WHEN MICHIGAN STATE plays Notre Dame, the rivalry inspires supporters of the Spartans and Irish to display their feelings in a variety of ways. Last week's games prompted the fan activities pictured here. However, the messages did not always reflect the actual feelings of those involved. For instance, the little girl sporting the MSU shirt and her dog reside in a home of Irish supporters and the cheering message for the Spartans is also on the home of a Notre Dame graduate—victims of Spartan loyalty. The sign stating the score was wishful thinking on the part of Notre Dame boosters.

New squad fights crime in county

Four police agencies in the county have combined forces to combat crime in the county as of Oct. 1.

Arthur Hopp, deputy detective has been promoted to the rank of sergeant and has been put in charge of the new investigative squad.

"The new investigative squad will handle all burglaries and larcenies in the county," Hopp said. "The squad will allow the men to concentrate their efforts on the two crimes that are most committed in the county."

This is a federally funded program from the office of the Criminal Justice Department for \$117,000.

The four different police agencies involved with the investigative squad are Bath Township, DeWitt Township, St. Johns police department, and the Clinton County Sheriff's department.

"We are combining our efforts and forming the squad to target on the

burglaries and larcenies that are being committed in Clinton County," Hopp stated.

"The investigative squad is not new, but it is a priority program of the federal government," Sheriff Anthony Hufnagel said.

Funds were received for the program Oct. 1. Organization is taking place now, with the squad to be in full operation sometime during the month. "This is a cooperative effort between the police agencies," Hopp stressed.

"People in Clinton County are suffering from these crimes more and they should feel the impact of the squad now that it has been initiated," Hufnagel said.

The two stressed that the squad was started to give the people in Clinton County better service, and to apprehend and convict these criminals.

Beware of imposters

The Clinton Sheriff's Department is warning area residents to be careful of two white males posing as inspectors for Consumers Power.

According to the Sheriff's department during the past few weeks the two men have ransacked homes in Ingham and Eaton counties.

Dick May, detective, said the two men are wearing yellow hard hats, a tool belt, and overalls.

The pair say they are on a routine inspection and ask to see the fuse box. While one is in the basement or another

part of the house looking at the fuse box, the other man is going through the home. "It's an old con game," May said.

The pair is driving a black Chevrolet pick-up.

The Sheriff's Dept. asks that if these people come to the house, try to get the license number of the vehicle.

Other ways that residents can protect themselves is to ask for more identification, call Consumers Power, or call the Clinton County Sheriff's Department.

Band show Oct. 9

ST. JOHNS - Nine marching bands will be featured in the Third Annual Clinton County Marching Band Show Oct. 9 at the St. Johns City Park on the football field.

A donation of \$1 for adults and 50 cents for children will be collected at the gate.

Performing in the show, beginning at 7 p.m., will be the Redwing Marching Band and St. Johns 9th Grade Band and

visiting bands from Bath, Fowler, Byron, DeWitt, Pewamo - Westphalia, Breckenridge and Ovid-Elsie.

Each band will present a complete 10-minute half-time show and will participate in a short massed-band performance, which will conclude the evening's activities.

In case of rain, the show will be held in the high school gym.

Several local propositions on ballot in November

Several local propositions will be included on the ballot in the Nov. 2 General Election.

A COUNTY-WIDE proposal, if passed, would establish a 15-mill property tax rate for a period of four years.

The proposition reads, "Shall separate tax limitations be established for a period of 4 years or until altered by the voters of the county, for the

County of Clinton and the townships and school districts within the county, the aggregate of which shall not exceed 15 mills..."

The 15 mills would be divided to provide 5.8 to the county one to townships, 20 to the Intermediate School District and eight for school districts.

DALLAS TOWNSHIP will be voting on a proposal to levy millage to purchase fire equipment.

Voters are asked to decide whether or not the Dallas Township Board will be authorized to levy a tax not to exceed one mill for a period of four years, 1977 through 1980, to purchase a fire truck and fire fighting equipment.

Also proposed is a half-mill for a period of eight years, 1977 through 1984, for the purpose of levying a tax to defray, in whole or part, the cost of the operating of the Dallas Township Fire Dept.

OVID TOWNSHIP voters will be deciding the fate of a liquor by the glass by the glass proposal.

The proposal reads "Shall the sale of spirits in addition to beer and wine be permitted for consumption on the premises within the Township of Ovid..."

CITY OF DEWITT voters will be deciding whether or not local office holders should be property owners.

The proposition reads, "Shall Section 3.1 of the Charter of the City of DeWitt be amended to remove property ownership as a qualification for holding city office."

Two other proposals will also be on the ballot in DeWitt.

Proposal 2 states, "Shall Section 3.1 of the Charter of the City of DeWitt be amended to remove the requirement of residency within the city as a condition of holding office other than mayor or councilman?"

Proposal 3 on the ballot in DeWitt concerns taxation for streets and drains.

The proposal reads, "Shall the total tax rate limitation on real and personal property subject to taxation in the City of DeWitt be increased by \$0.50 per thousand dollars of state equalized valuation, which increase shall be effective for five years, for the purpose of funding the repair of paved local streets and local drains?"

Dinner at Civic Center

Clinton joins kickoff of United Way campaign

Capital Area United Way (CAUW) will kick off their 1977 Campaign tonight (Wednesday) at 6:30 p.m. in the Lansing Civic Center. Kick-off activities will be centered around a theme of "Racing" and will include top campaign leadership making their entrance in a 1976 Kelmark, Lansing's "other" car manufacturer. Clinton County will be represented by

vice-chairman John Stevenson, Federal Mogul manager, and about 30 volunteers. Clinton National Bank and Trust will sponsor a bus to transport the group.

Other activities will include a sponsored dinner for campaign volunteers and several reports from campaign divisions which have already

started their drives.

"The evening's events will conclude with headliner, Glean Haywood, an internationally known comedian, ventriloquist and magician from the West Coast, who has long been associated with United Ways across the country.

WHILE OTHERS anxiously await the firearm deer season, Roy Wilson took advantage of the bow season to bag this 6-point buck Sunday morning. Wilson, shown with his wife Beatrice, got his buck near the Wilson's home at 5849 Colony Rd.

Here's the scoop on studded tires

Only motorists whose cars are equipped with radial-ply tires will be able to use studded snow tires legally on Michigan roads this winter, according to Automobile Club of Michigan.

The only studs permitted in radial-ply snow tires are known commercially as Perma-T Grippers, and they can be used only during those periods set by the

Michigan Department of State Highways and Transportation.

North of a line from Mason to Arenac counties, the approved studs are legal from Oct. 1 to May 1. Below that line, they are permitted from Nov. 15 to April 1.

The legal Perma-T Gripper studs contain tungsten carbide fragments in a soft matrix and cost an

average \$5 to \$6 per tire installed.

Motorists are advised not to use radial-ply tires in combination with bias-ply or other type tires. Mixing tires could cause a car to go out of control.

Michigan motorists traveling state roads with illegal studs or with legal "soft studs" outside the set time periods are subject to a

fine of up to \$100 and/or a jail sentence of up to 90 days.

It is the practice of Michigan State Police to extend to out-of-state motorists traveling Michigan roads the same privileges for studded tires permitted in their home states.

Studs are illegal at any time in the adjacent state of Wisconsin and in the Canadian province of Ontario. Five other states in which studs are totally banned are Hawaii, Illinois, Louisiana, Minnesota and Mississippi. (Minnesota permits out-of-state motorists with studded tires to drive on its roads for 30 days.)

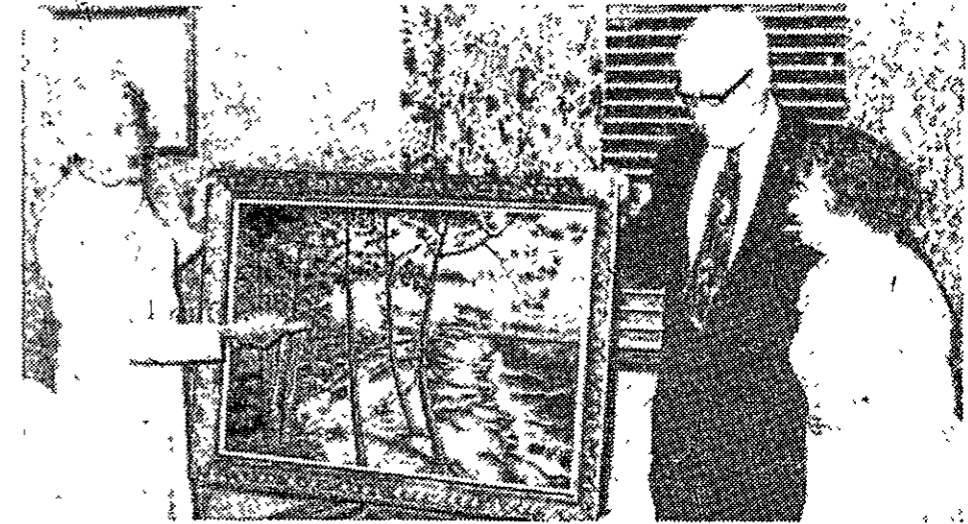

Auto Club notes that 29 states allow studs, with varying time restrictions. The District of Columbia permits studded tire use from Oct. 15 to April 15. Thirteen other states have no restrictions.

Florida law, which does not specifically prohibit studs, makes it illegal to drive with tires that will damage hard surfaced roads other than through ordinary wear and tear.

States beside Michigan allowing studs, with time restrictions, are:

Alaska, Sept. 15 - May 1; Arizona, Oct. 1 - May 1; Arkansas, Nov. 15 - March 15; California, Oct. 1 - May 1; Connecticut, Oct. 15 - April 30; Delaware, Oct. 15 - April

15; Idaho, Oct. 15 - April 15; Indiana, Oct. 1 - April 30; Iowa, Nov. 1 - April 1; Kansas, Nov. 1 - April 15; Maine, Oct. 1 - May 1; Maryland, Oct. 15 - April 15; Massachusetts, Nov. 1 - April 30; Missouri, Nov. 1 - April 1; Montana, Oct. 1 - May 31; Nebraska, Oct. 1 - April 15 (cars only); Nevada, Sept. 1 - April 30; New Jersey, Nov. 15 - April 1; New York, Oct. 16 - April 30 (cars only); North Dakota, Oct. 15 - April 15; Ohio, Nov. 1 - April 15; Oklahoma, Nov. 1 - April 1; Oregon, Nov. 1 - April 30; Pennsylvania, Nov. 1 - April 30; Rhode Island, Oct. 31 - April 1; Utah, Oct. 15 - March 31; Virginia, Oct. 15 - April 15; Washington, Nov. 1 - March 31, and West Virginia, Nov. 15 - April 1.

Reception at hospital honors Mrs. McWilliams

Mrs. Nelda McWilliams was honored at a reception at Clinton Memorial Hospital Sunday, Sept. 26, at which time an original oil painting by Gladys Annis was presented to the hospital.

The painting was donated "in appreciation of Dr. and Mrs. W. B. McWilliams" by Mr. and Mrs. Harold Annis of Maple Rapids.

The painting, which has been placed in the hospital lobby, is a scene of Miner's Castle on Michigan's Upper Peninsula north shore near Munising, a favorite area of Mrs. McWilliams.

her daughter and son-in-law, Mr. and Mrs. Robert Williams of Edmore; her daughter-in-law, Mrs. DeNelda McWilliams of Rogers City and several grandchildren.

Also honoring Mrs. McWilliams were Earl Lancaster, chairman of the hospital Board of Trustees and Irene Zeeb, chairman of the Clinton Memorial Hospital Board of Directors. Paul E. McNamara, Administrator, accepted the painting on behalf of the hospital.

Clinton County Sheriff's report

On Monday, Sept. 27 at 12:50 a.m. a car driven by Burnell K. Grieve, of R-6 French Rd. failed to negotiate a curve on Round Lake Rd. 1/4 of a mile East of Hollister Rd. and lost control of his auto, slid off the road and through a fence.

On Thursday, Sept. 30 at 7:45 a.m. a car driven by Janet Ileen Murdock, of Perrinton, was southbound on Forest Hill Rd. and came up on an unknown vehicle. She swerved to miss the vehicle and went into a ditch rolling over.

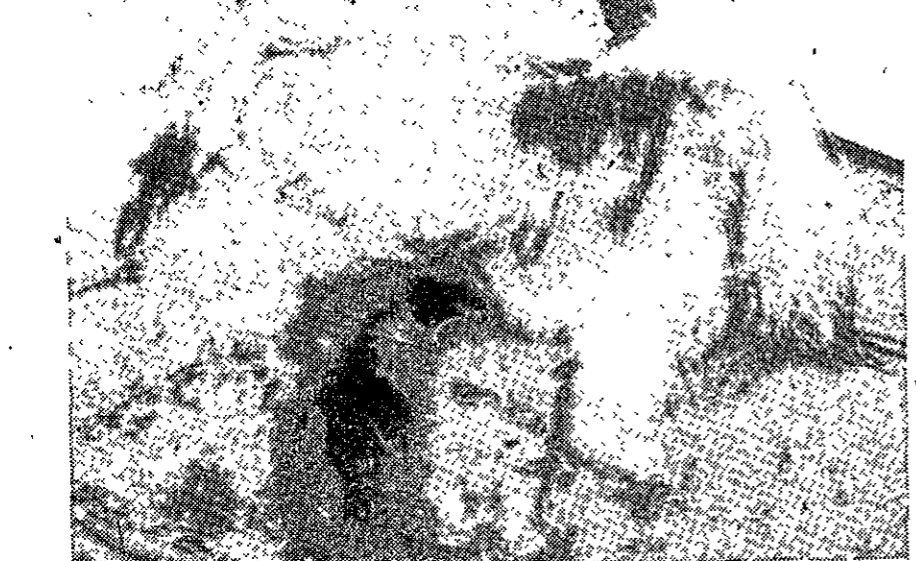

Thursday, Sept. 30 cars driven by Leo W. Andrews, of Ithaca, and Helen J. Kolakowski, of Perrinton, collided at the intersection of US 27 and Maple Rapids Rd. The Kolakowski vehicle drove through the

southbound intersection, stopped, in the medium, then backed "across" the southbound lanes when the auto was struck.

Kolakowski was cited for failure to yield the right of way.

Thursday, Sept. 30 at 7:10 a.m. Patrick Salisbury, a bicyclist, of 7386 Loomis Rd., in St. Johns was struck by an unknown vehicle as he approached the intersection of Taft and DeWitt Roads. The rider was injured, and visibility was listed as foggy.

Thursday, Sept. 30 at 5:50 a.m. cars driven by Curt J. Weber, of Fowler, Thomas J. Russell, of Pewamo, and Charles J. Sillman, of Dexter Trail, in St. Johns collided on M-21 as they were travelling west. Conditions were listed as foggy.

SOMETHING UNUSUAL? Who ever heard of a dog mothering three orphaned kittens? Sibyl Joslyn of Jossyn Kennels did. About two weeks ago their prize Lhasa Apso, April began to feed the three kittens. Mrs. Joslyn said that the barn cat (mother of the kittens) disappeared and April took the kittens in along with her own two puppies. The Joslyns for about a week fed the kittens milk with eye droppers, but then April took over as the kittens mother. "I've never seen a dog do that before," Mrs. Joslyn said. "They've always played together, but usually dogs are very protective of their own." Sunshine, another Lhasa Apso, cleans the other two kittens that the Joslyns continue to feed by hand. The Joslyns have been raising dogs for 11 years, and have been raising Lhasa Apso's for two. Mrs. Joslyn added that in a few weeks the kittens will be looking for new homes.

States with no restrictions on studded tires are: Alabama, Colorado, Georgia, Kentucky, New Hampshire, New Mexico, North Carolina, South Carolina, South Dakota, Tennessee, Texas, Vermont and Wyoming.

