At a regular meeting of the Clinton County Board of Commissioners, held at the Clinton County Courthouse, 100 E. State Street, St. Johns, Michigan on Tuesday, March 29, 2022, at 9:00 a.m.

The following resolution was offered by Commissioner Pohland supported by Commissioner Washington.

WHEREAS the United States Environmental Protection Agency (USEPA) and the Michigan Department of Environment, Great Lakes, and Energy (EGLE) have required communities in the Greater Lansing tri-county region to apply for and maintain compliance with a National Pollutant Discharge Elimination System Phase II (NPDES II) permit, and;

WHEREAS, the communities prepared, reviewed, and proposed a Memorandum of Agreement for adoption by all the communities and agencies to formalize and establish the Greater Lansing Regional Committee for Stormwater Management (GLRC), and

WHEREAS, participation in the GLRC advances local efforts for responsible stewardship of our natural resources, allows for the cooperative management of the watersheds in our community and this region, and assists the participating municipalities and their departments in complying with the regulatory requirements promulgated by EGLE and the USEPA Municipal Separate Storm Sewer System (MS4) stormwater discharge permits, and;

WHEREAS, the Memorandum of Agreement which was adopted by these municipalities and agencies originally in 2008, was revised and updated and re-adopted in 2012 and 2017, and has now been prepared reflecting changes in the participating communities and activities to meet permit requirements and extending the period of the agreement to April 30, 2027, now;

THEREFORE BE IT RESOLVED, that the Clinton County Board of Commissioners approves the Greater Lansing Regional Committee for Stormwater Management Memorandum of Agreement revised by the GLRC on December 2, 2021 and authorizes payment of the appropriate annual assessment for support of the Greater Lansing Regional Committee, and;
