It was tense for awhile as St Johns firemen answered a call at the Steele Hotel in the downtown business district. However, the department was able to locate the cause of heavy smoke and calls to other departments for expected needed assistance were cancelled. Here firemen clean the debris from the downstairs barber shop.

Four county residents work on Ballenger fund raiser

Four Clinton County residents are among some 24 mid-Michigan citizens heading up a major fund-raising effort in honor of State Senator William S. Ballenger (R-Delta Twp.).

Ink White of St Johns, Ernest Carter of Watertown Twp., Virginia Zeeb of Bath, and Jennie Loznak of Elsie have been named to the steering committee for "Ballenger's Barnbender", a salute to the senator slated for Saturday, October 13, from 4-9 pm, immediately following the Michigan-Michigan State football game.

Highlighting the Ballenger fund-raiser, to be held in a barn south of Lansing at 6076 West Holt Road, will be a 300-piece art show and sale by over 30 mid-Michigan artists and craftsmen, food and liquid refreshments, and

Dixieland entertainers for \$10 a person or \$15 a couple.

"The advance demand for tickets indicates that 'Ballenger's Barnbender' may be one of the biggest political events in mid-Michigan during 1973," said Mrs Zeeb.

Tickets for the Barnbender are available by contacting White at 224-7218, Carter at 224-6761, Mrs Zeeb at 641-6419 and Mrs Loznak at 862-5051, or by calling Carol Macintosh at 373-2421 (Lansing)

County News temporarily short of space

The Clinton County News is faced with a serious situation regarding the shortage of newsprint, the product used to publish this newspaper.

As a result, we must by necessity reduce the number of pages we print and this, then, cuts down on the amount

of news we are able to publish. We hope this situation will ease somewhat in the near future. Until that time, however, we ask your understanding when news items ordinarily carried in our columns do not appear.

Aces football contest and wins \$20

Winner of the 1st week of the 1973 Clinton County News Football Contest is Bob Zimmerman, 210 W. Higham St, St Johns. He receives \$20 for his efforts.

Bob aced the contest, picking 15 out of 15 with the Detroit Lions-Green Bay

Packer game not counted because of the 13-13 tie.

John P. Werbish, 410 Giles St, St Johns, picked 14 correct games and 6 others picked 13 out of 15.

Lansing man charged with concealed weapon, larceny

ST JOHNS--Delley Averal King, 25, 2404 S Lyons Ave, Lansing was charged Tuesday night with the possession of a concealed weapon and was later charged with larceny.

The arrest stemmed from a report received by the St Johns Police that a man was trying to sell a handgun in the downtown area.

Notified that the man was

in the Wheel Inn on US-27, police and Clinton County Sheriff's deputies investigated.

When deputies entered the establishment, it was reported the suspect, sitting with 2 females, attempted to exit through the kitchen.

He was arrested by deputies and charged with carrying a concealed weapon, which turned out to be stolen.

Punt, Pass & Kick Day is Saturday

Saturday, September 29 has been declared Punt, Pass and Kick Day by Mayor Robert Wood of St Johns.

More than 250 youngsters, ages eight through thirteen, are expected to match punting, passing and place-kicking skills in local competition at 6 pm at the high school athletic field. The St Johns Punt, Pass and Kick program is sponsored by the St Johns Jaycees and Egan Ford Sales Inc.

In his proclamation, Mayor Wood said that Punt, Pass and Kick "offers youngsters an opportunity to compete in a national program which underlines the importance of physical conditioning basic to other forms of excellence."

Punt, Pass & Kick is in its 13th year under the co-sponsorship of the National

Football League and the Ford Dealers of America. Participation this year is expected to top 1,200,000. Participants in the program compete only against others of the same age. No special equipment is needed and participation does not impair a youngster's amateur standing. There is no body contact and any youngster, eight through thirteen years

of age, is eligible to register at a participating Ford Dealer. No entrance fee is required. Punt, Pass and Kick receives the enthusiastic support of athletic coaches throughout the United States. George Allen, head coach of the Washington Redskins for example, has described the program as "the finest youth activity of its kind in the world."

Bottle, rock throwing ends party Saturday

By Jim Edwards
County News Editor

ST JOHNS--The party's over, but the memory lingers on.

What was reported to start out as a friendly party for several north Lansing friends turned out to be a major fracas Saturday night with police from the Clinton County Sheriff's Dept, Eaton County Sheriff's Dept, DeWitt, DeWitt Township and Bath Police and the Michigan State Police.

Reports of the incident seem to boil down to "over-reaction." However, there are conflicting reports about who over-reacted.

Anthony Hufnagel, Clinton County Sheriff, said the events of the Saturday night confrontation between police and party-goers started with an anonymous call.

The call reported a large number of persons at a party on Wacousta Rd.

HUFNAGEL SAID a car was sent to routinely investigate the call and when deputies arrived, they witnessed a car driven from the scene, which struck 3 other cars.

The sheriff said the car was stopped and 3 juveniles, a 17-year-old and 18-year-old were, subsequently charged with public intoxication. In addition, the driver of the car was issued a summons for driving without a driver's license and driving under the influence.

The owner of the car was cited for allowing an unlicensed driver to operate his car and allowing an intoxicated person to drive his vehicle.

It was after that the trouble started, Hufnagel explained.

A call was sent out for owners of the vehicles struck by the departing car to identify themselves so the accident reports could be completed.

Hufnagel said the call was greeted by flying stones and containers.

AFTER CALLING for assistance, Hufnagel said 4 officers received minor injuries from flying articles, including beer bottles, cans and stones.

He said several police vehicle tires were also slashed.

The sheriff also said an individual who reported to police that he had taken drugs while drinking beer was taken to the hospital to be treated for an overdose.

When it was all over several persons faced court action on charges ranging from assault to drunk and disorderly.

But, as far as Belinda Hudson is concerned, it's far from over.

SHE AND HER HUSBAND, David Hudson, are tenants of the 11485 Wacousta Rd address where the party took place and she says the police over-reacted.

"When they (police) first walked in, they looked so calm, we didn't expect any trouble."

But, there was trouble and now Belinda Hudson says she has consulted an attorney and plans court action against the police agencies involved.

Mrs Hudson claims the police demanded the party be broken up immediately and started "pushing and shoving."

She said participants in the party started running to get out, but the police

wouldn't let them.

While police estimates of the crowd range from 1000 to 1800, she claims there were "maybe 900" and labels the police estimate as "outrageous."

She also claims a Sheriff Dept official attempted to force his way into her home in connection with the reported incident of an overdose.

Mrs Hudson claims that she was "knocked down twice" while the official made his way to her livingroom.

She further told the County News that "2 persons arrested on the property had the hell beat out of them."

Mrs Hudson said she agreed to have the party for several friends in the north Lansing area, but later learned that flyers were circulated advertising the party.

She said that she expected trouble from a large crowd, but "everything was OK until the police got there."

St Johns Cystic Fibrosis March doubles results of original drive 2 years ago

ST JOHNS -- The Cystic Fibrosis march by Jayceettes in St Johns last week doubled the amount collected when the drive began 2 years ago.

A total of \$751 was donated, doubling

the amount of the 1st year and nearly \$200 above last year's total of \$560.

Thirty-six marchers canvassed the community to aid the fight against Cystic Fibrosis.

Fowler, Westphalia join Cystic Fibrosis campaign

Both Fowler and Westphalia joined in the tri-county "Breath of Life" campaign by conducting a door-to-door drive for funds Sept 18, 19 and 20.

This is the first time either area has participated in the annual fight against cystic fibrosis and each campaign was a very successful effort.

Mrs Jack Love chaired the drive in

Fowler and enlisted 28 volunteers as marchers to carry the story of CF to their neighbors and to solicit funds to aid in research on this crippling of children.

Mrs Gary Lucas, chairman of Westphalia's campaign, conducted her door-to-door campaign with 17 marchers from the Westphalia area.

St Johns to host County Cross Country Meet

ST JOHNS -- The 1st Annual Clinton County Cross Country meet will be held Saturday, Oct 13 at St Johns High school.

Competition begins at 10:30 am between St Johns, DeWitt, Bath, Pawamo - Westphalia and Ovid Elsie.

A team trophy and 10 individual medals will be awarded.

Brushing up for the upcoming toothbrush sale are these members of the St Johns Exchange Club. Milo Rowell (right) puts the brush to Charlie Huntington (left) and Bill Patton as they prepare for the annual toothbrush sale Sept 28 from 9 am to 9 pm in the St Johns shopping areas to raise funds for the Exchange Club Youth fund. Those who wish to purchase the \$1 toothbrushes, but will be unable to during the sale are urged to call Bill Patton at 224-2304.

Bath Elementary School announces Book Fair

BATH -- The Bath Elementary School will sponsor their annual Book Fair from Oct 8 to Oct 10.

The books will be on display in the Elementary Library from 8 to 5 each school day and during the

evenings of Oct 8, 9 and 10 from 7 to 9 pm.

The teachers and staff invite all students, parents, and visitors to attend this Book Fair. The fair will

encourage student interest in reading and in building home libraries.

All books will be sold at discount prices. This is not a money-making project, but

is a school-wide effort to expose our children to a

variety of books in all price ranges -- and at a savings.

St Johns Morning Musicale holds opening meeting

The sound of music was in the air at the opening meeting of the St Johns Morning Musicale hosted by Mrs Maurice Witteveen.

Following coffee greetings were extended to members and guests by the president, Mrs Howard Woodbury.

A brief resume' of the year's program was presented by Mrs Winchell Brown. The theme being Nineteenth Century Composers of Central Europe.

Mrs Brown, as chairman of the day, introduced Scott Younglove the 1973 winner of the -- music scholarship awarded annually by the club. Scott, a young violinist, played Antonio Vivaldi's Concerto in A Minor the 1st movement accompanied on the piano by his violin instructor Mrs Leone Benedict of Lansing.

Gale Foerch of Maple Rapids spoke briefly on his interest in the violin and then introduced his colleague C. N. Bartow of Lansing who makes, repairs, tunes and appraises bowed and plucked instruments.

Bartow began by relating the history of the famous Stradivarius violin created by Antonio Stradivori.

