## FACT FINDER

Are you concerned about getting the straight facts on a question which arises but don't know where to find the answer? We'll find the facts for questions submitted by our readers. Just drop us a line at FACT FINDER, Clinton County News St Johns 48879.

Q. A few of us who work in Lansing and live in the St Johns area would like to know why General Telephone is so far behind in their telephone equipment? And if and WHEN General will have extended service to Lansing? It seems to us this community has grown enough in the last 25 years to have a better telephone service and up to date. We realize it is a far cry from the crank telephone but not much better. Phone lines are always noisy. And quite frequently you get out if you dial long distance. CM, ST JOHNS.

A. This is a FACT FINDER recording, BEEP, the questions you asked have been answered by William Graef, General Telephone district manager. There are no plans for extended service because the calling volume is not sufficient to justify it. A study of St Johns customers made during a 30-day period shows 54% made only 1 or no calls to Lansing. Less than 20% of St Johns customers made 75% of all calls to Lansing and most of these were businesses. There are times when noise develops on long distance lines and it is given prompt attention. If anyone is cut off on a long distance call they should hang up, dial the operator and explain the circumstances. They will be given credit and then either the operator or customers can redial. Graef says monthly reports indicate the quality of local service is with or above the standards established by the Public Service Commission to whom they report every month. Before FACT FINDER hangs up, St Johns received direct long distance dialing in 1960 5 years before Ma Bell did in Lansing.

## Speak Out

LAST WEEK'S QUESTION: Once again, Daylight Savings Time will be on the Ballot in November. Will you vote in favor if it this time? YES: 20% "It's about time we got in tune with the rest of the country". "Children can play outside longer in the summer". "You can enjoy summer activities more." NO: 80% "The Lord gave us 24 hours and we can't make it any more by turning the clock back". "It's so confusing". "It's hard enough getting your children in bed during the summer. It just makes it harder when the sun is still up."

THIS WEEK'S QUESTION IS: Many letters have been printed in the County News from persons against and for abortion. How will you vote Nov 7? FOR AGAINST To express your opinion, mail a card with your "For" or "Against" answer and comments to the County News or call 224-2361.

## City votes 75-foot for buffer zone

A proposal to set the buffer distance for the proposed Kroger Grocery in St Johns at 75 feet was met by resistance at the Oct 10 meeting of the St Johns City Commission.

It was reported to the commission by Bobenal Developers that they desired a 75 foot buffer instead of the 100 requested by residents of Prince Estates. Commission member, Jeanne Rand, moved to accept the 75-foot buffer proposal, but Brandon White, Prince Estates resident, objected, saying, "I think 100 feet as a buffer is desirable on the part of the residents." He also objected to proposed wood chips and stone as cover for the hill which would

## Federal payment for storm

# Clinton due "freeze" money

Clinton County is due to receive a share of \$1.4 million committed by President Richard Nixon from the Disaster Relief Fund to help Michigan recover from last spring's severe freeze and ice storms.

The March 14 ice storm caused an estimated \$3,050 damage in Clinton, not including estimates of private losses.

St. Johns suffered \$1,500 damage, while the southern part of the county had minor damage to public facilities.

Almost 100% of Clinton's farms were without power, some for only 2 hours while others were powerless for almost 72 hours.

President Nixon declared a major disaster for Michigan on April 5 on the recommendation of G.A. Lincoln, Director of the Office of Emergency Preparedness (OEP). OEP is the White House agency responsible for coordinating federal disaster assistance operations and for administering the President's Disaster Relief Fund.

The President's fund finances temporary housing and other aid for disaster-stricken families and unemployment assistance for persons out of work because of a disaster. It also provides grants for removal of debris and restoration and repair of facilities such as roads and bridges, water and

sewerage systems, public buildings and publicly owned utilities.

OEP Director Lincoln determined that 9 counties were eligible for federal assistance after Governor William G. Milliken had affirmed that all available state and local government resources and emergency funds were being used and had appealed to the President for supplementary federal help. The counties were Allegan, Barry, Calhoun, Clinton, Eaton, Ingham, Ionia, Jackson and Kalamazoo.

The late-winter freeze damaged essential public utilities and roads. OEP approved 58 projects for \$1,398,119 to counties and road commissions. The money is earmarked principally for debris removal and restoration of public utilities.

The Federal Coordinating Officer for the recovery work in Michigan has been Robert E. O'Connor, Director of OEP's Region 5 office at Chicago. He directed the federal disaster relief effort from a temporary field office established in Lansing.

## School Board votes for doctor "status quo"

ST JOHNS - At the St Johns school board meeting last Wednesday evening a discussion centered around the presence of doctors at high school football games.

At the St Johns-Holt game played at home a disagreement developed between 2 doctors as they went to assist an injured player.

"Following the incident the school board received a verbal statement from the local medical doctors as a group that the continued presence of Dr A N Sauders, a local chiropractor and longtime friend of Redwing players, at the games may result in the absence of medical doctors at the games," according to school officials.

The discussion drew fire from members of the coaching staff, players and their fathers who were in attendance at the meeting. Several presented their views in favor of Dr Sauders. They stated that Dr Sauders has supported the team for many years and that he provides services that the medical doctors are too busy to do. The coaching staff emphasized that

Dr Sauders does not practice medicine on the team.

Following the discussion the school board made a motion that would keep things at a status quo or as they have been in the past. The motion presented by board member William Richards and supported by member Wendell Waggoner read "The board expresses our thanks to the medical society for its past support and cooperation with regards to varsity football games and other services rendered to the school district and we ask them to continue in the same capacity as they have in the past and would appreciate that support as continued community interest with out regard to professional differences.

In another resolution Richards moved that the board express its support of Dr Sauders for his past and future cooperation with the athletes and coaches. Richard commented "We appreciate his community interest in

our athletic department and hope that he will continue his fine support as in the past."

A further discussion of the situation was reported to have taken place Tuesday evening when local doctors were expected to have met with the School Board in an unofficial session. No decisions or actions may be taken by government boards at such session with official action required at a public meeting.

In other action the board: -accepted the school's employees' trust hospital plan by Macabee Insurance Company of Detroit. -approved a list of names to form a building committee to study the future building needs of the St Johns School district.

-agreed to send some members of the staff to the Michigan Association meeting which will be held in Grand Rapids Nov. 1-3.

## For new apartments

# DeWitt approves rezoning

A 5-1 vote by the DeWitt City Council Monday night approved the rezoning request of the DeWitt Development Corporation to change the zoning of land adjoining the Rose Subdivision from residential, single dwelling to residential apartments.

Voting in favor of the request were June Lankford, Ray DeWitt, Keith Blizzard, Robert Ballard and Paul Mulford. Voting against the proposal was Norbert Jaskiewicz.

Discussion preceding the vote included the reading of 2 letters, 1 addressed to DeWitt Development Corp. A letter from Mrs W S Lusk to the corporation stated, "We read your open letter in the Advertiser with great interest. It seems to us that at least 1 unit for retired or elderly people would be most desirable.

"THERE IS nothing of that nature in this immediate vicinity. Each apartment might have 2 bedrooms and 1 1/2 baths and might rent for \$200 to \$250 per month. Air conditioning should be included. We hope that something of the

above is included in your plans." Mrs Lusk also said "all rooms should be on 1 level."

After the reading of the letter, the council was informed the proposed apartments would meet the standards inquired about by Mrs Lusk.

The second letter from Bruce Conradson, addressed to the city "I am writing in regards to the proposed rezoning of land adjoining Rose Subdivision to allow for its subsequent resale for development of apartment buildings.

"The property in question is presently zoned rural suburban and consequently has a market value of approximately \$1,000 per acre. Mr Clayton and his associates on August 11 listed the 24.8 acres in question for sale at a price of \$150,000, or \$6,000 per acre in expectation of gaining acceptance of the rezoning. Were approval given, we can safely assume the parcel will then be sold to the highest bidder at a very nice profit indeed.

"It is not my intent to criticize the Development Corporation for at-

tempting to make a profit. The point I do wish to emphasize is that the parcel in question would no longer be subject to local control. Whether we accept Mr Elliot's estimate of 3.5 persons per unit, or Mr Overway's estimate of 2.6 persons per unit, the result would be the rapid addition of 600 to 800 additional persons to our community. These individuals would tend to be transients and have no direct stake in the community as of the type a person who owns his home would have. The buildings would be owned by absentee landlords whose prime motivation is profit."

"We are told we cannot stop progress, and that recent approvals given to the Gordon Long Development and to Millbrook Estates have started a trend of rapid expansion which is beyond our control. I believe we can and should continue to exercise control over community development. This

## St Johns Chamber honors two local men

ST JOHNS - Upwards of 100 persons were in attendance at the Annual Chamber of Commerce banquet last night and witnessed the presentation of awards to several area residents.

Major awards were given to John Aylsworth and Virgil Zeeb while A.L. Rehmann was the recipient of the senior president's plaque.

Aylsworth received the Distinguished Citizens award based on his broad scope of community activities inside and outside of his profession. The Clinton County Extension 4-H agent has been in this area for the past 6 years.

JOHN AYLSWORTH

A certificate of merit was given to Barry Dean for his outstanding support of Chamber functions and for his general support of projects designed to enhance and improve the well being of the citizens of the area.

Other certificates of merit were presented to Charles Coletta, Dr James Groat and John Beck for distinguished community service and their support of programs designed for the betterment of the community.

Chamber of Commerce Vice President Bill Patton and Roger Beebe were in charge of all the arrangements and master of ceremonies for the evening was Bob Diltner.

Featured speaker for the event was Michigan State University head basketball coach Gus Ganakas. He was accompanied by Ron Karle, editor of the MSU alumni magazine and former editor of the Clinton County News.

VIRGIL ZEEB

Zeeb was awarded the Chamber of Commerce honor for his outstanding and longtime efforts as a chamber member. He is owner and operator of Zeeb Fertilizer in St Johns.

The president's plaque, given to Rehmann, is presented to the oldest living past president of the Chamber.

## Barry Rivest wins contest

ST JOHNS - BARRY RIVEST of 1971 South Meridian Road, Ovid is the \$20 winner in this week's football contest sponsored by THE CLINTON COUNTY NEWS.

Barry was the only participant that had a perfect score. Although he won the prize he was 14 points off with his prediction of 24 for a tiebreaker in the Michigan-Michigan State Game. The mighty Wolverine team defeated the

Spartans 10-0.

Fourteen other entries had 1 wrong. They were: Paul Goebel, Walter Dick, Steven Fulton, Greg Fox, Clifford Halsted, Ed Faivor, Robert Paks, Julie Goebel, Wayne Sperry, Tim Travis, Gary Irner, David Halfmann, Rod Thornton and Larry Ritter.

Numerous other contestants had 2 incorrect answers.

# DeWitt OKs rezoning

(FROM FRONT PAGE)

"No detailed plan has been prepared, but we are assured that the City requirements calling for a 20 foot setback from the property line, a maximum height of 2 1/2 stories and a density of 10 families per acre will insure a high quality development. The neighboring property owners are understandably apprehensive as evidenced by their support of petitions recently presented to the City Council and by the stated willingness of many of these same individuals to contribute to the cost of retaining legal assistance. Please give these points thoughtful consideration when reaching your decision."

PRIOR TO reading those letters, Dorothy Keck, clerk, read a letter from Raymond DeWitt, councilman, explaining he had sold all interest in DeWitt Development.

"I sold my interest," DeWitt said, "because I think this is too important to be voted down."

Jackiewicz wanted to delay the matter and put it on the ballot and said, "Let the people make the choice."

Dan Matson, city attorney, explained that 1 community had put such a proposal on the ballot, but Michigan courts struck down such action.

IN OTHER action the council: approved changing the city lights from incandescent to Mercury vapor lights, plus adding 4 in the Lake Geneva area and 2 in Millbrook Meadows Plat 2. The motion carried unanimously.

chairman and co-chairman, Mr and Mrs Jerrold Brockmyre have been working hard getting it organized. Each year the work begins with a poster contest at St. Joe school which advertises the many games and attractions to be held and prizes to be given away.

This year there will be usual games including a fish pond, white elephant sale

and homemade candy booths. Bob's Sport Center in St. Johns is providing a 1973-25 HP Rupp Snowmobile to be given away.

Tickets for the snowmobile may be purchased from the school children, at Bob's Sport Center or from Robert LaBrie, ticket chairman.

The date is Saturday, Oct 21 from 5 to 10 pm in the St. Joseph School Gym.

## Two receive jail sentences

Two St. Johns men have been sentenced by Dist Judge Roland Duguay after pleading guilty to the Aug 1 larceny of about \$500 from the St. Johns Country Club.

Charles S Green, 20, 803 E State, St. Johns, and Philip S Knight, 21, R-2, St. Johns were assessed fines and costs of \$124 each and are now serving 45 days in jail. They were also placed on probation for 2 years. The cash was recovered.

The case was investigated by Richard May, Clinton Sheriff's Dept detective and Sgt Lyle French, St. Johns Police.

In other department activities, county officers are investigating an Oct. 17 larceny of \$300 in cash from the home of James Powers, 1142 E Alward Rd, DeWitt.

On Oct 15 larceny was reported at the home of Alvin David Jr, McCrumb Rd, Eagle. Taken was \$1,400 worth of shotguns, rifles, a

television and other items.

DEPARTMENT DETECTIVE May and Deputy Russell Bouck are currently investigating a larceny of a large sum of money from the Elsie home of Homer Hoshield, 320 Carroll Drive.

Also under investigation is a report of attempted rape of a 17-year-old girl in Watertown Township. Deputy Paul St. Johns is investigating the incident, violinist in the State of Michigan and he is currently studying with Romeo Tata of Michigan State University. He is the son of Mr and Mrs Robert Eldridge of St. Johns. John will be performing all three movements of the

A color television was reported stolen Oct 13 from the home of Donald Leggett, 8855 E M-21, Ovid. The theft is under investigation.

A break-in was also reported Oct 15 at Beck's Farm Market on US-27. Stolen was \$25 in change. Entrance was gained by breaking through an overhead glass in a door.

## Two win at hospital meet

TRAVERSE CITY - searches which are sponsored by the Michigan Personnel from Clinton Memorial Hospital were among other hospital personnel from 66 Michigan hospitals sharing cash awards for their winning suggestions in the 14th annual Search for New Hospital Achievements contest.

The awards were presented at a Traverse City gathering to Donald Roesner, registered St. Johns pharmacist and Mrs Mary Ellen Buggs, St. Johns, nursing supervisor for their initiation of a night cabinet device at the hospital. This device was termed by a hospital official to allow instant availability of medications as they are ordered by the attending physician, increases the quality of patient care and at the same time minimize the cost.

This year's contest was the largest ever of the annual

Michigan Blue Cross. Some 343 entries were submitted to bring the total number of entries in the past 14 contests to 3,656.

Mrs Buggs, the mother of 8 children, has been employed at the hospital since 1954. Prior to that she worked at Mt Carmel Hospital in Detroit. She is the hospital's daytime nursing supervisor and assistant to the director of nursing. A graduate of Mercy College in Detroit, she and her family reside at 900 South Oakland, St. Johns.

