## FACT FINDER

Are you concerned about getting the straight facts on a question which arises but don't know where to find the answer? We'll find the facts for questions submitted by our readers. Just drop us a line at FACT FINDER, Clinton County News St Johns 48879.

Q. We surely must have rules on the proper and improper use of our street rights of way. Why does our city commission fail to have them enforced? RS, ST JOHNS

A. Ask all the people up to district court paying fines and I'm sure you'll find it's been enforced says St Johns Mayor Robert Wood. Whenever it's brought to our attention we try to tell the police to concentrate on this matter, he added. But there's only 2 policemen on duty nightly to cover the entire city. If it's a business violating street rights of way, a procedure is followed warning the owner before action is taken.

Q. Can you help us get a light for the stairway that leads to 104 1/2 N Clinton Ave. When we step from the lighted room at night this stairway is so BLACK we are afraid someone is going to fall down this long flight of stairs. There is a dance studio up there several nights a week so the stairway is used by many, many children. RD, ST JOHNS

A. "Dark at the Top of the Stairs" should be completing its showing soon at 104 1/2 N Clinton Ave. The owner apologized saying the problem is merely a burned out light bulb. FACT FINDER hopes the paths of the little toe steppers are lighted better now.

Q. Many houses in St Johns are unnumbered and the street signs are unrecognizable. Does the city plan to do anything about this? KC, ST JOHNS

A. How do you expect to get your pizza delivered without numbers on your house? And more seriously, in case of emergency police, fire and hospital vehicles would be lost, too. City hall says it's the property owners responsibility to number houses. The local postal service can refuse mail delivery to new homes unless numbered. But if at a later date owner takes down the numbers mailmen must continue to deliver. The city can refurbish the street signs and is making every effort to do so along with other city signs.

The Clinton County Mental Health Center needs a used desk and chair. Anyone wishing to donate this much-needed equipment should contact Mrs Sue Benson at the mental health office at 224-6729. They're located at 300 E Sturgis in St Johns.

## Speak Out

A new addition to Fact Finder begins this week in the Clinton County News. The new feature, "Speak Out" will ask for your views on local issues.

This week's question is: "Once again, Daylight Savings Time will be on the ballot in November. WILL YOU VOTE IN FAVOR OF IT THIS TIME?"

YES NO

To express your opinion, mail a card with your "Yes" or "No" answer and comments to the Clinton County News or dial 224-2361 Monday through Friday, 8 a.m.-5 p.m.

## Douglas Knight wins contest

ST JOHNS -- DOUGLAS KNIGHT of 6521 West Walker Road, St Johns is the \$20 winner in this week's football contest sponsored by THE CLINTON COUNTY NEWS.

Douglas earned the prize on his tie-breaker point total in the Michigan State-Notre Dame game. Two contestants missed one in the contest. Douglas edged out Thomas A Rewerts of 604 West Walker Street, St Johns with a total of 31 points in the tie breaker while Thomas guessed a total of 49 points. The final score of the game was 16-0.

Tentative figure of \$1,821,900

# County presents budget

ST JOHNS -- The tentative budget for 1973 is \$1,821,900. The 1972 budget was originally set last October at \$1,577,780.50, but the operating budget was later raised to \$1,658,000.

That figure represents an increase of \$165,230 in the budget for the coming year. Major increases presented in the budget are:

chairman, Gerald Lankford, are in the Mid-Michigan Health Department, Tri-County Mental Health and public improvements.

but passage is not expected until the Oct 24 session of the Clinton County Board of Commissioners.

amended either way before the first of the year.

Division chairmen for the '73 Clinton County United Fund campaign are ready for Tuesday's kick-off. On the line are from left, Dan Chisholm, Bob Holzhei, Wayne Hicks, Doug Carpenter, Lester Lake, Rolan Sleight and Emil Fiermoen. Leading the team is vice chairman Charles Huntington.

## Clinton County kicks off \$29,000 United Fund drive

ST JOHNS -- Clinton County kicks off its 1973 United Fund drive Tuesday with a breakfast at the Colonial Restaurant. Speaking to area workers at the 7:30 a.m. event will be Sam Serrell, Clinton UF chairman. The morning affair and weekly report luncheons are being sponsored by county businesses.

Goal for the '73 fund raising campaign is \$29,000, according to Charles Huntington, vice chairman. "There is

a generosity potential in Clinton County well over \$30,000," he commented, "which makes this goal not out of line."

Huntington reports that 114,476 persons were served from the money collected in the '72 Clinton drive. Some 28 agencies, both local and county and state associations and national organizations, received funds.

CLINTON COUNTY'S United Fund is

directly affiliated with the Lansing Community Chest. Seven divisions have been established this year for the 4-week drive. There will be no door to door canvass.

Divisions are Dan Chisholm, government; Wayne Hicks, commercial; Emil Fiermoen, industrial; Doug Carpenter, professional; Bob Holzhei, education; Rolan Sleight and Lester Lake, special gifts, and area, no

chairman. Anyone if the county can give through special gifts which also includes those who aren't in business, retirees or newcomers. Contributors should contact Sleight at 224-3978 or Lake at 224-2417.

Other areas are Tom Hundley, city employees; Rev Averill Carson clergy and Steve Bakita, school staff outside of teachers.

Section leaders in charge of the campaign in various school areas are Dale Nuoffer covering Bath with his team; Lucile Missimer, DeWitt; B Stanley Pocusis, county, Jean Temple, Ovid-Elsie; Robert Berry, Fowler, and Dennis Toth, Westphalia. Covering area towns are Iona M. Wicks, Bath; Charles Moore, Ovid; Robert Bloomer, Elsie, and John Rademacher, Fowler.

The campaign, themed by "Thanks to You It's Working" will end Nov 16. A United Fund marker will be erected on the courthouse lawn to show the campaign level at various stages.

## Award contract bid for Bath sewer

A \$2,293,583.53 bid was awarded Oct 6 by the County Department of Public Works for the construction of the Bath sewer project.

Awarded the construction contract was Fisher Contracting of Midland. The Midland firm bid on all 3 phases of the

contract, offering a 3.5% deduction if awarded all 3.

The remainder of the approximately \$4.2 project money will finance construction contingencies, money set aside to DeWitt Township for hook-ins

to existing sewers, enlarging of a treatment plant in DeWitt Township, technical and legal costs, fiscal administration and capitalized interest. Of the total project figure, about \$750,000 is expected to be financed through a state Department of Natural Resources grant.

APPROVED BIDS will go to the Michigan Municipal Finance Commission for state approval before bonds can be sold.

Currently Bath Township has voted 4-3 in favor of the project, but the state required a 5-2 vote before bonds can be sold.

Roy VanSickle, DeWitt Township supervisor, told the Clinton County News, "Those voting 'no' are not voting against the sewer project. It is a fact, the area has a good chance of getting a federal grant and we think we should wait."

VanSickle said the bill which would provide for the grant went to President Richard Nixon last Thursday and is now awaiting his signature.

If such a grant is approved, the township could receive 75% federal assistance and, could conceivably, receive another 15% from state sources for 90% of the total project cost.

VANSICKLE SAID those on the Township board now voting for the project most likely feel the governmental unit should not wait any longer to go ahead with the sewer project.

After the Nov 7 election, the 4-3 vote could change with, at least 2 new officials to take office.

Both a trustee and treasurer spot is open on the ballot and running for reelection are the clerk, treasurer, superintendent and another trustee.

For details on individual home owner sewer hook-in and debt retirement, see the front page of last week's Clinton County News.

## Two will receive honors by Chamber

Two St Johns area residents will be presented major awards next Tuesday evening (Oct 17) during the annual Chamber of Commerce banquet to be held at Daley's Restaurant.

A total of nine nominations were received for the awards which will honor the outstanding Chamber member and a person from the area who has contributed greatly to community activities.

Featured speaker for the event is MSU head basketball coach Gus Ganakas and reservations can be made

by calling the Chamber of Commerce office, 224-7248.

In addition to the two top awards the senior president's plaque will be presented to the oldest living past president of the Chamber and a number of certificates will be given for service to the community and Chamber activities. Names of all recipients of the awards will be announced the evening of the banquet.

Chamber of Commerce vice president Bill Patton is in charge of all arrangements and emcee for the evening will be Bob Ditmer.

## No more "city" asks Post Office

The St Johns Post office is making an appeal to all residents within the St Johns delivery area to no longer use the word "city" on mail addressed for local delivery. Postmaster Keith Mishler has announced.

All "outgoing" mail is now sent to the Lansing Sectional Center for processing. The word "city" is causing

delays in mails destined for local delivery.

Postmaster Mishler also reminds customers that local mail is still processed in the St Johns Post office, and that all mail for St Johns delivery should be addressed St Johns, MI 48879 and deposited in boxes marked for "St Johns Only."

## Pair receive life sentences

ST JOHNS -- Richard David Collins, 39, Lansing, and William Franklin Graves, 30, Eaton Rapids, were sentenced to solitary confinement at hard labor last Monday for the murder of Ivan Hempsted, a Round Lake grocer shot in the head during an armed robbery.

The pair were sentenced by Circuit Judge Leo Corkin, saying a maximum penalty is mandatory in first degree murder cases.

Charges are still pending on assault with intent to commit murder, a result of head wounds suffered by Mrs Hempsted during the incident. She has recovered from those injuries.

Connie Burnham, 19, crowned Clinton County Farm Bureau Queen Tuesday night at the county annual meeting, will represent Clinton at the State Pageant in Grand Rapids Nov. 8. State winners will then go to the American Farm Bureau Convention in Los Angeles Dec 10-15. Delegates were elected at the county meeting and resolutions were voted upon, the most important segment of the meeting.

# Clinton scene in photographs

The highlight of a week's hunter safety course offered to 180 9th grade boys in St Johns this week was an on the sight target practice. There Art Stratton, a qualified volunteer, shows a group proper pistol usage while in the background students are listening to teacher Wayne Morrison explain rifle safety. The course is required for boys between the ages of 11-16 before hunting is permitted. The one week course was offered during physical education classes and certificates were awarded to the students.

Clinton County hunters, Bob Speidel (left) and Gary Ernst found opening day success when they bagged 2 Canadian geese Friday. They brought down the geese at the Maple River near Maple Rapids about 2:30 Friday afternoon.

Members of the Ovid-Elsie FFA Meats Team will be participating in the National FFA contest held this week in Kansas City. From left are: Larry Martin, coach, Mike Rummell, Charlie Green, Debbie Holton and Cris Miller. The students will be in competition with other students from 40 different parts of the United States. This group placed first in the state contest held last April, which made them eligible to travel to the Kansas City convention. The students are all members of the junior class at O-E.

## Open house deadline

Anniversary open house articles accompanied by a photo must be in the News office no later than 5 p.m. on Friday to insure coverage in the next edition of the paper.

Articles brought in later than Friday will be used as time and space allow.

Two of these students from Ovid-Elsie High School will reign as King and Queen over the Homecoming activities this Friday evening. From left to right in the bottom row are: Bobette Hubbard, Debbie LeMarbel, Linda Morgan, Kathis West and Nancy Foran. Top row from left are: Marc Flegel, tom Kirinovic, Jim Kelley, Dan Egbert and Randy Loynes. An open dance will be held in the cafeteria following the football game between O-E and Ithaca.

## Commends Blaine Lentz

OID-ELSE- Letters of Commendation honoring them for their high performance on the 1971 - Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test have been awarded to one student at Ovid-Elsie High School, principal Blaine C. Lentz has announced.

The Commended student is Linda Ercourth who is the daughter of Mrs. Ila Ercourth of 105 South Park Street, Ovid. Linda is a senior and co-editor of the yearbook. Her other activities include: National Honor Society, treasurer of the senior class and Pep Club and Powderpuff football team. She hopes to attend Eastern Michigan University.

The National Merit Scholarship Corporation (NMSC) has named 37,000 Commended students in the United States. These students are among the upper 2 percent of those who are expected to graduate from high school in 1973. The Commended students rank high, but below the 15,000 Semifinalists announced in September by NMSC.

Edward C. Smith, president of NMSC, said: "Although Commended students advance no further in the Merit Scholarship competition, their standing in this nationwide program deserves public recognition. Their high performance on the PSAT/NMSQT shows promise of continued success in college."

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Both these students and our nation will benefit from their continuing educational development."

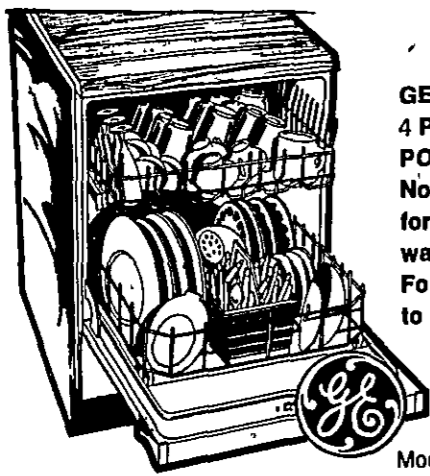

The Commended students' names are reported to the colleges they named as their first and second choices when they took the PSAT/NMSQT in October 1971. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students. NMSC encourages these students to make every effort to continue their education.

### O-E plans parents visitation

**OID-ELSIE** - Parents in the Ovid-Elsie School district are invited to participate in open house activities being held at the schools during American Education Week observed Oct 23-27.

Approval of the program came from the board Monday night during its regular session.

A series of open houses have been planned and parents of all students are invited to visit the school during regular school hours. High school parents who visit the school on Monday Oct 23 throughout the day and from 7-9 pm. will be able to follow their children's daily schedule by visiting each of their classrooms. Identical programs are planned for the elementary school on Tuesday, Oct 24 and the junior high on Thursday, Oct 26. Supt Donald Kenney said that he is

hopeful parents will take this opportunity to visit the school.

In other business the board read a letter received from the Clinton County Road Commission in answer to a request to have the speed limit reduced on Hollister Road, adjacent to the school. The request was made due to heavy traffic conditions during school hours. Road Commission officials stated they had turned the letter over to the State Police for further study.

Approved in-service meetings for teachers with the first one to begin on Oct 26. Details and future dates will be worked out by the administration.

Tabled a bid on the re-roofing of E E Knight Junior High School from Kaufman Construction Company. The board will meet at the site on Monday, Oct 16 to look over the Kaufman proposal before a decision is acted upon.

Heard a report from Charles Holcomb, a teacher of emotional disturbed children, who is interested in competitive swimming for students. Board officials expressed interest in the program however decided to begin with an intramural and club-type program which will give them time to revamp the pool with needed equipment for a competitive program.

### Bid date set for highway work in Clinton County

Bids will be taken Oct 18 in Lansing on highway projects totaling \$200,000 in Clinton and Eaton Counties, State Senator William S Ballenger (R-Owosso) has announced.

Bids will be taken on \$200,000 worth of concrete pavement repairs on US-27 from north of Cutler Road near Lansing to near Walker Road north of St Johns. Damage to pavement resulted from "blow-ups" during hot days of early summer. Repairs will be made using quick-hardening concrete to reduce disruption of traffic. Schedule for completion is November, 1973.

### B & Es keep Clinton Sheriff's Dept busy

Breaking and enterings have kept the Clinton County Sheriff's Department busy during October.

A larceny of a 12-gauge shotgun from the Harry Huntoon residence in Elsie is currently under investigation by Richard Mav-Clinton Sheriff's Dept detective and Russell Bouck, Elsie chief of police.

Two suspects were arraigned Tuesday following an Oct 13 breaking and entering and theft of rifles and shotguns, 3 movie cameras and a projector.

Arrested were Gilbert (Correa, 26, 1925 Thompson, Lansing and LaRue Monique, 27, 420 W Grand River, Lansing.

The front door was pried open, the safe door was also pried open and the door handles were knocked open, but the thief was still unable to open the safe.

Gilbert Thelen, manager reported nothing was missing.

In another incident Oct 6, a prospective thief was scared away by the neighbors of John Bundy, R-2, DeWitt.

After breaking into the home, the individual was scared away by neighbors who followed at speeds of up to 80 miles per hour, but were unable to catch him. Nothing was reported taken from the home.

Still under investigation is an Oct 7 breaking and entering at the William Davis residence, R-1, Eagle.

Taken were files, shotguns, a radio, sewing machine and electric drills valued at \$800.

A total of \$15 was taken from the Page Gulf Service at Ovid when a window was broken and the money was taken from the office.

Sheriff's Department authorities are investigating the theft.

THE ARRESTS followed investigation by the Sheriff's Dept. Lansing police detectives and the Lansing State Police.

May said the subjects have been involved in 80 house breaking and enterings and owners of homes broken into in Clinton have been notified of the arrests.

An Oct 4 incident at the Union 76 station, corner of US-27 and Alward is under investigation. Taken were 2 cases of soft drinks and the soft drink machine was broken into after being forced open.

No luck for the thief was reported in the breaking into of Westphalia Milling Co.

Ralph Kirch, executive secretary of Michigan 4-H Foundation chats with Mrs Robert Zeeb, and John Alysworth about the upcoming 4-H Bonanza. The event will be held Oct 13-14 in Michigan State University's Jenison Field House.

### 4-H Bonanza auction loaded with items

EAST LANSING - Scores of Michigan citizens are joining in support of Michigan's 4-H youngsters. They have already donated more than \$100,000 worth of items to be auctioned during 4-H Bonanza, Oct 13 and 14, in Michigan State University's Jenison Field House.

