

Tuesday marked the opening of schools in Clinton County and the event was reflected in different ways and different expressions. At left, a group from Swegles School shows little excitement while crowds

Ratification gives go-ahead for school opening

# St. Johns schools, teachers sign 70-71 school contract

Students in the St. Johns area filtered into schools throughout the district Tuesday morning following a near zero-hour ratification by teachers of a new contract for the 1970-71 year.

Acceptance came after an extended period of exchange which began May 21 and, according to Superintendent Earl Lancaster, the new pact contains proposals advanced by school officials some two weeks ago. The contract is "comparable to other

settlements in the area," Lancaster explained. Charles Agerstrand, president of the St. Johns Education Assn., termed the settlement as being fair and equitable and stated that the group was pleased to have the negotiating team and school board reach agreement.

Ratification of the new pact came Monday morning during a 7 a.m. meeting of the SJEA at the First Congregational Church. According to Agerstrand the vote was arranged after a 5 1/2 hour negotiating session Friday night which ended in tentative agreement between the association and school officials.

Main provisions of the new agreement call for salary increases for three teaching levels and paid health and accident insurance coverage for family with optional half benefits for cases where the spouse may be covered through employment elsewhere. A third major concern agreed upon was an annually budgeted amount set aside for participation of teachers in curriculum

workshops. The amount set up for the 1970-71 year is \$10,000.

Agerstrand explained that the curriculum workshop provision stemmed from an earlier proposal by the teachers for annual sabbaticals for three staff members.

A full breakdown of new salary schedules accompanies story.

## Westphalia ox roast to highlight centennial

The second ox roast for the summer in Clinton County will highlight Sunday's centennial celebration of the St. Joseph Society at the St. Mary's Parish grounds in Westphalia.

The first one, at DeWitt Aug. 22, was a huge success, and society members hope to follow suit Sept. 6.

Other highlights will be games for children, refreshments, the Westphalia Band and Men's Glee Club, set for 5:30 p.m. and a sing-a-long with a string band at 7 p.m.

The festivities start at noon with the roast dinner being served for 1 p.m.

The celebration is in honor of the society which was formed on July 4, 1870 by 13 church members to provide aid and comfort to their families upon their deaths.

When a member of the society died the others would contribute to help with family expenses which is the current practice.

The oldest member of the society, in his 90's, is Mathies Klockner who joined in 1914. The member with the longest service is Arthur Wirth who was admitted to the group on May 11, 1908.

Current officers of the society Joseph Hanses, president, Gregory Thelen, vice-president and ox roast chairman, Julius M. Pohl, treasurer, Herman Wirth, banner bearer and Isadore Schmitt, custodian.

Trustees are Kenneth Platte, Leon Smith and Herman Thelen. The St. Joseph society is active in parish activities and contributed \$3,000 toward construction of the new church when fire destroyed the original structure in 1959. In 1965 they contributed \$500 toward the new school.

### Grants available

B. Stanley Pocus, superintendent of the Clinton County Intermediate School District, announced Monday that he has received notice from the State Department of Education that special grants are available for the 1970-71 academic year and 1971 summer session for teachers who wish to take courses toward approval as special education teachers.

Any teacher wishing to explore the possibility of receiving such a grant should contact the county office for further information.

## Tim Younkman named News Editor

The appointment of Tim Younkman as editor of Clinton County News was announced this week by Publisher Rollin A. Huard, Jr. Younkman has been a member of the News staff since April and replaces Remond Karle who resigned to accept the editorship of the Michigan State Alumni Magazine.

TIM YOUNKMAN

Since joining the News, Younkman's assignments have included coverage of county commission meetings and DeWitt city and township activities. He will continue this coverage along with his new duties.

Younkman, 24, graduated from Muskegon Catholic Central High School, Muskegon Community College and is finishing requirements for a bachelor's of arts degree in journalism at Michigan State University.

Before joining the News, Younkman was a technical writer for Bros Enterprises, Inc., of Lansing. He has also written for the State News, MSU's daily newspaper. Before that he was a

music instructor at a Lansing studio, and a member of several Lansing-based bands.

He and his wife, Rosa, who reside in East Lansing, have one daughter, Julla, 3.

## O-E teachers, board apart; schools open

The Ovid-Elsie Board of Education has "never ratified" the tentative teacher contract with the Ovid-Elsie Education Association, the News learned Tuesday.

Spokesmen for the board indicated that "every effort is being made" to re-establish negotiations with the chairman of the teachers' negotiation team, Robert Lloyd.

The Ovid-Elsie schools are in session this week, but school administrators have feared a work stoppage by teachers if a contract is not negotiated by Friday.

The teachers ratified the contract earlier this week and agreed to return to work on schedule, awaiting the board's approval of the contract.

The next formal board meeting is scheduled for Sept. 14.

## Holiday deadline schedule

The Labor Day holiday will affect subscriber and newsstand delivery of next week's issue of Clinton County News, however, news and advertising deadlines have been moved.

Because of printing schedules all news and advertising copy for the issue of Sept. 9 must be in by 5 p.m., Friday, Sept. 4. Advertising copy for the current "Bazaar of Values" promotion should be in by 5 p.m., Thursday, Sept. 3.

## Dobson back after eye operation

Clinton County News poet Warren Dobson is again penning verse and the first of his renewed efforts appears on this week's editorial page.

Dobson's poems have been missing from their familiar spot on the editorial page since early this summer when he underwent an operation for a cataract on his eye. He is progressing nicely and is again able to put his thoughts into verse.

Followers of Dobson's verse might be interested in a book of his poems which was printed this past spring. The book can be purchased at Clinton County News or by contacting Mr. Dobson. Price of the book is \$2.50.

## Father, son die in crash

A two-car accident Thursday night on Grange Road resulted in death to a young father and his five-year-old son and left two others near death in area hospitals.

Richard Carl Fink, 31, R-2, Grange Road, Fowler and his son Scott were killed when an auto, allegedly escaping a sheriff patrol car, collided with the Fink auto at speeds in excess of 100 miles per hour.

According to the sheriff's report an auto driven by Roy Thelen, 23, Willow Street, Westphalia, was traveling at a speed "in excess of 100 m.p.h." when it crashed into the Fink vehicle, which had just turned onto Grange Road from M 21.

The sheriff's report indicated that the patrol car had ceased the fast chase through the treacherous country roads and had dropped back about one-half mile. Seriously injured in the accident were Donna Mae Fink, 31 and another son Christopher, 11. A daughter, Amy Kay, 4, apparently escaped without serious injuries.

The accident occurred at 10:32 p.m. along Grange Road, about 48 feet from M 21 and about 113 feet south of the railroad tracks. Thelen was charged, according to reports, with driving under the influence of liquor, eluding a police officer, and manslaughter.

Fink was born March 1, 1939 in St. Johns and was the son of Mr. and Mrs. Edward Fink.

He had attended the Fowler schools.

He was married to Donna Frechen, August 30, 1957 and was a member of the Most Holy Trinity Catholic Church and Knights of Columbus in Fowler.

He was also the past president of the Fowler Jaycees. An Oldsmobile employee, Fink is survived by his wife, two sons, Christopher and Rick, a daughter Amy, three sisters, Mrs. Marlene Rosloniec of Grand Rapids, Mrs. Alice Stump of Pawamo and Mrs. Elaine Halfmann of Fowler.

One brother, Ivan Fink of Fowler and his parents.

Scott was born Feb. 7, 1965 in Ionia and had attended Most

## No political survey underway by News staff

Clinton County News, is not conducting a survey among readers to determine support for any political party.

Requests have come to our office to substantiate a survey being taken, supposedly by News personnel, requesting information on voter preference. According to information received in the News office the calling source

has indicated that the survey is sponsored by Clinton County News in attempts to establish support for political parties in the county. No such survey is underway by the News staff.

Persons receiving calls should not divulge information on the strength of a news survey before positive identification is given.

## County merchants salute Clinton home owners

Clinton County merchants again are offering fine values this week during the Bazaar of Values campaign with a special salute to the county's home owners.

In its third week, the Bazaar of Values presents five pages of ideas and money saving offers from Clinton County's business and professional firms to assist homemakers.

If your home is in need of repairs or modernization, the Bazaar's guide in Section B will aid in consulting a local contractor, building materials firm, interior decorator, paint store,

and furniture and appliance dealer.

Through these merchants the homemaker will be supplied with the latest materials, dependable labor and the best possible service—at prices that fit the family budget.

Now is the best time to build that extra room, sun porch, bath, kitchen, patio, or install central heating or air-conditioning. Clinton County merchants are proud of the part they have had in making your homes more enjoyable.

Check the Bazaar of Values advertising section in this edi-

tion of the Clinton County News and shop at the stores displaying the Bazaar of Values poster for special bargains you cannot afford to miss.

Merchants from St. Johns, DeWitt, Fowler, Westphalia, DeWitt Township and Eureka are participating in this eight-week Bazaar of Values. During the time, the Clinton County News, acting as a messenger for these outstanding merchants and their special values, will give away \$200.

