. The schedule for Wednesday evening: find a place for everything moved to the Legion Hall and a meeting of the school song committee at 8 p.m. in the Legion Hall.

Thursday (before, in between, and after teachers' meetings) will see last minute preparations for the first O-E Band rehearsal. March folios must be completed, chairs arranged and a seating chart posted. The building will be open at 6:55 p.m. with rehearsal scheduled from 7:25 to 8:45 p.m.

Friday: stir, sand and paint all Senior Band Marching Band Drums BLUE AND GOLD.

METHODIST CHURCH NEWS

Elwin Whitaker, president of the Methodist Men announced there will be a District Laymen's Retreat at Lake Louise, Sept. 10-11 and urged them to attend. Registrations must be turned in this week to Rev. Gordon Showers.

The Elsie Methodist Church Choir will resume rehearsals Wednesday, Sept. 7 following a summer recess. The Carol and Junior Choirs will meet at 3:45 and the Senior Choir at 7:00 p.m.

The Senior Methodist Youth Fellowship counsellors and officers will meet Wednesday evening at the Methodist Church office for a planning session for fall activities.

David Showers is attending the National Convocation of Methodist Youth at Minneapolis where he is representing the Michigan Conference MYF.

The Elsie Methodist Church was represented at the Central Michigan District summer camp at Lake Louise by Cindy Lentz, Sandy Grubaugh, Sharon Dunham and David Williams. David Showers also attended the Youth Assembly Week at Lake Louise.

During the vacation of Rev. Gordon Showers and Mrs. Showers in August, Eugene Stouffer and Mrs. Alpha Grubaugh served as substitutes in bringing the Sunday morning worship services.

ELsie HIGH SCHOOL BAND* with the small letter across the bottom "Donated by the Elsie Lions Club and the Ovid Lions Club."

If the delivery date is met the banner will arrive in time for the new band's first appearance, Michigan State Band Day, Sept. 17.

Over 200 students from the Ovid-Elsie Schools completed their driver-training these past few weeks. Instructors were Mark O'Donnell, Joe Thering, Jerry Meredith and John Goebel.

Miss Jennifer Keys completed ten weeks of summer school Friday and will be home for two weeks before returning to Central Michigan University for the fall semester.

The Elsie Chapter OES will resume regular monthly meetings Thursday evening, Sept. 1. Worthy Matron Mrs. R. D. Martin desires a good representation of officers and members to open the fall season. Plans will be made for the annual Grand Chapter meeting.

Mrs. Eva Ledyard of Ohio City, Ohio, spent Tuesday and Wednesday with Mrs. Ward Lewis. They were girlhood friends.

Mr. and Mrs. Ezra Sutliff of Flint were Sunday guests of Mr. and Mrs. Ward Lewis.

CLINTON COUNTY BOARD OF SUPERVISOR'S MEETING

A meeting of the Clinton County Board of Supervisors will be held on

TUESDAY, SEPTEMBER 6, 1966

At 1:30 p.m. the Board will act on the following:

Applications from the St. Johns Board of Education for approval and recommendations from the Board of Supervisors to erect schools on the following described parcels of land:

RILEY TOWNSHIP

Commencing at the Northwest corner of Section 23, T6N, R3W, for point of beginning, thence East along the Section line a distance of fifty rods to a point, thence South parallel to the West line of the said Section 23 a distance of forty rods, thence West a distance of fifty rods to the Section line, thence Northerly forty rods along the West Section line of said Section 23, to the point of beginning.

OLIVE TOWNSHIP

Also, a ten (10) acre parcel of land out of the following described parcel of land:

The East 13/16 of the Northeast 1/4 of Section 14, T6N, R2W, except a parcel of land 84 rods long East and West by 36 rods 7.27 feet wide, North and South approximately 19-1/10 acres.

Also, certain amendments to the Clinton County Zoning Ordinance dealing with:

- 1—Minimum lot sizes and minimum square footage requirements in Zone B, residential.
- 2—Set-back and side-lines requirements in industrial plats.
- 3—Trailer Coach provisions.
- 4—Revision of certain fee provisions.

Little Leaguers, Pony Leaguers look happy

Little League and Pony League players whoop it up at the thought of getting their pictures taken at a picnic sponsored by the St. Johns Jaycees last Thursday night. The youngsters, numbering about 100 in all, had hot dogs, pop and ice cream. Trophies for the first-place Cubs were passed out to the members of the team present.

Sign-up begins for punt, pass, kick competition

St. Johns area boys from 8 through 13 can put their football skills against thousands of other boys throughout the nation in the sixth annual Punt, Pass & Kick competition. The contest will culminate with a trip to Washington, D.C., and an appearance at the annual National Football

League Play-Off game for the top 12 winners. Sponsored nationally by the Ford Dealers of America and the National Football League, the Punt, Pass & Kick competition—or PP&K—will be staged in St. Johns by Egan Ford Sales, Inc., 200 W. Higham with the St. Johns Jaycees as local co-sponsors.

ST. JOHNS BOYS will be tested for their ability to punt, pass and place-kick a football for distance and accuracy. First-, second- and third-place winners will receive distinctive Medal of Achievement awards on plush velvet ribbons. Top award has a blue, motif, second-place award is red, third award is white. There will be 18 medal awards in all. Scores throughout the country then will be compared to determine the six top winners in each of the 360 Ford zones—a total of 2,160 zone winners.

Zone winners will meet in 37 Ford district competitions at which 228 district champions will win trophies. The 228 runners-up will receive certificate awards. All 228 district champions will compete for area championships to be held in 15 NFL-city areas.

The 42 western NFL-area champions will compete in Baltimore, Md., on Saturday, Dec. 10, to determine the six western division champions (one for each age group). The 48 eastern NFL-area champions will compete in Dallas, Tex., on Sunday, December 11, to decide the six eastern division champions (one for each age group).

THE SIX EASTERN NFL division champions, and the six western division champions, accompanied by their mothers and fathers, will go on a "Tour of Champions" to Washington, D.C. They then will travel to the Orange Bowl in Miami, Florida, site of the annual NFL Play-Off game, for half-time competition to determine the six National PP&K champions.

Bruce Fowler, of Egan Ford Sales pointed out that PP&K involves no body contact, there is no charge for entering and no special equipment is needed. "Registration will be open from Sept. 1 through Oct. 7," he said, "with Egan Ford Sales as registration headquarters."

"In 1965, PP&K's fifth year, 715,817 boys entered the competition," he said, "a program which has received the commendation of the President's Council on Youth Fitness."

Fowler said entrants will be judged on distance and accuracy of their punting, passing and kicking. Points will be awarded for each foot of distance the ball travels on the fly, and points will be subtracted for each foot the ball lands to the right or left of a center line. The St. Johns competition will be held at the high school athletic field on Saturday, Oct. 8.

TIE SCORES WILL be played off on the day of competition. Ties for top spot in zone and district standings also will be played off during special contests. District winners will receive trophies. Area winners vie for the top 12 division championships. The six national winners receive handsome PP&K championship trophies. The other six receive national runner-up trophies. All 12 finalists go on the "Tour of Champions."

"And in those exotic ports the ship will serve as your hotel!"

★ CARDS OF THANKS

I wish to thank Drs. Stephenson and Stoller, nurses and nurses' aides for the good care I received during my stay in Clinton Memorial hospital. Also thanks to all those who remembered me with cards and visits. E. W. Trumbull. 19-1p

I wish to thank Drs. Russell and Grost, Drs. Schoettler and Hackett and the entire staff at the Clinton Memorial hospital, my relatives and my friends and neighbors for their many prayers, acts of kindness, cards, gifts, flowers and their many visits during my stay at the hospital.—Mrs. Margaret Sturm. 19-1p

I wish to thank Drs. Steigewald and Hagen, doctors and nurses of Carson City hospital for their excellent care, also Rev. Wittenbach and Rev. Conline for their bedside visits, the Greenbush WSCS, friends and neighbors for their letters, cards and flowers during my recent illness. It was appreciated very much. Melvin W. Smith. 19-1

We wish to thank our neighbors and friends for their many acts of kindness shown us during the illness and death of our wife and mother, Bessie Kidder. Also to the WSCS for the dinner they provided, the Homemakers club and to Rev. Wittenbach for his comforting words.—Thad Kidder and family. 19-1p

The family of Stephen D. Hall wish to express their thanks to everyone who was so nice to visit at the time of the loss of our husband and father. Their acts of kindness will always be remembered. A special thanks to the Hoag Funeral Home, to Rev. Bovee, to all that sent flowers and to the nursing staff at St. Lawrence hospital.—Mrs. Stephen D. Hall, Mrs. Mervin Murray, Mrs. James Fedewa and Miss Margaret Hall. 19-1p

We wish to thank Drs. Russell, Grost and Bennett, all the Clinton Memorial hospital personnel and Gray Ladies for their wonderful care and kindness to our mother during her stay at the hospital. Thanks to Rev. Kellin, the DeWitt Community church, relatives, friends and neighbors for prayers, cards and flowers.—Mr and Mrs Wm. N. McGovney. 19-1p

Words can never express our thanks for Dr. Smolinski for his comforting words and visits, to the Carriers for their thoughtfulness, Tom's classmates, friends who were regular and honorary pallbearers, and also for their kindness, to all the industrial and business concerns, various school boards, school administrations and faculty, Elsie, co-workers and Varsity club, schoolmates, friends, neighbors and relatives for the beautiful flowers, mass cards, letters and cards of sympathy. Also to the following who sent memorials—Miss RFA, National Honor Society, Federal-Mogul employees, Bannister friends, Pure Oil employees, Elsie's friends, Village Inn, Michigan Milk Local 86 and the many individuals. We also want to thank Federal-Mogul final inspection for their many acts of kindness, also for the food they and all others brought in. The members of the St. Cyril Altar Society for preparing the dinner and others who helped. You all have been wonderful during the sudden loss of our beloved son and brother Tom.—Steve, Mildred bakita and family. 19-1p

Walter Millers host family reunion

Mr and Mrs Walter Miller were hosts for a family reunion Sunday. Those attending were Mr and Mrs Ernest Valentine of Brant, Jean Valentine and Robert Homer of Lansing, Mr and Mrs Robert Valentine and family of Bannister and Mr and Mrs Dale Stone and family of Lakewood, Calif.

Mr and Mrs Stone and family are visiting friends and relatives in this area. Mrs Stone is the former Arlene Valentine.

Mr and Mrs Leonard Socia and daughters of Baldwinville, N. Y., Mrs Pearl Mead and Mrs Lila Murray were Thursday afternoon visitors of Mr and Mrs Frank Leydort.

Mrs Moore gave WSCS lesson

Mrs Thomas Moore presented the lesson "Do Something" to the members of the Women's Society of Christian Service Wednesday at the home of Mrs Edna Nowlin. The purpose of the lesson was to dedicate our life to helping others in need. A puzzle was provided to each member so they could become informed of people in need. Examples of opportunities to help were given such as welfare agencies, migrant workers, Indian reservations, foreign students, hospital help and others. At the business meeting Mrs Lloyd Walters moved that the Society contribute \$25 toward the student fund.

A study course will be given on "Affluence and Poverty" beginning Sept. 22.

Mrs Gayle Green gave the worship for the evening as Mrs Edna Nowlin, Mrs Fred Ferris and Mrs Wayne Peck served as hostesses.

Mr and Mrs Roy Saylor called on Mr and Mrs Harry J. Thompson and daughter of St. Johns Thursday evening.

Mr and Mrs John Setterington and Mrs Marie Roberts of Maple Rapids were supper guests of Mr and Mrs Frank Leydort Monday evening.

Mr and Mrs Ralph Taylor of Cleveland, Ohio, were Tuesday afternoon visitors of Mr and Mrs Frank Leydort. Mrs Taylor is formerly from Bannister.

Mr and Mrs Richard A. Conrad and daughters of Vernon, Mr and Mrs Alton Oberlitter and daughters and Mr and Mrs Arthur Krueger attended the Krueger reunion held at the home of Mr and Mrs E. Carstensen, Jr. of Marion Springs Sunday.

Miss Debbie Decker of Fenton is spending a couple of weeks with her grandparents, Mr and Mrs Lewis Sipka.

Mrs Vita Cartwright spent the weekend with her son, Mr and Mrs Frances Cartwright of Maple Rapids.

Mr and Mrs Charles Tabor and daughter of Carson City spent Sunday with Mr and Mrs Fred Ross.