The Canadian provinces of Alberta and Saskatchewan, plus the Northwest and Yukon territories, have no studded tire restrictions. British Columbia and Manitoba allow studs from Oct. 1 - April 30; New Brunswick, Oct. 15 - April 15; Nova Scotia, Oct. 15 - April 15; Newfoundland, Nov. 1 - April 30, and Prince Edward Island, Oct. 1 - May 31.

The province of Quebec allows studded tires on vehicles weighing under 5,000 pounds from Oct. 15 - April 15. They are banned on vehicles weighing more than 5,000 pounds, including buses and trucks.

Back Through the Years

From the Clinton County News Files of 1936, 1946, 1956, & 1966

Personality Profile

this week:

John Hannah

From printer's devil, to printer, to publisher, to mayor, to city commissioner, varied jobs for a man of many talents. John Hannah is such a man.

Politics and newspaper work has been Hannah's life for as long as he can remember. Two jobs similar, yet as different as a first and last name.

Born in Cheboygan he moved to Munising with his family where he later became mayor of the town for six years, from 1936 to 1942.

After serving as the town's mayor, (an elected position by the people) he filled an unexpired term as Probate Judge. This was an appointment made by the governor.

Upon fulfilling his obligation to that office, Hannah felt the need to branch out. He decided to run his own newspaper for three years in Alger County.

From the Upper Peninsula, Hannah traveled to Nebraska, Wayne, Lapeer and then to St. Johns. In each place he lived, he was mechanical superintendent of the newspaper.

Hannah moved to St. Johns in 1957. In 1968 he got the "political itch" again, ran for city commissioner and has held that post ever since.

He has been on the St. Johns city commission the longest of anyone presently serving on the commission.

In this years as a politician, Hannah finds that there have been no great differences or changes. Some places just do things a little differently. He noted that in Munising the people at large elect the Mayor of their town, while in St. Johns the mayor is appointed from the city commission.

"I've always been interested in city government," Hannah said. "I guess you could say that it goes back to my father who was county clerk in Alger County for 18 years." Hannah claims that is where he got his background in politics and government.

"Being retired now gives me a lot of time to devote to the commission and the city," Hannah said. "It gives me something to do."

One month prior to his retirement Hannah had put 50 years in as a newspaper person. He started in the business when he was in 9th grade back in 1920.

"I remember I had to stand on a box to feed the press then," the civic leader said with a smile.

Hannah retired from the Clinton County News in 1970.

Besides the city commission Hannah keeps himself busy with many other projects and activities. One of them is the St. Johns Men's Art Club. The Hannah home has many paintings and pen and ink sketches of various places he has been. "I haven't done much this year, though," he said.

John and his wife Hattie have a cottage in Mackinaw City and also spend a few weeks in Florida every year.

Hannah remembers that when he goes back to Munising, especially on the Fourth of July he can meet many of his old friends just by standing on the corner for a few minutes.

The couple also does work for the hospital as messengers. They bring blood samples to medical labs in Lansing and to the Red Cross blood banks. "We work five days a week for two hours each day," he said. He added that occasionally they are called out at night to go to the blood bank. "We've been at it about five years," he said.

"I feel I'm doing something for somebody," Hannah commented.

He also noted that since he has retired he is busier than when he was working full-time. "or at least I have a wider variation of jobs," he said with a grin.

Hattie and John have three sons and one daughter; eight grandchildren, and one great-grandson.

They are members of the Congregational Church.

Hannah has been a member of the Rotary and Lions Clubs. Prior to coming to St. Johns he served as president of both organizations.

To belong, and to be a part of a community, John Hannah does this the only way he knows how...to get involved.

Teachers respond

EDITOR'S NOTE - The following was provided by the St. Johns Education Association in response to an editorial in the Sept. 22 issue concerning school negotiations:

"Teachers are important. They provide a valuable community service and think children are important. While most of us can agree that this statement is true, it becomes difficult to remember when the time comes to negotiate a teacher's contract.

"Teachers are employees. They have no power to set their own fees, but must negotiate their salaries through a legal process established by the State of Michigan.

Although teachers, like other professions which require significant amounts of training, choose their occupation for many personal reasons; in the end they have the right to be paid a fair wage for that service. Teaching is not a voluntary process. It is carried on by people who are economically responsible adults who must purchase goods and services like every other person in the community. Teachers are not able, nor should they be expected to subsidize educational programs by accepting a smaller increase than that which is common in the general society.

This process of negotiations has been particularly difficult in the past few years as Michigan allows a semblance of negotiations but requires nothing from boards of education but talk. This is true even in situations such as the one in St. Johns where negotiations were delayed because of the arrival of a new superintendent.

The State of Michigan has made negotiations the law of the state. The essence of negotiations is the allocation of money. Unless all parties are willing to accept the possibility of changes in allocation, there is no real negotiation.

Yes, teachers are important. We work hard and we care. For that we believe we should receive salary changes which are reasonable. We would appreciate the opportunity to discuss this with any member of the community who expresses interest."

Letters to the editor

Says Carter stirring up "old stink"

Dear Sir,
 I read the Almanack in the Clinton County News that Richard Milliman had in (Subtlety or the, Sledge-Sept. 22).

What Jimmy Carter had to say about President Ford is stirring up old stink that I don't think he could help or had anything to do with.

What would Jimmy Carter have done if he would have been in President Ford's shoes?

I wonder if Jimmy Carter doesn't remember what Mr. FDR had done and is going by some ever since? That would fill a full page.

Where was Mr. FDR at the time of the Pearl Harbor attack? On a trip. He should have been in Washington.

That was all planned for six months ahead of time. That is what they said on the radio awhile back.

Mr. FDR gave it to the people with his right hand and took it back with his right and left.

If Jimmy Carter doesn't remember he should go and look up his records and take them home and put them on the mirror in the bathroom.

When a man wants to run for president or any other office, they should not have to campaign at all. If they kept their trap shut and said nothing about the other fellow, the people would think a lot more of them.

If Jimmy Carter and his

helpers want to live those days over again, they are welcome to it.

He can also put his money where his mouth is in more ways than one.

Yours truly,
 Miss Ceallia Thelen
 Fowler

St. Johns water users are now getting chlorinated water. City Manager Ken Greer said the start-up of the water treatment plant is going normally, which is slow. This is because of the tremendous amount of electrical circuits that must work in harmony. Lots of fuses have been blown, but slowly technicians are getting everything in the proper sequence.

St. Johns police have "90 per cent of the work done" in their investigation of the Sept. 24 stabbing of Willis Mygrants as he worked at the Cligo gas station. Police Chief Everett Glazier said the local police, headed up by officer Russ Doty's investigations, have solid evidence as to the identity of the two stabbers who also took about \$85 from the station cash register.

Ford adapts the Carter halo tactic

Who won the first of the great debates? Take your own choice, and you're just as correct as anyone else.

Mr. Ford's backers were reinforced in their views, and Mr. Carter's backers were reinforced in their views, and the great mass of undecided stayed that way...or so it seems to me.

So anyone who claims that Mr. Ford won, or Mr. Carter won, or that it was a draw, is probably correct. I'm certainly not going to argue.

It appears, however, that Mr. Carter in a subtle way has launched a new type of campaigning technique--the benign assurance.

Mr. Carter has told many audiences that he will never lie to them. Lately he was quoted as telling another audience that he will never raise the taxes paid by anyone who works for a living -- which is quite a trick, if he can get away with it; at least, it sounds good, even if it is impossible.

The campaign technique is an interesting one -- adjust your halo, promise a high-sounding intangible, and hope you can deliver.

The Ford camp apparently is catching on, and is adapting the Carter promise technique to its own purposes.

For example, Mr. Ford was on the semi-carpet the other day about his choice of golfing partners. The media reported

that lobbyists for United States Steel Corp., and Ford Motor Co., were among Mr. Ford's regular golfing buddies, and paid for some outings while Mr. Ford was a Congressman. They even continue to talk business while playing golf now that Mr. Ford is President.

The propriety of these relationships has been called into question, but apparently Mr. Ford's staff -- at any rate -- is not too concerned.

Explained Ron Nessen, the presidential press secretary:

"If the President thought there was anything wrong, he wouldn't have done it."

That's the sort of attitude that conceivably could out-Carter Mr. Carter.

So fellow citizens, the White House will be in good hands, no matter who comes out ahead on Nov. 2. It could be the guy who will never lie to us, or it could be the guy who won't do anything he thinks is wrong. How can we lose?

+++++

Moving right along, with these randomeque notes...

I see by the papers that Daniel Moynihan, who won the Democratic nomination for U.S. Senator in New York, pulled rather heavily in both Irish and Jewish sections of the state.

That explains the logic, then, of one of Mr. Moynihan's campaign fund-raising techniques -- a \$100-a-plate "Irish breakfast" which featured green bagels...

Members of Congress, federal judges and top level employees of the executive branch of the federal government will not get a 5-percent cost of living pay raise, which was trimmed from the annual military and civil service pay bill. State and local governmental units, please note and copy...

Past fiscal gimmickry has caught up with Michigan budget makers, and the cost is going to be rather high. Standard & Poor's, a national bond rating firm, has dropped Michigan's bond rating from the gilt-edged triple-A rating to the more expensive double-A rating, meaning state and local governments will pay more interest when floating bond issues. Part of the reason were such tactics as collecting 13 months of business tax revenue in 12 months, extending the fiscal year-end from June 30 to Sept. 30, and establishing a one-time 21-month fiscal year. Each device helped balance the state budget at the time, but eventually the piper must be paid...and paid...and paid...and paid...

The Teamsters Union announced it will poll its 2.3 million members to determine which presidential candidate, if any, to endorse. That's a switch. Head Teamster Frank Fitzsimmons explained that in past elections, "sentiment of members was sufficiently clear to justify Teamster endorsement" without a poll. Well, if Mr. Fitzsimmons says so, it must be true. Which also means it must really be a close election this year.

Dear Editor,
TO WHOM IT MAY CONCERN FOR WHAT IT'S WORTH,

The community of St. Johns is a limited area concerning recreation, especially for the young people. Perhaps no one has ever heard of the boredom expressed by them or perhaps parents have never seen their children "buzzin" Main street or driving to local bars for something to do. What happens when we no longer have athletic events, plays, dances, special programs, etc., offered as part of the school's function? What happens when Mom and Dad wake up some morning to discover the schools of our community are closed and the children are on their own? Why, of course, we'll all be delighted! We love our children and want them with us always. We are fully qualified to teach them everything they need to know--we all realize that the school is overstepping the boundaries of the family unit anyway. Our children are expected to know things we never knew existed and they receive far too many luxuries--we were expected to walk five miles to school; now, the bus stops right at the door! Our children are getting "soft;" What was good enough for us is definitely good enough for them! After all, if there are more cars and more accidents today, it's certainly because people are careless and has no correlation to the fact that there are more and more people and things occupying a limited space.

However, the crux of the negotiations in our community lies in the fact that the teachers are demanding more money--the nerve of them! We really must protest this course of action. Hopefully, the St. Johns School Board realizes the teachers are in the wrong, as usual. They are demanding exorbitant increases, we all know prices of gasoline, food, clothing and housing (the luxuries of life) haven't increased. Furthermore, teachers work only nine months, six hours a day and have their summers to lie in the sun. The "extra-

curricular" affairs of any school are certainly always open without any planning or supervision on the teachers' parts. And naturally, the homework our children do every night is graded by the good fairy!

The expertise of the teacher comes naturally (as we all know) and requires no updating or effort or FINANCIAL OUTLAY. (Universities never increase their tuition...) And certainly it's public knowledge that just because the business world manages to provide at least a token increase to employees to combat inflation, there's absolutely no reason why the teachers can't live the same on last year's salary.

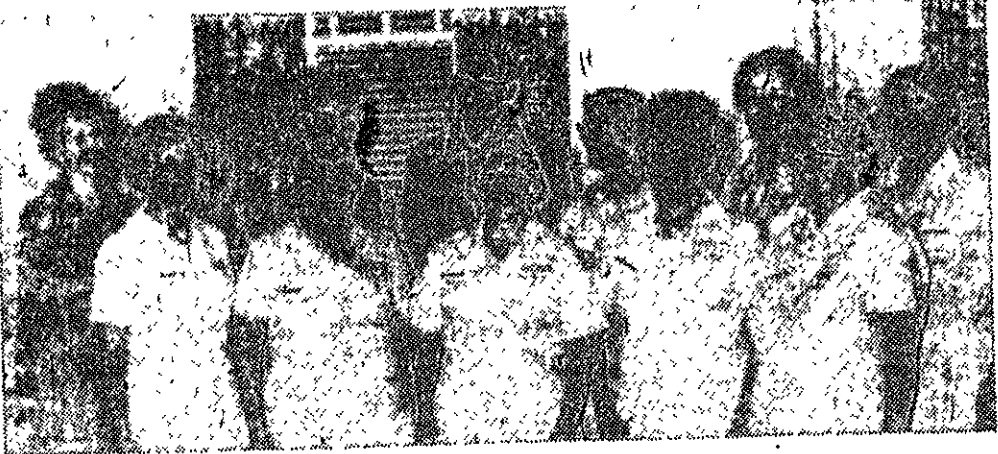

We understand, too, that insurance has been considered a problem. Why not change carriers? All insurance policies provide the same coverage, don't they? That phrase we hear, "pre-existing condition," is just insurance terminology that doesn't really mean anything. By all means, if you (the Board) can save dollars by changing now, do so. The fact that the teachers don't want to change carriers and the alternative carrier will undoubtedly have a super premium increase within the year shouldn't have any bearing on your deliberation.

As for the possibility of a teachers' strike--humbly! Strikes are illegal and all strikers are wrong, of course, it's different in the case of the Ford workers--they work hard and the job is different. Their product is important to our economy. What do teachers actually produce? Just the society of tomorrow, and since we won't be around too long, who cares?

In summary, we can't begin to comprehend why the teachers are complaining. In fact, they should still be content with a \$1,000-year salary because absolutely nothing has happened since 1920 to justify any increase--technology, knowledge, cost of living and population have all remained statis--WE ALL KNOW THAT!!!! Sincerely yours,
 Mrs. Wm. Butler

Allen blasts campaign bill

Labels Democratic bill 'weak, unbalanced'

MEMBERS OF THE Red Cross who have given dedicated service to the community and who were recently honored with certificates were from left to right, back row: Romaine DeCamp, volunteer service co-ordinator, Paul McNamara, Bernice Rice, Pearl Haight, and Laura Jorae. Front row Roma Hamer, Martha Parks, Margaret Lehnén, Mary Pelham, and Ruth Delo.

THE CLINTON MEMORIAL HOSPITAL UNIT of the American Red Cross has added a new chapter to its history book. They are no longer a segregated group and definitely can no longer be called "Gray Ladies". Maurice Hoffman is the first male to belong to this active volunteer group. Hoffman will be serving at the visitor's desk on Wednesday evenings. He is retired and he and his wife, Bernice, live in the Village Square Senior Citizen Apartments. They are formerly from the Laingsburg area. Bernice also plans to join the Red Cross Volunteers in the near future. Shown with Hoffman is Paul McNamara, hospital administrator, and Ruth Delo, chairman of the Red Cross volunteers.

