Health Dept. draws bead on swine flu

By Sue Kiley
County News Writer
The flu season is fast approaching and the Michigan Health Department is prepared. An outbreak of A-New Jersey "Swine Flu" was first identified at Fort Dix, New Jersey in January of this

year. According to the Health Department this virus is dramatically different from the current virus in the environment.
"This is the first time in history that we have been able to prepare for mass immunization before an outbreak

occurs," Joseph Latoff, acting director of the Mid-Michigan District Health Department, said.
Due to the major change in the virus the population has no established immunity. The disease spreads quickly in an area (epidemic) and then around

the world (pandemic).
A major change took place in 1957 with the Asian Flu and in 1968 with the Hong Kong Flu. In both cases over 50 million Americans were ill within a few months. There were about 70,000 deaths in 1957-58 and in 1968-69 there were

33,000 recorded deaths from the flu.
According to Latoff the serum used for the immunizations is very pure as researchers have had nine months to perfect the vaccine. "There has been plenty of time to test the vaccine and many trials have been made," he said.

In the past thirty years there have only been three deaths, and people have received shots each year. "There's always that one chance," Barbara Winburne, R.N. said, "But this vaccine is very pure."

Because federal, state and local departments have changed ideas and programs there has been some doubt as to when the mass immunization clinics will be held.

Clinics are supposed to be held during the last week in October, all of November, and December.

There will be two different types of vaccines given. The first is the Bivalent (for A-New Jersey-A-Victoria) which is intended to be used for the "high risk" patients. This includes persons over 60 years old and those with chronic diseases such as diabetes, chronic respiratory disease, cardio-vascular disease, and kidney disease.

These shots will be administered by physicians or at public clinics. These clinics are being planned for late October and early November.

The second form is the Monovalent (for the A-New Jersey-Swine Flu) which will be made available in Mid November. It is designed for the general population between the ages of 18-60. These public clinics are being planned for Mid to late November and early December.

Persons who are hypersensitive to eggs should not receive the vaccine. Those who have a fever should delay vaccination until the fever is gone, and people who have received another type of vaccine in the past 14 days should consult a doctor before taking the flu vaccine.

People will also be screened before the clinic.
Vaccines for those three years old to 18 years old has just been made available, although no recommendation for immunizing children less than three years of age has been made.

Although there has been conflicting reports about whether there is the need for the mass immunization program Latoff said the Health Department is taking a positive approach to the problem. He noted that some doctors nationwide have criticized the operations. However he did add there definitely will be an immunization program despite some dissent.

The shots will be administered with jet injector guns. "The shot is relatively painless and quick," Latoff said. A demonstration on how the gun works was given to the press Friday morning. It looks just like a gun complete with trigger.

Nurse Winburne, said that while she or another person is administering the shot she will have a firm hold on the persons arm. The shot takes a few seconds, and the only sound that will be heard is a popping noise after the person has already walked away. There will be no marks made on the arm.

Approximately 500 people can receive the vaccine within an hour. The local Health department has purchased two of the injector guns from \$1,400. There will be some guns provided by the state but the county wanted to make sure they had enough.

The Mid-Michigan Health Department serving Clinton, Gratiot, and Montcalm Counties said they delayed in making any statements concerning the situation until they had positive things to say, Latoff reported.

"We didn't want to be the first to do anything. We wanted to say the right thing the first time, and be factual and positive," Latoff said. "We want to learn from what other people have done," he added.

Nurses will go through a training program.

"I want to stress that this is the first time that we've had the time to have a mass immunization because we have discovered the strain early enough," Latoff commented. "It's basically the same thing as the polio clinics that were set up."

There will be no cost to the person receiving the vaccine although donations will be accepted.

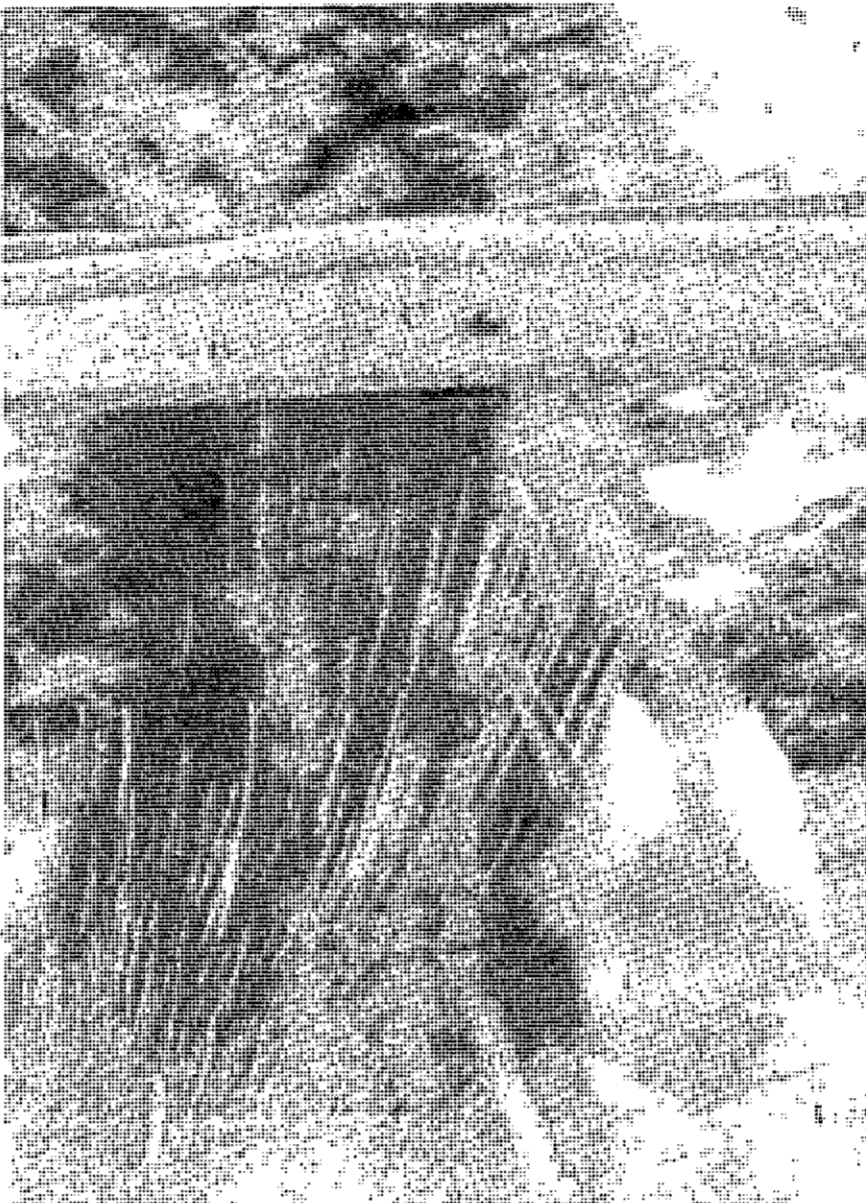

It is impossible according to health officials to assess the virulence of A-New Jersey before an epidemic occurs. It is equally impossible to mass immunize the population against the virus once epidemic conditions exist.

There is also no assurance that a pandemic will occur. The Fort Dix outbreak could be a fluke. The swine strain has not caused outbreaks anywhere else and there is no data confirming that this virus is as deadly as in 1918.

Volunteer are needed to help staff the clinics for immunization clinics. Needed are additional clerical staff, volunteers to direct traffic flow and registered nurses or L.P.N.'s to assist the health department. Those interested should contact the health department at 224-2195.

THE MAYOR WAS all wet Saturday, but it wasn't a statement of his political ability. St. Johns mayor Roy Ebert rode a dunking tank, sponsored by the Big Brothers-Big Sisters of Clinton County, during the Home Tour festivities. The proceeds (step right up, three throws for a quarter) went toward the new Big Brother-Big Sister program. While Ebert (left) attempts to shed some of the water, another accurate toss sends him into the drink at right.

Assessments draw criticism . . .

By SUE KILEY
County News Writer
Much discussion took place at the Monday night DeWitt Township Board meeting and Tuesday morning session of the Clinton County Board of Commissioners meeting concerning the

county-wide assessments being done by United Appraisal.
Most of the comments at the County Board meeting came from Elsie residents. A local farmer, Howard Hess commented: "The assessment of my property seems ridiculous," he began,

"some of that land isn't even able to be farmed." He went on to say, "I've heard a lot of different stories and there are a lot of discrepancies. They were paid to do a job and in my opinion they didn't do it."
Dyle Henning, chairman of the Board

of Commissioners said, "We've been getting factors from the state for three years and an assessment was the only way to get rid of the state factor. It's true that some assessments have gone up, but then some have gone down also."

He also commented that the board has gone on record for wanting a change in the legislature asking that the assessment at 50 percent of the true cash value be reduced.

"I feel that this company is using the Board of Review as a crutch," Thomas Woodruff, Bath Charter Township supervisor said. "I feel that United Appraisal should defend themselves, not leave it up to the Board of Review."

Commissioner Charles Gutzki added: "We hired them to do a job and they should do it, not the Board of Review."

Bob Tish, city assessor of Laingsburg, commented, "I never saw United Appraisal on my land and then the acres didn't total up." He added, "I feel that you are paying for evaluation that you are not getting."

Many residents complained that the appraising company did not actually come on a homesite to do the appraising.

At the DeWitt Township Board meeting Monday night, David Purcell, a new resident in the community said that since the time he bought his home in April of 1976, and the time the appraisal figures came out, his home value went up \$7,050.

Purcell noted that when the person from United Appraisal came to his door, the young man had no identification or credentials.

Virginia Zeeb, county commissioner present at the meeting said the assessment was done for better equalization throughout the county. "I did not approve of this appraisal from the start," she said, "In fact I voted against it." She noted that she felt the county should do its own equalization and assessing.

It was mentioned that the townships could reject these figures although the county would use them for equalization purposes. Mrs. Zeeb noted, however, that only two township supervisors, from DeWitt and Bath voted against having an appraisal company come to do the assessing.

"On the positive side," Mrs. Zeeb continued, "a number of people felt that some townships were not doing an adequate of appraising property properly and we wanted to put the county on an even keel."

United Appraisal claims not as many as expected

Some homeowners in Clinton County were a little hot under collar during the past two weeks, but it wasn't as many as expected. When people in the county received the appraised value of their home which was recently completed by United Appraisal many were not happy.

"Normally we can usually expect about 10 to 15 percent of the people appraised to protest," Harold Fitzgerald, project manager, for United Appraisal said. "So far the only place that has hit 10 percent is Bath Twp."

In the three days hearings were held in St. Johns about 115 people showed up per day. "For the most part people who come to us are very pleasant, but you get one that is really mad and then we have problems," Fitzgerald said.

Fitzgerald explained that the most often asked question is, "How did you arrive at that price?"

He said that first the appraisal card is explained to the person going over each detail. "Sometimes we are wrong, and we do change them," he said. "It's only fair," he added.

"When you appraise 34,000 parcels I don't think that any company can be correct 100 percent of the time," Fitzgerald commented.

The project manager explained the process that the company goes through when appraising a home.

The first thing they do is knock on the door, and tell the person who they are. Then they ask questions like, "How long have you owned your home, and how many bathrooms do you have?" At the same time they are asking the questions, the appraisers are also going through the homes. "We always try to go through the whole house, but sometimes that isn't always possible," Fitzgerald said.

A picture is also taken of the home for future reference.

To arrive at the cost the appraisers have a pricing schedule for what it would cost to rebuild a house from scratch today.

"Say you have a 10-year-old home," Fitzgerald said. "We would price it as if it were brand new. Under normal conditions we would then take 10 percent off for depreciation. The depreciation figure is what the house should bring on the market," Fitzgerald said.

Some residents in the county have complained their home was appraised but they never saw the person who was supposed to do the appraising.

Fitzgerald explained the process the appraiser goes through if the person is not home. "Our people go to the residents home on three different occasions at staggered times. On the third trip, if they still aren't home we leave a call back letter asking the people to fill it out and send it back."

About 10 percent of the homes were entered by the appraisers in the county.

The manager also said that many people have asked why the appraisers don't call before coming to their home. "That is almost impossible," Fitzgerald said. "In the first place it would be extremely costly, and

secondly it would be difficult to set up an appointment with each person in the county."

"Normally we spent about five to eight minutes in the average home," he continued, "However on farms it does take us longer because there are more buildings to look at."

After the last day, which is an open date for all residents of the county who were not heard, changes are made on the cards. They were then checked for the third time for any mistakes.

Duplicates of the cards will be made and one copy will be at the Clinton County Courthouse, while the other will be sent to each township supervisor so the township will also have a set.

The project was started in December of 1975 and will be completed by Nov. 1.

A total of 30 people worked on the \$254,000 project. The last time a county-wide appraisal was done was in 1966.

Residents had the opportunity to discuss their new home values with the appraisal Co. but those who are still dissatisfied may appear before the regular Board of Review which meets in March of each year. Those still not totally satisfied can appeal to the State Tax Tribunal within 30 days of an appeal of the Board of Review.

Money approved to repair drains

ST. JOHNS - Clinton County will receive \$148,500 approved by the Federal Disaster Assistance Administration to help fund repairs county drains suffered in the March 2 ice storm.

Harry J. Harden, Clinton County drain commission, said his staff spent

approximately a month following the ice storm gathering data and assisting survey teams to apply for the federal grant.

The original request was for approximately 80 miles of drains damaged by the ice storm. However, (See Page 16 A)

Water Safety instructors must retrain

The American Red Cross has specified that all Water Safety Instructors must be retrained in the mandatory new materials by Dec. 31. Authorizations will expire for those WSI's who do not complete the 12-hour retraining program. Retraining classes are

being set up through the Mid-Michigan Chapter of the American Red Cross, located at 1800 E. Grand River Ave., Lansing. There is no charge for the class instruction. For further information on class dates and times, call the Red Cross at 484-7461, ext. 42.

BY SUE KILEY
COUNTY NEWS WRITER

To live life to the fullest. To take each day as it comes and use it to the best of one's ability. Many people say that is the ideal way to live, but few people follow it. One person who does follow this example and lives up to his way of thinking is Clyde Anderson.

Anderson is 77-years-old and enjoys various types of collecting hobbies from rock points, to old tools, machinery, guns, Indian artifacts, and magazines. He also attends meetings all over the state concerning his hobbies.

The older gentleman is sharp-witted and keenly remembers facts and data. He can take one look at a point (rock) in his collection, and tell you what kind it is and from where it came.

Anderson was born in Wisconsin and he and his family moved to Oregon in 1908. "It seemed like everyone was collecting something at that time," he recalled. "I decided that I

would start collecting things too."

When his family moved from Oregon to the east, the young boy had to leave his treasured collections behind. When he became established in St. Johns in 1916 he started replacing parts of his collections.

Anderson has had some setbacks in his lifetime. One was when his foot froze and it semi-crippled him so he couldn't finish school. He had to say on the farm and work.

In a few years he became acquainted with owners of a machine shop and did repair work for them. He enjoyed this type of work and it became easier for him with each passing day.

In 1920 his father sold part of the farm, so Anderson worked in a machine shop for five years.

Other occupations he has had during his lifetime have been a welder for the state, owning his own machine shop, and farming peppermint. When his wife died in 1952,

Anderson said that was when he really took up collecting seriously. The couple had nine children and when Mrs. Anderson died, he still had six children at home to raise.

The Mead St. resident recalled in the late 1930's and early 40's he got involved in Scouting. "I tried to educate my boys in conservation from the stone age to the present day," he commented.

Anderson also educated his children in the ways of guns. "I tried to get one of each type, so they could see the transition of the hunter stepping through the years."

The Anderson household has become a place where people come to ask the history buff for advice and information. During the last few years he has only done freelance work to keep busy.

His home is filled with racks of old guns, Indian pottery, cast iron mechanical banks he has repaired, two racks of old tools, and about a dozen sets of points.

He has a calendar that sits in front of him on the dining room table that helps him keep track of the things he did that day or the things he should do in the day to come. Every day is filled with some sort of activity.

Repairing old engines is another one of Anderson's pastimes.

He finds different collection pieces in strange and unusual ways. He always keeps his eyes open for anything that might be unusual. He recalled one time he had a piece of metal in his eye and had to go to Lansing to get it removed. While he was waiting for the bus to pick him up he saw a woodchuck looking over a furrow. He went over to investigate and found a spearpoint broad base notched Archaic point. It was quite uncommon for the point to be found in that manner.

Anderson has his collection in different formations such as teepees and fish, displayed along his

dining room wall and his tools along the living room wall. Upstairs he keeps his collection of guns.

He is a member of various Archaeologist Societies throughout the midwest, and had acquired many publications over the years. Although he is in his late 70's he still enjoys reading about his favorite hobbies and has even had a few write-ups about his work in the trade publications.

"Generally I read a magazine right through before I put it down," he said.

Anderson said he collected some of his pieces in Dallas and Tucson, but most of it came from around this area.

Presently he is cataloging all his points. During this process he has discovered that some of the rocks are 2,000 to 3,000 years old. So far he has 1,835 different points catalog with 300 more to go. The cataloging process

goes something like this: The rock is first identified, then listed where it was found, and an outline of the rock is placed on the back of the card.

He noted that with two or three people working on the project 100 different pieces can be identified.

For his gun collection he has copies of the American Rifleman back to 1930. The publications are all cataloged, so if he finds a gun or part that needs to be repaired, all he has to do is look it up. "I can make four or five repairs in a week," he explained.

Anderson is also one of the five original members left in the Muzzle Loading Gun Club that was started in Michigan in 1958. The group has grown to 85 members.

From the Muzzle Loading Club, the North-South Skirmishes Associations was formed. Anderson was a part of the 24th Michigan Battery

C. When they became reorganized he helped form the 5th Michigan Battery.

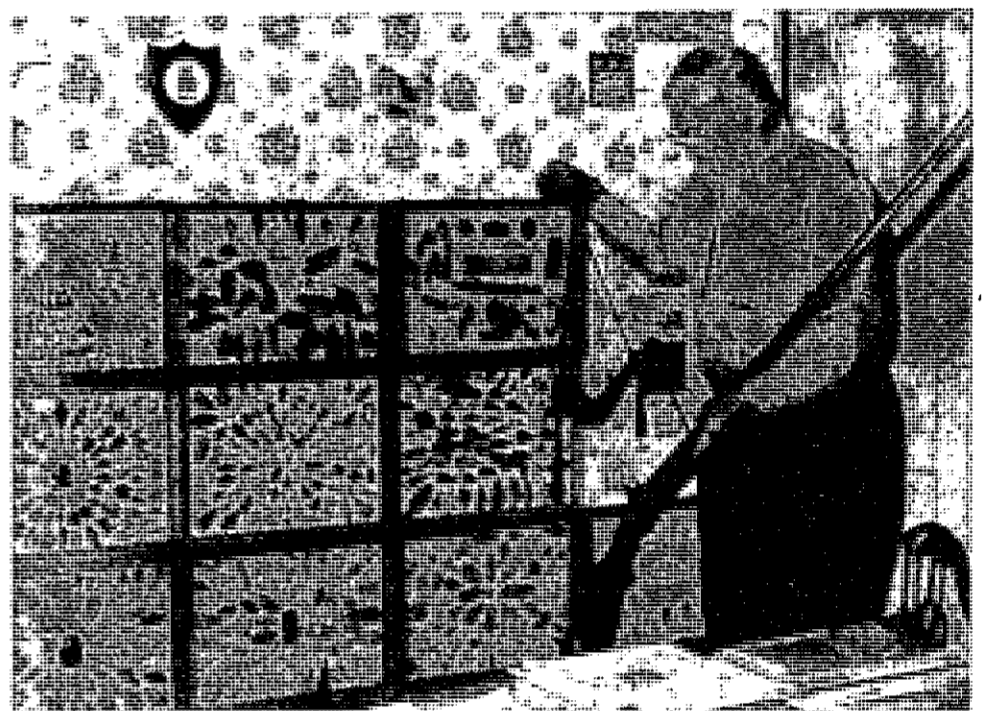

He has participated in many reenactments of the Civil War battles, the latest being the Battle of Bull Run.

He noted that his outfit finally succeeded in obtaining two original cannons to use from the Old Soldiers home in Grand Rapids.

In between working on his hobbies he has found time to travel. He has been from Main to California and from Canada to Key West.

An honor Anderson is quite proud of is that he was the third person to be chosen as part of the Northwest Council. He is also a member of the Genuine Indian Relic Society.

Clyde Anderson has managed to keep himself very busy during his 77 years, and is still going strong. He just doesn't think about getting old, he has too many other things to think about.

Among his prized possessions Clyde Anderson looks over his point (rock) collection while showing off one of his favorite guns.

RED CROSS VOLUNTEERS putting in over 2,000 hours of service to Clinton Memorial honored at an Award Presentation ceremony held Thursday night at the Hospital. Shown from l to r are: Pearl Haight, Martha Parks, Paul McNamara, Bernice Rice, and Laura Jorae.

Award honors 3,477 hours of service as Red Cross Volunteer

An awards meeting was held Thursday evening in the hospital dining room for Red Cross volunteers. Paul McNamara and Romaine

DeCamp presented certificates of appreciation from the hospital to the volunteers. During her years of

service, Dorothy Steves has worked 3,477 hours. Bernice Rice has given 3207 hours; Doris Swatman, 2467 hours and Laura Jorae, 2407 hours.

EMERGENCY STEVES, was cited for putting in 3,477 hours of volunteer service as a member of the Red Cross at Clinton Memorial Hospital. Shown with Mrs. Steves are from l to r: Romaine DeCamp, volunteer service co-ordinator, Ruth DeLo, chairman of the Red Cross volunteers, and Paul McNamara, administrator of the hospital.

Break-in reported at Edinger's Chevrolet

A breaking and entering occurred at Edinger's Chevrolet Garage in Fowler on Sept. 24 according to the Clinton County Sheriff's Department. It was reported that sometime during the night someone broke a window of the garage door. A roll of pennies was taken as well as some money that was kept in a tin box. A welder was taken from

the Bay Station located at the corner of US27 and Clinton St. The welder was valued at \$70.

A 17 foot green and brown camouflaged canoe and paddle valued at \$300 was taken from the Melvin Lehner, residence at 300 W. Chadwick Rd. on Sept. 23. Officers are still investigating these incidents.

Many other Red Cross Volunteers have each given over 1000 hours of service to Clinton Memorial Hospital. The total of the active volunteers honored Thursday evening was 22,623 hours.

Marta Giesecke, a new volunteer will work the Thursday afternoon shift on the visitor's desk. She shares these duties with Amanda Cook.

Hospital recognized for cost management

Clinton Memorial Hospital has been formally recognized by the American Hospital Association as an active participant in a program to more effectively monitor cost management.

The program involves the sharing of cost data submitted by nearly 3,000 health care institutions as a means for these facilities to compare their own cost control effectiveness with others of similar size. Clinton Memorial Hospital has been taking part in the AHA-sponsored program since 1967. "We have found the data information supplied by the program to be an excellent management tool in evaluating our cost containment efforts," said Paul E. McNamara, administrator. "By keeping abreast of what other health care institutions are doing in cost areas, we are better able to adjust our own procedures accordingly."

Dept. of Labor promotes Burns

Robert Burns, a Bath resident and former Jackson native, has been named chief of the General Industries Division, Bureau of Safety and Regulation, of the Michigan Department of Labor. He replaces William Sebring who was recently promoted to deputy director of the bureau. Burns, a state employee

for 27 years, 11 of those with labor, will direct the activities of more than 60 employees including 30 field inspectors. He was formerly with the Department of State Highways and Transportation for 16 years as a weighmaster. The General Industries Division insures the safe working conditions for

employees in Michigan and enforces the state's occupational safety standards.

Mr. Sebring said, "We are fortunate to have a person of the caliber of Mr. Burns who started as a field inspector and worked his way through the ranks to become division chief."

DeWitt Police Dept. continues crack-down

Five more arrests were made by the DeWitt City police after issuing a crack-down on law-defying teenagers. This brings the total arrests to 19 in the past three weeks.

Dan Tessman, 17, of Maple Rapids was arrested for being a disorderly person.

The other four persons arrested for violation of city ordinances were: Pamela Bennett, 19, DeWitt; Richard Miller, 21, Lansing; Jeffrey Hunter, 20, St. Johns; and Gary Fuller, 20, of DeWitt.

Watertown Charter Township Minutes

Synopsis of September minutes. All Board members except Syver Thingstad, who had asked to be excused.

Minutes of previous meetings and Treasurer's report accepted and placed on file.

Bills read and ordered paid.

Transferred \$5000 to Highway, \$1000. to Cemetery and \$78.50 to Petty Cash.

County Commissioner gave his report.

Mabel Brace made several requests of the Board and Road Commission relative to the condition of the road in front of her house and the proposed parking ordered by the Clinton County Sheriff's Department on fish fry nights.

Supervisor explained that the attorney has not completed the updating of the Outdoor Ordinance or the Rules and Regulations for the use of the office complex.

Montgomery reported on the Planning Commission meeting stating that Quality Farm & Fleet have requested rezoning of the new property they wish to purchase on Grand River. They wish to rezone from M-1 to B-2, General Business. MPC Cashway requested the same rezoning.

Planning Commission recommended to Township Board that the rezoning request of Quality Farm & Fleet and MPC Cashway from M-1 to B-2 be granted, and the request of Quality Farm & Fleet to have their present location rezoned be tabled. Township Board approved the rezoning requests of Quality Farm & Fleet on both their old and new location and also the request of MPC Cashway. Parks & Recreation Board report given and request of the Use of the Township Complex for Bingo games granted.

Approved estimate on the building and installation of 10 screens for office.

Boy Scouts requested permission to rebuild some windows in the old Township Hall if the Township would

buy the material. Request granted.

Discussion on fact landfill have not renewed their license, and it was requested that a letter be sent to Mid-Michigan Health and DNR requesting that this matter be looked into at once.

Supervisor explained the

cleaning out of the Rhine Drain, and the fact the State Highway Department will participate in the cost thereof.

Meeting adjourned.

Mildred F. McDonough, Clerk

Herman F. Openlander, Supervisor

St. Johns CITY COMMISSION MINUTES August 23, 1976

The meeting was called to order at 7:34 P.M. by Mayor Ebert. Comm. Present: Ebert, Wilcox, Hannah, Roesner. Comm absent: Aerhart. Staff Present: Manager Humphrey, Attorney Maples, Clerk Wood, Zoning Administrator Coletta

Comm. Hannah requested two amendments to the August 9, 1976 minutes. Motion by Comm. Wilcox, supported by Comm. Hannah that the minutes of August 9, 1976 be approved as amended.

Yea: Ebert, Hannah, Wilcox, Roesner. Nay: None. Motion carried.

Motion by Comm. Hannah, supported by Comm. Roesner to approve the Warrants. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

Mayor Ebert asked for additions or deletions to the agenda. There were several additions.

Motion by Comm. Wilcox, supported by Comm. Hannah to approve the agenda as amended. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

Mayor Ebert presented Police Chief Lyle French and the entire St. Johns Police Department an award from the Automobile Club of Michigan for no pedestrian deaths for the past three years.

A letter, memo and notice which was sent to Searles Construction regarding the Stell Hotel were presented.

Motion by Comm. Wilcox, supported by Comm. Roesner to accept the report of the Zoning Administrator, Richard L. Coletta, and enter it into the minutes. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

Water rates concerning Federal Mogul were discussed at length.

Motion by Comm. Roesner, supported by Comm. Wilcox that the City Manager write Federal Mogul conveying their endorsement to such a water conservation project and that the City Attorney give the City Commission a written opinion as to what they may or may not do regarding the freezing of industrial pumping rates and also that figures be presented showing what decrease in revenue to the city of St. Johns would be if Federal Mogul should go into such a water conservation program.

