

"Grass roots" association necessary for education reforms

By TIM YOUNKMAN
Co-Editor

ST. JOHNS—What is needed in maintaining local controls in the wake of educational reform is a strong local administrators association that can communicate effectively with state officials.

That was the consensus opinion in a News poll of Clinton County school superintendents last week. The school officials had just returned from forming a new local organization aimed at settling differences between local and state educational agencies.

The group, called the Mid-Michigan School Administrators' Association, met at Corunna to elect officers and establish by-laws.

"The main objective of the group, which is composed of administrators from Clinton and Shiawassee counties, is to establish a working relationship among administrators," Supt. Earl Lancaster of St. Johns said. He noted that both counties have similar socio-economic backgrounds.

"Another objective is to become closer to our representatives and state senator," Lancaster said. He said that State Sen. William S. Ballenger (R-Ovid) would be the speaker at the group's next meeting set for Oct. 14 in Corunna.

"We weren't at all happy about the state aid and the publicity that came from Sen. Ballenger's office," Lancaster said. The association should find that legislators will be more receptive to the problems of local schools, he said.

Lancaster cited the skyrocketing payroll of the state department of education, which now employs some 2,200 persons compared with only 400 five years ago. "It is bureaucracy at its best—or worst," Lancaster said.

"We hope to have better communication now with this grass roots organization," he said.

The St. Johns superintendent said that similar local groups of administrators were formed in Oakland and Wayne counties. "They had good luck with it," he said.

Other objectives of the group will be to study various needs in curriculum and to provide a chance to get together and pool information.

DeWitt Supt. James Ritchie viewed the organization along similar lines as Lancaster outlined the program.

"I can foresee a great change in public schools, especially after the recent ruling in California that the funding of education

with property tax is illegal," Ritchie said. "Now the Michigan Attorney General has been asked to give a ruling on that case for this state."

Ritchie said that if the property tax is outlawed for school funding and other methods are used from the state level then the local boards of education will suffer a loss of control over local education.

In calling the new organization a "grass roots concept," Ritchie said the group could effectively represent the feelings of the local citizens in dealing with the state agencies involved.

"This will provide an open avenue between local and state educators and the legislators," he said.

Ritchie said the group could not be termed a lobby. "I avoid the word lobby. It is a collective representation of the various boards of education at a grass roots level.

It is a representative group for communication."

He noted that there were laws governing lobbyists and that superintendents, as public employees, could not register as lobbyists.

Ritchie, who recently was elected to a governing board of a group called School Administrators' Political Action Committee (SAPAC), said that group could put more pressure on legislators—although doing so as private citizens.

One of the reasons for forming the Mid-Michigan group was to call attention in the press to educational problems. "All meetings will be open to the press," he said. "We want to make our opinions known and the best way is through the media."

He said the group plans to discuss other problems besides the breakdown in communication between the state and local agencies.

Farm Bureau holds 52nd annual meet

ST. JOHNS—The Clinton County Farm Bureau was to hold its special 52nd annual meeting Tuesday night at Smith Hall in St. Johns to elect a new president and several members of the board of directors.

Police investigate complaints

ST. JOHNS—City Police officers are investigating three larcenies and a report of malicious destruction this week.

Officers said several items, including two boats, were reported stolen from 601 W. Park St. Harold Jackson, a former resident at that address, told police he had moved some of his possessions, but when he returned, the boats, an outboard motor, a portable lathe, several power tools and hand tools were missing.

David Bristol, 504 W. Walker, reported a generator was stolen off of his car while it was parked in his driveway. Police said the report was made Oct. 5. The generator was valued at \$40.

William Prowant, of 511 W. McConnell, told police someone took a tool box of tools out of his garage. They were valued at \$40.

Keith Munger, 211 W. Buchanan, told police someone damaged his car Wednesday night while it was parked at the high school.

Lee Ormston, who has been president of the Farm Bureau for three years, has announced his retirement. He has served in various official capacities for six years. Also leaving the board of directors will be James Becker, director for Bengal and Riley townships.

Official notification of the annual dinner-meeting was mailed to 1,393 Clinton County families.

Other directorships to be voted on are the Watertown-Eagle position and one director-at-large position. Lewis Louder and Fran Moitz, the two incumbents, are both eligible for reelection.

Delegates for the state Farm Bureau annual meeting will be elected from among the membership. Policy resolutions will be considered and voted, including several questions included by county committees and community groups. Submitting resolutions from the county committee are Andrew Cobb, William Brook, Stan Balrd, Harmon Cropsey, Dan Thelen, Bruce Mehney and Robert Grams.

Tom Benson, chairman of the young farmer committee, will crown the Farm Bureau queen for 1971. She is Mary Black, daughter of Mr. and Mrs. Bernard Black of Bath. Also honored will be the Ovid-Elsie FFA group for their activity in an environmental project sponsored by the Farm Bureau.

Dinner was to start at 7:30 p.m. and served by the ladies of the Faithful United Methodist Church.

Accidents injure three

ST. JOHNS—St. Johns Police report three persons were injured Monday in two separate accidents in the city. All three were treated at Clinton Memorial Hospital.

At 2:40 p.m., cars driven by John W. Suchowesky, 25, of Durand and Katherine L. Chapko, 57, of R-1 Elsie, collided at Oakland and Sturgis, sending both drivers to the hospital for treatment of cuts and bruises.

Police said three other persons in the Suchowesky vehicle escaped injury in the crash. The impact drove the vehicle into a tree. Katherine Chapko was ticketed for failure to stop for a stop sign.

Wendy Foote, 18, of 1313 S. Oakland, was treated for bruises following a 9 a.m. accident on Sturgis, west of Clinton Ave. Police said Miss Foote apparently fell asleep and the car hit a tree. The mishap remains under investigation.

IN OTHER ACCIDENTS, Joan Wilder, 44, of R-3 St. Johns, was ticketed Friday for failure to yield the right of way when her car collided with another vehicle driven by Janice L. Howell, 26, of 1800 W. Marshall St., St. Johns.

Gordon W. Stewart, 34, of 611 S. Swegles St., St. Johns was ticketed Friday for failure to yield the right of way when his car collided with another vehicle driven by Vern L. Bond, R-5, St. Johns on Swegles St. north of Clark St.

Laura M. Knight, 17, R-2 St. Johns and Richard E. Bates, 32, 340 W. Main St., Elsie, escaped injuries when their cars collided on rain slicked streets at Traver and Walker Wednesday. No tickets were issued.

DRIVER HOSPITALIZED

John W. Suchowesky, 25, of Durand, was hospitalized after his car collided with another vehicle and then hit this tree at Sturgis and Oakland Monday. He is reported in good condition.

Take a good look at \$20 bills

ST. JOHNS—Take a closer look at those \$20 bills you have in your wallet. They could be fake.

A series of counterfeit \$20 bills have been circulating the north Lansing-Clinton County area and bank officials have warned residents to be alert in spotting the forgeries.

Gayle Desprez, a cashier of Clinton National Bank and Trust Company in St. Johns, explained that tellers in the Valley Farms office have been advised of the presence of the phoney bills and personnel in the St. Johns office have received information on the current circulation.

"If a bill is suspected of being counterfeit," Desprez said, the appropriate action to take is to contact the nearest law enforcement agency or to bring it to a bank.

"The unfortunate element of discovery," Desprez explained, "is that the person who last holds the phoney bill is out the money. However, it is best to turn the bill in rather than have a bank or other business place report receipt of the bill and where it came from. Surrendering a counterfeit bill can eliminate the possibility of knowingly becoming an accomplice in passing along fake currency."

Desprez said that Clinton National Bank will assist the Federal Reserve system by accepting currency for transfer to enforcement agencies and persons in the Clinton area who might come upon these bills are encouraged to present them at any of Clinton National's 11 branch offices.

FARM BUREAU QUEEN

Mary Black, left, daughter of Mr. and Mrs. Bernard Black of Bath, was chosen "Farm Bureau Queen" at the group's annual dinner held tonight (Tuesday) at Smith Hall. Miss Black will be eligible to compete in the State's contest. Other candidates were Cindy Thayer, daughter of Mr. and Mrs. F. Kenneth Thayer of St. Johns and Jan Woodhams, daughter of Mr. and Mrs. Richard Woodhams of St. Johns.

Therapist wants to clear up mental health misunderstandings

By TIM YOUNKMAN
Co-Editor

ST. JOHNS—"Mental health" has had a bad connotation in our society for many years. But the new therapist at the Clinton Community Mental Health Center says that image is fading quickly from our metropolitan scene.

Carol Monson, 24, has joined the staff of the Mental Health Center at 300 Sturgis St., St. Johns. And she has definite ideas about the way people view mental health.

"There are many misunderstandings about mental health," she said. "All people need help at different times during their lifetimes and many of them need help outside their families. That's when they come to us."

She stressed that a common view of people seeking aid at a mental health center is that they are deeply disturbed individuals ready to be committed to a mental hospital. "That's not true," she said. "This counseling is not something to be afraid of. Everyone needs help in some form or another." She pointed out that the center was not a hospital, but a counseling center. "Some people get the wrong idea. They do not have to be ashamed about coming to us."

Miss Monson, a graduate of Northern Illinois University, DeKalb, Ill., holds a master of science degree in community mental health. She accepted the position at the local center as primary therapist and will provide counseling in individuals,

married couples, groups, and families.

She will also provide consultation services with community officials and the various social agencies.

Miss Monson's joining the staff will provide the center with three full-time workers.

"There is a lot of room for expansion here," she said. "We are receiving many more referrals and are trying to offer as many services as possible. We hope to get more staff help in the future."

Miss Monson became interested in completing her educational background in com-

munity mental health services after working in a state hospital in Illinois. She had heard about the program at Northern Illinois and went on to get her degree.

She comes to Clinton County's center, which is part of a Tri-County Community Mental Health Program, from the H. Douglas Singer Zone Center in Rockford, Ill. She was employed there for two years as a mental health expediter, which included coordinating mental health programs and meeting with community citizens interested in the programs.

The staff at the Clinton center provides consultation to schools, other social agencies, pastors, private physicians, Clinton Memorial Hospital and many others.

She said that any of the staff members would be interested in talking with civic groups and others concerning mental health services and problems as they relate to Clinton County. Interested groups can contact the center for more information about the mental health programs. They can call 224-6729 to receive the details.

Miss Monson also said the center is in need of area volunteers to aid in the service programs. Those interested should contact St. Lawrence Hospital's Mental Health Center at 372-7900 where Mrs. Ann DeRose will provide information.

Miss Monson, who joined the staff Sept. 13, resides in East Lansing.

News presents counseling column

ST. JOHNS—The Clinton County News is happy to announce the addition of a weekly column to our pages, beginning this week. The new column is designed to give parents of St. Johns School District students an inside look at guidance counseling.

The School District counselors, under the direction of John A. Furry, will be writing weekly columns on various aspects of the St. Johns Counseling program.

"The main purpose of the column will be to present information to the public concerning the guidance and counseling

"Grass roots" association

"We will discuss some general programs, also, such as the enfranchising of 18-year-olds. We find that we are not prepared for this problem, nor do we have any school policies on it.

"This is the age of involvement and we have to have some social awareness to get some results. That's why there is a need for this administrator's association," Ritchie said.

The group plans to meet on the second Thursday of each month, Ritchie said. Bath Supt. Roger Carlson noted that

in this small group administrators can get together and work some things out.

"You can speak your mind," he said. "We will be able to agree on some things. Anything along these lines is bound to help. In the end, it is the school children we are thinking about."

Don Smith, superintendent of Fowler schools, said it was a "formalization of an organization that has been in existence for years."

The group has met informally for at least five years and the formal name and

election of officers makes the group more cohesive, he said.

"It's not a lobby group because we'll spend a lot of time working on educational problems," he said. Smith cited such problems as drug abuse and needs for further vocational education. He added that he did not think the group would have more power than any other association would have.

"It was not formed in a sense to replace any other educational group. It just formalizes the organization and makes it more cohesive," he said.

Wellman named director of phosphate firm

ST. JOHNS—At the recent annual stockholders meeting of Industrial Phosphating Company, Inc. of St. Johns, Harold Wellman, president of Central National Bank, was elected a director of the company serving on the Board with Ed Spaulding, Marie Spaulding, Ralph Lyman, Donald Fizer and Betty Leak. The Board elected the following officers for the year 1971-

HAROLD WELLMAN

1972: Ed Spaulding, President, Marie Spaulding, Vice President, Harold Wellman, Treasurer and Ralph Lyman, Secretary. In addition, Donald Fizer was named General Manager and Assistant to the President.

Spaulding indicated that the company is engaged in the phosphating of items for General Motors, Ford Motors, American Motors and several smaller companies.

Industrial Phosphating has recently completed a major plant expansion project which was necessitated by the substantial increase of sales during the past few years. The company now has the most modern phosphating plant in the world according to one General Motors executive and has also recently installed a fully automated paint line.

Counselor's Corner

Career counseling

Inside school counseling

Since last's weeks editorial suggested that the reader might find it "interesting to inquire of your local high school counselors as to their present approach", I felt that a response to this editorial might well be a good starting point for our column.

I think, first of all, it is important to understand that the word "college" is no longer synonymous with a 4-year degree. Many colleges are today offering terminal vocational-technical programs that take 2 years or less to complete. Numbered among these of course are your community colleges, Ferris State College, The Institute of Agricultural Technology of MSU, and Lake Superior State College. Many of our recent graduates, 1970 and 1971 have taken advantage of these programs and are pursuing career goals in these areas.

In the past two years, approximately 55 per cent of our graduates have gone on to "college"; of this percentage only 29 per cent entered a four-year program which also included a few in nursing. A four-year college degree in many cases has definitely been de-emphasized among our staff members and a concerted effort is being made in guiding many students to take a look at other forms of vocational preparation. The student still has his freedom to choose what he should do in terms of future preparation. This is as it should be and we as counselors and you as parents must lend assistance but not pressure toward college, trade school, etc.

IN OUR EFFORTS in helping students to make wise choices about their future plans, we have instituted a Freshman Orientation program as an extension of the Guidance and Counseling Department. Although this area of endeavor will be elaborated on in a future article, I would point out at this time, that the purpose of such a program is to allow

the student an opportunity to explore himself in terms of his interests, abilities, values and concerns and then explore the world of work in terms of his personal characteristics. It is a realistic attempt to assist the student in answering some very important questions; What is best for me in terms of the world of work? Should I consider "college" or other avenues of training?

Two years ago we reorganized our counseling staff's work load to facilitate the task of reaching all students in an attempt to make students more aware of counseling services and in turn have our counselors more accountable for the task they perform. As a result, more than 2,000 personal contacts were made with students in an effort to assist them in making choices that will be meaningful to them in future career planning.

The vocational programs now offered at the high school level in addition to the excellent business programs have facilitated our work with students in discussions about the world of work.

Furthermore, efforts to guide them have become more meaningful when they have the opportunity to begin exploring first hand the various skills involved in these occupations.

HELPING STUDENTS TO realize and strive to reach their full potential must remain the primary goal of counseling. Our counseling staff is fully aware that to some this means further education or training whether it be college, trade school, apprentice-training or business college. To this end, we will continually work at the high school level.

Use reason as a guide in life and principle as a safeguard.

City receives mural

A pictorial representation of the major elements which comprise life in Clinton County has been mounted along a forty-foot wall span in the auditorium of the St. Johns Municipal Building.

