A LITTLE ADVICE ON WEAVING

The young learn from the old. A little Indian maiden asks for some advice from an elder about the art of weaving rope, and she gets it. This picture was one of several taken by the Clinton County News camera during the weekend Pow-Wow by members of the Grand River American Indian Society on the 4-H Fair grounds in St. Johns. Other pictures appear on inside pages.

DeWitt holdup suspects nabbed

DEWITT—Four men are being held by federal authorities on charges they robbed the Woodruff State Bank in DeWitt last Monday afternoon, Sept. 16.

Clinton County Prosecuting Atty. Roland Duguay announced their apprehension Friday. They were captured in Nashville, Tenn., by Nashville police and FBI agents.

The arrested men are John C. Green, 27, of Mason; Anthony Ballor, 26, of Warren, and Al Adams, 30, and Mel Adams, 29, both of Flint.

The men were armed when arrested at a tourist court on the outskirts of Nashville, but they offered no resistance. About \$4,000 was confiscated. They are charged with stealing some \$9,500 from the Woodruff State Bank.

State warrants for the arrest of the men were authorized last Thursday by Duguay. Their identification resulted from joint investigation efforts by DeWitt Police Chief Charles Anderson, the FBI and Michigan State Police. Duguay said they were able to make identity through latent fingerprints at the bank.

AFTER A NATIONWIDE alert, the FBI notified Chief Anderson Friday that the men were taken into custody in Tennessee that morning. They are charged with armed robbery on the state offense but will first have to stand trial on federal charges, since the bank's deposits are insured by the Federal Deposit Insurance Corp.

Ballor, Green and Al Adams are all charged with the armed

robbery while Mel Adams is charged with aiding and abetting in the crime. He was with the other three when they were caught.

U.S. Commissioner A. B. Neil in Nashville set bond for Ballor, Green and Al Adams totaling \$75,000, and at last word they were still being held in Nashville. Duguay said Tuesday it was not known yet whether they would be extradited to Michigan or whether they would even have to be

9 inductees leave; 51 get physicals

Nine Clinton County men were to leave this morning (Thursday) at 6:45 a.m. for induction and future service in the U.S. armed forces.

Another 51 will leave at the same time for pre-induction physical examinations.

Inductees are: David E. Parker, David L. Pauels, Paul R. Bennett, Lynn A. Rosekrans, Stanley J. Weber

Voter sign-up deadline Oct. 4

Time is fast closing in on prospective voters who still have not registered for the Nov. 5 general election.

"You have only until Oct. 4 to get registered," is the way the state's chief elections official, Secretary of State James M. Hare, puts it. "If you are not registered, you can't vote for President and the many other important offices as well as on a record five statewide propositions on the ballot."

18 captains for chest drive named

Eighteen team captains to direct solicitation of contributions within the commercial division of the Clinton County Communities Chest in St. Johns were named this week by William H. Patton, division chairman.

Accepting the appointments were Paul A. Scheller, banks, finance and title companies; Robert Thompson and James McKenzie, real estate and insurance; Kurt Becker and Norbert Rehmann, clothing, furniture and appliances; Roger Hammon-tree and Milo Rowell, grocery and drug stores.

Lester H. Lake and William W. Barber, miscellaneous retail stores; Robert Prowant and Elwood A. Daley, restaurants, motels and taverns; Herman Pohl, automotive and implements; Mrs. Roberta Magelli and Miss Helen Cepko, barber and beauty shops.

Lyle H. Hutton, oil distributors and gas stations; E.J. Schmitt, building supplies and contractors; Barry Dean and Ken Penix, miscellaneous business and services.

Clinton County's quota for the annual drive which begins in October is \$23,683. The quota is part of a \$1,933,868 goal set for the United Community Chest campaign in the Greater Lansing area.

This marks the first year Clinton County has been included in the Greater Lansing area goal. In June the Clinton County Chest merged with the United Community Chest of Ingham County. The United Chest area now includes all of Clinton and Ingham counties and Grand Ledge in Eaton County.

All of the agencies previously supported by the Clinton Chest are included in this year's campaign. Clinton County 4-H Clubs and the St. Vincent dePaul Society are among the 57 groups who will benefit from Chest contributions.

New garbage pickup schedule announced

New garbage pick-up days for St. Johns will go into effect soon under terms of a new contract with Keith Canfield of Owosso as ratified Monday night by the commission.

The new schedule calls for pick-up of garbage and rubbish on three consecutive days at the beginning of each week. Under the old schedule — which the commission insisted will be in effect yet this week — garbage and rubbish are collected on Mondays, Tuesdays and Thursdays.

The new pickup schedule, when it does go into effect, will be this way:

- * Monday in the residential areas south of M-21 and east of Clinton Avenue.
- * Tuesday in the area south of M-21 and west of Clinton Avenue.
- * Wednesday in the area north of M-21.

Garbage and trash is becoming too voluminous to handle in two days, Canfield told the commission recently.

"AMERICAN PEOPLE are quite a glass-and-tin-can-minded people today," Commissioner Gerald Irer philosophized. "We're going to need more land and equipment, too. People should be made aware of this."

In the event the new pick-up day for any area falls on a legal holiday, the garbage contractor will pick up trash a day later during the rest of the week. No collection will begin prior to 7 a.m. on any given day.

The new contract, negotiated during the past two weeks, grants Canfield an extra \$300 a month over the terms of the old contract. Under the new pact, the city will pay \$1,200 a month for the garbage and rubbish pickup

in the residential areas of the city. There will be no individual charge to residents.

Canfield, of 2121 W. Hibbard Road, Owosso, does business as the K & H Refuse Service. He has handled the city's garbage collection for the past two years and until the new contract was receiving \$900 a month for the service. Commissioners expressed a great deal of satisfaction Monday night with the terms of the new agreement.

It was ratified unanimously, but subject to the posting of a performance bond in the amount of \$5,000.

MOST SECTIONS of the new contract are identical to the old one. The whole contract was renegotiated by mutual consent.

Among its provisions are regulations for city residents. Containers used for garbage and rubbish

and set out for pickup shall be 20-gallon garbage cans or other substantial and sturdy containers, "No container when filled shall weigh more than 50 pounds. All garbage shall be wrapped as the city shall require."

The contract gives Canfield the right to utilize the St. Johns City landfill for rubbish and garbage picked up within the city, but for no other purposes. Any garbage or rubbish picked up outside the city limits cannot be dumped in the city landfill.

Apartment houses containing more than three apartments shall also be considered residential, according to the contract. Canfield does not by duty provide service to commercial or industrial areas, although he is free to contract individually with industrial or commercial customers for garbage and rubbish pickup.

The contract forbids any haphazard change in the three-day pickup schedule. It can only be changed with permission of the City of St. Johns and only after the contractor has given notice of the change at least 30 days prior to the effective date of the change by publication in the Clinton County News.

IN A RELATED ITEM from their meeting Monday night, commissioners informed Robert Young of the Young Dry Service that there has been no decision yet on Young's prior request for the use of the landfill on days when it isn't open to the public.

Mayor Charles Coletta did say the city was considering — and only considering at this point — the possibility of jobbing out the operation of the landfill to a private contractor, and if such did take place there might possibly be more hours when the dump was open.

Replying to Young's charges of earlier this month that the K & H firm had been dumping refuse from outside the city limits at the landfill, the commission said K & H had admitted this but will no longer do it.

Redwing Band swings gaily in MSU post-game show

The Redwing Marching Band from St. Johns High School had a new honor Saturday—they were the first high school band invited to put on a post-game program at Michigan State University.

And the band came through with flying colors after the Spartans had done the same in their 14-10 victory over Syracuse.

Saturday was Band Day at Michigan State and 36 bands with some 3,600 musicians put on a program, arranged by William Moffit, around a nationalistic theme. Music performed with the massed-band included "March America," "America the Beautiful," "Battle Hymn of the Republic," and "Michigan State Fight Song."

This was one of the first massed-band half-times to be televised nationally in its entirety. St. Johns band and individuals from the band were high-

lighted many times on TV.

Immediately following the game, the St. Johns Redwing Marching Band performed their show. Audience response to the bands efforts was great. Many compliments were given to the band by complete strangers and several long-distance phone calls praising the band were received.

Dr. Harry Beglan, director at MSU, and Moffit, marching band director, had high praise for the St. Johns outfit—a fine marching organization, great sound and an excellent style of marching and body carriage, they said.

Eric VanCamp, vocal director at St. Johns, was announcer for the show. Directors Walter Cole and Gordon Gillett later publicly congratulated the band for its "exciting and precise" performance. "No director could have asked

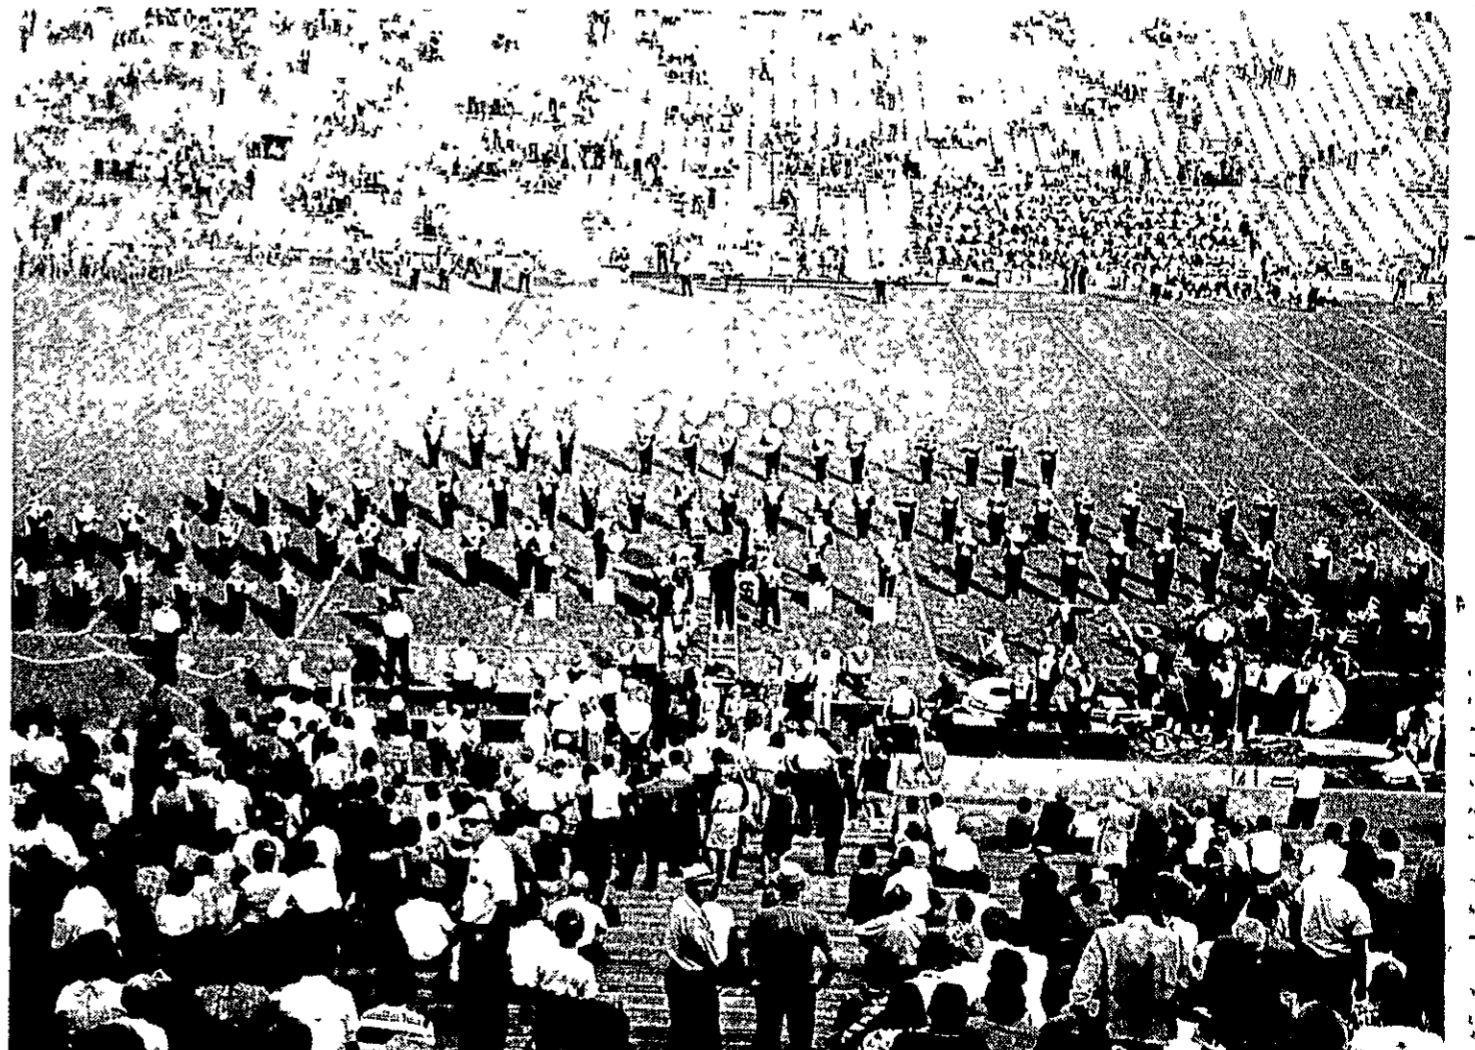

more of a band than what they gave," Cole said. "All the hours of practice suddenly became worthwhile."

Cole also thanked bandparents and others who gave the band a moral boost at Spartan Stadium.

Chaperones for the band Saturday included Mr. and Mrs. George Hazle, Mr. and Mrs. Van McClintock, Mr. and Mrs. Albert LeFevre and Mrs. Robert Cartwright.

A sound motion picture of the band's post-game show at MSU was made, and a public showing will be announced later.

The St. Johns band will hit the road again soon, traveling to Northwood Institute at Midland Oct. 12 where the band has received a special invitation to put on a show at Northwood's homecoming game.

The St. Johns Redwing Marching Band assumed this concert formation in putting on their post-game show Saturday after the MSU-Syracuse football game. St. Johns was the first high school band invited to put on such a show.

4 men jailed on various counts

Four men received jail sentences in Clinton County Jail during the last week.

Jay C. Gullis, 18, of 11102 Woodbridge, Bannister, was fined \$20 plus \$6.90 costs by Municipal Judge Harold Reed and sentenced to three days in jail Monday on a minor in possession charge.

Dennis L. Schultz, 27, of Lansing, charged with driving on a revoked license, was fined \$75 plus \$20.50 costs and sentenced to three days in jail Monday by Justice of the Peace Gordon Willyoung.

Charles A. Stewart, 18, of 507 S. Lansing Street, St. Johns, was sentenced to 30 days in jail by Circuit Judge Leo Corkin for violation of probation.

Theodore E. Lotze, 32, of Lansing, charged with driving on a revoked license, was fined \$100 plus \$20.50 costs and sentenced to 15 days in jail Saturday by Justice Willyoung.

Local draft board moving to new office

The Selective Service office for Clinton County is moving to new offices Sept. 30 from their present location at 200 W. State Street, St. Johns.

The new office will be located over Parr's Drug Store at 201 1/2 N. Clinton Avenue.

Opal J. Podolak, secretary, and Nancy Holland, assistant secretary, say there have been many delays because of the remodeling needed before the move could be made. They will have more floor space in the new location.

Another safety plaque

St. Johns cited for 6th year without a pedestrian fatality

St. Johns received another pedestrian safety citation from the Automobile Club of Michigan Monday night.

Presented to Mayor Charles Coletta, the plaque notes that St. Johns has gone six years without a pedestrian traffic fatality. Reynier Staats of the Safety and Traffic Division of the Automobile Club of Michigan, presented the award at the city commission Monday night meeting.

He noted that cities of St. Johns' size normally average 2.4 pedestrian fatalities a year. There are also an average of 43 pedestrian traffic injuries figured on the basis of 100,000 population, but St. Johns has had only 29 on that basis during the last year.

On hand to share in the receiving of the plaque was Police Chief Everett Glazier. Mayor Coletta complimented the police department and told Staats it was that department which was most directly responsible for the safety record.

There were two rezoning matters before the commission Monday night. One was the "first reading" of an ordinance to amend the zoning ordinance and change the zoning of a parcel of land at Scott Road and East Walker Street from I-1 industrial to R-2 medium density residential. Formal action on the ordinance will

Duguay explains district court at Jaycee meeting

Prosecutor Roland Duguay, candidate for district court judge, was guest speaker at the recent meeting of the St. Johns Jaycees and told a little of the proposed workings of the new court.

He pointed out it will replace justice and municipal courts and will have an expanded jurisdiction and can handle any crim-

inal case below a felony. There will be a small claims court within the district court, which itself will comprise the entire lower court system.

The district court will take effect Jan. 1.

Also speaking to the Jaycees was Derrill Shinabery of the

Clinton County Board of Supervisors, who asked for backing from the group for the proposed 18-mill fixed millage limitation for the county. It will be voted on in the November election along with the election of a district judge. Duguay is opposed for the judgeship by St. Johns Municipal Judge Harold Reed.

Citizens discuss new middle school at Fulton

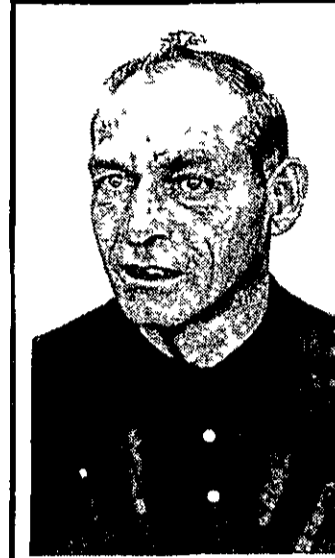

A citizens committee has recommended a new middle school to the Fulton Board of Education.

Supt. Waino Pihl said the proposed school would be used for grades five through eight, while the other buildings at Middleton, Perrinton, Maple Rapids and Oia would be used for grades kindergarten through four.

Pihl pointed out that the other buildings would continue to be used even though a new school was built.

"It's going to be up to the board now whether they're going to go ahead. If they feel the cost is prohibitive, then an alternate plan is available for the district to consider," he said.

The alternative would be to construct additions to the present buildings. He said any additions would have to pass the state fire marshal's office.

District officer auxiliary guest

The Fulton Area Jaycees Auxiliary met Sept. 19, at the home of Mary Glazier, with Carolyn Winsor as cohostess.

A special guest attended the meeting, District 7 vice president Clarence Vasold. The club will give \$25 to the Fulton School Library. A committee was set up for the selling of school record books.

At the next regular meeting of the organization there will be a kitchen hat sale. A progress report was given on the party to be held Sept. 27 and 28, at the old bank building in Middleton.