Yea: Wilcox, Roesner. Nay: Ebert, Hannah. Motion failed for lack of majority vote.

Mayor Ebert then presented the following resolution:

Motion by Comm. Ebert, that it be resolved that the City of St. Johns will not increase industrial pumping rates for the next five years.

Resolution failed for lack of second.

Mr. Bob Bennett of the Cable TV firm, CAB, Inc. was present to discuss cable TV.

Motion by Comm. Hannah, supported by Comm. Roesner that the Cable TV material presented by Mr. Bennett be accepted and referred to Comm. Roesner who will take action to reactivate the Cable TV Committee. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

The City Manager gave a report on the status of the proposed new wastewater treatment facility.

Motion by Comm. Roesner, supported by Comm. Wilcox to accept the utility report as presented by the City Manager. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

The Chamber of Commerce downtown tree planting project was discussed.

Motion by Comm. Wilcox, supported by Comm. Roesner that the City Attorney be authorized to prepare a legal contract as discussed and that the City Clerk and Mayor be authorized to sign. Yea: Ebert, Roesner, Wilcox. Nay: Hannah. Motion carried.

Mayor Ebert read a proclamation for the Historical Society. Mrs. Rumbaugh of the Clinton County Historical Society was present and received the proclamation on behalf of the Historical Society.

A request for rezoning a lot from R-2 to R-1 was presented.

Motion by Commissioner Hannah, supported by Comm. Roesner that the request of Charles Kuripka be referred to the Planning Commission for study and a recommendation and that the Planning Commission look at the entire West Cass Street area for the possibility of rezoning. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

A letter from the Tri-County Regional Planning Commission was presented regarding membership.

Motion by Comm. Wilcox, supported by Comm. Roesner that the application received with the Tri-County letter be returned indicating that the City of St. Johns does not desire membership and that the Mayor sign on behalf of the City commission. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

The City manager presented the street sweeping report and catch basin cleaning report as submitted by D.P.W. Superintendent, Wendell Waggoner.

The cleaning of the St. Johns Big Ditch was discussed at length.

Motion by Comm. Roesner, supported by Commissioner Wilcox to authorize the City Manager to consult with the engineers on the St. Johns Big Ditch and report back at the next meeting. Yea: Roesner, Wilcox, Hannah. Nay: Ebert. Motion carried.

The CETA Contract was discussed at length.

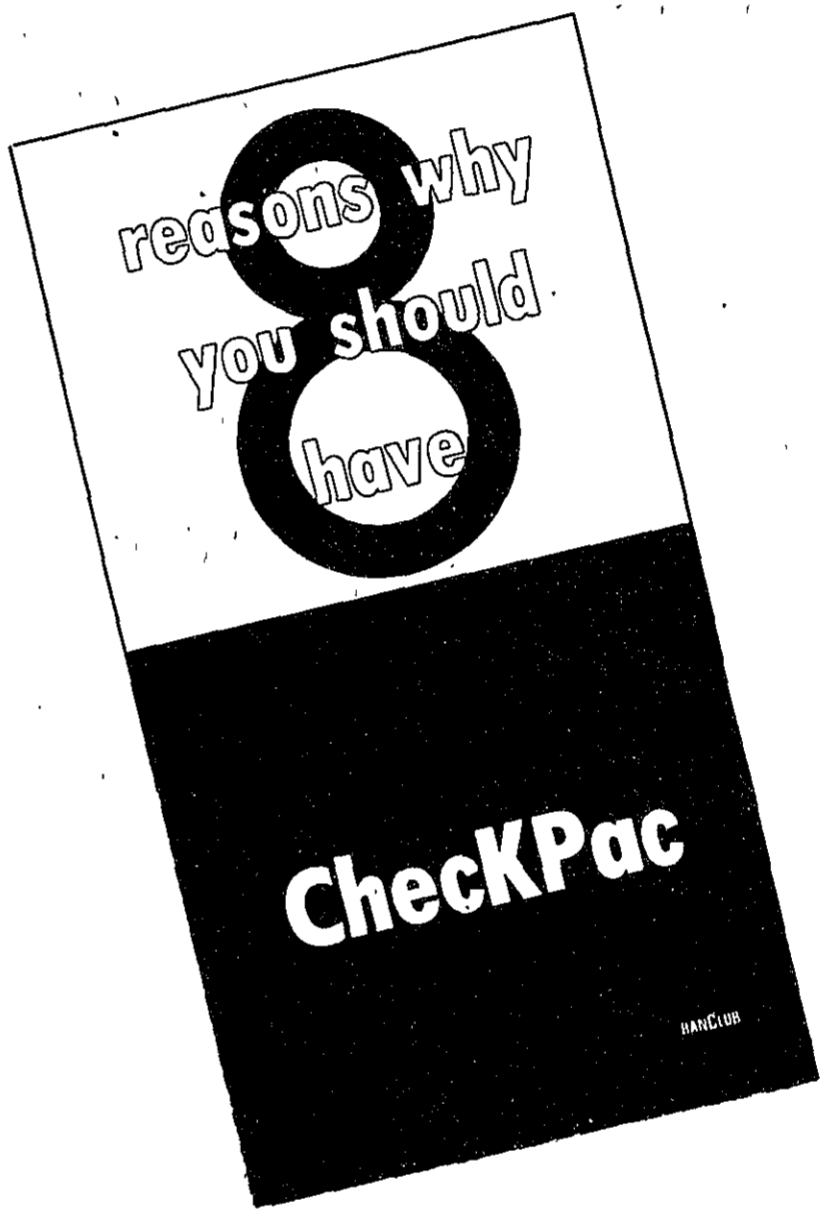

Motion by Comm. Wilcox, supported by Comm. Roesner that the City enter into the CETA contracts as presented and that the Mayor and Clerk be authorized to sign. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

The condition of private property left by Consumers Power Company was discussed at length.

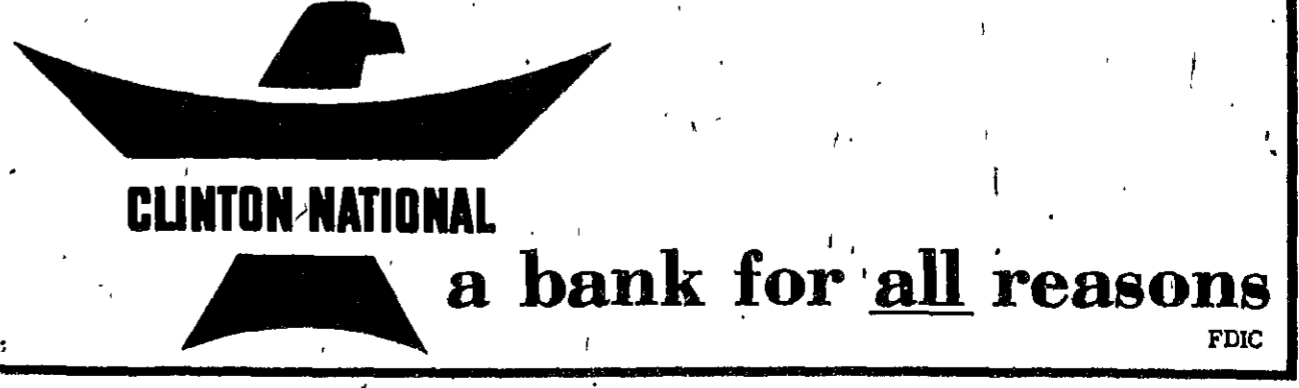

Motion by Comm. Roesner, supported by Comm. Wilcox that the City Manager write Consumers Power Company a letter requesting that they compact their trenches on private property and that the area disturbed be reseeded or resodded immediately upon completion. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

Motion by Comm. Hannah, supported by Comm. Roesner to adjourn. Yea: Ebert, Wilcox, Hannah, Roesner. Nay: None. Motion carried.

The meeting was declared adjourned at 9:00 P.M.

Hospital Auxiliary plans activities

Margie Singleton—country western singer will appear at show sponsored by Clinton County Sheriff's Posse. See story at right.

Clinton Memorial hospital Auxiliary Board held its first fall meeting Sept. 15 with chairman, Mrs. Mary Crosby, presiding.

Thirty-seven members responded to roll call. As this was an organizational meeting, many plans were made for the year's activities.

A report from Mrs. Gerapetian, corresponding secretary, noted that she had been busy during the summer sending messages. A total of \$199.50 had been denoted for the Intensive Care Unit during the summer.

Mrs. Fitzpatrick, sewing chairman, reported that members of the committee had amassed 464 working hours. They made 114 new articles, 374 articles from the discarded material and did the weekly mending. A June picnic was enjoyed by the members.

Mrs. Tiedt, chairman, reported that gift shop and cart workers had served a total of 1421 hours during the summer. A November sale is being planned.

Mrs. Grosz and Mrs. Ferris showed very attractive pictures that are to be hung on the walls in the pediatrics department. All murals have been completed and other decorations will soon be finished. New window coverings were discussed and it was decided to have the committee present recommendations at the October meeting.

Mrs. Bartholomew reported that \$182.42 had been denoted for the Cake Walk.

The puppet committee has had a busy summer. Mrs.

Montague, chairman, reported that 75 puppets had been made. The members plan to make three dozen Santa Claus and also Christmas stockings.

The "Meals on Wheels" project is a decided success as 2267 meals have been delivered during the last six-month period. It was voted to purchase two more insulated carriers for food transportation. The members would appreciate a report on this project at each meeting.

Mrs. DeCamp, liaison between the hospital personnel and auxiliary, had several important matters to bring to the attention of the members: Plans are being made to change the name "Candy Strippers" to "Junior Hospital Volunteers". Many of the important services rendered by this group could be done equally well by boys and girls. It is hoped some young men will be interested in this service. She also mentioned the fact that slides on hospital procedures had been revised and were on loan to interested persons.

Mrs. DeCamp brought to the attention of the members Public Act 254 which puts limits on Medicaid benefits and urged they write to their legislators expressing their views on this procedure.

The members were very happy to hear that the hospital had received full two year accreditation from the Joint Committee.

The highlight of the evening was the announcement by the chairman, Mrs. Crosby that her sister Mrs.

Brunette Mazzolini Graham and brother Joseph Mazzolini would present a concert on December 5 at 4:00 P.M., at the high school auditorium, Mrs. Graham resides in Portland, Oregon and teaches at Lewis and Clark College. Mr. Mazzolini lives in Rochester, Michigan and teaches in the Detroit area. Both were graduated from St. Johns High School. They are widely known specialists in the vocal field and the auxiliary feels highly honored to have them present a concert for the benefit of Clinton Memorial Hospital Auxiliary. They will be accompanied by Mrs. Maurice Witteveen. The Auxiliary will sponsor a reception following the concert.

Tickets will be \$3.00 for adults and \$1.50 for students. They will be on sale at a later date.

Mrs. Cerelda Hicks was voted honorary membership.

The October meeting will be a "work evening" commencing at 7:30 P.M. Members will make articles to be sold in the Gift Shop.

TWO STUDENTS AT THE WALTER KYES SCHOOL went to the Special Olympics in June at Mt. Pleasant and brought back honors for the Clinton County area. Michael Becker, took first place in the standing long jump and second place in the 50 yard dash. Mike Spitzley, took a third place in the 50 yard dash.

Sheriff's Posse presents country music program

A Country Music Spectacular headlining top Country Music stars, Leon Ashley and Margie Singleton, will be presented at St. Johns High School Oct. 2 at 8 p.m.

Ashley is known for his hit

records and song compositions including the famous "Laura (What's He Got)," which he published and released on his own record label. Since then, he has written and recorded numerous hits and played to

capacity crowds throughout the world with his famous Nashville instrumentalists, The Journeymen.

Margie Singleton is known for her soulful renditions of country standards and is considered one of the

nation's finest female country music vocalists. She has written and recorded many hits such as "Old Records," "Keeping Up with the Joneses," "Hanging On," and many others. She has recorded single and duet hits with Faron Young, George Jones, Ray Stephens, the Jordanaires, and other Nashville greats. Miss Singleton first appeared on the "Louisiana Hayride" and has appeared throughout the nation on top shows including the Grand Ole Opry, national TV and motion pictures.

A variety of country artists appear with the Leon Ashley show which combines old and modern country.

Tickets will be on sale at the door.

DeWitt Twp. Police report

The DeWitt Township Police Department reported two breaking and enterings Sept. 23.

Taken sometime during the night or early morning was \$325 in cash from an office desk at B and B

Plumbing, located at 16262 Chandler Rd.

Miscellaneous items were taken from the Nicky Hudson residence, in DeWitt Township. Taken sometime between 12:30 and 11:30 p.m. were a television, personal items, \$40 in cash and a couple of shot guns.

A few minor accidents occurred during the past week.

Solve break-in

The DeWitt City police solved the breaking and entering of the Challis residence at 106 w. Herbison Rd. that occurred last week. Piggy banks were taken from the home, as well as a \$20 bill and some change. Two juveniles were apprehended for the crime. Another juvenile was lodged in the St. Johns Juvenile home for malicious destruction of property, of

the DeWitt High School, being drunk and disorderly and resisting arrest.

St. Johns Police report

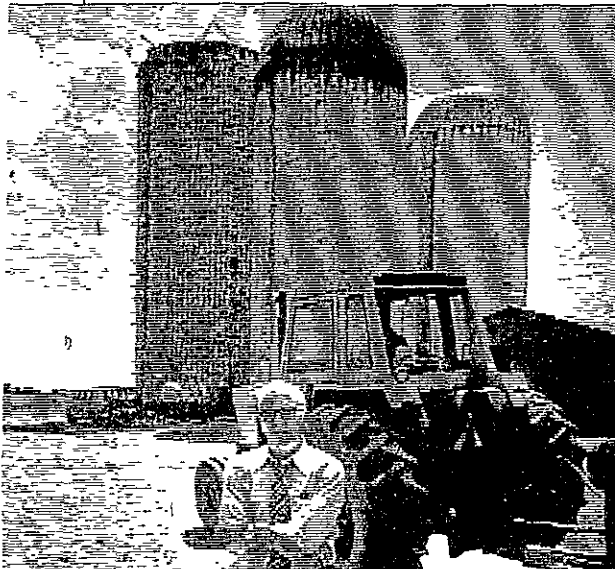

The St. Johns Police Department reported six larcenies over the past week. Two people were cited for driving while their licenses were suspended; and two for driving while under the influence of liquor. One person was cited for careless driving, while four were charged with being drunk and disorderly persons. There was one case of malicious destruction of property.

Mark Cowan is auctioneer

Cowan, 20, 309 S. Baker St. Johns, has been graduated from the Reppert School of Auctioneering.

He is the son of Marjorie and the late Stanley Cowan of St. Johns.

"The budget is a mythical beanbag. Government votes mythical beans into it, and then tries to reach in and pull real ones out." Will Rogers

Will Rogers said that still holds true today. Who's put us the Democratic Party Congress every year and continuously for Al Cederberg, as

back in the 20's and it But who is the govern- in debt? It's a fact that has controlled the U.S. (except 4) since 1932, the past 22 years. the Senior Republic- Appropriations Committee, has been trying to stop this irresponsible fiscal policy. Like the Dutch boy, he's been trying to plug up the holes in the dike as fast as the spend thrifits create them. It's only common sense that if you rob Peter to pay Paul, someday you're going to have to account for it. That accounting comes in the form of inflation and recession and these affect everybody young and old, businessmen, farmers and workmen. You should vote for a man who will continue the fight against the waste of your tax dollars.

"good work Al"

CONGRESSMAN ELFORL A. CEDERBERG

Authorized and paid for by the committee to keep the good work of Al Cederberg Michael A. Fargush, Treasurer

EARL GRAHAM HEARING AID SPECIALIST

OLDSMOBILE 1977 MORE THAN JUST BETTER CARS THEY'RE BETTER OLDSMOBILES

In our search for a new measure of excellence, we've strived to make every Olds a better Olds for 1977. Our new Ninety-Eights and Delta 88s are more space-efficient, more weight-efficient and fuel-efficient than last year. (EPA test results below are estimates; your mileage depends on how you drive, your car's condition and its equipment. California EPA estimates are lower.)

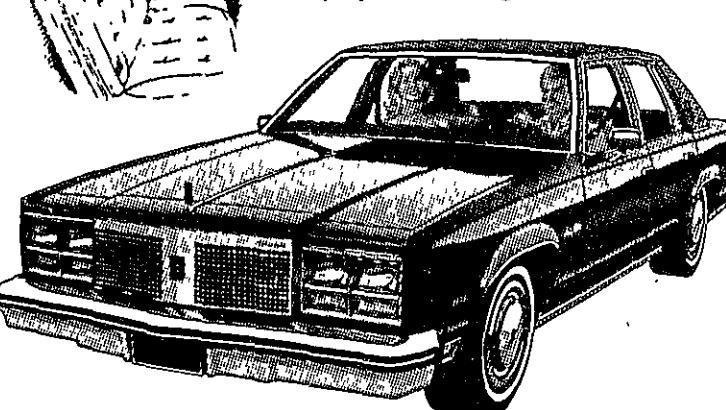

There's lots more, too. Redesigned Rocket V8s... beautiful new interiors in many models... a new Cutlass Supreme Brougham 4-door with a luxurious 98 Regency-type interior... a new Toronado XSR so dramatic in design it causes excitement wherever it is seen. So read our news, then visit your Olds dealer. He's got the Olds that fits your needs and lifestyle!

CAN WE BUILD ONE FOR YOU?

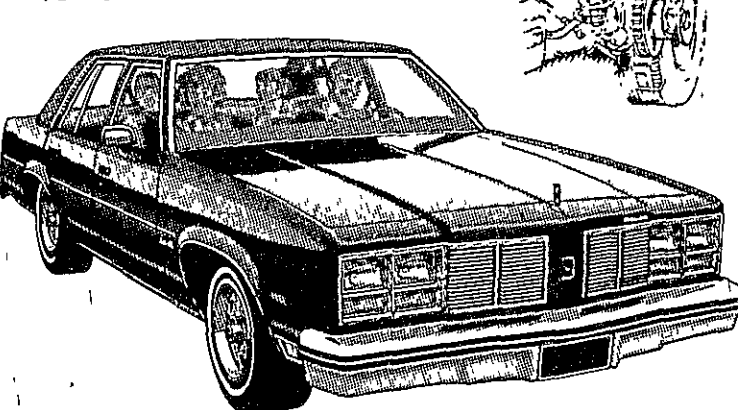

98 Regency. A remarkable new kind of luxury.

Only a completely new car could do everything a luxury car must do in 1977. So here's the room, comfort and splendid luxury you expect in a Regency... plus the unexpected luxury of good gas mileage: an estimated 21 mpg in the EPA highway test; 16 mpg in the city test, with the standard Rocket 350 V8! You've got to experience its driving ease to believe it!

Delta 88 Royale. New idea in family cars.

Now you don't have to sacrifice the room, the comfort, and the great ride you want—to get the kind of good gas mileage you need! There's a new headroom and legroom in the rear... new suspension systems for the smooth, big-car ride you like. Yet Delta 88 mileage is dramatically improved: 23 mpg, highway; 17 mpg, city test, with available Rocket 260 V8.

Salon: The "grand touring" Cutlass.

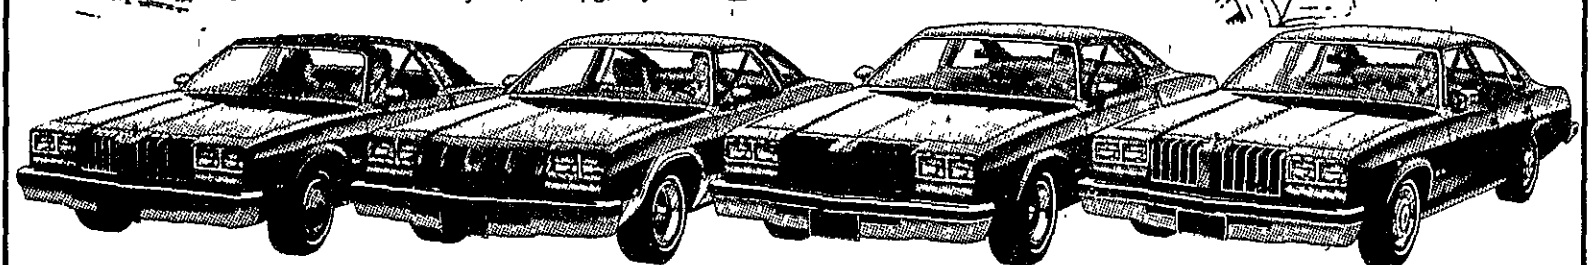

With 260 V8, 5-speed transmission, 2.73 axle, EPA estimates are: 26 mpg, highway; 17 mpg, city. Hatch roof available.

4-4-2: The legend lives on! Bold, sporty looks. FE2 rallye suspension.

EPA estimates with available 260 V8, 5-speed transmission, 2.73 axle: 27 mpg, highway test; 17 mpg, city.

Cutlass S: Classy Cutlass look, ride, and comfort in the lowest-priced Cutlass of all! Plus an EPA highway rating of 26 mpg; 16 mpg, city, with standard 231 V6 engine and manual transmission.

Supreme Brougham: Big-car luxury interior, practical size in coupe or new sedan! EPA estimates: 25 mpg, highway; 18 mpg, city, with 231 V6, available auto-matic, 2.73 axle.

Tornado XSR. New concept in personal luxury cars.

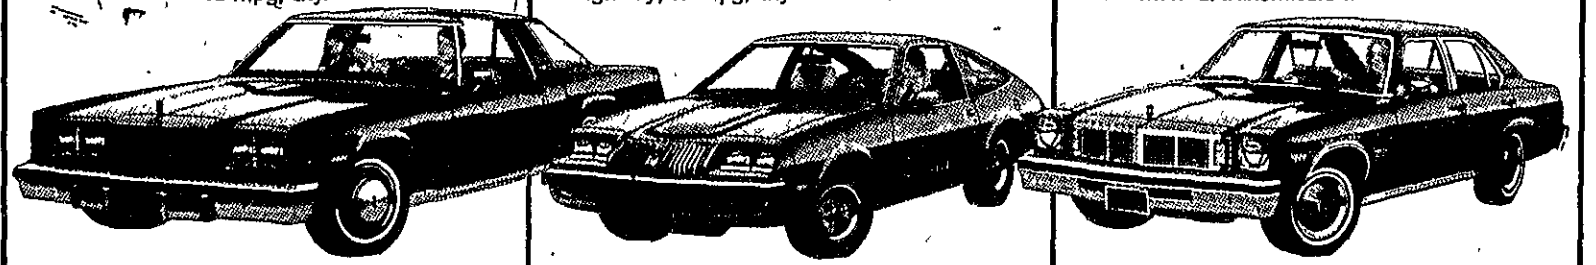

Twin sliding roof panels, wraparound rear window, a new classic look. New Rocket 403 V8 with computerized MISAR electronic spark timing. EPA estimates: 19 mpg, highway; 13 mpg, city.

Starfire GT. The joy of driving is alive and well!

See what's in Starfire with the available GT package: buckets, floor-shifter, tach and gauges, GT stripes, rallye wheels—and more! EPA estimates with available 231 V6, 5-speed transmission, 2.56 axle: 34 mpg, highway; 19 mpg, city. Sensational!

Omega Brougham. Economical answer to expensive European sedans.

Our impressive "import fighter." Roomy, luxurious-feeling, inside; compact, maneuverable on the road. The affordable alternative! EPA estimates: 27 mpg, highway; 16 mpg, city, with standard 231 V6 engine and manual transmission.

Welcome Wagon hostess brings smiles plus a variety of useful gifts

By Sue Kiley
County News Writer

A friendly smile, a helping hand, an introduction to the community, plus a basketful of many useful gifts from area businessmen, that's what newcomers receive when they arrive in St. Johns.

Mary Pelham, area hostess for Welcome Wagon, serves as the official greeter to people moving to St. Johns. Her bubbly personality makes a shy newcomer to the community feel at ease and relaxed.

Mary in most cases becomes the first friend new residents meet. She makes them feel this is their home from the very start and encourages them to become involved.

Welcome Wagon started in St. Johns seven years ago, although nationwide it has been in existence since 1929. Mary has been hostess for the past two years.

She first became involved when she too was a newcomer to the St. Johns area. She was a member of the Newcomers Club, and then took over the hostess job.

"I enjoy doing this type of thing," Mary said. "It's a very pleasant job." Mrs. Pelham finds that the Newcomers Club is a rewarding aspect to getting people involved with the community. "Seeing the girls getting involved is quite gratifying," the hostess commented.

To new people in town Mary goes to their home bringing her official Welcome Wagon basket full of "goodies", and then explains things about the

community. She has information on the civic aspects, the Chamber of Commerce, hospital, Jaycees, and other non-profit and volunteer organizations.

She then gives the family gifts and gift cards from the area merchants.

"These businessmen are very generous. It is their way of saying 'Welcome to St. Johns'."

Mary said the people she

contacts are friendly, and usually very happy to see her. But then she relates to the problems of moving, of leaving friends, and having to start all over again.

The Pelham family has moved several times during the years, so Mary is an expert about the ins and outs of the moving game.

Another thing that Mary does when she talks to the newcomer is to encourage and remind them to get their

driver's license changed and register to vote.

Mary is a personable woman who says, "I love people and I enjoy talking to them. This person to person contact is needed when a new family comes to town," Mary said.

When Mary hands out the cards from the businessmen and the gifts she says many of the women say, "I feel it's just like Christmas." Mary quickly replies, "And I feel

just like Santa Claus."

Normally at the Newcomers Club there are anywhere from 10 to 21 people at the meetings. "It's a walk-in type situation." We hold our meetings on Thursday mornings at the Someplace Else Restaurant located on South U.S. 27. Not only newcomers are welcome. Anybody can attend.

"These girls are all friends seeking friends," she said. Mary is married to Jim Pelham, who works at the county extension office. The couple have three children, two daughters and a son and three grandchildren.

Their oldest daughter Mrs. Ken Garrison, of Marshall, has three children. The middle daughter Carol is a nurse and will be getting married in December. Their son Jim is a sophomore at Michigan State University.

Mary is also involved with the Red Cross and the Women's Club.

If any new resident has been missed they can call Mary at 224-6047.

Newcomers, don't be surprised if someday, maybe when you least expect it a very happy, smiling lady greets you with a basket full of surprises and a warm hello. It's Mary Pelham, St. Johns Welcome Wagon hostess.

WELCOME WAGON HOSTESS, Mary Pelham right, greets Maria Giesecke, newcomer to St. Johns with a basket of "goodies" from area merchants.

Hurd School site of Alpha Eta meeting

The members of Alpha Eta Chapter of Delta Kappa Gamma were guests of Dr. Arselia Ensign at the Hurd School Sept. 21.

The building was purchased by Dr. Ensign in 1970, and restored to its former aspect of a model rural school. Dr. Ensign said people of the community were very helpful, especially children, who scrubbed and decorated to assist in restoring it to its former

state of useability.

Numerous meetings have been held here but the outstanding occasion was the marriage of Dr. Ensign to her husband, Albert, which took place in this country school with a limited audience, but with many curious eyes of the "little people" looking on.

The members brought their lunches in decorated boxes and a prize was given for the most attractive one.

Ella Mae Beck was the winner with her little red school. Dessert was furnished by the hostesses.

Dr. Ensign also puzzled the members by having a concealed object in a box. Marcella Edinger and Opal Fisher were the alert ones and guessed that it was a globe.

The business meeting was conducted by the president, Louise Sommerlot. A thank you was read from the senior citizen groups of Owosso and St. Johns expressing their appreciation to the Alpha Eta Chapter for the donations.

Edna Whittemore and Mildred Leonard were granted reserve membership.

Four members: Etta Smith, Louise Sommerlot, Estell Geller and Alice Thrun attended the State Convention at Kalamazoo in May.