A \$100 cash prize will be given away in the final week,

\$20 a week for the three weeks before that and \$10 for the first four weeks.

All entries will be good for the full eight weeks.

And, of course, you may deposit as many as you wish to increase your chances of winning.

Just write your name, address, and phone number on any sales slip, cash register tape, charge slip receipt or any business form from any

business displaying the Bazaar of Values poster. Or you

may use the free coupon in Section B.

Bring or mail these entries to the Clinton County News, 120 E. Walker St., St. Johns 48879.

Tickets will be drawn each week and a photo of the winner will be published in the News.

Merchants participating in the Bazaar of Values are: Antes Cleaners, Becker Dep't. Store, Becker Furniture, Beck & Hyde Farmaria, Beck's Farm Market, Bee's Chevrolet, Benson Plumbing & Heating, E. F. Boron Co., Berk's Old School-

# Serious crashes hurt 12 in county

Clinton County sheriff's deputies and state police were

called out on four serious auto accidents last week which resulted in injuries to 12 people.

An elderly St. Johns couple and a youth were injured in a two-car accident shortly before noon Thursday (Aug. 27) at the intersection of U.S. 27 and Lansing Street.

Injured were Harold A. Palmer, 61, 202 W. Cass Street, his wife Alice, 69 and the driver of the other vehicle, Lynn Robert Marshall, 22, of Livonia.

According to state police reports the Palmer auto was traveling east on N. Lansing Street, when he apparently pulled into the path of the Marshall auto traveling south on U.S. 27. Mrs. Palmer and Marshall sustained serious injuries while Palmer suffered only minor injuries.

Police ticketed Palmer for failing to yield the right of way. In another two-car accident Thursday afternoon, five persons were injured along Grove Road at Jason Road.

According to sheriff's reports an auto driven by Charles Eugene Fisher, 22, R-2, Bauer Road, DeWitt was traveling east on Jason Road at 30 miles per hour.

He told officers that he approached the intersection and looked both ways but did not see anything approaching.

He reported that with the trees and bushes on the northwest cor-

ner, it was impossible to see north.

As he pulled out he was reportedly struck by a vehicle operated by Nancy F. Poindexter, 26, of Mooresville, Ind.

Roslie Holcomb, a passenger in the Fisher auto was injured as were three young passengers in the Poindexter auto.

Injured were Darci Marie Krumm, 4, Denese Krumm, 8 and Debra Krumm, 7, all of 8435 Grove Road, DeWitt.

No violations were cited by sheriff's deputies. A one-car accident resulted in injuries to three people Tuesday (Aug. 25) on Wildcat Road, one-fourth of a mile west of Shepardsville Road in Ovid Township.

Hurt were Melode Sue Worthington, 16, 2305 Green Road, St. Johns, and her passengers Helen Marten, 16, R-5, St. Johns and Jerry Marten, 17, Wildcat Road, St. Johns.

She allegedly lost control of the auto when she drove onto loose gravel and struck a tree. Reports indicated that she was traveling at 50-55 m.p.h.

No violation was cited.

In another one-car accident Saturday, Eugene VanEtten, 43, R-2, Bauer Road, Fowler, sustained serious injuries when he failed to stop at the corner of Winfield Road and St. Clair Road in Ovid Township, and ran off the dead end on Winfield Road. He was not cited by deputies.

## DeWitt board votes book deposit fee

By TIM YOUNGMAN Editor

After submitting and resubmitting alternative proposals, the DeWitt Board of Education voted 4-2 to initiate a textbook deposit fee for the 1970-71 school year.

The plan, under the state education board's guidelines on the supreme court free-textbook rule, calls for a refundable damage or loss deposit of \$3 for grades two through five and \$5 for grades six through 12. There will be no deposit required for kindergarten and first grade students.

Board members emphasized that the reason for the second grade cut-off point on the fees is the non-use of hard cover books by students below that grade level.

THE BOARD INDICATED that specific information on the deposit charge and other school-related schedules would be sent home with students after the first school day Sept. 1.

During the special board session Aug. 25 four proposals were discussed and tested.

The original motion by Merry Sellhorn, supported by board president Willard J. Reed, found the four other members opposed.

Gordon Brown, James Decatur, Harry Wick and Lloyd Ballard voted to defeat the plan.

Wick said that he "wasn't willing to pay the \$3 for grades two to five and \$5 from sixth to 12."

He made a counter-offer of \$10 for high school students and \$5 for all others, but withdrew the motion after some discussion revealed no support for the plan.

THE BOARD DEFEATED 3-3 a motion by Decatur, supported by Ballard, to levy a \$5 deposit, refundable at the end of the year, on students only in grades six through 12.

School Supt. James Ritchie said he disagreed with the philosophy involved in assuming that more textbook damage would result from high school and junior high school students than from the elementary students.

He said that he believes the younger children are more careless with the books and some damage was bound to occur.

The plan died in a deadlocked tie, which is the same as a defeat, when Brown, Decatur and Ballard approved the motion while Mrs. Sellhorn, Reed and Wick opposed it.

Ballard questioned the necessity for a deposit charge instead of billing the students with damaged books at the end of the year.

Some members indicated that it would be difficult to enforce payment after the school year and through a deposit fee they would be assured of some reimbursement.

THE CONTROVERSY ended as Brown and Wick switched sides

## DeWitt opens, minus contract

After an 11th hour meeting Monday night, the DeWitt Education Association (DEA) agreed to begin work Tuesday without a formal contract.

In a meeting at the DeWitt Memorial Building, teachers met with negotiators and decided not to take a strike vote, after hearing reports that a settlement was near.

DEA negotiator Gary Roberts told the News Tuesday that "we are going back to the table" this week and he "hoped to have an agreement by Friday."

He indicated that another meeting between Supt. James Ritchie and the DEA bargaining committee with assistance from the Michigan Education Association (MEA) negotiator Howard Ward.

Ward entered the talks over a week ago in an attempt to reach a settlement before schools opened.

School doors opened at the High School Tuesday morning at 8:10 a.m. with the day ending at 2:45 p.m. Middle school hours are 8 a.m. to 2:37 p.m. and the elementary hours are 9 a.m. to 3:30 p.m.

The DeWitt school district employs 74 teachers for the estimated 1,625 students.

## Immunization clinic in St. Johns

The last in the current series of free immunization clinics will be held Thursday, Sept. 10 in the basement of St. Joseph Catholic Church at the corner of Cass and Linden Streets in St. Johns.

Shots will be given by Dr. J. E. Paver and nurses from the health department. Immunizations against DPT, typhoid, smallpox, measles, and polio will be administered. In addition tuberculin skin tests will be conducted. Hours for the clinic will be from 8:30 a.m. to 11 a.m.

Teaching children to accept responsibility is accomplished by giving them responsibility.

Clinton County Sheriff's deputies Hilary Hefner and Larry Floate examine the extensive damage to a Volkswagen operated by Nancy F. Poindexter of Mooresville, Ind. along Grove Road at Price Road. She collided with another auto in which five persons were injured Thursday afternoon.

## Egan Ford is local sponsor

# Annual pass, punt, kick registration underway for boys 8 to 13 years

Upward of 300 youngsters are expected to register for the annual punt, pass and kick competition which will be held in St. Johns Saturday, Oct. 3. In announcing the details of the program, Bruce Fowler, manager of the sponsoring firm, Egan Ford Sales, expressed hope that all boys in the area between the

ages eight to 13 will sign up to participate. Registration for competition is now underway in the showrooms of Egan Ford in St. Johns.

Fowler pointed out that PP&K throughout its six levels of competition is free of any charge, and that a boy need only have a parent or his guardian accom-

pany him to the showroom to register.

"Our competition here will have first, second and third place trophies for boys in each of the six age groups, or 18 trophies in all," said Fowler. "Increasing each boy's chances of winning is the fact that he competes only against other boys in his own age group," said the Ford Dealer.

"Of course there is no body contact in PP&K. It's punting, passing and place kicking for distance and points, just as the name says. First place winners in each age group in our competition will go on to the zone competition. And from there, top winners go on up the ladder through district, area, division and national finals," he said.

"This year, the national finals will be held in Los Angeles at the pro All-Star Game, January 24. Finalists get an all-expense-

paid trip to Los Angeles for themselves and their parents, plus a special tour of Disneyland, a Banquet of Champions celebration, and the chance to meet some of the top players and coaches in professional football. Naturally, we hope some of our St. Johns PP&K winners will make it all the way to the finals," Fowler said.

The distribution date for the new directory will be announced later, Graef said.

Bath Schools open Sept. 8

Adult education and kindergarten students in Bath will have two extra days to enjoy summer this year, according to a school opening announcement by Roger Carlson, superintendent of Bath Community Schools.

Children in grades one through 12 are asked to report to school Tuesday, Sept. 8 for a full day of classes.