Proceeds from the auction will go to Michigan 4-H programs, including those for underprivileged youngsters.

Included will be a number of top quality appliances and motor vehicle maintenance items will be up for sale at the 4-H Bonanza Auction to be held in Michigan State University's Jenison Field House Oct 14.

All proceeds from the sale will go to the Michigan 4-H Foundation to promote 4-H youth programs and projects throughout the state. Most of the auction items have been donated to Bonanza by individuals, business and industries located in Michigan. A few products have come from out-of-state donors. Bidding will begin at 10 am and continue until 6 pm.

Included among the appliances to be offered for sale is Comfort-Aire Twin Pac remote air conditioning system with a 6,000 BTU/hr. cooling capacity. The Twin Pac received the 1972 Michigan Week Product-of-the-Year award in the

consumer products division and has been donated by Heat Controller, Inc. of Jackson.

Other appliances to be auctioned off are a Foodarama refrigerator from Kelvinator, Inc of Grand Rapids; a Whirlpool automatic washer from the Whirlpool Corporation of Benton Harbor; a Whirlpool electric dryer, also from the Benton Harbor firm; and a dehumidifier donated by the Addison Products Company of Addison, Mich.

MOTOR VEHICLE maintenance aids and accessories include 30 cases of car coolant (6 gallons per case), 30 cases of carburetor cleaner, 20 cases of chrome vinyl cleaner and 10 consumer product gift packages—all from the Dow Chemical Company of Midland. In addition, Wollam's West Side 66 Service of Traverse City has donated a pair of 6.95x14.00 tubeless Town and Country snow tires by Firestone.

More than \$150,000 in products have been donated to Bonanza thus far and more are expected before auction day arrives.

Chairmen of the event are Dr Clifton R Wharton Jr, president of MSU; Elton Smith, president of the Michigan Farm Bureau; and Benson Ford, vice president and director of Ford Motor Company.

Art Linkletter will emcee the show which will include an evening banquet Friday night, Oct 13.

The Saturday auction will include two auction rings going at the same time, plus a flea market.

Some of the more unusual donated sale items include the biggest Petoskey stone ever found (283 lbs), a champion Hereford heifer donated by Gordie Howe, another Hereford heifer donated by former MSU President John Hannah, a large tractor (Ford 8000) donated by Ford Motor Company, a champion Arabian mare valued at over \$25,000, a six-man charter fishing trip, plus hundreds of other items.

Anyone can come to the Saturday auction. Admission is free, and visitors will be entertained by Linkletter, Miss Langdon and others.

# Redwings down Ionia

Gary Mankey and Bruce Cameron ripped apart the Ionia Bulldog defense Friday night to lead the St Johns Redwings to a 12-7 West Central League victory.

Mankey carried the ball 18 times and picked up 139 yards including a 59-yard touchdown run while Cameron went over the 100-yard figure with 117 in 25 carries.

Ionia was the first to score in the contest at St Johns when Gene Stebbins ran the ball in from the 1-yard line, capping a 50-yard Bulldog drive. Steve Walter kicked the extra point to give Ionia a 7-0 1st quarter lead.

The Redwings struck back in the opening quarter with Mankey racing 59 yards for

the St Johns TD. With the running conversion attempt unsuccessful, St Johns trailed 7-6.

**THE LEAD** changed for good in the 2nd quarter when quarterback, Kevin Knight, scored on a 1-yard quarterback sneak. The extra point attempt failed.

Neither team scored again in the contest and the 12-7 victory evened the Redwing season record at 2-2 and leaves them unbeaten in league play.

The St Johns offense ran for 249 yards and picked up 13 first downs.

Ionia rushed for 85 yards, with another 39 yards coming on a 4-for-13 night in the air. The Bulldogs picked

up 15 first downs. Penalties cost the Redwings 140 yards and Ionia was assessed 39 yards in penalties.

**A TIGHT DEFENSE** was a key factor in the Redwing victory with Bruce Irish tackling 20 Bulldog runners and Randy Devereaux had 12.

Three Bulldog passes were picked off by the Redwing defensive squad. Cameron, Knight and Jim Lynch each stopped Bulldog offensive

series with interceptions. Coach Ernie Becker credited 2 defensive players with preserving the St Johns lead late in the game.

"Two defensive efforts were really significant," Becker said. "The first was a tackle by Jerry Smith which stopped in Ionia reverse play for a 10-yard loss.

"Randy Devereaux made a key tackle late in the 4th quarter with Ionia on our 15-yard line and then he intercepted a pass that stopped

another 4th quarter scoring threat."

**THE REDWINGS** travel to Lansing Friday for a contest with Waverly, who lost to Alma 20-0 last Friday.

Alma's and St Johns' victories put the Redwings and Panthers in a tie for the West Central League lead. Both have 2-0 records in league play.

Waverly has a 1-3 record for the season.

## Another shut-out for Redwing frosh

Ionia became the 3rd straight shutout victim of the St Johns freshmen Redwings Thursday 32-0.

Nick Koenigsnecht led the frosh Redwings with 3 touchdowns on runs of 15, 6 and 4 yards. He rushed for 162 yards in 21 carries.

David Snyder scored another St Johns run on a 4-yard run and Nick Pytlowanyj added the other score on a 32-yard pass from Tim Knaus.

Knaus also passed to Carl

Bashore for a 2-point conversion.

Alert defensive play resulted in recovered fumbles by Dan Whitmore and Leon Parker. Koenigsnecht, Eric Gross and Jeff Brasington each picked off Ionia aerials.

Pytlowanyj was also credited with blocking an Ionia punt.

Coach Roger DePaape commented on the strong play of his squad and said, "I'm really pleased with the

offense and defense of this squad."

Assistant coach, John Wilcox expressed the same sentiments about the overall play of the squad and credited much of their success with the "quickness" of the frosh players.

The Redwings piled up a total of 264 yards rushing with another 57 yards in the air.

The freshmen Redwings travel to Waverly Thursday with gametime set at 5:15 pm.

Things got a little crowded for this unidentified St Johns runner who struggled for yardage with 2 Ionia Bulldogs hanging on. St Johns defeated Ionia 12-7 and is now tied for the league lead with Alma, both undefeated in conference play.

## St Johns Jayvees win

After a first half marred by mistakes, the St Johns junior varsity gridders put it together in the second half to defeat Ionia 28-6.

The Redwings scored first in the contest on a 4-yard run by Scott Smith, but Ionia came right back to put ball in from the 1-yard-line to tie the score 6-6.

Ken Andrews pounced on an Ionia fumble in the end zone to put St Johns ahead in the 2nd quarter to give the Redwings a 12-6 halftime lead.

Kalem Latimer broke loose for a 45-yard touchdown run in the 3rd quarter to put the Redwings on top 18-6. Danny Salazar then ran in the 2-point conversion for a 20-6 St Johns lead.

**LATER IN THE 3rd** quarter, Ray Schneider hauled in a 20-yard pass from Brian Fertler for the final touchdown of the game. Again, Salazar ran the 2-point conversion to cap the 28-6 victory.

Coach Al Werbish was pleased with the 2nd half performance but said, "We had a very slow start and made a lot of mistakes in the 1st half. But, in the 2nd half, the boys put it together and cut down on the errors."

He cited the defensive efforts of his squad and said, "I've got to commend the defense for their 2nd half efforts. Both the defensive

line and secondary held Ionia to little yardage and the 2nd defensive team went in the 4th quarter and did the same job.

"Our offense, as well as the defense, really shone in the last half."

Individually, Werbish praised the play of Jeff Thornton with 11 tackles and Mike Beaufore with 8. The defensive effort was also aided by 4 interceptions by 4 different players: Thornton, Petter, Ron Keck and Drew Carpenter.

**THE REDWING** offensive squad picked up 273 yards on the ground on their way to their 2nd win of the season

with no defeats. They tied Holt last week 14-14.

# DeWitt blanks unbeaten Bellevue

A 65-yard pass play with 1:32 to go in the 1st half provided DeWitt with a 6-0 Homecoming victory over previously unbeaten Bellevue Friday night.

The winning, and lone, score of the game when Randy Lankford connected with Tom Couling on the 65-yard scoring combination.

A stingy defense made the narrow 6-point margin sufficient, allowing Bellevue only 41 total yards and blanked the visitors in the 1st down column. The aerial offense of Bellevue was also

contained with only 2 completed. Meanwhile DeWitt piled up 214 yards on the ground and 67 in the air. A total of 12 1st downs were picked up by the DeWitt offense.

**LEADING THE OFFENSE** was Duane Shooltz with 92 yards in 12 carries.

**DEFENSIVELY**, Coach Tom Isanhart recognized the play of Dave Pratt, Murray Brockway, Joe Cavanaugh, Chris McNelly and Jerry Marriott.

He also praised the play of Randy Pitts and Ron Van-

Duesen for the effective roles in blocking for DeWitt runners.

Isanhart singled out Tom Couling, who caught the pass for the winning score, and was instrumental in stopping the offensive sweep of Bellevue, which had led the visitors to a 3-0 record before Friday's contest. Couling was also one of 3 players in the final quarter to intercept passes, the others belonging to Doug Black and Bruce Brown.

**DEWITT IS HOME** again this Friday when they take on Springport.

DeWitt's Duane Shooltz, led by blocker Gary Bouts, picks up yardage against Bellevue Friday night as the Eagles took a 6-0 victory over the previously undefeated visitors.

# Fowler keeps unbeaten record with 20-14 overtime victory

Fowler's Larry Halfman pounded out 199 yards against Laingsburg Friday night to pace the league leading Eagles to a 20-14 double overtime victory.

Fowler dominated the 1st half of the Laingsburg Homecoming, scoring in the 1st quarter on an 8-yard run by Halfman, who made it 8-0 when he added the 2-point conversion.

In the 2nd quarter, Halfman scampered in to the end zone on a 39-yard run. With the conversion attempt unsuccessful, Fowler held a 14-0 halftime lead.

A fired up Laingsburg squad scored in the 3rd quarter on a 7-yard run by Gary Juylle. Dan Doyle added the 2-point conversion.

**WITH THE SCORE** 14-8 and only about 3 minutes left on the clock, Gary Muylle

uncorked a pass to Doyle for a touchdown combination that covered 23 yards.

Fowler's defense stifled the 2-point conversion attempt and the score was knotted 14-14.

With regulation time running out, Fowler's offense got the ball to the Laingsburg 40. Mel Pohl came on with 3 seconds on the clock and booted a 40-yard field goal attempt against the wind, that fell just short.

In the 1st overtime period, Laingsburg put the ball over, but a 15 yard penalty nullified the effort.

Then, twice it appeared Fowler had the ball across, but officials ruled that the 1st ball carrier fumbled and the 2nd was inches short.

With Fowler on the 1-foot line on 4th down, Spicer put the ball across for the 20-14 victory.

**IN PACING** the Fowler running attack with 199 yards, Halfman, carried the ball 31 times for his best game of the season after strong performances in the season's 1st 3 games.

The Eagles' offense was balanced by the running of Pat Thelen with 26 yards and the passing of Scott Spicer who was 2-for-5 for 41 yards.

**DEFENSIVELY**, coach Steve Spicer commended the play of Russ Nobach, defensive halfback, who "played a good game against the Laingsburg sweep."

Fowler will take their unbeaten record to Potterville Friday night. Potterville is 1-3 for the season, and lost Friday to Springport, who is tied with Fowler for the CMAC lead.

Unable to launch a scoring offense, Pewamo-Westphalia was shut out Friday by Portland St Pats, with both teams now holding 2-2 records.

St Pats scored in the 2nd and 4th quarters to take the 14-0 victory over P-W. The victor's 1st score came with 5 seconds left in the 1st half when Terry Baker slammed over from the 1-yard-line and Tom Russman added the 2-point conversion.

Pewamo-Westphalia held St Pats scoreless in the 3rd quarter, but Dan Lenneman scored from the 4 in the final period for the 14-0 victory. ST PATRICK rushed for 166 yards, adding another 13 in the air.

P-W running back, Roy Piggott carried the ball 9 times for 43 yards to lead his team offensively. Because of yardage lost through tackles in the backfield, P-Ws official rushing statistics were 34 yards.

Quarterback Randy Walter was 6-for-18 in the air for 57 yards.

Defensively, P-W was led by Charlie Bengal with 4 solo tackles and 8 assists and Mark Spitzley with 3 solo tackles and 8 assists.

Pewamo-Westphalia takes on Bellevue Friday in the P-W Homecoming.

Bellevue was unbeaten until Friday when DeWitt celebrated their Homecoming with a 6-0 victory over the CMAC foe.

### Player of the week

Fowler's Larry Halfman earns this week's Player of the Week honors with his 199 yards and all of the regulation period scoring in the Eagles' 20-14 victory over Laingsburg.

Halfman had 199 yards in 31 carries and scored 2 touchdowns on runs of 39 and 8 yards. He also ran in the 2-point conversion on the 1st touchdown. Quarterback Scott Spicer put the game on ice in double overtime with a 1-foot scoring plunge.

Honorable mention goes this week to St Johns' Gary Mankey and Bruce Cameron who led the Redwing victory over Ionia; DeWitt's Tom Couling who caught a touchdown pass and stopped the Bellevue sweep to lead the 6-0 victory over their previously unbeaten opponents; and Randy Loynes of Ovid-Elsie who paced the Marauders to the Friday night victory over St. Louis.

It's a long reach for this unidentified Fowler defender in the dark jersey as 1 of the 7 completed Laingsburg passes reaches its destination. Fowler led early in the game, but Laingsburg came back in the 2nd half to tie the game, forcing it into double overtime. Fowler won the double overtime tilt, 20-14.

# Ovid-Elsie hands Sharks first defeat

Tom Kirinovic uncorks a scoring pass to Randy Loynes in the final quarter of Friday's Ovid-Elsie victory over St Louis. Blocking for Kirinovic is Rick Staples (dark jersey, left) and Gary Groom (dark jersey, right).

Ovid-Elsie picked up their fourth win of the season with a 26 to 12 victory over previously undefeated St Louis.

O-E wasted little time in scoring their first TD set up by a 40 yd scamper by fullback Rick Staples. Staples was pulled down on the three yd line but on the next play Gary Groom went in for the six pts. The try for the extra point was no good.

O-E's second TD was set up by a fumble recovery by Doug Keck on the St Louis 30 yard line. Quarterback Tom Kirinovic scored the final first half TD on an 11-yard run around left end.

O-E lost many other scoring drives in the first half by the 126 yards in penalties that were picked up in the game.

Dale Miller started the second half with a bang as he returned the St Louis kickoff 85 yards for a TD and Gary Groom who threw the key block to spring Miller loose on the run ran, scored the two pt conversion to put O-E ahead 20-0.

O-E held Joe Vetere, St Louis's outstanding halfback to less than 100 yds rushing for the first time this season. Vetere, who had over 360 yds in three games this year and six TD's finally broke loose on a fifty yard run but was caught from beyond on a fifty yard run but was caught from behind on the two yard line by def halfback Jim Lawrence. Vetere, after two

unsuccessful dives into the line picked up his seventh TD of the young season on a two yd run. The try for extra pt was no good.

O-E came right back for another six with QB Tom Kirinovic hitting end Randy Loynes on a 45 yd scoring strike. Loynes who has caught 6 passes this year has picked up TDs on four of them.

St Louis scored their last TD with 6 seconds left in the game as O-E coach Mark O'Donnell let the reserves finish out the game.

O'Donnell praised the offense for running up the points but he especially singled out the play of Rick Staples. Staples who has lettered for three years on the O-E Varsity was hurt last week and did not practice until Thursday. However he set up the first TD and he sacked the St Louis quarterback twice for losses and caught the speedy Joe Vetere 3 times for losses as he tried to run around Staples defensive end position. Staples had 10 tackles.

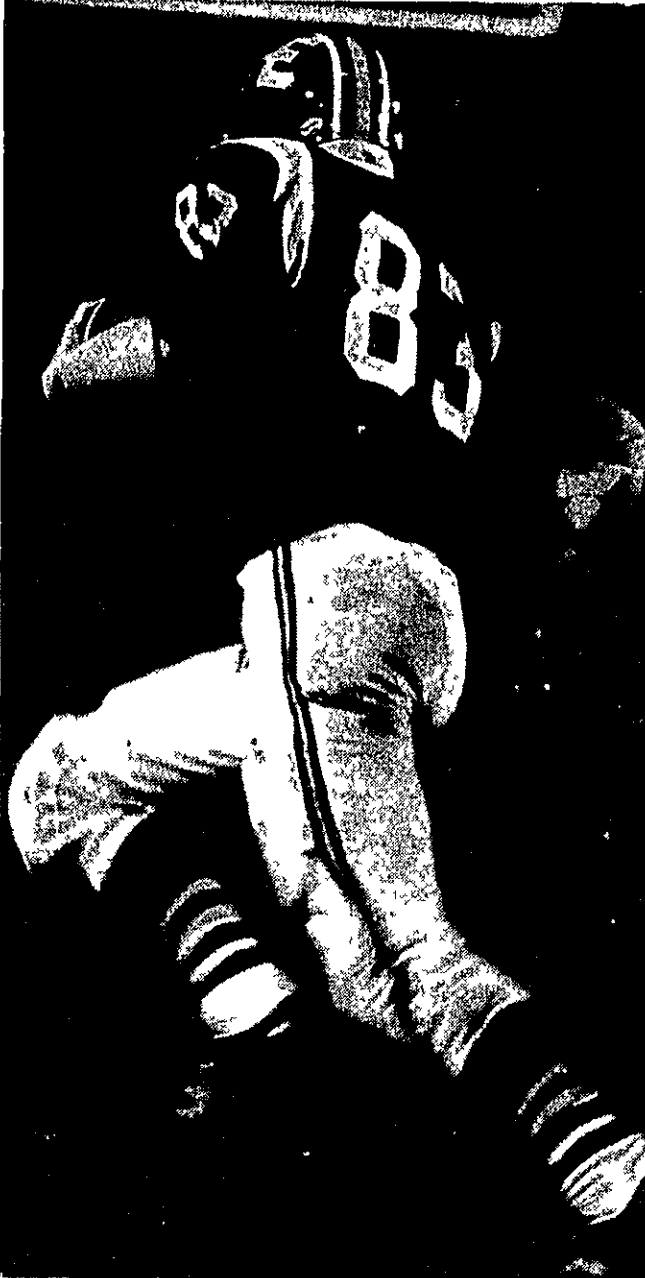

Lynn Webster also had a good night with eleven tackles. Randy Boles received the best hit award and he had 7 tackles and the only O-E interception of the night. The O-E defense gave up only 90 yds to St Louis rushing and St Louis completed 6 of 15 passes for 48 yards while O-E picked up 190 yds rushing and passing.