State Senator Dick Allen of Alma sharply criticized the Senate Democratic majority for ramrodding through the Senate what he termed a weak and unbalanced campaign finance bill. The Democratic-sponsored bill was passed by the Senate last Tuesday. "This bill does not deserve to be called campaign finance reform," Allen said. "It offers the citizens of

Michigan even less public disclosure of campaign funding than the previous law and creates a severe imbalance between the abilities of business and labor to participate in the political process." "Senate Republicans attempted to amend the bill to bring it back up to the level of the previous law," he explained. "Our efforts to correct the glaring deficiencies in the bill went unheeded by the Democratic

majority, however." "This bill permits candidates to accept up to \$100, an amount 8 1/2 times higher than previously sanctioned, without reporting the donor's name and address and up to \$200, or 100 percent higher, without reporting the donor's occupation," he explained. "Our amendments would have tightened the recording and reporting provisions by requiring donors' names and

addresses for contributions over \$15 and occupations for over \$100 as established in the previous law." "Senate Republican pleas for a balance between the rights of business and labor to participate in the political process were also ignored," he said. "This bill prohibits corporations from establishing and administering political action committees, as permitted on the federal level, while granting the very same right to unions, overwhelmingly Democratic supporters," he explained. "In essence, the bill gives the labor union hierarchy a stranglehold over the political process in our state," he charged. "Senate Republican amendments to correct this inequity were flatly rejected by the Democratic majority, he pointed out.

"This bill is a blatant attempt by Democrats to control the political process through the manipulation of traditionally-supportive special interest groups," Senator Allen said. "It provides Michigan citizens with no protection against unscrupulous campaign finance tactics." "Another Senate Republican amendment which would have prohibited the transfer of organization and union funds also met with defeat," he said. "It was designed to assure the public that funds used to support local candidates would come from the very same people the candidate would be representing." "We were also squelched in our efforts to allow organization and union members to specify to which candidate their contribution would be donated," Senator Allen said. "We wanted to prohibit unions and organizations from being able to spend their members' dues on candidates that the member himself may not support." "The Governor has vowed he will veto this bill in its present form," he said. "It is indeed unfortunate that the Democrats are pushing a bill which they know full well will not become a law" "It's time the Democrats recognize that they cannot rob the public of its right to know and exclude business from the political process," he said. "It's time to pass a campaign finance bill that offers meaningful campaign finance reform."

Across the nation

They celebrated Bikecentennial

By Neva Keys
Elsie Correspondent

Here is an unusual Bicentennial trip that Mrs. A. W. Cobb of Elsie has offered to share with our readers. It is an interesting Bike centennial tour across America, taken by her niece, Lisa Eitel who lives with her parents in Greenwood, South Carolina, when not studying at Georgetown University. Lisa's mother is a sister of Mrs. Jean Cobb and has often visited here. Lisa, 21 said biking across the country was something she has wanted to do for a long time. Last year, she heard about a non-profit organization "Bikecentennial" which was organizing a series of Bicentennial tours across America. "Bikecentennial" took care of most of the arrangements (maps, leaders and lodging).

Lisa took a year off from her study of languages to go to work as a clerk at a local convenience store and delivering newspapers to earn the \$700 for the tour. During the summer when business men and vacationers zipped back and forth across the country in a matter of hours, the cyclists began a 4,200-mile trip from Williamsburg, Virginia for an 82-day journey that concluded in Reedsport, Oregon. Lisa's bicycle was a French-made Peugeot 10-speed.

When Lisa and fourteen other members of her Bikecentennial group assembled in Williamsburg for the first leg of their ride, her group called "Gypsy Zonkers" included riders from Texas, Michigan, Pennsylvania, New York, Massachusetts, Virginia, Florida, Illinois and Canada. One girl came from the Netherlands. The riders ranged in age from 18 to 33. Many had taken leaves of absence from their work to make the trip, some just quit their jobs, but all were experienced cyclists.

Prior to the trip, Lisa usually cycled four days weekly, averaging 10 to 11 miles per day. On Sundays she joined the Abbeville Bicycle Club for 20 to 25 mile jaunts and the final Sunday before her trip, she rode 60 miles.

Since the cyclists would make the most repairs of their bicycles themselves, Lisa thoroughly familiarized herself with the mechanics of her bike. She replaced the original gears with lower ones designed for climbing hills and added a different de-railer. She also exchanged lightweight tubular tires for the sturdier clincher models.

Because cyclists could only take as much as they could carry on their own bikes, Lisa had to pack lightly. She carried two pairs of shorts, three shirts, socks, underwear, and cosmetics in one pouch, a sleeping bag and tent tied to her bike rack in the rear, and a camera, film, maps, tools,

and rain cape in a satchel on front.

The Zonkers camped. They cooked their own meals and slept in tents or under the stars, usually at campgrounds. Every week and a half the cyclists stayed in Bike Inns, which were located in school gyms, college dorms, or at local YMCA. Once they slept in a monastery and another time in a bramble patch full of poison ivy and junked cars.

Their first full day on the road, the cyclists started out at 9:30 a.m. and rode nearly 60 miles to Ashland, Va. The next day they made a side trip to Patrick Henry's home in Scotchtown and were given a free tour. Lisa explained that the Bikecentennial schedule was flexible enough so that side trips could be arranged if individual cyclists wanted to visit a particular sight.

The group usually averaged 50 to 60 miles per day. As the trip progressed they also began starting earlier in the morning. Lisa said a typical day began at 6 a.m. While the cooks fixed breakfast, the other cyclists waited to devour it. She added that her group's motto was "you snooze, you lose", so people usually got up quickly. After breakfast, whoever was assigned washing did the dishes and everyone packed their tents, sleeping bags, and packs to be ready for map check.

During the map check, the group leader reviewed the day's route and selected the campsite for the night. His assistant assigned the day's cooking, cleaning and washing chores and then the cyclists were free to go. Because everyone travelled at his own pace, the group rarely ate lunch together.

Between noon and 3 p.m., most of the cyclists would arrive at the campsite and begin pitching their tents. If a grocery store was nearby, the cooks would unload their bikes and purchase food. If a store was not close, the cooks would buy food on the trail and every member would help carry it to camp. At the end of each day, the cyclists checked their nuts and bolts and brakes and made repairs. After supper the group sometimes sat around the campfire and talked or played games. Bedtime was at 10 p.m.

Lisa recalled one night when her sleep was abruptly interrupted by an automatic sprinkling system. The group had camped in a picnic area near some sprinkler heads. But because the head covers appeared to be bolted on and because there was no sign in the area warning them not to camp, they did not worry much about getting soaked, except to pitch their tents a safe distance from the heads.

Because bikers used up most of their energy cycling, they must consume large amounts of food to stay in shape. Lisa said that the group usually went through one large peanut butter jar daily. They also ate spaghetti, rice, stew, tuna,

cottage cheese, yogurt, fruit, lots of ice cream and pizzas.

Their record-breaking achievement, took place in MacDonald's in Eugene, Oregon, when one girl finished nine large hamburgers at one sitting. An employee presented her with a MacDonald's pen for her accomplishment and added that she was "living proof that a human being can be cross-bred with a garbage disposal".

All along their cross-country route, people offered the bikers free, food. One lady in Kentucky was just opening a restaurant and decided to try her menu on the cyclists. They ate a hearty breakfast of eggs, pork chops and honey with biscuits.

In the Virginia coal mining region an old man gave them a huge jar of black berries as well as potatoes and onions in Colorado, they met a family that supplied all Bikecentennial riders with free cookies and iced tea.

If their countrymen had no food to offer, then they offered the cyclists their friendship. One old man at a gas station in a poverty stricken area of Kentucky presented several group members with bicentennial quarters to remember Kentucky by crossing the Mississippi and Ohio Rivers on ferries, eating freshly picked fruit from the side of the road, walking through snow and being eaten by mosquitoes simultaneously, enjoying the Christmas-like smell of fir trees and the sounds of birds and rivers, but it also produced its share of problems.

Lisa said the group was very sunburned the first few weeks and sometimes the trail circled through rather uninteresting countryside. She said when you got bored the thing to do was to peel your nose.

The cyclists dodged coal trucks and potholes in Kentucky, avoided restrooms labeled "For persons in motorized vehicles only" in Dayville, Ore. and battled leaky tents and freshly tarred roads. One day, Lisa's carrier broke as she was charging downhill in tenth gear. Her luggage ripped and twisted in her spokes, requiring extensive repairs.

Another day the group rode 31 miles in 90 degree heat on a gravel road. The bikers also lived with rain and cold and constant fear of flat tires. The record for the trip was 31 flats. Lisa was lucky she only had four.

In spite of the problems, Lisa enjoyed her trip and said her sense of geography had improved a lot and she was fascinated by riding to states she had never been before and meeting the residents. She was surprised to discover desert areas in Oregon and Colorado and trees in Idaho and even more surprised to be routed on a stretch on Interstate 80 in Wyoming.

The cross country tour ended in Reedsport, Ore.

with the bikers pulling into town carrying banners reading "For God, For Country, For Yale-Westward Ho! From Sea to Shining Sea-Spirit of '76." They ate a picnic supper, courtesy of a Reedsport resident.

Before flying home to Greenwood, S.C., Lisa spent several days in San Francisco and Los Angeles. Next year she hopes to tour the New England area on bike and in a later year she's aiming for a bike vacation in Europe.

Florian and Eleanor Simon own Centennial Farm

A farm owned by Florian and Eleanor Simon of Route 1, Pewamo has been designated as a Centennial Farm by the Division of Michigan History.

The farm located in Westphalia Township, Clinton County, has been in the possession of the family since 1847. It was originally purchased Sept. 22, 1847 by Peter Simmons, great grandfather of the present owners, from Ira and Sarah Alger.

The Centennial Farm program was inaugurated in 1948. Since then, more than 3000 Michigan farms have been certified as Centennial farms.

Certificates are provided by the Division of Michigan History. Large metal markers are provided by the Detroit Edison and Consumers Power Companies.

A Centennial Farm is one which has been in the continuous possession of the same family for 100 years or more.

The Michigan History Division considers a farm to be either 10 or more acres having estimated farm product sales of more than \$50 yearly, or less than 10 acres having estimated sales of at least \$250 yearly. A centennial farm comprises only the land and not the

farm buildings, which may be remodeled or even new. Applications for Centennial Farm recognition are obtainable from: Centennial Farm Program, Division of Michigan History, Michigan Department of State, Lansing, Michigan 48918.

Something has to be done about Farm inheritance tax laws.

The future of agriculture is being tampered with by politicians that don't understand the family farm business. Al Cederberg does understand farming and has introduced legislation to stop unfair inheritance taxes that are breaking-up family farms. Government is asking America's oldest institution to change it's ways to serve the Government, when government should serve the farmers. If you're looking for a reason to vote for Al Cederberg, that's just one of them.

The Library Corner

Return books

Do you have any books that don't belong to you?

Go through your book shelves to see if you have any books that belong to the Bement library. The library staff is presently going through all the cards of books not returned from the years 1974 and 1975.

If the library calls you, it means you still have a book that belongs to the public library. Return the books so that others may also enjoy them.

New books at the library are:
 A Day in Billy's Life by Strober.
 Tell it on the Mountain, by Lasky.
 Wednesday the Rabbi Got Wet, by Kemelman.
 Book of Fortune Telling, by Meall.
 National Parks, by Tilden.
 Charlie Brown Series, by Schultz.
 Little Lost Bee, by Kapral.
 Hurber Hippie's World, by Lasher.

Librarian Jean Bartholomew noted the objective this month is to get books back in the library to get them back into circulation. Also check for the library's Halloween display. There are plenty of books on the occult and monsters for the bewitching month of October.

Something's Cooking

(featuring favorite recipes)

with Sue Kiley

Mrs. Connie Stutzman, of 609 N. Morton St. sent in a quick and easy recipe for a dessert or salad. She says she's served it both ways and has received many compliments.

Connie and her husband Morris have four children, and one grandchild. Cindy is 18, married and has a baby boy. Tina is 13, Penny, nine, and Kelli, is five years old.

Besides taking care of three girls at home Mrs. Stutzman helps her husband with his business. Stutzman works out of St. Louis as a Mobil Home toter. Mrs. Stutzman helps out with the books.

Her three main interests are her home, family, and plants. She claimed that at one time her living room looked like a jungle, it had so many plants in it. "I tried so hard to kill this one plant that just wouldn't stop growing." Mrs. Stutzman said. "It kept growing though, until we had to string wires to the ceiling to keep it from falling all over the floor."

The Stutzman's moved to St. Johns about two years ago. "I enjoy cooking," Connie commented, "Because it pleases my family."

Also a favorite at the Stutzman home is pot roast. Five-year old Kelli told her mom one evening after dinner, "You're cooking is the bestest, mommie." Another member of the family is a very "loveable" cat named "Tiger."

Connie Stutzman

Here is Connie Stutzman's easy dessert or salad:

- one box of dry jello
- one can of fruit cocktail (drained)
- one bowl of cool whip

Combine the ingredients and serve. You can make it ahead of time or just before you want to use it.

Births

A girl, Debra Sue, was born to Mr. and Mrs. Stanley Klein of Route 2, Fowler, Sept. 26, at Clinton Memorial Hospital. She weighed 6 lbs. 1 1/2 oz. The baby has 4 sisters. Grandmother is Mrs. Louise Schafer. The mother is the former Theresa Schafer.

A girl, Courtney Jane, was born to Mr. and Mrs. Gary McCampbell of 107 E. Baldwin, St. Johns, Sept. 24, at Clinton Memorial Hospital. She weighed 7 lbs. 14 1/2 oz. The baby has two brothers. Grandparents are Ruth McCampbell and Mr. and Mrs. James MacRae.

Kendra Knight, Robert Padgett wed in evening ceremony

Kendra Jeanne Knight and Robert Marvin Padgett were united in marriage July 31 at 6:30 p.m. during a candlelight ceremony by the Rev. Brian K. Sheen, at the First United Methodist Church of St. Johns.

The bride was escorted down the aisle on the arm of her father to the double ring ceremony. The altar was decorated with white daisies, pink roses and baby's breath.

Parents of the couple are Douglas and Jane Knight, of 6521 W. Walker Rd., St. Johns and Raymond and Lois Padgett, of 827 Autumn Lane in Lansing.

"Walk Hand in Hand," "The Lord's Prayer," and "Annie's Song," were sung by the brides sister, Karen Knight. Organist was Kris Shafley.

The brides dress was a gown of Sata-Peau over taffeta with a scooped neckline and empire waist. It featured caplet sleeves and a flounce ruffle bottom with a Cathedral train. The gown was trimmed with Venice lace on the bodice and skirt front. Her veil was a fingertip mantilla with a Camelot headpiece trimmed with pearls and Venice lace.

The bride carried a colonial bouquet of white daisies, pink roses, stephanotis and baby's breath.

Karen Knight was maid of honor for her sister. Bridesmaids were Karen Murton, friend of the bride

and Diane Knight, a cousin of the bride, all from St. Johns. Kimberly Padgett, niece of the groom served as flower girl and Michael Knight a cousin of the bride, was ring bearer.

The attendants gowns

were summer floral prints made of jersey material with caplet sleeves and empire waists featuring a belt that tied in the back. The print was in shades of blue, peach, and green. They wore picture hats of blue with

peach daisies and a bow in the back. They carried Colonial bouquets of Peach daisies and babies breath.

Best man for his brother was David Padgett. Groomsmen were Chuck Childrey, and Jeff Clonr, both friends of the groom. Ushers were Kyle Knight, Steven Padgett, Jay Anthes, and Blake Anthes. Acolytes for the wedding service were Rick and Russ Padgett, brothers of the groom.

The bride's mother wore a pink knit floor-length dress and the groom's mother wore a flowered voile floor-length gown. Both mothers wore corsages of white Phalaenopsis orchids.

A reception for 350 people was held following the wedding at the V.F.W. Hall in St. Johns.

The guest book was attended by Polly Bunce; punch was served by Mary Sehke coffee by Shirley Williams; and the cake was cut by Leisa Bissel and Kris Shafley. The dinner was served by friends of the bride's family, Mr. and Mrs. Walter Pierce and family. Special guests at the wedding were Mrs. Alex Rush, grandmother of the bride; Mr. and Mrs. Warren Wager, and Mr. and Mrs. Oliver Knight, grandparents of the bride.

The couple took a wedding trip to Niagara Falls, Washington D.C. and Kings Island, Ohio.