Adults interested in the evening high school completion courses are asked to register Sept. 10 at 7 p.m. in the high school cafeteria.

Kindergarten classes will open Sept. 10 following two days of registration the mornings of Sept. 8-9.

Carlson said that kindergarten through third grade children should have tags pinned on them containing name, father's name and complete address.

Children of the rural areas should have some landmark or description on the tag which will help teachers and bus drivers, he said.

A child must be five-years-old prior to Dec. 1, 1970 in order to enroll for the kindergarten classes and must have had all immunizations required by the state including TB and vision testing.

A birth certificate must be presented at the registration. Carlson said that physical examination forms are available in the elementary office to be completed by the doctor.

He emphasized that children not meeting these requirements would not be enrolled.

He suggested that a parent should accompany the kindergarten student on the first day of registration, and all students should be enrolled even though some attended a spring pre-enrollment.

Kindergarten enrollment will be in alphabetical order with A through J from 8:45 a.m. to 11 a.m. on Sept. 8 and K through Z the same times on Sept. 9.

Milk will be available for \$3 per semester with the first semester payment at the time of registration.

All students' books and supplies will be furnished by the school.

He said a public meeting will be held Monday, Sept. 21 at 7 p.m. in the high school cafeteria for anyone interested in obtaining a copy of the budget for the 1970-71 school year.

Hill of St. Johns named to state group

A St. Johns man is among several from across the state who last week participated in an advisory capacity for Michigan's role in the upcoming White House conference on aging persons.

Clarence A. Hill of St. Johns was one of three from the Clinton-Ingham-Eaton County area who attended a meeting Aug. 26 with Gov. William G. Milliken in preparation for the national meeting set for sometime next year.

Purpose of the state gathering was to encourage older people to speak out on their needs, concerns and possible solutions so that an effective policy on aging can be developed based on information gathered from the state.

Gov. Milliken stressed the importance of the advisory committee and that of the White House conference. The committee will work closely with the Michigan Commission on Aging.

State Police beef up patrols for Labor Day

Expecting Labor Day weekend traffic in Michigan to be normally heavy, the State Police will operate special patrols from noon Friday, September 4, to midnight Monday, September 7, according to Col. Fredrick E. Davids, department director.

Various "last fling" activities of this closing major holiday period of the summer attract hundreds of thousands of motorists to the roads, he noted, increasing the potential for accidents.

Davids said the Labor Day weekend in recent years has been the worst holiday period for traffic deaths. The average was 38 in the years 1965-69. High in the period was 51 in 1968, low 25 in 1965. There were 27 deaths last year.

Augmenting the patrols will be the vehicle check lane officers from the various posts, district traffic officers and detectives as needed, and about three dozen members of the Michigan Special Police Reserve, also as needed. Department aircraft, weather permitting, will supplement the patrol activity during daylight hours.

Maximum patrol coverage will be provided from 3 p.m. to at least 9 p.m. each day of the holiday weekend. Special attention will be focused on state and county highways having bad accident experience.

South Watertown By Mrs Bruce Hodges

Mr. and Mrs. Robert Millbrook and family have returned from a vacation spent at Pentwater.

Michael and Kristin McCulloch of Southfield spent several days last week with their grandparents, Mr. and Mrs. Leon Garlock.

Mr. and Mrs. Earl Stoll accompanied the Commandery Drill Team to Denver the past week.

School pays

In 1968, 25 per cent of the families whose heads had completed less than eight years of school were poor. For family heads with just eight years of schooling, the incidence of poverty was cut in half to 13 per cent. This downward trend continued to a rate of two per cent for families headed by a college graduate with each rise in the level of education of the family head.

PUBLIC NOTICE

CORRECTION

There will be no Public Hearing Monday, September 14, 1970 for the purpose of hearing interested persons about a proposed amendment to the zoning map.

The notice published in the August 26 edition of the Clinton County News was in error. No such meeting is scheduled.

**NOW HEAR THIS....**

Field commander Jeff Smith, St. Johns High School head football coach, demands the attention of his charges Friday during a non-contract drill. Smith, whose team held a 7-1-1 record last season, is toughening up his squad in preparation for head-on contact practice this week.

**Seek donations from general public**

**Lighting program for little league heads into final (financing) stage**

If all goes according to plan, the next few weeks should provide the St. Johns little leaguers with a lighted baseball diamond on which to stage an all-star game to raise funds to help repay a couple of notes that bought the lights.

If things don't go according to plan... well, league officials, the Jaycees and members of three St. Johns service clubs don't even think about those possibilities.

Right now the principal goal in the minds of these people is to raise \$5,600 and if the spirit exhibited by sponsors and supporters is indicative things should go according to plan.

The project of lighting the little league field began early this spring and was adopted by the Rotary, Exchange and Lions Clubs along with assistance from the Jaycees,

sponsors of the league.

In addition to contribution of the land for the diamond by Bernard Feldpausch several other donors have lent assistance to the lighting project. Virgil Zeeb has taken on the responsibility for setting the lighting poles and Ed Schmitt will contribute the actual hook-up efforts.

Once these matters are taken care of, the Jaycees are looking toward a bleacher-building project which would just about round out the basic facilities of the little league park.

Each of the three service clubs which took on the project have assigned committees which have been functioning expressly for completion of the lighting program Sam Serrell, Dick Devereaux and Herb DePeal comprise the Lions committee and Charles Huntington and Dr. Robert Wohlers represent

the Exchange Club. Rotarian committee members are Kurt Becker and Jim McKenzie.

Bruce Fowler, president of Rotary, earlier this season made arrangements with Central National Bank and Clinton National Bank to borrow sufficient funds to pay installation of the lights. The total cost for poles, lights and freight amounts to \$5,600.

At present the amount will be paid by early contributions and funds made available on loan from the two banks.

Fowler, however, indicated the little league committee's desire to accept contributions from the general public and interested supporters. Funds should be sent to: St. Johns Little League Assn., c/o Jack Downing, 409 W. Cass, St. Johns, Michigan.

Members of the little league committee besides Downing are Bernard Feldpausch, Ed Schmitt and Gerry Wilcox. The league itself was initiated and continues to be sponsored by the St. Johns Jaycees.

The all-star game, planned as another method of raising funds, is tentatively scheduled upon installation of lighting equipment at the field. According to Fowler, poles and wiring should be ready for raising later this week but no definite time has been set for the benefit game.

"We'd like to get the word across to the people so that those who support little league will send in their donations," Fowler stated. "\$5,600 is a pretty fair amount and the efforts of the service clubs could be aided greatly through community participation.

Over 300 youngsters participate in little league activities in the St. Johns area and addition of the lights was felt by officials to be of great benefit in providing sufficient playing time for all teams.

**Track trophy to Redwing Viet hero**

A new trophy will be awarded next spring at the end of the track and field season in honor of a young Vietnam hero from St. Johns.

The Brent Law Perpetual Memorial Award will be presented to the track and field participant who has displayed the highest determination and dedication during the season.

It will be awarded in memory of Brent Law, 1968 graduate of Rodney E. Wilson High School and a track and field star, who was killed by gunfire while riding in a helicopter near Phu Bai, Vietnam, July 21.

He was the son of Mr. and Mrs. Robert Law, 6364 W. Jason Road, St. Johns who accepted a smaller personal trophy presented by the Class of 1968 on Aug. 21 at their home.

The perpetual trophy will be displayed at the end of track season in the gymnasium trophy area at the high school.

"We talked with Earl Lancaster (school superintendent) about the rules for voting the award," said Don Palmer, a classmate of Law's and a fellow thirder of the 1968 squad.

He said the track coaches and all of the varsity players will have one vote each to deter-

**BRENT LAW**

mine the one participant who displayed the most dedication to the sport during the season.

He emphasized that the winner would not necessarily be the most outstanding athlete, but the most dedicated.

The plaque will have space for 40 names—one winner each year—which will be engraved at the end of the season.

The money for the two plaques was contributed by members of the 1968 graduating class.