Mr Roesner, a University of Michigan graduate, has been employed at the hospital as a part-time pharmacist for the past 9 years. He is also employed at Parr's Drug Store, a position he has had for the past 11 years. He and his wife are the parents of 5 children and reside at 902 West Baldwin, St. Johns.

## GOP meeting set

The Greenbush Republican Party will hold an "old-fashioned" political gathering at Uncle John's Cider Mill Monday, Oct 23 at 7:30 pm.

Area residents are invited to attend and ask questions on the current political issues.

Bill Gnodtke will be master of ceremonies and there will be an exhibition of square dancing.

Families are invited to attend and are urged to dress

warmly for an "old fashioned evening of fun and fact gathering."

A PRIZE will be awarded for the best old fashioned costume, a door prize will be awarded and free cider and donuts will be served.

ST. JOHNS -- Fines and court costs totaling \$57 were paid by 3 area residents charged with attempting to take ducks after the legal shooting hours.

Arrested on the charge Oct 8 were William Michael Boughton, 13380 Wood Street, Bath and Michael Lee Domres, 615 Paulson, Lansing. Jerry Lynn Ran-

debush, 4813 West Grand River, Lansing was arrested on Oct 9.

The arrests were made by Clinton County Conservation officer, James Chapman in an area located near Capitol City Airport.

The 3 appeared before Judge Roland Duguay in district court Oct 11.

#### Treize opposes "no fault" bill

State Representative R Douglas Treize of Owosso was among the members of the House of Representatives who opposed the "No-Fault" auto insurance proposal voted on Friday. "I had voted for the House version of the bill which retained the concept of full responsibility in property damage claims," Rep Treize said. "However, the House-Senate conference committee struck this language and it was this recommendation that I could not support."

"I am convinced that the majority of the people in our area are not ready to pay higher insurance premiums

for auto insurance and sacrifice completely the right to sue the responsible driver for damage to his automobile. Under this proposal, each person would have had to bear the cost of repairs to his own vehicle - including his \$100 deductible portion - regardless of who might have caused the accident."

"In addition, the bill in this form would eliminate the uninsured motorists fund and require that all insured drivers would pay an increase in premiums to provide full "no-fault" benefits to the uninsured driver", Treize said.

## DeWitt Township will hold new firemen training course

DeWitt Township Board members, in their Oct 10 meeting, approved a training school for area firemen at the Township Fire Hall in late November.

The training school, made possible by Public Act 291 will be only the second such course in the area.

Designed for new firemen,

the course will instruct men from DeWitt Twp, Bath, St Johns and Laingsburg.

Instructor will be Larry Elliott, a lieutenant in the Lansing Township Fire Dept and teacher at C.W. Otto School.

HE WAS ALSO the instructor in the first school at Delta.

In other action, the board approved the hiring of a crossing guard for State and Brook Roads. Applications are being taken to fill the position.

The board approved the posting of "no parking" sign on Hannah Street and adopted a resolution requesting a traffic light be installed at the Wood Road

and State Road intersection.

Presented to the board was a plan for the Property east of Kristana Mobile Village. The board was told the owners would like to plat the land for mobile homes. The area is currently zoned for mobile home park use.

Appointed to the Parks and Recreation Commission were Robert Dobbrastine, Frank Jajkol and Marilyn Stage.

QUESTIONS concerning the sewer system, received by Milton King, supervisor, were discussed and a request from a Mrs Kowatch to hook into the sewer system was tabled.

## It's flushing time for St Johns hydrants

The St Johns Water Department personnel will again be flushing the fire hydrants to remove sedimentation that has developed during the summer months.

The schedule for flushing will be as follows and will be done between the hours of 10 pm and 6 am.

Oct 17-18 -- All Fire Hydrants north of the Grand Trunk Railroad.

Oct 19-20 -- All Fire Hydrants east of US 27 and south of the Grand Trunk Railroad.

Oct 24-25 -- All Fire Hydrants east of Oakland Street to US-27 and south of the Grand Trunk Railroad.

Oct 26-27 -- All Fire Hydrants east of Lansing Street to Oakland Street and south of Cass Street.

Oct 30-31 -- All Fire Hydrants west of Lansing

Ithaca Yellowjackets swarm on Ovid-Elsie's Gary Groom in this play, but they couldn't stop him from scoring 2 touchdowns as the Marauders clobbered the visitors 42-7 at the O-E Homecoming.

# Wow! 30 points, 1st quarter for Ovid-Elsie

If it's not a record, it's a rarity. Ovid-Elsie scored 30 points in the 1st quarter of their Homecoming contest against Ithaca Friday, making the 1st period of the 42-7 contest resemble more of a basketball scoring game than football.

Robb Nethaway, 6-3, 265-pound junior tackle had the lineman's dream come true as he tackled the Ithaca quarterback in the end zone for a 2-point safety and also picked up a touchdown by recovering a fumble in the end zone to score O-E's 1st 8 points in the game.

The Marauders' 2nd touchdown came on a 40-yard pass by quarterback, Tom Kirinovic to halfback Gary Groom. Groom also picked up the 2-point conversion.

While the offense was doing a potent job of potent job of scoring, they were being given the opportunity by the O-E defense which allowed Ithaca no 1st downs until just before the half.

O-E's 3d touchdown came less than 3 plays later as Ithaca forced to punt and Dale Miller returned the ball 20 yards. Groom picked up his 2nd touchdown 3 plays later on a 6-yard jaunt. Miller ran for the 2-point conversion to give O-E a 24-0 lead with 3 minutes left in the opening quarter.

Ithaca received the Marauder kickoff and, again, was forced to punt, with O-E taking over on their 49-yard line.

On the 1st play from scrimmage, Kirinovic hit Rich McCreery on a 50-yard scoring pass to put O-E out in front 30-0.

After the scoring onslaught by O-E in that opening quarter, things quieted down a bit, with neither squad scoring in the 2nd quarter.

But, in the 3rd quarter, O-E started it all over again following the kick off by Ithaca.

Marauder fumble and raced 65 yards into the end zone. Coach Mark O'Donnell handed much of the credit for keeping Ithaca's back to the wall to Dan Egbert, senior kicker. "He either puts the ball in the end zone," O'Donnell explained, "or close to it on every kick-off and the opposing team has their backs to the wall."

O'Donnell also said, "we got good blocking front, especially by Chuck Thelen and Dave Winkler. Thelen at center is the biggest man on

the team at 6-2, 275 pounds. Winkler, a senior, plays tackle on offense and on defense, he led the team with 14 tackles at his defensive end position."

RANDY LOYNES also had a big night as he set a record for the defense, sacking the quarterback for losses 8 times. He finished the night with 11 tackles and the coaches awarded the "best hit for the game."

Ovid-Elsie picked up 18 1st downs and held Ithaca to 4.

The Marauders piled up 364 total yards with the defense holding Ithaca to 97.

The Marauders travel to Midland Friday to play Bullock Creek, 2-1 in conference play.

## Jayvees, Frosh win

Ovid-Elsie's junior varsity Marauders picked up their 4th victory Thursday with a 16-6 win over Ithaca.

Paul Case led the offensive effort with 140 yards rushing and scored all 16 points.

The freshmen also won, downing Ithaca 28-22 with a touchdown in the last 4 seconds of the game.

Junior varsity action features Bullock Creek in a home game Thursday at 7 pm and the freshmen played at Bullock Creek Tuesday.

Ovid-Elsie's royalty Dan Egbert and Kathie West greet the crowd at their school's homecoming game.

## Homecoming plans set

ST JOHNS—Details of this year's Homecoming parade set for Friday, Oct 20 have been announced by the committee.

Step-off time at the corner of Floral and North Clinton Ave is set for 5 p.m. The parade route will come up Clinton Ave to M-21, go east on 21 to Oakland Street where it will turn south to Sturgis Street. The parade will then turn west on Sturgis to Lansing Street, south on Lansing Street to Sickles Street where it turns west to the high school and football field.

The parade line-up for this year has the class floats reversed in their order of presentation. The line-up includes, St Johns City Police escort, American Legion and Color Guard, Grand Marshall, Mrs Dorothy Bates, City Mayor, Robert Wood, Redwing Marching Band's Red and White Flag Honor Guard, The St Johns High School Redwing Marching Band, former football captains, freshman cheerleaders, freshman class float, returning former homecoming queens,

sophomore class float, junior varsity cheerleaders, junior class float, student council officers, varsity cheerleaders and the senior class float with queen candidates.

The parade committee has expressed hope that the community will make a special effort to come out to view this event as much planning and work has gone into making this a memorable Homecoming event.

If it is felt that bad weather should force the cancellation of the parade an announcement over WRBJ radio will be made at 4 p.m. and again at 5 p.m.

Following the game a dance will be held from 8-11:30 p.m. in the high school cafeteria. Price of admission is \$2 per couple.

Prior to the dance a social hour will be held for alumni and students free of charge in the cafeteria. Cider and donuts will be served.

THE MARAUDERS drove 60 yards to score on an 8-yard pass from Kirinovic to Randy Loynes. Loynes, feared out for a few games with an injury last week, was back in action and, has now, caught 5 touchdown passes this season from Kirinovic.

Ovid-Elsie's last score came on an 8-yard run by Miller, with every player getting into the game by the 3rd quarter.

Ithaca's only score came from the defense as an Ithaca player picked up a

# Broken ankles don't slow down P-W

Bill Marks' Pewamo-Westphalia Pirates have lost the flip of the coin in all 5 of their contests this season - but, that's not the bad "break."

Friday's 13-0 Homecoming victory over Bellevue cost the Pirates their 5th player in 5 games due to broken ankles.

Mike Miller, tackle, is the most recent broken ankle

victim, preceded by Steve Simon, fullback; Randy Fedewa, halfback; Tom Fedewa, halfback, and Doug Walter, quarterback.

P-W took the 13-0 victory with a touchdown in the opening quarter and a pass interception returned all the way in the 2d half.

Dave Pung charged in with the initial score on a 6-yard run. The conversion attempt

failed, giving P-W a 6-0 lead. The Pirates upped the score to 12-0 when Roy Piggott picked off a Bellevue aerial and traveled 45 yards for the score. Piggott also kicked the extra point for the Pirate 13-0 victory.

Piggott was the leading Pirate rusher with 51 yards in 8 carries. P-W had 111 yards on the ground and 27 yards in the air while holding

Bellevue to 51 yards rushing and 18 through the air. When not busy carrying the ball for the Pirates, Piggott also aided the defensive efforts with a recovered fumble and he picked off 2 Bellevue passes.

Dan Ties was strong on defense with 18 team tackles and 6 solos and Charlie Bengel had 9 assists and 6 solo tackles. Tom Davern

plagued the Bellevue kicking game, blocking 2 punts. Pewamo-Westphalia travels to Springport for Friday's contest. Springport's lone defeat came Friday at DeWitt.

## Four wins for Redwing freshmen

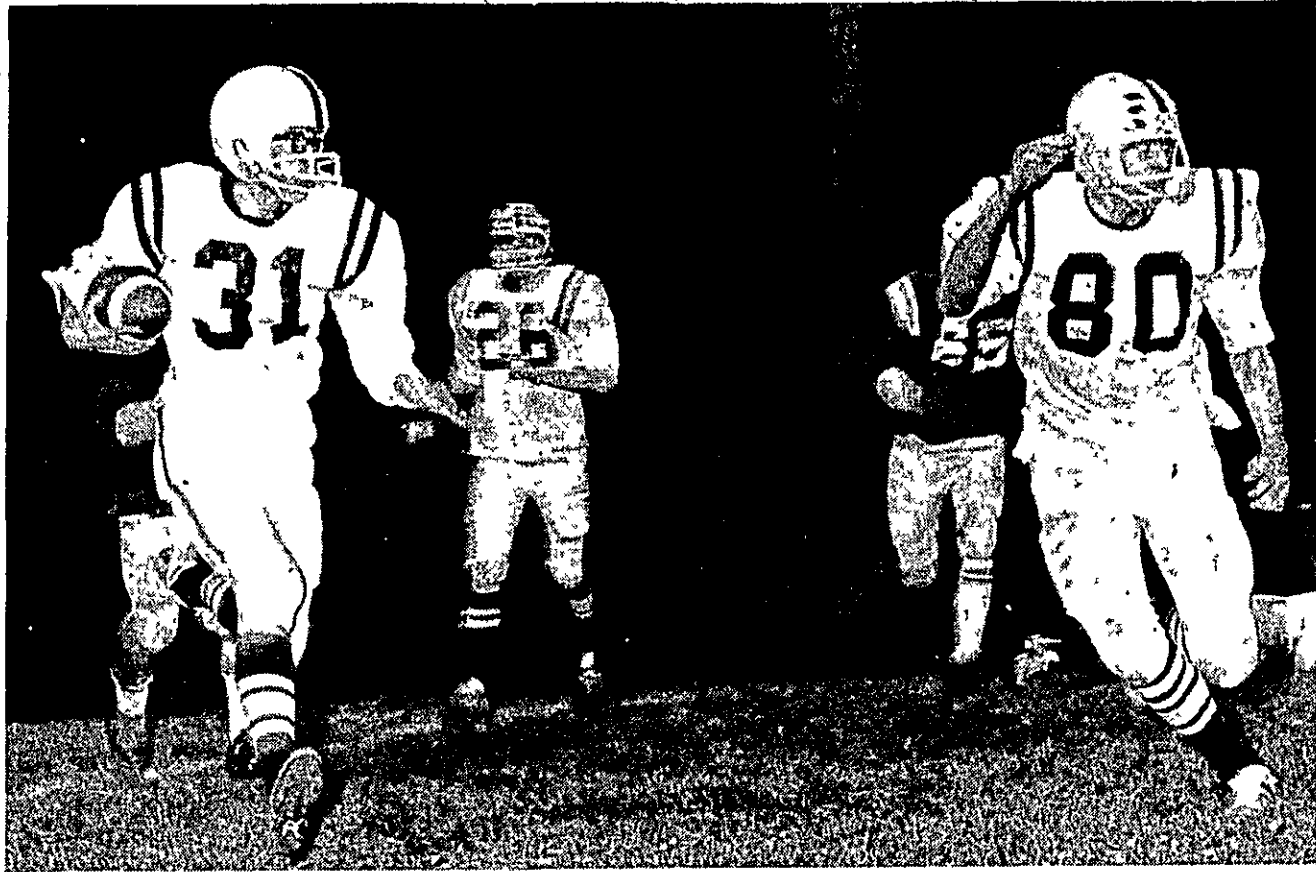

St John's freshmen picked up their 4th straight win over a very strong Waverly team 24-20.

St Johns was losing 20-0 at halftime and then started a 3d quarter rally which led to eventual victory.

They took the 2d half kickoff, marched down the field and scored on a 21-yard pass from Tim Knaus to Nick Pytlowany.

Waverly's next series of plays, the turning point of the ballgame, came on a Waverly sweep when defensive end Carl Bashore traveled all the way across the field to steal the ball from the Waverly running back and ran 30 yards before being brought down.