A Trust of Clinton National Bank and Trust Co., the mural depicts people in activities common to the Clinton scene in montage

photos of students, industrial workers, farming operations, social events and commercial enterprises.

For approximately 17 years the 40x5 ft. mural hung on the face of a soffit above the teller line in the St. Johns office of the bank and many of the persons in the photos continue to be residents of the area.

When installed in the bank the mural was one of the largest of its kind in Michigan and was done in sepia or brown-tone photo printing. Pictures for the display were taken by Clinton County News staff photographers and H. J. Greer.

Removal of the mural from its original location came as part of the extensive remodeling program completed recently by Clinton National. The mural has withstood the years exceptionally well and bank directors sought a favorable location for it to be moved and one which would allow continued viewing by St. Johns area residents.

being done within the system, acquaint the readers with the counseling personnel and their specific duties at the various levels throughout the system and to encourage parents to discuss their students future with counselors," Furry said. "We also hope to present some concerns about our needs for the future."

Furry, the program director, has a BA and MA degree from Michigan State University and he is currently working on his specialist degree. In addition to his counseling duties, he is responsible for coordinating all efforts of counseling at the various levels. He has been with the St. Johns District for the past 16 years, and spent a year in Pennsylvania as a counselor and vocational guidance coordinator.

OTHER MEMBERS of the staff are Albert LeFevre, who has a BA from Central Michigan University and an MA from the U of M. He is the adult education coordinator and a counselor. He has been with the St. Johns District for 14 years and has prior teaching experience at Lapeer.

Arlene Scramlin is presently counseling at the high school level and was a former teacher in the business department. She had a BA and MA from Central Michigan University and has been with the district for 15 years.

Two counselors work at the junior high level. They are Robert Kudwa and David Fitch. Kudwa has been with the system three years and has BA and MA degrees from Northern Michigan University and is currently working on an educational specialist degree in counseling and guidance at Michigan State University. He counsels half time and teaches the orientation classes.

Fitch holds a BA from Jones University and MA from MSU and is currently working on his specialist degree at MSU. Three years with the system, he also counsels half time and teaches orientation classes.

Panthers blast Pirates, sole owners of CMAC

By TIM YOUNKMAN
Co-Editor

DeWITT—DeWitt and Pewamo-Westphalia played two games Friday night.

The annual clash between CMAC arch-rivals found both the Panthers and Pirates nearly deadlocked at the end of the first half. The score was only 12-6, but the Panthers were leading only by the error of a missed block enabling DeWitt to block a punt and return the ball to the end zone for a score.

Otherwise, both teams were evenly matched.

But after the halftime homecoming ceremonies, neither team looked the same. DeWitt came roaring out and had a touchdown inside three minutes of the quarter and added another only six minutes later.

That wrapped it up for the Pirates who had envisioned squeezing past DeWitt and going on for the CMAC crown. Now it looks as though DeWitt will follow that vision.

DeWitt opened the scoring in the first quarter when Ron Wilcox tossed a 10-yard pass to Chuck Berkimer with 6:09 remaining in the period.

Four minutes later, at 2:14, Roy Piggott flipped a 12-yard pass to his favorite target Al Fedewa for the tying touchdown.

That was all the first half scoring until 1:59 of the second period when Tony Vettraino blocked a Pirate punt deep in P-W territory. Duane Shooltz jumped at the ball, just saving it from bouncing out of bounds, and ran it in from the five-yard-line.

From that point on, DeWitt dominated the game.

DeWitt Coach Tom Isanhart said the key play for the Panthers came in the third period before their first TD of the second half. The situation found DeWitt with

FIRST CATCH...FIRST TD

Until this point it had been a sparse year for junior end Tom Couling. No one had thrown to him yet, but the first time they did he caught it and ran 15 yards for a touchdown. DeWitt defeated P-W 26-6.

A third down and eight to go decision. Quarterback Wilcox handed off to Dan Davis instead of passing long. The stunt worked

and Davis picked up a first down. With 9:56 to go in the third quarter, Wilcox hit Tom Couling, sparsely used junior end, who rambled 15-yards for the touchdown. Wilcox ran in the two extra points.

Then, with 3:03 left in the quarter, Shooltz broke through the P-W front line and dashed 30 yards for another touchdown.

Pewamo-Westphalia's offense was thwarted most of the night by DeWitt. The Pirates picked up only six first downs against the Panther front line and Piggott completed five of 15 passes for 44 yards. P-W runners scrambled for 97 rushing yards.

DeWitt gathered 19 first downs with a total offensive attack of 322 yards. Panther runners ground out 242 yards on the ground, while Wilcox hit on six of 10 passes for 80 yards.

The DeWitt defense thwarted the usually successful Pirate passing game by double teaming Al Fedewa with a half back and a safety.

"They probably would have gotten the touchdown anyway, but we had a mixup in assignments that enabled Piggott to pass to Fedewa," Isanhart said. Once the mixup was straightened out, however, Fedewa saw little of the pigskin.

Chuck Berkimer, who started out last season as a backup quarterback, was the defensive hero, picking off three Piggott passes. Dan Davis helped out with another interception.

Wilcox led the DeWitt running attack with 85 yards and Shooltz added 71 yards to his three league game total of 274 yards.

"We had a lot of respect for P-W," Isanhart said. "They were a little bigger, but we did a better

job of blocking with our offensive line."

Isanhart was pleased with the performance of Mike Moody who compiled 52 yards rushing. Moody has been suffering from bronchitis and was not used as much in the first few games.

DeWitt's win made it 18 CMAC victories in a row for the Panthers who have won the league championship the past two seasons and have an excellent chance at repeating this year.

Isanhart said P-W was probably the toughest team DeWitt

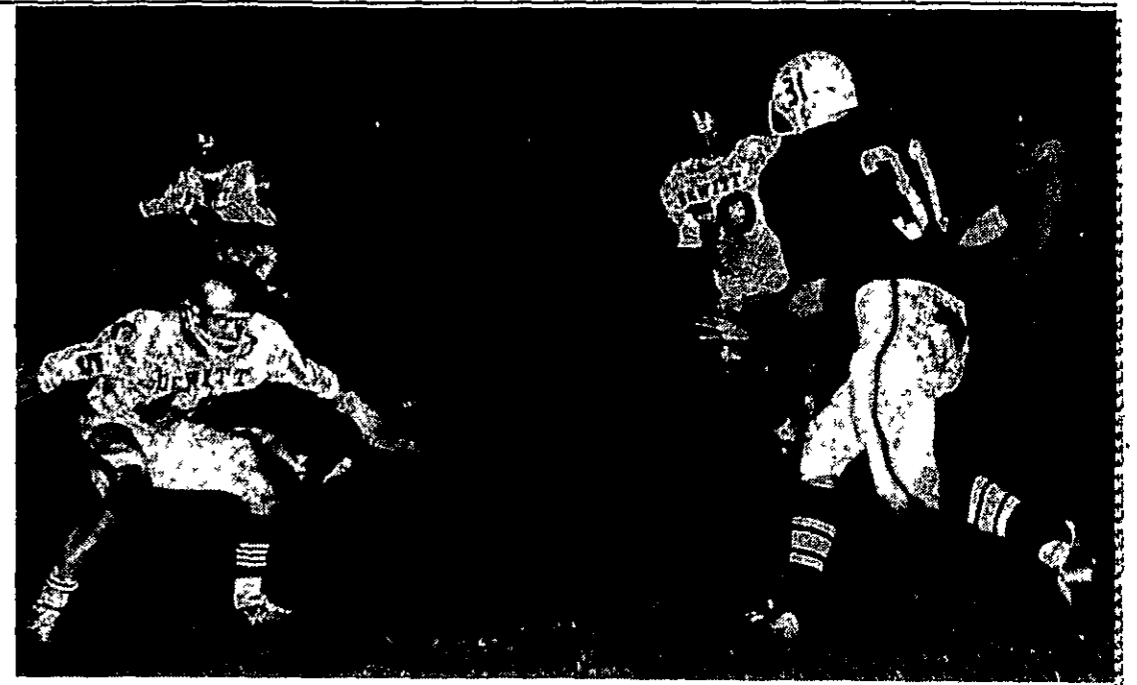

will face this season.

They go up against Pottersville away Friday night. Pottersville dumped Fowler Friday 13-6.

P-W Coach Bill Marks said he wasn't sure if DeWitt could repeat in the CMAC, but added: "DeWitt has a fine ball club."

The Pirates will take on Portland St. Patrick Friday night in another league tilt. "They are small and fast and hit hard," Marks said. "We can expect a real good game."

Scoring by quarters:
DeWitt 6 6 14 0-26
P-W 6 0 0 0-6

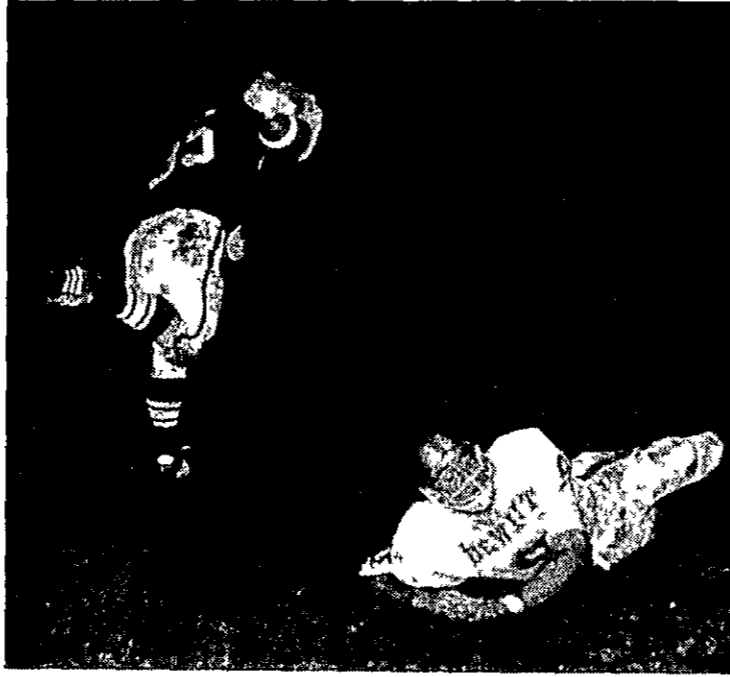

HERE I COME

P-W's Mike Gross (31) carries the ball through the DeWitt line but is ready to be felled by Chuck Berkimer (15) and Gary Bouts (50).

SIT DOWN STRIKE?

It appears as though some of the P-W players were staging a sit down strike but actually, they have just stopped a DeWitt runner on the five-yard-line. Saving a touchdown are Chuck Bengal (76), Steve Hanses (15), Dan Thelen (28), Gerard Fedewa (35) and Ben Wesley (18). DeWitt's Tom Ashley (75) and Gary Bouts (50) look on.

OOPS

P-W's Gerard Fedewa breezes past DeWitt's Ron Wilcox who missed a tackle. Fedewa trotted into the end zone for the only P-W score.

ALMOST A TD

DeWitt's Ron Wilcox (9) with blocking help by Duane Shooltz (32) scrambles for the goal line during the Panthers' victory over Pewamo-Westphalia. He was stopped short of the line. Converging on the scene is Pirate Frank Spitzley (73).

Vikings spoil Homecoming

HALFMANN FOR 10

Larry Halfmann (42) picked up a first down for the Fowler Eagles on this around end play early in the first quarter.

FOWLER—The Potterville Vikings came back to Clinton County this last week for another victory bid. This time they got it. They spoiled Fowler's Homecoming 14-6. But they didn't do it without a fight.

Coach Steve Spicer's defensive head hunters rattled the Vikings for an entire half, while the offensive unit moved the ball well on the ground and through the air.

It was a defensive battle for most of the first half. Fowler moved the ball well but failed to put any points on the board. With about a minute left in the first half, Quarterback Scott Spicer capped a 50-yard drive in nine plays with a 15-yard pass completion to Pat Thelen, who besides a referee, found himself all alone in the end zone. Potterville intercepted the PAT pass however.

In the third period, the Vikings Dean Peters capped an 80 yard drive when he scored on a one yard sneak. A key interception on Fowler's 20 yard line set up the second score, with Peters sneaking again, this time for two yards and the score. The first PAT failed, but Bob Nemeth added the two points in the final period for the 13-6 win.

THE EAGLES HAD eight first downs to the Vikings seven, and they picked up 38 yards on the ground. Larry Halfmann was the leading ground gainer with 23 yards.

The Eagles had 100 yards through the air on six of 19 pass attempts and they lost three via interception. The Eagles defense held the Potterville ground game to 51 yards.

The Vikings made a decent showing through the air however,

as they racked up 145 yards on six completions of 15 attempts. Al Koenigsnecht intercepted one of their passes. The Vikings also picked up two Eagles fumbles and one of their own.

Coach Spicer had nothing but praise for Tony Thelen, Al Simon, Mel Pohl, Dave Osborne, Dave Halfmann and Bill Feldpausch, all members of the defensive line.

"THEY WERE OUTSTANDING all night," he said. "They did a

fine job."

The victory gives the Vikings a 2-1 in the CMAC and a 3-1 record overall. The Eagles have a 0-2 record in the CMAC and a 1-3 for the year.

Friday night, Fowler will meet Laingsburg, who defeated Whit-

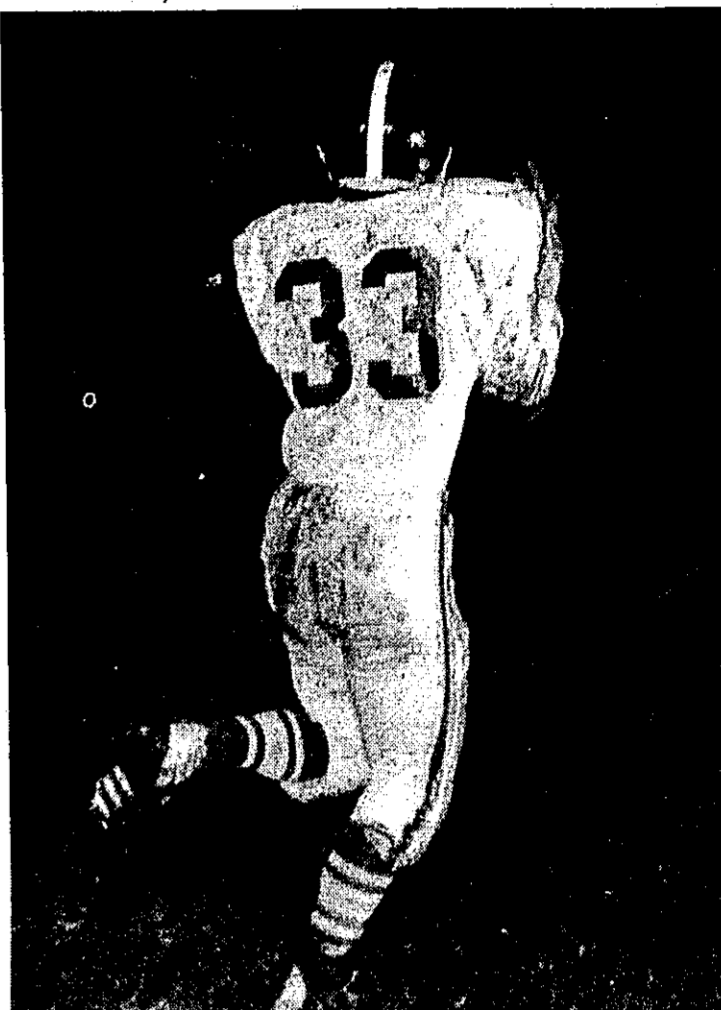

more-PreScott 67-8 last week. "They have a fine offense and they are coming off of a 67 point victory," Spicer said. "They are sure to be fired up."