Sharon Stewart returned home Friday from her tour of Europe with a Conference MYF group.

3 days in jail

Domingo Salazar, 18, of Lansing, spent three days in the Clinton County Jail last week for being in possession of beer, and he's awaiting circuit court action on another charge of carrying a concealed weapon. He is free on a \$500 bond on that charge. Municipal Judge Alba Wert assessed Salazar fines and costs totaling \$30.30 on the minor in possession charge and sentenced him to three days in jail.

Series E savings bonds issued between April 1956 and May 1959 have been granted one 10-year extension. During this extension they earn 4.15 per cent, compounded semi-annually.

Senior Citizens depart for state fair

Over 50 Clinton County Senior Citizens, bubbling with their usual enthusiasm, spent Monday at the Michigan State Fair in Detroit, where they not only saw the sights but provided some of the entertainment. The group's famous kitchen band played at the fair, and the Senior Citizens put on a skit about a hillbilly wedding. They left St. Johns about 7 a.m. aboard an Oldsmobile courtesy coach arranged for through Bee's Chevrolet-Olds. This is the fourth year the local group has provided entertainment at the fair.

GUARDSMAN JOSEPH B. LEHMAN

Guardsman wins honors

WESTPHALIA — Crack shooting earned two first places, a second and a third for a National Guardsman from Eagle at the 1966 Rifle Matches recently at Camp Perry, Ohio. Guardsman Joseph B. Lehman, 23, son of Mr and Mrs Bernard Lehman of R-1, Eagle and a 1961 graduate of St. Mary's High School won first in Marine Corps and Coast Guard matches, second in the Air Force competition, and third in the Navy Cup Match. Lehman is a member of Com. E. of the 107th Maintenance Battalion.

DROWNS AT CAPE KENNEDY

Harold Taylor, 38, husband of the former Arlene Arens of R-2, Portland, drowned at Cape Kennedy Beach, Fla., when he and his 11 year old son were swimming. He is survived by his wife, Arlene; two children, Jerry 11 and Judy 10 years; four brothers and one sister. Mrs Edwin Arens and sons Anthony and Joseph of Westphalia, Francis and Kenneth of Lansing attended the funeral services at Chapel Hill, Tennessee.

MARRIAGE Banns

Wedding bells will soon ring for Diane Weber, daughter of Mr and Mrs Leon Wieber of Fowler and Bruce Beachna, son of Mr and Mrs Esten Beachna, at Most Holy Trinity Church in Fowler.

Saturday Mr and Mrs Charles Heyer of Lansing and Mr and Mrs John Rademacher and son of Fowler attended a birthday dinner for John Rademacher at the home of Mr and Mrs Carl Heyer.

Mr and Mrs Daniel O'Brien and family spent several days vacationing during the past week. Sunday, Aug. 31, Mrs Florence Luna and family attended the Luna reunion at Bertha Brock Park in Ionia.

Mrs Florence Wieber is being treated at Clinton Memorial Hospital for a broken hip she received when she fell in her home Thursday morning.

K OF C PICNIC

The annual K of C family picnic was held Sunday, Aug. 28, on the east parish grounds. Picnic chairman was Bill Bengel and John Lehman was co-chairman. Managers for the softball game were Ed Lenneman and Ken Stump. Little Donna Thelen, daughter of Mr and Mrs Dennis Thelen, won the tricycle. The bicycle was won by Brenda Manning, daughter of Mr and Mrs Clarence Manning. Edmund Thelen was the winner of the Portable television. Other winners were Mrs Donald Thelen, Joseph A Thelen and David Martin.

Dennis Fandel was able to return home from St. Lawrence Hospital Sunday afternoon.

Friday Mr and Mrs Lewis Pung attended the wedding of their nephew, Patrick Stump, son of Mr and Mrs Robert Stump of Lansing and Miss Eileen Perault at Ann Arbor.

Mr and Mrs Harold Fedewa entertained a card party at their home Thursday evening.

Sunday Mr and Mrs Harold Smith and family and Mr and Mrs Lewis Pung and family attended the Pung reunion at the home of Mr and Mrs Delbert Bohr in Lansing.

Mr and Mrs Aloysius Smith and family spent the weekend at their cottage at Clifford Lake.

Recently Mr and Mrs Walter Rademacher and Mr and Mrs Urban Thelen and family visited Mr and Mrs Louis Pero and family of Flint.

Many of the factory workers returned to work during the past week, after being laid-off for change over.

Mr and Mrs Anthony Fenels are now making their home in the new four unit apartment recently completed.

Mrs Ronald Lenneman of Portland, visited her mother, Mrs Louise Smith, Tuesday evening.

Mr and Mrs Joseph Heyer and family of Detroit and Mrs John Waldron and family of Detroit called on Mr and Mrs Carl Heyer Tuesday.

Mrs Tom Droste entertained the Tripoley group in her home Thursday evening.

Pupils at Pewamo-Westphalia High School may obtain their text books and get locker assignments the remainder of this week at the principal's office. Chester Casari, principal, said his office will be open each day from 8:30 a.m. until noon and from 1 until 4:30 p.m. He asked pupils to get their books and locker assignments early.

Mrs Mary Ellen Schmeller, Mrs Butch Bengel and Mrs Janice Fedewa spent Tuesday afternoon in Grand Rapids.

A wedding reception was held at St. Mary parish hall Saturday evening for the former Gladys A. Pohl, daughter of Mr and Mrs Leo Pohl of DeWitt and John Schneider, son of Mr and Mrs Andrew Schneider also of DeWitt. The couple exchanged wedding vows Saturday morning at 9:30 a.m. in St. Therese Church of Lansing.

Forty Hour devotion will open at St. Mary's Church Sunday, Sept. 11.

Mr and Mrs Louis Rademacher visited her mother, Mrs Roman Feldpausch, at Carson City Hospital Thursday evening.

Pvt. Dale Thelen of the U.S. Marine Corps spent a 20 day leave with his parents, Mr and Mrs Harold Thelen and family. In three weeks he expects to leave California for Viet Nam.

Mr and Mrs Larry Rogers and family of Portland visited at the home of Mr and Mrs Peter Wilgen during the past week.

Many relatives, former classmates and friends attended the wedding reception for the former Miss Sara Gregg of Portland and Gerald Freund, son of Mr and Mrs Erwin of Pewamo, which was held at the Club 21 in Pewamo. Mrs Dennis Weber served as matron of honor for her friend and Luke Freund served as a usher for his cousin, when the couple exchanged marriage vows at St. Patrick's Church in Portland Saturday. Following their wedding trip the newlyweds will make their first home in the new four unit apartment in Westphalia.

Several from this community attended the DeWitt ox roast which was held Saturday.

Mr and Mrs Roger Maxwell, Eric and Darin of Montpelier, Ohio and Mrs Arthur Conner of Jackson visited at the home of Mr and Mrs Louis Bedenbender Sunday.

Sunday afternoon the P-W Gun Club held a turkey shoot at the Louis Bedenbender farm. The club has set Sept. 18 as their date for another turkey shoot. This will also be held at the Bedenbender residence.

Hawaii beautiful, busy, DeWitt couple finds

BY MRS IRENE DAVIS
of DeWitt

Raymond and I had some most rewarding experiences on our recent summer trip to Hawaii. We left Lansing Airport in a four-motor Delta prop for O'Hare Field in Chicago where we boarded a Northwest Orient Airlines jet for Honolulu. There was a stop made at Seattle-Tacoma Airport for refueling. Flying over the Pacific was beautiful and especially the sunset we observed as we were nearing Honolulu. Our flight time from Seattle was 5 hours and 20 minutes.

IN HONOLULU we (tour group of 11) were presented with fra-

grant leis and the usual kiss on the cheek given to visitors. Then we were taken by limousine to the Moana Hotel on Waikiki Beach. This hotel is located next to the Royal Hawaiian, which is classed as the oldest and most elaborate hotel on Waikiki. Moana is also very old but lovely.

Surfers were constantly putting on a show for us even though they didn't realize it. We spent as much time as possible on the beautiful sand, in the water, and on the Banyan Court patio overlooking the beach. Food and drink were served here and each evening from 8 p.m. to midnight there was special entertainment of music and singing by notable stars on

the stage at the corner of the court.

THE FOLLOWING day we took the city and Mt. Tantalus tour which included Honolulu proper. Points of interest included University of Hawaii, East-West Center, Waioli Tea Room, and Robert Louis Stevenson's grass shack, Chinatown, Civic Center, Iolani Palace, Fisherman's Wharf, Ala Moana Park, and the Yacht Harbor. We also saw the lovely homes of Manoa Valley and its tropical flowers and plants.

There was a stop made at Punchbowl Crater, the site of the National Memorial Cemetery dedicated in 1949 for servicemen killed in World War II

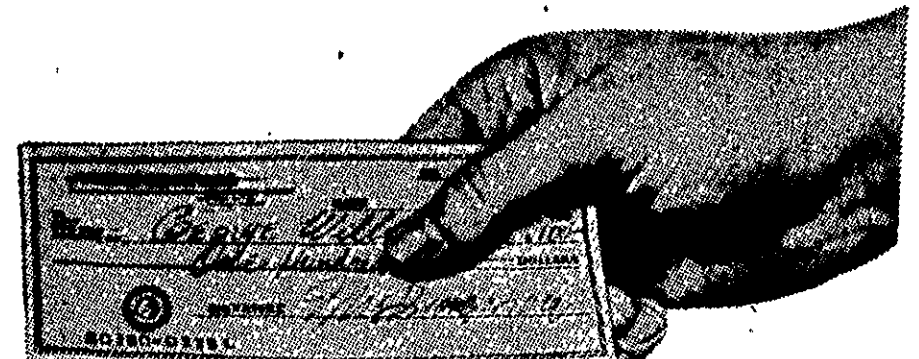

and Korea. Ernie Pyle's grave was pointed out to us there.

AN AUTHENTIC Hawaiian luau along the patio of the Royal Hawaiian Hotel was the next evening's big event. It was attended by 850 people. The luau is an outdoor feast where visitors may watch the Hawaiians remove a roast pig (whole) from a rock-heated pit called a imu. This meat was most delicious but we can't say the poi (made from taro roots) and all of the other typical Hawaiian foods were too palatable. However, it was a grand experience and it may be interesting to know that this feast costs \$10 per person.

Our next tour was an adventure cruise into Pearl Harbor.

We saw Battleship Row, the damaged U.S.S. Utah, and the sunken U.S.S. Arizona. The U.S.S. Arizona Memorial enshrines this famous battleship sunk by the Japanese Dec. 7, 1941. The structure is an enclosed bridge transversely spanning the hull, which is resting on the bottom of Pearl Harbor. A small portion of each end shows above the water. The end wall of the Memorial is inscribed with the names of the 1,177 men who lost their lives when this ship went down. As we were cruising a narrator gave a complete description of the attack on Dec. 7.

Hawaii . . .

Continued from page 1

we took flights to each of the other four main islands; namely Molokai, Maui, Hawaii, and Kauai. We stayed a short while on each of the islands except Molokai, which has no facilities for tourists. We did tour Molokai and saw the leper colony from a mountain look-out. No one is allowed in the colony, and the only access route is a 3 1/2 mile path by horseback. Certainly none of our tour group was interested in getting any closer. This colony was founded by Father Damien and he carried on his work here until he was killed by leprosy. Modern treatment has diminished the number of patients today.

One of the most important industries on all the islands is the raising of pineapples. Huge tractors are used in preparing the soil. After the soil is ready strips of visqueen or plastic paper are laid by a big machine across the entire area to provide homes for the millions of new plants.

ABOUT 1,000 SLIPS can be planted by hand per hour. They are planted through holes made in the plastic mulch paper. This paper tends to hold in moisture and prevent the growth of weeds. It required about 16,000 plants per acre. Much spraying needs to be done, and it takes from 18 to 24 months for a crop to mature. The fields are productive for three crops, then must be plowed up and new slips planted.

The harvesting is done by a huge machine called a harvester-conveyor which has a long boom with a moving belt. It travels ahead of the pickers (11 men lined up along the boom), who select and pick the ripe pineapples and lay them on the moving belt. Then the belt drops them into a truck to be hauled away to the cannery where it takes 15 minutes to process one pineapple.

Dole Co. has the world's largest cannery. The cannery and its activities cover 56 acres. Here 215 million pineapples a year are processed and fill more than 275 million cans. That's enough cans to stretch between New York and Honolulu four times. Dole employs approximately 9,800 during the peak season.