The freshmen Redwings then scored on a 19-yard pass from Tim Knaus to Carl Bashore. The next time Waverly had the ball, they had to punt and St Johns drove in for their 3d straight score on 19-yard run by Kick Koenigsnecht. He also had 3 straight 2-point conversion runs. Knaus hit 8 out of 13 passing attempts for 126 yards and the 2-touchdowns. Koenigsnecht had 112 yards rushing on 20 carries.

Pewamo-Westphalia's Dave Pung (31) finds himself surrounded by friendly uniforms as he picks up yardage against Springport in Friday night's 13-0 P-W Homecoming victory. Providing the offensive clearance for Pung are Gary Beachnau (22), Roy Piggott (26) and Dan Theis (80).

## DeWitt knocks off 2 unbeaten

Unbeatens beware. DeWitt's record may be 3-2, but Springport was the

second undefeated team in a row to fall to the Panthers. DeWitt trounced the visitors 30-8 Friday night and will take on another unbeaten squad, Fowler, at Fowler's Homecoming Friday.

Springport's offense scored their lone touchdown of the game with 6 minutes left to go in the opening quarter when Dave Baum tossed to Doug Talbot for a touchdown combination that covered 65 yards. Dale Baum ran the 2-point conversion to give Springport an 8-0 lead.

With 10:20 to go in the 2d quarter, Duane Shooltz put the ball in from the 1-yard line. They were stopped on the conversion attempt and trailed 8-6.

About 3 minutes later, Randy Lankford uncorked a pass to Ron Van Deusen for a 65-yard gain, putting the ball on the Springport 7-yard line. It was Shooltz again on the scoring play and he also ran the extra point to put the Panthers ahead 14-8.

But, the Panthers weren't finished scoring in the 1st

half. Randy Pitts, with 50 seconds on the clock, drove in from the 6-yard line and Al Brown ran the conversion for a 22-8 halftime lead.

CHRIS McNEILLY, enjoying an outstanding defensive game, picked off a Springport fumble midway in the 3d quarter and ran it from the Springport 48 to the 17-yard line.

Rich Albertson packed the ball in for the score and it was Shooltz who got the conversion call and went in for his 3d scoring run of the game.

In one respect, the 30-8 victory was costly to DeWitt who lost the services of Ron VanDeusen for the season with a shoulder separation.

He underwent an operation Saturday after sustaining the injury on the 65-yard pass play that set up DeWitt's 1st touchdown of the game.

Defensively, DeWitt's all star, Gary Bouts led the squad with 24 tackles. Chris McNeilly had 2 interceptions, received a

fumble and coach Tom Isanhart credited him for an "excellent job of blocking."

Also with strong defensive performances were Tom Ashley, all-conference defensive halfback, who added an interception to his defensive work; Tom Couling with 8 tackles and Jerry Marriott, also with 8 tackles.

DeWITT'S DEFENSE allowed Springport 168 yards, on the ground while almost eliminating their passing attack, allowing only 1 completion in attempts.

DeWitt runners picked up 205 yards and the passing game was 1-for-3, but that 1 pass was the 65-yard play that set up the 1st score.

After the free kick by Waverly, St Johns started on offensive drive of 46 yards.

Gary Mankey and Bruce Cameron ate up the yardage, sprung loose by effective blocking by the Redwing offensive line.

Quarterback Kevin Knight carried the ball in on a 1-yard quarterback sneak and Cameron's kick put St Johns ahead 9-0.

Greg Sellers posted the only score of the night for Waverly when he hauled in an aerie from Jay Matthew and sped 54 yards for the touchdown. The conversion attempt was stopped by the Redwings.

The Waverly touchdown marked the end of the scoring until the 4th quarter.

A Waverly offensive drive picked up 2 first downs, but came to a halt when an of-

## Last quarter touchdowns retain Fowler win streak

In a defensive battle for 3 quarters, Fowler retained their unbeaten status with 2 touchdowns in the final period to defeat Potterville 13-0.

Pat Thelen led the Eagles with a touchdown and 127 yards in 24 carries.

Thelen scored in the 4th quarter from the 1-yard line and Mel Pohl made it 7-0 with an extra point kick.

Larry Halfman put the second TD on the scoreboard with a 7-yard run. Pohl's extra-point attempt was blocked and the 13 points were enough to earn Fowler the victory.

POTTERVILLE could only muster 93 yards against the Eagles. Rushing yardage was held to 57 yards with another 36 yards gained through the airways.

Thelen and Halfman carried the brunt of the DeWitt rushing attack with Thelen's 127 yards and Halfman's 87 in 18 carries. DeWitt rushed for a total of 272 yards against the visitors.

Coach Steve Spicer was

pleased with the entire defensive unit for their shutout Friday.

Mel Pohl had 9 assists and 7 solo tackles, Tony Thelen had 10 assists and 1 solo and Dave Osborne aided in 7 tackles and handled 3 by himself.

Potterville's passing game also fell victim to the Eagle defense with Rich Epkey snagging 2 interceptions and

Bob McKimmon also picked off 2 Potterville aeriels.

COACH SPICER said, "I can't pick out any individuals as outstanding, because the whole defensive unit did such a fine job. Also, our offensive line did a really nice job."

## Waverly miscues help Redwings capture win

Two Waverly miscues set the stage for 17-6 St Johns Redwing victory in Lansing Friday night.

The Redwings victory puts their West Central League record at 3-0 and, at the same time, spoiled Waverly's hopes of a 1972 Homecoming win. Redwing defense put St Johns on the scoreboard in the opening quarter after Waverly was moved back to their own 5-yard on penalties.

On 4th down, a high snap from center got away from punter, Dick Dunham, who fell on the ball in the end zone and the safety gave St Johns a 2-0 lead.

After the free kick by Waverly, St Johns started on offensive drive of 46 yards.

Gary Mankey and Bruce Cameron ate up the yardage, sprung loose by effective blocking by the Redwing offensive line.

Quarterback Kevin Knight carried the ball in on a 1-yard quarterback sneak and Cameron's kick put St Johns ahead 9-0.

Greg Sellers posted the only score of the night for Waverly when he hauled in an aerie from Jay Matthew and sped 54 yards for the touchdown. The conversion attempt was stopped by the Redwings.

The Waverly touchdown marked the end of the scoring until the 4th quarter.

A Waverly offensive drive picked up 2 first downs, but came to a halt when an of-

fensive face mask penalty set the Warriors back 15 yards.

A well-placed punt later was not fielded by the Waverly receivers and ball rolled dead on the 2-yard line.

Three downs later, Waverly's Matthew attempted a roll-out, but a Redwing latched onto his arm and the ball was forced loose. Marty Brewbaker, in a tangled pile-up, grabbed the loose ball in the end zone.

Brewbaker also blocked a Warrior field goal attempt near the end of the 2nd quarter.

Jim Lynch put the score at 17-6 when he darted in after a fake field goal.

Leading the rushing for St Johns was Mankey with 102 yards and Cameron with 97.

It was the defense, however, that continually stifled the Waverly offensive attack.

Jerry Smith, Bruce Irish, Randy Devereaux and Ray Schueller, not only smothered the Warrior running game, but turned quarterback Matthew every way but loose.

The Waverly signal caller found himself dumped in the backfield 6 times while completing 6 of 17.

Friday's game will see St Johns host to Hastings, who lost to Alma last week, victim of a field goal with 3 seconds left in the game.

conference victories with no defeats puts them in a tie for the West Central League lead.

MR & MRS WALTER COOPER

## Fulton grads wed in evening service

MAPLE RAPIDS -- Debra Kay Tyler became the bride of Walter Scott Cooper in a double ring service held in the Congregational Christian Church Sept. 9. Rev. Robert Myers officiated at the 7 pm service before an altar decorated with arrangements of white gladiolus and daisy mums, "The Wedding Song" and "Walk Hand In Hand" were sung by Jack Williams and organist was Mrs. Helen Howe.

The bride is the daughter of Mr. and Mrs. Carroll G. Tyler of Maple Rapids and the groom's parents are Mr. and Mrs. Harley Counsellor of Middleton.

The bride was given in marriage by her father and chose a floor-length gown of silk organza with a bodice of Venice lace styled with a square neck and lantern sleeves. Her cathedral-length mantilla veil was edged with matching lace and she carried a bouquet of orange roses, white carnations and mums.

Maid of honor was Amy Lowe, Maple Rapids, cousin of the bride, and serving as bridesmaids were Terry Sue Tyler, sister of the bride, Melissa Bancroft, both of Maple Rapids and Annette Simpson, St. Johns, cousin of the bride. Flower girl was Stacy Pendell of Middleton.

The attendants wore floor-length gowns of off-white lace over coral satin fashioned with an empire-style waistline accented with an orange bow and long streamers. They wore a headpiece matching the flowers in their bouquet which were green carnations and white daisy mums. The flower girl wore a floor-

length gown of coral satin with an off-white bodice and short puffed sleeves.

Best man was Michael Murdock, Perrinton, and assisting as groomsmen were John Hoard, Rick Childers of Perrinton and Dean Kipp of St. Johns. Seating the guests were ushers Jeff and Gavin Tyler, Maple Rapids, brothers of the bride, and Mike Cooper, Perrinton, cousin of the groom. Ring bearer was Scott Williams, Fowler, cousin of the bride.

Following the ceremony a reception was held with 200 guests in attendance at the Fowler Conservation Club. Special guests at the wedding and reception were Mr. and Mrs. Clare Floot and Mr. and Mrs. Don Tyler, grandparents of the bride, and George Chick, great-grandfather of the bride. The couple are now at home at 434 Highland Ave., Michigan City, Ind.

The new Mr. and Mrs. Cooper are both graduates of Fulton High School.

### Couple speak vows in Illinois ceremony

LaSALLE, Ill. — A double ring ceremony held in St. Roch's Catholic Church on Sept 30 united in marriage

MR & MRS BRUCE DURBIN

June Pietrowski and Bruce Durbin. Rev R Fitzsimmons officiated at the 2 pm service while music was played by organist, Mrs William Wangler. Soloist was Larkin Kinsella.

The groom is the son of Mr and Mrs Merlin Durbin of 310 South Lansing Street, St Johns and the bride's parents are Mr and Mrs Chester Pietrowski of 536 Union Street, LaSalle, Ill.

The bride was given in marriage by her father and chose an ivory taffeta gown styled with long Bishop sleeves, a wide ruffle V-neckline and a bib effect on the bodice to the waistline. A ruffle trimmed the hemline and sleeves and the sweeping train was decorated with a wide matching ruffle. A lace headpiece secured her two-tiered veil which was edged with a matching ruffle and she carried a bouquet of white carnations, baby's breath and purple statice in a cascading arrangement. Maid of honor was JoAnn

Kahl and assisting as bridesmaids were Mary Noonan and Robin Mrowicki, sister of the bride. The attendants wore orchid sheer print gowns over taffeta designed with a high ruffled neckline, Bishop sleeves and a fitted bodice. They wore a large picture hat accented with an orchid ribbon and carried a bouquet of pink carnations, baby's breath and purple statice.

Best man was Doug Boak and serving as groomsmen were Tom Danley and Terry Brunner. Seating the guests were ushers, Randy Mrowicki and Richard Brunner.

The couple greeted 200 guests at the reception which was held at the Catholic War Veteran's Hall following the service.

Following a week's wedding trip in Northern Michigan the couple will make their home in St Johns.

The bride is a graduate LP and the groom, a graduate of St Johns High School, is employed at Oldsmobile.

MR & MRS KENNETH SITOWSKI

### Carol Ormsby weds Kenneth Sitowski

ST JOHNS -- Carol Jean Ormsby became the bride of Kenneth Sitowski in a 2 pm ceremony held in Price United Methodist Church. Rev John C Huhtala Sr, of Hemlock performed the double ring service before an altar decorated with white gladiolus and daisy and spider mums.

Organist for the service was Sharon Dunham and soloist Ann Marks rendered "The Wedding Song."

The bride is the daughter of Mr and Mrs Russell Ormsby of 3314 South Watson Road, St Johns and the groom is the son of Mr and Mrs William Nev of Milwaukee, Wis.

The bride was given in marriage by her father and chose a white nylon chiffon gown over taffeta featuring a low round neckline and set-in lace sleeves. The skirt was softly gathered to the bodice above the normal waistline and a lace over taffeta bow accented the front of the gown. Her floor-length nylon chiffon edged veil was attached to a pearl crown and she carried a bouquet of white daisy mums with pink sweetheart roses and white streamers.

Maid of honor was Mary Ashley, cousin of the bride, and assisting as bridesmaids were Raema Ormsby and Sue Ormsby, both sisters-in-law of the bride. Kirstin Huhtala of Hemlock was flower girl. The attendants wore pink dacron chiffon over taffeta gowns styled with a softly gathered skirt and a velvet ribbon bow and

pink and white daisies in the back. Their gowns featured a low round neckline, accented by the same daisy trim and set-in sleeves with a daisy cuff. They wore bow headpieces matching their gowns and carried a cluster bouquet of daisy mums, sweetheart roses, and ribbon streamers with flowers attached.

Best man was Bob Wilke of Milwaukee and groomsmen were Lee Ormsby and Dean Ormsby, both of St Johns. Ring bearer was John C Huhtala Jr.

100 guests were present at the reception held in Friendship Hall, of the church immediately following the service.

Special guests at the wedding and reception were Mr and Mrs Roy Ormsby, and Mr and Mrs Clarence Neller all of St Johns, grandparents of the bride and Dennis Scott of Milwaukee, brother of the groom.

For travel on their wedding trip to Milwaukee and Northern Michigan, the new Mrs Sitowski chose a blue crepe dress with a lace bodice and light blue belted coat.

Upon return the couple will make their home at 5353 East M-21, St Johns.

The bride is a 1968 graduate of Ovid-Elsie High School, attended Alma College and is a graduate of The Lewis Hotel-Motel School in Milwaukee.

The groom is employed as a security guard for Annand Security in East Lansing.

**"BEFORE YOU MAKE A BIG-CAR DECISION, SPEND A FEW MINUTES WITH A CHRYSLER."**

Buying a new car shouldn't be a big decision, but we think that in just a few minutes our '73 Newport can show you more than enough reasons to move up the Chrysler way.

**"Chrysler could easily be your next car."**

Reasons like electronic ignition. Unibody construction. Special protection against rust and corrosion. Torsion-Quiet Ride. Plus all the room, power and luxury you expect from a Chrysler.

And all for the lowest Chrysler price of all. Chrysler Newport '73. It'll only take a few minutes. That's the joy of it.

**Open Letter**  
from VAN W. HOAG

Dear friends,

It deserves emphasis that the time, the place, the character of the funeral service, the merchandise used, the cemetery selected - these are decisions of the family of the deceased. The funeral director acts only as a representative of the family.

The clergyman should be consulted in matters that concern him before any decisions are made.

Respectfully,

*Van W. Hoag*

In Memoriam

In loving memory of my husband William Stenke, who passed away October 21, 1970. He had no one a fond farewell. He said goodbye to none, His loving heart had ceased to beat. Before I knew it he was gone, I do not need a special day to bring him to my mind.

## P-W window Homecoming success

By VAL HILL

Pewamo - Westphalia celebrated its annual Homecoming Night on Oct 13. The success of the Homecoming was seen both at the game and at the following dance.

