Road Commission requests money, Board suggests millage election

ST JOHNS - The Clinton County Board of Commissioners didn't say "no" Tuesday, but they certainly didn't say "yes." Members of the County Road Commission

appeared at the meeting to ask the board for \$300,000 for road projects, but the board

suggested the Road Commission go to the people for the money.

After reports by Marvin Platte and J. Hebner, Commr Virginia Zeeb, said, "We've beat around the bush - how much are you asking for?"

Hebner told the Board, the Road Commission is requesting \$300,000, plus an additional \$75,000.

Although no definite negative answer was given, Derrill Shinabery, chairman of the board, said, "I would say the consensus of the board is that the Road Commission try another millage election."

A PRIOR election to obtain millage funds for the Road Commission was defeated by the residents of the county.

Shinabery said if "everybody worked" there is a good chance a millage election would pass.

It was also stated that voters would have to be aware of the fact that a portion of the millage will be returned to the local units.

One man didn't hold much hope for such an election passing - Paul Nobis said, simply, "I don't think the millage will pass."

The board was told that, without the money, road building in the county will come to a stop.

AN EARLIER report by Hebner explained how the Road Commission is attempting to establish a pattern of good roads connecting the mainly traveled routes in the county.

He said there are 322 miles of primary roads in the county, 67 miles of gravel roads and 95 miles of inadequate roads.

Platte said that the description of inadequate roads is "a gross understatement for some of our county roads."

Platte also told the board that past support from the county had been instrumental in maintaining a county road system.

"Without past help," he said, "we couldn't have salvaged roads broken up by the spring thaw."

"Without work," he said, "some roads may be lost."

ASKED IF the county was using federal matching funds to help finance road building, Nobis answered that the Road Commission feels using such money for bridges is a better use of the funds.

The Road Commission is planning on using 46% matching funds from the federal government to finance work on Grand River in the southern part of the county.

The board was told that many times, the rigid specifications required to get federal funding cause road building projects to be

prohibitively expensive.

The Road Commission members also explained that work on Stoll Rd is going to be completed, regardless of the current contractor strike.

The road had been left in a condition that made passage at times impossible.

The board was told, however, that if the current contractor is unable to complete the work because of the strike, steps will be taken to have the work done by another contractor.

Bath School voters go to polls Monday

BATH - Bath Community School District voters go to the polls again Oct 15 to vote on a portion of the ballot omitted in last election.

Bath voters by a 522-389 margin approved new school financing proposal July 30.

However, the portion of the ballot explaining a new high school would be built was not included and a new election was required.

Now, voters will simply repeat the intentions expressed when they voted in the

July election.

The ballot reads:

"Shall Bath Community Schools, Clinton and Shiawassee Counties, be authorized to include the erecting, furnishing and equipping of a new high school building within the purposes for which school district general obligation unlimited tax bonds were approved by the electors at an election July 30, 1973.

The polls will be open from 7 am-8 pm.

Jaycees announce Halloween party

ST JOHNS - St Johns Jaycees and Jaycee Auxiliary will sponsor a Halloween party for children in kindergarten through 5th grade Oct 31 from 6:30 to 8:30 pm at Smith Hall. Those attending the party will be treated

to cider, donuts and popcorn while a variety of games are conducted. Persons who would like to assist at the party are urged to call Janet Scott, 224-2601, or Ann Palmer, 224-3921.

Canby Walter, Janice Hebler and Carolyn Welter, all of Ovid-Elsie High School demonstrate Mary Jane Chase and her "son," Harley, the models provided by the Dr Stoller Memorial Fund. The life models, comparable in size, weight and features to humans, are used in the Health Administrative Course at Clinton Memorial Hospital in the shared time co-op program of the Clinton County Intermediate School District.

Media sponsors meeting to meet Commission candidates

ST JOHNS - St Johns voters will have the opportunity Wednesday, Oct 24 to meet and hear candidates running for City Commission in the Nov 6 city election.

A Meet-The-Candidates meeting, co-sponsored by the Clinton County News and Radio Station WBJ will be held the evening of Oct 24 from 7:30 until 9 pm in the community room of Central National Bank.

Present for the meeting will be Dr James Grosz, Jeanne Rand, John Arehart and Gerald Wilcox.

Dr Grosz and Rand are incumbents while Arehart and Wilcox are seeking election as new members of the City Commission.

The 4 were selected by city voters in the recent primary election to run for the 2 positions up for re-election.

Candidates will be given the opportunity

to present brief statements at the beginning of the meeting and then questions will be accepted from citizens present in the audience.

The County News welcomes citizens to submit questions in advance to the News office, 120 E Walker, St Johns.

Those questions received in advance will be forwarded to the candidates to be answered the night of the meeting.

There's going to be a parade

ST JOHNS - This year's St Johns Homecoming Parade, begins at 5:15 pm from the corner of Floral Avenue and North Clinton.

Following is the route for the parade:

Step off at 7:15 pm at the corner of Floral Avenue and North Clinton, up Clinton Avenue to State Street, State Street to Linden, Linden to Cass Street, Cass Street east to Oakland Street, Oakland Street south to Sturgis Street, Sturgis Street west to Lansing Street, Lansing Street south to

Sickles Street, Sickles Street west to the High School.

Included in the parade will be the St Johns City Police Escort, American Legion and VFW color guard, Grand Marshall Richard Kramer, Mayor Robert Wood, Redwing Marching Band, freshman cheerleaders, Honorary Redwings, freshman float, football captains, sophomore cheerleaders, sophomore float, returning homecoming Queen Anne Barber, junior float, varsity cheerleaders, senior class float, Student Council and the Queen's float.

First County Cross Country Meet to be Saturday

ST JOHNS - The 1st annual Clinton County Cross Country Meet will be held Saturday, Oct 13, at 10:30 am at St Johns High School.

Cross Country runners from St Johns, Ovid-Elsie, DeWitt, Bath and Pewamo-

Westphalia will compete on a 3-mile course for medals for the top 10 individual finishers.

A traveling team trophy will be presented to the winning school.

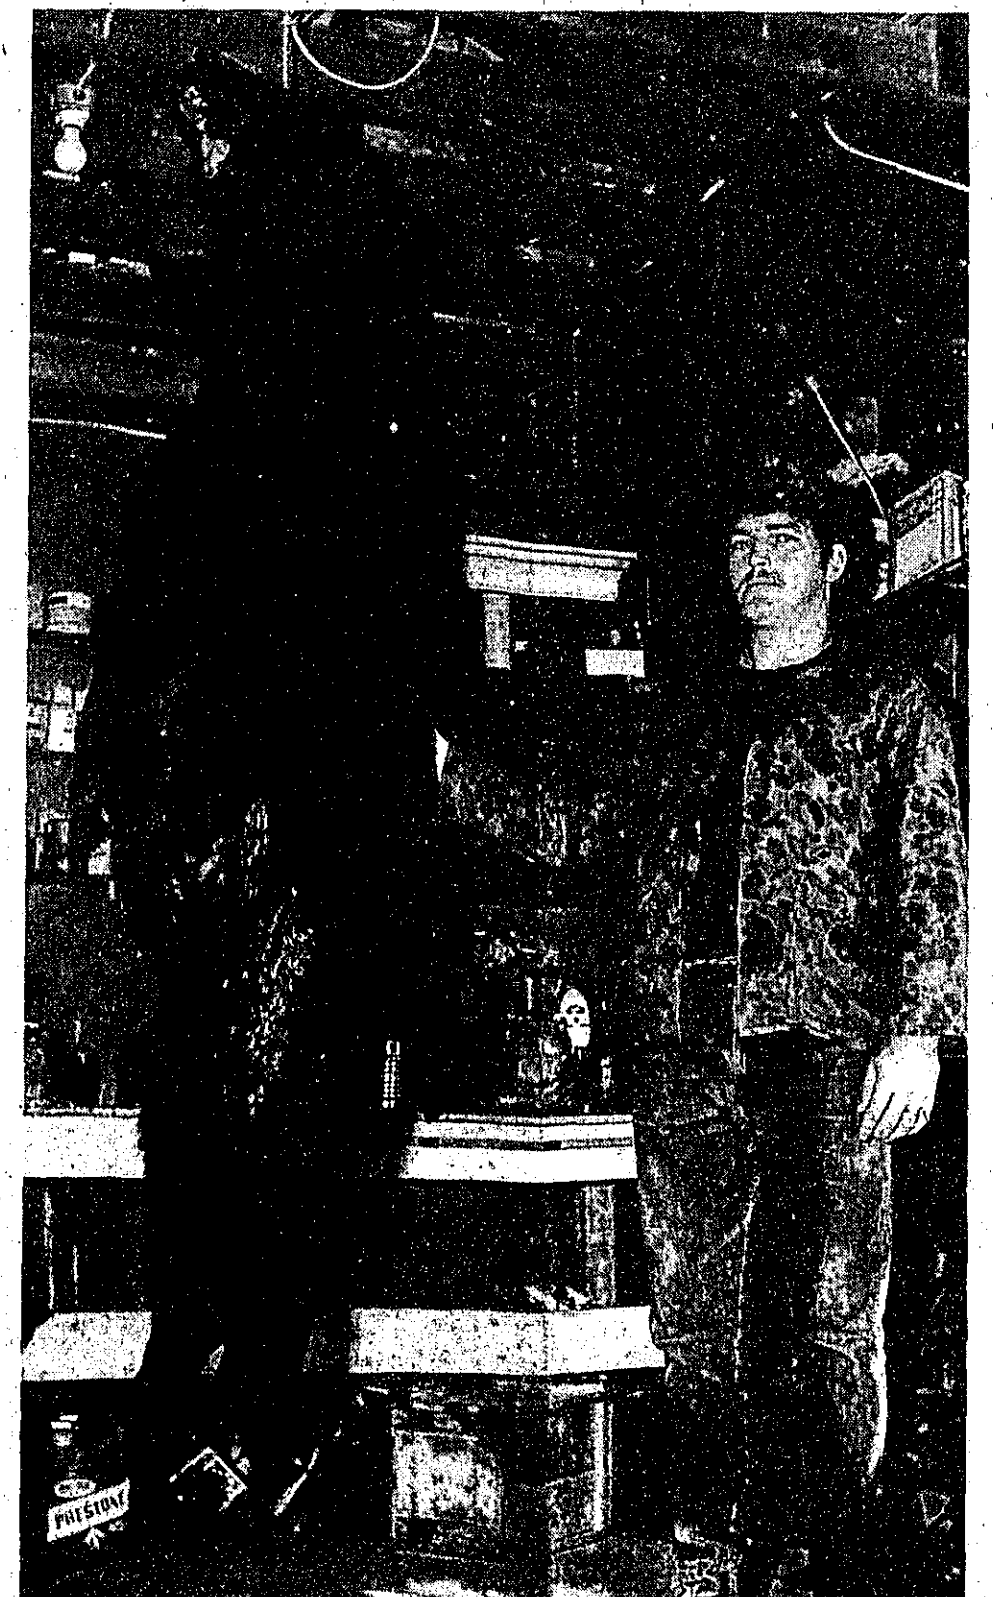

Hurst conquers football contest

Paul Hurst, 709 Church St, St Johns, hit on 15 out of 16 games to take the top spot in this week's Clinton County News Football Contest.

Mike Keller, 107 N Morton, St Johns, picked 14 out of 16 and 11 others missed on only 3 games.

Beckie Gibson was crowned the new Clinton County Farm Bureau Queen at the Annual Farm Bureau meeting held Tuesday night. Others participating in the Queen's judging were Ellen Feldpausch, Aggie Rademacher, Kathleen Moore, Sharon Wood, Janet Davis, Ruth Fox and Crystal Rhynard.

From the wilds of Mackinaw County are Tim Brooks and the 500 pound black bear he bagged this past weekend. The bear measured in at a little over 7-feet long. Brooks resides at 709 W Cass St Johns.