Hosts for the wedding were Mr. and Mrs. James Padgett, and Mr. and Mrs. Allen Anthes.

Music was provided for the reception by Crystal Max, of Lansing.

The bride is a 1975 graduate of St. Johns High School. The groom is a 1973 graduate of Eastern High School in Lansing, and is presently attending Lansing Community College.

The couple is making their home at 737 Louise Apt. 55 in Lansing.

Mr. and Mrs. Robert Padgett

Births

A boy, James Lee Kelley was born to Mr. and Mrs. Alan R. Kelley, Ovid of 124 W. Pearl St., Sept 29, at Clinton Memorial Hospital. He weighed 8 lbs. 4 1/2 ozs. The baby has one brother and one sister. Grandparents are Mrs. Margery Roy of St. Johns and Mr. and Mrs. Donald Kelley of Elsie. The mother is the former Margery L. Roy.

A boy, Ronald Gene II, was born to Mr. and Mrs. Ronald Gene Antis of Rt. 4, St. Johns, Sept. 30, at Clinton Memorial Hospital. He weighed 7 lbs. 11 1/4 ozs. The baby has three sisters. Grandparents are Mr. and Mrs. Edsall Robinson of Garden and Mr. and Mrs. R.G. Antes of St. Johns. The mother is the former Rosalyn Robinson.

Diane Hayner becomes September bride

Diane Lynn Hayner, and Dennis William Powelson were united in marriage Sept. 18 at the Pilgrim United Methodist Church in St. Johns at 7:30 p.m. Rev. Brian Sheen performed the double ring ceremony. The bride was escorted down the aisle by her parents.

Parents of the couple are Mr. and Mrs. William Hayner, of 2265 Parks Rd., St. Johns, and Mr. and Mrs. William Powelson, of McClelland Rd. Ashely.

The wedding was performed before an altar of colored fall dried flowers arranged by Mrs. Alice Fenner. Organist was Mrs. Howard William, a flute duet was performed by Becky and Debbie Farmer, and soloist was Brenda Myers.

The bride made her wedding gown designing it with old fashion pleats in the front and back with wide cuff. Wide lace trimmed the sleeves and the cuffs with Daisy Iler lining. The dress also featured lace on the yoke and square neckline. She wore a cross given to her by her twin sister. Looped buttons accented the back and sleeves of the white sunny crepe gown.

The veil was the bride's borrowed article from her twin sister's wedding.

It was a full length veil trimmed with Daisy lace cut at chapel length in the front and tapering down in the back.

The bouquet was white with flowers to match the bridesmaids dresses. The bouquet was trimmed with baby's breath and white ribbon.

Matron of honor was the bride's twin sister, Debbie Kirchen, of DeWitt. Attendants were Carol Hayner, DeWitt, friend of the bride, Haila Hayner, Lansing, sister-in-law of the bride, Roberta Myers, DeWitt, friend of the bride, and Tracy O'Brien, East Tawas, roommate of the bride.

Maier, Kelly exchange mid-summer vows

Mr. and Mrs. James Kelly

Barbara Kay Maier, became the bride of James Howard Kelly, July 16, at 6:30 p.m. in St. Joseph Catholic Church before an altar of pink glads and white carnations.

The bride was given in marriage by her parents. Rev. Fr. William Hankerd officiated at the double ring ceremony.

Mrs. Matilda Smith played the organ for the service. Mrs. Carol DuGay, sang the "Ave Maria" while Ann Holm played the guitar for the "Wedding Song," "Sunrise, Sunset," and "Day By Day."

Parents of the couple are Mr. and Mrs. Clare Maier, of

504 E. Higham and Mr. and Mrs. Paul Kelly Jr., of Owosso.

The bride's floor length gown was made of white silk organza with a bustle effect in back. The dress featured long bishop sleeves, lace inserts in the sleeves and front of the dress, and ruffles on the bottom of the sleeves and dress accented her ensemble.

She wore a finger tip veil with matching lace and a Juliet Cap.

The bride carried a bouquet of white carnations, and pink sweetheart roses, atop a white prayer book carried by the bride's mother at her wedding.

Maid of honor for her sister was Cindy Maier. Bridesmaids were Marti Maier, sister-in-law of the bride; Patty Decatrel, sister of the groom; and Karen Maier, sister of the bride.

The attendants wore mint green dotted swiss dresses with square necks trimmed with white lace. The gowns featured high waists, with a wide ruffle at the bottom. They carried baskets with pink daisies, white and pink carnations, and pink rosebuds. They wore pink rosebuds, baby's breath and white ribbons in their hair.

Mike Kelly was the best man for his brother. Terry Maier, brother of the bride, Dave Kelly, cousin of the groom and Tim Maier, brother of the bride served as groomsmen. Ushers were Tom Maier, brother of the bride, and Pat Kelly, cousin of the groom.

Immediately following the ceremony a reception for 350 guests was held at the St. Joseph School Gym. The couple and wedding party rode through town in a 1922 LaFrance firetruck before attending the reception.

Those serving at the reception were: Mr. and Mrs. Jim Kelly; Mr. and Mrs. Keith Rosekrans; as co-host and hostesses; Jan Maier, and Jackie Kelly cut the cake; Shelly Maier and Debbie Kelly, attended the

guest book; and friends of the bride and groom opened the gifts and served the meal.

Special guests were Mrs. Rosina Parish, the bride's grandmother, and Fordyce Bacon, the groom's grandfather.

The couple took a wedding trip to Mackinaw Island and the Upper Peninsula.

The bride graduated from St. Johns High School in 1971 and the groom from Owosso High School also in 1971.

The couple is making their home at D-1 East Campus Apartments in Big Rapids where they are both seniors in the School of Pharmacy at Ferris State college.

GLORIA HALLENBECK, vice-president, and Marilyn McQueen, president of Meals on Wheels go over the coming years activities for the program. This volunteer program is in its third year of operation and is sponsored by the Hospital Auxiliary. From January to July of 1976, 2,267 meals have been delivered. There are 51 volunteers plus the hospital kitchen staff. A meeting for carriers and collectors will be held Oct. 20 at 9:30 a.m. in the hospital cafeteria.

Connie Prochazka weds H. McBride

Connie Jo Prochazka and Harold M. McBride exchanged wedding vows Sept. 11 at Crystal Lake Park. Rev. Paul Ryoo performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Bernard Weber, of Fowler and Robert Prochazka of Lansing. The groom is the son of Mrs. Virginia McBride and the late Dr. B.M. McBride, of Crystal.

The bride was given in marriage by her step-father.

For her wedding the bride chose a Victorian styled gown of organza over taffeta. The bodice was made of Cluny lace panels, featuring an empire waist, A-line skirt with lace panels and a Cathedral train. The dress also featured bishop sleeves and lace cuffs with a matching mantilla on the camelot headpiece.

She carried a cascade bouquet of yellow sweetheart roses and white and bronze pom poms mums.

Matron of honor was Debbie Weber, sister of the bride from Fowler. She wore a rust polyester floor length gown with matching cape and an Ivory hat with brown ribbon with long streamers and yellow sweetheart roses to match a hand bouquet of three yellow sweetheart roses and baby's breath. The other attendants were Denise Menovske, and Martha Cunningham. They both wore similar gowns of fall colors.

Best man was Fred Cunningham brother in law of the groom from Lakéview. Also attending the groom were Randy Coe, of South Lyon, and Paul Nickoson, of Crystal. The ushers were Larry and Dale Prochazka of St. Johns, brothers of the bride.

Music for the wedding was provided by a local group called, "Me and My Friends."

The brides mother chose a flowered light blue floor length polyester gown with cape sleeves. The grooms mother wore a blue floor length skirt with a white polyester blouse and matching jacket.

The corsages for the mothers were made of orange sweetheart roses.

A reception for 150 people was held at the K of C in Carson City. Special guests were the grandparents of the bride, Mr. and Mrs. Eugene Hill of St. Johns and Mrs. Bertha Weber of Fowler.

After a short honeymoon at Lincoln Lake the couple will reside in Colorado.

Mr. and Mrs. George Thelen will celebrate their 25th wedding anniversary Sunday, Oct. 17 with a mass at 10 a.m. at St. Mary's Church in Westphalia. An open house will be at St. Mary's Hall from 2-5 p.m. Friends and relatives are invited.

Butterflies under glass, anyone?

Each month the works of a different artist are on display in the Turf Room downstairs at Ledge Craft Lane, downtown Grand Ledge.

This month's featured artist is Eleanor Welton of Lansing. Mrs. Welton works in oils and particularly favors Michigan landscapes. Especially well done is her "four seasons collection" depicting Michigan's countryside in spring, summer, fall and winter.

Mrs. Welton also paints miniature landscapes. If you would like to save some memories of the beautiful summer weather we just experienced - why not choose one of Crystal Williams butterfly arrangements. Crystal preserves these bright colored insects and places them amongst dried flowers in lovely glass containers. You will find them in the Flower Still, upstairs.

Visit Ledge Craft Lane, Ltd., downtown Grand Ledge. You will be glad you did. Open Wednesday thru Saturday 11 a.m. to 5 p.m., Friday night till 9 p.m.

5.6 million 4-H members will be challenged to broaden their interests and concern for others during National 4-H Week, Oct. 3-9, 1976.

Redwings win over Hemlock

BY HAROLD SCHMALTZ
SPORTS EDITOR

HEMLOCK--The St. Johns Redwings "red machine" continued to dominate their opponents by scoring in each of four quarters Friday night to whip MMB foe Hemlock, 24-14.

Although extra point attempts failed on each touchdown scored, the consistency and "Headups football tactics" showed by the Redwings earned them the victory.

Coach Joe Gonzales in assessing the Redwings' third win commented, "We are very happy to be 3-0. Hemlock was a very fine team with a very competitive attitude."

Looking ahead to Friday night's matchup with Swan Valley, also 3-0 in the league, Gonzales had these views: "St. Johns now jumps right into the fire against Saginaw Swan Valley. They are rated number 5 in the AP poll for class B and are rated number 6 in the UPI poll." He continued, "They have scored 70 plus points and have allowed only one

touchdown. They are super big with a backfield averaging over 200 pounds."

Concluding his remarks, he said, "The Redwings will have to play very good football to win this important game. Both schools are undefeated in the entire football program including varsity, jayvees and freshman."

Getting into the action of Friday night's win at Hemlock, the Huskies scored first on a 66-yard run by Bob Fiting with the 2-point conversion being made good by Wayne House. The Hemlock touchdown was the first play of the game requiring just 10 seconds for Hemlock to lead, 8-0.

St. Johns bounced back with 4:35 left in the first quarter to score their 1st marker of the night on a 3-yard run by Scott Mailand. The TD which required 5 plays took 2 minutes 17 seconds to reach the scoreboard. The touchdown was set up on a fumble recovery by Jerry Bashore.

The Redwings took a 12-8 lead with only 45 seconds left in the half on Mark Geller's 45-yard run for paydirt. As in the case of the other 3 TDs scored by St. Johns, all attempts at the extra points failed.

Coming back into action after halftime, the Redwings finally put together a combination of plays that enabled Steve Keilen to break away for a 68 yard spring for another Redwing score with only 1:17 showing in the 3rd period.

Joe Vukovich of Hemlock scored his team's last touchdown on a 10-yard pass from teammate Bob Fiting with 11:09 left in the final frame to come within 4 points of the Redwing lead. But 4 minutes later Jerry Bashore put the game away on a 1-yard run which was the culmination of 10 plays and 54 yards; to give the Redwings their margin of victory. The key play which set up the final TD for the Redwings was a pass from Scott Mailand to Jeff Cox for 34 yards.

First downs were fairly even for both teams with Hemlock taking the edge of 11 to St. Johns' 10.

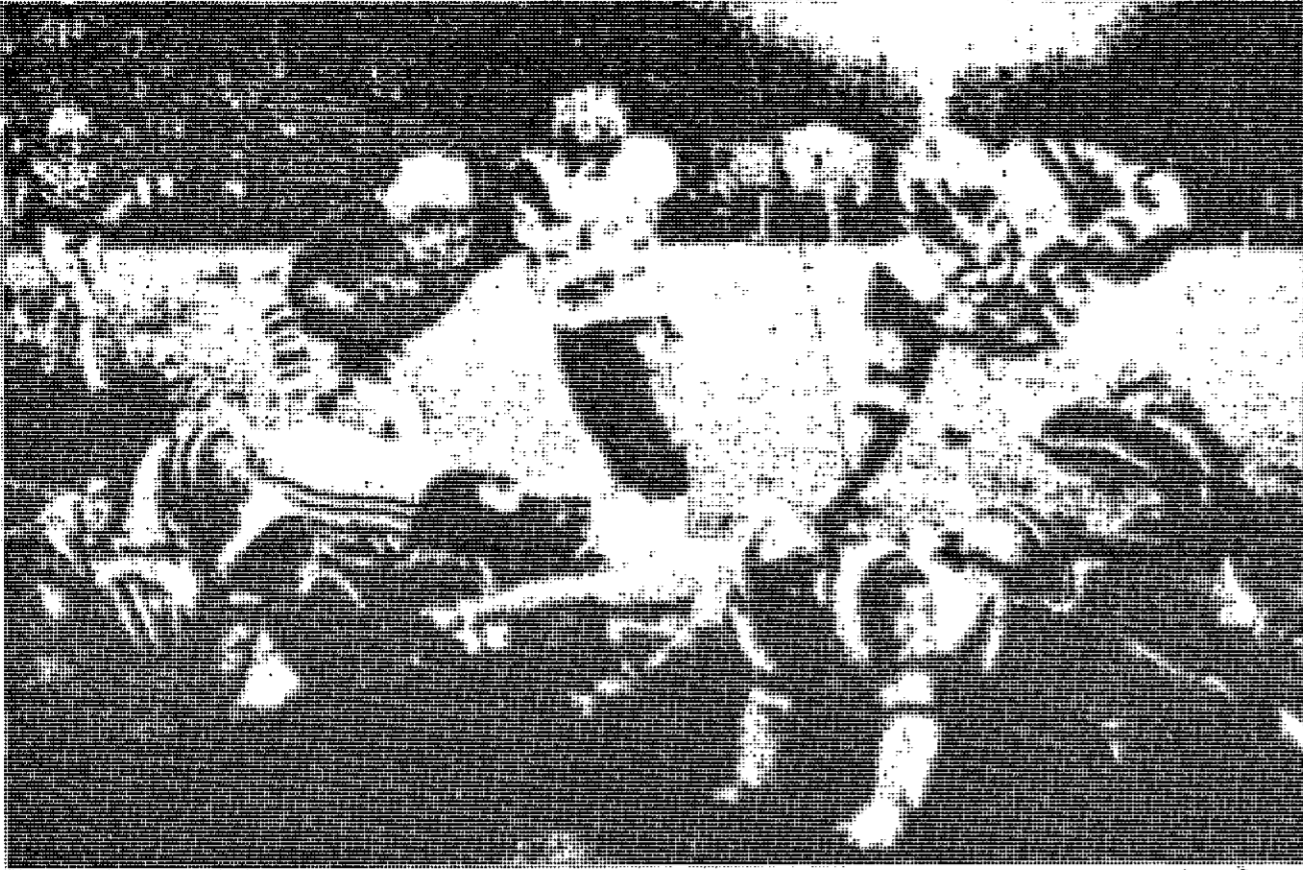

Hemlock outrushed the Redwings 297 yards to 204 while the "birds" used the air in getting 59 yards to the Huskies' 10.

In the passing department, the Redwings completed 2 of 6 attempts while the Huskies completed 1 for 6.