Hold-up suspects nabbed

because of federal jurisdiction, Duguay said that as far as he knew only the \$4,000 confiscated from the men has been recovered, and the rest of the bank holdup loot is still missing.

THE BANK ROBBERY last week shook DeWitt residents. Two men entered the bank shortly before 2 p.m. Wielding a shotgun and a small handgun, they forced eight employees and two customers to lay on the floor while they took about \$9,400 from two cash drawers.

Two shots were fired, a pistol shot into the vault and a shotgun blast into the ceiling. A third man drove the get-away car, which was later found abandoned southeast of DeWitt. It had been stolen.

Police roadblocks, set up within minutes of the robbery, failed to net the bandits.

Convenient and necessary as they are, all household cleaning agents should be considered dangerous and handled accordingly. Over-precaution is better than under-precaution.

\$50,000 less than last year

County gets set to borrow \$50,000

Last year the Clinton County Board of Supervisors borrowed about \$200,000 to tide the county over to the end of the year.

This year they've taken the precautions to do the same thing, only the figure would be \$150,000.

The board passed two resolutions at its Sept. 16 meeting setting up the mechanics for borrowing, if they need to. The county would sell tax anticipation notes in anticipation of the collection of unpaid operating taxes for the 1969 fiscal year.

Taxes are first due and payable Dec. 1 this year. The money would be borrowed to cover operating expenses of the county for the rest of this fiscal year. The notes would be paid out of the first tax money to come in.

In other miscellaneous business last week:

The board approved two rezonings as recommended by the Clinton County Zoning Commission. One was for Bonner's House of Deerskin, which is being forced to move from its location on US-27 north of Clark Road because of future highway construction.

The COMMISSION recommended the rezoning of about an acre of land a mile north of the present location. It would be at the corner of sections 3, 4, 9 and 10 in DeWitt Township and will

be zone C commercial.

The other rezoning was to C commercial for a five-lot strip of land fronting on the east side of US-27 just south of Taft Road. The rezoned area would be between the highway and the present Buggs Brothers Locker and would be for an area 396 feet deep by 1,020 feet along the highway. The Buggs propose to build a private service road from their present entrance to handle all five lots. There are no plans announced for the specific use of the property.

The State Tax Commission will hold an appeals hearing at the courthouse in St. Johns this Friday to hear tax appeals. Bath and Dallas townships are reportedly the only townships listing appeals.

The board approved the payment of \$800 to the Clinton County Soil Conservation District for the board's quarterly assistance in providing an office secretary for the SCD.

Dues for 1969 for the Michigan State Association of Supervisors were approved in the amount of \$1,000.

Dale Chapman, county drain commissioner, appeared before the board asking backing for the two state bonding proposals — one for clean water and the other for recreation. He said the bond issues would "not necessarily"

mean higher taxes for state residents, because two current bond issues are near expiration and money now being used to pay them off could be diverted to the new bonds.

THE COUNTY BOARD accepted the resignation of William J. Werner as dog warden for the northern half of the county and instructed its agriculture committee to advertise for a new man.

The board deferred action until the October meeting on a request for office space in St. Johns for the Michigan Employment Security Commission to handle Youth Opportunity Center cases. George Eberhard, director of the Clinton County Department of Social Services, said his department will be pushing its clients toward employment wherever possible in the future, and such an office in St. Johns might be helpful.

Referred to the salary and clerk hire committee was a request from a group of county employees to switch the pay period from semi-monthly to bi-weekly.

The board received a letter from Moriarty Lumber of Michigan, Inc., voicing a complaint about the procedures in letting bids for the 4-H horse barn.

New county zoning manuals will be ready soon.

A low bid of \$1,750 with trade-in was received from Moore Chevrolet of Ovid for a pickup truck for county use. It was the lowest of three bids received. Other bids were for \$1,960 from Egan Ford Sales and \$1,814 from Oliver Montague.

The building and grounds committee was asked to study further the possibility of a single

air conditioning unit for the Department of Social Services. Only one bid was received.

The building and grounds committee proposed the refurbishing of the exterior of the courthouse, with an estimate of about \$3,000 by the D.C. Dyer and Co. for repairing the exterior of the west vault, as well as the north side and southeast section.

Central PTA hears trooper

Three hundred people attended the Central School PTA potluck supper at Smith Hall Sept. 19. President Darrell Pope introduced the officers and principal Sam Serrell introduced the teachers.

State Police Trooper Bruce Smith showed color slides and explained the methods of training tracking dogs. At the close of this program, Trooper Smith brought in his own dog, Tonka. Many wide eyed and delighted children gathered around for a look and possibly a touch of his beautiful and well-trained German Shepherd.

Fowler sewer plant work OK'd

FOWLER — Work is beginning on a concrete paving of the sludge beds at the Fowler sewage plant following recent approval of the project by the State Health Department.

The work will cost an estimated \$1,500, with city crews doing much of it. With the new concrete base, village officials feel they can clean the beds and empty the tanks three or four times yearly, doubling the plant's capacity.

DAR holds 1st meeting of year

Mrs N. S. Lusk of DeWitt was the hostess at the first meeting of the season on Tuesday evening to the Daughters of the American Revolution at her home on Tivyn Brook Drive off South US-27.

Mrs Harold F. Millman, regent, conducted the meeting. Devotions were given by Mrs George K. Brooks.

The Founders of the Constitution" was the theme of the program and Mrs Millman gave a paper on their work and spoke about George Mason, called "the forgotten man of the Constitution." Although Mason helped write it, he did not sign because he could not accept the clause on slavery.

Introducing the new Lincoln-Mercury cars.
Three different cars you've never seen before,
for people who have never
been in our showroom before.

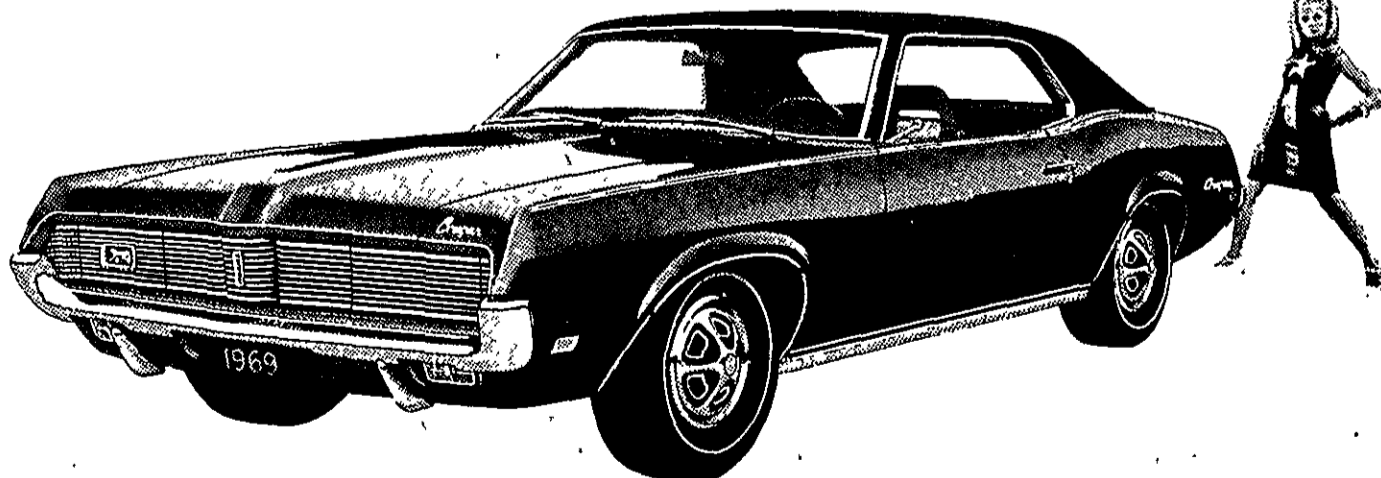

New Marquis. The most dramatically styled car since the Continental Mark III.

You won't see a medium-priced car like this in any other showroom. Marquis has a dramatic elegance, a majestic beauty that only the creators of the Continental Mark III could make. With this styling and the surprising price, you have no excuse to settle for a dull little car.

New Marauder X-100. Now you don't have to sacrifice comfort if you want a sporty road car.

A full-size road car with more thrills per inch than anything that has ever been in our showroom. You get a choice of bench, Twin-Comfort, or bucket seats; styled aluminum wheels, a horn that blows by squeezing the steering wheel rim, a 429-cu. in., 4-barrel V-8 and rakish fender skirts—all standard.

New American Cougar with a continental accent.

Cougar owners will tell you how much fun they are to drive. That hasn't changed. But the looks have. Compare it to the foreign sports cars. Anything the Europeans can do, we can do better. Cougar is now available as a convertible. And Cougar continues to be the best-equipped luxury sports car in its class. A big 351-cubic inch V-8 is standard. So are concealed headlamps, sequential rear turn signals and bucket seats.

Your Mercury dealer leads the way with the most exciting new cars in town.

Rehmann's grand opening scheduled this weekend

A gift bar occupies both sides of an archway between the two major sections of the newly remodeled Rehmann's Clothing Store in St. Johns.

Rehmann's Clothing Store for men and boys in downtown St. Johns will have a grand opening of their newly remodeled store starting today and continuing through Saturday.

Last spring the store was expanded into a 20x70 building that formerly housed Becker's Appliance, practically doubling the size of the clothing store. More clothing and new features, including a gift bar on both sides of an archway between the two buildings, are now included in the store.

In the remodeling also were restyling of the shoe department, building of new dressing rooms, a new front for the store and red carpeting throughout.

The grand opening comes in conjunction with the store's 32nd anniversary in St. Johns. The business is owned by A. L. Rehmann and sons John and Norbert.

The Rehmann store opened in 1936 in the north portion of what is now the Clinton National Bank and Trust Co. building. In 1948, having outgrown the bank location, they moved into the building next door to the north and then last spring expanded still farther north.

Rehmann's are offering a number of prizes during their grand opening celebration. Complete details and information on grand opening specials are contained in a full-page ad elsewhere in Section A.

To hear Girls State reports

Jan Fowler and Gail Shafley, St. Johns representatives at Wolverine Girls State this past summer, will give reports on their experiences when the St. Johns Woman's Club opens its 1968 - 69 year with a potluck luncheon at the First Methodist Church Oct. 2.

The dinner will start at 12:45 p.m. Meetings will be held the first and fourth Wednesdays of each month through April. A program for the year has been planned with a theme of "Forward Together."

The Woman's Club pointed out that the Norway maple planted by the club on the courthouse lawn in May 1967 is healthy and growing well, about to contribute its beauty to Michigan's autumn colors.

The tree was planted by the St. Johns Woman's Club as part of the observance of its 75th anniversary. It is dedicated to the women of St. Johns who organized the club in 1891 as their part towards contributing to the cultural life of the community. Their program included civic betterment—and beautifying the courthouse grounds was one of their early projects. For this reason this tree was planted as a memorial to them.

Boucheys provided the inscription on the plaque buried at the foot of the tree, and Oscar Stockwell who set the marker.

The club engages in many civic activities. They support a scholarship for a high school student, an art scholarship to Interlochen, and help send a high-school girl to Girls' State. A local girl, granddaughter of club member Mrs. Kenneth Jones, Miss Dianna Jones, was selected as winner of the nursing scholarship sponsored by the State Federation of Women's Clubs through the local club's efforts. She is studying at Foote Memorial Hospital at Jackson.

Middlebury church marks 95th birthday

MIDDLEBURY (c)—About 180 persons attended special services Sunday at the Middlebury Church on the occasion of the 95th anniversary of the church.

The district superintendent, Rev. Hugh White of Flint, brought the message and dedicated the mortals. The choir made its first ap-

pearance in the new robes. Other special music was presented by Mrs. J.D. Washburn and Rita, and John Craig. After the cooperative dinner,

the afternoon service began at 3 p.m. The history of the church was given by Esther Semans. The names of all those present who had been members for 50 years and over were read, with Charles Warren having been a member the longest of those present. Special music was presented by James Wilson of Jackson and Don Warren.

The Rev. Clyde Moore of Trinity Church in Owosso was the guest speaker. Special thanks was extended to the Laingsburg WSCS for the floral piece.

The MYF expressed thanks to all who helped make their recent car wash a success. About \$40 was added to the treasury.

Mrs. Edith Schuknecht will be hostess to the Burton Farmers Club Thursday, Oct. 3. There will be a pot-luck dinner at 7:30 p.m.

There will be a public smorgasbord at the Middlebury Church Wednesday, Oct. 16.

Mrs. Nina Ryan is a patient at Memorial Hospital in Owosso. Theresa Annette Austin, infant daughter of Mr. and Mrs. Wayne Austin, was baptized during services Sunday at the Middlebury Church.

The MYF will meet Sunday evening, Sept. 29, at the church at 7:30. Bob Craig will have the program and Rick Warren the refreshments.

Patricia Castle has returned home after being a patient at the Memorial Hospital in Owosso.

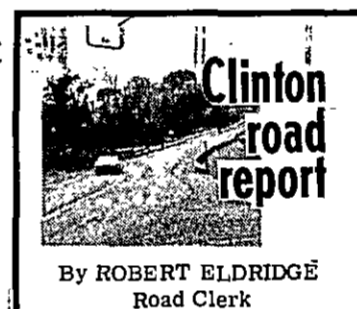

Elizabeth Putnam was hostess recently to the first meeting of the season of the Middlebury Extension group. Chairman is Helen Potter.

By ROBERT ELDRIDGE
Road Clerk

At the regular meeting of the board of road commissioners last Wednesday, approval was given to the recommendation of the Traffic Control Bureau of the Michigan State Police for the establishment of two speed control zones in the county. A 50 mile per hour limitation was placed on that section of Francis Road between Herbin Road and old US-16 and a 35 mile limit was put on Bolchot Road. Signs indicating these speeds have been placed and enforcement officers can now require compliance with them.

Such signs are not placed willy-nilly about the county; a definite procedure is followed. After receiving petitions from

HAIGHT AND GOING-AWAY CAKE

Al Haight, Clinton County News business manager since 1965 and a member of the newspaper staff for 22 years, cut his going-away cake himself last week during a staff party for him. He started last Thursday on a new job with Central Michigan Engravers in DeWitt Township.

Residents along the road sectors involved, our office requests the state police that a traffic study be made. The Traffic Bureau makes this study with the assistance of our engineer, Mr. Haske. The bureau then draws up a detailed report on the matter and makes a recommendation on the basis of this report. It is this recommendation that guides the commission in making a decision in the matter.

Placement of intersection signs is, of course, a routine matter and is done by our sign department without any particular authorization. Most other signs are placed after a consideration of their need is made by the engineer or by the commission or by both. Load limit signs, for instance, are generally not placed unless a study of their need is made by the engineer and discussed by the commission.

There are at least two good reasons why considerable thought should and is given to sign placement along our road sides. An over abundance of signs can lead to confusion of the driving public and to the ignoring of the messages carried by the signs. The placement and maintenance of signs — as I have often mentioned — is an expensive procedure. A reflectorized stop sign, for instance, costs about \$25 installed. A small load limit sign represents a cost of nearly \$15 so county wide there is a considerable investment in road signs. Last year maintenance of old signs and installation of new ones cost slightly over \$10,000, and the cost this year is running well ahead of that. Signs are

Westphalia girl tells of 'midnight sun' adventure

WESTPHALIA — A Westphalia girl, Janice O'Brien, daughter of Mr and Mrs Daniel O'Brien, was one of several Clinton County youth who spent most of the summer in a foreign country under the Youth for Understanding exchange student program.

She considers herself "one of the fortunate young people." She described her experiences in Sweden in a recent letter to the County News:

"I arrived in Sweden on June 28. We spent one day in Copenhagen, Denmark. In Denmark the original group broke up into the groups that were going to various places in Sweden.

"We arrived in the Central Railroad Station. At this particular place, most of the students were met by their families.

"I spent the summer with Mr and Mrs Lars Engstrom of Arboga, Sweden. My family consisted of my older sister, Birgitta who was 20 years old, my brother, Per, who was 16, and our dog, Lottie.

"My father owned a small factory in the town. This factory produced small machine parts. He had 15 employees. In Sweden it is a common sight to see such a small enterprise.

"My mother was a homemaker. She carried out the duties of all homemakers in the United States. She was an extremely wonderful cook. Swedish food is quite similar to ours. We often had ham, chicken, pork, hamburger, etc. Almost every meal consisted of a "crisp" bread was served. Crisp Bread is a very thick cracker. Boiled potatoes were served at every lunch and dinner.

"Some of the rare dishes we had were fresh shrimp, crayfish, clabbered milk, eel, and rosebud soup. Crayfish is a traditional Swedish dish which is eaten on Aug. 8. After the dinner, which is crayfish, toasted bread, and cheese, a party is held. Most of the time it lasts into the wee hours of the morning.

"SWEDEN IS VERY well the land of the midnight sun. When I first arrived, I was awakened one morning by the sun streaming into my room. After a while I went to find out what time it actually was. I had apprehensions of it being at least 10 a.m., by the sun's position in the sky.

JANICE O'BRIEN

Boy, was I ever surprised when the clock read 3:30 a.m.

"I was then told that the sun rises at 2:30 in the latter part of June, and it rises even earlier in the beginning of the month. They also said that in the winter time the sun doesn't rise until about 9 a.m. By 4 p.m., the town is completely darkened in the winter months. The school children never see the town in daylight during the week.

"School in Sweden is also much different from the way we know it. The young children start to learn to speak English in the third or fourth grade. The schools have no extra curricular activities. They have no competition in sports, or any other organizations. It was so different to hear of students going to school and really and truly hating it because it was such a bore.

"Their parties made up for the lack of school fun. A typical party would start about 9 and last for about six hours. Yes, we would come home from a teenage party at about 3 in the morning.

Ashley Lions plan chicken barbecue

ASHLEY—The Ashley Lions Club will hold their eighth annual chicken barbecue this Sunday, Sept. 29, at the Ashley High School gymnasium. Serving will be from noon to 3 p.m.

Tickets are available from Lions Club members and at the door Sunday.

The St. Johns Jaycees will sell Halloween candy house-to-house this Tuesday. Chairman Tom Peacock (kneeling) got 60 cartons of candy last week and here shows some of it to Cynthia and Melissa Frechen, daughters of Mr and Mrs Bob Frechen, and Bob and Jim Bertoldi, sons of Mr and Mrs Jack Bertoldi. Bertoldi and Frechen watch their youngsters' expressions with apparent interest.

Jaycee candy sale next Tuesday

The St. Johns Jaycees are ready again this year for their annual Halloween candy sale. Project chairman Tom Peacock said Tuesday, Oct. 1, will be the day, with the Jaycees offering a mixed bag of 100 pieces of milk caramels, hard candies and sugar wafers. Some 60 cases of candy making up 720 bags will be available. Proceeds from the candy sale go toward Jaycee community projects. Helping Peacock with the project is External Vice President Bob Frechen.

