Mayor, council ask pay boost in DeWitt

The DeWitt City Council Monday night voted to place on the November ballot a pay increase for the mayor and all but two city council members.

Asked in the increase will be an increase from the present \$5 per meeting to \$10 for all council members, setting a \$300 limit for the year or \$150 more than the present limit.

Also asked in the proposition is a raise from \$100 per year to \$200 per year for the mayor, beyond meeting payments.

The only two councilmen not affected by the increase are John Hlatt and Roger Overway whose terms of office expire in 1972. The increase will apply only to those expiring this year.

The council also reaffirmed their desire to refrain from participating in the Grand River Watershed Council by tabling a request from the organization to reconsider their earlier rejection of the plan and join the council.

"We decided we would not participate several months ago,"

Mayor Lawrence Keck explained. "This doesn't affect us much if it is on the Grand River," added Overway.

In other action, the council: —Voted 3 - 2 to change the date of final tax collection, at delinquent rates, from Nov. 1 to Sept. 1, beginning in 1971.

Chief argument in favor of the change centered on the fact that the county treasury office had to wait at least two months to conduct an audit because of the DeWitt delinquent tax collection.

Under the current plan, which must go to the voters in November before the change can be noted on the charter, local tax payers may pay delinquent tax charges at the city offices. With the amendment, delinquent payers must travel to St. Johns to pay the past taxes.

Keck indicated that this would aid in the figuring of the local books and help eliminate problems in auditing the county records.

—Provide for the posting of bonds with the city before any plat plans are accepted and turned over to the city by individual contractors.

This decision grew from discussion over the new Malbrook Meadows subdivision planned by DeWitt resident Ted Powell.

The city had accepted the plat plan, including the streets which were unfinished at the time, taking sole responsibility for their upkeep, even though most roadways in the subdivision were not constructed.

Councilmen agreed that to protect the city from extensive costs in repair and road construction in the future, this plan was necessary to insure the adequate construction of roadways in the city.

They also noted that Powell was not negligent in the subdivision roadway and that crews are out paving the new roads.

—Voted to approve a resolution that all signs in the city of DeWitt be uniform and approved by the city and installed by the city at cost.

Helping Hand begins again

St. Johns Jaycettes are asking people to display their helping hand cards for the fifth straight year. They are also looking for new havens for children to seek when they are lost or being molested in some way.

The cards, with a picture of a hand on them, signify that children may go to these homes for assistance when they are in need of it. These homes are not to be used as places to use a toilet or obtain a drink of water.

Jaycettes are now in the process of checking files to correct any errors and to try and place more Helping Hand cards in needed areas.

If anyone desires to participate, they may contact their minister, priest or school principal. Their recommendation, and having an adult home during the day are the necessary requirements for displaying a Helping Hand.

Full cooperation from all parents is needed to make Helping Hand cards succeed.

AGONY AND ECSTASY

Two visions of Friday night high school grid competition in Clinton County are presented by Ron Wilcox, top, who was injured in DeWitt's contest with Bath. Wilcox was helped from the field and taken to a Lansing hospital. The thrill of victory, however, can be seen below, as St. Johns quarterback, Randy Atkinson ran 11 yards for a touchdown over Mason, icing the game.

Treize calls for tax limit

R. Douglas Treize, Republican candidate for the 87th District House seat met Monday evening with the Clark-Chandler Farm Bureau. Twenty members were present for the regular September meeting held at the Howe Road home of Mr. and Mrs. Bernard Black.

In his remarks Treize stressed the importance of a legislator maintaining two-way communications with the people of his district and expressed his hope to meet with many such groups during the next few months to exchange views on current legislative problems.

The principal subject of the evening, led by discussion leader Paul Seeger, was the financing of public education. Treize emphasized his belief in the need for a limitation on local property taxes to be levied for school purposes and also urged approval of pending legislation which would require the assessment of agricultural property based on its value as agricultural land.

Roger Carlson, Superintendent of the Bath Community School District was also present for the meeting.

Hackett date set for Oct. 12

A tentative trial date of Oct. 12 has been set for Jack E. Hackett with regard to the charge of murder against him stemming from the fatal shooting of Jerome A. Geller on June 7 of this year. According to Lansing police reports, Geller had driven Virginia Murray, 27, of Lansing to work at the home about 8:30 a.m. When they arrived, Hackett was reportedly waiting behind a bush outside the home and chased Miss Murray into the building.

Witnesses said she ran in and out of several rooms screaming for help while elderly patients watched in horror. Police said Geller apparently ran into the building after Hackett and confronted him on the main floor near a nurses station.

HELPING HAND

A picture of a helping hand is being held by Wenda Bancroft, 9, of 805 N. Oakland, and Jeff Weatherwax, 6, of 803 N. Oakland. This card displayed in windows throughout the St. Johns area signifies a haven for children in need. Anyone desiring to participate in the program should contact their minister, priest or school principal for a recommendation.

Clinton's 'amazing' merchants offer great Bazaar values

Consumers in Clinton County are again honored by local merchants with an assortment of great values featured in the Bazaar of Values this week.

See the Bazaar of Values pages in this week's Clinton County News for all of the details. Sales receipts and bank deposits show that the Clinton County area is soaring ahead as a regional shopping center. There are many continuing factors to this growth. Clinton County for years has been referred to as a friendly community. Progressive merchants, courteous sales people and an understanding, efficient town and area governments and friendly citizens are the biggest assets.

Clinton County is an industrious county. Civic leaders are always looking for new income for our people through new industries that will bring gainful employment. Educators,

spiritual leaders, members of the medical and legal professions, and progressive farmers and dairymen, have all the facilities to meet the challenge of our continued growth.

Consumers deserve full credit for our growth as a commercial center. Knowledge of merchandising, shopping habits and buying skills, stand as a constant challenge to merchants to bring consumers quality merchandise, at a price they are willing to pay.

Merchants from St. Johns, DeWitt, Fowler, Westphalia, DeWitt Township and Eureka are participating in this eight-week Bazaar of Values. During the time, the Clinton County News, acting as a messenger for these outstanding merchants and their special values, will give away \$200.

A \$100 cash prize will be given away in the final week,

\$20 a week for the three weeks before that and \$10 for the first four weeks.

All entries will be good for the full eight weeks.

And, of course, you may deposit as many as you wish to increase your chances of winning.

Just write your name, address, and phone number on any sales slip, cash register tape, charge slip receipt or any business form from any

business displaying the Bazaar of Values poster. Or you may use the free coupon in Section B.

Bring or mail these entries to the Clinton County News, 120 E. Walker St., St. Johns 48879.

Tickets will be drawn each week and a photo of the winner will be published in the News.

Merchants participating in the Bazaar of Values are: Antes Cleaners, Becker Dep't. Store, Becker Furniture, Beck & Hyde Farmarine, Beck's Farm Market, Bee's Chevrolet, Benson Plumbing & Heating, E. F. Boron Co., Berk's Old Schoolhouse Furn., Boughton Elevator,

PP&K practice Saturday

All youngsters having registered for the local Punt, Pass and Kick contest to be held Oct. 3 will have a chance to practice their skills Saturday during a special session to be held at City Park starting at 2 p.m.

The session will last one hour according to Bruce Fowler of Egan Ford Sales, the local sponsoring dealer. The purpose of the "clinic" is to familiarize the boys with competition procedure and to provide them with help on punting, passing and kicking. The Jaycees will be the instructors.

Fowler said that registration is still open to boys, ages 8-13 years of age. All that is required is that the boy come into Egan Ford Sales showroom and sign up for the competition with either a parent or a guardian. Registration closes Wednesday Sept. 30. Eighteen trophies will be awarded in the local competition. From the local contest, winners could go on to win the zone, district, area and division competitions. Top competitors in

each group will then go to Los Angeles where they'll be in the national finals in the pro All-Star Game on Jan. 26, 1971.

The all-expense paid trip to the west coast includes the parents of each finalist, a special tour of Disneyland, a Banquet of Champions celebration, and the chance to meet some of the top players and coaches in professional football.

"Naturally, we hope some of our St. Johns winners will make it all the way to the finals," Fowler said.

Each registered boy receives a free Punt, Pass and Kick Tips book, which holds several competition tips by NFL stars Dave Lee, Bill Nelson, and Fred Cox plus all-around suggestions from Coaches of the Year Hank Stram and Bud Grant.

Six million boys have gone through the punt, pass and kick competition since its inception ten years ago, making it the largest and fastest-growing activity of its kind in America.

Perfect attendance at meetings is one thing but when you start counting the years and they add up to 19 in a row, you know you've got something. From left, Jack Lenneman, Howard Cushman and Ralph Woodruff are sporting 19 years, 7 years and 5 years of perfect attendance at Lions Club meetings.

Lights auction sale planned for little league

A benefit auction sale for the lighting of the Little League baseball field is being planned by St. Johns area civic groups, to be held Oct. 17 at Smith Hall.

Participating in the event will be the Rotary Club, Lions Club, Exchange Club, Boys Club and Jaycees.

Spokesmen for the groups indicated that the auction sale proceeds will be turned over to the field lighting fund, which is currently in need of about \$7,000. St. Johns area merchants wishing to participate in the auction sale are invited to telephone

224-4277, contacting Ed Schmitt, concerning the project.

All interested persons are invited to donate used and nearly new articles, furniture or other goods, to the cause by filling out the form on this page of the newspaper and mailing it to the Clinton County News. Volunteers will assist in moving the articles to a storage area awaiting the big sale Oct. 17.

According to Kurt Becker, chairman of the project for Rotary, items for contribution

will be picked up or can be delivered to Smith Hall beginning this weekend.

Volunteers will be on hand at Smith Hall to accept donated items and pick-up crews will be circulating through the county to accept contributions.

Persons in the county wishing to donate items for the auction can call Schmitt Electric, 224-4277, for pick-up or deliver items personally to Smith Hall on any of the next three Saturdays between the hours of 9 a.m. and 3 p.m.

Country Club lady golf winners named

Green Tee members of the Clinton County Country Club held their annual Ladies Banquet at the Club Monday, Sept. 14 with 46 in attendance.

Trophies and prizes were awarded to the winners of several events held during the summer.

Margaret Stachel received a trophy for capturing the Green Tee Cup on July 22.

Trophies were also presented to winners of the Home Tournament, held on Aug. 26, 31 and Sept. 2 with winners being Margaret McKay, championship flight; Helen Judd, first flight; Edith Russell, second flight; Pat Thompson, third flight; and Ann Walker, fourth flight.

Runner-up prizes were awarded to Buzz Devereaux, Fran Gumaer, Doris King, Bunny Fowler and Agatha Mankey.

Consolation prize winners were Elsie Dickenson, Helen Richards, Belle Lentz, Margaret

Stachel and Barb Stiffler.

A new ladies afternoon league was formed this year for handicapped play with 15 teams participating. First place honors went to Margaret McKay and Kay Kendall who were undefeated during the season and each were awarded a trophy and prize money. The remaining team members were awarded prize money according to their number of victories and a special effort trophy was given to the last place team with no wins, Liz Nobis and Barb Haske.

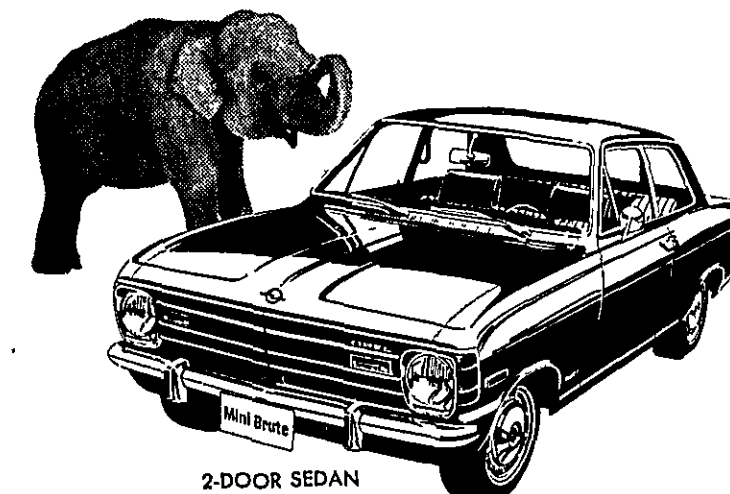

Rosie Nuser was given a gift of appreciation for serving as the Green Tee president and Lil Tiedt was presented with a gift for serving as sport's chairman for the past several years.

So ends the 1970 Green Tee season, with all members looking forward to the warmth of spring and the re-opening of that elusive game called golf.

Elsie

By Mrs Neva Keys

Mr and Mrs Leonard Tillotson have returned from a Western vacation that began early on Sunday morning from Lansing to Chicago, where they took the Super Chief to California.

Arriving in Pasadena, Calif., they were met by Mrs Floyd Lyons and her 17-year old son, Michael and taken their home in Orange, where they spent a week seeing the sights.

The Lyons family had both planned their week's vacation to coincide with their arrival. They were former Elsie residents for several years. Mr Lyons was custodian in the Elsie Schools for some time and Mrs Lyons was the former Jeanette LeBeau of Elsie.

Mr Lyons now works for the Dow Corning and his wife is a licensed vocational nurse at St. Joseph's Hospital.

The Tillotsons were driven to Westminster where they spent most of the time with Mr and Mrs Gordon Bailey, also former residents of Elsie and Maple Rapids until moving to California 25 years ago.

Mrs Bailey is the former Maude Day of Maple Rapids and Bailey and Tillotson were best men at each others weddings.

Dr Maurice Chapin and Mrs Chapin accompanied by a group of youth from their church, the Millington United Methodist Church near Flint, will be sharing what a recent Lay Witness Mission meant to their church.

The Lay Witness Mission is a comparatively new movement in Methodist Churches. There will be an opportunity to hear about this new movement at the Elsie United Methodist Church Sunday Morning, Sept. 27 at 9:30 a.m. when the Millington group attend.

DR MAX C. DEIBERT

Max Deibert joins Anacon

Dr Max C. Deibert, son of Mrs B.A. Deibert of 204 Church Street, St. Johns, has joined Anacon, Inc. of Ashland, Mass., as Technical Director and will be responsible for Anacon's line of analytical instrumentation for process control in the food, chemical, paper and petroleum industries.

Dr Deibert is a graduate of Cornell University and holds an Science degree from MIT. He was a senior research chemical engineer with Monsanto Research Corp. and a research group leader with Ionics, Inc.

He holds several patents and has published many papers and reports and comes to Anacon from a professorship in the department of chemical engineering at MIT.

The enrollment at Michigan State University has increased more than 666 per cent since the college was founded in 1855—from 60 students to more than 40,000.

Excuses are only temporary alibis—they cover up for the present, but have no future.

Kay Kendall and Margaret McKay were the recipients of trophies for capturing the first place title of the afternoon ladies league at the Clinton County Country Club. Awards were presented at the annual banquet held Sept. 14 at the Club. Mrs. McKay also placed first in the Club's Home Tournament.

Two Clinton students enter honors college

Two Clinton County college students were admitted to the Michigan State University's Honors College during the summer term.

They are Andrew N. Paquet, son of Mrs. F. Mary Paquet, 121 Washington St., DeWitt and Deborah Louis Witgen, daughter of Mr. and Mrs. Jerome Witgen, 406 W. Cass St., St. Johns.

Paquet, a graduate of DeWitt High School, is studying chemical engineering, while Miss Witgen, who graduated from Rodney B. Wilson High School, is a journalism major.

They were among 550 new members admitted to the Honors College which is open to those students who attain a 3.5 (A-minus) grade point average during their freshman or sophomore years.

The Honors College students are academically ranked in the top five percent of the MSU student body.

The college is designed to give superior undergraduates an opportunity to develop intellectually according to their own academic interests.

Mr. and Mrs. Walter Leach left Wednesday for their home in St. Petersburg, Fla. after spending six weeks with Mr. and Mrs. Louis Thelen and Mr. and Mrs. Gregory Thelen. On Sunday they attended the Thelen reunion at the home of Mr. and Mrs. Jim Maran in Grand Blanc. Others who attended from here were Mr. and Mrs. Louis Thelen and Sue, Mr. and Mrs. Gregory Thelen and Terry Thelen, Mrs. Robert Thelen and Jeff Thelen, Mr. and Mrs. Phil Kramer and family, Mr. and Mrs. Tony Thelen and family, Mr. and Mrs. Bill Thelen and family and Mr. and Mrs. David Hanses and family of Westphalia. 60 members were present.

Mrs. Julia Fox of Carson City returned home Tuesday, Sept. 8 following a two week's trip to Ireland.

Old acquaintance were renewed at the home of Mr. and Mrs. Oscar Cook Thursday. Attending were Mr. and Mrs. Edward Haight, Mr. and Mrs. James O'Conner, Pauline Ingmm and Julia Pierce of Ionia, Mr. and Mrs. Glenn Hooper of Jackson. Sunday dinner guests of Mr.

and Mrs. Marvin Schrauben of Orleans were Mr. and Mrs. Joseph Pung of Westphalia and Mr. and Mrs. Oscar Cook of Pewamo.

Mrs. Mildred Fox spent a few days with her brother, Mr. and Mrs. Richard Vance at Lansing. Deena Nurenberg arrived at the Carson City Hospital Thursday, Sept. 10. Parents are Mr. and Mrs. Leon Nurenberg. Deena weighed five pounds and 14 1/2 ounces. The mother is the former Donna Schneider of Pewamo. Grandparents are Mr. and Mrs. Clare Schneider of Pewamo and Mr. and Mrs. Elmer Nurenberg. Deena is the 43rd grandchild of Mr. and Mrs. Clare Schneider and the first child of Mr. and Mrs. Leon Nurenberg.

Spending three days at Cheboygan and Mackinac Island were Mrs. Hilda Schafer, Mrs. Vera Cook, Mrs. Joan Daniels and Mrs. Irene Fox.

Aloys Schafer is a medical patient at the Carson City Hospital.

Mr. and Mrs. Bob Tucker of Ionia were visitors at the home of Frank and Arnold Hattis Sunday. Also Mr. and Mrs. Clugston and children of Grand Rapids.