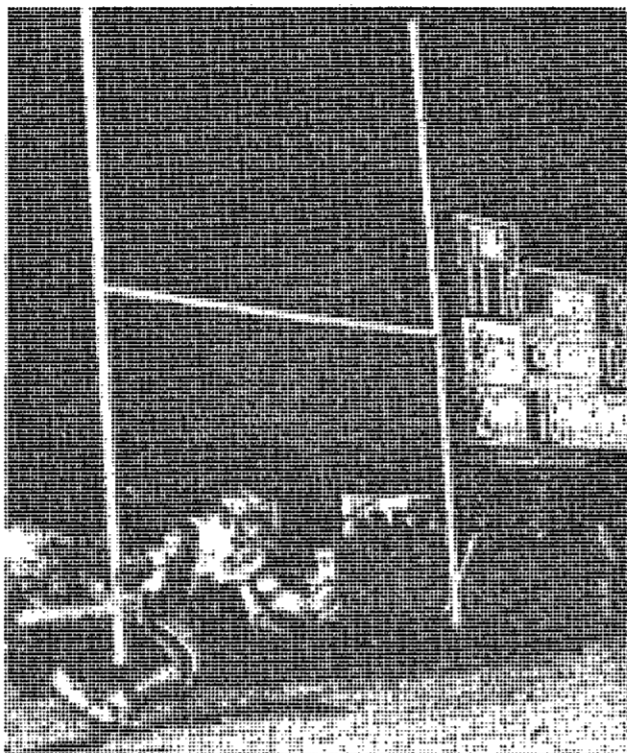

St. Johns fumbled once, recovering their miscue while Hemlock fumbled 5 times, losing 4 of them to Redwings.

Bashore was the leading ground gainer for St. Johns with 108 yards in 23 carries while Geller carried 8 times for 61 yards. Randy Peltier carried 4 times for 38 while Cox gained his 34 yards from the Mailand pass.

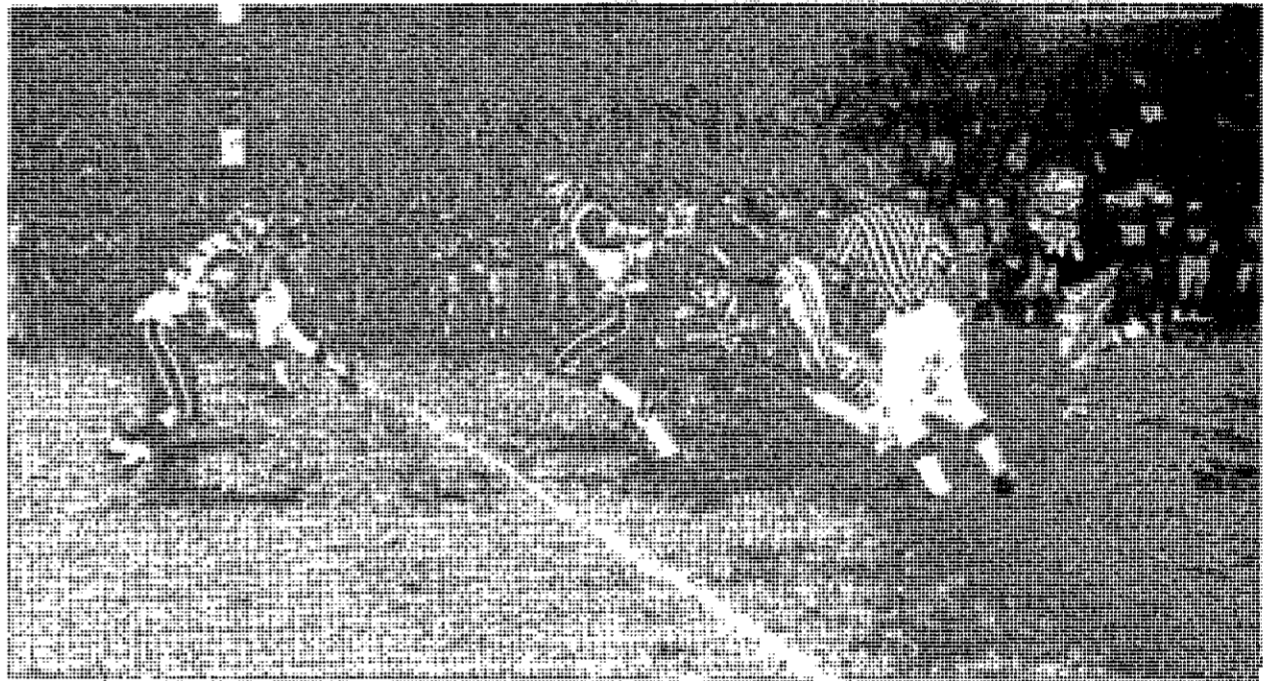

Top rusher for Hemlock was Tim Woolever with 147 yards with Bob Fiting carrying 9 times for 73 yards.

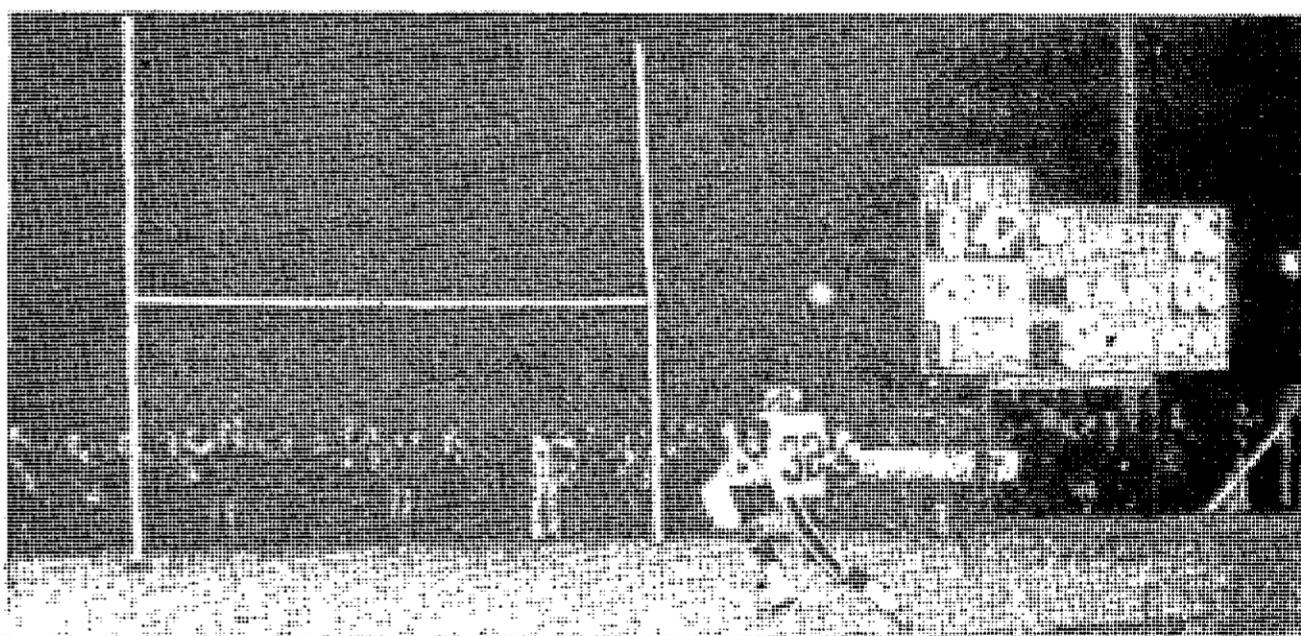

JERRY BASHORE sweeps around his blockers to gain additional ground for the Redwings in their MMB victory Friday night over Hemlock, 24-14. Bashore ran successfully in this manner all evening long to complete total yards rushing of 108 yards in 23 carries.

THIS REDWING DEFENDER stands in the way of a pass headed for a Huskie from Hemlock. Outstretched hands to the left indicate the pass on its way was short of its intended mark. St. Johns marched on to victory to keep their number one spot in the MMB conference.

TWO HEMLOCK HUSKIES grapple for a Redwing as he tries for yardage the referees close in on the action. St. Johns piled up a total of 204 yards on the ground in this style of aggressive offense. Hemlock in losing to the Redwings did, however, outgain the "birds" in rushing, grinding out 297 yards on the turf.

REDWING MARK GELLER, senior halfback, breaks away on his 45-yard run at 47 seconds showing on the clock in the 2nd quarter. St. Johns left the field at halftime with a 12-8 lead. The touchdown by Geller required 4 plays covering 62 yards in 1 minute and 45 seconds.

In field of 17 schools

Humphrey's Redwings take third

ALMA--The golfing Redwings of St. Johns High, under directorship of Mike Humphrey, took a third place in the annual Alma Panther Classic tournament held last Saturday.

Competing against 17 other schools throughout the state, the Redwings scored a 410 third to first place Ludington whose team shot a 400 and second place Alma shooting a 405.

The next best score was a

414 by Midland Dow. Oscoda shot a 420 while Pewamo-Westphalia tied for 6th with Ogemaw Hgts. at West Branch both shooting 425s. Ithaca and Chesaning finished at the bottom of the heap with 474 and 481, respectively. Seven other schools spaced their scores between 426 and 466.

Leading Redwing golfers were John Bond and John Watkins who each shot 79s while Jim Dedyne scored an

80. Larry Larsen shot an 83 and Lauren Larsen had an 85 for his unofficial contribution to the day's event.

In earlier action at the Cadillac Golf Course Friday,

St. Johns trimmed the Cadillac golfers 401-416. John Watkins paced the Redwing effort with a 78 while Jim Dedyne shot a 78. Lauren Larsen, John Bond and Larry Larsen each shot 80, 82, and 85, respectively.

P-W outguns Fowler

BY HAROLD SCHMALTZ
SPORTS EDITOR

PEWAMO-WESTPHALIA—The Pirates of Pewamo-Westphalia showed the Fowler Eagles that they are a foe to reckon with in the race for supremacy in the CMAC by downing them Friday night, 24-16.

P-W fought a powerful ground game against the Eagles, piling up 264 yards on the turf with no yardage thru the air. Fowler countered with a lesser ground game with 81 yds. but did well through the air with 178 yds., connecting on 15 passes in 25 attempts. The Pirates drew first blood in the opening frame

on a 17 yard run by Gary Schafer. Duane Weber made the two-points after touchdown. The Eagles came back in the second frame and countered with a TD of their own, a 15-yard pass to Steve Simon from QB Jim Theis. Dan Braun took a pass from Theis for the 2-point conversion. P-W fighting determinedly came back in their share of the second frame to hold Fowler at bay with another TD, this one by Gary Schafer on a 2-yard run. Dean Kohagen, the quarterback, ran the 2-point play. Fowler was blanked in the third quarter while the Pirates kept the scoring game going with another counter by Kohagen on a 2-yard run. Duane Weber

scored his second conversion of the night to round out the pirate scoring at 24.

The Eagles scored the only TD in the final quarter on a 3-yard pass to Don Schrauben from Theis. Dan Braun converted for the two points on a pass from Theis to account for the Eagles' 16 points in the game.

The Eagles committed 4 fumbles one of which was recovered by P-W. The Pirates fumbled once and lost it to the Eagles.

In yards penalized, the Eagles had 70 walked off against them while the Pirates weren't far behind

with 60.

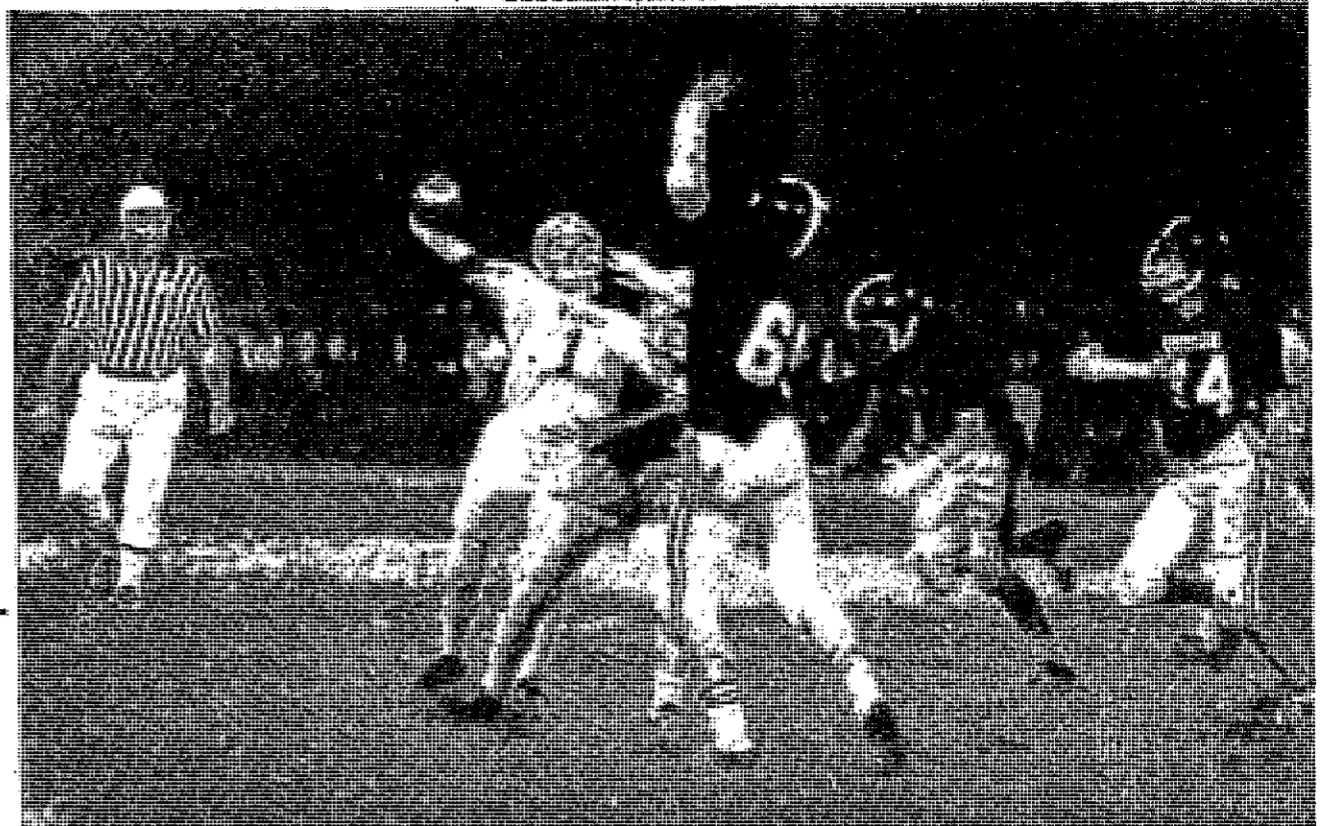

P-W now moves into a first place tie in the CMAC standings with Fulton-

Middleton who also won Friday night over winless Bellevue, 40-8. Both teams sport 3-0 league records.

Fowler drops to a 1-2 mark in the league.

P-W QUARTERBACK Dean Kohagen prepares to launch an aerial bomb in Friday night action against the Fowler Eagles. Even though he receives blocking from would-be tackler Lyle Simon, other Eagles have ideas of their own.

P-W cross country team wins again, sets another record

PEWAMO-WESTPHALIA—The Pirates cross-country team continued its winning ways last Monday by downing Durand, 21-36. Setting another new school record was Kurt Bengel with a running time of 16:32. The former record was set by Scott Simon at the Springport Invitational Sept. 23 with a time of 16:33.

Simon broke his own record in the Durand meet with a time 16:32.5 being barely edged out by teammate Bengel.

Other Pirates in orders of their finish were: Mike

Fedewa, 5th; John Bauer, 6th and Bob Thelen, 7th. Coach John Ellis said these boys ran "their best times of the season thus far."