Linda Rademachar, Dick Padgett wed

On Saturday, Sept. 6, at 8 p.m., Miss Linda Sue Rademacher of 200 W. Steel Street became the bride of Richard Vernon Padgett of 306 W. Gibbs Street.

The bride is the daughter of Mrs Harold J. Rademacher, and the groom is the son of Mr and Mrs R. V. Padgett.

The couple were united in marriage by Father Joseph Labiak at the St. Joseph Catholic Church in a double ring ceremony. The bride was given in marriage by her godfather, Louis Rademacher of St. Johns.

The altar was decorated with yellow gladioli and bronze mums. "O Perfect Love," and "Ave Maria" were sung by Gordon Vandemark, and Mrs Herman Smith played the organ.

The bride's gown was of rayon organza featuring a cowl neckline with crystal and seedpearls embroidered on the empire bodice. The gown had long bell sleeves embroidered with lace, crystals, and seed pearls. The train was a full tunnel train applied with the same lace as on the bodice.

Her three-tiered veil was of elbow length and attached to a half crown of crystal and seed pearls to match the gown.

SHE CARRIED a semi-cascade of stephanotis and ivy centered with a white orchid with gold streamers.

The maid of honor was Miss Beth Anderson, a former classmate of the bride, bridesmaid was Miss Colleen Rademacher, sister of the bride, and flower girl was Miss Tami Marie Moore, niece of the bride.

The maid of honor was attired in a gold linen gown, trimmed with contrasting lace, and wore a head dress of gold linen petals with a short veil. Her bouquet was of gold cymbidium orchids with stephanotis and ivy.

The bridesmaid was attired in a willow green gown like that of the maid of honor and she carried a bouquet of green orchids. The flower girl was attired the same as the bridesmaid, and she carried a basket of gold mum petals.

The best man was Terry Thurston, groomsman was Robert Every, ushers were Joseph Rademacher, brother of the bride, Frank Slagell, brother-in-law of the groom, Pat Harper, and Van Cowan. Ring bearer was Master Tony Post.

For her going-away wedding, Mrs Rademacher was attired in a dark green knit suit with orange accessories, accented by a corsage of gold mums. The groom's mother wore a light brown suit with beige trim and accessories of dark brown, accented by a corsage of gold mums.

A reception was held at Bingham Grange Hall following the wedding. Cake was served by Mrs Agnes Rademacher, aunt of the bride; groom's cake by Mrs Linda Slagell; coffee by Miss Jennifer Bricefield and punch by Miss Kathy Rademacher. In charge of the guest book was Miss Karen Rumbaugh.

HOST AND HOSTESS for the affair were Mr and Mrs Larry Moore. The St. Cecilia Guild was in charge of the kitchen. Opening

the gifts were Miss Sandy Murphy, Miss Amy Magsig, Miss Susan Ladiski, and Miss Darlene Dodway. Special guests present were Mrs Glenn Padgett and Mrs Hazel Perkins, grandmothers of the groom.

For her going-away outfit, the bride chose a brown and beige knit dress and brown accessories, accented with the orchid from her bouquet.

After a wedding trip to northern Michigan, the newlyweds will be at home at 500-1/2 N. Clinton Avenue.

The rehearsal dinner was given by Mr and Mrs R. V. Padgett and was held at Daley's Sept. 5. Both the bride and groom at-

tended Rodney B. Wilson High School and graduated with the class of 1967. The bride attended Central Michigan University but is now attending Lansing Community College and is employed by Clinton Memorial Hospital. The groom is attending Lansing Community College and is employed at Bee's Chevrolet and Oldsmobile Inc.

What—you've never seen a \$13 bill? The Chase Manhattan money museum in New York has one... and it's genuine! The oddity was issued by a private bank back in the days before there was a federal currency.

Boog-Clinginpeel wedding at Edgewood

BANNISTER—Miss Kathryn Marie Boog became the bride of Donald Roy Clinginpeel Saturday, Aug. 31, in a candlelight ceremony in the Edgewood Church of God. The Rev Hubert Johnston officiated at the double ring ceremony.

The bride is the daughter of Mr and Mrs Robert Boog of Bannister. The groom is the son of Mr and Mrs Roy Clinginpeel of Wheeler.

The bride, escorted down the aisle by her father, wore a floor length gown of chantilly lace and silk organza, with a Sabrina neckline and wrist length sleeves; the full skirt featured tiers of lace and organza. The gown carried a detachable, full chapel train. The veil was of silk illusion with a forward cluster of Alencon lace petals outlined with seed pearls. The bride carried a cascade bouquet of red roses, white carnations and ivy.

The maid of honor was Miss Beverly Clinginpeel, sister of the groom. Bridesmaids were Miss Evelyn Flegel of Anderson College and Miss Sharon Stewart of Bronson Nursing School, Kalamazoo, friends of the bride and groom. Sandra Boog of Bannister, cousin of the bride, was the flower girl.

They wore identical floor-length dresses of Ming blue with empire waists, accented with white daisies around the waist and neckline, with a chiffon train falling from a bow. They carried cascade bouquets of pink and white carnations and ivy. The flower girl carried a basket of pink and white mums.

THE GROOM WAS attended by Roger Moore of Breckenridge as best man. Grooms-men were Donald Fitzgerald of Flint, cousin of the groom, and Douglas Boog of Bannister, brother of the bride. The ring-bearer was Bobby Clinginpeel of Breckenridge, cousin of the groom. They wore tuxedos with white dinner jackets.

Soloist Mrs Robert Monroe of Ithaca sang "One Hand, One Heart," "The Wedding Prayer," and "Whither Thou Goest." She was accompanied by Mrs Marietta Clinginpeel, organist and aunt of the groom.

The ushers were John Thomas, Ronald Schaub, and Ed Whitaker, all of Ithaca, friends of the couple, and Larry Boog of Bannister, brother of the bride. The bride's mother wore a

MR and MRS DONALD CLINGINPEEL

crepe dress of coral with matching accessories. The groom's mother wore a lined chiffon of chartreuse with silver accessories. Both wore corsages of white carnations and yellow roses.

A reception was held immediately following the ceremony in the fallowship hall. Mr and Mrs Bernard Green of Wheeler served as host and hostess.

Mrs Virginia Devereaux of St. Johns, aunt of the bride, cut and served the wedding cake. Diane Devereaux assisted her mother. Miss Linda Thomas served the groom's cake, Miss Jean Webb was at the punch bowl and Mrs Merna Thompson poured the coffee. They were assisted by Mrs John Thomas and Mrs Ronald Schaub.

Mrs Tom Coe, cousin of the bride, had charge of the guest book, and Mr and Mrs Wayne Schaub and Mr and Mrs Craig Hearn were at the gift table.

After their honeymoon at Niagara Falls and parts of New York State, the couple will be living at 104 College Haven, Anderson College, Anderson, Ind., where the groom is enrolled as a senior and Mrs Clinginpeel will work as a licensed practical nurse.

Couple wed in Kalamazoo rites Sept. 14

Mrs Jane Berkhausen was united in marriage to Leslie Pullon, both of Kalamazoo, on Sept. 14 in the chapel of the First United Methodist Church of Kalamazoo.

Dr and Mrs Alton E. Pullon, brother of the groom, attended the couple. Members of the immediate families were present.

Immediately following the ceremony Mr and Mrs Pullon left for a two-week wedding trip to Maryland, Connecticut and Canada.

Mrs Pullon is manager of the Niagara store of Kalamazoo, and her new husband is retired from the Brown Co. of Kalamazoo.

After Oct. 1, the new Mr and Mrs Pullon will be at home on Riverview Drive, Kalamazoo.

MRS WILLIAM BARKER

Doris Simon wed in Sept. 21 ceremony

WESTPHALIA—Doris Simon became the bride of Bill Barker at St. Mary's Catholic Church in Westphalia Sept. 21. Father Aloysius Miller performed the 1 p.m. double ring ceremony uniting the daughter of Mr and Mrs Julius A. Simon of Fowler and the son of Mr and Mrs Jerome Barker of Pewamo.

The bride's father escorted her to the altar which was decorated with baskets of white and pink gladiolus. The bride wore an "A" line gown of rayon organza; the empire bodice, full length sleeves, and finger tip veil were accented by seed pearls, crystals and re-embroidered lace. The detachable petal train was accented with lace appliques and a bow at the top. She carried a cascade of white and pink roses.

Miss Diane Schlieder, niece of the bride, served as maid of honor, while Judy Barker, sister of the groom, and Mrs Charles George were bridesmaids. All wore "A" line bright pink gowns accented by lace trim at the sleeves and bodice. Each carried a cascade of purple asters and fern.

Jim Barker, brother of the groom, was best man. Groomsman were Julius Simon, brother of the bride, and Tom Barker, another brother of the groom. Ushers were Mike Cook, the groom's brother-in-law, and Mark Koeningknecht, brother-in-law of the bride.

For her daughter's wedding,

Mrs Simon chose an aqua dress with matching accessories and wore a corsage of red and white roses. The groom's mother wore a sapphire blue suit, also with matching accessories, and a corsage of yellow and white roses.

A 5:30 dinner was held at St. Mary's hall and the reception followed. After a wedding trip to Washington D.C., the couple will reside in Pewamo.

Plan Girl Scout leader training

Basic leadership training for Girl Scout leaders will be offered in St. Johns starting Oct. 1, according to Neighborhood Chairman Mrs Darrell Pope.

There is a need for adults who are willing to spend an hour or two each week with young girls. Adults interested in leading a troop or working with one are invited to contact Mrs Pope.

There is a need for adults who are willing to spend an hour or two each week with young girls. Adults interested in leading a troop or working with one are invited to contact Mrs Pope.

Mrs Pope conducted a morning meeting in St. Johns last Thursday of Girl Scout leaders from St. Johns, Maple Rapids, Eureka and South Riley where plans for the leadership trip were discussed.

Some of the charity that begins at home is substandard.

Michael Wiermans at home following wedding

Miss Gail Lorrain Chant became the new Mrs Michael Wierman on Saturday, Aug. 3, in a 7:30 p.m. candlelight double ring ceremony at the First Congregational Church of St. Johns before the Rev Gerald C. Churchill.

Parents of the bride are Mr and Mrs Arthur D. Chant of rural St. Johns, and the groom's parents are Mr and Mrs Martin R. Wierman of rural DeWitt.

The bride, escorted down the aisle by her father, was attired in a floor length gown of nylon organza featuring a scalloped lace neckline and short sleeves. Lace appliques accented the entire gown. Her chapel length train or organza, secured at the shoulder, was deeply edged with the same lace. The elbow-length veil fell from a petaled crown, and she carried a cascade of white roses and aqua-tinted carnations.

Miss Nancy Steffin was maid of honor. Bridesmaids were Mrs Janice Richy, Mrs Martha Bailey, sister of the groom. Junior bridesmaid was Miss Julia Chant, sister of the bride.

All were attired identically in floor-length gowns of aqua chiffon over white lace with an aqua satin band accenting the empire styling, forming a double bow in the back. Each carried a cascade of white and aqua tinted carnations.

Dan Boos was best man; groomsmen were Bruce Holcomb, Gerry Bailey, brother-in-law of the groom, and Brian Chant, Ushers were Eric Chant, brother of the bride, and Jim Wierman, brother of the groom. The mother of the bride chose a sheath dress in pink with a matching chiffon overlay. The

MR and MRS MICHAEL WIERMAN

Groom's mother was attired in a light blue brocade coat dress ensemble. Both wore matching corsages.

A reception immediately following the ceremony was held at the VFW Hall in St. Johns. Acting as host and hostess were Mr and Mrs James Sali.

Special guests were Mr and Mrs Norman Johnson and Mr and Mrs Albert Chant, grandparents of the bride, and Mrs Myrtle Zittle and Mr and Mrs Arthur Andrew, grandparents of the bridegroom.

The newlyweds honeymooned in the Upper Peninsula, Canada, and Niagara Falls, and are now at home at 1794 W. Chadwick Road near DeWitt.

Friends invited to farewell party

Mr and Mrs Lyle Snyder Sr. invite all their friends who wish to say goodbye to their son, Pfc. Evan Jones, and son-in-law, Pvt. Paul R. Peck, before they both leave for Viet Nam on Oct. 2. They may call at their home at 11089 S. Crosswell Road, R-1, St. Johns this Sunday afternoon, Sept. 29.

KAREN SMITH

Graduates

On Sept. 13, Miss Karen Smith graduated from the practical nurse program at Lansing Community College. She plans on working at St. Lawrence Hospital. She is the daughter of Mr and Mrs Albert Smith of Pewamo and a graduate from Pewamo-Westphalia Community Schools.

Announcements

A Stanley party will be given by Lady of Guadalupe Guild at the Community Room in the Central National Bank Tuesday, Oct. 1, at 7:30 p.m. The public is welcome. Orders are being taken by phone by Mrs Rudy Masarik or Mrs Richard Wood.

The public is invited to a smorgasbord dinner Oct. 12. Serving will be from 5 to 7 p.m. at the Holy Trinity School Hall in Fowler.

Although insurance premium discounts are available to students who complete recognized driver education courses, such courses are offered in only about 13,000 of the nation's 18,000 public high schools, according to the Insurance Information Institute.

MR and MRS VICTOR VOISINET

Victor Voisinet takes Jane Keilen as bride

On Saturday, Sept. 14 Jane Irene Keilen, daughter of Mr and Mrs Herbert Kellen of R-2, Fortland, became the bride of Victor Francis Voisinet, son of Mr and Mrs Victor Voisinet of R-5, St. Johns.

She walked down the aisle to an altar decorated with yellow and white gladioli and bronze pompons, for the double ring ceremony solemnized at St. Mary's Church, Westphalia, by Rev Father Aloysius Miller. The bride, given in marriage by her father, wore a gown designed of satin with the bodice having an overlay of lace, and with bell sleeves; from the back fell a train of matching lace. The shoulder length silk illusion veil was secured by a petal headpiece of lace and crystal.

Her bouquet was a cascade of yellow sweetheart roses and white miniature carnations with a white orchid.

The maid of honor was Mrs John Voisinet of Lansing, and bridesmaids were Theresa Voisinet of St. Johns, Laura Wetland of Westphalia, and Linda Thelen of Lansing. They wore full length empire style gowns with dark green velvet bodices; the skirts were made of light green satin and they carried bouquets of yellow and bronze pom-poms.

DEANNA ROHRBACH

Fulton victim of Vestaburg 9 0

By KAREN LOUDENBECK Fulton High School

MIDDLETON(c)—The Fulton Pirates played Vestaburg at Fulton Friday night and came out on the short end of a 9-0 score.

Vestaburg drew blood in the first quarter with a safety against Fulton and then pushed across a touchdown in the third quarter that ended the scoring for the night.

There were no fumbles in the game and only one intercepted pass, that by Doug Cooper of Fulton. Bill Priest was the leading rusher for Fulton, getting 53 yards in 13 carries.

Ovid-Elsie steams back, post 34-18 non-league win

By FRAN FOWLER Ovid-Elsie High

OVID-ELSIE(c)—After losing their opening game a week earlier, the Ovid-Elsie Marauders steamed back last Friday with a 34-18 win over the Cougars of Dearborn Heights Annapolis in another non-conference game.

The Marauders got two first-quarter touchdowns, but two fumbles in the second quarter enabled the Cougars to come within one point at 13-12 at the half.

Ron Lover, an O-E sophomore, sparked his team with a 66-yard

run in the first quarter for the first O-E touchdown, and Daryl Melvin ran for the extra point.

A three-yard run by Melvin gave the Marauders a 13-0 lead at the end of the first quarter.

Mark Cebula ran one yard for a Cougar touchdown in the second quarter, and Annapolis then took advantage of an Ovid-Elsie kickoff fumble to recover the ball on the O-E 6.

Ovid-Elsie started scoring again early in the third period. Melvin raced through the Cougar line for 80 yards and a touchdown, and then the Marauders scored a safety on a bad pass from center by the Annapolis team.

Dave Long ran 16 yards for an O-E touchdown in the third quarter, and Lover got another six points for the Marauders in the fourth quarter.

Dearborn Heights got their final six points on a fake punt and extended 60-yard drive in the fourth quarter, with Don Maynard busting over for the TD.

O-E had 314 yards rushing and 53 passing, compared to Dearborn Heights' 161 passing and 55 rushing. Lover had 160 yards gained on 14 carries and was the leading rusher. He and Melvin were defensive standouts for O-E, while linebacker Chuck Heinze got 15 tackles and Dennis Bolton 14 for the Marauders.

Friends' name 5 new directors

The directors of the Friends of Bement Public Library will elect officers tonight (Thursday) at 7:30 at the library. Five new board members were elected last Thursday evening by members of the year-old organization.

New board members elected were Mrs. Irene Zeeb, Mrs. Earl Lancaster, Mrs. Louise Smith, Mrs. Floyd Lounsbury and Frazer MacKinnon. They were named for three-year terms.

The new members replace former board members Jack Davis, Mrs. Gordon Iacovoni, Mrs. J.D. Robinson, David Poutils and the vacancy created by the resignation earlier this year of William Kemper.

Let's talk dry cleaning

by Dana Antes

The sports car trend has given a big boost to casual all-weather coats. They're just as popular with hunters and fishermen as they are at sports car rallies. The popular styles include shaggy-dog coats of fake fur, brushed mohair jackets lined with poplin, reversible ponchos of plaid blanket wool, leather and suede hooded car coats, and others.

Many of these garments are made of more than one type of fabric—wool and fur blends lined with cotton, dacron or rayon. Before they can be cleaned, your cleaner must analyze the exterior and the lining fabrics for fiber content to determine which method will be safe for both.

Most of the fabrics used for sports car clothes and other casual outdoor wear have been given pre-shrinkage, water-repellency, and flame resistance treatments. These also must be taken into consideration when the article is dry cleaned.

It was week of spasn in Clinton area football

It's DeWitt again, stinging Fowler

By JIM SOULE
DeWitt High School

FWLER(e) — DeWitt High's football team won its second consecutive game this season Friday night by lambasting the Fowler Eagles 29-0 at Fowler. Fowler is now 1-1 for the season. DeWitt opened the scoring in the first quarter on a safety when Roger Wardell blocked a Fowler punt and it rolled into the end zone and on through. They scored again in the second quarter on a four-yard touchdown run by quarterback Mike Botke. DeWitt scored twice in the third quarter, first on a 20-yard pass from Joe LaMacchia to Roger Kaminski, then on a 50-

yard run by Ed Fosnight. Don Brown added the point after following the TD by Kaminski. The defense scored twice for DeWitt in the last quarter. First Mike Dolby ran a pass interception back 45 yards for a TD, and then the Panthers scored another safety on Fowler. Outstanding backs for DeWitt were Ed Fosnight and Ron Smith, with each one covering over 100 yards. Mike Ashley had 10 unassisted tackles and Jeff Tews nine to lead the DeWitt defense. The Panthers gained a total of 346 yards against the Eagles, 35 on passes and 311 on rushing. They completed two of six passes, had 21 first downs and were penalized 95 yards.

