Per County Personnel Manual

THE AMERICAN'S CREED

I BELIEVE in the United States of America as a government of the people, by the people, for the people whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon these principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws, to respect its FLAG and to defend it against all enemies.

THE PLEDGE TO THE FLAG

I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.