Score by quarters:
Fowler 0 6 0 6
Potterville 0 0 6 14

QUARTERBACK RAMBLE

Fowler's Scott Spicer eludes a Potterville tackler on his way to picking up eight yards around end.

TD CATCH

Fowler's Pat Thelen catches a 15-yard pass from Scott Spicer just before the half to put the Eagles on the scoreboard 6-0.

Joy Weber named 1971 Queen

By BETH FOX
Fowler High School

came off very well at Fowler High School.

Despite the weather and the losing of our football game the other Homecoming Festivities

were able to have the crowning of the queen during half-time ceremonies.

The freshman representatives lead the parade on the field. They were, GERALYN Thelen, Cindy Miller, and Cindy Osborne. Next came Jean Luttig, Ruth Koenigsnecht, and Nany Jordan representing the sophomores. The juniors were Marcia Pline, Patti Schrauben, Cheryl Fedewa. Last came the Homecoming float pulling Mary Lou Fox, Beth Fox, Janet Rademacher, Joy Weber, Joany Pohl and last year's queen Lee Upton.

was announced there she sat with tears rolling down her cheeks. She was Miss Joy Weber. Joy was then crowned by last year's queen Miss Lee Upton and a dozen red roses were given to her by Mr. Smith, our Superintendent.

After the game a dance was held in honor of the Queen and King, John Pohl, and all of their court.

Homecoming '71 was a very happy occasion for both the students and the parents of all of these kids.

WHEN THE QUEEN'S name

EAGLES' QUEEN

Senior Joy Weber was named the 1971 Fowler Eagles Homecoming Queen. She was crowned during halftime ceremonies by 1970 Queen Lee Upton.

Kenney sees action group open communication lines

By TIM YOUNGMAN
Co-Editor

OVID-ELSIE—Sen William S. Ballenger (R-Ovid) will be the featured speaker when the Mid-Michigan School Administrator's Association convenes Thursday at Corunna.

Ovid-Elsie School Supt. Donald Kenney said Monday that he was going to quiz Ballenger on the legislative attitude toward education, especially the state aid program as it affects schools in Clinton and Shiawassee counties.

"Ballenger is, of course, a pro-education Senator," Kenney said. "I want to know how we can help him and how he can help us to achieve some education reform in this state."

Kenney said he would like to see better communication lines between the legislators' offices and the local schools. "We certainly would like to be consulted on these educational decisions," he was referring to an incident when Ballenger released some information on the state aid program that had created some misunderstanding among local taxpayers before the information could be clarified.

Kenney said he would bring up a letter written by State Rep. Richard Allen (R-Ithaca) that indicated the state aid package was "a step backward" in educational reform. "I would be interested in knowing Sen. Ballenger's reaction to a fellow legislator who is critical of state aid."

"I would like these legislators to check with the superintendents. Rather than fight with each other, we could move towards education reform."

Kenney said the association was born in the mind of the area superintendents who wanted to form an action group. "This is not a social get-together group. It is an action group and that's

our primary concern," Kenney said.

"We feel that there is a widening gap between the state education people and the superintendents. Sometimes I feel that we aren't in the same business. We would like them to consult us on decisions. We are on the firing line every day and have a certain expertise. We should be consulted but often are not."

"Often they (the state) hold public hearings after the fact—once the changes are already made," Kenney said. "We are like a voice crying in the wilderness."

KENNEY NOTED that the group is an effective tool for educational change. "We can explore and solve some educational problems. There are a lot of problems that come up and we can put our collective heads together and solve them."

Kenney agreed with other Clinton County superintendents in that he would not consider the Mid-Michigan association a lobby.

"A lobby is someone on an expense account in Lansing representing a special interest group. We are concerned with education as a whole. We are not interested in simply talking about the problems, but we hope to be recognized and produce some tangible results."

He said he hoped the group would not take up a lot of time talking about problems. "These problems are ongoing. If we meet once or twice a month and put our collective heads together, we should get results."

He said if the group had no effect on educational matters there would be no point to the organization. "It is, I feel, an effective tool."

Kenney noted that there were similar problems throughout the state in educational matters.

"Real test Friday at Stockbridge"

Bath slashes past Dansville 20-0

By TIM YOUNKMAN Co-Editor

DANSVILLE—In a rain-soaked afternoon contest Friday Bath's Paul Stoll fired two touchdown strikes and Joe Mitchell dashed 11 yards for another score as the Bees shutout a demoralized Dansville squad, 20-0.

The game, totally dominated by Bath, both on the ground and in the air, was played in the afternoon due to lack of lighting at the Dansville field.

Stoll broke the scoreless ice in the second quarter hitting his favorite target, end Fritz Ordway, with a 36-yard TD strike.

The Bees' turned around, got the ball and marched down the field for another TD drive, capped by Joe Mitchell's 11 yard scoring dash.

Bath ended the scoring in the third quarter when Stoll dropped back and flipped a screen pass to Roy Dobson who scampered 25 yards for the touchdown.

Don Henry caught another Stoll pass for the points after touchdown. Bath outplayed the winless Dansville squad in every statis-

tical category. The Bees rolled up 186 yards on the ground and 101 in the air compared with 21 yards rushing and 46 passing for Dansville. Stoll completed 12 of 18 passes while Dansville only completed five in 13 attempts.

The defense standouts of the game were Larry Feguer with 12 solo tackles, Dobson with 10, Randy Markham with eight and Mitchell with eight. The high-flying Bees, currently unbeaten and leading the Ingham County League, stung the Dansville quarterback for two interceptions, one by Ordway and another by Brad Schaibly.

But the victory smile was short lived for Coach Ron Skorich. He is already looking for the clash Friday night with Stockbridge, also undefeated in league play.

"Stockbridge is big and tough. This will be our real test," Skorich said.

The Panthers have defeated Pinckney, Dansville and Williamston while Bath has defeated Pinckney, Dansville and Leslie. "They haven't played any

strong teams, but I think Leslie is much better than people may think," Skorich said.

The Panthers boast Jesse Campbell, a good end, who scored three touchdowns against Williamston Friday night.

But Skorich isn't afraid of Campbell's speed or pass-catching ability. "I hope they do throw to him," Skorich said. He noted that the Bees have Stoll, Ordway and Schaibly who have accounted for seven pass interceptions in four games. Stoll

and Ordway are well over six feet tall and stand a good chance of picking off a couple of passes meant for Campbell.

"We will have to go out and hit them," Skorich said. "I don't think they have really been hit yet. They are big, but if we hit them, we will win." The Bath coach though impressed with Stockbridge's transfer quarterback Chuck Vitzthum, thinks the Bees can put a halt to the Panther scoring punch.

He hinted that Stoll and Ord-

way might just puncture the staunch Stockbridge defense with air strikes. "Their defense is big and tall but they aren't too fast."

The game will be held at the Stockbridge field Friday night beginning at 7:30 p.m.

Scoring by quarters:
Bath 0 12 8 0-20
Dansville 0 0 0 0-0

St. Johns orchestra concert

ST. JOHNS—The 46-member St. Johns High School Orchestra will present its first public concert of the school year on Tuesday, October 19 at 7:30 p.m. in Pocus Auditorium at the high school.

Featured on the concert will be works by Beethoven, Kodaly and Haydn. Of special interest will be a new composition by Richard Aikman entitled Noc-

turne: Call Street. The composer will be in attendance at the concert.

There is no admission charge for the concert.

The orchestra recently made its 3rd annual tour of the elementary schools.

THE CONCERT TOUR is cor-

related with the elementary vocal music program and the concert included a discussion and demonstration of the various string instruments and the orchestra in general.

The concert was enthusiastically received in all of the schools.

With initiative a man will either find a way or make one.

Accidents injure seven people

ST. JOHNS—Clinton County Sheriff's Deputies reported two persons were injured in separate accidents on Clinton roads Monday.

Anthony Chingman Jr., 38, of Lansing, received bruises when his car ran off of US-27 at Valley Rd.

Nancy J. Miller, 32, of Bath, received minor injuries when she attempted to avoid a truck parked crossways in the road. Her car went off of Clark Rd. and rolled over. Neither driver required hospital treatment.

In other accidents, Deputies said two persons were injured Saturday when the car in which they were riding collided with another vehicle at M-21 and Wright Rd.

INJURED WERE Bernita Koenigskecht, 60, and Alan Koenigskecht, 23, of St. Johns. They were passengers in a car driven by Leonard J. Koenigskecht, 62. The vehicle collided with another car driven by LeRoy J. Schafer, 31, of Fowler.

No one was hurt when cars driven by Agatha M. Epkey, 42, of Fowler and Jackie L. West, 23, of Lansing collided Sunday at US-27 and Centerline Rd.

Elden A. Bendt, 29, of St. Johns, received minor injuries Sunday when his car collided with another vehicle driven

by Dennis A. Bolton, 21, of Ovid on Faragher Rd.

Charles S. Greenburg, 37, of Lansing, escaped injury Friday when his car ran off of US-27 and into the ditch at Locher Rd.

ORLAN F. STRENGTHAM, 18, of Mason, received bruises Friday when his car was struck in the rear by a vehicle driven by Dale E. Max, 17, of Ovid. Max was ticketed for violation of the basic speed law in the collision which occurred at Hollister Rd. and Front St.

Two horses died Friday night as the result of auto collisions. The horses ran in front of cars driven by Eugene R. Bronson, 49, of Plymouth and Allen F. Wolfgang, 17, of Alma on US-27 north of Pratt Rd. Donald J. Thompson, 67, of Middleton, was ticketed Friday when his car collided with another vehicle driven by Jimmy D. Wilson, 24, of Stonefort, Ill. on US-27 north of Parks Rd.

Annie L. Mikulka, 23, of Bannister, received minor injuries Wednesday when she lost control of the car she was driving and it hit a culvert railing. Deputies said loose gravel caused the accident on Willowbrook Rd east of Krepps Rd.

P-W readies Homecoming

By VALERIE HILL P-W High School

Pewamo-Westphalia High School's Annual Homecoming Festivities will be on Oct. 15. The float parade and the crowning of the homecoming queen will take place at halftime of the Portland St. Pat - P-W game.

This year 17 girls represent the freshman through senior classes. The girls riding the senior float are: Joyce Fedewa, Kim Ludwick, Lynette (Pete) Pline, Donna Smith, and Ruth Thelen.

Representing the junior class are: Lou Ellen Pline, Cindy Pohl, Jan Thelen, and Terri Thelen.

Four girls are representing the sophomore grade. Their names are: Julie Cvetnich, Linda Pline, Kim Rademacher, and Virgene Thelen.

Our freshmen had a wide choice but they narrowed it down to four. They are: Patty Barker, Jackie Platte, Judy Thelen, and Gayle Walter.

The excitement of our queen candidates is running high, all hoping that they will be the one to represent the school.

Some typical reactions from the girls were "Oh, I'm just so, so excited!" "Only a couple of days! Oh, my gosh!" Well, girls, "Good Luck to all of you."

Still tied for MMB lead

Marauders destroy Ithaca

By TIM YOUNGMAN
Co-Editor

Ithaca—When coaches talk about team effort, they usually mean the 11 or 22 guys on the offense and defense that worked together to wring out a victory.

When Ovid-Elsie Coach Mark O'Donnell talks about a team effort, he means everyone on the squad. He proved that Friday night when he played all 39 O-E players against a still winless Ithaca Yellowjacket club.

The Marauders crushed Ithaca 30-0 to record their 11th straight win and third shutout of the 1971 season. O-E is now 4-0 and 2-0 in Mid-Michigan B Conference play to take the league lead.

They are tied with Corunna and Chesaning for the top spot.

The Marauder offense and defense combined from the opening kickoff to thwart any attempt by the Yellowjackets to get on the board.

Ovid-Elsie's high-scoring back Gary Groom started things off with a 20-yard run on the

first series of downs to put the Marauders ahead for good, Bill Foran kicked the first of his four extra points.

The Marauders had the next two drives halted by penalties but came back when halfback Gordon Baker broke over left guard for a 47-yard TD scramble and Ovid-Elsie's second score.

The run was set up by good blocking on the part of guards Jeff Baker, Gordon's twin brother and Dan Fruchey. That was all the scoring in the first half and as Ithaca trudged into the dressing room behind 14-0 they still had not had a first down.

Early in the third quarter, Groom picked up his second touchdown crashing over from the one-yard-line. Groom's TD followed a 32-yard pass from quarterback Tom Kirinovic to end Ron Mead, carrying the ball to the one.

The defense scored the next two points, in the fourth quarter, when junior tackle Lynne Webster tackled the Ithaca quarterback in the end zone for a safety.

The final Marauder score came at the hands of the O-E reserves. Fullback Jim Kelley picked up the touchdown on a one-yard plunge.

Coach O'Donnell was pleased to see the return of junior line-backer Randy Loynes who had missed the first three games following an appendicitis operation. He led the Marauder defense with nine solo tackles and one pass interception. Webster and Frank Quine the defensive tackles each helped the cause with eight solo hits each.

Defensive back Charlie Miller picked off another pass to give the Marauders six pass interceptions in four games. Defensive backfield coach Bob Foreback had only high praises for the defensive backs who have limited the opposition to only three receptions in the first four contests. Those three catches added up to a meager 19 yards. They held Ithaca to no completions in eight attempts.

The Marauders destroyed the Yellowjackets on the ground, chewing up 170 yards compared

with Ithaca's minus 14. O-E added 111 yards passing on eight completions in 12 attempts for Marauder quarterbacks.

The staunch defense forced four Ithaca fumbles and recovered three of them. The only first downs Ithaca managed to get were given to them by O-E penalties.

Baker was the leading runner picking up 70 yards in eight carries while Groom collected 37 yards in eight carries.

Ovid-Elsie will take on Midland Bullock Creek at home Friday night, facing a team that has been beset with troubles throughout the 1971 season.

The Ovid-Elsie junior varsity

scored a 14-0 shutout against Ithaca's JV squad. Jim Lawrence and Kim Jorae scored the two Little Marauder touchdowns.

The Mini-Marauders, O-E's freshman squad, suffered their first loss of the year to Ithaca 12-8. Perry Munson's pass to Cayle Woodward was the only scoring for the Frosh, but it was a frustrating night. The Mini-Marauders were stopped twice inside the five-yard-line without scoring.

Scoring by quarters:
Ovid-Elsie 14 0 7 9-30
Ithaca 0 0 0 0-0

MARLI WITT

Book fair aim: get enjoyment

BATH—Getting a child to learn is basically what education is all about—and learning to enjoy reading is one of the first things on any educator's list.

The Bath Community Elementary school teachers and parents have joined together to sponsor a non-profit book fair this week, Monday through Wednesday, in an effort to stimulate children's interest in reading.

Students will be able to browse and purchase books. The book fair will be open during the school hours and until 5 p.m. each afternoon.

The purpose of the fair is to encourage student interest in reading and in building home libraries. Therefore all books will be sold at cost. The book fair committee with Mrs. Marli Harwood, chairman, invites all students, parents and visitors to attend the fair.

Books in all price ranges and for all interests at the elementary level will be shown.

