FACT finder

Are you concerned about getting the straight facts on a question which arises but don't know where to find the answer? We'll find the facts for questions submitted by our readers. Just drop us a line at FACT FINDER, Clinton County News ST Johns 48879.

Q-The traffic signal at the corner of US-27 and M-21 does not adequately allow smooth flow of East-West traffic. Can FACT FINDER find out why? RE, ST JOHNS

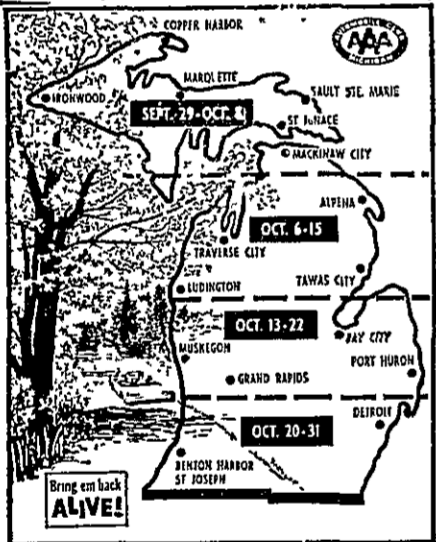

A-The state's highway department "auto" do something but their hands are tied. A spokesman said the intersection just doesn't have the capacity to handle the traffic. When the timing was set traffic counts were taken and 27 had by far the heaviest flow. The solution would be elimination of at least 1 of the 2 North-South left turns. Plans to widen the road met with opposition from local people, so for the time being the department is abandoning those plans for a year to pursue alternate solutions.

Q-Why is there a "stop" sign on Lansing St at the corner of Townsend? Lansing is a through street all the way except on M-21. AK, ST JOHNS

A-Caution - children at play. That's 1 of the reasons the stop sign went up says St Johns Police Chief Everett Glazier. We are trying to cut speed at that intersection because too many accidents were happening. Also many motorists travel via Townsend Road to get to their US-27 work route. The St Johns city limits go 1/2 mile beyond that intersection. And the speed limit is 25 mph.

Q-I'd like to take a color tour. Where's the best place to take my family for a day's drive this weekend? PN, DeWITT

A-"The autumn leaves J Frost will woo. Here's a color tour map just for you."

The Michigan Tourist Council says if the weather stays fair, there'll be good color right here in Clinton County in a week with the fall splendor peak following. Clinton can boast of many scenic drives-north, south, east and west.

Q-Please see what can be done about the weeds in front of the Social Service building on E State Street in St Johns. Both sides of the sidewalk look terrible because of this and it certainly doesn't help the appearance of the city. It certainly is no pleasure to walk up through there. Thank you. DC, ST JOHNS.

A-Green weeds grow all around all around. That building is rented from Norman Rademacher, who's responsible for its outside upkeep, according to a social service spokesman. The county's maintenance department cleans the inside and removes snow during winter months. The untidy appearance of the building has been brought out numerous times and hopefully your observation will spur some action.

Julie Goebel wins contest

JULIE GOEBEL of 2-3 West Court in Ovid is the \$20 winner in this week's football contest sponsored by the COUNTY NEWS.

Julie earned the prize on her tie-breaker point total in the Detroit-Minnesota game while she and two others all guessed the winners in 12 of the 15 games. The Los Angeles-Green Bay game was eliminated this week when the 2 pro teams battled to a 13-13 tie.

Julie nosed out Douglas Knight of 6521 Walker Road in St Johns with a 34 point total in the Lions-Vikings game. Douglas guessed 32 points and the actual total was 44. Elizabeth Pouch of 408 E Walker in St Johns had the same number of correct choices but failed to submit a tie-breaker point total.

Thieves steal firearms from St Johns hardware

ST JOHNS - Police are continuing their investigation into the robbery of Dean's Hardware in St Johns Sunday night where thieves carted off over \$3600 in merchandise including a large quantity of firearms and ammunition. According to St Johns Police Chief Everett Glazier and Sgt Lyle French, partially empty ammo boxes were found on the counter when the burglars apparently loaded handguns stolen from a display case. Two pair of gloves were also missing from the store.

A LIST of the stolen items included 27 handguns, 1 shotgun, 2 rifles, 10 boxes of assorted ammo, 2 portable color television sets, 1 adding machine and 52 wrist watches.

The burglars attempted to gain entry first through a rear door and then a window before getting into the building through a basement window. Police believe the loot was carted out the same way entry was gained.

"Tire marks in the alley indicated the

robbery happened Sunday night", reported Chief Glazier while adding it was impossible to determine an exact time-of the crime.

THE WHOLESALE VALUE of \$3628 arrived at by police was obtained from a price list of the missing items compiled by the store owner, Al Dean.

Detectives from the Michigan State Police Crime Lab were at the scene Monday morning checking for fingerprints and taking photographs. Police also circulated a list of serial numbers on the stolen firearms among law enforcement agencies throughout the country.

The dial on a huge safe in the store's office was knocked off as thieves made a futile attempt to crack it open.

CHIEF GLAZIER said speaking from years of experience in police work he did not expect a quick breakthrough in the case. "These things take time," he concluded.

Commission gives firemen more pay

ST JOHNS - In a swiftly conducted half hour session Monday night, the St Johns City Commission gave the firemen a pay raise and accepted 2 Planning Commission recommendations but took no definite action.

Terms of the firemen's pay raise were decided upon during private sessions with Fire Chief Clare Maier and city officials last week. The agreement includes the following 6 points. (1) Pay scale for the first hour be raised from \$5 to \$7 per hour (2) Pay Scale for the second hour be raised from \$4 to \$6 per hour (3) Stand-by fee for rural fire calls be raised from \$2 to \$3. (4) No change be made in the Blue Cross Escrow Fund. (5) Between April 1, 1974 and June 1, 1974 when the city commission works out a proposed budget a duly appointed group from the fire department discuss wages. (6) The Blue Cross Escrow Fund request be discussed during budget preparation work between April 1 and June 1 next year.

The agreement fixes wages for firemen for the next 2 years while the Blue Cross Escrow Fund request of an additional \$150 per man will be up for review next spring.

THE FIRST Planning Commission recommendation accepted by city commissioners concerned a 153 acre tract of land bordering on the north city limits owned by Willard Searles. The property was formerly known as the Sullivan farm. Searles seeks to have the land annexed to the city of St Johns and re-zoned for development.

The planning commission approved the annexation and re-zoning with the provision further details be worked out on providing city services to the area. Searles' development plan includes a single family housing area, multi-housing, a commercial area and a public park which would act as an 800 foot buffer zone between the city's waste water treatment plant.

Monday night city commissioners voted to table the recommendation until a public hearing could be held and details worked out on providing public utilities to the area. A major concern among city officials is additional housing being connected to an already over taxed sanitary and storm sewer system. An engineering report with recommendations on what action to take is expected to be given to city commissioners next month.

In the second Planning Commission recommendation regarding a proposed new Kroger store on the city's southside, the commissioners took similar action while noting a public hearing must be scheduled. Bobenal Investment Co of Alma is seeking to zone an area near the Southgate Shopping Plaza for commercial use as the site for a new Kroger store.

LAST WEEK the Planning Commission recommended the re-zoning request be approved but outlined several conditions. After hearing an engineering report on the area, the Planning Commission suggested the developer clean out a ditch south of the property and install a storm sewer system to handle the additional water runoff.

Also contingent upon approving the re-zoning was a 6-point plan drawn up by William Brehm Jr of Planning Consultant Services in Lansing. Brehm's 6 recommendations were: (1) Vacation of Elm St east of Hampshire Drive. (2) A 100 foot green belt to act as a buffer zone between the commercial area and residential housing on Hampshire. This belt would be a 5-foot earth mound planted heavily with evergreens no less than 5-foot high upon planting. (3) A trust fund be established

to insure permanent maintenance of the green belt. (4) A \$10,000 performance bond be put up to insure construction of the green belt. (5) The proposed Kroger store be situated on the site in such a manner where the service entrance is not visible to residential housing. (6) All recommendations of the city's engineer be carried out by the developer.

Commissioners took no definite action on the planning commission recommendation Monday night but a meeting with Bobenal officials and city officials was tentatively planned prior to a public hearing.

ATTENDING THE Monday night session was James Prince of St Johns who is selling the property to Bobenal. He said Al Fortino of Bobenal was unable to attend but wished to make known his feelings on the 6-point plan of Brehm's.

"They want to carry out the essence of these 6 points," said Prince while adding Bobenal wants to discuss further the implications of the trust fund and a 100 foot green belt. He explained the 100 foot green belt proposal "seems a little on the excessive side" and added that there may be better means to accomplish the same purpose sought by creating a trust fund to insure maintenance.

Following approval for the city manager to seek bids on a new police car and agreement to make the payment due on land being purchased for the park area, the session was adjourned. Zoning Administrator Randy Humphrey explained to commissioners a delay in receiving money from the federal grant for the park development makes it necessary for the city to meet the land contract payments.

St Johns Police Chief Everett Glazier, examines the basement window at Dean's Hardware thieves pried loose Sunday night during a break-in where a large quantity of firearms and ammunition were taken. According to police, the loot which included 27 handguns, 1 shotgun, 2 rifles, 2 television sets and 52 watches totaled about \$3628 in value.

Clinton post offices become part of the Lansing facility

ST JOHNS - The ten Clinton County Post Offices will become part of Area Mail Processing, one of the newest innovations of the US Postal Service on October 1, 1972, it was announced last week by Postal Officials.

The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through full utilization of the modern and mechanized post office at Lansing.

THE LANSING OFFICE is a Sectional Center Facility (SCF) serving 83 associate post offices in Michigan.

Area Mail Processing is a plan whereby eventually all mail originating at these offices will be consolidated at the SCF for complete preparation and

processing for outgoing dispatch.

All mail deposited in street letter boxes designated for deposit of mail for local delivery only, and all mail deposited in a receptacle in the local post offices which is designated for the deposit of mail for local delivery only, will be postmarked with the postmark of the local post office. The mail for local delivery will be processed in that office. The outgoing mail with local postmark will be dispatched to the Area Mail Processing Center for distribution.

AT ST JOHNS all mail deposited into street letter boxes, which have not been designated for local deposit, or into the "out-of-town" letter drops at the

associate offices will be transferred to the SCF for processing, and will bear the postmark designated for the Lansing SCF area.

Area Mail Processing will be applicable primarily to that mail, originating at post offices within the SCF area, which is destined for delivery outside of the city of origin.

The Sectional Center Facility Area postmark will read, "US Postal Service MI 489" along with the date and AM-PM designation. The city postmark of Lansing and each individual associate office will not be changed.

Postal officials urged that customers should no longer use the word "city" on mail addressed for local delivery but should spell out the name.

Crash kills Ovid youth

ELSIE - A 16-year-old Ovid boy was killed Sunday night on Hollister Road about 1 mile south of Elsie when his auto apparently went out of control and struck a tree.

According to Clinton County Sheriff's deputies, Daniel Charles Hoshield of 7990 Hollister Road was pronounced dead at the scene by Coroner Van Hoag.

DEPUTIES SAID the Hoshield youth was traveling north on Hollister when his car apparently spun out of control and went off the right side of the road. His car then crossed the road and hit a tree roadside. Hoshield was thrown from the auto and found about 700 feet from the wreckage.

Services were held at 3 pm today at the Carter Funeral Home in Elsie.

He was an Ovid-Elsie High School junior, a member of Varsity Club and listed as an end on the varsity football team roster.

Chamber hosting coffee hour

ST JOHNS - Chamber of Commerce members and guests will be treated to a Chamber sponsored coffee Wednesday morning Sept 27 at the L and L Restaurant between 9:30 and 10:30.

Purpose of the coffee is to generate fellowship among members and to provide an opportunity for guests and new business people in the area to become acquainted with Chamber activities.

Coffee and rolls will be available throughout the designated hour and members may come and go as their time permits.

The St Johns Exchange Club will be out in force this Friday raising funds to further their civic projects by the club's annual toothbrush sale. Members will be covering the downtown area and shopping centers, both north and south, from 9 am to 9 pm. Here a group of early sellers converge upon a likely customer. From left are Milo Rowell, Roger Beebee, Norm Cain, Les Jenkins, Marvin Barclay and Charles Huntington.

Cameron paces win over Charlotte

ST JOHNS -- The Redwings put it all together Friday night in romping over West Central Conference foe Charlotte for a 28-7 victory.

St Johns displayed a good blend of defensive and offensive strength as Coach Ernie Becker's charges earned their first season win after losing the opener to a powerful Mt Pleasant team.

Offensively for the Redwings it was running back Bruce Cameron as he demonstrated the style which earned him top rushing honors in the conference last season. The 5-foot-7, 145-pound senior scored 3 touchdowns, booted an extra point, intercepted a pass and gained 124 yards. On the merits of this performance, he was selected by the COUNTY NEWS as "Player of the Week".

Mary Pettit, Mark Barz and Bruce Irish, Pettit, a senior earning his first start at linebacker, topped the Redwings defense with 12 tackles and an intercepted pass. Junior defensive halfback Barz snagged 2 of 6 interceptions by St Johns and was credited with 7 tackles. Irish, the 190-pound co-captain, had 10 tackles and blocked a punt which set up Cameron's second touchdown.

"That blocked punt by Irish was the difference in the ballgame," reported Coach Becker. "We led 13-7 at the time but they were moving the ball on us." Irish's block enabled St Johns to recover the ball on the 3-yard line and Cameron plunged into the end zone making the score 19-7. Junior quarterback Jim Lynch then made it 21-7 by running the 2-point conversion.

DEFENSIVE STAND-OUTS for St Johns were

when Lynch went 3 yards on a quarterback sneak. Dave Harper converted.

CAMERON THEN went 6 yards for his first TD in the second quarter. Charlotte scored their lone touchdown just before halftime on a 6-yard pass play from Bob McConnell to Ed Smith. Rocco Moore kicked the extra point.

The game's final scoring play came in the final period as Cameron plunged over from the 7-yard line and then kicked the extra point.

ANOTHER OFFENSIVE STANDOUT cited by Coach Becker was St Johns running back George Rosner who rushed for 93 yards. "His running set up a lot of scoring opportunities for us," commented Becker.

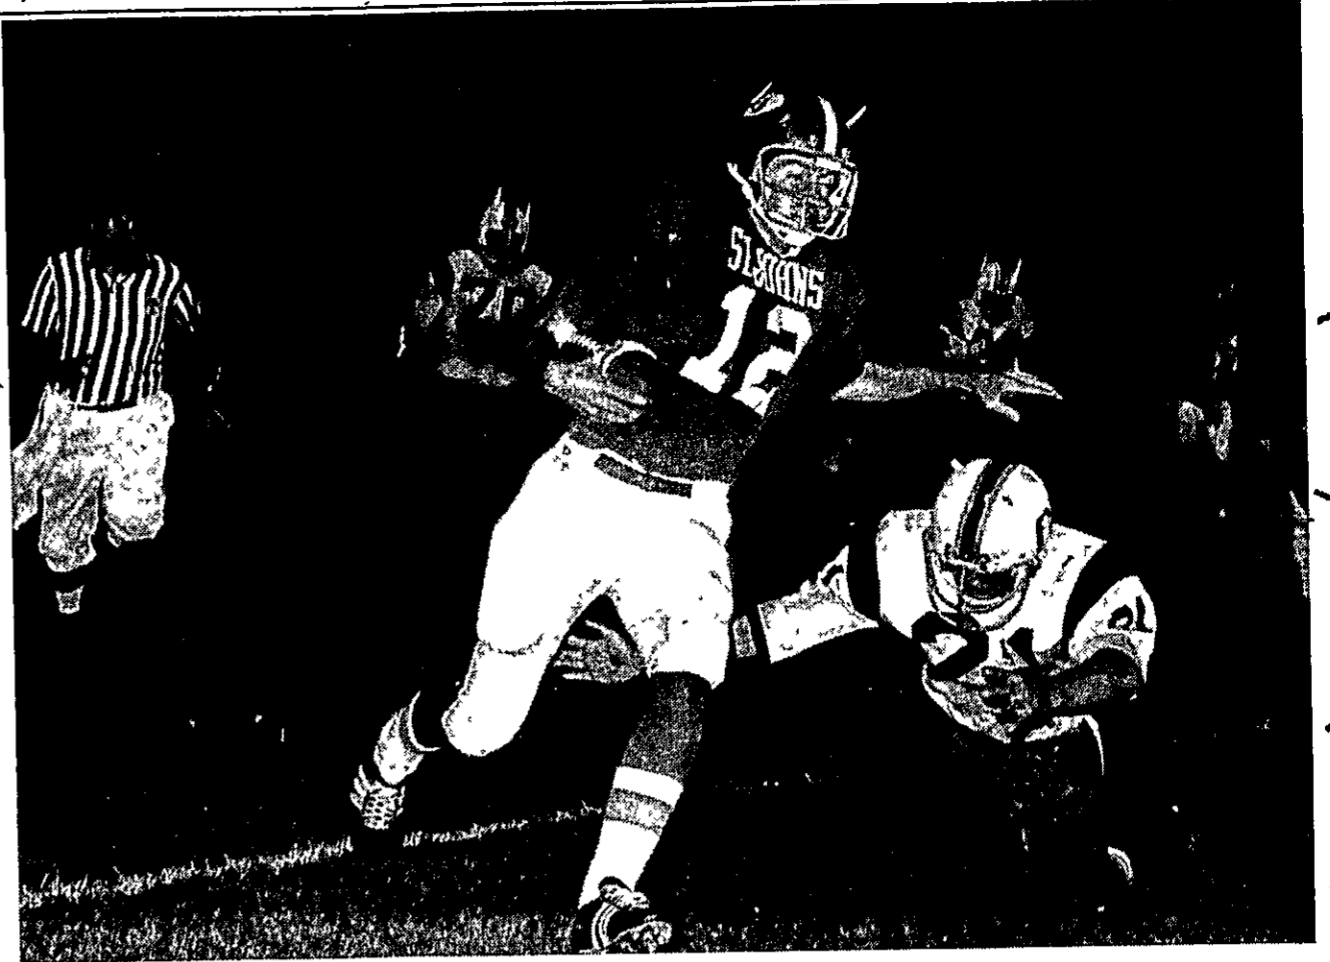

St Johns compiled 203 yards rushing in the game and Lynch logged 44 yards in the air while completing 4 of

6 passes. This week the Redwings entertain a highly regarded Holt team.