Family Living Programs sponsors series of meetings for mothers

ST. JOHNS — A series of 4 Family Living Program group meetings have been scheduled for Oct. 18, Nov. 15, Dec. 4 and January 17 in the Community Room of Central National Bank in St. Johns.

The meetings are sponsored by the Clinton County Department of Social Services, Clinton County Office of Economic Opportunity and the Michigan State University Extension Service.

The programs are free and open to the community with free day care service provided at St. Johns Episcopal Church, 400 E. Walker, St. Johns. The Oct. 18 program is 1-3 pm and is "Safety For Children"

with discussions about ways to make the home a safer place. "Mothering Skills" is the topic of the Nov. 15 meeting from 1 to 3 pm. The Dec. 4 program, also 1-3 pm will deal with Christmas

activities and provides instructions on Christmas crafts. The Jan. 17, 1-3 pm, is about "Women and the Law" and deals with the legal aspects of marriage, divorce and credit contracts.

Letter to editor

She doesn't like Maude

Letter to the Editor

We should all compliment TV Station WJM, of Lansing for banning the objectionable showing of "Maude" a few weeks ago.

She isn't a good homemaker. Her husband Walter could be 1 of the top 10 of the most wanted men by the FBI.

The daughter reflects her upbringing. Their coarse jokes are too vulgar to be funny. So is it any wonder some young teenagers turn to alcohol and drugs if this is a sample of the "Great American Home."

I am also writing CBS in New York.

Lest we forget what

homemaker should be like, open our Bible to Proverbs 10-31. This is the last chapter of Proverbs in the Bible. Read it carefully and you will know it can apply to any class of homemakers.

Now I shall join with some of my friends who say "I never watch Maude."

A lover of Christian homes, Mrs. Pearl Blank

Borons to celebrate 50 years of business in St Johns

ST. JOHNS - The E.F. Boron Co. of St. Johns will be celebrating their 50th year of serving St. Johns and surrounding communities with a store-wide sale beginning Wed., Oct. 18 thru Oct. 31.

In 1923 Eddie Boron, as he was known by hundreds of people, decided to go into business for himself. He had been employed for many years by the Hicks Store and when he made his decision to start his

own business he was manager of Chapmans, a department store located in the building now occupied by J.C. Penney.

Eddie started in a small way, about a 20-by-30 ft space on the 2d floor above the present

Quality Discount Store. As the business progressed his needs for larger quarters became necessary. By 1935 the store used the entire second floor of the double building and in 1936 an opening was cut thru to the second floor above the Miller Jones store.

In July of 1936 his son-in-law, Bob Conn, left the J.C. Penney Co. to become associated with Eddie in the new and larger venture. The business continued to prosper and the partners felt the need of a better location on the ground floor.

The year 1955 was a big step forward with the purchase by Bob and his wife Frances of the 3 buildings at the corner of Clinton Avenue and Walker Street, the present location of the E.F. Boron Co.

In keeping with their faith in downtown St. Johns as an excellent place to shop, the company has recently com-

pleted an extensive remodeling program on the exterior of their stores; a new and modern exterior to compliment the newest and latest styles of merchandise in their many departments including carpets, linoleum, curtains, draperies, sheets, blankets, bedspreads and linens of all types.

The present employees include Mary Stone and Milo Rowell who have been with the company for almost 20 years and are a vital part of the organization.

The company has made a special effort to purchase ample supplies of outstanding values for their 50th Anniversary Sale. Their large advertisement in gold color next week invites everyone to come and share in the value celebration and to receive a gold pen as a memento to "Fifty Years of Service".

Senior Homecoming Queen's Court representatives for Friday's Homecoming parade and game are (from left) Debbie Wieher, Debbie Archer, Gina Mazzolini, Becky Bond and Becky Gibson.

Rotary tickets on sale

ST. JOHNS - Today (Thursday) marks the opening of the ticket selling campaign for the St. Johns Rotary Club Travel and Adventure Series. This season's schedule starts with "Bolivian Adventure" on Nov. 14, continues with "London Town" Jan. 9, "Romantic Austria" Feb. 6, "Taiwan, Hong Kong, and Singapore" March 13, and ends with "The Golden State of California" on April 3. Programs will be held at the St.

Johns High School Auditorium and begin at 7:30 pm. Each will feature a nationally known Adventurer who is an artist in the travelogue field.

He is a professional photographer with many years experience in traveling and will personally narrate the all-color motion picture film.

Each member of the family, young and old, enjoys the travelogues for they are

wholesome entertainment, educational and adventurous.

Each ticket holder will have the satisfaction of knowing that the profit from the series will enable the club to continue its work on community projects. Season passes will be sold for the cost of \$6 per person and may be purchased from any Rotarian or at any branch or main office of Central National Bank or Clinton National Bank.

Francoise Hawaus, Suzanne Baillien, Gaston Baillien and Francis DuBois, all of Belgium receive from Bandon White, Rotary president, tickets to the St. Johns Rotary Travel Series, with the 1st showing Wednesday night featuring John Strong, who presented the program "Bright Belgium." The 4 are employed by Sealed Power and are in the United States to receive training prior to opening the Belgium plant owned by Sealed Power.

Lions seek eye glasses

Dr. Justin Sleight, MD, a Lansing ophthalmologist and member of the Lansing Lions Club, is presently serving as a missionary in West Africa.

He has made a request through the Lions Clubs for used children's and adult eye glass frames and lenses.

He states that many of the patients can't afford the regular \$4.75 charge for the eye examination, let alone the price of glasses.

The Lions Clubs of Clinton,

Eaton and Ingham Counties have coordinated a drive with the Chief Okemos Council, BSA and Boy Scout Troops of the Tri-County to collect the used eye glasses needed by Dr. Sleight in West Africa.

The local Boy Scouts will be making a house to house drive to collect the used glasses, Oct. 8 through 27.

The Lions will process the used glasses, package and ship them to Dr. Sleight.

The St. Johns Redwing Marching Band was the featured attraction at a post game show at Western Michigan University Saturday afternoon. The performance was the 2d and by special invitation. Local residents will have the opportunity to view the Marching Band perform during the St. Johns Homecoming Parade Friday at 5:15 pm and during half-time ceremonies at the football game against Waverly.

St. Johns students honor Kramer as Grand Marshall

ST. JOHNS - Richard Kramer, business teacher, at St. Johns High School, has been honored by the high school students as their Grand Marshall in the Homecoming Parade Friday at 5:15 pm.

The following news release, by members of the student body describes Mr. Kramer's involvement with Redwing activities.

Mr. Kramer's involvement with Redwing activities.

"This position is an honor bestowed on a person who is connected with St. Johns High School activities and has demonstrated devotion, interest and desire above the call of duty. With this as criteria, Mr

O-E parents offered special "week" programs

There will be special programs in the schools during American Education Week, October 22-26.

Potluck suppers, day and evening class visits, and actual classroom participation by the parents are among the plans. They are not parent conferences, which will take place Thursday, Nov. 29, but rather informational visits to the various school buildings.

For further information, parents are advised to watch

The County News as American Education Week approaches.

printing press which gives us those great issues of the Torch.

This may already sound like a lot of work for one man, but there is more. He does so much for the high school basketball program he has been called Mr. Basketball. He does such things as edits the game programs, he does the official scoring at all the games, sees that statistics are taken, and is in charge of the filming of the game. Mr. Kramer, confessing he doesn't know much about the game, also helps with the football program all he can.

His reaction to being picked as Grand Marshall was one of surprise. His reply was, "When I think of the last few Grand Marshalls and all the years of service they had and their many contributions, to be compared with them only after 7 years is a great honor."

After all this devotion and time spent in the interest of St. Johns High School and its students, we feel we are the ones who are honored to have Mr. Kramer as our Grand Marshall for the 1973 Homecoming Parade."

PHARMACY FACTS

THE PHARMACIST

... today

Education

Today's practicing pharmacist has completed a five-year Bachelor of Science in Pharmacy program, a one-year internship and successfully completed a state board of pharmacy examination.

Three Michigan colleges have pharmacy programs - Ferris State College (Big Rapids), Wayne State University (Detroit) and the University of Michigan (Ann Arbor).

Today's pharmacy educational programs place emphasis on the clinical aspects of pharmacy practice.

Pharmacy Practice

The majority of pharmacists practice in a community or a hospital pharmacy. Although the community pharmacy is more visible, pharmacists in hospital pharmacies also perform vital health care functions associated with health services for the institutionalized patient, especially as related to drug therapy.

The community pharmacist more often performs his services for the ambulatory patient in a clinic, chain or private pharmacy environment.

The community pharmacist performs vital health care functions for his patients on a direct basis with the patient.

The patient, regardless if he is or is not hospitalized, obtains professional services from a pharmacist because he has health needs. In some cases these needs are more dramatic (e.g., a long term illness), while on other occasions they are more a nuisance than a tragedy (e.g., the common cold). Whatever the situation may be, the pharmacist provides his professional services for the benefit and betterment of the patient. This is Pharmacy Care.

Today's Pharmacist

Pharmacy is one of the dynamic growth professions in the health care field. Pharmacists are emerging with a new, expanded, patient-oriented role focusing on the total needs of the patient in relation to his drug therapy.

Youth and women are playing increasingly important roles in the growing pharmacy profession.

In Michigan, approximately 48 percent of the state's population of pharmacists are under 40 years of age, and approximately 68 percent are under 50 years old. Also, more than 10 percent of the licensed pharmacists in Michigan are women, with this being a continuing, if not expanding, trend in pharmacy.

Furthermore, slightly more than 10 percent of Michigan's pharmacists practice in a hospital pharmacy, and about 63 percent are salaried practitioners.

Pharmacists also have the opportunity, predominantly in the clinic and private pharmacy environment, to acquire proprietorship of a pharmacy.

Pharmacy Services

Pharmacy services, generally speaking, require all of the education and experience in the ever-changing practice of pharmacy and science of drugs as part of each and every prescription dispensed by your pharmacist.

Linda Platte is bride of Roger Luna

WESTPHALIA -- On August 18, Fr James Schmitt officiated in marriage Linda Platte of Westphalia and Roger Luna of Route 2, Fowler, at St Mary's Catholic Church in Westphalia. The bride is the daughter of Mr and Mrs Francis Platte of Route 1, Pewamo. The groom is the son of Mrs Florence Luna of Westphalia.

The bride wore a floor length gown of silk organza over bonded taffeta. The gown, including her V-neck, was trimmed with embroidered lace. The bridal veil was chapel length and also trimmed with lace matching that on her gown.

The bride was attended by her best friend, Lynette Pline of Westphalia, as maid of honor.

Her bridesmaids were her sisters, Mrs Karen Kellen of Pewamo and Mrs Lenore Gerling of Ohio; and Mrs Jan Conley, Fowler, sister of the groom. Sherry Platte of Fowler, a niece of the bride, was flower girl.

Jim Bierstetel served as best man and assisting as groomsmen were Gerry Gross of Westphalia; Pat Luna of Fowler, brother of the groom; and Gary Platte of Fowler, brother of the bride.

A buffet supper and reception was held at St Marys Hall for 350 guests.

Following a honeymoon in upper Michigan, the couple will make their home in Westphalia.

MR AND MRS ROGER LUNA

Kathleen Corkin weds Brendan Boyle

The wedding of Miss Kathleen Ross Corkin to Brendan Thomas Boyle was held Saturday morning, Oct 6, at St John the Baptist/Catholic Church in Syracuse, New York.

The bride is the daughter of Judge and Mrs Leo Corkin of St Johns. The bridegroom's parents are Mr and Mrs Thomas Boyle of New York City.

Father John P. Wagner officiated at the double ring ceremony. Mr and Mrs Michael Sobkowski Doyle of Ann Arbor were best man and matron of honor.

Mr and Mrs Boyle are both graduates of the University of Syracuse and are employed by the State of New York. When they return from their wedding trip they will make their home in Syracuse.