The members voted to accept the recommendations of the finance committee which were as follows: active membership dues, \$18; reserve membership, \$10; World Fellowship, \$25; gift fund, \$25; scholarship, \$10.

The president discussed the theme for the year's program. The committees met to set up the activities for the year.

Program books were distributed by the president, Louise Sommerlot.

The next meeting of the Alpha Eta Chapter will be held Oct. 19, in the Central National Bank Community Room in St. Johns.

Sturgis anniversary

The three sons of Mr. and Mrs. Richard Sturgis--Daniel, Douglas and Dennis--were hosts for an open house honoring their parents' 25th wedding anniversary at their home, 228 W. Oak st., Elsie, Saturday evening, Sept. 18.

Mrs. Cleo Williams, Mrs. Elaine Sturgis and Mrs. Helen Potter assisted in serving the buffet luncheon with coffee, punch, ice cream and a large tiered wedding cake made by Mrs.

Nancy Hehrer.

The tiered cake was pink and silver, topped with a silver bell and heart with numerals "25".

Approximately one hundred guests were present from Muskegon, northern Michigan and the Ovid-Elsie area.

The wedding of Richard

Sturgis and the former Joanne Williams was held Sept. 22, 1951 at Elsie First Baptist church with the Rev. James Lombard officiating. They were attended by Mr. and Mrs. Alton Howard, Rose Sturgis, Helen Williams, Glenn Williams and Leslie Sturgis.

All members of the wedding party were present at the 25th anniversary with the exception of Rev. Lombard. Special guests were Mr. and Mrs. Leon Williams, parents of Mrs. Sturgis but Mrs. J.D. Sturgis, mother of Dick was unable to attend since she is in the Maple River Rest Home.

Griggs appointed assistant cashier

A Rogers City woman has been appointed assistant cashier of Clinton National Bank and has been assigned to the bank's Valley Farms (Lansing) office as assistant manager.

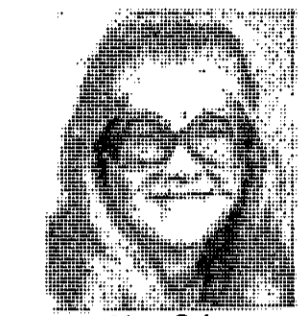

Mary Grigg, a Northern Michigan University graduate, will assume her duties at Valley Farms on October 18. She will replace Donald Beavers who moves to Bath where he will

manage Clinton National's full time office schedule to open later this year.

Ms. Grigg received her degree in accounting in 1975. She was formerly employed

at the Ramada Inn in Marquette. In addition, she worked during the summer school breaks at U.S. Steel in Rogers City.

While in school, Ms. Grigg was a member and president of the Chi Omega social sorority and a member of the Accounting Finance Club. She also served as chairman of Career Opportunities at NMU in 1975.

Mary Grigg

Ms. Grigg joined Clinton National in May of this year

as a management trainee. She has worked in various departments and most recently was assigned to consumer lending. In her new assignment, she will assist in the supervision of the entire Valley Farms office.

Mary resides in St. Johns where she is a member of the Business and Professional Women.

Ms. Grigg is the daughter of Mr. and Mrs. Raymond Grigg of Rogers City.

State president addresses Child Study Club

The St. Johns Child Study Club met Sept. 15 at the home of Mrs. Marilyn Newman. Co-hostesses for the evening were Mrs. Janet Scott and Mrs. Sharon

Fitzpatrick. Mrs. Ethelyn Walker, president of the Michigan Child Study Club Association presented an informative program, "Who, What, How and Why of Child Study." The St. Johns Club was chartered in 1922 and will be honored at the Fall Conference in Jackson in October.

Barb Penix performs

The University Symphony Orchestra will open its 1976-77 concert season on Sunday afternoon, Oct. 3, with a 3 p.m. performance in Miller Auditorium. This 80-member ensemble from the music Department at Western Michigan University is conducted by Herbert Butler.

Participating in this concert will be Barbara Penix, daughter of Mr. and Mrs. Donald Penix of 2417 Avery Rd. in St. Johns.

America's future. Dairy Farmers want to be a part of it... and we hope the feeling is mutual.

Mutual effort is what makes Michigan Milk Producers Association work. For the dairy farmers who make up MMPA. For you, the consumer.

For sixty years, we have been a cooperative owned and controlled by dairy farmers we serve. We are still working together to keep our farms efficient and productive.

So, even though there are now only about half as many Michigan dairy farmers as there were in 1964, our cooperative efforts continue to assure you an adequate supply of milk and other dairy products. And we at MMPA want to be able to continue serving you. Because we believe the dairy farmer is important to America's future, just as you are important to the future of the dairy farmer. But preserving the American dairy farming industry requires a mutual, united effort. That's why the dairy farmers of MMPA keep working together, and keep working to stay together.

Michigan Milk Producers Association
"We're cooperative people"

Mr. and Mrs. Randall Davis

Bereon, Davis exchange vows

Rhonda Jean Bereon and Randall John Davis were united in marriage by Rev. Heinz in a 4:30 p.m. double ring ceremony Sept. 11 at St. Peter's Lutheran Church.

The bride is the daughter of Mr. and Mrs. Ellis Laurack of RR Spring Arbor. The groom is the son of Mr. and Mrs. Orvel G. Davis, of 4480 W. Cutler Rd. in DeWitt.

The altar was decorated with pink daisies and white gladiolas. Music for the ceremony was performed by Raymond Bergdoll.

For her wedding the bride designed and made her own gown of ivory with flowered lace at the waist and sleeves, and above the hem. She made a Julian cap with matching ivory netting and lace and carried a nosegay of white and peach roses trimmed with green leaves.

Attending the bride was Chris Luchauer, matron of honor. Best man was Jim Schumaker, a friend of the groom.

Ushers were S. Rourke, and Harold E. Schmidt, a brother-in-law of the groom.

The matron of honor wore a peach colored halter dress with a multi-print jacket which was designed and made by the bride. She carried a single ivory rose with a ribbon attached.

The mother of the bride wore a floor length dress of light blue trimmed in navy. The groom's mother wore a floor length dress in a mint green flowered pattern. Both mothers wore rose corsages.

A reception was held for 250 guests at DeWitt Memorial building with a buffet dinner and dance. Music was by the Mello Tones.

Host and hostess were Mr. and Mrs. Raymond Watson of Loomis Rd. an aunt and uncle of the groom.

The cake was made by Mrs. Glenna Soltow, of DeWitt.

The couple took a wedding trip to the Upper Peninsula. Upon returning they are making their home in Celena, Ohio.

Mr. and Mrs. Charles Rehmann

Afternoon ceremony unites couple

Holy Childhood Church was the setting of the Saturday afternoon Aug. 7 wedding that united Mary Katherine Marco of Harbor Springs and Charles Rehmann of St. Johns and Roaring Brook, Michigan. Arrangements of white gladioli with baby breath and ivy were on the altar. Father Gerald Dvorak officiated at the double ring ceremony. White satin bows with flowers marked the

pews as the bride approached the altar on the arm of her father. Mr. and Mrs. Phillip Marco of Green Acres Farm, Harbor Springs, are parents of the bride and Mr. and Mrs. Norbert Rehmann of St. Johns and Roaring Brook, Michigan, are the groom's parents. Professor August Huybrechts, organist, presented the wedding music. Soloist Mrs. Carol

Parker sang "One Hand One Heart", "The Wedding Song" and "The Ave Maria". The bride wore an empire style gown of Quiana featuring lace inserts in the bodice and high neckline. A matching lace train completed her ensemble. A wide brimmed picture hat layered with ruffled organdy held her cascading veil of tulle and she carried a colonial style bouquet of white miniature roses, stephanotis, white elegance carnations and baby breath accented by ivy streamers. Maureen Marco was her sister's Maid of Honor and bridesmaids were Michelle Rehmann, sister of the groom, Darlene Pipkin of Miami, Florida, Julie Kraus of Petoskey and Mary Ellen Desimpel, Junior Bridesmaids, of Harbor Springs. They wore matching white and kelly green linen colonial print sleeveless gowns. The necklines and sleeves were trimmed in kelly green linen and they carried lace edged colonial bouquets with ivy streamers. Lambert Rehmann,

as best man and the groomsmen were Eric Rehmann, brother of the groom, Phillip Marco, II, brother of the bride, and Mark Stevenson of St. Johns, Michigan. Seating the wedding guests were ushers Paul Marco, brother of the bride, Scott and Mark Rehmann, brothers of the groom. A reception was held at Green Acres Farm, the home of the bride. For her daughter's wedding Mrs. Marco wore a soft yellow Quiana gown with a bronze chiffon print tunic. The mother of the groom wore a pale coral Quiana dress accented with matching embroidery trim. After a honeymoon in Canada and Nova Scotia the couple will make their home in East Lansing where both are completing their studies at Michigan State University. Mary Katherine is a graduate of the Leelanau School and attended Aquinas College and is presently an Art major at MSU. The groom is a graduate of SJHS and is presently a senior at MSU.

Engaged

MR. AND MRS. JOHN J. REHMANN, of St. Johns, wish to announce the engagement of their daughter, Mary Elizabeth to Robert John Jones, son of Mr. and Mrs. John L. Jones of St. Johns. Mary is a 1973 graduate of St. Johns School and is employed by Rehmanns clothes. Jones is a 1970 graduate of SJHS and is farming in partnership with his father. The wedding is planned for Feb. 5, 1977.

Anniversaries

Mr. and Mrs. Norman Platte, will celebrate their 40th wedding anniversary Oct. 10. A mass for the

couple will be held at 10 a.m. at the St. Mary's Church in Westphalia. An open house will be held from 2-5 p.m. in St. Mary's Hall.

Kendall open house

Dr. Donald Kendall

The community of Maple Rapids will honor Dr. and Mrs. Donald Kendall at an open house, to thank them for 29 years of veterinary and public service.

The open house will be held from 2-5 p.m. at the Congregational Christian Church on Oct. 3. A table for greeting cards will be available.

Friends and relatives are invited.

Mr. and Mrs. Clarence Botum, of 605 N. Clinton Ave. are celebrating their 60th anniversary Oct. 4. They have lived all their lives in the Clinton County area, farming in Essex Township until they moved to St. Johns. A card shower will be held that day for the couple at their home.

Auxiliary attends state convention

Following the opening ritual, highlights of the Auxiliary State Convention at Grand Rapids and Fall Conference at Troy were given by Anita Lynam, Joan Smith and Kay Mishler.

May Loo Foo of St. Johns was presented with an honorable mention certificate of participation in the Americanism Essay contest.

National Auxiliary president Lotus Schanel gave the keynote address on Saturday, a parade of Spirit of '76 costumes was held and Majorie Abbott of Midland was installed as the Eighth District president.

Auxiliary programs that Unit 153 will participate in this year include, the Americanism Essay contest-topical is "Citizen By Choice Or Birth." Rules will be available at all schools and the Bement library. It is open to all junior and senior students in Michigan. Promoting the purchasing of hearing aids for deaf children in children's hospitals is a children and youth major project. Saving all bonus coupons, cigarette coupons and trading stamps will help promote this.

Postage stamps will also be saved and sent to the Navajo Indian Children

Orphanage in Tuscon Arizona. The Foreign Relations C.A.R.E. country is Guatemala. Girls State week will be in June of 1977 at Olivet College and the Annual Poppy days will be May 19-20-21, 1977.

Auxiliary Gift Shop Days at the Saginaw Veterans Administration Hospital will be Nov. 30, Dec. 1 and 2. Unit 153 will send 4 workers to aid the veterans in choosing their gifts for their families and wrapping them for mailing.

Membership quota of Unit 153 is 152. To date 102 members have paid their 1977 dues. Girls Staters for 1976, Laura Gunther and Mary heron will be guest speakers at the next regular meeting of Unit 153. The meeting is Oct. 19 at 8 p.m.

County girls graduate

Two Clinton county girls have received degrees from Eastern Michigan University. Barbara Jean Burns, of 1009 Sandy Lane, St. Johns and Joellen Kay Womsey, of 436 West Front, in Ovid, received Masters' degree.

Judy Moore to exhibit sheep

Judy Moore of Eagle will be exhibiting 11 head of purebred Cheviot sheep at the North American Livestock Exposition in Louisville, November 12-20, officials of the show reported recently.

She will be competing against other breeders from all over the United States and Canada for premiums and awards which total some \$130,000. The Exposition, which is one of the largest such livestock shows in the Nation, is expected to feature more than 5,000 head of top-quality cattle and sheep.

The event features a total of six beef breed shows, a junior beifer show, an open steer show, a Pen-of-Five Feeder Calf Show and Sale, 12 sheep shows, a market lamb contest, plus youth and ladies lead division. Additionally, seven beef cattle breed sales are scheduled.

Show officials have scheduled three performances of World Championship Rodeo during the first three days of the Exposition.

Candlelight highlights wedding

Denise Maier, and Thomas Pentecost exchanged wedding vows Aug. 28 at 7 p.m. during a candlelight ceremony at the First Congregational Church in St. Johns. Performing the marriage was Rev. Averill M. Carson, assisted by Rev. James Wilcox, uncle of the bride.

The bride was escorted down the aisle by her father. The altar was decorated with an arrangement of white baby mums, pink daisies and baby's breath. Candles were lit by Douglas Wood and David Maier.

Parents of the couple are Mr. and Mrs. Daale Maier, of 210 W. Lincoln, and Mr. and Mrs. William Pentecost, of Framingham, Mass. Organist for the ceremony was Rhonda Hambleton Soloist was Ann Holm, who sang "Follow Me," and "All Good Gifts."

The bride chose a floor-length gown of Quilana, with a fitted bodice featuring a draped effect. The gown also featured a cathedral length train, and sleeves and neckline trimmed in Venise lace. Her cathedral length veil of chiffon was secured by a Juliet Cap trimmed in Venise lace.

She carried a colonial bouquet of Sonia roses, and stephanotis with baby's breath. White dotted swiss streamers trimmed with eyelets fell from the cascade of flowers.

Maid of honor was Connie Schreider, of St. Johns. Bridesmaids included, Judy Kurjila of St. Johns; Anne Gretzen of Grand Rapids; Carol Cornwell of Royal Oak, all friends of the bride; and Susan Pentecost, sister of the groom, from Framingham, Mass.

The attendants wore identical floor-length jacket dresses of Quilana in contrasting shades of coral. They carried colonial bouquets of Sonia roses, white daisies and baby's breath trimmed with cream-colored streamers.

Best man, was Mark Wood, friend of the groom, from South Haven. Groomsman were: Tom Shmielewski, friend of the groom, from South Haven; Robert Johnson, a friend of the groom from Farmington; Jim Pentecost, brother of the groom, from New York City; and Brian Maier, brother of the bride, from St. Johns. Ushers were Brad Rinckey, Michael Wilcox, cousins of the bride.

For her daughter's wedding Mrs. Maier, chose a floor-length pink Quilana gown with a matching jacket and wore a corsage of pink roses and white daisies. Mrs. Pentecost chose a floor-length Quilana gown of muted shades of blue with a matching jacket. She also wore a corsage of pink roses and white daisies.

A reception for 275 people was held at the VFW Hall in St. Johns after the ceremony. Host and hostesses were Mr. and Mrs. Keith Jolly, friends of the bride, and Mr. and Mrs. William Rinckey, aunt and uncle of the bride.

The guest book was attended by Betty Sickles, and Ellen Jolly, friends of the bride, the wedding cake was cut and served by Joyce Wilcox, aunt of the bride. Punch and coffee was served by Rita and Darlene Maier, aunts of the bride, and the gift table was attended by Shelly, Karen, Frances, and Gloria Maier, cousins of the bride.

Special guests at the wedding were Mr. and Mrs. Virgil Wilcox, grandparents of the bride; and Mr. and Mrs. Norman Pentecost, aunt and uncle of the groom from Toronto, Canada.

The couple were also honored at a reception Sept. 4 at the groom's parents home in Framingham, Mass, which 50 friends and relatives of the groom's attended.

The couple took a wedding trip to Boston and Cape Cod areas.

The bride is a 1973 graduate of St. Johns High School and is currently a senior at Michigan State University School of Nursing. The groom graduated from Western Michigan University, in 1975 with a degree in Aviation Technology.

The couple will be making their home in Spartan Village, East Lansing.

Mr. and Mrs. Thomas Pentecost

Ladies golf banquet

LADY GOLFERS of the Clinton County Country Club held a banquet recently to hand out trophies and to have the final get-together of the season. The Green Tea Cup Award went to Sandy Overly. Champion flight winner was Pauline Merlam; first flight winner was Kathy Calthorp; second flight winner was Mrs. Overly; and third flight winner was Val Colletta.

Orvel Walter serves as 10-state chairman for Poppy Program

Mrs. Orvel Walter, 8120 W. Main Road, Ovid, will serve as chairman in a 10-State area for the VFW Auxiliary Buddy Poppy Program. She will represent Michigan, Illinois, Indiana, Iowa, Minnesota, Missouri, Nebraska, Ohio, South Dakota and Wisconsin.

Faye Walter

Dividend approved

A special five cent dividend has been approved by directors of Clinton National Bank of St. Johns. The dividend, payable Nov. 1 to stockholders of record on Oct. 15, will be in addition to the dividends paid Jan. 1 and July 1 of this year and brings the total for 1976 to .59c per share for a total of \$197,763.38. This is an increase of \$25,379.08 over 1975 paid to shareholders.

The appointment was made by Mrs. Mary Souders of Portland, Oregon, National Auxiliary President. As a National Chairman, Mrs. Walter will encourage use of the bright red flowers in decorations, corsages, and special "Buddy Poppy" sale days.

Buddy Poppies, the Auxiliary's "Flowers of Remembrance" since 1922, benefit hospitalized veterans who assemble them, non-hospitalized veterans and families, who are reached through the Rehabilitation Program, and children at VFW National Home, Eaton Rapids, Michigan. Proceeds from Poppy sales are used exclusively for these three groups.

Last year a new record was set in poppy sales: Auxiliary members, aided by 778 Junior Girls and non-members sold 9,777,707 flowers, collecting \$2,132,920.65.

Snider appointment

ROGER SNIDER, a former St. Johns resident, recently accepted the position of art director at Ferris State College, Big Rapids. He graduated from St. Johns High School in 1971 and from Grand Valley State College in 1975 with a major in graphic arts. Snider is married to the former Mary LaBrie. They will be moving to Big Rapids in the near future. They now reside in Grand Haven. He is the son of Mr. & Mrs. Kenneth Snider, St. Johns.

Roger Snider

INTRODUCING THE GOLDEN EAGLE STATEMENT SAVINGS ACCOUNT

It's **5 1/4%** daily interest with **FREE** services for you.

Our new Golden Eagle Statement Savings Account has a lot going for you.

First, it is a savings account that earns 5 1/4% daily interest, paid or compounded quarterly. When compounded, the Golden Eagle Statement Savings Account earns an effective annual yield of 5.35%.

You can open and maintain your Golden Eagle Account with a \$500 minimum balance. Plus, with it — you receive the following additional benefits, which were never before available with a regular account —

Prestige Card: When you open your Golden Eagle Account, you receive a Prestige card that's honored by savings and loan associations across America. Your Prestige card is also used instead of a passbook, for all transactions involving your Golden Eagle Account. With every deposit or withdrawal, you're given an individual receipt showing the amount involved in the transaction as well as the current balance in your account.

Monthly Statements: In addition to individual receipts, you will receive in the mail a full statement of transactions for the previous month. It will detail how much you have added or withdrawn, when the transactions were made, even at which branch you made them. It will also detail how much interest you've earned.

Out-of-town Emergency Cash Plan: Your Prestige card can be used for out-of-town emergency cash. It permits you to withdraw (or even cash your personal checks) at locations nationwide (up to \$200.00).

Money orders and Travelers' Checks: With your Golden Eagle Statement Savings Account you are entitled to unlimited travelers' checks and/or money orders free. You pay only the "face" value — there's no charge for the service.

Notary Service: Another plus, should you ever need notary service, it's also free with the Golden Eagle Statement Savings Account.

Giftcheck: You get free use of our Giftcheck service. To make a money gift to someone, come in and make arrangements for the amount to be taken out of your account and made payable to that person by a Giftcheck. Various selections available.

Farming and 4-H - - - in Clinton County

Teams compete in national events

BOB DAVIS, ST. JOHNS, looks at his 4-H Beef Steer Carcass that was selected as the top carcass of the 37 steers that were slaughtered at Buggs Brothers, St. Johns, and Sheldon's at Ovid, following the 1976 Clinton County 4-H Fair. With Davis is Pete Blawieckel, Michigan State University student and John Anstead, Michigan State University Meat Laboratory manager, who did the grading of the steers and lambs. Davis' steer dressed out 714 pounds of meat, had .35 back fat, had a 15.3 rib eye area and yield grade of Top Choice. Bob's Steer was purchased by Karber Block and Tile Company of St. Johns for 46 cents a pound.

Clinton County 4-H will be well represented this fall at four National 4-H events, as four members will be participating as part of different Michigan teams. Karen Green of the Brush & Halter Club in Elsie is one of the seven Michigan 4-Hers to attend the 1976 National 4-H Dairy Conference in Madison Wisconsin, Sept. 28 to Oct. 1, in conjunction with the World Dairy Exposition. The group will be attending banquets, hearing outstanding speakers, touring the Madison area, as well as viewing the outstanding dairy exhibits at the Dairy Exposition. Their trip is sponsored by Michigan Milk Production Association.

Rick Batora - Elsie 4-Corners 4-H Club, is one of the four Michigan 4-Hers selected to Judge at the National Junior Horticulture Conference, Oct. 29 to Nov. 1, at King of Prussia, Pennsylvania. He will be judging 64 basic horticulture items, judge 20 items in a specific area, take a written exam of 40 questions and place 3 classes of horticulture items. Besides the judging contest he will be attending workshops, hear outstanding speakers and take a tour of the Pennsylvania area.

Jeanne Striz - Scattered Southeast 4-H club of St. Johns and Karen Green of Elsie have been selected to represent Michigan at the National 4-H Dairy Judging Contest, Oct. 1-5, at Columbus, Ohio. There will be 37 4-H Dairy judging teams from throughout the United States participating in this contest. They will be working for top team, top breed awards and for national scholarships. The other two members on the team include Mike Smith of Barry County and Randy Lettinga from Allegan County. The team will stop at different dairy farms enroute to Columbus to practice their judging talent. Their trip is being sponsored by the American Dairy Association of Michigan.

Jeanne Striz - Scattered Southeast 4-H club has won the state 4-H Dairy award and based upon her achievements, she has been

4-H Chatter

By John Aylsworth

selected to attend the 55th Annual National 4-H Congress, November 29 to December 2, in Chicago, Illinois. Jeanne will join the thirty other state award winners in representing Michigan at this great event. While in Chicago, they will visit the museum of Science and Industry, Marshall Fields, China Town, National Art Gallery as well as many other points of interest plus hearing many outstanding speakers and programs. Over 1,500 outstanding state award winners representing every state will be there to attend the National 4-H Congress.

This summer Cindy Thornton of St. Johns went to Belize in Central America as part of the Michigan 4-H Exchange. She took along a \$25 check from the county 4-H teen leader club to give to the Lucky Strike 4-H club in Belize, to use for their different projects. Ray Burns writes "the money will be used to finance a chicken project for the 4-Hers. Thus with good care that investment should return itself four fold. A revolving fund will be established to aid other 4-Hers in the form of a loan payable after each successful operation."

Lucky Strike 4-H club has about 40 members taking projects in vegetables, clothing, foods and poultry. These members attend Lucky Strike school consisting of 130 youth in a one room school building. The children are sitting 3 to a desk which creates discipline problems. The area is poor and often the children suffer from poor nutrition.

One item they could use is good school books (math and science) for grades 1-8. Lucky Strike is one of the five government schools in the country that does not have outside support and backing. In 1975, I spent a week at Lucky Strike visiting the school and 4-H club. These people can use a lot of help. Anyone who knows

where elementary math and science books, in good condition, can be secured please contact the County Extension Office in St. Johns.

Steers draw interest

Interest in 4-H market steer projects continue to increase as 4-H members indicate they plan to enroll between 90-100 steers for the 1977 4-H fair livestock show and sale. The 4-H Beef

Committee met to discuss this increased interest and voted to allow the members to show and sell up to two market steers at the fair. All market steers must be signed up by January 1 for the 1977 show and sale. Any member wishing to take beef steers next year and has not yet been contacted by letter, should notify the Extension Office as soon as possible indicating the number of steers you plan to take to the fair.

Nimble Fingers busy
The Nimble Fingers 4-H club members evaluated the 4-H fair and voted to pay \$22.08, covering the cost in building the float. Lori Hufnagel was congratulated for the good work she did serving as float chairman. The members were reminded to save their glass and newspapers for the 4-H drive October 2, at the fairgrounds. Demonstrations were given after the business meeting.

The next meeting will be Monday, Oct. 11, 7 p.m., Smith Hall in St. Johns for signing up for the new year.

New Riley Officers
The Riley Ramblers 4-H members elected new officers for the 1977 program year. They are: Alayne Blaylock - President; Ronald Koeppen - vice-president; Gary Martin - secretary; Kim Martin - treasurer; Kris Schaefer - newsreporter; Jim Parhouse and Rick Martin - recreation leaders. Following the election 20 members signed up for winter projects. The members were quite proud of Kim Martin winning a Horse trophy at the fair fun night. Demonstrations were given by Danny Dietz on Woodworking and Kim Martin on "Cutting out a clover correctly." The clubs next meeting will be Oct. 11, at the home of Karl Schaefer.

ONE-CYLINDER FUNABOUT

77 Polaris Colt

Here's a frisky Colt that will give you great performance for your money. A one-cylinder model that gives its all in work or play. Ideal for economical hauling and towing on the farm, ranch or ski area, yet it's got what it takes for just plain fun! This year, go Colt!

County Extension Agent

Shorter days-not colder weather-cause leaves to change color and drop from the trees each fall.

The beautiful autumn leaf colors are caused by pigments, the chemical substances found in most living things.

Most of the pigments responsible for the bright fall colors are present in the leaf from its formation. During the spring and summer, however, the colors are masked by chlorophyll, the dominate green pigment. Chlorophyll is formed by exposure to light, or the process of photosynthesis.

In the shorter fall days photosynthesis stops and production of new chlorophyll in the leaves diminishes while the breakdown of old chlorophyll continues. Soon all the chlorophyll is gone and the other pigments emerge as the characteristic fall colors.

Weather does have some effect on leaf color. Cool nights and warm days favor the production of colorful scarlets, lavenders, and

purples. Freezing temperatures, on the other hand, kill the leaf cells and prevent color formation.

Shortened days are also responsible for the chemical change in the leaf which causes it to detach from the tree. This chemical reaction takes place in the leaf stalk

where it joins the twig. The substance binding the cells breaks down, and the leaf eventually falls to the ground.

No one is certain why the seasonal behavior of plants is more often a response to light than to other environmental factors.

Perhaps it's because most environmental factors as; temperature, rainfall, and food supply vary from year to year. Changes in the hours of daylight on the other hand, are the result of the regular movement of the earth around the sun, and don't vary from year to year.

Plan Fall Rally

Bicentennial theme at Oct. 18 meeting

With this Bicentennial theme, the women of District 5 are planning an exciting Fall Rally. We are going to delve into our past as women, as Farm Bureau members, and as farmers. A Grand Ledge group, Kaps and Kerchiefs, will share with us their findings in researching the clothes of different types of people at different times in our history. Dolores B. Storey, Ph.D., who is a consulting

psychologist, is sure to inspire those present in their role as women. Special guests are invited and several surprises planned. We will meet at Long's Convention Center, 6810 S. Cedar, Lansing on Monday, October 18 from 10 until 3 with registration starting at 9:30. Tickets for lunch can be purchased in advance from the District 5 Women for \$4.75. Participants are urged to wear Bicentennial dresses.