O-E edges Lowell 12-6

LOWELL -- Ovid-Elsie had a scare but survived a strong surge by Lowell in the final period Friday night to pull out a 12-6 win.

The Marauders kicked off to the home team and on Lowell's first play from scrimmage they fumbled and Randy Loynes recovered on the 12-yard line. Fullback Rick Staples then went off tackle for O-E's first touchdown within the game's first 2 minutes of play. The contest then remained 6-0 until halftime as neither team was able to generate a scoring drive.

Late in the second half Gary Groom set up O-E's second TD with a bruising 37-yard run up the middle to give the Marauders first down and goal to go. Quarterback Tom Kirinovic

scored from the 1-yard line but the extra point attempt failed again. The touchdown drive covered 60 yards.

O-E THREATENED several times but numerous miscues including 5 fumbles stopped drives toward the goal line.

Lowell hit the scoreboard with less than 3 minutes on the clock as they blocked a Groom punt in the end zone for a touchdown. Lowell then kicked off and recovered the ball on O-E's 40-yard line with a successful onside kick.

With 2 minutes left in the game, the Red Arrows went to the air attempting to score a TD. The aerial show was unsuccessful as O-E defenders repeatedly knocked down long pass attempts. O-E took over the

ball and ran out the clock.

COACH MARK O'DONNELL had high praise for his defensive unit and stressed that assistant coach Bob Foreback's daily pass defense drills "paid off in a big way". Lowell put the ball into the air 22 times but completed only 1 pass for 10 yards.

Defensive end Randy Loynes led O-E with 14 tackles and the fumble recovery which set up the first TD. Dan Egbert had 12 tackles and Rob Nethaway made 11 to round out the defensive play. O-E defensive halfback Doug Keck was voted the best hit award by his coaches and he also made 8 tackles.

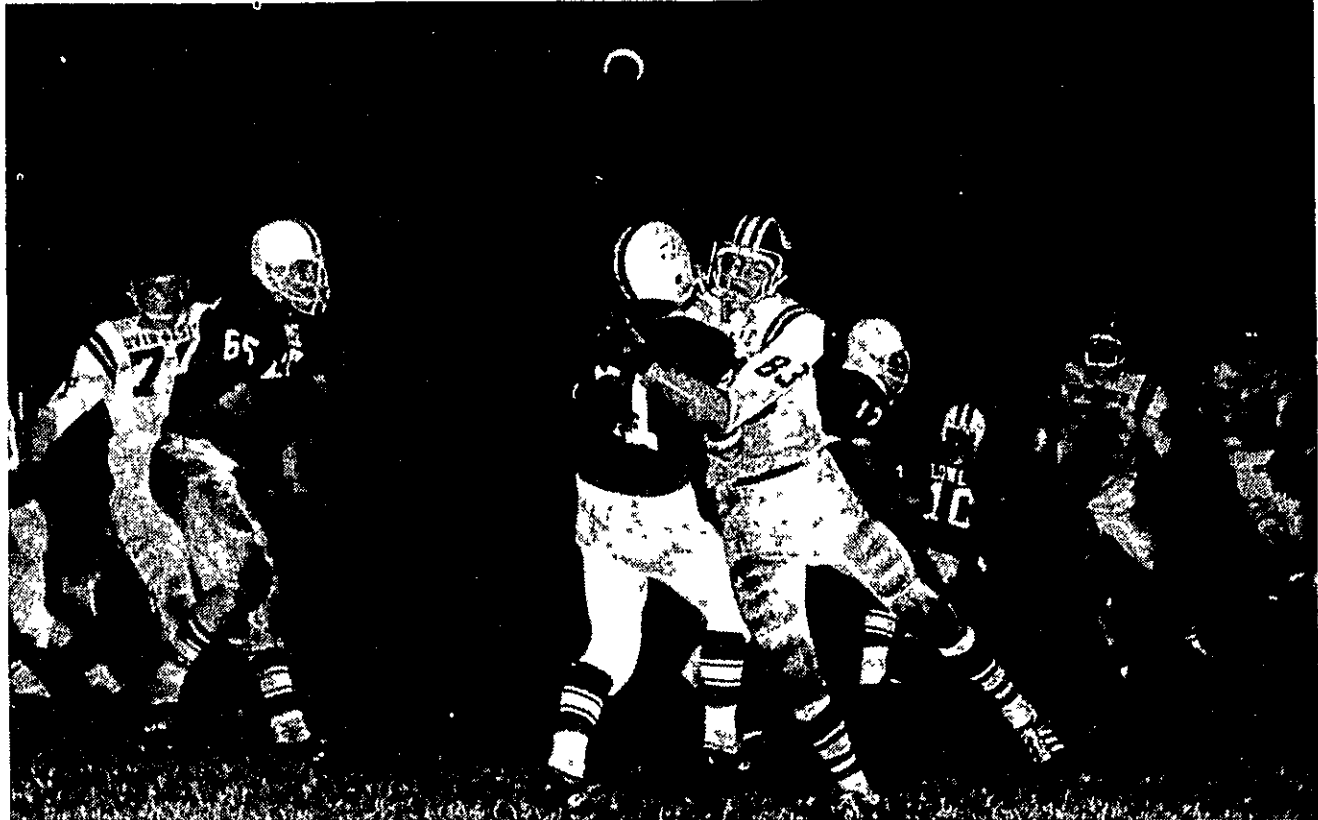

Groom paced the offensive attack with 100 yards

rushing in 17 carries.

O-E opens the Mid-Michigan "B" League season at home this week with an 8 pm kickoff time against the Chesaning Indians.

THE O-E JUNIOR VARSITY picked up their second victory of the season last week with a 16-0 win over Lowell. Jim Quine and Jack Bashore each scored a touchdown with Dean Hibler running for the extra points. Thursday night the JV's travel to Chesaning.

The O-E freshmen opened their season last week with a 30-0 win over Fowlerville. Kevin Byrnes, Jim Lockwood and Neil Stinson paced the scoring. Tuesday night the freshmen played host to Chesaning.

LOYNES RACKS LOWELL QUARTERBACK

Ovid-Elsie defensive end Randy Loynes blasts into the Lowell quarterback during Friday's game which the Marauders won 12-6. Loynes earned his coach's nomination for the COUNTY NEWS' "Player of the Week" honor for outstanding defensive play. He downed the Lowell quarterback 3 times, made 14 tackles and recovered a fumble which set up O-E's first touchdown.

Bath drops league opener

PERRY -- The Bath Bees opened the Ingham County League on a somber note Friday night by losing to Perry 24-6 on the victors' home field.

Perry's Paul Southwell dominated the scoring as he scored 3 touchdowns. His first TD came in the opening period on a 60-yard punt

return. A few minutes later teammate Greg Youngs streaked around right end for a 54-yard TD run and Perry had a 12-0 lead.

BATH SCORED its lone touchdown as Duane Bower plunged over the goal line from 1-yard out but the extra point attempt failed.

Southwell scored again just before halftime on a 6-yard run. He finished out the night's scoring in the 3rd 15-yard TD run.

It was Perry's 8th straight victory. Last season they shared the league championship with Fowlerville. Bath was held to only 74

yards rushing in the game while Perry logged 174 yards.

THIS WEEK Bath entertains Leslie in another Ingham County League clash.

Three days to register for PP&K

ST. JOHNS -- There are just 3 days remaining for boys in the St. Johns area to register for the local Punt, Pass and Kick Competition.

Bruce Fowler of Egan Ford Sales sponsors the popular youth activity in this area, said that registrations would be taken through Friday, Sept. 29. The St. Johns PP&K Competition is

scheduled for Saturday, Sept. 30 at 6 pm at the St. Johns High School Athletic Field.

"ALTHOUGH TIME is growing short, any boy 8-13 years of age can still compete," said Fowler. "All he needs to do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form. There's no entry fee or

charge of any kind, and that goes for all 6 levels of competition, up to and including the National Finals."

The Ford Dealer pointed out that 1st, 2nd and 3rd place trophies will be awarded in the local competition in each of the six age groups. Increasing the boys' chances of winning one of the

18 trophies is the fact that each boy competes against other boys his own age. And since there is no body contact, a boy's size is not as important as his ability to punt, pass and place kick for distance with accuracy.

"Winners can keep right on going up through the Zone, District, Area and Division contests to the National Finals," the Ford Dealer said. It's possible that one or more of our Local winners could wind up in the Finals, which this year will be held at the Pro Bowl Game in Dallas on Jan. 21. That means an all-expense-paid trip for the contestant and his parents, a special tour of fabulous Dallas, Texas, a Banquet of Champions celebration, and the chance to meet some of the top professional players and coaches.

St Pat upsets Panthers

PORTLAND -- An injury-riddled DeWitt squad fell victim to Portland St Patrick Friday night in a Central Michigan Athletic Conference clash 12-6.

DeWitt Coach Tom Isanhart reported a rash in injuries to his Panthers played a critical part in the loss to St Pat. "I think we got hurt mentally," he explained while citing those players on the injured list.

Among those disabled is

quarterback Randy Lankford who has a knee injury. Also out for Friday's game were 3 defensive starters.

THE PANTHERS top ball carrier last season Duane Shooltz was sidelined from practice all last week and Coach Isanhart had planned to keep him out of the St Pat game. However, Shooltz's replacement, junior Al Brown, received a knee injury early in the game while standing on the sidelines. Brown had compiled 27 yards rushing in just 4 carries when Isanhart was forced to replace him with Shooltz.

DeWitt's only touchdown of the game was a 6-yard run in the second quarter by Rich Albertson. St Pat tied the score with 7:45 left on the clock on a 14-yard pass play

from Terry Baker to Dan Lenneman. DeWitt blocked the kick attempt.

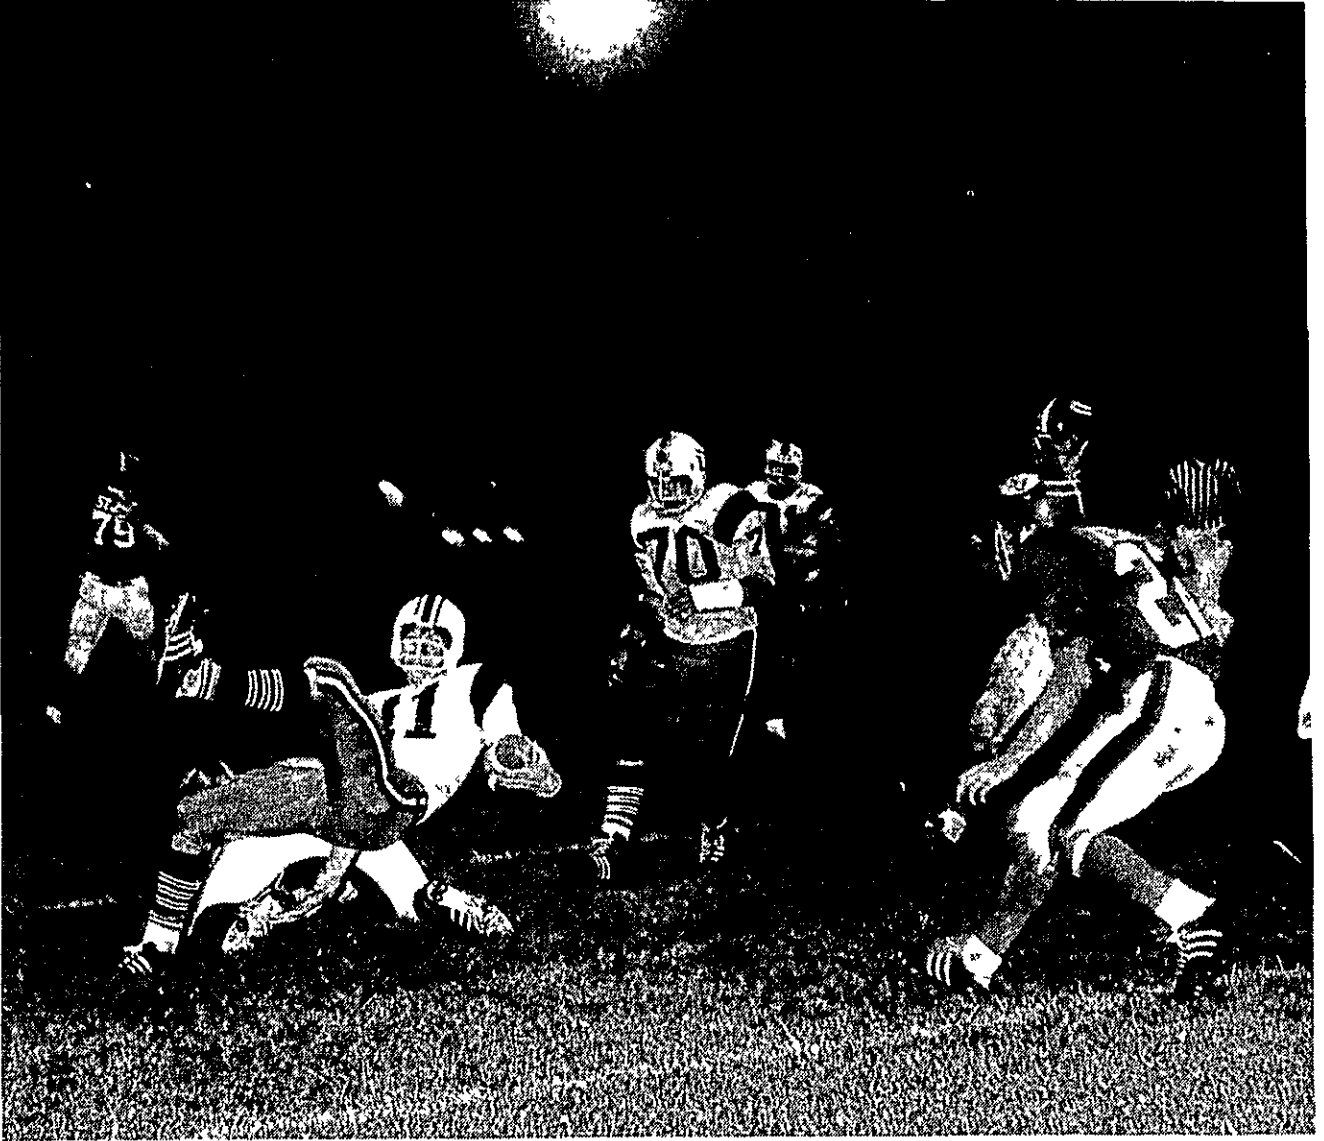

A bad punt and a penalty then plagued DeWitt as the home team got the ball on the Panthers' 10 yard line late in the game. Portland's John Brown scored on a 4-yard end sweep for the winning TD.

RULE INFRACTIONS played a major role in the game as DeWitt was penalized for 120 yards while the home field was called for only one 5-yard penalty. DeWitt topped game totals with 183 yards rushing and 55 yards passing. The victors compiled 128 yards rushing and 40 yards in the air. The Panthers recorded 140 of their 185 yards rushing in the second half.

REGISTERING for PP&K right now in our dealership could mean all that for some youngster or youngsters here in St. Johns, but they should register right now," the dealer concluded.

When he registers, each boy gets a free PP&K Tips Book. It contains helpful pointers from the pros on punting, passing and kicking. In the '72 edition are suggestions from NFL stars Dave Lewis, Roger Staubach and Garo Yepremian, plus Coaches of the Year Don Shula and Tom Landry. Complete PP&K rules and suggested conditioning exercises for contestants are also included.

This is the 12th anniversary year for PP&K. From its inception, the youth activity has been sponsored by the Ford Dealers of America and the National Football League. In that time more than 8,000,000 boys have taken part in PP&K, making it the largest and fastest growing activity of its kind in America.

O-E QUARTERBACK ON A DOWNER

A Lowell defender spills O-E quarterback Tom Kirinovic during an option play in Friday's game at the Red Arrows field, Charging in to help out is O-E tackle Dave Winkler.

Fowler wins number 2 21-7 over Webberville

WEBBERVILLE -- The Fowler Eagles racked up a second straight Central Michigan Athletic Conference victory Friday night with a 21-7 win over Webberville.

Fowler's strong defensive unit nearly recorded their second straight shutout of the season but Webberville's Dbn Griswold connected on an 8-yard pass play to Tom Cole with 45 seconds left on the clock, Rich Clark kicked the extra point. In the opener, Fowler blanked -

Portland St Patrick 23-0.