ANNOUNCEMENT

The Wolverine Electric Cooperative, 302 South Warren Avenue, Big Rapids, Michigan 49307, announces that it is making application to the Rural Electrification Administration for loan funds to provide for the construction of approximately 4 miles of 69,000-volt transmission line and a 3750 kVA distribution substation. The transmission line will be located in Clinton County. The distribution substation will be located in Lebanon Township of Clinton County.

The proposed facilities are necessary because of increasing electric power demands of the Cooperative's consumers.

Any comments on the environmental aspects of the proposed construction should be submitted to the Cooperative, within 30 days of the publication date of this notice. Additional information may be obtained at the Cooperative's office at the above address.

We Need Your Support!

Photograph courtesy Los Angeles City Fire Department, CA.

Today, as never before, firemen need your help.

Approximately 1400 homes burn each day in the United States. Every year, almost 12,000 people die as a result of fire. Most of these fires could be prevented. Most of the lives lost to fire could be spared. But to prevent the tragic loss of lives and property, your fire department needs your support.

The fireman of today is better equipped, better trained, more professional and dedicated than ever before. But he needs your help: The prevention of fire is not just the responsibility of firemen—it is the duty of every person in the community. Fire prevention is your responsibility.

You can help. How? Start by eliminating fire hazards in your home and by preparing your family for a fire emergency. Know how to get out of a burning home quickly and safely. Know how to call your fire department.

Visit your local fire station. Your firemen will gladly help you devise a fire prevention plan for your home. They'll help you look for, and eliminate, home fire hazards. Get to know the men whose profession is protecting your family from the danger of fire.

You'll sleep better each night with the knowledge that you have taken all possible measures to eliminate the danger of fire in your home. And if fire should strike—and you know what to do—you may spare your family the tragedy too often experienced by others as a result of fire.

Your firemen are on the alert around the clock waiting for your emergency call—but they want to help prevent a fire from ever occurring at your home. With your support, they can.

Christine Boose weds Barry Miller

GRAND LEDGE -- Christine Marie Boose, daughter of Mr and Mrs Donald F. Boose, 215 Oakland St. and Barry Lyn Miller, son of Mr and Mrs Royall H. Miller, Townsend Rd, St. Johns, were united in marriage September 15 at Grove Bible Church.

The Rev Robert Prange performed the double ring ceremony before an altar decorated with a bouquet of white carnations and roses. Velma Boosnitz provided organ music.

The bride gown was of organza trimmed with lace featuring a high neckline and full sleeves trimmed in lace. The skirt back was of tiers of lace extending from the waistline to a short chapel train. Her illusion veil was attached to a face frame of Venice lace petals. The bride carried a bouquet of white carnations and yellow roses accented by lily of the valley.

Irene Boose, Grand Ledge, was her sister's maid of honor. Her other attendants were Karen Boose, Grand Ledge, sister of the bride; and Julie Jorae of Ovid. Each girl wore a yellow gown with long sleeves and an empire waistline featuring a high neckline.

Mrs Boose chose a long sleeved mint green gown and wore a corsage of yellow roses. The groom's mother wore a blue sleeveless gown and had a corsage of pink roses.

Serving as best man was David Wyrick of St. Johns. Curtis Miller, St. Johns, brother of the groom, and Douglas Miller, St. Johns, brother of the groom, were groomsmen. Dan Boose, Grand Ledge, brother of the bride, and Bran Rinckey, Lansing, cousin of the groom, seated the guests.

Following the ceremony a reception was held for 200 guests at the VFW Hall in Ovid. Assisting were Deb Price, Dinah Tyler, Kathy Boose, Kris Boose, Robin Reynolds, Jean Reynolds, Teresa Reynolds, Sherrie Warfle, and Michelle Fayler.

Special guests present included Mrs Frances Boose, Mrs Irene Spencer, Mrs Martha B. Miller, Mr and Mrs Carl Rinckey Sr, and Mr and Mrs Alex Varady Sr.

Following a honeymoon to Northern Michigan, the couple will reside at 5810 Townsend Rd, St. Johns.

Both the bride and the groom are 1972 graduates of Cvid-Elsie High School.

MRS BARRY MILLER

Alicia Bertram weds Steven Lawrence

FOWLER -- On August 24 Alicia Kay Bertram, daughter of Mr and Mrs Alfred Bertram, became the bride of Steven Patrick Lawrence, son of Mr and Mrs Patrick Lawrence, 531 Kirby Dr, Lansing. Father Schmitt performed the double ring ceremony at the Most Holy Trinity Church in Fowler, before an altar decorated by pink glads and blue tinted mums. Music was provided by the Holy Trinity Choir with Bernita Halfman as organist.

The bride chose an A-line gown of nylon chiffon with a bodice of Chantilly lace. It featured long full sleeves with wide lace cuffs and a cathedral length train of nylon chiffon with appliques of lace. Her chapel length veil was secured by a Juliet cap of lace. She carried a bouquet of sweetheart roses with white mums.

Mrs Virginia Nobach of St. Johns served as matron of honor. Mrs Maureen Arens of Westphalia was bridesmaid. Each attendant wore an empire waist gown featuring a white bodice of nylon chiffon and a light blue full skirt. Their bouquets consisted of blue shasta daisies and white mums. They wore flowers in their hair to match their bouquets.

The bride's mother chose a full length gown of pink polyester with long sleeves. The groom's mother wore a full length gown featuring a navy bodice and a pink and navy skirt. Each had a corsage of pink roses and white mums.

Serving as best man was Mike Schaver. Douglas Lawrence was groomsmen. Charles Bertram and Timothy Daiss seated the guests.

A reception was held at the Fowler Conservation Club for 250 guests. Assisting were Eve Gross, JoAnn Frechen, Rose Schueller, Mary Feldpausch, Bev Smith and Kathy Feldpausch.

Special guests present included Mrs Katherine Weidman, grandmother of the groom, Mr Arnold Bertram, grandfather of the bride, and Mr and Mrs Thayer.

Following a trip to the upper peninsula, the couple are at home at Carriage House Apartments in Lansing.

The bride is a 1970 graduate of Fowler High School. Her

husband is a 1970 graduate of O'Rafferty High School and Lansing Community College.

Chevellé
BY CHEVROLET

Malibu Coupe

This is Chevelle. Our mid-size Chevrolet.

We had three major objectives in creating the exciting 1974 Chevelle. The first was value. We know how important this is, and so we built the 1974 Chevelle to be a good investment, not just a good buy. Secondly, we wanted another fine-handling Chevelle. We just don't believe that Chevelle should merely be a way to get somewhere. We want it to be one of the very pleasurable experiences of your day, every day.

Finally, we wanted to give you a wide selection of mid-priced Chevells. Something for everyone. And so for 1974 there is a new luxury Chevelle: the beautiful Malibu Classic. For 1974 there is a traditional value Chevelle: the new Malibu. And for 1974 there is a sophisticated sporty Chevelle: the new Laguna Type S-3.

Welcome to Chevelle, 1974.

Bees explode against Pinckney

BATH — Bath exploded for 20 points in the 1st quarter to pace the Bees to a 26-14 victory over Pinckney Friday night.

Ted Day, Duane Bower and Fritz Ordiway all crossed the goal line in that opening quarter explosion.

Day scored on a 19-yard pass from Monte Skorich, Bower went in from the 4-yard line and Ordiway scored on a 20-yard run.

The Bees added 2 points after the first touchdown on a pass from Skorich to Bower.

Both of Pinckney's touchdowns were scored by Mike Gramer in the 2d quarter on runs of 56 yards and 59 yards. Skorich scored the game's final touchdown in the 3d period when he went in from the 9-yard line.

The Bees had 262 yards rushing with Bower running for 136 and Ordiway to 74. Skorich picked up 71 more yards in the air.

Laingsburg spoils Fowler win streak, creates 3-way tie for 2nd place

FOWLER -- Ouch... Fowler's Eagles, previously unbeaten and scored upon only once, fell to Laingsburg Friday 26-12.

They now take on undefeated Pottsville in the Eagle Homecoming Friday.

Fowler has to have the victory Friday to stay in contention for the CMAC crown. Pottsville leads with their 4-0 record and 2d place is tied up in a tangle between Fowler, new league team Fulton and Laingsburg.

Fulton was unbeaten before Friday, but Pottsville knocked them off giving them, Fowler and Laingsburg 3-1 records.

In Friday's game, Laingsburg scored twice in the

2d quarter and twice more in the last period to upset the Eagles.

FOWLER TOOK first blood when they scored in the 2d period on a Roger Thelen pass to Russ Nowack. The play covered 24 yards. The extra-point attempt failed.

It was Laingsburg's turn next with Jim Walters running the ball in from the 44-yard line. The extra point attempt failed.

With time running out in the 1st half, Laingsburg's Gary Muylle combined with receiver Jim Walters on a 46-yard pass play with time running out as the touchdown was scored to give Laingsburg a 12-6 halftime lead.

Laingsburg stretched their lead by 7 points in the final period when Steve Davis went in from the 1 and Russ Jorae kicked the extra point. The visitor's last touchdown came on a 24-yard run by Gary Davis.

With about 10 seconds left in the game, Fowler got their 2d score of the night, when Mike Graff passed to Dean Schrauben a 5-yard combination.

Fowler had 123 yards rushing and Roger Thelen was 5 for 16 in the air for 68 yards.

LAINGSBURG picked up 155 yards on the ground and Muylle hit 9 for 15 in the air for 120 yards.

It's Homecoming for Redwings after clobbering Ionia 46-6

ST. JOHNS - The St. Johns Redwings will be working for their 2nd big victory of the season when they take on Waverly Friday night in the 1973 St. Johns Homecoming contest.

After doing what few expected, defeating Holt, St. Johns traveled to Ionia last Friday and rumbled to a 46-6 victory over the winless Bulldogs.

With that momentum behind them, The Redwings take on a Waverly team, beaten only once in a 13-6 encounter with Grand Ledge.

Waverly has a strong, fast offensive game and Redwing Coach Ernie Becker says they

are even "stronger defensively."

However, in their last 2 encounters, the Redwings have showed opponents they can score on the ground and in the air.

That fact was evident in the 46-6 romp over Ionia.

IT DIDN'T take long - The Redwings went ahead 13-0 in the 1st quarter.

The 1st score came when Brent Coffman, defensive tackle, jarred the ball loose from an Ionia ball carrier and Mark Barz scooped it up and scampered 37 yards into the end

zone. Drew Carpenter kicked the extra point to put St. Johns ahead 7-0.

It was Barz again later in the opening quarter. He hauled in a 38-yard pass from Brian Pertler to up the lead to 13-0. The extra point kick attempt by Carpenter was no good, the 1st time he's missed this season.

Barz got his 3d touchdown of the game in the 2d quarter when he scored from the 6-yard line. Carpenter kicked the extra point and the Redwings held a 20-0 lead.

Pertler hit on his 2d scoring pass of the game later when he

connected with Ray Schueller on a 4-yard touchdown combination. Carpenter kicked the extra point to give the Redwings a 27-0 lead at the end of the 1st half.

Ionia got on the scoreboard in the 3d quarter when Mark Wirtz caught a 7-yard pass from Skip Ackerson. The extra-point kick was blocked.

THE REDWINGS got the 1st of two 3d quarter touchdowns when Rusty Waggoner plunged in from the 1-yard-line. Carpenter again kicked the extra point to put St. Johns up 34-6.

Pertler and Schueller connected again in the 3d quarter on a 13-yard touchdown pass.

The final score of the game came in the 4th quarter when Ted Loznak scored from the 1-yard-line. Reserve kickers were used on the conversion attempts after the final 2 touchdowns, with neither successful.

The Redwings ripped the Ionia defense for 314 yards

rushing and added another 80 yards in the air for 394 total yards.