Koonter-Divine combo leads Wolves in upset

WEBBERVILLE — Gary Koonter passed to Dick Divine for three touchdowns Friday night to lead the Laingsburg Wolvespack to a 26-24 upset over league-favorite Webberville in a CMAC game. Webberville took an early 12-0 lead on two touchdowns by Don Lunsted, but then Laingsburg had its turn. Koonter scored first on a three-yard dive play and then hit Divine for 15 yards and a TD. Ray Curtis passed to Koonter for the extra point that put Laingsburg out in front 13-12 at halftime. It was close the rest of the way. Koonter first hit Divine with another TD pass good for 59 yards, and Pat Coe converted for a 20-12 Laingsburg lead. Webberville closed in with Roy McFarland scoring a TD from

two yards out. That made it 20-18. In the fourth quarter, Laingsburg moved to the Webberville five and Koonter hit Divine for another touchdown and a 26-18 lead. Lunsted got his third touchdown for Webberville with a 70-yard run to round out the scoring. Laingsburg is now 2-0 for the season and 1-0 in league play.

JVs victorious for 2nd time

The St. Johns junior varsity won its second football game last Thursday night, edging out Ionia 19-12 on a three-yard off-tackle run by fullback Dave Flermoen in the fourth quarter. Quarterback Randy Atkinson got the Junior Wings' other two TDs in the second and third quarters and added the extra point after Flermoen's score. Ionia scored its two touchdowns in the first and third quarters. The score was tied 6-6 at halftime.

OVID-ELSIE—Ovid-Elsie JVs defeated Owosso St. Paul 28-0 on a rain-swept field last Thursday. Mark Bashore and Kurt Kristen each scored two touchdowns, with Cal Woodard and Walt Schock picking up the extra points. O-E gained 129 yards passing and 96 rushing. Woodard earned most of the passing yardage with six receptions from quarterback Greg McKay. Boleg and Debrova each intercepted St. Paul passes to stop drives deep in O-E territory, but JV Coach Russ Pope called the game a "fine defensive effort by the whole team." The JVs will be after their second victory at Ithaca this week.

Redwings overwhelm Ionia

Hey, how about that 2nd half!?!

The St. Johns Redwings caught fire in the second half Friday night and overwhelmed the Ionia Bulldogs 27-13 in a West Central Conference football opener for both squads.

Trailing 13-7 at halftime, Coach Jeff Smith's Redwings rammed in three touchdowns in the fourth quarter, including two within a minute of each other. Mike Green put the icing on the cake with a 48-yard dash off right tackle with two minutes left to round out the scoring.

It was a perfect night for football, and both teams put on a good show for a good opening night crowd at the St. Johns field. St. Johns took an early lead and held it until halfway through the second quarter when Ionia went ahead. St. Johns took it back for good in the last quarter.

Penalties hurt the Redwings seriously in the first half, but they didn't get any in the final two periods and took advantage of 67 yards in penalties against Ionia.

ST. JOHNS TOOK the lead for good with 9:47 left in the game. Terry Maier scored on a two-yard quarterback sneak after Tim Durner had engineered a 64-yard drive starting in the third period. Mike Green and Chuck Romig carried most of the time. Jeff Silm place-kicked the extra point to make the score 14-13.

Fifty-four seconds later St. Johns was on the scoreboard again. Romig got in front of a Doug Brown pass at the 15 of Ionia, intercepted it and ran it in for a touchdown. Silm's kick was good again, and suddenly it was 21-13.

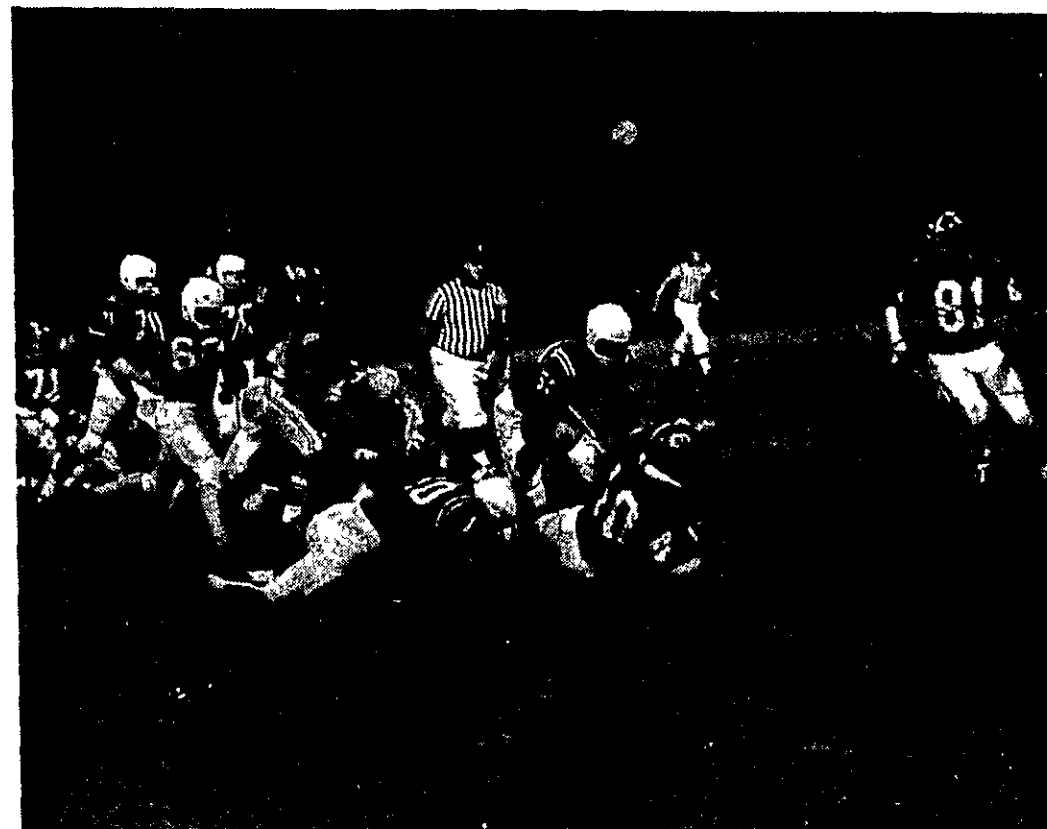

Two series of plays later, with the clock time reduced to three minutes, St. Johns took over on the Ionia 49 after forcing a punt. On the second play from scrimmage, Green found daylight in the line and streaked past the Ionia secondary for 48 yards and a touchdown. Silm's extra-point kick was blocked.

To top the game off right, the St. Johns defense, made up mostly of second-stringers playing in the final minutes, stopped an Ionia touchdown drive at the three yard line with 24 seconds left in the game.

The Redwings started the game off in good fashion, too. They took the opening kickoff and went 64 yards in 14 plays for the first touchdown of the game. Mike Green got that with a three-yard charge up the middle. Head and Romig had alternated in carrying the ball on mostly short-gainers that ate up over 6-1/2 minutes of playing time. Silm's kick put the Redwings in front 7-0.

Ionia's first touchdown came with 14 seconds left in the first period after both teams had exchanged fumbles. A 15-yard penalty against St. Johns was a contributing factor. Halfback Greg Wilson scored the TD from the three-yard line. A pass attempt for the extra point failed.

THE BULLDOGS scored again with 7:31 left in the half after recovering a St. Johns fumble near mid-field. They moved to the St. Johns 14, again with the help of

Mike Green (40) is brought down after a short gain against Ionia Friday night. No. 81 at right is Jon Berkhausen, and 71 at left is Dave Gaffney, both from St. Johns. John Robinson (30) and Larry Hankins (50) make the tackle for Ionia. Green led the Redwings to a 27-13 surprising of the Bulldogs.

a 15-yard penalty, and then Wilson scampered around left end on a statue-of-liberty play and got the touchdown. Brown passed to Wilson for the extra point.

St. Johns fans were in another dither before halftime. The Redwings lost the ball on downs on their own 38 with 2:12 left in the half, and Ionia almost got in for a touchdown before time ran out. They made it to the six-yard line with 6 seconds to go, but Terry Maier intercepted Brown pass in the end zone to end the threat.

Pirates jounce Bath 7-0

PEWAMO-WESTPHALIA—Mike Miller scored from the two-yard line late in the fourth quarter to give the Pewamo-Westphalia Pirates a 7-0 victory over Bath in a mid upset in the Central Michigan Athletic Conference Friday night.

Miller's TD capped a 67-yard march by the Pirates. Bill Freund scored the extra point on a run.

The Pirates had twice threatened to score in the first half but were stopped inside the 10. Pewamo-Westphalia was within inches of another TD when the game ended.

ST. JOHNS' LINEMAN OF THE WEEK

Norm Motmet, a 180-pound senior guard, was instrumental in the Redwings' offense against Ionia, and it was he responsible for blocking up the middle that sprung Mike Green for his yardage gains. Norm also made six tackles in playing defense during the first half.

PP&K clinic next Monday

A special Punt, Pass and Kick football clinic will be held at the city park athletic field this Monday evening, Sept. 30, to help prepare boys for the local competition Oct. 12.

The clinic will start at 6:30 p.m. and will be conducted by high school football Coach Jeff Smith and his coaching staff.

Boys who haven't yet registered are also welcome to attend, but competition Director Roger Beebe warned the sign-up deadline this year is Oct. 4, a week ahead of the competition. Registration takes place at Egan Ford Sales, 200 W. Higham. They're the dealer-sponsor of the PP&K program. The Jaycees are co-sponsors.

Accuracy not easy for grid contest fans

Last week was not a good week for guessing the results of football games. The scores of people who entered the second weekly contest sponsored by the Clinton County News were missing selections right and left.

The winner—Kent Murton of R-2, St. Johns—missed eight selections out of 20 (the Ovid-Elsie vs "Arthur Hill Tech" game was ruled no-contest because O-E actually played Dearborn Heights Annapolis).

Gall Davis of R-5, St. Johns, also missed eight, but Murton won on the strength of a tie-breaker score that was six points off the exact total compared to eight points on the Davis entry. There were two tie games this week which hurt everybody.

Open Letter from VAN W. HOAG

Dear friends,
It is wise to keep a listing of all insurance policies in auto clubs, fraternal and service clubs, unions and professional organizations, so that survivors will know of all insurance in effect. A similar list of bank accounts, safe deposit box, investments and securities is also advisable.

Respectfully,
Van W. Hoag

Extension 4-H Youth Agent

Miss Jean Burnell, an International Farm Youth Exchangee (IFYE) from New Zealand will be the speaker at the teen leaders meeting on Thursday, Oct. 3, at 7:30 p.m. at Smith Hall in St. Johns. Miss Burnell will show slides of her country and talk about different youth programs and home life in New Zealand. Teen leaders are urged to invite parents, 4-H leaders and older youth to attend this program. Also during her stay, Jean is the guest of Mr and Mrs Lupnitz of DeWitt. The Clinton County 4-H Council is sponsoring her stay.

The Detroit Junior Livestock Show will be held Oct. 28-31 at the State Fair Grounds in Detroit. Any 4-H member who plans to show his 4-H steer, sheep or swine project should contact the county Extension office by Oct. 1 for further information about entry forms and hotel reservations.

There will be a 4-H saddle horse leaders meeting on Monday, Sept. 30, at 8 p.m. at the Central National Bank Community Room in St. Johns. All 4-H saddle horse leaders are urged to attend to discuss the 4-H horse show, county fair horse show and planning of winter training meetings.

An area 4-H horse judging clinic will be held on Thursday, Oct. 10, at 7:30 p.m. at Smith Hall in St. Johns. Dick Dunn, Extension specialist in animal husbandry at Michigan State University, will be in charge of the program. All 4-H horse leaders and members 14 years or older are invited to participate in this judging workshop.

4-H members, leaders, parents and others interested in learning about clothing instruction will have the opportunity to learn about the helpful hints from an Extension home economist without attending a meeting. A series of three half-hour television programs will be shown on Wednesday mornings, Oct. 9, 16 and 23 over channel 5 starting at 6:15 a.m.

It's early in the morning, but you will see topics covered such as putting in zippers in the back of dresses, hems for different fabrics, and other sewing problems.

Jim Nichols of DeWitt is a traveling man today as he begins a two-month journey visiting Sweden, Denmark, Netherlands, and Germany. He left Saturday and will return to his home about December 1. It sounds like Jim will have a lot of fun and have many interesting experiences as he journeys from country to country. Jim was Clinton Coun-

ty's outstanding boy 4-H member in 1967 and a member of the Olive 4-H Club.

4-H photography members and leaders who like to take pictures might be interested in sending photographs to the National 4-H Club Foundation for publication in the 1971 National 4-H Calendar. They really plan ahead as entries are due by Jan. 31, 1969. Each year, dozens of photographs from members, leaders and others are published in nationally distributed 4-H calendars. These pictures tell the 4-H story in thousands of homes, offices, stores and community centers across America. Anyone interested should contact the county Extension office for details and entry forms.

During this time of year, many 4-H members are looking for 4-H beef animals for next year's project. It involves a lot of time and travel around the state to see what kinds of cattle are available. If 4-H members would like some help in locating some steers and would be interested in some type of a steer pool, I would like to know this by Oct. 1. There are two Extension-sponsored feeder calf sales to be held in October that would have a number of quality feeder calves. The sales will be held on Thursdays, Oct. 10, at Gaylord and Oct. 17 at West Branch.

The Dipsy Doodlers 4-H Club held their winter organizational meeting at the home of their leader, Mrs. Martin Roesch near Eagle. Twenty members are present by enrollment. The members discussed the 4-H TV science program they can participate in for 10 Saturdays starting on Oct. 12 over channel 10 at 10:30 a.m. Also, the new sizing was discussed. The club will hold a hayride on Oct. 12 at 7 p.m. Each member may invite a guest to the hayride.

Mrs. Jack Walker conducts meeting

The American Legion Auxiliary meeting Sept. 17 was conducted by new President Mrs. Jack Walker. Cerelda Hicks, Girls' State chairman, introduced the girls who attended Girls' State-Jan Fowler, sponsored by the auxiliary, and Gail Shafley, sponsored by the Woman's Club. The girls began their report singing the "Girls' State Song." The girls then gave a talk of their week, and thanked the group for sending them.

K OF C FOURTH DEGREE CHARTER NIGHT HELD

Seventy-five persons attended a Knights of Columbus Fourth Degree Charter night at St. Mary's Parish Hall in Westphalia Sunday night and the newly organized general assembly was formed in honor of Father George Godez, the first missionary in this area who worked for 30 years throughout Central Michigan. Master Frank Schmitt (standing) presents the charter to Faithful Navigator James Fedewa. The newly formed fourth degree assembly includes Knights of Columbus from Carson City, Fowler, Portland, St. Johns and Westphalia. The groups were formerly associated with the Bishop Albers Assembly of Lansing. Looking on during the official presentation are (seated) Faithful Captain Ben Weaver, Faithful Admiral Norbert Pohl, Faithful Purser John Rehmann, Chaplain Rev Aloysius Miller, Faithful Pilot James Tabor, Faithful Scribe Gerald Miller and Faithful Comptroller A. J. Thelen. Others in photo, left to right, are Leonard Wohlfer, Jim Spitzley, Jim Kavanagh, Herm Schrauben, Pat Kavanagh, Gerald Thelen, Harold Fedewa, Al Smith, Julius Pohl, Norman Thelen, Leonard Koenigskecht, Bernard Morse, Joe Feldpausch, Bill Spitzley, Clem Martin, Tony Kuntz, Leo Feldpausch and Fred Meyer. Absent from photo are Dale Blinx, Tom Kavanagh, Joe Wohlfer, Don Manning, Bill Patrick, Bill Spitzley Jr., Charles Foley, Al Rehmann, Walt Schafer, John Suidgeest, Bill Hanses, Fred Williams and Fr. Louis L. Anderson. Navigator Fedewa formerly held that position with the Lansing Assembly prior to formation of the new group.

Bridal showers to honor Mary Kiger

SHOWER PLANNED

WCSO of the Methodist Church will hold a bridal shower Friday evening, Sept. 27 at 7:30 p.m. honoring Miss Mary Kiger, daughter of Mr and Mrs Kenneth Kiger. Mary will become the bride of Kenneth Mitts on Oct. 19. The community is invited.

FELLOWSHIP MEETING OCT. 8

Women's Fellowship of the Duplain Church of Christ will meet Oct. 8 with Mrs. Luman Hall. Note that this date is one week later than the usual meeting date. Feature of the evening will be a Harvest Shower for Great Lakes Bible College. List of needed commodities will be on the bulletin board. Installation of officers for the coming year will also be held.

FAMILY NIGHT HELD

Family night at the Church of Christ was held Friday evening with a good number present. Following the potluck supper, Miss Mary James, sophomore at Great Lakes Bible College showed slides and told of her experience, working at the McKinley Indian Mission in Wash. this past summer.

Miss Janice Levey led the group in some songs and a duet, How Long Has It Been?, was presented, by Mr and Mrs Justin Shepard.

PICNIC HELD

A picnic sponsored by the teachers was held Saturday afternoon at Friendship Park in the Colony for all Bible School members from 8th grade down. Following a wiener roast, games were played.

Plan meeting on scholarships

Parents of students who plan to go on to college under scholarship programs have been invited to attend a special meeting next Tuesday evening, Oct. 1, in the

Chevrolet introduces 1969.

Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this. Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive? Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button?

Should we have given you less power, instead of the largest standard V8 in its field? Some people think so. Our competitors.

How does it feel?

Train wreck frightening

To be 11 years old and get in a train wreck?

Connie Cook of 305 East Gibbs Street will remember her experience for a long time.

"I screamed when we hit it, but I didn't hear a sound. It was a miserable feeling; I was terrible frightened and it seemed like a long, long time before anyone came to help me."

Connie has been confined to Clinton Memorial Hospital since the day of her accident Aug. 14. She received cuts and bruises and a broken leg, but is feeling much better now and may go home in about two weeks.

Mrs Mildred Pocus, a visiting teacher, comes to help Connie with her school work, but she misses her classmates and is anxious to get back into the swing of things.

She says the nice thing about being in the hospital is getting all the nice cards, flowers and presents. She misses most her mother's home cooking, and taking a nice warm bath in a tub.

Alberta Huhn on Forrest Hill Road for a 12:30 luncheon. Mrs Donald Maier is in charge of the program, Harvest Auction.

Draft registration urged

TERRY ESTES

In a concerted effort to insure timely legal registration of young men on their 18th birthday, the local draft board is requesting the cooperation of school officials and youth agencies in publicizing draft registration requirements, Fred Lewis, chairman of Local Board No. 19, Clinton County, announced.