Benefit game tickets available

DEWITT—Tickets are still available for the benefit basketball game between the Arkansas Lassies and the DeWitt Faculty All-Stars scheduled for Oct. 19.

The Lassies, this year, will feature a former St. Johns High School girl who joined the team after seeing them a few years ago while making a tour of central Michigan.

Marli Witt will be helping the Lassies weave their basketball magic against the All-Stars at the DeWitt High School gym beginning at 8 p.m.

The money received for the benefit game will help the Panther Booster Club with its many student-oriented projects. Tickets are \$1 for students and \$1.25 for adults in advance and 25 cents higher per person if purchased at the gate. Tickets may be obtained by stopping into any of the DeWitt school offices or send a self-addressed stamped envelope to Tickets, 1005 E. Geneva Drive, DeWitt, 48820 with the money.

ATTEND NATIONAL CONTEST

Attending the National FFA Livestock Contest in Kansas City, Mo. are St. Johns FFA advisor Don Munger, Vice President Wayne Bishop, President David Bishop and contestants Chris Champ, Ted Ashley and Paul Lerg.

FFA judging team competes in contest

ST. JOHNS—Three members of the St. Johns FFA Chapter are in Kansas City, Mo., this month to participate in the National FFA Livestock judging contest, to be held during the 44th National Convention of the Future Farmers of America. The team is composed of Ted Ashley, John Castle, and Paul Lerg and are accompanied and coached by Don Munger, Vocational Agriculture Instructor. The livestock judging contest is one of five national FFA judging contests in which young men and women test their ability to select quality livestock and animal products. The contests are sponsored by the National FFA Foundation and are held in conjunction with the American Royal Livestock and Horse Show which provides animals for contestants to evaluate. This year's contests will include judging of dairy cattle, dairy products, poultry, livestock (sheep, beef, and swine) and meats.

THIS YEAR 191 three member teams will participate in the contests. Each team in the contest has competed against other chapters in their state for the privilege of attending the National Convention where they must match their skills in selecting quality animals and animal products with teams from four other states. Only FFA members who are under 21 years of age and who are currently taking Vocational Agriculture are eligible for the contests. The 46 livestock judging teams will judge classes of breeding and market sheep, and breeding and market swine. Like the dairy and poultry judging contestants, they will have 12 minutes to observe the animals, 12 minutes to prepare reasons and no more than two minutes to give their oral answers. Oral reasons are given by each team member to a panel of judges. Dave and Wayne Bishop, FFA officers in the St. Johns Chapter also accompanied the team to Kansas City.

Ionia shades Redwings 7-6

IONIA—A desperate bid for victory fell through the hands of the St. Johns Redwings Friday night when a PAT pass was dropped in the end zone. Ionia Bulldogs won the game 7-6. It was the second time this season the Redwings have been shaded by one point. The game was scoreless until

the third period when the Redwings got a bad snap from center on a punting situation and the Bulldogs took over on the 18 yard line. Six plays later, Jim Westover went through the middle of the St. Johns defense for the score. Rick Munn was the hero of the night as he booted the extra point, which won the game for the Bulldogs.

make on the game's outcome. THE REDWINGS WILL go against a tough Waverly team Friday night. The Warriors clobbered Alma last Friday 46-0. It was their first victory. A key in the win for the Warriors was the switching of former quarterback Dick Dunham to tailback, who carried 15 times for 64 yards. "They are a strong team," Becker said. "A real power-

house. We will have to stop their ground game if we want to win." The Friday night game will be the first time the Redwings have played at home in three weeks. They are 0-1 on the home field and 1-2 on the road. They are 1-1 in the conference, and 1-4 overall for the year.

Bids taken on Clinton US-127

LANSING—Bids for completion of the US-127 Freeway north of Lansing in Clinton County and for work on Interstate 96 in Livonia will be taken Oct. 20 in Lansing, the State Highway Commission has announced.

They are among nine highway construction and maintenance projects totaling an estimated \$12.5 million on which bids will be taken.

Completion of the US-127 Freeway, estimated at \$8.3 million, calls for construction of a 4.5-mile segment between the south Clinton County line and US-127 near DeWitt. US-127 is presently open to M-43 (Grand River Avenue) between Lansing and East Lansing and under construction from that point north to the Clinton County line. Work includes an interchange with future Interstate 69, to be located between Clark and Stoll Roads.

Work on the uncompleted section of Interstate 96 Freeway in the Detroit area will be advanced with an estimated \$3 million project for completion of 1.5 miles of service roads and utility alterations to prepare for freeway construction along Schoolcraft Avenue between Farmington Road and Middlebelt Road in Livonia.

Bids also will be taken on two projects for repair of joint "blow-ups" on Interstate 75 and US-23 in Genesee County.

Delayed air tour set for Saturday

ST. JOHNS—The rain and fog-delayed air tour, sponsored by the Clinton County Soil Conservation Department, has been rescheduled for Saturday at 9 a.m. The tour was to have been held Oct. 9, but was cancelled because of poor weather. The tour will use Charles Dickinson's airport located on Parks Road, one-mile west of DeWitt Road. Ray Wheeler of Capital City Aviation has made arrangements for Robert Dennis, Max Miller and Willard Cable to fly their planes with him for the tour.

The cost is \$3 per person with each plane carrying three people and the flights will go over their lands.

"This is an excellent chance to see the changing land use that is taking place in Clinton County," according to Lloyd Campbell of Clinton's SCD office. "The fall colors should be at their peak. Many will want to fly over the Maple River Watershed, with its Sleepy Hollow State Park—one of the flood control storage struc-

tures in the watershed." Stanley Baird, chairman of the district, said that State Sen. William S. Ballenger and two state representatives, Richard Allen and R. Douglas Trezise, will be flying with him Saturday on the tour.

They plan to fly over the completed watershed and proposed watersheds of the Clinton district. They will also view many of the applied conservation practices that are a part of the land treatment program of the watersheds.

"Everyone is sorry the air tour had to be cancelled last Saturday," Campbell said. "But the heavy ground fog and haze made rescheduling necessary. All the planes have heaters, coffee and doughnuts will be sold at the airport building."

The tour is for cooperators of the district, their friends, 4-H'ers, FFA, boy scouts, girl scouts and others interested in seeing the ecology from the air. "Fall is a nice time to fly," Campbell concluded. "See Clinton County at its full fall color."

Club members honored at Woman's Club

The St. Johns Woman's Club celebrated its 80th anniversary and honored eleven members who have belonged for 31 years or more, at a dessert-ceremony for members and guests at St. John's Episcopal Church last Wednesday afternoon, Oct. 6.

Seated at the head table in the undercroft, wearing corsages of red rose buds with white ribbons, the women so-honored were presented by the club's president Mrs. Roy Davis. Mrs. John Rumbaugh created the special corsages for the occasion.

The ladies receiving this special recognition were Mrs. George Brooks, Mrs. D. H. Parr, Mrs. Lee DeWitt, Mrs. Floyd Anderson, Mrs. Harold Millman, Mrs. Floyd Robinson, Mrs. Gayle Vauconsant, Mrs. Lewis Wolf, Mrs. Manning Bross, Mrs. Glenn Osgood, and Mrs. William Leucht.

Mrs. George Brooks, who joined the Woman's Club in 1913 and has maintained the membership of longest tenure within the group, remembers how the St. Johns Woman's Club was started in 1891—the year she was born. The founding of the St. Johns Table Company here brought families from Rochester, N.Y., with wives who brought with them a distinct taste for culture.

Mrs. Brooks, who served as

local and county president, recalls the many plays, operettas and musical programs the Woman's Club presented in its earlier years during its regular meetings, and also at church group meetings and for the general public.

Even the men took part in some of the plays, she recalls. There was also a Woman's Club Quartet, capitalizing on the many trained voices within its membership, including one member who could sing bass! They also had their own orchestra.

Many club programs included reports by members and special guests on topics of wide-range interest such as, "Sanitation in the Tropics," "Intelligent Motherhood," "The Menace of Patent Medicines and Adulterated Foods," and "Modern New York (in 1916)."

To add to the beautification of St. Johns, Mrs. Brooks said, the Club raised funds and put in large beds of geraniums on the Court House grounds and planted shrubs to provide a hedge around the old city dump.

For the benefit of those art-lovers present, Mrs. C. F. DeVries of Lansing explained the ancient art of macrame. She then distributed some and other simple macrame to the members.

In order to let every one try their hand in creating interesting "sculpture from string", she also displayed many examples of her own creations of macrame using a variety of textures, hues and configurations which can be made up with the twines and yarns which are available.

In introducing Mrs. DeVries, the Chairman of the Day, Mrs. Alan Dean suggested that the art of macrame might provide an excellent outlet for the nervous tensions so common to our modern daily life.

Prior to the program, Mrs. Glenn Osgood introduced Paul Witgen, a voice scholarship winner who attended Blue Lake Music Camp this summer. He sang two selections for the group and was accompanied by Mrs. Duane Davis on the piano.

In continuation of the current "get-acquainted" program among the membership, Mrs. William Escher gave a brief personal history. Each month, at every other meeting, each member is asked to provide such an informal "thumbnail sketch" of herself.

The committee who prepared and served the dessert in celebration of the Club's birthday were Mrs. George Judd, Mrs. Dale Finch, Mrs. Gayle Vauconsant, and Mrs. Winchell Brown.

The next meeting will be held on Oct. 20 at Highland Hills Golf Course when Kurt Becker will headline the program entitled "Our Park".

By Mrs. Bruce Hodges

Mr. and Mrs. Bill Berryhill and family, Mr. and Mrs. Harold Patrick and son, Mr. and Mrs. John Buckmaster and Mrs. Vlyian Humphrey attended the wedding of Linda Swanson and Christopher Hutchinson at Peoples Church, East Lansing, Saturday evening.

Mr. and Mrs. Ray Stone of Grand Ledge and Mr. and Mrs. Earl Stoll were Friday dinner guests of Mr. and Mrs. Bruce Hodges.

Helen Lowell is on an eight day Michigan Travel Club Color Tour through Northeastern United States.

The Starr Aid Society will meet with Mrs. Bruce Hodges Thursday, Oct. 21 for a 12:30 p.m. dinner. Mrs. Vaughan Montgomery is dinner chairman.

Mrs. Burl Hodges attended a stork shower honoring Mrs. Frederick Ziesman of Lansing, Sunday.

Mrs. C. F. DeVries of Lansing, left, was the guest speaker at the opening meeting of the St. Johns Woman's Club last Wednesday. Mrs. DeVries explained and demonstrated the ancient art of macrame. Next to Mrs. DeVries is Mrs. Alan Dean, chairman of the day. PHOTOS BY ANNETTE WHITE

HONORED MEMBERS

In celebrating its 80th anniversary the St. Johns Woman's Club honored 11 of its members who have belonged to the club for 31 years or more. Seated from left are Mrs. Floyd Anderson, Mrs. George Brooks and Mrs. Harold Millman. Standing from left are Mrs. Glenn Osgood, Mrs. Manning Bross, Mrs. Gayle Vauconsant and Mrs. Floyd Robinson. They accompanied him on a ten-day tour of Europe, after which he joined a group for a more extended tour of the continent.

A capacity crowd filled the First Congregational Church Sunday night for the performance of "A Natural High", a Christian folk musicale performed by the 80-voice Choir of Central Michigan University in Mt. Pleasant. Tom Fowler, son of Mr. and Mrs. Bruce Fowler, was a featured singer and speaker. Many out-of-town people were present, as well as people from all denominations in the St. Johns area. The performance was most enthusiastically received, with the entire audience giving a standing ovation at the end. The group had presented the "Natural High" composition twice Sunday before coming to St. Johns, once in St. Joseph and once in Kalamazoo. Young people from the United Methodist Church served dinner to the group before the performance, and young people of First Congregational Church served refreshments to them in attendance afterward.

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family.

The clergyman should be consulted in matters that concern him before any decisions are made.

MRS. RICHARD JOSEPH VITEK

FOWLER—Most Holy Trinity Church was the setting for the Saturday, Oct. 9 wedding ceremony uniting in marriage Marilyn Sue Weber and Richard Joseph Vitek. Rev. Matthew Fedewa performed the double ring 2 p.m. service before an altar decorated with yellow mums.

Music during the service was sung by the Holy Trinity Choir. The bride is the daughter of Mr. and Mrs. George L. Weber of 380 Elm Street, Fowler and the groom is the son of Mr. and Mrs. Alex I. Vitek of 4652 West Walker Road, St. Johns.

The bride approached the altar with both her parents and chose a floor-length gown of sheer satin in A-line design featuring a chapel-length train and Bishop sleeves with a wide ruffle cuff. Imported lace accented the bodice and the cuffs. A Camelot cap headpiece of pink peau de sole covered by Alencon lace secured her floor-length five tier veil of imported nylon illusion and she carried a bouquet of pink sweetheart roses, white carnations, baby breath and ivy with white velvet streamers.

Ann Marie Weber of Fowler was maid of honor and assisting as bridesmaids were Joy Weber of Fowler, Cheryl Arens of Westphalia, Delores Vitek of St. Johns and Marian Killingsworth of Lansing. The attendants wore floor-length lavender crepe gowns with long sheer sleeves. Deep purple lace accented the cuffs and bolero and they wore miniature lavender and purple strawflowers in their hair.

Larry Vitek served as best man and groomsmen were John Vitek, Robert Vitek, Ray Vitek and Gary Slipkovsky.

A 5 p.m. reception was held at St. Joseph's Parish Hall for 400 guests. Special guests at the wedding and reception were Mr. and Mrs. Albert Weber, grandparents of the bride, Mrs. Elizabeth Fedewa and Paul Vitek, grandparents of the groom.

The new Mrs. Vitek chose a deep purple double knit ensemble for travel on their wedding trip to Colorado and the Western States.

Upon return the couple will make their home at 306 South Lansing Street, St. Johns.

WACOUSTA(c)—**GOWING** — A girl, Kathy Jo, was adopted to Mr. and Mrs. Donald Gowing of Howe Rd., Wacousta. She weighed 6 pounds, 10 ounces. The baby has one brother. Grandparents are Mr. and Mrs. Charles Rose of Grand Ledge and Mr. and Mrs. Allen Gowing of Eagle. The mother is the former Judy Rose.

MR. AND MRS. EARL JASTRAM Celebrate anniversary

Mr. and Mrs. Earl Jastram of DeWitt will be guests of honor at an open house Sunday, Oct. 17 from 2 to 5 p.m. in celebration of their 50th wedding anniversary.

The event will be held at the home of their son and daughter-in-law, Mr. and Mrs. Leonard Jastram, West Howe Road, DeWitt.

Also hosting the open house will be their daughter and son-in-law, Mr. and Mrs. Charlie Boak of Fowler, their son and daughter-in-law, Mr. and Mrs. Gerald Jastram, DeWitt, and their daughter and son-in-law, Mr. and Mrs. Carl Minnis of Webberville.