Mrs. Bertha Martin accompanied Mr. and Mrs. Oscar Simon of Fowler and visited Alfred Halfman, a medical patient at the Carson City Hospital, Thursday, Sept. 10.

Mrs. Irene Fedewa and Ed Fedewa attended the Griswald-Hutting wedding at Carson City Friday, Sept. 6. Susann Marie Hutting became the bride of Gary Griswald at 7:30 a.m. at St. Mary's Catholic Church. Susann is the daughter of Mr. and Mrs. Bruce Hutting of Carson City. A reception was held at the home of the bride's parents, Mr. and Mrs. Bruce Hutting for relatives. Following a short honeymoon they will be at home at Crystal. Mrs. Griswald is employed at Lansing College. Gary is a student at Montcalm Community College.

Mrs. Betty O. Handusky of Comstock Park, Grand Rapids was a visitor of Arnold Hattis Sunday, Sept. 6. In the afternoon they visited Frank Hattis at the Ionia County Memorial Hospital. Mrs. Maxine McPherson left Thursday, Sept. 3 for her home in Bay City following a stay of over a week with her brother and sister-in-law, Mr. and Mrs. Louis Thelen and Mr. and Mrs. Greg Thelen.

Dinner guests Sunday, Sept. 6 of Mr. and Mrs. Robert Silvernail and family were their parents, Mr. and Mrs. Clyde Silvernail.

GRILLED TO ORDER

Mr. and Mrs. Kurt Becker get their steak grilled to order by volunteer chefs during the 4-H Livestock Buyers Appreciation dinner.

Helping with the cooking are from left Dale Kuenzli, Richard Woodhams, and Orvest Davis. Approving the operation is Max Ballinger. They later met with the 4-H members who participated in the sale.

South Watertown

By Mrs. Bruce Hodges

Mr. and Mrs. Pete Vinick and Mrs. Harriet Lay of Alpena were guests of Mr. and Mrs. Walter Gierke the past week.

Mr. and Mrs. Don Moneysmith of Naples, Fla. spent Thursday with Mr. and Mrs. Lawrence Maler.

Vaughan Montgomery entertained his euchre club Friday evening.

Mr. and Mrs. Bruce Hodges called on Mrs. Jennie Schoettle at the Ingham County Extended Care facility, Sunday.

Mr. and Mrs. Leon Garlock and Mr. and Mrs. Don Garlock and family were weekend guests of Mr. and Mrs. David McCulloch of Southfield.

The Hobby Club held its first meeting of the season at Windmere View Tuesday evening under the leadership of Mrs. David Hodges as president. 20 ladies attended. Each one brought a plate of her favorite homemade cookies. Samplings and exchange of recipes were much enjoyed.

GOP MEMBERS

State Rep. William S. Ballenger (R-Ovid) and Mrs. Lawrence Sexton, president of the Clinton County Republican Women, stop and chat before the annual chicken barbecue held at Smith Hall last Thursday. An estimated 500 persons attended the dinner sponsored by the Republican group.

Library friends meet Thursday

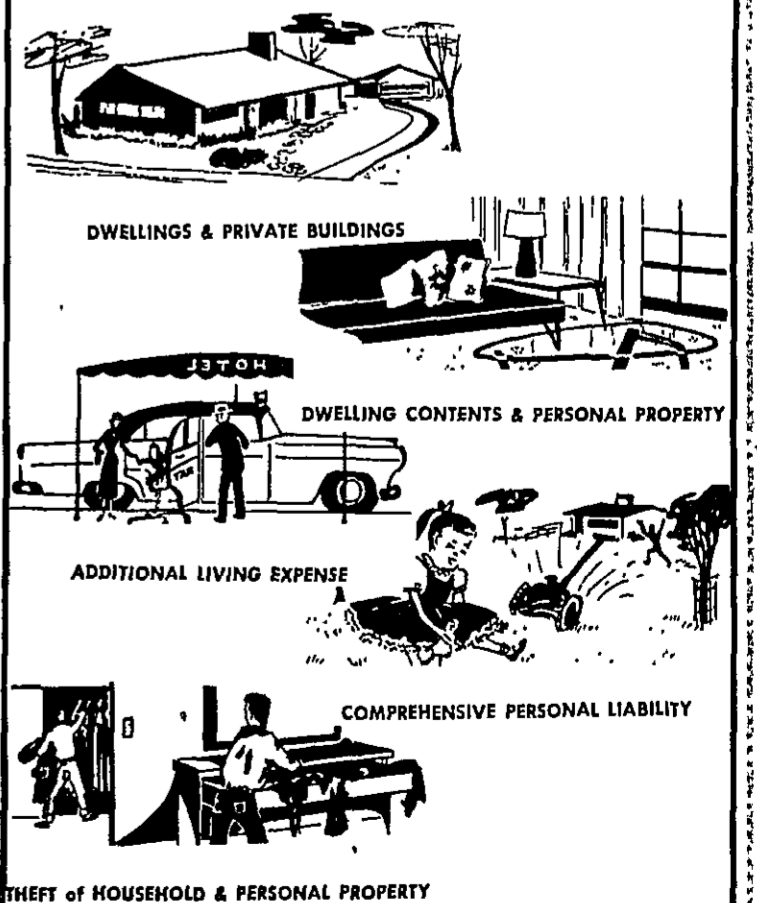

The annual meeting of the "Friends of the Bement Public Library" will be held at 8 p.m. Thursday in the Municipal Auditorium.

An election of five new board members will take place, as will a presentation by library person-

nel. Refreshments will be served. Mrs. F. W. Smith is the current president of the organization and will serve as chairman of the evening. Dues of \$1 per family for members is asked to be paid at the meeting.

Offense, defense shine

Redwings open with victory

By TOM McEENEY
News Staff Writer

Eleven men are essential to a football team but last Friday night at Mason, three became a bit more valuable as they steered St. Johns Redwings over Mason 18-6.

Quarterback Randy Atkinson and running backs Steve Mead and Larry Hayes ran up over 70 yards rushing apiece toward the team's rushing total of 238 yards. Hayes and Mead also doubled up on defense for the night.

Passing also figured in the night's total showing. Atkinson passed to Rod Pederson for 61 yards and to John Smit for 45. All of this running and passing would have been impossible without the offensive line keeping Mason off Atkinson's neck.

The Redwings received the opening kickoff and started a 46-yard drive on their own 44. They were stopped on the ten yard line but an interception by Larry Hayes, his first of three for the evening, set up the Redwing's first touchdown drive. This first march of 27 yards was capped off with an Atkinson pass of 16 yards to end Roy Pederson in the end zone.

Mason took their first kickoff and began a march of their own until a fumble and recovery by St. Johns started the Redwings'

second scoring thrust. Paydirt was hit for the second time when Atkinson ran 11 yards into the end zone. The drive was made with the running of Mead and the pass catching of Pederson.

Defense entered into the scheme of things. Mead, Hayes, Pederson, Larry Wakefield and Ed Boettger all played both ways for the entire night. Smith said they would be doing that for the rest of the year.

After the second score by St. Johns, Mason watched Mead's kickoff roll six inches into the end zone. The Bulldogs took over on their own 20 yard line. They got as far as the 13 yard line when Larry Wakefield recovered a fumble. St. Johns got as far as the 2 when a pass was intercepted in the end zone by Mason and returned ten yards to the 9 yard line.

The Bulldogs moved the ball up to the 30 and were forced to punt. St. Johns took over on the 50 and marched to the two-yard line where Mason held and took over on downs. There was only ten seconds left in the half.

Smith must have enlightened his boys somewhat during half-time. As they came out of the lockerroom, one Redwing was traveling so fast, he put his taped hand through the window in the door leading to the lockerroom. There was no apparent injury to the hand.

Second half action resumed with Mason running their kickoff back to their own 36 yard line.

From there, the Bulldogs sustained their longest drive of the night for 61 yards to the Redwing 3. But a brick wall was suddenly thrust up by St. Johns and Mason was pushed back to the 5. Then an interception by Steve Mead in the end zone put the ball on the Redwing 20 where St. Johns took over.

The Redwings moved to the Bulldog 34 where Mason intercepted an Atkinson pass and ran it 75 yards for a touchdown, or so they thought. A flag had been thrown upfield and Mason's TD was nullified by a tripping violation.

Mason began on their 25 yard line and attempted another drive when Jim Flindley recovered a fumble. Mason did get the ball back and proceeded to march to their only score of the night.

Action continued into the fourth quarter when St. Johns scored their third touchdown of the night on a 13-yard run by Steve Mead. Smith, after the game, described this touchdown as a "gutsy" one. He said, "They earned that one." This score came with 3:45 left in the game. Twenty-eight seconds later, Hayes grabbed his second interception of the night.

his night's work with his 3rd interception at the 11-second mark.

Total first downs for the game were 18 for St. Johns and 7 for Mason. Total yardage for the night was 198 for Mason and 345 for the Redwings.

Looking back on the game Monday morning, Coach Smith said, "Offensively, we were sloppy but I think it was just inexperience. There wasn't any indication of a 'don't care' attitude. Standouts on the offense were guards Tom Rasdale and Larry Wakefield. Rasdale was starting a football game for the first time in his high school career. He's short and a bit slow but game films proved his 'intense competitive spirit' as he out-manuvered every defensive man he faced.

"Larry Wakefield was the other half of the blocking due. He was a starter on the junior varsity last year and has obtained the same honor on the varsity. He also is one of the five Redwings that go both ways on offense and defense."

"The defense got started well and then began to fade a bit in the latter half of the first half. They aren't out of shape because they're all strong and in good condition. We just got bogged down in our own mistakes and some bad breaks," said Smith.

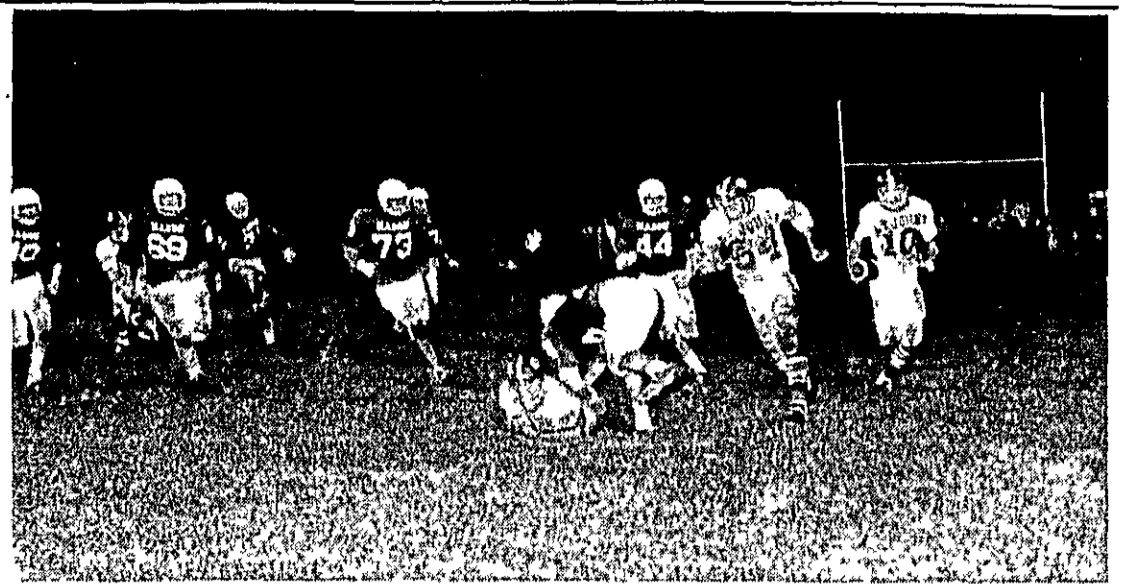

Back of the week honors were given to Atkinson and lineman of the week and captain of the week honors were won by John Smit, who just happened to be in the right place at the right time all night long.

The Redwing junior varsity played Mason to an 8-8 tie in the preliminary game Friday night. Asked about Charlotte and the

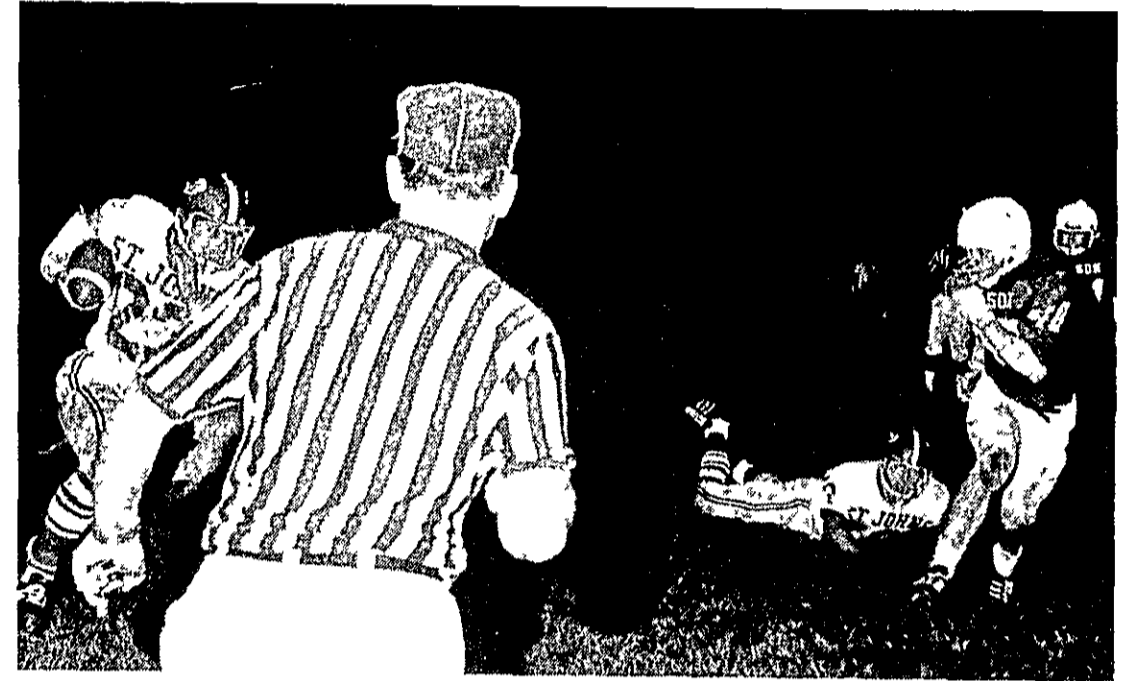

Don't criticize anyone until you are sure you have the facts.

Redwing's home opener this Friday against them, Smith said, "Charlotte's going to be tough; probably the best they've been according to scouting reports of their game last week. They do have something to contend with, though. They haven't scored against us in the past two years and St. Johns hasn't lost a home game since 1965.

They do have a strong running back in Tom Richardson. Reports say he is a never-die runner that stands 6 feet 1 inch tall and weighs 180 pounds." Game time Friday is at 8 p.m. at Memorial Field across from St. Johns High School.

Redwing quarterback Randy Atkinson (10) follows the blocking of running-mate Steve Mead (64) Friday night during fourth quarter action in their game with Mason. Atkinson proved himself Friday night of being a quarterback in every sense of the word.

Halfback Gary Burk (23) skirts the sidelines as he races for good yardage against the Mason Bulldogs, Friday night in Mason. The Redwings came out of the game with their first victory of the season, 18-6. This action, early in the second half shows quarterback Randy Atkinson attempting to block a Mason defender.

Extra point attempts were few Friday night...in fact, this was the only kick the Redwings attempted after any of their touchdowns. They usually run their extra point tries because of the lack of an adequate place kicker. Here, Randy Atkinson tries his luck at the maneuver. A penalty on the previous attempt put the ball on the 15 yard line.

Announcing the 1971 Duster.

The big difference in small cars.

We first introduced the Duster as the best transportation bargain in America. It still is. And we built Duster to be America's "small-enough-but-big-enough" car. And it still is.

Small car lovers of America, your day has come.

You have more tires to kick, more doors to slam, more hoods to look under, more colors to choose from and more test drives to take than ever before.

Which leaves us to convince you that Duster gives you the most car for the money. That it's small enough, but big enough. And that, all in all, it's the ideal small car.

Room. More of it to accommodate more passengers. More of it to accommodate more luggage.

Most small cars are four-passenger cars. And when you sit in some of them, they feel like they were built for three-and-a-half passengers.

Duster's a five-passenger car. It seats five, comfortably.

Besides carrying more up front, Duster carries more in the trunk. You can stuff 15.9 cubic feet of stuff into it. (One of the new small cars has about a third as much trunk space.)

Small enough for maneuverability. Big enough for stability.

Duster's small enough to slip into about 3/4 of a parking space. Yet it's big enough to give you stability on the open highway.

It has our unique torsion-bar suspension (for better handling). And unibody construction—its strength completely surrounds you.

So Duster can handle stop-and-go city traffic as well as freeway traffic because it's the right size, the right weight and it handles.

Our small-enough-but-big-enough car has a small-enough-but-big-enough engine.

Duster's standard engine is our rugged 198 cubic inch, 125 horsepower Six.

It gives you great gas mileage and a little

more power than other small cars' smaller engines.

And that's a perfect combination.

Options. You have over 50 to choose from when you order a Duster.

Think of it this way. It's a convenience to have a lot of conveniences to choose from. If you're considering buying a new small car, and you have certain options in mind to go along with it, you may find Duster the only small car that offers them.

There are things like a Stereo Cassette Tape Player, V-8 engine, vinyl roof and power brakes that you just can't get on some small cars.

The Duster success story: to be continued.

No doubt about it, Duster is the car for the times.

Over 175,000 Duster buyers thought so last year. And we expect more of the same kind of success with the 1971 Duster.

Before you buy a small car, look at our small car.

Duster. Built and engineered with extra care.

See the new Plymouth Duster today.

Game of season

Marauders snap Portland win streak 36-14

Ovid-Elsie Head Coach Mark O'Donnell had billed Friday night's game with Portland as "our biggest contest of the season."

He said if they could snap the Raiders' 21-game winning streak, it would open up quite a psychological advantage for the Marauders against their Mid-Michigan B conference opponents. They gained that advantage Friday.

The Marauders caught the Portland defense flat-footed by unleashing a potent air attack in drubbing the Raiders 36-14.