ANOTHER VERY important industry is the raising of sugar cane, on all of the islands. It also requires 18 to 24 months to mature. When the plants are ready for harvesting the fields are fired to burn away the trash and leaves before cutting the juicy stalks. Big trucks will haul as much as 24 tons of raw sugar to the refinery or shipping port. Their weight is so tremendous that special roads have been built by the plantation owners for use by these trucks. There are few refineries in Hawaii. Most of the cane comes to California for refining.

Other industries include livestock production, commercial fishing, orchid growing, and certainly the tourist business. There are 180,000 visitors there in one year. They spend \$82 million annually. Many, many large and beautiful hotels are under construction to accommodate the visitors.

Hawaii would really have some problems without the tourists. We just made it home before the air strike and were very grateful for being so lucky.

Kids' carnival to fight MD

A neighborhood carnival for the benefit of muscular dystrophy victims will be held this Friday at 402 S. Emmons Street in St. Johns.

Linda Lou Cole, daughter of Mr. and Mrs. Robert Cole, will serve as ringmaster, assisted by Dave and Cheri Cole, Carol and Janice Mankey and Edna and June Jorae.

The carnival will run from 1 to 5 p.m. and will feature such games as penny pitch, ring a duck, milk bottle drop, pie toss, and fortune telling booth. All proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

THE CHILDREN got the idea for staging their event while watching TV personality "Mr. Magic," who is promoting carnivals on his children's show seen on WJRT-TV, Channel 12.

Last year, in cooperation with Muscular Dystrophy Assns. of America, more than 12,600 carnivals were held by children across the country and over \$213,600 was raised for MDAA's research and patient service programs.

In 1831, a law was passed requiring Michigan townships of 50 families to employ a schoolmaster.

YOUNGSTER PLUGS RECORD

Vickie Sue Thrush of Alma, a 13-year-old gal whose record "Ordinarily" is aiming for a high place on the record popularity charts, was in St. Johns about two weeks ago to give it a personal boost. Using the recording name of Vickie Sue, she cut "Ordinarily" about three months ago in Nashville, Tenn. She started recording at the age of 11 when she made a "demo" in Lansing and sent it to Goldmont Records. She has performed at "The Den" in Saginaw twice and at the armory in Alpena. She has sung with such bands as "The Satisfactions" and "The Rainmakers." Here L. Morris of WJUD gives Vickie Sue an idea of how the disc jockeys handle records.

New phone book being distributed

The newest edition of one of the world's most frequently used books—the telephone directory—is now being delivered to General Telephone customers in Fowler, Maple Rapids, Muir, Pawamaw and St. Johns. W. F. Graef, district manager for the company, announced today.

This year, more than 8,000 General Telephone directories will be distributed throughout the St. Johns area, he said.

"LARGER THAN ever, our new directory has more names, Yellow Pages, and a completely revised customer information section," Graef said.

The new directory will introduce an index page for customer information on the inside front cover, he said. The list for frequently called numbers will appear on the inside back cover.

Customer information in the new directory has been categorized by subject—local, long distance, and general information, Graef said.

"Emergency listings, too, have been revised," he said. "We want

these numbers to be especially easy to find when they are needed."

ANOTHER ADDITION to the directory this year, he said, is a localized exchange area map printed in conjunction with the continental U.S. area map.

The colorful front cover of the new directory illustrates a new home floor plan incorporating telephone placement suggestions and several business instruments are illustrated on the back cover.

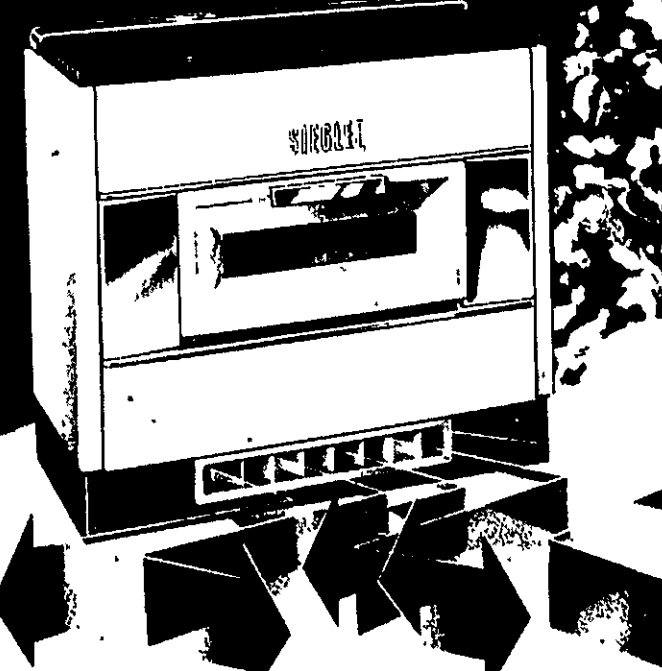

Graef offered a word of caution to customers about replacing the old directories with the new. "Leaf through your old directory carefully before replacing it with the new edition," he said. "Many times important papers, letters, or even money are placed in the telephone directory for safe keeping and forgotten."

"Remember, also, to transfer your written list of frequently called numbers from the old directory to the new one," he said.

The Detroit Public School system was the first in the United States to have a project approved under the 1965 Elementary and Secondary Education Act aimed at meeting the educational needs of deprived children.

MRIA gives firemen \$100 for new truck

The Maple Rapids Improvement Association met at the Municipal Building Monday night and gave the report of the Homecoming held last month. They feel that with one or two exceptions that it was a very successful affair. One of the main attractions was the sky divers, who performed all afternoon without pay. About \$200 was realized for the Youth fund, and the committee will be acting soon to find a suitable building for their use.

Fire Chief Al Brunner told about the high pressure truck recently purchased. He explained that this truck, by breaking down the water pressure into a fog or mist, will give the firemen the same amount of protection with 600 gallons of water as they now have with the tanker truck which holds 1200 gallons, thus it can be used in country runs to continue protection, while the tanker is being refilled. This alone may mean a home saved, even though the outbuildings were lost. Also it will enable the firemen to enter a smoke filled room, to save a person trapped by fire or overcome by smoke, by using the fog device.

SEVERAL ON the village council have donated their yearly salary to the department, including the clerk, Mrs. Howe, even though, it represents a large

per cent of her yearly income. She says she appreciates the hard work the firemen have done to build up the high standards of the department and feels it is a privilege to help.

The department has used their limited funds to buy this equipment and are still \$1,050 short of their full payment. The MRIA voted to give them \$100 and also went on record as wishing to have the truck dedicated to the memory of John (Dad) Howe, who was fire chief for many years and helped to get the department started. Chief Brunner said that a fund drive would be started Aug. 26 with house to house calls for donations or pledges.

Miss Marie Roberts spent the weekend in Toledo, Ohio, at the home of her cousin, Mrs. May Warrington. While there they attended the wedding of another cousin, in Temperance. Mrs. Warrington returned home with Miss Roberts for a visit.

Mr. and Mrs. Robert Miller Sr. and Mr. and Mrs. Tony Welber attended the square dance, held at Roscommon Saturday afternoon and evening. They also called on Mr. and Mrs. Leo Yircso of Houghton Lake. They spent the weekend at Houghton Lake also.

No. 6 in a series on Complexion Care especially written for teenagers. Special skin care and make-up scoops.

Date Make-up

Eye make-up—"To be or not to be"?

Teenage use of eye make-up can sometimes be a touchy subject since the case of "for" or "against" is always based on the girl herself. If Mother protests, it's possible she DOES "know best" because the use of eye make-up depends on Miss Teen's age, her school year and where she lives.

The clever teenager—old enough for eye make-up—welcomes the advice of experts... appreciates the assistance of a trained Du Barry Consultant who will help her select her eye make-up from the variety of easily-applied products she finds in—

Du Barry's Eye Fashion Collection

EYE SHADOW STICK: A smooth creamy stick in a beautiful range of neutral shades of brilliant colors made to be lightly stroked with fingertip on upper lid, out towards temples. (See, too, the new Glissando Eye Color Stick where separate colors mix in one twirled stick!)

EYE COLOUR CAKE: The easiest way to draw an eye line or apply non-smearing eye shadow. Comparable to a paint box of water colors, Eye Colour Cake is applied with a brush moistened with water... and YOU control the density of color (even mix one with another!) depending on how much water you use.

EYEBROW PENCIL: A slim, never-needs-to-be-sharpened pencil to use as eyeliner or to color brows with light, short feathery strokes.

BRUSH-ON BROW LINER: A wonderful new way to color your brows! Natural-looking color brushes on and clings to brows all day.

MASCARA: Two superior formulations—a Cake Mascara and a liquid, creamy Brush-on. Both are water-proof and won't run or burn... (even during a "good cry" at the movies!).

EYES RIGHT... for you!

EYELINER: The right teenage eyeliner is never obvious, but best if lightly applied as a thin, "hairline" directly above lashes. Always apply while looking down in mirror placed on flat surface as it's easier to draw an even line on lowered lids.

MASCARA: Moderation is the key word when applying mascara... the light touch is the right touch—leaving the

heavily beaded fringe to movie stars of the '20's! To make lashes seem fuller, dust them lightly with face powder before applying mascara.

COLORING BROWS: With short light strokes use either an Eye Pencil or Brush-On Brow to darken brows. But remember, your main objective is to look prettier... a sharp, dark line defeats the purpose... makes a "sweet young thing" look harsh, garish.

EYE MAKE-UP DO'S AND DON'TS

DON'T

EVER wear eye shadow to school!

Extend eyeliner beyond the contour of the eye.

Wear eye shadow in brilliant tones during the day (even at the most elegant wedding!).

DO

Choose evening eye shadow in soft flattering shades to complement or match your dress.

Choose eyeliner in gray or brown, rather than black, unless lashes are naturally thick and dark.

Try a light dusting of Pearl, Silver or Gold Glacé over another shade or wear any of the glittering Glacés alone.

The beautiful new St. Cyril's Catholic Church at Bannister will be the scene Sunday of part of the activities at the 50-year jubilee of the Jednota (First Catholic Slovak Union) Branch No. 721. High Mass will be sung at 10 a.m.

50-year jubilee of Bannister Jednota scheduled Sunday

BANNISTER — The 50-year jubilee of the Jednota (First Catholic Slovak Union) Branch No. 721 of Bannister will be held this Sunday at the Slovak Hall and St. Cyril's Catholic Church in Bannister.

At the turn of the century many Slovaks migrated to the Clinton-Gratiot area, and in 1916 a branch of the Jednota, a fraternal insurance organization, was formulated to fill the social and insurance needs of the time.

DOWN THROUGH the years St. Cyril's Catholic Church was the focal point for the Slovaks in the vicinity. After World War

II a spacious Slovak Hall was erected in Bannister for meetings and social gatherings. The beautiful new St. Cyril's Church and paved parking lot were only recently completed.

Sunday's jubilee program will begin at 9:30 a.m. with an assembly at Slovak Hall and march to the church. High Mass will be at 10 a.m., and afterwards a photograph of the assemblage will be taken.

At noon refreshments and a banquet dinner will be served at Slovak Hall. The invocation will be by the Rev Fr C. D. Smolinski, pastor of St. Cyril's.

At 2 p.m. Emil Remenar, president of Branch No. 721, will open the program with introduction of the toastmasters, and American and Slovak hymns will be sung by the assemblage.

THE REV JOSEPH Adamcsek of Saginaw, born and raised in Bannister, will give the welcome. Greetings will be given by Joseph Rimarcik of Detroit, Jednota vice president for Michigan; Rev John Daniels of St. Joseph's Church in Owosso; Judge Leo Corkin of St. Johns, circuit judge for Clinton and Gratiot counties; William (Pat) Lusk, president of Clinton National Bank and Trust Co.; Stan Loznak of Clinton National's Elsie branch; Judge Peter Marutich of Owosso, president of Judnota Central Michigan district; and Dr. Earl Slag of Elsie.

Guest speaker will be John Sabol, president of Jednota, First Catholic Slovak Union.

Guests and representatives of area branches will be introduced, and Steve Fabus, secretary of Branch 721, will deliver words of appreciation. The program will close with "Kto za pravdu Hor!" by the audience.

Toastmasters for the program will be Joseph Palus and Rev Joseph Adamcsek.