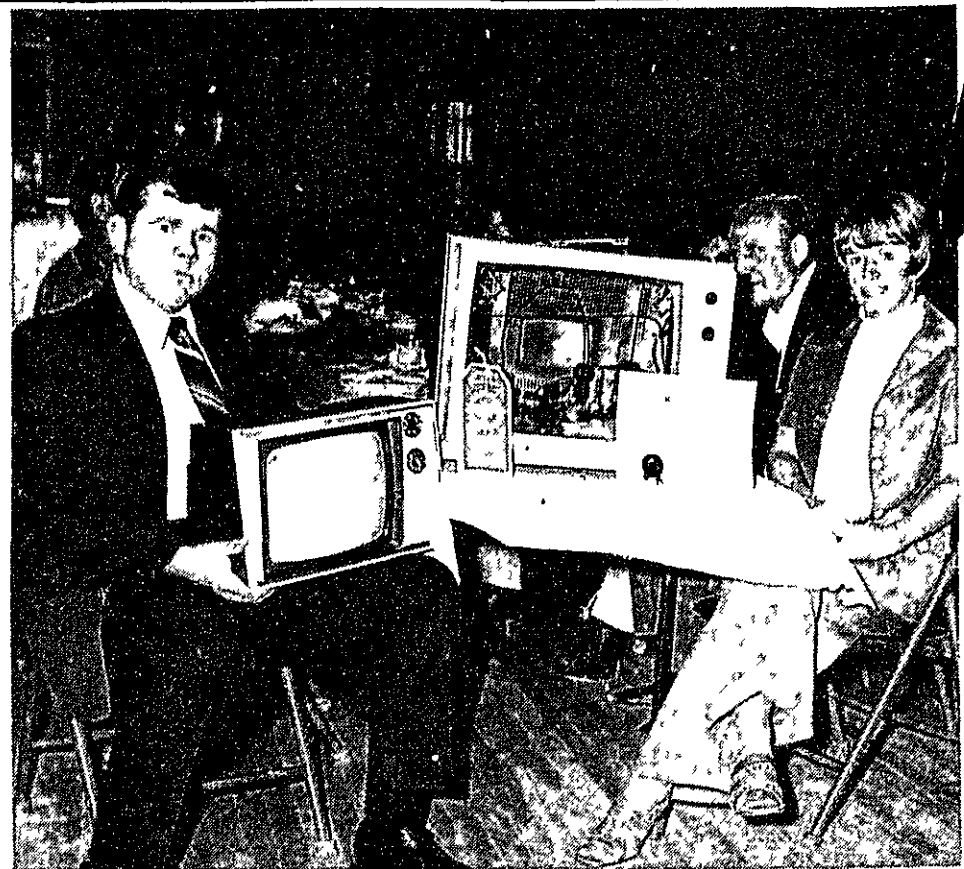

He noted a violinmaker requires a knowledge of Physics, Art, woodworking, music and workmanship. One must be sensitive to tone and beauty as well as skilled in the mechanics when constructing a string instrument.

Mr Bartow fashions violins and parts from native maple wood, osage orange and spruce from high altitude areas. He is able to produce six instruments with tones singular to each ranging from a sweet bell tone to a loud overwhelming sound.

In a recent trip to Europe, he observed a great reduction in the number of craftsmen and artisans engaged in making violins.

He closed his appearance by exhibiting several violins of his own handiwork.

The next meeting of St Johns Morning Musicale, a member of the National Federation of Music Clubs, will be held at 9:45 am Oct 11 in the home of Mrs Kenneth Jones.

Tom Hundley and wife, Karen, were the honored guests at a city hall luncheon Thursday as city officials turned out to greet farewell to the city clerk, departing to become city manager of Swartz Creek. Hundley was presented with a "his and hers" television with the inoperable set obviously "his" and a certificate from the city.

Record player stolen in b&e

ST JOHNS—A record player, valued at \$50-\$60 was reported stolen from the Sharon Decker residence, 1003 S Clinton, St Johns.

The incident took place Sept 16 and it is believed the intruder gained entry through a window.

Members of the Clinton County Country Club honored Mr and Mrs Robert Hankey Saturday evening for their 25 years of service with the club as managers and greens-keepers. Helene and Bob Hankey appear here with club president Frank Sipkovsky who presented the couple with a plaque, cash award and lifetime memberships in the club.

Country Club honors Hankeys

ST JOHNS—Members of the Clinton County Country Club honored Mr and Mrs Robert Hankey Saturday night for the couple's 25 years of service. The recognition came during the intermission of the annual fall dance party, which was attended by 57 couples.

Frank Sipkovsky, club president, cited the Hankeys for their years of service and credited their efforts as providing the club the "finest greens of any club in the area." He presented the couple with a plaque commemorating their 25-year record followed by a cash gift of \$100 and a lifetime membership to the club.

In other events of the evening, the 2nd annual tug of war between Michigan

and Michigan State fans across the creek on number 9 fairway was won by the supporters of the Spartans. The win evened the score at 1 victory each as Michigan fans captured last year's initial pull. The event accents the theme of the fall dance and football penants

and flags decorated the dancing area.

Chaircouple for the event were Mr and Mrs Howard Gentry. Serving on the committee were Mr and Mrs William Chalmers, Mr and Mrs Virgil Zeeb and Mr and Mrs Mel Warren.

ROY L. DODGE—MICHIGAN GHOST TOWNS AUTHOR

Author of ghost town books to speak at library meeting

ST JOHNS — Author of 3 books about Michigan ghost towns, Roy L. Dodge, will be the guest speaker at the annual meeting of the Friends of the Bement Public Library, Thursday, Sept 27 at 7:30 pm in the St Johns Municipal Building. Dodge, moved to St Johns recently from Harrison and now resides at 400 N Morton.

The 1st volume of Michigan Ghost Towns was published in 1970 and 16,000 copies of 3 ghost town books have been published in the last 3 years. He became interested in Michigan ghost towns in 1954 while doing research for a book of his family history and discovered that both of

his parents were born in towns that no longer exist. The last product of Dodge's is a 301 page account of Upper Peninsula ghost towns, a book that required several months in the UP and more than 6000 miles of traveling to gather the material.

Know your mail boxes

Postmaster Keith A. Mishler today called on postal customers to familiarize themselves with the different types of collection boxes located in the city.

"Good mail service often depends upon the proper selection of a collection box for depositing letters."

The Postal Service is aware that the keys to good collection service are proper identification on boxes concerning the level of service afforded, and the collection of mail on schedule to help assure that national service standards are met," he said.

Postmaster Mishler said that all collection boxes in St Johns have a new, clear readable label located near the top of the box on the service shelf below the handle. "These labels clearly indicate pickup times and they refer the customer to the nearest collection box with a later pickup," he said.

Collection runs are scheduled in the late afternoon in business and residential areas where there are large volumes of mail deposited. Boxes on these arterial runs have a white star on each side of the box for easy identification by customers.

More than 30 percent of the street collection boxes are arterial with collections up to 5 pm. "These boxes are strategically located throughout the delivery area so that customers will not have to travel more than 1-1/2 to 2 miles from their home to a 'white star' box," he said.

"In residential sections," he said "letter carriers normally make collection from the neighborhood

collection boxes when serving the area."

The quantity of mail deposited at these locations is usually small and the service provided meets the needs of most residents. He pointed out that labels on the neighborhood boxes provide customers information on the location of

the nearest arterial, white star box affording later collection.

Collection schedules for Sunday and holidays are explained on the label.

Postmaster Mishler said that 5 additional 'St Johns Only' collection boxes had been placed next to the white

star boxes. "If customers place their mail for St Johns delivery, both city and rural, in these boxes it will be processed locally." "This will eliminate local mail being sent to the Lansing SCF for processing and returned the next morning for delivery," he said.

Susan Ilene Shoottz weds Michael Cole.

DEWITT -- Susan Ilene Shoottz, daughter of Mr and Mrs Russell Shoottz, 19480 Turner Rd, and Michael Steven Cole, son of Mr and Mrs Roy Cole Sr, 13411 Turner Rd, were united in marriage at Flint Congregational Church in St Johns on August 4. The Rev Carson officiated at the double ring ceremony before an altar decorated with white gladiolas, blue pumps, and baby's breath.

The bridal gown featuring an empire waist over an A-line skirt was of white Piel organza with chantilly lace. Her elbow length veil, secured by a lace and pearl trimmed Camelot hat, was of Piel Dulussion. She carried an arm bouquet of white roses, blue daisies, and baby's breath, accented with blue ribbon.

Serving as maid of honor was Pam Fox of DeWitt. Her other attendants were Lorie Shoottz, DeWitt, sister of the bride; Patty Shoottz, DeWitt, cousin of the bride; and Debbie DeBow, DeWitt. Melody Starks, Laingsburg, cousin of the bride, served as flower girl. Each wore a gown of blue and white flock nylon over blue satin featuring an empire waist, and wore a white lace hat with blue streamers. They carried arm bouquets of blue carnations, white daisies, and baby's breath.

DeWitt, were groomsmen. Joe Shoottz, DeWitt, cousin of the bride, served as ring bearer. Duane Shoottz, DeWitt, cousin of the bride, and Stan Lenneman, DeWitt, seated the guests.

Following the wedding, a reception for 200 guests was held at the DeWitt Memorial Building. Mr and Mrs John DeBow were host and hostess.

 We All Hate To Do The Paperwork... But **OUR PATIENT PROFILE RECORDS ARE AN IMPORTANT PART OF OUR PRESCRIPTION SERVICE TO YOU**

Patient Medication Records
 The law does not currently require the pharmacy to maintain or use Patient Medication Profile records. This Profile is like the patient chart used by your physician. It represents a personal and confidential record of your medication usage. It is an aid to your pharmacist so that he can better serve your health needs as related to his specialty knowledge and experience. Conscientious pharmacists concerned about your health and practicing "Pharmacy Care" do utilize Patient Medication Profile records. As an informed consumer, select your source of pharmacy services utilizing Patient Medication Profiles as one criterion - A MUST.

Darla Seelhoff, Barry Nethaway exchange marriage vows in Duplain

OVID -- On Sept 8, Darla Seelhoff, daughter of Mr and Mrs Norman Seelhoff, 2615 N Mid Rd, and Barry Nethaway, son of Mr and Mrs Charles Nethaway, 320 Prospect St, were united in marriage at the Duplain Church of Christ. The Rev Justin Shepherd officiated before an altar decorated by a combination of yellow and white gladiolas, roses, and carnations.

The bride chose a princess style gown of chiffon over satin featuring an A-line skirt extending into a chapel train edged with lace. Her elbow length veil was secured by a Juliet cap with beaded ribbon entwined in lace. She carried a colonial bouquet of white, carnations, lily of the valley, and mountain star centered with a cross of yellow roses. Mrs Chris Nethaway of

Elsie attended her sister as matron of honor. She wore an old fashion style gown of fern green featuring a neckline and long sleeves edged in lace, and a white picture hat accented with streamers of green ribbon centered with yellow roses. She carried a white lace basket filled with mint green roses, white carnations, and lily of the valley.

The groom. Each wore a gown of maize identical to that of the matron of honor. All wore a white picture hat accented with yellow streamers centered with mint green roses, and carried a lace basket of yellow roses, white carnations, and lily of the valley.

Bruce Powelson of Elsie served as best man. Groomsmen were Chris Nethaway, Elsie, uncle of the groom; Gene Nethaway, Gary Nethaway, and Danny Nethaway, all brother's of the groom; and Randy Shivley, cousin of the bride. Larry Hunt of St Johns; Dave Staplee of Laingsburg; Doug Long of Elsie, cousin of the bride; and Ron Nethaway of Elsie, cousin of the groom, seated the guests.

Troy Wooley of Elsie, cousin of the bride served as ring bearer. Immediately following the ceremony, a reception for 500 guests was held in the Ovid Veterans Hall. Host and hostess were Mr and Mrs Charles Daniels of Ovid. Following a wedding trip to Disney World, the couple will make their home at 7545 Mason Rd, Ovid.