DELORES B. STOREY, Ph.D who is a consulting psychologist will speak to Farm Bureau women of District V at their Fall Rally Oct. 18 in Lansing.

Happy Hix enjoy ham dinner

The Happy Hix Community Group met Sept. 17 at the Clinton Farm Bureau office to enjoy the 10-pound ham they won in the contest between Community groups held during the membership drive in January. The contest was based on assistance by the group in the roll call drive and the number of new members

signed by the group members. Ten families were present at the dinner and, in addition to baked ham, the members brought several dishes to pass. The regular business meeting followed which included plans for attending county annual meeting Oct. 12. Michigan Farm Bureau

sponsored the contest for hams within the Community Groups to increase assistance in obtaining county goal by Community Groups within each county. The Happy Hix had five members who served as workers, a township captain and the roll call manager as members of their group.

Farm Bureau Annual Meeting Oct. 12

Official notification will be in the hands of the 1557 family members this week announcing the Annual Meeting of the Clinton County Farm Bureau. A highlight of the year for the Bureau, the meeting will feature policy development, election of directors and approval of a list of delegates to the State

Convention in December. The meeting will be held Oct. 12 at Smith Hall in St. Johns beginning at 7:30 p.m. with a buffet style ham dinner served by the ladies of the Pilgrim United Methodist Church. The business meeting will be chaired by Clinton Farm Bureau president Bill

Kissane, who will be assisted by other members of the board of directors. Other items of interest on the agenda will be crowning of the county Farm Bureau Queen, honoring of the Discussion Meet winners, presentation of the Young Farmer of the Year Award, announcement of the

Outstanding Young Farm Women of the Year and introduction of the six students from county schools who attended the Young People's Citizenship seminar at Albion College last June. There will be a contest for the most original and attractive Bicentennial centerpiece. Directors to be

elected are those to represent Bingham and Olive District and Essex-Lebanon District. Bill Kissane and Jack Anderson, directors for those districts respectively are both eligible for re-election. Also a candidate for Bingham-Olive is Neil Barnhart Bingham Township Farmer and for Essex-Lebanon Francis Dershem has accepted nomination.

There will be reports from the various committees contained in the program booklet and, on hand for oral reports, will be district director Bill Spike and Bernie Bishop, Regional representative on the Michigan Farm Bureau staff.

An award will be presented by David C. Morris, of Eagle township for distinguished service to agriculture in the county. He will be Clinton's nominee for State Honors.

Tickets may be purchased from community groups, from members of the board of directors or at the county office. Price is \$3 per person. They may be reserved in advance, with only a limited to be sold at the door.

Summarizing Farm Bureau Year

By BILL KISSANE County President Our County Farm Bureau has had another successful year. The efforts of many people are responsible for the accomplishments of the organization over the past year. The first major goal was reached Jan. 30, when

the county membership goal of 1532 members was reached. This placed Clinton County on the Dedicated Dozen team for the fifth straight year - we were the first county with goal in the larger counties of the state. In March Clinton County Farm Bureau held its first

Local Affairs Day. About 40 Farm Bureau members attended a morning session of the County Board of Commissioners. A noon luncheon was held for the commissioners and several other county officials. After lunch the sheriff, equalization director, land

use director and county treasurer gave brief descriptions of their jobs, and answered questions from the Farm Bureau members.

The Soybean Committee was busy attending Soybean Days, and planting a test plot in cooperation with the County Extension Service, in August the Soybean members numbering 62 in the county had an opportunity to examine the plot followed by a family picnic at Sleepy Hollow Conservation Club.

The Young Farmers had an eventful and busy year-one of the highlights being the Rural Urban Tour in July. Community Groups have continued their important role within the county organization by discussing issues and informing members.

The past month has been busy putting the final touches on the policy development process. Many meetings have been held and many people involved putting their opinions forward helping to make Farm Bureau policy, representative of the views of as many Farm Bureau members as possible.

Four successful fruit sales were held throughout the year. Approximately 1,650 cartons of fruit and asparagus were sold through these sales. The county board had the parking lot at the county office paved during the summer. These are just a few of the activities and projects of the Clinton County Farm Bureau for the past year. For these and all of the other activities carried out by our members a big thank you goes out from the county board and from me, your county president.

Riley and Olive news

Mr. and Mrs. Harvey Hoerner and children attended the chicken barbecue at Wacousta Monday.

Mr. and Mrs. Howard Sargent also attended the barbecue.

Mr. and Mrs. Don Potts, and boys visited Mr. and Mrs. Archibald Potts of Holt, Sunday.

Mrs. Don Potts and Mrs. Gertrude Sargent attended bingo in Lansing, Friday evening.

Monday, Mr. and Mrs. Clare Hardenburg of Lansing visited Mr. and Mrs. Howard Sargent and Mr. and Mrs. Donald Potts and children.

Mr. and Mrs. David Parks and children of Lansing visited Mr. and Mrs. Porter Parks Sunday.

FB Women announce programs for year

September 7 marked the beginning of a new year for Farm Bureau Women in Clinton county and Legislative Issues were in the limelight program wise. Al Almy, legislative

counsel for Michigan Farm Bureau spoke to the group bringing to their attention the Burlson Bill which is considered the number one issue and is concerned with tax reform. There is a possibility that it might be changed to the Ulman bill HR 14844 which is a somewhat different version. He urged all to study the aspects of both bills and

voice their opinion to their representatives in congress.

A great concern to the beef producers is the Packers and Stockyards Act and the Single Business Tax which became effective Jan. 1.

Mrs. Robert Borton, Program Committee Chairman presented the proposed program for the coming 12 months as follows: October installation of officers and a visit to Phillip's Orchard with Mary Phillips in charge. Non-farm guests are to be invited. November - smoke detection in the home and on the farm will be presented by Marilyn McQueen, Gratiot Farm Bureau Women will be guests at the December meeting and a lesson on making kolaches. There will be a home-made gift exchange. January will concern health care with the county nurse as guest. John and Dorothy Flak will show slides of their summer trip to Europe including Germany, Czechoslovakia, Austria, Bavaria and Holland. In March a program will be presented on new ideas in foods and food additives. April will include the history of A.C.W.W. and a program on New Zealand, the 1976 site of Associated Country Women of the World's meeting. In May the group will tour to Holland to the Tulip Festival. In June new

canning techniques will be given with a person present to check pressure cookers for the members. There will be no July meeting, a picnic will be held in August and, in September, Anabel Peck will give the program entitled Plant Time. The program schedule for the year was unanimously accepted by the group.

A guest at the meeting was Bernie Bishop, newly appointed regional representative for the region. He announced that a hearing would take place the following Monday in Lansing regarding new rules laid out by MIOSHA to require certain safety equipment on tractors including roll bars. Several from each County Farm Bureau will be attending.

In other business the women agreed to serve the board organizational dinner in October and agreed to sell their quota of tickets to the District V Fall Meeting Oct. 18 in Lansing.

Mrs. Betty Morris, chairman reported that nine women from Clinton County assisted for one day in manning the Farm Bureau Display at the State Fair in Detroit.

Kincaid District news

Mr. and Mrs. Harold Hoerner had as Sunday visitors Larry Formenti of Lansing and friend, Mr. and Mrs. Clare Hardenburg of Lansing. Mr. and Mrs. Donald Heltenen of Wacousta and a friend from Holt. Mr. and Mrs. Harold Hoerner were supper guests of Larry Formenti of Lansing and friend. Mrs. Donna Nichols is in

Sparrow Hospital recovering from an operation.

Karin Rothstein and Kriss Parks went to Frankenmuth recently.

Mr. and Mrs. Porter Parks and Kriss went to Lowell on a sight seeing trip Labor Day. They saw the Fallsburg covered bridge and the whites bridges.

Mrs. Grace Sullivan received word her cousin Robert Krohn of Deland,

Florida had passed away last week.

Mr. and Mrs. Don Sullivan, Danny, Russ and son Randy all spent Saturday night in the former's cabin and returned home Sunday.

The Sullivan's visited the Birchwood Nursing Home in Traverse City to visit Mrs. Hazel Brackett who is a patient, Sunday.

Mr. and Mrs. Ray Sherman and sons of

Mulliken have moved into their new home near Charlotte, Sunday. Mr. and Mrs. Don Sullivan and Danny visited the former Labor Day and had supper at the restaurant in Lansing, Monday evening.

Mrs. G.V. Pyle accompanied Mr. and Mrs. Robert Scarborough of DeWitt to six mile lake for the weekend.

Mrs. G.V. Pyle spent last Tuesday with Mr. and Mrs. Carl Borchert of Lansing. Eldoris Hahn visited Mr. and Mrs. Porter Parks, Monday.

Friendly Farmers hold meeting at Moore home

The Friendly Farmers Community Farm Bureau Group met with Mr. and Mrs. Raymond Moore on West Chadwick Rd. Sept. 22 for their regular monthly meeting. There were eight families represented for roll call with the meeting conducted by chairman Richard Wood. Two meetings are scheduled this next month: Farm Bureau County Annual and Farm Bureau Women District Rally; the first will be held Oct. 12th at Smith Hall, St. Johns; the second one will be held at Long's, Lansing on Oct. 18.

The group had discussions on (1) Tax Reform (2) The Farm Bureau: Yesterday, Today and Tomorrow which were led by leader David Conklin. New officers elected for

the coming year were: secretary-Mrs. Richard Wood and minuteman-Stanley Fedewa; the other officers are: chairman-Richard Wood; discussion leader-David Conklin; package reporter-William Fedewa; Farm Bureau woman representative-Mrs. Raymond Moore and Mrs. Arnold Blizzard. The County Farm Bureau participated in the Street Fair at St. Johns on Sept. 25 with an exhibit of old machinery and tools, "Two Hundred Years of Agriculture"; stories of our Michigan Agriculture products; and a Pie Booth. The monthly meeting date has been changed to the 2nd Thursday of each month. The next meeting will be held Oct. 14 at the home of Mr. and Mrs. Orvest Davis of West Cutler Road.

LAUGH OUT

"Billie," said his mother, "I wish you would run across the street and see how old Mrs. Brown is this morning."
"Okay," replied Billie, and a few minutes later he returned and reported: "Mrs. Brown says it's none of your business how old she is."

Sheriff's report

Elsie Library Historical Association elects officers

The Elsie Library Historical Association met Sept. 22 in the Historical Room and found 25 new metal folding chairs and long folding table recently purchased for use in the new part.

Vice-president Thelma Rule presided in the absence of Mrs. Nida Dunham who sent her resignation from that office because of a conflict of meeting dates but will be able to help on the committee work at other times.

Mrs. Rule was unanimously elected president and also Mrs. Elizabeth Hess as vice-president. Secretary Mrs. Zella Brewbaker and Treasurer Mrs. Ralene Easlick gave reports of the offices.

There were several progress reports of the various working committees. Murray Cole

presented enlarged pictures of old businesses and people, made from small old pictures provided by George Holbrook. Mrs. Wilma Cole explained a method for cataloging such pictures and identification of families, couples, people, places, buildings, clubs and businesses as soon as the necessary files, cards, stickers and other equipment arrives.

The officers and committee chairpersons voiced their need for volunteer help and explained the numerous jobs that will be necessary to prepare for use by the public.

The responses to the need of furniture, shelves and equipment for cataloging and displaying the many gifts to the Library Historical Room, has been gratifying.

Following are the current committees:

Cataloging and Sorting - Wilma Cole, chairman; Ruth Peltier, Sue Platner, Orpha Clement, Elizabeth Hess and Maralyn Kuchar.

Genealogy - Vena Losak, chairman; Wilma Cole and Neva Keys.

Display and Furnishings - Renae Fatura, chairman; Ralene Easlick, Catherine Green, Dortha Platner, Duane and Sue Platner, James Dorrans, Robert Kelley and Mr. and Mrs. Leon Mills.

Selection and Screening - Ruth Rasdale, chairman; Hazel Ballantine, co-chairman; Joanne Kellerman, Bethel Engebretson, Ruth Peltier, Howard Peltier, Marguerite Kelley, Thelma Rule, Zella Brewbaker and Jean Cobb.

Publicity - Neva Keys.

Elsie news

The Bicentennial and the 150th Anniversary of the Grand Lodge of Free and Accepted Masons in Michigan was celebrated Friday evening, Sept. 17 at Long's Convention Center in Lansing.

The 3-county Region E was one of the largest Masonic meetings ever held in Lansing. It included Masons and friends from Clinton, Eaton, Ingham, Calhoun, Jackson, Branch, Ionia and Hillsdale counties.

when he was chairman of the State Crime Commission and in Illinois as chairman of the Chicago Skid Row Commission. At the present time he serves several states in rehabilitation program for ex-convicts.

Dr. Winters held the attention of his audience by very thought-provoking remarks concerning "what's right with America" and interspersed with humorous infections.

Masonic Sesquicentennial Celebration (150 years of Michigan Masonry).

Dean Gilbert recently completed an Eagle Scout Project in Elsie, which has drawn attention to the 29 fire hydrants of the village.

Boy Scout Gilbert accompanied by his father, Don Gilbert attended the Elsie Village Council meeting asking permission to paint the hydrants red, white and blue as a project toward his Eagle Scout badge. Approval was granted with the Council assuming the cost of the paint.

Young Gilbert was assisted in the labor by Allen Betts, Daniel Gilbert and Kristal Gilbert. They spent 50 hours on the project and their efforts are greatly appreciated by the public.

Reginald C. Conklin of 8530 W. Maple Rapids Road Elsie was admitted to Carson City Hospital last week for medical treatment. He would appreciate hearing from his friends.

Mr. and Mrs. S.J. Keys attended funeral services for their cousin, Mrs. Florence Benson in St. Johns, Saturday. She passed away at the Carson City Hospital, Sept. 15.

Lions welcomes guests

The sound of the bell Monday night, opened the first regular meeting of the Elsie Lions Club this year. President Dick King presided with Pledge of Allegiance to the Flag and Lion Jack Hawes gave the invocatory prayer. The Elsie Lions Club members and their guests enjoyed a meal, catered by Jim Hurst.

Following the supper, secretary Joe Thering gave a report of upcoming Lions activities in the area. On Oct. 3, a fall conference will be conducted at Laingsburg for all surrounding Lions Clubs. There will be a Zone Meeting Oct. 6 for Region IV, Zone 2. All area Lions Club members are invited to attend both the fall conference and zone meeting.

President King announced that there will be a party

honoring past district governor Alfred Johnson at Comstock Park, Grand Rapids Sept. 24. King then welcomed the visiting guests and membership. There were eleven guests at the meeting.

King gave a short talk about Lions International. He said this marks the 36th year of the Elsie Lions Club. Among the activities of the Elsie Lions are such projects as: Hope Green Memorial; Christmas light contest; carnival; sight screening unit; eye glasses; sponsoring a boy to Boys State; and leader dog program.

Before the meeting closed, President King introduced this year's officers and the Board of Directors. The Elsie Lions Club annual Light Bulb Sale, is Oct. 4.

Carland news

Carland's Mr. and Mrs. Edward Greene Entertained guests from Chicago this week, and James Greene, the son of Mr. and Mrs. Edward Greene, returned to Chicago with his brother, Tom and Mindy Greene, to spend a week with them there.

While Tom and Mindy were guests of their parents here in Carland, the Greens held a family reunion with people attending from Three Rivers, Lansing, Laingsburg, Owosso, and Durand.

Carland's United Methodist Church's Administrative Board, Pastoral Parish Committee, and the Personnel and Nominating Committees met this week at the Carland church for an enlightening budget planning, a new slate of officers nominated, and a discussion of needed repairs on the church, churchhouse

and parsonage. The Reverend Homer Van Buren conducted the meeting.

Mr. and Mrs. Leo Deming of Carland entertained their grandson, Brian Mea of St. Johns for the weekend and had a three-generation dinner Sunday with Mr. and Mrs. Richard Mead of St. Johns, and Mr. and Mrs. Lewis Walling of Elsie attending.

Middlebury

The Brethren in Christ Church of Carland held its last meeting of their rally "Reach Out and Touch". Sept. 26 with the Youth Haven Ranch People from the Family Life Radio, putting on the program for the Sunday school at 10 a.m. and the church following services.

The Middlebury United Methodist Women met in the dining room of the Church, Wednesday evening, Sept. 22 at 8:00 p.m. with Betty Warren, Joan Warren and Loreta Warren as hostesses. There were 20 present.

The meeting was called to order by vice-president, Mildred Brookins and opened with singing of the hymn "O Jesus I Have

Promised" followed by prayer. Routine reports were read and accepted. "Thank You's" were read from Susan VanDyne, and Gladys Warren.

Plans were finalized for the Smorgasbord to be held Oct. 6 with serving to begin at 5 p.m.

General chairman, Dorothy Jordan named the committees as follows; kitchen: Margaret Potter, Virginia Mulder, Thora Austin, Hazel Beardlees and Loreta Warréfi; dining room: Lorna Semans, Bunny Semans and Elizabeth Putnam; publicity: Margaret Potter; tickets, Clarice Semans and chairman of clean-up, Mildred Brookins; pie cutting, Gladys Warren.

Sunday, Sept. 12, was Homecoming Sunday at the Shepardsville United Methodist Church. Dr. R.C. Smith, a former pastor and now serving his last year as district superintendent of Grand Rapids District, brought the message for the worship service. Special music was furnished by Francis Ferden on the hand saw.

Mrs. Smith showed slides of their trip to Haiti a few months ago. They were among a group of 30 from Western Michigan Conference. They were there eight days and saw many things the ordinary tourist doesn't see. She also told of the work UMCOR is doing in inoculating the people for TB. This operation is called CAT or Crusade to Attack Tuberculosis. They also visited the largest hospital in the country, along with some training schools where the natives are trained, mostly for agriculture. She also stated that the average yearly income is between 70 and 100 a year. Water is very scarce in various parts of the country.

Patron Ruth and Duane Chamberlain presiding in the East.

Sue Chamberlain, Norma Darling, Jo Lawrence and Lucille Spencer substituted as Ruth, Ester, Chaplain and Associate Conductress respectively.

Sister Wilma Morrill of Howard City a past matron was presented in the East and given a hearty welcome.

A memorial service was given for sisters Ellen Austin and Jennie Hudson who died during the summer.

The usual reports were read and accepted as read. Correspondence was read from the office of the Worthy Grand Matron regarding legislation to be voted on at the Liberty Bell Session of Grand Chapter, and from the office of the Grand Secretary regarding candidates to be elected. It was also announced that a composite school of instruction will be held on January 13, 1977 with Abigail Chapter of Owosso. Invitations were read from Radiant Chapter in St. Johns to attend their Open Installation on October 23 and from the Elsie Chapter on October 31. Thank you notes were read from Lewis Goodrich, the Ellen Austin Family and Job's Daughters.

organized for seventy-five years and are now starting their seventy-sixth year.

Mr. Jay Neil had the misfortune to fall from his back porch on Sunday evening and was later taken to the Memorial Hospital in Owosso for treatment. It turned out that he had a badly bruised shoulder. He was able to come home on Wednesday. His arm will have to be in a sling for a few days.

The General Meeting of the Shepardsville UMW was held at the church on Thursday evening, September 16th. During the very brief business meeting the present officers were reelected to serve another year. The committees remain the same.

Mrs. Francis Hall had charge of the Devotions. The scripture readings were from the Gospels of Mark and Matthew. The meditation was on "Who is This Man?" She then introduced Mr. and Mrs. Raymond Thornton who showed pictures of their trip to Africa a while ago. Mrs. Thornton also had on display some carvings from mahogany and ebony wood, also some jewelry, coins and material.

They went with a group of 25 former friends. Visited were Kenya, Nairobi, Tanzania, and Uganda as well as a stopover in Belgium. They traveled over 1800 miles, by mini-bus.

Many of the places they stayed were near water holes where they could see the animals come down to drink.

native villages, the country side, the roads in the country, and here and there fields of corn, coffee, tea, and pineapple growing. They had many pictures of animals. Also among the pictures were several of the city of Nairobi. One place they stayed they looked out the window and saw a sign reading "Thornton, Inc."

Mr. Thornton said he never went across the street to meet the people. The last pictures were of the airport where their plane landed in New York City.

Guests were present from Price United Methodist Church, Duplain United Methodist Church, Duplain Church of Christ, Ovid United Church, and the surrounding area.

Refreshments of punch, cookies and coffee were served in the community room.

Shepardsville News

DEWITT TOWNSHIP

Synopsis of the regular meeting of the DeWitt Township Board held on September 13, 1976 at the Township Hall.

The meeting was called to order by Supervisor Emerson at 8:00 p.m. Board members present: Emerson, Syverson, Cheney, Pline, Corr, Kzeski and Olger. Approved the agenda and minutes. The Planning Commission minutes were reviewed.

The attorney will draft an ordinance regarding cemetery policies. Adopted Ordinance No. 47 regarding the water system. Davis and White should submit their request regarding sewer use charges in writing giving dates. Adopted a resolution reinstating the 1 percent collection fee. Voted to assess the Jones and Reynolds drain assessment to the Township at large. Will submit the King Arthur's Court proposal to the State Health Department. Emerson reported that we won the Supreme Court decision on the 1974 tax appeal. Tabled an errors and omission policy. Adopted streetlight regulations for the 1976 tax roll. Voted to approve the CETA contract. Adopted a resolution supporting the bottle bill. Accepted Chief Nash's resignation. Appointed Sgt. Swartz acting chief. Tabled the land request. Vote to support phase I of the work proposal.

Approved all vouchers. Adjourned at 10:47 p.m. Respectfully submitted, Donna B. Syverson, Clerk Approved by Dale S. Emerson, Supervisor

The Calvarymen in Concert will be presented Oct. 2 at 7:30 p.m. at the First Assembly of God Church in St. Johns. It will be the first Gospel sing in the church since the recent remodeling. The church at US-27 and East Baldwin, now seats 315 persons. The Calvarymen are a Flint group who have recorded several Gospel albums.

With WIN, both employee and employers are winners

BY SUE KILEY COUNTY NEWS WRITER
WIN...It means to succeed, to gain victory, to obtain, or recover, but it also stands for something else - getting a job with the assistance of Michigan Employment Security Commission (MESCC) workers and area employers.
WIN, in this case means Work Incentive, for those people in Aid to Families with Dependent Children (AFDC). Under a 1971 Act employers can claim tax credit for employing

workers registered for the WIN program. The employer hires an eligible worker and receives a 20 percent tax credit on the employee's wages.
 According to Wiley R. Smith, director of the WIN program in Clinton County, the actual program started in 1968, but didn't come to Clinton County until 1971.
 To become eligible for the WIN program, persons on AFDC are referred to Smith's office from the case worker. They then register and an evaluation is made.

The individuals are either placed in a training program or look for work if qualified. "Right now we don't have the funds for training in the program, primarily because we've gone from a 12-month to a 15-month fiscal year," Smith explained. "Rules are constantly being changed however, so we should be getting money soon."
 A person must register for the program as soon as he applies for aid. It is mandatory for those with children over six-years-old, and voluntary for those with children under six-years-old.

placements. In comparison to the rest of the counties, Clinton County is 25 per cent successful in its placements. "The first thing we do is send out letters to employers explaining the WIN program and then follow up by going to talk to each individual businessman," Smith commented.
 The hired employee is supposed to stay for two years, but if he does quit, or gets fired the employer still gets the tax credit. "The turnover rate contributes a lot," Helmer commented. "The last one hired is usually the first one to be let go."
 After a person is hired by an employer, Smith then checks on the employee and with the Employers. "A lot of times we don't get back on how an employee does after that point in time," Helmer said.
 "We find in a lot of cases that the employer just doesn't want to get involved," Smith related.
 According to Smith a lot of people fail to realize that these people on the program are no better or worse than anyone else. "We have cases of people who only finished the 7th grade and then we have others who have gone up to their 16th year in school," Smith commented.
 The two men also explained that in a county such as Clinton WIN workers are housed in the same building as the Department of Social Services, and also acts as a referral agency.

Jim's Column Facts about dairy cows

Jim Pelham
Clinton County Extension Director

Considerable national attention has recently been given to various people who advocate the abolishment of farm animals, including dairy cows, as producers of human food. These doomsday advocates contend livestock competes for food that could otherwise save dying hungry people in other parts of the world. They have tended to confuse scientific facts in building their case.
 Dairy and Livestock are important in Clinton County. Many of these statements as prepared by Dairy Extension Specialist, Grady Williams of Washington State University, could also be used to defend livestock other than dairy cows.

millrun, brewer's waste, cottonseed meal, etc.

2) **STATEMENT:** Americans must conserve cereal grains so they can be shipped to starving humans overseas.

2. **FACT:** As much as 80 percent of our exported grains are used overseas for animal feeds. Developing nations are rapidly expanding cattle numbers. For example, Tunisia is importing 5,000 dairy cows and Tanzania has a \$13 million dollar dairy development program. Russia, with the largest production of milk in the world, is increasing its dairy industry 2 percent and importing grain to support it. European nations, with strong government subsidy programs are mostly importing grains to feed cattle. The developing nations actually own 60 percent of the world's livestock and poultry, but supply only 22 percent of the world's milk, meat and eggs. The U.S. owns 8 percent of the livestock, but supplies 19 percent of the world's animal products.

3) **STATEMENT:** More human food can be produced per acre with edible plants

than with forages fed to livestock.

3. **FACT:** This is true when the best tillable soil is considered. The advantage may be as much as 3 to 1. However, there are vast areas, such as western Washington, where cereal production is risky but excellent forage production is routine.

About half of the United States is devoted to roughage production. Much of this land is unfit for cereal grain production. The average wheat yield per acre in Washington is the highest of all states but this is only about 2700 pounds of digestible food nutrients. Average alfalfa yield in the state when fed to dairy cattle will result in about 2000 pounds of dry milk per acre. Selected irrigated crops will yield much more food nutrients than the above. However, selected pastures will double the above and may be in areas where tillage is impossible or impractical. Climatic conditions may destroy a year's crop of grain but rarely affects forages more than a few days.

4) **STATEMENT:** Animal foods are dangerous to health.

4. **FACT:** On the contrary, meat, milk and eggs are the most balanced diet foods that we have. Milk is about 97 percent digestible, while plant foods are only about 75 percent assimilated. In addition, plant foods will require very careful supplementation to equal animal foods in sustaining life.

In the American diet, milk products constitute less than 20 percent of the volume and cost, while supplying 76 percent of the total calcium, 37 percent of the phosphorus, 43 percent of the riboflavin, 23 percent of the protein and 13 percent of the food energy or calories. There are allergies to milk, as with all foods. All foods are fattening if consumed in excess.

Dairymen are aware that high cholesterol in food is associated with less heart failure and that saturated fats are necessary for life. Unfortunately, large numbers of food faddists and medical doctors are not informed. Routine human blood analysis include cholesterol determinations. It is time that animal industries challenge procedures that involve the wrong advice.

5. **STATEMENT:** Per capita consumption of milk is decreasing.

5. **FACT:** Consumption of almost all foods is decreasing as our population leads a less active life. Food needs are less. Milk consumption has decreased some, but in about the same rate as total caloric intake has dropped. Per capita consumption of milk actually increased in 1974 and the change seems to be continuing. Butter sales have improved. Cheese sales have exceeded all estimates in recent years. Only skim milk powder production is exceeding present market demands.

In reality, the total supply of milk products in the United States is extremely well-balanced. There is enough for everyone. The small amount of extra powder can easily be used in local and foreign food relief programs.

Local 794 holds picnic

The Clinton County Road Commission Local 794, Michigan Council No. 11, AFSCME, AFL-CIO, held a picnic at the St. Johns City Park Pavilion Sept. 11. Retired employees were invited to attend with the union members and families. Hot dogs and drinks for the picnic were furnished by the union.