EAGLES' COACH Steve Spicer had special praise for his defensive unit and said "they work real well together". They are Randy Simmon, Dave Osborne, Mel Pohl, Tony Thelen, Neil Simon and Rich Epkey. Simmon led the Eagles in tackles from his middle guard spot with 11 assists and 4 solos. Pohl scored a touchdown on defense as he scampered 10 yards with a fumble recovery.

Larry Halfman opened the scoring for Fowler with a 12-yard TD run. Pohl kicked the extra point. Pohl then ran into the end zone with his fumble recovery and Halfman scored the 2-point conversion run.

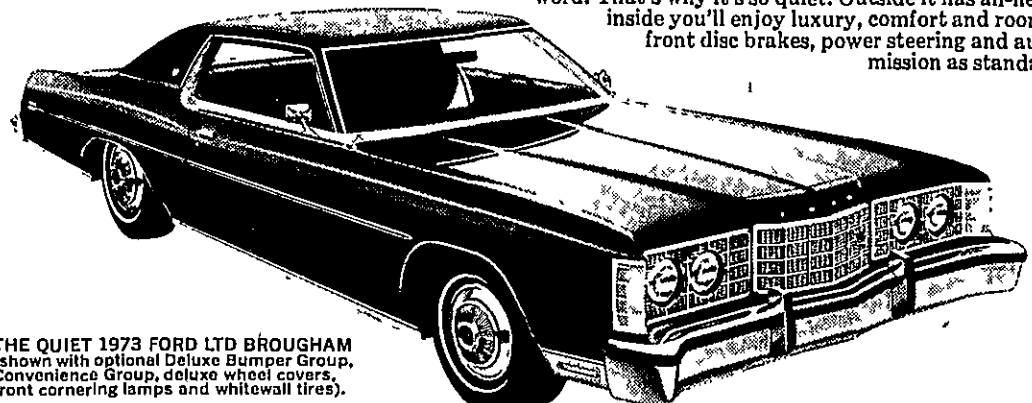

The other Eagles' touchdown came on a 5-yard pass play from quarterback Scott Spicer to Pat Thelen. Webberville blocked the kick.

HALFMANN PACED the Fowler offensive attack with 70 yards in 10 carries. The Eagles logged 148 yards on the ground and 17 yards in the air. Webberville gained most of their yardage in the final period to finish the night with 85 yards rushing and 35 yards in the air.

Coach Spicer nominated linebacker/offensive guard Neil Simon for consideration in the COUNTY NEWS "Player of the Week" honor for his "consistent performance both on defense and offense."

MRS WAYNE KARBER

Yaw - Karber vows repeated

ST JOHNS - Pamela Yaw became the bride of Wayne Karber Friday, Aug 25 in a double ring ceremony held in St Joseph Catholic Church. Rev William Hankerd officiated at the 7 pm service before an altar decorated with yellow gladiolus and white mums. Organist was Jackie Schneider and soloist was Ann Fox.

The bride is the daughter of Mr and Mrs Kenneth Yaw of 3200 Round Lake Road, DeWitt and the groom is the son of Mr and Mrs Richard Karber of R-2, St Johns. The bride, given in marriage by her father, chose a gown of Chantilly lace styled with long full sleeves, high collar and long train. A lace bib-effect decorated the bodice of the gown. Her shoulder-length veil was secured in place by a crown headpiece trimmed with lace and seed pearls and she carried a bouquet of yellow roses and white carnations.

Terry Riley of St Johns served as maid of honor and assisting as bridesmaids were Louetta Blackmer, St Johns and Marilyn Bohm,

Sheridan. Junior bridesmaid was Connie Yaw, St Johns and flower girl was Barb Karber, St Johns. The attendants wore full-length yellow gowns featuring a flowered bodice. A yellow ribbon headpiece secured their shoulder-length veils and they carried a bouquet of yellow mums and white daisies.

Best man was Roger Wicherham of Lansing and assisting as groomsmen were Larry Burk, St Johns, and Dan Schaefer of Fowler. Seating the guests were ushers Ken Karber, St Johns and Bryan Yaw, DeWitt. Ring bearer was Dan Feyerband of Grand Ledge. A reception, with 150 guests in attendance, was held in the social hall of the church immediately following the service.

For travel on their wedding trip in Northern Michigan the new Mrs Karber chose a violet hot-pants dress with a matching sleeveless jacket.

The couple, both graduates of St Johns High School, will make their home at 605 East Walker Street, St Johns.

CHURCH NEWS

The Lowe WSCS met at the home of Mrs Don Bast on Sept 13 at 7:30.

The president announced that the birthday calendar business would be finished the next day by the committee of Alvina Bast, Glenna Findlay and Caroline Anderson, and the material would be sent in for printing, so the calendars would be available by early November.

It was announced that the Chinese Auction Sale would be Oct 7 and the committee to promote it would be Ruby Pierce, Beatrice Cook, and Marguerite Gove. Articles for the auction are to be brought to the church a week before, so the committee will have a chance to arrange them. The auction will start at 8 pm, and refreshments will be served afterwards. The public is cordially invited.

A Welcome Wagon committee was appointed and serving will be Al Bast, Glenna Findlay, and Eloise Cook. They decide the family to be called upon, solicit for their basket, and designate the callers. This should give everyone in the society an opportunity to help greet the newcomers and also help provide for their welcoming gifts.

The Sunday potluck dinner with a church board meeting afterwards was announced, and everyone urged to participate.

The fall rally on Sept 27 was advertised and also the October workshop for officers and members, and the president urged all to go who possibly could, because of the value of the inspiration and instruction. Several carloads were expected.

Ione Anderson, nominating chairman presented the slate of officers for 1973 as follows: Caroline Anderson, president; Doris Shinabery, vice president; Alvina Bast, secretary; Marguerite Gove, treasurer; Sec. of Spiritual Life, Annie Findlay; Missionary Ed, Mabel

Frost; local church responsibilities, Louise Dershem and Marbeth Hynes; publicity, Ruby Pierce; flower committee, Glenna Findlay, Mabel Frost, Annie Findlay, Ione Anderson; nominating, Dolores Eetz, Beatrice Cook, Doris Shinabery and Rep Co Council of Churches, Marbeth Hynes.

The next meeting was announced to be at the home of Bernice Creaser on Oct 11 with Doris Shinabery as co-hostess.

Beatrice Cook introduced the speaker of the evening, Mrs Ruth DeBoer, who gave a talk about her trip and experiences in Nigeria, Africa, when she and her husband went to visit their son, Dirk, and his wife, Pat Lee. They barely managed to get out before the civil war started, and were most happy to escape on an oil tanker. Mrs DeBoer had many handcarved artifacts, materials, pictures, and mementos of their trip that were of great interest to all.

Doris Shinabery gave a short worship service followed by delicious refreshments served by the hostess and co-hostess, Glenna Findlay.

The children at St Joseph School paid special tribute to the newly elected auxiliary bishop of Lansing Diocese, Bishop James Sullivan, by attending Mass as a student body on Thursday, Sept 21. A special liturgy was prepared bringing out the bishop's new role as a leader in the Church. Bishop Sullivan is known to many people in St Joseph's Parish because of services rendered there.

Couple travel north following wedding

ST. JOHNS - St Joseph Catholic Church was the setting for the Saturday, Sept 9 wedding ceremony which united in marriage Betty Ann Smith and Stephen Craig Goodman. The bride's uncle, Rev Matthew Fedewa, performed the 1 pm service before an altar decorated with yellow and green gladiolus.

Organist was Mrs Jackie Schneider and soloist was Tom Fowler for the double ring ceremony.

The bride was given in marriage by her father and chose a gown of white silk organza over taffeta styled with an empire-style waistline, full Bishop sleeves, stand up collar and attachable train. Lace appliques trimmed the sleeves, skirt and yoke of the bodice. A deep ruffle formed the hemline. A flower applique headpiece secured her shoulder-length veil and she carried a bouquet of white roses, lilies of the valley and yellow baby's breath.

Matron of honor was Mrs Bernadette Droste, Lansing, sister of the bride, and serving as bridesmaids were Mrs Joanne Olin, of Montivideo, Minn., Cindy Goodman, Portland, sister of the groom, and Delores Vitek of Owosso. Flower girl was Angela Droste, niece of the bride. The attendants wore gowns fashioned with a natural waistline, stand up collar, full Bishop sleeves and a ruffle hemline. The maid of honor was in yellow and the other attendants wore green. They wore a headpiece of yellow and green daisies and carried a parasol of yellow and green daisies.

Best man was John Pung of Portland and serving as groomsmen were Mark Smith of St Johns, brother of the bride, Gary Goodman, Portland, brother of the groom and Jim Thelen of

MR AND MRS STEPHEN GOODMAN

Fowler. Ring bearer was David Goodman, cousin of the groom.

The couple greeted 500 guests at a 5 pm reception held in the St Joseph School gym. Special guest at the wedding and reception were the grandparents of the bride and groom and also Mary Johnson of Chicago. Following a wedding trip

to Washington DC the couple will make their home in Lansing.

The bride is a 1967 graduate of Rodney B Wilson High School and the groom is a 1966 graduate of St Patricks High School in Portland.

PRICE - A boy, Erik Richard, was born to Mr and Mrs Timothy Price of 309 N Swegles, St. Johns Sept 20 at Clinton Memorial Hospital. He weighed 9 pounds, 3 ounces. Grandparents are Mr and Mrs Daniel Price, and Mr and Mrs Peter Rothstein. The mother is former Sharron Rothstein.

PHYLLIS L. JOHNCOCK

Mrs Johncock named to Extension

ST. JOHNS -- Phyllis L. Johncock assumes her duties as a home economist with the Cooperative Extension Service Sept 18.

From her office in Corunna she will work with Elaine Cincala in St. Johns and Lorraine Sprague in Ithaca to carry out the responsibilities for the extension family living education program in Shiawassee, Clinton and Gratiot counties.

Their duties include developing and carrying out programs in housing, foods and nutrition, human development, home management, consumer education and community development. They also work with other service and educational agencies on joint programs, and they assist area extension study groups.

In addition, Mrs. Johncock will manage the expanded nutrition and family program (ENFP) in Shiawassee county.

She received a bachelor's degree in home economics from Michigan State University in 1966. She taught in Greenville, SC from 1966 to 1970. In 1971-72 she served as a family youth assistant in the Gogebic County ENFP.

Mrs. Johncock's husband, Lonnie, is a minister with the Independent Bible Mission of Michigan. They have three children, Lonnie, Betsy and Andy. Both Mr and Mrs. Johncock are native Michigananders from Barry County.

Officers of the Clinton Memorial Hospital Auxiliary opened its busy year with an organizational meeting last week. Seated from left are Mrs Esther Hendershot, treasurer; Mrs John Paradise, president; Mrs Edgar McLaughlin, secretary. Standing from left, Mrs Virgil Zeeb, 1st vice-president; Mrs Bruce Fowler, recording secretary and Mrs Cyrus Waldron, past president.

Hospital Auxiliary officers prepare for activities

ST. JOHNS -- The first fall meeting of the Clinton Memorial Hospital Auxiliary was held on Wednesday, Sept 20, at 8 pm with chairman, Mrs John Paradise presiding.

As this was the organizational meeting, new committees were appointed and plans made for the year's activities.

various committees reported that the members had worked as usual throughout the summer and had made plans for a year of active service.

Two new projects have recently been completed: the installation of five telephones in the rooms that had previously been without telephone service, and the purchasing of a new mending machine for the use of the sewing committee members.

Various projects for the year were discussed with

definite action taken on two of them. It was voted to have a glass display case made for the Memorial Book and to place it in the lobby. It was also voted to decorate the Women's Lounge. Final action on other projects will be taken at a later date.

CHURCH NEWS

"It's a Family Affair" is the theme of the fall enlargement campaign which begins Sunday, Oct 1, at the St. Johns Free Methodist Church. The month of October is family month and the church will be seeking new families.

To start the month off, "The Renaissance", a group of four women and two men from Spring Arbor College

will be featured in the Sunday School and Worship Service. Members of the group are Carolyn Brown, Donna Laupp, Lauri Opal, Pat Underhill, Tim Beuthin, and Keith Elford. They will be featuring both contemporary and traditional music.

The public is invited to

attend the services, which begin at 10 am and 11 am. Grove Bible Church will begin special meetings Sunday morn, Oct 1 lasting until Oct 6 at 7:30 pm. Rev Billy Martin of Winston-Salem, North Carolina will be the speaker along with special music in each service. Rev Martin is pastor of the Urban Street Baptist Church of Winston-Salem and also a Bible teacher with years experience.

Morning services will be held Tuesday, Wednesday and Thursday at 10 am.

The question that always comes before the house is where to get the money to buy one.

Open Letter

from VAN W. HOAG

Dear friends,

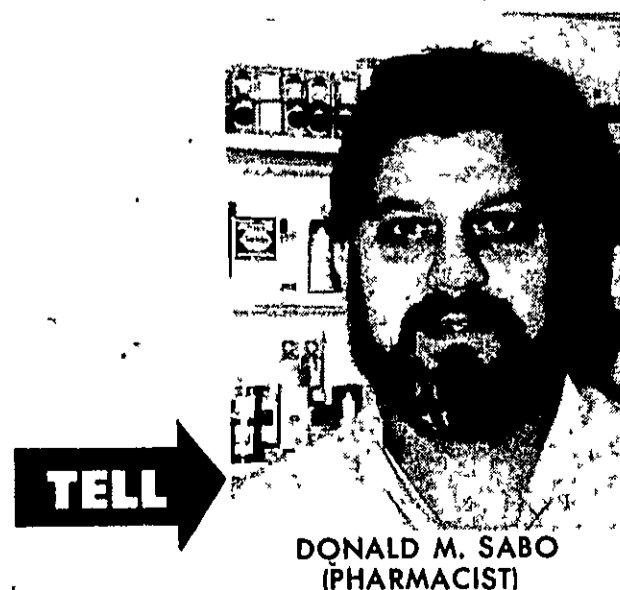

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family. The clergyman should be consulted in matters that concern him before any decisions are made.

Respectfully,

Van W. Hoag

Chamber welcomes newcomers to the area

ST JOHNS - The general committee of the St Johns Area Chamber of Commerce has undertaken a welcoming program for all new residents in the St Johns area.

According to Vice President Bill Patton, a number of area business places have favors and small gifts of welcome for newcomers to St Johns but securing names has become a growing problem.

NEWCOMERS TO the area, or residents knowing of such families, are asked to complete the following form and mail it to the Chamber of Commerce office. Through the co-operation of Clinton County News the form will be printed periodically, providing an opportunity for clipping for future use. The same form will appear in the St Johns Reminder on an intermittent basis.

Shepardsville Hospital officials seek Xmas gifts for patients

The Shepardsville United Methodist Women met on Thursday evening, Sept 21 at the church. Mrs Karl Smith presided during the business meeting.

Correspondence was read from the District Officers and from the Wesley Foundation at Mount Pleasant.

It was approved to receive the Bundle Plan of the Conference magazine, Highlights and also to give a sum of money to the Wesley Foundation towards the support of a US-11 missionary.

Election of officers was held and the present officers were re-elected.

The program for the evening was in charge of the Berean Circle. Mrs Lee Swender had charge of the devotions and played a recording by Daisy Tibbits entitled "He Washed My Eyes With Tears". She also read a recipe for a happy family. She closed with another recording from the same album.

TRaverse City - It may seem a bit early to begin planning for Christmas but not if you had to plan for over 1400 people as does Traverse City State Hospital.

A great amount of time and effort in behalf of the hospital's patient population are required to insure a "Merry Christmas" for all patients. It takes time for clubs and civic organizations, churches and schools to formulate plans in order to participate in the Christmas effort at the hospital.

ORGANIZATIONS WITHIN the 36-county area assigned to the institution are invited to begin now to make plans to take part in the Christmas activities for Traverse City State Hospital's patients. Volunteers will begin wrapping gifts on November

13. The hospital would like to receive as many of the gifts as possible by that date. Gifts should not arrive later than December 1.

The sorting and wrapping of all gifts take much time and effort on the part of our volunteers, and it must be completed by the 20th of December. Each year, Community Relations Department obtains lists of all patients on all wards, on which their needed or desired items are indicated. The hospital tries to provide gifts on the basis of this list as much as possible, but it can do so only if gifts arrive early enough.

Gifts do not have to be expensive but they must be new. Civic groups, clubs, churches, schools and individuals are cordially invited to take part in the 1972 Christmas program this year. It is suggested that some of the men's service organizations concentrate on gifts for men and school children offer gifts for children. Gifts should not be wrapped and it is not necessary to include gift wrapping paper and ribbon.

SUCH ITEMS as toiletries for both men and women, inexpensive items of clothing for all ages from 5 years to 100 years, books, games, puzzles, smoking materials, fruit and candies are suggested.

Additional information can be obtained by writing to Community Relations Department, Box C, Traverse City, Michigan, 49684. Gifts sent to the hospital should be addressed in the same way, and should include the name of the club, organization, or individual in the package.

LETTERS TO THE EDITOR

Opposed to abortion

Letter to the Editor:

The first thought I would like to impress on our voters is, that this not a religious issue and definitely should not be political, but a moral human issue. We need to educate and inform our citizens of this issue. All this information and facts of abortion can be found in Dr and Mrs J C Wilkie's ("Handbook on Abortion"). We are living today in a weak and selfish society not respecting life and property of others, only thinking of big I. We need to revert back to a strong, unselfish way of life in which we respect the life and property of human beings about us, especially the life of the unborn. If we don't, we needn't be concerned in the future about wars etc. We will be destroying ourselves within our society of this great USA.