The O-E JV's picked up their third victory of the season 28 to 0 over St Louis. Tom Quine, Paul Case, Brian Welton and Jack Bashore all picked up TDs. The JV's will be at Ithaca Thursday night at 7:00.

The O-E Freshmen also picked up their third win of the season 34 to 6 over the St Louis fresh. Kevin Byrnes had 3 touchdowns and Jim Galecka and Jim Lockwood each added a TD to the winner's side. The freshmen will entertain the Ithaca freshmen at home tonight at 7:00.

The Varsity will entertain the Ithaca 11 at home Friday for their Homecoming game.

The O-E coaches nominated Rick Staples for player of the week. He picked up 54 yds in 2 carries and set up the first TD and his outstanding defensive play contained the high scoring sharks of SL. "We knew that we needed him on defense more than offense so we didn't let him play anymore offense after we got the first TD," commented Coach Mark O'Donnell.

Randy Loynes heads for paydirt after hauling in a Tom Kirinovic pass, to score Ovid-Elsie's 4th touchdown in their victory over St Louis Friday night.

# Couple travel north after wedding rite

DeWITT -- Rev Murl Eastman performed the wedding ceremony which united in marriage Cynthia Ann Gilbertson and William Ronald Murray. Fall colored mums decorated the altar of the DeWitt Community Church for the double ring service.

Organist for the 7 pm service was Mrs Don Reed.

The bride is the daughter of Mr and Mrs Roy Gilbertson of 502 West Washington Road, DeWitt and the groom is the son of Mrs Lester Brockwell of Lansing.

The bride was given in marriage by her father and chose a Victorian-style gown of candlelight satin styled with a high neckline and Bishop sleeves adorned with hand-clipped Chantilly lace and pearls. A bow trimmed the back of the bell skirt. Her chapel-length mantilla veil with layers of imported illusion was covered by a triangle of hand-clipped Chantilly lace and she carried a bouquet of natural wheat.

Maid of honor was Suzanne Phillips of DeWitt and assisting as bridesmaids were Wendy Austin of Howell and Becky Rizor of Lansing. The attendants wore full skirted gowns styled with a lace trimmed candlelight bodice and a brown velvet skirt. A brown Victorian headpiece secured their brown tulle veils and they carried a bouquet of mums in fall colors.

Best man was Jim Murray, brother of the groom, and serving as groomsmen were Craig Gilbertson, brother of the bride, and Mark Hayes, friend of the groom. Seating the guests were ushers Pat Murray, brother of the groom and Mark Lorenzen, cousin of the groom.

The couple greeted 150 guests at the reception which was held at the DeWitt Memorial Building following the ceremony.

Special guests at the

couple will make their home at 303 Wilson, DeWitt.

The bride is a 1970 graduate of DeWitt High School and the groom is a 1970 graduate of Sexton High School.

MR AND MRS JERRY LEE BERNATH

## Couple wed in afternoon service

**BANNISTER** -- Rev. Thomas Kowalsczk performed the Saturday, Sept 30 wedding ceremony which united in marriage Helen Sue Hospodar and Jerry Lee Bernath. The altar of St Cyril's Catholic Church was decorated with white and pink carnations for the 4 p.m. double ring ceremony. Soloist was Mrs Lois Williams and accompanist was Mrs Earl Slagh. The bride is the daughter of Mr and Mrs John Hospodar of 2426 East Colony Road, St Johns and the groom's parents are Mr and Mrs Frank Bernath of 300 West Oak Street, Elsie. The bride was given in marriage by her father and chose a full-length gown featuring an empire-style waistline, long sheer sleeves, ending in a pointed cuff and a high collar. Her chapel-length veil was

secured by a headpiece of lace and pearls and she carried a cascading bouquet of white carnations and pink sweetheart roses. The bride's sister, Mrs Glenn Nobis of Muir, was matron of honor and serving as bridesmaids were Sherry Pont of Atlanta, Ga., Judy Richert of Ann Arbor and Victoria Gade of Dundee, Ill. The attendants wore floor-length gowns styled with a pink bodice with a ruffled collar and cuffs and a wine velvet skirt. They wore a headpiece to match their gowns and carried a nosegay bouquet of white carnations and pink sweetheart roses. Best man was Ronald Klemish of Lansing and serving as groomsmen were John Hospodar, St Johns, brother of the bride, Terry Bernath, Elsie, brother of the groom and Kim Geiger, Ovid. Seating the guests

were ushers Larry Bernath of Elsie, brother of the groom, and Glenn Nobis of Muir. The couple greeted 450 guests at the reception which was held at Slovak Hall in Bannister. The new Mr and Mrs Bernath will make their home at 5725 Orchard Court, Lansing. The bride is a 1970 graduate of St Johns High School and Lansing Business University. The groom is a 1966 graduate of Elsie High School and is a 1968 graduate of Ferris State College.

MRS WAYNE L. HYDE

## Linda Ashbaugh now Mrs Wayne Hyde

ST JOHNS - The United Methodist Church in St Johns was the setting for the Saturday, Sept 30 wedding ceremony which united in marriage Linda Mae Ashbaugh and Wayne L Hyde.

Rev Francis Johannides officiated at the double ring service before an altar decorated with baskets of white and yellow roses and white mums. Organist was Barbara Davis and soloist Donald Valentine rendered "I Love You Truly," "Because" and "The Lord's Prayer."

The bride is the daughter of Mr and Mrs Ernest Ashbaugh Jr, of R-3, St Johns and the groom is the son of Mr and Mrs R G Hyde, also of St Johns.

The bride, given in marriage by her father, chose a floor-length white gown of bridal satin with a chiffon overlay. The gown was styled with the sleeves, bodice and train trimmed with lace flowers with accents of green.

The gown had a natural waistline, a fitted bodice and

sheer long chiffon sleeves. Her waist-length two-tiered veil was trimmed with lace and she carried a bouquet of yellow roses accented with white satin ribbon and fern.

Maid of honor was Darlene Weber of St Johns and assisting as bridesmaids were Judy Hyde, St Johns and Nancy Hartsuff, East Lansing. Flower girl was Theresa Hyde, niece of the groom. The attendants wore apricot crepe gowns with a chiffon overlay featuring a high collar, long sleeves, trimmed with a lace and small flowers and an empire-style waistline.

Headpieces of chained daisies with apricot ribbons entwined and secured their white veils and they carried a bouquet of yellow and orange mums.

Best man was Robert Lowe of St Johns and assisting as groomsmen were Lawrence Pierce, St Johns, and Robert Ashbaugh, St Johns, brother of the bride. Seating the guests were ushers David Piggott

and Daniel Piggott, both of Fowler. Ring bearer was Tim Hyde, nephew of the groom.

A reception was held at the VFW Hall in St Johns immediately following the service.

Special guests at the wedding and reception were Mrs Nielsine Deyarmond, grandmother of the bride, and Frank Desprez, grandfather of the groom.

For travel on their wedding trip in Northern Michigan the new Mrs Hyde chose a coral print dress trimmed with white lace.

Upon return the couple will make their home at 4038 West Hyde Road, St Johns. The groom is a graduate of Rodney B. Wilson High School and the bride is a 1971 graduate of St Johns High School.

### MEETINGS

The 8 & 40 Salon No 581 met at the home of Mrs Etta Smith on W French Rd with eight members present.

Mrs Velma Beaufore was the installing officer and the following members took office. Mrs Marjorie Pardee, Petite Chapeaux; Mrs Frances Conn, La Demi Petite Chapeaux Premier; Mrs Ann Walker, La Demi Petite Chapeaux Deuxieme; Mrs Evangeline Caudy, La Petite Secetaire and Cassiere; Mrs Cereida Hicks, La Archiviste; Mrs

Elnor Bell, La Aumonier; Mrs Etta Smith, La Concierge; Mrs Nelda McWilliams, Pouvoir.

Mrs Elnor Bell won the mystery package.

A social hour followed the business meeting. The next meeting will be at the home of Mrs Marjorie Pardee.

MR AND MRS MARK BEAGLE

## Roberta Wright now Mrs Mark Beagle

Floral baskets and candleabra themed the wedding setting at Central United Methodist Church in Lansing Saturday, Sept 23, as Roberta Kay Wight became the bride of Mark Owen Beagle. Their double ring afternoon ceremony was performed by Dr Howard Lyman in the presence of some 200 guests. Ed Kivela was wedding soloist.

Miss Wight is the daughter of Mr and Mrs Kenneth Wight, 123 Marsh Dr, Grand Ledge. Parents of Mr Beagle are Mr and Mrs Chester Beagle, R-1, Eagle.

A bridal gown of white lace was chosen by Miss Wight. Fashioned with fitted bodice and full skirt, the delicate patterned lace overlay was duplicated on the sheer lace sleeves. A matching lace trim also bordered her full length illusion veil which cascaded from a face-framing lace bow headpiece. She carried a colonial bouquet of roses.

Preceding the bride down the aisle as matron of honor was Mrs Natividad Medina of St Johns. Bridesmaids were Patricia Beagle of Eagle, Lou Ann Emick and Sue Wartella, both of Grand

Ledge. Their identical dresses featured bodices of burgundy velvet complemented by pink chiffon skirts, and they carried bouquets of pink roses. Flowergirl was Theresa Beagle.

Best man was Matthew Beagle, and groomsmen were Clinton Beagle, Bruce Elliot and Natividad Medina. Guests were seated by Alan Emery and Richard Beagle. Ringbearer was Anthony David Medina.

A special wedding cake centered decorations at the reception following the ceremony in the church dining room. The cake, made by Mrs Lawrence Kavanagh of Williamston, a family friend, featured a decorative fountain and miniature dolls dressed in gowns matching those worn by the attendants.

Special guests for the occasion were grandparents of the couple, Mrs Ivy Bird of Ypsilanti, Mrs Lillian Wight of Grand Ledge and Mrs Chester Beagle of Eagle.

The new Mr and Mrs Beagle planned to travel in northern Michigan on a honeymoon and will make their home at 817 N Clinton, Grand Ledge, upon return.

## Mrs K L Jones host music group

Mrs K L Jones was hostess to members of the St Johns Morning Musicales at their second meeting of the club year, Thursday morning, Oct 5, at her farm home.

During the business meeting, conducted by the president, Mrs Winchell Brown, plans were discussed for the approaching convention of the South Central District of the Michigan Federation of Music Clubs, scheduled for Thursday, Oct 19, at the First Congregational Church in St Johns.

Arrangements were also discussed for the forthcoming exchange meeting with the Matinee Musicales of Lansing, Nov 1, when Mrs Basil Deibert will have charge of a program on the music of World Wars I and II.

Mrs Deibert, program chairman for the year, led the group in the singing of the French National anthem, "Les Marseilles," with Mrs H W Lundy at the piano. Mrs Lawrence Fish introduced the program for the day and Mrs Richard Jacoby gave a commentary on 17th century French composers, Jean Phillippe Rameau, Jean

Baptiste Lully and Francois Couperin.

Mrs H M. Bross played a piano arrangement of Rameau's "Le Tambourin", written originally for harpsichord. Mrs Ronald Duguay sang "Forest Gloom" by Lully, accompanied by Mrs Dean Stork, and Mrs John Caudy completed the musical program with the playing of piano arrangements of two harpsichord pieces of Couperin, "Water Reeds" and "Troubled Soul."

By popular request, Mrs Maurice Witteveen played at sight part of a novel composition by Rameau entitled "La Poule" which translates "The Hen."

The next regular meeting of the Morning Musicales will be at the home of Mrs Frederick Lewis Nov 9. The Classical period of French music will be the topic for that day.

Ovid-Elsie Band Boosters will meet Monday, Oct 16, in the Band Room at 7:30 pm. All parents of band students are invited.

Plans are being made for the annual Smorgasbord. Several meetings have been held by Mrs Charles Swender and Mrs William Staples, co-chairmen. Mrs Tom Pollard and Mrs Gerald Davis are co-chairmen of the kitchen committee with assistance from Mrs Irene Mead.

Congratulations to the Ovid-Elsie Band for that fine half-time show! Seen working in the concession stand in spite of a broken arm was Mr Lawrence Marriage. Long after the last whistle blew, Ron Miller kept the popcorn machine

operating to satisfy the insatiable appetite for "more popcorn" of the football fans. Others helping were Mrs Rex Ballantine, Mrs Lawrence Marriage, Mrs Ronald Miller, Mrs Robert Hardaker, Mrs Charles Warner, Mr and Mrs Don Hinkley, Mrs Don Reynolds, Mrs Tom Pollard, Mrs Gaylord Long, and students, Eldna Marriage, Grant Palen, Greg Staples, Dave Staples, Dan Copelin, Randy Pollard and Doug Mack.

MRS WILLIAM HAMBLETON

**Woodbury-Hambleton Meeting wedding rite held**

ST JOHNS - Rhonda Faye Woodbury became the bride of William Richard Hambleton Saturday, Sept 30 in a 7 pm wedding ceremony held in the United Methodist Church in St Johns.

Rev Francis C Johannides officiated at the double ring service before an altar decorated with vases of white fuji mums and candelabra with sprays of fuji mums and pompons.

Organist for the ceremony was Mrs Barbara Davis and Tom Fowler and Judi Capper rendered "I Love Thee" followed by "Wedding Prayer" and "Wedding Song."

The bride is the daughter of Mr and Mrs Howard Woodbury of 204 North Traver, St Johns and the groom is the son of Mr and Mrs Don Hambleton of 221 Moores River Drive, Lansing.

The bride approached the altar with her father and chose a floor-length gown of silk organza and Rosepoint lace styled with a high lace neckline, long lace fitted sleeves and empire-style waistline atop an A-line skirt. Lace medallions trimmed the skirt. Her floor-length mantilla veil was edged with Rosepoint lace and she carried a cascade bouquet of 3 white cattleya orchids, yellow sweetheart roses, staphanotis, ivy and orange blossoms from her mother's bridal headpiece.

Maid of honor was Mary Lefevere of St Johns and assisting as bridesmaids were Marie Woodbury, sister of the bride, Mrs Wayne Woodbury, sister-in-law of the bride, both of St Johns, Annette Hambleton, Lansing, sister of the groom and Ann Davis, of St Johns. The attendants wore a gown of yellow silk organza with a chiffon overlay styled with an empire-style waistline, chiffon lantern sleeves and a white decorative trimming on the bodice. They wore a headpiece of white cymbidium orchids with bows and streamers and carried hurricane lamps with a cascade arrangement of cymbidium orchids.

Best man was Brian Woodbury, brother of the bride, and serving as groomsmen were Robert Cartwright, St Johns, Barry Knotts and Dale Knotts, both of Cincinnati, Ohio, and Dave Hambleton, brother of the groom. Wayne Woodbury, brother of the bride, ushered.

Immediately following the service a reception was held at the Clinton County Club with 250 guests in attendance.

Special guests at the wedding and reception were Mrs Geneva Kaltrider of St Johns, grandmother of the bride, and Mrs Eloise Hambleton of St Johns, grandmother of the groom.

For travel on their wedding trip to Northern Michigan, the new Mrs Hambleton chose a brown and white knit pantsuit.

Upon return the couple will reside at 301 East Gibbs, St Johns.

The bride is a 1971 graduate of St Johns and is employed in the office of Dr Albert Nelson.

The groom is a 1969 graduate of Sexton High School and is employed at Oldsmobile.

Twenty four members of Clinton County Retarded Teachers Association and four guests were present, Monday, Oct 2 to attend a salad bar luncheon.

Discussion and planning for the restoration of a rural school took place.

Caroline Anderson, program chairman, introduced Mr and Mrs Holland Capper. Mr Capper is state president of MRTA and presented an interesting and informative talk, answering many of questions on legislation.

Neva Pope accompanied the group in a song fest.