Obituaries

Mrs. Florence Benson

Mrs. Florence (Budd) Benson, 84, of 207 East McConnell St., St. Johns, died Sept. 16 at Carson City Hospital after a brief illness. Funeral services were at the Osgood Funeral Home on Sept. 18 at 2 p.m. and she was buried in Mt. Rest Cemetery at St. Johns with the Rev. Averill Carson officiating.

She was born on Sept. 23, 1891, at the home of her grandfather, Stephen Rowell, in Greenbush Township, the child of Stephen P. and Lucy Rowell Keys. In her early years she attended the Parker school. When her parents moved to Hugo, Oklahoma, she remained in St. Johns to attend high school. When she was fifteen, her mother died, and then made her home in St. Johns with her grandfather, H.P. Keys.

After graduation she attended for two years the college then known as Ypsilanti State Normal School, and she received a life certificate to teach English and Latin. She then taught in the Laingsburg High School for several years. In Laingsburg she met Leon L. Budd, a civil engineer, and was married to him on the lawn at the home of her uncle, E.A. Livingston, of Greenbush, on July 14, 1915.

They first lived in St. Johns with her grandfather. After his death her husband accepted a position as inspector with the State Highway Department and they moved to Lansing and later to Grand Blanc, where Mrs. Budd taught in the public school.

During the depression years when construction was curtailed they bought and operated Idlewild Tourist Cabins on US 27 near St. Johns. When the economy recovered her husband became a county engineer for the road commission and they again lived in St. Johns, Mrs. Budd acting as substitute in the city schools. She also conducted her own radio program from an Owasso radio station.

She helped with hospital work, the Easter Seal program, and other public enterprises, including the First Congregational Church, of which she was a member. She had also been a member of the Woman's Club and the Morning Musicales, serving as president of the latter.

Her first husband died in 1958. On December 31, 1965, she married R.E. Benson of St. Johns, who died in 1974. She is survived by a daughter, Mrs. Harley J. (Barbara) Mac Macken of Tucson, Arizona, a son, Dr. Linton Budd, of Carson City, four grandchildren, and six great-grandchildren; also a stepdaughter, Mrs. Kenneth Munger, two step grandsons, and four step great-grandchildren.

Ellis Heibeck

Ellis Eugene Heibeck, 51, of Royal Oak died Saturday, Sept. 18 in William Beaumont Hospital in Royal Oak.

He was born in St. Johns on March 3, 1925.

Surviving are his wife, Mary, a son Jim, and a daughter Carol of Royal Oak; his mother Nova Heibeck, of St. Johns, and a sister Mrs. Joseph Tangresey, of Florida.

Mr. Heibeck was an engineer with the Chrysler Corporation in Highland Park since 1956. He served with the U.S. Navy during World War II and was a member of the Knights of Columbus and the Ushers' Club.

Burial was Wednesday, in the Holy Sepulchre Cemetery in Southfield.

Jesse Pratt

A former St. Johns resident, Jesse Pratt, 64, of Hazel Park died Aug. 23 in Greenville Hospital after a long illness following surgery last February.

He was born May 15, 1912 in Lansing, and was a 1932 graduate of St. Johns High School. He taught school for 31 years before retiring in 1974.

Surviving are one sister, Mrs. Esther Rochester of Chula Vista, California and two nieces.

Funeral services were held Aug. 31 at Huyck-Schnepp Funeral Home, Crystal. Burial was in the Union Home Cemetery north of St. Johns.

Tony English

ELSIÉ-Funeral services were held Thursday, Sept. 8 for twelve-year-old Tony English, 12600 West Cupp Road, Bannister with the Rev. David Miles officiating. Burial was in Flint Memorial Park. He died of an accidental hanging.

He was born in Freeport, Texas on Oct. 4, 1963, to Mrs. Jerry Reed and O.J. English. He had resided in Bannister four years and would have entered the seventh grade in the Ashley Schools.

He is survived by his parents, Mr. and Mrs. Marvin Reed of Rural Bannister and O.J. English of Kansas City, Mo.; brothers, Steven and Gary at home; grandmother Mrs. Blanche Reed of Goodrich; and grandfather, Olin English of Freeport, Texas.

Russell Robinson

ELSIÉ-Funeral services for Russell J. Robinson, 62, were held Sept. 8 at the Carter Funeral Home in Elsie, with the Rev. David Davis officiating and burial in Riverside Cemetery, Elsie.

Mr. Robinson died Sept. 6 in Gratiot Community Hospital, Alma following a two-month illness. He was a resident of Elsie for 28 years and resided at 119 Knowlton St.

Mr. Robinson was born in Highland Park, Jan. 31, 1914 to George and Ethel Robinson and married Bernadine Linman in Flint, Dec. 9, 1933.

He was an employee of the Clinton Machine Corp., of Ovid, when he died. Mr. Robinson is survived by his wife; a sister, Lois Tylus of Tawas; brothers, Clinton and Glen, both of Flint; sons, Wayne of Higgins Lake and R.J. of Elsie; four daughters Mrs. Janice Pontius, Miss Janet Robinson at home, Mrs. Karen Barton of Ithaca and Mrs. Cathy Korienek of Bannister; 14 grandchildren and one great-grandchild.

Waldo Roof

ELSIÉ-Funeral services for Waldo Roof 67, of 9644 Mead rd., Elsie were held Tuesday, Sept. 28 at the Carter Funeral Home with the Rev. David Miles officiating and burial in Elsie Riverside Cemetery.

Mr. Roof died Saturday morning at the Schoolcraft Memorial Hospital in Manistique. He had been ill for several months.

Mr. Roof was born in Ashley, July 21, 1909 to William and Erma Roof and resided 30 years in the Elsie area. He was married to Pauline Lewis in Elsie on June 12, 1934 and passed away in 1962.

His life work was farming. Surviving is one son, Darrell of Ovid; one sister, Mrs. Helen Irish of Lansing; four brothers, Paul, William and R.V. Roof of St. Johns and Leland Roof of Lake.

T.E. Whitford

ELSIÉ-Funeral services for T.E. Whitford, 94, of Rt. 6, St. Johns were held Monday, Sept. 27 at Carter Funeral Home with the Rev. Wayne Gassman officiating

New speeder-catcher on the way

ST. JOHNS - St. Johns City, Commissioners Monday approved the purchase of a radar that is capable of detecting speeding motorists coming or going.

The \$1442 radar will be capable, unlike the present radar, of detecting speeding motorists while the police is in motion and can provide readings on cars going in the opposite direction of the police car.

Another traffic item concerned the commissioners during their routine Monday meeting - traffic signs.

Randy Humphrey said the city has a real problem with traffic signs being

stolen. "It runs in cycles," he said, "and we seem to be in a bad cycle now."

The city is currently conducting a sign replacement program, including replacing damaged or stolen traffic and street signs.

In other business, Mayor Roy Ebert expressed displeasure with Eugene Simon, city treasurer. Commr. John Hannah moved to have Simon represent the city at a 1-day meeting at Boyne Mountain dealing with the city's retirement system.

Ebert objected, saying "They don't accomplish much at the meeting" and charged that Simon hadn't earned what

Ebert termed, "a day's vacation at Boyne Mountain. Ebert charged that Simon had been late for work five out of the last six working days, while tending to personal business.

Hannah objected saying that retirement system work all goes through Simon in his position as city treasurer.

The motion to have Simon attend the meeting passed 3-2 with Ebert and Commr. Gerald Wilcox voting against and Hannah, John Arehart and Donald Roesner voted in favor of the motion.

A mayor's committee was appointed at the meeting and will study the building needs of the city, initially

concerning themselves primarily with the fire hall.

Roesner suggested the committee saying their has been misunderstanding by city residents about the building plans of the city.

He cited the example that "20 or 30" persons had approached him with the opinion that the city has a building fund for the fire hall. There is no such fund.

Appointed to the committee were Clare Maier, fire chief; Lyle French, police chief; Jean Mary Bartholomew, librarian; Dick Coletta, zoning administrator; the entire City Commission and Maynard Bailey, citizen at large.

Clinton will receive funds for ice-storm damaged drains

(From Front Page)

the survey team approved only approximately 25 miles of drains as being eligible under the disaster program.

Eligible drains were only those determined to have total blockage areas obstructing the natural flow of the drain and creating a threat to

property, both public and private in areas affected by the ice storm damage.

The following drains will receive debris removal beginning this month:

-Extension to Hayworth Drain in Lebanon and Essex Townships totaling 2.25 miles.

-Two miles of Stoney Creek in Bengal and Dallas Townships.

-Spaulding extension, totaling 1.75 miles in Bengal and Dallas Townships.

-One-half mile of the Clinton and Shiawassee Drain in Duplain Township.

-Steel and Walbride Drain, one-half mile in Bingham Township.

-One half mile on the North Swagart Drain in Essex Township.

-Maple River Drain, totaling 16.75 miles in Duplain and Ovid Townships.

Harden said the work on the drains is to be completed by Feb. 1 and asked for the cooperation of all land owners adjacent to the drains while the debris is being removed.

Budget woes stall fire truck

at this time," Fancher said.

He did explain that there was \$20,000 for vehicle replacement, but that it would not entirely pay for the new tanker. Another option that was open to the Board was the John Bean lease and purchase program. The fire chief explained that payment would be 20 per cent down and 20 per cent per year.

The main reason the request was turned down was because in the next fiscal year DeWitt Township will not have any operating funds. The

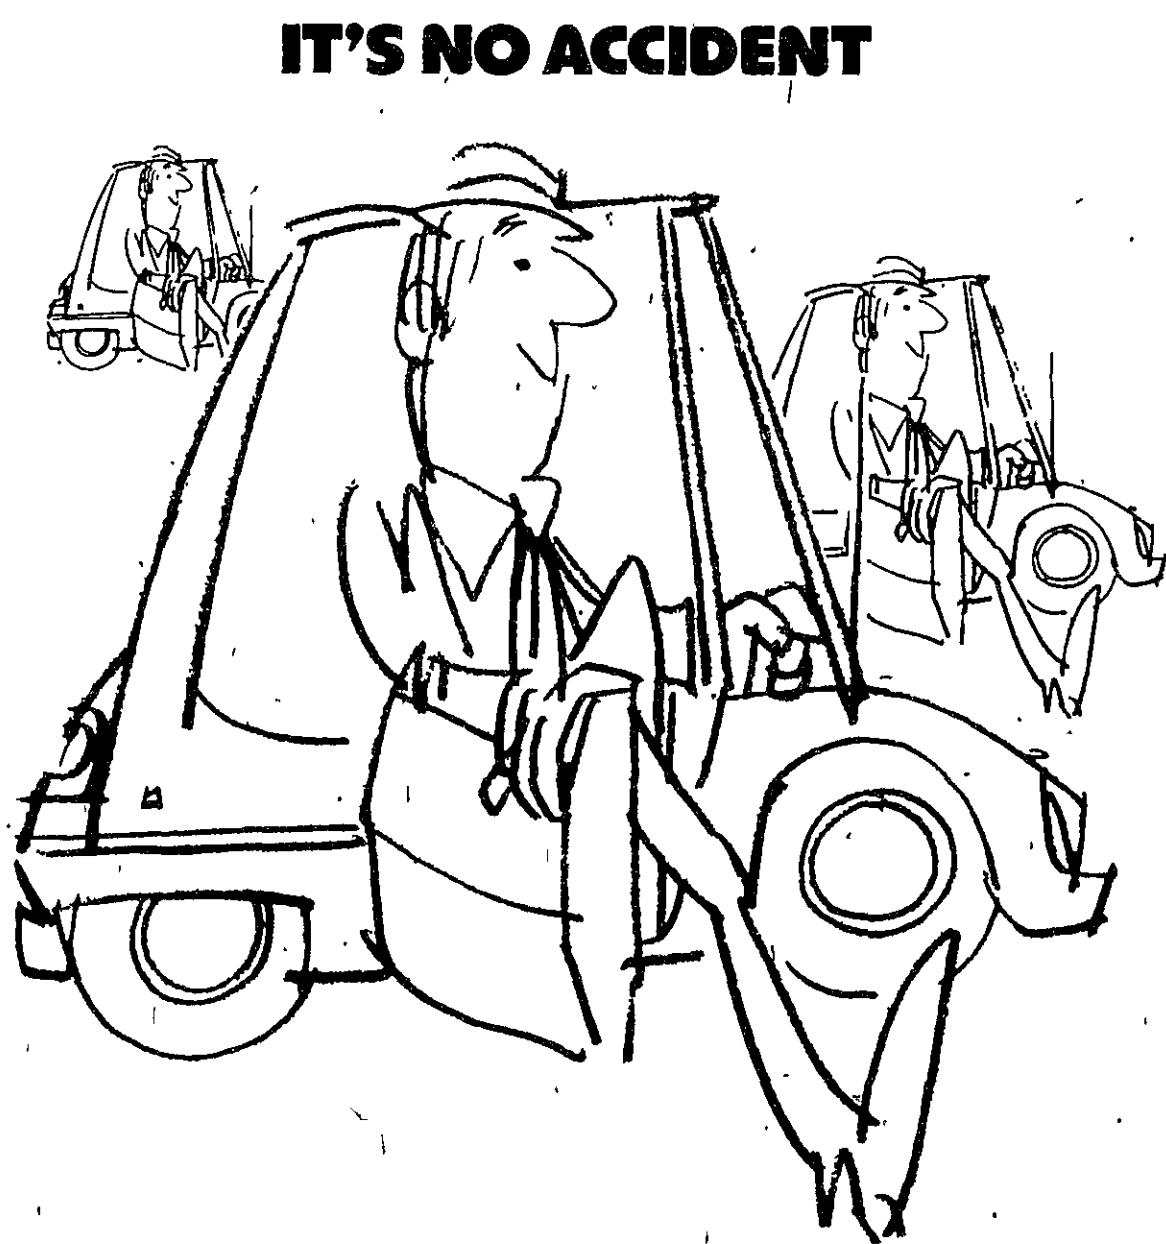

Township is facing a possible \$149,000 deficit due to the defeat of a proposed increase of two and one half mills in the August primary.

The board at an August 23 meeting voted to purchase two new police cars, because the old cars had an excess of 60,000 miles and were demanding repairs. The Board felt at that time they would be saving money in the long run for the new cars because the old ones were constantly in the garage for repairs.

"I have to have equipment I can depend on," Fancher said. "It (the fire truck) is just not dependable."

The fire department is presently operating a 1953 GMC army surplus vehicle. Fancher said that they are having a hard time finding parts for the vehicle now.

Dale S. Emerson, township supervisor said that he would like to see the fire chief and the Public Safety Committee come up with an alternate solution to the problem.

Gain first MMB win

Redwings throttle Lancers 31-6

IN 4TH QUARTER ACTION between the St. Johns Redwings and the Bullock Creek Lancers, David Rice (No. 12) is dumped by a Lancer defender after a 5-yard gain with 3:38 left in the game. The Redwings went on to down the Lancers 31-6.

REDWING JEFF COX (No. 85) snares a pass at the 11-yard line in Friday night's game against the Lancers of Bullock Creek at 9:14 of the second quarter. Although the Lancer's defensive efforts gave the Redwings all they wanted through the first quarter, Redwing backs found plenty of running room to take their first MMB victory.

By HAROLD SCHMALTZ
SPORTS EDITOR

ST. JOHNS - Midland Bullock Creek may not be too happy to have St. Johns as members of their Mid-Michigan-B conference after learning how "devastating" the Redwings can be. Coach Joe Gonzales' crew crushed the Lancers, 31-6 in Friday night action to take their first MMB victory of the season.

Starting in the St. Johns victory was halfback Mark Geller who ran for 3 touchdowns and rushed for 131 yards on 10 carries. Also gunning for big yardage, totaling 95 yds on the ground, a touchdown of his own and four points on conversions was Jerry Bashore, 205 pound senior halfback. Both Geller and Bashore were equally impressive a week ago when the Redwings bombed Charlotte, 51-0.

At 4:37 of the first quarter, Geller sped 85 yards for the game's first TD and Bashore

added the extra points on the conversion. The scoring covered 3 plays and took only 1 minute and 24 seconds to put St. Johns up on the boards, 8-0.

Also in the opening frame with 1:21 left, Steve Hartnagle of the Lancers scored on a 3-yard run but the extra kick attempt failed giving St. Johns an 8-6 advantage going into the 2nd quarter.

With less than 4 minutes gone in the 2nd frame, Bashore took the ball on a 2-yard run for the Redwings' second score and added the two points on the conversion. This score took the "Birds" 11 plays and 66 yards to give them their 16-6 lead.

Getting into the 3rd quarter action, Geller broke again for a 16-yard run and scored touchdown 3. A Scott Mailand pass to Jeff Cox was good for the two points. Geller scored the final touchdown of the game

with 2:59 showing left in the 4th quarter on a 15-yard run. The extra point by Doug Whitford was good, rounding out the final score to 31-6.

In gaining their second win of the season, the Redwings piled up 292 yards rushing in addition to 9 yards passing for a total of 301 yards offense. Bullock Creek rushed for 138 yards on the ground and were able to add only 22 yards via the air for a total of 160 yards.

The Redwings attempted 3 passes and completed one with no interceptions. The Lancers attempted 11 passes with one completion and 5 interceptions. Total yards penalized for the Redwings were 60 while the Lancers collected 5 penalties for 45 yds.

After the Redwing victory, Coach Gonzales said, "Bullock Creek was a very

hard hitting team. They gave us all we wanted, especially during the 1st quarter."

He continued, "I think that maybe Bullock Creek gave us a preview of what the MMB can do. Bullock Creek is supposed to be one of the 3 weaker teams of the conference, however, they still gained 160 yards against us."

He concluded, "Our team is starting to come around now and the next three weeks will determine whether or not we will be a contender in this league."

And indeed they will, as the Redwings travel to Hemlock this Friday night to test the Huskies. Hemlock pulled an impressive victory over always dangerous Alma last Friday night, 20-7. So after Hemlock, much more about the Redwings will be known.

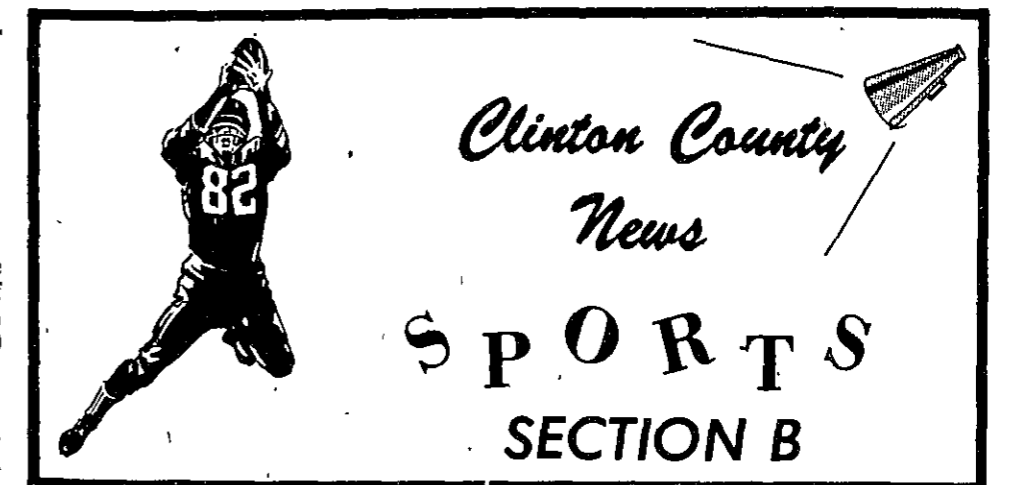

Redwing golf team in first

ST. JOHNS - Coach Mike Humphrey's Redwing golf team took over first place in the league with their 402-430 victory over Saginaw Swan Valley, last Tuesday afternoon.

Lauren Larsen fired a new school record by shooting 38-33 for a 71.

The rest of the team scores were: John Bond, 77; Larry Larsen, 80; Jim Dedyne, 87 and John Watkins, 87.

The Jayvees lost their first match of the year, 481-472.

St. Johns golfers record 5th victory, set new record

ST. JOHNS-The Redwing golfers under directorship of Mike Humphrey expanded their season's record to 5 wins and no losses by virtue of their recent victory over Corunna, 393-460 and in doing

so, set a new school record. The old school record stood at 402.

In MMB competition the Redwings stand at 4-0 for the season thus far. Humphrey's crew was

paced by John Bond and Jim Dedyne who each shot 75s followed by Larry Larsen with a 79 and Lauren Larsen and John Watkins with 81 and 83, respectively.

Band members perform at Chicago Bears games

Lucinda Gladstone, flag bearer, and Dean Russell, clarinet sax both of St. Johns were among 130 Ferris State College Marching band members performing in the Chicago Bears-Atlanta Falcons, half-time show Sept. 26.

The band performed during the entire halftime show in addition to a ten-minute pre-game show. The game was the Bear's Homecoming and the show centered on that theme including a brief history of the Bears.

Redwing swimmers drop close meet with Haslett

ST. JOHNS-In last Tuesday's swimming meet with Haslett, the St. Johns girls swimming team lost a close meet to the Haslett girls, 91-80.

Taking the 200 medley relay was the combination of Julie Feeman, Cindy Houska, Theresa Butler and Jill Andrews, fourth. Placing second in the 100 butterfly was Leslie Fonger, followed by Kelly Meyer and Sue Straeton who placed fourth and fifth, respectively.

and Leslie Fonger coming in fourth.

In the 50 freestyle event, Cindy Wieber placed second with Ann Huard taking third and Jill Andrews, fourth. Kelly Meyer took first in diving competition with Lori Lashaway taking second. Karen Curtis placed fourth.

Cindy Wieber took a first in the 100 freestyle while Ann Huard scored a third. Nancy Stevenson placed second in the 500 freestyle with Chris Haviland placing fifth in that event.

In the 100 backstroke, Pam Lutz took a second with Julie Feeman taking fifth place. Wrapping up the events in the 100 breast stroke, Nancy Stevenson took second with Theresa Butler placing third. Cindy Houska came in fifth.

Plenty of action continues in area high school sports

BY HAROLD SCHMALTZ
SPORTS EDITOR

October is upon us and we're right in the thick of things in the Clinton County sports world.

"Kicking" off this Friday night will be the St. Johns Redwings pitting their strength against the rough, but maybe not always so ready Huskies of Hemlock, a new opponent of St. Johns in the Mid-Michigan-B conference.

In other gridiron activity Friday night, it'll be Coach Mark O'Donnell's Ovid-Elsie squad traveling to Corunna for a MMB encounter. Slated to be a tough opponent this year, the Marauders defenses will be putting on the extra push to stop the Cavaliers.

DeWitt's Panthers will be meeting the Mason Bulldogs head on Friday night to see what strength the Capital Circuit league really has to offer, while the neighboring Bath "Fighin' Bees" will be journeying to Williamston. Williamston fell to DeWitt in the opening game of the season, 28-6 while Mason fell to Marshall 27-6 in their opening encounter.

The old rivalry between the Fowler Eagles and the P-W Pirates will be renewed at P-W High School in a contest always looked upon by area football fans as a favorite. Spirits will be flying high as Fowler will be looking to atone for their earlier defeat

at the hands of the Fulton Pirates while P-W crew will be hoping to better their standings in the CMAC.

Spotlighting action on the hardwoods, the Fowler girls basketball team will be traveling to Olivet for a Monday game. Fowler was victorious over P-W in an earlier game.

The Redwing girls will be

packing their bags for Hemlock Thursday to meet the Huskies and will meet Swan Valley in another away venture on the 5th.

The Bath girls quintet will be hosting Perry in a home affair Thursday at 6:15 p.m. while on Oct. 5 they'll be welcoming the girls from Fowlerville, also at 6:15 p.m.

The next hard court action for the P-W girls basketball team will be on Oct. 6 when they meet Potterville for a home game, then Thursday, Oct. 7, they'll be traveling to DeWitt.

Ovid-Elsie's girls basketball team will be traveling to Corunna Thursday night while on the 5th they'll be hosting Bullock Creek on the home courts.

IN GOLF ACTIVITY it'll be Coach Mike Humphrey's Redwings matching talents match next Tuesday.

Coach Dick Witt's Bath golfers will be teeing off at Pinckney Thursday while on Monday they'll be back home to meet Williamston in a 4 p.m. showdown.

Prior to Coach Gobel's Marauders meeting St. Johns on Tuesday, O-E will be matching irons with conference foe Chesaning on Thursday, then on Monday they'll be guests of Pewamo-Westphalia at the Portland County Club.

The Pirates of P-W High School will be visiting Webberville for a tee with the Alma Panthers at

Alma in a 3:30 encounter while on the 2nd they'll be entering the Alma Panther Classic tournament at 10 a.m. They'll be hosting Coach John Gobel's O-E Marauders in an afternoon meeting Thursday to get tuned up for their encounter with O-E Monday at 3:30 p.m.

Tuesday, they'll be traveling to Olivet for a match at 4:30 p.m. In an earlier match, the Pirates beat the Marauders, 158-164 and also beat the Portland Raiders, 308-337.

In jayvee and freshman football action in the area high schools, the Redwings of Roger DePaape's jayvees and Al Werbish's freshmen meet the Huskies of Hemlock in a double-header event at 5:15 p.m. on Thursday. Both St. Johns teams were victorious in their first outings of the season against Central Montcalm and Mt. Pleasant.

Coach Russ Pope's O-E freshmen get a good look at Corunna Thursday at 5:15 p.m. while the jayvees host the Cavalier jayvees in a double-header event. Pope's crew bombed the Portland freshmen in an earlier game 36-6 while the jayvees weren't quite so fortunate, losing, 16-6.

In tennis action, it'll be the girls Redwings going against

the opposition in a 2-day tournament in Belding on Friday and Saturday, Oct. 1-2. Then on Monday they'll be meeting Grand Ledge in an away match. On the 6th they'll be meeting Lansing Eastern in another away event.

Cross country competition hopefully will take advantage of the seasonable weather as St. Johns continues their schedule with Corunna on the 5th and Mason on the 7th. Both meets are away.

Bath will be hosting a tournament (quad meet) on the 5th at 4:30 while P-W goes to St. Johns on Sept. 30 for a 4:15 meet with the Redwings. P-W will then prepare to welcome a visiting cross-country team from Bellevue on the 7th at 4:30 p.m.

Coach Gaudard's O-E Marauders travel to Hemlock next Tuesday to run against the Huskies.

Men in service

STAN ANTONIO-Airman Stephen D. Potts, son of Mr. and Mrs. Ronald D. Potts of 1060 W. Maple Rapids Road, St. Johns, has been selected for technical training at Chanute AFB, Ill., in the Air Force aircraft maintenance field.

Airman Potts is a 1976 graduate of St. Johns High School.

HUNTER'S CALENDAR '76 - '77

County Put-take pheasant season resumes in specified areas of Lower Peninsula.

Almost, but ...