Many young men forget to register on their 18th birthday and thereby lay themselves liable

to being declared delinquents and scheduled for priority induction, according to Lewis.

Young men are required to register for the draft within five days after their 18th birthday. Registration may be accomplished at any local board office. Men who are away from home on their 18th birthday may go to any local board where they are located and register for the draft.

The local draft board currently

has a total of 8,000 registrants, including all males born after Aug. 30, 1922. The local board registered 452 men during the past 12 months, compared with 413 registrants for the previous year.

Members of reserve and National Guard units are required to be registered for the draft. Only persons on active duty in the armed forces are not required to register.

Arthur Bouchey stands next to memorials shipped in from all over the world for display outside the Bouchey Monument Co. building in St. Johns.

St. Johns business

Bouchey's handle their work with 'monumental' concern

By MRS SHIRLEY KARBEN

News Staff Writer
Bouchey Monument Co. of St. Johns is unique in that these shops are not always available in a city the size of St. Johns. Many people have to place orders for their memorials without the advantages of being able to actually see the quality and color of their selections.

Bouchey Monuments, located at 1014 N. Clinton Avenue, and 1004 East Center Street, Ithaca, is a family-owned business.

Arthur Bouchey started his trade in 1928, and now his two sons, Harlan, draftsman cutter, and Jack in sales, also take pride and personal satisfaction in doing dedicated precision work for their customers.

Memorial stones are brought here from all over the world—Balmoral, finished granite from Finland, marble from Italy, granite from Barre, Vt., and rose granite from the Laurentian Mountains in Canada.

The stone is quarried at the deposit site, checked for mineral content (especially iron), sawed into slabs, and polished. Quarry blocks can lift 80 to 100 tons, but only about one-sixth of the granite mined can be used for memorials. The rest is used mainly for construction purposes. Basically one cubic foot of rough granite weighs 200 pounds; finished it weighs 180 pounds.

THERE ARE OVER 300 kinds of granite, and the deeper the mining the darker the stone's color. Surface stone is lighter, more coarse and of less value. The deeper the strata of stone the better the quality.

The stones are then shipped to dealers all over the country and set in their display areas. When the customer buys a memorial, the inscription is ordered and Bouchey starts his work.

The size of the inscription is measured and centered on the stone. The polish is removed from the stone on this section

only, then a rubber stencil with a peel-off backing is stuck over this area. The layout man makes the layout and the stencil is cut with a stencil blade.

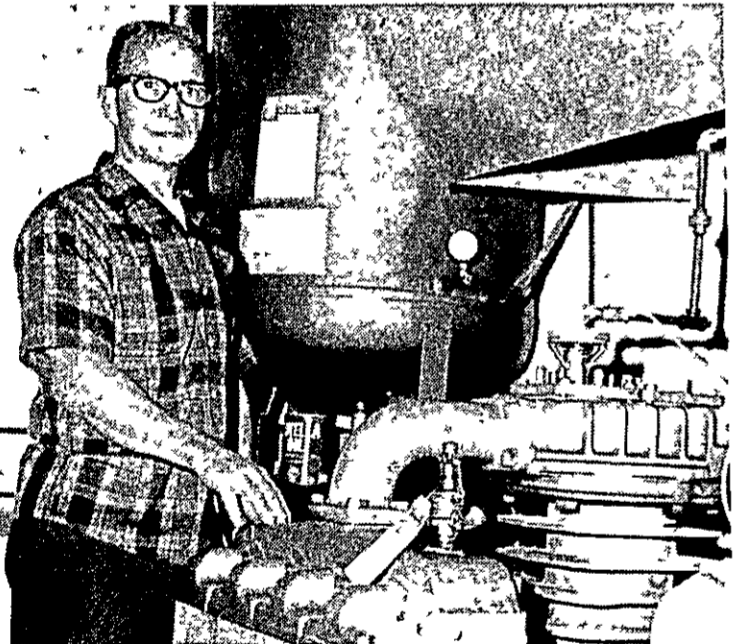

Abrasive is then blasted against the stone with air pressure 80 to 100 pounds to the desired lettering depth. This abrasive has the cutting quality of a diamond. To avoid breathing this dust, large airplane-type suction fans are used and for close work a dust respirator is used over the face.

The amount of time varies, but in years past Bouchey says it was not unusual to spend 50 to 60 hours on a memorial using such crude instruments as chisels, air hammers and sand blasting machines.

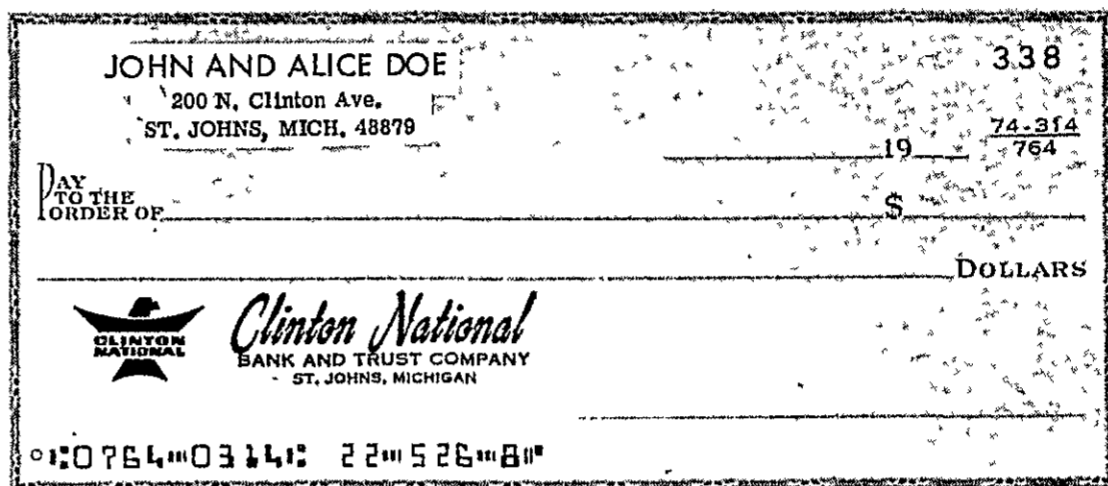

Today, with modern equipment and the help of automation, the work is easier but great care is still of prime importance to insure proper delivery and setting of the stones. The stones are carried on padded trucks and it's not unusual for these men to wear white gloves while handling large white stones to avoid any possibility of chipping or sweat and dirt marks.

REPAIRS TO memorials are difficult and expensive. When vandals break stones in cemeteries they cannot be repaired to their original quality. Oil, grass stains or blood can be very damaging, since the stone has a tendency to absorb these substances. If this should happen, Bouchey warns, wash it off as soon as possible with soap and water.

To guarantee quality in your memorials, Bouchey suggests, know your dealer's reputation and buy brandnames. Many quarries today put seals on their granite but this is no guarantee that the quality is the best. To his knowledge, Bouchey says, "Rock of Ages", the memorials they use, is the only memorial guaranteed both to you and to the cemetery where it is erected.

Arthur Bouchey shows his two-stage air-cooled air compressor, used to blast letters into stone.

1040 U.S. Individual Income Tax Return

Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q—I just got a bill for additional tax. Can I pay this off in installments?
A—There is no provision for the payment of taxes in installments. Payment is due upon receipt of the bill. You will also find that the bill includes interest on your unpaid taxes at the rate of six percent a year.
Q—What form do I use to report tips to my boss? I want to get credit for them for Social Security purposes.
A—Use Form 4070 and give it to your employer by the 10th of the month following the month the tips were earned. Do not give any of your tip income to

your employer for withholding, however. He will make the necessary withholding from the wages he pays you. The general rule on tip income is to report it when it amounts to \$20 or more a month earned while working for one employer. IRS has a diary that can be used to keep a daily record of your tips. Send a post card to your district director and ask for Document No. 563.
Q—When I retired I was given some shares of stock in the company by my fellow employees. Will this be taxable to me?
A—If you received the shares as a gift from your fellow employees then they won't be taxable to you. However, you will have to report as income any dividends you receive on them.
Q—I have several employees who work for me on a straight commission basis. Do I have to withhold any taxes for them?
A—Yes you do. The withholding requirements apply to payments

to employees of commissions and bonuses as well as to regular salaries.
Q—What right does the IRS have to seize somebody's property or bank account for unpaid taxes?
A—Federal tax law provides several actions that IRS can take to protect the government revenue when a taxpayer refuses to satisfy his obligations voluntarily. Before enforcement action is taken, a person who owes taxes is given ample opportunity to voluntarily pay his tax liability. A taxpayer is sent several written notices and afforded conferences. If in response to any one of these notices the taxpayer cooperates, no enforcement action is taken. Only when all attempts to gain the taxpayer's cooperation in regard to the settlement of his tax liability have failed, does IRS initiate action to enforce the law.
Q—I give my maid lunch. Do I have to pay social security tax on that too?
A—No. The Social Security tax applies only to cash paid to household employees for wages and transportation. You do not have to include the value of the meals you provide.
Q—I just got a letter inviting me to a charity ball. If I buy tickets can I list this as a charitable deduction?
A—This may be a deductible expense if the event is sponsored by a qualified organization. In that case, a deduction may be taken for that portion of the ticket price that exceeds the value you receive by buying the tickets. In other words, if the tickets entitle you to attend a dance then you would have to subtract what it would cost to attend a similar dance from the amount you pay for the tickets to determine the deduction. If you buy the tickets and do not attend the event the law still requires you to reduce your charitable contribution by the value of your ticket. To simplify things for contributors, IRS has requested that sponsors of charitable fun-raising events list the actual admission price and the amount solicited as a contribution right on the ticket.

Spray lawn weeds now

For the most effective lawn weed control, apply sprays now, advises William Meggitt, Michigan State University crop scientist.

"If you spray your lawn between now and Oct. 15, before the ground freezes, any weeds that are killed will be replaced by grass which is growing at its best this time of year," explains Meggitt.

"Delaying your spray program until next summer will mean that the dead weeds will be replaced with crabgrass or other annual weeds."

He says the combination of 2, 4-D amine and silvex, applied at the rate of one pound of active chemical per acre, will control dandelions, plantains, clover, chickweed, black medic, creeping charlie, red sorrel and round-leaved mallow.

Non-members are welcome. Light refreshments will be served at the close of the meeting.

MORE For Your MONEY

You start getting more for your money the minute you order your first dollar's worth of Zephyr gasoline. Simply because you get more gasoline for a dollar. And the more gasoline you get, the more miles you go. Especially when the gasoline contains the many mileage-boosting ingredients (such as Platformate) that have made Zephyr gasoline one of the three best in the midwest (according to two independent research facilities).

Get more for your money. More gasoline. More mileage. More pep. And more engine-saving detergent additives. Get Zephyr gasoline, regular or premium. Either way, you save from two to four cents a gallon.

Corn drying requirements not clear-cut

More farmers are drying shelled corn these days, with picker-shellers being used more extensively in corn growing areas. There is no clear-cut guideline that quickly identifies one drying as best for any particular farm, thinks George McQueen, Clinton County Extension agricultural agent.

Existing equipment and storages, volume, labor available, expansion possibilities and market outlets all need consideration in making the decision, the agent explained.

Daily volume is probably the most important item to consider since weather conditions in the area determine how much time there is to harvest and dry grain.

Farmers should select a piece of equipment that has a capacity to dry in 16 hours what can be harvested in a 10-hour working day, said McQueen. Farmers who figure on more than 15 actual

harvest days—not counting "down time" or days when weather is too bad to harvest—usually hit it about right, McQueen says. "Although we have a longer time—usually 30 days or more—to harvest corn, farmers must figure about half of that time is lost by weather, equipment tie-ups or repair problems."

The agent also reminded farmers that little actual drying takes place when temperatures are below 50 degrees and relative humidity above 85 per cent.

Farmers should always check the moisture content of dried cooled to be sure it is dry enough to safely store.

Clip cows now for sanitation

Clean wholesome dairy products is the goal of Michigan's huge dairy industry that last year provided a whopping \$241 million milk check to the cattle owner who now is preparing his animals for winter. The cold months present special sanitation problems.

To maintain a clean milk program some dairy herd owners are clipping objectionable hair on a few cows each day. This will continue until the entire herd is ready for winter when animals will spend most of the time in barns.

Clipping dairy cows is urged by Kenneth Van Patten, chief of the Michigan Department of Agriculture's Dairy Division. This division is responsible for enforcing all laws governing wholesomeness of milk from farm to retail outlet.

Van Patten says clipping hair on cows is not a legal requirement. But it is necessary in order to make the milking process more sanitary, he says. Strict sanitation is essential to all levels in milk production.

Clipping is usually easy in the autumn, but difficult after cows have been housed indoors for weeks. Clippers may be rented from milk producer associations and dairy plants that are interested in receiving raw milk of the highest possible quality.

Dairy division inspectors work in all parts of the state and at all levels of milk production to maintain the high standards of dairy product wholesomeness required by Michigan law.

ASC PROGRAM

County price support on corn set at \$1.09

W. M. SMITH
County ASC Manager

The price support loan and purchase rate for 1968 corn crop in our county is \$1.09 per bushel. This rate is for corn grading number 2 which contains 15.1 per cent through 15.5 per cent moisture.

The schedule of premiums and discounts for 1968-crop corn will be unchanged from those in effect for the 1967 crop.

Only farmers participating in the 1968 feed grain program are eligible for price support loans.

Corn trials near end at Simon's

By GEORGE McQUEEN
Extension Agricultural Agent

Last Wednesday we held a final look at corn trials on the Marvin Simon farm south and west of Fowler. They will be harvested soon for dry grain yields and dry matter (feed) production for each of the 20 varieties.

The first visual difference noted was the range of maturity

Marvin Simon

of the hybrids. Some could be picked then and had been ready for silage early in the month. Some others needed more time even for silage.

Next to catch the eye was height of the plant. Differences of 1-1/2 to two feet between varieties existed, but some varieties which normally are short were tall, and so on. This emphasizes findings of many years that each growing season affects growth habits of corn varieties differently. Such details as height of plant, height of ear, number of suckers, diameter of stalk, time of pollination, time of silking, and rate of drying of the ear are a few.

A difference in down stalks was quite apparent, too.

All things considered, about the only conclusion apparent at that time was the eye is not a good guide when judging corn hybrids. The real proof will be at harvest and measured in dry bushels and dry feed.

WE ALSO LOOKED at the effect of various chemicals on weed control over the full season. These observations showed the best for quackgrass control was a split application of atrazine with 2-1/2 pounds applied before plowing and 2-1/2 pounds after planting.

When crops other than corn, oats, and beets are to follow, primaze or a combination of atrazine and lorox did a very good job on weeds.

Atrazine at planting time remains tops in weed control in corn. Perhaps additional recommendations will be available before next planting season. Check with us then for the latest information on weed control by chemicals.

Loans are available for farm stored corn and corn stored in an approved warehouse.

Warehouse stored corn must grade number 3 or better or number 4 on the factor of test weight only, and contain not more than 15 per cent moisture.

Corn stored in an approved warehouse must have the storage charges paid through July 31, 1969.

WITH THE MARKET price of corn well below the support price, we anticipate a lot of producers will use the loan program this year. Demand for storage could exceed available space, so I suggest producers who wish to rent storage in an approved warehouse to contact their warehouseman early to be sure of getting storage.

Loans will be available for corn stored on the farm in good storage. Temporary snow fence cribs will not qualify as adequate storage.

The national advisory committee meets to discuss 1969 feed grains on Oct. 7 and 8 at the request of Secretary of Agriculture Orville L. Freeman.

Faced with a bumper feed grain crop this year, the committee in October will help develop plans to bring production in line with utilization for the 1969 crop year, and to limit the build-up of national carry-over.

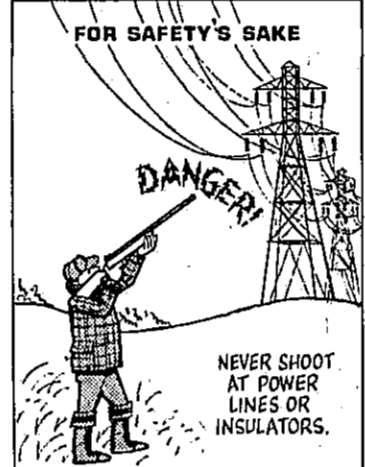

To guide farmers who fall-plow wheat and barley, the U.S. Department of Agriculture has announced the minimum qualifying diversion for participation in the 1969 feed grain program will be in the range of 20 to 25 per cent of the base acreage.

Additional voluntary acreage

diversion also was projected for next year because of current crop production prospects. Based on the Sept. 1 conditions, both corn and sorghum national average yields each may be about 5 bushels per acre greater than last year's record highs. Substantially larger yields also are indicated for oats (up 3.6 bushels per acre), and barley (up 2.2 bushels). Nearly 100 million acres are involved in production of these four feed grain crops.

THE 36-MEMBER committee consists of grain and livestock producers, representatives of the grain industry, and people in the other fields. It is called into session at regular intervals to provide the secretary of agriculture with guidance and counsel on wheat, feed grain and soybean programs. It met last on April 24 and 25, 1968, to help develop the 1969 wheat program.

I remind producers with farm stored grain to check it every week until cold weather; many producers are having trouble with weevil.

William E. Savoie of Pewamo checks out new automatic branch exchange equipment during a recent General Telephone Co. study course in Illinois.

Savoie ends study course

William E. Savoie of R-1, Pewamo, a switchman for General Telephone Co., recently completed a special study course on the function, operation, testing and maintenance of the company's new Type 300 Private Automatic Branch Exchange (PABX) equipment used by business and industry. The course was held at Northlake, Ill., a Chicago suburb.

The specialized course attended by Savoie is a part of General Telephone's continuing program to provide its customers constantly improving service through well-informed, highly-skilled employees.

Savoie was among General Telephone employees from all parts of the United States during the training session held at the training center of Automatic Electric Company, the telephone equipment manufacturing arm of the nationwide General System.

Savoie has been with the General Telephone Co. for 17 years. A World War II veteran of the U.S. Army Signal Corps, he is a graduate of Ruyard High School and attended Michigan State University.

Savoie and his wife have three sons, Mike, 19, Bill, 17, and Larry, 15, and three daughters, Kathy, 12, Maureen, 9, and Theresa, 4.

4-H Notes

The Saddle Mates 4-H Club members placed first in the best of horse groups at the DeWitt Ox Roast and won \$10. During the winter, the members will be taking the veterinary science project Unit II which covers animal diseases. Enrollment time for the class will take place on Saturday, Oct. 12, at Betty Moot's home near DeWitt starting at 3 p.m. The club discussed holding a hayride in October and a trail ride later this year.

The Detroit Junior Livestock Show will be held in Detroit on Oct. 28-30 while the Western Michigan Livestock Show will be held Dec. 17-19 in Grand Rapids. Some of the 4-H members who had light steers for the county fair might be interested in showing them in either of the two shows above.