The P-W Pirates played the Bellevue Broncos in a rather tough game, but the Pirates won in one touchdown per half plus a field goal, 13-0.

During the half-time of 15 minutes, a lot happened. The P-W Marching Band, under the direction of Frank Ehrhardt, took the field to play "Amazing Grace" during the parade processional. Leading the parade were the 1972-73 Varsity Cheerleaders and Mary Pat Gross, the captain.

Following, both in cars, were four representatives of the Girls' Athletic Association, Barb Kolp, president; and 4 representatives of the Future Homemakers of America, Valerie Hill, president. Following in 4th and 5th positions were 2 new Driver's Education cars, on loan from Schanski Dodge of Ionia.

The spotlight of the parade was on the passing of the 4 senior high class floats. The floats were to be judged on 3 counts. Relation to the theme, originality, and neatness. The overall theme was "Autumn Time For Pirates".

The juniors captured the first prize of \$15, the seniors second prize of \$10.

The peak of these festivities came when past Homecoming queen, Ruth Thelen, crowned the new 1972-73 queen. The candidates, in alphabetical order were, Cheryl Deaveroux, Mary Pat Gross, Lou Ellen Pline, Melanie Smith and Terri Thelen. Amid screams of all sorts, and the playing of "I Don't Know How To Love You" by the band, Mary Pat Gross of Westphalia was crowned.

Following the game was the Homecoming Dance. Pictures of the new queen, her court, and in several shots, their escorts. A loud, but good band, provided the music in a pretty, but dimly lit, gymnasium.

The week preceding, and including Friday, was Activity Week. Monday was Sadie Hawkins Day; Tuesday was a day to dress-up in the 50's style; Wednesday was shade day, where one wore any kind of sunglasses; Thursday was crazy cap day, and girls also placed bids for the boys' football jerseys; Friday was blue and gold day, the school colors. Those girls who were successful in bidding for the jerseys wore them for the day. Also held on Friday was a pep assembly in the gymnasium.

Two of these Fowler seniors will reign as King and Queen during Homecoming activities Friday. Candidates seated from left are Mel Pohl, Tony Thelen, Bill Thelen, Dave Osborne and Pat Thelen. Standing from left are Susie Van Ells, Brenda Hoffman, Marie Pohl, Rose Goerge and Julie Harr. The Fowler Eagles will take on the DeWitt Panthers and during halftime ceremonies the King and Queen will be selected.

### O-E Scuttlebutt

by Sue DePond

The past week made it almost a perfect Senior year for the Class of '73. Wednesday started it all with the Senior girls powderpuffing over the Juniors with a score of 16-2. Nancy Foran and Lori Miller making all the points for the seniors. Thursday, the seniors won the Spirit Award given by the Student Council to the class that brings the most wood and shows the most spirit.

Friday, with the help of the juniors, the Marauders beat Ithaca 42-7. During halftime the King Dan Egbert and Queen Kathie West were crowned by MC Jim Micka and former Queen Kathleen Saxton Washburn respectively.

The student council also gave an award for the best float. This award was given to the Class of '74, the

After the game there was a dance in the school cafeteria featuring "The Plain Brown Rapper". At 12:30 the dance closed and in turn closed the Homecoming Week for the seniors.

The great and exciting week of Homecoming is over again for another year, so from now on the school will slow down until it is time for a vacation.

## St Johns High School

### SJH Happenings

by Theresa Huard

Homecoming candidate elections were held Tuesday, Oct 10, for the court and the representatives from each class.

The five girls chosen for the court were Anne Barber, Lee Morriss, Lynne Grost, Deb Harper and Angie Sirrine. Representing the junior class is Deb Archer, sophomore class Shirley Morehouse and the freshman class is Mary Becker.

The queen will be announced Friday night at the football game during half-time.

The 1972 Redwing Cross-Country team has wrapped up several extremely impressive victories enroute to a 6-3 overall record.

The team has 31 members in all with ten returning runners. There are 6 seniors of which 3 have had previous experience. Tri-Captain, Andy Clark, junior, has paced his inexperienced team in victories over Ovid-Elsie, Bath, Harry Hill, Ionia and DeWitt with a top 3-mile time of 17:05. Other juniors on the team are Tri-Captain Eric Barks, who hobbled by a late start has proven himself a worthy asset to the team, David Spousta and Leonard Mailand.

First year runners for the Redwings are Bob Chamberlain, Bill Kohls and Wayne Fedewa, who has won two meets this year. Second year man, Randy Root has

consistently finished among the leaders. Two freshmen who promise to shine in the future are Kevin Wright and Jim Wagner. The seniors on the team are Mark Heller, Tom Stauffer and Tri-Captain Mike Sutherland, all who have had only two years experience.

The Wings have a 1-2 conference record despite their strength due to a very strong West Central Conference, but have collected nine individual awards and one championship at invitational meets.

At the Eastern invitational, a meet for the greater Lansing area schools, medals were won by Fedewa, Root, Chamberlain and Wagoner. At the Alma invitational the Redwings took first place in the junior varsity competition with Kohls, Heller and Stauffer. Taking ribbons were Spousta and Steve Jacobus.

On Friday, Oct 13, 22 students, headed by Robert Koger, climbed on a Indian Trails chartered bus and headed for Stratford, Canada, to see two Shakesperian plays.

With Mr and Mrs Mullenbeck, Mrs Flegler, Patti Henning and Mr and Mrs Koger as chaperones, everyone boarded the bus at 4 pm in front of the school. Arriving in Stratford about 10:30 pm, everyone checked into the Mar-Ce Motel. Saturday afternoon the group went to the Stratford Festival to see the first out of two plays which was "King Lear." Later at 8:30 pm everyone saw the second play, "As You Like It". After seeing the well performed play, the students returned to the motel. Sunday the bus left about 10 am and then arrived in St Johns about 5:30 pm.

The students at St Johns High School would appreciate anyone willing to help out on school activities to help chaperone buses on away games. Anyone interested in helping out, please contact Mrs Flegler, by calling the High School.

## Fowler High School

### "Spirit Week"

by Ann Thelen

Something new, "Spirit Week", will take the

students of Fowler High to their 1972 Homecoming, this Friday, Oct 20. This is the first time "Spirit Week" is being held at Fowler.

Monday, Oct 16, begins a series of cheers started over the intercom and taken up by all of the classes each morning.

A poster contest is underway and will be judged Wednesday Oct 18. The winning class will receive a cake and the honor of hanging their poster on the press box for the game. The other posters will be displayed in other places. Tuesday through Friday a dummy of our opponents will be in the walls for fans to sign.

"Spirit Week" will come to its peak Thursday evening with the snake dance and bon-fire, and Friday afternoon, when the band will march thru the halls and lead the students to the gym for a pep rally. Friday will also be Blue and White day.

Members of the Queen's Court are: Rose George, Brenda Hoffman, Julie Harr, Susie VanElls, and Marie Pohl. The King's Court consists of Mel Pohl, Dave Osborne, Pat Thelen, Tony Thelen, and Bill Thelen. The King and Queen will be voted for Friday and announced after the halftime parade.

Junior representatives are: Aggie Rademacher, LuAnn Harr and Mary Thelen. Sophomores are: Pam Snyder, Deb Hallmann and Jane Piggott. And the Freshmen representatives are: Beth MacKinnon, Sue Pohl and LuAnn Feldpausch.

## Village of Fowler Council Meeting

# Jack and Jill Day Care Center is for St Johns preschoolers

ST JOHNS — "It's just like the big kids" for a group of 60 4-year-olds attending Jack and Jill Day Care Center.

The St Johns preschoolers are attending sessions at the city's only nursery school. Starting its eighth year in January, the non-profit organization was begun by a group of volunteer mothers. Teachers Mrs Bonnie LaBrie and Mrs Barbara Stiffler have been with the program since its opening.

"Finding a place to hold the nursery was the most difficult aspect," relates Mrs LaBrie. "The United Methodist Church donated their parsonage on Linden Street because the minister thought it was a good community service," she adds.

The 2 St Johns women say they are grateful the church offered the space for without it the day care center could not function in a town this size and serve 60 children. "Prices would range from \$35 to \$40 per month," estimates Mrs Stiffler, "and we would probably be serving a select 15 children whose parents could afford tuition. The charge now is \$12 a month with a \$5 enrollment fee.

ORIGINAL BOARD members were Mrs Jerry Williams, Mrs Connie Hansen, Mrs Jerry Shoemaker and Mrs Carolyn Ebert. All but Mrs Ebert

have since moved from St Johns. The first year each mother donated time at the center. "They took turns," relates Mrs LaBrie, "and it was a successful cooperative venture.

Teaching duties were then turned over to Mrs LaBrie who has Monday and Wednesday sessions and to Mrs Stiffler, Tuesday and Thursday teacher. Mrs LaBrie has a 2-year college education while Mrs Stiffler received a bachelor of science degree.

Morning sessions are 9 to 11 followed by afternoon meetings from 1 to 3. Each

instant money . . . when you want it - or need it!

Checkmate can do for you exactly what it says - provide a checking account plus a personal line of credit. And just one application could mean the end of your cash worries forever. Because, with Checkmate you can write yourself a loan . . . anytime any day. Here's what makes Checkmate the easiest, most confidential way to borrow:

- ✓ If you have a Clinton National Bank regular checking account there's no new accounts to open - your present checking account is all you need. You use the same checks you are using now.
- ✓ You're not confined to specific stores, restaurants, etc. Checkmate is good anytime, anywhere that you normally use checks!
- ✓ You pay only for the amount of credit you've actually used. The money held in reserve costs you nothing.

- ✓ It's flexible - your line of credit can range from \$600 to \$2,400.
- ✓ Your monthly Checkmate checking account statements report the exact status of your account and shows you in detail how to make the best use of it.
- ✓ No more embarrassment or charges if you should miscalculate your balance.
- ✓ Each payment rebuilds your money reserve, so your supply of credit is continual. You can restore your entire reserve by paying off your loan any time.
- ✓ And it's life-insured - at no extra cost.

Want more information about Checkmate and how you can have instant money? Phone us at 224-2351 and ask for Checkmate information.

### 4. Disclosure of finance charges:

That a monthly FINANCE CHARGE for my Checkmate account will be made which consists of the sum of interest determined daily by multiplying the daily rate by the outstanding loan balance after posting all transactions each day. The current daily rate of .00033% is equivalent to an ANNUAL PERCENTAGE RATE of 12.25%.

### CHECKMATE AGREEMENT -

To: Clinton National Bank and Trust Co.

I hereby apply for your Checkmate plan. I understand and agree as follows:

1. To maintain a checking account with you.
2. That credit will be made available to me up to the maximum amount of my line of credit as determined by you in the following manner:
  - A. Automatic Transfer. If any check which I write creates a deficit in my account, the Bank will automatically transfer money in multiples of \$100.00 to my account to cover this deficit.
  - B. Requested Transfer. I may request, on forms supplied by you, that funds in multiples of \$100.00 be deposited to my checking account.
3. To repay the Bank in the following manner:
  - A. By monthly payments to the Bank in an amount equal to 1/24 of the outstanding balance or a minimum monthly payment of \$25.00, whichever is greater. Of course, I understand that I can repay an extra amount up to the full amount I owe at any time and receive immediate credit for such payment.
  - B. By authorizing the Bank to deduct automatically from my checking account the monthly payments as required above.
  - C. By authorizing the Bank to credit to my account such sums as shall be necessary to cover the automatic payments on my account.
  - D. By authorizing the Bank to apply the payments first on interest and the balance on principal with interest on the outstanding loan balance to be at the then current rate for such accounts.

5. That if I default or attempt to default in any agreement with you; if any representations made by me prove to have been false or misleading in any material respect, or if I shall fail to inform you of any material change in my financial position; shall become insolvent, bankrupt, have a receiver appointed, execute an assignment for the benefit of creditors; or have a writ of attachment, garnishment, execution or other legal process issued against my property, die or become incompetent, or if the Bank shall deem itself insecure, you may declare the entire balance of my account immediately due and payable and all credits available hereunder, unless previously terminated, shall terminate without demand or notice. In addition to all other rights, the Bank shall have the right to set-off any sum due me from it against any credit extended under this agreement, and any security interest which the Bank may have acquired, either directly or indirectly, shall constitute security for the payment of all loans made under this agreement.
6. That you will send me a monthly statement showing all checking account activity and all loan activity on my Checkmate account. I agree not to exceed the limit of credit established from time to time. I further understand that any credit extended by you will be in reliance on this agreement and any representations heretofore or hereafter made by me; that you will not be required to extend credit and may revoke credit extended and discontinue any item within the same time as permitted by law or by clearing house or other agreements; that my credit privileges may be terminated without prior notice; and that the line of credit, interest, payments and all other terms may be altered by you from time to time upon prior notice to me.
7. This agreement shall be construed, except to the extent governed by Federal law, by the laws of the State of Michigan. Each provision shall be interpreted in such manner as to be effective and valid but if any part of this agreement shall be declared invalid, such declaration shall not invalidate the remaining provisions. If this application is executed by more than one person, the obligation shall be joint and several.

From the Clinton County News files of 1971, 1962, 1947

A PERSONAL LOOK AT THE NEWS

## Between the lines

with Jim Edwards

## Thanks, Tigers

Thank you, Detroit Tigers for putting some life into a fall otherwise doomed to the rhetoric of an election campaign season.

The excitement caused by the Tigers unbelievable regular season end and then the playoff was a refreshing pause from the political, economic and other serious events of the day.

Of course the vocabulary of the entire Michigan citizenry became limited to short phrases of "Who's winning?" and "What's the score?"

## A prayer for Fall

As we swing into the new season of the year, one of the most colorful certainly, a prayer by J. Barrie Shepherd which was recently published in the A.D. United Church Herald Edition speaks of the thoughts many of us have. We thought you'd enjoy part of the prayer as a pleasant change of pace:

In the midst of a golden world, in the mellow old age of the year, we rejoice in the wonder of your creation, God. The russet and yellow, crimson and orange of leaves, the scarlet crispness of newly ripe apples, the brisk, sharp chill of early morning frost, the distant, dry-scent of woodsmoke on the air, the pumpkin-wonderful faces of little children; this entire mature world of fall speaks softly to us, Lord, of the warmth and the splendor of your creative love.

In this season every bush becomes a burning bush, ablaze with the glory of your presence; and we can only stand in awe, putting off our shoes from our feet, realizing that we are standing, always, on holy ground.

And yet we must acknowledge that behind the veil of gold, beneath the autumnal tints and hues, there are also blood and tears, pain and horror; at this very moment men and women, our brothers and sisters, are dying, from hunger and disease, from loneliness and fear.

## View from the Senate

By SEN. WILLIAM S. BALLENGER

Almost lost in the shuffle of the Michigan Legislature's final hectic October week was a proposal I introduced to reapportion legislative districts more efficiently and in a less politically-motivated way.

This novel (some might call it naive) proposal would amend the State Constitution (requiring a vote of the people) to reduce the size of the State Apportionment Commission from eight to five members, consisting of one representative from each of the two top political parties; the State Director of elections; and a churchman and specialist in vital statistics, each appointed by the Governor.