Percis Cortright introduced her mother, Mrs Welter and her aunt from Coldwater, who displayed and explained their fantastic button collections. These buttons are made from a variety of materials such as plastics, celluloids, vegetable, minerals and animal. They cover many eras, dating to pre-civil-war days.

They also displayed the styles and uses from all parts of the world. This valuable and large collection was obtained by purchasing, trading, and as gifts from friends.

The November meeting has been cancelled as arrangements and reservations are being made for a Dec 7 meeting, which will include dinner for members and their husbands at Bill Knapps. The group will attend the musical "She Loves Me" at the Red Barn at Okemos. Thelma Wiesmuller is in charge of the arrangements.

SEW WITH KNITS! This seems to be everyone's motto these days. Knits are chosen most often because of their easy care qualities, wrinkle resistance and stretchability.

They are constructed with one continuous fiber so they have different qualities from a woven fabric.

When sewing with knits: Select a pattern that is designed expressly for a knitted fabric. These usually incorporate the stretchability of the knit into the garment. So, don't try to use them for a weave that does not stretch. You may not be able to get into it once it's finished. The openings are designed to squeeze into, so the zippers are shorter and the neck openings are smaller.

One pattern company has printed a stretch gauge on the face of their envelope to show the consumer just how much stretch a swatch of fabric must have to make the garment from that pattern. You hold the edge of fabric at one line and it must stretch to the other line for the go ahead signal.

Always be sure to shrink your fabric, or the shift may be a shell after one washing. This goes for polyester too.

When laying a pattern on knitted fabric be very wary of CREASES! Most creases are permanent. To save fabric some people prefer to use the crease on the sleeve shoulder line.

If you have already made the mistake, the center of your dress may be marked for life. But you might try a solution of 1-1 WHITE vinegar and water. Saturate a cloth and place it on top of the garment, then steam the crease. It works to set a crease too.

Use SHARP scissors, pins and sewing machine needles. The smallest bur can pull your thread. Dull scissors

will chew the fabric. Polyester, especially, will dull scissors and even pins and needles very quickly. Ball point needles and pins are a good investment. The ball goes around the fiber, not through it.

For less roll in seams use a good dose of spray starch along the edges. Or zigzag them with your sewing machine.

Always use a polyester thread or a "polyester core cotton" thread. It stretches more. A small stitch stretches more, too, than a larger one. This keeps maintaining those ripped seams down to a minimum.

A loose, even tension works best if your machine does not have a stretch stitch setting.

On October 18 at 7:30 pm in the Central National Bank Community Room we'll have a program designed especially for those who like the quickie finishes and short-cut techniques for knits.

Techniques in the spotlight will be: Patch pockets, setting in sleeves, sewing facings and putting in hems that stay.

Admission is free. Be sure to mark your calendar to reserve the date.

The Briggs Company, Realtors honored Gerald Pope at a retirement party Oct 2, at Jeanne's Beans. All employees were present and shared in the festivities. They presented "Jerry" with a calendar watch.

Pope has been associated with the company for over 27 years and he wants to thank many friends and customers for their loyal support.

Noelle Aimee Jacqueline Piggott, daughter of Mr and Mrs Raymond J Piggott of South Oakland Street, St Johns was introduced into society Sunday, Oct 1. A baptism party was held in her honor in the Vagabond Room at Jeanne's Beans.

The pink and white motif was carried out in bouquets, finger refreshments and champagne punch.

Noelle was born Sept 6 at St Lawrence Hospital in Lansing.

Special guests included the Godparents, Mrs Roland Duguay, Edward J McMullin, paternal great-grandparents, Mr and Mrs Joseph S McMullin, paternal grandparents, Mr and Mrs Raymond G Piggott, 4 brothers, Dinald, Michael, Patric and Jacques, 1 sister, Elizabeth and close neighbors and friends.

Dennis J Dunkel, son of Mr and Mrs John Dunkel of 1504 E Walker Rd, St Johns, has been transferred to Albuquerque, New Mexico.

Dennis is employed with Allied Radio Shack. He started with the company, November, 1971, after serving four years with the US Navy, at the Meridian Mall in Okemos. In January, 1972, he was given the

managership of a store located in the West Main Mall in Kalamazoo. In March he was given the "Top Dog" award for his store for highest sales in that District.

He began his new position as assistant manager on Sept 25 at the largest of four stores in Albuquerque.

Dr and Mrs Clyde Wilcox and Mrs Louis Storr of Marshall, attended the 11 pm service at First Congregational Church Sunday. Dr Wilcox is Minister Emeritus of the Church.

Mrs Joe Gasser of Interlochen, was in St Johns last Tuesday as a guest of Mrs Lester Lake.

Mrs Roy Davis is in Colorado visiting her son-in-law and daughter, Mr and Mrs Russell Richardson, and their son, Reuben, at their home near Yuma. Mrs Davis made the trip especially to see a new grandchild born last week.

Mrs Carl Schutt of Jackson, spent the weekend with her brother and his wife, Mr and Mrs Alden Livingston, and her sister, Mrs K L Jones. Mr and Mrs Michael Zigler have moved recently from N Scott Road to W French Road. They are living in the house formerly owned by the late Mr and Mrs James Campbell.

Mrs Conrad Seim, Mrs Roy Briggs and Mrs H M Bross attended the concert by the Israel Philharmonic Orchestra held last Tuesday night at Michigan State University Auditorium.

Mr and Mrs Gordon Barclay of Belleville, Ontario, were weekend guests of Mrs Harold Millman. The Barclays are former St Johns residents, and Mr and Mrs Robert A Conn entertained a group of old friends in their honor Sunday evening.

**Open Letter**  
from VAN W. HOAG

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family.

The clergyman should be consulted in matters that concern him before any decisions are made.

Respectfully,  
Van W. Hoag

Mrs Sharon Vitek and Mrs Lorraine Kudwa, co-chairmen of the upcoming St Joseph Altar Society card party and style show display the main prizes that will be awarded. The event will be held in the school gym at 8 p.m. Tickets are now on sale in downtown locations or may be purchased at the door.

**Plans underway for St Joseph party**

ST JOHNS -- The St Joseph's Rosary Altar Society card party and style show will be held Thursday, Oct 19 at 8 pm. The party which has been a successful event in the past, will be held in the school gym.

Chairman and co-chairman of the evening are Mrs Sharon Vitek and Mrs Lorraine Kudwa.

Clothing modeled will be from Carol Ann Shop, Julie K, Rehmann's Men and Boy's Wear and MacKinnon's. An added feature this year will be a boutique table of homemade items donated by the women in the parish. Several of the articles are clever gift items for Christmas.

A dessert smorgasbord will feature a number of foreign specialties and numerous prizes will be given away. Among them will be a service for 8 of Ironstone dinnerware and a service for 8 of stainless steel flatware.

A raffle drawing will be held during the evening and the prize will be a snowmobile weekend for two at Bear Mountain with the use of two snowmobiles. In lieu of the trip, a cash prize of \$150 will be awarded.

Admission for the evening is \$1.25 and tickets are now on sale at stores supplying the clothing for the style show or may be purchased at the door.

**Births**

Mr and Mrs Robert E Williams of Mount Clemens, accompanied by their two children, spent the weekend with their parents, Mr and Mrs Robert L Williams and Mr and Mrs Frederick Lewis.

Mrs Frederick Lewis, Mrs Marie Lynam and Mrs H M Bross were in Vermontville Saturday, to attend the fall meeting of the Western Michigan Association of the Congregational Christian Churches. Dr and Mrs Clyde Wilcox of Marshall, were there also representing the First Congregational Church of St Johns, of which they are members.

In the election which was held, Rev Averill M Carson of St Johns, was elected Moderator, Mrs Lewis was elected secretary, and Mrs Bross was elected to the extension committee. Mrs Basil Deibert is a member of the executive committee of the association.

DeWITT - Although the DeWitt Harriers do not have any fantastic runners this year, they do have 5 men who make up the bulk of the varsity and run together as a very fine team.

Senior Co-Captains Dale Young and Doyle Foland have, so far this year been the top 2 runners, but have been followed closely by junior Mike Mandrick, senior Bill Garland and junior Chris Skoczylas. Also battling it out for 6th and 7th spot have been sophomore Barry Mallard, junior Mark Dolby, and senior Kent Parker. Both Parker and junior Tom Warner have been out of action due to leg injuries and are just starting to work out.

The JV have been paced by Ron Berryhill and Bruce Ferguson, followed by Jim Elkins, Rocky Rushton, Larry Bates, Terry Anderson, Jim Mandrick, Mike Lynn, Tim Devereaux and Mark Acuna. Tom Mauro is coach for both teams, and is a great asset to them.

Although DeWitt's dual record itself isn't impressive, this is due to the fact that they have been competing mainly against class A and B schools. In their first taste of class C competition at Olivet, DeWitt finished fourth of 16 teams, and were edged out of

third place medals by only 3 points. The team is hoping to finish a solid second in the regionals and 1 of the top 10 in the state.

### 4-H director gets new post

Gordon L Beckstrand, state director of 4-H-Youth Programs since 1964, has been named professor, Extension Education Systems, at Michigan State University.

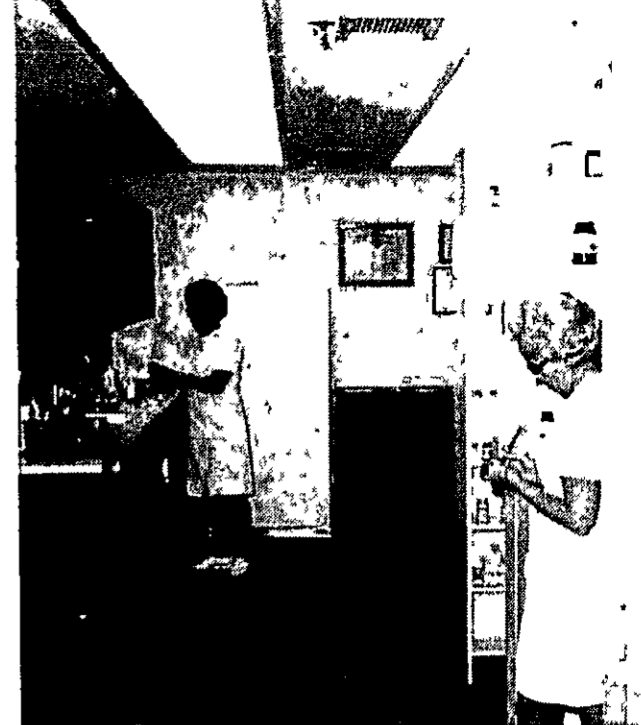

His appointment Oct 1 continues a career in extension education which began in Utah 23 years ago.

According to G S McIntyre, director of the MSU Cooperative Extension Service, Dr Beckstrand's primary focus in the newly created position will be to help increase the effectiveness of information transfer between the state and county extension staffs and their clientele groups.

BECKSTRAND brings to the job 15 years of experience in the Cooperative Extension Service in Utah as well as nearly eight years in 4-H-Youth Programs at Michigan State University. He has served as county agricultural agent, district extension director and director of 4-H-Youth Programs.

Cindy Jaskiewicz, DeWitt Homecoming Queen, is crowned by last year's Queen, Debbie Clayton. Dan Davis, last year's King, crowned the 1972 King, Tim Farr. DeWitt gridders made the Homecoming celebration complete with a 6-0 victory over previously undefeated Bellevue.

The Carson City Hospital has taken on a new look with the completion of the new remodeled pharmacy department. The department was forced to expand its services with increased patient volume.

## Carson City Hospital pharmacy dept larger

CARSON CITY - The Carson City Hospital has completed the remodeling of the Pharmacy Department.

This was necessary because of requirements of State licensing agencies and to handle the increase in volume within the department since the hospital bed size was increased from 70 to 100 acute beds with the closing of the Extended Care Facilities.

The increase in the size of the Pharmacy was made possible by the construction of a new doctor's dining room to the east of the corridor to the south patient area. This allowed the pharmacy to utilize the space of the former doctor's dining room.

In addition to additional shelving space it allowed for

a secretarial area for the employees in the department, plus a separate office for the chief pharmacist Bill Fife and his assistant Dick Fife.

The old pharmacy plus the expanded area has been completely remodeled with new metal shelving and most areas have metal doors on the storage cabinets which have stain close to actual wood design.

The lighting was improved with new air handling equipment added which includes air conditioning and the entire area has had carpet installed.

Employees in the department are: Barbara Duerr, Lorraine Fitzpatrick who are full time employees with Robin Frye and Theresa Schneider assisting on a part time basis.

Now you can help UNICEF help many children by saving proof of purchase seals from different products. The management behind these products have pledged so much money per label that they receive.

The Fowler FHA is willing to mail these in if people will supply them. There are three different ways to participate in the program.

-1) Put them in the boxes that will be located in the side entrances and in back of church. (Holy Trinity and St Paul's)

-2) Give them to any person attending any one of the Fowler Schools to be put in the boxes at school.

-3) Save them until the night before Halloween, and give them to the FHA Girls when they come to make their annual collection for UNICEF.

These are the things you can save that will be accepted:

-Empty Kool Aid Packages - Just two of these will protect 1 child against smallpox.

-Welch jam, jelly, or preserves labels - Just 1 label will supply enough antibiotic to save 1 child from blindness due to trachoma.

-Royal Dessert front panels - Just 2 panels can deliver 1 week's supply of high-protein food supplement for 1 child.

-Willy Wonka's candy bar wrappers - One of these wrappers can buy enough vaccine to protect 1 child against tuberculosis.

-Swift Premium Franks labels - Two of these labels will supply 4 week's of vitamins for a child or mother.

-Captain Crunch, Treat or Life coupons - Just 1 coupon will buy enough dry milk to make 10 glasses of liquid milk for a hungry child.

-Clark or Clark Smile gum outer pack wrappers - Make sure you put in only outer wrappers, not the individual gum wrappers. Five empty packages of these will vaccinate 1 child against diphtheria, whooping cough, and tetanus.

Fall harvest keeps Co-op busy

# Beans are big business in Clinton County

By LEE PETERS  
News Staff Writer

ST. JOHNS. -- Beans are big business in Clinton County.

That's what Art Romig will tell you. And he ought to know after 20 years in elevator work.

In his 12 years at St. Johns Co-operative Co., Romig has seen the North Clinton Avenue operation grow to the largest in the county. Fall harvest is the busy season for Romig and the 16 employees at the 1920 established elevator.

CROPS FROM A 14-mile radius started coming in the end of September. "We've been dabbling in navy beans about 3 weeks ago," Romig

explained, "and we're now getting in full swing." White beans will be followed by Kidney beans, soybeans and corn, he added, continuing until Dec. 1.

At the feed mill and bean plant on Railroad St, truckloads of beans are dumped into a pit for cleaning. They go over a mill which takes out dirt, pods and other foreign material. Weighing is done by George Higgins, mill operator.

The percentage of cull discolored beans is determined with anything below Grade 1 deducted from the price as the processing equipment turns out only top grade. Moisture basis is 18 per cent, according to Romig, and anything over that has to be dried which

also means a price reduction.

"The conditions of navy beans is surprisingly good for the weather we've had," the elevator manager revealed. "Yield is good even with the rain kill and excess water damage, he feels. "The way the farmers have been talking," he relayed, "it looks like a 25 bushel per acre average."

Navy bean opening price started out at \$10.50 a hundred weight. Now it's down to \$8 which Romig thinks is an average price. "At least 50 per cent of the white beans are still out," he explains, "and if the balance are harvested in good conditions the market probably won't see much of an advance."

PRICE IS ESTABLISHED

from the supply and demand of Campbell's and Stokley-Van Camp. St. Johns Co-op does its major business with the 2 major companies out of Indianapolis, Ind with the beans shipped by truck.