Behind the arm of senior quarterback Gregg McKay and the pass snaring skills of seniors Cal Woodard and Rob Byrnes, the Marauders rolled up 285

passing yards, good for all 36 points.

McKay threw four touchdown tosses, a pair to Byrnes in the first half and the other pair to Woodard in the final quarters. Junior quarterback Charles Miller threw the final touchdown pass to Byrnes in the fourth quarter.

It looked as though it could be a long night for O'Donnell and crew when Raider halfback Dave Vanderhoff returned an Ovid-Elsie punt 70 yards for a touchdown early in the first quarter. Halfback Al Pine ran the two-yard two-point conversion.

But it was Ovid-Elsie's game from that point on.

McKay helped tie the game with a 30-yard pass to Byrnes

and a short pass to Woodard for the conversion.

McKay hit Byrnes again in the second period on a 12-yard pass, but the conversion attempt failed. The Marauders retired at half-time leading 14-8.

The Marauders scored in the third quarter on a 12-yard McKay pass to Woodard.

Portland's John Davids, junior quarterback, plunged over from the two-yard line to end the Raider scoring for the night.

Ovid Elsie put the icing on the cake in the fourth quarter with another McKay pass to Woodard for eight yards and a score. They combined again on the extra two points.

Miller came in to relieve McKay, guiding the Marauders to another score by hitting Byrnes

on a two-yard toss and junior Bill Feran for the conversion. McKay struck for 16 completed passes in 29 attempts totaling 281 yards. Miller hit two of three and four yards.

The Marauders did not fare as well on the ground giving up 117 yards to Portland while gaining only 47.

However, the Marauder offense gained 24 first downs against the Raider's six.

Raider quarterback Davids completed two of 12 passes for 23 air yards, while Marauder standouts Woodard and Byrnes accounted for 13 of the 18 receptions for Ovid-Elsie. Woodard caught nine for 140 yards and Byrnes had four for 95 yards.

In the junior varsity game, Portland was crushed by the Marauders, 50-0.

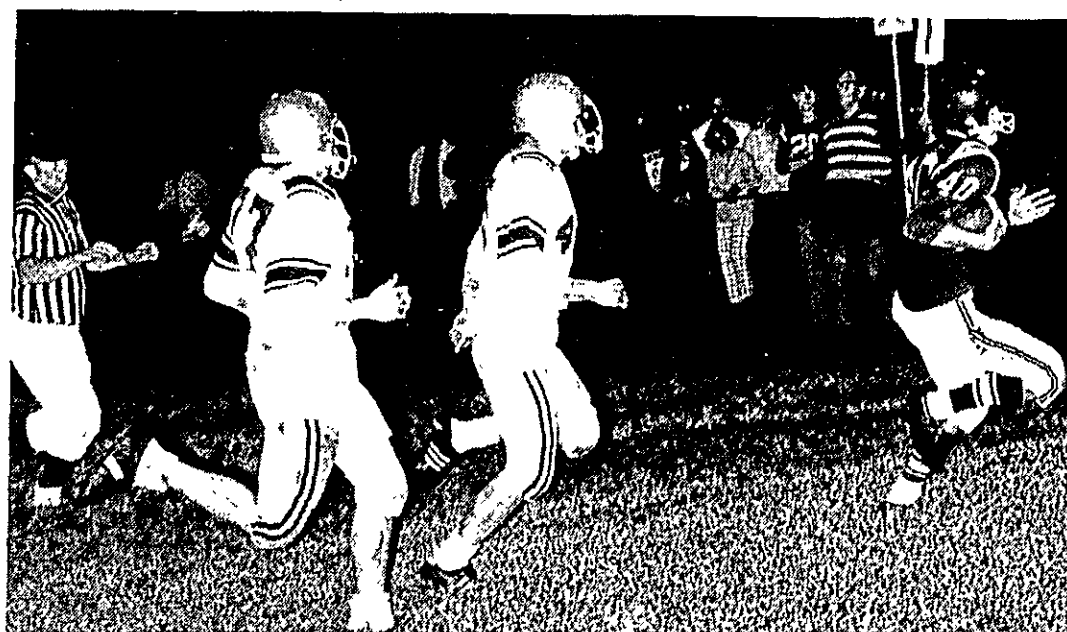

Marauder defenders were coming from all directions Friday night as Portland tried desperately to shake loose for a few more scores. Here, Lester Heinze (31) is coming in high and the rest is history. Ovid-Elsie won 36-14.

Running back Dick Bates (40) is caught here from behind by a Portland defender for one of the few times last Friday night. This is action in the second quarter of Friday's game which went to Ovid-Elsie 36-14. This was a big win for the Marauders.

Halfback Dick Bates (40) of Ovid/Elsie is being chased by two Portland defenders, Gregg Marks (77) and Glenn Ries (45). The chasing was in vain as Bates crossed the goal line for one of O-E's many touchdowns of the night. The Marauders went on to win the contest Friday, 36-14 in surprising fashion.

Pirates topple Carson, on Bengal's 3 TD's

Quarterback John Bengal scored three touchdowns Friday night as Pewamo-Westphalia opened the season with a 20-0 win at Carson City. Bengal scored twice on sneaks from the three and ran back an interception from the 20 in a game dominated by the Pirates.

and Al Fedewa who also intercepted a pass.

Pirate halfback Dan Weber broke away for a 58 yard scamper early in the game and was the P-W workhorse on offense. The P-W offense hampered by five fumbles and penalties still ran for 155 yards and passed for 55.

"It was a good opener with an inexperienced line but the defense really came through," commented Pirate Coach Bill Marks. Looking to improve on a 5-2-1 season in 1969 the Pirates travel to Webberville Friday night.

The Pirate defensive unit held Carson City in check during the evening, never letting the Eagles cross the 35 until late in the game. Carson City was thrown for minus rushing yardage in the second half and finished the game with only 89 yards in total offense. Defensive standouts included Al Piggot, Steve Hanses

Ferris State stages upset

Ferris State College in Big Rapids tasted the sweetness of victory this weekend, also.

The Bulldogs, under the able leadership of Bob Leach for the fourth straight season, pulled an upset and defeated the Muskies of Lakeland College in Lakeland, Wis. this past weekend. The final score was 9-6.

Ferris State, 5-4 in 1969, added another win to its streak of four that started last year. Leach said Ferris would have to rely more on its defense this season, especially in its first few contests.

This is the first opening game victory for Ferris since 1963. Lakeland was highly touted going into the contest Saturday. They had a string of eight victories built up and had defeated Stout State University the week before.

Ferris had a scrimmage themselves with Grand Rapids Junior

College in which the Bulldogs held the Raiders to just two yards total offense for the entire game.

Ferris scored twice during the "live game" conditions, once on a run and again on a 58-yard pass play.

Ferris State's upcoming schedule for the rest of this year is:

- Sept. 26... Wayne State (here)
Oct. 3... Michigan Tech (There)
Oct. 10... University of Wisconsin at Milwaukee (Here) 7:30 p.m.
Oct. 17... North Park College of Chicago (Here) 1:30 p.m.
Oct. 24... (Homecoming) - University of Illinois - Chicago Circle Campus (Here) 2:30 p.m.
Oct. 31... Findlay College of Ohio (There).
Nov. 7... Plattville State Teachers College of Wisconsin (Here) 1:30.

Spectacular bomb pushes Bath Bees past Panthers

"What do you think you're doing?" the coach shouted from the sidelines.

The bewildered player trotted over to the coach.

"I called time out so we could get another play," he answered. The coach nodded and walked back to the bench, rousing out a player to send into the game.

With only six seconds to go in the game, his team trailed 10-6. He was irritable and knew that it would be a long bus ride home.

Suddenly, on what seemed to be the final play of the game, the strong quarterback dropped back into the pocket, waited, rolled to the right and let loose with a 50-yard bomb down the sidelines.

To the surprise of everyone on the field, the tall end grabbed the pass and landed in the end zone. Touchdown!

It may sound like a fairy tale, but that is exactly what happened Friday night as Bath squeezed past the DeWitt Panthers, 12-10.

Paul Stoll, the 6-2, 175-pound junior quarterback, unleashed the winning touchdown bomb with only six seconds on the clock, to swipe victory from the Panther jaws, snapping their 11-game winning streak.

It appeared to be quite a different story for the coach, Ron Skorich, who moments before had almost accepted the defeat, as did most of the Bath fans lined up

behind the players' bench.

DeWitt Panther Head Coach Gary Roberts had his share of headaches, too. Early in the game, star quarterback Ron Wilcox, 5-11, 177-pound junior, suffered a neck injury and was taken to Sparrow Hospital in Lansing.

Roberts said Monday that Wilcox will probably miss several games.

The loss of their passing quarterback, will cause the game plans to change considerably, according to Roberts. "Back to three yards and a cloud of dust," he said.

The Fighting Bees struck first in the first quarter on a 10-yard pass from Stoll to junior

end Brad Schaibly. The conversion attempt was unsuccessful and Bath strolled into the second quarter with a 6-0 lead.

The second quarter scoring found a turn-around in the game as DeWitt picked up two points when the Bees, backed to their end zone, attempted to punt. A high pass from center brought on the safety. Then Mike Cole, senior quarterback who replaced the injured Wilcox, busted over from the 1-yard mark and another Cole run for the conversion put the Panthers ahead, with 1:05 left in the first half.

And it stayed that way, 10-6, in DeWitt's favor as the second half wore on. That is until Stoll dropped back with six seconds

remaining for the final tally and the first win of the new season.

The DeWitt defense was aligned in their late-game "prevent defense" waiting for the clock to run out, according to Roberts, and had the pass receivers double teamed.

"It was just one of those things," Roberts said. The Panthers will have a

chance to come roaring back Friday night when they meet Owosso St. Paul at home to open their conference play.

Bath will host Leslie for their conference and home opener. The DeWitt junior varsity fared a little better than the varsity Saturday as they topped Bath 8-6.

Spartans dominate

All-time 11

Four members of Michigan State's 1966 national championship football team own spots on the school's all-time eleven as ranked by Spartan alumni, students and fans. They are Gene Washington and Bubba Smith and backs George Webster and Clinton Jones.

Four ex-Michigan State stars, more than from any other school, were named to the first string all-time American Football League team at the end of its first decade of operation. They were tight end Fred Arbanas and guard Ed Budde on offense and linebacker George Webster and safety George Saines on defense.

Bath's surprising offensive machine lines up for another crack at the Panther defense from DeWitt Friday night at DeWitt. The Bees won the game in the last six seconds on a touchdown pass from quarterback Paul Stoll to end Fritz Ordiway. The final score was 12-10 in favor of the Bees.

Don't look now fella, but you're surrounded by Bees and they're ready to sting if you get up too fast. From left, Brad Schaibly (88), Paul Stoll (15), Rick Smith (61), Larry Feguer (60) and Burnell Richey (70) look on as a tackle is made during third quarter action in Friday night's game between the Bath Bees and the DeWitt Panthers at DeWitt. Bath won 12-10.

Clearly such Non-Union employees are eating the fruits of others' sacrifices. The workers in the Union shops perhaps risked their jobs to get their Union recognized, and pay monthly dues to keep it going. It is a categorical injustice for Non-Union employees, enjoying the common benefits, to refuse to carry their share of the common burden."

Redwing band at clinic

St. Johns High School's Redwing Marching Band was one of ten bands to perform over the weekend at Chesaning in the ninth annual Central Michigan Invitational Marching Band Clinic.

The band arrived in Chesaning Saturday at 9 a.m. at the Chesaning Union High School Athletic field. They proceeded to practice for one and a half hours until 11 a.m. when a practice was held for the massed band performance Saturday evening.

After lunch, the band had another practice by itself and then took part in the band clinic directed by Mr. Joseph Parker of Royal Oak Dondero High School near Detroit.

Each participating band gave an individual performance and, in the evening, all the bands combined to present a massed band performance of nearly 1,000 bandmen.

Working with the band at the clinic were John Speck, Marching Band Director, and Walter Cole, Chairman of the Music Dept. at St. Johns High School. A large number of parents from St. Johns attended the clinic, much to the pleasure of the high school people.

If you yourself didn't get a chance to view the bands in Chesaning, you're being given a second opportunity. This will be afforded Friday night at the Redwing football game with Charlotte.

The Redwing Marching Band will also take part in the entertainment portion of the Michigan State Washington State football game Saturday afternoon at Spartan Stadium in East Lansing.

They will be performing along with 35 other high school bands during the halftime performance of the Spartan Marching Band. The Redwing Band will also do a two-minute pre game show in the stadium.

Fowler blasts Fulton, 28-0

The Fowler Eagles successfully opened their 1970 football season with a 28-0 thrashing of Fulton-Middleton Friday night at Fulton.

The victory was a team effort producing four touchdowns while holding Fulton to 38-yards overall.

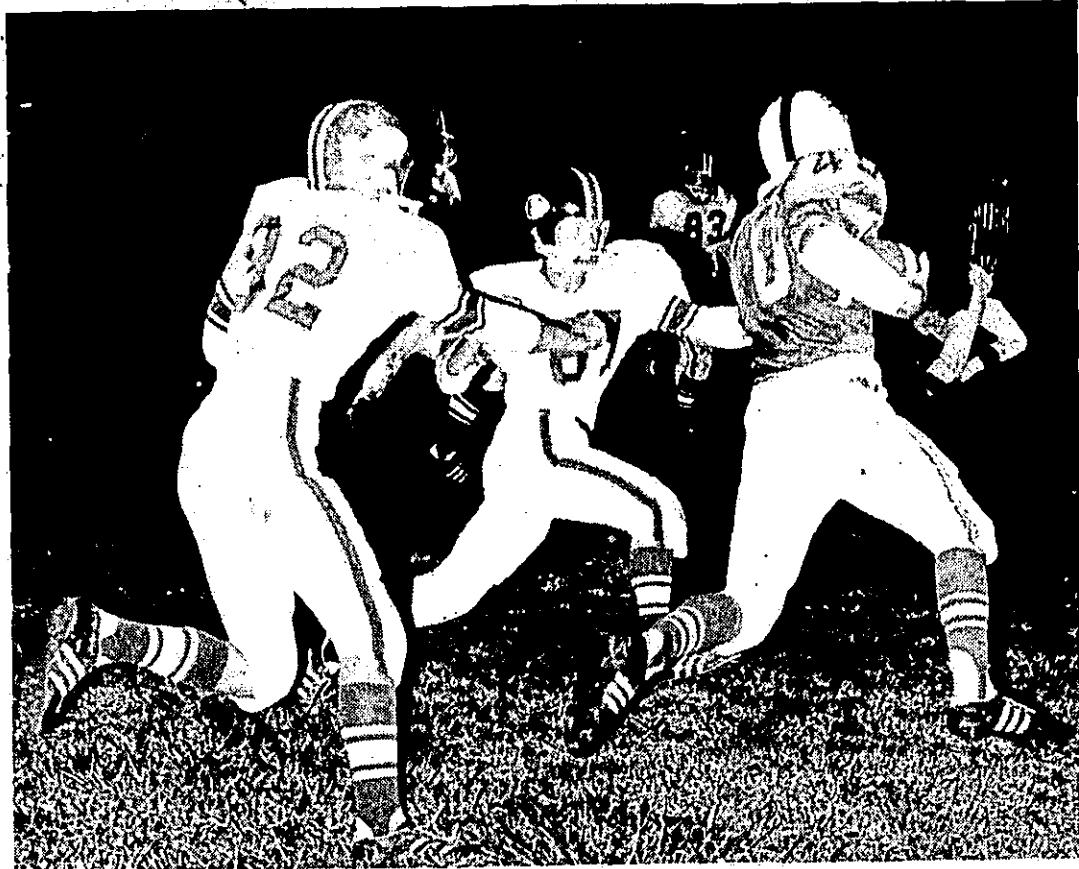

Leon Schneider drove 10 - yards in the first period for the first Eagle score, capping a 75-yard drive.

Steve Feldpausch plunged in from the 3 - yard mark in the second quarter while Tony Thelen got the other second mark tally and Denny Kramer ran for two points after both touch-downs.

The final blow to Fowler came in the fourth quarter when Gene Messer and Roger Novach combined on a 40-yard TD strike.

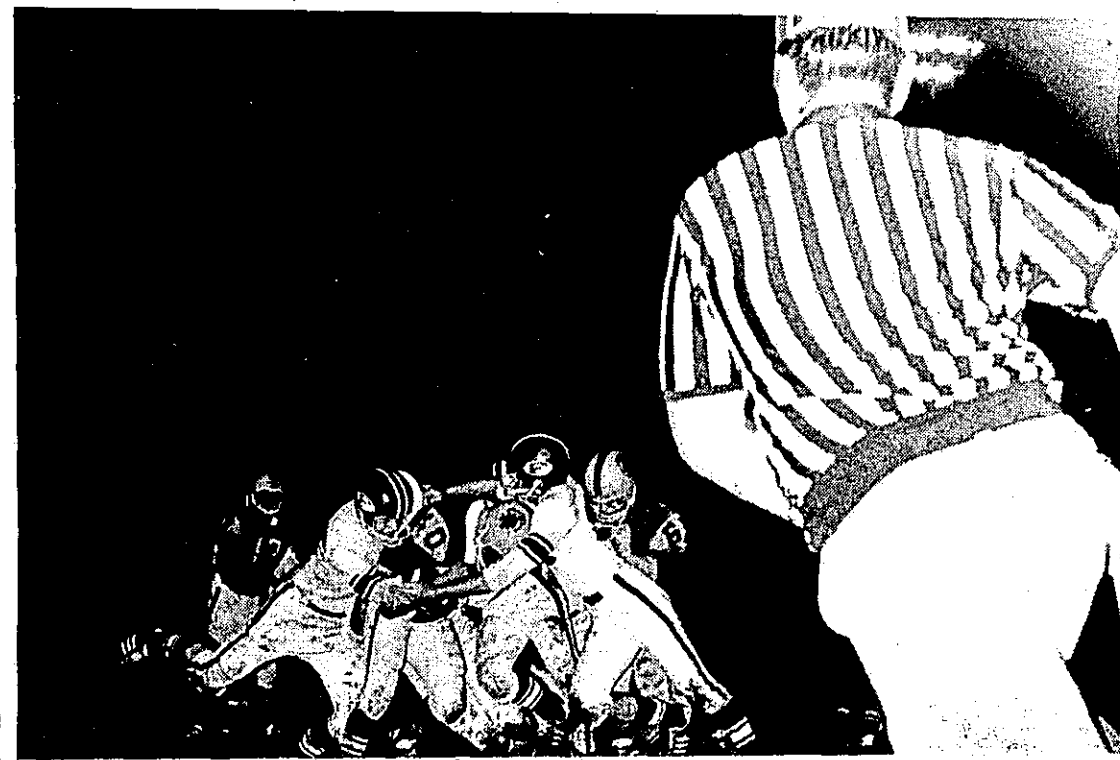

Fowler will face Portland St. Patrick Friday night to open their conference play at home.