MR AND MRS BARRY NETHAWAY

The bride is employed at General Telephone in Owosso. Her husband is employed at Fisher Body in Lansing.

by Mrs Beulah Ballantine, and Mrs Helen Judd, from material donated by Marie's Yarns, are being framed and hung in the pediatrics department.

Mrs Geraldine Niergarth, Mrs Lillian Tiedt and Miss Pauline Reed have been busy knitting garments to be sold at the gift counter.

The project "Meals on Wheels" is progressing satisfactorily. More help is needed for delivery service. The Auxiliary is sponsoring a Welcoming Reception for Dr Chun and his family. Dr Chun, a native of Thailand, has joined the St Johns medical staff.

Plans are being made for a Christmas theater party.

MR AND MRS RONALD McCARTY

Linda Ann Thelen is bride of Ronald McCarty

FOWLER -- On August 18, Linda Ann Thelen, daughter of Mr and Mrs Leo A. Thelen, R2, Fowler, became the bride of Ronald Craig McCarty, Trenton, son of Mr and Mrs Robert McCarty, Monroeville, Pa. Rev Father McDivitt performed the double ring ceremony at St John's Student Parish in East Lansing. Mrs Joretta Beck provided organ music.

The bride selected a Victorian style gown of chiffon embroidered white featuring a high neckline beaded to symbolize the double wedding band. The empire waist and short puffed sleeves were encircled with Venice lace. Her veil of imported silk illusion was edged with Venice lace and fell from a camelot cap to chapel length. She carried a colonial style bouquet of pink sweetheart roses and white daisies.

Rosanne Smith of Fowler served as maid of honor. Colleen Thelen, Fowler, was her sister's bridesmaid. They were attired in pink floral nylon gowns with empire waistlines and high

necklines. Each wore a large white hat and carried long stemmed pink roses.

Mrs Thelen chose a blue floor-length gown and had a corsage of white orchids. The groom's mother wore a lavender floor-length gown and also had a corsage of white orchids.

Alan McCarty of Monroeville Pennsylvania was his brother's best man. Donald Meissner of Lansing was groomsmen. Terry Thelen, brother of the bride, and John Egan of Lansing seated the guests.

Following the ceremony a reception was held at the Albert Pink Hotel in East Lansing. Special guests present included Mr and Mrs Leo Thelen, grandparents of the bride, and Mrs B McCarty, grandmother of the groom.

Following a honeymoon at Virginia Beach, Virginia, the newlyweds are residing in Trenton, Michigan.

The bride is a 1970 graduate of Lansing Business University. Her husband is a 1973 graduate of Michigan State University.

At noon they had a potluck lunch with Emily Davis and

Open Letter from VAN W. HOAG

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family.

The clergyman should be consulted in matters that concern him before any decisions are made.

Charlotte Crunches Redwings 13-0

CHARLOTTE -- It was a rough evening for the St Johns Redwings Friday night as they were out-muscled 13-0 by a large, fast Charlotte squad.

After a scoreless 1st quarter, Charlotte faked their way into the end zone. Charlotte came out of the

huddle in a field goal formation, but holder Phil Herrera flipped the ball 10 yards to Bill Peters for 6 points. The extra point was no good and the 1st half ended with Charlotte on top 6-0.

The rest of the scoring came in the 3d period when

Charlotte quarterback Bob McConnell kept the ball,

swept around right end and scored on a 4-yard run.

Chuck Carey kicked the extra point to give Charlotte

the 13-0 victory with no scoring coming in the rest of

the game.

The Redwings were held to a total of 75 offensive yards and only 18 of those came on the ground. Redwing quarterback Brian Pertler picked up 56 yards in the air, tossing to Marz Barz once for 28 yards, Ray Schueller, once for 5 yards and Jim Lynch once for 23 yards.

In the meantime, Charlotte picked up 161 yards on the ground and passed for 24 yards. The Redwing defense were successful in preventing Charlotte from staging an explosive offensive game, but the 5 and 6 yards at time they were allowed dominated the game.

The larger Charlotte line

was too much for the Redwings with a couple of the St Johns line positions outweighed by as much as 50-100 pounds.

Friday night will be another tough battle for the Redwings as they host Holt.

COACH ERNIE Becker said Holt is a very strong team, a team that scored 20 points against a tough Okemos defense this past Friday.

The week of practice prior to the Holt encounter will have the Redwings hoping to improve offensively with a stronger running attack and a more effective passing game.

Fowler pounds Webberville-- offense provides 32 points, defense holds to-33 rushing

WEBBERVILLE -- Fowler rolled to their 2d victory of the season Friday with a 32-0 shutout over Webberville.

The victory gives the Eagles 52 points in 2 games with their opponents yet to get on the scoreboard.

What little offense Webberville was able to throw at the Eagles came through the air.

Webberville's Don Griswold hit on 8 completions in 34 tries for 83 yards, but on the ground the Fowler defense held for a minus-33 yards.

With the defense turning in

a minus-33 yards performance, the Eagle offense was busy running for 295 yards and 32 points.

Bob MacKinnon scored in the opening quarter when he took the ball on a 4-yard run for 6 points. The pass for extra point failed and Fowler held a 6-0 lead.

Terry Thelen scored twice in the 2d quarter, the 1st on a 7-yard run. Again the passing attempt for the conversion failed.

Thelen's 2d TD of the period came on a 7-yard run. Once more the extra point attempt was no good, but

Fowler held an 18-0 lead at the end of the half.

John Pung provided the scoring punch in the 3d period when he went in from the 8-yard line. Thelen got back into the scoring action, running in the 2-point conversion.

The final score of the contest came in the last quarter when Lee Feldpausch charged in from the 4-yard line. The extra point was unsuccessful.

Terry Thelen led the Fowler offense with 98 yards

in 18 carries. John Pung carried the ball 11 times and piled up 78 yards with Bob MacKinnon racking up 60 yards in 10 carries.

Coach Steve Spicer praised the entire defensive game of the Eagles. In what could almost be an understatement, he said "the whole ball club did a good job."

Fowler's undefeated, unscored upon 2-0 record goes on the line in an away game Friday with Olivet.

Olivet is 0-2 for the season.

DeWitt nipped by St Pats

DEWITT--A last quarter offensive spurt by the DeWitt Panthers failed to materialize in a touchdown giving Portland St Patrick an 8-6 victory Friday.

Portland St Pats scored in the 1st period on a 4-yard run, capped by a 2-point conversion.

Al Brown put DeWitt on the scoreboard in the 2d quarter with a 3-yard touch-

down run, but the try for a 2-point conversion failed.

Then in the final period, DeWitt threatened to score, but an offside penalty hurt them on a 4th down with inches to go.

A well executed pass pattern found a receiver in the open on another scoring threat, but the receiver was unable to hold onto the ball.

P-W falls to Potterville

Pewamo - Westphalia Pirates fell to Potterville 28-14 Friday but, really, folks there's more to the story than the score.

A touchdown that wasn't a touchdown prevented the Pirates from tying or going ahead of Potterville in the 2d quarter.

Bob Nemeth and Nick Holloway scored touchdowns for Potterville in the opening quarter with Dale Long running a 2-point conversion for a 14-point lead.

Then in the 2d quarter, the Pirates scored on a 1-yard run by Gery Beachnau and Randy Walter charged across with the 2-point conversion.

LATER IN the quarter with the score 14-8, Randy Walter plunged into the line and was tackled and the play was blown dead. The only problem was Walter didn't have the ball--quarterback Pat Thelen did and he was in the end zone.

However, the referee's whistle was official and the touchdown didn't count.

Potterville added insurance touchdowns in the 3d quarter, adding 14 points to the lead.

In the final period, Pat Thelen threw to Randy Walter for a 20-yard touchdown.

Offensively the Pirates had 123 yards rushing and

Pat Thelen added another 78 yards hitting 6 completions on 16 passing attempts.

Walter hauled in 5 of the passes for 76 yards. Walter also rushed for 70 yards in 15 carries.

POTTERVILLE had 181 yards on the ground and picked up 49 in the air.

Gery Beachnau led the defense for P-W with 5 solo tackles and 17 assists.

Pewamo - Westphalia travels to DeWitt Friday night to take on the Eagles, who lost a close 1 Friday night to Portland St Pats 8-6.

Oh so close: Ovid-Elsie falls

Ovid-Elsie did everything but win the game Friday as Chesaning scored a 6-0 victory.

O-E picked up 208 total yards with 87 rushing and 128 passing and had 11 first downs.

Chesaning picked up only 98 total yards and 8 first downs.

Chesaning recovered a fumble on O-E's 35-yard line and with the help of a 15 yard mark penalty, picked up the only touchdown scored in the game early in the 2nd quarter.

O-E came close to tying the game with just 36 seconds left on the clock in the first half when linebacker Greg Martin intercepted an Indian pass and rambled to the Chesaning 4 yard line before he was caught from behind.

Three plays later, when the clock ran out, O-E was still on the 1-yard line.

Coach O'Donnell said "If we would have had one more time out left or a few more seconds on the clock we

could have changed the whole game around."

O-E ran all over the field until they got inside the Chesaning 20-yard line. Quarterback Perry Munson hit on 9 passes in 16 attempts for 128 yards.

Ted Geiger caught 5 passes for 72 yards and Dan Bowles was the leading rusher for O-E as he picked up 42 yards in 9 carries.

O'Donnell praised the defense as they held Chesaning completely except for the one TD drive.

Senior tackle Rob Nethaway led the defense with 9 tackles and 8 assists and Paul Tomasek had 9 tackles and 2 assists.

O-E will host Bullock Creek Friday night at 8 p.m. It will be Dad's night. Bullock Creek has 2 wins and no losses.

The O-E junior varsity lost their game to Chesaning 32 to 12. While the freshmen lost their opening game to the last 24 seconds 6 to 0. The freshmen will host Bullock Creek Tuesday at 7 p.m and

the junior varsity will travel to Bullock Creek Thursday.

Freshmen down Portland

PORTLAND -- The St Johns freshmen Redwings defeated Portland 32-8 last week, paced by Mark Geller's 3 touchdowns.

Geller scored once from the 35 yard line and picked up 2 more on passes of 37 and 26 yards from quarterback Jerry Bashore.

Geller piled up 81 yards in just 5 carries and Mark Barrett rushed for 84 yards.

Chad Beard also scored a run of 6 yards and Barrett also ran for 3 2-point conversions.

Bashore completed 5 of 12 passes for 117 yards. He had 2 touchdown passes to his credit and threw no interceptions.

As a team, St Johns rushed for 189 yards.

Defensively, Bob Dickman intercepted a pass and Alan Rennells blocked a punt which went out of the end zone for a safety.

Bath loses close game to Leslie

LESLIE--A fumble and a batted down pass on the extra point attempt spelled defeat in the final quarter for the Bath Bees Friday night.

Leslie won the contest with Bath 7-6 on a lone TD following a Bee fumble on their 15-yard line. Dennis Wright tossed to Larry Flannery and Cary Howard booted the extra point for a 7-point lead.