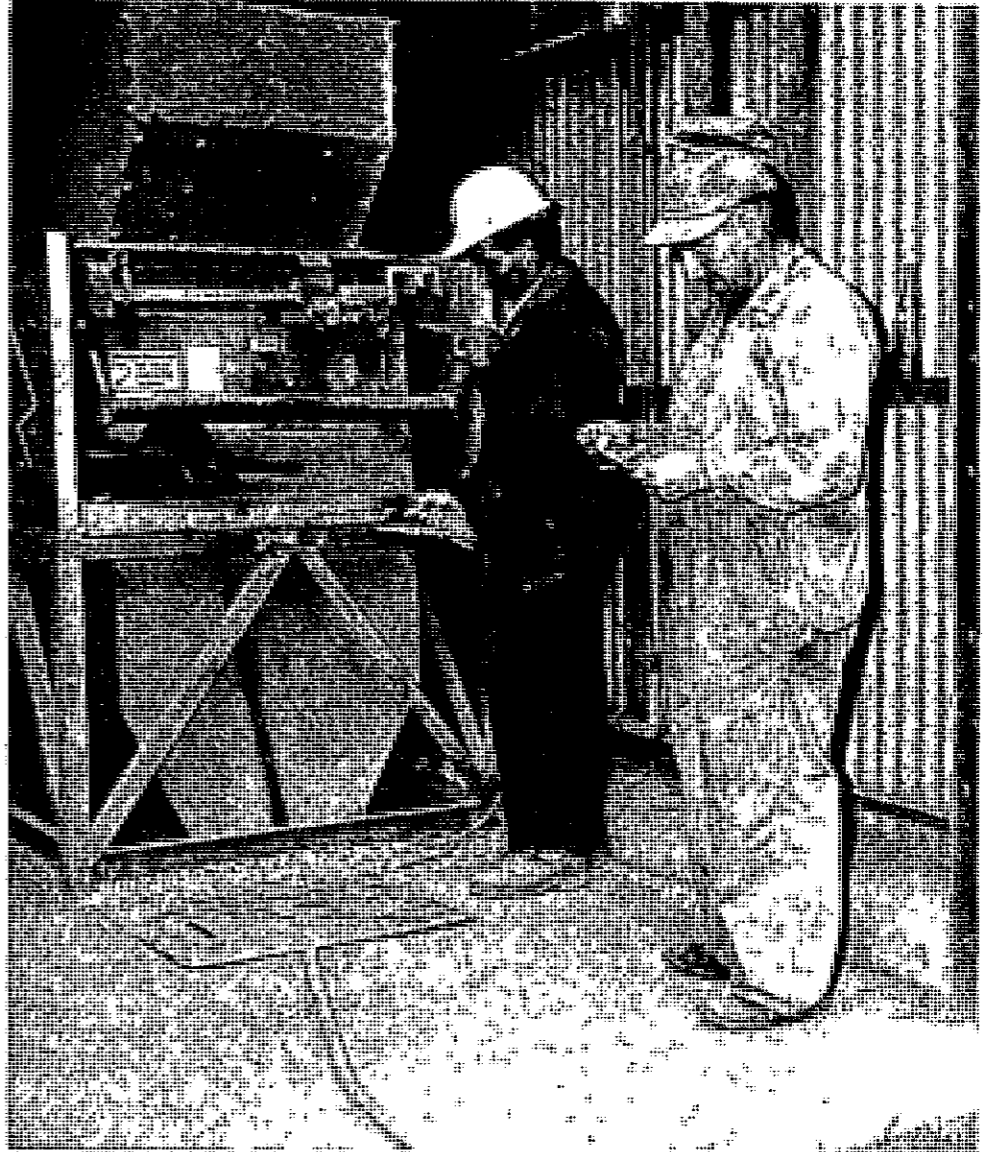

Romig estimates the normal consumption of navy beans in the United States at 4,800,000 cwt b a g s. Any excess of that must be exported and he foresees a harvest across the country of 6 to 7 million cwt bags. At St Johns Co-op 30,000 cwt bags are predicted.

FARMERS GOING TO ST Johns Co-op are storing their navy beans, Romig says. "We can store about 70,000 bushel or around 45,000 cwt

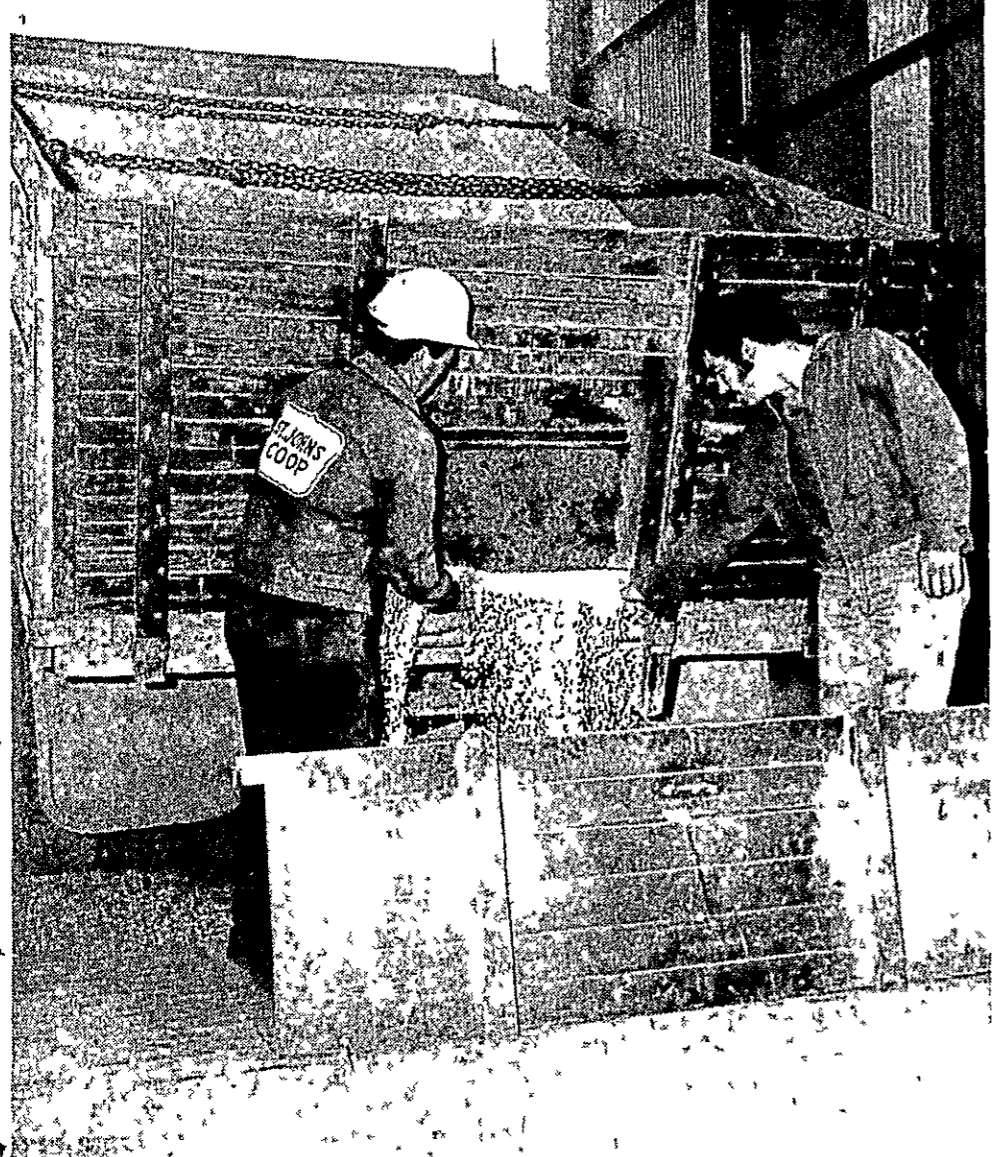

bags which includes a double silo facility," he adds. Terminal date on storage is May 1, a detrimental hot period.

Romig explains most farmers are looking for an increase in price through storing and "we advise it as an orderly way of marketing." But the decision of when to sell, he stressed, is completely up to the farmer.

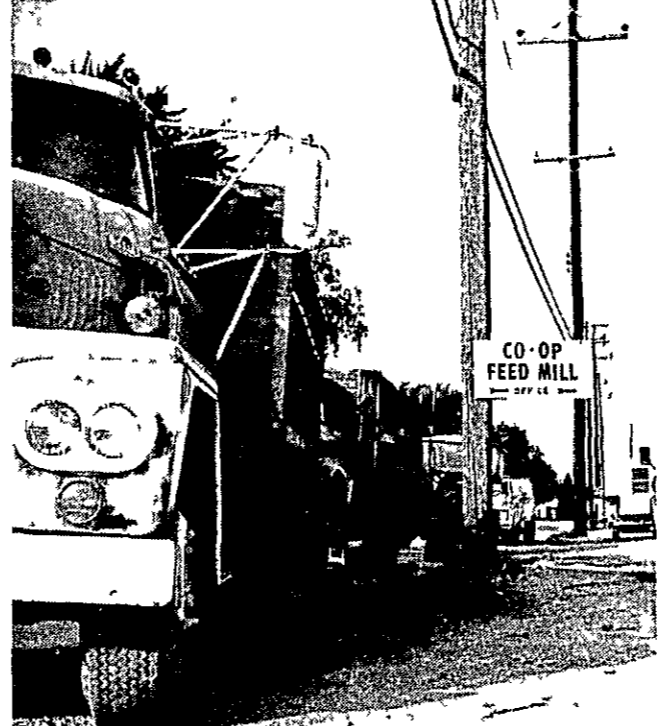

St Johns Co-op, which stretches 2 blocks along the railroad is owned by the farmers totaling 968 stockholders. F a r m e r directors set the policy of the elevator at their annual meeting. Net margins are distributed back to the farmer patrons.

A truckload of navy beans is dumped into a pit for cleaning at St Johns Co-op Co by mill operator, George Higgins. Farmer Doug Thurston looks on.

Higgins weighs a load of beans for Oscar Fritz, Clinton County farmer.

## Clinton bandsmen march with Spartans

Some of the most colorful events at Michigan State University are the performances of the 225-member Spartan Marching Band during MSU's home football games.

Among the 83 new members this fall are Dennis Hunt of Ovid and Tom Reed of DeWitt.

For the first time in the organization's 102-year history, women are marching in the ranks due to a ruling by the Board of Trustees in July.

The band, which has recently completed 10 days of intensive rehearsal, will perform at games being held on Oct 7 (Notre Dame), Oct 21 (Wisconsin), Nov 4 (Purdue), Nov 11 (Ohio State), and Nov 25 (Northwestern). A special band trip to Ann Arbor for the MSU vs Michigan game is scheduled for Oct 14. Two games are to be televised pending final contracts with

the TV networks. Hunt, the son of Mr and Mrs Darwin L Hunt of 424 N Main, Ovid, is a freshman majoring in music at MSU. He is a 1972 graduate of Ovid-Elsie High School. Reed, a freshman majoring in public school instrumental music, is a 1972 graduate of DeWitt High School. He is the son of Mr and Mrs Willard Reed of 11377 E River Dr, DeWitt. Leading the band are Kenneth Bloomquist, director of bands, and assistant director David L. Catron.

A PERSONAL LOOK AT THE NEWS

# Thanks to fire fighters

The 51st anniversary of Fire Prevention Week is being observed during the week of October 8-14, beginning the second half-century of this countrywide campaign.

It is a fitting opportunity to reflect upon the increasingly important role of the fireman today, the Insurance Information Institute points out.

Fire statistics are appalling. The National Fire Protection Association says that 12,200 persons died in fires last year -- the sixth straight year that more than 12,000 have perished from fire.

Among children 1-14 and adults 45-64, fire is the leading killer in home accidents. Insurance Services Office estimates that private property valued at more than \$2.2 billion was lost to fire during 1971.

While these facts illustrate how fire hurts, both human and property losses would have been worse had it not been for the valiant efforts of fire departments across the nation.

THE 1971 property loss exceeded \$2 billion for the second straight year, but was down slightly from the record 1970 loss. This was the first year-to-year decrease since 1964.

While fire fighting is the most dramatic role of a fire department, fire prevention and fire detection have higher priorities, since the best defense against blazes is to stop them before they start, or at least contain them as quickly as possible. The effectiveness of fire fighters' efforts in this direction is evident. Although the dollar loss has risen steadily over the years, the ratio of losses to the aggregate value of property subject to such losses has been declining for many years.

In the area of fire prevention, most departments preach the fire safety gospel to business, civic, social, educational and religious groups.

Department specialists inspect buildings in their area, concentrating on installations that have the highest potential of incidence.

Such inspections go beyond the buildings, as it is also important to check fire hydrants and water supply to assure serviceability. Maintenance of apparatus is a key part of every fire fighter's job; the equipment simply must respond when called upon in emergencies.

DURING PERIODS of "taxpayer revolutions," which force municipal budget cutting, fire prevention programs are often the first to be reduced and the last to be expanded. Many fire department budgets are not increased in relation to boosts in construction and population. Often, departments are forced to battle fires of the 1970s with equipment of the 1940s.

Arson, which is essentially a social problem, rises in frequency year after year. In 1964, there were 17,400 reported cases of arson, according to the National Fire Protection Association. By 1970, this number had advanced to 65,300, and the figure keeps rising.

False alarms create still another problem. While these seem to many to be a relatively harmless incident at a time when serious crime continues to rise, the professional fire fighter knows better. While chasing down the false alarm, the defense against real fires is weakened. Also, hundreds of firemen are injured annually while rushing to false alarms.

Violence also has reared its ugly head against firemen. More than 300 were injured during civil disorders or in acts of individual violence during 1970.

Altogether, fire fighting has become one of the country's most dangerous jobs. The National Commission of Fire Prevention and Control reports that 210 firemen were killed and 38,583 injured in the line of duty last year. According to the International Association of Fire Fighters, the rate of death in the line of duty among fire fighters last year rose to 115 per 100,000 men, compared to 35 line-of-duty deaths per 100,000 in 1964.

DEDICATED FIREMEN thus deserve our thanks during Fire Prevention Week and our appreciation and assistance throughout the year.

### MICHIGAN IN OCTOBER

October bids you welcome  
 And begs of you to stay,  
 No landscape boasts more color  
 In autumn's grand display;  
 You lovers of the outdoors  
 Will find here much to praise,  
 Be sure to take advantage  
 Of these rare October days!

Most gorgeous of leaf color  
 Most varied crops in field,  
 Be fish or hunt your pleasure  
 Our fields, and streams will yield;  
 The ozone in October  
 Sure whets the appetite,  
 If in Michigan your staying  
 You planned exactly right!

The harvest moon shines brightest  
 If for moons you are inclined  
 And whether eight or eighty,  
 It's all a state of mind;  
 So pick your spots n' hardners  
 On land or nearby cake,  
 If it's Michigan in October  
 You'll be sure it's no mistake!

WARREN E DOBSON

### ONE YEAR AGO Oct 13, 1971

A series of counterfeit \$20 bills have been circulating the Lansing-Clinton County area and bank officials have warned residents to be alert in spotting the forgeries.

The Clinton County Farm Bureau held its special 52nd annual meeting Tuesday night at Smith Hall in St Johns to elect a new president and several members of the board of directors.

Mary Black, daughter of Mr and Mrs Bernard Black of Bath was chosen "Farm Bureau Queen" at the group's annual meeting.

A pictorial representation of the major elements which comprise life in Clinton County has been mounted along a 40 foot wall span in the auditorium of the St Johns Municipal Building.

Harold Wellman, president of Central National Bank, was elected a director on the board of Industrial Phosphating Company Inc of St Johns.

Federal-Mogul has announced two promotions. Richard Bancroft, foreman of inspection, has been promoted to quality analyst and Larry Bashore, class A inspector, has been named inspection foreman.

### TEN YEARS AGO Oct 11, 1962

The "middle block" of the Clinton Avenue business district was brightened considerably with the completion of sparkling new glass and aluminum fronts and an overhead canopy on the Insurance Exchange and an adjoining building.

Eighth District

### 25 YEARS AGO Oct 9, 1947

There has been no move by St Johns restaurants and eating places to fall in line with President Truman's request for a meatless day each week with another becoming an eggless, poultryless day.

Norman Tatroe was elected president of the senior class at Rodney B Wilson High School, with Fred Pasch, vice-president; Eva Mesh, secretary; Eleanor Rehmann, treasurer; Marcia Moore, and Alan Williams, student council representatives.

A large barn on the Rose and Vail farm on Cutler Road was destroyed by fire after being hit by lightning.

Charles Olson, star pitcher of the Ovid high school baseball team, proved himself quite a versatile young man when 10 hogs he had raised were all given "choice" ratings at a Detroit showing.

A new home economics extension group was organized at the home of Mrs Paul Eldridge of St Johns. They have named the group "Jolly Homemakers."

### FIVE YEARS AGO Oct 9, 1967

Michigan newspaper readers should brace themselves for an endless siege of articles explaining what some lucky bugger is going to do with \$1 million.

It is still illegal to play church bingo in my favorite state. Oh Kiss-Again My Michigan. Not long ago, in my favorite town, a state trooper was pressured into resigning as Legion commander because his post held weekly bingo games.

The thinking, apparently, was that it was OK for a cop to turn his head while Maude Frickert bets cash she can beat other Little Old Ladies at putting beans on cards. But the cop shouldn't be the one covering Maude's bet. Hypocrisy should be worn sneakily, like torn underwear; not flaunted, like a red cape.

However, Maude shouldn't despair of escaping the underworld. She can soon gamble for riches legally, without going to the racetrack. By Christmas, the state lottery will be in business. For a 50-cent ticket, she might win \$200,000. And she can do a lot better than buy her ticket from a local cop. She can buy it from Gus Harrison who, until recently, was one of the state's most respected lawmen.

Politicians are clever fellows, in case you never noticed. When they hit upon a questionable scheme for paying bills without losing votes, they know how to cloak the medicine show in respectability. They hire a lawman to make the pitch in front of the tent. It is never difficult to convince a cop to switch jobs because law enforcement doesn't pay much. There's a lot more money in distributing booze, watching horses and selling raffle tickets.

Thus it is common to find an ex-FBI agent is now a racetrack commissioner. Or a former chief of police is chairman of a liquor control commission. Or Gus Harrison, who made his name handling criminals, is now described by newspapers as "THE STATE LOTTERY CZAR." When Gus was running prisons, I'll bet, he never in his wildest dreams thought some day he would be a gambling czar.

This effort to give gambling a Boy Scout image does not reach much beyond Mr Clean at the top. If it did, the lottery tickets would be sold by the cop on the beat, or by church ushers. This would be a logical conclusion of a transaction begun in the pure heaven of Gus Harrison's office. But no. The tickets will be sold at gas stations, supermarkets, drugstores and bowling alleys -- anywhere the traffic is heavy. And there will be bonuses for the best salesmen -- including maybe \$10,000 to the guy who sells the winner of the Millionaire Drawing.