My proposal also calls for final adjudication by the State Court of Appeals, rather than the State Supreme Court, in case commission members are unable to obtain a majority of the votes of its members for any one plan.

The proposal (SJR QQ) calls for separate apportionment plans for both the Senate and the House of Representatives, each of which must have a population deviation of not more than one percent from equality on the basis of the latest US census figures.

WHY HAVE I introduced such a plan? Well, we've endured two bitter and totally unwarranted apportionment battles since the 1963 Constitution was adopted and we can ill afford to suffer through another such fiasco. The make-up of the present Apportionment Commission is wholly unrealistic. It's almost impossible to get a majority for any plan when the Commission consists of four members of each major political party. It would be rare, indeed, for a commissioner representing one political party to vote with the four commissioners appointed by an opposing party to provide a majority.

Our present method of nominating Supreme Court Justices by partisan political

convention lends itself to a partisan political decision by the Supreme Court if called upon, as it has been twice since 1963, to break an impasse on the Apportionment Commission.

On the other hand, our Court of Appeals consists of 12 judges nominated and elected at non-partisan elections, who would therefore probably be less likely to vote on a partisan basis.

The presence of the State Director of Elections, an eminent church leader, and a demographer from a public or private college or university I'm hoping would further remove the apportionment commission from the realm of purely partisan politics.

Under my proposal, the population of each senatorial and representative district would have to be "as nearly equal as is practicable with no district deviating more than one percent from equality of population."

IT ALSO WOULD require that "each such district shall be compact, contiguous, and as nearly uniform in shape as possible."

The reason for these provisions is obvious. If carried out, they would virtually eliminate crass gerrymandering by either party such as that perpetrated by the nefarious Austin-Kleiner and Hatcher-Kleiner plans chosen by the Democrat-dominated State Supreme Court.

SJR QQ also would reduce from 30 to 21 days the time after the official census figures are available by which the commission must complete its work of districting and apportioning. A February 1 deadline is included in the proposal in case that occurs before the 21-day deadline.

If a majority of the commission cannot agree on one plan, each individual member of the commission shall submit a sealed proposed plan to the full Court of Appeals.

The judges would have to

open the envelopes containing the plans in open court, at which time the various plans would be made available to the public. If more than one plan is within two-tenths of one percent of being equal in population for each district, the court would determine which plan violates the integrity of the fewest county, township or incorporated city lines, respectively, and would direct that it be adopted by the commission and published.

IF NONE OF the plans comes within two-tenths of one percent of allowable population deviation, the Court of Appeals would determine which plan deviates least and direct that it be adopted by the commission.

Any elector would have 60 days after final publication of the chosen plan to appeal for a review of it.

If my proposal is passed by a 2/3 vote of both the Senate and House of Representatives, it will be submitted to a vote of the people at the first scheduled general election thereafter.

A related measure (SB 1491), which I also introduced last week, would amend the state law to reduce the maximum number of County Commissioner districts from 35 to 21; would speed up the process of reapportioning County Boards of Commissioners; and would establish a maximum level of deviation from population levels.

Cutting the maximum size of the board is designed to reduce unwieldy operations in some counties.

THE BILL provides for not more than five commissioners in counties of population up to 5,000 persons; not more than seven in counties from 5,001 to 10,000; nine for 10,001 to 50,000; 13 for 50,001 to 200,000; 15 for 200,001 to 600,000; and 21 for counties of more than 600,000.

### ONE YEAR AGO

Oct 20, 1971

Daniel Barz, Janet Barnes and Anne Fox were presented merit awards for their participation in activities and outstanding achievements by the St Johns Rotary.

The Presidential price-wage freeze was generally too short a time to do any good at the local level. At least that's the opinion of the local businessmen from the Ovid-Elsie area.

It may be a little early to think Christmas but St Johns Chamber of Commerce and Jaycee members are ready for the big holiday when it does roll around. The annual program, which includes a parade, tree lighting ceremony, arrival of Santa and a series of kiddies' luncheons with the jolly fellow, has been expanded to include a religious program by the St Johns Ministerial Assoc.

Clinton County Board of Commissioners adopted a balanced budget of \$1,577,980 for 1972. The total budget is \$88,086 more than the 1971 budget of \$1,489,914. Major increases proposed were in the areas of law enforcement and court related expenditures.

The St Johns City Commission has decided not to take over the operation and financial burdens of Our House, a local teen center. It said after studying the matter and discussing it with citizens they decided not to do anything with it.

### TEN YEARS AGO

Oct 18, 1962

Stymied after a series of 8 roll call votes in which a majority could not be obtained, Clinton County's board of Supervisors adjourned without establishing a salary schedule for county officers for the next 2 years.

The annual Clinton County Communities Chest drive is off to a good start according to an announcement this week by Leon Brewbaker, publicity chairman for the county's Michigan United Fund drive with a total of \$7,074 raised thus far.

Considerable progress was

made last week toward establishing a guarded crossing at Baldwin Street and US-27 for east-side students of Swegles Street school. Mrs Jay McKay has been hired as a crossing guard at the intersection.

A novel fund-raising project will be instituted by the St Johns Jaycees this week their first annual Pumpkin Sale.

St Johns High School alumni from far and near are expected to gather at Smith Hall Saturday for an alumni banquet being held in conjunction with this year's homecoming celebration.

### 25 YEARS AGO

October 16, 1947

A county-wide drive to raise \$80,000 for the construction of a 3-story addition to Clinton Memorial Hospital starts this weekend. Reports from the Junior Chamber of Commerce, who are conducting the canvass in the city of St Johns, indicated that \$26,000 toward this goal has already been subscribed.

Betty Woodbury, popular senior at Rodney B Wilson High School, has been chosen by her schoolmates to reign as first homecoming queen in the school's history.

Bannister Co-operative, Inc, which was incorporated Feb 8, 1947, has been granted permission by the Michigan Corporation and Securities Commission to sell securities offered by the Co-op in the form of preferred and common stock.

Electors in Valley Farms and Essex School districts voted down proposals to increase millage and bond for new school buildings at special elections.

Warren Coffman, St Johns, is believed to be the first Clinton County archer to get his deer this season.

Clinton County's Board of Supervisors adjourned a 2-day session after approving a county budget for 1948 that amounts to \$178,590.96.

Official opening of Lundy Motor Sales new Dodge-Plymouth garage will take place Tuesday. Owner H W Lundy has provided entertainment and dancing for Clinton County residents.

## THE YEAR OF THE TOAD

They're all around the country  
Under foot and in the way,  
They're hoppin' high n' frisky  
At any time of day;  
We wonder at the bumper crop  
That appears on every side,  
And try our best to keep 'em  
From committin' suicide.

My studies on Toadology  
Are sadly out of date,  
How do I judge their cycles?  
From whence dost emigrate?  
We know they're rated harmless  
And beneficial too  
But when they start invadin'  
Just what am I to do?

They're not like bugs or locusts  
That's wafted on the breeze  
But a yard plum full of "hoppers"  
Sort of makes me ill at ease;  
There's lots worse things can happen  
To me in my abode,  
But this year I am certain  
Is the year that brought the toad!

## Questions about Social Security

Q. My wife and I now get our monthly social security payments in a single check. Since my wife will be admitted to a nursing home shortly and I don't get around very easily, how can we arrange to get separate checks?

A. You should call, write, or visit your social security office to arrange for you and your wife to get separate monthly checks.

Q. A couple weeks ago, my brother applied for monthly disability payments from social security. When more information was needed from him, he got a letter from the vocational rehabilitation agency here in our State. What does a State agency have to do with social security?

A. In each State, an agency - usually the State

vocational rehabilitation agency - works with social security in evaluating disability claims. There, a team of trained people - a physician and a disability evaluation specialist - consider all the facts and determine whether a person is disabled under the social security law. Sometimes, current medical information is needed. When this happens, the State agency will contact the person to arrange for a medical examination or tests. Social security will pay for these extra examinations or tests.

### THOUGHTS THROUGH A TYPEWRITER:

Is there any reason a flashing, right turn light couldn't be installed at the corner of westbound State and Clinton in St Johns?

Unfortunately, Wednesday's poor attendance at the Tiger thriller in Detroit is another strong argument for pro sports executives who don't want to televise home games.

The new high school football rules, allowing for overtime in case of ties, admittedly provides a winner. However, after being a witness to one recently, it certainly doesn't provide the thrills of other overtime contests, such as basketball.

Of the many items of a questionable nature included in the Occupational Safety and Health Act, the strangest is the provision calling for split toilet seats in all business establishment restrooms.

## "If It Fitz . . .

## Political poo on TV

Editor, Lapeer County Press

By Jim Fitzgerald

Last-minute entries may change my mind, but right now it appears Sen Robert Griffin, Richard Nixon and George McGovern will each get a nod when it comes time to pass out my awards for the louiest TV commercials of the 1972 political season. Sen Griffin rates a mention for sheer inanity.

His commercial features these 2 Little Old Ladies, see, looking and talking like Johnathan Winters and Johnny Carson in drag. They enter the Senate chambers wide-eyed and titting, anxiously asking each other, where Sen Griffin sits.

The old gals consult a seating chart and discover, for gracious sakes, that Griffin's desk is at the front of the class. This sends them into fits of glee. He must be a very important man, they decide, clicking their dentures in delight.

This incredible commercial helped me make up my mind about the senate race. I'm going to vote for Griffin's desk. Which really isn't so silly when you realize Griffin has been running against a school bus.

A McGovern commercial tops the "most revolting" category.

It's that one filmed in a veterans' hospital where George mouths the usual bla-bla generalities about what he's going to do for "our boys." He sounds off after the camera has looked long and hard at a young paraplegic who tells how the country he was maimed for has failed him so miserably. It's enough to make viewers weep - and that's what bugs me.

God knows the veteran is telling the terrible truth. And God knows the Vietnam War is an immoral blunder that should have kept all of us awake every night for the past 8 years.

## Letters to the Editor

On behalf of the unborn

Abortion:

pro,con

consider others

To the Editor: Please bear with me as I assume the role of the voice of the unborn and let me speak in behalf of one of these little ones:

This is the voice of the unborn and I do not know how I came to be or understand it.

I do not understand what prompted my mother to conceive and because I'm so tiny some hostile forces are conspiring to put me to death.

I don't know why anyone should conspire against me because I'm innocent of any wrong doings.

The only thing they have against me is that I am a live human being and want to keep on living.

The environment I'm in seems like a safe refuge at present, but I'm asking for the help of you, my brothers and sisters who are eligible to vote at the polls this November; it is you who will determine my destiny; it's into your hands that I place my trust.

I'm so little and so defenseless in comparison to the misinformed but mighty forces that mean to do me harm, so I am making a frantic appeal at this time for more friends to come to my aid.

In my present environment, especially because I cannot free myself, I'm most vulnerable. I cannot run away from my enemies, therefore I am an easy prey to those who are

making preparations to attack and destroy me. I am at their mercy and so very helpless.

They are suggesting that I am a nothing until I am 20 weeks old and that I have no rights of any kind, but they are wrong. I have my rights because I'm me, an individual person. Do you hear? I'm me!

They are suggesting that after 20 weeks I become a human being just after the stroke of the allotted time of 20 weeks; I don't wish to offend anyone, but since it's my life I'm fighting for I'll say that sort of reasoning is absurd and is not giving my creator much credit.

Plant life of every kind, animal life as well is rarely disturbed in their early stages of development yet, there is this sweeping movement to do away with me, a human being.

Do I rate less respect than do these other creatures? So to the Voter, I therefore beseech my little self and the responsibility from now on is yours.

I hope your judgment lets me keep my life, however, if you rule to abort me, my voice will ring out as I'll not stay quiet and you will hear me.

Please do not disappoint me and vote NO on Proposal B.

Thank you, Katherine Chapko, Voice and friend of the unborn.

Elsie

It was almost impossible Thursday to be out of hearing distance of the radio and television broadcast of the Tiger-Oakland American League Championship game.

PUNS ARE FUN: Speaking of the Tiger game, a new citizen of our nation originally from Mexico was at the Thursday contest. After the game, his friends asked how he liked seeing his first major league ballgame. It was wonderful he reported. And the people, he added, were very polite. "Before the game, everybody stood up and asked me Jose, can you see?"

Maybe it's forgotten since the last election, but it seems this year's campaign has dwelled more than ever on personal criticism, rather than issues.

Between the time the above paragraph was finished and this one started, Stanley grounded out and Taylor ended the whole thing with a fly ball. A disappointment, to be sure, but no one can deny the excitement generated by the Detroit Tigers in the last month.

RICHARD NIXON must be credited with the most confusing commercial.

It stars a lot of toy soldiers, sailors and battleships. A hand comes out of nowhere and wipes out half the soldiers, most of the sailors and a lot of the battleships.

The background voice says this is what a cut in the defense budget would mean.

And I'm saying yeah, man, yeah, Wipe away some more. How about slicing the Pentagon in half, too? That's what this country needs - less bullets and less fatheaded generals who send boys to die and then retire to become president of the factories where they bought the bullets.

But then the TV voice says it is wrong to wipe out those toy soldiers and ships. That's what dumb McGovern would do, but not smart Nixon. So vote for Nixon, the man says, he'll keep this country strong.

Geez . . . if I'd tuned out that commercial before the end, the prez might have had my vote. But, as it is . . .

I wonder if Griffin's desk would like to run for president? Joshua Doore could do the TV commercials.

Dear Editor:

As an independent research medical-zoologist, this person views the published pros and cons of the human abortion question with dismay. Confusion there is, and in quantity. This, I've gathered from having read considerably, noting emotion rampant and reasonableness, infrequent.

Personally, abortion is repulsive. Of this, make no mistake; I repeat: abortion is repulsive. However I may state my own position, I am only one. Others there are to be considered, namely, the distressed woman seeking assistance and her counseling physician - the only individuals party to and responsible in the transaction.

In the developing nations, nearly half the population are under 15 years of age. Approximately three-quarters of the world's children live in areas where the average income is less than \$500 a year. The United Nations Children's Fund helps provide better food and medical care for these youngsters.

teacher has a morning and an afternoon aide. Fifteen youngsters per class is the maximum, with an equal number of boys and girls. Age requirement is 4-years old or the year prior to kindergarten.

The day care center opened Sept 11 and will continue until the end of the school year. The regular school calendar is followed.

A ROUTINE SCHEDULE is followed, according to Mrs LaBrie. The first hour is free time where the children play with puzzles, toys, trucks and dolls. A complete kitchen, telephones, mirrors and dress up clothes are available for the boys and girls.

"Here both imaginative and creative play is tremendous," she explains. "The child learns to participate and cooperate in group play," Mrs LaBrie says, "and share and exchange ideas." All the children share the responsibility of pickup.

The next 20 minutes is spent talking, singing songs, acting out finger plays and telling stories. "An important aspect here," she continues, "is to learn to listen and to speak in front of the group. Topics range from family news to the weather."

Good manners are encouraged during the 10 to 15 minutes snack time. An art activity usually follows with the child expected to finish what he begins. Projects include easel painting, water colors, print painting, wet chalk, finger painting and cutting and pasting to name a few.

