

**1998-39**  
**Regional Resolution**  
**To Support Efforts to Retain General Motors**

**WHEREAS**, the Lansing region was the birthplace of the automobile manufacturing industry because of the ingenuity and entrepreneurial genius of R.E. Olds; and

**WHEREAS**, all of the communities in the Lansing region have enjoyed the economic benefits of a 100-year history of quality automobile production; and

**WHEREAS**, excellent labor/management relationships between the UAW and General Motors have long been a hallmark of the Lansing plants; and

**WHEREAS**, our current plants and our skilled workforce have made the Lansing area the Car Capital of North America in terms of both the quantity and quality of cars produced; so now

**THEREFORE BE IT RESLOVED**, that the Clinton County Board of Commissioners commits to making the retention of General Motors manufacturing facilities a top priority and agrees to work collaboratively with other units of government to keep General Motors in the Lansing region.

STATE OF MICHIGAN  
COUNTY OF CLINTON

I, DIANE ZUKER, Clerk of the County of Clinton do hereby certify that the foregoing resolution was duly adopted by the Clinton County Board of Commissioners at the regular meeting held August 25, 1998 and is on file in the records of this office.