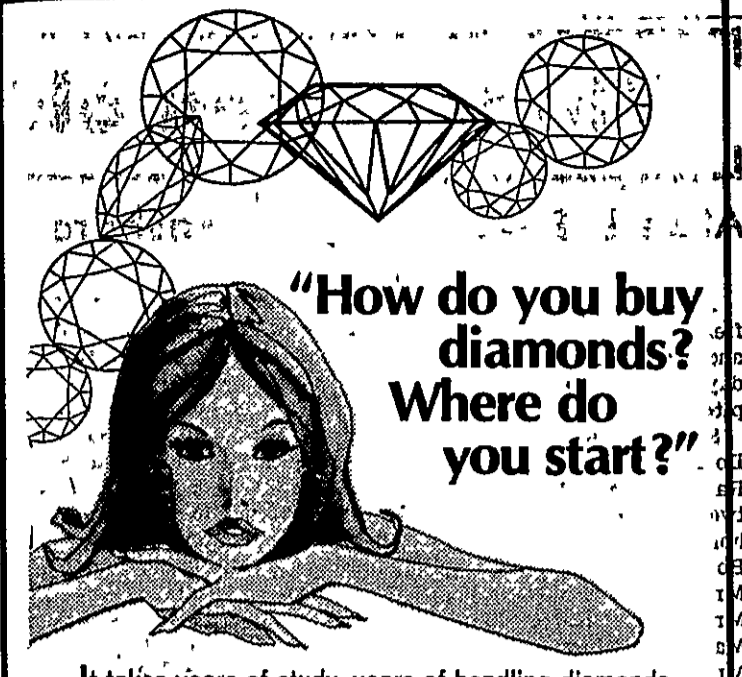

Mr. Jastram and the former Lulu Martens were married on Oct. 19, 1921 at the home of her parents in Riley Township. The couple has resided in Riley Township their entire married life where Mr. Jastram was at one time engaged in farming.

They have 12 grandchildren and three great-grandchildren. Friends and relatives of the couple are invited to attend and it is requested that there be no gifts.

Neva Pope wins national honors

OVID—Neva Pope has been selected as a leader of American Elementary Education for 1971 according to Hugel A. Leonard, principal of North Ovid Elementary School.

Nominated earlier this year by the school's administrators, Mrs. Pope was selected for this national honor on the basis of her professional and civic achievements.

Leaders of American Elementary Education is an annual program honoring the men and women who have distinguished themselves by their service and leadership in the field of elementary education. Each year the biographies of those honored are featured in the awards volume, "Leaders of American Elementary Education." The men and women chosen for this high honor are the exceptional teachers.

Mrs. Pope began her teaching career in 1919. She taught 20 years in rural schools of Clinton County and the past 18 years in North Ovid Elementary School.

She is a graduate of Clinton County Normal and graduated from Central Michigan University with a bachelor of science degree in education. She received an honor award from the Michigan Education Association for service rendered to the cause of education in Michigan when she retired in June 1971.

A quotation of Mrs. Pope's educational philosophy is, "Do a little more than your job requires of you."

Teresa Smith now Mrs. Larry Freed

OVID—Teresa Ann Smith became the bride of Larry P. Freed Saturday, July 31 in a 5:30 p.m. ceremony performed in the Grove Bible Church. Rev. Robert Prange officiated at the double ring service before an altar decorated with white gladiolus and pink carnations.

The bride is the daughter of Mr. and Mrs. Gerald A. Smith of 5244 South Chandler Road, St. Johns and the groom is the son of Mr. and Mrs. Paul Freed, R-2, Ovid.

The bride was given in marriage by her father and chose a traditional-style gown of lace featuring a fitted bodice and long lace sleeves. The neckline was accented with sequins and tiny pearls and a cathedral-length train was attached to the back of the gown. Her elbow-length veil, with appliques of matching lace, was secured to a bow headpiece and she carried a cascade bouquet of white carnations and pink sweetheart roses entwined with ivy and white streamers. Two small pearl hearts accented the center of the bouquet.

Mrs. Lee VanCamp of St. Johns was matron of honor and serving as bridesmaids were Denise

Smith of St. Johns and Joyce Freed, sister of the groom. The attendants wore identical gowns of lavender dotted Swiss featuring an empire waistline, puff sleeves and double lace accenting the front panels and detachable train. Dotted Swiss bows secured their lavender shoulder-length veils.

Gerry Freed, brother of the groom, was best man and assisting as groomsmen were Dennis Smith, brother of the bride, and Bert Howard, friend of the groom. Seating the 400 guests were ushers Wayne Underhill and Lee VanCamp, both friends of the groom.

A reception at the VFW Hall in Ovid was held immediately following the service. Mr. and Mrs. Duane J. Anderson were host and hostess.

Special guests at the wedding and reception were Mr. and Mrs. Harold Schaefer, grandparents of the bride, and John Freed, grandfather of the groom.

For travel on their Canadian honeymoon, the new Mrs. Freed chose a navy blue double knit dress made by her mother.

The couple are now residing at 2505 Loomis Road, St. Johns.

The bride is a 1969 graduate of Rodney B. Wilson High School and the groom is a 1966 graduate of Ovid-Elsie High School.

MR. AND MRS. LARRY P. FREED

Beverly Thelen now Mrs. Harold Whiting

LANSING—Beverly H. Thelen became the bride of Harold A. Whiting Saturday, Oct. 9 in a 2 p.m. ceremony held in St. Therese Church. Rev. Francis J. Murray performed the double ring service.

The bride is the daughter of Mr. and Mrs. Ernest J. Thelen of 5055 Herbison Road, DeWitt and the groom's parents are Mr. and Mrs. Elmer Whiting of R-4, Eaton Rapids.

The bride was given in marriage by her father and chose a traditional gown of Chantilly lace featuring a square neckline and long lace sleeves. A headpiece of lace petals, accented with pearls, secured her elbow-length veil and she carried a bouquet of pink camellias and white carnations. Jackie Thelen of Lansing, was her sister's maid of honor and assisting as bridesmaids were Mary Thelen of DeWitt, sister of the bride, Margaret Whiting of Eaton Rapids, sister of the groom, and Linda Thelen of Lansing, cousin of the bride. The

attendants wore floor-length blue empire-style gowns featuring a velvet bodice and a pale blue peau de sole skirt.

Best man was Kenneth Beck of Lansing, friend of the groom and serving as groomsmen were William Thelen of DeWitt, brother of the bride, Wayne Whiting of Eaton Rapids, brother of the groom and Bob Wynn of Lansing, friend of the groom. Seating the guests were ushers, Thomas Thelen of Lansing, brother of the bride, and Max Feldpausch of Ashley, brother-in-law of the bride.

A 5:30 p.m. reception was held in the cafeteria of the church for 350 guests. Special guests at the wedding and reception were Mrs. Clara Hufnagel, of Westphalia, grandmother of the bride, and Mr. and Mrs. Orla Darkin of Eaton Rapids, grandparents of the groom.

Following a Northern Michigan wedding trip the new Mr. and Mrs. Whiting will make their home in Lansing.

MR. AND MRS. RONALD A. THELEN

Couple speak vows in afternoon service

FOWLER—Bouquets of yellow, white and green gladiolus decorated the altar of Holy Trinity Church for the Saturday, Sept. 4 wedding ceremony uniting in marriage Karen R. Simon and Ronald A. Thelen. Rev. Albert Schmitt performed the 1 p.m. double ring.

Paul Wieber was organist and music during the ceremony was sung by the Holy Trinity choir. The bride is the daughter of Mr. and Mrs. Ernest Thelen of 5055 Heribson Road, DeWitt and the groom is the son of Mr. and Mrs. Joseph Thelen of Pewamo.

The bride was given in marriage by her parents and approached the altar wearing a gown of silk organza featuring an Alencon lace neckline and bodice, an empire-style waistline, an A-line skirt and detachable train. Alencon lace trimmed the wide cuffed Bishop sleeves. A headpiece of Alencon lace, silk organza bows and pearls secured her silk illusion veil and she carried a cascade bouquet of white full mums, yellow sweetheart roses and white carnations.

Maid of honor was Montica Simon of DeWitt, sister of the bride and serving as bridesmaids were Kathy Pettit of Lansing, sister of the bride, Susan Bierstetel of Fowler, sister of the bride, Therese Thelen of Lansing, sister of the groom, Mary Fitzpatrick of Hubbardston, cousin of the bride and Jane Nobis of Fowler, friend of the bride. Lori Pettit, niece of the bride, was flower girl. The attendants wore mint green Victorian-style pantgowns with an empire-style waistline and full Bishop sleeves.

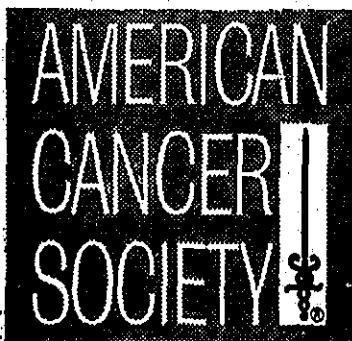

Venice lace brocade accented the bodice. They wore silk organza headpieces accented with petals and bows and carried colonial bouquets of bronze, white and yellow mums centered with orange carnations.

Best man was Tim Davarn, friend of the groom, and serving as groomsmen were Ed Pettit, Bob Bierstetel, both brothers-in-law of the bride, Lloyd Thelen, Ron Simon and Mary Weber, all friends of the groom. Pat Thelen, nephew of the bride, was ring bearer.

An evening reception was held at the St. Johns VFW Hall in St. Johns with 450 guests attending. Special guests at the wedding and reception were Carl Smith of Jackson and Rita Wieber of Fowler, godparents of the bride and Mrs. Julius Simon of Pewamo godmother of the groom.

Following a wedding trip to Washington D.C. and Niagara Falls the couple will make their home in Pewamo.

The bride, a 1968 graduate of Fowler High School, is attending Michigan State University. The groom is a 1966 graduate of Pewamo-Westphalia High School.

Card of Thanks

WYRICK—We wish to express our appreciation to our children for making our 25th Anniversary such a memorable occasion. Thanks to all our relatives, friends and neighbors for cards, gifts and calls. It was all deeply appreciated. Mr. and Mrs. Madison Wyrick. 24-1p

BOUCHEY—I would like to express my thanks to the nurses and other personnel of the Clinton Memorial Hospital for their wonderful care and concern for me while I was a patient. Also I would like to thank Drs. Russell and Grost for their care. I would like to thank Pastor Travis and friends for their visits and for their prayers also for the beautiful cards sent. Your kindness will always be remembered. Mrs. Arthur Bouchey. 24-1p

BECKWITH—The family of R. Lloyd Beckwith wishes to express our very sincere gratitude to our friends, neighbors and relatives for their numerous acts of kindness and expressions of sympathy in so many ways in the memory of our wonderful father and grandfather. 24-1p

GILLSON—We wish to thank Clinton Memorial Hospital, Dr. Russell, Schlart Nursing Home, the Reverend Harold Homer, the pallbearers and Osgood Funeral Home, friends and relatives. The family of Mary A. Gillson. 24-1p

HANSENS—The kindness and sympathy of neighbors, relatives and friends in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude to all our friends for the delicious food, the lovely flowers and the comforting words given to us during our recent bereavement. We extend special thanks to Reverend Homer for his words of consolation, to the Masonic Lodge for their presence at the services, for the ladies of the order of the Eastern Star who prepared our lunch, to the Osgood Funeral Home and most particularly to Mr. Arthur Bond, who without him our time of stress would have been overwhelming and to Mrs. Arthur Bond, Mrs. Jack Birdsley, Mrs. Cloy Esch, Mrs. William Wilson, Mrs. David Lockwood and Mrs. Robert Kudwa for the daily preparation of our meals. The family of Fred W. Hansens. 24-1p

Don't help a good boy go bad. Lock your car. Take your keys.

LIETZKE—I wish to express my sincere thanks and appreciation to the administration, the teaching staff and the P.T.O. of East Olive School for a very wonderful and rewarding retirement reception given for me October 3. Many memories were recalled as nearly 200 of my friends and relatives and former students and patrons came, dating from my starting teaching in 1922 to the present time. I consider this a fine tribute to the students and parents cooperative spirit to successfully receive an education. It has been a rewarding privilege to work with all of these God's children. Many, many thanks for all the tributes in words, cards and gifts. May God keep on blessing all of you. Mrs. Gertrude Lietzke. 24-1p

FELDPAUSCH—I wish to thank Drs. Jordan and Smith and all the staff at the Carson City Hospital, also a special thank you to Fr. Schmitt and the Father of Carson City, all my relatives, friends, neighbors for cards, prayers and especially the K of C's for their remembrance. Ray Feldpausch. 24-1p

In Memoriam

In loving memory of our Daddy, Hariynn Dean See, who passed away eight years ago, October 18, 1963.

Eight years have passed since that fateful day, When our Lord in heaven took you away.

He called you to your duties in heaven above,

But our hearts and minds hold your memory with love.

Yes, he needed you more and we still ask why, But we know we will be together again by and by.

Lovingly missed by daughters, Rhyne Lynn and Lisa Deen See. 24-1p

DeWitt grad in Central play

MT. PLEASANT—Dave Horvath, junior at Central Michigan University, was cast as a trial soldier in the University Theatre production of "Indians" which played Oct. 2 and Oct. 4 through 9. The dramatic play was staged in the new Fred R. Bush Theatre on the CMU campus.

Horvath is the son of Mr. and Mrs. Tom Horvath Jr., 2920 Woodruff, Lansing and a 1969

graduate of DeWitt High School. Horvath is majoring in speech and is following an English minor in secondary education. Active on CMU's campus, he is a member of Alpha Psi Omega, and participates in the Honors Program at the university. He has also played minor parts in past play productions including "Sweet Charity," "Henry IV" and "Black Comedy."

Ron Motz new MSU bandsman

EAST LANSING—Ron Motz, son of Mr. and Mrs. Ron W. Motz, R-3, is among the new members of the Michigan State University Marching Band.

This year, the newly expanded 215-man marching band begins its second century as an MSU tradition.

The band will highlight the half-time programs at home games in Spartan Stadium and at away

games with Notre Dame on Oct. 2 and Ohio State on Nov. 6. Last year, the MSU Marching Band was a runner-up to Louisiana State University as the best college marching band in the country.

Motz, a 1971 graduate of St. Johns High School, is shown here with Dave Catron, assistant director of bands at MSU.

Rotary Club youth week

ST. JOHNS—Mayor Robert Wood has proclaimed this week, Oct. 10-16, Rotary Outstanding Youth Week, it was announced Sunday.

In the proclamation, Wood said he encouraged all who learn of the youth week to support and further "the ideals for which

this occasion has been dedicated."

He said the establishment of the special week allows the Rotary Club to recognize youths who represent "the leadership and personal qualities deemed most advantageous to further advance the goodness of life in St. Johns."

Business notes

By MIKE PREVILLE
News Advertising Manager

Co-op's ad isn't Sir Samuel as he looks... It's how he should look.

At the Chamber of Commerce Awards Banquet the other evening I was visiting with Egan Ford's Bruce Fowler. I was telling him I think it still is possible to fix Ford products with hay wire or whatever else is handy, just like the old days.

I drive the Big M's car, a '66 Falcon, I tell everyone the reason I do is because it gets excellent mileage, is less expensive to maintain, exceeds the speed limit only on a downgrade with a following wind and I'm just a nice guy. Now, the real reason is she took the keys to the Malibu away from me.

Anyway the other morning I was calling on Beck and Hyde Farmarina. A fellow came in,

asked if the Falcon was mine... and said something had just exploded.

It was the radiator hose. It had a 3 or 4 inch split and would not hold the water I frantically poured in the radiator. I fixed it temporarily by wrapping a hat band around the hose.

Then the other night the Big M got all gussied up and we went to the movie. After the movie we drove to a little spot for refreshments. On the way back the fan belt gave up the ghost.