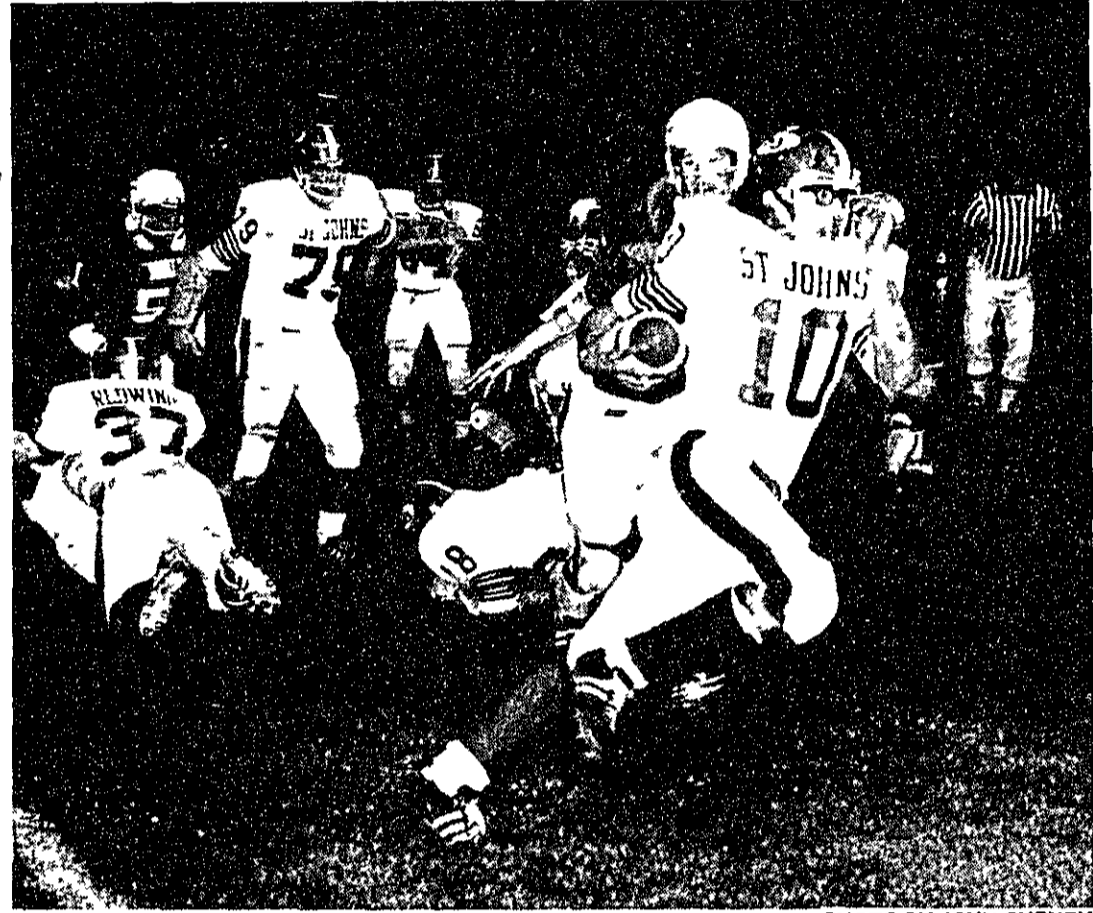

Ionia was held to 54 yards rushing, with all but 17 yards coming in the 2d half. The Bulldogs picked up 7 more yards in the air to finish the game with 61 total yards.

Pertler had a good night in the airways, hitting on 5 of 8 attempts for 80 yards and 3 touchdown passes.

Coach Becker praised the play of the offensive line-Brian Downing, center; Jeff Thornton, guard; Dick Parker, guard; Chris Slamka, tackle and Jeff Hazle, tackle.

John Hayes, Redwing monster linebacker, "played an outstanding game," Becker said. He also commended the play of Parker at nose guard, Jim Lynch and Coffman.

Becker also praised Coffman and Barz for their action in turning that Ionia play in the 1st quarter into a fumble and a Redwing touchdown.

St. Johns girl cagers unbeaten

ST. JOHNS - The St. Johns girls' varsity basketball squad continued their unbeaten streak Oct 4 with a 55-31 victory over Alma.

The Redwing girls were led by Gina Mazzolini who scored 16 points and hauled down 18 rebounds. Kendie Knight scored 13 points and had 10 rebounds.

The varsity Redwings are now 5-0 in West Central competition.

The junior varsity also defeated Alma. Leading the scoring in the 49-12 victory was Bessy Wirick with 16. Nancy Rogers scored 13 points.

The junior varsity also has an unbeaten 5-0 record in West Central Conference competition.

It's Fire Prevention Week

ST JOHNS - Junior Fire Marshals, along with some three million fellow members of this national fire prevention brigade, take up the cudgels for fire safety here with a flurry of activities beginning Oct. 7 to highlight National Fire Prevention Week.

The upcoming Junior Fire Marshal program will emphasize the fundamentals of fire safety in the home and at school, according to the independent insurance agents of Clinton County.

"The Junior Fire Marshal brigade of kindergarten through third-graders is the largest and one of the most effective fire prevention groups in the country today.

Created in 1947 by The Hartford Insurance Group, the program already has trained more than 50 million boys and girls in the fundamentals of fire safety - instilling in them safe habits they will carry with them through life."

Local agencies cited the importance of this public service program for school children by pointing to the staggering losses from fire last year. "In the United States alone more than \$1-billion in property went up in flames," he said. "An estimated 12,000 persons lost their lives - nearly one-third of them, children under 14."

Keystone of the program is the home fire inspection report. To qualify as a Junior Fire Marshal, a youngster must make a fire hazard check of his own home complete the inspection report and return it, signed by himself and a parent, to his teacher.

This home inspection report appears in the fall issue of the "JFM News," which will be distributed by the Clinton County agents this week to school children here.

Those who complete their home reports fully and accurately will receive official Junior Fire Marshal membership cards and shiny red plastic helmets.

Elementary grade school teachers will receive special teaching materials from agencies as aids to classroom fire prevention studies.

In a letter to parents of Junior Fire Marshals, the local agents urged that they show interest in what the children are doing by cooperating fully.

LETTER TO THE EDITOR

Addresses parents about fire safety

Dear Parent:

During Fire Prevention Week your child is participating in Junior Fire Marshal - a 27-year-old program of fire prevention and fire safety education designed specifically for youngsters of this age group. A good part of his classroom time this week is being devoted to study and discussion of his "JFM News" - but the most important part of the lesson comes when he brings it home to you.

Demonstrate your interest by reviewing the material with him: what he learns from it may one day save his life and the lives of all of your family.

Do your part by helping to check your home for fire hazards, for this is an important part of his training as well as a prerequisite to earning the rank of Junior Fire Marshal.

Some 12,000 Americans die in fires every year. We and other Hartford insurance agents across the country are doing our best to cut sharply into that toll - and we are convinced that, with the help of Junior Fire Marshals and their parents, we can do it.

Open Letter

from VAN W. HOAG

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family.

The clergyman should be consulted in matters that concern him before any decisions are made.

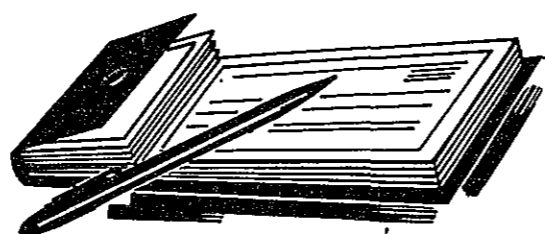

Respectfully,

Van W. Hoag

Historic field goal gives P-W overtime victory

The 1st fieldgoal in the history of Pewamo-Westphalia High School gave the Pirates a 15-12 overtime victory over Portland St Patrick Friday.

With the score tied at 12-12, time ran out and the game went

into overtime, also a 1st for Pewamo-Westphalia High School.

In overtime, St Pats had the ball 1st for 4 downs, but couldn't score.

The Pirates took over and, on 4th down, Randy Walter kicked

a 22-yard field goal for the victory.

St Pats started the scoring with a 1-yard touchdown run in the 2d quarter by Bill Peake.

P-W tied the game later on a 15-yard run by Larry Theis. St Pats broke the 6-6 tie on a

15-yard pass from Steve Klissane to Bill Peake.

P-W again tied the game in the 3d quarter when Pat Thelen went in from the 3-yard line.

Theis led the rushing for P-W with 88 yards in 20 carries. Randy Walter caught 4 passes

for 70 yards with quarterback Pat Thelen hitting on 8 of 10 passes for 118 yards.

Defensively, Steve Simon had 11 tackles and Mark Spitz had 10 tackles.

P-W takes on Belle Friday.

Ovid-Elsie students will be selecting 2 of the above students to reign as King and Queen during the Ovid-Elsie Homecoming Friday night. The students are (front, from left) Rob Nethaway, Kurt Baese, Tim Quine, Randy Bowles, Paul Tomasek, (rear, from left) Deb Miller, Sue Bracey, Rosemary Darling, Sue Lutz and Cathy Winkler.

St Johns Chamber of Commerce manager Ed Minkley (2d from right) John Gumbles representative Len Parker (right) and store employees Betty Woodhams and Beverly Duffield in placing a flower arrangement received from the St Johns Chamber of Commerce honoring the grand opening of the store in the former A&P location. A Grand Opening celebration was held throughout the week last week to honor the move from their former Clinton Ave location into the more spacious facility.

Ovid-Elsie could not keep up with the offensive power of the Corunna Cavaliers and lost their 2nd league game of the

year, 30-0. Corunna's one-two punch of half backs Ray Lawcock and Jeff Golombisky was the whole

show. Lawcock, who has been a starter in the Corunna backfield since his freshman year scored

3 touchdowns. Golombisky a 209-pound fullback who runs the 100-yard dash in 10.8 seconds picked up over a 100 yards rushing.

O-E picked up 84 yards rushing and did not complete a pass.

Tim Quine picked up 51 yards in 8 carries for O-E.

Corunna picked up 172 yards rushing and another 80 passing.

Corunna drove for their first touchdown after receiving the kickoff and following a O-E fumble picked up another TD 3 minutes later on a one-yard run.

Corunna's only loss this year was a 15 to 14 defeat by unbeaten Swan Valley.

O-E will try to rebound against St Louis this week. St Louis who had not won a game

this season upset previously unbeaten Charlotte of the West Central League 12 to 0.

It will be Homecoming for O-E and Coach Mark O'Donnell who has never lost a homecoming game since Ovid and Elsie merged should have his team up for this one.

The J.V.'s came really close to picking up their first victory as they led the Corunna J.V.'s 8 to 6 throughout most of the game only to lose the contest late in the fourth quarter 14 to 6.

The junior varsity will travel to St Louis for a 7 pm game Thursday.

The freshman lost to Corunna 26 to 12.

They will entertain the St Louis freshman Tuesday at 7 pm.

Another shutout for freshmen Redwings

The St Johns freshmen defeated the Ionia freshmen 42-0 Thursday night in Ionia.

Mark Barrett scored 2 touchdowns, the 1st on a 3-yard run and the 2d on a run of 31 yards.

Barrett also ran for 2 2-point conversions. He picked up 121 yards rushing in 19 carries.

Mark Geller scored 2 touchdowns, 1 on a 5-yard run and the other on a 50-yard pass from quarterback Jerry Bashore.

Terry Sehlke scored on a 2-yard run and he also ran for 2-point conversion. Sehlke had 79 yards in 10 carries.

The last touchdown came on a run by Brian Stevens who scored on a 6-inch quarterback sneak.

The freshmen Redwings had a total of 281 yards rushing and added 51 yards in the air on 1 completion.

Defensively, Ionia fumbles were recovered by Randy

Bellant, Dan Jorac, and Alan Rennells.

Mark Grost intercepted an Ionia pass.

Both coaches, Roger DePaape and John Wilcox, expressed pride in the overall performance of the freshmen Redwings after their 3d shutout of the season."

The freshmen take on Waverly Thursday night at 7 pm at home.

O-E girls lose to Corunna

The girl's basketball team of Ovid-Elsie lost to a tough Durand team last Monday 52-37. O-E had a 6-point lead at the half, 20-14, then Durand came

back with a 26-point 4th quarter to overcome the Marauder lead. O-E was led by Maymie Bowles with 14 points.

