Homecoming Royalty

Who would stay away from the St. Johns High School Homecoming football game this Friday if they knew these pretty girls would have prominent part in the festivities? They will. Miss Kendra Harper (left), a senior and daughter of Mr. and Mrs. Kenneth Harper, will reign as homecoming queen, and her court will consist of Cathy Buck, Kathy Pope, Sandy Kramer and Dottie Jenkins. The three girls at the top of the stairway are class representatives Judi Whitlock of the junior class, Sue Koenigsnecht of the sophomores and Alice Villarreal of the freshmen class.

260 boys get ready for PP&K Saturday

Spurred on by hints and tips last weekend from St. Johns High School coaches, several hundred boys from central Clinton County will be out Saturday night to prove their abilities to punt, pass and kick a football.

The opportunity will be St. Johns' fourth annual Punt, Pass and Kick competition sponsored by Egan Ford Sales, Inc., of St. Johns and the St. Johns Jaycees.

The contest will start at 6:30 p.m. Saturday at the city park athletic field.

PUNT, PASS and Kick is a form of football for boys aged 8, 9, 10, 11, 12 and 13. There is no body contact whatever, and the boys compete only with those their own age for handsome first-, second- and third-place trophies by seeing who can punt, throw and place-kick a football the farthest and on the straightest line.

Points are awarded for each foot of distance the ball travels on the fly, and points are subtracted for each foot it lands to either side of a center line. The boy with the greatest number of points accumulated in all three events is the winner.

Last year 228 boys competed in the biggest PP&K competition here up to that time. This year PP&K Competition Director Gene Downing is expecting perhaps 350. As of Monday afternoon, there were only 147 boys signed up, but Bruce Fowler, dealer-

One of Chest agencies

Red Cross services varied at local level

The Mid-Michigan Chapter of the American Red Cross is another of the agencies which will share in the Clinton County Communities Chest campaign this year.

The Mid-Michigan chapter is comprised of the counties of Clinton, Ingham and Eaton. The merger of the three counties into the one chapter was done to save on administrative cost and to expedite the many services available.

The American Red Cross program both nationally and on the chapter level, is geared to many services. Basically these are service to the armed forces, veterans and military families; the blood program; disaster relief; safety services; and many other miscellaneous services.

According to Rollo F. McCall, executive director of the Mid-Michigan chapter, the

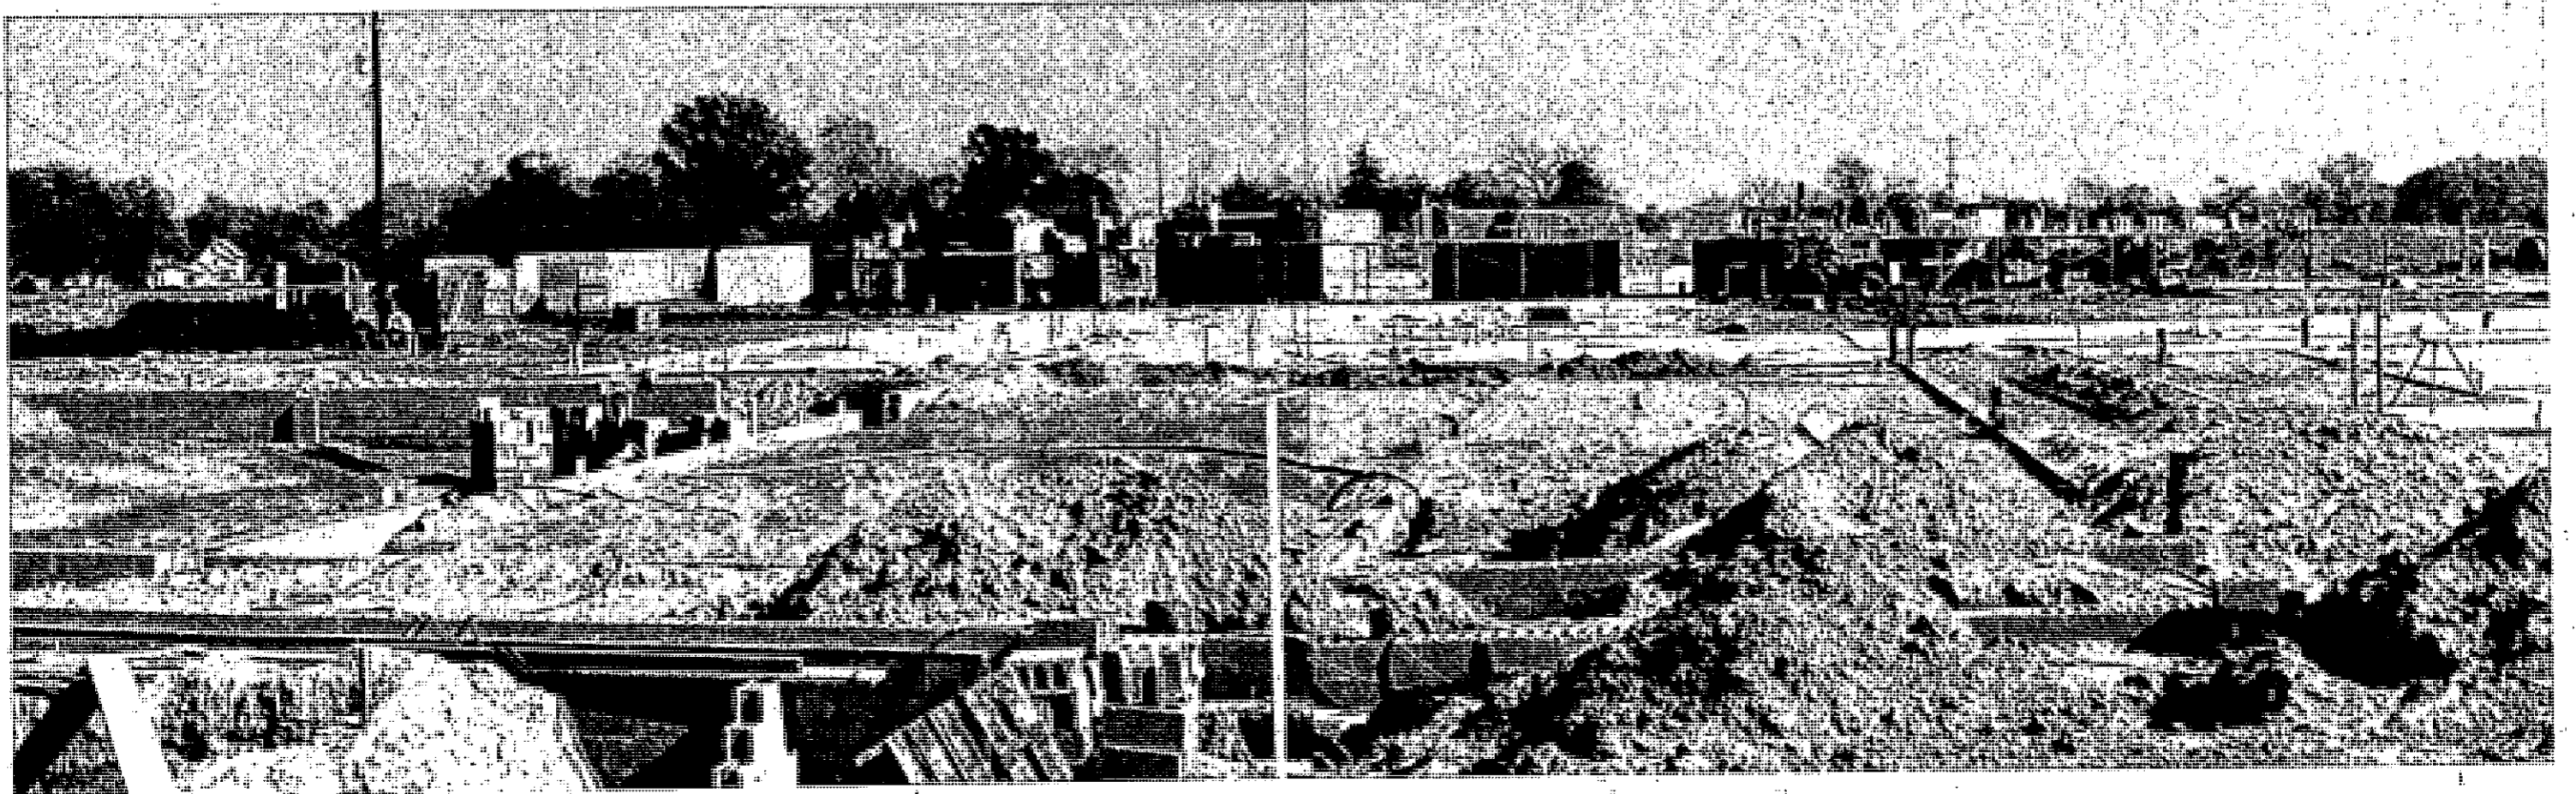

breakdown on chapter funds is: blood program 25 per cent; disaster relief 20 per cent; safety services 10 per cent. The other 25 per cent is divided between the many other services made available through the Red Cross—home nursing courses, motor service, scouts, community classes, student nurses, Red Cross volunteers and other such community programs.

THE THREE LARGEST budget items of the Red Cross are the ones that effect those within the area the closest. In the past three years the Mid-Michigan chapter has collected and dispensed approximately 42,000 pints of blood. This is available to all residents of these counties on a no-charge basis. In the field of service to armed forces, the chapter's obligations to servicemen and their fam-

ilies has again become a significant part of their service. Getting emergency messages to members of the armed forces, and helping military families in need are covered by this service.

In the area of local disaster, Clinton County has been fortunate not to need these services often. But, an example of the Red Cross's disaster service occurred after the tornado that hit Fowler—Westphalia area last spring. The Mid-Michigan Chapter was one of the first units to arrive with men and vehicles to offer any service that was needed.

These major areas, plus the many others that are in existence because of the Red Cross are just a few of the reasons that Clinton County can and does benefit from contributions to the Clinton County Communities Chest campaign.

Panoramic view of new St. Johns High construction

The walls are up about 10 feet high around the main academic and business education clusters at the site of the new St. Johns High School on Sickles Street. This panoramic view looks eastward from near the cafeteria kitchen area on the west side of the building toward the academic areas. The de-

pressed area at extreme left is for seating in the auditorium; the flat area in the center will be the stage; at right center will be the work rooms and dressing rooms connected with the stage. The final pourings for the concrete floors in the school are expected to be made shortly in the shop areas

County gets OK to borrow money

The Municipal Finance Commission has approved the issuance of \$200,000 of tax anticipation notes for Clinton County.

The approval was announced last Tuesday by Atty. Gen. Frank Kelley, chairman of the commission. The proceeds will be used to obtain funds to cover operating expenses of the county for the remainder of this year.

The notes are dated Sept. 2, 1967, and will be due March 1, 1968, and will carry a maximum interest rate of 4 per cent annum.

Bath to offer math for parents

BATH—Beginning Tuesday, Oct. 10, Bath Community Schools will offer a course in modern mathematics for parents. The course will introduce many of the concepts of the "new math" which are now being taught in elementary and high school, including Number Bases (why is 1 plus 1 equal 10?) and sets. Some attention will be paid to the ideas of modern geometry.

The classes will meet from 7 to 8:30 p.m. in room 8 of Bath High School. There is no fee. The instructor will be Mrs. Alice Spter.

So live that you can, come down from the heights—it's much easier than trying to climb out of the depths.

BATH TOWNSHIP NOTICE of Public Hearing

The Bath Township Planning Commission will hold a public hearing on the request of Carl Schlegel Inc., to rezone their property on Chandler Road at Stoll Road to Special Use, or Industrial, to allow the construction of a garage and office building.

(Electronics to speed shorthand learning at St. Johns High)

"This won't replace the teacher," Mrs. Barnes said. "The tape dictations will take up only a portion of the class time, with the rest of it being used for instruction as it is now. But it will allow us to provide some very individualized instruction that we haven't been able to before."

BILL SWEARS, HEAD of the business education department, pointed out Steno-Craft's usefulness in typing, too. Typewriter course publishers provide tape-recorded instruction, including music which sets a pace for the typists to follow. The tapes can be used in the same way as with shorthand, playing different speeds.

The electronic outfit, purchased with the help of federal funds at a total cost of \$2,122, is expected to make a little more work for the teacher, because of the need to keep track of up to four recordings at once. But Mrs. Barnes, for one, is looking forward to that fact being offset by more rapid and lasting learning by the students.

"It will allow any student to move ahead at her own speed without hindering the others," she said, noting that each student will probably be exposed to individualized instruction more than normally under the old system.

The Steno-Craft lab also provides for the classroom teacher to talk to any or all of her students through the headsets, allowing her to cut in on the students she wishes to talk to and let the others continue with the tape lessons.

BLANK TAPES will allow the teacher to record lessons herself so that they can be played should she be absent from class and a substitute teacher is required. Since the substitute might not be familiar with the class progress or lessons, she would need only to operate the Steno-Craft console, with the regular teacher's pre-taped lesson being broadcast to the students.

The electronic unit will also allow students to better make-up missed class time without involving the teacher to a great extent. Classroom lessons can be recorded on the machine, with these available to the student

Rotarians of St. Johns will welcome on Oct. 10 the governor of this Rotary district, Wesley G. Logan, M.D., of Hastings.

He will address the local Rotary club, one of 50 in his district, and will confer with William Graef, president of the St. Johns Rotary club, and other club officers to obtain information on the club's plans for its service activities and to offer suggestions on Rotary administrative matters.

Dr. Logan is one of 283 Rotary governors in all parts of the world who are serving as the sole representative of Rotary International in districts comprised of member clubs. Each district leader is responsible for supervising the clubs in his area. More than 12,785 Rotary clubs in 134 countries are supervised by Rotary governors.

A MEMBER AND past president of the Rotary Club of Hastings, Dr. Logan is a physician. He was elected to office at the Rotary convention in Nice, France, last May, and will serve until next June 30.

"While in St. Johns," according to Graef, local Rotary president, "the governor of our district will talk with us about possible growth of membership and the likelihood of forming additional Rotary clubs in nearby communities. His visit will also give us a broader understanding of the world-wide Rotary organization that today embraces more than 613,500 men of practically all nationalities and political and religious beliefs."

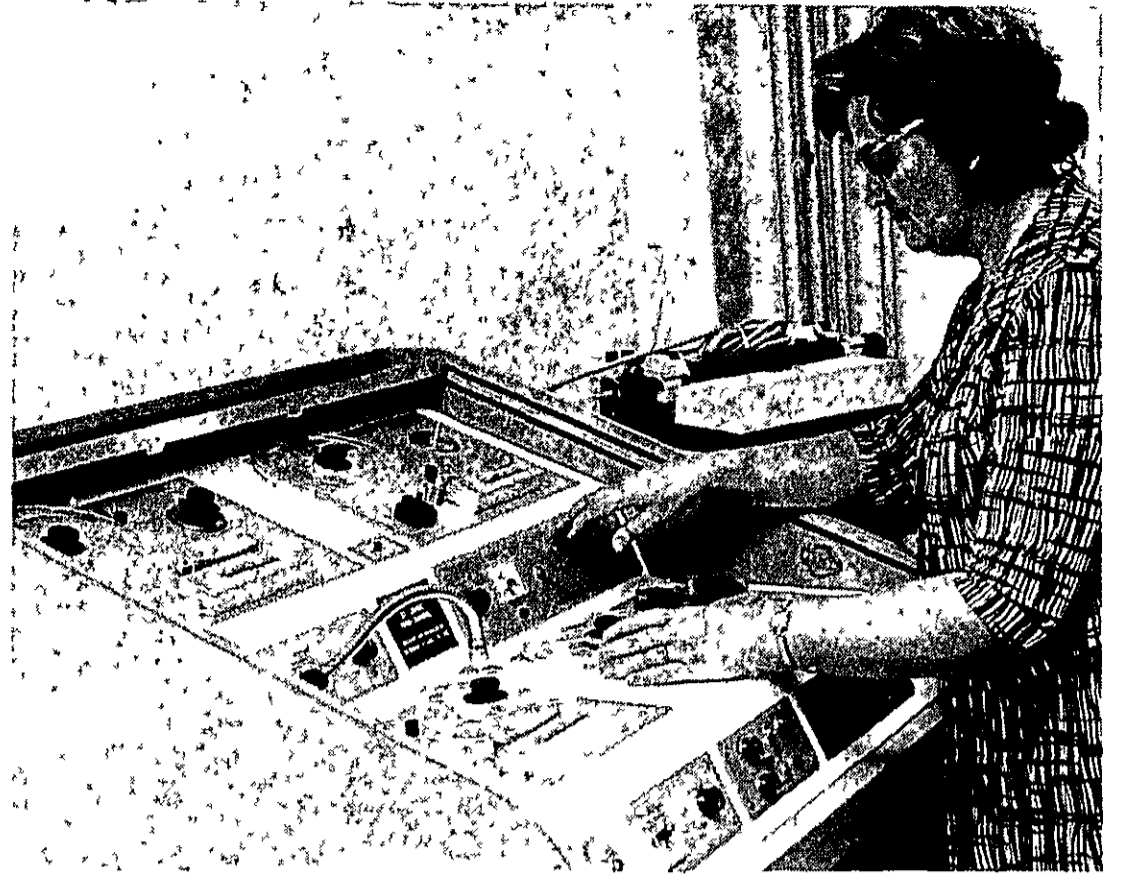

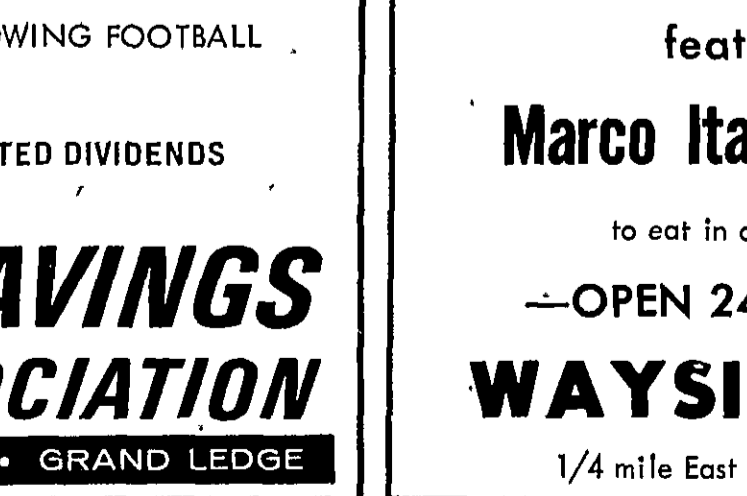

Though a seasoned Rotarian before his election to the office of Rotary governor, Dr. Logan attended an eight-day meeting last May in New York State at which all Rotary governors for 1967-68 received intensive training for their jobs.

One of his biggest jobs will be to hold a district conference of all Rotary clubs in this area. The conference will be held at Battle Creek April 5-6, 1968.

Enrollment up
MIDDLETON—Fulton school enrollment has increased 4 per cent over that of last fall. In the Fulton school system a year ago there were 1,158 students, compared to 1,200 currently, Supt. Waino Pihl reports.

The high school enrollment for the top five grades is 401. As for the rest of the schools in the district, the Middleton elementary school has 185, Perrinton elementary 316, Maple Rapids elementary 266, and Ola school elementary 27.

Senior Janet Leonard demonstrates the use of the head-sets for the electronic lab in shorthand classes at St. Johns High School. By switching channels at the switchbox at her left side, she can tune in on any of four tape recordings at various dictation speeds.

Mrs. Charles (Dorothea) Barnes, shorthand and typing teacher at St. Johns High School, threads a recording tape into the four-channel main console that can dictate to shorthand students at four different dictation speeds at once. Students tune in on the one assigned them by the teacher.

Ovid council session routine

OVID—Improvements at Ovid were the major topics at a routine session of the village council Monday night, and then there was little formal action taken.

The council agreed on specifications for a new police car and then voted to take bids for action at a later date. They also discussed a new heating unit for the village hall but didn't make any decision one way or another.

Only one bid was received for a project of removing 18 trees in various sections of town, and Village Clerk Clara Tubbs was instructed to write and seek more bids. The council deferred action until later.

Trustees Clifford Saxton, Larry Martin, and Robert Shinary were named as a committee to work with the Ovid Lions Club and Ovid Business Assn. on plans for a community Halloween party this year. Trustee Joe Michutka was named to represent the council in planning with other organizations for the community Christmas observance.

so that it can be moved around the room, and 30 listening stations and head sets. Each listening station includes a channel switch so that the students can select the channel assigned by the teacher, and a volume control switch. It also includes a plug so that the teacher can tune in at the individual stations with her head set to watch the work of specific students.

THE NEW LABORATORY equipment is actually part of the new high school. It was bought with the new high school in mind and will be fully transferrable to the new school when it is ready. It was purchased early so that it could be used earlier.