THE CELEBRATION is in recognition of the events that took place back at the turn of the century. With the migration of many Slovaks to the fertile sugar-beet area, they made their livelihood at working in the beet fields. Gradually many were able to acquire farms of their own on which to raise their families.

Three pioneers, John Fatura, Stefan Patoprsty, and John Galecka were original organizers of the Jednota Branch No. 721. A meeting was called Aug. 24, 1916, at the home of Peter Lavro, 1 1/2 miles east of Bannister. Attending were Method Sefcovic, John Fatura, Stefan Patoprsty, John Galecka, Martin Galecka, Joseph Mitros, Joseph Vandruska, Peter Lavro, Joseph Bock and John Vitak.

THE FOLLOWING officers were elected: John Fatura, president; Stefan Patoprsty, vice president; Joseph Bock, recording secretary; Method Sefcovic, financial secretary; and Joseph Mitros, treasurer.

The original membership was 10, the exact number needed to organize a branch. It was given the name St. Cyril and Method Branch No. 721. Meetings of the branch were held monthly at various homes in the early days, at which insurance premium dues were collected. After World War II, the Slovak Hall was erected.

Presently in both the senior and junior branches there are 328 members. Present officers are: Emil Remenar, president; John Jelinek, vice president; Joseph Palus, scribe; Steve Fabus, secretary; John Kusnier, treasurer; A. Minarik, auditor; and George Blahut, sentinel.

Clemens Sept. 7-17; Detroit Antique Show at Detroit Sept. 8-11; and Plymouth Fall Festival at Plymouth Sept. 8-11.

Home builders are reminded that hallways, closets and bookshelves can be used to help insulate bedrooms from noisy living areas, say MSU home economists.

Mrs. Nowell brought the dishes and family keepsakes from South Wales with her. Many of their pieces have been in the family for a number of years. She has, in addition, to some English bone china some miniature tea sets.

A bit of S. Wales in county

When she came to America she brought 14 trunks filled with newspapers, magazines and family keepsakes.

Mrs. Leslie Nowell feels bringing her English wool blankets was her big mistake.

Mr. and Mrs. Nowell came to the United States with her daughter and her family, the Denzil Hancock of St. Johns in June of 1964.

THEY CAME from Tonyrefail, South Wales, aboard the Queen Mary.

After coming to the United States she returned to South Wales for a few months. She came back in February of 1965.

By April of 1965 she began working at the Clinton County Infirmary as the cook.

She couldn't remain idle as she had always been involved in some sort of business. While in South Wales, she had been in the grocery and garage business.

ALTHOUGH WORKING at the county infirmary was a different type of work for her it was not her first experience with older people. Before coming to America, she had worked with many senior citizens clubs and while in the garage business she ran a bus to take them to churches in the area every Sunday.

Mrs. Nowell (Nell) became the matron of the infirmary June 2, 1965.

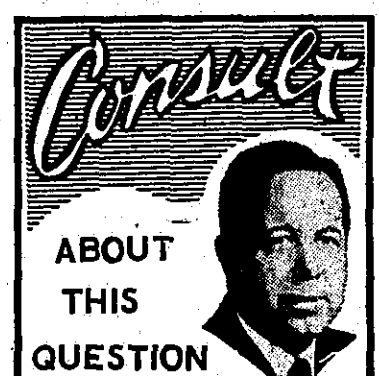

There are 20 men and four women residents at the infirmary at the present time.

MR. AND Mrs. Nowell both work at the infirmary, she as matron and he as superintendent, and live there.

The Nowells have three children, two daughters, Marian, who lives in High Wycombe, England and June of St. Johns and a son, Robert, stationed with the Marines in San Diego, Calif.

When asked if it was difficult to adjust to the daily routine of the infirmary she said, "No, I have had a good life and done the things I wanted to do."

"I traveled a lot," she said. One of her trunks filled with leaflets and guidebooks of many areas proves the truth of that statement.

ABOUT THIS QUESTION

"Home Sweet Home" never meant more to us than now, after living in a hotel for three months while the burned-out interior of our home is rebuilt. Would a Homeowners Policy pay all the 'additional living expense' under these circumstances?"

Come September, there's a change in the air; not only a change in the weather, but a shift from the easy going summer to a brisk, busy fall schedule. It's back to school and back to work.

September is a time for more hearty meals and perhaps a more careful spending of those food dollars. Here then is the list of plentiful foods — the September forecast.

Grapes, potatoes, Bartlett pears, turkeys, peanuts and peanut products will be plentiful in September, according to forecasts issued by U.S. Department of Agriculture marketing experts. Usually prices are favorable when foods are plentiful, thus it's wise to compare prices and plan purchases accordingly.

GRAPE — The California grape crop is forecast at 3.5 million tons for 1966. This is 12 per cent less than last year's record crop but 16 per cent larger than average. Inventories of wine and raisins are high and thus in September plenty of table grapes are expected. Tokay and Thompson seedless grapes will be the principal varieties available.

POTATOES — The indicated late summer production is 5 per cent above last year and 8 per cent above average. Early sum-

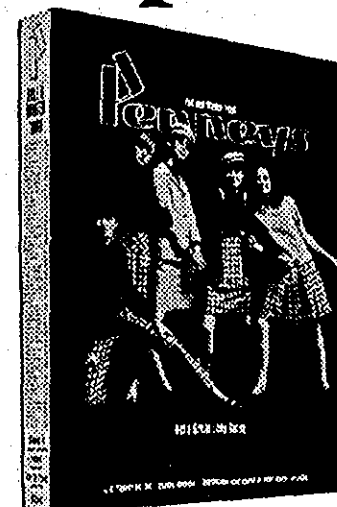

mer potato production was 21 per cent above last year and part of these potatoes are expected to be carried into late summer which increases supplies available in September.

BARTLETT PEARS — Production in the three Pacific Coast states is forecast at 537,500 tons which is slightly above earlier forecasts. This promises to be the largest crop on record. California's production is more than double last year's crop and is 26 per cent above average. Washington state expects the largest crop since 1955 and this is 26 per cent above average. Oregon is expecting a smaller crop than last year but the indicated production is 27 per cent above average. Supplies should be plentiful for cannery and fresh market outlets.

TURKEYS — More turkeys are being raised and slaughtered in 1966. For example, in the four weeks ending June 26, 38 per cent more turkeys were slaughtered under Federal inspection than in the same period a year ago. September, 1966, marketings are expected to be about 6 per cent above a year ago.

PEANUTS AND PEANUT PRODUCTS — Last year's production of peanuts broke all records. Plantings this year were only 1 per cent below this year. Good to excellent crop conditions are reported in all areas. Marketing experts say you can count on plenty of peanut butter for sandwiches in September, the "Back to School Month" and also peanuts for high energy, high protein snacks for children and adults.

New bus routes for schools here

School bus routes in the St. Johns School District are undergoing a major revamping this year, the result of additional students to transport and a strong "suggestion" from state school officials.

The suggestion was that the routes should be designed so that students were being brought toward the school, rather than away from them. Steve Bakita, the schools' administrative assistant in charge of transportation, explained it this way.

Last year, and previously, buses would head out into the country on a cross country route, picking up students as it went along. Thus many of the students who got on the bus on the early stages of the route were being transported to the far reaches of the district before the bus finally swung back toward the city schools.

THE NEW ROUTES MINIMIZE this problem. "We shoot the buses out into their pickup area on the best roads possible and then dead-end them," Bakita said. For instance, buses covering the southern end of the district will travel down US-27 to a certain point, then begin their pickup of students along a relatively flat corridor east and west, returning to that same point on US-27 before returning to school.

The example is a rather simplified version, but that is the general aim. And it has several advantages. It makes the route time generally faster and shortens the time most students have to be on the bus. On some of the longer routes, Bakita said, the time should be reduced by from 10 to 15 minutes compared to last year.

The new routes also do away with much of the overlapping that took place on the previous schedules. Students who once found two or three buses going by their doors will now have only one. This is a lot less confusing, Bakita said.

AN INCREASE OF JUST under 200 students is being anticipated this year in the number of students to be transported by bus in the district. It has meant an increase in number of drivers, numbers of buses, daily mileage, and the cost of the transportation program.

Last year 21 drivers drove 25 routes and transported 1,443 students. This year 23 drivers will drive 28 routes and will carry an estimated 1,310 students. The average daily mileage will go up from 1,273 last year to an estimated 1,425 this year. The cost of transportation will zoom from \$82,181 last year to \$105,550 estimated for the new school year.

The overall cost increase is attributable to a number of items. For one, school bus drivers have received a substantial increase in pay for their work, and there are two additional drivers this year. Four new buses have been purchased, three of them 60-passenger outfits and the other a 36-passenger bus.

(TWO OF THE BIG BUSES have already been

delivered, but the other 60- and 36-passenger buses have not arrived. Some of the older standby buses will be used in the meantime.)

The revamping of the school district's bus routes has two major facets; one brand new route bringing students into the schools in the city has been set up, and two short routes have been established around the Parker and Rowell schools where some shuffling of students is taking place.

Although the new routes are much simplified, shorter and faster, Bakita pointed out that it was still impossible to provide for in-front-of-the-house pickup for all students. Some—not more than about 2 per cent—will have to walk for distances ranging from 1/16 to about half a mile.

FOCUS ON EDUCATION

"IN ALMOST ALL THE cases, however," Bakita said, "the only students being asked to walk are of high school age. We are picking up most of the elementary students in front of their homes."

The fact that some students have to walk is almost assured by a State Department of Education transportation ruling. The state will not reimburse school districts for "unnecessary deviations from the route." High school students off the main route would be expected to walk up to a mile and elementary students up to half a mile before the state would authorize reimbursement for mileage off the main routes.

The new bus routes, however, minimize walking, Bakita pointed out.

ROUTES ARE NUMBERED in a clockwise order, beginning west of St. Johns, Bakita said. The major routes into the city schools number 15, with the other 13 consisting of special routes to the rural schools, which are also numbered in a clockwise fashion following the first 15.

Bakita pointed out that parents have a certain responsibility in the transportation of their children at public expense. Among the points of responsibility are:

- 1) To ascertain and insure that their children arrive at the bus stop on time in the morning or afternoon.
- 2) To provide necessary protection of their children when going to and from the bus stops.
- 3) To accept joint responsibility with the school authorities for proper conduct of their children.
- 4) To make reasonable effort to understand and cooperate with those responsible for pupil transportation.

Important notes to all bus riders

1. All buses bringing students in to the city schools will leave the bus garage around 7 a.m. or shortly after. Stevens', Bast's and Heibek's buses will leave shortly after 7:15 a.m.
2. Only ninth graders will ride the bus on Wednesday, Sept. 7. Only public elementary students and 10th, 11th and 12th graders will ride the bus on Thursday. All students, including St. Joseph, will ride on Friday, Sept. 9.
3. Students riding buses to East Essex, Eureka, Parker, Rowell, Krepps and Bengal Center will ride on Wednesday, Sept. 7. They will be delivered home at noon. Thursday will be a full day.
4. In most cases afternoon routes will be run in the same order as the morning run. Those students boarding first in the morning will get off first at night.

Pedestrian award for St. Johns

A pedestrian safety citation for the City of St. Johns was presented to Police Chief Everett Glazier (right) last Tuesday by Robert V. Cullen, safety education consultant for the Automobile Club of Michigan. The city has had no pedestrian fatalities in four years, compared to 2.1 deaths averaged in 692 cities in St. Johns' size class. Injuries in the city figured out to 33 per 100,000 population, compared to the average of 48 per 100,000.

Shepardville

By LUCILLE SPENCER, Correspondent

Mr and Mrs Phao Bennett and daughter and Mrs Margaret Gladwell of Elkton were recent visitors of Mr and Mrs Clarence Mitchell.

Clarence Mitchell has been laid up with a burned foot since July 18. It is getting better and he expects to return to work soon.

Sunday callers of Mrs Charles Olson, Sr., were Mr and Mrs Ed Schultz of St. Johns, Audrene and Sheryl Stringham of rural Ovid, Mr and Mrs Lawrence Olson of the Colony and Mrs Warren Gutshall of S. Shepardville Road.

Robert Long of Lake Mills, Wis., spent Sunday and Monday with his grandmother, Mrs Charles Olson, Sr. He also visited with the junior Charles Olson's.

There was a very good attendance at church Sunday. Mr Wittenbach's sermon was entitled "The Church at Prayer." He covered the subject well. Rev Huh-tala could not have selected a better substitute. The Scripture reading was from Matt. 21: 18-22 and Eph. 6: 10-20.