Bath struck back shortly after when Don Bass scored from the 1-yard line following a 44-yard drive by the Bees. When Montee Skorich attempted to throw for what would be the game winning 2-point conversion, the Leslie defense batted

down the ball and the ballgame for the Bees.

Ovid-Elsie area schools

Regular Meeting-September 10, 1973 MINUTES

The meeting was called to order at 8:19 pm by President Hill with the following members present: D. Hill, M. Green, F. Rivest, G. Webster, C. Bracey and R. Semans. Member Absent: R. DePond.

It was moved by M. Green and supported by F. Rivest to dispense with the reading of the minutes of the August 27, 1973 special meeting and approve them as printed. Motion carried.

It was moved by R. Semans and supported by C. Bracey to approve payment of the general fund bills represented by checks numbered 8386 through 8405 in the amount of \$61,084.50. Motion carried.

The general fund financial report was read and approved.

It was moved by M. Green and supported by R. Semans to give the O-E Courtyard Memorial Fund Committee permission to erect a plaque in the high school courtyard in honor of those students who had died during and after the construction of the new high school. Motion carried.

Superintendent Kenney shared with the Board members the results of the questionnaire on the Married Student Policy. The results were: 137 voting not to change and 71 voting to change.

Opening of school went without any major problems. The building administrators were present to fill in Board members on particulars in their own buildings.

It was moved by C. Bracey and supported by G. Webster to purchase one additional mini bus with the requirements that were needed. Motion carried.

It was moved by F. Rivest and supported by R. Semans to purchase twenty new IBM Electric typewriters for the High School Business Classes. Motion carried.

A discussion was held regarding the parking area behind the bus garage. It was decided by the Board to inform the contractor that we are interested in having the parking area crowned so that any water would move away from the building. Discussions were held on the amount of sand and gravel required for the base. It was understood that any gravel and sand base put down should be prepared so that it could receive blacktop at a future date. Superintendent Kenney will report the progress to the Board.

It was moved by R. Semans and supported by G. Webster to purchase a used piano for the East Ovid Elementary under the condition that it be satisfactorily examined by a piano tuner and also if the PTO picks up the other half of the cost. Motion carried.

Regarding the leasing of the Special Services Building in Ovid to the USDA, Soil Conservation Service, statistics are being gathered to aid in filling out forms for submission to the Federal Government.

Mention was made that the Fire Marshal did not approve the Colony School as a Day Care Facility. This facility would have been set up by the OEO and would have handled the needs for Clinton County.

President Hill then recognized the visitors, who were: Judith Leep, Vocal Music, Ovid Elementaries; Blaine Lentz, Principal, O-E High; William Case, Ass't Principal, O-E High; Nyal Fliegel, Principal, Ovid & Elsie Junior High; Howard Malitz, Principal, North Elementary; Hugel Leonard, Principal, East Elementary and Larry Nicholas, Principal, E.E. Knight & Bannister Elementaries.

It was moved by C. Bracey and supported by F. Rivest to adjourn the meeting at 10:09 pm. Motion carried.

Charles E. Bracey, Secretary

Synopsis of regular September meeting. All Board members present except Treasurer Kraft and Trustee Thingstad. Deputy Treasurer filled in for Treasurer.

Minutes of last meeting approved. Treasurer's report accepted and placed on file.

Bills allowed. Orders 187 thru 220 on Contingent paid; Orders 29 thru 31 paid on Cemetery Account.

County Commissioner made his report. Planning Commission Chairman reported on Planning Commission recommendations relative to Summer Lane request for 13 lots be approved; denied Al-Ashari request for Watertown Valley Subdivision and recommended rezoning request of Green Meadows Land Development Co.

Township Board approved Summer Lane request; denied Al-Ashari request

because of indefinite information relative to location of I-69 interchange and approved Green Meadows rezoning request.

Approved Green Meadows request for a new "A" permit and Dance Permit in conjunction with their business.

Arcadian Estates No 1 withdrew request for rezoning of their property.

New annexation hearing to be held January 22, 1974. Budgets submitted from Cemetery, Park and Planning Commission and Public Budget Hearing to be held October 29th.

It was also pointed out that since October 8th is a legal holiday, the next regular Township Board meeting will have to be set for October 9th, a regular business day.

Meeting adjourned. Herman F. Openlander, Supervisor Mildred F. McDonough, Clerk

Shepardsville

By Lucille Spencer

The General meeting of the United Methodist Women of the Shepardsville United Methodist Church was held at the church on Thursday evening, September 20.

Mrs Karl thanked the group for all the cards, gifts and calls she received while being confined with a broken heel bone.

There will be no suppers at the church this year due to high prices. Projects to raise money will be left to the planning committee. It was voted to keep our pledge as it was last year.

Election of officers followed: President, Mrs Karl Smith; V-President Mrs Francis Hall; Secretary, Mrs John Spencer; Treasurer, Mrs Robert Hebel, Sr; Chairman, Nominating Committee, Mrs Charles Walker; Departmental Secretaries: Spiritual Life, Mrs Dale Squiers; Missionary Education, Mrs Lee Swender; Social Concerns, Mrs Marion Walker; Program Materials, Miss Donna Hettinger; Social Church Responsibility, Mrs Lucille Pellow. The committees remain the same.

Mrs Francis Hall had charge of the Devotions. The Scripture reading was from the fourth chapter of John, verses 7-25 from the Living Now Testament. The meditation was on the how, when and where to worship, and was taken from a religious magazine. Mrs Darold Boyd, wife of the pastor, was the speaker for the evening. Her topic was on The Will of God for your Life. Intentional will of God means to put out all that is evil and unpleasant and all that is just and good is of God. Do not confuse evil with the will of God. Evil is brought on by man and he causes wars, diseases, poor housing, and injustice. Circumstantial will of God means that God is love and love implies the possibility of rejection. Christ's crucifixion was the will of evil men. It was God's will that Jesus be committed to the Cross and the Cross is a symbol of a triumphant ending.

Miss Josephine and Esther Long were recent visitors of Miss Cecilia Thelen.

Mrs Lula Boak was a dinner guest of Mr and Mrs Vernon Benjamin on Sept 12.

Talking about tenants

REP DOUGLAS TREZISE 87th District

Earlier this year Representatives in the House of Representatives began a new approach to the development of a legislative program. We divided ourselves into several task forces to study, in depth, some of the areas of greatest concern to the state of Michigan.

I am a member of the Consumer Affairs Task Force and it is one of those which is producing results. Three members of that Task Force went -- at our own expense, incidentally -- to Saginaw and Milford last week for public hearings on the subject of the landlord-tenant relationship in mobile home courts. More than 100 people attended and the testimony from both the tenants and park operators was very helpful.

These hearings prove again that there are at least 2 sides to every question and that, in this field as in most others, there are ethical operators and some who take every short cut possible. One thing seemed to come through most of the testimony. Tenants in mobile home courts are pretty much subject to the rules of the park, imposed by the owner and failure to obey those rules can result in eviction. The unfortunate thing is that there may be no other place to go. There seems to be more people interested in buying mobile homes and

locating them in parks than there are spaces to put them, so it is definitely a seller's market.

Some park operators apparently take advantage of that situation and impose high entrance and departure fees, require services be performed only by specified servicemen and impose a fee on others who are called to work in the park and adjust rents at will. The mobile home owner who has already invested a good sum of money in his unit has no place to turn.

Our task force will introduce a package of bills dealing with many aspects of mobile home living, including sales, financing and park standards as well as landlord-tenant relations. This legislation, plus tighter enforcement of the existing laws, would go a long way toward improving conditions.

But, "the law" can't do everything. I feel strongly there must be a greater concern for the problem within all segments of the mobile home industry. I'm sure it's a relatively small number of park operators who are creating the landlord-tenant problem, for instance, and perhaps pressure can be put on them by other operators and those involved in the mobile home business.

Since it is a seller's market, it would be good if the development of more mobile home parks could be encouraged. Competition would soon force unscrupulous operators to change their ways or be

faced with vacant pads. But, local zoning restrictions often limit the number of parks and there is a general reluctance on the part of many citizens at the prospect of more parks. This is due, I believe, to the reputation of mobile homes as being "second class" housing, stemming from the "house trailer" days and enforced by the tales of troubles with park operators.

The industry and government must both work to correct the ills and upgrade the reputation. This is a time of transition in the concept of mobile home living and our Task Force is helping government meet its responsibilities in that transition.

"If It Fitz . . ."

A target for anger

Editor, Lapeer County Press
By Jim Fitzgerald

Let's see. I think Le Thai Khuong has got to be it for today. He sounds like the kind of a jerk who would sell tickets to a massacre. Some days it's not easy being an angry young man. For 1 thing, there's my age. For another thing, there's the matter of priorities. What should I be angry about today? How angry?

I want my wrath to be worthy of its target, but I must beware of over-mad. I don't want to waste any giant snarls and sarcasms on tiny villains, and then come up empty, practically sweet, when suddenly faced with a reborn Adolph Hitler.

There is a limit to how much anger 1 man can spew in 1 day. And, once his mad is gone, he is liable to start smiling and smelling the flowers again. Fortunately, I was not grinning into a petunia when I read about Le Thai Khuong. Up until then, it had been a mild sort of a day and my anger had been used sparingly on such semi-disastrous things as the stupidity of the British people for providing free feed for Princess Anne and her horses. There was plenty of really nasty mad left for Khuong.

Le Thai Khuong is chief of tourism for South Vietnam. He is promoting his nation as a resort area and envisions the day when tourists will bring in an annual income of \$100 million. He is advertising his country with posters featuring a sexy Vietnamese girl under the slogan:

VIETNAM — YOU'VE HEARD ABOUT IT; NOW SEE IT

How about that? C'mon over and see where all your bombs dropped. See the rubble and shell holes where the peasants died. Watch the orphans scrounge in the garbage cans. Stand on the spot where the boy next door was killed.

I know a young man who certainly has the time to respond to the siren call of the Vietnam tourist bureau. Except it is difficult for him to travel. He can't walk. He can't talk, either, and he can't see very well. He can't feed himself. As a tourist, he'd be a real drag.

But he's already been to Vietnam anyway. That's how he got that way.

Ah, yes. We've all heard about Vietnam. It received free advertising on all the front pages - and obituary pages. Now some huckster named Khuong wants to make a buck out of that bloody notoriety. So I say I am angry with him.

But the tourists throng to Pearl Harbor and other Pacific bloodmarks. They have picnics on Civil War battlefields, in the shade of the monuments, and they stroll along the shores of Normandy, eagerly eyeing the debris of D-Day.

If some guy were selling tickets to a massacre, he'd probably fill every seat and jam the aisles. It is a sick world wherein there is glory in people killing each other proving who is king of the mountain.

My most terrible anger should be aimed at you and me.

Heart of the system

For the first time in memory—at least in peacetime—US consumers have been faced with the prospect of not being able to have all they want of certain necessities and luxuries they may wish to buy. They face shortages in such things as food and energy. There is, as yet, little public understanding of the dangers implicit in permitting shortages to undermine in any way the efficiency and productiveness of the competitive enterprise system.