GYM WAS NEVER LIKE THIS

It was bound to happen sooner or later—a co-educational gym class. The experiment at DeWitt High School finds these students in a good mood, making plans for a week of horseback riding as part of the class. During the year students will participate in swimming, archery, riding and bowling among their "gym" activities. Even though the class is mixed, note the self-enforced segregation between the young men and women.

The Clare Alderman family entertained Jean Pierre Vannier and Bozlo Jean Yves, two young French students living near LeMans, France on Sept. 13 thru 16. These young men worked near Montreal this summer to earn money to attend college in France. Mr Yves was a pen pal of Susan. She was introduced to him thru letters when she was taking French during her sophomore year. Miss Alderman says their eating habits are different from ours. They don't care for cereal or hamburgers or hot dogs. Mrs Alderman described them as very polite young men. On Monday they visited the Ovid-Elsie High School and were very impressed. On Tuesday Tom Alderman took them to visit the MSU campus. Wednesday Tom and the two young men left for Montreal where the students will fly by jet to their native France.

Born to Mr and Mrs Gary Sage on Tuesday, Sept. 14 a baby daughter weighing in at over 7 pounds and was 21 inches long. The mother was the former Linda Swender. The infant was also a birthday present for Linda's father, whose birthday also was on that date.

Mr and Mrs Guy Cox, Mrs Richard Barker, Sue, Lori, and Rich of Lansing, and Mr and Mrs Chauncey Green and Spencer Bartlett were dinner guests of Mr and Mrs John Spencer. The occasion was Mr Spencer's 89th birthday.

The general meeting of the Shepardsville WSCS was on Thursday evening, Sept. 17. It was the first meeting of the fall season. Mrs Karl Smith presided over the business meeting. The Berean Circle was in charge of the program, with Mrs Dale Squires having the program and devotions. Her topic was "Mission to Nepal." For her Scripture reading she read from the 6th chapter of St. Mark's gospel, verses 7 through 13.

Baptized during morning worship service was Bradley Robert Walker, son of Mr and Mrs Pat Robert Walker. The Walkers reside on North Shepardsville Road. Mr and Mrs John E. Open Letter
from VAN W. HOAG

Dear friends,
The funeral director, as well as the clergyman has a responsibility to ease the grief of the bereaved family. His counsel can be relied upon in the difficult time from the hour of passing to the final service.
To relieve the sorrow of the distraught survivors and to add a comforting memory picture is the funeral director's sincere concern.

Respectfully,

Van W. Hoag

MRS MARTIN H. MILLER

Elaine Ruhl bride of Martin Miller

Most Holy Trinity Catholic Church in Fowler was the scene of the Saturday, Aug. 22 double ring ceremony uniting in marriage Elaine A. Ruhl and Martin H. Miller. Rev. Bernard Beahan performed the 2 p.m. ceremony before an altar decorated with white, yellow and orange mums and gladiolus.

The bride is the daughter of Mr. and Mrs. Arnold Ruhl of Route 2, Fowler and the groom is the son of Mr. and Mrs. Marvin Miller of Route 2, Fowler.

The bride was given in marriage by her father and mother and chose an empire-style gown of acetate and nylon over acetate taffeta featuring an A-line skirt, stand-up collar, above a yoke of lace and nylon, and long puff sleeves, fitted at the wrists. Lace bordered the detachable train of sheer nylon over taffeta which was attached at the waistline and accented with a ribbon. A cluster of embroidered lace daisies accented with crystal beads secured her elbow-length veil and she carried a basket of white daisies and yellow sweet-heart roses accented with baby breath.

Nancy Anderson of Detroit, sister of the bride, served as matron of honor and was assisted by Judy Biersstetel of Pewamo, sister of the bride, Lois Miller of Fowler, sister of the groom and Linda Thelen of Fowler,

friend of the bride, Judy Biersstetel of Pewamo, niece of the bride, was flower girl. The attendants wore floor-length peach empire-style gowns featuring long puff sleeves trimmed with lace daisies. A cluster of daisies secured their short veils and they carried baskets of orange, yellow and white daisies and mums.

Alan Miller of Fowler served as best man and was assisted by groomsmen, Alan Ruhl of Fowler, brother of the bride, George George of Fowler and Gary Schueller of Fowler, friends of the groom. Patrick McNamare of Fowler was ring bearer.

The couple greeted 500 guests following the ceremony at a dinner which was held at the Holy Trinity School Hall in Fowler and at the reception following at the Fowler Conservation Park.

Special guests at the wedding and reception were Mr. and Mrs. Arnold Miller of Fowler and Mr. and Mrs. Harold Patchin of Crystal, both grandparents of the groom and Mrs. Ida Belen of Lansing, great-aunt of the bride.

Following their wedding trip to California the couple will make their home at 231 Bath Street, Fowler.

The bride and groom are both 1968 graduates of Fowler High School.

MRS RICHARD NORMAN IRRER

Deborah Conley weds Richard Irrer

Deborah Ann Conley became the bride of Richard Norman Irrer Friday, Sept. 11 in an early evening double ring ceremony performed by Rev. William Hankard in St. Joseph Catholic Church, St. Johns. Baskets of white gladiolus decorated the altar. Organist Paul Webler, cousin of the bride accompanied soloist Cathy Zuker.

The bride is the daughter of Mr. and Mrs. Edgar N. Conley of 401 Wight Street, St. Johns and the groom is the son of Mr. and Mrs. Norman Irrer of 6718 Centerline Road, St. Johns.

The bride was given in marriage by her father and selected a floor-length organza over taffeta gown featuring an empire waistline, attached train, high neckline and long sleeves with a wide band of heavy embroidered lace covering the full length of the sleeves. The bands of lace

also extended full length on each side of the front. A Juliet cap secured her shoulder-length illusion tulle veil and she carried a bouquet of white daisies, pink rosebuds and pink streamers. Rosemary Burns served as maid of honor and assisting as bridesmaids were Susan Warstler, Kathy Irrer, sister of the groom, Sherri Helbeck and Rebecca Conley, both sisters of the bride. The attendants wore identical deep purple floor-length gowns of rayon crepe featuring velvet ribbon with orchid and green embroidered trim at the waistline, neckline and cuffs of the long sleeves. Their short tulle veils were secured in place by a cluster of velvet flowers and ribbon in colors matching their gowns and they carried white daisies with orchid streamers.

Best man was Robert Ortwein of St. Johns and serving as groomsmen and ushers were Jerry Motz of St. Johns, James Conley, brother of the bride, Dave Hambleton of Lansing and James Irrer, brother of the groom.

Mr. and Mrs. Thomas Irrer were host and hostess at the reception which was held at St. Joseph's Gym following the ceremony.

Special guests at the wedding and reception were the bride's grandparents, Mrs. Nora Brown and Mr. and Mrs. Harry Conley.

Upon return from their wedding trip to Canada the couple will make their home at the University Apartments in East Lansing.

The couple are both graduates of Rodney B. Wilson High School. The bride graduated from Lansing Business University and the groom is a senior at Michigan State University and is a student teacher in St. Johns.

MEETINGS

St. Johns Child Study Club held their annual husbands night, Wednesday, Sept. 16, at Daley's Restaurant. Thirty-two members and husbands enjoyed a potluck dinner and Det. Charles Kinney of the Juvenile Bureau of the East Lansing Post of the Michigan State Police was the speaker for the evening.

The program was highlighted by the showing of a film dealing with drug use by the youth of our nation. This film, which deals with the use of "Speed" (a stimulant) was produced in the Haight-Ashbury district of San Francisco and showed actual drug users, their lives and their dependency upon drugs. He also played a tape recording which had been made, just prior to and in contemplation of suicide, by a young man of 19 years on an LSD "Trip".

Several types of drugs were also displayed during the program. Det. Kinney summed up his presentation by pointing out that the problem of drug use is a very real and pressing problem in our society; a problem which

knows no racial, social or age barrier.

A question and answer period followed.

Next month the Child Study Club will be held at the home of Mrs. Kent Daley. The program will be Mrs. James Stiffler speaking on "The Preschool Child Meets The World".

Liliana Hicks becomes Mrs. Douglas Gager

Liliana May Hicks became the bride of Douglas William Gager Saturday, Aug. 29 in a double ring ceremony in Middleton Methodist Church. Rev. Kenneth Downing performed the 1:30 p.m. service assisted by Rev. Harold Cox.

The bride is the daughter of Mr. and Mrs. Stanley Hicks of 4850 Lakeside Drive, Perrinton and the groom is the son of Mr. and Mrs. Andrew Gager of 525 Newton Street, Middleton.

The bride was given in marriage by her father and chose a nylon over taffeta gown with inserts of white daisies applied over pink ribbon. The gown featured long full sleeves, tiny covered buttons, accenting the back to the waistline and full length train. Her white shoulder-length illusion veil was secured to a headpiece of pink rosebuds and she carried a colonial bouquet of pink sweetheart roses and white mums.

Theresa Proko of Perrinton was maid of honor and was assisted by bridesmaids, Malinda Hicks, Delinda Hicks, both of Perrinton and Debbie Gager of Middleton. Debbie Hayward of Utica was flower girl.

The attendants wore long-empire gowns in rainbow colors of peach, mint green, pale pink, blue and yellow featuring a scoop neckline, short puff sleeves, and velvet ribbon belts in a contrasting color to their gown. Their veils were secured to double bows made of material matching their gowns and they carried white single pompon mums bouquets accented with white streamers.

John Downing served as best man and assisting as groomsmen were Duane Dickenson, Mark Dodge and Scott Richards, Ushers

were Curtis Hicks, Danny Downing and Brian Downing.

The couple greeted 300 guests at the reception which was held in the church parlors immediately following the ceremony.

Following their wedding trip to the North the new Mr and Mrs Gager will make their home in Middleton.

The couple are both graduates of Fulton High School and the groom will be a sophomore at Michigan State University.

MR AND MRS GAYLE STEWART

Beatrice Thompson weds Gayle Stewart

Beatrice Faye Thompson, daughter of Mr and Mrs Floyd V. Thompson of Akron, and Gayle Wayne Stewart, son of Mr and Mrs Richard L. Stewart of St. Johns, exchanged wedding vows in the Wisner United Methodist Church, Saturday, Aug. 1 at 7:30 p.m. Reverend Clare Patton performed the double-ring ceremony. Organist was David Thompson, the bride's brother, and soloist, Mrs Beatrice Stonerock of Vassar the bride's aunt sang a new version of "O Promise Me," and "The Wedding Prayer."

The bride, given in marriage by her father, wore a gown she had designed herself. The dress, of A-line style, trimmed with white nylon lace, featured a high crown collar and lantern sleeves. It was made of nylon dotted swiss over dacron. She carried a dozen, long stemmed, red and white roses.

Irene Thompson served as her sister's maid of honor. Other bridesmaids were Maryann and Joyce Thompson, also sisters of the bride, Dawn Fent of Saginaw, cousin of the bride, was junior bridesmaid. The bridesmaids' dresses were also made by the bride and were floor length, A-line styled, and trimmed with white nylon lace. The dresses were made of coral dotted swiss and featured high crown collars and short lantern sleeves. Each of the bridesmaids carried a dozen, long-stemmed, coral and white carnations.

Bruce Harte of St. Johns served as best man. Other groomsmen were Mark Ott and Lee Schavey,

both of St. Johns. Charles Thompson was the junior groomsmen. All of the groomsmen wore mint green tuxedos while the groom wore a white one. Chester Hovey of Lake Odessa, Gary Johnson of St. Louis, Ed Skurkis of St. Johns, and Perry Patterson of St. Johns seated the 300 guests.

Following the ceremony a reception was held in the church dining hall. After honeymooning in the north, the newlywed couple will make their home in Decatur, Michigan, where the bride will be teaching school. The groom plans to return to Western Michigan University in Kalamazoo as a senior.

Carol Morriss bride of Richard Warren

St. John's Episcopal Church in St. Johns was the setting for the Saturday, Sept. 19 wedding service uniting in marriage Carol Garrett Morriss and Richard Everett Warren. Rev. Hugh Banning performed the double ring 8 p.m. ceremony before an altar decorated with large white mums and bouquets of yellow and white mums attached to seven branch floor-standing candelabras on either side of the altar. Bouquets of yellow mums, greens and Mountain Ash berries were attached to the pews.

Mrs. Harold Lundy was organist.

The bride is the daughter of Mr. and Mrs. William Judson Morriss of 208 West State Street, St. Johns and the groom is the son of Mr. and Mrs. Melvin W. Warren Sr., of 307 East Clark Street, St. Johns.

The bride was given in marriage by her father and approached the altar wearing an ivory peau de sol gown featuring a plastron of re-embroidered Alencon lace, outlined with three rows of pearls. The skirt had deep pleated panels, front and back, forming the train and the long fitted sleeves were accented with a narrow ruffle at the wrist with the same three rows of pearl trim at the base of the ruffle, as at the neckline. A close fitting cap of Alencon lace secured her long veil with a full circle wrist-length tier made of ivory marquisette bound with satin and she carried a bouquet of yellow roses and stephanotis.

Sue Lynn Smith of St. Johns was maid of honor and Mrs. James E. Miller of Columbus, Ohio, sister of the bride was

matron of honor. Bridesmaids were Lee Margaret Morriss of St. Johns, sister of the bride, Linda Jean Williams of West Springfield, Mass. and Veronica Lee Johnson of St. Johns, Christine Warren of Midland, niece of the groom served as flower girl. The attendants wore gowns made from an Hawaiian print in geometric designs of orange, yellow, greens and white on a mixed brown background featuring a full skirt gathered to the bodice above the normal waistline, a two piece collar with a V-shaped neckline and long sleeves gathered to buttoned cuffs. Different colored snoods secured their hair and they carried arm bouquets of large football mums tied with ribbons matching the color of their snoods. The flower girl carried a basket of yellow and orange mums and was dressed in print identical to the bridesmaids.

Douglas Warren served as his brother's best man and assisting as groomsmen were Melvin Warren Jr., brother of the groom, David Feldpausch, Scott Bennett and Kurt Hildorf, friends of the groom. Ring bearer was the nephew of the groom, Jonathon Warren. Seating the guests were Phillip Knight, Lee Lynam, and Terrence Miller, friends of the groom.

Following the ceremony a reception was held at the Clinton County Club.

Special guests at the wedding and reception were Mr. and Mrs. Fred Shifflet of Akron, Ohio, grandparents of the bride and grandmothers of the groom, Mrs. Alex McArthur and Mrs. E. O. Prince.

MRS. RICHARD EVERETT WARREN

For travel on their wedding trip to Northern Michigan the new Mrs. Warren chose a blue and plum plaid midi skirt and stole with a blue blouse, accented with an ascot scarf monogrammed with her new initials. Following their wedding trip

the couple will reside at the Norwood Apartments in East Lansing and both will resume their college studies.

The bride attended Lake Erie College in Painesville, Ohio and the groom attends Michigan State University.

Mary Ann Hutchinson bride of John Pollock

Mary Ann Hutchinson and John Traverse Pollock were united in holy matrimony Saturday evening, August 29, at 8 p.m. in the Sanctuary of The First United Methodist Church, Dublin, Ga.

The bride is the daughter of Mr. and Mrs. James Lambuth Hutchinson and the groom's parents are Mr. and Mrs. Traverse King Pollock, all of Dublin. The groom's grandparents are Mr. and Mrs. William Luecht of St. Johns.

The Reverend G. Reid Smith of Hialeah, Fla., cousin of the bride, officiated at the double ring ceremony.

Mrs. James R. Laney, church organist and former piano teacher of Mary Ann, presided at the organ. Mrs. Carl K. Nelson, Jr. was soloist for the occasion. She sang Sanctus by Gounod and The Lord's Prayer by Malotte.

The couple exchanged vows midst a setting of jade and emerald palms, smilax and green ti leaves. A central massive arrangement on the altar consisted of large white chrysanthemums, white gladiol, white fuji mums and pom-poms. Similar arrangements in large urns flanked either side of the choir loft. Tree candelabra, fifteen and seven branched candelabra holding cathedral candles provided a beautiful candlelight setting as the couple knelt on a satin covered prayer bench to receive holy communion. Pew markers were large white chrysanthemums, Mexican greenery and cultivated smilax.

The bride, given in marriage by her father, selected a Maurer original bridal gown of light ivory dulcette satin and pearl and crystal re-embroidered Alencon lace. The fitted empire bodice covered in motifs of lace featured a sheer organza yoke and Victorian neckline trimmed in lace and long fitted sleeves fashioned with an inset of lace extending to the pointed wrist. The skirt was A line having motifs of lace appliqued down either side and a wide border of lace forming a scalloped hemline. The full detachable chapel-length train of illusion was bordered in Alencon lace and flowed from the shoulders. Her bouffant veil of imported tiered silk illusion was attached to a bandeau caplet of beaded Alencon. She carried a bouquet

of white phalaenopsis orchids, white orchids, green cymbidium orchids, lily-of-the-valley, and stephanotis showered with Spanish lace.

She held a white lace handkerchief her mother had carried in her wedding. A diamond pendant, a gift from the groom completed her outfit.