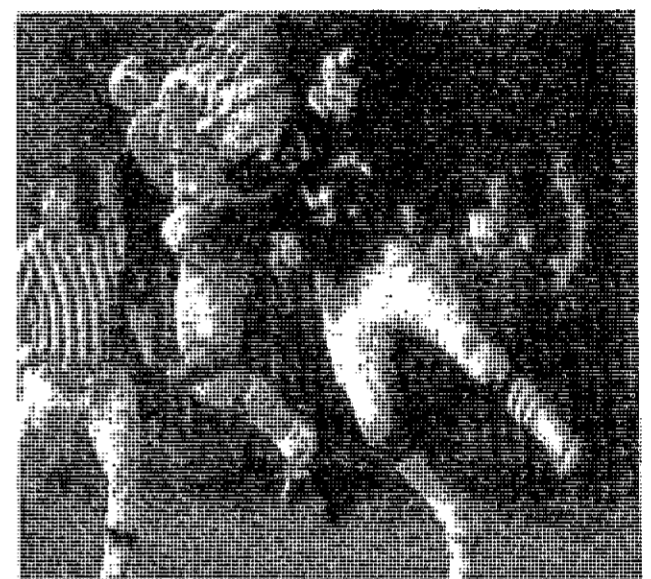

Other team members running good races, according to Coach Ellis, were Jeff Raines, Steve Kimball, Trent Schafer and Mark Spitzley. All combined to aid in the victory, commented a pleased Ellis.

In an event staged at St. Johns on the 30th, the Pirates won over the Redwings, 27-29. The team record now stands at 5-2 with a meet coming up Thursday with Bellevue at 4:30 at home.

AN OFFENSIVE DRIVE BY Fowler is well underway here as all the Eagle blocking seems to be working out to plan. P-W won the game which has always been an arch-rival affair

whenever the two schools meet. P-W presently enjoys a first-place standing with Fulton-Middleton in the CMAC. This Friday will decide who's really number one.

A PEWAMO-WESTPHALIA ball carrier receives a jolt from a Fowler Eagle in Friday night's action in Fowler in which the Pirates dumped their adversaries, 24-16. This fumble, the only one committed by P-W was lost to an alert Eagle.

Girl Redwings Zap Bullock Creek

ST. JOHNS—Maybe it sounds like the score of the U of M vs. Navy game, but it is not. It is a basketball score! St. Johns girls, 70, Bullock Creek, 19.

Whatever Beth Schrauben's crew had going for them last Tuesday, the

pieces all fit in the puzzle for the redwings.

Leading the action for St. Johns was Darlene Skym who dumped in 14 points, followed by Marcia Thelen and Sue Ann Suchek each with 12. Contributing also in the scoring efforts were

Jeanna Hal len beck with 8; Janet Purtil, 6; Denise Harrah, 6 and 6 points by Geri Favor to round out the top scoring of the game.

The Redwing record now stands 2-1 and 1-0 in MMB competition.

Top scorers were Lauren Larsen with a 78; John Watkins shooting an 81 while John Bond and Larry Larsen each had 82s. Jim Dedyne shot a 91 to total the St. Johns Scoring.

Dave Graulau of the Alma squad shot a 78 to pace the Panthers effort.

In jayvee golf action, The Redwings tied with the Panthers jayvee team, 468-468. Leading the Redwing scoring was Jeff Paradise with an 87, followed by Carl nobis with an 88. Mike Green shot a 94 while the girl member of the team, Kathy Tiechert, shot a 95. Jeff Kemper had a 104. Top jayvee golfer for Alma

DeWitt bows to Mason 9-7

DEWITT--Coach Ron Mead's DeWitt Panthers are certainly making their impressions in the Capital Circuit conference but continue to fall short on the score as once again they're victimized, 9-7 in Friday night's action against Mason.

The Panthers were on their way to a 7-6 victory when fate dealt a cruel blow

with 16 seconds showing in the game.

Chris Robinson, a Mason tackle stepped forward and kicked a 19-yard field goal to bury any hopes of a DeWitt win.

Mason, who has had unfortunate seasons for the past two years, won its first Capital Circuit game in that time period.

The field goal followed a 4-

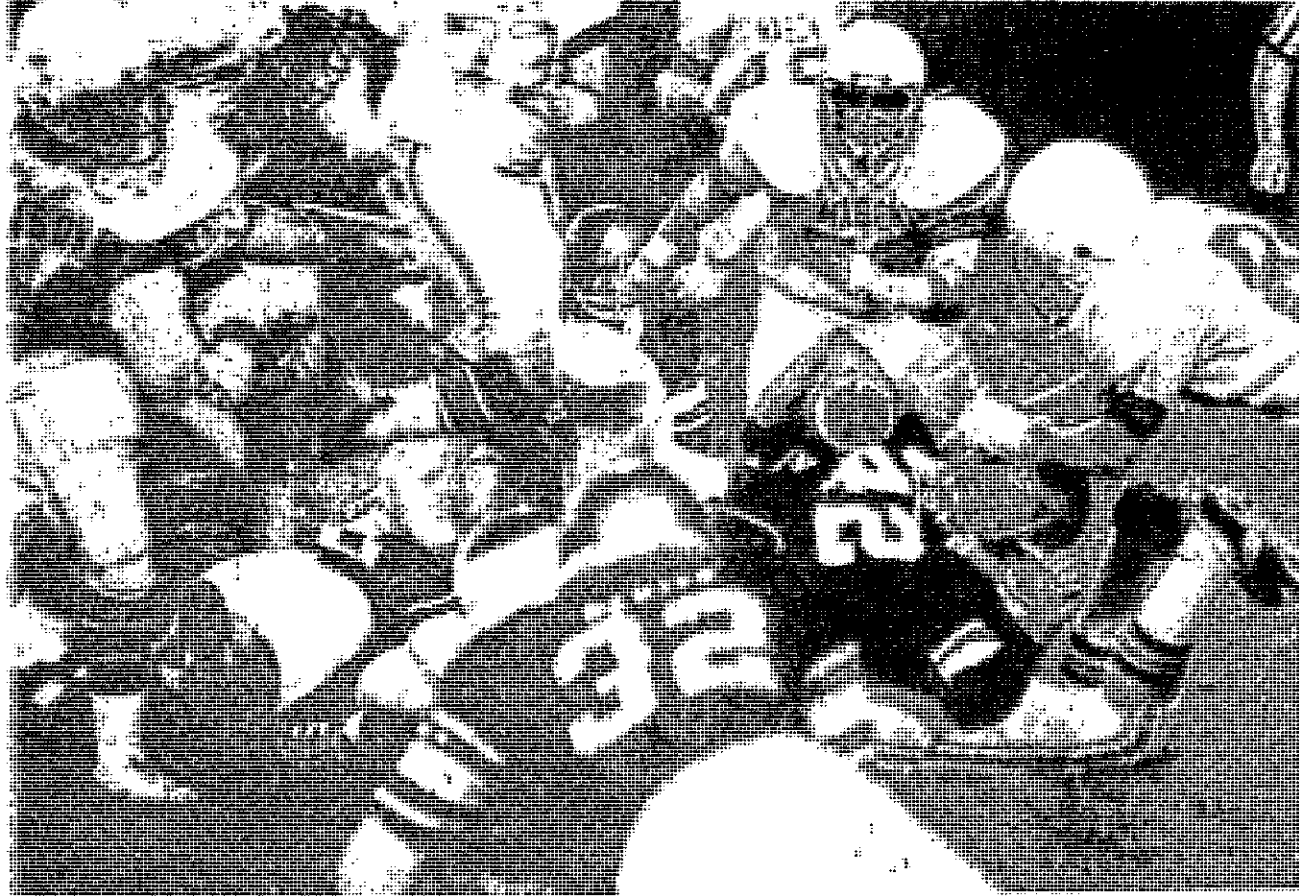

minute offensive drive by the Bulldogs following a Panther touchdown scored by running back Bob Strouse on a 3-yard run. Dale Challis put the Panthers ahead on his extra point kick, then came the end for DeWitt.

The Bulldogs had scored earlier in the third quarter but failed on the conversion attempt.

Mason outrushed the

Panthers, 235-157 in establishing their first win of the year. Both teams have identical overall records of 1-2 but Mason now enjoys a 1-1 slate in CC standings while DeWitt slipped to 0-2.

DeWitt's next encounter will be Saturday against an aggressive Lansing Catholic who stands at 1-1 in league competition.

COULD BE A face mask violation in the making here as number 42 Mike Schaar, running back for the DeWitt

Panthers is brought down in heavy traffic. Number 32 Chuck Sites gets in on the action, too. DeWitt lost the hard fought contest, 9-7.

DEWITT PANTHER Ted Keener seems well on his way but opposing Mason Bulldogs are there to make the stop in Mason's victory over DeWitt Friday night. It seemed to be a clear-cut win for DeWitt but Mason had a surprise up their sleeve for the Panthers in the closing seconds of the game to snatch away the eminent victory.

Clinton County Area SPORTS

OFF AND RUNNING is this running back for the DeWitt Panthers. Heading off the scoring threat are two defenders from Mason with another Bulldog in hot pursuit. DeWitt lost DeWitt.

GIVING A LITTLE ADVICE FROM THE SIDELINES is DeWitt asst. coach Terry Gale. DeWitt lost a heartbreaker 9-7 on a last few seconds field goal by Mason.

Bees put the stinger to Williamston

WILLIAMSTON--The Bath Bees put everything together Friday night as they soundly whipped ICL foe Williamston, 36-14.

Coach Ron Skorich's Bees, after dropping their first encounter to non-league Howell, has managed to settle down and play the brand of ball anticipated of them.

Last year's quarterback Mike Voorheis who attained all-league distinction and this year converted to halfback, was the Bees big offensive weapon. Grinding up the turf for 188 personal

yards, he scored three TDs for the winners.

Voorheis who personally led the assault against winless Williamston also made a key interception in the contest.

Accounting for the other two Bath touchdowns were running back Mark Barr and quarterback Chuck Cronk.

This Friday night the Bees will be defending their right to first place in the ICL when they go up against Fowlerville who also hold a 2-0 record in the league.

St. Johns girls win swim meet

LANSING--The swimming girl Redwings of St. Johns High School took a 91-80 victory over Lansing Harry Hill last Tuesday.

Taking a 1st place in the 200 medley relay was the combination of Pam Lutz, Nancy Stevenson, Leslie Fongers and Cindy Wieber.

Their time was 2:25.0.

Placing 2nd in the 200 freestyle event was Kathy Stevenson with a time of 2:39.5 while Ann Huard also took a 2nd in the 50 freestyle.

In diving competition, it was Kelly Meyer taking first with Denise Cerny placing third.

Taking 1st place in the 100 butterfly event was Leslie Fongers with a time of 1:27.8 while in the 100 freestyle it was Cindy Wieber taking 2nd place in a time of 1:12.1.

Winning another first for St. Johns in the 500 freestyle was Kathy Stevenson who

took the honors with her time of 7:24.2. Also taking a first for the Redwings in the 100 backstroke was Pam Lutz with a time of 1:20.8 while Theresa Butler took a second in the 100 breaststroke with a time of 1:29.8.

Rounding out the scoring in the meet, Jill Andrews, Chris Haviland, Ann Huard and Kathy Stevenson combined for a 2nd place finish in the 400 free event with a time of 4:59.3.

The swimming Redwings will meet DeWitt tomorrow night (Thursday) in a home event.

Bath girl cagers fall to Perry by single point

BATH--With just seconds on the clock remaining, the Perry Ramblers girls' basketball team edged the "Fightin' Bees" girls 41-40 last Thursday in an ICL league contest.

Hitting from the top of the key, the Perry Cager sank a 2-pointer to give the victory to the Ramblers.

Although Perry took an early 12-5 lead in the first quarter, Bath fought back in the second frame to tie the game 15-all.

With balance scoring by both teams throughout the remainder of the contest, the last-second shot by Anne Foland of Perry made the difference.

Top scorer for the Bees was Linda Schafer with 14 points. Theresa Stuart of the Ramblers aced 19 while Foland tallied 14. Both teams are even in ICL standings with 2-2 records.

Corunna overpowers Ovid-Elsie in 28-0 melee

BY HAROLD SCHMALTZ
SPORTS EDITOR

CORUNNA-Corunna kept its MMB ranking at 2-0 Friday night by downing a determined but scoreless Ovid-Elsie Marauder team, 28-0.

O-E, in losing to the Cavaliers dropped their third straight game. Coach Mark O'Donnell's crew, while playing respectable defense, just couldn't seem to find the key to their offense.

Starring for the Cavaliers was Tony Hornus who scored

15 points of his own, including 2 touchdowns and points after touchdown.

Corunna scored in the second frame but was unsuccessful for the extra points. They followed with another TD in the third quarter making the 2-point conversion to make the score 14-0 going into the last frame.

The Cavaliers were not done yet with their night's work as they pushed over 2 more touchdowns in the final period, also adding both extra points to end up with 28 for their efforts.

Coach O'Donnell said, "The Corunna boys were just too big for us. They played a physical game all throughout and our smaller ball carriers weighing 145 pounds or so just couldn't match their 200-pounders." O'Donnell continued, "We lost a lot of our guys on injuries, some got badly shaken up and had to leave the game. Our quarterback Brian Byrnes is out of action and some of the other ones might not be in shape for the next game."

Corunna piled up a total of 321 yards on the ground to O-

E's 85. O-E did connect on 6 of their 8 pass attempts but according to O'Donnell, most were for short gains.

Leading rusher for the Marauders was Jamie Perrien who ran for 27 yards. Doing an exceptional job with 11 tackles was Dwayne Hunt, according to O'Donnell, while receiving additional praise, sharing 30 tackles between them, were Jim LaRue and Glen Nethaway.

column Friday night, the Marauders meet the Bullock Creek Lancers who share the cellar in MMB standings with O-E at 0-2.

THE QUEENS COURT at Ovid-Elsie High School consists of: (l. r.) Janice Baese, Lisa Baese, Stacy Schoendorf, Leann Martin and Margaret Horak. The Kings Court is shown l. r.: Troy Bancroft, Glenn Nethaway, Tim Doyen, Doug Sturgis

and Wayne Swender. Crowning ceremonies of the king and queen will take place at halftime during the O-E - Bullock Creek football game.

O-E sets plans for homecoming

OID-ELSIE -- Homecoming plans were set off this week at Ovid-Elsie High School by a parade held

Sunday. Included in the festive events was "the burning of the M" Tuesday with a powderpuff football game scheduled for today. Elections by the student body to pick the King and Queen of Homecoming will

be held Friday as a preliminary to Friday night's football game with the Bullock Creek Lancers.

Crowning of the king and queen will take place at halftime during the game followed Saturday night by the annual Homecoming Dance. Activities involving homecoming are sponsored jointly by the student council of O-E High School and the Varsity Club.

MEMBERS OF THE girls varsity basketball team at Fowler High School are from left to right (back row) Coach Melody Sowers, Lisa Schafer, Lynette Thelen, Judy Thelen, Cindy Hengesbach, Amy Snyder, Denise Feldpausch, and Cindy Schrauben. Front row: Carol Pohl, Brenda Feldpausch, Lois Koenigsnecht, Mindy McKean, Sharon Pung, and Therese Thelen.

BELDING--In the Belding Invitational tournament held Friday and Saturday, Oct. 1-2, the Redwings girls tennis team tied for 6th place among 7 others in the two-day event.

Competing in addition to St. Johns were winners of the tournament, Okemos, along

with Belding, Fremont, Hastings, Holland Christian, Lowell and Sparta.

The top six girls from the 8 schools played doubles on Friday and singles on Saturday.

Scoring for St. Johns were: Mary Koenigsnecht took 5th in the singles competition, defeating her Fremont opponent, 6-1, 6-1. She went on to semi-final action to succumb to her Okemos opponent, 1-6, 0-6.

In the doubles competition, Bonnie Eisler and Beth Kirschenbauer took 2nd in defeating their Lowell opponents, 6-4, 3-6 and 7-6. They went on to defeat in semi-final action at the hand of their Holland Christian opponents, 0-6, 1-6.