In a prepared statement, the

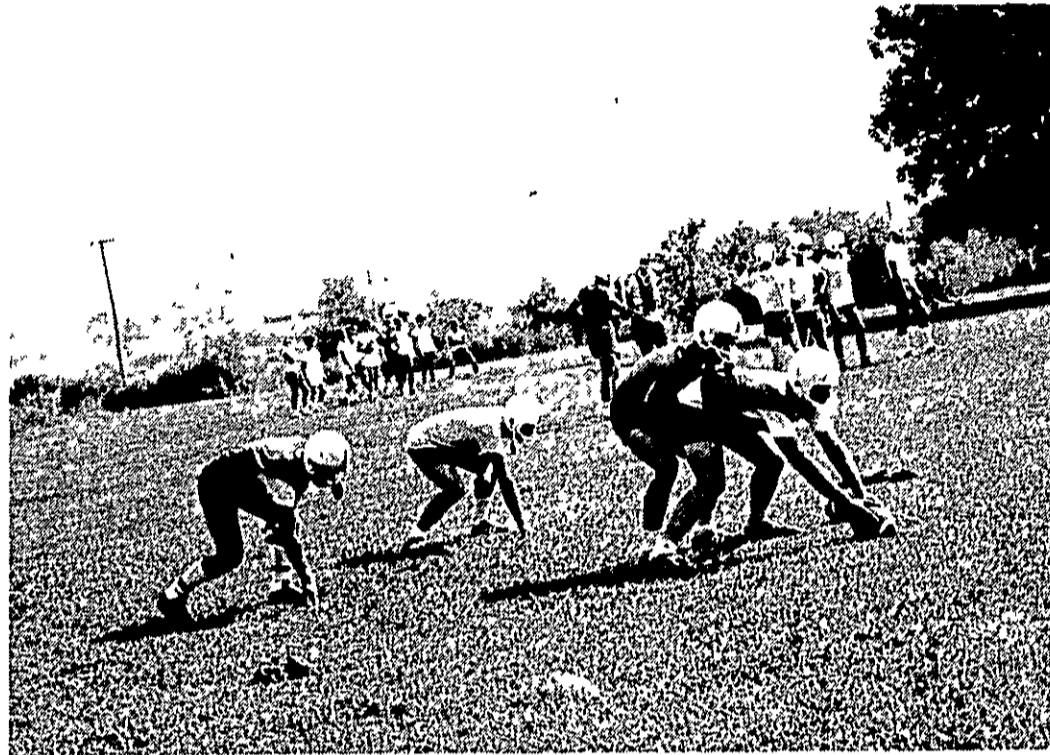

class representative Palmer outlined their motives in issuing the award.

"Its participants do not know the thrill of performing in front of the large crowds that attend the football and basketball games. Therefore the track athlete must be extremely dedicated and hard working because the sport is a lonely one and the trackman's fate of failure or success relies totally upon his individual assets.

"This is so because track is not a team sport and all of its events, excluding the relay races, are won or lost by individuals and not the team.

"It is our belief that Brent Law was an athlete who fit the qualifications to be a successful trackman. He was not gifted with a natural talent for the sport, but he was triumphant because he displayed constant dedication and persistence to improve himself.

"People of Brent's caliber are not only a credit to sports, but to society as well. It is our hope that with the establishment of the Brent Law Track award that memory of him will not die out in our hearts and also that it will serve as an example to future athletes of St. Johns that much can be accomplished through dedication."

"HUT ONE, HUT TWO..."

Sore muscles and aching bodies accented the first week of non-contact drills as the DeWitt Panthers toughen up for the fall grid campaign, defending their Central Michigan Athletic Conference title.

### NOTICE TO GENERAL TELEPHONE COMPANY OF MICHIGAN CUSTOMERS

General Telephone Company of Michigan has applied to the Michigan Public Service Commission for authority to revise its tariff regulations with respect to customer-provided equipment interconnected electrically, inductively or acoustically with the Telephone Company's facilities. The proposed tariff does not list or describe all specific equipment which may be connected to the Company facilities but it does set forth certain definitive requirements.

The proposed tariff is a broadening of our present interconnection policy and contains the regulations, rates and charges for commonly available means of interconnection. It also provides that more complex means of interconnection will be provided on the basis of costs. When an employee of the Company is required to visit the premises of a customer, the Company also proposes, in order not to burden its general rate payers, (1) to make a charge of \$15 per line to establish the level of signal power in connection with acoustical and inductive connection devices, and (2) to make a charge of \$15 when the visit is the result of a service difficulty or trouble report and it is determined that the cause of the difficulty is not in the Company's facilities but in the customer-provided equipment. The \$15 charge would not provide for repair or inspection of customer-provided equipment or apparatus.

Normal telephone service is not affected by the proposed tariff.

The Michigan Public Service Commission has scheduled a public hearing on this matter to be held Thursday, September 24, 1970, at 9:30 a.m. in the Seven Story State Office Building, 5th Floor, 525 West Ottawa Street, Lansing, Michigan. Interested parties may be present. If you have any questions concerning the matter contained in this notice, please contact the manager of your local business office. MRS. ROY FRANCIS PLINE

## Janet Geller bride of Roy Pline

St. Joseph Catholic Church was the scene of the Saturday, Aug. 22 double ring marriage ceremony uniting Janet Elaine Geller and Roy Francis Pline. Rev. William Hankerd performed the 11 a.m. ceremony before an altar decorated with white mums and gladiolus.

Organist, Mrs. Thille Smith accompanied soloist Joseph Mullaney.

The bride is the daughter of Mr. and Mrs. Stanley Geller of 3541 West Price Road, St. Johns and the groom is the son of Mr. and Mrs. Francis Pline of 3683 East Taft Road, St. Johns.

The bride was given in marriage by her father and chose an organza over taffeta A-line style gown featuring long full sleeves over a fitted under sleeve, a high neckline, and a wide baby blue sash forming a bow in the back. Heavy Irish lace embroidery accented the bodice and sleeves. A headpiece featuring blue organza roses and white organza petals, accented by pearls, secured her chapel-length veil and she carried a bouquet of yellow sweetheart roses and white mums trimmed with blue ribbon bows.

Mrs. James Kurnez of DeWitt, friend of the bride, was matron of honor and serving as bridesmaids were Mary Palus of Midland, friend of the bride, Jackie Pline of St. Johns, sister of the groom, and Mrs. Tom Bourdon of Eaton Rapids, friend of the bride. Patricia Geller of St. Johns, sister of the bride, was junior bridesmaid and serving

as flower girls were Shelly Pline, sister of the groom and Gretchen Bancroft, niece of the bride. The attendants wore empire-style A-line sleeveless gowns. Bow headpieces secured their shoulder-length veils and they carried small bouquets of white mums, yellow sweetheart roses, trimmed with blue ribbons.

Paul Geller of Fowler, brother of the bride, was best man and serving as groomsmen were Doug Witt of St. Johns, friend of the groom, Tom Huhn of Lyons, and Bruce Pline of St. Johns, brother of the groom. Charles Geller and Wayne Neveau served as ushers.

Jay and Glenn Pline, brothers of the groom were altar boys and the nuptial Mass was narrated by the brother of the bride, John Geller.

A wedding dinner was held immediately following the ceremony at St. Joseph Social Hall and a reception was held at the home of the groom's parents at 8 p.m. Mr. and Mrs. Guy Bancroft of Lansing, sister and brother-in-law of the bride served as host and hostess.

Following their wedding trip to the Western States the couple will make their home in St. Johns.

The bride is a 1967 graduate of Rodney B. Wilson High School and is a 1970 graduate of St. Joseph School of Nursing and is employed at Sparrow Hospital. The groom is a 1966 graduate of Rodney B. Wilson High School and is employed by Clinton Construction Co.

Minutes of WATERTOWN CHARTER TOWNSHIP August 10, 1970

The regular August meeting was called to order by the Supervisor with all Board members present except Syver Thingstad. Commissioner Montgomery, Jack Ryan and Terry and Karen Schaefer were also present.

Minutes of the July meeting were read and approved. The Treasurer's report was read and placed on file.

Motion made to transfer \$1,000 from Contingent fund to Cemetery Fund, for operating purposes.

Commissioner Montgomery reported on the re-consideration of the Board of Commissioners relative to the rezoning of the Elchuck property for a sanitary landfill. He also suggested to the County Clerk that all future propositions to be put on voting machines be printed in a different colored ink so the voters could see them.

A group of concerned citizens from the Township appeared to protect the approval of the landfill on the Elchuck property by the Clinton County Board of Commissioners, and indicated their intent to make a formal protest. The Township Board agreed to join as party plaintiff if the attorneys find legal cause for such court action.

A review of the road conditions and road repair was discussed, and while the roads show some improvement, there is room for more. We are awaiting word from the C & O Railroad relative to the two grade crossings in the Southern part of the Township. Fishbeck & Thompson are working on the sewer plan, and expect to report to the Township in about three weeks.

There being no further business to come before the Board at this time, meeting adjourned. MILDRED McDONOUGH, Clerk.

By MIKE PREVILLÈ News Advertising Manager

Advertising rep, Carla Vincent has been bugging us about some time off. At first we feigned deafness. Then we came back with some snazzy one-liners like, "No speka da English" or "As soon as the Aardwarks fly south". A simple "Your slip is showing" or "What's that all over your chin?" would send her scurrying for the lounge and the question would be forgotten for a while. Well, last Friday Carla got her time off. . . but she had to have her appendix removed to do it. These women-they'll do anything for some time off.

On top of that this will be a short week. What with Labor Day and all, our deadline for Section B is Thursday and Friday is it for Section A. You've heard about that cat on the metal roof?

This is Tim Younkman's first week as Editor and we're doing everything we can to help. We dummed two page 3's, sent him some "hate mail" and hid his typewriter.