Thursday, Sept. 1, is Mrs Gertrude Aldrich's birthday. Congratulations, Mrs Aldrich, on your birthday and for your many years of active service and member-

ship in the Shepardsville Methodist Church.

Committee chairman are urged to have something ready for the Visitation Booklet. These are to be ready for the meeting Sept. 6.

Mr and Mrs Robert Southworth and son of Houston, Texas, visited Mr and Mrs Ralph Baker Tuesday and Wednesday.

Mrs Pauline Schultz of Lansing was a dinner guest Sunday of Mr and Mrs Leo Bensinger.

Lisa Bensinger of Owosso spent Saturday evening with her grandparents, Mr and Mrs Leo Bensinger.

Mr and Mrs Ray Baxter and family of Detroit, were visitors of Mrs Oral Elliott from Friday through Sunday.

Harold Cramer and family/the Baxter's and Miss Annette Hill were supper guests of Mrs Oral Elliott Saturday evening.

Mr and Mrs Orrin Goodrich called on his father, Egbert Goodrich, Sunday evening. Mr Goodrich is not very well at this writing.

Blocks have been laid for the wall of the new educational unit at the Shepardsville Church.

Mr and Mrs John Spencer were in Lansing Saturday to attend the funeral of Mrs Minnie Cox. She was the mother-in-law of Mrs Guy Cox, daughter of Mr Spencer.

Dr. and Mrs John R. Bartlett have returned to their home in Rochester, N. Y.

A week ago Monday Fred Wilson, son of Mr and Mrs Charles Wilson, and Richard Acre, son of Mr and Mrs Lyle Acre, mistakenly took a dynamite cap for something they could melt and use in the making of model cars.

The cap exploded and injured both boys. Fred received several scratches and bruises and Richard received in addition to cuts and bruises, a seriously injured eye. Richard was confined to Sparrow Hospital in Lansing for several days. He returned home Sunday afternoon and is doing quite well.

Mr and Mrs Max Walasek had as visitors last Wednesday Joe Wawrzynski of Detroit and Steve Bartawick of Cleveland.

Mr and Mrs Max Walasek and Agnes were in Lansing Sunday to celebrate their granddaughter, Amy Walasek's, birthday.

Mrs Ira Birmingham was a Sunday dinner guest of the Cyril Smith's in St. Johns.

Mrs Steve Komlives returned Saturday from Detroit. Her son, Bill Muller, brought her back.

Surprise guests of the Steve Komlives were John Kolliver and his brother-in-law of Detroit.

Driver bruised in spectacular State-Oakland crash

The driver of this squashed car, Fred W. Pasch, 63, of Wacousta Road, R-1, Fowler, escaped with only bruises after this pickle truck hit it in the rear Friday morning and sent both vehicles into a yard. The accident occurred at the intersection of State and Oakland Streets in St. Johns. Both vehicles were driving east on State; the truck driver, Timothy R. Walker, 20, of Grand Rapids, was ticketed for being unable to stop in assured clear distance ahead. Pasch was stopped signaling for a left turn onto North Oakland. A City of St. Johns truck, driven west on State by Joseph C. Mueller, 49, of 302 E. Railroad Street, was damaged slightly in the left rear side when the Pasch car was shoved across State.

A Message—

TO THE VOTERS OF THE 88th LEGISLATIVE DISTRICT OF MICHIGAN

A message to the voters of the 88th Legislative District of Michigan.

I am a candidate for no office of any kind in any way, shape or manner.

I am writing and paying for these ads myself, because of my deep interest in governmental affairs, from the lowest to highest level, in this land of ours.

I submit to you, citizens of this legislative district, if we are not in a critical condition today, a situation so serious that David Lawrence in U. S. News & World Report labels editorial "The Era Of Anarchy."

So it is about time for you and I to start a screening of candidates offering themselves for an office so important as that of State Representative, qualifications presented, etc., regardless of party affiliations.

I am speaking from a position of what one would think should carry a little prestige, as I functioned that capacity, in 57th Michigan Legislature, compiling a record of which I invite the closest scrutiny, by any who care to search. I have 3 volumes of "House Journals," 1933-34, here in my home.

I am not one who has much admiration for a pretension of "bigness" where "smallness" exists, an exhibition of Statesmanship, amounting to a sham, or phony representation costing Michigan taxpayers an annual salary, approximately one third that of U. S. Secretary of State.

So Mr and Mrs voter, regardless of party affiliations, etc., when you cast your vote in coming November election, search your souls, and see for yourself, if this marvelous statesman who is supposed to speak for you and I, but apparently does not, should not be retired to the hustings, perhaps to write his biography.

Keith Kellogg

Keith Kellogg

Written by Keith Kellogg, an elected member of the 57th Michigan Legislature on the Democratic ticket from Gratiot County, that functioned, and did its best for the citizens of Michigan during one of the most difficult periods in American History.

Political Advertisement written by and paid for by me, in what I believe to be the very best interest of taxpaying citizens of 88th Legislative District, State of Michigan.

STORMOR DOES MORE

"YOU CAN CONVERT YOUR PRESENT GRAIN BINS TO STORMOR DRY-O-MATION"

You can install a Stormor Dry-O-Mation system in your present grain bins. Or, you can continue to use these bins for storage and add a Stormor Dry-O-Mation bin to your set-up.

Either way, Dry-O-Mation combines Channelaire perforated steel drying floors, powerful fans and automatically controlled head units with efficient loading and unloading equipment to make a labor-saving trouble-free unit. Lots of capacity, too. A single 36-foot Stormor Dry-O-Mation bin, used as a batch dryer, will handle up to 5,000 bushels a day. Come in. Let's talk it over.

CHURCH NEWS

Next Sunday will be the last Sunday of the Union Services with Greenbush Methodist and the Lowe churches for this summer.

Rev. Wittenbach will be at Pastor's school at Adrian this week until Thursday, Saturday, Sept. 3, he and Mrs Wittenbach will leave for a vacation. Lawrence Wittenbach will conduct the services Sunday in his father's absence.

Beginning Sunday, Sept. 11, all the churches on this charge will be back on their regular schedules.

Sept. 11 will be regular official board meeting at Greenbush.

Mr and Mrs Peter Daniels and family, and Mr and Mrs James Miller of Detroit and Miss Mary Witt of St. Johns enjoyed a picnic dinner Sunday at the home of Mr and Mrs Earl Whitlock and Mr and Mrs Stanley Whitlock.

Mrs Mary Lou Witt and son, Randy, George Hubbard and Mr and Mrs Keith Miller and family spent Sunday at Greenfield Village.

Mrs Claude Bowen entered Clinton Memorial Hospital Saturday afternoon.

Mrs Maurice Blank visited her aunt, Mrs Minnie Smith, in St. Johns one day last week.

Mr and Mrs John Meehling

and granddaughter, Ricki of Montrose and Paul Brewbaker of Eureka had Sunday dinner with Mrs George Hubbard. The Meehlings also visited her father, Bert Hubbard, who became a patient at the Ingham Medical Hospital in Lansing.

Melvin Smith returned home from the Carson City Hospital Wednesday. He underwent surgery while there.

Mrs Mabel Wilcox of Lansing called on her uncle and aunt, Mr and Mrs Jay Gillson Wednesday. She also called on Nora and Hazel Beebe.

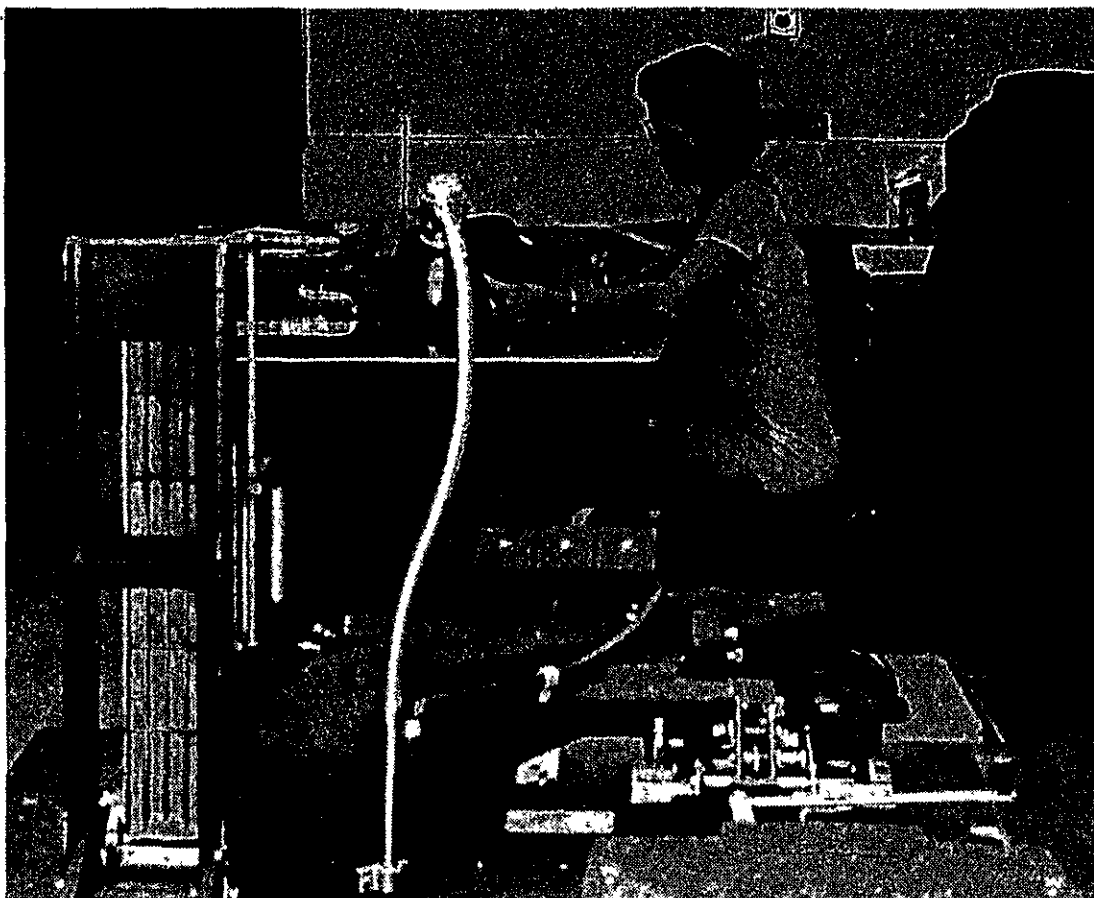

Callers at the home of Mr and Mrs Orrin Blank Monday were Mr and Mrs Burl Sherman of Miami, Fla., and Rev and Mrs Harry Kellogg and daughter, Merlyn of Ann Arbor, Wednesday.

Thursday Mr and Mrs Ephner Bishop accompanied Mr and Mrs Charles Plowman of St. Johns to Middleton where they enjoyed dinner together at the restaurant there.

Mr and Mrs Ward Wakefield and family and Mrs Ernest Wakefield and daughter called on Mr and Mrs Jack Rydmans and family at Coleman Monday night.

Mrs Rose Stevens and Herbert Stevens visited Hiram Stevens at Ingham Medical Hospital in Lansing Sunday. They report Hiram to be gaining nicely.

Mr and Mrs Ed Maynard and his mother, Mrs Maynard, came Friday night to spend the weekend with Mr and Mrs Rhinard Schulz. Saturday they all spent the day at Hartwick Pines.

County addressograph department in hallway

The addressograph department at the Clinton County Courthouse has been "displaced" by the current building program. It has been located in the northeast corner room on the basement level of the old building, but that's where the new east wing will connect. On Aug. 19 the office addressograph equipment and files were moved out into the "yellow room" hallway between the old building and the new west wing. Mrs. Gerry Smith of 609 N. Morton Street, the new addressograph clerk of two weeks, will probably soon get used to the traffic pattern through her "office."

Half-day session Sept. 7 starts Fowler school year

FOWLER — Fowler Public Schools will open the 1966-67 academic year with a half-day session on Wednesday, Sept. 7. Full-day sessions will start Sept. 8. Teachers will convene for pre-school planning on Tuesday, Sept. 6.

Buses will operate on the same routes and time schedules as last year. Any needed adjustments will be made at the end of the week. The buses will pick the students up Wednesday morning and return them to their homes at noon.