Puppetry

The origins of puppetry are prehistoric. Although it has been practiced the world over, puppet shows have probably been seen by more people in a 20-year period of U.S. television than all the audiences it attracted in the last 2,000 years.

New centennial farm designated

DeWitt—A farm owned by Otto H. and Thelma Dickinson of 980 W. Chadwick Road, DeWitt, has been designated as a centennial farm by the Michigan Historical Commission.

The farm, located in Riley Township, has been in the possession of the family since 1866.

Many of the original building still stand and are still usable, including the fruit cellar on the back of the house, Mrs. Dickinson notes. This land was once covered by a lake, and her grandfather had to drain it before building. The house has 11 rooms and sits on 40 acres of land that produces corn, wheat, and oats.

She has many treasures from the past including a letter found recently describing the sailing of her grandfather from England to this country.

"She with her husband and two children sought their home in America. They gathered up their effects and took sail in a merchant vessel of poor sailing record at Liverpool, England. They were 10 weeks on the ocean, very near a water and bread famine. When they landed at New York they found they had between them 25 cents all told and the clothes on their backs. Thomas Brace started out exploring the country.

He found labor and stayed in New York State."

Mr. Brace later moved to Royal Oak, and from there to Clinton County. He was a basket weaver and farmer, and once walked to Royal Oak to drive the cattle up here for his farm.

Persons owning farms who wish to apply for centennial farm certificates are asked to write for an application to Centennial Farm Program, Michigan Historical Commission, Department of State, Lansing, Mich. 48918

FCI deadline on wheat Sept. 30

Sept. 30 is the final date for farmers to make application for Federal Crop Insurance protection on wheat for 1969. A closing date for applications is necessary because protection attaches to an insured crop at the time it is planted.

Federal Crop Insurance provides protection against all risks and is offered to farmers through the U.S. Department of Agriculture. It is available to both land owners and operators.

Those interested in making application, or securing additional information, should contact the FCIC District Office at 900 W. Ottawa Street, Lansing.

'Brown bag' time needn't be dreary

By HELEN MEACH Extension Home Economist

Fried chicken is excellent eating and can easily be brought to work in a brown bag. The lunch crowd of "brown baggers" grows with the coming of fall.

Many have limited time for lunch—they cannot go home or wait to be served. Some like home cooked food. Others find they have a greater variety for lunch money by carrying their lunch to work or school.

Sometimes special groups or committees have become "brown baggers," eating and meeting together at noon to conduct business and program within the allotted lunch time. With a bit of pre-planning, a carried lunch can be tasty, colorful and nutritionally well balanced.

Such meals should be kept in a cool place because cooked food is perishable. If refrigeration is not available, sandwiches and cooked meats may be frozen before packing the lunch. As the frozen food thaws it will keep vegetable relishes and fresh fruits refreshingly cool.

The following foods and combinations are popular with the "brown bag" crowd: A sesame seed sandwich bun filled with two slices of cold meat layered with sharp cheddar cheese and well drained dill pickle slices. This is a hearty sandwich. Fall grapes are good finger fruits for desert.

Atoms and Apple Cores

Mark will be fourteen years old this month. He is very thoughtful these days. Many an hour is spent on the back lawn with watercolors and pad, mostly thinking or dreaming.

Boundless curiosity is his, and "why," a certain response to every answer he receives. Besides painting, he likes to hunt, swim, golf, read, and putter in the basement with test tubes. Only recently, girls have been included with rifles and missile shots as a favored topic of conversation.

He talks about God, too. In his pursuit of answers to the universe, he investigates family discussions that range from ethics to eternity, from atoms to apple cores.

It's small wonder that I thank God daily for His Church and its teachings. Its truths help me answer with assurance the questions Mark asks in his search for understanding.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

THINK ON THESE THINGS

A devotional message written each week by a pastor of a Clinton County church

By JUSTIN SHEPARD
Minister, Duplain Church of Christ

The name of our column is taken from the Bible. The last four words of Philippians 4:8 (think on these things) do not compose the entire verse. The bulk of the verse consists of a list of those "things" of which we are to think of and fill our minds.

Taking them in some semblance of order, today we come to "whatsoever things are true." Under this heading we want to mention the truth about God. As you can probably already see, we have an endless amount of material in this verse, and it could result in not a few articles.

May this article be the last needed to be written in answer to the "God is Dead" proponents. Be honest with me as we think together on the truth about God. Some logical questions should confront those who proclaim that God is dead. Let us consider the following:

1. Has He been buried?
 2. What was the illness that killed Him?
 3. Did God die of old age or was it some affliction that is common to man?
 4. How does anyone know that He is really dead?
 5. Was an inquest held to determine the cause of His death?
 6. Are there any mourners among those who believe He is dead or are they rejoicing?
 7. Do those who believe He died believe He ever lived?
 8. Is it true that the Communist, the modernist and the revolutionist have been laughing up their sleeve since the news of God's death?
 9. Are we going to build a monument to Him? Will we choose a mausoleum? Will He be officially buried in Russia or the U.S.?
 10. What will they inscribe on the tomb?
 11. What date will they put on the headstone?
 12. Will all churches be destroyed or will they be made museums in His honor?
 13. Who are His heirs?
 14. Will they hold a council to elect a successor to Him?
 15. Will they consider Jesus as a possible successor?
 16. Will the Bible be discarded as a worthy Book?
 17. What action will be taken toward those of us who believe that God is alive and that He has a book that condemns the vain philosophies of men?
- NOTE: Can people all over this country and the world talk daily to such a God and receive answers, and strength and guidance if He is dead?

THINK ON THESE THINGS!

Credit bureau purchases told

F. J. Idle, president of the Credit Bureau of Shiawassee County, Inc., at Owosso, announced this week the completion of the purchase of the Credit Bureau of Mason, Inc. at Mason, and the Credit Bureau of Portland at Portland.

The Credit Bureau of Mason will be maintained and continue

to serve the credit grantors of Ingham County in credit reporting and the collection of past-due accounts. The Portland bureau is merged with the corporation's office in Ionia, the Credit Exchange of Ionia County.

With the Credit Bureau of Clinton County at St. Johns, owned by the firm since 1955, the Credit Bureau of Shiawassee County, Inc. now offers complete credit services in the four-county area.

Altar Society elects officers

A style show and card party sponsored by the St. Joseph Altar Society will be held Thursday, Oct. 3, at 8 p.m. in St. Joseph Gym. Fashions will be the Carol Ann Shop, and Durkee's Hat Shop. Hair styles will be by local beauticians.

Tickets are on sale from guild members, and at the Carol Ann Shop. They will also be available at the door.

There will be door prizes and individual table prizes for cards. Mrs. Frank Malusek is chairman of the style show and card party, Mrs. Leon Thelen co-chairman and Mrs. Arthur Halfman chairman of the decorations committee.

Church Women United board to meet Oct. 4

A board meeting of the Clinton County Church Women United will be held Oct. 4 at 1:30 p.m. at the Lloyd Campbell residence at 207 E. Walker Street, St. Johns. Mrs. Campbell is the group's secretary.

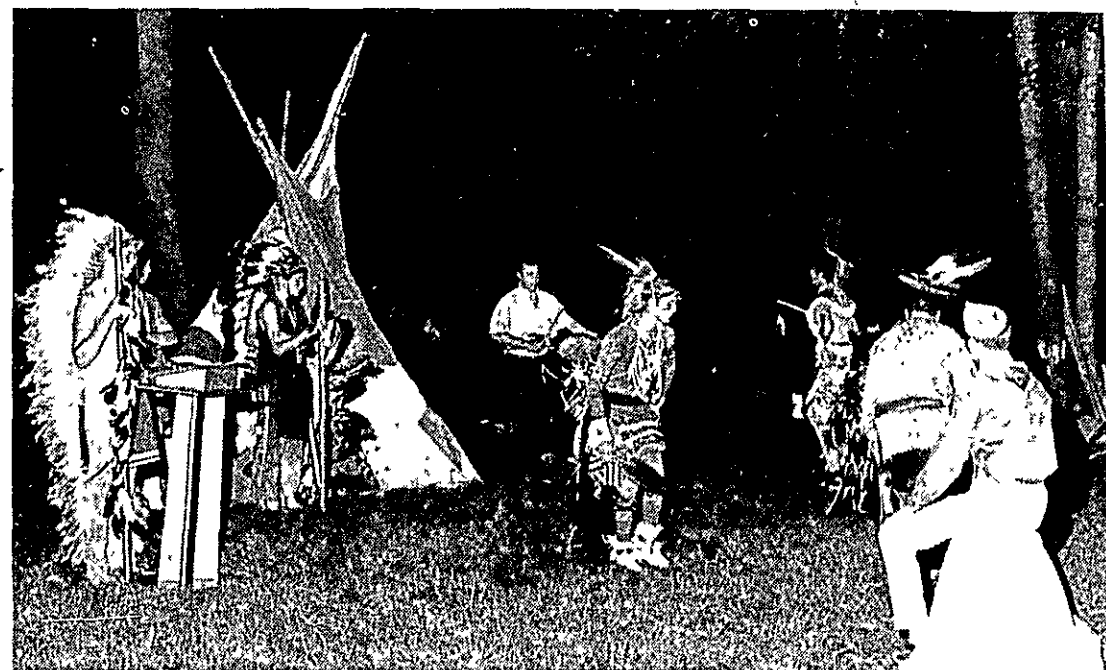

Throughout the year church women all over the United States express their concern for people in other parts of the world who are less fortunate than they by sewing garments which are needed and shipped overseas to areas of acute need by Church World Service. In addition they contribute yard goods, blankets and other much-needed items.

This year the need is greater than ever. In response Church Women's United has chosen as the material aid projects for World Community Day, ready-cut out garments, complete with instructions for sewing. For \$3 each packet will contain blouse or jacket, a skirt or trousers and underpants. These garments will be suitable for children in the middle east, Viet Nam or Indonesia.

This year CWU is offering the gift certificate plan as an opportunity to groups who do not wish to sew but nevertheless wish to contribute three dollars. This will enable the Church World Service to select a choice of a blanket or five yards of fabric.

Mrs. Glenn Shirey proudly adjusts the new Eagle Scout pin on the uniform of her son, Sam, last Tuesday night following the Eagle Scout ceremony at Wacousta. Looking on are Sam's sisters Sandy (left) and Jane, brother Jim, Scoutmaster Guy Baker, Sam's father and Asst. Scoutmaster Tom Morefield.

Part of the Eagle Scout ceremony last Tuesday night honoring Sam Shirey at Wacousta involved Indian dances staged by members of the Explorer Post 132 team putting on the program. Eagle Scout Shirey is seated on the pedestal at right during the ceremony.

Sam Shirey, by name Wacousta gets an Eagle Scout!

WACOUSTA — Samuel I. Shirey, son of Glenn and Audrey Shirey of 8480 Herbison Road has achieved the highest award possible in scouting—he received the Eagle Scout award Sept. 17 at a ceremony at Looking Glass Valley Park in Wacousta.

The Rev. Dale Spoor of the Wacousta United Methodist Church gave the invocation and benediction.

The Eagle ceremony was conducted by a ceremonial team from Explorer Post 132, sponsored by Judson Memorial Baptist Church in Lansing. The members were dressed in Indian costume, and the ceremony was done in an Indian camp setting.

Shirey started scouting in Cub Pack 260, advanced through Webelos, began as a Tenderfoot in the spring of 1964, earned the rank of second class in the fall of 1964, became first class in the spring of 1965, star in spring of 1966, and his life Scout badge was awarded in February 1967.

He completed his final requirements for the Eagle award in February 1968, and passed his review board last April, 1968.

Shirey has held the following offices during his scouting career: assistant patrol leader for one year; patrol leader one year; scribe for six months and in May 1968 became Troop 60 junior assistant scoutmaster.

DURING HIS second year as a Scout, Shirey served as a den chief for the local cub scout pack.

At Northwoods Reservation, he earned many of his merit badges in two years at aquatics and one year at summer camp, including such awards as membership to the Order of The Loon, two-mile swim, Scout Lifeguard, and membership in the honor camping society, Order of the Arrow. Also among his awards are the 50-mile Au Sable Canoe Trek and polar bear camping award.

Shirey is an honor roll student in high school, and his hobbies are science, electronics, and mechanics.

Lutheran ladies open activity for coming year

A potluck dinner Sept. 10 opened the year's activities for the St. John's Lutheran Ladies Guild. After this social event, the business meeting was begun with opening devotions conducted by Mrs. Lillian Tiedt and Mrs. Mildred Luther.

Old business during the meeting was handled by outgoing President Mrs. Lillian Tiedt, who transferred her duties to the new President Mrs. Mildred Luther. The guild planned the potluck dinner commemorating the installation of the new pastor of the congregation, Robert Koeppe, Sunday.

A memorial contribution to the Organ Fund in the name of Walter Newman, father of Mrs. Raymond Ebert, was approved and committees for the coming year's activities were chosen.

Mrs. Audrey Bacon was welcomed into membership in the guild. Hostesses for the evening were the new officers, Mrs. Mildred Luther, Mrs. Carolyn Ebert, Mrs. Dorothea Barnes, and Mrs. Gladys Ruestman.

Parents invited to find out about Scouting

"School Night for Scouting" is set for tonight (Thursday) at 7 p.m. All boys of Cub and Boy Scout age are invited to attend with their parents, to find out what scouting is all about, and to join up.

Personnel from existing packs and troops in the area will be on hand to answer any questions. Central School in St. Johns is where the meeting will be held.

INDIANS PERFORM FOR HUNDREDS AT POW-WOW IN ST. JOHNS

As many as 30 Indians in full costume performed for 10 times that many spectators on the 4-H fairgrounds in St. Johns Saturday afternoon during an Indian pow-wow. They performed their dances in a circle around a half-dozen drummers who provided the beat and chant. In the background is the new St. Johns High School under construction.

A fully dressed and resplendent Indian dancer swings in front of a crowd of 300 people Saturday afternoon at the Indian pow-wow in St. Johns.

Social security data changes can be made locally

Social security beneficiaries in Clinton County who need to report changes of address or other events that affect the payment of their monthly benefits may now do so through the social security office at Room 201, Federal Building, 216 Townsend Street, Lansing. Roger W. Seamon, district manager, said reports may be made by mail, telephone, or personal visit.

Seamon said that up to now beneficiaries were encouraged to notify the Social Security Administration about the occurrence of these events on postcard forms pre-addressed to one of six social security record centers throughout the country. Beneficiaries received the postcard forms when they initially applied for monthly benefits.

Seamon said that the change in reporting methods is designed to reduce the time needed to change addresses and process other information having an effect on payment of monthly benefits. The change is prompted by the increased capacity of social security district offices to transmit the information over high speed communications circuits to records offices.

In addition to address changes Seamon said events that affect receipt of monthly social security checks include employment, marriage or remarriage and in some instances, divorce and death.

DYNAMITE

Lots of folks get into trouble by saying just what they think before they take time to think.

Communities Chest agency

Clinton residents well acquainted with Children's Aid Society

"A baby is God's opinion that the world should go on."

This quote by Carl Sandburg exemplifies the goals and purposes for which Michigan Children's Aid Society was founded. While its services are available to children of various ages, the society is involved primarily with babies and pre-schoolers.

Services of Michigan Children's Aid Society are well known to numerous persons in the Clinton County area. Last year alone some 192 Clinton County residents were served through one or more of the three programs carried on by the society—placement of children for adoption, temporary child care and supervision in foster homes, and counseling unmarried mothers.

A breakdown of the 192 residents shows 36 were from Bath, 40 from DeWitt, 5 from Eagle, 3 from Elsie, 2 from Fowler, 3 from Maple Rapids, 15 from Ovid, 43 from St. Johns and 45 from other parts of the county.

The Lansing branch is one of 16 such offices of the society located throughout the state. It is a member agency of United Community Chest and depends on voluntary giving through the Chest for a major portion of its operating revenue.

LAST YEAR THE local branch

established a record in the number of children placed for adoption. Ninety children were placed for adoption in the Community Chest area, 25 in neighboring counties, and another seven elsewhere in the state.

Also showing an increase was the foster care program. Elmer M. Arnesen, executive director, reports that the number of children taken into care last year increased to 143, from the 123 served in 1966.

Of the parents served under the unmarried mother program, 219 were girls from the Greater Lansing area.

Michigan Children's Aid was founded in 1891 at St. Joseph. Since that early beginning the society has grown as the demand for its services continued to increase.

The Lansing branch was organized in 1919. Originally much emphasis was placed on the provision of foster care for dependent and neglected children. In the mid 50's the branch had more than 100 older children in foster care, many of whom had been in foster care for most of their lives. Relatively few adoptions were being made and service to unwed mothers was not extensive.

In the past 10 years the emphasis has changed so that there are no really older children in foster care, and work with unwed mothers has increased well over 300 per cent. Adoptive placements also have risen sharply.

LAST YEAR THE local agency received 263 inquiries about

Low bidder named for US-27 paving project

A low bid of \$49,579 for paving of a mile of US-27 in Clinton County will be recommended to the State Administrative Board for approval following the opening of highway construction bids in Lansing Sept. 11.

Spartan Asphalt Paving Co. of Holt submitted the apparent low bid for the Clinton County project. It involves a mile of US-27 between Northcrest Road (end of the current improvement on US-27 near Lansing) and a point south of Clark Road.

The project is to be completed by July 31, 1969. The other bidder for the project was Rieth-Riley Construction Co. of Battle Creek with a bid of \$80,122.

adoption and 132 applications. Home studies were completed on 124 applicants and 122 children were placed. In addition, 224 children were under supervision in adoptive homes.

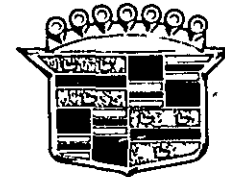

Arnesen said the normal waiting period for adoptions is about seven months after the first inquiry. Following placement of a child, the agency is responsible for supervision for a period of one year before the adoption is final.

Under the foster care program, the agency had 44 children in foster homes at the end of 1966 and accepted 143 new children during 1967. Coming into the current year 41 children were waiting to be placed.

Cost for service to the 192 Clinton County residents benefiting from Michigan Children's Aid in 1967 was \$9,033.60.

During 1967 some 5,198 Clinton County residents received direct benefit from one or more of the 21 local member agencies of the United Community Chest. Cost to the agencies to provide this service was \$61,372.79.

This year Clinton County citizens will be asked to meet a goal of \$23,683 as their fair share of an overall Community Chest goal of \$1,933,868.

Presenting Cadillac for nineteen sixty-nine

Even Cadillac has never built one like this!

The craftsmen who engineer and build Cadillacs are accustomed to creating the finest of motor cars, but they take special pride in these brilliant 1969 models.