Capsule view of sports scene in Clinton County

By HAROLD SCHMALTZ
SPORTS EDITOR

ST. JOHNS -- Action, action, action! That's what's going on these days around Clinton County on the sports scene in our six area high schools.

Each of the football teams are getting their plays ironed out and are discovering who can do what and to whom.... The golfers are finding their favorite clubs and the girls playing basketball are discovering who their ace on the squad are. In tennis activity, well let's just hope the weather doesn't turn too cold to handle the racquet.

Starting out with the Redwings, Coach Gonzales' "birds" will be seeing what kind of running game the Vikings can come up with. Matched with running talent of their own, the Redwings might end up with a version of a "track meet" instead of a football game. We'll see Friday night. The game is on the home turf this week.

The Ovid-Elsie Marauders will be celebrating Homecoming this Friday night with the Bullock Creek Lancers coming to town. Everybody likes a celebration but we're sure the celebration the Lancers will have in mind won't be to crown the queen at halftime. O'Donnell's army should have some plays ready for these farm boys from Midland county this time around.

DeWitt will leave the Friday tradition this week as they'll be traveling to Lansing to play Lansing Catholic Central on Saturday. Daytime football definitely can have its advantages. Let's see what happens in this one!

Bath will entertain Fowlerville in a home affair in hopes of keeping their victory string alive.

The Fowler Eagles will also be crowning a homecoming queen at halftime this Friday night in association with their "drag 'em out affair" with the always highly spirited Irish of Mt. Pleasant Sacred Heart.

In jayvee football action in the schools, the Redwing jayvees and freshman team both depart for Saginaw to meet Swan Valley on

The jayvees also suffered defeat in their share of the schedule against Swan Valley, too.

In girls basketball action it'll be the Redwing girls going after a victory from the Chesaning girls in a home affair on the 12th.

The girls basketball team at Fowler High will be traveling to Portland St. Patricks on Monday, Oct. 11 while the girls at Bath High

tournament at Alma on Oct. 12. At present, St. Johns is holding the conference lead in golf play in the MMB.

P-W's golfers will be teeing off on the crew from Central Montcalm on Thursday, Oct. 7 while on the 12th they'll be home to host the Laingsburg Wolfpack golfers.

Bath golfers will be meeting Leslie in a home match on the 11th at 4 p.m. while on the 13th they'll be heading for Laingsburg to match clubs there at 4 p.m.

In girls swimming, the Redwings will be meeting DeWitt Thursday in a home meet while on Tuesday, they'll host Alma in another home pool event.

In tennis activity it'll be the Redwing girls going against the Bulldogs of Ionia next Tuesday in a 4 p.m. match.

Rounding out the sports action on the Clinton scene in cross-country, the Pirates of Pewamo-Westphalia will hopefully continue their winning ways at the cost of the other Pirates in the region, the Fulton crew. This meet will take place on Thursday at Middleton at 4:30 p.m.

The Redwing Cross-country squad will be meeting the Chesaning Indians in a home meet, Tuesday afternoon at 4:45 p.m. Ovid-Elsie's Marauders will be meeting Alma Tuesday, also in a home meet.

Wrapping up the sports schedule, the P-W girls will have a busy week ahead, starting with a basketball game on Thursday at DeWitt, followed by another contest on Monday at home with Laingsburg, then on Wednesday with Olivet, also at home.

Thursday, Oct. 7.

On the Ovid-Elsie scene in freshman and jayvee football, the Marauders will be traveling to Midland to match plays with the Lancers of Bullock Creek.

Russ Pope's crew will hope to get back on the winning track after suffering their first defeat by Swan Valley in a close match on the 24th.

will be heading for Williamston to play a game there on the 12th at 6:15 p.m.

In other girls basketball activity, the O-E girls quintet will be hosting Chesaning on the 14th in a home game.

ON THE GREEN SIDE OF THINGS, the golfers from St. Johns High will be entering a conference

Honored

Two persons were honored at the Radiant Chapter No. 79, Order of the Eastern Star meeting Sept. 1 at the Masonic Temple in St. Johns.
 Honored were Geraldine Workman, first vice-president of the Clinton Chapter, OES, and Mark Eaton, grand committeeman of the Grand Lodge of Michigan. Free and Accepted Masons.

MICHIGAN STADIUM ROUTES... Motorists are assured of being seated in time for the 1:30 p.m. kickoff of the Michigan-Michigan State football game in Ann Arbor Oct. 9 by arriving in the stadium area one hour beforehand, according to Automobile Club of Michigan. Fans taking I-94 either from Metropolitan Detroit or Jackson can use one of two routes. The Saline Road exit will be one-way inbound preceding the game and one-way outbound afterward. A good alternate is the new State Street exit off I-94, which leads drivers directly to the stadium area. It will carry two-way traffic. Motorists coming from Lansing on I-96 should join US-23 traffic headed south from Flint, then take the M-14 exit at Ann Arbor to Maple Road, which connects with Stadium Boulevard. An estimated 104,000 persons are expected for the game, 569th in a series that started in 1898.

Redwings plan '76 Homecoming

ST. JOHNS - The St. Johns High School Student Council has begun this year's Homecoming preparations. The theme for 1976 will be "The World of Disney". The festivities get under way with Spirit Week, which starts October 18. Most of the activities will take place on Friday, October 22, beginning with a pep assembly during school. In this assembly will be a powder-puff football game between the junior and senior girls, and during the halftime of this game, the freshmen and sophomore girls will demonstrate their awesome power in a tug-of-war. Later that afternoon, the annual parade will take place, during which the class floats will be judged. And, of course, later that evening, the St. Johns Redwings will take on the Indians of Chesaning High School in the annual Homecoming game. During the halftime the winning float will be announced, the band will put on a show, and the Homecoming queen will be crowned. There will be a social hour after the game at the school cafeteria to which the entire community and alumni are invited. The Homecoming Dance will be held the next night, Saturday, October 23. A detailed schedule of activities will be published before Homecoming.

Sweet Adelines perform at Uncle John's Cider Mill

"Share a song and a smile with Sweet Adelines" will be the theme Oct. 1-7 when over 27,000 women throughout the United States, Canada, Panama Canal Zone, England and the Virgin Islands, will "SHARE-A-SONG" with hospital patients, senior citizens, shoppers, school children and civic groups. Mason Chapter and Prospective Ithaca Chapter, two of more than 600 choruses of this international organization dedicated to teaching, learning and singing the American folk art of four-part harmony, barbershop style, and through performances to encourage a universal appreciation of that music, will perform in St. Johns. They will sing at Uncle John's Cider Mill-St. Johns, on Oct. 7, at 8 p.m. The chapter's popular quartets, The Sound Stylists and the Electric Chords will be featured, also the Mason Music Company. All women interested in singing or listening to the harmony group are invited to the session Oct. 7, at 8 p.m. at Uncle John's Cider Mill, US 27, north of St. Johns.

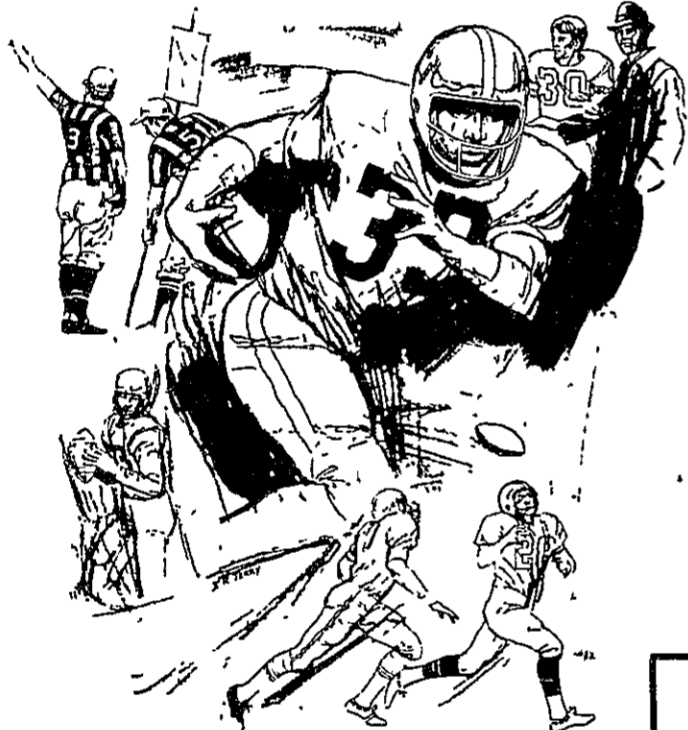

St. Johns golfers make it 6-0

ST. JOHNS—The St. Johns Redwings varsity golf team extended their season winning streak to 6 wins and no losses with their last Tuesday's win over Chesaning, 423-470. Also victorious in the day's events were the St. Johns jayvees who bested their indian opponents, 474-539. The Redwings are still the MMB conference leaders with a 5-0 mark and have 2 matches left before conference day, according to coach Mike Humphrey.

CLINTON NATIONAL BANK OF ST. JOHNS began operating a second office in the immediate Lansing area Sept. 13 with the opening of a new branch at 2201 E. Grand River in Lansing Township. The new location complements an existing office in the Valley Farms area in operation since 1966. Executive officers of the Clinton National who have directed the opening of the new branch are (from left) executive vice president Gayle Desprez, president and chief executive officer Brandon C. White and chairman and senior vice president John Rumbaugh. With the opening, Clinton National now operates from 12 locations in the Clinton County-north Lansing area with another opening slated for later this year or early 1977 at Bath. That office is being converted from a part-time facility to a full-service location and recently acquired property is being remodeled.

Jim's Column

It's a small world

Jim Pelham
Clinton County Extension Director

Following an article in this column several weeks ago, several readers expressed surprise the writer was acquainted with Bill Smith, former County ASC Director and Ken McManis, former Soil Conservationist long before coming to the county. I first knew Ken as a student at MSU and Bill when he was taking his training in the Huron County ASC office.

There is a surprising number of immigrants from Huron County. Back when I was Agriculture Agent in the navy bean county in the top of Michigan's thumb, Lloyd Campbell was Soil Conservationist; and Jay Heber (County Road Superintendent), Art Romig (St. Johns Coop Manager) and Spike Labond (Michigan Milk Producers) were all working at similar jobs in Huron County. Dale Kuenzli (Michigan Elevator) was agriculture teacher at Pigeon.

This is a big planet upon which we live, but with people traveling so much and getting acquainted with people scattered almost everywhere there are great possibilities of getting to know people in all walks of life and a long ways from home.

We had a real pleasant surprise a couple of years

ago when our farm Family host in England invited one of the teachers from the local agriculture college to come and meet the visiting Americans. Britain's Graham Suggitt and I were quite surprised to see each other as we had managed a brief visit and a cup of coffee together when he made his only visit to Michigan State University a year or so earlier. Our host was even more surprised!

Another strong coincidence was for this "country boy" to have become acquainted with one of our famous astronauts and the parents of two more plus those of their medical doctor long before any of them became famous. If I had an interest in air planes or aviation it might have happened "accidentally on purpose", but I could generate a lot more interest in some of the shiny new tractors being purchased by Clinton County farmers then in airplanes or rockets!

As for knowing a lot of people I have to admit acquaintance to a few who allow me no bragging pleasure. More than ten years working for the State Corrections Department placed me high on the list of knowing more burglars, murderers and rapists than

you can count and I found most of them were surprisingly far from being all bad! There was one six time loser at the state prison farm who had once been married to my father's cousin. I don't think he missed telling an inmate or employee in the institution about "his cousin" who was "head farm honcho"!

The fact remains that never in the history of mankind have we had opportunity to touch on the lives of so many. I think the Dick and Marie Woodhams family, north of St. Johns, must hold some kind of record in hosting exchange students and later visiting them in their homelands. I believe they would testify to joy and satisfaction derived and the value of it all.

For my own part its a real

pleasure to return to anyone of a half dozen communities in which we have lived and worked and receive the greeting "welcome home."

In Clinton County, we get our full share of foreign visitors. Programs such as the Japanese exchange which brought their kids to us last summer and sends ours to live with families in Japan next year, are great for understanding. Much better for reconciling our differences than the system used from 1941 to 1945.

It's a big planet upon which we are living but its surprising how similar the people are and the interaction we have with far away people. —Earth is a big planet but the world is much smaller than we used to think!

Chloe's Column

By Chloe Padgett

Extension Home Economist

Give youngsters a real treat with nutritious snacks for Halloween.

Why not give fruit, "Cheese kisses", or bags of peanuts instead of the usual chocolate bar? If you must give candy, buy chocolate covered raisins or candy loaded with peanuts. Raisins provide iron and peanuts are full of protein.

Trick or treaters will love cereal-marshmallow bars or nutritious cookies (peanut butter, oatmeal-raisin, pumpkin or carrot).

Cereal drops are nutritious candies you can make at home. Melt chocolate chips and mix with peanut butter and dry cereal. Shape into nuggets. Remember to wrap aluminum foil or plastic around all treats not otherwise wrapped.

PUMPKINS PROVIDE MANY UNUSUAL DISHES
What can you do with a pumpkin if it's been used as a jack-o-latern, you'd better

throwitaway. However, there are many ways to use fresh pumpkin.

Toasted pumpkin seeds make a nutritious snack. Remove the fiber from unwashed seeds. Add 1 1/2 teaspoons melted butter and 1/4 teaspoons salt to two cups of seeds. Spread in a shallow pan and toast in a 250 degree F oven until lightly browned, about 20 minutes.

The pumpkin itself can be washed, cut up, cooked, put through a sieve. Then it's ready to be used in pumpkin pie. You can freeze it in quantities needed for a pie and save for Thanksgiving or Christmas.

To add variety to your vegetable menu mix mashed pumpkin and sliced cooked carrots.

For a different dessert, cook pumpkin and mash and mix with diced rhubarb. Use pumpkin in other dishes such as pumpkin soup, pumpkin pudding,

pumpkin bread loaves, pumpkin cake and more. Pumpkin is high in vitamin A. Just one-fourth cup of

mashed cooked pumpkin provides 4,000 International Units of vitamin A, almost a whole day's allowance.

NOTICE

Bids will be taken on Emergency Ice Storm Damage removal on approximately 25 miles of County Drains in Clinton County. Bids will be received until 11:00 A.M. in the forenoon of October 8, 1976.

Bid documents can be obtained at the Clinton County Drain Commissioner's Office at 1,008 South Oakland Street in the City of St. Johns, Michigan.

4-H Chatter National 4-H Week

By John Aylsworth

Clinton County's 2,076 4-H members will join nearly 5.6 million 4-H'ers throughout the United States in observing National 4-H Week, October 3-9 with activities centering on the 1976 theme "4-H Room to Grow."

The theme "4-H Room to Grow" means like the clover grows, so do youth who are involved in 4-H. They grow mentally, physically and spiritually as they set new goals and respond enthusiastically to new opportunities.

4-H is an informal, practical, learning-by-doing educational program. It helps youth establish real-life goals and become competent and productive citizens. 4-H gives young people an opportunity to take an active part in learning about and solving problems

that face them and their communities. Often the knowledge and skills they develop through 4-H work opens the door to a life time of personal growth.

Today's 4-H program is for all youth both rural and urban from all racial, cultural, economic and social backgrounds. It reaches girls and boys in a variety of ways: as members of organized 4-H clubs, as participants in special interests groups and as enrollers in short term projects.

Nationwide the breakdown show 56 percent girls and 44 percent boys. Age wise it shows 54 percent are 9-11 years of age, 32 percent are 12-14 years of age and 14 percent are 15-19 years of age. The records show 23 percent live on farms, 40 percent live in towns under

10,000 and open country; 17 percent live in towns and cities between 10,000-50,000, 8 percent live in suburbs of cities over 50,000 and 12 percent live in central cities of over 50,000 population.