People wonder, for example, why companies continue to advertise and promote their names and their products or why they continue to seek more satisfied customers. The answer is simple. Even when there are shortages, in fact especially when there are shortages, retailers and businesses of all kinds must work harder than ever before to maintain the economies of scale flowing to consumers from mass production and mass distribution. Only the most shortsighted, to use an illustration, will use shortages as a lever to kill promotion and advertising, which are the foundation of the high volume movement of goods—that means the lowest possible prices to consumers for everything from groceries to gasoline. Those who look with something akin to glee at the prospect that shortages will force businesses to forgo promotional efforts show the least understanding of our modern mechanism of production and distribution. The best possible news is that retailers of all kinds—gasoline and food, for instance—continue to offer such inducements as trading stamps. Even if a service station cannot fill your tank or a merchant runs low on certain items, he makes it clearly evident through the giving of those little pieces of paper that are redeemable for valuable merchandise that he appreciates the patronage of his customers.

This is the heart of the American system, and it would be a sad day indeed for everyone if the time should ever arrive when the American businessman no longer feels compelled to boost his product and please his customers. These are the factors that, in the long run, are vital to the perpetuation of a high living standard.

A PERSONAL LOOK AT THE NEWS

Between the lines

with Jim Edwards

Last week was 1 of those "nothing went right" weeks. My luck was running so bad, if I had won a million dollars, the national currency would have been changed to Ostrich eggs.

I knew it was going to be a bad week before it really got a good start.

There are certain warnings that warn one, when things aren't to go well for awhile.

YOU CAN TELL IT AIN'T YOUR DAY WHEN:

... You hop out of bed and a sensation on the bottom of your foot reminds you there's a new puppy in the house.

... The car starts, but it also has a flat tire.

... After hurrying for work, the police officer explains that you really shouldn't leave your drivers' license at home.

... The boss congratulates you on the fine job you did on a certain project but adds, "Of course, it should have been a good job with the amount of time you spent on it."

... The heels fall off both your shoes.

... Your favorite meal is the special of the day, but when you order, the waitress explains it's all gone.

... You discover an important letter in your coat pocket. It was supposed to be mailed 3 weeks ago.

... Your wife calls to explain that the

family should eat out -- that will give the house a few hours for the smell of smoke to go away.

... Late in the afternoon, you pause for a big stretch, and pull 7 muscles in your back.

... That refreshing gulp of coffee turns out to be a cup that's been sitting for 4 hours.

... Your car keys fall into a sidewalk grating.

... Instead of receiving what was supposed to be a tax return, the letter says the IRS would like to see you in their office at the earliest convenient date.

... The mechanic asks you to sit down before he tells you what's wrong with the car.

... The game of the season is on Monday night football and, as you sit back to enjoy it, the picture tube blows.

... You can't watch the game, so you decide to finish that book you've been reading. You get to the last 2 pages, and somehow, they've been ripped-out.

... Aw, the heck with it. The best way to end a bad day is with a hot shower. The blast of cold water tells you the hot water's all gone.

... As you crawl in bed and you can feel sleep less than 30 seconds away, your bright and cheerful wife pops in the room with, "Well, how did your day go today?"

Wacousta

Ed Kraft has returned home after more than three weeks stay in Lansing General Hospital.

Mrs Almada Spencer is a medical patient in St Lawrence Hospital.

Charles Shultz former Wacousta area resident on Herbison Rd passed away at his home in Manton, Monday. Masonic services were held Wednesday evening at Rummels Funeral Home in DeWitt. Funeral services were conducted in DeWitt, Thursday afternoon. He was a member of the Wacousta Masonic Lodge #359.

Mr and Mrs Harry Webber of Wacousta have purchased Krafts General Store from Mr and Mrs Edward Kraft. The Krafts have owned and operated the store for the past 28 years. The store is to be known as the Wacousta General Store. Mr Kraft is keeping his Lawnmower Sales and Service. Barbara Rose is the New Manager of the Wacousta General Store. Mrs Josephine Husted is shut in with a sprained ankle.

Back Through the Years

ONE YEAR AGO

Sept 27, 1972

Police are continuing their investigation into the robbery of Deans Hardware in St Johns Sunday night where thieves carted off over \$3600 in merchandise including a large quantity of firearms and ammunition.

In a swiftly conducted half hour session Monday night, the St Johns City Commission gave the firemen a pay raise and accepted 2 Planning Commission recommendations but took no definite action.

The ten Clinton County Post Offices will become part of area mail processing, one of the newest innovations of the US Postal Service on October 1, 1973, it was announced last week by Postal officials.

The McGovern - Democratic Campaign Headquarters held their grand re-opening Saturday Sept 9 at 1 pm. The headquarters is located in the Steel Hotel in downtown St Johns. Hours for the headquarters are Mondays, 1-6 pm, Fri 1-9 pm, Sat 10 am-4 pm.

TEN YEARS AGO

Sept 26, 1963

This month marks a significant anniversary for L.W. Wolf of St Johns. He begins his 50th year of active service in the banking field.

Seventy-seven pints of blood were collected by the Red Cross Bloodmobile at Elsie and Ovid Tuesday afternoon, according to Mrs Richard Newman, county bloodmobile chairman, who described the turnout as "pretty good".

With the final dedication exercises of St Johns' new Masonic Temple scheduled for Saturday, Oct 5, local Masons are urged by the committee in charge to help out with final construction and equipment details.

Clinton is going to be a "boom" county from Oct 1 until the end of the year. And we don't mean it's going to have a sudden rise in wealth. The Strategic Air Command announced this week that supersonic training flights by B-58 "Hustler" bombers will begin Oct 1, following a route from Adrian to Bayshore, Mich, on the shore of Little Traverse Bay.

25 YEARS AGO

Sept 23, 1948

St Johns' city commissioners voted unanimously at their meeting Tuesday night to make a protest to the state highway department regarding the re-routing of US 27 down South Whittemore Street within the city limits.

One night's "fun", during which they smashed windows in three Clinton county schools and committed other depredations, cost four Owosso youths \$803.43 Friday morning. In addition Circuit Judge Paul R Cash and Probate Judge Jean Corkin meted out six months probation to each of the four offenders. With the initial registration period of 20 days

completed Saturday, Mrs Myrtle Zavitz, local draft board clerk, reported that 1350 Clinton county young men were registered during that time.

Checks totaling \$121,593.76 went out this week to Clinton County school district treasurers from County Treasurer Lee Bissell. The money represents the

districts share of the first payment of state primary school funds and of penal fines collected in the county.

Joseph Mazzolini, son of Mr and Mrs Bruno Mazzolini, has arrived in New York City with the Los Angeles Opera Co. The Opera Co is playing a five month engagement at the Ziegfield theatre.

TODAY'S Real Estate
by HANK FURMAN

To own land is to feel yourself established in a community. And no matter how much or how little the amount of land, just knowing that there is a spot you can call your own can be tremendously reassuring. It is interesting to note that countries, too, own property. The world's largest landowner, in fact, is none other than the United States. This country owns approximately 761,301,000 acres. These are valued at \$78,813,000,000!

And just knowing that FURMAN REALTY CO, 1515 North U.S. 27, 224-3236 takes a genuine interest in meeting your complete real estate needs, whether you are buying or selling, can also be reassuring. When you list with us, we will use our knowledge and experience to insure that you receive full market value for your property. Open: 8:30-5 Mon-Fri; 9:30-3 Sat; & by app't.

HELPFUL HINT: If you own land or plan to buy, be sure to check with your community zoning laws.

4-H Chatter

By JOHN AYLWORTH

"4-H Gets It All Together" is the theme of this year's National 4-H Week promotion October 7-13 with a total of 1511 4-H members in Clinton County celebrating this special week. The members will be participating in activities and exhibits during National 4-H Week to tell the public and prospective 4-H members about the 4-H (head, heart, hands and health) program; also to recruit more volunteer leaders; recognize the support of parents and to honor 4-H friends.

In 1973 Clinton County's 1511 4-H members were enrolled in 88 local clubs throughout the county. They were assisted by 334 volunteer adult leaders and 175 teen leaders in participating in over 100 different projects. The main projects include clothing, food, knitting, vegetables, flowers, horses, cultural arts and conservation. Newer project areas with growing interest include cake decorating, ceramics, jewelry, decoupage, snowmobiling and others. Projects offered by a club depend upon the leadership

available to work with the youth.

Although the major part of the 4-H program is project work, projects are not the whole story in 4-H. Clinton County 4-H members have fun, go to camp, take special trips, participate in county and state activities, exhibit at the County Fair, earn scholarships and awards, work with younger members, enroll in leadership and citizenship programs and discover new and interesting ways to enjoy life while living it.

4-H is open to any youth who will reach their 10th birthday by September 30, 1974 and have not graduated from high school. There has been some talk of lowering the age limit but not this year. A number of new clubs are being organized throughout the county to reach the needs and interest of more youth who want to belong to this active and interesting program. The 4-H year is October 1, 1973 to September 30, 1974.

4-H has the image of being for farm youth only despite all the publicity that 4-H is open to all youth whether they live on the farm or city.

The county enrollment of 1511 members show 682 youth are from the farm and 829 youth are enrolled from rural non farm and town areas. Many people still see the 4-H image as the boy leading the steer into the show ring, the girl bent over the sewing machine and the kids growing a vegetable garden. Yes, this is 4-H and it is a good image but 4-H is more than this by looking at their other projects such as woodworking, photography, snowmobile, cultural arts, home furnishings, babysitting etc. Also 4-H'ers are busy doing and learning about consumer buying, commodity marketing, community service activities, helping the underprivileged and fighting pollution, drug usage and diseases. 4-H'ers are doing these things and many more.

If you or your children would like to be involved in this active 4-H youth program, you are urged to contact the County Extension Office at 1003 South Oakland Street, St. Johns, 224-3288, for more information.

I have received a letter

the Fowler area with M-21 and Wright as the dividing lines. The four organizational leaders are: Gertrude Arnes — Northwest area, Judy Bozung — Northeast area, Nancy Meyers — Southeast area and Joan Bancroft — Southwest area and the village of Fowler. Anyone interested in joining 4-H should contact the leader in their area. The leaders indicated they would like to have enrollment completed by October 6. Each club has a number of projects available for members to sign up for this fall. When enrollment is complete the groups will be getting together, electing officers, selecting a club name and planning their program of activities and events.

The Bengal Community 4-H Club will have their fall enrollment sign up on Monday, October 1, 7:30 pm at the St. Johns Junior High School Cafeteria. Projects to be offered include clothing, knitting, handicraft, leather and leisure education. Anyone interested in joining this club should be present or call Marie Thelen 224-3603 before the meeting.

The State 4-H Youth Week as it has been called is now history as this state 4-H activity has been dropped due to a drop in attendance over the past few years. The State 4-H Youth Week, usually held in June was switched to July when the 4-H Exploration Day Program was set up in June. However, something will replace youth week but at a different time and probably in a different form.