What puzzles me is how people can dream up ideas and excuses to still their conscience on this issue. For example: As for rape and incest, there is D and C which can be performed with in 24 hours, the percentage of these cases very low. For the unwed mother there are pregnancy counseling services, helping those anxious about becoming mothers, assist them in planning to keep this child. Helping them to face many problems: financial, housing and social adjustments etc, also offer adoption services. They say the fetus is just a big glob of something. Stop and think, at one time we all were this big glob of something. But by law we were given the right to develop and mature to our full potential.

This living fetus today has the same right to life. They speak about mothers having the right and say of their body. You can do what you want with your own body as long as it doesn't interfere with the right of another, but this living fetus is a human being with a body all his own. And no mother has the right to destroy the body of this human being. Who has no weapons with which to defend himself. To me this is violent destruction of human life, and is murder, the

greatest crime in our society today, punishable by law to life in prison.

I think we need to write our Senators demanding: investigation of the news media, TV etc, which are the most effective group endorsing abortion. The public health hazards have been exaggerated, the dangers minimized and the statistics misused by the pro-abortionists, they practice selective reporting of abortion facts. What about

our doctors who take the professional oath to heal and their skill to preserve life? Where are

Congressmen who are at the Capital to make laws to work for and to protect the life of all citizens?

Wake up voters, lets clean house in Lansing. We need to oust the men and women that have fostered and endorsed the legislation of abortion. I feel this is a personal and moral issue and not political. Margaret Fedewa

Pewamo

Aurelia Cook left for Grand Rapids Thursday, Sept 21 after spending three weeks in Pewamo with her sister, Marie Cook.

Sunday, Sept 17 Mrs Barbara Steinke spent the day with her son and daughter-in-law, Mr and Mrs Tom Steinke at Saginaw.

Craig Moe was six on Tuesday, Sept 19. A birthday party, given by his mother, Mrs Gary Bissell was enjoyed by 26 guests. Attending were his sister, Amy Jo Bissell, Terri Thelen, Jeff Thelen, Ryan Thelen, Tony Silvernail, Francine Silvernail, Shirley Fox, Jim Fox, Bruce Fox, Debbie Fox, Phil Pline, Roger Pline, Denise Pline, Mary Jo Walter, Bruce Jandernoa, Ronnie Jandernoa, Kim Bissell, Lisa Bissell, Chris Pennington, Gary Pennington, Stacey Pennington, Sharon Rock and Bobby Rock all of Pewamo. Brandi Werner of Portland, Teresa Swainston and Brian Swainston both of Lyons.

Outdoor games were played in the nicely decorated yard with colored balloons. Each guest received a prize. Ice cream and cake was served. Craig received birthday cards from his grandparents and friends, many gifts including money.

There has also been discussions about the amount of money paid out for export subsidies. The export payment program has been used since 1949 to enable US wheat to move into export. The amount paid on the Soviet wheat sale is but a fraction of the money which the sale will bring into the United States.

Since all sales will be made in DOLLARS, they represent a direct contribution to our balance of trade. In the last fiscal year, agriculture accounted for a favorable trade balance of two billion dollars, offsetting much of the deficit racked up by the non-agricultural sector.

The nearly one billion dollars in Soviet business will make agriculture's contribution to the trade balance substantial this year.

MRS. THELMA WOODBURY

Mrs Geraldine Romine of rural Ithaca visited Mrs Doris Fisher and Mrs Zella Fisher Wednesday afternoon, Sept 20.

Mr and Mrs Bruce Hulbert and sons spent Saturday evening with Mr and Mrs John Woodbury bringing birthday greetings for Mrs Woodbury's birthday.

Mr and Mrs John Woodbury and Mr and Mrs Douglas Hulbert and family were guests of Mr and Mrs Paul Loomis and girls. Ice cream and cake was served to all present in honor of Mrs Woodbury's birthday.

The WSCS meeting was held in the basement of the Salem United Methodist Church, Thursday evening, Sept 21. Meeting was opened by the president, Mariam Randolph. Devotions were given by Donna Shinabery and were taken from Matthew 21:22 and 26:39. Eighteen members and visitors were present. Prayer was given by Mariam Randolph.

It was voted to have a bake sale at Beck's Market on

Friday, Oct 13. All officers from the previous year were voted into their same office for the coming year: Mariam Randolph, president, Claribel Nieman, vice-president, Gladys Hankey, secretary, Betty Harger, treasurer.

Program on Strengthening of Faith was given by Claribel Nieman. Refreshments of fruit salad crackers, coffee and tea were served by the hostess, Mrs Harriet Schmid assisted by Thelma Woodbury and Claribel Nieman.

Christian Education Sunday was observed Sunday, Sept 24 at Salem United Methodist Church with a special program during the Sunday School hour. Thirty one people attended the potluck dinner following the service. A birthday cake baked in the form of a pink hat trimmed with red roses was made by Donna Shinabery for Mrs Thelma Woodbury, who also received many lovely cards. She wishes to thank all who remembered her with a card or birthday wishes.

Series at Fulton explores drug problem

MIDDLETON -- How can the average family -- parents, teenagers, even youngsters -- cope with drugs in today's society? This and related problems will be explored during a series of Tuesday evening meetings beginning October 3rd at Fulton High School, M-57 and Ely Highway in Middleton.

Sponsored by the Mark Daniels Ladies Auxiliary, Veterans of Foreign Wars, #1735, Perrinton, this four session workshop on present day drug problems has been especially designed to answer such questions as:

-How does the use of drugs relate to modern man?

-What does Michigan law say about the use of drugs?

-What is addiction; and how does the use of drugs influence children and adults?

-What are the effects of drugs on the nervous system? On driving? On physical and psychological dependence?

-What are the medical problems associated with drug use; and how many people really use drugs?

-Where can you find answers to your own personal questions concerning whether or not the "drugs" in your home are harmless... or dangerous... or addictive to you and your family? Can the misuse of glue, pills or speed be harmful?

On hand to answer down-to-earth questions relating to local drug problems will be James A Keyes, Specialist, Law Enforcement, Highway Traffic Safety Center, Continuing Education Service, Michigan State University; Detective Sergeants Ray C. Valley and Charles Kenney, Michigan State Police; and Dr. Richard Bates, Lansing physician and staff member specializing in alcohol treatment at Sparrow Hospital. Dr. Bates is a nationally recognized authority in drug and alcohol related problems.

Program subjects for each of the four Tuesday evening sessions include:

-Oct 3 - History of drugs; drugs today and drug laws - including displays and visual presentations of various drugs (Keyes and Kenney).

-Oct 10 - Effects of drugs and their misuse. Four films will be shown highlighting drug problems and their possible solutions (Keyes).

-Oct 17 - Problems associated with the use of drugs and alcohol (Dr Bates).

-Oct 24 - A panel discussion of local questions - your questions - relating to the use and abuse of drugs (all previous participants).

Mrs Phyllis M Goossen, Mark Daniels Ladies Auxiliary member and coordinator for the series of meetings had this to say about the programs:

"Locally, we know little about the harmful effects of drugs - some of which, I'm sure, we assume to be perfectly safe when, in reality, they are not. The various authorities who have

agreed to come to Fulton High School and help us during these meetings can do much to help us to determine what our problems really are."

When we identify the real drug problems, we've taken a giant step toward seeking out reasonable and proper solutions, added Mrs Middleton.

Goossen. In conclusion, she urged all young people to attend along with parents and other adults.

The special meetings on drug problems will be held starting at 7:30 pm, Tuesday evening, Oct 3, 10, 17 and 24, in the Fulton High School in Middleton.

Carland News

A welcome-back potluck dinner was held Sunday at the Carland United Methodist church-house for the "Reverend Horace Freeman who is returning to pastor for another year. He recently returned from a four week's visit with his family in London, England.

Brian Mead spent Wednesday evening with his grandparents, Mr and Mrs Leo Deming, in Carland, while his parents, Mr and Mrs Richard Mead of St Johns visited his paternal grandmother, Mrs Clarence Mead of Ovid, who underwent nose surgery in the Owosso Memorial Hospital that day.

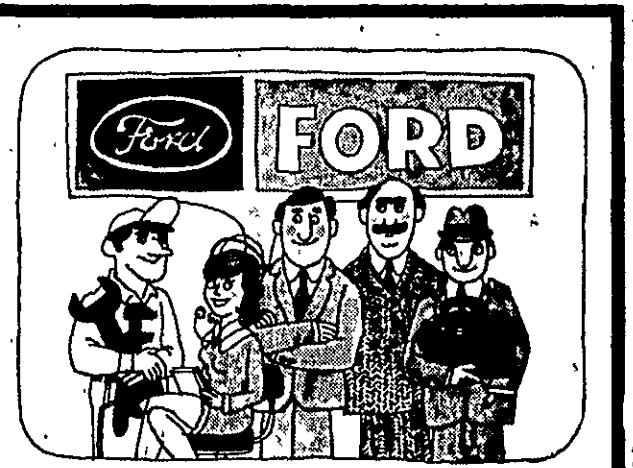

Mr and Mrs Lewis Walling and Mr and Mrs Leo Deming spent Wednesday evening with Mr and Mrs Glenn Brown of Ovid; Mr and Mrs Glenn Brown are former residents of Carland.

Mr and Mrs Leo Deming spent Sunday evening with her parents, Mr and Mrs Lewis Walling in Elsie. Mr and Mrs Bill Bissett of St Johns and Mr and Mrs Richard Mead and Brian of St Johns were also guests for the evening.

WEIGHT WATCHERS

The world's most advanced weight control program.

Members of the St. Johns High School junior class donned their old clothes and picked up their paint brushes to give the bleachers and the press box at the football field a new look. Admiring the finished project are from left bottom row, Tom French, Joyce Buggs, Lee Smith and Cheryl Cole. Top row, Rodney Henning, Kathy Murray, Dick Buggs and Nancy Zuker.

St Johns Jaycees in high gear now

Although the official Jaycee year began on June 1, September is the month when the club's activities swing into high gear. Summer and vacations are over, school has started, and most are once again settled into a fairly regular routine. Again this year, the St. Johns Jaycees have planned an ambitious number of programs and projects, all designed for the betterment of the people of the community, young and old.

The next project coming up on the Jaycee calendar will be the Punt, Pass and Kick competition to be held on Saturday, Sept. 30, and sponsored jointly with Egan Ford Sales.

Newly elected Jaycee officers for the upcoming year are David Needham, president; Gary Emery, external vice-president; Terry Cornwell, internal vice-president; Arnie Wiles, secretary; Rick Perry, treasurer; Barry Dean, state director and immediate past president; and Dan Chisholm, Tom Studor, Wayne Woodbury, Denny Scott and Russ DeBeaumont, local directors.

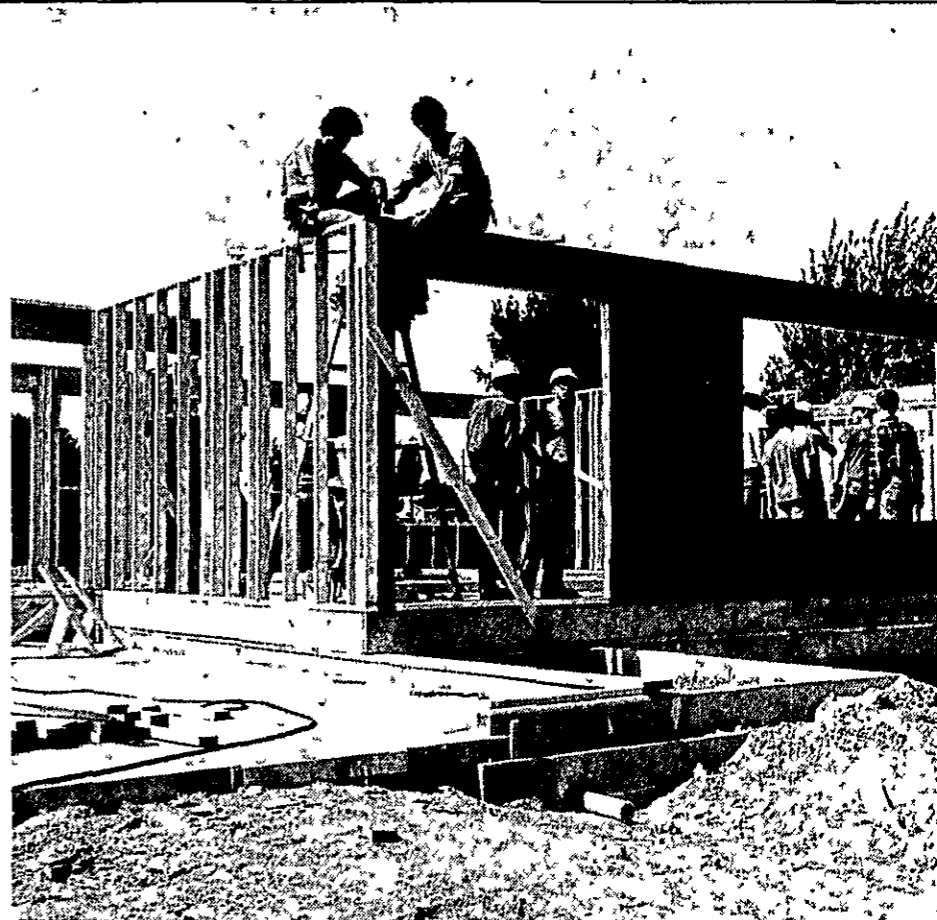

Any young man between the ages of 18 and 35 is eligible to belong to the Jaycees. Anyone interested in becoming a member should contact an officer or member or plan to attend their next "M-Night" for new members, scheduled for Monday, Oct. 16.

The St. Johns Jaycee Auxiliary held installation of new officers and presented awards at an Awards Banquet held at the Clinton County Country Club. Members cited for their outstanding activities during the year were Sue Bogdan, Jaycette of the Year; Jeneen Needham, Outstanding New Member; and Joan Banner, Outstanding Board Member. In addition to these awards, the Jaycees initiated three new awards. The Service by Joan Banner and the Sunshine Award by Donna Humenik. A Past President Award was presented to Dee Slade.

New officers for the year are Sue Bogdan, president, Joan Banner, vice-president, Janet Scott, secretary, Jeneen Needham, treasurer and board of directors Mary Hutton, Diana Woodbury, Dorothy Cornwell.

Some of the upcoming projects of the Jaycees are the Babysitting Clinic, Lunch with Santa and Arts and Crafts Exhibit.

The proceeds from these and other activities are used to help emotionally and culturally deprived children and families.

Construction is progressing at 1208 South Swegles Street, St. Johns where students in the vocational education department are engaged in the construction of a house. Another house is being constructed at the same time at a building site located across from Fowler High School.

DeWitt church plans revival

October 1 - 8 is to be a great week at the East DeWitt Bible Church, 480 E. Round Lake Rd.

Evangelist Pete Rice from Murfreesboro, Tenn. will be preaching for the entire week. Evangelist Rice is one of America's outstanding young evangelists. An interesting part of his ministry is that of his work with the Bill Rice Ranch. The 1500 acre Bill Rice Ranch is one of the nation's greatest youth camp ministries as well as being the world's largest missionary work for the deaf. Adding to the ministry of this evangelist is his wife, Annette, who will be here with him to interpret the services for the deaf. The public is invited to the services.

The services will be held Sunday October 1 at 7 pm and each night following at 7:30 pm. The final service with Evangelist Rice will be Sunday October 8 at 11 am.

Counties survey the welfare office space

A Barry McGuire, Executive Director of MAC, today announced a survey in progress by the Michigan Association of Counties shows that Michigan's 83 counties provide the Michigan Department of Social Services with more than a half-million (500,000) square feet of office space.

McGuire said, "At estimated average rental costs, within each county, the survey indicates that counties are spending more than \$1 1/4 million yearly while only being reimbursed for 40% of the total. The survey also shows that the large increases in social services staff, in recent years, have forced counties to increase their rental space or force other county agencies out of county buildings."

The Association, under the directorship of McGuire, is conducting the survey to show the need for the state to pick up complete rental costs for welfare offices. A Health Screening bill is now ready to be introduced into the Senate which will help counties in their financial dilemma. It would require the state to pick up the complete rental costs.

McGuire stated, "As it now stands, the counties are acting as landlords, but with no control over either the business or the tenant, sort of an absentee landlord, only in reverse."

Clinton Democrats open campaign headquarters

ST. JOHNS - The McGovern Democratic Campaign Headquarters held their Grand Re-Opening Saturday Sept 9 at 1 pm. The Headquarters is located in the Steel Hotel in Downtown St. Johns. Hours for the Headquarters are Mon-Thurs. 1-6 pm; Fri. 1-9 pm; Sat. 10 am to 4 pm.

The organization plans to canvass the Clinton County area in an effort to get out the Democratic vote in the November 7th Election. For information or if you wish to help in the campaign contact the Headquarters at 224-6330.

LETTERS TO THE EDITOR

Reader praises local bandmen

To the St. Johns Redwing Marching Band.

Dear Kids,

After being with you through band camp at Michigan State, Chesaning, many practices, and last Saturday at the Michigan State football game, I just want to let you know that I think you are the greatest.