## Class of '45 sets up Tatroe family memorial fund

Plans were announced Aug. 22 by former classmates of Dr. Donald Tatroe for the establishment of a memorial fund in honor of him and his family. The family were victims of asphyxiation at their Okemos home May 11 of this year. The plan was revealed at the 25th year reunion of the Rodney

B. Wilson High School 1945 graduating class. Tatroe, a member of that class, and his family were asphyxiated in their home in Okemos when an exhaust pipe for their attached swimming pool became blocked filling the house with carbon monoxide gas. The trust fund, established

through donations, will be used to send local students to band camp. Contributions can be sent to the Clinton National Bank and Trust Company in St. Johns. Former St. Johns high school principal B. Stanley Pocius also read a memorial statement during the banquet ceremonies.

**Correction**

We wish to apologize to Mr. and Mrs. Herb Geer of 111 South Baker whose name appeared in the Have You Met column. The Geer's are not newcomers to the area.

**Women's Bowling Assn. holds annual meeting**

At its annual meeting last week, the St. Johns Women's Bowling Association contributed \$200 to the Donald Tatroe Memorial Fund which will financially aid local students wishing to attend band camp.

Tatroe, formerly of St. Johns, his wife Marianne, and their three sons died of carbon monoxide poisoning at their home in Okemos last spring.

Tatroe was executive director of the Michigan Association of School Boards at the time of his death. His wife was director of the state Head Start program.

Members were notified that bowling will begin the week before Labor Day with the Monday

and Wednesday night leagues. Gert Kolehmainen was named as delegate to the association's state convention and Millie Wassa was chosen alternate.

Ann Hattia, delegate to last year's state convention, reported on convention activities.

Members were informed that the national tournament will be at Atlanta, Ga. this year.

The executive board reported that it had met at the home of Jeanne Edwards Aug. 10 with 10 board members present.

Attending the annual meeting of the St. Johns group at the Central National Bank community room were 26 members and nine officers.

MRS. DOUGLAS SYDNEY McDOWELL

**Judith Stanley weds Douglas McDowell**

Judith Karen Stanley of 808 Oakland, Ann Arbor became the bride of Douglas Sydney McDowell of 718 Monroe Street, Ann Arbor in a 2 p.m., August 15 ceremony held in the First Methodist Church in Dayton, Ohio. Rev. William Ramey performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Douglas Stanley of 210 Rumson Drive, Englewood, Ohio and the groom is the son of Mrs. Keith McDowell of 109 South Prospect, St. Johns

and the late Keith McDowell.

The bride was given in marriage by her father and chose a formal gown of ivory silk organza. Imported Alencon lace and seed pearls accented the empire bodice and high Victorian neckline. The gown featured bishop sleeves with small buttons on each cuff and a detachable train sweeping to a full chapel-length train. Her ivory colored Juliet cap, accented with seed pearls, secured her veiling, which was attached in the back and she carried a bouquet of white carnations, yellow roses and daisies.

Maid of honor was Betty Stanley of Englewood, Ohio and assisting as bridesmaids were Mrs. Janet Lipp of San Diego, Calif., Mary McDowell of St. Johns and Carol Schuppner of Detroit. The attendants wore formal, short-sleeved, gowns featuring an empire bodice of chiffon in coconut brown and a skirt of ivory taffeta. The long full sheer sleeves were held to the wrist with a wide cuff. They wore matching chiffon headbands and carried baskets of variegated chrysanthemums.

Best man was Edward McDowell, brother of the groom and assisting as groomsmen were Harry Gerhart of Abilene, Texas, John Stindt of Royal Oak and David Conn of St. Johns.

The couple greeted 200 guests at the reception which was held at the Miami Valley Country Club in Dayton, Ohio. Special guests at the wedding and reception were Mrs. Alma Spellman of Los Angeles, Calif., aunt of the bride and Mrs. Edward Reitz of West Branch, grandmother of the groom.

Following their wedding trip to Jamaica the new Mr. and Mrs. McDowell will make their home at 1234 White Street, Ann Arbor.

The bride is a 1967 graduate of the University of Michigan and the groom, a 1964 graduate of Michigan, is presently in the school's Law School.

**MEETINGS**

The regular meeting of the Blue Star Mothers Chapter 88 was held Tuesday evening, Aug. 25 in Wilcox Hall of the First Congregational Church with 22 members and one guest present.

Mothers, Barrett, Brock and Eldred were present at the coffee held for draftees who left that morning from the Central National Bank for physicals or induction into the service.

An invitation was extended from the DeWitt Chapter to a potluck dinner at Memorial Hall in DeWitt on Sept. 23.

A School of Instruction will be held at Lake Odessa on Sept. 2 with members of the St. Johns Chapter attending.

A space at the up and coming Jaycee Auxiliary Flea Market will be rented by the Blue Star Mothers. The event will be held Sept. 12 at the high school parking lot.

Past presidents will meet in Flint on Sept. 15.

Mother Ziegler entertained the group by showing slides sent by her son, Mike who is serving in Vietnam.

Committee for the next meeting will be Mildred Smith, Sally Hettler, Ruth DeBoer and Bernice Stevens.

MR. AND MRS. DENNIS GILLESPIE

**Karen Price becomes Mrs. Dennis Gillespie**

Rev. Harold Homer performed the double ring ceremony uniting in marriage Karen Kay Price and Dennis Lee Gillespie in the Congregational Church in St. Johns on Saturday, July 25.

The bride is the daughter of Mr. and Mrs. Gerald Price of R-1, St. Johns and the groom is the son of Mr. and Mrs. Oliver Gillespie of North U.S. 27, St. Johns.

Arrangements of yellow and white carnations and mums decorated the altar for the 7 p.m. service.

For travel on their wedding trip to Western and Northern Michigan, the new Mrs. Gillespie chose a pink and white dotted swiss pant suit. A corsage of pink and white carnations and mums accented her attire.

Upon return the couple will reside at 303 West Gibbs, St. Johns.

The bride is a 1970 graduate of St. Johns High School and the groom is a 1966 graduate of Rodney B. Wilson High School.

DIANE COOK

**Graduates**

Diane Cook, daughter of Mr. and Mrs. Norman L. Cook of Pawamoo graduated from Montcalm Community College on July 24 as a practical nurse.

She is a 1968 graduate of Pawamoo-Westphalia High School and is presently employed at Carson City Hospital.

Kristine Murray of 1000 South Lansing Street was maid of honor and serving as matron of honor was Teri Stoddard of St. Johns. Bridesmaids were Janet Price and Charleen Gillespie both of St. Johns. The attendants wore empire-style gowns of light aqua dotted swiss featuring long sheer sleeves and a stand-up collar of lace. They wore matching headpieces of petal clusters and carried white daisies.

Robert Lowe was best man and was assisted by groomsmen, Wayne Hyde, Michael Stoddard and Lawrence Pierce. Seating the guests were John Gillespie and Bill Young.

A reception was held for 350 guests at the VFW Hall following the ceremony. Special guests at the wedding and the reception were Mr. and Mrs. Fred Nieman and Mrs. Clare Watson.

NANCY LOUISE PAKSI

**Engaged**

Mr. and Mrs. Joe Paksi announce the engagement of their daughter, Nancy Louise to Mark L. Webster, son of Mr. and Mrs. Glen Webster of R-1, Elsie.

The bride-elect is a 1969 graduate of Rodney B. Wilson High School and is employed at Lundy Motor Inc., St. Johns.

The prospective groom is a 1969 graduate of Ovid-Elsie High School and is employed by Harden Grain Transport.

The couple is planning their wedding for Oct. 17.

**Lassie Butler weds James Webster**

Lassie Marie Butler became the bride of James Earl Webster in the Duplain Church of Christ on June 27. Rev. Justin Shephard performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. George Butler of 13290 Cogswell, Romulus and the groom is the son of Mr. and Mrs. Glenn Webster of R-1, Elsie.

The bride was given in marriage by her father and chose an Edwardian-style lace over satin gown featuring a high neckline with a stand-up collar, fitted bodice with a fitted waistline, accented by a satin bow and long lace sleeves fitted at the wrists and accented by a lace ruffle. Satin buttons trimmed the bodice of the gown. A high Edwardian headpiece, covered with pearls and sequins secured her shoulder-length veil and she carried a bouquet of yellow roses and white pompons.

Maid of honor was Sharry Brown of Alma and serving as bridesmaids were Darlene Butler of Romulus and Debbie Webster of Elsie. Michelle Webster was flowergirl. The attendants

wore short-sleeved A-line dresses with puff sleeves, and carried a single white rose, accented by streamers. An orchid flower headpiece secured their orchid veils.

Gary Bashore of Kalamazoo was best man and serving as groomsmen were Larry Webster of Elsie and Bob Kujala of Southgate. Ushers were John D'Amour of Pontiac and Tom Bartol of Elsie.

The reception was held immediately following the wedding at the Elsie American Legion Hall.