Because it was planned for the new school, the equipment was purchased in part with building and equipment bond issue money. In fact, 50 per cent of the total cost came from the bond issue, and the remaining 50 per cent is expected to be approved under the federal Vocational Education Act of 1963.

Swears said the new building is designed so that the Steno-Craft equipment can be used in two separate rooms, with the console in one room.

The Steno-Craft lab has not been put to use yet. All the equipment is here and has been installed, but the school is still awaiting a series of pre-taped lessons to use with the outfit. The tapes are scheduled to arrive any day.

Aim for January bid letting on school project at Bath

BATH—The Bath Community Schools board of education hopes to let bids by January for the new \$650,000 elementary school addition approved by voters Sept. 11.

The board approved preliminary plans and a tentative time schedule for the construction at a special meeting last Thursday night. The board is presently waiting for bond sale approval from the Municipal Finance Commission, but this is regarded as only a matter of course.

Supt. Roger Carlson said the new addition will hopefully be ready for use next year.

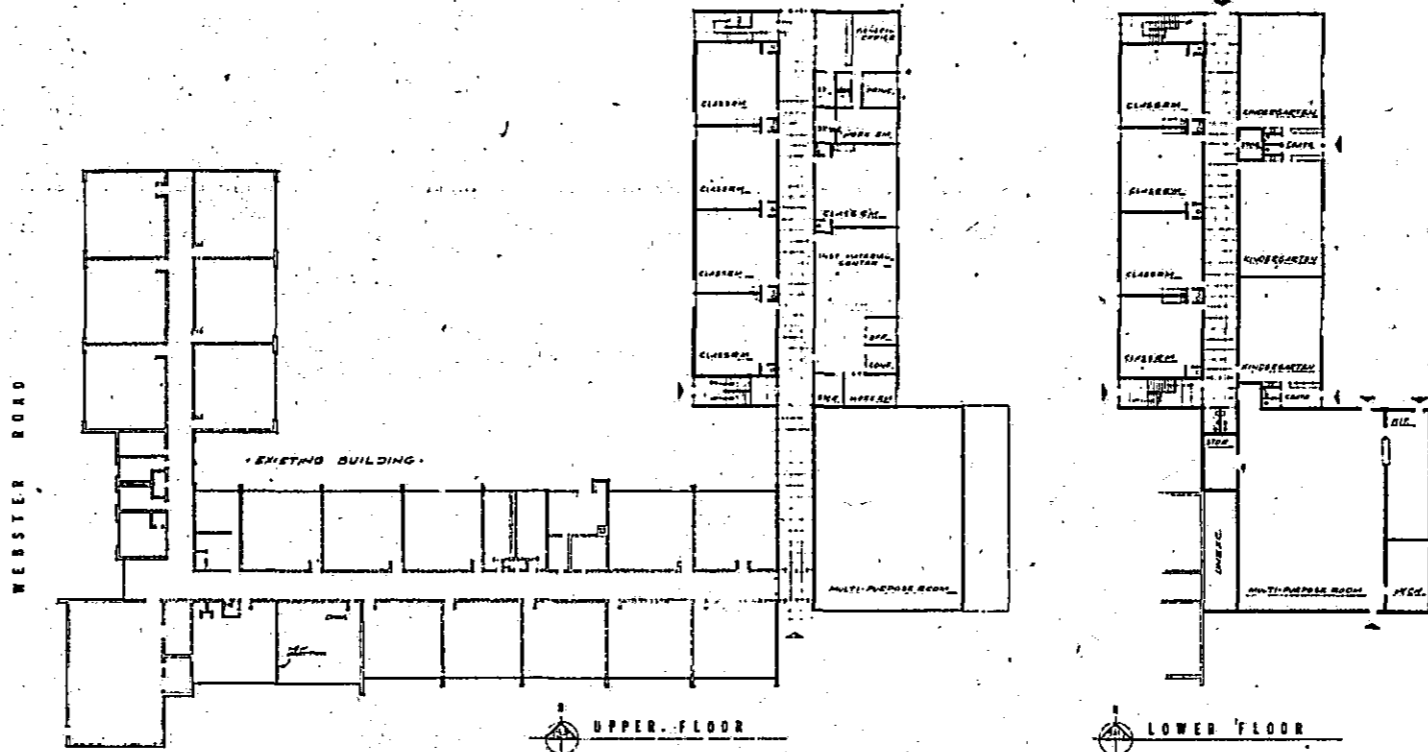

THE NEW ADDITION will be built at the east (back) end of the present elementary school on Webster Road in Bath. It will run primarily in a north-south

direction at a right angle from the existing building and will be a two-story addition taking advantage of a marked slope at the rear of the present facility. It will contain three kindergarten rooms, nine classrooms, an instructional material center, a multi-purpose room with a kitchen and storage space and an administration and staff area. Two classrooms in the present building will be renovated as part of the project.

The school board figures construction costs at about \$500,000, site development at \$25,000, equipment at \$75,000 and fees and contingency at \$50,000.

THE CONSTRUCTION cost will mean an extra 1.2 mills, or \$1.20 tax for each \$1,000 of state equalized value for district property-owners.

The new addition is badly needed by the Bath Schools, Supt. Carlson pointed out. Four portable classrooms were set up on the south side of the elementary building about two weeks ago to handle the additional student load this year.

This is the floor plan for the new Bath Elementary School addition, with the existing building appearing at the left. A special education room has been added at the south (lower) end of the upper floor since this preliminary plan was drawn.

Proclaim 'Gift of Sight Month'

BATH—Supervisor, Gerald Shepard, proclaimed September as "Gift of Sight Month" in Bath Charter Township, acting in cooperation with the World Eye Bank and Visual Research Foundation Committee of the Grand Lodge, Independent Order of Odd Fellows.

The Odd Fellows and Rebekah's of Michigan began a new year of committee activity Sept. 20. The Michigan committee will attend the Grand Lodge sessions in Lansing this month to report on their success in meeting the goals of their three-phase program for 1966-67.

By the time the sessions convene, donors will have contributed twice the amount set by the committee as a 1966-67 goal, with in excess of \$10,000 being raised by Michigan members. The funds will be used by Johns Hopkins University Hospital in Baltimore to finance a 30-year eye research program to preserve eyesight and prevent blindness.

Supervisor Shepard's proclamation urged all citizens of Bath Township to join in support of the IOOF humanitarian objectives and to pledge their eyes for corneal transplant and medical research that others might see.

The Bath area representative is Mrs. Sadie Bass of R-1, Bath, associated with Sunbeam Rebekah Lodge.

Open Letter from VAN W. HOAG

Dear friends,

In the absence of prearrangement, the next of kin alone has the right to choose the funeral director and to decide the funeral arrangements.

No one should attempt to influence or usurp this right of choice.

Advice should be given only when asked, as the selection of a funeral director is a very personal matter.

Respectfully,

Van W. Hoag

Youngster, 3 drowns in pool

By MRS EDWARD KRAFT Our Wacousta Writer WACOUSTA — Three-year old Eric Basil Humphrey, youngest child of Mr and Mrs Basil Humphrey Jr. of 9672 Riverside Drive, Wacousta, drowned last Tuesday evening, Sept. 26, in a recently completed home swimming pool in the back yard of a neighbor.

He had last been seen just a short time earlier playing with toys near the pool.

The boy's father said he looked for the child about 6:30 p.m. and after calling for him and receiving no answer looked in the pool and found the body in about 40 inches of water. Mouth-to-mouth resuscitation by the father was unsuccessful, as were attempts by Chief Graydon Briggs of the Grand Lodge Fire Department.

CLINTON COUNTY Coroner Van Hoag ruled death was by accidental drowning. The pool had been completed in August but fencing around it had not yet been put up. It was the second drowning of a youngster in a backyard pool in southern Clinton County in about two weeks.

Surviving in addition to the boy's parents are two sisters, Rebecca and Rose, and three brothers, Joel, Scott and Daniel, all at home; his grandparents, Mr and Mrs Marvin L. Suttiff of Leslie and Mr and Mrs Basil L. Humphrey of Jackson; and his great-grandparents, Mrs R. C. Humphrey of Galt, Calif., and Joseph Chanoski of Port Charlotte, Fla.

Funeral services were conducted Friday at 1:30 p.m. in the Jessen Funeral Home in Lansing by the Rev Peter F. Neukoop of Maranatha Baptist Church in Lansing. Burial was in Hillcrest Cemetery in Jackson.

DeWitt OKs school fuel oil contract

DeWITT—The DeWitt Board of Education awarded a contract last Tuesday evening to Cutler Oil Co. of Lansing, low bidder on fuel oil needs for the school system during the 1967-68 school year.

To meet the increased activities of the year, regular meetings of the Board will be on the second Monday and the fourth Tuesday of each month.

A report of community school activities for evening enrichment was given by Anthony Drago, DeWitt High School principal.

The board received that portion of the Hurd District transferred to DeWitt by action Sept. 13 of the State Board of Education. This transfer was relative to properties lying south of the former border of the DeWitt School District. It resulted in the addition of 54 students.

A BUILDING PROGRESS report on the additions to the C.H. Fuerstenau Junior High School

and the Scott Elementary School was presented. The Scott program is functioning smoothly and should make seven classrooms, a library, and an office available early in November. The junior high needs only the delivery of classroom doors to complete the project.

DeWitt's school enrollment has climbed to 1,380 students this year. This represents a 16 per cent increase over last year's enrollment. As in many districts throughout the state, DeWitt faces a continuous and rapid growth of students.

Boosters seek \$6,000

Band uniform fund drive starts

The St. Johns Redwing Marching Band and Boosters Club are officially opening their campaign this week to raise funds to pay for the new band uniforms.

The St. Johns Board of Education has allocated \$5,000 toward the purchase of the new uniforms, with the remainder—\$6,000—to be paid by the Music Boosters Club.

Several projects have been slated for this fall and winter to raise the necessary funds. The first and most immediate is the Band Bowling Tournament to be held at Redwing Lanes Oct. 21, 22, 28, 29 and Nov. 5 and 6. It will be a 3, 6, 9 (free strikes) tournament, with four games being bowled and the three highest scores being used.

THE FEE FOR THE TOURNAMENT will be \$5. There will be four divisions: men, women, boys and girls. Entry blanks may be picked up at Redwing Lanes, from band members or at the music department at the high school.

Orth Tatroe, owner of Redwing Lanes, has donated the alleys for the band tournament for three weekends. Other projects include varsity night, candy bar sale,

apple pie sale and smorgasbord.

BAND PARENTS

The new band uniforms are expected to last for 10 to 15 years. Band directors point out that it is the responsibility of everyone in the band program to back the projects, not just the high school band students and parents. "Your child in the sixth, seventh or eighth grade band will very shortly have the use of these uniforms. Let's make this a unified effort."

BAND UNIFORM DONATIONS

Donations from individuals, clubs, businesses and manufacturers are being accepted by the Music Boosters Club. At a recent club meeting several individuals donated and/or pledged money toward the new uniforms.

Pledges are being accepted at this time and may be paid any time before June 1, 1968. Several families are planning monthly contributions toward the cost of a uniform. No contribution will be considered too small or too large, band directors commented.

Tanker trailer breaks loose, rolls on US-27

The rear trailer on a two-trailer gasoline tanker truck broke loose from the rest of the rig on US-27 Monday morning and gouged up a bit of the median strip north of Price Road before coming to rest on its side.

The driver of the truck, Alan G. Hagerman, 51, of Alma, drove the tractor and first trailer on in to St. Johns where he called his employer, Gratiot Central Oil and Gas Co., to send another truck.

Hagerman told Clinton County sheriff's deputies he was driving north on US-27 about 10:30 a.m. when the hitch on the No. 1 trailer broke and let No. 2 trailer loose. It coasted off the left shoulder of the highway and rolled over four times on the median.

The hitch reportedly was held by four bolts and was also welded. All the bolts broke.

St. Johns firemen were called out to the scene about 11:30 because of gasoline leaking from the overturned tanker trailer. They stood by while the trailer was righted

Clinton County Road Commission crewmen shovel and sweep dirt and grass from US-27, gouged up and onto the highway surface by an overturning gasoline tanker trailer (background). St. Johns firetrucks approach the scene from the north and stayed on position for an hour or so while the tanker was righted and leaking gasoline was transferred to another truck.

Weekend accidents numerous

A flurry of accidents over the weekend kept Clinton County sheriff's officers dashing about the county. No one was hurt seriously; in fact, only two reported bruises.

Those came in an accident Sunday morning about 9:40 on Meridian Road just south of Parks Road in Ovid Township. Cars driven by Jasper N. Cross, 61, of 627 W. Williams Street, Ovid, and Beverly J. Bolton, 29, of 410 N. West Street, Ovid, collided.

Mrs Bolton was driving south and slowed to turn left into a driveway. She said she had her turn signal on, but Cross claimed she didn't, and his overtaking car hit the left front of the Bolton car. Mrs Arlene Cross and another passenger, Teresa Dunson, 15, of Ovid, were bruised in the accident.

EARLIER SUNDAY another accident occurred on Meridian Road, this time on the curve north of Centerline Road. Gary L. Chase, 24, of Owosso was the driver of a car which skidded at the curve and rammed a tree backwards. He was not hurt. He claims there was fog at the time and he didn't see the corner in time to get around it safely.

About 6:45 p.m. Sunday two cars collided on a curve on Jason Road a quarter-mile west of DeWitt Road. They were driven by Richard G. May, 33, of Lansing, and Eugene D. Welton, 22, of 403 N. Morton Street St. Johns. No one was hurt. Sheriff's officers said the road is narrow at that point and high weeds obscured the vision of both drivers until too late to avoid the crash.

Friday afternoon about 4:30, two cars were involved in a mishap on US-27 south of Gratiot County Line Road. George R. Hubbard, 59, of Avery Road, R-3, St. Johns, reportedly had just let out a passenger and signaled to get back on the highway. He crossed over toward the median crossover. Another northbound car driven by Elmer L. Radka, 46, of Rogers City swerved onto the median in an attempt to miss the Hubbard car but hit it in the left front with the right rear of his car. Radka said he thought Hubbard's signal was merely to get back on the highway and not for a left turn from the right lane.

Saturday two cars ramed together on a US-27 median crossover a quarter-mile north of Walker Road. The drivers

Another tie for grid money

There was another tie this week in the Clinton County News football contest—the second week in a row that the \$20 prize has been split up between two persons.

The winners were John Estes of 404 E. State Street, St. Johns, and Bob Shinabery of 138 E. First Street, Ovid. Both missed only three regular selections and both had 32 points for the tie-breaker.

They were only a point closer than Doug Knight of R-2, St. Johns, who also missed only three regular selections but had 21 points for the tie-breaker. He was six points away from the correct score of 27, while Estes and Shinabery were only five off.

Estes and Shinabery each missed in picking St. Johns over Hastings and Notre Dame over Purdue; Estes also missed Portland over Fulton, and Shinabery mistakenly picked Michigan over California.

The Clinton County News awards \$20 weekly to the person who can select the most winners out of 16 games listed on our football page.

were Robert D. Blackmer, 46, of Green Road, R-5, St. Johns, and Mark R. Masarik, 17, of 610 S. Church Street. Blackmer claimed he stopped on the crossover and the other car ran into the rear of his; Masarik claims the other car backed into him as he was starting to turn around on the crossover.

KOPS graduation held at TOPS meet

The St. Johns TOPS Club met Thursday for a short business meeting followed by a KOPS graduation program honoring Mrs Gladys Mayers.

The program included poems, readings, a story in song, and a history of the honored guest. Following the presentation of the KOPS pin and diploma, the group enjoyed light refreshments.

The weight recorder reported that there was a tie for queen of the week between Mrs Bonnie Acre and Mrs Charleen Belingar. There were 15 TOPS with a 30 pounds loss, nine Pigs with a 23 pound gain, one Turtle and 2 KOPS present.

ANNOUNCEMENTS

A public Euchre party sponsored by the DeWitt Grange will be held Friday evening, Oct. 6, at the DeWitt Memorial Building. Progressive play is to start at 8:30. There will be a lunch served and prizes.

Pair repeat vows at Grove Bible Church

Grove Bible Church was the scene of the Sept. 23 wedding of Jane Leanne Van Etten of rural Elsie and Thomas A. Marek Jr. of rural St. Johns.

Rev. Robert Prange officiated at the 6 p.m. double ring service.

Mr and Mrs Samuel Van Etten of R-1, Elsie and Mr and Mrs Thomas Marek Sr. of R-6, St. Johns, are the parents of the couple.

FOR HER WEDDING the bride chose a full nylon lace gown styled with long sleeves and a matching lace train attached at the shoulders with a bow. A tiara of pearls secured her shoulder length veil and she carried an arrangement of yellow roses and white chrysanthemums.

Miss Joy Van Etten of rural Elsie was the maid of honor. She wore a yellow nylon lace

gown with a matching satin rose headpiece and carried a yellow and white chrysanthemum bouquet.

THE BRIDESMAIDS were Charlotte Godfrey of rural, Elsie, who wore a gown of the same style as the maid of honor's in pink and Patricia Marek of rural St. Johns, who was attired in pink.

VICTOR POST of St. Johns was the best man and groomsmen were Steve Frechen and Willard Curtis Jr. of St. Johns.

The 150 guests were greeted at a reception following the ceremony at the home of the bride at 2790 E. Maple.

Miss Toni Marek attended the guest book.

HONORING GUESTS present were grandparents of the couple, Mr and Mrs Anthony Stambersky of Harrison, Mr and Mrs Alfred Cramer of Shepardsville and Mr and Mrs Joseph Marek of rural St. Johns.

The newlyweds will make their home at R-6, Krepps Road, St. Johns, when they return from their northern Michigan honeymoon.

Marek is a graduate of Rodney B. Wilson High School.

MRS CLYDE E. JENKS JR.

Marilyn Kay Parks is September bride

Showers for bride-elect

Miss Marsha Eaton of St. Johns, who will become the bride of Robert James Oct. 7, has been the guest of honor at several showers recently.

Co-workers of the bride at Oldsmobile, Mrs Jerry Little and Miss Pat Martens, hosted a surprise miscellaneous for the bride-elect Aug. 12.

Sept. 15 a linen shower for Miss Eaton was given by Mrs Helen Garlitz.

MRS HAROLD Crowley, Helen Hunt and Mrs Donald Devereaux hosted a grocery and kitchen shower for her at Price Church Sept. 16.

Troth told

Mr and Mrs George Hyler of St. Johns announce the engagement of their daughter, Joyce Maxine Stinson, to Donald Taphouse of Owosso.

A summer wedding is being planned by the couple.

Presently on their honeymoon through Canada and points south are Mr and Mrs Clyde Edward Jenks Jr. They were married Sept. 23 at the Inter City Bible Church of Lansing.

The bride, who is the former Miss Marilyn Kay Parks, is the daughter of Mr and Mrs Porter C. Parks of R-2, DeWitt. Her husband is the son of Mrs Clyde E. Jenks Sr. of 1609 Guenther Road, Lansing and the late Mr Jenks.

FOR HER 4 p.m. double ring wedding, the bride chose a full peau de soie gown with a cathedral length train. Her triple veil of illusion fell from a satin bow headpiece. She carried a yellow rose and white carnation bouquet attached to a white prayer book.

Sara Lee Parks of DeWitt was the maid of honor and the bridesmaids were Mrs Donovan Henning and Mrs Jerome Myszak, sisters of the bride, both of DeWitt, and Mrs Donald Potts of DeWitt. Another sister of the bride, Kristal Parks was the junior bridesmaid.

THE ATTENDANTS wore green crepe floor length gowns fashioned with lace trains and carried yellow pom-pom chrysanthemums. The maid of honor and the junior bridesmaid were attired in yellow gowns of the same style.

Gay Phenix, niece of the bridegroom, was the flower girl and Mike Myszak, nephew of the bride, was the ring bearer.

Mrs Parks chose a beige lace dress with dark brown trim and brown accessories for her daughter's wedding. Her corsage was of yellow daisies and white carnations. The mother of the bridegroom was attired in a blue flowered taffeta dress trimmed with blue velvet and her corsage was of blue daisies and white carnations.

JOHN JENKS of Lansing served as his brother's best man and the groomsmen were James Jenks, brother of the groom; Hal Phenix, brother-in-law of the bridegroom and Robert S. Underhill of Lansing. Seating the guests were David Parks, brother of the bride, of DeWitt and David Smith, brother-in-law of the bridegroom, of Lansing.

The newlyweds greeted the 150 guests present at a reception held in the church parlors immediately following the ceremony.

MRS S. R. HARRINGTON, grandmother of the bridegroom, cut the cake. Also assisting were Mrs David Smith, Mrs Hal Phenix, Mrs David Parks, Mrs Clarence Parks and Mrs Eldoris Hahn, aunt of the bride. Miss Elvora DuMond attended the guest book.