In good weather, Mrs LaBrie states, an outdoor playtime is held. Children are helped as little as possible with boots and zippers. "We tell them we don't know the word can't," she smiles, "and encourage them to try harder."

FIELD TRIPS are planned throughout the year. The preschoolers have already visited Uncle John's Cider Mill. Other trips include a farm, visit to the fire station and police department, the

bakery, and library. A mother for every 5 children accompanies the group.

"We also walk to the teacher's house for a snack," tells Mrs Stiffler. "You'd be surprised how many children think we live at the nursery."

The kitchen is also used with the children to make ice cream, cookies, corn bread, etc. This week's fall treat was homemade apple sauce. The day care center now has a film strip machine to be used to coordinate and entertain.

JACK AND JILL Day Care Center is licensed through the state department of social services. "We have to meet building requirement," says Mrs LaBrie, "and are inspected by fire representatives and a sanitation inspector. A representative from social services observes."

Throughout the program's existence, some 400 children have attended. The youngsters we started out with are not in the 6th grade and have not forgotten their preschool days at Jack and Jill, the teachers report. There's always a waiting list and a couple classes are filled for next year.

Teacher Barbara Stiffler encourages a junior Leonardo da Vinci.

They can't read but it's fun looking at the pictures.

### Liason man in Clinton

Congressman Elford A Cederberg's liaison man, Ronald W Stolz, will be visiting Clinton County to offer the citizens of the 10th district an opportunity to

bring difficulties they might have with the Federal government to his attention. Stolz will be at the courthouse in St Johns on Thursday Oct 19 from 2 pm to 4 pm.

Cederberg reminds those who might have a problem with a Federal agency to take along any documents that might help to identify his case to Stolz.

### Complains about business hours

Dear Editor: After reading the letter you published from the woman who could not find a size 2 toddler's clothing, it made me realize a certain lack in St Johns merchants. My family has done much business with St. Johns when we could, but it seems they just don't like to be AVAILABLE.

Complaints of our residents shopping at out of town stores have been heard for several years now. When a town "rolls up its sidewalks" at 5:30 most every night, they are closing the town for business. We can all name a handful of stores that do believe our patronage is valuable and keep their doors open for us. HURRAY for them, for they get my vote.

I have been a resident of St. Johns for 2 months, a previous resident of Elsie, where the shops are open at least 2 nights a week, and prior to that, from the Detroit area where they KNOW shoppers do spend money at night!

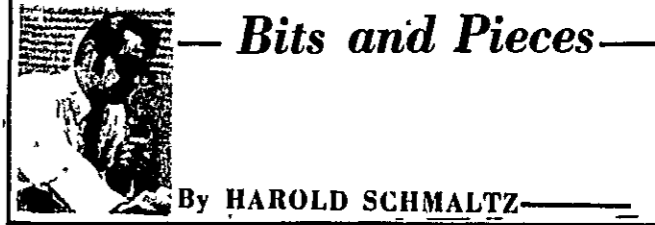

I am sure there are many high school students who need the extra money and would be willing to work—the high school student who made his retaliation made note of the "idleness in the streets". Minimum wage is not a high price to pay to help students, young adults and our community, plus the reap of profits!

It was disturbing the time I could not enter a local small store at 5:20 to make a purchase because the owner shook his door keys at me. We want no more "weeping" over the lack of enthusiasm and money spent by shoppers in St. Johns until our merchants can show us they care about our community.

Occasionally in the writing business one becomes the victim of a dry pen. Such is not particularly the case with me this week but I just happen to know someone who can get across a few points better than I can. With this little prelude I'd like to introduce a guest to my column this week, my wife Virginia presenting her thoughts on the most beautiful season of all, Fall.

As the leaves turn and come drifting toward the earth I sometimes forget the beauty in the glorious colors and depress myself with this thought. . . here comes the death of summer. With this comes the frantic desire to get away from it all. Somehow, summer eases the day marked with pressures, emergencies and demands from a large family. This weekend an idea

struck which I would like to share. It's not the death of summer but the birth of a new season. A new time that can be used for building a better life style rather than considering elaborate plans to cling desperately to the season leaving.

We all possess the desire for self-discovery and fulfillment so with the passing of the leaves I sit this day and decide that also passing will be my self-doubt and aimlessness. Reborn will be persistence and my belief in the power of thought to change things.

I will make the next season equally as satisfying as the last by direction. . . for I feel the greatest satisfaction in life comes from a purpose directed toward others and unassociated with self. So with these thoughts, FAREWELL SUMMER, HELLO FALL!

### LETTERS TO THE EDITOR

Editor, I just couldn't resist answering the letter by Charles Tait, a senior at St Johns High School.

As I read the letter I was impressed by the conclusions which were drawn, by Mr Tait, from a few quotes in the curfew article. I couldn't help but draw one conclusion of my own, and that was from the sentence which said, "If I don't see my line in the paper I will send the article to the State Journal", etc. . . My conclusion being that this sounds just a bit like a spoiled child who says "If I can't have my way you'll be sorry."

Also, I wish to chastise the Clinton County News for not publishing Mr Tait's letter as it was received, typographical errors and all, thus enabling your readers the opportunity to judge whether Mr Tait should be more concerned with his

education or the defense of those who have nothing better to do than loitering on the sidewalks.

Cheer up St Johns, winter is coming!

Sincerely, JACK H SVENDSEN

### Tip leads to "grass" bonfire

A 15-year-old student, found with marijuana in school, led to the discovery Oct 3 of \$1,800 worth of marijuana in an abandoned Riley Township house.

The youth reported to his parents and police where he obtained the marijuana, which, in turn, led to the Riley Twp cache.

Richard May investigated and value of the marijuana was set by the Tri-County Metro Narcotics Squad. The 2 agencies burned the marijuana at the scene.

My proposal is designed to speed the time by which redistricting would be completed so that the process wouldn't drag right up until the June filing deadline, as has been the case in some instances.

SB 1491 calls for reapportionment to be completed by February 15 in the year in which commissioners are to be elected (the next year this could happen would be 1982). It also calls for appeals within 15 days.

A third and most important provision in the measure would set a limit of a "5 percent deviation from the average population of all districts" among the commissioners.

If a plan were drawn up exceeding that 5 percent limitation, it would be forwarded automatically by the county clerk to the State Court of Appeals for review.

THE ABSENCE of any deviation limit in state law presently is unquestionably the reason why some County Commissioner apportionment plans contain deviations as high as 26% while others are less than 1%. It also explains why some good county reapportionment plans are being

appealed in court while bad ones aren't.

My plan involving County Commissioner reapportioning would require only passage by the Legislature and signature of the Governor rather than an amendment to the Constitution.

# Clinton Farm Bureau annual meeting lists 1972 resolutions

Smith Hall in St Johns was the scene last Tuesday evening of the 53rd Annual meeting of Clinton County Farm Bureau. The annual policy making session followed a dinner served by the St. Johns Lutheran Ladies Guild and saw a full agenda of business presented to the capacity crowd.

Robert Kissane, county Farm Bureau president presided over the business session and introduced

guests from the news media, agri-related businesses and from Farm Bureau Affiliated Companies.

The meeting centered around presentation of a slate of some 19 policy resolutions and the Committee composed of Andrew Cobb, chairman, Bob Grams, William Brook, Stan Baird, Dan Thelen and Harmon Cropsey read them to the group.

Adopted were resolutions

concerning the deepening of the Saginaw River to accommodate ocean going vessels; assessing of land used for agricultural purposes at only the value of the agricultural use; asking for legislation to eliminate secondary boycotts of farm produce; a resolution favoring the passage of Proposal C - property tax reform; a resolution asking for a person with agricultural involvement on

the Natural Resources Commission; urging a "no" vote of the Daylight Savings Time proposal, and a "no" vote on the graduated income tax proposal; a resolution against the furnishing of "free books" to school children; a stand against busing to gain equality of educational opportunity rather favoring using of these funds to improve the educational programs of ghetto schools.

The Farm Bureau commended the 4-H Clubs and other county youth groups for their work in the trash pick-up and glass bottle program in a county affairs resolution.

They defeated a resolution asking that the decision of building a new Court House be put to a vote of the people, favoring the present County Building Authority.

A resolution praising Secretary of Agriculture Butz for his current stand in support of farmers getting their fair share of the national economy.

A final resolution paid tribute to the membership team and especially Mr and Mrs William Kissane for their fine work in reaching last year's county goal.

Elected as directors to the county Farm Bureau Board were Douglas Brook replacing Kenneth Geisenhaver for Bath-

Greenbush-Duplain; Duane Platee replacing Jerome Spitzley in Dalla-Westphalia district and Director-at-Large Ray Moore replacing Neil Harte. Harte and Jerome Spitzley did not choose to run for a 2d term.

The Greenbush-Duplain position was vacant due to the resignation of Andy Cobb last November.

A highlight of the evening was the Farm Bureau Queen

ceremony. Miss Mary Black, last year's Farm Bureau Queen and Tom Benson, Young Farmer Chairman, presented the candidates as follows, Miss Connie Burnham, Miss Gayle Geisenhaver, Miss Phyllis Dershem, Miss Rita Kissane and Miss Ann Kurnez. Judges for the event were Mrs Melvin Warren, Mrs William Chalmers and Mrs Rodney Peters.

Selected as queen was Miss Connie Burnham who will now represent the county Farm Bureau at the State Annual Meeting in November at Grand Rapids. State Farm Bureau Queen will attend the American Farm Bureau Federation Convention in Los Angeles in December.

Other business included the approval of a delegate list for State Annual meeting, the seating of Mrs Donald Swagart as Farm Bureau women's chairman and Tom Benson, as Young Farmer chairman, reports by David C. Morris, district director and by Winston Ingalls regional representative from the Michigan Farm Bureau.

WINNERS OF the Women's Needlecraft contest were announced as follows, Mrs Francis Dershem, Mrs Mildred Whitaker, Mrs Ed Grams and Mrs William Kissane. Mrs Warren Coffman was presented a floral centerpiece for correctly guessing a weight of a pumpkin at 78 pounds. Door prizes were awarded to Virginia Zeeb, Iyla Rose, Adaline Dershem, David Pohl, Elaine Cable, Noreen Cook, Marian Kurnez and Ken Geisenhaver. Community Groups winning the table decoration contest were Prairie and Jason Center 1st and 2d place for beauty and Friendly Fringe

Newly-elected directors are from left, Duane Platte, Westphalia Twp, Ray Moore Olive Twp, Wayne Peck, Duplain Twp and Douglas Brook, Bath Twp. Each will serve a 3-year term.

Clinton County's 1972 Farm Bureau queen Connie Burnham receives the traditional bouquet of roses from President Tobert Kissane. Also pictured are at left Tom Benson, Young Farmer Committee chairman, and Fran Motz, vice president.

Farmers and Loyal Neighbors - 1st and 2d place for originality.

Eleven Community Groups received cast awards for having 100% of their membership paid by Jan 1, 1972. These were presented by Community Group Chairman Robert Grams. Entertainment was provided just prior to the business meeting by Chris Howe of DeWitt who sang several numbers to his own guitar accompaniment. He is a 4-H Share the Fun Winner.

### West Elsie

By Mrs Wayne Mead

Monday was a fine sunny day for the mystery trip and color tour of the West Elsie Extension Club. Twelve members and one guest enjoyed the day which was planned by the drivers Gladys Dush, Anabel Peck and Mildred Whitaker. Believing that local areas are as beautiful as anywhere in Michigan, they explored some places not too far from Elsie. They never did go out of Clinton and Gratiot Counties but found much to enjoy and feel thankful for.

Lunch was enjoyed at Herbrucks cheese place at St Johns. The history of cheeses and the fascinating array, over 150 kinds, were explained and on display. Happy Birthday was sung to Lula Knight and Edna Hehrer.

During the drive the abundance of apples was noted all over. They hung down so heavily laden as to break the branches in many orchards.

It is hoped that those members who could not go on account of illness or illness in the family can go next October on this annual event.

The West Elsie Extension Club will meet with Grace Fizzell on November 29. The Extension Club Christmas Workshop is at Smith Hall on Nov 9 from twelve to nine o'clock and everyone is welcome to come to get ideas and in some cases to buy articles made by Extension Club members.

# Pumpkins, Indian corn and gourds-- that's what's 'growing on' at Dobsons

Pumpkins and corn stalks dot the hillside of the Warren Dobson home on Wood Road in DeWitt Township. The approaching of Halloween means a busy time for the Clinton County truck farmer.

By LEE PETERS  
News Staff Writer

ST. JOHNS -- Make a fall visit to Warren Dobson's DeWitt Township farm and you'll see what's been "growing" on.

Displays and pumpkins and Indian corn dot the hillside at his home at 16343 Wood Rd in the southeast corner of Clinton County. Dobson also boasts of a bountiful harvest of sweet corn, melons, tomatoes, beans, potatoes, squash and even gourds.

Dobson has been in the truck farm business to some degree ever since he bought those 30 acres 29 years ago. Retirement from a 30-odd year career with the state farm bureau 11 years ago has let him devote more time to his farming.

"I'M WHAT YOU call a wheelbarrow farmer," Dobson beams proudly. "I work all the land with walking tools," he adds.

And this year it's paying off for the 76-year-old retiree. He's predicting a harvest of 2 to 3000 pumpkins thanks to all his cultivating and hoeing. His biggest pick has been a Big Max pumpkin weighing in at 115 pounds. Others are piled up in the acre he planted last May. "All I did was cultivate and hoe plus use a certain amount of insecticide and Mother Nature did the rest," Dobson smiles.

This year's good growing

season is due to an extra-moist and longer growing time. Late-maturing plants have been given a chance to ripen with the absence of early killing frosts.

"I'VE BEEN delivering squash to stores since late July," Dobson recalls. He also sells some pumpkins to grocers but most will be bought by passers-by and regular customers.

Other potential customers are preschoolers and elementary students who'll

visit the Dobson farm in hopes of getting a glance at the Great Pumpkin. "Over 20 such groups will be visiting between now and Halloween," he estimates.

"It's quite an adventure for them. They like to see where pumpkins grow, climb the apple tree and roll down the hillside," he motions. He admits he gets as much kick out of the kids' visit to the farm as they do.

THE BUSY SEASON WILL come to an end after

Halloween, says Dobson. After that, he sighs nobody wants a pumpkin--they're just a dead item.

After the gifts were opened and displayed, refreshments were served from the linen covered table centered by a decorated cake and flanked by pink candles. Sherry became the bride of James Oliver VanDyne II on Oct 8.

Several from here attended the Wineland-VanDyne wedding at the United Methodist Church in Pleasant Hill, Ill on Sunday, Oct 8.

Dobson boasts of a bumper crop of pumpkins this year including a 115-pounder. He says he's done all his farming with walking tools including hand cultivating and hoeing.

**IT'S TIME FOR JACK O' LANTERNS** - Bright orange pumpkins are a welcome symbol of harvest, Halloween and fun. Both children and adults enjoy trying their artistic hand at carving their own jack o' lantern.

But many people forget that they are also a delicious vegetable. This fall, try serving fresh pumpkins.