Raw soybeans for cow rations

By WILLIAM LASHER
Extension Agriculture Agent

The relative merit of raw soybeans versus soybean meal is influenced by the level of concentrate feeding. When a concentrate to roughage ratio of 3:1 was used, cows fed soybeans produced less milk of lower fat content than cows fed a similar diet containing soybean meal. When the concentrate to roughage ratio was reduced to 2:1, milk production and fat content were similar to the two sources of protein supplement. What this means to most dairy farmers is that you can replace soybean meal with raw soybeans pound for pound in your ration.

In summarizing studies conducted in Michigan, North Carolina and Arkansas I reached these conclusions:

---Cooking or heat processing does not improve the digestibility of the protein or dry matter in the ration of cattle.

---Cattle fed raw soybeans performed equally as well as those fed heat processed soybeans.

---Raw soybeans can replace soybean meal when price relationships are favorable.

---The benefits of heat processing do not justify the additional cost.

Raw soybeans cannot be

mixed with feeds containing urea, because an enzyme in the beans releases ammonia and causes the feed to become unpalatable.

Flowing grain or a collapsing pocket of bridged grain in a bin can pull you down under the surface faster than quicksand.

In flowing grain, a 200 pound man can sink to hip depth in less than five seconds. Body drag prevents him from pulling free and he can sink farther into the grain until he suffocates.

I would urge extreme care around grain storage and handling areas, because flowing grain acts like a fluid and can quickly draw a man under it.

The best piece of clothing you can wear in a grain bin is rope. It can keep you from sinking out of sight in the case of collapsing grain.

Ag market outlook: dairy, cattle, hogs, eggs and grains

EAST LANSING—A recent hearing led to higher federal milk order prices for dairymen, reports Michigan State University dairy economist Glynn McBride.

The hearing Aug 28 was in response to a possible national shortage of milk. Following is the complete

dairy picture and forecast for other commodities, according to Michigan State University agricultural economists:

DAIRY—With animal feed scarce and high-priced, many dairymen were curtailing milk production. Some were leaving the dairy

business altogether. Continuing decreases in milk production for several months signaled a possible shortage of milk in the coming months.

To encourage dairymen to increase the milk supply, the federal order hearing was held to consider changing the

order regarding the price of milk. The result is an increase of about 60¢.

Here's how the pricing works: The usual procedure is for dairymen to receive the price that manufacturers were paying 2 months previously for milk for processing. For example, if manufacturers pay \$6 per hundredweight in January, the basic formula price will be \$6 per hundredweight in March. According to the emergency hearing decision, there won't be the usual 2-month price lag, so the current basic formula price will be used.

The July basic formula milk price was about \$5.80; the September and October price will be about \$6.40 — a difference of about 60¢. The November 1973-June 1974 price will be about \$6.90.

Public hearings are the established method of setting the price farmers will receive for milk under a federal order, McBride explains. Often, it is several months after the hearing before the price is set. This time, the decision was made in less than a week.

EGGS—Egg prices have risen somewhat more than feed prices, so MSU economist Henry Larzelere anticipates poultry farmers may increase the hatch of egg-type chicks. When these flocks begin to lay eggs, prices could decrease somewhat.

The July hatch was up 5% from a year ago, and 8% more layer-type eggs were in incubators on Aug 1 than the year before.

Another hint at increased egg production: farmers were culling (taking out of egg production) less hens in August than they were in August 1972, after heavy culling this June and July.

Wholesale distributors in Detroit paid about 70¢ a dozen for Grade A large eggs in August. Egg producers received prices in the mid-60s. However, egg prices dropped significantly in early September.

Egg production and the number of layers on farms continue 6-7% below 1972 levels. Frozen eggs on hand were about half the supply on hand Aug. 1, 1972.

Farmers whose flocks start to lay in October 1973 will receive about 4¢ a dozen more in blend price for all eggs than they did for flocks starting to lay a year ago. However, the eggs of these new layers will likely bring less than flocks starting to lay earlier in 1973.

CATTLE—Contrary to expectations, beef shortages weren't critical in the few weeks before the Sept 12 price ceiling lift, reports MSU ag economist George Dike. Farmers with heavyweight animals began to slaughter more cattle recently; they were concerned that large-volume

marketings after Sept 12 might bring prices down. Also, the consumer panic meat-buying spree has cooled. This decrease in demand tended to lower prices somewhat.

Dike cautions that lower slaughter prices won't necessarily mean lower retail prices. Now that the price ceiling is removed, middlemen in the meat industry can raise their prices to meet increased costs; this cost increase could be passed on to the consumer at the retail market.

On the other hand, increased supplies and the fact that fewer consumers are "panic buying" may be enough to lower prices at the retail level.

Dike says that choice slaughter steers will likely bring prices in the low 40s before the end of 1973, followed by a gradual increase to the low 50s by mid-summer 1974.

HOGS—Increased beef supplies and less consumer meat-buying power could mean lower pork prices in 1974, says MSU ag economist George Dike.

Changes in hog production depend on hog farmers' expected costs of production. If feed supplies are short and the federal government allows large volume exports of the new feed crop, costs may be too high for hog farmers to expand production, Dike explains.

However, an expected large corn crop this season and an even larger one in 1974 would mean lower production costs, so farmers could increase hog supplies. The final 1973 feed crop report will be a significant planning figure for pork producers.

If farrowings (piglet births) are increased soon as expected, hog producers' profits could be small in the last quarter of 1974.

CORN—Don't let a downward price movement "psyche" you into impulsively selling or forward contracting, cautions MSU ag economist Henry Larzelere.

Recent wide fluctuations in corn price several days in a row have forced those in the trade to protect themselves by wider margins. The best time to sell or negotiate, then, is likely during a few days of fairly stable prices, if possible, Larzelere suggests.

The Sept 11 crop report shows the expected corn harvest to be 4% more than the 1972 crop.

SOYBEANS—The new soybean crop is beginning to be available for processing, which lessens the pressure of a short supply, according to Larzelere.

Forward contract prices for soybeans early in September in central Michigan were about \$5.65 per bushel. A year earlier, prices were

about \$3 per bushel. Soybean meal prices eased during early September to about \$178 per ton (FOB Decatur for 44%).

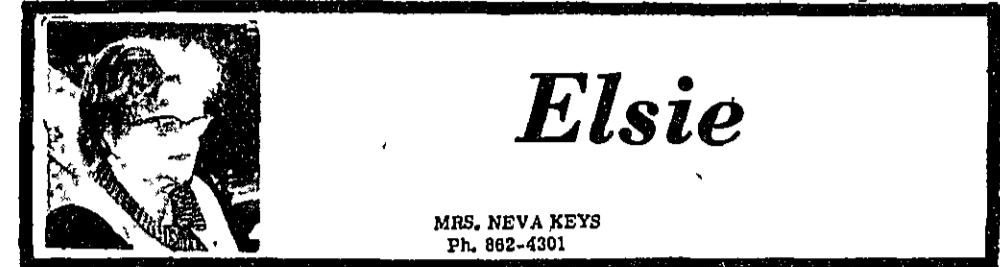

DRY BEANS—Small supplies and strong consumer export demand could mean navy bean prices of \$12-\$13 per hundredweight early in the marketing year, according to MSU ag economist Marvin Hayenga.

The Sept 1 crop report showed a Michigan crop of dry beans down 18% from last year. Demand continues to increase, as consumers seek lower-priced protein substitutes.

Dry beans brought extremely high prices this summer, due to a short-run consumer reaction to high meat costs. As meat supplies increase, the demand for beans could lessen. Export demand, however, will continue strong during 1974.

WHEAT—For the first time since January, there appears to be a price difference between white and soft red winter wheat. At the end of August, the paying prices for white were about 10¢ more per bushel than for soft red winter, reports Larzelere.

The price difference may be due to much greater undelivered export sales of white than soft red wheat, although supplies of soft red are down more than white wheat from year earlier levels.

Clinton County Board of Commissioners proceedings

Tuesday, August 7, 1973

The Clinton County Board of Commissioners met Tuesday, August 7, 1973 at 9:00 A.M. Prayer was offered by Ernest Carter. A pledge of allegiance was given to the flag. Roll call was taken and a quorum reported. Present were Derrill Shinabery, William Hufnagel, Harold Martin, Maurice Gove, Harold Gilson, Duane Chamberlain, Roger Overway, Dyle Henning, Alta Reed, Virginia Zeeb and Gerald Shepard. Also present were Betty Minsky and Jim Edwards.

Minutes of the July 17, 1973 meeting were presented. Zeeb moved, supported by Shepard, to approve the minutes as corrected. Voted and carried.

Communications:
1. A request by the District Manager of the Social Security Department for consideration of available office space in the Court House was read. The request was referred by the Chairman to the Property Management Committee.
2. A request by the St. Johns City Commission for consideration of the City placing a bicycle rack on County property at the end of Clinton Avenue was presented. Chairman Shinabery referred the matter to the Property Management Committee to meet with the City to effect an agreement. Shepard moved, supported by Gove, to grant the Committee power to act in the matter. Voted and carried.
3. A "Thank You" note from Commissioner Hufnagel was read and placed on file.

4. A letter from Gerald Graves, Mayor of the City of Lansing, urging County support for Lansing Metropolitan Development Authority was also read and placed on file.
5. A letter from J.M. Roche, National Chairman of the National Guard, was read. He stresses the importance of the National Guard program and urges that proper consideration be given to preserving the job status of those participating in the program. A statement of support for the Guard and Reserve Programs was enclosed. Shepard moved, supported by Martin, to sign the document. Voted and carried.

The following Resolution from the Michigan Northern Counties Association was read:

RESOLUTION

WHEREAS, the Michigan legislature appropriated, in the 1973-74 budget, 725.8 Million, Michigan Tax Dollars for welfare, the said sum to be matched by the Federal Government, making a total Welfare expenditure in Michigan of 1.452 Billion Dollars and

WHEREAS, this sum represents an increased Welfare expenditure in 1973-74, in Michigan of 168 Million Dollars, and

WHEREAS, Michigan is one of eight States that pays welfare to strikers while on strike and requirements make it easier each year to receive Welfare.

THEREFORE, be it resolved that this county opposes any further increase in Welfare expenditures and respectfully requests the Governor and the legislature to take the following action.

1. Decrease the total Welfare expenditure in Michigan.
2. Make strikers ineligible to receive welfare, while on strike.
3. To vigorously enforce all restrictions, to search out and remove all fraudulent claims.
4. To demand that prosecuting attorneys vigorously enforce all child support court orders to reduce the aid to dependent children load.

Reed moved, supported by Hufnagel, to concur and sign the resolution. Voted and carried.

Henning reports the collections of delinquent support from fathers of dependent children has approximately doubled during the past year with the advent of special prosecutor, Pat Joslyn.

Commissioner Shepard introduced James Hearn newly appointed Director of the Office of Economic Opportunity for this area.