A quick stop, a minor repair and we were off again... to a service station to find a real fan belt. I had made another temporary repair... this time half a panty hose doubled as a fan belt.

The attendant at the station said I had the sexiest car he'd seen.

Two students win national honors

OVID-ELSIE—Two Ovid-Elsie High School seniors have won letters of commendation honoring them for their high performance on the 1971 National Merit Scholarship Qualifying Test (NMQST), Elaine

tellectual talent represents an important and much needed natural resource. "Both these students and our nation will benefit from their continuing educational development."

Some scholarship granting

FRANK DELANEY

JOHN GLOWNEY

C. Lentz, principal, announced last week.

John E. Glowney, son of Mr. and Mrs. Floyd Glowney, 10322 Woodbridge Road, Bannister, and Frank M. Delaney, son of Mr. and Mrs. Patrick Delaney, 1477 N. Carland Road, Owosso, received the honors.

They were among 35,000 students in the nation who scored in the upper two per cent of those who are expected to graduate from high school in 1972. The commended students rank just below the 15,000 semifinalists announced in September by the National Merit Scholarship competition, their standing in this nationwide program deserves public recognition. Their high performance on the NMQST gives promise of continued success in college.

He noted that the students should be encouraged to pursue their education since their in-

agencies have been given the names of the commended students for consideration. The reports included home addresses, test scores, and anticipated college major and career intentions.

Glowney said he plans a career in criminal law or politics. He participated in track in 9th and 11th grades and basketball for three years. He is a member of the United Methodist youth fellowship and is vice-president of the student council.

He is planning to attend the University of Michigan in 1972 to study law.

Delaney, a homeroom representative in the 11th grade, is a member of the audio-visual club. He plans to attend Michigan State University in 1972 under a pre-law program. He said he hopes to continue his education and receive an advanced degree in law.

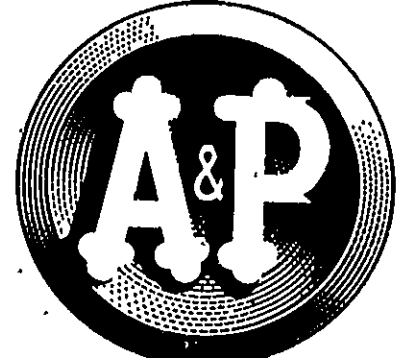

Pumpkins and sunflowers in 4-H contests

ST. JOHNS—Clinton County 4-Hers held a very successful mammoth Pumpkin and Giant Sunflower Contest with a total of 41 pumpkins and 60 sunflower exhibits displayed.

The top three pumpkins were exhibited by: Ed Falvor-Kountry Kousins-76 pounds and Vicki Thelen-Bengal Community-68 1/2 pounds. The top three sunflower heads were exhibited by: Gerilyn Falvor-Kountry Kousins-21 inches; Laure Palminter-Border 4-H Club-20 inches and

Sonia Moriarty-Swingin' Bingham 4-H Club-19 1/2 inches. A new contest started this year was the decorated gourds. The top three places were won by: Jeff VanVleet-Kountry Kousins; Kathy Valentine-Ollive, 4-H Projects and Steve VanVleet-Kountry Kousins.

A decorated pumpkin contest was held at the meeting with the following selected as the top three: Gerilyn Falvor, Brian VanVleet and Jeff VanVleet, all of the Kountry Kousins 4-H Club.

CITIZEN AWARD

Carmen Tranchell was one of 16 citizens awarded certificates of appreciation in supporting Chamber events and community projects.

VIRGINIA SHAWNEE

meet Virginia Shawnee, our senior loan teller

If there's any proof to the comment that loan officers make loans but the tellers do the work, it comes in the person of Virginia Shawnee, our senior loan teller. Hardly a loan made at CNB&T isn't handled in some manner by our loan tellers and it's Virginia's job to see that the processing of loan and payment papers is complete.

And we're proud to say that Virginia is pretty good at her work. So good, in fact, that she was named "Teller of the Year" for 1970, an honor bestowed upon CNB&T tellers whose work reflects a minimal number of errors supported by a bright and cheerful attitude toward their work.

Virginia began her work with the bank in April 1965 and worked in bookkeeping and proof departments before assuming teller duties at the auto bank. Later she became a commercial and savings teller followed by her assignment as a loan teller. Then, earlier this year, she was named as our senior loan teller and became responsible for complete operations of that section of CNB&T.

A native of Pittsburg, Kansas, and a graduate of Pittsburg High School Virginia came to St. Johns with her parents in 1965. She has furthered her knowledge of banking by completing a number of courses at Lansing Business University as well as three study programs offered by American Institute of Banking. When not furthering her career Virginia spends her leisure time sketching or painting and, when she can, ice skating.

Our loan officers are most capable, to be sure, but we're kind of glad to have gals like Virginia around to make sure the details are taken care of. As senior loan teller she makes our loan operations complete.

Bedeviling

Judging by recent figures concerning the killing of policemen, sweeping gun control laws, aimed at depriving the law abiding of the right of gun ownership, would be about as effective as outlawing the rising of the sun.

These figures show that of the arrested killers of policemen, 71 per cent had been arrested previously and 57 per cent had been convicted, mostly of crimes of violence. This means that it was already illegal for most of them to have guns under federal law and many state or local laws.

guns traced to them were found to have been acquired by theft.

The simple fact, as pointed out in "The American Rifleman", is that, "Most police killings are committed by criminals with illegal guns. Rather than passing another law for them to ignore and break, the solution is to put them in jail. There are enough laws now under which that can be done without bedeviling the millions of honest citizens who own guns."

The right of gun ownership is one of the most fundamental and traditional of American freedoms. A gun is a companion of ranchers, farmers, trappers, woodsmen and sportsmen. Those who would strike down the right of gun ownership for these millions of responsible citizens in the name of curbing crime are committing the greatest disservice to the basic principles of our American philosophy of individual freedom.

Veterans' Day 1971

Veterans' Day will be observed this year in most states on October 25. This time of remembrance had its beginning as Armistice Day marking the end of World War I on November 11, more than 50 years ago. It is now the day on which the nation honors all veterans of the Armed Forces. They should be doubly honored this year for the thankless task of "winding down" the Viet Nam war—a conflict in which many of them have participated.

rebirth. A part of that respect can be redeemed by observing Veterans' Day in the spirit in which it was conceived by patriotic Americans of over half a century ago. There was no question then of the greatness of our nation, its purposes nor the quality of its citizens.

We should realize that what was true then is true now. There is no greater nation than the United States. Those who have served in its military forces are symbolic of everything in which free men believe—the Christian ideals of personal liberty, the rule of law and the sanctity of the home and the individual. There is no better time to pay homage to all of these safeguards of human dignity and freedom and to the members of the Armed Forces who have helped to preserve them than on Veterans' Day.

Rep. Garry Brown seeking new military academy applicants

WASHINGTON, D.C. — Third District Congressman Garry Brown (R-Mich.) has issued a "last call" on applications for appointment to the U.S. Service Academies for the classes entering in the summer of 1972.

Director of Admissions, U.S. Coast Guard Academy, New London, Connecticut 06320 by December 16, 1971.

Congressman Brown requires all applicants to submit College Entrance Examination Board test scores. Young men who have not already taken the morning College Boards should arrange to take the November 6 test series.

Representative Brown announced that he has one vacancy at the U.S. Air Force Academy this year, two openings are available at the U.S. Naval Academy, and one at the U.S. Military Academy, West Point, N.Y. The Congressman is authorized to nominate ten young men for each of these vacancies, and likewise may nominate ten young men to the U.S. Merchant Marine Academy, Kings Point, New York.

Brown's non-partisan citizen's committee will interview all applicants and evaluate their qualifications late this fall. Noting that seven Third District residents seeking nomination through his office entered the Academies last summer, Brown added: "While some can-

didates might feel that nomination as one of ten competitors offers little opportunity for admission, this is not the case. During my four years in Congress, the overwhelming majority of alternates selected for admission were offered appointments, and I am confident that next year an equally high percentage of those qualified will also be admitted.

Would You Settle for Tattletale Gray?

Lavish robbery

By TIM YOUNKMAN

People have often wondered the worth of an unlicensed and uncontrolled press—one that is free from most governmental restraint.

We've heard from several quarters where the papers are really quite antiquated in a society as mobile and as geared to audio and audio-visual entertainment and news.

The column on several occasions has indicated the value and worth of a free press and a free society.

An example of just how necessary that free press can be was graphically depicted in an article Sunday in the Detroit Free Press. Sunday marked the start of a three-day series on the way our legislators have been spending funds lavishly on themselves and their surroundings.

The first in the series was documented and in-depth and most certainly condemned the way public funds are being spent unchecked.

Take the case of State Sen. Philip Pittenger (R-Lansing). He had the backing and support of a local television station, had a considerable appeal to the harsh law and order faction and vowed to be a strong representative of the people's wishes.

It didn't seem to turn out exactly that way. He was elected and did pursue a vendetta against anyone who might have questioned our laws. He seemed to have some divine inspiration each time he spoke to Lansing and East Lansing citizens about the necessity to preserve law. Now, it seems, in personal matters, at least, he can compromise that promise.

Pittenger is the chairman of the senate Business Committee which supervises Senate remodeling and refurbishing. Pittenger found it "necessary" to furnish his remodeled office with an \$838 executive desk, a \$765 executive credenza and a \$452 swivel chair, black leather, according to Free Press writers. The items total \$2,055, less a 20 per cent discount of \$411—or the total cost is \$1,644.

Legislators have run up a bill of \$2.3 million since July, 1969 when the remodeling program started. The list of items includes such things as electric razors, coffee makers and ice-making machines.

"Ironically, while legislators are spending millions on themselves, they have also raised the state income tax 50 per cent so the state might survive a period of declining tax revenues and

soaring costs for health, education and social services," the article said.

Since the very ones who are to check on spending are those spending the money—there is no safeguard whatsoever on preventing abuses from our own elected officials.

The Free Press sighted endless cases of abuse. And Pittenger said he was aware that some purchases were quite extravagant. Very little of the remodeling buying has been done through the state's administrative purchasing department—a staff of trained individuals skilled in buying techniques.

If it wasn't for the Free Press article, this extravagance could have gone unchecked indefinitely. Now, through a little pressure on several legislators, there may be a caucus soon by Senate Republicans to evaluate Pittenger's performance and put a halt to the "bad" publicity.

However, it does point out a situation that has developed whereby our money can be spent for the personal elegance and comforts of legislators while other pressing problems remain unresolved for lack of funds.

'IF IT FITZ ...'

Flunks big test

By JIM FITZGERALD

At breakfast this morning my wife greeted me with: "I was awake from 3 to 6 a.m. listening to you snore."

This isn't the worst. On other mornings she is even more evil because of something I did in her dream the night before.

"Boy, were you a dirty rat last night," she'll say. "You were 2 years late getting home for dinner and you had nerve enough to give me heck because the food was cold."

Our marriage is obviously in real trouble. So says 1 of the nation's most prominent

psychiatrists, Dr. Leonard Zunin, director of the Institute for Reality Therapy in Brentwood, Calif. He recently said the success or failure of marriage can depend on what happens between a husband and wife during two 4-minute periods each day—when they awaken and when the husband gets home from work.

"These are periods of intense communication. And what comes through to the husband and wife is not only conveyed by spoken words. From 50 to 90 per cent of the message is transmitted by body language," Dr. Zunin said.

"The body posture, attitudes and gestures of each mate make swift subconscious impressions on the mind of the other mate," he said.

Hoo boy. Please pass the law-yer. When the alarm goes off at our house, I get up first and head for the bathroom. Sometimes I am careless and pull the blanket off my wife. "I am freezing," she says sweetly. "PUT THE BLANKET BACK!"

Thus begins our crucial 4 minutes.

We next meet in the kitchen. Long ago my wife decreed that I must kiss her each morning just before breakfast; otherwise I don't love her. But this is hard to do when I have snored, or misbehaved in her dreams, or pulled the blanket off her. She gives me a full dose of the "body language" and I can't catch her. She always has her back to me and, when I approach for the smooch, she moves away, from stove to toaster to refrigerator, acting all the time as if she doesn't know I'm on her trail, trying to fulfill my husbandly duty.

Finally, I give up and eat. She sits down opposite me and asks: "Why didn't you kiss me good morning?"

"Because I am not the type who runs and kisses," I say. And the first 4 minutes are up. Things aren't any better during those important 4 minutes in the evening, when I return from a hard day's work.

"How come you're late?" she says.

"Why don't you greet me at the door with a smile and a drink, like in the movies?" I ask.

"I made the drinks yesterday. It's your turn today," she says. "I had a tough day at the office," I say.

"I called you at 4 o'clock and they said you weren't back from lunch yet," she says.

"I was out shopping for a new ring for my nose," I explain. Then comes more body language. I can tell she is unhappy simply by the way she moves her right leg, eloquently propelling her well-shod foot into my shin.

And the 4 minutes are up. Dear Ann Landers ...

manufacturers reach

GARY BROWN U.S. REPRESENTATIVE

WASHINGTON, D.C.—Area manufacturers produced goods for export totaling \$5,065,943 in calendar year 1970, according to Third District Congressman Garry Brown (R-Mich.).

Sales in 1969 totaled \$3,037,974.

Brown, who recently co-sponsored a one-day export workshop for area manufacturers in Kalamazoo, said he learned of the jump in sales from Henry Kearns, President of the U.S. Export-Import Bank (Eximbank).

"I look forward to a similar increase in sales in calendar year 1971," Brown said, "and I am continuing to work to provide assistance to area manufacturers, especially small manufacturers, to increase their export sales."

Brown serves on the International Trade subcommittee of the House's Banking and Currency Committee, which is involved in development of the legal framework within which American business will compete internationally in the 70's.

"In effect Eximbank is a lender of guarantor of last resort," Brown said. "Its function is to assure an adequate and competitive supply of export credit by supplementing commercial bank lending resources when necessary and by issuing repayment guarantees on loans made by commercial banks and other private lenders in support of U.S. exports."

"To do this the bank provides four basic kinds of financial support: 1.) the guarantee of export financing by commercial banks and other lenders; 2.) the insuring of credit extended to overseas customers; 3.) Eximbank loans to foreign buyers; and 4.) discount lending against loans in support of U.S. exports," Brown said.

"Programs offered by Eximbank are powerful tools for helping American firms maximize their sales abroad and every effort should be made to use them in the interest of further enlarging the Third District and Michigan's export business," Brown said.

Related statistics just released by the Agency for International Development (AID) show that manufacturers in Michigan received orders financed by AID totaling \$26,978,443 during the first six months period ending June 30, 1971.

AID, which conducts U.S. economic assistance programs overseas, reported the commodities purchased from companies participating in the foreign aid program were shipped to developing countries in Asia, Africa, and Latin America.

Area manufacturers received orders totaling more than \$880,360.

The orders were placed in the five county areas as follows: Barry County \$14,919 Calhoun County \$334,342 Clinton County \$298,248 Kalamazoo County \$232,856

In Eaton County, the City of Lansing received orders totaling \$15,470.

Roughly \$180 million of Michigan's exports in 1970 were attributable to Eximbank programs.

When it's pumpkin time again

There is color in the country And new zip is in the air When crops are fit for harvest 'N we've had our County Fair; The school bells add their music To the echoes in the glen And the lawns are once more greener When it's pumpkin time again!