The junior varsity team also

lost, 40-19. They were led by Sherry Warfle with 12 points.

O-E will host Ashley Thursday night, with the game starting at 6:30.

Mrs Effie Townsend honored on 96th birthday Saturday

ST JOHNS -- A birthday party Saturday night at Jeanne's Beans in St Johns honored the 96th birthday of Mrs Theodore (Effie) Townsend, a resident of Rivard Nursing Home.

Born Oct 10, 1877 in Iowa, she has been a resident of St Johns for most of her life. Her late husband was the 1st city manager of St Johns, previously serving as county superintendent of schools.

Mrs Townsend has 3 daughters, Gwineth Steel of Ionia, Harriett Thompson of Haslett and Ruth Young of Oxford. A son, Lawrence, died about 15 years ago.

Rotary scholarship available

ST JOHNS -- A St Johns area college student could be the recipient of a Rotary Foundation educational award in any 1 of 4 types of fellowship categories.

According to Brandon C. White, Jr, St Johns Rotary president, the club is seeking young men and women in this area as candidates for special awards toward study programs abroad during the 1975-76 scholastic year.

A recent area student who studied under this program was Brian Campbell of St Johns.

The Foundation offers 4 types of educational awards: graduate fellowships, for those who have received a bachelor's degree or equivalent and are

between the ages of 20 and 28; undergraduate scholarships, for those with a minimum of 2 years of university level work and are the ages of 18 to 24; technical training awards for those with a secondary education and at least 2 years' working experience and are the ages of 21 to 35; awards to teachers of the handicapped, for those who have been engaged as fulltime teachers of the mentally, physically or educationally handicapped for at least 2 years at the time of application and are the ages of 25 to 50.

Each award includes round-trip transportation, educational and living expenses for one academic year, and funds for intensive language training, if

necessary.

In 1947, the Foundation started its programs of sending young adults abroad for study, and since that time, the foundation has awarded more than US \$17.5 million for its various programs, and more than 6000 young men and women have gone to countries other than their own for a year of study.

As a non-profit organization, The Rotary foundation is supported by voluntary contributions from Rotarians, Rotary clubs, and friends of Rotary in 150 different countries.

Further information about these awards is available from Dwane Wirick, St Johns High School. The application deadline is March 15.

Light promoted

INDIANAPOLIS -- Gary L. Light has been promoted to vice-president and controller of Aero Mayflower Transit Company, Inc.

He is the son of Mrs Ed Light, 300 S Lansing, St Johns, and is married to the former Janet Henning, daughter of Mrs Leo Henning Jr of St Johns.

Light entered the accounting field upon graduation from Ferris State College in 1962. He was named to the Who's Who in American Colleges and Universities.

He and his wife are the parents of 2 sons.

Mr Getman is a sportsman and the cabin contains many of his trophies. Among them a life-size polar bear killed by him in Alaska in 1971 and the mounted heads of an Alaskan big horn sheep, a caribou and a deer. There are many racks of some of the deer he has killed. Mounted on the wall are pelts of a wolverine, a black bear, and a red fox.

Laingsburg CNB&T branch celebrates 85th anniversary

The Laingsburg Office of Clinton National Bank and Trust Co will mark its 85th anniversary, Friday, Oct 12, with a day-long open house featuring door prizes, refreshments, favors and historical displays.

The former Union State Bank of Laingsburg became a part of Clinton National Bank in April 1968 bringing to 11 the number of locations operated by CNB&T.

According to Asst Cashier Grace Cook, assistant office manager coordinating the anniversary celebration, a number of historical items have been accumulated for display during the open house which will extend from 9:30 am until closing at 8 pm.

Aside from Mrs Cook, other employees on the Laingsburg staff are assistant cashier John Cribbs, manager, Wilma Stuchler, Sandy Thompson, and Doris Strouse. Mrs Strouse was recognized as CNB&T's outstanding teller for 1971.

The modern Laingsburg office of CNB&T is an outgrowth of a bank formed in 1888 by a quartet of businessmen who dubbed their enterprise the Union Bank. Involved in the initial formation were 3 brothers, Andrew, Isaac and John Rohrabacher and William H. Hunt. Two years later the group purchased another bank which had been operating in Laingsburg since 1875 — the Exchange Bank — then later, in 1908, the merged banks became officially registered in the state of Michigan as "The Union State Bank." With the exception of adding the words "of Laingsburg" the name remained the same until merger with CNB&T in April 1968.

One of the distinguishing events in the bank's history came during the height of the depression in 1933. Like other banks across the country, Union Bank was directed by then President F. D. Roosevelt to close their doors and they did so on Feb 12. Then on March 15 a telegram was received giving clearance to reopen for business.

allowing Union Bank the distinction of being the first bank in Shiawassee county to receive permission to resume operations.

"The savings department was opened in 1911 and 3% interest was paid.
 "In 1913 Belle Holder, now Mrs T. A. Euler, was hired as assistant cashier. That same year Andrew Rohrabacher resigned due to failing health and F. B. Smith was appointed president. R. H. Scott became vice president.

"At a cost of approximately \$32 the lights were installed in the bank in 1914.
 "In 1922 Beatrice Piatt, who had been helping in the bank, resigned and George Parker was hired. Mr J.D. Houghton then (became) vice president.

"Mr F. B. Smith passed away in 1931 and Mr J.D. Houghton succeeded him as president. Mr Sherman Haskin was elected vice president.
 "The next bank president was Mr W. S. Haskin who was elected in 1934. He served ... from 1934 to 1936.
 "Mr Seymour Piatt was elected president in 1936 to succeed Mr Haskin who passed away that year."

At the time of Laingsburg's city centennial, officers serving at the bank were Seymour Piatt, president, Emil Lee, vice president, E. L. Piatt, cashier and Dorothy Schoals, assistant cashier.

Mr Lee was a grandfather to John Cribbs, present manager of the Laingsburg office. Cribbs' mother also worked at the bank, serving as a teller in her younger years.

In recent years the office has undergone physical and business changes. A completely remodeled bank was opened in 1956 providing customers with ground-level entry. Previously the building was a two-story structure with a porch leading to the entrance.
 He bought the house in 1967 and started restoring it. He was 3 years doing it. Some of the old items are an Edison phonograph with some cylindrical records, an organ made in Detroit by the Farrand Organ Company, a cradle used to cut grain, and a flail. The fireplace has a replica of a Franklin Stove. There is also a hanging kerosene lamp that once graced a sod house in South Dakota.

the bank had a flight of steps leading to the front entrance. Merger with Clinton National came in 1968 and 3 of the then directors joined the board of CNB&T. They were Victor Brya, who was a director of the former bank since 1945 and president from 1951 until merger; George Palmer, director from 1952 and Orville Antcliff, director since 1963.

SONGS OF THE TIMES

... For the Detroit Lions on the opening kickoff from Minnesota Sunday—"Here We Go Again."
... For Spiro Agnew—"I Did It My Way."
... Dedicated to President Richard Nixon—"Into Each White House, Some Rain Must Fall... And Fall... And Fall."
... Keeping in mind the above song, this one is also dedicated to the Nixon administration—"It's Not Raining Rain, You Know: It's Raining, Subpoenas From Heaven."
... A Welcoming refrain if Ralph Houk decides to take Billy Martin's place in Detroit, "I've Got A Tiger By The Tail," followed by a chorus of "Those Old Familiar Faces In Those Old Familiar Places."
... A possible theme song for the DeWitt City Council, "Recall Me, Don't Be Afraid, Just Recall Me."

... As sung from Bebe Rebozo to Richard Nixon, "Mi Casa, Su Casa, My House Is Your House."
... To be sung in Watergate harmony by Haldeman, Ehrlichman, Dean, Mitchell etc, "Don't Blame Me."
... A musical request from the Watergate hearing senators and the Grand Jury investigating Spiro Agnew—"Sing, Sing, Sing: Everybody, Sing."
... Justifiable refrain from Denny Stolz—"I Never Promised You A Rose Garden."
... Detroit school teachers, "I'll Be There When The Sun Shines, Money."
... From US automobile drivers, "Gas Is A Many Splendored Thing."
... From the US taxpayer to the government, "You Made Me Pay You, I Didn't Wanna Do It, I Didn't Wanna Do It." Followed by the same taxpayer looking at the take-home portion of the check—"Is That All There Is?"

"If It Fitz . . ."

Skip that color tour

Editor, Lapeer County Press

By Jim Fitzgerald

The Auto Club says I should drive north and look at the leaves before they are raked.
What gas shortage?
Has Johnny Cash been kidding us? There he is on TV every night, tying a knot in the gasoline hose. Stay home or slow down, he says. There's not enough gas to go around.
BUT GO take a color tour anyway. See the pretty leaves. That's what Triple-A and tourist associations urge every fall. They lure us into the country with poetic descriptions of tree-filled ravines and wooded bluffs.
It was only recently that I fully understood the meaning of "color tour." I'd heard the expression for years without paying much attention. I always thought a color tour meant something like a group of tourists filing through a Sherwin-Williams factory. Or a Greyhound bus, with Fred MacMurray at the wheel, speeding through Harlem.
I was astounded when I finally realized someone was seriously suggesting I should drive hundreds of miles for no other purpose than to look at trees. There are trees in my backyard that I have never looked at.
Don't get me wrong. I know only God could make Joyce Kilmer (and only Jeffery Lynn could play the role in the movies. Name the movie and win a cigar). I wince every time I see a tree stump. But I see most of those stumps along roadsides. The trees have been felled so the road can be widened, or so another freeway can connect 2 more Holiday Inns.

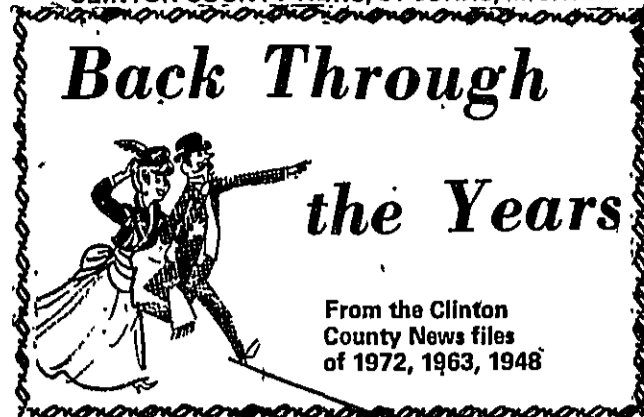

THE POINT IS obvious: There would be more trees to look at if there were not so many highways built for people who want to drive somewhere to look at trees.
This is the wrong attitude, I'm sure (I'm not really sure, but you probably are and I don't like to antagonize readers). Doctors are always prescribing a week in the country. Poets have filled books describing the beauties of getting lost in a swamp. Everyone knows Mother Nature lives outside of town and only a fool would refuse her siren invitation to come calling.
How could I be such a fool? How could I prefer suburbs and theatres and poolrooms to hills and daisies and daisies?
Well, it used to be hard. I used to feign a flat-tended fibula when the rest of the kids went on a hike. I would plead pleurisy when my family went picnicking. I avoided hunting trips by telling my brave friends I suffered with the rare anticompas disease which prevented me from going anywhere from which I could not find my way back home by following an extension cord.
BUT NO longer need I resort to such sticky subterfuge. Now I refuse to go on a color tour because of Johnny Cash and the world's dwindling supply of gasoline.
I am not a homebound sissy. I am simply patriotically ecological, or ecologically patriotic, take your choice.
And please pull that drape. I think I just saw a tree.