Chairman Shinabery introduced Fred Lewis newly appointed Judge for the 65th District Court. Judge Lewis has reappointed the present Court personnel. He asks that the

appointments be confirmed. There were no objections. Chairman Shinabery declared the appointments confirmed as presented. Judge Lewis expressed appreciation for the consideration shown him. He seeks the cooperation and support of the Board.

Chamberlain introduced newly appointed County Extension Director James Pelham. He spoke of his pleasure at being assigned to Clinton County and reviewed his past assignments and experiences. He seeks the cooperation of all concerned.

Donald Lowell, a director of Lansing Metropolitan Development Authority, introduced Roland Ledebuhr president of L.M.D.A. and Ray Steeb, Executive Director. They passed out brochures and reviewed the functions, accomplishments and objectives of the organization. They seek interest and participation as well as financial support. They are suggesting a contribution of \$5,000.00. Discussion followed. Mr. Steeb expressed appreciation for the time and courtesy shown them.

The Board recessed at 10:30 A.M. Upon resuming session Hufnagel reported a request from the Zoning Department for two (2) new desks. The committee will consider the request.

Shepard moved, supported by Reed, that a imprest cash account in the amount of \$200.00 be established in District Court for the purpose of paying witness fees. Voted and carried.

Gove reports on Civil Defense matters. Certain Federal matching funds are in jeopardy at the present time. Action on the matter was deferred at this time.

Paul Freel of Tri-County Regional Planning Commission passed out County and Regional Facts Booklets. William Lasher, County Agriculture Agent, reviewed the facts as they relate to Clinton County. Mr. Freel then reviewed the Clinton County Community Profile and Data Book as prepared by T.C.R.P.C.

Rev. Richard Anderson who works with drug abuse program thru the Mid-Michigan Mental Health Center presented for consideration a resolution which will designate the Mid-Michigan Health District as the local co-ordinating

agency for the county. The Board recessed for lunch at 12:15 P.M.

P.M. SESSION

The meeting was again called to order.

(Continued on page 10B)

TO THE GAS CUSTOMERS OF CONSUMERS POWER COMPANY NOTICE OF HEARING ON MOTION FOR PARTIAL AND IMMEDIATE GAS RATE RELIEF

On April 18, 1973, Consumers Power Company filed an application with the Michigan Public Service Commission with supporting testimony and exhibits in Case No. U-4331, which requests authority to amend its gas rates so as to increase its gas revenues by approximately \$50,400,000 on an annual basis and, at the same time, Consumers Power Company filed a Motion for Partial and Immediate Rate Relief which seeks authority, on an interim basis, to amend its gas rates so as to increase its gas revenues by approximately \$33,729,000 on an annual basis. On August 27, 1973, Consumers Power Company also filed a Motion for Partial and Immediate Rate Relief in its pending electric rate proceeding, Case No. U-4332. At the hearing hereinafter noticed, the motion for partial and immediate electric rate relief, Case No. U-4332, will be heard concurrently with the motion for partial and immediate gas rate relief, Case No. U-4331. In its motion, Consumers Power Company has stated that substantial increases in the cost of capital, gas, taxes, wages, equipment, materials and supplies have had a serious adverse impact upon the earnings level of its gas business and that it has not been able to attain the level of earnings in its gas business found to be reasonable in the prior gas rate order of the Michigan Public Service Commission.

The Michigan Public Service Commission has scheduled a hearing on the motions for partial and immediate rate relief filed in Case Nos. U-4331 and U-4332 and has ordered that notice be given that:

A. A public hearing on Consumers Power Company's motions for partial and immediate gas and electric rate relief will commence at 9:30 a.m. on October 8, 1973 in the offices of the Commission, Law Building, Lansing, Michigan 48913, and will continue, if necessary, on the succeeding days of the

week of October 8 at the same location and at such time as shall be determined by the presiding officer until the matter has been fully heard.

B. The parties who have already intervened in the above-entitled proceedings shall be entitled to participate as parties in the hearing on Consumers Power Company's motions for partial and immediate rate relief. Any additional persons or entities seeking to intervene for the purpose of participating in the hearing on the motions for partial and immediate rate relief shall file with the Commission, five (5) days prior to October 8, 1973, an original and eleven copies of the petition to intervene with proof of service upon Consumers Power Company and the other parties to this proceeding. A service list can be obtained from the Secretary of the Commission, Law Building, Lansing, Michigan 48913.

C. The interim rate increases described in this notice have been requested by Consumers Power Company. The Michigan Public Service Commission may either grant or deny the requested increases, or may grant lesser or greater increases than those requested.

Jurisdiction of the Commission in this matter is pursuant to Section 4 of Act 419, PA 1919, as amended (MCLA § 460.54); Sections 4, 6 and 6a of Act 3, PA 1939, as amended (MCLA §§ 460.4, 460.6, 460.6a); and the Commission's Rules of Practice and Procedure, 1954 Administrative Code, as amended, No. 54, R 460.11 et seq.

A summary of the proposed interim rate changes showing the requested increases by classes of service in terms of dollars and percentage is set forth below:

Summary of Proposed Interim Gas Rate Increase

(Continued from page 9B)

resolution. Voted and carried.

RESOLUTION

A resolution to reaffirm the civil defense "Basic" Clinton County Emergency Plan on file with the Clinton County Clerk, dated December 15th, 1970, and to add to it ATTACHMENT A, Line of Succession, Clinton County Government.

WHEREAS, the Emergency Services Division, Michigan State Police, requires the updating of the "Basic" Plan every two years, and now includes in addition the attachment of the "Line of Succession" of Clinton County Government Elected Officers as set forth by Act 203, Public Acts of 1959, Section 6, as a part of the "Basic" Plan, and

WHEREAS, we the Clinton County Board of Commissioners are of the opinion that the Basic Plan, on file, is fully adequate in meeting the necessities of today, we

THEREFORE, reaffirm our support to said plan and approve the addition of ATTACHMENT A as a part of the plan.

BE IT FURTHER RESOLVED, that a copy of this resolution be attached to the Clerk's file copy and to all subsequent copies.

The advisability of continuing the position of Civil Defense Director on a full time basis was discussed. A joint meeting with governmental units within the county will be arranged.

Henning moved, supported by Zeeb, to approve the resolution, on designating the Mid-Michigan Health Office as the coordinating agency. Voted and carried.

RESOLUTION

WHEREAS, alcoholism and drug abuse programs have been administered through different public agencies, and

WHEREAS, Public Act 568 became effective July 1, 1973

for the purpose of coordinating the various substance abuse programs, and

WHEREAS, Public Act 568 provides that the Michigan Department of Public Health be the coordinating agency, and

WHEREAS, Public Act 568 requires that the Board of Commissioners in each county designate a single local agency to coordinate substance abuse programs within each county, and

WHEREAS, the Mid-Michigan Public Health District has been involved in these programs during the past three years.

THEREFORE, be it resolved that the Clinton County Board of Commissioners designate the Mid-Michigan Public Health Offices as the local coordinating agency.

Commissioner Zeeb reported that Dr. Aurang is resigning from the Mid-Michigan Health Department, September 1, 1973. The State Health Department is recommending the employment of a business manager. Shepard moved, supported by Zeeb, to request the Mid-Michigan Health Department to make tests for pollution at Park Lake as soon as possible. Voted and carried.

A series of meetings will be held on H.B. 5055 (Land Use Bill). A public hearing will be held in Lansing, August 15, 1973. Chairman Shinaray urges the Commissioners to attend one of these meetings.

Chamberlain reported for the Land Use Committee. Zeeb reports that a preliminary survey of the heating and air conditioning system will be available soon. The stand-by generator is still not ready for use.

Zeeb moved, supported by Chamberlain, to adjourn at this time and to meet again September 4, 1973 at 9:00 A.M. Meeting Adjourned.

Duplain youth attend retreat

Duplain Church of Christ Junior and Senior Youth spent the past weekend in Mecosta County in a primitive and secluded retreat area.

Twenty-eight teens with 7 adults led by the youth minister, spent the weekend with Bible study games and hikes.

They also planned the youth's Bible study and social events.

The same group recently spent a Saturday canoeing on the Chippewa River.

Duplain Church youth will be hosts Sept 16 at 7 pm to the youth of St Johns who will present a musical at the church.

The church is located at 5565 Colony Rd, rural St Johns.

Family group therapy

By Jose J. Llinas, MD
Director of Community Mental Health Clinic,
Eaton and Ingham

Group therapy, the counseling of people in small groups of 6 or 8 clients and one or two trained therapists is a very useful technique for helping people with emotional problems.

In the last 20 years or so this specialized field of treatment has grown and branched out into a number of useful variants.

One of them is the treatment of entire family units, either as a single unit or more frequently, in a small group of 4 to 6 different families.

Why is this treatment effective? ONE GOOD ANSWER I heard recently, and would like to pass along to you, occurred at a meeting of the American Group Psychotherapy Association, the national professional

society of group therapy specialists.

Ruth S. Millar, a psychiatric social worker at York Woods, the children's treatment center at Ypsilanti State Hospital, reported on her experiences with the families of 8 adolescents treated at the hospital.

"The youngster who is sick enough to be hospitalized", Mrs. Millar explained, "has usually been seen by other mental health personnel or juvenile authorities; families have usually been unwilling to become involved."

These young people and their relatives are generally frightened, guilt-ridden and without hope.

They need help to put themselves and future possibilities into a more positive light before any

wholesome changes can be expected.

THE SIX adolescents, three boys and three girls, ages 16 to 17 were all from Negro families of inner Detroit, all of them in the lower income bracket. The families were large, involving siblings, extended family members, and even friends and neighbors who sometimes attended the group meetings.

The length of hospitalization of the adolescents varied from one and one half to six years; their parents had been labeled "hostile" or "uncooperative" by the agencies with whom they had had contact.

Undaunted by such opinions, which usually are a comment more on agency personnel than on the families themselves, Mrs. Millar met with them once a week for 2 hours, for a period of 6 months.

The youngsters and the therapist traveled by bus the 50 miles into Detroit, where the group meeting was held. Meeting on the families' "home ground" helped to reduce their fears.

Results? More understanding between parents and teenagers; more supportive ways of interacting for all concerned; more independent functioning. Parents offered each other transportation and were in contact outside the group. Families helped each other and the youngsters themselves became a tight unit.

THE SO CALLED "hard core, unworkable and hostile families" were regular in attendance, cooperative, enthusiastic and involved. Their children were able to go home more frequently and for longer periods of time; they actually began to talk over their problems, and made fast progress in their treatment at the hospital.

The clincher, as described by Mrs. Millar was that when the group terminated, the parents arranged for group pictures, which were distributed to all.

"They even presented me," Mrs. Millar ended with a broad smile, "with a plaque of appreciation!"

Shepardsville News

MRS. JOHN SPENCER
Ph. 834-2615

The Charge Conference of the Shepardsville and Price United Methodist churches was held on Wednesday evening, Sept 19 at the Shepardsville Church. District Superintendent Gerald L. Pohly was the presiding officer. Miss Joan Ashley of the Price Church acted as secretary for the meeting. Both churches were well represented.