MEALS WILL BE served at noon beginning Thursday. Meal tokens purchased on a weekly basis will cost 35 cents each; those purchased individually will cost 40 cents.

Classes for kindergarten children will not start until Thursday Sept. 8. All kindergarten children living south of M-21 in both town and country will attend school in the forenoon; those living north of M-21 in both town and country will attend in the afternoon. Mrs. Marcella Edinger will be the teacher.

The Fowler Public School fac-

ulty this year included:

GARY CLINE, mathematics; Mrs Elaine Covert, English, speech; Mrs Anne Daman, home-making; H. Blaine Douglas, social studies, business training and coach; Gene Hokans, shop; Mrs Sally Hubbard, English; Mrs Helen Hungerford, library and communications; William Nelson, music; Mrs Ann Pung, social studies; Miss Ruth Smith, commercial; Mrs Mary Ann Thelen, Spanish; Walter Thurow, science and math; Charles Trierweller, biology, math, physical education and coach; Mrs Barbara Truett, commercial, physical education and art; Larry Daley, counselor in the public and parochial schools; Miss Sue Kistler, speech correctionist in the public and parochial schools; Mrs Evelyn Weiland, remedial reading in the public and parochial schools; and Mrs Nina Waldron, coordinator. North Bengal

By Mrs Wm. Ernst

Early Wednesday morning, Aug. 24, Otto S. Thelen passed away at Clinton Memorial Hospital. He had suffered a stroke the previous Thursday. Funeral services were held Saturday morning from Holy Trinity Church at Fowler with burial in the church cemetery. He was a life-long resident of this neighborhood and sympathy is extended to his survivors.

Roger Tiedt, who is stationed with the Air Force in Louisiana, is spending a leave with his parents and brother, Mr and Mrs Rudolph Tiedt and Philip.

Saturday evening dinner guests of Mr and Mrs William Ernst and Maxine were Mr and Mrs William S. Ernst and family of Battle Creek, Mrs Edith Fagge and Mrs Vera Urshel and daughter, Susan of Greensboro, N.C. Mrs Fagge is Mrs Ernst Jr's mother.

Mr and Mrs Harold Martin and Mr and Mrs Oscar Recker of Beal City were visitors Thurs-

day of Mr and Mrs Edmund Falk. Cars driven by Paul Graff Sr. of Lebanon and Mrs Leon Armbrustmacher and daughter, Debra, were destroyed when they collided at the corner of Wacousta and Walker Roads Monday afternoon. The accident victims were taken to Clinton Memorial Hospital where Debra was released. Graff and Mrs Armbrustmacher were both hospitalized until the end of the week. They suffered cuts and bruises.

Mr and Mrs Fred Sehlke of Fowler and Mr and Mrs William Ernst and Maxine spent Tuesday evening with Mr and Mrs Fred W. Pasch.

Callers during the past week at the Edmund Falk home were Mrs Alfred Rowell of rural Muliken and Mr and Mrs Walter Falk of Lansing.

Mr and Mrs William Ernst and Maxine were at Crystal Lake Sunday afternoon and they also visited Mr and Mrs Herman Noller of rural Hubbardston.

Mr and Mrs Fred Hecht and son, Jim, accompanied Miss Ethel Hecht and Harold Hecht of rural Ionia to Davison Saturday evening where they attended

the Halstead-Glynn wedding and reception.

Mr and Mrs William Ernst and Maxine were Friday evening visitors of Edward Pasch of St. Johns.

Mr and Mrs Robert Eldridge and sons spent the weekend at Higgins Lake.

Fred W. Pasch suffered back injuries Friday morning when his auto was struck in the rear by a pickup truck in St. Johns.

Miss Beatrice Sturges of Detroit spent last week with her mother, Mrs Edna Watamaker.

Miss Maxine Ernst returned home last Monday afternoon after spending a few days vacation in Pennsylvania and New Jersey. She accompanied Mrs J. D. Bancroft to Oceanport, N. J., where Mrs Bancroft will reside with her husband, who is in the service and is stationed at near-by Ft. Monmouth.

Mr and Mrs Floyd Foerch and daughter Sandra and John Foerch visited Mr and Mrs Beryl Foerch of Ovid Sunday afternoon.

The world does owe you a living, but by the time you collect you'll be an old man.

NEW Magic Formula Purina Nursing Chow

higher in energy... more digestible... starts calves faster!

New, Magic Formula Purina Nursing Chow contains all the vitamins, minerals, proteins, fats, and carbohydrates calves need to grow up in a hurry. And, extra energy in new Nursing Chow now helps them get off to an even faster start.

Frisky, bright-eyed youngsters fed new Nursing Chow at the Purina Dairy Research Center weigh 6 lbs. more at 30 days than those fed other ways.

These calves are more bloomy and vigorous because they have fewer digestive upsets and can make better use of available proteins in this new milk replacer. What's more—a powerful antibiotic in Nursing Chow helps fight scours and prevent setbacks.

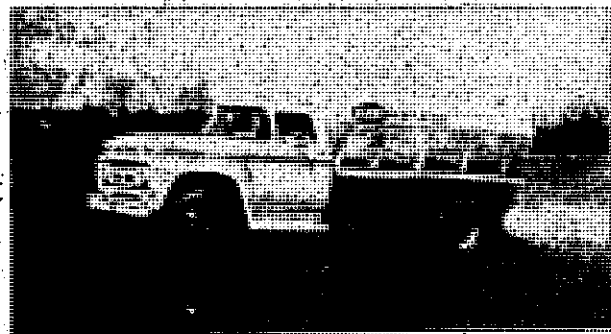

You'll like the way it mixes in seconds, won't settle out and flows through nipple pails and automatics without clogging. One bag is all you need to replace more than 225 lbs. of milk... and give your calves a fast start. Good reason to ask us for enough to raise your next bunch of calves the new Nursing Chow way.

Bunker vs tower silo

Bunker silos are a more economical investment than tower silos.

Or are they?
C. R. (Ray) Hoglund, Michigan State University agricultural economist, points that investments per ton of storage capacity will range from \$5 to \$7 for concrete tilt-up (bunker) silos and just slightly more than double that amount for concrete tower silos. But, in figuring annual costs, it is necessary to take into account differences in storage losses as well as charges for depreciation, repairs, insurance and interest.

"WHEN WE ASSUME a loss in storage of 15 per cent for bunker and 10 per cent for tower silos and a 20-year depreciation period for both silos, annual costs are not greatly different for the two silos when 500 tons of silage are stored.

"But, when 1,000 or more tons of silage are stored," continued Hoglund, "the annual costs per ton become lower for the bunker silo.

"Only when the concrete tower silo is filled with haylage for summer feeding and corn silage for winter feeding do costs stay competitive for the bunker silo with one filling of corn silage."

Tree Farm System 25 years old

This year marks the 25th anniversary of the most comprehensive and constructive tree-growing program ever undertaken in any country—the American Tree Farm System.

"The first land selected to express the potential of the forest industries concept of 'trees as a crop' was in Montesano, Wash. Much of the 120,000 acres in this first Tree Farm was in poor condition because of inadequate management, and the ravages of insects, pests, and diseases.

Today, this same land is replanted and under constant forest management to provide repeated crops of timber and pulpwood for papermaking. And, even more encouraging, in the last 25 years, more than 29,000 certified tree farms—totaling over 67 million acres of forest lands—have been established.

Now the American Tree Farm System extends to each of the 48 contiguous states, and is recognized as playing a key role in providing the nation with more than 5,000 different products from the woodlands of America.

Urea-treated corn silage in high favor

Nearly 20 per cent of the dairy cows in Lapeer County this fall will get a major portion of their protein through urea-treated corn silage.

This is the belief of Leo W. Dorr, Extension agricultural agent in Lapeer County, and Don Hillman, Michigan State University dairy Extension specialist. These two, along with E. J. Benne, MSU experiment station chemist, carried out a program in 1964 in which 12 dairy herds fed urea-treated corn silage were studied.

CAREFUL RECORD keeping showed that these farmers reduced cash outlay an average of \$18 a cow or \$1,335 a farm herd by adding urea to ensilage at the time it was put in the silo. This amounts to a saving of \$727 per farm or \$9.56 per cow when the cost of farm grown grains fed to replace supplements is deducted from cash outlay. The farms averaged 76 cows per farm in this study.

All cooperators lowered the protein supplement purchases for their grain rations. Savings in cash outlay amounted to more than \$16,200 for the 12 farmers. The highest savings was \$3,000 for a 160-cow herd, and the lowest \$400 for a 32-cow herd. One farmer with a 60-cow herd saved \$2,250. The urea, added to

the corn silage, was all the protein he fed his herd during the year.

Most farmers lowered the protein content of their grain ration by four percentage points because of the use of urea.

HILLMAN FINDS more Michigan farmers are following the practice of spreading urea over the tops of loads on self-unloading wagons or feeding in small amounts of urea in the blower intake as silage is put in the silo. Ten pounds of urea per ton of silage is the amount recommended.

The urea treated silage was used in cement staves, bunker and gas tight silos. Some 700 to 800 Michigan dairy herds were fed urea-corn silage in 1965-66, Hillman estimates.

Buy seed wheat early, crop scientist warns

Michigan farmers who plan to seed wheat this fall should contract now for their certified seed wheat. This warning came from Leyton Nelson, Michigan State University Extension crop scientist.

Farmers who save their own crop for seed may find much more rye and other foreign seeds. For some reason, these were more plentiful than usual in this year's crop, Nelson warned.

"Certified seed costs little more, but it is a guarantee of quality grain elevators want," Nelson explained.

2 of 5 farmers earn \$5000 off farm

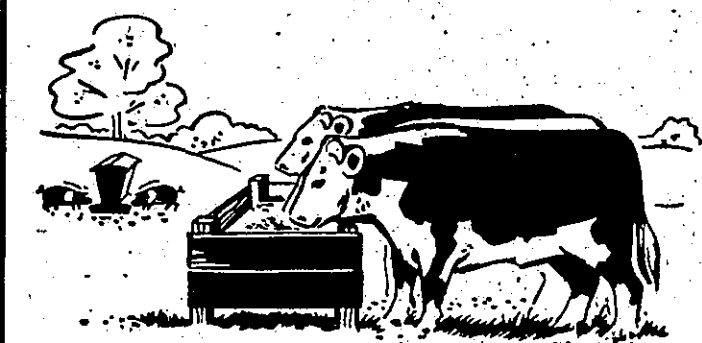

Two out of every five Michigan farmers earned more than \$5,000 off the farm, according to the most recent (1964) census reports.

In fact, the average farm family had a nonfarm income of \$4,229. Yet, these same families averaged only \$1,231 in net farm income.

Michigan State University agricultural economists point out that 44 per cent of all Michigan farmers—4,384—work off the farm 100 days or more.

ASC PROGRAM

Measurement service available on wheat acreage

W. M. SMITH
County ASC Manager

We are in the process of computing feed grain and wheat program payments. About one-half of the checks have been mailed. Some producers have failed to mail in their social security number; payments of \$600 or more cannot be processed without it.

A few producers have asked us to hold their payments until after the first of next year. Internal Revenue has determined the payments must be reported in the year earned and not the year payment is received; therefore, for income tax purposes it does not postpone reporting the payments earned.

THERE WILL BE no diversion payments made for the 1967 crop wheat under the 1967 wheat program. Certificate payments will be earned if wheat is planted. At this time we think a producer will have to plant at least 40 per cent of his allotment to earn total certificate payment.

Measurement service is available to any producer who wishes to have his wheat acreage measured. The cost is \$5 plus 10 cents per acre measured. Any producer interested in this service should contact us immediately because our personnel to measure is very limited.

NEW FORMS TO notify producers of their increased wheat allotment have not arrived. Producers can multiply the wheat allotment received in July by 115 per cent; this will give them their revised allotment.

Price support is available for beans. The current market price for pea beans is \$6.50 per cwt. The support price is \$6.90 per cwt. for choice hand-picked beans if stored in an approved warehouse. Storage and handling charges must be paid thru April 30, 1967. Pea beans stored on the farm are eligible for an advance of \$5.65 per cwt. All bean producers are eligible for price support. The maturity date of loans on price support guarantee is April 30, 1967.

AUG. 18 WE HAD 8,400 bushels of corn offered for sale from our Elsie binsite. No corn was sold, as all bids were too low to be accepted. The market price of corn that week advanced about 5 cents per bushel and a number of the bidders were not aware of the increase in the corn market.