St. Johns has a lot to be proud of in you and we can hold our heads up with pride and point to our Marching Band as one of the best in Michigan.

Personally, in being with you so often, I have never seen such spirit and enthusiasm as you have shown in the past few weeks. Your determination to strive for perfection, the long grueling hours of practice, (and even a practice you called on your own, as you weren't quite satisfied with your routines), has shown through in every performance.

This Saturday at Michigan State Band Day was the crowning glory for St. Johns. Never was I more proud of "Our Kids". With a lump in my throat and tears in my eyes, I watched a performance that was near perfection. Not only those of us from St. Johns were loudly acclaiming your performance, but all of the people in the stands including bands from other towns, and especially the Michigan State Marching Band itself. There was a roar of approval and a standing ovation as you finished.

You deserve the praise and thanks from our community for your part in bringing a little glory to our town.

Through the efforts of John Speck and Walt Cole, and your own determination, you have made the St. Johns Redwing Marching Band one of the highest quality and one that is known wherever you go.

I would like to thank you band members, Mr. Speck and Mr. Cole for all the wonderful times I have had in accompanying you on your various trips. It's been wonderful getting to know most of you personally and I'm looking forward to many more performances with you. Keep up the good (no excellent) work. Keep your head high and those knees up.

Sheriffs investigate 673 accidents

LANSING -- Sheriff's road patrol deputies investigated 673 motor vehicle accidents resulting in 13 fatalities during the 3 1/2-day Labor Day weekend, according to a report issued by Macomb County Sheriff Lester Almstadt, President of the Michigan Sheriffs Association.

During the same span, Sheriff's deputies handled a total of 3,538 civil and criminal complaints.

Nearly 50,000 complaints were investigated by Sheriff's departments in Michigan's 83 counties during the month of August. It brought to 142,000 the number of complaints handled by Sheriff's deputies during the three summer months of June, July and August.

By actual count, 49,644 complaints filled the Sheriff's dockets state-wide during August, together with 5,938 motor vehicle accidents. The motor vehicle accidents resulted in 75 deaths, and injuries to more than 2,500 persons, according to the Sheriff's Association report.

The 83 Sheriff's departments also booked 10,719 prisoners in August, investigated 44 boating accidents (that caused a total of nine deaths), and issued 398 boating citations.

In Memoriam

In loving memory of our dear husband and father, Fred W. Hansens who passed away one year ago, Sept. 30, 1972.

It broke our hearts to lose you, But you did not go alone, A part of us went with you, The day God called you home. You wished no one a last farewell, Nor even said good-bye, You were gone before we knew it, And only God knows why. They say time heals all sorrow, And helps us to forget, But time, so far, has only proved, How much we miss you yet, God gave us strength to face it, And courage to bear the blow, But what it meant to love and lose you, No one will ever know. Gone, but not forgotten. Sadly missed by his wife, sons, daughters, grandchildren and many friends. 22-1p-nc

IN LOVING MEMORY of Clyde E. Morrill who passed away September 28, 1968, While you, dear parent, rest and sleep, You loving memory we'll always keep. His family. 22-1p-nc

Pirates lose 6-0

POTTERVILLE -- Potterville quarterback Steve Turner connected on a 6-yard pass to Dick Lowe Friday with 3:55 remaining on the clock to gain a 6-0 win over Pewamo-Westphalia.

The two Central Michigan Athletic Conference squads were deadlocked in a tough defensive struggle most of the game until Potterville began its final period drive. A 50-yard pass play from Turner to end John Heinze set up the winning touchdown.

P-W COACH Bill Marks had several problems to contend with in preparation for the game. Last week's game against Laingsburg

resulted in serious knee injuries to his starting quarterback Doug Walter and first string halfback Tom Fedewa. Compounding the problem is the illness of all-conference guard Tom Davarn. "We kind of had things going against us this week," remarked Marks.

The Pirates Coach said his squad controlled most of the game against Potterville "but we had numerous penalties which kept us in the hole." He added that Potterville's final period rally highlighted by 1 long pass spelled the difference between victory and defeat.

Heading up a strong defensive effort by P-W were linebacker Gerard Fedewa

and Tackle Charles Bengel. Fedewa had 6 solo and 11 gang tackles while Bengel was credited with 3 solo and 13 gang tackles. Fedewa also led the Pirates in rushing from his fullback spot with 96 yards in 12 carries.

THIS WEEK the Pirates return to their home field in a CMAC contest against the DeWitt Panthers.

BRUCE CAMERON

Bruce Cameron earns player of week honor

St Johns running back Bruce Cameron earned the Clinton County NEWS "Player of the Week" honor for his outstanding performance in the Redwings' 28-7 win over Charlotte Friday night.

The 5-foot-7, 145-pound senior scored 3 touchdowns, booted an extra point, intercepted a pass and gained 124 yards in pacing his team to a West Central Conference victory. Last season Cameron led the conference in rushing and his performance Friday night makes him a strong favorite to repeat this feat.

OTHER CONTENDERS for the "Player of the Week" honor were DeWitt's Gary Bouts, Gerard Fedewa of Pewamo - Westphalia, Fowler's Neil Simon and Randy Loynes, of Ovid-Elsie.

Bouts, an all-state lineman last season, paced DeWitt's

defensive unit with 16 tackles and 2 fumble recoveries. O-E's Loynes also turned in a fine performance on defense as he recovered a fumble to set up his team's winning touchdown and made 14 tackles. Loynes also downed the Lowell quarterback 3 times for huge losses.

Fowler Coach Steve Spicer nominated offensive

guard / linebacker Neil Simon for his "consistent play both ways" in the Eagles win over Webberville. Gerard Fedewa earned his coach's nomination for the second straight week after gaining 96 yards in 12 carries. Fedewa also was credited with 6 solo and 11 gang tackles on defense.

Hunter safety graduates 88

Eighty-eight boys and girls participated in the Hunter Safety Training Course conducted by the Sleepy Hollow Conservation Club at their clubhouse on West Mead Rd, Saturday, Sept 23.

Club members Jerry Kostoski, Mike Zigler, John Williamson, Leon Thelen, Dick Root, Gordon Matter and Bill Butler served as instructors and Jack Downing handled publicity and arranged for bus

transportation from St Johns.

Youngsters 12 thru 16 years of age successfully completing this course, received a shoulder patch and pocket card from the Department of Natural Resources which is necessary to attain a hunting license.

Redwings frosh blast Charlotte Orioles 44-0

ST JOHNS -- The St Johns freshmen, stormed past Charlotte Thursday night on the Redwings field by a score of 44-0.

Coach Roger DePaepe called the victory "a real team effort" and reported the defensive unit "did an outstanding job". He pointed out that Charlotte "never got close to our goal line."

NICK KOENIGSKNECHT paced the St Johns scoring attack with three touchdowns. One of his TDs was on a pass from quarterback Tim Knaus who also threw a

scoring strike to Nick Pytlowanyj. Knaus now has passed for 4 TDs in 2 games. He also scored a touchdown against Charlotte on a quarterback sneak.

The final St Johns touchdown was a 55-yard screen pass play from Kieth Haske to Steve Cockrun. Four 2-point conversions were also successful in the game.

A defensive highlight of the game was a blocked punt by Jeff Brasington.

Johns' offensive ground attack. He reported the Pettigrew twins, Curt and Bob, consistently blocked out their opponents along with center Earl Flegler as the bulk of St Johns' rushing was gained up the middle.

Another interesting fact noted by DePaepe and his assistant John Wilcox was that St Johns opponents have failed to complete a pass against the defense in the last two games.

THIS WEEK the Redwings freshmen play host to Holt with kickoff time set for 7 pm Thursday.

COACH DePAEPE cited blocking up front by the offensive line as the key to St

CHARLOTTE -- A strong defensive effort by the St Johns junior varsity shut out Charlotte 22-0 Thursday night on the losers field.

Redwings JV Coach Al Werbish singled out his defensive unit as the major key to victory as Charlotte was forced to pass for what little yardage they generated. "Our defense looked real good," reported Werbish, "especially the line."

outstanding defensive play were end Jeff Hazle, tackle Mike Beaufore, linebacker Jeff Thornton and tackle Joe Hollenbeck.

St Johns halfback Kalm Latimer opened scoring in the first period with a 3-yard plunge off tackle. Drew Carpenter kicked the extra point.

In the second quarter, fullback Harold Wellman Jr scampered 10-yard up the middle for St Johns' second TD. Carpenter kicked the extra point.

THE FINAL TD came in the third period on a one-yard quarterback sneak by Brian Pertler. Carpenter then fielded a low hike from center and ran into the end zone for a 2-point conversion.

St Johns halfback Danny Salazar was the game's leading rusher with 99 yards in 17 carries. The junior Redwings compiled 250 yards rushing with an offensive attack which stressed running.

This week the St Johns underclassmen travel to Holt for a Thursday night game.

Community relations

We commend the St Johns Chamber of Commerce for their renewed effort to develop a closer rapport among members of the community. Two programs recently launched are aimed toward achieving this worthwhile goal. First, a monthly coffee hour among present and prospective chamber members begins Sept 27. Secondly, a program is underway to obtain information on newcomers to the area with plans for welcoming these families.

It is vital to the progressive growth of a community to work together on public service projects such as those sponsored by the chamber and making newcomers feel welcome adds significantly to this effort. We feel this is a step toward future betterment of St Johns and an effort that should be a continuing one.

K.C.

Stirring experience

Michigan State University opened its 1972 home gridiron season Saturday before a crowd of 75,000 fans. The Spartans didn't exhibit much for the huge audience to cheer about, but the halftime program was superb.

Packed onto the artificial turf were some 4,000 high school musicians who participated in the annual Band Day. It is always a stirring experience to hear that many musicians playing at one time.

The final number the massed bands performed was Amazing Grace. It sent chills up and down your body. There were some mighty proud people in the stands, parents and friends of our high school bands in the Clinton area. And a special honor was accorded the St Johns Redwing band as it gave a post-game performance.

There are 5 proposals

Of the five proposals to be voted on at the November general election, the abortion reform proposition will receive the greatest amount of publicity. It is an emotional thing with many people and this should be expected.

We would hope, however, that voters will not overlook the other proposals. While they don't carry the same emotional impact, they are important to our state and should be studied and discussed.

LETTERS TO THE EDITOR

Dear Editor:
 In discussing our pollution problems, Dr Ralph MacMullen, director of the DNR states, "We're the most spoiled bunch of brats you've ever seen." No doubt about that. There is no limit to our demands for more freedom and more goods. However, two of his statements need to be examined more closely; i.e. "The population problem is at the base of all our pollution problems" and "There is strong need for government to say what we ought to be doing to control population."
 Sheer numbers alone is not the problem. It is abuse, not use alone. Hundreds of people could be supported on what one person lays to waste. When our forefathers found life stifling and opportunities limited, they risked life, limb and all their possessions to carve out a new life in the wilderness. They did not look about and decide who among them was the more expendable. We have not seriously set about to explore any of the possibilities scientists have opened up in the fields of land reclamation or conversion of other resources into food. We are not yet willing to pay the price.
 However, we are ready to sacrifice our most valuable resource, our human resource, in an attempt to control our numbers. I do not know what methods of population control Dr MacMullen had in mind, but it is sheer madness to suppose we can simply dispose of our unborn with no accompanying reaction from our Creator; or, if you prefer, Nature. Dr Albert Schweitzer put it this way: "If a man loses reverence for any part of life, he will lose his reverence for all life."
 Are we really any different from the German people who attempted to improve the quality of their lives by eliminating the mentally ill,

hopelessly ill, and finally, the Jews? Have we learned nothing from their fate? And when we have had enough of this madness, will we, too, search out those who carried out our demands and seek to purge ourselves in punishing them? We have already set a precedent in the My Lai incident.
 When our legislature attempted to provide some measure of support for our children in parochial schools, we succeeded in persuading the courts to allow us to place it on the ballot illegally and then invent a new ruling to justify their action. This we did in the name of our Constitution. When the legislature refused to change our existing abortion law, we again found a friend in the courts who refused to uphold the right-to-life for the unborn as guaranteed in that same Constitution and allowed us to try to sanctify this destruction by popular vote. If this is victory, what have we won? We have succeeded in rendering our Constitution meaningless and our courts mere puppets.
 We hold the unborn to be the cause of or contributing to the mother's mental anguish and attempt to convince her we have the power to relieve her of this burden, that she has no right to add to the population explosion, that no one wants the child, and destroy her concern for the child. Our list of excuses is endless. What excuse will we offer our Heavenly Father as we send back to Him hundreds of thousands of "rejects" wantonly murdered? Or do we imagine we alone have fashioned this child and can dispose of it as we see fit? Attempts to instill a sense of responsibility for our part in the conception of a child are met with demands for the right to exercise our free will which we recognize as God-given and inviolable.
 The advocates of abortion-on-demand would have us

believe they lead us into a brave, new world. Let us ask-what is bravery-taking a life or defending it? What is new in abortion-our methods? Perhaps it is the new label, "merciful" instead of "murder", and our demand that we be freed from prosecution for this act. What else is new?
 Other states and other countries have already embarked on this course. Let us take another look at the alternatives and the consequences before taking this fateful step. We will decide either by voting or falling to vote what we in Michigan want.
 Respectfully,
 Mrs Jean Vitous
 501 E. State St.
 St Johns, Mich 48879
 Dear Editor:
 I attended the St Johns - Mt Pleasant game on Friday which needless to say, we lost. This is not my complaint.
 Whether we win or lose respect is still a part of the game. While Mt Pleasant's lineup was being announced Friday night, our band broke into our fight song and St Johns' team came onto the field. Over our cheers, yelling and the band the Oilers team names were barely heard. I think more respect than this is worthy of the opposition.
 A few people in St Johns need a lesson in spirit. Even if the score is 200 - 0, I do not feel a person should leave the game early. Our team is just what it says "St Johns Redwings" representing the whole town and I figure if they're out there playing for us that people don't need to leave until the last second whether we're winning, losing or whatever.
 With a new season begun let's get a little spirit, a little respect and have a good season.
 D.H.

ONE YEAR AGO Sept 29, 1971

Six St Johns boys received the highest award in Boy Scouting. Presented the Eagle Scout award were John Ward, Mark Crosby, Lloyd Upham, Douglas King, Dennis Demaray and Harry Moldenhauer. The scouts are members of Troop 71.
 Student volunteers from the St Johns area collected more than \$400 in a door-to-door campaign to raise money for the Dr Paul Stoller Memorial Fund.

Bath Community Schools became the second school district in Clinton County to ratify a teacher contract for the 1971-72 school year. The Bath Board of Education gave unanimous approval to the new contracts following teacher ratification last week.

A total of 16 nominations for 2 major awards were submitted to Chamber of Commerce officials who gathered to ballot on candidates who will be recognized for outstanding chamber and community work.

Residents of the Oak Street area will be getting curb and gutter in the near future following action by the City Commission.

10 YEARS AGO

John Furry, a teacher at St Johns High School and resident of the city for the past 8 years, has announced his candidacy for city commissioner.

Jack Leach, assistant to Arthur Wood in the accounting department of the St Johns division of Federal-Mogul-Power Bearings, has been promoted to plant accountant for the Lancaster, Pa. division of the company.

Members of the Clinton Memorial Hospital women's auxiliary voted to buy a new \$345 surgical lamp and a \$45 lounge chair for the hospital.
 Dr Manning Gross was chosen as a Fellow of the Michigan Chapter of the American Academy of Optometry.

THE BEST IS YET TO BE

"What's all this world a-comin' to,"
 I hear most every day
 As the airwaves 'n the headlines
 Daily fill us with dismay;
 I'm too dumb to know fer certain
 But in my best philosophy
 The world will find some answers
 And the best is yet to be.

There's war and poverty 'n sin
 Wherever we choose to go
 Sometimes it hits us on the chin
 Real progress seems so slow;
 But behind the scenes are forces
 Set in motion we agree
 The darkest night gives way to dawn
 The best is yet to be.

A state of optimism
 Sometimes seems most out of place,
 It's easy just to join the crowd
 Let others set the pace;
 But he who would surrender
 In the struggle to be free
 Forgoes his higher heritage
 The best is yet to be.

The last time I had a better idea about a Ford, I almost got run over.

One of Henry Ford's daughters was married in a billion dollar ceremony while wearing a roller skating costume. Her photo appeared on front pages all over the world. It was a bad example for copy-cat wives who'll wear jeweled football shoes if that's what the jet-set gals are clomping around in on the Riviera.

I suggested it would be a better idea for the Ford girls to elope in modest dresses with J.C. Penney labels showing.

Reaction from women readers was somewhat negative. They accused me of being jealous of Ford wealth and beauty. One woman even kicked me, leaving cleat marks in my shin. But nevertheless, here I am back again with another better idea . . .

This one is for Henry Ford himself. It concerns his musical image.

The big-city society pages report that Henry and his gorgeous wife recently attended a party given by Ambassador and Mrs Walter Annenberg in the American embassy in London.

This was no weenie roast. The Annenbergs had the famous Meyer Davis society band flown in from New York to play for dancing. It was the first time in musical history that a band commuted across the ocean for one gig.

Ambassador Annenberg anticipated flak from the British Musicians Union. Instead of hiring the Davis band as musicians, thus taking bread out of 76 English trombones, the ambassador displayed his ambassadoring

talents. He made the Davis musicians "temporary members of the ambassador's household."