Artists join in Ballenger salute

Nearly 50 artists and craftsmen, including one from Clinton County, will join in a salute to State Senator William S. Ballenger after the Michigan-Michigan State football game in East Lansing Saturday, Oct. 13.
Main feature of "Ballenger's Barnbender", to be held at 6076 West Holt Road south of Lansing, between 4 and 9 pm, will be an arts and crafts show and sale featuring paintings, lithographs, sculpture, etchings, jewelry, pen and ink

drawings, ceramics, dried fibral arrangements, collages, silk screen, macrame, needlepoint, weaving, pottery, and quiltings.
The Clinton County artist present will be Gerald Johnson of St. Johns.
Also expected to be on hand are Governor William Milliken, Lt. Governor James Brickley, Senator Robert Griffin, and Congressman Garry Brown.
Tickets are \$10 apiece or \$15 per couple and include food and drinks and Dixieland en-

tertainment as well as the art show. Tickets can be purchased from Ink White of St. Johns (224-7218), Ernest Carter of Watertown Twp. (224-6761), Virginia Zeeb of Bath (641-6419), and Jennie Loznak of Elsie (862-5051), or at the door.

25 YEARS AGO

Oct 7, 1948
Hundreds of Clinton County citizens may find themselves not eligible to vote in this year's November election, according to a warning issued this week by township and city clerks throughout the county.
Services were held from The Eberts Chapel at 3 pm Monday for Walter B. Carter, 41, St. Johns businessman who died at Clinton Memorial Hospital Saturday following an illness of nearly 3 years.
The new St. Paul Lutheran Church of Fowler will be formally dedicated and consecrated in a double service on Sunday, Oct. 10.
On Oct 10 the Church of the Nazarene located at 748 North Lansing, St. Johns, will join a church wide celebration of the 40th anniversary of the organization of the Church of the Nazarene as a Protestant denomination.
A sudden heart attack Saturday was fatal to Neville Davarn, 56, well known Fawcett hardware and implement dealer. Born in Davarn on August 11, 1892, Mr. Davarn was a lifelong resident of the community.
One of the happiest and most outstanding occasions that the Duplain Church of Christ observes each year is the annual homecoming. This year this important event fell on Sunday, Oct 3, and as usual the weather was in harmony — sunny and bright.

10 YEARS AGO

Oct 10, 1963
A move to consolidate the non-high school districts of Valley Farms, Sheridan Road and Hurd with the DeWitt district was soundly defeated Monday in a special school election.
A fiery head-on collision on a dirt road in Roscommon county near West Branch Saturday evening took the lives of a St. Johns youth a Plymouth man and injured 6 others critically. Killed instantly were Dwight Lee Bunce, 20, son of Mr and Mrs Stanley Bunce of R-1, St. Johns, and Cleo D. Foreman, 45, of Plymouth, drivers of the 2 cars.
Gordon L. Willyoung, DeWitt Township justice of the peace and owner of the Green Acres Motel 2 miles north of Lansing, was appointed Friend of the Court for Clinton County Monday by Gov George Romney.
An autopsy performed on the body of David Knapp, 21, of Durand, who was found suffocated in a silo at the Green Meadows Farm near Elsie last Tuesday night, revealed that the youth had been struck on the head before his death.
It was incorrectly stated in a story last week that Circuit Judge Leo W. Corkin of St. Johns sentenced Orvin D. Forbes, a local man charged with assault. The sentence of one year in jail was imposed by Judge Richard Smith of Bay City, before whom Forbes was arraigned during the period between the death of Judge Paul R. Cash and the appointment of Judge Corkin.

ONE YEAR AGO

Oct 11, 1972
Richard David Collins, 39, Lansing and William Franklin Graves, 39, Eaton Rapids, were sentenced to solitary confinement at hard labor last Monday for the murder of Ivan

Ballenger warns of "rip off" possible in campaign reform

LANSING — State Senator William S. Ballenger (R-Delta Township) told a meeting of Lansing business and professional women Thursday that he hopes the Special Senate Committee on Political Ethics will be able to reach agreement on recommendations to reform existing state law in the areas of open meetings; campaign financing; lobbyist control; and conflict of interest "within a week or two" after the Legislature reconvenes on Oct. 16.

Speaking to the Lansing Area Republican Businesswomen at the Capitol Park Motor Hotel, Ballenger, who is co-chairman of the bi-partisan, 6-member committee, noted that the panel has held 7 public hearings on the broad subject of political ethics over the past 9 months, taking testimony from nearly 50 dozen citizens, state and local elected and appointed officials, legislators, lobbyists, and organized political reform groups such as Common Cause.

North Bengal

Mrs Iva Schaffer of Lansing and Mrs William Ernst and Maxine accompanied Mr and Mrs Edwin Mohrke of South Bengal to Whitmore Lake on Saturday, Sept 29, where they visited Lewis Ernst, who is a patient at the Convalescent Home there.
Mrs Albert Moritz of Essex ate Sunday, Sept 30, dinner with her sister, Mrs Edward Moritz.
Weekend visitors of Mrs William Ernst and Maxine were Mr and Mrs William S. Ernst of Battle Creek. Mr Ernst returned to his home on Friday, Sept 28, after being in New Jersey for 2 weeks on business for the Federal Aviation Agency.

FOWLER

Mrs Lula Boak has been a medical patient at the Carson City Hospital for several days.
Mr and Mrs Lewis Snitgen of Lansing were Wednesday afternoon-visitors of Mr and Mrs Arnold Miller.

The 32-year-old lawmaker also noted that polls showing increased public support for the idea of public financing of political campaigns have left unanswered many questions which his committee has been scrutinizing.
Said Ballenger: "When we talk about public financing, some of the basic questions all citizens must ask themselves are as follows:
1. "Are we talking about public financing at the federal level alone, or are we also talking about public financing of state, county, municipal, school board, and township campaigns as well? Do the taxpayers of Michigan want to underwrite the campaign costs of 116 candidates for the Detroit Common Council, for example?
2. "Should candidates be required to use only public financing, or should they have

the option of relying on private financing of their campaigns as well?
3. "To what extent should the taxpayers subsidize the campaigns of minor party candidates and under what circumstances?
4. "Should public financing be limited to general election campaigns or should it also include primary elections for the nomination of candidates, which is where most election outcomes are determined?
5. "Should public financing be made directly to candidates or should it be channeled through political parties?"
"Failure to provide answers to these questions could result in a taxpayer ripoff of the first order — with no choice given to the taxpayer as to who his hard-earned dollars are going to be used to support at the polls," said Ballenger.

BANK & TRUST CO.

Would you believe something for nothing?

We wouldn't either. But we worked at it. Then worked at it some more until finally we came up with a free checking account even we could believe in. We call it Free Check 75. Just as the name suggests, it's a checking account that eliminates service charges as long as a minimum balance of \$75 is maintained. We did a lot of figuring to arrive at that low minimum balance, but

you can believe us when we tell you it's the lowest minimum checking balance in Clinton County. Or, for that matter, in the entire Lansing area. In these days of inflation, rising costs and the general financial squeeze, it's kind of hard to believe

in something for nothing. But you can believe in Free Check 75. We do and its costing us money. You should because its something for nothing.

The wide-awake bank makes it all so easy.

Tractor safety program

By JOHN AYLSWORTH

In 1968 the United States Department of Labor passed a law regulating farmers should not hire youth under 16 years of age to drive tractors, operate machinery or do jobs that are classified as being particularly hazardous. These changes became effective January 1, 1970.

An exemption to the hazardous occupations may be obtained if the youth is between 14-16 years of age, has completed the 4-H tractor training program involving a minimum of 10 hours of study from the 4-H manuals, passed a written examination and passed a practical examination in driving a tractor. These tests must be conducted by the Cooperative Extension Service. However, some farmers are still sticking their necks out by employing youth under 16 years without this exemption to drive a tractor or operate machinery on any farm but the youth's. The farmer is putting everything he owns on the line with such action. There is a potential \$10,000 fine maximum for breaking this federal law but this is peanuts compared to the lawsuit the youth or his parents could start if injured. The employed youth and his parents are satisfied about informal arrangements to drive a tractor until something happens and he is injured. Ignorance of the law just won't stand up in court today.

If you would like to hire a boy or girl under 16 years of age next spring or summer, be sure they are exempt by passing the 4-H Tractor Program. For more information about the 4-H Tractor Program, please contact the Cooperative Extension Service, 1003 South Oakland in St. Johns or phone 224-3288.

Did you know that youth under 15 years of age having a tractor accident are 10 times greater per hour of driving than operators 25-44 years of age? This information is based on the 1972 Don-Pfister Michigan Farm Machinery Study. Farmers need to consider this information just as much as they would understand how some corn varieties have 10 times the disease resistance as others or methods you could use to cut down calf losses 10 times. Farmers who have children operating machinery or tractors are urged to be sure the youth knows how to handle the equipment properly & safely.

The annual Detroit Junior Livestock Show will be held at the Michigan State Fairgrounds in Detroit Dec. 2, 3 and 4. Classes will be provided for market steers, lambs and hogs. Exhibitors may exhibit one or all 3 species. The principal change from recent years is

that the steers will be shown by weight classes rather than by breed. Anyone interested in obtaining a premium book may write to Dorothea Mulholland, Route 3, Charlotte, Michigan 48813.

The Clinton County 4-H Award trip to Toronto, Canada will be held Nov 15, 16, 17 and 18. Shiawassee and Gratiot Counties will be sending 4-H members along on the trip. Letters have gone out to the award winners asking them if they wish to go on this trip. Some of the highlights of the trip include attending the Royal Canadian Country Fair covering 27 acres of the country's best livestock exhibits, the Royal Horse Show, the Science Center, Castletown and other points of interest.

The Eighth Annual Gem and Mineral Show will feature "Rocks in History" on Oct 26-28 at the Michigan National Guard Armory, 2500 South Washington, Lansing, Michigan. The show is open Friday, 5-10 pm; Saturday 10 am-10 pm and Sunday 10 am-6 pm. I'm sure youth and adults interested in rocks will have an interesting and informative experience attending this event.

The County 4-H Pumpkin & Sunflower Show held Sept 27 in St. Johns was very successful. The top 3 pumpkins were: 97# exhibited by Carrie Barrett - Prairie 4-H Club, 49# exhibited by Steve Van Vleet - Green Acres and 45-1/2# exhibited by Rick Batora - Elsie 4-Corners 4-H Club. The number of entries this year were down due to the lack of moisture this summer. The sunflower winners were as follows: 1st Steve VanVleet - Green Acres - 20 inches, 2nd (tie) Peggy Faivor - Green Acres and Helen Blakely - Elsie 4-Corners - 19-1/2 inches and 3rd Jay Miller - Green Acres - 19-1/4 inches.

This year a new class (food items made with pumpkin) was added to provide more interest and to encourage members to try food items using pumpkin. There were a total of 10 entries with the following winners: 1st Peggy Faivor - Green Acres - with pumpkin bread, 2nd Leslie Vermeersch - Green Acres - with pumpkin pie squares, 3rd Helen Blakely - Elsie 4-Corners - with pumpkin cupcakes. Recipes of these 10 food items are available from the Extension office.

The class for decorated pumpkins designed at the show had the following winners: 1st Jeff VanVleet - Green Acres (Mr Vegetable Elf), 2nd Rose Miller - Green Acres (Mr Cigar), 3rd Marie Miller - Green Acres (Mr Straw Hat).

The decorated pumpkins were on display this past week at the Central National Bank in St. Johns.

Rose Miller - Green Acres - won 1st place in the decorated gourd class. All exhibitors who participated in the show will receive ribbons and the 1st, 2nd and 3rd place winners in each class won a money premium. The sunflower and pumpkin seeds used by the members were provided through the Men's Garden Club of America Association. All members who raised pumpkins and sunflowers will receive certificates from the Men's Garden Club of America whether they exhibited in the county show or not.

The French's Corners 4-H Club will have their fall and winter enrollment sign up this week Monday, Tuesday, Wednesday and Friday, Oct 8, 9, 10 and 12 from 7-9 pm at the home of Mr and Mrs Eugene Rensberry. The Rensberry home is located at 6762 North US-27 St. Johns. Youth wishing to sign up should stop at the Rensberry's during these evenings along with their parents. Project areas being offered include clothing, knitting, handicraft, ceramics, advanced photography, arts & crafts and snowmobile.