Nancy Jay, Fitzgerald served as maid of honor and bridesmaids were Mrs. Larry Hutchinson and Mrs. Roland Hill, Dublin, Mrs. Ben Eubanks, Augusta and Miss Georgia Ann Newman, Toccoa. They were gowned alike in floor-length dresses of arabesque

green chiffon. The fitted high rise bodice featured a shirred look with ring neckline trimmed in light ivory Venice lace and long bishop sleeves banded with a cuff and lace at the wrist. Lace and covered buttons adorned the front bodice and encircled the empire from which flowed the softly gathered skirt of chiffon. White mums interspersed with green velvet bows and yardlong streamers were used as head-dresses. Their flowers were cascades of white fuji mums, variegated ivy and green velvet bows. Julie Youngblood, Swainsboro and Valerie McCord, Atlanta

served as flower girls. They were gowned alike in floor-length dresses of white organza over taffeta fashioned along the same lines as the bridesmaids, with a delicate blending of lace and green chiffon insertion to simulate the Venice lace of the bridesmaid's gowns. Their headresses were the same as the bridesmaids. They carried white baskets of carnations, variegated ivy and small fuji mums trimmed with bows and streamers of green velvet. They dropped white petals along the aisle preceding the bride.

The groom chose for his best man, James Greiner, Troy, Mich. and usher-groomsmen were David Pollock and Larry Hutchinson, Dublin, Lt. J.G. Charles Pehl, Mayport, Fla., and Robert Swanson, Ann Arbor.

Following the ceremony the bride's parents entertained with a reception in the Church Social Hall.

For their wedding trip to Michigan, the bride wore a rust and gold velvet double breasted, sleeveless pantsuit with a white orchid from her bridal bouquet. The couple is making their home in Charleston, S. C.

Helen Squiers weds Norman Rustad

The Shepardsville United Methodist Church was the scene of the Aug. 15 double ring ceremony uniting in marriage Helen Marie Squiers and Norman Clayce Rustad. Gladious and baby breath decorated the church as Rev Roger Wittrup performed the 3 p.m. service.

The bride is the daughter of Mr and Mrs Dale Squiers of Shepardsville Road, Ovid and the groom is the son of Mr and Mrs Paul Rustad of Chandler Road, Laingsburg.

The bride was given in marriage by her father and chose a full-length gown of organza fronted with lace featuring an empire waistline, A-line skirt, full Bishop lace sleeves and train accented with lace identical to the gown. Pink ribbon accented the high neckline and front of the gown. An organza bow secured her calf-length veil of silk illusion and she carried a colonial bouquet of pink stephanotis, lavender clumps of status and baby breath, accented by streamers of pink, white and lavender love knots.

Mrs Carol Melson of Kalamazoo, sister of the bride, was matron of honor and assisting as bridesmaids were Linda Squiers of Ovid, Kristine Wyrick of East Lansing and Mrs Mary Werner of Pewamo. The attendants wore gowns of lavender taffeta with a chiffon overskirt gathered for fullness at the empire waistline. White cotton lace accented the yoke, stand up collar and cuffs of the Bishop sleeves. Their headpieces were fashioned after the bride's with lavender and white cotton flowers joining at the top with lavender ribbon bows and they carried colonial bouquets styled from the bridal bouquet.

Jerry Rustad, brother of the groom was best man and assisting as groomsmen and ushers were Douglas Steere, Neil Curtis and Tony Curtis.

The couple greeted 200 guests at the reception following the ceremony which was held in the church parlors.

Special guests were Mr and Mrs Wayne Cook of St. Johns, grandparents of the bride and the groom's grandmother, Mrs Minnie Yonn of South Carolina.

The new Mrs Rustad chose a

white crocheted fitted A-line dress with a pink underdress and pink accessories for travel on their two week wedding trip to Rocky Mt. National Park, Grand Canyon and Phoenix, Ariz., where they will visit the bride's sister.

Upon return they will make their home at 311 Moore's River Drive, Lansing.

The bride is a 1968 graduate of Ovid-Elsie High School and the groom is a 1964 graduate of Laingsburg High School and will enter Lansing Community College this semester.

MRS LUKE P. WEBER

Mary Jo Hungerford bride of Luke Weber

St. Joseph Catholic Church in St. Johns was the scene of the Sept. 5 double ring ceremony uniting in marriage Mary Jo Hungerford and Luke P. Weber. Rev William Hanked performed the early afternoon service before an altar decorated with bouquets of yellow gladiolus and white daisy mums.

The bride is the daughter of Mr and Mrs Harry Hungerford of 1348 Airport Road, St. Johns and the groom is the son of Mr and Mrs Urban Weber of Route 1, Fowler.

The bride was given in marriage by her father and chose a full-length gown of chiffon featuring a bodice of lace and seed pearls with a portrait neckline and elbow-length sleeves. The full skirt was applied with lace and a detachable chapel-length train, also detailed with lace appliques was attached at the shoulders. Her finger-top veil was secured in place by an organza bow, accented with seed pearls and she carried a bouquet of red roses with white daisy mums.

Jeana Murray of Royal Oak was maid of honor and assisting as bridesmaids were Mrs Sheridan Strickland of Holly, Beverly Sayles of Drayton Plains and Carol Weber of Fowler. Karen Thelen of Fowler was flower girl. The attendants wore floor-length empire-style gowns with long voile sleeves. Two were in yellow and two in mint green.

A daisy velvet bow secured their veils and they carried bouquets of white daisies.

Richard Smith of Fowler was best man and serving as groomsmen were Gary Weber, Clare Koenigsnecht and Paul Weber all of Fowler. Seating the guests were Ken Weber and Don Hungerford. Skip Smith of St. Johns was ring bearer.

The couple greeted 500 guests at the reception which was held in St. Joseph's Social Hall following the ceremony.

Special guests at the wedding and reception were Mrs Margaret Smith, grandmother of the bride and Mrs Leona Thelen, grandmother of the groom.

The new Mrs Weber chose a dress and coat ensemble of red, white and blue with red accessories for travel on their wedding trip to Lake Michigan.

The couple are making their home at 10866 North Drive, Fowler.

The bride is a 1965 graduate of Rodney B. Wilson High School and the groom is a 1963 graduate of Fowler High School.

90th BIRTHDAY PARTY

About 150 were present Sunday at the open house in honor of the 90th birthday of Mrs. Clayton Potter at the Middlebury United Methodist Church.

The dining room was decorated with red and white crepe paper streamers and red roses with arrangements of cut flowers about the room. A large blackboard was covered with white and bore the words "Happy Birthday" in red. Traditional refreshments were served from the linen covered table centered with a large birthday cake decorated in red and white which was flanked by lighted red candles.

Presiding at the refreshment table were Mrs. Kaye Potter who served the cake, Mrs. Edith Schuknecht, Mrs. Florence Barber, Mrs. Charles Warren and Mrs. Leon Williams who poured. Great-granddaughter, Karen Potter, was in charge of the guest book, while the other two great-granddaughters, Jane and Donna assisted in the serving. Out of town guests who attended were Mr. and Mrs. Frank Shepard of Rochester, Mr. and Mrs. Don Shepard and sons, Bruce and Richard of Royal Oak and Rev. Mrs. Townsend of Otisville.

Mrs. George Putnam decorated the birthday cake.

Mr. and Mrs. Greg Lill, John and Cindy of Wheaton, Ill. and Mr. and Mrs. Robert Knight of Traverse City were Sunday guests of their parents, Mr. and Mrs. Charles Warren.

Mr. and Mrs. Don McLarty and girls of Blenheim, Ontario, spent several days recently as guests of Mr. and Mrs. Russell Potter.

About 50 were present for the cooperative supper and reception in honor of newlyweds, Mr. and Mrs. Kyle Austin which was held recently at the Middlebury United Methodist Church. The dining room was attractively decorated throughout with pastel yellow and green crepe paper streamers and white bells. Bouquets of cut flowers placed about the room completed the decor. The gift table was similarly decorated and was the center from which the honored couple opened their gifts. Hosts for the occasion were Mr. and Mrs. Richard Whitmyer, Mr. and Mrs. Earl Tubbs and Earl Putnam and Grace.

The Middlebury WSCS will meet Tuesday evening, Sept. 22 at 8 p.m. at the church with Mrs. Earl Tubbs, Mrs. Don Craig and Mrs. Harold Gardner as hostesses. Mrs. Charles Warren will be program leader and Mrs. James Warren will lead the devotionals.

Business notes

By MIKE PREVILLE News Advertising Manager

We had a bit of trouble with last week's Football Contest. We're sure you did too. We ran into trouble at the last minute when we discovered we didn't have a schedule of games. So we all racked our brains and came up with 16 contests...

Paul Hurst of St. Johns was the winner of the Football Contest and a check for \$20 is in the mail. Paul made only one wrong selection (not counting the three everyone got wrong) when he picked DeWitt over Bath...

A final note on the contest... be sure to select the winning team in the tie-breaker as well as estimating the number of points.

County merchants will be happy now that Advertising rep.

Carla Vincent is back to work. Carla was out because her appendix were. And both Dick Coletta and I were told we weren't even half as pretty.

Mrs. Elizabeth Thrush of DeWitt picked up \$10 at the Hen's Nest in DeWitt in the County News' Bazaar of Values drawing. Mrs. Thrush will be the last \$10 winner because for the next three weeks \$20 will be the prize and the final week's winner will bank \$100. If you could use some of that be sure to sign the sales slip you receive at a participating merchant and get it to the News office...

Did you see what the Lions did to the Packers? Do you believe it? We don't. We know that somehow Editor Tim Younkman paid off CBS, the NFL and all the papers in the state just so he could win his bet. Actually the final score was Green Bay 17-Lions 14, just like we predicted.

We covered the Pawamo - Westphalia vs Carson City football game Friday night and discovered high school football is much improved from when we used to play. Actually we never say too much about our days as center for the Brimley Bays. We still get embarrassed and have stomach pains. We started every game for three years as end (until the knee went out) or center on the six-man team. Our record was unblemished. We never won a game... the junior varsity beat us that last year. We lost to Pickford twice one year... 83 to 3 and 76 to 6. Here come the pains.

Football winner-Paul Hurst of St. Johns, winner of the County News' Football Contest receives the \$20.00 prize from News Advertising rep., Carla Vincent. This week's edition of the contest can be found on page A-6.

ORDINANCE NO. 58

AN ORDINANCE TO AMEND ORDINANCE NO. 43, AS AMENDED, AND TO ESTABLISH RATES AND CHARGES FOR THE USE OF THE MUNICIPAL WATER SYSTEM OF THE VILLAGE OF OVID, MICHIGAN.

SECTION 1. That Section 14 of Ordinance No. 43, of the Village of Ovid, Michigan, entitled "AN ORDINANCE RELATIVE TO THE CARE, PROTECTION AND PRESERVATION AND CONTROL OF VILLAGE WATER SYSTEM", be deleted and amended to read as follows:

SECTION 14 Every service shall have a meter installed and the Village Commissioners shall read the same and bill the property owners monthly. All bills shall be payable on the 20th day of the month following the period of service and shall be paid at the Office of the Village Clerk. If any charge for the services of this water system shall not be paid by the due date, a charge of 10% of the amount of the bill shall be added thereto and collected therewith. If any bills for the service of the water system shall remain unpaid after 30 days following the rendition of the bill therefor, the water supply for the parcel of land or premises affected, shall be cut off and shall not be turned on again except on payment in full of the delinquent charges therefor in addition to the payment of a charge of \$5.00.

No free service shall be furnished by the water works to any person, firm or corporation, public or private, or to any public agency or instrumentality. Any water furnished to the Village, other than by fire hydrant, shall be charged against the Village at regular metered rates and shall be paid for monthly as the service accrues from the current General Fund or from the proceeds of taxes which the Village is authorized and required to levy in an amount sufficient for the purpose.

SECTION 2. That Section 15 of Ordinance No. 43, of the Village of Ovid, Michigan, entitled "AN ORDINANCE RELATIVE TO THE CARE, PROTECTION, AND PRESERVATION AND CONTROL OF THE VILLAGE WATER SYSTEM" be deleted and amended to read as follows:

SECTION 15. KATHERINE HUSS Village Clerk.

THE WINNERS

Here are the winners of the 1970 Clinton County 4-H rifle shooting contest held last month in Ovid. Kneeling in foreground are Judy Schwark of the Spring Valley 4-H Club, winner of the 14-15 year girls' class; and Jeff Hazle of the Bengal Community, winner of the 12-13 year boys' class. Standing from left are David Schwark of the Spring Valley club, who topped the 16-17 year boys' class; and Stuart Hazle of the Bengal club, winner of the 14-15 boys' class.

MSU to hold Beethoven festival

A unique, week-long Beethoven Festival, featuring three outstanding, young soloists and the famed Chicago Symphony Orchestra, will be held at Michigan State University, Nov. 2-6.

The Festival, commemorating the bicentennial of the birth of Ludwig van Beethoven, will be presented by MSU's Lecture-Concert Series and the College of Arts and Letters in cooperation with the Department of Music and WMSB-TV. The performances will be held in the University Auditorium at 8 p.m. The three soloists are:

-Daniel Barenboim, 27-year-old Israeli pianist and conductor who mastered all 32 Beethoven sonatas at 14. -Jacqueline du Pre, English cellist who, at 24, has been compared by some critics to Pablo Casals. -Pinchas Zukerman, 22-year-old Israeli violinist and protégé of Isaac Stern.

"This Festival is unique," points out Dr. Wilson Paul, director of MSU's Lecture-Concert Series, "because of its outstanding soloists and an orchestra that is considered one of the world's finest."

The Chicago Symphony, under the baton of Daniel Barenboim, will present two concerts and open rehearsals.

The open rehearsals, another distinctive aspect of the MSU Festival, will allow university students and the public the rare opportunity to see a great orchestra preparing for a concert.

In its Nov. 4 concert, the orchestra, will perform Beethoven's "Eroica Symphony" and, with Miss du Pre as soloist, Dvorak's "Concerto for Cello and Orchestra in B Minor."

On Nov. 6, the orchestra will present Beethoven's "Symphony No. 8" and Dvorak's "Two Pieces for Cello and Orchestra."

Jacqueline du Pre and Barenboim, who are husband and wife, frequently concertize together. Often, she appears as soloist while he conducts the orchestra.

Miss du Pre, who plays a Stradivarius cello valued at \$90,000, is considered one of the world's great cellists. At 5 she began to play the cello and at 10 had won a Suggia Scholarship to the London Cello School where she studied with William Pleeth.

Monday, Nov. 2, Miss du Pre and Barenboim will be heard in an all-Beethoven recital featuring works for cello and piano. Tuesday, Nov. 3, Barenboim will present a piano recital of four Beethoven sonatas.

Barenboim who has concertized since he was 7, won acclaim from critics early when he made his London debut in 1956 with Josef Krips and the Royal Philharmonic. In 1958, at 16, he made his New York Town Hall debut which promoted one critic to write, "his future can be as big as he chooses to make it."

When only 10, Barenboim began to study conducting with Igor Markevitch at the Mozarteum in Salzburg. His approach to conducting was gradual beginning with orchestras in Melbourne and Sydney and later, the Israel Philharmonic which he conducted on its last American tour.

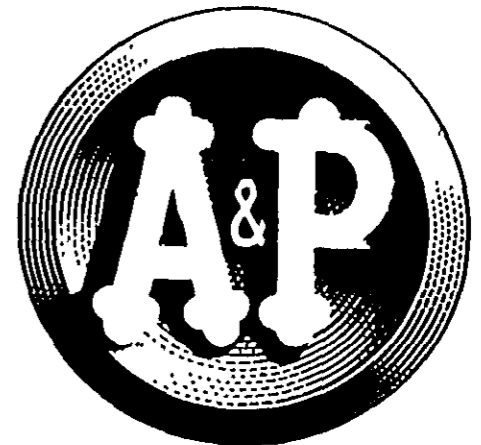

He has been praised for his conducting of Beethoven's works because he brings to a Beethoven symphony the same discipline he would bring to a Beethoven sonata.

Zukerman, though only 22, quickly won the praise of critics when he was asked by the great violinist, Isaac Stern, to fill several engagements for him when he fell ill.

Thursday, Nov. 5, in MSU's Beethoven Festival, Zukerman will perform Beethoven's "Sonata in C Major, Opus 30, No. 2" as well as works by Handel, Bach and Faure.

Zukerman was enrolled in the Israel Conservatory and Academy of Music in Tel-Aviv at the age of seven. In 1961, Isaac Stern and Pablo Casals heard him and recommended further study at Juilliard. With assistance from the American-Israel Cultural Foundation, he attended Juilliard where he studied with Ivan Galamian.

Tickets for the entire festival are available by mail from the MSU Union Ticket Office. Special rates are available to those holding season tickets to either Series "A" or "B" of MSU Lecture-Concert Series.

Tri-County mental health center dedicated

The new St. Lawrence Hospital mental health center serving the Tri-County area, especially north Lansing and Clinton County, was officially dedicated at ceremonies Saturday. The new three story structure is located behind the hospital, adjacent to the nurses home.

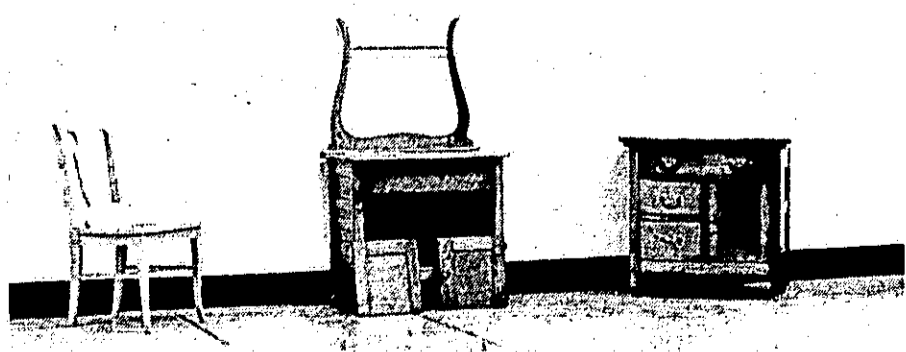

The new facility was officially dedicated Saturday with several hundred political, medical, religious and educational representatives on hand. Helping out the traditional ribbon at the dedication ceremonies were U.S. Rep. Charles E. Chamberlain, Lee Sayre, associate administrator, Sr. Mary Janice, administrator, Sam Obrecht of the hospital board and Dr. Jose Llinas.