Presumably, this means the piano player was listed on the payroll as a butler, the trumpet players were footmen, the sax man was a bartender, and so on.

But what about Henry Ford? According to the society reporters, Ford led the band and sang a couple of numbers. He did not wear a lampshade on his head. Maybe a hubcap. Anyway, might it be possible that a British auto manufacturer would object to Ford being imported to perform? Why wasn't a Rolls Royce executive given the baton? Maybe Ford was also a member of the ambassador's household for that one night. ("Hey, Duchess, meet our upstairs maid!")

But I digress. My better idea has nothing to do with Henry Ford's status at the embassy. I am concerned with his musical taste. The society pages said he sang his favorite song, "Hey Bop a Re Bop."

The favorite song of the president of one of this nation's largest industries is "Hey Bop a Re Bop."

Anyone out there remember how that goes?

My better idea is that Ford get a better song. Egad. He wants to sell to today's market, doesn't he? What would you do if you went into the local Ford dealership and found the owner singing "Hey Bop a Re Bop"?

I'd order a 1948 V-8 with running boards. C'mon, Henry, Onward and Upward.

A PERSONAL LOOK AT THE NEWS

Between the lines

with Jim Edwards

Aside from the brilliant colors of fall, nothing marks the beginning of the season more than football from Friday night through Monday night.

As a spectator sport, in one respect, football offers the avid fan more participation than baseball or basketball could hope to offer.

This is to speak of the armchair quarterback.

In baseball, the guy can scream, "that ump is blind," or "why didn't that yoyo bump?"

A BASKETBALL contest offers little more than "look at that shot, he couldn't hit the floor if he fell down," or "good grief, did you see that foul? Whatsa matter, ref, your whistle broke?"

But, ah yes, in football the participation can be so much more active.

Let's look in on a "don't bother me until Dandy Don and Howard speak their last words Monday" football fan as his wife and children keep their distance while he leads his favorite team to victory or defeat.

"Aw, you stupid bum, run with the ball. Oh my aching back, he's throwing to Fred Phroptor. That goon hasn't caught a pass in so long, he can't remember what the ball looks like."

The wife timidly offers, "Gee, honey, he caught it didn't he?"

"Aaaah, whadda you know - it was just a fluke. Now, shhhhhh, and can't you make those kids stop making so much noise?"

"They're just eating a snack dear."

"OH GOOD GRIEF. You ever try to concentrate on a ball game with all that munch, crunch, slurp going on? Oh, looka there. Throw the ball, you idiot. You're gonna get creamed. These guys are gonna finish so low in the league they'll need a periscope to read the standings."

"Oh, isn't that nice, dear, he scored a touchdown. Isn't your team ahead now?"

"Would you be quiet. Yah, he scored, but only cause he tripped and fell over the goal line."

"Oops, it's half-time, would you switch it over to Channel 64 and I'll catch the end of that game before the second half."

"I forgot to tell you dear. That game's been pre-empted."

"WHAAAAATT? You gotta be kidding me. Why in the world would they do that?"

"They said in a bulletin, New York was invaded by little green men who wouldn't leave until the government gave them 6,000 McGovern-Eagleton buttons, Raquel Welch and Spiro Agnew. I guess they got Agnew, but no buttons or Raquel so the network is having a special news program about the situation."

"Oh, that burns me. Why don't they wait until something important to interrupt? Forget it, the second half is gonna start in a minute, anyway."

"Dear, your long, lost brother you've been searching for 27 years is on the phone and says he's at the bus station."

"Oh that's wonderful. Tell him to get a cab or wait until the game's over and I'll pick him up."

"NOW, SHHH, it's the second half kickoff. Come on, block you dummies. Whaddya doing, going outside, they'll force you out of bounds, nitwit. There, that's right, cut back, run. Whatsa matter, the coach tie your shoes together . . . I don't believe it he scored."

LATER AS THE GAME COMES TO AN END:

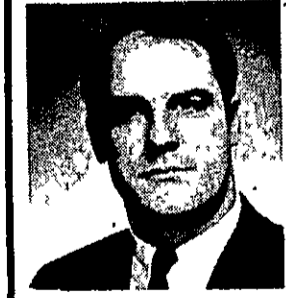

"Who won, dear?"

"We did 64-0, but if I was coaching that team, they wouldn't put on such a sloppy performance. By the way, while you were upstairs some nut rang the doorbell, but it was 3d down and 13, so I didn't answer. You expecting anyone?"

"Just your brother."

A tax on non-law abiding citizens to provide funds for the operation of Michigan schools?
 That's the novel idea put forth recently by Oakland County's Democratic Prosecutor, Thomas G Plunkett.
 Plunkett said he would propose his idea at the current session of the Legislature and declared it would provide more money for education without putting a greater burden on the average law-abiding citizen, who he said, "already is taxed beyond his ability to pay."
 Plunkett said his proposal would tax criminal defendants on an established schedule and the money would be returned to neighborhood school districts "for use in upgrading the education of local students."
 AMONG OTHER THINGS, Plunkett would assess \$1 for moving traffic violation, \$5 for misdemeanor convictions and \$100 for felony

convictions which result in fines or probations.
 He said his plan would increase the quality of education and decrease the incidence of crime by making it costlier.
 Plunkett said Ohio had realized \$1.5 million last year by such a plan, Texas \$3 million, and Florida \$3 million in the last three years.
 Court fees and fines already are being used to finance libraries and pensions for judges and legislators.
 On another front, opponents of the plan to increase the state gasoline tax and use part of the money to finance non-highway mass transit systems in metropolitan areas point to the heavy local financing of the new San Francisco-Oakland rapid transit system that just opened a few days ago.

taxed to finance BART (Bay Area Rapid Transit), as the line is known), voters of the three counties directly involved approved a \$792 million general obligation bond issue as the basic means of financing.
 Later, when the system went broke because of building cost increases, the California Legislature gave those counties - San Francisco, Alameda and Contra Costa - authority to impose a one-half percent sales tax to continue until it had raised \$150 million.
 Federal grants of \$207 million and bridge tolls (between Oakland and San Francisco) provide the rest of the \$1,414,000,000 cost of the project.
 By next year, BART will have 75 miles of track with high speed trains serving 34 stations in the bay area.
 The system, which is being watched closely by municipal transportation experts all over the country, will be dedicated by President Nixon next month.

Should the physician have a beard?

If you have ever seen pictures of the great men of medicine in the 19th Century, you realize most of them had their faces covered by a luscious growth of hair. In fact, I have in my office, pictures of the best known and present centuries, and out of six, four (Dr Eugene Bleuler, who coined the word schizophrenia; Dr Emil Kraepelin, the German physician who gave us the basis for classifying mental disease; Dr Adolph Meyer, considered the father of modern American psychiatry, and Dr Sigmund Freud, the Viennese genius who revolutionized psychiatric thinking in the 1900's) all appear rather hirsute.

The other two, both American, show the clean shaven faces popular in the then new and developing nation. They are Benjamin Rush, a signer of the Declaration of Independence, and Dr Thomas Kirbridge, a Philadelphiaian who first designed the state hospital or insane asylum concept for the care of mentally ill patients.

So we have tradition in psychiatry, and in medicine in general, for the hairy appearance that many of our young doctors, just as young people everywhere, seem to enjoy so much.

I am not sure how patients feel about hirsutism in their attending physicians, but I know some of our older colleagues are having a bad time with it.

HAIRY CONTROVERSY

The last few issues of Medical News, the weekly newspaper of the American Medical Association has been inundated with outraged letters to the editor, both pro and con, in terms of whether it is or is not appropriate for the physician to sport a hairy countenance.

The whole thing started earlier in the summer with some remarks by an older doctor who criticized the fad towards long hair, beards and mustaches, among his younger brethren. He even wondered about how sanitary long hair is, and whether things may not grow in the beard that might be injurious to either the patient or the physician.

In the next issue, a younger doctor took up the challenge. "I had the opportunity," he contended righteously, "of culturing beards from a number of

physicians". That means, he took samples of the material within the hairs, much like you would swab a sore throat, and placed the substance on appropriate sterile vials and special culture plates, to see if any germs would grow.

He also did the same thing with a group of non whiskered faces, what is called "a control group" in scientific research.

"In over a thousand separate cultures", the fledgling investigator proudly proclaims, "there was no difference between the two groups".

HARD TO CONVINCED

Another physician from Massachusetts supported the blast at "the hirsute profusion of the younger doctors". He went on, with I suspect, something of a vengeance.

"De Wolf Hopper, a favorite comedian of my callow years, said it well: A hare lip is a deformity and a club foot is a calamity, but a beard is a man's own fault".

PEACEMAKERS

As one could perhaps expect from men accustomed to dealing in human suffering every day, many of the other physicians who felt involved enough to write letters to the editor,

took a rather conciliatory bent.

For instance, a Philadelphia man agreed that the point about beards possibly harboring microorganisms, and this spreading infection was a valid one, especially for operating rooms.

"Most surgical masks, however", he added, cover a good portion of the cheeks and chin. With a little ingenuity and adhesive tape, a surgeon can cover the most flamboyant growth of hair."

Another doctor pointed out that beards and long hair are, after all, merely a current fashion in grooming, and not a revolutionary one at that. And he said he suspected that to many people (older men in the profession, particularly), beards are a symbol of what we many times hate and fear, "perhaps the challenging of old ideals, or irreverence for institutions we were taught to cherish".

THE OUNCE OF PREVENTION

This hairy controversy, if it shows anything at all, tends to demonstrate that doctors are, after all, human. We as patients should not confuse competence, ability and dedication, with hirsutism or lack of it. That's (if you'll pardon the pun) the long and the short of it.

Questions about Social Security

Q. I get social security because my father is retired. I'll become 22 about 3 months before I graduate from college. Will I continue to receive student benefits until I graduate?

A. No. Monthly social security benefits to student beneficiaries are only payable up to age 22.

Q. When I became 65 recently, I signed up for Medicare's hospital and medical insurance. Can I use this coverage for all doctors and hospitals?

A. You can of course go to any physician of your choice. Most hospitals participate in Medicare, but not all. Any social security office can tell you whether a hospital participates in Medicare.

Q. I became disabled several years ago, but I did not apply for social security benefits at that time. Could I file for disability benefits now?

A. Yes. Regardless of when you became disabled, you can apply for benefits at any time. However, if retroactive benefits are payable they may be paid only for the 12 months before the date of application.

Q. My 20 year old son, who has been getting social security payments since his father died, was recently awarded a full scholarship. Since the scholarship pays all his school expenses, will he still receive social

security payments?

A. Yes, you son will continue to receive student's benefits. His scholarship does not in any way affect his monthly social security payments.

Q. I receive both a retirement benefit from social security and a pension from the U.S. Army. Does my army pension count as earnings?

A. No. Only wages and self-employment income count as earnings. Other income - such as another pension, dividends, or interest does not affect your social security benefit payments.

Dear Editor:

In the interest of helping a community service, we are attempting to organize a fund-raising auxiliary for the Ingham Medical Hospital Community Mental Health Center. The name of this auxiliary is TEAM (Together Each Accomplishes More). The auxiliary already has tax-exempt status, and we now need volunteer members. The purpose is to raise funds, thus helping to cover expenditures where lack of funds deter a service within the Center from functioning smoothly. Membership for this auxiliary is open to all interested persons, and we do not wish any individual's income to be a deterrent, membership dues will not be assessed, although individual donations will be encouraged. The members of this auxiliary will have only a few general meetings and one fund raising project during the year.

Those interested should contact Mrs Sandy Harley 484-8038.

Sincerely,
(Mrs) Grazina Kriaucunas,

State to auction vehicle

LANSING-- More than 50 late model passenger automobiles, station wagons and pickups will be sold at public auction by the Michigan Department of Administration Saturday (September 23).

The sale of these State-owned used motor vehicles will begin at 10 am at the State Highway Department Garage at the junction of Interstate Highway 96 and State Highway M-43 west of Lansing. A number of other used pieces of equipment, including tractors, chain saws and a mobile crane, also will be on the auction block.

The equipment may be inspected at the garage from 8 am to 3 pm Friday (September 22) and during the morning of sale. William N Hettiger, Director of Administration, said.

Prospective bidders must be prepared to pay for purchases at the time of sale either in cash or by check, Hettiger said. Automotive equipment buyers also must be prepared to prove insurability or to pay the \$45 uninsured motorist fee when purchasing license plates.

QUESTION:

Are there any limitations on towing another passenger car on our interstate highways? Our "extra" car broke down at Camp last weekend, and we want to use the good car to haul that back to our regular service garage. PSG, Ann Arbor.

ANSWER:

You may tow the disabled car back with your passenger vehicle on the freeways. You are still subject to the speed limits posted and there are very stringent regulations as to connections, coupling devices, proper signals, chains, licensing, etc. We are sending you a copy of those sections of the Michigan Vehicle Code which would apply.

Question:

About how far in advance of an accident scene should flares be placed to effectively warn approaching motorists of danger ahead? PTM, Lexington

ANSWER:

Since disabled trucks, truck tractors, school buses, and buses are required to place them 100 feet in advance and to the rear the device has to be capable of being seen and distinguished at a distance of 500 feet under normal atmospheric conditions, at nighttime, that would seem logical also for accident situations.

Q. Does a police officer have the right to stop you if you have not committed a crime or traffic violation? M.H., Spring Arbor.

A. Assuming you mean while operating a motor vehicle, Chapter III of our Michigan Vehicle Code grants that authority in this manner: "The licensee shall have such (operator's) license in his immediate possession at all times when driving a motor vehicle, and shall display the same upon demand of any uniformed police officer or field deputy or inspector or other duly authorized representative of the commissioner who shall identify himself as such."

Q. If a police officer commits a traffic violation when he does not have his flashing lights going, what is the policy on a citizen's arrest or similar action against him? S.A., Mason

A. The driver of an authorized emergency vehicle (when responding to an emergency call, but not while returning therefrom) may:

1. Park or stand, irrespective of the provisions of this act.
2. Proceed past a red or stop signal or stop sign, but

only after slowing down as may be necessary for safe operation.

3. Exceed the prima facie speed limits so long as he does not endanger life or property.

4. Disregard regulations governing direction of movement or turning in specified direction.

These exemptions apply only when the driver of the vehicle while in motion sounds an audible signal by bell, siren or exhaust whistle as may be reasonably necessary. Obviously, that officer is not going to be providing that forewarning when he is proceeding to apprehend a prowler or burglar. A citizen's arrest is made through the prosecutor to whom you have supplied such pertinent information as the license number of the vehicle, the time, the date, the infraction - and you must be able to subsequently identify the driver. The prosecutor will advise you of still further requirements to complete this transaction.

Q. What windows in your automobile have to have glass in them? C.S., Vanderbilt.

A. The windshield. If you plan to "board up" the others instead of replacing the glass this winter, be sure to check requirements for outside rearview mirrors to allow proper vision to the rear and side.

QUESTION: How many points are assessed against your driving record if you are found guilty of operating a motorcycle without wearing a helmet? And how much is the ticket (Fine)? AB, Charlotte

ANSWER: The penalty would be a misdemeanor which would be punishable by a fine of not more than \$100 or by imprisonment for not more than 90 days, or by both such fine and imprisonment.

The number of points posted to your driving record would ordinarily be two. However, if more than one conviction results from the same incident, point(s) shall be entered for the more serious offense only.

Good news - FHA is back at PW

Good news! FHA is back in P.W. High again this year and is strong as ever. The chapter officers all assembled at the home of advisor, Mrs Casari, Monday night. There they met Miss Carey, substitute advisor while Mrs Casari is recuperating. Each explained to Miss Carey duties as officers because she has never been involved in FHA before.

Valerie Hill, new president, presided over the first business meeting. Discussed were ideas brought up at Workshop. Red Rose Honor Scrapbook won first prize in the state with congratulations due to Jan Halfman.

Some girls had an idea of a

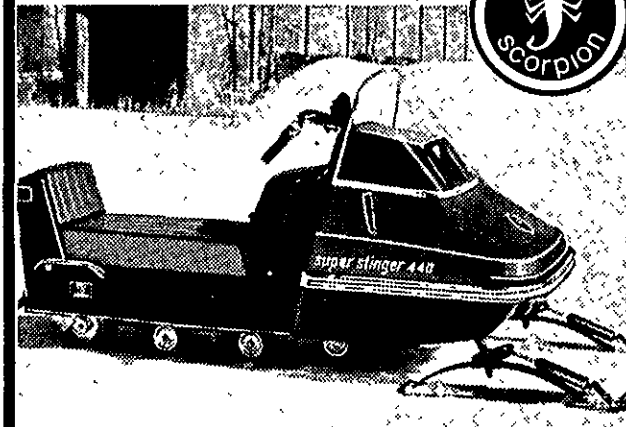

pre-Christmas style show. Miss Carey came up with several possible stage setups. The club is very excited about it.

Also talked about was the Fall Region 8 meeting in Mason. P.W. is responsible for stage decorations. The theme this year is FHA IS LOVING HUMANITY.

Doctor Thomas, a famous professor of Home and Family Living is scheduled to talk at this meeting. This year 2 sophomore girls will be sent to run for region offices. Sherri Wood and Gayle Walter are wished the best of luck.

Everyone is looking forward to the first general meeting on Wednesday, Sept 20.

Oldsmobile introduces 1973 models

LANSING—Oldsmobile Division's 1973 lineup features a new compact car, completely redesigned Cutlass models and a long list of engineering advancements.