Following their return from their month's honeymoon, Mr and Mrs Jenks Jr will make their home at 1610 Guenther Road, Lansing.

The new Mrs Jenks is a graduate of Rodney B. Wilson High School and is employed by Michigan Bell Telephone Company. Her husband, an employee of Hollsen's Plumbing and Heating, was graduated from Sexton High School of Lansing.

Pair wed Sept. 16

Michigan State University Alumni Chapel was the scene of the Sept. 16 wedding of the former Miss Bonnie Lynn Parks and Hans Jurgen Kriz of Espanola, Ontario.

The newlyweds are both graduates of Michigan State University.

MR AND MRS Jesse D. Parks of 8421 Herbison Road, Wacoista and Mr and Mrs John Kriz of Espanola, Ontario, are the parents of the couple.

Rev Carl Staser of the People's Church of Lansing officiated at the double ring service.

FOR HER 5:30 p.m. wedding, the bride chose an a-line sleeveless gown of light wool featuring a high waistline and satin trim. Miss Barbara Hicks of Whitehall was her only attendant.

Roland DeMarse of East Lansing served as best man.

THE NEWLYWEDS greeted guests at a reception held at Capitol Park Motor Hotel of Lansing.

They will make their home at 208 N. Holmes Street, Lansing. Kriz is a graduate assistant at Michigan State University and is working on his master's degree.

Miss Pocuis to wed

Mr and Mrs B. Stanley Pocuis of St. Johns announce the engagement of their daughter, Susan Kay, to Jose' Ruben Calva of Minneapolis, Minn.

Miss Pocuis was graduated from Rodney B. Wilson High School and from the University of Michigan School of Nursing. She is presently nursing at the Stanford W. Medical Center of Palo Alto, Calif.

Her fiancé is a graduate of Pennsylvania State University with a B.S. in electrical engineering. He is an associate engineer with IBM, presently in San Francisco.

Fading Roses record 15 pound loss

TOPS Fading Roses met Sept. 27 with 12 members weighing in. There were eight TOPS with 15 pound loss, 2 pigs with 7 pound gain, one Turtle and one KOPS present.

A luncheon was served by the Snack Snubbers honoring the best losers for the eight months. Marion Moore was queen, Marion Case was runner-up and Frances Diehm was third.

A new contest is in progress which will last for 10 weeks ending Nov. 22. The member having the most points will win a turkey.

NEW PALS were also chosen. The two having the most total weight loss by Nov. 22 will each win a shampoo and set at the beauty shop of her choice.

Frances Diehm was crowned queen of the week with a 2 3/4 pound loss.

Starting Oct. 4 meetings will be held at the home of Alice Hicks.

MRS GARY W. TAYLOR

Miss Kay E. Urie weds Dearborn man

Presently making their home at 5674 Howe Road, Warren, are Mr and Mrs Gary William Taylor, who were married Sept. 16 at the First Methodist Church of St. Johns.

Rev Keith Bovee officiated at the 7 p.m. double ring service.

The bride is the former Miss Kay Eleanor Urie. She is the daughter of Mr and Mrs Glenn Urie of 411 W. Cass Street, St. Johns and a graduate of Central Michigan University.

HER HUSBAND is the son of Mr and Mrs William Taylor of 827 Martha Street, Dearborn. He attended Central Michigan University and Ferris State College.

For her wedding, the new Mrs Taylor chose a floor length a-line gown of lace over taffeta. The wrist length lace sleeves were bound with satin, as was the scoop neckline and hemline. The lace train which extended from the shoulders was also edged with satin. Her shoulder length veil fell from a satin pillbox. She carried a cascade arrangement of white roses and stephanotis.

MRS TERRY Morford of Lansing was the matron of honor for her cousin. The bridesmaids were Mary Addison of Grand Rapids, Carol Sanderson of Dearborn and Phyllis Taylor, sister of the bridegroom, of Dearborn.

They were attired in turquoise chiffon over taffeta empire styled floor length gowns and matching turquoise hats.

MRS URIE chose a turquoise ribbon knit dress for her daughter's wedding. The mother of the bridegroom selected a pink jersey dress. Their corsages were of orchids.

William Metras of Lansing served as the best man and groomsmen were Kirk Duncan of Dearborn, Roger Damm of Bayport and Ronald Taylor, brother of the bridegroom.

SEATING THE guests were Gary Askcraft of Detroit, Jim Hacker of Freeland and Bruce Bond of Greenville.

Honored guests were Mrs Eleanor Cleland and Mrs Ruby Urie, grandmothers of the bride.

The reception following the ceremony was held in the church parlors.

Attending the guest book was Miss Kay Fetters of Chicago. Also assisting at the reception were Jan Marek and Gail Willette of Dearborn, Mrs Ronald Lyon of Lansing and Mrs Joyce Fought of St. Johns.

THE NEW MRS Taylor chose a dark blue and white jersey ensemble as her going away outfit.

The newlyweds honeymooned in California.

Fowler slides by DeWitt 9-6

DeWitt-Fowler took advantage of just enough of the bad weather breaks to edge past an inspired DeWitt Panther football team 9-6 Friday night on a slippery, puddly field at DeWitt. The odd score resulted from a safety for Fowler.

"The breaks were about even," DeWitt Coach Gary Roberts commented, "but we just couldn't take advantage of them in the weather."

Fowler got the first break when a DeWitt touchdown run was called back by a penalty in the first half. Ed Foushight eluded Fowler tacklers and slogged 75 yards for a score, but a clipping penalty nullified it.

THE EAGLES finally broke into the scoring column in the third period, with Steve Nobis scoring the touchdown from a yard out to climax an 80-yard drive interrupted by an exchange of fumbles. Quarterback Dave Moritz ran 50 yards to the DeWitt 13 to highlight the drive. Moritz passed to Steve Feldpausch for the extra point after the touchdown.

DeWitt scored its touchdown with eight minutes left in the game. Quarter-back Rick Cole scrambled 15 yards for the score, but the extra point try failed.

Fowler's victory margin of three points was the result of a safety scored in the fourth period. The Eagles, on offense, had penetrated to within inches of the DeWitt goal only to fumble, and DeWitt recovered. Fowler held for three downs, and on the fourth play, an attempted punt, the snap from center was high and the ball was fumbled out of the end zone, resulting in a safety.

FWOWER THREATENED one other time, getting inside the DeWitt 10 but a fumble again killed the effort.

The game was equally close in

the statistical department. Fowler gained 144 yards rushing during the sloppy evening, while DeWitt picked up 107. Fowler had 25 yards gained via passing to DeWitt's 18 yards. Both teams had eight first downs.

Fowler Coach Blaine Douglas had words of praise for his senior footballers and also singled out Fred Epke, a junior playing his first game. Epke blocked one punt and made six tackles in the DeWitt backfield. Freshmen Ken Schmitt, who blocked one punt and played a "tremendous game" in the middle of the line, and Steve Feldpausch also were praised by the coach.

Steve Markham, who played his first game for DeWitt, and freshman quarterback Mike Cole were praised by DeWitt Coach Roberts.

Quick TDs carry Fulton to victory

MIDDLETON — The Fulton Pirates beat the weather and Portland's Red Raiders Friday night, although both the weather and Portland gave the Pirates a thrashing.

Fulton squeaked out a 13-12 victory in the Tri-Central League game, played at Middleton in a light but steady rain and on a muddy field.

Fulton got all its points in the first quarter, and then hung on as Portland splashed back both in yardage statistics and in scoring.

Fulton's Randy Van Sickle scored about as early as he could, taking the opening kickoff 80 yards for a touchdown. It wasn't too long after that that Bill Priest shocked Portland with a sweep off tackle and down the sideline 65 yards for a touchdown. John Hoard added the extra point on a

run, and Fulton led 13-0.

THEIR SCORING for the night was over. Portland closed the gap in the second quarter when Ken Goodwin passed to Jeff Fryer on a play that covered 35 yards and was good for a touchdown. The extra point try failed.

Then in the fourth quarter Red Raider Greg Ward ran 15 yards for a TD, and a pass attempt for the tying extra point was knocked by VanSickle of Fulton.

While winning on the scoreboard, Fulton lost decisively in other statistics. Portland out-gained them a total of 199 yards to 91 yards, while picking up 12 first downs to Fulton's four.

Ovid-Elsie JVs win 3rd game

OVID-ELSIE—The Ovid-Elsie junior varsity football team beat Chesaning 7-0 last Thursday to remain undefeated for the year. Ben Sloat scored the touchdown and also the extra point. Dave Long completed seven of 12 passes, but O-E could not score until the final three minutes of the game.

The JVs beat Portland JVs 28-14 in their first game and then came back to beat Bullock Creek 15-7. Greg Finch is the defensive standout so far, averaging over 12 tackles per game. Dave Long is leading the offense, having thrown three touchdown passes to Frank Winkler and also scoring two himself.

Ovid-Elsie plays unbeaten St. Louis there tonight (Thursday) in what JV Coaches Russ Pope and Bill Furstenau believe should be one of the toughest games of the season.

Harriers drop 2 decisions

The St. Johns cross country team didn't fare too well against their opponents last week, Alma and Grand Ledge—losing both 48-15 and '33-22.

At Alma the Panthers captured the first five places with Peters coming in with the best time of 11:06 for the two-mile run. Armando Rositas of St. Johns finished sixth with a time of 11:22. Other place winners for St. Johns were Sid Lounds, 10th, John Ballard, 12th; Mark Simpson, 14th; and Vic Holcomb, 15th.

At Grand Ledge the Redwings ran better but not good enough to overtake the Comets. Medalist honors went to Ken Eichelberger of Grand Ledge with a time of 11:43. St. Johns team captain Rositas came in second with a time of 11:59. Other place winners in the meet were third place, Doug Waldo of Grand Ledge; fourth, Kirk Simpson of St. Johns; eighth, ninth, 10th, and 11th places went respectively to John Ballard, Vic Holcomb, Joe Salazar and Mike Burgess, all of St. Johns.

Bath wins 'naval battle'

BATH—The Bath Bees scored in the first, second and third quarters Friday night to turn back the Pewamo-Westphalia Pirates 27-0 in a game that somewhat resembled a naval battle because of the amount of water on the field.

Bath got on the scoreboard early, with Randy Tucker running 14 yards for a touchdown in the first period to climax a 50-yard drive. Bill Harris ran for the extra point. Warren Baird made it 13-0 in the second quarter with a touchdown run of three yards to wind up a 45-yard drive by the Bees.

Scoring lapsed then until the fourth period when Bath exploded for two touchdowns. Baird got the first one on a 13-yard run, and Harris ran for the extra point. A short while later guard Terry Barnard scored on a 25-yard run on a "guaranteed" play which made him eligible to carry the ball. Baird ran for the extra point to round out the scoring.

Bath's backfield combination played a sterling game despite the bad weather and field conditions, and defensively Barnard and Tom Feguer as linebackers and middle guard Don Adams played well. Adams got away several nice punts. Jim Bengel and Don Pohl played outstanding games for the P-W Pirates.

Redwings handed first league loss at Hastings

The St. Johns Redwings were handed their first league loss of the season Friday as Hastings scored in the first and fourth quarters to set the "Wings" back 14-7.

This was a key victory for Hastings as it moved into a first place tie with Grand Ledge in the West Central League.

THE LOSS FOR the Redwings dropped them into a four way tie for second with Greenville, Charlotte and Ionia.

Hastings scored in the first period on a drive that was climaxed by a 21 yard pass from quarterback Jim Williams to halfback Rick Vandenburg. End Rick Abbey kicked the extra point.

ST JOHNS ONLY score came on a drive of 61 yards. Taking over on their own 39 late in the third quarter, the Redwings picked up three first downs to move the ball to the Hastings five.

An illegal procedure penalty moved them back to the 10. Salemi picked up five as the quarter ended.

On the first play of the fourth quarter, Salemi picked up 2 and then fullback Bob Cochrun drove over for the last three and the TD. Cochrun's run for the extra point was good and the game stood at 7-7 with 11 minutes left.

ROGER Will took the following kickoff and returned it from the Hastings 20 to the 43. Fullback Bob Hueber then raced 27 yards to the St. Johns 30. On fourth and 12, Hueber made a first down on the St. Johns 15. The Redwing defense stiffened, but on third and 12, Hueber picked up a first down on the Redwing 15.

CARY HAMBLETON

JON BERKHAUSEN

Three plays gained nothing for Hastings and on fourth and 10, quarterback Williams dropped back and passed to end Rick Abbey who was downed on the Redwing four by Keilen and Oakley.

THREE PLAYS gained three yards. On fourth and one from the one, Williams pitched out to Roger Will who went in to score the final tally of the game. Abbey kicked the extra point.

The Redwings lost out on two fine scoring opportunities when a drive stalled on the Hastings two, and again, when a fourth down pass was dropped in the end zone.

THE RAIN throughout the game slowed both teams to some extent, but seemed to thwart the lighter Redwing backs more so than Hastings' heavier backs.

The "Wings" meet Grand Ledge this Friday at home. Grand Ledge has had victories over Charlotte 20-0, and Alma 37-0 to gain its first place tie with Hastings. The high-flying Comets have rolled up 57 points in their two league victories while holding their opponents to none.

REDWING fullback Mike Green will probably not see action this

week due to a nasty cut on his hand received in the Hastings encounter. Coach Bill Smiley said that the flu-bug has been making inroads on his team but, they should be ready come Friday. In the hard fought Hastings game the defensive play of junior end Jon Berkhausen and all round play of senior Cary Hambleton were outstanding efforts of an otherwise dismal evening.

Head Football Coach Bill Smiley of St. Johns High School gives some pointers to young Bill Thelen during a Punt, Pass & Kick clinic at the city park Saturday afternoon. One hundred fifty boys turned out despite cool, wet weather.

PP&K Saturday

director of PP&K for Egan Ford Sales, noted that registration always has been slow to start and heavy at the end. Boys have until Friday night to sign up.

LAST SATURDAY afternoon there were approximately 200 boys on the city park athletic field for a free PP&K clinic conducted by Head Coach Bill Smiley, Asst. Coach Frank Rosengren and JV Coach Doug Japinga of the St. Johns High School football teams.

They worked with many of the boys who will compete this Saturday night, giving them pointers and tips on how best to throw, kick and punt a football. They were assisted by members of the Jaycees and some members of the high school football team.

The result of the PP&K clinic and the practice the youngsters have been putting in will make itself known this Saturday evening at competition time. Jaycees under the direction of Bob Frechen and Richard Wood, Jaycee PP&K chairmen, will act as judges for the competition and will assist in the supervision of boys as they wait their turn to punt, pass and kick. Jaycees from Fowler and Westphalia will help the St. Johns group.

"IT'S SURE TO BE a great event," said Downing, the competition director for Saturday night's local contest. "The boys have had some great preparation for the competition and are looking forward to the contest. It wouldn't surprise me in the least to have some boys from St. Johns go on to district and area events, and hopefully even the national finals at Miami."

SATURDAY'S competition is one round of many which local boys could participate in if their scores are high enough. After the local competition the best scores in each age group are entered in zone contests, from which the boys hopefully will go on to district, area and division contests on the way to the national finals. Top performers in each competition receive suitable winners' and runner-up trophies, with area winners competing in NFL stadiums with their dads in attendance.

Downing said members of his committee have been busy preparing for the competition. "Should there be any ties for

Ovid-Elsie slips, falls at Chesaning

CHESANING--The weather ruined Ovid-Elsie's football game plan for Friday night, and Chesaning scrambled to a 12-0 victory in a Mid-Michigan B conference game at Chesaning. The loss dealt a blow to Coach Mark O'Donnell's hopes for a conference championship this year, but he's not counting the Marauders out yet.

"We're still in that championship, don't worry," he said. "They (Chesaning) will get it yet; they're not that good a team. They out-manned us in that weather with their size, and knowing you couldn't pass everybody threw up a nine-man line."

IT WAS A BRUISING game and probably the toughest the Mar-

PP & K scores getting higher

Winning scores in the PP&K football competition during the last three years have almost consistently risen each year, lending some authority to the contention that youngsters are getting better and are practicing more.

Following are the winning scores in each age group at the local competition:

AGE	1966	1965	1964
8	150	121	99
9	169	164	139
10	227	216	150
11	233	191	188
12	229	214	212
13	230	275	220

the top spot in the competition for any age group," Downing said, "the ties will be played off immediately. We'll have a winner, eligible to go on to zone competitions, before the events are concluded Saturday night."

At the conclusion of the PP & K Saturday night, boys involved in the competition will receive free refreshments, courtesy of Egan Ford Sales. The St. Johns Jaycees will serve them to the boys, and they will also have refreshments available for the spectators; proceeds will go toward their community service projects.

auders will have to play this year, O'Donnell thinks. "We're still loaded for bear."

Chesaning, picked as one of the contenders for the title this year, had Ovid-Elsie in the hole most of the night Friday, and with the slippery ball and field conditions the Marauders weren't able to try anything fancy to get around the tough Chesaning defense.

Penalties also hurt the Marauders. They had 65 yards in penalties during the evening, including several 15 yarders that came at critical times and probably changed the complexion of the game. One time was in the third period, Chesaning punted to Ovid-Elsie, but a holding penalty on the Marauders was called, and Chesaning retained the ball and went on from there to score their first touch down. Jim Mishler scored from the three-yard line.

IN THE FOURTH quarter following an exchange of punts and another 15-yard penalty against Ovid-Elsie, Chesaning moved into the end zone again, with Mishler getting his second touch-down with a one-yard plunge.

Ovid-Elsie's only threat came in the first half when the Marauders marched as far as the Chesaning 14 yard line. But a major penalty set them back, and they lost the ball on downs.

"We never had a sustained drive in the second half," O'Donnell pointed out. "We were flat offensively." He praised the defense, which played practically all the time in the second half. Don Wilson led the defense with 17 tackles.

Chesaning gained 174 yards on the ground and in the air compared to Ovid-Elsie's 84 yards. Chesaning drew only 30 yards in penalties.

The new star in the calf growing program
NEW PURINA CALF GROWENA

Purina's New Calf Program brings you extra energy in Purina Nursing Chow, higher energy and lower fiber in Purina Calf Startena, and an all new Purina Calf Growena.

It can help you grow herd replacements fast, breed them early, and freshen them between 22 and 24 months--and help you take advantage of future high milk prices.

What's new about the program?

Based on recent findings that show heifers need increased protein and energy during their first six months, Purina has developed NEW Calf Growena. This is a 16% protein ration with an improved protein-energy balance. It's fortified with essential minerals and vitamins. And it's coarse--the way young calves like a ration to be.

The new Purina Heifer Growing Program is better because it now satisfies the growing heifer's needs for protein at the time when she needs it most.

It's time to start your calves on the NEW Purina Calf Growing Program featuring New Calf Growena. Stop in and talk to us about it. You'll find us where you see the Checkerboard sign.

ican Legion Hall in St. Johns this Friday evening at 8:30 p.m. The new pension laws just passed will be explained, as well as other disabled veterans' benefits.

CLINTON COUNTY NEWS PAGE for Women AND MEN, TOO

House should mirror your personality

BY HELEN B. MEACH Extension Home Economist

What makes your car stand out from hundreds of others in a parking lot?

It's the same thing that makes your house different from your neighbor's house - it looks as if it belongs to you.

One way to bring individuality to a home is through selection and use of accessories. A warmth and a lived-in feeling can be gained through accessories. They can also provide ease and convenience.

Lasting appeal of accessories depends on good design, not sentimental attachment.

DON'T BE afraid to be different. We all are in some ways. The fear of being different or strange, drives people to seek security in what is ordinary. The commonplace is often safely inconspicuous. Since your personality and life are not exactly like anyone else's select items that carry out the mood you want to create in your home.

You can learn to recognize well designed accessories that suit your home and you. Don't let the term "design" throw you - it simply describes the total appearance of anything - what it looks like - how it is put together. Good designs have purpose and direction, show thought and organization. Not a single extra, for no purpose, has been added. Poor design lacks completeness, or something is out of place. Or sometimes there's just

too much of a good thing.

Good proportion is an necessary part of good design; one part of an object doesn't seem too large or small in relation to another part.

THE FORM SHOULD be suited to the material used to make the piece. Plastic should not try to look like china or wood. The design should make the most of the qualities of the plastic. The design should let the object do what it is supposed to do. A pitcher should have a spout that will pour without dripping and a coffee cup should have a handle that isn't awkward to hold on to.

Decoration shouldn't interfere with the function of a piece. For example, a vase with lots of ceramic roses stuck on it would draw a viewer's attention away from the real flowers which it was designed to contain.

Go ahead - be a "designer" you can make your house outstanding with a warmth and convenience your family will want to come home to.

