**PRESENT:** Commissioners Kam Washburn, David Pohl, Bruce DeLong, Jack Enderle, Robert Showers, Eileen Heideman and Adam Stacey

**ABSENT:** None

The following resolution was offered by Commissioner Pohl and seconded by Commissioner Heideman:

WHEREAS, by resolution adopted on March 27, 2012, the Clinton County Board of Commissioners appointed the County Drain Commissioner as the “delegated authority” within the meaning of Part 307 of Act 451, Public Acts of Michigan, 1994, as amended (“Part 307”), to take such actions as are necessary to revise the established lake level of Park Lake and confirm special assessment district boundaries for the established lake level of Park Lake; and

WHEREAS, pursuant to Part 307, the Clinton County Circuit Court, by order dated August 21, 2012, (i) revised and established the normal lake level of Park Lake in the Charter Township of Bath (the “Township) in the County of Clinton to be 844.4 feet (N.A.V.D. 88) (844.84 feet N.A.V.D. 29), and (ii) established the Park Lake Level Special Assessment District (the “Special Assessment

District”) for the purpose of establishing and maintaining the lake level and set forth the parcels to be included in the Special Assessment District; and

WHEREAS, acting as the delegated authority, the Drain Commissioner has prepared a computation of cost in the aggregate amount of \$935,000 of (i) improvements necessary to maintain the revised normal level of Park Lake (the “Project”) at a cost of \$768,118.10 and (ii) additional improvements in the form of a supplemental benefit to be paid for by the Township (the “Supplemental Benefit”) at a cost of \$166,881.90 and has prepared a special assessment roll setting forth the assessments for the Project against owners of property and public corporations in the Special Assessment District in the amount of \$633,118.10 and an assessment against the Township in the amount of \$166,881.90 for the Supplemental Benefit, the balance of the cost of the Project to be paid by a contribution of \$135,000 from the County of Clinton; and

WHEREAS, pursuant to notice given as required by Part 307, the Drain Commissioner held a hearing on the cost of the Project and the Supplemental Benefit and the special assessment roll on November 7, 2013 and, following the hearing, approved the cost of the Project and the Supplemental Benefit and the special assessment roll; and

WHEREAS, the Drain Commissioner has proposed that the Special Assessment District issue bonds in the principal amount of not to exceed \$735,000 (the “Bonds”) to pay part of the cost of the Project and the cost of the Supplemental Benefit and that the County pledge its full faith and credit to the payment of the Bonds; and

WHEREAS, Part 307 requires that the Board of Commissioners approve the cost of the Project and the Supplemental Benefit and the special assessment roll by resolution and also approve the issuance of the Bonds by the Special Assessment District.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF CLINTON, as follows:

1. The Special Assessment District shall be designated and hereafter referred to as the “Park Lake Level Special Assessment District.”

2. The cost of the Project and the Supplemental Benefit and the special assessment roll for the Special Assessment District, in the forms presented to this meeting, are hereby approved.

3. The Board of Commissioners hereby approves the issuance of the Bonds by the Special Assessment District pursuant to Part 307 to pay part of the cost of the Project and the cost of the Supplemental Benefit, the Bonds to be payable from the special assessments for the Project and the Supplemental Benefit, and authorizes the Drain Commissioner to take all actions on behalf of the Special Assessment District as are necessary to issue and sell the Bonds as provided in Part 307. The special assessment roll shall be payable in installments in amounts sufficient to pay the principal of and interest on the Bonds.

4. Pursuant to the authorization provided in Section 30705 of Part 307, provided that the Bonds are issued in a principal amount not to exceed \$735,000, bear interest at a rate not to exceed 6% per annum and mature on or before June, 2026, the Clinton County Board of Commissioners, by a two-thirds (2/3) vote of its members elect, does hereby irrevocably pledge the full faith and credit of the County of Clinton for the prompt payment of the principal of and interest on the Bonds, and does agree that in the event that property owners or public corporations in the Special Assessment District shall fail or neglect to account to the County Treasurer of the County of Clinton for the amount of any such special assessment installment and interest (in anticipation of which the Bonds are issued) when due, then the amount thereof shall be immediately advanced from County funds, and the County Treasurer is directed to immediately make such advancement to the extent necessary.

5. In the event that, pursuant to said pledge of full faith and credit, the County of Clinton advances out of County funds, all or any part of the principal of and interest due on the Bonds, it shall be the duty of the County Treasurer, for and on behalf of the County of Clinton, to take all actions and proceedings and pursue all remedies permitted or authorized by law for the reimbursement of such sums so paid.

6. The County Treasurer is authorized, if necessary, to file an application for approval of the Bonds with the Michigan Department of Treasury.