Urges improvement of state's port facilities

The value of the St. Lawrence Seaway and the need for Michigan to improve its port facilities were highlights of a talk by Joe Kurka Jr. recently at the old school house at Colony and Shepardville roads. Kurka is Democratic candidate for 30th District state senator.

Kurka also said there was a need to equalize Michigan railway carload rates which presently favor Eastern shoreline and Gulf ports. The present railway carload rate on wheat from Grand Rapids to Detroit is 34 cents per center weight, Kurka said. The distance is 153 miles. The present rate from Grand Rapids to Baltimore, Md., a distance of 713 miles, is only 35 1/2 cents.

Kurka's talk to the group generally concerned agriculture and its production, sales and transportation.

County youth ties for top honors in 4-H driver skills

The coveted first place award for good driving was shared Wednesday by a Clinton County and an Ingham County youth who tied in the annual driver skills competition sponsored jointly by the Michigan State University Agricultural Engineering Department, 4-H Clubs, and The Firestone Tire and Rubber Co.

Walking off with top honors were Miss Jerol Robinson, 17, of Holt, and Gordon Thelen, 17, of R-2, St. Johns.

Second and third place honors went to Mike Jones, 17, of Carlton and Lewis Lawrence, 16, of Holly, respectively.

THE FOUR WINNERS were chosen on the basis of their performance on a series of four tests. All participants took both a written and an oral examination on the knowledge of driving procedures, a road test in East Lansing, Lansing area under the supervision of the Michigan State Police, and a driving skills test which showed their ability to maneuver an automobile.

Both Miss Robinson and Thelen appeared confident as they put their cars through the tough paces on the driver skills course. The winners also received compliments from Sgt. Zane Gray, safety and traffic officer of the Michigan State Police who scored them on a tricky road test which proved their driving ability on the highways.

PRESENTING AWARDS to contest winners was C. R. Miller, director of youth activity programs for the Firestone Tire and Rubber Co. of Akron, Ohio. Firestone helps sponsor similar 4-H driving skill competitions in all 50 states.

Also cooperating in the competition was the Driver Improvement Division of the Michigan secretary of state's office.

Banks major lenders to Michigan farmers

Michigan banks were serving farmers with more credit and other financial services than any institutional group of lenders at the beginning of this year, according to Roman P. Thelen of Fowler, vice president of the Clinton National Bank & Trust Co., who represents the Michigan Bankers Assn. as Clinton County vice president.

Based on the 25th annual farm lending summary of the Agricultural Committee of The American Bankers Assn., Mr. Thelen reported that at the beginning of 1966 Michigan banks were helping farmers with \$247 million in loans, 7 per cent more than a year previous. This total included \$149 million in production loans and \$98 million in farm mortgages.

AT THE SAME time, \$40 million in farm loans was held by life insurance companies; \$143 million by the Federal Land Banks; \$36 million by Production Credit Assn.; and \$14 million in nonreal estate loans; plus \$21 million in real estate loans by the Farmers Home Administration.

About 71 per cent of the production credit extended by lending institutions to Michigan farmers came from banks.

Thelen said that "bankers in Michigan are conscious of the large capital investments required in agriculture today and are making a concerted effort through improved lending programs to meet these changing credit demands of the state's farmers."

THE INCREASED use of credit by farmers, according to Thelen has been accompanied by a substantial gain in the total assets of farm families. Therefore, in the aggregate, the equity position of farmers, contrary to public opinion, is being maintained at a satisfactory level. Nationally, farm families have \$212 billion of their own funds invested in agriculture. This represents 84 per cent of the total capital requirements of farmers.

Thelen stressed the importance of farmers and bankers working closely together to improve farm financial arrangements. He reported that nine out of 10 insured banks throughout the country had agricultural loans outstanding, with nearly 92 per cent of the banks in Michigan extending credit to farm people.

Mrs. Edna Wattamaker and Dr. Norma Elleson of Maple Rapids visited Mrs. Cora Parr at the Carson City Hospital last Tuesday evening.

More strength where strength counts—in the roof truss

Moriarty isn't satisfied to sell you a farm building with ordinary roof trusses-in it. Not when we can give you something better. So about a year ago, we introduced our Hydro-Air Roof Truss—to give you a stronger, longer lasting building—and made it a standard feature on every Moriarty Building. You don't pay a nickel extra to get it. Just one more reason (in a long list of reasons) why Moriarty sells more buildings than anybody else in the business. We give more.

Best progress is by give-and-take method

America will take time again Monday to salute its labor force which in its thousands of fields and hundreds of thousands of jobs has done so much for this nation.

We take our hats off and give labor a pat on the back for the strides it has made—for its members through collective bargaining and for the country through its hours of hard work on products and services. In both ways the American standard of living has risen to almost unbelievable heights.

It is a time for celebration and realization of the achievements of labor, collectively and as individuals, on the job

and in leisure. And certainly sharing in the great success story is capitalism—the living, breathing management of business and industry. Without it, the laboring people of America couldn't have made the gains for themselves they have; without capitalism America couldn't have the products and services that are the "bread and butter, meat and potatoes" of our standard of living.

A SALUTE TO AMERICAN LABOR

Progress is a give-and-take thing. Labor and management, too often pictured as squared off against each other across a fence, more often than not work together harmoniously and progressively by the give-and-take method.

More progress is made by slow, deliberate, give-and-take than by fast, impulsive demands. The age-old fable of the tortoise and the hare has meaning in labor-management relations as it does in all aspects of life.

We feel confident that the labor force of America—collectively and individually—sees the need for this type of approach to progress. We salute labor for what it has done and what it will do by this method.

A newsman's prayer for any generation

Former publisher Ink White, in his popular column "Once Over Lightly, once published, the following item—the thoughts of a journalist. Undoubtedly they reflected his thoughts, because they were reflected in his work.

The present management, this week starting its second year at the helm of the Clinton County News, is of the next younger generation, but we are not so young that we don't pray this prayer once in a while, too.

"Lord Thou knowest better than I know myself that I am growing older and will some day be old. Keep me from the fatal habit of thinking I must say something on every subject and on every occasion. Release me from craving to straighten out everybody's affairs. Make me thoughtful but not moody; helpful but not bossy. With my vast store of wisdom, it seems a pity not to use it all, but Thou knowest Lord that I want a few friends at the end.

"I DARE NOT ask for improved memory, but for a growing humility and a lessening cocksureness when my memory seems to clash with the memories of others. Teach me the glorious lesson that occasionally I may be mistaken.

"Keep my mind free from the recital of endless details; give me wings to get to the point. Seal my lips on my aches and pains. They are increasing and love of rehearsing them is becoming sweeter as the years go by. I dare not ask for grace enough to enjoy the tales of others' pains but help me to endure them with patience.

"Keep me reasonably sweet; I do not want to be a Saint—some of them are so hard to live with—but a sour old person is one of the crowning works of the devil. Give me the ability to see good things in unexpected places and talents in unexpected people. Give me the grace to tell them so. Amen."

Political pussy-footing

By W. E. DOBSON

What is this business we're hearing
Of high jinks in high places played?
Where no one dares take any action
Because they are voter afraid?

Do we swear when inducted to office,
We will serve certain times of the moon?
And ask to be spared a decision
Whenever election comes soon?

What happens to our moral courage,
Whenever there's need for a stand?
Why do we so quickly turn coward,
When "big" voters rise to command?

Is never a thought for the public,
Involved in this buck-passing bunk?
Is only one group so important—
All others are rated as junk?

Who are they now representing,
When from cover each whispers, "not me"?
I must never endanger a voter,
Who rules in this land of the free?

Where now are our so fearless leaders,
Who speak for our people today?
Are they too scared to stand and be counted,
Or interested only in the pay?

RAMBLIN' with Rink

By LOWELL G. RINKER

Take my garage for instance. I dare say there are more vehicles parked in that 1 1/2-car garage on an average night than there are on a big city parking ramp.

I think this is a somewhat isolated condition among garage owners, but I feel I should report it as a warning to the neighbors on either side of me who have constructed 1 1/2-car garages this summer.

Our's was already there when we bought our home, and I always figured there would be ample walking and working room in the garage even after the car was parked. Not so, it seems; recently I have had to move the car out on occasions to get work done in the garage.

IT ALL STARTED with our daughter. When we moved she brought with her her tricycle (three wheels) and red wagon (four wheels). Last spring Ann and I each bought an English bicycle which are kept in the garage (add a total of four more wheels). This summer Kathy outgrew her tricycle and we had to get a bicycle (two more wheels) with a set of training wheels attached to the back (add two more). Meanwhile she kept the tricycle.

The most recent addition was another bicycle which my wife owned and rode when she was in high school. Our English bikes were not built so that side baskets could be put on the back to give Kathy rides in, so another regulation-type bike was needed. My wife's old bicycle was rusted and the tires flat, but we brought it here from Walkerville, cleaned and painted it up and it is now in working condition (two more wheels in the garage).

ADDING THE NATIVE four wheels of the car, we have a grand total of 21 wheels parked in the garage on an average

night. This does not include the two wheels and roller on the lawn mower, propped against the wall. I have been considering storing our croquet set out in the garage, but it has two wheels on the bottom of the stand and I think I'd better leave it in the house.

And we mustn't neglect to mention the occasional visiting wheels of neighborhood kids, whose wagons and tricycles we put in the garage when they're left nearby at night.

Our garage is in need of a new paint job, and the paint that is presently peeling off is no doubt the result of high pressure caused by the crowded conditions within the building. Besides all the wheeled vehicles there is the usual assortment of trash cans, a bedspring, window screens and/or storm windows, step ladder, and a 15-foot ladder. There's also a workbench and cabinet in one corner of the garage.

MANEUVERING into or out of our garage is a time-consuming chore. If you attempt to park the car, it is necessary to stop outside first and walk into the garage to get the bike(s) rolled back out of the car area. If you wheel in on a bicycle, as I frequently do, when the car is in place there's hardly room to squeeze in and park among the maze of other vehicles. Getting a bicycle out of the garage under the same conditions is also fun; it's a good thing I'm thin or I could never do it.

When winter fully arrives, maybe somehow we can find a way to cram all the wheels together in one corner and open up the pedestrian area a little. At worst, we may have to rent storage space from the neighbors to make our garage livable again (thus the warning, neighbors!)

A new novel called GILES GOAT-BOY has been getting a great deal of attention in book-reviewing circles the last two weeks. Not since Truman Capote's IN COLD BLOOD came out last winter, has any book or any author been given so much space. Granville Hicks of the Saturday Review says of GILES GOAT-BOY "If this isn't a great success, as at the moment I think, it is a great failure. One way or the other, there is greatness in it." Robert Scholes, writing for the New York Times Book Review section, says of the author: "(John) Barth makes few concessions to the dull or the uneducated—to the plain reader. He demands a fancy reader, in fact." Farther on Mr Scholes says, "Barth is a comic genius of the highest order."

John Barth is a professor of English at the State University of New York in Buffalo. His previous novels were THE SOT-WEED FACTOR, THE FLOATING OPERA, and THE END OF THE ROAD.

IN THIS NEWEST work Mr Barth writes in first person, identifying the main character in the very first sentence: "George is my name; my deeds, have been heard of in Tower Hall, and my childhood has been chronicled in the Journal of Experimental Psychology.—I was, in other words, the Ag-Hill Goat-Boy."

This story of a boy raised in a most unorthodox fashion on a college campus, will undoubtedly prove to be a very controversial book. One reviewer has called it a modern PILGRIM'S PROGRESS. Whatever the reader may call it, he will not soon forget it.

It is now on the rental shelves of Bement Public Library, and anybody who can read its 710 pages in three days will get off scot-free. (There's no charge for Sundays and holidays, either.) After that, the fee is five cents a day.

from the HOPPER

By STEVE HOPKO

I read an article the other day titled "Wildlife Indeed" by Ivan Kesten of the Law Enforcement Division of the Michigan Conservation Department.

Officer Kesten's article was of some of the many things a conservation officer contends with and meets in his duties of patrolling our great outdoors.

MANY OF the incidents were very humorous and I thought some of them were worth passing along.

Officer Kesten told of the time a woman called and swore that a huge snake had crawled through her garden and had eaten one of her prize muskmelons.

"THAT CANNOT BE," he told her, "but I'll come and take a look." At the scene, sure enough, there is a long wriggly track through the melon patch, and as they were walking back towards the house he tried to assure her that there were no melon-eating boa constrictors in Michigan.

