CARSON CITY-CRYSTAL AREA SCHOOLS PROPOSAL

Carson City-Crystal Area Schools
Operating Millage Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Carson City-Crystal Area Schools, Montcalm, Gratiot, Ionia and Clinton Counties, Michigan, be renewed by 17.6828 mills (\$17.6828 on each \$1,000 of taxable valuation) for a period of 6 years, 2027 to 2032, inclusive, and also be increased by .3172 mill (\$0.3172 on each \$1,000 of taxable valuation) for a period of 6 years, 2027 to 2032, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2027 is approximately \$2,001,500 (this is a renewal of millage that will expire with the 2026 levy and a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963)?