Adult art classes to start

An adult art class designed for persons with past experience in art will begin next Tuesday evening at St. Johns High School.

Instructor James Bargar, high school art teacher, said the classes will be held from 7:30 to 10 p.m., each Tuesday evening for eight weeks.

Being an Extension Home Economist is no 40 hour a week job.

There are evening classes and meetings to attend in addition to the regular office work.

Mrs. Stuart (Helen) Meach is one of the two economists serving Area 9, which includes Clinton, Gratiot and Shiawassee counties. She is based here in Clinton county but spends one day a week at Shiawassee county.

MRS MEACH IS A graduate of Michigan State University. She has a bachelor of science degree in home economics and has done further work toward a master's.

An Extension Home Economist's duties are primarily concerned with education. She deals with all income groups, farm and non-farm families as well as those living in the cities and villages. Mrs. Meach's specialty field is foods, nutrition and home management.

MISS LORRAINE Sprague, the other economist serving Area 9 and based in Gratiot county, teaches clothing, textiles and home furnishings.

They each teach their specialty to all of Area 9.

In addition to her teaching 4-H members, Mrs. Meach also works with low income families. She helps with the monthly distribution of surplus foods and writes a news letter each month for them, which includes recipes they can use their foods in.

She writes a weekly column for the Woman's Page of the Clinton County News and a monthly letter for Extension Home Economics Study Groups.

TO KEEP UP TO DATE, she attends training sessions that are held regularly at Michigan State University.

Mrs. Meach also tries to hold some of her time open for women in the country to come to her for personal help.

She is a member of the American Home Economists Association

Her job is education

HELEN B. MEACH Extension Home Economist

tion and is the National Committee Chairman in Research of the National Association of Extension Home Economists. She will be attending their national annual meeting in October in Jackson, Miss.

MRS MEACH is a native of Lakeview, Montcalm county, as is her husband, who she maintains she has "always known."

Being a frustrated grandmother, as her first two grandchildren were born too far away for her to dote over, caused her to work outside of her home.

She taught food and nutrition in the Practical Nursing program

at Northwestern College of Grand Traverse county and joined the Co-operative Extension program in 1961. She was then based in Hillsdale county. About two years ago she came to Clinton county and Area 9.

THE MEACHES have two children, a son Stuart of Birmingham and a daughter Sue of California. They have six grandchildren.

They make their home on a former Centennial Farm (it was owned by the Gage family) and are members of the First Congregational Church of St. Johns.

Cancer Society honors 39, re-elects Dr Wohlers

Blue Star Mothers meet

Six persons received service awards last Thursday for 10 years of volunteer work for the Clinton County Chapter of the American Cancer Society, and another 39 got five year service awards.

The presentations came at the annual meeting of the Clinton County unit, at which time officers were also elected.

Dr. R.L. Wohlers, St. Johns dentist, was re-elected president of the Clinton County chapter, with Mrs. Raymond Thornton of Eisie as vice president, Mrs. Audrey Fruchtl as chairman of volunteer activity, Dr. F.W. Smith as county chairman, Mrs. Basil Delbert as secretary, Miss Hazel Williams as treasurer, Mrs. Dale Crawford as awards chairman. All the officers except Mrs. Thornton are from St. Johns.

OTHER MEMBERS of the board of directors of the Clinton County chapter are Mrs. Luella Canfield of Ovid as education chairman; Mrs. Betty Jane Minsky of St. Johns, publicity; Mrs. James Postlewaite of St. Johns, service chairman; Ink White of St. Johns, legacy; and Don Gilson of St. Johns, corporations.

Mrs. R.W. Nourse of Watertown Township was elected memorials chairman. Mrs. Nourse and Dr. Smith were also chosen to serve on the State Cancer Society Board of Directors representing the Clinton County chapter.

Receiving special awards for 10 years of volunteer service to the society were Mrs. Ray Woodard and Mrs. Robert Patrick of Eagle, Mrs. Lorraine Norris of DeWitt, and Mrs. William Dooney, Mrs. Floyd Robinson, Mrs. Robert Conn and Mrs. Archie Hill of St. Johns.

The only practical way for parents to lead their children down the path of righteousness is to go that way themselves.

DR. R. L. WOHLERS

Receiving five-year service awards were: Mrs. Blanche Crane, Mrs. Phyllis Mason, Mrs. Kathryn Salema, Mrs. Nancy Tenney, Mrs. Gladys Gilbertson, Mrs. Margaret Roberts, Mrs.

St. Elizabeth guild plans card party

St. Elizabeth's Guild of St. John's Episcopal Church met in the church undercroft for their business meeting and the film study, "The Story of Our Bible."

The final arrangements were made for the card party to be held Monday, Oct. 9, at 7:30 p.m. in the church undercroft. Having a rummage sale was discussed and a possible date was set.

After the business meeting was completed, tea was served at the home of Mrs. Carolyn Campbell.

Hazel Sias and Mrs. Aletha Baberle of DeWitt; Mrs. Doris Strong, Mrs. Richard Rosier and Mrs. Noble Cully of Eagle Township; Mrs. Joseph Bohil of Bingham Township; Mrs. Marge Staley, Mrs. Corene Erickson, Dorothy Ballentine and Mrs. Bernice Walker of Duplain Township.

MRS CARL BOWLES, Mrs. C.R. Rees, Mrs. Ralph Baker, Mrs. Ray Miller, Mrs. Max Hott, and Mrs. Don Jorae of Ovid Township; Mrs. Edmund Simmon of Dallas Township; Mrs. Martin Schafer, Mrs. Rose Koeningknecht and Mrs. Lawrence Klein of Fowler; Mrs. Clare Swanson and Mrs. Carl Shinnberry of Essex Township; Mrs. Earl Rowland, Mrs. Evelyn Storkey and Mrs. Dewey Barryhill of Watertown Township; Mrs. Valentine Stoy of Riley Township; and R.L. Beckwith of Victor Township.

Blue Star Mothers' Chapter 88 met Tuesday, Sept. 26. It was decided to pay the registration fee for First Vice President of Michigan Grace Shipley as a delegate to the national convention in Phoenix, Ariz., Oct. 24-26.

The mitten tree is growing and it is hoped that there will be more than 100 pairs of mittens by Christmas.

The ways and means chairman is working on different methods of earning money. Each mother has a small apron in which to place money each month. Members also each have a pair of pantalettes that each mother is to sew a patch on and place money under the patch. The mystery package was won by Hortense Price.

Refreshments were served following the meeting.

By MRS. WILBUR BANCROFT, Correspondent—Ph. 682-3553

Mrs Ruth Cludy, Mr and Mrs Orrison Bailey and Brent, Mr and Mrs Bing Bailey and Mr and Mrs Daryl Stanley attended the funeral in Jackson, Saturday of their sister and auntie, Mrs Verne (Doris) Miller, who died very suddenly Wednesday morning. Just a week before they had all attended the wedding in Jackson of Mr and Mrs Miller's daughter, Mary, to Tom McDannell.

Mr and Mrs Wilbur Bancroft are spending the week in northern Michigan.

Sunday Miss Adele Zamaron of Perrinton and Kurt Bancroft were dinner guests at the Village Inn in Elsie of the latter's parents.

Mrs Janet Groves escaped serious injury when the ball joint on the front wheel of their car broke while she was on her way to Middleton, Thursday. She did suffer a whip lash injury to her neck, and much injury to her pride. We are happy to report nothing more serious.

Mrs Louise Schooltz was seriously injured when struck by a falling tree at the Stanley Clark

Home last week. She was taken to Carson City Hospital and then transferred to Lansing General, where surgery was performed on the bad break near her collarbone. If x-rays prove the healing is progressing satisfactorily, she expects to come home this week.

Anthony Jay is the name of the new son of Mr and Mrs Roger Hall. The 9 pound fellow was born Tuesday, Sept. 26. He has three sisters and one brother, who stayed with their grandparents, Mr and Mrs Floyd Peckhl, until he and their mother came home.

Word was received here that Fred Larkin had been transferred to a convalescent home and then taken back to the hospital in Muskegon and placed on the critical list. Mrs Larkin had also been ill with the flu.

The good smells coming from

various homes all through the community, may be due to the turkey, pies, etc. being cooked for the C.C. Church supper Thursday night.

MRIA plans more park improvements

The Maple Rapids Improvement Association held its regular meeting Monday. The reports of the homecoming committee showed a profit of about \$80 and some electric wiring. Other local organizations fared much better.

The MRIA has started the wheels turning to replace the

Servicemen's Memorial Plaque, with a new one. The money will be partially furnished by other organizations interested in keeping a memorial worthy of the men and women who gave their time and lives to our country for our community.

The cement has been poured for the tennis court at the ball park. This is village owned property, that will be developed for recreational projects. Backstops and a net will still have to be purchased, meanwhile lights are being installed and basketball hoops put up and it is hoped that an ice pond can be formed this winter at this spot.

Another project was put into motion for Halloween. There will be a window painting contest between the local artists from second through seventh grades.

More information will be given at a later date via the community news letter.

We are all grateful to the James Husted family, who have done so much to make the gully a pretty spot. Other noteworthy improvements are the new telephone and bank buildings and the mobile Episcopal Church.

Mr and Mrs George Divish who live in California are visiting relatives in this area. Tuesday night they were guests of the Alvin Drumheller family and also Friday night they were supper guests of his sister, Mrs Drumheller and family. Steve Divish of rural Middleton was host to a family gathering Sunday. George Divish will return to California Tuesday, his wife will follow in a few weeks with her parents.

Mr and Mrs Gary Wheaton of Garden Grove, Calif., called on his grandmother and uncle, Mrs Zula Wheaton and son, Dale, Thursday and Friday. He is a M.M.2nd C and serves aboard the U.S.S. Daniel Boone Nuclear Submarine.

Sunday dinner guests of Mr and Mrs R.V. Henretty and fam-

ily were Mr and Mrs Wallace Lee and family of Alto. Friday callers in the same home were Mr and Mrs Vance Henretty and family of Grand Ledge.

Mr and Mrs Claude Crandall and daughter of Charlotte were Sunday callers of Mr and Mrs Hazen Crandall.

Mr and Mrs Andrew Kempf were Sunday dinner guests of Mr and Mrs Clarence Kempf and daughters.

Mrs Verna Johnson of Grand Ledge called on Mrs Sylvia Moyer Saturday. Mr and Mrs Arthur Harrington and Mr and Mrs Willis Ross of Grand Ledge were Sunday callers in the same home.

Some men realize that they should refor, but the only argument they will listen to is a splitting headache.

Bath Township Hall
open house Sunday

BATH—There'll be an open house this Sunday afternoon, Oct. 8, at the new Bath Township Hall on Webster Road at Drumheller Road south of Bath. The open house will be from 2 to 5 p.m. The new building houses offices for the supervisor, Gerald Shepard, Police Chief Gaylord David, Clerk Lee Reasoner and Treasurer Iona M. Barker, as well as a large public meeting room and a smaller conference room. The township hall has been in use since the middle of the summer.

Clinton gets
wild mix
on weather

The shades of weather about this state of ours are constantly changing. Take last week, for instance. Mrs Bessie Smeaton of 203 W. Lincoln Street, St. Johns, reported that three stems on an iris plant in her back yard had blossomed out, each with four beautiful blossoms. That would give an indication of May weather—when iris are supposed to bloom—rather than fall weather. Then came Thursday and Friday. It rained steadily both days, and periodically on Friday there were big snow flakes mixed in with the rain drops.

IN ST. JOHNS that was about all it amounted to. But over at Elsie it snowed steadily for almost an hour, depositing enough of the fluffy, wet stuff on the

ground that it stayed for a couple of hours. Elsie residents said 1 1/2 to 2 inches were on the ground, enough for snowballs and even one snowman in the rural area.

Folks had to sweep off automobiles before starting up their cars, but nobody was seen shoveling walks. The started in mid-afternoon and continued about an hour.

Then Clinton County came in for another change. It continued raining through most of Saturday, off and on, but Sunday dawned sunny and warm, and temperatures zoomed up to 70. Monday the mercury went up into the 80s, and Tuesday it hovered in the low 70s—mighty comfortable under sunny skies. So that was the weather week that was—a reminder of spring, a warning of winter and the pleasant start of Indian summer.

Increases in all phases of school operation were noted in the 1966-67 school year. The census increased from 1396 in 1966 to 1453 in 1967. School membership increased from 546 to 628 including 26 part time equated students.

General Fund revenues expenditures increased from \$246,009.58 to \$296,576.12.

Twelve school-buses transported a total of 946 children in the school district. These buses traveled a total distance of 73,269 miles on regular routes. Additional miles traveled for extra trips were 7,194 miles and \$742 was paid out in salaries for these extra trips. The total transportation cost for the year was \$44,412.77 which includes the cost of two new school buses of \$14,171.92

School was in session a total of 165 days.

Regular meetings of the Board of Education are held on the second Monday evening of each month in the library of the high school at 8:00 p.m.

JOHN CRAIG IN MSU MARCHING BAND
John Craig (center), son of Mr and Mrs Donald L. Craig of 7630 W. Hibbard, Ovid, is a new member of Michigan State University's 175-man marching band. The band this year is playing at all MSU home football games plus those at the University of Michigan and Notre Dame. Craig, a freshman, is shown with Dr Harry Begian, MSU's new director of bands, and William C. Moffitt, marching band director.

Between 600 and 750 persons attended the formal dedication program for the new buildings in the Ovid-Elsie Area School District Sunday at the new high school. On the auditorium stage are school board members, school administrators and contractors and architects, as well as the O-E Band.

750 persons attend dedication of new Ovid-Elsie schools

OVID-ELSIE — An estimated 750 persons toured the new buildings of the Ovid-Elsie Area Schools Sunday afternoon and heard the main dedication speaker urge them to make the union of the former Ovid and Elsie school districts work.

"Brick and mortar are a very insignificant part of what is going on here," he said in reviewing the history of the consolidation of the two districts and the completion of the new district's multi-million dollar building program.

"The first step — the buildings — has now been taken, and it may very well turn out to be one of the very insignificant steps. What you have here is a bunch of bricks and beautiful rooms. What it needs is the people to make it work.

"MAKE IT WORK," he urged the audience in conclusion.

The speaker was William L. Austin, superintendent of Muskegon Public Schools, who gave the main address at the dedication program Sunday afternoon at the new high school.

Austin, speaking in front of

colorfully projected letters "O-E" on the back stage wall in the auditorium, noted that there are many things Americans have not figured out, and one of them is what education is all about. He said he didn't know, either, but that everyone will go through public education, and he thinks they should get the best education possible.

Americans are fortunate, he said. "Next spring when you watch your youngsters walk across the stage for their diploma, think about this: Everytime 10 youngsters go across that stage, the rest of the entire world will be handing out only one diploma."

Austin's address to the 600 or so persons at the auditorium was only one phase of the dedication program, which included band music and brief talks by contractors, the architect and school officials.

Robert H. Beauchamp, superintendent of Ovid-Elsie Area Schools, was master of ceremonies. Earl Seybert Jr., assistant superintendent, introduced contractors, and John Vander-

Melden, of Vander Meldon, Koteles and Associates, Inc., architects, spoke briefly, noting the versatility and flexibility that had been built into all of the new buildings.

Donald Craig, president of the Ovid-Elsie Board of Education, accepted the building from the architects on behalf of the school board and district residents.

Two flags were presented to the school. Board member Andrew Cobb, on behalf of Congressman Garry Brown, presented an American flag which has flown over the U.S. Capitol in Washington, D.C., and State Rep. Blair Woodman of Owosso presented a Michigan flag for the high school flag pole. They were accepted by high school principal Blaine Lentz.

THE OVID-ELSIE High School Band, under the direction of Donald Thayer, played several numbers, one of them the "Ceremony of Allegiance," with narration by David DePond.

The new buildings in the system were open during the remainder of the afternoon Sunday for public inspection, and most of the people at the dedication program, as well as others, wandered the halls looking over the facilities.

The Ovid-Elsie building program has included the high school, additions to the E. E. Knight Elementary School in Elsie and the North Ovid Elementary School and the construction of a new elementary building on the east side of Ovid.

TEN PIN KEGLERS LEAGUE (Sept. 27)—High team game and series: Ludwick's Used Cars 847 and Peterson Shell 2451. High individual game and series: Kay Penix 211 and 528. Other, 500 series: Dee Houser 517, Jo Rogers 523 and Connie Cronkrite 501. Ludwick's Used Cars is tied for the league lead with the Independents and Parr's, while Julie K is just a half-game behind and Peterson Shell and Schmitt Electric are only a game off the pace. (Kind of reminds you of the American League pennant race last week, doesn't it?)

Don Craig, president of the Ovid-Elsie Board of Education, spoke briefly at the dedication service Sunday, formally accepting the new buildings for the advancement of education in the district.

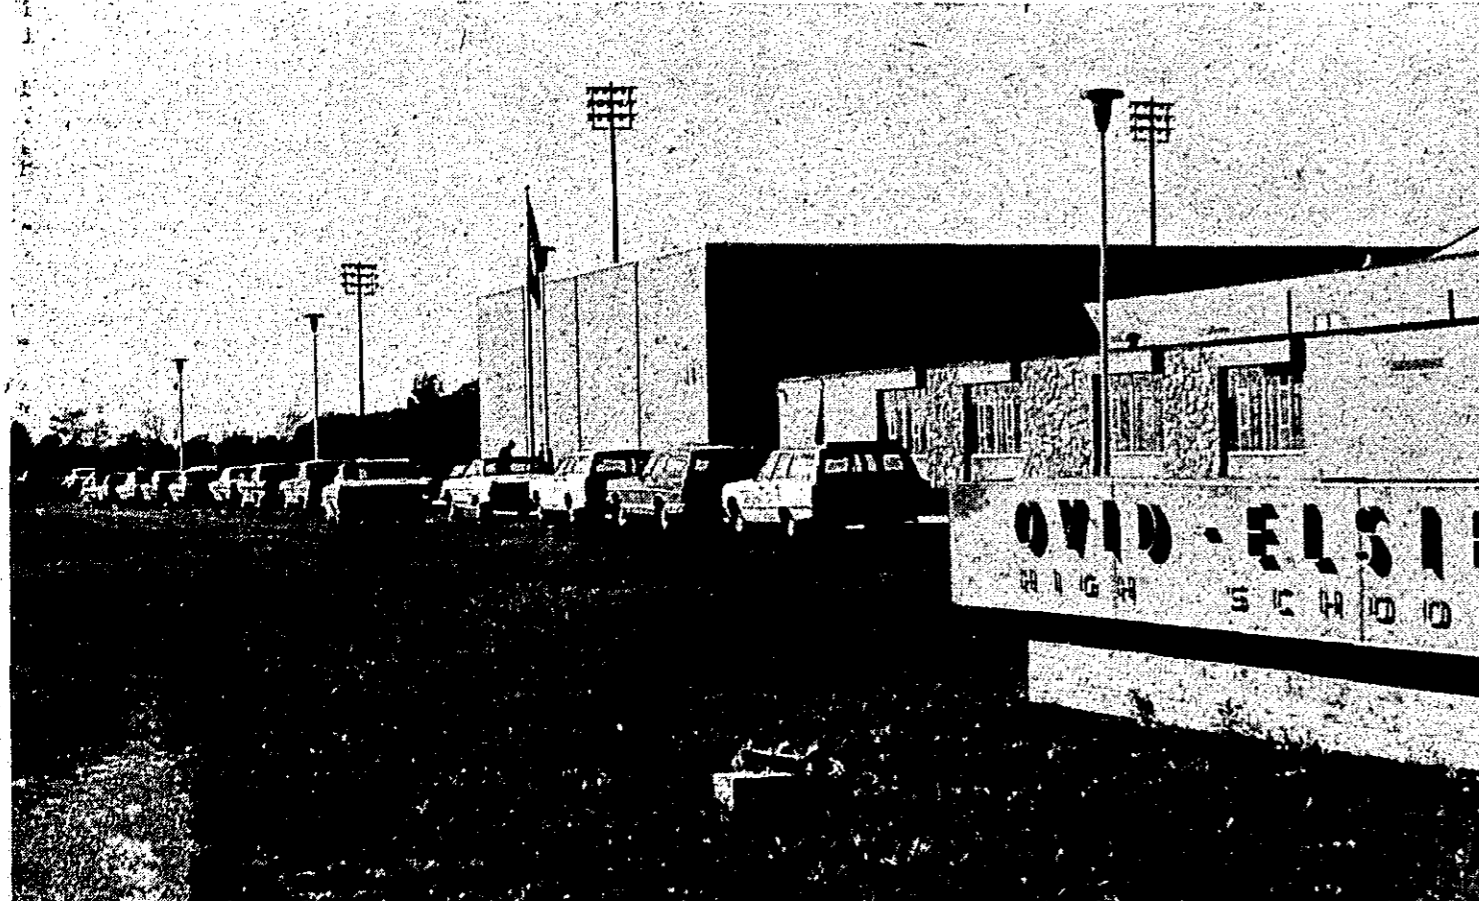

THE NEWS IN BRIEF

CHRISTMAS COMES IN OCTOBER

They celebrated Christmas Sunday at the E.O. Hyler home at 602 W. State Street. The reason was that Hyler's son-in-law, Airman 2C James A. Wager, will be in Viet Nam, not in St. Johns, when Dec. 25 comes around, so he thought he'd like to celebrate it now. The Christmas tree was put up, there were gifts all around and even a nice big family Christmas dinner. Airman Wager and his wife Sandy look over some of their gifts under the tree. The airman, a fuels specialist, will receive two more months of training at Eglin Air Force Base, Fla., before going to Viet Nam. He has been stationed at Myrtle Beach, S.C., for the past 18 months and is now home on leave.