He takes his place of honor With his coat of golden sheen Red apples bluish their reddest In their role of harvest queen; The bridal wreath is blither sweet And all nature shouts "Amen!" At her autumnal splendor When it's pumpkin time again!

Sure there's other hours of beauty Other times that have their hold Besides days of frenzied hoarding Against the coming winter cold; But for all their passing fancy I still possess a yen For all outdoor's finest magic When it's pumpkin time again!

More myths and facts

By REV. HUGH BANNINGA

Here are some more myths and facts about welfare in the state of Michigan.

MYTH: Welfare recipients continue to have illegitimate children in order to get higher welfare payments.

THE FACTS: Particularly from an economic point of view, this statement is pure myth. The birth of another child has the effect of reducing the total amount of money a family has to spend. For each child on ADC, the monthly grant is increased by \$34. This is just over a dollar a day or \$408 a year. This yearly figure is almost \$200 less than the standard income tax deduction per dependent, which is based on the average costs per child per year.

The average Michigan ADC family has 3.1 children. The incidence of families with five or more children is very low.

Not quite 30 per cent of the children born to assistance recipients are considered illegitimate. Only one out of every seven illegitimate children in the nation receives public assistance; the other six are supported by relatives or by private organizations. (U.S. Dept. of Health, Education and Welfare, "Illegitimacy and Dependency", Sept. 1963. - Note: Please note that these facts are for 1963. The figures today are probably somewhat different.)

MYTH: Welfare recipients are generally immoral and promiscuous, and produce more and more illegitimate children.

THE FACTS: This myth is related to the myth which says that if a man is poor, then he must be dishonest, unfit, and immoral.

The ADC program encourages broken families. It is natural for any family to want to earn as much money for its needs as possible. If the parents work, their earnings are subtracted

from their welfare grants. This makes it senseless for them to work. If the father leaves home to live nearby and continues to work while his wife and children receive ADC, the family's income is greatly increased, although never to a very comfortable level.

Any children born after the family begins receiving ADC are termed "illegitimate" even though the couple is still legally married and only separated geographically.

In order to survive economically, this family must become "immoral" in the eyes of society. Thus, it is the welfare system which forces the men from their homes. This is the real immorality.

MYTH: Most welfare recipients have outside incomes they don't report to the welfare department and are therefore guilty of fraud.

THE FACTS: Welfare fraud occurs in only a very small percentage of cases. A 1964 study by the U.S. Dept. of Health, Education and Welfare found evidence of fraud in only 4 per cent of all welfare cases. Compare this figure to the percentage of income tax fraud, which averages about 7 per cent of all income tax returns and which costs the state and nation many times more than the small amounts involved in welfare fraud. (Philip Stein, THE GREAT TREASURY RAID, Random House, N.Y., 1962).

The present public welfare system was devised in the 1930's in response to the emergency conditions of the depression. While our social and economic conditions have changed greatly since then, our welfare system is not much changed. We need a social services system in tune with our times. We need to plan for the '70's.

So what can you do? Here's

what you can and I hope you will do.

Promote discussions and forums on welfare in your clubs and churches. Members of the Capitol Area Economic Opportunity Committee or the Clinton County Advisory Council can supply speakers to provide the viewpoint of the welfare recipient.

Contact the Governor's public welfare study commission with your ideas and recommendations. Support this group in its study of present and possible welfare systems.

Inform your legislators, telling them what you find out about welfare, and asking them to take appropriate action.

Feel unanswered questions remain about doctor shortage

Dear Editor:

We are a group of Concerned Citizens of Clinton County who, along with the general public, feel there are some unanswered questions concerning the Doctor shortage here in Clinton County. The facts show that Clinton County has a population of approximately 50,000 people and have only 7 MD's and 5 DO's as compared to other counties. As an example, Gratiot County, population 45,000, 29 MD's, 10 DO's; Barry County, population 37,000, 17 MD's, 14 DO's; Montcalm County, population 38,000, 16 MD's, 29 DO's; and Ionia County, population 45,000, 22

MD's, 14 DO's.

Now why can't Clinton County have similar figures? Something sure is wrong somewhere. If DO's are qualified physicians and there are no rules barring them from practicing in our hospital, then why are they not allowed to practice here? Other hospitals in comparable size to ours, the MD's and DO's work side by side and work together for the good of the community such as Alma, Mt. Pleasant, Greenville and Ionia. Other hospitals in a larger size, are Sparrow, Ingham Medical, Mason General, Owosso Memorial and St. Lawrence.

This way people wishing to go to DO's, but still want to use Clinton Memorial could, instead of having to go to Carson City, after all, this is HOME to some people. Besides, this makes more money and keeps our hospital operating at a higher capacity and more employment for our county.

If this hospital was built by the people and belongs to the people, then why don't the people of the county have a say as to how it's run? If in 15 years the staff, trustees, directors and the Doctor research group have failed to produce enough physicians for our county, then surely some drastic steps should be taken to see why not and to change those reasons, as this is affecting nearly 50,000 people. It is a public fact that we have a new Doctor joining the staff, could it be that public opinion made this possible, so let's hear more public opinion so that the present load can be taken off our present Doctors.

We must have some answers. Concerned Citizens' Group

No fault, interesting

By SEN. WILLIAM S. BALLENGER

Backers of "no-fault" auto insurance in Michigan are keeping a close watch on developments of the system in Massachusetts—and they are quite interested.

The latest reports from Massachusetts, the first state in the nation to adopt the "no-fault" philosophy of auto liability insurance, are extremely enthusiastic.

The plan has been in operation for nine months and in that time Massachusetts motorists are said to have saved \$76 million in premiums on bodily injury liability.

MOTORISTS THERE already have received a 15 per cent reduction and even the insurance companies themselves are estimating that further reductions of from 26 to 30 per cent will be forthcoming in 1972. If present claims figures do not change appreciably, the new system will save the state \$10 million annually.

The new system calls for payment of a motorist's medical bills and lost wages up to \$2,000 by the motorist's own insurance company, regardless of which driver was at fault.

This has resulted in a great drop in payments for "pain and suffering"—the bread and butter cases of many lawyers.

In the first six months of the new system in Massachusetts, claims filed decreased 53.2 per cent and total claims payments dropped an almost unbelievable 78.2 per cent.

MASSACHUSETTS insurance companies, which once opposed the plan, now are actively seeking more customers.

The "no-fault" payment system does not apply to collision or other property damage claims, however.

Bills currently are pending before the Michigan Legislature on the "no-fault" system and the favorable results in Massachusetts may spur action in Michigan.

Turning to another hot issue—dog racing—the fight to legalize that gambling sport in Michigan isn't over yet.

RIGHT NOW, with the state sorely in need of additional money to finance education, welfare and other vital services and with taxpayers shouting to the

treets against any more property, sales or income taxes, the whipper boys are making a strong case for themselves.

In a recent edition of the publication of the Michigan Association of Counties, they ran a double truck—a two page advertisement extolling the virtues of dog racing and attendant betting revenues.

The ad carried a picture of a magnificent looking whipper named "Lover Girl", who issues the sad plaint:

"I make money for eight states. Why not let me help Michigan counties?"

"LOVER GIRL" promises to "produce \$12 million for our counties," the ad continues.

Below the picture is a chart showing that greyhound racing

last year produced revenue of more than \$29 million for Florida; more than \$12 million for Massachusetts and from one to almost three million for Arkansas, Colorado, Arizona, Oregon and South Dakota.

The dog backers complain in the ad that "the entrenched horse track interests have been able to kill the (dog racing) bills and deprive all of the counties of much needed revenue."

While the horse track interests may have helped block the dog track interests, it should be added that the strongest opposition to dog racing in the past has come from church groups which have always opposed gambling.

Shepardsville

By LUCILLE SPENCER, Correspondent

Mr. and Mrs. John Spencer spent two days recently with Mr. and Mrs. Guy Cox of Lansing. The Coxes will be leaving shortly for Florida to spend the winter months.

Keep in mind the date of Oct. 28. The Shepardsville United Methodist Church is making plans for a smorgasbord supper and bazaar. More details later.

Mr. and Mrs. David Hunt of 2314 Elisha Avenue, Apt. 3, Zion, Ill. 60099 are the parents of a baby boy, Christopher Michael. The young man weighed in at 7 pounds, 12 ounces, David Hunt is a former resident of the Shepardsville area.

The coffee hour has resumed for the winter months at the Shepardsville United Methodist Church preceding Church School. Mrs. Daisy Tibbitts has improved enough to return home but

she must continue to undergo cobalt treatments. She is the wife of Bob Tibbitts, leader of the Gospel Team of Tibbitts, Babcock and Simpson. They held an evangelistic service at the Shepardsville United Church earlier this year.

The new address of Tom Alderman is Box 1000, 18775, Milan 47160.

Mrs. Russell Kloski has returned home after being a patient at the Owosso Memorial Hospital for a few days.

Walter Nickel of St. Johns who has spoken several times at the Shepardsville United Methodist Church, has returned to the Mayo Clinic where he is undergoing chemotherapy treatment.

Mrs. Delores Hegwood and children of Inkster were Sunday afternoon callers of her grandfather, John Spencer and Mrs. Spencer.

MORTGAGE SALE - Default having been made in the terms and conditions of a certain mortgage made by THOMAS P. KING and LINDA M. KING, his wife, Township of DeWitt, Clinton County, Michigan, Mortgage, to Capital Mortgage Corporation, 14711 W. Eight Mile Road, Detroit, Michigan 48235. Mortgage, dated the 24th day of November, A.D. 1970, and recorded in the office of the Register of Deeds, for the County of Clinton and State of Michigan, on the 9th day of December, A.D. 1970, in Liber 259 of Clinton County Records, on page 764, on which mortgage there is

claimed to be due, at the date of this notice, for principal and interest, the sum of Eighteen Thousand, Two Hundred Sixty Five and 77/100 (\$18,265.77) Dollars. And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Friday the 14th day of January 1972 at 10:00 o'clock a.m., said mortgage will be foreclosed by a sale at public auction, to the highest bidder at the North Door of the Courthouse in the City of St. Johns, Clinton County, Michigan (that being the building

where the Circuit Court for the County of Clinton is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at eight and one half per cent (8 1/2%) per annum and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned necessary to protect its interest in the premises. Said premises are described as follows: All that certain piece or parcel of land situate in the Township of DeWitt in the County of Clinton and State of Michigan, and described as follows, to wit: Lot 167 except the North 13 feet thereof of Supervisor's Plat of Valley Farms No. 2, DeWitt Township, Clinton County, Michigan, according to the recorded plat thereof as recorded in Liber Plat Book, Page 42, Clinton County Records. Commonly known as: 4116 Turner Road. The length of the period of redemption from such sale will be six months. Dated at Detroit, Michigan, October 13, 1971. W.S.C.S. MEET

The October meeting of the Woman's Society of Christian Service of the Elsie United Methodist Church was held Wednesday evening at the rural home of Mrs. Donald Whitaker on Ridge Road.

Final plans were made for the turkey supper and bazaar on Wednesday, Oct. 13 from 5:30 to 7 p.m. at the Fellowship Hall of the church. Besides the supper, there will be pot holders, baked goods, homemade candy, napkins, etc., for sale by the Circles and

Methodist Youth Fellowship. The members voted to give a donation to Jo's Operation of Owosso; for members to write to their Senators and Representatives on House Bill H.R. 7785 expressing their own views. Mrs. Duane Green gave a report on the Fall Rally at Ithaca. Mrs. Maylon Waite presented the program. She gave an interesting interpretation of the Twenty-Third Psalm. This Psalm was written by David, who wrote 78 Psalms all together. As impressive as the 23rd Psalm is, it contains only 118 words with 16 personal pronouns. "If there was ever a time that we need a Shepherd to lead or guide us, it is now", she said.

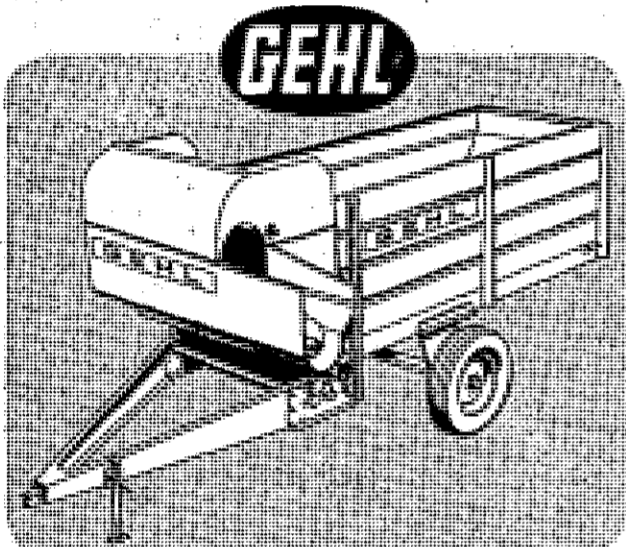

Refreshments were served by Mrs. Emerson Dunham, Mrs. Clifford Geiger, and Mrs. James Dorman. The next meeting will be Nov. 3, at the home of Mrs. Keith Conklin with election and installation of officers and the Pledge Service. Members are asked to bring their World or Thank You Banks.

BLENDER FEED BOX

Whatever the size of your feeding operation you'll find a Gehl Blender Feed Box just right for you. The model BF130 holds up to 130 bushels, while the bigger BF190 holds up to 177 bushels. Here's a rugged box that is simple to operate. Handles fence-line and bunk feed jobs... moving silage or green feed, hay, corn, ground feed or reconstituted roughage. Low sides permit easy loading. Rugged main apron moves material up-front where a chain apron mixes and blends ingredients as they're elevated into an unloading auger. Simple design, all-steel welded box construction and worm gear drive team up to assure you of operating efficiency and dependability.

Mr. and Mrs. John Redman are moving to Boyne City.

Six members of the W.S.C.S. United Methodist Church attended the annual fall festival at the Ithaca United Methodist Church on Wednesday Sept. 29.

Mrs. Caroline Gleason has been a patient of Carson City Hospital since Sept. 30.

Mr. and Mrs. Richard Holder and Claudia, Mr. and Mrs. David Gault and family, Mrs. Ruth Cludy and Mrs. Lily Book were callers of Mrs. Anna Gault on Sunday, Sept. 28. Mrs. Gault also called on Frances Fox in Alma recently.

Christy Danforth of Port Huron was guest of honor of two bridal showers. A miscellaneous shower given by the groom-to-be's aunt at Sandusky also a personal shower given by her cousin, Caroline Munson at Williamston. She is the daughter of Mr. and Mrs. Walter Danforth.

A special birthday dinner was given by Mrs. Marge Rumsey on Sunday. Seven of her children and grandchildren celebrated birthdays during September and October. A cake made by Mrs. Rumsey was decorated with all the names of the "birthday people". Attending the dinner were Mr. and Mrs. Donald Kirby, Mrs. Eulah Falor and son, Dan with a friend from St. Johns, Mr. and Mrs. Don Andrews and family of Perrinton and Mr. and Mrs. Nelson Rumsey and family. There were other family members having birthdays during these months but unable to attend.

Notes From Clinton Area Leagues

Fowler

By Miss Cecilia Thelen
Phone 582-2063

The Community wishes to express their sympathy to the sisters and relatives and friends of Mrs. Rose (Wieber) Schneider of Owosso who died Sunday. About 45 members and friends gathered at the Pwamo Methodist Church Sunday evening for an hour of sing-sprouting. Among them were the Rod Finkbeiner family and Mrs. Martha Miller. Refreshments of cookies, doughnuts and coffee followed.