Special guests at the wedding and reception were the grandparents of the groom, Mr. and Mrs. Floyd Taylor of Elsie and Mrs. John Robinson, of Monroe, grandmother of the bride.

Following their wedding trip to the Upper Peninsula, the couple will make their home at 995 North Cass Lake Road, East Wing, Apt. 232, Pontiac.

The bride is a 1970 graduate of Ferris State College and the groom is a 1969 graduate of Ferris and is affiliated with Phi Sigma Kappa Fraternity.

Are you getting engaged this fall?  
Here is a little help

**DIAMOND PRICE FACTS:**  
Don't spend more than you can afford. A good rule to follow: Spend about a month of your salary on the engagement ring. But make sure you get the most for your money. In the ring style that pleases her most.

**DIAMOND BUYING FACTS:**  
About half of all engagement rings are chosen by boy and girl together. But in many cases the young man buys the diamond alone. Or he talks it over with us first and then brings his girl in for final selection. It's up to you!

**DIAMOND STYLING FACTS:**  
Modern girls are individualists. Some want an absolutely perfect diamond even if it is smaller. Others want the largest stone possible even if it has slight flaws. Some want ultra-modern, others traditional styling. These are the things to talk over with us.

**COME IN SOON AS POSSIBLE!**  
We have helped so many young couples. We can help you to come to the right decision. Let your wishes and our experience be the guide. For a lifetime of happiness with your diamond. We have any credit terms to suit you and if you wish, we do have a private Diamond Room to display and service you.

Our diamond prices are the lowest you will find

### MSU vet clinic tour

A tour of Michigan State University's Veterinary Clinic will be offered to all interested young persons and adults Thursday, Aug. 27, as part of the 1970 4-H-Youth Exploration Days activities at Michigan State University, Aug. 25-28.

The tour will include visits with practicing veterinarians and opportunities for career exploration, according to Dr. David Olson, MSU veterinarian and tour coordinator.

Veterinary students will be tour guides for small groups going through the large animal, small animal and diagnostic sections of the clinic.

Visitors will see normal veterinary clinic operations including care of dogs, cats, birds, horses and livestock. The veterinary clinic tour is just one of several open to all young persons and adults during 4-H-Youth Exploration Days. More information is available from county 4-H-youth offices of the Cooperative Extension Service.

Airport plan

The county board of commissioners last week voted to support a proposed tri-county airport authority which would provide for representatives from Clinton, Eaton and Ingham Counties to direct operations of a regional airport.

We endorse the commissioners' actions as being far-sighted and realistic, but we are also in support of petitions currently being circulated to bring the question to county voters in November.

Formation of the airport authority initially calls for a one-mill levy and this should be approved by taxpayers.

To many, the advantages of a regional airport may not be distinct, but such a facility enhances not only business development but personal activities as well. There can be little question that air travel will continue to play a prominent part in our daily activities.

We believe the airport plan to be beneficial to the Clinton County area but in these times of rising taxes observers feel referral to voters will mean death of the plan. Nevertheless that's the principle upon which our system functions and, win or lose, the proposal should be decided by those who will pay the tab.

They cared

It may sound trite to some, but democracy still works. Proof of this is the results of efforts by a St. Johns group, calling themselves "People Who Care," who set out to do a job and—supported by local government—got that job done.

There were no demonstrations, bombings, rock throwings or foul names. There was, however, a systematic adherence to practices which have perpetuated our form of government for nearly two centuries. These procedures included personal and written contacts to persons in authority as well as generating citizen support through what some of us have lost a taste for—leg work.

As a result of this group's efforts St. Johns will have a traffic light erected at the intersection of U.S. 27 and Sturgis St., the site of an accident early this summer which claimed the life of a youngster. The incident could well have been mourned then forgotten, but "People Who Care" wouldn't let that happen.

Much credit should be extended to Mrs. Sharon Rochon, Mrs. Jan Bensinger and Mrs. Carol Maples for leadership in their cause and an equal amount of appreciation should go to the St. Johns City Commission for ignoring mounds of red tape and proceeding with installation of the signal.

To some, the outcome of this activity may appear insignificant, but to us it is a glowing example of how to accomplish something within the framework of prescribed procedures.

But best of all the incident rings with a true spirit of democracy and the sweet notes resound with echoes that local governments can and do retain their effectiveness when the need arises . . . particularly when supported by local people.

Ode To September

By W. E. Dobson

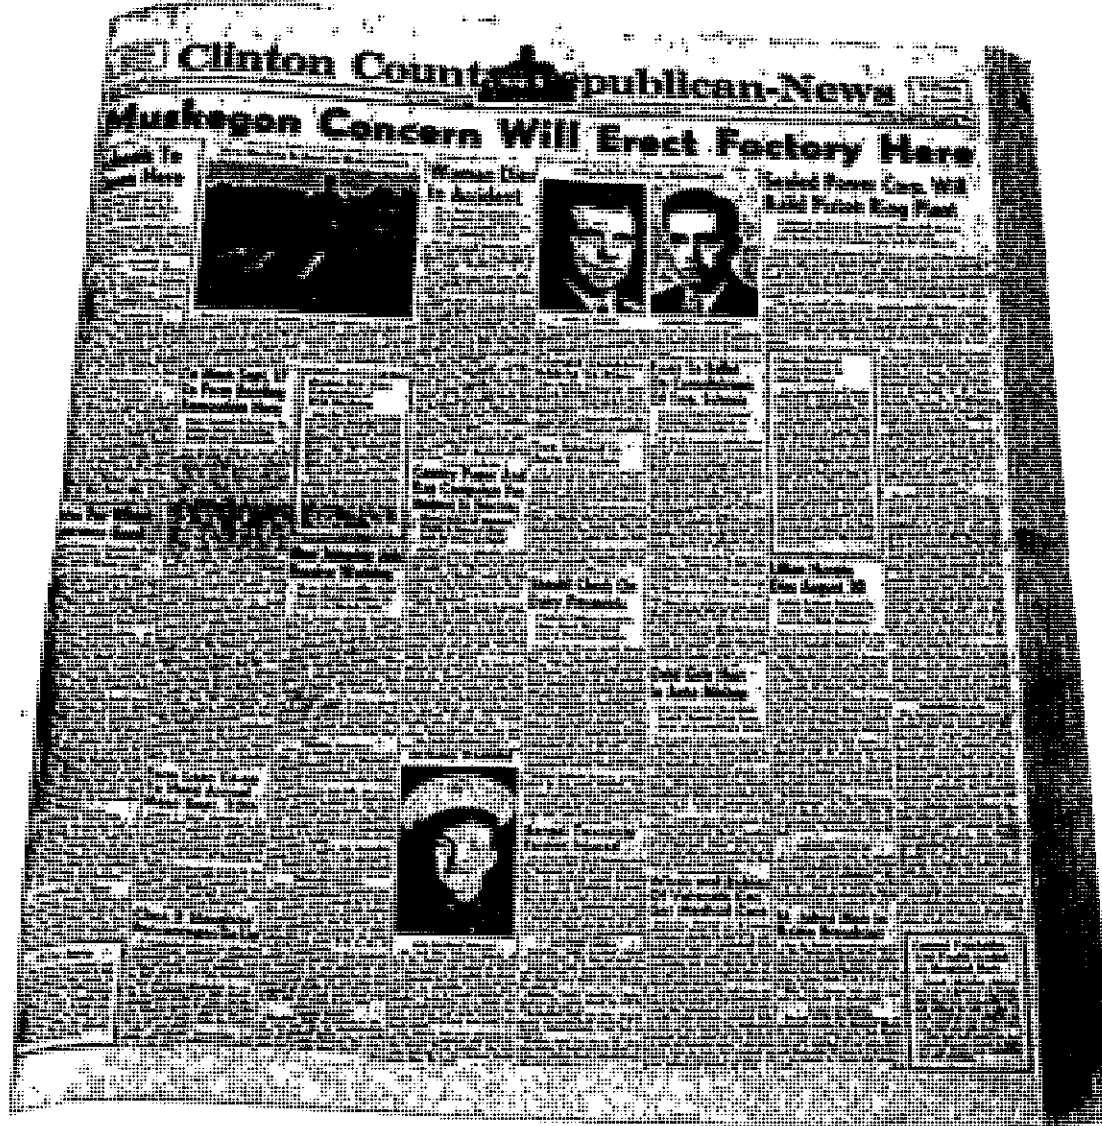

Once again it comes September Yearly it's harder to remember, Just what else of note but birthdays Marks the time; But once more around the table, We confess we're hardly able To sit still for birthday music so sublime.

When the golden rod is "yaller" 'N the apples git quite meller, While the golden clder oozes from the press;

With the strikin school-marms strikin' 'N tax rolls like crazy hikin' Old Dame nature dons again her prettiest dress

Though we're old and diabetic, And you think us quite pathetic, Do not be too quick to nail us on the wall. Though we're frustrated 'n battered, All our realm thin 'n tattered, Start the music and we're ready for the ball!