A single glance at this automotive masterpiece reveals striking poise and beauty, dramatically new, yet unmistakably Cadillac. For 1969, Cadillac's traditional dignity is complemented by youthful styling unique in the luxury field.

New concepts in comfort and convenience.

The 1969 Cadillac is completely new inside, with major innovations in design, convenience and decor. A newly contoured "control center" instrument panel makes controls even more accessible, and virtually surrounds passengers with luxurious protection and convenience.

A smoother, more responsive engine.

Cadillac's great 472 V-8 engine—the largest V-8 ever to power a production passenger car—is smoother, quieter and more responsive. Never before has power been employed so efficiently in the operation of a car and its equipment. And for 1969 front disc brakes are provided.

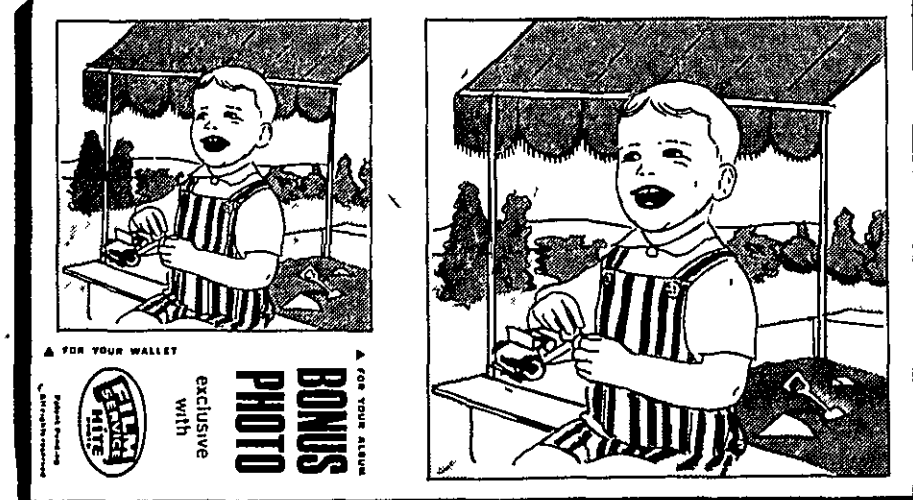

Your judgment is invited.

There are eleven different models of the 1969 Cadillac, more than is offered by any other luxury car manufacturer. Each is truly a masterpiece from the master craftsmen.

Your authorized Cadillac dealer, welcomes your personal inspection of this once-in-a-lifetime motor car. Stop by and drive one at your earliest opportunity. We think you'll agree that this is the greatest Cadillac ever built.

Fifth Sunday rally at Duplain

DUPLAIN (C)—Sept. 29 at 7 p. m. the Duplain Church of Christ will host the Fifth Sunday Rally. This has become a pattern with the area Churches of Christ to

take turns for an evening session whenever there is a fifth Sunday in the month.

Speaker for the evening will be Dr. William Ely of Lansing. Dr. Ely just recently resigned his position as a research chemist with Parke-Davis Drug Co. in Detroit and accepted a full-time

position on the faculty of Great Lakes Bible College.

His credentials as a dedicated Christian and competent scientist are noteworthy. He has served as an elder at the Memorial Church of Christ in Detroit for many years. He possesses a Ph.D. from Carnegie Institute of Technology. He has come to Great Lakes Bible College to help prepare Christian young people in this important realm of science and its proper relationship to God's word.

Services are open to the public.

CELEBRATES BIRTHDAY
Glen Baese, son of Mr and Mrs Herman Baese, celebrated his

10th birthday Sunday, Sept. 15. He had as his guest Jeffery Burnham, son of Mr and Mrs James Burnham.

End whirlwind trip to Canada

DUPLAIN (C)—John Burnham, son of Mr and Mrs James Burnham of rural St. Johns, and Doug Blizzard, son of Mr and Mrs Nell Blizzard of St. Johns, returned Sept. 13 from a trip which took them through Detroit and the tunnel to Windsor, Canada. From there they journeyed to London and St. Thomas.

At St. Thomas they visited the dragway and saw the drag races.

Then on to Toronto, Barrie, Orillia, Parry Sound and Sudbury where they visited the International Nickel Co. of Canada. Sault Ste. Marie was their next stop where they visited the locks and then crossed the Mackinac Bridge into Mackinaw City stopping over one night to visit Mr and Mrs Jeane Burnham at Carp Lake.

From there they journeyed to Houghton Lake and called on relatives, then to Greenville where they visited Paul Christiansen, a college suitemate, and returning home Friday evening. They made the trip in a classic 55 Thunderbird which John spent a year on renovating and rebuilding. They reported their trip was

trouble free.

Mrs Harry Beery was surprised Sept. 14 when Mrs Ed Davis and children called to take her to a birthday supper at the home of another daughter, Mrs Ed Gates and family in Lansing, where all her children were gathered to help her celebrate. Also present for the occasion was her sister, Mrs Charles Miller of Williamston.

Many from the area attended the wedding of Miss Ina Moore, daughter of Emery Moore and James Taylor of Ovid at the Church of Christ Sept. 14.

Michael Burnham of Villa Park, Ill., spent Sept. 14 with his parents, Mr and Mrs James Burnham.

Miss Pat Burnham of Lansing and Miss Susanne London, exchange student from West Germany, called Sept. 14 on Mrs Mary Petro and Mr and Mrs Elmer Mapes of St. Louis.

Fellowship meets, elects new officers

Women's Fellowship of the Duplain Church of Christ met with Mrs Duane Bunce Tuesday evening. Following the business meeting, election of officers for the new year was held. Elected were Mrs Roy Thornton, president; Mrs Jack Hawes, vice president; Mrs Sydney Acre, secretary; Mrs Duane Bunce, corresponding secretary; Mrs Herman Baese, treasurer; and Mrs Jus-

tin Shepard, missionary reporter.

Miss Ina Moore opened her gifts as the event was a kitchen shower in her honor.

The October meeting will be held a week later than the schedule date, Oct. 8, at the home of Mrs Luman Hall. It will feature installation of officers and will also be a harvest shower for Great Lakes Bible College, Lansing.

SHOWER PLANNED

There will be a community shower for Miss Mary Kiger, daughter of Mr and Mrs Kenneth Kiger, on Sept. 27 at 7:30 p. m. at the Colony Methodist Church. Miss Kiger will become the bride of Kenneth Mitts on Oct. 19.

To go or not to go - there's no question at DeWitt

DeWITT—All Aboard! Next stop, Stratford, Ontario! This sound will be heard by 24 DeWitt High School students as they board the train at Grand Trunk Station Oct. 3, to attend the annual Shakespearean Festival held there.

Leaving Lansing at 8 in the morning, the students will have a 4 1/2 hour train ride, and will arrive in Stratford at approximately 12:30 that afternoon. There they may tour the many points of interest in the city, until the curtain rises in the Festival Theater at 2.

This year's production will be "A Midsummer Night's Dream", a fantasy involving the complications of the mismatched lovers, Lysander and Hermia and Demetrius and Helena.

After the play, the students will dine at the Victorian Inn. The train will then depart for Lansing at 6 and come into the station at

approximately 10:30. The entire cost to the students is \$23 and will include the round trip transportation, orchestra tickets to the performance and dinner at the Victorian Inn. This trip is made possible through the sponsorship of a local travel agency and is made available to the area schools.

Photographers face smiles at Fulton

By KAREN LOUDENBECK
Fulton High

MIDDLETON — Look pretty! Fulton grades kindergarten through 11 were to have their school pictures taken Sept. 23, 24 and 25. Senior pictures will be taken on Sept. 30 and Oct. 1.

The Future Farmers of America are putting their profits from their spring garden seed sales to use this fall by adding a hot bed to the south side of the agriculture room. It has been started and should be done soon.

The Fulton FFA were hosts Sept. 19 for the district FFA meeting. The purpose of the meeting was to decide who would attend the national convention this fall in Kansas City, Mo., and to discuss the International Live Stock Show in Chicago.

Twenty-three members were present at the first Varsity club meeting Sept. 16. Again this year they will sell refreshments at the football games and they will sell season tickets to all games.

Fulton's marching band, under the supervision of Donald Froko, has been practicing for the future football games. They will march at all home games during both the pre-game and at half time.

The goal of the marching band this year is \$10,000. Their present uniforms are 12 years old and new ones are badly needed. Throughout the year the band will have several different projects to raise the money.

FULTON SCHOOLS HOT LUNCH MENU

- Sept. 30, scizzelburgers, hot rolls, vegetable, fruit and milk.
- Oct. 1, baked beans (tomato sauce), cole slaw, cheese sticks, bread and butter and milk.
- Oct. 2, pizza, vegetable, blueberry cobbler and milk.

Oct. 3, goulash, relish plate, long Johns, bread and butter and milk.

Oct. 4, fish portions, tartar sauce, whipped potatoes with butter, peach crisp, bread and butter and milk.

Homecoming planned by P-W council

By GAIL COTTER
P-W High SCHOOL

PEWAMO - WESTPHALIA—The student council has started preparations for homecoming Oct. 4. The leaders of the student organization are Roy Simon as president, Larry Fedewa as vice president, Maryann Droste as secretary, Donna Devereaux as treasurer, and Nancy Bengel as reporter.

The 1968 yearbook, "Resume 1968" has arrived and is on sale at the school.

Drum majorette this year is Cindy Trierweller, with majorettes being Beth Noeker, Judy Barker, Sherry Thelen, Diane Weber and Linette Pline. Alternates are Sharon Smith, Donna Pung and Karen Pohl.

The freshmen have elected officers. They are Ruth Thelen president, Michael Freundt vice president, Colleen Kohnigan secretary, and Mike Gross treasurer. Student council representatives are Kathy Smith, Sherry Thelen, Mike Cotter and Steve Wirth.

Even in the gentle days when croquet was all the rage, mothers were warning their daughters of men and their wicket ways.

Wilson Torch staff named

The editorial staff for the "Wilson Torch", bi-weekly newspaper at Rodney B. Wilson High School, was announced last week by Mrs. Dorothy Bates, advisor.

Debbie Wilgen is editor of the paper, with Judy Whitlock and Patti Zuker as co-editors. Other section editors and reporters are:

Michael Szarka, feature editor; with Mary Austin as junior reporter; Terry Maier, sports editor, and Charles Romig, co-sports editor; Dick Henderson, junior varsity sports editor; Lynn Henning, junior reporter; Terry Nobis secondary sports junior reporter and Debbie Westland, girls' sports editor; Jane Weber, music editor; and Rhonda Kloeckner, junior reporter; Janet Koenigsnecht, club editor; Lexa Swatman, class editor; Rick Warren, advertising manager, and Sharon Kowalk, junior advertising manager.

Working on the production staff are Mike Szarka, mimeograph; Lexa Swatman, sales manager; Debbie Westland and Janet Koenigsnecht, mimeoscope; Jane Weber, treasurer; Jim Parr, photographer, and Ed Cheeny, junior photographer.

Pam Darling semi-finalist for scholarship

OID - ELSIE - Principal Blaine Lentz announced last week that Pam Darling of Ovid-Elsie High School has been named a semi-finalist in the 1968-69 National Merit Scholarship Program.

Pam is the daughter of Mr and Mrs Harvey Darling of Ovid. The 15,000 semi-finalists appointed last week across the nation are among the nation's most intellectually able high school seniors. They'll compete for some 3,000 Merit Scholarships to be awarded in 1969.

The semi-finalists were the highest scorers in their states on the National Merit Scholarship qualifying test, given last February in 17,500 schools nationwide. They constitute less than 1 per cent of the graduating secondary school seniors in the United States.

The semi-finalists show high promise for leadership in their adult careers, according to John M. Stalnaker, president of the National Merit Scholarship Corp. "They have already demonstrated both high intellectual capacity and a readiness to develop their abilities," he said.

Semi-finalists must advance to finalist standing to be considered for Merit Scholarships, since all winners will be selected from

Cheerleaders working to buy new uniforms

By ANN THELEN
Fowler High School

FOWLER—The Fowler High School varsity and junior varsity cheerleaders have been busy working all summer to buy new uniforms.

The varsity cheerleaders are as follows: Eva Goerge, Mary Wieber, Kathy Schomisch, Karen Schomisch, Rose Ann Smith and Linda Thelen. Junior varsity cheerleaders are Joy Weber, Ann Klein, Joan Pohl and Diane Goerge. Their advisor is Ruth Smith.

Our school also has a newly formed pep club.

The senior boys have experienced something Fowler High has never tried before. The boys, as well as the girls, are working in the cafeteria this year. Thus far they are doing a fine job.

The boys' varsity club had their meeting Sept. 13 and chose their officers. Gary Feldpausch is president, Tom Nobach is vice president, Mike McKean is secretary and Doug Messer is treasurer.

Plans for this year's homecoming float have gotten under-

way. The date of the homecoming is Oct. 4 against Portland St. Pat's. The queen, her court and class representatives will be chosen at a later date.

The high school choir has increased its membership to 80 this year. They are under the direction of William Nelson who started the choir just last year. The officers for the group are Gary Feldpausch, president; Ann Thelen, vice president; and Rose Wieber, secretary-treasurer.

A request by Karl Story to erect a pole building at Bauer and Looking Glass Brook Roads in Watertown Township has been denied by the Clinton County Zoning Appeal Board.

Story wanted to locate the building on an 87 by 105 foot lot. He intended to use it for storage purposes. The lot wasn't big enough to handle the size of building requested.

PONTIAC ANNOUNCES THE GREAT BREAK AWAY!

This is the year to say good-bye to humdrum driving!
'69 Wide-Track Pontiac Grand Prix.

If you've never driven a car like this before, that's because there's never been a car like this, Pontiac Grand Prix before. So new, it's got its own 118" wheelbase. So new, it's got its own aircraft-type interior. A new steering wheel with a "soft" material rim. With a Wide-Track on big tires. With a new hidden radio antenna we're during everybody to find.

Or maybe you'd like to break away with a brand-new Firebird. With typical Wide-Track handling and a range of available V-8 choices that'll make your head spin (including the fabulous 400 Ram Air option). Brand-new styling, too. Lean, clean, ready looks. Plus 13 exciting new colors... new anti-theft ignition, steering and transmission lock.

There's also The Great One. Our GTO, the one that started it all. Complete with baseball-bat-proof bumper, fully padded instrument panel, distinctive Redline tires, along with specially designed suspension. Plus an assortment of V-8's that'll make your break from dull driving just about as pleasing as any you've ever made.

And don't forget our luxurious Bonneville. With a standard, 360-hp, 428-cubic-inch V-8, a long, long 125" wheelbase, a new upper-level ventilation system, color-keyed energy absorbing bumper at both front and rear, plus the kind of interiors you'd like to install at home. Bonneville. Who needs more?

Safe at home?

Half of all the blind in the nation today are victims of a needless tragedy, claims the National Society for the Prevention of Blindness.

According to latest data from the Public Health Service's National Health Survey, more than 40 per cent of the accidents causing vision impairment in the U.S. today occur in the home.

This high incidence of home eye injuries is due to carelessness because people just haven't learned to take industry, school and automobile safety habits and attitudes home with them.

To remedy this situation, the society recommends that all members of the family wear all-purpose safety goggles when mowing lawns (especially with power mowers), burning trash, pruning bushes, spraying plants with insecticides, and while spreading chemical fertilizers.

The society also warns against throwing glass bottles, used batteries, empty spray cans on trash fires, which can cause them to explode, showering potentially-blinding fragments of glass and metal and caustic chemicals.

Everyone who wears glasses should wear safety glasses, especially children and senior citizens who are exposed to more and new home-eye-accident hazards.

The society urges parents to keep aerosol sprays containing pressurized liquids, such as deodorants, antibiotics, oven cleaners, paints, and hair fixatives out of the reach of children at all times.

If we put to full use the scientific and safety knowledge already available, half of all blindness can be prevented.

A Colorful Season

Autumn means different things to different people, but, for all of us, autumn comes this year on Sept. 22. To some, it ushers in the excitement of football, others look forward to the hunting season, still others journey to the northlands to view the red, gold and yellow autumn colors that no artist can quite catch in all their glory.

There are still other people, especially on farms, to whom autumn means the conclusion of harvesting and planting. In the cities, autumn brings a freshness and a new life—the opening of another theatre season.

Each of the seasons has its attractions, and autumn has its full share. So whether you are a nature lover, theatre goer, football fan or just a plain stay-at-home who enjoys the smell of the cool fall air, there is something in autumn for you.

Parity prices

By W. E. DOBSON

How many haircuts in a bushel of wheat? It depends on the time and the place, Not every hair-snipper today is involved In this silly inflation rat race.

In the long ago days the old-timers recall, With haircuts a quarter a throw, Wheat netted the grower at market or mill, In the realm of a dollar or so.

Now it took just as long, 'n longer I guess, To go over a man's fuzzy dome, When standard equipment the barber possessed Was a chair, 'n shears, 'n a comb.

If savings were less in those days than now, The quarters were silver context— 'N cutters took pride in the job they had done, 'Ere dismissing their client with "Next".

The wheat price today is scarcely a buck, But haircuts 'n blood pressure rise, While hair that is long 'n braided a bit, Looks better to more 'n more guys.

It takes a real man to lug enough wheat Today just to buy a haircut, No wonder the grower gets shy of the chair, 'N looks more 'n more like King Tut.

With three dollar "peellings" now clearly in sight, Our full hoard of wheat we must save For what used to purchase a full-fledged haircut. Today wouldn't buy 'a neck shave!

P.S. No, I would not go back to those long ago days, 'N it's not just at barbers I point, But I cannot refrain from pointin' again To how parity gets out of joint.

The "Low Down" From the Congressional Record

By Joe Crump

Both Democrats and Republicans object to the onesided televised reports of the riot during the Democratic Convention in Chicago.

REP., JAMES A. HALEY (Fla.) "...I wish to insert in the Congressional Record an article by James A. Clendinen, editor of the Tampa Tribune," (Excerpts follow);

The mob which daily assembled to demonstrate and to challenge police lines had its share of daisy-pickers but it also had professional revolutionaries and long-haired toughs looking for trouble.

Beginning Wednesday morning a foul odor permeated the huge Conrad Hilton, the convention headquarters, and the Palmer House where delegates from Florida and 10 other states were quartered.

Police on Friday announced the arrest of three young women from Newark, N.J., on charges of perpetrating this offense.

REP. ROMAN C. PUCINSKI (Ill.) "...The very distinguished Chicago television critic, Paul Mallory, writing in this morning's Chicago Sun-Times, puts into perspective what television did not tell and describes the injustice committed against Chicago by network television news." (Excerpts follow)

I did not hear any commentator show anger at the taunting and obscenities hurled at the policemen.

Vice President Hubert H. Humphrey says he saw a policeman get "stabbed in the face with a broken beer bottle, cutting his eyes, his face, for no reason at all."