Just then a kid on a bike, who didn't see them, rides into the yard, wobbles through the garden and scoops up a melon on his way past.

"THERE MADAM," he told her, "is your melon-eating snake. No need to worry about it any longer." And she actually looked relieved.

In another incident he told of being on a two-man patrol on a lake, going from boat to boat around the lake.

AS THEY WERE approaching a boat they saw a woman, who didn't realize they saw her, plunk an under-sized bass inside the front of her blouse. When they were close enough, they could see the illegal bass flopping around under her blouse.

She sat there squirming, and the officer thought how those fish spines must have hurt. So the officers stayed and talked, and the bass kept flopping. And she kept squirming.

WHEN THE OFFICERS figured she had really learned her lesson, they pushed off,

and as they left he said he looked at her in the eye and told her, "Be sure you don't take any under-sized bass. You really hurt yourself when you take illegal fish, you know."

The lady kept wincing and looked pretty gloomy as she assured them she'd never do a thing like that. Officer Kesten said he bet she never did either.

LATER THAT SAME day as the officers were approaching another boat they could see two stringers trailing in the water from the side of the boat. They were pretty sure that one stringer held the small illegal fish, while the other stringer held the big legal fish.

The officers said the fisherman sat there cool as could be, with an open jack knife laid across one of the stringers. And, as they got closer the fisherman cut the stringer, very sure that they weren't going to dive into twenty feet of water to catch the evidence.

THE FISHERMAN was still cool and smiling as he lifted his remaining stringer to show us all his legal fish. The trouble was, officer Kesten stated, that he had cut the wrong stringer and the look on his face as he hoisted the stringer of illegal fish to our view was worth a day's pay.

Another time, Officer Kesten was called by a very irate housewife. In no uncertain terms she told him that he was responsible for a skunk under her porch and that he was to get rid of it. He said he was younger then and agreed, the skunk had to go.

THE SKUNK WAS down a hole, under the porch. Officer Kesten slithered under the porch with a tear gas shell in a gun. Nothing to it he figured. Shoot down the hole, the kitty comes out and high-tails it off to the woods.

But, something went wrong. The shell backfired and he is caught in a blast of tear gas. In the commotion to get out from under the porch he

MICHIGAN MIRROR

Creed for Michigan Youth could aid teen image

BY ELMER E. WHITE
Michigan Press Assn.

Individual and group efforts by teenagers to improve their image as members of the community are often buried among reports of teen rowdiness.

The Youth Advisory Council, 65 young people brought together by the Michigan Youth Commission, hopes to reverse this unfortunate trend through wide distribution and use of its "Creed for the Youth of Michigan."

Written at the request of Gov. George Romney, the seven-paragraph creed poetically describes the highest of ideals in the various areas of daily life. As Romney noted, it provides "adults as well as a set of guiding principles worthy of study, discussion and action."

TOUCHING ON MORAL obligations, family relations, teen-adult contacts, educational values, government responsibilities, religious tolerance, and equal opportunity, the creed was written by a small committee of the Youth Advisory Council, studied, and rewritten over nearly two years by the entire group. The committee which presented the creed to the Governor emphasized it might need adjustment in future years but is designed to "help the youth of today" and be adaptable to meet the changing needs of tomorrow's youth.

GOOD NEWS FOR the many motorists who balked at paying

\$1 extra when they registered autos this year may come in 1967.

Secretary of State James M. Hare says the uninsured motorist accident claims fund is in good financial condition with the money collected this year. He will recommend the Legislature require contribution to the fund only by the uninsured drivers in the future.

Any change in the law eliminating the \$1 fee to insured drivers would not take effect until the issuance of 1968 license plates.

SOUND RESERVES established in the fund this year are expected to hold up against the number of claims anticipated in the next several years, Hare reports.

The secretary also will recommend a raise in the limit now imposed on each claim. Motorists who fail to carry insurance on their vehicles would still pay the \$35 fee per registration, continuing to bolster the fund until they buy their own insurance and reimbursing the fund if claims are filed against them.

INSURED MOTORISTS poured some \$3,723,017 into the fund at \$1 each while more than 160,000 drivers without insurance contributed over \$5.6 million into it.

Hare estimates there are about 200,000 uninsured drivers in the

state, most of whom will be found by the end of the current registration year.

"We might not catch up to all of the uninsureds, but every day some are apprehended in other infractions and their slight of the \$35 uninsured fee comes to light," he said.

BARRING A COURT decision overturning present law, only three political parties will be on Michigan's ballot in November.

Only the Socialist Labor Party succeeded in its petition drive to gain ballot placement. Under the law petitions must contain the signatures of a minimum of 1 per cent of the votes cast in the proceeding general election for the successful secretary of state candidate.

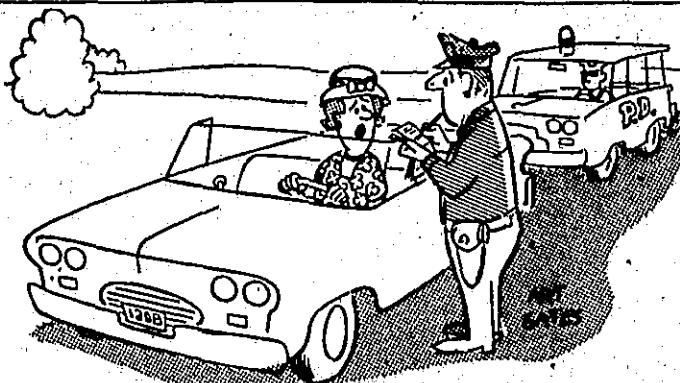

The two major parties, Democrats and Republicans, gain a place on the ballot automatically.

PROHIBITION Party officials instituted a challenge to this law and nominated candidates to be ready in the event of success. This party, formerly a regular on the ballot, also fell short for the 1964 election.

The law regarding minor party qualification has not always kept the ballot short. In 1960 five minor parties qualified to give Michigan voters the widest choice since 1938 when six groups joined Democrats and Republicans on the ballots.

Votes drawn by the minority groups have never been a real threat to the major party candidates, however. In 1960 the five gubernatorial candidates together picked up only 10,302 votes among the more than 3.2 million votes cast in the election.

Michigan's 310,598 traffic accidents in 1965 killed 2,129 persons and injured 155,258, according to final figures for the year compiled by the Michigan State Police.

Thieves free to export your car

Rep. T.R. Kuperman (N.Y.)... "A serious problem which deserves our immediate attention and that of all law enforcement agencies is auto theft."

"According to the U.S. Department of Justice, auto theft is the third most frequently committed felony throughout the Nation, following only burglary and grand larceny. Moreover, I am informed that in measurable financial loss, auto theft is second only to burglary..."

"One of the ways in which thieves are able to disguise the stolen automobile is to grind the serial numbers off the engine while at the same time repainting the car a different color so that it may be disposed of on the open market."

"THE DIFFICULTY with this procedure, however, is that it is time consuming, and time is a precious ingredient to the successful operation of the auto thieves ring. Also, it requires technical resources."

"Therefore, a much faster and therefore safer means is generally employed by the professional auto thieves to dispose of their hot cars. The cars are simply shipped, trucked or driven out of the United States to be sold in a foreign country close to the United States, or in many cases, overseas."

Unfortunately, the Federal Bureau of Investigation has no figures or even estimates as to the number of stolen automobiles which are being exported each year. This is so, notwithstanding the fact that the FBI and Justice Department have been aware of the increasing problem of stolen vehicles being transported in interstate and foreign commerce for the past several years.

"THIS method of disposition of stolen vehicles is made considerably easier for the thieves primarily because, under present law, there is absolutely no requirement that the U.S. customs service make a check to ascertain proof of ownership of any motor vehicle being shipped, flown, trucked, or driven out of the United States, nor is it their policy to do so."

"Accordingly, I have today introduced a bill which would pro-

somewhat plaintive story of life in an art-student colony in Paris. The Mabilion is the name of the cafe where this particular group of students eat lunch and hang out generally. The amazing thing about this book is its author, Caroline Glynn, who is only 17 years old. She comes naturally by her talent, being the great-grand daughter of Eleanor Glynn, famous in the roaring twenties as the author of THREE WEEKS and IT. Young Miss Glynn writes with unusual technical skill, making use of one little trick which is a bit disconcerting at first. She will suddenly jump from the mind of her hero-protagonist into the mind of another character, but only for a sentence or two. The first time she does it one thinks, "Oh-oh! How did that get past the editor?" But she repeats the technique just often enough to prove that she does it deliberately.

Miss Glynn is familiar with the setting of her book, since she herself is an art student in Paris. She wrote her first book DON'T KNOCK THE CORNERS OFF when she was only 15.

COUNTRY FLAVOR

Blue sailor's pleasant color blends with August

HAYDN PEARSON

The chicory's blue blossoms are part of August's color. The tall, gangling plant is not so popular as goldenrod or Black-eyed Susans; but the blue necklaces along the roadsides and pasture lanes add accent to the countryside when summer is wearing on. It is a rugged, everyday sort of flower and thrives in poor soil.

Blue sailor is a fitting folklore name, for this is one of the plants that came across the seas when wooden ships carried eastern ballast. Now the chicory's pale blue matches the eighth month sky across North America, from Canada to the Carolinas and west to Nebraska.

TEAR GAS MIXED with skunk spray is pretty strong stuff. When he finally scrambles out, uniform a mess, tears streaming down his face, there stood the irate housewife, mad as a hatter. "How come I let that skunk spray her porch? What was wrong with me anyway? I will report you to your superiors," she said, as she stormed into the house.

Speaking of the skunk, Officer Kesten said he didn't think it would be the skunks he remembered most, but the growth of the respect, the majority of the people, have for their outdoor heritage. And this is something worth remembering, Kesten said. I agree with him!

Enroll now at special low rates!

Join the 39,000 public school employees who have already taken advantage of this opportunity to enroll in the very best health care program available.

More school employees and school systems are covered by Blue Cross and Blue Shield than by any other hospital and medical protection plan in Michigan.

Enjoy these advantages:

- Special low rates for school employees
- No waiting period for current illness
- Individuals never cancelled due to age or health
- Monthly payroll deductions
- No enrollment fee
- No claims forms to fill out
- Readily recognized Blue Cross-Blue Shield Identification Card
- Coverage for all special dependents under 65
- No physical examination or health statement required

Receive these benefits:

- 365 days of paid-in-full hospital benefits—same benefits for maternity care
- Full payment of costly in-hospital extras (drugs, laboratory services)
- Up to \$450 for surgery — more in special cases
- 365 days of doctor's visits for non-surgical hospital cases
- X-Rays, EKG's, EEG's
- Diagnostic laboratory services
- Services of a consultant and surgical assistant
- Hospital outpatient services
- First aid and emergency care—in the hospital, doctor's office and hospital out-patient department
- Services by participating doctors paid-in-full if your income is under \$7,500

Savings bond citation for service

Irene Speck, who has handled the savings bond program for the Clinton National Bank and Trust Co. since the program's inception May 1, 1941, received a citation Friday for that long service. Delmar V. Cote, state director of the United States Treasury savings bond division for Michigan, made the presentation. The citation was "In appreciation by the Treasury for the fine job she has done in keeping the customers of the bank aware of the advantages of savings bonds." Cote said millions of dollars in savings bonds have been purchased by county residents since 1941.

Road Commission Weekly Report

The Board of Clinton County Road Commissioners will hold their next regular meeting on Tuesday Sept. 6. The board will open bids for the September and October requirements for gasoline. A new subdivision in Bath Township will be presented for final approval. The Commission will meet with Local 794 and their business representative to discuss the general procedures in the labor contract.

A special meeting was held last week to decide on acquisition of a Brine Well. Sun Oil Co. offered to surrender all rights to the Henning No. 1 well, three miles east of St. Johns.

IT HAS BEEN a long standing hope that producing Brine Wells could be located in our county. Several have been tested and found to be low in salt content. This one looked the most promising of all, but after extensive tests it was found that although the brine was a higher percent of solids but the flow was restricted and several experts agreed that even after treatment, the quantity would not be enough to justify the cost of pumping and storage equipment.

The blacktopping program for

this year was completed last week; I will report final figures as soon as they are available.

THE ISLAND Road bridge over the Maple River at Elsie has been lagging behind schedule for several weeks, and opening to traffic has been delayed by three or four weeks from the expected Sept. 1st opening. Construction on Colony Road in Lebanon Township will start soon.