To honor O.F. Walker Sunday

To honor O.F. Walker on his 93rd birthday, his children and grandchildren are hosting an open house Sunday, Oct. 8, from 3 until 5 p.m. at his home, 9527 W. Peet Road (M-57) Chesaning.

"Granddaddy" as he is called by his family, is blind and quite deaf but still has a wonderful sense of humor.

One of the oldest residents of Chesaning, Mr Walker has made many friends in this area, during his frequent visits with his son-in-law and daughter, Mr and Mrs Robert Harmon and children at their home on Harmon road. Although it is requested that there be no gifts, the honored guest enjoys letters and cards which can be read to him. He also enjoys visiting and reminiscing with friends and neighbors.

4-H for rural, urban youth

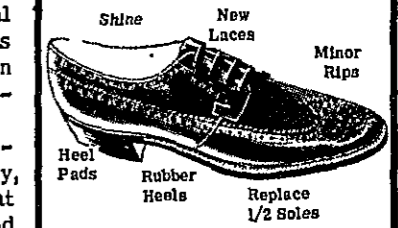

Sept. 30 to Oct. 7 is National 4-H Club Week. Some persons have the erroneous impression that the 4-H programs are limited to rural children.

John Aylsworth, youth extension agent for Clinton County, wishes to remind the public that children who live in cities and towns are eligible for 4-H programs. Children between 10 and 18 can take part in some 100 projects, including garden, food, clothing, horses, dogs, career exploration, automotive, photography, baby sitting, entomology,

Building Improvement Plans? USE A LOW-COST LAND BANK LOAN TO HANDLE YOUR FINANCING

Planning to build? Buy new facilities? Modernize or make repairs? Pay cash if you can, but—if you do need financing—look into a low-cost Land Bank loan.

Your farmer-owned Land Bank understands your credit needs. You can set up a single real estate loan to cover all your farm improvement plans... then budget payments to stay within the income capabilities of your farm. Loans are available for up to 35 years. Interest rates are low.

Consider, too, that you have full prepayment privileges without penalty! It costs you nothing to look into the value of a Land Bank loan from—

'UFO' was only jet airliner

That "unidentified flying object" over St. Johns area early last Thursday morning was apparently an airliner out on a routine training flight. The sheriff's office and state police began getting calls shortly after 5 a.m. concerning a strange light in the skies over St. Johns and the countryside southwest of town. Whatever it was was flying below a heavy layer of clouds. Some noise accompanied the object, some reports said, but others said there was only a light about three times the size of a star. State police at Ithaca said the object was a jet airliner, and the control tower at Capital City Airport north of Lansing reported that a Delta Airlines DC-9 was flying around for some time in the St. Johns area on a routine practice flight at about the time the reports came in concerning a UFO. The lights seen were apparently landing lights and other signaling and safety devices aboard the plane.

Toll charges between Hubbardston, Carson City to be dropped in '69

The Michigan Public Service Commission has authorized the elimination of long distance telephone charges between the communities of Hubbardston and Carson City. Service in both communities is provided by General Telephone Company of Michigan. The extended area service is expected to be in effect by July 21, 1969. The PSC authorization was issued subsequent to application by General Telephone on the basis of studies conducted in both communities indicating that extended area service was desirable to the majority of the customers in both areas.

THE ADDITION of the 179 customers of the Hubbardston exchange to the local calling area of the Carson City exchange will not alter the Carson City exchange rates. However, customers in the Hubbardston exchange will be enlarging their local calling range by an additional 816 subscribers, which will move their exchange into a higher rate level.

For example, Hubbardston charges will be affected in this way: Business one-party will go from \$9.25 to \$9.70 after the expanded service, and business rural multi-party from \$6.55 to \$6.00. Residential rates will be affected this way: one-party from \$5.45 to \$5.65; two-party from \$4.70 to \$4.90; and rural multi-party from \$4.50 to \$4.65.

Residence	One-party	\$5.45	\$5.65
	Two-party	4.70	4.90
	Four-party	4.10	4.25
	Rural multi-party	4.50	4.65

"IT SHOULD BE pointed out, however, that because of the great number of calls between these two communities, elimination of toll charges actually will mean a savings of \$1,321 annually," Peter B. Spivak, commission chairman, said. The Hubbardston exchange is located in portions of Clinton, Gratiot and Ionia counties, and the Carson City exchange serves portions of Gratiot and Macomb counties.

Immunization clinic at DeWitt set for Oct. 11

Another free immunization clinic is scheduled next Wednesday, Oct. 11, at the Veterans Memorial Building on West Washington Street in DeWitt. The clinics are under the sponsorship of the Mid-Michigan District Health Department.

It will be held from 9:30 to 11:30 a.m., and infants as well as adults are welcome. Children must be accompanied by an adult, since signed permission for each child is mandatory. The clinic is free and will be held for immunization shots (including measles vaccine), vaccinations and tuberculin skin tests. The Sept. 20 clinic in St. Johns drew 191 people who received 264 shots. They included 51 DPT shots, 9 DT, 31 measles, 45 small pox, 23 TB skin tests and 105 oral polio vaccine doses.

5 seek queen role for P-W homecoming

PEWAMO-WESTPHALIA—P-W students were to vote Wednesday for one of five candidates to reign as queen over the

Pewamo-Westphalia Homecoming this Friday night. The main festivities will take place at the halftime of the football game between the P-W Pirates and Laingsburg. The candidates—five senior girls—are Sandra Bengel, Cathy Hopko, Mary Lou Platte, Rosemary Smith and Claudia Wieber. After the coronation ceremonies and the game Friday night, the queen and her royal court, with their escorts, and representatives of the other high school classes, will attend the homecoming dance. Music will be furnished by the Balloon Farm. Dress is semi-formal. Self-disciplined is the man who bristles his tongue and puts a checkrein on his temper.

EXPLORE '67' AT MSU

"Explore '67' was a unique opportunity, and a thousand young people from around Michigan took advantage of it to study the many careers in food, fiber, and natural resources. Many were from Clinton County. Talking over the programs for the day last Saturday at MSU were: in top left picture, Kathy Davis of DeWitt, Norman Brown (coordinator of student programs for the College of Agriculture at MSU), and Chris Cornell and David Harper of St. Johns; in top right picture, Jackie Pline, Judy Irish, Tom Kehr and Charles Kehr, all of St. Johns; and in picture right, Lois Miller, Ginger Simpson and Mrs. Marvin Miller. About 30 youngsters from Clinton County attended career day, which included an afternoon at MSU-Southern Cal football game. Another Explore '67 will be held Nov. 11 due to the overflow registration for last weekend's event.

4-H Club Chatter
By JOHN AYLWORTH
Extension 4-H Youth Agent

Teen leader is the new name for 14-18-year-old 4-H members replacing the old name of junior leader. There will be a teen leader meeting on Thursday, Oct. 12, at 7:30 p.m. in Smith Hall in St. Johns for the 14-18-year-old 4-H members in Clinton, Gratiot and Shiawassee who are interested in the teen leader project.

Members will be discussing problems they had as junior leaders, sharing ideas that worked, learn more about their role as a teen leader and relationship with their leaders. As well as learn about the 4-H citizenship short course. I hope the teen leaders will be able to attend this inter-county meeting.

The Prairie 4-H Club members and guests had a roast pig for dinner Sunday with over 100 people attending the luau and gun shoot. Mrs. E. J. Bottum said the members had spent a lot of time in planning the meal. The roasted pig weighed about 120 pounds and was just enough meat for the group. The children enjoyed various games while the men and boys displayed their skill in trap shooting.

The Jolly Knitters 4-H club members elected the following officers for the winter program. President Barbara Harts; Vice President Marcia Tait; Secretary Janet Davis; Treasurer Susan Falvor. The girls will meet next Oct. 21 at Duane Davis' home. Mrs. Edwin Helbeck is the leader of the club.

The Trail Blazers 4-H club held their enrollment meeting last Saturday and now have 18 members. The five new members are Marie Keener, Cindy Keener, Margie Doody, David Thompson and Lucy Thompson. The new rules of the club were passed out to the members. Linda Shoemaker is the organizational leader of the club.

Fifty-three clothing and knitting leaders met Thursday evening at Smith Hall with Miss Lorraine Sprague, Extension home economist. Miss Sprague explained how the leaders could use the new clothing-knitting leader's resource handbook prepared for them, discussed the different projects and problems the leaders had with the clothing and knitting projects this past year. Also, Miss Sprague

The 4-H Saddle Horse clubs are increasing not only in clubs but in members also as several of the clubs have signed up new members since fair. A new club

The show is open from 5 to 10 p.m. on the 13th, 10 a.m. to 10 p.m. on the 14th and from 10 a.m. to 6 p.m. on the 15th. Children under 12 years of age are admitted free while a 50 cent admission will be for all people 12 and over.

I would like to recommend that any youth interested in rocks and minerals plan to visit this show. Interest in the 4-H rock project has increased quite a lot over the past few years. If you have a problem rock you can't identify, why not take it along and ask the experts.

A conservation education workshop will be held Oct. 18 and 19 at Camp Kett at Tustin, Mich. The workshop is open to 4-H conservation leaders, teachers and resource people working with natural resources and youth. They will be discussing resources in wildlife, soil, forests and water. Anyone interested in attending this workshop should contact the Extension office for more details. 4-H leaders can attend for no cost.

The Central Michigan Lapidary and Mineral Society will hold its second annual Gem and Mineral Show, Oct. 13-15, at the National Guard Armory, 2500 S. Washington Street in Lansing. There will be displays of all kinds of rocks including some on international rocks. Last year over 8,000 people attended the show.

Mr. and Mrs. Robert Secord Sr. and Larry and Cathy, Mr. and Mrs. Robert Secord Jr. and Mr. and Mrs. Dennis Rathburn attended a surprise birthday party recently for Mrs. Mina Secord.

Recent callers of Mrs. Waunita Hardman were Mrs. Doris Harper, Mr. and Mrs. Lester Christenson of Lansing, Mrs. Bertha Parkhouse and Mrs. Nellie Farrier.

Mr. Robert Secord Sr. called on Mr. and Mrs. Lloyd Secord one afternoon.

Miss Betty Wohlfert and Miss Sharon Shaw spent Sunday with the Wohlferts.

Larry Wright and friend called on the Jack Wohlferts Tuesday evening.

Several from this vicinity attended the Riley and Olive Aid at the home of Mrs. Doris Harper Thursday.

Mrs. Keith Wohlfert spent Wednesday with her mother, Mrs. George DeVries, who had surgery that day at Owosso Hospital. Mr. and Mrs. Keith visited her mother Thursday evening.

Debbie and Paul Cowles are spending the weekend in Owosso with their father.

Mr. and Mrs. Walt March spent a weekend recently at their home on Pratt Road.

THIS WEEK WIN AS MUCH AS \$10000

In BINGO BUCKS

"Bingo Bucks" Spend Like Cash at Participating Merchants Below

IT'S FUN! LOOK FOR THE BUGS.

**BINGO
NUMBERS
IN THIS
ISSUE!**

• THEY LOOK LIKE THIS ONLY SMALLER WITH NUMBERS

PICK UP CARDS NOW AT PARTICIPATING FIRMS — The More Cards You Play the Better Your Chances to Win

HERE'S HOW IT WORKS:

PICK UP FREE BINGO CARDS: Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY THE BETTER ARE YOUR CHANCES OF WINNING.

HOW TO PLAY: To play, check the ads in each week's issue of the CLINTON COUNTY NEWS. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally, numbers in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS - YOU HAVE A "BINGO" - AND YOU ARE A WINNER!!

AT LEAST \$50 WEEKLY winners will share a weekly prize of \$50 issued in "Bingo Bucks" that spend like cash at any of the sponsoring merchants. If there is only one winner, he or she wins all of the \$50. If there is more than one winner, all winners will share the \$50 in

equal amounts. If there are no winners any week, the \$50 weekly prize money will be added to the following week's prize fund.

CHECK EACH ISSUE OF THE CLINTON COUNTY NEWS: Each game is complete in each week's issue. A new game will start each Thursday and be completed the following Monday. A new set of Bingo numbers will be published each week in the sponsoring merchants' ads and possibly elsewhere in the paper and these new numbers only must be used. A new color of Bingo cards will be available at the participating stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

IF YOU ARE A WINNER: If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE CLINTON COUNTY NEWS, write your name, address, phone number, and the name of the store where you got your winning card on the back of your card and mail to The CLINTON COUNTY NEWS. The envelope containing your card must be received by 5 p.m. Monday of the following week; or bring your winning card to the office by 5 p.m. Monday of the following week.

Rules of the Game

NO OBLIGATION OR PURCHASE NECESSARY: There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper - also at the public libraries. You may play as many cards as you wish—they are free. Get additional cards—one at a time—each day of the week—from the friendly merchants listed below (adults only, please).

DIFFERENT COLORED CARDS EACH WEEK: The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

CHANCE DETERMINES NUMBERS: Bingo numbers for each week's game are drawn at random from a revolving Bingo number dispensing cage at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads. This duplication does not affect the game or the total numbers drawn. All numbers for each week's game will be someplace in the sponsoring merchants' ads and possibly elsewhere in the paper. Employees of this newspaper and their families are not eligible to win any of the prizes.

WCS TO MEET

The WCS of the Methodist Church will meet Oct. 11 at 8 p.m. at the church. Lesson for the evening will be presented by Miss Frances Pearl on, "Whither the Methodist Church?" Guests for the meeting will be the Women's Society and the men from the Salem EUB Church.

MINISTER CALLED

A congregational meeting following the worship hour at the Church of Christ Sunday resulted in the call of Justin Shepard to the ministry at Duplain. He will assume the duties of minister Nov. 1, which will be on a part-time basis until his graduation from Great Lakes Bible College in May, at which time he will assume the full time ministry.

Shepard and his wife, Nancy, are now living in Lansing where both are seniors at GLBC. They will replace Mr and Mrs Ralph Woodard who have ministered at Duplain since 1956 and who plan to retire from the ministry.

Mr and Mrs James Burnham and family spent Sunday afternoon in Midland where they visited with Mr and Mrs Merrill Anderson, Mr and Mrs Bernard Rockafellow and Mr and Mrs Dale Anderson.

HOBBY CLUB MEETS

Seven members of the Colony Hobby Club met Thursday evening at the home of Mrs Royal Risley to make plans for their projects for the winter months and to decide if they wish to participate in the Christmas Workshop this year. The first regular meeting will be Oct. 26 at the home of Mrs Mildred Roof.

PROMOTION DAY PROGRAM

Sunday found 90 present for the promotion day program given at the beginning of the Bible School Hour at the Church of Christ. The Junior Department presented several numbers in song after which each class was introduced, given their promotion certificates and welcomed by their teacher for the coming year. Teachers for the coming year will be as follows: Mrs Raymond Buck, superintendent of the junior department; Mrs Joe Bancroft, nursery; Mrs Keith Kimball, primary I; Mrs Wayne Holden, primary II; Mrs Dale Schultheiss, primary III; Mrs Jack Schwark; junior girls; Raymond Buck, junior boys; Roy Thornton, junior high and Jack Hawes, high school.

Other officers of the Bible School include Jack Schwark,

superintendent; Raymond Buck, assistant superintendent; Mrs Jack Schwark, pianist; Eddy Bancroft, secretary; Mrs Luman Hall, corresponding secretary; Mrs Duane Bunce, treasurer and Mrs Dale Schultheiss, cradle roll superintendent. Mrs Harry Harden was presented with a gift from the junior department for her many years of service and work with the children. Justin Shepard brought the message at the Church of Christ Sunday morning in the absence of the minister, Ralph Woodard. The special number was presented by the Junior girls choir under the direction of Mrs Harry Harden. The flowers that decked the altar were from the memorial service of Mrs Carrie Coleman. Sunday evening slides showing the work of Mr and Mrs Benito Solis, missionaries to Mexico, were shown by Mr and Mrs Gary Horton of Vestaburg who are their forwarding agents.

Mrs Wayne Holden entertained members of her Bible school class at her home in St. Johns. She was assisted by Mrs Keith Kimball and Bonnie. Eight members were present to enjoy games, lunch and a visit to the St. Johns Park.

Mrs Harry Harden entertained her Bible school Sunday. Members went to her home and enjoyed a meal with their teacher and spent time in the afternoon playing games.

Mr and Mrs Edwin Goodrich of Pottstown, Pa., returned home Saturday after spending most of the week with his parents, Mr and Mrs Oren Goodrich.

Mrs Neal Hall is confined to Clinton Memorial Hospital at this writing.

Mr and Mrs Ralph Woodard are vacationing at Drummond Island with his brother and wife, Mr and Mrs Howard Woodard of Lapeer.

WSCS plans smorgasbord for October 18

The Woman's Society of Christian Service of the Middlebury Church held its first meeting of the fall season in the dining room of the church Tuesday evening, Sept. 26. Twenty-two members were welcomed by the hostesses, Mrs Donald Warren, Mrs Joseph Jordan and Mrs Nina Ryan.

The president, Mrs Robert Mulder, opened the meeting with the devotional period presented by Mrs James Warren, reading Luke 4: 14-21. Mrs Warren also led the responsive readings, interspersed with group singing of favorite hymns, accompanied by Mrs Lawrence Warren, closing with prayer.

Attention was called to the

smorgasbord to be served to the public Wednesday, Oct. 18 beginning at 5 p.m. Mrs Earl Tubbs will chair the kitchen committee and Mrs Richard Whitmyer will supervise the dining room. Mrs Russell Stanton is in charge of publicity.

VICE PRESIDENT, Mrs Whitmyer, distributed the 1967-68 program booklets and Mrs Tubbs reported on the progress made regarding the re-decorating of the sanctuary and stated the committee wishes additional suggestions.

A general invitation was issued for all friends of Boneta Seward to attend a miscellaneous shower given in her honor Friday evening, Oct. 6, in the dining room of

the church. "Bunny" has an alternate Oct. 14 with William Semans.

The Society welcomed Mrs Bruce Pierce as a member.

Rev Beatrice Townsend conducted the program entitled "A Missionary Finds a New Identity" and was assisted by Mrs. Ward Slocum, Mrs Charles Warren and Mrs Earl Tubbs in presenting a most interesting experience of a young lady entering the field as a missionary.

REFRESHMENTS were served by the hostesses at tables which held bouquets of fall flowers.

The October 24, 8 p.m. meeting will be held in the church with the hostesses, Mrs Ward Slocum, Mrs Donald Craig and Mrs Gale Craig. The worship service will be given by Mrs Florence Garber and the program will be conducted by Mrs Richard Whitmyer. The call to prayer and self denial will be observed.

FFA at P-W hears speaker

PEWAMO-WESTPHALIA-Norman Haslett spoke to members of the Pewamo-Westphalia FFA chapter at the group's first meeting. Haslett talked on "Evaluation of FFA Programs," touching on topics of general activities, program activities and supervised experience programs. He explained how FFA chapters gain points and how the P-W chapter was rated among other FFA chapters according to points.

Haslett was introduced by James Gibson, FFA chapter advisor. Roy Simon, president of the Pewamo-Westphalia FFA, presided at the meeting Sept. 19.

WHAT! DO MY IRONING IN AN ELECTRIC CLOTHES DRYER?

Of course you can't actually iron your clothes from inside a dryer. But what we are saying is that when you dry today's new permanent press fabrics in an electric clothes dryer you can forget once and for all about ironing them. With the even heat, gentle tumbling action and special "wash-wear" cycles of an electric dryer, permanent press clothes bounce back to their original shape without wrinkles and with creases razor sharp. Save yourself a lot of work - let a new Electric clothes dryer do your ironing!

Around the halls of Rodney B.

SJHS homecoming this weekend to be 'Fantasyland'

By MIKE GALVACH

Homecoming is at hand, and students at Rodney B. Wilson High School are looking forward to a fun-filled and emotion-packed evening this Friday night.