From its compact Omega to the luxurious 98 and Toronado, Oldsmobile spans the automobile market with 27 models, two more than in 1972.

Following are highlights of the 1973 lineup:

OMEGA

OLDSMOBILE'S NEW entry, the Omega, is built on a 111-inch wheelbase and has an overall length of 197.5 inches. It is offered in three body styles... a two-door coupe, a four-door sedan and a hatchback coupe that has a rear door that opens upward to reveal a flat carpeted load floor extending from the front seat to the rear end when the rear seat back is folded down.

Front and rear bumpers are rigidly mounted to meet new requirements. The bumpers protect the car's safety systems in front-end barrier impacts up to 2.5 miles per hour and rear barrier impacts up to 2.5 mph.

The Omega's standard engine is the 250 cubic-inch six-cylinder and the 350 V-8 four-barrel is optional. Other Omega options include power drum and power brakes, variable ratio power steering and Turbo Hydraulic transmission.

CUTLASS MODELS

ALL INTERMEDIATE Cutlass models have been completely redesigned for 1973. The design of these cars is new and contemporary, but still readily identifiable as Oldsmobiles.

The intermediate lineup features seven models... two Vista Cruisers, two Cutlass Supremes, one Cutlass 'S' and two Cutlass models. The 'S' nameplate has been discontinued.

The front ends of these cars feature single seven-inch headlamps in place of dual lights. These single sealed beam units have more candle power on low beam than last year's dual headlight system.

The new energy-absorbing front bumper meets the five mph barrier requirements. Grilles are hinged at the bottom and retract with the bumper during a low-speed impact. The Cutlass and Cutlass 'S' have rectangular pattern dual grilles, while the Supreme and Vista Cruiser have a dual vertical bar design.

REAR-END DESIGN of the 1973 Cutlass models is new. Large vertical tailfins are mounted in the body, except on the Vista Cruiser where four bumper-mounted lamps are used. The Cutlass Supreme has a specific taillamp.

The 1973 Vista Cruiser is built on a 116-inch wheelbase, with an overall length of 215.3 inches, one inch longer than last year. The roof glass area is replaced by the "Vista Vent," a section of movable tinted glass over the front seat. The "Vista Vent" is optional on Cutlass, Cutlass 'S' and Cutlass Supreme colonnade hardtop coupes.

The Vista Cruiser, available in two- and three-seat models, features a lift-open tailgate with a fixed window.

Two special packages, the Salon and 4-4-2, are optional for 1973.

THE SALON is available with the Cutlass Supreme colonnade hardtop sedan. Many exceptional features comprise the Salon package to create a highly personalized car combining the comfort and appearance of a domestic car with the ruggedness of a European road car.

The Salon option includes contoured, reclining front seats, steel-belted radial whitewall tires, front and rear stabilizer bars, a front compartment console, and a headlight dimmer switch actuated by a turn-signal lever.

The 4-4-2 is optional on the Cutlass and the Cutlass 'S' colonnade hardtop coupes. The package includes a specific grille, hood louvers, side striping, hood and fender lid striping. The specially adapted suspension includes front and rear stabilizer bars, higher rate springs and shock absorbers.

Front disc and rear drum brakes are standard on all intermediates. Power brakes are optional on all models except the Vista Cruiser where they are standard. Variable-ratio power steering is also optional.

At the rear, the 88's have revised deck lids and rear quarters and new tailamps. A new rear bumper with integral vertical tailfins enhances the 88 models. Rear bumpers on the 89's and 98's are rigidly mounted and meet the 2.5 mph barrier impact requirements.

All full-size models are equipped with power front disc brakes, power steering and Turbo Hydraulic transmission. The Delta 88 and Delta Royale have the 350 V-8 four-barrel as standard, while the 88 and Custom Cruiser have the 455

THE 88'S AND 89'S have new dual grilles that are hinged at the bottom and retract with the bumper on impact into the front end panel.

The 88's and 89's have a hydraulic front bumper system with more impact-absorbing capabilities than last year's system. This bumper is built to protect the safety systems in a five mile per hour barrier impact in conformance with federal standards.

THE 88'S AND 89'S have a new dual grille that is hinged at the bottom and retract with the bumper on impact into the front end panel.

TORONADO

Oldsmobile's front-drive Toronado, now in its eighth model year, features an all-new front appearance for 1973. Design changes include new fender extensions, parking lamps, a grille and an energy-absorbing bumper.

AT THE REAR, the Toronado has a new bumper and new vertical tailfins that complement modified rear quarters and deck lid.

The 88's and 89's have a hydraulic front bumper system with more impact-absorbing capabilities than last year's system. This bumper is built to protect the safety systems in a five mile per hour barrier impact in conformance with federal standards.

Pontiac offers 33 models in '73

Pontiac for 1973 features a new sporty intermediate, fresh new styling and continued engineering improvement in energy absorbing bumpers and emission control.

There are 33 models in the new Pontiac lineup including 13 full-size Pontiacs, two Grand Am and seven LeMans intermediates, four Firebirds, six Ventures and the Grand Prix.

THE ADDITION to the intermediate line is the stunning new Grand Am

The new bumper system on the front of all full-size and intermediate Pontiacs and the Grand Prix features a new energy-absorbing unit mounted to the frame that can compress up to three inches and return to normal position when the force is removed.

This unit utilizes heavy telescoping steel chambers, pressurized gas and hydraulic fluid to absorb the impact.

PROTECTIVE RUB strips and bumper guards are available.

The new rear bumper on Pontiac full-size and intermediate-size cars except Safaris is backed up with a high strength steel hood beam reinforcement. The bumper is supported with flexible steel bars to form a spring system.

Extensive changes have been made on the 1973 engines to meet more stringent exhaust emission standards with no reduction in engine performance or drivability. In fact, overall drivability and fuel economy will, in most instances, be significantly

Also new for 1973 is a duct system directing cold air to the carburetor. This increases maximum engine power and allows greater speed advance with a consequent increase in fuel economy.

THE STANDARD PONTIACS feature an all new front end with the grilles for 1973 extending the full width of the front, wrapping around the leading edge of the fenders.

The luxurious Grand Ville is offered as a two-door formal hardtop coupe, a four-door coupe and a four-door sedan.

Built on a 124-inch wheelbase (122-inch for the Safari), the Catalina is offered in five body styles - two-door hardtop, four-door hardtop, four-door sedan and the two and three-seat Safaris. The Catalina convertible and Catalina Brougham series have been discontinued. All full-size Pontiacs measure 224.8 inches long (except the Safari 228.8).

The Bonneville is offered as a two-door hardtop coupe, a four-door hardtop sedan and a four-door sedan.

Built on a 124-inch wheelbase (122-inch for the Safari), the Catalina is offered in five body styles - two-door hardtop, four-door hardtop, four-door sedan and the two and three-seat Safaris. The Catalina convertible and Catalina Brougham series have been discontinued. All full-size Pontiacs measure 224.8 inches long (except the Safari 228.8).

THE GRAND PRIZ carries through an interpretation of Pontiac's traditional front end split center theme.

The 1973 model is 2 1/2 inches longer and 1 1/2 inches longer than last year's model with a 116-inch wheelbase, and is 216.6 inches long.

Immediately noticeable in profile is a new fixed rear quarter window which blends with the classic styling and improves visibility. A distinctive "GP" emblem is included in this rear quarter window.

IN THE REAR, the "boat tail" theme is accentuated by a pronounced rear crease extending through the rear window.

The stunning new Grand Am highlights the 1973 intermediate from Pontiac. This new sporty luxury car is offered as a two-door hardtop (112-inch wheelbase) and four-door hardtop (116-inch wheelbase).

The fixed rear quarter window on the Grand Am coupe features body-colored or top-colored louvers.

One of the most distinctive features of the Grand Am is its outstanding roadability. Use of steel belted radial tires with a specially tuned suspension provide a smooth ride and outstanding handling.

THE INTERMEDIATES have an all-new appearance with larger glass area and thinner corner pillars giving improved visibility all around while affording improved roof strength, light body and glass fits and reduced wind noise.

Carland News
by Mrs. Pudge Deming

Some people wait until they are 75 years old to take their first motorcycle ride, as did Mrs. Clara Horn Tuesday evening.

After Bible study was over at the Carland Methodist Church, Tuesday evening, David Dumond took Mrs. Horn on a short ride through Carland, which Clara said she enjoyed very much. She intends to take a longer ride next time.

Carly Munson of rural Carland is the new manager of an Elsie gasoline station. Gary is the son of Mr. and Mrs. Kenneth Munson. He and his wife, Diane and two daughters live on West Riley Rd. The gas station that he operates is on N. Ovid St. and is known as the Farmers Gas and Oil Station.

Fulton High School

On the scene

with Cheryl Snyder

The empty halls of Fulton High School came to life on Wednesday, Sept 6 with everyone getting back into the swing of things.

Two new teachers were added to the Fulton faculty. Mr Ronald Merritt, a 1971 graduate of Alma College, earned his BA Degree in history. Mr Merritt will be teaching all social studies classes and is also the cross-country coach. His interests include basketball and running.

Teaching developmental reading is a former student teacher at Fulton, Mr Paul Miller. Mr Miller received his BA Degree in English in 1970 at Alma College and is presently working towards his Master's Degree in reading. He enjoys reading, motorcycling, and hiking.

Added to the staff this year is Mrs Penny Williams. Mrs Williams is in charge of the audio visual department and is also a teacher's aid.

Mr Terry Proko, a graduate of Fulton High and a 1971 graduate of CMU, is the assistant coach of the junior varsity football team. Mr Proko is also teaching elementary physical education.

The varsity and junior varsity football teams scrimmaged Breckenridge Friday, Sept 8 in preparation for the first football game. The varsity Pirates will be playing against Dansville this Friday at 4:00 at Dansville. School will be let out early for the event.

Tryouts for the girls junior varsity basketball squad were held last Wednesday. The following girls made the team:

- Cathy Sorrell, Kim Wineland, Peggy Fox, Sheila Floate, Barb Abbott, Julie Williams, Diane Donahue, Sue Easlick, Robin Hattis, Beth Baxter, Pam Fox, Missy Bancroft, Lisa Barr,

Tracy Zamarron, and Carolyn Chick.

The girls varsity team has started practicing for the first game which will be held Oct 3 against Vestaburg. Members of the team are: Karen Sorrell, Cindy Kerkes, Pam Ely, Jackie Maniez, Jackie Zamarron, Chris Upham, Martha Salisbury, Cheryl Snyder, Bernie Gavenda, Shelly Chick, Helen Skea, Jill Mahler, Carol Betz and Mary Stoneman.

A cross country meeting was held after school Wednesday and workouts have begun. Karl Drake, Mark Drumheller, Lee Walker, Carl Kresge, Roy

ST JOHNS -- "Spirit, Spirit, let's hear it!"

This was the cry that rang throughout the gym the 11th through the 14th from 30 freshmen girls trying out for cheerleading. With the help from the 1972 varsity cheerleaders, the girls learned two cheers and four chants.

The tough decision of cutting eleven girls was made Monday, Sept 18, then Tuesday four previous cheerleaders of St Johns High School chose Karen Mazzolini, Sue Hopko, Mary Ellen Cardinas, Elizabeth MacKinnon, and Lynette Crosby as the new freshmen cheerleaders.

DeWitt High School

by Doreen Theroux

DeWitt High School has 5 new staff members this year, including an instructional media center instructor, a girl's physical education instructor, an economics and history teacher, an English and Spanish teacher, and a drafting and industrial education instructor.

Miss Joanne Johnson is the IMC (Instructional Media Center) instructor. She is a native of Escanaba and is a Central Michigan University graduate. She has a Bachelor of Science degree in education. She did her student teaching at Ottawa Hills High School in Grand Rapids and presently resides in DeWitt. Miss Johnson is also Library Club sponsor.

Miss Debbie Boyd, a native of Westland (a suburb of Detroit) is in her 1st year of teaching and is the girl's physical education instructor. She completed her student teaching at Northeast Jr High in Jackson. She is a graduate of Spring Arbor College near Jackson and holds a Bachelor of Arts degree in Physical Education for grades K-12. She is the cheerleading and modern dance sponsor and has also been chosen as volleyball and softball coach. Miss Boyd is now living in DeWitt.

DAVID MESSNER is the new economics, world history and world geography teacher. He is originally

from Michigan City, Ind, but has also lived in Oxford, Ohio, Kalamazoo and Barcelona Spain, respectively. His present home is in DeWitt.

Messner attended Miami of Ohio for 2 years, then graduated from Western Michigan University. He holds a Bachelor of Arts degree in political science. He did his student teaching for 1/2 year in Barcelona, Spain. While there he was also a football coach. He is presently golf coach, baseball coach, and sophomore class sponsor. He is an avid reader and loves to play soccer.

David Messner is married and has a family "on the way". His wife last taught French at a school in Kalamazoo and is presently unemployed.

Mrs Phyllis Curtis, a native of Saginaw, is in her 1st year of teaching. An English major and a Spanish minor, she graduated from CMU and holds a Bachelor of Arts degree in Education. She completed her student teaching at Zilwaukee Jr High in Saginaw. Mrs Curtis is coach for both JV and varsity-girl's basketball.

She and her husband presently reside in Lansing, Curtis is a physical education teacher at Kemos Middle School.

LYNN LA BRECQUE is the drafting and industrial education instructor. A native of Mt Pleasant, he graduated from CMU and has a Bachelor of Science degree in education. He student taught at Mt Pleasant High School.

Besides teaching drafting and industrial education II, he is the JV football coach and the varsity wrestling coach.

La Breque presently resides in Mt Pleasant but will be moving to DeWitt shortly. Mrs La Breque is a secretary at CMU. They have one daughter, age 7, and 1 son, age 4.

Thelen named scholarship semi-finalist

Principal Alvar Kurin of Pewamo Westphalia Community Schools has announced that Daniel Thelen, a senior, has been named a Semifinalist in the 1973 National Merit Scholarship Program. Dan is the son of Mr and Mrs Linus Thelen.

The approximately 15,000 Semifinalists appointed today are among the nation's most academically talented high school seniors. They will compete for some 3,000 Merit Scholarships to be awarded in 1973.

The Semifinalists received the highest qualifying scores in their states on the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT), which was given last October to over one million students in about 16,600 schools nationwide. They constitute less than one per cent of the graduating secondary school seniors in the United States.

Johns High School is looking like new again. The project of painting the bleachers is headed by Dick Buggs and Cheryl Cole.

The class started painting on Sept 10, then two days later found out that the wrong type of paint was used. After repainting what had been done up to that point, several other students touched up smaller things, such as the floorboards, the pressbox, and the railings.

According to Dick, the

juniors are now certified and experienced in the art of bleacher painting. . . and body painting too!

About 30 students shuffled into school, Friday, Sept 22 around 7 am for a 50 mile swim club headed by Coach Wayne Morrison.

Each member of the team has a goal of swimming 50 miles within the school year, and has a chance of accomplishing this goal every Monday, Wednesday, and Friday from 7 am until 8 am.

Pewamo-Westphalia High School is off to a good start. Plans are set in motion to have a terrific Future Homemakers of America Club.

Miss Colleen Carey will sub as advisor until Mrs Casari recuperates from a broken leg. We hope to have her back by second semester.

The Girl's Athletic Association, under the direction of Miss Susan Snover, is planning a big year, including canoeing, intermural sports, and a trip to Tiger Stadium.

Other groups started in motion include the yearbook staff and the school paper, Pirate's Log. Co-editors of this year's yearbook are Susan Wohlscheid and Patricia Trieweller. Steve Fedewa is head of

photography.

Our football team is slated to be the 1972 champions of the CMAC. With the combination of seasoned seniors and disciplined juniors. Coach Bill Marks and Asst Coach Doug Rearick lead the fellows this year, and the school is behind them 100%.

The P-W Band under the direction of Frank Ehrhardt, will be one of the best bands

in this part of the state. The band consists of mostly 9th and 10th graders. In another year or 2 this group could be one of the best in the class C schools. Everyone is invited to attend especially the halftime performances as they are expected to be superior.

The Pewamo-Westphalia Homecoming will be Oct 13 against Bellevue.

4-H CHATTER

By JOHN AYLWORTH

Over 373,000 pounds of glass containers have been recycled during the two years the Clinton County 4-H Teen Leaders have been working on their glass container recycling project. The September collection amounted to 12,680 pounds. The project started in October 1970 when the 4-H Teen Leaders voted to "do their thing" in improving the environment and do a community service project as well. The glass collected amounts to over 28 large truck loads of crushed glass from going into landfills and filling the already limited area available. The glass is not wasted but recycled into new glass products.

The paper sacks and cardboard boxes each month are taken to Krogers where they are baled up and sent back for recycling also so very little of the glass and boxes each month at the Fairgrounds ends up at the landfill.

The Teen Leaders voted this month to continue the glass project for a while and possibly involve other 4-H clubs or youth groups to be responsible for the glass project different months. People could help the youth a lot if they would remove the metal rings from the glass bottles and sort by color if they have more than one sack full of glass.

On the first Saturday of each month 20-38 4-H Teen Leaders and adults work from 6-8 hours at sorting the bottles by color, removing the metal rings and crushing the glass for shipment to Charlotte. The teen Leaders gave the glass crusher a new paint job last week and you almost need sunglasses to work around it with the bright colors.