Mr. and Mrs. Clair Thelen attended the 50th wedding anniversary of Mr. and Mrs. Leo Bauer of Lansing Sunday afternoon.

Mr. and Mrs. Carl Boak, Mr. and Mrs. Larry Barbour and Mrs. Lula Boak were guests at the home of Mr. and Mrs. Allen Boak and new son, Scott. The baby was baptized Sunday afternoon. They were all dinner guests at the Boak home in Lansing. Mr. and Mrs. Clair Thelen visited her mother, Mrs. Elizabeth Fedewa of Westphalia Sunday evening.

Mr. and Mrs. Carl Boak and Mrs. Lula Boak were Sunday evening visitors of Mr. and Mrs. Cecil Boak.

Mrs. Ola Ryan and Mrs. Agnes Fox spent the weekend with Mrs. Ryan's sister, Mrs. Hilda Long at the Long's cottage.

Mrs. Cecil Boak, Mrs. Vernon Benjamin, Mrs. Charlie Boak and Carol Benjamin were visitors of Mrs. Lula Boak during the week.

Mrs. John Omahan of Grand Lodge called on her mother, Mrs. Rose Wieber Tuesday.

Mrs. Christine Metz and Mrs. Nick Kurnoz of near St. Johns were Friday callers at the home of Mr. and Mrs. Herman Metz.

Misses Cecilia and Amelia Thelen were Wednesday afternoon visitors of their aunt and cousin, Mrs. Mary East and Regina Haines.

GREAT PUMPKIN

Ed Faivor, right, displays his prize-winning pumpkin presented at the special 4-H show a week ago. Runners-up included Vickie Thelen, left, and Frank Faivor.

GIANT SUNFLOWERS

Gerilyn Faivor, left, shows off the giant sunflower that won first place in judging competition during the 4-H show. Laura Palmiter, center, and Sonia Moriarty were the runners-up.

Moldenhauer heads 4-H teen leaders

By JOHN AYLSWORTH

The County 4-H Teen Leaders have elected Tom Moldenhauer of St. Johns as their President for the coming year. Other officers include Debbie Horman of DeWitt as Vice President and Lori McQueen of St. Johns as Secretary-Treasurer.

The members voted to donate \$50 to the Muscular Dystrophy fund and \$50 to the ALSAC fund. The members approved a club program for the year that includes one extracurricular activity each month including attending a stage play and hockey game at MSU, visiting Cedar Point at Sandusky, Ohio and other events or activities on the local level.

There will be a hayride on Saturday, Oct. 16, 7:15 p.m. at the home of Debbie Horman. Members may bring a guest to this evening of fun and fellowship. Elizabeth Curtis, Virginia Cordes and Debbie Thelen signed up to attend the 4-H Teen Leader Workshop at Camp Kett, Oct. 22 and 23. David Seeger gave a report on his trip to Madison, Wis. Oct. 2-6 for the National 4-H Dairy Conference.

GLASS COLLECTED on Saturday, Oct. 2 amounted to 15,480 pounds bringing the total to date of 191,200 pounds collected, sorted and shipped back for recycling at the glass plant at Charlotte. The next time glass will be collected is Saturday, Nov. 6.

People may take their glass at other times to the fairgrounds by the Quonset. Richard Woodhams, Bob Kissane and Don Bast are working on an automatic glass crusher using an old hammer mill, elevator and auger. They need 2, one half horse motors and 1, one horse motor to operate the machine.

Anyone wishing to donate these motors are asked to contact one of the three men working on this project. This will eliminate the hand breaking and we hope it will be ready to go in November.

THE COUNTY Farm 4-H Club members had their election of officers with the following results: Ruth DeBoer-President; Diane DeBoer-Vice-President; Denise Deprez-Secretary; Donna Stevens-Treasurer; Michelle Deprez-Newsreporter; and Julie Green-Recreation Leader. The members will hold their meetings and work sessions on Monday evening from 7-9 p.m.

The members are not sure if they want to change the name of their club or not. Pattern books were passed around to look for project ideas. They discussed the 4-H roller skating party but no decision was made whether they would attend or not. Mary Stevens is serving as the club leader.

DURING NATIONAL 4-H Week

the Bengal Community 4-H Club had a 4-H display at the Clinton National Bank and held their organizational meeting. The officers are as follows: Vickie Thelen-President; Stuart Hazel-Vice President; Debbie Thelen-Secretary; Paul Simon-Newsreporter; David Rice and Mike Simon-Song and Recreational Leaders. The officers will be meeting Oct. 25 to plan the year's program. There are presently 30 members but they expect to have nearly 40 members before the deadline.

65 4-H MEMBERS answered the roll call of the Westphalia 4-H Club under the leadership of Esther Pung. Officers elected for the winter program include: Ruth Smith-President; Luann Smith-Vice President; Tammy Thelen-Secretary and Newsreporter; Linda Thelen-Treasurer; and Lynn Rademacher and Linda Halfman as Recreation Leaders.

The girls discussed club activities such as tobogganing, swimming and roller skating but postponed any decision till the next meeting on Nov. 2.

THE OLIVE 4-H Projects members have elected the following officers for the new year: Becky Gibson-President; Sue Schneberger-Secretary; Sherry Smith-Treasurer; Kim Howe-Reporter; John McElroy-Safety Chairman. The club's treasury stands now at \$23.

The members enrolled for the winter projects and decided they would like to go roller skating Nov. 18, Feb. 17 and April 20. The next meeting will include a family potluck dinner Sunday, Nov. 7 at 12:30 p.m. at Smith Hall in St. Johns.

THE KNIT 'N Stitch 4-H members have elected Sharon Bappert as their President for the winter program. Other officers include: Diane Davis-Vice President; Sue Faivor-Secretary; Linda Bappert-Treasurer. Dues were to remain 50-cents per-year. Members enrolled for the winter program and voted to make hospital trays favors for Mothers Day in May 1972. Alice Heibek is serving as leader of this club.

THE EAGLE Border 4-H members held their organizational meeting with 11 members enrolled. Officers for the coming year are: Mark Walsh-President; Eric Baker-Vice President; Brian Walsh-Secretary; Andy Baker-Treasurer; Mike Palmiter-Newsreporter. Their leader, James Palmiter explained how the club would be run, answered questions from the parents and passed out last year's awards and certificates.

The members visited Burr Parker's place near Grand Ledge where he showed the youth how he made life size statue wood

sculptures. His work included all the characters from the poem, "Song of Hiawatha".

Parker is presently working on a life size statue of Emmet Kelley the clown. He offered advice and gave suggestions on how to do wood sculpture.

THE JOLLY KNITTERS 4-H Club has a record high of 17 members for their club. The members voted to go roller skating on Nov. 18 and April 20 inviting their whole families to attend.

During the Christmas season the members will do Christmas caroling to shut in people. Demonstrations were given by Gerilyn Faivor on "A Use of Extra Yarn" Linda Thurston on "How to Pick Up Dropped Stitches" and Lorene Tait on "How to Join Different Colors of Yarn in a Project". Their November 1 meeting program will include slides from Charles Tait's trip to Minnesota this summer.

THE HANDY Andys 4-H Club is well under way with the 16 members starting their sewing projects this week. The following members have been elected as officers for the year: Sandy

Thelen-President; Suste Platte-Vice President; Linda Thelen-Secretary; Barbara Thelen-Treasurer; Mary Rademacher-Newsreporter; Telephone Chairman-Mary J. Thelen and Recreation Leaders-Rose Ann Martin and Maridell Martin.

BARBARA LEHMAN has been elected President of the All Thumbs 4-H Club this year. Other officers include: Sara Baker-Vice President; Stephanie Bancroft-Secretary; Julie Day-Treasurer and Terri Bancroft-Newsreporter.

The members held a Halloween Party Oct. 12. There will be a mothers tea during the November meeting. At this time members will receive their Fair premiums and certificates and present a talent program.

P-W has more elbow room

A bright instructional materials center.

Two classrooms or study hall.

By TOM DEWITT
Co-Editor

PEWAMO-WESTPHALIA—Some 400 students here have more elbow room this year.

They also have more room to sit and study in, and for 300 seventh, eighth and ninth grade students, they have a beautiful instructional materials center to use.

Why?

Because the taxpayers of the Pewamo-Westphalia School District voted an \$800,000 bond issue in 1966 to provide for a new junior high school wing to the high school building and an addition to the elementary school in Pewamo.

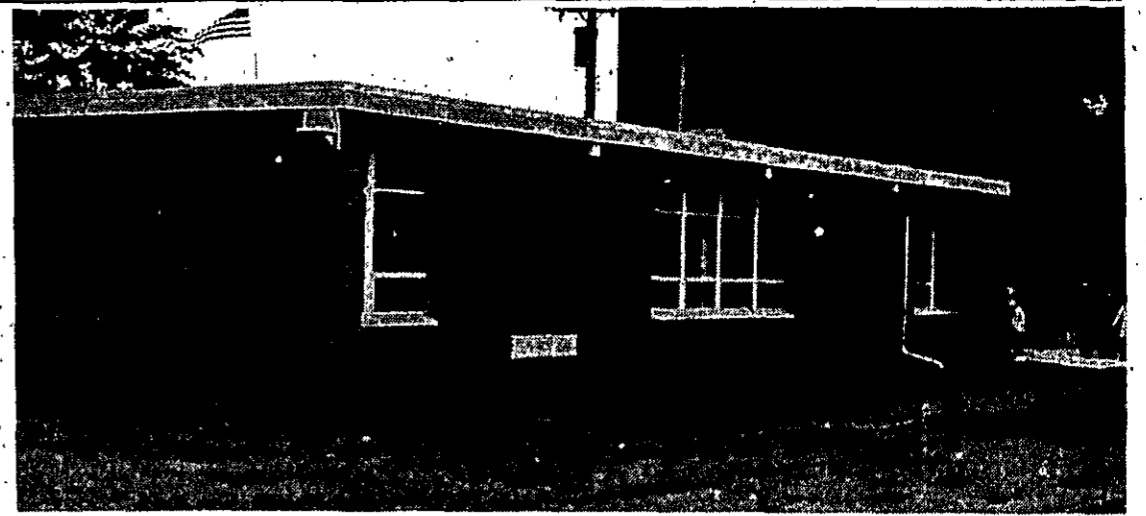

"IT HAS REDUCED OUR over crowding," says Supt. Roy Thelen. "And the addition to the high school has allowed us to make double use of our cafeteria, gym and instructional materials center."

The new wing opened this fall, as did the elementary addition. Construction was begun in September of 1970.

The Junior High wing features 10 classrooms, including two new science rooms and two "cluster" rooms with movable walls, in 19,000 square feet. One of the cluster rooms can be divided into two classrooms or made into one big study hall. The other can be divided into four rooms, simply by closing the walls.

The elementary addition, four new classrooms and office space, contains 5,348 square feet and was built at a cost of \$160,000. The cost of the junior high addition was \$640,000.

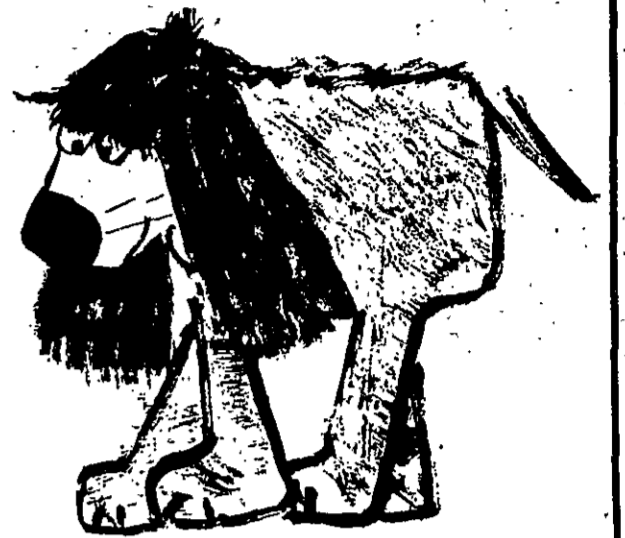

IN ADDITION TO the instructional materials center and the 10 classrooms, the area also provides for additional office space and storage areas.

New Elementary Addition.

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

1962 Chrysler

That should tell you a lot about the cars we sell.

Whether you own a big or small car, pay a little or a lot, the one thing you don't need from a car is trouble. You want a car that will hold up. A car that's built to last.

Well, we're with you. Just look at this figure:
9 out of 10 new Chryslers registered in the last 10 years are still on the road.
This includes all the various owners, any kind of terrain, and numbers of miles. But every Chrysler is designed and built the way you want it—to last. So even if you won't be keeping a car for years and years, it's good to know you've got all that quality going for you in your first year as well as in later years.

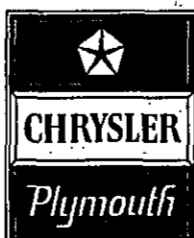

Newport Royal 2-Door Hardtop

You gotta have heart.

The quality of a Chrysler starts deep down in the heart of the car. That's where you've gotta have it. That's where you get it. With such time- and road-proven features as Chrysler's torsion-bar suspension and Torque-Flite automatic transmission. The rigid strength of unibody construction. And a 7-step dip-and-spray anti-rust process. Extra care like that is why so many Chryslers stay in great shape.

Every Chrysler Imperial is road-tested at the factory.

If our cars aren't right, we don't want you to have them. For example, every Imperial is put through a road test at the factory that includes over 100 different checks before it reaches you. This year every Chrysler car offers a new optional electronic ignition system that does away with the points and condenser that can wear out. This helps keep the engine tuned longer. And a tuned engine means cleaner exhaust. From our lowest-priced Chrysler Royal to our big, luxurious Imperial, Chrysler cars are built to last. The same is true of every Chrysler-engineered car we sell—Vallant, Duster, Cricket, Satellite and Fury. We think that's the kind of car America wants. That's the kind of car we'd like to show you. Come see us today.

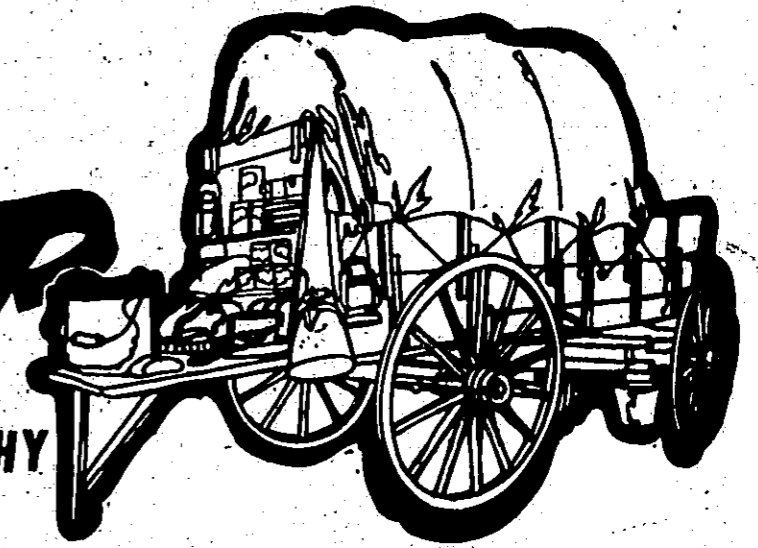

Coming through with the kind of car America wants.