The first important thing is knowing how to choose the pumpkin although there are no USDA grade standards specifically for pumpkins, the same general buying criteria for winter squash apply to them:

They should be well matured, not broken or cracked, free from soft spots and excessive scarring; and they should be clean. They should also have a rich, orange color.

PUMPKINS provide the makings of spicy pumpkin pie, bread, muffins, puddings and custards. Small pumpkins may be stuffed with meat, vegetables or seafood. They are good mashed and seasoned with butter and cinnamon or baked and glazed with honey.

Pumpkin can be prepared in the same way as other winter squashes, i.e., banana, Hubbard, acorn or Danish. To boil pumpkin, quarter it and remove the rind. Cook, covered in a small amount of lightly salted boiling water, 25-30 minutes or until tender. Since pumpkins are a water vegetable, a large amount of cooking water is undesirable. When cooked, drain and mash. To use in recipes calling for canned pumpkin, place mashed pumpkin in a strainer and let drain about 30 minutes to remove excess liquid (or puree).

To bake pumpkin, simply wash and cut into serving size portions. Remove seeds and strings. Place in a pan, shell side up, and bake in a 350 degree oven for 1 hour or more until fork tender. During the last 15 minutes, turn flesh side up and brush with butter or glaze, if desired. Or, scoop the pulp from the shell and mash. When scooping out a pumpkin, we usually create two things - a Jack o' Lantern and a mess! This year, don't throw away all of that "mess". Save the seeds and turn them into a delicious snack - Salted Pumpkin Seeds. To prepare this snack, wash the seeds well and spread them on a cookie sheet to dry. Roast them at 375 degrees F for 20 to 30 minutes or until dried.

**"To Be Or..."**

LANSGING - The Lansing Community College Planetarium Multi-Media Center presents a multi-media college, "To Be Or..." The program is presented free of charge as a public service by the Learning and Resource Division of Lansing Community College.

A stellar interlude with Judy Collins, "Amazing Grace", provides a welcome release from the all-encompassing emotional tension created in the early portions of the presentation.

The presentation was conceived and named by James McClure of the LCC Social Science Department; created and produced by Mort Mattson in association with students, faculty, staff, and friends of the college. Special assistance was given to the project by Michael Byrne of the LCC Language Arts Department.

Many students have described the program as a "happening". Other participants described it as an "experience". Due to its intense emotional impact, "To Be Or..." is NOT a presentation for children. The producers strongly suggest that children under 15 not attend.

The Planetarium Multi-Media Center is located on the 4th floor of the CAS building, on the corner of Washtenaw Avenue and Shawwassee Street in downtown Lansing.

FOR THE young and young at heart, the planetarium at LCC will again present its popular Planetarium Program on a special request basis, and on Thursday evenings following Thanksgiving. Please call Mort Mattson, Planetarium Coordinator, at 373-7284 for additional information.

# County Board of Commissioners

Wednesday, July 5, 1972

The Clinton County Board of Commissioners met Wednesday, July 5, 1972 at 9:00 a.m. Prayer was offered by Maurice Gove. A Pledge of Allegiance was given to the flag. Roll was called and a quorum reported. Present were D. Shinabery, W. Nobis, M. Gove, R. Dittmer, D. Chamberlain, C. Underhill, W. Hufnagel, R. Montgomery, R. Andrews and G. Shepard. G. Lankford was excused.

Minutes of the June 21, 1972 meeting were presented. It was moved by Gove, supported by Nobis, to approve the minutes as presented. Voted and carried.

Communications were read.

A news bulletin from Michigan Association of Counties informing the Board that H. J. Resolution XX in which a justice or judge of a court may not order a legislative body or treasurer of this state or of any county, city, village or township to appropriate or pay out any money or other funds for the operation or maintenance of any court. The bill has cleared the House and is now before the Senate for consideration. Shinabery moved, supported by Hufnagel, to urge Senator Ballenger to support this legislation. Voted and carried.

A notice from the Michigan Department of Highways of a public hearing on the Proposed I-69 Freeway from I-96 to US-27 to be held at the DeWitt High School on Wednesday, July 26th at 8:00 p.m. was read.

The Clinton County Planning Commission will hold a joint meeting with the township boards and Planning Commission of DeWitt and Watertown Townships at the Court House Monday, July 24 at 8:00 p.m. Chairman Shepard appointed the Board as a committee of the whole to attend this meeting.

Nobis moved, supported by Hufnagel, to approve the request by the Friend of the Court, Agnes Danley, to attend the annual conference to be held at Shanty Creek Lodge the week of July 10-14th. Voted and carried.

The Board recessed for committee meetings at 10:00 a.m.

On again coming to order, John Kennaugh from the Grand River Watershed Council presented a progress report on the plan which they are preparing. He stated that this is for the purposes of keeping the Board informed of what is being done. They stand ready to assist any local unit with related programs which they may wish to implement. He answered questions concerning the program.

A citizens group appeared. Mrs Sharon Reha, Mrs. Joan Swanchara and Mr. Jesse Jones as spokesman stated the group's position which in essence would seek to place on the November ballot an advisory vote on improving conditions and perhaps building a Doctor's Medical Building near the Clinton Memorial Hospital.

William Jackson, Assistant Prosecutor stated that after consulting with State Elections Department that he knows of no present statute which would authorize the placing of an advisory question on the General Election ballot.

Dittmer moved, supported by Andrews, that the Clinton County Board of Commissioners approve the placing of an advisory question on the November ballot. On a roll call vote, those voting aye were Dittmer and Andrews. Nays were Shinabery, Nobis, Gove, Chamberlain, Underhill, Hufnagel, Montgomery and Shepard. 2 ayes, 8 nays. Lankford was absent. Motion defeated.

Equalization Director, Leon Thelen, passed out a list of the tax assessors which are presently certified assessors. Seven assessing units within the county presently do not have certified assessors, which can pose a problem. The State Tax Manual due in September. Two volumes cost \$45.00, \$3.00 per year upkeep thereafter. Each unit is required to have one. It will become mandatory to use the new manual (when?). Tax Law Manual - also mandatory to purchase, cost not yet known. Assessing units may combine to hire certified assessor. (New Law), certified assessor must sign assessment roll.

A certified supervisor may not assess another unit as of now. This most likely will change by next assessment roll time (ruling made prior to new law).

Blind Exemptions - no limit or assessed value and it is now \$3500 (retroactive), if you have this problem, call the Equalization Director.

Hufnagel moved, supported by Underhill, to approve commissioner's expense accounts as presented. Voted and carried.

The Board recessed for lunch at 12:00 noon.

P.M. SESSION

On again resuming session, William Kane, Herbert Iverson of Manson, Jackson & Kane, Inc., presented the Preliminary Design Report of the proposed County Court Building. Also present were Tim Green, Chairman of the County Building Authority, Harold Wellman and Lorenz Tiedt, members of the County Building Authority. Also Dr. George Richards.

Mr. Iverson, project engineer with the assistance of picture slides, explained the different functions and features of the proposed court building. The building will conform to and offer facilities required by law for the physically handicapped persons (which is an added cost factor).

The proposal will require a 21 year bond issue with an annual payment of \$100,000.00 for a total cost of \$1,200,000.00. To meet the projected time schedule will require a priority classification by the State Attorney General's Office. Options as shown in the proposal were discussed. The consensus of opinion being to leave them in the proposal.

Nobis moved, supported by Andrews, to approve the Preliminary Design Report and to authorize the Building Authority to secure working drawings and specifications for the same. On a roll call vote, those voting aye were Nobis, Chamberlain, Underhill, Hufnagel, Montgomery, Andrews and Shepard. Nays were Shinabery, Gove and Dittmer. 7 ayes, 3 nays. Lankford was absent. Motion declared carried.

The Chairman declared a recess at 3:30 p.m.

Upon again coming to order, Andrews moved, supported by Hufnagel, that title to property for building site, the legal description to be furnished by the architects, on Elm Street be deeded to the Building Authority and that the County lease land and completed District Court structure from the Building Authority for a term of 21 years at an annual rental of \$100,000 and that the county underwrite and defray all costs of repair, maintenance, insurance and allied expenses of said building. That said lease be on a net, net, net basis to the Building Authority pursuant to the statutes in such case made and provided and that the Chairman of the Board and Clerk of the Board be authorized to execute said lease on behalf of the County. Voted and carried.

Chairman Shepard called a Special meeting of the Board to be held on Monday, July 17, 1972 at 11:00 a.m.

The Department of Public Works has invited the Board of Commissioners to participate in a bus tour of the county DPW projects. The news media is also invited to participate.

Shinabery moved, supported by Hufnagel, to meet

Tuesday, July 11, 1972 at 9:00 a.m. for the trip. Voted and carried.

Hufnagel moved, supported by Chamberlain, to take from the table the appointment of a member to the Zoning Commission. Voted and carried. Chamberlain moved, supported by Gove, to reappoint Max Loudenbeck to succeed himself as a member of the Zoning Commission for a three year term. Voted and carried.

Nobis moved, supported by Andrews, that the bills as audited by the Audit Committee for the month of June be approved. Voted and carried.

Andrews reported that the Mid-Michigan Health Department is showing a deficit of approximately \$15,000. They are requesting an additional appropriation of \$5,000 per county, however both Montcalm and Gratiot County have appropriated the sum of \$2500.

Andrews moved, supported by Gove, that Clinton County make at this time a supplementary appropriation of \$2500 for the fiscal year.

Nobis moved, supported by Shinabery, that the motion be tabled until the department furnish documentary proof that a deficit does exist. Voted and carried.

Nobis moved, supported by Gove, that the following resolution be adopted. Voted and carried.

## RESOLUTION

Whereas, The Michigan Department of Corrections have proposed new rules and regulations pertaining to county jails and;

Whereas, We recognize the need for rehabilitation of prisoners. We think that these proposals would cause the inmates to enjoy unreasonable comforts and luxuries and to institute these regulations in their entirety for all counties would place an unreasonable financial burden on taxpayers.

Therefore Be It Resolved, that the Clinton County Board of Commissioners unanimously agree that these regulations are unreasonable and dictatorial in nature.

Further; We propose that the Michigan Department of Corrections work with the Michigan Sheriff's Association, and the Association of County Commissioners to modify the proposed rules to more definitely reflect the will of county government.

The matter of the appointment of a director for the County Department of Public Works was discussed. The consensus of opinion being that the County Board of Commissioners does not have jurisdiction in this matter, this being the statutory right of the Department of Public Works. At the present time, Mr. Green's official capacity is that of Legal Counsel and not as director.

Dittmer moved, supported by Nobis, to adjourn at this time and to meet again Monday, July 17, 1972 at 11:00 a.m. Voted and carried. Meeting adjourned.

Clerk

Monday, July 17, 1972

The Clinton County Board of Commissioners met in special session Monday, July 17, 1972 at 11:00 a.m. Present were Derrill Shinabery, Walter Nobis, Maurice Gove, Robert Dittmer, Diane Chamberlain, Claude Underhill, William Hufnagel, Robert Montgomery, Gerald Lankford, Roy Andrews and Gerald Shepard. Also present were Paul Nobis, Jay Heber, Harold Wellman and Tim Green.

Chairman Shepard dispensed with the usual procedure and called upon Paul Nobis and Jay Heber of the Clinton County Road Commission who spoke concerning the proposed rerouting of US-27. The Road Commission favors a route west of the present location. They feel that many factors favor this re-location. They also wish the State to keep the upkeep and control of the present US-27 route.

1. The largest proportion of the major industries are located on the west side of Lansing.

2. The airport is located on the west side and future development of which will play an important part.

3. A majority of the north bound traffic coming from other states comes from the southwest. This would provide a shorter and more direct route.

The Road Commission seeks support from the County Commissioners in pressing for the western route.

Dittmer moved, supported by Montgomery, that the Board go on record as favoring the western route for US-27. Voted and carried, unanimously.

Tim Green, Chairman of the Clinton County Building Authority, presented and reviewed the proposed lease to be executed by the County and the Building Authority to provide a new Court Building.

The Board recessed at 12:10 p.m. Members of the Board and County Officers attended the funeral of John Setterington, Essex Township Supervisor and a long time member of the Clinton County Board of Commissioners.

P.M. SESSION

Upon resuming session at 3:55 p.m., Chairman Shepard reported on the progress of the Emergency Employment Act Grant for the next year.

Lankford moved, supported by Andrews, that the Emergency Employment Act budget request of \$74,702.00 for the next year be approved. Voted and carried.

Nobis presented a tentative budget for 1973 which totals \$1,851,300.00. Anticipated revenue of the year totals \$1,851,300.00 which will present a balanced budget at this time. He then moved, supported by Shinabery, to approve the tentative Clinton County budget for 1973 as presented. Voted and carried.

Montgomery moved, supported by Andrews, to approve the lease agreement as presented. On a roll call vote, those voting aye were Shinabery, Nobis, Chamberlain, Underhill, Hufnagel, Montgomery, Lankford, Andrews and Shepard. Nays were Gove, 9 ayes, 1 nay. Dittmer was absent. Motion carried.

Nobis reported a request by R G Becher to separate the Maintenance from the Janitorial Department. He moved, supported by Gove, to separate the Janitorial Services from the Maintenance Department which will create a Janitorial Service Department. Voted and carried.

Shinabery moved, supported by Hufnagel, to authorize the County Clerk to pay the monthly rental of \$1100 for rental of the Social Services Building on or before the first day of the month. Voted and carried.

Chairman declared the meeting adjourned at 4:30 p.m.

Harry Cherrington and Jerry Johnson of Sidwell Studios presented, with the aid of slides and charts, a new concept of assessment procedures which would employ aerial photos and numbering system to be used in assessment procedures.

# Jaycee Auxiliary launch project

Mrs David Needham, Helping Hands project chairman of the St Johns Jaycee Auxiliary discusses the program with daughter, Carrie Lynn. The local organization is once again placing the "Hands" in the windows of homes throughout the city.

ST JOHNS - As part of a nation-wide project, hands appear in windows of homes throughout St Johns. The hand is a wordless sign for children in trouble, as a place of help and a haven. If children have an injury, are bullied by other children, become lost, or more terrifying are threatened by a molester, the youngsters may know they can run to a home displaying a hand to receive aid.

This is a continuing program with the Jaycee Auxiliary and is comparable to programs being carried on in many states throughout the country. Supporters of this program are the St Johns schools, the officials of the St Johns' Police Department, City officials and the Clinton County News.

The symbol of Help is a 6x9 placard on which a dark blue hand has been placed. Persons displaying the "Helping Hand" symbol are instructed to assist the child by summoning the parents and the proper emergency agency. They are advised against any application of medication. On the back of the card are listed the local emergency telephone numbers and instructions to the volunteers.

Mrs David Needham, "Helping Hands" Project Chairman has asked parents to explain the symbol to their family and locate, together with the child, the homes in the area with the hand in the window. Signs are posted 2 to a block by the Auxiliary.

Homes with the sign have been investigated relative to the character of the home and the importance of having someone home during school hours.

## "Beryozka" to open MSU dance series

"Beryozka", Russia's ebullient and colorful dance company, will open Michigan State University's "Art of Dance" series at 8:15 pm Tuesday, Oct 17, in the MSU Auditorium.