Officers of the Price Church were declared elected, after Mrs. Kenneth Fricke was elected to serve as a trustee until 1976. The officers will take their new offices on January 1. Mrs. Fred Musolf was elected to serve on the nominating, her term expiring in 1976. The election of officers from Shepardsville was next.

There were two changes on the Shepardsville roster, Dietrich will be the chairman of the Administrative Board, and Mrs. Allen Personous will be the new Choir Director. Put on the Nominating Committee for 1976 were Flora Hall and Wanda Dietrich. At the Shepardsville Church World Services and Conference Benevolences were accepted; Price voted not to accept them but would pay what they could. Pastoral support was the same for both churches, so it was accepted. Mr and Mrs Dale Squiers are to continue as lay speakers.

To discuss the goals of both churches the conference divided up into groups of four and discussed some of the possibilities that each church could strive to achieve. The dream of both churches is to

sometime have a full time pastor and to have their pews filled with God-fearing people. It can be said of these two rural churches that they are free of debt.

Refreshments were served following the meeting.

Pewamo

William P Smith was admitted to the Carson City Osteopathic Hospital Thursday September 13 as a medical patient.

Sunday dinner and afternoon guests of Mrs Irene Fox were Mr and Mrs Norbert Fox, Alan and Russell Fox and Amy Fox and girlfriend Carole Hand all of Lansing.

Sunday evening visitors of Mr and Mrs Henry Schafer were Mr and Mrs Kenneth Schafer of Grand Lodge and Mr and Mrs Roy Howorth of Ionia, Sister Marie Diane of Grand Rapids and Mrs Hilda Schafer.

First fall meeting of Blue Star Mother's Club, will be Wednesday evening Sept 26 at the Elementary school starting at 8 pm. Mrs Rose Fox of Westphalia being hostess assisted by Mrs Ida Bushong. Mrs Rita Miller will fill in for Mrs Ardis Ludwick president who is unable to be present. Entertainment will be Pedro.

Mr and Mrs Cliff Gee of Hamilton brought their mother Mrs Ethel Gee home Sunday after spending nearly 3 weeks with them.

TO THE ELECTRIC CUSTOMERS OF CONSUMERS POWER COMPANY

NOTICE OF HEARING ON MOTION FOR PARTIAL AND IMMEDIATE ELECTRIC RATE RELIEF

On April 18, 1973, Consumers Power Company filed an application with supporting testimony and exhibits with the Michigan Public Service Commission in Case No. U-4332, which requests authority to amend its retail electric rates so as to increase its retail electric revenues by approximately \$36,100,000 on an annual basis. On August 27, 1973, Consumers Power Company filed a Motion for Partial and Immediate Rate Relief, which seeks authority, on an interim basis, to amend its rate schedules so as to increase its electric rates by approximately \$33,810,000 on an annual basis. On April 18, 1973, Consumers Power Company also filed an application in Case No. U-4331 with the Commission for authority to increase its rates for the sale of gas and at the same time filed a Motion for Partial and Immediate Rate Relief to increase its gas rates on an interim basis. At the hearing hereinafter noticed, the motion for partial and immediate gas rate relief, Case No. U-4331, will be heard concurrently with the motion for partial and immediate electric rate relief, Case No. U-4332. In its motion, Consumers Power Company has stated that significant increases in the cost of capital, fuel, taxes, wages, equipment, materials and supplies have had a serious adverse impact upon the earnings level of its electric business and that it has not been able to attain the level of earnings in its electric business found to be reasonable in the prior electric rate order of the Michigan Public Service Commission. Consumers Power Company further alleges in its motion that interim rate relief is required to attract on reasonable terms the capital required to serve the increasing needs of its service area.

The Michigan Public Service Commission has scheduled a hearing on the motions for partial and immediate rate relief filed in Case Nos. U-4331 and U-4332 and has ordered that notice be given that:

A. A public hearing on Consumers Power Company's motions for partial and immediate gas and electric rate relief will commence at 9:30 a.m. on October 8, 1973 in the offices of the

Commission, Law Building, Lansing, Michigan 48913, and will continue, if necessary, on the succeeding days of the week of October 8 at the same location and at such time as shall be determined by the presiding officer until the matter has been fully heard.

B. The parties who have already intervened in the above-entitled proceedings shall be entitled to participate as parties in the hearing on Consumers Power Company's motions for partial and immediate rate relief. Any additional persons or entities seeking to intervene for the purpose of participating in the hearing on the motions for partial and immediate rate relief shall file with the Commission, five (5) days prior to October 8, 1973, an original and eleven copies of the petition to intervene with proof of service upon Consumers Power Company and the other parties to this proceeding. A service list can be obtained from the Secretary of the Commission, Law Building, Lansing, Michigan 48913.

C. The interim rate increases described in this notice have been requested by Consumers Power Company. The Michigan Public Service Commission may either grant or deny the requested increases, or may grant lesser or greater increases than those requested.

Jurisdiction of the Commission in this matter is pursuant to Sections 1, 2, 6, 7 and 8 of Act 106, PA 1909, as amended (MCLA §§ 460.551, 460.552, 460.556-8); Act 300, PA 1909, as amended (MCLA § 462.2 et seq); Sections 3 and 4 of Act 419, PA 1919, as amended (MCLA §§ 460.53, 460.54); and Sections 4, 6 and 6a of Act 3, PA 1939, as amended (MCLA §§ 460.4, 460.6, 460.6a); and the Commission's Rules of Practice and Procedure, 1954 Administrative Code, as amended, No. 54, R 460.11 et seq.

A summary of the proposed interim rate changes showing the requested increases by classes of service in terms of dollars and percentage is set forth below:

Mr and Mrs. Floyd Glowney and Mr and Mrs. John Glowney of Flint traveled to Mt. Pleasant recently. They attended a party given by Dr. Howard Evans and Dr. Charlotte Evans for the German Travel Group who had gone to Europe in May. They enjoyed a cookout on the patio overlooking the Chippewa river. Snapshots and visiting were enjoyed and later some of the group showed slides of the trip.
The Senior United Methodist Youth met Sunday evening with Mrs. William Bashore as counselor and Rev. Miriam DeMint attending. Plans were made for the meetings of the year. Todd Moore is president of the group. He is also president of the Central District UMYF.

MT PLEASANT - The Central Michigan University Marching Chippewas made their fall debut September 8 during the halftime of the CMU-Western Michigan University football game in Short's stadium and took the field again for a halftime show at the Ball State game on Sept. 15.
Posing in their band uniforms with Saunders, left, and Dietz, are: (from left) Mike Brien, Ithaca; Dave Oatley, St. Johns.
The band's preparation for a busy fall season began with pre-school opening band camp August 20-28 with day-long drills and rehearsals under the direction of director of bands Norman Dietz and assistant Jack Saunders.
The Chippewas' busy season includes a special halftime show at CMU's Homecoming October 6, and being featured guest band at the Michigan Band Festival in Cedar Springs October 13.
After sharing the field with Eastern Michigan University's band at the Nov. 3 home game, the Chippewas will go to Detroit where they will appear on coast-to-coast television in a performance during the Detroit Lions game Nov. 4.

Shape up with low calorie meals

If it's time to shape up, try cutting down on fats and sugars.
The kitchen, the grocery store and the table are the places to start cutting down.
When you prepare a meal, use cooking methods that will cut down calories such as broiling meat instead of frying it. Shy away from sauces that turn low-calorie foods into high-calorie dishes. Sauces, fats in cooking and such materials add a great deal to the caloric value of food. Creamed carrots, for instance, have twice the calories of plain or boiled carrots.
Accessory foods add unneeded calories at the table. Butter and sour cream can double the calories of a baked potato. French dressing can add many extra calories to a tossed salad.
When shopping, choose foods lower in calories. Watermelon and cantaloupe - low in calories - would be a smarter choice than avocados or bananas. Skim milk contains fewer calories than whole milk while providing the same nutritional benefits.
Usually it's the extras that make the difference between the reducing diet and the maintenance diet.
For many people, a diet containing around 1,200 calories would be a reducing diet. Pastries, desserts, dressings and sauces, and other food extras, however, can quickly change a 1,200-calorie reducing diet to a 2,400 calorie pile-the-pounds-on diet.
For instance, a breakfast consisting of 3/4 cup of strawberries, one slice of toast, 1/2 teaspoon of butter, one poached egg and a glass of skim milk would contain about 305 calories.
With a few extras, such as a teaspoon of sugar on the berries, 1/4 cup light cream, a tablespoon of butter on the toast, and egg fried in fat rather than poached and a glass of whole milk, the breakfast would add up to around 627 calories. Food might be richer tasting but it is also richer in costly calories.
So when trying to cut calories, eat a sensible, well-balanced diet but cut down on fats and sugar. It might take time to develop healthy eating habits, but you'll come out the winner (or loser - of weight, that is).
Our thanks to Dr. Portia Morris, Foods and Nutrition Specialist, MSU for this information.

By Mrs. Wm. Ernst

Mrs William Ernst spent Tuesday, Sept 11, with her sister, Agnes Bearndt and Peggy Mowhatt of rural Six Lakes. After attending a meeting at Stanton Maxine Ernst also visited in the Bearndt-Mowhatt home. The Ernst's called on Mr and Mrs Herman Noller of rural Hubbardston on the way home.

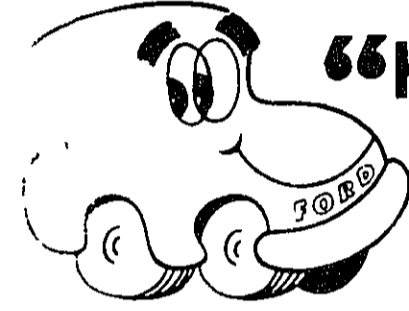

Mr and Mrs Floyd Foerch enjoyed seeing and visiting places of interest in and around the Frankenmuth area on Wednesday, Sept 12.

Mrs William Ernst and Maxine were Thursday evening, Sept 13, visitors of Mr and Mrs Louis Schmitt of Fowler.

Mrs Louis Moritz and Mrs Fred Sehlke of Fowler attended a demonstration party at the home of Mrs Tom Johnson on Price Rd, Friday evening, Sept 14.

David Rossow of Ferris State College spent the weekend with his parents, Rev and Mrs H. E. Rossow and grandmother, Mrs Herman Rossow.

KEEPING POSTED

ABOUT GROUND MEAT... WE TELL IT LIKE IT IS

At Kroger, we believe that consumers have the right to know more about the foods they eat. That's why we provide information in every store to tell customers exactly what the various labels on ground meat packages represent - both as to ingredients and as to fat content.

Look for the signs posted in your Kroger meat department which tell you exactly what goes into each type of ground meat as well as the percentage of fat content. At Kroger, you can depend on

ground meats to be exactly what the label states. Beef is analyzed carefully before, during and after grinding for fat content. This close control of ingredients and fat content, as well as strict sanitation, is accomplished in Kroger's modern U.S. Department of Agriculture inspected meat distribution center.

We invite you to use this special Kroger information service. It represents one of the ways Kroger is helping you get a better value for your food dollar.