This is not intended as a put-down for gasoline jockeys or checkout girls, but they hardly carry the same credentials as an ex-superintendent of prisons. There is little guarantee that Gus Harrison's purity will reach the point of purchase. A lot of gamblers will continue to have more faith in their favorite bookie than in a strange clerk at the Rexall store.

Oh well. Don't worry about that. Worry about what you'll tell the newspaper reporters after you win \$1 million and they want to know what you're going to do with it. How about something like this:

"I am going to use the money to move to another state where there is no legalized hypocrisy and the politicians don't run crap games to pay the bills. I don't want to hang around here to see which policeman becomes czar of the brothels when prostitution is legalized."

### Questions about Social Security

Q: My 63-year old wife and I are both getting monthly social security retirement payments on my work record. Recently, my wife was offered a full time job. I know her earnings may affect her payments, but will her earnings also affect my monthly payments?

A: No. Your wife's earnings will not affect your monthly retirement payments.

Q: I'm retired and I get monthly social security checks for myself and my 17-year-old mentally retarded daughter. My sister told me her checks will continue after she's 18. Is this true?

A: Yes, if your daughter qualifies for disabled child's benefits. You should call, write, or visit your social security office at least 3 months before your daughter reaches 18 to see about continuing her checks on the basis of her disability.

Five million boys and girls between the ages of 9 and 19 are part of the 4-H program. This makes 4-H America's largest youth organization. Supporting their efforts are a half million volunteer adult leaders, the men and women of the Cooperative Extension Service, the National 4-H Service Committee, and 55 business donors.

## View from the Senate

By SEN. WILLIAM S. BALENGER

Christmas may come early this year for many Michigan residents -- and for the State Treasury.

That's because, barring unforeseen difficulties, Michigan's new lottery system will be in operation by that time and individuals purchasing the 50 cent tickets will, if lucky, win anywhere from \$25 to \$200,000 in prizes.

Then, if the sales go as they're expected to, there will be million dollar bonus drawings about every 8 to 10 weeks.

The State Treasury will believe in Santa Claus when the first of an estimated \$40 million a year generated by the lottery begins dropping into the coffers.

To the winners, Santa Claus will be unusually generous because they won't have to pay state income taxes on their windfalls. But Uncle Sam's income tax people, as may be expected, will have their hands out for their share of that take.

This was the picture drawn a few days ago about the forthcoming lottery start-up

by Gus Harrison, recently-appointed State Lottery Commissioner.

Harrison says the weekly prizes being planned in Michigan are the most liberal of any lottery in the nation.

There is certain to be no shortage of outlets where lottery tickets may be purchased. The state plans to license 5,000 ticket agencies, primarily established businesses and organizations in "high business traffic" areas. The lottery bureau already is flooded with applications from prospective ticket agents, who will receive five percent of the profits of tickets sold and probably a bonus for selling major prize tickets and for increased ticket sales.

Of course, Santa Claus will disappoint many of the purchasers of an estimated 3.5 million to 4 million tickets a week. They will be the ones who won't be lucky enough to win a prize during the drawings. But that is the chance they have to take. Lotteries in Michigan were

made possible last May when, by a vote of 1,352,768 to 506,778, the people of Michigan approved a change in the State Constitution to permit them to be held. The Legislature later passed legislation carrying out that voter mandate.

Under plans already worked out, each week that state will award a \$200,000 prize, a \$50,000 prize, four \$10,000 prizes, and 4,000 prizes of \$25 each. The \$200,000 prize is based on the estimate of more than 3 million tickets being sold weekly.

Winners of the \$25 prize will be entered in the million dollar bonus drawings, which will take place whenever 30 million tickets have been sold.

If 3 million tickets are sold every week, as expected, six persons will qualify for the six top prizes and the least any qualifier can win is \$10,000. For these so-called "superdrawings", all six qualifiers must be present. If any is missing, the drawing will be postponed.

## "If It Fitz . . . Gambling made respectable

Editor, Lapeer County Press

By Jim Fitzgerald

Michigan newspaper readers should brace themselves for an endless siege of articles explaining what some lucky bugger is going to do with \$1 million.

It is still illegal to play church bingo in my favorite state. Oh Kiss-Again My Michigan. Not long ago, in my favorite town, a state trooper was pressured into resigning as Legion commander because his post held weekly bingo games. The thinking, apparently, was that it was OK for a cop to turn his head while Maude Frickert bets cash she can beat other Little Old Ladies at putting beans on cards. But the cop shouldn't be the one covering Maude's bet. Hypocrisy should be worn sneakily, like torn underwear; not flaunted, like a red cape.

However, Maude shouldn't despair of escaping the underworld. She can soon gamble for riches legally, without going to the racetrack. By Christmas, the state lottery will be in business. For a 50-cent ticket, she might win \$200,000. And she can do a lot better than buy her ticket from a local cop. She can buy it from Gus Harrison who, until recently, was one of the state's most respected lawmen.

Politicians are clever fellows, in case you never noticed. When they hit upon a questionable scheme for paying bills without losing votes, they know how to cloak the medicine show in respectability. They hire a lawman to make the pitch in front of the tent. It is never difficult to convince a cop to switch jobs because law enforcement doesn't pay much. There's a lot more money in distributing booze, watching horses and selling raffle tickets.

Thus it is common to find an ex-FBI agent is now a racetrack commissioner. Or a former chief of police is chairman of a liquor control commission. Or Gus Harrison, who made his name handling criminals, is now described by newspapers as "THE STATE LOTTERY CZAR." When Gus was running prisons, I'll bet, he never in his wildest dreams thought some day he would be a gambling czar.

This effort to give gambling a Boy Scout image does not reach much beyond Mr Clean at the top. If it did, the lottery tickets would be sold by the cop on the beat, or by church ushers. This would be a logical conclusion of a transaction begun in the pure heaven of Gus Harrison's office. But no. The tickets will be sold at gas stations, supermarkets, drugstores and bowling alleys -- anywhere the traffic is heavy. And there will be bonuses for the best salesmen -- including maybe \$10,000 to the guy who sells the winner of the Millionaire Drawing.

This is not intended as a put-down for gasoline jockeys or checkout girls, but they hardly carry the same credentials as an ex-superintendent of prisons. There is little guarantee that Gus Harrison's purity will reach the point of purchase. A lot of gamblers will continue to have more faith in their favorite bookie than in a strange clerk at the Rexall store.

Oh well. Don't worry about that. Worry about what you'll tell the newspaper reporters after you win \$1 million and they want to know what you're going to do with it. How about something like this:

"I am going to use the money to move to another state where there is no legalized hypocrisy and the politicians don't run crap games to pay the bills. I don't want to hang around here to see which policeman becomes czar of the brothels when prostitution is legalized."

**QUESTION:** Does the windshield of an automobile have to be made of safety glass or will "plexiglass" meet state standards? J.L.K. Benton Harbor

**ANSWER:** No person shall sell any new motor vehicle nor shall any new motor vehicle be registered thereafter unless such vehicle is equipped with safety glass wherever glass is used in the windshield, doors and windows; nor shall any glass be replaced in the windshield, doors and windows of any motor vehicle unless such glass is safety glass as herein defined.

The term "safety glass" shall mean any product composed of glass, so manufactured, fabricated, or treated as substantially to prevent shattering and flying of the glass when struck or broken.

**QUESTION:** Is it against the law to reposition or relocate a motor in an automobile - like moving it back about 10% from original position? C.C. Ithaca

**ANSWER:** Nothing in our Michigan Vehicle Code. If relocating the motor would cause the driver to lose control of his vehicle, he would be prosecuted for the violation incurred rather than for the repositioning per se.

**QUESTION:** How far above the hood can the motor of a car project? J.D. Flint

**ANSWER:** No specifics mentioned in the Michigan Vehicle Code, HOWEVER, if such installation did obstruct vision or control to the extent that a traffic violation was incurred, then the driver would be ticketed for the driving error.

**QUESTION:** Can a driver be ticketed for drinking anything other than an alcoholic beverage while driving a car? J.J. Grand Ledge

**ANSWER:** The law states "...no alcoholic liquor shall be consumed on the public highways..." - that would apply to drivers and passengers alike. **QUESTION:** Is it legal for trucks to travel two or three abreast? That situation really does present a traffic hazard. K.A.E. Wayne

**ANSWER:** Upon all roadways of sufficient width a vehicle shall be driven upon the right half of the roadway, except as follows:

(1) When overtaking and passing another vehicle proceeding in the same direction under the rules governing such movement.

(2) When the right half of a roadway is closed to traffic while under construction or repair or when an obstruction exists making it necessary to drive to the left of the center of the highway; Provided, any driver so doing shall yield the right of way to all vehicles traveling in the proper direction upon the unobstructed portion of the highway within such distance as to constitute an immediate hazard.

(3) Upon a roadway divided into 3 marked lanes for traffic under the rules applicable thereon. Except when lawfully permitted to drive on the left half of the roadway as provided in above paragraphs, upon a roadway having 2 or more lanes for travel in one direction a vehicle shall be driven in the extreme "right hand" lane available for travel; except that a vehicle may be driven in any lane lawfully available to traffic moving in the same direction of travel when the lanes are occupied by vehicles moving in substantially continuous lanes of traffic or for a reasonable distance prior to making a left turn.

# Letters to the Editor

## Upset by teen loitering story

To the Editor, Lee Peters, and Sgt. French

I am a St Johns High student. I am 17 and I detest your article of "Curfew law helps control loitering, but downtown is still hangout", in the Oct 4 issue.

The start of the article of the incident is pure assumption. You assume that, because Tom is a teenager, because he is downtown at night and because a policeman sees him there at night sitting on a curb and then the next morning, that means that he has been there all night. You have no possible way, except to keep a constant eye on Tom, to know if he stayed there all night.

Continuing with your article you say that, quote, "With an increasing drug problem more complaints are being made." This sounds as if you believe that every teenager who is up town at night is on drugs. That is a very unfair and gross assumption. I conclude that when you walk uptown and see a teenager you say to yourself, "He's on drugs!"

I am not saying that there are no teenagers on drugs. I am, although, saying that you make your decisions on pure allied assumptions.

In continuation of the article Sgt French takes over. The article says that complaints of teenagers being on the streets have been received; and also says that teenagers complain that they have no place to go.

Basis of the complaints seems to be that teenagers in front of the stores is bad for business. Well, if you don't want us teenagers around why don't you gather us up and lock us up until we meet your standards. You say that you can't do that. Too bad.

Sgt French continues, I quote, "We've found parking meters they've fooled around with and a couple of them missing." Sgt French also says that he found a broken window. This quote tells me that Sgt French is as one track of mind as Lee Peters. Both men are constantly blaming the teenager uptown for "all kinds of destruction and trouble!"

The article continues and says that "if caught" it is punishable by law. This "if caught" line tells me that we have not been caught, but are being blamed for it. Couldn't it possibly be one of those numerous drunkards who come out of our respectable and numerous downtown bars. I thought that we teenagers were considered citizens and that all citizens were innocent till proven guilty. If I am mistaken please inform me.

A solution to the complaint of the teenager, "We have nothing to do", is offered by Sgt French. I quote, "They say there's nothing to do but if they'd get involved in school activities such as band and sports they wouldn't have this free time on their hands."

As for the band proposal, that is completely out. If you have not belonged in the band system there is absolutely no way you can get in the high school band without previous musical instruction.

As for the proposal of sports, this is a better

solution than band, but does not appeal to all of the students. Besides not all of the students have the ability to perform some sports. You may say there should be one sport that one may be able to perform in well. This may be true, but the continued hours of practice, sometimes coaches, and also the reward for mediocre performance is not appealing to every student.

I'm not surprised that a suggestion to make all teenagers indentured servants, was not made. This would work very well.

When I was reading and came upon the line of a teen center I thought that maybe you were becoming sensible. Then, you continued to say that teenagers want to run it by themselves. Do you not feel that we are able to run it ourselves? Are we not mature in your mind? As I see it you think we are irresponsible little brats. I feel sorry for your judgement pathway.

I quote from the article, "Businessmen don't want gangs loitering in front of their stores and citizens don't like the general appearance." If this statement is true, why don't the businessmen and citizens set up a place of cheap or costless entertainment for the teenagers? This way we would be out of your so called hair. If you're bald I'm sorry I insulted you. I hope that you feel sorry that you insulted us teenagers.

In conclusion, I'm sorry that we are not wanted, but we are here!

To the Editor: As a personal friend of several adoptive couples, I was shocked to hear Nancy Hammond suggest they expect those of us who are able to bear children to be "mindless baby factories" in order that they might adopt children denied them as natural parents. It seemed evident that this was not the first time she had made that statement. This is entirely without foundation, unjustified and unwarranted.

A truly unwanted pregnancy is a tragedy of enormous magnitude. As much as we would like, we cannot undo what has been done. A pregnant woman has only three alternatives; bear the child, destroy it or give it up for adoption. Each of these brings with it a full measure of stress and grief. She must choose which she is prepared to live with.

I do not feel that Proposal B will solve any problems. We will still have them and many more if it passes. There are many concerned people who are willing and able to help women work out problem pregnancies in a humane, sane and sensible way. Happiness is sharing troubles as well as triumphs.

Saturday evening members of the Bible Crusaders class of the Duplain Church of Christ hosted as guests the members of the corresponding class from the St Louis Church of Christ for potluck supper. There were 50 in attendance and the theme for the evening was friendship. Each place held a place mark with a quote on friendship which each read for all to enjoy. Harry Harden gave the devotions and Mrs James Burnham gave two readings on friendship. Mr and Mrs Harry Harden were hosts for the evening.

"How Much Do You Love The Word Of God?" was the sermon topic Sunday at the Church of Christ. Sunday was the first day of our Growing through Love Campaign so from now until Dec 10 different areas of growth for the Christian will be emphasized. Sunday noon a 24 hour prayer-a-thon was started with anyone wishing to participate signing up for 15 or more minutes of prayer. The prayer-a-thon will end Monday with everyone who participated pausing for one minute of silent prayer. Greeters for the day were Mr and Mrs Wayne Holden.

DEAR EDITOR:

Of course, human reproduction still reproduces only humans. Babies are still not much like blueprints, acorns, or breakfast eggs. But the real reason for the continuing big push behind abortion on demand is only now beginning to surface.

Recently, we have been treated to a far more realistic look at Proposal B. Senator Gilbert Bursly is exhorting us to replace the backstreet abortionist with the licensed clinic. (A new fire door should produce the needed transformation in many cases.) The AMA is urging us to shop for abortions in our own home town, and the truly enterprising among the prospective clinic owners and referral agencies are already having a few practice runs in Detroit and elsewhere. There is a lot of money to be made in the abortion business!

Unfortunately, on Nov 7 we will not be asked whether we regard abortion as a moral solution to a problem pregnancy. We will be asked to clear the way for a small number of people to capitalize on the fear and despair of others. I urge those who are not interested in subsidizing the greed of a few to join me in voting "no" on Proposal B.

Sincerely, (Mrs.) Jean Martin

**Consumer complains**

Dear Sir: Having resided in your city for most of my life and being a home owner since last spring, it has come to my attention that the downtown business district provides no opportunity to buy small children's clothing. I have been hearing for years that the downtown merchants have been crying for business. Yesterday I went downtown to the "so-called department stores" to pick up a pair of size 2 toddler girls slacks, but to no avail could I find anything. It is no wonder that people who live in and around St Johns do not do their business in St Johns. The city offers two women dress shops and two for men, but for children you must either order the clothing out of a catalog or go to Lansing. My experience yesterday will be my last venture downtown to shop for children's clothing. It makes me mad to think that everyone is always yelling about the downtown area but does nothing to improve the situation.

# Bumper corn crop may expand storage needs

With a bumper 1972 corn crop in the making, storage needs may be expanded according to Arthur Rowley, chairman of the Michigan State Agricultural Stabilization and Conservation Committee.

He reminded producers that if they intend to use the price support program in their marketing plans, it will be necessary to arrange for storage in approved warehouses or provide acceptable on-farm storage for their corn crop.

In many areas of Michigan, corn harvest will be later than last year; however, it is not too early to prepare plans for additional storage for anticipated needs.

Chairman Rowley pointed out that the county loan rates range from \$1.08 to \$1.12 per bushel, the same as for 1971.

This is intended to encourage the flow of corn into principal consuming areas. The September crop report indicated a Michigan production of 127 million bushels which is 10 percent larger than the record 1971 crop.

Market prices tend to decline during harvest season and prices for new crop corn may drop below price support in some areas. Producers with storage space available either in approved warehouses or on the farm may be interested in holding their 1972 crop corn for marketing later in the season. He pointed out that many producers who placed their 1971 crop under loan have netted considerably more by marketing in the last two months since the market has begun to rise.

More and more producers are taking advantage of the price support loan program in their marketing plans but there are still many producers who have a general tendency to market their grain on a spur of the moment basis which often results in accepting a lesser price for their crop. Each individual producer will have to decide on his own what he considers is the best method of marketing his 1972 corn crop.

# Craig nominated for Amer Farmer degree

**OVID** — Robert G Craig of Ovid has been nominated to receive the American Farmer Degree, highest degree presented by the National FFA Organization. Bob was nominated for the degree by the Michigan FFA Association and the nomination was approved by the National FFA Board of Directors in a recent meeting held in Washington, DC.