DeWitt Panthers fall in Capital Circuit debut

DEWITT - The DeWitt Panthers met the Okemos Chiefs of Capital Circuit fame Friday night and learned that the new conference into which they are members this year perhaps isn't as "tough" as pre-season prognosticators predicted. Even though they fell to the Chiefs in a closely fought contest, 14-13, it perhaps was a moral victory anyway. The Panthers showed that they could compete in the same arena

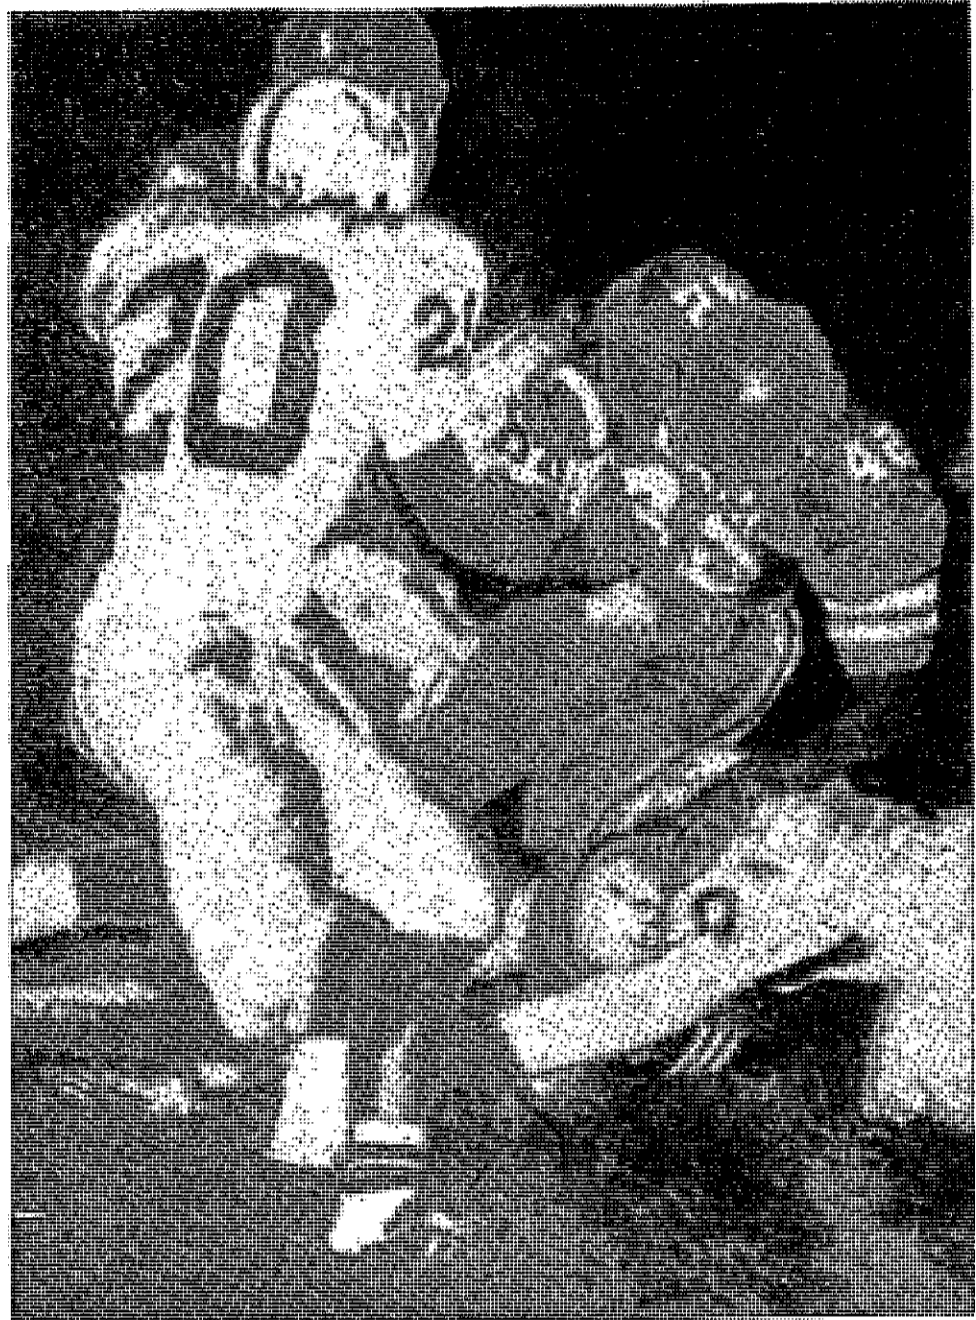

as the highly regarded Chiefs of Okemos. Defensive efforts of the Panthers held the Chiefs to one touchdown in the first half in spite of the threats by the Chiefs foiled by fumbles at the DeWitt 10 and 17-yard lines. In two other offensive drives by the Chiefs, DeWitt defenses held their ground and denied touchdowns. Leaving the lockerroom at halftime, the Panthers came onto the field with renewed

spirit resulting in a shocking 91-yd. kickoff return by Bob Strouse for DeWitt's first TD. Dale Challiss successfully kicked the extra point. Realizing that DeWitt had knotted the score 7-7, the Chiefs put together another drive, this one for 73 yards to gain another marker on the scoreboard. DeWitt's final scoring occurred after running into a stonewall at the Okemos 11, they recovered a fumble on

the Okemos 27-yard line. In 7 plays QB Marty Debow connected with junior Mark Willson in "scoring country" with a 12-yard toss. Sophomore Dale Challiss failed in the attempt for the extra point and DeWitt found themselves one point shy of a tie. All was not over yet, as DeWitt managed to get the ball to the Chiefs' 7-yard line but a fumble occurred and Okemos recovered. The score tells the rest....

... EVEN THOUGH THE GAME RESULTED in a loss, the DeWitt Panthers showed their adversaries, the Okemos Chiefs that they don't intend to be pushed around by Capital Circuit competition. Narrowly winning 14-13 over the Panthers, this photo shows the determined efforts shown Friday night by the DeWitt offensive unit. Photo by H. William Lewis

BATH HALFBACK REX FOUCH grinds for yardage in Friday night's game against Dansville. The Bees got back on victory trail again after their last week's loss to Howell. The win over Dansville gives them a 1-0 ranking in the ICL standings. Photo by H. William Lewis.

DeWitt finishes second in golf

DEWITT - In a tri-tournament held at Faulkwood Shores last week, the DeWitt Panthers came in second to first place Mason scoring 169 to Mason's 164. Howell placed third with a total score of 182. Pacing DeWitt's efforts with a 39 was Marty Lass, while Mark Owen had a 41 and Steve Sadler and Scott Waite each had 44 and 45, respectively. Mason's golfers had two 40s plus a 41 and 43 to take the win on total team score. Howell's best performer shot a 41 while 3 other teammates shot 42, 49 and 50, respectively.

Bath clubs Fowlerville 168-177

BATH - Bruce Harwood of the "Fightin' Bees" led the attack Monday in Bath's golf team's win over Fowlerville, 168-177.

Harwood shot a neat 39 while his teammates, Dan Kelly and Andy Bos each shot 42s and John Anthes shot a 45 to give the Bees the win on total points.

Fowlerville's Dave Bohm also shot a 39 but his buddies let him down with performances of 44, 44 and 50 to give the victory to Bath.

After meeting Perry and Haslett in games not reported in yet, the Bath Bees will be hosting Stockbridge on the 28th and will be traveling to Pinckney on the 30th.

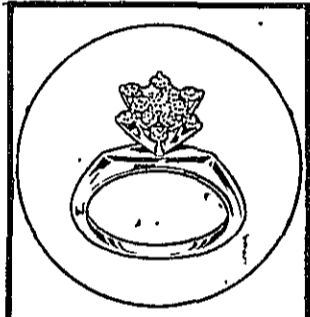

Bath crushes Dansville 54-8.

BATH - Dansville's victory streak of one was short-lived after tangling with the "Fightin' Bees" Friday night when Ron Skorich's got back in the winning habit, 54-8 in ICL action. Getting off to a tough start last week when they succumbed to Howell, the Bees left little doubt in anyone's mind that were indeed interested in getting another victory going of their own. Mike Voorheis led the Bees in rushing efforts piling up a total of 120 yards while scoring 3 touchdowns. He

accounted for another on a 20-yard pass to Mark Phillips. Also starring in the Bees victory was QB Chuck Cronk who scored 2 TDs of his own plus throwing passes to account for two others. One was on a 15-yard toss to Voorheis while the other one was a 20-yarder to Phillips. Mark Barr scored a touchdown on a 11-yard run to total the offensive efforts of the Bees. This victory puts Bath at the top of the ICL with a 1-0 record as the loss to Howell was of non-league competition.

Bath girls drop close one 50-48

STOCKBRIDGE-In the game played last Tuesday between the Bath Bees girls basketball team and the girls from Stockbridge, the Bees dropped a close 50-48 decision to the hosts. Scoring highest for the Bees with 16 points was Dawn Cooley with Becky Sidell getting 13 points, shooting 55 percent from the floor. Dawn Cooley also took the honors in the charity toss department connecting on 88 percent of her shots, hitting 8 of 9 attempts. Sue Parkey was the top Bees rebounder with 24 grabs in the game. Scoring was pretty even by both teams thru the 3rd frame with Bath holding a 36-32 lead over Stockbridge. A big fourth quarter for Stockbridge in which they scored 18 points to 12 for the Bees made the difference. Bath shot a cool 18 percent from the floor hitting on only 13 of 71 attempts while from the charity line they did a better 59 percent, hitting 22 of 37. Stockbridge connected on 14 of their 67 attempts from the floor to compile a better 21 percent but were outclassed at the free throw line, hitting only 20 of 42 for a 47 percent average. Bath and Stockbridge each share a 1-1 ranking in the ICL. In the girls jayvee action earlier, the Bath girls scored an astounding 73-16 win over the Stockbridge girls. After having met the girls of Leslie on Tuesday they'll be hosting the Perry High School girls on the 30th at 6:15 p.m.

Ovid - Elsie succumbs to second-half barrage

BY HAROLD SCHMALTZ
SPORTS EDITOR

OVID - ELSIE - Coach Mark O'Donnell's Marauders played a fine defensive masterpiece through most of the first half of Friday night's game with

Saginaw Swan Valley only to weaken to a second-half explosive onslaught by the Vikings to fall 38-0.

The Marauders held the Vikings scoreless through the first quarter and it was only with 3:47 left in the half that the Vikings finally got

their offense clicking to go ahead 6-0. The conversion attempt succeeded to give the visitors an 8-0 lead with O-E taking possession of the football with just seconds showing in the half an electrifying 40-yard pass seemingly put O-E on the scoreboard but, officials called the touchdown back on an illegal procedure ruling against the Marauders.

The second half showed little on the part of Marauder defense as Swan Valley started the running game

with Viking Mark Birnbaum accounting for 3 more touchdowns to put the game away for the Vikings.

Leading rusher for the Marauders was Roger Lover who gained 43 yards on 10 carries. Roger Reha contributed defensively with 7 tackles while Brett Welton and Randy Nelson each had 6 and 5, respectively.

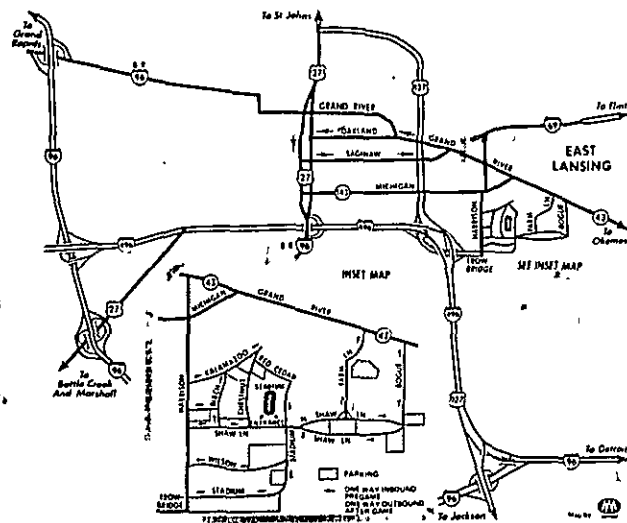

Total rushing for O-E netted 171 yards while Swan Valley piled up 302. O-E had 9 first downs to 15 for the Vikings.

Coach O'Donnell said after the game Friday with Swan Valley that next Friday's encounter will be like "jumping from the frying pan into the fire" for the Marauders as the Cavaliers from Corunna are reported to be "big and tough" and O'Donnell isn't second-guessing the rumors.

SHALL WE GO FOR IT OR NOT? This scene took place in the second quarter at Ovid-Elsie in their game with Swan valley. Quarterback Doug Sturgis is getting briefed by head coach Mark O'Donnell and line coach Tony Nastase on what to do on a 4th down and one situation. The Marauders went for the one and got it against a tough Viking defense.

BEST ROUTES AND PARKING AREAS FOR SPARTAN STADIUM

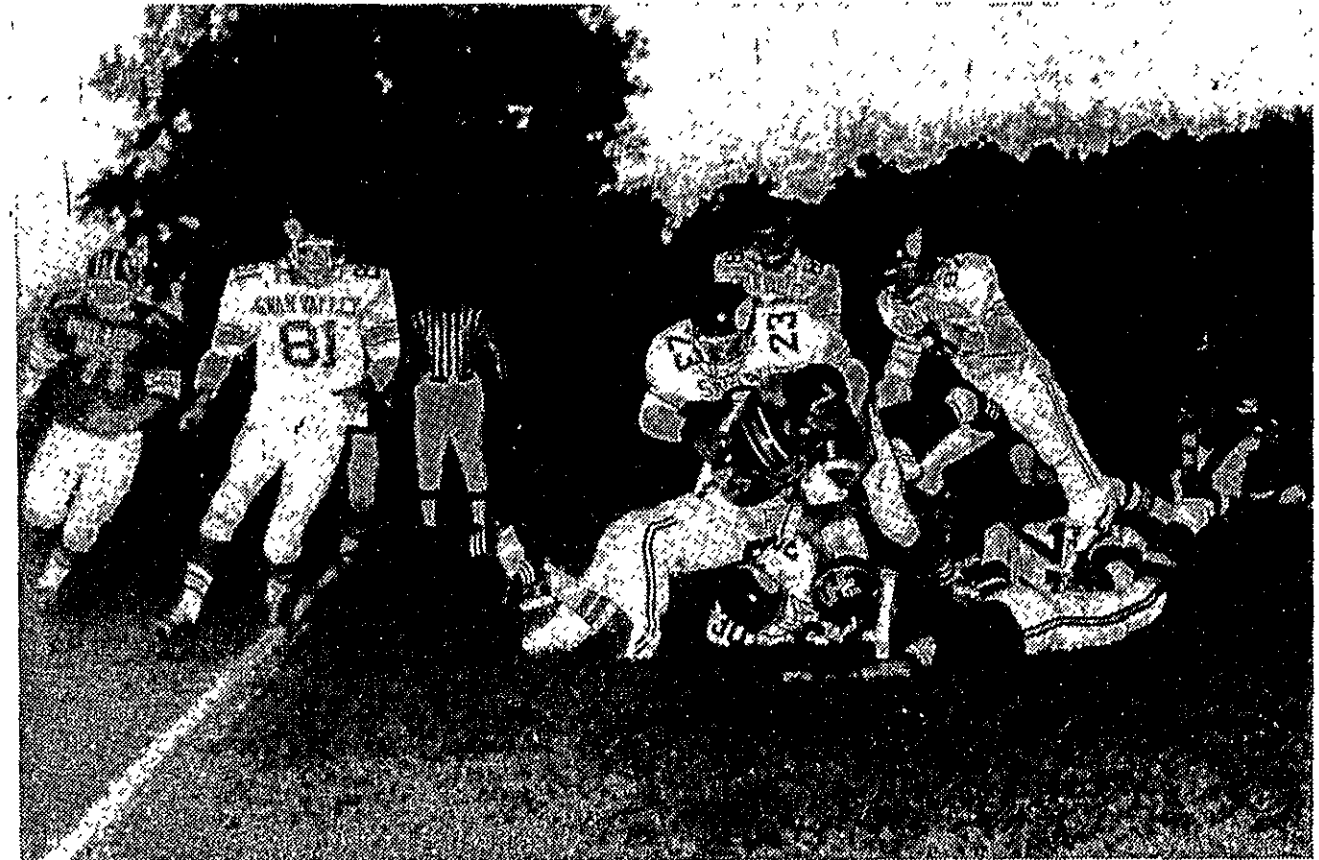

MSU STADIUM ROUTES . . . Motorists traveling to the Michigan State-Notre Dame football game in East Lansing Saturday should encounter few traffic problems, according to Automobile Club of Michigan. To facilitate travel, streets leading to parking facilities surrounding Spartan Stadium are one-way inbound prior to the game and one-way outbound afterward. There is parking for approximately 18,000 vehicles with a \$2 charge at campus-operated lots. Shuttle buses are available at the campus commuter lot at Farm Lane and Mt. Hope. The facility has parking for 6,000 vehicles. The Department of State Highways and Transportation reports no major construction on freeways leading to the stadium. Kickoff for the game is set for 1:30 p.m. Auto Club advises motorists to arrive at parking lots no later than 12:45 p.m. to avoid missing the kickoff.

BRETT WELTON (no. 85) of the Ovid-Elsie Marauders makes a vain attempt to keep from being tackled on the 18 yd. line in 4th quarter action Friday night against Saginaw Swan Valley.

Girls' tennis team falls 2-5

ST. JOHNS - The girl's Redwing tennis team lost Friday to Ionia, 2-5. In the action, Bondie Eisler of SJ took a first on her defeat of Wendy Haight of Ionia, 6-2, 6-2 in the Singles while in the second singles match Beth Kirschenbauer of SJ lost to Beth McBrayne, 3-6 and 6-7. In the third match, Michelle Wawczyk of SJ lost to Tami Smith, 6-7 and 4-6 while in the fourth and final match of singles competition, Mary Hinton lost to Judy Horrocks of Ionia, 5-7 and 3-6. In the doubles action, Mary Koenigsnecht and Linda Dubay of SJ combined to defeat Joan Gazal and Janet Cook, 6-4 and 6-4. In the second doubles event, Joan Harris and Jan Schneider of SJ lost to Monica Watson and Robin Boley, 7-5, 4-6 and 2-6. Wrapping up the final doubles event as Suzy Schumaker and Julie Dakers losing to Jill Johnson and Cathy Slingerland, 6-1, 6-7 and 1-6.

O-E'S RANDY NELSON (no. 42) is brought down in heavy traffic with 4:03 left to play in the first quarter in Friday night's encounter with MMB foe Swan Valley. O-E's drive being stopped here is forced to punt.

Pirates' Scott Simon sets cross-country record

PEWAMO WESTPHALIA - P-W's talented freshman, Scott Simon, established a new school record in cross-country competition in the Springport Invitational held last Thursday. Simon traveled the 3-mile distance in a time of 16:33, one second faster than the old mark set in 1973 by Bill Blauwiekel. Simon's effort placed him 20th out of over 150 runners in the tough invitational. Overall, P-W

placed 7th out of 22 teams. Kurt Bengel, Mike Fedewa, Bob Thelen and John Bauer all ran strong races for P-W, according to Coach John Ellis. In the JV race, Steve Kimball and Mark Spitzley both ran their best races of the season in placing in the top 25. Trent Schafer, coming out of a knee injury, also ran a strong race.

Also in an earlier cross-country meet against

Central Montcalm last Tuesday, P-W ran to a 28-28 tie with the Montcalm runners at the Portland

Country Club. P-W was awarded the victory on the basis of having a lower score for their top four-runners. P-W's Kurt Bengel led the field, finishing 1st in a course record time of 16:59, breaking his previous record by 8 seconds.

Freshman Scott Simon followed Bengel for P-W

finishing 2nd with a time of 17:04. Mike Fedewa (6th, 17:42); John Bauer (8th, 17:45); and Bob Thelen (11th, 18:59) rounded out the

P-W scoring. Steve Kimball (12th, 19:26); Mark Spitzley (13th, 19:56) and Trent Schafer (16th, 22:53) also ran good races according to Coach Ellis. The win ups P-W's record to 4-2.

P-W drops match to Ionia 148-55

IONIA - P-W Pirates golf team came out on the short end of the "clubs" last Monday at Rolling Hills in

falling to the Bulldogs 148-155.

Top scorer for the Pirates was Dave Belen with a 37,

while Jeff Bengel had a 39 and Mike Belen and Jack Cotter each had 40.

Pacing the Ionians was

Jay Ertl and Gary Bushong who each shot 36s and Kirk Shelton and Rick Hood each had 38s.

JIM THEIS, FOWLER QUARTERBACK, rolls out against Bellevue for one of his six pass completions for 82 yards in the Eagles' 20-24 victory Friday night. Theis hit Don Schrauben for 2 touchdowns, the last coming with no time showing on the clock to break the 14-14 deadlock with Bellevue.

Fowler outguns Bellevue

BY HAROLD SCHMALTZ
SPORTS EDITOR

FOWLER - The Fowler Eagles thrilled the hometown crowd Friday night when with zero seconds showing on the clock, Jim Theis uncorked a 25-yard game winning touchdown pass to Don Schrauben to down CMAC rival Bellevue, 20-14. This rounds out Fowler's season record to 1-1.

In the last exciting moments of the games, Bellevue had a 1st down on their own 35-yd. line with 33 seconds showing in the game. On the 4th down play, Kirk Thelen blocked their punt with 9 seconds left to play. With the ball setting on the 25-yard line, Theis performed his feat of the night. The conversion after TD failed.

Fowler drew first blood in the 2nd quarter when Don Schrauben took a 10-yard pass from Theis for paydirt

then Tony Schafer converted for the 2 points to put Fowler ahead, 8-0.

Fowler scored again in the 2nd frame on Dan Braun's 3-yd. run but the kick failed. Fowler led 14-0.

Bellevue hit the scoreboard on a 44-yd. run by Dan Whitcomb of the Broncos on a pass from QB Tom Critchlow. Bill Hanson ran it over for the extra 2 pts. Fowler went dry in the 3rd quarter with Bellevue tying it up on TD by Whitcomb on a 20 yd. pass play from Critchlow. The conversion attempt failed to keep the teams deadlocked 14-14 beginning the final quarter.

Coach Steve Spicer praised Kirk Thelen as a defensive standout with his 14 tackles. He also commended Tim Koenigsnecht for his 11 tackles, 6 of which were unassisted.

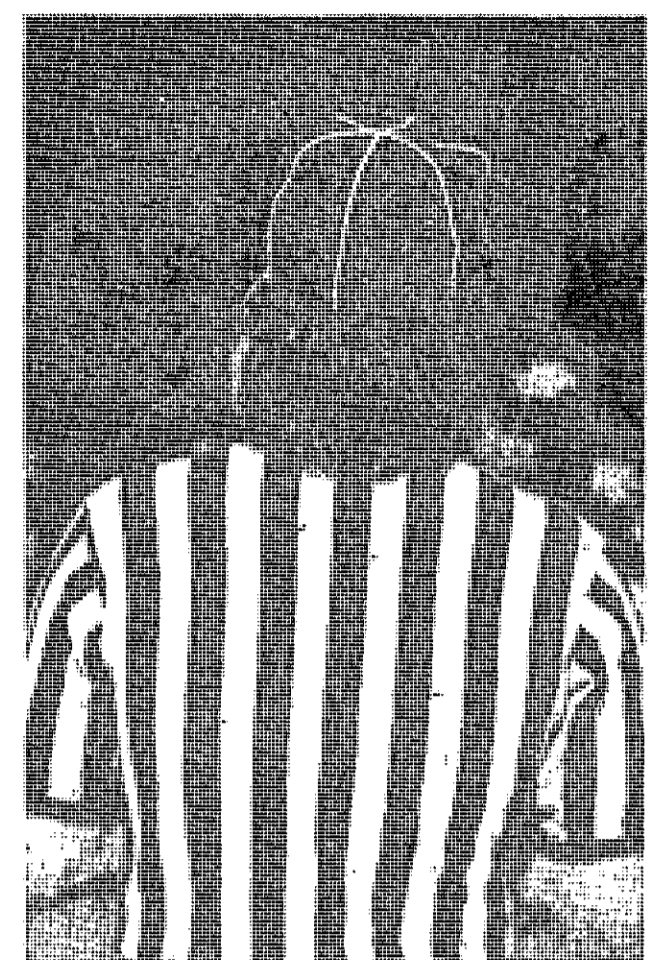

Coming in for his fair share of accolades from

Coach Spicer for his fine offensive effort was Tony Schafer who carried 17 times to pile up 90 yds. rushing.

Also shining in performers circle was QB Jim Theis who completed six passes in 10 attempts for 82 yds. through

the air. Total rushing for the Eagles tallied 147 yds to 55 for the Broncos, while through the air Bellevue connected for 11 yds to Fowler's 82.

The Eagles scored 8 first downs to 4 by the visitors.

IT TOOK TIME FOR FANS of high school sports to adjust to the long locks they saw peeking out from under football helmets. Now they are adjusting to officials sporting the shoulder length fashion.

Weber and Pfaff combine for 5 Pewamo-Westphalia buries Webberville 34-14

WEBBERVILLE - Pewamo Westphalia Pirates convinced Webberville Friday night that they do indeed have title aspirations in the CMAC by devastating their hosts, 34-14. Coach Bill Marks of the Pirates said the score did not in anyway indicate what kind of game it really was...

P-W's rushing was led by Duane Weber who carried 12 times for 187 yards and Terry Pfaff with 121 yards in 11 carries.

Leading ground gainer for Webberville was Bob Monroe who rushed for 89 yards in 17 carries. Shining defensively for the Pirates was Bruce Simon who had 6 solo tackles plus one intercepted pass to his credit.

Getting into the action of the game, PW scored first on a 2-yd run by Pfaff with the

extra point being made good on a 3-yd run by Duane Weber. Another touchdown was scored in the opening frame on a pass by Dean Kohagen, Pirate QB, to Weber for 13 yards, the PAT attempt failed.

In 2nd quarter action, Pfaff scored PW's 2nd TD on a spectacular run of 75 yards from scrimmage. The PAT attempt failed.

Weber highlighted the 3rd quarter with an amazing 84-

yard run from scrimmage for PW's 3rd TD with the attempt for the extra point being blocked.

Webberville scored first in the final quarter on a 1-yard run by Phil Morris. Greg Kenne scored the 2-point conversion with 11:20 left in the game. Webberville scored again on a 2-yard run by Bob Monroe. The extra point failed and 8:08 showed left in the game.

PW was not done adding to the scoreboard yet. Duane Weber ran 58 yards for another TD and once again the extra point attempt failed.

Total rushing yards for PW was 389 yards plus an additional 45 yards through the air while Webberville managed only 160 yards on the ground and 40 yards via the air route. Kohagen connected on 3 passes in 5 attempts while Vogel for Webberville completed only 4 of 14 attempts. Two passes were intercepted by the Pirates.

One touchdown for PW was called back just before the halftime break.

The Pirates record in the CMAC now stands at 2-0 and their next opponent will be a home encounter with arch-rival Fowler this Friday night.

Fowler girl cagers down P-W 49-37

The Fowler Eagles girls basketball team beat the Pewamo-Westphalia Pirates 49-37, in a Sept. 18 contest.

Mindy McKean was the star performer for the Fowler team, coached by Melody Sowers.

McKean lead the Fowler team to victory with 18 points, and nine steals. She was named top defensive player of the game. The Fowler team was never behind during the four quarters of play and averaged 29 percent from the floor in field goals.

McKean led from the floor with 39 percent. Other top

scorers were: Ami Snyder with seven points, hitting 60 percent from the floor; and Lisa Schafer with six points. Jeanne Spitzley scored 14 points for the Pirates.

Best defensive rebounder was Snyder with nine, and Feldpausch with four.

The Fowler Eagles made three free throws out of nine for 33 percent, and the P-W Eagles made seven out of 17 for 28 percent.

The Eagles had 19 fouls while the Pirates only had 11.

Score by Quarters:
Fowler: 6, 18, 14, 10
P-W: 6, 13, 6, 10

WINNERS IN THE 13 year old division are: Gary Blasen, 262½ points, first place; Eric Slim, 236 points, second place; and Richard Kingsley, 230 points, third place.

Hospital buys hematology unit

The laboratory at Carson City Hospital has recently acquired a Coulter Model S Hematology Instrument. The instrument was purchased in the interest of improving health care for the community and the patients serviced by the hospital.

The Coulter Model S is an improved fully automated version of earlier hematology counters which have been previously used in the hospital laboratory. This automated system helps the hematology laboratory meet today precise and exacting demands for

comprehensive analysis of the cellular components of human blood. The instrument numerically counts all red blood and white cells present in a blood sample, as well as calculate the size and volume of the red blood cells and determine the amount of

hemoglobin present within each cell.