The support has been great by the community in cooperating with the 4-H glass recycling project. The community can help not only by saving their glass containers but also removing the metal rings from the bottles. People do not need to take the paper labels off the bottles. Also, we cannot use window glass or light bulbs as they have to be hauled to the landfill.

October 6 will start the 4-H Teen Leaders on their third year with their glass recycling project. How much longer they continue this glass project will be determined by the interest and support by the community.

Why not drop the 4-H Teen Leaders a note on your comments and thoughts about their glass recycling project. I'm sure they would appreciate hearing from you about their project over the past two years. Comments can be sent to the 4-H Teen

Leaders at the Extension Office, 1003 S Oakland in St Johns.

Our congratulations go to Susan Striz of the Scattered Southeast 4-H Club. Susan was selected as one of the four 4-H dairy members from Michigan to participate in the 4-H Dairy Judging Contest at Harrisburg, Pa., Sept 22-26. In the State 4-H Dairy Judging Contest at MSU during the State 4-H Dairy Show in August, Susan was second in individual judging.

4-H'ers will have the opportunity to participate in roller skating this fall and winter at the Ranch Roller Rink in St Johns. The 3rd Thursday in October through April has been reserved for 4-H night. 4-H Club members should contact their leader for reservations. Up to 200 4-H members, leaders and parents and their guests will be reserved each month. The time of roller skating will be from 7-10 pm each night for 4-H'ers.

The Clinton 4-H Pumpkin, Sunflower and Decorated Gourd Contest will be held on Thursday, Sept 28, 7 pm at Smith Hall in St. Johns. There will be prizes for the top three winners in each area. Also there will be a decorated pumpkin contest entry which is to be done at Smith Hall. The public is invited to attend this event and show.

The Parkers Workers 4-H Club members held their organizational meeting and elected the following officers: Diane Waters, president; Michelle Haynes, vice president; Sue Miller, secretary; Laurie Love, treasurer. The club meetings will be on Thursday evenings from 7-9 pm with the next meeting to be on Oct 3 at the home of Mrs William Parker.

The Ear Flopper 4-H members began their meeting by working their dogs checking progress and growth. Demonstrations were given by Debbie Pratt, Cindy and Mary Cronk. Mr Daniel Balog brought a new girl who wished to join the club. The club members had presented their certificate to the Ingham County News for their coverage of the Leader Dog Program.

4-H MEAT JUDGING

Clinton County will have a 4-H meats judging team in the State Meat Judging Contest at Michigan State University on Saturday, Sept 30. The team will consist of Ted Ashley, Jeff Eldridge and Jay Miller of St Johns; Brian Brook of East Lansing; and Leslie Himes of Elsie. The members will judge a class of beef and pork carcasses, beef ribs, judge wholesale cuts of beef

and pork, and identify 25 retail cuts as to species, from what wholesale cut and retail cut name. The top four individuals will be selected to participate in the National Contest Oct 12 at Kansas City, Mo.

The team participated in a practice session at Farmer Peets Company in Chesaning Sept 16 and other workouts the past two weeks at Sheldons Packing House at Ovid. Larry Martin of Ovid is working with the team in their meat judging practices.

Jeanine Seeger of Bath All Purpose 4-H Club will be representing Clinton County at the McDonald Dairy VIP Day at Flint, Thursday, Sept 28. 4-H members from each county in the McDonald Dairy milk area will be in attendance. During the day the group will tour McDonald's modern milk and ice cream plant, go behind the scenes of Channel 12 TV studio, enjoy a special program at the Mott Planetarium, hear outstanding resource people plus other special events.

The Clinton County 4-H Dairy members who exhibited dairy animals at the State 4-H Dairy Show, Aug 22-24 at Michigan State University, received checks totaling \$178 for their participation. The members are looking forward to the 1973 show at MSU.

There will be a fall horticulture meeting on Saturday, Oct 21 at Michigan State University from 9 am to 3 pm for any 4-H leader, parent or older member interested in horticulture. The areas to be covered include dried flower arrangements, indoor gardening, forcing bulbs and garbage can horticulture. There is no registration or cost to attend this training session. Dr Lee Taylor, from Michigan State University, will be in charge and urges people to bring a sack lunch for convenience. Anyone interested in attending should contact the Extension Office on items to take for the sessions.

There will be a new Equine Management course to be taught this fall at Michigan State University beginning Wednesday, Sept 27 and running for 10 consecutive Wednesday evenings from 7-10 pm. The cost is \$40. The course covers breeds, selection, judging, breeding, foaling, feeding, health, horse shoeing, foot care, shows, marketing and other horse management. The session will be taught at university level and is open to anyone. The program will be held at the Engineering Building Auditorium at MSU. For more information contact Dr Richard Dunn, 353-1748 at MSU in East Lansing.

Farm Tips

By WILLIAM LASHER
Extension Agriculture Agent

As harvest time nears, a good word should be said about safety. Using safe practices for machine operation and handling is usually thought of after the accident, as in we didn't have safety shields in place, or we didn't turn off the PTO.

Harvesting machines are aggressive machines, they bring the crop into the machine with rollers, augers or other means. Also, harvesting machines are neutral, they don't care if the material is corn, soybeans, rocks or you who go into them.

WITH THE IDEA that harvesting machines are aggressive and that they are neutral, it's a good idea to operate them in a safe manner.

Some points to consider are to become familiar with the Operator's Manual and its comments on safe operation, keep all shields and guards in place, and wear tight fitting clothing. Loose fitting clothing can get caught in the machine and drag you into it.

Remember, machinery cares very little about your well being, it will probably still be here after your accident. Only your friends and relatives care about your well being. Remember, at harvest time safety first, last and always.

SOME EASY DIETING TECHNIQUES! - Whether you want to lose weight or maintain your present poundage, fats are a good place to begin cutting down. Fats and oils are an extremely concentrated source of calories; Anita Dean, foods and nutrition specialist at Michigan State University, has sent us some very helpful suggestions on a difficult subject.

Cutting down rather than cutting out. Fats provide certain necessary nutrients that should not be omitted from the diet entirely. But they also provide more than twice the calories per ounce available from either proteins or carbohydrates - 255 per ounce for fat, 115 per ounce for each of the others.

That makes fat intake a good area to reduce.

MUCH OF the increase in fat consumption has resulted because people eat out more. And where do we eat? At drive-in restaurants. And what do we eat? Fried hamburgers, deep-fried chicken and shrimp, fish and chips, french fries, chocolate

shakes. Do you think french fries aren't greasy? Try eating them cold sometime. Cooking fats are hidden sources of fat in our diet. Take potato chips, for instance. Ten, two-inch potato chips provide 115 calories. Only 44 of these are native to the potato - the other 71 come from the oil the chips are fried in.

Peanuts are even worse. Of the 90 calories in 15 roasted peanuts, 72 are provided by the oil in which the nuts are roasted. More obvious is the fat on a pork chop that raises the calorie value of a medium thick pork chop from 110 to 245.

It takes 3,500 calories beyond those the body requires to produce one pound of body fat. Consequently you must reduce your usual calorie intake by 3,500 to shed a pound. Since weight loss quickly is likely to come back just as fast, a gradual reducing plan is recommended based on cutting down, not cutting out, certain foods and being aware of the hidden fats that pile the calories on.

TRY CUTTING down on margarine and butter. Each pat provides 70-80 calories. Dropping from four pats to three every day won't instantly transform your figure, but over a year's time the calories you did not eat will amount to five pounds. Eliminate one slice of bread a day also, and the difference will be six pounds, for a total of 11 pounds lost with a minimum of suffering and mental anguish.

Use cooking methods that do not add fat to the diet. Roast, broil, bake or grill meat rather than frying or sauteing it. And whenever possible, use low-calorie substitutes in cooking; low-fat dry skim milk rather than whole milk, for instance, yogurt for sour cream or lean ground chuck for fatty hamburger.

Most important, whenever you are shopping or meal planning, keep in mind the nutritional requirements of a balanced diet. Do not try to eliminate all fats. For one thing, you can't do it. But you may try, and in so doing, rob your self of necessary nutrients.

Be sensible; do not cut yourself off from your favorite foods - simply eat less of them or eat them less often. And try to find a less fattening way to prepare them.

Shopping, cooking and eating to reduce the intake of unnecessary fat can become a healthy habit that will contribute to the well-being of every member of your family.

Call at 224-3288 or write to 1003 S Oakland, St Johns, the Extension Office, for a free bulletin to help with calorie counting.

Good Luck.

The signs, five feet high and three feet wide, will contain a red circle with a white center bar and the words "Do Not Enter." The lower portion of the sign will read "Wrong Way" in white letters on a red background.

TOP HONORS

Top honors for individual dairy cattle judging at the 1972 State 4-H Dairy Show, Aug 22-24 at Michigan State University went to: (front row left to right) Susan Striz, St. Johns; Debbie Duncan, Durand; Darlene Gier, Osseo; Julie Drake, Coopersville. Second row, left to right, are Debbie Jarrard, Nashville; Debbie Dean, Rockford; Dave Laxton, Durand; Floyd Koerner, Laingsburg; Anita Stuever, Capac. Back row, left to right, are Eric Sederlund, Charlotte; Darrell Endres, Freeport; Neal Sanford, Parma; Jon Wardin, Hemlock. By winning this event, they became eligible to compete in the two final state judging contests at the State Fair in Detroit, Aug 26 and Sept 9. Twelve of these winners will represent Michigan in the national and regional contests this fall. Senior division scoring is based on placing scores, two sets of written reasons and three sets of oral reasons.

New signs reduce wrong-way crashes

LANSING -- New signs conforming with standards that include the international "Do Not Enter" symbol, will be erected at all freeway exit ramps in further attempts to reduce chances for "wrong-way" freeway accidents, the State Highway Commission has announced.

BOTH SIGNS are part of the "new look" in Michigan traffic signs which conforms with Federal Highway Administration standards recently approved by all the states. They will replace smaller red and white "Wrong Way" and "Do Not Enter" signs now posted on both sides of freeway exit ramps.

In addition, white arrows indicating the correct direction of traffic and a 24-inch solid white line across the ramp will be painted on the pavement near the beginning of each freeway exit.

Total estimated cost of both sign erection and pavement marking is \$600,000. Federal matching funds are available for the project, which is expected to take two years.

Plan meet on diabetes

LANSING -- The Michigan Diabetes Association which serves Clinton County will sponsor a fall series of educational programs with the first one beginning Thursday, Sept 28.

Subject topic for the 8 pm meeting will be "Living with Diabetes". The meeting will be held in the auditorium of E W Sparrow Hospital in Lansing.

Panel of speakers for the evening will be Sumer Verma, MD, assistant professor in psychiatry; Donald E Knickerbocker, MD, pediatrician; Mrs Elmer Witter, mother of a diabetic child; Mrs Joan King, social service department of Sparrow Hospital and Chris McDougal, youth with diabetes.

Former Maple Rapids pilot to participate in Mich race

OWOSSO - A former Maple Rapids woman, Kathleen B Gerhold, will be among the 60 pilots entered in the 17th annual Michigan Small Race event next month.

Ballenger headlines DeWitt Lions dinner

State Senator William S Ballenger (R-Owosso) told the DeWitt Lions Club Tuesday, Sept 19 that he foresees a "good chance" for two major bills to pass the Legislature this fall but "an up-hill battle" for Governor Milliken's 24-gasoline-tax-hike-for-mass-transit program.

Ninety-Nines, Inc., and is conducted in cooperation with the Michigan Commission on Aeronautics and local aviation groups. Mrs Gerhold, the mother of 4 children ranging in age from 26 to 3 years old, will be accompanied by co-pilot,

proposal for Vietnam veteran bonuses). He declared he would vote "No" on Proposals A (Daylight Savings Time) and D (rescind the present Constitutional ban against a graduated state income tax).

Ballenger said he expects Daylight Savings Time will lose in his 30th Senatorial District just as it did in 1968. He said he would be "surprised" if the graduated income tax scheme, which was decisively rejected by state voters in both 1968 and 1970, manages to pass this time.

William C Burns of Vernon. The race is a cross-country proficiency event for stock model, unsupercharged fixed-wing, single or multi-engine aircraft of not more than 420 horsepower. The race is flown during daylight hours and under visual flight rule conditions and is conducted on a handicap system.

The round-robin event of approximately 200 miles, with two or more check points, will start and end at Phelps-Collins Airport in Alpena. The exact course is not given to the contestants until each plane has been impounded the night before the race.

The race is for women pilots but they may have a male or female co-pilot or passenger. They also may solo.

Mrs Gerhold, who resides at 419 West Corunna Ave, Corunna, with her husband Jack, will pilot a Cessna 150L, 100 in the competition. This is her third Michigan race and last year she was co-piloted in the Powder Puff Derby and logged mileage of 2,500 miles in speed competition.

A veteran, who has logged 150 hours of flying, she is a member of Saginaw Bowmen's Club and serves as secretary and is affiliated with the Flint Aviatix Association.

Her co-pilot, Burns, has an instructors rating and has logged 1400 hours. Mrs Gerhold is the daughter of Mr and Mrs Preston Corson of Maple Rapids.

Mrs Kathleen Gerhold and William C Burns pose in front of the Cessna 150L, 100 plane they will pilot and co-pilot in the 17th annual Michigan Small Race held next month. This is the third Michigan race that Mrs Gerhold has entered and she will pilot the aircraft.

1973 Fords arrive at dealerships

A new Ford Car, with fresh front appearance, new sheet metal, and unique features including an optional anti-theft system and a standard spare tire extractor for station wagons, highlights Ford Division offerings for 1973.

"With our bread-and-butter car all new, and with the market leadership we hope to continue with Pinto, Torino, Thunderbird and Mustang, we look forward to 1973 as another record-breaking year," said John Naughton, Ford vice president and Ford Division general manager.

THE DIVISION'S 39 car models in six lines will make their debut at Ford dealerships Friday, September 22. Availability of all vehicles is subject to Federal emissions certification.

Ford Division continues to expand the availability of radial-ply steel-belted tires which are standard again on the Thunderbird in 1973 and now optional on all other car lines. These tires are offered with a 40,000-mile wear guarantee from the manufacturer.

The Ford car receives a new look, a more convenient instrument panel, and a variety of new features. Thunderbird offers a new front appearance and a new optional opera window.

type glove box is twice as large as in 1972. Improved window weather-stripping helps to provide an especially quiet ride. Windshield washers on the wiper arms provide precise amounts of window cleaner exactly where needed. All 1973 Fords also include power front disc brakes.

New options include a recreation table between the optional dual facing rear seats in the station wagons, an AM/FM stereo radio with tape player option and an automatic parking brake release.

Other new options with Fords include a right outside rear-view mirror with its control near the steering column, handy to the driver. Power mini-vent windows are available with four-door models.

THE ANTI-THEFT alarm system also is optional. When the system is armed, forced entry into the passenger or luggage compartments cause the car's horn to sound intermittently for five to seven minutes.

The 460-cubic-inch 4V eight-cylinder engine is an added option with Ford cars. Standard engine for 1973 is Ford's 351-2V, a V-8 accompanied by a standard automatic transmission.

East Victor

Mr and Mrs Gerald Barrett accompanied Mr and Mrs William R Trayer to Toronto, Canada where they took the train ride to Agawa Canyon 114 miles to the north. They were gone from Wednesday until Friday.

Mrs. Howard Dennis picked wild black raspberries last week and Mrs Ray Ketchum has a snowball bush with a blossom on it.

Mr and Mrs Howard Dennis and Mr and Mrs Merle Pohemus of Shaftsbury spent the weekend in Northern Michigan.

Mrs Gary Freeman and family of Morrice and Susan Ketchum were Sunday dinner guests of their grandparents, Mr and Mrs Ray Ketchum.

Mr and Mrs Donald Strouse spent Sunday with his parents, Mr and Mrs Paul Strouse of Mason.

Donnie Weeks and friend of Lansing were Sunday afternoon callers of his grandparents, Mr and Mrs Orval White.

Mr and Mrs Cyril Giffels of Lansing were Sunday callers of his sister, Mr and Mrs Ray Scott and Roy.

Mrs Laura Ercole of Owosso called on Mr and Mrs Jesse Perkins Sunday.

Chamber dinner ticket sales continue here

ST JOHNS - Reservations for the St Johns Area Chamber of Commerce Awards Banquet reached the half-way point near the end of last week and Chairman Bill Patton urged persons interested in attending to contact the Chamber office

for tickets. "We have only 100 tickets to sell," explained Patton, "and interest in this year's banquet indicates we may have to turn some persons away. I hope those who have made plans to attend will place their reservations to

assure themselves of tickets." Interest in the banquet has been spurred by Patton's earlier announcement that MSU Basketball Coach Gus Ganakas will appear as principal speaker for the event. Ganakas, a favored after dinner speaker throughout the state, agreed to attend the banquet despite the schedule of pre-season basketball practices which will be underway at that time.

The banquet, slated for 7:15 pm Tuesday Oct 17, will be held at Daley's and will be preceded by a cash-bar social hour beginning at 6:30. Highlight of the evening's activities will be the naming of two persons in the community selected for outstanding work in the community as a Chamber member or as a private citizen.

Last year's recognitions went to Bernard Feldpausch for his Chamber affiliations and to Jack Downing for his efforts on the community's little league program.

The names of several candidates for both awards, along with the names of oldest living past presidents have been received by the Chamber office. Nomination can be sent or phoned through Friday Sept 29.