View of the conference room and education center on the first floor with carpeting and new office equipment.

Another feature that has educators and administrators enthusiastic about the center is the television monitoring system area designed to aid students and doctors examine the delicate world of those who are mentally disturbed.

This is the new game and crafts room designed to aid the day patients with rehabilitation programs. Some patient-made furniture currently for sale is in the background.

Milking system

A semi-automatic milking system that will greatly increase present milking rates has been developed by dairy researchers at Michigan State University. This system, which has an automated detaching unit, can help a farmer milk 80 to 120 cows per hour, according to Dr. C. A. Lassiter, MSU dairy researcher. That's two to three times the rate of milking systems now being used.

Polka dot people next?

Michigan State University scientist Everett S. Benke has discovered a fungus that makes white spots on dark people and dark spots on white people. It was identified during Dr. Benke's recent visit to Sumatra, an Indonesian island.

EXTENSION REPORT.

Corn leaf blight

By GEORGE McQUEEN

Corn leaf blight is in Clinton County fields.

Recent news coverage has raised concern about our corn yields. The leaf blights are caused by fungi.

Indications are that hot humid or moist conditions encourage disease development. Should the disease hit young corn plants ears may be immature and chafy.

Three leaf blights caused by fungi occur in Clinton County. None should be of importance except on a very few fields of certain hybrids.

Greater concern comes from weakening the plants so other diseases can cause damage. In 1969 extensive development of stalk rot seemed to follow the leaf blights. As a result many fields lodged severely and were extremely difficult to harvest.

No practical control measures are known.

Problems from blight in Clinton County can be reduced by 1) thorough plowing to cover all old stalks and leaves, 2) the drainage to SCS specifications, 3) careful selection of hybrid,

4) early planting, and 5) early harvest.

The fungus overwinters on last year's stalks and leaves so complete covering by soil during plowing should reduce early infection. Spores are easily carried by wind and other means, however, from field to field.

Adequate drainage allows early planting, better plowing, reduces moisture and humidity on the soil surface, promotes a healthy plant with a vigorous extensive root system.

Current commercial hybrids show limited resistance to the

disease. By using Extension Bulletin 431 "Hybrids Compared," selecting high yielding hybrids resistant to lodging should reduce secondary effects. Resistance in some inbreds or breeding stock has been found and should appear in commercial varieties in the near future.

Not enough is known of these diseases to predict what may happen next year. This year's corn crop in Clinton County appear far enough matured that yield reductions should be minor from the leaf blights.

Prince elected 'stock secretary'

James W. Prince of St. Johns was elected executive secretary of the Michigan Livestock Markets Association at the group's semi-annual meeting in East Lansing.

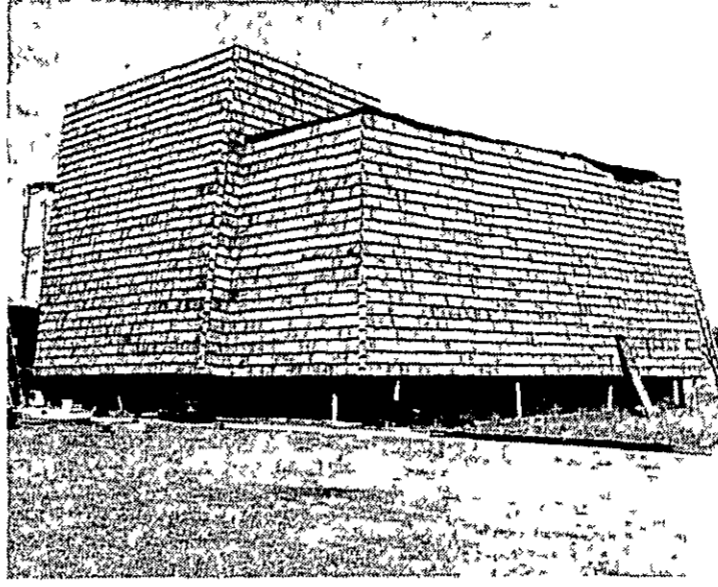

Prince, the outgoing president of the association, was appointed special representative for Michigan.

Other officers elected were, Lester Sutton of Owosso, president; E. D. Bim Franklin, of Mason, vice-president; Orin Heschelwerdt, Napoleon; Robert C. Weaver of Gaylord, director of Certified Livestock Markets Association, the industry-wide organization of livestock marketing businesses.

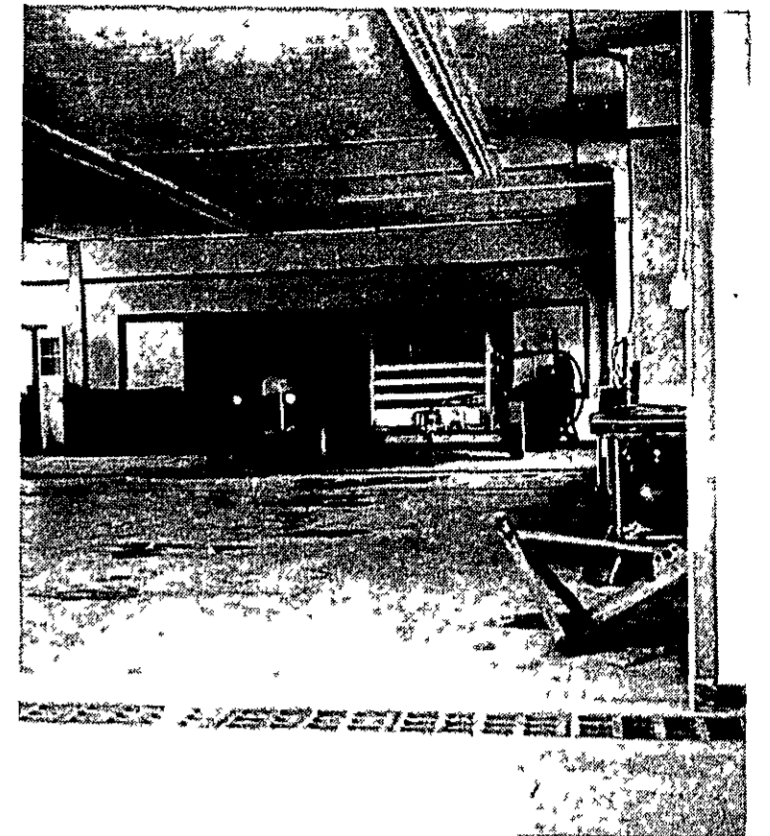

Headquartered in Kansas City, Mo., the organization is made up of some 750 businesses located throughout the nation.

A look at new faces in DeWitt

Nearly completed is the new Hope Lutheran Church of DeWitt, with its modern and unique design, brightening the landscape along Herbison Road just west of U. S. 27.

The interior of the bus garage reveals the once overflowing classroom for elementary school students. Now it can serve the expanding bus fleet of the DeWitt school system.

Newly transformed from an elementary school, the L. J. Griswold building has become an administration building for the DeWitt schools complete with a newly remodeled bus garage, at right.

COME TRY ON A VEGA

And it's got a lot of doors to open, too. Because our new little car, the Vega, is actually three little cars. A coupe, a sedan, and a wagon.

Plus there's a fourth Vega, a little panel truck. We'll open our doors for Vega business on September 10. We invite you to come in and see why we call this the little car that does everything well. And while you're here, pick up a Vega catalog. It's good reading. Then talk to our salesman. It's good conversation. Bring a friend.

State's corn crop reflects increase

The Michigan State Agricultural Stabilization and Conservation Committee indicated today that damage by the southern corn leaf blight is continuing to affect both daily and future corn market prices.

Extent of the damage is still unknown, however, the September USDA Crop Report reflects a six percent drop in the national corn production according to Nick Smith, chairman of the committee.

Michigan farmers appear to be more fortunate according to the most recent crop report, he said. The USDA crop report, released Sept. 11, estimates an increase in corn production in Michigan of about 17.75 million bushels over last year.

The offering for sale of Commodity Credit Corporation-owned corn and oats from binsites throughout the state and nation has operated for the benefit of the consumer, Smith said, by tending to stabilize market conditions at a time when the un-

'The coach' - man to remember

The Late Vince Lombardi, "The Coach," lived by the theory that if you cannot teach love by living, values by valuing, trust by living by trusting, self-confidence by being adequate, hope by joy in your own adulthood—then our lives and those most closely associated with us, may be a bit less than what God had intended them to be.

Vince Lombardi—coach and man "exemplaire"—left a legacy of his own making when he died recently at the age of 57. He was eulogized by the great and not-so-great by leaders and followers; by doers and donors and the not sports orientated populace.

With his passing, the nation lost more than a football genius, Vince Lombardi, became a legend because he was also of great character, a man unlike in the personal virtue, an original personality style, a complete willingness to give every ounce of energy all the time and an uncommon ability to infuse a collection of burly footballers with pride and high passion.

He was a task-master who drove his players to an advanced state of exhaustion on the practice field.

Rev. Tim Moore, a friend of Vince Lombardi's since his early school days said, "Vince was first of all man of great principle."

Rev. Bernard Lickteig stated, "Vince was a great teacher. Part of the results of his successful career is due to the obvious integrity of the man."

Vince (or "Vin" as his old friends refer to him) was deeply in love with football, both for what it demanded and for what it returned in satisfaction.

Vince Lombardi gained world wide favor for his determination to instill his personal goals in the hearts, minds and into the very spirits of the young and older football players alike.

But as much as he drove his players (sometimes to a state of exhaustion) he was also a sentimental man, his players grew to love him in spite of themselves.

How many of us can stand back and say "I have given my best to all at all times. With my passing, I shall be remembered for my integrity, great courage, firm beliefs, . . . my ability to teach those around me that once a job was begun—to keep at it to the finish, and all the while I demanded the fullest measure of perfection but also kept the love and respect of my pupils?"

If each of us can answer yes to all this—Well Done—Coach.

Emergency rules for the allocation of the \$500,000 appropriated by the Michigan Legislature to be used for cost sharing on migrant housing became effective Aug. 20, 1970. The money is allocated to seven regions based upon the proportion of state's licensed camp capacity in each region. The administration of this Act will be carried out by the Michigan Department of Public Health.

Specific questions and requests for copies of rules and application forms should be addressed to: "Notm/Papsford, Chief, Agricultural Labor Camp Unit; Michigan Department of Public Health; Division of Engineering; 3500 N. Logan; Lansing, Mich. 48914.

Who is Eligible?—Any individual corporation, partnership, unincorporated association or any combination thereof who operates or proposes to operate a licensed agricultural labor camp can apply for a grant.

Size of Grant—The grant shall not more than 50 percent of the cost of the project with a maximum limit of \$5,000. The project costs can be greater than \$10,000 but the grant will amount to not more than 50 percent of a \$10,000 portion of the project.

The proposed housing must meet the standards of the camp licensing act, Act No. 289 of the Public Acts of 1965.

Necessary buildings and permanently installed equipment such as plumbing and central heating will be considered for a 50 percent grant but furnishings and temporary equipment will not.

For dual-purpose housing only that portion which relates directly to housing will be considered.

The camp must be used for migrant housing for three years or a proportionate amount of the grant will be recovered.

"Applications for fiscal 1970-71 will be accepted for construction that is performed after July 1, 1970."

Application Forms—Were due "midnight September 14, 1970. Any application bearing a postmark prior to this date and time disqualified the applicant for a grant." (The applications are then given a priority based on the time of postmark after midnight Sept. 14, 1970).

Payment of Grant—The grant will be paid upon completion of the project, submission of cost information and inspection of the project by the Department of Health.

Some months ago several South West Michigan fruit growers were faced with a situation whereby much of the migrant housing in the state was in danger of being cited as being inadequate for the migrant workers.

Inspection by the Michigan Department of Public Health pointed out that much of the available housing and related facilities for migratory farm workers and their families, was in need of remodeling, improving or reconstruction to bring them to minimum standards of health and sanitation. The growers emphasized that this would be very costly to the farmer and financial help would be needed.

New look for foods

Michigan State University food scientists have taken the color, odor and taste out of plant protein. The process will enable food processors to remove objectionable colors (like green from oranges or carrots, for example). It would also allow them to use colorless, odorless and tasteless plant protein as a means of enhancing low protein foods.

Clinton County Commission Proceedings

MONDAY, MAY 18, 1970

WITNESSETH:

The Clinton County Board of Commissioners met Monday, May 18, 1970 at 9:00 a.m. Prayer was offered by Ernest Carter. A pledge of Allegiance was given to the flag. Roll was called and a quorum reported. Commissioner Cobb was excused.

Minutes of the April 14 and 21 meetings were presented. It was moved by Hufnagel, supported by Sirrine, to approve the minutes as presented. Voted and carried.

Communications were read: A note from AAA Ambulance Service thanking the Commissioners for the courtesy shown them at a committee meeting, was read.

A letter from Barbara MacKinnon, Chairman of Bement Library Board, offering the name of Edward Idzkowski for appointment to the County Library Board, was read. Action was deferred until the next meeting.

A letter from Robert J. Russell, State Jail Inspector, which stated that present Clinton County Jail facilities are adequate but that there is a need to study the size, design and location of the present jail to determine the future needs and demands for the county.

A number of resolutions (9) received since the last meeting were referred by the chairman to the Resolutions Committee.

A communication from James Folks, State Representative of the 49th District, explained HB 4682. This bill would change the method of dividing State Income Tax.

RE: Michigan Association of Counties Annual Meeting at Mackinaw Island to be held July 6-7-8-1970.

It was moved by Lankford, supported by Chamberlain, to pay the per diem pay for Commissioner Shepard to attend the meeting. On a roll call vote, those voting aye—Chamberlain, Montgomery and Lankford. Nays—Nobis, Gove, Sirrine, Underhill, Hufnagel and Andrews. Shepard abstained, Cobb was excused. 3 aye votes, 6 nays. Motion declared lost.

It was then moved by Gove, supported by Andrews, to pay expenses for any Commissioner wishing to attend the meeting. On a roll call vote, those voting aye were Nobis, Gove, Sirrine, Chamberlain, Underhill, Hufnagel, Montgomery, Lankford, Andrews and Shepard. Nays—none. Commissioner Cobb was excused. Motion declared carried.

It was moved by Gove, supported by Hufnagel, to accept the communications and place on file. Voted and carried.

Prosecuting Attorney Pat Kelly reported on rental procedures relative to Smith Hall. It is his opinion that the Board does have the right to rent the facilities consistent with the established policies of the Board. That no discrimination may be shown, but establishing a policy of reduced rates to church or non-profit groups was permissible.

Commissioner Lankford reported a request by Judge Duguay, Gordon Jacovoni, Probation Officer, and Agnes Danley, Friend of the Court to attend their respective State Association Annual meetings. It was moved by Lankford, supported by Hufnagel, to approve the requests. Voted and carried.

The Board recessed for committee meetings at 10:00 a.m. Upon again coming to order, Betty Minsky introduced Tim Younkman, newly appointed Clinton County News reporter.

The Clinton County Road Commission presented a recommendation on division and implementation of the millage proposal for road improvement which will be considered at the Aug. 4 primary. This includes a proposal to bond the County in the amount of \$3,200,000. The bond to be repaid from the proposed millage proposal and also monies from the Motor Vehicle Hwy. Fund Acts 51 and 143. Discussion followed.

The bond issue would reduce the implementation time from a 5 year to a 2 year construction program. An alternate plan which would increase the millage levy to 2 3/4 mills and the bond issue to \$3,600,000 was also considered.

It was moved by Andrews, supported by Montgomery, that this Board approve the road program as presented, 1 1/2 mills levy to be divided as follows:

Road Improvements	.75 Mills
Bridges and Culverts on Local Roads	.50 Mills
Matching Funds for Townships	.25 Mills
Total	1.50 Mills

The said millage levy to extend for a 5 year period. A bond issue in the amount of \$3,200,000 to finance the program to also be approved.

On a roll call vote, those voting aye—Nobis, Sirrine, Chamberlain, Underhill, Hufnagel, Montgomery, Lankford, Andrews and Shepard. Nays—Gove, Cobb was absent. 9 ayes, 1 nay, 1 absent. Motion carried.

It was moved by Montgomery, supported by Chamberlain, that the program, page 3 (Road Commission report) meets the approval of this Board. Voted and carried.

RESOLVED that, in the event the proposed millage issue is approved by the voters, the Commission shall increase its contribution to the dust abatement program from \$2,500 to \$4,500 per year to each participating Township.

1/4 Mill Matching Fund to be Used for Township Matching Funds: Approximately \$215,000 in five years equal \$43,000 per year. Dale Chapman chairman of Department of Public Works, presented a signed agreement or contract with the Village of Maple Rapids in the amount of \$415,000. The same to be financed by a 15-year bond issue. Total cost of the project to be \$678,456. The balance to be financed by state and federal grants.

It was moved by Hufnagel supported by Chamberlain to approve the Resolution. On a roll call vote, those voting aye—Nobis, Gove, Sirrine, Chamberlain, Underhill, Hufnagel, Montgomery, Lankford, Andrews and Shepard. Nays, none. Cobb was absent. 10 ayes, no nays. Motion declared carried.