Craig was one of 471 FFA members nominated to receive the American Farmer Degree which will be presented at the National FFA Convention in Kansas City. The presentation will be made Thursday, Oct 12, pending a final vote of approval by 114 student delegates who represent FFA members in Convention

business sessions. He is the son of Mr and Mrs Donald L Craig, R-1, Ovid and is currently a Senior at Michigan State University where he is majoring in Agricultural Economics. Craig earned the American Farmer Degree on the basis of Agricultural work experience and leadership activities. Ovid-Elsie high school vocational agriculture instructors and FFA advisors are Larry Sprague of Perry and Roger Dennings of Elsie. The American Farmer Degree is a highly coveted award because it is presented to only one tenth of one percent of the total 432,000 FFA members. It is presented only by the National FFA Organization of the FFA to members who

have demonstrated exceptional agricultural and leadership ability. Each American Farmer Degree recipient will be presented a gold key and certificate by the National FFA Organization. Recipients who attend the convention will also be presented a check from the National FFA Foundation to help pay their travel expenses.

To qualify for the American Farmer Degree FFA members must have advanced through a system of degrees unique to the FFA organization. FFA members begin as Greenhands and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer". The third degree, that of "State Farmer", is presented by the State FFA Association and is presented to two percent of the State's FFA membership in any one year. Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

The convention is conducted entirely by student members all between the ages of 14 and 21. Six National FFA Officers take charge of all business sessions and 114 official delegates represent the membership in voting on all issues of business.

Craig has lived all of his life on a 190 acre dairy farm with his parents, 1 brother, and 3 sisters. His agriculture work experience includes some supervised farming projects, but he earned his American Farmer Degree in Agri-business and leadership areas.

His farming projects have included the supervision of 8 head of hogs, 2-3 head of dairy cattle, 10-15 acres of corn and oats and numerous chores typical on a dairy farm.

During high school, he helped his dad in doing much in the Ovid area. Custom baling hay and custom combining field corn were the two most important activities.

# A<sup>G</sup> in ACTION

Do we, in the United States, really understand the significance of the thousands of local newspapers and the part they play in our everyday life?

The week of October 8-14 is National Newspaper Week. The week has been set aside to emphasize the importance of a free press and the many services newspapers offer communities.

There is really only one distinction between "our way of life" here in the United States and that of oppression-ridden countries — the independence of expression. Local newspapers stand as proof that independence of expression is a living fact here in our country. It will continue to be so as long as our local newspapers remain an unrestricted medium of opinion and comment.

Local newspapers provide items concerning what is happening in our communities, state, nation and worldwide. Many scrapbooks have been filled with items clipped from newspapers and organizations. They help to fill a lot of churches, meeting places and auditoriums. They keep us posted on the many sports events from the local school to outstanding nationwide events. Each week, many columns of space are devoted to club activities, fund raising drives and the action of governmental bodies.

Newspapers must practice good business procedures if they are to remain in operation to provide the general public with information. Too often we criticize them for what they do not print, but fail to realize that someone has to determine just how many stories can be printed, and still retain advertising space to provide needed financial support.

We must continue to appreciate our local newspapers and the free press that we enjoy in this nation. Perhaps it's time we as readers should thank our local newspaper editors for their dedication and service to our communities.

During college, Bob worked part-time for 12 months as a research assistant to Professor Ray Hoglund, a dairy economist at Michigan State University. He participated in a field survey of about 900 dairymen throughout the state during the summer of 1971. Editing and collecting data from these surveys were Bob's responsibilities during the school months.

His leadership abilities included holding the office of president and treasurer in the Ovid-Elsie FFA Chapter and serving as regional president and president of the state organization.

Craig recently married the former Monica Nemick and both are full-time students at MSU.

WASHINGTON, DC — Congressman Elford A Cederberg of Michigan's Tenth Congressional District announced today that the 1972 Yearbook of Agriculture, "Landscape for Living" was available for distribution to interested individuals in the counties of the Tenth District.

The Congressman indicated that this year's volume dealt with the various aspects of gardening and landscaping, from very basic advice for the home gardener to some of the more complicated elements of the biology of plant life.

"The Department of Agriculture made a fine contribution to landscaping and gardening for the average homeowner with this year's Yearbook," noted Cederberg, "and I am pleased to make the volume available to the people of the Tenth District."

The number of books available to the Congressman is severely limited and therefore the Yearbook will be distributed on a first come-first served basis. Requests for the Yearbook should be addressed to: Congressman Elford A Cederberg, 2303 Rayburn Building, Washington, DC 20515.

In 1972, the National 4-H Service Committee, Chicago, will distribute more than 2 1/2 million copies of literature designed to aid 4-H'ers in their projects. The Committee also supplies pins, jewelry and clothing articles for members, leaders and extension personnel, as well as publishing National 4-H News, a monthly magazine for 4-H teen and adult leaders.

# 4-H Chatter

By JOHN AYLWORTH

People will find the 4-H Bonanza the first event of its kind in the nation this weekend, Oct 13-14 at Michigan University.

The 4-H Bonanza will kick off with a gala banquet at 7:00 pm Friday, Oct 13 in MSU's Jenison Field House. The program following the banquet will be broadcast live and will feature Art Linkletter as emcee, singer Sue Ann Langdon, the Musical Conti Family and loads of other surprises.

General Admission tickets to the program will be available for the balcony only at approximately 8 pm. and will be available from the Extension Office in St Johns and at the ticket window on Friday evening Oct 13 at Jenison Field House.

A gigantic public auction will be held on Saturday, Oct 14 starting at 10:00 am in Jenison Field House. Featured sale items include purebred livestock, new camper trailers, tractors, cars, snowmobiles, minibikes, furniture, kitchen appliances, fruit, vegetables, sports equipment and lots more. There will also be a flea market for small items not going through the auction.

Sponsored by the Michigan 4-H Foundation, 4-H Bonanza is a joint effort by Michigan agriculture, education and industry to provide expanded opportunities for Michigan 4-H youth. Proceeds will go towards leadership training and development, program expansion and enrichment slides of his trip to Petoskey area. The club voted to go roller skating in February and April for their winter program.

Lori Webster and Cheryl Ginter of the Tail Waggers 4-H club took their dogs to the Leader Dog School for

the Blind at Rochester Sept 25 with Lori's dog being accepted and Cheryl's dog being rejected. Chris Cole is a new member in the club with a total of 26 members in the Tail Waggers raising Leader Dogs for the Blind. Julie Feeman and Ann Graham along with their parents gave a program on the Leader Dog Program at the Congregational Church.

the members voted to have the Silk Grass 4-H Club of British Honduras as their sister club which has 12 members with vegetables and sewing as their projects. Reports were given for the sunflower and pumpkin show, Detroit ball game and National 4-H Week promotion. The members will be selling garbage bags for a money making project. Steve VanVleet, Frank Faivor and Brian VanVleet volunteered to help at the 4-H Bonanza on Oct 14 at East Lansing. The members voted to take over the glass pickup and recycling program for one month as a money making project and go roller skating November and January. Demonstrations were given by Brian VanVleet, Cheryl Stockenauer, Charles Tait and Ron Prosecki. Mrs Bruce Irish showed slides on Bus Safety for the program.

# Old railroad depots bring travel surprises

"Surprises are in store for those who like to see what has happened to old railroad depots around the state which no longer serve passenger traffic—while they have become a growing attraction."

"These onetime railroad stations, most of them built in the 1880s and early 20th century, were exciting, busy community centers in their heyday. Many still are."

"Take, for instance, the old depot at Indian River, built by the New York Central Railroad in 1877. It is now an antique and gift shop."

"For four generations, people were greeted or bid goodbye at this old depot. They came to Indian River to go to their summer homes on Port, Mullett and other nearby lakes."

"The little frame depot, painted a glistening white, is different now. Baskets filled with red geraniums hang from corners of the eaves. Flower boxes below the windows are bordered with red geraniums and pink and white petunias. A mass of evergreens, junipers and arbutus is along the front."

"The depot was sold in 1961 and since has been called 'Of Cabbages and Kings,' a gift shop which contains much railroad memorabilia. No structural changes have been made by the present owner."

"Stay on M-27 as you travel north and you'll come to the old depot at Topinabee, used now as a community center by the Topinabee Township."

"A few miles farther along, leave M-27 at Mullett Lake Drive and you will find that the Mullett Lake depot has been converted into a summer home."

"At Marquette in the Upper Peninsula, the old two-story brick depot on Main Street now is the Marquette Community Center. The structure was built in 1901 by the Duluth, South Shore and Atlantic Railroad."

"At Petoskey, on Little Traverse Bay, a little wooden depot built in 1901 and last used by the Chesapeake & Ohio Railway, is now owned by the city and restored as a museum."

"The depot at Garden, near Hancock, is still owned by the C & O, but has been leased to a group of its employees who use it as a summer cottage."

"The station at West Branch, formerly owned by the Penn Central, has been a combination barber shop and hardware store since 1958."

"Back in the southern part of Michigan, you might drive to Kalamazoo for a meal at 'The Whistle Stop,' a restaurant in the old Pennsylvania Railroad depot, where the atmosphere is early 1900, with valuable antiques such as a signed Tiffany lamp, as well as the old depot's waiting room benches now upholstered in stuffed leather to make comfortable benches for diners."

"Other depots also have become restaurants, a growing usage."

"In one is the former Penn Central station in Ann Arbor, built in 1886. Remodeled, it features much railroad memorabilia."

"At The Grand Trunk Western railroad in Lansing is the latest large station to be turned into a restaurant. It is scheduled for opening in mid-November."

"At Charlotte, the 1902 Michigan Central depot made a comeback 65 years later, also as an eating place. Now known as the Old Depot Ice Cream Parlor and operated by the 'Ice Cream Farms of Easton Rapids,' a turn of the century atmosphere has been recreated in the old structure. Much of the interior decor has been retained, with other and newer furnishings providing an 'old-time' motif. The bill of fare includes all ice cream and milk combinations, with 'Super-Duper' sundaes, a large selection of sandwiches and soft drinks."

"A depot now located near 'Dumco' is owned by Bob Owen and operated as both a museum and sign shop. The depot formerly was located at Washington and was used by the Grand Trunk Western Railroad, but a condition of the sale to Owen was that it be moved from the railroad right-of-way. The old depot was what was called a combination station, handling both passengers and freight. The depot is about three miles south of Rome, on M-53 at VanDyke and 29th Street."

"Another station which has started a new career is the Ann Arbor Railroad depot in Howell, which has been converted into a museum by the Livingston County Historical Society and is open to the public. The old depot is a Michigan historic site."

"But one thing appears certain. Railroad depots were hot and hostess to a Miracle Maid supper at their home. Mr and Mrs Harold Hoerner, Mr and Mrs Howard Sargent, Mr and Mrs Don Dumond Saturday. Mr and Mrs Harvey Hoerner and girls were Saturday evening guests of his grandparents. Mr and Mrs Howard Sargent. Mr and Mrs Kenneth Pyle of St. Johns, Mr and Mrs Robert Scarborough of DeWitt were hosts to Mr and Mrs G. V. Pyle at Long's Restaurant for dinner Sunday to celebrate the latter's 49th wedding anniversary. Mr and Mrs Andrew nesday.

# Kincaid District

by Mrs. Porter C. Parks

Sunday, Mr and Mrs Alexander Lang and Allen Fisher of Interlochen went to Pontiac to a birthday party at the home of Mr and Mrs Julius Fisher.

Mr and Mrs Harold Hoerner had dinner, Sunday at the Ponderosa Restaurant in Lansing.

Sunday evening, Mr and Mrs Roger Hardenburg were host and hostess to a Miracle Maid supper at their home. Mr and Mrs Harold Hoerner, Mr and Mrs Howard Sargent, Mr and Mrs Don Dumond Saturday. Mr and Mrs Harvey Hoerner and girls were Saturday evening guests of his grandparents. Mr and Mrs Howard Sargent. Mr and Mrs Kenneth Pyle of St. Johns, Mr and Mrs Robert Scarborough of DeWitt were hosts to Mr and Mrs G. V. Pyle at Long's Restaurant for dinner Sunday to celebrate the latter's 49th wedding anniversary. Mr and Mrs Andrew nesday.

# East Victor

Mr and Mrs Jesse Perkins entertained their children, grandchildren and great-grandchildren last Sunday afternoon in honor of their daughter and son-in-law Mr and Mrs Frank O'Dell of Mira Loma, Calif who have returned to their home after spending several weeks here.

# Maple Rapids

Thanks to the Residents of Maple Rapids and Rainbow Lake, \$128.24 was presented to the Channel 6 Country House in Lansing on Labor Day for the Jerry Lewis Telethon for the fight against MD. The money was collected by Carla, Alesia and Raymond Rumsey, Tammie Gleason, Karen Craig, Wayne Ball and Kimberly, Bill and Shelly Hall in five hours.

The Maple Rapids Volunteer Fire Department held their annual picnic Sunday, Sept. 10 at the Memorial Park. The firemen furnished the meat, potato chips and drinks for the picnic dinner. A ride on the fire-truck and baseball provided entertainment mixed with friendly conversation and see who can cut the most steak.

Mr and Mrs Loren Rumsey, Cindy and Loren Lee from Clarkston visited their parents on Sept. 9 and 10. They also attended the wedding of Mr and Mrs Cooper formerly Debra Tyler of Maple Rapids.

Mr and Mrs Carl Ball, Mr and Mrs Nelson Rumsey and family vacationed at Drummond Island the week of August 26 until Sept. 1. They called on Mr and Mrs Dean Ball and boys in Harrison on the way home. Mr and Mrs Donald Dean and Mrs Carl Ball and

# It's time to turn a new leaf in Michigan

LANSING—As September crosses the horizon of the year, Michigan coyly lowers the veil of summer green to reveal the first blush of its autumnal face. It's a casual revelation, in the beginning, with occasional splashes of crimson, yellow and gold and nut brown oak peaking through green pines along the Lake Superior's shores in the Upper Peninsula. Then suddenly you awake to find the entire landscape transformed into a profusion of hues and tints that encompass the total spectrum of the color wheel.

This annual phenomenon usually begins between mid and late September, crossing the majestic Mackinac Bridge into Michigan's Lower Peninsula during the early days of October. From mid to late October, the entire landscape transforms into a profusion of hues and tints that encompass the total spectrum of the color wheel.

Many communities plan special events that blend with the season and harvest festivals, county fairs and antique shows are prevalent throughout the State. Color tours are a favorite weekend activity for Michiganders and highly recommended to visitors. Color tours are particularly appealing because they cost nothing except time and gasoline for your car. They also afford the opportunity to indulge in some sightseeing and to absorb some of the history and legend of the twenty-sixth state. In order that you may enjoy this pursuit to the fullest, the Michigan Tourist Council has compiled an Autumn Tour Guide containing 24 suggested tours mapped throughout both the Upper and Lower Peninsulas with particular points of interest noted.

To catch the first glimpse of the autumn spectacular, the best place to be is in the Keweenaw Peninsula, the heart of Michigan's copper country. Following this suggested tour, take you along panoramic Brockway Mountain Drive and back to Houghton through lush forests awaiting ghost towns that testify to the energetic days of the copper boom.

TOWARD THE MIDDLE of the season you can take your choice of tours along Lake Huron shores or follow inland routes that are equally picturesque. On the western side, you'll find Holland, complete with wooden shoes, the authentic Dutch windmill "DeZwaan" and the influence of old Amsterdam. The Silver Lake and Sleeping Bear dunes hold a perennial fascination. Many travelers enjoy visiting Interlochen Center for the Arts, southwest of Traverse City and Cross Village, north of Harbor Springs, the site of one of Michigan's oldest Ottawa Indian settlements.

Suggested stops in East Michigan include the Lumberman's Memorial on the Ausable River near Oscoda, Old Presque Isle Lighthouse and Grindstone City, once a major producer of grindstones and sharp stones. Inland, there's Hartwick Pines, northeast of Grayling, the Glacial Moraine and sharp ridges of the first light of dawn, where elm and oak abruptly give way to jack pine and bush and, of course, Michigan's capitol at Lansing.

For a final look at Michigan's autumnal face, you might choose to tour the southeast area. If so, you should include a visit to Greenfield Village and the Henry Ford Museum at Dearborn, Walker Tavern at Cambridge Junction or Fort Gratiot Lighthouse at Port Huron and one of the first light stations on the Upper Great Lakes. For those who enjoy the sparkle of metropolitan activity, the multi-faceted city of Detroit will bid you welcome.

Autumn is the turning point of the year in Michigan, all twenty-five shades and nineteen million forest acres of it. See it for yourself, live and in living color. Free copies of the Michigan Autumn Color Tour Guide are available from the Michigan Tourist Council, Lansing 48226.

2. Provides the authority for Animal Control Officers to issue citations, summons and appearance tickets for a violation of the Dog Law.

3. Require any person who owns or harbors a dog to produce proof of a valid dog license upon request of a person who is authorized to enforce this act.

4. To strike out the expiration date of the certificate of vaccination as it now reads in Act 339, as amended in 1969.

5. Any county may enact an animal control ordinance to provide for animal control programs, facilities, personal and necessary expenses incurred in animal control.

Be it resolved, that the Clinton County Board of Commissioners advocates the passage of Senate Bill 620 and to notify our State Senator and State Representatives.