The Sewing Basket 4-H Club members have elected officers for the 1974 winter program. They are Robin Wood - president, Tammy Parker - vice president, Rhonda Pixely - secretary, Tammy Tucker - treasurer and Laurie Baldino - news reporter. The club has 9 members with Pat Shiffer and Judy Clise as the leaders.

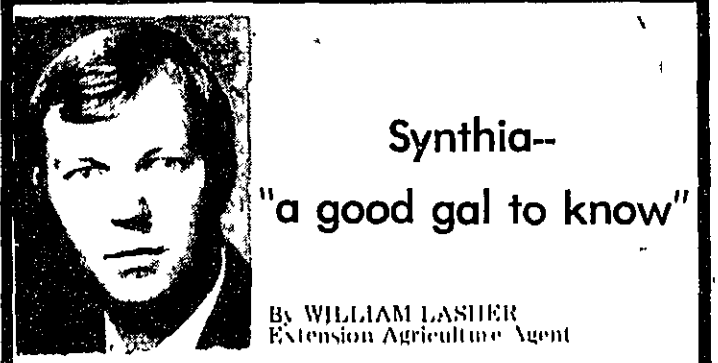

The Jolly Knitters 4-H members voted to go roller skating Oct 13 and Feb 21 with the 4-H activity. The officers of the Green Acres 4-H Club were present for the meeting as part of the club officers exchange. Demonstrations were given by Ruth Brya and Gerilyn Faivor.

Easy Riders is the name of the new 4-H Club in the Ovid-Elsie area with 54 boys and girls enrolled with the tractor project. Their leader is Dennis Sellers of Elsie. The members are studying the tractor project involving operation, safety and maintenance. They are working for certification so they can operate a tractor on a farm other than their own. The members will be taking their written exam and practical driving course this week.

SCOREBOARD
Schedules are made to remind people how far they are behind in their daily work.

Winners of the decorated pumpkin contest are (from left) Jeff VanVleet, 1st, with his "Mr Vegetable Elf"; Rose Miller, 2d with Mr Cigar and Marie Miller took 3d with a straw hat.

Synthia - "a good gal to know"
By WILLIAM LASTER
Extension Agriculture Agent

A talk with "Synthia" can be most informative, you always learn more than you set out to. "Synthia" is the name given to the talking computer at the University of Michigan used in the co-operative Extension Teleplan programs. Teleplan programs were developed by farm management specialists at Michigan State to make use of the computer to assist farmers in all kinds of management decisions. Synthia is a potentially in the farm management game. She responds to 41 different programs ranging from tax information to crop planting and livestock feeding. She can even tell you if you need more life insurance. You can "talk" or input the information to Synthia with a touch tone telephone. We have a touch tone telephone here in our Extension Office connected with the computer at Ann Arbor. There is no charge for running any Teleplan program. The 3 most used programs are: income tax management, least cost dairy ration, and the capital investment program. For beef feeders, there is a beef feeder-ration selection to give you a better idea of the returns of various types of feeders and ration combinations. Synthia can help you with your management decisions, to give you expected results before you spend any money, time or effort on a change in your management program. Stop by our office - 1003 South Oakland, St. Johns - we'd like to get you and Synthia talking together.

Corn storage may need to be expanded in 1973

EAST LANSING - With a bumper 1973 corn crop in the making, storage may need to be expanded according to Walter Wittenbach, Chairman of the Michigan State Agricultural Stabilization and Conservation Committee. He reminded producers that if they intend to use the price support program in their marketing plans, it will be necessary to arrange for storage in approved warehouses or provide acceptable on-farm storage for their corn crop.

Generally in Michigan, corn harvest will be earlier than last year. Plans for additional storage for anticipated needs should be completed as soon as possible since some CCC approved warehouses may not be offering storage this year. Wittenbach pointed out that

the county loan rates range from \$1.08 to \$1.12 per bushel, the same as for 1972. Loans will be made available on the basis of where the corn is stored. This is intended to encourage the flow of corn into principal consuming areas. The September crop report indicated a Michigan production of 132 million bushels which is 10 million bushels less than 1972 but still the second largest corn crop in Michigan history. Market prices tend to decline during harvest season and prices for new crop corn may favorably market prices. Producers with storage space available either in approved warehouses or on the farm may be interested in holding their 1973 corn crop for marketing later in the season. He pointed

out that many producers who placed their 1972 corn under loan have netted considerably more by marketing later in the season due to the continued rise in market prices.

MORE AND more producers are taking advantage of the price support loan program in their marketing plans but there are still many producers who have a general tendency to market their grain on a spur of the moment basis which often results in accepting a lower price for their crop. Each individual producer will have to decide on his own what he considers is the best method of marketing his 1973 corn crop. Details for obtaining a 1973 commodity loan can be obtained from the local county ASCS office, he stated.

Family living program presents Jewish customs

ST JOHNS - Jewish customs and foods will be the topics presented at the "Jewish Foods and Customs" program Thursday, Oct 18, at Smith Hall in St. Johns, at 1 pm. The meeting is sponsored by the Family Living Education program of the Cooperative Extension Service.

There will be a sampling of some traditionally Jewish foods. The meaning of "Kosher" foods and what they are will be discussed. Special foods that are traditional for specific holidays will also be one of the topics. Rosh Hashana, Yom Kippur and Chanukah as well as other Jewish holidays and festivals will be discussed. A focal point for the afternoon will be the customs which surround these holidays and their significance to the Jewish families.

View from the Senate

By SEN. WILLIAM S. BALLENGER

Although you may be up to "here" reading about the energy crisis, crunch, problem, shortage, gap, dilemma, or whatever you want to call it, the oil industry lobbyist at the State Capitol is contending that one of the primary causes of our current energy problem is so indirect that it has escaped the attention of most of us.

His argument — which you might sum up under the title "Steak 50¢/lb." — makes for interesting reading.

His argument runs like this — if I were to make a survey of my constituents on what the energy shortage is all about, many would probably tell me we're short of gasoline. To the farmer, trucker or bus operator it would probably be diesel fuel. Propane might be the poultry raiser's answer. The householder could see it all as a heating fuel problem. A worker in the sugar beet industry might have visions of an unscheduled vacation this winter because the gas company shut off supply to the plant where he is working.

Perhaps the best answer — though not the only one — would be that we have been heading for a petroleum crunch for several years simply because natural gas supply is failing to meet natural gas demand.

Natural gas is clean, convenient to use and CHEAP! So cheap that Americans stamped the gas companies to switch over from coal or oil. Demand for this fuel skyrocketed not just for homes, but also industries and electric utilities.

But we're not producing enough. Most industries and electric utilities, when they could not get gas anymore, were forced to turn to petroleum, a cleaner fuel than coal, which was having a hard enough time as it was keeping up with gasoline, diesel, in-

dustrial and home heating fuel demands. In fact, utility use of petroleum rose from 8000 barrels per day to almost 200,000 barrels per day in less than 6 years!

And here's the crux of the argument — the cause of the natural gas shortage, says the oil man, can be laid squarely to government regulation starting back in 1954. At that time, the US Supreme Court ordered the Federal Power Commission to fix the price of natural gas at the wellhead. But they pegged the price far, far below the market value for this clean-burning fuel — far below the price of competing fuels such as oil and coal.

Now, if you could buy steak for 50¢ a pound these days you would be buying an awful lot of steak — everyone would. The demand would be so high that steak would end up in very short supply and not many people would stay in the cattle raising business, either. That's exactly what has happened to natural gas.

But what are we to do? Can the gas supply be increased enough to meet our needs? The answer is "Yes", in the long run, but only if the price is deregulated and gas is allowed to find its proper price level in a free market.

This takes us to the other aspect of the 1954 Supreme Court decision. We have seen that the unrealistically low price blew demand right up and off the charts. But it also sank exploration and production toward the bottom. Natural gas comes from a well just like oil. When you drill a well, there is only one chance out of ten (national average) that you will

Elsie Senior Citizens learn about Alaska

ELSIE (c) -- Thirty-four citizens met at the American Legion Hall Thursday noon, Oct 4, for a potluck dinner.

The new president, Robert Kelley called the meeting to order by having new members stand and introduce themselves. They were Mr and Mrs Harold Heideman, Mrs Lyle Lipp, Mr and Mrs John Garrett and guests were Mr and Mrs Carl Fisher, Ec Robinson and Kammie Mead.

Mrs James Dorman was appointed on the Sunshine Committee and Mrs. Walter Bancroft was reported on the sick list.

An invitation was received to attend Miss Lulu Knight's 90th birthday open house from 2 to 4 pm on Sunday, Oct 14, at the home of Mr and Mrs Leroy Vincent, 433 E Main St, Elsie.

Mr and Mrs James Dorman will be in charge of the Nov 1 meeting for the refreshments. Mrs Grace Fizzell will be in charge of the December program.

James Dorman introduced the speaker, Ed Robinson, a native of Vermont and an ex-

policeman of Seward, Alaska, where he lived for 10 years. She showed pictures of Seward, Alaska on Resurrection Bay. Side wheeler boats used for ferries, small woodburning narrow gauge engines used for switching, and glaciers, living and dead, were explained by Robinson.

There were also pictures of Indians and Eskimos drying and smoking fish for winter

supply. He showed them picking up a poor grade of coal that would wash ashore when the tide came in. Then they would pick this up when the tide receded. They also did the same for clams.

A color tour was planned for Oct 17. They will meet at the American Legion Hall at 8:30 to leave by 9 am. They will have a potluck dinner at the Milford Clark cottage at Higgins Lake.

Ovid-Elsie announces Homecoming activities

Ovid-Elsie will be having their Homecoming Friday Oct 12. Activities will start Wednesday as the junior girls go against the senior girls in a game of Powder Puff football. Thursday the students will

vote for Homecoming king and queen. Thursday night they will have the traditional burning of the "M". A spirit award is given to the class who brings the most wood and who has the most spirit.

Friday after school the floats will be judged. Friday night the Ovid-Elsie Marauders will meet the St Louis Sharks in a conference clash. During half-time the winner of the float contest and the king

and queen will be announced. After the game there will be a dance in the high school cafeteria. This will be an open dance and the price is \$1.00 stag and \$1.75 drag. There will be a live band, Challice, and will last until 12:30.

Elsie

The All Church Conference, including both the Elsie and Duplain United Methodist Churches served by the Rev David Litchfield was held at the Elsie Church with the Rev Gerald Pohly District Superintendent in charge of the meeting.

The Rev Pohly opened the meeting speaking on the life style of Christians and also presided over the Conference. Mrs Robert Harmon for Duplain was nominated to the Committee of Nominations and Personnel. Mrs Lillian case, Mrs Milford Clark and Mrs Zella Brewbaker were nominated for Elsie Church. Their terms will expire 12/31/76.

It was recommended that Mrs Alpha Grubaugh be the Certified Lay Speaker.

The Rev Litchfield reported on camp activities which he attended as Dean and Mrs Donald Temple of Duplain as camp chairperson.

Financial reports were given by both churches and found to be currently stable. A brief session was held on which the goals for 1974 were discussed. Among them were: trying to be more friendly as individuals as well as church members; have faith to achieve; interest more young people; and to be better Christians through action.

Both churches are to receive Certificates for achieving 100% of their goal for World Service awards.

Information provided by recording secretary Mrs Howard Feltier.

ELSIE (c) - "An Inspired Church" a program from the 1972-73 study book "Live a New Life" was presented at the Wednesday, Oct 3, meeting of the Women's Society of Christian Service if the Elsie United Methodist Church in the home of Mrs Blaine Lentz.

This program pictured the life-world of a United Methodist women's group in a rural community of Tennessee to which an imaginary trip was made by the local women.

Mrs Sidney J. Keys was narrator and assisted by Mrs A.W. Cobb, Mrs Bea Kelley, Mrs L.W. Burdick and Mrs Howard Peltier in discussing the concerns as related to the church in mission and how the Tennessee group acted upon its concerns.

The concern for a Spirit-filled church brought out by the comments, pictured life in the small rural community of Overton County, Tennessee in the foothills of the Appalachians. Several large posters were used to visualize life in that area of relatively low income.