The completeness of the analysis and speed which it performs the process will greatly help the physicians at Carson City Hospital in their diagnosis and treatment of patients.

ONE OF BEE'S TEAM

Albert Bozung

A mechanic with Bee's Sports Division, Albert Bozung has been associated with Bees since 1968. He works on most anything in the sports line, including, out boards, inboards, chainsaws & snowmobiles.

Al was born and raised in Fowler and attended the Holy Trinity Catholic school there.

After serving with the US Army 3½ years in World War 2 and seeing action in Africa & Italy he returned home and in 1953 married the former Mary Alice Harp. They have no children.

Al & his wife Mary Alice live in Lansing & he drives to St. Johns to work. "A reverse of most people here in St. Johns" Al said in the interview with him.

Fishing & hunting along with watching football are hobbies of Al, "no special team, I just like to watch football he says."

At one time Al taught a snowmobile course at LCO.

Memoriam
In loving memory of our dear husband, father and grandfather, Glendon Fitzpatrick who passed away 1 year ago Oct. 2, 1975. More and more each day we miss him Friends may think the wound is healed; But they little know the sorrow That is in our hearts concealed.
Mrs. Helen Fitzpatrick and family 22-1-p-30

Memoriam
In loving memory of our dear husband, father and grandfather John Bohil who left us two years ago October 4, 1974. Peaceful be thy rest, Dear One In life we loved you dearly, In death we do the same. Sadly missed by his wife Mae, Don & Kathy, Kara & Kendra 22-1-p-30

CARD OF THANKS
Special thanks to Fr. Schmitt, Nellers, Fallbearers, the staff at Clinton Memorial, the boys who took Steve to the hospital. The organist, the ladies and Duane who sang for the mass. The ladies who helped serve the lunch, all our relatives, neighbors, friends and Steve's classmates for masses, flowers, food, the gifts of money and all acts of kindness shown us at the time of our loss of our son and brother Steve. It will never be forgotten. May God bless you all.

Hereby Given that on October 27, 1974 at 10 o'clock in the forenoon, at the North Entrance of the courthouse in St. Johns, Michigan, that being the place for holding the Circuit Court for the County of Clinton, there will be offered for sale and sold to the highest bidder, at public sale, for the purpose of satisfying the amount due and unpaid upon said mortgage, together with the legal costs and charges of sale provided by law and in said mortgage, the lands and premises in said mortgage mentioned and described, as follows, to-wit: Lots 17 and 18, in Block 117 of Walker and Steel's Subdivision of lands North of the Detroit and Milwaukee Railroad, Village (now City) of St. Johns, Clinton County, Michigan, according to the recorded plat thereof in Liber 46 of deeds, page 131 Clinton County Records, subject to easements and encumbrances of record, if any. The redemption period will be one month from the time of such sale. Property may be redeemed by paying balance due plus 7 percent interest and any taxes or other unpaid encumbrances on the property from date of sale.

NOTICE OF FORECLOSURE OF MORTGAGE
Default having been made in the conditions of a certain mortgage made by Ronald W. Davis and Sandra D. Davis, mortgagors, to Thomas R. Harry Company, a limited partnership, as mortgagor, and recorded on March 28, 1974, in the office of the Register of Deeds for Clinton County, Michigan, as follows: Liber 283 of Mortgages on pages 304-307; on which mortgage there is due at this date the sum of SEVENTEEN THOUSAND EIGHT HUNDRED FORTY AND 10/100 DOLLARS (\$17,828.94) principal and One Thousand One Hundred Twenty-One Dollars and 98/100 DOLLARS (\$1,121.98) interest, no suit or proceedings at law or in equity having been instituted to recover the debt, secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative by reason of such default.

Chloe's Column

Shiny
could save
your life

By Chloe Padgett

Extension Home Economist

Half of the automobile accidents involving pedestrians occur at night. Each year 10,000 pedestrians are killed and another 250,000 are injured. Reflectorized clothing could have prevented many of the accidents.

A manufacturing company recently engineered a reflecting material now being introduced to the clothing industry. Special coatings of tiny glass beads that act as reflecting lenses are bonded to a fabric (20,000 per square inch).

Any jacket, coat, rainwear, shell or suit can be reflectorized. Only a headlight beam makes the reflectors visible. During daylight hours the fabrics are undistinguishable from conventional fabrics. The material is applied to the apparel as a trim, either functional or decorative. The materials are

nontoxic, nonirritating, and durable for the life of the garment through repeated washings and conventional dry cleanings. Fabrics are available in a wide variety of colors and in widths and shapes from one inch to a yard.

They are priced at about 20 cents per square foot and can be sewn or glued or affixed in other ways. As little as 30 cents worth of reflecting material can be used to "reflectionize" children's clothing.

Be looking for these garments to appear in the stores. So far some six million garments have been reflectorized. The manufacturer estimates this figure will increase by 40 percent this year. The company has developed a hangtag for reflecting materials that says "this garment might save your life."

Tucker earns ROTC scholarship

MT. PLEASANT—Terry E. Tucker of 1651 E. M-21, Rt. 6, St. Johns, has been selected to receive a 3-year Army ROTC college scholarship at Central Michigan University. The announcement came from Lieutenant Colonel Joseph K. Brown, professor of Military Science at CMU.

Tucker will be a sophomore this fall at Central Michigan University and is a member of the CMU Ranger Company and the CMU Sport Parachute Club. He is the son of Mr. and Mrs. Edmund Tucker of St. Johns.

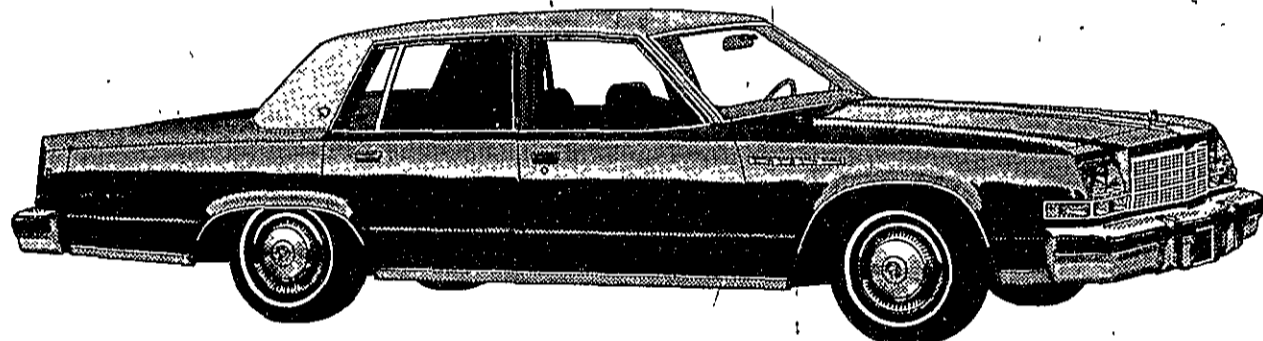

Army ROTC Scholarships are competitively awarded on the basis of excellence in academic work and

participation in extra-curricular activities," Colonel Brown remarked. "It is truly a merit scholarship, and it is awarded only to those who have demonstrated leadership ability."

The scholarship pays for tuition, books and laboratory fees, and the student also receives \$100 monthly subsistence allowance for up to ten months of each academic year.

The recipient, as other cadets, may pursue any course of study leading to the baccalaureate degree. Each will be commissioned as an Army Second Lieutenant upon graduation and completion of the ROTC Program.

The New 1977 Oldsmobiles Are Here!

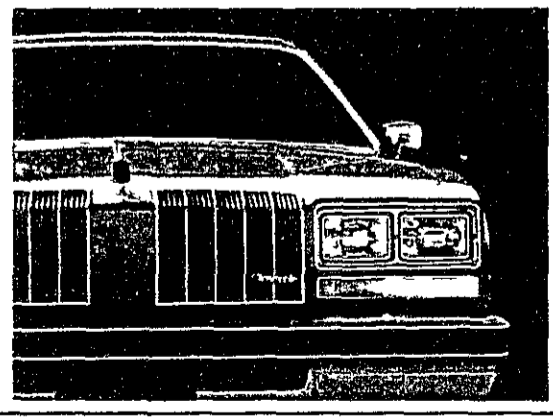

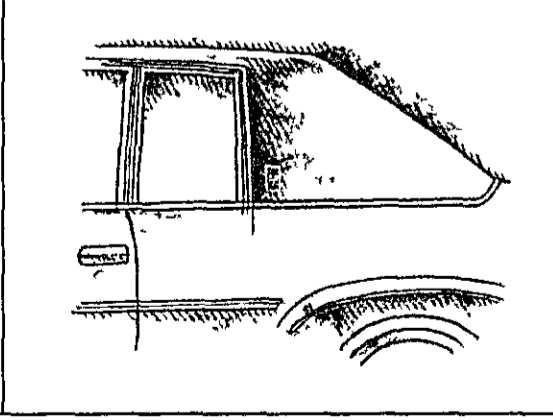

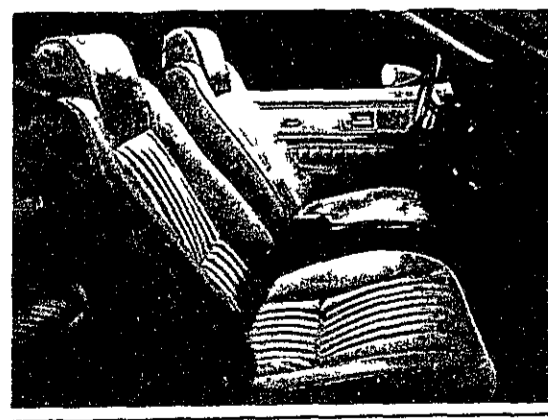

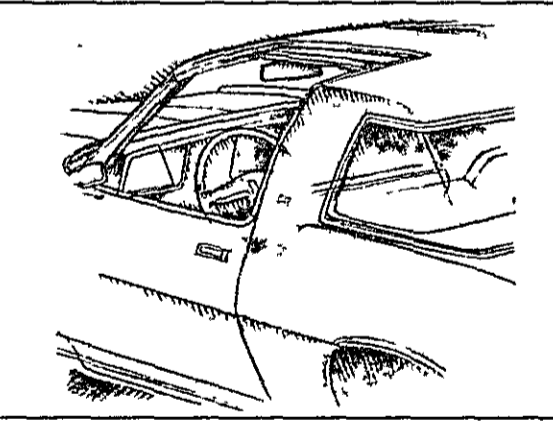

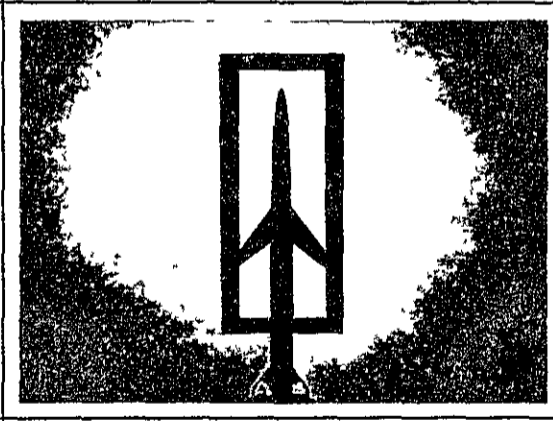

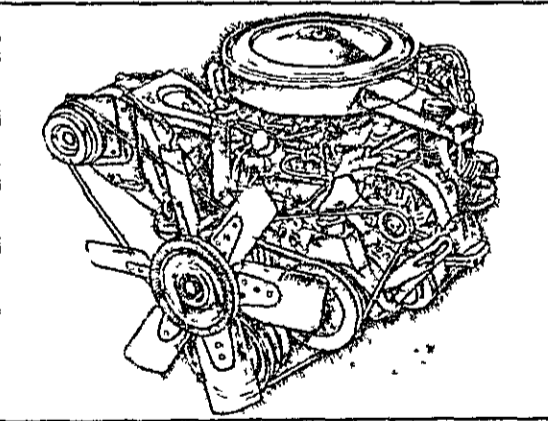

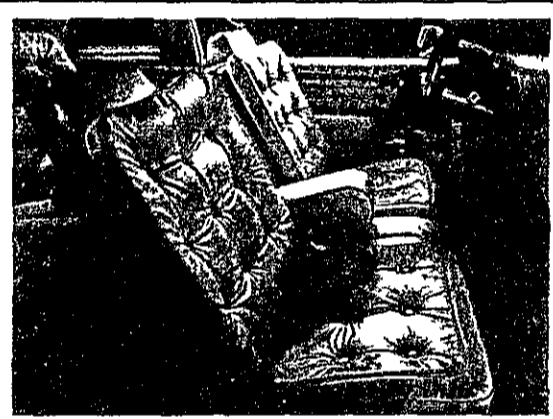

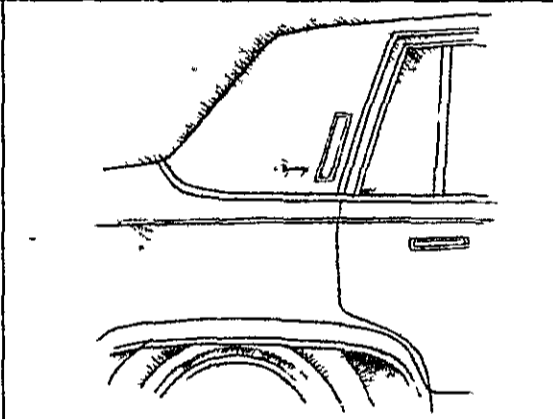

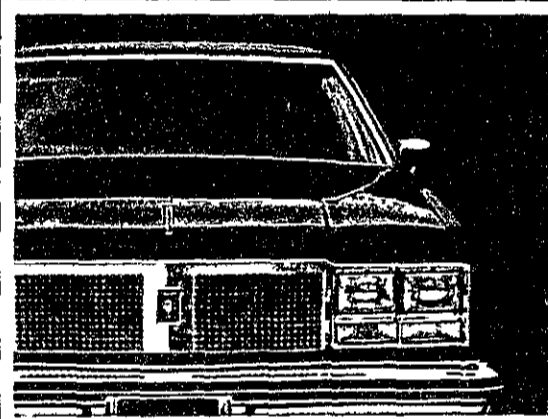

SEE THEM NOW AT

BEE'S Chevy-Olds, Inc.

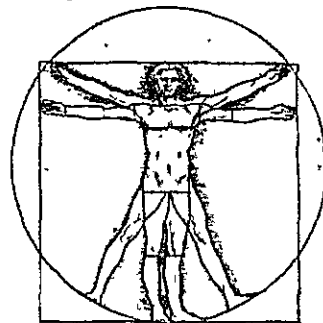

In man's search for excellence...

1977 OLDSMOBILE

Leonardo da Vinci (1452-1519) . . . gifted painter, inventor, engineer and visionary, spent his lifetime achieving new measures of excellence. To represent Oldsmobile's search for new design, technology and human engineering means to achieve a new excellence in automobiles, we have chosen the famed da Vinci graphic theme shown below.

Leonardo da Vinci, circa 1500

The Search: Cars that must do more than they've ever done before to meet the demands of our times. The 1977 Oldsmobiles.

THE CHALLENGE: To design and engineer luxury and family-size automobiles to meet the new demands of our times. More weight-efficient. More space-efficient. More practical in everyday driving. Meet these demands, without sacrificing the traditional qualities buyers have come to expect in full-size cars.

THE IDEA: A new design approach. New engineering techniques. Weight-reducing concepts and materials. New production processes . . . new kinds of cars.

THE SOLUTION: New Ninety-Eights and Delta 88s vastly different from '76 models—the wave of the future, right now.

NEW SIZE: There's a new kind of living room inside. The Delta 88 Coupe, for example, offers more legroom and headroom for rear passengers, without losing any up front. Six passengers can still ride in comfort.

Even more surprising is the trunk space—the Delta 88 still gives you over 20 cubic feet!

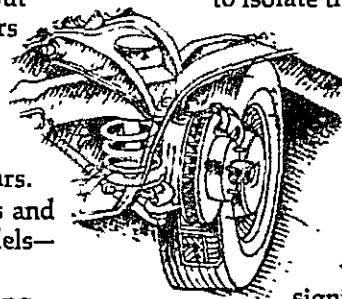

NEW "DRIVEABILITY": There you are, in all that big-car luxury. Yet you're able to thread through traffic with a new confidence. Take a tighter turn. Slip into parking spaces you'd pass up before. There's a new dimension to the pleasure of driving a Ninety-Eight.

With its new size and 119-inch wheelbase, the turning diameter is nearly 2½ feet shorter than before. New design has resulted in new maneuverability. You'll sense it the first time you drive.

NEW RIDE: In smoothness, softness and ride, the new Ninety-Eight rivals the best Oldsmobiles of all time.

New deeper-travel suspension systems were designed, front and rear. Increased positive

caster built into the front suspension helps directional stability; a large-diameter stabilizer bar helps control sway. Softer springs help absorb road shock. The body mounts are softer to isolate the body from the chassis, to

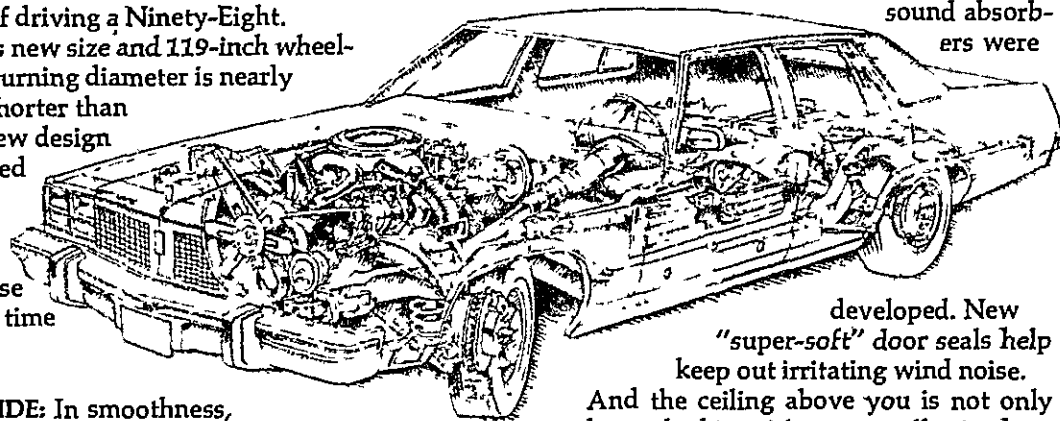

help reduce road noise and vibration. And the results were "road tested" by new computer simulation technology before the first car was ever built!

NEW COMFORT:

Among the Ninety-Eight's advances is one of a very personal significance. It's where you sit—and how. Our seats have a new design for your comfort. Subtle differences help you sit in a natural posture; deep foam cushions mold to your body. There are no springs to sag or limit your comfort. And they're more space-efficient, too; they take up less interior room.

NEW ACOUSTICS: We took a whole new approach in acoustics engineering to achieve the inner quiet in Ninety-Eight that is the trademark of the world's luxurious cars.

More effective, better fitting sound absorbers were

developed. New "super-soft" door seals help keep out irritating wind noise.

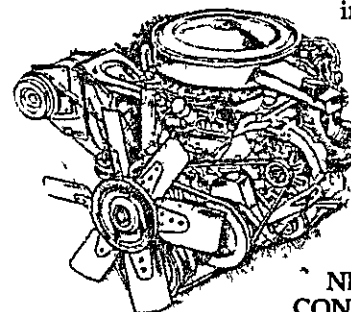

And the ceiling above you is not only better looking, it's a more effective barrier against the noises of the outer world.

NEW CORROSION DEFENSE: Now zincmetal body panels are used in critical

areas. Zinc-rich primers are used extensively throughout the body. New plastisol compound is flowed into body joints, covering seams and welds. New application techniques reach the innermost crannies. The result is more thorough corrosion protection than any Olds had before.

NEW ENGINE DESIGN: Each Rocket V8 we offer has been redesigned for weight savings, using new designs and modern casting techniques. The lineup is new, too; Delta 88, for example, now gives you a new choice of 260, 350 and new 403 V8s available.

In all of them, a new thermal control in the air intake improves operation when

the engines are running cold; a divided-well carburetor aids operation in hot weather.

NEW DIAGNOSTIC CONNECTORS:

In the engine compartment is a new connection to the engine's electrical system; when it's plugged into an analyzer, problems can be pinpointed quickly, and serviced more promptly. When you order air conditioning, it has its own connector, too.

WE THINK you're going to like the new Ninety-Eight and Delta 88—especially when you see how we've preserved the qualities that people buy full-size Oldsmobiles to enjoy. But come on in, and judge for yourself.

Oldsmobile

Can we build one for you?

Oldsmobile reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models, and also to discontinue models.

NINETY-EIGHT

A remarkable new kind of luxury car.

The 98 Regency below wears a new look of sculptured elegance. Its lines are clean, authoritative. The roofline is more formal; new landau lamps on the rear pillar lend a fresh distinction.

Inside, you'll find a new air of limousine-like luxury. Rich crushed velour. "Loose cushion" look to the seat-backs. More legroom and

headroom in back than last year. Wide center armrests. The quiet. The comfortable ride. The ease of driving. Details like a digital clock and twin storage pouches on the seat-backs add extraordinary touches of elegance you will appreciate.

Under the hood, a redesigned Rocket 350 V8 responds smoothly.

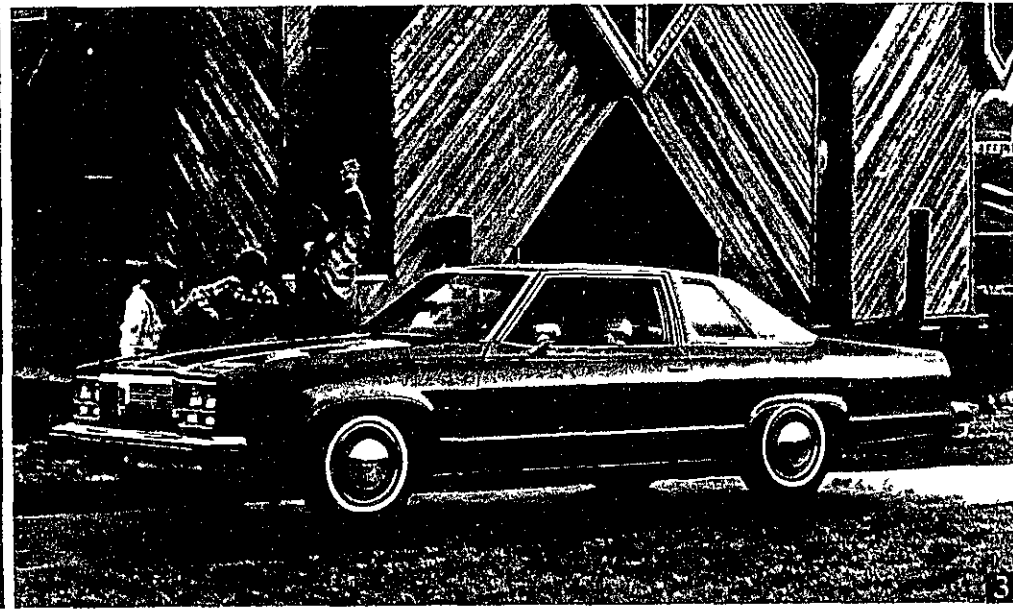

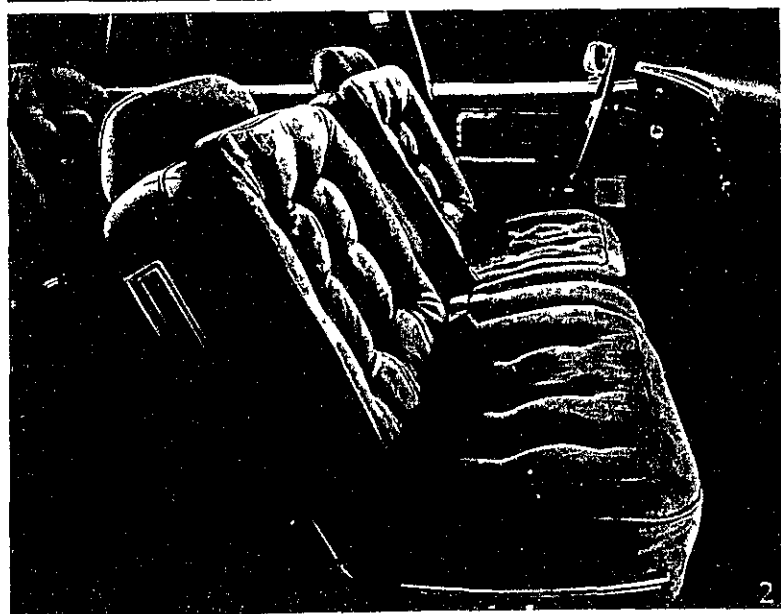

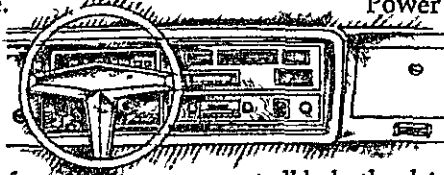

Power steering, power brakes, automatic transmission, power windows and a divided front

seat all help the driver take command—and, of course, your

98 Regency behaves accordingly.

Add it up, then compare prices against other luxury cars—you'll see why 98 Regency fully deserves its description as the "thinking man's luxury car."

(1) 98 Regency Sedan. (2) Luxury Comfort. And there's more legroom and headroom in back. (3) 98 Regency Coupe. Can we build one for you?

DELTA 88

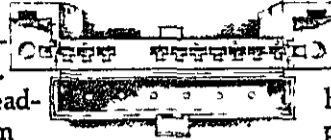

This could upgrade all your ideas about family cars.

American families move into full-size cars for very practical reasons. They need the room, especially in the back seat. And trunk space. And they want the solid, big-car comfort and ride. Well, that's just what our all-new Delta 88 gives you—in a new design that's more practical for today's world. It's the family car of the future—but Olds has it now.

Delta 88 moves with new agility on a 116-inch wheelbase, and responds with a 231 V6 or a choice of redesigned V8s under the hood. Inside, there's more headroom and more legroom in back. If you'd like a lot of luxury, too, you've got it in beautiful abundance in the Delta 88 Royale, as

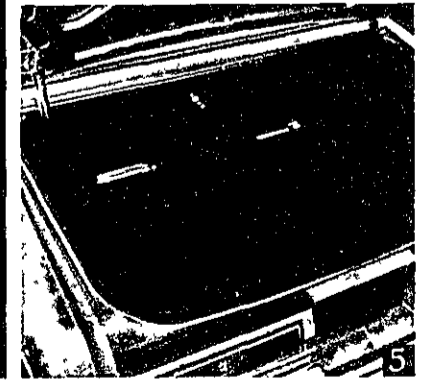

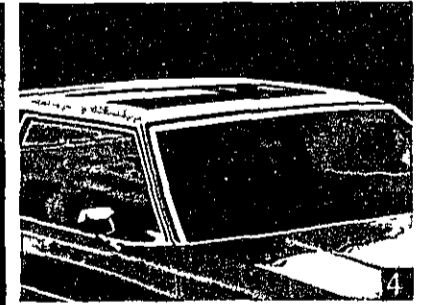

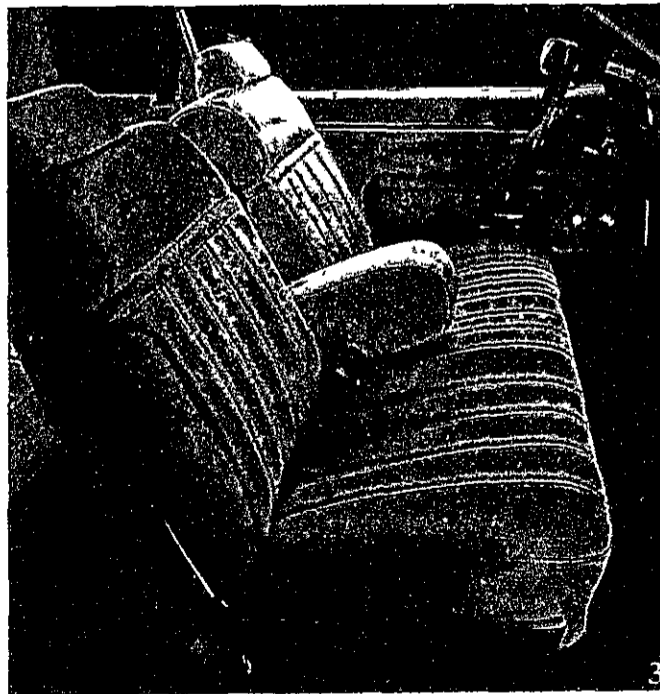

you can plainly see on this page.