This is the first of Mr. Dobson's efforts to appear in the Clinton County News since he underwent surgery for cataracts early this summer. We welcome him back and know that followers of his writings share this greeting.

A look into the past

Bath recall petitions withdrawn, 500,000th phone, Sealed Power announces plant for St. Johns

ONE YEAR AGO Sept. 3, 1969

Petitions circulated in August in Bath Township seeking the recall of township supervisor Duane Smith were withdrawn. Donald Kloeckner and Charles Gusk, residents of Bath and members of the volunteer fire department, denied statements from another individual who said they instigated petitions for Smith's recall. Smith's term expires in 1970. Other traditional bans on smoking, drinking and narcotic drug use were to remain in force. A peaceful meeting of school board officials and city commissioners resulted in a tentative agreement by which the school board would lease athletic facilities from the financially pressed city for \$31,500 over a 20-year period.

Ground was broken for an extension of sanitary sewer facilities in the City of DeWitt financed without the aid of state or federal funds. It was to serve 138 lot owners in the Lake Geneva area and the DeWitt Middle and High schools.

A critical situation was resolved in Fowler when negotiation committees arrived at a tentative agreement for teachers contracts at the school.

After 33 years, Clinton County Conservation officer Earl Goff announced his retirement. As a well-known and respected law enforcement officer, Goff delighted county residents with his knowledge of conservation and wildlife facts. He and his wife were to spend some time traveling and sightseeing in Arizona and Florida.

10 YEARS AGO Sept. 1, 1960

The sun came through for the 12th annual DeWitt Ox Roast brightening spirits and the parade. The aroma of pan-roasted beef began to drift over town at daylight as Jack Lememann and son, Stan, started

practicing their outdoor culinary art.

Installation of the 500,000th telephone by the nationwide contracting firm of Henkels & McCoy was made in the St. Johns home of John F. Caudy at 208 Wight St. St. Johns was one of 440 Michigan communities served by General Telephone Company of Michigan.

The intricacies of Direct Distance Dialing, an important feature in the conversion to dial telephones in the St. Johns area on Sept. 11, were explained to members of the St. Johns Rotary Club by W. F. Graef, district manager for the General Telephone Company. He told listeners that after Sept. 11 citizens would be able to dial direct to more than 50 million telephones throughout the nation and Canada.

City park was full of Redwings, but Coach Dale Knight's gridders didn't sound much like that saucy little bird for which they were named. The most frequent sounds were grunts, groans and complaints of sore feet and aching sides. Knight was putting his 52 boys through tough preliminary drills for the upcoming grid season.

The battle lines were drawn as both major political parties held their state conventions to name candidates for the November general election. The GOP candidates named were William E. Kreger, Wyandotte, secretary of state; Wendell A. Miles, Holland, attorney general; David R. Calhoun, Huntington Woods, treasurer; John V. Clements, Baraga, auditor general; and Circuit Judge James Breakey Jr., Ypsilanti, supreme court justice. The nominee for governor was Paul D. Bagwell.

Democratic nominees were James M. Hare, Detroit, secretary of state; Paul L. Adams, Sault Ste. Marie, attorney general; Sanford A. Brown, Bayport, treasurer; Otis M. Smith, Flint, auditor general; and Theodore M. Souris, Grosse Pointe, supreme court justice. Nominee for governor was Lt. Gov. John Swainson.

25 YEARS AGO Sept. 6, 1945

Sealed Power Corp. of Muskegon, one of the nation's leading manufacturers of piston rings, pistons and cylinder sleeves, announced the construction of a new plant in St. Johns at the site of the old St. Johns Table Company, according to Neil A. Moore, vice president and general manager of the Muskegon firm. Final arrangements for construction were not completed.

The new plant would occupy approximately 20,000 square feet of floor space and would be used to supply piston rings for passenger cars, Moore said.

Clinton County collection depots received more than 22 tons of waste paper and over two tons of rags in the third and final month-end county-wide salvage drive of the summer, according to Dr. B. L. Bates, salvage chairman.

For the first time the city of St. Johns was going to form its own city bowling association, according to the Booster Club. St. Johns was previously a member of the Lansing association.

State selective service headquarters warned men 18-25 years of age that they must continue to obtain approval from their local draft boards before they transfer from jobs which carry a deferment from military service. Brig. Gen. LeRoy Pearson, state selective service director, announced that the "job jumping" provisions of selective service regulations have been suspended for registrants over 26, but remained in full force for younger men.

Editorial: "In connection with the redeployment of our soldiers from Europe and the Far East, it is necessary to remind interested Americans that the end of the war with Japan will not greatly facilitate the return of service men from foreign areas. This process is now going on at the utmost speed, being limited only by the amount of shipping available. Even so, it will require at least six months to complete the return of our soldiers from Europe. Presumably, a similar period will be necessary in connection with soldiers who can be released from the Pacific theater.

"In addition the nation will require the service of between 1,000,000 million to 2,000,000 million soldiers for the temporary occupation of enemy countries. This process is a part of the war itself and while the duty of individuals, making up the occupational forces will be onerous and somewhat uneventful, nevertheless they will be serving their country if they stay abroad."

This week at the movies: "Son of Lasse", starring Peter Lawford, Donald Crisp, June Lockhart, Nigel Bruce and Lasse and Laddie.

'IF IT FITZ . . .

Lonely in the outfield

By JIM FITZGERALD

It was written somewhere, perhaps Tom Sawyer whitewashed it on a fence, that a father should take his son to baseball games.

My dad took me to Navin Field to see Hank Greenberg knock home runs into Cherry St. And I take my son to Tiger Stadium to see Al Kaline knock home runs into the grandstand where Cherry St. used to be. Cherry St. was moved back and just the other day they re-named it Kaline Drive, Onward and Upward.

My only problem with my dad was that he wasn't just a fan; he could also play baseball. He once pitched a no-hitter for the University of Detroit and he was signed to hurl for the Washington Senators. Only a chronic sore arm prevented him from becoming a major league hero. At least, that's what Grandma and Grandpa used to tell me.

Naturally, Dad would like to have seen his only son shine on the diamond. He never said much about it, but I knew that Schoolboy Rowe and Tommy Bridges at Navin Field were second choices. He's rather see me pitch for the Port Huron Skunks at Pine Grove Park.

So I tried. From the time I was old enough, I went out for every team there was. It turned

out there were just three things wrong with my game. I couldn't hit the ball, I couldn't throw it, and I couldn't catch it. But I was a great cheerleader.

Because of my lungs, I was allowed to join several school-boy teams. And in later years, I even belonged to an army team that starred a couple of guys who later played professionally. My position then was behind the wheel, driving the team bus.

The only time I got in a game was when only eight other guys showed up. Then they'd stick me in right field and bat me 9th, behind the pitcher. Sometimes I played 10-man softball and the 10th man was always stationed right in front of me.

I didn't give Dad much to be proud of. He never complained, but I've never forgotten the humiliation of inning after inning in right field, never touching the ball. And when a left-handed pull hitter came up, the manager switched me to left field. And when a tardy teammate finally arrived, perhaps limping and blind in one eye, he'd always pinch-hit for me.

I was a real Charlie Brown. So the other day I got wondering about my son, Eddie. I

raised him to be a baseball fan—I like his company at Tiger Stadium—but I never pressed him to be Babe Ruth or Sandy Koufax. He's on a midget league team and I didn't want him to think he had to make me proud.

So I told Eddie about what a bum I used to be on the ball-field. I confessed to all those lonely innings, stuck far in the corner of the outfield where the ball never came.

"That's nothing," laughed Eddie. "I play the outfield, too. And there's always a man out there cutting the grass. He never stops; he just cuts around me. He knows nothing's going to happen out there. I'm getting to know him pretty well."

Marvelous. No wonder I like to watch ball games with Eddie sitting beside me. Fortunately, we usually take his mother, too. If a foul ball comes our way, she can catch it.

What really bugs me is to read where some scientist just told Congress that Wheaties, Jack Armstrong's Breakfast of Champions, is no good. I grew up on that stuff. And this scientist says Wheaties has so little energy value, a guy might as well have a shot of whiskey for breakfast. Now he tells me.

Not sick; dying

By TIM YOUNKMAN Editor

The leather-faced lawyer rose from his table, glanced at the defendant and turned to the jury to deliver his summation speech.

His young male client was about to be found guilty of murder and the lawyer knew it.

He spoke softly at first as he began a narration on the young man's tragic background and the forces that brought him to his inevitable date with the executioner.

He pointed to the poor family structure, poverty, social ignorance and society's unconcern. He painted a bleak picture of a dreary life.

The jury did not really consider these points before finding the man guilty of murder thus sentencing him to the California death penalty.

The lawyer was Humphrey Bogart. The name of the movie escapes me for the moment, but the courtroom scene stands out in my mind.

I was reminded of the comparisons in this movie trial and the real one in Washtenaw County last week.