It was concluded that among the key words defining a Spirit-filled church were: commitment, discipline, prayer, service, witness, love, attitudes, music, literature, poetry, recreation, joy, community and cooperation.

Mrs Manley Engebretson opened the program with a Scripture reading from the Gospel of Matthew from "Good News for Modern Man," the New Testament in Today's English Version and closed with a meditation and prayer.

President Mrs Duane Green opened the business meeting, previous to the program, with a poem "If I Could Keep Autumn". Secretary and treasurer reports were given by Mrs Emerson Dunham and Mrs Harold Hehrer, respectively.

It was voted to give a donation to Jo's Operation Telephone Home. Plans were given out for

the Turkey Supper and Bazaar on Oct 24. The supper will begin serving at 5:00 pm. Tickets may be purchased from any UMW members or Mrs Myron Tethal, ticket chairman. The Local Church Activities Committee will be in charge of the kitchen: Mrs Gerald Carroll, in the dining room and Mrs Lewis Walling, cleanup for which she hopes for several volunteers.

Announcements included the Fall Workshop at the Greenbush Church, Wednesday, Oct 10, from 7:00 to 9:30 pm. A shower for Mrs David Litchfield and new son, Brian David, on Wednesday, Oct 17, at 8:00 pm in Fellowship Hall of the church.

Mrs Harold Hehrer reported on the carpeting for the parsonage. Mrs Lyle Dunham gave comments on the Lay Witness meetings to be held at the church on Oct 12, 13 and 14. Potluck suppers will be held on both Friday and Saturday evening at 6:30 pm.

Refreshments were served by Mrs Asa Stewart, Mrs Charles Holcomb and Mrs Larry Nickolas, and a social hour of visiting enjoyed.

The next meeting will be November 7 at the home of Mrs Andrew Cobb with the annual Pledge Service and Installation of Officers.

The members of the Elsie United Methodist Church are anticipating with much excitement the special Lay Witness meetings that will take place at their church next week Oct 12, 13 and 14.

The coordinators, Mr and Mrs Leon North of Holt, will be here with members from several other churches, to lead in discussions, song fests and to witness what the Lord and their church has done for them. These witnesses are just laymen of their own churches. They are dedicated witnesses and have a special kind of love to be willing to travel across the

country at their own expense to tell others what Christ means to them. They share openly and honestly in a way that the local minister and his congregation may not be able to do. Mr North is the owner of North Tool Sales Co, Holt, Mich.

There will be potluck suppers in Fellowship Hall of the Church Friday and Saturday evening at 6:30 pm. Coffee hours will be held in several homes on Saturday morning. Sunday Church service will be conducted by the witnesses. Everyone is welcome to participate in the activities of the 3 days.

There will be special activities for the youth, also.

Mrs Lena Daines, 93, of Paw Paw and niece made a stop in Elsie Saturday. This was Mrs

Daines' first visit here in 80 years. She was born on a farm just outside of Elsie in 1880. Her father, Arthur Warner worked for the "Elsie Sun" weekly newspaper, (now replaced by the "Elsie Advertiser") which Loren Austin was publisher.

The paper was first edited in Fairfield Township about two miles east of Elsie by Loren Austin in his home, and was called "The Yankee Clipper". In 1885 he changed the name to the Elsie Sun and moved his printing press to the village.

At one time there were two weekly papers in Elsie. The other called "The Elsie Enterprise" was edited by a Mr Johnson.

Mrs Daines was disappointed in not finding anyone in the area she might have known, but was pleased to have seen the area where she lived so long ago.

View from Senate

(Concluded from page 9B) find any gas or oil at all -- only one chance in 50 that the well will be commercially successful. But in order to find out, you must be ready to spend \$166,000 per well onshore and \$600,000 offshore (1971 national average).

Now, says our oil man, what prudent investor is going to put up such huge sums at such high risk to find a product that is priced so low that he'd be better off putting his money in a Shiawassee or Eaton County Bank?

This is all very fine, you say, but my constituents have great sensitivity toward price increases. How much would the price of natural gas rise in a free market?

First of all, the price of gas at the wellhead represents only 17% of the cost to the consumer at the burner tip -- the bulk of the cost consists of transportation and distribution. With that in mind, a study by Foster Associates, Inc, a Washington, DC Consulting Firm, concludes that the average annual cost of residential gas service in 1972 was \$155.73. The current regulated field price of gas is

slightly over 20¢ per thousand cubic feet. If this were to rise to 45¢ per thousand cubic feet it would increase the average homeowners annual bill only \$5 in 1974. If the field price rose to 75¢, it would add \$9 to the homeowner's bill.

But what if we keep the status quo -- continue regulation at the wellhead? First, it is unlikely and indeed undesirable that we would abandon all our environmental concerns and turn back indiscriminately to high sulphur coal, our most abundant fuel. But, second, we cannot continue to throw a heavier burden on oil -- there just isn't enough of it.

Therefore, we would be forced to turn to alternate fuels, such as imported liquid natural gas, which has a price 2 to 4 times that of the consumer's current price for domestic gas. Or we can make gas from coal at 6 times the current consumer's price for domestic gas.

So, runs the argument, we are faced with a choice: Deregulated natural gas at reasonable prices and adequate supply; or else, acute shortages of natural gas forcing us into high priced alternate or supplementary fuels. Or so says the oil man.

If Fire Strikes...

Seconds count! Your house is on fire! Have you taken the time to make your family fire safe?

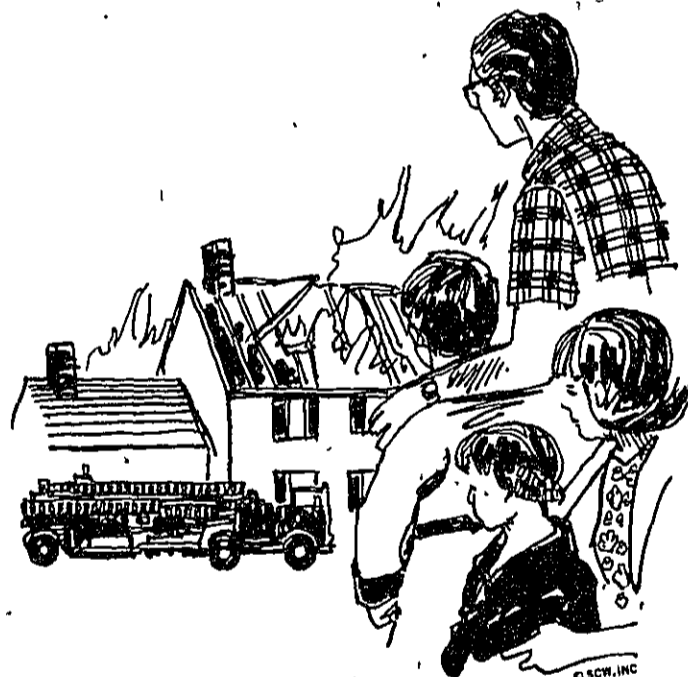

Develop a Home Escape Plan. Hold a practice fire drill. Then continue to practice until each member of the family knows exactly what to do. Your local fire station will be glad to help you.

Learn how to call your fire department. Can you call from a neighbor's house? Is there a pay phone nearby? Where is the closest street alarm box?

Home fire extinguishers can help put out small fires and get you safely out of a burning building. But don't take any chances—get your family and self out of the fire and always call the Fire Department—even if you think you've extinguished the blaze.

Know your exits. Provide ways to get to the ground from each room in the house. Try to provide at least two exits from each room. To help contain possible fire and smoke, sleep with all doors closed.

Don't wait until fire strikes. For your safety—**PREPARE NOW!**

Beth Cornell completes course in delicate Mexican sugar art

ST. JOHNS—Beth Cornell recently completed a course in the delicate Mexican sugar art.

Practitioners of the art use a mixture of sugar, gelatine and confectioners sugar to form completely edible cake decorations or decorative displays.

Mrs Cornell attended a course taught by Kay Ogdon, the only such instructor in the United States, who has instructed only about 100 students in the art.

The 7-day course was an extensive week of 16-hour sessions in which Mrs Cornell constructed a 14-inch square cake topped with a Victorian living room scene, a bride for a wedding cake and a flower arrangement with vase.

Mrs Cornell of 411 W Park in St. Johns has been awarded honors for her cake decorating for the past 2 years. Just recently she exhibited in the much more advanced technique with showings in the Monroe Cake Show and the Fostoria, Ohio Cake Show.

Beth Cornell displays the intricate and delicate decorations made during her instruction in Mexican sugar art.

New money order available

A new money order with the limit raised from \$100 to \$300 per order will be available at all post offices on Oct. 13, according to Postmaster Keith Mishler of St. Johns.

He said the new system can save both the customer and US Postal Service money. Buyers of the new money order will pay one fee—40 cents—for money orders valued from \$50.01 to \$300. Fees for the lesser amounts will remain the same.

Under the old system, a \$300 money order would involve \$300 fees for a total of \$1.20. The new system will provide a 2/3 reduction, to 40¢," Postmaster Mishler said.

The Postal Service has centralized administration of its money order system at the Postal Data Center in St. Louis. "It has the most advanced paper forms processing system of its type in the world and as a result of this efficiency the Postal Service expects to save about \$1.6 million a year," Postmaster Mishler said.

He said a new money order imprinter will replace the punch machine now in use. "The imprinter is based on the same method of printing as the credit card imprinters used in department stores, restaurants and gas stations. It is designed to save time and effort at the postal window," Postmaster Mishler said.

A 3-part carbon interleaved money order form replaces the card form that is now in use. Postmaster Mishler says the larger customer receipt will be less easily misplaced, contains a complete record of when, where, and in what amount it was purchased, and will allow the Postal Service to provide faster claim service through machine processing.

The new money order form meets American Bankers Association standards for rapid handling and processing. Recipients of money orders will be able to cash them at 42,000 post offices and stations and 23,000 banks and branches, Postmaster Mishler said.

NORTH BENGAL

On Friday, Sept. 28, Mr and Mrs Fred W. Pasch returned home after spending the past 5 months in St. Paul, Minnesota which is Mrs Pasch's former home. While they were there Emil Lauer, Mrs Pasch's father passed away after being in ill health for some time. The Pasch's son-in-law and daughter, Mr and Mrs J. D. Bancroft and children also came home on Friday after visiting in St. Paul for 2 weeks.

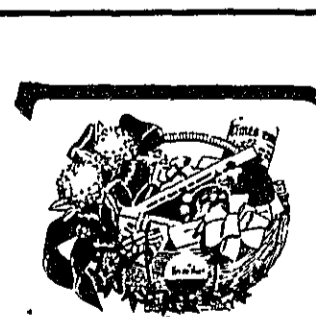

Miss Agnes Beard and Miss Peggy Mowhat of rural Six Lakes visited the former's sister, Mrs William Ernst on Wednesday, Sept. 26.

KROGER AND PHASE IV PRICES

Let's face it: it is going to cost you more to feed your family. Nobody likes high prices. Not you. Not your supermarket. However, for 90 years, Kroger policy has not changed. We will continue to search the markets of the world to bring you the best foods available at the lowest possible prices. We will continue to bring the best buys to your attention to help you stretch your food dollars. AND when supplies of foods are once again plentiful, we'll bring you even better buys. THAT'S a promise!

The retail food industry has been under strict controls since Phase I began on August 15, 1971. During this period, already low supermarket profits have plummeted to a new low; the average supermarket chain today earns a profit of about 8 cents on a \$10 grocery order.

charged by food processors or by supermarkets to cover their own rising operating costs (which include everything from higher wages to the increased cost of diesel fuel needed to power trucks.) Nor could any profit be made on the increased food prices.

Now, in Stage B of Phase IV, effective September 10, despite other increases allowed, retail prices will continue to be controlled two ways — markup or margin controls and profit controls — just as they were during Phase II and III.

After July 16, when Stage A of Phase IV went into effect, food prices rose. ALL the increase went back to the farmer: NOTHING could be added to the prices.