The "Art of Dance" series, new for the 1972-73 season, will also present the Balshava Dance Company of Israel Thursday, Nov 2; the Louis Falco Dance Company Thursday, Jan 11, and Rudolf Nureyev with the National Ballet of Canada Friday, April 13.

Ticket sales for the "package" close Oct 17.

The Beryozka Company is internationally recognized for its performance of choreographic stories and the kaleidoscopic patterns as the dancers lead and whirl across the stage.

Each dance has its own special movement. Particularly unusual is a floating walk which gives the impression that the stage is whirling-not the dancers. Critics have credited the group with a spontaneity of performance typical of Russian folk dance which imparts excitement to the company's technically impeccable dancing.

Nadezhda S Nadezhkina, a People's Artist of the USSR, is the founder and permanent artistic director of the Beryozka ensemble and is the creator of the dances and the programs.

Formerly a dancer at the Bolshoi Theater, she had always wanted to direct her own dance company and present the folk dances of her country. Her classical training has enabled her to create a new dance art which combines folk art with classical technique.

A connoisseur of folklore, Nadezhkina sees in it endless possibilities for creating new dances. Often she is inspired by Russian poetry.

Literature, poetry and folklore have led to such dances as "Troika," "Pryaitzy ("The Distaff or Spinning Wheel"), "Yamshchiki" ("The Coach Drivers"), "Northern Lights," and "The Siberian Suite."

The ensemble's name, "Beryozka," means "birch tree," a symbol to the Russians of the beauty of their land.

The dance, "Beryozka," also traditionally opens each program.

The Beryozka orchestra consists of 14 Russian folk instruments including domras, bayans (ac-

cordions), and gusli. The versatile musicians sing and dance as well.

## Thomas Fowler in CMU Theatre production

Thomas B Fowler, a junior at Central Michigan University is cast as Sem in the University Theatre production of "Noye's Fludde", one of two operas scheduled for Oct 19-20 and 23 at 8 pm in the Fred R Bush Theatre on the CMU campus. A Sunday matinee is planned for Oct 22 at 3 pm.

"La Serva Padrona", written in 1733 by Giovanni Pergolesi, survives today as a master model of the Italian comic opera form. The blustering of Dr Pandolfo, the coyness of Zervina and the idiocy of the mute Scapin combine to produce Pergolesi's operatic and

entertaining composition.

"Noye's Fludde" by Benjamin Britten, retells the Old Testament story of Noah and the Ark in a serio-comic manner, and the result is an appealing theatrical adventure. At various points in the opera, the audience will join the cast in singing hymns.

Fowler is the son of Mr and Mrs Bruce H Fowler, 1003 S Swegles St, St Johns and is a graduate of St Johns High School. He is majoring in vocal music.

Tickets for both performances may be obtained by calling the Theatre box office, 774-3874 weekdays.

## Carland News

The United Methodist Women of the Carland United Methodist Church met recently at the home of Mrs J C Bowen.

A Harvest supper of chicken-pie and ham is planned for Oct 28 to be held at the Carland Methodist church-house; Mrs Barbara Stewart is the acting chairman of the dining room and Mrs Dorothy Kadolph is the kitchen chairman. The event is open to the public.

During the business session, the ladies adopted a missionary, Marybell Stewart, to assist and remember on special occasions.

The nominating committee gave their report and the following officers were elected: Mrs Glenn Parks, president; Mrs Larry Kadolph, vice president; Mrs Louis Goodrich, secretary; Mrs J C Bowen, treasurer; Mrs Howard Horn, chairman of christian social relations; Mrs Glenn Brown, Chairman of missionary education; Mrs Earl Darling, chairman of spiritual growth; Mrs Kenneth Munson, chairman of literature and publications.

Mrs Art Curtis, Sr, Mrs Glenn Race, and Mrs Clara Horn were named to the nominating committee, with Mrs Curtis, Sr to be the acting chairman.

Mrs Barbara Stewart had charge of the program and presented two readings for discussion by the members present.

Tickets are available at the MSU Union Ticket Office.

### Horticulture workshop

The Fall Horticulture Workshop will be held on Saturday, Oct 21, room 204 Horticulture Building; MSU at East Lansing from 10 am-3 pm. Any adult and older youth interested in this workshop are invited to attend. Topics to be covered include dried arrangements, forcing bulbs, indoor gardening and garbage can gardening. Participants are urged to bring in dried arrangement material, bulbs and pots. Soil will be furnished plus some plants for propagation. Dr. Lee Taylor, Extension Horticulture Specialist, and other MSU resource personnel will be in charge of the sessions. No reservations are needed.

A leader training workshop for present or future 4-H snowmobile leaders will be held at Camp Kett Nov 3-4 near Tustin. The program begins with supper at 6 pm on Nov 3 and ends at 3 pm on Nov 4. The purpose of this conference is to help leaders to learn more about teaching safe snowmobile operation; current law and pending legislation; maintaining their machines; appropriate wear; training programs for youth; what resources are available; new developments in the snowmobile industry and others. A limit of four adults is the quota from Clinton County. Anyone interested in attending this workshop should contact the Extension Office. There is no cost for attending the two day program.

4-H leaders are reminded of the leaders meeting on Monday, Oct 23, 8 pm at Smith Hall in St Johns. It is important that all clubs be represented at this meeting as we will be discussing topics of concern to the total program. Fair premiums, pins, certificates, trip awards, calendars will be passed out. Also a number of Honor Clubs will be recognized with appropriate awards.

Leslie Himes, We Hah Kay Asta 4-H Club, has been notified that she has been moved up in her rank at the State 4-H Horse Show held in August at MSU due to an irregularity in an entry. She has been awarded a gold medal for 1st place in class 73, Stock Seat Equitation, members 17 years old, instead of second place; and a silver medal for 2nd place in class 79, Western Pleasure, members 17 years old instead of 3rd place.

Twenty-two 4-H horse

members and leaders interested in horse judging met Monday evening for a practice session observing slides and a film on what to look for in judging horse conformation. Judy Williamson of DeWitt is in charge of the group. Their next session will be on Saturday, Oct 28, 10 am at the Carroll Clark residence on Hyde Road east of US 27. Any member interested in horse judging should plan to attend.

4-H roller skating activities will begin this fall on Thursday, Oct 19, 7-10 pm at the Ranch Roller Rink in St Johns. The 4-H clubs with reservations for Oct 19 include: Knit N Stitch; Westphalia 4-H; Tail Waggers; Countryside; Spats & Spurs and Olive 4-H Projects. Other 4-H clubs interested in going roller skating in October or other months should contact the Extension Office to make reservations.

The DeWitt Go-Getters is the name of a newly organized 4-H club south of DeWitt under the organizational leadership of Mrs Karen Nachazel. Officers elected for the year include: Mariann Nachazel, president; Sue Hunt, vice president; Kathy Wheat, secretary; Debbie Stanley, treasurer; Julie Walter, newsreporter; DeAnn Nachazel and Lynette Walter, recreation leaders. The members voted to have dues 25 cents per month and will hold their business meetings the 4th Monday of each month. Clothing and Knitting are the projects the members signed up for this winter.

The Maple River Craftsmen and Merry Makers 4-H clubs will combine this winter under the leadership of Mr and Mrs Herm Baese and will select a new name for the club. Officers elected for the new club are as follows: Dennis Baese, president; David Baese, vice president; Kim Clark, secretary; Teresa Clark, treasurer and Kathy Harmon, newsreporter. The members voted to hold their business meeting the 1st Tuesday of each month and go 4-H roller skating in January. The officers will meet with the leaders to work out the club program for the year. The club will hold a potluck dinner on Nov 7, 7 pm at the Colony Community Club for members and families. Awards and Fair premiums will be presented to the members. The Nimble Fingers 4-H

groups, 4-H members, in urban and rural areas, are helping to make this a better place in which to live.

President Nixon underscored that point when he addressed the 50th National 4-H Congress last year. "Young people today, every survey shows, are more generously committed to human betterment through voluntary service than any generation before you." "Your own work in 4-H," the President added, "has shown what mountains that commitment can move."

4-H recognizes annually those outstanding members who have displayed high citizenship achievements and concern for others. The Cooperative Extension Service selects an outstanding boy and girl who epitomizes this excellence in citizenship.

## St Johns represented at 4-H Meat Contest

EAST LANSING -- A four-member meat judging team will represent Michigan in the National 4-H Meat Identification and Judging Contest in Kansas City, Mo., Thursday, Oct 12.

The contest was held in conjunction with the American Royal Livestock and Horse Show.

The members of the team were chosen in an elimination contest held after a series of training days at Michigan State University. They are:

-Ted Ashley, 17, from Route 5, St Johns, Clinton County.

-Dan Baldus, 16, of 6621 Webster Courthouse Road, Dexter, Washtenaw County.

-Brian Brook, 16, of 15870 Upton Road, East Lansing, Ingham County.

-Mary Alice Girsch, 17, of 2693 Arkona Road, Saline, Washtenaw County.

Chosen as an alternate was Mark Engel, 16, of Whitmore Lake, Washtenaw County.

Coaching the team are Douglas Meiburg, a graduate assistant in animal

husbandry at MSU, and Dr Robert Merkel, professor of animal husbandry.

The trip was made possible by the Michigan 4-H Foundation through a grant from the Michigan Livestock Exchange.

### O-E FFA alum plans meet.

OVID-ELSIE -- The Ovid-Elsie Future Farmers of America will hold its second alumni meeting Thursday, Oct 19. The 8 pm meeting will be in the agriculture room at the high school.

The gathering is open to all former FFA members in the Ovid-Elsie area.

The newly formed group has encouraged participation in the activities of the organization although persons may have been unable to attend the first meeting.

A program will be offered during the meeting of interest to those in the agriculture industry. Refreshments will be served.

## Farm Tips

Silo gas can kill

By WILLIAM LASHER  
Extension Agriculture Agent

Silo gas can kill. And almost every farmer who puts up corn silage will be faced with this deadly threat.

"Treat every silo as though gas were present," advises William Lasher. "Almost every silo with corn silage will have some of the gas, and those filled with haylage or oatlage could have it, too."

"Silo gas (nitrogen dioxide) is heavier than air

and accumulates just above the silage, at the bottom of the silo, in the unloading chute or in the adjacent feed room. Dead birds around these areas are clues that the gas is at dangerous levels. But many times the gas will be toxic and you won't be able to see these signs. If I were a farmer, I wouldn't take the chance. Even if the gas doesn't kill you, it can damage your lungs and cut down your oxygen supply for the rest of your life. A gas mask with a nitrogen dioxide canister is probably a lot cheaper than the respiratory problems that might be associated with chance taking. But even with a gas mask you can have trouble if the 'gas pocket' is concentrated or short of oxygen."

Lasher offers these safeguards against the gas: -Stay out of the silo for a week, or preferably two, after the silo is filled. Never go into the silo along during the danger period.

But even with a gas mask you can have trouble if the 'gas pocket' is concentrated or short of oxygen."

Lasher offers these safeguards against the gas: -Stay out of the silo for a week, or preferably two, after the silo is filled. Never go into the silo along during the danger period.

-If you must enter the silo within two weeks, run the blower 15 to 20 minutes before going in. Keep the blower running while anyone is inside. Best bet is to wear a gas mask, too.

-If you experience the slightest throat irritation or coughing, get into fresh air right away. Immediate treatment by your doctor may reduce lung damage and keep pneumonia from developing later.

-Keep children and animals away from the silo base during the filling period and for at least two weeks afterwards. Keep the door closed between the silo room and barn to protect livestock.

-Ventilate the silo room for at least two weeks after filling by opening outside doors and windows to carry away fumes. Removing the chute doors on the silo down to the level of the settled silage will permit natural ventilation at that point where gas tends to be concentrated.

## Three Clinton 4-H'ers go to National Congress

ST JOHNS -- Three Clinton County 4-H'ers will be among national 4-H'ers attending the National 4-H Congress in Chicago Nov 26-30.

Lori McQueen, Double M, health; Alan Cobb, Elsie 4-Corners; poultry, and John Dunham, Spring Valley, field crops. State winners chosen to go on to the national event as Michigan delegates.

"Learning by doing" is the central creed of 4-H work. Members get involved in projects and activities that enable them to learn skills and attitudes that will help them in their adult life. Through community service projects, working with the mentally retarded and the physically handicapped, aiding law enforcement agencies and environmental

groups, 4-H members, in urban and rural areas, are helping to make this a better place in which to live.

President Nixon underscored that point when he addressed the 50th National 4-H Congress last year. "Young people today, every survey shows, are more generously committed to human betterment through voluntary service than any generation before you." "Your own work in 4-H," the President added, "has shown what mountains that commitment can move."

4-H recognizes annually those outstanding members who have displayed high citizenship achievements and concern for others. The Cooperative Extension Service selects an outstanding boy and girl who epitomizes this excellence in citizenship.

## DeWitt Township Meeting

Synopsis of the Regular meeting of the DeWitt Township Board held on Tuesday, October 10, 1972 at DeWitt Township Hall, 780 E Wieland Road, Lansing, Michigan.  
The meeting was called to order by Supervisor King at 8:00 pm.  
Board members present: Powell, Johns, Purves, King, Syverson, Zeeb and Pline. The meeting was opened with the Pledge of Allegiance.

Approved the minutes of the Regular Board meeting of September 11, 1972.  
Communications were read.  
Fire report was given by Purves. Approved holding a training school for area firemen at the Township.  
Planning Commission report was given by Johns. Recommended approval of the Special Use Permit for the Dale Martin property in

US-27.  
Presentation was given for the property of Kristana Mobile Village. The owners would like to plat this land for mobile homes. This already zoned for a mobile home park.  
Police Committee minutes and Police report was given by Pline. School crossing guard for State and Brook Roads was discussed. Approved having Chief Angell hire a guard. Applications are being taken to fill this position. Approved posting no parking sign on Hannah Street. Adopted a resolution requesting a traffic light be installed at the Wood Road and State Road intersection.  
Transportation Committee had nothing to report.  
Parks and Recreation Commission report was given by King. Appointed Robert Dobbrastine, Frank Majkol and Marilyn Stage to the Commission.  
The Supervisor explained some questions he had received concerning the sewer system. These were discussed. Tabled the requested from Mrs Kowatch to hook into the sewer system.  
Tim Green did affirm that the payment from Bath Charter Township should come to the Township. This should be put in the Sewer System account.  
Chapman still does not have the factor for the storm drain.  
Tabled the proposed weed ordinance.  
Discussed the meeting about traffic lights on US-27.  
Will check with Consumers Power about installing new streetlights in Clinton Village No 1.  
Supervisor will check with Chapman about repairing the drain near Eskes and State Road.  
Zeeb wanted to purchase the old adding machine. The Board voted to give this machine to him for his forty years of service.  
Sealed bids will be taken at the next Board meeting to sell the window air conditioner that was taken out of the Supervisor's office.  
Approved all vouchers.  
Announcements: Planning Commission meeting - Monday, Nov 6 at 7:30 pm.  
Regular Board meeting - Monday, Nov 13 at 8:00 pm.  
Adjournment at 11:15 pm.  
Respectfully submitted,  
DONNA B SYVERSON, Clerk