Beside the usual 4-H projects of clothing, foods, woodworking, livestock, horses, gardening and dairy; Clinton County has many more projects to meet the needs and interests expressed by youth such as, photography, ceramics, cake decorating, indoor garden, snowmobile, dog obedience and leader dog, macrame, knitting, crocheting, string art, leather, rabbits, poultry, tractor and small engines, vet science, cross country skiing, roller skating, bowling, softball, and many more.

4-H clubs are organized in local communities with five or more members and may be a single project club or a community 4-H club with many projects depending upon the leaders available. The 4-H members are led by volunteer adults who contribute an estimated 20 days per year in working with young people. The leaders help 4-H'ers develop project skills, citizenship and leadership. Clinton County is fortunate to have 550 adults who volunteer their time each year in working with the county youth.

Besides their local 4-H club meetings and projects, Clinton County 4-H'ers have an opportunity to go on tours, attend project workshops, go on award trips, participate in state and national 4-H contests, travel out of state on trips as well as being involved with international programs.

4-H challenges the participants to broaden their interests and concerns for others. The program encourages youth to grow as they pledge their heads to clearer thinking, their hearts to greater loyalty, their hands to larger service and their health to better living and their world. 4-H provides—"Room to Grow."

Do you know of some youth who would like to get involved with 4-H work? To be eligible to join this year, the youth must reach his 10th birthday sometime in 1977 and has not already graduated from High School. If you need additional information about an outstanding 4-H program in Clinton County please contact the County Extension Office in St. Johns, located at 1003 South Oakland Street or phone 224-3288.

Are you interested in a new 4-H dog project called tracking? If you like working in the out of doors and walking with your dog, you might be interested in this new project. The Show-offs 4-H club tracking group will be meeting the 2nd and 4th Wednesday evening of each month at 6:30 p.m., meeting at different fields each time. Members must attend all meetings for at least 10 weeks. Expense for tracking equipment needed will be about \$20.00. For more information on this project contact Mrs. Roger Feeman in St. Johns or the County Extension Office in St. Johns.

The Show-offs 4-H Dog Obedience Club met to get organized for the new year. The new Officers for 1976-77 are: Ann Vitons-president, Julie Feeman-secretary-treasurer. The members voted to sell safety first-aid kits at \$2.50 each to raise money for their club activities. The club now meets the 1st and 3rd Wednesday evenings, 7:00 p.m. at Smith Hall in St. Johns.

Meet your 4-H leader

Barbara Minarik

Being a 4-H leader is a learning experience for Barbara Minarik. She said, "Every year I learn right along with the kids." The food project in their local club needed a leader two years ago so Barbara decided she could help.

It's fun being a 4-Her in Barbara's group. They do many interesting things. Preparing food, going on field trips, planning and having a party at the end of the project are a few things that are done. Barbara, a busy homemaker, enjoys these things herself as well as teaching it.

She is married to Paul Minarik and they have four children, Ron, Jerry, Linda, and Don. They live on a farm in Bengal Township, except for Ron who is married. All of their children have been involved in the 4-H programs too.

Dorothy Wessler

The need for 4-H leaders and her children's interest in 4-H got Dorothy Wessler involved in the 4-H program. For the past seven years she has been a leader in either sewing, foods or dairy projects. As a leader in the dairy project she enjoyed going around to the 4-H members' farms and showing them how to clip their dairy animals. One year she had to rent a truck to get everyone's calf to the fair. An interesting fact Dorothy discovered recently as a foods leader was that the girls she was working with didn't know how to wash dishes. The families all had dishwashers so she felt it was necessary to give a lesson on washing dishes by hand. "4-H is a good thing for kids" says Dorothy, "they get a lot out of it."

Dorothy's husband Forrest is a farmer. They live on a farm in Watertown Township. She works at the Wacousta Elementary School as a clerk and cafeteria helper. Their children Jim, Paul, and Linda are grown and they have one grandchild.

Announcing That We Sell and Service the...

NEW MODEL 70'S
Zero
COMPLETELY AUTOMATED VACUUM AND NON-VACUUM BULK MILK COOLERS
WITH BUILT-IN SPATTER-SPRAY AUTOMATIC WASHER

SAVE MANY HOURS OF CLEAN-UP TIME EVERY WEEK—AND HAVE A CLEANER BULK TANK!

If you need a new, larger bulk milk tank—investigate the new Model "Seventies" ZERO! For it's the only farm bulk milk tank on the market today that has a completely-automated, built-in, "push-button" self-cleaning and sanitizing system. Other bulk milk tank manufacturers have copied ZERO's round design and vacuum. But there's still no bulk tank cleaning system that cleans as thoroughly as ZERO's patented, built-in SPATTER-SPRAY Automatic Washer. See above how the Spatter-Spray's propellers hurl a cross-fire of detergent solution—with "tornado" force—against the tank's entire, stainless steel interior for thorough cleaning that's necessary for high-quality milk. Official records show bacteria averages have been greatly reduced. Standard capacities, 100 through 6000 gallons. Has dust-tight, insect-tight lids. And many more advantages.

New minister welcomed by Elsie Congregation

The Rev. David Miles, wife Marilyn, and son, Andy, honored at a reception at the Elsie United Methodist Church, Thursday Sept. 22. A large sign "Welcome to Elsie" was displayed where the people assembled. A "money tree" with glittering lights, on a base with a small lighted church was made by Marguerite Kelley, Bob Kelley, and Ester Dorman. Nancy Hehrer greeted the many guests and Jean Cobb served as mistress of ceremonies for the evenings festivities. The evenings events included the congregation singing "Hello", anecdotes given by Jean Cobb and Lyle Dunham, special music by Cindy Hehrer and an original poem honoring the family was given by Ester Dorman.

Postor Miles responded with a word of thanks and "glad to be here." The Elsie United Methodist Church meets at 9 a.m. for church services and at 10:15 for Sunday school services. The church has also started a nursery for small children, so more couples may attend Church Services.

The service will mark the completion of a new sanctuary, fellowship hall, 12 classrooms, kitchen, memorial chapel and offices. The new building marks four years of study and one year of building. Chairman of the building committee was David Yallup and serving as members of the committee were Lyle Fenner, Howard Williams, Barbara Stueg, Bonnie Helbeck, Marceta Harper, Lloyd Love, Ray Warner, Warren Coffman, Eugene Lamb, Robert Peck and Don Davis. An open house will be held from 5-7 p.m. The public is invited. Pastor of Pilgrim United Methodist church is Rev. Brian K. Sheen.

Pilgrim Methodists plan consecration services

ST. JOHNS-Consecration services will be held Oct. 10 at the new Pilgrim United Methodist Church, corner of DeWitt and Parks Road. The regular morning worship will be at 9:30 a.m.

Rev. Neil Sheridan of Wisner, former pastor, as guest speaker. Sunday School classes for all ages will be at 11 a.m. Consecration services will be at 3 p.m. with the message by Dr. Lawrence Taylor.

The service will mark the completion of a new sanctuary, fellowship hall, 12 classrooms, kitchen, memorial chapel and offices. The new building marks four years of study and one year of building. Chairman of the building committee was David Yallup and serving as members of the committee were Lyle Fenner, Howard Williams, Barbara Stueg, Bonnie Helbeck, Marceta Harper, Lloyd Love, Ray Warner, Warren Coffman, Eugene Lamb, Robert Peck and Don Davis. An open house will be held from 5-7 p.m. The public is invited. Pastor of Pilgrim United Methodist church is Rev. Brian K. Sheen.

Organize youth choir and band in Elsie

A youth choir and band are being organized in the Elsie United Methodist Church. The youth choir is entitled "Freedom" and is under the direction of Mr. David Dunham. They will be giving their first performance next Sunday, October 10, 1976 at 9:00 a.m. The group is made up of 7th grade on up and singing religious and folk music. Their accompanist is Cindy Hehrer.

Also, "The New Day Singers" will be performing at the Elsie United Methodist Church, October 31. They will provide music and inspiration for the entire worship service, beginning at 11:00 a.m., on this Sunday only. A pot-luck dinner will follow. The group is from Grand Haven.

The band under the direction of Carl Olson will soon be ready for action.

Area happenings

Oct. 6 - A chicken supper and Fair will be held at the Price United Methodist Church at the corner of Price and Chandler Rd. Serving will begin at 5:30 p.m.

Oct. 15 - The Clinton County area-wide Senior Citizens meeting will be held in the DeWitt Middle School cafeteria, at 2957 W. Herndon Rd. Dinner will be served for \$1.50. Duplain church holds Sunday homecoming

About 402 people participated in the Duplain Church of Christ Homecoming and Bicentennial Celebration, Sunday October 3. The day's activities began with Sunday School followed by the Church Service given by the minister of the church, Mr. Justin Shepard. A buffet styled, pot-luck dinner was served at 1 p.m.

At 2:30 p.m. the dedication of the flag, flag-pole, and bell tower started. The Sr. High Youth of the Duplain Church of Christ provided a flag and flag-pole as their part in helping celebrate the 200th

Elsie

The first reunion of the descendants of George McPherson was held at the Elsie Village Park Sunday, August 15, with 81 present. The affair was hosted by daughters of the former Georgia McPherson Phillips: Mrs. Leonard Tillson, Goldia Phillips, Mrs. Victor Kristin and Mrs. Joseph Korienek.

The oldest person present was Roy McPherson of Wheeler, only living child of George McPherson and the youngest was 7 month old Kristi Arnold, great, great granddaughter.

After a potluck dinner, a brief meeting was held and decision made to meet again next year at the Village Park Aug. 14.

Mrs. Zulma A. Robbe of 205 W. Maple St., Elsie has been under medical treatment the past week in the Owosso Memorial Hospital.

birthday of the United States. The flag-pole was given to the Duplain Youth Fellowship by the Jack B. Miller Family. The Sr. High Youth purchased the flag and helped lengthen, paint, and erect the flag-pole. After presentation, the congregation sang the "Star Spangled Banner."

Immediately following Mr. Ralph Woodard proceeded to dedicate the Bell Tower. Mr. Ralph Woodard served as minister of the Duplain Church of Christ for ten years, 1957-1967. Mr. Woodard spoke about the importance of the bell as a symbol, and the fact that the lovely sound of chiming church bells is growing extinct in this country. After, which he proclaimed the new Bell Tower dedicated. Observers applauded and rejoiced as the bell chimed.

The bell rang for many years from the old church. The Women's Fellowship paid for the construction of the tower. They hired the brick work done, with members of the church doing the roofing, cleaning, and mounting of the bell.

A Homecoming Service followed, in the Sanctuary. R.D. Marmion, another past minister of the church, gave a Memorial Service, commemorating those who have passed away within the last five years, those who aided in making the church what it is today. Mr. Gary Hawes, past member, now a minister on the Michigan State University campus, gave a sermon. Mike Swender and Coni McAdams provided special music.

The Evening Service began at 7:00 p.m. in Gideon Hall. Special music for the evening was provided by two groups; Norm and Kathy Holmes and Mary Lopez, and a duet Bonnie Kimball and Jill Bunce from the St. Johns Church of Christ. The evening's entertainment was capped by a pageant entitled "In The Beginning" written by Aletha Bartlett, the facts were obtained from Mr. Luman Hall. Aletha Bartlett also, directed the play. The play was about the history of the congregation, the building of the first church, and the first dedication of the bell. The actors and actresses, were members of the congregation. Many were descendants of those who started the first church and Rochester Colony settlers. The congregation itself is about 106 years old, for many years met in the homes of its members. Until land and lumber were provided for the building of the first church.

The days events were accepting of Christ by three concluded with closing young people. remarks by William Another Homecoming is Nicholson, assistant tentatively planned for the minister, and with the October of 1980

Morning Musicales hosts Owosso

Members and guests of the St. Johns Morning Musicales enjoyed a rare treat when they met at the Congregational Church Sept. 30.

An exchange meeting was held with the Owosso Musicales. Five members of the Owosso Club who call themselves "The Silhouettes" presented the program, which illustrated the development of theater music in America.

A trio consisting of Sue Degerstrom, soprano, Shirley Lyon, second soprano, and Nancy Mead, alto, were accompanied by Pat Clauson, pianist, and Barbara Wright, violinist. Mrs. Wright also acted as narrator for the program. Beginning with a

discussion of Minstrel Show music, the trio sang Foster's "Ring, Ring the Banjo" accompanied by a tambourine and "bones" as well as the piano.

As an example of the many popular songs that grew out of the Civil War, they sang "The Battle Hymn of the Republic" to the piano accompaniment.

Other songs on their program were: "A Bird in a Gilded Cage", "Bill Bailey, Won't You Please Come Home?", "Harlem Rag", "You're a Grand Old Flag", "The Entertainer", "Kiss Me Again", "Black Bottom" and "The Man I Love", all illustrating different eras in the growth of musical entertainment.

To conclude their

program, they sang a medley of songs from the longest running musical "Fiddler on the Roof", with violin and piano accompaniment.

Ora Fish was chairman of a committee which served coffee following the program.

students represent less than two percent of the nation's secondary school senior class. Although commended students scored below the level required for the 15,000 Semifinalists who will continue in the Merit Scholarship competition, their test performance indicates exceptional academic promise.

Edward C. Smith, president of NMSC, said: "The high standing of commended students in the Merit Program shows their great promise, and their attainment in this nationwide competition deserves public recognition. Commended students should be encouraged to continue their education; our nation as well as the students will benefit from their further educational and personal development."

To increase their opportunities for college, NMSC makes it possible for regionally accredited U.S. colleges to obtain, on a cost basis, the home addresses of commended students.

Elsie

After 47 years in the grocery business, the last 20 in Elsie, serving the community, Merle Gintner will retire. He has made many friends during the years. He will continue to work periodically in the meat department at Gene's IGA.

The Women's Literary Club will resume meetings Tuesday evening, Oct. 12 with a buffet supper, salad bar, at 6:30 p.m. Elsie Junior High School. There will be a youth speaker and program highlights for the new club year.

The annual bazaar and turkey supper of the United Methodist Church in Elsie has been scheduled for Wednesday Oct. 30 in Fellowship Hall. The UMW are in charge of ticket sales.

Mrs. Dorothy Kaspar of St. Johns spent the weekend with her sister and made a color tour of the Maple River area.

Orval Hale

Funeral services were held Oct. 2 from Osgood Funeral Home. Rev. Peter Nieuwkoop officiated with burial at Mt. Rest Cemetery.

Mr. Miller was born July 17, 1907 in Owosso, the son of Albert and Lena Miller. He was married April 14, 1928 in Owosso to the former Louise Zuckschwerdt, who survives.

Also surviving are one son Duane Miller of Lansing; two daughters, Darlene Miller at home and Mrs. Edwin (Carole) George of St. Johns; one sister, Mrs. George (Margaret) Miller of Owosso; two brothers, Donald of Owosso and William of Flint and four grandchildren.

Mrs. Mary Kregel

ST. JOHNS--Funeral services were held from Osgood Funeral Home Oct. 2 for Mrs. Mary Kregel, 94, former resident of Rt. 4, St. Johns. She died Sept. 29 at Rivard Nursing Home, where she had been a resident for the past two years.

Rev. Brian Sheen of Pilgrim United Methodist Church officiated with burial at Mt. Rest Cemetery.

Mrs. Kregel was born Nov. 20, 1881 in Bengal Township, the daughter of Francis and Cornelia Halsey.

She attended country schools and resided in Clinton County all her life. She was married Feb. 22, 1905 in Clinton County to Dwight G. Kregel, who preceded her in death Sept. 25, 1956.

Mrs. Kregel was a homemaker and member of Pilgrim United Methodist Church.

Surviving are one son, Willard Kregel of rural St. Johns; daughter, Mrs. Lawrence (Alice) Bishop of rural St. Johns; three grandchildren and seven great grandchildren.