This is a diagnostic connector in the engine compartment. With an analyzer plugged in, it can help diagnose a service problem in the engine's electrical system. It's a time-saver—and it's standard. Like a lot of other things.

What you're seeing here is just the top of the news about Delta 88 for 1977—your Olds dealer has a lot more news, and a handsome new Delta 88 for you to drive!

- (1) Delta 88 Royale Coupe.
- (2) Royale Sedan.
- (3) Luxurious velours and 6-passenger comfort.
- (4) A new sunroof is available.
- (5) Over 20 cu. ft. of trunk space!

TORONADO

New concept in personal luxury cars.

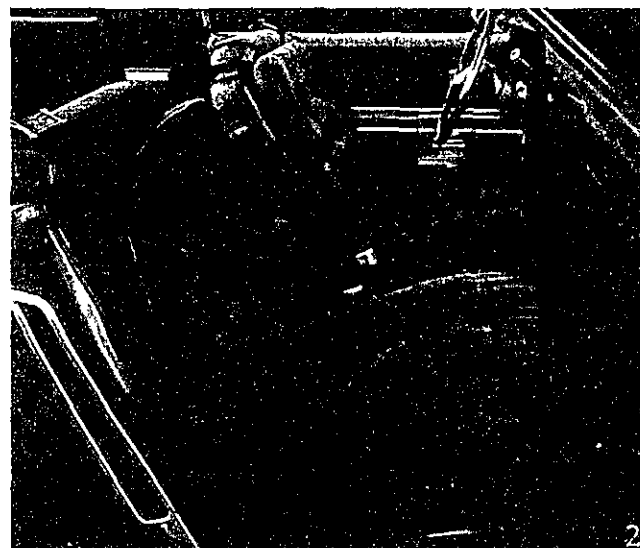

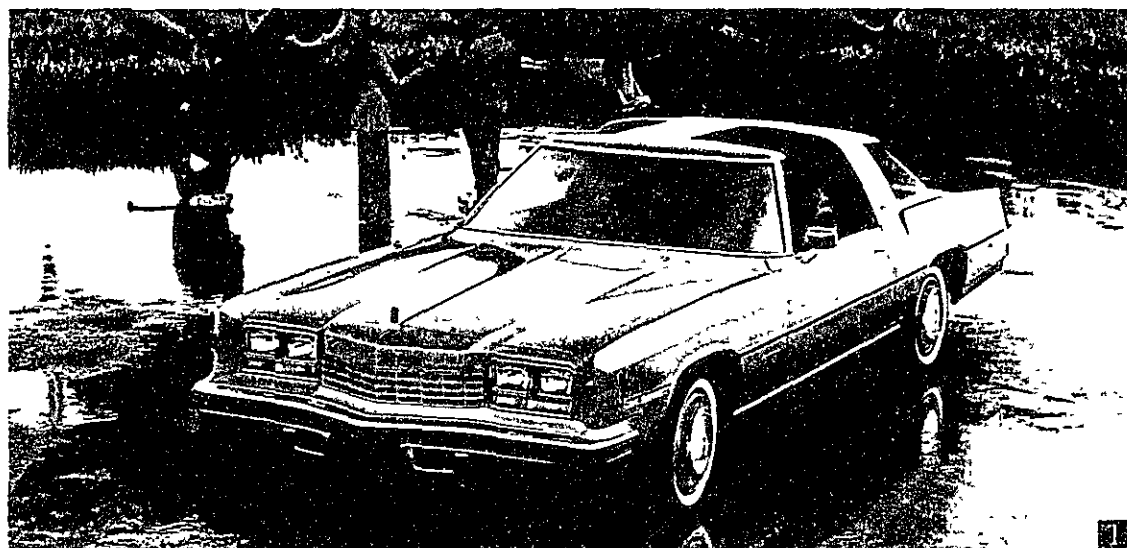

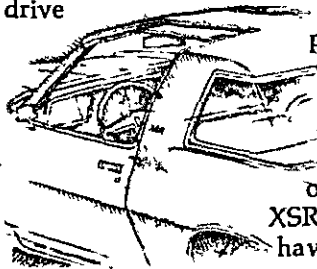

Rarely does a new car appear that's so impressive it causes excitement wherever it's seen. Toronado XSR is that kind of car. A classic.

A new panoramic rear window wraps around to form side windows in one sweep of glass. Twin glass panels are skylights in the roof; touch a button, and they slide in-board to create a convertible feeling.

But there's more. Toronado's famous front-wheel drive is now powered by a new Rocket 403 V8, equipped with a totally electronic spark timing system different from that in any other car. A pre-programmed

microprocessor instantly and continuously fine-tunes performance to the needs of the moment—whether the engine is running cold or warmed up, accelerating, decelerating, or cruising! Both Toronado XSR and Toronado Brougham have this innovation.

Then there's the inner world of Toronado. Ribbed velours. The loose-cushion look. A divided front seat. Center armrests. Power windows and air conditioning are standard. Comfort. Quiet luxury. Suddenly "the Toronado experience" is a very meaningful phrase. (1) Toronado XSR. (2) The inner world of Toronado.

CUSTOM CRUISER

New kind of full-size wagon.

To be more space-efficient, we gave it a new size, a 116-inch wheelbase, a shorter turning radius. A cleaner, squarer cargo area. A lockable storage area in the sidewall, more storage under the floor, a spare tire extractor. A 3-way tailgate. And a redesigned Rocket 350 V8, standard.

To make it a Custom Cruiser, we gave it comfort, a soft ride, an uncommon quiet and luxury inside. Lots of standard equipment. Even velour upholstery is available, for that luxury sedan look. In fact, you'll find it hard to remember you're in a wagon, if you don't look back!

VISTA-CRUISER

Beautifully elegant—but tough!

Outside, Vista-Cruiser is a very elegant wagon. Inside, more of the same—with deep, thick carpeting, full-foam seats and high-quality vinyl upholstery.

It's elegant enough for a night on the town—in any town! But down deep, Vista-Cruiser is a wagon owner's love. It can handle

most any workday chore that might pop up—shrubs for the yard, furniture for the family room or toting home blue ribbons from canine contests!

Sound like a winner? You'll think so—on any workday—and every elegant evening!

Can we build one for you?

CUTLASS

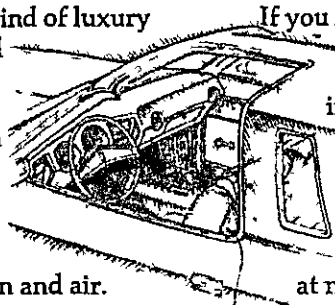

America's most popular mid-size car line.

Sure, styling and value are reasons why Cutlass was America's best-selling mid-size car line again in '76.

Another reason is Cutlass' uncanny ability to satisfy the varying demands of so many car buyers—whatever they may be.

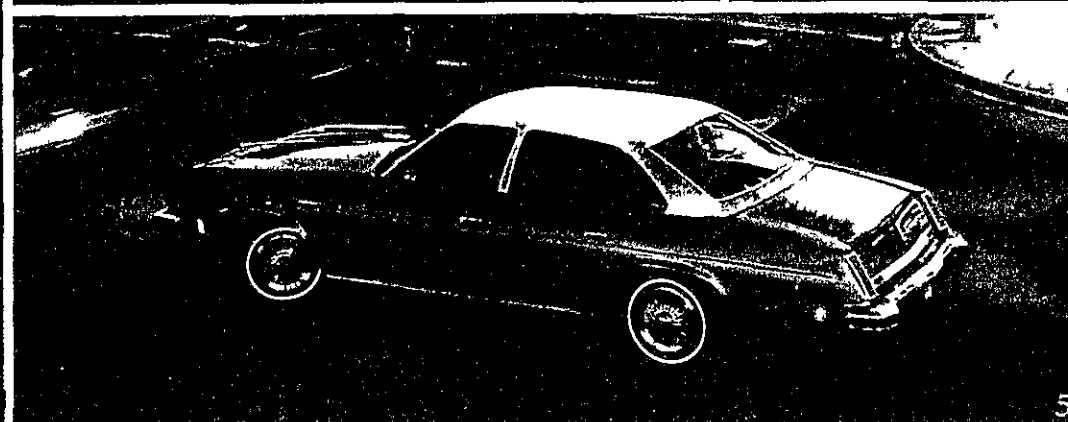

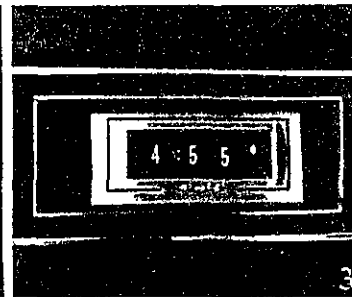

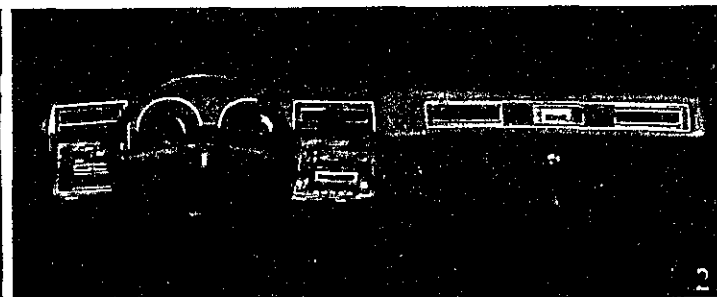

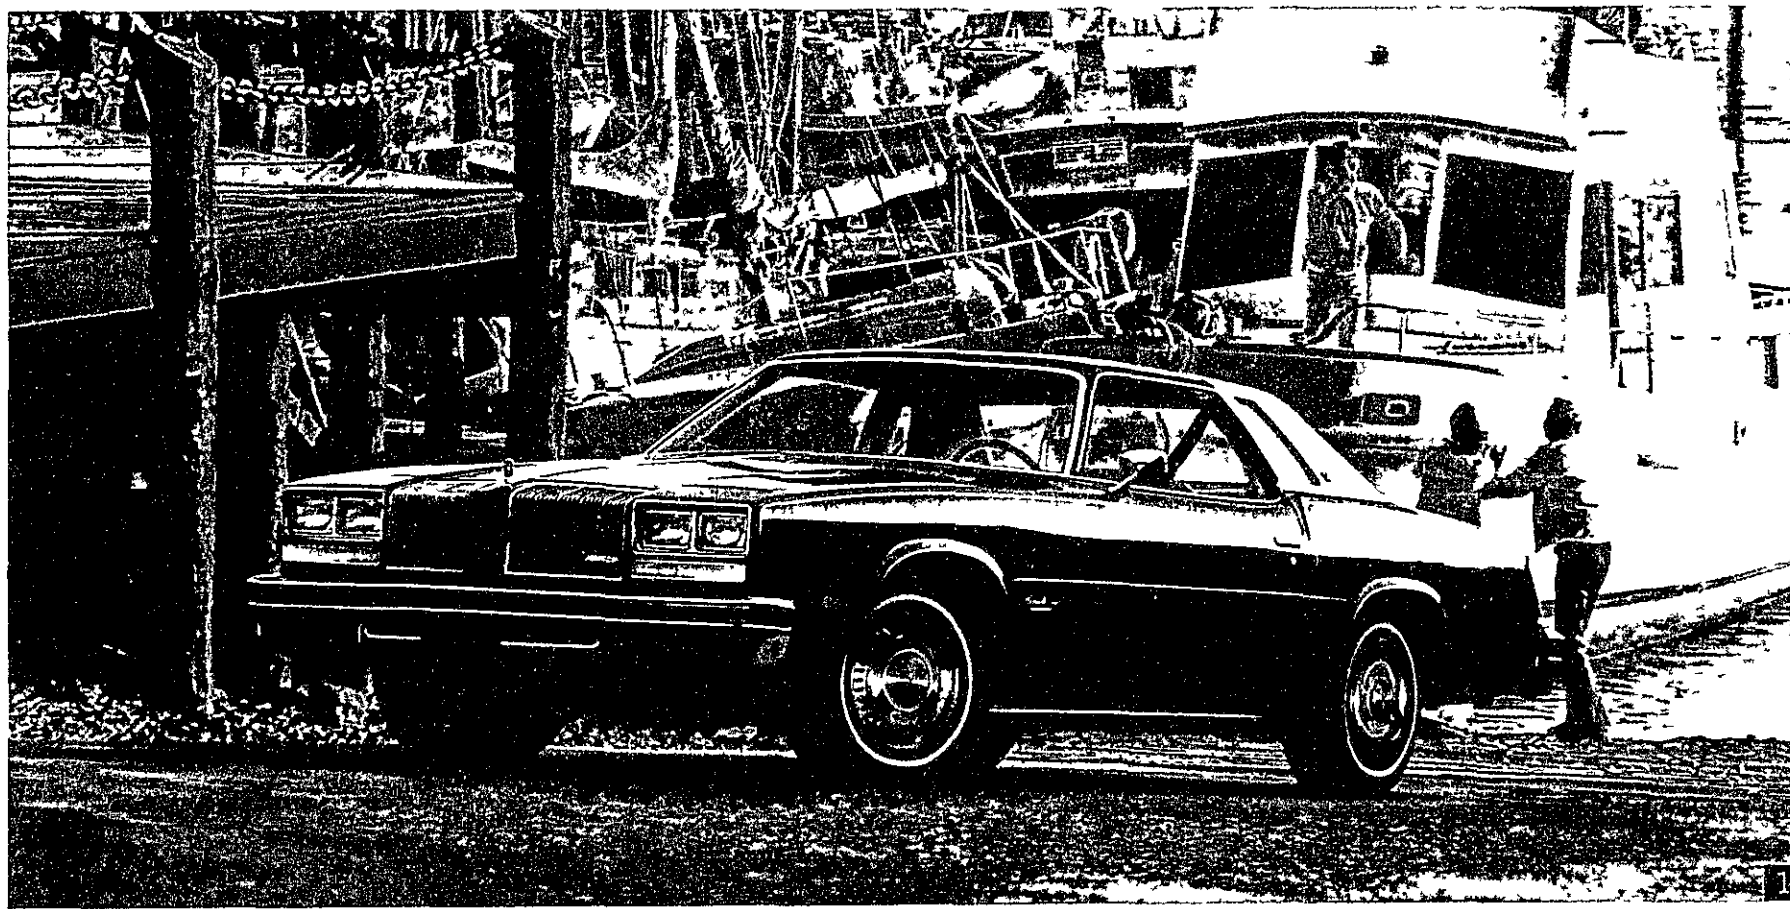

The top-of-the-line Cutlass Brougham, for example, is built with the luxury-oriented buyer in

mind. It offers the kind of luxury you can see and feel and enjoy. Yet it carries a practical price. You can even order a Brougham Coupe with a distinctive Hatch Roof with lift-out panels that let in sun and air.

If you really love to drive, there's Cutlass Salon. With reclining front seats and impressive roadability, it's a grand touring experience! And you can choose an automatic or a short-throw 5-speed overdrive manual shifter at no extra cost.

1. Cutlass Brougham Coupe. The luxury you want—in a practical mid-size car! 2. Redesigned Cutlass instrument panel. 3. Highly accurate digital clock with quartz-crystal movement is now available. 4. Cutlass Brougham's 60/40 divided front seat with dual controls. It's standard. 5. Cutlass Brougham Sedan, new for 1977. It's elegance in action!

Cutlass Supreme is something else again. With classic styling and mid-size maneuverability, it traditionally is among the leaders in resale value. No wonder it has become one of the most popular Oldsmobiles in our history! Then there's Cutlass S with

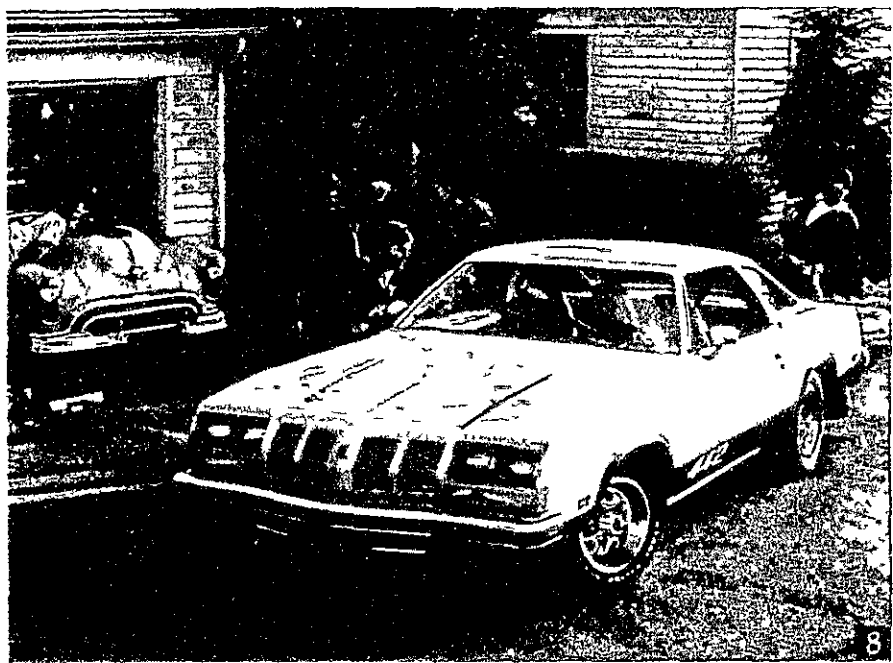

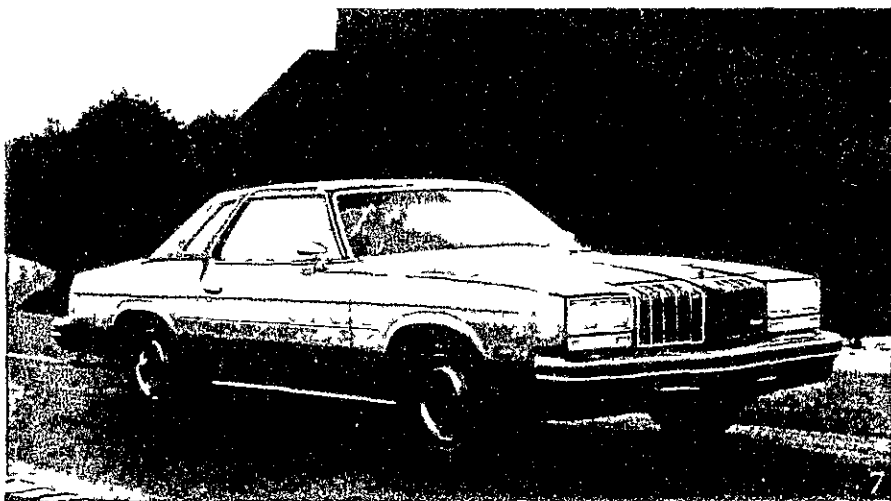

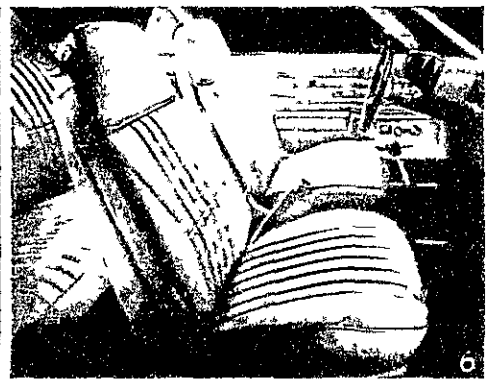

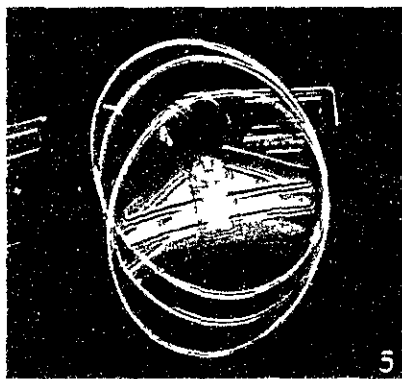

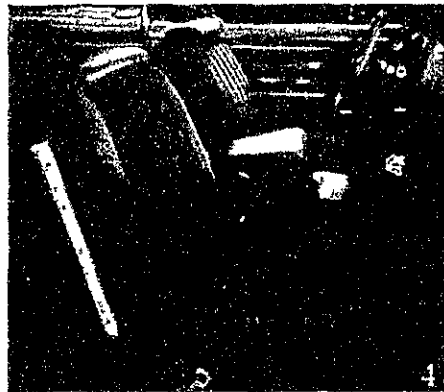

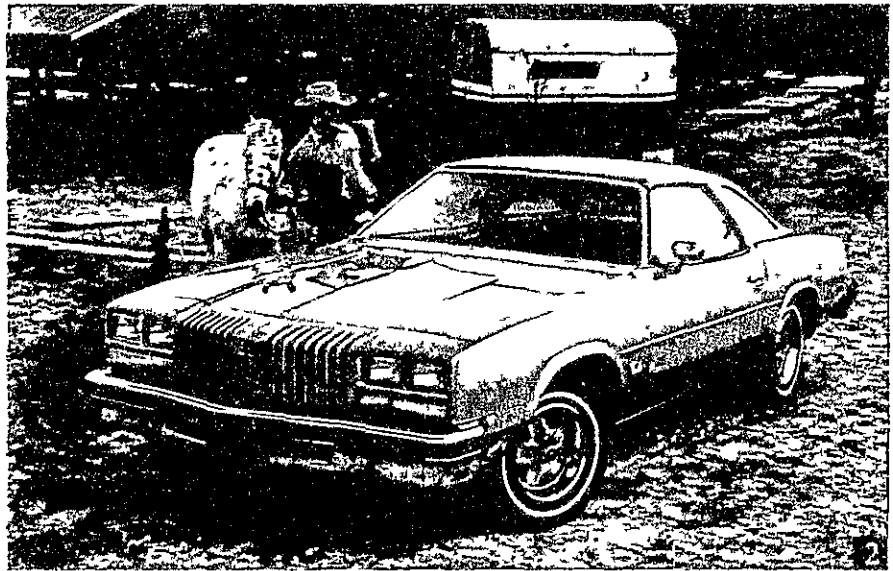

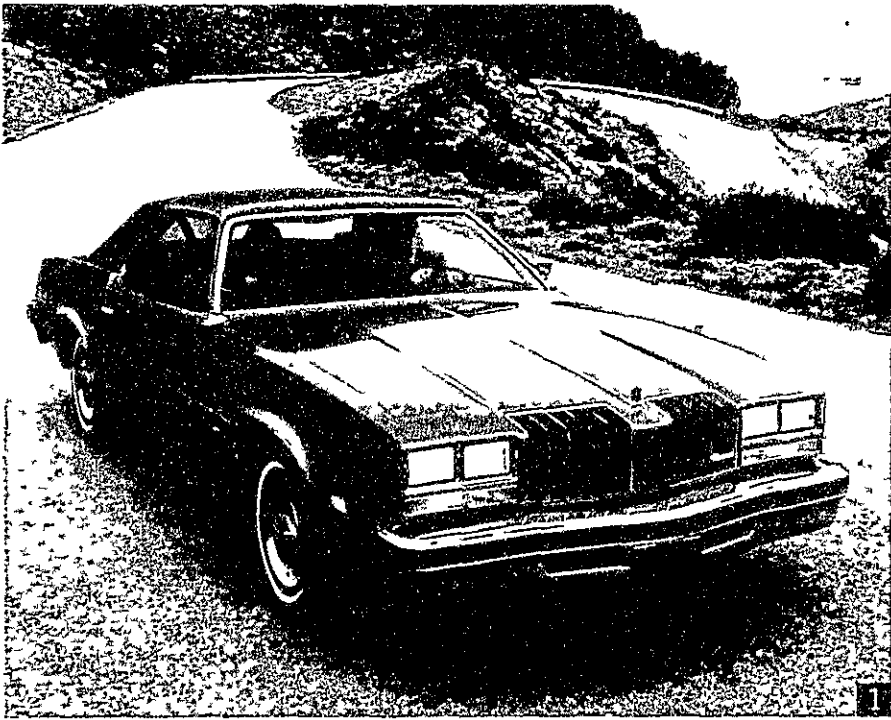

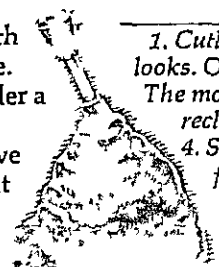

youthful lines and an affordable price that makes it a favorite with budget-minded new-car buyers.

If you like your "S" on the sporty side, you can order the famous 4-4-2 package for a purebred sport in looks, maneuverability and spirit! And you can choose

Cutlass S or Supreme with a standard 231 V6 engine. Or go all the way and order a 350 or 403 Rocket V8.

If it sounds like we have a Cutlass that is just right for your needs and your lifestyle—you're getting the idea! Can we build one for you?

1. Cutlass Supreme Coupe. Buy it for looks. Or practical values.
2. "S" Coupe: The most affordable Cutlass!
3. Salon's reclining front lounge seats.
4. Supreme features center armrest for comfort.
5. Available Tilt-Wheel adjusts to you.
6. Order bucket seats for your "S" Coupe.
7. Salon: A grand touring experience!
8. The 4-4-2 look.

STARFIRE

The joy of driving is alive and well!

You know it the first time you test drive a Starfire!

With great looks, sporty 97-inch wheelbase, front disc brakes and short-throw 4-speed manual—every curve, turn and straight-away is sheer pleasure!

And Starfire carries a practical price. Extra luxury touches? Then you'll like Starfire SX—with its own special interior, a custom sport steering wheel and brightmetal moldings for the wheel openings.

Or maybe you're after the

ultimate Starfire. Then order our GT package—with tachometer, special gauge cluster and clock.

You also get fat, raised white-letter steel radials and rear stabilizer for cornering, plus bold stripes and rallye wheels for GT looks. And admiring stares.

A 140 E4 engine is standard.

But you can order a gutsy 231 V6 engine, automatic and 5-speed overdrive manual shifter—just for the fun of it. The joy of driving is alive and well!

OMEGA

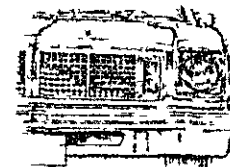

Compact size... Oldsmobile quality!

Today, there are a lot of compact cars to choose from. Fortunately, one is an Oldsmobile!

So you can have a compact with room for six, a smooth ride, impressive Olds quality—and solid Olds value!

First is Omega Brougham, with the kind of comfort, luxury and quality you like—at a very practical price. We call it our Import Fighter!

Then there's Omega F-85, our lowest priced Olds. It's a very convincing argument for making your first car—your first Olds!

In between is Omega with a long and welcome list of value

features. Like an impressive V6 engine, front disc brakes, aluminized exhaust system, high-energy electronic ignition

system—and much more!

All this, plus what you really buy a compact for—easy parking, impressive maneuverability and easy-to-take price. A lot of Oldsmobile... and a lot of value!

The new Oldsmobiles are here. And we have a beautiful selection in every beautiful series right now. So look through this brochure. Then come on out while we still have the Olds model you're most interested in.