RESOLUTION: THIS CONTRACT, made and entered into this 14th day of May, 1970, by and between the COUNTY OF CLINTON, a Michigan county corporation (hereinafter referred to as the "County"), by and through its Board of Public Works, party of the first part, and the VILLAGE OF MAPLE RAPIDS, a Michigan municipal corporation located in the County of Clinton, Michigan (hereinafter referred to as, the "Village"), party of the second part,

WHEREAS, it is immediately necessary and imperative, for the public health and welfare of the present and future residents of the Village, that adequate and proper facilities for the disposal of sewage be acquired and constructed to service the Village; and

WHEREAS, the County, under the provisions of Act 185, Public Acts of Michigan, 1957, as amended (hereinafter sometimes referred to as the "Act"), has established a Department of Public Works for the administration of the powers conferred upon the County of said Act, which department is under the immediate control of a Board of Public Works (hereinafter sometimes referred to as the "Board"); and under the general control of the Board of Commissioners of the County of Clinton; and

WHEREAS, said Act authorizes a county to acquire sewage disposal systems as defined in said Act, and to improve, enlarge, extend and operate such systems; and

WHEREAS, by the terms of said Act, the County and the Village are authorized to enter into a contract for the acquisition, improvement, enlargement or extension of a sewage disposal system and the payment of the cost thereof by the Village, with interest, over a period of not exceeding forty (40) years, and the County is then authorized, pursuant to appropriate action of its Board of Commissioners, to issue bonds of the County to provide the funds therefor, secured primarily by the full faith and credit contractual obligation of the Village and secondarily by the full faith and credit pledge of the County if duly authorized by appropriate resolution of its Board of Commissioners; and

WHEREAS, said Act provides the only practicable method and means for acquiring and financing the necessary sewage disposal facilities and appurtenances so vitally necessary for the public health and welfare of the residents of the County residing in the Village to be served, and will result in the lowest cost for the money necessary to be borrowed for such purpose; and

WHEREAS, plans and an estimate of cost of the said sanitary sewer improvements have been prepared by Fischbeck and Thompson, consulting engineers, of Lansing, Michigan (hereinafter sometimes referred to as the "consulting engineers"); which said estimate of cost totals \$678,456; and

WHEREAS, in order to issue such bonds, it is necessary for the County and the Village to enter into a contract as provided in said Act; and

WHEREAS, it is also necessary for the County and the Village to contract relative to the operation and maintenance of said sewage disposal system;

NOW, THEREFORE, in consideration of the premises and the covenants of each other, the parties hereto agree as follows: 1. The County and the Village approve the establishment of a sanitary sewage disposal system in the County of Clinton under the provisions of Act 185, Public Acts of Michigan, 1957, as amended consisting of a sewage treatment facility, lift stations, sanitary sewer interceptors, trunks and other lines, force mains and pump stations, together with all necessary appurtenances and rights land adequate and sufficient to furnish sanitary sewer disposal service in those areas in the Village in need of such service. Said areas, and the sewer improvements to be located therein, shall be as set out in the plans for the project prepared by the consulting engineers and referred to in the preamble hereto.

2. The sewage disposal system referred to in paragraph 1, above is designated by the County Board of Commissioners as CLINTON COUNTY SANITARY SEWAGE DISPOSAL SYSTEM NO. 2 (VILLAGE OF MAPLE RAPIDS), hereinafter sometimes referred to in this contract as the "System".

3. The Village hereby consents to the use by the County of the public streets, alleys, lands and rights-of-way in the Village for the purpose of constructing, operating and maintaining the System and any improvements, enlargements and extensions thereto.

4. The System is designed to service those areas in the Village in need of sanitary sewer service and is immediately necessary to protect and preserve the public health, and the Village does, by these presents, consent to such service being furnished by the System to the individual users in these areas.

5. The Board and the Village hereby approve and confirm the plans for said System prepared by the consulting engineers and the estimate cost thereof in the sum of \$678,456. Said estimated cost includes all surveys, plans, specifications, acquisition of property for rights-of-way, physical construction necessary to acquire and construct the System, the acquisition of all materials, machinery and necessary equipment, capitalized interest, and engineering, engineering supervision, administrative, legal and financing expenses necessary in connection with the acquisition and construction of the System and the financing thereof.

6. The Board will acquire and construct the System and, for that purpose, will take bids for the acquisition and construction thereof prior to the time that any bonds are issued for the purpose of financing part of the cost of the System. The Board shall in no event enter into any final contract or contracts for the acquisition and construction of the System if such contract price or prices will be such as to cause the actual cost of the System to exceed the estimated cost as approved in paragraph 5 of this contract, unless the Village, by resolution of its Village Council, (a) approves said increased total cost and (b) agrees to pay the excess over the estimated cost, either in case or by specifically authorizing the maximum principal amount of bonds to be issued, as provided in paragraphs 9 and 10 of this contract, to be increased to an amount which will provide sufficient funds to meet said increased cost and a similar increase in the installment obligations of the Village pledged under the terms of this contract to the payment of such bonds.

7. The System shall be acquired and constructed by the Board in accordance with the plans and specifications thereof based upon plans approved by this contract; Provided, however, that minor variations from said plans and specifications may be made without the approval of the Village if such variations shall not materially affect such plans and specifications. All matters relating to engineering plans and specifications, together with the making and letting of final construction contracts for the System, the approval of work and materials thereunder, and construction supervision, shall be in the exclusive control of the Board. All acquisition of rights-of-way shall be done by the Village, except that immediately upon final approval and execution of this contract, the Board will acquire the three parcels of property described in Exhibit A attached hereto and made a part hereof. Funds for such acquisition shall be advanced by the County, to be reimbursed from the proceeds of sale of bonds or by the Village if for any reason bonds should not be sold.

8. The County shall be the owner of the System, and the Board shall operate, maintain and manage the same for and on behalf of and as the agency of the County, for the use and benefit of the Village and its inhabitants. Said System shall be maintained in good condition and repair to the satisfaction of the Board and the Village, which shall have the right to inspect the System at any time and to recommend to the Board any repairs, replacements, extensions or improvements which the Village may feel necessary or desirable. The Board may make such repairs, replacements, extensions or improvements as it may approve, either upon recommendation of the Village or upon its own initiative, but only after funds to pay the cost thereof shall be made available to it, and the Village shall be obligated to furnish such funds if the Board feels that the work to be performed is necessary. The County will provide insurance on the machinery, pumping stations or similar equipment of the System against fire or loss by explosion or destruction, of the comprehensive type customarily carried, and will also provide sufficient liability insurance protecting the Village and the County against loss on account of damage or injury to persons or property imposed by reason of the ownership or operation of the System or resulting from any act of omission or commission on the part of the County, its agents, officers or employees, in connection with the operation, maintenance, expansion, improvement or repair of the System. All costs of operating and maintaining the System shall be made available to the Board either directly by the Village or from rates and charges collected from users of the System. Upon proper agreement between the County

and the Village, the System may be leased to the Village and operated and maintained by it in accordance with such terms as the parties may agree upon, and upon full repayment by the Village of all costs of construction of the System, as hereinafter provided, the County shall, upon request of the Village, convey full ownership of the System to the Village.

9. To provide for the construction and financing of the System in accordance with the provisions of Act 185, Public Acts of Michigan, 1957, as amended, the Board shall take the following steps:

(a) The Board will submit to the Board of Commissioners of the County of Clinton a resolution providing for the issuance of bonds in the aggregate principal amount of Four Hundred Fifteen Thousand (\$415,000) Dollars (except as authorized pursuant to paragraph 6 of this contract) to finance a part of the cost of said System. Said bonds shall mature serially as hereinafter provided, and shall be secured primarily by the contractual obligation of the Village to pay the installments due, plus interest, as hereinafter provided in this contract, and secondarily, if approved by a three-fifths (3/5) majority of the members of the Board of Commissioners, by the full faith and credit of the County of Clinton. After due adoption of the resolution, the Board will take all necessary legal procedures and steps necessary to effectuate the sale and delivery of said bonds. The balance of the cost of the System shall be paid from proceeds of grants from the Michigan Water Resources Commission.

(b) The Board shall take all steps necessary to take bids for and enter into and execute final construction contracts for the acquisition and construction of the System, as specified and approved in paragraph 1 of this contract, in accordance with the plans and specifications therefor based on the preliminary plans as approved by this contract. Said contracts shall specify a completion date agreeable to the Village and the Board.

(c) The Board will require and procure from the contractor or contractors undertaking the actual construction and acquisition of the System necessary and proper bonds to guarantee the performance of the contract or contracts and such labor and material bonds as may be required by law, in such amount and such forms as may be approved by the Board.

(d) The Board, upon receipt of the proceeds of sale of the bonds, will comply with all provisions and requirements provided for in the resolution authorizing the issuance of the bonds and this contract relative to the disposition and use of the proceeds of sale of the bonds.

10. The cost of the System to be financed by the issuance of the aforesaid bonds shall be charged to and paid by the Village to the Board in the manner and at the times herein set forth. The principal amount thereof (\$415,000) shall be paid to the Board on the due dates and in the amounts as set out in Exhibit B attached hereto and made a part hereof. It is understood and agreed that the bonds of the County hereinbefore referred to will be issued in anticipation of the above contractual obligation, with principal maturities on the first day of the next calendar month following the due date of principal installments, in amounts corresponding to the principal amount of the above installments, and the Village shall also pay to the Board in addition to said principal installments, on April 1st and Oct. 1st of each year, as accrued interest on the principal amount remaining unpaid, an amount sufficient to pay all interest (not capitalized) due on the next succeeding interest payment date on said County bonds from time to time outstanding. The first eighteen (18) months of interest due on the bonds shall be capitalized. The Village hereby specifically agrees that the bonds shall bear such rate or rates as may be determined upon public sale thereof, subject only to such maximum interest rate limitation, if any, as may be provided by law. From time to time, the Board is authorized to employ agents or agents for the bonds to be issued for their services as paying agent, on registering bonds, and as other costs and expenses accurate to the Board from handling of the payments made by the Village, the Board shall notify the Village of the amount of such paying agency fees and other costs and expenses, and the Village shall, within thirty (30) days from such notification, remit to the Board sufficient funds to meet such paying agency fees and other costs and expenses.

Should cash payments be required from the Village in addition to the amounts specified in the preceding paragraph to meet additional costs of constructing the System, the Village shall, upon written request by the Board, furnish to the Board written evidence of its agreements and ability to make such additional cash payments, and the Board may elect not to proceed with the acquisitions or financing of the System until such written evidence, satisfactory to the Board, has been received by it. The Village shall pay to the Board such additional cash payments within thirty (30) days after written request for such payment has been delivered by the Board to the Village.

The Board shall, within thirty (30) days after the delivery of the County bonds hereinbefore referred to, furnish the Village with a complete schedule of maturities of principal and interest thereon, and the Board shall also, at least thirty (30) days prior to the due date of any Village debt service payment hereunder, advise the Village in writing of the exact amount of interest or principal and interest on the County bonds on the next succeeding maturity date.

If any principal installment or interest is not paid when due, the amount not so paid shall be subject to a penalty, in addition to interest, of one per cent (1%) thereof for each month, or fraction thereof, that the same remains unpaid after the due date. 11. The Village, pursuant to the authorization of paragraph (2), Section 12, Act No. 185, Public Acts of Michigan, 1957, as amended, hereby irrevocably pledges its full faith and credit for the prompt and timely payment of its obligations pledged for bond payments as expressed in this contract, and shall each year levy an ad valorem tax on all the taxable property in the Village in an amount which, taking into consideration estimated delinquencies in tax collections, will be sufficient to pay such obligations under this contract becoming due before the time of the following year's tax collections. Such annual tax levies, by virtue of the provisions of Section 6, Article IX of the Michigan Constitution of 1963, shall be without limitation as to rate or amount, being for the purpose of providing funds to meet the contractual obligations of the Village in anticipation of which the County bonds hereinbefore referred to are issued. Nothing herein contained shall be construed to prevent the Village from using any, or any combination of, the means and methods provided in paragraph (2), Section 12 of said Act No. 185, Public Acts of Michigan, 1957, as now or hereafter amended, for the purpose of providing funds to meet its obligations under this contract and if at the time of making the annual tax levy there shall be other funds on hand earmarked and set aside for the payment of the contractual obligations due prior to the next tax collection period, then such annual tax levy may be reduced by such amount.

12. The Village may pay in advance any of the payments required to be made by this contract, in which event the Board shall credit the Village with such advance payment on future due payments to the extent of such advance payment.

13. The Village may pay additional moneys over and above any of the payments specified in this contract, with the written request that said additional funds be used to purchase or call bonds for redemption prior to maturity, in which event the Board shall be obligated to apply and use said moneys for such purpose to the fullest extent possible. Such moneys shall not then be credited as advance payments under the provisions of Section 12 of this contract.

14. In the event the Village shall fail for any reason to pay to the Board at the times specified the amounts required to be paid by the provisions of this contract, the Board shall immediately notify in writing the County Treasurer of the County of Clinton, or such other official charged with the disbursement to the Village of funds returned by the State and now or hereafter under the Act available for pledge, as provided in this paragraph, particularly funds derived from the State Sales Tax levy, and the Village Treasurer of such default, and the amount thereof, and if such default is not corrected within ten (10) days after such notification,

the County Treasurer, or such other official charged with disbursement to the Village of the aforesaid funds, particularly funds derived from the State Sales Tax levy under the law and payable to the Village pursuant to Section 10, Article IX of the Michigan Constitution of 1963, is, by these presents, specifically authorized by the Village to withhold from the aforesaid funds the maximum amount necessary to cure said deficit, and to pay said sums so withheld to the Board, to apply on the obligations of the Village as herein set forth. Any such moneys so withheld and paid shall be considered to have been paid to the Village within the meaning of the Michigan Constitution of 1963, the purpose of this provision being solely to voluntarily authorize the use of said funds owing to the Village to meet any past-due obligations of the Village due under the provisions of this contract. In addition to the foregoing, the Board shall have all other rights and remedies provided by law to enforce the obligations of the Village to make its payments in the manner and at the times required by this contract.

15. It is specifically recognized by the Village that the debt service payments required to be made by it pursuant to the terms of Section 10 of this contract are to be pledged for and used to pay the principal of and interest on the bonds to be issued by the County, as provided by this contract and authorized by law, and the Village covenants and agrees that it will make all required payments to the Board promptly and at the times herein specified, without regard to whether the System is actually completed or placed in operation.

16. If the proceeds of the sale of the bonds to be issued by the County are for any reason insufficient to complete the System, the Board and the Village hereby agree to the issuance of additional bonds in an aggregate principal amount sufficient to complete the System and the automatic increasing of the annual payments required to be made hereunder by the Village in an amount so that the total payments required to be made as increased will be sufficient to meet the annual principal and interest requirements on the bonds herein authorized, plus the additional bonds to be issued. In lieu of said additional bonds, the Village may pay over to the Board in cash sufficient moneys to complete the System.

17. After completion of the System and payment of all costs thereof, any surplus remaining from the proceeds of sale of bonds shall be used by the Board for either of the following purposes, at the option of and upon request made by resolution of the Village Council, to wit: (a) for additional sanitary sewer improvements in the Village, subject to approval of the Board, or (b) credited by the Board toward the next payments due the Board by the Village hereunder.

18. All contracts for connection to the System, whether such connections are made during construction or after the System is placed in operation, shall be made by the Village. The actual connections are included in the cost of the System.

19. The obligations and undertakings of each of the parties to this contract shall be conditioned on the successful issuance and sale of bonds pursuant to Act 185, Public Acts of Michigan, 1957, as amended, and if for any reason whatsoever said bonds are not issued and sold within two (2) years from the date of this contract, this contract, except for payment of preliminary expenses and ownership of engineering data, shall be considered void and of no force and effect. In the event that said bonds are not issued and sold, all preliminary costs, including specifically for engineering, legal and land acquisition expenses, shall be paid by the Village, and the Village shall have ownership, possession and use of all of said land and the plans, specifications, surveys and other engineering data and materials prepared. Upon sixty (60) days written notice to the Village, the Board may call such costs due within such two-year period if it should appear that the project will not go forward.

20. The Board and the Village each recognize that the holders from time to time of the bonds issued by the County under the provisions of Act 185, Public Acts of Michigan, 1957, as amended, to finance part of the cost of the System, will have contractual rights in this contract, and it is, therefore, covenanted and agreed by each of them that so long as any of said bonds shall remain outstanding and unpaid, the provisions of this contract shall not be subject to any alterations or revision which would in any manner materially affect either the security of the bonds or the prompt payment of principal or interest thereon. The Village and the Board further covenant and agree that they will each comply with their respective duties and obligations under the terms of this contract promptly at the times and in the manner herein set forth, and will not suffer to be done any act which would in any way impair the said bonds, the security therefor, or the prompt payment of principal and interest thereon. It is hereby declared that the terms of this contract, insofar as they pertain to the security of any such bonds, shall be deemed to be for the benefit of the holders of said bonds.

21. This contract shall remain in full force and effect for a period of forty (40) years from the date hereof, or until such lesser time as the bonds issued by the County are paid in full. At such time within said forty-year term as all of said bonds are paid, this contract shall be terminated and ownership of the System shall be transferred to the Village. In any event, the obligation of the Village to make payments required by Section 10 of this contract shall be terminated at such time as all of said bonds are paid in full, except for any deficiency or penalty thereon which may at that time remain unpaid.

22. The Village shall defend, indemnify and save harmless the County and Board from and against any and all claims of any nature whatsoever, including damage to property of the County or Board or injury to or death of employees or agents of the County or Board, arising out of the construction, operation and/or maintenance of the System.

23. This contract shall inure to the benefit of and be binding upon the respective parties hereto, their successors and assigns.

24. This contract shall become effective upon approval by the Village Council of the Village, by the Board of Public Works of Clinton County, and by the Board of Commissioners of Clinton County, and when duly executed by the President and Village Clerk of the Village and by the Board of Public Works for and on behalf of the County. This contract may be executed in several counterparts.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed as of the day and year first above written.

P. M. SESSION

Upon again being called to order, Commissioner Shepard presented a letter of resignation from Lorenz Tiedt as Director of the County Equalization Department to be effective July 1, 1970. It was moved by Shepard, supported by Lankford, to accept with regret the resignation and to express to Mr. Tiedt the county's appreciation to him for the contribution which he has made to the county.

Commissioner Cobb reported on a meeting of the Grand River Watershed Council. He states that there is considerable opposition to some proposals and a raise in membership dues is also proposed. A proposal for a millage levy to be spread over the entire watershed area is considered.

Chairman Nobis directed the Resolutions Committee to draft a resolution pertaining to the Grand River Watershed proposal.

Commissioner Montgomery presented the proposed Michigan Health Department amendments to the Building Code. He moved supported by Andrews, to approve the amendment as corrected and with the additions and deletions, Voted and carried.