John Norman Collins was found guilty of murder and sentenced to life imprisonment at the Southern Michigan Prison at Jackson and that is as it should be according to our penal system.

On a larger view, comparing

this with the Bogart trial, who was really to blame for the murder?

Is the murderer solely responsible for his actions? Have we actually reverted our civilization to the eye-for-an-eye concept?

No one is advocating permission for a convicted murderer to roam the streets without punishment. In our system, he is a threat to society.

What can we do—where can we look—to reduce the chances of this type of crime happening again and often?

Possibly, one answer is a stronger look at our progress in curing and combating mental illness.

In recent years, more emphasis has been placed in researching this area of our social problems, but it usually gets left behind in the scramble for tax dollars.

It is a fact that we spend almost 50 per cent of our tax dollars on road and highway construction and repair. It seems to follow then that we consider it more important to care for our roads than to care for our sick neighbors. It's not a pleasant consideration.

If we would have started 20 years ago on a vast mental health program, studying and correcting and understanding deviation from our societal norms, this one

crime might have been prevented. A young and beautiful girl would be alive and continuing her studies at college and benefiting our society.

Instead we have ignored and continue to ignore the need for a vast program in this country to create an atmosphere of enlightenment and compassion.

Instead, we have lost a President, a senator, several civil rights leaders, and thousands of innocent bystanders trapped in someone else's nightmare.

If we look across the country in recent years the crimes that made headlines have been mass murders. "The Boston Strangler", Chicago's Richard Speck, that tower in Texas, a beauty shop in Arizona and the Tate murders.

The perpetrators of these crimes were products of this society as are the millions of good people we can name. Both are from the same culture.

We have slipped in our duties of protecting ourselves through strengthening our educational, religious and political foundation.

We must go back and find out what went wrong and correct it before more murders and trials and death penalties splash across the headlines and television sets.

If the American people refuse to try to understand this problem, then we are not just a sick society, but a dying one.

TAKING FIVE

No vermouth in the U.P.

By RON HUARD

If you feel dizzy from what's going on in the country, my advice is to take a few days off and slip into the upper peninsula. It's a whole new way of living and they even have Pepsi—but no vermouth.

A week or so ago wife and I packed a change of threads in the closet of the trailer, assigned car seats to the house-apes and struck out for the northlands. It was to be a leisurely vacation—and it was. But compared to the local pace we foreigners were dynamoes.

Of course we took in many of the local tourist attractions, along with a side trip into Canada. Then, with the help of a map of Hawatha National Forest, appropriately scored by Mike Preville, we even saw some of the less visited spots in the area. But still, even with all this activity, we found much time to stretch the plastic straps of our folding chairs and that's when it occurred to me that, by U.P. standards, I was out of breath.

A good example of the U.P. pace was the hours of business pursued by a grocery store

across the highway from the gate of Brimley State Park. The place operated an overflow camp area and each night we were at the park it was filled. But the store was open for business only from 1 p.m. to 9 p.m. Guess they figured nobody needed any breakfast supplies.

But the best part is once they were opened and you walked in you wondered why they unlocked the door. Their shelves would make Mother Hubbard's pantry look like a military warehouse.

We discovered the store when we needed milk at eight in the morning so it wasn't much of a discovery at all. We could have gone down the road a mile or so, but we didn't. It was well cuz we later found out the second store followed the same business hours.

Clinton County News

Second class postage paid at St. Johns, Mich. 48879. Published Wednesdays at 120 E. Walker Street, St. Johns, by Clinton County News, Inc. Subscription price by mail: In Michigan, \$5 for one year, \$9 for two years, \$9.75 for six months, \$2 for three months; outside Michigan, \$6 for one year.

Example number two. The kids drank all my beer and during a late afternoon visit to another store (which we jokingly referred to as the supermarket cuz it had three aisles, a scale in the meat department and a package booze license) I decided on a change. We were living so leisurely, I thought, that a martini before dinner would be most appropriate.

I still haven't had the martini and I'm not too sure the man behind the counter knew what vermouth was. When he said he didn't have any I didn't question him. I merely smiled and grabbed a six pack of Pepsi.

Medical people for some time have been hinting that the pace at which we Americans live has some bearing on the growing trend of heart disease. I suppose people in the U.P. are subject to the influence of these reports the same as everyone else, but there must be some message in the fact that a party store operator is in no hurry to restock his vermouth supply. Or could it be the delivery man just happens to come before 1 p.m.?

With the bat flung carelessly to the ground, a would-be Yankee tries to beat out a throw to first, as a female teammate steams past the shortstop into third. The Majors couldn't be as much fun as this DeWitt sandlot softball game, complete with the all-American hole in the fence. (News photos by Tim Younkman.)

Summer recreation director Tom Mauro, left, displays some of the arts and craft creations of DeWitt area children who flocked to the park three days each week during the summer. Helping out on a volunteer basis are Paul Mulford, Jan Hennigan and Mrs. Marcella Ward. Overseeing the adults are Sally Ann Hennigan and Scotty Matson.

### Lockwood announces grant

Sen. Emil Lockwood, R-Elm Hall, announced today that Clinton County's department of public works has been allotted \$94,650 from the state water pollution fund for construction of sewage facilities at Westphalia.

"The Water Resources Commission has informed me that it was making the \$94,650 grant to Westphalia for construction of a lift station, force main and a three-cell, 23-acre waste stabilization pond," said Sen. Lockwood.

"This money will be matched locally to finance this urgently needed project with an estimated cost of \$189,100."

Lockwood said the funds are part of the \$285 million water pollution bond issue approved by the voters of Michigan several months ago.

"I am delighted to be able to make the announcement of this grant because it will mean so much to the welfare of the community of Westphalia and its residents," said Lockwood.

### CHARTER TOWNSHIP OF BATH TOWNSHIP BOARD REPORT

The regular meeting of the Bath Charter Township Board was held at the Township offices, 14480 Webster Road, Bath.

Meeting called to order by Supervisor at 8 p.m. Board members present, Supervisor Smith, Clerk Reasoner, Trustees Bragdon, Brook, Trotter, absent Treasurer Wicks and Trustee Morrill.

Minutes of July 20, 1970 meeting reviewed by board and approved as printed. Supervisor Smith noted the changes in the Township Comprehensive Plan. Moved by Clerk Reasoner that the Township Comprehensive Plan as amended and up-dated by the Planning Commission through their July 27, 1970 meeting be accepted. Seconded by Trustee Bragdon, carried.

Statement from fire department secretary showed a balance of \$631.42 in the jeep fund. County Commissioners approved Bath Township sewerage system resolution and forwarded same to DPW. Group Life Ins. for township was discussed, resolution adopted effective Aug. 3, 1970 for the basic Michigan Township Association Group Life Insurance Plan for elected officials and employees at a present cost of \$74.03 per month.

Clinton County Board of Determination, determined that the cleaning of the Mead Drain and Mill Branch of Mead Drain was necessary. This means that the Township could be charged as much as 17 per cent as a drain at-large tax. Supervisor Smith advised that Bath area is in trouble after a review by the Mid-Michigan Health Department and could be listed as a health hazard.

Meeting adjourned at 9:20. LEE REASONER, Clerk.

## Thanks to Tom Mauro DeWitt has new parks recreation program

The City of DeWitt officially expressed its gratitude to Tom Mauro, DeWitt High School Instructor, who sacrificed his personal summer vacation to establish a recreational parks program for the children.

City administrator Elden Smith, with the city council approval, thanking Mauro and his aides for donating their time for DeWitt's children.

"The DeWitt City Council expresses a heart-felt thank you

to Mr. Thomas Mauro and his staff for their outstanding work in the DeWitt Summer Recreation Program," the letter states.

Mauro's staff included Mrs. Marcella Ward, Jan Hennigan, Paul Mulford, Jeff Schaffer, Tim Farr, Jim Soule and the Rev. David Franzmeier.

The letter indicates that crafts and softball kept the children, ages 6-14, busy three forenoons a week for six weeks, with an enrollment of about 100 children

and an average attendance of 75 daily.

Mauro said he was "surprised" at the enthusiastic turnout for the program held at the city park. "I've worked in large city programs, but we didn't have a turnout like this," Mauro beamed.

The program received some financial backing from the DeWitt City Council and plans call for a major expansion of the program next year.

## IT'S JUST GOOD BUSINESS TO JOIN THE UAW

The Rt. Rev. Bernard J. Sheil Catholic Bishop once said: "If a Non-Union worker in a partially organized industry is receiving a good income, it is quite probably because his Non-Union employer, in order" to keep the Union out, "meets, or nearly meets, the higher wage and hours standard of Union establishments. Clearly such Non-Union employees are eating the fruits of others sacrifices. The workers in the Union shops perhaps risked their jobs to get their Union recognized, and pay monthly dues to keep it going. It is a categorical injustice for Non-Union employees, enjoying the common benefits, to refuse to carry their share of the common burden".