The theme chosen by the senior class for homecoming is "Fantasyland," and reigning over the festivities this year as queen will be Kendra Harper, daughter of Mr and Mrs Kenneth Harper of rural St. Johns.

Her court consists of Kathy Pope, Dottie Jenkins, Sandy Kramer and Cathy Buck. Class representatives will be Judy Whitlock for the Juniors, Susan Koeningknecht for the sophomores and Alice Villereal for the freshmen.

For their float and dance the seniors will use the theme "Snow White and Rose Red" from the fairy tale of the same name. The queen will be Snow White, and Rose Red will be the title given to Paula Kjelleros, Swedish exchange student who will be honorary queen. Paul Repath and Jeff Stone will be the two page boys carrying roses, while little Renee Sovereign will be the crown bearer.

Lollipop trees and gumdrop bushes will be adorning the junior float, "Candyland." Float building is a new experience for the sophomores this year but their float is sure to be a smash following the theme of "Alice in Wonderland." The freshmen representative will ride in a decorated car.

ATTENDANCE HAS again increased this year at Rodney B., growing to 1067 students walking through the crowded halls of Rodney B. There are 51 more students than last year, though the school is still under the class A level of 1,100. The total population by classes is: freshmen, 311; sophomores, 295; juniors, 237; and seniors, 211.

In addition to these figures are 13 special education students and one post-graduate, totaling 1,067.

Last Friday, Sept. 29, was the first paid assembly of the year. "Ken" Henderson supplied the entertainment with a variety

of popular songs. While he not only sang and played his guitar, Henderson enlightened students with new and different musical equipment. Some of his equipment consisted of foot-controlled maracas, a bass pedal assembly, a transistorized rhythm selector instrument, and a sock cymbal.

Henderson began taking an interest in music at an early age. He studied at Knox Conservatory in Galesburg, Ill., and has been on many CBS, ABC, and NBC television broadcasts. He resides with his wife and their two children in Galesburg.

Ashley shows Ferndale students around school

ASHLEY—Thirty-three members of the Ferndale Future Teachers Club visited FTA members at Ashley Friday and Saturday. This program was designed to show students of a large school how a small school operates.

The Ashley High School band played a greeting as the Ferndale students arrived at about 11 a.m. on Friday morning. After lunch, the Ferndale students visited classrooms in Ashley school.

At 7 p.m. there was a trip to Ithaca to view the Wolverine Show Factory, then returned to the high school for a dance. The Ferndale students spent Friday night with local students from Ashley.

Saturday activities included a visit to Green Meadow Farm at Elsie, a stop at a chicken production operation at the George Robbe farm near Ashley, a visit to a beef feeding farm owned by D. Crumbaugh; and a potluck dinner followed by a tour of Central Michigan University at Mt. Pleasant and Alma College in the afternoon.

Ferndale will host Ashley students next spring, giving local students an opportunity to see how a high school serving 2,200 students operates, says Mrs. Maurice L. Buckingham, Ashley school advisor.

PTA officers, teachers introduced

The Ovid PTA meeting was held Thursday night at the East Elementary Gym. Meeting was called to order by the President Bud Casler. Rev Spalenka gave the PTA Prayer. There are 169 parents, who have sent their membership dues in.

Casler introduced the new officers, Paul Johnson, vice-president; Mrs Robert Baese, secretary; Mrs Larry Bashore, treasurer; Darwin Hunt, Father vice; Mrs Jack Kelley, mother vice and Mrs Jeanne Wilkins, teacher vice.

H. Leonard introduced the elementary teachers and case introduced Junior High Teachers.

THE TELEVISIONS and toys the PTA bought were on display and there are 50 star flags on order, Leonard thanked the PTA for this equipment. Thank you notes the Elementary children made were on display.

Mr and Mrs Merle Green showed slides taken on their Russian trip.

*Executive committee served refreshments. The next PTA will be Oct. 26.

A/2C Gary Tremblay left for his new assignment in Thailand Sept. 24. He will leave Travis Air Base in California and be flown to Bangkok for a week and then on to a new base Nakhon Phanom where he will be in administration and securities for a year.

Sp/4 Larry Gruesbeck is spending 30 days with his parents, Mr and Mrs Vaun Gruesbeck and family, after serving one year with the 1st Infantry Division in Viet Nam. His next assignment will be at Ft. Carson, Colo.

Women's Fellowship to host Elsie WSCS

The October meeting of Women's Fellowship of United Church will be held at the Main Street Church at 2 p.m., Wednesday, Oct. 11.

Mrs Rayman Hamer will present the program and has chosen as her theme "A World on the Move". The Women's Society of Christian Service of the Elsie Methodist Church will be guests and Mrs W. Evert Decker of Saginaw, the guest speaker. Mrs Decker will bring Mrs Lucille Schemp, the Central Association Fellowship President to the meeting at Ovid.

Circle I of Women's Fellowship will meet with Mrs Bortar Martin, Wednesday, Oct. 18, Circle II will meet with Mrs King Services, Wednesday, Oct. 18.

The annual fall rummage sale will start Friday, Oct. 13 and continue through Oct. 21 in the Main Street Church.

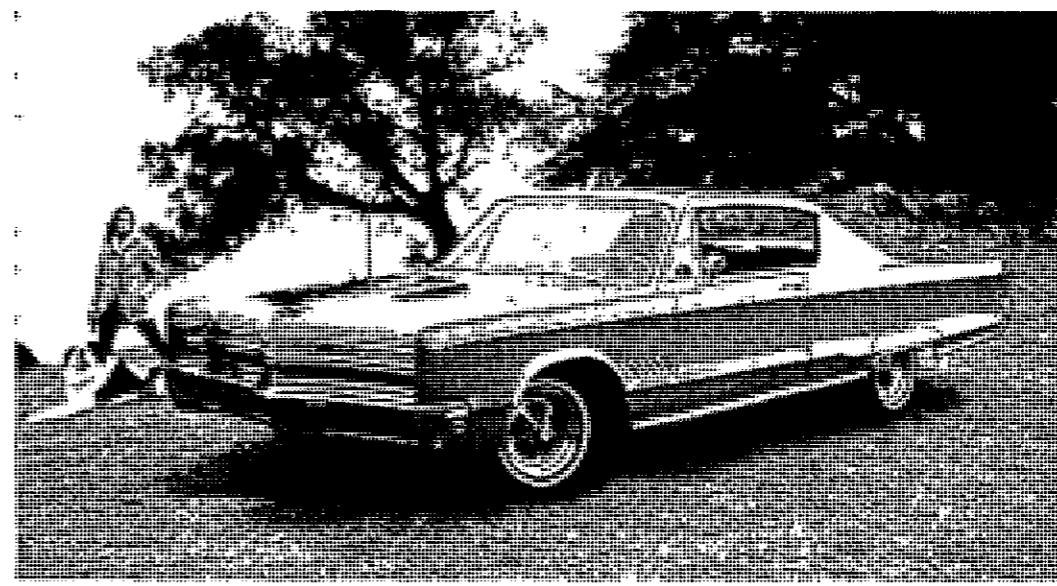

TWINS OVID CHAMPS

The Little League champions of Ovid "The Twins" took the championship with only one defeat. The team's wins can be credited to fine glove handling of the infield, outfield and fine pitching and catching staff. Four of the top players next year will join the pony league.

Team members were Jim Beauchamp, Douglas Sisson, Douglas Goodrich, Rodney Barrett, Jay Barrett, Randy Barrett, Steve Lacinia, Jim Kelley, Dean Goodrich, Jim Warfle, Mark Long, Harold Goodrich was the manager and J. C. Bowen, assistant manager. The bat boy was Todd Goodrich.

Mr and Mrs Frank Palatka Sr. and Mr and Mrs Joe Tejki were Sunday guests of the former's uncle, Steven Pala in Chicago.

1968 Chrysler Styling is Evolutionary

The successful evolutionary styling which has characterized Chrysler for the past several years is continued in 1968. Styling improvements have been made to the front and rear, a new roof is provided for three different hardtops, and several convenience features have been added to the line. Refinements which make each of the 15 models more luxurious and the styling changes establish strong identity for each of the five series: Newport, Newport Custom, 300, New Yorker, and Town & Country Wagons. The sporty 300 series, above, available in convertible, two-door and four-door hardtops, offers headlamps which are concealed behind movable doors which match the rest of the grille. Numerous changes have been made in the engines to improve high-speed performance. Wagons have wood-grain body side ornamentation. An optional tailgate window washer-wiper is offered for the first time.

Mr and Mrs Lester Miller called on Mr and Mrs Arnold Miller Sunday evening.

The Daughters of Isabella will meet Thursday evening, Oct. 12. All members are urged to attend this meeting as it will be election of officers.

Eighty per cent of America's nearly 10,000 newspapers are weeklies serving rural, small town and suburban "hometown" communities. Less than four percent are metropolitan dailies; three-fourths of the 1,754 dailies are published in cities of less than 25,000 population.

15 at stork shower Friday

Mrs Frank Palatka Sr. hosted a baby shower Friday evening honoring two month old William Richards, son of Mr and Mrs William (Jeanetta Palatka) Richards Sr., Mrs Joe Tejki and Mrs Frank Palatka Jr. were co-hostesses.

Games were played and the prizes won were given to the honored guest. The refreshment table was decorated with white and blue. Mrs Mike Schultz made and decorated the cake in white the blue.

Fifteen guests were present from Ovid, Carland and Elsie area.

FRIENDS NIGHT

Ovid Bethel No. 36 of the International Order of Job's Daughters met Monday, Sept. 25. With the absence of those who are school band members, attendance was quite small with 9 girls and 9 council members present.

Minutes of the previous meeting was read by acting recorder Ruth Ann Baker in the absence of Paula Richardson.

Mrs James Besko was installed as Bethel Guardian by the new Associate Guardian Lewis Goodrich.

IT WAS announced that the Ovid Bethel's Friends Night and Initiation will be held Oct. 9. Practice for Initiation will be held at 9 a.m. Oct. 7. Queen Gloria Richardson requested that each girl try to attend. She also asked that each daughter plan to attend the Grove Church Oct. 15 for the "Go to Church Sunday."

Communications brought an invitation from the Rainbow Girls Assembly No. 21 of St. Johns to their installation of Officers Oct. 7 at 8 p.m. An invitation from Durand Bethel for their Friends Night will also be held on this date. Plans were also made to attend the reception and dinner to be held for Jayene McGinn, Grand Bethel Honored Queen in Owosso.

The daughters were also reminded to send greetings to Grandma Cole honoring her forthcoming birthday.

Elsie man hurt in one-car crash

Jerry J. Walker, 25, of 5994 Watson Road, Elsie, went to Clinton Memorial Hospital in St. Johns early the morning of Sept. 25 with cuts and bruises suffered in a one-car accident on Meridian Road in Duplain Township.

Walker told Clinton County deputies he was going west on Allen Road and when it dead-ended at Meridian he was unable to make the turn. His car rolled over into a ditch on the west side of Meridian.

WOMEN SUFFER WITH BLADDER IRRITATION
Common Kidney or Bladder Irritations affect twice as many women as men, often causing "tenesmus" and nervousness from frequent, burning, itching urination. Secondly, you may lose sleep and have headaches, backaches and feel older, tired, depressed. In such cases, CYS-EX usually brings relaxing comfort by curbing germs in acid urine, and easing pain. Elsie puts \$10 charge on water to outside buyers

ELSIE—Periodic outside users of Elsie village water will have to pay at least \$10 for it from now on.

The village council set the minimum charge Sept. 25. Rates for water users outside the village have been 10 per cent higher than the cost for village users. That rate will continue, but there'll be a \$10 minimum charge now.

The \$10 minimum charge would be used in figuring the cost for someone like the farmer outside of town who bought 14,000 gallons of water to fill his swimming pool.

POLICE CHIEF L.W. Burdick was asked to find out whether the village can legally remove junk cars from private property and sell them for junk to pay for the cost of removal. The village has been seeking to get rid of unsightly junk cars around town.

Part of South Elm Street east of Knowlton Street may be graded down to bring it in line with curb-

ing being installed. The street is about an inch higher than the curb.

The council approved the transfer from the general fund of \$1,000 to the fire department, \$8,000 to the police department and \$1,200 to the cemetery fund for the operational expenses of those agencies.

VILLAGE CLERK Mrs Robert Blunt will report to the council next Monday evening on the amount still owed by the Commercial Club on Christmas decorations purchased in 1965. The council last week discussed the possibility of helping the club pay off the debt.

Police Officer Don Brewbaker reported on the state police training classes he's been attending regularly at Maple Rapids. He's taking a 40 hour course that condenses the regular 160-hour state police course.

Audit sets O-E deficit at \$86,504

OVID-ELSIE—The Ovid-Elsie School Board got the word last week—in official language—on a fact they'd been aware of for some time. The school operated in the red by \$86,504 last year.

The final figure was revealed in an audit presented by the Detroit firm of Elconin and Barnstein, certified public accountants.

The deficit, the board points out, was the result of a defeat of a four-mill tax proposal for operations last September. It meant a difference of reportedly \$103,000 in operational money, more than enough to have covered the deficit.

In a related item of business, the school board authorized the borrowing of \$100,000 to meet immediate operational needs. State aid money for this year has not yet arrived.

The board also ok'd the purchase of a commercial washer for the laundry and tank suits and towels for the physical education department. Students in the PE program will be charged fees for the suits and towels when their cost is known.

Mrs Florence Garber, Mrs Edith Schuknecht, Mrs Mabel Lewis and Mrs Ora Warner of Owosso returned home the first of the week after spending some time at Montreal visiting Expo 67, Quebec, Thousand Islands, St. Lawrence Seaway, Niagara Falls and other places of interest.

Close friends and relatives were entertained Sunday afternoon by Mrs Kaye Potter in honor of bride-elect Boneeta Seward. A newspaper bridal gown was fashioned on the bride, and contests were played. Mrs Howard Mae of Sanford and Mrs Russell Potter of rural Owosso won the prizes. Mrs Albert Bradfish of Sanford won the door prize. Refreshments were served from the tea table. Miss Seward has an Oct. 14 altar date with William Semans.

Mr and Mrs Richard Barber of Jackson were Sunday guests of her parents, Mr and Mrs George Warren. Miss Cheryl Gierman of Grand Haven and Jon Warren visited his parents Saturday evening.

There will be a bridal shower for Boneeta Seward Friday evening Oct. 6 at 8 p.m. at the Church. All of her friends are invited to attend.

The Middlebury MYF will have a hayride Saturday evening, Oct. 7, with the Lalsburg MYF as guests. Those going should meet at the church at 8 p.m. Bring your own hot dogs and buns. Mr and Mrs Charles Warren have returned home after spending some time visiting Expo 67 and other places of interest.

Mr and Mrs Don Warren and family were Saturday evening dinner guests of Mr and Mrs Robert Mulder.

Mr and Mrs Charles Post of rural Owosso will host the Burton Farmers Club Thursday evening, Oct. 5.

The WSCS is having a rummage sale in the Bates Building this week. There will be a baked goods sale at the same location Friday, Oct. 6, at 11 a.m.

A Bensinger ancestor was a 'Mitchell's Raider'

ELSIE—The Bensinger reunion was held at Henderson Park Sunday Sept. 17, with the immediate families of the late Edward and Viola Bensinger present. There were over 45 guests designating sons and daughters, grandchildren and great-grandchildren, from Wallon Lake, Ovid, Chesaning, Lalsburg, St. Johns, Elsie and Bannister.

The delightful and quite unexpected guest of the reunion came from Ohio. After a long and frustrating search, Fred Bensinger was found to be living in Fostoria, Ohio. The Bensingers in Michigan, who have spent several years tracing their ancestry, found that they were close relatives of Mr Bensinger, going back to the early 1800's for the connection and then farther back to 1710.

THE OUTSTANDING revelation of Fred Bensinger in Ohio led the researchers to learn that he is the grandson of William Bensinger, who was one of the last survivors of the Andrews' Raiders of Civil War times. Walt Disney produced a movie regarding this venture, and called it "The Great Locomotive Chase", starring Fess Parker as Mr Andrews, the civilian leader of the 22-man group.

In brief, Mr Andrews acquired from General Mitchell (sometimes called "Mitchell's Raiders") 22 volunteers to travel from Shelbyville, Tenn., to Big Shanty, Ga. They traveled some 200 miles into Confederate territory by two's and three's to meet at Big Shanty on a pre-arranged day. At 5 a.m. on the morning of April 12, 1862, 20 men dressed in civilian clothes, boarded the train while the other passengers were eating breakfast. Two men didn't make the ride but were caught later.

These 20 Union soldiers, knowing they could be shot or hung for being dressed in civilian clothes behind enemy lines, uncoupled all but three cars and started their dangerous trip North. They cut telephone wires, tore up rails with the sole purpose of destroying this Western and Atlantic Railroad from Atlanta to Chattanooga which was the main source of supplies from the deep South.

WILLIAM FULLER, the conductor of the train gave a determined chase on foot, on flatcars and finally by a locomotive. He was present at the capture of these "engine thieves" at the end of the 200-mile chase.

The locomotive chase continued until the raider's engine "The General" ran out of wood and had to be abandoned. The raiders were caught and were chained, beaten and starved throughout a number of different prisons. Seven men were hung along with Mr Andrews, eight finally escaped to their lines and proceeded back to their regiments. Six men were caught after repeated attempts to escape, and finally exchanged by the Army to be brought to Washington in March of 1862.

WILLIAM BENSINGER was one of these six men, to receive the first Congressional Medal of Honor, meet President Lincoln and return home on a long furlough. Pvt. Bensinger was promoted to Captain in one of the first Negro regiments to fight in the Civil War. The regiment was to serve valiantly at the bloody battle of Chicamauga.

contribution of \$3 was made to the United Fund. Mrs Ruby Snyder was in charge of the program. She showed pictures of the trip she and her husband took last summer through several of the Western States.

MRS ARCHIE Moore had charge of the contest and Bingo was enjoyed. A luncheon was served by Mrs Howard, who was assisted by Mrs Workman.

Mr and Mrs Elmer Jones of Carland are spending several days with their daughter and her husband, Mr and Mrs Brent Austin at Saulte Ste. Marie.

David Kadolph was home from school this past week. First meeting will be held Thursday evening, Oct. 5, at 7:30 at the Carland church house for all volunteer workers of the N. W. district of the United Fund in Fairfield Township. Mrs Larry Kadolph is the Captain of Fairfield township. Blair Woodman will be the speaker. He is also the general chairman of this area.

Little Barry Moore of Elsie spent Wednesday with his grandparents in Carland while his parents attended a funeral.

Miss Kaela Sloat of CMU and Miss Rolayne Sloat of Ferris State College, spent the weekend with their parents, Mr and Mrs Richard Sloat of Carland. Mr and Mrs Kenneth Munson spent Friday evening at the home of Mr and Mrs Archie Moore.

—And where we'll stop, who can know?
We do have the best educational system in the world. But what will your child think and want and demand once we've educated him?
For in our system—unlike the Russian—we impart truth rather than ideas. We give our children the tools of thought, not the party line.
Does your child know that the center of all truth is God? Does he measure his aims by Christian standards of faith and morality? Has he learned where unbridled human passions of greed and power and selfishness can lead? Does he respect the religious faith and spiritual opportunities which motivated American Liberty?
Nobody can brainwash an American family. But it's up to each American family to choose every Sunday between the "around and around," and the center of truth—GOD.

THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

community groups throughout the county have been reviewed by the policy development committee, according to Chairman, Gerald Pohl. The slate of resolutions will be presented to the membership for their approval or disapproval and then sent to the state policy development committee for consideration at the state level.

The state annual meeting will take place Nov. 7, 8 and 9 at East Lansing.

THE RESOLUTIONS cover a variety of issues of concern to farmers on the national, state and local levels.

Also on the agenda at the annual business meeting will be election of two directors to the county board. E. J. Bottum, county Farm Bureau president for the past three years, has served two 3-year terms and must resign, according to the by-laws of the organization. A new director will be elected to replace him from either Essex or Lebanon townships.

The position of director serving Bingham and Olive townships

is also open. David Conklin of Olive Township has served one term (three years) of the allowed two terms.

Delegates to the state annual meeting will be elected by the membership, and the 1968 Farm Bureau queen will be crowned.

PRIOR TO THE business meeting the ladies of the Lowe Church will serve a family-style ham dinner. Tickets are available at the county office, from community groups and from directors.

Dinner will be served at 7:30 p.m. and the price is \$1.75 per person. There will be a few tickets available at the door. Entertainment will be featured during the program, performed by local talent, and other important items of business will be presented to the membership.

All members will receive a detailed official notice of this all important meeting from County President E. J. Bottum.

if all the useless words spoken were placed end to end, they would reach some fellow who is trying his level best to concentrate.