Commissioner Lankford presented a list of legal holidays:

Friday - 29 or May
Friday - 3 of July
Tuesday - 3 of November (Election Day)
Wednesday - 11 of November (Veterans Day)

He moved, supported by Montgomery, to concur with the Supreme Court holiday schedule and to close the Courthouse accordingly. On a roll call vote - ayes, Cobb, Nobis, Sirrine, Chamberlain, Montgomery, Lankford, Andrews and Shepard. Nays - Gove, Underhill and Hufnagel. 8 ayes, 3 nays. Motion declared carried.

The following resolutions were presented by Commissioner Lankford for consideration:

1. Oakland County - Committee Report
It was moved by Lankford, supported by Montgomery to receive and place on file. Voted and carried.
2. Manistee County - Road Commissioners
It was moved by Lankford, supported by Montgomery to receive and place on file. Voted and carried.
3. Kalamazoo County - Tax Reform (6 Points)
It was moved by Lankford, supported by Gove to accept and place on file. Voted and carried.
4. Allegan County - Financing
Lankford made a motion, supported by Montgomery to concur with the resolution. Voted and carried.

RESOLUTION

To the Honorable Board of Commissioners Gentlemen:
Your Committee on Equalization does hereby recommend that the County Board of Commissioners concur with Allegan County that any revised program on State or Federal level be financed by State or Federal Funds instead of being referred to local funding.

Respectfully Submitted,
RESOLUTIONS COMMITTEE
Gerald Lankford, Chairman
Andrew Cobb
Robert Montgomery
Maurice Gove

5. Hillsdale County - Meat Inspection
Lankford moved supported by Cobb, to concur with the Resolution. Voted and carried.

RESOLUTION

We, your Resolution Committee wish to concur with the Chairman of the Hillsdale County Board of Commissioners in the request for funding meat inspection in the State of Michigan. We believe it is essential that meat should be inspected before and after slaughter.

We further believe without the funding of meat inspection by this State, a great many slaughter houses will be unable to operate, thus throwing a great many people out of work and increasing the unemployment roll.

We feel it is the duty of the Legislature to fund this important item of the Governor's budget, and not surrender meat inspection to the Federal government.

Respectfully submitted,
RESOLUTIONS COMMITTEE
Gerald Lankford, Chairman
Andrew Cobb
Robert Montgomery
Maurice Gove

6. HB 4682 - Revenues 17 to 13 %
It was moved by Lankford, supported by Andrews to concur with the Resolution. Voted and carried.

RESOLUTION

WHEREAS, local government finds itself more and more in extremely difficult financial circumstances and,
WHEREAS, the tax burden on property seems to have become an almost unbearable burden and,
WHEREAS, the State of Michigan does have an income tax and,

WHEREAS, the formula for disbursement of the income tax is now 17% of the net amount to local government,
NOW THEREFORE BE IT RESOLVED, the Clinton County Board of Commissioners concur with the Hillsdale County Board in opposition to the passage of HB 4682.

7. Oakland County - SB 2948 - Sharing of Revenue
Lankford moved, supported by Hufnagel to concur. Voted and carried.

RESOLUTION

WHEREAS, there is pending in the U.S. Senate, Senate Bill No. 2948; which provides for "Revenue Sharing" with states and local units of government; and

WHEREAS, a sharing in the Federal income taxes by state and local governments is one of the few remaining sources of sorely needed revenues to meet the growing needs of local government; and

WHEREAS, the concept of financing and controlling as many services as the people as possible at the local level of government which is closest to and most responsive to the people is desirable; and

WHEREAS, Clinton County wishes to go on record in support of this legislation and to do all it can to gain support for and passage of U.S. Senate Bill No. 2948;

NOW, THEREFORE BE IT RESOLVED, that the Clinton County Board of Commissioners totally favors and supports the concept of "Revenue Sharing", and the passage of U.S. Senate Bill No. 2948, providing for the commencement of a Revenue Sharing program.

8. Hillsdale County - RE: SB 2948 - Revenue Sharing
It was moved by Lankford, supported by Montgomery, to receive and place on file. Voted and carried.

9. Benzie County - Distribution of Highway Funds
This resolution had already been acted upon. No action was taken.

Velma Beaufore, County Treasurer, appeared and requested a transfer of funds from the contingency fund to the Marine Safety Fund in the amount of \$2,000. It was moved by Gove supported by Lankford to make the transfer. Voted and carried.

She also requests a transfer of \$1,000 from the contingent fund to the Delinquent Tax Fund. It was moved by Lankford supported by Sirrine to transfer the amount requested. Voted and carried.

The Board recessed for Committee Meetings at 3:05 p.m. Upon again coming to order, Commissioner Shepard states that the County Equalization figure was accepted by the State Tax Commission as a preliminary order.

The Department of Public Works has a negotiated price for the Maple Rapids project of \$18,275. (Project No. 2)

Shepard moved supported by Montgomery that the county advance the required amount to the Department of Public Works (\$18,375) for Project No. 2 from the contingent fund. Voted and carried.

Commissioner Chamberlain presented the following committee report:

PROPERTY MANAGEMENT COMMITTEE

The Property Management Committee met Monday a.m., May 18, 1970 and the following items were approved:

1. District Court's request for four steel storage cabinets 78x36x24" deep, for storage of supplies, was approved. Total cost was \$347.78.

2. A cabinet for the Agriculture Extension Office was approved at a cost of \$216.

3. A desk was approved for the Assistant Prosecuting Attorney at a cost of \$218.40.

4. Social Service Office requested two window air - conditioners. (These were approved last year but not bought) The committee approved this but they are not to be used until the new electrical service has been installed.

5. The committee recommends that the board approve the bid of the Boron Company to carpet the Circuit Court Room walkways at a cost of \$850. This bid is on the same carpet as the Health and Education Annex.

6. The committee recommends that the board approve the changing of the electrical service at the Social Service Building from 100 amps to 200 amps and circuits be split up. The Schmidt Electric Company has placed a bid of \$869 for the total job. Darling's Inc. placed a bid of \$759 on the same job. Committee recommends Darling's bid be accepted.

7. Committee approved purchase of a typewriter for the Juvenile Office of Probate Court at a cost of \$468.

8. Committee approved an added \$50 for the Treasurer's Office for a larger capacity adding machine - total cost \$289. It was moved by Chamberlain, supported by Lankford, to approve Item No. 5. Voted and carried.

It was moved by Chamberlain supported by Cobb to approve Item No. 6. Voted and carried.

Commissioner Chamberlain presented the recommendations of the Fairgrounds Property Committee on rental rates for the use of Smith Hall.

Recommendations by the Fairgrounds Property Committee on the rental rates for the use of Smith Hall in St. Johns.

- RATES
1. No Cost - Governmental Agencies or Governmental sponsored groups.
 2. \$15 - Reunions, Family Gatherings, Church Socials, etc.
 3. \$30 - Commercial Organizations, Money making activities by groups, Service Clubs, Political Parties events, etc.
 4. \$50 - Individual or group where admission is charged with the profit going to an individual or a private company.

All activities or events must be properly chaperoned and policed to the satisfaction of the committee. There is to be a nominal fee of \$10 charged for the use of the kitchen when serving a meal. No charge for groups to use the kitchen for making coffee.

It is recommended that the hall not be rented for Wedding Receptions.

It was moved by Chamberlain supported by Andrews to approve the rental rates as recommended and established by the Committee. Voted and carried.

Prosecutor, Patrick Kelly recommends that groups renting the facilities be required to show proof of liability insurance. Commissioner Gove expressed his belief that the Committee should investigate the cost of installing water cooling units in place of continuous flow water fountains in the County Building.

Commissioner Andrews reported on complaints by the Dog Wardens that they are not getting convictions by the Courts on violators of the Dog License Laws. The Committee, the Prosecuting Attorney, Dog Wardens and Judge Duguay have reached an agreement which they hope will help the situation.

It was moved by Lankford supported by Hufnagel, to approve Commissioners expense accounts as presented. Voted and carried.

It was moved by Cobb supported by Montgomery to adjourn at this time and to meet again June 15 at 9:00 a.m. Voted and carried.

Meeting adjourned.

State plates a must

Commercial trucks hauling grower organizations, packers Michigan fruits and vegetables, and truckers are reminded that to markets within the state must have a Michigan commercial license on your truck to haul intrastate.

B. Dale Ball, director, Michigan Department of Agriculture, said some trucks with out-of-state licenses are being used to haul fresh produce to retail outlets intrastate. This is a violation of the Michigan Vehicle Code, and such trucks may be stopped enroute by enforcement officers.

Michigan's nearly 300 weekly newspapers and 66 dailies, October 4 to 10, will observe National Newspaper Week. The theme this year will be "American Newspapers—200 Years of Freedom—1770's to 1970's."

Michigan Farm Bureau members of 66,000 families have established in their organization policy book this recognition:

"We are aware of continued attempts to expand government 'guidance' within the news media industries, and compare these attempts with similar interference by government within the agricultural industry."

"In both cases, we believe the least amount of governmental intervention is best."

"Farmers oppose further government control of the news media industry just as we oppose further supply-management schemes for agriculture."

However, we note that in both cases the best defense for such attacks is the acceptance of self-responsibility and self-discipline.

"The future prosperity for farmers, we believe, depends strongly upon our success in working together to develop farm programs and facilities through which we can coordinate production with demand, rather than allow this privilege to pass to government."

"In similar fashion, we believe the news media must work together to maintain accurate reporting and quality business standards, and the acceptance of public interest responsibilities—both for the sound growth of their own industry and as the best assurance that they will be allowed to continue to operate with minimum government interference in the future."

Farm Bureau asks defeat of new direct election plan

The Michigan Farm Bureau released a position paper last week calling for the defeat of the proposed legislation abolishing the electoral college in favor of direct election of the President.

One of the main objections presented by the organization was the direct election plan "could destroy the two-party system of politics."

"A political party seeking the Presidency would not need to develop a platform that would appeal to a broad segment of the voters," the Bureau reported.

"Current Farm Bureau policy is opposed to direct election as the sole determinant of Presidential elections," the report read.

"Farm Bureau does recognize the need for changes in a District Plan of Electoral College reform," it added.

The Bureau indicated that under this plan, each state would cast two electoral votes for President on the basis of the state-wide plurality and the remaining electoral votes would be cast on the pluralities in each of the Congressional districts.

The organization's alternate plan "would more accurately reflect the vote of the people without subjecting election of the President to perils of the proposed direct election plan."

The current Electoral College system provides that each state is entitled to as many electors as it has senators and representatives in Congress. Usually electors cast all of their votes for the candidate who receives the largest popular vote in the state-wide election.

The proposed Direct Election plan provides that the candidate who received the largest number of popular votes would be elected, if he received at least 40 percent of the popular vote. If no candidate receives the 40 percent required, a runoff would be held with the two top vote getters on the ballot.

Other points presented by the farm organization were:

"The formation of splinter parties could also be encouraged by the proposed direct election plan. Only a few might realistically expect to win, but all could hope to gain a bargaining position by accumulating as many popular votes as possible to keep someone else from winning."

"Direct election could merge minority groups into a mass population vote where their members are far too few."

"Before direct election of the President can replace the Electoral College system an amendment to the Constitution of the United States is necessary."

"This will require approval by a two-thirds majority of both Houses of Congress and subsequent ratification by at least three-fourths of the State Legislatures."

Glass bottles mean money

By JOHN AYLSWORTH

The Clinton county 4-H Teen Leaders have launched their new project "Disposable Glass Containers Mean Dollars to 4-H'ers" and are asking the people in the county to help them by saving their no-deposit bottles, food jars and other glass containers for them.

This project serves three purposes, which are a community service project, environmental control such as not filling up landfills with glass that does not deteriorate, and utilizing raw materials over again and a money making project for the 4-H'ers.

Arrangements have been made with the Owens-Illinois glass plant at Charlotte to purchase the glass from the 4-H group one day a month. The glass containers must be free of any metal, free of any food and sorted by color. Paper labels do not have to be removed.

Part of the proceeds will go to the National 4-H Center drive and the rest to 4-H related projects or activities.

In St. Johns the 4-H Teen Leaders will pick up the glass containers on the first Saturday of the month starting on Oct. 3.

People are asked to set the glass containers out along the curb by 10 a.m. and the 4-H Teen Leaders will pick them up after 10 a.m. until finished. For people outside the city limits of St. Johns we are asking them to contact the 4-H club in the area to see if they are participating in the project.

People outside St. Johns can bring their glass containers to the Quonset building at the county Fairgrounds between 10 a.m. and 2 p.m. if there is no one in their area collecting the containers.

This is a pilot project for the 4-H Teen Leaders and the success of the project depends upon the cooperation of many people

In the county. Our landfills are being filled fast enough with other waste material so why add glass containers that won't deteriorate but can be reused to make a product thus reducing the amount of new raw materials needed. The 4-H'ers are asking your cooperation to "Do your thing for environmental control".

A new 4-H photography television series composed of six half hour instructional shows will be available this fall to any youth in the county. The program will be aired on channel 3 WKZO-TV, from Kalamazoo starting on Saturday, Oct. 31 from 7:30-8 a.m. Titled "4-H Photo Fun Club" the six programs are geared for 9-12 year olds. They will teach basic photography from how to hold and aim a camera to telling a story with pictures. The series also gets into composition giving a few tips about simplifying backgrounds and varying camera angle. But most important, it shows how much fun photography really is or can be. Eastman Kodak Company produced the series in cooperation with the Extension Service and National 4-H Service Committee. More information will be available later as to instructional manual, details, etc. Youth interested in photography who can receive channel 3 should plan to watch this six week series.

Clinton county 4-H horse leaders will be attending a horse leaders clinic on Saturday, Sept. 26 from 9 a.m.-4 p.m. at the Russell Jameson ranch near Flushing. Halsey Murch, the trainer for the Ranch Rumlinaja will be conducting the clinic for the leaders on correct techniques and procedures in working and riding horses. The leaders will then

be able to pass this information on to members in their local club.

The Watertown Grove 4-H members have contributed \$8 toward the National 4-H Center Expansion Drive at Washington, D.C. Clinton county's quota for the total fair share drive is \$1,501 based upon its 1969 4-H enrollment of 1501 members.

The Spats & Spurs 4-H club have new officers for the coming 1971 4-H season. They are: Pres.-Gina McNall; Vice Pres.-Renee Leseney; Sec.-Tres.-Kris Faught; news reporter-Shari Leseney; Teen Leaders -Chris Chant and Julie Chant. The club visited the Keith Moody farm where Mrs Moody demonstrated some tricks with their top registered saddle bred horse. The next meeting of the club will be on Sept. 30 at the home of David Palmer.

The KountryKousins4-H members have postponed their money making project—a car wash until early spring. Pennants will be passed out to the vegetable garden members who participated in the group exhibit at the State 4-H Youth Exploration Days program at Michigan State University. Demonstrations were given by Jim Williams "How to Start a Plane" and Bruce Bracey "Showing a Beef Cow." The next meeting will be the winter enrollment on Tuesday, October 6 8 p.m. at the home of Don Devreaux.

The Jolly 4-H Canning Cooks members held their meeting to complete their reports and achievement sheets. Their next meeting will be Oct. 13 at the home of Mrs Esther Plowman at 6:30 p.m. for the winter clothing and knitting projects enrollment sign up.

View from the 87th House session preview

By REP. WILLIAM S. BALLENGER

The Legislature returned to session on Tuesday of this week for a two-day session, Sept. 15 and 16. This, of course, could be changed and we could have a longer session if more time is necessary to finish our work. Since this report had to be prepared before the session reconvened, I'll try to give you details next week on the results of the September portion of the session.

As I write this, the plans call for a separate Republican and Democratic caucuses as soon as we go into session at 10 a.m. on the 15th. This caucus will deal primarily with determining which bills should receive priority attention during the meeting.

While the full agenda is not established, there are at least four bills which I believe we'll try to achieve final action on. Among these items are two additional environmental protection bills. One would setup methods for preserving our Great Lakes shoreline, while the other deals with protecting scenic and

wild rivers.

Another bill which will probably be considered is a measure revising procedures for property annexation by cities. This has been a point of contention between cities and surrounding local government units, and we hope to pass a bill providing an equitable agreement on procedures. It's also quite likely that we'll take up the proposed statewide construction code bill, which seeks to assist housing expansion through general uniform regulations. This is obviously a very complex and difficult balance to achieve. However, we should make every effort to construct a law that combines adequate uniformity and allowances for special local problems.

A number of other bills are expected to be placed on the agenda for the September session, but it was unclear prior to the opening of the session just which ones they would be.

As schools opened across the state last week, close to 100,000 Michigan students were unable

to attend classes due to teacher contract disputes.

The last information I have received prior to final preparation of this report was that some 16 local districts were shut down by teacher walkouts. There was also one reported dispute which had resulted in a lockout, and one community college teacher strike.

The reported totals for these situations were some 96,000 students out of class and about 4,500 teachers off the job.

There were many other school districts where teachers are working, even though a final contract settlement had not been reached. The total of unsettled contracts was reported to be about 70. I'll comment further on the overall problem of school labor relations in coming weeks.

The Upper Michigan Copper Country is the largest commercial deposit of native copper in the world. It has yielded over 11 billion pounds in the past century.

Illegals down

In fiscal year 1969, there were 1,249 youngsters under age 16 found working illegally in agriculture under the laws administered by the Wage and Hour Division of the Labor Department. This represents a decrease of 306 from fiscal year 1968.

Secret ballot

All elections required under the Labor-Management Reporting and Disclosure Act of 1959 (as amended) held by local unions, must be conducted by secret ballot among the members in good standing, subject to reasonable rules uniformly imposed.

tions if such work represents life or its ideals, I find it difficult to believe that scuzzy things like Myra and Peyton present any ideal.

There's little doubt that life is not entirely pure and crystalline but if Myra is more than a figment of imagination - if it

truly does depict the going thing - I want a dumb, I want no part of it cuz my stomach is already churning at the mere thought.

Some of the kids in our town are about to meet with city officials over the issue of why they "cruise the gut". One of the reasons is that there's "nothing to do here," and at this point they are absolutely right.

I'd rather have them cruising the gut than racing on 27, but if I really had my druthers, I'd like to see them with a good movie to attend. One where they would come away as wholesome as when they went in - or maybe even a little more so. Idealism may not be the vogue, but it's carried a lot of people a long way. I, for one, hate to see us lose it a dollar at a time.