A communication from National Association of Counties urging the Board to contact the districts US Congressmen to vote "yes" on HR 14370 was read and placed on file. (This has already been taken care of)

A billing from Green and Maples for legal services rendered in the following matters was presented: Re: Airport Tax cases; Balance Due 4-4-72 - \$180.00; April 7 and 13th - \$80.00 - Total - \$260.00; Re: Zoning Ordinance - Services from 12-7-71 to date - \$165.00; Re: Airport Annexation - Balance due March 8 - \$360.00; March 22 to June 2 - \$50.00 - Total \$410.00 for a Grand Total of \$835.00. It was moved by Lankford, supported by Nobis, to pay the bill as presented. Voted and carried.

Nobis on furnishing Radio Communications Systems were opened. RCA submitted a total installed bid price of \$108,096.50. A company representative was present. Motorola submitted a total installed bid price of \$114,798.00. A company representative was also present. The Board recessed for committee meetings at 10:00 a.m.

Upon again coming to order, Lankford moved, supported by Dittmer, to table and defer action on the Communications System until the next meeting. Discussion followed. Voting on the question, the motion was voted and carried.

Chairman Shepard reported that Fred Baker, Drain Commissioner of Shiawassee County, has been appointed as special Drain Commissioner for the Hayworth Creek County Drainage District. He requests the appointment of a Board of Determination. Chairman Shepard appointed Herman Openthaler, Russel Howe and Walter Thelen. Nobis moved, supported by Gove, to approve the appointments. Voted and carried.

Commissioner Lankford presented the report of the Audit Committee. Audited bills total \$21,967.24. Lankford moved, supported by Hufnagel, to include and approve several livestock claims for a total of \$373.90. Voted and carried.

Dittmer reported that the committee is advertising for bids on insurance coverage for the county. He moved, supported by Nobis, to approve the request by the Agriculture Extension Office for a typewriter at a cost of \$513.00 less \$65 trade-in for a net cost of \$448.00. Voted and carried.

Re: Alterations at the former Social Services Building  
Nobis moved, supported by Hufnagel, that the Property Management Committee be authorized along with RG Becher to make the necessary alterations. Voted and carried.

He also reported a request by RG Becher for a new power mower at a cost of \$269.00. Dittmer moved, supported by Nobis, to approve the request. Voted and carried.

Dittmer further reported that approval has been given to proceed with the parking lot project at the 4-H Fair Grounds.

The Board recessed for lunch at 12:00 noon. Upon resuming session, with a large delegation present, Arnold Minarik presented the action taken by and the recommendations of the Zoning Commission at their May 23, 1972 meeting:

Item XI - Watertown Township - Clinton County Road Commission

Application for a Special Use Permit to mine and stockpile gravel on the following described parcel of land:

The E. 656' of the E 1/2 of the NW 1/4 of 13, T5N-R3W, exc. the N 1633' thereof, Twp. of Watertown, City of Clinton. Also the E 100' of the N 1633' of the E 1/2 of the NW 1/4 of 13, T5N-R3W, subj. however to perpetual rights of ingress and egress in and to said 100' parcel, to be shared by First Parties herein, their heirs, successors and assigns, with said Second Party, Board of County Road Commissioners, and provided further that in the event that said First Parties, their heirs, successors or assigns should subdivide any or all lands now owned by First Parties, and adjoining aforesaid 100' parcel, it is understood and agreed that the County Board of Road Commissioners shall not be obligated to incur any expenses or costs incident to the making of said 100' area, into a public roadway.

Letters from attorneys Michael Gibbons and Oscar Hornbach of Lansing who represented citizens of the area, both of which requested postponement and a second meeting to be held in the evening.

Nobis moved, supported by Chamberlain, that the Special Use Permit be granted. Montgomery moved to table for two weeks action on this matter. No support was given and the motion failed. Discussion followed.

The Road Commission plans to let the bids for processing of gravel June 8, 1972. They will also attempt to control the dust during the operations.

Oscar Hornbach (attorney) requested a two weeks adjournment of action on the matter. A number of interested citizens as well as members of the Road Commission expressed their views on the matter. On a roll call those voting aye were Nobis, Gove, Dittmer, Chamberlain, Underhill, Hufnagel, Andrews and Shepard. Nays were Montgomery and Lankford. 8 ayes, 2 nays. Shnabery was absent. Motion carried.

Hufnagel moved, supported by Gove, to rezone as requested. Voted and carried.

As the appointed term of Max Loudbeck expires June 15, 1972, Hufnagel moved, supported by Andrews, to reappoint Mr. Loudbeck to the Zoning Commission for another term. After discussion, Mr. Hufnagel, with the consent of his support withdrew the motion.

Commissioner Nobis presented a resolution from Grand Traverse County. He moved, supported by Montgomery, to concur with the resolution. Voted and carried.

## RESOLUTION

Whereas, Northern Michigan is experiencing an unprecedented increase in persons purchasing land for business, vacation homes, second homes, retirement homes, and houses to meet the general population increase, and suitable land to build on, is becoming ever more expensive and less available, and

Whereas, much marginal land for building is being sold and only after purchase has been made, do people find that their land is unsuitable for septic tanks and sanitary systems, and

Whereas, the State of Michigan is dedicated to the principles of clean water, protection of wetlands, and concern for individual rights, now

Therefore, Be It Resolved, that Clinton County Board of Commissioners hereby requests the Legislature and Governor to pass into law, a bill which would require, realtors and other persons engaged in the sale of land, to offer proof that said land is suitable for development and that septic tanks and sanitary systems are compatible with the soil content and water table, as not to endanger people's health or environment, and

Be It Further Resolved; That copies of this Resolution be sent to Governor Milliken, Senator Ballenger and Representatives Trezise and Allen and that they be urged to act quickly and wisely upon this important health, environmental and economic matter.

Lankford presented a legal opinion from County Prosecutor, Jon Newman on accepting bids on Radio Communications System.

Lankford moved, supported by Hufnagel, to approve payment of the month's audited bills in the amount of \$21,967.24 plus animal claims of \$373.90 for a total of \$22,341.14. Voted and carried.

Chairman reported on Manpower Program. The matter of naming the Mayor of the City of Lansing as chairman and also to grant him executive power is still not resolved and is being contested by the other participating units of government.

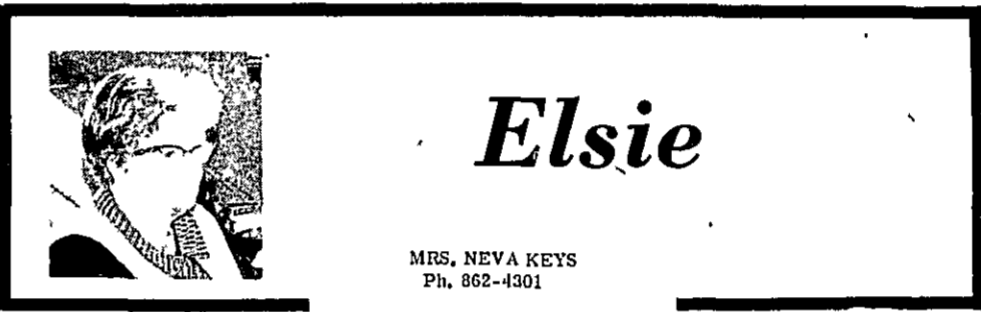

Montgomery moved, supported by Andrews, to adjourn at this time and to meet again Wednesday, June 21, 1972 at 9:00 a.m. Voted and carried. Meeting adjourned.

The United Methodist Women of the Elsie United Methodist Church will hold its Oct 4 meeting Wednesday evening at 8 pm in the home of Mrs Andrew Cobb with Mrs Lawrence Hess presenting a book review for the program. Mrs Grace Fizzell will give the devotions.

The annual Bazaar is scheduled for Oct 11 with Mrs Gerald Carroll in charge of the ticket sales and Mrs Durward Conklin and Mrs Howard Peltier, dining room attendants.

The 30 people of this area, their wives and husbands, who spent a week's vacation golfing at the Gulf Hills Country Club and Dude Ranch at Ocean Springs, Mississippi last March had a reunion at the North Star Country Club last Saturday.

Following an afternoon of golfing and visiting, they enjoyed a steak fry on the patio and a potluck supper, with the assistance of Adrian and Mary Cook, owners of the Golf Course.

There will be an Elsie Area ambulance first aid training session at E E Knight Elementary School Tuesday evening from 7 to 9 pm, Oct 10. It is open to the public. Volunteers are needed and there will be two sessions per week.

The Elsie United Methodist Church observed World Communion Sunday, Oct 1 and through its theme "Confirming Your Commitment" challenged members to renew the vows made at the time of becoming a new member.

They were asked in terms of prayers, presence, gifts and service to come, worship and renew his commitment during the year ahead.

The United Methodists have an opportunity to share in several of the specialized

ministries of the church and support of the program serving chaplains in civilian institutions and the military, the Crusade Scholarship and for US minority students.

By my rambling digressions I perceive myself to be growing old.

North Bengal By Mrs. Wm. Ernst

Bruce Fox is a patient at Lansing General Hospital, where he is recovering from injuries suffered in an automobile - motorcycle accident on Sunday, Sept 24. The accident happened one mile east of Fowler on M-21.

Mr and Mrs Edwin Mohnke of South Bengal were Friday evening, Sept 29 visitors of Mr and Mrs William Ernst and Maxine. Mrs Louis Moritz got Mr and Mrs Albert Moritz from their home in Essex and brought them to the home of their brother and sister, Mr and Mrs Edward Moritz to visit them one day recently.

We are happy to report that Mrs Ida Tiedt is showing an improvement in her condition following a broken hip a few weeks ago. Mrs Tiedt is a patient at the Clinton Memorial Hospital, St Johns.

Douglas Gwyer of St Joseph spent the weekend of Sept 30 with his parents, Mr and Mrs Leo C Fox.

Rev and Mrs H E Rossow entertained a number of guests at their home for 1.

Mrs William Ernst and Maxine called on Mr and Mrs Edward Moritz, Sunday afternoon, Oct 1.

## Shepardsville

By Lucille Spencer

The weekend of Oct 13-14 is the date of the Lay Witness Mission to be held at the Price Church, with Shepardsville assisting. Most of the meetings will be held at the Price Church.

The witnesses will be arriving at the Price Church about 4:30 on Friday afternoon. On Friday evening there will be a potluck supper at 7 at the Price Church. On Saturday morning at 10 there will be several coffee hours in the homes, for the Youth there will be a Teen Coke hour. Saturday at noon, there will be a luncheon for the men at the Shepardsville Church, one for the women at the Price Church and a cook-out for the Youth. Saturday afternoon there will be free time, with some visiting, and in the evening there will be a supper for the witnesses followed by a general service at 7:30 at the Price Church.

Sunday morning there will be a combined service at the Price Church at 10:30, with a service for the youth at the same time in the basement. At 12:30 there will be a finger food luncheon. The witnesses will be leaving about 1:30. There will be a General Meeting at Price at 7:30. Child care will be available at all times during this mission.

In 1971, Michigan State University's Continuing Education Service conducted 1,202 courses in 120 Michigan communities for 34,896 adult students.

## On the scene

with Cheryl Snyder

Twenty members of the Fulton Pirates marching band attended Central Michigan University's Band Day at Mt Pleasant Oct 7. The members played songs from "Fiddler on the Roof" and "Westside Story" in addition to "You'll Never Walk Alone" and CMU's fight song "The Fighting Chippewa." The band is under the direction of Donald Proko along with the assistance of Melvin Eddy, a student teacher from Alma College.

Friday the 13th is approaching with Fulton

scheduled to play the Ashley Bears for their homecoming. The Pirates are hoping to destroy their arch rivals homecoming, keeping their unblemished record which now stands 3-0.

The girls basketball team had quite an experience last Monday. The lady Pirates traveled to Vestaburg for their first game only to find that the Wolverines came to Fulton looking for the same game. The game, which was originally to be played at Fulton, was changed to Vestaburg due to a PTA meeting in Fulton's gym. The problem was that Vestaburg's athletic director failed to relay the message to the Wolverines, causing them to assume the game was to be played at Fulton. After a few phone calls, the game was cancelled and was rescheduled for a later date. In the meantime, the girls practiced for their "first game" against Morrice scheduled for Monday, Oct 10, at Morrice.

greenhands Oct 3. The FHA held their initiation Oct 10 in the Student Commons at 7:30. Both organizations will be having meetings Tuesday sixth hour.

Victories were chalked up this week by the junior varsity, junior high and cross country teams. The junior varsity beat Saranac Thursday night 44-0, while the junior high team defeated Owosso St Paul 20-8. Both football teams are undefeated. The cross country team out ran Pewamo-Westphalia and Lansing Christian Monday after school.

A representative from Jostens will be at Fulton Thursday to take orders for the seniors graduation announcements.

Wednesday individual pictures were taken this week by Dick's Studio for the underclassmen.

Mark Shepherd from WVJC was on hand Friday night for the dance sponsored by the Class of '75.

Dermer and Mike Goodwin.

Bath High's student body recently voted for 4 senior girls and 4 senior boys to be on the court for Homecoming. From these eight, a King and Queen will be chosen by a panel of judges selected from the community and the school faculty.

The eight representatives are: Debbie Barr, Robin Jensen, Laurel Vietzke, Sharon Brown, Jeff Smith, Dale Cantwell, Don Henry and Rod Taylor.

Representatives from each of the other classes are: Juniors - Linda Nichols and Glenn Tarrant. Sophomores - Mary Herrguth and Duane Bower. Freshmen - Becky

The students are still working hard on their floats to get them completed on time. The floats will be judged on Oct 12 and then will be displayed at the Homecoming on Oct 13.

Fowler area teens are involved all around this fall, from marching for ALSAC to marching in the band.

Steve Schafer was chairman again this year for the annual ALSAC march Sunday, Sept 24. It was the second year Fowler teenagers marched for this cause. Thanks to Lois Epkey and Luke Koenigsnecht (who brought in the most money from one area - \$40) and the rest of the teens who marched. Fowler collected \$387.08 for this cause.

Girl's basketball has a fall schedule again this year set for: Oct 11 - Fowler at DeWitt; Oct 18 - Bath at Fowler; Oct 28 - Leslie at Fowler; Nov 1 - Fowler at Haslett; Nov 8 - Fowler at Pottersville; Nov 15 - Fowler at Holt; Nov 22 - Williamston at Fowler; Dec 6 - Fowler at Laingsburg; Dec 13 - Mason at Fowler; and Dec 20 they finish by hosting Lansing Catholic Central.

Monday started the traditional Homecoming Week at Ovid-Elsie High School. Tuesday during the lunch hours the students voted on the King and Queen. Wednesday, the Senior girls host the Junior girls in a game of powder puff football. Thursday, will be the burning of the M, and pep rally. An award is given to the class that brings the most wood and shows the most spirit. Friday, there will be the crowning of the King and Queen during halftime of the game and the presentation of the floats, a first for O-E High School.

The senior girls and junior girls have been working hard for the past two weeks on learning their plays for the big Powderpuff game. The

has proved to be the largest club in school with 115 paid active members, the club functions through such committees as painting, property, make up, costumes, set construction, lighting and special effects and house and publicity instead of general meetings.

Various activities the club will be doing this year are: going to Stratford, production of plays and the musical, Greek Night and hosting the State finals, which are March 9 and March 10.

The Club this year is participating in a couple of service projects. Jim Barnes is in charge of co-ordinating with the library in having a story hour on Saturday

mornings for children. Bob Spencer is in charge of maintaining the front of the auditorium.

Officers for the 1972-73 year are president, Jim Barnes, vice president, Mary Kundrata, secretary, Wendy Smith, treasurer, Mary Ellen Albers and historian, Paula Pope.

The Drama department has chosen the fall production as "The Wizard of Oz." Tryouts for the play were held on Monday and Tuesday, Oct 2 and 3. With 55 students trying out, only 19 parts were eligible. Out of the cast there are four freshmen, six sophomores, three juniors, and six seniors, with 17 out of the 19 as being new talent.

Directors for the play are Mr Koger, from St Johns High School and Mr Muehlenbeck, who is from East Olive and is helping with all the play productions for this year.

With high recommendations from the students, this fall children's production was chosen because there has never been a play geared toward youngsters. This legendary play will be presented with different and new techniques. Costumes will be colorful and bright with dancing flowers and humanoid cats. Trying a new effect with the lighting will be with a black light and the elaborate set designs will be made by Wendy Smith.

For promotional campaign there will be two 8 ft helium balloons, and the cast will be going to different schools in full costume. The play will be presented Nov 17 and 18, with three productions in two days.

The cast for the play are as follows: Dorothy - Connie Cornell, Scarecrow - Jim Barnes, Tim Woodman - John McElroy, Lion - Paula Pope, Good Witch - Diane Henning, Munchkins - Karen Foo, Michelle LaBrie, Dana Swears, Belinda Mudget, Poppies - Jeff Wood, Dan Magsig, Karen Ritter, Kathy Karber, Ann Smith, Sandi Ashenfelter, Verde - John Barnes, Jade - Janet Thornton, Bad Witch - Mary Ellen Albers, Wizard - Lawrence Kanaski.

The St Johns Community and alumni are invited to the social hour held in the cafeteria Friday night, Oct 20 after the game. Cider and doughnuts will be served and everyone is encouraged to come.