NEWS OF INTEREST TO CLINTON FB FAMILIES

Accidental death policy to cover all Farm Bureau members Nov. 1

The county board of directors has purchased through Farm Bureau Insurance Group a blanket policy for accidental death and dismemberment benefits covering all Farm Bureau members (those in whose name the membership is made out) to be effective Nov. 1.

All named membership holders on record for the 1967 fiscal year will be in effect until Jan. 1, 1968.

Normally the coverage runs from January 1 to December 31 of any given year. But for this year the board elected to begin coverage November 1 for all 1967 members.

This extra benefit is being given at no cost to the member but as part of their membership in the Farm Bureau. All members will receive a certificate of insurance with their Farm Bureau dues notice in October.

The face amount of the policy is \$1,000 and this benefit will be paid in case of death or a portion thereof depending on the type of dismemberment sustained.

FB scholarship to be awarded

A scholarship for students enrolled at Michigan State University in the area of agriculture and related fields, veterinary medicine, nursing or teaching, is being made available by the Michigan Farm Bureau. Related fields of agriculture include food science, food marketing, leadership training, agricultural journalism, food packaging or horticulture.

County organizations and women's committees are currently in the process of raising funds for the Marge Karker Farm Bureau Scholarship. The scholarship is named in honor of the woman who served as coordinator of Farm Bureau Women's Activities from 1944-1964, in recognition of her outstanding contributions to the organization. Mrs. Karker became a nationally-known farm leader through her successful efforts with the Michigan Farm Bureau women's program.

Designated as a gift—not a loan—the scholarship will be available to students beginning their sophomore year at Michigan State University who show financial need. Recipients must be from a Farm Bureau family.

Since amount and number of scholarships awarded will be determined by the funds raised, the scholarship committee is suggesting a goal of 25 cents per Farm Bureau member, which would bring the total to approximately \$13,000. Investment of the initial fund is planned with accumulated interest furnishing sufficient amounts for the scholarships, which will be a continuing project.

Individual as well as organization contributions are urged. Anyone interested in helping young farm people gain a higher education may contribute to the fund by sending a check, payable to the Michigan Farm Bureau, to: Marge Karker Farm Bureau Scholarship, 4000 N. Grand River Avenue, Lansing 48904. Those interested in applying for the scholarship may receive application forms at the same address.

Weather decides corn harvesting equipment needs

Corn harvesting weather and field conditions vary greatly from year to year. But Robert G. White, Michigan State University agricultural engineer, says long time records indicate that Michigan farmers can harvest corn on half days in the usual four-week harvest period.

"How much equipment the farmer will need will depend greatly on the amount of time he can spend in the field during these 'good days,'" White explained. "Dairy farmers often are limited to four to six hours a day because of chores. On the other hand, cash crop farmers may be willing to work 10 to 12 hours a day during the harvest season."

White says a one-row picker will safely handle a 50-acre crop when working six hours a day, a 75-acre crop when working 8 hours a day or a 100-acre crop when working 10 hours a day. For a relatively small additional investment the farmer can have a two-row picker that will cut harvest time almost in half.

FOR EXAMPLE, a two-row picker can handle a 100-acre crop when working six hours a day and a 200-acre crop working 10 hours a day.

White says a two-row picker-sheller or a two-row combine will normally handle a slightly larger acreage than will a two-row picker.

Keeping the machine operating every hour on "good harvest days" will make it easier to get the total crop under cover before the winter sets in, the agricultural engineer concludes.

Too much fertilizer planted directly with corn or small grain can damage the seed, Michigan State University soil scientists find. Some fertilizer can be in contact with the seed, but most of it should be in a band below and to the side.

WILLIAM GUTHRIE

Guthrie to be speaker

The executive vice-president and general manager of Farm Bureau Services and Farmers Petroleum Cooperative, Inc. will be guest speaker at the Clinton County Farm Bureau Annual meeting Tuesday, Oct. 10 at Smith Hall in St. Johns.

William Guthrie, formerly of Seabrook, N.J., was vice-president of operations at Seabrook Farms, nationally known producers of frozen foods. Commenting on the employment of Guthrie one year ago, Elton Smith, Michigan Farm Bureau president, said, "We are fortunate to get a man of Mr Guthrie's demonstrated abilities to manage the two companies and look forward to accelerated progress under his leadership."

Prior to his work with Seabrook, he had been a partner in the Chicago-based firm of Fry Consultants, Inc. A native of Illinois, Guthrie is a graduate of Northwestern University of Evanston, Ill., holding degrees in industrial engineering and business administration. The Guthries live in Lansing and have two children.

Sponsor awards for FFA and 4-H

Receiving special recognition at the county Farm Bureau annual meeting Oct. 10 will be one outstanding member of the Future Farmers of America and one county 4-H Club member.

All county FFA chapters were invited to participate, and a total of 10 contest application forms were returned from the FFA chapters in Bath, Ovid-Elsie and St. Johns high schools.

The award is a "Merit of Excellence" award and is based on achievement in the FFA and 4-H and on personal gain received from these organizations in the opinion of the member.

The 4-H winner is being selected with the assistance of local 4-H leaders and directors. The FB young farmers committee is newly organized this year and includes the following—Mr and Mrs Bruce Mehney (chairmen), Mr and Mrs Porter Redman, Mr and Mrs Dennis Phillips, Mr and Mrs Ralph Watts and Mr and Mrs Ed Collier.

Their activities are coordinated by Jack Deppong at the State Farm Bureau level and include all Farm Bureau members ages 18 through 31.

During the year the committee plans and activates programs of interest to the young farm couple. They are also handling this year's Farm Bureau queen contest, talent find and discussion meet.

It Pays to Insure with Farm Bureau

Policyholders will save money on their auto insurance this year. How much? Up to a healthy 15% of the premium payment. On July 7, the Company authorized a dividend to be paid on each car and truck insured with Farm Bureau Mutual. Policyholders who are eligible will receive a refund check approximately Oct. 15, by mail from the Co. Farm Bureau Office. Approximately \$315,000 in dividends will be paid to auto policyholders throughout Michigan. This refund has been made possible by an underwriting program placing emphasis on proper driver classification and your help in holding down the rate of traffic accidents.

Area Holsteins credited with output of 50 tons

Lifetime milk and butterfat production levels for Registered Holstein cows in this area have been announced by Holstein-Friesian Association of America. The individual animals have been credited with career production totals exceeding 100,000 lbs. of milk under official testing supervision.

Because of current replacement heifer rearing and purchase costs, cows that stay in the herd longer and achieve high lifetime production have proven to be more profitable. The Holstein Association has more than 28,800 cows on file that have attained the 50-ton production milestone.

Local Holstein breeders and their long-time producers reported by the organization include:

Wilmairlyn Gwendolyn Star 4429905 (VG), 129,603 pounds of milk and 4,083 pounds of butterfat in 4,668 days; Whirlhill Apollo Nanette 4227776 (EX), 118,015 pounds of milk and 4,249 pounds of butterfat in 3,265 days; Green Meadow Stella Oretto 3791829 (VG), 117,485 pounds of milk and 4,897 pounds of butterfat in 3,906 days; Green Meadow Princess Penna 4172043 (GP), 113,485 pounds of milk and 3,602 pounds of butterfat in 3,357 days; Green Meadow Maybess Glory 4303364 (VG), 111,335 pounds of milk and 3,705 pounds of butterfat in 2,777 days; LaPrimavera Honoroza Plebe 5107196 (GP), 110,667 pounds of milk and 4,107 pounds of butterfat in 2,808 days; Korn-dyke PelholmeStar 5117502 (GP), 110,556 pounds of milk and 3,397 pounds of butterfat in 3,814 days; Whirlhill Apollo Roxann 4334112 (EX), 109,079 pounds of milk and 4,052 pounds of butterfat in 3,601 days; Green Meadow Princess Lucy 4172040 (VG), 106,754 pounds of milk and 4,250 pounds of butterfat in 3,601 days; Green Meadow Stella Nigora 4298892 (VG), 106,207 pounds of milk and 4,314 pounds of butterfat in 2,991 days. All are owned by Duane and Velmar Green, Elsie.

Island Road Alfalfa 4458713 has produced 108,100 pounds of milk and 3,536 pounds of butterfat in 2,808 days since becoming two years of age. The cows owned by William H. Knight of Elsie.

If all the good resolutions that are kept were placed end to end they wouldn't reach very far into the new year.

The Clinton County Agricultural Stabilization and Conservation (ASC) Committee for the coming year consists of Verne Upton of Essex Township (left), Leon Schumaker of Riley Township as vice-chairman and Laurence Hart of Bath as chairman.

ASC Committee for year formed

Leon Schumaker of Riley Township was elected to the Clinton County Agricultural Stabilization and Conservation (ASC) Committee last Thursday at the ASC election held in Smith Hall in St. Johns. Thirty-seven persons attended.

The committee this year is made up of Laurence Hart of Bath as chairman, Schumaker as vice chairman, and Verne Upton of Essex Township.

Terms of office for county committeemen are on a three-year basis, with one new member normally being elected each year at a convention of newly elected ASC community committeemen. The situation varies, however, according to the number of actual vacancies on the committee. In addition, first and second alternates are elected for 1 year each.

HART IS SERVING his third year of a three-year term, Upton is serving his second year, and Schumaker was elected this year. The newly elected alternates are Victor Clark of Eagle and Neil Barnhart of Bingham.

The ASC farmer-committee system is unique. No other group of citizens has so direct a voice in developing and running government programs. Farmers eligible to take part in programs administered by the committee first elect community committeemen, who in turn elect county committeemen. While the county committee is in actual charge of administering the programs locally, including expenditures of federal funds, the community committeemen lend operating assistance where needed and are

particularly responsible for keeping their neighbors informed about the programs available.

The elected committeemen are not federal officeholders. Congress holds the Department of Agriculture responsible, and the department in turn relies on the judgment and leadership of the locally elected farmers and the county office employees. The county office serves as the headquarters for farmer business connected with program participation.

Banks major lenders to Michigan farmers

Michigan banks remain a major source of credit and other financial services to farmers in our state, according to Paul Schueller, assistant vice-president of the Clinton National Bank & Trust Co. who represents the Michigan Bankers Assoc. as Clinton County vice-president. During 1966, the banks maintained their leadership in agricultural credit services.

Based on the 26th annual farm lending summary of the Agricultural Committee of the American Bankers Assoc., Schueller reported that at the beginning of the year, Michigan banks were helping farmers with \$275 million in loans, 11 per cent more than a year previous. This total includes \$162 million in production loans and \$113 million in farm mortgages. At the same time, \$43 million in farm loans was held by life insurance companies and \$236 million by other lending agencies. About 70 per cent of the production credit extended by lenders to Michigan farmers came from banks.

Schueller said that "bankers in Michigan are conscious of the large capital investments required in agriculture today and are making a concerted effort

through improved lending programs to meet these changing credit demands of the state's farmers. On the local level, Clinton National Bank has extended credit to Clinton county farmers in excess of \$7 million. This amount includes all types of financing, from autos and refrigerators to farm mortgages."

The increased use of credit by farmers, according to Schueller, has been accompanied by a substantial gain in the total assets of farm families. Therefore, in the aggregate, the equity position of farmers, contrary to public opinion, is being maintained at a satisfactory level. Nationally, farm families have \$228 billion of their own funds invested in agriculture. This represents 83 per cent of the total capital requirements of farmers.

Schueller stressed the importance of farmers and bankers working closely together to improve farm financial arrangements. He reported that nine out of 10 insured banks throughout the country had agricultural loans outstanding, with nearly 91 per cent of the banks in Michigan extending credit to farm people.

Attend Your County Farm Bureau Annual Meeting

A Message from the State President

There is one meeting that is the most important meeting of the year for every farmer who is a Farm Bureau member. It's a meeting he shouldn't miss no matter what—the annual meeting of YOUR county Farm Bureau.

You owe it to your neighbors and friends to attend your county annual meeting because you probably have some ideas that they haven't thought about, and it just might happen that you can come up with the real way to get that sticky tax problem whipped, or something equally important. And you might get a good idea from someone else who attends the meeting too!

With all of us working together in our county Farm Bureaus, and all of our county Farm Bureaus working together in the Michigan Farm Bureau, and the Michigan Farm Bureau working together with the other state Farm Bureaus in the American Farm Bureau Federation, problems can be solved.

Farm Bureau really isn't the "voice" of agriculture as we think of it sometimes—instead it merely amplifies your voice and mine so that we can be heard a lot farther from home.

But remember—if we don't say anything, then there is nothing to amplify!

ELTON SMITH, President
Michigan Farm Bureau

Editorials get things done

By Eugene Patterson
Editor, The Atlanta Constitution
1967 Pulitzer Prize Winner

Newspaper editorials get things done. At times, I've wondered what, by now, I think I know. They get people to think. They may think the editor is an idiot. The Atlanta Constitution is rich with readers who hold that opinion.

Let's prevent fires—it can be accomplished

By Presidential proclamation, Fire Prevention Week will be observed Oct. 8-14 this year. But as a practical matter, we should all look upon fire prevention as a year around job.

In 1966, the nation's fire losses hit an all-time peak of nearly \$1.5 billion dollars, according to the American Insurance Assn. In 1966, 12,100 persons died as a result of fires, and countless thousands more were injured.

T. Lawrence Jones, president of the American Insurance Assn, says the rise in fire losses is causing growing concern in business and insurance circles, and that on all sides the consensus is that more be done in the fire prevention field to reverse the upward trend.

Fire Prevention Week is an appropriate time to think about preventive measures . . . to reshape our thinking in terms of taking greater care to avoid fires . . . to take inventory of our properties and eliminate potential fire hazards . . . and to resolve to practice fire prevention actively and regularly in the future.

One place where every citizen can do his bit is in the home, checking electrical connections and appliances, heating and cooking equipment, or having them checked by a qualified service man.

Fire Prevention Week can and should be a meaningful occasion, one on which we should all dedicate ourselves to be more careful where fire, or the threat of fire, is involved.

Fires can be prevented, and we can do it!

decide whatever they want to decide. The process of thought may have adjusted their decision some small distance toward the side of right, wherever that is.

"I guess a man's job," William Percy's father told him, "is to make the world a better place to live in, so far as he is able—always remembering the results will be infinitesimal—and to attend to his own soul."

An editorial is, of itself, no better than the incentive it provides the reader to attend to his own soul, I think. Whether the editorial opinion itself is accepted is secondary to that. The people will find their own way when they think.

The race issue in the South was editorially muffled for many years. The primary contribution of editors like Hodding Carter and Ralph McGill and Lenoir Chambers lay not so much in convincing all Southerners that segregation was wrong; they obviously failed, had that been their purpose.

This breaking of silent fear, this beginning of talking and thinking, is the goal an editor shoots for in a frozen situation where minds have ceased to question. The editorial doesn't have to be right. But it does get things done.

It gets the people to think.

FIRE PREVENTION WEEK OCTOBER 8-14 AMERICAN INSURANCE ASSOCIATION

Filthy dairy imports prompt a crackdown

Senator Gaylord Nelson (Wis.) . . . Hoard's Dairyman, one of the nation's oldest and most distinguished agricultural magazines, has published a feature story and an editorial on my bill to improve quality controls on foreign dairy imports . . . The publication points out that last year, the Food and Drug Administration reported that they inspected only 4 per cent or 551 of 13,722 shipments of the dairy products offered for importation to the United States during the 1965 fiscal year and, of these, 5 per cent were contaminated and unsuitable for human consumption.

administration report, Jan. 8, 1965 thru Feb. 17, 1967. We list first the country of origin, then the product and finally the reason for the detention. CANADA, Cheddar cheese, Contains live mites; AUSTRALIA, Colby cheese, Contains poisonous substances DDT; ARGENTINA, cheese, insect filth; UNITED KINGDOM, Stilton Cheese, Moldy and decomposed; YUGOSLAVIA, Cheese, Kaskoval Kasser, Insect fragments and manure; PORTUGAL, St. George cheese, Insect filth; NEW ZEELAND, Cream, frozen, Contains rodent hairs; ITALY, Cheese, Fly eggs and maggots; NETHERLANDS, Edam cheese, Insect infested; BULGARIA, Kasser cheese, Unsafe food additive and animal dung; NORWAY, Cheese spread with smoked herring, Poisonous substance, pesticide chemicals SWITZERLAND, Swiss cheese and Gruyere processed cheese, (Unit for food).

"Last year, dairy imports shot up from 900 million pounds in 1965 to some 2,700 million pounds in 1966—a 300 per cent increase.

"With this huge increase in dairy imports during 1966, I am afraid that we will find that the rate of inspection declined sharply. I assume that the FDA was not able to make a 300-per cent increase in its inspections to match the increase in imports . . .

"I am sponsoring the Foreign Dairy Inspection Act, which will require foreign dairy farms and plants producing dairy products for importation to the United States to meet sanitary standards established by the U.S. Government.

"It costs our American dairymen thousands of extra dollars for equipment and facilities needed to meet our government's health regulations. This places him at a definite disadvantage when he competes against his low-cost foreign counterpart, who is not required to operate under comparable sanitary standards . . .

A GRASSROOTS COMMENT The Food and Drug Administration report doesn't make very appetizing reading. We agree with Senator Nelson.

GRASSROOTS OPINION
COMMENTS FROM OTHER PAPERS

ALBANY, ORE., DEMOCRAT-HERALD: "On the surface, in view of Russia's insistence that Israel, as an aggressor, relinquish everything gained by victory over the 'victimized' Arabs, this statement appears incongruous: 'After two thousand years of discrimination and persecution the Jewish people deserve a national home. The Union of Socialist Soviet Republics knows about the tragedy and suffering of the Jewish people in the last war. Historical justice and human dignity require that the refugees get a place in the land of their ancestors. British imperialism kept them for a long time from the coasts of Palestine. The division of Palestine into a Jewish and an Arab state will change this. The son, if 98 per cent of the imported dairy products are not inspected, they should be.

To quote Hoard's Dairyman, "The stubborn fact remains that, regardless of the origin, 1 lot in 20 is filthy or contaminated. This is a very poor record." -J.C.

Need for nurses prompts plan for refresher course

By ELMER E. WHITE
Michigan Press Assn.

"About 100 nurses are needed, right now, at Sparrow Hospital," notes Roger Busfield, associate director of the Michigan Hospital Assn.

Sparrow is a 465 bed hospital in Lansing. Its cry for registered nurses is echoed throughout the state. Urban and rural, large and small, many hospitals in Michigan are feeling the pinch of the R. N. shortage.

William Bresler, business manager of the Michigan Nurses Assn., says, "It's not so much a shortage of working registered nurses." So many nurses have left the profession that there are just not enough to satisfy the demand, he points out.

YOUNG GRADUATE nurses are soon lost to marriage and family. Many who return to nursing do not return to general duty in hospitals. Instead, they enter private, industrial or school practice. The pay is better and the hours more stable.

The nurses' association and the Michigan Employment Security Commission have set up five-week refresher courses for "retired" registered nurses, hoping to attract those who have raised

their families back into the general duty field.

The course runs eight hours a day, five days a week and combines classroom instruction with hospital duties. There is no tuition and a small stipend is paid to those who qualify. Legally, any registered nurse who stays registered with the state can practice nursing without taking a refresher course no matter how many years she has been away from the profession. However, most nurses returning after long absences want to be brought up to date, Bresler said.

ECONOMIC SECURITY of nurses is also undergoing a change, Bresler says. It wasn't until February of this year that nurses were brought under the Federal Minimum Wage & Hour Act. Until that time, some hospitals didn't pay overtime, he maintains, although policies varied from hospital to hospital.

Wages are just now beginning to reflect the years of education and training required, Bresler maintains.

Busfield, reflecting hospital views, feels that nurses' wages

are generally in line with other skilled professions. He agrees there are too many exceptions where pay is still low. He points to a recent survey published by the hospital association which lists the "average starting monthly salary" for general duty nurses in Michigan at \$410, up from \$390 in 1965. Maximum salary for general duty is averaged at \$481 monthly.

BEDSIDE NURSING has become the job of nurses' aides and practical nurses. While registered nurses are now bookkeepers, Busfield and Bresler stress this is undesirable.

Although both men agree that R. N.'s are trying to correct the situation, they do not agree with what caused the trend.

Busfield feels that the nurses, by constantly upgrading their profession, "up-graded themselves into keeping records and leaving routine nursing tasks to those less qualified.

Bresler maintains that "it just kind of happened." Nurses were always held responsible for patient records, he says. As "red tape" increased in hospitals, nurses were assigned more of the paper work. "It just grew like Topsy," he said.

A salute to 4-H leaders is always well-timed

Most of us here in Clinton County know 4-H. We are especially proud of our 4-H'ers during National 4-H Week, Sept. 30 to Oct. 7.