The Sun-Times on Sunday carried a picture of Patrolman Gregory Kyrizt in his bed at Mercy Hospital. He was among those who got it in the face with a brick. I saw no such picture on television.

REP. JAMES F. BATTIN (Mont.) "...I include the following in the Record, (Excerpts from the column of Betty Beale, in the Washington, D.C., Sunday Star.)

This columnist has just returned from Chicago-unbloodied, unpelted and even unbruised, thanks to the Chicago police.

It is time one member of the media gave the other side of the picture because the public has a right to know.

Every time a newsmen was hurt the screams of protest went around the world, but how much was said about the newsmen who taunted the police or tried to get action for the TV cameras?

A member of the vice president's coterie heard two reporters having a great laugh in the

coffee shop of the Conrad Hilton about how they agitated in Grant Park until the police started pushing them around.

Sen. Danief Inouye of Hawaii, World War hero and Democratic keynoter, said the hippies were throwing plastic bags of human excrement at the police and guards in Grant Park. They were also throwing rubber balls stuck with long nails aimed for the eyes.

How would those commentators who thought the police "over-reacted" have behaved if these things had happened to them?

'IF IT FITZ ...'

The blue serge tourniquet

By JIM FITZGERALD

What got me thinking about tight pants was this phone call from my son in the fifth grade. "You or Mother better come to school and get me," he said, "I split my pants playing football."

"Ok" I agreed, "where will I find you?" "Out in front with my back to the wall," he said. It is no wonder this kid breaks through his pants all the time. They are so tight they get bumpy when he gets goose pimples. That's the way pants are made today.

"Whatever happened to the neat pleat and the drape shape? When's the last time you saw a baggy seat of serge? I know a man who ate a hot dog with his right hand in his pocket. When he finished eating, he couldn't get his hand out. He had to diet to get people to stop calling him Lefty.

Tight pants present different problems for different ages.

For youngsters, it's getting into them. The pantlegs are made for legs without knees. It was bad enough when a boy couldn't pull them on over his shoes, and then his socks. But now a kid doesn't dare wear polka-dot underwear without first sandpapering the polka-dots.

We old crocks don't have it that tight in the legs. But let's get to the seat of the problem. Most men carry their wallets in their left hip pocket. And most men must carry 142 credit cards to feel secure (if you leave them home, your wife might find them). Unless a man is built with nothing to sit on, the wallet produces a bulge bordering on deformity. If another cheek were involved, an apt description would be that he has bitten off more tobacco than he can chew. The average tight-panted, fat-walleted man needn't worry about getting hit by a car while walking down a dark road. He can hang a lantern from his rear pocket.

Whenever anyone points out the obvious insanities common to women's fashions, some gal always says, "Yeah, but who do you think designs most female clothes—men!" She means Mr Mildred or Beau Bruce, darling,

RAMBLIN' WITH RINK

Bless you, Bengals!

By LOWELL G. RINKER

I usually try every week to avoid writing about something that other columnists are writing about. But I just can't bring myself to ignore our Tigers. This has been the "Year of the Tiger," finally, and any Tiger fan who isn't bubbling over after last week's monumental activities has got to be ill.

I've been waiting for this year since 1950. That was when my folks moved to Michigan and when I first came to realize there was big league baseball and how interesting it could be.

As a kid I probably listened to three-quarters of the Tiger games during the summer months (they were practically all afternoon games, then) and I spruced things up by keeping a scorebook on the games frequently. I never got to the point, though, that I religiously followed batting averages and knew who could hit what pitcher best.

From age 10 on I was an avid fan. When the Tigers lost I was glum. When they won the sun shone brightly.

When they blew a game (as only the Tigers can blow them), there wasn't anybody madder or sadder. I remember one time in 1950 or 1951, they sailed along for eight innings with a big lead over, I think, the Boston Red Sox. They they blew it in the ninth, and after two men were out Boston scored something like 10 runs and beat them 10-6 or something like that.

I WAS SO MAD I cried. What made the bitter pill even harder to swallow was the fact my brother saw this and spilled the beans to my dad, and he had to go and mention it in a crowded barber shop with what sounded at the time like a megaphone voice.

I also sat and listened one time when Boston scored 17 runs in one inning against the Tigers. That was back in the 1950s, too, and set a record for runs in one inning. I had been

keeping score with my notebook but became hopelessly confused after the Sox batted around twice and still were at the plate.

There were many other times when I labored through Tiger defeats. There was the time I saw my first major league game—the Tigers and the Chicago White Sox. Les Jenkins was living at Hart yet then and he got tickets and we all went down to "Briggs Stadium". The Tigers lost, of course, and there were back-to-back homers hit off them.

I've seen the Tigers play only about five times, actually, and they won only once. The last time, this past spring, they played Washington but still got beat, and to add insult to injury, that was the game when Frank Howard of the Nats hit two homers including one that cleared the left field roof.

I've suffered through many, many TV games where the Tigers have played terrible baseball and others where they'd lead all the way and then get themselves in such horrible predicaments they would just about make a nervous wreck of me.

BUT I HAVE REJOICED with them, too. Etched in my mind are a great belly-sliding catch of a fly ball by Charley "Paw Paw" Maxwell, a leaping backhand catch against the center-field wall by Bill Tuttle in his rookie year way back in the 50's, and the time when Al Kaline raced across the foul line to make a dazzling grab of a deep pop fly and then in the same motion turn and throw out a runner trying to score from third base after the catch.

There are many memories of the Tigers in the past. The more you think about them the more come back to you. There were good years in the 1950s with pennant-contending teams, and there were bad years where the Tigers couldn't win by any stroke of luck.

But I forgive them. This "Year of the Tiger" has been a great one, and they have provided a great deal of spirit and enthusiasm for Michigan society as a whole. Their countless come-from-behind victories have been inspirational. Denny McLain's overpowering successes and his gesture to Micky Mantle last Thursday afternoon have been great.

And the great thing is that Tiger fans are united. People of all races and nationalities are joining together in salute and forgetting their self-made problems. By bringing home the American League pennant and hopefully the World Series flag, the Tigers are helping to mend a big Detroit problem.

And they're making a lot of long-time Tiger standbys tearfully happy. Bless you, Bengals.

New directions needed for welfare programs

By LESTER J. ALLEN
State Representative
88th District

The press media around the state have been full of stories about demands for increased funds for persons receiving ADC welfare assistance. This new push, supposedly for extra money for new clothes, could cost the state over \$6 million for the more than 100,000 children on ADC.

The implication in these demands is that the state is not doing enough for destitute persons, and allowing fatherless children to freeze on the way to school because they have inadequate clothing. These implications are not true; Michigan is doing all it can with available revenue for those in need of welfare. The Legislature this

year is going to spend \$437 million on welfare. ADC cases in a 10 month period last fall and early this year increased some 9,500 cases. Each ADC case represents an average of 4.1 persons and costs an average of \$185.85 each month. Statewide, the ADC caseload is spiraling at a rate of 800 cases per month, and since Jan. 1 direct relief support has skyrocketed by 70 per cent.

Michigan is meeting its commitments in social welfare, but the supply of money is not limitless. The simple fact is that the taxpayers of Michigan cannot give everybody everything they want. Welfare recipients are not the only ones pressing the state for additional funds. We are also hearing anguished cries that we must supply more state funds for education and all other areas of

state spending. The Legislature has to set priorities and budgets in the face of these conflicting demands, and we should live within these budgets.

THE LEGISLATURE would also like to do much more for education in our state, but we are dipping as much as possible with existing resources. The question of priorities comes up again. It is more important, for instance, to provide new clothes for ADC children than to build more and better schools in which to educate them? All of us must realize that the taxpayer's pocket is not bottomless, so we might as well buckle down and live within our means.

Mounting welfare rolls during an era of unprecedented national prosperity should be the tip-off that drastic action is

needed to redirect our welfare programs. A total reappraisal and restructuring of the welfare system is necessary with emphasis shifted from hand-outs to helping hands. The basic philosophy behind our welfare programs should be that assistance will be given to allow the recipient to become self supporting. But instead of reducing welfare rolls, present programs perpetuate and enlarge them. The current system also tends to completely destroy and thwart initiative.

The organization of the welfare system needs to be revamped. The ever-increasing

and changing federal programs and regulations often conflict with or overlap state efforts. In some cases there is no coordination of decision-making. The state, for instance, can be held accountable for part or all of the cost of a decision made at the county level or the federal level. There have been charges that the federal establishment is recruiting welfare clients for the state and county governments to support. There are also allegations that anti-poverty funds are being fed into militant welfare organizations to spur agitation for more hand-outs.

A complete reorientation of

our thinking on how welfare dollars are spent is also essential. The system we operate under now discourages self-improvement on the part of welfare recipients. There are indications of widespread abuse by recipients of the assistance they receive. There reportedly are cases where welfare funds have been used to buy totally unnecessary luxuries, such as color televisions. There have been cases of men living with welfare recipients and eating up the allotment intended to support children. ADC mothers are encouraged to resist efforts to enroll them in training programs because of fear of losing part of their government check. Another major point of contention is whether the ADC system also works to promote illegitimacy by offering increased support for more fatherless children.

The welfare programs of this county, especially national programs, are ineffective, wasteful

and shameful. Prompt action is needed at both the state and federal levels to roll back the cycle of poverty the welfare effort has perpetuated. New directions are necessary to allow people to escape the welfare rolls and channel tax dollars into more productive programs.

Concepts are changing

When the teacher believes the student can't learn, chances are good he won't. Educators have found this to be true, and are doing something about it, according to Robert Sternberg, educational consultant for the Michigan Department of Education.

Sternberg associates the effects of such "self-prophecy" with past methods of teaching. "Under the traditional methods of educating youngsters," he says, "the teacher sometimes became convinced some of her students could not learn. It didn't take too long to convince these students that she was right. And when they fell behind in class and lost interest in school, the teacher said, 'See, my prophecy was correct.'"

professional educators became concerned with the dropout of students. They found that about 30 per cent left school at age 16, the minimum age allowed by law, and another 20 per cent had lost interest in school although they remained enrolled. Intensive investigation uncovered the need for a new approach to education.

EMPHASIS IS increasingly placed on "output" rather than "input" factors. Degrees held by teachers, accreditation, student-teacher ratio, tax base per child, formerly were used to gauge effectiveness of a school district.

"Output" considerations include: what a student believes, how he behaves, contributions he makes to society, how he relates to his environment. Sternberg notes that this calls for a "higher discrimination" of teaching skills with less "drowning of the student in information," and more emphasis on the "whole person." The student must be motivated, taught to think for himself, shown that the information has a direct bearing on his life and his present and future well-being, Sternberg points out.

This brings the educator into a whole new concept of learning. He must develop in the student a personal meaning for knowledge. This may involve first establishing confidence in the student that he is able to learn. It may involve satisfying physical deprivations: a hungry child has little appetite for learning arithmetic. It has led to the "Community School" idea and has had an effect on every phase of education: curricula, methods of teaching, flexible scheduling, co-op programs, cultural camps, etc.

Teachers and administrators have to adjust to the new em-

phasis on total learning. Many encounter difficulty in making the adjustment. The older teacher who uses the traditional method of asking students to repeat what she previously told them may be unable to alter her approach. Administrators must motivate their staffs by setting examples rather than dictate new methods, Sternberg believes.

RESULTS OF THE new approach are startling. A federal

North Victor

By Mrs Elzie Exelby

The Pomona Grange meeting that was to be held at the Victor Church on Wednesday, Sept. 18, has been postponed until Oct. 9. This was due to the serious illness of one of the members, Mrs Irene Upton. Mrs Upton has been a patient at Clinton Memorial Hospital for the past four weeks. Family night was held at the Price Church last Thursday evening with a potluck supper served before the meeting. Mrs Edna Whittemore of Ovid was guest speaker and talked on her book on the history of Ovid.

Mr and Mrs Amil Krentz and family of Freeland spent Sept. 15 with Mr and Mrs Thayne Miner and grandmother, Mrs Agnes Marolf.

Mr and Mrs Glen Walters of Lansing were guests of Mr and Mrs Elzie Exelby Sept. 12. Mr Walters is recovering from a severe heart attack suffered several weeks ago. They also called on Mr and Mrs Ted Rouse of Ovid.

A kid's got a right to some privacy too.

If your kid's been hiding out lately when he gets on the phone, take the hint. There are probably some things he'd rather discuss without an audience around. And he's entitled. After all, asking a girl out at his age is hard enough. But when the whole family's listening in, a guy could freeze. Help loosen young Don Juan's tongue. Call

your General Telephone business office and get him an extension phone. Then he can have his tête-à-têtes without feeling self-conscious. When a kid feels you don't want to listen in on all his private conversations, he's more apt to tell you about them. An extension phone gives him that choice.

Rev Raft guest at Baptist Church

The Rev Fred Raft of the Aurelius Baptist Church of Mason will be the guest speaker at the services at the First Baptist Church of Elsie starting Sept. 29 at 7:30 p.m., running through Oct. 2.

Rev Raft is a native of Greece, a graduate of Northern Seminary and is known by many in this area for his fine gospel preaching and his message in song.

His wife, two daughters and son will sing with him at part of the services.

The public is invited.

The Elsie PTA held its first meeting of the new school year recently with president Mrs Ray Canfield in charge. Mrs Albert Hashley gave the opening prayer.

Lyle Dunham, membership chairman, announced the drive for new members was opened and would continue through the Nov. meeting.

The sum of \$50.00 was set aside to purchase dolls for the doll walk at the PTA Carnival. The kindergarten rooms had the largest number of parents present

and will have the aquarium for the next month.

Joe Thering presented a program on football, showing the different protective devices and telling the cost of each item. He said that each boy has better than \$128.00 worth of equipment at each game, which is purchased from the gate receipts. In the past three years they have purchased over \$12,000 worth of equipment.

He concluded his program by illustrating the different formations—the T, I and wing T. He also explained what monster man and red dogging are in football.

A chairman for the carnival will be selected at the next meeting.

During the social hour that followed the program, refreshments were served by Mrs Walter Miller, Mrs Robert Valentine and Mrs Richard Saxton.

Mr and Mrs Richard King spent three days at Boyne High-

lands attending the Michigan Dairy Foods Assn. Convention. One evening a Western steak fry, hayride and hoedown was enjoyed with all guests dressed in western garb. The Kings received the prize for the best costume.

The men and women also enjoyed a golf tournament. The women had a program on wigs and wiglets by Ray Pettitt of Petoskey.

Mrs King presented a program of demonstrating cake decorating for the ladies who attended the convention. A decorated cake was given as a prize and two of her sugar Easter eggs. Hobbies were also displayed.

The convention closed with the usual fine banquet.

The Kings noted that the trees were beginning to turn into their beautiful fall colors. The ride on the ski lifts was also a very interesting and beautiful event.

Airman Bruce W. Moore, son of Mr and Mrs Thomas E. Moore, R-1, Bannister, has completed basic training at Lackland A.F.B., Texas. He is now assigned to the Geodetic Survey Squadron at Malmstrom AFB, Great Falls, Montana. His wife, the former Linda Bennett of Elsie, is a Medical Technologist at Columbus Hospital, Great Falls.

A daughter, Julie Ann, was born to Mr and Mrs Mel Stodia, Sept. 2 in Ontario, Calif. The infant weighed 7 pounds 12 ounces and is the couple's first child.

Mrs Stodia is the former Pauline Hehrer of Elsie. Grandparents of the infant are Mrs Enda Hehrer of Elsie and Mr and Mrs Jerry Stodia of Henderson.

Mr and Mrs Charles Kridner were hosts to the Peterson Reunion at their farm home last Sunday with 31 present. There was a potluck dinner with guests from Clio, Flint, Ortonville, Owosso, East Lansing, Laingsburg, Alma and Elsie.

Mrs Gertrude Scarbrough is under treatment at the Owosso Memorial Hospital and her sister, Miss Sylvia Oberlin is seriously ill at the Clinton Memorial Hospital.

Mrs Alex Dunay was a Wednesday evening dinner guest of Phyllis H. Martz, at the Birmingham O.E.S. Chapter No. 220. Mrs Martz is Grand Representative of Virginia and Michigan. Mrs Dunay also attended a bridal shower for Joyce Eastlick Saturday evening at the home of Mr and Mrs John Surk of Ovid.

WSCS holds meeting, gives supper report

The WSCS of the Shepardsville United Methodist Church met in general session at the church on Thursday evening, Sept. 19, with the Berean Circle in charge of the program. Mrs Dale Squiers had charge of the devotions. The scripture she chose was Luke 10, containing the story of the Good Samaritan. Her meditation was on "My Brother's Keeper."

The program consisted of a talk and pictures by Mrs Charles Hazle of St. Johns. She told of

the trip they took to British Honduras this past Aug. It was in connection with the Alliance for Progress program that each state adopt a developing country. Michigan adopted British Honduras. They were under the sponsorship of the newly merged United Methodist Church. They were away from Michigan for 5 weeks. They took their three oldest children with them. There were nine adults and 23 teen-agers and children in the party.

The slides Mrs Hazle showed included the work done in Belize, scenes of Mexico City where this year's Olympics will be held, the Yucatan Peninsula, and some Indian ruins. Also included were many pictures of their caravan as they camped along the way. She had several mementoes of their trip.

During the business meeting, the usual reports were given and accepted as read. There was considerable discussion about the memorial for Mrs Chandler Gleason. It was finally decided to get a picture and the cost of the picture was not to exceed a certain amount. The matter of the nominating committee will be taken up at the January meeting. A reception for the

Rev LeRoy Howe and family has been planned for Oct. 10. It will be a planned potluck supper. The next general meeting will be in January. The circles will meet at their regular time next month.

The final plans have been completed for the Bazaar and Supper to be served at the Church on Thursday, Sept. 26. Serving will begin at 5:30. There will be a free will offering, for the benefit of paying off the debt on the educational unit.

World-Wide Communion will be observed at the Shepardsville United Methodist Church on Sunday, Oct. 6.

Mrs Nellie Sherwood is a patient at Clinton Memorial Hospital.

Mrs Effie Wilson has been spending sometime with her daughter, Mrs Albert Warren. Mrs Warren is recuperating from recent surgery.

Morningstar Chapter No. 279, WES of Ovid, will meet in regular session on Tuesday evening, Oct. 1. This is the annual meeting, and there will also be the elections of officers for 1968-1969.

The members of the Ovid-Duplain Library club will meet at Mrs Clayton Sherwin's home on Oct. 4 at 10:45 and from there will leave for a day's trip to Saginaw.

Bill Muller of Detroit was a Sunday visitor of Mr and Mrs Steve Komioes.

Child Study Club has progressive dinner

The St. Johns Child Study Club held a progressive dinner recently. Hostesses were Mrs Randolph Ott, Mrs Kenneth Catlin, Mrs Roland Ritter and Mrs Benjamin Walker. Erle VanCamp and the Wilsonaires provided the singing.