The green and white four-leaf clover emblem is appearing in newspapers, in stores, and other public places. Our 4-H'ers are a part of a membership of two and three-quarter million boys and girls, and we salute the work they are doing to make a better America. But our praise does not end there.

We'd like to make sure the adult 4-H'ers—the volunteer leaders—get a well-deserved "pat on the back!" Do you know that about 372,000 men and women across the Nation give their time to 4-H Club work?

These dedicated Americans give their time and skills not only for 4-H Club meetings, but also for project study, for teaching and individual attention to members, for demonstration teams, for county fair exhibits

that must be managed, for recreational projects that are part of a successful 4-H program, and for local, state, and national leader training sessions that help them do a better job.

These are just some of the activities of the volunteer leader, and we know many could recite a much longer list of commitments to 4-H.

Our hat is off also to nearly 142,000 junior 4-H leaders who use their experiences in 4-H to assist the adult volunteers. As we look at the achievements of the past 60 years, we salute all those in 4-H for a job well done.

It was a frustrating weekend for most St. Johns sport fans last week, with the local Redwings losing to Hastings, U of M and MSU both finding the going rough, the Lions getting sidetracked on Sunday and then those Tigers.

If you're 30 in years, you can probably remember when the Tigers last won a pennant. But, statistics show that the majority of our population today is at the age of 25 or under, thus the majority cannot remember when the pennant flag last hung from Tiger Stadium.

PLL HAVE TO admit being able to remember when the Tigers last won a pennant. I was employed by the U.S. Government, and it was a great year to be from Michigan. I remember we really whooped it up after those Tigers got into the world series, and as I think back on those days I believe we made some pretty rash bets on the outcome of the series.

So, for 22 years I've waited for those Tigers to repeat and this seemed to be the year to whoop it up again. Saturday and Sunday were spent with one ear tuned as to how the ballgames were going.

SATURDAY AFTER they won the first one, it looked like we were on our way. Then came the second game . . . well at least we had two more games to go and an evening to drown our sorrows.

Sunday was a beautiful day and the Tigers made it even more so after taking the first game and then it all got down to brass tacks. Win the second game or else. They took off as if they were going all the way and the day looked even brighter.

But alas, the roof fell in about the fourth inning (if Tiger stadium had a roof, I do believe it would have fallen in) and things just kept getting more dismal each inning thereafter.

By the end of the game, the ashtray was full, the coffee tasted horrible and my thoughts turned to something a little more potent, but I was unable to reach it. (My wife had locked the medicine chest and hid the key).

As I said before, it was a frustrating weekend, especially after that second game of the Tigers. I can now go back to my memories of 22 years ago, and rely on these until next year. Those who cannot remember those days will have nothing to remember except what happened this past week-end to carry them over until next year.

The only thing this proves is that memories can help even though they may be dim memories. So it's back to the drawing board and wait until next year for the Tigers. (If you keep your fingers crossed it won't hurt, probably not help either, but it will be, just wait-and-see).

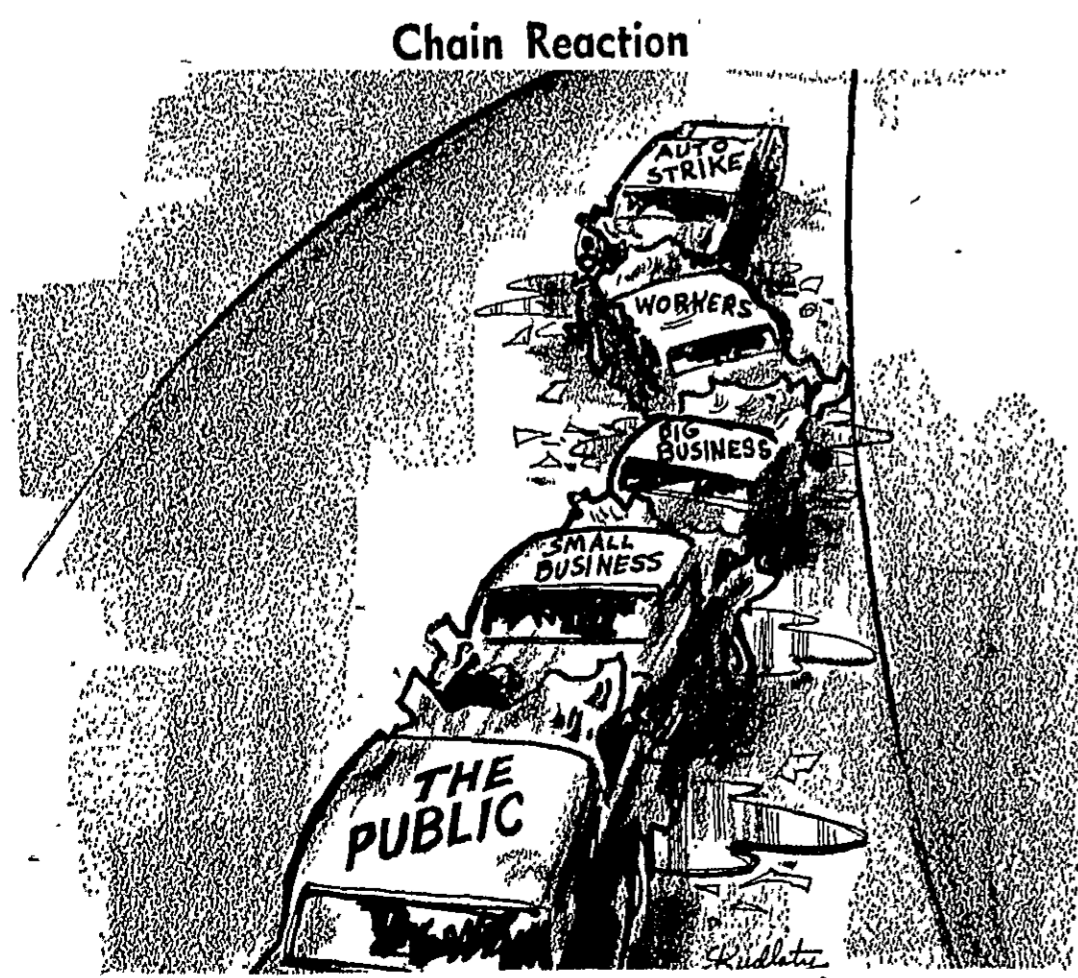

October daze
W. E. DOBSON
The atmosphere's delightful
The days are crisp and clear,
And nature wears her gayest gown,
In the autumn of the year.

The daylight hours grow shorter
Fer all the "tinkered clocks",
'N the fish are ripe fer ketchin',
Listen to those pheasant cocks!

Football season's on in earnest,
With fall wheat the fields are green,
Frisky squirrels are hard at labor,
Guarding 'gainst a hoard too lean.

Outdoors holds so much of magic,
Time to hit the long, long trail!
Fix the compass for your journey—
Leave directions for the mail!

Never mind what cares assall you,
Let October change your ways,
Though you struggle it will get you—
You can't beat October daze!

Chain Reaction

Rep. Garry Brown reports from Washington, D. C.

By REP. GARRY BROWN
Congressman
Michigan's Third District

Although it has been termed an "angry Congress" and a "common-sense Congress," depending upon the viewpoint of the speaker, one thing is quite certain, it has been a "cautious Congress" to date. This cautious attitude has been manifested in many areas but most significantly in the realm of Federal spending. The Congress has been cautious both in spending and in spending cut-backs. Less concerned legislators would swing a meat-axe and indiscriminately chop down the President's budget—or do no "trimming" at all. Neither would be in the public interest—for such action would reflect a "throw the baby out with the bath water" attitude.

But let's explore what has been the approach and policy of one congressman, your congressman, in this vital area of fiscal, budgeting, or spending responsibility. I have had to start where my predecessor left off—as my predecessor did. I might have done things differently, taken different positions, etc., but due to the public's expression of itself in 1964 and due to the congressional reaction to that expres-

sion—probably things on Jan. 1, 1967, would have been pretty much the same regardless of who served any one district, including the Third District of Michigan, from 1964 through 1966.

I have never felt it valid to use past errors or indecision as an explanation or excuse for failing to deal with a present situation. To the extent possible, I would have prevented the unmanageable deficit position in which we presently find ourselves. Nevertheless, we are in that deficit position and should be seeking ways to extricate ourselves rather than looking for someone to blame. And, let's not "kid" anybody—we are not going to eliminate the deficit in one or two years—even by the enactment of a 10 per cent surtax—we are only going to make it more "manageable." This is not just my thought—it's practically the exact words of the administration spokesmen who have appeared before the Banking and Currency Committee, of which I am a member.

BUT, WHAT DO we do to make the estimated \$30 billion deficit more manageable? Increase taxes?—or, cut spending? I have chosen the latter course. I think today the indignant tax-

payer has a more defensible indignation than does the indignant tax receiver; that is, the beneficiary of the government's largess who may find his favorite program has been curtailed.

Assuming the validity of my decision, what basic policy do you follow with respect to federal spending if you are to be a "cautious congressman"—rather than a meat-axe wielder who votes against everything in order to say he has cut the budget and has reduced or eliminated the deficit?

My votes on fiscal matters have been expressive of, and consistent with, a basic policy. I view the expenditure of government funds and the obligation of taxpayers to provide those funds as one inseparable totality, whether such funds are spent or raised by the federal, state, or local governments. I have been a "liberal" when the question was one of Federal fund support for local problem solving (since I am one of those who believes most domestic problems can be solved best at the local level and local units of government have an inadequate tax base from which to draw)—and, I have been a "conservative" with respect to those pro-

grams which, though desirable, fall outside this tax-spend policy.

Application of this policy led me, and I so voted, to support continuation of federal aid to the elementary and secondary education programs (which will ease the demands on school taxpayers), rent supplements, and demonstration or model cities legislation, which will encourage the public, non-profit, and private sector to improve or ameliorate the substandard housing, slum, and ghetto conditions in our cities (thereby easing the burden on our city taxpayers), and the amendments to the "crime" bill which would furnish funds to state and local units to improve police administration, training, and law enforcement (thereby helping the general state and local unit taxpayer).

IN TURN, SINCE all of the foregoing cost the federal government money, and I have indicated I thought we should reduce spending, I voted against the "full speed ahead" budget of the space program and full funding of the President's foreign aid request because these items, though certainly in the national interest, do not fit into my "policy" and cannot be afforded in this time of fiscal crisis. And, whereas we are talking about only

GARRY BROWN

millions of dollars in the items I supported, we are talking about billions for the items I opposed. Which brings up an interesting observation I would like to pass on to you—Did you know that a million dollars in \$10,000 bills, if laid on top of one another, would make a stack only 9 inches high; but a billion dollars, in the same bills, stacked in the same way would tower above the top of the Washington Monument? So let's not compare, in the same argument, \$10 million for rent supplements (2-1/2 yard-sticks) with the \$4 billion for the space

program (four Washington Monuments).

In addition to the fact that the proposed space and foreign aid appropriations would not go back into the tax-spend government totality I mentioned, there are other reasons why I did not support these programs. The administration has failed to convince me that there is any more justification for getting into a "space race" than there is for getting into an anti-ballistic missile race, and it has opposed the latter even though funds were appropriated therefor. I, likewise, question the wisdom of putting a man on the moon at a time when we are unable to assure the safety of one on the streets; and, the administration says the latter stems from the miserable conditions in our cities.

AND, IT'S NOT just because each local unit of government doesn't have an Army and Navy and its own Marshall Plan that I voted against the foreign aid bill.

Foreign aid, according to everything I have been able to read and hear, is intended to help nations to help themselves improve their standard of living, stabilize their economy, and eliminate social injustices. Our recognition of their need to pro-

vide internal security and freedom from outside aggression before these goals can be accomplished is our justification for including arms and military assistance as a part of this "foreign aid." With this premise, I substantially concur—but, with the Administration's appraisal of what we are (or should be) doing, I generally disagree.

If there is one justification for our presence in Vietnam today (and it's the only one I regularly hear from the Administration), it is our obligation to keep the world free for democracy, or as put another way, we have a duty to protect the free world from communist aggression. Then isn't our effort in Vietnam the greatest foreign aid program that any nation of the "free world" could expect? Our boys, our billions of dollars are being expended in behalf of every nation entitled to the benefit of our aid and assistance. Were these countries furnishing men and millions in behalf of this struggle to maintain their territorial and political security, we would have more dollars, more machines, more advisors, which could be devoted to the type of foreign aid contemplated by the Foreign Assistance Act of 1967. And, as long as we continue to curtail or postpone our own domestic programs

because of our "free world" effort in Viet Nam, I shall expect the free world to do likewise and to ask "what can we do for your country, not what can your country do for us?"

The foregoing provides you with only a capsule view of the consideration given to issues. Perhaps there are better examples and perhaps I have oversimplified, but I have not bored you with a bunch of figures nor attempted to tell you how much better off our federal financial picture would look if my votes had been the "sense of the Congress"—for my individual votes cannot be truly significant until a majority in the Congress is convinced that they are correct votes. Although I hope to express the will of my constituents and hope to have their support for the positions I take, neither you nor I can feel much satisfaction until our will is expressed in enacted legislation. In that effort, I solicit your help and support.

Leaving children alone can lead to disaster. Last year, the National Fire Protection Association reports, more than 2,100 children died in home fires, and it is estimated that over one-third of these young victims were without adult supervision when fire broke out.

Modern Michigan driver licenses only 3 generations old

Today's horsepower-conscious teenager may not realize it, but his grandfather was likely one of the first licensed drivers in Michigan.

Driver licenses in Michigan go back to 1919. Thousands of engine-oriented doughboys were returning from the muddy trenches of Europe after World War I. The found letting off steam with the help of the gas buggy, then in its infancy, handler than using horse-drawn buggies.

As automobiles steadily became more popular, citizens, as citizens do, began worrying about roads and highways. After all, these mechanical monsters were whizzing by at "terrifying" speeds of up to 10 or 15 miles per hour.

THE NEED OF safe drivers became important. And the Michigan legislature seeing this growing need for controls, passed Public Law 368 requiring all

Michigan drivers to have a driver's license.

Secretary of State James M. Hare, director of the Michigan Department of State, which licenses Michigan's nearly 4.8-million drivers, tells this story about the first driver's license issued in Michigan.

"Strange as it seems, Michigan's first driver's license was applied for before it was legal," Hare said, "Governor Albert E. Sleeper made application on June 30, 1919, a day before the license bill became law. He received the first license from Coleman E. Vaughn, then secretary of state, on July 1, 1919."

That first license was issued on a 11-in.-backed paper measuring 4 1/2 by 5 1/2 inches. It had no expiration date. As a permanent license, it required no renewal. Drivers could apply at their local police station or in person at the state capitol in Lansing.

APPLICATIONS WERE bound into books for record keeping. The license itself was either typewritten or hand penned.

Although the actual issuance of a driver's license has always been a job of the secretary of state's department, Michigan's licensing was a cooperative venture for more than a quarter-century, notes Hare.

Applications were taken by local or state police or county sheriffs. But license procedures were supervised by the Michigan State Police while issued by the Department of State.

As the use of the automobile and the population grew, applications for licenses kept pace. Binding applications into books might have been adequate for the comparatively few licenses issued in the early days. But when Michigan began issuing more than 1 million licenses a year, drastic changes were called for.

into computer language, and then stored for instant use.

In the early days, law differentiated between the regular driver and the chauffeur. This has not changed. The difference now is that varying types of operator and chauffeur licenses are now issued by the Michigan Department of State.

Chauffeurs in the early days wore badges. Like today, yesterday's chauffeur had to renew his license every year.

ACCORDING TO HARE, age requirements for drivers were different in the early years.

"Youngsters, who now must wait until they are 16 and have passed a 'driver education' course, would have gotten their licenses far easier in those days," says Hare. "Most of them were taught by their parents or friends. And at age 14, a teenager could have walked into any license station, paid the fee, and walked out a licensed driver."

TODAY, WHEN nearly 2 million licenses are issued annually, records are being placed in electronic computer memory banks, capable of handling, sorting, searching, and providing information at the rate of thousands of words per minute.

In a short time, the entire licensing procedure will be mechanized on the computer.

Already in the field are special typewriters which are used to make out applications. These applications are sent to Lansing, where they are fed through a computer "reader" which translates the typewritten material

As the automotive age took shape with its attendant sound and fury, more traffic-oriented problems were created. Newer, more powerful cars, capable of faster pickup and higher speeds, became available. Enforcement agencies had a serious safety problem no provision to re-examine licensed drivers—who were "permanently" licensed.

The Legislature countered the situation with new laws, ones requiring all Michigan drivers to renew their licenses every three years. This was started in 1931. Renewal period was from date of application. This sometimes created a "rush" problem at licensing stations every three years.

It took 20 years to make a change in this procedure. In 1953, under Secretary of State Owen J. Cleary, two major changes were made: All driver licensing operations were placed under the Secretary of State, and the expiration date of the license was set up to correspond with the applicant's birthdate. This spread the workload evenly through the year.

FROM THAT TIME, the need for progress and modernization of licensing in Michigan has accelerated, especially in recent years.

In 1964, new type "green" licenses were issued to drivers under 21.

Hare explained: "Many underage youngsters were 'doctoring' their licenses and using them as false proof of age." Subsequent lamination has made the Michigan license more resistant to tampering.

The same year, the Legislature implemented a law which had been on the books by appropriating money to provide a photo license for every driver in the state.

The gigantic task of providing all Michigan drivers with the new license was begun in 1965. By early 1966, all Michigan drivers will have the new color-photo license.

"Another basic change is taking place," said Hare. Many local law enforcement units are no longer interested in issuing

driver licenses. And more and more, it is becoming the job of the Department of State to handle driver license examining."

Other laws involving Michigan drivers have been enacted through the years. Among the most important have been:

Michigan Point System, a program of driver improvement under which every driver may be disciplined at certain point levels;

Financial Responsibility Law, enacted back in 1933, but refined and amended since;

Motor Vehicle Accident Claims Fund which pays valid claims as a result of accidents caused by uninsured drivers.

A new licensing law went into effect last year. Every original license issued to a Michigan driver who was unlicensed in this or any other state is on a "probationary" basis. It may be suspended if its holder is arrested for violation of traffic laws within the one-year probation period.

Michigan is fast approaching the 5-million mark in licensing, Hare has this note of advice for this vast army of drivers: "Pull out your driver's license now. Check it for expiration date.

State promotional investment urged by Tourist Council

The Michigan Tourist Council has called on Governor Romney and the State Legislature to invest \$2 million in tourist promotion to bring more than \$100 million into the state treasury. The Tourist Council's 1968-69 budget request; about double its present budget, was announced this week by James H. Hall, Council chairman.

"Unlike other state agencies which request funds to provide services, the Tourist Council is requesting money to produce revenue for the state," Hall said. "For example, the tourist industry will produce in excess of \$70 million in state taxes this year, a return of more than 70-to-1 on the state's investment in tourist promotion."

"By increasing our promotional investment, the state will receive a proportionate increase in tax revenues from increased business, thereby providing additional money for construction of schools, highways and for other necessary state services."

Hall said a \$2 million budget would enable the Tourist Council to take full advantage of proven promotional techniques designed to attract vacationers to Michigan, year-round.

"A major goal of the expanded program is a 12-month advertising campaign as opposed to the two seasonal approach—spring-summer and autumn-winter—now conducted by the Council," Hall said.

Road Commission Weekly Report

By ROBERT CLDRIDGE
 Road Clerk

It says in the heading of this column, "Weekly Report," which implies that it should be a news column. There are weeks at the commission when little of real newsworthiness happens. The time goes by with everyone doing their job, a bridge repaired here, a washout fixed there, grading of roads accomplished—all integral parts of the road commission's service, but pretty routine and not very interesting to tell about.

This past week was much that kind of week, but there are a couple of items to report.

The commission met last Thursday with our engineer, Don Haske, and the county engineer, Jerry Wilcox. The purpose of this meeting was to discuss uniform requirements for plats and subdivisions under the proposed new Plat Act. Several pertinent matters were discussed, and Mr Haske and Mr Wilcox were asked to draw up specific recommendations insofar as roads and drainage of proposed plats are concerned and report back to the commission.

MRS EUNICE Rice, long-time deputy clerk of the commission, started her retirement this past week. Mrs Rice officially retired Sept. 1 but stayed on a few weeks in order to familiarize Mrs Hettler with her duties. Don Ewing spent his last day with the commission last Friday and started his new job with the Jackson County Road Commission Monday.

Each week this office receives accident reports from the Michigan State Police. The reports are checked by our engineer to see if road conditions which can be remedied were a contributing cause of the accident and whether any damage was done to county-owned property.

A deer was reported lying dead along Price Road this past Thursday by one of the drivers. The information was relayed to Earl Goff who sees to it that such animals are disposed of. Our own clean-up crews pick up small dead animals along the main roads of the county.
